AN ACT providing for the adoption of revised articles of the Uniform Commercial Code and making changes incidental thereto.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SEGMENT A

REVISED ARTICLE 5

This article may be cited as Uniform Commercial Code -- Letters of Credit.

SECTION 2. KRS 355.5-102 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

(1) In this article:

- (a) "Adviser" means a person who, at the request of the issuer, a confirmer, or another adviser, notifies or requests another adviser to notify the beneficiary that a letter of credit has been issued, confirmed, or amended.**
- (b) "Applicant" means a person at whose request or for whose account a letter of credit is issued. The term includes a person who requests an issuer to issue a letter of credit on behalf of another if the person making the request undertakes an obligation to reimburse the issuer.**

- (e) "Dishonor" of a letter of credit means failure timely to honor or to take an interim action, such as acceptance of a draft, that may be required by the letter of credit.**
- (f) "Document" means a draft or other demand, document of title, investment security, certificate, invoice, or other record, statement, or representation of fact, law, right, or opinion:
 - 1. Which is presented in a written or other medium permitted by the letter of credit or, unless prohibited by the letter of credit, by the standard practice referred to in subsection (5) of Section 8 of this Act; and**
 - 2. Which is capable of being examined for compliance with the terms and conditions of the letter of credit. A document may not be oral.****
- (g) "Good faith" means honesty in fact in the conduct or transaction concerned.**
- (h) "Honor" of a letter of credit means performance of the issuer's undertaking in the letter of credit to pay or deliver an item of value. Unless the letter of credit otherwise provides, "honor" occurs:**

1. *Upon payment;*
 2. *If the letter of credit provides for acceptance, upon acceptance of a draft and, at maturity, its payment; or*
 3. *If the letter of credit provides for incurring a deferred obligation, upon incurring the obligation and, at maturity, its performance.*
- (i) *"Issuer" means a bank or other person that issues a letter of credit, but does not include an individual who makes an engagement for personal, family, or household purposes.*
- (j) *"Letter of credit" means a definite undertaking that satisfies the requirements of Section 4 of this Act by an issuer to a beneficiary at the request or for the account of an applicant or, in the case of a financial institution, to itself or for its own account, to honor a documentary presentation by payment or delivery of an item of value.*
- (k) *"Nominated person" means a person whom the issuer:*
1. *Designates or authorizes to pay, accept, negotiate, or otherwise give value under a letter of credit; and*
 2. *Undertakes by agreement or custom and practice to reimburse.*

- (2) *Definitions in other articles in this chapter applying to this article and the sections in which they appear are:*
- | | |
|---------------------------------|-------------------------------------|
| <i>"Accept" or "Acceptance"</i> | <i>KRS 355.3-409;</i> |
| <i>"Value"</i> | <i>KRS 355.3-303 and 355.4-211.</i> |
- (3) *Article 1 of this chapter contains certain additional general definitions and principles of construction and interpretation applicable throughout this article.*

SECTION 3. KRS 355.5-103 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

- (1) *This article applies to letters of credit and to certain rights and obligations arising out of transactions involving letters of credit.*
- (2) *The statement of a rule in this article does not by itself require, imply, or negate application of the same or a different rule to a situation not provided for, or to a person not specified, in this article.*

- (3) *With the exception of this subsection, subsections (1) and (4) of this section, subsection (1)(i) and (j) of Section 2 of this Act, subsection (4) of Section 6 of this Act, and subsection (4) of Section 14 of this Act, and to the extent prohibited in KRS 355.1-102(3) and subsection (4) of Section 17 of this Act, the effect of this article may be varied by agreement or by a provision stated or incorporated by reference in an undertaking. A term in an agreement or undertaking generally excusing liability or generally limiting remedies for failure to perform obligations is not sufficient to vary obligations prescribed by this article.*
- (4) *Rights and obligations of an issuer to a beneficiary or a nominated person under a letter of credit are independent of the existence, performance, or nonperformance of a contract or arrangement out of which the letter of credit arises or which underlies it, including contracts or arrangements between the issuer and the applicant and between the applicant and the beneficiary.*

SECTION 4. KRS 355.5-104 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

A letter of credit, confirmation, advice, transfer, amendment, or cancellation may be issued in any form that is a record and is authenticated:

- (1) *By a signature; or*
- (2) *In accordance with the agreement of the parties or the standard practice referred to in subsection (5) of Section 8 of this Act.*

SECTION 5. KRS 355.5-105 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

Consideration is not required to issue, amend, transfer, or cancel a letter of credit, advice, or confirmation.

SECTION 6. KRS 355.5-106 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

- (1) *A letter of credit is issued and becomes enforceable according to its terms against the issuer when the issuer sends or otherwise transmits it to the person requested to advise or to the beneficiary. A letter of credit is revocable only if it so provides.*
- (2) *After a letter of credit is issued, rights and obligations of a beneficiary, applicant, confirmer, and issuer are not affected by an amendment or cancellation to which that person has not consented except to the extent the letter of credit provides that it is revocable or that the issuer may amend or cancel the letter of credit without that consent.*
- (3) *If there is no stated expiration date or other provision that determines its duration, a letter of credit expires one (1) year after its stated date of issuance or, if none is stated, after the date on which it is issued.*
- (4) *A letter of credit that states that it is perpetual expires five (5) years after its stated date of issuance, or if none is stated, after the date on which it is issued.*

SECTION 7. KRS 355.5-107 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

- (1) *A confirmer is directly obligated on a letter of credit and has the rights and obligations of an issuer to the extent of its confirmation. The confirmer also has rights against and*

obligations to the issuer as if the issuer were an applicant and the confirmer had issued the letter of credit at the request and for the account of the issuer.

- (2) *A nominated person who is not a confirmer is not obligated to honor or otherwise give value for a presentation.*
- (3) *A person requested to advise may decline to act as an adviser. An adviser that is not a confirmer is not obligated to honor or give value for a presentation. An adviser undertakes to the issuer and to the beneficiary accurately to advise the terms of the letter of credit, confirmation, amendment, or advice received by that person and undertakes to the beneficiary to check the apparent authenticity of the request to advise. Even if the advice is inaccurate, the letter of credit, confirmation, or amendment is enforceable as issued.*
- (4) *A person who notifies a transferee beneficiary of the terms of a letter of credit, confirmation, amendment, or advice has the rights and obligations of an adviser under subsection (3) of this section. The terms in the notice to the transferee beneficiary may differ from the terms in any notice to the transferor beneficiary to the extent permitted by the letter of credit, confirmation, amendment, or advice received by the person who so notifies.*

SECTION 8. KRS 355.5-108 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

- (1) *Except as otherwise provided in Section 9 of this Act, an issuer shall honor a presentation that, as determined by the standard practice referred to in subsection (5) of this section, appears on its face strictly to comply with the terms and conditions of the letter of credit. Except as otherwise provided in Section 13 of this Act and unless otherwise agreed with the applicant, an issuer shall dishonor a presentation that does not appear so to comply.*
- (2) *An issuer has a reasonable time after presentation, but not beyond the end of the seventh business day of the issuer after the day of its receipt of documents:*
 - (a) *To honor;*
 - (b) *If the letter of credit provides for honor to be completed more than seven (7) business days after presentation, to accept a draft or incur a deferred obligation; or*
 - (c) *To give notice to the presenter of discrepancies in the presentation.*
- (3) *Except as otherwise provided in subsection (4) of this section, an issuer is precluded from asserting as a basis for dishonor any discrepancy if timely notice is not given, or any discrepancy not stated in the notice if timely notice is given.*
- (4) *Failure to give the notice specified in subsection (2) of this section or to mention fraud, forgery, or expiration in the notice does not preclude the issuer from asserting as a basis for dishonor fraud or forgery as described in subsection (1) of Section 9 of this Act or expiration of the letter of credit before presentation.*
- (5) *An issuer shall observe standard practice of financial institutions that regularly issue letters of credit. Determination of the issuer's observance of the standard practice is a matter of interpretation for the court. The court shall offer the parties a reasonable opportunity to present evidence of the standard practice.*
- (6) *An issuer is not responsible for:*

- (a) *The performance or nonperformance of the underlying contract, arrangement, or transaction;*
 - (b) *An act or omission of others; or*
 - (c) *Observance or knowledge of the usage of a particular trade other than the standard practice referred to in subsection (5) of this section.*
- (7) *If an undertaking constituting a letter of credit under subsection (1)(j) of Section 2 of this Act contains nondocumentary conditions, an issuer shall disregard the nondocumentary conditions and treat them as if they were not stated.*
- (8) *An issuer that has dishonored a presentation shall return the documents or hold them at the disposal of, and send advice to that effect to, the presenter.*
- (9) *An issuer that has honored a presentation as permitted or required by this article:*
- (a) *Is entitled to be reimbursed by the applicant in immediately available funds not later than the date of its payment of funds;*
 - (b) *Takes the documents free of claims of the beneficiary or presenter;*
 - (c) *Is precluded from asserting a right of recourse on a draft under KRS 355.3-414 and 355.3-415;*
 - (d) *Except as otherwise provided in Sections 10 and 17 of this Act, is precluded from restitution of money paid or other value given by mistake to the extent the mistake concerns discrepancies in the documents or tender which are apparent on the face of the presentation; and*
 - (e) *Is discharged to the extent of its performance under the letter of credit unless the issuer honored a presentation in which a required signature of a beneficiary was forged.*

SECTION 9. KRS 355.5-109 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

- (1) *If a presentation is made that appears on its face strictly to comply with the terms and conditions of the letter of credit, but a required document is forged or materially fraudulent, or honor of the presentation would facilitate a material fraud by the beneficiary on the issuer or applicant:*
- (a) *The issuer shall honor the presentation, if honor is demanded by:*
 - 1. *A nominated person who has given value in good faith and without notice of forgery or material fraud;*
 - 2. *A confirmer who has honored its confirmation in good faith;*
 - 3. *A holder in due course of a draft drawn under the letter of credit which was taken after acceptance by the issuer or nominated person; or*
 - 4. *An assignee of the issuer's or nominated person's deferred obligation that was taken for value and without notice of forgery or material fraud after the obligation was incurred by the issuer or nominated person; and*
 - (b) *The issuer, acting in good faith, may honor or dishonor the presentation in any other case.*

- (2) *If an applicant claims that a required document is forged or materially fraudulent or that honor of the presentation would facilitate a material fraud by the beneficiary on the issuer or applicant, a court of competent jurisdiction may temporarily or permanently enjoin the issuer from honoring a presentation or grant similar relief against the issuer or other persons only if the court finds that:*
- (a) *The relief is not prohibited under the law applicable to an accepted draft or deferred obligation incurred by the issuer;*
 - (b) *A beneficiary, issuer, or nominated person who may be adversely affected is adequately protected against loss that it may suffer because the relief is granted;*
 - (c) *All of the conditions to entitle a person to the relief under the law of this Commonwealth have been met; and*
 - (d) *On the basis of the information submitted to the court, the applicant is more likely than not to succeed under its claim of forgery or material fraud and the person demanding honor does not qualify for protection under subsection (1)(a) of this section.*

SECTION 10. KRS 355.5-110 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

- (1) *If its presentation is honored, the beneficiary warrants:*
- (a) *To the issuer, any other person to whom presentation is made, and the applicant that there is no fraud or forgery of the kind described in subsection (1) of Section 9 of this Act; and*
 - (b) *To the applicant that the drawing does not violate any agreement between the applicant and beneficiary or any other agreement intended by them to be augmented by the letter of credit.*
- (2) *The warranties in subsection (1) of this section are in addition to warranties arising under Articles 3, 4, 7, and 8 of this chapter because of the presentation or transfer of documents covered by any of those articles.*

SECTION 11. KRS 355.5-111 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

- (1) *If an issuer wrongfully dishonors or repudiates its obligation to pay money under a letter of credit before presentation, the beneficiary, successor, or nominated person presenting on its own behalf may recover from the issuer the amount that is the subject of the dishonor or repudiation. If the issuer's obligation under the letter of credit is not for the payment of money, the claimant may obtain specific performance or, at the claimant's election, recover an amount equal to the value of performance from the issuer. In either case, the claimant may also recover incidental but not consequential damages. The claimant is not obligated to take action to avoid damages that might be due from the issuer under this subsection. If, although not obligated to do so, the claimant avoids damages, the claimant's recovery from the issuer must be reduced by the amount of damages avoided. The issuer has the burden of proving the amount of damages avoided. In the case of repudiation the claimant need not present any document.*

- (2) *If an issuer wrongfully dishonors a draft or demand presented under a letter of credit or honors a draft or demand in breach of its obligation to the applicant, the applicant may recover damages resulting from the breach, including incidental but not consequential damages, less any amount saved as a result of the breach.*
- (3) *If an adviser or nominated person other than a confirmer breaches an obligation under this article or an issuer breaches an obligation not covered in subsection (1) or (2) of this section, a person to whom the obligation is owed may recover damages resulting from the breach, including incidental but not consequential damages, less any amount saved as a result of the breach. To the extent of the confirmation, a confirmer has the liability of an issuer specified in this subsection and subsections (1) and (2) of this section.*
- (4) *An issuer, nominated person, or adviser who is found liable under subsection (1), (2), or (3) of this section shall pay interest on the amount owed thereunder from the date of wrongful dishonor or other appropriate date.*
- (5) *Reasonable attorney's fees and other expenses of litigation must be awarded to the prevailing party in an action in which a remedy is sought under this article.*
- (6) *Damages that would otherwise be payable by a party for breach of an obligation under this article may be liquidated by agreement or undertaking, but only in an amount or by a formula that is reasonable in light of the harm anticipated.*

