- (1) A certificate of death or a provisional certificate of death for each death which occurs in the Commonwealth shall be filed with the cabinet or as otherwise directed by the state registrar prior to final disposition, and it shall be registered if it has been completed and filed in accordance with this section. The funeral director, or person acting as such, who first takes custody of a dead body shall be responsible for filing the certificate of death. The funeral director, or person acting as such shall obtain the required personal and statistical particulars from the person best qualified to supply them over the signature and address of the informant. The funeral

director, or person acting as such, shall within five (5) days of the death, present the certificate to the attending physician, if any, or to the health officer or coroner as directed by the state registrar, for the medical certificate of the cause of death and other particulars necessary to complete the record as required by this chapter.

- (a) It shall be unlawful for an institution to release a dead human body until the funeral director, or person acting as such, has completed and filed with the local registrar or person in charge of the institution, a provisional certificate of death. If death occurs outside an institution, the provisional certificate shall be filed with the local registrar by the funeral director, or person acting as such, prior to final disposition of the dead body. A copy of the provisional certificate of death signed by the person with whom it was filed, shall constitute authority for the possession, transportation, and, except for cremation, final disposition of the body.
 - (b) All persons having in their possession a completed provisional certificate of death shall file the certificate at not more than weekly intervals with the local registrar.
 - (c) If the place of death is unknown but the dead body is found in the Commonwealth, the certificate of death shall be completed and filed in accordance with this section. The place where the body is found shall be shown as the place of death. If the date of death is unknown, it shall be determined by approximation subject to amendment upon completion of any postmortem examination required to be performed.
 - (d) If death occurs in a moving conveyance in the United States and the body is first removed from the conveyance in the Commonwealth, the death shall be registered in Kentucky, and the place where it is first removed shall be considered the place of death. If a death occurs on a moving conveyance while in international waters or air space or in a foreign country or its air space and the body is first removed from the conveyance in the Commonwealth, the death shall be registered in Kentucky, but the certificate shall show the actual place of death insofar as can be determined.
- (2) If any certificate of death is incomplete or unsatisfactory, the state registrar shall call attention to the defects in the certificate and require the person responsible for the entry to complete or correct it. The state registrar may also require additional information about the circumstances and medical conditions surrounding a death in order to properly code and classify the underlying cause.
 - (3) The medical certification shall be completed, signed, and returned to the funeral director within five (5) working days after presentation to the physician, dentist, or chiropractor in charge of the patient's care for the illness or condition which resulted in death, except when inquiry is required by KRS 72.400 to 72.475. In such cases, the coroner shall complete and sign the certificate within five (5) days after receiving results of the inquiry as required by KRS 72.400 to 72.475. In the absence of the physician, dentist, or chiropractor, or with such person's approval, the certificate may be completed and signed by his associate physician, dentist, or chiropractor, or the chief medical officer of the institution in which death occurred, or the physician who performed an autopsy upon the decedent, or a physician employed by the local health department, if the individual has access to the medical history of the case and death is due to natural causes.
 - (4) If death occurs more than thirty-six (36) hours after the decedent was last treated or attended by a physician, dentist, or chiropractor, the case shall be referred to the coroner for investigation to determine and certify the cause of death. In the event that a coroner is not available to sign the certificate and there is no duly appointed deputy, the county judge/executive shall appoint a competent person to investigate the death and certify to its cause.
 - (5)
 - (a) The physician, dentist, chiropractor, or coroner who certifies to the cause of death shall return the certificate to the funeral director, or person acting as such, who, in turn, shall file the certificate directly with the Office of Vital Statistics. Any certified copies of the record requested at the time of filing shall be issued in not more than two (2) working days.
 - (b) ***In the case of a death in which diabetes was an underlying cause or contributing condition, diabetes shall be listed in the appropriate location on the death certificate by the physician, dentist, chiropractor, or coroner who certifies to the cause of death.***
 - (6) The Office of Vital Statistics shall provide self-addressed, color-coded envelopes for the funeral homes in the Commonwealth of Kentucky.

- (7) Three (3) free verification-of-death statements shall be provided to the funeral director by the Office of Vital Statistics for every death in the Commonwealth of Kentucky.
- (8) The body of any person whose death occurs in Kentucky shall not be interred, deposited in a vault or tomb, cremated or otherwise disposed of, or removed from or into any registration district, until a provisional certificate of death has been filed with the local registrar of the registration district in which the death occurs. If the death occurred from a disease declared by the Cabinet for Health Services to be infectious, contagious, or communicable and dangerous to the public health, no permit for the removal or other disposition of the body shall be granted by the registrar except under conditions prescribed by the Cabinet for Health Services and the local health department. The Cabinet for Health Services shall identify by regulation those communicable diseases which require blood and body fluid precautions. If a person who has been diagnosed as being infected with a communicable disease for which blood and body fluid precautions are required, dies within a health facility as defined in KRS 216B.015, the facility shall notify any embalmer or funeral director to whom the body will be transported of the need for such precautions. The notice shall be provided by including the statement "Blood and Body Fluid Precautions" on the provisional report-of-death form as prescribed by the Cabinet for Health Services. Lack of this notice shall not relieve any embalmer or funeral director from taking universal blood and body fluid precautions as are recommended by the United States Department of Health and Human Services, Centers for Disease Control for Morticians' Services. No embalmer or funeral director shall charge more for embalming the remains of a person with a communicable disease which requires blood and body fluid precautions than the price for embalming services listed on the price list funeral providers are required to maintain and provide to consumers pursuant to 16 C.F.R. Sec. 453.2 (1988).
- (9) A burial-transit permit for the final disposition issued under the law of another state which accompanies a dead body or fetus brought into the Commonwealth shall be the authority for final disposition of the body or fetus in the Commonwealth and may be accepted in lieu of a certificate of death. There shall be noted on the face of the record made for return to the local registrar that the body was shipped to Kentucky for interment and the actual place of death.
- (10) Nothing in this section shall be construed to delay, beyond a reasonable time, the interment or other disposition of a body unless the services of the coroner or the health officer are required or the Department for Public Health deems it necessary for the protection of the public health. If compliance with this section would result in unreasonable delay in the disposition of the body the funeral director, or person acting as such, shall file with the local registrar or deputy registrar prior to interment a provisional certificate of death which shall contain the name, date, and place of death of the deceased, the name of the medical certifier, and an agreement to furnish within ten (10) days a complete and satisfactory certificate of death.
- (11) No sexton or other person in charge of any place in which interment or other disposition of dead bodies is made shall inter or allow interment or other disposition of a dead body or fetus unless it is accompanied by a copy of the provisional certificate of death. The sexton, or if there is no sexton, the funeral director, or person acting as such, shall enter on the provisional certificate over his signature, the date, place, and manner of final disposition and file the certificate within five (5) days with the local registrar.
- (12) Authorization for disinterment, transportation, and reinterment or other disposition shall be required prior to disinterment of any human remains. The authorization shall be issued by the state registrar upon proper application. The provisions of this subsection shall apply to all manners of disposition except cremation and without regard for the time and place of death. The provisions of KRS 381.765 shall not apply to remains removed for scientific study and the advancement of knowledge.
- (13) After a death certificate has been on file for five (5) years, it may not be changed in any manner except upon order of a court. Prior to that time, requests for corrections, amendments, or additions shall be accompanied by prima facie evidence which supports the requested change.

- (2) A dealer shall pay the usage tax on a loaner *or rental* motor vehicle in the manner provided by KRS 138.460 unless the dealer shows to the satisfaction of the *Revenue* Cabinet that he is regularly engaged in the servicing or repair of motor vehicles and loans *or rents* the loaner *or rental* motor vehicle~~[, for no consideration or monetary value except as allowed in subsection (4) of this section,]~~ to a retail customer while the customer's motor vehicle is at the dealership for repair or service.

CHAPTER 27**(HCR 12)**

A CONCURRENT RESOLUTION in support of the issuance of a commemorative U.S. Postal Service stamp honoring America's coal miners.

WHEREAS, United States coal miners perform a unique and vital service for the nation because without a man or woman at the controls of a dragline or working in a darkened mine shaft coal would not tumble into the trucks and barges that crisscross the country to power the boilers that generate over 50 percent of the nation's electricity; and

WHEREAS, coal miners keep the nation supplied with an energy resource that produces electricity for the lowest cost, when compared to fuels other than nuclear, which makes possible the country's unmatched productivity and prosperity; and

WHEREAS, coal miners provide a vital pool of labor with the expertise to produce energy supplies from vast national coal reserves which serves to buffer the country from a dangerous dependence on foreign energy fuels; and

WHEREAS, because of Kentucky's long and proud tradition as a preeminent supplier of the nation's coal supplies, we wish to be counted alongside the U.S. Secretary of Labor, the United Mine Workers of America, schoolchildren from Wilkes-Barre, Pennsylvania, and the many others seeking the proper recognition of the role played by coal miners in the history of the country;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. The Citizens' Stamp Advisory Committee of the U.S. Postmaster General is urged to recommend for issuance as soon as practicable a U.S. Postal Service stamp commemorating the vital role of coal miners in the history and economic productivity of the country. The stamp would commemorate a class of American laborers who in their immigrant origins reflect the melting-pot ideals of the nation, who with their manual labor make possible the technological conveniences of modern American life, and whose contributions to the nation's welfare are generally unknown to the public. A stamp commemorating coal miners holds the promise of illustrating a colorful and historically rich segment of society for the benefit of schoolchildren, stamp collectors, educators, and the public.

Section 2. This Resolution shall be sent to the U.S. Postmaster General and to the Citizens' Stamp Advisory Committee, c/o Stamp Development, U.S. Postal Service, 475 L'Enfant SW, Room 5670, Washington, D.C. 20260-2437.

A CONCURRENT RESOLUTION requesting the establishment of the Kentucky Farming Museum Task Force.

WHEREAS, Kentucky retains close links to its colonial origins through its rural communities where land is still farmed and Kentucky's traditions and heritage remain firmly rooted; and

WHEREAS, Kentucky's farming traditions are preserved through farm and service agencies such as Kentucky 4H, the Cooperative Extensive Service, Local Soil and Water Conservation Districts, and the Future Farmers of America; and

WHEREAS, Kentucky's farm sector's annual contribution to the state's economy is approximately \$4,583,858,000 from the value of commodities and services produced in rural communities each year; and

WHEREAS, the long history of farming in the state is slowly eroded as, farm by farm, the land, the buildings, the tools, the farming techniques, and the people give way before urbanization across the state;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. The Legislative Research Commission is requested to direct that a study be conducted to determine the feasibility of establishing a Museum of Kentucky Agriculture. Section 3. The study findings and recommendations shall be reported to the Legislative Research Commission not later than October 30, 2002.

Section 4. Provisions of this resolution to the contrary notwithstanding, the Legislative Research Commission shall have the authority to alternatively assign the issues identified herein to an interim joint committee or subcommittee thereof, and to designate a study completion date.

At the time the owner or lessee applies for a special PTA license plate, the person shall include with the application the initial state fee of fifty dollars (\$50). The county clerk shall inform the owner or lessee that the person's application and state fee shall be sent to Frankfort to the Transportation Cabinet where it may be held for a period not to exceed one (1) year while the cabinet is waiting to receive sufficient applications subject to the provisions of subsection (3) of this section. The person shall designate on the application form the specific school and PTA where the proceeds from the person's purchase shall be credited for distribution under subsection (10) of this section.*
- (3) *The Transportation Cabinet shall be required to begin designing and printing special PTA license plates after the cabinet has received nine hundred (900) applications accompanied by a fifty dollar (\$50) state fee within a one (1) year period. The purpose of the fifty dollar (\$50) state fee is to offset computer programming costs incurred by the cabinet. Unless the cabinet is requested in writing to the contrary, if the cabinet has not received nine hundred (900) applications within one (1) year from the date the cabinet receives the first application for a special PTA license plate, the cabinet shall refund the fifty dollar (\$50) state fee to the appropriate applicants.*
- (4) *Subject to the provisions of subsection (3) of this section, the total initial application fee for the first nine hundred (900) special PTA license plates printed by the Transportation Cabinet shall be sixty-eight dollars (\$68). The sixty-eight dollar (\$68) fee shall be divided as follows:*

- (c) *The remaining five dollar (\$5) fee collected from an applicant renewing an annual registration shall be remitted to the Transportation Cabinet to be used as provided in subsection (10) of this section.*
- (7) *Except as provided in this subsection, the special PTA license plate shall be replaced on the same schedule that regular license plates are replaced by the Transportation Cabinet under KRS 186.240. A special PTA license plate shall be replaced free of charge if the metal plate is destroyed in an accident, the plate deteriorates to a point that the lettering, numbering, or images on the face of the plate are not legible, or the plate is stolen, if the owner or lessee has not transferred the vehicle issued the plate during the current licensing period.*
- (8) *A person seeking a special PTA license plate for a vehicle provided as part of the person's occupation shall conform to the requirements of KRS 186.050.*

If the owner or lessee requests, the county clerk shall reissue the special PTA license plate free of charge for use on any other vehicle of the same classification and category owned by the person during the current licensing period. If the owner or lessee has the special PTA license plate reissued to another vehicle, the regular license plate that is being replaced shall be returned to the county clerk who shall forward the plate to Frankfort.*
- (10) *All funds received by the Transportation Cabinet under subsections (4)(c), (5)(c), and (6)(c) of this section shall be deposited into a PTA program fund that is established in the state road fund. Money in the PTA program fund shall be used as provided in this subsection. If at the end of a fiscal year money remains in the PTA program fund, it shall be retained in the fund and used as provided in this subsection and shall not revert to the road fund. All interest and income earned on money in the PTA program fund shall be retained by the Transportation Cabinet to help offset the costs associated with administering this subsection.*
- (a) *At the end of each fiscal year the cabinet shall, after deducting interest and income earned during the year, disburse all funds remaining in the PTA program fund to the public education foundation in a county containing a city of the first class. The public education foundation shall be responsible for distributing funds under this subsection among all schools and PTAs throughout the Commonwealth.*
- (b) *The amount of money each PTA shall receive under this subsection shall be proportionate to the amount of money contributed to the PTA program fund from sales of the special PTA license plates in the county where the PTA is located.*

- (2) "Building" means all contiguous land, structures, appurtenances, and improvements that use energy;
- (3) "Energy audit" means examination of a building's energy-using systems, energy consumption and costs, occupancy patterns, and operation and maintenance procedures;
- (4) "Energy efficiency measure" means any construction, improvement, repair, alteration, or betterment of a building that is intended to reduce energy costs; or any equipment, fixture, or furnishing to be added to or used in a building that will be a cost-effective energy-related project that is intended to reduce energy costs;
- (5) "***Guaranteed energy savings***~~[Energy]~~ performance contract" means an agreement for the provision of energy services or equipment, including energy ***efficiency measures, energy conservation measures***~~[enhancing projects]~~ and alternate energy technologies for state government buildings, in which a person agrees to design, construct, install, maintain, operate, or manage energy systems or equipment to improve energy efficiency of, or produce energy in connection with, a state government building. ***Payments for a guaranteed energy savings performance contract shall be made from measured and verified savings generated from implementation of the energy efficiency measures financed by the contract. The term of a guaranteed energy savings performance contract shall not exceed the life of the energy savings generated from implementation of the energy efficiency measures financed by the contract. If the measured and verified savings are not sufficient to pay the financial obligations under the contract, the contractor is liable for the contract payments in exchange for a portion of the energy cost savings or specified revenues based on estimated or measured energy cost savings***;
- (6) "Engineering analysis" means a detailed cost-benefit analysis of energy efficiency investments including a review of potential cost savings through operation and maintenance changes;
- ~~(7) "Guaranteed energy savings contract" means an energy performance contract;~~
- ~~(8)~~ "Life-cycle cost analysis" means a method for estimating the total cost of an energy-using component or building over its useful life, including cost factors such as purchase price or construction, renovation, or leasing costs, energy use, maintenance, interest, and inflation;

- (8)(9) "Low cost/no cost energy **conservation**~~[efficiency]~~ measures" means those energy **saving practices and energy** efficiency measures, usually involving operation and maintenance practices, that can be accomplished by existing personnel within existing operating budgets;~~and~~
- (9)(10) "Simple payback period" means the number of years it takes to pay back, from estimated~~[energy]~~ savings, the initial cost of an energy efficiency **measure**~~[investment]~~, with the simple payback period equal to the initial cost divided by the **estimated** annual ~~[energy]~~ savings;
- (10) "**Savings**" means the reduction in expenditures, excluding any state government and post-secondary education personnel expenditures, that are measured and verified, including but not limited to energy usage, operating costs, and capital cost avoidance that occur as a result of the implementation of energy efficiency measures;
- (11) "**Capital cost avoidance**" means savings generated when expenditures of appropriated capital construction or appropriated capital outlay funds are avoided because the budgeted capital improvements or items of equipment are contained within the energy efficiency measures provided by a guaranteed energy savings performance contract; and
- (12) "**Operating costs**" means expenditures associated with operating and maintaining a properly functioning building and its systems including, but not limited to, the heating, ventilation, cooling, lighting, plumbing, water heating, electrical, and laundry systems and their controls.

