Section 10. KRS 197.210 is amended to read as follows:

- (1) On and after June 17, 1954, all offices, departments, institutions, agencies, and all political subdivisions which are supported in whole or in part by the Commonwealth shall purchase, when economically feasible, from the department all articles or products required which are produced or manufactured by prison labor, as provided by KRS 197.200 to 197.250. No article or product shall be purchased by any office, department, institution, or agency, from any source except as specified in this subsection.

Exceptions may be made in any case where, in the opinion of the Finance and Administration Cabinet, the articles or products produced or manufactured do not meet the reasonable requirements of the offices, departments, institutions, agencies, or where the requisition cannot be reasonably complied with because of an insufficient supply of the articles or products required. However, no office, department, institution, or agency shall be allowed to evade the intent and meaning of KRS 197.200 to 197.250 by slight variations from standards adopted by the Division of ***Material and Procurement Services***~~[purchases]~~, when the articles or

products produced or manufactured by the department in accordance with the standards, are reasonably adapted to the actual needs of the office, department, institution, or agency.

- (2) All purchases under KRS 197.200 to 197.250 shall be made through the Finance and Administration Cabinet upon requisition by the proper authority of the office, department, institution, agency, or political subdivision of the Commonwealth.

Section 11. KRS 424.260 is amended to read as follows:

- (1) Except where a statute specifically fixes a larger sum as the minimum for a requirement of advertisement for bids, no city, county, or district, or board or commission of a city or county, or sheriff or county clerk, may make a contract, lease, or other agreement for materials, supplies except perishable meat, fish, and vegetables, equipment, or for contractual services other than professional, involving an expenditure of more than ten thousand dollars (\$10,000) without first making newspaper advertisement for bids.
- (2) If the fiscal court requires that the sheriff or county clerk advertise for bids on expenditures of less than ten thousand dollars (\$10,000), the fiscal court requirement shall prevail.
- (3)
  - (a) Nothing in this statute shall limit or restrict the ability of a local school district to acquire supplies and equipment outside of the bidding procedure if those supplies and equipment meet the specifications of the contracts awarded by the Division of *Material and Procurement Services* ~~(Purchases)~~ or a federal, local, or cooperative agency and are available for purchase elsewhere at a lower price. A board of education may purchase those supplies and equipment without advertising for bids if, prior to making the purchases, the board of education obtains certification from the district's finance or purchasing officer that the items to be purchased meet the standards and specifications fixed by state price contract, federal (GSA) price contract, or the bid of another school district whose bid specifications allow other districts to utilize their bids, and that the sales price is lower than that established by the various price contract agreements or available through the bid of another school district whose bid specifications would allow the district to utilize their bid.
  - (b) The procedures set forth in paragraph (a) of this subsection shall not be available to the district for any specific item once the bidding procedure has been initiated by an invitation to bid and a publication of specifications for that specific item has been published. In the event that all bids are rejected, the district may again avail itself of the provisions of paragraph (a) of this subsection.
- (4) This requirement shall not apply in an emergency if the chief executive officer of the city, county, or district has duly certified that an emergency exists, and has filed a copy of the certificate with the chief financial officer of the city, county, or district, or if the sheriff or the county clerk has certified that an emergency exists, and has filed a copy of the certificate with the clerk of the court where his necessary office expenses are fixed pursuant to KRS 64.345 or 64.530, or if the superintendent of the board of education has duly certified that an emergency exists, and has filed a copy of the certificate with the chief state school officer.

- (1) Unless precluded by law, any child committed to the Department of Juvenile Justice or the cabinet may by the decision of the Department of Juvenile Justice or the cabinet or its designee, at any time during the period of his commitment, be:
  - (a) Upon fourteen (14) days' prior written notice to the court, discharged from commitment. Written notice of discharge shall be given to the committing court and to any other parties as may be required by law;
  - (b) Placed in the home of the child's parents, in the home of a relative, a suitable foster home, or boarding home, upon such conditions as the Department of Juvenile Justice or the cabinet may prescribe and subject to visitation and supervision by a ~~social~~~~family~~ service worker or juvenile probation and parole officer. At the time a committed child is placed in the home of his parents by the Department of Juvenile Justice or the cabinet, the parents shall be informed in writing of the conditions of the placement and the criteria that will be used to determine whether removal is necessary;
  - (c) Placed in one (1) of the facilities or programs operated by the Department of Juvenile Justice or the cabinet, except that: No child committed under the provisions of KRS 610.010(1)(b), (c), or (d) shall be placed in a facility operated by the Department of Juvenile Justice for children adjudicated as a public offender unless the cabinet and the department agree, and the court consents, that the placement is in the best interest of the child and that the placement does not exceed a group home level;
  - (d) Placed in a child-caring facility operated by a local governmental unit or by a private organization willing to receive the child, upon such conditions as the cabinet may prescribe;
  - (e) Treated as provided in KRS Chapter 645;
  - (f) Following the transfer or placement of a child pursuant to paragraphs (b), (c), (d), or (e) of this subsection, the Department of Juvenile Justice or the cabinet shall, within fourteen (14) days, excluding weekends and holidays, give written notice to the court of the transfer, the placement, and the reasons therefor.
- (2) No child ten (10) years of age or under shall be placed in a facility operated by the Department of Juvenile Justice for children adjudicated as public offenders;
- (3) If a child committed to the cabinet as dependent, neglected, or abused is placed in the home of the child's parents, the child shall not be removed except in accordance with the following standards and procedures:
  - (a) If the ~~social~~~~family~~ service worker believes that the committed child continues to be dependent, neglected, or abused, but immediate removal is unnecessary to protect the child from imminent death or serious physical injury, the casework situation and evidence shall be reviewed with his supervisor to determine whether to continue work with the family intact or to remove the child. There shall be documentation that the ~~social~~~~family~~ service worker, prior to the court hearing, made an effort to contact the parents to inform them of the specific problems that could lead to removal so they have an opportunity to take corrective action. If the parents are unavailable or do not respond to attempts to communicate, the specific circumstances shall be documented;
  - (b) If it appears that the child's health or welfare or physical, mental, or emotional condition is subjected to or threatened with real and substantial harm and there is not reasonably available an alternative less drastic than removal of the child from the home, the cabinet shall petition the District Court to review the commitment pursuant to KRS 610.120 in relation to the cabinet's intention to remove the child from the parent's home. The petition shall set forth the facts which constitute the need for removal of the child. The court shall serve notice of the petition and the time and place of the hearing on the parents; however, the ~~social~~~~family~~ service worker shall also contact the parents to ensure that they received the notice and are aware of the right to be represented by counsel. If the parents' whereabouts are unknown, notice may be mailed to the last known address of an adult who is a near relative. If the court fails to find that the child's health or welfare or physical, mental, or emotional condition is subjected to or threatened with real and substantial harm, or recommends a less drastic alternative that is reasonably available, the child shall not be removed from the parents' home;

- (c) If a ~~social[family]~~ service worker finds a committed, unattended child who is too young to take care of himself, the ~~social[family]~~ service worker shall make reasonable efforts to arrange for an emergency caretaker in the child's home until the parents return or fail to return within a reasonable time. If no in-home caretaker is available for the child, the ~~social[family]~~ service worker shall request any appropriate law enforcement officer to take the child into protective custody. If, after a reasonable time, it appears the child has been abandoned, the cabinet shall petition the District Court to review the case; or
  - (d) If there exist reasonable grounds to believe that the child is in danger of imminent death or serious physical injury or is being sexually abused and that the parents are unable or unwilling to protect the child, the ~~social[family]~~ service worker shall, with the assistance of a law enforcement officer, immediately remove the child prior to filing a petition for review. Within seventy-two (72) hours after the removal, the cabinet shall file a petition for review in District Court pursuant to KRS 610.120 with a request for an expeditious hearing. If the court fails to find that the child's health or welfare or physical, mental, or emotional condition is subjected to or threatened with real and substantial harm, or recommends a less drastic alternative that is reasonably available, the child shall be returned to the parents' home.
- (4) The cabinet or the Department of Juvenile Justice, as appropriate, shall notify the juvenile court of the county of placement with the conditions of supervised placement of each child placed in that county from one (1) of the residential treatment facilities operated by the Department of Juvenile Justice or the cabinet. Notice of the conditions of such placement may be made available by the court to any law enforcement agency.
  - (5) The person in charge of any home to which a child is probated, and the governing authority of any private facility or agency to which a child is committed, shall make such reports to the court as the court may require, and such reports as the Department of Juvenile Justice or the cabinet may require in the performance of its functions under the law. The Department of Juvenile Justice or the cabinet shall have the power to make such visitations and inspections of the homes, facilities, and agencies in which children who have committed public offenses have been placed as it deems necessary to carry out its functions under the law.
  - (6) The Department of Juvenile Justice or the cabinet shall provide a written transfer summary to the person in charge of any foster home or any governing authority of any private facility or agency in which the Department of Juvenile Justice or the cabinet has placed a child. The written summary shall include, at a minimum, demographic information about the child, a narrative statement detailing the child's prior placements, the length of time the child has been committed, a description of the services and assistance provided to the child or the child's family since the most current case plan, a copy of the current case plan for the child and the child's family, and a copy of the child's medical and educational passport, if available, provided that no information shall be provided that violates any statutory confidentiality requirements. The transfer summary shall be provided by the Department of Juvenile Justice if it is responsible for the child, or the cabinet if it is responsible for the child, within seven (7) days of the placement of the child with the person, agency, or facility providing care to the child.
  - (7) The Department of Juvenile Justice may assist the courts in placing children who have committed public offenses in boarding homes, and, under agreements with the individual courts, may assume responsibility for making such placements. Counties may pay or contribute towards the expenses of maintaining such children and, to the extent authorized by the fiscal court, the Department of Juvenile Justice may incur obligations chargeable to the county for such expenses.

Section 63. KRS 620.040 is amended to read as follows:

If the cabinet or its designated representative receives a report of abuse by other than a parent, guardian, or other person exercising custodial control or supervision of a child, it shall forthwith notify the local law enforcement agency or Kentucky State Police and the Commonwealth's or county attorney of the receipt of the report and its contents and they shall investigate the matter. The cabinet or its designated representative may participate in an investigation of noncustodial abuse at the request of the local law enforcement agency or the Kentucky State Police.

- (3) School personnel or other persons listed in KRS 620.030(2) do not have the authority to conduct internal investigations in lieu of the official investigations outlined in this section.
- (4)
  - (a) If, after receiving the report, the law enforcement officer, the cabinet, or its designated representative cannot gain admission to the location of the child, a search warrant shall be issued by the judge to the appropriate law enforcement official upon probable cause that the child is dependent, neglected, or abused. If, pursuant to a search under a warrant a child is discovered and appears to be in imminent danger, the child may be removed by the law enforcement officer.
  - (b) If a child who is in a hospital or under the immediate care of a physician appears to be in imminent danger if he is returned to the persons having custody of him, the physician or hospital administrator may hold the child without court order, provided that a request is made to the court for an emergency custody order at the earliest practicable time, not to exceed seventy-two (72) hours.
  - (c) Any appropriate law enforcement officer may take a child into protective custody and may hold that child in protective custody without the consent of the parent or other person exercising custodial control or supervision if there exist reasonable grounds for the officer to believe that the child is in danger of imminent death or serious physical injury or is being sexually abused and that the parents or other person exercising custodial control or supervision are unable or unwilling to protect the child. The officer or the person to whom the officer entrusts the child shall, within twelve (12) hours of taking the child into protective custody, request the court to issue an emergency custody order.
  - (d) When a law enforcement officer, hospital administrator, or physician takes a child into custody without the consent of the parent or other person exercising custodial control or supervision, he shall provide written notice to the parent or other person stating the reasons for removal of the child. Failure of the parent or other person to receive notice shall not, by itself, be cause for civil or criminal liability.
- (5)
  - (a) One (1) or more multidisciplinary teams may be established in every county or group of contiguous counties.
  - (b) Membership of the multidisciplinary team shall include, but is not limited to, ~~social~~~~(family)~~ service workers employed by the Cabinet for Families and Children and law enforcement officers.   - (c) The multidisciplinary team may review child sexual abuse cases referred by participating professionals, including those in which the alleged perpetrator does not have custodial control or supervision of the child, or is not responsible for the child's welfare. The purpose of the multidisciplinary team shall be to review investigations, assess service delivery, and to facilitate efficient and appropriate disposition of cases through the criminal justice system.
  - (d) The team shall hold regularly scheduled meetings if new reports of sexual abuse are received or if active cases exist. At each meeting, each active case shall be presented and the agencies' responses assessed.
  - (e) The multidisciplinary team shall provide an annual report to the public of nonidentifying case information to allow assessment of the processing and disposition of child sexual abuse cases.

Team members, and others attending meetings, shall sign a confidentiality statement that is consistent with statutory prohibitions on disclosure of this information.

- (1) Notwithstanding the terms, provisions, or conditions of any franchise or notwithstanding the terms or provisions of any waiver, ~~a **no**~~ manufacturer shall **not** cancel, terminate, or fail to renew any franchise with a licensed new motor vehicle dealer unless the manufacturer has:
  - (a) Satisfied the notice requirement of subsection (4) of this section;
  - (b) Has good cause for cancellation, termination, or nonrenewal;

- (c) Has acted in good faith as defined in KRS 190.010(22); and
- (d) Has established the requirements of this subsection in proceedings before the licensor if the action is protested by the new motor vehicle dealer within fifteen (15) days after receiving notice of the cancellation, termination, or nonrenewal.

When a protest is filed, the licensor shall inform the manufacturer, distributor, factory branch, or factory representative that a timely protest has been filed and that the manufacturer, distributor, factory branch, or factory representative shall not cancel, terminate, or fail to renew any franchise with the licensed new motor vehicle dealer until the licensor has held a hearing and the licensor has determined that the manufacturer has met its burden under this section.

- (2) Notwithstanding the terms, provisions, or conditions of any franchise or the terms or provisions of any waiver, good cause shall exist for the purposes of a termination, cancellation, or nonrenewal when:
  - (a) There is a failure by the new motor vehicle dealer to comply with a provision of the franchise which provision is both reasonable and of material significance to the franchise relationship, provided that the dealer has been notified in writing of the failure within one hundred eighty (180) days after the manufacturer first acquired knowledge of ~~the~~~~[such]~~ failure.
  - (b) If the failure by the new motor vehicle dealer, defined in paragraph (a) of this subsection, relates to the performance of the new motor vehicle dealer in sales or service, then good cause shall be defined as the failure of the new motor vehicle dealer to comply with reasonable performance criteria established by the manufacturer, if the new motor vehicle dealer was apprised by the manufacturer in writing of ~~a~~~~[such]~~ failure, and
    - 1. ~~The~~~~[Said]~~ notification stated that notice was provided of failure of performance pursuant to this section;
    - 2. The new motor vehicle dealer was afforded a reasonable opportunity, for a period of not less than six (6) months, to comply with ~~the~~~~[such]~~ criteria; and
    - 3. The new motor vehicle dealer did not demonstrate substantial progress toward compliance with the manufacturer's performance criteria during ~~the designated~~~~[such]~~ period.
- (3) The manufacturer shall have the burden of proof under this section.
- (4) Notwithstanding the terms, provisions, or conditions of any franchise prior to the termination, cancellation, or nonrenewal of any franchise, the manufacturer shall furnish notification of ~~a~~~~[such]~~ termination, cancellation, or nonrenewal to the new motor vehicle dealer as follows:
  - (a) In the manner described in subsection (2)(b) of this section; and

    - 1. Insolvency of the new motor vehicle dealer, or filing of any petition by or against the new motor vehicle dealer under any bankruptcy or receivership law;

    - 4. Conviction of the new motor vehicle dealer, or any owner or operator thereof, of any felony which is punishable by imprisonment; or
    - 5. Revocation of any license which the new motor vehicle dealer is required to have to operate a dealership;
  - (d) In not less than one hundred eighty (180) days prior to the effective date of ~~a~~~~[such]~~ termination or cancellation where the manufacturer or distributor is discontinuing the sale of the product line.

- (5) Notification under this section shall be in writing by certified mail or personally delivered to the new motor vehicle dealer; and shall contain:
- (a) A statement of intent to terminate, cancel, or not to renew the franchise; and
  - (b) A statement of the reasons for the termination, cancellation, or nonrenewal; and
  - (c) The date on which ~~the~~<sup>such</sup> termination, cancellation, or nonrenewal takes effect.
- (6) Upon the termination, nonrenewal, or cancellation of any franchise, pursuant to this section, the new motor vehicle dealer shall be allowed fair and reasonable compensation by the manufacturer for the:
- (a) New current model year motor vehicle inventory which has been acquired from the manufacturer, and which has not been damaged or altered while in the dealer's possession;
  - (b) Supplies and parts which have been acquired from the manufacturer;
  - (c) Equipment and furnishings provided the new motor vehicle dealer purchased from the manufacturer or its approved sources; and
  - (d) Special tools.
- ~~Such~~ Fair and reasonable compensation shall be paid by the manufacturer within ninety (90) days of the effective date of termination, cancellation, or nonrenewal, provided the new motor vehicle dealer has clear title to the inventory and other items and is in a position to convey that title to the manufacturer.
- (7) In the event of a termination, cancellation, or nonrenewal under this section, and the new motor vehicle dealer is leasing the dealership facilities from a lessor other than the manufacturer, or owns the dealership facilities, the manufacturer shall pay a reasonable rent to the dealer in accordance with and subject to subsection (8) of this section.
- (8) (a) ~~Such~~ Reasonable rental value shall be paid only to the extent the dealership premises are recognized in the franchise and only if they are:
- 1. Used solely for performance in accordance with the franchise; and
  - 2. Not substantially in excess of those facilities recommended by the manufacturer.
- (b) If the facilities are owned by the dealer, the manufacturer will either:
- 1. Locate a purchaser who will offer to purchase the dealership facilities at a reasonable price; or
  - 2. Locate a lessee who will offer to lease the premises for a reasonable term at a reasonable rent; or
  - 3. Failing the foregoing, lease the dealership facilities at a reasonable rental value for one (1) year.
- (c) If the facilities are leased by the dealer, the manufacturer will either:
- 1. Locate a tenant or tenants satisfactory to the lessor, who will sublet or assume the balance of the lease; or
  - 2. Arrange with the lessor for the cancellation of the lease without penalty to the dealer; or
  - 3. Failing the foregoing, lease the dealership facilities at a reasonable rent for one (1) year.
- (d) The manufacturer shall not be obligated to provide assistance under this section if the dealer:
- 1. Fails to accept a bona fide offer from a prospective purchaser, sublessee or assignee; or
  - 2. Refuses to execute a settlement agreement with the lessor if ~~the~~<sup>such</sup> agreement would be without cost to the dealer; or
  - 3. Fails to make *a* written request for assistance under this section within one (1) month of the termination, cancellation, or nonrenewal.
- (e) If, in an action for damages under this section, the manufacturer or distributor fails to prove either that the manufacturer or distributor has acted in good faith or that there was good cause for the franchise termination, cancellation, or nonrenewal, then the manufacturer or distributor may terminate, cancel, or fail to renew the franchise upon payment to the new motor vehicle dealer of an amount equal to the value of the dealership as an ongoing business location.

- (9) *Notice of termination to a dealer shall entitle the dealer to continue the franchise and the dealer may attempt to sell the franchise until all of the dealer's appeal rights have been exhausted.*

Section 4. KRS 190.046 is amended to read as follows:

- (1) Notwithstanding the terms of any franchise agreement, each motor vehicle manufacturer or distributor, doing business within this Commonwealth, shall assume all responsibility for and shall defend, indemnify, and hold harmless its motor vehicle dealers against any loss, damages, and expenses, including legal costs, arising out of complaints, claims, *recall repairs or modifications or factory authorized or directed repairs*, or lawsuits resulting from warranty defects, which shall include structural or production defects; defects in the assembly; or design of motor vehicles, parts, accessories; or other functions beyond the control of the dealer, including without limitation, the selection of parts or components for the vehicle. Each manufacturer or distributor shall pay reasonable compensation to any authorized dealer who performs work to repair defects, or to repair any damage to the manufacturer's or distributor's product sustained while the product is in transit to the dealer, when the carrier or the means of transportation is designated by the manufacturer or distributor. Each manufacturer or distributor shall provide to its dealers with each model year a schedule of time allowances for the performance of warranty repair work and services, which shall include time allowances for the diagnosis and performance of warranty work and service time, and shall be reasonable and adequate for the work to be performed.
- (2) In the determination of what constitutes "reasonable compensation" under this section, the principal factor to be considered shall be the amount of money that the dealer is charging its other customers for the same type service or repair work. Other factors may be considered, including the compensation being paid by other manufacturers or distributors to their dealers for work; and the prevailing amount of money being paid or charged by the dealers in the city or community in which the authorized dealer is doing business. "Reasonable compensation" shall include diagnosing the defect; repair service; labor; parts and administrative and clerical costs. The compensation of a dealer shall not be less than the amount charged by the dealer for like services and parts, which minimum compensation for parts shall be dealer cost plus thirty percent (30%) gross profit, to retail customers for nonwarranty service and repairs, or less than the amounts indicated for work on the schedule of warranty compensation required to be filed by the manufacturer with the commission as a part of the manufacturer's license application by KRS 190.030.
- (3) A manufacturer or distributor shall not require unreasonable proof to establish "reasonable compensation" or delay reimbursement of payment to the dealer beyond thirty-five (35) days from the submission by mail of a valid warranty claim. If a valid warranty claim is not paid within forty-five (45) days, the dealer may give the manufacturer one (1) copy of the dealer's related repair order bearing the customer's signature, the dealer's signature, the date the work was completed, the vehicle serial number or identification number, the odometer reading, the date of delivery of the vehicle, a list of the parts and supplies used if applicable, a brief general description of the defect, and the amount of money charged the manufacturer or distributor for the work. If, after fifteen (15) days, the valid warranty claim is still not paid, the dealer may deduct a like amount from any moneys due or owing to the manufacturer or distributor. The dealer shall hold the defective part for inspection by the manufacturer or distributor for a period of time not to exceed ninety (90) days from the time the warranty claim is submitted. The manufacturer or distributor shall not unfairly discriminate against any dealer in the application of warranty, policy, and procedure or deny any valid warranty order claim submitted by a franchised dealer within thirty (30) days from completion of the work or longer if existing manufacturer-dealer relationships apply. Upon the written request of the dealer for valid reasons, the manufacturer shall extend the submission time. Any dispute between the dealer and the manufacturer or distributor shall be subject to the provisions of KRS 190.057.
- (4) *All audits by a manufacturer shall be limited to a period of one (1) year prior to the date of the audit.*

Section 5. KRS 190.0491 is amended to read as follows:

- (1) "Delivery" of a motor vehicle to a dealer by a manufacturer or distributor for the purposes of this section shall be accomplished by the:
  - (a) Tender of the motor vehicle and any documents necessary to enable the dealer to obtain title and possession of the motor vehicle at the dealer's place of business or designated place of delivery, and
  - (b) The giving of notice of ~~the~~<sup>such</sup> tender of the motor vehicle and documents to the dealer.

