 - (b) Placed in the home of the child's parents, in the home of a relative, a suitable foster home, or boarding home, upon such conditions as the Department of Juvenile Justice or the cabinet may prescribe and subject to visitation and supervision by a social service worker or juvenile probation and parole officer.

Information received by any private facility or agency under this paragraph shall be disclosed immediately and directly to the individual or individuals who have physical custody of the child.***

3. *If, after a placement is made, additional information is obtained by the cabinet or the Department of Juvenile Justice about inappropriate sexual behavior or other behavior of the committed child that may indicate a safety risk for the placement, the cabinet or the Department of Juvenile Justice shall as soon as practicable, but no later than seventy-two (72) hours after the additional information is received, inform the foster parent, relative, or private facility or agency. Additional information received by any private facility or agency shall be disclosed immediately and directly to the individual or individuals who have physical custody of the child.*
 4. *Information disclosed under this paragraph shall be limited to the acts or behaviors of the committed child and shall not constitute a violation of confidentiality under KRS Chapter 610 or 620. A violation of this subparagraph is a Class B misdemeanor;*

- (2) No child ten (10) years of age or under shall be placed in a facility operated by the Department of Juvenile Justice for children adjudicated as public offenders;
 - (3) If a child committed to the cabinet as dependent, neglected, or abused is placed in the home of the child's parents, the child shall not be removed except in accordance with the following standards and procedures:
 - (a) If the social service worker believes that the committed child continues to be dependent, neglected, or abused, but immediate removal is unnecessary to protect the child from imminent death or serious physical injury, the casework situation and evidence shall be reviewed with his supervisor to determine whether to continue work with the family intact or to remove the child. There shall be documentation that the social service worker, prior to the court hearing, made an effort to contact the parents to inform them of the specific problems that could lead to removal so they have an opportunity to take corrective action. If the parents are unavailable or do not respond to attempts to communicate, the specific circumstances shall be documented;
 - (b) If it appears that the child's health or welfare or physical, mental, or emotional condition is subjected to or threatened with real and substantial harm and there is not reasonably available an alternative less drastic than removal of the child from the home, the cabinet shall petition the District Court to review the commitment pursuant to KRS 610.120 in relation to the cabinet's intention to remove the child from the parent's home. The petition shall set forth the facts which constitute the need for removal of the child. The court shall serve notice of the petition and the time and place of the hearing on the parents; however, the social service worker shall also contact the parents to ensure that they received the notice and are aware of the right to be represented by counsel. If the parents' whereabouts are unknown, notice may be mailed to the last known address of an adult who is a near relative. If the court fails to find that the child's health or welfare or physical, mental, or emotional condition is subjected to or threatened with real and substantial harm, or recommends a less drastic alternative that is reasonably available, the child shall not be removed from the parents' home;
 - (c) If a social service worker finds a committed, unattended child who is too young to take care of himself, the social service worker shall make reasonable efforts to arrange for an emergency caretaker in the child's home until the parents return or fail to return within a reasonable time. If no in-home caretaker is

available for the child, the social service worker shall request any appropriate law enforcement officer to take the child into protective custody. If, after a reasonable time, it appears the child has been abandoned, the cabinet shall petition the District Court to review the case; or

- (d) If there exist reasonable grounds to believe that the child is in danger of imminent death or serious physical injury or is being sexually abused and that the parents are unable or unwilling to protect the child, the social service worker shall, with the assistance of a law enforcement officer, immediately remove the child prior to filing a petition for review. Within seventy-two (72) hours after the removal, the cabinet shall file a petition for review in District Court pursuant to KRS 610.120 with a request for an expeditious hearing. If the court fails to find that the child's health or welfare or physical, mental, or emotional condition is subjected to or threatened with real and substantial harm, or recommends a less drastic alternative that is reasonably available, the child shall be returned to the parents' home.
- (4) The cabinet or the Department of Juvenile Justice, as appropriate, shall notify the juvenile court of the county of placement with the conditions of supervised placement of each child placed in that county from one (1) of the residential treatment facilities operated by the Department of Juvenile Justice or the cabinet. Notice of the conditions of such placement may be made available by the court to any law enforcement agency.
- (5) The person in charge of any home to which a child is probated, and the governing authority of any private facility or agency to which a child is committed, shall make such reports to the court as the court may require, and such reports as the Department of Juvenile Justice or the cabinet may require in the performance of its functions under the law. The Department of Juvenile Justice or the cabinet shall have the power to make such visitations and inspections of the homes, facilities, and agencies in which children who have committed public offenses have been placed as it deems necessary to carry out its functions under the law.
- (6) The Department of Juvenile Justice or the cabinet shall provide a written transfer summary to the person in charge of any foster home or any governing authority of any private facility or agency in which the Department of Juvenile Justice or the cabinet has placed a child. The written summary shall include, at a minimum, demographic information about the child, a narrative statement detailing the child's prior placements, the length of time the child has been committed, a description of the services and assistance provided to the child or the child's family since the most current case plan, a copy of the current case plan for the child and the child's family, and a copy of the child's medical and educational passport, if available, provided that no information shall be provided that violates any statutory confidentiality requirements. ***The transfer summary shall state whether the child placed is a juvenile sexual offender as defined in KRS 635.505(2), and include information required under subsection (1) of this section.*** The transfer summary shall be provided by the Department of Juvenile Justice if it is responsible for the child, or the cabinet if it is responsible for the child, within seven (7) days of the placement of the child with the person, agency, or facility providing care to the child.
- (7) The Department of Juvenile Justice may assist the courts in placing children who have committed public offenses in boarding homes, and, under agreements with the individual courts, may assume responsibility for making such placements. Counties may pay or contribute towards the expenses of maintaining such children and, to the extent authorized by the fiscal court, the Department of Juvenile Justice may incur obligations chargeable to the county for such expenses.

And whereas because the identities of these and future terrorists remain unknown, it is crucial for the Commonwealth to act as quickly as possible to protect its citizens, and by doing so protect all fellow Americans, through the strengthening of state laws governing the training and licensing of operators of commercial driver training schools and of commercial motor vehicles, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor, or upon its otherwise becoming a law.

Section 17. KRS 31.220 is amended to read as follows:

This chapter applies only to representation in the courts of this state, except that it does not prohibit a defending attorney from representing a needy person in a federal court of the United States, if:

- (1) The matter arises out of or is related to an action pending or recently pending in a court of criminal jurisdiction of the state; or
- (2) Representation is under a plan of the United States District Court as required by the Criminal Justice Act of 1964 (18 U.S.C. 3006A) ~~and is approved by the fiscal court.~~

Section 18. KRS 31.070 is repealed and reenacted as a new section of KRS Chapter 31, to be numbered as KRS 31.235, to read as follows:

- (1) No fee shall be paid in excess of the prevailing maximum fee per attorney paid by the Department of Public Advocacy for the type of representation provided, and no hourly rate shall be paid in excess of the prevailing hourly rate paid by the Department of Public Advocacy for the type of representation provided; and

(HB 809)

AN ACT relating to access for the abatement of a surface mining violation and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 350.280 is amended to read as follows:

behalf of the permittee or operator for the limited purpose of abating that violation. *The easement of necessity becomes effective, and the permittee or operator is authorized to enter the property to undertake immediate action to abate the violation if he or she concurrently:*