- (2) Any engineering analysis conducted on a state-owned building shall assess the energy efficiency of the building and make recommendations for improving the efficient use of energy within the building. The analyses shall be performed by qualified engineers, architects, or other persons trained in energy efficiency who may be employees of the Finance and Administration Cabinet or employed pursuant to KRS Chapter 45A, except that any engineers, architects or other persons trained in energy efficiency and retained under a guaranteed energy savings **performance** contract, shall not be subject to the provisions of KRS 45A.800 to 45A.835.
- (3) Except as provided in subsection (5) of this section, measures to improve the energy efficiency of a state-owned building, which have an aggregate simple payback period of five (5) years or less, shall be implemented as general fund appropriations become available. No more than five percent (5%) of the cost of energy efficiency measures for a building may be utilized for monitoring the results.
- (4) If general fund appropriations are available for energy efficiency improvements, the Finance and Administration Cabinet shall prioritize projects among the various state-owned buildings to determine which projects shall be implemented to best utilize the available funding.
- (5) If general fund appropriations are unavailable, energy **efficiency**~~[conservation]~~ measures for a state-owned building may be financed by other means. These other means include, but are not limited to, **guaranteed energy savings performance contracts as defined under Section 1 of this Act**~~[energy performance contracts and guaranteed energy savings contracts]~~ entered into pursuant to KRS 45A.085 and KRS 45A.045(10). **Guaranteed energy savings**~~[Energy]~~ performance contracts~~[and guaranteed energy savings contracts]~~ shall not be subject to the provisions of KRS 45A.800 to 45A.835. Savings shall be determined by using one (1) of the measurement and verification methodologies listed in the United States Department of Energy's "International Performance Measurement and Verification Protocol." If specific data limitations or documented unique characteristics of the project prevent use of the "International Performance Measurement and Verification Protocol," an alternative method that is compatible shall be adopted upon documentation and approval of the secretary of the Finance and Administration Cabinet.*

Section 3. KRS 56.784 is amended to read as follows:

Section 2. KRS 164.003 is amended to read as follows:

- (1) The General Assembly hereby finds that:
 - (a) The general welfare and material well-being of citizens of the Commonwealth depend in large measure upon the development of a well-educated and highly-trained workforce;
 - (b) The education and training of the current and future workforce of the Commonwealth can provide its businesses and industries with the competitive edge critical to their success in the global economy and must be improved to provide its citizens the opportunity to achieve a standard of living in excess of the national average; and
 - (c) The positive advancement of the welfare of the citizens of the Commonwealth through the transmission of knowledge can only be achieved by the incorporation of ethical standards, the historic American moral principles promoted by the nation's Founding Fathers, into Kentucky public instruction, state educational training, and personal development of its teachers, students, and people, and affirms President George Washington's statement in his September 19, 1796, farewell address: "Of all the dispositions and habits which lead to political prosperity, Religion and morality are indispensable."
- (2) The General Assembly declares on behalf of the people of the Commonwealth the following goals to be achieved by the year 2020:
 - (a) A seamless, integrated system of postsecondary education strategically planned and adequately funded to enhance economic development and quality of life;
 - (b) A major comprehensive research institution ranked nationally in the top twenty (20) public universities at the University of Kentucky;
 - (c) A premier, nationally recognized metropolitan research university at the University of Louisville;
 - (d) Regional universities, with at least one (1) nationally recognized program of distinction or one (1) nationally recognized applied research program, working cooperatively with other postsecondary institutions to assure statewide access to baccalaureate and master's degrees of a quality at or above the national average;
 - (e) A comprehensive community and technical college system with a mission that assures, in conjunction with other postsecondary institutions, access throughout the Commonwealth to a two (2) year course of general studies designed for transfer to a baccalaureate program, the training necessary to develop a workforce with the skills to meet the needs of new and existing industries, and remedial and continuing education to improve the employability of citizens; and
 - (f) An efficient, responsive, and coordinated system of providers that delivers educational services to all adult citizens in quantities and of a quality that is comparable to the national average or above and significantly elevates the level of education of the adults of the Commonwealth.
- (3) The achievement of these goals will lead to the development of a society with a standard of living and quality of life that meets or exceeds the national average.
- (4) The achievement of these goals will only be accomplished through increased educational attainment at all levels, and contributions to the quality of elementary and secondary education shall be a central responsibility of Kentucky's postsecondary institutions.
- (5) The furtherance of these goals is a lawful public purpose that can best be accomplished by a comprehensive system of postsecondary education with single points of accountability that ensure the coordination of programs and efficient use of resources.
- (6) ***The Commonwealth further recognizes that Kentucky's independent institutions offer rich and diverse postsecondary education choices throughout the state. Kentucky's people are best served by a broad array of postsecondary education providers. This vital component of the system will be a full partner in the greater system of postsecondary education.***

When federal legislation requires additional representation on any "single state agency," the Council on Postsecondary Education shall establish advisory groups necessary to satisfy federal legislative or regulatory guidelines;
- (8) Determine tuition and approve the minimum qualifications for admission to the state postsecondary educational system. In determining the tuition for non-Kentucky residents, the council shall consider the fees required of Kentucky students by institutions in adjoining states, the resident fees charged by other states, the total actual per student cost of training in the institutions for which the fees are being determined, and the ratios of Kentucky students to non-Kentucky students comprising the enrollments of the respective institutions, and other factors the council may in its sole discretion deem pertinent;

Without the consent of the General Assembly, the council shall not abolish or limit the total enrollment of the general program offered at any community college to meet the goal of reasonable access throughout the Commonwealth to a two (2) year course of general studies designed for transfer to a baccalaureate program. This does not restrict or limit the authority of the council, as set forth in this section, to eliminate or make changes in individual programs within that general program;

Section 1. KRS 132.590 is amended to read as follows:

- (1) The compensation of the property valuation administrator shall be based on the schedule contained in subsection (2) of this section as modified by subsection (3) of this section. The compensation of the property valuation administrator shall be calculated by the Revenue Cabinet annually. Should a property valuation administrator for any reason vacate the office in any year during his term of office, he shall be paid only for the calendar days actually served during the year.
- (2) The salary schedule for property valuation administrators provides for nine (9) levels of salary based upon the population of the county in the prior year as determined by the United States Department of Commerce, Bureau of the Census annual estimates. To implement the salary schedule, the cabinet shall, by November 1 of each year, certify for each county the population group applicable to each county based on the most recent estimates of the United States Department of Commerce, Bureau of the Census. The salary schedule provides four (4) steps for yearly increments within each population group. Property valuation administrators shall be paid according to the first step within their population group for the first year or portion thereof they serve in office. Thereafter, each property valuation administrator, on January 1 of each subsequent year, shall be advanced automatically to the next step in the salary schedule until the maximum salary figure for the population group is reached. If the county population as certified by the cabinet increases to a new group level, the property valuation administrator's salary shall be computed from the new group level at the beginning of the next year. A change in group level shall have no effect on the annual change in step. Prior to assuming office, any person who has previously served as a property valuation administrator must certify to the Revenue Cabinet the total number of years, not to exceed four (4) years, that the person has previously served in the office. The cabinet shall place the person in the proper step based upon a formula of one (1) incremental step per full calendar year of service:

Subject to availability of funds, the cabinet may extend cost-of-living increases approved for cabinet employees to deputy property valuation administrators and other authorized personnel, by advancement in grade.
- (6) Beginning with the 1990-1992 biennium, the Revenue Cabinet shall prepare a biennial budget request for the staffing of property valuation administrators' offices. An equitable allocation of employee positions to each property valuation administrator's office in the state shall be made on the basis of comparative assessment work units. Assessment work units shall be determined from the most current objective information available from the United States Bureau of the Census and other similar sources of unbiased information. The amount so requested shall be paid by the county into the State Treasury by September 1, or paid to the property valuation administrator and be submitted to the State Treasury by September 1. These funds shall be expended by the Revenue Cabinet only for compensation of approved deputies and assistants and the employer's share of FICA and state retirement in the appropriating county. Any funds paid into the State Treasury in accordance with this provision but unexpended by the close of the fiscal year for which they were appropriated shall be returned to the county from which they were received.
- (12) After submission to the State Treasury or to the property valuation administrator of the county funds budgeted for personnel compensation under subsection (11) of this section, the fiscal court shall pay the remainder of the county appropriation to the office of the property valuation administrator on a quarterly basis. Based upon this calculation, the State Treasurer shall be requested to issue the initial retirement payment.
- (4) A new calculation shall be made when the official report has been received of the member's creditable compensation during his last month's employment. The member's sick-leave balance, expressed in days, shall be divided by the average number of working days per month in county service and rounded to the nearest number of whole months. A maximum of six (6) months of the member's sick-leave balance, expressed in months, shall be added to his service credit for the purpose of determining his annual retirement allowance under KRS 78.510 to 78.852 and for the purpose of determining whether the member is eligible to receive a retirement allowance under KRS 78.510 to 78.852. Payment for unused sick-leave days shall be incorporated into the employee's final compensation if the employee and employer make the regular employee and employer contributions, respectively, on the sick-leave payment. The number of sick-leave days for which the employee is compensated shall be divided by the average number of working days per month in county service and rounded to the nearest number of whole months. This number of months shall be added to the employee's total service credit and to the number of months used to determine creditable compensation, pursuant to KRS 78.510, but no more than sixty (60) months shall be used to determine final compensation.
- (6) Any city of the first class that has two (2) or more sick-leave programs for its employees may purchase service credit with the retirement system for up to six (6) months of unused sick leave for each retiring employee who participates in the sick-leave program administered to a majority of the eligible employees of the city. CHAPTER 54

(HB 244)

AN ACT relating to environmental protection.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 224.46-580 is amended to read as follows:

- (1) The General Assembly declares that it is the purpose of this section to promote the development of statewide programs, under the responsibility of a single agency, which are intended to protect the health of the citizens and the environment of the Commonwealth from present and future threats associated with the management of hazardous wastes and the release of toxic chemicals regulated under Title III, Section 313 of the Superfund Amendments and Reauthorization Act of 1986, including disposal, treatment, recycling, storage, and transportation. The intent of the General Assembly is to add to and coordinate, and not replace, existing efforts and responsibilities in the areas of hazardous waste management, toxic chemical manufacture, processing, or other use, and to leave the primary burden and responsibility for hazardous waste and toxic chemical reduction on private industry; and further to finance assistance and coordination by imposing assessments on the generation of hazardous waste. The assessments are intended to produce a reduction in waste generated; to promote the use of new techniques in recycling, treatment, and alternatives other than land disposal; and to place the burden of financing additional hazardous waste management activities necessarily undertaken by state agencies on the users of those products associated with the generation of hazardous waste. The General Assembly further finds that Kentucky's industries need assistance in developing and implementing pollution prevention goals and that a fund should be established to provide technical and financial assistance to those industries.
- (2) The Natural Resources and Environmental Protection Cabinet is given the authority to administer the provisions and programs of this section and the responsibility to achieve the purposes of this section.
- (3) In addition to all specific responsibilities contained elsewhere in this chapter, the cabinet shall:
 - (a) Respond effectively and in a timely manner to emergencies created by the release of hazardous substances, as defined in KRS 224.01-400, into the environment. The cabinet shall provide for adequate containment and removal of the hazardous substances in order that the threat of a release or actual release of the substance may be abated and resultant harm to the environment minimized. The provisions of KRS 45A.695 to 45A.725 may be suspended by the cabinet if necessary to respond to an environmental emergency.
 - (b) Provide for post-closure monitoring and maintenance of hazardous waste disposal sites upon termination of post-closure monitoring and maintenance responsibilities by persons permitted to operate the facility pursuant to this chapter.
 - (c) Identify, investigate, classify, contain, or clean up any release, threatened release, or disposal of a hazardous substance where responsible parties are economically or otherwise unavailable to properly address the problem and the problem represents an imminent danger to the health of the citizens and the environment of the Commonwealth.
- (4) The cabinet shall have the authority to finance the nonfederal share of the cost for clean up of sites under the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (Pub. L. 96-510).
- (5) The cabinet shall recover, when possible, actual and necessary expenditures incurred in carrying out the duties under this section. Any expenditures recovered shall be placed in the hazardous waste management fund.

- (6) It is the expressed purpose of this section to accomplish effective hazardous waste and toxic chemical management that results in a reduction of the generation of hazardous wastes and the release of toxic chemicals within the Commonwealth; further, it is a purpose of this chapter to allocate a portion of the cost of administering necessary governmental programs related to hazardous waste and toxic chemical management to those industries whose products are reasonably related to the generation of hazardous waste.
- (7) There is hereby imposed upon every person engaged within this state in the generation of hazardous waste an annual hazardous waste assessment to be determined pursuant to this section according to the quantity by weight of hazardous waste generated, except that no assessment shall be levied against generators for any quantity of "special wastes," waste oil, or spent material from air pollution control devices controlling emissions from coke manufacturing facilities. The assessment shall not be imposed upon any person for any quantities of hazardous waste generated by others for which that person is a secondary handler that stores, processes, or reclaims the waste. The assessment shall be reported and paid to the Natural Resources and Environmental Protection Cabinet for the generation of hazardous waste on an annual basis on January 1 of each year. The payment shall be accompanied by a report or return in a form that the cabinet may prescribe. If a federal law is enacted which accomplishes or purports to accomplish the purposes set forth in this section and which levies an assessment or tax upon any business assessed pursuant to this section, the amount of the assessment to be levied upon the business under this section shall be reduced by the amount of the federal assessment or tax upon the business. The reduction shall only be authorized when funds raised by the federal assessment or tax are made available to the state for any of the activities to be funded under this section. If federal moneys are available to carry out the duties imposed by subsection (3) of this section, the assessment shall cease to be levied and collected until such time as federal moneys are no longer available to the Commonwealth for these purposes. The assessment shall be charged against generators of hazardous waste until June 30, ~~2004~~~~[2002]~~. After this date, no further hazardous waste management assessment shall be charged against generators.
- (8) The assessment on generators shall be one and two-tenths cents (\$0.012) per pound if the waste is liquid, or two-tenths of a cent (\$0.002) per pound if the waste is solid.
- (a) Hazardous waste that is injected into a permitted underground injection well shall be assessed on a dry weight basis;
 - (b) Hazardous waste treated, detoxified, solidified, neutralized, recycled, incinerated, or disposed of on-site shall be assessed at one-half (1/2) of the appropriate rate, except for recycled waste used in the steel manufacturing process which shall be exempt;~~and~~
 - (c) Waste that is subject to regulation under Section 402 or 307B of the Federal Clean Water Act shall be exempt; *and*
 - (d) ***Emission control dust and sludge from the primary production of steel that is recycled by high temperature metals recovery or managed by stabilization of metals shall be exempt.***
- (9) Except for waste brought into the state by a company to an affiliated manufacturing facility of the company receiving the waste, any person who transports hazardous waste into the state for land disposal or treatment which is generated outside of the state shall pay an assessment to the hazardous waste facility which first receives the waste for storage, treatment, or land disposal. The assessment rate shall be identical to the rate described in subsection (8) of this section. The facility shall remit the assessment to the cabinet on an annual basis on January 1 of each year. The payment shall be accompanied by a return the cabinet shall prescribe.
- (10) If any generator or hazardous waste facility subject to the provisions of subsection (8) or (9) of this section fails or refuses to file a return or furnish any information requested in writing by the cabinet, the cabinet may, from any information in its possession, make an estimate and issue an assessment against the generator or hazardous waste facility and add a penalty of ten percent (10%) of the amount of the assessment so determined. This penalty shall be in addition to all other applicable penalties in this chapter.
- (11) If any generator or hazardous waste facility subject to the provisions of subsection (8) or (9) of this section fails to make and file a return required by this chapter on or before the due date of the return or the due date as extended by the cabinet, unless it is shown to the satisfaction of the cabinet, that the failure is due to reasonable cause, five percent (5%) of the assessment found to be due by the cabinet shall be added to the assessment for each thirty (30) days or fraction thereof elapsing between the due date of the return and the date on which it is filed, but the total penalty shall not exceed twenty-five percent (25%) of the assessment.

- (12) If the assessment imposed by this chapter, whether assessed by the cabinet, or the generator, or any installment or portion of the assessment is not paid on or before the date prescribed for its payment, there shall be collected, as a part of the assessment, interest upon the unpaid amount at the rate of eight percent (8%) per annum from the date prescribed for its payment until payment is actually made to the cabinet.
- (13) There is hereby created within the State Treasury a trust and agency fund which shall not lapse to be known as the hazardous waste management fund. The fund shall be deposited in an interest-bearing account. The cabinet shall be responsible for collecting and receiving funds as provided in this section, and all such assessments collected or received by the State Treasury shall be deposited in the hazardous waste management fund. All interest earned on the money deposited in the fund shall be deposited to the fund. When the State Treasurer certifies to the cabinet that the uncommitted balance of the hazardous waste management fund exceeds six million dollars (\$6,000,000), assessments shall not be collected until the State Treasurer certifies to the cabinet that the balance in the hazardous waste management fund is less than three million dollars (\$3,000,000). The implementation of the cap on the fund shall be suspended from July 13, 1990, until July 1, 1991. In addition, for assessments paid after July 1, 1991, the cabinet shall refund or grant a credit against the next assessment to come due, on a pro-rated basis, any money collected in one (1) year in excess of the cap.
- (14) There is hereby created within the State Treasury a trust and agency account which shall not lapse to be known as the pollution prevention fund. The fund shall be placed in an interest-bearing account. The fund shall be administered by the Center for Pollution Prevention. The cabinet shall remit to the fund each fiscal year twenty percent (20%) of the funds received by the hazardous waste management fund subject to the enacted budget bill. The cabinet shall provide to the center estimates of the amount of the hazardous waste assessment expected to be collected during each upcoming fiscal year.
- (15) Upon request of the secretary, moneys accumulated in the hazardous waste management fund shall be released in amounts necessary to accomplish the performance of the duties imposed by subsection (3) of this section. However, moneys from the fund shall not be used when federal moneys are available to carry out these duties, except when immediate action is required to protect public health or the environment, in which case the cabinet shall actively pursue reimbursement of the fund by any available federal moneys.
- (16) If any person responsible for a release or threatened release of a hazardous substance fails to take response actions or to make reasonable progress in completing response actions ordered by the cabinet, the cabinet may bring an action to compel performance or may take appropriate response actions and order the responsible person to reimburse the cabinet for the actual costs incurred by the cabinet.
- (17) If disposal activities have occurred at a hazardous waste site, the cabinet shall record in the office of the county clerk in the county in which a waste site is situated a notice containing a legal description of the property that discloses to any potential transferee that the land was used to dispose hazardous waste and that further information on the hazardous waste site may be obtained from the cabinet.
- (18) No person shall affect the integrity of the final cover, liners, or any other components of any containment system after closure of a hazardous waste site on or in which hazardous waste remains without prior written approval of the cabinet.

