

1 AN ACT relating to the Transportation Cabinet titling and registration system.

2 ***Be it enacted by the General Assembly of the Commonwealth of Kentucky:***

3 → Section 1. KRS 186A.035 is amended to read as follows:

- 4 (1) (a) Except for vehicles described in paragraph (b) of this subsection, all motor  
5 vehicles, including motorcycles, with a gross vehicular weight of ten thousand  
6 (10,000) pounds or less, first registered, or for which the registration is  
7 renewed, shall be placed in a system of year-round registration based upon the  
8 birth date of the owner, in order to distribute the work of registering motor  
9 vehicles as uniformly as practicable throughout the twelve (12) months of the  
10 year.
- 11 (b) Owners of the following motor vehicles may elect to register these vehicles on  
12 an annual registration schedule of April 1 to March 31:
- 13 1. Farm vehicles registered under KRS 186.050(4); or
  - 14 2. Motor vehicles with a gross vehicular weight of ten thousand (10,000)  
15 pounds or less that are owned by a business.
- 16 (2) (a) If the owner of a motor vehicle is other than an individual, the month in which  
17 the owning entity came into being shall be used for purposes of this section.
- 18 (b) Except for motor vehicles jointly owned by spouses under paragraph (c) of  
19 this subsection, if a motor vehicle is jointly owned:
- 20 1. One (1) of the owners, who is a resident of Kentucky, shall be identified  
21 as the designated owner;
  - 22 2. The designated owner shall indicate to the county clerk his or her birth  
23 date to be used for purposes of this section; and
  - 24 3. If the circumstances of ownership change and the designated owner is  
25 no longer an owner of the motor vehicle or no longer a resident of  
26 Kentucky, another owner may title the motor vehicle in his or her name  
27 if that owner is a resident of Kentucky. If none of the remaining owners

1           are a resident of Kentucky, one (1) of the owners shall title the vehicle  
2           in that owner's state of residence.

3           (c) If a motor vehicle is jointly owned by a married couple, the ownership shall  
4           exist as a joint tenancy with right of survivorship, unless the registration  
5           expressly states to the contrary and gives an alternative specific status. One  
6           (1) of the owners shall indicate to the county clerk his or her birth date to be  
7           used for purposes of this section. Upon the death of one (1) of the spouses, the  
8           jointly-owned vehicle shall transfer to the surviving spouse free from payment  
9           of any state-required transfer fees. **The surviving spouse shall include a copy**  
10          **of the death certificate with the application for a new title.**

11          **(d) A certificate of title:**

12                 **1. May bear the connector "AND" to designate joint ownership. If the**  
13                 **"AND" connector is used, the signatures of all owners shall be**  
14                 **required to transfer the certificate of title;**

15                 **2. May bear the connector "OR" to designate joint ownership. If the**  
16                 **"OR" connector is used, the signature of only one (1) owner shall be**  
17                 **required to transfer the certificate of title; and**

18                 **3. Shall not bear the connector "AND/OR" to designate joint ownership.**  
19                 **If a title produced prior to the effective date of this Act bears the**  
20                 **connector "AND/OR," the cabinet and the county clerk shall follow**  
21                 **the procedures in subparagraph 1. of this paragraph in transferring**  
22                 **the certificate of title, unless directed otherwise by a court.**

23          (3) The certificate of registration and license plate issued for a motor vehicle first  
24          registered, renewed, or titled in this state shall be valid until the expiration date on  
25          the registration receipt, unless revoked in accordance with KRS 186A.040 or  
26          canceled by the cabinet in accordance with KRS Chapter 186 or this chapter. Any  
27          transaction relating to registration or registration renewal which would cause an

1 unexpired Kentucky motor vehicle license plate to be surrendered shall have that  
2 unexpired fee prorated or credited against any additional fee required by a  
3 subsequent registration.

4 (4) Except for vehicles registered under subsection (1)(b) of this section, KRS 186.041,  
5 186.042, and 186.162 that have a specified, universal expiration date, after a motor  
6 vehicle has been initially placed in the system of year-round registration, the owner  
7 shall renew the registration annually during the owner's birth month, either by  
8 making application to the county clerk or on the cabinet's website, and paying the  
9 fee required for twelve (12) consecutive months of registration, which shall take  
10 effect on the first day of the month succeeding the owner's birth month and shall  
11 expire on the last day of the owner's next birth month. The county clerk shall collect  
12 the fees set forth in KRS 186.040(1) and (6) for each renewal.

13 (5) At least forty-five (45) days prior to the expiration of the registration of any motor  
14 vehicle previously registered in the Commonwealth as provided by subsection (1)  
15 of this section, the owner of the vehicle shall be notified by mail or email on the  
16 same notice required by KRS 134.805(5) of the date of expiration. Nonreceipt of  
17 the notice required by this subsection shall not constitute a defense to any  
18 registration-related offense.

19 (6) Any owner who fails to renew the registration of a motor vehicle during the month  
20 in which the previous registration expired shall, if he or she applies for renewal of  
21 the registration in some later month, pay the same fees that would have been  
22 required if the registration had been renewed in the month which the previous  
23 registration expired, and, if applicable, the reinstatement fee for a cancelled  
24 registration required under KRS 186.040.

25 (7) Fees which must be prorated in carrying out the intent of this section shall be  
26 prorated on the basis of twelfths of the annual registration fee. Any vehicle which is  
27 registered at any time during a month shall pay the fee required for that whole

1 month plus any additional months of registration purchased consistent with the  
2 intent of the section.

3 (8) The county clerk shall ensure that the certificate of registration issued to an owner  
4 displays the month and year in which the registration period begins and the month  
5 and year of its expiration, and shall issue to the owner a decal or decals  
6 corresponding to the month and year of expiration shown in the certificate of  
7 registration which shall be placed upon the corresponding license plate by the  
8 owner in the manner required by administrative regulations of the Department of  
9 Vehicle Regulation.

10 → Section 2. KRS 186A.115 is amended to read as follows:

11 (1) (a) Except as otherwise provided in this section, the owner of every vehicle  
12 brought into this state and required to be titled in this state shall, before  
13 submitting his or her application for title to the county clerk, have the vehicle  
14 together with his or her application for title and its supporting documents  
15 inspected by a certified inspector in the county in which the application for  
16 title is to be submitted to the county clerk.

17 (b) An owner of a military surplus vehicle seeking title in this state shall, before  
18 submitting his or her application for title to the county clerk, have the vehicle  
19 together with his or her application for title and its supporting documents  
20 inspected by a certified inspector in the county in which the application for  
21 title is to be submitted to the county clerk.