- (2) Whenever a motor vehicle is damaged while in transit when the carrier or the means of transportation is designated by the manufacturer or distributor, or whenever a motor vehicle is otherwise damaged prior to delivery to the dealer, the dealer must:
- Notify the manufacturer or distributor of ~~the~~~~[such]~~ damage within three (3) working days of the occurrence of the delivery of the motor vehicle as defined in subsection (1) of this section; and
  - ~~Must~~ Request from the manufacturer or distributor authorization to repair the damages sustained or to replace the parts or accessories damaged.
- ~~Such~~ Notification of damage by the dealer must be by certified mail, with a notice of delivery requested to be returned to the dealer, and shall be presumed to have occurred upon deposit of the notice with the United States Postal Service.
- (3) In the event the manufacturer or distributor refuses or fails to authorize repair or replacement of ~~the~~~~[any such]~~ damage within three (3) working days of notification of damage by the dealer, ownership of the motor vehicle shall revert to the manufacturer or distributor, and the dealer shall incur no obligations, financial or otherwise, for ~~the~~~~[such]~~ damage to the motor vehicle. In determining when ~~the~~~~[such]~~ notification of the damage by the dealer to the manufacturer or distributor occurs, the date the notice is received by the manufacturer or distributor by the United States Postal Service indicated on the notice of delivery returned to the dealer shall be controlling.
- (4) In computing the lapse of three (3) working days under this section, the day of the occurrence of delivery of the motor vehicle to the dealer by the manufacturer or distributor, as defined in subsection (1) of this section, or the day of notification of the damage to the manufacturer or distributor by the dealer, as described in subsection (3) of this section, ~~shall~~~~is~~ not ~~to~~ be included, but the last working day of the period so computed ~~shall~~~~is~~ to be included.
- (5) Prior to the sale of any motor vehicle damaged prior to delivery to the dealer as described in subsection (2) of this section, excluding damage to glass, tires, and bumpers when replaced by identical manufacturer's original equipment and any damage not exceeding six percent (6%) of the sticker price of the vehicle, the occurrence and extent of ~~the~~~~[such]~~ damage must be disclosed by the dealer to the consumer, and upon repair of the damage sustained, or replacement of the parts or accessories damaged, the manufacturer and/or dealer, must certify to the consumer that the motor vehicle has been repaired or remanufactured to the manufacturer's standards; if the dealer makes the certification he shall be indemnified by the manufacturer. Upon ~~this~~~~[such]~~ certification, liability for any concealed damages then remaining with the motor vehicle shall lie with the manufacturer.
- (6) Whenever a motor vehicle is damaged resulting in repairs or repair estimates that exceed **one thousand dollars (\$1,000)**~~three hundred dollars (\$300)~~ after delivery to the dealer by the manufacturer or distributor, as defined in subsection (1) of this section, but before sale by the dealer to the consumer, the occurrence and extent of ~~the~~~~[such]~~ damage must be disclosed by the dealer to the consumer prior to ~~a~~~~[such]~~ sale, and upon repair of the damage sustained, or replacement of parts or accessories damaged, the dealer must certify to the consumer that this motor vehicle has been repaired or remanufactured according to the manufacturer's standards. Upon ~~this~~~~[such]~~ certification, liability for any concealed damages then remaining with the motor vehicle shall lie with the dealer.
- (7) Notwithstanding the terms of any franchise agreement, it shall be a violation of this section for any new motor vehicle manufacturer to fail to indemnify and hold harmless its franchised dealers against any judgment or settlement agreed to in writing by the manufacturer for damages, including, but not limited to, court costs and reasonable attorneys' fees of the new motor vehicle dealer, arising out of complaints, claims, or lawsuits including, but not limited to, strict liability, negligence, misrepresentation, warranty (express or implied), or rescission of the sale as is defined in KRS 355.2-608, to the extent that the judgment or settlement agreed to in writing by the manufacturer relates to the alleged defective or negligent manufacture, assembly, or design of new motor vehicles, parts, or accessories or other functions by the manufacturer, beyond the control of the dealer.

Section 6. KRS 190.070 is amended to read as follows:

- (1) It shall be a violation of this section for any manufacturer, distributor, factory branch, or factory representative licensed under this chapter to require any new motor vehicle dealer in the Commonwealth:

- (a) To order or accept delivery of any motor vehicle, part or accessory thereof, appliances, equipment, or any other product not required by law, which shall not have been voluntarily ordered by the new motor vehicle dealer; except that this section is not intended to modify or supersede any terms or provisions of the franchise requiring new motor vehicle dealers to market a representative line of those motor vehicles which the manufacturer or distributor is publicly advertising.
  - (b) To order or accept delivery of any new motor vehicle with special features, appliances, accessories, or equipment not included in the list price of ~~the [such]~~ motor ~~vehicle [vehicles]~~, as publicly advertised by the manufacturer or distributor.
  - (c) To order for any person any parts, accessories, equipment, machinery tools, appliance, or any commodity whatsoever not required in connection with a recall campaign.
  - (d) To participate monetarily in an advertising campaign or contest, any promotional materials, training materials, showroom or other display decorations, or materials, at the expense of the dealer, without the consent of the dealer.
  - (e) To enter into any agreement with the manufacturer, distributor, factory branch, or factory representative, or to do any other act prejudicial to the new motor vehicle dealer by threatening to cancel a franchise or any contractual agreement existing between the dealer and the manufacturer, distributor, factory branch, or factory representative. Notice in good faith to any dealer of the dealer's violation of any terms or provisions of ~~the dealer's [such]~~ franchise, or contractual agreement shall not constitute a violation of this law.
  - (f) To change the capital structure of the dealership, or the means by or through which the dealer finances the operation of the dealership, provided that the dealership at all times meets any reasonable capital standards agreed to by the dealer, excluding any entity engaged primarily in providing financing or insurance on motor vehicles.
  - (g) To refrain from participation in the management or investment in, or the acquisition of any other line of new motor vehicle or related products; provided, however, that this section does not apply unless the new motor vehicle dealer maintains a reasonable line of credit for each make or line of new motor vehicles, and that the new motor vehicle dealer remains in substantial compliance with the terms and conditions of the franchise and with any reasonable facility requirements of the manufacturer, and no change is made in the principal management of the new motor vehicle dealership.
  - (h) To change location of the dealership, or to, during the course of the agreement, make any substantial alterations to the dealership premises, when to do so, would be unreasonable in light of the current economic, political, and social considerations.
  - (i) To prospectively assent to a release, assignment, novation, waiver, or estoppel which would relieve any person from liability to be imposed by this law, or to require any controversy between a dealer and a manufacturer, distributor, or representative, to be referred to any person other than the duly constituted courts of the Commonwealth or the United States of America, or to the commissioner, if ~~the [such]~~ referral would be binding upon the dealer.
  - (j) ***To establish or maintain exclusive facilities, personnel, display space, or signage for a new motor vehicle make or line.***
  - (k) ***To expand facilities without making available a sufficient supply of new motor vehicles to support the expansion in light of the market and economic conditions.***
- (2) It shall be a violation of this section for any manufacturer, distributor, factory branch, or factory representative:
- (a) To delay, refuse, or fail to deliver motor vehicles, or vehicle parts or accessories in reasonable quantities relative to the new motor vehicle dealer's facilities and sales potential in the new motor vehicle dealer's relevant market area, and within a reasonable time, but in any case no more than sixty (60) days, after receipt of an order from a dealer having a franchise for the retail sale of any new vehicle sold or distributed by the manufacturer or distributor, any new vehicle, parts, or accessories to new vehicles as are covered by ~~the [such]~~ franchise, if ~~the [such]~~ vehicle, parts, or accessories are publicly advertised as being available for delivery or actually being delivered. The delivery to another dealer of a motor vehicle of the same model and similarly equipped as the vehicle ordered by a motor vehicle dealer who has not received delivery thereof, but who had placed his written order for the vehicle prior to the order of the dealer receiving the vehicle, shall be prima facie evidence of a delayed delivery of, or refusal to

deliver, a new motor vehicle to a motor vehicle dealer within sixty (60) days, without cause. This section is not violated, however, if ~~the[such]~~ failure is caused by acts or causes beyond the control of the manufacturer, distributor, factory branch, or factory representative.

- (b) To refuse to disclose to any new motor vehicle dealer, handling the same line make, the manner and mode of distribution of that line make within the relevant market areas.
- (c) To prevent or attempt to prevent a dealer from receiving fair and reasonable compensation for the value of the franchised business. There shall **not** be ~~a[no]~~ transfer or assignment of the dealer's franchise without the consent of the manufacturer or distributor, which consent shall not be unreasonably withheld.
- (d) To obtain money, goods, service, or any other benefit from any other person with whom the dealer does business, on account of, or in relation to, the transaction between the dealer and ~~the[such]~~ other person, other than for compensation for services rendered, unless ~~the[such]~~ benefit is promptly accounted for, and transmitted to, the dealer, excluding any entity engaged primarily in providing financing or insurance on motor vehicles.
- (e) To increase prices of motor vehicles which the dealer had ordered for private retail customers prior to the dealer's receipt of the written official price increase notification, a sales contract signed by a private retail consumer shall constitute evidence of each ~~such~~ order, provided that the vehicle is in fact delivered to the customer. In the event of manufacturer price reductions, the amount of ~~a[any such]~~ reduction received by a dealer shall be passed on to the private retail consumer by the dealer, if the retail price was negotiated on the basis of the previous higher price to the dealer. Price reductions shall apply to all vehicles in the dealer's inventory which were subject to the price reduction. Price differences applicable to new model or series motor vehicles at the time of the introduction of new models or series shall not be considered a price increase or price decrease. Price changes caused by the following shall not be subject to the provisions of this section:
  1. The addition to a motor vehicle of required or optional equipment pursuant to state or federal law;
  2. Revaluation of the United States dollar, in the case of foreign-make vehicles or components;
  3. Increased transportation charges due to an increase in the rate charged by common carrier or transporter.
- (f) To offer any refunds or other types of inducements to any person for the purchase of new motor vehicles of a certain line make to be sold to the state or any political subdivision thereof, without making the same offer, upon written request, to all other dealers in the same line make within the relevant market area.
- (g) To release to any outside party, except under subpoena, any administrative, judicial or arbitration proceedings, or any business, financial, or personal information which may be, from time to time, provided by the dealer to the manufacturer, without the express written consent of the dealer.
- (h) To deny any dealer the right of free association with any other dealer for any lawful purpose.
- (i) ***To establish or maintain a relationship, on the part of a manufacturer, distributor, factory branch, or factory representative, where the voting rights exceed a simple majority.***
- (j) ***To own, operate, or control any motor vehicle dealership in the Commonwealth; however, this subsection shall not prohibit:***
  1. ***The operation by any manufacturer of a dealership for a temporary period, not to exceed one (1) year, during the transition from one (1) owner to another;***
  2. ***The ownership or control of a dealership by a manufacturer while the dealership is being sold under a bona fide contract or purchase option to the operator of the dealership; or***
  3. ***The ownership, operation, or control of a dealership by a manufacturer if the licensor determines after a hearing at the request of any party, that there is not a dealer who is independent of the manufacturer available in the community or trade area to own and operate the franchise in a manner consistent with the public interest.***

- (k) To compete without good faith with a new motor vehicle dealer in the same line make, operating under an agreement or franchise from the aforementioned manufacturer, distributor, factory branch, or factory representative in the relevant market area. A manufacturer, distributor, factory branch, or factory representative shall not, however, be deemed to be competing when operating a dealership, either temporarily for a reasonable period, ***not to exceed one (1) year***, or in a bona fide retail operation which is for sale to any qualified independent person at a fair and reasonable price, or in a bona fide relationship in which an independent person has made a significant investment, subject to loss in the dealership, and can reasonably expect to acquire full ownership of such dealership on reasonable terms and conditions.
  - ~~(l)(4)~~ To unfairly discriminate among its new motor vehicle dealers with respect to warranty reimbursement or authority granted its new motor vehicle dealers to make warranty adjustment with retail customers.
  - ~~(m)(4)~~ To fail to give consent to the sale, transfer, or exchange of the franchise to a qualified buyer capable of being licensed as a new motor vehicle dealer in this state; provided that consent may be withheld when in light of other circumstances, granting the consent would be unreasonable.
  - ~~(n)(4)~~ To fail to be licensed as provided in this chapter, and to maintain a bond in an amount as determined by this chapter.

Section 1. KRS 440.090 is amended to read as follows:

When the Governor of this state makes requisition upon the Governor of another state for a fugitive from justice, the person named in the requisition as the agent of this state shall, unless a different condition is contained in his commission, be allowed as compensation from the State Treasury for his services a mileage allowance at the same rate fixed by regulations adopted by the secretary of the Finance and Administration Cabinet pursuant to KRS 44.060, plus an additional sum calculated at the rate of five cents (\$0.05) per mile for the distance he travels to and from the jail of the county designated in the proclamation to the place where the fugitive is arrested, and any other necessary expenses he pays in reclaiming and returning the fugitive. ***If, in attempting to reclaim the fugitive, the agent is acting within the course and scope of his employment, the amount due shall be paid over to the agent's employer instead of the agent.*** When a fugitive is to be returned to this state from a location out of state which is in excess of five hundred (500) miles from the jail to which he is to be returned, commercial air transportation may be utilized in lieu of ground transportation, unless the agent undertaking the transportation decides to utilize ground transportation. Payment for air transportation shall be in lieu of the mileage payment for ground transportation only for that portion of the journey for which air transportation is used.     4. The plans or proposals which the acquiring party has to liquidate the insurer, sell its assets, consolidate or merge it with any person, or to make any other material change in its business or corporate structure or management are unfair and unreasonable to policyholders of the insurer and not in the public interest;
    5. The competence, experience, and integrity of persons who would control the operation of the insurer would not be in the interest of policyholders of the insurer and of the public to permit the merger or other acquisition of control; or

- (2) In any case where a person has acquired or is proposing to acquire any voting securities in violation of this ~~chapter~~~~[subtitle]~~ or any rule, administrative regulation, or order issued by the commissioner, the Circuit Court for Franklin County or the Circuit Court for the county in which the insurer has its principal place of business may, upon notice the court deems appropriate, upon the application of the insurer or the commissioner seize or sequester any voting securities of the insurer owned directly or indirectly by the person, and issue the appropriate order to effectuate the provisions of this subtitle.
- (3) Notwithstanding any other provisions of law, for the purposes of this ~~chapter~~~~[subtitle]~~ the situs of the ownership of the securities of domestic insurers shall be deemed to be in this state.

## **CHAPTER 44**

**(HB 168)**

AN ACT relating to child support.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

Section 1. KRS 405.467 is amended to read as follows:

- (1) All support orders issued by the Cabinet for Families and Children, including those issued pursuant to Part D, Title IV of the Federal Social Security Act, shall provide for immediate withholding of earnings of the parent or parents obligated to pay child support and medical support as is necessary to pay the child support obligation, except where one (1) of the parties demonstrates, and the court or administrative order finds that there is good cause not to require immediate income withholding, or a written agreement is reached by both parties which provides for an alternative arrangement.
- (2) In any case in which a support order was issued in the state ~~prior to October 1, 1994,~~ and in which a parent is required to pay court-ordered or administratively determined child support, medical support, maintenance, and medical support insurance, and wage withholding is not in effect, and an arrearage accrues that is equal to the

amount of support payment for one (1) month, upon request of the absent parent, request of the custodial parent, or upon administrative determination, the secretary shall issue an order for withholding of earnings of the parent as is necessary to comply with the order plus interest at the legal rate on the arrearage, if any, without the need for a judicial or administrative hearing.

- (3) In any case in which a parent is required either by court order or administrative order to provide medical insurance coverage for the child and the parent has failed to make application to obtain coverage for the child, the secretary shall issue an order for withholding of the employee's share, if any, of premiums for health coverage and to pay the share of premiums to the insurer, without the need for a judicial or administrative hearing.
- (4) The cabinet shall advise the obligated parent that a wage withholding has commenced by sending a copy of the order to withhold at the same time that the order is sent to the employer. The only basis for contesting the withholding shall be a mistake of fact or law. If the parent contests the withholding, the cabinet shall give the obligor an opportunity to present his or her case at an administrative hearing conducted in accordance with KRS Chapter 13B and decide if the withholding will continue.
- (5) The cabinet shall combine any administrative or judicial wage withholding order, or multiple administrative or judicial orders for child support and medical support into a single wage withholding order when payable through the cabinet to a single family or to multiple family units.
- (6) The cabinet shall serve the order to withhold earnings or notice of multiple wage withholding orders specifying wage withholding requirements on the employer of an obligor by certified mail, return receipt requested. The order shall state the amount to be withheld, or the requirement to enroll the child under the health insurance coverage, including amounts to be applied to arrearages, plus interest at the legal rate on the arrearage, if any, and the date the withholding is to begin. The total amount to be withheld, including current support and payment on arrearages plus interest, and medical insurance coverage may not exceed the limit permitted under the federal Consumer Credit Protection Act at 15 U.S.C. sec. 1673(b).
- (7) If there is more than one (1) notice for child support withholding against a single absent parent, the cabinet shall allocate amounts available for withholding, giving priority to current child support, up to the limits imposed under Section 303(b) of the Consumer Credit Protection Act at 15 U.S.C. sec. 1673(b). The allocation by the cabinet shall not result in a withholding for one (1) of the support obligations not being implemented. Amounts resulting from wage withholding shall be allocated on a proportionate basis between multiple family units. Any custodial parent adversely affected by the provisions of this subsection shall have standing to challenge any proportionate allocations and, for good cause shown, a District Court, Circuit Court, or family court of competent jurisdiction may set aside the cabinet's proportional allocations as to the custodial parent.
- (8) If the amounts to be withheld preclude collection of the total amount of combined child support and medical support due to the limits of the federal Consumer Credit Protection Act at 15 U.S.C. sec. 1673(b), the actual amount received shall be applied first to the current monthly child support obligation amount. Any payment exceeding the current monthly child support obligation shall then be applied by the cabinet to the administratively ordered or judicially ordered medical support obligation.
- (9) The employer shall forward to the Cabinet for Families and Children that portion of salary or wages of the parent due and to be due in the future as will be sufficient to pay the child support amount ordered.
- (10) The employer shall be held liable to the cabinet for any amount which the employer fails to withhold from earnings due an obligor following receipt of an order to withhold earnings.
- (11) Any order to withhold earnings under this section shall have priority as against any attachment, execution, or other assignment, notwithstanding any state statute or administrative regulation to the contrary.
- (12) No withholding under this section shall be grounds for discharging from employment, refusing to employ, or taking disciplinary action against any obligor subject to withholding required by this section.
- (13) The remedies provided for in this section shall also be available for applicable support orders issued in other states.
- (14) Interstate requests for withholding of earnings shall be processed by the cabinet.

## CHAPTER 47

### (HB 193)

AN ACT relating to state leasing.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

Section 1. KRS 56.803 is amended to read as follows:

- (1) When an agency determines that it will need office or other space, the agency shall submit a request for the acquisition of the additional space to the Department for Facilities Management in the Finance and Administration Cabinet. Except in the case of an emergency as described at KRS 56.805(3), an agency shall submit its space request in writing to the department at least ninety (90) calendar days before the space requested will be required by the agency. In the case of an emergency, an agency shall communicate its space needs to the department pursuant to KRS 56.805(3) as soon as an agency knows that it will need the space. If the commissioner of the Department for Facilities Management determines that insufficient space has been allocated to the agency making the request and that it is appropriate to lease additional space for the agency making the request, the commissioner shall acquire the space required by lease as provided by KRS 56.800 to 56.823 and KRS 43.050, 48.111, and 48.190.
- (2) The Department for Facilities Management shall review each agency space request to determine whether space suitable to meet the agency's reasonable needs may be available in a state-owned or occupied building. If it is determined that there is suitable space available in a state-owned or occupied building, the commissioner shall notify the agency. A copy of the notice shall be kept on file.
- (3) If it is determined that there is no suitable space available in a state-owned or occupied building, the department shall comply with the procedures set forth in this section in the leasing of space, except as otherwise provided in KRS 56.800 to 56.823 and KRS 43.050, 48.111, and 48.190.
- (4) The department shall draw up general requirement specifications for the space required. These general requirement specifications shall not be changed except, at the discretion of the commissioner, when the lease process is initiated again pursuant to paragraph (c) of subsection (15) of this section or pursuant to paragraph (b) of subsection (16) of this section. The general requirement specifications shall be kept on file.
- (5) (a) In soliciting the interest of lessors who have property to let in a county where space is sought, the department shall give adequate public notice to reasonably inform persons having property to let within

the county of the type of space required, the general location of the property, and the number of square feet needed. The notice may include posting on the Internet or newspaper advertisements. Each notice shall contain general information concerning the agency requirements for the space sought and shall state the last time, date, and place that written responses shall be received. When it is anticipated that a lease may be negotiated containing deviations or variations from the terms and conditions of the state standard lease form prescribed by the Division of Real Properties, within the department, any deviations or variations shall be stated in the notice.

