The award shall be based upon the eligible high school student's grade point average at the close of each academic year. An award attributable to a past academic year shall not be increased after the award has been earned by an eligible high school student, regardless of any subsequent increases made to the base amount of the Kentucky educational excellence scholarship through the promulgation of an administrative regulation by the council.

high school foreign exchange program or participating in the United States Congressional Page School may apply his or her grade point average for that academic year toward the base as described in paragraph (a) of this subsection. The grade point average shall be reported by the student's Kentucky home high school, based on an official transcript from the school that the student attended during the out-of-state educational experience. The council shall promulgate administrative regulations that describe the approval process for the educational exchange programs that qualify under this paragraph.