22 (2) For inspections under this section:

23 (a) The certified inspector shall be certified through the Department of Vehicle  
24 Regulation following requirements set forth by the department by regulation  
25 and shall be designated by the county sheriff if the inspector is a current  
26 member of his or her office or a special inspector appointed pursuant to KRS  
27 70.030. The certified inspector will be held responsible for all certifications

- 1 required pursuant to this chapter and will be liable for any and all penalties  
2 prescribed in this chapter, and shall be available during regular office hours at  
3 any and all offices and branches that issue applications for titles;
- 4 (b) There shall be a fee for this certification, payable to the sheriff's office, and  
5 the fee shall be retained by the sheriff's office for official expenses of the  
6 office upon completion of certification, in the amount of:
- 7 1. Thirty dollars (\$30) for a motor vehicle dealer that qualifies to have an  
8 employee appointed as a special inspector under paragraph (d) of this  
9 subsection;
  - 10 2. Fifteen dollars (\$15) for a motor vehicle dealer that does not qualify to  
11 have an employee appointed as a special inspector under paragraph (d)  
12 of this subsection; or
  - 13 3. Fifteen dollars (\$15) for an individual person;
- 14 (c) There shall be an additional fee of twenty dollars (\$20) per trip when it  
15 becomes necessary for the certified inspector to travel to the site of the vehicle  
16 rather than bringing the vehicle to the sheriff's inspection area;
- 17 (d) A sheriff may appoint up to two (2) employees of a motor vehicle dealer that  
18 is licensed under KRS Chapter 190 and doing business in the sheriff's county  
19 as special inspectors if the motor vehicle dealer is:
- 20 1. A new motor vehicle dealer; or
  - 21 2. A used motor vehicle dealer that has sold an average of one hundred  
22 (100) or more motor vehicles per month in the preceding twelve (12)  
23 months;
- 24 (e) A special inspector appointed under paragraph (d) of this subsection is only  
25 authorized to perform motor vehicle inspections and complete certified  
26 inspection forms under this section for vehicles purchased by that dealership  
27 for resale and shall have his or her special inspector status revoked if he or she

- 1 is no longer an active employee of that dealership; and
- 2 (f) An inspection conducted in one (1) county within the Commonwealth of  
3 Kentucky under this subsection, and the fees paid for that inspection under  
4 this subsection, shall be honored by the certified inspector, sheriff, and county  
5 clerk in all other counties within this state. A second inspection shall not be  
6 required and additional fees shall not be required.
- 7 (3) The Transportation Cabinet may require that modifications be made to a military  
8 surplus vehicle. Any modifications required by the cabinet under this section shall  
9 be made to the military surplus vehicle prior to its inspection.
- 10 (4) The Transportation Cabinet shall promulgate administrative regulations pursuant to  
11 KRS Chapter 13A to implement the provisions of subsections (1)(b) and (3) of this  
12 section, including but not limited to vehicle modification requirements and the  
13 creation of a separate electronic inspection form. The Transportation Cabinet shall  
14 note that military vehicles were originally manufactured under the federally  
15 mandated requirements set forth in 49 C.F.R. sec. 571.7 and shall only require these  
16 vehicles to meet applicable federal motor vehicle safety standards.
- 17 (5) The following vehicles are excluded from the requirement of inspection by a  
18 certified inspector prior to titling in this state:
- 19 (a) New motor vehicles sold by a dealer licensed in this state;
- 20 (b) Vehicles required to be registered in this state by reason of lack of a  
21 reciprocity agreement with another state and for which a nonnegotiable  
22 registration document is to be issued;
- 23 (c) Motor vehicles operated by a motor carrier under a nonnegotiable certificate  
24 or permit issued by the Department of Vehicle Regulation;
- 25 (d) Motor vehicles owned by servicemen or servicewomen who are residents of  
26 Kentucky stationed outside of Kentucky may be inspected by the post provost  
27 or similar officer of the camp, post, or station. The post provost or similar

1 officer shall submit an affidavit stating the name of the owner, the  
2 identification or serial number, the make, body style, current license or title  
3 number, if any, and state in which currently registered or titled, if any, of the  
4 motor vehicle;

- 5 (e) Motor vehicles purchased in another state by persons who are residents of  
6 Kentucky but are temporarily residing out of state for at least thirty (30) days,  
7 but not longer than nine (9) months, may after the purchase of the vehicle be  
8 inspected by the state police, a local law enforcement agency, or the vehicle  
9 inspection program of another state. If an inspector in another state examines  
10 a vehicle under this paragraph, the purchaser may request the inspector to  
11 complete an affidavit stating the name of the owner, the vehicle identification  
12 number, the vehicle make and body style, the current state of registration, if  
13 any, and the current vehicle license or title number, if any. The Transportation  
14 Cabinet shall create an affidavit form containing at a minimum this  
15 information and shall post the form on the cabinet's internet website. A person  
16 using an inspector in another state under this paragraph shall comply with all  
17 requirements of that state's inspection program, including payment of fees  
18 charged in that state. A person registering a motor vehicle for the first time in  
19 Kentucky under this paragraph shall transmit the application for registration,  
20 all supporting documentation, and payment for registration and usage tax to  
21 the county clerk of the county in which the person resides, and upon receipt of  
22 the appropriate documentation, the county clerk shall register the vehicle; and
- 23 (f) Motor vehicles no longer located in Kentucky but which require inspection in  
24 order to issue a corrected Kentucky title due to error in vehicle identification  
25 or serial number may be inspected by an inspector authorized to inspect  
26 vehicle identification or serial number by the laws of the state or foreign  
27 country where application for a new title has been submitted.

- 1 (6) When presented to a certified inspector for inspection and to a county clerk for  
2 processing, the owner's application for a first certificate of registration or title in his  
3 or her name shall be accompanied by a current operator's license from Kentucky or  
4 another state and one (1) of the following documents as applicable:
- 5 (a) If the vehicle is a new vehicle not previously registered in this state, the  
6 properly assigned manufacturer's statement of origin for the vehicle for which  
7 registration or title is sought;
- 8 (b) If the vehicle was last registered in this state, and is a vehicle for which a title  
9 is not required in this state, a certificate of registration, or if the vehicle is one  
10 for which a certificate of title is required in this state, a properly assigned  
11 certificate of title;
- 12 (c) If the vehicle was last previously titled in another state, a properly assigned  
13 certificate of title;

18 the county clerk may accept on behalf of the Department of Vehicle  
19 Regulation evidence of ownership provided the applicant by the United States  
20 Department of Defense; and
- 21 (f) Except as provided in KRS 186A.072(2)(c) governing custom-built  
22 motorcycles, if the application relates to a vehicle which has been specially  
23 constructed or reconstructed, that fact shall be stated in the application, and  
24 the application shall be accompanied by the documents specified by  
25 administrative regulations of the Department of Vehicle Regulation.
- 26 (7) When requested to inspect a vehicle pursuant to this section, the certified inspector  
27 shall personally and physically inspect the vehicle, when registration or title is

1 sought in this state, on the following points:

- 2 (a) He or she shall compare the vehicle identification number as appearing on  
3 both the vehicle identification number plate, and the federal safety standards  
4 label of the vehicle which is sought to be registered or titled, with the  
5 corresponding number inscribed on the application, and its supporting  
6 documentation, and ensure that the vehicle identification number appearing at  
7 each described location appears legitimate and that they are consistent with  
8 each other;
- 9 (b) He or she shall examine the primary odometer of the vehicle and  
10 electronically record the reading in the space provided in the inspection  
11 section of the application;
- 12 (c) After exercising due diligence in inspecting the vehicle and its supporting  
13 documentation, and finding that they appear to be in order, the certified  
14 inspector shall execute the electronic certificate of inspection according to its  
15 terms by electronically inputting in the spaces provided his or her first name,  
16 middle initial, and last name, certified inspector number, his or her title; the  
17 name of the county in which he or she serves; and the telephone number  
18 including the telephone area code of his or her agency, and enter the month,  
19 day, and year in which his or her inspection was made, certifying under  
20 penalty of forgery in the second degree the character, accuracy, and date of  
21 his or her inspection; and
- 22 (d) A certified inspector number shall not be subject to an open records request  
23 under KRS 61.870 to 61.884 unless otherwise required by a court order.
- 24 (8) The certified inspector shall refrain from executing the certificate of inspection if:
- 25 (a) He or she has not personally and physically inspected the vehicle in  
26 accordance with this section;
- 27 (b) He or she has reason to believe that the vehicle displays an unlawfully altered

1 vehicle identification number;

2 (c) The application and any of its copies are illegible or otherwise improperly  
3 executed, or contain information reasonably believed to be inaccurate or  
4 fraudulent;

5 (d) The documentation required in support of any application is not present, or  
6 not consistent with the vehicle and the owner's application or appears  
7 fraudulent; or

8 (e) He or she has probable cause to believe the vehicle is stolen.

9 (9) (a) Inspections on motor vehicles that meet the definition of a "historic vehicle"  
10 under KRS 186.043(2) and are brought into this state shall be limited to  
11 verification of the vehicle identification number with supporting  
12 documentation for purposes of titling.

13 (b) Inspections on motor vehicles that meet the definition of a classic motor  
14 vehicle project as set forth in KRS 186A.510 shall be limited to verification of  
15 the vehicle identification number with supporting documentation for purposes  
16 of issuing a classic motor vehicle project certificate of title under KRS  
17 186A.535(1).

18 (10) The electronic certificate of inspection shall not be handled by any person or  
19 persons other than those designated individuals within the offices of the sheriff,  
20 county clerk, or other state office.

21 (11) The Transportation Cabinet shall promulgate administrative regulations pursuant to  
22 KRS Chapter 13A to implement the provisions of this section, including but not  
23 limited to special inspectors classified as dealer inspectors only and the creation of  
24 an electronic certified vehicle inspection form and receipt.

25 → Section 3. KRS 186A.120 is amended to read as follows:

26 (1) (a) Except for applications for title or salvage title using the electronic title  
27 application and registration system established under KRS 186A.017,

1 application for a first certificate of registration or title and plate shall be made  
 2 by the owner to the county clerk of the county in which the owner resides,  
 3 except that, if a vehicle is purchased from:

4 ~~1.(a)~~ A dealer other than in the county in which the purchaser for use  
 5 resides, the purchaser, or the dealer on behalf of the purchaser, may  
 6 make application for registration to the county clerk in either the county  
 7 in which the purchaser resides, or in the county in which the dealer's  
 8 principal place of business is located; or

9 ~~2.(b)~~ An individual who resides in a county in which the purchaser does  
 10 not reside, application for registration may be made to the county clerk  
 11 in either the county where the seller resides or the purchaser resides.

12 **(b) The county clerk shall ensure that all applications and required supporting**  
 13 **documents are original documents.**

14 **(c) An application received by a county clerk shall be processed and sent to the**  
 15 **cabinet within three (3) days of receipt.**

16 (2) (a) When purchaser of a vehicle upon which a lien is to be recorded is a resident  
 17 of a county other than that of the dealer, the application for registration or title  
 18 may be made to the county clerk in either county. The lien must be recorded  
 19 in the county of the purchaser's residence.

20 (b) If vehicle application for registration or title is presented to the county clerk of  
 21 dealer's location rather than purchaser's residence, the clerk shall process  
 22 documents in a manner similar to that of any application, with the exception  
 23 that the AVIS system shall be programmed in a manner that the title shall not  
 24 be issued from Frankfort until the lien information has been entered by the  
 25 county clerk of the purchaser's residence.

26 (3) (a) A new vehicle, when first registered or titled in this state, shall be registered  
 27 or titled in the name of the first owner for use rather than in the name of a

1 dealer who held the vehicle for sale.

2 (b) Except as otherwise provided in this chapter, a used vehicle not previously  
3 registered or titled in this state shall be registered or titled in the name of the  
4 first owner for use rather than in the name of a dealer who held the vehicle for  
5 resale.

6 (4) If the owner of a vehicle required to be registered or titled in this state does not  
7 reside in the Commonwealth, the vehicle shall be registered or titled with the  
8 county clerk of the county in which the vehicle is principally operated.

9 (5) The Transportation Cabinet shall not require a member of the Armed Forces who is  
10 stationed in the Commonwealth to obtain a Kentucky operator's license in order to  
11 register a motor vehicle in the Commonwealth.

12 (6) If the owner of a vehicle is other than an individual and resides in the  
13 Commonwealth, the vehicle shall be registered or titled with the county clerk in  
14 either the county in which the owner resides or in the county in which the vehicle is  
15 principally operated.

16 → Section 4. KRS 186A.060 is amended to read as follows:

17 (1) The Department of Vehicle Regulation is directed to develop, in cooperation with  
18 county clerks, auto dealers, and the Department of Revenue, Department of  
19 Insurance, and Department of Kentucky State Police, the forms required to record  
20 all information pertinent to the registration, titling, and taxation of a vehicle.

21 (2) The Department of Vehicle Regulation shall make every effort to minimize and  
22 reduce the amount of paperwork required to apply for, or transfer, a vehicle title.  
23 When possible, the title document itself shall be used as the primary form used to  
24 effect a transfer of vehicle ownership. The title document shall contain space  
25 exclusively reserved for a minimum of two (2) dealer assignments.

26 (3) When no in-state title exists, forms shall be designed by the department that require  
27 only the appropriate and essential information to effect the application for title.

- 1 (4) (a) The department shall constantly review the information needs of government  
2 agencies and other organizations with the goal of reducing or eliminating  
3 unnecessary documentation. Information being sought for application for title  
4 relevant to, but not limited to, vehicle identification, owner, buyer, usage tax,  
5 county clerk, or inspector shall be set forth by the cabinet in such a way as to  
6 promote flexibility in reaching this goal.
- 7 (b) Subject to the limitations of paragraph (c) of this subsection, an applicant for a  
8 motor vehicle title shall be required to provide his or her Kentucky operator's  
9 license number, Kentucky personal identification card number, or Social  
10 Security number as part of the application process.
- 11 (c) If a motor vehicle is jointly owned, one (1) of the owners, who is a resident of  
12 Kentucky, shall be identified as the designated owner, and only the designated  
13 owner shall be required to provide his or her Kentucky operator's license  
14 number, Kentucky personal identification card number, or Social Security  
15 number as part of the application process.
- 16 (d) Any vehicle owned by a business that is licensed by the Secretary of State  
17 shall be titled and registered using a Federal Employer Identification  
18 Number.
- 19 (e) An applicant for a motor vehicle registration shall be required to provide his  
20 or her Kentucky operator's license as part of the application process.
- 21 (f) If a motor vehicle has situs and is principally operated in Kentucky, and the  
22 owner does not reside in the Commonwealth, the motor vehicle shall be  
23 registered with the owner's Social Security number and out-of-state  
24 operator's license number.
- 25 (5) The use of an electronic medium shall be employed so that forms can be printed by  
26 the automated system. Existing statutory language in this chapter and KRS Chapter  
27 186 pertaining to application, signature, forms, or application transfer record may

1 be construed to be electronic in nature at the discretion of the cabinet as provided  
2 for by administrative regulation.