- (b) The term "state employee" for purposes of this section shall include a person, including an elected public official, who is regularly employed by any department, board, agency, branch of state government, or any municipal, urban-county, charter county, or county government, whose legislative body has opted to participate in the state health insurance program pursuant to KRS 79.080 and who is a contributing member to any one (1) of the retirement systems administered by the state. It shall also include a person who must fulfill the requirements established by the Kentucky Board of Education for eligibility and a person who is a present or future recipient of a retirement allowance from any of the Kentucky Retirement Systems who either satisfies the requirements of KRS 61.559 or who is board authorized under KRS 61.702(1), including a beneficiary of a retired employee as defined in KRS 61.542 who is receiving a retirement allowance from any of the Kentucky Retirement Systems and includes members of the Legislators' Retirement Plan as provided in KRS 18A.2287. Health insurance coverage provided to state employees under this section shall, at a minimum, contain the same benefits as provided under Kentucky Kare Standard as of January 1, 1994, **and shall include a mail order drug option as provided in subsection (14) of this section.** All state employees and other persons for whom the health care coverage is provided or made available shall annually be given an option to elect health care coverage through a self-funded plan offered by the state or, if a self-funded plan is not available, from a list of

coverage options determined by the competitive bid process under the provisions of KRS 45A.080, 45A.085, and 45A.090 and made available during annual open enrollment. For calendar year 2001 only, an emergency shall exist when any county in which only one (1) health insurance company offers a single plan to state employees and, subsequent to the open enrollment period, the health insurance company fails to maintain at least sixty-five percent (65%) of its contracts within the geographic region with specialty physicians who were participating in the network at the time of open enrollment. The Finance and Administration Cabinet shall immediately notify the Governor, the Legislative Research Commission, and the secretary of the Personnel Cabinet and shall be authorized to immediately negotiate and contract with additional health insurance companies for additional plans to serve any county without meeting the requirements of the Model Procurement Code under KRS Chapter 45.

The Personnel Cabinet shall take strict precautions to protect the confidentiality of each individual member; however, confidentiality assertions shall not relieve a carrier from the requirement of providing stipulated data to the Commonwealth.
 - (e) The Personnel Cabinet shall develop the necessary techniques and capabilities for timely analysis of data received from carriers and, to the extent possible, provide in the request-for-proposal specifics relating to data requirements, electronic reporting, and penalties for noncompliance. The Commonwealth shall own the enrollment, claims, and utilization data provided by each carrier and shall develop methods to protect the confidentiality of the individual. The Personnel Cabinet shall provide to the General Assembly in June of each year an analysis of enrollment, claims, utilization data of all carriers for the prior plan year ending December 31, and on the financial stability of the program. The report shall include, but not be limited to, loss ratios, methods of risk adjustment, measurements of carrier quality of service, prescription coverage and cost management, paid dependent coverage, and statutorily required mandates. If state self-insurance was available as a carrier option, the report also shall provide a detailed financial analysis of the self-insurance fund including, but not limited to, loss ratios, reserves, and reinsurance agreements.
 - (f) If any agency participating in the state employee health insurance program for its active members terminates participation in the state employee health insurance program for its active members and there is a state appropriation for the employer's contribution for active employees' health insurance coverage, neither the agency nor the employees shall receive the state-funded contribution after termination from the state employee health insurance program.
 - (g) Any funds in flexible spending accounts that remain after all reimbursements have been processed shall be transferred to the credit of the state health insurance plan's appropriation account.
- (3) The secretary of the Finance and Administration Cabinet, upon the recommendation of the secretary of the Personnel Cabinet, may procure from one (1) or more dental insurance companies, one (1) or more nonprofit hospital, medical-surgical, dental, and health service corporations organized under Subtitle 32 of KRS Chapter 304, or one (1) or more prepaid dental plan organizations organized under Subtitle 43 of KRS Chapter 304, a policy or policies of group dental insurance or prepaid dental plan coverage encompassing all or any class or classes of state employees. All state employees for whom the dental insurance or prepaid dental plan coverage is provided shall annually be given an option to elect either standard dental insurance coverage or coverage by a prepaid dental plan. The policy or policies shall be approved by the commissioner of insurance and may contain the provisions he approves, whether or not otherwise permitted by the insurance laws. It is intended

that either dental insurance or prepaid dental plan coverage may be made available for state employees, except that the procuring of each is permissive.

- (4) The premiums may be paid by the policyholder:
 - (a) Wholly from funds contributed by the insured employee, by payroll deduction or otherwise;
 - (b) Wholly from funds contributed by any department, board, agency, or branch of state, municipal, urban-county, charter county, or county government; or

- (5) If an employee moves his place of residence or employment out of the service area of a managed health care plan or of a prepaid dental plan, under which he has elected coverage, into either the service area of another managed health care plan or prepaid dental plan or into an area of the state not within a managed health care plan service area or prepaid dental plan service area, the employee shall be given an option, at the time of the move or transfer, to change his or her coverage to another health care plan or dental plan.
- (6) No payment of premium by any department, board, agency, or branch of state, municipal, urban-county, charter county, or county government shall constitute compensation to an insured employee for the purposes of any statute fixing or limiting the compensation of such an employee. Any premium or other expense incurred by any department, board, agency, or branch of state, municipal, urban-county, charter county, or county government shall be considered a proper cost of administration.
- (7) The policy or policies may contain the provisions with respect to the class or classes of employees covered, amounts of insurance or coverage for designated classes or groups of employees, policy options, terms of eligibility, continuation of insurance or coverage after retirement, and other provisions the commissioner of insurance may approve.
- (8) The policy or policies shall contain the provision that employees or retired employees shall be allowed to change health care plans during the reopening period without any limitation for pre-existing conditions if the employee has met the pre-existing condition limitation upon initial employment or reemployment with the group.
- (9) The secretary of the Finance and Administration Cabinet is authorized to perform all acts necessary or advisable for the purpose of contracting for and maintaining health care coverage and dental coverage under the provisions of this section.
- (10) Group rates under this section shall be made available to the disabled child of a state employee regardless of the child's age if the entire premium for the disabled child's coverage is paid by the state employee. A child shall be considered disabled if he has been determined to be eligible for federal Social Security disability benefits.
- (11) The health care contract or contracts for state employees shall be entered into for a period of not less than one (1) year.
- (12) The secretary shall appoint twenty-eight (28) persons to an Advisory Committee of State Health Insurance Subscribers to advise the secretary or his designee regarding the state health insurance program for state employees. The secretary shall appoint, from a list of names submitted by appointing authorities, members representing school districts from each of the seven (7) Supreme Court districts, members representing state government from each of the seven (7) Supreme Court districts, two (2) members representing retirees under age sixty-five (65), one (1) member representing local health departments, two (2) members representing the Kentucky Teachers' Retirement System, and three (3) members at large. The advisory committee shall be appointed in January of each year and shall meet quarterly.

- (13) Notwithstanding any other provision of law to the contrary, the policy or policies provided to state employees pursuant to this section shall not provide coverage for obtaining or performing an abortion, nor shall any state funds be used for the purpose of obtaining or performing an abortion on behalf of state employees or their dependents.
- (14) (a) *The policies of health insurance coverage procured under subsection (2) of this section shall include a mail order drug option for maintenance drugs for state employees. Maintenance drugs may be dispensed by mail order in accordance with Kentucky law.*
- (b) *A health insurer shall not discriminate against any retail pharmacy located within the geographic coverage area of the health benefit plan and that meets the terms and conditions for participation established by the insurer, including price, dispensing fee, and copay requirements of a mail order option. The retail pharmacy shall not be required to dispense by mail.*
- (c) *The mail order option shall not permit the dispensing of a controlled substance classified in Schedule II.*
- (15) Interruption of an established treatment regime with maintenance drugs shall be grounds for an insured to appeal a formulary change through the established appeal procedures approved by the Personnel Cabinet, if the physician supervising the treatment certifies that the change is not in the best interests of the patient.

- (3) "Gross cost" shall mean the total cost of the telephonic and telegraphic communications, electrical power, water, and natural, artificial, or mixed gas including the cost of the tangible personal property and any services associated with obtaining the telecommunication and telegraphic services or tangible personal property, such as gas, electricity, and water, regardless from whom purchased.
- (4) *The tax imposed by this section shall apply to mobile telecommunications services as defined in 4 U.S.C. sec. 124 only if the customer's place of primary use is within the jurisdictional boundaries of the taxing jurisdiction. The provisions of 4 U.S.C. secs. 116 to 126 are hereby adopted and incorporated by reference.*
- (5) *If a customer believes that a tax, charge, fee, or assignment of place of primary use or taxing jurisdiction on a bill is incorrect, the customer shall notify the home service provider about the alleged error in writing. This notification shall include the street address for the customer's place of primary use, the account name and number for which the customer seeks a correction, a description of the alleged error, and any other information that the home service provider reasonably requires. Within sixty (60) days of receiving the customer's notification, the home service provider shall either correct the error and refund or credit all taxes, charges, and fees incorrectly charged to the customer within four (4) years of the customer's notification, or explain to the customer in writing how the bill was correct and why a refund or credit will not be made.*
- (6) *A customer shall not have a cause of action against a home service provider for any erroneously collected taxes, charges, or fees until the customer has exhausted the procedure set forth in subsection (5) of this section.*

Section 6. Sections 1 to 5 of this Act take effect for customer service bills issued after August 1, 2002.

Section 2. KRS 64.345 is amended to read as follows:

- (1) The county clerk and sheriff of each county having a population of seventy thousand (70,000) or over shall receive an annual salary pursuant to the salary schedule in KRS 64.5275.
- (2) In counties containing a city of the first class and in counties having an urban-county form of government, the amount, if any, allowed for the necessary office expenses of each officer shall be approved by the fiscal court in counties containing a city of the first class and by the legislative body in counties containing an urban-county form of government. This approval shall be signed by the county judge/executive in a county containing a city of the first class and by the executive authority in a county having an urban-county form of government. Approval by the fiscal court or urban-county legislative body under this subsection shall not include oversight of expenditure of the funds. This oversight shall be retained by the Office of the Controller created pursuant to KRS 42.0201. In all other counties with a population of seventy thousand (70,000) or more, the amount, if any, allowed for the necessary office expenses of each officer shall be fixed by the fiscal court by an order entered upon the fiscal court order book no later than January 15 of each year. A certified copy of the orders, and of any subsequent changes made therein, shall, as soon as entered, be forwarded to the Finance and Administration Cabinet.
- (3) Each officer shall, on the first day of each month, send to the Finance and Administration Cabinet a statement, subscribed and sworn to by him, showing the amount of money received or collected by or for him the preceding month as fees or compensation for official duties and shall, with these statements, send to the Finance and Administration Cabinet the amount so collected or received. The Finance and Administration Cabinet may extend the time for filing the statement and making the payment for a period not exceeding ten (10) days in any month.
- (4) The salary of each officer and his deputies and assistants and his office expenses shall be paid semimonthly by the State Treasurer upon the warrant of the Finance and Administration Cabinet made payable to the officer. If seventy-five percent (75%) of the amount paid into the State Treasury in any month by any of such officers is not sufficient to pay the salaries and expenses of his office for that month, the deficit may be made up out of the amount paid in any succeeding month; but in no event shall the amount allowed by the Finance and Administration Cabinet to any officer for salaries and expenses exceed seventy-five percent (75%) of the amount paid to the Finance and Administration Cabinet by the officer during his official term.
- (5) In counties containing a city of the first class and in counties having an urban-county form of government, the number of deputies and assistants allowed to each officer and the compensation allowed to each deputy and assistant shall be approved at reasonable amounts upon motion of each officer by the fiscal court in counties containing a city of the first class and by the legislative body in counties containing an urban-county form of government. Each payment shall be for the preceding three (3) months during which fees were received by the Finance and Administration Cabinet. If no objections are submitted, the settlement will become final.
- (3) If the county judge/executive denies the objections, the sheriff may institute an action in Circuit Court within fifteen (15) days of receipt of the denial for review of the settlement and objections. The settlement for excess fees and commissions and other income shall be subject to correction by audit conducted pursuant to KRS 43.070 or 64.810, and the provisions of this subsection shall not be construed to amend KRS 64.820 or 64.830.

(SCR 47)

A CONCURRENT RESOLUTION requesting reauthorization of the Tobacco Task Force.

WHEREAS, tobacco production is at the heart of Kentucky's agricultural economy; and

WHEREAS, loss of tobacco production or the tobacco program would have a devastating effect on Kentucky and its tobacco farmers; and

WHEREAS, the loss of tobacco production would cause failure of many farms and businesses, decreases in land values, the default of loans, and the loss of state and local revenues; and

WHEREAS, shifts in tobacco production from the auction marketing system to contract marketing system, and cuts in tobacco quota continue to change the traditional tobacco program and methods of tobacco production in Kentucky; and

WHEREAS, the Tobacco Task Force was created by the Legislative Research Commission in 1984 to address problems that threaten the tobacco industry and the tobacco price support program; and

WHEREAS, the Task Force has studied contracting in tobacco and many other problems that threaten Kentucky's tobacco economy and been instrumental in helping to resolve these problems; and

WHEREAS, the Kentucky's tobacco industry and tobacco farmers remain in jeopardy because of threats to the tobacco program, increased use of imported tobacco, labor shortages, marginal prices, cuts in tobacco quota, a shift from an auction marketing system to a contract marketing system, possible increases in excise taxes, and other problems;

NOW, THEREFORE,

Be it resolved by the Senate of the General Assembly of the Commonwealth of Kentucky, the House of Representatives concurring therein:

Section 1. That the Kentucky Tobacco Task Force be reauthorized through December 31, 2003, to help resolve the problems facing the tobacco industry and the tobacco program.

CHAPTER 73**(SCR 76)**

A CONCURRENT RESOLUTION encouraging the Governor and the Cabinet for Health Services to respond to and fund the needs of Kentuckians living with HIV and AIDS.

WHEREAS, Kentucky citizens face a terrible pandemic in the form of the human immunodeficiency virus (HIV) and acquired immunodeficiency syndrome (AIDS); and

WHEREAS, throughout the 1990s, progress was made in the treatment of AIDS patients with the development of medications that fought the most serious of symptoms and that delayed the onset of other serious opportunistic infections; and

WHEREAS, new medications help persons with HIV live longer without developing symptoms of full-blown AIDS; and

WHEREAS, the medications for treating HIV and AIDS are extremely expensive, and many people without health insurance are unable to purchase these medications without state assistance; and

WHEREAS, the Kentucky AIDS Drug Assistance Program (KADAP) is not adequately funded and has over 100 persons on a waiting list for drugs that could prolong life or delay the onset of life-threatening symptoms; and

WHEREAS, Kentucky has developed a network of testing and counseling services to help persons obtain testing for HIV, receive counseling related to the results, and receive counseling on the availability of services for persons who test positive for the human immunodeficiency virus; and

WHEREAS, services are not consolidated in a manner that permits easy access or that maximizes efficiency; and

WHEREAS, only three full-service clinics exist in Kentucky that can provide counseling related to housing, transportation, employment, and medications, and that can provide necessary medical services; and

WHEREAS, the three clinics are located in Louisville (University of Louisville), Lexington (University of Kentucky), and Paducah (Heartland CARES), and these clinics are required to provide services to the majority of the AIDS clients in the state but are not reimbursed for many of the services because the patients frequently are uninsured;

NOW, THEREFORE,

Be it resolved by the Senate of the General Assembly of the Commonwealth of Kentucky, the House of Representatives concurring therein:

Section 1. The Cabinet for Health Services is encouraged to assist the development of a centers of excellence model of HIV and AIDS health care delivery that would permit patients to receive all medical care at a center or from family physicians who in turn could access the centers' resources when necessary.

Section 2. The Cabinet for Health Services is encouraged to provide an aggressive outreach program to build a statewide network of HIV and AIDS care providers.

Section 3. The Cabinet for Health Services is encouraged to consolidate HIV and AIDS counseling and testing services. Consolidation would create more efficiency within the cabinet and facilitate increased knowledge and expertise among designated counseling and testing staff.