1. *Provides to the property owner or legal occupant a copy of the cabinet's order;*
 2. *Provides to the property owner or legal occupant and cabinet an affidavit that he or she has been denied access to the property; and*
 3. *Provides to the property owner or legal occupant a statement that he or she, the permittee or operator, will obtain an appraisal completed by a certified real estate appraiser or other qualified appraiser of the damages to the property, including loss of use, that will result from the violation, as abated, and those that are likely to occur to the property when the permittee or operator enters the property in order to abate the violation, that the appraisal will be completed and provided to the property owner or legal occupant within three (3) days of entry of the operator or permittee, and that he or she will pay the property owner or legal occupant the amount of the damages in the permittee or operator's appraisal at that time.*
- (c) *Following the effective date of the easement of necessity, the following procedure shall be followed with respect to the appraisal of the damages that will result from the violation, as abated, and those that are likely to occur to the property when the permittee or operator enters the property in order to abate the violation:*
1. *The permittee or operator shall have an appraiser on the site and have his or her appraisal completed and submitted to the property owner or legal occupant within three (3) days of entry on the property by the operator or permittee;*
 2. *The property owner or legal occupant shall accept or reject this appraisal in writing within three (3) days of receipt of the completed appraisal;*
 3. *If the property owner or legal occupant rejects this appraisal, he or she may hire a certified real estate appraiser or other qualified appraiser to appraise the damages, including loss of use, that will result from the violation, as abated, and those that are likely to occur to the property if the permittee or operator is allowed to enter the property in order to abate the violation. Upon receipt of the invoice the permittee or operator shall pay for the property owner or legal occupant's appraisal up to the amount he or she paid for his or her own appraisal; and*
 4. *If the property owner or legal occupant has the appraisal done, he or she shall have it completed and provided to the permittee or operator within seven (7) days of receipt of the permittee or operator's completed appraisal.*
- (d) *If the property owner or legal occupant has an appraisal done, and if, based on his or her appraisal and the permittee or operator's appraisal, an agreement is not reached on the appraised damages, the permittee or operator shall pay the property owner or legal occupant the amount of the permittee or operator's appraisal damages, and if the property owner or legal occupant's appraisal damages are for more than the permittee or operator's, the permittee or operator shall pay the difference to the circuit clerk, in the county in which the majority of the property lies, to be placed in an interest-bearing account in a bank until final resolution of the matter by agreement or court or jury judgment. If the property owner or legal occupant is granted award of some or all of the difference, he or she shall also receive the interest on that portion of the difference.*
- (e) *If the property owner or legal occupant does not accept or reject the permittee or operator's appraisal and offer of funds for damages, the operator or permittee shall pay the appraised damages to the Circuit Clerk within three (3) business days of the nonacceptance. These funds shall be placed in an interest-bearing account in a bank until resolution of the matter by agreement or court or jury judgment.*
- (2) *If a permittee or operator has been issued a notice or order directing abatement of a violation other than one described in subsection (1) of this section, and the notice or order requires access to property for which the permittee or operator does not have the legal right of entry necessary in order to abate that violation, and the owner or legal occupant of that property has refused access, an easement of necessity is recognized on behalf of the permittee or operator, for the limited purpose of allowing a certified real estate appraiser or other qualified appraiser, chosen by the permittee or operator, to enter upon the property to which the*

owner or legal occupant has refused access in order for the appraiser to appraise the damages, including loss of use, that will result from the violation, as abated, and those that are likely to occur to the property if the permittee or operator is allowed to enter the property in order to abate the violation.

- (b) *When the easement takes effect, the property owner or legal occupant shall allow access for the permittee or operator's certified real estate appraiser or other qualified appraiser to conduct the appraisal.*
- (4) *Following the effective date of the easement of necessity, the following procedure shall be followed with respect to the appraisal of the damages to the property that will result from the violation, as abated, and those that are likely to occur, under this subsection:*
 - (a) *The permittee or operator shall have an appraiser on the site and have his or her appraisal completed and submitted to the property owner or legal occupant within seven (7) days of the entry of the appraiser on the property.*
 - (b) *The property owner or legal occupant shall accept or reject this appraisal within three (3) days of receipt of the completed appraisal;*
 - (c) *If the property owner or legal occupant rejects this appraisal, he or she may hire a certified real estate appraiser or other qualified appraiser to appraise the damages to the property, including loss of use, that will result from the violation, as abated, and those that are likely to occur to the property if the permittee or operator is allowed to enter the property in order to abate the violation. Upon receipt of the invoice, the permittee or operator shall pay for the property owner or legal occupant's appraisal up to the amount he or she paid for his or her own appraisal; and*
 - (d) *If the property owner or legal occupant has the appraisal done, he or she shall have it completed and provided to the permittee or operator within seven (7) days of receipt of the permittee or operator's appraisal.*
- (5) (a) *If the property owner or legal occupant has an appraisal done, and if, based on his or her appraisal and the permittee or operator's appraisal, an agreement is not reached on the appraised damages, the permittee or operator shall pay the property owner or legal occupant the amount of the permittee or operator's appraisal damages.*
- (b) *If the property owner or legal occupant's appraisal damages are for more than the permittee or operator's, the permittee or operator shall pay the difference to the circuit clerk.*
- (c) *The difference shall be placed in an interest-bearing account in a bank until final resolution of the matter by agreement or court or jury judgment.*
- (d) *If the property owner or legal occupant is granted award of some or all of the difference, he or she shall also receive the interest on that portion of the difference.*

- (6) *If the property owner or legal occupant does not accept or reject the permittee or operator's appraisal and offer of funds for damages, the operator or permittee shall pay the appraised damages to the circuit clerk within three (3) business days. These funds shall be placed in an interest-bearing account in a bank until resolution of the matter by agreement or court or jury judgment.*
- (7) *In cases under subsection (2) of this section, when the procedures in subsections (4) and (5)(a) and (b) of this section, or subsections (4)(a) and (b) and (6) of this section, have been satisfied, the permittee or operator may enter the property to abate the violation.*
- ~~[(2) If a violation other than one described in subsection (1) cannot be abated because the permittee or operator responsible for abatement of the violation has been denied access to the land necessary to allow abatement of the violation, the cabinet shall terminate the notice of noncompliance or cessation order issued for the violation, if the following conditions are met:~~
- ~~(a) Prior to terminating a notice of noncompliance or cessation order under this subsection, and within thirty (30) days of a request by a permittee or operator to terminate a violation based on a lack of access, the cabinet shall verify the denial of access and advise the surface owners of record and the legal occupants of the affected land of the consequences of refusing to allow access to the property for the purpose of enabling abatement of the violation; and~~
 - ~~(b) The cabinet shall explain the consequences by certified mail, return receipt requested, and shall make a good faith effort to notify all owners of interest and legal occupants verbally, that:~~
 - ~~1. Refusal to allow access to the property will result in termination of the violation as uncorrectable;~~
 - ~~2. If there is damage that occurs to public or private property due to the uncorrected violation condition on the property, that the property owner may also be responsible under law for any property damage to private or public property that may result from the unreclaimed condition; and~~
 - ~~3. While the landowner may seek damages or injunctive relief in an action against the permittee or operator, the refusal to grant access in order to allow abatement of the violation shall result in the state terminating the requirement that the permittee or operator undertake work necessary for abatement of the violation, and that while penalties may be assessed, the performance bond shall not be forfeited on the basis of the violation.~~
- ~~(3) The cabinet shall not terminate any notice of noncompliance or cessation order under this section if the cabinet determines that the denial of access necessary to abate the violation has been procured through collusion between the permittee or operator and the landowner or legal occupant of the affected land who is refusing to allow the necessary access. "Collusion," for the purpose of this section, includes any agreement, understanding, or contract by which the landowner refuses access to the property in return for any consideration, whether involving money or otherwise. Any act of collusion shall subject the permittee or operator to penalties under this chapter for willful and knowing refusal to correct the violation.~~
- ~~(4) No noncompliance or cessation order may be terminated under this section where there is any common ownership or control between the permittee or operator and the landowner or legal occupant. No noncompliance or cessation order may be terminated under this section where there is any other legal relationship between the permittee or operator and the landowner or legal occupant, except where a court of competent jurisdiction has determined that the legal relationship does not provide for a right of access.~~
- ~~(5) Where a violation may impact public or private property other than land for which access has been denied, the cabinet shall direct abatement measures to be taken by the permittee or operator to prevent damage to those lands for which access has not been denied.~~
- ~~(6) Termination of a notice of noncompliance or cessation order under this section shall not affect the assessment of a civil penalty for the violation.}]~~
- (8) Nothing in this section shall affect any person's right for damages or injunctive relief.