3 (6) Any person who knowingly enters, or attests to the entry of, false or erroneous  
4 information in pursuit of a certificate of title shall be guilty of forgery in the second  
5 degree.

6 → Section 5. KRS 186A.170 is amended to read as follows:

7 (1) The Department of Vehicle Regulation shall:

8 (a) Within five (5) working days following receipt by it of an application for a  
9 certificate of title in proper form, process the application and its supporting  
10 documents in the manner provided in this section, and unless it finds  
11 discrepancies with respect to it or its supporting documents, issue a certificate  
12 of title in the name of the owner and send it postpaid to such owner;

13 (b) Within forty-eight (48) hours following electronic notification by a county  
14 clerk's office of an application for a certificate of title, issue a speed title  
15 which shall be held for pickup or returned to the owner by mail. The clerk  
16 shall take the application for title and process the appropriate paperwork as  
17 provided for in this chapter. Subject to the limitations outlined in paragraph  
18 (c) of this subsection, the department may provide by administrative  
19 regulation for exceptions to the speed title procedure; and

20 (c) Not exempt vehicles with salvage and rebuilt titles from the speed title  
21 procedures, but may extend the processing time on salvage and rebuilt title  
22 applications for which the documentation is complete and accurate for up to:

- 23 1. Fifteen (15) business days for rebuilt vehicles that have been branded as  
24 unrebuildable in another state under KRS 186A.530(5) and (6); and
- 25 2. Five (5) business days for all other salvage and rebuilt vehicles.

11 ~~endorse the department's copy of the transmittal record and the~~  
12 ~~acknowledgment copy, and forward the acknowledgment copy to the clerk~~  
13 ~~who issued it.]~~

14 (3) In the event there is a discrepancy between the application **form and the supporting**  
15 **documents** [~~transmittal record and the application attached to it~~], the Department of

23 (4) [~~After executing the acknowledgment of receipt of applications,~~] The Department  
24 of Vehicle Regulation shall carry out the following action with respect to each  
25 application:

26 (a) Examine the owner's application for legibility and proper execution, presence  
27 of required information, including required supporting documents, and the

- 1 presence of required signatures. The Department of Vehicle Regulation shall  
 2 ensure also that the required supporting documents are consistent in pertinent  
 3 part with the information shown on the owner's application;
- 4 (b) The documents supporting an owner's application shall be examined as to  
 5 authenticity and to determine if fraudulent alteration has occurred;
- 6 (c) Ensure that the vehicle identification number of the subject vehicle is  
 7 apparently legitimate;
- 8 (d) Ensure that the vehicle identification number and any other appropriate  
 9 information with respect to a vehicle for which a certificate of title has been  
 10 applied for is compared against the National Crime Information Center  
 11 (NCIC) computerized listings of vehicles reported stolen, unless NCIC is not  
 12 operational and the department has official notification that it is not expected  
 13 to be operational within four (4) working days following the day on which an  
 14 application for a certificate of title is received by it; and
- 15 (e) Compare the computer-produced certificate of title for consistency with the  
 16 owner's application and supporting documents.
- 17 ~~(5) [When the title application has been completed, and the application examiner at~~

 20 ~~required examinations, the application shall be examined by a title examination~~  
 21 ~~certifier.~~
- 22 ~~(6)~~ The title application examiner~~[certifier]~~ shall ensure that each application has  
 23 received the required examinations as indicated by the presence of each required

 25 herself that an application has passed the required examinations, the title  
 26 examination certifier shall place his or her approval in KAVIS~~[unique symbol]~~  
 27 together with the date upon the application.

1 ~~(6)~~~~(7)~~ The Department of Vehicle Regulation shall withhold issuance of a title, until  
 2 its questions are resolved to its satisfaction, when it finds material discrepancies or  
 3 has information giving probable cause to believe:

- 4 (a) That an applicant is not the lawful owner of a vehicle for which he or she  
 5 seeks a title;
- 6 (b) His or her application is not in order;
- 7 (c) The documentation supporting an application is insufficient or fraudulent;
- 8 (d) The vehicle has an illegitimate vehicle identification number;
- 9 (e) The vehicle is stolen; or
- 10 (f) That the computer-produced certificate of title is not consistent with the  
 11 owner's application.

12 ~~(7)~~~~(8)~~ In the case of multiple owners, the Department of Vehicle Regulation shall  
 13 require only two (2) primary owners' names to be printed on the certificate of title.  
 14 Upon submission of the title application, if more than two (2) owners are listed, the  
 15 primary owners shall be determined by the title applicants. In such instances, the  
 16 certificate of the title shall note that there are more than two (2) owners. The names  
 17 of all title applicants shall be documented in AVIS.

18 ~~(8)~~~~(9)~~ When the Department of Vehicle Regulation finds that a certificate of title  
 19 should be issued for a vehicle, the endorsement of the commissioner of the  
 20 Department of Vehicle Regulation shall be engrossed upon the certificate of title  
 21 following a preprinted statement which shall read: I certify that the Department of  
 22 Vehicle Regulation has exercised due diligence in examining an application for a  
 23 certificate of title for the above-described vehicle, and to the best of our knowledge  
 24 and belief, the applicant whose name appears above is the lawful owner of the  
 25 apparently legitimate vehicle described herein. ----- (signature),  
 26 commissioner, Department of Vehicle Regulation, Kentucky Transportation  
 27 Cabinet.