Section 4. The Governor and the Cabinet for Health Services are encouraged to increase state support for the Kentucky AIDS Drug Assistance Program. Priority should be given to eliminating the waiting list currently facing many Kentuckians who need medications to sustain life.

Section 5. The Governor and the Cabinet for Health Services are encouraged to fully fund the activities of the HIV/AIDS Advisory Council, created by the 2000 General Assembly but not given sufficient funding to carry out its mandated responsibilities. Funding over the 2002-2004 biennial budget should allow for planning, administrative, and staff support and expenses for members to attend meetings.

Section 6. The Clerk is directed to transmit a copy of this resolution to Governor Paul Patton, Capitol, Frankfort, Kentucky 40601; Marcia Morgan, Secretary, Cabinet for Health Services, 275 East Main Street, Frankfort, Kentucky 40601; and the Legislative Research Commission.

CHAPTER 89

(HB 448)

AN ACT relating to property taxes.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 96.810 is amended to read as follows:

- (1) The board shall devote all moneys derived from any source other than the issuance of bonds to or for the payment of all operating expenses; bond interest and retirement and sinking fund payments; the acquisition and improvement of the electric plant; contingencies; other obligations incurred in the operation and maintenance of the electric plant and the furnishing of electric service; the state, any county, any school district, any municipality, and any other special taxing district in which the board operates, of the same respective amounts as provided in KRS 96.820, or any other additional amounts which the board pursuant to its contract with the Tennessee Valley Authority or other governmental agencies collects as tax equivalents for any taxing jurisdiction if the board contracts with the Tennessee Valley Authority or any governmental agency for the purchase and resale of electrical energy, or if the board does not contract with the Tennessee Valley Authority or any other governmental agency for the purchase or resale of any electrical energy and if it has met all obligations imposed on it by KRS 96.550 to 96.900 it may at the end of any twelve (12) months ending June 30 transfer any surplus to the general fund of the municipality which authorized it; the redemption and purchase of electric plant bonds, in which case the bonds should be canceled; the creation and maintenance of a cash working fund; and the payment of an amount to the general funds of the municipality.
- (2) After the establishment of proper reserves, if any, and after complying with the above provisions of this section, any surplus of proceeds shall be devoted solely to the reduction of rates. The equity of the municipality contracting with the Tennessee Valley Authority or other governmental agency for the purchase and resale of electrical power or energy shall be the purchase price of the electric plant, less the face value of outstanding bonds, or, if there is no purchase price, the original cost of the plant as defined by the Federal **Energy Regulatory** ~~power~~ Commission, less accrued depreciation, less the face value of the outstanding bonds. The payment of bonds or the acquisition or improvement of property from the receipts derived from electric service or any other operation of the board shall not be considered to increase the equity or investment of the municipality.

Section 2. KRS 96.820 is amended to read as follows:

- (1) For the purposes of this section, unless the context requires otherwise:
 - (a) "Taxing jurisdiction" shall mean each county, each school district, each municipality, and each other special taxing district located within the state.
 - (b) "State" shall mean the Commonwealth of Kentucky.
 - (c) "Tax equivalent" shall mean the amount in lieu of taxes computed according to this section which is required to be paid by each board to the state and to each taxing jurisdiction in which the board operates and required by subsection (11) of KRS 96.570 to be included in resale rates.
 - (d) "Tax year" shall mean the twelve (12) calendar-month period ending with December 31.
 - (e) "Current tax rate" shall mean the actual levied ad valorem property tax rate of the state and of each taxing jurisdiction which is applicable to all property of the same class as a board's property subject to taxation for the tax year involved.

- (f) "Book value of property" or "book value of property owned by the board" shall mean the sum of:
1. The original cost (less reasonable depreciation or retirement reserve) of a board's electric plant in service on December 31 of the immediately preceding calendar year located within the state, used and held for use in the transmission, distribution, and generation of electric energy, and
 2. The cost of the material and supplies owned by a board on December 31 of the immediately preceding calendar year. For the purpose of this definition, "electric plant in service" shall mean those items included in the "electric plant in service" account prescribed by the Federal **Energy Regulatory Power** Commission uniform system of accounts for electric utilities, and "material and supplies" shall mean those items included in the accounts grouped under the heading "material and supplies" in the said system of accounts.
- (g) "Adjusted book value of property" or "adjusted book value of property owned by the board" shall mean the book value of property owned by the board excluding manufacturing machinery as interpreted by the Revenue Cabinet for franchise tax determination purposes.
- (h) The "adjustment factor" shall be one hundred twenty-five percent (125%) for the tax year 1970. For each tax year thereafter, it shall be the duty of the Revenue Cabinet to compute the adjustment factor for that tax year as follows: For each five (5) percentage points or major fraction thereof by which the adjustment ratio for electric utility property for the immediately preceding tax year exceeded or was less than one hundred sixteen percent (116%), five (5) percentage points shall be added to or subtracted from one hundred twenty-five percent (125%). For the purposes of this computation, "adjustment ratio for electric utility property" shall mean the ratio of total assessed value to total property value for all public service corporations distributing electric energy to more than fifty thousand (50,000) retail electric customers within the state. "Total assessed value" shall mean the total actual cash value assigned by the Revenue Cabinet for ad valorem property tax purposes to the property of such corporations located within the state (properly adjusted for property under construction). "Total property value" shall mean the sum of:
1. The depreciated original cost of the total utility plant in service of such corporations within the state, and
 2. The book value of material and supplies of such corporations located within the state, both as derived from published reports of the Federal **Energy Regulatory Power** Commission, or in the absence thereof, from information provided to the Revenue Cabinet by such corporations.
- (i) "Electric operations" shall mean all activities associated with the establishment, development, administration, and operation of any electric system and the supplying of electric energy and associated services to the public, including without limitation the generation, purchase, sale, and resale of electric energy and the purchase, use, and consumption thereof by ultimate consumers.
- (2) It shall be the duty of each board, on or before ~~April 30~~ **March 31**, to certify to the Revenue Cabinet the book value of property owned by the board and the adjusted book value of property owned by the board and located within the state and within each taxing jurisdiction in which the board operates. A copy of the certification shall also be sent by the board to each such taxing jurisdiction. The book value of property and adjusted book value of property shall be determined, and the books and records of the board shall be kept in accordance with standard accounting practices, and the books and records of each board shall be subject to inspection by the Revenue Cabinet and by representatives of the affected taxing jurisdictions and to adjustment by the Revenue Cabinet if found not to comply with the provisions of this section. Upon the receipt of the required certification from a board, the Revenue Cabinet shall make any inspection and adjustment, hereinabove authorized, as it deems necessary, and no earlier than September 1 of each year the Revenue Cabinet shall certify to the board and to the county clerk of each county in which the board operates the book value of property owned by the board and the adjusted book value of property owned by the board, located within each taxing jurisdiction in which the board operates and within the state. At the same time, the Revenue Cabinet shall certify to the board and to the county clerk the adjustment factor for the tax year. The county clerk shall promptly certify the book value of property, the adjusted book value of property, and the adjustment factor certified by the Revenue Cabinet, to the respective taxing jurisdiction in which the board operates.

- (3) (a) Each board shall pay for each tax year, beginning with the tax year 1970, to the state and to each taxing jurisdiction in which the board operates, a tax equivalent from the revenues derived from the board's electric operations for that tax year, computed according to this subsection.
- (b) The tax equivalent for each tax year payable to the state shall be the total of:
1. The book value of the property owned by the board within the state, multiplied by the adjustment factor, multiplied by the current tax rate of the state, less thirty cents (\$0.30), plus
 2. The state's portion of the amount payable under paragraph (d) of this subsection.
- (c) The tax equivalent for each tax year payable to each taxing jurisdiction in which the board operates shall be the total of:
1. The adjusted book value of property owned by the board within the taxing jurisdiction, multiplied by the adjustment factor, multiplied by the current tax rate of the taxing jurisdiction; provided, however, for the purpose of this calculation the tax rate for school districts shall be increased by thirty cents (\$0.30), plus
 2. The taxing jurisdiction's portion of the amount payable under paragraph (d) of this subsection.
- (d) For purposes of this subsection, "amount payable" shall mean four-tenths of one percent (0.4%) of the book value of property owned by the board located within the state. The state shall be paid the same proportion of the amount payable as the payment to the state under subparagraph 1 of paragraph (b) of this subsection represents of the total payments to the state and all taxing jurisdictions in which the board operates required by subparagraph 1 of paragraph (b) and subparagraph 1 of paragraph (c) of this subsection. Each taxing jurisdiction in which the board operates shall be paid the same proportion of the amount payable as the payment to the taxing jurisdiction under subparagraph 1 of paragraph (c) of this subsection represents of the total payments to the state and all taxing jurisdictions in which the board operates required by subparagraph 1 of paragraph (b) and subparagraph 1 of paragraph (c) of this subsection. Under the regulations the Revenue Cabinet may prescribe, upon the board's receipt from the state and taxing jurisdictions of notice of the amount due under subparagraph 1 of paragraph (b) and subparagraph 1 of paragraph (c) of this subsection, the board shall compute the portion of the amount payable which is due the state and each taxing jurisdiction in which the board operates.
- (e) Payment of the tax equivalent under this section for each tax year shall be made by each board to the state within thirty (30) days after receipt by the board of the certification from the Revenue Cabinet required by subsection (2) of this section and shall be made directly to each taxing jurisdiction in which the board operates within thirty (30) days from the date of the certifications by the county clerk required by subsection (2) of this section. The state and each taxing jurisdiction in which a board operates shall have a superior lien upon the proceeds of the sale of electric energy by that board for the amounts required by this section to be paid to it.
- (4) Except as hereinafter provided, the tax equivalents computed under this section shall be in lieu of all state, municipal, county, school district, special taxing district, other taxing district, and other state and local taxes or charges on the tangible and intangible property, the income, franchises, rights, and resources of every kind and description of any municipal electric system operating under KRS 96.550 to 96.900 and on the electric operations of any board established pursuant thereto, and the tax equivalent for any tax year computed and payable under this section to the state or to any taxing jurisdiction in which any board operates shall be reduced by the aggregate amount of any tax or charge within the meaning of this sentence which is imposed by the state, or by any taxing jurisdiction in which a board operates, on the board, the electric system, or the board's electric operations. Provided, however, that if any school district in which property of a board is located has elected, or does hereafter elect, to apply the utility gross receipts license tax for schools to all utility services as provided by KRS 160.613 through KRS 160.617, or as may hereafter be provided by other statutes, the amount of such utility gross receipts license tax shall not reduce, or in any manner affect, the amount payable to any such board or boards under the provisions of this section. It is the intent and purpose of this provision to eliminate all sums received by any such board or boards by reason of the utility gross receipts license tax from any computation of the amount payable under this section to any such board or boards, irrespective of the manner in which that payment is computed, so that, in no event, shall any sum received by any school district by reason of the utility gross receipts license tax reduce, directly or indirectly, the amount payable to such district under this chapter. Provided, further, that if the state shall levy a statewide retail sales or use tax on electric power or energy, collected by retailers of the energy from the vendees or users thereof,

and imposed at the same rate or rates as are generally applicable to the sale or use of personal property or services, including natural or artificial gas, fuel oil, and coal as well as electric power or energy, the retail sales or use tax shall not be deemed to be a tax or charge within the meaning of the first sentence of this subsection, and the tax equivalent payable for the tax year to the state under this section shall not be reduced on account of such retail sales or use tax.

- (5) (a) Notwithstanding subsection (3) of this section, until the first tax year in which the total of:
 1. The tax equivalent payable to the state, or to any taxing jurisdiction in which the board operates, computed under subsection (3) of this section, plus
 2. The additional amounts permitted to be paid to the state or taxing jurisdiction without deduction under the second and third sentences of subsection (4) of this section, exceeds the minimum payment to the state or taxing jurisdiction specified in paragraph (b) of this subsection, the tax equivalent for each tax year payable to the state or taxing jurisdiction shall be an amount equal to the minimum payment computed under paragraph (b) of this subsection.
- (b) For purposes of this subsection, the minimum payment to the state or to any taxing jurisdiction in which the board operates shall mean an amount equal to the total of:
 1. The largest actual payment made by the board pursuant to this section to the state or to the taxing jurisdiction for any of the tax years 1964, 1965, or 1966, plus
 2. The state's or taxing jurisdiction's pro rata share of an amount equal to four-tenths of one percent (0.4%) of the increase since July 1, 1964, in the book value of property owned by the board within the state. For the purposes of this paragraph "pro rata share" shall mean the same proportion of the amount computed under this subparagraph as the largest actual payment in lieu of taxes made by the board to the state or taxing jurisdiction for the applicable tax year under subparagraph 1. of this paragraph represents of the total amount of the largest actual payments in lieu of taxes made by the board to the state and to all taxing jurisdictions in which it operated for any of the applicable tax years.
- (c) The provisions of paragraph (e) of subsection (3) of this section shall apply to all payments required under this subsection.
- (d) This subsection shall not be applicable for the first tax year specified in paragraph (a) of this subsection or for any tax year thereafter, except however, that tax year 1977 shall not be deemed as the "first tax year" as specified in paragraph (a) and this subsection shall continue to apply in such cases.

Section 3. KRS 100.324 is amended to read as follows:

- (1) All other provisions of this chapter to the contrary notwithstanding, public utilities operating under the jurisdiction of the Public Service Commission, except as specified in KRS 100.987 and subsection (5) of this section, or the Department of Vehicle Regulation or Federal **Energy Regulatory**~~[Power]~~ Commission, any municipally-owned electric system, and common carriers by rail shall not be required to receive the approval of the planning unit for the location or relocation of any of their service facilities. Service facilities include all facilities of such utilities and common carriers by rail other than office space, garage space, and warehouse space and include office space, garage space, and warehouse space when such space is incidental to a service facility. The Public Service Commission and the Department of Vehicle Regulation shall give notice to the planning commission of any planning unit of any hearing which affects locations or relocations of service facilities within that planning unit's jurisdiction.
- (2) The nonservice facilities excluded in subsection (1) of this section must be in accordance with the zoning regulations.
- (3) Upon the request of the planning commission, the public utilities referred to in this section shall provide the planning commission of the planning unit affected with information concerning service facilities which have been located on and relocated on private property.
- (4) Any proposal for acquisition or disposition of land for public facilities, or changes in the character, location, or extent of structures or land for public facilities, excluding state and federal highways and public utilities and common carriers by rail mentioned in this section, shall be referred to the commission to be reviewed in light of its agreement with the comprehensive plan, and the commission shall, within sixty (60) days from the date of

its receipt, review the project and advise the referring body whether the project is in accordance with the comprehensive plan. If it disapproves of the project, it shall state the reasons for disapproval in writing and make suggestions for changes which will, in its opinion, better accomplish the objectives of the comprehensive plan. No permit required for construction or occupancy of such public facilities shall be issued until the expiration of the sixty (60) day period or until the planning commission issues its report, whichever occurs first.

- (5) Every utility which proposes to construct an antenna tower for cellular telecommunications services or personal communications services within a county containing a city of the first class shall submit the proposal to the planning commission of the affected planning unit. The planning commission shall review the proposal in light of its agreement with the comprehensive plan and locally-adopted zoning regulations and shall, within sixty (60) days from the date the proposal is submitted, make its final decision and advise the utility in writing whether the proposed construction is in accordance with the comprehensive plan and locally-adopted zoning regulations. If the planning commission fails to issue a final decision within sixty (60) days, it is presumed to have approved the proposal, and may not later appeal a decision of the Public Service Commission under KRS 278.650(3). If the planning commission disapproves of the proposed construction, it shall state the reasons for disapproval in its written decision and may make suggestions which, in its opinion, better accomplish the objectives of the comprehensive plan and the locally-adopted zoning regulations. No permit for construction of a cellular or personal communications services antenna tower, including any certificate of convenience and necessity required to be issued by the Kentucky Public Service Commission, shall be issued until the expiration of the sixty (60) day period or until the planning commission issues its final decision on the utility proposal, whichever occurs first.

After the cabinet has disposed of the protest, the taxpayer may appeal from any such additional assessment as provided by KRS 131.110 and 131.340.
- (2) Upon such assessment becoming final the cabinet shall certify the amount due to the taxpayer. The tax bill shall be handled and collected as an omitted tax bill, and the additional tax shall be subject to the same penalties and interest as the tax on omitted property voluntarily listed.

Section 8. KRS 136.140 is amended to read as follows:

 - (b) *A state fund to be known as the Kentucky Judicial Retirement Plan excess benefit fund which shall consist of all the assets of the plan.*
- (2) *The administration and assets of the plan created under this section shall be as set forth in Section 1 of this Act.*

Section 3. KRS 21.370 is amended to read as follows:

- (1) Except as provided in subsection (2) of KRS 21.410 and in subsection (2) of KRS 21.420, no benefits shall be payable under KRS 21.350 to 21.480 to any member or to his surviving spouse, unless he has completed at least eight (8) years of service, including service before becoming a member. No surviving spouse of a retired member shall be entitled to any benefits unless the person was the spouse of the member at the time he retired.
- (2) A member who has qualified for benefits under this section may transfer to the Judicial Retirement Plan up to ten (10) years of service credit which he has earned in a retirement system administered by Kentucky

Retirement Systems, and he may transfer to the Judicial Retirement Plan up to ten (10) years of service credit which he has earned in the Kentucky Legislators' Retirement Plan. If the member elects to transfer his service credit, the system or plan from which the transfer is made shall transfer to the judicial retirement fund an amount equal to the employee's and employer's contributions attributable to that credit, together with interest on the contributions from the date made to the date of transfer at the actuarially assumed interest rate of the system or plan from which the transfer is made in effect at the time the contributions were made, compounded annually at that same interest rate. The member shall be entitled to the transferred service credit, at the rate at which he qualifies under KRS 21.400, when he pays the total difference between the amount of the funds transferred and the cost of the credit to the Judicial Retirement Plan, as determined by the actuary for the Judicial Retirement Plan. The member may pay by transfer, if authorized under subsection (5)(d) of this section, or by lump sum or increments as set forth in subsection (4)(b) of this section. The payments made under this section shall be considered accumulated contributions of the member and shall not be picked up by the employer under KRS 21.360(6).

