Any district board of education may pay all or part of the premium on the policies, and may deduct from the salaries of the employees that part of the premium which is to be paid by them and may contract with the insurer to provide the above benefits. As permitted in KRS 160.280(5), board members shall be eligible to participate in any group medical or dental insurance provided by the district for employees.
- (b) ***If a district board of education participates in the state employee health insurance program, as described in Section 2 of this Act, for its active employees and terminates participation and there is a state appropriation approved by the General Assembly for the employer's contribution for active employees' health insurance coverage, neither the board of education nor the employees shall receive the state-funded contribution after termination from the state employee health insurance program.***
- (2) Each district board of education shall adopt policies or regulations which will provide for deductions from salaries of its employees or groups of employees whenever a request is presented to the board by said employees or groups thereof. The deductions shall be made from salaries earned in at least eight (8) different pay periods, and shall be remitted to the appropriate organization or association as specified by the employees within thirty (30) days following the deduction provided the district has received appropriate invoices or necessary documentation. The deductions may be made for, but are not limited to, membership dues, tax-sheltered annuities, and group insurance premiums. With the exception of membership dues, the board shall not be required to make more than one (1) remittance of amounts deducted during a pay period for a separate type of deduction. Health insurance, life insurance, and tax-sheltered annuities shall be interpreted as separate types of deductions. When amounts have been correctly deducted and remitted by the board, the board shall bear no further responsibility or liability for subsequent transaction.
- (3) Payments and deductions made by the board of education under the authority of this section are presumed to be for services rendered and for the benefit of the common schools, and the payments and deductions shall not affect the eligibility of any school system to participate in the public school funding program as established in KRS Chapter 157.

Section 4. KRS 161.675 is amended to read as follows:

- (1) (a) The board of trustees shall enter into contracts with insurance carriers or other health care providers for the purpose of providing a program of hospital and medical insurance coverage to members who are age

- (b) The board of trustees may enter into contracts with insurance carriers or other health providers for the purpose of providing a broad program of hospital and medical insurance coverage to members below age sixty-five (65) who are retired for service or disability and to the surviving spouse of deceased members who are eligible to receive the member's retirement benefits as provided in KRS 161.525.
  - (c) The board of trustees may offer, on a cost basis, coverage of spouses and dependents not eligible for regular coverage.
- (2) The coverage provided shall be as set forth in the contracts and the administrative regulations of the board of trustees. The contracts and administrative regulations shall provide for, but not be limited to, hospital room and board, surgical procedures, doctors' care in the hospital, and miscellaneous hospital costs. A retiree whose effective date of retirement is July 1, 1974, and thereafter, must have a minimum of five (5) years creditable Kentucky service in the Teachers' Retirement System or of combined service in the Kentucky Employees Retirement System, of which at least two (2) years was creditable service under KRS 161.510 and 161.607(2), to qualify for the coverage. The board of trustees shall offer coverage to the disabled child of a retired member regardless of the disabled child's age if the retired member pays the entire premium for the disabled child's coverage. A child shall be considered disabled if he has been determined to be eligible for federal Social Security disability benefits.
  - (3) The board of trustees is empowered to require the annuitant and the annuitant's spouse to pay a premium charge to assist in the financing of the hospital and medical insurance program. The board of trustees is empowered to pay the expenses for insurance coverage from the medical insurance fund, from the premium charges received from the annuitants and the spouses, and from funds that may be appropriated or allocated by statute. The board may provide insurance coverage by making payment to insurance carriers including health insurance plans that are available to active and retired state employees and active teachers, institutions, and individuals for services performed, or the board of trustees may elect to provide insurance on a "self-insurance" basis or a combination of these provisions.
  - (4) Contracts negotiated may include the provision that a stated amount of hospital cost or period of hospitalization shall incur no obligation on the part of the insurance carrier or the retirement system.
  - (5) The board of trustees is empowered to promulgate administrative regulations to assure efficient operation of the hospital and medical insurance program.

- (2) Cities of all classes, counties and urban-county governments and the agencies of cities, counties, charter county, and urban-county governments are authorized to establish and operate plans for the payment of retirement, disability, health maintenance organization coverage, or hospitalization benefits to their employees and elected officers, and health maintenance organization coverage or hospitalization benefits to the immediate families of their employees and elected officers. The plan may require employees to pay a percentage of their salaries into a fund from which coverage or benefits are paid, or the city, county, charter county, urban-county government, or agency may pay out of its own funds the entire cost of the coverage or benefits. A plan may include a combination of contributions by employees and elected officers and by the city, county, charter county, urban-county government, or agency into a fund from which coverage or benefits are paid, or it may take any form desired by the city, county, charter county, urban-county government, or agency. Should any city, county, charter county, or urban-county government opt at any time to participate in the state health insurance coverage program, it shall do so for a minimum of three (3) consecutive years. If after the three (3)-year participation period, the city, county, charter county, or urban-county government chooses to terminate participation in the state health insurance coverage program, it will be excluded from further participation for a period of three (3) consecutive years. ***If a city, county, charter county, or urban-county government, or one (1) of its agencies, terminates participation of its active employees in the state health insurance coverage program and there is a state appropriation for the employer's contribution for active employees' health insurance coverage, neither the unit of government, or its agency, nor the employees shall receive the state-funded contribution after termination from the state employee health insurance program.*** The three (3)-year participation and exclusion cycles shall take effect each time a city, county, charter county, or urban-county government changes its participation status.
- (5) Any city, county, charter county, urban-county government, or other political subdivision of the state which employs more than twenty-five (25) persons and which provides hospitalization benefits or health maintenance organization coverage to its employees and elected officers, shall annually give its employees an option to elect either standard hospitalization benefits or membership in a qualified health maintenance organization which is engaged in providing basic health services in a health maintenance service area in which at least twenty-five (25) of the employees reside; except that if any city, county, charter county, urban-county government, or agencies of any city, county, charter county, urban-county government, or any other political subdivision of the state which does not have a qualified health maintenance organization engaged in providing basic health services in a health maintenance service area in which at least twenty-five (25) of the employees reside, the city, county, charter county, urban-county government, or agencies of the city, county, charter county, urban-county government, or any other political subdivision of the state may annually give its employees an option to elect either standard hospitalization benefits or membership in a health maintenance organization which has been licensed by the Kentucky Health Facilities and Health Services Certificate of Need and Licensure Board and issued a certificate of authority by the Department of Insurance as a health maintenance organization and which is engaged in providing basic health services in a health maintenance service area in which at least twenty-five (25) of the employees reside. Any premium due for health maintenance organization coverage over the amount contributed by the city, county, charter county, urban-county government, or other political subdivision of the state which employs more than twenty-five (25) persons, for any other hospitalization benefit shall be paid by the employee.
- (6) If an employee moves his place of residence or employment out of the service area of a health maintenance organization, under which he has elected coverage, into either the service area of another health maintenance organization or into an area of the state not within a health maintenance organization service area, the employee shall be given an option, at the time of the move or transfer, to elect coverage either by the health maintenance organization into which service area he moves or is transferred or to elect standard hospitalization coverage offered by the employer.
- (7) Any plan adopted shall provide that any officer or member of a paid fire or police department who has completed five (5) years or more as a member of the department, but who is unable to perform his duties by reason of heart disease or any disease of the lungs or respiratory tract, is presumed to have contracted his disease while on active duty as a result of strain or the inhalation of noxious fumes, poison or gases, and shall be retired by the pension board under terms of the pension system of which he is a member, if member passed an entrance physical examination and was found to be in good health as required.
- (8) The term "agency" as used herein shall include boards appointed to operate waterworks, electric plants, hospitals, airports, housing projects, golf courses, parks, health departments, or any other public project.

- (9) After August 1, 1988, except as permitted by KRS 65.156, no new retirement plan shall be created pursuant to this section, and cities which were covered by this section on or prior to August 1, 1988, shall participate in the County Employees Retirement System effective August 1, 1988. Any city, county, charter county, urban-county, or agency thereof which provided a retirement plan for its employees, pursuant to this section, on or prior to August 1, 1988, shall place employees hired after August 1, 1988, in the County Employees Retirement System. The city, county, charter county, urban-county, or agency thereof shall offer employees hired on or prior to August 1, 1988, membership in the County Employees Retirement System under the alternate participation plan as described in KRS 78.530(3), but such employees may elect to retain coverage under this section.

## CHAPTER 444

(SJR 57)

A JOINT RESOLUTION relating to the display of historic documents that include a depiction of the Ten Commandments.

WHEREAS, in the Preamble to Kentucky's Constitution, the Framers acknowledged Almighty God as the source of the people's liberty and invoked His blessings on the citizens of the Commonwealth:

"We, the people of the Commonwealth of Kentucky, grateful to Almighty God for the civil, political and religious liberties we enjoy, and invoking the continuance of these blessings, do ordain and establish this Constitution"; and

WHEREAS, in 1992, the Kentucky General Assembly enacted KRS 158.195 to prevent the censorship or suppression of the official Acts of Congress or the writings and speeches of America's Founders and Presidents which contain references to God or the Bible; and

WHEREAS, the Ten Commandments appear over the bench where the United States Supreme Court Justices sit, thus showing the source from whence our laws and the governmental power of the state are derived; and

WHEREAS, America's colonial governments adopted the Ten Commandments not as an object of worship or an icon, but as the basis for their civil and criminal law, as illustrated on April 3, 1644, when the New Haven Colony Charter was adopted establishing that: "the judicial laws of God, as they were delivered by Moses be a rule to all the courts in this jurisdiction"; and

WHEREAS, when signing the Declaration of Independence on August 2, 1776, Samuel Adams, the "Father of the Revolution," emphasized its Biblical presuppositions:

"We have this day restored the Sovereign to whom all men ought to be obedient. He reigns in heaven and from the rising to the setting of the sun, let His kingdom come"; and

WHEREAS, on August 20, 1789, Congressman Fisher Ames from Massachusetts proposed the wording of the First Amendment which was adopted by the House of Representatives in the first session of the Congress of the

United States; and his writings clearly demonstrate that the Framers never intended the First Amendment to be so interpreted as to remove the Bible from public school classrooms:

"We are spending less time in the classroom on the Bible which should be the principal text in our schools . . ."; and

WHEREAS, in a letter dated August 18, 1790, President George Washington wrote to the Hebrew Congregation in Newport, Rhode Island, "All possess alike liberty of conscience and immunities of citizenship. . . . May the children of the stock of Abraham, who dwell in this land, continue to merit and enjoy the good will of the other inhabitants; while every one shall sit in safety under his own vine and fig tree, and there shall be none to make him afraid"; and

WHEREAS, in his "Farewell Address" of September 19, 1796, President George Washington pointed out the connection between the faith of the Nation and its political prosperity when he declared:

"Of all the dispositions and habits which lead to political prosperity, religion and morality are indispensable supports. . . ."; and

WHEREAS, acknowledging the Bible as an integral part of the fabric of our society, on September 11, 1777, the Continental Congress adopted a resolution to import 20,000 Bibles from Holland and Scotland, as the colonies were at war with England; and

WHEREAS, on May 29, 1845, the day before his death, President Andrew Jackson stated:

"My lamp of life is nearly out, and the last glimmer has come. I am ready to depart when called. The Bible is true. The principles and statutes of that Holy Book have been the rule of my life, and I have tried to conform to its spirit as nearly as possible. Upon that sacred volume I rest my hope for eternal salvation, through the merits and blood of our blessed Lord and Saviour, Jesus Christ"; and

WHEREAS, President John Quincy Adams, the sixth President of the United States, wrote concerning the civil function of the Mosaic law:

"The law given from Sinai was a civil and municipal as well as a moral and religious code; it contained many statutes . . . of universal application -- laws essential to the existence of men in society and most of which have been enacted by every nation which ever professed any code of laws"; and

WHEREAS, in a June, 1778 letter to her son, John Quincy Adams, Abigail Adams reinforced noble values and a sense of ultimate accountability to God which she believed to be the foundation of true greatness:

"Great learning and superior abilities, should you ever possess them, will be of little value and small estimation, unless virtue, honor, truth, and integrity are added to them. Adhere to those religious sentiments and principles which were early instilled into your mind, and remember that you are accountable to your Maker for all your words and actions"; and

WHEREAS, on February 29, 1892, the United States Supreme Court, in a unanimous decision which has never been overruled, cited sixty-six organic authorities which show the Bible's singular influence on America:

"There is no dissonance in these declarations. There is a universal language pervading them all, having one meaning; they affirm and reaffirm that this is a religious nation. These are not individual sayings, declarations of private persons; they are organic utterances; they speak the voice of the entire group. These authorities were collected to support the historical conclusion that: 'no purpose of action against religion can be imputed any legislation, state or nation, because this is a religious people. This is historically true. From the discovery of this continent to the present hour, there is a single voice making this affirmation . . . we find everywhere a clear recognition of the same truth . . . this is a Christian nation' "; and

WHEREAS, on May 7, 1911, President Woodrow Wilson, addressing the Tercentenary Celebration of the Translation of the Bible into the English Language, stated:

"Moreover, the Bible does what is so invaluable in human life -- it classifies moral values. It apprises us that men are not judged according to their wits, but according to their characters -- that the last of every man's reputation is his truthfulness, his squaring his conduct with the standards that he knew to be the standards of purity and rectitude. How many a man we appraise, ladies and gentlemen, as great today whom we do not admire as noble! A man may have great power and small character"; and

WHEREAS, President Woodrow Wilson's letter to the soldiers and sailors of the United States during World War I, recorded in the Congressional Record, advised them:

"The Bible is the word of life. I beg that you will read it and find this out for yourselves -- read not little snatches here and there, but long passages that will really be the road to the heart of it. You will find it full of real men and women not only, but also of things you have wondered about and been troubled about all your life, as men have been always; and the more you read, the more it will become plain to you what things are worthwhile and what are not, what things make men happy -- loyalty, right dealings, speaking the truth, readiness to give everything for what they think their duty, and, most of all, the wish that they may have the real approval of the Christ, who gave everything for them -- and the things that are guaranteed to make men unhappy -- selfishness, cowardice, greed, and everything that is low and mean. When you have read the Bible, you will know that it is the Word of God, because you will have found it the key to your own heart, your own happiness, and your own duty"; and

WHEREAS, in his book, "Sources of Power," President Jimmy Carter acknowledged the importance of the Mosaic law as a foundation:

"As we face changes and challenges, we need to hold on to the things that don't change, the foundations on which we can build our lives despite the uncertainty and danger of the future. God's law is the greatest of these foundations"; and

WHEREAS, in his February 22, 1990 proclamation designating 1990 as The International Year of Bible Reading, President George Bush declared:

"The Bible has had a critical impact upon the development of Western civilization. Western literature, art, and music are filled with images and ideas that can be traced to its pages. More important, our moral tradition has been shaped by the laws and teachings it contains. It was a biblical view of man -- one affirming the dignity and worth of the human person, made in the image of our Creator -- that inspired the principles upon which the United States is founded. President Jackson called the Bible 'the rock on which our Republic rests' because he knew that it shaped the Founding Fathers' concept of individual liberty and their vision of a free and just society. The Bible has not only influenced the development of our Nation's values and institutions, but also enriched the daily lives of millions of men and women who have looked to it for comfort, hope, and guidance. On the American frontier, the Bible was often the only book a family owned. For those pioneers living far from any church or school, it served both as a source of religious instruction and as the primary text from which children learned to read. The historic speeches of Abraham Lincoln and Dr. Martin Luther King, Jr., provide compelling evidence of the role Scripture played in shaping the struggle against slavery and discrimination. Today the Bible continues to give courage and direction to those who seek truth and righteousness. In recognizing its enduring value, we recall the words of the prophet Isaiah, who declared, 'The grass withereth, the flower fadeth; but the word of our God shall stand forever.' Containing revelations of God's intervention in human history, the Bible offers moving testimony to His love for mankind. Treasuring the Bible as a source of knowledge and inspiration, President Abraham Lincoln called this Great Book 'the best gift God has given to man.' President Lincoln believed that the Bible not only reveals the infinite goodness of our Creator, but also reminds us of our worth as individuals and our responsibilities toward one another";

NOW, THEREFORE,

*Be it resolved by the General Assembly of the Commonwealth of Kentucky:*

Section 1. The Kentucky Department of Education, with assistance as necessary by the Legislative Research Commission, shall electronically transmit KRS 158.195 and this resolution to all public school teachers in the Commonwealth.

Section 2. Documents depicting the Ten Commandments may be posted in classrooms by any public school teacher and on other public property, when incorporated into an historical display along with other historic documents as described in KRS 158.195. The purpose of the display shall not be to advance religion, but to advance the important secular purpose of illustrating how the Bible and the Ten Commandments have influenced the faith, morals, and character of American leaders who, in turn, have shaped American law, public policy, and institutions. For that reason, the General Assembly expresses no preference as to which version of the Ten Commandments is displayed or whether the display is in English, Hebrew, or a foreign language being taught in the classroom. To advance the secular purpose of making citizens of the Commonwealth more knowledgeable concerning the founding of America, the intent of the nation's Founders, and the formative influence of the Bible and the Ten Commandments on American leaders, institutions, and law, a copy of this resolution shall be made a prominent part of any historic display on public property which includes any depiction of the Ten Commandments.

Section 3. No fiscal court, city council, or school board shall mandate the posting of any historical displays set forth in KRS 158.195 which incorporate a depiction of the Ten Commandments until that governing body first sets forth by resolution or policy its secular purpose for erecting the historical display. This historical display shall not advance religion.

Section 4. Each historical display which incorporates a depiction of the Ten Commandments shall be accompanied by clearly legible copies of this resolution and of KRS 158.195; and the cost of posting and maintaining the displays may be paid for by voluntary private contributions.

Section 5. The Legislative Research Commission shall remit a sufficient number of copies of this resolution to the Department for Local Government for distribution by the department, in the manner it deems most efficient, to all elected officials of each city and county of the Commonwealth.

Section 6. The Legislative Research Commission shall remit a sufficient number of copies of this resolution to the Secretary of State for distribution by the Secretary of State, in the manner he deems most efficient, to the statewide elected officials of the Commonwealth.

Section 7. The General Assembly finds the Ten Commandments to be the precedent legal code of the Commonwealth which has provided the foundation for many of the civil and criminal statutes enacted into law throughout the history of the Commonwealth.

Section 8. The Department for Facilities Management shall relocate the monument inscribed with the Ten Commandments which was displayed on the Capitol grounds for nearly three decades to a permanent site on the Capitol grounds near Kentucky's floral clock to be made a part of a historical and cultural display which shall include the display of this resolution in order to remind Kentuckians of the Biblical foundations of the laws of the Commonwealth.

- (8) The Department of State Police shall maintain an automated listing of licenseholders and pertinent information, and this information shall be available on-line, upon request, at all times to all Kentucky law enforcement agencies. Except as provided in this subsection, information on applications for licenses, names and addresses, or other identifying information relating to license holders shall be confidential and shall not be made available except to law enforcement agencies. Requests for information to be provided to any requester other than a bona fide law enforcement agency which has direct access to the Law Enforcement Information Network of Kentucky shall be made, in writing, directly to the commissioner of the Department of State Police, together with the fee required for the providing of the information. The Department of State Police shall, upon proper application and the payment of the required fee, provide to the requester in hard copy form only, a list of names of all holders in the Commonwealth of a license to carry a concealed deadly weapon. No identifying information other than the name shall be provided, and information for geographic areas or other subdivisions of any type from the list shall not be provided and shall be confidential. - (9) Within thirty (30) days after the changing of a permanent address, or within thirty (30) days after the loss or destruction of a license, the licensee shall notify the Department of State Police of the loss or destruction. Failure to notify the Department of State Police shall constitute a noncriminal violation with a penalty of twenty-five dollars (\$25) payable to the clerk of the District Court. When a licensee makes application to change his or her residence address or other information on the license, neither the sheriff nor the Department of State Police shall require a surrender of the license until a new license is in the office of the applicable sheriff and available for issuance. Upon the issuance of a new license, the old license shall be destroyed by the sheriff.
- (10) If a license is lost or destroyed, the license shall be automatically invalid, and the person to whom the same was issued may, upon payment of fifteen dollars (\$15) to the Department of State Police, obtain a duplicate, upon furnishing a notarized statement to the Department of State Police that the license has been lost or destroyed.

The officer to whom the license is surrendered shall forthwith transmit the license to the court issuing the order. The license shall be suspended until the order is terminated, or until the judge who issued the order terminates the suspension prior to the termination of the underlying domestic violence order or emergency protective order, in writing and by return of the license, upon proper motion by the license holder. Subject to the same conditions as above, a peace officer against whom an emergency protective order or domestic violence order has been issued shall not be permitted to carry a concealed deadly weapon when not on duty, the provisions of KRS 527.020 to the contrary notwithstanding.

The license shall be renewed to a qualified applicant upon receipt of the completed renewal application and appropriate payment of fees. When a licensee makes application for a renewal of his or her license, neither the sheriff nor the Department of State Police shall require a surrender of the license until the new license is in the office of the applicable sheriff and available for issuance. Upon the issuance of a new license, the old license shall be destroyed by the sheriff. A licensee who fails to file a renewal application on or before its expiration date may renew his license by paying, in addition to the license fees, a late fee of fifteen dollars (\$15). No

license shall be renewed six (6) months or more after its expiration date, and the license shall be deemed to be permanently expired six (6) months after its expiration date.   - (g) An area of an airport to which access is controlled by the inspection of persons and property; *or*
  - ~~(h) Any church, synagogue, house of worship, or other property owned, leased, or otherwise used and operated by a religious organization in the furtherance of a religious purpose, unless the person carrying the concealed deadly weapon has a concealed deadly weapon license and is the pastor of the church or an officer of the church; or~~
  - ~~(i) Any place where the carrying of firearms is prohibited by federal law.~~
- (14) The owner, business or commercial lessee, or manager of a private business enterprise, day-care center as defined in KRS 199.894 or certified or licensed family child-care home as defined in KRS 199.8982, or a health-care facility licensed under KRS Chapter 216B, except facilities renting or leasing housing, may prohibit persons holding concealed deadly weapon licenses from carrying concealed deadly weapons on the premises and may prohibit employees, not authorized by the employer, holding concealed deadly weapons licenses from carrying concealed deadly weapons on the property of the employer. If the building or the premises are open to the public, the employer or business enterprise shall post signs on or about the premises if carrying concealed weapons is prohibited. Possession of weapons in a vehicle on the premises shall not be a criminal offense so long as the weapons are not removed from the vehicle or brandished while the vehicle is on the premises. A private but not a public employer may prohibit employees or other persons holding a concealed deadly weapons license from carrying concealed deadly weapons in vehicles owned by the employer, but may not prohibit employees or other persons holding a concealed deadly weapons license from carrying concealed deadly weapons in vehicles owned by the employee, except that the Justice Cabinet may prohibit an employee from carrying any weapons, other than the weapons issued or authorized to be used by the employee of the cabinet, in a vehicle while transporting persons under the employee's supervision or jurisdiction. - (15) All moneys collected by the Department of State Police pursuant to this section shall be used to administer the provisions of this section. By March 1 of each year, the Department of State Police and the Administrative Office of the Courts shall submit reports to the Governor, the President of the Senate, and the Speaker of the House of Representatives, indicating the amounts of money collected and the expenditures related to this section and KRS 237.115, 244.125, 527.020, and 527.070, and the administration of the provisions of this section and KRS 237.115, 244.125, 527.020, and 527.070.
- (16) The General Assembly finds as a matter of public policy that it is necessary to provide statewide uniform standards for issuing licenses to carry concealed firearms and to occupy the field of regulation of the bearing of

concealed firearms to ensure that no person who qualifies under the provisions of this section is denied his rights. The General Assembly does not delegate to the Department of State Police the authority to regulate or restrict the issuing of licenses provided for in this section beyond those provisions contained in this section. This section shall be liberally construed to carry out the constitutional right to bear arms for self-defense.

- (17) (a) A person who has a valid license issued by another state of the United States to carry a concealed deadly weapon in that state may, subject to provisions of Kentucky law, carry a concealed deadly weapon in Kentucky, and his license shall be considered as valid in Kentucky.
- (b) The Department of State Police shall, not later than thirty (30) days after July 15, 1998, and not less than once every six (6) months thereafter, make written inquiry of the concealed deadly weapon carrying licensing authorities in each other state as to whether a Kentucky resident may carry a concealed deadly weapon in their state based upon having a valid Kentucky concealed deadly weapon license, or whether a Kentucky resident may apply for a concealed deadly weapon carrying license in that state based upon having a valid Kentucky concealed deadly weapon license. The Department of State Police shall attempt to secure from each other state permission for Kentucky residents who hold a valid Kentucky concealed deadly weapon license to carry concealed deadly weapons in that state, either on the basis of the Kentucky license or on the basis that the Kentucky license is sufficient to permit the issuance of a similar license by the other state. The Department of State Police shall enter into a written reciprocity agreement with the appropriate agency in each state that agrees to permit Kentucky residents to carry concealed deadly weapons in the other state on the basis of a Kentucky-issued concealed deadly weapon license or that will issue a license to carry concealed deadly weapons in the other state based upon a Kentucky concealed deadly weapon license. If a reciprocity agreement is reached, the requirement to recontact the other state each six (6) months shall be eliminated as long as the reciprocity agreement is in force. The information shall be a public record and shall be available to individual requesters free of charge for the first copy and at the normal rate for open records requests for additional copies.
- (18) By March 1 of each year, the Department of State Police shall submit a statistical report to the Governor, the President of the Senate, and the Speaker of the House of Representatives, indicating the number of licenses issued, revoked, suspended, and denied since the previous report and in total and also the number of licenses currently valid. The report shall also include the number of arrests, convictions, and types of crimes committed since the previous report by individuals licensed to carry concealed weapons.

Section 2. Any person licensed to carry a concealed firearm upon the effective date of this Act shall automatically have his or her license to carry a concealed firearm extended to a period of five (5) years.

  - (4) The rules and regulations of the Cabinet for Health Services shall require that a written statement, including the required opinion of a physician, shall accompany any claim for reimbursement for induced premature births. This statement shall indicate the procedures used in providing the medical services.
  - (5) The range of medical care benefit standards provided and the quality and quantity standards and the methods for determining cost formulae for vendor payments within each category of public assistance and other recipients shall be uniform for the entire state, and shall be designated by regulation promulgated within the limitations established by the Social Security Act and federal regulations. It shall not be necessary that the amount of payments for units of services be uniform for the entire state but amounts may vary from county to county and from city to city, as well as among hospitals, based on the prevailing cost of medical care in each locale and other local economic and geographic conditions, except that insofar as allowed by applicable federal law and regulation, the maximum amounts reimbursable for similar services rendered by physicians within the same specialty of medical practice shall not vary according to the physician's place of residence or place of practice, as long as the place of practice is within the boundaries of the state.

  - (9) No long-term-care facility, as defined in KRS 216.510, providing inpatient care to recipients of medical assistance under Title XIX of the Social Security Act on July 15, 1986, shall deny admission of a person to a bed certified for reimbursement under the provisions of the Medical Assistance Program solely on the basis of the person's paying status as a Medicaid recipient. No person shall be removed or discharged from any facility solely because they became eligible for participation in the Medical Assistance Program, unless the facility can demonstrate the resident or the resident's responsible party was fully notified in writing that the resident was being admitted to a bed not certified for Medicaid reimbursement. No facility may decertify a bed occupied by

a Medicaid recipient or may decertify a bed that is occupied by a resident who has made application for medical assistance.

- (10) Family-practice physicians practicing in geographic areas with no more than one (1) primary-care physician per five thousand (5,000) population, as reported by the United States Department of Health and Human Services, shall be reimbursed one hundred twenty-five percent (125%) of the standard reimbursement rate for physician services.
- (11) The Cabinet for Health Services may make payments under the Medical Assistance program for services which are within the lawful scope of practice of a chiropractor licensed pursuant to KRS Chapter 312, to the extent the Medical Assistance Program pays for the same services provided by a physician.

Testing, recording, and reporting of the results of such tests shall be performed at such times and in such manner as may be prescribed by the secretary of the Cabinet for Health Services or his designee. The secretary of the Cabinet for Health Services shall by regulation establish and collect fees to cover the cost of analyzing the testing samples for inborn errors of metabolism.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

Section 1. KRS 61.592 is amended to read as follows:

- (1) "Hazardous position" means:
  - (a) Any position whose principal duties involve active law enforcement, including the positions of probation and parole officer and Commonwealth detective, active fire suppression or prevention, or other positions, including, but not limited to, pilots of the Transportation Cabinet and paramedics and emergency medical technicians, with duties that require frequent exposure to a high degree of danger or peril and also require a high degree of physical conditioning;~~;~~
  - (b) ~~{Hazardous positions shall include }~~Positions in the Department of Corrections in state correctional institutions and the Kentucky Correctional Psychiatric Center with duties that regularly and routinely require face-to-face contact with inmates;
  - (c) ***The effective date of participation under hazardous duty coverage for positions in the Alcoholic Beverage Control Commission shall be April 1, 1998. The employer and employee contributions shall be paid by the employer and forwarded to the retirement system for the period not previously reported.***
- (2) Each employer may request of the board hazardous duty coverage for those positions as defined in subsection (1) of this section, but a county, narrowly defined as one (1) of Kentucky's one hundred and twenty (120) counties, the provisions of KRS 78.510(3) notwithstanding, shall request hazardous duty coverage for its full-time paid firefighters. Upon request, each employer shall certify to the system, in the manner prescribed by the board, the names of all employees working in a hazardous position as defined in subsection (1) of this section for which coverage is requested. The certification of the employer shall bear the approval of the agent or agency responsible for the budget of the department or county indicating that the required employer contributions have been provided for in the budget of the employing department or county. The system shall determine whether the employees whose names have been certified by the employer are working in positions meeting the definition of a hazardous position as provided by subsection (1) of this section.
- (3)
  - (a) An employee participating in the Kentucky Employees Retirement System who is determined by the system to be working in a hazardous position in accordance with subsection (2) of this section shall contribute, for each pay period for which he receives compensation, seven percent (7%) of his creditable compensation. An employee participating in the County Employees Retirement System who is determined by the system to be working in a hazardous duty position in accordance with subsection (2) of this section shall contribute, for each pay period for which he receives compensation, eight percent (8%) of his creditable compensation;
  - (b) Each employer shall pay employer contributions based on the creditable compensation of the employees determined by the system to be working in a hazardous position at the employer contribution rate as determined by the board. The rate shall be determined by actuarial methods consistent with the provisions of KRS 61.565;
  - (c) If the employer participated in the system prior to electing hazardous duty coverage, the employer may pay to the system the cost in order that the nonhazardous service be credited as hazardous service, or the employer may establish a payment schedule for payment of the cost of the hazardous service above that which would be funded within the existing employer contribution rate. The employer may extend the payment schedule to a maximum of thirty (30) years. Payments made by the employer under this subsection shall be deposited to the retirement allowance account of the proper retirement system and

these funds shall not be considered accumulated contributions of the individual members. If the employer elects not to make the additional payment, the employee may make the lump-sum payment in his own behalf or may pay by increments. Payments made by the employee under this subsection shall not be picked up, as described in KRS 61.560(4), by the employer. If neither the employer nor employee makes the payment, the service prior to hazardous coverage shall remain nonhazardous.

- (4) Except for the employee contribution by members of the Kentucky Employees Retirement System, the normal retirement age, retirement allowance, other benefits, eligibility requirements, rights, and responsibilities of a member in a hazardous position, as prescribed by subsections (1), (2), and (3) of this section, and the responsibilities, rights, and requirements of his employer shall be as prescribed for a member and employer participating in the State Police Retirement System as provided for by KRS 16.510 to 16.652. The employee contribution for a member of the Kentucky Employees Retirement System shall be seven percent (7%).

## CHAPTER 467

### (HB 366)

AN ACT relating to crimes and punishments.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

Section 1. KRS 189A.005 is amended to read as follows:

As used in this chapter, unless the context requires otherwise:

- (1) "Alcohol concentration" means either grams of alcohol per 100 milliliters of blood or grams of alcohol per 210 liters of breath;
- (2) "Refusal" means declining to submit to any test or tests pursuant to KRS 189A.103. Declining may be either by word or by the act of refusal. If the breath testing instrument for any reason shows an insufficient breath sample and the alcohol concentration cannot be measured by the breath testing instrument, the law enforcement officer shall then request the defendant to take a blood or urine test in lieu of the breath test. If the defendant then declines either by word or by the act of refusal, he shall then be deemed to have refused *if the refusal occurs at the site at which any alcohol concentration or substance test is to be administered*; ~~and~~
- (3) When age is a factor, it shall mean age at the time of the commission of the offense;
- (4) *Unless otherwise provided, license suspensions under this chapter shall be imposed by the court. The court shall impose the applicable period of license suspension enumerated by this chapter and shall include in its order or judgment the length and terms of any suspension imposed. The license suspension shall be deemed effective on the date of entry of the court's order or judgment. The role of the Transportation Cabinet shall be limited to administering the suspension period under the terms and for the duration enumerated by the court in its order or judgment;*
- (5) *"Limited access highway" has the same meaning as "limited access facility" does in KRS 177.220;*
- (6) *"License" means any driver's or operator's license or any other license or permit to operate a motor vehicle issued under or granted by the laws of this state including:*
  - (a) *Any temporary license or instruction permit;*
  - (b) *The privilege of any person to obtain a valid license or instruction permit, or to drive a motor vehicle whether or not the person holds a valid license; and*
  - (c) *Any nonresident's operating privilege as defined in KRS Chapters 186 or 189.*

Section 2. KRS 189A.010 is amended to read as follows:

- (1) A person shall not operate or be in physical control of a motor vehicle anywhere in this state:

- (a) ***Having an alcohol concentration of 0.08 or more as measured by a scientifically reliable test or tests of a sample of the person's breath or blood taken within two (2) hours of cessation of operation or physical control of a motor vehicle***~~[While the alcohol concentration in his blood or breath is 0.10 or more based on the definition of alcohol concentration in KRS 189A.005];~~
  - (b) While under the influence of alcohol;
  - (c) While under the influence of any other substance or combination of substances which impairs one's driving ability;
  - (d) While under the combined influence of alcohol and any other substance which impairs one's driving ability; or
  - (e) ***Having an alcohol concentration of 0.02 or more as measured by a scientifically reliable test or tests of a sample of the person's breath or blood taken within two (2) hours of cessation of operation or physical control of a motor vehicle***~~[While the alcohol concentration in his blood or breath is 0.02 or more based on the definition of alcohol concentration in KRS 189A.005]~~ if the person is under the age of twenty-one (21).
- (2) ***With the exception of the results of the tests administered pursuant to subsection (7) of Section 8 of this Act, if the sample of the person's blood or breath that is used to determine the alcohol concentration thereof was obtained more than two (2) hours after cessation of operation or physical control of a motor vehicle, the results of the test or tests shall be inadmissible as evidence in a prosecution under paragraphs (1)(a) and (1)(e) of this section. The results of the test or tests, however, may be admissible in a prosecution under paragraphs (1)(b) and (1)(d).***
- (3) In any prosecution for a violation of subsection (1)(b) or (d) of this section in which the defendant is charged with having operated or been in physical control of a motor vehicle while under the influence of alcohol, the alcohol concentration in the defendant's blood as determined at the time of making analysis of his blood or breath shall give rise to the following presumptions:
- (a) If there was an alcohol concentration of less than 0.05 based upon the definition of alcohol concentration in KRS 189A.005, it shall be presumed that the defendant was not under the influence of alcohol; and
  - (b) If there was an alcohol concentration of 0.05 or greater but less than ***0.08***~~[0.10]~~ based upon the definition of alcohol concentration in KRS 189A.005, that fact shall not constitute a presumption that the defendant either was or was not under the influence of alcohol, but that fact may be considered, together with other competent evidence, in determining the guilt or innocence of the defendant.

The provisions of this subsection shall not be construed as limiting the introduction of any other competent evidence bearing upon the questions of whether the defendant was under the influence of alcohol or other substances, in any prosecution for a violation of subsection (1)(b) or (d) of this section.

- ~~(4)(3)~~ The fact that any person charged with violation of subsection (1) of this section is legally entitled to use any substance, including alcohol, shall not constitute a defense against any charge of violation of subsection (1) of this section.
- ~~(5)(4)~~ Any person who violates the provisions of paragraphs (a), (b), (c), or (d) of subsection (1) of this section shall:
- (a) For the first offense within a five (5) year period, be fined not less than two hundred dollars (\$200) nor more than five hundred dollars (\$500) or be imprisoned in the county jail for not less than forty-eight (48) hours nor more than thirty (30) days or both.~~[If the person has a blood or breath alcohol concentration of 0.18 or higher, he or she shall be sentenced to at least seven (7) days' imprisonment, but the court may probate five (5) of those days.]~~ Following sentencing, the defendant may apply to the judge for permission to enter a community labor program for not less than forty-eight (48) hours nor more than thirty (30) days in lieu of fine or imprisonment, or both. ***If any of the aggravating circumstances listed in subsection (11) of this section are present while the person was operating or in physical control of a motor vehicle, the mandatory minimum term of imprisonment shall be four (4) days, which term shall not be suspended, probated, conditionally discharged, or subject to any other form of early release.***

- (1) Proceeds of lottery prizes shall be subject to Kentucky state income tax. Any attachments, garnishments, or executions authorized and issued pursuant to statute shall also be withheld if served upon the process agent of the corporation. This section shall not apply to a retailer.
- (2) The board shall adopt rules to establish a system of verifying the validity of tickets claimed to win prizes and to effect payment of such prizes, except that:
  - (a) No prize, nor any portion of a prize, nor any right of any person to a prize awarded shall be assignable. Any prize, or portion thereof, remaining unpaid at the death of a prize winner shall be paid to the estate of such deceased prize winner or to the trustee under a revocable living trust established by the deceased prize winner as settlor, provided that a copy of such a trust has been filed with the corporation along with a notarized letter of direction from the settlor and no written notice of revocation has been received by the corporation prior to the settlor's death. Following such a settlor's death and prior to any payment to such a successor trustee, the corporation shall obtain from the trustee and each trust beneficiary a written agreement to indemnify and hold the corporation harmless with respect to any claims that may be asserted against the corporation arising from payment to or through the trust. Notwithstanding any other provisions of this section, any person, pursuant to an appropriate judicial order, shall be paid the prize to which a winner is entitled.
  - (b) No ticket shall knowingly be sold to any person under the age of eighteen (18), but this section does not prohibit the purchase of a ticket by a person eighteen (18) years of age or older for the purpose of making a gift to any person of any age. In such case, the corporation shall direct payment to an adult member of the person's family or the legal guardian of the person on behalf of such person. The person named as custodian shall have the same powers and duties as prescribed for a custodian pursuant to the Uniform Transfers to Minors Act.
  - (c) No prize shall be paid arising from claimed tickets that are stolen, counterfeit, altered, fraudulent, unissued, produced or issued in error, unreadable, not received or not recorded by the corporation within applicable deadlines, lacking in captions that conform and agree with the play symbols as appropriate to the lottery game involved, or not in compliance with such additional specific rules and public or confidential validation and security tests of the corporation appropriate to the particular lottery game involved.
  - (d) No particular prize in any lottery game shall be paid more than once, and in the event of a binding determination that more than one claimant is entitled to a particular prize, the sole remedy of such claimants is the award to each of them of an equal share in the prize.
  - (e) A holder of a winning cash ticket from a Kentucky lottery game shall claim a prize within three hundred sixty-five (365) days (for a ticket issued before January 1, 1995), and within one hundred eighty (180) days (for a ticket issued on or after January 1, 1995), or for a multistate lottery game within one hundred eighty (180) days, after the drawing in which the prize was won. days, after the end of the lottery game as announced by the corporation. However, a holder of a pull-tab lottery ticket shall claim a prize within the time period and in the manner printed on the ticket. If a valid claim is not made for a prize within the applicable period, the prize shall constitute an unclaimed prize for purposes of subsection (3) of this section.

- (f) No prize shall be paid upon a ticket purchased or sold in violation of this chapter. Any such prize shall constitute an unclaimed prize for purposes of subsection (3) of this section.
- (3) Any unclaimed prize money may be retained by the corporation and added to the pool from which future prizes are to be awarded or used for special prize promotions, or may be appropriated by the General Assembly directly from the corporation for any public purpose. For fiscal years **2000-2001 and 2001-2002**~~1998-99 and 1999-00~~, any unclaimed prize money in excess of six million dollars (\$6,000,000) shall be transferred to the affordable housing trust fund established by KRS 198A.710.