- (b) The Department for Facilities Management may use any means available to notify landlords that a notice has been given.
- (6) A property owner, or his representative, shall respond in writing on or before the time and date designated in the notice and shall state in the writing the type and location of the property, the name and address of the property owner, and the date of availability of the property. The department shall deal only with individuals who have submitted written responses on or before the time and date designated in the notice.
- (7) All written responses received on or before the time and date designated shall be opened or downloaded at the same time, publicly read or posted, and kept on file by the department.
- (8) Within five (5) days of the opening of written responses, the department shall transmit general requirement specifications to each person who submitted a written response on or before the time and date designated. The same general requirement specifications shall be transmitted to each person.
- (9) After the general requirement specifications have been transmitted, except as provided in paragraph (a) of subsection (13) of this section, the commissioner, and department employees under his supervision, may negotiate with persons who submitted written responses on or before the time and date designated. If in the course of negotiations, a person proposes terms and conditions of lease different from those contained in the state standard lease form which are determined to be in the Commonwealth's best interest to accept, but no mention of the acceptability thereof has been made in the notice given pursuant to subsection (5) of this section, all other persons who submitted written responses on or before the time and date designated shall be notified of the terms and conditions and shall be allowed to incorporate the terms and conditions in written proposals when submitted pursuant to subsection (12) of this section. A copy of each notice shall be kept on file.
- (10) The department shall inspect each space proposed to be leased to determine its suitability to the reasonable needs of the agency for whose use the property is sought. The owner of the property, or the owner's representative, shall provide access to the property for the inspection. A report of the findings about each property inspected shall be submitted on a site evaluation form to the commissioner of the department. Completed site evaluation forms shall be kept on file.
- (11) After the commissioner has reviewed the completed site evaluation forms, the commissioner shall inform each owner of property, or his representative, of the steps necessary to bring the property up to general and specific requirement specifications. The commissioner shall also invite each person to submit a written proposal on a form created by the Department for Facilities Management. A copy of the form shall be provided to each bidder. A written proposal shall constitute a best and final offer. The department shall not consider a written proposal unless it is submitted on a department form on or before the time and date designated.
- (12) All written proposals submitted on or before the time and date designated shall be opened at the same time, publicly identified by the name of the property owner and the location of the property, and kept on file.
- (13) Except pursuant to paragraph (b) of subsection (15) of this section, when the requirements of paragraph (a) of this subsection shall not apply, from the time that written proposals are opened until the awarding of a lease, the department:
  - (a) Shall not negotiate or agree to changes in the terms of written proposals except to correct technical errors;
  - (b) Shall log in all contacts between department employees and any person with an interest in the awarding of a lease. The log shall state the time, date, place, and a summary of the substance of each contact. Each log entry shall be signed by the department employee who was contacted. After the lease is awarded, the log shall be kept as a department record.
- (14) (a) The commissioner shall assess the proposals, taking into account factors including, but not limited to: consultation with the head of the agency for whose use the space is sought; the location and accessibility

of the property to the public; its condition and state of repair; its conformity with the requirements of occupational health and safety regulations; its conformity with applicable state fire, health, safety and sanitation requirements; the proposed rental rates; utility and janitorial costs; agency moving costs; and whether the property proposed is in substantial conformity with the general and specific requirement specifications.

- (b) The commissioner shall give preference to properties in areas which have received, within the previous five (5) year period, state community development funds for revitalization if properties are offered at a competitive rate and meet the provisions of paragraph (a) of this subsection.
- (15) The commissioner, relying exclusively on his assessment made pursuant to subsection (14) of this section, shall:
  - (a) Choose the best proposal in the interest of the Commonwealth;
  - (b) Be permitted to negotiate with a potential lessor if he was the only responsive and responsible potential lessor who submitted a proposal; or
  - (c) Except as provided in paragraph (b) of this subsection, reject all proposals when none is in the Commonwealth's best interest to accept as assessed according to the factors stated in subsection (14) of this section and may, at his discretion, initiate the lease process again.
- (16) (a) The commissioner shall award or decline to award a lease to the potential lessor who submitted the best proposal pursuant to paragraph (a) of subsection (15) of this section or who negotiated with the commissioner pursuant to paragraph (b) of subsection (15) of this section. However, the commissioner shall not award a lease to a potential lessor who negotiated with the commissioner pursuant to paragraph (b) of subsection (15) of this section if that potential lessor's proposal after negotiations was not in the Commonwealth's best interest to accept as assessed according to the factors stated in subsection (14) of this section, and the commissioner shall not award a lease to a person other than a potential lessor prescribed in this paragraph.
  - (b) If the commissioner declines to award a lease, he may, at his discretion, initiate the lease process again.
- (17) The commissioner shall put in writing the justifications for his decisions made pursuant to subsections (15) and (16) of this section. This writing shall be kept on file.
- (18) The commissioner, all department employees under the commissioner's supervision who performed a site evaluation or negotiated a lease agreement under this section, ~~and~~ the head of the agency that will occupy the leased space, **and all agency employees who were directly involved with a site evaluation or lease negotiations** shall sign separate certificates, devised by the commissioner, which shall provide the signatory with the option of certifying that, to the best of his knowledge, he is either aware or unaware of circumstances which may constitute a violation of KRS 56.800 to 56.823. The Department for Facilities Management shall keep the certificates on file **and shall inform state agencies of the legal requirements concerning lease certification on an annual basis.**
- (19) The department shall notify each person who submitted a written response on or before the time and date designated in the public notice pursuant to subsection (6) of this section, but who was not awarded the lease, of the selected property to be leased, and that the person has a right to examine the leasing records relevant to the lease that was awarded. If the Capital Projects and Bond Oversight Committee, pursuant to KRS 56.823(2), will review the awarding of a lease, each notice shall state that fact. A copy of each notice shall be kept on file.

- (2) If the cabinet or the Department of Juvenile Justice determines that reasonable efforts to reunify the child with the child's *parent*~~[family]~~ will not be made, the cabinet or Department of Juvenile Justice shall file a case permanency plan as defined by KRS 620.230 or case progress report with the court that documents the reasons for not making reasonable efforts. The court shall hold a *permanency*~~[dispositional review]~~ hearing within thirty (30) days of the filing of the cabinet's or Department of Juvenile Justice's plan or report with the Court.
- (3) The Department of Juvenile Justice or the cabinet shall inform the court not less than sixty (60) days prior to the expiration of the time in which the hearing shall be held and within the time established in subsection (1) of this section, and shall further inform the court of the name and address of the child's foster parents, preadoptive parents, or relatives providing care to the child; court-appointed special advocate; and foster care review board member assigned to the case.   - (d) A description of the efforts and progress of the child's parent since the last case permanency plan and case progress report, including the number and dates of parental visits and the extent, quality, and frequency of the parent's communication with the child;
  - (e) The familial and institutional barriers to:
    - 1. Returning the child to the home;
    - 2. Ending the commitment of the child to the Department of Juvenile Justice or the cabinet; and
    - 3. Delivery of appropriate services needed by the child;
  - (f) Recommendations of services needed to make the transition from out-of-home care to independent living for children who have reached the age of sixteen (16) years;
  - (g) An evaluation of the child's current placement and services provided to the child;
  - (h) Recommendations for necessary services required to terminate the commitment of the child to the cabinet, to return the child home, or to facilitate another permanent placement; and
  - (i) Recommendations as to the permanency goal for the child.
- (5) The child's parent, foster parent, preadoptive parent, relative providing care to the child, attorney for the parent, attorney for the child, or court-appointed special advocate, if deemed appropriate by the court, may present any evidence relevant to the determination of a permanency goal for the child.
- (6) Upon conclusion of the hearing the court shall make a written *order determining*~~[finding regarding the adequacy of]~~ the permanency plan~~[, the extent to which the permanency plan complies with KRS 620.230(2), and the services intended to achieve permanency]~~ for the child.
- (7) If *necessary, the case may be redocketed for further review of the progress toward the implementation of the permanency plan established at the permanency hearing*~~[the court finds that the permanency plan is not adequate, it shall redocket the case within sixty (60) days for further review].~~

## SECTION 4. A NEW SECTION OF KRS CHAPTER 610 IS CREATED TO READ AS FOLLOWS:

***Reasonable efforts as defined in KRS 620.020(9) shall not be required to be made with respect to a parent of a child if a court of competent jurisdiction determines that the parent has:***

- (1) Subjected the child to aggravated circumstances as defined in Section 1 of this Act;***
- (2) Been convicted in a criminal proceeding of having caused or contributed to the death of another child of the parent;***
- (3) Committed a felony assault that resulted in serious bodily injury to the child or to another child of the parent;***
- (4) Had their parental rights to another child terminated involuntarily;***
- (5) Engaged in a pattern of conduct due to alcohol or other drug abuse as defined in KRS 222.005(12) for a period of not less than ninety (90) days that has rendered the parent incapable of caring for the immediate and ongoing needs of the child, and the parent has refused or failed to complete available treatment for alcohol or other drug abuse;***
- (6) Mental illness as defined in KRS 202A.011(9) or mental retardation as defined in KRS 202B.010(9) or other developmental disability as defined in KRS 387.510(7) that places the child at substantial risk of physical or emotional injury even if the most appropriate and available services were provided to the parent for twelve (12) months; or***
- (7) Other circumstances in existence that make continuation or implementation of reasonable efforts to preserve or reunify the family inconsistent with the best interests of the child and with the permanency plan for the child.***

Section 5. KRS 620.027 is amended to read as follows:

The District Court has jurisdiction, concurrent with that of the Circuit Court, to determine matters of child custody and visitation in cases ***that come before the District Court*** where the need for a permanent~~[relative]~~ placement and custody order is established as set forth in this chapter~~[and the order is requested by the relative custodian]~~. The District Court, in making these determinations, shall utilize the provisions of KRS Chapter 403 relating to child custody and visitation.~~[In no event shall permanent custody orders be entered if the relative custodian elects to pursue approval as a provisional foster parent with the cabinet.]~~ In any case where the child is actually residing with a grandparent in a stable relationship, the court may recognize the grandparent as having the same standing as a parent for evaluating what custody arrangements are in the best interest of the child.

Section 6. KRS 625.090 is amended to read as follows:

- (1) The Circuit Court may involuntarily terminate all parental rights of a parent of a named child, if the Circuit Court finds from the pleadings and by clear and convincing evidence that:
  - (a) 1. The child has been adjudged to be an abused or neglected child, as defined in KRS 600.020(1), by a court of competent jurisdiction;
  2. The child is found to be an abused or neglected child, as defined in KRS 600.020(1), by the Circuit Court in this proceeding; or
  3. The parent has been convicted of a criminal charge relating to the physical or sexual abuse or neglect of any child and that physical or sexual abuse, neglect, or emotional injury to the child named in the present termination action is likely to occur if the parental rights are not terminated; and
- (b) Termination would be in the best interest of the child.
- (2) No termination of parental rights shall be ordered unless the Circuit Court also finds by clear and convincing evidence the existence of one (1) or more of the following grounds:
  - (a) That the parent has abandoned the child for a period of not less than ninety (90) days;
  - (b) That the parent has inflicted or allowed to be inflicted upon the child, by other than accidental means, serious physical injury;
  - (c) That the parent has continuously or repeatedly inflicted or allowed to be inflicted upon the child, by other than accidental means, physical injury or emotional harm;

- (d) That the parent has been convicted of a felony that involved the infliction of serious physical injury to any child;
  - (e) That the parent, for a period of not less than six (6) months, has continuously or repeatedly failed or refused to provide or has been substantially incapable of providing essential parental care and protection for the child and that there is no reasonable expectation of improvement in parental care and protection, considering the age of the child;
  - (f) That the parent has caused or allowed the child to be sexually abused or exploited;
  - (g) That the parent, for reasons other than poverty alone, has continuously or repeatedly failed to provide or is incapable of providing essential food, clothing, shelter, medical care, or education reasonably necessary and available for the child's well-being and that there is no reasonable expectation of significant improvement in the parent's conduct in the immediately foreseeable future, considering the age of the child;
  - (h) That:
    - 1. The parent's parental rights to another child have been involuntarily terminated;
    - 2. The child named in the present termination action was born subsequent to or during the pendency of the previous termination; and
    - 3. The conditions or factors which were the basis for the previous termination finding have not been corrected;
  - (i) That the parent has been convicted in a criminal proceeding of having caused or contributed to the death of another child as a result of physical or sexual abuse or neglect; or
  - (j) That the child has been in foster care under the responsibility of the cabinet for fifteen (15) of the most recent twenty-two (22) months preceding the filing of the petition to terminate parental rights.
- (3) In determining the best interest of the child and the existence of a ground for termination, the Circuit Court shall consider the following factors:
- (a) Mental illness as defined by KRS 202A.011(9), or mental retardation as defined by KRS 202B.010(9) of the parent as certified by a qualified mental health professional, which renders the parent consistently unable to care for the immediate and ongoing physical or psychological needs of the child for extended periods of time;
  - (b) Acts of abuse or neglect as defined in KRS 600.020(1) toward any child in the family;
  - (c) If the child has been placed with the cabinet, whether the cabinet has, prior to the filing of the petition made reasonable efforts as defined in KRS 620.020 to reunite the child with the parents ***unless one or more of the circumstances enumerated in Section 4 of this Act for not requiring reasonable efforts have been substantiated in a written finding by the District Court;***
  - (d) The efforts and adjustments the parent has made in his circumstances, conduct, or conditions to make it in the child's best interest to return him to his home within a reasonable period of time, considering the age of the child;
  - (e) The physical, emotional, and mental health of the child and the prospects for the improvement of the child's welfare if termination is ordered; and
  - (f) The payment or the failure to pay a reasonable portion of substitute physical care and maintenance if financially able to do so.
- (4) If the child has been placed with the cabinet, the parent may present testimony concerning the reunification services offered by the cabinet and whether additional services would be likely to bring about lasting parental adjustment enabling a return of the child to the parent.
- (5) If the parent proves by a preponderance of the evidence that the child will not continue to be an abused or neglected child as defined in KRS 600.020(1) if returned to the parent the court in its discretion may determine not to terminate parental rights.
- (6) Upon the conclusion of proof and argument of counsel, the Circuit Court shall enter findings of fact, conclusions of law, and a decision as to each parent-respondent within thirty (30) days either:

- (a) Terminating the right of the parent; or
- (b) Dismissing the petition and stating whether the child shall be returned to the parent or shall remain in the custody of the state.

- (1) Each county shall be divided into election precincts by the county board of elections. Each election precinct shall be composed of contiguous and, as nearly as practicable, compact areas having clearly definable boundaries and wholly contained within any larger district. The county board of election shall establish precincts so that no boundary of a precinct crosses the boundary of:
  - (a) The Commonwealth;
  - (b) A county or urban-county;
  - (c) A congressional district;
  - (d) A state senatorial district;
  - (e) A state representative district;~~[-or]~~
  - (f) A justice of the peace or county commissioner's district established under KRS Chapter 67; *or*
  - (g) ***An aldermanic ward established under KRS 83.440.***
- (2) The county board of elections shall have the authority to draw precinct lines so as to enable more than one (1) precinct to vote at one (1) location. The county board of elections shall review election precinct boundaries as often as necessary. Without exception, they shall review the boundaries of all election precincts exceeding seven hundred (700) votes cast in the last regular election prior to each primary election. Consideration to the division of said election precincts should be based on the anticipated growth factor within the specified boundaries; however, the county board of elections shall not be prohibited from dividing election precincts in excess of seven hundred (700) votes cast in the last regular election or less than seven hundred (700) votes cast in the last regular election if they elect to do so. However, the State Board of Elections shall not remit to a county the expenses of an election for any precinct containing less than three hundred fifty (350) registered voters unless the county has received prior approval from the state board to establish a precinct containing less than three hundred fifty (350) registered voters. The State Board of Elections shall provide by administrative regulation under what circumstances an exception shall be granted.
- (3) No election precinct shall be created, divided, abolished, or consolidated or the boundaries therein changed prior to any primary election to comply with the provisions of KRS 117.055 to 117.0555 and KRS 117.0557 later than the last date prescribed by election law generally for filing notification and declaration forms with the county clerk or Secretary of State. No election precinct shall be created, divided, abolished, or consolidated or the boundaries therein changed prior to any general election to comply with the provisions of KRS 117.055 to 117.0555 and KRS 117.0557 later than the last date prescribed by election law generally for filing certificates or petitions of nomination with the county clerk or Secretary of State.
- (4) The county board of elections shall designate the name or number and the boundaries of the election precincts. Each precinct shall contain, as nearly as practicable, an equal number of voters, based on the number of registered voters in the county.
- (5) A map and listing of the exact election precinct boundaries shall be filed by the county board of elections with the State Board of Elections, and any changes in boundaries thereafter made shall also be filed with the State

Board of Elections. A copy of this map indicating all precinct boundaries within the county shall be included in the election supplies of each precinct.

- (6) If the county board of elections fails to perform any of the duties required by KRS 117.055 to 117.0555 and KRS 117.0557:
  - (a) The State Board of Elections or any citizen and voter of the county may apply to the Circuit Court of the county for a summary mandatory order requiring the board to perform the duty. Appeals may be taken to the Court of Appeals by either party; and
  - (b) The State Board of Elections shall not submit claims for payments to the county under KRS 117.343 and 117.345 until the State Board of Elections determines in writing that the duty has been performed.
- (7) The county board of elections shall coordinate all precinct boundary changes with the affected school board, magisterial, and municipal boundaries.

AN ACT relating to registered nurses.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

Section 1. KRS 314.181 is amended to read as follows:

- (1) When it appears that a person whom a registered nurse who has successfully completed training in determination of death has been called to attend is dead, the registered nurse shall, utilizing the protocol specified by the board by administrative regulation, determine whether or not the patient is dead after resuscitation of the patient is attempted by the registered nurse or a paramedic or an emergency medical technician who has responded with or after the registered nurse, unless the protocol indicates that the patient is not capable of being resuscitated. If, after resuscitation has been attempted on a patient who the protocol deems is capable of being resuscitated, the patient has not been successfully resuscitated according to the protocol, the nurse may discontinue further resuscitation efforts and proceed to determine whether the patient is dead and whether to declare the patient dead. If it is determined that death has occurred in accordance with the procedures of KRS 446.400(1) ***concerning patients whose circulation and respiration are not being artificially maintained***~~[with regard to patients who have not been resuscitated]~~, the registered nurse may make the actual determination and pronouncement of death.~~[This section shall not apply to patients who are in a hospital when apparent death occurs.]~~
- (2) ***When the determination and pronouncement of death of a patient whose circulation and respiration are not being artificially maintained, as required under KRS 446.400(1), occurs in a hospital or nursing facility, that declaration may be made by a registered nurse, in addition to any other person permitted by law to determine and pronounce death. The nurse shall notify the patient's attending physician of the death in accordance with the hospital's or facility's policy.***
- (3) In the event that a registered nurse determines that a person is dead, the registered nurse shall make the notifications required by KRS 72.020 and take the protective actions required by that statute.
- ~~(4)~~~~(3)~~ Any registered nursing course taught in pre-licensure programs after July 15, 1998, shall include a course of instruction on the determination of death and preservation of evidence as required by the Board of Nursing by administrative regulation.
- ~~(5)~~~~(4)~~ Any registered nurse within the two (2) years following July 15, 1998, shall successfully complete in-service training required by the Board of Nursing by administrative regulation relating to determination of death and preservation of evidence.
- ~~(6)~~~~(5)~~ Any registered nurse from another jurisdiction desiring to become a registered nurse in Kentucky shall show evidence of successful completion of a training course in Kentucky meeting the requirements of subsection ~~(5)~~~~(4)~~ of this section.
- ~~(7)~~~~(6)~~ The administration of cardiopulmonary resuscitation or other basic life support measures to the apparently dead person prior to the arrival of the registered nurse by any person, for the purposes of this

section and KRS 446.400, shall not be considered as artificial maintenance of respiration and circulation. The administration of advanced cardiac life support procedures by any person, other than a paramedic rendering care pursuant to KRS 311.660, prior to the arrival of the registered nurse shall preclude the determination of death by the registered nurse, and the provisions of KRS 446.400 shall apply. However, nothing in this section shall preclude the supervising physician from directing the registered nurse to cease resuscitative efforts under approved agency medical protocols.

(8)(7) The resuscitative efforts of a nurse under protocols authorized by this section shall not invoke the provisions of KRS 446.400.