1        ➔ Section 6. KRS 186A.190 is amended to read as follows:

- 2        (1) Except as provided in subsection (6) of this section and in KRS 355.9-311(4), the  
3        perfection of a security interest in any property for which has been issued a  
4        Kentucky certificate of title shall be by notation on the certificate of title which  
5        shall be deemed to have occurred when the provisions of subsection (3) of this  
6        section have been complied with. Discharge of a security interest shall be by  
7        notation on the certificate of title. Notation shall be made by the entry of  
8        information required by subsection (9) of this section into the Automated Vehicle  
9        Information System. The notation of the security interest on the certificate of title  
10       shall be in accordance with this chapter and shall remain effective from the date on  
11       which the security interest is noted on the certificate of title for a period of ten (10)  
12       years, or, in the case of a manufactured home, for a period of thirty (30) years, or  
13       until discharged under this chapter and KRS Chapter 186. The filing of a  
14       continuation statement within the six (6) months preceding the expiration of the  
15       initial period of a notation's effectiveness extends the expiration date for five (5)  
16       additional years, commencing on the day the notation would have expired in the  
17       absence of the filing. Succeeding continuation statements may be filed in the same  
18       manner to continue the effectiveness of the initial notation.
- 19       (2) A motor vehicle dealer, a secured party or its representative, an assignee of a retail  
20       installment contract lender, the cabinet, or a county clerk shall rely on a county of  
21       residence designated by the debtor on any approved, notarized state form utilized in  
22       lien titling or the title transfer process signed by the debtor. Reliance on the  
23       foregoing by the motor vehicle dealer, secured parties, cabinet, and county clerk  
24       shall relieve those persons from liability to any third party claiming failure to  
25       comply with this section.
- 26       (3) Except as provided in subsection (6) of this section, the notation of security  
27       interests relating to property required to be titled under this chapter in Kentucky

1 through the cabinet shall be done in the office of a county clerk. The notation of a  
 2 security interest shall reflect the county in which the debtor resides as determined  
 3 by subsections (2) and (4) of this section. The security interest shall be deemed to  
 4 be noted on the certificate of title and perfected, or deemed perfected at the time the  
 5 security interest attaches as provided in KRS 355.9-203, if in compliance with KRS  
 6 186A.195~~(8)~~~~[(7)]~~, when a title lien statement:

- 7 (a) Is received by the county clerk, together with the required fees;
- 8 (b) Describes the titled vehicle, or vehicle to be titled, by year, model, make, and  
 9 vehicle identification number;
- 10 (c) Provides the name of the secured party, or a representative of the secured  
 11 party, together with the additional information about the secured party  
 12 required by subsection (9) of this section with reasonable particularity; and
- 13 (d) Includes the date and time-stamped entry of the notation of the security  
 14 interest by the county clerk of the required information in the Automated  
 15 Vehicle Information System (AVIS), or its successor title processing system  
 16 maintained by the Division of Motor Vehicle Licensing of the Transportation  
 17 Cabinet.

18 (4) Except as provided in subsection (6) of this section, if the debtor is other than a  
 19 natural person, the following provisions govern the determination of the county of  
 20 the debtor's residence:

- 21 (a) A partnership shall be deemed a resident of the county in which its principal  
 22 place of business in this state is located. If the debtor does not have a place of  
 23 business in this state, then the debtor shall be deemed a nonresident for  
 24 purposes of filing in this state;
- 25 (b) A limited partnership organized under KRS Chapter 362 or as defined in KRS  
 26 362.2-102(14) shall be deemed a resident of the county in which its principal  
 27 place of business is located, as set forth in its certificate of limited partnership

- 1 or most recent amendment thereto filed pursuant to KRS Chapter 362 or  
2 362.2-202. If the office is not located in this state, the debtor shall be deemed  
3 a nonresident for purposes of filing in this state;
- 4 (c) A limited partnership not organized under the laws of this state and authorized  
5 to do business in this state shall be deemed a resident of the county in which  
6 the office of its process agent is located, as set forth in the designation or most  
7 recent amendment thereto filed with the Secretary of State of the  
8 Commonwealth of Kentucky;
- 9 (d) A corporation organized under KRS Chapter 271B, 273, or 274 or a limited  
10 liability company organized under KRS Chapter 275 shall be deemed a  
11 resident of the county in which its registered office is located, as set forth in  
12 its most recent corporate filing with the Secretary of State which officially  
13 designates its current registered office;
- 14 (e) A corporation not organized under the laws of this state, but authorized to  
15 transact or do business in this state under KRS Chapter 271B, 273, or 274, or  
16 a limited liability company not organized under the laws of this state, but  
17 authorized to transact business in this state under KRS Chapter 275, shall be  
18 deemed a resident of the county in which its registered office is located, as set  
19 forth in its most recent filing with the Secretary of State which officially  
20 designates its current registered office;
- 21 (f) A cooperative corporation or association organized under KRS Chapter 272  
22 shall be deemed a resident of the county in which its principal business is  
23 transacted, as set forth in its articles of incorporation or most recent  
24 amendment thereto filed with the Secretary of State of the Commonwealth of  
25 Kentucky;
- 26 (g) A cooperative corporation organized under KRS Chapter 279 shall be deemed  
27 a resident of the county in which its principal office is located, as set forth in

1 its articles of incorporation or most recent amendment thereto filed with the  
2 Secretary of State of the Commonwealth of Kentucky;

3 (h) A business trust organized under KRS Chapter 386 shall be deemed a resident  
4 of the county in which its principal place of business is located, as evidenced  
5 by the recordation of its declaration of trust in that county pursuant to KRS  
6 Chapter 386;

7 (i) A credit union organized under Subtitle 6 of KRS Chapter 286 shall be  
8 deemed a resident of the county in which its principal place of business is  
9 located, as set forth in its articles of incorporation or most recent amendment  
10 thereto filed with the Secretary of State of the Commonwealth of Kentucky;  
11 and

12 (j) Any other organization defined in KRS 355.1-201 shall be deemed a resident  
13 of the county in which its principal place of business in this state is located,  
14 except that any limited liability company, limited liability partnership, limited  
15 partnership, or corporation not organized under the laws of this state and not  
16 authorized to transact or do business in this state shall be deemed a  
17 nonresident for purposes of filing in this state. If the organization does not  
18 have a place of business in this state, then it shall be deemed a nonresident for  
19 purposes of filing in this state.

20 If the debtor does not reside in the Commonwealth, the notation of the security  
21 interest shall be done in the office of the county clerk in which the property is  
22 principally situated or operated. Notwithstanding the existence of any filed  
23 financing statement under the provisions of KRS Chapter 355 relating to any  
24 property registered or titled in Kentucky, the sole means of perfecting and  
25 discharging a security interest in property for which a certificate of title is required  
26 by this chapter is by notation on the property's certificate of title under the  
27 provisions of this chapter or in accordance with the provisions of KRS 186.045(3).

1 In other respects the security interest is governed by the provisions of KRS Chapter  
2 355.

3 (5) Except as provided in subsection (6) of this section, before ownership of property  
4 subject to a lien evidenced by notation on the certificate of title may be transferred,  
5 the transferor shall obtain the release of the prior liens in his or her name against the  
6 property being transferred. Once a security interest has been noted on the owner's  
7 title, a subsequent title shall not be issued by any county clerk free of the notation  
8 unless it has been noted in the system of record established under KRS 186A.195  
9 that the security interest has been discharged. If this requirement is met, information  
10 relating to any security interest shown on the title as having been discharged may be  
11 omitted from the title to be issued by the clerk. If information relating to the  
12 discharge of a security interest is presented to a clerk under the provisions of KRS  
13 186.045(3), the clerk shall discharge the security interest and remove the lien  
14 information from AVIS.

