**SB1 (BR177)/LM** - R. Stivers II, W. Westerfield

AN ACT relating to elections.

Establish KRS Chapter 117A and create new sections thereof to adopt the Uniform Military and Overseas Voters Act (UMOVA); define terms; provide that certain military and overseas voters are "covered voters" for purposes of the Act; provide that the Act applies to elections for federal, state, and local offices and ballot measures; provide that the Secretary of State shall develop an electronic transmission system through which a covered voter may apply for and receive absentee ballots and other elections information; allow the Secretary of State to delegate duties under KRS Chapter 117A to the State Board of Elections; provide that overseas voters shall be assigned to the voting precinct of the last place of residence in the state, or if no longer valid, to an assigned address in the same precinct and to give the Secretary of State authority to promulgate administrative regulations covering the procedures for assigning an address; provide that a covered voter may register to vote using the federal postcard application or its electronic equivalent or the declaration accompanying a federal write-in absentee ballot; provide that a covered voter may apply for a specified ballot using either the regular absentee ballot application or the federal postcard application or its electronic equivalent or the declaration accompanying a federal write-in absentee ballot; provide that an application for a specified ballot is timely if received by the close of business hours seven days before the election; provide time periods for ballots to be transmitted to covered voters; provide time periods for ballots to be received to be valid; provide that a covered voter may use a federal write-in absentee ballot for all offices and ballot measures for covered elections; provide that all valid ballots cast in accordance with provisions be counted if delivered by the end of business on the day before the vote totals are certified and that a ballot may not be rejected for a late or missing postmark if the voter has declared it was timely submitted; provide that all specified ballots be accompanied by a signed declaration that a material misstatement of fact may be grounds for a conviction of perjury; provide that the Secretary of State shall implement an electronic system to allow covered voters to determine if ballot application and ballot have been received and accepted; provide procedures for collecting and handling electronic-mail addresses from covered voters; provide that sample ballots shall be prepared at least 50 days before an election that includes all ballot measures and offices that are expected to be on the ballot; provide that sample ballots shall be posted on Internet Web sites and provided to requesting voters; provide that failure to satisfy a nonsubstantive requirement does not invalidate a

document submitted under the chapter, that notarization and authentication are not required, and that if intention of the voter is discernible then the ballot must be accepted as a valid vote; provide that a court may issue an injunction or grant other equitable relief to ensure compliance with the chapter; provide that the Act should be construed with consideration of need to promote uniformity of the law among states that enact the Act; provide that KRS Chapter 117A modifies the federal Act governing electronic signatures to extent permitted and governs if inconsistent with other election laws; amend KRS 117.079, 117.085, and 117.086 to conform and to establish that uniformed-service voters and overseas voters are permitted to submit absentee ballot applications and ballots by facsimile, or by an electronic transmission system; Create a Military and Overseas Voting Assistance Task Force to study the election laws and absentee ballot procedures of the Commonwealth relating to military and overseas voters; direct task force to submit report to the Legislative Research Commission by November 27, 2013; Effective dates, delayed.

AN ACT relating to retirement.