Section 2. Whereas abatement of violations can be delayed unless an easement of necessity is obtained, and those delays can have negative effects on a permittee or operator, and on the environment, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

(SB 192)

AN ACT relating to the Education Professional Standards Board.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 161.030 is amended to read as follows:

- (1) Notwithstanding the age of the pupil, the certification of all teachers and other school personnel, in public schools only, is vested in the Education Professional Standards Board. When so certified, teachers and other school personnel shall not be required to have licensure, certification, or other forms of approval from any other state agency for the performance of their respective assignments within the common schools, except as provided for by law. All certificates authorized under KRS 161.010 to 161.126 shall be issued in accordance with the administrative regulations of the Education Professional Standards Board. After July 15, 1994, all certificate applications and other data collection instruments of the board shall include a request for voluntary information about the applicant's ethnic background. This information shall be available to help local school districts locate minority candidates. A person who holds a certificate prior to this requirement may request that

ethnic information be added to his or her file. Nothing in this section shall preclude the right of an individual in a nonpublic school from seeking voluntary certification by the Education Professional Standards Board.

- (2) Certificates shall be issued upon written application and in accordance with statutes and regulations in effect at the time of application to persons who have completed, at colleges, universities, or local school district programs approved by the Education Professional Standards Board for the preparation of teachers and other school personnel, the curricula prescribed by the administrative regulations of the Education Professional Standards Board.
- (3)
 - (a) Certification of all new teachers and teachers seeking additional certification shall require the successful completion of appropriate assessments prior to certification. The assessments shall be selected by the Education Professional Standards Board and shall measure knowledge in the specific teaching field of the applicant, including content of the field and teaching of that content. The Education Professional Standards Board shall determine the minimum acceptable level of achievement on each assessment. The assessments shall measure those concepts, ideas, and facts which are being taught in teacher education programs in Kentucky. Upon successful completion of the assessments and the approved teacher preparation program, a certificate valid for one (1) year shall be issued.
 - (b) *If an applicant for teacher certification has completed the approved teacher preparation program and has taken but failed to successfully complete the appropriate assessments selected by the Education Professional Standards Board, a conditional certificate may be issued for a period not to exceed one (1) year, if the employing school district, in collaboration with the teacher education institution, agrees to provide technical assistance and mentoring support to the conditionally certified teacher. The teacher shall retake the assessments during the validity period of the conditional certificate. The conditional certificate shall not be reissued. Upon successful completion of the required assessments, a certificate valid for one (1) year shall be issued and the teacher shall be eligible to participate in the internship program as provided in subsection (5) of this section. The teacher shall not be eligible to participate in the internship program while teaching on the conditional certificate. The Education Professional Standards Board shall promulgate administrative regulations to establish the standards and procedures for issuance of the conditional certificate.*
 - (c) If an out-of-state teacher with less than two (2) years' experience comes to Kentucky after the deadline for taking the assessments, a temporary certificate may be issued for a period up to six (6) months provided the local board cannot fill the vacant position with a certified teacher. The teacher shall take the assessments if they are administered during the period of the temporary certificate. The certificate shall be extended for the remainder of the year if the teacher successfully completes the assessments. If the teacher fails the assessments, the temporary certificate shall be valid only for the current semester.
- (4) A reasonable fee to be paid by the teacher and directly related to the actual cost of the administration of the assessments shall be established by the Education Professional Standards Board. Provisions shall be made for persons having less than minimum levels of performance on any assessment to repeat that assessment, and candidates shall be informed of their strengths and weaknesses in the specific performance areas. The Education Professional Standards Board shall provide for confidentiality of the individual assessment scores. Scores shall be available only to the candidate and to the education officials who are responsible for determining whether established certification standards have been met. Scores shall be used only in the assessment for certification of new teachers and of out-of-state teachers with less than two (2) years of teaching experience who are seeking initial certification in Kentucky.
- (5) ***Except as provided in subsection (3)(b) of this section,*** all new teachers and out-of-state teachers with less than two (2) years of successful teaching experience who are seeking initial certification in Kentucky shall serve a one (1) year internship. The teacher shall be a full-time employee or shall have an annual contract and serve on at least a half-time basis and shall have supervision, assistance, and assessment during the one (1) year internship. The internship may be served in a public school or a nonpublic school which meets the state performance standards as established in KRS 156.160 or which has been accredited by a regional or national accrediting association. Successful completion shall be determined by a majority vote of the beginning teacher committee. The internship period shall be counted as experience for the purpose of continuing contract status, retirement eligibility, and benefits for single salary experience increments. Upon successful completion of the beginning teacher program, the one (1) year initial teaching certificate shall be extended for the remainder of the usual duration period established for that particular certificate by Education Professional Standards Board administrative regulations.