15 (6) Notwithstanding subsections (1) to (5) of this section, a county clerk shall,  
16 following inspection of the vehicle by the sheriff, to determine that the vehicle has  
17 not been stolen, issue a new ownership document to a vehicle, clear of all prior  
18 liens, to a person after he or she provides to the county clerk an affidavit devised by  
19 the Transportation Cabinet and completed by the person. The ownership document  
20 presented as a result of this affidavit shall be in accordance with subsection (7) of  
21 this section. In the affidavit, the affiant shall attest that:

22 (a) The affiant or the agent of the affiant possesses the vehicle;

23 (b) Before he or she provided the notices required by paragraphs (c) and (d) of  
24 this subsection:

25 1. A debt on the vehicle has been owed him or her for more than thirty (30)  
26 days;

27 2. Within thirty (30) days of payment of damages by an insurance

- 1                    company and receipt by the current owner of the motor vehicle or  
2                    lienholder of damages pursuant to a claim settlement which required  
3                    transfer of the vehicle to the insurance company, the insurance company  
4                    has been unable to obtain:
- 5                    a.    A properly endorsed certificate of title on the vehicle from the  
6                    current owner; and
- 7                    b.    If applicable, any lien satisfactions; or
- 8                    3.    a.    The vehicle was voluntarily towed or transported pursuant to a  
9                    request of the current owner or an insurance company that a motor  
10                    vehicle dealer, licensed as a used motor vehicle dealer and motor  
11                    vehicle auction dealer, take possession of and store the motor  
12                    vehicle in the regular course of business; and
- 13                    b.    Within forty-five (45) days of taking possession of the motor  
14                    vehicle, the motor vehicle dealer has not been paid storage fees by  
15                    the current owner or lienholder and has not been provided both a  
16                    properly endorsed certificate of title and if applicable, any lien  
17                    satisfactions;
- 18                    (c)   More than thirty (30) days before presenting the affidavit to the county clerk,  
19                    the affiant attempted to notify the owner of the vehicle and all known  
20                    lienholders, including those noted on the title, by certified mail, return receipt  
21                    requested, or by a nationally recognized courier service, of his or her name,  
22                    address, and telephone number as well as his or her intention to obtain a new  
23                    title or salvage title, as applicable, clear of all prior liens, unless the owner or  
24                    a lienholder objects in writing;
- 25                    (d)   More than fourteen (14) days before presenting the affidavit to the county  
26                    clerk, the affiant had published a legal notice stating his or her intention to  
27                    obtain title to the vehicle. The legal notice appeared at least twice in a seven

1 (7) day period in a newspaper with circulation in the county. The legal notice  
2 stated:

- 3 1. The affiant's name, address, and telephone number;
- 4 2. The owner's name;
- 5 3. The names of all known lienholders, including those noted on the title;
- 6 4. The vehicle's make, model, and year; and
- 7 5. The affiant's intention to obtain title to the vehicle unless the owner or a  
8 lienholder objects in writing within fourteen (14) days after the last  
9 publication of the legal notice; and

10 (e) Neither the owner nor a lienholder has objected in writing to the affiant's right  
11 to obtain title to the vehicle.

12 (7) (a) If subsection (6)(b)1. of this section applies, the new ownership document  
13 shall be a title.

14 (b) If subsection (6)(b)2. or 3. of this section applies, the new ownership  
15 document shall be a salvage title if the vehicle meets the requirements for a  
16 salvage title as stated in KRS 186A.520(1)(a).

17 (c) If subsection (6)(b)2. or 3. of this section applies and the vehicle does not  
18 meet the requirements for a salvage title as stated in KRS 186A.520(1)(a), the  
19 new ownership document shall be a title.

20 (8) No more than two (2) active security interests may be noted upon a certificate of  
21 title.

22 (9) In noting a security interest upon a certificate of title, the county clerk shall ensure  
23 that the certificate of title bears the lienholder's name, mailing address and zip code,  
24 the date the lien was noted, the notation number, and the county in which the  
25 security interest was noted. The clerk shall obtain the information required by this  
26 subsection for notation upon the certificate of title from the title lien statement  
27 described in KRS 186A.195.

1 (10) For all the costs incurred in the notation and discharge of a security interest on the  
 2 certificate of title, the county clerk shall receive the fee prescribed by KRS 64.012.  
 3 The fee prescribed by this subsection shall be paid at the time of submittal of the  
 4 title lien statement described in KRS 186A.195.

5 (11) A copy of the application, certified by the county clerk, indicating the lien will be  
 6 noted on the certificate of title shall be forwarded to the lienholder.

7 **(12) If a security interest expires without being renewed, the cabinet shall remove the**  
 8 **lien from the certificate of title in the AVIS system.**

9 → Section 7. KRS 186A.195 is amended to read as follows:

10 (1) As used in this section, submission of a title lien statement refers to the presentation  
 11 of a title lien statement, along with the fees required under KRS 64.012(1)(b), to the  
 12 cabinet through any county clerk's office in the Commonwealth.

13 (2) **A title lien statement bearing an electronic signature, as defined in KRS 369.102,**  
 14 **shall be accepted in accordance with KRS 369.107 and shall not require**  
 15 **notarization.**

16 **(3)** Upon submission of a title lien statement, the county clerk shall use the information  
 17 on the form to note the security interest on the certificate of title in accordance with  
 18 KRS 186A.190(9). Title lien statements may be made available to the general  
 19 public. However, public availability of a title lien statement shall not be considered  
 20 necessary or effective to perfect a security interest in property required to be  
 21 registered or titled in accordance with this chapter.

22 ~~(4)~~~~(3)~~ (a) If the submission of a title lien statement accompanies the application  
 23 for first title of any property in the name of an owner, the county clerk shall  
 24 enter the information required by KRS 186A.190(9) into the system of record  
 25 so as to allow the cabinet to:

26 1. Use the system of record as a centralized, statewide repository for lien  
 27 filings; and

- 1           2.    Produce a certificate of title bearing the information designated by KRS  
2                   186A.190(9), as well as any other information required by the cabinet.
- 3           (b)   After the information has been entered, the county clerk shall produce a  
4                   certificate of registration, if required.
- 5    ~~(5)~~~~(4)~~   (a)   If the form prescribed by KRS 186A.060 indicates a pending lien, but  
6                   the title lien statement does not accompany the application for title, the county  
7                   clerk shall enter into the system of record the name and address of the  
8                   lienholder or that a lien is pending. The county clerk shall indicate a title shall  
9                   not be issued until either the title lien statement and the required fees are  
10                  submitted, or in thirty (30) days, whichever occurs first. The county clerk  
11                  shall then issue the registration.
- 12          (b)   After submission of the title lien statement, the county clerk shall enter the  
13                  date of lien notation and the notation number into the system of record,  
14                  enabling the cabinet to record the lien in the system of record and produce a  
15                  title.
- 16    ~~(6)~~~~(5)~~   If a certificate of title is issued after the thirty (30) day time window identified  
17                  in subsection ~~(5)~~~~(4)~~ of this section has expired without the notation of a security  
18                  interest, or if a title has been issued because there was no provision made for a lien  
19                  to be noted within thirty (30) days, a secured party wishing to note a security  
20                  interest on a title shall submit a title lien statement. The county clerk shall enter the  
21                  information required by KRS 186A.190(9) into the system of record and a new  
22                  certificate of title reflecting the security interest shall be produced.
- 23    ~~(7)~~~~(6)~~   The fee for the filing of a title lien statement through the electronic title  
24                  application and registration system shall be transferred electronically to the county  
25                  clerk of the county in which the debtor resides.
- 26    ~~(8)~~~~(7)~~   The security interest noted on the certificate of title shall be deemed perfected  
27                  at the time the security interest attaches in accordance with KRS 355.9-203 if the

1 secured party submits a properly completed title lien statement with application for  
 2 first title or, in the case of property previously titled in the name of the debtor,  
 3 within thirty (30) days of attachment. Otherwise, the security interest shall be  
 4 deemed perfected at the time that the title lien statement is submitted.