- (3) Any active member of the Judicial Retirement Plan who is vested in the Judicial Retirement Plan under subsection (1) of this section or KRS 21.375, shall receive service credit for a maximum of four (4) years for his period of service as a city police judge for a city within the Commonwealth of Kentucky, if the service was performed prior to the first Monday in January, 1978, and if the service has not been credited to the member's account with any other public defined benefit plan, by paying the retirement system one hundred percent (100%) of the actuarial cost of the service as determined by the board of trustees, based on assumptions used in the most recent biennial evaluation. The period of service to be purchased shall be certified to the board of trustees by the custodian of the records of the city for which the service was performed. The service credit shall be awarded and the cost shall be determined in conformity with the rate which applies to the member in question under KRS 21.400. Service credit awarded under this subsection shall be equivalent, for all purposes of the Judicial Retirement Plan, to other service credit earned in the plan. The payments made under this section shall be considered accumulated contributions of the member and shall not be picked up by the employer under KRS 21.360(6).
- (4) (a) 1. Any active member of the Judicial Retirement Plan who is vested in the Judicial Retirement Plan under subsection (1) of this section or KRS 21.375, or his beneficiary acting in his place if the member dies prior to retirement, shall receive service credit for a maximum of four (4) years for his period of service in the Armed Forces of the United States, if his discharge therefrom is honorable and he has not been credited with the service by any other retirement system administered by the Commonwealth of Kentucky, by paying the retirement system thirty-five percent (35%) of the actuarial cost of the service as determined by the board of trustees, based on assumptions used in the most recent biennial evaluation. The service credit shall be awarded and the cost shall be determined in conformity with the rate which applies to the member in question under KRS 21.400. Service credit awarded under this subsection shall be equivalent, for all purposes of the Judicial Retirement Plan, to other service credit earned in the plan.
2. Any active member of the Judicial Retirement Plan who is vested in the Judicial Retirement Plan may purchase and receive service credit for one (1) month of service for each six (6) months of service in the reserves or the National Guard by paying the retirement system one hundred percent (100%) of the actuarial cost of the service as determined by the board of trustees, based on assumptions used in the most recent biennial evaluation. Service credit awarded under this subsection shall be equivalent, for all purposes of the Judicial Retirement Plan, to other service credit earned in the plan. The service in the military reserves or the National Guard shall be treated as service earned prior to participation in the plan. The purchase can be made by the member in a transfer, if authorized under subsection (5)(d) of this section, or by a lump-sum payment or installment payments. The payment shall not be picked up by the employer as provided in KRS 21.360(6).
- (b) ~~{The beneficiary may purchase military service credit only at one (1) time by lump sum payment for the amount of service he wishes to purchase, and the payment shall be made within thirty (30) days of the death of the active member.}~~The member may purchase all of his military service credit at one (1) time, or in increments of no less than one (1) year, unless there is a fraction remaining after all full years have been paid for. Payment of the total or the increment may be made by lump sum or by monthly installments through payroll deduction. If the member chooses to pay by installment, the cost of the

service credit shall be computed in the same manner as for a lump-sum payment, which shall be the principal. Interest, at the annual actuarial rate in effect at the time each payment is made, shall be added to each monthly payment at the rate of one-twelfth (1/12) of the annual interest rate applied to the declining principal amount. Installment purchases shall be for no less than twelve (12) nor more than sixty (60) months. - (c) The payments made under this section shall be considered accumulated contributions of the member and shall not be picked up by the employer under KRS 21.360(6).

~~[(d) No veteran shall be eligible to purchase military service credit under this section if he is receiving a military pension or is eligible for a military pension in the future, unless the military pension is for service primarily on inactive duty in a reserve component of the Armed Forces, or is a disability pension which does not exceed five hundred dollars (\$500) monthly.]~~

- (5) (a) ~~[Any provision of law to the contrary notwithstanding, paragraphs (a), (b), (c), and (d) of this subsection shall apply only to applicable officials who are in office on June 21, 2001, and who are in active contributing status to the applicable retirement plan on June 21, 2001.]~~

The period of service to be purchased shall be certified to the board of trustees by the custodian of the records. The service credit shall be awarded and the cost shall be determined in conformity with the rate that applies to the member in question under KRS 21.400. Section 8. Whereas our country and our schools have increasingly become the targets of acts of premeditated violence and it is important that mental health professionals privy to these threats beforehand be encouraged to communicate these threats to law enforcement and intended victims without civil or criminal liability, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

CHAPTER 100

(SB 113)

AN ACT relating to death certificates.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 213.076 is amended to read as follows:

- (1) A certificate of death or a provisional certificate of death for each death which occurs in the Commonwealth shall be filed with the cabinet or as otherwise directed by the state registrar prior to final disposition, and it shall be registered if it has been completed and filed in accordance with this section. The funeral director, or person acting as such, who first takes custody of a dead body shall be responsible for filing the certificate of death. The funeral director, or person acting as such shall obtain the required personal and statistical particulars from the person best qualified to supply them over the signature and address of the informant. The funeral director, or person acting as such, shall within five (5) days of the death, present the certificate to the attending physician, if any, or to the health officer or coroner as directed by the state registrar, for the medical certificate of the cause of death and other particulars necessary to complete the record as required by this chapter.
 - (a) It shall be unlawful for an institution to release a dead human body until the funeral director, or person acting as such, has completed and filed with the local registrar or person in charge of the institution, a provisional certificate of death. If death occurs outside an institution, the provisional certificate shall be filed with the local registrar by the funeral director, or person acting as such, prior to final disposition of the dead body. A copy of the provisional certificate of death signed by the person with whom it was filed, shall constitute authority for the possession, transportation, and, except for cremation, final disposition of the body.
 - (b) All persons having in their possession a completed provisional certificate of death shall file the certificate at not more than weekly intervals with the local registrar.
 - (c) If the place of death is unknown but the dead body is found in the Commonwealth, the certificate of death shall be completed and filed in accordance with this section. The place where the body is found shall be shown as the place of death. If the date of death is unknown, it shall be determined by approximation subject to amendment upon completion of any postmortem examination required to be performed.
 - (d) If death occurs in a moving conveyance in the United States and the body is first removed from the conveyance in the Commonwealth, the death shall be registered in Kentucky, and the place where it is first removed shall be considered the place of death. If a death occurs on a moving conveyance while in international waters or air space or in a foreign country or its air space and the body is first removed from the conveyance in the Commonwealth, the death shall be registered in Kentucky, but the certificate shall show the actual place of death insofar as can be determined.
- (2) If any certificate of death is incomplete or unsatisfactory, the state registrar shall call attention to the defects in the certificate and require the person responsible for the entry to complete or correct it. The state registrar may also require additional information about the circumstances and medical conditions surrounding a death in order to properly code and classify the underlying cause.

- (3) The medical certification shall be completed, signed, and returned to the funeral director within five (5) working days after presentation to the physician, dentist, or chiropractor in charge of the patient's care for the illness or condition which resulted in death, except when inquiry is required by KRS 72.400 to 72.475. In such cases, the coroner shall complete and sign the certificate within five (5) days after receiving results of the inquiry as required by KRS 72.400 to 72.475. In the absence of the physician, dentist, or chiropractor, or with such person's approval, the certificate may be completed and signed by his associate physician, dentist, or chiropractor, or the chief medical officer of the institution in which death occurred, or the physician who performed an autopsy upon the decedent, or a physician employed by the local health department, if the individual has access to the medical history of the case and death is due to natural causes.
- (4) If death occurs more than thirty-six (36) hours after the decedent was last treated or attended by a physician, dentist, or chiropractor, the case shall be referred to the coroner for investigation to determine and certify the cause of death. In the event that a coroner is not available to sign the certificate and there is no duly appointed deputy, the county judge/executive shall appoint a competent person to investigate the death and certify to its cause.
- (5)
 - (a) The physician, dentist, chiropractor, or coroner who certifies to the cause of death shall return the certificate to the funeral director, or person acting as such, who, in turn, shall file the certificate directly with the Office of Vital Statistics. Any certified copies of the record requested at the time of filing shall be issued in not more than two (2) working days.
 - (b) *In the case of a death in which diabetes was an immediate, underlying, or contributing cause of or condition leading to death, the physician, dentist, chiropractor, or coroner who certifies to the cause of death shall check "yes" for each of the following questions on the death certificate:*
 1. *"Did the deceased have diabetes?"; and*
 2. *"Was diabetes an immediate, underlying, or contributing cause of or condition leading to death?"*.
- (6) The Office of Vital Statistics shall provide self-addressed, color-coded envelopes for the funeral homes in the Commonwealth of Kentucky.
- (7) Three (3) free verification-of-death statements shall be provided to the funeral director by the Office of Vital Statistics for every death in the Commonwealth of Kentucky.
- (8) The body of any person whose death occurs in Kentucky shall not be interred, deposited in a vault or tomb, cremated or otherwise disposed of, or removed from or into any registration district, until a provisional certificate of death has been filed with the local registrar of the registration district in which the death occurs. If the death occurred from a disease declared by the Cabinet for Health Services to be infectious, contagious, or communicable and dangerous to the public health, no permit for the removal or other disposition of the body shall be granted by the registrar except under conditions prescribed by the Cabinet for Health Services and the local health department. The Cabinet for Health Services shall identify by regulation those communicable diseases which require blood and body fluid precautions. If a person who has been diagnosed as being infected with a communicable disease for which blood and body fluid precautions are required, dies within a health facility as defined in KRS 216B.015, the facility shall notify any embalmer or funeral director to whom the body will be transported of the need for such precautions. The notice shall be provided by including the statement "Blood and Body Fluid Precautions" on the provisional report-of-death form as prescribed by the Cabinet for Health Services. Lack of this notice shall not relieve any embalmer or funeral director from taking universal blood and body fluid precautions as are recommended by the United States Department of Health and Human Services, Centers for Disease Control for Morticians' Services. No embalmer or funeral director shall charge more for embalming the remains of a person with a communicable disease which requires blood and body fluid precautions than the price for embalming services listed on the price list funeral providers are required to maintain and provide to consumers pursuant to 16 C.F.R. Sec. 453.2 (1988).
- (9) A burial-transit permit for the final disposition issued under the law of another state which accompanies a dead body or fetus brought into the Commonwealth shall be the authority for final disposition of the body or fetus in the Commonwealth and may be accepted in lieu of a certificate of death. There shall be noted on the face of the record made for return to the local registrar that the body was shipped to Kentucky for interment and the actual place of death.
- (10) Nothing in this section shall be construed to delay, beyond a reasonable time, the interment or other disposition of a body unless the services of the coroner or the health officer are required or the Department for Public

Health deems it necessary for the protection of the public health. If compliance with this section would result in unreasonable delay in the disposition of the body the funeral director, or person acting as such, shall file with the local registrar or deputy registrar prior to interment a provisional certificate of death which shall contain the name, date, and place of death of the deceased, the name of the medical certifier, and an agreement to furnish within ten (10) days a complete and satisfactory certificate of death.

- (11) No sexton or other person in charge of any place in which interment or other disposition of dead bodies is made shall inter or allow interment or other disposition of a dead body or fetus unless it is accompanied by a copy of the provisional certificate of death. The sexton, or if there is no sexton, the funeral director, or person acting as such, shall enter on the provisional certificate over his signature, the date, place, and manner of final disposition and file the certificate within five (5) days with the local registrar.
- (12) Authorization for disinterment, transportation, and reinterment or other disposition shall be required prior to disinterment of any human remains. The authorization shall be issued by the state registrar upon proper application. The provisions of this subsection shall apply to all manners of disposition except cremation and without regard for the time and place of death. The provisions of KRS 381.765 shall not apply to remains removed for scientific study and the advancement of knowledge.
- (13) After a death certificate has been on file for five (5) years, it may not be changed in any manner except upon order of a court. Prior to that time, requests for corrections, amendments, or additions shall be accompanied by prima facie evidence which supports the requested change.

SECTION 2. A NEW SECTION OF KRS CHAPTER 213 IS CREATED TO READ AS FOLLOWS:

- (1) *Any certificate of death form developed or distributed by the Cabinet for Health Services shall contain the following questions:*
 - (a) *"Did the deceased have diabetes?"; and*
 - (b) *"Was diabetes an immediate, underlying, or contributing cause of or condition leading to death?"*.
- (2) *If the person completing the certificate of death fails to answer the questions identified in subsection (1) of this section, the state registrar shall call attention to the defects in the certificate and require the person responsible for the entry to complete or correct it.*

For purposes of this section and KRS 271B.7-240, a telegram or cablegram appearing to have been transmitted by the proper person, or a photographic, photostatic, or equivalent reproduction of a writing appointing a proxy shall be deemed to be a sufficient, signed appointment form].~~
- (3) An appointment of a proxy shall be effective when *a signed*~~[the]~~ appointment form *or an electronic transmission of the appointment* is received by the secretary or other officer or agent authorized to tabulate votes. An appointment shall be valid for eleven (11) months unless a longer period is expressly provided in the appointment form.
- (4) An appointment of a proxy shall be revocable~~[by the shareholder]~~ unless the appointment form *or electronic transmission*~~[conspicuously]~~ states that it is irrevocable and the appointment is coupled with an interest. Appointments coupled with an interest include the appointment of:

- (8) Subject to KRS 271B.7-240 and to any express limitation on the proxy's authority *stated in*~~[appearing on the face of]~~ the appointment form *or electronic transmission*, a corporation shall be entitled to accept the proxy's vote or other action as that of the shareholder making the appointment.

Section 17. KRS 271B.7-240 is amended to read as follows:

- (1) If the name signed on *or submitted with* a vote, consent, waiver, or proxy appointment corresponds to the name *or electronic signature* of a shareholder, the corporation if acting in good faith shall be entitled to accept the vote, consent, waiver, or proxy appointment and give it effect as the act of the shareholder. For purposes of this section, a telegram or cablegram appearing to have been transmitted by the proper person, or a photographic, photostatic, or equivalent reproduction of a writing appointing a proxy may be accepted by the corporation if acting in good faith, as a sufficient, signed appointment form.
- (2) If the name signed on *or submitted with* a vote, consent, waiver, or proxy appointment does not correspond to the name *or electronic signature* of its shareholder, the corporation if acting in good faith shall nevertheless be entitled to accept the vote, consent, waiver, or proxy appointment and give it effect as the act of the shareholder if:
 - (a) The shareholder is an entity and the name signed purports to be that of an officer or agent of the entity;

 - (e) Two (2) or more persons are the shareholder as cotenants or fiduciaries and the name signed purports to be the name of at least one (1) of the co-owners and the person signing appears to be acting on behalf of all the co-owners.
- (3) The corporation shall be entitled to reject a vote, consent, waiver, or proxy appointment if the secretary or other officer or agent authorized to tabulate votes, acting in good faith, has reasonable basis for doubt about the validity of the signature on it or about the signatory's authority to sign for the shareholder ***or, in the case of an electronic record, to affix the shareholder's electronic signature to the electronic record.***
 - (4) The corporation and its officer or agent who accepts or rejects a vote, consent, waiver, or proxy appointment in good faith and in accordance with the standards of this section ***or subsection (2) of Section 16 of this Act*** shall not be liable in damages to the shareholder for the consequences of the acceptance or rejection.

Where, in any case, fiduciaries are equally divided upon the manner of voting shares jointly held by them, any court of competent jurisdiction may, upon petition filed by any of the fiduciaries, or by any beneficiary, appoint an additional person to act with the fiduciaries in determining the manner in which the shares shall be voted upon the particular questions as to which the fiduciaries are divided.
 - (9) Shares standing in the name of a receiver may be voted by such receiver, and shares held by or under the control of a receiver may be voted by such receiver without the transfer thereof into his name if authority so to do be contained in an appropriate order of the court by which such receiver was appointed.
 - (10) A shareholder whose shares are pledged shall be entitled to vote such shares until the shares have been transferred into the name of the pledgee, and thereafter the pledgee shall be entitled to vote the share so transferred.