- (6) The beginning teacher committee shall be composed of three (3) persons who have successfully completed special training in the supervision and assessment of the performance of beginning teachers as provided in subsection (8) of this section, except as provided in paragraph (g) of this subsection. The committee shall consist of a resource teacher, the school principal of the school where the internship is served, and a teacher educator appointed by a state-approved teacher training institution.
- (a) If more than two (2) teacher interns are employed in the same school, the principal's responsibility may be shared with an assistant principal who holds certification as a principal.
 - (b) In unusual situations, the Education Professional Standards Board may permit the assistant principal to serve in lieu of the principal on a beginning teacher committee.
 - (c) If the teacher training institution is unable to provide a member, the district superintendent shall appoint an instructional supervisor from the school district.
 - (d) If the intern is teaching in a regionally or nationally accredited nonpublic school without a principal, the person filling the principal member position may have other appropriate qualifications as required by administrative regulations promulgated by the Education Professional Standards Board.
 - (e) If the teacher training institution is unable to provide a member to serve on the beginning teacher committee in a nonpublic school, the chief officer of the school shall appoint an instructional supervisor or a teacher with like qualifications and responsibilities to serve on the beginning teacher committee in lieu of the teacher educator.
 - (f) The resource teacher shall be appointed by the Education Professional Standards Board with recommendations from the local school district from a pool of qualified resource teachers, and, any statutes to the contrary notwithstanding and to the extent of available appropriations, shall be entitled to be paid a reasonable stipend by the Education Professional Standards Board for work done outside normal working hours. In the case of a resource teacher in a nonpublic school, payment shall be made directly to the resource teacher by the Education Professional Standards Board. Priority shall be given to resource teachers in the following order, except as provided in paragraph (g) of this subsection:
 - 1. Teachers with the same certification in the same school;
 - 2. Teachers with the same certification in the same district;
 - 3. Teachers in the same school;
 - 4. Teachers in the same district; and
 - 5. Teachers in an adjacent school district.
 - (g)
 - 1. The resource teacher for an individual pursuing initial certification as a baccalaureate level teacher of exceptional children/communication disorders shall be a master's level teacher of exceptional children/communication disorders, if one is available.
 - 2. If a master's level teacher of exceptional children/communication disorders is not available, the Education Professional Standards Board may allow a licensed speech-language pathologist to serve on the beginning teacher committee in lieu of a resource teacher.
 - (h) The committee shall meet with the beginning teacher a minimum of three (3) times per year for evaluation and recommendation with all committee members present. In addition, each member of the committee shall observe the beginning teacher in the classroom a minimum of three (3) times per year. If the teacher's first year performance is judged by the committee to be less than satisfactory, the teacher shall be provided with an opportunity to repeat the internship one (1) time if the teacher is employed by a school district.

The commission shall recommend to the commissioner of the Department of Housing, Buildings and Construction the promulgation of administrative regulations in accordance with the provisions of KRS Chapter 13A to define satisfactory participation in the Kentucky fire incident reporting system. Administrative regulations for determining qualifications shall be based on the number of both paid firefighters and volunteer firemen within a volunteer fire department, the amount of equipment, housing facilities available, and such other matters or standards as will best effect the purposes of the volunteer fire department aid law. A qualifying department shall include at least twelve (12) firefighters, a chief, and at least one (1) operational fire apparatus or one (1) on order. These personnel, equipment, and training requirements shall not be made more stringent by the promulgation of administrative regulations. If any moneys in the training center fund remain uncommitted, unobligated, or unexpended at the close of the first fiscal year of the biennium, then such moneys shall be carried forward to the second fiscal year of the biennium, and shall be reallocated to and for the use of the training center fund, in addition to the second fiscal year's allocation of two hundred thousand dollars (\$200,000). Prior to funding any project pursuant to this subsection, a proposed project shall be approved by the Commission on Fire Protection Personnel Standards and Education as provided in subsection (4) of this section and shall comply with state laws applicable to capital construction projects.
- (4) Applications for funding low-interest loans and firefighters' training centers shall be submitted to the Commission on Fire Protection Personnel Standards and Education for their recommendation, approval, disapproval, or modification. The commission shall review applications periodically, and shall, subject to funds available, recommend which applications shall be funded and at what levels, together with any terms and conditions the commission deems necessary.
- (5) Any department or entity eligible for and receiving funding pursuant to this section shall have a minimum of fifty percent (50%) of its personnel certified as recognized by the Commission on Fire Protection Personnel Standards and Education.
- (6) Upon the written request of any department, the Commission on Fire Protection Personnel Standards and Education shall make available a certified training program in a county of which such department is located.
- (7) The amount of reimbursement for any given year for costs incurred by the Kentucky Community and Technical College System for administering these funds, including, but not limited to, the expenses and costs of commission operations, shall be determined by the commission and shall not exceed five percent (5%) of the total amount of moneys accruing to the Firefighters Foundation Program fund which are allotted for the purposes specified in this section during any fiscal year.
- (8) The commission shall withhold from the general distribution of funds under subsection (2) of this section an amount which it deems sufficient to reimburse volunteer fire departments for equipment lost or damaged beyond repair due to hazardous material incidents.

- (9) Moneys withheld pursuant to subsection (8) of this section shall be distributed only under the following terms and conditions:
- (a) A volunteer fire department has lost or damaged beyond repair items of personal protective clothing or equipment due to that equipment having been lost or damaged as a result of an incident in which a hazardous material (as defined in any state or federal statute or regulation) was the causative agent of the loss;
 - (b) The volunteer fire department has made application in writing to the commission for reimbursement in a manner approved by the commission and the loss and the circumstances thereof have been verified by the commission;
 - (c) The loss of or damage to the equipment has not been reimbursed by the person responsible for the hazardous materials incident or by any other person;
 - (d) The commission has determined that the volunteer fire department does not have the fiscal resources to replace the equipment;
 - (e) The commission has determined that the equipment sought to be replaced is immediately necessary to protect the lives of the volunteer firefighters of the fire department;
 - (f) The fire department has agreed in writing to subrogate all claims for and rights to reimbursement for the lost or damaged equipment to the Commonwealth to the extent that the Commonwealth provides reimbursement to the department; and
 - (g) The department has shown to the satisfaction of the commission that it has made reasonable attempts to secure reimbursement for its losses from the person responsible for the hazardous materials incident and has been unsuccessful in the effort.
- (10) If a volunteer fire department has met all of the requirements of subsection (9) of this section, the commission may authorize a reimbursement of equipment losses not exceeding ten thousand dollars (\$10,000) or the actual amount of the loss, whichever is less.
- (11) Moneys which have been withheld during any fiscal year which remain unexpended at the end of the fiscal year shall be distributed in the normal manner required by subsection (2) of this section during the following fiscal year.
- (12) No volunteer fire department may receive funding for equipment losses more than once during any fiscal year.
- (13) The commission shall make reasonable efforts to secure reimbursement from the responsible party for any moneys awarded to a fire department pursuant to this section.
- (14) There shall be allotted each year of the 1992-93 biennium one million dollars (\$1,000,000), and each year of the 1994-95, 1996-97, 1998-99, and 2000-01 bienniums one million dollars (\$1,000,000) of the insurance premium surcharge proceeds accruing to the Firefighters Foundation Program fund for the purpose of creating a revolving low-interest loan fund, which shall thereafter be self-sufficient and derive its operating revenues from principal and interest payments. The commission, in accordance with the procedures in subsection (4) of this section, may make low-interest loans, and the interest thereon shall not exceed three percent (3%) annually or the amount needed to sustain operating expenses of the loan fund, whichever is less, to volunteer fire departments for the purposes of major equipment purchases and facility construction. Loans shall be made to departments which achieve the training standards necessary to qualify for volunteer fire department aid allotted pursuant to subsection (2) of this section, and which do not have other sources of funds at rates which are favorable given their financial resources. The proceeds of loan payments shall be returned to the loan fund for the purpose of providing future loans. If a department does not make scheduled loan payments, the commission may withhold any grants payable to the department pursuant to subsection (2) of this section until the department is current on its payments. Money in the low-interest loan fund shall be used only for the purposes specified in this subsection. Any funds remaining in the fund at the end of a fiscal year shall be carried forward to the next fiscal year for the purposes of the fund.