### (HB 454)

AN ACT relating to the Interstate Compact for Adult Offender Supervision and matters incidental to the adoption thereof.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

SECTION 1. A NEW SECTION OF KRS CHAPTER 439 IS CREATED TO READ AS FOLLOWS:

- (1) *The Governor of this Commonwealth is authorized and directed to execute a compact on behalf of the Commonwealth with any of the United States legally joining therein in the form substantially as follows:*

#### ARTICLE I

##### PURPOSE

*The compacting states to this Interstate Compact recognize that each state is responsible for the supervision of adult offenders in the community who are authorized pursuant to the bylaws and rules of this compact to travel across state lines both to and from each compacting state in such a manner as to track the location of offenders, transfer supervision authority in an orderly and efficient manner, and when necessary return offenders to the originating jurisdictions.*

*The compacting states also recognize that Congress, by enacting the Crime Control Act, 4 U.S.C. Section 112 (1965), has authorized and encouraged compacts for cooperative efforts and mutual assistance in the prevention of crime.*

*It is the purpose of this compact and the interstate commission created hereunder, through means of joint and cooperative action among the compacting states: to provide the framework for the promotion of public safety and protect the rights of victims through the control and regulation of the interstate movement of offenders in the community; to provide for the effective tracking, supervision, and rehabilitation of these offenders by the sending and receiving states; and to equitably distribute the costs, benefits and obligations of the compact among the compacting states.*

*In addition, this compact will: create a interstate commission which will establish uniform procedures to manage the movement between states of adults placed under community supervision and released to the community under the jurisdiction of courts, paroling authorities, corrections or other criminal justice agencies which will promulgate rules to achieve the purpose of this compact; ensure an opportunity for input and timely notice to victims and to jurisdictions where defined offenders are authorized to travel or to relocate across state lines; establish a system of uniform data collection, access to information on active cases by authorized criminal justice officials, and regular reporting of compact activities to heads of state councils, state executive, judicial, and legislative branches and criminal justice administrators; monitor compliance with rules governing interstate movement of offenders and initiate interventions to address and correct noncompliance; and coordinate training and education regarding regulations of interstate movement of offenders for officials involved in such activity.*

*The compacting states recognize that there is no "right" of any offender to live in another state and that duly accredited officers of a sending state may at all times enter a receiving state and there apprehend and retake any offender under supervision subject to the provisions of this compact and bylaws and rules promulgated hereunder.*

*It is the policy of the compacting states that the activities conducted by the interstate commission created herein are the formation of public policies and are therefore public business.*

- (2) The percentage increase in the premium rate charged to an individual for a new rating period shall not exceed the sum of the following:
  - (a) The percentage change in the new business premium rate measured from the first day of the prior rating period to the first day of the new rating period. In the case of a class of business for which the insurer is not issuing new policies, the insurer shall use the percentage change in the base premium rate;
  - (b) Any adjustment, not to exceed ~~twenty[ten]~~ percent **(20%)**~~((40%))~~ annually and adjusted pro rata for rating periods of less than one (1) year, due to the claim experience, mental and physical condition, including medical condition, medical history, and health service utilization, or duration of coverage of the individual and dependents as determined from the insurer's rate manual for the class of business; and
  - (c) Any adjustment due to change in coverage or change in the case characteristics of the individual as determined from the insurer's rate manual for the class of business.

- ~~(b) Within the limitations set out in subsections (1) and (2) of this section, the premium rate for health benefit plans issued to high risk individuals under modified community rating who at the time of issue had a high cost condition during the period from July 15, 1995, until April 10, 1998, for a new rating period:~~
  - ~~1. Shall not be increased by more than twenty five percent (25%) on either of the first two (2) renewal dates after April 10, 1998. The total increase shall not result in a rate that exceeds thirty five percent (35%) of the index rate. Notwithstanding subsection (1) of this section, the program established under KRS 304.17A 400 shall reimburse the insurer for any premium loss incurred under this subsection to the extent that funds are available;~~
  - ~~2. May be increased without restriction to the applicable rate as determined by the insurer's rate manual on the third renewal date after April 10, 1998; and~~

~~3. Shall be subject to subsection (2) of this section on the fourth renewal date after April 10, 1998, and thereafter.~~

- ~~(4)}~~ The premium rates charged during a rating period to a small group or to an association member with similar case characteristics for the same coverage, or the rates that could be charged to that small group or that association member under the rating system for that class of business, shall not vary from the index rate by more than twenty-five percent (25%) of the index rate, ***except that the premium rate charged to a small group or association shall not vary from the index rate by more than fifty percent (50%) for two (2) consecutive years beginning January 1, 2001.***
- ~~(4)}~~~~(5)}~~ The percentage increase in the premium rate charged to a small group or to an association member for a new rating period shall not exceed the sum of the following:
- (a) The percentage change in the new business premium rate measured from the first day of the prior rating period to the first day of the new rating period. In the case of a class of business for which the insurer is not issuing new policies, the insurer shall use the percentage change in the base premium rate;
  - (b) Any adjustment, not to exceed ~~twenty-five~~ percent **(20%)**~~(15%)~~ annually and adjusted pro rata for rating periods of less than one (1) year, due to the claims experience, mental and physical condition, including medical condition, medical history, and health service utilization, or duration of coverage of the employee, association member, or dependents as determined from the insurer's rate manual for the class of business; and
  - (c) Any adjustment due to change in coverage or change in the case characteristics of the small group or association member as determined from the insurer's rate manual for the class of business.
- ~~(5)}~~~~(6)}~~ In utilizing case characteristics, the ratio of the highest rate factor to the lowest rate factor within a class of business shall not exceed five to one (5:1). For purpose of this limitation, case characteristics include age, gender, occupation or industry, and geographic area.
- ~~(6)}~~~~(7)}~~ Adjustments in rates for claims experience, mental and physical condition, including medical condition, medical history, and health service utilization, health status, and duration of coverage shall not be charged to an individual group member or the member's dependents. Any adjustment shall be applied uniformly to the rates charged for all individuals and dependents of the small group.
- ~~(7)}~~~~(8)}~~ The commissioner may approve establishment of additional classes of business upon application to the commissioner and a finding by the commissioner that the additional class would enhance the efficiency and fairness for the applicable market segment.
- (a) The index rate for a rating period for any class of business shall not exceed the index rate for any other class of business in that market segment by more than ten percent (10%).
  - (b) An insurer may establish a separate class of business only to reflect substantial differences in expected claims experience or administrative cost related to the following reasons:

- ~~(8)}~~~~(9)}~~ For the purpose of this section, a health benefit plan that utilizes a restricted provider network shall not be considered similar coverage to a health benefit plan that does not utilize a restricted provider network if utilization of the restricted provider network results in substantial differences in claims costs.
- ~~(9)}~~~~(10)}~~ Notwithstanding any other provision of this section, an insurer shall not be required to utilize the experience of those individuals with high-cost conditions who enrolled in its plans between July 15, 1995, and April 10, 1998, to develop the insurer's index rate for its individual policies.

- ~~(10)(11)~~ Nothing in this section shall be construed to prevent an insurer from offering incentives to participate in a program of disease prevention or health improvement.

Section 20. KRS 304.17A-150 is amended to read as follows:

- (1) On and after July 15, 1995, it is an unfair trade practice for an insurer, agent, broker, or any other person in the business of marketing and selling health plans, to commit or perform any of the following acts:

- (4) ***It is an unfair trade practice for an insurer that offers multiple health benefit plans to require a health care provider, as a condition of participation in a health benefit plan of the insurer, to participate in any of the insurer's other health benefit plans. In addition to the proceedings and penalties provided in this chapter for violation of this provision, a contract violating this subsection is void.***
- (5) It is an unfair trade practice for an insurer not to compute an insured's coinsurance or cost sharing on the basis of the amount actually received by a health-care provider from the insurer.
- ~~(6)(5)~~ The commissioner may suspend or revoke, after notice and hearing, the certificate of authority to transact insurance in this state of any insurer that fails to pay an assessment under ***Section 11 of this Act*** ~~KRS 304.17A-470~~. As an alternative, the commissioner may levy a civil penalty on any member insurer that fails to pay the assessment when due. - (4) Any health insurer who elects to offer health insurance policies in the individual or small group markets in this state shall, as a condition of offering health benefit plans in this state after June 30, 1998, offer and issue the standard health benefit plan in the individual or small group markets in each and every form of coverage that the health insurer offers to sell.
- (5) Nothing in this section shall be construed:
  - (a) To require a health insurer to offer a standard health benefit plan in a form of coverage that the health insurer has not selected;
  - (b) To prohibit a health insurer from offering other health benefit plans in the individual or small group markets in addition to the standard health benefit plan; or
  - (c) To require that a standard health benefit plan have guaranteed issue, renewability, or pre-existing condition exclusion rights or provisions that are more generous to the applicant than the health insurer would be required to provide under KRS 304.17A-200,~~[304.17A-210,]~~ 304.17A-220, 304.17A-230, and 304.17A-240.
- (6) Insurance agents licensed under this chapter who present for sale any health benefit plan in the individual or small group markets to a prospective applicant shall also inform that person of the existence of the standard benefit plan in the same form of coverages offered by the same insurer.
- (7)
  - (a) A benefits comparison shall be delivered to a prospective applicant for any health insurance coverage in the individual or small group markets at the time of initial solicitation through means that prominently direct the attention of the prospective applicant to the document and its purpose.

  - (d) As used in this subsection and in subsection (6) of this section, the term "prospective applicant" refers only to a natural person who is a resident of the Commonwealth and who is purchasing health insurance coverage in the individual market providing benefits to that person, that person's spouse, or that person's children. - (12) Any health insurer that fails to issue a premium rate quote to an individual within thirty (30) days of receiving a *properly* completed application request for the quote shall be required to issue coverage to that individual and shall not impose any pre-existing conditions exclusion on that individual with respect to the coverage. Each health insurer offering individual health insurance coverage in the individual market in the Commonwealth that refuses to issue a health benefit plan to an *applicant or* insured with a *disclosed* high-cost condition *as specified in Section 1 of this Act or for any reason*, shall provide the individual with a denial letter within twenty (20) working days of the request for coverage. The letter shall include the name and title of the person making the decision, a statement setting forth the ~~specific high cost condition that is the~~ basis for refusing to issue a policy, a description of *Kentucky Access, and the telephone number for a contact person who can provide additional information about Kentucky Access*~~the Guaranteed Acceptance Program, and the name and the telephone number of a contact person who can provide additional information about the Guaranteed Acceptance Program~~.

In a situation where a person holding individual coverage is offered or becomes eligible for group coverage not provided by an employer, the person holding the individual coverage shall have the option of remaining individually insured, as the policyholder may decide. This shall apply in any such situation that may arise through an association, an affiliated group, the Kentucky state employee health insurance plan, or any other entity.

The insurer shall adhere to its rates, fees, dues, and other charges as filed with the commissioner. The insurer may submit new filings from time to time as it deems proper.
- (2)
  - (a) A rate filing under this section may be used by the insurer on and after the date of filing with the commissioner prior to approval by the commissioner. A rate filing shall be approved or disapproved by the commissioner within sixty (60) days after the date of filing. Should sixty (60) days expire after the commissioner receives the filing before approval or disapproval of the filing, the filing shall be deemed approved.   - (e) In the circumstances of a filing that has been deemed approved under paragraph (a) of this subsection, the commissioner shall have the authority to order a retroactive reduction of rates to a reasonable rate if after applying the factors in subsection (3) of this section the commissioner determines that the rates were unreasonable. If the commissioner seeks to order a retroactive reduction of rates and more than one (1) year has passed since the date of the filing, the commissioner shall consider the reasonableness of the rate over the entire period during which the filing has been in effect.
- (3) In approving or disapproving a filing under this section, the commissioner shall consider:
  - (a) Whether the benefits provided are reasonable in relation to the premium or fee charged;
  - (b) Whether the fees paid to providers for the covered services are reasonable in relation to the premium or fee charged;
  - (c) Previous premium rates or fees for the policies or contracts to which the filing applies;

  - (g) Other factors as deemed relevant by the commissioner.
- (4) The rates for each policyholder shall be guaranteed for twelve (12) months at the rate in effect on the date of issue or date of renewal.
- (5) At any time the commissioner, after a public hearing for which at least thirty (30) days' notice has been given, may withdraw approval of rates or fees previously approved under this section and may order an appropriate refund or future premium credit to policyholders, enrollees, and subscribers if the commissioner determines that the rates or fees previously approved are in violation of this chapter.
- (6) *Notwithstanding subsection (2)(a) to (e) of this section, premium rates may be used upon filing with the department of a policy form not previously used if the filing is accompanied by the policy form filing and a minimum loss ratio guarantee. Insurers may use the filing procedure specified in this subsection only if the affected policy forms disclose the benefit of a minimum loss ratio guarantee. An insurer may not elect to use the filing procedure in this subsection for a policy form that does not contain the minimum loss ratio guarantee. Insurers may not amend policy forms to provide for a minimum loss ratio guarantee. If an insurer elects to use the filing procedure in this subsection for a policy form or forms, the insurer shall not use a filing of premium rates that does not provide a minimum loss ratio guarantee for that policy form or forms.*
- (a) *The minimum loss ratio shall be in writing and shall contain at least the following:*

    - a. *Seventy percent (70%) for policies issued to individuals or for certificates issued to members of an association that does not offer coverage to small employers;*
    - b. *Seventy percent (70%) for policies issued to small groups of two (2) to ten (10) employees or for certificates issued to members of an association that offers coverage to small employers; and*
    - c. *Seventy-five percent (75%) for policies issued to small groups of eleven (11) to fifty (50) employees;*
  - 6. *A guarantee that the actual Kentucky loss ratio for the calendar year in which the new rates take effect, and for each year thereafter until new rates are filed, will meet or exceed the minimum loss ratio standards referred to in subparagraph 5. of this paragraph, adjusted for duration;*
  - 7. *A guarantee that the actual Kentucky lifetime loss ratio shall meet or exceed the minimum loss ratio standards referred to in subparagraph 5. of this paragraph; and*
  - 8. *If the annual earned premium volume in Kentucky under the particular policy form is less than two million five hundred thousand dollars (\$2,500,000), the minimum loss ratio guarantee shall be based partially on the Kentucky earned premium and other credibility factors as specified by the commissioner.*
- (b) *The actual Kentucky minimum loss ratio results for each year at issue shall be independently audited at the insurer's expense and the audit shall be filed with the commissioner not later than one hundred twenty (120) days after the end of the year at issue. The audit shall demonstrate the*

*calculation of the actual Kentucky loss ratio in a manner prescribed as set forth in administrative regulations promulgated by the commissioner.*

- (c) *The insurer shall refund premiums in the amount necessary to bring the actual loss ratio up to the guaranteed minimum loss ratio.*
- (d) *A Kentucky policyholder affected by the guaranteed minimum loss ratio shall receive a portion of the premium refund relative to the premium paid by the policyholder. The refund shall be made to all Kentucky policyholders insured under the applicable policy form during the year at issue if the refund would equal ten dollars (\$10) or more per policy. The refund shall include statutory interest from July 1 of the year at issue until the date of payment. Payment shall be made not later than one hundred eighty (180) days after the end of the year at issue.*
- (e) *Premium refunds of less than ten dollars (\$10) per insured shall be aggregated by the insurer and paid to the Kentucky State Treasury.*
- (f) *None of the provisions of subsections (2) and (3) of this section shall apply if premium rates are filed with the department and accompanied by a minimum loss ratio guarantee that meets the requirements of this subsection. Such filings shall be deemed approved.* Each insurer paying a risk assessment under *Section 11 of this Act*~~[KRS 304.17A-460]~~ may include the amount of the assessment in establishing premium rates filed with the commissioner under this section. The insurer shall identify any assessment allocated.
- (g) *The policy form filing of an insurer using the filing procedure with a minimum loss ratio guarantee will disclose to the enrollee, member, or subscriber as prescribed by the commissioner an explanation of the lifetime loss ratio guarantee, and the actual loss ratio, and any adjustments for duration.*
- (h) *The insurer who elects to use the filing procedure with a minimum loss ratio guarantee shall notify all policyholders of the refund calculation, the result of the refund calculation, the percent of premium on an aggregate basis to be refunded if any, any amount of the refund attributed to the payment of interests, and an explanation of amounts less than ten dollars (\$10).*
- (7) The commissioner may by administrative regulation prescribe any additional information related to rates, fees, dues, and other charges as they relate to the factors set out in subsection (3) of this section that he or she deems necessary and relevant to be included in the filings and the form of the filings required by this section. *When determining a loss ratio for the purposes of loss ratio guarantee, the insurer shall divide the total of the claims incurred, plus preferred provider organization expenses, case management and utilization review expenses, plus reinsurance premiums less reinsurance recoveries by the premiums earned less state and local premium taxes less other assessments. For purposes of determining the loss ratio for any loss ratio guarantee pursuant to this section, the commissioner may examine the insurer's expenses for preferred provider organization, case management, utilization review, and reinsurance used by the insurer in calculating the loss ratio guarantee for reasonableness. Only those expenses found to be reasonable by the commissioner may be used by the insurer for determining the loss ratio for purposes of any loss ratio guarantee.*

  - (d) "Index rate" has the meaning provided in KRS 304.17A-005.
- (2) Notwithstanding any other provision of this chapter, the amount or rate of premiums for an employer-organized association health plan may be determined, subject to the restrictions of subsection (3) of this section, based upon the experience or projected experience of the employer-organized associations whose employers obtain group coverage under the plan. Without the written consent of the employer-organized association filed with the commissioner, the index rate for the employer-organized association shall be calculated solely with respect to that employer-organized association and shall not be tied to, linked to, or otherwise adversely affected by any other index rate used by the issuing insurer.
- (3) The following restrictions shall be applied in calculating the permissible amount or rate of premiums for an employer-organized health insurance plan:
- (a) The premium rates charged during a rating period to members of the employer-organized association with similar characteristics for the same or similar coverage, or the premium rates that could be charged to a member of the employer-organized association under the rating system for that class of business, shall not vary from its own index rate by more than twenty-five percent (25%) of its own index rate, ***except that the premium rates charged to an employer-organized association shall not vary from the index rate by more than fifty percent (50%) for two (2) consecutive years beginning January 1, 2001.***
  - (b) The percentage increase in the premium rate charged to an employer member of an employer-organized association for a new rating period shall not exceed the sum of the following:

Any adjustment, not to exceed ~~twenty-five percent (25%)~~ **(20%)** annually and adjusted pro rata for rating period of less than one (1) year, due to the claims experience, mental and physical condition, including medical condition, medical history, and health service utilization, or duration of coverage of the member as determined from the insurer's rate manual; and
    - 3. Any adjustment due to change in coverage or change in the case characteristics of the member as determined by the insurer's rate manual.
- (4) In utilizing case characteristics, the ratio of the highest rate factor to the lowest rate factor within a class of business shall not exceed five to one (5:1). For purpose of this limitation, case characteristics include age, gender, occupation or industry, and geographic area.
- (5) For the purpose of this section, a health insurance contract that utilizes a restricted provider network shall not be considered similar coverage to a health insurance contract that does not utilize a restricted provider network if utilization of the restricted provider network results in measurable differences in claims costs.

Section 30. KRS 91A.080 is amended to read as follows:

- (1) The legislative body of each city, county, or urban-county government which elects to impose and collect license fees or taxes upon insurance companies for the privilege of engaging in the business of insurance may enact or change its license fee or rate of tax to be effective July 1 of each year on a prospective basis only and shall file with the commissioner of insurance at least one hundred (100) days prior to the effective date, a copy of all ordinances and amendments which impose any such license fee or tax. No less than eighty-five (85) days

prior to the effective date, the commissioner of insurance shall promptly notify each insurance company engaged in the business of insurance in the Commonwealth of those cities, county, or urban-county governments which have elected to impose the license fees or taxes and the current amount of the license fee or rate of tax.

- (2) Any license fee or tax imposed by a city, county, or urban-county government upon an insurance company with respect to life insurance policies, may be based upon the first year's premiums, and if so based, shall be applied to the amount of the premiums actually collected within each calendar quarter upon the lives of persons residing within the corporate limits of the city, county, or urban-county government.
- (3) Any license fee or tax imposed by a city, county, or urban-county government upon any insurance company with respect to any policy which is not a life insurance policy shall be based upon the premiums actually collected by the company within each calendar quarter on risks located within the corporate limits of the city, county, or urban-county government on those classes of business which the company is authorized to transact, less all premiums returned to policyholders. In determining the amount of license fee or tax to be collected and to be paid to the city, county, or urban-county government, the insurance company shall use the tax rate effective on the first day of the policy term. When an insurance company collects a premium as a result of a change in the policy during the policy term, the tax rate used shall be the rate in effect on the effective date of the policy change. With respect to premiums returned to policyholders, the license fee or tax shall be returned by the insurance company to the policyholder pro rata on the unexpired amount of the premium at the same rate at which it was collected and shall be taken as a credit by the insurance company on its next quarterly report to the city, county, or urban-county government. Any license fee or tax imposed upon premium receipts shall not include premiums received for insuring employers against liability for personal injuries to their employees, or the death of their employees, caused thereby, under the provisions of the Workers' Compensation Act.
- (4) The Department of Insurance shall, by administrative regulation, provide for a reasonable collection fee to be retained by the insurance company or its agent as compensation for collecting the tax, except that the collection fee shall not be more than fifteen percent (15%) of the fee or tax collected and remitted to the city, county or urban-county government or two percent (2%) of the premiums subject to the tax, whichever is less. To facilitate computation, collection, and remittance of the fee or tax and collection fee provided in this section, the fees or taxes set out in subsection (1), (2), or (3) of this section, together with the collection fee in this section, may be rounded off to the nearest dollar amount.
- (5) Pursuant to KRS 304.3-270, if any other state retaliates against any Kentucky domiciliary insurer because of the requirements of this section, the commissioner of insurance shall impose an equal tax upon the premiums written in this state by insurers domiciled in the other state.
- (6) Accounting and reporting procedures for collection and reporting of the fees or taxes and the collection fee herein provided shall be determined by administrative regulations promulgated by the Department of Insurance.
- (7) Upon written request of the legislative body of any city, county, or urban-county government, at the expense of the requesting city, county, or urban-county government, which shall be paid in advance by the city, county, or urban-county government to the Department of Insurance, the Department of Insurance shall examine, or cause to be examined by contract with qualified auditors, the books or records of the insurance companies or agents subject to the fee or tax to determine whether the fee or tax is being properly collected and remitted, and the findings of the examination shall be reported to the city, county, or urban-county government. Willful failure to properly collect and remit the fee or tax imposed by a city, county, or urban-county government pursuant to the authority granted by this section shall constitute grounds for the revocation of the license issued to an insurance company or agent under the provisions of KRS Chapter 304.
- (8) The license fees or taxes provided for by subsections (2) and (3) of this section shall be due thirty (30) days after the end of each calendar quarter. Annually, by March 31, each insurer shall furnish each city, county, or urban-county government, to which the tax or fee is remitted, with a breakdown of all collections in the preceding calendar year for the following categories of insurance:
  - (a) Casualty;
  - (b) Automobile;
  - (c) Inland marine;

- (d) Fire and allied perils;
  - (e) Health; and
  - (f) Life.
- (9) Any license fee or tax not paid on or before the due date shall bear interest at the tax interest rate as defined in KRS 131.010(6) from the date due until paid. Such interest payable to the city, county, or urban-county government is separate of penalties provided for in subsection (7) of this section. No city, county, or urban-county government may impose any penalties other than those provided for in this subsection.
  - (10) No license fee or tax imposed under this section shall apply to premiums received on policies of group health insurance provided for state employees under KRS 18A.225 and KRS 42.800 to 42.825.
  - (11) No county may impose the tax authorized by this section upon the premiums received on policies issued to public service companies which pay ad valorem taxes.
  - (12) Insurance companies which pay license fees or taxes pursuant to this section shall credit city license fees or taxes against the same license fees or taxes levied by the county, when the license fees or taxes are levied by the county on or after July 13, 1990.
  - (13) ***No license fee or tax imposed under this section shall apply to premiums received on health insurance policies issued to individuals nor to policies issued through Kentucky Access created in Section 3 of this Act.***

## **CHAPTER 477**

**(HB 519)**

AN ACT relating to teachers' retirement.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

SECTION 1. A NEW SECTION OF KRS CHAPTER 156 IS CREATED TO READ AS FOLLOWS:

- (1) *For purposes of Sections 1 and 2 of this Act, "critical shortage area" means a lack of certified teachers in particular subject areas, in grade levels, or in geographic locations at the elementary and secondary level, as determined annually by the commissioner of education. The commissioner may use any source considered reliable including, but not limited to, data provided by the Education Professional Standards Board and local education agencies to identify the critical shortage areas.*
- (2) *The Kentucky Board of Education shall promulgate administrative regulations to establish procedures to be used to appoint retired teachers and administrators to positions in critical shortage areas under this section and Section 2 of this Act. The administrative regulations shall assure that:*
  - (a) *A retired teacher or administrator shall not be hired until the superintendent assures that he or she has made every reasonable effort to recruit an active teacher or administrator for the position on an annual basis; and*
  - (b) *A retired teacher or administrator shall be paid, at a minimum, a salary at Rank II with ten (10) years of experience based on a single salary schedule adopted by the district.*

*The commissioner of education shall report members reemployed under this section to the Kentucky Teachers' Retirement System.*

- (3) *If a local school district needs a person to fill a critical shortage position after reaching its quota established under Section 2 of this Act, the commissioner of education with the approval of the executive director of the Kentucky Teachers' Retirement System may allow the district to exceed its quota if the statewide quota has not been met.*

Section 2. KRS 161.605 is amended to read as follows:

- (1) Retired members may perform substitute teaching in the public schools for the equivalent of one hundred (100) days in any one (1) school year and receive compensation based on a standard salary schedule adopted by a district for all substitute teachers without reduction in retirement annuities.
- (2) A retired member may be employed as a part-time or temporary teacher in the public schools for a period not to exceed the equivalent of one hundred (100) days in any one (1) school year.
- (3) Retired members may be employed part-time or temporarily in a nonteaching capacity in the public schools and receive compensation for this employment without reduction in retirement annuities, except that retired members may not be employed in excess of a one hundred (100) day period in any one (1) school year in the same position from which they retired, or a position substantially similar to the one from which they retired, or

any position listed in KRS 161.220(4) which requires membership in the retirement system. Positions which generally require certification or graduation from a four (4) year college or university as a condition of employment which are created, or changed to remove the position from coverage under KRS 161.220(4) are also subject to the one hundred (100) day limitation in this subsection. The board of trustees shall determine if employment in a nonteaching position qualifies for an exemption under this subsection.

- (4) Members retired from an agency listed in KRS 161.220(4)(b) may be employed in a part-time teaching capacity by one (1) of the universities participating in the Teachers' Retirement System, not to exceed the equivalent of twelve (12) teaching hours in any one (1) fiscal year.
- (5) Calculation of the number of days for part-time teaching, substitute teaching, or part-time employment in a nonteaching capacity under this section shall not exceed the ratio between a school year and the actual months of retirement for the member during that school year. The board of trustees by administrative regulation may establish fractional equivalents of a day of teaching service.
- (6) When a retired member returns to employment as a part-time teacher or in a nonteaching capacity as provided in subsections (2), (3), and (4) of this section, the employer shall contribute annually to the retirement system on the compensation paid to the retired member at rates determined by the retirement system actuary that reflect accrued liability for nonuniversity and university members.
- (7) *The board of trustees shall provide for reemployment of retired members as full-time teachers or in a nonteaching capacity under the following conditions:*
  - (a) *A retired teacher or administrator may return to full-time teaching in a position that has been determined by the commissioner of education to be a critical shortage area as defined in Section 1 of this Act and for which the person is certified. When the commissioner of education certifies to the retirement system that qualified applicants are not available to fill teaching or administrative positions in critical academic subject areas, grade levels, or geographic areas, local school districts may employ, as full-time employees, during a school fiscal year, up to a maximum of two (2) retired members, or one percent (1%) of the total active members of the retirement system in a school district, whichever is greater. Retired members who are reemployed in a full-time position covered by the retirement system shall be rehired on a one (1) year contract in a district other than the one from which they retired following an absence of at least three (3) months or in the same district from which they retired following an absence of at least one (1) year.*
  - (b) *Retired members reemployed under this subsection shall remain eligible to receive their retirement annuity.*
  - (c) *Retired members reemployed under this subsection shall waive their health insurance coverage with the retirement system during the period of reemployment and receive health insurance coverage that is provided to regular full-time employees of a district.*
  - (d) *Local school districts shall make annual payments to the retirement system on the compensation paid to the reemployed retirees at rates determined by the retirement system's actuary that reflect accrued liability for nonuniversity members.*
  - (e) *Retirees that are reemployed under this provision shall make retirement contributions to the retirement system at rates specified under KRS 161.540 and the employer shall make contributions to the retirement system at rates specified under KRS 161.550. The reemployed retiree's entire contribution and a matching amount from the employer's contribution shall be placed in a separate defined contribution fund administered by the retirement system with annual interest applied at the actuarially assumed rate. When the retiree's reemployment terminates, the total contributions with interest shall be paid by lump sum or on a monthly straight life basis to the retiree. If the member dies prior to retiring, the designated beneficiary shall receive a refund, and if there is a remaining balance at the death of the member after retirement, it shall be paid to the beneficiary designated by the member for this benefit.*
  - (f) *The provisions of this subsection shall not be covered under KRS 161.714.*

**CHAPTER 478****(HB 892)**

AN ACT relating to coal taxes.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

Section 1. KRS 143.010 is amended to read as follows:

As used in this chapter, unless the context requires otherwise:

- (1) "Cabinet" means "Revenue Cabinet."
- (2) "Coal" means and includes any material composed predominantly of hydrocarbons in a solid state.
- (3) "Severed," "severing," or "severance" means the physical removal of coal from the earth.
- (4) "Ton" means a short ton of 2,000 pounds. The number of tons shall be determined at the first point at which the coal is weighed.
- (5) "Taxpayer" shall mean and include any individual, partnership, joint venture, association, or corporation engaged in severing and/or processing coal in this state. In instances where contracts, either oral or written, are entered into by which persons, organizations, or businesses are engaged to mine or process the coal but do not obtain title to or do not have an economic interest therein, the party who owns the coal or has an economic interest shall be the taxpayer.
- (6) "Gross value" is synonymous with gross income from property as defined in Section 613(c) of the Internal Revenue Code and regulations 1.613-3 and 1.613-4 in effect on December 31, 1977, with the exception that in all instances transportation expense, as defined in subsection (11) of this section, incurred in transporting coal shall not be considered as gross income from the property. Gross value shall be reported as follows:
  - (a) For coal severed and/or processed and sold during a reporting period, gross value shall be the amount received or receivable by the taxpayer.
  - (b) For coal severed and/or processed, but not sold during a reporting period, gross value shall be determined as follows:
    1. If the coal is to be sold under the terms of an existing contract, the contract price shall be used in computing gross value.
    2. If there is no existing contract, the fair market value for that grade and quality of coal shall be used in computing gross value.
  - (c) In a transaction involving related parties, gross value shall be the amount received or receivable from the first noncontrolled sale by the related parties. If coal is sold to a related party for consumption, gross value shall not be less than the fair market value for coal of similar grade and quality.
  - (d) In the absence of a sale, gross value shall be the fair market value for coal of similar grade and quality.
  - (e) If severed coal is purchased for the purpose of processing and resale, the gross value shall be the amount received or receivable during the reporting period reduced by the amount paid or payable to the registered taxpayer actually severing the coal.
  - (f) If severed coal is purchased for the purpose of processing and consumption, the gross value shall be the fair market value of processed coal of similar grade and quality reduced by the amount paid or payable to the registered taxpayer actually severing the coal.
  - (g) In all instances, the gross value shall not be reduced by any taxes, including the tax levied by KRS 143.020, royalties, sales commissions, or any other expense.
- (7) "Reporting period" means the period for which each taxpayer shall compute his tax liability and remit the tax due to the cabinet. The reporting period shall be monthly. However, the cabinet may, under certain conditions, authorize a quarterly reporting period.
- (8) "Processing" includes cleaning, breaking, sizing, dust allaying, treating to prevent freezing, or loading or unloading for any purpose. "Processing" shall not include:

- (a) Acts performed by a final consumer who is not a related party to the person who severed and/or processed the coal if such acts are performed only at the site where the coal is consumed for purposes of generating electricity; or
  - (b) The act of unloading or loading for shipment coal that has not been severed, cleaned, broken, sized, or otherwise treated in Kentucky.
- (9) "Related party" means two (2) or more persons, organizations, or businesses owned or controlled directly or indirectly by the same interest. Control shall exist if a contract or lease, either written or oral, is entered into whereby one (1) party mines or processes coal owned or held by another party and the owner or lessor participates in the mining, processing, or marketing of the coal or receives any value other than an arm's length passive royalty interest. In the case of related parties, the cabinet may apportion or allocate the receipts between or among the persons, organizations, or businesses if it determines that the apportionment or allocation is necessary in order to more clearly reflect gross value.
- (10) "Economic interest" for the purposes of this chapter shall be synonymous with the economic interest ownership required by Internal Revenue Code Section 611 in effect on December 31, 1977, entitling the taxpayer to a depletion deduction for income tax purposes with the exception that a party who only receives an arm's length royalty shall not be considered as having an economic interest.
- (11) Transportation expense shall mean:
- (a) The amount paid by a taxpayer to a third party for transporting coal from the mine mouth or pit to a processing plant, tipple, or loading dock.
  - (b) The expense incurred by a taxpayer using his own facilities in transporting coal from the mine mouth or pit to a processing plant, tipple, or loading dock.
  - (c) Transportation expenses shall not include:
    - 1. The cost of acquisition, improvements, and maintenance of real property;
    - 2. The cost of acquisition and operating expenses of mining and nonmining loading or unloading facilities;
    - 3. The cost of acquisition and operating expenses of equipment used to load or unload the coal at the mine, processing facility, and mining and nonmining loading facility.
- (12) "Registered taxpayer" as used in subsection (6)(e) and (f) of this section shall mean a "taxpayer" as defined in subsection (5) of this section who holds a valid coal tax certificate of registration required under KRS 143.030(1) and the certificate of registration was valid for the period in which his coal was sold.
- (13) ***"Above-drainage" means coal in a coal bed that outcrops at the surface within a mine permit area and that is accessed at the outcrop location.***
- (14) ***"Below-drainage" means coal in a coal bed that does not outcrop at the surface within a mine permit area and that is accessed by mine slopes or other openings that penetrate the coal a minimum of thirty (30) feet below the surface drainage level.***
- (15) ***"Mining ratio" means the amount of bank cubic yards of surface material that must be removed before a ton of coal can be mined.***

SECTION 2. A NEW SECTION OF KRS CHAPTER 143 IS CREATED TO READ AS FOLLOWS:

- (1) ***A nonrefundable severance tax credit against the severance tax imposed by KRS 143.020 shall be allowed for new permitted production after July 1, 2000, as follows.***
- (a) ***For coal mined from above-drainage seams using deep mining or underground mining methods, the credit shall be equal to:***
    - 1. ***Two and one-quarter percent (2.25%) of the gross value of coal with a coal thickness of between twenty-seven (27) and thirty (30) inches; or***

  2. *Three percent (3%) of the gross value of coal with a coal thickness of between twenty-seven (27) and thirty-two (32) inches; or*
  3. *Three and three-quarters percent (3.75%) of the gross value of coal with a coal thickness of less than twenty-seven (27) inches.*
- (2) *Coal thickness under subsection (1) of this section shall be based on the weighted average isopach mapping of actual coal thickness by mine as certified by a professional engineer for each reporting period. The taxpayer shall attach a copy of the certified isopach mapping for each reporting period to the return filed for that period.*
- (3) *The taxpayer shall take the tax credit under this section in conjunction with the taxpayer's monthly return.*

- (2) *The salary schedule for property valuation administrators provides for nine (9) levels of salary based upon the population of the county in the prior year as determined by the United States Department of Commerce, Bureau of the Census annual estimates. To implement the salary schedule, the cabinet shall, by November 1 of each year, certify for each county the population group applicable to each county based on the most recent estimates of the United States Department of Commerce, Bureau of the Census. **(HB 579)**

AN ACT relating to chemical munitions.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

Section 1. KRS 224.50-130 is amended to read as follows:

- (1) The General Assembly of Kentucky finds that:
  - (a) The compounds listed in subsection (2) of this section were designed and configured to be utilized for warfare, with the purpose of incapacitating or inducing lethality in persons who come in contact with the compounds, and that the compounds have no legitimate civilian use;
  - (b) The Commonwealth of Kentucky owes to its residents a duty of utmost care to assure that no person will be exposed to these compounds or the degradation by-products of these compounds through purposeful

or accidental release of the compounds into the air, land, or water of the Commonwealth, and also owes a duty to utilize the police powers of the Commonwealth to guarantee the safe demilitarization, decommissioning, dismantling, and disposal of weapons containing these compounds and to eliminate potential risks of exposure from the treatment and disposal of the compounds;

- (c) Section 6929 of Title 42 of the United States Code, specifically recognizes and reserves to the Commonwealth the authority to impose reasonable restrictions directly relating to public health and safety with respect to the management of hazardous wastes beyond the minimum standards established under federal law; and
  - (d) There exist substantial gaps in information concerning the acute and chronic health effects and environmental consequences of exposure to the compounds and the degradation by-products of the compounds listed in subsection (2) of this section, which, given the high acute toxicity of the compounds relative to other regulated hazardous wastes, justify the imposition of standards correlative to the uncertainties and severity of risks potentially posed by the treatment or disposal of the compounds.
- (2) Notwithstanding any other provision of this chapter, within thirty (30) days after July 15, 1988, the cabinet shall list the following **compounds**~~[substances]~~ as hazardous wastes for the purposes of regulation of the treatment, storage, and disposal of the wastes under the delegated authority of the Resource Conservation and Recovery Act, 42 U.S.C. 6901 et seq.: GB (isopropyl methyl phosphonofluoridate); VX (O-ethyl-S-(2-diisopropylaminoethyl) methyl phosphonothiolate); and H (bis(2-chloroethyl) sulfide) and related compounds.
- (3) In addition to the requirements of KRS 224.46-520(1), the cabinet shall consider the criteria set forth in this subsection in making a determination to issue, deny, or condition a permit for any person desiring a permit to construct or operate a hazardous-waste site or facility for treatment~~[, storage,]~~ or disposal of any of the **compounds**~~[substances]~~ identified in subsection (2) of this section. The applicant shall affirmatively demonstrate, and the cabinet shall find prior to issuance, conditional issuance, or denial of the permit, **or draft permit** that:
- (a) The proposed treatment or destruction technology has been fully proven in an operational facility of scale, configuration, and throughput comparable to the proposed facility, **or has been demonstrated as effective, within the chemical weapons disposal programs as directed in Pub. L. 104-208 and other applicable federal laws,**~~[for a period of time]~~ sufficient to provide~~[consistent]~~ assurance of destruction or neutralization at an efficiency of ninety-nine and nine thousand, nine hundred, and ninety-nine ten thousandths percent (99.9999%) for each **compound listed in subsection (2) of this section that is**~~[substance]~~ proposed to be treated or destroyed, with the efficiency to be demonstrated as achievable~~[during the design life of the facility]~~ under all operating conditions.~~[including]~~ During the occurrence of malfunctions, upsets, or unplanned shutdowns, **all quantities of any compound listed in subsection (2) of this section shall be contained, reprocessed or otherwise controlled so as to ensure that the required efficiency is attained prior to any release to the environment;**
  - (b) Monitoring data from an operational facility **or alternative disposal program** as described in paragraph (a) of this subsection reflects **that the**~~[absence of]~~ emissions from treatment and destruction facilities or fugitive sources, including but not limited to the **emissions of the compounds**~~[substances]~~ identified in subsection (2) of this section and products of combustion,~~[and]~~ incomplete combustion, **and other processes**~~[which]~~ alone or in combination present **no more than a minimal**~~[any]~~ risk of acute or chronic human health effect, as demonstrated by sufficient and applicable toxicological data, or adverse environmental effect; and
  - (c) **An emergency response**~~[A]~~ plan has been submitted to the cabinet and approved, **after public notice and an opportunity to be heard,** providing for~~[development and funding of]~~ sufficient training, coordination, and equipment for state and local emergency response personnel, including~~[the]~~ health, police, fire, and **other responders**~~[emergency response fields]~~, to assure the ability of the community to respond to releases from such a facility. **The plan shall demonstrate,**~~[including development and funding of an emergency response plan by the applicant which demonstrates]~~ the capability of evacuating prior to exposure, **or otherwise mitigating exposure for** all individuals that might be exposed to releases from the facility during a credible worst-case release. In determining the population and area of potential exposure during a worst-case release, all possible climatic conditions and population distributions shall be assumed for the largest area where any exposure to the release could induce acute or chronic health consequences or environmental impact. **If such a plan has not been fully**

