The board shall make available liability insurance coverage for the protection of all members of the school council from liability arising in the course of pursuing their duties as members of the council.
- (5) After July 13, 1990, any school in which two-thirds (2/3) of the faculty vote to implement school-based decision making shall do so. By June 30, 1991, each local board shall submit to the chief state school officer the name of at least one (1) school which shall implement school-based decision making the following school year. The board shall select a school in which two-thirds (2/3) of the faculty vote to implement school-based decision making. If no school in the district votes to implement school-based decision making, the local board shall designate one (1) school of its choice. All schools shall implement school-based decision making by July 1, 1996, in accordance with this section and with the policy adopted by the local board pursuant to this section. Upon favorable vote of a majority of the faculty at the school and a majority of at least twenty-five (25) voting parents of students enrolled in the school, a school performing above its threshold level requirement as determined by the Department of Education pursuant to KRS 158.6455 may apply to the Kentucky Board of Education for exemption from the requirement to implement school-based decision making, and the state board shall grant the exemption. School council training required under this subsection shall be conducted by trainers endorsed by the Department of Education, and school council members shall complete the required training no later than thirty (30) days after the beginning of the service year for which they are elected to serve. School council members elected to fill a vacancy shall complete the applicable training within thirty (30) days of their election.

- (7) A school that chooses to have school-based decision making but would like to be exempt from the administrative structure set forth by this section may develop a model for implementing school-based decision making including, but not limited to, a description of the membership, organization, duties, and responsibilities of a school council. The school shall submit the model through the local board of education to the chief state school officer and the Kentucky Board of Education, which shall have final authority for approval. Small schools shall be encouraged to work with other school councils to maximize professional development opportunities.
- (9)
  - (a) No board member, superintendent of schools, district employee, or member of a school council shall intentionally engage in a pattern of practice which is detrimental to the successful implementation of or circumvents the intent of school-based decision making to allow the professional staff members of a school and parents to be involved in the decision making process in working toward meeting the educational goals established in KRS 158.645 and 158.6451 or to make decisions in areas of policy assigned to a school council pursuant to paragraph (i) of subsection (2) of this section.
  - (b) An affected party who believes a violation of this subsection has occurred may file a written complaint with the Office of Education Accountability. The office shall investigate the complaint and resolve the conflict, if possible, or forward the matter to the Kentucky Board of Education.

two (2) years based on whether they have met their threshold level for school improvement, with school years 1998-2000 serving as the baseline. The formula shall reflect the school goals described in KRS 158.6451, except there shall be no measurement of the goals included in subsection (1)(b)3. and (1)(b)4.

- (3) After receiving the advice of the Office of Education Accountability; the School Curriculum, Assessment, and Accountability Council; and the National Technical Advisory Panel on Assessment and Accountability, the Kentucky Board of Education shall promulgate an administrative regulation in conformity with KRS 158.6471 and 158.6472 and KRS Chapter 13A to establish appropriate consequences for schools failing to meet their threshold. The consequences shall be designed to improve teaching and learning and may include, but not be limited to:

- (b) For information purposes, the board shall also conduct scholastic audits in a sample of schools that achieved their goal ***and report to the public on the resulting findings regarding each aspect of the schools' operations required under paragraph (a)2. of subsection (4) of this section.***
- (5) (a) Notwithstanding subsections (2), (3), and (4) of this section and KRS 158.645 to 158.805, the Kentucky Board of Education, after receiving the advice of the Office of Education Accountability; the School Curriculum, Assessment, and Accountability Council; and the National Technical Advisory Panel on Assessment and Accountability, shall promulgate an administrative regulation in conformity with the provisions of KRS 158.6471 and 158.6472 and in accordance with KRS Chapter 13A, establishing a formula for school accountability and a school improvement goal for each school for the 1998-1999 and 1999-2000 school years, with the 1996-97 and 1997-98 school years serving as the baseline. The formula shall be based on the academic and nonacademic components that are administered in a consistent manner during the four (4) year period.
- (b)
  1. The Kentucky Board of Education shall reward schools that exceed their improvement goal and have an annual average dropout rate below eight percent (8%).
  2. Schools failing to improve as identified by the board shall be reviewed by a scholastic audit team appointed by the state board under subsection (4) of this section. The audit shall not include a formal evaluation of each certified staff member. The team shall determine whether the school shall have highly skilled education assistance for advisory purposes. All schools failing to

achieve their goal shall develop a school improvement plan and shall be eligible for school improvement funds under KRS 158.805.

- (6) After receiving the advice of the Office of Education Accountability; the School Curriculum, Assessment, and Accountability Council; and the National Technical Advisory Panel on Assessment and Accountability, the Kentucky Board of Education may promulgate by administrative regulation, in conformity with KRS 158.6471 and 158.6472 and KRS Chapter 13A, a system of district accountability that includes establishing a formula for accountability, goals for improvement over a two (2) year period, rewards for leadership in improving teaching and learning in the district, and consequences that address the problems and provide assistance when the district fails to achieve its goals set by the board.
- (7) After receiving the advice of the Office of Education Accountability; the School Curriculum, Assessment, and Accountability Council; and the National Technical Advisory Panel on Assessment and Accountability, the Kentucky Board of Education shall promulgate administrative regulations in conformity with KRS 158.6471 and 158.6472 and KRS Chapter 13A, to establish a process whereby a school shall be allowed to appeal a performance judgment which it considers grossly unfair. Upon appeal, an administrative hearing shall be conducted in accordance with KRS Chapter 13B. The state board may adjust a performance judgment on appeal when evidence of highly unusual circumstances warrants the conclusion that the performance judgment is based on fraud or a mistake in computations, is arbitrary, is lacking any reasonable basis, or when there are significant new circumstances occurring during the biennial assessment period which are beyond the control of the school.

If a person acts as a motor vehicle salesman, he shall secure a motor vehicle salesman's license in addition to a license for a motor vehicle dealer. The motor vehicle commission may provide by administrative regulation for other licensee activities and an appropriate fee.
- (2) A manufacturer of motor vehicles, factory branch, distributor, distributor branch, or wholesaler shall not engage in business in this state without a license as provided in KRS 190.010 to 190.080.
- (3) A factory representative or distributor representative shall not engage in business in this state without a license as provided in KRS 190.010 to 190.080.
- (4) Application for license shall be made to the licensor, at a time, in a form, and containing information the licensor shall require and shall be accompanied by the required fee. The licensor may require in the application, or otherwise, information relating to the applicant's solvency, his financial standing, or other pertinent matter commensurate with the safeguarding of the public interest in the locality in which the applicant proposes to engage in business. The information may be considered by the licensor in determining the fitness of the applicant to engage in business as set forth in this section.
- (5) All licenses shall be granted or refused within thirty (30) days after submission of a complete application and shall expire, unless revoked or suspended, on December 31 of the calendar year for which they are granted. - (6) The license fee for a calendar year, or part thereof, shall be as follows:

- (a) For new motor vehicle dealers, one hundred dollars (\$100) for each office or branch or agent thereof, plus one hundred dollars (\$100) for a supplemental license for each used car lot not immediately adjacent to the office or to a branch.

If the location is changed, the licensor shall ~~endorse~~~~[indorse]~~ the change of location on the license~~[ without charge if it is within the same municipality, if the licensee meets the requirements set forth by the commission through administrative regulations and pays a fee of one hundred dollars (\$100)]~~. ***A licensee shall not be charged a fee for changing locations.*** A change of location~~[to another municipality]~~ shall require a new ***application***~~[license]~~.

The license shall name his employer; and in case of a change of employer, the salesman shall immediately mail his license to the licensor who shall indorse the change on the license without charge.
- (9) If the licensor has reasonable cause to doubt the financial responsibility or the compliance by the applicant or licensee with the provisions of this statute, the licensor may require the applicant or licensee to furnish and maintain a bond in a form, amount and with sureties not less than fifteen thousand dollars (\$15,000), conditioned upon the applicant or licensee complying with the provisions of the statutes applicable to the licensee. The bonding requirements of this subsection shall not apply to manufacturers, factory branches, and their agents.

Each licensee shall be responsible for the acts of any or all of his salesmen while acting as his agent, if the licensee approved of or had knowledge of the acts and after approval or knowledge retained the benefit, proceeds, profits, or advantages accruing from the acts.

Necessary materials and supplies shall be procured in accordance with the standard purchasing procedures and policies of the cabinet as defined in KRS Chapter 45A.
- (6) This section shall not apply to capital outlays to the Department of Highways for roads and bridges.

  - (a) Nothing in this statute shall limit or restrict the ability of a local school district to acquire supplies and equipment outside of the bidding procedure if those supplies and equipment meet the specifications of the contracts awarded by the Division of Purchases or a federal, local, or cooperative agency and are available for purchase elsewhere at a lower price. A board of education may purchase those supplies and equipment without advertising for bids if, prior to making the purchases, the board of education obtains certification from the district's finance or purchasing officer that the items to be purchased meet the standards and specifications fixed by state price contract, federal (GSA) price contract, or the bid of another school district whose bid specifications allow other districts to utilize their bids, and that the sales price is lower than that established by the various price contract agreements or available through the bid of another school district whose bid specifications would allow the district to utilize their bid.
  - (b) The procedures set forth in paragraph (a) of this subsection shall not be available to the district for any specific item once the bidding procedure has been initiated by an invitation to bid and a publication of specifications for that specific item has been published. In the event that all bids are rejected, the district may again avail itself of the provisions of paragraph (a) of this subsection.
- (4) This requirement shall not apply in an emergency if the chief executive officer of the city, county, or district has duly certified that an emergency exists, and has filed a copy of the certificate with the chief financial officer of the city, county, or district, or if the sheriff or the county clerk has certified that an emergency exists, and has filed a copy of the certificate with the clerk of the court where his necessary office expenses are fixed pursuant to KRS 64.345 or 64.530, or if the superintendent of the board of education has duly certified that an emergency exists, and has filed a copy of the certificate with the chief state school officer.

Section 4. KRS 304.33-430 is amended to read as follows:

The order of distribution of claims from the insurer's estate shall be as stated in this section. The first fifty dollars (\$50) of the amount allowed on each claim in the classes under subsections ~~(3)(2)~~ to ~~(7)(6)~~, inclusive, of this section, shall be deducted from the claim and included in the class under subsection ~~(9)(8)~~ of this section. Claims may not be cumulated by assignment to avoid application of the fifty dollars (\$50) deductible provision. Subject to the fifty dollars (\$50) deductible provision, every claim in each class shall be paid in full or adequate funds retained for the payment before the members of the next class receive any payment. No subclasses shall be established within any class. No claim by a shareholder, policyholder, or other creditor shall be permitted to circumvent the priority classes through the use of equitable remedies.

- (1) Administration costs. The costs and expenses of administration, including but not limited to the following: the actual and necessary costs of preserving or recovering the assets of the insurer; compensation for all services rendered in the liquidation; any necessary filing fees; the fees and mileage payable to witnesses; and reasonable attorney's fees.
- (2) ***Health maintenance organization out-of-network claims. In a liquidation of a health maintenance organization, any claims for health plan benefits for out-of-network claims that would have otherwise been covered.***
- (3) Loss and unearned premium claims. Claims by policyholders, beneficiaries, and insureds arising from and within the coverage of and not in excess of the applicable limits of insurance policies and insurance contracts issued by the company, and liability claims against insureds which claims are within the coverage of and not in excess of the applicable limits of insurance policies and insurance contracts issued by the company, and claims of guaranty associations or foreign guaranty associations. Notwithstanding the foregoing, the following claims shall be excluded from Class 2 priority:
  - (a) Obligations of the insolvent insurer arising out of reinsurance contracts;
  - (b) Obligations incurred after the expiration date of the insurance policy or after the policy has been replaced by the insured or canceled at the insured's request or after the policy has been canceled as provided in this chapter. Notwithstanding this subsection, earned premium claims on policies, other than reinsurance agreements, shall not be excluded;
  - (c) Obligations to insurers, insurance pools, or underwriting associations and their claims for contribution, indemnity or subrogation, equitable or otherwise;
  - (d) Any claim which is in excess of any applicable limits provided in the insurance policy issued by the insolvent insurer;
  - (e) Any amount accrued as punitive or exemplary damages unless expressly covered under the terms of the policy; and
  - (f) Tort claims of any kind against the insurer, and claims against the insurer for bad faith or wrongful settlement practices.
- ~~(4)(3)~~ Claims of the federal government other than those claims included in Class 2.
- ~~(5)(4)~~ Wages.
  - (a) Debts due to employees for services performed, not to exceed one thousand dollars (\$1,000) to each employee which have been earned within one (1) year before the filing of the petition for liquidation. Officers shall not be entitled to the benefit of this priority.
  - (b) This priority shall be in lieu of any other similar priority authorized by law as to wages or compensation of employees.
- ~~(6)(5)~~ Residual classification. All other claims including claims of the federal or any state or local government, not falling within other classes under this section. Claims, including those of any governmental body, for a penalty or forfeiture, shall be allowed in this class only to the extent of the pecuniary loss sustained from the

act, transaction, or proceeding out of which the penalty or forfeiture arose, with reasonable and actual costs occasioned thereby. The remainder of such claims shall be postponed to the class of claims under subsection ~~(9)(8)~~ of this section.

~~(7)(6)~~ Judgments. Claims based solely on judgments. If a claimant files a claim and bases it both on the judgment and on the underlying facts, the claim shall be considered by the liquidator who shall give the judgment such weight as he deems appropriate. The claim as allowed shall receive the priority it would receive in the absence of the judgment. If the judgment is larger than the allowance on the underlying claim, the remaining portion of the judgment shall be treated as if it were a claim based solely on a judgment.

~~(8)(7)~~ Interest on claims already paid. Interest at the legal rate compounded annually on all claims in the classes under subsections (1) to ~~(7)(6)~~ of this section, inclusive, from the date of the petition for liquidation or the date on which the claim becomes due, whichever is later, until the date on which the dividend is declared. The liquidator, with the approval of the court may make reasonable classifications of claims for purposes of computing interest, may make approximate computations and may ignore certain classifications and time periods as de minimis.

~~(9)(8)~~ Miscellaneous subordinated claims. The remaining claims or portions of claims not already paid, with interest as in subsection ~~(8)(7)~~ of this section:

- (a) The first fifty dollars (\$50) of each claim in the classes under subsections (2) to ~~(7)(6)~~, inclusive, of this section, subordinated under this section;
- (b) Claims under subsection (2) of KRS 304.33-380;
- (c) Claims subordinated by KRS 304.33-600;
- (d) Claims filed late;
- (e) Portions of claims subordinated under subsection ~~(6)(5)~~ of this section; and
- (f) Claims or portions of claims, payment of which is provided by other benefits or advantages recovered or recoverable by the claimant.

~~(10)(9)~~ Preferred ownership claims. Surplus or contribution notes, or similar obligations, and premium refunds on assessable policies. Interest at the legal rate shall be added to each claim, as in subsections ~~(8)(7)~~ and ~~(9)(8)~~ of this section.

~~(11)(10)~~ Proprietary claims. The claims of shareholders or other owners.

Section 5. KRS 304.33-360 is amended to read as follows:

- (1) Deadline for filing. Proof of all claims must be filed with the court in the form required by KRS 304.33-370 on or before the last day for filing specified in the notice required under KRS 304.33-250, except that proof of preferred ownership claims and proprietary claims under subsections ~~(9)(8)~~ and ~~(10)(9)~~ of KRS 304.33-430, need not be filed at all, and proof of claims for unearned premiums and claims for cash surrender values or other investment values in life insurance and annuities need not be filed unless the liquidator expressly so requires.
- (2) Excused late filings. For good cause shown, the liquidator shall recommend, and the court shall permit, a claimant making a late filing to share in dividends, whether past or future, as if he were not late, to the extent that any such payment will not prejudice the orderly administration of the liquidation. Good cause includes but is not limited to the following:
  - (a) That existence of a claim was not known to the claimant and that he filed within thirty (30) days after he learned of it;
  - (b) That a claim for unearned premiums or for cash surrender values or other investment values in life insurance or annuities which was not required to be filed was omitted from the liquidator's recommendations to the court under KRS 304.33-440, and that it was filed within thirty (30) days after the claimant learned of the omission;
  - (c) That a transfer to a creditor was avoided under KRS 304.33-290 to 304.33-330, inclusive, or was voluntarily surrendered under KRS 304.33-320 and that the filing satisfies the conditions of KRS 304.33-320;

- (d) That valuation under KRS 304.33-420 of security held by a secured creditor shows a deficiency, which is filed within thirty (30) days after the valuation; and
  - (e) That a claim was contingent and became absolute, and was filed within thirty (30) days after it became absolute.
- (3) Unexcused late filings. The liquidator may consider any claim filed late which is not covered by subsection (2) of this section, and permit it to receive dividends, other than the first dividend, which are subsequently declared on any claims of the same or lower priority if the payment does not prejudice the orderly administration of the liquidation. The late-filing claimant shall receive, at each distribution, the same percentage of the amount allowed on his claim as is then being paid to other claimants of the same priority plus the same percentage of the amount allowed on his claim as is then being paid to claimants of any lower priority. This shall continue until his claim has been paid in full.

Section 6. KRS 304.33-380 is amended to read as follows:

- (1) Claims contingent on judgments. The claim of a third party which is contingent only on his first obtaining a judgment against the insured shall be considered and allowed as if there were no such contingency.
- (2) Claims under terminated policies. Any claim that would have become absolute if there had been no termination of coverage under KRS 304.33-120, and which was not covered by insurance acquired to replace the terminated coverage, shall be allowed as if the coverage had remained in effect, unless at least ten (10) days before the insured event occurred either the claimant had actual notice of the termination or notice was mailed to him as prescribed by subsection (1) of KRS 304.33-250, or subsection (1) of KRS 304.33-260. If allowed, the claim shall share in distributions under subsection (9)~~(8)~~ of KRS 304.33-430.
- (3) Other contingent claims. A claim may be allowed even if contingent, if it is filed in accordance with subsection (2) of KRS 304.33-360. It may be allowed and may participate in all dividends declared after it is filed, to the extent that it does not prejudice the orderly administration of the liquidation.
- (4) Immature claims. Claims that are due except for the passage of time shall be treated as absolute claims are treated, except that where justice requires the court may order them discounted at the legal rate of interest.

Section 7. KRS 304.33-440 is amended to read as follows:

- (1) Immediate Access. Within one hundred twenty (120) days of a final determination of insolvency of a company by a court of competent jurisdiction of this state, the liquidator shall make application to the court for approval of a proposal to disburse assets out of such company's marshalled assets, from time to time as such assets become available, to guaranty associations or foreign guaranty associations having obligations because of the insolvency. Such proposal shall at least include provision for:
  - (a) Reserving amounts for the payment of the expenses of administration and claims falling within the priorities established in KRS 304.33-430(1) and (3)~~(2)~~;
  - (b) Disbursement of the assets marshalled to date and subsequent disbursements of assets as they become available;
  - (c) Equitable allocation of disbursements to each of the associations entitled thereto; and
  - (d) The securing by the liquidator from each of the associations entitled to disbursements pursuant to paragraph (e) of an agreement to return to the liquidator such assets previously disbursed as may be required to pay claims of secured creditors and claims falling within the priorities established in KRS 304.33-430(1), (3)~~(2)~~ and (4)~~(3)~~ in accordance with such priorities. No bond shall be required of any such association.
  - (e) The liquidator's proposal shall also provide for disbursements to the associations in amounts at least equal to the payments made or to be made thereby for which associations could assert claims against the liquidator, and shall further provide that if the assets available for disbursement from time to time do not equal or exceed the amount of such payments made or to be made by the association then disbursements shall be in the amount of available assets.
  - (f) Notice of such application shall be given to the associations in and to the commissioners of insurance of each of the states in which the company did business. Any such notice shall be deemed to have been given when deposited in the United States certified mails, first class postage prepaid, at least thirty (30) days prior to submission of such application to the court. Action on the application may be taken by the

court provided the above required notice has been given and provided further that the liquidator's proposal complies with this subsection.

- (2) Recommended claims. The liquidator shall review all claims duly filed in the liquidation and shall make such further investigation as he deems necessary. He may compound, compromise or in any other manner negotiate the amount for which claims will be recommended to the court. Unresolved disputes shall be determined under KRS 304.33-400. As often as practicable, he shall present to the court reports of claims against the insurer with his recommendations. The reports shall include the name and address of each claimant, the particulars of the claim and the amount of the claim finally recommended if any. As soon as reasonably possible after the last day for filing claims, he shall present a list of all claims not already reported. If the insurer has issued annuities or life insurance policies, the liquidator shall report the persons to whom, according to the records of the insurer, amounts are owed as cash surrender values or other investment values and the amounts owed. If the insurer has issued policies on the advance premium plan, the liquidator shall report the persons to whom, according to the records of the insurer, unearned premiums are owed and the amounts owed.
- (3) Allowance of claims.   - (b) *Insurers or their designees shall render a decision not later than three (3) business days after the request for an expedited appeal of either an adverse determination or a coverage denial. An expedited appeal is deemed necessary when a covered person is hospitalized or, in the opinion of the treating provider, review under a standard time frame could, in the absence of immediate medical attention, result in any of the following:*
    - 1. *Placing the health of the covered person or, with respect to a pregnant woman, the health of the covered person or the unborn child in serious jeopardy;*
    - 2. *Serious impairment to bodily functions; or*
    - 3. *Serious dysfunction of a bodily organ or part;*

However, in the case of a review involving a medical or surgical specialty or subspecialty, the insurer or agent shall, upon request by a covered person, authorized person, or provider, utilize a board eligible or certified physician in the appropriate specialty or subspecialty area to conduct the internal appeal;*
  - (d) *Those portions of the medical record that are relevant to the internal appeal, if authorized by the covered person and in accordance with state or federal law, shall be considered and providers given the opportunity to present additional information;*
  - (e) *To facilitate expeditious handling of an appeal of an adverse determination or a coverage denial, an insurer or agent that denies, limits, reduces, or terminates coverage for a treatment, procedure, drug, or device for a covered person shall provide the person undertaking an appeal with a denial letter that shall include:*

    - 3. *A description of other alternative treatments, services, or supplies covered by the health benefit plan, if any; and*

For purposes of this subsection "coverage denials" shall not include an adverse determination as defined in Section 1 of this Act or subsequent denials arising from an adverse determination.*
- (a) *On receipt of a written request for review of a coverage denial from a covered person, authorized person, or provider, the department shall notify the insurer which issued the denial of the request for review and shall call for the insurer to respond to the department regarding the request for review within five (5) days receipt of notice to the insurer;*

If the department determines that the treatment, service, drug, or device is not specifically limited or excluded, it shall so notify the insurer, and the insurer shall either cover the service, or afford the covered person an opportunity for external review under Section 11, 12, and 13 of this Act, where the conditions precedent to the review are present. If the department notifies the insurer that the treatment, service, drug, or device is specifically limited or excluded in the health benefit plan, the insurer is not required to cover the service or afford the covered person an external review.*

Section 3. KRS 216B.040 is amended to read as follows:

- (1) The cabinet shall have four (4) separate and distinct functions in administering this chapter:

  - (c) To provide a due process hearing and issue a final determination on all actions by the cabinet to deny, revoke, modify, or suspend licenses of health facilities and health services issued by the cabinet; and
  - (d) To enforce, through legal actions on its own motion, the provisions of this chapter and its orders and decisions issued pursuant to its functions.
- (2) The cabinet shall:
- (a) Promulgate administrative regulations pursuant to the provisions of KRS Chapter 13A:
    - 1. To establish the certificate of need review procedures, including but not limited to, application procedures, notice provisions, procedures for review of completeness of applications, and timetables for review cycles.