CHAPTER 299

(SB 243)

AN ACT relating to the availability of textbooks and instructional materials in accessible formats for students with disabilities.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 156 IS CREATED TO READ AS FOLLOWS:

- (1) *The following definitions shall apply to this section:*
- (a) *"Alternative format" means any medium or format for the presentation of instructional materials that is needed by a student with an individualized education program or Section 504 Plan for a reading accommodation other than standard print, including but not limited to Braille, large print, audio recordings, digital text, and digital talking books;*
 - (b) *"Braille," "individualized education program," and "blind students" have the same meaning as defined under KRS 158.281;*
 - (c) *"Comparable version" denotes that all elements of the print version are present in the electronic version, including graphics with ALT tags though not necessarily in the same order or format;*
 - (d) *"Legacy materials" means images and graphics requiring release and permission from another source other than the publisher; and*
 - (e) *"Section 504 Plan" means a written statement developed for a student with a disability that includes the provision of regular or special education and related aids and services designed to meet individual educational needs in accordance with the federal regulations issued under 34 C.F.R. sec. 104.33.*
- (2) *The purpose of this section shall be to assure, to the extent feasible, that all students with disabilities in the public schools kindergarten through grade twelve (12) who require reading accommodations in accordance with an individualized education program or Section 504 Plan, including but not limited to students who*

are blind, visually impaired, or who have a specific learning disability as defined in KRS 157.200 or other disability affecting reading, shall have access to textbooks and instructional materials as defined by administrative regulations of the Kentucky Board of Education in alternative formats that are appropriate to their disability and educational needs.

- (3) *Notwithstanding any other statute to the contrary, the Department of Education shall give preferential procurement status to textbook and instructional materials from publishers who make their materials available in alternative formats for use by students with disabilities, or who can verify that an accessible format textbook or instructional material is currently available from or is in the process of being created by the American Printing House for the Blind, Recording for the Blind and Dyslexic, or another authorized entity, as defined under 17 U.S.C. sec. 121 and who commonly provide alternative format materials for use by students in Kentucky schools. The Department of Education may assign additional procurement preferences designed to ensure that students with disabilities have access to appropriate alternative formats to meet their needs.*
- (4) *Effective July 1, 2003, the Department of Education shall require to the extent feasible any publisher of a textbook or program adopted for use in the public schools in kindergarten through grade twelve (12) to furnish computer files or electronic versions of the printed textbooks and instructional materials in formats comparable to the printed version that are compatible with commonly used Braille translation and speech synthesis software and include corrections and revisions as may be necessary to assure clarity in presentation and use. Navigation within and between files should be reasonably efficient so that the disabled learner is able to fully utilize the material in a manner that yields the same result as the print version affords a nondisabled learner. File format shall be limited to those formats that allow for a comparable version that is readable with text and screen readers such as HTML, XML, or other formats that meet the criteria stated in this subsection. For extreme cases where ALT tags are not feasible, a tag may read, "This item is too complicated to render with current technology." Legacy materials shall be exempt from the criteria for this preference. These files shall be provided to the Division of Exceptional Children Services and shall be provided at the same time and in composition and form comparable with the printed version and include corrections and revisions as may be necessary to assure clarity in presentation and use. The Department of Education may define further requirements regarding additional characteristics of digital files submitted in compliance with this section as needed to provide appropriate alternative formats to meet the needs of students with disabilities.*
- (5) *The Department of Education shall require publishers to make digital files, together with two (2) copies of the print version, available at no charge upon request to the American Printing House for the Blind for production of accessible Braille and other materials and to Recording for the Blind and Dyslexic or another authorized entity, as defined under 17 U.S.C. sec. 121, for production of accessible audio media, digital text, and digital talking books, which produce accessible format materials based on selection and scheduling needs.*
- (6) *Nothing in this section shall in any way lessen the obligation of the public schools to provide for the instruction of blind students in the use of Braille in accordance with KRS 158.282 nor lessen the provision of Braille textbooks for blind students under KRS 156.476.*

The administrative regulations shall specify which athletic activities are similar to sports for which National Collegiate Athletic Association members offer scholarships.
 - (b) *Beginning with the 2003-2004 school year, the state board shall require any agency or organization designated by the state board to manage interscholastic athletics to adopt bylaws that establish as members of the agency's or organization's board of control one (1) representative of nonpublic member schools who is elected by the nonpublic school members of the agency or organization from regions one (1) through eight (8) and one (1) representative of nonpublic member schools who is elected by the nonpublic member schools of the agency or organization from regions nine (9) through sixteen (16). If sufficient funds do not exist to make all the payments at one (1) time owed under the provisions of this subsection, then the available amount shall be prorated evenly and proportionately and disbursed among those merged districts each disbursement cycle until the total amount has been paid to each of those districts. The commission shall not reduce any other payments under KRS 95A.262 to make the payments under this subsection.

Section 8. KRS 95A.262 is amended to read as follows:

- (1) The Commission on Fire Protection Personnel Standards and Education shall, in cooperation with the Cabinet for Health Services, develop and implement a continuing program to inoculate every paid and volunteer firefighter in Kentucky against hepatitis B. The program shall be funded from revenues allocated to the Firefighters Foundation Program fund pursuant to KRS 136.392 and 42.190. Any fire department which has inoculated its personnel during the period of July 1, 1991 to July 14, 1992, shall be reimbursed from these revenues for its costs incurred up to the amount allowed by the Cabinet for Human Resources for hepatitis B inoculations.
- (2) Except as provided in subsection (3) of this section and KRS 61.316, the Commission on Fire Protection Personnel Standards and Education shall allot on an annual basis a share of the funds accruing to and appropriated for volunteer fire department aid to volunteer fire departments in cities of all classes, fire protection districts organized pursuant to KRS Chapter 75, county districts established under authority of KRS 67.083, and volunteer fire departments created as nonprofit corporations pursuant to KRS Chapter 273. The commission shall allot eight thousand dollars (\$8,000) annually to each qualifying department, and beginning on July 1, 2001, the commission shall allot eight thousand two hundred fifty dollars (\$8,250) annually to each qualifying department. Any qualifying department which fails to participate satisfactorily in the Kentucky fire incident reporting system as described in KRS 304.13-380 shall forfeit annually five hundred dollars (\$500) of its allotment. ***If two (2) or more qualified volunteer fire departments, as defined in Sections 1 to 7 of this Act, merge after January 1, 2000, then the allotment shall be in accordance with the provisions of Sections 1 to 7 of this Act.*** The commission shall recommend to the commissioner of the Department of Housing, Buildings and Construction the promulgation of administrative regulations in accordance with the provisions of KRS Chapter 13A to define satisfactory participation in the Kentucky fire incident reporting system. Administrative regulations for determining qualifications shall be based on the number of both paid firefighters and volunteer firemen within a volunteer fire department, the amount of equipment, housing facilities available, and such other matters or standards as will best effect the purposes of the volunteer fire department aid law. A qualifying department shall include at least twelve (12) firefighters, a chief, and at least one (1) operational fire apparatus or one (1) on order. Fifty percent (50%) of the firefighters shall have completed at least one-half (1/2) of one hundred fifty (150) training hours toward certification within the first six (6) months of the first year of the department's application for certification, and there shall be a plan to complete the one hundred fifty (150) training hours within the second year. These personnel, equipment, and training requirements shall not be made more stringent by the promulgation of administrative regulations. No allotment shall exceed the total value of the funds, equipment, lands, and buildings made available to the local fire units from any source whatever for the year in which the allotment is made. A portion of the funds provided for above may be used to purchase group or blanket health insurance and shall be used to purchase workers' compensation insurance, and the remaining funds shall be distributed as set forth in this section.
- (3) There shall be allotted two hundred thousand dollars (\$200,000) of the insurance premium surcharge proceeds accruing to the Firefighters Foundation Program fund that shall be allocated each fiscal year of the biennium to the firefighters training center fund, which is hereby created and established, for the purposes of constructing new or upgrading existing training centers for firefighters. If any moneys in the training center fund remain uncommitted, unobligated, or unexpended at the close of the first fiscal year of the biennium, then such moneys shall be carried forward to the second fiscal year of the biennium, and shall be reallocated to and for the use of the training center fund, in addition to the second fiscal year's allocation of two hundred thousand dollars (\$200,000). Prior to funding any project pursuant to this subsection, a proposed project shall be approved by the Commission on Fire Protection Personnel Standards and Education as provided in subsection (4) of this section and shall comply with state laws applicable to capital construction projects.
- (4) Applications for funding low-interest loans and firefighters' training centers shall be submitted to the Commission on Fire Protection Personnel Standards and Education for their recommendation, approval, disapproval, or modification. The commission shall review applications periodically, and shall, subject to funds available, recommend which applications shall be funded and at what levels, together with any terms and conditions the commission deems necessary.
- (5) Any department or entity eligible for and receiving funding pursuant to this section shall have a minimum of fifty percent (50%) of its personnel certified as recognized by the Commission on Fire Protection Personnel Standards and Education.
- (6) Upon the written request of any department, the Commission on Fire Protection Personnel Standards and Education shall make available a certified training program in a county of which such department is located.

