

CHAPTER 161 (HB 76)

AN ACT relating to alternative teacher certification.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 161.048 is amended to read as follows:

- (1) The General Assembly hereby finds that:
 - (a) 1. There are persons who have distinguished themselves through a variety of work and educational experiences that could enrich teaching in Kentucky schools;
 2. There are distinguished scholars who wish to become teachers in Kentucky's public schools, but who did not pursue a teacher preparation program;
 3. There are persons who need to be recruited to teach in Kentucky schools to meet the diverse cultural and educational needs of students; and
 4. There should be alternative procedures to the traditional teacher preparation programs that qualify persons as teachers.
 - (b) There are hereby established alternative certification program options as described in subsections ~~(2)~~~~(3)~~ through ~~(6)~~~~(5)~~ of this section.
 - (c) It is the intent of the General Assembly that the Educational Professional Standards Board inform scholars, persons with exceptional work experience, and persons with diverse backgrounds who have potential as teachers of these options and assist local boards of education in implementing these options and recruitment of individuals who can enhance the education system in Kentucky.
 - (d) The Education Professional Standards Board shall promulgate administrative regulations establishing standards and procedures for the alternative certification options described in this section.
- (2) Option 1: Certification of a person with exceptional work experience. An individual who has exceptional work experience and has been offered employment at the secondary level in a local school district shall receive a one (1) year provisional teaching certificate with approval by the Education Professional Standards Board of a joint application by the individual and the employing school district under the following conditions:

 - (b) The candidate has documented ten (10) years of exceptional work experience in the area in which certification is being sought;
 - (c) The candidate possesses a bachelor's degree, with a grade point average of two and five-tenths (2.5) on a four (4) point scale from a nationally or regionally accredited postsecondary institution; and
 - (d) The candidate shall participate in the teacher internship program under subsections (5), (6), (7), and (8) of KRS 161.030. After successful completion of the internship, the candidate shall receive a regular provisional certificate.

An individual employed under this alternative shall be certified for one (1) year only, and may be approved for subsequent one (1) year renewals upon request of the local board of education

and approval of the Education Professional Standards Board. A teacher who successfully completes three (3) contract years under the provisions of this section shall be awarded a regular provisional certificate, and subject to certificate renewal requirements the same as any other teacher with a regular provisional certificate.

- (3) Option 2: Certification through a local district training program. A local district or group of districts may seek approval for a training program. The state-approved local district training program is an alternative to the college teacher preparation program as a means of acquiring teacher certification for a teacher at any grade level. The training program may be offered for all teaching certificates approved by Education Professional Standards Board, including interdisciplinary early childhood education, except for specific certificates for teachers of exceptional children.  - (b) Pass written tests designated by the Education Professional Standards Board for content knowledge in the specific teaching field of the applicant with minimum scores in each test as set by the Education Professional Standards Board. To be eligible to take a subject field test, the applicant shall have completed a thirty (30) hour major in the subject field or five (5) years of experience in the subject field as approved by the Education Professional Standards Board.
 - (c) Have been offered employment in a school district which has a training program approved by the Education Professional Standards Board.