Except in the case of an emergency as described at KRS 56.805(3), an agency shall submit its space request in writing to the department ~~at least ninety (90) calendar days before the space requested will be required by the agency~~. In the case of an emergency, an agency shall communicate its space needs to the department pursuant to KRS 56.805(3) as soon as an agency knows that it will need the space. If the commissioner of the Department for Facilities Management determines that insufficient space has been allocated to the agency making the request and that it is appropriate to lease additional space for the agency making the request, the commissioner shall acquire the space required by lease as provided by KRS 56.800 to 56.823 and KRS 43.050, 48.111, and 48.190.
- (2) The Department for Facilities Management shall review each agency space request to determine whether space suitable to meet the agency's reasonable needs may be available in a state-owned or occupied building. If it is determined that there is suitable space available in a state-owned or occupied building, the commissioner shall notify the agency. A copy of the notice shall be kept on file.
- (3) If it is determined that there is no suitable space available in a state-owned or occupied building, the department shall comply with the procedures set forth in this section in the leasing of space, except as otherwise provided in KRS 56.800 to 56.823 and KRS 43.050, 48.111, and 48.190.
- (4) The department shall draw up general requirement specifications for the space required. These general requirement specifications shall not be changed except, at the discretion of the commissioner, when the lease process is initiated again pursuant to paragraph (c) of subsection (15) of this section or pursuant to paragraph (b) of subsection (16) of this section. The general requirement specifications shall be kept on file.
- (5) (a) In soliciting the interest of lessors who have property to let in a county where space is sought, the department shall give adequate public notice to reasonably inform persons having property to let within the county of the type of space required, the general location of the property, and the number of square feet needed. The notice may include posting on the Internet or newspaper advertisements. Each notice shall contain general information concerning the agency requirements for the space sought and shall state the last time, date, and place that written responses shall be received. When it is anticipated that a lease may be negotiated containing deviations or variations from the terms and conditions of the state

standard lease form prescribed by the Division of Real Properties, within the department, any deviations or variations shall be stated in the notice.

- (b) The Department for Facilities Management may use any means available to notify landlords that a notice has been given.
- (6) A property owner, or his representative, shall respond in writing on or before the time and date designated in the notice and shall state in the writing the type and location of the property, the name and address of the property owner, and the date of availability of the property. The department shall deal only with individuals who have submitted written responses on or before the time and date designated in the notice.
- (7) All written responses received on or before the time and date designated shall be opened or downloaded at the same time, publicly read or posted, and kept on file by the department.
- (8) Within **ten (10) business**~~five (5)~~ days of the opening of written responses, the department shall transmit general requirement specifications to each person who submitted a written response on or before the time and date designated. The same general requirement specifications shall be transmitted to each person.
- (9) After the general requirement specifications have been transmitted, except as provided in paragraph (a) of subsection (13) of this section, the commissioner, and department employees under his supervision, may negotiate with persons who submitted written responses on or before the time and date designated. If in the course of negotiations, a person proposes terms and conditions of lease different from those contained in the state standard lease form which are determined to be in the Commonwealth's best interest to accept, but no mention of the acceptability thereof has been made in the notice given pursuant to subsection (5) of this section, all other persons who submitted written responses on or before the time and date designated shall be notified of the terms and conditions and shall be allowed to incorporate the terms and conditions in written proposals when submitted pursuant to subsection (12) of this section. A copy of each notice shall be kept on file.
- (10) The department shall inspect each space proposed to be leased to determine its suitability to the reasonable needs of the agency for whose use the property is sought. The owner of the property, or the owner's representative, shall provide access to the property for the inspection. A report of the findings about each property inspected shall be submitted on a site evaluation form to the commissioner of the department. Completed site evaluation forms shall be kept on file.
- (11) After the commissioner has reviewed the completed site evaluation forms, the commissioner shall inform each owner of property, or his representative, of the steps necessary to bring the property up to general and specific requirement specifications. The commissioner shall also invite each person to submit a written proposal on a form created by the Department for Facilities Management. A copy of the form shall be provided to each bidder. A written proposal shall constitute a best and final offer. The department shall not consider a written proposal unless it is submitted on a department form on or before the time and date designated.
- (12) All written proposals submitted on or before the time and date designated shall be opened at the same time, publicly identified by the name of the property owner and the location of the property, and kept on file.
- (13) Except pursuant to paragraph (b) of subsection (15) of this section, when the requirements of paragraph (a) of this subsection shall not apply, from the time that written proposals are opened until the awarding of a lease, the department:
  - (a) Shall not negotiate or agree to changes in the terms of written proposals except to correct technical errors;
  - (b) Shall log in all contacts between department employees and any person with an interest in the awarding of a lease. The log shall state the time, date, place, and a summary of the substance of each contact. Each log entry shall be signed by the department employee who was contacted. After the lease is awarded, the log shall be kept as a department record.
- (14) (a) The commissioner shall assess the proposals, taking into account factors including, but not limited to: consultation with the head of the agency for whose use the space is sought; the location and accessibility of the property to the public; its condition and state of repair; its conformity with the requirements of occupational health and safety regulations; its conformity with applicable state fire, health, safety and sanitation requirements; the proposed rental rates; utility and janitorial costs; agency moving costs; and whether the property proposed is in substantial conformity with the general and specific requirement specifications.

- (b) The commissioner shall give preference to properties in areas which have received, within the previous five (5) year period, state community development funds for revitalization if properties are offered at a competitive rate and meet the provisions of paragraph (a) of this subsection.
- (15) The commissioner, relying exclusively on his assessment made pursuant to subsection (14) of this section, shall:
  - (a) Choose the best proposal in the interest of the Commonwealth;
  - (b) Be permitted to negotiate with a potential lessor if he was the only responsive and responsible potential lessor who submitted a proposal; or
  - (c) Except as provided in paragraph (b) of this subsection, reject all proposals when none is in the Commonwealth's best interest to accept as assessed according to the factors stated in subsection (14) of this section and may, at his discretion, initiate the lease process again.
- (16) (a) The commissioner shall award or decline to award a lease to the potential lessor who submitted the best proposal pursuant to paragraph (a) of subsection (15) of this section or who negotiated with the commissioner pursuant to paragraph (b) of subsection (15) of this section. However, the commissioner shall not award a lease to a potential lessor who negotiated with the commissioner pursuant to paragraph (b) of subsection (15) of this section if that potential lessor's proposal after negotiations was not in the Commonwealth's best interest to accept as assessed according to the factors stated in subsection (14) of this section, and the commissioner shall not award a lease to a person other than a potential lessor prescribed in this paragraph.
  - (b) If the commissioner declines to award a lease, he may, at his discretion, initiate the lease process again.
- (17) The commissioner shall put in writing the justifications for his decisions made pursuant to subsections (15) and (16) of this section. This writing shall be kept on file.
- (18) The commissioner, all department employees under the commissioner's supervision who performed a site evaluation or negotiated a lease agreement under this section, and the head of the agency that will occupy the leased space shall sign separate certificates, devised by the commissioner, which shall provide the signatory with the option of certifying that, to the best of his knowledge, he is either aware or unaware of circumstances which may constitute a violation of KRS 56.800 to 56.823. The Department for Facilities Management shall keep the certificates on file.
- (19) The department shall notify each person who submitted a written response on or before the time and date designated in the public notice pursuant to subsection (6) of this section, but who was not awarded the lease, of the selected property to be leased, and that the person has a right to examine the leasing records relevant to the lease that was awarded. If the Capital Projects and Bond Oversight Committee, pursuant to KRS 56.823(2), will review the awarding of a lease, each notice shall state that fact. A copy of each notice shall be kept on file.
- (20) ***Prior to finalization of the lease, the department or the leasing agency shall inspect the property to ensure that any changes described in subsection (11) of this section necessary to bring the property up to specifications have been completed in a manner satisfactory to the agency or department. At the conclusion of the inspection, the owner shall be advised in writing by the department either that the property is approved for occupancy and the lease may be finalized, or that there remain changes to be completed or corrected before the lease may be finalized.***

Section 3. KRS 56.8035 is amended to read as follows:

- (1) When the Department for Facilities Management solicits for procurement of leased office space under the provisions of KRS 56.803, a proposal for new construction shall be considered if it does not contain any provision for a lease-purchase or an option to purchase.
- (2) The Department for Facilities Management shall only consider a proposal for construction of leased office space with provision for lease-purchase or option to purchase if the proposal is submitted in response to a solicitation for proposals for built-to-suit leases in accordance with KRS 56.8169.
- (3) ***A building constructed and leased to the Commonwealth under this section shall be constructed:***
  - (a) ***In accordance with all applicable state and national safety, building, and construction code requirements; and***
  - (b) ***To last for a minimum of thirty (30) years.***

Section 4. KRS 56.806 is amended to read as follows:

- (1) Except when another lease term is approved by the secretary of the Finance and Administration Cabinet, the terms of all leases entered into pursuant to KRS 56.803 or 56.805 may provide for an initial lease term beginning on a date stated and ending on June 30 in each year in which the General Assembly has convened in regular session and appropriated funds for the operation of the state government during the next ensuing biennium. The leases may grant the state successive options for the automatic renewal of the lease upon the same terms and conditions for additional renewal periods of twenty-four (24) months each, not to exceed three (3) automatic renewal periods. Any lease containing provision for the automatic renewal of the lease after the expiration of the initial lease term shall also provide that the state may, upon written notice given to the lessor on or before April 15 of the year in which the initial or any automatic renewal term expires, elect not to exercise its option for the automatic renewal of the lease term. Subject to the agreement of the lessor, a lease in which the final automatic renewal period has expired, or will expire as of the end of the then current term, may be renewed upon the same terms and conditions, provisions of KRS 56.803 to the contrary notwithstanding.
- (2) The Department for Facilities Management shall comply with the provisions of this subsection when calculating rentable area for the purposes of a lease.
  - (a) If the Commonwealth is the only tenant on a single floor of a multistory building, the rentable area shall be the entire area described by measuring to the inside finished surface of the dominant portion of the permanent outer building walls, excluding any major vertical penetrations of the floor which shall include, but not be limited to, stairways, elevator shafts, pipe chases, vertical air ducts, and the enclosing wall of all such excluded areas. Restrooms, corridors, and utility rooms which exclusively serve the floor occupied by the Commonwealth shall be included as part of the rentable area.
  - (b) If the Commonwealth is the only tenant in a one (1) story or multistory building, rentable area shall be calculated pursuant to the provisions of paragraph (a) of this subsection except that those areas excluded pursuant to paragraph (a) shall be included as part of the rentable area.
  - (c) If the Commonwealth shares a floor with one (1) or more other tenants, the rentable area shall be calculated by measuring from the inside finished surface of the dominant portion of the permanent outer building walls to the office side of every corridor wall or other wall separating the Commonwealth's leased space from other adjacent rentable areas which shall include, but not be limited to, space under the control of another tenant, public corridors, restrooms, all common service and utility areas, stairways, elevator shafts, vertical pipe chases, and air ducts.
  - (d) The Commonwealth's rentable area determined pursuant to paragraphs (a), (b), and (c) of this subsection shall include columns and projections necessary to the building.
- (3) The Finance and Administration Cabinet may include in a lease an option to purchase the leased property or a lease-purchase of the leased property.
- (4) If the Finance and Administration Cabinet exercises an option to purchase leased property, the option price shall not exceed the fair market value of the leased property as of the time the lessor and the Commonwealth enter into the option. Two (2) competent and qualified real estate appraisers shall each determine the fair market value. Each real estate appraiser shall be selected by the Finance and Administration Cabinet and shall employ an accepted appraisal technique.
- (5)
  - (a) Except as provided in paragraph (b) of this subsection, if the Finance and Administration Cabinet includes in a lease the lease-purchase of the leased property, two (2) competent and qualified real estate appraisers shall each determine the fair market value of the leased property as of the time the lessor and the Commonwealth enter into the lease. Each appraiser shall be selected by the Finance and Administration Cabinet and shall employ an accepted appraisal technique. The lease shall provide for an initial lease term ending June 30 of the second year of the then current fiscal biennium of the Commonwealth, with the option of the Commonwealth, as lessee, to extend the term of the lease for a term of two (2) years from the expiration of each extended term of the lease, until the original term of the lease has been extended for a total number of years agreed upon by the parties. The agreed rental paid for the original term and for each of the full number of years for which the term of the lease may be extended shall amortize the fair market value of the leased property as of the time the lessor and the Commonwealth entered into the lease. The lease shall provide that the Commonwealth may, at the expiration of the original or any extended term, purchase the leased property at a stated price, which

shall be the balance of the fair market value of the leased property as of the time the lease was entered into which has not been amortized by the payments of rent previously made by the Commonwealth.

- (b) If the Finance and Administration Cabinet includes lease-purchase of the leased property in a lease with the federal government, the terms of the lease-purchase shall be determined through negotiations between the Commonwealth and the federal government.
- (6) Except when a lease incorporates a lease-purchase pursuant to subsection (5) of this section, the Commonwealth shall reserve the right to cancel a lease upon written notice within thirty (30) ~~days, which ever is specified in the lease agreement~~, ~~sixty (60), or ninety (90)~~ days.

## **CHAPTER 101**

**(HB 477)**

AN ACT relating to the provision of telecommunication services by municipalities and municipal utilities.

WHEREAS, the legislature finds and determines that:

(1) The United States Congress has passed sweeping legislation, known as the Telecommunications Act of 1996, that has opened the local exchange telecommunications market to competition;

(2) The Act requires, among other things, that incumbent local exchange carriers negotiate interconnection agreements with new competitive carriers covering the resale of retail services, the purchase of network facilities, and the interconnection of facilities;

(3) States have authority under the Act to arbitrate and approve interconnection agreements between carriers and to create a universal service fund supported by all competing carriers to advance and support universal service;

(4) The Kentucky Public Service Commission is the administrative agency created by the legislature to regulate telecommunications services in Kentucky;

(5) Municipalities and municipal utilities have begun to enter into the field of providing telecommunications services to the public for compensation;

(6) The provision of services by municipalities and municipal utilities creates a new participant into the increasingly competitive but regulated industry;

(7) Any competitive entry into the telecommunications market by municipalities or municipal utilities, which may create benefits for the citizens of the Commonwealth, correspondingly creates risks for existing providers of telecommunications services; and

(8) A statutory framework for the regulation of entry into the telecommunications market and provision of telecommunications services by municipalities and municipal utilities is in the best interest of the citizens of the Commonwealth;

NOW THEREFORE,

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

SECTION 1. A NEW SECTION OF KRS CHAPTER 96 IS CREATED TO READ AS FOLLOWS:

Any city that owns, operates or controls, either directly or indirectly, a municipal utility that provides telecommunications services as defined in subsection (3)(e) of Section 5 of this Act shall, as to telephone service solely, be subject to the provisions of KRS Chapter 278 in the same manner as other nonmunicipal providers of telephone services.***

Section 2. KRS 96.170 is amended to read as follows:

(2) In all cases where the person furnishing the services is operating under a charter or franchise granted by the General Assembly prior to the adoption of the present Constitution of Kentucky the city legislative body may make and enforce rules and regulations for the furnishing and sale of such services, fix and regulate the quality, character and standards of such services, and fix and regulate the rates charged consumers for such services.

He shall see that every mine liberating explosive gas is kept free of standing gas in all working places and roadways, and that all accumulations of explosive or noxious gases in the worked-out or abandoned portions of any mine are removed as soon as possible after discovery. He shall ensure that all preshift examinations are conducted by a certified person and that examinations of conveyor belts have been conducted. He shall not allow any person who may be endangered by the presence of explosive or noxious gases to enter that portion of the mine until the gases have been removed. He shall direct and see that all dangerous places and the entrances to worked-out and abandoned places in all mines are properly barricaded across the openings, so that no person will enter, and that danger **signs**~~[signals]~~ are posted upon the barricade to warn persons of existing danger. He shall give prompt attention to the removal of all dangers reported to him by his assistants, the fire boss or any person working in the mine, and if it is impracticable to remove the danger at once he shall notify every person whose safety is menaced

The report shall clearly state any danger that comes under his observation during the day or is reported to him by his assistants or by the fire bosses, and shall state what action was taken to correct such danger, whether or not there is a proper supply of material on hand for the safe working of the mine, and whether or not the mining laws are being complied with. The mine foreman shall each day read carefully, and countersign with ink ~~or indelible pencil~~, all reports entered in the record book of the fire bosses.

Before the rules are put into effect they shall be approved in writing by the commissioner. The rules, when adopted and approved in writing by the commissioner, shall be printed on cardboard in the language spoken by seventy-five percent (75%) or more of the employees at the mine, and shall be posted on a bulletin board or some other conspicuous place about the mine where they may be seen by the employees at the mine. Before the rules are so adopted, approved and posted, the representative of the employees at the mine shall be given a copy thereof, and be deemed to have agreed thereto, before the employees are required to obey the rules.
- (2) The mine rules shall be printed in a form prescribed by the commissioner.
- (3) The licensee shall furnish each employee a copy of the mine rules, and each employee shall sign a statement indicating his receipt of a copy of the rules and his agreement to comply with them.
- (4) The mine rules shall be included in the subjects taught during annual retraining of the mine's employees.
- ~~{(5) On or after April 9, 1996, if new mine rules require special safety equipment or protective clothing to be used or worn by the employees, the licensee shall provide the equipment or clothing to the miners at no cost to them.}~~

Section 27. KRS 352.410 is amended to read as follows:

- (1) Each superintendent shall, on behalf and at the expense of the operator, keep on hand at or within convenient distance of the mine, not to exceed 500 feet, a sufficient quantity of all materials and supplies required to preserve the safety of employees, as ordered by the mine foreman and required by law. If the superintendent cannot procure the necessary materials or supplies, he shall at once notify the mine foreman, who shall withdraw the men from the mine until the materials or supplies are received.
- (2) The superintendent shall, at least once each week, read and examine carefully and countersign all reports entered in the mine record book of the mine foreman.
- (3) The operator or superintendent shall cooperate with the mine foreman and other officials in the fulfillment of their duties under KRS *Chapter*~~Chapters~~ 351 and *this chapter*~~{352}~~, and shall direct that the mine foreman and all other employees under him comply with the law, especially when his attention is called by the mine inspector or by the commissioner to any violations of the laws.

Section 28. KRS 352.430 is amended to read as follows:

- (1) The operator or superintendent of every mine shall furnish the mine inspector proper facilities for entering the mine and making examinations or obtaining information.
- (2) If any inspector discovers that any mine does not conform to the provisions of KRS ~~Chapter~~**Chapter** 351 and this chapter in respect to the safety of employees, or that by reason of any defect or practice not specifically covered by these chapters in or about the mine, the lives or health of persons employed therein are endangered, he shall immediately issue an emergency order to the licensee or superintendent. If he deems it necessary for the immediate protection from imminent danger of bodily harm of the persons employed in the mine, he shall withdraw the men who may be endangered. If the entire mine is affected by the dangerous condition, all men shall be withdrawn and production shall be halted until all defects causing the imminently dangerous condition are corrected. If an imminent danger affects only a portion of the mine, the persons whose safety may be menaced thereby shall be withdrawn from the affected part of the mine and production halted in that area until the dangerous condition is corrected. However, where production is necessary to correct the unsafe condition, it shall be permitted to that extent, using only the necessary personnel. Production at the affected area of a mine from which men are withdrawn pursuant to this section may be resumed upon reinspection by a mine inspector and a finding by that inspector that the mine is no longer imminently unsafe.

A JOINT RESOLUTION directing the Public Protection and Regulation Cabinet and the Natural Resources and Environmental Protection Cabinet to enter into a memorandum of understanding regarding the underground petroleum storage tank program and declaring an emergency.

WHEREAS, the Commonwealth has determined that the environmental risks from leaking underground petroleum storage tanks must be addressed by regulating the installation, operation, and closure of the tanks, corrective action for leaks from the tanks, and by providing a financial mechanism to help pay for correction action for those leaks; and

WHEREAS, the Public Protection and Regulation Cabinet, through its Office of Petroleum Storage Tank Environmental Assurance Fund, has the responsibility of administering the fund which is used to help pay for tank corrective action and the Natural Resources and Environmental Protection Cabinet has the responsibility to regulate the operation and closure of underground petroleum storage tanks, and corrective action for leaks from those tanks; and

WHEREAS, a failure of the two agencies to work more closely in making decisions on how site clean-ups should be conducted has led to persistent concerns about cost overruns, inappropriate expenses, and fraudulent claims; and

WHEREAS, better communication and coordination between the two agencies would help achieve the state purpose of managing the risks to human health, safety, and the environment arising from the use of underground petroleum storage tanks, while preserving the financial soundness of the fund, and allowing the fund to be used cost effectively to clean up more sites;

NOW, THEREFORE,

*Be it resolved by the General Assembly of the Commonwealth of Kentucky:*

Section 1. The Public Protection and Regulation Cabinet and the Natural Resources and Environmental Protection Cabinet shall immediately negotiate and enter into a memorandum of understanding (MOU) for the following purposes:

## **CHAPTER 115**

**(HB 203)**

AN ACT relating to agricultural districts.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

Section 1. KRS 262.850 is amended to read as follows:

- (1) This section shall be known as "the Agricultural District and Conservation Act."
- (2) It is the policy of the state to conserve, protect and to encourage development and improvement of its agricultural lands for the production of food and other agricultural products. It is also the policy of this state to conserve and protect the agricultural land base as a valuable natural resource which is both fragile and finite. The pressure imposed by urban expansion, transportation systems, water impoundments, surface mining of mineral resources, utility rights-of-way and industrial development has continually reduced the land resource base necessary to sufficiently produce food and fiber for our future needs. It is the purpose of this section to provide a means by which agricultural land may be protected and enhanced as a viable segment of the state's economy and as an important resource.