Create a new section of KRS 6.500 to 6.577 to require public employers to pay the actuarial costs for increases in final compensation in the Legislators' Retirement Plan greater than 10% that are attributable to the salaries paid by public employers that affect benefits in the Legislators' Retirement Plan; authorize the Legislators' Retirement Plan to determine the cost to the employer and to establish administrative regulations to administer the provisions of this section; create a new section of KRS 16.505 to 16.652 to establish the hybrid cash balance plan for members of the State Police Retirement System, hazardous members of the Kentucky Employees Retirement System, and hazardous members of the County Employees Retirement System who begin participating in these systems on or after July 1, 2013; provide that the hybrid cash balance plan shall provide a benefit for these members based upon the members' accumulated account balance which shall include member contributions, an employer pay credit of 7.5% of salary, and interest credits on the member contributions and employer pay credits; provide that the annual interest credits in the hybrid cash balance plan for actively contributing members shall be 4% plus 75% of the 5-year average investment returns of the systems net of fees and expenses above 4%; provide an interest credit of 4% for members who are not contributing to the plan but who retain an account balance; provide that upon termination of employment members in the hybrid cash balance plan with less than 5 years of service shall be eligible to take a refund of their accumulated contributions and members in the hybrid cash balance plan with 5 or more years of service shall be eligible to take a refund of their accumulated account balance; provide that members participating in the hybrid cash balance plan shall be eligible to retire at age 60 with at least 5 years of service or at any age with 25 or more years of service; allow a member in the hybrid cash balance plan, upon reaching retirement eligibility, to take a refund of his or her accumulated account balance, to have his or her accumulated account balance annuitized based upon the assumptions set by the system at the member's retirement date, or to take an actuarially reduced annuitized payment under one of the other payment options currently available to all members of the retirement systems; create a new section of KRS 61.510 to 61.705 to establish the hybrid cash balance plan for non-hazardous members of the Kentucky Employees Retirement System and the County Employees Retirement System who begin participating in these systems on or after July 1, 2013; provide that the hybrid cash balance plan shall provide a benefit for these members based upon the members' accumulated account balance which shall include member contributions, an employer pay credit of 4% of salary, and interest credits on the member contributions and employer pay credits; provide that the annual interest credits in the hybrid cash balance plan for actively contributing members shall be 4% plus 75% of the 5-year average investment returns of the systems net of fees and expenses above 4%; provide an interest credit of 4% for members who are not

contributing to the plan but who retain an account balance; provide that upon termination of employment members in the hybrid cash balance plan with less than 5 years of service shall be eligible to take a refund of his or her accumulated contributions and members in the hybrid cash balance plan with 5 or more years of service shall be eligible to take a refund of his or her accumulated account balance; provide that members participating in the hybrid cash balance plan shall be eligible to retire at age 65 with at least 5 years of service or if they have a years-of-age and service total of 87 years, with a minimum age of 57; allow a member in the hybrid cash balance plan, upon reaching retirement eligibility, to take a refund of their accumulated account balance, to have their accumulated account balance annuitized based upon the assumptions set by the system at the member's retirement date, or to take an actuarially reduced annuitized payment under one of the other payment options current available to all members of the retirement systems; create a new section of KRS 61.510 to 61.705 to require employers to pay the actuarial cost of increases in compensation greater than 10% earned by the employee during the last 5 fiscal years of employment for employees retiring on or after July 1, 2013, and to allow the system to determine the cost to the employer; create a new section of KRS 61.510 to 61.705 to require the Kentucky Employees Retirement System, the County Employees Retirement System, and the State Police Retirement System, including the hybrid cash balance plans administered within these systems, to comply with federal law benefit maximums governing pension plans and to establish procedures for benefit estimations and adjustments to those benefits upon actual retirement based upon final pay information; amend KRS 6.505 and 21.360 to close the Legislators' Retirement Plan and the Judicial Retirement Plan to new participants effective July 1, 2013; amend KRS 6.521, 21.450, and 61.691 to end the cost-of-living adjustments for members of the Legislators' Retirement Plan, the Judicial Retirement Plan, the Kentucky Employees Retirement System, the County Employees Retirement System, and the State Police Retirement System effective July 1, 2013, and to recognize the suspension of the COLAs in place in the biennial budget; provide that the General Assembly may provide future cost-of-living adjustments if the COLAs are prefunded at the time of enactment; amend KRS 16.197 to require the Trooper R class program to abide by the increased break in employment requirements required by this Act; amend KRS 16.505, 61.510, and 78.510 to define "accumulated employer credit" and "accumulated account balance"; amend KRS 16.555, 16.543, and 78.630 to change the name of the member contribution account in KERS, CERS, and SPRS to the member account; amend 16.560, 61.575, and 78.640 to conform the member account language in KERS, CERS, and SPRS to conform to the new hybrid cash balance plan and to make technical changes; amend KRS 16.565, 61.580, and 78.650 to require the employer pay credits and interest on