- (2) ***Shareholders do not have the right to cumulate their votes for directors unless the articles of incorporation so provide***~~[At each election for directors each shareholder entitled to vote at such election shall have the right to cast, in person or by proxy, as many votes in the aggregate as he shall be entitled to vote under the corporation's articles of incorporation, multiplied by the number of directors to be elected at such election; and each shareholder may cast the whole number of votes for one (1) candidate, or distribute such votes among two (2) or more candidates. Such directors shall not be elected in any other manner].~~

- (3) *A statement included in the articles of incorporation that "all, or a designated group of, shareholders are entitled to cumulate their votes for directors," or words of similar import, means that the shareholders designated are entitled to multiply the number of votes they are entitled to cast by the number of directors for whom they are entitled to vote and cast the product for a single candidate or distribute the product among two (2) or more candidates.*

Section 19. KRS 271B.8-080 is amended to read as follows:

- (2) If a director is elected by a voting group of shareholders, only the shareholders of that voting group may participate in the vote to remove him *or her*.
- (3) *If cumulative voting is authorized, a director shall not be removed if the number of votes sufficient to elect him or her under cumulative voting is voted against his or her removal. ~~directors may authorize a committee (or a senior executive officer of the corporation) to do so within limits specifically prescribed by the board of directors].~~

- (6) The creation of, delegation of authority to, or action by a committee shall not alone constitute compliance by a director with the standards of conduct described in KRS 271B.8-300.
- (7) *The board of directors may appoint one (1) or more directors as alternate members of any committee to replace any absent or disqualified member during the member's absence or disqualification. Interest at the legal rate compounded annually on all claims in the classes under subsections (1) to (7) of this section, inclusive, from the date of the petition for liquidation or the date on which the claim becomes due, whichever is later, until the date on which the dividend is declared. The liquidator, with the approval of the court may make reasonable classifications of claims for purposes of computing interest, may make approximate computations and may ignore certain classifications and time periods as de minimis.

Only a test which is recommended by the Centers for Disease Control or by the Food and Drug Administration is deemed to be reliable for the purposes of this section. If a specific Centers for Disease Control or Food and Drug Administration-recommended test indicates the existence or possible existence of human immunodeficiency virus infection or a health condition related to the human immunodeficiency virus infection, before relying on a single test to deny issuance of an insurance contract, limit coverage under an insurance contract, or to establish the premium for an insurance contract, the insurer shall follow the applicable Centers for Disease Control or Food and Drug Administration-recommended test protocol and shall utilize any applicable Centers for Disease Control or Food and Drug Administration-recommended follow-up tests or series of tests to confirm the indication.
- (b) Prior to testing, the insurer shall disclose in writing its intent to test the applicant for the human immunodeficiency virus infection or for a specific health condition derived therefrom and shall obtain the applicant's written informed consent to administer the test. Written informed consent shall include a fair explanation of the test, including its purpose, potential uses and limitations, the meaning of its results, and the right to confidential treatment of information.  - 3. The benefits of locating and counseling any person by whom the infected person may have been exposed to human immunodeficiency virus and any person whom the infected person may have exposed to the virus; and

- (e) An insurer may ask whether an applicant for an insurance contract has been tested positive for human immunodeficiency virus infection or other health conditions derived from such infection. Insurers shall not inquire whether the applicant has been tested for or has received a negative result from a specific test for human immunodeficiency virus infection or for a health condition derived from such infection.
- (f) Insurers shall maintain strict confidentiality of the results of tests for human immunodeficiency virus infection or a specific health condition derived from human immunodeficiency virus infection. Information regarding specific test results shall be disclosed only as required by law or pursuant to a written request or authorization by the applicant. Insurers may disclose results pursuant to a specific written request only to the following persons:
 - 1. The applicant;
 - 2. A licensed physician or other person designated by the applicant;

- (5) (a) An insurance contract shall not exclude coverage for human immunodeficiency virus infection. An insurance contract shall not contain benefit provisions, terms, or conditions which apply to human immunodeficiency virus infection in a different manner than those which apply to any other health condition. Insurance contracts which violate this paragraph shall be disapproved by the commissioner pursuant to KRS 304.14-130(1)(a), 304.32-160, *and* 304.38-050~~, and 304.43-030~~.

Health insurance coverage provided to state employees under this section shall, at a minimum, contain the same benefits as provided under Kentucky Kare Standard as of January 1, 1994. All state employees and other persons for whom the health care coverage is provided or made available shall annually be given an option to elect health care coverage through a self-funded plan offered by the state or, if a self-funded plan is not available, from a list of coverage options determined by the competitive bid process under the provisions of KRS 45A.080, 45A.085, and 45A.090 and made available during annual open enrollment. For calendar year 2001 only, an emergency shall exist when any county in which only one (1) health insurance company offers a single plan to state employees and, subsequent to the open enrollment period, the health insurance company fails to maintain at least sixty-five percent (65%) of its contracts within the geographic region with specialty physicians who were participating in the network at the time of open enrollment. The Finance and Administration Cabinet shall immediately notify the Governor, the Legislative Research Commission, and the secretary of the Personnel Cabinet and shall be authorized to immediately negotiate and contract with additional health insurance companies for additional plans to serve any county without meeting the requirements of the Model Procurement Code under KRS Chapter 45.
- (b) The policy or policies shall be approved by the commissioner of insurance and may contain the provisions he approves, whether or not otherwise permitted by the insurance laws.
- (c) Any carrier bidding to offer health care coverage to members of the state group shall agree to provide coverage to all members of the state group, including both active employees and retirees within the county or counties specified in its bid. Furthermore, any carrier bidding to offer health care coverage to members of the state group shall also agree to rate all such members of the state group as a single entity, except for those retirees whose former employers insure their active employees outside the state health insurance program.
- (d) Any carrier bidding to offer health care coverage to any member of the state group shall agree to provide enrollment, claims, and utilization data to the Commonwealth in a format specified by the Personnel Cabinet with the understanding that the data shall be owned by the Commonwealth; to provide data in an electronic form and within a time frame specified by the Personnel Cabinet; and to be subject to penalties for noncompliance of data reporting requirements as specified by the Personnel Cabinet. The Personnel Cabinet shall take strict precautions to protect the confidentiality of each individual member; however, confidentiality assertions shall not relieve a carrier from the requirement of providing stipulated data to the Commonwealth.

- (e) The Personnel Cabinet shall develop the necessary techniques and capabilities for timely analysis of data received from carriers and, to the extent possible, provide in the request-for-proposal specifics relating to data requirements, electronic reporting, and penalties for noncompliance. The Commonwealth shall own the enrollment, claims, and utilization data provided by each carrier and shall develop methods to protect the confidentiality of the individual. The Personnel Cabinet shall provide to the General Assembly in June of each year an analysis of enrollment, claims, utilization data of all carriers for the prior plan year ending December 31, and on the financial stability of the program. The report shall include, but not be limited to, loss ratios, methods of risk adjustment, measurements of carrier quality of service, prescription coverage and cost management, paid dependent coverage, and statutorily required mandates. If state self-insurance was available as a carrier option, the report also shall provide a detailed financial analysis of the self-insurance fund including, but not limited to, loss ratios, reserves, and reinsurance agreements.
 - (f) If any agency participating in the state employee health insurance program for its active members terminates participation in the state employee health insurance program for its active members and there is a state appropriation for the employer's contribution for active employees' health insurance coverage, neither the agency nor the employees shall receive the state-funded contribution after termination from the state employee health insurance program.
 - (g) Any funds in flexible spending accounts that remain after all reimbursements have been processed shall be transferred to the credit of the state health insurance plan's appropriation account.
- (3) The secretary of the Finance and Administration Cabinet, upon the recommendation of the secretary of the Personnel Cabinet, may procure from one (1) or more dental insurance companies, one (1) or more nonprofit hospital, medical-surgical, dental, and health service corporations organized under Subtitle 32 of KRS Chapter 304, or one (1) or more prepaid dental plan organizations organized under Subtitle 43 of KRS Chapter 304, a policy or policies of group dental insurance or prepaid dental plan coverage encompassing all or any class or classes of state employees. All state employees for whom the dental insurance or prepaid dental plan coverage is provided shall annually be given an option to elect either standard dental insurance coverage or coverage by a prepaid dental plan. The policy or policies shall be approved by the commissioner of insurance and may contain the provisions he approves, whether or not otherwise permitted by the insurance laws. It is intended that either dental insurance or prepaid dental plan coverage may be made available for state employees, except that the procuring of each is permissive.
- (4) The premiums may be paid by the policyholder:
- (a) Wholly from funds contributed by the insured employee, by payroll deduction or otherwise;
 - (b) Wholly from funds contributed by any department, board, agency, or branch of state, municipal, urban-county, charter county, or county government; or

- (5) If an employee moves his place of residence or employment out of the service area of a managed health care plan or of a prepaid dental plan, under which he has elected coverage, into either the service area of another managed health care plan or prepaid dental plan or into an area of the state not within a managed health care plan service area or prepaid dental plan service area, the employee shall be given an option, at the time of the move or transfer, to change his or her coverage to another health care plan or dental plan.
- (6) No payment of premium by any department, board, agency, or branch of state, municipal, urban-county, charter county, or county government shall constitute compensation to an insured employee for the purposes of any statute fixing or limiting the compensation of such an employee. Any premium or other expense incurred by any department, board, agency, or branch of state, municipal, urban-county, charter county, or county government shall be considered a proper cost of administration.
- (7) The policy or policies may contain the provisions with respect to the class or classes of employees covered, amounts of insurance or coverage for designated classes or groups of employees, policy options, terms of eligibility, continuation of insurance or coverage after retirement, and other provisions the commissioner of insurance may approve.

- (8) The policy or policies shall contain the provision that employees or retired employees shall be allowed to change health care plans during the reopening period without any limitation for pre-existing conditions if the employee has met the pre-existing condition limitation upon initial employment or reemployment with the group.
- (9) The secretary of the Finance and Administration Cabinet is authorized to perform all acts necessary or advisable for the purpose of contracting for and maintaining health care coverage and dental coverage under the provisions of this section.
- (10) Group rates under this section shall be made available to the disabled child of a state employee regardless of the child's age if the entire premium for the disabled child's coverage is paid by the state employee. A child shall be considered disabled if he has been determined to be eligible for federal Social Security disability benefits.
- (11) The health care contract or contracts for state employees shall be entered into for a period of not less than one (1) year.

The advisory committee shall be appointed in January of each year and shall meet quarterly.
- (13) Notwithstanding any other provision of law to the contrary, the policy or policies provided to state employees pursuant to this section shall not provide coverage for obtaining or performing an abortion, nor shall any state funds be used for the purpose of obtaining or performing an abortion on behalf of state employees or their dependents.
- (14) Interruption of an established treatment regime with maintenance drugs shall be grounds for an insured to appeal a formulary change through the established appeal procedures approved by the Personnel Cabinet, if the physician supervising the treatment certifies that the change is not in the best interests of the patient.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 136.392 is amended to read as follows:

- (1) (a) Every domestic, foreign, or alien insurer, other than life and health insurers, which is either subject to or exempted from Kentucky premium taxes as levied pursuant to the provisions of either KRS 136.340, 136.350, 136.370, or 136.390, shall charge and collect a surcharge of one dollar and fifty cents (\$1.50) upon each one hundred dollars (\$100) of premium, assessments, or other charges, except for those municipal premium taxes, made by it for insurance coverage provided to its policyholders, on risk located in this state, whether the charges are designated as premiums, assessments, or otherwise. The premium surcharge shall be collected by the insurer from its policyholders at the same time and in the same manner that its premium or other charge for the insurance coverage is collected. The premium surcharge shall be disclosed to policyholders pursuant to administrative regulations promulgated by the commissioner of insurance. However, no insurer or its agent shall be entitled to any portion of any premium surcharge as a fee or commission for its collection. On or before the twentieth day of each month, each insurer shall report and remit to the Revenue Cabinet, on forms as it may require, all premium surcharge moneys collected by it during its preceding monthly accounting period less any moneys returned to policyholders as applicable to the unearned portion of the premium on policies terminated by either the insured or the insurer. Insurers with an annual liability of less than one thousand dollars (\$1,000) for each of the previous two (2) calendar years may report and remit to the Revenue Cabinet all premium surcharge moneys collected on a calendar year basis on or before the twentieth (20th) day of January of the following calendar year. The funds derived from the premium surcharge shall be deposited in the State Treasury, and shall constitute a fund allocated for the uses and purposes of the Firefighters Foundation Program fund (KRS 95A.220 and 95A.262) and the Law Enforcement Foundation Program fund (KRS 15.430).
 - (b) Effective July 1, 1992, the surcharge rate in paragraph (a) of this subsection shall be adjusted by the secretary of revenue to a rate calculated to provide sufficient funds for the uses and purposes of the Firefighters Foundation Program fund as prescribed by KRS 95A.220 and 95A.262 and the Law Enforcement Foundation Program fund as prescribed by KRS 15.430 for each fiscal year. The rate shall be calculated using as its base the number of local government units eligible for participation in the funds under applicable statutes as of January 1, 1994. To allow the secretary of revenue to calculate an appropriate rate, the secretary for the Public Protection and Regulation Cabinet and the secretary for the Justice Cabinet shall certify to the secretary of revenue, no later than January 1, of each year, the estimated budgets for the respective funds specified above, including any surplus moneys in the funds, which shall be incorporated into the consideration of the adjusted rate for the next biennium. As soon as practical, the secretary of revenue shall advise the commissioner of insurance of the new rate and the commissioner shall inform the affected insurers. The rate adjustment process shall continue on a biennial basis.
- (2) Within five (5) days after the end of each month, all insurance premium surcharge proceeds deposited in the State Treasury as set forth in this section shall be paid by the State Treasurer into the Firefighters Foundation Program fund trust and agency account and the Law Enforcement Foundation Program fund trust and agency account. The amount paid into each account shall be proportionate to each fund's respective share of the total deposits, pursuant to KRS 42.190. Moneys deposited to the Law Enforcement Foundation Program fund trust and agency account shall not be disbursed, expended, encumbered or transferred by any state official for uses and purposes other than those prescribed by KRS 15.410 to 15.500, except that beginning with fiscal year 1994-95, through June 30, 1999, moneys remaining in the account at the end of the fiscal year in excess of three million dollars (\$3,000,000) shall lapse. On and after July 1, 1999, moneys in this account shall not lapse.

Money deposited to the Firefighters Foundation Program fund trust and agency account shall not be disbursed, expended, encumbered, or transferred by any state official for uses and purposes other than those prescribed by KRS 95A.200 to 95A.300, except that beginning with fiscal year 1994-95, through June 30, 1999, moneys remaining in the account at the end of the fiscal year in excess of three million dollars (\$3,000,000) shall lapse, but moneys in the revolving loan fund established in KRS 95A.262 shall not lapse. On and after July 1, 1999, moneys in this account shall not lapse.

- (3) Insurance premium surcharge funds collected from the policyholders of any domestic mutual company, cooperative, or assessment fire insurance company shall be deposited in the State Treasury, and shall be paid monthly by the State Treasurer into the Firefighters Foundation Program fund trust and agency account as provided in KRS 95A.220 to 95A.262. However, insurance premium surcharge funds collected from policyholders of any mutual company, cooperative, or assessment fire insurance company which transfers its corporate domicile to this state from another state after July 15, 1994, shall continue to be paid into the Firefighters Foundation Program fund and the Law Enforcement Foundation Program fund as prescribed.
- (4) *No later than July 1 of each year, the Department of Insurance shall provide the Revenue Cabinet with a list of all Kentucky-licensed property and casualty insurers and the amount of premium volume collected by the insurer for the preceding calendar year as set forth on the annual statement of the insurer. No later than September 1 of each year, the Revenue Cabinet shall calculate an estimate of the premium surcharge due from each insurer subject to the insurance premium surcharge imposed pursuant to this section, based upon the surcharge rate imposed pursuant to this section and the amount of the premium volume for each insurer as reported by the Department of Insurance. The Revenue Cabinet shall compare the results of this estimate with the premium surcharge paid by each insurer during the preceding year, and shall provide the Legislative Research Commission, the Commission on Fire Protection Personnel Standards and Education, the Kentucky Law Enforcement Council, and the Department of Insurance with a report detailing its findings on a cumulative basis. In accordance with KRS 131.190, the cabinet shall not identify or divulge the confidential tax information of any individual insurer in this report.*

CHAPTER 112

(SCR 17)

A CONCURRENT RESOLUTION creating the Kentucky Watershed Task Force.

WHEREAS, Kentucky has abundant water resources disbursed within seven watersheds across the state; and

WHEREAS, within those watersheds local communities depend upon the drinking water supplies and the tourism and recreational opportunities arising from impounded water as well as free-flowing watercourses, and

WHEREAS, Kentucky shares borders with other states defined by two major rivers and shares numerous other waterways, reservoirs, and drainage basins with neighboring states; and

WHEREAS, agriculture is a vital part of Kentucky's history, economy, and character, and prudent management of water resources is critical to agricultural interests in the Commonwealth;

NOW, THEREFORE,

Be it resolved by the Senate of the General Assembly of the Commonwealth of Kentucky, the House of Representatives concurring therein:

Section 1. The Kentucky Watershed Task Force is created to study the need for managing the state's water on a watershed basis; the necessity of seeking agreements with border states on the management of water in shared watersheds; and the possibility of seeking agreements with the owners of impounded waters, except for owners of private water impoundments, to manage the impounded water to further state and local water management goals. To the extent possible, all meetings of the task force should be held at Kentucky state resort parks which have lakes.

Section 2. The members of the task force shall include: three members of the Senate appointed by the President of the Senate, three members of the House of Representatives appointed by the Speaker of the House, the President of the Kentucky Waterways Alliance Advisory Council, the Coordinator of the Center for Reservoir Research at Murray State University, the Director of the Kentucky Water Resources Research Institute at the University of Kentucky, a representative of the Natural Resources and Environmental Protection Cabinet, a representative of the Kentucky Farm Bureau, a representative of the Kentucky Resources Council, the director of the Center for Water Resource Studies at Western Kentucky University, a representative of Kentucky's area development districts, a representative of the Kentucky Rural Water Association, and the Executive Director of the Kentucky River Authority.