- (3) The local governing administrative body for an agricultural district shall be the conservation district board of supervisors. The Soil and Water Conservation Commission shall be responsible for statewide administration of the agricultural district program and shall have sole authority to certify or deny agricultural district petitions. The commission may apply for assistance and funds from the Federal Farmland Protection Act of 1981 (PL 97-377) which may be available for the development of the agricultural district program and may accept easements as provided in KRS 65.410 to 65.480.
- (4) Any owner or owners of land may submit a petition to the local conservation district board of supervisors requesting the creation of an agricultural district within the county. The petition shall include a description of the proposed area, description of each land parcel, location of the proposed boundaries, petitioners' names and addresses, adjacent landowners' names and addresses, and other pertinent information as required in the petition application. The boundary of an agricultural district shall be contiguous. No land shall be included in an agricultural district without the consent of the owner.
- (5) Upon receipt of a petition, the local conservation district board of supervisors shall notify the fiscal court and any local or regional planning or zoning body, if any, by sending a copy of the petition and accompanying materials to that body.
- (6) The following factors shall be considered by the local conservation district board of supervisors and the Soil and Water Conservation Commission when considering the formation of any agricultural district:
  - (a) The capability of the land to support agricultural production, as indicated by: soil, climate, topography or other natural factors;
  - (b) The viability of active farmlands, as indicated by: markets for farm products, extent and nature of farm improvements, present status of farming, anticipated trends in agricultural economic conditions and technology;
  - (c) That the proposed agricultural district meets the minimum size limit of two hundred fifty (250) contiguous acres, unless the local conservation district board and the Soil and Water Conservation Commission allow fewer than two hundred fifty (250) contiguous acres if the proposed area meets a minimum annual production performance established by the district board and approved by the commission;
  - (d) County development patterns and needs and the location of the district in relation to any urban development boundaries within the county;
  - (e) Any matter which may be relevant to evaluate the petition; and
  - (f) Whether an application is from more than one (1) farm owner, in which case a preference shall be given to the application.
- (7) The local soil and water conservation district board of supervisors shall review the petition application and submit a recommendation to the Soil and Water Commission within sixty (60) days of receipt. The local conservation district recommendation shall be submitted to the commission in the form of approval, approval with modifications, or denial of the petition accompanied by justification for such a denial.
- (8) The Soil and Water Conservation Commission shall review the recommendation of the district board of supervisors and certify or deny the agricultural district's petition within sixty (60) days of receipt.
- (9) Upon the approval of a petition by the Soil and Water Conservation Commission, the commission shall notify the area development district in which the agricultural district will lie, the local county clerk, and the secretary of the Governor's Cabinet.
- (10) Land within the boundary of an agricultural district shall not be annexed.
- (11) ***The owners of land within the boundary of an agricultural district shall be exempt under Section 2 of this Act from any assessment authorized for the extension of water service lines until the land is removed from the district and developed for nonagricultural use.*** Any member, or any successor heir of the member, of an agricultural district may withdraw from the district upon notifying the local conservation district board of supervisors in writing.
- (12) It shall be the policy of all state agencies to support the formation of agricultural districts as a means of preserving Kentucky's farmlands and to mitigate the impact of their present and future plans and programs upon the continued agricultural use of land within an agricultural district.

- (13) Agricultural districts shall be comprised only of agricultural land as defined in KRS 132.010.
- (14) An agricultural district shall be established for five (5) years with a review to be made by the local soil and water conservation district board of supervisors at the end of the five-year period and every five (5) years thereafter. - (b) The board shall also notify the local property valuation administrator whenever a farm is released or withdrawn from an agricultural district.

The assessment shall become payable when the land is removed, in part or in its entirety, from the agricultural district and developed for nonagricultural use. If only part of the land is removed from the agricultural district, the deferred assessment shall be prorated and paid only on the portion of the land removed. The land remaining in the district shall continue to benefit from the deferred assessment.*
- (2) *The owner of land for which the assessment of costs for a water line extension has been deferred shall pay for any connection to provide water service from the water line extension to the land benefited by the deferred assessment.*

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

Section 1. KRS 262.720 is amended to read as follows:

- (1) Within thirty (30) days after such petition has been filed with the board of supervisors, it shall cause due notice to be given as provided in KRS 262.010(4) of the hearing upon the practicability and feasibility of creating such subdistrict. All interested parties shall have the right to attend such hearing and be heard. If it shall appear at the hearing that other lands should be included or that lands included in the petition should be excluded, the board of supervisors may permit such inclusion or exclusion, provided the land area involved still meets the requirements of KRS 262.705.
- (2) If it appears upon the hearing that it may be desirable to include within the proposed district, territory outside of the area within which due notice of the hearing has been given, the hearing shall be adjourned and due notice of a further hearing shall be given throughout the entire area considered for inclusion in the district and a further hearing shall be held. After final hearing, if the board of supervisors determines, upon the facts presented at the hearing and upon other available information, that there is need, in the interest of the public health, safety and welfare for such a district to function in the territory considered, it shall make and record the determination and shall define, by metes and bounds, or by recognizable terrain features and description, the boundaries of the watershed district.
- (3) If the board determines after the hearing that it is not feasible for such district to function in the territory considered, it shall make and record the determination and shall deny the petition.
- (4) ***If the board determines that there is a need for a conservancy district, the board of supervisors shall establish a proposed maximum budget for the maintenance of the proposed conservancy district, to be funded either by millage or flat rate sufficient to meet the budget.***

Section 2. KRS 262.725 is amended to read as follows:

After the board of supervisors has made and recorded a determination that there is need, in the interest of the public health, safety and welfare, for creation of the proposed watershed conservancy district, it shall consider the question whether the operation of a district within the proposed boundaries with the powers conferred upon such districts in KRS 262.745 is administratively practicable and feasible. To assist the board of supervisors in this determination, the board shall, within a reasonable time after entry of the finding that there is need for the organization of the district and the determination of the boundaries of the district, hold a referendum within the ~~conservation~~<sup>proposed</sup> district upon the proposition of the creation of the district ***to identify boundaries and give notification of funding options***. Due notice of the referendum shall be given as provided in KRS 262.010 (4). Such notice shall state the date of holding the referendum, the hours of opening and closing the polls, and shall designate one or more places within the proposed district as polling places. Section 3. KRS 262.760 is amended to read as follows:

The board of directors of each watershed conservancy district shall select to make the audit certified public accountants who have no personal interest in the financial affairs of the board of directors or in any of its officers or employees.
- (2) Immediately upon completion of each audit, the accountant shall prepare a report of his findings and recommendations. This report shall be to the board of directors and in such number of copies as specified by the board of directors. Immediately following receipt of the audit report, the board of directors shall cause a summary of the report or the text of the report to be advertised for the district by publication in a newspaper of general circulation in the area encompassed by the watershed conservancy district. The actual expense of any audit authorized under this section shall be borne by the watershed conservancy district.

- (2) When the property tax rolls are delivered to the county clerk by the property valuation administrator, as required by law, the county clerk shall compute the tax due the district from each landowner in accordance with the rate fixed by the board of directors and the value *or acreage* of the real property indicated on the tax roll. The computation shall be made on the regular tax bills in such manner as may be directed by regulation of the Revenue Cabinet.

- (4) *If fire protection service is being provided by a fire protection district in any city that is reclassified as a city of the second class, the reclassification shall in no way affect the operations of the fire protection district and the services it provides. If at any time after a city is reclassified as a city of the second class, the fire protection district ceases to exist or fails to adequately provide for the fire protection needs of the city, the city shall have the right to create its own fire department or secure some other means for the provision of adequate fire protection services.*

The election officers shall string all used ballots' stubs upon a string provided for that purpose, and the stubs shall be placed in an envelope. The two (2) judges shall return to the county clerk's office the locked ballot box, all ballot stubs, spoiled ballots, and unused ballots at the same time as the tabulation of votes from the voting machine is delivered. The county clerk shall issue a receipt for the number of ballot stubs, unused ballots, spoiled ballots and the ballot box. The county board of elections, or its designee, shall count and tally the paper ballots manually or with the use of tabulating equipment which does not involve an additional voting system. A JOINT RESOLUTION directing the Transportation Cabinet to name KY 118 from US 421 to the Daniel Boone Parkway (the Hyden Spur) in Leslie County in honor of Tim Couch.

The memories of brisk autumn afternoons of the not too distant past are made sweeter because of this native son of Eastern Kentucky, who came out of the mountains of Appalachia to place the University of Kentucky among the pantheon of the nation's college gridiron elite, who has gone after too short a time to measure himself against the finest athletes in the world, and who, all the while, has represented his family, hometown, university, and state with aplomb and class: Tim Couch.

WHEREAS, the Commonwealth was deeply blessed when on July 31, 1977, Elbert and Janice Couch became the proud parents of a son, Timothy Scott Couch; and

WHEREAS, Tim Couch's athletic talent first garnered notice at Leslie County High School, where he was an All-State performer in both football and basketball; and

WHEREAS, Tim Couch was perhaps the finest high school football player ever produced in Kentucky, holding state and national high school career records with 872 pass completions, 12,104 passing yards, and 133 touchdown passes, and leading the Leslie County High School Eagles to a four year record of 38-13 and two trips to the Class AAA state semifinals; and

WHEREAS, Tim Couch, in his senior year of 1995, was named Kentucky's "Mr. Football", the Gatorade Circle of Champions "Kentucky Player of the Year", the USA Today "National Offensive Player of the Year", and was generally considered the best high school football player in the nation; and

WHEREAS, Tim Couch, after an intense recruiting battle that involved every major power in college football, decided to stay at home and help revive the flagging gridiron fortunes of the University of Kentucky Wildcats; and

WHEREAS, Tim Couch showed flashes of brilliance in his freshman season that were a foreshadowing of the two very special seasons to come; and

WHEREAS, Tim Couch, armed with the sophisticated "Air Raid" attack of new head coach Hal Mumme, set the college football world on fire during the 1997 season, engineering a monumental upset of Southeastern Conference power Alabama, marking the first time the Wildcats had beaten the Crimson Tide in 75 years; and

WHEREAS, because of his exploits during the 1997 season, Tim Couch was named honorable mention All-American by the Football News, second team All-SEC, and was a finalist for the Davey O'Brien Award, given to the nation's top quarterback; and

WHEREAS, Tim Couch continued his "Air Raid" on opponents in 1998, throwing for at least 300 yards in every game and leading the Wildcats to a 7-5 record and a trip to Kentucky's first New Year's Day bowl game in almost 50 years; and

WHEREAS, Tim Couch's achievements during the 1998 season earned him All-American honors from several sources, unanimous first team All-SEC honors, and a fourth-place finish in the 1998 Heisman Memorial Trophy balloting; and

WHEREAS, at the conclusion of his collegiate career, Tim Couch had practically rewritten the Kentucky and Southeastern Conference record books, holding almost every major single game, season, and career passing record; and

WHEREAS, Tim Couch, feeling that he must continue to test himself against the best, decided to forego his final year of eligibility at Kentucky and was subsequently selected by the expansion Cleveland Browns with the first overall selection of the 1999 NFL Draft; and

WHEREAS, Tim Couch has continued his pattern of preternatural athletic success in the professional ranks, being named Cleveland's starting quarterback in just his second professional game and being named the NFL's "Offensive Player of the Month" for October 1999, justifying Cleveland's decision to hitch its wagon to Tim Couch's star; and

WHEREAS, Tim Couch was voted Kentucky's "Sportsman of the Year" in a Lexington Herald-Leader statewide poll of sportswriters and broadcasters in both 1995 and 1997; and

WHEREAS, both the Lexington Herald-Leader and Sports Illustrated magazine named Tim Couch one of the fifty most significant Kentucky sports figures of the 20th century; and

WHEREAS, in addition to Tim Couch's athletic exploits, he has shown a willingness to assist in charitable and civic organizations; and has given his time to such causes as the DARE program and the Children's Miracle Network; and

WHEREAS, Tim Couch has brought honor and glory to himself, his family, his university, his state, and his hometown through his athletic feats and his service to the community;

NOW, THEREFORE,

*Be it resolved by the General Assembly of the Commonwealth of Kentucky:*

Section 1. That the Transportation Cabinet is directed to name KY 118 from US 421 to the Daniel Boone Parkway in Leslie County (the Hyden Spur) the "Tim Couch Pass".

Section 2. That the Transportation Cabinet shall immediately begin preparing the appropriate highway signs naming the "Tim Couch Pass" to facilitate their erection upon the effective date of this Resolution.

## **CHAPTER 135**

**(HB 377)**

AN ACT relating to branching and acquisition of banks in Kentucky.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

Section 1. KRS 287.180 is amended to read as follows:

- (1) Banks authorized under the laws of this state may, except as provided in subsections (2) or (3) of this section, exercise, only at their principal office, powers necessary to carry on the business of banking by discounting and negotiating notes, drafts, bills of exchange and other evidences of debt, and by purchasing bonds, receiving deposits and allowing interest on these items, buying and selling exchange, coin, and bullion, and lending money on personal or real security.
- (2) Any corporation presently or after July 13, 1990, engaged in the business of banking, and meeting the requirements of this subsection, may apply to the commissioner for permission to establish, within any *state, the District of Columbia, or a territory of the United States* ~~county in which its principal office or an existing branch is located~~, a branch at which all of the powers conferred in subsection (1) of this section may be exercised. Before the commissioner shall approve or disapprove any application made under this subsection he shall ascertain and determine that the public convenience and advantage will be served and promoted and that there is reasonable probability of the successful operation of the branch based upon the financial and managerial impact of the branch on the bank establishing the branch. The following conditions shall apply to applications for branches:
  - (a) The permission to open a branch shall lapse one (1) year after the commissioner has rendered a final order as defined in KRS 13B.010, unless it shall have been opened and business actually begun in good faith. If, for reasons beyond the control of the applicant, the branch is not opened within this time period, permission to open the branch may, with the approval of the commissioner, be extended for any period of time he deems to be necessary; and
  - (b) An application to establish a branch office shall be approved or disapproved by the commissioner based upon the facts existing at the date of filing of the application, except for the financial condition of the bank proposing to establish a branch office, which condition shall be subject to review until an order ruling on the application is made.
- (3) Any corporation which on January 1, 1966, was engaged in operating an agency or branch bank may continue to retain and operate the agency or branch bank under the general banking laws, and the requirements set forth in this section in respect to capital shall not apply to any existing agency or branch bank but only as to those agencies or branch banks which may be established in the future pursuant to the terms of this section.
- (4) The provisions of this section shall not be construed to prohibit the merger of banks in the same county and the operation by the merged corporation of the banks, nor to prohibit the sale of any bank to, and the purchase by, any other bank in the same county and the operation of the bank by the purchasing bank as a branch, provided

the commissioner shall determine that the public convenience and necessity will be served by the operation~~;~~ and ~~provided further that, at the time of the merger or purchase, each of the banks involved shall have been in operation for a period of five (5) years or more.~~ The bank which does not survive the merger shall surrender its charter.

- (5) Any national banking association or any state bank member of the Federal Reserve system whose principal office is located in this state may do all things and perform all acts which state banks are permitted to do or perform under this section, subject to the conditions and restrictions provided for banks as to exercise of these powers.
- (6) When a branch or agency bank has once been established any operation of the branch or agency bank shall not be discontinued, and the branch or agency bank shall not be closed until after ninety (90) days' notice in writing to the commissioner. In the discretion of the commissioner the branch or agency bank proposing to discontinue operation may be required to give notice of the date when its operation will cease.

Section 2. KRS 287.172 is amended to read as follows:

- (1) A national banking association may convert into or merge with a state bank under a state charter, provided that~~;~~
  - (a) ~~—~~ the action taken complies with federal law~~;~~
  - (b) ~~— In the case of a merger, the institutions to be merged are located in the same city or county.~~
- (2) In the case of each conversion, a written plan of conversion shall be submitted, in duplicate, to the commissioner. Such plan shall be in form satisfactory to the commissioner, shall prescribe the terms and conditions of the conversion and the mode of carrying it into effect, and shall have annexed thereto and forming a part thereof the proposed articles of incorporation of the state bank which is to result from the conversion. Such articles of incorporation shall be in the form prescribed by law for the organization of state banks, with such variations, if any, as shall be satisfactory to the commissioner. With such plan of conversion there shall be submitted, in duplicate, to the commissioner a certificate of the president, secretary or cashier of the national banking association certifying that all steps have been taken which are necessary under federal law to the consummation of the conversion. The commissioner shall approve or disapprove such plan of conversion within sixty (60) days of the submission thereof to him. In considering the approval or disapproval of the conversion plan the commissioner shall take into account:
  - (a) Any pending administrative or judicial action to which the bank or any officer or director of the bank is a party;
  - (b) The performance of the converting national bank for the five (5) years preceding the application for conversion as compared to similarly situated state-chartered banks; and
  - (c) The proposed name of the bank after conversion which shall not be the same as or deceptively similar to any existing state-chartered bank.

If the commissioner shall approve such plan, he shall file one (1) duplicate thereof, together with one (1) duplicate of such certificate submitted therewith and the original of the approval of the commissioner, in the office of the commissioner, and the other duplicate of such plan, together with a duplicate of such certificate and a duplicate of the commissioner's approval, shall be filed in the office of the clerk of the county in which the principal office of the state bank is to be located. After such filing in the office of the commission, the conversion shall become effective upon the filing and recording of the articles of incorporation as provided in KRS 287.050, unless a later date is specified in the plan, in which event the conversion shall become effective upon such later date. If the commissioner shall disapprove the conversion plan, he shall state his reasons for such disapproval in writing to which the converting national bank shall have the right of appeal as permitted by law.

- (3) In the case of each merger, a written plan of merger shall be submitted, in duplicate, to the commissioner. Such plan shall be in form satisfactory to the commissioner and shall prescribe the terms and conditions of the merger and the mode of carrying it into effect. Such plan may provide the name to be borne by the state bank, as receiving corporation, if such name is to be changed. Such plan may also name the persons who shall constitute the first board of directors of the state bank after the merger shall have been accomplished, provided that the number and qualifications of such person shall be in accordance with the provisions of KRS Chapter 287 relating to the number and qualifications of directors of a state bank; or such plan may provide for a meeting of the stockholders to elect a board of directors within sixty (60) days after such merger, and may

make provision for conducting the affairs of the state bank meanwhile. With such plan of merger there shall be submitted, in duplicate, to the commissioner the following:

- (a) By the national banking association, a certificate of the president, secretary or cashier of such association certifying that all steps have been taken which are necessary under federal law to the consummation of their merger;
  - (b) By the state bank, a certificate of the president, secretary or cashier certifying that such plan of merger has been approved by the board of directors of the state bank by a majority vote of all the members thereof, that such plan has been submitted to the stockholders of the state bank at a meeting thereof held; upon notice of at least fifteen (15) days, specifying the time, and place and object of such meeting and addressed to each stockholder at the address appearing upon the books of the state bank and published pursuant to KRS Chapter 424, and that such plan of merger has been approved at such meeting by the vote of the stockholders owning at least two-thirds (2/3) in amount of the stock of the state bank.
- (4) The commissioner shall approve or disapprove such plan of merger within sixty (60) days of such submission thereof to him. If the commissioner shall approve such plan, he shall file one (1) duplicate thereof, together with one (1) duplicate of each of such certificates and the original of the approval of the commissioner, in the office of the commissioner, and the other duplicate of such plan, together with a duplicate of each of such certificates and a duplicate of the commissioner's approval, shall be filed in the office of the clerk of the county in which the principal office of the state bank is to be located. Upon such filing in the office of the commissioner, the merger shall become effective, unless a later date is specified in the plan, in which event the merger shall become effective upon such later date.
- (5) At the time when such conversion or merger becomes effective:
- (a) The resulting state bank shall be considered the same business and corporate entity as the national banking association, although as to rights, powers and duties, the resulting bank is a state bank;
  - (b) All of the property, rights and powers and franchises of the national banking association shall vest in the resulting state bank and the resulting state bank shall be subject to and deemed to have assumed all of the debts, liabilities, obligations and duties of the national banking association and to have succeeded to all of its relationships, fiduciary or otherwise, as fully and to the same extent as if such property, rights, powers, franchises, debts, liabilities, obligations, duties and relationships had been originally acquired, incurred or entered into by the resulting state bank; provided, however, that the resulting state bank shall not, through such conversion or merger, acquire power to engage in any business or to exercise any right, privilege or franchise which is not conferred by the provisions of KRS Chapter 287 upon such resulting state bank;
  - (c) Any reference to the national banking association in any contract, will or document, whether executed or taking effect before or after the conversion or merger, shall be considered a reference to the resulting state bank if not inconsistent with the other provisions of the contract, will or document;
  - (d) A pending action or other judicial proceeding to which the national banking association is a party, shall not be deemed to have abated or to have discontinued by reason of the conversion or merger, but may be prosecuted to final judgment, order or decree in the same manner as if the conversion or merger had not been made; or the resulting state bank may be substituted as a party to such action or proceeding, and any judgment, order or decree may be rendered for or against it that might have been rendered for or against the national banking association if the conversion or merger had not occurred.

- (1) The air pollution control board is hereby declared to be the governing body of an air pollution control district, and shall manage and control all the affairs and property of such district, and shall exercise all the powers of such district not otherwise delegated by this chapter. In a county where a city-county compact under KRS 79.310 to 79.330 is in effect, the air pollution control board shall assume all of the duties and responsibilities of the hearing board appointed under KRS 77.105, and the hearing board shall be abolished.
- (2) Notwithstanding any provision of this chapter to the contrary, in a county where a city-county compact under KRS 79.310 to 79.330 is in effect, the air pollution control board shall have regulatory authority for the district, and the city or county, as appropriate, shall exercise funding and administrative control of the district.
- (3) ***If an air pollution control board finds the need for and requires the implementation of a vehicle exhaust testing program, the program shall prohibit emissions of, regulate, or control only mobile sources of air pollutants regulated under the state program established in accordance with KRS 224.20-710 to 224.20-765.***

Section 2. KRS 77.170 is amended to read as follows:

- (1) ***Except for subsection (3) of this section,*** the General Assembly does not, by the provisions of this chapter, intend to occupy the field. ***Except for subsection (3) of this section,*** the provisions of this chapter do not prohibit the enactment or enforcement of any local ordinance stricter than the provisions of KRS 77.150 to 77.180 and stricter than the rules and regulations adopted pursuant to KRS 77.180 to 77.240, which local ordinance prohibits, regulates, or controls air pollution.
- (2) ***Except for subsection (3) of this section,*** the provisions of this chapter do not supersede any such local ordinance. If it should be held that the provisions of this chapter supersede the provisions of any local ordinance, such suspension shall not bar the prosecution or punishment of any violation of such ordinance which violation was committed when such ordinance, was in full force and effect.
- (3) ***Local ordinances prohibiting, regulating, or controlling emissions from mobile sources of air pollutants shall prohibit emissions of, regulate, or control only mobile sources of air pollutants regulated under the state program established in accordance with KRS 224.20-710 to 224.20-765.***

Section 3. KRS 224.20-130 is amended to read as follows:

- (1) Each county which pursuant to the provisions of KRS Chapter 77 has established or will establish a local air pollution control program, shall submit a synopsis of said program together with such standards and procedures as are enacted by regulations to the cabinet for approval within a period of ninety (90) days from the enactment hereof, or a period of ninety (90) days of the establishment of said local program.

