

109.045 Confidential business information -- Production or submission prohibited.

- (1) As used in this section, "confidential business information" means the following information relating to privately contracted solid waste management services that are not being provided pursuant to a franchise agreement:
 - (a) Commercial or residential customer service prices; or
 - (b) Commercial or residential customer lists.
- (2) Notwithstanding any provision of law to the contrary, unless by order of a court of competent jurisdiction, a county or waste management district, or its agents, officials, or employees, shall not compel the production or submission of confidential business information from a service company or its customers to any county or waste management district.

Effective: July 15, 2024

History: Created 2024 Ky. Acts ch. 145, sec. 1, effective July 15, 2024.
