Re: 911 KAR 1:010 Application to Clinical Programs.

Dear Co-Chairs Alvarado and Moser:

After discussion among the leadership of the Office for Children with Special Health Care Needs (OCSHCN) regarding 911 KAR 1:010, Application to Clinical Programs, OCSHCN proposes the attached agency amendment to 911 KAR 1:010. The changes are to include four medical conditions on the incorporated by reference form "OCSHCN-10 (01 2019) Medical Eligibility List for Clinical and Case Management Services". The four medical conditions are already eligible and should have been included in the original filing of incorporated material. Please feel free to contact Jonathan Borden at OCSHCN at (502) 429-4430, ext. 2026.

Sincerely,

James C. Musser