- (2) If, after review by the cabinet, and a public hearing held in the county activating a district, the cabinet determines that the air pollution control district has adopted standards and procedures and has the necessary staff to implement the program in a manner consistent with the objectives of this chapter, concurrent jurisdiction may be granted the air pollution control district for the administration and enforcement of the aforesaid statutes. ***Except for the limit on authority established by subsection (1) of Section 3 of this Act***, the air pollution control district shall adopt no regulation or standard less stringent than a regulation or standard adopted by the cabinet, and shall submit prepared regulations and standards to the cabinet for prior concurrence. Periodic reports shall be made to the cabinet and to the commission as shall be provided for by regulation. If the cabinet shall determine, after hearing with notice, that a district program is not being administered in accordance with the statutes and regulations of the cabinet or the district, the grant of authority may be suspended, revoked, or modified by order of the cabinet. ***The enactment or enforcement of a regulation by an air pollution control district that finds the need for and requires the implementation of a vehicle exhaust testing program, if the program is not limited to prohibiting the emissions of, regulating, or controlling only mobile sources of air pollutants regulated under the state program established in accordance with KRS 224.20-710 to 224.20-765, shall cause an automatic revocation of an existing grant of authority or an automatic denial of a requested grant of authority.***
- (3) This provision shall in no way diminish the authority of the cabinet to administer and enforce the provisions of this chapter.
- (4) The cabinet shall be empowered to enforce any and all regulations or standards in any district when concurrent jurisdiction is granted.
- (5) When enforcement actions are taken by the district, the local Commonwealth's, county, and city prosecuting attorneys, instead of the Attorney General shall prosecute such actions.

AN ACT relating to sick leave for public school teachers and employees.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

Section 1. KRS 161.155 is amended to read as follows:

- (1) As used in this section:
  - (a) "Teacher" shall mean any person for whom certification is required as a basis of employment in the common schools of the state;
  - (b) "Employee" shall mean any person, other than a teacher, employed in the public schools, whether on a full or part-time basis;
  - (c) "Immediate family" shall mean the teacher's spouse, children including stepchildren, grandchildren, ***daughters-in-law and sons-in-law, brothers and sisters***, parents and spouse's parents, grandparents, and spouse's grandparents, without reference to the location or residence of said relative, and any other blood relative who resides in the teacher's home; and
  - (d) "Sick leave bank" shall mean an aggregation of sick leave days contributed by teachers for use by teachers who have exhausted all sick leave and other available paid leave days.
- (2) Each district board of education shall allow to each teacher in its common school system not less than ten (10) days of sick leave during each school year, without deduction of salary. Sick leave shall be granted to a teacher if he presents a personal affidavit or a certificate of a physician stating that the teacher was ill, that the teacher was absent for the purpose of attending to a member of his immediate family who was ill, or for the purpose of mourning a member of his immediate family. The ten (10) days of sick leave herein granted may be taken by a teacher on any ten (10) days of the school year and shall be granted in addition to accumulated sick leave days that have been credited to the teacher under the provisions of subsection (3) of this section.
- (3) Days of sick leave not taken by a teacher during any school year shall accumulate without limitation and be credited to that teacher. Accumulated sick leave may be taken in any school year. Any district board of

education may, in its discretion, allow teachers in its common school system sick leave in excess of the number of days prescribed in this section and may allow school district employees and teachers to use up to three (3) days' sick leave per school year for emergency leave pursuant to KRS 161.152(3). Any accumulated sick leave days credited to a teacher shall remain so credited in the event he transfers his place of employment from one (1) school district to another within the state or to the Kentucky Department of Education or transfers from the Department of Education to a school district after June 30, 1985.

- (4) Accumulated days of sick leave shall be granted to a teacher if, prior to the opening day of the school year, an affidavit or a certificate of a physician is presented to the district board of education, stating that the teacher is unable to commence his duties on the opening day of the school year, but will be able to assume his duties within a period of time that the board determines to be reasonable.
- (5) Any school employee may repurchase previously used sick leave days with the concurrence of the local school board by paying to the district an amount equal to the total of all costs associated with the used sick leave.
- (6) A district board of education may adopt a plan for a sick leave bank. The plan may include limitations upon the number of days a teacher may annually contribute to the bank and limitations upon the number of days a teacher may annually draw from the bank. Only those teachers who contribute to the bank may draw upon the bank. Days contributed will be deducted from the days available to the contributing teacher. The sick leave bank shall be administered in accordance with a policy adopted by the board of education.
- (7)
  - (a) A district board of education shall establish a sick leave donation program to permit teachers to voluntarily contribute sick leave to teachers in the same school district who are in need of an extended absence from school. A teacher who has accrued more than fifteen (15) days sick leave may request the board of education to transfer a designated amount of sick leave to another teacher who is authorized to receive the sick leave donated. A teacher may not request an amount of sick leave be donated that reduces his or her sick leave balance to less than fifteen (15) days.
  - (b) A teacher may receive donations of sick leave if:
    1. The teacher or a member of his or her immediate family suffers from a medically certified illness, injury, impairment, or physical or mental condition that has caused or is likely to cause the teacher to be absent for at least ten (10) days;
    2. The teacher's need for the absence and use of leave are certified by a licensed physician;
    3. The teacher has exhausted his or her accumulated sick leave, personal leave, and any other leave granted by the school district; and
    4. The teacher has complied with the school district's policies governing the use of sick leave.
  - (c) While an employee is on sick leave provided by this section, he or she shall be considered a school district employee, and his or her salary, wages, and other employee benefits shall not be affected.
  - (d) Any sick leave that remains unused, is not needed by a teacher, and will not be needed in the future shall be returned to the teacher donating the sick leave.
  - (e) The board of education shall adopt policies and procedures necessary to implement the sick leave donation program.
- (8) A teacher may use up to thirty (30) days of sick leave following the birth or adoption of a child or children. Additional days may be used when the need is verified by a physician's statement.
- (9) After July 1, 1982, a district board of education may compensate, at the time of retirement, an employee or a teacher for each unused sick leave day. The rate of compensation for each unused sick leave day shall be based on a percentage of the daily salary rate calculated from the employee's or teacher's last annual salary, not to exceed thirty percent (30%). Payment for unused sick leave days shall be incorporated into the annual salary of the final year of service; provided that the member makes the regular retirement contribution for members on the sick leave payment. The accumulation of these days includes unused sick leave days held by the employee or teacher at the time of implementation of the program.
- (10) Any statute to the contrary notwithstanding, employees and teachers who transferred from the Department of Education to a school district, from a school district to the Department of Education, or from one (1) school district to another school district after July 15, 1981, shall receive credit for any unused sick leave to which the

employee or teacher was entitled on the date of transfer. This credit shall be for the purposes set forth in subsection (9) of this section.

Upon the receipt of any request, the commission promptly shall call a hearing thereon, and, after the hearing and with all convenient speed, and in any event within thirty (30) days after the conclusion of the hearing, shall take appropriate action with regard to the subject matter thereof as it may deem appropriate. If the hearing is adjudicatory in nature, it shall be conducted in accordance with KRS Chapter 13B.
- (9) Agreements made in the interest of conservation of oil or gas, or both, or for the prevention of waste, between and among owners or operators, or both, owning separate holdings in the same field or pool, or in any area that appears from geologic or other data to be underlain by a common accumulation of oil or gas, or both, and agreements between and among these owners or operators, or both, and royalty owners therein, for the purpose of bringing about the development and operation of the field, pool, or area, or any part thereof, as a unit, and for establishing and carrying out a plan for the cooperative development and operation thereof, when the agreements are approved by the commission, are hereby authorized and shall not be held or construed to violate any of the laws of this state relating to trusts, monopolies, or contracts and combinations in restraint of trade.
- (10) Nothing in this section shall be construed as giving to the commission the right or authority to supersede the authority of the department in the administration of KRS 353.060.

Section 3. KRS 353.590 is amended to read as follows:

- (1) Any person seeking a permit required by KRS 353.570 shall submit to the department a written application in a form prescribed by the department.
- (2) Each application shall be accompanied by a specified fee as follows:
  - (a) The fee shall be three hundred dollars (\$300) for each well to be drilled, deepened, or reopened for any purpose relating to the production, repressuring, or storage of oil or gas, and for each water supply well, observation well, and geological or structure test hole.
  - (b) If the department receives delegation of authority for administration of the underground injection control program under Section 1425 of the Safe Drinking Water Act (Public Law 93-523 as amended), the department may, by administrative regulation, establish a fee or schedule of fees in an amount not to exceed fifty dollars (\$50) per well, in addition to the fees imposed by paragraph (a) of this subsection, upon each application to drill, deepen, or reopen a well for any purpose relating to the production,

repressuring, or storage of oil or gas, and for each water supply well, observation well, and geological or structure test hole. The fees or schedule of fees to be established by administrative regulation shall not exceed an amount sufficient to recover the costs incurred by the department in administering the Underground Injection Control Program less any other state or federal funds which are made available for this purpose.

- (c) All money paid to the State Treasurer for fees required by paragraph (b) of this subsection shall be for the sole use of the department in the administration of the Underground Injection Control Program under Section 1425 of the Safe Drinking Water Act (Public Law 93-523 as amended).
- (3) All money paid to the State Treasurer for licenses and fees required by KRS 353.500 to 353.720 shall be for the sole use of the department and shall be in addition to any moneys appropriated by the General Assembly for the use of the department.
- (4) Each application shall be accompanied by a plat, which shows the location and elevation of each well, prepared according to the administrative regulations promulgated under KRS 353.500 to 353.720. The plat shall be certified as accurate and correct by a professional land surveyor *licensed* in accordance with the provisions of KRS Chapter 322.
- (5) When any person submits to the Department of Mines and Minerals an application for a permit to drill a well, or to reopen, deepen, or temporarily abandon any well which is not covered by surety bond, the department shall, except as provided in this section, require from the well operator a bond in the sum of five hundred dollars (\$500) for a well to be drilled to a depth of five hundred (500) feet or less; one thousand dollars (\$1,000) for a well to be drilled to a depth between five hundred and one (501) feet and one thousand (1,000) feet; one thousand five hundred dollars (\$1,500) for a well to be drilled to a depth between one thousand and one (1,001) feet and one thousand five hundred (1,500) feet; two thousand dollars (\$2,000) for a well to be drilled to a depth between one thousand five hundred and one (1,501) feet and two thousand (2,000) feet; two thousand five hundred dollars (\$2,500) for a well to be drilled to a depth between two thousand and one (2,001) feet and two thousand five hundred (2,500) feet; three thousand dollars (\$3,000) for a well to be drilled to a depth between two thousand five hundred and one (2,501) feet and three thousand (3,000) feet; three thousand five hundred dollars (\$3,500) for a well to be drilled to a depth between three thousand and one (3,001) feet and three thousand five hundred (3,500) feet; four thousand dollars (\$4,000) for a well to be drilled to a depth between three thousand five hundred and one (3,501) feet and four thousand (4,000) feet; and five thousand dollars (\$5,000) for a well to be drilled to a depth of more than four thousand (4,000) feet. The bonds shall be made in favor of the Department of Mines and Minerals, conditioned that the wells upon abandonment shall be plugged in accordance with the administrative regulations of the department and that all records required by the department be filed as specified. An operator may petition the department to amend the drilling depth and bond amount applicable to a particular well and shall not proceed to drill to a depth greater than that authorized by the department until the operator is so authorized except pursuant to administrative regulations promulgated by the department. The commission may establish a bond in a sum greater than five thousand dollars (\$5,000) for any well to be drilled to a depth of more than four thousand (4,000) feet if the members of the commission determine that the particular circumstances of the drilling of the well warrant an increase in the bond amount established above. All bonds shall remain in effect until the plugging of the well is approved by the department, or the bond is released by the department. Any well operator in lieu of the bond may file with the department a blanket bond in a sum of ten thousand dollars (\$10,000), covering all wells drilled or to be drilled in the Commonwealth by the principal in the bond, and the acceptance and approval by the department of the blanket bond shall be in full compliance with the above provision requiring an individual well bond. A deposit in cash or a bank-issued irrevocable letter of credit may serve in lieu of either of the individual well or blanket bonds, and a property bond may be executed by an operator who owns all of the surface and mineral rights of a tract proposed for drilling. A certificate of deposit, the principal of which is pledged in lieu of a bond and whose interest is payable to the party making the pledge, may also be accepted by the department. If an operator is required to post individual well bonds exceeding a total of five thousand dollars (\$5,000) or elects to post a blanket bond, the certificate of deposit shall be accepted by the department in lieu of that portion of the amount of the bonds exceeding five thousand dollars (\$5,000). The bond or bonds referred to in this section shall be executed by the well operator as principal and, if a surety bond, by a corporate surety authorized to do business in the Commonwealth. A deposit in cash shall serve in lieu of either of the above bonds; all cash bonds accepted by the department shall be deposited into an interest-bearing account, with the interest thereon payable to the special agency account known as the oil and gas well plugging fund, created in subsection (9) of this section, to be used in accordance with the purposes described therein. All cash bonds being held by the department on July 13, 1990, shall likewise be deposited in the interest-bearing

account, with the proceeds to be used for the purposes established for the oil and gas well plugging fund. The bond amounts shall be applicable only to permits issued upon and after July 13, 1990. All bonds posted for permits issued prior to July 13, 1990, shall remain in full force and effect for the duration of the permits.

- (6) A successor to the well operator shall post bond, *pay a twenty-five dollar (\$25) fee per well to the department*, and notify the department in writing in advance of commencing use or operation of a well or wells. The successor shall assume the obligations of this chapter as to a particular well or wells and relieve the original permittee of responsibility under this chapter with respect to the well or wells. It shall be the responsibility of the selling operator to require the successor operator to post bond before use or operation is commenced by the successor and relief of responsibility under this chapter is granted to the original permittee.
- (7) If the requirements of subsection (5) of this section with respect to proper plugging upon abandonment and submission of all required records on all well or wells have not been complied with within the time limits set by the department, by administrative regulation, or by this chapter, the department shall cause a notice of noncompliance to be served upon the operator by certified mail, addressed to the permanent address shown on the application for a permit. The notice shall specify in what respects the operator has failed to comply with this chapter or the administrative regulations of the department. If the operator has not reached an agreement with the department or has not complied with the requirements set forth by it within forty-five (45) days after mailing of the notice, the bond shall be forfeited to the department.
- (8) A bond forfeited pursuant to the provisions of this chapter may be collected by an attorney for the department or by the Attorney General, after notice from the director.
- (9) All sums received under subsection (5) of this section or through the forfeiture of bonds shall be placed in the State Treasury and credited to a special agency account to be designated as the oil and gas well plugging fund, which shall be an interest-bearing account with the interest thereon payable to the fund. This fund shall be available to the department and shall be expended for the plugging of any abandoned wells coming within the authority of the department pursuant to this chapter. The plugging of any well pursuant to this subsection shall not be construed to relieve the operator or any other person from civil or criminal liability which would exist except for the plugging. Any unencumbered and any unexpended balance of this fund remaining at the end of any fiscal year shall not lapse but shall be carried forward for the purpose of the fund until expended or until appropriated by subsequent legislative action.
- (10) Upon request by any person applying for a permit for a geological or structure test hole, the department shall keep the location and elevation of the hole confidential until the information is allowed to be released by the person obtaining the permit.
- (11) For the purpose of this chapter, "water supply well" shall not include:
  - (a) Any well for a potable water supply for domestic use or for livestock; or
  - (b) Any water well used primarily for cooling purposes in an industrial process.

Section 4. KRS 353.651 is amended to read as follows:

The following provisions of this section shall apply to any deep well:

- (1) Drilling units:
  - (a) The commission shall, after notice and a hearing, to be conducted in accordance with KRS Chapter 13B, regulate the drilling and location of wells in any pool and the production therefrom so as to prevent reasonably avoidable net drainage from each developed unit (that is, drainage which is not equalized by counterdrainage) so that each owner in a pool shall have the right and opportunity to recover his fair and equitable share of the recoverable oil and gas in such pool.
  - (b) For the prevention of waste, to protect and enforce the correlative rights of the owners in a pool, and to avoid the augmenting and accumulation of risks arising from the drilling of an excessive number of wells, the commission shall, after notice and a hearing, to be conducted in accordance with KRS Chapter 13B, establish drilling units for each pool. The spacing of wells in proved oil and gas fields shall be governed by administrative regulations promulgated for that particular field. Wells drilled in areas not covered by special field administrative regulations shall be governed by statewide administrative regulations promulgated by the commission.
  - (c) Each well permitted to be drilled upon any drilling unit shall be drilled in accordance with the administrative regulations promulgated by the commission and in accordance with a spacing pattern

fixed by the commission for the pool in which the well is located, with any exceptions that may be reasonably necessary where it is shown, in accordance with administrative regulations promulgated by the commission, that the unit is partly outside the pool or for some other reason a well otherwise located on the unit would not be likely to produce in paying quantities, or topographical conditions are such as to make the drilling at the location unduly burdensome. Whenever an exception is granted, the commission shall take action as will offset any advantage which the person securing the exception may have over other owners by reason of the drilling of the well as an exception.

- (d) No drilling unit established by the commission shall be smaller than the maximum area which can be drained efficiently by one (1) deep well so as to produce the reasonable maximum recoverable oil or gas in such area, unless an exception is granted in accordance with administrative regulations promulgated by the commission.
- (e) An order establishing drilling units may be modified, altered, extended, amended, or vacated by the commission after notice and hearing as prescribed above.

(2) Pooling of interests in drilling units:

- (a) When two (2) or more separately owned tracts are embraced within a drilling unit, or when there are separately owned interests in all or a part of a drilling unit, the interested persons may pool their tracts or interests for the development and operation of the drilling unit. In the absence of voluntary pooling and upon application of any operator having an interest in the drilling unit, and after the commission has given notice to all persons reasonably known to own an interest in the oil or gas in the drilling unit, and after a hearing conducted in accordance with KRS Chapter 13B, the commission shall enter an order pooling all tracts or interests in the drilling unit for the development and operation thereof and for the sharing production therefrom. Each pooling order shall be upon terms and conditions which are just and reasonable.
- (b) All operations, including, but not limited to, the commencement, drilling, or operation of a deep well, upon any portion of a drilling unit for which a pooling order has been entered, shall be deemed for all purposes the conduct of those operations upon each separately owned tract in the drilling unit by the several owners thereof. That portion of the production allocated to a separately owned tract included in a drilling unit shall, when produced, be deemed for all purposes to have been actually produced from the tract by a deep well drilled thereon.
- (c) Any pooling order under the provisions of subsection (2) of this section shall authorize the drilling and operation of a deep well for the production of oil or gas from the pooled acreage; shall designate the operator to drill and operate such deep well; shall prescribe the time and manner in which all owners of operating interests in the pooled tracts or portions of tracts may elect to participate therein; shall provide that all reasonable costs and expenses of drilling, completing, equipping, operating, plugging, and abandoning the deep well shall be borne, and all production therefrom shared, by all owners of operating interests in proportion to the acreage in the pooled tracts owned or under lease to each owner; and shall make provision for payment of all reasonable costs thereof, including reasonable charge for supervision and for interest on past due accounts, by all those who elect to participate therein. Upon the application of any operator having an interest in the drilling unit, the person or persons selected to drill and operate the deep well shall be determined by competitive bids under the procedure set out in KRS 74.260.
- (d) Upon request, any pooling order shall provide just and equitable alternatives whereby an owner of an operating interest who does not elect to participate in the risk and cost of the drilling of a deep well may elect to surrender his interest or a portion thereof to the participating owners on a reasonable basis and for a reasonable consideration, which, if not agreed upon, shall be determined by the commission; or to participate in the drilling of the deep well on a limited or carried basis on terms and conditions which, if not agreed upon, shall be determined by the commission to be just and reasonable.
- (e) If an operator owning an interest in a pooled drilling unit elects not to participate in the risk and cost of drilling of a deep well thereon, and another operator owning an interest therein, shall drill and operate, or pay the costs of drilling and operating a deep well as provided in the commission's order, then the operating owner shall be entitled to the share of production from the tracts or portions thereof accruing to the interest of the nonparticipating owner, exclusive of any royalty or overriding royalty reserved in any leases, assignments thereof or agreements relating thereto, of the tracts or portions thereof, or exclusive of one-eighth (1/8) of the production attributable to all unleased tracts or portions thereof,

until the market value of the nonparticipating owner's share of the production, exclusive of any royalty, overriding royalty or one-eighth (1/8) of production, equals **two (2)**~~one and one fourth (1 1/4)~~ times the share of the costs payable by or charged to the interest of the nonparticipating owner.

- (f) If a dispute shall arise as to the costs of drilling and operating a deep well, the commission shall determine and apportion the costs, within ninety (90) days from the date of written notification to the commission of the existence of such dispute.
- (3) This section shall not apply to wells drilled, deepened, or reopened for the injection of water, gas, or other fluids into any subsurface formation.