- (7) The amount of reimbursement for any given year for costs incurred by the Kentucky Community and Technical College System for administering these funds, including, but not limited to, the expenses and costs of commission operations, shall be determined by the commission and shall not exceed five percent (5%) of the total amount of moneys accruing to the Firefighters Foundation Program fund which are allotted for the purposes specified in this section during any fiscal year.
- (8) The commission shall withhold from the general distribution of funds under subsection (2) of this section an amount which it deems sufficient to reimburse volunteer fire departments for equipment lost or damaged beyond repair due to hazardous material incidents.
- (9) Moneys withheld pursuant to subsection (8) of this section shall be distributed only under the following terms and conditions:
 - (a) A volunteer fire department has lost or damaged beyond repair items of personal protective clothing or equipment due to that equipment having been lost or damaged as a result of an incident in which a hazardous material (as defined in any state or federal statute or regulation) was the causative agent of the loss;
 - (b) The volunteer fire department has made application in writing to the commission for reimbursement in a manner approved by the commission and the loss and the circumstances thereof have been verified by the commission;
 - (c) The loss of or damage to the equipment has not been reimbursed by the person responsible for the hazardous materials incident or by any other person;
 - (d) The commission has determined that the volunteer fire department does not have the fiscal resources to replace the equipment;
 - (e) The commission has determined that the equipment sought to be replaced is immediately necessary to protect the lives of the volunteer firefighters of the fire department;
 - (f) The fire department has agreed in writing to subrogate all claims for and rights to reimbursement for the lost or damaged equipment to the Commonwealth to the extent that the Commonwealth provides reimbursement to the department; and
 - (g) The department has shown to the satisfaction of the commission that it has made reasonable attempts to secure reimbursement for its losses from the person responsible for the hazardous materials incident and has been unsuccessful in the effort.
- (10) If a volunteer fire department has met all of the requirements of subsection (9) of this section, the commission may authorize a reimbursement of equipment losses not exceeding ten thousand dollars (\$10,000) or the actual amount of the loss, whichever is less.
- (11) Moneys which have been withheld during any fiscal year which remain unexpended at the end of the fiscal year shall be distributed in the normal manner required by subsection (2) of this section during the following fiscal year.
- (12) No volunteer fire department may receive funding for equipment losses more than once during any fiscal year.
- (13) The commission shall make reasonable efforts to secure reimbursement from the responsible party for any moneys awarded to a fire department pursuant to this section.
- (14) There shall be allotted each year of the 1992-93 biennium one million dollars (\$1,000,000), and each year of the 1994-95, 1996-97, 1998-99, and 2000-01 bienniums one million dollars (\$1,000,000) of the insurance premium surcharge proceeds accruing to the Firefighters Foundation Program fund for the purpose of creating a revolving low-interest loan fund, which shall thereafter be self-sufficient and derive its operating revenues from principal and interest payments. The commission, in accordance with the procedures in subsection (4) of this section, may make low-interest loans, and the interest thereon shall not exceed three percent (3%) annually or the amount needed to sustain operating expenses of the loan fund, whichever is less, to volunteer fire departments for the purposes of major equipment purchases and facility construction. Loans shall be made to departments which achieve the training standards necessary to qualify for volunteer fire department aid allotted pursuant to subsection (2) of this section, and which do not have other sources of funds at rates which are favorable given their financial resources. The proceeds of loan payments shall be returned to the loan fund for the purpose of providing future loans. If a department does not make scheduled loan payments, the commission may withhold any grants payable to the department pursuant to subsection (2) of this section until the

department is current on its payments. Money in the low-interest loan fund shall be used only for the purposes specified in this subsection. Any funds remaining in the fund at the end of a fiscal year shall be carried forward to the next fiscal year for the purposes of the fund.

Upon the written request by a county employee, made freely and without coercion, pressure, or suggestion by the employer, and upon a written agreement reached between the employer and the county employee before the performance of the work, a county employee who is not exempt from the provisions of the Federal Fair Labor Standards Act, 29 U.S.C. et seq., may be granted compensatory time in lieu of overtime pay, at the rate of not less than one and one half (1.5) hours for each hour the county employee is authorized to work in excess of forty (40) hours in a work week.*
- (3) (a) *Upon the request of the county employee, and as provided in subsection (2) of this section, compensatory time shall be awarded as follows:*
 - 1. *A county employee who provided work in excess of forty (40) hours in a public safety activity, an emergency response activity, or a seasonal activity as described in 29 C.F.R. sec. 553.24, may accrue not more than four hundred eighty (480) hours of compensatory time; or*
 - 2. *A county employee engaged in other work in excess of forty (40) hours, may accrue not more than two hundred forty (240) hours of compensatory time.*

- (4) *A county employee who has accrued compensatory time off as provided in subsection (2) of this section, and who requested the use of compensatory time shall be permitted by the employer to use the compensatory time within a reasonable period after making the request if the use of the compensatory time*

does not unduly disrupt the operations of the employer. Mere inconvenience to the employer shall not constitute a sufficient basis for denial of a county employee's request for compensatory time off.

- (5) *If compensation is paid to a county employee for accrued compensatory time off, the compensation shall be paid at the regular rate earned by the county employee at the time the county employee receives the payment.*
- (6) *Upon a county employee's termination of employment, all unused accrued compensatory time shall be paid at a rate of compensation not less than:*

- (8) *Nothing in subsections (2) to (7) of this section shall be construed to supersede any collective bargaining agreement, memorandum of understanding, or any other agreement between the employer and representative of the county employees.*
- (9) *As used in subsections (2) to (7) of this section, "county employee" means an employee of any county, charter county, consolidated local government, or urban-county government, including an employee of a county elected official.*

CHAPTER 331

(HCR 132)

A CONCURRENT RESOLUTION to study how best to implement a disaster relief funding program for the Commonwealth, its local governments, and citizens.

