

CHAPTER 75

(HCR 45)

A CONCURRENT RESOLUTION requesting reauthorization of the Tobacco Task Force.

WHEREAS, tobacco production is at the heart of Kentucky's economy; and

WHEREAS, loss of tobacco production or the tobacco program would have a devastating effect on Kentucky and its tobacco farmers; and

WHEREAS, such losses would cause failure of many farms and businesses, decreases in land values, the default of loans, and the loss of state and local revenues; and

WHEREAS, the Tobacco Task Force was created by the Legislative Research Commission in 1984 to address problems that threaten the tobacco industry and the tobacco price support program; and

WHEREAS, the Task Force has been instrumental in helping to resolve these problems; and

WHEREAS, the tobacco industry and tobacco farmers remain in jeopardy because of threats to the program, increased imports, labor shortages, marginal prices, possible increases in excise taxes, and other problems;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. That the Kentucky Tobacco Task Force be reauthorized to help resolve the problems facing the tobacco industry and the tobacco program.

Section 2. Provisions of this resolution to the contrary notwithstanding, the Legislative Research Commission shall have the authority to alternatively assign the issues identified herein to an interim joint committee or subcommittee thereof, and to designate a study completion date.