SECTION 12. KRS 355.5-112 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

If a letter of credit is transferable, the issuer may refuse to recognize or carry out a transfer if:

- (1) *The transfer would violate applicable law; or*
- (2) *The transferor or transferee has failed to comply with any requirement stated in the letter of credit or any other requirement relating to transfer imposed by the issuer which is within the standard practice referred to in subsection (5) of Section 8 of this Act or is otherwise reasonable under the circumstances.*

SECTION 13. KRS 355.5-113 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

- (1) *A successor of a beneficiary may consent to amendments, sign and present documents, and receive payment or other items of value in the name of the beneficiary without disclosing its status as a successor.*
- (2) *A successor of a beneficiary may consent to amendments, sign and present documents, and receive payment or other items of value in its own name as the disclosed successor of the beneficiary. Except as otherwise provided in subsection (5) of this section, an issuer shall recognize a disclosed successor of a beneficiary as beneficiary in full substitution for its predecessor upon compliance with the requirements for recognition by the issuer of a transfer of drawing rights by operation of law under the standard practice referred to in subsection (5) of Section 8 of this Act or, in the absence of such a practice, compliance with other reasonable procedures sufficient to protect the issuer.*
- (3) *An issuer is not obliged to determine whether a purported successor is a successor of a beneficiary or whether the signature of a purported successor is genuine or authorized.*

- (4) *Honor of a purported successor's apparently complying presentation under subsection (1) or (2) of this section has the consequences specified in subsection (9) of Section 8 of this Act even if the purported successor is not the successor of a beneficiary. Documents signed in the name of the beneficiary or of a disclosed successor by a person who is neither the beneficiary nor the successor of the beneficiary are forged documents for the purposes of Section 9 of this Act.*
- (5) *An issuer whose rights of reimbursement are not covered by subsection (4) of this section or substantially similar law and any confirmer or nominated person may decline to recognize a presentation under subsection (2) of this section.*
- (6) *A beneficiary whose name is changed after the issuance of a letter of credit has the same rights and obligations as a successor of a beneficiary under this section.*

SECTION 14. KRS 355.5-114 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

- (1) *In this section, "proceeds of a letter of credit" means the cash, check, accepted draft, or other item of value paid or delivered upon honor or giving of value by the issuer or any nominated person under the letter of credit. The term does not include a beneficiary's drawing rights or documents presented by the beneficiary.*
- (2) *A beneficiary may assign its right to part or all of the proceeds of a letter of credit. The beneficiary may do so before presentation as a present assignment of its right to receive proceeds contingent upon its compliance with the terms and conditions of the letter of credit.*
- (3) *An issuer or nominated person need not recognize an assignment of proceeds of a letter of credit until it consents to the assignment.*
- (4) *An issuer or nominated person has no obligation to give or withhold its consent to an assignment of proceeds of a letter of credit, but consent may not be unreasonably withheld if the assignee possesses and exhibits the letter of credit and presentation of the letter of credit is a condition to honor.*
- (5) *Rights of a transferee beneficiary or nominated person are independent of the beneficiary's assignment of the proceeds of a letter of credit and are superior to the assignee's right to the proceeds.*
- (6) *Neither the rights recognized by this section between an assignee and an issuer, transferee beneficiary, or nominated person nor the issuer's or nominated person's payment of proceeds to an assignee or a third person affect the rights between the assignee and any person other than the issuer, transferee beneficiary, or nominated person. The mode of creating and perfecting a security interest in or granting an assignment of a beneficiary's rights to proceeds is governed by Article 9 of this chapter or other law. Against persons other than the issuer, transferee beneficiary, or nominated person, the rights and obligations arising upon the creation of a security interest or other assignment of a beneficiary's right to proceeds and its perfection are governed by Article 9 of this chapter or other law.*

SECTION 15. KRS 355.5-115 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

An action to enforce a right or obligation arising under this article must be commenced within one (1) year after the expiration date of the relevant letter of credit or one (1) year after the claim for relief accrues, whichever occurs later. A claim for relief accrues when the breach occurs, regardless of the aggrieved party's lack of knowledge of the breach.

SECTION 16. KRS 355.5-116 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

- (1) The liability of an issuer, nominated person, or adviser for action or omission is governed by the law of the jurisdiction chosen by an agreement in the form of a record signed or otherwise authenticated by the affected parties in the manner provided in Section 4 of this Act or by a provision in the person's letter of credit, confirmation, or other undertaking. The jurisdiction whose law is chosen need not bear any relation to the transaction.*
- (2) Except as otherwise provided in this subsection, the liability of an issuer, nominated person, or adviser is governed by any rules of custom or practice, such as the Uniform Customs and Practice for Documentary Credits, to which the letter of credit, confirmation, or other undertaking is expressly made subject. If:
 - (a) This article would govern the liability of an issuer, nominated person, or adviser under subsection (1) of this section;*
 - (b) The relevant undertaking incorporates rules of custom or practice; and*
 - (c) There is conflict between this article and those rules as applied to that undertaking, those rules govern except to the extent of any conflict with the nonvariable provisions specified in subsection (3) of Section 3 of this Act.**
- (3) If there is conflict between this article and Article 3, 4, 4A, or 9 of this chapter, this article governs.*
- (4) The forum for settling disputes arising out of an undertaking within this article may be chosen in the manner and with the binding effect that governing law may be chosen in accordance with subsection (1) of this section.*

SECTION 17. KRS 355.5-117 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

- (1) An issuer that honors a beneficiary's presentation is subrogated to the rights of the beneficiary to the same extent as if the issuer were a secondary obligor of the underlying obligation owed to the beneficiary and of the applicant to the same extent as if the issuer were the secondary obligor of the underlying obligation owed to the applicant.*
- (2) An applicant that reimburses an issuer is subrogated to the rights of the issuer against any beneficiary, presenter, or nominated person to the same extent as if the applicant were the secondary obligor of the obligations owed to the issuer and has the rights of subrogation of the issuer to the rights of the beneficiary stated in subsection (1) of this section.*
- (3) A nominated person who pays or gives value against a draft or demand presented under a letter of credit is subrogated to the rights of:
 - (a) The issuer against the applicant to the same extent as if the nominated person were a secondary obligor of the obligation owed to the issuer by the applicant;*
 - (b) The beneficiary to the same extent as if the nominated person were a secondary obligor of the underlying obligation owed to the beneficiary; and**

- (c) *The applicant to same extent as if the nominated person were a secondary obligor of the underlying obligation owed to the applicant.*
- (4) *Notwithstanding any agreement or term to the contrary, the rights of subrogation stated in subsections (1) and (2) of this section do not arise until the issuer honors the letter of credit or otherwise pays and the rights in subsection (3) of this section do not arise until the nominated person pays or otherwise gives value. Until then, the issuer, nominated person, and the applicant do not derive under this section present or prospective rights forming the basis of a claim, defense, or excuse.*

SECTION 18. A NEW SECTION OF ARTICLE 5 OF KRS CHAPTER 355 IS CREATED TO READ AS FOLLOWS AND TO BE NUMBERED AS KRS 355.5-118:

- (1) *An issuer or nominated person has a security interest in a document presented under a letter of credit to the extent that the issuer or nominated person honors or gives value for the presentation.*
- (2) *So long as and to the extent that an issuer or nominated person has not been reimbursed or has not otherwise recovered the value given with respect to a security interest in a document under subsection (1) of this section, the security interest continues and is subject to Article 9 of this chapter, but:*
- (a) *A security agreement is not necessary to make the security interest enforceable under subsection (2)(c) of Section 33 of this Act;*
- (b) *If the document is presented in a medium other than a written or other tangible medium, the security interest is perfected; and*
- (c) *If the document is presented in a written or other tangible medium and is not a certificated security, chattel paper, a document of title, an instrument, or a letter of credit, the security interest is perfected and has priority over a conflicting security interest in the document so long as the debtor does not have possession of the document.*

This subsection is subject to subsections (2) to (4) of this section.*
- (2) *Subsection (1) of this section applies to the extent that:*
 - (a) *The right to payment or a part thereof under an assigned contract has not been fully earned by performance; or*

After receipt of the notification, the account debtor may discharge its obligation by paying the assignee and may not discharge the obligation by paying the assignor.

- (2) *Subject to subsection (8) of this section, notification is ineffective under subsection (1) of this section:*
- (a) *If it does not reasonably identify the rights assigned;*
 - (b) *To the extent that an agreement between an account debtor and a seller of a payment intangible limits the account debtor's duty to pay a person other than the seller and the limitation is effective under law other than this article; or*
 - (c) *At the option of an account debtor, if the notification notifies the account debtor to make less than the full amount of any installment or other periodic payment to the assignee, even if:*

 - 2. *A portion has been assigned to another assignee; or*
 - 3. *The account debtor knows that the assignment to that assignee is limited.*
- (3) *Subject to subsection (8) of this section, if requested by the account debtor, an assignee shall seasonably furnish reasonable proof that the assignment has been made. Unless the assignee complies, the account debtor may discharge its obligation by paying the assignor, even if the account debtor has received a notification under subsection (1) of this section.*
- (4) *Except as otherwise provided in subsection (5) of this section and Sections 89 and 162 of this Act, and subject to subsection (8) of this section, a term in an agreement between an account debtor and an assignor or in a promissory note is ineffective to the extent that it:*
- (a) *Prohibits, restricts, or requires the consent of the account debtor or person obligated on the promissory note to the assignment or transfer of, or the creation, attachment, perfection, or enforcement of a security interest in, the account, chattel paper, payment intangible, or promissory note; or*

- (5) *Subsection (4) of this section does not apply to the sale of a payment intangible or promissory note.*
- (6) *Except as otherwise provided in Sections 89 and 162 of this Act and subject to subsections (8) and (9) of this section, a rule of law, statute, or regulation that prohibits, restricts, or requires the consent of a government, governmental body or official, or account debtor to the assignment or transfer of, or creation of a security interest in, an account or chattel paper is ineffective to the extent that the rule of law, statute, or regulation:*
- (a) *Prohibits, restricts, or requires the consent of the government, governmental body or official, or account debtor to the assignment or transfer of, or the creation,*

attachment, perfection, or enforcement of a security interest in the account or chattel paper; or

- (b) *Provides that the assignment or transfer or the creation, attachment, perfection, or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the account or chattel paper.*
- (7) *Subject to subsection (8) of this section, an account debtor may not waive or vary its option under subsection (2)(c) of this section.*
- (8) *This section is subject to law other than this article which establishes a different rule for an account debtor who is an individual and who incurred the obligation primarily for personal, family, or household purposes.*
- (9) *This section does not apply to an assignment of a health-care-insurance receivable.*

SECTION 89. KRS 355.9-407 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

- (1) *Except as otherwise provided in subsection (2) of this section, a term in a lease agreement is ineffective to the extent that it:*
 - (a) *Prohibits, restricts, or requires the consent of a party to the lease to the assignment or transfer of, or the creation, attachment, perfection, or enforcement of a security interest in, an interest of a party under the lease contract or in the lessor's residual interest in the goods; or*
 - (b) *Provides that the assignment or transfer or the creation, attachment, perfection, or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the lease.*
- (2) *Except as otherwise provided in subsection (7) of Section 162 of this Act, a term described in subsection (1)(b) of this section is effective to the extent that there is:*
 - (a) *A transfer by the lessee of the lessee's right of possession or use of the goods in violation of the term; or*
 - (b) *A delegation of a material performance of either party to the lease contract in violation of the term.*
- (3) *The creation, attachment, perfection, or enforcement of a security interest in the lessor's interest under the lease contract or the lessor's residual interest in the goods is not a transfer that materially impairs the lessee's prospect of obtaining return performance or materially changes the duty of or materially increases the burden or risk imposed on the lessee within the purview of subsection (4) of Section 162 of this Act unless, and then only to the extent that, enforcement actually results in a delegation of material performance of the lessor.*

- (2) Subsection (1) of this section applies to a security interest in a payment intangible or promissory note only if the security interest arises out of a sale of the payment intangible or promissory note.*
- (3) A rule of law, statute, or regulation that prohibits, restricts, or requires the consent of a government, governmental body or official, person obligated on a promissory note, or account debtor to the assignment or transfer of, or creation of a security interest in, a promissory note, health-care-insurance receivable, or general intangible, including a contract, permit, license, or franchise between an account debtor and a debtor, is ineffective to the extent that the rule of law, statute, or regulation:*

