

202A.0815 Criteria for court-ordered assisted outpatient treatment. (Effective October 1, 2026)

A person shall not be court-ordered to assisted outpatient mental health treatment unless the person:

- (1) Is diagnosed with a serious mental illness;
- (2) Has a history of repeated nonadherence with mental health treatment, which has:
 - (a) At least twice within the last forty-eight (48) months, been a significant factor in necessitating hospitalization or arrest of the person; or
 - (b) Within the last twenty-four (24) months, resulted in an act, threat, or attempt at serious physical injury to self or others;
- (3) Is unlikely to adequately adhere to outpatient treatment on a voluntary basis based on a qualified mental health professional's clinical observation; and
- (4) Is in need of court-ordered assisted outpatient treatment as the least restrictive alternative mode of treatment presently available and appropriate.