those credits in the hybrid cash balance plan to be paid from the retirement allowance accounts of KERS, CERS, and SPRS; amend KRS 16.576, 16.577, and 61.559 to provide that the retirement benefit calculations and retirement eligibility provisions under these sections shall not be applicable to members participating in the hybrid cash balance plan on or after July 1, 2013; amend KRS 16.578 and 61.640, regarding death before retirement benefits, to conform to the new hybrid cash balance plan for new members of KERS, CERS, and SPRS; amend KRS 16.582 to provide that new hazardous members of KERS, CERS, and SPRS participating in the hybrid cash balance plan shall receive a disability benefit equal to the higher of the member's retirement allowance calculated under the hybrid cash balance plan or 25% of the member's final rate of pay; amend KRS 16.652, 61.692, and 78.852 to limit the inviolable contract for new members who begin participating in the system on or after July 1, 2013, to the benefits accrued and to define benefits accrued for new members as the member's accumulated account balance; clarify that the General Assembly may continue to have the authority to amend benefits for members participating prior to July 1, 2013, for those benefits the General Assembly had the authority to amend prior to July 1, 2013; amend KRS 61.545, 61.552, 61.555, and 78.540 to remove the purchase of service credit provisions for members who begin participating in KERS, CERS, and SPRS in the hybrid cash balance plan on or after July 1, 2013, with the exception of omitted service, recontributions of refunds, and military service if called to active duty while working; amend KRS 61.546 and 78.616 to remove the additional service credit awarded for accumulated sick leave upon retirement for members who begin participating in KERS, CERS, and SPRS in the hybrid cash balance plan on or after July 1, 2013; amend KRS 61.565 to eliminate the current policy goal, established by HB 1 in 2008, to phase-in to the full actuarially required contribution rates for KERS and SPRS over time and to establish a goal to fully fund the actuarially required contribution for these funds effective with FY 2014-2015; reset the amortization period for the payment of the unfunded liability for KERS, CERS, and SPRS to a new 30-year period to make the resetting of the amortization period contingent upon payment of the full actuarially required contribution; amend KRS 61.592 to remove the ability to convert nonhazardous service to hazardous duty service for members participating in the hybrid cash balance plan on or after July 1, 2013, and to make technical changes; amend KRS 61.595 to provide that the retirement benefit calculations and retirement eligibility provisions under this section shall not be applicable to KERS, CERS, and SPRS members participating in the hybrid cash balance plan on or after July 1, 2013, and to delete language which is re-established in the Act; amend KRS 61.605 to provide that new non-hazardous members of KERS and CERS participating in the hybrid cash balance plan shall receive a disability benefit equal to the higher of the member's retirement allowance

calculated under the hybrid cash balance plan or 20% of the member's final rate of pay; amend KRS 61.615 to make changes to disability provisions governing discontinuance of benefits and the ability of the recipient to elect "early retirement" since early retirement provisions are no longer applicable to new members participating in the hybrid cash balance plan on or after July 1, 2013; amend KRS 61.625 to make technical and conforming changes and to clarify that a member convicted of a felony related to his or her employment shall still only receive a refund of his or her accumulated contributions; amend KRS 61.635 to eliminate the actuarial equivalent refund option for members participating in the hybrid cash balance plan on or after July 1, 2013, and to remove a retirement allowance payment option specific to legislators; Amend KRS 61.637 to provide that KERS, CERS, and SPRS retirees who are reemployed on or after July 1, 2013, will be required to observe a 2-year break in employment in any position with any employer participating in KERS, CERS, and SPRS, except that members who retire from a hazardous duty position and return to work in a full-time hazardous duty shall be required to observe a 1-year break in employment; require employers to pay employer contributions and health reimbursements on full-time employees who are reemployed on or after July 1, 2013; amend KRS 61.645 to change the KRS board of trustees composition by adding 3 new trustees, including one trustee appointed by the Governor from a list of three individuals recommended by the Kentucky League of Cities, one trustee appointed by the Governor from a list of three individuals recommended by the Kentucky Association of Counties, and one trustee appointed by the Governor from a list of three individuals recommended by the Kentucky School Board Association; remove the trustee appointed by the Governor who must be knowledgeable about the impact of pensions on local governments; require that the two trustees appointed by the Governor with "investment experience" shall not be employed by or retired from an agency participating in KERS, CERS, or SPRS; require the systems to post on their website and make available upon request information regarding the systems' financial and actuarial condition that is easily understood by the members, retired members, and the public; amend KRS 78.530 to remove the alternate participation plan, which allows the agency purchases of past service for the member, for new agencies who join CERS; amend KRS 16.165, KRS 16.601, 16.645, 18A.205 61.621, 61.535, 61.690, and 78.45 to conform; provide noncodified language to affirm that the COLA for July 1, 2012, and July 1, 2013, for LRP, JRP, KERS, CERS, and SPRS that was suspended by the biennial branch budgets will continue to be suspended notwithstanding the provisions of this Act; provide noncodified language requiring that the KRS trustee appointed by the Governor based upon his or her knowledge of the impact of pensions on local governments shall be replaced by the person appointed by the Governor from a list of 3 individuals submitted by the Kentucky League of Cities as

