

224A.304 Establishment of water and wastewater service regionalization account within infrastructure revolving fund.

A water and wastewater service regionalization account is established within the infrastructure revolving fund. The purpose of the account shall be to enhance the effectiveness, reliability, and resilience of the state's water and wastewater systems, and where inefficiencies exist, to eliminate structural and administrative duplication of infrastructure and service delivery systems, by using a variety of tools, including but not limited to regionalization, merger, and consolidation. The authority shall manage the account as funding is authorized by the General Assembly and in a manner to achieve the purposes set out in KRS 224A.300.