*implemented at the time of permit approval, the Division of Emergency Management shall advise the cabinet of critical shortcomings. Any permit issued shall include, as conditions, the resolution of critical shortcomings in the implementation of the plan, and shall not allow actual destruction of any of the compounds identified in subsection (2) of this section to begin until those permit conditions have been met to the satisfaction of the Division of Emergency Management. No later than January 1, 2001, the Division of Emergency Management shall complete an assessment of a draft plan previously submitted by the applicant and the respective counties and, after public notice and an opportunity to be heard, shall approve or reject the draft plan. The cabinet shall conduct no technical review of a permit application for treatment or disposal of these compounds until notified in writing by the Division of Emergency Management that the draft plan has been approved.*~~[The plan shall be developed and submitted for approval by the applicant, and no technical review of a permit subject to this section shall proceed unless the plan has first been approved, after public notice and an opportunity to be heard concerning the plan]~~

- (4) In considering any application for a permit subject to this section, and supporting information which shall be provided by the applicant on request by the cabinet, the cabinet shall not issue a permit unless, as part of the alternatives analysis of KRS 224.46-520(1), the cabinet makes an affirmative finding after public notice and an opportunity to be heard, that ***no alternative method of treatment or disposal exists in an operational facility or alternative disposal program as described in subsection (3)(a) of this section that create less risk of release, or acute or chronic health effect, or adverse environmental effect.***~~[-]~~
- ~~(a) No alternative method of treatment or disposal, including, but not limited to, neutralization and transportation to a less populated disposal site, exists that creates less risk of release or harm to the public or the environment in the event of release;~~
- ~~(b) No alternative method of treatment or destruction, including, but not limited to, neutralization and transportation to a less populated disposal site, is likely to exist or could be developed which would pose less risk of release or harm to the public or environment in the event of release, before the time that the decomposition of the compounds or the containers or munitions housing the compounds, necessitates destruction of the compounds due to serious risk of imminent and substantial release of the compounds due to instability or container degradation. In considering alternatives to the proposed activity, the cabinet shall affirmatively consider all reasonable alternatives, including alternatives that could be developed, and shall issue a permit only where it finds by clear and convincing evidence that no alternative treatment or disposal option, including transportation, exists or could be developed that would provide greater protection against exposure or harm to the public or environment.]~~
- (5) In addition to the definition of the term as defined in this chapter, the term "treatment", as used in this section, shall include the manual or mechanical handling of the chemical compounds listed in subsection (2) of this section and of any munitions containing the compounds ***during***~~[- and]~~ the processing of munitions to remove the compounds, to separate ***munitions***~~[compound]~~ components, and to otherwise prepare the components and compounds for destruction, neutralization,~~[- transportation,]~~ dismantling, or decommissioning. ***The term "treatment" shall not include the handling, movement, or overpacking of containers or munitions containing a compound listed in subsection (2) of this section within the fenced boundaries of an area used for the storage of those munitions if:***
- (a) A plan for the handling, movement, or overpacking is submitted and approved by the cabinet, after public notice and opportunity to be heard, before the handling, movement, or overpacking occurs; or***
- (b) An emergency has occurred and the handling, movement, or overpacking is necessary to protect human health, safety, or the environment, if a report describing the handling, movement, or overpacking is submitted to the cabinet as soon as possible after the emergency is abated.***

## CHAPTER 483

(HB 629)

AN ACT relating to Commonwealth legal actions, and declaring an emergency.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

## SECTION 1. A NEW SECTION OF KRS CHAPTER 48 IS CREATED TO READ AS FOLLOWS:

- (1) *The General Assembly hereby finds and declares that:*
- (a) *Public accountability for funds or other assets recovered in a legal action by or on behalf of the general public, the Commonwealth, or its duly elected statewide constitutional officers is appropriate and required, whether the character of the assets or funds recovered is public or private;*
  - (b) *Accountability for assets or funds recovered by duly elected statewide constitutional officers is essential to the public trust, and is even more critical when that officer was a party to the action that resulted in the recovery by virtue of the public office he or she holds;*
  - (c) *Public accountability demands the applicability of the Kentucky Open Records Law, KRS 61.870 to 61.884, and the Kentucky Open Meetings Law, KRS 61.805 to 61.850, so that the actions of individuals or agencies who are charged with the administration of funds or other assets are conducted in full view, and are open to public scrutiny;*
  - (d) *The General Assembly recognizes that the Attorney General of the Commonwealth of Kentucky has filed or been a party to actions by virtue of the public office he holds, and has recovered certain assets or funds of approximately forty-five million dollars (\$45,000,000), plus interest, for or on behalf of the citizens of the Commonwealth in the cases of Commonwealth of Kentucky, ex rel., Attorney General, Albert B. Chandler, III v. Anthem Insurance Companies, Inc., Southeastern Group, Inc., Southeastern United Medigroup, Inc., Franklin Circuit Court, Division I, Civil Action No. 97-CI-01566, and Southeastern United Medigroup, Inc., Southeastern Group, Inc., and Anthem Insurance Companies, Inc., v. Commonwealth of Kentucky, Department of Insurance, Franklin Circuit Court, Division II, Civil Action No. 97-CI-00405;*
  - (e) *The terms of the settlement of those actions referenced in subsection (1)(d) of this section serve a public purpose and require that the proceeds of settlement be used "to address the unmet health care needs of Kentucky citizens";*
  - (f) *In accordance with the terms of the settlement referenced in subsection (1)(d) of this section, a foundation has been or is to be formed and appointments to that foundation made after receiving recommendations from an advisory board whose appointments will be made from nominees of the Attorney General;*
  - (g) *While it may be important that, in certain circumstances, funds or assets received retain their character, identity, and purpose, it is also important that the process by which funds are administered and the individuals named to serve on the advisory board and the foundation in the settlement referenced in subsection (1)(d) of this section be open to public scrutiny and be required to make reports and be accountable to the public; and*
  - (h) *The power to appropriate funds for public purposes is solely within the purview of the legislative branch of government, and the General Assembly, as a steward of the budgetary process, shall take steps to assure that future settlements are handled in a manner that assures maximum accountability to the citizens of the Commonwealth and their duly elected legislative representatives.*
- (2) *Therefore, any other provision of the common law or statutory law to the contrary notwithstanding:*
- (a) *The provisions of subsection (3) of this section shall apply to the settlement referenced in subsection (1)(d) of this section, and to the advisory board, corporation, organization, foundation, charitable trust, constructive trust, board, commission, or entity, created by court order or otherwise, to administer the settlement proceeds to provide for the "unmet health care needs of Kentucky citizens"; and*
  - (b) *Except for the settlement referenced in subsection (1)(d) of this section, the provisions of subsection (4) of this section shall apply whenever the Attorney General or other duly elected statewide constitutional officer is a party or has entered his appearance in a legal action on behalf of the Commonwealth of Kentucky, including ex rel. or other type actions, and a disposition of that action has resulted in the recovery of funds or assets to be held in trust by the Attorney General or other duly elected statewide constitutional officer or a person, organization, or entity created by the Attorney General or the Commonwealth, through court action or otherwise, to administer the trust funds or assets, for charitable, eleemosynary, benevolent, educational, or similar public purposes;*

- (c) *Except as otherwise provided in paragraphs (a) and (b) of this subsection, the provisions of subsection (5) of this section shall apply when any funds or assets of any kind or nature whatsoever, including, but not limited to, public funds as defined in KRS 446.010 and private funds or assets are recovered by judgment or settlement of a legal action by or on behalf of the Commonwealth of Kentucky, including ex rel. or other type actions filed by a duly elected statewide constitutional officer under that officer's statutory or common law authority.*
- (3) *The advisory board, corporation, organization, foundation, charitable trust, constructive trust, board, commission, or entity, created by court order or otherwise, in accordance with the settlement outlined in subsection (1)(d) of this section, shall be deemed a public trust, and shall:*
- (a) *Be subject to the Kentucky Open Records Act, KRS 61.870 to 61.884, and the Kentucky Open Meetings Act, KRS 61.805 to 61.850;*
  - (b) *Be audited on an annual basis by the Auditor of Public Accounts;*
  - (c) *Provide any records, documents, written reports, and audits to the Governor, Auditor of Public Accounts, and the Legislative Research Commission, as may be requested;*
  - (d) *Provide representatives of the organization or entity to testify before any committee of the General Assembly, when requested, concerning the work and financial condition of the organization or entity;*
  - (e) *Encourage the Franklin Circuit Court to authorize the Governor to appoint two (2) at-large members to the board of directors of the foundation created by the settlement agreement; and*
  - (f) *Provide written notice of any disbursement of funds or assets to the co-chairs of the Interim Joint Committee on Appropriations and Revenue, the secretary of the Finance and Administration Cabinet, and the state controller at least fourteen (14) days prior to making disbursement. Within forty-five (45) days after receipt of the notice of disbursement of funds or assets in accordance with this subsection, the Interim Joint Committee on Appropriations and Revenue may hold a hearing on the disbursement. If requested by the Interim Joint Committee on Appropriations and Revenue, members of the advisory board, corporation, organization, foundation, charitable trust, constructive trust, board, commission, or entity making disbursement and the person, organization, or other entity receiving the disbursement shall appear and give testimony concerning the proposed disbursement. Following the hearing, the Interim Joint Committee on Appropriations and Revenue shall make findings concerning whether or not the disbursement:*
    - 1. *Is consistent with the nature, character, and purpose for which the funds were recovered; and*
    - 2. *Is in the best interest of the Commonwealth.*

*A copy of the findings shall be publicly released and mailed or otherwise delivered to the entity or organization seeking disbursement, the secretary of the Finance and Administration Cabinet, and the state controller.*
- (4) *Except for the settlement referenced in subsection (1)(d) of this section, whenever the Attorney General or other duly elected statewide constitutional officer is a party to or has entered his appearance in, a legal action on behalf of the Commonwealth of Kentucky, including ex rel. or other type actions, and a disposition of that action has resulted in the recovery of funds or assets to be held in trust by the Attorney General or other duly elected statewide constitutional officer or by a person, organization, or entity created by the Attorney General, or the Commonwealth, through court action or otherwise, to administer the trust funds or assets, for charitable, eleemosynary, benevolent, educational, or similar public purposes, those funds shall be deposited in the State Treasury and the funds or assets administered and disbursed by the Charitable Asset Administration Board created under this section. As used in this section "CAAB" means the Charitable Asset Administration Board.*
- (a) *The CAAB shall consist of the following members, who shall be confirmed by the Senate under KRS 11.160, and who shall serve at the pleasure of the duly elected statewide constitutional officer making the appointment during that constitutional officer's term of office:*
    - 1. *Three (3) members to be appointed by the Governor;*
    - 2. *Three (3) members to be appointed by the Attorney General; and*
    - 3. *Three (3) members to be appointed by the Auditor of Public Accounts.*

- (b) *Each duly elected statewide constitutional officer under paragraph (a) of this subsection shall appoint at least one (1) member who has a background in the administration of charitable, eleemosynary, benevolent, educational, or similar type trust assets, but shall not be currently involved in any activity that would violate the provisions of KRS 11A.040, as they relate to the performance of the appointee's duties on the CAAB.*
- (c) *All appointees to the CAAB shall comply with the provisions of the Executive Branch Code of Ethics found in KRS Chapter 11A.*
- (d) *A vacancy in the membership of the CAAB shall be filled in the same manner and under the same conditions as the initial appointment to the board.*
- (e) *The CAAB shall:*
  - 1. *Be a nonprofit, de jure, quasi-governmental corporation subject to the Kentucky Open Records Law, KRS 61.870 to 61.884, and Kentucky Open Meetings Law, KRS 61.800 to 61.850;*
  - 2. *Have any and all general corporate, trust, or other powers reasonable or necessary to fulfill the requirements and purposes of the CAAB;*

  - 5. *Provide representatives of the organization or entity to testify before any committee of the Kentucky General Assembly when requested concerning the work and financial condition of the CAAB.*
- (f) *The CAAB shall have full authority over the administration, control, and disbursement of any funds recovered under this subsection. The CAAB shall receive, analyze, administer, disburse, and preserve the identity, character, and nature and the charitable, eleemosynary, benevolent, educational, or similar public purpose of the funds or assets received consistent with this subsection and the authority for administering the funds recovered as set forth in the:*

  - 7. *Orders of a state or federal court;*
  - 8. *State or federal law or regulation; or*
  - 9. *Any other governing documents necessary to properly administer the funds recovered.*
- (g) *The CAAB may hold public hearings, if necessary, concerning the proper administration or disbursement of trust assets received and to be administered under this subsection.*
- (h) *1. After the effective date of this Act, all charitable, eleemosynary, benevolent, educational, or similar type trust funds or assets, to which this subsection applies, recovered by way of judgment, settlement, or otherwise, shall be transferred to the CAAB for administration of those funds or assets consistent with their charitable, eleemosynary, benevolent, educational, or similar public purpose and the provisions of this subsection.*
  - 2. *For those legal actions settled prior to the effective date of this Act, except for the settlement outlined in subsection (1)(d) of this section to which subsection (3) of this section shall apply, where charitable, eleemosynary, benevolent, educational, or similar type trust funds or assets, are recovered by way of judgment or settlement, and to which this subsection would otherwise be applicable, the federal and state courts where those actions are pending are encouraged to transfer any trust funds or assets remaining after administration to the CAAB.*

- (5) (a) *Any other provision of the common law or statutory law to the contrary notwithstanding, and except as otherwise provided in this section, any funds or assets of any kind or nature whatsoever, including, but not limited to, public funds as defined in KRS 446.010 and private funds or assets when recovered by judgment or settlement of a legal action by or on behalf of the Commonwealth of Kentucky, including ex rel. or other type actions filed by a duly elected statewide constitutional officer under that officer's statutory or common law authority shall be deemed public funds, and shall be deposited into an account maintained by the Finance and Administration Cabinet.*
- (b) *No funds to which this subsection applies when deposited in an account maintained by the Finance and Administration Cabinet shall be disbursed without a specific legislative appropriation of the deposited funds by the General Assembly while in regular or special legislative session.*
- (6) *The common law, including the common law authority of any duly elected statewide constitutional officer, is specifically abrogated to the extent it is inconsistent with the provisions of this section.*
- (7) *The provisions of this section shall not apply to actions by or on behalf of the Commonwealth or its duly elected statewide constitutional officers, if the recovery sought and received is for specific individuals identified as parties to the action either by individual Social Security number, other individual identifying number, or by the individual's proper name.*
- (8) *Notwithstanding any statute or common law to the contrary, and except as provided in this subsection, an elected statewide constitutional officer or any other state official or agency shall not file or participate as a plaintiff, petitioner, party, intervening party, attorney, or amicus curiae in any litigation challenging the constitutionality of this section. State funds and employee time shall not be expended by any person or agency in support of such a challenge. If the constitutionality of this section is challenged, the Finance and Administration Cabinet shall be the sole named respondent in that litigation, and shall consult with the Legislative Research Commission regarding defense of that litigation.*

Section 2. KRS 15.020 is amended to read as follows:

The Attorney General is the chief law officer of the Commonwealth of Kentucky and all of its departments, commissions, agencies, and political subdivisions, and the legal adviser of all state officers, departments, commissions, and agencies, and when requested in writing shall furnish to them his written opinion touching any of their official duties, and shall prepare proper drafts of all instruments of writing required for public use, and shall exercise all common law duties and authority pertaining to the office of the Attorney General under the common law, except when modified by statutory enactment. He shall communicate with the Legislative Research Commission as required by KRS 418.075. ***Except as otherwise provided in subsection (8) of Section 1 of this Act and Section 8 of this Act***, he shall appear for the Commonwealth in all cases in the Supreme Court or Court of Appeals wherein the Commonwealth is interested, and shall also commence all actions or enter his appearance in all cases, hearings, and proceedings in and before all other courts, tribunals, or commissions in or out of the state, and attend to all litigation and legal business in or out of the state required of him by law, or in which the Commonwealth has an interest, and any litigation or legal business that any state officer, department, commission, or agency may have in connection with, or growing out of, his or its official duties, except where it is made the duty of the Commonwealth's attorney or county attorney to represent the Commonwealth. When any attorney is employed for any said agency, the same shall have the approval of such agency before such employment. ***If any funds of any kind or nature whatsoever are recovered by or on behalf of the Commonwealth, in any action, including an ex rel. action where the Attorney General has entered an appearance or is a party according to statutory or common law authority, those funds shall be handled under Section 1 of this Act.***

Section 3. KRS 15.060 is amended to read as follows:

The Attorney General shall:

- (1) With the assistance of the Auditor of Public Accounts and the Revenue Cabinet, investigate the condition of all unsatisfied claims, demands, accounts and judgments in favor of the Commonwealth.
- (2) When he believes that any fraudulent, erroneous or illegal fee bill, account, credit, charge or claim has been erroneously or improperly approved, allowed or paid out of the Treasury to any person, institute the necessary actions to recover the same. To this end he may employ assistants and experts to assist in examining the fee bills, accounts, settlements, credits and claims, and the books, records and papers of any of the officers of the Commonwealth.

- (3) Institute the necessary actions to collect and cause the payment into the Treasury of all unsatisfied claims, demands, accounts and judgments in favor of the Commonwealth, except where specific statutory authority is given the Revenue Cabinet to do so.
- (4) *Comply with Section 1 of this Act, if any funds of any kind or nature whatsoever are recovered by or on behalf of the Commonwealth, in any legal action, including an ex rel. action in which the Attorney General has entered an appearance or is a party under statutory or common law authority.*

SECTION 4. A NEW SECTION OF KRS CHAPTER 367 IS CREATED TO READ AS FOLLOWS:

***KRS 367.190, 367.200, 367.210, 367.220 and KRS 367.110 to 367.360 to the contrary notwithstanding, if funds of any kind or nature whatsoever are recovered by or on behalf of the Commonwealth in a legal action, including an ex rel. action in which the Attorney General has entered an appearance or is a party under statutory or common law authority, those funds recovered shall be handled in accordance with Section 1 of this Act.***

Section 5. The provisions of subsection (3) of Section 1 of this Act shall apply to the settlement of the actions set out in Section 1(1)(d) of this Act and specifically to the proceeds of a settlement currently in a restricted account in the Finance and Administration Cabinet, titled the "Anthem Settlement Fund" pursuant to Agreed Order, entered on December 16, 1999, in the case of Commonwealth of Kentucky, ex rel., Attorney General Albert B. Chandler, III, v. Anthem Insurance Companies, Inc., Southeastern Group, Inc., Southeastern United Medigroup, Inc., Franklin Circuit Court, Division No. I, 97-CI-01566.

Section 6. If any provision of this Act or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of the Act that can be given effect without the invalid provision or application, and to this end the provisions of this Act are severable.

Section 7. Because it is critical that funds or assets acquired through litigation by or on behalf of the Commonwealth be properly appropriated by the General Assembly and disbursed in an accountable, orderly and appropriate fashion, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming law.

Section 8. Notwithstanding any statute or common law to the contrary, and except as provided in this section, an elected statewide constitutional officer or any other state official or agency shall not file or participate as a plaintiff, petitioner, party, intervening party, attorney, or amicus curiae in any litigation challenging the constitutionality of any portion of this Act. State funds and employee time shall not be expended by any person or agency in support of such a challenge. If the constitutionality of any portion of this Act is challenged, the Finance and Administration Cabinet shall be the sole named respondent in that litigation, and shall consult with the Legislative Research Commission regarding defense of that litigation.

Section 9. The common law is specifically abrogated to the extent inconsistent with the provisions of Sections 1 to 8 of this Act.

- (4) *If payments are made by installment, the cost of purchasing the service credit shall be recalculated annually based upon the member's current salary, the interest rate established by the commissioner of finance, and other factors required by the actuarial method. The member's payments shall be adjusted annually to reflect the annual recalculation of the cost of purchasing service credit. Installment payments shall be consecutive and the total number of monthly installments shall not be less than twelve (12) or more than two hundred forty (240). The member shall pay the installments by payroll deduction.*
- (5) *Payments shall not be considered accumulated contributions of the member and shall not be picked up by the urban-county government. No employer contribution shall be paid on the installments. The board shall determine how much of the total cost represents payment for one (1) quarter of the service to be purchased and the member shall receive service credit for one (1) quarter of the service each time this amount is paid.*
- (6) *If the member dies, retires, or ceases to be a member of the fund before he has made all installment payments for the purchase of service credit, the fund shall refund to the member, his qualified surviving spouse, or his estate, the portion of any payment that does not represent a full quarter of service.*
- (7) *A member who does not repay a refund of contributions, as provided in subsection (3) of Section 6 of this Act, shall be entitled to purchase service credit for prior membership service.*
- (8) *The member may cancel a purchase obligation at any time, but once canceled, a member shall have forever forfeited, waived, and relinquished the right to purchase service credit.*

- (1) The rate of retirement annuity shall be two and one-half percent (2.5%) of average salary, as defined in KRS 67A.360(13), for each year of total service~~[up to and including thirty (30) years, subject to a maximum of seventy five percent (75%) of average salary]~~. Fractional periods of service shall be considered in the calculation of such annuities according to the aforesaid rate. Provided, however, that no retiree, or his surviving widow, whether he retired before or after June 16, 1972, under this section shall receive a pension of less than \$100 a month and when Social Security benefits are increased the minimum shall be increased by a like amount, provided that the increase shall not exceed five percent (5%).
- (2) Any retiree or surviving spouse who as of January 1, 1996, is receiving a monthly annuity of less than the amount established as the poverty guideline for a single person by the United States Department of Commerce shall have the pension increased to the amount established as the poverty guideline for calendar year 1996, and the board may increase this annuity as provided by KRS 67A.690(1).

Section 4. KRS 67A.460 is amended to read as follows:

- (1) If a total and permanent occupational disability occurs, the member shall receive an annuity calculated pursuant to subsection (2) of this section. At the member's death, his eligible widow, if any, shall receive the benefits as provided under KRS 67A.492, and his minor children, if any, shall receive benefits as provided under KRS 67A.440.
- (2) The minimum annuity rate for a total and permanent occupational disability shall be sixty percent (60%) of the member's last rate of salary. The minimum rate shall be increased by one half (1/2) of the amount by which the member's percentage of disability exceeds twenty percent (20%), but this increase shall be not more than fifteen percent (15%) of the member's last rate of salary and the member's total annuity shall not be greater than seventy-five percent (75%) of his last rate of salary.
- (3) The member's percentage of disability shall be the average of the impairment rating determined by two (2) physicians selected by the board under KRS 67A.480, using the latest edition of the American Medical Association's "Guides to the Evaluation of Permanent Impairment".
- (4) ***If a member is eligible for a service retirement annuity under KRS 67A.410(1) or (2) and the amount of his service retirement annuity would exceed the amount of his total and permanent occupational disability annuity, as determined by the board under this section, then the member may elect to receive an additional service retirement annuity payment equal to the amount by which his service retirement annuity would have exceeded the amount of his total and permanent occupational disability annuity, in addition to his disability annuity, by filing with the board the application required by KRS 67A.410. A member who is eligible for a certificate entitling him to a service retirement annuity under KRS 67A.410(2) shall not be eligible to receive this additional service retirement annuity payment until he attains the age of forty-six (46).***

The amount of any such optional survivorship allowance shall be actuarially equivalent to the amount of retirement allowance otherwise payable to him. The member may elect either of two (2) options:
  - (a) Survivorship seventy-five percent (75%). The member may elect to receive a decreased retirement allowance during his lifetime and have seventy-five percent (75%) of such retirement allowance continue after his death to his eligible widow until her death or remarriage.
  - (b) Survivorship one hundred percent (100%). The member may elect to receive a decreased retirement allowance during his lifetime and have such retirement allowance continued at the same rate after his death to his eligible widow until her death or remarriage.

Section 6. KRS 67A.500 is amended to read as follows:

- (1) Upon withdrawal from service prior to retirement, a member shall be entitled to receive a refund of the amount of contributions made by the member or picked up by the urban-county government pursuant to KRS 67A.510(2) after the date of establishment, without interest. - (2) Any member receiving a refund of contributions shall thereby ipso facto forfeit, waive, and relinquish all accrued rights and benefits in the system, including all credited and creditable service. The board may, in its discretion, regardless of cause, withhold payment of a refund for a period not to exceed six (6) months after receipt of an application from a member.

Upon the restoration of such refunds, ~~as herein provided,~~ such member shall have reinstated to his account all credited service represented by the refunds of which repayment has been made. Repayment of refunds by any member shall include all refunds received by a member prior to the date of his last withdrawal from service, with interest, and shall be made in a single lump sum payment. ~~Such~~ Repayments shall not be picked up by the urban-county government. **If repayment is not made within the specified time period, the member shall have forever forfeited, waived, and relinquished the right to have reinstated to his account the credited service represented by the refunds for which repayment was not made, but shall not be precluded from purchasing service credit as provided in Section 2 of this Act.***

- (4) Any member who has received, or who is entitled to receive, a refund, but who within six (6) months of becoming entitled to receive such refund, qualifies for membership under the provisions of a fund in effect in another government, or city of the second class, adopted pursuant to law, shall have the option of paying his refund into such other fund, in which event he shall be deemed a member of such other fund and his account therein shall be credited with all contributions, including those picked up pursuant to KRS 67A.510(2), and service under his original fund.

- (1) As used in this section:
  - (a) "Teacher" shall mean any person for whom certification is required as a basis of employment in the common schools of the state;
  - (b) "Employee" shall mean any person, other than a teacher, employed in the public schools, whether on a full or part-time basis;
  - (c) "Immediate family" shall mean the teacher's spouse, children including stepchildren, grandchildren, parents and spouse's parents, grandparents, and spouse's grandparents, without reference to the location or residence of said relative, and any other blood relative who resides in the teacher's home; and

- (d) "Sick leave bank" shall mean an aggregation of sick leave days contributed by teachers for use by teachers who have exhausted all sick leave and other available paid leave days.
- (2) Each district board of education shall allow to each teacher in its common school system not less than ten (10) days of sick leave during each school year, without deduction of salary. Sick leave shall be granted to a teacher if he presents a personal affidavit or a certificate of a physician stating that the teacher was ill, that the teacher was absent for the purpose of attending to a member of his immediate family who was ill, or for the purpose of mourning a member of his immediate family. The ten (10) days of sick leave herein granted may be taken by a teacher on any ten (10) days of the school year and shall be granted in addition to accumulated sick leave days that have been credited to the teacher under the provisions of subsection (3) of this section.
- (3) Days of sick leave not taken by a teacher during any school year shall accumulate without limitation and be credited to that teacher. Accumulated sick leave may be taken in any school year. Any district board of education may, in its discretion, allow teachers in its common school system sick leave in excess of the number of days prescribed in this section and may allow school district employees and teachers to use up to three (3) days' sick leave per school year for emergency leave pursuant to KRS 161.152(3). Any accumulated sick leave days credited to a teacher shall remain so credited in the event he transfers his place of employment from one (1) school district to another within the state or to the Kentucky Department of Education or transfers from the Department of Education to a school district after June 30, 1985.

- (5) Any school employee may repurchase previously used sick leave days with the concurrence of the local school board by paying to the district an amount equal to the total of all costs associated with the used sick leave.
- (6) A district board of education may adopt a plan for a sick leave bank. The plan may include limitations upon the number of days a teacher may annually contribute to the bank and limitations upon the number of days a teacher may annually draw from the bank. Only those teachers who contribute to the bank may draw upon the bank. Days contributed will be deducted from the days available to the contributing teacher. The sick leave bank shall be administered in accordance with a policy adopted by the board of education.
- (7)
  - (a) A district board of education shall establish a sick leave donation program to permit teachers to voluntarily contribute sick leave to teachers in the same school district who are in need of an extended absence from school. A teacher who has accrued more than fifteen (15) days sick leave may request the board of education to transfer a designated amount of sick leave to another teacher who is authorized to receive the sick leave donated. A teacher may not request an amount of sick leave be donated that reduces his or her sick leave balance to less than fifteen (15) days.
  - (b) A teacher may receive donations of sick leave if:
    - 1. The teacher or a member of his or her immediate family suffers from a medically certified illness, injury, impairment, or physical or mental condition that has caused or is likely to cause the teacher to be absent for at least ten (10) days;
    - 2. The teacher's need for the absence and use of leave are certified by a licensed physician;
    - 3. The teacher has exhausted his or her accumulated sick leave, personal leave, and any other leave granted by the school district; and
    - 4. The teacher has complied with the school district's policies governing the use of sick leave.
  - (c) While an employee is on sick leave provided by this section, he or she shall be considered a school district employee, and his or her salary, wages, and other employee benefits shall not be affected.
  - (d) Any sick leave that remains unused, is not needed by a teacher, and will not be needed in the future shall be returned to the teacher donating the sick leave.
  - (e) The board of education shall adopt policies and procedures necessary to implement the sick leave donation program.
- (8) A teacher may use up to thirty (30) days of sick leave following the birth or adoption of a child or children. Additional days may be used when the need is verified by a physician's statement.

- (9) After July 1, 1982, a district board of education may compensate, at the time of retirement ***or upon the death of a member in active contributing status at the time of death who was eligible to retire by reason of service, an employee or a teacher, or the estate of an employee or a teacher,*** for each unused sick leave day. The rate of compensation for each unused sick leave day shall be based on a percentage of the daily salary rate calculated from the employee's or teacher's last annual salary, not to exceed thirty percent (30%). Payment for unused sick leave days shall be incorporated into the annual salary of the final year of service; provided that the member makes the regular retirement contribution for members on the sick leave payment. The accumulation of these days includes unused sick leave days held by the employee or teacher at the time of implementation of the program.
- (10) Any statute to the contrary notwithstanding, employees and teachers who transferred from the Department of Education to a school district, from a school district to the Department of Education, or from one (1) school district to another school district after July 15, 1981, shall receive credit for any unused sick leave to which the employee or teacher was entitled on the date of transfer. AN ACT relating to the Court of Justice.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

Section 1. KRS 26A.090 is amended to read as follows:

As used in KRS 26A.090 to 26A.115, unless the context otherwise requires:

- (1) "Operating costs allowance" means compensation equivalent to the annual expenses borne by the unit of government for utilities, janitorial service, rent, insurance, and necessary maintenance, repair, and upkeep of the court facility which do not increase the permanent value or expected life of the court facility, but keeps it in efficient operating condition, and, at the election of the Administrative Office of the Courts, capital costs of interior or mechanical renovations for the benefit of the court.
- (2) "Use allowance" means compensation equal to four percent (4%) annually of the total original capital costs and the cost of capitalized renovation of the court facility, except that if indebtedness has been incurred in respect to such capital costs at an interest rate equal to or greater than seven percent (7%), compensation shall be at a

rate of eight percent (8%) annually of that portion of the capital costs for which the rate applies. For refinanced projects constructed or renovated prior to July 1, 1994, the use allowance payment shall not change for the term of the original bond issue, unless there is a change in the space occupied. For court facilities renovated or constructed after July 1, 1994, "use allowance" means the court's proportional share of the annual principal and interest cost in connection with the renovation or construction, but not to exceed eight percent (8%) annually of capital costs, or, if there is no debt, four percent (4%) annually of capital costs. ***Beginning with court facility construction or renovation projects authorized by the 2000 Regular Session of the General Assembly, "use allowance" means the court's proportional share of the annual principal and interest costs in connection with the construction or renovation of the facility, not to exceed the authorized annual use allowance.***

- (3) "Capital costs" means the costs borne by the unit of government, excluding grants, conditioned by the grantor agency specifically for court facility construction or renovation, for acquisition of property and for construction and capitalized renovation including interest accruing during construction or renovation, but no other interest of each court facility. If capital costs are not documented, reasonable estimates provided by qualified appraisers will suffice. ***After the effective date of this Act, capital costs, for the purpose of computing the maximum annual use allowance, shall not exceed the project scope as authorized by the General Assembly in the judicial branch budget or as increased and approved under Section 4 of this Act.***
- (4) "Capitalized renovation" means all remodeling involving the structural or mechanical systems, except for remodeling that involves substantial demolition of the original structure. Remodeling involving substantial demolition of the original structure shall constitute construction resulting in a new court facility.
- (5) "Unit of government" means a county, city, urban-county government, special district, or corporate entity created for the purpose of constructing or holding title to a court facility.
- (6) "Court facility" means the land and buildings owned or operated by a unit of government in which space for the court of justice is provided. Judges' benches, jury and witness boxes, and fixed seating shall be considered as permanent building fixtures.
- (7) "Court facilities standards committee" means a committee consisting of the Chief Justice or his designee; one (1) judge each of the Court of Appeals, the Circuit Court, and the District Court appointed by the Supreme Court; the president of the Circuit Clerks' Association; the ~~chairmen~~~~chairman~~ of the ***House and Senate Judiciary***~~Civil~~ Committees of the General Assembly; the secretary of the Finance and Administration Cabinet; ***the director of the Administrative Office of the Courts***; and a county judge/executive appointed by the Governor. Each appointed member shall serve for a term of four (4) years from the date of his appointment or until he vacates the office in respect to which he was appointed, whichever is earlier.

The assessment shall consider the age, space adequacy, projected needs, structural soundness, mechanical and electrical systems, security needs, and interior and exterior quality of existing court facilities;*

Each county with a court project authorized by the 2000 General Assembly shall enter into a written memorandum of agreement with the Administrative Office of the Courts. The agreement shall be developed by the Administrative Office of the Courts, shall specify the rights, duties, and obligations of the local unit of government and the Administrative Office of the Courts relating to the project, and shall be contingent upon the project's authorization by the General Assembly.*
  - (4) *No contract, and no modification to any contract, relating to the design, financing, or construction of court facilities projects authorized by the General Assembly shall be executed unless first reviewed and approved by the Administrative Office of the Courts.*
  - (5) *All court facilities projects, beginning with those authorized by the 2000 General Assembly, shall comply with the Kentucky standards for court facilities established under paragraph (f) of subsection (1) of this section. No other standards shall be used.*

If the market rate for the bonds has increased when the bonds are to be sold, the director of the Administrative Office of the Courts may approve an extension in the bond term, up to a total of twenty-five (25) years, but only as necessary to keep the annual use allowance within the budgeted amount.   - (a) *The appropriate unit of government first submits a proposal for the increase to the Court Facilities Standards Committee, and the Court Facilities Standards Committee approves the increase;*
  - (b) *The annual use allowance for the project or project pool, adjusted for the proposed increase in scope, would not exceed the annual use allowance specified for that project or project pool in the multiyear use allowance schedule set out in the judicial branch budget bill or memorandum by more than fifteen percent (15%); and*
  - (c) *The requirements of Section 5 of this Act have been met.*

- (4) ***On or after the effective date of this plan, the employer shall pay to each eligible member in the retirement system who retires on or after that date and to each former member who retired before that date and his or her beneficiaries a supplemental pension benefit, equal to the amount by which the benefit that would have been payable under the retirement system, without regard to any provision therein incorporating the***

all funds of the system and shall have full power and responsibility for administering the funds. It is hereby declared that the restrictions and rights provided herein shall not be subject to reduction or impairment by alteration, amendment, or repeal. All the assets of the retirement system shall be credited according to the purpose for which they are held to one (1) of the following funds:

- (1) The expense fund shall consist of the funds set aside from year to year by the board of trustees to defray the expenses of the administration of the retirement system. Each fiscal year an amount not greater than four percent (4%) of the income earned from investments during the immediate past fiscal year shall be set aside into the expense fund or expended for the administration of the retirement system;
- (2) The teachers' savings fund shall consist of the contributions paid by members of the retirement system into this fund and regular interest assigned by the board of trustees from the guarantee fund. The accumulated contributions of a member returned to him upon his withdrawal or paid to his estate or designated beneficiary in the event of his death shall be paid from the teachers' savings fund. Any accumulated contributions forfeited by a failure of a teacher or his estate to claim these contributions shall be transferred from the teachers' savings fund to the guarantee fund. - (3) The state accumulation fund shall consist of funds appropriated by the state for the purpose of providing annuities, survivor benefits, and death benefits, including any sums appropriated for meeting unfunded liabilities, together with regular interest assigned by the board of trustees from the guarantee fund. At the time of retirement or death of a member there shall be transferred from the state accumulation fund to the allowance reserve fund an amount which together with the sum transferred from the teachers' savings fund will be sufficient to provide the member a retirement allowance and provide for benefits under KRS 161.520, 161.525, and 161.655;
- (4) The allowance reserve fund shall be the fund from which shall be paid all retirement allowances and benefits provided under KRS 161.520, 161.525, and 161.655. - (5) The medical insurance fund shall consist of amounts accumulated for the purpose of providing benefits as provided in KRS 161.675. One and five tenths percent (1.5%) of the gross annual payroll of all members shall be deposited to this fund. One-half (1/2) of this amount shall derive from member contributions and one-half (1/2) from a state appropriation. The board of trustees may allocate ~~up to a maximum of one and sixty five hundredths percent (1.65%) of~~ the three and twenty-five hundredths percent (3.25%) of the total salaries of active members that the state appropriates annually as provided under KRS 161.550. All claims for benefits under KRS 161.675 shall be paid from this fund. Any amounts not required to meet current costs shall be maintained as a reserve for these benefits; and
- (6) The guarantee fund shall be maintained to facilitate the crediting of uniform interest on the amounts of the other funds, except the expense fund, to finance operating expenses directly related to investment management services, and to provide a contingent fund out of which special requirements of any of the other funds may be covered. All income, interest, and dividends derived from the authorized deposits and investments shall be paid into the guarantee fund. Any funds received from gifts and bequests, which the board is hereby authorized to accept and expend without limitation in a manner either expressed by the donor or deemed to be in the best interest of the membership, shall be credited to the guarantee fund. Any funds transferred from the teachers' savings fund by reason of lack of claimant or because of a surplus in any fund and any other moneys whose disposition is not otherwise provided for, shall also be credited to the guarantee fund. The interest allowed by the board of trustees to each of the other funds shall be paid to these funds from the guarantee fund. Any deficit occurring in any fund that would not be automatically covered shall be met by the payments from the guarantee fund to that fund. The board of trustees may, at any time during a fiscal year, transfer from the guarantee fund to the medical insurance fund an amount not to exceed four percent (4%) of the income earned from investments during the immediate past year.
- (7) The school employee annuity fund shall consist of those funds voluntarily contributed under the provisions of section 403(b) of the Internal Revenue Code by a retired member of the Teachers' Retirement System with accounts that existed on or after July 1, 1996. The contributions shall not be picked up as provided in KRS 161.540(2). Separate member accounts shall be maintained for each member. The board of trustees may promulgate administrative regulations pursuant to KRS Chapter 13A to manage this program.