 - (c) Does not require the person obligated on the promissory note or the account debtor to recognize the security interest, pay or render performance to the secured party, or accept payment or performance from the secured party;*
 - (d) Does not entitle the secured party to use or assign the debtor's rights under the promissory note, health-care-insurance receivable, or general intangible, including any related information or materials furnished to the debtor in the transaction giving rise to the promissory note, health-care-insurance receivable, or general intangible;*

SECTION 95. KRS 355.9-504 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

- (2) This part of this article applies to the filing of a financing statement under subsection (1) of this section and, as appropriate, to compliance that is equivalent to filing a financing statement under subsection (2) of Section 51 of this Act, but the filing or compliance is not of itself a factor in determining whether the collateral secures an obligation. If it is determined for another reason that the collateral secures an obligation, a security interest held by the consignor, lessor, bailor, licensor, owner, or buyer which attaches to the collateral is perfected by the filing or compliance.*

SECTION 97. KRS 355.9-506 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

- (3) If a search of the records of the filing office under the debtor's correct name, using the filing office's standard search logic, if any, would disclose a financing statement that fails sufficiently to provide the name of the debtor in accordance with subsection (1) of Section 94 of this Act, the name provided does not make the financing statement seriously misleading.*
- (4) For purposes of subsection (2) of Section 99 of this Act, the "debtor's correct name" in subsection (3) of this section means the correct name of the new debtor.*

SECTION 98. KRS 355.9-507 IS REPEALED AND REENACTED TO READ AS FOLLOWS:

- (2) *If the difference between the name of the original debtor and that of the new debtor causes a filed financing statement that is effective under subsection (1) of this section to be seriously misleading under Section 97 of this Act:*
 - (a) *The financing statement is effective to perfect a security interest in collateral acquired by the new debtor before, and within four (4) months after, the new debtor becomes bound under subsection (4) of Section 33 of this Act; and*
 - (b) *The financing statement is not effective to perfect a security interest in collateral acquired by the new debtor more than four (4) months after the new debtor becomes bound under subsection (4) of Section 33 of this Act unless an initial financing statement providing the name of the new debtor is filed before the expiration of that time.*
- (3) *This section does not apply to collateral as to which a filed financing statement remains effective against the new debtor under subsection (1) of Section 98 of this Act.*

SECTION 100. A NEW SECTION OF ARTICLE 9 OF KRS CHAPTER 355 IS CREATED TO READ AS FOLLOWS AND TO BE NUMBERED AS KRS 355.9-509:

- (4) *A person may file an amendment other than an amendment that adds collateral covered by a financing statement or an amendment that adds a debtor to a financing statement only if:*
 - (a) *The secured party of record authorizes the filing; or*
 - (b) *The amendment is a termination statement for a financing statement as to which the secured party of record has failed to file or send a termination statement as required by subsection (1) or (3) of Section 104 of this Act, the debtor authorizes the filing, and the termination statement indicates that the debtor authorized it to be filed.*
- (5) *If there is more than one (1) secured party of record for a financing statement, each secured party of record may authorize the filing of an amendment under subsection (4) of this section.*

SECTION 101. A NEW SECTION OF ARTICLE 9 OF KRS CHAPTER 355 IS CREATED TO READ AS FOLLOWS AND TO BE NUMBERED AS KRS 355.9-510:

 - (a) *Identifies, by its file number, the initial financing statement to which the amendment relates; and*
 - (b) *If the amendment relates to an initial financing statement filed in a filing office described in subsection (1)(a) of Section 92 of this Act, provides the information specified in subsection (2) of Section 93 of this Act.*

 - (b) *If the secured party's compliance is placed in issue, the secured party has the burden of establishing that the collection, enforcement, disposition, or acceptance was conducted in accordance with this part of this article.*
 - (c) *Except as otherwise provided in Section 146 of this Act, if a secured party fails to prove that the collection, enforcement, disposition, or acceptance was conducted in accordance with the provisions of this part of this article relating to collection, enforcement, disposition, or acceptance, the liability of a debtor or a secondary obligor for a deficiency is limited to an amount by which the sum of the secured obligation, expenses, and attorney's fees exceeds the greater of:*
 - 1. *The proceeds of the collection, enforcement, disposition, or acceptance; or*
 - 2. *The amount of proceeds that would have been realized had the noncomplying secured party proceeded in accordance with the provisions of this part of this article relating to collection, enforcement, disposition, or acceptance.*
 - (d) *For purposes of paragraph (c)2. of this subsection, the amount of proceeds that would have been realized is equal to the sum of the secured obligation, expenses, and attorney's fees unless the secured party proves that the amount is less than that sum.*
 - (e) *If a deficiency or surplus is calculated under subsection (6) of Section 133 of this Act, the debtor or obligor has the burden of establishing that the amount of proceeds of the disposition is significantly below the range of prices that a complying disposition to a person other than the secured party, a person related to the secured party, or a secondary obligor would have brought.*
- (2) *The limitation of the rules in subsection (1) of this section to transactions other than consumer transactions is intended to leave to the court the determination of the proper rules in consumer transactions. The court may not infer from that limitation the nature of the proper rule in consumer transactions and may continue to apply established approaches.*

SECTION 145. A NEW SECTION OF ARTICLE 9 OF KRS CHAPTER 355 IS CREATED TO READ AS FOLLOWS AND TO BE NUMBERED AS KRS 355.9-627:

- (1) *The fact that a greater amount could have been obtained by a collection, enforcement, disposition, or acceptance at a different time or in a different method from that selected by*

the secured party is not of itself sufficient to preclude the secured party from establishing that the collection, enforcement, disposition, or acceptance was made in a commercially reasonable manner.

- (2) *A disposition of collateral is made in a commercially reasonable manner if the disposition is made:*
 - (a) *In the usual manner on any recognized market;*
 - (b) *At the price current in any recognized market at the time of the disposition; or*
 - (c) *Otherwise in conformity with reasonable commercial practices among dealers in the type of property that was the subject of the disposition.*
- (3) *A collection, enforcement, disposition, or acceptance is commercially reasonable if it has been approved:*
 - (a) *In a judicial proceeding;*
 - (b) *By a bona fide creditors' committee;*
 - (c) *By a representative of creditors; or*
 - (d) *By an assignee for the benefit of creditors.*
- (4) *Approval under subsection (3) of this section need not be obtained, and lack of approval does not mean that the collection, enforcement, disposition, or acceptance is not commercially reasonable.*

SECTION 146. A NEW SECTION OF ARTICLE 9 OF KRS CHAPTER 355 IS CREATED TO READ AS FOLLOWS AND TO BE NUMBERED AS KRS 355.9-628:

- (1) *Unless a secured party knows that a person is a debtor or obligor, knows the identity of the person, and knows how to communicate with the person:*
 - (a) *The secured party is not liable to the person, or to a secured party or lienholder that has filed a financing statement against the person, for failure to comply with this article; and*
 - (b) *The secured party's failure to comply with this article does not affect the liability of the person for a deficiency.*
- (2) *A secured party is not liable because of its status as secured party:*
 - (a) *To a person that is a debtor or obligor, unless the secured party knows:*
 - 1. *That the person is a debtor or obligor;*
 - 2. *The identity of the person; and*
 - 3. *How to communicate with the person; or*
 - (b) *To a secured party or lienholder that has filed a financing statement against a person, unless the secured party knows: 1. That the person is a debtor; and*
 - 2. *The identity of the person.*
- (3) *A secured party is not liable to any person, and a person's liability for a deficiency is not affected, because of any act or omission arising out of the secured party's reasonable belief that a transaction is not a consumer-goods transaction or a consumer transaction or that*

goods are not consumer goods, if the secured party's belief is based on its reasonable reliance on:

- (a) A debtor's representation concerning the purpose for which collateral was to be used, acquired, or held; or*
 - (b) An obligor's representation concerning the purpose for which a secured obligation was incurred.*
- (4) A secured party is not liable to any person under subsection (3)(b) of Section 143 of this Act for its failure to comply with Section 134 of this Act.*
- (5) A secured party is not liable under subsection (3)(b) of Section 143 of this Act more than once with respect to any one (1) secured obligation.*

PART 7

TRANSITION

SECTION 147. A NEW SECTION OF ARTICLE 9 OF KRS CHAPTER 355 IS CREATED TO READ AS FOLLOWS AND TO BE NUMBERED AS 355.9-701:

This article takes effect on July 1, 2001.

SECTION 148. A NEW SECTION OF ARTICLE 9 OF KRS CHAPTER 355 IS CREATED TO READ AS FOLLOWS AND TO BE NUMBERED AS KRS 355.9-702:

- (1) Except as otherwise provided in this part of this article, the revision of Article 9 in this Act applies to a transaction or lien within its scope, even if the transaction or lien was entered into or created before this Act takes effect.*
- (2) Except as otherwise provided in subsection (3) of this section and Sections 149 to 155 of this Act:*
 - (a) Transactions and liens that were not governed by the former Article 9 of this chapter, were validly entered into or created before the revision of Article 9 in this Act takes effect, and would be subject to the revision of Article 9 in this Act if they had been entered into or created after this Act takes effect, and the rights, duties, and interests flowing from those transactions and liens remain valid after this Act takes effect; and*
 - (b) The transactions and liens may be terminated, completed, consummated, and enforced as required or permitted by the revision of Article 9 in this Act or by the law that otherwise would apply if this Act had not taken effect.*
- (3) The revision of Article 9 in this Act does not affect an action, case, or proceeding commenced before this Act takes effect.*

SECTION 149. A NEW SECTION OF ARTICLE 9 OF KRS CHAPTER 355 IS CREATED TO READ AS FOLLOWS AND TO BE NUMBERED AS KRS 355.9-703:

- (1) A security interest that is enforceable immediately before this Act takes effect and would have priority over the rights of a person that becomes a lien creditor at that time is a perfected security interest under the revision of Article 9 in this Act if, when this Act takes effect, the applicable requirements for enforceability and perfection under the revision of Article 9 in this Act are satisfied without further action.*

- (2) *Except as otherwise provided in Section 151 of this Act, if, immediately before this Act takes effect, a security interest is enforceable and would have priority over the rights of a person that becomes a lien creditor at that time, but the applicable requirements for enforceability or perfection under the revision of Article 9 in this Act are not satisfied when this Act takes effect, the security interest:*
- (a) *Is a perfected security interest for one (1) year after this Act takes effect;*
 - (b) *Remains enforceable thereafter only if the security interest becomes enforceable under Section 33 of this Act before the year expires; and*
 - (c) *Remains perfected thereafter only if the applicable requirements for perfection under the revision of Article 9 in this Act are satisfied before the year expires.*

SECTION 150. A NEW SECTION OF ARTICLE 9 OF KRS CHAPTER 355 IS CREATED TO READ AS FOLLOWS AND TO BE NUMBERED AS KRS 355.9-704:

A security interest that is enforceable immediately before this Act takes effect but which would be subordinate to the rights of a person that becomes a lien creditor at that time: (1) Remains an enforceable security interest for one (1) year after this Act takes effect;

- (2) *Remains enforceable thereafter if the security interest becomes enforceable under Section 33 of this Act when this Act takes effect or within one (1) year thereafter; and*
- (3) *Becomes perfected:*
 - (a) *Without further action, when this Act takes effect if the applicable requirements for perfection under the revision of Article 9 in this Act are satisfied before or at that time; or*
 - (b) *When the applicable requirements for perfection are satisfied if the requirements are satisfied after that time.*

SECTION 151. A NEW SECTION OF ARTICLE 9 OF KRS CHAPTER 355 IS CREATED TO READ AS FOLLOWS AND TO BE NUMBERED AS KRS 355.9-705:

- (1) *If action, other than the filing of a financing statement, is taken before this Act takes effect and the action would have resulted in priority of a security interest over the rights of a person that becomes a lien creditor had the security interest become enforceable before this Act takes effect, the action is effective to perfect a security interest that attaches under the revision of Article 9 in this Act within one (1) year after this Act takes effect. An attached security interest becomes unperfected one (1) year after this Act takes effect unless the security interest becomes a perfected security interest under the revision of Article 9 in this Act before the expiration of that period.*
- (2) *The filing of a financing statement before this Act takes effect is effective to perfect a security interest to the extent the filing would satisfy the applicable requirements for perfection under the revision of Article 9 in this Act.*
- (3) *The revision of Article 9 in this Act does not render ineffective an effective financing statement that, before this Act takes effect, is filed and satisfies the applicable requirements for perfection under the law of the jurisdiction governing perfection as provided in the former KRS 355.9-103, or law determining the place of filing as provided in the former KRS 355.9-401. However, except as otherwise provided in subsections (4) and (5) of this*

section and Section 152 of this Act, the financing statement ceases to be effective at the earlier of:

- (a) The time the financing statement would have ceased to be effective under the law of the jurisdiction in which it is filed; or (b) June 30, 2006.*
- (4) The filing of a continuation statement after this Act takes effect does not continue the effectiveness of the financing statement filed before this Act takes effect. However, upon the timely filing of a continuation statement after this Act takes effect and in accordance with the law of the jurisdiction governing perfection as provided in Part 3 of this article, the effectiveness of a financing statement filed in the same office in that jurisdiction before this Act takes effect continues for the period provided by the law of that jurisdiction.*
- (5) Subsection (3)(b) of this section applies to a financing statement that, before this Act takes effect, is filed against a transmitting utility and satisfies the applicable requirements for perfection under the law of the jurisdiction governing perfection as provided in the former KRS 355.9-103 only to the extent that Part 3 of this article provides that the law of a jurisdiction other than the jurisdiction in which the financing statement is filed governs perfection of a security interest in collateral covered by the financing statement.*
- (6) A financing statement that includes a financing statement filed before this Act takes effect and a continuation statement filed after this Act takes effect is effective only to the extent that it satisfies the requirements of Part 5 of this article for an initial financing statement.*

SECTION 152. A NEW SECTION OF ARTICLE 9 OF KRS CHAPTER 355 IS CREATED TO READ AS FOLLOWS AND TO BE NUMBERED AS KRS 355.9-706:

- (1) The filing of an initial financing statement in the office specified in Section 92 of this Act continues the effectiveness of a financing statement filed before this Act takes effect if:

 - (a) The filing of an initial financing statement in that office would be effective to perfect a security interest under the revision of Article 9 in this Act;*
 - (b) The pre-effective-date financing statement was filed in an office in another state or another office in this Commonwealth; and*
 - (c) The initial financing statement satisfies subsection (3) of this section.**
- (2) The filing of an initial financing statement under subsection (1) of this section continues the effectiveness of the pre-effective-date financing statement:

 - (a) If the initial financing statement is filed before this Act takes effect, for the period provided in the former KRS 355.9-403 with respect to a financing statement; and*
 - (b) If the initial financing statement is filed after this Act takes effect, for the period provided in Section 106 of this Act with respect to an initial financing statement.**
- (3) To be effective for purposes of subsection (1) of this section, an initial financing statement must:

 - (a) Satisfy the requirements of Part 5 of this article for an initial financing statement;*
 - (b) Identify the pre-effective-date financing statement by indicating the office in which the financing statement was filed and providing the dates of filing and file numbers, if any, of the financing statement and of the most recent continuation statement filed with respect to the financing statement; and**

- (c) *Indicate that the pre-effective-date financing statement remains effective.*
- (4) *When a secured party files an initial financing statement with the Secretary of State under subsection (1) of this section or under Section 153 of this Act, the secured party may send a copy of the initial financing statement to the county clerk of the county in which the pre-effective-date financing statement was filed, and, additionally, may send to the county clerk copies of any continuation statement subsequently filed with the Secretary of State that relates to an initial financing statement filed under subsection (1) of this section or under Section 153 of this Act. The secured party's election not to send a copy of an initial financing statement or a continuation statement to the county clerk does not affect in any way the perfection of the secured party's security interest. The county clerk shall append to the pre-effective-date financing statement the copy of any initial financing statement or continuation statement received from a secured party and shall retain the entire file as required by Section 156 of this Act.*

SECTION 153. A NEW SECTION OF ARTICLE 9 OF KRS CHAPTER 355 IS CREATED TO READ AS FOLLOWS AND TO BE NUMBERED AS KRS 355.9-707:

- (1) *In this section, "pre-effective-date financing statement" means a financing statement filed before the effective date of this Act.*
- (2) *After the effective date of this Act, a person may add or delete collateral covered by, continue or terminate the effectiveness of, or otherwise amend information provided in, a pre-effective-date financing statement only in accordance with the law of the jurisdiction governing perfection as provided in Part 3 of this Article. However, the effectiveness of a pre-effective-date financing statement also may be terminated in accordance with the law of the jurisdiction in which the financing statement is filed.*
- (3) *Except as otherwise provided in subsection (4) of this section, if the law of this Commonwealth governs perfection of a security interest, the information in a preeffective-date financing statement may be amended after the effective date of this Act only if:*
- (a) *The pre-effective-date financing statement and an amendment are filed in the office specified in Section 92 of this Act;*
 - (b) *An amendment is filed in the office specified in Section 92 of this Act concurrently with, or after the filing in that office of, an initial financing statement that satisfies subsection (3) of Section 152 of this Act; or*
 - (c) *An initial financing statement that provides the information as amended and satisfies subsection (3) of Section 152 of this Act is filed in the office specified in Section 92 of this Act.*
- (4) *If the law of this Commonwealth governs perfection of a security interest, the effectiveness of a pre-effective-date financing statement may be continued only under subsections (4) and (6) of Section 151 of this Act or Section 152 of this Act.*
- (5) *Whether or not the law of this Commonwealth governs perfection of a security interest, the effectiveness of a pre-effective-date financing statement filed in this Commonwealth may be terminated after the effective date of this Act by filing a termination statement in the office in which the pre-effective-date financing statement is filed, unless an initial financing statement that satisfies subsection (3) of Section 152 of this Act has been filed in*

the office specified by the law of the jurisdiction governing perfection as provided in Part 3 of this Article as the office in which to file a financing statement.

SECTION 154. A NEW SECTION OF ARTICLE 9 OF KRS CHAPTER 355 IS CREATED TO READ AS FOLLOWS AND TO BE NUMBERED AS KRS 355.9-708:

A person may file an initial financing statement or a continuation statement under this part of this article if:

- (1) The secured party of record authorizes the filing; and*
- (2) The filing is necessary under this part of this article:*
 - (a) To continue the effectiveness of a financing statement filed before this Act takes effect; or*
 - (b) To perfect or continue the perfection of a security interest.*

SECTION 155. A NEW SECTION OF ARTICLE 9 OF KRS CHAPTER 355 IS CREATED TO READ AS FOLLOWS AND TO BE NUMBERED AS KRS 355.9-709:

- (1) The revision of Article 9 in this Act determines the priority of conflicting claims to collateral. However, if the relative priorities of the claims were established before this Act takes effect, the former Article 9 of this chapter determines priority.*
- (2) For purposes of subsection (1) of Section 62 of this Act, the priority of a security interest that becomes enforceable under Section 33 of this Act dates from the time this Act takes effect if the security interest is perfected under the revision of Article 9 in this Act by the filing of a financing statement before this Act takes effect which would not have been effective to perfect the security interest under the former Article 9 of this chapter. This subsection does not apply to conflicting security interests each of which is perfected by the filing of such a financing statement.*

SECTION 156. A NEW SECTION OF ARTICLE 9 OF KRS CHAPTER 355 IS CREATED TO READ AS FOLLOWS AND TO BE NUMBERED AS KRS 355.9-710:

- (1) A county clerk who receives a statement tendered by a secured party under Part 4 of the former Article 9, prior to the effective date of this Act, that has not been filed or indexed on the effective date of this Act, shall file and index the statement as soon as practicable.*
- (2) Every county clerk shall append to the pre-effective-date financing statement the copies of any initial financing statement or continuation statement received from a secured party under subsection (4) of Section 152 of this Act.*
- (3) The county clerk shall maintain all records filed under Part 4 of the former Article 9 and subsection (2) of this section until the later of:*
 - (a) One (1) year after the lapse of the initial financing statement;*
 - (b) July 1, 2008; or*
 - (c) Such other record-retention requirement as may be applicable under other Kentucky law or administrative regulations.*
- (4) The county clerk shall respond to requests for information with respect to records maintained under this Article in accordance with subsections (3) and (4) of Section 114 of this Act and may charge the fee for issuing certificates authorized in Section 116 of this Act.*

- (5) *When Internet access is available through the AVIS system or its successor, every county clerk shall provide a means within his or her office by which the Secretary of State's filing system for this Article can be searched and through which electronic filings under this Article can be made with the Secretary of State. This subsection shall not be construed to require a secured party to file through the means provided by a county clerk. The county clerk shall neither be required to conduct a search of the Secretary of State's filing system nor to issue a certificate as to the contents of the system.*

SEGMENT D

CONFORMING AMENDMENTS FOR REVISED ARTICLE 9

Section 157. KRS 355.1-201 is amended to read as follows:

Subject to additional definitions contained in the subsequent articles of this chapter which are applicable to specific articles or parts thereof, and unless the context otherwise requires, in this chapter:

- (1) "Action" in the sense of a judicial proceeding includes recoupment, counterclaim, set-off, suit in equity and any other proceedings in which rights are determined.
- (2) "Aggrieved party" means a party entitled to resort to a remedy.
- (3) "Agreement" means the bargain of the parties in fact as found in their language or by implication from other circumstances including course of dealing or usage of trade or course of performance as provided in this chapter (KRS 355.1-205 and 355.2-208). Whether an agreement has legal consequences is determined by the provisions of this chapter, if applicable; otherwise by the law of contracts (KRS 355.1-103). (Compare "Contract.")
- (4) "Bank" means any person engaged in the business of banking.
- (5) "Bearer" means the person in possession of an instrument, document of title, or certificated security payable to bearer or indorsed in blank.
- (6) "Bill of lading" means a document evidencing the receipt of goods for shipment issued by a person engaged in the business of transporting or forwarding goods, and includes an airbill. "Airbill" means a document serving for air transportation as a bill of lading does for marine or rail transportation, and includes an air consignment note or air waybill.
- (7) "Branch" includes a separately incorporated foreign branch of a bank.
- (8) "Burden of establishing" a fact means the burden of persuading the triers of fact that the existence of the fact is more probable than its nonexistence.
- (9) "Buyer in ordinary course of business" means a person *that buys goods* ~~who~~ in good faith, ~~and~~ without knowledge that the sale *violates* ~~to him is in violation of~~ the ~~ownership~~ rights ~~or security interest~~ of *another person* ~~a third party~~ in the goods, *and* ~~buys~~ in *the* ordinary course from a person, *other than a pawnbroker*, in the business of selling goods of that kind ~~but does not include a pawnbroker~~. *A person buys goods in the ordinary course if the sale to the person comports with the usual or customary practices in the kind of business in which the seller is engaged or with the seller's own usual or customary practices. A person that sells oil, gas, or other minerals at the wellhead or minehead is a person* ~~All persons who sell minerals or the like (including oil and gas) at wellhead or minehead shall be deemed to be persons~~ in the business of selling goods of that kind. *A buyer in ordinary course of business* ~~"Buying"~~ may *buy* ~~be~~ for cash, ~~or~~ by exchange of other property or on secured

or unsecured credit, and *may acquire* ~~[includes receiving]~~ goods or documents of title under a preexisting contract for sale ~~[but does not include a transfer in bulk or as security for or in total or partial satisfaction of a money debt]~~. ***Only a buyer that takes possession of the goods or has a right to recover the goods from the seller under Article 2 of this chapter may be a buyer in ordinary course of business. A person that acquires goods in a transfer in bulk or as security for or in total or partial satisfaction of a money debt is not a buyer in ordinary course of business.***

- (10) "Conspicuous": A term or clause is conspicuous when it is so written that a reasonable person against whom it is to operate ought to have noticed it. A printed heading in capitals (as: NONNEGOTIABLE BILL OF LADING) is conspicuous. Language in the body of a form is "conspicuous" if it is in larger or other contrasting type or color. But in a telegram any stated term is "conspicuous." Whether a term or clause is "conspicuous" or not is for decision by the court.
- (11) "Contract" means the total legal obligation which results from the parties' agreement as affected by this chapter and any other applicable rules of law. (Compare "Agreement.")
- (12) "Creditor" includes a general creditor, a secured creditor, a lien creditor and any representative of creditors, including an assignee for the benefit of creditors, a trustee in bankruptcy, a receiver in equity and an executor or administrator of an insolvent debtor's or assignor's estate.
- (13) "Defendant" includes a person in the position of defendant in a cross-action or counterclaim.
- (14) "Delivery" with respect to instruments, documents of title, chattel paper or certificated securities means voluntary transfer of possession.
- (15) "Document of title" includes bill of lading, dock warrant, dock receipt, warehouse receipt or order for the delivery of goods, and also any other document which in the regular course of business or financing is treated as adequately evidencing that the person in possession of it is entitled to receive, hold and dispose of the document and the goods it covers. To be a document of title a document must purport to be issued by or addressed to a bailee and purport to cover goods in the bailee's possession which are either identified or are fungible portions of an identified mass.
- (16) "Fault" means wrongful act, omission or breach.
- (17) "Fungible" with respect to goods or securities means goods or securities of which any unit is, by nature or usage of trade, the equivalent of any other like unit. Goods which are not fungible shall be deemed fungible for the purposes of this chapter to the extent that under a particular agreement or document unlike units are treated as equivalents.
- (18) "Genuine" means free of forgery or counterfeiting.
- (19) "Good faith" means honesty in fact in the conduct or transaction concerned.
- (20) "Holder" with respect to a negotiable instrument, means the person in possession if the instrument is payable to bearer or, in the case of an instrument payable to an identified person, if the identified person is in possession. "Holder" with respect to a document of title means the person in possession if the goods are deliverable to bearer or to the order of the person in possession.
- (21) To "honor" is to pay or to accept and pay, or where a credit so engages to purchase or discount a draft complying with the terms of the credit.

