

222.422 Treating facility to submit discharge plan describing arrangements for additional services.

- (1) As used in this section, "third-party payor" means any person required to comply with KRS 304.17A-611(2) or 205.536(3).
- (2) Prior to the discharge of a patient that has received medication for addiction-treatment, the treating facility shall submit a written discharge plan to the patient, and the patient's third-party payor, if any, which shall describe arrangements for additional services needed following discharge.

Effective: June 29, 2021

History: Created 2021 Ky. Acts ch. 201, sec. 5, effective June 29, 2021.