- (8) *The supplemental retirement benefit fund shall consist of those funds contributed by the member and the employer for the purpose of constituting a qualified government excess benefit plan as described in Section 415 of the Internal Revenue Code for accounts that existed on or after July 1, 1996. The board of trustees may promulgate administrative regulations pursuant to KRS Chapter 13A to administer this program.*
- (9) *The defined contribution fund shall consist of those funds contributed by retired members who have been approved by the retirement system for full-time reemployment in a position covered by the retirement system and contributions made by the employer for the purpose of providing separate retirement allowances for periods of reemployment. Separate member accounts shall be maintained for each member. The board of trustees may promulgate administrative regulations pursuant to KRS Chapter 13A to administer this program. The contributions shall not be picked up as provided in KRS 161.540(2).*

Section 9. KRS 161.500 is amended to read as follows:

- (1) At the close of each fiscal year, the retirement system shall add service credit to the account of each member who made contributions to his or her account during the year. Members shall be entitled to a full year of service credit if their total paid days were not less than one hundred eighty (180) days of a one hundred eighty-five (185) day contract for a regular school or fiscal year. In the event a member is paid for less than one hundred eighty (180) days, the member may purchase credit according to administrative regulations established by the board of trustees. In no case shall more than one (1) year of service be credited for all service performed in one (1) fiscal year. Members who complete their employment contract prior to the close of a fiscal year and elect to retire prior to the close of a fiscal year shall have their service credit reduced by eight percent (8%) for each calendar month that the retirement becomes effective prior to July 1.
- (2) Members who are employed and paid for less than the number of days required in their normal employment year shall be entitled to pro rata service credit for the fractional service. Such credit shall be based upon the number of days employed and the number of days in the member's annual employment agreement or normal employment year.
- (3) Service credit may not exceed the ratio between the school or fiscal year and the number of months or fraction of a month the member is employed during that year.
- (4) *No service credit shall be granted in the Teachers' Retirement System for service that has been or will be used in qualifying for annuity benefit payments from another retirement system financed wholly or in part by public funds.*

Section 10. KRS 161.507 is amended to read as follows:

- (1) An active contributing member of the Teachers' Retirement System may receive service credit for active service rendered in the uniformed services of the Armed Forces of the United States, including the commissioned corps of the Public Health Service, subject to the provisions of the Uniformed Services Employment and Reemployment Rights Act of 1994 and to administrative regulations promulgated by the board of trustees. Military service includes service in the uniformed services that occurs before the employment of a member in a position covered by the retirement system or where a member leaves covered employment without giving advance written or verbal notice of performing duty in the uniformed services. Service in the uniformed services also includes uniformed service that occurs after employment in a position covered by the retirement system where the member has given advance written or verbal notice of performing duty in the uniformed services and the member returns directly from uniformed services to covered employment. Military service may be credited only if discharge was honorable or was not terminated upon the occurrence of any of the events listed in 38 U.S.C. sec. 4304. Service shall be considered as Kentucky teaching service, except that service may not be used for meeting the service requirements set forth in KRS 161.600(1)(a) or 161.661(1) unless the service occurred after the member gave written or verbal notice of performing duty in the uniformed services and the member returned directly from uniformed services to covered employment. A maximum of six (6) years of military service may be credited, but in no case a greater number of years than the actual years of contributing service in Kentucky.
- (2) No credit shall be granted for military service which has been or will be used in qualifying for annuity benefit payments from another retirement system financed wholly or in part by public funds.
- (3) A member having twenty (20) years or more of active duty in the military service, and who is qualified for regular federal retirement benefits based on this military service, may not receive credit for any military service

in the Teachers' Retirement System. This subsection shall apply to service presented for credit on July 1, 1975, and after this date.

- (4) (a) A member receiving retirement credit for active duty in the armed services of the United States prior to employment in a position covered by the retirement system or where the member leaves covered employment without giving advance written or verbal notice of performing duty in the uniformed services shall contribute to the retirement system an amount equal to thirty-five percent (35%) of the actuarial cost for each year of service for which the member is receiving credit. Two percent (2%) of the thirty-five percent (35%) required payment shall be allocated to the medical insurance fund. These contributions shall not be picked up, as described in KRS 161.540(2). In purchasing retirement credit for active duty in the armed services, the latest years of service shall be considered first in allowing credit toward retirement. The board of trustees shall adopt a table of actuarial factors to be used in calculating the amount of contribution required for crediting this service.
- (b) If military service occurred after the member gave written or verbal notice of performing duty in the uniformed services and the member returns directly from uniformed services to covered employment, the member shall contribute the regular member contribution required by KRS 161.540. The member may make the payment of delayed contributions in a lump sum payment or in installments not to exceed five (5) years beginning with the member's date of reemployment. Interest at the rate of eight percent (8%) per annum shall be charged for delayed contributions beginning with the member's date of reemployment until paid.
- (5) An active contributing member of the Teachers' Retirement System may receive service credit for service in the military reserves of the United States or the National Guard. The member may purchase one (1) month of service for each six (6) months of service in the reserves or the National Guard. The member shall pay the full actuarial cost of ~~this [the]~~ service in the military reserves or the National Guard **as provided in subsection (22) of Section 5 of this Act**. Service in the military reserves or the National Guard shall be treated as service earned prior to participation in the system and shall not be used for meeting the service requirements set forth in KRS 161.600(1)(a) or 161.661(1). The payment shall not be picked up by the employer, as described in KRS 161.540(2).

On or after August 1, 1998, a member of the Teachers' Retirement System in active contributing status who has a minimum of twenty (20) years of service credit may purchase up to a maximum of five (5) years of service credit that is not otherwise purchasable under any of the provisions of KRS 161.230 to 161.716 and that meets the definition of nonqualified service as provided in Section 1526 of the Federal Taxpayer Relief Act of 1997. The member shall pay the full actuarial cost of the service credit as **provided in subsection (22) of Section 5 of this Act** ~~determined by the Teachers' Retirement System~~. The payment shall not be picked up by the employer as described in KRS 161.540(2), and the member's payment shall be credited to the member's contribution account and shall be considered accumulated contributions of the member. Section 15. KRS 161.595 is amended to read as follows:

- (1) Upon service retirement, a member of the Teachers' Retirement System may obtain credit for all or any part of the service otherwise creditable under the Kentucky Employees Retirement System, the County Employees Retirement System, or in the service of the United States government for which service credit is not otherwise given, upon the payment by the member of ***the full actuarial cost of the service credit purchased as defined in subsection (22) of Section 5 of this Act***~~[such amount or amounts as are actuarially determined to be equal to the increased liability of the Teachers' Retirement System by virtue of such additional service credit.]~~ Such payments shall not be picked up, as described in KRS 161.540(2).
- (2) The amount paid under this section shall be considered as accumulated contributions of the individual member.
- (3) No person shall be allowed credit for the same period of service in more than one (1) of these three (3) retirement systems.

Section 16. KRS 161.605 is amended to read as follows:

- (1) Retired members may perform substitute teaching in the public schools for the equivalent of one hundred (100) days in any one (1) school year and receive compensation based on a standard salary schedule adopted by a district for all substitute teachers without reduction in retirement annuities.
- (2) A retired member may be employed as a part-time or temporary teacher in the public schools for a period not to exceed the equivalent of one hundred (100) days in any one (1) school year.
- (3) Retired members may be employed part-time or temporarily in a nonteaching capacity in the public schools and receive compensation for this employment without reduction in retirement annuities, except that retired members may not be employed in excess of a one hundred (100) day period in any one (1) school year in the same position from which they retired, or a position substantially similar to the one from which they retired, or any position listed in KRS 161.220(4) which requires membership in the retirement system. Positions which generally require certification or graduation from a four (4) year college or university as a condition of employment which are created, or changed to remove the position from coverage under KRS 161.220(4) are also subject to the one hundred (100) day limitation in this subsection. The board of trustees shall determine if employment in a nonteaching position qualifies for an exemption under this subsection.
- (4) Members retired from an agency listed in KRS 161.220(4)(b) may be employed in a part-time teaching capacity by one (1) of the universities participating in the Teachers' Retirement System, not to exceed the equivalent of twelve (12) teaching hours in any one (1) fiscal year.
- (5) Calculation of the number of days for part-time teaching, substitute teaching, or part-time employment in a nonteaching capacity under this section shall not exceed the ratio between a school year and the actual months of retirement for the member during that school year. The board of trustees by administrative regulation may establish fractional equivalents of a day of teaching service.

- (6) When a retired member returns to employment as a part-time teacher or in a nonteaching capacity as provided in subsections (2), (3), and (4) of this section, the employer shall contribute annually to the retirement system on the compensation paid to the retired member at rates determined by the retirement system actuary that reflect accrued liability for nonuniversity and university members.
- (7) *The board of trustees shall provide for reemployment of retired members as full-time teachers or in a nonteaching capacity under the following conditions:*
  - (a) *A retired teacher or administrator may return to full-time teaching in a position that has been determined by the commissioner of education to be a critical shortage area as defined in Section 3 of this Act and for which the person is certified. When the commissioner of education certifies to the retirement system that qualified applicants are not available to fill teaching or administrative positions in critical academic subject areas, grade levels, or geographic areas, local school districts may employ, as full-time employees, during a school fiscal year, up to a maximum of two (2) retired members, or one percent (1%) of the total active members of the retirement system in a school district, whichever is greater. Retired members who are reemployed in a full-time position covered by the retirement system shall be rehired on a one (1) year contract in a district other than the one from which they retired following an absence of at least three (3) months or in the same district from which they retired following an absence of at least one (1) year.*
  - (b) *Retired members reemployed under this section shall remain eligible to receive their retirement annuity.*
  - (c) *Retired members reemployed under this subsection shall waive their health insurance coverage with the retirement system during the period of reemployment and receive health insurance coverage that is provided to regular full-time employees of the district.*
  - (d) *Local school districts shall make annual payments to the retirement system on the compensation paid to the reemployed retirees at rates determined by the retirement system's actuary that reflect accrued liability for nonuniversity members.*
  - (e) *Retirees who are reemployed under this provision shall make retirement contributions to the retirement system at rates specified under KRS 161.540 and the employer shall make contributions to the retirement system at rates specified under KRS 161.550. The member's entire contribution and a matching amount from the employer's contribution shall be placed in a separate defined contribution fund administered by the retirement system, with annual interest applied at the actuarially assumed rate. When the retiree's reemployment terminates, the total contributions with interest will be paid in a lump sum or on a monthly straight life basis to the retiree. If the member dies before retiring, the designated beneficiary shall receive a refund, and if there is a remaining balance at the death of the member after retirement, it shall be paid to the beneficiary designated by the member for this benefit.*
  - (f) *The provisions pertaining to the reemployment of retired members as full-time employees shall be granted by the board of trustees when it is deemed necessary to assist school districts in filling teaching or nonteaching positions in critical academic or geographic areas and when doing so would not create a significant negative impact on the funding status of the retirement system. The provisions of this subsection are optional with the board of trustees and shall not be covered under KRS 161.714.*

Section 17. KRS 161.607 is amended to read as follows:

- (1) Any member of the Teachers' Retirement System who enters employment covered by the Kentucky Employees Retirement System, the State Police Retirement System, or the County Employees Retirement System, prior to July 1, 1976, may retain membership in the Teachers' Retirement System instead of joining the new system.
- (2) Retention of membership in the Teachers' Retirement System by any member of the General Assembly who upon election is a contributing member of the Teachers' Retirement System shall be effected by conforming with KRS 61.680(4)(c). Members of the General Assembly who retain membership shall make retirement contributions based upon their annual compensation as defined under KRS 161.220 or on their creditable compensation as defined under KRS 61.510, whichever is the larger amount. Service as a member of the General Assembly may be used to meet the service requirements of KRS 61.680(2)(a) ~~and 161.510~~ regardless of the system to which contributions are made by the member.

- (3) Any member of the Teachers' Retirement System entering employment as described in subsection (1) of this section must exercise the option within ninety (90) days of the beginning of such employment.
- (4) Persons who enter service covered by the Teachers' Retirement System prior to July 1, 1976, and who hold membership in a Kentucky retirement system financed in whole or part with public funds may retain membership in that system providing the statutes and regulations governing said system make continued membership possible.
- (5) Any person who has elected an option provided in this section may cancel such election and gain membership in the system which normally covers the position in which currently employed, provided that such cancellation of option election must be completed prior to January 1, 1977.

Section 18. KRS 161.620 is amended to read as follows:

- (1) The retirement allowance, in the form of a life annuity with refundable balance, of a member retiring for service shall be calculated as follows:
  - (a) For retirements effective July 1, 1998, and thereafter, the annual allowance for each year of service shall be two percent (2%) of the final average salary for service performed prior to July 1, 1983, and two and one-half percent (2.5%) of the final average salary for service performed after July 1, 1983, for all members not employed by a state college or university. The annual retirement allowance for each year of service performed at state colleges or universities that participate in the Teachers' Retirement System shall be two percent (2%) of the final average salary. Actuarial discounts due to age or service credit at retirement may be applied as provided in this section; and
  - (b) The retirement allowance of a member at retirement shall not exceed the member's last annual compensation or the member's final average salary, whichever is the greater amount.
- (2) Effective July 1, 1990, and annually on July 1 thereafter, the retirement allowance of each retired member and of each beneficiary of a retirement option who has been retired at least ten (10) months shall be increased in the amount of one and one-half percent (1.5%).
- (3) Any member qualifying for retirement under a life annuity with refundable balance shall be entitled to receive an annual allowance amounting to not less than **three hundred twenty-five dollars (\$325) effective July 1, 2000, and three hundred thirty-five dollars (\$335) effective July 1, 2001**~~three hundred dollars (\$300) effective July 1, 1998, and not less than three hundred ten dollars (\$310) effective July 1, 1999~~, multiplied by the service credit years of the member. These minimums shall apply to the retired members receiving annuity payments and to those members retiring on or subsequent to the effective dates listed in this subsection.
- (4) The minimum retirement allowance provided in this section shall apply in the case of members retired or retiring under an option other than a life annuity with refundable balance in the same proportion to the benefits of the member and his beneficiary or beneficiaries as provided in the duly-adopted option tables at the time of the member's retirement.
- (5) Effective July 1, ~~2000~~~~1998~~, the monthly allowance of each member retired for at least one (1) year, and each recipient of a retirement option of the retired member shall be increased in an amount not to exceed **eight-tenths of one percent (0.8%)**~~one and one-half percent (1.5%)~~ of the monthly allowance in effect the previous month. The level of increase provided for in this subsection shall be determined by the funding provided in the **2000-2002**~~1998-2000~~ biennium budget appropriation.
- (6) Effective July 1, ~~2001~~~~1999~~, the monthly allowance of each member retired for at least one (1) year, and each recipient of a retirement option of the retired member shall be increased in an amount not to exceed **one percent (1.0%)**~~one and one-half percent (1.5%)~~ of the monthly allowance in effect the previous month. The level of increase provided for in this subsection shall be determined by the funding provided in the **2000-2002**~~1998-2000~~ biennium budget appropriation.
- (7) Effective July 1, 1990, monthly payments of two hundred dollars (\$200) shall be payable for the benefit of an adult child of a member retired for service when the child's mental or physical condition is sufficient to cause dependency on the member at the time of retirement. Eligibility for this payment shall continue for the life of the child or until the time the mental or physical condition creating the dependency no longer exists or the child marries. Benefits under this subsection shall apply to legally adopted survivors provided the proceedings for the adoption were initiated at least one (1) year prior to the death of the member. The board of trustees shall be the sole judge of eligibility or dependency and may require formal application or information relating thereto.

- (8) Members of the Teachers' Retirement System shall be subject to the annuity income limitations imposed by Section 415 of the Internal Revenue Service Code as enacted in 1988.
- (9) Compensation in excess of the limitations imposed by Section 401(a)(17) of the Internal Revenue Code shall *not be used in determining a member's regular retirement annuity but shall be used in determining retirement allowance payments under the supplemental retirement plan of the retirement system which is intended to constitute a qualified governmental excess benefit plan as provided in Section 415 of the Internal Revenue Code*~~[be disregarded]~~. The limitation on compensation for eligible members shall not be less than the amount which was allowed to be taken into account by the retirement system in effect on July 1, 1993. For this purpose, an eligible member is an individual who was a member of the retirement system before the first plan year beginning after December 31, 1995.

Section 19. KRS 161.623 is amended to read as follows:

- (1) Effective July 1, 1982, and thereafter, a district board of education or other employer of members of the Teachers' Retirement System may compensate, at the time of retirement for service, an active teacher for unused sick-leave days in accordance with this section.
- (2) Upon the member's application for service retirement, the employer shall certify the retiring member's unused accumulated sick-leave balance to the board of trustees of the Kentucky Teachers' Retirement System. The member's sick-leave balance, expressed in days, shall be divided by one hundred eighty-five (185) days to determine the amount of service credit that may be considered for addition to the member's retirement account for the purpose of determining the retirement allowance under KRS 161.620. Such sick-leave credit shall not be used for the purpose of determining whether the member is eligible to receive a retirement allowance under KRS 161.600.
- (3) The board shall compute the cost to the retirement system of the sick-leave credit for each retiring member and shall bill the last employer of the retiring member for such cost. The employer shall pay the cost of such service credit to the retirement system within fifteen (15) days after receiving notification of the cost from the board.
- (4) Retiring members who receive service credit under this section shall not be eligible to receive compensation for accrued sick leave under KRS 161.155(9) or any other statutory provision.
- (5) Employer participation is optional and the employer may opt to purchase less service credit than the member is eligible to receive provided the same percentage of reduction is made applicable to all retiring members of the employer during a school fiscal year.
- (6) The board of trustees shall formulate and adopt necessary rules and regulations for the administration of the foregoing provisions.
- (7) *Payments to the retirement system for service credit obtained under this section or for compensation credit obtained under KRS 161.155(9) shall be based on the full actuarial cost as defined in subsection (22) of Section 5 of this Act.*

Section 20. KRS 161.655 is amended to read as follows:

- (1) Effective July 1, 2000~~[1998]~~, *the Teachers' Retirement System shall provide a life insurance benefit in a minimum amount of five thousand dollars (\$5,000) for its members who are retired for service or disability. This life insurance policy shall be payable* upon the death of an active contributing member~~[, a death benefit of two thousand dollars (\$2,000) shall be paid]~~ to the member's estate or to a party designated by the member on a form prescribed by the retirement system. Application for *payment of life insurance proceeds*~~[the death benefit]~~ shall be made to the Teachers' Retirement System together with acceptable evidence of death and eligibility. The reciprocal provisions of KRS 61.680(2)(a) shall not apply to the *coverage and payment of proceeds by the life insurance benefit*~~[payment of death benefits]~~ under this section.
- (2) Suit or civil action shall not be required for the collection of the *proceeds of the life insurance*~~[death]~~ benefit provided for by this section, but nothing in this section shall prevent the maintenance of suit or civil action against the beneficiary or legal representative receiving the *proceeds of the life insurance*~~[death]~~ benefit.

Section 21. KRS 161.675 is amended to read as follows:

- (1) *The board of trustees shall arrange by appropriate contract or on a self-insured basis to provide a broad program of group hospital and medical insurance for present and future eligible recipients of a retirement allowance from the Teachers' Retirement System. The board of trustees may also arrange to provide health insurance coverage by health maintenance organizations as defined in KRS 18A.225 as an alternative to group hospital and medical insurance for persons eligible for hospital and medical benefits under this section. The board of trustees may authorize present and future eligible recipients of a retirement allowance from the Teachers' Retirement System who are less than age sixty-five (65), to be included in the state-sponsored health insurance that is provided to active teachers and state employees under KRS 18A.225.*~~(a) — The board of trustees shall enter into contracts with insurance carriers or other health care providers for the purpose of providing a program of hospital and medical insurance coverage to members who are age sixty-five (65) or older and retired for service.~~
  - ~~(b) — The board of trustees may enter into contracts with insurance carriers or other health providers for the purpose of providing a broad program of hospital and medical insurance coverage to members below age sixty five (65) who are retired for service or disability and to the surviving spouse of deceased members who are eligible to receive the member's retirement benefits as provided in KRS 161.525.~~
  - ~~(c) — The board of trustees may offer, on a cost basis, coverage of spouses and dependents not eligible for regular coverage.~~
- (2) The coverage provided shall be as set forth in the contracts and the administrative regulations of the board of trustees. The board of trustees may change the levels of coverage *and eligibility conditions* to meet the changing needs of the annuitants and when necessary to contain the expenses of the insurance program within the funds available to finance the insurance program. The contracts and administrative regulations shall provide for, but not be limited to, hospital room and board, surgical procedures, doctors' care in the hospital, and miscellaneous hospital costs. A retiree whose effective date of retirement is July 1, 1974, and thereafter, must have a minimum of five (5) years creditable Kentucky service in the Teachers' Retirement System or of combined service in the Kentucky Employees Retirement System, of which at least two (2) years was creditable service under KRS ~~161.510 and~~ 161.607(2), to qualify for the coverage. The board of trustees shall offer coverage to the disabled child of a retired member regardless of the disabled child's age if the retired member pays the entire premium for the disabled child's coverage. A child shall be considered disabled if he has been determined to be eligible for federal Social Security disability benefits.
- (3) *All expenses for benefits under this section shall be paid from the funding provisions contained in subsection (5) of Section 8 of this Act, premium charges received from the annuitants and the spouses, and from funds that may be appropriated or allocated by statute.*
- (4)
  - (a) *The board of trustees shall determine the amount of health insurance supplement payments that the Teachers' Retirement System will provide to assist eligible recipients of a retirement allowance in paying the cost of their health insurance, based on the funds available in the medical insurance fund. The board of trustees shall establish the maximum monthly amounts of health insurance supplement payments that will be made by the retirement system for eligible recipients of a retirement allowance. The board of trustees shall annually establish the percentage of the maximum monthly health insurance supplement payment that will be made, based on age and years of service credit of eligible recipients of a retirement allowance. Monthly health insurance supplement payments made by the retirement system may not exceed the amount of the single coverage insurance premium chosen by the eligible recipients of a retirement allowance. In order to qualify for health insurance supplements made by the retirement system, the recipient of a supplement payment must agree to pay the difference between the insurance premium and the applicable supplement payment, by payroll deduction from his retirement allowance, or by a payment method approved by the retirement system.*
  - (b) *The board of trustees may offer, on a full-cost basis, health care insurance coverage provided by the retirement system to spouses and dependents of eligible retirees not eligible for regular coverage. Recipients of a retirement allowance from the retirement system must agree to pay the cost of this coverage by payroll deduction from their retirement allowance or by a payment method approved by the retirement system.*
  - (c) *The board of trustees shall offer, on a full-cost basis, health insurance coverage provided by the retirement system to the disabled child of a retired member, regardless of the age of the disabled*

- (5) The board of trustees is empowered to require the annuitant and the annuitant's spouse to pay a premium charge to assist in the financing of the hospital and medical insurance program. The board of trustees is empowered to pay the expenses for insurance coverage from the medical insurance fund, from the premium charges received from the annuitants and the spouses, and from funds that may be appropriated or allocated by statute. The board may provide insurance coverage by making payment to insurance carriers including health insurance plans that are available to active and retired state employees and active teachers, institutions, and individuals for services performed, or the board of trustees may elect to provide insurance on a "self-insurance" basis or a combination of these provisions.
- (6) *The board of trustees may approve health insurance supplement payments to eligible retirees or recipients who are less than sixty-five (65) years of age, as reimbursement for hospital and medical insurance premiums made by retirees for their individual coverage. Eligible retirees or recipients are those retirees or recipients who are not eligible for Medicare and who do not reside in Kentucky or in an area outside of Kentucky where comparable coverage is available. The reimbursement payments shall not exceed the minimum supplement payment that would have been made had the retiree lived in Kentucky. Eligible retirees or recipients shall submit proof of payment to the retirement system for hospital and medical insurance that they have obtained. Reimbursement payments shall be made on a quarterly basis.*
- ~~(7)(4)~~ Contracts negotiated may include the provision that a stated amount of hospital cost or period of hospitalization shall incur no obligation on the part of the insurance carrier or the retirement system.
- ~~(8)(5)~~ The board of trustees is empowered to promulgate administrative regulations to assure efficient operation of the hospital and medical insurance program.
- ~~(9)(6)~~ Premiums paid for hospital and medical insurance coverage procured under authority of this section shall be exempt from any premium tax which might otherwise be required under KRS Chapter 136. ### **(HB 756)**

AN ACT relating to special wastes.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

Section 1. KRS 224.50-760 is amended to read as follows:

- (1) (a) For purposes of this section and KRS 224.46-580(7), special wastes are those wastes of high volume and low hazard which include but are not limited to mining wastes, utility wastes (fly ash, bottom ash, scrubber sludge), sludge from water treatment facilities and wastewater treatment facilities, cement kiln dust, gas and oil drilling muds, and oil production brines. Other wastes may be designated special wastes by the cabinet;
- (b) Disposal sites or facilities for special wastes shall be exempt from the provisions of KRS 224.46-520 and the provisions of KRS 224.43-810, 224.43-815, and 224.46-820 to 224.46-870 but may be regulated by the cabinet consistent with the Resource Conservation and Recovery Act of 1976, as amended (Public Law 94-580), and regulations issued pursuant thereto, unless the special waste received is listed or meets the criteria of a hazardous waste in regulations pursuant to KRS 224.46-510(3). If the special waste is a hazardous waste as specified in regulations pursuant to KRS 224.46-510(3), the site or facility shall be required by the cabinet to comply with the provisions of KRS 224.46-520 but shall not be subject to the requirements of KRS 224.40-310(6);

- (c) Generators of special wastes shall register with the cabinet and be subject to the provisions of KRS 224.46-510, except for generators of coal mining wastes which shall be regulated pursuant to the provisions of KRS Chapter 350;
  - (d) The cabinet shall, when promulgating regulations affecting special waste, recognize special waste as a separate and distinct indivisible category and shall recognize the distinct differences between the category of special wastes and other hazardous wastes and solid wastes as defined in KRS 224.01-010(31)(a) and KRS 109.012(9) due to the fact that special wastes have large volume but low hazardousness. The cabinet's regulations for the generation, transport, recordkeeping, reporting, treatment, storage, and disposal shall reflect those distinct differences. The cabinet's regulations shall recognize and incorporate, where appropriate, and if consistent with the policies of KRS 224.46-510 to 224.46-570, any deadline extensions, studies, and specialized requirements for specific kinds of special wastes that are or may be undertaken at the federal or other levels of government; and
  - (e) It is the intent of the General Assembly that the processing of sludge from water treatment facilities and wastewater treatment facilities by composting shall be considered an industrial process. The cabinet shall, when promulgating administrative regulations affecting sludge from water treatment facilities and wastewater treatment facilities, consider the treatment of this sludge by composting as an industrial process. The provisions of this paragraph and subsection (3) of this section shall not apply to a city, county, urban-county government, charter county government, or special district as defined in KRS Chapter 65, *or to a public or private college or university* that processes its own water treatment or wastewater treatment sludge by composting on property owned or leased by the city, county, urban-county government, charter county government, ~~or~~ special district, *or public or private college or university*.
- (2) Generators of waste oil shall be exempt from the provisions of KRS 224.46-510 and 224.46-520 so long as waste oil is not specified as a hazardous waste in regulations pursuant to KRS 224.46-510(3) but may be regulated by the cabinet consistent with the Resource Conservation and Recovery Act of 1976, as amended (Public Law 94-580), and regulations issued pursuant thereto.
  - (3) A permit application to establish, operate, or modify a composting site or composting facility for the processing of water treatment sludge or wastewater treatment sludge, shall require immediately the general public notice provided for in KRS 224.40-310(4) and (5). If a hearing is requested, no permit to establish, operate, or modify a composting site or facility shall be issued prior to the public hearing. The hearing shall be held within the county where the composting site or facility is located or proposed. Composting of this sludge shall be considered an industrial process.

**CHAPTER 503****(HB 822)**

AN ACT relating to taxpayer information.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

Section 1. KRS 131.081 is amended to read as follows:

The following rules, principles, or requirements shall apply in the administration of all taxes subject to the jurisdiction of the Revenue Cabinet.

- (1) The cabinet shall develop and implement a Kentucky tax education and information program directed at new taxpayers, taxpayer and industry groups, and cabinet employees to enhance the understanding of and compliance with Kentucky tax laws, including the application of new tax legislation to taxpayer activities and areas of recurrent taxpayer noncompliance or inconsistency of administration.
- (2) The cabinet shall publish brief statements in simple and nontechnical language which explain procedures, remedies, and the rights and obligations of taxpayers and the cabinet. These statements shall be provided to taxpayers with the initial notice of audit; each original notice of tax due; each denial or reduction of a refund or credit claimed by a taxpayer; each denial, cancellation, or revocation of any license, permit, or other required authorization applied for or held by a taxpayer; and, if practical and appropriate, in informational publications by the cabinet distributed to the public.
- (3) Taxpayers shall have the right to be assisted or represented by an attorney, accountant, or other person in any conference, hearing, or other matter before the cabinet. The taxpayer shall be informed of this right prior to conduct of any conference or hearing.
- (4) The cabinet shall perform audits and conduct conferences and hearings only at reasonable times and places.
- (5) Taxpayers shall have the right to make audio recordings of any conference with or hearing by the cabinet. The cabinet may make similar audio recordings only if prior written notice is given to the taxpayer. The taxpayer shall be entitled to a copy of this cabinet recording or a transcript as provided in KRS 61.874.
- (6) If any taxpayer's failure to submit a timely return or payment to the cabinet is due to the taxpayer's reasonable reliance on written advice from the cabinet, the taxpayer shall be relieved of any penalty or interest with respect thereto provided the taxpayer requested the advice in writing from the cabinet and the specific facts and circumstances of the activity or transaction were fully described in the taxpayer's request, the cabinet did not subsequently rescind or modify the advice in writing and there were no subsequent changes in applicable laws or regulations or a final decision of a court which rendered the cabinet's earlier written advice no longer valid.
- (7) Taxpayers shall have the right to receive a copy of any audit of the cabinet by the Auditor of Public Accounts relating to the cabinet's compliance with the provisions of KRS 131.041 to 131.081.
- (8) The cabinet shall include with each notice of tax due a clear and concise description of the basis and amount of any tax, penalty, and interest assessed against the taxpayer, and copies of the agent's audit workpapers and the agent's written narrative setting forth the grounds upon which the assessment is made. Taxpayers shall be similarly notified regarding the denial or reduction of any refund or credit claim filed by a taxpayer.
- (9) Taxpayers shall have the right to an installment payment agreement for the payment of delinquent taxes, penalties, and interest owed provided the taxpayer requests the agreement in writing clearly demonstrating his inability to pay in full and that the agreement will facilitate collection by the cabinet of the amounts owed. The cabinet may modify or terminate an installment payment agreement if it determines the taxpayer has not complied with the terms of the agreement; the taxpayers' financial condition has sufficiently changed; the taxpayer fails to provide any requested financial condition update information; the taxpayer gave false or misleading information in securing the agreement; or the taxpayer fails to timely report and pay any other tax due the Commonwealth. The cabinet shall give written notice to the taxpayer at least thirty (30) days prior to modifying or terminating an installment payment agreement unless the cabinet has reason to believe that collection of the amounts owed will be jeopardized in whole or in part by delay.
- (10) The cabinet shall not knowingly authorize, require, or conduct any investigation or surveillance of any person for nontax administration related purposes, except internal security related investigations involving Revenue Cabinet personnel.

- (11) In addition to the circumstances under which an extension of time for filing reports or returns may be granted pursuant to KRS 131.170, taxpayers shall be entitled to the same extension of the due date of any comparable Kentucky tax report or return for which the taxpayer has secured a written extension from the Internal Revenue Service provided the taxpayer notifies the cabinet in writing and provides a copy of the extension at the time and in the manner which the cabinet may require.
- (12) The cabinet shall bear the cost or, if paid by the taxpayer, reimburse the taxpayer for recording or bank charges as the direct result of any erroneous lien or levy by the cabinet, provided the erroneous lien or levy was caused by cabinet error and, prior to issuance of the erroneous lien or levy, the taxpayer timely responded to all contacts by the cabinet and provided information or documentation sufficient to establish his or her position. When the cabinet releases any erroneous lien or levy, notice of the fact shall be mailed to the taxpayer and, if requested by the taxpayer, a copy of the release, together with an explanation, shall be mailed to the major credit reporting companies located in the county where it was filed.
- (13) The cabinet shall not evaluate individual officers or employees on the basis of taxes assessed or collected or impose or suggest tax assessment or collection quotas or goals.
- (14) Taxpayers shall have the right to bring an action for damages against the Commonwealth to the Board of Claims for actual and direct monetary damages sustained by the taxpayer as a result of willful, reckless, and intentional disregard by cabinet employees of the rights of taxpayers as set out in KRS 131.041 to 131.081 or in the tax laws administered by the cabinet. In the awarding of damages pursuant to this subsection, the board shall take into consideration the negligence or omissions, if any, on the part of the taxpayer which contributed to the damages. If any proceeding brought by a taxpayer is ruled frivolous by the board, the cabinet shall be reimbursed by the taxpayer for its costs in defending the action.
- (15) Taxpayers shall have the right to privacy with regard to the information provided on their Kentucky tax returns and reports, including any attached information or documents. Except as provided *in Section 2 of this Act* ~~by KRS 131.190~~, no information pertaining to the returns, reports, or the affairs of a person's business shall be divulged by the cabinet to any person *or be intentionally and without authorization inspected by any present or former secretary or employee of the Revenue Cabinet, member of a county board of assessment appeals, property valuation administrator or employee, or any other person.*

This prohibition does not extend to information required in prosecutions for making false reports or returns of property for taxation, or any other infraction of the tax laws, nor does it extend to any matter properly entered upon any assessment record, or in any way made a matter of public record, nor does it preclude furnishing any taxpayer or his properly authorized agent with information respecting his own return. This information shall be provided to the owner on a confidential basis, and the owner shall be subject to the penalties provided in *Section 3(2) of this Act* ~~KRS 131.990(2)~~. The third-party filer shall be given prior notice of any disclosure of information to the owner that was provided by the third-party filer.
- (2) The secretary shall make available any information for official use only and on a confidential basis to the proper officer, agency, board or commission of this state, any Kentucky county, any Kentucky city, any other state, or the federal government, under reciprocal agreements whereby the cabinet shall receive similar or useful information in return.

Section 3. KRS 131.990 is amended to read as follows:

- (1) Any person who fails or refuses to obey a subpoena or order of the Kentucky Board of Tax Appeals made pursuant to KRS Chapter 13B shall be fined not less than twenty-five dollars (\$25) nor more than five hundred dollars (\$500).

SECTION 9. A NEW SECTION OF KRS 278.010 to 278.450 IS CREATED TO READ AS FOLLOWS:

*The provisions of Sections 2 to 10 of this Act shall not apply to telecommunications utilities, telecommunications services, nonprofit water or sewer utilities, or water districts. Utilities organized under KRS Chapter 279 shall be exempt from Section 8 of this Act.*

  - (b) *Contain, if appropriate, documentation regarding the costs and benefits of compliance with the provisions of Sections 2 to 8 of this Act.*
- (3) *The commission shall grant a waiver or deviation if the commission finds that compliance with the provisions of Sections 2 to 8 of this Act is impracticable or unreasonable. The findings of the commission shall be a final appealable order.*

Section 11. The General Assembly finds that regulated telecommunication providers have expanded into unregulated lines of business, such as the provision of internet and cable television service, which may give them an unfair advantage over existing and new entrants. The General Assembly further finds that it is the intent of KRS 278.514 to grant the Public Service Commission the statutory authority to prohibit subsidization of nonregulated telecommunication services by regulated telecommunications providers. Currently, telecommunications providers are subject to cost allocation and affiliate transaction rules promulgated by the Federal Communications Commission (FCC) that govern accounting standards and pricing relationships between the regulated utility and unregulated programs or affiliates. However, passage of the 1996 Telecommunications Act is making the telecommunications industry more competitive, and formerly regulated telecommunications providers may be subject to new federal rules regarding cost allocation and affiliate transactions.

Section 12. The Special Subcommittee on Energy is directed to study whether an additional statutory remedy is necessary to prevent cross-subsidization of nonregulated telecommunication services, with a particular emphasis on internet service, provided by regulated telecommunications utilities or their affiliates. The Special Subcommittee on Energy shall also determine if regulated telecommunications providers have an undue advantage in the provision of nonregulated services such as internet. The Special Subcommittee shall identify existing federal and state laws, rules and regulations that govern cost allocation, affiliate transaction rules, and a code of conduct between regulated utilities and their nonregulated programs or affiliates. The Special Subcommittee shall also take into account the cost of enforcing and the additional statutory authority that may be required to allow the Public Service Commission to

prevent cross-subsidization while maintaining a level playing field between all providers of unregulated telecommunications services.

Section 13. The Special Subcommittee shall submit a final report that shall include findings and recommendations to the Legislative Research Commission no later than November 15, 2001.

Section 14. Provisions of this bill to the contrary notwithstanding, the Legislative Research Commission shall have the authority to alternatively assign the issues identified in Section 11 to 13 of this Act to an interim joint committee or subcommittee thereof, and to designate a study completion date.

As used in this chapter, unless the context otherwise requires:

- (1) "Injury" means any work-related traumatic event or series of traumatic events, including cumulative trauma, arising out of and in the course of employment which is the proximate cause producing a harmful change in the human organism evidenced by objective medical findings. "Injury" does not include the effects of the natural aging process, and does not include any communicable disease unless the risk of contracting the disease is increased by the nature of the employment. "Injury" when used generally, unless the context indicates otherwise, shall include an occupational disease and damage to a prosthetic appliance, but shall not include a psychological, psychiatric, or stress-related change in the human organism, unless it is a direct result of a physical injury.
- (2) "Occupational disease" means a disease arising out of and in the course of the employment.
- (3) An occupational disease as defined in this chapter shall be deemed to arise out of the employment if there is apparent to the rational mind, upon consideration of all the circumstances, a causal connection between the conditions under which the work is performed and the occupational disease, and which can be seen to have followed as a natural incident to the work as a result of the exposure occasioned by the nature of the employment and which can be fairly traced to the employment as the proximate cause. The occupational disease shall be incidental to the character of the business and not independent of the relationship of employer and employee. An occupational disease need not have been foreseen or expected but, after its contraction, it must appear to be related to a risk connected with the employment and to have flowed from that source as a rational consequence.
- (4) "Injurious exposure" shall mean that exposure to occupational hazard which would, independently of any other cause whatsoever, produce or cause the disease for which the claim is made.
- (5) "Death" means death resulting from an injury or occupational disease.
- (6) "Carrier" means any insurer, or legal representative thereof, authorized to insure the liability of employers under this chapter and includes a self-insurer.
- (7) "Self-insurer" is an employer who has been authorized under the provisions of this chapter to carry his own liability on his employees covered by this chapter.
- (8) "Department" means the Department of Workers' Claims in the Labor Cabinet.
- (9) "Commissioner" means the commissioner of the Department of Workers' Claims.
- (10) "Board" means the Workers' Compensation Board.
- (11)
  - (a) "Temporary total disability" means the condition of an employee who has not reached maximum medical improvement from an injury and has not reached a level of improvement that would permit a return to employment;
  - (b) "Permanent partial disability" means the condition of an employee who, due to an injury, has a permanent disability rating but retains the ability to work; and
  - (c) "Permanent total disability" means the condition of an employee who, due to an injury, has a permanent disability rating and has a complete and permanent inability to perform any type of work as a result of an injury, except that total disability shall be irrebuttably presumed to exist for an injury that results in:
    1. Total and permanent loss of sight in both eyes;
    2. Loss of both feet at or above the ankle;
    3. Loss of both hands at or above the wrist;

4. Loss of one (1) foot at or above the ankle and the loss of one (1) hand at or above the wrist;
  5. Permanent and complete paralysis of both arms, both legs, or one (1) arm and one (1) leg;
  6. Incurable insanity or imbecility; or
  7. Total loss of hearing.
- (12) "Income benefits" means payments made under the provisions of this chapter to the disabled worker or his dependents in case of death, excluding medical and related benefits.

The cost for coverage calculated under this paragraph by insurance companies that issue only deductible insurance policies in Kentucky shall be actuarially adequate to cover the entire liability of the employer for compensation under this chapter, including all expenses and allowances normally used to calculate the cost for coverage. For policies with provisions for deductibles with effective dates of May 6, 1993, through December 31, 1993, for which the insurance company did not report premiums and remit special fund assessments based on the calculated cost for coverage prior to the reduction for deductibles, "premium" includes the initial consideration plus any reimbursements invoiced for losses, expenses, or fees charged under the deductibles.

