15 → Section 2. KRS 205.6406 is amended to read as follows:

16 (1) To the extent allowable under federal law, the department shall develop the
 17 following programs to increase Medicaid reimbursement for inpatient ***and***
 18 ***outpatient*** hospital services provided by a qualifying hospital to Medicaid
 19 recipients:

20 (a) A program to increase inpatient reimbursement to qualifying hospitals within
 21 the Medicaid fee-for-service program in an aggregate amount equivalent to
 22 the UPL gap; ~~and~~

23 (b) A program to increase inpatient reimbursement to qualifying hospitals within
 24 the Medicaid managed care program in an aggregate amount equivalent to the
 25 managed care gap ***for inpatient services; and***

26 **(c) A program to increase outpatient reimbursement to qualifying hospitals**
 27 **within the Medicaid managed care program in an aggregate amount**

1 *equivalent to the managed care gap for outpatient services.*

2 (2) On an annual basis prior to the start of each program year, the department shall
3 determine:

4 (a) The maximum allowable UPL for inpatient services provided in the Kentucky
5 Medicaid fee-for-service program;

6 (b) The fee-for-service UPL gap for applicable ownership groups;

7 (c) A per discharge uniform add-on amount to be applied to Medicaid fee-for-
8 service discharges at qualifying hospitals for that program year, determined
9 by dividing the UPL gap for the applicable ownership group by total fee-for-
10 service hospital inpatient discharges at qualifying hospitals in the data used to
11 calculate the UPL gap. Claims for discharges that already receive an enhanced
12 rate at qualifying hospitals that also are classified as a pediatric teaching
13 hospital or as a psychiatric access hospital shall be excluded from the
14 calculation of the per discharge uniform add-on, unless the department is
15 required to include these claims to obtain federal approval;

16 (d) The maximum managed care gap for inpatient services;~~and~~

17 (e) A per discharge uniform add-on amount to be applied to Medicaid managed
18 care discharges at qualifying hospitals for that program year in an amount that
19 is calculated by dividing the managed care gap *for inpatient services* by total
20 managed care in-state qualifying hospital inpatient discharges in the data used
21 to calculate the managed care gap. Claims for discharges that already receive
22 an enhanced rate at qualifying hospitals that also are classified as a pediatric
23 teaching hospital or as a psychiatric access hospital shall be excluded from the
24 calculation of the per discharge uniform add-on, unless the department is
25 required to include these claims to obtain federal approval;

26 *(f) The maximum managed care gap for outpatient services; and*

27 *(g) A uniform add-on amount to be paid to each qualifying hospital to*

1 supplement Medicaid managed care payments for outpatient services
 2 performed by the qualifying hospital in a program year. The uniform add-
 3 on amount payable to each qualifying hospital shall be:

- 4 1. A uniform percentage increase calculated by dividing the managed
 5 care gap for outpatient services by the total payments from managed
 6 care to in-state qualifying hospitals for outpatient services taken from
 7 the data used to calculate the managed care gap for outpatient services
 8 unless a different method for calculating the uniform add-on amount
 9 is required by the Centers for Medicare and Medicaid Services; and
 10 2. Made as a lump-sum payment to each qualifying hospital on a
 11 quarterly basis unless a different method for paying qualifying
 12 hospitals the uniform add-on amount is required by the Centers for
 13 Medicare and Medicaid Services.

14 At least thirty (30) days prior to the beginning of each program year, the department
 15 shall provide each qualifying hospital the opportunity to verify the base data to be
 16 utilized in both the fee-for-service and managed care gap calculations for both
 17 inpatient and outpatient services, with data sources and methodologies identified.

- 18 (3) On a quarterly basis in the program year, the department shall:
- 19 (a) Calculate a fee-for-service quarterly supplemental payment for each
 20 qualifying hospital using fee-for-service claims for inpatient discharges paid
 21 in the quarter to the qualifying hospital multiplied by the uniform add-on
 22 amount determined in subsection (2)(c) of this section;
- 23 (b) Calculate a managed care quarterly supplemental payment for each qualifying
 24 hospital to be paid by each managed care organization using managed care
 25 encounter claims for inpatient discharges received in the quarter multiplied by
 26 the uniform add-on amount determined in subsection (2)(e) of this section;
- 27 (c) Calculate a managed care quarterly supplemental payment for each

1 qualifying hospital to be paid by each managed care organization as
 2 determined in subsection (2)(g) of this section;