- (22) "Insolvency proceedings" includes any assignment for the benefit of creditors or other proceedings intended to liquidate or rehabilitate the estate of the person involved.
- (23) A person is "insolvent" who either has ceased to pay his debts in the ordinary course of business or cannot pay his debts as they become due or is insolvent within the meaning of the federal bankruptcy law.
- (24) "Money" means a medium of exchange authorized or adopted by a domestic or foreign government and includes a monetary unit of account established by an intergovernmental organization or by agreement between two (2) or more nations.
- (25) A person has "notice" of a fact when
- (a) He has actual knowledge of it; or
 - (b) He has received a notice or notification of it; or
 - (c) From all the facts and circumstances known to him at the time in question he has reason to know that it exists.

A person "knows" or has "knowledge" of a fact when he has actual knowledge of it. "Discover" or "learn" or a word or phrase of similar import refers to knowledge rather than to reason to know. The time and circumstances under which a notice or notification may cease to be effective are not determined by this chapter.

- (26) A person "notifies" or "gives" a notice or notification to another by taking such steps as may be reasonably required to inform the other in ordinary course whether or not such other actually comes to know of it. A person "receives" a notice or notification when
- (a) It comes to his attention; or
 - (b) It is duly delivered at the place of business through which the contract was made or at any other place held out by him as the place for receipt of such communications.
- (27) Notice, knowledge or a notice or notification received by an organization is effective for a particular transaction from the time when it is brought to the attention of the individual conducting that transaction, and in any event from the time when it would have been brought to his attention if the organization had exercised due diligence. An organization exercises due diligence if it maintains reasonable routines for communicating significant information to the person conducting the transaction and there is reasonable compliance with the routines. Due diligence does not require an individual acting for the organization to communicate information unless such communication is part of his regular duties or unless he has reason to know of the transaction and that the transaction would be materially affected by the information.
- (28) "Organization" includes a corporation, government or governmental subdivision or agency, business trust, estate, trust, partnership or association, two (2) or more persons having a joint or common interest, or any other legal or commercial entity.
- (29) "Party," as distinct from "third party," means a person who has engaged in a transaction or made an agreement within this chapter.
- (30) "Person" includes an individual or an organization (See KRS 355.1-102).

- (31) "Presumption" or "presumed" means that the trier of fact must find the existence of the fact presumed unless and until evidence is introduced which would support a finding of its nonexistence.
- (32) "Purchase" includes taking by sale, discount, negotiation, mortgage, pledge, lien, *security interest*, issue or reissue, gift or any other voluntary transaction creating an interest in property.
- (33) "Purchaser" means a person who takes by purchase.
- (34) "Remedy" means any remedial right to which an aggrieved party is entitled with or without resort to tribunal.
- (35) "Representative" includes an agent, an officer of a corporation or association, and a trustee, executor or administrator of an estate, or any other person empowered to act for another.
- (36) "Rights" includes remedies.
- (37) "Security interest" means an interest in personal property or fixtures which secures payment or performance of an obligation. ~~The retention or reservation of title by a seller of goods notwithstanding shipment or delivery to the buyer (KRS 355.2-401) is limited in effect to a reservation of a "security interest."~~ The term also includes any interest of a *consignor and a buyer of accounts, ~~or~~ chattel paper, a payment intangible, or a promissory note in a transaction that ~~which~~* is subject to Article 9 of this chapter. The special property interest of a buyer of goods on identification of those goods to a contract for sale under KRS 355.2401 is not a "security interest," but a buyer may also acquire a "security interest" by complying with Article 9 of this chapter. *Except as otherwise provided in KRS 355.2-505, the right of a seller or lessor of goods under Article 2 or 2A of this chapter to retain or acquire possession of the goods is not a "security interest," but a seller or lessor may also acquire a "security interest" by complying with Article 9 of this chapter. The retention or reservation of title by a seller of goods notwithstanding shipment or delivery to the buyer (KRS 355.2-401) is limited in effect to a reservation of a "security interest."* ~~{Unless a consignment is intended as security, reservation of title thereunder is not a "security interest", but a consignment in any event is subject to the provisions on consignment sales (KRS 355.2-326).}~~

Whether a transaction creates a lease or security interest is determined by the facts of each case; however, a transaction creates a security interest if the consideration the lessee is to pay the lessor for the right to possession and use of the goods is an obligation for the term of the lease not subject to termination by the lessee; and

- (a) The original term of the lease is equal to or greater than the remaining economic life of the goods;
- (b) The lessee is bound to renew the lease for the remaining economic life of the goods or is bound to become the owner of the goods;
- (c) The lessee has an option to renew the lease for the remaining economic life of the goods for no additional consideration or nominal additional consideration upon compliance with the lease agreement; or
- (d) The lessee has an option to become the owner of the goods for no additional consideration or nominal additional consideration upon compliance with the lease agreement.

A transaction does not create a security interest merely because it provides that:

- (a) The present value of the consideration the lessee is obligated to pay the lessor for the right to possession and use of the goods is substantially equal to or is greater than the fair market value of the goods at the time the lease is entered into;
- (b) The lessee assumes risk of loss of the goods, or agrees to pay taxes, insurance, filing, recording, or registration fees, or service or maintenance costs with respect to the goods;
- (c) The lessee has an option to renew the lease or to become the owner of the goods;
- (d) The lessee has an option to renew the lease for a fixed rent that is equal to or greater than the reasonably predictable fair market rent for the use of the goods for the term of the renewal at the time the option is to be performed; or
- (e) The lessee has an option to become the owner of the goods for a fixed price that is equal to or greater than the reasonably predictable fair market value of the goods at the time the option is to be performed.

For purposes of this subsection (37):

- (x) Additional consideration is not nominal if (i) when the option to renew the lease is granted to the lessee the rent is stated to be the fair market rent for the use of the goods for the term of the renewal determined at the time the option is to be performed, or (ii) when the option to become the owner of the goods is granted to the lessee the price is stated to be the fair market value of the goods determined at the time the option is to be performed. Additional consideration is nominal if it is less than the lessee's reasonably predictable cost of performing under the lease agreement if the option is not exercised;
 - (y) "Reasonably predictable" and "remaining economic life of the goods" are to be determined with reference to the facts and circumstances at the time the transaction is entered into; and
 - (z) "Present value" means the amount as of a date certain of one (1) or more sums payable in the future, discounted to the date certain. The discount is determined by the interest rate specified by the parties if the rate is not manifestly unreasonable at the time the transaction is entered into; otherwise, the discount is determined by a commercially reasonable rate that takes into account the facts and circumstances of each case at the time the transaction was entered into.
- (38) "Send" in connection with any writing or notice means to deposit in the mail or deliver for transmission by any other usual means of communication with postage or cost of transmission provided for and properly addressed and in the case of an instrument to an address specified thereon or otherwise agreed, or if there be none to any address reasonable under the circumstances. The receipt of any writing or notice within the time at which it would have arrived if properly sent has the effect of a proper sending.
- (39) "Signed" includes any symbol executed or adopted by a party with present intention to authenticate a writing.
- (40) "Surety" includes guarantor.
- (41) "Telegram" includes a message transmitted by radio, teletype, cable, any mechanical method of transmission, or the like.

- (42) "Term" means that portion of an agreement which relates to a particular matter.
- (43) "Unauthorized" signature means one made without actual, implied, or apparent authority and includes a forgery.
- (44) "Value," except as otherwise provided with respect to negotiable instruments and bank collections (KRS 355.3-303, 355.4-210, and 355.4-211) a person gives "value" for rights if he acquires them
 - (a) In return for a binding commitment to extend credit or for the extension of immediately available credit whether or not drawn upon and whether or not a chargeback is provided for in the event of difficulties in collection; or
 - (b) As security for or in total or partial satisfaction of a pre-existing claim; or
 - (c) By accepting delivery pursuant to a pre-existing contract for purchase; or
 - (d) Generally, in return for any consideration sufficient to support a simple contract.
- (45) "Warehouse receipt" means a receipt issued by a person engaged in the business of storing goods for hire.
- (46) "Written" or "writing" includes printing, typewriting or any other intentional reduction to tangible form.

Section 159. KRS 355.2-210 is amended to read as follows:

- (1) A party may perform his duty through a delegate unless otherwise agreed or unless the other party has a substantial interest in having his original promisor perform or control the acts required by the contract. No delegation of performance relieves the party delegating of any duty to perform or any liability for breach.
- (2) ***Except as otherwise provided in Section 88 of this Act***, unless otherwise agreed, all rights of either seller or buyer can be assigned except where the assignment would materially change the duty of the other party, or increase materially the burden or risk imposed on him by his contract, or impair materially his chance of obtaining return performance. A right to damages for breach of the whole contract or a right arising out of the assignor's due performance of his entire obligation can be assigned despite agreement otherwise.
- (3) ***The creation, attachment, perfection, or enforcement of a security interest in the seller's interest under a contract is not a transfer that materially changes the duty of or increases materially the burden or risk imposed on the buyer or impairs materially the buyer's chance***

of obtaining return performance within the purview of subsection (2) of this section unless, and then only to the extent that, enforcement actually results in a delegation of material performance of the seller. Even in that event, the creation, attachment, perfection, and enforcement of the security interest remain effective, but:

- (a) *The seller is liable to the buyer for damages caused by the delegation to the extent that the damages could not reasonably be prevented by the buyer; and*
 - (b) *A court having jurisdiction may grant other appropriate relief, including cancellation of the contract for sale or an injunction against enforcement of the security interest or consummation of the enforcement.*
- (4) Unless the circumstances indicate the contrary a prohibition of assignment of "the contract" is to be construed as barring only the delegation to the assignee of the assignor's performance.
- ~~(5)(4)~~ An assignment of "the contract" or of "all my rights under the contract" or an assignment in similar general terms is an assignment of rights and unless the language or the circumstances (as in an assignment for security) indicate the contrary, it is a delegation of performance of the duties of the assignor and its acceptance by the assignee constitutes a promise by him to perform those duties. This promise is enforceable by either the assignor or the other party to the original contract.
- ~~(6)(5)~~ The other party may treat any assignment which delegates performance as creating reasonable grounds for insecurity and may without prejudice to his rights against the assignor demand assurances from the assignee (KRS 355.2-609).

Section 160. KRS 355.2-326 is amended to read as follows:

- (1) Unless otherwise agreed, if delivered goods may be returned by the buyer even though they conform to the contract, the transaction is
 - (a) a "sale on approval" if the goods are delivered primarily for use, and (b) a "sale or return" if the goods are delivered primarily for resale.
- (2) ~~Except as provided in subsection (3),~~ Goods held on approval are not subject to the claims of the buyer's creditors until acceptance; goods held on sale or return are subject to such claims while in the buyer's possession.
- ~~(3) Where goods are delivered to a person for sale and such person maintains a place of business at which he deals in goods of the kind involved, under a name other than the name of the person making delivery, then with respect to claims of creditors of the person conducting the business the goods are deemed to be on sale or return. The provisions of this subsection are applicable even though an agreement purports to reserve title to the person making delivery until payment or resale or uses such words as "on consignment" or "on memorandum." However, this subsection is not applicable if the person making delivery~~
 - ~~(a) complies with an applicable law providing for a consignor's interest or the like to be evidenced by a sign, or~~
 - ~~(b) establishes that the person conducting the business is generally known by his creditors to be substantially engaged in selling the goods of others, or~~
 - ~~(c) complies with the filing provisions of the article on secured transactions (Article 9).~~

~~(4)~~ Any "or return" term of a contract for sale is to be treated as a separate contract for sale within the statute of frauds section of this article (KRS 355.2-201) and as contradicting the sale aspect of the contract within the provisions of this article on parol or extrinsic evidence (KRS 355.2-202).

Section 161. KRS 355.2-502 is amended to read as follows:

- (1) Subject to **subsections**~~[subsection]~~ (2) **and (3) of this section** and even though the goods have not been shipped a buyer who has paid a part or all of the price of goods in which he has a special property under the provisions of the immediately preceding section may on making and keeping good a tender of any unpaid portion of their price recover them from the seller if:
 - (a) ***In the case of goods bought for personal, family, or household purposes, the seller repudiates or fails to deliver as required by contract; or***
 - (b) ***In all cases, the seller becomes insolvent within ten (10) days after receipt of the first installment on their price.***
- (2) ***The buyer's right to recover the goods under subsection (1)(a) of this section vests upon acquisition of a special property, even if the seller had not then repudiated or failed to deliver.***
- (3) If the identification creating his special property has been made by the buyer he acquires the right to recover the goods only if they conform to the contract for sale.

Section 162. KRS 355.2-716 is amended to read as follows:

- (1) Specific performance may be decreed where the goods are unique or in other proper circumstances.
- (2) The decree for specific performance may include such terms and conditions as to payment of the price, damages, or other relief as the court may deem just.
- (3) The buyer has a right of replevin for goods identified to the contract if after reasonable effort he is unable to effect cover for such goods or the circumstances reasonably indicate that such effort will be unavailing or if the goods have been shipped under reservation and satisfaction of the security interest in them has been made or tendered. ***In the case of goods bought for personal, family, or household purposes, the buyer's right of replevin vests upon acquisition of a special property, even if the seller had not then repudiated or failed to deliver.***

Section 163. KRS 355.2A-103 is amended to read as follows:

- (1) In this article unless the context otherwise requires:
 - (a) "Buyer in ordinary course of business" means a person who in good faith and without knowledge that the sale to him is in violation of the ownership rights or security interest or leasehold interest of a third party in the goods, buys in ordinary course from a person in the business of selling goods of that kind but does not include a pawnbroker. "Buying" may be for cash or by exchange of other property or on secured or unsecured credit and includes receiving goods or documents of title under a preexisting contract for sale but does not include a transfer in bulk or as security for or in total or partial satisfaction of a money debt.