- (28) "Premium" for each employer carrying his own risk pursuant to KRS 342.340(1) shall be the projected value of the employer's workers' compensation claims for the next calendar year as calculated by the commissioner using generally-accepted actuarial methods as follows:
  - (a) The base period shall be the earliest three (3) calendar years of the five (5) calendar years immediately preceding the calendar year for which the calculation is made. The commissioner shall identify each claim of the employer which has an injury date or date of last injurious exposure to the cause of an occupational disease during each one (1) of the three (3) calendar years to be used as the base, and shall assign a value to each claim. The value shall be the total of the indemnity benefits paid to date and projected to be paid, adjusted to current benefit levels, plus the medical benefits paid to date and projected to be paid for the life of the claim, plus the cost of medical and vocational rehabilitation paid to date and projected to be paid. Adjustment to current benefit levels shall be done by multiplying the weekly indemnity benefit for each claim by the number obtained by dividing the statewide average weekly wage which will be in effect for the year for which the premium is being calculated by the statewide average weekly wage in effect during the year in which the injury or date of the last exposure occurred. The total value of the claims using the adjusted weekly benefit shall then be calculated by the commissioner. Values for claims in which awards have been made or settlements reached because of findings of permanent partial or permanent total disability shall be calculated using the mortality and interest discount assumptions used in the latest available statistical plan of the advisory rating organization defined in Subtitle 13 of KRS Chapter 304. The sum of all calculated values shall be computed for all claims in the base period.
  - (b) The commissioner shall obtain the annual payroll for each of the three (3) years in the base period for each employer carrying his own risk from records of the department and from the records of the Department for Employment Services, Cabinet for Workforce Development. The commissioner shall multiply each of the three (3) years of payroll by the number obtained by dividing the statewide average weekly wage which will be in effect for the year in which the premium is being calculated by the statewide average weekly wage in effect in each of the years of the base period.
  - (c) The commissioner shall divide the total of the adjusted claim values for the three (3) year base period by the total adjusted payroll for the same three (3) year period. The value so calculated shall be multiplied by 1.25 and shall then be multiplied by the employer's most recent annualized payroll, calculated using records of the department and the Department for Employment Services data which shall be made available for this purpose on a quarterly basis as reported, to obtain the premium for the next calendar year for assessment purposes under KRS 342.122.
  - (d) For November 1, 1987, through December 31, 1988, premium for each employer carrying his own risk shall be an amount calculated by the board pursuant to the provisions contained in this subsection and such premium shall be provided to each employer carrying his own risk and to the funding commission on or before January 1, 1988. Thereafter, the calculations set forth in this subsection shall be performed annually, at the time each employer applies or renews his application for certification to carry his own risk for the next twelve (12) month period and submits payroll and other data in support of the application. The employer and the funding commission shall be notified at the time of the certification or recertification of the premium calculated by the commissioner, which shall form the employer's basis for assessments pursuant to KRS 342.122 for the calendar year beginning on January 1 following the date of certification or recertification.
  - (e) If an employer having fewer than five (5) years of doing business in this state applies to carry his own risk and is so certified, his premium for the purposes of KRS 342.122 shall be based on the lesser number of years of experience as may be available including the two (2) most recent years if necessary to create a three (3) year base period. If the employer has less than two (2) years of operation in this state available for the premium calculation, then his premium shall be the greater of the value obtained

by the calculation called for in this subsection or the amount of security required by the commissioner pursuant to KRS 342.340(1).

- (f) If an employer is certified to carry his own risk after having previously insured the risk, his premium shall be calculated using values obtained from claims incurred while insured for as many of the years of the base period as may be necessary to create a full three (3) year base. After the employer is certified to carry his own risk and has paid all amounts due for assessments upon premiums paid while insured, he shall be assessed only upon the premium calculated under this subsection.
  - (g) "Premium" for each employer defined in KRS 342.630(2) shall be calculated as set forth in this subsection.
  - (h) Notwithstanding any other provision of this subsection, the premium of any employer authorized to carry its own risk for purposes of assessments due under this chapter shall be no less than thirty cents (\$0.30) per one hundred dollars (\$100) of the employer's most recent annualized payroll for employees covered by this chapter.
- (29) "SIC code" as used in this chapter means the Standard Industrial Classification Code contained in the latest edition of the Standard Industrial Classification Manual published by the Federal Office of Management and Budget.
  - (30) "Investment interest" means any pecuniary or beneficial interest in a provider of medical services or treatment under this chapter, other than a provider in which that pecuniary or investment interest is obtained on terms equally available to the public through trading on a registered national securities exchange, such as the New York Stock Exchange or the American Stock Exchange, or on the National Association of Securities Dealers Automated Quotation System.

  - (36) "Permanent disability rating" means the permanent impairment rating selected by an ~~arbitrator or~~ administrative law judge times the factor set forth in the table that appears at KRS 342.730(1)(b).

- (1) In addition to all other compensation provided in this chapter, the employer shall pay for the cure and relief from the effects of an injury or occupational disease the medical, surgical, and hospital treatment, including nursing, medical, and surgical supplies and appliances, as may reasonably be required at the time of the injury and thereafter during disability, or as may be required for the cure and treatment of an occupational disease. The employer's obligation to pay the benefits specified in this section shall continue for so long as the employee is disabled regardless of the duration of the employee's income benefits. In the absence of designation of a managed health care system by the employer, the employee may select medical providers to treat his injury or occupational disease. Even if the employer has designated a managed health care system, the injured employee may elect to continue treating with a physician who provided emergency medical care or treatment to the employee. The employer, insurer, or payment obligor acting on behalf of the employer, shall make all payments for services rendered to an employee directly to the provider of the services within thirty (30) days of receipt of a statement for services. The commissioner shall promulgate administrative regulations establishing conditions under which the thirty (30) day period for payment may be tolled. The provider of medical services shall submit the statement for services within forty-five (45) days of the day treatment is initiated and every forty-five (45) days thereafter, if appropriate, as long as medical services are rendered. Except as provided in subsection (4) of this section, in no event shall a medical fee exceed the limitations of an

adopted medical fee schedule or other limitations contained in KRS 342.035, whichever is lower. The commissioner may promulgate administrative regulations establishing the form and content of a statement for services and procedures by which disputes relative to the necessity, effectiveness, frequency, and cost of services may be resolved.

- (2) Notwithstanding any provision of the Kentucky Revised Statutes to the contrary, medical services and treatment provided under this chapter shall not be subject to copayments or deductibles.
- (3) Employers may provide medical services through a managed health care system. The managed health care system shall file with the Department of Workers' Claims a plan for the rendition of health care services for work-related injuries and occupational diseases to be approved by the commissioner pursuant to administrative regulations promulgated by the commissioner.
- (4) All managed health care systems rendering medical services under this chapter shall include the following features in plans for workers' compensation medical care:
  - (a) Copayments or deductibles shall not be required for medical services rendered in connection with a work-related injury or occupational disease;
  - (b) The employee shall be allowed choice of provider within the plan;
  - (c) The managed health care system shall provide an informal procedure for the expeditious resolution of disputes concerning rendition of medical services;
  - (d) The employee shall be allowed to obtain a second opinion, at the employer's expense, from an outside physician if a managed health care system physician recommends surgery;
  - (e) The employee may obtain medical services from providers outside the managed health care system, at the employer's expense, when treatment is unavailable through the managed health care system;
  - (f) The managed health care system shall establish procedures for utilization review of medical services to assure that a course of treatment is reasonably necessary; diagnostic procedures are not unnecessarily duplicated; the frequency, scope, and duration of treatment is appropriate; pharmaceuticals are not unnecessarily prescribed; and that ongoing and proposed treatment is not experimental, cost ineffective, or harmful to the employee; and
  - (g) Statements for services shall be audited regularly to assure that charges are not duplicated and do not exceed those authorized in the applicable fee schedules.
  - (h) A schedule of fees for all medical services to be provided under this chapter which shall not be subject to the limitations on medical fees contained in this chapter.
  - (i) Restrictions on provider selection imposed by a managed health care system authorized by this chapter shall not apply to emergency medical care.
- (5) Except for emergency medical care, medical services rendered pursuant to this chapter shall be under the supervision of a single treating physician or physicians' group having the authority to make referrals, as reasonably necessary, to appropriate facilities and specialists. The employee may change his designated physician one (1) time and thereafter shall show reasonable cause in order to change physicians.
- (6) When a compensable injury or occupational disease results in the amputation of an arm, leg, or foot, or the loss of hearing, or the enucleation of an eye or loss of teeth, the employer shall pay for, in addition to the other medical, surgical, and hospital treatment enumerated in subsection (1) and this subsection, a modern artificial member and, where required, proper braces as may reasonably be required at the time of the injury and thereafter during disability.
- (7) Upon motion of the employer, with sufficient notice to the employee for a response to be filed, if it is shown to the satisfaction of the administrative law judge ~~or arbitrator~~ by affidavits or testimony that, because of the physician selected by the employee to treat the injury or disease, or because of the hospital selected by the employee in which treatment is being rendered, that the employee is not receiving proper medical treatment and the recovery is being substantially affected or delayed; or that the funds for medical expenses are being spent without reasonable benefit to the employee; or that because of the physician selected by the employee or because of the type of medical treatment being received by the employee that the employer will substantially be prejudiced in any compensation proceedings resulting from the employee's injury or disease; then the administrative law judge ~~or arbitrator~~ may allow the employer to select a physician to treat the employee and

the hospital or hospitals in which the employee is treated for the injury or disease. No action shall be brought against any employer subject to this chapter by any person to recover damages for malpractice or improper treatment received by any employee from any physician, hospital, or attendant thereof.

- (8) An employee who reports an injury alleged to be work-related or files an application for adjustment of a claim shall execute a waiver and consent of any physician-patient, psychiatrist-patient, or chiropractor-patient privilege with respect to any condition or complaint reasonably related to the condition for which the employee claims compensation. Notwithstanding any other provision in the Kentucky Revised Statutes, any physician, psychiatrist, chiropractor, podiatrist, hospital, or health care provider shall, within a reasonable time after written request by the employee, employer, workers' compensation insurer, special fund, uninsured employers' fund, ~~arbitrator,~~ or the administrative law judge, provide the requesting party with any information or written material reasonably related to any injury or disease for which the employee claims compensation.
- (9) When a provider of medical services or treatment, required by this chapter, makes referrals for medical services or treatment by this chapter, to a provider or entity in which the provider making the referral has an investment interest, the referring provider shall disclose that investment interest to the employee, the commissioner, and the employer's insurer or the party responsible for paying for the medical services or treatment, within thirty (30) days from the date the referral was made.

Section 3. KRS 342.033 is amended to read as follows:

In a claim for benefits, no party may introduce direct testimony from more than two (2) physicians without prior consent from the ~~arbitrator or~~ administrative law judge. The motion requesting additional testimony shall clearly demonstrate the need for such additional testimony. A party may introduce direct testimony from a physician through a written medical report. The report shall become a part of the evidentiary record, subject to the right of an adverse party to object to the admissibility of the report and to cross-examine the reporting physician. The commissioner shall promulgate administrative regulations prescribing the format and content of written medical reports.

Section 4. KRS 342.040 is amended to read as follows:

- (1) Except as provided in KRS 342.020, no income benefits shall be payable for the first seven (7) days of disability unless disability continues for a period of more than two (2) weeks, in which case income benefits shall be allowed from the first day of disability. All income benefits shall be payable on the regular payday of the employer, commencing with the first regular payday after seven (7) days after the injury or disability resulting from an occupational disease, with interest at the rate of twelve percent (12%) per annum on each installment from the time it is due until paid, except that if the ~~arbitrator or~~ administrative law judge determines that a denial, delay, or termination in the payment of income benefits was without reasonable foundation, the rate of interest shall be eighteen percent (18%) per annum. In no event shall income benefits be instituted later than the fifteenth day after the employer has knowledge of the disability or death. Income benefits shall be due and payable not less often than semimonthly. If the employer's insurance carrier or other party responsible for the payment of workers' compensation benefits should terminate or fail to make payments when due, that party shall notify the commissioner of the termination or failure to make payments and the commissioner shall, in writing, advise the employee or known dependent of right to prosecute a claim under this chapter.
- (2) If overdue temporary total disability income benefits are recovered in a proceeding brought under this chapter by an attorney for an employee, or paid by the employer after receipt of notice of the attorney's representation, a reasonable attorney's fee for these services may be awarded. The award of attorney's fees shall be paid by the employer if the ~~arbitrator or~~ administrative law judge determines that the denial or delay was without reasonable foundation. No part of the fee for representing the employee in connection with the recovery of overdue temporary total disability benefits withheld without reasonable foundation shall be charged against or deducted from benefits otherwise due the employee.
- (3) All retraining incentive benefits awarded pursuant to KRS 342.732 shall be payable on the regular payday of the employer, commencing with the second regular payday after the award of the retraining incentive benefit by the ~~arbitrator or~~ administrative law judge becomes final. Retraining incentive benefits shall be due and payable not less often than semimonthly.
- (4) Upon written request of the employee, all payments of compensation shall be mailed to the employee at his last known address.

Section 5. KRS 342.090 is amended to read as follows:

Payment of death benefits in good faith to a supposed dependent or to a dependent subsequent in right to another or other dependents shall protect and discharge the employer and insurer unless and until the lawful dependent or dependents prior in right have given the employer or insurer written notice of his or their claim. In case the employer or insurer is in doubt as to who are dependents or as to their respective rights, the ~~the arbitrator or~~ administrative law judge shall, on application, decide and direct to whom payment shall be made, and payment made under such direction shall release the employer and insurer from all liability. If an appeal is taken from the order of the ~~the arbitrator or~~ administrative law judge directing payment, persons receiving payment under such order shall furnish bond for the protection of adverse claimants pending the outcome of the proceedings.

Section 6. KRS 342.120 is amended to read as follows:

- (1) There is created the Division of the Special Fund in the Department of Workplace Standards which shall be responsible for the administration of the legal representation of the fund and the maintenance of records regarding the payment of claims by the fund. The Division of the Special Fund shall be headed by a director appointed by the commissioner, with the prior written approval of the Governor pursuant to KRS 12.050. The director shall be responsible for overseeing the administration of the legal representation of the fund and the maintenance of records regarding the payment of claims by the fund.
- (2) The special fund shall have no liability upon any claim in which the injury occurred, or for cumulative trauma, the disability became manifest, or, for occupational disease, if the date of injury or last exposure occurred, after December 12, 1996.
- (3) Where the employer has settled its liability for income benefits and thereafter a determination has been made of the special fund's liability, the special fund portion of the benefit rate shall be paid over the maximum period provided for by statute for that disability, with the period of payment beginning on the date settlement was approved by an administrative law judge ~~or arbitrator~~. This provision is remedial and shall apply to all pending and future claims.

Section 7. KRS 342.125 is amended to read as follows:

- (1) Upon motion by any party or upon an ~~an arbitrator's or~~ administrative law judge's own motion, an ~~arbitrator or~~ administrative law judge may reopen and review any award or order on any of the following grounds:
  - (a) Fraud;
  - (b) Newly-discovered evidence which could not have been discovered with the exercise of due diligence;
  - (c) Mistake; and
  - (d) Change of disability as shown by objective medical evidence of worsening or improvement of impairment due to a condition caused by the injury since the date of the award or order.
- (2) No claim which has been previously dismissed or denied on the merits shall be reopened except upon the grounds set forth in this section.
- (3) Except for reopening solely for determination of the compensability of medical expenses, fraud, or conforming the award as set forth in KRS 342.730(1)(c)2., or for reducing a permanent total disability award when an employee returns to work, **or seeking temporary total disability benefits during the period of an award**, no claim shall be reopened more than four (4) years following the date of the original award or order granting or denying benefits, ~~or within two (2) years of such award or order,~~ and no party may file a motion to reopen within **one (1) year** ~~two (2) years~~ of any previous motion to reopen by the same party.
- (4) Reopening and review under this section shall be had upon notice to the parties and in the same manner as provided for an initial proceeding under this chapter. Upon reopening, the ~~the arbitrator or~~ administrative law judge may end, diminish, or increase compensation previously awarded, within the maximum and minimum provided in this chapter, or change or revoke a previous order. The ~~the arbitrator or~~ administrative law judge shall immediately send all parties a copy of the subsequent order or award. Reopening shall not affect the previous order or award as to any sums already paid thereunder, and any change in the amount of compensation shall be ordered only from the date of filing the motion to reopen. No employer shall suspend benefits during pendency of any reopening procedures except upon order of the ~~the arbitrator or~~ administrative law judge.
- (5) (a) Upon the application of the affected employee, and a showing of progression of his previously-diagnosed occupational pneumoconiosis resulting from exposure to coal dust and development of respiratory impairment due to that pneumoconiosis and two (2) additional years of employment in the

Commonwealth wherein the employee was continuously exposed to the hazards of the disease, the ~~arbitrator or~~ administrative law judge may review an award or order for benefits attributable to coal-related pneumoconiosis under KRS 342.732. An application for review under this subsection shall be made within one (1) year of the date the employee knew or reasonably should have known that a progression of his disease and development or progression of respiratory impairment have occurred. Review under this subsection shall include a review of all evidence admitted in all prior proceedings.

- (b) Benefits awarded as a result of a review under this subsection shall be reduced by the amount of retraining incentive benefits or income benefits previously awarded under KRS 342.732. The amount to be deducted shall be subtracted from the total amount awarded, and the remaining amount shall be divided by the number of weeks, for which the award was made, to arrive at the weekly benefit amount which shall be apportioned in accordance with the provisions of KRS 342.316.
- (6) In a reopening or review proceeding where there has been additional permanent partial disability awarded, the increase shall not extend the original period, unless the combined prior disability and increased disability exceeds fifty percent (50%), but less than one hundred percent (100%), in which event the awarded period shall not exceed five hundred twenty (520) weeks, from commencement date of the original disability previously awarded. The law in effect on the date of the original injury controls the rights of the parties.
- (7) Where an agreement has become an award by approval of the ~~arbitrator or~~ administrative law judge, and a reopening and review of that award is initiated, no statement contained in the agreement, whether as to jurisdiction, liability of the employer, nature and extent of disability, or as to any other matter, shall be considered by the ~~arbitrator or the~~ administrative law judge as an admission against the interests of any party. The parties may raise any issue upon reopening and review of this type of award which could have been considered upon an original application for benefits.
- (8) The time limitation prescribed in this section shall apply to all claims irrespective of when they were incurred, or when the award was entered, or the settlement approved. However, claims decided prior to December 12, 1996, may be reopened within four (4) years of the award or order or within four (4) years of December 12, 1996, whichever is later, provided that the exceptions to reopening established in subsections (1) and (3) of this section shall apply to these claims as well.

Section 8. KRS 342.160 is amended to read as follows:

- (1) The benefits in case of death shall be paid to one (1) or more dependents of the deceased employee for the benefit of all the dependents entitled thereto, as determined by the ~~arbitrator or~~ administrative law judge. The dependents to whom payments are made shall apply the same to the use of the persons entitled thereto under this chapter, according to their respective claims on the deceased for support. The compensation of a mentally disabled person shall be paid to his guardian or conservator.
- (2) If the dependents are a widow, widower, or other head of a family of minor children and one (1) or more minor children, it shall be sufficient for the widow, widower, or head of the family to make application for compensation on behalf of all. Where the dependents are mentally incapacitated or are minors the head of whose family is not a dependent, the application may be made by the guardian, conservator, or next friend of such dependents.

Section 9. KRS 342.205 is amended to read as follows:

- (1) After an injury and so long as compensation is claimed, the employee, if requested by a party or by the ~~arbitrator or~~ administrative law judge, shall submit himself to examination, at a reasonable time and place, to a duly-qualified physician or surgeon designated and paid by the requesting party. The employee shall have the right to have a duly-qualified physician or surgeon designated and paid by himself present at the examination, but this right shall not deny the requesting party's physician or surgeon the right to examine the injured employee at all reasonable times and under all reasonable conditions.
- (2) The party requesting an examination pursuant to subsection (1) of this section shall make arrangements to provide all the cost of the examination. The requesting party shall also prepay the cost of transportation of the employee to and from the examination if public transportation is utilized. If the employee uses his own vehicle to travel to and from the examination, the requesting party shall prepay the employee at the state mileage rate. The requesting party shall also reimburse the employee for the cost of meals, lodging, parking, and toll charges upon proof of same by written voucher. The amounts prepaid or reimbursed by the requesting party, as required by this subsection, shall be the same as, and in accordance with, state travel administrative regulations and standards promulgated and established pursuant to KRS Chapter 45.

- (3) If an employee refuses to submit himself to or in any way obstructs the examination, his right to take or prosecute any proceedings under this chapter shall be suspended until the refusal or obstruction ceases. No compensation shall be payable for the period during which the refusal or obstruction continues.

- (1)
  - (a) The employer liable for compensation for occupational disease shall be the employer in whose employment the employee was last exposed to the hazard of the occupational disease. During any period in which this section is applicable to a coal mine, an operator who acquired it or substantially all of its assets from a person who was its operator on and after January 1, 1973, shall be liable for, and secure the payment of, the benefits which would have been payable by the prior operator under this section with respect to miners previously employed in the mine if it had not been acquired by such later operator. At the same time, however, this subsection does not relieve the prior operator of any liability under this section. Also, it does not affect whatever rights the later operator might have against the prior operator; and
  - (b) The time of the beginning of compensation payments shall be the date of the employee's last injurious exposure to the cause of the disease, or the date of actual disability, whichever is later.
- (2) The procedure with respect to the giving of notice and determination of claims in occupational disease cases and the compensation and medical benefits payable for disability or death due to the disease shall be the same as in cases of accidental injury or death under the general provisions of this chapter, except that notice of claim shall be given to the employer as soon as practicable after the employee first experiences a distinct manifestation of an occupational disease in the form of symptoms reasonably sufficient to apprise him that he has contracted the disease, or a diagnosis of the disease is first communicated to him, whichever shall first occur.
- (3) The procedure for filing occupational disease claims shall be as follows:
  - (a) The application for resolution of claim shall set forth the complete work history of the employee with a concise description of injurious exposure to a specific occupational disease, together with the name and addresses of the employer or employers with the approximate dates of employment. The application shall also include at least one (1) written medical report supporting his claim. This medical report shall be made on the basis of clinical or X-ray examination performed in accordance with accepted medical standards and shall contain full and complete statements of all examinations performed and the results thereof. The report shall be made by a duly-licensed physician. The commissioner shall promulgate administrative regulations which prescribe the format of the medical report required by this section and the manner in which the report shall be completed.
    1. For coal-related occupational pneumoconiosis claims, each clinical examination shall include a chest X-ray examination as well as spirometric tests when pulmonary dysfunction is alleged.
    2. For other compensable occupational pneumoconiosis claims, each clinical examination shall include a chest X-ray examination and appropriate pulmonary function tests.
  - (b) To be admissible, medical evidence offered in any proceeding under this chapter for determining a claim for occupational pneumoconiosis resulting from exposure to coal dust shall comply with accepted medical standards as follows:

1. Chest X-rays shall be of acceptable quality with respect to exposure and development and shall be indelibly labeled with the date of the X-ray and the name and Social Security number of the claimant. Physicians' reports of X-ray interpretations shall: identify the claimant by name and Social Security number; include the date of the X-ray and the date of the report; classify the X-ray interpretation using the latest ILO Classification and be accompanied by a completed copy of the latest ILO Classification report.
  2. Spirometric testing shall be conducted in accordance with the standards recommended in the latest edition available of the "Guides to the Evaluation of Permanent Impairment" published by the American Medical Association and the 1978 ATS epidemiology standardization project with the exception that the predicted normal values for lung function shall not be adjusted based upon the race of the subject. The FVC or the FEV1 values shall represent the largest of such values obtained from three (3) acceptable forced expiratory volume maneuvers as corrected to BTPS (body temperature, ambient pressure and saturated with water vapor at these conditions) and the variance between the two (2) largest acceptable FVC values shall be either less than five percent (5%) of the largest FVC value or less than one hundred (100) milliliters, whichever is greater. The variance between the two (2) largest acceptable FEV1 values shall be either less than five percent (5%) of the largest FEV1 value or less than one hundred (100) milliliters, whichever is greater. Reports of spirometric testing shall include a description by the physician of the procedures utilized in conducting such spirometric testing and a copy of the spirometric chart and tracings from which spirometric values submitted as evidence were taken.
  3. The commissioner shall promulgate administrative regulations pursuant to KRS Chapter 13A as necessary to effectuate the purposes of this section. The commissioner shall periodically review the applicability of the spirometric test values contained in the latest edition available of the "Guides to the Evaluation of Permanent Impairment" published by the American Medical Association and may by administrative regulation substitute other spirometric test values which are found to be more closely representative of the normal pulmonary function of the coal mining population.
  4. The procedure for determination of occupational disease claims shall be as follows:
    - a. Immediately upon receipt of an application for resolution of claim, the commissioner shall notify the responsible employer and all other interested parties and shall furnish them with a full and complete copy of the application.
    - b. The commissioner shall assign the claim to an **administrative law judge**~~arbitrator~~ and shall promptly refer the employee to such physician or medical facility as the commissioner may select for examination. The report from this examination shall be provided to all parties of record. The employee shall not be referred by the commissioner for examination within two (2) years following any prior referral for examination for the same disease.
    - c. Within forty-five (45) days following the notice of filing an application for resolution of claim, the employer or carrier shall notify the commissioner and all parties of record of its acceptance or denial of the claim. A denial shall be in writing and shall state the specific basis for the denial.
    - d. The **administrative law judge**~~arbitrator~~ shall conduct such proceedings as are necessary to resolve the claim and shall have authority to grant or deny any relief, including interlocutory relief, to order additional proof, to conduct a benefit review conference, or to take such other action as may be appropriate to resolve the claim.
    - e. Unless a voluntary settlement is reached by the parties, the **administrative law judge**~~arbitrator~~ shall issue a written determination within ninety (90) days following assignment of the claim. The written determination shall address all contested issues and shall be enforceable under KRS 342.305.
  5. The procedure for appeal from a determination of an **administrative law judge**~~arbitrator~~ shall be as set forth in KRS 342.275.
- (4) (a) The right to compensation under this chapter resulting from an occupational disease shall be forever barred unless a claim is filed with the commissioner within three (3) years after the last injurious

exposure to the occupational hazard or after the employee first experiences a distinct manifestation of an occupational disease in the form of symptoms reasonably sufficient to apprise him that he has contracted the disease, whichever shall last occur; and if death results from the occupational disease within that period, unless a claim therefor be filed with the commissioner within three (3) years after the death; but that notice of claim shall be deemed waived in case of disability or death where the employer, or his insurance carrier, voluntarily makes payment therefor, or if the incurrence of the disease or the death of the employee and its cause was known to the employer. However, the right to compensation for any occupational disease shall be forever barred, unless a claim is filed with the commissioner within five (5) years from the last injurious exposure to the occupational hazard, except that, in cases of radiation disease or asbestos-related disease, a claim must be filed within twenty (20) years from the last injurious exposure to the occupational hazard.

- (b) Income benefits for the disease of pneumoconiosis resulting from exposure to coal dust or death therefrom shall not be payable unless the employee has been exposed to the hazards of such pneumoconiosis in the Commonwealth of Kentucky over a continuous period of not less than two (2) years during the ten (10) years immediately preceding the date of his last exposure to such hazard, or for any five (5) of the fifteen (15) years immediately preceding the date of such last exposure.
- (5) The amount of compensation payable for disability due to occupational disease or for death from the disease, and the time and manner of its payment, shall be as provided for under the general provisions of the Workers' Compensation Act, but:
  - (a) In no event shall the payment exceed the amounts that were in effect at the time of the last injurious exposure;
  - (b) The time of the beginning of compensation payments shall be the date of the employee's last injurious exposure to the cause of the disease, or the date of actual disability, whichever is later; and
  - (c) In case of death where the employee has been awarded compensation or made timely claim within the period provided for in this section, and an employee has suffered continuous disability to the date of his death occurring at any time within twenty (20) years from the date of disability, his dependents, if any, shall be awarded compensation for his death as provided for under the general provisions of the Workers' Compensation Act and in this section, except as provided in KRS 342.750(6).
- (6) If an autopsy has been performed, no testimony relative thereto shall be admitted unless the employer or his representative has available findings and reports of the pathologist or doctor who performed the autopsy examination.
- (7) No compensation shall be payable for occupational disease if the employee at the time of entering the employment of the employer by whom compensation would otherwise be payable, falsely represented himself, in writing, as not having been previously disabled, laid off, or compensated in damages or otherwise, because of the occupational disease, or failed or omitted truthfully to state to the best of his knowledge, in answer to written inquiry made by the employer, the place, duration, and nature of previous employment, or, to the best of his knowledge, the previous state of his health.
- (8) No compensation for death from occupational disease shall be payable to any person whose relationship to the deceased, which under the provisions of this chapter would give right to compensation, arose subsequent to the beginning of the first compensable disability, except only for after-born children of a marriage existing at the beginning of such disability.
- (9) Whenever any claimant misconceives his remedy and files an application for adjustment of claim under the general provisions of this chapter and it is subsequently discovered, at any time before the final disposition of the cause, that the claim for injury, disability, or death which was the basis for his application should properly have been made under the provisions of this section, then the application so filed may be amended in form or substance, or both, to assert a claim for injury, disability, or death under the provisions of this section, and it shall be deemed to have been so filed as amended on the date of the original filing thereof, and compensation may be awarded that is warranted by the whole evidence pursuant to the provisions of this chapter. When amendment of this type is submitted, further or additional evidence may be heard when deemed necessary. Nothing this section contains shall be construed to be or permit a waiver of any of the provisions of this chapter with reference to notice of time for filing of a claim, but notice of filing a claim, if given or done, shall be deemed to be a notice of filing of a claim under provisions of this chapter, if given or done within the time required by this subsection.

- (10) When an employee has an occupational disease that is covered by this chapter, the employer in whose employment he was last injuriously exposed to the hazard of the disease, and the employer's insurance carrier, if any, at the time of the exposure, shall alone be liable therefor, without right to contribution from any prior employer or insurance carrier, except as otherwise provided in this chapter.
- (11) (a) Income benefits for coal-related occupational pneumoconiosis shall be paid fifty percent (50%) by the Kentucky coal workers' pneumoconiosis fund as established in KRS 342.1242 and fifty percent (50%) by the employer in whose employment the employee was last exposed to the hazard of that occupational disease.
- (b) Compensation for all other occupational disease shall be paid by the employer in whose employment the employee was last exposed to the hazards of the occupational disease.
- (12) A concluded claim for benefits by reason of contraction of coal workers' pneumoconiosis in the severance or processing of coal shall bar any subsequent claim for benefits by reason of contraction of coal workers' pneumoconiosis, unless there has occurred in the interim between the conclusion of the first claim and the filing of the second claim at least two (2) years of employment wherein the employee was continuously exposed to the hazards of the disease in the Commonwealth.

Section 24. KRS 342.320 is amended to read as follows:

- (1) All fees of attorneys and physicians, and all charges of hospitals under this chapter, shall be subject to the approval of an administrative law judge ~~or arbitrator~~ pursuant to the statutes and administrative regulations.
- (2) ***In an original claim***, attorney's fees for services under this chapter on behalf of an employee shall be subject to the following maximum limits:
  - (a) Twenty percent (20%) of the ***first twenty-five thousand dollars (\$25,000) of the award, fifteen percent (15%) of the next ten thousand dollars (\$10,000), and five percent (5%) of the remainder of the award***, not to exceed ***a maximum fee of twelve thousand dollars (\$12,000)***~~two thousand dollars (\$2,000) for services performed up to and including the date of a written determination by the arbitrator~~. This fee shall be paid by the employee from the proceeds of the award or settlement.
  - (b)~~Upon an appeal by an employee from a written determination of an arbitrator or an award or order of an administrative law judge, a fee to be fixed by the administrative law judge upon consideration of the extent, quality, and complexity of services not to exceed twenty percent (20%) of the first twenty five thousand dollars (\$25,000) of any increased income benefits awarded, ten percent (10%) of the next fifteen thousand dollars (\$15,000) of increased income benefits, and five percent (5%) of the remainder of the additional income benefits awarded and not to exceed in all ten thousand dollars (\$10,000). This fee shall be paid by the employee from the proceeds of the award or settlement and shall be in addition to the fee, if any, awarded under paragraph (a) of this subsection.~~
  - (c)~~Upon an appeal by an employer or carrier from a written determination of an arbitrator or an award or order of an administrative law judge, if the employer or carrier does not prevail upon appeal, the administrative law judge shall fix an attorney's fee to be paid by the employer or carrier for the employee's attorney upon consideration of the extent, quality, and complexity of the services rendered not to exceed five thousand dollars (\$5,000) per level of appeal. This attorney's fee shall be in addition to any fee awarded under paragraphs (a) and (b) of this subsection.~~
  - (d)~~Attorney-client employment contracts entered into and signed prior to December 12, 1996, for injuries or date of last exposure occurring prior to December 12, 1996, shall not~~ ***after the effective date of this Act shall*** ~~be subject to the conditions of paragraph (a), (b), and (c) of this subsection, and the law existing at the date of the injury or last exposure to the hazards of an occupational disease shall apply.~~
- (3) In approving an allowance of attorney's fees, the administrative law judge ~~or arbitrator~~ shall consider the extent, complexity, and quality of services rendered, and in the case of death, the Remarriage Tables of the Dutch Royal Insurance Institute. An attorney's fee may be denied or reduced upon proof of solicitation by the attorney. However, this provision shall not be construed to preclude advertising in conformity with standards prescribed by the Kentucky Supreme Court. ~~The date of injury or last exposure shall control the applicable maximum attorney's fee.~~
- (4) No attorney's fee in any case involving benefits under this chapter shall be paid until the fee is approved by the ~~arbitrator or~~ administrative law judge, and any contract for the payment of attorney's fees otherwise than as

provided in this section shall be void. The motion for approval of an attorney's fee shall be submitted within thirty (30) days following finality of the **claim** ~~[written determination of an arbitrator or last appealable order of an administrative law judge]~~. Except when the attorney's fee is to be paid by the employer or carrier, the attorney's fee shall be paid in one (1) of the following ways:

- (a) The employee may pay the attorney's fee out of his personal funds or from the proceeds of a lump-sum settlement; or
  - (b) The ~~[arbitrator or]~~ administrative law judge, upon request of the employee, may order the payment of the attorney's fee in a lump sum directly to the attorney of record and deduct the attorney's fee from the weekly benefits payable to the employee in equal installments over the duration of the award or until the attorney's fee has been paid, commuting sufficient sums to pay the fee.
- (5) At the commencement of the attorney-client relationship, the attorney shall explain to the employee the methods by which this section provides for the payment of the attorney's fee, and the employee shall select the method in which his attorney's fee is to be paid. His selection and statement that he fully understands the method to be used shall be submitted by his attorney, on a notarized form signed by the employee, at the time the motion for approval of the attorney's fee is submitted. The commissioner shall develop the format and content of the form to be used pursuant to this section. The form to be used shall list on its face all options permitted in this section for the payment of an attorney's fees and contain an explanation in nontechnical language of each method.
- (6) The General Assembly declares that by the enactment of KRS 342.316(3), it is the legislative intent to encourage settlement and prompt administrative handling of those claims and thereby reduce expenses to claimants for compensation under the provisions of KRS 342.316, and the administrative law judge ~~and arbitrator~~ shall give due regard to this legislative intent in the handling of uncontested claims and the allowance of attorney's fees therein.
- (7) In a claim that has been reopened pursuant to the provisions of this chapter, an attorney's fee may be awarded by the ~~[arbitrator or]~~ administrative law judge subject to the limits set forth in subsection (2) of this section. In awarding the attorney's fee, the ~~[arbitrator or]~~ administrative law judge shall consider the factors set forth in subsection (3) of this section. If no additional amount is recovered upon reopening, no attorney's fee shall be awarded. No attorney's fee shall be allowed or approved exceeding the amounts provided in subsection (2)(a) ~~(b)~~ of this section applicable to any additional amount recovered.
- (8) Attorney's fees for representing employers in proceedings under this chapter pursuant to contract with the employer shall be subject to approval of the administrative law judge ~~or arbitrator~~ in the same manner as prescribed for attorney representation of employees. Employer attorney's fees are subject to the **limitation of twelve thousand dollars (\$12,000)** ~~[same limitations as to]~~ maximum fees ~~[at each level]~~ except that fees for ~~representation before administrative law judges shall not exceed ten thousand dollars (\$10,000) and fees for representation before arbitrators shall not exceed two thousand dollars (\$2,000). Fees for~~ representing employers shall not be dependent upon the result achieved. ***Employer attorney's fees may be paid on a periodic basis while a claim is adjudicated and the payments need not be approved until the claims resolution process is completed.*** Fees for legal services in presenting a claim for reimbursement to the director of the Kentucky coal workers' pneumoconiosis fund shall not exceed one thousand dollars (\$1,000). All such approved fees shall be paid by the employer and in no event shall exceed the amount the employer agreed by contract to pay.

~~[(9) Notwithstanding any provisions of law to the contrary, the provisions of this chapter shall not be construed or interpreted to prohibit nonattorney representation of injured workers covered by this chapter.]~~

Section 25. KRS 342.325 is amended to read as follows:

All questions arising under this chapter, if not settled by agreement of the parties interested therein, with the approval of the ~~[arbitrator or]~~ administrative law judge, shall be determined by the ~~[arbitrator or]~~ administrative law judge except as otherwise provided in this chapter.

Section 26. KRS 342.435 is amended to read as follows:

Annually on or before the fifteenth day of December, the commissioner shall make a report to the Governor for the preceding fiscal year, which shall include a statement of the number of awards made and of claims rejected by the board and each ~~[arbitrator and]~~ administrative law judge, a general statement of the causes of accident leading to the injuries for which awards were made or rejected claims based, together with any other information which the

commissioner deems proper to call to the attention of the Governor, including any recommendations he may have to make, and it shall be the duty of the commissioner to publish and distribute among employers and employees any general information as to the business transacted by the department as may be useful and necessary. The annual report shall not exceed ten thousand (10,000) copies. All printing of the department shall be done by the contractor or contractors for public printing, subject to the provisions of the general laws governing public printing applicable thereto.

Section 27. KRS 342.700 is amended to read as follows:

- (1) Whenever an injury for which compensation is payable under this chapter has been sustained under circumstances creating in some other person than the employer a legal liability to pay damages, the injured employee may either claim compensation or proceed at law by civil action against the other person to recover damages, or proceed both against the employer for compensation and the other person to recover damages, but he shall not collect from both. If the injured employee elects to proceed at law by civil action against the other person to recover damages, he shall give due and timely notice to the employer and the special fund of the filing of the action. If compensation is awarded under this chapter, the employer, his insurance carrier, the special fund, and the uninsured employer's fund, or any of them, having paid the compensation or having become liable therefor, may recover in his or its own name or that of the injured employee from the other person in whom legal liability for damages exists, not to exceed the indemnity paid and payable to the injured employee, less the employee's legal fees and expense. The notice of civil action shall conform in all respects to the requirements of KRS 411.188(2).
- (2) A principal contractor, intermediate, or subcontractor shall be liable for compensation to any employee injured while in the employ of any one (1) of his intermediate or subcontractors and engaged upon the subject matter of the contract, to the same extent as the immediate employer. Any principal, intermediate, or subcontractor who pays the compensation may recover the amount paid from any subordinate contractor through whom he has been rendered liable under this section. Every claim to compensation under this subsection shall in the first instance be presented to and instituted against the immediate employer, but the proceedings shall not constitute a waiver of the employee's rights to recover compensation under this chapter from the principal or intermediate contractor nor shall the claim be barred by limitations, if the claim is filed against the principal or intermediate contractor within one (1) year after a final unappealed order has been rendered by an ~~arbitrator or~~ administrative law judge determining that immediate employer has insufficient security to pay the full and maximum benefits that could be determined to be due him under this chapter. The collection of full compensation from one employer shall bar recovery by the employee against any other. But he shall not collect from all a total compensation in excess of the amount for which his immediate employer is liable. This subsection shall apply only in cases where the injury occurred on, in, or about the premises on which the principal contractor has undertaken to execute work or which are under his control otherwise or management.
- (3) It shall be considered to be contrary to public policy and unlawful for any owner or employer to require another employer to waive its remedies granted by this section as a condition of receiving a contract or purchase order. Furthermore, in selecting between two (2) or more contractors or suppliers, consideration may not be given by an owner or employer to whether one (1) contractor or supplier voluntarily waives its remedies under this section or offers to accept lesser compensation than another contractor or supplier for that waiver of remedies.

Section 28. KRS 342.710 is amended to read as follows:

- (1) One of the primary purposes of this chapter shall be restoration of the injured employee to gainful employment, and preference shall be given to returning the employee to employment with the same employer or to the same or similar employment.
- (2) The commissioner shall continuously study the problems of rehabilitation, both physical and vocational, and shall investigate and maintain a directory of all rehabilitation facilities, both private and public.
- (3) An employee who has suffered an injury covered by this chapter shall be entitled to prompt medical rehabilitation services for whatever period of time is necessary to accomplish physical rehabilitation goals which are feasible, practical, and justifiable. When as a result of the injury he is unable to perform work for which he has previous training or experience, he shall be entitled to such vocational rehabilitation services, including retraining and job placement, as may be reasonably necessary to restore him to suitable employment. In all such instances, the ~~arbitrator or~~ administrative law judge shall inquire whether such services have been voluntarily offered and accepted. The ~~arbitrator or~~ administrative law judge on his own motion, or upon application of any party or carrier, after affording the parties an opportunity to be heard, may refer the

employee to a qualified physician or facility for evaluation of the practicability of, need for, and kind of service, treatment, or training necessary and appropriate to render him fit for a remunerative occupation. Upon receipt of such report, the ~~arbitrator or~~ administrative law judge may order that the services and treatment recommended in the report, or such other rehabilitation treatment or service likely to return the employee to suitable, gainful employment, be provided at the expense of the employer or his insurance carrier. Vocational rehabilitation training, treatment, or service shall not extend for a period of more than fifty-two (52) weeks, except in unusual cases when by special order of the ~~arbitrator or~~ administrative law judge, after hearing and upon a finding, determined by sound medical evidence which indicates such further rehabilitation is feasible, practical, and justifiable, the period may be extended for additional periods.