- (5) The provisions of subsections (1) to (4) of this section shall apply to juveniles falling within any category specified in subsections (1) to (4) of this section as well as to adults.

AN ACT relating to property taxes.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

Section 1. KRS 134.500 is amended to read as follows:

- (1) Uncollectible tax claims shall bear interest at twelve percent (12%) per annum from the date the certificate of delinquency is issued. All tax bills on omitted property that were not turned over to the sheriff in time to be collected or to make the sale provided for in KRS 134.430 and 134.440 shall also be submitted to the fiscal court but shall be carried over as a charge against the sheriff at the time he makes his next regular settlement.
- (2) The cabinet shall be responsible for the collection of certificates of delinquency and delinquent personal property tax bills; however, the cabinet shall first offer the collection duties to the county attorney, unless the cabinet determines that the county attorney has previously failed to perform collection duties in a reasonable and acceptable manner. Any county attorney desiring to perform the duties associated with the collection of delinquent tax claims shall enter into a contract with the cabinet on an annual basis. The terms of the contract shall specify the duties to be undertaken by the county attorney. These duties shall include but are not limited to the following actions:
  - (a) Within fifty (50) days after the issuance of a certificate of delinquency to the state, county, and taxing district, the county attorney or the Revenue Cabinet shall cause a notice of the purchase to be mailed by regular mail to the property owner at the address on the records of the property valuation administrator. The notice shall advise the owner that the certificate is a lien of record against all property of the owner, and bears interest at the rate of twelve percent (12%) per annum, and if not paid will be subject to collection by the county attorney as provided by law.
  - (b) The county attorney shall file in the office of the county clerk a list of the names and addresses to which the notice was mailed along with a certificate that the notice was mailed in accordance with the requirements of this section.
  - (c) All notices returned as undeliverable shall be submitted to the property valuation administrator. The property valuation administrator shall attempt to correct inadequate or erroneous addresses and, if property has been transferred, shall determine the new owner and the current mailing address. The property valuation administrator shall return the notices with the corrected information to the county attorney prior to the expiration of the one (1) year tolling period provided in KRS 134.470.
  - (d) Within ninety (90) days after the expiration of the one (1) year tolling period provided in KRS 134.470, the county attorney shall cause a notice of his intention to enforce the lien to be mailed to all owners whose tax bills remain delinquent. No second notice shall be required for addresses previously determined to be undeliverable and for which the property valuation administrator has not provided corrected information.
  - (e) Failure to mail the notices shall not affect the validity of the claim of the state, county, and taxing district. The postal cost of mailing the notices shall be added to the certificate of delinquency and, upon collection, the county attorney shall be reimbursed for the postage. The county attorney shall deliver at the same time a list of the owners whose tax bills remain delinquent to the property valuation administrator. The property valuation administrator shall review this list in accordance with the provisions of KRS 132.220 to establish that the properties on the list can be identified and physically located.
- (3) The county attorney who enters into a contract with the cabinet shall have a period of two (2) years after the expiration of the one (1) year tolling period provided in KRS 134.470 to collect delinquent tax bills or to initiate court action for their collection. At the expiration of the two (2) years the cabinet may assume responsibility for all uncollected bills except those with pending court action.
- (4) The county attorney who enters into a contract with the cabinet and performs his duties in respect to the certificate of delinquency and delinquent personal property tax bills shall be entitled to twenty percent (20%) of the amount due each taxing unit, whether the tax claim is voluntarily paid or is paid through sale or under court order, and the fee shall be paid to him by the county clerk when making distribution, as provided in KRS

134.480. This fee shall be added to the amount of the tax claims and paid by the persons paying the tax claims. They shall not be paid by the taxing districts or deducted from the taxes due the taxing districts. If more than one (1) county attorney renders necessary services in an effort to collect a tax claim, the attorney serving the last notice or rendering the last substantial service preceding collection shall be entitled to the fee. When the county attorney's office, in an effort to collect a certificate of delinquency, or delinquent personal property tax bills files a court action which is litigated by the taxpayer, an additional county's attorney fee equal to thirteen percent (13%) of the total tax plus ten percent (10%) penalty, may be added to the certificate or the bill and shall become part of the tax claim.

- (5) If a county attorney chooses not to contract for these collection duties or if a county attorney fails to perform the duties required by the contract, the cabinet shall assume responsibility for the collection process. In the performance of those duties, the cabinet shall have all the powers, rights, duties, and authority with respect to the collection, refund, and administration of the amount due on the certificate of delinquency conferred generally upon the cabinet by Kentucky Revised Statutes including, but not limited to, KRS Chapters 131, 134, and 135. The twenty percent (20%) fee that would have otherwise been paid to the county attorney shall be paid to the cabinet for deposit in the delinquent tax fund provided for under KRS 134.400.
- (6) Any action on behalf of the state, county, and taxing districts authorized by this section or by KRS 134.470, 134.490, or 134.540 shall be filed on relation of the secretary, and the petition may be sent to the cabinet, which may require revision in instances where it deems revision or amendment necessary. The cabinet shall advise the county attorney in all actions, and may send him special assistance when the secretary deems assistance necessary. A copy of the judgment shall also be sent to the cabinet. If the cabinet sends assistance to a county attorney who contracts to prosecute the suits or proceedings, the county attorney shall be entitled to his full fee. On the same day that suit is filed, the county clerk shall be given notice of its filing. Costs incident to the suit shall become a part of the tax claim.
- (7) The cabinet may make its delinquent tax collection databases and other technical resources, including but not limited to income tax refund offsetting, available to the county attorney upon request from the county attorney. The county attorney seeking assistance shall enter into any agreements required by the cabinet to protect taxpayer confidentiality, to ensure database integrity, or to address other concerns of the cabinet.
- (8) ***The county attorney may, at any time after assuming collection duties, enter into an agreement with the delinquent taxpayer to accept installment payments on the delinquent tax bill. The agreement shall not waive the county attorney's right to initiate court action or other authorized collection activities if the taxpayer does not make payments in accordance with the agreement.***

(4) If no denial order is in effect and no proceeding is pending under subsection (13), registration becomes effective at noon of the thirtieth day after an application is filed, except as otherwise noted in this subsection:

- (a) The commissioner may specify an earlier effective date and he may by order defer the effective date until noon of the thirtieth day after the filing of any amendment.
- (b) The commissioner may by rule establish a procedure for transfer of an agent or an investment adviser representative whereby registration may become effective prior to the filing of an application; but any registration so transferred shall not be effective for more than thirty (30) days, unless within that thirty (30) days a properly completed application is filed.
- (c) The thirtieth day effective day is tolled if, before 5 p.m. EST of the thirtieth day, the commissioner notifies the applicant that the application is incomplete or that he intends to deny the application,

pending the completion of the application or a hearing and final order on the intent to deny the application or the waiver of a hearing through the failure to request a hearing with fifteen (15) days of receiving notice of the intent to deny the application, as applicable.

- (5) The commissioner may require as a condition of registration that the applicant (and, in the case of a corporation or partnership, the officers, directors, or partners) pass a written examination as evidence of knowledge of the securities business.
- (6) Subject to the limitations of Section 15 of the Securities Exchange Act of 1934 and Section 222 of the Investment Advisers Act of 1940, the commissioner may by rule require the existence and maintenance of a minimum liquid net capital for registered broker-dealers and investment advisers and a minimum ratio between net capital and aggregate indebtedness, or both.
- (7) Subject to the limitations of Section 15 of the Securities Exchange Act of 1934 and Section 222 of the Investment Advisers Act of 1940, the commissioner may by rule require registered broker-dealers, agents, and investment advisers to post surety bonds in an amount up to \$25,000, and may determine their conditions, except under this subsection that no such bond may be required of any registrant whose net capital exceeds \$100,000. An appropriate deposit of cash or securities shall be accepted in lieu of any required surety bond. Every surety bond shall provide for suit thereon by any person who has a cause of action under KRS 292.480, and every such bond shall provide that no suit may be maintained to enforce any liability on the bond unless brought within three (3) years after the later of the sale or other act upon which it is based or the discovery of the sale or act.
- (8) Subject to the limitations of Section 15 of the Securities Exchange Act of 1934, the commissioner may by rule require registered broker-dealers to carry fidelity bonds, covering its agents, general partners, and officers, in such form, covering such risks, and in such amounts (not exceeding \$250,000) as he deems necessary for the protection of the public; and he may by rule require registered broker-dealers to furnish satisfactory evidence that they have such bonds.
- (9) Every registration of a broker-dealer, agent, investment adviser, and investment adviser representative and every notice filing shall be effective until December 31 of the year of registration or notice unless the commissioner by rule extends or lessens the registration or notice period may be renewed as hereinafter provided. The commissioner may by rule increase or reduce the registration fee or notice filing fee set forth in subsection (11) of this section should the registration period or notice period be extended or lessened.
  - (a) The registration of an agent is not effective during any period when he is not associated with an issuer or a registered broker-dealer specified in his application or a notice filed with the commissioner or the commissioner's designee. When an agent begins or terminates a connection with an issuer or registered broker-dealer, the agent and the issuer or broker-dealer shall promptly notify the commissioner or the commissioner's designee.
  - (b) The registration of an investment adviser representative is not effective during any period when he is not associated with an investment adviser specified in his application or with a covered adviser specified in a notice filed with the commissioner or the commissioner's designee. When an investment adviser representative begins or terminates a connection with an investment adviser, the investment adviser representative and the investment adviser shall promptly notify the commissioner or the commissioner's designee. When an investment adviser representative begins or terminates a connection with a covered adviser, the investment adviser representative shall notify the commissioner or the commissioner's designee.
- (10) Registration of a broker-dealer, agent, investment adviser, or investment adviser representative may be renewed by filing with the commissioner or the commissioner's designee prior to the expiration thereof an application containing the information the commissioner may require to indicate any material change in the information contained in the original application or any renewal application for registration as a broker-dealer, agent, investment adviser, or investment adviser representative filed with the commissioner or the commissioner's designee by the applicant, payment of the prescribed fee and, in the case of a broker-dealer, a financial statement showing the financial condition of such broker-dealer as of a date within ninety (90) days. A notice filing by a covered adviser may be renewed by filing with the commissioner or the commissioner's designee a notice filing consisting of any documents filed with the United States Securities and Exchange Commission as the commissioner may require by rule or order. A registered broker-dealer or investment adviser may file an application for registration of a successor and a covered adviser may file a notice filing for

a successor, whether or not the successor is then in existence, for the unexpired portion of the year without payment of any fee.

- (11) (a) The fee for initial or renewal registration shall be one hundred twenty dollars (\$120) for a broker-dealer, one hundred dollars (\$100) for an investment adviser, fifty dollars (\$50) for an agent, fifty dollars (\$50) for an investment adviser representative, and fifty dollars (\$50) for transfer of an agent or investment adviser representative, none of which fees shall be refundable.
- (b) The fee for notice filings shall be ~~one~~<sup>two</sup> hundred dollars ~~(\$100)~~~~(\$200)~~ for a covered adviser.
- (12) (a) Every registered broker-dealer, ***firm employing issuer agents***, and investment adviser shall make and keep all accounts, correspondence, memoranda, papers, books, and other records which the commissioner by rule prescribes. All records required shall be preserved for three (3) years unless the commissioner by rule prescribes otherwise for particular types of records. All required records shall be kept within this state or shall, at the request of the commissioner, be made available at any time for examination by him either in the principal office of the registrant or by production of exact copies thereof in this state. If a broker-dealer is registered with the United States Securities and Exchange Commission, the books and records required by this section are limited to those that the Securities Act of 1934 requires the broker-dealer to maintain. If an investment adviser has his principal place of business in another state, the requirements of this section shall be limited to those books and records requirements of that state, provided the adviser is registered in that state and in compliance with its recordkeeping requirements.
- (b) Every registered broker-dealer and investment adviser shall file such reports as the commissioner by rule prescribes. If a broker-dealer is registered with the United States Securities and Exchange Commission, the reports required by this section are limited to those required under the Securities Act of 1934. If an investment adviser has his principal place of business in another state, the requirements of this section shall be limited to the reporting requirements of that state, provided the adviser is registered in that state and in compliance with its reporting requirements.
- (c) If the information contained in any document filed with the commissioner or the commissioner's designee is or becomes inaccurate or incomplete in any material respect, the broker-dealer or investment adviser, as applicable, shall promptly file a correcting amendment. In the case of a covered adviser, the adviser shall file only copies of those documents required to be filed with the Securities and Exchange Commission.
- (d) The commissioner may make periodic examinations, within or without this state, of each broker-dealer, ***firm employing issuer agents***, and investment adviser at such times and in such scope as he determines. These examinations may be made without prior notice to the broker-dealer, ***firm employing issuer agents***, or investment adviser. The expense reasonably attributable to any such examination shall be paid by the broker-dealer, ***firm employing issuer agents***, or investment adviser whose business is examined but the expense so payable shall not exceed an amount which the commissioner by rule prescribes. For the purpose of avoiding unnecessary duplication of examinations, the commissioner, insofar as he deems it practicable in administering this subsection, may cooperate with securities administrators of other states, the securities and exchange commission, and any national securities exchange or national securities association registered under the Securities Exchange Act of 1934.
- (e) The commissioner may by rule prohibit unreasonable charges, profits, commissions, or other compensation of broker-dealers and investment advisers.
- (f) The commissioner may prescribe rules for the conduct of business by broker-dealers and investment advisers which he finds appropriate in the public interest and for the protection of investors.
- (g) The commissioner may enter into an arrangement, agreement, or other working relationship with federal, other state, and self-regulatory authorities whereby documents may be filed and maintained in a central depository system with the National Association of Securities Dealers or other agencies or authorities. It is the intent of this paragraph that the commissioner be provided power to reduce duplication of filings, reduce administrative costs, and establish uniform procedures, forms, and administration with the states and federal authorities. The commissioner may permit initial and renewal registration filings required under this chapter to be filed with the Securities and Exchange Commission, the National Association of Securities Dealers, or other similar authorities. The commissioner may

accept uniform securities examinations or other procedures designed to implement a uniform national securities regulatory system or facilitate common practices and procedures among the states.

- (13) (a) The commissioner may by order deny, suspend, or revoke registration of any broker-dealer, agent, investment adviser, or investment adviser representative, or bar or censure any registrant or any officer, director, partner, or person occupying a similar status or performing similar functions for a registrant, from employment with a registered broker-dealer or investment adviser, or restrict or limit a registrant as to any function or activity of the business for which registration is required in the Commonwealth of Kentucky, if he finds that the order is in the public interest and that the applicant or registrant or, in the case of a broker-dealer, or investment adviser, any partner, officer, or director, any person occupying a similar status or performing similar functions, or any person directly or indirectly controlling the broker-dealer or investment adviser:
1. Has filed an application for registration under this section which, as of its effective date, or as of any date after filing in the case of an order denying effectiveness, was incomplete in any material respect or contained any statement which was, in the light of the circumstances under which it was made, false or misleading with respect to any material fact;
  2. Has willfully violated or willfully failed to comply with any provision of this chapter or a predecessor law or any rule or order under this chapter or a predecessor law;
  3. Has been convicted, within the past ten (10) years, of any misdemeanor involving a security or any aspect of the securities business, or any felony, or has pending against him any such criminal charge;
  4. Is permanently or temporarily enjoined by any court of competent jurisdiction from engaging in or continuing any conduct or practice involving any aspect of the securities business;
  5. Is the subject of an order of the commissioner denying, suspending, or revoking registration as a broker-dealer, agent, investment adviser, or investment adviser representative;
  6. Is the subject of any of the following orders that are currently effective and were issued within the last five (5) years:
    - a. An order by the securities agency or administrator of another state or Canadian province or territory, or by the Securities and Exchange Commission, entered after notice and opportunity for hearing, denying, suspending, limiting or revoking the person's license as a broker-dealer, sales representative, or investment adviser, or the substantial equivalent of those terms;
    - b. An order of a self-regulatory organization finding a violation of federal law or a rule of the self-regulatory organization;
    - c. A United States Postal Service fraud order;
    - d. A cease and desist or other administrative order entered after notice and opportunity for hearing by the commissioner, the securities agency or administrator of another state, or a Canadian province or territory, the Securities and Exchange Commission, or the Commodity Futures Trading Commission; or
    - e. An order by the Commodity Futures Trading Commission denying, suspending, or revoking registration under the Commodity Exchange Act;
  7. Has engaged in dishonest or unethical practices in the securities business;
  8. Is insolvent, either in the sense that his liabilities exceed his assets or in the sense that he cannot meet his obligations as they mature; but the commissioner may not enter an order against a broker-dealer or investment adviser under this paragraph without a finding of insolvency as to the broker-dealer or investment adviser;
  9. Is not qualified on the basis of such factors as training, experience, or knowledge of the securities business, except as provided in paragraph (b) below; or the commissioner may by order, deny, suspend, or revoke any registration if he finds that the order is in the public interest and that the applicant or registrant:

- a. Has failed reasonably to supervise his agents if he is a broker-dealer or his employees or investment adviser representatives if he is an investment adviser; or
  - b. Has failed to pay the proper filing fee; but the commissioner may enter only a denial order under this clause, and he shall vacate any such order when the deficiency has been corrected.
10. Has violated the law of a foreign jurisdiction governing or regulating any aspect of the business of securities or banking; or within the past five (5) years, has been the subject of an action of a securities regulator or a foreign jurisdiction denying, revoking, or suspending the right to engage in the business of securities as a broker-dealer, agent, investment adviser, or investment adviser representative or is the subject of an action of any securities exchange or self-regulatory organization operating under the authority of the securities regulator of a state, federal, or foreign jurisdiction suspending or expelling the person from membership in the exchange or self-regulatory organization.

The commissioner may not institute a suspension or revocation proceeding on the basis of a fact or transaction known to him when registration became effective unless the proceeding is instituted within the next thirty (30) days; or

- (b) The following provisions govern the application of subparagraph 9. of paragraph (a) of this subsection:
1. The commissioner may not enter an order against a broker-dealer on the basis of the lack of qualification of any person other than the broker-dealer himself if he is an individual or an agent of the broker-dealer;
  2. The commissioner may not enter an order against an investment adviser on the basis of the lack of qualification of any person other than the investment adviser himself if he is an individual or any other person who represents the investment adviser in doing any of the acts which make him an investment adviser;
  3. The commissioner may not enter an order solely on the basis of lack of experience if the applicant or registrant is qualified by training or knowledge or both;
  4. The commissioner shall consider that an agent who will work under the supervision of a registered broker-dealer need not have the same qualifications as a broker-dealer;
  5. The commissioner shall consider that an investment adviser is not necessarily qualified solely on the basis of experience as a broker-dealer or agent. When he finds that an applicant for initial or renewal registration as a broker-dealer is not qualified as an investment adviser or an investment adviser representative, he may by order condition the applicant's registration as a broker-dealer upon his not transacting business in this state as an investment adviser or an investment adviser representative;
  6. The commissioner may by rule provide for an examination, which may be written or oral or both, to be taken by any class of or all applicants, as well as investment adviser representatives and persons who represent or will represent an investment adviser in doing any of the acts which make him an investment adviser.
- (c) The commissioner may by order summarily postpone an application for registration or suspend a registration pending final determination of any proceeding under this section. A summary suspension of an existing registration shall only be made based upon a finding by the commissioner that such action is in the public interest and that there is substantial evidence of a violation of law that constitutes an immediate danger to the public. KRS 13B.125 shall apply to the entry of a summary suspension of a registration. An appeal of a summary suspension shall address only the necessity of a summary action and shall not constitute an appeal of the merits of the underlying violation of the law. Upon the entry of the order, the commissioner shall promptly notify the applicant or registrant, as well as the employer or prospective employer if the applicant or registrant is an agent, that it has been entered and of the reasons therefor and that within fifteen (15) days after the receipt of a written request the matter will be set down for hearing. If no hearing is requested and none is ordered by the commissioner, the order will remain in effect until it is modified or vacated by the commissioner. If a hearing is requested or ordered, the commissioner, after notice of and opportunity for hearing, may modify or vacate the order or extend it until final determination.

- (d) If the commissioner finds that any registrant or applicant for registration is no longer in existence or has ceased to do business as a broker-dealer, agent, investment adviser, or investment adviser representative, or is subject to an adjudication of mental disability or to the control of a conservator or guardian, or cannot be located after reasonable search, the commissioner may by order cancel the registration or application.
  - (e) Withdrawal from registration as a broker-dealer, agent, investment adviser, or investment adviser representative becomes effective thirty (30) days after receipt of an application to withdraw or within such shorter period of time as the commissioner may determine, unless a revocation or suspension proceeding is pending when the application is filed or a proceeding to revoke or suspend or to impose conditions upon the withdrawal is instituted within thirty (30) days after the application is filed. If a proceeding is pending or instituted, withdrawal becomes effective at such time and upon such conditions as the commissioner by order determines. If no proceeding is pending or instituted and withdrawal automatically becomes effective, the commissioner may nevertheless institute a revocation or suspension proceeding under subparagraph 2. of paragraph (a) of this subsection within one (1) year after withdrawal became effective and enter a revocation or suspension order as of the last date on which registration was effective. A notice filing may be withdrawn or terminated by providing notice of the withdrawal or termination, as the case may be, to the commissioner; the withdrawal or termination is effective upon receipt by the commissioner of the notice.
  - (f) No order may be entered under any part of this section except the first sentence of paragraph (c) of this subsection without appropriate prior notice to the applicant or registrant (as well as the employer or prospective employer if the applicant or registrant is an agent or representative), opportunity for hearing, and written findings of fact and conclusions of law.
- (14) Notwithstanding subsection (1) of this section, any broker-dealer, agent, investment adviser or investment adviser representative, or transaction or class of transactions by such persons, for which the commissioner expressly by rule or order finds that registration is not necessary or appropriate in the public interest or for the protection of investors shall be exempt from registration under this section. The commissioner may require that persons exempted from registration under this provision file such forms and information for notice purposes and be bound by one (1) or several provisions of this section as the commissioner deems necessary and appropriate in the public interest or for the protection of investors and the commissioner may impose filing fees in connection therewith, provided however, that the amount of the fee shall not exceed the fee which would be due in the event the exempt person were required to obtain registration.