provided by this Act; EFFECTIVE July 1, 2013.

## **SB2 - AMENDMENTS**

SFA1(D. Thayer) - Retain original provisions of the bill; make technical correction.

AN ACT relating to certificates for driving.

Create new sections of KRS 186.400 to 186.640 to define the term "certificate for driving" as a certificate issued by the Transportation Cabinet to an individual 18 years or older who has resided in the Commonwealth for a minimum of three years and who cannot prove citizenship or meet the requirements of KRS 186.412(2) to (4); mandate that certificates for driving be clearly distinguishable from regular operator's licenses and clearly state on the face that the document is not to be used for identification purposes; require the cabinet to establish a unique identifying number system for certificates and keep a database of all certificate holders and their driving histories available for the use of law enforcement agencies; establish that the database shall not be used for the investigation or enforcement of immigration fees; require the cabinet to promulgate administrative regulations to provide standards for the application, issuance, denial, and revocation of certificates; set out application procedures for certificates for driving; require application to be made in Frankfort or at a regional office of the cabinet; require the Department of Kentucky State Police to examination all applicants for a certificate; impose instruction permit restrictions on individuals applying for a certificate who do not have a valid license from another state or recognized foreign jurisdiction; set out denial criteria and revocation criteria; require the cabinet to establish a points and suspension system for moving violations similar to the one used for operator's licenses; make certificates valid for four years, with renewal; require possession of the certificate at all times when operating a motor vehicle; require certificate holders to notify the circuit clerk of name and address changes; set the fee for a certificate at the same fee as for an operator's license; establish an initial application fee of "\$100"; prohibit certificate holders from possessing an operator's license; prohibit certificate holders from operating a commercial motor vehicle; subject certificate holders to existing penalties for DUI and driving on a suspended license.

#### **HB396 - AMENDMENTS**

HCS1/LM - Retain original provisions with the following exceptions: provide that the certificate for driving shall have a color photograph of the applicant on it; provide that the certificate for driving shall clearly state on its face that it is valid in Kentucky only; provide that the certificate for driving database shall not be used for the investigation or enforcement of immigration laws; provide that the Transportation Cabinet shall not issue a certificate for driving to

a person whose driving was suspended for any reason other than a conviction for failure to have insurance or a conviction for driving without an operator's license; provide that the certificate for driving shall be valid for one year instead of four years.  
HFA1(T. Moore) - Delete original provisions; amend KRS 186.430 to provide that a person over the age of 16 who is not a United States citizen may drive in Kentucky on a valid domestic license issued by the person's country of domicile and are not required to obtain a Kentucky operator's license; create a new paragraph (3)(b) to retain existing provision allowing non United States citizens over the age of 16, who are residents of Kentucky, and who are legally in this country for more than one year, to be issued a Kentucky operator's license.  
HFA2(T. Moore) - Make title amendment.