- (4) Where rehabilitation requires residence at or near the facility or institution, away from the employee's customary residence, reasonable cost of his board, lodging, or travel shall be paid for by the employer or his insurance carrier.
- (5) Refusal to accept rehabilitation pursuant to an order of an ~~arbitrator or~~ administrative law judge shall result in a fifty percent (50%) loss of compensation for each week of the period of refusal.
- (6) The commissioner shall cooperate on a reciprocal basis with the Department of Vocational Rehabilitation and the Department for Employment Services of the Kentucky Cabinet for Workforce Development. In the event medical treatment, medical rehabilitation services, or vocational rehabilitation services are purchased for an injured employee by the Department of Vocational Rehabilitation or Department for Employment Services following the refusal by the employer or his insurance carrier to provide such services, the ~~arbitrator or~~ administrative law judge, after affording the parties an opportunity to be heard, may order reimbursement of the cost of such treatment or services by the employer or his insurance carrier as apportioned in the award. This section shall not be interpreted to require mandatory evaluation of employees based on length of disability. Any administrative regulations promulgated pursuant to this section that require mandatory referral to a qualified rehabilitation counselor shall expire on April 4, 1994.
- (7) An employee who is enrolled and participating in a program of rehabilitation training pursuant to this section may elect to receive an acceleration of benefits as awarded under KRS 342.730. Such acceleration shall be available to the employee during the period of retraining, but in no event shall be paid in a weekly amount greater than sixty-six and two-thirds percent ( $66\frac{2}{3}\%$ ) of the average weekly wage upon which the award is based, not to exceed one hundred percent (100%) of the state average weekly wage. Upon successful completion of the rehabilitation program, the total of all accelerated benefits paid shall be deducted on a dollar-for-dollar basis, without discount, from weekly benefits otherwise due the employee subject to the maximum amount of the award. Such remaining benefits, if any, shall then be divided by the number of weeks remaining payable under the award, and that amount shall be the weekly benefit due the employee. If a program of rehabilitation training is terminated by the employee prior to completion, all sums paid on an accelerated basis shall be discounted at the rate set forth in KRS 342.265 and then deducted on a dollar-for-dollar basis from weekly benefits otherwise due the employee subject to the maximum amount of the award. Such remaining benefits, after the discount, shall be divided by the number of weeks remaining payable under the award, and that amount shall be the weekly benefit due the employee. In no event shall this subsection be construed as requiring payment of benefits in excess of the total of those benefits which would otherwise be payable under the award.

Section 29. KRS 342.715 is amended to read as follows:

Notwithstanding the provisions of KRS 342.730, during the period the employee is eligible for permanent total disability benefits and is actively participating in a vocational or physical rehabilitation program, pursuant to an order of the ~~arbitrator or~~ administrative law judge, the employee's benefits shall be calculated by taking eighty percent (80%) of his average weekly wage, but not more than one hundred percent (100%) of the state's average weekly wage, times the permanent disability rating as determined in this chapter.

Section 30. KRS 342.730 is amended to read as follows:

- (1) Except as provided in KRS 342.732, income benefits for disability shall be paid to the employee as follows:
  - (a) For temporary or permanent total disability, sixty-six and two-thirds percent ( $66\frac{2}{3}\%$ ) of the employee's average weekly wage but not more than one hundred percent (100%) of the state average weekly wage and not less than twenty percent (20%) of the state average weekly wage as determined in KRS 342.740 during that disability. Nonwork-related impairment and conditions compensable under

KRS 342.732 and hearing loss covered in KRS 342.7305 shall not be considered in determining whether the employee is totally disabled for purposes of this subsection.

- (b) For permanent partial disability, sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740, multiplied by the permanent impairment rating caused by the injury or occupational disease as determined by "Guides to the Evaluation of Permanent Impairment," American Medical Association, latest edition available, times the factor set forth in the table that follows:

AMA Impairment	Factor
0 to 5%	<b>0.65</b> <del>{0.75}</del>
6 to 10%	<b>0.85</b> <del>{1.00}</del>
11 to 15%	<b>1.00</b> <del>{1.25}</del>
16 to 20%	<b>1.00</b> <del>{1.50}</del>
21 to 25%	<b>1.15</b> <del>{1.75}</del>
26 to 30%	<b>1.35</b> <del>{2.00}</del>
31 to 35%	<b>1.50</b> <del>{2.25}</del>
36% and above	<b>1.70</b> <del>{2.50}</del>

Any temporary total disability period within the maximum period for permanent, partial disability benefits shall extend the maximum period but shall not make payable a weekly benefit exceeding that determined in subsection (1)(a) of this section. Notwithstanding any section of this chapter to the contrary, there shall be no minimum weekly income benefit for permanent partial disability and medical benefits shall be paid for the duration of the disability.

- (c) 1. If, due to an injury, an employee does not retain the physical capacity to return to the type of work that the employee performed at the time of injury, the benefit for permanent partial disability shall be **multiplied by three (3)**~~{one and one-half (1 1/2)}~~ times the amount otherwise determined under paragraph (b) of this subsection, but this provision shall not be construed so as to extend the duration of payments; ~~or~~+
2. If an employee returns to work at a weekly wage equal to or greater than the average weekly wage at the time of injury, the weekly benefit for permanent partial disability **shall be determined**~~{otherwise payable}~~ under paragraph (b) of this subsection~~{shall be reduced by one-half (1/2)}~~ for each week during which that employment is sustained. During any period of cessation of that employment, temporary or permanent, for any reason, with or without cause, payment of weekly benefits for permanent partial disability during the period of cessation shall be **two (2) times the amount otherwise payable under**~~{restored to the rate prescribed in}~~ paragraph (b) of this subsection. ***This provision shall not be construed so as to extend the duration of payments.***
3. ***Recognizing that limited education and advancing age impact an employee's post-injury earning capacity, an education and age factor, when applicable, shall be added to the income benefit multiplier set forth in paragraph (c)1. of this subsection. If at the time of injury, the employee had less than eight (8) years of formal education, the multiplier shall be increased by four-tenths (0.4); if the employee had less than twelve (12) years of education or a high school General Educational Development diploma, the multiplier shall be increased by two-tenths (0.2); if the employee was age sixty (60) or older, the multiplier shall be increased by six-tenths (0.6); if the employee was age fifty-five (55) or older, the multiplier shall be increased by four-tenths (0.4); or if the employee was age fifty (50) or older, the multiplier shall be increased by two-tenths (0.2).***
4. Notwithstanding the provisions of KRS 342.125, a claim may be reopened at any time during the period of permanent partial disability in order to conform the award payments with the requirements of subparagraph 2. of this paragraph.
- (d) For permanent partial disability, if an employee has a permanent disability rating of fifty percent (50%) or less as a result of a work-related injury, the compensable permanent partial disability period shall be

four hundred twenty-five (425) weeks, and if the permanent disability rating is greater than fifty percent (50%), the compensable permanent partial disability period shall be five hundred twenty (520) weeks from the date the impairment or disability exceeding fifty percent (50%) arises. Benefits payable for permanent partial disability shall not exceed ninety-nine percent (99%) of sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage as determined under KRS 342.740 and shall not exceed seventy-five percent (75%) of the state average weekly wage, except for benefits payable pursuant to paragraph (c)1. of this subsection, which shall not exceed one hundred percent (100%) of the state average weekly wage, nor shall benefits for permanent partial disability be payable for a period exceeding five hundred twenty (520) weeks, notwithstanding that multiplication of impairment times the factor set forth in paragraph (b) of this subsection would yield a greater percentage of disability.

- (e) For permanent partial disability, impairment for nonwork-related disabilities, conditions previously compensated under this chapter, conditions covered by KRS 342.732, and hearing loss covered in KRS 342.7305 shall not be considered in determining the extent of disability or duration of benefits under this chapter.
- (2) The period of any income benefits payable under this section on account of any injury shall be reduced by the period of income benefits paid or payable under this chapter on account of a prior injury if income benefits in both cases are for disability of the same member or function, or different parts of the same member or function, and the income benefits payable on account of the subsequent disability in whole or in part would duplicate the income benefits payable on account of the pre-existing disability.
- (3) Subject to the limitations contained in subsection (4) of this section, when an employee, who has sustained disability compensable under this chapter, and who has filed, or could have timely filed, a valid claim in his lifetime, dies from causes other than the injury before the expiration of the compensable period specified, portions of the income benefits specified and unpaid at the individual's death, whether or not accrued or due at his death, shall be paid, under an award made before or after the death, for the period specified in this section, to and for the benefit of the persons within the classes at the time of death and in the proportions and upon the conditions specified in this section and in the order named:
  - (a) To the widow or widower, if there is no child under the age of eighteen (18) or incapable of self-support, benefits at fifty percent (50%) of the rate specified in the award; or
  - (b) If there are both a widow or widower and such a child or children, to the widow or widower, forty-five percent (45%) of the benefits specified in the award, or forty percent (40%) of those benefits if such a child or children are not living with the widow or widower; and, in addition thereto, fifteen percent (15%) of the benefits specified in the award to each child. Where there are more than two (2) such children, the indemnity benefits payable on account of two (2) children shall be divided among all the children, share and share alike; or
  - (c) If there is no widow or widower but such a child or children, then to the child or children, fifty percent (50%) of the benefits specified in the award to one (1) child, and fifteen percent (15%) of those benefits to a second child, to be shared equally. If there are more than two (2) such children, the indemnity benefits payable on account of two (2) children shall be divided equally among all the children; or
  - (d) If there is no survivor in the above classes, then the parent or parents wholly or partly actually dependent for support upon the decedent, or to other wholly or partly actually dependent relatives listed in paragraph (g) of subsection (1) of KRS 342.750, or to both, in proportions that the commissioner provides by administrative regulation.
  - (e) To the widow or widower upon remarriage, up to two (2) years, benefits as specified in the award and proportioned under paragraphs (a) or (b) of this subsection, if the proportioned benefits remain unpaid, to be paid in a lump sum.
- (4) All income benefits payable pursuant to this chapter shall terminate as of the date upon which the employee qualifies for normal old-age Social Security retirement benefits under the United States Social Security Act, 42 U.S.C. secs. 301 to 1397f, or two (2) years after the employee's injury or last exposure, whichever last occurs. In like manner all income benefits payable pursuant to this chapter to spouses and dependents shall terminate when such spouses and dependents qualify for benefits under the United States Social Security Act by reason of the fact that the worker upon whose earnings entitlement is based would have qualified for normal old-age Social Security retirement benefits.

- (5) All income benefits pursuant to this chapter otherwise payable for temporary total and permanent total disability shall be offset by unemployment insurance benefits paid for unemployment during the period of temporary total or permanent total disability.
- (6) All income benefits otherwise payable pursuant to this chapter shall be offset by payments made under an exclusively employer-funded disability or sickness and accident plan which extends income benefits for the same disability covered by this chapter, except where the employer-funded plan contains an internal offset provision for workers' compensation benefits which is inconsistent with this provision.
- (7) If an employee receiving a permanent total disability award returns to work, that employee shall notify the employer, payment obligor, insurance carrier, or special fund as applicable.

Section 31. KRS 342.732 is amended to read as follows:

- (1) Notwithstanding any other provision of this chapter, income benefits and retraining incentive benefits for occupational pneumoconiosis resulting from exposure to coal dust in the severance or processing of coal shall be paid as follows:
  - (a) If an employee has a radiographic classification of category 1/1 or 1/2, based on the latest ILO International Classification of Radiographics, resulting from exposure to coal dust, which is validated by report of X-ray which conforms to the standards for X-rays contained in subsection (3) of KRS 342.316, and respiratory impairment resulting from exposure to coal-mine dust as evidenced by spirometric test values of fifty-five percent (55%) or more but less than eighty percent (80%) of the predicted normal values contained in the chapter on the respiratory system of the latest edition available of the "Guides to the Evaluation of Permanent Impairment" of the American Medical Association, the employee shall be awarded a one (1) time only retraining incentive benefit which shall be an amount equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage as determined by KRS 342.740 but not more than seventy-five percent (75%) of the state average weekly wage, payable semimonthly for a period not to exceed one hundred four (104) weeks. These benefits shall be paid only while the employee is enrolled and actively and successfully participating as a full-time student taking twenty-four (24) or more instruction hours per week in a bona fide training or education program approved under administrative regulations to be promulgated by the commissioner. The employer shall also pay, directly to the institution conducting the training or education program, instruction, tuition, and material costs not to exceed five thousand dollars (\$5,000). The benefit shall not be paid for a period in which the employee ceases to participate in the program. In no event shall the benefit be paid to the employee while the employee is working in the mining industry in the severance and processing of coal as defined in KRS 342.0011(23)(a). The period of one hundred four (104) weeks during which this benefit is payable shall begin no later than the one-hundred-eightieth day after the order awarding the benefit becomes final. If an employee completes an approved program of training in less than one hundred four (104) weeks and that employee has accepted a bona fide offer of employment at a location more than fifty (50) miles from the employee's usual residence in the field for which the employee has been trained, the employee shall be paid in a lump sum for relocation the lesser of the sum of three thousand dollars (\$3,000) or the amount remaining in unpaid weekly training benefits as provided by this section.
  - (b) If it is determined that an employee has a radiographic classification of category 1/1 or 1/2, based on the latest ILO International Classification of Radiographics and respiratory impairment resulting from exposure to coal dust as evidenced by spirometric test values of less than fifty-five percent (55%) of the predicted normal values contained in the chapter on the respiratory system of the latest edition available of the "Guides to the Evaluation of Permanent Impairment" published by the American Medical Association, or category 2/1, 2/2, or 2/3 coal workers' pneumoconiosis and respiratory impairment evidenced by spirometric test values of fifty-five percent (55%) or more but less than eighty percent (80%) of the predicted normal values, there shall be an irrebuttable presumption that the employee has an occupational disability rating of fifty percent (50%) resulting from exposure to coal dust, and the employee shall be awarded an income benefit which shall be an amount equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage multiplied by the disability rating of fifty percent (50%) but not to exceed seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740. The award shall be payable for a period not to exceed four hundred twenty-five (425) weeks, but in no event shall benefits be paid under this subsection while the employee continues to work in the mining industry in the severance and processing of coal as defined in KRS 342.0011(23)(a).

- (c) If it is determined that an employee has a radiographic classification of category 2/1, 2/2, or 2/3 coal workers' pneumoconiosis, based on the latest ILO International Classification of Radiographics, and respiratory impairment as evidenced by spirometric test values of less than fifty-five percent (55%) of the predicted normal values contained in the chapter on the respiratory system of the latest edition available of the "Guides to the Evaluation of Permanent Impairment" published by the American Medical Association or category 3/2 or 3/3 pneumoconiosis and respiratory impairment evidenced by spirometric test values of fifty-five percent (55%) or more but less than eighty percent (80%) of the predicted normal values, there shall be an irrebuttable presumption that the employee is seventy-five percent (75%) disabled resulting from exposure to coal dust and the employee shall be awarded income benefits which shall be equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage multiplied by the disability rating of seventy-five percent (75%) but not to exceed seventy-five percent (75%) of the state average weekly wage and not less than twenty percent (20%) of the state average weekly wage as determined by KRS 342.740. The award shall be payable for a period not to exceed five hundred twenty (520) weeks. Income benefits awarded under this paragraph shall be payable to the employee during the disability, but in no event shall benefits be paid under this subsection while the employee continues to work in the mining industry in the severance and processing of coal as defined in KRS 342.0011(23)(a).
- (d) If it is determined that an employee has radiographic classification of 3/2 or 3/3 occupational pneumoconiosis based on the latest ILO International Classification of Radiographs, and respiratory impairment evidenced by spirometric test values of less than fifty-five percent (55%) of the predicted normal values contained in the latest edition of the "Guides to the Evaluation of Permanent Impairment" of the American Medical Association, or progressive massive fibrosis, based on the latest ILO International Classification of Radiographics, there shall be an irrebuttable presumption that the employee is totally disabled resulting from exposure to coal dust, and the employee shall be awarded income benefits equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than one hundred percent (100%) of the state average weekly wage and not less than twenty percent (20%) of the average weekly wage of the state as determined by KRS 342.740. Income benefits awarded under this paragraph shall be payable to the employee during such disability, but in no event shall benefits be paid under this subsection while the employee continues to work in the mining industry in the severance and processing of coal as defined in KRS 342.0011(23)(a).
- (2) The presence of respiratory impairment resulting from exposure to coal dust shall be established by using the largest forced vital capacity (FVC) value or the largest forced expiratory volume in one second (FEV1) value determined from the totality of all such spirometric testing performed in compliance with accepted medical standards.
- (3) When valid spirometric tests are not provided and a physician certifies to the administrative law judge ~~or arbitrator~~ that spirometric testing is not medically indicated because of the permanent physical condition of the employee, the administrative law judge ~~or arbitrator~~ shall make his decision on the basis of evidence admitted which establishes the existence of a diagnosis of occupational pneumoconiosis and respiratory impairment due to the occupational pneumoconiosis. The evidence submitted by the employee shall include one (1) or more arterial blood gas studies performed in accordance with accepted medical standards. Income benefits shall not be awarded in the absence of valid spirometric tests if the claimant's PO2 arterial blood gas value is equal to or higher than one (1) standard deviation from the normal value obtained by the formula  $(103.5 - 0.42X)$ , where X equals the claimant's age at the time of the arterial blood gas study.
- (4) In no event shall income benefits awarded under this section be stacked or added to income benefits awarded under KRS 342.730 to extend the period of disability.

Section 32. KRS 342.735 is amended to read as follows:

- (1) The commissioner shall promulgate administrative regulations to expedite the payment of temporary total disability and medical expense benefits.
- (2) The commissioner may promulgate administrative regulations incorporating managed care intended to reduce costs or to speed the delivery or payment of medical services to employees receiving medical and related benefits under this chapter.
- (3) The commissioner shall promulgate administrative regulations pursuant to KRS Chapter 13A establishing an expedited method for resolving medical issues prior to the filing of a claim with the Department of Workers' Claims. The administrative regulations shall permit an employee or other interested party, prior to the filing of

a claim, to request a determination by an ~~arbitrator or~~ administrative law judge on medical issues relating to the reasonableness or appropriateness of the proposed medical care or relating to the obligation of the employer or the employer's insurance carrier to make payment of contested medical bills. However, the employee has the burden of proof to show the medical expenses are related to the injury, reasonable and necessary prior to an application of benefits being filed and before an award or order of benefits. Thereafter, the burden is upon the employer. The respondent to the moving party shall be given ten (10) days to answer a request for an expedited determination of medical issues, and the ~~arbitrator or~~ administrative law judge shall issue a ruling within seven (7) days thereafter. The interested parties shall be provided a form to provide to the medical care provider and the completed form filed with the department and served upon the respondent shall initiate the time for response and determination.

Section 33. KRS 342.760 is amended to read as follows:

- (1) There is hereby authorized in the Labor Cabinet an uninsured employers' fund for the purpose of making payments in accordance with the provisions of subsection (4) of this section. The secretary of the Labor Cabinet shall be the custodian of the fund, and all moneys and securities in the fund shall be held in trust by the secretary of the Labor Cabinet and shall not be considered a part of the general funds of the state.
- (2) The secretary of the Labor Cabinet is authorized to disburse moneys from the fund only upon written order of the ~~arbitrator,~~ administrative law judge~~,~~ or the board.
- (3) All amounts collected as fines and penalties under this chapter shall be paid into the uninsured employers' fund.
- (4) The uninsured employers' fund shall be responsible for the payment of compensation when there has been default in the payment of compensation due to the failure of an employer to secure payment of compensation as provided by this chapter. Such employer shall be liable for payment into the fund of all the amounts authorized to be paid therefrom under the authority of this subsection including reimbursement of the special fund of all liability apportioned to it and for the purposes of enforcing this liability the Labor Cabinet, for the benefit of the fund, shall be subrogated to all the rights of the person receiving such compensation from the fund. This provision shall apply to all pending claims upon which a final order has not been entered.
- (5) In furtherance of this purpose, the Attorney General shall appoint a member or members of his staff or special counsel to represent the fund in all proceedings brought to enforce claims against or on behalf of the fund. Necessary expenses for this purpose including salaries of said staff or special counsel shall be borne by the fund. The Labor Cabinet shall be responsible for the administration of the uninsured employers' fund and shall be charged with the conservation of the assets of the fund.
- (6) On December 29, 1987, the liabilities of the uninsured employers' fund and its assets remaining in the State Treasury shall be transferred to the uninsured employers' fund created within the Labor Cabinet pursuant to this section.

Section 34. KRS 342.780 is amended to read as follows:

A claimant may, in the original application for benefits, or any party may, by motion accompanied by proper allegations while the case is still pending, and the ~~arbitrator or~~ administrative law judge shall, upon his own motion at any time before the rendition of the final award, cause the uninsured employers' fund to be made a party to the proceedings if it should appear that the named defendant has failed to secure the payment of compensation as required by KRS 342.340.

Section 35. KRS 342.790 is amended to read as follows:

When an award is made against an employer who:

- (1) Has not secured payment of compensation by either securing insurance coverage or qualifying as a self-insurer; and
- (2) Has not made a deposit of security, indemnity, or bond acceptable to the commissioner to secure the payment of compensation liability; and
- (3) Has failed to make payment of compensation according to the terms of that award,

the award shall constitute a liquidated claim for damages against that employer in an amount commuted to a lump sum which will equal the present value of the total sum of the probable future payments discounted at four percent (4%) true discount compounded annually on each payment, which amount is to be ascertained and fixed by the commissioner, and the commissioner shall certify the same to the Attorney General who shall forthwith institute a

civil action against that employer in the name of the uninsured employers' fund for the collection of that award. In that action, it shall be sufficient for plaintiff to set forth a copy of the award of the ~~the arbitrator or~~ administrative law judge relative to the claim as certified by the commissioner and to state that there is due to plaintiff on account of the opinion, order, or award of the ~~the arbitrator or~~ administrative law judge a specified sum which plaintiff claims with interest. A certified copy of the award in the claim shall be attached to the complaint and shall constitute prima facie evidence of the truth of the facts therein contained.

Section 36. KRS 342.990 is amended to read as follows:

- (1) The commissioner shall initiate enforcement of civil and criminal penalties imposed in this section.
- (2) When the commissioner receives information that he deems sufficient to determine that a violation of this chapter has occurred, he shall seek civil penalties pursuant to subsections (3) to (7) of this section, or criminal penalties pursuant to subsections (8) and (9) of this section, or both.
- (3) The commissioner shall initiate enforcement of a civil penalty by simultaneously citing the appropriate party for the offense and stating the civil penalty to be paid.
- (4) If, within fifteen (15) working days from the receipt of the citation, a cited party fails to notify the commissioner that he intends to contest the citation, then the citation shall be deemed final.
- (5) If a cited party notifies the commissioner that he intends to challenge a citation issued under this section, the commissioner shall cause the matter to be heard as soon as practicable by an administrative law judge and in accordance with the provisions of KRS Chapter 13B. The burden of proof shall be upon the attorney representing the commissioner to prove the offense stated in the citation by a preponderance of the evidence. The parties shall stipulate to uncontested facts and issues prior to the hearing before the administrative law judge. The administrative law judge shall issue a ruling within sixty (60) days following the hearing.
- (6) A party may appeal the ruling of the administrative law judge to the Franklin Circuit Court in conformity with KRS 13B.140.

  - (d) Notwithstanding any other provisions of this chapter to the contrary, when any employer, insurance carrier, or individual self-insured fails to comply with this chapter for which a penalty is provided in subparagraphs (7), (8), and (9) above, such person, if the person is an owner in the case of a sole proprietorship, a partner in the case of a partnership, a principal in the case of a limited liability company, or a corporate officer in the case of a corporation, who knowingly authorized, ordered, or carried out the violation, failure, or refusal shall be personally and individually liable, both jointly and severally, for the penalties imposed in the above cited subparagraphs. The provisions of KRS 342.120(3), 342.125(8), 342.213(2)(e), 342.265, 342.270(3)~~(7)~~, 342.320, 342.610(3), 342.760(4), and 342.990(11) are remedial.

Section 38. KRS 342.165 is amended to read as follows:

- (1) If an accident is caused in any degree by the intentional failure of the employer to comply with any specific statute or lawful administrative regulation made thereunder, communicated to the employer and relative to installation or maintenance of safety appliances or methods, the compensation for which the employer would otherwise have been liable under this chapter shall be increased **thirty percent (30%)**~~fifteen percent (15%)~~ in the amount of each payment. If an accident is caused in any degree by the intentional failure of the employee to use any safety appliance furnished by the employer or to obey any lawful and reasonable order or administrative regulation of the commissioner or the employer for the safety of employees or the public, the compensation for which the employer would otherwise have been liable under this chapter, shall be decreased fifteen percent (15%) in the amount of each payment.
- (2) No compensation shall be payable for work-related injuries if the employee at the time of entering the employment of the employer by whom compensation would otherwise be payable falsely represents, in writing, his physical condition or medical history, if all of the following factors are present:

Section 39. KRS 342.750 is amended to read as follows:

If the injury causes death, income benefits shall be payable in the amount and to or for the benefit of the persons following, subject to the maximum limits specified in subsections (3) and (4) of this section:

- (1)
  - (a) If there is a widow or widower and no children of the deceased, to such widow or widower 50 percent of the average weekly wage of the deceased, during widowhood or widowerhood.

- (g) To the brothers, sisters, grandparents, and grandchildren, if actually dependent, 25 percent to each such dependent. If there should be more than one (1) of such dependents, the total income benefits payable on account of such dependents shall be divided share and share alike.
  - (h) The income benefits of each beneficiary under paragraphs (f) and (g) above shall be paid until he, if a parent or grandparent, dies, marries, or ceases to be actually dependent, or, if a brother, sister, or grandchild, dies, marries, or reaches the age of eighteen (18) or if over that age ceases to be physically or mentally incapable of self-support, or ceases to be actually dependent.
  - (i) A person ceases to be actually dependent when his income from all sources exclusive of workers' compensation income benefits is such that, if it had existed at the time as of which the original determination of actual dependency was made, it would not have supported a finding of dependency. In any event, if the present annual income of an actual dependent person including workers' compensation income benefits at any time exceeds the total annual support received by the person from the deceased employee, the workers' compensation benefits shall be reduced so that the total annual income is no greater than such amount of annual support received from the deceased employee. In all cases, a person found to be actually dependent shall be presumed to be no longer actually dependent three (3) years after each time as of which the person was found to be actually dependent. This presumption may be overcome by proof of continued actual dependency as defined in this subsection, but full payments shall not be suspended during the pendency of any proceeding to determine dependency.
- (2) Upon the cessation of income benefits under this section to or on account of any person, the income benefits of the remaining persons entitled to income benefits for the unexpired part of the period during which their income benefits are payable shall be that which such persons would have received if they had been the only persons entitled to income benefits at the time of the decedent's death.
  - (3) For the purposes of this section, the average weekly wage of the employee shall be taken as not more than the average weekly wage of the state as determined in KRS 342.740. In no case shall the aggregate weekly income benefits payable to all beneficiaries under this section exceed the maximum income benefit that was or would have been payable for total disability to the deceased, including benefits to his dependents.
  - (4) The maximum weekly income benefits payable for all beneficiaries in case of death shall not exceed 75 percent of the average weekly wage of the deceased as calculated under KRS 342.140, subject to the maximum limits in subsection (3) above. The maximum aggregate limitation shall not operate in case of payment of two (2) years' income benefits to the widow or widower upon remarriage as provided under paragraph (c) of subsection (1) of this section, to prevent the immediate recalculation and payments of benefits to the remaining beneficiaries as provided under subsection (2) of this section, but the weekly income benefits as to such remaining beneficiaries shall not exceed the weekly income benefit that was or would have been payable for total disability to the deceased. The classes of beneficiaries specified in paragraphs (a), (b), and (d) of subsection (1) of this section shall have priority over all other beneficiaries in the apportionment of income benefits. If the provisions of this subsection should prevent payment to other beneficiaries of the income benefits to the full extent otherwise provided for by this section, the gross remaining amount of income benefits payable to such other beneficiaries shall be apportioned by class, proportionate to the interest of each class in the remaining amount. Parents shall be considered to be in one class and those specified in paragraph (f) of subsection (1) in another class.
  - (5) All relations of dependency referred to in this section shall mean dependency existing at the time of the accident to the employee or at the time his disability from an occupational disease began.
  - (6) In addition to other benefits as provided by this chapter, if death occurs within four (4) years of the date of injury as a direct result of a work-related injury, a lump-sum payment of ~~fifty~~~~(twenty-five)~~ thousand dollars ~~(\$50,000)~~~~(\$25,000)~~ shall be made to the deceased's estate, from which the cost of burial and cost of transportation of the body to the employee's place of residence shall be paid. ***Annually, the commissioner shall compute, in accordance with KRS 342.740, the increase or decrease in the state average weekly wage, and consistent therewith, shall adjust the amount of the lump sum payment due under this subsection for injuries occurring in the succeeding year.***
  - (7) All benefits awarded pursuant to this section, other than those provided in subsection (6) of this section, shall be subject to the limitations contained in KRS 342.730(4).

Section 40. The terms of the existing arbitrators are terminated on the effective date of this Act. It is the intent of the General Assembly that on the effective date of this Act, the duties and cases of the arbitrators shall be assigned by the commissioner to the administrative law judges.

- (1) As used in this section:
  - (a) "Group policy" means group health insurance policies as defined in KRS 304.18-020 and blanket health insurance policies which the commissioner, in his discretion, designates as subject to this section, which:

1. Affect the rights of a Kentucky insured and bear a reasonable relation to Kentucky, regardless of whether delivered or issued for delivery in Kentucky;

- (4) ***If an employer's group policy is terminated and replaced by a new group policy, subject to the termination provisions contained in subsection (3) of this section, persons under continued group health insurance coverage under the replaced policy at the time of replacement shall be offered continued group health insurance coverage under the subsequent group policy under rules that are no less favorable to the person under continued group coverage than are available to similarly situated eligible employees. This subsection shall not be construed to prevent a change in group health coverage so long as the change does not directly discriminate against persons under continued group coverage and continues on the basis of health status-related factors.***
- (5) ***Nothing in subsection (4) of this section shall be construed to begin a new eighteen (18) months period of continued group health insurance coverage eligibility under paragraph (a) of subsection (3) of this section. This eligibility shall be a continuous period of eighteen (18) consecutive months.*** ~~If a group policy is replaced, persons under continued group health insurance coverage under the replaced policy shall remain under such coverage under the replaced policy until it terminates pursuant to subsection (3) of this section.~~

- (b) The premium for conversion health insurance coverage shall be according to the insurer's table of premium rates in effect on the latter of:
    - 1. The effective date of the converted policy; or
    - 2. The date of application when the premium rate applies to the class of risk to which the covered persons belong, to their ages, and to the form and amount of insurance provided;
  - (c) The conversion health insurance policy shall cover the group member and eligible dependents covered by the group policy on the date coverage under the group policy terminated;
  - (d) The effective date of the conversion health insurance policy shall be the date of termination of coverage under the group policy; and
  - (e) The conversion health insurance policy shall provide benefits substantially similar to those provided by the group policy, but not less than the minimum standards set forth in KRS 304.18-120.
- (8)~~(7)~~ The right to continue group health insurance coverage and the right to conversion health insurance coverage shall also be available:
- (a) To the surviving spouse, at the death of the group member, with respect to the spouse and such children whose coverage under the group policy would terminate or terminates by reason of the death of the group member;

- (a) The applicant is or could be covered by Medicare;
  - (b) The applicant is or could be covered by another group coverage (insured or uninsured) or, in the case of conversion health insurance coverage, the applicant is ~~is~~ ~~or could be~~ covered by substantially similar benefits by another individual hospital, surgical, or medical expenses insurance policy; or
  - (c) In the case of conversion health insurance coverage, the issuance of conversion health insurance coverage would cause the applicant to be overinsured according to the insurer's standards, taking into account that the applicant is or could be covered by similar benefits pursuant to or in accordance with the requirements of any statute and the individual coverage described in paragraph (b) of this subsection.
- (10)~~(9)~~ Notice of the right to continue group health insurance coverage and the right to conversion health insurance coverage shall be given as follows:
- (a)
    - 1. For group policies delivered, issued for delivery, or renewed after July 15, 1986, the insurer shall give written notice of the right to continue group health insurance coverage and the right to conversion health insurance coverage to any group member entitled to continue coverage or to conversion coverage under this section upon notice from the group policyholder that the group member has terminated membership in the group or upon termination of continued group health insurance coverage. - (b) If a group member becomes entitled to obtain continued health insurance coverage or conversion health insurance coverage pursuant to this section and if such group member has not been given written notice of these rights pursuant to this subsection, such group member shall have an additional period within which to exercise continuation or conversion rights as follows:

1. The additional period shall expire fifteen (15) days after the group member is given notice, but in no event shall the additional period extend beyond sixty (60) days after the expiration of the thirty-one (31) day period following termination from the group or termination of group coverage;
2. Written notice delivered or mailed to the last known address of the group member shall constitute the giving of notice for the purpose of this paragraph; and
3. If a group member makes application and pays the premium for continued health insurance coverage or conversion health insurance coverage within the additional period allowed by this paragraph, the effective date of continued health insurance coverage shall be the date of termination from the group and the effective date of conversion health insurance coverage shall be the date of termination of group health insurance coverage.

- ~~(11)(10)~~ Before a group policy may be replaced, the employer shall give at least thirty (30) days written notice by certified mail to any employee covered under the replaced policy who will not be covered under the new policy.

  - (e) Review and discuss other issues at the request of the commissioner.
- (4) The advisory council shall be a budgetary unit of the department which shall pay all of the advisory council's necessary operating expenses and shall furnish all office space, personnel, equipment, supplies, and technical or administrative services required by the advisory council in the performance of the functions established in this section.
- (5) No less than annually, the Health Insurance Advisory Council shall review the list of high-cost conditions established by the commissioner under KRS ~~304.17A-005(20)~~~~[304.17A-005(19)]~~ and 304.17A-280 and recommend changes to the commissioner. The commissioner may accept or reject any or all of the recommendations and may make whatever changes by administrative regulation the commissioner deems appropriate. The council, in making recommendations, and the commissioner, in making changes, shall consider, among other things, actual claims and losses on each diagnosis and advances in treatment of high-cost conditions.
- (6) For each calendar year that the Kentucky Guaranteed Acceptance Program is operating, every insurer shall report to the commissioner and the Health Insurance Advisory Council, in the form and at the time as the

Section 9. KRS 304.17A-210 is amended to read as follows:

Each insurer that issues health benefit plans in the individual market shall be required to issue health benefit plans in the individual market on a guaranteed-issue basis as follows:

- (1) An eligible individual shall be entitled to have coverage issued from the insurer under the standard health benefit plan or any other health benefit plan sold by the insurer in the individual market;
- (2) Except as provided in subsection (3) of this section, an individual who has been a resident of Kentucky for at least twelve (12) months shall be entitled to have coverage issued from the insurer under the standard health benefit plan or any other health benefit plan sold by the insurer in the individual market, ***except that an individual shall not be eligible for coverage if the individual has, or is eligible for, on the date of application for individual coverage, substantially similar coverage under a group contract or policy. If an individual is ineligible for coverage under this subsection, that individual's spouse or dependents shall not be precluded from eligibility for coverage in the individual market. As used in this subsection, "eligible for" includes any individual who was eligible for group coverage but who waived that coverage. That individual shall be ineligible for coverage in the individual market through the period of waived coverage;*** and
- (3) Except as provided in subsection (4) of this section, if the individual is a guaranteed acceptance program qualified individual and the insurer is a guaranteed acceptance program participating insurer, then the individual shall be entitled to have coverage issued under either:
  - (a) The standard health benefit plan; or
  - (b) The insurer's two (2) health benefit plans, other than the standard health benefit plan, sold by it in the individual market in Kentucky, or in the applicable marketing or service area as may be prescribed by the commissioner by administrative regulation, with the largest annual premium volume; except that the insurer shall make all necessary adjustments to the health benefit plans sold so that they qualify as a guaranteed acceptance program plan and can be included in the guaranteed acceptance program risk adjustment process. During the period of July 1, 1998, to June 30, 1999, the guaranteed acceptance program participating insurer may designate upon approval of the commissioner any health benefit plans made generally available to, and actively marketed in, the individual market as this option. The insurer shall make all necessary adjustments to the designated health benefit plans so that they qualify as a guaranteed acceptance program plan and can be included in the guaranteed acceptance program risk adjustment process.
- (4) If the insurer does not generally operate in the individual market and has elected under KRS 304.17A-420(3)(a) to be a guaranteed acceptance program participating insurer without generally operating in the individual market, then an individual who is a guaranteed acceptance program qualified individual shall be entitled to have coverage issued from that insurer only under the standard health benefit plan.
- (5)
  - (a) No insurer, who was not offering health benefit plans in Kentucky on January 1, 1998, shall be required to accept annually under this section individuals who, in the aggregate, would cause the insurer to have a total number of new insureds with high-cost conditions as defined in KRS ~~304.17A-005(19)~~ **304.17A-005(20)** or which exceed an insurer's underwriting guidelines as approved by the commissioner under KRS 304.17A-430(3)(b) per year that is more than one-half of one per cent (0.5%) of the total number of individuals insured by the insurer under individual health benefits plans issued or issued for delivery in the Commonwealth, calculated as of the immediately preceding thirty-first day of December.
  - (b) The commissioner shall, by administrative regulation, establish equitable enrollment limits for the first twelve (12) months, and any remaining portion of the calendar year after the expiration of that twelve (12) month period, in which an insurer first begins doing business in the individual market. These limits shall be based on the insurer's quarterly enrollment in health benefit plans offered in the individual market in the Commonwealth.
  - (c) An officer of the insurer shall certify to the department when it has met the enrollment limit established in this subsection. Upon providing this certification, the insurer shall be relieved of its guaranteed issue requirement under this section for the remainder of the calendar year.
  - (d) If all insurers that are required to offer coverage on a guaranteed-issue basis meet the enrollment limit established in this subsection prior to the end of the calendar year, then all such insurers shall again

accept individuals for guaranteed issue coverage, subject to the enrollment limit established in this subsection.

- (e) If certification of the enrollment limit would leave any county in the Commonwealth without an insurer to provide coverage in the individual market, the commissioner may require any insurer that meets the criteria in KRS 304.17A-420(1) to continue to offer coverage in that county. The commissioner shall proportionally increase the enrollment limit under this subsection for all other insurers that do not meet the criteria of KRS 304.17A-420(1).
- (6) An insurer that elects to use the alternative underwriting mechanism under KRS 304.17A-430(3) shall offer to those insureds who are subject to the alternative underwriting mechanism the standard plan and the two (2) plans offered by the insurer with the largest premium volume for the last calendar year.
- (7) For the purposes of this section and KRS 304.17A-250, insurers whose activities in the individual market are limited to the renewal of health benefit plans issued prior to July 15, 1995, shall not be deemed to be doing business in the individual market.
- (8) Subsections (1) to (7) of this section shall not apply to a health benefit plan offered by an insurer if the coverage is made available in the individual market only through one (1) or more bona fide associations.

Section 10. KRS 304.17A-430 is amended to read as follows:

- (1) A health benefit plan shall be considered a program plan and is eligible for inclusion in calculating assessments and refunds under the program risk adjustment process if it meets all of the following criteria:
  - (a) The health benefit plan was purchased by an individual to provide benefits for only one (1) or more of the following: the individual, the individual's spouse, or the individual's children. Health insurance coverage provided to an individual in the group market or otherwise in connection with a group health plan does not satisfy this criteria even if the individual, or the individual's spouse or parent, pays some or all of the cost of the coverage unless the coverage is offered in connection with a group health plan that has fewer than two (2) participants as current employees on the first day of the plan year;
  - (b) An individual entitled to benefits under the health benefit plan has been diagnosed with a high-cost condition on or before the effective date of the individual's coverage for coverage issued on a guarantee-issue basis after July 15, 1995;

The Kentucky Science and Engineering Foundation shall be a means to extend and expand the highly successful Kentucky Experimental Program to Stimulate Competitive Research, known as EPSCoR, which has leveraged state matching funds to bring additional federal research dollars to Kentucky, giving a return on the state's investment in this program by a multiple of three for every dollar of state funds invested in EPSCoR. The Kentucky Science and Engineering Foundation, expanding on the existing EPSCoR program and funding, shall be modeled in part on the National Science Foundation and shall make its own investments in peer-reviewed science and engineering research, to accelerate the rate of research and development funds and work to increase the amount of federal and private sector funds for this work in Kentucky.

