PURPOSE OF MEASURE: The purpose of the measure is to provide a salary increment for state government employees and to provide funding for additional job classification reviews.

FISCAL EXPLANATION: The measure transfers previously appropriated General Fund moneys to provide for a six percent salary increment for Executive and Legislative Branch employees, and a \$2,000 adjustment followed by a six percent salary increment for Judicial Branch employees and elected officials. Other fund sources are also appropriated to effectuate those increments. The measure also provides \$500,000 in General Fund in FY 2024 to the Personnel Cabinet for additional job classification review work.