Section 3. The President of the Senate shall select one of the Senate members to serve as co-chair of the task force and the Speaker of the House shall select one of the House members to serve as co-chair of the task force. Staff for the task force shall be provided by the staff of the Legislative Research Commission.

Section 4. The task force shall report any findings and recommendations to the Legislative Research Commission by November 30, 2002.

Section 5. Provisions of this resolution to the contrary notwithstanding, the Legislative Research Commission shall have the authority to alternatively assign the issues identified herein to an interim joint committee or subcommittee thereof, and to designate a study completion date.

CHAPTER 113

(SCR 34)

A CONCURRENT RESOLUTION directing the Interim Joint Committee on Banking and Insurance to study the feasibility of self-funding at least one health insurance option for state employees.

WHEREAS, according to the Kentucky Public Employee Health Insurance Program Annual Report, 72% of other states self-fund at least one of their health insurance options; and

WHEREAS, administration expenses under a self-funded health insurance plan are typically lower due to the elimination of insurer risk charges which are normally 2% to 5% of total premiums; and

WHEREAS, through direct contracting a self-funded program may have more negotiation flexibility with providers; and

WHEREAS, a self-funded program typically has more design flexibility which may result in more consistency in the benefit options offered to plan participants in different geographic areas of the Commonwealth; and

WHEREAS, under a self-funded arrangement the Commonwealth could consolidate its risk pool and have increased flexibility in allocating its health care program's costs;

NOW, THEREFORE,

Be it resolved by the Senate of the General Assembly of the Commonwealth of Kentucky, the House of Representatives concurring therein:

Section 1. That the Interim Joint Committee on Banking and Insurance is directed to study the feasibility of self-funding at least one health insurance option for state employees.

Section 2. The Personnel Cabinet shall cooperate with the Interim Joint Committee on Banking and Insurance in executing and completing this study.

Section 3. That the Interim Joint Committee on Banking and Insurance shall report its findings to the Legislative Research Commission no later than December 1, 2002.

Section 4. Provisions of this resolution to the contrary notwithstanding, the Legislative Research Commission shall have the authority to alternatively assign the issues identified herein to an interim joint committee or subcommittee thereof, and to designate a study completion date.

CHAPTER 114

(SCR 49)

A CONCURRENT RESOLUTION supporting the Kentucky Department of Fish and Wildlife Resource's efforts to gain the cooperation of neighboring states in managing Kentucky's "heritage wildlife," the magnificent elk.

WHEREAS, Kentucky's native elk herd last roamed the hills of Kentucky during the time of the Civil War; and

WHEREAS, in December 1997 the Kentucky Department of Fish and Wildlife Resources began a carefully planned and executed reintroduction of elk to their historic Kentucky range; and

WHEREAS, the department's efforts have resulted in a herd that today numbers 1,400 elk of what may be described as Kentucky's "heritage wildlife" because the reintroduction is filling eastern Kentucky's hills with a wildlife bounty unknown for over 150 years; and

WHEREAS, the department successfully educated Kentucky's local government officials, farmers, hunters, tourism specialists, and wildlife enthusiasts of the challenges arising from the reintroduction and the department's preparations to meet those challenges; and

WHEREAS, the department's educational efforts led to understanding and acceptance of the elk thus making possible the economic benefits now coming to fruition in eastern Kentucky; and

WHEREAS, with the elk herd grown to significant size, now is the time to work with Kentucky's neighboring states toward understanding and acceptance of the reintroduction plan so that the economic benefits flowing from the herd can be spread throughout the region;

NOW, THEREFORE,

Be it resolved by the Senate of the General Assembly of the Commonwealth of Kentucky, the House of Representatives concurring therein:

Section 1. The efforts of the Kentucky Department of Fish and Wildlife Resources to inform neighboring states about Kentucky's elk reintroduction program and to gain cooperation in managing the herd is supported and encouraged. The elk reintroduction success has been built upon educating Kentuckians that the released elk are from disease-free wild herds; that site selection for the release minimizes potential crop damage; that disease transfer between the elk herd and the deer population would be carefully monitored; and that development of the herd would lead to greatly enhanced wildlife hunting and viewing opportunities and increased tourism in eastern Kentucky. A similar educational effort in our neighboring states can overcome misconceptions and fears engendered by Kentucky elk colonizing or temporarily migrating to bordering states. With greater knowledge of the department's reintroduction program, surrounding states will realize that they too can benefit from the presence of this magnificent animal and the entire region surrounding eastern Kentucky will be economically strengthened from Kentucky's "heritage wildlife."

CHAPTER 118

(HB 556)

AN ACT providing for the establishment and management of a state park.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 148 IS CREATED TO READ AS FOLLOWS:

- (1) *The General Assembly recognizes that the ridge top of Pine Mountain is a unique area desirable for the creation of a trail. Therefore, it is hereby declared that in order to afford the citizens of the Commonwealth an opportunity to enjoy this natural area, to attract out-of-state visitors, to ensure the well-being of our tourism industry, to preserve for future generations the beauty of certain areas untrammelled by man, to provide for the ever-increasing outdoor recreation needs of an expanding population, and to promote the preservation of, public access to, travel within, and enjoyment and appreciation of the outdoor areas and historic resources of the Commonwealth, there is hereby established a certain defined area in the southeastern part of the Commonwealth for ultimate designation as the Pine Mountain Trail State Park, with land in the defined area owned or leased by the Commonwealth or on which the Commonwealth has obtained an easement comprising the initial state park.*
- (2) *It is the intent of Sections 1 to 12 of this Act to assure preservation of the scenic, ecological, and other values within the boundaries of the trail and to provide proper management of the recreational, wildlife, water, and other resources within those boundaries. It is further the intent of Sections 1 to 12 of this Act to impose reasonable policies governing the use of land within the authorized boundaries of the trail, except for the restrictions set forth in Sections 1 to 12 of this Act, for the general welfare of the people of the Commonwealth and, where necessary, to enable the Commonwealth or any of its agencies to acquire fee title or lesser interests in land within the boundaries of the trail, in order to maintain the public trust in this unique area.*
- (3) *The General Assembly recognizes the valuable contributions that volunteers and private, nonprofit groups have made to the development and maintenance of trails throughout the Commonwealth. In recognition of these contributions, it is further the purpose of Sections 1 to 12 of this Act to encourage and assist volunteer citizen and nonprofit group involvement in the planning, development, maintenance, and management, where appropriate, of the trail.*
- (4) *The General Assembly recognizes that the establishment of Pine Mountain Trail State Park is not intended to create a one hundred twenty (120) mile linear barrier around southeastern Kentucky. The General Assembly further recognizes that to ensure the continued economic development of the area, provisions shall be made for means of ingress and egress for owners of property and those with property rights affected by the creation of the trail, and for new road construction, utility facilities, and pipelines that may cross the trail.*

SECTION 2. A NEW SECTION OF KRS CHAPTER 148 IS CREATED TO READ AS FOLLOWS:

As used in Sections 1 to 12 of this Act, unless the context otherwise requires:

- (1) *"Department" means the Kentucky Department of Parks within the Tourism Development Cabinet;*

- (2) *"Person" means an individual, trust, firm, estate, joint stock company, corporation, nonprofit corporation, government corporation, limited liability company, partnership, association, organization, government unit or agency whether federal, state, city, commission, or other political subdivision of the Commonwealth, any interstate body, group of persons acting in concert, or other legal entity;*
- (3) *"Secretary" means the secretary of the Tourism Development Cabinet of the Commonwealth of Kentucky; and*
- (4) *"Trail" means the Pine Mountain Trail State Park, as established in Section 1 of this Act.*

SECTION 3. A NEW SECTION OF KRS CHAPTER 148 IS CREATED TO READ AS FOLLOWS:

- (1) *There is hereby designated a linear state park, the boundaries of which shall be determined by the department in accordance with this section known as the Pine Mountain Trail State Park, a trail of approximately one hundred twenty (120) miles in length, located exclusively within the boundaries of Kentucky beginning along the border of Kentucky and Virginia at or near Breaks Interstate Park, and extending generally south-southwest along the crest of Pine Mountain to the vicinity of Pine Mountain State Resort Park and continuing south to the Cumberland Gap National Park on the vicinity thereof. Insofar as practicable, the boundaries of the trail from the Breaks Interstate Park to Bad Branch State Nature Preserve shall be a one thousand (1,000) foot corridor, the center of which shall be the crest of Pine Mountain, to the extent that the corridor does not encroach upon the territory of the Commonwealth of Virginia. Insofar as practicable, the boundaries of the trail from the Bad Branch State Nature Preserve to the Pine Mountain State Resort Park shall be a corridor one hundred (100) to two hundred fifty (250) feet along the level top of Pine Mountain. The route of the trail from Pine Mountain State Resort Park to Cumberland Gap National Park shall be a corridor no wider than two hundred fifty (250) feet to be determined by the department. Notwithstanding these boundary limitations, the department may through negotiations with the land owner acquire additional land outside the boundary limitations. The trail shall be depicted on the "Pine Mountain Trail Map," which shall be on file and available for public inspection in the office of the commissioner of the department. The trail map shall delineate those portions of the trail that are owned or leased by the Commonwealth or on which the Commonwealth has obtained an easement and shall be updated periodically solely for the purpose of reflecting additions to those specific areas.*
- (2) *The department may designate connecting or side paths which shall provide additional points of public access to the trail or access to points of interest, and which shall be of the same scenic nature as the trail, except that connecting or side paths shall not be acquired through eminent domain.*
- (3) *Because of its extended length, the department may supplement the trail by support facilities located on certain designated parts of the trail or outside the trail. These support facilities may include, as the department deems necessary and feasible, primitive shelters, fireplaces, safe water supplies, and other related public-use facilities that shall meet department standards. No open wood fires shall be permitted on the trail except in areas with support facilities specifically designated for that purpose.*
- (4) *The trail shall be a state scenic trail, so chosen because of its unique location. It shall be limited to foot use and other nonmotorized uses as permitted on segments where deemed appropriate by the department, and as set forth in Section 5 of this Act.*
- (5) *The department shall, no later than June 30, 2003, determine the boundaries of the trail. In determining the boundaries of the trail the department shall not encroach upon any privately owned dwelling, or areas designated for residential structures and their surrounding properties, but shall route the trail around a privately owned dwelling or areas designated for a residential structure.*
- (6) *The department shall not acquire through eminent domain any cemetery or its surrounding property which is designated as a cemetery or burial ground on the effective date of this Act.*

SECTION 4. A NEW SECTION OF KRS CHAPTER 148 IS CREATED TO READ AS FOLLOWS:

- (1) *The power of eminent domain may only be exercised to acquire land in fee within the boundaries of the trail, except that the power of eminent domain shall not be exercised to acquire any privately owned dwelling, areas designated for residential structures and their surrounding properties, or property owned or leased, including adjacent or contiguous tracts of land leased or owned or which may be acquired, for the purposes of operating an oil or gas well, surface or underground coal mine operation, or surface or*

underground mineral quarrying operation, if the person holds a state permit or license issued by the Department of Surface Mining Reclamation and Enforcement or the Department of Mines and Minerals.

- (2) *Within the boundaries of the trail, the department may acquire, on behalf of the Commonwealth, fee title or lesser interests in land. Acquisition of land may be by gift, by purchase with donated funds, by funds appropriated by the General Assembly, by the use of proceeds from the sale of bonds, by exchange, by assumption of property tax payments, or by other authorized means. Notwithstanding the provisions in KRS 350.085(3) and 353.610, in acquiring any interests the Commonwealth or its agencies shall waive the three hundred (300) foot restriction contained in KRS 350.085(3) and boundary restrictions for a well set forth in KRS 353.610.*

SECTION 5. A NEW SECTION OF KRS CHAPTER 148 IS CREATED TO READ AS FOLLOWS:

- (1) *Within the boundaries of the trail, as designated by the department and once acquired:*
 - (a) *The natural vegetation shall be kept undisturbed except for any clearing required for construction of the trail, occasional vistas, or trail-use facilities described in Sections 1 to 12 of this Act, except as provided under paragraph (c) of subsection (3) of this section. Development and management of each segment of the trail shall be designed to harmonize with and complement any established multiple-use plans for that specific area in order to ensure continual maximum benefits from the land;*
 - (b) *Hunting of wild game shall be permitted only on or along areas as identified and permitted in administrative regulations as promulgated by the Department of Fish and Wildlife Resources after consultation with the Department of Parks, and as permitted under paragraph (c) of subsection (3) of this section; and*
 - (c) *The use of motorized vehicles by the general public within the boundaries of the trail shall be limited, and nothing in Sections 1 to 12 of this Act shall be construed as authorizing the use of motorized vehicles in this area, except upon existing or newly constructed public roadways within the boundaries of the trail and as provided under paragraph (c) of subsection (3) of this section.*
- (2) *The department may promulgate administrative regulations authorizing the use of motorized vehicles on areas other than public roadways, when these vehicles are required to meet emergencies where life or health is at risk, or to enable adjacent landowners to have access to their lands or mineral rights, as provided under paragraphs (a) and (c) of subsection (3) of this section.*
- (3)
 - (a) *Except as expressly authorized in Sections 1 to 12 of this Act or in the administrative regulations promulgated by the department, or as may be allowed under a change of use permit issued by the department, permissible land uses within the boundaries of the trail as designated by the department shall be as set forth in this section. Uses that lawfully existed upon the effective date of this Act may continue. After the trail boundaries are designated, new or additional uses shall be in compliance with the policy and purposes of Sections 1 to 12 of this Act and shall minimize disturbance to the trail. Above-ground blasting operations authorized under the provisions of KRS 351.315 to 351.375, except those operations conducted on sites utilizing no more than a total of ten thousand (10,000) pounds of explosives or the equivalent on the site, shall be prohibited for new or additional uses within an area of one thousand two hundred fifty (1,250) feet outward from the crest of Pine Mountain on the portion of the trail from Breaks Interstate Park to Bad Branch State Nature Preserve and within an area of five hundred (500) feet outward from the boundary of the trail on the portion of the trail from Bad Branch State Nature Preserve to Pine Mountain State Resort Park. Select cutting of timber or other resources removal may be allowed pursuant to Sections 1 to 12 of this Act and administrative regulations promulgated by the department upon the issuance of a change of use permit. Unless the property is purchased by the department, any net revenue from the cutting of timber or other resources removal shall inure to the benefit of the owner of the property or property rights from which the Commonwealth acquired the property.  1. Directed at a specific person or persons;
 2. Which seriously alarms, annoys, intimidates, or harasses the person or persons; and
 3. Which serves no legitimate purpose.
- (b) The course of conduct shall be that which would cause a reasonable person to suffer substantial mental distress.
- (2) "Course of conduct" means a pattern of conduct composed of two (2) or more acts, evidencing a continuity of purpose. Constitutionally protected activity is not included within the meaning of "course of conduct." If the defendant claims that he was engaged in constitutionally protected activity, the court shall determine the validity of that claim as a matter of law and, if found valid, shall exclude that activity from evidence.
- (3) "Protective order" means:
 - (a) An emergency protective order or domestic violence order issued under KRS 403.715 to 403.785;

- (2) ***The court shall give the defendant notice of his or her right to request a hearing on the application for a restraining order. If the defendant waives his or her right to a hearing on this matter, then the court may issue the restraining order without a hearing.***

with the victim. An order issued pursuant to this subsection relating to a school, place of business, or similar nonresidential location shall be sufficiently limited to protect the stalking victim but shall also protect the defendant's right to employment, education, or the right to do legitimate business with the employer of a stalking victim as long as the defendant does not have contact with the stalking victim. The provisions of this subsection shall not apply to a contact by an attorney regarding a legal matter.

- (5) *A restraining order issued pursuant to this section shall be valid for a period of not more than ten (10) years, the specific duration of which shall be determined by the court. - (6) *Unless the defendant has been convicted of a felony, or is otherwise ineligible to purchase or possess a firearm under federal law, a restraining order issued pursuant to this section shall not operate as a ban on the purchase or possession of firearms or ammunition by the defendant.*
- (7) *The restraining order shall be issued on a form prescribed by the Administrative Office of the Courts and may be lifted upon application of the stalking victim to the court which granted the order.*

CHAPTER 125

(HCR 104)

A CONCURRENT RESOLUTION requesting and petitioning the Kentucky Congressional Delegation to urge the U.S. Forest Service to replace its recently established guidelines on the care, maintenance, and burials at cemeteries in the Land Between the Lakes Recreation Area with the long-established policies imposed by the Tennessee Valley Authority.