Each proposal approved by the cabinet shall be consistent with the state health plan, and shall be subject to biennial budget authorizations and limitations, and with consideration given to the proposal's impact on health care costs in the Commonwealth. The state health plan shall contain a need assessment for long-term care beds, which shall be based on a statistically valid analysis of the present and future needs of the state as a whole and counties individually. The need assessment shall be applied uniformly to all areas of the state. The methodology shall be reviewed and updated on an annual basis. The long-term care bed need criteria in the state health plan or as set forth by the appropriate certificate of need authority shall give preference to conversion of personal care beds and acute care beds to nursing facility beds, so long as the state health plan or the appropriate certificate of need authority establishes a need in the affected counties and the proposed conversions are more cost-effective than new construction. The fact that the state health plan shall not address the specific type of proposal being reviewed shall not constitute grounds for disapproval of the proposal. ***Notwithstanding any other provision of law, the long-term care bed need criteria in the state health plan or as set forth by the appropriate certificate of need authority shall not consider, factor in, or include any continuing care retirement community's nursing home beds established under Sections 1, 2, 5, and 6 of this Act;***
      - b. Need and accessibility. The proposal shall meet an identified need in a defined geographic area and be accessible to all residents of the area.       - c. Interrelationships and linkages. The proposal shall serve to accomplish appropriate and effective linkages with other services, facilities, and elements of the health care system in the region and state, accompanied by assurance of effort to achieve comprehensive care, proper utilization of services, and efficient functioning of the health care system;
      - d. Costs, economic feasibility, and resources availability. The proposal, when measured against the cost of alternatives for meeting needs, shall be judged to be an effective and economical use of resources, not only of capital investment, but also ongoing requirements for health manpower and operational financing;

- e. Quality of services. The applicant shall be prepared to and capable of undertaking and carrying out the responsibilities involved in the proposal in a manner consistent with appropriate standards and requirements assuring the provision of quality health care services, as established by the cabinet;
  - f. Hospital-based skilled nursing, intermediate care, and personal care beds shall be considered by the cabinet in determining the need for freestanding long-term care beds.

Any affected person other than the applicant may request a hearing by filing a request with the cabinet within ten (10) days of the notice to conduct a nonsubstantive review. As applicable, hearings shall be conducted as provided in KRS 216B.085. If the application is denied nonsubstantive review status, it shall automatically be placed in the formal review process.
- (2) If a certificate of need is denied following a nonsubstantive review, the applicant may request that the application be placed in the next cycle of the formal review process. Nothing in this subsection shall require an applicant to pursue a formal review before obtaining judicial review pursuant to KRS 216B.115.

- (5) The decision of the cabinet approving or denying a certificate of need pursuant to this section shall be final for purposes of judicial appeal, unless the applicant requests the application be placed in the formal review process. An approved certificate shall be issued thirty (30) days after notice of the cabinet's decision, unless a judicial appeal is taken and issuance is enjoined by the court.
- (6) *Notwithstanding any other provision of law, the cabinet shall not grant nonsubstantive review status to a certificate of need application that indicates an intent to apply for Medicaid certification of nursing home beds within a continuing care retirement community established under Sections 1, 2, 5, and 6 of this Act.*

AN ACT relating to mining reclamation.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

SECTION 1. A NEW SECTION OF KRS CHAPTER 350 IS CREATED TO READ AS FOLLOWS:

- (1) *If a permittee or operator has been issued a notice or order directing abatement of a violation on the basis of an imminent danger to health and safety of the public or significant imminent environmental harm, and the notice or order requires access to property for which the permittee or operator does not have the legal right of entry necessary in order to abate that violation, and the owner or legal occupant of that property has refused access, an easement of necessity is recognized on behalf of the permittee or operator for the limited purpose of abating that violation.*

- (2) *If a violation other than one described in subsection (1) cannot be abated because the permittee or operator responsible for abatement of the violation has been denied access to the land necessary to allow abatement of the violation, the cabinet shall terminate the notice of noncompliance or cessation order issued for the violation, if the following conditions are met:*
- (a) *Prior to terminating a notice of noncompliance or cessation order under this subsection, and within thirty (30) days of a request by a permittee or operator to terminate a violation based on a lack of access, the cabinet shall verify the denial of access and advise the surface owners of record and the legal occupants of the affected land of the consequences of refusing to allow access to the property for the purpose of enabling abatement of the violation; and*
  - (b) *The cabinet shall explain the consequences by certified mail, return receipt requested, and shall make a good faith effort to notify all owners of interest and legal occupants verbally, that:*
    1. *Refusal to allow access to the property will result in termination of the violation as uncorrectable;*
    2. *If there is damage that occurs to public or private property due to the uncorrected violation condition on the property, that the property owner may also be responsible under law for any property damage to private or public property that may result from the unreclaimed condition; and*
    3. *While the landowner may seek damages or injunctive relief in an action against the permittee or operator, the refusal to grant access in order to allow abatement of the violation shall result in the state terminating the requirement that the permittee or operator undertake work necessary for abatement of the violation, and that while penalties may be assessed, the performance bond shall not be forfeited on the basis of the violation.*
- (3) *The cabinet shall not terminate any notice of noncompliance or cessation order under this section if the cabinet determines that the denial of access necessary to abate the violation has been procured through collusion between the permittee or operator and the landowner or legal occupant of the affected land who is refusing to allow the necessary access. "Collusion," for the purpose of this section, includes any agreement, understanding, or contract by which the landowner refuses access to the property in return for any consideration, whether involving money or otherwise. Any act of collusion shall subject the permittee or operator to penalties under this chapter for willful and knowing refusal to correct the violation.*
- (4) *No noncompliance or cessation order may be terminated under this section where there is any common ownership or control between the permittee or operator and the landowner or legal occupant. No noncompliance or cessation order may be terminated under this section where there is any other legal relationship between the permittee or operator and the landowner or legal occupant, except where a court of competent jurisdiction has determined that the legal relationship does not provide for a right of access.*
- (5) *Where a violation may impact public or private property other than land for which access has been denied, the cabinet shall direct abatement measures to be taken by the permittee or operator to prevent damage to those lands for which access has not been denied.*
- (6) *Termination of a notice of noncompliance or cessation order under this section shall not affect the assessment of a civil penalty for the violation. Nothing in this section shall affect any person's right for damages or injunctive relief.*

- (3) ***Notwithstanding KRS 353.610, the department shall issue a permit for a well to be drilled, deepened, or reopened closer to a boundary than prescribed in KRS 353.610 if a pooling order has been issued pursuant to Section 2 of this Act.***

- (8) The commission shall withhold from the general distribution of funds under subsection (2) of this section an amount which it deems sufficient to reimburse volunteer fire departments for equipment lost or damaged beyond repair due to hazardous material incidents.
- (9) Moneys withheld pursuant to subsection (8) of this section shall be distributed only under the following terms and conditions:
  - (a) A volunteer fire department has lost or damaged beyond repair items of personal protective clothing or equipment due to that equipment having been lost or damaged as a result of an incident in which a hazardous material (as defined in any state or federal statute or regulation) was the causative agent of the loss;
  - (b) The volunteer fire department has made application in writing to the commission for reimbursement in a manner approved by the commission and the loss and the circumstances thereof have been verified by the commission;
  - (c) The loss of or damage to the equipment has not been reimbursed by the person responsible for the hazardous materials incident or by any other person;
  - (d) The commission has determined that the volunteer fire department does not have the fiscal resources to replace the equipment;
  - (e) The commission has determined that the equipment sought to be replaced is immediately necessary to protect the lives of the volunteer firefighters of the fire department;
  - (f) The fire department has agreed in writing to subrogate all claims for and rights to reimbursement for the lost or damaged equipment to the Commonwealth to the extent that the Commonwealth provides reimbursement to the department; and
  - (g) The department has shown to the satisfaction of the commission that it has made reasonable attempts to secure reimbursement for its losses from the person responsible for the hazardous materials incident and has been unsuccessful in the effort.
- (10) If a volunteer fire department has met all of the requirements of subsection (9) of this section, the commission may authorize a reimbursement of equipment losses not exceeding ten thousand dollars (\$10,000) or the actual amount of the loss, whichever is less.

- (12) No volunteer fire department may receive funding for equipment losses more than once during any fiscal year.
- (13) The commission shall make reasonable efforts to secure reimbursement from the responsible party for any moneys awarded to a fire department pursuant to this section.
- (14) There shall be allotted each year of the 1992-93 biennium one million dollars (\$1,000,000), and each year of the 1994-95, 1996-97, 1998-99, and 2000-01 bienniums one million dollars (\$1,000,000) of the insurance premium surcharge proceeds accruing to the Firefighters Foundation Program fund for the purpose of creating a revolving low-interest loan fund, which shall thereafter be self-sufficient and derive its operating revenues from principal and interest payments. The commission, in accordance with the procedures in subsection (4) of this section, may make low-interest loans, and the interest thereon shall not exceed three percent (3%) annually or the amount needed to sustain operating expenses of the loan fund, whichever is less, to volunteer fire departments for the purposes of major equipment purchases and facility construction. Loans shall be made to departments which achieve the training standards necessary to qualify for volunteer fire department aid allotted pursuant to subsection (2) of this section, and which do not have other sources of funds at rates which are favorable given their financial resources. The proceeds of loan payments shall be returned to the loan fund for the purpose of providing future loans. If a department does not make scheduled loan payments, the commission may withhold any grants payable to the department pursuant to subsection (2) of this section until the department is current on its payments. Money in the low-interest loan fund shall be used only for the purposes specified in this subsection. AN ACT relating to collection of taxes.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

Section 1. KRS 134.500 is amended to read as follows:

- (1) Uncollectible tax claims shall bear interest at twelve percent (12%) per annum from the date the certificate of delinquency is issued. All tax bills on omitted property that were not turned over to the sheriff in time to be collected or to make the sale provided for in KRS 134.430 and 134.440 shall also be submitted to the fiscal court but shall be carried over as a charge against the sheriff at the time he makes his next regular settlement.
- (2) The cabinet shall be responsible for the collection of certificates of delinquency and delinquent personal property tax bills; however, the cabinet shall first offer the collection duties to the county attorney, unless the cabinet determines that the county attorney has previously failed to perform collection duties in a reasonable and acceptable manner. Any county attorney desiring to perform the duties associated with the collection of delinquent tax claims shall enter into a contract with the cabinet on an annual basis. The terms of the contract shall specify the duties to be undertaken by the county attorney. These duties shall include but are not limited to the following actions:
  - (a) Within fifty (50) days after the issuance of a certificate of delinquency to the state, county, and taxing district, the county attorney or the Revenue Cabinet shall cause a notice of the purchase to be mailed by regular mail to the property owner at the address on the records of the property valuation administrator. The notice shall advise the owner that the certificate is a lien of record against all property of the owner, and bears interest at the rate of twelve percent (12%) per annum, and if not paid will be subject to collection by the county attorney as provided by law.
  - (b) The county attorney shall file in the office of the county clerk a list of the names and addresses to which the notice was mailed along with a certificate that the notice was mailed in accordance with the requirements of this section.
  - (c) All notices returned as undeliverable shall be submitted to the property valuation administrator. The property valuation administrator shall attempt to correct inadequate or erroneous addresses and, if property has been transferred, shall determine the new owner and the current mailing address. The property valuation administrator shall return the notices with the corrected information to the county attorney prior to the expiration of the one (1) year tolling period provided in KRS 134.470.
  - (d) Within ninety (90) days after the expiration of the one (1) year tolling period provided in KRS 134.470, the county attorney shall cause a notice of his intention to enforce the lien to be mailed to all owners whose tax bills remain delinquent. No second notice shall be required for addresses previously determined to be undeliverable and for which the property valuation administrator has not provided corrected information.
  - (e) Failure to mail the notices shall not affect the validity of the claim of the state, county, and taxing district. The postal cost of mailing the notices shall be added to the certificate of delinquency and, upon collection, the county attorney shall be reimbursed for the postage. The county attorney shall deliver at the same time a list of the owners whose tax bills remain delinquent to the property valuation administrator. The property valuation administrator shall review this list in accordance with the provisions of KRS 132.220 to establish that the properties on the list can be identified and physically located.
- (3) The county attorney who enters into a contract with the cabinet shall have a period of two (2) years after the expiration of the one (1) year tolling period provided in KRS 134.470 to collect delinquent tax bills or to initiate court action for their collection. At the expiration of the two (2) years the cabinet may assume responsibility for all uncollected bills except those with pending court action.

- (4) The county attorney who enters into a contract with the cabinet and performs his duties in respect to the certificate of delinquency and delinquent personal property tax bills shall be entitled to twenty percent (20%) of the amount due each taxing unit, whether the tax claim is voluntarily paid or is paid through sale or under court order, and the fee shall be paid to him by the county clerk when making distribution, as provided in KRS 134.480. This fee shall be added to the amount of the tax claims and paid by the persons paying the tax claims. They shall not be paid by the taxing districts or deducted from the taxes due the taxing districts. ***This fee shall be waived if the certificate of delinquency is paid by the taxpayer only within five (5) days of the sheriff's sale.*** If more than one (1) county attorney renders necessary services in an effort to collect a tax claim, the attorney serving the last notice or rendering the last substantial service preceding collection shall be entitled to the fee. When the county attorney's office, in an effort to collect a certificate of delinquency, or delinquent personal property tax bills files a court action which is litigated by the taxpayer, an additional county's attorney fee equal to thirteen percent (13%) of the total tax plus ten percent (10%) penalty, may be added to the certificate or the bill and shall become part of the tax claim.
- (5) If a county attorney chooses not to contract for these collection duties or if a county attorney fails to perform the duties required by the contract, the cabinet shall assume responsibility for the collection process. In the performance of those duties, the cabinet shall have all the powers, rights, duties, and authority with respect to the collection, refund, and administration of the amount due on the certificate of delinquency conferred generally upon the cabinet by Kentucky Revised Statutes including, but not limited to, KRS Chapters 131, 134, and 135. The twenty percent (20%) fee that would have otherwise been paid to the county attorney shall be paid to the cabinet for deposit in the delinquent tax fund provided for under KRS 134.400.
- (6) Any action on behalf of the state, county, and taxing districts authorized by this section or by KRS 134.470, 134.490, or 134.540 shall be filed on relation of the secretary, and the petition may be sent to the cabinet, which may require revision in instances where it deems revision or amendment necessary. The cabinet shall advise the county attorney in all actions, and may send him special assistance when the secretary deems assistance necessary. A copy of the judgment shall also be sent to the cabinet. If the cabinet sends assistance to a county attorney who contracts to prosecute the suits or proceedings, the county attorney shall be entitled to his full fee. On the same day that suit is filed, the county clerk shall be given notice of its filing. Costs incident to the suit shall become a part of the tax claim.
- (7) The cabinet may make its delinquent tax collection databases and other technical resources, including but not limited to income tax refund offsetting, available to the county attorney upon request from the county attorney. The county attorney seeking assistance shall enter into any agreements required by the cabinet to protect taxpayer confidentiality, to ensure database integrity, or to address other concerns of the cabinet.

Section 1. KRS 205.560 is amended to read as follows:

- (1) The scope of medical care for which the Cabinet for Health Services undertakes to pay shall be designated and limited by regulations promulgated by the cabinet, pursuant to the provisions in this section. Within the limitations of any appropriation therefor, the provision of complete upper and lower dentures to recipients of Medical Assistance Program benefits who have their teeth removed by a dentist resulting in the total absence of teeth shall be a mandatory class in the scope of medical care. Payment to a dentist of any Medical Assistance Program benefits for complete upper and lower dentures shall only be provided on the condition of a preauthorized agreement between an authorized representative of the Medical Assistance Program and the dentist prior to the removal of the teeth. The selection of another class or other classes of medical care shall be recommended by the council to the secretary for health services after taking into consideration, among other things, the amount of federal and state funds available, the most essential needs of recipients, and the meeting of such need on a basis insuring the greatest amount of medical care as defined in KRS 205.510 consonant with the funds available, including, but not limited to, the following categories, except where the aid is for the purpose of obtaining an abortion:
  - (a) Hospital care, including drugs, and medical supplies and services during any period of actual hospitalization;
  - (b) Nursing-home care, including medical supplies and services, and drugs during confinement therein on prescription of a physician, dentist, or podiatrist;
  - (c) Drugs, nursing care, medical supplies, and services during the time when a recipient is not in a hospital but is under treatment and on the prescription of a physician, dentist, or podiatrist;
  - (d) Physician, podiatric, and dental services;
  - (e) Optometric services for all age groups shall be limited to prescription services, services to frames and lenses, and diagnostic services provided by an optometrist, to the extent the optometrist is licensed to perform the services and to the extent the services are covered in the ophthalmologist portion of the physician's program. Eyeglasses shall be provided only to children under age twenty-one (21);
  - (f) Drugs on the prescription of a physician used to prevent the rejection of transplanted organs if the patient is indigent;
  - (g) Nonprofit neighborhood health organizations or clinics where some or all of the medical services are provided by licensed registered nurses or by advanced medical students presently enrolled in a medical school accredited by the Association of American Medical Colleges and where the students or licensed registered nurses are under the direct supervision of a licensed physician who rotates his services in this supervisory capacity between two (2) or more of the nonprofit neighborhood health organizations or clinics specified in this paragraph;
  - (h) Services provided by health-care delivery networks as defined in KRS 216.900; and
  - (i) Services provided by midlevel health-care practitioners as defined in KRS 216.900.
- (2) Payments for hospital care, nursing-home care, and drugs or other medical, ophthalmic, podiatric, and dental supplies shall be on bases which relate the amount of the payment to the cost of providing the services or supplies. It shall be one (1) of the functions of the council to make recommendations to the Cabinet for Health Services with respect to the bases for payment. In determining the rates of reimbursement for long-term-care facilities participating in the Medical Assistance Program, the Cabinet for Health Services shall, to the extent

permitted by federal law, not allow the following items to be considered as a cost to the facility for purposes of reimbursement:

- (a) Motor vehicles that are not owned by the facility, including motor vehicles that are registered or owned by the facility but used primarily by the owner or family members thereof;
  - (b) The cost of motor vehicles, including vans or trucks, used for facility business shall be allowed up to fifteen thousand dollars (\$15,000) per facility, adjusted annually for inflation according to the increase in the consumer price index-u for the most recent twelve (12) month period, as determined by the United States Department of Labor. Medically equipped motor vehicles, vans, or trucks shall be exempt from the fifteen thousand dollar (\$15,000) limitation. Costs exceeding this limit shall not be reimbursable and shall be borne by the facility. Costs for additional motor vehicles, not to exceed a total of three (3) per facility, may be approved by the Cabinet for Health Services if the facility demonstrates that each additional vehicle is necessary for the operation of the facility as required by regulations of the cabinet;
  - (c) Salaries paid to immediate family members of the owner or administrator, or both, of a facility, to the extent that services are not actually performed and are not a necessary function as required by regulation of the cabinet for the operation of the facility. The facility shall keep a record of all work actually performed by family members;
  - (d) The cost of contracts, loans, or other payments made by the facility to owners, administrators, or both, unless the payments are for services which would otherwise be necessary to the operation of the facility and the services are required by regulations of the Cabinet for Health Services. Any other payments shall be deemed part of the owner's compensation in accordance with maximum limits established by regulations of the Cabinet for Health Services. Interest paid to the facility for loans made to a third party may be used to offset allowable interest claimed by the facility;
  - (e) Private club memberships for owners or administrators, travel expenses for trips outside the state for owners or administrators, and other indirect payments made to the owner, unless the payments are deemed part of the owner's compensation in accordance with maximum limits established by regulations of the Cabinet for Health Services; and
  - (f) Payments made to related organizations supplying the facility with goods or services shall be limited to the actual cost of the goods or services to the related organization, unless it can be demonstrated that no relationship between the facility and the supplier exists. A relationship shall be considered to exist when an individual, including brothers, sisters, father, mother, aunts, uncles, and in-laws, possesses a total of five percent (5%) or more of ownership equity in the facility and the supplying business. An exception to the relationship shall exist if fifty-one percent (51%) or more of the supplier's business activity of the type carried on with the facility is transacted with persons and organizations other than the facility and its related organizations.
- (3) No vendor payment shall be made unless the class and type of medical care rendered and the cost basis therefor has first been designated by regulation.
  - (4) The rules and regulations of the Cabinet for Health Services shall require that a written statement, including the required opinion of a physician, shall accompany any claim for reimbursement for induced premature births. This statement shall indicate the procedures used in providing the medical services.
  - (5) The range of medical care benefit standards provided and the quality and quantity standards and the methods for determining cost formulae for vendor payments within each category of public assistance and other recipients shall be uniform for the entire state, and shall be designated by regulation promulgated within the limitations established by the Social Security Act and federal regulations. It shall not be necessary that the amount of payments for units of services be uniform for the entire state but amounts may vary from county to county and from city to city, as well as among hospitals, based on the prevailing cost of medical care in each locale and other local economic and geographic conditions, except that insofar as allowed by applicable federal law and regulation, the maximum amounts reimbursable for similar services rendered by physicians within the same specialty of medical practice shall not vary according to the physician's place of residence or place of practice, as long as the place of practice is within the boundaries of the state.
  - (6) Nothing in this section shall be deemed to deprive a woman of all appropriate medical care necessary to prevent her physical death.