Section 15. KRS 292.470 is amended to read as follows:

Whenever it appears to the commissioner that any person has engaged or is about to engage in any act or practice constituting a violation of any provision of this chapter or any rule or order under this chapter, he may in his discretion bring any or all of the following remedies:

- (1) Issue a cease and desist order, with or without a prior hearing, appealable to Franklin Circuit Court, against the person or persons engaged in the prohibited activities directing that person or persons to cease and desist from illegal activity. In order to issue an order without a prior hearing, the commissioner must find that the delay in issuing a final cease and desist order will cause harm to the public;
- (2) An action in the Franklin Circuit Court or any other court of competent jurisdiction to enjoin any such acts or practices and to enforce compliance with this chapter or any rule or order under this chapter. Upon a proper showing a permanent or temporary injunction, restraining order, or writ of mandamus shall be granted and a receiver or conservator may be appointed for the defendant or the defendant's assets. Upon a proper showing by the commissioner, the court may enter an order of rescission, restitution, or disgorgement directed to any person who has engaged in any act constituting a violation of this chapter or any rule or order under this chapter. The commissioner may not be required to post a bond; or
- (3) Issue a final order, after notice and *an opportunity for* a hearing, containing findings of fact and conclusions of law, directing any person or persons found to have engaged in, or about to be engaged in, activity that constitutes a violation of this chapter or any rule or order under this chapter:
  - (a) To cease and desist from the activity;
  - (b) To perform any other reasonable mandates directed by the commissioner pursuant to an appropriate remedy fashioned by the commissioner and reasonably calculated to carry out the provisions of this chapter; or

(c) To pay fines assessed under KRS 292.500(14) and costs assessed under KRS 292.500(15).

Section 16. KRS 291.990 is amended to read as follows:

~~[(1) Any person who violates subsection (3) of KRS 291.020 shall be fined not less than five hundred dollars (\$500) nor more than one thousand dollars (\$1,000).~~

~~(2)~~ Any corporation or person which willfully violates any provision of KRS 291.410 to 291.600 is guilty of a misdemeanor and, upon conviction, shall be fined not less than one hundred dollars (\$100) nor more than one thousand dollars (\$1,000).

Section 17. KRS 287.720 is amended to read as follows:

- (1) A revolving credit plan, and all extensions of credit thereunder, may take such form and contain such provisions, not inconsistent with KRS 287.710 to 287.770 or otherwise prohibited by law, as the bank may from time to time establish and the debtor may accept, and each extension of credit made by the bank pursuant to such plan, evidenced in any manner provided in such plan, shall be evidence of a loan, which may be prepaid by the debtor under agreed conditions in whole or in part at any time, made by the bank to the debtor in the amount advanced by the bank.
- (2) Before opening any account under a revolving credit plan, the bank shall deliver or mail to the debtor a statement of the provisions of the plan containing, to the extent applicable, such information as may be required to be disclosed pursuant to ~~[KRS 360.210 to 360.265 and]~~ Title I of the Federal Consumer Credit Protection Act of 1968 (Public Law 90-321) and any amendments, additions or replacements thereto in effect after June 16, 1972, and containing a statement that the debtor may pay the unpaid balance of his account in whole or in part at any time. If two or more persons, all of whom have the same residence are authorized to obtain extensions of credit under the plan, the statement of provisions of the plan shall be delivered or mailed to one (1) of such persons as may be designated in the plan, and the billing statements required by KRS 287.730 shall be rendered to such person.
- (3) A statement of the provisions of a revolving credit plan in effect prior to June 16, 1972, delivered or mailed to a debtor prior to such effective date shall constitute, and be deemed to be, compliance with the provisions of subsection (2) of this section, if such revolving credit plan complies with the provisions of KRS 287.710 to 287.770 and such statement disclosed the information required by said subsection (2).

Section 18. KRS 287.730 is amended to read as follows:

- (1) For each billing cycle at the end of which there is an outstanding balance in the debtor's account or with respect to which a charge permitted by KRS 287.710 to 287.770 is imposed, the bank shall render a statement to the debtor containing, to the extent applicable, such information as may be required to be included therein pursuant to ~~[KRS 360.210 to 360.265 and]~~ Title I of the Federal Consumer Credit Protection Act of 1968 (Public Law 90-321) and any amendments, additions or replacements thereto in effect after June 16, 1972, and a legend to the effect that the debtor may at any time pay the aggregate balance owing by him or any part thereof.
- (2) In the event of an extension of credit by a bank hereunder that is affected by the use of a credit card for the purchase of goods or services and that results in payment by the bank directly to a third party, the finance charge as authorized by KRS 287.740 shall not be imposed upon the debtor on such extension if payment in full of the entire outstanding unpaid balances owing on the debtor's account is received at the place designated by the bank by the date of the statement for the next billing cycle.

**CHAPTER 161****(HB 76)**

AN ACT relating to alternative teacher certification.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

Section 1. KRS 161.048 is amended to read as follows:

- (1) The General Assembly hereby finds that:
  - (a)
    1. There are persons who have distinguished themselves through a variety of work and educational experiences that could enrich teaching in Kentucky schools;
    2. There are distinguished scholars who wish to become teachers in Kentucky's public schools, but who did not pursue a teacher preparation program;
    3. There are persons who need to be recruited to teach in Kentucky schools to meet the diverse cultural and educational needs of students; and
    4. There should be alternative procedures to the traditional teacher preparation programs that qualify persons as teachers.
  - (b) There are hereby established alternative certification program options as described in subsections ~~(2) through (3)~~ through ~~(6) through (5)~~ of this section.
  - (c) It is the intent of the General Assembly that the Educational Professional Standards Board inform scholars, persons with exceptional work experience, and persons with diverse backgrounds who have

potential as teachers of these options and assist local boards of education in implementing these options and recruitment of individuals who can enhance the education system in Kentucky.

- (d) The Education Professional Standards Board shall promulgate administrative regulations establishing standards and procedures for the alternative certification options described in this section.
- (2) Option 1: Certification of a person with exceptional work experience. An individual who has exceptional work experience and has been offered employment at the secondary level in a local school district shall receive a one (1) year provisional teaching certificate with approval by the Education Professional Standards Board of a joint application by the individual and the employing school district under the following conditions:
- (a) The application contains documentation of all education and work experience;
  - (b) The candidate has documented ten (10) years of exceptional work experience in the area in which certification is being sought;
  - (c) The candidate possesses a bachelor's degree, with a grade point average of two and five-tenths (2.5) on a four (4) point scale from a nationally or regionally accredited postsecondary institution; and
  - (d) The candidate shall participate in the teacher internship program under subsections (5), (6), (7), and (8) of KRS 161.030. After successful completion of the internship, the candidate shall receive a regular provisional certificate.

An individual employed under this alternative shall be certified for one (1) year only, and may be approved for subsequent one (1) year renewals upon request of the local board of education and approval of the Education Professional Standards Board. A teacher who successfully completes three (3) contract years under the provisions of this section shall be awarded a regular provisional certificate, and subject to certificate renewal requirements the same as any other teacher with a regular provisional certificate.

- (3) Option 2: Certification through a local district training program. A local district or group of districts may seek approval for a training program. The state-approved local district training program is an alternative to the college teacher preparation program as a means of acquiring teacher certification for a teacher at any grade level. The training program may be offered for all teaching certificates approved by Education Professional Standards Board, including interdisciplinary early childhood education, except for specific certificates for teachers of exceptional children. To participate in a state-approved local district alternative training program, the candidate shall:
- (a) Possess a bachelor's degree with a grade point average of two and five tenths (2.5) on a four (4) point scale or, upon approval by the Education Professional Standards Board, at least a grade point average of two (2) on a four (4) point scale if the candidate has exceptional life experience related to teaching and has completed the bachelor's degree at least five (5) years prior to submitting an application to the program.
  - (b) Pass written tests designated by the Education Professional Standards Board for content knowledge in the specific teaching field of the applicant with minimum scores in each test as set by the Education Professional Standards Board. In order to ensure that employment opportunities generated directly or indirectly by the consolidated local government are equally available, contractors and vendors shall be approved as provided by this section prior to the awarding of any contract, lease, or other agreement that requires an expenditure in excess of ten thousand dollars (\$10,000) with the consolidated local government.*
- (9) *No person, firm, corporation, or association shall be awarded a contract, lease, or other agreement that requires an expenditure in excess of ten thousand dollars (\$10,000) until and unless that person, firm, corporation, or association has been prequalified as determined by procedures and requirements enacted by ordinance by the consolidated local government.*
- (10) *No officer, employee, or agent of the consolidated local government shall accept a contract, lease, or other agreement that requires an expenditure in excess of ten thousand dollars (\$10,000) with the consolidated local government until and unless that person, firm, corporation, or association has been prequalified as determined by procedures and requirements enacted by ordinance by the consolidated local government.*
- (11) *All persons, firms, corporations, or associations seeking to bid on contracts, leases, or other agreements that require an expenditure exceeding ten thousand dollars (\$10,000) with the consolidated local government shall submit a request for prequalification as an eligible contractor, pursuant to the procedures and requirements enacted by ordinance by the consolidated local government.*
- (12) *The consolidated local government shall make available a list of all bidders who have been prequalified and shall distribute the list to the appropriate purchasing officers, employees, or agents of the consolidated local government.*
- (13) *Any person, firm, corporation, or association that submits an otherwise qualified bid for a contract, lease, or other agreement pursuant to the provisions of KRS 424.260, but that has not prequalified pursuant to this section, may be approved by the consolidated local government as provided by this section. Any person, firm, or corporation that is approved by the consolidated local government shall thereafter be qualified and considered eligible for award for a contract, lease, or other agreement.*
- (14) *The consolidated local government shall prequalify persons, firms, corporations, and associations seeking a contract, lease, or other agreement that requires an expenditure exceeding ten thousand dollars (\$10,000) with the consolidated local government if on an analysis of the workforce of that entity the consolidated local government determines that:*

  - (b) *The entity has an acceptable, bona fide affirmative action plan;*
  - (c) *The entity is a small business that employs ten (10) or fewer individuals;*
  - (d) *The entity has a federally approved affirmative action program; or*

- (15) *An acceptable affirmative action plan for an entity seeking a contract, lease, or other agreement with a consolidated local government shall include:*

- (16) *A bona fide affirmative action plan for an entity seeking a contract, lease, or other agreement with a consolidated local government shall include a set of specific and result-oriented procedures, goals, and timetables to which an entity commits itself to apply every good faith effort in order to achieve equal employment opportunity. Procedures without effort to make them work are meaningless and effort undirected by specific and meaningful procedures is inadequate.*
- (17) *In reviewing an affirmative action plan for an entity seeking a contract, lease, or other agreement with a consolidated local government, the consolidated local government shall be guided by the relevant provisions of 41 C.F.R. 60-2 which outlines the requirements of affirmative action plans for federal contractors and vendors.*
- (18) *The consolidated local government shall use its best efforts, directly and through contracting agencies, other interested federal, state, and local agencies, contractors, and all other available instrumentalities to cause any labor union engaged in work pursuant to contracts, leases, and agreements that are the subject matter of this section or any agency referring workers or providing or supervising apprenticeship or training for or in the course of this work to cooperate in the implementation of the purposes of this section.*
- (19) *The consolidated local government on its own motion or on motion of any interested party shall cause hearings as it deems necessary for compliance or enforcement of this section.*
- (20) *The consolidated local government shall hold a hearing prior to imposing or recommending the imposition of penalties and sanctions for violation of this section. - (21) *Notice of any final decision or determination of the consolidated local government that affects the running of time for taking an appeal shall be mailed to all parties in the matter, including the proposed contractor, lessor or other party, and the affected local government offices.*
- (22) *The consolidated local government shall establish an affirmative action appeals board for purposes of hearing appeals from any final decision relating to matters pertaining to this section. The board shall be composed of the county attorney, or his or her designee, the council president of the consolidated local government, or his or her designee, and a representative of the financial department of the consolidated local government, or his or her designee.*
- (23) *Any appeal from a decision of the consolidated local government shall be hand-delivered or mailed by certified mail to the affirmative action appeals board not later than thirty (30) days from the date of the local government's decision. The appeal shall set forth the grounds for the appeal. The appeals board shall notify all parties in writing of the time and place of a hearing. The hearing committee may issue subpoenas for any witnesses requested by either of the parties or in the appeals board's opinion necessary to the proper disposition of the matter to be heard. All parties shall be allowed legal representation, witnesses may be cross-examined, and the proceeding shall be recorded. The local government shall transmit, within ten (10) days after receipt of notice of appeal, all the original papers in action to the appeals board.*
- (24) *The appeals board shall have the power to require the contractor to furnish all necessary records and give testimony as to enable the board to render a fair and competent decision. The duty of the board shall be to review all records, hear all testimonies of witnesses, and determine whether the decision of the local government was correct. The decision of the appeals board shall be final. The decision of the appeals board shall be transmitted in writing to the appropriate offices of the local government for implementation and shall set forth specifically its findings of fact and conclusions relative to its determination. The administration of sanctions and penalties in accordance with that determination shall be the duty of the appropriate department or contracting agency of the consolidated local government.*

  3. *Perjury or falsified evidence; or*
  4. *Fraud affecting the proceedings other than perjury or falsified evidence.*

- (b) *The request shall be made within thirty (30) days after notification of the appeals board's final determination. A request under this subsection does not affect the finality of the order or determination or suspend its operation.*
- (26) *In accordance with the enforcement provisions of this section, the consolidated local government may cancel, terminate, suspend, or cause to be canceled, terminated, or suspended, any contract, lease, or agreement that is the subject matter of this section for failure of the contractor or vendor to comply. Contracts, leases, and agreements may be canceled, terminated, or suspended absolutely or continuance of contracts, leases, and agreements may be conditioned on a program for future compliance as approved by the consolidated local government.*
- (27) *Any contracting agency shall refrain from entering into further contracts or extensions or other modifications of existing contracts, with any noncomplying contractor, until the contractor has established and will carry out personnel and employment policies in compliance with the provisions of this section.*
- (28) *Whenever the consolidated local government makes a determination regarding noncompliance by a contractor pursuant to this section, it shall promptly notify the appropriate contracting agency and other affected local government agencies and offices of the action recommended. The contracting agency shall take the action recommended and shall report the results of that action to the consolidated local government.*
- (29) *If the appeals board shall so direct, contracting agencies shall not enter into contracts with any bidder or prospective contractor unless the bidder or prospective contractor has satisfactorily complied with the provisions of this order or submits a program for compliance acceptable to the consolidated local government.*

**(SB 240)**

AN ACT relating to tuition.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

Section 1. KRS 164.020 is amended to read as follows:

The Council on Postsecondary Education in Kentucky shall:

- (1) Develop and implement the strategic agenda with the advice and counsel of the Strategic Committee on Postsecondary Education. The council shall provide for and direct the planning process and subsequent strategic implementation plans based on the strategic agenda as provided in KRS 164.0203;
- (2) Revise the strategic agenda and strategic implementation plan with the advice and counsel of the committee as set forth in KRS 164.004;
- (3) Develop a system of public accountability related to the strategic agenda by evaluating the performance and effectiveness of the state's postsecondary system. The council shall prepare a report in conjunction with the accountability reporting described in KRS 164.095, which shall be submitted to the committee, the Governor, and the General Assembly by December 1 annually. This report shall include a description of contributions by postsecondary institutions to the quality of elementary and secondary education in the Commonwealth;
- (4) Review, revise, and approve the missions of the state's universities and the Kentucky Community and Technical College System. The Council on Postsecondary Education shall have the final authority to determine the compliance of postsecondary institutions with their academic, service, and research missions;
- (5) Establish and ensure that all postsecondary institutions in Kentucky cooperatively provide for an integrated system of postsecondary education. The council shall guard against inappropriate and unnecessary conflict and duplication by promoting transferability of credits and easy access of information among institutions;
- (6) Engage in analyses and research to determine the overall needs of postsecondary education in the Commonwealth;
- (7) Develop plans that may be required by federal legislation. The council shall for all purposes of federal legislation relating to planning be considered the "single state agency" as that term may be used in federal

legislation. When federal legislation requires additional representation on any "single state agency," the Council on Postsecondary Education shall establish advisory groups necessary to satisfy federal legislative or regulatory guidelines;

- (8) Determine tuition and approve the minimum qualifications for admission to the state postsecondary educational system. In determining the tuition for non-Kentucky residents, the council shall consider the fees required of Kentucky students by institutions in adjoining states, the resident fees charged by other states, the total actual per student cost of training in the institutions for which the fees are being determined, and the ratios of Kentucky students to non-Kentucky students comprising the enrollments of the respective institutions, and other factors the council may in its sole discretion deem pertinent;
- (9) Devise, establish, and periodically review and revise policies to be used in making recommendations to the Governor for consideration in developing recommendations to the General Assembly for appropriations to the universities and the Kentucky Community and Technical College System. The council has sole discretion, with advice of the Strategic Committee on Postsecondary Education and the executive officers of the postsecondary education system, to devise policies that provide for allocation of funds among the universities and the Kentucky Community and Technical College System;
- (10) Lead and provide staff support for the biennial budget process as provided under KRS Chapter 48, in cooperation with the committee;
- (11)
  - (a) Except as provided in paragraph (b) of this subsection, review and approve all capital construction projects covered by KRS 45.750(1)(f), including real property acquisitions, and regardless of the source of funding for projects or acquisitions. Approval of capital projects and real property acquisitions shall be on a basis consistent with the strategic agenda and the mission of the respective universities and the Kentucky Community and Technical College System.
  - (b) The organized groups that are establishing community college satellites as branches of existing community colleges in the counties of Laurel, Leslie, and Muhlenberg, and that have substantially obtained cash, pledges, real property, or other commitments to build the satellite at no cost to the Commonwealth, other than operating costs that shall be paid as part of the operating budget of the main community college of which the satellite is a branch, are authorized to begin construction of the satellite on or after January 1, 1998;
- (12) Require reports from the executive officer of each institution it deems necessary for the effectual performance of its duties;
- (13) Develop a university track program within the Kentucky Community and Technical College System consisting of sixty (60) hours of instruction that can be transferred and applied toward the requirements for a bachelor's degree at the public universities. The track shall consist of general education courses and pre-major courses as prescribed by the council. Courses in the university track program shall transfer and apply toward the requirements for graduation with a bachelor's degree at all public universities. Successful completion of the university track program shall meet the academic requirement for transfer to a public university as a junior. By fall semester of 1997, requirements for track programs shall be established for all majors and baccalaureate degree programs;
- (14) Define and approve the offering of all postsecondary education technical, associate, baccalaureate, graduate, and professional degree, certificate, or diploma programs in the public postsecondary education institutions. The council shall expedite wherever possible the approval of requests from the Kentucky Community and Technical College System board of regents relating to new certificate, diploma, technical, or associate degree programs of a vocational-technical and occupational nature. Without the consent of the General Assembly, the council shall not abolish or limit the total enrollment of the general program offered at any community college to meet the goal of reasonable access throughout the Commonwealth to a two (2) year course of general studies designed for transfer to a baccalaureate program. This does not restrict or limit the authority of the council, as set forth in this section, to eliminate or make changes in individual programs within that general program;
- (15) Eliminate, in its discretion, existing programs or make any changes in existing academic programs at the state's postsecondary educational institutions, taking into consideration these criteria:
  - (a) Consistency with the institution's mission and the strategic agenda;
  - (b) Alignment with the priorities in the strategic implementation plan for achieving the strategic agenda;
  - (c) Elimination of unnecessary duplication of programs within and among institutions; and

No more than four percent (4%) of the coal severance tax revenues levied under KRS 143.020 and collected annually shall be transferred to the trust fund. To the extent this appropriation and other funds are available, the authority shall award scholarships to all renewal applicants and eligible students in accordance with the formula for determining the amount of the scholarship award established in this section.
- (c) The trust fund may also receive state appropriations, gifts, and grants from public and private sources, and federal funds. Any unallotted or unencumbered balances in the trust fund shall be invested as provided in KRS 42.500(9). Income earned from the investments shall be credited to the trust fund. Any fund balance at the close of the fiscal year shall not lapse but shall be carried forward to the next fiscal year and continuously appropriated only for the purposes specified in this section. A general statement that all continuing appropriations are repealed, discontinued, or suspended shall not operate to repeal, discontinue, or suspend this fund or to repeal this section.
- (12) On or before August 1 of each year, sixty-five percent (65%) of the amount of funding provided in subsection (11)(b) of this section shall be transferred to the special trust fund and the remaining thirty-five percent (35%)

shall be transferred on or before December 1 of each year. The revenue transfers shall be based upon the revenue estimates prevailing at the time each transfer is due.

- (13) The calculation and transfer of funds under subsection (11) of this section shall be made only after the quarterly installment of the annual nineteen million dollars (\$19,000,000) allocation of coal severance tax revenues has been credited to the benefit reserve fund within the Workers' Compensation Funding Commission as required by KRS 342.122.

- (8)~~(7)~~ The superintendent may suspend the teacher pending final action to terminate the contract, if, in his judgment, the character of the charge warrants the action. If after the hearing the decision of the tribunal is against termination of the contract, the suspended teacher shall be paid his full salary for any period of suspension.