WHEREAS, the Land Between the Lakes Recreation Area encompassing portions of Lyon and Trigg Counties in Kentucky and Stewart County in Tennessee was created by the federal government as a beautiful, scenic recreational area to be enjoyed by many; and

WHEREAS, prior to the land's acquisition by the federal government, generations of families inhabited this land, dating back to the first white settlers in the area; and

WHEREAS, in acquiring the land, families with strong ancestral ties to the land were displaced; and

WHEREAS, from its inception in 1964 and throughout the creation of the Land Between the Lakes Recreation Area, assurances were made to those displaced and remaining alike, and among the most sacred was a promise to provide access to and entrust the care of the 250 or so cemeteries there to the relatives, friends, and cemetery associations; and

WHEREAS, this policy recognized the sanctity of the family by permitting additional burials if space was available, and it remained in place until 2001; and

WHEREAS, the management of the Land Between the Lakes was changed from the Tennessee Valley Authority (TVA) to the U.S. Department of Agriculture Forest Service in 1999, and the TVA's policies concerning the cemeteries have been replaced by policies viewed by the families of those interred as an encroachment of their rights to visit, be buried, or maintain the cemeteries; and

WHEREAS, the new guidelines and the possibility that they may be updated or changed every year place the families and friends of those interred or wishing to be interred in the cemeteries in an uncertain position; and

WHEREAS, the broken promises and the state of flux the families must endure have caused considerable heartache and have disrupted the continuity the families shared;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. The Kentucky Congressional Delegation is requested to urge the U.S. Forest Service to replace its recently established guidelines on the care, maintenance, and burials at cemeteries in the Land Between the Lakes Recreation Area with the previous, long-held policies imposed by the Tennessee Valley Authority.

Section 2. The Clerk of the House of Representatives shall transmit a copy of this resolution to Senator Mitch McConnell, 361-A Russell Senate Office Building, Washington, D.C. 20510; Senator Jim Bunning, 316 Hart Senate

Office Building, Washington, D.C. 20510; Representative Ed Whitfield, 236 Cannon House Office Building, Washington, D.C. 20515; Representative Ron Lewis, 2418 Rayburn House Office Building, Washington, D.C. 20515; Representative Ann Northup, 1004 Longworth House Office Building, Washington, D.C. 20515; Representative Ken Lucas, 1237 Longworth House Office Building, Washington, D.C. 20515; Representative Hal Rogers, 2406 Rayburn House Office Building, Washington, D.C. 20515; and Representative Ernie Fletcher, 1117 Longworth House Office Building, Washington, D.C. 20515.

CHAPTER 126

(SB 147)

AN ACT relating to the Kentucky Department of Education and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 157.360 is amended to read as follows:

- (1) In determining the cost of the program to support education excellence in Kentucky, the statewide guaranteed base funding level, as defined in KRS 157.320, shall be computed by dividing the amount appropriated for this purpose by the prior year's statewide average daily attendance.
- (2) Each district shall receive an amount equal to the base funding level for each pupil in average daily attendance in the district in the previous year. Each district's base funding level shall be adjusted by the following factors:
 - (a) The number of at-risk students in the district. At-risk students shall be identified as those approved for the free lunch program under state and federal guidelines. The number of at-risk students shall be multiplied by a factor to be established by the General Assembly. Funds generated under this paragraph may be used to pay for:
 1. Alternative programs for students who are at risk of dropping out of school before achieving a diploma; and
 2. A hazardous duty pay supplement as determined by the local board of education to the teachers who work in alternative programs with students who are violent or assaultive;
 - (b) The number and types of exceptional children in the district as defined by KRS 157.200. Specific weights for each category of exceptionality shall be used in the calculation of the add-on factor for exceptional children; and
 - (c) Transportation costs. The per-pupil cost of transportation shall be calculated as provided by KRS 157.370. Districts which contract to furnish transportation to students attending nonpublic schools may adopt any payment formula which assures that no public school funds are used for the transportation of nonpublic students.
- (3) The program to support education excellence in Kentucky shall be fully implemented by the 1994-95 school year.
- (4) (a) Except for those schools which have implemented school-based decision making, the chief state school officer shall enforce maximum class sizes for every academic course requirement in all grades except in vocal and instrumental music, and physical education classes. Except as provided in subsection (5) of this section, the maximum number of pupils enrolled in a class shall be as follows:
 1. Twenty-four (24) in primary grades (kindergarten through third grade);
 2. Twenty-eight (28) in grade four (4);
 3. Twenty-nine (29) in grades five (5) and six (6);
 4. Thirty-one (31) in grades seven (7) to twelve (12);
- (b) Except for those schools which have implemented school-based decision making, class size loads for middle and secondary school classroom teachers shall not exceed the equivalent of one hundred fifty (150) pupil hours per day.

- (c) The chief state school officer, upon approval of the Kentucky Board of Education, shall adopt administrative regulations for enforcing this provision. These administrative regulations shall include procedures for a superintendent to request an exemption from the Kentucky Board of Education when unusual circumstances warrant an increased class size for an individual class. A request for an exemption shall include specific reasons for the increased class size with a plan for reducing the class size prior to the beginning of the next school year. A district shall not receive in any one (1) year exemptions for more classes than enroll twenty percent (20%) of the pupils in the primary grades and grades four (4) through eight (8).
- (d) In all schools the chief state school officer shall enforce the special education maximum class sizes set by administrative regulations adopted by the Kentucky Board of Education. A superintendent may request an exemption pursuant to paragraph (c) of this subsection. A local school council may request a waiver pursuant to KRS 156.160(2). An exemption or waiver shall not be granted if the increased class size will impede any exceptional child from achieving his individual education program in the least restrictive environment.
- (5) In grades four (4) through six (6) with combined grades, the maximum class size shall be the average daily attendance upon which funding is appropriated for the lowest assigned grade in the class. There shall be no exceptions to the maximum class size for combined classes. In combined classes other than the primary grades, no ungraded students shall be placed in a combined class with graded students. In addition, there shall be no more than two (2) consecutive grade levels combined in any one (1) class in grades four (4) through six (6). However, this shall not apply to schools which have implemented school-based decision making.
- (6) If a local school district, through its admission and release committee, determines that an appropriate program in the least restrictive environment for a particular child with a disability includes either part-time or full-time enrollment with a private school or agency within the state or a public or private agency in another state, the school district shall count as average daily attendance in a public school the time that the child is in attendance at the school or agency, contingent upon approval by the chief state school officer.
- (7) Pupils attending a center for child learning and study established under an agreement pursuant to KRS 65.210 to 65.300 shall, for the purpose of calculating average daily attendance, be considered as in attendance in the school district in which the child legally resides and which is party to the agreement. For purposes of subsection (1) of this section, teachers who are actually employees of the joint or cooperative action shall be considered as employees of each school district which is a party to the agreement.
- (8) Program funding shall be increased when the average daily attendance in any district for the first two (2) months of the current school year is greater than the average daily attendance of the district for the first two (2) months of the previous school year. The program funds allotted the district shall be increased by the percent of increase. - (1) Each county shall be divided into election precincts by the county board of elections. Each election precinct shall be composed of contiguous and, as nearly as practicable, compact areas having clearly definable boundaries and wholly contained within any larger district. The county board of ~~elections~~~~[election]~~ shall establish precincts so that no boundary of a precinct crosses the boundary of:

 - (b) A county or urban-county;
 - (c) A congressional district;
 - (d) A state senatorial district;
 - (e) A state representative district;

 - (g) An aldermanic ward established under KRS 83.440.
- (2) The county board of elections shall have the authority to draw precinct lines so as to enable more than one (1) precinct to vote at one (1) location. The county board of elections shall review election precinct boundaries as often as necessary. Without exception, they shall review the boundaries of all election precincts exceeding seven hundred (700) votes cast in the last regular election prior to each primary election, ***and the State Board of Elections may require a written report at least sixty (60) days prior to the candidate filing deadline set forth in KRS 118.165(1) on each election precinct exceeding seven hundred (700) votes cast in the last regular election.*** Consideration to the division of said election precincts should be based on the anticipated growth factor within the specified boundaries; however, the county board of elections shall not be prohibited from dividing election precincts in excess of seven hundred (700) votes cast in the last regular election or less than seven hundred (700) votes cast in the last regular election if they elect to do so. However, the State Board of Elections ***may, in its discretion, withhold from***~~[shall not remit to]~~ a county the expenses of an election ***under KRS 117.345 for any precinct containing more than one thousand five hundred (1,500) registered voters, excluding those precincts utilizing optical scan voting machines and those periods of time in which the precinct boundaries have been frozen under KRS 117.056***~~[for any precinct containing less than three hundred fifty (350) registered voters unless the county has received prior approval from the state board to establish a precinct containing less than three hundred fifty (350) registered voters. The State Board of Elections shall provide by administrative regulation under what circumstances an exception shall be granted].~~
- (3) No election precinct shall be created, divided, abolished, or consolidated or the boundaries therein changed prior to any primary election to comply with the provisions of KRS 117.055 to 117.0555 and KRS 117.0557 later than the last date prescribed by election law generally for filing notification and declaration forms with the county clerk or Secretary of State. - (4) The county board of elections shall designate the name or number and the boundaries of the election precincts. Each precinct shall contain, as nearly as practicable, an equal number of voters, based on the number of registered voters in the county.
- (5) A map and listing of the exact election precinct boundaries shall be filed by the county board of elections with the State Board of Elections, and any changes in boundaries thereafter made shall also be filed with the State Board of Elections. A copy of this map indicating all precinct boundaries within the county shall be included in the election supplies of each precinct.
- (6) If the county board of elections fails to perform any of the duties required by KRS 117.055 to 117.0555 and KRS 117.0557:
 - (a) The State Board of Elections or any citizen and voter of the county may apply to the Circuit Court of the county for a summary mandatory order requiring the board to perform the duty. Appeals may be taken to the Court of Appeals by either party; and

The report shall include any irregularities of which the county board has knowledge and any recommendations for improving the election process. The report shall also include a breakdown by precinct of the number of voters requiring assistance to vote and the reasons therefor; the number of special ballots cast by category; and any other information required by the state board.

Section 3. KRS 117.066 is amended to read as follows:

- (1) In the case of a precinct comprised of a small number of registered voters, the county board of elections may, pursuant to KRS 117.055, utilize the facilities of another precinct as a voting location. The petition shall designate both the smaller precinct and the larger precinct with which it is to be included, ~~and~~ the type of voting machine or machines to be used, ***and whether supplemental paper ballots are to be used.*** The petition shall contain a full explanation of the reasons why inclusion is desirable.
- (2) If the petition submitted pursuant to subsection (1) of this section is approved by the State Board of Elections, the election shall be conducted according to the following provisions:
 - (a) One voting machine may be utilized for both precincts if the State Board of Elections certifies that separate ballots may be placed upon the voting machine to be used without endangering the integrity of the ballots or without violating any other election law. Otherwise, separate voting machines shall be used for each precinct. ***In the instance of a precinct which has a small number of voters such that the use of a separate voting machine would be cost-prohibitive, the county clerk may make application to the State Board of Elections to use supplemental paper ballots under Section 4 of this Act to conduct the voting for the small precinct on election day. If the use of supplemental paper ballots is approved by the State Board of Elections, at the close of voting on election day, the locked ballot box shall be transported to the county board of elections and ballots shall be counted by the county board of elections as provided by KRS 117.275(8);***
 - (b) Separate precinct voter rosters shall be maintained for each precinct, and steps shall be taken to insure that voters cast their ballot in their duly authorized precinct; and
 - (c) A separate set of elections forms and reports required by this chapter and the State Board of Elections shall be maintained for each precinct.

Section 4. KRS 118.215 is amended to read as follows:

- (1) After the order of the names has been determined as provided in KRS 118.225, the Secretary of State shall certify, to the county clerks of the respective counties entitled to participate in the nomination or election of the respective candidates, the name, place of residence, and party of each candidate or slate of candidates for each office, as specified in the nomination papers or certificates and petitions of nomination filed with him, and shall designate the device with which the candidate groups, slates of candidates, or lists of candidates of each party shall be printed, in the order in which they are to appear on the ballot, with precedence to be given to the party that polled the highest number of votes at the preceding election for presidential electors, followed by the political party which received the second highest number of votes, with the order of any other political parties and independents to be determined by lot. Candidates for county offices and local state offices shall be listed in

the following order: Commonwealth's attorney, circuit clerk, property valuation administrator, county judge/executive, county attorney, county clerk, sheriff, jailer, county commissioner, coroner, justice of the peace, and constable. The names of candidates for President and Vice President shall be certified in lieu of certifying the names of the candidates for presidential electors. The names shall be certified as follows:

- (a) Not later than the second Monday after the filing deadline for the primary;
 - (b) Not less than twenty-five (25) days before a runoff primary;
 - (c) Not later than the second Monday after the filing deadline for the general election, except as provided in paragraph (d) of this subsection; and
 - (d) Not later than the Thursday after the first Tuesday in September preceding a general election, for those years in which there is an election for President and Vice President of the United States.
- (2) Except as otherwise provided in subsection (3) of this section, all independent candidates or slates of candidates whose nominating petitions are filed with the county clerk or the Secretary of State shall be listed under the title and device designated by them as provided in KRS 118.315, or if none is designated, under the word "independent," and shall be placed on the ballot in a separate column or columns or in a separate line or lines according to the office which they seek. The order in which independent candidates or slates of candidates shall appear on the ballot shall be determined by lot by the county clerk. If the same device is selected by two (2) groups of petitioners, it shall be given to the first selecting it and the county clerk shall permit the other group to select a suitable device. This section shall not apply to candidates for municipal offices which come under subsection (3) of this section.
 - (3) The ballots used at any election in which city officers are to be elected as provided in subsection (2) of this section shall contain the names of candidates for the city offices grouped according to the offices they seek, and the candidates shall be immediately arranged with and designated by the title of office they seek. The order in which the names of the candidates for each office are to be printed on the ballot shall be determined by lot. Each group of candidates for each separate office for which the candidates are to be elected shall be clearly separated from other groups on the ballot and spaced to avoid confusion on the part of the voter.
 - (4) The Secretary of State shall not knowingly certify to the county clerk of any county the name of any candidate or slate of candidates who has not filed the required nomination papers, nor knowingly fail to certify the name of any candidate or slate of candidates who has filed the required nomination papers.
 - (5) If the county clerk determines that the number of certified candidates or slates of candidates cannot be placed on a ballot which can be accommodated by the voting machines currently in use by the county, he shall so notify the State Board of Elections not later than the last Tuesday in February preceding the primary or the last Tuesday in August preceding the general election. The State Board of Elections shall meet within five (5) days of the notice, review the ballot conditions, and determine whether supplemental paper ballots are necessary for the election. Upon approval of the State Board of Elections, supplemental paper ballots may be used for nonpartisan candidates or slates of candidates for an office or offices and public questions submitted for a yes or no vote. All candidates or slates of candidates for any particular office shall be placed either on the machine ballot or on the paper ballot. ***Supplemental paper ballots may also be used to conduct the voting, in the instance of a small precinct as provided in Section 3 of this Act.***
 - (6) The ballot position of a candidate or slate of candidates shall not be changed after the ballot position has been designated by the county clerk.

Section 5. Whereas as a result of differences among magisterial, congressional, and state legislative districts, there will exist precincts with a small number of voters in the 2002 primary elections, such that the cost of a separate voting machine for a small number of voters will be cost-prohibitive, and the privacy of the voters in the small district may be compromised by the tabulation of their votes at the precincts, an emergency is declared to exist, and Sections 3 and 4 of this Act take effect upon the passage and approval of this Act by the Governor or upon its otherwise becoming a law.

- (2) *If the board receives information that a licensee has violated a term or condition of an order of probation issued under subsection (1) of this section during the effective period of that order, the board shall investigate the allegations as necessary. The board shall have all of the powers outlined in subsection (2) of Section 13 of this Act and subsection (2) of Section 19 of this Act to conduct its investigation.*
- (3) *Upon completion of its inquiry relating to a violation of probation, the hearing panel shall make a finding that:*
 - (a) *The investigation does not disclose a violation of the order of probation;*
 - (b) *The investigation discloses a violation of a term or condition of the order of probation but that revocation of probation and imposition of the previously fixed sanction may not be necessary for protection of the public, and the panel may admonish or issue a letter of concern to the physician stating its findings and cautioning that another violation shall result in revocation of probation and imposition of the previously fixed sanction; or*
 - (c) *The investigation discloses one (1) or more violations of the terms and conditions of the order of probation, and the panel shall cause a motion to revoke probation to be prepared and signed by the presiding officer. The motion shall identify the term or condition violated and include a general statement of the nature of the violation and shall set a date and time for a revocation hearing.*
- (4) *The hearing panel shall cause the motion to revoke probation to be served on the physician by personal delivery or by certified mail to the last address on record with the board for the physician or the physician's representative.*
- (5) *The hearing on the motion to revoke probation shall be conducted in accordance with KRS Chapter 13B, but the single issue to be decided shall be whether the physician has violated a term or condition of the order of probation. - (6) *Upon completion of the hearing on the motion to revoke probation, the hearing panel shall issue an order that:*

- (2) *For the purposes of a hearing conducted under KRS 13B.125 on an emergency order issued under subsection (1) of this section, the findings of fact in the emergency order shall constitute a rebuttable presumption of substantial evidence of a violation of law that constitutes immediate danger to the health, welfare, or safety of patients or the general public. For the purposes of this hearing only, hearsay shall be admissible and may serve as a basis of the board's findings.*
- (3) An emergency order as described in subsection (1) of this section shall not be issued unless grounds exist for the issuance of a complaint. The inquiry panel shall issue a complaint prior to the date of the emergency hearing or the emergency order shall become void.
- ~~(4)(3)~~ An order of temporary suspension, restriction, or limitation shall not be maintained after a final order is served on the charged physician pursuant to the proceeding on the complaint. An appeal of an emergency order shall not prejudice the board from proceeding upon the complaint.