- (7) To the extent permitted by federal law, no medical assistance recipient shall be recertified as qualifying for a level of long-term care below the recipient's current level, unless the recertification includes a physical examination conducted by a physician licensed pursuant to KRS Chapter 311 or by an advanced registered nurse practitioner licensed pursuant to KRS Chapter 314 and acting under the physician's supervision.
- (8) If payments made to community mental health centers, established pursuant to KRS Chapter 210, for services provided to the mentally retarded exceed the actual cost of providing the service, the balance of the payments shall be used solely for the provision of other services to the mentally retarded through community mental health centers.
- (9) No long-term-care facility, as defined in KRS 216.510, providing inpatient care to recipients of medical assistance under Title XIX of the Social Security Act on July 15, 1986, shall deny admission of a person to a bed certified for reimbursement under the provisions of the Medical Assistance Program solely on the basis of the person's paying status as a Medicaid recipient. No person shall be removed or discharged from any facility solely because they became eligible for participation in the Medical Assistance Program, unless the facility can demonstrate the resident or the resident's responsible party was fully notified in writing that the resident was being admitted to a bed not certified for Medicaid reimbursement. No facility may decertify a bed occupied by a Medicaid recipient or may decertify a bed that is occupied by a resident who has made application for medical assistance.
- (10) Family-practice physicians practicing in geographic areas with no more than one (1) primary-care physician per five thousand (5,000) population, as reported by the United States Department of Health and Human Services, shall be reimbursed one hundred twenty-five percent (125%) of the standard reimbursement rate for physician services.
- (11) The Cabinet for Health Services ~~shall~~<sup>may</sup> make payments under the Medical Assistance program for services which are within the lawful scope of practice of a chiropractor licensed pursuant to KRS Chapter 312, to the extent the Medical Assistance Program pays for the same services provided by a physician.

Nothing in this subsection shall limit the extension of the term of a financing agreement if there is a refunding of the correlative bonds or otherwise.
  - (b) All proceeds of any bonds incurred in connection with the economic development project shall be expended by the approved company within three (3) years from the date of the financing agreement. In the event that all proceeds of bonds incurred in connection with the economic development project are not fully expended within the three (3) year period, the amount of the authorized inducements shall automatically be reduced to and shall not be greater than the amount of proceeds actually expended by the approved company within the three (3) year period.

2. If in any fiscal year of the approved company during which the financing agreement is in effect the total of the income tax credit granted to the approved company plus the assessment collected from the wages of the employees equals the annual payment pursuant to the financing agreement, and if all excess payments pursuant to the financing agreement accumulated in prior years have been recouped, the assessment collected from the wages of the employees shall cease for the remainder of that fiscal year of the approved company, and the approved company shall resume normal personal income tax and occupational license fee withholdings from the employees' wages for the remainder of that fiscal year.
  3. If in any fiscal year of the approved company during which the financing agreement is in effect, the total of the income tax credit granted to the approved company plus the assessment collected from the wages of the employees exceeds the annual payment pursuant to the financing agreement, and if all excess payments pursuant to the financing agreement accumulated in prior years have been recouped, the approved company shall pay the excess to the Commonwealth as income tax.
  4. If in any fiscal year of the approved company during which the financing agreement is in effect the assessment collected from the wages of the employees exceeds the annual payment pursuant to the financing agreement, and if all excess payments pursuant to the financing agreement accumulated in prior years have been recouped, the assessment collected from the wages of the employees shall cease for the remainder of that fiscal year of the approved company, the approved company shall resume normal personal income tax and occupational license fee withholdings from the employees' wages for the remainder of that fiscal year, and the approved company shall remit to the Commonwealth and applicable local jurisdictions their respective shares of the excess assessment collected on the withholding filing date for employees' wages next succeeding the first date when the approved company collected excess assessments.
- (f) The financing agreement shall provide in substance that:
1. It may be assigned by the approved company only upon the prior written consent of the authority following the adoption of a resolution by the authority to such effect; and

3. Nothing in this subsection shall limit the extension of the term of a financing agreement if there is a refinancing of the loans or other financing. The authority shall not own an economic development project that is the subject of this form of financing agreement.
- (b) All proceeds of any loan or other financing incurred in connection with the economic development project shall be expended by the approved company within three (3) years from the date of the financing agreement. In the event that all proceeds of any loan or other financing incurred in connection with the economic development project are not fully expended within the three (3) year period, the authorized inducements shall automatically be reduced to and shall not be greater than the amount of proceeds actually expended by the approved company within the three (3) year period.
- (c)
  1. The approved company may be permitted the following during the term of the financing agreement:

- (d)
  1. The financing agreement shall provide that the assessments, when added to the credit for the Kentucky income tax as provided in KRS 154.22-060, shall not exceed the total annual debt service payments of the approved company with respect to the loans or other financing incurred in connection with the economic development project in any year; however, to the extent that such annual debt service payments exceed credits received and assessments collected in any year, the excess payment may be recouped from excess credits or assessment collections in succeeding years.
  2. If, in any fiscal year of the approved company during which the financing agreement is in effect, the total of the income tax credit granted to the approved company, plus the assessment collected from the wages of the employees, equals the annual debt service payments with respect to the loans or other financing incurred in connection with the economic development project, and if all excess payments with respect to the loans or other financing incurred in connection with the economic development project accumulated in prior years have been recouped, the assessment collected from the wages of the employees shall cease for the remainder of that fiscal year of the approved company and the approved company shall resume normal personal income tax and occupational license fee withholdings from the employees' wages for the remainder of that fiscal year.
  3. If in any fiscal year of the approved company during which the financing agreement is in effect the total of the income tax credit granted to the approved company plus the assessment collected from the wages of the employees exceeds the annual payment pursuant to the financing agreement, and if all excess payments pursuant to the financing agreement accumulated in prior years have been recouped, the approved company shall pay the excess to the Commonwealth as income tax.
  4. If in any fiscal year of the approved company during which the financing agreement is in effect the assessment collected from the wages of the employees exceeds the annual payment pursuant to the financing agreement, and if all excess payments pursuant to the financing agreement accumulated in prior years have been recouped, the assessment collected from the wages of the employees shall cease for the remainder of that fiscal year of the approved company, the approved company shall resume normal personal income tax and occupational license fee withholdings from the employees' wages for the remainder of that fiscal year, and the approved company shall remit to the Commonwealth and applicable local jurisdictions their respective

Such evidence shall be provided to the authority within forty-five (45) days after the end of each fiscal year of the financing agreement.
- (g) The financing agreement shall provide that if an approved company fails to comply with its respective obligations under the financing agreement, or that the lender to an approved company fails to comply with its requirements set forth in subsection (2)(f) of this section, or is declared in default under the loans or other financing incurred in connection with the economic development project, then the authority, or any of its assignees, shall have the right, at its option, to:

To implement the activation date, the approved company shall notify the authority, the Revenue Cabinet, and the approved company's employees of the activation date when the implementation of the inducements authorized in the financing agreement shall occur. If the approved company does not satisfy the minimum investment and minimum employment requirements of KRS 154.22-040(3) by the activation date, the approved company shall not be entitled to receive inducements pursuant to this subchapter until the approved company satisfies the requirements; however, the fifteen (15) year period for the term of the financing agreement shall begin from the activation date. Notwithstanding the previous sentence, if the approved company does not satisfy the minimum investment and minimum employment requirements of KRS 154.22-040(3) within two (2) years from the date of final approval of the financing agreement, then the approved company shall be ineligible to receive inducements under this subchapter unless an extension is approved by the authority.

  - (b) All proceeds of any loan or other financing incurred in connection with the economic development project shall be expended by the approved company within three (3) years from the date of the financing agreement.     2. If in any fiscal year of the approved company during which the financing agreement is in effect the total assessments collected from the wages of the employees equals the annual payment pursuant to the financing agreement, and if all excess payments pursuant to the financing agreement accumulated in prior years have been recouped, the assessments collected from the wages of the employees shall cease for the remainder of that fiscal year of the approved company, and the approved company shall resume normal personal income tax withholdings from employees' wages for the remainder of that fiscal year.
  - (b) The Kentucky income tax credit, in any fiscal year of the approved company, shall not exceed the total debt service paid during the same fiscal year with respect to the loans or other financing incurred in connection with the economic development project; however, to the extent that annual debt service payments exceed the annual income tax credits in any year, the excess debt service payments may be recouped from excess tax credits in succeeding years.

SECTION 4. A NEW SECTION OF KRS CHAPTER 369 IS CREATED TO READ AS FOLLOWS:

*Sections 1 to 20 of this Act applies to any electronic record or electronic signature created, generated, sent, communicated, received, or stored on or after the effective date of this Act.*

SECTION 5. A NEW SECTION OF KRS CHAPTER 369 IS CREATED TO READ AS FOLLOWS:

- (1) *Sections 1 to 20 of this Act does not require a record or signature to be created, generated, sent, communicated, received, stored, or otherwise processed or used by electronic means or in electronic form.*
- (2) *Sections 1 to 20 of this Act applies only to transactions between parties each of which has agreed to conduct transactions by electronic means. Whether the parties agree to conduct a transaction by electronic means is determined from the context and surrounding circumstances, including the parties' conduct.*
- (3) *A party that agrees to conduct a transaction by electronic means may refuse to conduct other transactions by electronic means. The right granted by this subsection may not be waived by agreement.*
- (4) *Except as otherwise provided in Sections 1 to 20 of this Act, the effect of any of its provisions may be varied by agreement. The presence in certain provisions of Sections 1 to 20 of this Act of the words "unless otherwise agreed," or words of similar import, does not imply that the effect of other provisions may not be varied by agreement.*
- (5) *Whether an electronic record or electronic signature has legal consequences is determined by Sections 1 to 20 of this Act and other applicable law.*

SECTION 6. A NEW SECTION OF KRS CHAPTER 369 IS CREATED TO READ AS FOLLOWS:

- (2) *A contract may not be denied legal effect or enforceability solely because an electronic record was used in its formation.*

- (4) *If a law requires a signature, an electronic signature satisfies the law.*

SECTION 8. A NEW SECTION OF KRS CHAPTER 369 IS CREATED TO READ AS FOLLOWS:

- (1) *If parties have agreed to conduct a transaction by electronic means and a law requires a person to provide, send, or deliver information in writing to another person, the requirement is satisfied if the information is provided, sent, or delivered, as the case may be, in an electronic record capable of retention by the recipient at the time of receipt. An electronic record is not capable of retention by the recipient if the sender or its information processing system inhibits the ability of the recipient to print or store the electronic record.*
- (2) *If a law other than Sections 1 to 20 of this Act requires a record to be posted or displayed in a certain manner, to be sent, communicated, or transmitted by a specified method, or to contain information that is formatted in a certain manner, the following rules apply:*
  - (a) *The record must be posted or displayed in the manner specified in the other law.*
  - (b) *Except as otherwise provided in subsection (4)(b) of this section, the record must be sent, communicated, or transmitted by the method specified in the other law.*
  - (c) *The record must contain the information formatted in the manner specified in the other law.*
- (3) *If a sender inhibits the ability of a recipient to store or print an electronic record, the electronic record is not enforceable against the recipient.*

  - (a) *To the extent a law other than Sections 1 to 20 of this Act requires information to be provided, sent, or delivered in writing but permits that requirement to be varied by agreement, the requirement under subsection (1) of this section that the information be in the form of an electronic record capable of retention may also be varied by agreement; and*
  - (b) *A requirement under a law other than Sections 1 to 20 of this Act to send, communicate, or transmit a record by United States mail may be varied by agreement to the extent permitted by the other law.*

SECTION 9. A NEW SECTION OF KRS CHAPTER 369 IS CREATED TO READ AS FOLLOWS:

- (1) *An electronic record or electronic signature is attributable to a person if it was the act of the person. The act of the person may be shown in any manner, including a showing of the efficacy of any security procedure applied to determine the person to which the electronic record or electronic signature was attributable.*
- (2) *The effect of an electronic record or electronic signature attributed to a person under subsection (1) of this section is determined from the context and surrounding circumstances at the time of its creation, execution, or adoption, including the parties' agreement, if any, and otherwise as provided by law.*

SECTION 10. A NEW SECTION OF KRS CHAPTER 369 IS CREATED TO READ AS FOLLOWS:

*If a change or error in an electronic record occurs in a transmission between parties to a transaction, the following rules apply:*

- (1) *If the parties have agreed to use a security procedure to detect changes or errors and one party has conformed to the procedure, but the other party has not, and the nonconforming party would have detected the change or error had that party also conformed, the conforming party may avoid the effect of the changed or erroneous electronic record.*
- (2) *In an automated transaction involving an individual, the individual may avoid the effect of an electronic record that resulted from an error made by the individual in dealing with the electronic agent of another person if the electronic agent did not provide an opportunity for the prevention or correction of the error and, at the time the individual learns of the error, the individual:*

- (a) *Promptly notifies the other person of the error and that the individual did not intend to be bound by the electronic record received by the other person;*
  - (b) *Takes reasonable steps, including steps that conform to the other person's reasonable instructions, to return to the other person or, if instructed by the other person, to destroy the consideration received, if any, as a result of the erroneous electronic record; and*
  - (c) *Has not used or received any benefit or value from the consideration, if any, received from the other person.*
- (3) *If neither subsection (1) of this section nor subsection (2) of this section applies, the change or error has the effect provided by other law, including the law of mistake, and the parties' contract, if any.*
- (4) *Subsections (2) and (3) of this section may not be varied by agreement.*

SECTION 11. A NEW SECTION OF KRS CHAPTER 369 IS CREATED TO READ AS FOLLOWS:

*If a law requires a signature or record to be notarized, acknowledged, verified, or made under oath, the requirement is satisfied if the electronic signature of the person authorized to perform those acts, together with all other information required to be included by other applicable law, is attached to or logically associated with the signature or record.*

SECTION 12. A NEW SECTION OF KRS CHAPTER 369 IS CREATED TO READ AS FOLLOWS:

  - (b) *Remains accessible for later reference.*

- (3) *A person may satisfy subsection (1) of this section by using the services of another person if the requirements of that subsection are satisfied.*
- (4) *If a law requires a record to be presented or retained in its original form, or provides consequences if the record is not presented or retained in its original form, that law is satisfied by an electronic record retained in accordance with subsection (1) of this subsection.*
- (5) *If a law requires retention of a check, that requirement is satisfied by retention of an electronic record of the information on the front and back of the check in accordance with subsection (1) of this subsection.*
- (6) *A record retained as an electronic record in accordance with subsection (1) of this section satisfies a law requiring a person to retain a record for evidentiary, audit, or like purposes, unless a law enacted after the effective date of Sections 1 to 20 of this Act specifically prohibits the use of an electronic record for the specified purpose.*
- (7) *This section does not preclude a governmental agency of this state from specifying additional requirements for the retention of a record subject to the agency's jurisdiction.*

SECTION 13. A NEW SECTION OF KRS CHAPTER 369 IS CREATED TO READ AS FOLLOWS:

*In a proceeding, evidence of a record or signature may not be excluded solely because it is in electronic form.*

SECTION 14. A NEW SECTION OF KRS CHAPTER 369 IS CREATED TO READ AS FOLLOWS:

*In an automated transaction, the following rules apply:*

- (1) *A contract may be formed by the interaction of electronic agents of the parties, even if no individual was aware of or reviewed the electronic agents' actions or the resulting terms and agreements.*
- (2) *A contract may be formed by the interaction of an electronic agency and an individual, acting on the individual's own behalf or for another person, including by an interaction in which the individual performs actions that the individual is free to refuse to perform and which the individual knows or has reason to know will cause the electronic agent to complete the transaction or performance.*
- (3) *The terms of the contract are determined by the substantive law applicable to it.*

## SECTION 15. A NEW SECTION OF KRS CHAPTER 369 IS CREATED TO READ AS FOLLOWS:

- (1) *Unless otherwise agreed between the sender and the recipient, an electronic record is sent when it:*

  - (b) *Is in a form capable of being processed by that system; and*

- (2) *Unless otherwise agreed between a sender and the recipient, an electronic record is received when:*
  - (a) *It enters an information processing system that the recipient has designated or uses for the purpose of receiving electronic records or information of the type sent and from which the recipient is able to retrieve the electronic record; and*
  - (b) *It is in a form capable of being processed by that system.*
- (3) *Subsection (2) of this section applies even if the place the information processing system is located is different from the place the electronic record is deemed to be received under subsection (4) of this section.*
- (4) *Unless otherwise expressly provided in the electronic record or agreed between the sender and the recipient, an electronic record is deemed to be sent from the sender's place of business and to be received at the recipient's place of business. For purposes of this subsection, the following rules apply:*
  - (a) *If the sender or recipient has more than one (1) place of business, the place of business of that person is the place having the closest relationship to the underlying transaction.*
  - (b) *If the sender or the recipient does not have a place of business, the place of business is the sender's or recipient's residence, as the case may be.*
- (5) *An electronic record is received under subsection (2) of this section even if no individual is aware of its receipt.*
- (6) *Receipt of an electronic acknowledgment from an information processing system described in subsection (2) of this section establishes that a record was received but, by itself, does not establish that the content sent corresponds to the content received.*
- (7) *If a person is aware that an electronic record purportedly sent under subsection (1) of this section, or purportedly received under subsection (2) of this section, was not actually sent or received, the legal effect of the sending or receipt is determined by other applicable law. Except to the extent permitted by the other law, the requirements of this subsection may not be varied by agreement.*

## SECTION 16. A NEW SECTION OF KRS CHAPTER 369 IS CREATED TO READ AS FOLLOWS:

- (1) *In this section, "transferable record" means an electronic record that:*
  - (a) *Would be a note under Article 3 of KRS Chapter 355 or a document under Article 7 of KRS Chapter 355 if the electronic record were in writing; and*
  - (b) *The issuer of the electronic record expressly has agreed is a transferable record.*
- (2) *A person has control of a transferable record if a system employed for evidencing the transfer of interests in the transferable record reliably establishes that person as the person to which the transferable record was issued or transferred.*
- (3) *A system satisfies subsection (2) of this section, and a person is deemed to have control of a transferable record, if the transferable record is created, stored, and assigned in such a manner that:*
  - (a) *A single authoritative copy of the transferable record exists which is unique, identifiable, and, except as otherwise provided in paragraphs (d), (e), and (f) of this subsection, unalterable;*
  - (b) *The authoritative copy identifies the person asserting control as:*

2. *If the authoritative copy indicates that the transferable record has been transferred, the person to which the transferable record was most recently transferred;*
- (c) *The authoritative copy is communicated to and maintained by the person asserting control or its designated custodian;*
- (d) *Copies of revisions that add or change an identified assignee of the authoritative copy can be made only with the consent of the person asserting control;*

- (f) *Any revision of the authoritative copy is readily identifiable as authorized or unauthorized.*
- (4) *Except as otherwise agreed, a person having control of a transferable record is the holder, as defined in KRS 355.1-201(20), of the transferable record and has the same rights and defenses as a holder of an equivalent record or writing under KRS Chapter 355, including, if the applicable statutory requirements under KRS 355.3-302(1), 355.7-501, or 355.9-308 are satisfied, the rights and defenses of a holder in due course, a holder to which a negotiable document of title has been duly negotiated, or a purchaser, respectively. Delivery, possession, and indorsement are not required to obtain or exercise any of the rights under this subsection.*
- (5) *Except as otherwise agreed, an obligor under a transferable record has the same rights and defenses as an equivalent obligor under equivalent records or writing under KRS Chapter 355.*
- (6) *If requested by a person against which enforcement is sought, the person seeking to enforce the transferable record shall provide reasonable proof that the person is in control of the transferable record. Proof may include access to the authoritative copy of the transferable record and related business records sufficient to review the terms of the transferable record and to establish the identity of the person having control of the transferable record.*

SECTION 17. A NEW SECTION OF KRS CHAPTER 369 IS CREATED TO READ AS FOLLOWS:

*Each governmental agency of this Commonwealth shall determine whether, and the extent to which it will create electronic records. The Kentucky Department of Libraries and Archives shall determine whether, and the extent to which, the Commonwealth will retain electronic records and convert written records to electronic records.*

- (1) *Except as otherwise provided in subsection (6) of section 12 of this Act, each governmental agency of this state, in compliance with standards established by the Governor's Office for Technology, shall determine whether, and the extent to which, it will send and accept electronic records and electronic signatures to and from other persons and otherwise create, generate, communicate, store, process, use, and rely upon electronic records and electronic signatures.*
- (2) *To the extent that a governmental agency uses electronic records and electronic signatures under subsection (1) of this section:*

  - (b) *If electronic records must be signed by electronic means, each governmental agency, giving due consideration to security, may specify the type of electronic signature required, the manner and format in which the electronic signature must be affixed to the electronic record, and the identity of, or criteria that must be met by, any third party used by a person filing a document to facilitate the process;*
  - (c) *The Governor's Office for Technology and the Department for Libraries and Archives, giving due consideration to security, may specify control processes and procedures as appropriate to ensure adequate preservation, disposition, integrity, security, confidentiality, and auditability of electronic records; and*
  - (d) *Each governmental agency, giving due consideration to security, may specify any other required attributes for electronic records which are specified for corresponding nonelectronic records or reasonably necessary under the circumstances.*

- (3) *Except as otherwise provided in subsection (6) of Section 12 of this Act, Sections 1 to 20 of this Act does not require a governmental agency of this state to use or permit the use of electronic records or electronic signatures.*

SECTION 19. A NEW SECTION OF KRS CHAPTER 369 IS CREATED TO READ AS FOLLOWS:

*The Governor's Office for Technology which adopts standards pursuant to subsection (2)(a) of Section 18 of this Act may encourage and promote consistency and interoperability with similar requirements adopted by other governmental agencies of this and other states and the federal government and nongovernmental persons interacting with governmental agencies of this state. If appropriate, those standards may specify differing levels of standards from which governmental agencies of this state may choose in implementing the most appropriate standard for a particular application.*

SECTION 20. A NEW SECTION OF KRS CHAPTER 369 IS CREATED TO READ AS FOLLOWS:

A CONCURRENT RESOLUTION directing the Interim Joint Committee on Education to study the issue of the instruction of the principles of economics and the need for promoting economic education in public schools.

WHEREAS, the General Assembly of the Commonwealth of Kentucky has expressed its intent to create a system of public education which shall allow and assist all students to acquire knowledge to make economic, social, and political choices; and

WHEREAS, the principles of economics are in evidence throughout many aspects of human personal and social activity; and

WHEREAS, a survey by the National Council for Economic Education revealed that most Americans have no formal education in basic economics or personal finance, even as they are confronted with making economic decisions in their roles as consumers, investors, members of the workforce, and participants in the global economy; and

WHEREAS, sixty-six percent of high school students and forty-nine percent of adults failed a test of their knowledge of basic economic principles conducted by the National Council on Economic Education during 1998 and 1999; and

## CHAPTER 304

### (HB 692)

AN ACT relating to the Board of Claims.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

SECTION 1. A NEW SECTION OF KRS CHAPTER 44 IS CREATED TO READ AS FOLLOWS:

***No claim shall be brought before the board unless the value of the total amount of damages claimed therein is one hundred dollars (\$100) or greater.***

Section 2. KRS 44.086 is amended to read as follows:

- (1) The board may require affected state agencies to investigate claims and the incidents on which they are based and to furnish to the board and the claimant in writing the facts learned by investigation. Such response shall be sufficiently specific to support a decision by the board to pay or deny the claim. If the agency believes the state should refute a claim, the agency shall cite the facts about the incident that support its belief.
- (2) If the claim is under one thousand dollars (\$1,000) it will be investigated by the board in-house and if the board believes it needs additional facts before deciding the claim, the parties may provide the needed information by letter or as directed by the board.
- (3) The board shall hold hearings on contested claims whose value is ***one thousand***~~five hundred~~ dollars ***(\$1,000)***~~(\$500)~~ or greater but may decide claims under ***one thousand***~~five hundred~~ dollars ***(\$1,000)***~~(\$500)~~ without a hearing.
- (4) At its hearings, the board, or any of its members, or any of its hearing officers shall hear the parties at issue and their representatives and witnesses.
- (5) The award or order shall be made by the board or by a member assigned by the chairman within thirty (30) days after final submission, except in cases involving large or complicated records or unusual questions of law, and shall be made within ninety (90) days after final submission in any event. The order or award, together with a statement of the findings of fact, rulings of law and other matters pertinent to the question at issue shall be filed with the record of the claim and a copy of the order or award shall immediately be sent to the parties in dispute.
- (6) If an application for review is made to the board within fourteen (14) days from the date of the order or award, the full board, if the first decision was not made by the full board, shall, as soon as practicable, review the evidence, or, if deemed advisable, hear the parties at issue, their representatives and witnesses, and shall make an order or award and file it as specified in subsection (5) above.

