To the Citizens of the Commonwealth:

On behalf of the Department for Community Based Services, I am pleased to share a copy of the Federal Fiscal Years 2019-2021 state plan for the intended use of Child Care and Development Fund (CCDF) Block Grant. The annual plan is based on estimated receipts. Should the actual appropriation differ, the plan will be amended accordingly.

On behalf of Kentucky, the Department for Community Based Services prepared the preliminary plan using draft guidance from the Office of Child Care within the U.S. Department of Health and Human Services. Final federal guidance is anticipated within the coming months. This plan is due to the Office of Child Care on July 1, 2018.

Informed and active citizens' participation continues to be a major factor in the prudent use of scarce resources. Please send any comments or recommendations to Christa Bell, Division of Child Care, 275 East Main Street, 3C-F, Frankfort, Kentucky 40621.

Your assistance in helping us develop and implement quality child care services for children within the Commonwealth is appreciated.

Sincerely,

A handwritten signature in blue ink, appearing to read "Adria", with a long horizontal flourish extending to the right.