Section 23. The General Assembly realizes that while certain Kentucky manufacturing sectors have experienced impressive growth in the last two decades, the global economy of the twenty-first century requires profound changes if citizens of the Commonwealth are to be players in the American and world economy. Information technology, communications, and intellectual capital, rather than energy and raw materials, power today's economy. The driving forces of the new economy are ideas, knowledge services, and higher-order skills. The following findings related to the current state of the Commonwealth indicate our need for immediate legislative action:

- (1) In the area of innovation and invention, Kentucky currently underperforms no less than 46 other states in production of patents per million population;
- (2) In the area of education, in 1998 only 4% of Kentucky's twelfth-graders took advanced placement courses in science, and only 44% of these students passed advanced placement science exams, and for the last decade Kentucky has ranked no better than 45th in the number of science and engineering graduate students per 100,000 population;
- (3) In the area of research, Kentucky receives only 2.8 of the Small Business Innovation Research grants per 100,000 population, compared to 116.2 grants in the top-performing states, and for the last decade Kentucky has ranked no better than 46th in research and development expenditures per person; and
- (4) In the area of entrepreneurship, in 1998 Kentucky created only 2.4 new firms per 1,000 state residents compared to leader states creating almost 7 companies per 1,000 residents, and despite recent gains, in 1999 Kentucky ranked 47th in the number of very fast growth companies in the country, and in 1997, Kentucky ranked 48th in self-employment, and Kentucky has had no technology sector initial public offerings issued from 1997 through October 1999.

Section 24. This Act shall be called the Kentucky Innovation Act.

**CHAPTER 526****(SB 1)**

AN ACT relating to adult education.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

SECTION 1. A NEW SECTION OF KRS CHAPTER 151B IS CREATED TO READ AS FOLLOWS:

***The General Assembly recognizes that many adults need significant improvement in their knowledge and skills to be full participants in Kentucky's workforce and society, to develop and maintain healthy families, and to continue their education and training as necessary throughout their lifetimes. The General Assembly also recognizes that:***

- (1) Adult illiteracy is a fundamental barrier to every major challenge facing Kentucky, including early childhood education, education reform, economic development, and improving the health and well-being of Kentucky's families and communities;***
- (2) Kentucky must be committed to addressing the low level of education of the adult population from all dimensions of state and local government, all education institutions, business and civic leaders, voluntary organizations, and all others that interact with the problem of adult illiteracy; and***
- (3) Kentucky must have a multi-faceted strategy to address the diverse needs of the undereducated adult population in all counties and regions of the state.***

Section 2. KRS 164.003 is amended to read as follows:

- (1) The General Assembly hereby finds that:
  - (a) The general welfare and material well-being of citizens of the Commonwealth depend in large measure upon the development of a well-educated and highly-trained workforce;
  - (b) The education and training of the current and future workforce of the Commonwealth can provide its businesses and industries with the competitive edge critical to their success in the global economy and must be improved to provide its citizens the opportunity to achieve a standard of living in excess of the national average; and
  - (c) The positive advancement of the welfare of the citizens of the Commonwealth through the transmission of knowledge can only be achieved by the incorporation of ethical standards, the historic American moral principles promoted by the nation's Founding Fathers, into Kentucky public instruction, state educational training, and personal development of its teachers, students, and people, and affirms President George Washington's statement in his September 19, 1796, farewell address: "Of all the dispositions and habits which lead to political prosperity, Religion and morality are indispensable."
- (2) The General Assembly declares on behalf of the people of the Commonwealth the following goals to be achieved by the year 2020:
  - (a) A seamless, integrated system of postsecondary education strategically planned and adequately funded to enhance economic development and quality of life;
  - (b) A major comprehensive research institution ranked nationally in the top twenty (20) public universities at the University of Kentucky;
  - (c) A premier, nationally recognized metropolitan research university at the University of Louisville;
  - (d) Regional universities, with at least one (1) nationally recognized program of distinction or one (1) nationally recognized applied research program, working cooperatively with other postsecondary institutions to assure statewide access to baccalaureate and master's degrees of a quality at or above the national average;
  - (e) A comprehensive community and technical college system with a mission that assures, in conjunction with other postsecondary institutions, access throughout the Commonwealth to a two (2) year course of general studies designed for transfer to a baccalaureate program, the training necessary to develop a workforce with the skills to meet the needs of new and existing industries, and remedial and continuing education to improve the employability of citizens; and

- (f) An efficient, responsive, and coordinated system of **providers**~~{autonomous institutions}~~ that delivers educational services to **all adult** citizens in quantities and of a quality that is comparable to the national average **or above and significantly elevates the level of education of the adults of the Commonwealth.**
- (3) The achievement of these goals will lead to the development of a society with a standard of living and quality of life that meets or exceeds the national average.
- (4) The achievement of these goals will only be accomplished through increased educational attainment at all levels, and contributions to the quality of elementary and secondary education shall be a central responsibility of Kentucky's postsecondary institutions.
- (5) The furtherance of these goals is a lawful public purpose that can best be accomplished by a comprehensive system of postsecondary education with single points of accountability that ensure the coordination of programs and efficient use of resources.

Section 3. KRS 164.020 is amended to read as follows:

The Council on Postsecondary Education in Kentucky shall:

- (1) Develop and implement the strategic agenda with the advice and counsel of the Strategic Committee on Postsecondary Education. The council shall provide for and direct the planning process and subsequent strategic implementation plans based on the strategic agenda as provided in KRS 164.0203;
- (2) Revise the strategic agenda and strategic implementation plan with the advice and counsel of the committee as set forth in KRS 164.004;
- (3) Develop a system of public accountability related to the strategic agenda by evaluating the performance and effectiveness of the state's postsecondary system. The council shall prepare a report in conjunction with the accountability reporting described in KRS 164.095, which shall be submitted to the committee, the Governor, and the General Assembly by December 1 annually. This report shall include a description of contributions by postsecondary institutions to the quality of elementary and secondary education in the Commonwealth;
- (4) Review, revise, and approve the missions of the state's universities and the Kentucky Community and Technical College System. The Council on Postsecondary Education shall have the final authority to determine the compliance of postsecondary institutions with their academic, service, and research missions;
- (5) Establish and ensure that all postsecondary institutions in Kentucky cooperatively provide for an integrated system of postsecondary education. The council shall guard against inappropriate and unnecessary conflict and duplication by promoting transferability of credits and easy access of information among institutions;
- (6) Engage in analyses and research to determine the overall needs of postsecondary education **and adult education** in the Commonwealth;
- (7) Develop plans that may be required by federal legislation. The council shall for all purposes of federal legislation relating to planning be considered the "single state agency" as that term may be used in federal legislation. When federal legislation requires additional representation on any "single state agency," the Council on Postsecondary Education shall establish advisory groups necessary to satisfy federal legislative or regulatory guidelines;
- (8) Determine tuition and approve the minimum qualifications for admission to the state postsecondary educational system. In determining the tuition for non-Kentucky residents, the council shall consider the fees required of Kentucky students by institutions in adjoining states, the resident fees charged by other states, the total actual per student cost of training in the institutions for which the fees are being determined, and the ratios of Kentucky students to non-Kentucky students comprising the enrollments of the respective institutions, and other factors the council may in its sole discretion deem pertinent;
- (9) Devise, establish, and periodically review and revise policies to be used in making recommendations to the Governor for consideration in developing recommendations to the General Assembly for appropriations to the universities,~~{and}~~ the Kentucky Community and Technical College System, **and to support strategies for persons to maintain necessary levels of literacy throughout their lifetimes including, but not limited to, appropriations to the Department for Adult Education and Literacy.** The council has sole discretion, with advice of the Strategic Committee on Postsecondary Education and the executive officers of the postsecondary education system, to devise policies that provide for allocation of funds among the universities and the Kentucky Community and Technical College System;

- (10) Lead and provide staff support for the biennial budget process as provided under KRS Chapter 48, in cooperation with the committee;
- (11)
  - (a) Except as provided in paragraph (b) of this subsection, review and approve all capital construction projects covered by KRS 45.750(1)(f), including real property acquisitions, and regardless of the source of funding for projects or acquisitions. Approval of capital projects and real property acquisitions shall be on a basis consistent with the strategic agenda and the mission of the respective universities and the Kentucky Community and Technical College System.
  - (b) The organized groups that are establishing community college satellites as branches of existing community colleges in the counties of Laurel, Leslie, and Muhlenberg, and that have substantially obtained cash, pledges, real property, or other commitments to build the satellite at no cost to the Commonwealth, other than operating costs that shall be paid as part of the operating budget of the main community college of which the satellite is a branch, are authorized to begin construction of the satellite on or after January 1, 1998;
- (12) Require reports from the executive officer of each institution it deems necessary for the effectual performance of its duties;
- (13) Develop a university track program within the Kentucky Community and Technical College System consisting of sixty (60) hours of instruction that can be transferred and applied toward the requirements for a bachelor's degree at the public universities. The track shall consist of general education courses and pre-major courses as prescribed by the council. Courses in the university track program shall transfer and apply toward the requirements for graduation with a bachelor's degree at all public universities. Successful completion of the university track program shall meet the academic requirement for transfer to a public university as a junior. By fall semester of 1997, requirements for track programs shall be established for all majors and baccalaureate degree programs;
- (14) Define and approve the offering of all postsecondary education technical, associate, baccalaureate, graduate, and professional degree, certificate, or diploma programs in the public postsecondary education institutions. The council shall expedite wherever possible the approval of requests from the Kentucky Community and Technical College System board of regents relating to new certificate, diploma, technical, or associate degree programs of a vocational-technical and occupational nature. Without the consent of the General Assembly, the council shall not abolish or limit the total enrollment of the general program offered at any community college to meet the goal of reasonable access throughout the Commonwealth to a two (2) year course of general studies designed for transfer to a baccalaureate program. This does not restrict or limit the authority of the council, as set forth in this section, to eliminate or make changes in individual programs within that general program;
- (15) Eliminate, in its discretion, existing programs or make any changes in existing academic programs at the state's postsecondary educational institutions, taking into consideration these criteria:
  - (a) Consistency with the institution's mission and the strategic agenda;
  - (b) Alignment with the priorities in the strategic implementation plan for achieving the strategic agenda;

The authority includes, but is not limited to, contractual arrangements for programs of research, specialized training, and cultural enrichment;
- (22) Maintain procedures for the approval of a designated receiver to provide for the maintenance of student records of the public institutions of higher education and the colleges as defined in KRS 164.945, and institutions operating pursuant to KRS 165A.310 which offer collegiate level courses for academic credit, which cease to operate. recommend any needed changes to the General Assembly, the Governor, and the State Board for Elementary and Secondary Education. Districts which contract to furnish transportation to students attending nonpublic schools may adopt any payment formula which assures that no public school funds are used for the transportation of nonpublic students.

- (3) The program to support education excellence in Kentucky shall be fully implemented by the 1994-95 school year. No district shall receive an annual increase in state funds of less than eight percent (8%) for 1990-91 and five percent (5%) in 1991-92 or more than twenty-five percent (25%) in either year.
- (4)
  - (a) Except for those schools which have implemented school-based decision making, the chief state school officer shall enforce maximum class sizes for every academic course requirement in all grades except in vocal and instrumental music, and physical education classes. Except as provided in subsection (5) of this section, the maximum number of pupils enrolled in a class shall be as follows:
    1. Twenty-four (24) in primary grades (kindergarten through third grade);
    2. Twenty-eight (28) in grade four (4);
    3. Twenty-nine (29) in grades five (5) and six (6);
    4. Thirty-one (31) in grades seven (7) to twelve (12);
  - (b) Except for those schools which have implemented school-based decision making, class size loads for middle and secondary school classroom teachers shall not exceed the equivalent of one hundred fifty (150) pupil hours per day.
  - (c) The chief state school officer, upon approval of the Kentucky Board of Education, shall adopt administrative regulations for enforcing this provision. These administrative regulations shall include procedures for a superintendent to request an exemption from the Kentucky Board of Education when unusual circumstances warrant an increased class size for an individual class. A request for an exemption shall include specific reasons for the increased class size with a plan for reducing the class size prior to the beginning of the next school year. A district shall not receive in any one (1) year exemptions for more classes than enroll twenty percent (20%) of the pupils in the primary grades and grades four (4) through eight (8).
  - (d) In all schools the chief state school officer shall enforce the special education maximum class sizes set by administrative regulations adopted by the Kentucky Board of Education. A superintendent may request an exemption pursuant to paragraph (c) of this subsection. A local school council may request a waiver pursuant to KRS 156.160(2). An exemption or waiver shall not be granted if the increased class size will impede any exceptional child from achieving his individual education program in the least restrictive environment.
- (5) In grades four (4) through six (6) with combined grades, the maximum class size shall be the average daily attendance upon which funding is appropriated for the lowest assigned grade in the class. There shall be no exceptions to the maximum class size for combined classes. In combined classes other than the primary grades, no ungraded students shall be placed in a combined class with graded students. In addition, there shall be no more than two (2) consecutive grade levels combined in any one (1) class in grades four (4) through six (6). However, this shall not apply to schools which have implemented school-based decision making.
- (6) If a local school district, through its admission and release committee, determines that an appropriate program in the least restrictive environment for a particular child with a disability includes either part-time or full-time enrollment with a private school or agency within the state or a public or private agency in another state, the school district shall count as average daily attendance in a public school the time that the child is in attendance at the school or agency, contingent upon approval by the chief state school officer.
- (7) Pupils attending a center for child learning and study established under an agreement pursuant to KRS 65.210 to 65.300 shall, for the purpose of calculating average daily attendance, be considered as in attendance in the school district in which the child legally resides and which is party to the agreement. For purposes of subsection (1) of this section, teachers who are actually employees of the joint or cooperative action shall be considered as employees of each school district which is a party to the agreement.
- (8) Program funding shall be increased when the average daily attendance in any district for the first two (2) months of the current school year is greater than the average daily attendance of the district for the first two (2) months of the previous school year. The program funds allotted the district shall be increased by the percent of

increase. The average daily attendance in kindergarten is the kindergarten full-time equivalent pupils in average daily attendance.

- (9) If the average daily attendance for the current school year in any district decreases by ten percent (10%) or more than the average daily attendance for the previous school year, the average daily attendance for purposes of calculating program funding for the next school year shall be increased by an amount equal to two-thirds ( $\frac{2}{3}$ ) of the decrease in average daily attendance. If the average daily attendance remains the same or decreases in the succeeding school year, the average daily attendance for purposes of calculating program funding for the following school year shall be increased by an amount equal to one-third ( $\frac{1}{3}$ ) of the decrease for the first year of the decline.
- (10) If the percentage of attendance of any school district shall have been reduced more than two percent (2%) during the previous school year, the program funding allotted the district for the current school year shall be increased by the difference in the percentage of attendance for the two (2) years immediately prior to the current school year less two percent (2%).
- (11)
  - (a) Instructional salaries for vocational agriculture classes shall be allotted for twelve (12) months per year. Vocational agriculture teachers shall be responsible for the following program of instruction during the time period beyond the regular school term established by the local board of education: supervision and instruction of students in agriculture experience programs; group and individual instruction of farmers and agribusinessmen; supervision of student members of agricultural organizations who are involved in leadership training or other activity required by state or federal law; or any program of vocational agriculture established by the Division of Secondary Vocational Education in the Department of Education. Salary allotments for vocational agriculture teachers shall be computed by proportionately increasing the salary schedule allocation based on the regular one hundred eighty-five (185) day school year for teachers with comparable qualifications and experience. During extended employment, no vocational agriculture teacher shall receive salary on a day that the teacher is scheduled to attend an institution of higher education class which could be credited toward meeting any certification requirement.
  - (b) Each teacher of agriculture employed shall submit an annual plan for summer program to the local school superintendent for approval. The summer plan shall include a list of tasks to be performed, purposes for each task, and time to be spent on each task. Approval by the local school superintendent shall be in compliance with the guidelines developed by the State Department of Education. The supervision and accountability of teachers of vocational agriculture's summer programs shall be the responsibility of the local school superintendent. The local school superintendent shall submit to the chief state school officer a completed report of summer tasks for each vocational agriculture teacher. Twenty percent (20%) of the approved vocational agriculture programs shall be audited annually by the State Department of Education to determine that the summer plan has been properly executed.
  - (c) For the 1990-91 and the 1991-92 school years, an add-on appropriation shall be made to local school districts which are operating secondary vocational education programs. The amount provided in the budget shall be allocated on a per pupil basis and shall be used to meet the higher per student cost of operating vocational education programs.
- (12)
  - (a) In allotting program funds for home and hospital instruction, statewide guaranteed base funding, excluding the capital outlay, shall be allotted for each child in average daily attendance in the prior school year who has been properly identified according to Kentucky Board of Education administrative regulations. Attendance shall be calculated pursuant to KRS 157.270 and shall be reported monthly on forms provided by the Department of Education; and
  - (b) Pursuant to administrative regulations of the Department of Education, local school districts shall be reimbursed for home and hospital instruction for pupils unable to attend regular school sessions because of short term health impairments. A reimbursement formula shall be established by administrative regulations to include such factors as a reasonable per hour, per child allotment for teacher instructional time, with a maximum number of funded hours per week, a reasonable allotment for teaching supplies and equipment, and a reasonable allotment for travel expenses to and from instructional assignments, but the formula shall not include an allotment for capital outlay. Attendance shall be calculated pursuant to KRS 157.270 and shall be reported monthly on forms provided by the Department of Education.

- (13) Except for those schools which have implemented school-based decision making and the school council has voted to waive this subsection, kindergarten aides shall be provided for each twenty-four (24) full-time equivalent kindergarten students enrolled.

If Congress changes substantially the federal income tax, the cabinet shall make the change in these tables necessary to compensate for any increase or decrease in the deductible federal income tax.
- (6) The cabinet may permit the use of accounting machines to calculate the proper amount to be deducted from wages when the calculation so permitted produces substantially the same result set forth in the tables authorized by KRS 141.370. Prior approval of the calculation shall be secured from the cabinet at least thirty days before the first payroll period for which it is to be used.
- (7) The cabinet may, by regulations, authorize employers:

The additional withholding shall for all purposes be considered tax required to be deducted and withheld under this chapter.

The amount of the offset shall be two-thirds (2/3) of the amount of the assessment fee withheld from the employee. ~~If the Kentucky income tax to be withheld from the employee under this section is greater than two-thirds (2/3) of the job assessment fee set forth above, or four-fifths (4/5) if the agreement under KRS 154.26-090(1)(d)2.b. is consummated, the offset shall be four-fifths (4/5) of the assessment fee the excess shall be withheld.~~
- (12) Any employer required by this section to withhold Kentucky income tax who assesses and withholds from employees the job development assessment fee provided in *Section 11 of this Act* ~~KRS 154.22-070~~ may offset a portion of the fee against the Kentucky income tax required to be withheld from the employee under this section. The amount of the offset shall be equal to the *Commonwealth's contribution as determined by subsections (1) to (3) of Section 11 of this Act* ~~amount of the assessment fee withheld from the employee~~.
- (13) Any employer required by this section to withhold Kentucky income tax may be required to post a bond with the cabinet. The bond shall be a corporate surety bond or cash. The amount of the bond shall be determined by the cabinet, but shall not exceed fifty thousand dollars (\$50,000).
- (14) The Commonwealth may bring an action for a restraining order or a temporary or permanent injunction to restrain or enjoin the operation of an employer's business until the bond is posted or the tax required to be withheld is paid or both. The action may be brought in the Franklin Circuit Court or in the Circuit Court having jurisdiction of the defendant.

All branches of state and local government shall, to the extent reasonable and appropriate, comply with such requests for information.*
- (4) *The authority shall promulgate administrative regulations that require a water supply and distribution system receiving or seeking funding to provide current information regarding the financial, managerial, and technical aspects of its system and, thereafter, to furnish updates to the information so provided.*

- (2) *Fifty percent (50%) of the moneys received in the tobacco settlement agreement fund from Master Settlement Agreement funding after June 30, 2000, along with accrued interest, shall be allocated within twenty (20) days of receipt of the moneys to the agricultural development fund created in House Bill 583 of the 2000 Regular Session of the General Assembly. The moneys received in the fund, along with the accrued interest, shall be further allocated as follows:*
  - (a) *For the life of the Phase II payment program, funds in the agricultural development fund shall be set aside first to supplement Phase II funding when needed as outlined in Section 3 of this Act; and*

    1. *Thirty-five percent (35%) to the counties account provided in subsection (1)(b)1. of this section; and*
    2. *Sixty-five percent (65%) for other projects throughout the state.*
- (3) *The allocation within the counties account in the agricultural development fund for each county shall be assured for use in each county and shall be based on the following weighted factors:*
  - (a) *Fifty percent (50%) weight to the county's percentage of the state's tobacco allotment based on 1999 data;*
  - (b) *Twenty-five percent (25%) weight to the county's number of farms with tobacco quotas in the county as a percentage of farms with tobacco quotas statewide, based on 1999 data; and*
  - (c) *Twenty-five percent (25%) weight to the economic impact index for each county which shall be calculated in the following manner:*

    2. *The percentage derived in subparagraph 1. of this paragraph (tobacco income as a percentage of total personal income for each county) shall then be summed across all counties.*
    3. *The economic impact index amount shall be each county's tobacco income as a percentage of total personal income, divided by the aggregate percentage stated in subparagraph 2. of this paragraph.*
- (4) *When a county's allocation is exhausted, applicants from that county may apply for funds from the other sixty-five percent (65%) of the moneys in the agricultural development fund. Failure by a county to exhaust its county allocation shall not preclude the county from receiving the benefits of a proposal approved by the board from state funds.*
- (5) *Any funds directly appropriated by the General Assembly shall be assessed against the percentage of funds allocated to the state portion of the agricultural development fund.*
- (6) *Interest earned on any moneys in any fund or account created in Sections 1 to 14 of this Act shall accrue to that fund or account until transferred to another fund or account created or referenced in Sections 1 to 14 of this Act.*
- (7) *None of the moneys left at the end of a fiscal year in any fund or account created or referenced in Sections 1 to 14 of this Act shall lapse, but shall stay with the fund or account as long as the fund or account exists, or until the moneys are transferred to another fund or account created or referenced in Sections 1 to 14 of this Act. In the case of any fund or account created in Sections 1 to 14 of this Act that is terminated with a remaining balance, the balance shall remain in the agricultural development fund.*

SECTION 3. A NEW SECTION OF KRS CHAPTER 248 IS CREATED TO READ AS FOLLOWS:

- (1) *Forty million dollars (\$40,000,000) of the moneys credited to the agricultural development fund as set out in subsection (1)(a) of Section 2 of this Act shall be set aside to supplement Phase II on the effective date of*

*this Act. Additional funds shall be set aside to supplement Phase II funding as needed from moneys credited to the agricultural development fund after June 30, 2000.*

- (2) Phase II payments shall be supplemented each year for tobacco growers and quota owners so that the total amount available for payment is maintained at one hundred fourteen million dollars (\$114,000,000) each year. If the Phase II supplement set aside referred to in subsection (1) of this section falls below the amount needed to reach the one hundred fourteen million dollar (\$114,000,000) level in any year before the end of the twelve (12) year Phase II funding program, procedures outlined in subsection (3) of this section shall be followed.*
- (3) (a) If the moneys set aside for Phase II supplement before June 30, 2000, become insufficient to continue to meet the yearly one hundred fourteen million dollar (\$114,000,000) funding level, moneys needed to supplement Phase II funding to maintain funding at the 1999 level of one hundred fourteen million dollars (\$114,000,000) per year for each of the remaining eleven (11) years of the Phase II funding program shall continue to be provided to the Phase II set aside from funds received in the tobacco settlement agreement fund after June 30, 2000. As Master Settlement Agreement funding becomes available after June 30, 2000, for calendar year 2001 and each year thereafter for the life of the Phase II payment program, the moneys needed for the Phase II supplement to assure availability of the one hundred fourteen million dollar (\$114,000,000) funding level for that year shall be taken from the agricultural development fund. When a determination is made that funds are needed, funds shall be taken from the agricultural development fund before any other distributions are made following the next master settlement payment in April of each year. On the last year of distribution of the Phase II supplement funds, any excess funds beyond those needed to reach the one hundred fourteen million dollar (\$114,000,000) level shall be returned to the agricultural development fund.*  
*(b) Notwithstanding the provisions of paragraph (a) of this subsection, if the moneys required to supplement the Phase II funding at the one hundred fourteen million dollar (\$114,000,000) level are less than twenty million dollars (\$20,000,000) in a year, the amount shall be deferred to a later year until at least a deficit of twenty million dollars (\$20,000,000) is achieved before supplement payments are made.*
- (4) The Tobacco Settlement Trust Corporation created in House Bill 96 of the 2000 Regular Session of the General Assembly shall provide for distribution of the Phase II supplement funds. The corporation shall use the same formula and process for distribution of the Phase II supplement funds as it uses for distributions under the regular Phase II payment program, except that the corporation shall send the list of supplement payment recipients to the Revenue Cabinet rather than to the trustee of the National Tobacco Grower Settlement Trust. The Revenue Cabinet shall process the information and issue the checks at no charge to the Agricultural Development Board. The Phase II supplement funds shall be identified as supplement funds when distributed to tobacco growers and quota owners.*

- (1) *A prisoner in a county jail shall be required by the sentencing court to reimburse the county for expenses incurred by reason of the prisoner's confinement as set out in this section, except for good cause shown.*
- (2) (a) *The jailer may adopt, with the approval of the county's governing body, a prisoner fee and expense reimbursement policy, which may include, but not be limited to, the following:*
  1. *An administrative processing or booking fee;*
  2. *A per diem for room and board of not more than fifty dollars (\$50) per day or the actual per diem cost, whichever is less, for the entire period of time the prisoner is confined to the jail;*
  3. *Actual charges for medical and dental treatment; and*
  4. *Reimbursement for county property damaged or any injury caused by the prisoner while confined to the jail.*
- (b) *Rates charged may be adjusted in accordance with the fee and expense reimbursement policy based upon the ability of the prisoner confined to the jail to pay, giving consideration to any legal obligation of the prisoner to support a spouse, minor children, or other dependents. The prisoner's interest in any jointly owned property and the income, assets, earnings, or other property owned by the prisoner's spouse or family shall not be used to determine a prisoner's ability to pay.*
- (3) *The jailer or his designee may bill and attempt to collect any amount owed which remains unpaid. The governing body of the county may, upon the advice of the jailer, contract with one (1) or more public agencies or private vendors to perform this billing and collection. Within twelve (12) months after the date of the prisoner's release from confinement, the county attorney, jailer, or the jailer's designee, may file a civil action to seek reimbursement from that prisoner for any amount owed which remains unpaid.*
- (4) *Any fees or reimbursement received under this section shall be forwarded to the county treasurer for placement in the jail's budget.*
- (5) *The governing body of the county may require a prisoner who is confined in the county jail to pay a reasonable fee, not exceeding actual cost, for any medical treatment or service received by the prisoner. However, no prisoner confined in the jail shall be denied any necessary medical care because of inability to pay.*
- (6) *Payment of any required fees may be automatically deducted from the prisoner's property or canteen account. If the prisoner has no funds in his account, a deduction may be made creating a negative balance. If funds become available or if the prisoner reenters the jail at a later date, the fees may be deducted from the prisoner's property or canteen account.*
- (7) *Prior to the prisoner's release, the jailer or his designee may work with the confined prisoner to create a reimbursement plan to be implemented upon the prisoner's release. At the end of the prisoner's incarceration, the prisoner shall be presented with a billing statement produced by the jailer or designee. After the prisoner's release, the jailer or his designee may, after negotiation with the prisoner, release the prisoner from all or part of the prisoner's repayment obligation if the jailer believes that the prisoner will be unable to pay the full amount due.*
- (8) *No per diem shall be charged to any prisoner who is required to pay a work release fee pursuant to KRS 439.179, a prisoner that has been ordered to pay a reimbursement fee by the court pursuant to KRS 534.045, or that the Department of Corrections is financially responsible for housing.*
- (9) *No medical reimbursement, except that provided for in KRS 441.045, shall be charged to any prisoner that the Department of Corrections is financially responsible for housing.*

- (7) Renewal of a policy shall not constitute a waiver or estoppel with respect to grounds for cancellation which existed before the effective date of the renewal.
- (8) If the insurer has manifested its willingness to renew by mailing or delivering a renewal notice, bill, certificate, or policy to the first-named insured at his last known address at least thirty (30) days before the end of the current policy period with the amount of the renewal premium charge and its due date clearly set forth therein,

then the policy shall expire and terminate without further notice to the insured on the due date, unless the renewal premium is received by the insurer or its authorized agent on or before that date. When any policy terminates pursuant to this subsection because the renewal premium was not received on or before the due date, the insurer shall, within fifteen (15) days, deliver or mail to the first-named insured at his last known address a notice that the policy was not renewed and the date on which the coverage under it ceased to exist.

- (9) (a) Proof of mailing of renewal premium to the insurer or its agent, when authorized, on or before the due date, shall constitute a presumption of receipt pursuant to subsection (8) of this section.
- (b) Proof of mailing of notice of cancellation or of intention not to renew or of reasons for cancellation or nonrenewal to the named insured at the address shown in the policy shall be sufficient proof of notice.
- (10) No insurer shall impose or request an additional premium higher than its standard premium for automobile insurance, cancel or refuse to issue a policy, or refuse to renew a policy solely because the insured or the applicant is an individual with a disability, so long as the disability does not substantially impair the person's mechanically assisted driving ability.
- (11) When an automobile liability insurance policy is canceled other than for nonpayment of premium, or in the event of failure to renew a policy of automobile liability insurance, the insurer shall notify the named insured of his possible eligibility for automobile liability insurance coverage through the Kentucky automobile assigned risk plan. The notice shall accompany or be included in the notice of cancellation or the notice of intent not to renew. The notice shall also inform the insured that he may, within **seven (7)**~~four (4)~~ days, request the commissioner in writing to determine whether there is sufficient reason to cancel or not to renew the policy. Within fourteen (14) days of receiving such a written request, the commissioner shall send his findings to the insurer and to the insured. When he sends his findings, the commissioner shall notify both parties of their right to request a hearing under KRS 304.2-310(2)(b) **and KRS Chapter 13B**. The party requesting the hearing shall give the commissioner written confirmation of attendance at the hearing not more than five (5) days before, nor less than forty-eight (48) hours before, the scheduled hearing. If the requesting party fails to give the required written confirmation, the commissioner shall cancel the hearing.
- (12) The reason for nonrenewal or cancellation shall accompany or be included in the notice of nonrenewal or cancellation.
- (13) Except where the maximum limits of coverage have been purchased, every notice of first renewal shall include a provision or be accompanied by a notice stating in substance that added uninsured motorists, underinsured motorists, and personal injury protection coverages may be purchased by the insured.
- (14) There shall be no liability on the part of and no cause of action of any nature shall arise against the commissioner or against any insurer, its authorized representative, its agents, its employees, or any firm, person, or corporation furnishing to the insurer information as to reasons for cancellation or nonrenewal, for any statement made by any of them in any written notice of cancellation or nonrenewal, or in any other communication, oral or written, specifying the reasons for cancellation or nonrenewal, or the providing of information pertaining thereto, or for statements made or evidence submitted at any hearings conducted in connection therewith.
- (15) (a) ***If the commissioner determines that an insurer has violated any provision of this section, the commissioner may require the insurer to:***
  - 1. ***Accept the application or written request for insurance coverage at a rate and on the same terms and conditions as are available to other risks similarly situated;***
  - 2. ***Reinstate insurance coverage to the end of the policy period; or***
  - 3. ***Continue insurance coverage at a rate and on the same terms and conditions as are available to other risks similarly situated;***
- (b) ***As to any person who has violated any provisions of this section, the commissioner may:***
  - 1. ***Issue a cease and desist order to restrain the person from engaging in practices that violate this section;***
  - 2. ***Suspend or revoke the person's license or certificate of authority;***
  - 3. ***Assess a civil penalty against the person in accordance with KRS 304.99-020; or***
  - 4. ***Take any combination of the actions specified in this paragraph.***

Such notice of cancellation shall be mailed or delivered by the insurer to the named insured at least seventy-five (75) days prior to the effective date of the cancellation if the policy has been in effect more than sixty (60) days; **and**
  - (c) ***Proof of mailing of notice of cancellation or of reasons for cancellation to the named insured at the address shown in the policy shall be sufficient proof of notice.***
- (3) Nonrenewals.
  - (a) No insurer shall refuse to renew a property or casualty insurance policy subject to KRS 304.20-300 to 304.20-350 unless at least seventy-five (75) days before the end of the policy period as described in KRS 304.20-310(1), the insurer shall mail or deliver to the named insured, at the last known address of the named insured, written notice of the insurer's intention not to renew the policy upon expiration of the current policy period with a written explanation of the specific reason or reasons for the nonrenewal;
  - (b) If notice is not provided pursuant to paragraphs (a) and (b) of this subsection, coverage shall be deemed to be renewed for the ensuing policy period upon payment of the appropriate premium under the same terms and conditions, and subject to the provisions of KRS 304.20-330, until the named insured has accepted replacement coverage with another insurer, or until the named insured has agreed to the nonrenewal;
  - (c) If the insurer has manifested its willingness to renew by mailing or delivering of a renewal notice, bill, certificate, or policy to the first named insured at his last known address at least thirty (30) days before the end of the current policy period with the amount of the renewal premium charge and its due date clearly set forth therein, then the policy shall expire and terminate without further notice to the insured on the due date unless the renewal premium is received by the insurer or its authorized agent on or before that date. When any policy terminates pursuant to this subsection because the renewal premium was not received on or before the due date, the insurer shall, within fifteen (15) days, deliver or mail to the first named insured at his last known address a notice that the policy was not renewed and the date on which the coverage under it ceased to exist;~~and~~
  - (d) Proof of mailing of renewal premium to the insurer or its agent, when authorized, on or before the due date shall constitute a presumption of receipt pursuant to paragraph (c) of this subsection; **and**

- (4) No insurer shall increase the premium for a property or casualty insurance policy subject to KRS 304.20-300 to 304.20-350 more than twenty-five percent (25%) of the premium for the preceding policy term for like coverage and like risks unless at least seventy-five (75) days before the end of the policy period as described in KRS 304.20-310(1), the insurer shall mail or deliver to the named insured, at the last known address of the named insured, a notice for the renewal premium amount and the insurer shall mail or deliver to its agent, if any, a duplicate notice of the premium amount. In order to comply with this requirement, the insurer may extend the period of coverage of the current policy at the expiring premium.

Section 3. KRS 304.20-340 is amended to read as follows:

The declination or termination of a policy of insurance subject to KRS 304.20-300 to 304.20-350 by an insurer or agent is prohibited if the declination or termination is:

- (1) Based solely upon the race, religion, nationality, ethnic group, age, sex, or marital status of the applicant or named insured;
- (2) Based solely upon the lawful occupation or profession of the applicant or named insured, except that this provision shall not apply to an insurer which limits its market to one (1) lawful occupation or profession or to several related lawful occupations or professions or to an insurer that does not provide the kind of insurance sought by the applicant;
- (3) Based solely upon the age or location of the residence or property of the applicant or named insured, unless such decision is for a business purpose which is not a mere pretext for unfair discrimination;
- (4) Based solely upon the fact that another insurer previously declined to insure the applicant or terminated an existing policy in which the applicant was the named insured;
- (5) Based solely upon the fact that the applicant or named insured previously obtained insurance through a residual market mechanism;

Section 4. KRS 304.20-042 is amended to read as follows:

- (1) No insurer shall **decline to issue, cancel, nonrenew, or otherwise terminate**~~refuse to issue automobile or~~ property and casualty insurance **contracts covering personal risks**~~to an applicant~~ solely because of ~~the~~ credit history, or lack of credit history~~, of the applicant~~.
- (2) **For purposes of this section, "personal risks" shall have the meaning as defined in KRS 304.13-011.**

Section 5. KRS 304.20-310 is amended to read as follows:

As used in KRS 304.20-320 to 304.20-350:

- (1) "Renewal" or "to renew" means the issuance and delivery by an insurer at the end of a policy period or term of a policy superseding a policy previously issued and delivered by the same insurer, or the issuance and delivery of a certificate or notice extending the term of an existing policy beyond its policy period or term. For the purpose of KRS 304.20-320 to 304.20-350, any policy period or term of less than six (6) months shall be considered to be a policy period or term of six (6) months and any policy period or term of more than one (1) year or any policy with no fixed expiration date shall be considered a policy period or term of one (1) year;

- (3) "Termination" means either a cancellation or nonrenewal of property or casualty insurance coverage in whole or in part. A cancellation occurs during the policy period or term as set forth in subsection (1) of this section. A nonrenewal occurs at the end of the policy period or term as set forth in subsection (1) of this section. For the purpose of KRS 304.20-320 to 304.20-350, the transfer of a policyholder between companies within the same insurance group shall be considered a termination, but requiring a reasonable deductible, reasonable changes in the amount of insurance, or reasonable reductions in policy limits or coverage shall not be considered a termination if such requirements are directly related to an increased hazard involved and are made on the renewal date for the policy;
- (4) "Declination" means either the refusal of an insurer to issue a property or casualty insurance policy upon receipt of a written nonbinding application or written request for coverage from its agent or an applicant, or refusal of an agent to transmit to an insurer a written nonbinding application or written request for coverage received from an applicant. However, if a trade association or other charitable or fraternal organization that is exempt from federal income taxation under Section 501(c) of the Internal Revenue Code is the employer, the statement need not list the names and addresses of every member of the association or organization, so long as the association or organization itself is listed;
  - (c) A brief description of the executive agency decision to which the engagement relates;
  - (d) The name of the executive agency or agencies to which the engagement relates; and
  - (e) Certification by the employer and executive agency lobbyist that the information contained in the registration statement is complete and accurate.
- (2) In addition to the initial registration statement required by subsection (1) of this section, each executive agency lobbyist, employer, and real party in interest shall file with the commission, not later than the last day of ~~January and~~ July of each year, an updated registration statement that confirms the continuing existence of each engagement described in an initial registration statement and that lists the specific executive agency decisions the executive agency lobbyist sought to influence under the engagement during the period covered by the updated statement, and with it any statement of expenditures required to be filed by KRS 11A.216 and any details of financial transaction required to be filed by KRS 11A.221.
- (3) If an executive agency lobbyist is engaged by more than one (1) employer, the executive agency lobbyist shall file a separate initial and updated registration statement for each engagement. If an employer engages more than one (1) executive agency lobbyist, the employer shall file only one (1) updated registration statement

under subsection (2) of this section, which shall contain the information required by subsection (2) of this section regarding all executive agency lobbyists engaged by the employer.

- (4) (a) A change in any information required by subsection (1)(a), (b), (c), (d), or (2) of this section shall be reflected in the next updated registration statement filed under subsection (2) of this section.

Any person so notified by the commission shall, not later than fifteen (15) days after receiving the notice, file a registration statement or an amended registration statement that includes all of the required information. - (9) If an employer who engages an executive agency lobbyist, or a real party in interest on whose behalf the executive agency lobbyist was engaged is the recipient of a contract, grant, lease, or other financial arrangement pursuant to which funds of the state or of an executive agency are distributed or allocated, the executive agency or any aggrieved party may consider the failure of the real party in interest, the employer, or the executive agency lobbyist to comply with this section as a breach of a material condition of the contract, grant, lease, or other financial arrangement.
- (10) Executive agency officials may require certification from any person seeking the award of a contract, grant, lease, or financial arrangement that the person, his employer, and any real party in interest are in compliance with this section.

  - (c) The extent of utilization of tangible personal property in a state is determined by multiplying the rents and royalties by a fraction, the numerator of which is the number of days of physical location of the property in the state during the rental or royalty period in the taxable year and the denominator of which is the number of days of physical location of the property everywhere during all rental or royalty periods in the taxable year. If the physical location of the property during the rental or royalty period is unknown or unascertainable by the corporation, the tangible personalty is utilized in the state in which the property was located at the time the rental or royalty payer obtained possession.

  - (c) A copyright is utilized in a state to the extent that printing or other publication originates in the state. If the basis of receipts from copyright royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the copyright is utilized in the state in which the corporation's commercial domicile is located.
- (8) Except as provided for in subsection (9) of this section, all business income shall be apportioned to this state by multiplying the income by a fraction, the numerator of which is the property factor plus the payroll factor plus the sales factor, and the denominator of which is three (3); provided, however, that effective with taxable years beginning after July 31, 1985, in lieu of the equally weighted three (3) factor apportionment fraction based on property, payroll, and sales, an apportionment fraction composed of a sales factor representing fifty percent (50%) of the fraction, a property factor representing twenty-five percent (25%) of the fraction, and a payroll factor representing twenty-five percent (25%) of the fraction shall be used.