- (b) "Cancellation" occurs when either party puts an end to the lease contract for default by the other party.
- (c) "Commercial unit" means such a unit of goods as by commercial usage is a single whole for purposes of lease and division of which materially impairs its character or value on the market or in use. A commercial unit may be a single article, as a machine, or a set of articles, as a suite of furniture or a line of machinery, or a quantity, as a gross or carload, or any other unit treated in use or in the relevant market as a single whole.
- (d) "Conforming" goods or performance under a lease contract means goods or performance that are in accordance with the obligations under the lease contract.
- (e) "Consumer lease" means a lease that a lessor regularly engaged in the business of leasing or selling makes to a lessee who is an individual and who takes under the lease primarily for a personal, family, or household purpose.
- (f) "Fault" means wrongful act, omission, breach, or default.
- (g) "Finance lease" means a lease with respect to which:
 - 1. The lessor does not select, manufacture, or supply the goods;
 - 2. The lessor acquires the goods or the right to possession and use of the goods in connection with the lease; and
 - 3. One of the following occurs:
 - a. The lessee receives a copy of the contract by which the lessor acquired the goods or the right to possession and use of the goods before signing the lease contract;
 - b. The lessee's approval of the contract by which the lessor acquired the goods or the right to possession and use of the goods is a condition to effectiveness of the lease contract;
 - c. The lessee, before signing the lease contract, receives an accurate and complete statement designating the promises and warranties, and any disclaimers of warranties, limitations or modifications of remedies, or liquidated damages, including those of a third party, such as the manufacturer of the goods, provided to the lessor by the person supplying the goods in connection with or as part of the contract by which the lessor acquired the goods or the right to possession and use of the goods; or
 - d. If the lease is not a consumer lease, the lessor, before the lessee signs the lease contract, informs the lessee in writing (a) of the identity of the person supplying the goods to the lessor, unless the lessee has selected that person and directed the lessor to acquire the goods or the right to possession and use of the goods from that person, (b) that the lessee is entitled under this article to the promises and warranties, including those of any third party, provided to the lessor by the person supplying the goods in connection with or as part of the contract by which the lessor acquired the goods or the right to possession and use of the goods, and (c) that the lessee may communicate with the person supplying the goods to the lessor and receive

an accurate and complete statement of those promises and warranties, including any disclaimers and limitations of them or of remedies.

- (h) "Goods" means all things that are movable at the time of identification to the lease contract, or are fixtures (KRS 355.2A-309), but the term does not include money, documents, instruments, accounts, chattel paper, general intangibles, or minerals or the like, including oil and gas, before extraction. The term also includes the unborn young of animals.
- (i) "Installment lease contract" means a lease contract that authorizes or requires the delivery of goods in separate lots to be separately accepted, even though the lease contract contains a clause "each delivery is a separate lease" or its equivalent.
- (j) "Lease" means a transfer of the right to possession and use of goods for a term in return for consideration, but a sale, including a sale on approval or a sale or return, or retention or creation of a security interest is not a lease. Unless the context clearly indicates otherwise, the term includes a sublease.
- (k) "Lease agreement" means the bargain, with respect to the lease, of the lessor and the lessee in fact as found in their language or by implication from other circumstances including course of dealing or usage of trade or course of performance as provided in this article. Unless the context clearly indicates otherwise, the term includes a sublease agreement.
- (l) "Lease contract" means the total legal obligation that results from the lease agreement as affected by this article and any other applicable rules of law. Unless the context clearly indicates otherwise, the term includes a sublease contract.
- (m) "Leasehold interest" means the interest of the lessor or the lessee under a lease contract.
- (n) "Lessee" means a person who acquires the right to possession and use of goods under a lease. Unless the context clearly indicates otherwise, the term includes a sublessee.
- (o) "Lessee in ordinary course of business" means a person who in good faith and without knowledge that the lease to him is in violation of the ownership rights or security interest or leasehold interest of a third party in the goods leases in ordinary course from a person in the business of selling or leasing goods of that kind but does not include a pawnbroker. "Leasing" may be for cash or by exchange of other property or on secured or unsecured credit and includes receiving goods or documents of title under a pre-existing lease contract but does not include a transfer in bulk or as security for or in total or partial satisfaction of a money debt.
- (p) "Lessor" means a person who transfers the right to possession and use of goods under a lease. Unless the context clearly indicates otherwise, the term includes a sublessor.
- (q) "Lessor's residual interest" means the lessor's interest in the goods after expiration, termination, or cancellation of the lease contract.
- (r) "Lien" means a charge against or interest in goods to secure payment of a debt or performance of an obligation, but the term does not include a security interest.
- (s) "Lot" means a parcel or a single article that is the subject matter of a separate lease or delivery, whether or not it is sufficient to perform the lease contract.

- (t) "Merchant lessee" means a lessee that is a merchant with respect to goods of the kind subject to the lease.
 - (u) "Present value" means the amount as of a date certain of one (1) or more sums payable in the future, discounted to the date certain. The discount is determined by the interest rate specified by the parties if the rate was not manifestly unreasonable at the time the transaction was entered into; otherwise, the discount is determined by a commercially reasonable rate that takes into account the facts and circumstances of each case at the time the transaction was entered into.
 - (v) "Purchase" includes taking by sale, lease, mortgage, security interest, pledge, gift, or any other voluntary transaction creating an interest in goods.
 - (w) "Sublease" means a lease of goods the right to possession and use of which was acquired by the lessor as a lessee under an existing lease.
 - (x) "Supplier" means a person from whom a lessor buys or leases goods to be leased under a finance lease.

- (4) In addition Article 1 contains general definitions and principles of construction and interpretation applicable throughout this article.

Section 164. KRS 355.2A-303 is amended to read as follows:

- (1) As used in this section, "creation of a security interest" includes the sale of a lease contract that is subject to Article 9, Secured Transactions, by reason of *subsection (1)(c) of Section 29 of this Act*~~[KRS 355.9-102(1)(b)]~~.
- (2) Except as provided in *subsection*~~[subsections]~~ (3) *of this section* and *Section 89 of this Act*~~[(4)]~~, a provision in a lease agreement which (i) prohibits the voluntary or involuntary transfer, including a transfer by sale, sublease, creation, or enforcement of a security interest, or attachment, levy, or other judicial process, of an interest of a party under the lease contract or of the lessor's residual interest in the goods, or (ii) makes such a transfer an event of default, gives rise to the rights and remedies provided in *subsection (4) of this section*~~[(5)]~~, but a transfer that is prohibited or is an event of default under the lease agreement is otherwise effective.
- ~~(3) A provision in a lease agreement which (i) prohibits the creation or enforcement of a security interest in an interest of a party under the lease contract or in the lessor's residual interest in the goods, or (ii) makes such a transfer an event of default, is not enforceable unless, and then only to the extent that, there is an actual transfer by the lessee of the lessee's right of possession or use of the goods in violation of the provision or an actual delegation of a material performance of either party to the lease contract in violation of the provision. Neither the granting nor the enforcement of a security interest in (i) the lessor's interest under the lease contract or (ii) the lessor's residual interest in the goods is a transfer that materially impairs the prospect of obtaining return performance by, materially changes the duty of, or materially increases the burden or risk imposed on, the lessee within the purview of subsection (5) unless, and then only to the extent that, there is an actual delegation of a material performance of the lessor.~~
- ~~(4) A provision in a lease agreement which (i) prohibits a transfer of a right to damages for default with respect to the whole lease contract or of a right to payment arising out of the transferor's due performance of the transferor's entire obligation, or (ii) makes such a transfer an event of default, is not enforceable, and such a transfer is not a transfer that materially impairs the prospect of obtaining return performance by, materially changes the duty of, or materially increases the burden or risk imposed on, the other party to the lease contract within the purview of subsection (5).~~

~~(4)(5)~~—Subject to *subsection*~~[subsections]~~ (3) *of this section* and *Section 89 of this Act*~~[(4)]~~:

- (a) If a transfer is made which is made an event of default under a lease agreement, the party to the lease contract not making the transfer, unless that party waives the default or otherwise agrees, has the rights and remedies described in KRS 355.2A-501(2);
- (b) If paragraph (a) is not applicable and if a transfer is made that (i) is prohibited under a lease agreement or (ii) materially impairs the prospect of obtaining return performance by, materially changes the duty of, or materially increases the burden or risk imposed on, the other party to the lease contract, unless the party not making the transfer agrees at any time to the transfer in the lease contract or otherwise, then, except as limited by contract, (i) the transferor is liable to the party not making the transfer for damages caused by the transfer to the extent that the damages could not reasonably be prevented by the party not making the transfer and (ii) a court having jurisdiction may grant other appropriate relief, including cancellation of the lease contract or an injunction against the transfer.

~~(5)(6)~~A transfer of "the lease" or of "all my rights under the lease", or a transfer in similar general terms, is a transfer of rights and, unless the language or the circumstances, as in a transfer for security, indicate the contrary, the transfer is a delegation of duties by the transferor to the transferee. Acceptance by the transferee constitutes a promise by the transferee to perform those duties. The promise is enforceable by either the transferor or the other party to the lease contract.

~~(6)(7)~~Unless otherwise agreed by the lessor and the lessee, a delegation of performance does not relieve the transferor as against the other party of any duty to perform or of any liability for default.

~~(7)(8)~~In a consumer lease, to prohibit the transfer of an interest of a party under the lease contract or to make a transfer an event of default, the language must be specific, by a writing, and conspicuous.

Section 165. KRS 355.2A-307 is amended to read as follows:

- (1) Except as otherwise provided in KRS 355.2A-306, a creditor of a lessee takes subject to the lease contract.
- (2) Except as otherwise provided in *subsection*~~[subsections]~~ (3) ~~and (4)~~ of this section and in KRS 355.2A-306 and 355.2A-308, a creditor of a lessor takes subject to the lease contract unless~~[-~~:
 - ~~(a)~~—] the creditor holds a lien that attached to the goods before the lease contract became enforceable~~[-~~;
 - ~~(b)~~—The creditor holds a security interest in the goods and the lessee did not give value and receive delivery of the goods without knowledge of the security interest; or
 - ~~(c)~~—The creditor holds a security interest in the goods which was perfected (KRS 355.9303) before the lease contract became enforceable~~[-~~].
- (3) *Except as otherwise provided in Sections 57, 61, and 63 of this Act, a lessee takes a leasehold interest subject to a security interest held by a creditor of the lessor*~~[A lessee in the ordinary course of business takes the leasehold interest free of a security interest in the~~

~~goods created by the lessor even though the security interest is perfected (KRS 355.9-303) and the lessee knows of its existence.~~

- (4) ~~A lessee other than a lessee in the ordinary course of business takes the leasehold interest free of a security interest to the extent that it secures future advances made after the secured party acquires knowledge of the lease or more than forty five (45) days after the lease contract becomes enforceable, whichever first occurs, unless the future advances are made pursuant to a commitment entered into without knowledge of the lease and before the expiration of the forty five (45) day period].~~

Section 166. KRS 355.2A-309 is amended to read as follows:

- (1) In this section:
- (a) Goods are "fixtures" when they become so related to particular real estate that an interest in them arises under real estate law;
 - (b) A "fixture filing" is the filing, in the office where a *record of a* mortgage on the real estate would be filed or recorded, of a financing statement covering goods that are or are to become fixtures and conforming to the requirements of *subsections (1) and (2) of Section 93 of this Act*~~[KRS 355.9-402(5)]~~;
 - (c) A lease is a "purchase money lease" unless the lessee has possession or use of the goods or the right to possession or use of the goods before the lease agreement is enforceable;
 - (d) A mortgage is a "construction mortgage" to the extent it secures an obligation incurred for the construction of an improvement on land including the acquisition cost of the land, if the recorded writing so indicates; and
 - (e) "Encumbrance" includes real estate mortgages and other liens on real estate and all other rights in real estate that are not ownership interests.
- (2) Under this article a lease may be of goods that are fixtures or may continue in goods that become fixtures, but no lease exists under this article of ordinary building materials incorporated into an improvement on land.
- (3) This article does not prevent creation of a lease of fixtures pursuant to real estate law.
- (4) The perfected interest of a lessor of fixtures has priority over a conflicting interest of an encumbrancer or owner of the real estate if:
- (a) The lease is a purchase money lease, the conflicting interest of the encumbrancer or owner arises before the goods become fixtures, the interest of the lessor is perfected by a fixture filing before the goods become fixtures or within ten (10) days thereafter, and the lessee has an interest of record in the real estate or is in possession of the real estate; or
 - (b) The interest of the lessor is perfected by a fixture filing before the interest of the encumbrancer or owner is of record, the lessor's interest has priority over any conflicting interest of a predecessor in title of the encumbrancer or owner, and the lessee has an interest of record in the real estate or is in possession of the real estate.
- (5) The interest of a lessor of fixtures, whether or not perfected, has priority over the conflicting interest of an encumbrancer or owner of the real estate if:

- (a) The fixtures are readily removable factory or office machines, readily removable equipment that is not primarily used or leased for use in the operation of the real estate, or readily removable replacements of domestic appliances that are goods subject to a consumer lease, and before the goods become fixtures the lease contract is enforceable; or
 - (b) The conflicting interest is a lien on the real estate obtained by legal or equitable proceedings after the lease contract is enforceable; or
 - (c) The encumbrancer or owner has consented in writing to the lease or has disclaimed an interest in the goods as fixtures; or
 - (d) The lessee has a right to remove the goods as against the encumbrancer or owner. If the lessee's right to remove terminates, the priority of the interest of the lessor continues for a reasonable time.
- (6) Notwithstanding subsection (4)(a) but otherwise subject to subsections (4) and (5), the interest of a lessor of fixtures, including the lessor's residual interest, is subordinate to the conflicting interest of an encumbrancer of the real estate under a construction mortgage recorded before the goods become fixtures if the goods become fixtures before the completion of the construction. To the extent given to refinance a construction mortgage, the conflicting interest of an encumbrancer of the real estate under a mortgage has this priority to the same extent as the encumbrancer of the real estate under the construction mortgage.
- (7) In cases not within the preceding subsections, priority between the interest of a lessor of fixtures, including the lessor's residual interest, and the conflicting interest of an encumbrancer or owner of the real estate who is not the lessee is determined by the priority rules governing conflicting interests in real estate.
- (8) If the interest of a lessor of fixtures including the lessor's residual interest, has priority over all conflicting interests of all owners and encumbrancers of the real estate, the lessor or the lessee may:
- (a) On default, expiration, termination, or cancellation of the lease agreement but subject to the lease agreement and this article; or
 - (b) If necessary to enforce other rights and remedies of the lessor or lessee under this article;
- remove the goods from the real estate, free and clear of all conflicting interests of all owners and encumbrancers of the real estate, but the lessor or lessee must reimburse any encumbrancer or owner of the real estate who is not the lessee and who has not otherwise agreed for the cost of repair of any physical injury, but not for any diminution in value of the real estate caused by the absence of the goods removed or by any necessity of replacing them. A person entitled to reimbursement may refuse permission to remove until the party seeking removal gives adequate security for the performance of this obligation.
- (9) Even though the lease agreement does not create a security interest, the interest of a lessor of fixtures, including the lessor's residual interest, is perfected by filing a financing statement as a fixture filing for leased goods that are or are to become fixtures in accordance with the relevant provisions of the article on secured transactions (Article 9).

Section 167. KRS 355.4-210 is amended to read as follows:

- (1) A collecting bank has a security interest in an item and any accompanying documents or the proceeds of either:
 - (a) In case of an item deposited in an account, to the extent to which credit given for the item has been withdrawn or applied;
 - (b) In case of an item for which it has given credit available for withdrawal as of right, to the extent of the credit given, whether or not the credit is drawn upon or there is a right of charge-back; or
 - (c) If it makes an advance on or against the item.
- (2) If credit given for several items received at one (1) time or pursuant to a single agreement is withdrawn or applied in part, the security interest remains upon all the items, any accompanying documents or the proceeds of either. For the purpose of this section, credits first given are first withdrawn.
- (3) Receipt by a collecting bank of a final settlement for an item is a realization on its security interest in the item, accompanying documents, and proceeds. So long as the bank does not receive final settlement for the item or give up possession of the item or accompanying documents for purposes other than collection, the security interest continues to that extent and is subject to Article 9 of this chapter, but:
 - (a) No security agreement is necessary to make the security interest enforceable (*subsection (2)(c)1. of Section 33 of this Act*)(~~KRS 355.9-203(1)(a)~~); and
 - (b) No filing is required to perfect the security interest; and
 - (c) The security interest has priority over conflicting perfected security interests in the item, accompanying documents, or proceeds.

Section 168. KRS 355.7-503 is amended to read as follows:

- (1) A document of title confers no right in goods against a person who before issuance of the document had a legal interest or a perfected security interest in them and who neither
 - (a) delivered or entrusted them or any document of title covering them to the bailor or his nominee with actual or apparent authority to ship, store or sell or with power to obtain delivery under this article (KRS 355.7-403) or with power of disposition under this chapter (KRS 355.2-403 and *Section 60 of this Act*~~{355.9-307}~~) or other statute or rule of law; nor
 - (b) acquiesced in the procurement by the bailor or his nominee of any document of title.
- (2) Title to goods based upon an unaccepted delivery order is subject to the rights of anyone to whom a negotiable warehouse receipt or bill of lading covering the goods has been duly negotiated. Such a title may be defeated under KRS 355.7-504 to the same extent as the rights of the issuer or a transferee from the issuer.
- (3) Title to goods based upon a bill of lading issued to a freight forwarder is subject to the rights of anyone to whom a bill issued by the freight forwarder is duly negotiated; but delivery by the carrier in accordance with part 4 of this article pursuant to its own bill of lading discharges the carrier's obligation to deliver.

Section 169. KRS 355.8-103 is amended to read as follows:

- (1) A share or similar equity interest issued by a corporation, business trust, joint stock company, or similar entity is a security.
- (2) An "investment company security" is a security. "Investment company security" means a share or similar equity interest issued by an entity that is registered as an investment company under the federal investment company laws, an interest in a unit investment trust that is so registered, or a face-amount certificate issued by a face-amount certificate company that is so registered. Investment company security does not include an insurance policy or endowment policy or annuity contract issued by an insurance company.
- (3) An interest in a partnership or limited liability company is not a security unless it is dealt in or traded on securities exchanges or in securities markets, its terms expressly provide that it is a security governed by this article, or it is an investment company security. However, an interest in a partnership or limited liability company is a financial asset if it is held in a securities account.
- (4) A writing that is a security certificate is governed by this article and not by Article 3 of this chapter, even though it also meets the requirements of that article. However, a negotiable instrument governed by Article 3 of this chapter is a financial asset if it is held in a securities account.
- (5) An option or similar obligation issued by a clearing corporation to its participants is not a security, but is a financial asset.
- (6) A commodity contract, as defined in *subsection (1)(o) of Section 22 of this Act* ~~[KRS 355.9115]~~, is not a security or a financial asset.

Section 170. KRS 355.8-106 is amended to read as follows:

- (1) A purchaser has "control" of a certificated security in bearer form if the certificated security is delivered to the purchaser.

- (6) A purchaser who has satisfied the requirements of subsection (3)~~[(b)]~~ or (4)~~[(b)]~~ of this section has control, even if the registered owner in the case of subsection (3)~~[(b)]~~ of this section or the entitlement holder in the case of subsection (4)~~[(b)]~~ of this section retains the right to make substitutions for the uncertificated security or security entitlement, to originate instructions or entitlement orders to the issuer or securities intermediary, or otherwise to deal with the uncertificated security or security entitlement.
- (7) An issuer or a securities intermediary may not enter into an agreement of the kind described in subsection (3)(b) or (4)(b) of this section without the consent of the registered owner or entitlement holder, but an issuer or a securities intermediary is not required to enter into such an agreement even though the registered owner or entitlement holder so directs. An issuer or securities intermediary that has entered into such an agreement is not required to confirm the existence of the agreement to another party unless requested to do so by the registered owner or entitlement holder.

Section 171. KRS 355.8-110 is amended to read as follows:

 - (c) Whether the securities intermediary owes any duties to an adverse claimant to a security entitlement; and

- (5) The following rules determine a "securities intermediary's jurisdiction" for purposes of this section:
- (a) If an agreement between the securities intermediary and its entitlement holder ***governing the securities account expressly provides that a particular jurisdiction is the securities intermediary's jurisdiction for purposes of this part of this article, this article, or Article 9 of this chapter***~~[specifies that it is governed by the law of a particular jurisdiction]~~, that jurisdiction is the securities intermediary's jurisdiction.

 - ~~(e)~~~~(d)~~ ***If none of the preceding paragraphs of this subsection applies***~~[an agreement between the securities intermediary and its entitlement holder does not specify a jurisdiction as provided in paragraph (a) or (b) of this subsection and an account statement does not identify an office serving the entitlement holder's account as provided in paragraph (e) of this subsection]~~, the securities intermediary's jurisdiction is the jurisdiction in which is located the chief executive office of the securities intermediary ***is located.***
- (6) A securities intermediary's jurisdiction is not determined by the physical location of certificates representing financial assets, or by the jurisdiction in which is organized the issuer of the financial asset with respect to which an entitlement holder has a security entitlement, or by the location of facilities for data processing or other record keeping concerning the account.

Section 172. KRS 355.8-301 is amended to read as follows:

- (1) Except as otherwise provided in subsections (2) and (3) of this section, ***a purchaser***~~{upon delivery}~~ of a certificated or uncertificated security~~{to a purchaser, the purchaser}~~ acquires all rights in the security that the transferor had or had power to transfer.

If such record of termination has been entered into the automated system, the county clerk of the county where the termination statement was not delivered, shall note the discharge of the security interest on the certificate of title by noting that the termination statement has been delivered, the county where it was delivered, and placing the seal of the county clerk thereon and may rely on the automated system to do so. If such record of termination has not been entered into the automated system, in no case shall the county clerk of the county other than where the termination statement was delivered, make any notation upon the certificate of title that the security interest has been discharged or that a termination statement has been delivered to the county where the title lien statement was submitted.
- ~~(3)~~~~(4)~~ Whenever any secured party repossesses a vehicle titled in this *Commonwealth*~~[state]~~, for which a security interest is in existence at the time of repossession, and disposes of such vehicle pursuant to the provisions of KRS Chapter 355, he must present, within fifteen (15) days after such disposition, an affidavit in form prescribed by the department and a termination statement or proof that such termination statement has been filed. The new owner shall pay all applicable fees for titling and transferring the vehicle to the county clerk. Upon receipt of such documents, the county clerk who issued the lien shall then omit from the title he makes application for any information relating to the security interest under which the vehicle was repossessed or any security interest subordinate thereto. However, any security interest, as shown by such title which is superior to the one under which the vehicle was repossessed, must be shown on the title issued by the clerk unless the prior secured party has discharged such security interest in such clerk's office or proof of termination is submitted in case such prior security interest was discharged in another clerk's office.
- ~~(4)~~~~(5)~~ Whenever any vehicle brought into this *Commonwealth*~~[state]~~ is required to be titled in this *Commonwealth*~~[state]~~ and such vehicle is then subject to a security interest in another state as shown by the out-of-state documents presented to the clerk, the county clerk is prohibited from processing the application for title on the vehicle unless the owner obtains from the secured party a financing statement or title lien statement and presents same to the clerk along with the fees required in KRS 186A.190. The clerk shall note the out-of-state

security interest on the certificate of title. This provision does not apply to vehicles required to be registered in Kentucky under forced registration provisions under KRS 186.145.

- (5)~~(6)~~ The fees provided for in this section are in addition to any state fee provided for by law.
- (6)~~(7)~~ Any person violating any provision of this section or any person refusing to surrender a certificate of title registration and ownership or transfer certificate upon request of any person entitled thereto, is subject to the penalties provided in subsection (1) of KRS 186.990.
- (7)~~(8)~~ The county clerk is prohibited from noting any security interest on a certificate of title on any vehicle subject to the provisions of KRS Chapter 186A if a certificate of title therefor is presented to him which has all the spaces provided thereon for noting security interests fully exhausted. The owner must see to it that a discharge is noted on the certificate of title for each security interest and then a duplicate title as provided for in KRS 186A.180 must be obtained from the clerk by the owner of the vehicle.
- (8)~~(9)~~ Security interests in vehicles sold to or owned by residents of other states must be perfected in the state of such nonresident and repossession of the vehicle must be taken pursuant to the laws of such state, unless the vehicle is principally operated in Kentucky and is properly titled herein under KRS Chapter 186A and the security interest is authorized to be noted on the certificate of title by the county clerk under KRS Chapter 186A.