3 (d) Make the quarterly supplemental payment calculated under paragraph (a) of
 4 this subsection;

5 (e)~~(d)~~ Provide each managed care organization with a listing of the
 6 supplemental payments as calculated under paragraphs (b) and (c) of this
 7 subsection to be paid by each managed care organization to each qualifying
 8 hospital for both inpatient and outpatient services;

9 (f)~~(e)~~ Provide each managed care organization with a supplemental capitation
 10 payment to cover the managed care organization's quarterly supplemental
 11 payments to be paid to qualifying hospitals for both inpatient and outpatient
 12 services in the quarter;

13 (g)~~(f)~~ Determine the amount of state funds necessary to obtain federal
 14 matching funds that~~, in the aggregate,~~ equal the total quarterly supplemental
 15 payments to be paid to all qualifying hospitals in both the fee-for-service and
 16 the Medicaid managed care programs authorized by this section;

17 (h)~~(g)~~ For purposes of the inpatient program authorized by subsection (1)(b)
 18 of this section, determine a per discharge hospital inpatient assessment for the
 19 quarter for each qualifying hospital, which shall be calculated by first
 20 applying towards the state share determined~~calculated~~ under paragraph
 21 (g)~~(f)~~ of this subsection the qualifying hospital disproportionate share
 22 percentage of the excess disproportionate share taxes and then dividing the
 23 remaining state share by the total discharges reported by all in-state qualifying
 24 hospitals on the Medicare cost report filed by those qualifying hospitals in the
 25 calendar year two (2) years prior to the program year;

26 (i)~~(h)~~ Determine each qualifying hospital's quarterly inpatient assessment by
 27 multiplying the assessment established in paragraph (h)~~(g)~~ of this subsection

1 by the hospital's total discharges from the qualifying hospital's Medicare cost
2 report filed in the calendar year two (2) years prior to the program year;~~and~~

3 ~~(j)(i)~~ *For purposes of the outpatient program authorized by subsection*
4 *(1)(c) of this section, determine each qualifying hospital's assessment to be*
5 *contributed to the state's share of this outpatient program as calculated*
6 *under paragraph (g) of this subsection. Each qualifying hospital's*
7 *outpatient assessment shall be a percentage of the state share calculated as*
8 *the qualifying hospital's total outpatient net revenue divided by the total*
9 *outpatient net revenue of all qualifying hospitals on the Medicare cost*
10 *reports filed in the calendar year two (2) years prior to the program year;*

11 *(k) Determine each qualifying hospital's quarterly outpatient assessment by*
12 *multiplying the outpatient portion of the assessment established in*
13 *paragraph (g) of this subsection by the hospital's percentage established in*
14 *paragraph (j) of this subsection; and*

15 *(l)* Provide each qualifying hospital with a notice sent on the same day as the
16 distribution to managed care organizations of the supplemental capitation
17 payments pursuant to paragraph ~~(f)(e)~~ of this subsection, of the qualifying
18 hospital's quarterly assessment, that shall state the total amount due from the
19 assessment, the date *assessment*~~payment~~ is due, the total number of
20 *inpatient* paid claims *and total outpatient payments*~~for inpatient discharges~~
21 used to calculate the qualifying hospital's quarterly supplemental
22 *distribution*~~payments~~, and the amount of quarterly supplemental
23 *distribution* payments *for inpatient and outpatient services* due to be
24 received by the qualifying hospital from the department and each Medicaid
25 managed care organization.

26 (4) In calculating the quarterly supplemental payments under subsection (3)(a), *(b)*, and
27 *(c)*~~(b)~~ of this section for qualifying hospitals that are also classified as a pediatric

1 teaching hospital or as a psychiatric access hospital, no add-on shall be applied to
2 the paid claims for the services for which that hospital also receives supplemental
3 payments pursuant to state plan methodologies and managed care contracts in effect
4 on January 1, 2019.

5 (5) Each qualifying hospital shall receive four (4) quarterly supplemental payments in
6 the program year, as determined under subsection (3) of this section.

7 (6) Medicaid managed care organizations shall pay the supplemental payments to
8 qualifying hospitals within five (5) business days of receiving the supplemental
9 capitation payment from the department.

10 (7) A qualifying hospital shall pay its quarterly assessment no later than fifteen (15)
11 days from the date the qualifying hospital is notified of the assessment from the
12 department. A non-state government-owned hospital may make payment of its
13 assessment through an intergovernmental transfer. The department may delay or
14 withhold a portion of the supplemental payment if a hospital is delinquent in its
15 payment of a quarterly assessment.