Net annual rental rate is the annual rental rate paid by the corporation less any annual rental rate received by the corporation from subrentals, provided that the rental and subrentals are reasonable. If the cabinet determines that the annual rental or subrental rate is unreasonable, or if a nominal or zero (0) rate is charged, the cabinet may determine and apply the rental rate as will reasonably reflect the value of the property rented by the corporation.

- (c) 1. The sales factor is a fraction, the numerator of which is the total sales of the corporation in this state during the tax period, and the denominator of which is the total sales of the corporation everywhere during the tax period.
2. Sales of tangible personal property are in this state if:

3. Sales, other than sales of tangible personal property, are in this state if the income-producing activity is performed in this state; or the income-producing activity is performed both in and outside this state and a greater proportion of the income-producing activity is performed in this state than in any other state, based on costs of performance.
- (9) (a) If the allocation and apportionment provisions of this section do not fairly represent the extent of the corporation's business activity in this state, the corporation may petition for or the cabinet may require, in respect to all or any part of the corporation's business activity, if reasonable:
1. Separate accounting;
  2. The exclusion of any one (1) or more of the factors;

    - a. Total business income shall be multiplied by a fraction, the numerator of which shall be Kentucky receipts from the services for the tax period and the denominator of which shall be the total receipts everywhere from the services for the tax period.
    - b. For purposes of subdivision a. of this subparagraph, Kentucky receipts shall be determined by multiplying total receipts for the tax period from each separate investment company for which the services are performed by a fraction. The numerator of the fraction shall be the average of the number of shares owned by the investment company's shareholders domiciled in this state at the beginning of and at the end of the investment company's taxable year, and the denominator of the fraction shall be the average of the number of the shares owned by the investment company shareholders everywhere at the beginning of and at the end of the investment company's taxable year.
    - c. Nonbusiness income shall be allocated to this state as provided in subsections (4) through (7) of this section.

## PART III

## GENERAL PROVISIONS

1. The Director of the Administrative Office of the Courts with the approval of the Chief Justice may expend any of the funds appropriated for the court operation and administration in any lawful manner and for any legal purpose that the Chief Justice shall authorize or direct. No executive agency of state government shall have the power to restrict or limit the expenditure of funds appropriated to the judicial branch of government.

2. The Court of Justice shall not incur any obligation for any program against the General Fund appropriations contained in this Act unless that program may be reasonably determined to have been contemplated by the proposed judicial budget, as modified and enacted, and supported by the statutory budget memorandum and other pertinent records.

3. Appropriation items and sums in this Act conform to KRS 48.311. If any section, any subsection, or any provisions thereof shall be invalid or unconstitutional, the decision of the courts shall not affect or impair any of the remaining sections, subsections, or provisions.

4. Any appropriation item and sum in this Act and in an appropriation provision in another act of the 2000 General Assembly which constitutes a duplicate appropriation shall be governed by KRS 48.312.

5. KRS 48.313 shall control when a total or subtotal figure in this Act conflicts with the sum of the appropriations of which it consists.

6. Notwithstanding KRS 45.229, any unexpended balance remaining in the Court's restricted funds accounts or federal funds accounts at the close of the fiscal years ending June 30, 2000, and June 30, 2001, shall not lapse and shall continue into the next fiscal year.

7. Proposed revisions to restricted funds and federal funds appropriations in this Act shall be made and reported pursuant to KRS 48.630(10). The Director of the Administrative Office of the Courts shall notify on a timely basis the Legislative Research Commission of the most current estimates of anticipated receipts for the affected fiscal year and an accompanying statement which explains such variations from the anticipated amount.

8. The Chief Justice shall cause the Director of the Administrative Office of the Courts to prepare a final budget document reflecting the 2000-2002 biennial budget of the Court of Justice. A copy shall be provided to the Legislative Research Commission and an informational copy shall be furnished to the Finance and Administration Cabinet within sixty (60) days of the adjournment of the 2000 Regular Session of the General Assembly.

9. The Chief Justice shall establish rules of procedure on matters relating to the design, financing, and construction of court facilities. The Administrative Office of the Courts shall oversee the design, financing, and construction of court facilities. Capital costs, for the purpose of computing the maximum annual use allowance, shall not exceed the project scope as authorized by the General Assembly in this judicial branch budget unless increased and approved through the procedures outlined below.

The Administrative Office of the Courts shall assess the need for construction or renovation of court facilities throughout the Commonwealth and develop a project program for the construction or renovation of those court facilities that the Administrative Office of the Courts determines to be most in need of construction or renovation. Based on a needs assessment, the Administrative Office of the Courts shall develop a prioritized list of proposed court facilities projects and submit the list to the Chief Justice for approval and to the Court Facilities Standards Committee for informational purposes only. Upon approval by the Chief Justice, the Administrative Office of the Courts shall submit the prioritized list to the Capital Planning Advisory Board, by April 15 of 2001, in accordance with KRS 7A.120.

The Administrative Office of the Courts shall develop and maintain uniform contracts to be used by local units of government when procuring architectural, construction, financial, or other services relating to court facilities projects authorized by the General Assembly. Each county with a court project authorized by the 2000 General Assembly shall enter into a written memorandum of agreement with the Administrative Office of the Courts. Before the Administrative Office of the Courts submits its next budget request for court projects under KRS 48.050, each local unit of government that is expected to participate in financing a requested court project shall enter into a written memorandum of agreement with the Administrative Office of the Courts. The agreements shall be developed by the Administrative Office of the Courts, and shall specify the rights, duties, and obligations of the local unit of

government and the Administrative Office of the Courts relating to the project, and shall be contingent upon the project's authorization by the General Assembly.

No contract, and no modification to any contract, relating to the design, financing, or construction of court facilities projects authorized by the General Assembly shall be executed unless first reviewed and approved by the Administrative Office of the Courts. All court facilities projects, beginning with those authorized by the 2000 General Assembly, shall comply with the Kentucky standards for court facilities to be established by the Chief Justice and the Administrative Office of the Courts.

The use allowance in the judicial branch budget recommendation submitted under KRS 48.100 shall be determined as if bonds will be issued for a term of twenty (20) years at the prevailing market rate, computed from the estimated date that the Court of Justice will occupy the facility. If the market rate for the bonds assumed in the budget recommendation, including that in the recommendation for FY 2001-2002, has increased when the bonds are to be sold, the director of the Administrative Office of the Courts may approve an extension in the bond term, up to a total of twenty-five (25) years, but only as necessary to keep the annual use allowance within the budgeted amount. All bonds issued by any local unit of government for court facilities projects shall be limited to the term approved by the Administrative Office of the Courts.

Before approving any bond issue for a term exceeding twenty-five (25) years, the director of the Administrative Office of the Courts shall submit a proposal for the extended term to the Interim Joint Committee on Appropriations and Revenue and the Capital Projects and Bond Oversight Committee. The proposal shall include a statement of the necessity for the extended bond term and the impact of the extended term on the project's budgeted scope and authorized annual use allowance. Within thirty (30) days after receiving a proposal to extend a bond term beyond twenty-five (25) years, the Interim Joint Committee on Appropriations and Revenue and the Capital Projects and Bond Oversight Committee shall either approve or disapprove the proposal and shall then promptly notify the director of the Administrative Office of the Courts. If either committee disapproves the proposal, the director of the Administrative Office of the Courts shall take one (1) of the following actions and shall notify the committee of its decision in writing within thirty (30) days:

- (a) Disapprove and take no further action on the proposal;
- (b) Revise the proposal to comply with the committee's objections; or
- (c) Determine to approve and proceed with the proposal over the committee's objection.

The Court of Justice may agree to increase the budgeted scope of a court project or project pool authorized by the General Assembly, and may draw from the local facilities use allowance contingency fund to cover any resulting increase in the budgeted annual use allowance, if and only if:

- (a) The appropriate unit of government first submits a proposal for the increase to the Court Facilities Standards Committee, and the Court Facilities Standards Committee approves the increase; and
- (b) The annual use allowance for the project or project pool, adjusted for the proposed increase in scope, would not exceed the annual use allowance specified for that project or project pool in the multiyear use allowance schedule set out in the judicial branch budget bill or memorandum by more than fifteen percent (15%).

Before the Court of Justice gives final approval to an increase in the budgeted scope of an authorized project or project pool listed in a judicial branch budget bill which would result in an increased use allowance, the director of the Administrative Office of the Courts shall submit a proposal for the increase to the Capital Projects and Bond Oversight Committee at least fourteen (14) days prior to the committee meeting. Within thirty (30) days after receiving a proposal to increase the use allowance, the Capital Projects and Bond Oversight Committee shall either approve or disapprove the proposal and shall then promptly notify the director of the Administrative Office of the Courts of its decision. If the Capital Projects and Bond Oversight Committee disapproves the proposal, the director of the Administrative Office of the Courts shall take one (1) of the following actions and shall notify the committee of its decision in writing within thirty (30) days of receiving the committee's notice of disapproval:

- (a) Revise the proposal to comply with the committee's objections;
- (b) Cancel and take no further action on the proposal; or
- (c) Determine to implement the proposal over the committee's objection.

The Administrative Office of the Courts shall report to the Capital Projects and Bond Oversight Committee within thirty (30) days any action taken by the Court of Justice to approve a scope increase of a project within a pool which would increase the use allowance for that project. The Capital Projects and Bond Oversight Committee shall

maintain records of proposals, findings, decisions, and actions taken under this section. When appropriate, the committee shall provide this information to other legislative committees or to the General Assembly. The Administrative Office of the Courts shall provide to the Capital Projects and Bond Oversight Committee, at the committee's January, April, July, and October regular meetings, a status report on the progress of all incomplete court facilities projects.

On August 1 of each year, the Administrative Office of the Courts shall prepare a financial report on the court facility use allowance contingency fund for the fiscal year ending on June 30 of that year. The report shall include explanations, allotments, expenditures, encumbrances, and the available balance.

Upon request of the Administrative Office of the Courts, the Department for Local Government shall evaluate the financial condition of any local unit of government selected to participate in a court facilities construction or renovation project, and shall certify to the Administrative Office of the Courts the local unit of government's ability to participate in the project.

10. a. A fiscal court, by ordinance, may assess additional fees and costs, for the purpose of paying expenses for courthouses, bonds related to them, and administration thereof in Circuit Court and District Court:

(1) In civil cases, a fee of up to twenty-five dollars (\$25) may be added to filing fees.

b. A fiscal court, by ordinance, may assess additional fees on subpoena and civil summons service by the local sheriff, for the purpose of paying expenses for courthouses, bonds related to them, and administration thereof. The fees may be added as follows:

(1) In addition to the fees normally charged for the service of a subpoena, the person requesting service may be charged a fee of up to ten dollars (\$10).

(2) In addition to the fees normally charged for the service of a civil summons, the person requesting service may be charged a fee of up to ten dollars (\$10).

11. Funding for the Commonwealth's ten family courts has been granted with the intention that the Family Court Pilot Project be continued during fiscal year 2000-2001 and fiscal year 2001-2002. Continuation of the Family Court Pilot Project is in recognition that nine such family courts, located in geographically diverse locations across Kentucky, have been in operation for less than two years and additional time and experience are required to properly assess the success of the Family Court Project.

For the purposes of this chapter, the term "prepaid calling arrangements" means any right to purchase communications service, which must be paid in advance and which enables the origination of calls using an access number or authorization code, whether manually or electronically dialed. Prepaid calling arrangement includes, but is not limited to, prepaid cards and prepaid accounts which are decremented as calls take place.

SECTION 8. A NEW SECTION OF KRS CHAPTER 139 IS CREATED TO READ AS FOLLOWS:

- (1) *For the purpose of this section, "gross receipts" means:*
- (a) *Sales of tangible personal property in this state if:*

1. *The property is delivered or shipped to a purchaser, other than the United States government, or to the designee of the purchaser within this state regardless of the f.o.b. point or other conditions of the sale; or*
  2. *The property is shipped from an office, store, warehouse, factory, or other place of storage in this state and the purchaser is the United States government; and*
- (b) *Sales other than sales of tangible personal property in this state if the income-producing activity is performed in this state; or the income-producing activity is performed both in and outside this state and a greater proportion of the income-producing activity is performed in this state than in any other state, based on cost of performance, or gross receipt allocation method as provided by statute and elected by the taxpayer.*
- (2) *Any business whose communications service, subject to the sales tax imposed under KRS Chapter 139 and deducted for federal income tax purposes, exceeds five percent (5%) of the business's Kentucky gross receipts during the preceding calendar year is entitled to a refundable credit. The refundable credit shall be equal to the sales tax paid on the difference by which the communications service purchased by the business exceeds five percent (5%) of the business's Kentucky gross receipts.*
  - (3) *Any business that qualifies for the refundable credit authorized by subsection (2) of this section shall make an annual application for the refund on or after June 1, 2002, and on or after every June 1 thereafter. The application shall be made to the cabinet on forms as the cabinet may prescribe and shall contain any information deemed necessary for the cabinet to determine the business's eligibility to receive a refund.*
  - (4) *Notwithstanding the provisions of KRS 134.580 to the contrary, the cabinet, upon receipt of a properly documented refund application, shall cause a timely refund to be made directly to the business. Interest shall not be allowed or paid on any refund made under this section.*
  - (5) *Any refund application submitted under this section is subject to examination by the cabinet. The examination shall occur within four (4) years from the date the refund application is received by the cabinet. Any overpayment resulting from the examination shall be repaid to the State Treasury. In addition, the amount required to be repaid is subject to the interest provisions of KRS 131.183 and to the penalty provisions of KRS 131.180.*
  - (6) *If a business owns directly or indirectly fifty percent (50%) or more of another business, the credit computed under subsection (2) of this section shall be computed on a combined basis, excluding any intercompany Kentucky gross receipts.*

Proof of payment of such tax shall be according to rules and regulations of the cabinet. If the amount of tax paid in another state is not equal to or greater than the amount of tax imposed by KRS 139.310, then the taxpayer shall pay to the cabinet an amount sufficient to make the tax paid in the other state and in this state equal to the amount imposed by KRS 139.310. No credit shall be given under this section for sales taxes paid in another state if that state does not grant credit for sales taxes paid in this state.*
- (2) *To prevent actual multistate taxation of a communications service subject to taxation under this chapter, any provider or purchaser, upon proof that the provider or purchaser has paid a tax in another state on the same communication services, shall be allowed a credit against the tax imposed by this chapter to the extent of the amount of the tax legally paid in the other state.*

In determining the amount in the fund as of a given date all money received by the department ~~on that~~~~as of such~~ date shall be considered as being in the fund on ~~that~~~~such~~ date.
- (b) "Total wages" means all remuneration for services, as defined in KRS 341.030(1) to (7), paid by subject employers.
- (c) An employer's "reserve ratio" means the percentage ratio of his reserve account balance as of the computation date to his taxable payrolls for the twelve (12) consecutive calendar quarters ended as of September 30 immediately preceding the computation date.
- (d) For the purposes of this section, an employer's "reserve account balance" means the amount of contributions credited to his reserve account as of the computation date, less the benefit charges through September 30 immediately preceding the computation date. - (e) "Computation date" is October 31 of each calendar year prior to the effective date of new rates of contributions.

Section 11. KRS 341.380 is amended to read as follows:

- (1) All benefits shall be paid through employment offices, or such other agencies as may be designated by regulations of the secretary. Claims for all payments of benefits shall be made in accordance with regulations of the secretary.
- (2) The weekly benefit rate payable to an eligible worker for weeks of unemployment shall, except as provided in KRS 341.390, be an amount equal to one and one hundred eighty-five one-thousandths percent (1.185%) of his total base-period wages, except that no worker's weekly benefit amount shall be less than thirty-nine dollars (\$39), nor more than the maximum rate as determined in accordance with subsection (3) of this section. If that rate schedule is not in effect in calendar year 1999 but takes effect in a subsequent calendar year, the increase in the weekly benefit rate calculation shall apply to claims effective on or after January 1 of the year in which that rate schedule is in effect].~~

Fifty-five percent (55%) of the amount thus obtained, adjusted to the nearest multiple of one dollar (\$1), shall constitute the maximum

weekly benefit rate for those workers whose benefit year commences on or after the first day of July of such year and prior to the first day of July of the next following year; beginning in calendar year 1999, or any subsequent year in which the increase in the weekly benefit rate calculation set forth in subsection (2) of this section should take effect, sixty-two percent (62%) of the average weekly wage, adjusted to the nearest multiple of one dollar (\$1), shall constitute the maximum weekly benefit rate for those workers whose benefit year commences on or after the first day of July of that year and prior to the first day of July of the next following year; except that for the benefit years beginning on or after July 1, 1982, if the "trust fund balance" as of December 31 immediately preceding the benefit year is less than one hundred twenty million dollars (\$120,000,000), the maximum weekly benefit rate shall not exceed the prior year's maximum weekly benefit rate. If such "trust fund balance" as of December 31 immediately preceding the benefit year:

- (a) Equals or exceeds one hundred twenty million dollars (\$120,000,000), but is less than one hundred fifty million dollars (\$150,000,000), the maximum weekly benefit rate shall not exceed the prior year's maximum weekly benefit rate by more than six percent (6%). The rate thus determined shall be adjusted to the nearest multiple of one dollar (\$1);

The rate thus determined shall be adjusted to the nearest multiple of one dollar (\$1);
  - (d) Equals or exceeds two hundred seventy-five million dollars (\$275,000,000), but is less than three hundred fifty million dollars (\$350,000,000), the maximum weekly benefit rate shall not exceed the prior year's maximum weekly benefit rate by more than twelve percent (12%). <sup>1</sup> **Legislative Research Commission Note (5/15/2000).** In the introduced, General Assembly, and Free Conference Committee Report versions of House Bill 502, a line reading "a. Capital Complex East Franklin County - Lease" appeared after this line, but the quoted text did not print in the enrolled version of the bill sent to the Governor although that text in fact remained in the electronic document that was being printed. It is clear from the corresponding text of the executive branch budget memorandum (2000 Ky. Acts ch. 525 at 2059) that this item in the Attorney General appropriation unit "authorize[d] the lease of real property in Franklin County with a cost that exceeds \$200,000 per year." KRS 48.300(3) provides that "[i]n administering the provisions of a branch budget bill, a branch head shall interpret provisions of the branch budget bill in conformity with the budget memorandum."

## CAPITAL PROJECTS BUDGET PROVISIONS

## FOR PART II, CAPITAL PROJECTS

1. All appropriations to existing line-item capital construction projects expire on June 30, 2000, unless reauthorized in this Act with the following exceptions: (1) a construction contract for the project shall have been awarded by June 30, 2000; (2) permanent financing or a short-term line of credit sufficient to cover the total authorized project scope shall have been obtained in the case of projects authorized for bonds; (3) grant or loan agreements, if applicable, shall have been finalized and properly signed by all necessary parties. Notwithstanding the criteria set forth in this section, the disposition of 1998-2000 appropriated maintenance pools shall remain subject to the provisions of KRS 45.770(4)(c) and (d). Purchases of major items of equipment require reauthorization if a purchase order has not been executed by June 30, 2000.

2. Bond projects authorized for the first time in this section which have debt service supported by state General Fund appropriations are authorized in the first year of the biennium and a partial amount of the annual debt service required has been provided so that preliminary work on the projects may proceed. The full amount of annualized debt service has been included at the beginning of fiscal year 2001-2002. Therefore, the sale of any permanent bonds to finance these projects shall occur after January 1, 2001.

3. If any authorized capital construction or major equipment projects are canceled, any General Fund appropriated debt service for those same projects shall lapse to the credit of the General Fund.

4. Notwithstanding the provisions of KRS 45.750 to 45.782, the General Assembly has determined that certain individual capital projects identified in this Act as eligible for funding from the Emergency Repair, Maintenance and Replacement Fund or the Deferred Maintenance Fund require a direct appropriation from the Emergency Repair, Maintenance and Replacement Fund and that certain projects require a direct appropriation from the Deferred Maintenance Fund in this Act. KRS 45.782 notwithstanding, certain of the Deferred Maintenance projects identified in Part II of this Act exceed \$400,000 each.

5. Investment income earned from bond proceeds beyond that which is required to satisfy Internal Revenue Service arbitrage rebates and penalties and excess bond proceeds upon the completion of a bond financed capital

project may be used to pay debt service according to the Internal Revenue Service Code and accompanying regulations. Notwithstanding the provisions of KRS 48.720, KRS 48.010, or any section of this Act, any funds appropriated but not required to pay debt service because of this fund source substitution shall be credited to the Deferred Maintenance Pool Account each year or alternatively may be used as a General Fund substitute resource for Community Development Bond Funds supported projects if the Secretary of the Finance and Administration Cabinet determines that available General Fund resources are more appropriate than debt finance for selected project items. Determinations made by the Secretary under this authorization shall be reported to the Interim Joint Committee on Appropriations and Revenue and the Capital Projects and Bond Oversight Committee in a timely manner, after consultation and approval by the State Budget Director consistent with KRS 48.400 to 48.800. Unneeded debt service resulting due to any other circumstance shall lapse in accordance with KRS 48.720, KRS 48.010, and other provisions of this Act except for the following: if the fund balance in the Emergency Repair, Maintenance and Replacement Fund falls below \$5,000,000 in fiscal year 2000-2001, any debt service lapse necessary to bring the fund balance to \$5,000,000 shall be credited to the Emergency Repair, Maintenance and Replacement Fund. If the Emergency Repair, Maintenance and Replacement Fund remains at \$5,000,000 or above, the first \$2,000,000 in fiscal year 2000-2001 in debt service lapse shall be deposited to the statutory Deferred Maintenance Pool Account. No transfer to the Emergency Repair, Maintenance and Replacement Fund or the Deferred Maintenance Pool shall be made based on the above provisions if the lapse from other General Fund accounts is insufficient to meet appropriations approved in other parts of this Act.

6. Investment income earned from funds credited to the Technology Trust Fund account in the Finance and Administration Cabinet shall accrue to the Capital Construction and Equipment Purchase Contingency Account established in KRS 45.770.

7. The Council on Postsecondary Education subheading in this Part includes a project entitled "Agency Bond Pool." For the Agency Bond Pool, \$35,000,000 in projects are authorized to be funded from Restricted Funds-supported bonds. This pool provides funding for individual projects to be recommended by the Council on Postsecondary Education to the Secretary of the Finance and Administration Cabinet from the project listings previously identified and recommended by the Council for funding in the 2000-2002 biennium.

The provisions of KRS 45.750 to 45.816 notwithstanding, capital construction projects at institutions of higher education involving no state or federal funds may be authorized between regular sessions of the General Assembly if the projects receive prior approval from both the Council on Postsecondary Education and the Secretary of the Finance and Administration Cabinet, and the Capital Projects and Bond Oversight Committee receives prior notification.

8. Before any economic development bonds are issued, the proposed bond issue shall be approved by the Secretary of the Finance and Administration Cabinet and the State Property and Buildings Commission under the provisions of KRS 56.440 to 56.590. In addition to the terms and conditions of KRS 154.12-100, administration of the Economic Development Bond program by the Secretary of the Cabinet for Economic Development is subject to the following guideline: project selection shall be documented when presented to the Secretary of the Finance and Administration Cabinet. Included in the documentation shall be the rationale for selection and expected economic development impact.

9. Inasmuch as the identification of specific projects in a variety of areas of the state government cannot be ascertained with absolute certainty at this time, amounts are appropriated for specific purposes to projects which are not individually identified in this Act in the following areas: Land Acquisition, Purchase of Agricultural Conservation Easements (PACE), Repair of State-Owned Dams, Property Demolition, Guaranteed Energy Savings projects, Phase I Tobacco Settlement Agricultural Development Initiative, Economic Development projects which shall include authorizations for the High-Tech Construction Pool and the High-Tech Investment Pool, Infrastructure projects, Employment Services Facilities projects authorized in Part IX of this Act, Asbestos Abatement projects, Technology Trust Fund projects, systems, and initiatives authorized in Part III of this Act, and the Council on Postsecondary Education Agency Bond Pool and Capital Renewal and Maintenance Pool. Any projects estimated to cost over \$400,000 and equipment estimated to cost over \$100,000 shall be reported to the Capital Projects and Bond Oversight Committee. All moneys transferred to the Finance and Administration Cabinet for capital construction from any appropriations, including income from investments, shall be expended, accounted for, and otherwise treated in the same manner as funds appropriated directly to the Finance and Administration Cabinet for capital construction.

10. The Council on Postsecondary Education subheading in this Part includes a project entitled "Capital Renewal and Maintenance Pool." For the Capital Renewal and Maintenance Pool, \$60,000,000 in projects are authorized to be funded from \$30,000,000 in General Fund supported bonds and matched with \$30,000,000 in Restricted Funds. This pool provides funding for individual projects to be recommended by the Council on

Postsecondary Education to the Secretary of the Finance and Administration Cabinet from the project listings previously identified and recommended by the Council for funding in the 2000-2002 biennium. Council recommendations may include groupings of projects such as "Life Safety Projects in E&G Buildings." However, if such groupings do not constitute a single construction project, any individual subproject exceeding \$400,000 must be separately identified.

The Council on Postsecondary Education subheading in this Part includes a project entitled "Equipment Replacement Pool." For the Equipment Replacement Pool \$20,000,000 in projects are authorized to be funded from General Fund supported bonds. Allocations from the pool will be determined by the Council, based on the proportional institutional expenditures for instruction and research. Institutions will be required to match research, but not instructional, equipment on a dollar-for-dollar basis. Council recommendations for funding from the pool will be made to the Secretary of the Finance and Administration Cabinet.

11. The General Fund amount of \$75,000 authorized in 1998 Kentucky Acts, Chapter 615, Part II (House Bill 321) for the Estill County Board of Education Swimming Pool renovation is reauthorized in fiscal year 2000-2001 and shall be redirected to finance other initiatives.

12. The Business and Technology Building Project under Eastern Kentucky University (L.3.) and the Southeast Kentucky Center for Business Technology and Innovation Project under the Economic Development Cabinet's Economic Development Bond Pool and the funding for these projects, in addition to other available capital facilities funding resources, may be combined and consolidated within a total project scope not to exceed \$15,000,000. The Secretary of the Finance and Administration Cabinet, with the approval of the State Budget Director, may perform actions necessary for implementation of this authorization. Action taken under this provision shall be reported in writing to the Interim Joint Committee on Appropriations and Revenue and the Capital Projects and Bonds Oversight Committee.

13. The South Campus Building Project under Western Kentucky University (L.10.) and the South Central Kentucky Technology Center Project under the Economic Development Cabinet's Economic Development Bond Pool and the funding for these projects, in addition to other available capital facilities funding resources, may be combined and consolidated within a total project scope not to exceed \$10,000,000. The Secretary of the Finance and Administration Cabinet, with the approval of the State Budget Director, may perform actions necessary for implementation of this authorization. All statutes and portions of statutes in conflict with any of the provisions of this Section, to the extent of the conflict, are suspended, unless otherwise provided by this Act.

12. Except as otherwise explicitly authorized by this Act, nothing in this Act shall be construed to repeal any appropriation made herebefore or hereafter for the fiscal year ending June 30, 2000, and nothing in this Act is to be construed as amending or altering the provisions of Chapters 42, 45, and 48 of the Kentucky Revised Statutes pertaining to the duties and powers of the Secretary of the Finance and Administration Cabinet except as otherwise provided in this Act.

15. The State Budget Director shall cause the Governor's Office for Policy and Management, within sixty (60) days upon adjournment of the 2000 Regular Session of the General Assembly, to publish a final enacted budget document, styled the Budget of the Commonwealth, based upon the recommended State/Executive Budget, Judicial Budget, and Legislative Budget as enacted by the 2000 Regular Session of the General Assembly as well as other Acts which contain appropriation provisions for the 2000-2002 biennium, and based upon supporting documentation and legislative records as considered by the 2000 Regular Session of the General Assembly and the statutory budget memorandum. If any executive reorganization order issued from sine die adjournment of the 1998 Regular Session to sine die adjournment of the 2000 Regular Session is not confirmed by the 2000 Regular Session of the General Assembly, the Secretary of the Finance and Administration Cabinet shall, in consultation with agency heads and with notification to the Legislative Research Commission, transfer the balance of funds for any affected program or function for fiscal year 1999-2000 and any related appropriations and funds for each of the next two fiscal years from the budget unit in which the program or function was placed by the executive reorganization order to the budget unit in which the program or function resided prior to the reorganization action or in which it was placed by action of the 2000 Regular Session of the General Assembly. The Legislative Research Commission shall forward the documentation to the appropriate committees.

20. The Secretary of any of the specified cabinets and the Commissioner of the Department of Education may submit requests to the State Budget Director of the Governor's Office for Policy and Management for the transfer of General Fund appropriation authority. Such requests shall specify the need for the transfer of General Fund appropriation authority and the manner in which such a transfer would better achieve the General Fund cost savings. Any transfers made under this provision for any of the cabinets identified above or the Department of Education shall result in no change to the total value of the General Fund cost savings amounts as identified in the agency budget request records recommendation and executive records for the individual cabinets specified above or the Department of Education. Any transfer made under this provision shall be made pursuant to KRS 48.500 and shall be reported, in writing, to the Interim Joint Committee on Appropriations and Revenue.

Notwithstanding KRS 142.311(2), the dispensing or delivering of outpatient prescription drugs in this state shall be taxed at the rate of fifteen cents (\$0.15) per prescription for which any initial payment is received after June 30, 1999, through June 30, 2000. There shall be no tax on outpatient prescriptions after June 30, 2000.

The provisions of this Section apply to that Technology Trust Fund and any additional amounts made available and appropriated to it by the 1998 Regular Session in House Bill 321 (1998 Ky. Acts ch. 615, Part X). The General Assembly has determined that the provisions of this Section shall apply to all General Fund appropriations to the Technology Trust Fund originally authorized and appropriated by the 1996 Ky. (b) Appropriations allotted from the Technology Trust Fund for each project, initiative, or system, as well as all other associated resources made available from regular appropriations for the same purpose from a budget unit shall be transferred and credited to, and accounted for and expended from a discrete account established for the individual project, initiative, or system item.

(c) In addition to the General Fund appropriations for the Technology Trust Fund, Restricted Funds, Federal Funds, the Road Fund, private funds, and any matching fund appropriations required are appropriated in support of the projects and priorities identified by the Redesign Steering Committee. 33. The Kentucky Revenue Cabinet may enter into discussions with states regarding development of a multi-state, voluntary, streamlined system for sales and use tax which would have the capability to determine the taxability of a transaction and provide a method for collecting and remitting the taxes to the state. The system may provide compensation for the costs of collecting and remitting sales and use taxes. Following these discussions, the Cabinet may proceed to issue a Joint Request for Information.

The Cabinet may participate in a sales tax pilot project with other states and selected businesses to test means for simplifying sales and use tax administration and may enter into joint agreements for this purpose, subject to the following conditions.

(b) Parties to the agreements are excused from complying with the provisions of KRS Chapter 45A to the extent a different procedure is required by the agreements.

(c) Agreements authorized under this Section, if any, shall terminate no later than December 31, 2001.

By September 30, 2000, the Auditor shall submit an evaluation report on the results of the study to the Governor and the Legislative Research Commission, who shall distribute the report to the appropriate legislative committees for review. The report shall particularly focus on a detailed baseline description of the features and cost of the budgeting structure of the budget units selected for the pilot program.

(c) The State Budget Director shall design and implement a state performance budgeting pilot program, with no less than three nor more than six budget units in the executive branch. Detailed records of the cost of implementation shall be maintained. Draft budget forms for the pilot budget units shall meet the provisions of KRS 48.040.

(1) A performance budgeting pilot project fund shall be established in the office of the State Budget Director to defray extraordinary expenses related to the pilot project. The State Budget Director shall make disbursements from the fund to units that incur costs related to the pilot project. ## PART X

### GENERAL FUND SURPLUS EXPENDITURE PLAN

1. Pursuant to KRS 48.700 and notwithstanding KRS 48.140, there is established a plan for the expenditure of General Fund surplus moneys pursuant to a General Fund Surplus Plan contained in this Part for fiscal years 2000-2001 and 2001-2002. Pursuant to the enactment of the Surplus Expenditure Plan, General Fund moneys in the General Fund undesignated fund balance (General Fund Surplus Account, KRS 48.700) are appropriated to the following: Endowment Fund, the Capital Facilities Fund, and the Court-Ordered Judgments Funding Account as established in this Part of this Act; and the Budget Reserve Trust Fund established in KRS 48.705. Collectively, these four component funds make up the General Fund Surplus Expenditure Plan for fiscal years 2000-2001 and 2001-2002.

2. The General Fund amount appropriated to the Surplus Expenditure Plan from the undesignated fund balance in the General Fund at the close of fiscal year 1999-2000 and fiscal year 2000-2001 respectively shall not exceed the total for the appropriations made for fiscal years 2000-2001 and 2001-2002 combined. If the undesignated fund balance in the General Fund at the close of fiscal year 1999-2000 and at the close of fiscal year 2000-2001 totals less than the total combined Surplus Funds appropriation amounts for fiscal year 2000-2001 and fiscal year 2001-2002, the amount available for appropriation for fiscal year 2000-2001 and for fiscal year 2001-2002 pursuant to this section shall be the total undesignated fund balance amount at June 30, 2000, and at June 30, 2001, for the respective years. These amounts are appropriated in fiscal year 2000-2001 and in fiscal year 2001-2002, and shall be allocated in the following manner: 83.33 percent of the total General Fund surplus balance to the Endowment program of the Research Challenge Trust Fund of the Council on Postsecondary Education, and 16.67 percent to the Endowment program of the Regional University Excellence Trust Fund of the Council on Postsecondary Education not to exceed a total of \$120,000,000. In the event that the total General Fund surplus balance at the close of fiscal year 1999-2000 shall be less than \$120,000,000, a proportional amount of the General Fund surplus balance shall be allocated to each of the Trust Funds. In the event that the total General Fund surplus balance exceeds \$120,000,000 at the close of fiscal year 1999-2000, the amount up to \$10,000,000 that exceeds \$120,000,000 shall be credited to the Capital Facilities Fund. In the event that the total General Fund surplus income balance exceeds \$130,000,000 at the close of fiscal year 1999-2000, the amount up to \$6,000,000 that exceeds \$130,000,000 shall be credited to the Court-Ordered Judgments Funding Account. In the event that the total General Fund surplus income balance exceeds \$136,000,000 at the close of fiscal year 1999-2000, the amount of the balance that exceeds \$136,000,000 shall be credited to the Budget Reserve Trust Fund.

3. The Secretary of the Finance and Administration Cabinet shall determine, within thirty (30) days after the close of fiscal year 1999-2000, and the close of fiscal year 2000-2001, based on the official financial records of the Commonwealth, the amount of actual General Fund undesignated fund balance for the General Fund Surplus Account that may be available for expenditure pursuant to the Plan respectively in fiscal year 2000-2001 and fiscal year 2001-2002.

The Secretary of the Finance and Administration Cabinet shall certify the amount of actual General Fund undesignated fund balance available for expenditure to the Legislative Research Commission.

Subsequent to June 30, 2000, funds that are certified as being available in the actual General Fund undesignated fund balance for the General Fund Surplus Account are appropriated for expenditure in fiscal year 2000-2001 pursuant to the Plan.

4. To the extent that projects are enumerated in the priority ranking and sufficient General Fund moneys are not certified to be available for expenditure and appropriation in fiscal year 2000-2001, the remaining projects in the same priority order set forth in this Part are appropriated from the actual General Fund undesignated fund balance for the General Fund Surplus Account effective July 1, 2001, for fiscal year 2001-2002.

5. Individual project priority rankings have been established as follows:

<u>Priority</u>	<u>General Fund Surplus Appropriations</u>

7. Figures for amounts in all determinations, authorizations, and appropriations under the Plan shall be rounded to the lower hundredth dollar.	

Notwithstanding KRS 48.140 and the provisions of Part X 1. to 5. above, if the total undesignated fund balance in the General Fund in fiscal year 1999-2000 and 2000-2001 respectively exceeds the total combined General Fund Surplus Plan appropriation amount, there is appropriated in fiscal year 2001-2002 to the Budget Reserve Trust Fund an amount that enables the Budget Reserve Trust Fund to contain a fund balance up to five percent (5%) of the actual General Fund revenue in fiscal year 2000-2001 which is an additional \$105,605,500 under current forecast.

## PART XI

### PHASE I TOBACCO SETTLEMENT FUNDING PROGRAM

This Part of the Act prescribes fiscal policy provisions which implement the national settlement agreement between the tobacco industry and the collective states as anticipated by the 1998 Regular Session of the General Assembly in House Bill 321, Part III, item 29. In furtherance of that agreement, the General Assembly recognizes that the Commonwealth of Kentucky is a party to the Phase I Master Settlement Agreement (MSA) between the Participating Tobacco Manufacturers and 46 Settling States which provides reimbursement to states for smoking related expenditures made over time.

1. The Commonwealth's share of the MSA is equal to 1.7611586% of the total settlement amount. Payments under the MSA are to be made to the states in January and April of each year. The Commonwealth has already received the first such payment from which no funds have been expended pursuant to the policy set forth by the 1998 General Assembly.

2. The total settlement amount to be distributed each payment date is subject to change pursuant to several variables provided in the MSA, including inflation adjustments, volume adjustments, and previously settled states adjustments.

3. The General Assembly has determined that it shall be the policy of the Commonwealth that all Phase I Tobacco Settlement funds shall be deposited to the credit of the General Fund and shall maintain a distinct identity as Phase I Tobacco Settlement funds that shall not lapse to the credit of the General Fund surplus, but shall continue forward from each fiscal year to the next fiscal year to the extent that any balance is unexpended.

4. Based on the current estimates as reviewed by the Consensus Revenue Forecasting Group, the amount of MSA payments expected to be received in fiscal year 1999-2000 is \$137,800,000. It is recognized that payments to be received by the Commonwealth are estimated and are subject to change. Any appropriations made from the estimated receipts are subject to adjustments based on actual receipts as received and certified by the Secretary of the Finance and Administration Cabinet.

5. The estimated \$137,800,000 receipts in fiscal year 1999-2000 are appropriated for the following major purposes:

a. General Fund Surplus Plan Endowment Program: Fifty percent (50%) of the MSA payments received in fiscal year 1999-2000, which is estimated to be \$68,900,000, is appropriated and credited in fiscal year 1999-2000 to the General Fund Surplus Account.

(1) Eighty-three and thirty-three hundredths percent (83.33%) of this amount is dedicated for appropriation to the Endowment Program of the Research Challenge Trust Fund of the Council on Postsecondary Education as specified in Part X of this Act.

(2) Sixteen and sixty-seven hundredths percent (16.67%) of this amount is dedicated for appropriation to the Endowment Program of the Regional University Excellence Trust Fund of the Council on Postsecondary Education as specified in Part X of this Act.

b. Agricultural Development Initiatives Reserve: Fifty percent (50%) of the MSA payments received in fiscal year 1999-2000, which is estimated to be \$68,900,000, is continued and appropriated in fiscal year 2000-2001 to the Agricultural Development Initiatives Reserve to ensure that recipients of payments from the National Tobacco Grower Settlement Trust (Phase II Settlement) in calendar years 2000 and 2001 are compensated at a level not less than the compensation received from the Phase II Settlement in calendar year 1999.

6. The estimated MSA Phase I Tobacco Settlement Funding Program receipts amounting to \$101,100,000 in fiscal year 2000-2001 and \$121,600,000 in fiscal year 2001-2002 are appropriated for the following major purposes:

a. Childhood Development Initiatives: Twenty-five percent (25%) of the MSA payments received in fiscal year 2000-2001, estimated to be \$25,275,000, and in fiscal year 2001-2002, estimated to be \$30,400,000, is appropriated for Childhood Development Initiatives as specified below.

b. Health Care Initiatives: Twenty-five percent (25%) of the MSA payments received in fiscal year 2000-2001, estimated to be \$25,275,000, and in fiscal year 2001-2002, estimated to be \$30,400,000, is appropriated for Health Care Initiatives as specified below.

c. Agricultural Development Initiatives: Fifty Percent (50%) of the MSA payments received in fiscal year 2000-2001, estimated to be \$50,550,000, and in fiscal year 2001-2002, estimated to be \$60,800,000, is appropriated for Agricultural Development Initiatives as specified below.