Section 3. KRS 44.140 is amended to read as follows:

- (1) Appeals may be taken by a state agency from all awards of the board where the amount in controversy, exclusive of interest and costs, is more than ***one thousand***~~five hundred~~ dollars ***(\$1,000)***~~(\$500)~~. Appeals shall be taken to the Circuit Court of the county wherein the hearing was conducted, provided, however, that an appeal involving a nonresident claimant may be taken by a state agency to the Franklin Circuit Court with the approval of the board. No state agency can appeal any decision of the board without securing the prior approval of the Attorney General. Appeals shall be taken within forty-five (45) days from the rendition of the award, and the method of appeals shall follow as nearly as may be the rules of civil procedure, except the Commonwealth shall not be required to execute bond.
- (2) Any claimant whose claim is ***one thousand***~~five hundred~~ dollars ***(\$1,000)***~~(\$500)~~ or greater may within forty-five (45) days after receipt of the copy of the report containing the final decision of the board, file a proceeding in the Circuit Court of the county wherein the hearing was conducted to review the decision of the board. A copy of the filing and complaint shall be served on the Attorney General in the manner provided by the rules of civil procedure.
- (3) The board, the state agency and the claimant shall be necessary parties to such appeals. It shall not be necessary for the board to file responsive pleadings unless it so desires.
- (4) The executive director of the board shall within thirty (30) days after service of the summons file the entire original record properly bound, with the clerk of the Circuit Court, after certifying that such record is the

board's entire original record and such record shall be considered by the Circuit Court in its review. If either party requests a transcript of the evidence in writing, the requesting party shall bear the cost of the original copy of the transcript and it shall be furnished within ninety (90) days from the date of the written request.

- (5) On appeal no new evidence may be introduced, except as to fraud or misconduct of some person engaged in the hearing before the board. The court sitting without a jury shall hear the cause upon the record before it, and dispose of the appeal in a summary manner, being limited to determining: Whether or not the board acted without or in excess of its powers; the award was procured by fraud; the award is not in conformity to the provisions of KRS 44.070 to 44.160; and whether the findings of fact support the award. The court shall enter its findings on the order book as a judgment of the court, and such judgment shall have the same effect and be enforceable as any other judgment of the court in civil causes.

Section 4. KRS 44.070 is amended to read as follows:

- (1) A Board of Claims, composed of the members of the Crime Victims Compensation Board as hereinafter provided, is created and vested with full power and authority to investigate, hear proof, and to compensate persons for damages sustained to either person or property as a proximate result of negligence on the part of the Commonwealth, any of its cabinets, departments, bureaus, or agencies, or any of its officers, agents, or employees while acting within the scope of their employment by the Commonwealth or any of its cabinets, departments, bureaus, or agencies; provided, however, regardless of any provision of law to the contrary, the Commonwealth, its cabinets, departments, bureaus, and agencies, and its officers, agents, and employees, while acting within the scope of their employment by the Commonwealth or any of its cabinets, departments, bureaus, or agencies, shall not be liable for collateral or dependent claims which are dependent on loss to another and not the claimant, damages for mental distress or pain or suffering, and compensation shall not be allowed, awarded, or paid for said claims for damages. Furthermore, any damage claim awarded shall be reduced by the amount of payments received or right to receive payment from workers' compensation insurance, social security programs, unemployment insurance programs, medical, disability or life insurance programs, or other federal or state or private program designed to supplement income or pay claimant's expenses or damages incurred. Any claim against the Commonwealth, its departments, agencies, officers, agents, or employees, or a school district board of education, its members, officers, agents, or employees for damages sustained as the result of exposure to asbestos before, during or after its removal from a facility owned, leased, occupied, or operated by the Commonwealth or a school district board of education shall be brought before the Board of Claims. Except as herein provided, the board shall be independent of all agencies, cabinets, and departments of the Commonwealth except as provided in KRS 44.070 to 44.160.
- (2) The board shall be composed of the members of the Crime Victims Compensation Board. The members shall not be entitled to additional compensation for their services on the Board of Claims.
- (3) The Governor shall designate a member of the board to serve as chairman for a term of four (4) years. Any vacancy in the chairmanship shall be filled by the Governor. No member shall, at the same time, serve as chairman of the Crime Victims Compensation Board and as chairman of the Board of Claims.
- (4) The employees of the Crime Victims Compensation Board, without additional compensation, shall be ex officio employees of the Board of Claims.
- (5) Regardless of any provision of law to the contrary, the jurisdiction of the board is exclusive, and a single claim for the recovery of money or a single award of money shall not exceed ~~two~~~~one~~ hundred thousand dollars ~~(\$200,000)~~~~(\$100,000)~~, exclusive of interest and costs. However, if a single act of negligence results in multiple claims, the total award may not exceed ~~three~~~~two~~ hundred fifty thousand dollars ~~(\$350,000)~~~~(\$250,000)~~, to be equitably divided among the claimants, but in no case may any claimant individually receive more than ~~two~~~~one~~ hundred thousand dollars ~~(\$200,000)~~~~(\$100,000)~~.
- (6) The Governor shall appoint the necessary number of hearing officers, each of whom shall be an attorney admitted to practice law in Kentucky and shall have practiced law for at least three (3) years. **(HB 439)**

AN ACT relating to retirement.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

SECTION 1. A NEW SECTION OF KRS CHAPTER 21 IS CREATED TO READ AS FOLLOWS:

- (1) *As a pilot project to determine the effectiveness of using senior retired judges to combat backlog and delay in Kentucky courts, there is hereby created a "Senior Status Program for Special Judges." The program shall be implemented as follows:*
  - (a) *KRS 21.400(1) and any other provision in KRS Chapter 21 to the contrary notwithstanding, a member who retires at a time when combining his total years of judicial service credit and his age equals or exceeds the number seventy-five (75), may elect, within ninety (90) days following retirement, to participate in the "Senior Status Program for Special Judges," if he complies with the provisions of this subsection. In that event, the member shall be entitled to a service retirement allowance, commencing at the member's normal retirement age, payable monthly during his lifetime in an amount equal to five percent (5%) of his final compensation multiplied by the number of years of his judicial service, not to exceed twenty (20) years of judicial service at the five percent (5%) factor, not to exceed one hundred percent (100%) of final compensation. "Final compensation" is as defined in KRS 21.400. Any nonjudicial time shall be counted as is otherwise provided in KRS Chapter 21; but in no event shall service retirement allowance exceed one hundred percent (100%) of final compensation.*
    - 1. *In the event the retiring judge elects to retire as a "Senior Status Special Judge" under this subsection, he shall commit to serve, upon appointment by the Chief Justice of the Commonwealth, as special judge for one hundred twenty (120) work days per year for a term of five (5) years without compensation other than the retirement benefits under this subsection. The Senior Status Special Judge may agree to work more than one hundred twenty (120) days in any year within the five (5) years of service; however, the Senior Status Special Judge shall be compensated as otherwise provided by law, in addition to his retirement benefits, for any days served in excess of one hundred twenty (120) in that year. If the Senior Status Special Judge has not served a total of six hundred (600) days within the five (5) year period outlined in this subsection, the Chief Justice shall require the Senior Status Special Judge to serve at no additional compensation to the Senior Status Special Judge, until the six hundred (600) day period is served by the Senior Status Special Judge. The Senior Status Special Judge and the Chief Justice may agree in writing to serve less than the one hundred twenty (120) days in any one or more of the five (5) years; however, any of the days not served in a given year shall be served at the end of the five (5) year period set forth in this subsection.*
    - 2. *Should any member electing to retire under the Senior Status Program for Special Judges fail, when ordered by the Chief Justice to serve the requisite number of days not to exceed one hundred twenty (120) days a year for the five (5) year period outlined in this subsection, unless otherwise agreed in writing, he shall no longer be eligible for benefits computed under this subsection and shall return to the benefits otherwise provided under this chapter.*
    - 3. *Subject to the Section 110(5)(b) of the Kentucky Constitution, the Chief Justice shall give due regard, when practical, to the desirability of appointing Senior Status Special Judges to serve within their judicial region as defined by the regional administration charter.*

- (b) *The inviolable contract provisions of Kentucky law, KRS 21.480, shall apply during the period of time that Section 1 of this Act is effective; however, no other provisions of this Act shall be considered subject to an inviolable contract of the Commonwealth.*
- (c) *Nothing contained in this section shall be construed to invalidate provisions in the current law which require a penalty for retiring before the normal retirement age.*
- (2) *The Senior Status Program for Special Judges created by this section shall be open to any member who is a judge in office on the effective date of this Act and who subsequently retires as a Senior Status Special Judge on or before June 30, 2007.*

Section 2. KRS 21.400 is amended to read as follows:

- (1) A member who retires on or after his normal retirement date shall receive a service retirement allowance, payable monthly during his lifetime, in an amount per month equal to two and seventy-five hundredths percent (2.75%) of his final compensation multiplied by the number of years of his service, but in no event to exceed one hundred percent (100%) of final compensation, except that for any service performed while a member prior to July 1, 1978, any service prior to July 1, 1962, creditable under KRS 21.345, and any service performed in continued membership (or allowable under KRS 21.410 or 21.420) after June 30, 1978, by a person who was a member on that date, the monthly percentage figure shall be five percent (5%) of his final compensation multiplied by the number of years of his service, and except that for any service performed by a member who elected membership at an annual accrual rate of four and fifteen one hundredths percent (4.15%) and for any service performed in continued membership thereafter (or allowable under KRS 21.410 to 21.420), the benefit, payable monthly during his lifetime shall be an amount equal to four and fifteen one-hundredths percent (4.15%) of his final compensation multiplied by the number of years of his service, and except that allowances heretofore granted, and rights related thereto, shall not be affected by the 1978 or 1980 amendments to this section. For this purpose, "final compensation" means the average monthly compensation of the member for the sixty (60) months of service immediately preceding his retirement, including, in the case of a Circuit Judge, compensation received as special commissioner of the former Court of Appeals. If, at the time of retirement or death of a member his total period of service in one or more positions covered by the system has not amounted to sixty (60) months, his "final compensation" shall be computed as if he had served in the first position he occupied under the system for such period of time as to bring his total service (in all positions) to sixty (60) months. If that category of position was not in existence for that period, it shall be treated as though it had been in existence for that period and as if the compensation paid for the presumed period of existence was at the rate provided for the category when it in fact first was created.
- (2) A member who retires before his normal retirement date shall be vested with the right to receive, when he reaches his normal retirement age, a service retirement allowance computed *on the basis of the number of years of his actual service*, and payable in accordance with:
  - (a) The provisions of subsection (1) of this section; *or*
  - (b) *Section 1 of this Act if the member retires as a Senior Status Special Judge while the pilot program created in Section 1 of this Act is in effect*, ~~on the basis of the number of years of his actual service~~.
- (3) In lieu of the right provided for in subsection (2) of this section, a member who retires before his normal retirement age may elect, at any time before reaching his normal retirement age, to be paid commencing as of the time of the election a monthly service retirement allowance equal in amount to the monthly allowance that would have become payable under subsection (2) of this section when he reached his normal retirement age, reduced at the rate of five percent (5%) for each year by which his actual age at the time the election is made is lower than the normal retirement age.
- (4) A member who retires before his normal retirement date when his benefit is based on twenty-seven (27) years or more of service in the Judicial Retirement Plan, or if his judicial service credit, when combined with service he has in, or for which he is receiving benefits from, the Legislators' Retirement Plan, the Kentucky Employees Retirement System, County Employees Retirement System, State Police Retirement System, or the Teachers' Retirement System, is equal to twenty-seven (27) years, shall be vested with the right to receive a service retirement allowance computed *on the basis of the number of years of his actual service*, and payable in accordance with:
  - (a) The provisions of subsection (1) of this section; *or*

**(b) Section 1 of this Act if the member retires as a Senior Status Special Judge while the pilot program created in Section 1 of this Act is in effect**~~[on the basis of the number of years of his actual service]~~.

- (5) In lieu of the right provided for in subsection (2) of this section, a member who retires before his normal retirement age may elect, at any time before reaching his normal retirement age, to be paid commencing as of the time of the election, a monthly service retirement allowance equal in amount to the monthly allowance that would have become payable under subsection (2) of this section when he reached normal retirement age, reduced at the rate of five percent (5%) for each year by which his years of service or combined service pursuant to subsection (4) of this section are lower than twenty-seven (27).

Section 3. On the effective date of this Act, and annually thereafter the Judicial Retirement System shall provide a written report to the Legislative Research Commission and to the Chief Justice of the Kentucky Supreme Court containing: (1) Number of judges who have retired as Senior Status Special Judges since the effective date of the Act, (2) Compensation and other benefits paid to those Senior Status Special Judges; (3) Number of days each Senior Status Special Judge has served as a special judge; (4) The fiscal impact on the judicial retirement system and the General Fund as a result of the retirement of the Senior Status Special Judges; and (5) Any other relevant information that may be requested.

Section 4. Section 1 of this Act is repealed effective July 1, 2007.

**(HB 165)**

AN ACT relating to kinship care for children.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

Section 1. KRS 605.120 is amended to read as follows:

- (1) The cabinet is authorized to expend available funds to provide for the board, lodging, and care of children **who would otherwise be placed in foster care or who are** placed by the cabinet in a foster home or boarding home, or may arrange for payments or contributions by any local governmental unit, or public or private agency or organization, willing to make payments or contributions for such purpose. The cabinet may accept any gift, devise, or bequest made to it for its purposes.
- (2) The cabinet shall establish a reimbursement system, within existing appropriation amounts, for foster parents that comes as close as possible to meeting the actual cost of caring for foster children. The cabinet shall consider providing additional reimbursement for foster parents who obtain additional training, and foster parents who have served for an extended period of time. In establishing a reimbursement system, the cabinet shall, to the extent possible within existing appropriation amounts, address the additional cost associated with providing care to children with exceptional needs.
- (3) The cabinet shall review reimbursement rates paid to foster parents on a biennial basis and shall issue a report in October of each odd-numbered year to the Legislative Research Commission comparing the rates paid by Kentucky to the figures presented in the Expenditures on Children by Families Annual Report prepared by the United States Department of Agriculture and the rates paid to foster parents by other states. To the extent that funding is available, reimbursement rates paid to foster parents shall be increased on an annual basis to reflect cost of living increases.
- (4) The cabinet is encouraged to develop pilot projects both within the state system and in collaboration with private child caring agencies to test alternative delivery systems and nontraditional funding mechanisms.~~[Pilot projects may include but not be limited to kinship care]~~
- (5) **To the extent funds are available, the cabinet may establish a program for kinship care that provides a more permanent placement with a qualified relative for a child that would otherwise be placed in foster care due to abuse, neglect, or death of both parents.**
- (6) **The cabinet shall promulgate administrative regulations in accordance with KRS Chapter 13A to implement the provision of subsection (5) of this section. The administrative regulations shall include uniform conditions and requirements regarding:**

- (a) *Eligibility requirements for the kinship caregiver and the child;*
- (b) *Financial assistance and payment rates; and*
- (c) *Support services and case management services that may be provided to the kinship caregiver or the child.*

Section 2. KRS 610.010 is amended to read as follows:

- (1) Unless otherwise exempted by KRS Chapters 600 to 645, the juvenile session of the District Court of each county shall have exclusive jurisdiction in proceedings concerning any child living or found within the county who has not reached his eighteenth birthday or of any person who at the time of committing a public offense was under the age of eighteen (18) years, who allegedly:
  - (a) Has committed a public offense prior to his eighteenth birthday, except a motor vehicle offense involving a child sixteen (16) years of age or older. A child sixteen (16) years of age or older taken into custody upon the allegation that he has committed a motor vehicle offense shall be treated as an adult and shall have the same conditions of release applied to him as an adult. A child taken into custody upon the allegation that he has committed a motor vehicle offense who is not released under conditions of release applicable to adults shall be held, pending his appearance before the District Court, in a secure juvenile detention facility or a juvenile holding facility or, if neither is available, in an intermittent holding facility. Children sixteen (16) years of age or older who are convicted of, or plead guilty to, a motor vehicle offense shall, if sentenced to a term of confinement, be placed in a secure juvenile detention facility or a juvenile holding facility. The term "motor vehicle offense" shall not be deemed to include the offense of stealing or converting a motor vehicle nor operating the same without the owner's consent nor any offense which constitutes a felony;
  - (b) Has not subjected himself to the reasonable control of his parent or guardian, school personnel, or other person exercising custodial control or supervision of the child;
  - (c) Is an habitual truant from school;
  - (d) Is an habitual runaway from his parent or other person exercising custodial control or supervision of the child;
  - (e) Is dependent, neglected, or abused; or
  - (f) Is mentally ill.
- (2) Actions brought under subsection (1)(a) of this section shall be considered to be public offense actions.
- (3) Actions brought under subsection (1)(b), (c), and (d) of this section shall be considered to be status offense actions.
- (4) Actions brought under subsection (1)(e) of this section shall be considered to be dependency actions.
- (5) Actions brought under subsection (1)(f) of this section shall be considered to be mental health actions.
- (6) Nothing in this chapter shall deprive other courts of the jurisdiction to determine the custody or guardianship of children upon writs of habeas corpus or to determine the custody or guardianship of children when such custody or guardianship is incidental to the determination of other causes pending in such other courts; nor shall anything in this chapter affect the jurisdiction of Circuit Courts over adoptions and proceedings for termination of parental rights. The court shall have no jurisdiction to make permanent awards of custody of a child, but if the court finds an emergency to exist affecting the welfare of a child, ***or if the child is eligible for kinship care as established in Section 1 of this Act***, it may make temporary orders for his custody; however, if the case involves allegations of dependency, neglect, or abuse, no emergency removal or temporary custody orders shall be effective unless the provisions of KRS Chapter 620 are followed. Such orders shall be entirely without prejudice to the proceedings for permanent custody of the child and shall remain in effect until modified or set aside by the court. Upon the entry of a temporary or final judgment in the Circuit Court awarding custody of such child, all prior orders of the juvenile session of the District Court in conflict therewith shall be deemed canceled. This section shall not work to deprive the Circuit Court of jurisdiction over cases filed in Circuit Court.
- (7) The court of each county wherein a public offense, as defined in paragraph (a) of subsection (1) of this section, is committed by a child who is a resident of another county of this state shall have concurrent jurisdiction over such child with the court of the county wherein the child resides or the court of the county where the child is

found. Whichever court first acquires jurisdiction of such child may proceed to final disposition of his case, or in its discretion may make an order transferring the case to the court of the county of his residence or the county wherein the offense was committed, as the case may be.

- (8) Nothing in this chapter shall prevent the District Court from holding a child in contempt of court to enforce valid court orders previously issued by the court.
- (9) Except as provided in KRS 635.060(3), nothing in this chapter shall confer upon the District Court jurisdiction over the actions of the Department of Juvenile Justice or the cabinet in the placement, care, or treatment of a child committed to the Department of Juvenile Justice or the cabinet; or to require the department or the cabinet to perform, or to refrain from performing, any specific act in the placement, care, or treatment of any child committed to the department or the cabinet.
- (10) Unless precluded by KRS Chapter 635 or 640, in addition to informal adjustment, the court shall have the discretion to amend the petition to reflect jurisdiction pursuant to the proper chapter of the Kentucky Unified Juvenile Code.
- (11) The court shall have continuing jurisdiction over a child pursuant to subsection (1) of this section, to review dispositional orders, and to conduct dispositional hearings under 42 U.S.C. sec. 675(5)(c) until the child is placed for adoption, returned home to his parents with all the court imposed conditions terminated, or reaches the age of eighteen (18) years.

If~~

~~the total amount due all hospitals entitled to compensation in any quarter exceeds the funds available in any quarter, the distribution received by each hospital shall be proportionately reduced. If the total amount due all hospitals entitled to compensation in any quarter is less than the funds available for distribution in that quarter, the excess funds may be carried forward to satisfy future claims}.~~

- (e) *For fiscal year 2000-2001 and continuing annually thereafter, the department shall issue to each hospital one (1) lump sum payment on October 15, or later as soon as federal financial participation becomes available, for the disproportionate share funds available during the corresponding federal fiscal year*~~{(d) — For purposes of this section, the Medicaid rate for hospitals with less than two hundred (200) licensed acute care beds means the cost of providing indigent care services as calculated by the department by applying each hospital's cost to charge ratio to allowable indigent charges. - (2) The General Assembly hereby finds and declares further that it is in the best interest of the Commonwealth to induce the location of manufacturing facilities, ***electric generation***, and agribusiness operations within the qualified counties of the Commonwealth in order to advance the public purposes of relieving unemployment by creating new jobs within the qualified counties that but for the inducements to be offered by the authority to approved companies as herein provided would not exist and of creating new sources of tax revenues for the support of the public services provided by the Commonwealth and qualified counties.

- (c) In consideration for the execution and during the term of the agreement, the approved company shall be permitted either of the following during the term of the agreement:
  - 1. A credit against Kentucky income tax imposed by KRS 141.020 or 141.040 on the income of the approved company generated by or arising out of the economic development project as determined by KRS 141.400; or

If in any fiscal year of the approved company during which the financing agreement is in effect the total assessments collected from the wages of the employees equals the annual payment pursuant to the financing agreement, and if all excess payments pursuant to the financing agreement accumulated in prior years have been recouped, the assessments collected from the wages of the employees shall cease for the remainder of that fiscal year of the approved company, and the approved company shall resume normal personal income tax withholdings from employees' wages for the remainder of that fiscal year.
  - (b) The Kentucky income tax credit, in any fiscal year of the approved company, shall not exceed the total debt service paid during the same fiscal year with respect to the loans or other financing incurred in connection with the economic development project; however, to the extent that annual debt service payments exceed the annual income tax credits in any year, the excess debt service payments may be recouped from excess tax credits in succeeding years.