16 (8) The department shall complete the actions required under subsection (3) of this
17 section expeditiously and within the same quarter as all required information is
18 received.

19 (9) Qualifying hospitals may notify the department of errors in the data used to make a
20 quarterly supplemental payment by providing documentation within thirty (30) days
21 of receipt of a quarterly supplemental payment from a Medicaid managed care
22 organization. If the department agrees that an error occurred in a qualifying
23 hospital's quarterly supplemental payment, the department shall reconcile the
24 payment error through an adjustment in the qualifying hospital's next quarterly
25 supplemental payment.

26 (10) The programs in this section shall not be implemented if federal financial
27 participation is not available or if the provider tax waiver is not approved. A

1 qualifying hospital shall have no obligation to pay an assessment if any federal
2 agency determines that federal financial participation is not available for any
3 assessment. Any assessments received by the department that cannot be matched
4 with federal funds shall be returned pro rata to the qualified hospitals that paid the
5 assessments.

6 (11) The department may implement the hospital rate improvement programs only if
7 Medicaid state plan amendments required for federal financial participation are
8 approved by the United States Centers for Medicare and Medicaid Services.

9 (12) The assessment authorized under KRS 205.6405 to 205.6408 shall be restricted for
10 use to accomplish the inpatient **and outpatient** reimbursement increases established
11 under this section. The Commonwealth shall not maintain or revert funds received
12 under KRS 205.6405 to 205.6408 to the state general fund, except that the
13 department may receive two hundred fifty thousand dollars (\$250,000) in state
14 funds each program year to administer the programs. The department shall not
15 establish Medicaid fee-for-service rate-setting methodology changes that result in
16 rate reductions from policies in effect as of October 1, 2018, for acute care hospitals
17 and July 1, 2019, for hospitals paid on a per diem basis.

18 (13) The department shall promulgate administrative regulations to implement the
19 provisions of KRS 205.6405 to 205.6408.

20 (14) If the department submits, and the United States Centers for Medicare and
21 Medicaid Services (CMS) approves, a supplemental payment formula that permits
22 the managed care gap to be calculated based upon a percentage of average
23 commercial rates (ACR) that results in a total annual supplemental payment greater
24 than eighty percent (80%) of ACR **for both inpatient and outpatient services,**
25 instead of the Medicare upper payment limit, then the hospital rate improvement
26 programs **for qualifying hospitals** shall be modified as follows:

27 (a) The amount of funds the department may receive to administer the programs

1 as stated in subsection (12) of this section shall be replaced by an
 2 administrative fee that shall be calculated to be an amount equal to four
 3 percent (4%) of the assessment collected under this section. The
 4 administrative fee payable under this paragraph shall accrue only for
 5 supplemental payments attributable to state fiscal year 2021-2022 and for
 6 state fiscal years thereafter so long as CMS approves the supplemental
 7 payment formula in accordance with this subsection. The administrative fee
 8 shall be paid within thirty (30) days after supplemental payments ***for inpatient***
 9 ***and outpatient services*** are issued to qualifying hospitals; and

- 10 (b) The department shall not be required under KRS 205.6408 to transfer any
 11 excess disproportionate share taxes to the hospital Medicaid assessment fund
 12 for use as state matching dollars for the payments made under this section.

13 ***(15) To the extent federal matching funds are available, the department may create a***
 14 ***program to increase outpatient reimbursement to qualifying hospitals within the***
 15 ***Medicaid fee-for-service program in an aggregate amount equivalent to the UPL***
 16 ***gap.***

17 ➔Section 3. If the Cabinet for Health and Family Services or the Department for
 18 Medicaid Services determines that a state plan amendment, waiver, or any other
 19 authorization from a federal agency is necessary prior to the implementation of any
 20 provision of Section 2 of this Act, the cabinet or department shall, within 90 days after
 21 the effective date of this Act, request the state plan amendment, waiver, or authorization
 22 and shall only delay full implementation of those provisions for which a waiver or
 23 authorization was deemed necessary until the waiver or authorization is granted.

24 ➔Section 4. Notwithstanding any other statute to the contrary, the amendments to
 25 Sections 1 and 2 of this Act shall be retroactive to January 1, 2023.

26 ➔Section 5. Whereas hospitals are severely stressed by the shortage of health care
 27 providers, an emergency is declared to exist, and this Act takes effect upon its passage

1 and approval by the Governor or upon its otherwise becoming a law.
