<p>APRDRG 97 Severity 3 - TONSIL AND ADENOID PROCEDURES - OH Medicaid base rate reimb. \$30,377.56.</p>	<p>DRG [143] OTHER EAR, NOSE, MOUTH AND THROAT O.R. PROCEDURES WITH MCC - KY Medicaid base rate reimb \$20,250.17</p>	<p>While we do not know other KY Hospital Medicare Base Rates, using Medicare rates for a Children's Hospital is not comparable due to most Children's Hospitals see very few children covered by Medicare. *</p>

** Data from the (CMS) Centers for Medicare & Medicaid Services indicates that Medicare normally covers about 80% of costs. In turn, Medicare reimbursement rates are typically more than 30 % higher than Medicaid rates. With KY Hospitals receiving 95% of the Medicare reimbursement rate, this would equate to a rate well above the 120% Children's Hospital requested.*

In addition, CCHMC is not eligible for graduate medical education (GME) which pays on average \$1,400 per patient discharge. This amounts to an additional discrepancy of approximately \$2.5 million per year that, unlike KY hospitals, we do not receive.