- (4) Pursuant to this section, the activation date shall be established by the approved company in the financing agreement which shall be at any time in a two (2) year period after the date of final approval of the financing agreement by the authority. To implement the activation date, the approved company shall notify the authority, the Kentucky Revenue Cabinet, and the approved company's employees of the activation date on which implementation of the inducements authorized in the financing agreement shall occur. The activation date shall be the time when the maximum dollar value of equipment that constitutes a portion of an economic development project under KRS 154.28-010(10)~~(9)~~ shall be determined. If the approved company does not satisfy the minimum investment and minimum employment requirements of KRS 154.28-080(3) by the activation date, the approved company will not be entitled to receive inducements pursuant to this subchapter until the approved company satisfies these requirements; however, the ten (10) year period for the term of the financing agreement shall begin from the activation date. Notwithstanding the previous sentence, if the approved company does not satisfy the minimum investment and minimum employment requirements of KRS 154.28-080(3) within two (2) years from the date of final approval of the financing agreement, then the approved company shall be ineligible to receive inducements under this subchapter unless an extension is approved by the authority.

**CHAPTER 326****(SB 372)**

AN ACT relating to a pilot program for tax increment financing in counties containing a city of the first class.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

SECTION 1. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

*As used in Sections 1 to 6 of this Act, unless the context otherwise requires:*

- (1) *"Agency" means an urban renewal and community development agency of a taxing district located within a county containing a city of the first class, established under KRS Chapter 99; a development authority located within a county, containing a city of the first class established under KRS Chapter 99; a nonprofit corporation located within a county containing a city of the first class established under KRS Chapter 58; or a designated department, division, or office of a city of the first class or a county containing a city of the first class;*
- (2) *"Development area" means an area no less than one (1) square mile, nor more than six (6) square miles, designated in need of public improvements by a local or state government in a county containing a city of the first class, a project area as defined in KRS 99.615, or a public project as defined in KRS 58.010 in a county containing a city of the first class. "Development area" includes an existing economic development asset;*
- (3) *"Increment" means that amount of money received by any taxing district or the state that is determined by subtracting the amount of old revenues from the amount of new revenues in any year for which a taxing district or the state and an agency have agreed upon under the terms of a contract of release or a grant contract;*
- (4) *"Local government" means a county containing a city of the first class;*
- (5) *"New revenues" means the revenues received by any taxing district or the state from a development area in any year after the establishment of the development area;*
- (6) *"Old revenues" means the amount of revenues received by any taxing district or the state from a development area in the last year prior to the establishment of the development area;*
- (7) *"Project" means any urban renewal, redevelopment, or public project undertaken in accordance with the provisions of Sections 1 to 5 of this Act, any project undertaken in accordance with KRS 99.610 to 99.680, or any project undertaken in accordance with the provisions of KRS Chapter 58;*
- (8) *"Release" or "contract of release" or "grant contract" means that agreement by which a taxing district or the state permits the payment to an agency of a portion of increments or an amount equal to a portion of increments received by it in return for the benefits accrued to the taxing district or the state by reason of a project undertaken by an agency in a development area; and*
- (9) *"Taxing district" means a county containing a city of the first class or a city of the first class that encompasses all or part of a development area, or the state but does not mean a school district.*
- (10) *"Pilot program" means a tax increment financing program or a grant program created by an agency within a county containing a city of the first class which shall exist for a period of twenty (20) years after which time it shall continue only after reauthorization by the General Assembly.*

SECTION 2. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

- (1) *It is found and declared that public improvements, and publicly promoted private improvements, in any development area that result in the increase in the value of property located in the development area or result in increased employment within the development area serve a public purpose for each taxing district possessing the authority, directly or indirectly, to impose ad valorem taxes, sales taxes, income taxes, or occupational license fees in the development area, and for the state with regards to its revenues from ad valorem taxes, sales taxes, and income taxes. The increment in revenues derived by each taxing district and the state from the development area is found and declared to be one of the benefits derived by each taxing district and the state from any local development project or public project undertaken by the agency; and*

- (2) *It is found that the use of tax increment financing or a grant program based upon the use of increment financing as tax revenues has proved to be successful and of great benefit to areas in need of revitalization and development in other parts of the country; therefore, the development of a pilot program within the Commonwealth to test the usefulness of increment financing to assist local governments in restoring and revitalizing their communities is declared to be a most worthy public purpose.*

SECTION 3. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

- (1) *A county containing a city of the first class or a city of the first class may establish a development area for the purpose of creating a pilot program to utilize tax increment financing or a grant program based upon the increment in state tax revenues for the redevelopment and revitalization of these development areas within their communities.*
- (2) *A development area in a county containing a city of the first class shall be located within ten (10) miles of the central business district of the largest city within the county and shall be within one (1) mile of one (1) or more economic development assets having employers, with at least one thousand (1,000) employees, who will leverage and promote investment in the zone.*
- (3) *A development area in a county containing a city of the first class shall have adequate roads, sewers, water, rail service, and an interstate highway interchange directly available.*
- (4) *At least fifty percent (50%) of a development area in a county containing a city of the first class, excluding roads, utility easements, and other infrastructure-related improvements, shall be composed of land that is a brownfield site or other land compatible for industrial or commercial uses to permit and facilitate redevelopment and reuse of land in the development area compatible with the adjacent economic development assets.*

SECTION 4. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

- (1) *In connection with the establishment of any development area, an agency may enter into contracts with one (1) or more taxing districts for the release to the agency of increments expected to be derived by a taxing district within a development area with an existing development asset as leveraged in part by the undertaking of a project.*
- (2) *No contract shall require the release of less than fifty percent (50%) of the increments, or more than ninety-five percent (95%) of the increments where the revenue is derived solely from ad valorem taxation or solely from occupational license fees, or more than eighty percent (80%) of the increments where the revenue is derived from ad valorem taxes and occupational license fees.*
- (3) *An agency may enter into a contract with the state, acting by and through the Governor, for an annual grant to the agency in an amount equal to not less than fifty percent (50%) nor more than eighty percent (80%) of the increment in ad valorem, sales, and income taxes derived by the state within the development area with an existing economic development asset as leveraged in part by the undertaking of a project.*
- (4) *Any amount derived by the agency under the terms of a release shall be used solely for the purposes of the project and in the development area.*

SECTION 5. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

- (1) *Each taxing district is authorized to execute a contract of release with any agency in acknowledgment of benefits to be derived by it within the development area with an existing economic development asset as leveraged in part by the undertaking of a project, and in order to promote the public purposes of the taxing district.*
- (2) *Any contract signed for the release of increments shall be made on the basis of automatic year-to-year renewals, with the option to discontinue upon sixty (60) days' notice before the end of any annual termination date of the contract.*
- (3) *The state, acting by and through the Governor, is authorized to execute a grant contract with any agency in acknowledgment of benefits to be derived by it with the development area with an existing economic development asset as leveraged in part by the undertaking of a project, and in order to promote the public purpose of the state.*
- (4) *Any grant contract signed for an amount equal to the increment derived from the development area shall be made on the basis of automatic year-to-year renewals, with the option to discontinue upon sixty (60) days' notice before the end of any annual termination date of the contract.*

## SECTION 6. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

*Any agency, other than a county, city, urban-county, or charter county government, that enters into a contract with any taxing district for the release of any increments that may arise during the period of a contract of release shall forthwith notify the official charged with the collecting of taxes for the property in the development area of the execution of a contract of release, and the official charged with the collection of taxes shall in each year a contract of release is in effect determine the amount of the increment that is the subject of the contract of release for division between the taxing district and the agency; and, upon the basis of the agreement made between the taxing district and the agency, the official shall divide and distribute the funds derived from the area between the taxing district and the agency. It shall be the duty of all persons owning or having any interest in any real property taxable in this state to list or have listed the property with the property valuation administrator of the county where it is located between January 1 and March 1 in each year, except as

otherwise provided by law. It shall be the duty of all persons owning or having any interest in any intangible personal property or tangible personal property taxable in this state to list or have listed the property with the property valuation administrator of the county of taxable situs or with the cabinet between January 1 and May 15 in each year, except as otherwise prescribed by law. All persons in whose name property is properly assessed shall remain bound for the tax, notwithstanding they may have sold or parted with it.

- (2) Any taxpayer may list his property in person before the property valuation administrator or his deputy, or may file a property tax return by first class mail. Any real property correctly and completely described in the assessment record for the previous year, or purchased during the preceding year and for which a value was stated in the deed according to the provisions of KRS 382.135, may be considered by the owner to be listed for the current year if no changes that could potentially affect the assessed value have been made to the property. However, if requested in writing by the property valuation administrator or by the cabinet, any real property owner shall submit a property tax return to verify existing information or to provide additional information for assessment purposes. Any real property which has been underassessed as a result of the owner intentionally failing to provide information, or intentionally providing erroneous information, shall be subject to revaluation, and the difference in value shall be assessed as omitted property under the provisions of KRS 132.290.
- (3) If the owner fails to list the property, the property valuation administrator shall nevertheless assess it. The property valuation administrator may swear witnesses in order to ascertain the person in whose name to make the list. The property valuation administrator, his employee, or employees of the cabinet may physically inspect and revalue land and buildings in the absence of the property owner or resident. The exterior dimensions of buildings may be measured and building photographs may be taken; however, with the exception of buildings under construction or not yet occupied, an interior inspection of residential and farm buildings, and of the nonpublic portions of commercial buildings shall not be conducted in the absence or without the permission of the owner or resident.
- (4) Real property shall be assessed in the name of the owner, if ascertainable by the property valuation administrator, otherwise in the name of the occupant, if ascertainable, and otherwise to "unknown owner." The undivided real estate of any deceased person may be assessed to the heirs or devisees of the person without designating them by name.

The property valuation administrator shall keep a record of these exonerations, which shall be open under the provisions of KRS 61.870 to 61.884. If, at any time, one of these entries is determined to represent a valid parcel of property it shall be assessed as omitted property under the provisions of KRS 132.290. Notwithstanding other provisions of the Kentucky Revised Statutes to the contrary, any loss of ad valorem tax revenue suffered by a taxing district due to the exoneration of these uncollectable tax bills may be recovered through an adjustment in the tax rate for the following year.
- (6) All real property exempt from taxation by Section 170 of the Constitution shall be listed with the property valuation administrator in the same manner and at the same time as taxable real property. The property valuation administrator shall maintain an inventory record of the tax-exempt property, but the property shall not be placed on the tax rolls. A copy of this tax-exempt inventory shall be filed annually with the cabinet within thirty (30) days of the close of the listing period. This inventory shall be in the form prescribed by the cabinet. The cabinet shall make an annual report itemizing all exempt properties to the Governor and the Legislative Research Commission within sixty (60) days of the close of the listing period.
- (7) Each property valuation administrator, under the direction of the cabinet, shall review annually all real property listed with him under subsection (6) of this section and claimed to be exempt from taxation by Section 170 of the Constitution. The property valuation administrator shall place on the tax rolls all property that is not exempt. Section 6. KRS 132.360 is amended to read as follows:

- (1) Any assessment of accounts receivable, notes, ~~[stocks]~~ or bonds or other intangible or tangible personal property that were listed with the property valuation administrator or with the Revenue Cabinet as provided by KRS 132.220 may be reopened by the Revenue Cabinet within five (5) years after the date as of which they were assessed, unless the assessed value thereof is the face value in the case of accounts receivable and notes or the quoted value in the case of ~~[stocks and]~~ bonds, or has been established by a court of competent jurisdiction. If upon reopening the assessment the cabinet finds that the assessment was less than the fair cash value and should be increased, it shall give notice thereof to the taxpayer, who may within thirty (30) days thereafter protest to the cabinet and offer evidence to show that no increase should be made. After the cabinet has disposed of the protest, the taxpayer may appeal from any such additional assessment as provided by KRS 131.110 and 131.340.
- (2) Upon such assessment becoming final the cabinet shall certify the amount due to the taxpayer. The tax bill shall be handled and collected as an omitted tax bill, and the additional tax shall be subject to the same penalties and interest as the tax on omitted property voluntarily listed.

**(HB 221)**

AN ACT relating to a Rails to Trails Program.

WHEREAS, the 1998 Kentucky General Assembly directed the Legislative Research Commission to establish a special interim Rails to Trails Task Force to study the feasibility, benefits, and implementation of a strategy for a Rails to Trails Program throughout the Commonwealth; and

WHEREAS, the task force appointed by the Commission has reported its findings to the Commission and the General Assembly; and

WHEREAS, the task force has recommended that a Rails to Trails Program be pursued by the Commonwealth as promoting the health, safety, and welfare of the citizenry;

NOW, THEREFORE,

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

SECTION 1. A NEW SECTION OF KRS CHAPTER 147A IS CREATED TO READ AS FOLLOWS:

*A Railtrail Development Office is hereby created within the Department for Local Government. The department shall insure that the office has the necessary expertise to carry out the requirements imposed upon it by this section. Among other railtrail functions and duties which may be assigned to it, the office shall carry on at least the following responsibilities:*

- (1) The office shall monitor the proceedings of the United States Department of Transportation's Surface Transportation Board and shall disseminate to interested entities in Kentucky information regarding those proceedings of interest to railtrail conversion or policy in the Commonwealth. If a railroad applies to the Surface Transportation Board for authority to discontinue service over or abandon a railroad corridor in the Commonwealth, the office shall immediately notify those political subdivisions through which the corridor passes and any interested state agency of the proceedings and the potential for trail development of the corridor. Notice shall also be sent to the county judge/executive of each county through which the proposed abandonment passes, who shall distribute copies of the notice to each member of the chief legislative body of the county government at the next regularly scheduled meeting of that legislative body. The office shall also send a copy of the notice to each soil and water conservation district through which the abandonment passes. If time is of the essence and it appears that the corridor is a suitable candidate for conversion to a railtrail and that no other railtrail interested entity will be participating in the federal proceeding, the office shall take those steps necessary to cause a railbanking or public use condition to be imposed in the federal proceeding;*
- (2) The office shall assist any requesting political subdivision or agency of state government with assistance on any application to the Surface Transportation Board regarding an abandoned or about to be abandoned railroad corridor, including any requests for railbanking or imposition of public use conditions;*
- (3) The office shall coordinate and promote railtrail development efforts among the various agencies of state government, including the Department of Parks and the Transportation Cabinet. While this subsection does not confer upon the office any powers beyond those that it may ordinarily possess, every entity of state government shall cooperate with the office to the extent practicable under the circumstances;*
- (4) The office shall furnish to requesting political subdivisions assistance in applying to available federal, state, or local funding sources for funds to be used for the process of converting railroad corridors into public use trails; and*
- (5) The office may apply for federal, state, or private grants or other forms of financial assistance to carry on its mission.*

SECTION 2. A NEW SECTION OF KRS CHAPTER 277 IS CREATED TO READ AS FOLLOWS:

- (1) *Any organization recognized as exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code, agency of state government, or political subdivision or city of this state holding or acquiring a railroad corridor may preserve the corridor for future railroad use while utilizing the right-of-way in the interim for nonmotorized public recreational use by filing with the Secretary of State a "Declaration of State Railbanking", concurrently serving a copy of the declaration on the Transportation Cabinet. The declaration shall contain the name and address of the filing entity, a textual description and map of the railroad corridor being railbanked, a statement that the entity accepts full responsibility for managing the corridor, for any legal liability arising out of the use of the corridor or, if the entity is immune from suit, that the entity agrees to indemnify the railroad for any liability arising out of the use of the corridor, and for the payment of all taxes which may validly be assessed against the corridor, and a declaration that the property is being railbanked in accordance with the provisions of Kentucky law in that the corridor is held open for future restoration of rail service and that this section only grants authority for the corridor to be utilized for nonmotorized public recreational use during the interim.*
- (2) *Any property that is the subject of a declaration of state railbanking, including property held by easement, shall, during the period a declaration of state railbanking remains in force, be deemed to be held for a railroad use and shall not revert to any other form of ownership. Until rail service is restored over the corridor, the declaration of state railbanking shall only authorize the use of the corridor for public, nonmotorized recreational use, with associated infrastructure. However, a declaration of state railbanking shall not preclude any public utility usage of the corridor if that usage is otherwise permitted under other applicable law. For the specific purpose of allowing railbanking under this section, an easement for railroad use shall not be deemed abandoned until the person holding the easement conveys the easement to another person for a nonrailroad use, title to the easement and the underlying estate comes into the hands of the same owner by conveyance, the easement owner files a disclaimer in the office of the county clerk of the county where the property is situated disclaiming all interest in the corridor, or the easement is declared abandoned by judicial decree.*
- (3) *After property is railbanked under this section, the property shall be held available for purchase by any bona fide purchaser for the restoration of rail service over the property. The following requirements shall apply to any transfer of property in contemplation of the restoration of railroad service:*
  - (a) *The entity that acquired the right to use the railroad corridor for a railtrail under this section or to whom that right had been subsequently transferred shall be compensated for the fair market value of the corridor together with any improvements erected thereon. Funds received by the entity under this paragraph shall be held in trust for the benefit of the public;*
  - (b) *All required federal and state permits and authority to reactivate and operate a railroad over the corridor shall be obtained prior to the transfer of the property for the contemplated railroad service restoration;*
  - (c) *Adequate bond with good surety shall be posted ensuring that the railroad will be constructed, with the bond being used to cover the cost of restoring the corridor to its physical condition prior to transfer of the railbanked corridor for the contemplated railroad service restoration; and*
  - (d) *The physical infrastructure necessary to operate the railroad, including tracks, ties, frogs, signaling equipment, grade crossings, and the like, shall be in place one (1) year from the date of the transfer. Train service shall be in place and operating two (2) years, from the date of the transfer. If these timelines are not met, the corridor and all associate physical improvements thereon shall automatically forfeit to the ownership of the entity responsible for railbanking the corridor under this section.*
- (4) *Any person aggrieved by the act of railbanking a railroad corridor under the provisions of this section shall bring their claims within one (1) year after the declaration of state railbanking has been filed with the Kentucky Secretary of State. Any entity against whom a claim is asserted may utilize as an offset or setoff to the amount of any recovery those amounts in state or local taxes, together with interest and penalties, that have not been paid on the value of the property through which the claimant asserts title.*
- (5) *Any entity which caused a declaration of state railbanking to be filed shall cause the declaration to be vacated on the files of the Secretary of State upon the cessation of use of the corridor as a nonmotorized public use trail or the reactivation of railroad service over the corridor.*

SECTION 3. A NEW SECTION OF KRS CHAPTER 277 IS CREATED TO READ AS FOLLOWS:

- (1) *It is the public policy of this state to preserve railroad corridors for future railroad use. Toward this end, the Commonwealth recognizes that the salvage of tracks, ties, signaling equipment, ballast, and other items may indicate an intent to maximize return on present investment and not an intent to abandon any underlying easement for railroad or other use and that the obtaining of federal authority to discontinue service over or abandon a corridor does not necessarily indicate an intent to relinquish any property interests under state law. In any civil action to determine the status of a railroad use easement, ambiguity as to intent shall be resolved in favor of continued preservation of the corridor.*
- (2) *Any holder of a railroad corridor held by easement or otherwise may preserve that corridor by filing with the Secretary of State a "Preliminary Declaration of State Railbanking," concurrently serving a copy of the declaration on the Transportation Cabinet. The declaration shall state the name of the entity holding the corridor, a textual description and map of the land area encompassed by the corridor, and a statement that the entity does not intend to abandon the corridor described in the declaration. The entity filing the declaration may at any later time cause that declaration to be withdrawn from the Secretary of State's files. While a preliminary declaration of state railbanking is on file with the Secretary of State, the corridor set out in the declaration shall not, regardless of the status or conclusion of any federal regulatory proceeding or the salvage of track and other material from the corridor, be deemed abandoned and shall continue to exist under Kentucky law and the property encompassed by the corridor shall not revert to any other form of ownership.*

SECTION 4. A NEW SECTION OF KRS CHAPTER 277 IS CREATED TO READ AS FOLLOWS:

*In addition to any other legal right, any person having a legal interest in land adjoining a railtrail or in the land traversed by the railtrail itself may grant to the entity holding the right to maintain a railtrail over the property a conservation easement over all or a portion of the property in accordance with KRS 382.800 to 382.860. The entity holding the right to maintain a railtrail over the corridor may, if it finds the easement's terms acceptable, yearly designate for the tax purposes of the party conveying the easement that the entity is holding the corridor pursuant to the authority granted to that entity in the easement as opposed to authority granted in Section 2 of this Act or any similar law allowing railbanking under federal law. This designation shall not, however, affect in any way the legal right of that entity to hold the corridor pursuant to a federal or state railbanking law or the operation of those laws, and the right to maintain the railtrail on the land shall not lapse as the result of the extinguishment or modification of the easement. The easement, by its terms, may be limited in duration from year to year or for a set period of years, may extinguish itself upon the happening a defined contingent future event, or may last in perpetuity.*

Section 5. KRS 148.690 is amended to read as follows:

- (1) The department shall review all formal declarations of railroad right-of-way abandonments by the Surface Transportation Board or other agency with jurisdiction and may review former railroad corridors for possible inclusion in the state trails system. The commissioner shall, within three (3) years after the route of a trail or trail segment included in the system has been located, determine the boundaries of the right-of-way to be associated with that trail. Such boundaries shall be established in such a manner that they protect the scenic value of the trail.
- (2) The commissioner is authorized to develop effective procedures to assure that, wherever practicable, utility rights-of-way, abandoned railroad corridors, or similar properties having value for trail purposes may be made available for such use; however, the commissioner shall take into consideration the rights of adjacent property owners in the development of any such procedures. Other departments of state government having jurisdiction, control over, or information concerning the use, abandonment, or disposition of rights-of-way, railroad corridors, and similar properties that may be suitable for trail purposes shall cooperate with the commissioner in the transfer of these rights for trail use. *These procedures shall include, at a minimum, that, for every railroad corridor that is the subject of a request for federal authority to discontinue service or for federal regulatory abandonment, the commissioner shall evaluate the potential of converting that corridor into a railtrail. The commissioner shall cause a preliminary review to be completed within thirty (30) days of the publication of the request for federal authority in the Federal Register. The commissioner shall cause a final review to be completed ninety (90) days after the publication of the request for federal authority in the Federal Register. The commissioner shall timely transmit copies of these reviews to the Legislative Research Commission and to the Commonwealth's Railtrail Development Office in the Department for Local Government as they are completed. If either review indicates the possibility of converting the corridor into a railtrail, the commissioner may participate in the federal proceeding to request that the corridor be railbanked in accordance with federal law or to request the imposition of a public use condition.*

## SECTION 6. A NEW SECTION OF KRS CHAPTER 174 IS CREATED TO READ AS FOLLOWS:

- (1) *The Transportation Cabinet, including any agency or other unit of government attached to the cabinet, shall immediately transmit to the Department of Parks and to the Commonwealth's Railtrail Development Office in the Department for Local Government any information received from a railroad or other person having an ownership interest in a railroad corridor pertaining to a proposed or pending action or proceeding to obtain federal authority for the regulatory abandonment of that railroad corridor.*
- (2) *The Transportation Cabinet shall keep a record of railroad lines in the Commonwealth of Kentucky, including both lines that have been abandoned through the federal government's regulatory abandonment process and those where any railroad property interest in the railroad corridor itself has been abandoned under Kentucky law. The cabinet shall annually publish an updated map showing the location and as much information as to the status of these lines as practicable. The record shall include, in as much as possible;*
  - (a) *A description of the line and its location;*
  - (b) *The current or last railroad owner of the line;*
  - (c) *The operator of the line;*
  - (d) *The addresses and phone numbers for the owners and operators of the lines;*
  - (e) *Whether the owner of the line has received authority from the Federal Government to discontinue service over the line;*

  - (g) *Whether the owner of the line has consummated any authority granted by the Federal Government to discontinue service over the line or to abandon the line;*
  - (h) *Whether the line has been railbanked under either federal or state law; and*
  - (i) *Any other information the cabinet deems pertinent and useful to the public.*

## SECTION 7. A NEW SECTION OF KRS CHAPTER 146 IS CREATED TO READ AS FOLLOWS:

*The Natural Resources and Environmental Protection Cabinet, including any agency or other unit of government attached to the cabinet, shall immediately transmit to the Department of Parks and to the Commonwealth's Railtrail Development Office in the Department for Local Government any information received from a railroad or other person having an ownership interest in a railroad corridor pertaining to a proposed or pending action or proceeding to obtain federal authority for the regulatory abandonment of that railroad corridor.*

- (3) Except as specifically recognized by or provided in subsection (6) of this section, an owner of land owes no duty of care to keep the premises safe for entry or use by others for recreational purposes, or to give any warning of a dangerous condition, use, structure, or activity on the premises to persons entering for such purposes.