 18 the beginning and ending numbers of the group on the application.
- 19 (3) The clerk shall retain, for a period of two (2) years, one (1) copy of the dealer's  
 20 temporary tag application, and ensure that it reflects the numbers appearing on the  
 21 tags issued with respect to ~~the~~~~[such]~~ application. These copies may be kept by the  
 22 county clerk in an electronic format.
- 23 (4) If the owner of a motor vehicle submits to the county clerk a properly completed

4 → Section 14. KRS 186A.520 is amended to read as follows:

5 (1) Except as provided in KRS 186A.555, a salvage title shall be obtained by the owner  
 6 of a motor vehicle that meets the following definition of a salvage vehicle:

7 (a) A vehicle which has been wrecked, destroyed, or damaged, to the extent that  
 8 the total estimated or actual cost of parts and labor to rebuild or reconstruct  
 9 the vehicle to its preaccident condition and for legal operation on the roads or  
 10 highways, not including the cost of parts and labor to reinstall a deployed  
 11 airbag system, exceeds seventy-five percent (75%) of the retail value of the  
 12 vehicle, as prescribed by a nationally accepted used car valuation guide or  
 13 tool identified under Section 12 of this Act ~~[by the Department of Revenue by~~  
 14 ~~administrative regulation]~~.

15 (b) The value of repair parts for purposes of this definition shall be determined by  
 16 using the current published retail cost of the parts equal in kind and quality to  
 17 the parts to be replaced or the actual retail cost of the repair parts used in  
 18 repair.

19 (c) The labor costs of repairs for purposes of this section shall be computed by  
 20 using the hourly labor rate and time allocations which are reasonable and  
 21 customary in the automobile repair industry in the community where the  
 22 repairs are performed.

23 (d) Airbag reinstallation costs which are excluded from the seventy-five percent  
 24 (75%) computation as set forth in paragraph (a) of this subsection shall be  
 25 included by an insurer in the computation of the total physical damage  
 26 estimate according to the terms and conditions of individual policies, provided  
 27 that the total costs payable by an insurer do not exceed the total retail value of

1           the vehicle.

2       (2) The owner or an authorized agent of a motor vehicle that meets the definition of a  
3 salvage vehicle as set forth in subsection (1) of this section shall, within fifteen (15)  
4 days from the receipt of all necessary paperwork required by this chapter, submit an  
5 application to the county clerk, on a form prescribed by the Department of Vehicle  
6 Regulation, for a salvage title, accompanied by a properly endorsed certificate of  
7 title and any lien satisfactions, if any appear, as may be required.

8       (3) The county clerk shall retain a copy of each salvage title application received and  
9 shall forward the original and its supporting documents to the Department of  
10 Vehicle Regulation in a manner similar to that for handling of an application for a  
11 title.

12       (4) The county clerk shall rely on the information provided by the owner or authorized  
13 agent, including a county of residence designation, on:

14           (a) Any approved, notarized state form utilized in lien titling or the title transfer  
15 process signed by the owner or authorized agent; and

16           (b) Any document submitted during the transfer of a salvage vehicle from an  
17 owner to an insurer.

18       Reliance on the foregoing by the county clerk shall relieve the office of the county  
19 clerk from liability to any third party claiming failure to comply with this section.

20       (5) The Department of Vehicle Regulation shall process the salvage title application in  
21 a manner similar to that used in processing a title application and the salvage title  
22 shall be delivered in a like manner of a title. Salvage titles shall be construed as  
23 proof of ownership of a vehicle in a state as to be unusable upon the highways of  
24 the Commonwealth.

25       (6) A vehicle shall not be issued a registration for highway use as long as a salvage title  
26 is in force. The only time a vehicle with a salvage title may be operated upon the  
27 highways of the Commonwealth is when it is in route to or from an inspection by

1 the certified inspector prior to obtaining a certificate of title after having been  
2 rebuilt as per KRS 186.115.

3 (7) Notwithstanding the provisions of KRS 369.103, when a salvage vehicle is  
4 transferred from an owner to an insurer, the following shall be exempted from the  
5 requirements of notarization, including exemption from the notarization of  
6 electronic signature requirements of KRS Chapter 423:

- 7 (a) The transfer of ownership on the certificate of title;
- 8 (b) Any power of attorney required in connection with the transfer of ownership  
9 to the insurer;
- 10 (c) Any required odometer disclosure statement;
- 11 (d) The application for a salvage certificate of title; and
- 12 (e) The transfer of ownership on the salvage certificate of title issued.

13 (8) Subsections (2) to (5) of this section shall not apply to applications for salvage title  
14 using the electronic title application and registration system established under KRS  
15 186A.017.

16 → Section 15. KRS 186A.530 is amended to read as follows:

17 (1) The owner of a motor vehicle that meets the definition of a salvage vehicle as set  
18 forth in KRS 186A.520(1) and has been issued a salvage certificate of title in  
19 Kentucky, or the equivalent thereof by another licensing jurisdiction, and has been  
20 rebuilt, may make application for a new certificate of title pursuant to KRS  
21 186.115. The Transportation Cabinet may promulgate administrative regulations  
22 pursuant to KRS Chapter 13A governing the form of application.

23 (2) Upon receipt of a salvage certificate of title issued pursuant to KRS 186A.520, or  
24 similar title issued by another state if the title does not disqualify the vehicle from  
25 being titled for use on the highway in that state, and proof of passing the inspection  
26 required by KRS 186A.115, the cabinet shall issue a new certificate of title with the  
27 words "rebuilt vehicle" printed on the face of the title. The brand shall be carried

1 forward and printed in the appropriate section on the face of all titles issued  
2 thereafter for that motor vehicle.

3 (3) If ownership of a motor vehicle has been transferred to an insurance company  
4 through payment of damages, the insurance company making the payment of  
5 damages shall be deemed the owner of the vehicle.

6 (4) The owner of a water damaged vehicle shall make application to the cabinet for a  
7 salvage certificate of title as provided for in KRS 186A.520. The owner of a vehicle  
8 with a brand from another jurisdiction identifying the vehicle as water damaged or  
9 other similar designation who is making application for a Kentucky title shall be  
10 issued a title with the words "water damaged" printed on the face of the title.