Section 179. KRS 186A.190 is amended to read as follows:

- (1) Except as provided in subsection (4) of this section, the perfection and discharge of a security interest in any property for which has been issued a Kentucky certificate of title shall be by notation on the certificate of title. The notation of the security interest on the certificate of title shall be in accordance with this chapter and *shall remain effective from the date on which the security interest is noted on the certificate of title for a period of seven (7) years, or, in the case of a manufactured home, for a period of fourteen (14) years, or* until discharged under this chapter and KRS Chapter 186. *The filing of a continuation statement within the six (6) months preceding the expiration of the initial period of a notation's effectiveness extends the expiration date for seven (7) additional years*~~[The perfection of an assignment of a security interest which has been noted on the certificate of title shall be in accordance with the provisions of KRS 186.045(1)].~~
- (2) Except as provided in subsection (4) of this section, the notation of security interests relating to property required to be titled in Kentucky through the county clerk shall be done in the office of the county clerk of the county in which the debtor resides. If the debtor is other than a natural person, the *following* provisions ~~[of KRS 355.9-401(5)(b) to (k) shall]~~ govern the determination of the county of the debtor's residence:
- (a) *A partnership shall be deemed a resident of the county in which its principal place of business in this state is located. If the debtor does not have a place of business in this state, then the debtor shall be deemed a nonresident for purposes of filing in this state;*
- (b) *A limited partnership organized under KRS Chapter 362 shall be deemed a resident of the county in which its office is located, as set forth in its certificate of limited partnership or most recent amendment thereto filed pursuant to KRS Chapter 362. If such office is not located in this state, the debtor shall be deemed a nonresident for purposes of filing in this state;*

- (c) *A limited partnership not organized under the laws of this state and authorized to do business in this state under KRS Chapter 362 shall be deemed a resident of the county in which the office of its process agent is located, as set forth in the designation or most recent amendment thereto filed with the Secretary of State of the Commonwealth of Kentucky;*
- (d) *A corporation organized under KRS Chapter 271B, 273, or 274 or a limited liability company organized under KRS Chapter 275 shall be deemed a resident of the county in which its registered office is located, as set forth in its most recent corporate filing with the Secretary of State which officially designates its current registered office;*
- (e) *A corporation not organized under the laws of this state, but authorized to transact or do business in this state under KRS Chapter 271B, 273, or 274, or a limited liability company not organized under the laws of this state, but authorized to transact business in this state under KRS Chapter 275, shall be deemed a resident of the county in which its registered office is located, as set forth in its most recent filing with the Secretary of State which officially designates its current registered office;*
- (f) *A cooperative corporation or association organized under KRS Chapter 272 shall be deemed a resident of the county in which its principal business is transacted, as set forth in its articles of incorporation or most recent amendment thereto filed with the Secretary of State of the Commonwealth of Kentucky;*
- (g) *A cooperative corporation organized under KRS Chapter 279 shall be deemed a resident of the county in which its principal office is located, as set forth in its articles of incorporation or most recent amendment thereto filed with the Secretary of State of the Commonwealth of Kentucky;*
- (h) *A business trust organized under KRS Chapter 386 shall be deemed a resident of the county in which its principal place of business is located, as evidenced by the recordation of its declaration of trust in that county pursuant to KRS Chapter 386;*
- (i) *A credit union organized under KRS Chapter 290 shall be deemed a resident of the county in which its principal place of business is located, as set forth in its articles of incorporation or most recent amendment thereto filed with the Secretary of State of the Commonwealth of Kentucky; and*
- (j) *Any other organization (defined in Section 157 of this Act) shall be deemed a resident of the county in which its principal place of business in this state is located, except that any limited partnership or corporation not organized under the laws of this state and not authorized to transact or do business in this state shall be deemed a nonresident for purposes of filing in this state. If the organization does not have a place of business in this state, then it shall be deemed a nonresident for purposes of filing in this state.*

If the debtor does not reside in the Commonwealth, the notation of the security interest shall be done in the office of the county clerk in which the property is principally situated or operated. Notwithstanding the existence of any filed financing statement under the provisions of KRS Chapter 355 relating to any property registered or titled in Kentucky, the sole means of perfecting and discharging a security interest in property for which a certificate of title is required by this chapter is by notation on such property's certificate of title. In other respects the security interest is governed by the provisions of KRS Chapter 355.

- (3) Except as provided in subsection (4) of this section, before ownership of property subject to a lien evidenced by notation on the certificate of title may be transferred, the transferor shall obtain the release of the prior liens in his name against the property being transferred. Once a security interest has been noted on the owner's title, no subsequent title may be issued by any county clerk free of such notation unless the owner's title is presented to the clerk and it has been noted thereon, that the security interest has been discharged. If this requirement is met, information relating to any security interest shown on the title as having been discharged may be omitted from the title to be issued by the clerk.
- (4) Notwithstanding subsections (1), (2), and (3) of this section, a county clerk shall, following inspection of the vehicle by the sheriff, to determine that the vehicle has not been stolen, issue a new title to a vehicle, clear of all prior liens, to a person after he provides to the county clerk an affidavit devised by the Transportation Cabinet and completed by the person. In the affidavit, the person shall attest that:
- (a) He possesses the vehicle;
 - (b) A debt on the vehicle was owed him for more than thirty (30) days before he provided the notices required by paragraphs (c) and (d) of this subsection;
 - (c) More than fourteen (14) days before presenting the affidavit to the county clerk, the person attempted to notify the owner of the vehicle and all known lienholders, including those noted on the title, by certified mail, return receipt requested, of his name, address, and telephone number as well as his intention to obtain a new title, clear of all prior liens, unless the owner or a lienholder objected in writing;
 - (d) More than fourteen (14) days before presenting the affidavit to the county clerk, the person had published a legal notice stating his intention to obtain title to the vehicle. The legal notice appeared at least twice in a seven (7) day period in a newspaper published, and with a statewide circulation, in Kentucky. The legal notice stated:
 - 1. The person's name, address, and telephone number;
 - 2. The owner's name;
 - 3. The names of all known lienholders, including those noted on the title;
 - 4. The vehicle's make, model, and year; and
 - 5. The person's intention to obtain title to the vehicle unless the owner or a lienholder objects in writing within fourteen (14) days after the last publication of the legal notice; and
 - (e) Neither the owner nor a lienholder has objected in writing to the person's right to obtain title to the vehicle.
- (5) No more than two (2) active security interests may be noted upon a certificate of title.
- (6) In noting a security interest upon a certificate of title, the county clerk shall ensure that the certificate of title bears the lienholder's name, mailing address and zip code, the date the lien was noted, the notation number, and the county in which the security interest was noted. The clerk shall obtain the information required by this subsection for notation upon the certificate of title from the title lien statement described in KRS 186A.195 to be provided to the county clerk by the secured party.

- (7) ~~[In lieu of any and all fees prescribed by statute and]~~For all the costs incurred in the notation and discharge of a security interest on the certificate of title, the county clerk shall receive *the fee prescribed by Section 176 of this Act*~~[ten dollars and fifty cents (\$10.50) of which seven dollars and fifty cents (\$7.50) shall be retained by the clerk and three dollars (\$3) transmitted to the State Treasurer]~~. The fee prescribed by this subsection shall be paid at the time of submittal of the title lien statement described in KRS 186A.195.
- (8) A copy of the application, certified by the county clerk, indicating the lien will be noted on the certificate of title shall be forwarded to the lienholder.

Section 180. KRS 186A.193 is amended to read as follows:

The title lien statement, provided for in KRS 186A.195, shall be developed by January 1, 1987 by the Transportation Cabinet, in cooperation with county clerks, financial institutions and auto dealers. The Transportation Cabinet shall ensure that the title lien statement is in a similar form and contains the same information as that provided for in *subsection (1) of Section 93 of this Act*~~[KRS 355.9-402]~~ and, where applicable, include the year, make,~~[motor number]~~ and identification number of *the titled property*~~[a motor vehicle]~~.

Section 181. KRS 186A.195 is amended to read as follows:

- (1) As used in this chapter, a title lien statement is a document to be submitted by the secured party to the county clerk. Upon submission of the title lien statement, the county clerk shall use the information contained therein to note the security interest on the certificate of title. The county clerk may make title lien statements available to the general public. However, public availability of such statements is not necessary or effective to perfect a security interest in property required to be registered or titled in accordance with this chapter.
- (2) If a title lien statement and the required fees accompany the application for first title of any property in the name of an owner, the county clerk shall enter the information required by KRS 186A.190(6) into the automated system so as to produce a certificate of title in Frankfort bearing in addition to any other required information, the information designated by KRS 186A.190(6). The clerk shall thereby produce, in accordance with design of the automated system, a certificate of registration, if required.
- (3) If a title lien statement and the required fees are not received at the time of application for first title of any property in the name of the owner due to owner's residency in another county, or if the form prescribed by KRS 186A.060 indicates a pending lien but the title lien statement does not accompany the application for title, the county clerk shall enter into the Automated Vehicle Information System (AVIS) the name and address of the lienholder and the county where the lien is to be noted or that a lien is pending. The clerk shall indicate a title is not to be issued until the lien has been noted and fees, according to KRS 186A.190, paid in the county of the owner's residence or in thirty (30) days. The county clerk shall then issue the registration. The county clerk in the county of the owner's residence shall, after receiving the title lien statement and fees contained in KRS 186A.190, enter into the Automated Vehicle Information System (AVIS) the date of lien notation and the notation number, thus enabling the system to produce the title in Frankfort.
- (4) Should a certificate of title be issued after the thirty (30) day period has expired without the notation of a security interest thereon, or should there be no provision made for a lien to be

noted in the county of residence of the debtor within thirty (30) days and the title issued within that time, the secured party shall request from the debtor, and the debtor shall submit to the secured party, the certificate of title. The secured party shall submit the certificate of title along with the title lien statement to the county clerk of the county of the debtor's residence. The county clerk shall then enter the information required by KRS 186A.190(6) into the Automated Vehicle Information System (AVIS) and note on the certificate of title in the appropriate section the information described in that section. Following the notation of the appropriate information on the certificate of title, the county clerk shall return the title to the debtor.

- (5) The security interest noted on the certificate of title shall be deemed perfected at the time the security interest attaches (KRS 355.9-203) if the secured party tenders the required fees and submits a properly completed title lien statement and application for first title or, in the case of property previously titled in the name of its debtor, the certificate of title to the appropriate county clerk within **twenty (20)**~~ten (10)~~ days of attachment. Otherwise, the security interest shall be deemed perfected at the time that such fees are tendered and such documents are submitted to the appropriate county clerk. Section 182. KRS 186A.200 is amended to read as follows:
- (1) With respect to a vehicle previously titled in the name of its debtor, the secured party shall, within **twenty (20)**~~fifteen (15)~~ days after execution of the security agreement, obtain the current certificate of title in the name of the debtor, with no more than one (1) prior lien indicated thereon, and present to the county clerk the certificate of title, which the secured party shall have the right to obtain from the debtor, together with the title lien statement and the required fees in KRS 186A.190 to the county clerk.
 - (2) For failure to present both the title and title lien statement within the time prescribed by subsection (1) of this section, the secured party shall pay a penalty of two dollars (\$2) to the county clerk as a prerequisite for noting the security interest on the title.
 - (3) The county clerk shall enter the information required by KRS 186A.190(6) into the automated system.
 - (4) The county clerk shall record upon the title in the appropriate section the information designated by KRS 186A.190(6).

Section 183. KRS 382.200 is amended to read as follows:

- (1) Except as provided in subsection (2) of this section, each county clerk shall make and keep an alphabetical cross-index of all conveyances recorded in his office, and when a mortgage or deed of trust, or any other conveyance, lease or contract is lodged in his office for record, he shall, at once and before attending to any other business, place the names of the parties to the instrument upon the cross-index in his office, and shall within six (6) days thereafter record the instrument.
- (2) Chattel mortgages, financing statements or security agreements shall be filed and recorded in the manner set out in **Section 110 of this Act**~~[KRS 355.9-403]~~.

SECTION 184. A NEW SECTION OF KRS CHAPTER 413 IS CREATED TO READ AS FOLLOWS:

Before a party possessing a security interest or lien against an equine interest that has been sold without the debt to the party being discharged may bring an action against the purchaser or

selling agent of the equine interest, the secured party shall pursue a remedy against the debtor to the point where a judgment is rendered on the merits or the suit is dismissed with prejudice.

Section 185. KRS 425.011 is amended to read as follows:

- (1) Upon filing of the complaint or at any time prior to judgment, in an action to recover the possession of specific personal property, the plaintiff may apply pursuant to this chapter for a writ of possession by filing a written motion for the writ with the court in which the action is brought.
- (2) The motion shall be executed under oath and shall include all of the following:
 - (a) A showing of the basis of the plaintiff's claim and that the plaintiff is entitled to possession of the property claimed. If the basis of the plaintiff's claim is a written instrument, a copy of the instrument shall be attached.
 - (b) A showing that the property is wrongfully detained by the defendant, of the manner in which the defendant came into possession of the property, and, according to the best knowledge, information, and belief of the plaintiff the reason for the detention.
 - (c) A particular description of the property and a statement of its value. A description of property sufficient under *Section 28 of this Act* ~~[KRS 355.9-110]~~ shall meet the requirement of this section. The statement of value may be as to the worth of the property as a whole.
 - (d) A statement, according to the best knowledge, information and belief of the plaintiff, of the location of the property and if the property, or some part of it, is within a private place which may have to be entered to take possession a showing that there is probable cause to believe that such property is located there. Although such showing may be based on information and belief the judicial officer at the hearing herein provided must be presented with facts sufficient to show that the information and the informant are credible and reliable.
 - (e) A statement that the property has not been taken for a tax assessment, or fine, pursuant to a statute; or seized under an execution against the property of the plaintiff; or if so seized, that it is by statute exempt from such seizure.
- (3) The requirements of subsection (2) of this section may be satisfied by one (1) or more affidavits filed with the application.