Additionally, corridors over which service has been discontinued as well as corridors potentially subject to abandonment shall be analyzed as abandoned corridors. In conducting the inventory, the department shall, for each corridor, attempt to ascertain the legal ownership status of the corridor and the date rail service over the rail corridor ceased together with the dates of formal abandonment, and make an examination of the physical integrity of the corridor, including the presence or lack of tunnels, bridges, and culverts. The department shall make its report to the Legislative Research Commission no later than July 1, 2003. The department may divide the state into regions, and complete assessments for individual regions prior to July 1, 2003. The report shall be provided in both printed and electronic format. School council members elected to fill a vacancy shall complete the applicable training within thirty (30) days of their election.
- (7) A school that chooses to have school-based decision making but would like to be exempt from the administrative structure set forth by this section may develop a model for implementing school-based decision making including, but not limited to, a description of the membership, organization, duties, and responsibilities of a school council. The school shall submit the model through the local board of education to the chief state school officer and the Kentucky Board of Education, which shall have final authority for approval. The application for approval of the model shall show evidence that it has been developed by representatives of the parents, students, certified personnel, and the administrators of the school and that two-thirds (2/3) of the faculty have agreed to the model.
- (8) The Kentucky Board of Education, upon recommendation of the chief state school officer, shall adopt by administrative regulation a formula by which school district funds shall be allocated to each school council. Included in the school council formula shall be an allocation for professional development that is at least sixty-five percent (65%) of the district's per pupil state allocation for professional development for each student in average daily attendance in the school. The school council shall plan professional development with the district's coordinator and other school councils. Small schools shall be encouraged to work with other school councils to maximize professional development opportunities.
- (9)
  - (a) No board member, superintendent of schools, district employee, or member of a school council shall intentionally engage in a pattern of practice which is detrimental to the successful implementation of or circumvents the intent of school-based decision making to allow the professional staff members of a school and parents to be involved in the decision making process in working toward meeting the educational goals established in KRS 158.645 and 158.6451 or to make decisions in areas of policy assigned to a school council pursuant to paragraph (i) of subsection (2) of this section.
  - (b) An affected party who believes a violation of this subsection has occurred may file a written complaint with the Office of Education Accountability. The office shall investigate the complaint and resolve the conflict, if possible, or forward the matter to the Kentucky Board of Education.

- (c) The Kentucky Board of Education shall conduct a hearing in accordance with KRS Chapter 13B for complaints referred by the Office of Education Accountability.
- (d) If the state board determines a violation has occurred, the party shall be subject to reprimand. A second violation of this subsection may be grounds for removing a superintendent, a member of a school council, or school board member from office or grounds for dismissal of an employee for misconduct in office or willful neglect of duty.

## CHAPTER 341

(HB 360)

AN ACT relating to retirement.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

Section 1. KRS 95.859 is amended to read as follows:

- (1) The rate of retirement annuity shall be two and one-half percent (2.5%) of average salary, as defined in KRS 95.851(13), for each year of total service up to and including thirty (30) years, subject to a maximum of seventy-five percent (75%) of average salary. Fractional periods of service shall be considered in the calculation of such annuities according to the aforesaid rate. If the calculated benefit for a member is less than four thousand eight hundred dollars (\$4,800) per year, the board may increase the annual benefit to a minimum of four thousand eight hundred dollars (\$4,800) if the increase can be supported on an actuarially-sound basis by the fund.
- (2) Any member who retired prior to June 21, 1974, shall receive an increase of ten dollars (\$10) per month for each year or part thereof of retirement prior to June 21, 1974, with a maximum increase of one hundred and seventy dollars (\$170) per month. No surviving widow of a retiree shall receive a pension of less than one hundred and fifty dollars (\$150) per month. The board may increase the minimum benefit to no more than **five hundred dollars (\$500)**~~four hundred dollars (\$400)~~ per month if the increase can be supported on an actuarially-sound basis by the fund. When Social Security benefits are increased, the surviving widows' minimum shall be increased by a like percentage, but the pension increase shall not exceed five percent (5%).

- (3) Within six (6) months after the performance of the actuarial study required by KRS 95.872(6), the rate of retirement annuity of each annuitant shall be increased annually by an amount determined by the study to reflect so much of the annual increase in the cost of living of the annuitant as may be supported on an actuarially sound basis by the fund. So long as the same is published, such studies shall rely on the ***percentage increase in the annual average of the consumer price index for all items for the most recent calendar year as published by*** ~~["All Items Index" of]~~ the United States Department of Labor's ***Bureau of Labor Statistics, not to*** ~~[Consumer Price Indexes, but no increase in the cost of living shall]~~ exceed five percent (5%) ~~[for the actual increase in the cost of living, whichever is lower]~~. ***In any year that the percentage increase in the annual average of the consumer price index for all items is less than five percent (5%), the board may set the annual increase at a rate higher than the increase of the consumer price index but not in excess of five percent (5%), if the board determines that the increase can be supported on an actuarially-sound basis by the fund.*** The increases shall be payable to all members of the fund on the effective date of the increases, and all increases granted on July 15, 1990, or thereafter shall be compounded.
- (4) A surviving spouse who does not receive a pension increase pursuant to subsection (2) of this section or whose pension increase pursuant to the Social Security increase is less than the cost-of-living increase in subsection (3) of this section shall receive the same increase an annuitant receives pursuant to subsection (3) of this section, not to exceed a total of five percent (5%).

Section 2. KRS 95.860 is amended to read as follows:

- (1) Upon death of a member due to occupational causes, regardless of length of service, his surviving widow shall be entitled immediately upon cessation of salary or annuity, as the case may be, to an annuity equal to fifty percent (50%) of the member's last rate of salary plus the total increase the retired member may have received in his annuity pursuant to KRS 95.859(3). This annuity shall be payable until she dies or remarries. No surviving widow shall receive an annuity of less than one hundred and fifty dollars (\$150) per month. The board may increase the minimum benefit to no more than ***five hundred dollars (\$500)*** ~~four hundred dollars (\$400)]~~ per month if the increase can be supported on an actuarially-sound basis by the fund. When Social Security benefits are increased, the minimum shall be increased by a like percentage, provided the increase shall not exceed five percent (5%). In addition, if minor children, under age eighteen (18), survive the member, the widow shall receive twenty-five percent (25%) of the member's last rate of salary until the last child attains age eighteen (18). The combined payments to a widow and minor children, excluding cost-of-living increases or increases in the survivor benefit due to increases the retired member may have received in his annuity pursuant to KRS 95.859(3), shall not exceed seventy-five percent (75%) of his final rate of salary.
- (2) If a widow does not survive the member, or if she remarries, and minor children under age eighteen (18) exist, the children shall be entitled to the benefits provided in KRS 95.861(3).
- (3) If neither a widow nor minor children, eligible for benefits survive the member, each dependent parent shall be entitled to an annuity equal to twenty-five percent (25%) of the member's last rate of salary, or fifty percent (50%) to both parents.
- (4) If a widow would receive from a combination of:
- Survivor benefits pursuant to this section, excluding benefits for minor children or increases in the survivor benefit due to increases the retired member may have received in his annuity pursuant to KRS 95.859(3); and
  - Workers' compensation benefits, excluding dependent children's allowances or payments for medical expenses or legal fees related to the workers' compensation claim, an amount greater than one hundred percent (100%) of the deceased member's last rate of salary,

then the pension system survivor benefits shall be reduced to the point that the combined payments equal one hundred percent (100%) of the last rate of salary. The survivor benefit shall not be reduced, however, below an amount equal to two and one-half percent (2.5%) of average salary for each year of the deceased member's service. Any reduction in the survivor payment shall be based upon workers' compensation benefits applicable at the time the survivor payment is granted, and not upon subsequent increases in either benefit. If workers' compensation benefits are reduced at a subsequent time, the surviving spouse shall inform the board, and the board shall increase the survivor's benefit by the amount of the reductions, but not by more than an amount which would increase the survivor's benefit to fifty percent (50%) of last rate of salary, excluding cost-of-living increases or increases in the survivor benefit due to increases the retired member may have received in his annuity pursuant to KRS 95.859(3). The board of trustees may pay estimated benefits to a surviving spouse,

upon qualification for the benefits, based upon an estimate of workers' compensation benefits until such amounts are actually determined, at which time a final calculation of the spouse's actual benefits shall be determined and the account corrected retroactive to the effective date of the survivor benefit. If workers' compensation benefits are paid in lump sums, the board shall reduce the survivor benefit on a monthly rather than a lump-sum basis. The amount of the monthly reduction shall be based upon the life expectancy of the survivor. The board may request the assistance of the general manager of Kentucky retirement systems to calculate the reduction in survivor benefits when lump-sum payments are involved, and the general manager shall provide such assistance upon request.

- (5) A surviving child or parent receiving benefits pursuant to this section shall receive the same cost-of-living increase granted to retirees pursuant to KRS 95.859(3). A surviving spouse who does not receive an increase pursuant to subsection (1) of this section or whose pension increase pursuant to the Social Security increase is less than the cost-of-living increase in KRS 95.859(3) shall receive the same increase an annuitant receives pursuant to KRS 95.859(3), not to exceed a total of five percent (5%).

Section 3. KRS 95.861 is amended to read as follows:

- (1) Upon death of a member occurring while in service, arising from any cause other than in the performance of duty, provided the member has had at least three (3) years of total service, his widow shall receive an annuity equal to one and one-half percent (1-1/2%) of average salary for each year of total service, credited to the member, plus the total increase the retired member may have received in his retirement annuity pursuant to KRS 95.859(3), subject to a maximum payment, excluding cost-of-living increases of the member or the widow, to the widow of fifty percent (50%). If the member has had at least ten (10) years of total service, the widow shall receive an annuity of no less than one hundred and fifty dollars (\$150) per month. The board may increase the minimum benefit to not more than *five hundred dollars (\$500)*~~four hundred dollars (\$400)~~ per month if the increase can be supported on an actuarially-sound basis by the fund. When Social Security benefits are increased, the minimum shall be increased by a like percentage, but the increase shall not exceed five percent (5%). Payment of the annuity shall be subject to the following conditions:
  - (a) The widow had been married to the member at least one (1) year prior to his death;
  - (b) The widow is at least forty-five (45) years of age, otherwise payment will be deferred until she attains such age, except that if she is or becomes totally disabled before age forty-five (45), or has a minor child or children by the member in her care under age eighteen (18), (including adopted children provided the proceedings for adoption were initiated at least one (1) year prior to death of member) payment of the widow's annuity will begin immediately together with an additional allowance on account of the child or children;
  - (c) The widow's annuity will terminate in any event when the widow remarries. The annuity of each child or children shall continue until each child attains age eighteen (18).
- (2) If the widow has minor children under age of eighteen (18), the annuity to the widow shall be increased one-half (1/2) on account of the first child and one-fourth (1/4) on account of each additional child, subject to a maximum combined payment, excluding cost-of-living increases or increases the retired member may have received in his annuity pursuant to KRS 95.859(3), to the widow and children of seventy-five percent (75%) of the average salary as defined in KRS 95.851(13).
- (3) If the pensioner is not survived by a widow and there are minor children the following benefits shall be paid:
  - (a) One (1) minor child, fifty percent (50%) of the average salary plus the total increase the retired member may have received in his annuity pursuant to KRS 95.859(3);
  - (b) Two (2) minor children, fifteen percent (15%) of the average salary additional;
  - (c) Three (3) or more minor children, ten percent (10%) of the average salary additional,
 subject to a maximum combined payment, excluding cost-of-living increases of the member or the minor children, of seventy-five percent (75%) of the average salary as defined in KRS 95.851(13). The annuity of each child or children shall continue until each child attains age eighteen (18), or, in the case of a child regularly employed in full-time educational activities the age of twenty-three (23). The annuity payments shall be reduced in reverse order.
- (4) These benefits shall also be payable upon death of the member while on retirement, provided marriage was in effect for at least one (1) year before death.

- (5) A surviving child receiving benefits pursuant to this section shall receive the same cost-of-living increases granted to retirees pursuant to KRS 95.859(3). A surviving spouse who does not receive an increase pursuant to subsection (1) of this section or whose pension increase pursuant to the Social Security increase is less than the cost of living increase in KRS 95.859(3) shall receive the same increase an annuitant receives pursuant to KRS 95.859(3), not to exceed a total of five percent (5%).

Section 4. KRS 95.862 is amended to read as follows:

- (1) In the event a total and permanent occupational disability occurs, the member shall receive an annuity equal to seventy percent (70%) of his last rate of salary. If the calculated monthly benefit is less than **five hundred dollars (\$500)**~~four hundred dollars (\$400)~~ per month, the board may increase the monthly benefit to a minimum of **five hundred dollars (\$500)**~~four hundred dollars (\$400)~~ monthly if the increase can be supported on an actuarially-sound basis by the fund. This benefit shall begin at such time as his salary may cease, and shall be paid during his entire lifetime. Any member who retired prior to June 21, 1974, shall receive an increase of ten dollars (\$10) per month for each year or part thereof of retirement prior to June 21, 1974, with a maximum increase of one hundred and seventy dollars (\$170) per month. Upon his death, his eligible widow and minor children, if any, shall receive the benefits as provided under KRS 95.860.
- (2) If the member retired for total and permanent occupational disability would receive from a combination of (a) pension disability payments pursuant to subsection (1) of this section, and (b) workers' compensation payments, excluding spouse or dependent children's allowances or payments for medical expenses or legal fees related to the workers' compensation claim, an amount greater than one hundred percent (100%) of his last rate of salary, then the pension system benefits shall be reduced to the point that the combined payments equal one hundred percent (100%) of the last rate of salary. The benefit shall not be reduced, however, below an amount equal to two and one-half percent (2-1/2%) of average salary for each year of the member's service. Any reduction in the payment shall be based upon workers' compensation benefits applicable at the time the payment is granted, and not upon subsequent increases in either benefit. If workers' compensation benefits are reduced at a subsequent time, the retiree shall inform the board, and the board shall increase the benefit by the amount of the reductions, but not by more than an amount which would increase the benefit to seventy percent (70%) of the last rate of salary, excluding cost-of-living increases. The board of trustees may pay estimated benefits to a retiree, upon qualification for the benefits, based upon an estimate of workers' compensation benefits until such amounts are actually determined, at which time a final calculation of the actual benefits shall be determined and the account corrected retroactive to the effective date of the benefit. If workers' compensation benefits are paid in lump sums, the board shall reduce the disability retirement annuity on a monthly rather than a lump sum basis. The amount of the monthly reduction shall be based upon the life expectancy of the retired member. The board may request the assistance of the general manager of Kentucky Retirement Systems to calculate the reduction in the retirement benefit when lump sum payments are involved, and the general manager shall provide such assistance upon request.
- (3) Any member retired pursuant to this section shall receive the same cost-of-living increases granted to other retirees pursuant to the terms of KRS 95.859(3).

Section 5. KRS 95.863 is amended to read as follows:

- (1) Upon total and permanent disability of a member as the result of any cause other than occupational disability, if a member shall have rendered at least ten (10) years of total service, he shall be entitled to a disability retirement annuity. The amount of such annuity shall be equal to two and one-half percent (2-1/2%) of average salary, as defined in KRS 95.851(13), for each full year of total service, subject to a minimum payment of twenty-five percent (25%) of such average salary, and a maximum payment, excluding cost-of-living increases, of fifty percent (50%) of average salary. If the calculated monthly benefit is less than **five hundred dollars (\$500)**~~four hundred dollars (\$400)~~ per month, the board may increase the monthly benefit to a minimum of **five hundred dollars (\$500)**~~four hundred dollars (\$400)~~ monthly if the increase can be supported on an actuarially-sound basis by the fund. Payment of this annuity shall be made during disability of the member. Any member who retired prior to June 21, 1974, shall receive an increase of ten dollars (\$10) per month for each year or part thereof of retirement prior to June 21, 1974, with a maximum increase of one hundred and seventy dollars (\$170) per month. Upon death of the member, if an eligible widow or minor children survive, such survivors shall be entitled to the regular annuities provided under KRS 95.861.
- (2) Any annuity for nonoccupational disability shall begin to accrue upon the expiration of ninety (90) days following the commencement of disability provided that if the member is receiving salary for sick leave for a period of more than ninety (90) days, payment shall accrue from the date such salary ceases. If written

application for such annuity shall not have been filed with the board prior to the expiration of ninety (90) days from the date of disability, the annuity shall begin to accrue from the date the application shall be filed but not prior to the expiration of ninety (90) days from the date of disability, nor in any event prior to the time when salary payments to the employee shall have ceased.

- (3) Any member retired pursuant to this section shall receive the same cost-of-living increases granted to other retirees pursuant to the terms of KRS 95.859(3).

Section 6. KRS 61.702 is amended to read as follows:

- (1) The board of trustees of Kentucky Retirement Systems shall arrange by appropriate contract or on a self-insured basis to provide a group hospital and medical insurance plan for present and future recipients of a retirement allowance from the Kentucky Employees Retirement System, County Employees Retirement System, and State Police Retirement System. The board shall also arrange to provide health care coverage by health maintenance organizations, as defined in KRS 18A.225, as an alternative to group hospital and medical insurance for any person eligible for hospital and medical benefits under this section. Any person who chooses coverage by a health maintenance organization shall pay, by payroll deduction from the retirement allowance or by another method, the difference in premium between the cost of health maintenance organization coverage and the benefits to which he would be entitled under this section. The board may authorize present and future recipients of a retirement allowance from any of the three (3) retirement systems, who are under age sixty-five (65), to be included in the state employees' group for hospital and medical insurance and shall provide benefits for recipients equal to those provided to state employees having the same Medicare hospital and medical insurance eligibility status.
- (2) Each employer participating in the State Police Retirement System as provided for in KRS 16.510 to 16.652, each employer participating in the County Employees Retirement System as provided in KRS 78.510 to 78.852, and each employer participating in the Kentucky Employees Retirement System as provided for in KRS 61.510 to 61.705 shall contribute to the Kentucky Retirement Systems insurance fund the amount necessary to provide hospital and medical insurance as provided for under this section. Such employer contribution rate shall be developed by appropriate actuarial method as a part of the determination of each respective employer contribution rate to each respective retirement system determined under KRS 61.565.
- (3) (a) The premium required to provide hospital and medical benefits under this section shall be paid:
  1. Wholly or partly from funds contributed by the recipient of a retirement allowance, by payroll deduction, or otherwise;
  2. Wholly or partly from funds contributed by the Kentucky Retirement Systems insurance fund;
  3. Wholly or partly from funds contributed by another state-administered retirement system under a reciprocal arrangement, except that any portion of the premium paid from the Kentucky Retirement Systems insurance fund under a reciprocal agreement shall not exceed the amount that would be payable under this section if all the member's service were in one (1) of the systems administered by the Kentucky Retirement Systems;
  4. Partly from subparagraphs 1., 2., or 3., except that any premium for hospital and medical insurance over the amount contributed by the Kentucky Retirement Systems insurance fund or another state-administered retirement system under a reciprocal agreement shall be paid by the recipient. If the board provides for cross-referencing of insurance premiums, the employer's contribution for the working member or spouse shall be applied toward the premium, and the Kentucky Retirement Systems insurance fund shall pay the balance, not to exceed the monthly contribution.
  5. In full from the Kentucky Retirement Systems insurance fund for all recipients of a retirement allowance from any of the three (3) retirement systems where such recipient is a retired former member of one (1) or more of the three (3) retirement systems (not a beneficiary or dependent child receiving benefits) and had two hundred and forty (240) months or more of service upon retirement. Should such recipient have less than two hundred forty (240) months of service but have at least one hundred eighty (180) months of service, seventy-five percent (75%) of such premium shall be paid from the insurance fund provided such recipient agrees to pay the remaining twenty-five percent (25%) by payroll deduction from his retirement allowance or by another method. Should such recipient have less than one hundred eighty (180) months of service but have at least one hundred twenty (120) months of service, fifty percent (50%) of such

premium shall be paid from the insurance fund provided such recipient agrees to pay the remaining fifty percent (50%) by payroll deduction from his retirement allowance or by another method. Should such recipient have less than one hundred twenty (120) months of service but have at least forty-eight (48) months of service, twenty-five percent (25%) of such premium shall be paid from the insurance fund provided such recipient agrees to pay the remaining seventy-five percent (75%) by payroll deduction from his retirement allowance or by another method. Notwithstanding the foregoing provisions of this subsection, a State Police Retirement System member or a hazardous position employee, as defined in KRS 61.592, who becomes disabled in the line of duty as defined in KRS 16.505(19), shall have his premium paid in full as if he had two hundred forty (240) months or more of service. Further, a State Police Retirement System member or a hazardous position employee as defined in KRS 61.592, who is killed in the line of duty as defined in KRS 16.505(19), shall have the premium for the beneficiary, if the beneficiary is the member's spouse, and for each dependent child paid so long as they individually remain eligible for a monthly retirement benefit. "Months of service" as used in this section shall mean the total months of combined service used to determine benefits under any or all of the three (3) retirement systems, except service added to determine disability benefits shall not be counted as "months of service."