11 (5) A Kentucky salvage certificate of title may be issued from an out-of-state junking  
12 certificate or other ownership document bearing a designation of "junk,"  
13 "unrebuildable," or other similar classification that disqualifies the vehicle from  
14 being titled for use on the highway in that state with the following provisions:

15 (a) The out-of-state junking certificate of title or other ownership certificate shall  
16 be an original, secure document.

17 (b) The applicant shall submit a minimum of two (2) photographs of the motor  
18 vehicle showing the damage to the motor vehicle. The photographs shall be  
19 included in the application for a salvage certificate of title.

20 (c) The applicant shall submit a minimum of two (2) estimates of damage  
21 verifying that the condition of the vehicle which has been issued the junking  
22 certificate constitutes less than seventy-five percent (75%) of the retail value  
23 of the vehicle, as **prescribed by a nationally accepted used car valuation**  
24 **guide or tool identified under Section 12 of this Act**~~[set forth in a current~~  
25 ~~edition of the National Auto Dealers' Association N.A.D.A. price guide].~~

26 (d) A salvage title issued under this subsection shall be branded "SALVAGE."  
27 The Transportation Cabinet shall use a unique method of identification to

1 differentiate a salvage title issued under this subsection from other salvage  
2 titles.

3 (6) (a) Upon receipt of a salvage certificate of title issued pursuant to subsection (5)  
4 of this section, or an out-of-state junking certificate or other ownership  
5 document bearing a designation of "junk," "unrebuildable," or other similar  
6 classification that disqualifies the vehicle from being titled for use on the  
7 highway in that state, and proof of passing the inspection required by KRS  
8 186A.115, the cabinet shall issue a new certificate of title with the words  
9 "REBUILT VEHICLE" printed on the face of the title. The Transportation  
10 Cabinet shall use a unique method of identification to differentiate a rebuilt  
11 brand issued under this paragraph from other rebuilt brands. The brand shall  
12 be carried forward and printed in the appropriate section on the face of all  
13 titles issued thereafter for that motor vehicle.

14 (b) A person who obtains a rebuilt title under this subsection shall permanently  
15 affix a plate of metallic composition within the opening for the driver's side  
16 door which states "REBUILT VEHICLE - May Not Be Eligible For Title In  
17 All States."

18 (7) (a) When an insurance company makes a claim settlement on a vehicle that has  
19 been stolen and recovered, if the vehicle meets the definition of a salvage  
20 vehicle as set forth in KRS 186A.520, the company shall apply for a salvage  
21 certificate of title as provided for in KRS 186A.520. Upon receipt of this  
22 information, the cabinet shall issue the company a certificate of title to replace  
23 a salvage certificate of title. The cabinet shall promulgate administrative  
24 regulations pursuant to KRS Chapter 13A regarding the forms and any  
25 additional information which insurance companies shall be required to obtain  
26 and submit when seeking a certificate of title to replace a salvage certificate of  
27 title.

- 1 (b) In claim settlements that do not involve transfer of the vehicle to the insurance  
2 company, an insurer shall not render payment on a damage claim for a vehicle  
3 whose damage meets or exceeds seventy-five percent (75%) of the value of  
4 the vehicle, until the insurer has received proof that the owner has surrendered  
5 the title or has applied for a salvage certificate of title as set forth in KRS  
6 186A.520. The owner shall apply for a salvage certificate of title within three  
7 (3) working days of the agreed settlement. This subsection shall not apply to  
8 hail-damaged vehicles under KRS 186A.555.
- 9 (c) An insurance company shall not refuse coverage to, and shall not reclassify  
10 coverage of, a vehicle that has been issued a rebuilt title pursuant to the  
11 provisions of this section.
- 12 (8) A motor vehicle owner or a motor vehicle dealer licensed in this state who offers  
13 for sale, trade, or transfer a motor vehicle which carries a title brand, as set forth in  
14 subsection (2) or (6) of this section, shall disclose the nature of the brand to any  
15 prospective buyer or transferee, prior to the sale, and according to the following:
- 16 (a) Dealer disclosure shall be located on a sticker placed on the vehicle. The  
17 sticker wording shall be printed in at least ten (10) point, bold face type, on a  
18 background of obviously different color, and shall include the following:  
19 "THIS IS A REBUILT VEHICLE." This disclosure information shall not  
20 appear on vehicles that do not have a branded title. Dealer disclosure shall  
21 also be located on a buyer's notification form to be approved by the  
22 Transportation Cabinet. The form shall inform the buyer that the vehicle is a  
23 rebuilt vehicle and may include any other information the cabinet deems  
24 necessary.
- 25 (b) Nondealer disclosure shall be made in accordance with the procedures  
26 provided for in KRS 186A.060. The Department of Vehicle Regulation shall  
27 ensure that disclosure information appears near the beginning of the

1 application for title and informs the buyer that the vehicle is a rebuilt vehicle.

2 (9) Failure of a dealer to procure the buyer's acknowledgment signature on the buyer's  
3 notification form or failure of any person other than a dealer to procure the buyer's  
4 acknowledgment signature on the vehicle transaction record form shall render the  
5 sale voidable at the election of the buyer. The election to render the sale voidable  
6 shall be limited to forty-five (45) days after issuance of the title. This provision  
7 shall not bar any other remedies otherwise available to the purchaser.

8 (10) The notification provisions of this section shall not apply to motor vehicles more  
9 than ten (10) model years old.

10 (11) The Transportation Cabinet shall promulgate administrative regulations pursuant to  
11 KRS Chapter 13A, regarding the administration of the title branding procedure. The  
12 administrative regulations shall include the manner in which salvage titles and  
13 rebuilt brands on vehicles previously declared unrebuildable by another state are  
14 differentiated from other salvage titles and rebuilt brands. The administrative  
15 regulations may include designation of additional brands which provide significant  
16 information to the owner.

17 → Section 16. KRS 186A.555 is amended to read as follows:

18 (1) The provisions of KRS 186A.500 to 186A.550 notwithstanding, the owner of a

21 (a) The vehicle is in a condition that it can be legally operated on the highway;

22 (b) The total estimated or actual cost of parts and labor to rebuild or reconstruct  
23 the vehicle to its pre-hail condition exceeds seventy-five percent (75%) of the

 4 the retail value of the vehicle and is solely the result of hail damage, and shall have  
 5 the vehicle inspected by the sheriff of the county in which the vehicle is registered.  
 6 Upon completion of inspection of the vehicle, the sheriff shall indicate on the  
 7 vehicle transaction record form if he or she has received a statement from the  
 8 person's insurance company that the damage to the vehicle is the result of hail  
 9 damage and if the total estimated or actual cost of parts and labor to rebuild or  
 10 reconstruct the vehicle to its pre-hail condition exceeds seventy-five percent (75%)  
 11 of the retail value of the vehicle, as prescribed by a nationally accepted used car

 17 the office of the county clerk in the county in which the vehicle is registered. If the  
 18 sheriff has certified on the vehicle transaction record form that the damage to the  
 19 vehicle is the result of hail damage and if the total estimated or actual cost of parts