- (b) For a member electing insurance coverage through the Kentucky Retirement Systems, "months of service" shall include, in addition to service as described in paragraph (a) of this subsection, service credit in one of the other state-administered retirement plans.
  - 1. Effective August 1, 1998, the Kentucky Retirement Systems shall compute the member's combined service, including service credit in another state-administered retirement plan, and calculate the portion of the member's premium to be paid by the insurance fund, according to the criteria established in paragraph (a) of this subsection. Each state-administered retirement plan annually shall pay to the insurance fund the percentage of the system's cost of the retiree's monthly contribution for single coverage for hospital and medical insurance which shall be equal to the percentage of the member's number of months of service in the other state-administered retirement plan divided by his total combined service. The amounts paid by the other state-administered retirement plans and the insurance fund shall not be more than one hundred percent (100%) of the monthly contribution adopted by the respective boards of trustees.
  - 2. A member may not elect coverage for hospital and medical benefits under this subsection through more than one (1) of the state-administered retirement plans.
  - 3. A state-administered retirement plan shall not pay any portion of a member's monthly contribution for medical insurance unless the member is a recipient or annuitant of the plan.
- (4) (a) Group rates under the hospital and medical insurance plan shall be made available to the spouse, dependents, and disabled children, regardless of the disabled child's age, of a recipient who is a former member or the beneficiary, if the premium for the spouse, dependent, disabled child, or beneficiary hospital and medical insurance is paid by payroll deduction from the retirement allowance or by another method. A child shall be considered disabled if he has been determined to be eligible for federal Social Security disability benefits.
- (b) The other provisions of this section notwithstanding, the insurance fund shall pay a percentage of the monthly contribution for the spouse and dependents of a recipient who was a member of the General Assembly and is receiving a retirement allowance based on General Assembly service, of the Kentucky Employees Retirement System and determined to be in a hazardous position, of the County Employees Retirement System, and determined to be in a hazardous position or of the State Police Retirement System, or the beneficiary of the member, if the member designated only one (1) person as beneficiary. The percentage of the monthly contribution paid for the spouse and dependents *of a recipient who was in a hazardous position* shall be based solely on the member's service with the State Police Retirement System or service in a hazardous position using the formula in subsection (3)(a) of this section, *except that for any recipient of a retirement allowance from the County Employees Retirement System who was contributing to the system on January 1, 1998, for service in a hazardous position, the percentage of the monthly contribution shall be based on the total of hazardous service and any nonhazardous service as a police or firefighter with the same agency, if that agency was participating in the County Employees Retirement System but did not offer hazardous duty coverage for its police and firefighters at the time of initial participation.*

- (c) The insurance fund shall continue the same level of coverage for a recipient who was a member of the County Employees Retirement System after the age of sixty-five (65) as before the age of sixty-five (65), if the recipient is not eligible for Medicare coverage. If the insurance fund provides coverage for the spouse or dependents or beneficiary of a former member of the County Employees Retirement System, the insurance fund shall continue the same level of coverage for the spouse or dependent or beneficiary after the age of sixty-five (65) as before the age of sixty-five (65), if the spouse or dependent or beneficiary is not eligible for Medicare coverage.
- (5) After July 1, 1998, notwithstanding any other provision to the contrary, a member who holds a judicial office but did not elect to participate in the Judicial Retirement Plan and is participating instead in the Kentucky Employees Retirement System, the County Employees Retirement System, or the State Police Retirement System, as provided in KRS 61.680, and who has at least twenty (20) years of total service, one-half (1/2) of which is in a judicial office, shall receive the same hospital and medical insurance benefits, including paid benefits for spouse and dependents, as provided to persons retiring under the provisions of KRS 21.427. The Administrative Office of the Courts shall pay the cost of the medical insurance benefits provided by this subsection.
- (6) Premiums paid for hospital and medical insurance coverage procured under authority of this section shall be exempt from any premium tax which might otherwise be required under KRS Chapter 136. The payment of premiums by the insurance fund shall not constitute taxable income to an insured recipient. No commission shall be paid for hospital and medical insurance procured under authority of this section.

- (b) *When the plate has been presented to the county clerk, the clerk shall reissue it upon payment to the clerk of a two dollar (\$2) fee, for use on any other vehicle of the same classification and category owned by the same person purchasing the plate for the current licensing period. The license plate and decal on the other vehicle shall be turned into the county clerk, who shall forward the license plate to the cabinet.*
- (5) *If the Kentucky Law Enforcement Memorial license plate deteriorates, and if the person has not transferred the vehicle during the current licensing period, the person may obtain a regular license plate free of charge.*

## **CHAPTER 351**

**(HB 643)**

AN ACT relating to hazardous waste.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

Section 1. KRS 224.46-580 is amended to read as follows:

- (1) The General Assembly declares that it is the purpose of this section to promote the development of statewide programs, under the responsibility of a single agency, which are intended to protect the health of the citizens and the environment of the Commonwealth from present and future threats associated with the management of hazardous wastes and the release of toxic chemicals regulated under Title III, Section 313 of the Superfund Amendments and Reauthorization Act of 1986, including disposal, treatment, recycling, storage, and transportation. The intent of the General Assembly is to add to and coordinate, and not replace, existing efforts and responsibilities in the areas of hazardous waste management, toxic chemical manufacture, processing, or other use, and to leave the primary burden and responsibility for hazardous waste and toxic chemical reduction on private industry; and further to finance assistance and coordination by imposing assessments on the generation of hazardous waste. The assessments are intended to produce a reduction in waste generated; to promote the use of new techniques in recycling, treatment, and alternatives other than land disposal; and to place the burden of financing additional hazardous waste management activities necessarily undertaken by state agencies on the users of those products associated with the generation of hazardous waste. The General Assembly further finds that Kentucky's industries need assistance in developing and implementing pollution prevention goals and that a fund should be established to provide technical and financial assistance to those industries.
- (2) The Natural Resources and Environmental Protection Cabinet is given the authority to administer the provisions and programs of this section and the responsibility to achieve the purposes of this section.
- (3) In addition to all specific responsibilities contained elsewhere in this chapter, the cabinet shall:
  - (a) Respond effectively and in a timely manner to emergencies created by the release of hazardous substances, as defined in KRS 224.01-400, into the environment. The cabinet shall provide for adequate containment and removal of the hazardous substances in order that the threat of a release or actual

release of the substance may be abated and resultant harm to the environment minimized. The provisions of KRS 45A.695 to 45A.725 may be suspended by the cabinet if necessary to respond to an environmental emergency.

- (b) Provide for post-closure monitoring and maintenance of hazardous waste disposal sites upon termination of post-closure monitoring and maintenance responsibilities by persons permitted to operate the facility pursuant to this chapter.
  - (c) Identify, investigate, classify, contain, or clean up any release, threatened release, or disposal of a hazardous substance where responsible parties are economically or otherwise unavailable to properly address the problem and the problem represents an imminent danger to the health of the citizens and the environment of the Commonwealth.
- (4) The cabinet shall have the authority to finance the nonfederal share of the cost for clean up of sites under the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (Public Law 96-510).
  - (5) The cabinet shall recover, when possible, actual and necessary expenditures incurred in carrying out the duties under this section. Any expenditures recovered shall be placed in the hazardous waste management fund.
  - (6) It is the expressed purpose of this section to accomplish effective hazardous waste and toxic chemical management that results in a reduction of the generation of hazardous wastes and the release of toxic chemicals within the Commonwealth; further, it is a purpose of this chapter to allocate a portion of the cost of administering necessary governmental programs related to hazardous waste and toxic chemical management to those industries whose products are reasonably related to the generation of hazardous waste.
  - (7) There is hereby imposed upon every person engaged within this state in the generation of hazardous waste an annual hazardous waste assessment to be determined pursuant to this section according to the quantity by weight of hazardous waste generated, except that no assessment shall be levied against generators for any quantity of "special wastes," waste oil, or spent material from air pollution control devices controlling emissions from coke manufacturing facilities. The assessment shall not be imposed upon any person for any quantities of hazardous waste generated by others for which that person is a secondary handler that stores, processes, or reclaims the waste. The assessment shall be reported and paid to the Natural Resources and Environmental Protection Cabinet for the generation of hazardous waste on an annual basis on January 1 of each year. The payment shall be accompanied by a report or return in a form that the cabinet may prescribe. If a federal law is enacted which accomplishes or purports to accomplish the purposes set forth in this section and which levies an assessment or tax upon any business assessed pursuant to this section, the amount of the assessment to be levied upon the business under this section shall be reduced by the amount of the federal assessment or tax upon the business. The reduction shall only be authorized when funds raised by the federal assessment or tax are made available to the state for any of the activities to be funded under this section. If federal moneys are available to carry out the duties imposed by subsection (3) of this section, the assessment shall cease to be levied and collected until such time as federal moneys are no longer available to the Commonwealth for these purposes. The assessment shall be charged against generators of hazardous waste until June 30, ~~2002~~~~[2000]~~. After this date, no further hazardous waste management assessment shall be charged against generators.
  - (8) The assessment on generators shall be one and two-tenths cents (\$0.012) per pound if the waste is liquid, or two-tenths of a cent (\$0.002) per pound if the waste is solid.
    - (a) Hazardous waste that is injected into a permitted underground injection well shall be assessed on a dry weight basis;
    - (b) Hazardous waste treated, detoxified, solidified, neutralized, recycled, incinerated, or disposed of on-site shall be assessed at one-half (1/2) of the appropriate rate, except for recycled waste used in the steel manufacturing process which shall be exempt; and
    - (c) Waste that is subject to regulation under Section 402 or 307B of the Federal Clean Water Act shall be exempt.
  - (9) Except for waste brought into the state by a company to an affiliated manufacturing facility of the company receiving the waste, any person who transports hazardous waste into the state for land disposal or treatment which is generated outside of the state shall pay an assessment to the hazardous waste facility which first receives the waste for storage, treatment, or land disposal. The assessment rate shall be identical to the rate

described in subsection (8) of this section. The facility shall remit the assessment to the cabinet on an annual basis on January 1 of each year. The payment shall be accompanied by a return the cabinet shall prescribe.

- (10) If any generator or hazardous waste facility subject to the provisions of subsection (8) or (9) of this section fails or refuses to file a return or furnish any information requested in writing by the cabinet, the cabinet may, from any information in its possession, make an estimate and issue an assessment against the generator or hazardous waste facility and add a penalty of ten percent (10%) of the amount of the assessment so determined. This penalty shall be in addition to all other applicable penalties in this chapter.
- (11) If any generator or hazardous waste facility subject to the provisions of subsection (8) or (9) of this section fails to make and file a return required by this chapter on or before the due date of the return or the due date as extended by the cabinet, unless it is shown to the satisfaction of the cabinet, that the failure is due to reasonable cause, five percent (5%) of the assessment found to be due by the cabinet shall be added to the assessment for each thirty (30) days or fraction thereof elapsing between the due date of the return and the date on which it is filed, but the total penalty shall not exceed twenty-five percent (25%) of the assessment.
- (12) If the assessment imposed by this chapter, whether assessed by the cabinet, or the generator, or any installment or portion of the assessment is not paid on or before the date prescribed for its payment, there shall be collected, as a part of the assessment, interest upon the unpaid amount at the rate of eight percent (8%) per annum from the date prescribed for its payment until payment is actually made to the cabinet.
- (13) There is hereby created within the State Treasury a trust and agency fund which shall not lapse to be known as the hazardous waste management fund. The fund shall be deposited in an interest-bearing account. The cabinet shall be responsible for collecting and receiving funds as provided in this section, and all such assessments collected or received by the State Treasury shall be deposited in the hazardous waste management fund. All interest earned on the money deposited in the fund shall be deposited to the fund. When the State Treasurer certifies to the cabinet that the uncommitted balance of the hazardous waste management fund exceeds six million dollars (\$6,000,000), assessments shall not be collected until the State Treasurer certifies to the cabinet that the balance in the hazardous waste management fund is less than three million dollars (\$3,000,000). The implementation of the cap on the fund shall be suspended from July 13, 1990, until July 1, 1991. In addition, for assessments paid after July 1, 1991, the cabinet shall refund or grant a credit against the next assessment to come due, on a pro-rated basis, any money collected in one (1) year in excess of the cap.
- (14) There is hereby created within the State Treasury a trust and agency account which shall not lapse to be known as the pollution prevention fund. The fund shall be placed in an interest-bearing account. The fund shall be administered by the Center for Pollution Prevention. The cabinet shall remit to the fund each fiscal year twenty percent (20%) of the funds received by the hazardous waste management fund subject to the enacted budget bill. The cabinet shall provide to the center estimates of the amount of the hazardous waste assessment expected to be collected during each upcoming fiscal year.
- (15) Upon request of the secretary, moneys accumulated in the hazardous waste management fund shall be released in amounts necessary to accomplish the performance of the duties imposed by subsection (3) of this section. However, moneys from the fund shall not be used when federal moneys are available to carry out these duties, except when immediate action is required to protect public health or the environment, in which case the cabinet shall actively pursue reimbursement of the fund by any available federal moneys.
- (16) If any person responsible for a release or threatened release of a hazardous substance fails to take response actions or to make reasonable progress in completing response actions ordered by the cabinet, the cabinet may bring an action to compel performance or may take appropriate response actions and order the responsible person to reimburse the cabinet for the actual costs incurred by the cabinet.
- (17) If disposal activities have occurred at a hazardous waste site, the cabinet shall record in the office of the county clerk in the county in which a waste site is situated a notice containing a legal description of the property that discloses to any potential transferee that the land was used to dispose hazardous waste and that further information on the hazardous waste site may be obtained from the cabinet.
- (18) No person shall affect the integrity of the final cover, liners, or any other components of any containment system after closure of a hazardous waste site on or in which hazardous waste remains without prior written approval of the cabinet.

**CHAPTER 352****(HB 660)**

AN ACT relating to sales tax.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

Section 1. KRS 139.470 is amended to read as follows:

There are excluded from the computation of the amount of taxes imposed by this chapter:

- (1) Gross receipts from the sale of, and the storage, use, or other consumption in this state of, tangible personal property the gross receipts from the sale of which, or the storage, use, or other consumption of which, this state is prohibited from taxing under the Constitution or laws of the United States, or under the Constitution of this state;
- (2) Gross receipts from sales of, and the storage, use, or other consumption in this state of:
  - (a) Nonreturnable and returnable containers when sold without the contents to persons who place the contents in the container and sell the contents together with the container; and
  - (b) Returnable containers when sold with the contents in connection with a retail sale of the contents or when resold for refilling;

As used in this section the term "returnable containers" means containers of a kind customarily returned by the buyer of the contents for reuse. All other containers are "nonreturnable containers";

- (3) Gross receipts from the sale of, and the storage, use, or other consumption in this state of, tangible personal property used for the performance of a lump-sum, fixed-fee contract of public works executed prior to February 5, 1960;
- (4) Gross receipts from occasional sales of tangible personal property and the storage, use, or other consumption in this state of tangible personal property, the transfer of which to the purchaser is an occasional sale;
- (5) Gross receipts from sales of tangible personal property to a common carrier, shipped by the seller via the purchasing carrier under a bill of lading, whether the freight is paid in advance or the shipment is made freight charges collect, to a point outside this state and the property is actually transported to the out-of-state destination for use by the carrier in the conduct of its business as a common carrier;
- (6) Gross receipts from sales of tangible personal property sold through coin-operated bulk vending machines, if the sale amounts to fifty cents (\$0.50) or less, if the retailer is primarily engaged in making the sales and maintains records satisfactory to the cabinet. As used in this subsection, "bulk vending machine" means a vending machine containing unsorted merchandise which, upon insertion of a coin, dispenses the same in approximately equal portions, at random and without selection by the customer;
- (7) Gross receipts from sales to any cabinet, department, bureau, commission, board, or other statutory or constitutional agency of the state and gross receipts from sales to counties, cities, or special districts as defined in KRS 65.005. This exemption shall apply only to purchases of property or services for use solely in the government function. A purchaser not qualifying as a governmental agency or unit shall not be entitled to the exemption even though the purchaser may be the recipient of public funds or grants;
- (8)
  - (a) Gross receipts from the sale of sewer services, water, and fuel to Kentucky residents for use in heating, water heating, cooking, lighting, and other residential uses. As used in this subsection, "fuel" shall include, but not be limited to, natural gas, electricity, fuel oil, bottled gas, coal, coke, and wood. Determinations of eligibility for the exemption shall be made by the Revenue Cabinet;
  - (b) In making the determinations of eligibility, the cabinet shall exempt from taxation all gross receipts derived from sales:
    1. Classified as "residential" by a utility company as defined by applicable tariffs filed with and accepted by the Public Service Commission;
    2. Classified as "residential" by a municipally-owned electric distributor which purchases its power at wholesale from the Tennessee Valley Authority;

3. Classified as "residential" by the governing body of a municipally-owned electric distributor which does not purchase its power from the Tennessee Valley Authority, if the "residential" classification is reasonably consistent with the definitions of "residential" contained in tariff filings accepted and approved by the Public Service Commission with respect to utilities which are subject to Public Service Commission regulation.

If the service is classified as residential, use other than for "residential" purposes by the customer shall not negate the exemption;

- (c) The exemption shall not apply if charges for sewer service, water, and fuel are billed to an owner or operator of a multi-unit residential rental facility or mobile home and recreational vehicle park other than residential classification; and
  - (d) The exemption shall apply also to residential property which may be held by legal or equitable title, by the entireties, jointly, in common, as a condominium, or indirectly by the stock ownership or membership representing the owner's or member's proprietary interest in a corporation owning a fee or a leasehold initially in excess of ninety-eight (98) years;
- (9) Any rate increase for school taxes and any other charges or surcharges added to the total amount of a residential telephone bill;
  - (10) Gross receipts from sales to an out-of-state agency, organization, or institution exempt from sales and use tax in its state of residence when that agency, organization, or institution gives proof of its tax-exempt status to the seller and the seller maintains a file of the proof;
  - (11) Gross receipts derived from the sale of, and the storage, use, or other consumption in this state of, tangible personal property to be used in the manufacturing or industrial processing of tangible personal property which will be for sale are not subject to the sales or use tax. The property shall be regarded as having been purchased for resale. For purposes of this subsection, a manufacturer or industrial processor includes an individual or business entity that performs only part of the manufacturing or industrial processing activity and the person or business entity need not take title to tangible personal property that is incorporated into, or becomes the product of, the activity.
    - (a) Industrial processing includes refining, extraction of petroleum and natural gas, mining, quarrying, fabricating, and industrial assembling. As defined herein, tangible personal property to be used in the manufacturing or industrial processing of tangible personal property which will be for sale shall mean:
      1. Materials which enter into and become an ingredient or component part of the manufactured product.
      2. Other tangible personal property which is directly used in manufacturing or industrial processing, if the property has a useful life of less than one (1) year. Specifically these items are categorized as follows:
        - a. Materials. This refers to the raw materials which become an ingredient or component part of supplies or industrial tools exempt under subdivisions b. and c. below.
        - b. Supplies. This category includes supplies such as lubricating and compounding oils, grease, machine waste, abrasives, chemicals, solvents, fluxes, anodes, filtering materials, fire brick, catalysts, dyes, refrigerants, explosives, etc. The supplies indicated above need not come in direct contact with a manufactured product to be exempt. "Supplies" does not include repair, replacement, or spare parts of any kind.
        - c. Industrial tools. This group is limited to hand tools such as jigs, dies, drills, cutters, rolls, reamers, chucks, saws, spray guns, etc., and to tools attached to a machine such as molds, grinding balls, grinding wheels, dies, bits, cutting blades, etc. Normally, for industrial tools to be considered directly used in manufacturing, they shall come into direct contact with the product being manufactured.
    3. Materials and supplies that are not reusable in the same manufacturing process at the completion of a single manufacturing cycle, excluding repair, replacement, or spare parts of any kind. A single manufacturing cycle shall be considered to be the period elapsing from the time the raw materials enter into the manufacturing process until the finished product emerges at the end of the manufacturing process.

- (b) It shall be noted that in none of the three (3) categories is any exemption provided for repair, replacement, or spare parts. ## CHAPTER 357

### (HB 807)

AN ACT relating to property tax.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

Section 1. KRS 134.010 is amended to read as follows:

As used in this chapter, unless the context requires otherwise:

- (1) "Secretary" means the secretary of revenue.
- (2) "Cabinet" means the Revenue Cabinet.
- (3) "Real property" includes all lands within this state and improvements thereon.
- (4) "Personal property" includes every species and character of property, tangible and intangible, other than real property.
- (5) "Taxpayer" means any person made liable by law to file a return or pay a tax.
- (6) "Tax claim" includes, in addition to the taxes due on a tax bill, the penalties, costs, fees, interest, commissions, the lien provided in subsection (1) of KRS 134.420 and other such items or expenses that have become or are by reason of the delinquent tax bill proper legal charges *imposed by this chapter* against the delinquent taxpayer at any given time.
- (7) "Uncollectible tax bill" means a tax bill of a delinquent who owns no real property and which has been returned to the fiscal court by the sheriff or collector because there is insufficient or no personal property to satisfy it, and which has been allowed and approved in the settlement with the court as uncollectible.
- (8) "Sheriff" includes any collector whose duty it is to receive or collect state, county or district taxes.

Section 2. KRS 134.450 is amended to read as follows:

- (1) The sheriff shall sell all tax claims for which payment by the delinquent taxpayer has not been made by the closing date for the acceptance by the sheriff of offers to purchase delinquent tax claims. If there is more than one (1) willing purchaser who has made an offer, the one having made the most recent purchase of a tax claim against the same delinquent or the same property shall have preference; if there is no such person, the person being the first, in the judgment of the sheriff, to offer to pay cash in the full amount of the tax claim shall receive priority for the purchase of the tax claim. If the total of all offers to purchase exceeds ten percent (10%) of the total dollar amount of the delinquent bills offered for sale, or the sum of two hundred thousand dollars (\$200,000), whichever is less, the sheriff shall notify the Finance and Administration Cabinet of the offers of purchase within five (5) business days of the closing date when the offers were received. Upon receipt of the notice, the Finance and Administration Cabinet shall purchase the delinquent tax bills upon which the sheriff has received an offer of purchase and shall tender payment to the sheriff within fifteen (15) business days of the receipt of the sheriff's notice. Upon purchase of the tax claims, the state shall be the owner of the tax bills and may contract with the county attorney to collect all amounts due on its behalf under the terms and conditions of the county attorney's contract with the Revenue Cabinet to collect delinquent taxes. If the county attorney has not contracted with the Revenue Cabinet to collect delinquent taxes, the Revenue Cabinet shall collect all amounts due on behalf of the Finance and Administration Cabinet. If the Finance and Administration Cabinet does not purchase all of the delinquent tax bills, within fifteen (15) days of the closing date, the sheriff shall complete the sale of those tax claims for which the sheriff has received responsible offers to purchase. When a sale is made the tax bill shall be known as a certificate of delinquency and the sheriff shall inscribe thereon the date of sale, the sale price, and the name and address of the purchaser, in the place and manner prescribed by the Revenue Cabinet, and the purchaser shall be entitled to a certified copy of the certificate of delinquency.

- (2) If no responsible offer in the amount of the tax claim is received, the sheriff shall purchase it for the state, county, and taxing districts having an interest in the tax claim. In such case, the tax bill shall also be known as a certificate of delinquency, and the sheriff shall inscribe thereon the same information required when one other than the state, county, or taxing district is the purchaser.
- (3) The sheriff shall file all certificates of delinquency in the county clerk's office immediately upon completion of the tax sale and the clerk shall retain them. The county clerk shall acknowledge receipt of the certificates by signing a receipt form that has been prepared in a manner prescribed by the Revenue Cabinet. If the sheriff fails to file the certificates, he shall be liable on his official bond for the aggregate amount of the certificates not returned, but the claim of the purchaser shall not be affected by this neglect. If the sheriff fails to return any certificate, the purchaser may file his certified copy with the clerk, with the same effect as the original.
- (4) *The clerk shall make, execute, and deliver a certified copy of a certificate of delinquency to the payor, or the clerk may provide for a certified electronic register of the certificates of delinquency in the clerk's record in lieu of delivering a certified copy of the certificate of delinquency.*
- (5) *The certificate of delinquency is assignable by endorsement. The clerk shall note the assignment on the certificate of delinquency or the clerk may provide for a certified electronic certificate of delinquency in the clerk's records in lieu of delivering a certified copy of the certificate of delinquency. An assignment when noted on the record in the office of the county clerk vests in the assignee all rights and title of the original purchaser.*

Section 3. KRS 134.460 is amended to read as follows:

- (1) Certificates of delinquency shall bear interest from the date of issuance until collected at the rate of twelve percent (12%) per annum *simple interest. A fraction of a month is counted as an entire month.*
- (2) Certificates of delinquency shall be prima facie evidence that:
  - (a) The property represented by the certificate was subject to taxes levied thereon, and was assessed as required by law.
  - (b) The tax bill was valid and correct in all respects.
  - (c) The taxes were not paid at any time before the issuance of the certificate.

Section 4. KRS 134.480 is amended to read as follows:

- (1) The delinquent taxpayer or any person owning or having a legal or equitable interest in real property covered by a certificate of delinquency may at any time pay the total amount of the certificate to any purchaser thereof, and any person whatsoever may likewise pay a certificate of delinquency when the state, county, or taxing district was the purchaser. When a certificate is paid to an owner other than the state, county, or taxing district, *the assignee shall mark paid in full on the certified copy of the certificate and shall surrender the certified copy of the certificate of delinquency*~~he surrendered~~ to the person making payment, and if he is the person primarily liable on the certificate he may *file it with the county clerk and*~~by exhibiting it to the county clerk,~~ have the certificate released of record. When a certificate of delinquency has been fully paid to the state, county, and taxing districts, the clerk shall note the name and address of the person making the payment, the amount paid by him, and such other information as the Revenue Cabinet may require. *The clerk shall mark the certificate of delinquency paid in full.* Payment in such instance by one other than the person primarily liable on the certificate will amount to an assignment thereof. *The clerk shall note the assignment on the certificate of delinquency and provide the assignee a certified copy of the certificate of delinquency, or the clerk may provide for a certified electronic certificate of delinquency in the clerk's records in lieu of delivering a certified copy of the certificate of delinquency.* Anyone other than the person primarily liable who pays a certificate or purchases it from an owner other than the state, county, and taxing district may, by paying a fee of fifty cents (\$0.50), have the clerk record the payment or purchase and such recordation shall constitute an assignment thereof. Failure to obtain such an assignment shall render the claim of such payor or purchaser to any real estate represented thereby inferior to rights of other bona fide purchasers, payors, or creditors. Any owner of a certificate of delinquency once having paid the assignment fee may have a change of his address noted of record by the clerk without paying an additional charge, otherwise he shall pay a fee of fifty cents (\$0.50) to the clerk for entering such change on the certificate.
- (2) The county clerk may receive payment of the amount due on certificates of delinquency owned by the state, county, and taxing districts, and he shall give a receipt to the payor and make a report to the Revenue Cabinet, the county treasurer, and the proper officials of the taxing districts as often as such units may require, and not

less than once in every thirty (30) days. The clerk may accept payment of taxes due by any commercially acceptable means, including credit cards. He shall pay to the Revenue Cabinet for deposit with the State Treasurer all moneys collected by him due the state, to the county treasurer all moneys due the county, and to the authorized officers of the taxing districts the amount due each such district. He shall pay the amount of fees, costs, commissions, and penalties to the persons, agencies, or parties entitled thereto. He shall retain ten percent (10%) of the amount due each taxing unit for his services as a fee. This fee shall be added to the amount of the tax claim and paid by the persons paying the tax claim.

- (3) If the person entitled to pay a certificate of delinquency sends a registered letter addressed to the owner of record of the certificate, other than the state, county, or taxing district, and the letter is returned by mail unclaimed, the sender thereof may make payment to the county clerk, who shall make the necessary assignment or release and deposit the money to the account of the owner of record in the nearest bank having its deposits insured with the Federal Deposit Insurance Corporation. The clerk may deduct the sum of fifty cents (\$0.50) as a fee for such service. The name of the bank in which the money is deposited shall be noted on the certificate.
- (4) If any clerk fails to pay to the person entitled thereto, upon demand, the money received in payment of a certificate of delinquency, he and his sureties shall be liable for the same and twenty percent (20%) interest thereon annually from the time he received it until paid.
- (5) Copies of the records provided for in KRS 134.450 and this section, certified by the county clerk, shall be evidence of the facts stated in them in all the courts of this state.

Section 5. KRS 134.500 is amended to read as follows:

- (1) Uncollectible tax claims shall bear interest at twelve percent (12%) per annum *simple interest* from the date the certificate of delinquency is issued. ***A fraction of a month is counted as an entire month. The sheriff's add-on fee provided in KRS 134.430, the clerk's add-on fee provided in Section 4 of this Act, and the county attorney's add-on fee provided in this section shall be excluded from the interest calculation.*** All tax bills on omitted property that were not turned over to the sheriff in time to be collected or to make the sale provided for in KRS 134.430 and 134.440 shall also be submitted to the fiscal court but shall be carried over as a charge against the sheriff at the time he makes his next regular settlement.
- (2) The cabinet shall be responsible for the collection of certificates of delinquency and delinquent personal property tax bills; however, the cabinet shall first offer the collection duties to the county attorney, unless the cabinet determines that the county attorney has previously failed to perform collection duties in a reasonable and acceptable manner. Any county attorney desiring to perform the duties associated with the collection of delinquent tax claims shall enter into a contract with the cabinet on an annual basis. The terms of the contract shall specify the duties to be undertaken by the county attorney. These duties shall include but are not limited to the following actions:
  - (a) Within fifty (50) days after the issuance of a certificate of delinquency to the state, county, and taxing district, the county attorney or the Revenue Cabinet shall cause a notice of the purchase to be mailed by regular mail to the property owner at the address on the records of the property valuation administrator. The notice shall advise the owner that the certificate is a lien of record against all property of the owner, and bears interest at the rate of twelve percent (12%) per annum, and if not paid will be subject to collection by the county attorney as provided by law.
  - (b) The county attorney shall file in the office of the county clerk a list of the names and addresses to which the notice was mailed along with a certificate that the notice was mailed in accordance with the requirements of this section.
  - (c) All notices returned as undeliverable shall be submitted to the property valuation administrator. The property valuation administrator shall attempt to correct inadequate or erroneous addresses and, if property has been transferred, shall determine the new owner and the current mailing address. The property valuation administrator shall return the notices with the corrected information to the county attorney prior to the expiration of the one (1) year tolling period provided in KRS 134.470.
  - (d) Within ninety (90) days after the expiration of the one (1) year tolling period provided in KRS 134.470, the county attorney shall cause a notice of his intention to enforce the lien to be mailed to all owners whose tax bills remain delinquent. No second notice shall be required for addresses previously determined to be undeliverable and for which the property valuation administrator has not provided corrected information.

- (e) Failure to mail the notices shall not affect the validity of the claim of the state, county, and taxing district. The postal cost of mailing the notices shall be added to the certificate of delinquency and, upon collection, the county attorney shall be reimbursed for the postage. The county attorney shall deliver at the same time a list of the owners whose tax bills remain delinquent to the property valuation administrator. The property valuation administrator shall review this list in accordance with the provisions of KRS 132.220 to establish that the properties on the list can be identified and physically located.
- (3) The county attorney who enters into a contract with the cabinet shall have a period of two (2) years after the expiration of the one (1) year tolling period provided in KRS 134.470 to collect delinquent tax bills or to initiate court action for their collection. At the expiration of the two (2) years the cabinet may assume responsibility for all uncollected bills except those with pending court action.
- (4) The county attorney who enters into a contract with the cabinet and performs his duties in respect to the certificate of delinquency and delinquent personal property tax bills shall be entitled to twenty percent (20%) of the amount due each taxing unit, whether the tax claim is voluntarily paid or is paid through sale or under court order, and the fee shall be paid to him by the county clerk when making distribution, as provided in KRS 134.480. This fee shall be added to the amount of the tax claims and paid by the persons paying the tax claims. They shall not be paid by the taxing districts or deducted from the taxes due the taxing districts. If more than one (1) county attorney renders necessary services in an effort to collect a tax claim, the attorney serving the last notice or rendering the last substantial service preceding collection shall be entitled to the fee. When the county attorney's office, in an effort to collect a certificate of delinquency, or delinquent personal property tax bills files a court action which is litigated by the taxpayer, an additional county's attorney fee equal to thirteen percent (13%) of the total tax plus ten percent (10%) penalty, may be added to the certificate or the bill and shall become part of the tax claim.
- (5) If a county attorney chooses not to contract for these collection duties or if a county attorney fails to perform the duties required by the contract, the cabinet shall assume responsibility for the collection process. In the performance of those duties, the cabinet shall have all the powers, rights, duties, and authority with respect to the collection, refund, and administration of the amount due on the certificate of delinquency conferred generally upon the cabinet by Kentucky Revised Statutes including, but not limited to, KRS Chapters 131, 134, and 135. The twenty percent (20%) fee that would have otherwise been paid to the county attorney shall be paid to the cabinet for deposit in the delinquent tax fund provided for under KRS 134.400.
- (6) Any action on behalf of the state, county, and taxing districts authorized by this section or by KRS 134.470, 134.490, or 134.540 shall be filed on relation of the secretary, and the petition may be sent to the cabinet, which may require revision in instances where it deems revision or amendment necessary. The cabinet shall advise the county attorney in all actions, and may send him special assistance when the secretary deems assistance necessary. A copy of the judgment shall also be sent to the cabinet. If the cabinet sends assistance to a county attorney who contracts to prosecute the suits or proceedings, the county attorney shall be entitled to his full fee. On the same day that suit is filed, the county clerk shall be given notice of its filing. Costs incident to the suit shall become a part of the tax claim.
- (7) The cabinet may make its delinquent tax collection databases and other technical resources, including but not limited to income tax refund offsetting, available to the county attorney upon request from the county attorney. The county attorney seeking assistance shall enter into any agreements required by the cabinet to protect taxpayer confidentiality, to ensure database integrity, or to address other concerns of the cabinet.

No ordinance in conflict with an ordinance pledging increments shall be adopted while any increment bonds secured by that pledge remain outstanding. Ordinances pledging increments on a subordinate basis to any existing pledges may be adopted.*

## SECTION 9. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

AN ACT relating to coal mining.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

Section 1. KRS 350.445 is amended to read as follows:

The following performance standards shall be applicable to steep-slope strip mining and shall be in addition to those general performance standards required by KRS 350.405 to 350.435; provided, however, that the provisions of this section shall not apply to those situations in which a permittee or operator is mining on flat or gently rolling terrain, on which an occasional steep slope is encountered through which the mining operation is to proceed, leaving a plain or predominantly flat area, or where a permittee or operator is in compliance with the provisions of KRS 350.450(2):

- (1) The permittee or operator shall insure that when performing strip mining on steep slopes, debris, abandoned or disabled equipment, spoil material, or waste mineral matter not be placed on the downslope below the bench or mining cut; provided, that spoil material in excess of that required for the reconstruction of the approximate original contour under the provisions of KRS 350.410 or 350.445(2) shall be permanently stored pursuant to KRS 350.440.
- (2) The permittee or operator shall complete backfilling with spoil material and shall be required to cover completely the highwall and return the site to the approximate original contour, which material will maintain stability following mining and reclamation.
- (3) The permittee or operator may not disturb land above the top of the highwall unless the cabinet finds that the disturbance will facilitate compliance with the environmental protection standards of this subsection; provided, however, that the land disturbed above the highwall shall be limited to that amount necessary to facilitate compliance. *The land above the highwall may be disturbed for construction of a permanent road only where the applicant affirmatively demonstrates, and the cabinet makes a detailed and written determination, that the proposed disturbance facilitates compliance with this chapter and provided that the land disturbed shall be limited to that amount necessary to facilitate such compliance. The cabinet shall make this determination upon a demonstration by the permittee that:*
  - (a) *The permittee will completely eliminate the production highwall and backfill the mined areas to approximate original contour with no road remaining on the bench;*
  - (b) *The road will be placed on a solid base rather than on fill material and drainage will be diverted from the mining area;*
  - (c) *The road will comply with all applicable design criteria, including a drainage plan for avoiding seepage or uncontrolled discharge of water into the backfilled areas;*
  - (d) *The spoil calculations and spoil disposal plans include the road cut material and the extent, if any, that road cut material will be used to eliminate a production highwall;*
  - (e) *The road will connect to another road or roads and is necessary in order to support the approved postmining land uses;*
  - (f) *Where practical and feasible, an undisturbed barrier will be left between the production highwall and the road itself. When an undisturbed barrier is not feasible, witness monuments will be left at a minimum of two (2) locations above the production highwall;*
  - (g) *The road will be constructed to a size and design appropriate to support coal mining activities and the proposed post-mining land use;*

- (h) *The proposed mine plan and sequencing of the road construction in relation to the mining activity will minimize placement of spoil material into valley or hollow fills and will maximize permanent retention of mined spoil on the mine bench;*
  - (i) *There will be no coal removal from the construction of the permanent road except for incidental nonmerchtable coal that is disposed of in an approved manner; and*
  - (j) *All other performance standards of the chapter are met.*
- (4) For the purposes of this section, the term "steep slope" is any slope above twenty (20) degrees or such lesser slope as may be defined by the cabinet, by regulation, after consideration of soil, climate, and other characteristics of the region.

Section 3. KRS 161.030 is amended to read as follows:

- (1) Notwithstanding the age of the pupil, the certification of all teachers and other school personnel, in public schools only, is vested in the Education Professional Standards Board. When so certified, teachers and other school personnel shall not be required to have licensure, certification, or other forms of approval from any other state agency for the performance of their respective assignments within the common schools, except as provided for by law. All certificates authorized under KRS 161.010 to 161.126 shall be issued in accordance with the administrative regulations of the Education Professional Standards Board. After July 15, 1994, all certificate applications and other data collection instruments of the board shall include a request for voluntary information about the applicant's ethnic background. This information shall be available to help local school districts locate minority candidates. A person who holds a certificate prior to this requirement may request that ethnic information be added to his file. Nothing in this section shall preclude the right of an individual in a nonpublic school from seeking voluntary certification by the Education Professional Standards Board.
- (2) Certificates shall be issued upon written application and in accordance with statutes and regulations in effect at the time of application to persons who have completed, at colleges, universities, or local school district programs approved by the Education Professional Standards Board for the preparation of teachers and other school personnel, the curricula prescribed by the administrative regulations of the Education Professional Standards Board.

- (3) Certification of all new teachers and teachers seeking additional certification shall require the successful completion of appropriate assessments prior to certification. The assessments shall be selected by the Education Professional Standards Board and shall measure knowledge in the specific teaching field of the applicant, including content of the field and teaching of that content. The Education Professional Standards Board shall determine the minimum acceptable level of achievement on each assessment. The assessments shall measure those concepts, ideas, and facts which are being taught in teacher education programs in Kentucky. Upon successful completion of the assessments and the approved teacher preparation program, a certificate valid for one (1) year shall be issued. If an out-of-state teacher with less than two (2) years experience comes to Kentucky after the deadline for taking the assessments, a temporary certificate may be issued for a period up to six (6) months provided the local board cannot fill the vacant position with a certified teacher. The teacher shall take the assessments if they are administered during the period of the temporary certificate. The certificate shall be extended for the remainder of the year if the teacher successfully completes the assessments. If the teacher fails the assessments, the temporary certificate shall be valid only for the current semester.
- (4) A reasonable fee to be paid by the teacher and directly related to the actual cost of the administration of the assessments shall be established by the Education Professional Standards Board. Provisions shall be made for persons having less than minimum levels of performance on any assessment to repeat that assessment, and candidates shall be informed of their strengths and weaknesses in the specific performance areas. The Department of Education shall provide for confidentiality of the individual assessment scores. Scores shall be available only to the candidate and to the education officials who are responsible for determining whether established certification standards have been met. Scores shall be used only in the assessment for certification of new teachers and of out-of-state teachers with less than two (2) years of teaching experience who are seeking initial certification in Kentucky.
- (5) All new teachers and out-of-state teachers with less than two (2) years of successful teaching experience who are seeking initial certification in Kentucky shall serve a one (1) year internship. The teacher shall be a full-time employee or shall have an annual contract and serve on at least a half-time basis and shall have supervision, assistance, and assessment during the one (1) year internship. The internship may be served in a public school or a nonpublic school which meets the state performance standards as established in KRS 156.160 or which has been accredited by a regional or national accrediting association. Successful completion shall be determined by a majority vote of the beginning teacher committee. The internship period shall be counted as experience for the purpose of continuing contract status, retirement eligibility, and benefits for single salary experience increments. Upon successful completion of the beginning teacher program, the one (1) year initial teaching certificate shall be extended for the remainder of the usual duration period established for that particular certificate by Education Professional Standards Board administrative regulations.
- (6) The beginning teacher committee shall be composed of three (3) persons who have successfully completed special training in the supervision and assessment of the performance of beginning teachers as provided in subsection (8) of this section, *except as provided in paragraph (g) of this subsection*. The committee shall consist of a resource teacher, the school principal of the school where the internship is served, and a teacher educator appointed by a state-approved teacher training institution.
  - (a) If more than two (2) teacher interns are employed in the same school, the principal's responsibility may be shared with an assistant principal who holds certification as a principal.
  - (b) In unusual situations, the Education Professional Standards Board may permit the assistant principal to serve in lieu of the principal on a beginning teacher committee.
  - (c) If the teacher training institution is unable to provide a member, the district superintendent shall appoint an instructional supervisor from the school district.
  - (d) If the intern is teaching in a regionally or nationally accredited nonpublic school without a principal, the person filling the principal member position may have other appropriate qualifications as required by administrative regulations promulgated by the Education Professional Standards Board.
  - (e) If the teacher training institution is unable to provide a member to serve on the beginning teacher committee in a nonpublic school, the chief officer of the school shall appoint an instructional supervisor or a teacher with like qualifications and responsibilities to serve on the beginning teacher committee in lieu of the teacher educator.

- (f) The resource teacher shall be appointed by the Department of Education from a pool of qualified resource teachers, and, any statutes to the contrary notwithstanding and to the extent of available appropriations, shall be entitled to be paid a reasonable stipend by the Department of Education for work done outside normal working hours. In the case of a resource teacher in a nonpublic school, payment shall be made directly to the resource teacher by the Department of Education. Priority shall be given to resource teachers in the following order, *except as provided in paragraph (g) of this subsection*:
1. Teachers with the same certification in the same school;
  2. Teachers with the same certification in the same district;
  3. Teachers in the same school;
  4. Teachers in the same district; and
  5. Teachers in an adjacent school district.
- (g) **1. *The resource teacher for an individual pursuing initial certification as a baccalaureate level teacher of exceptional children/communication disorders shall be a master's level teacher of exceptional children/communication disorders, if one is available.***
- 2. *If a master's level teacher of exceptional children/communication disorders is not available, the Education Professional Standards Board may allow a licensed speech-language pathologist to serve on the beginning teacher committee in lieu of a resource teacher.***
- (h) The committee shall meet with the beginning teacher a minimum of three (3) times per year for evaluation and recommendation with all committee members present. In addition, each member of the committee shall observe the beginning teacher in the classroom a minimum of three (3) times per year. If the teacher's first year performance is judged by the committee to be less than satisfactory, the teacher shall be provided with an opportunity to repeat the internship one (1) time if the teacher is employed by a school district.
- (7) The resource teacher shall spend a minimum of seventy (70) hours working with the beginning teacher; twenty (20) of these hours shall be in the classroom setting; fifty (50) of these hours shall be in consultation other than class time or attending assessment meetings. The resource teacher shall have completed at least four (4) years of successful teaching experience as attested to by his or her immediate supervisor or by having achieved tenure and be able to show evidence of continuing professional development by having achieved a master's degree or its equivalent or the accumulation of two thousand (2,000) hours of continuing professional activities.
- (8) By contract with teacher education institutions in the Commonwealth, the chief state school officer shall provide special training for persons who will be serving on the beginning teacher committees. Completion of special training shall be evidenced by successfully passing the assessments as prescribed by the Education Professional Standards Board. A principal hired after July 15, 1996, shall be required to complete the beginning teacher committee training program within one (1) year after his appointment.
- (9) If an applicant establishes eligibility for a one (1) year certificate under the provisions of subsection (3) of this section, but does not become employed on the basis needed to satisfy the one (1) year internship requirement, the applicant shall be eligible for the issuance of a certificate for substitute teaching as provided by the administrative regulations of the Education Professional Standards Board. The applicant shall remain eligible for the one (1) year certificate, as provided in subsection (3) of this section, and for the opportunity to serve the internship for a period of five (5) years after establishing eligibility. If the internship is not completed within the five (5) year period, the applicant must reestablish eligibility by repeating and passing the assessment program in effect for new teachers at that time or by completing a minimum of six (6) graduate hours toward completion of a graduate program required by administrative regulations promulgated by the Education Professional Standards Board. The option for renewal through completion of graduate hours shall be available only for the first reestablishment of eligibility.
- (10) The Education Professional Standards Board shall approve the curricula of any standard college or university, or of any department thereof, for the training of teachers, and shall also approve the curricula of any local district alternative certification program, when the curricula comply with the administrative regulations of the Education Professional Standards Board for the issuance of certificates and when the institution has met the terms and conditions provided in KRS 161.010 to 161.120. Any student who has completed any of these

curricula, as approved by the Education Professional Standards Board, and who has completed the prescribed requirements for the issuance of certificates shall be granted a certificate corresponding to the curricula completed.