WHEREAS, the Commonwealth is subject to many types of natural and manmade disasters and emergencies which leave recovery costs in their wake; and

WHEREAS, these disasters include floods, tornadoes, snowstorms, hazardous materials incidents, fires, power outages, and others too numerous to mention; and

WHEREAS, in a large disaster, following a Presidential disaster declaration, the Federal Emergency Management Agency covers a large portion of the costs of recovering from the disaster; and

WHEREAS, even with a Presidential disaster declaration, state and local governments must routinely match the federal dollars, dollars which local government does not have; and

WHEREAS, small disasters which do not qualify for federal assistance require 100% funding of recovery efforts for local governments and the citizens by local governments; and

WHEREAS, the Governor's emergency fund is sometimes used to provide relief in such situations but is not always able to fund recovery efforts in specific incidents; and

WHEREAS, in reality, the Commonwealth has no fund specifically dedicated to helping local governments and the citizens recover from disasters, either large or small; and

WHEREAS, disasters and emergencies do not recognize that local government and the citizens may not have the money to recover and rebuild after disasters and emergencies, so these incidents keep occurring; and

WHEREAS, the House of Representatives, the Senate concurring therein, recognizing the need to establish such a fund, wants to gather together local government officials, emergency management professionals, and members of the General Assembly to work out the most feasible and efficient means of establishing and operating a disaster relief funding program;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. The Disaster Relief Funding Task Force is created and is directed to study the establishment of a disaster relief funding program for the Commonwealth which would provide grants that require no matching funds to units of local government and the citizens to recover and rebuild following a disaster or emergency where federal funds were either unavailable or insufficient to fund the recovery and rebuilding effort.

Section 2. The Legislative Research Commission shall appoint the following members to the Task Force on Disaster Grant Funding:

- (1) Two Representatives and two Senators who are members of the Interim Joint Committee on State Government;
- (2) Two Representatives and two Senators who are members of the Interim Joint Committee on Local Government;
- (3) One Representative and one Senator who are members of the Interim Joint Committee on Appropriations and Revenue; and

 - (b) The Department for Local Government;
 - (c) The Kentucky Emergency Management Association;
 - (d) The Kentucky Association of Counties;
 - (e) The Kentucky League of Cities; and
 - (f) The Kentucky Council of Area Development Districts.

The agencies and organizations specified in this subsection shall inform the Legislative Research Commission as to their recommended permanent representative to the task force within twenty days after the effective date of this resolution. Any organization which does not make such a notification shall forfeit membership on the task force. Only the permanent member of a state agency or organization may represent the agency or organization or vote at any meeting of the task force.

Section 3. Members of the task force may be reimbursed for travel and other necessary expenses. All members shall have voting privileges. The chair and vice chairs of the task force shall be members of the Interim Joint Committee on State Government or the Interim Joint Committee on Local Government and shall be chosen by the Legislative Research Commission.

Section 4. The task force shall report to the Interim Joint Committee on State Government, the Interim Joint Committee on Local Government, the Interim Joint Committee on Appropriations and Revenue, and the Legislative Research Commission recommendations relating to at least the following subjects: sources of revenue; the agency or official which should administer the program; whether grant decisions should be made by a committee or by a single official; eligibility for grant funding; the constitutionality of providing grants to individual citizens; amount of grant funding; the handling of requests in excess of the amount of funding available; disqualifying factors relating to application for funds; and similar details. The report shall include a draft of legislation necessary to accomplish the program recommended. The report shall be completed and presented to the interim committees and the Legislative Research Commission not later than October 15, 2002.

Section 5. Provisions of this resolution to the contrary notwithstanding, the Legislative Research Commission shall have the authority to alternatively assign the issues identified herein to an interim joint committee or subcommittee thereof, and to designate a study completion date.

- (3) *The board shall employ a chief examiner who shall be professionally qualified and experienced in the field of testing and who shall formulate, give, grade, and administer all written tests as required by the board. The chief examiner shall report to the board the results of all tests given by him or her and the examiners shall be solely responsible to the board. The chief examiner shall compile the grades of all applicants in strict compliance with procedures and percentages as set out in this section and shall deliver the scores of all applicants for promotion to the chairman of the board, in a sealed envelope. The chief examiner shall not reveal to anyone the results of test scores for promotions other than in this manner.*
- (4) *Physical fitness for promotion shall be presumed unless certified to the contrary by the chief of police who shall supply the board with medical records of the disability.*
- (5) *At least ninety (90) days notice shall be given before a promotional examination is conducted.*
- (6) *Promotional tests shall be graded, as determined by the board, to include both written and oral examination scores. In addition, seniority in grade, not to exceed ten percent (10%), shall be awarded for each year of service after five (5) full years of service. The results of the written and oral examinations shall be combined to determine the applicant's final evaluated rating.*
- (7) *Promotional eligibility lists shall contain the names of successful candidates in the order of their standing through examination.*
- (8) *An applicant may file with the board a written challenge to the applicant's score on the written or oral examination within ten (10) days of notification of examination scores. The board shall make examination questions and answers available for inspection by the applicant upon the filing of a written challenge.*

- (9) *In filling promotional vacancies, the chief of police shall select from not more than five (5) candidates graded highest on the appropriate eligibility list. The board shall determine the justification for not promoting a candidate who has been certified for promotion four (4) times. If the board determines that the candidate's nonpromotion is unjustified or unsupported by the evidence, the candidate shall be promoted. The certified rank list for promotions shall be valid for two (2) years and shall not be extended. All promotional vacancies shall be filled within sixty (60) days of the vacancy.*

SECTION 11. A NEW SECTION OF KRS CHAPTER 67C IS CREATED TO READ AS FOLLOWS:

- (1) *Any officer may be removed, suspended for a period not to exceed sixty (60) days, laid off, or reduced in grade by the chief for any cause which promotes the efficiency of the services, but before any such action is taken by the chief against any officer, the chief shall furnish the officer concerned with a written statement of the reasons why the described action is being taken. The officer may be reduced, removed, suspended for a period not to exceed sixty (60) days, or laid off from the date the written statement of reasons is served upon her or him. Each officer removed, suspended for a period not to exceed sixty (60) days, laid off, or reduced in grade shall be allowed a period of ten (10) days within which the officer may file a written answer to the charges and the reasons which caused her or his suspension, removal, or reduction. This answer shall be made a part of the official records of the police department. No trial or examination of witnesses shall be required in any such case except at the discretion of the chief. The chief shall likewise furnish a copy of the written charges and reasons for her or his action to the board.*
- (2) *Any citizen who makes written, sworn charges of misconduct concerning the actions of any police officer shall present the charges to the chief of police who shall investigate the charges. The chief of police shall determine what action, if any, shall be taken against the officer, subject to the limitations set out in this chapter. The citizen may appeal the determination of the chief of police to the board.*

SECTION 12. A NEW SECTION OF KRS CHAPTER 67C IS CREATED TO READ AS FOLLOWS:

In all cases provided for in Section 11 of this Act, the action of the chief shall be final except in the following cases:

- (1) *Every action in the nature of a dismissal, suspension, or reduction made by the chief, shall be subject to review by the board at the request of any officer affected by Sections 1 to 14 of this Act, and the board shall give notice and hold a public hearing. After the public hearing, the board shall retire in executive session to discuss the evidence introduced at the hearing and to make its determination and conclusion. While in executive session, the board shall not receive any further evidence or communication from any source prior to reaching its determination and conclusion. The board, while in executive session, may request and receive legal advice from board counsel on specific legal issues which may arise during deliberations. If a majority of the members of the board are of the opinion that the action of the chief is unjustified or unsupported by proper evidence, the order of the chief may be set aside and revoked by the board and the board may impose the penalty or punishment it deems necessary and appropriate, if any, provided however, the board shall not impose a penalty or punishment in excess of the action of the chief. No officer shall be removed or dismissed except as provided for in this section.*
- (2) (a) *Every action of a dismissal, suspension, or reduction made by the board shall be final, except that any person aggrieved may, within thirty (30) days after the action, appeal to the Circuit Court of the county in which the board meets. The board shall be named respondent as the consolidated local government police force merit board, and service shall be had on the chairman of the board. The appeal taken to the Circuit Court shall be docketed by the clerk as a civil action and shall be tried anew, as if no action had been rendered by the board.*
- (b) *The judgment of the Circuit Court shall be subject to appeal to the Court of Appeals. The procedure as to the appeal to the Court of Appeals shall be the same as in any civil action.*

SECTION 13. A NEW SECTION OF KRS CHAPTER 67C IS CREATED TO READ AS FOLLOWS:

Procedural due process shall be afforded to any police officer brought before the board. The officer shall be given a prompt hearing by the board, have an opportunity to confront his or her accusers, and have the privilege of presenting the board with evidence. The board shall have the power to issue subpoenas attested in the name of its chairman, to compel the attendance of witnesses, to compel the production of documents and other documentary evidence, and so far as practicable, conduct the hearing within the Kentucky Rules of Civil Procedure. Upon a showing of proper need, the board shall issue subpoenas to compel the attendance of witnesses, or to compel the

production of documents and other documentary evidence for the benefits of the officer or the chief at the request of the officer or the chief. Any officer not given a hearing within sixty (60) days of being charged shall be reinstated in full.

SECTION 14. A NEW SECTION OF KRS CHAPTER 67C IS CREATED TO READ AS FOLLOWS:

Upon the establishment of a consolidated local government, the existing promotional lists of the merit and civil service boards of the previously existing county and city of the first class governments shall remain in effect until their normal expiration date.

CHAPTER 340

(HB 348)

AN ACT relating to worker's compensation.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 342.315 is amended to read as follows:

- (1) The commissioner shall contract with the University of Kentucky and the University of Louisville medical schools to evaluate workers who have had injuries or become affected by occupational diseases covered by this chapter. Referral for evaluation may be made to one (1) of the medical schools whenever a medical question is at issue.
- (2) The physicians and institutions performing evaluations pursuant to this section shall render reports encompassing their findings and opinions in the form prescribed by the commissioner. ***Except as otherwise provided in Section 2 of this Act,*** the clinical findings and opinions of the designated evaluator shall be afforded presumptive weight by administrative law judges and the burden to overcome such findings and opinions shall fall on the opponent of that evidence. When administrative law judges reject the clinical findings and opinions of the designated evaluator, they shall specifically state in the order the reasons for rejecting that evidence.
- (3) The commissioner or an administrative law judge may, upon the application of any party or upon his own motion, direct appointment by the commissioner, pursuant to subsection (1) of this section, of a medical evaluator to make any necessary medical examination of the employee. Such medical evaluator shall file with the commissioner within fifteen (15) days after such examination a written report. The medical evaluator appointed may charge a reasonable fee not exceeding fees established by the commissioner for those services.
- (4) Within thirty (30) days of the receipt of a statement for the evaluation, the employer or carrier shall pay the cost of the examination. Upon notice from the commissioner that an evaluation has been scheduled, the insurance carrier shall forward within seven (7) days to the employee the expenses of travel necessary to attend the evaluation at a rate equal to that paid to state employees for travel by private automobile while conducting state business.
- (5) Upon claims in which it is finally determined that the injured worker was not the employee at the time of injury of an employer covered by this chapter, the special fund shall reimburse the carrier for any evaluation performed pursuant to this section for which the carrier has been erroneously compelled to make payment.
- (6) Not less often than annually the designee of the secretary of the Cabinet for Health Services shall assess the performance of the medical schools and render findings as to whether evaluations conducted under this section are being rendered in a timely manner, whether examinations are conducted in accordance with medically recognized techniques, whether impairment ratings are in conformity with standards prescribed by the latest edition available of the "Guides to the Evaluation of Permanent Impairment" published by the American Medical Association, and whether coal workers' pneumoconiosis examinations are conducted in accordance with the standards prescribed in this chapter.
- (7) The General Assembly finds that good public policy mandates the realization of the potential advantages, both economic and effectual, of the use of telemedicine and telehealth. The commissioner may, to the extent that he finds it feasible and appropriate, require the use of telemedicine and telehealth practices, as authorized under KRS 11.550, in the independent medical evaluation process required by this chapter.

Section 2. KRS 342.316 is amended to read as follows:

- (1) (a) The employer liable for compensation for occupational disease shall be the employer in whose employment the employee was last exposed to the hazard of the occupational disease. During any period in which this section is applicable to a coal mine, an operator who acquired it or substantially all of its assets from a person who was its operator on and after January 1, 1973, shall be liable for, and secure the payment of, the benefits which would have been payable by the prior operator under this section with respect to miners previously employed in the mine if it had not been acquired by such later operator. At the same time, however, this subsection does not relieve the prior operator of any liability under this section. Also, it does not affect whatever rights the later operator might have against the prior operator; and
- (b) The time of the beginning of compensation payments shall be the date of the employee's last injurious exposure to the cause of the disease, or the date of actual disability, whichever is later.
- (2) The procedure with respect to the giving of notice and determination of claims in occupational disease cases and the compensation and medical benefits payable for disability or death due to the disease shall be the same as in cases of accidental injury or death under the general provisions of this chapter, except that notice of claim shall be given to the employer as soon as practicable after the employee first experiences a distinct manifestation of an occupational disease in the form of symptoms reasonably sufficient to apprise him that he has contracted the disease, or a diagnosis of the disease is first communicated to him, whichever shall first occur.
- (3) The procedure for filing occupational disease claims shall be as follows:
 - (a) The application for resolution of claim shall set forth the complete work history of the employee with a concise description of injurious exposure to a specific occupational disease, together with the name and addresses of the employer or employers with the approximate dates of employment. The application shall also include at least one (1) written medical report supporting his claim. This medical report shall be made on the basis of clinical or X-ray examination performed in accordance with accepted medical standards and shall contain full and complete statements of all examinations performed and the results thereof. The report shall be made by a duly-licensed physician. The commissioner shall promulgate administrative regulations which prescribe the format of the medical report required by this section and the manner in which the report shall be completed.
 1. For coal-related occupational pneumoconiosis claims, each clinical examination shall include a chest X-ray *interpretation by a National Institute of Occupational Safety and Health (NIOSH) certified "B" reader. The chest X-ray upon which the report is made shall be filed with the application*~~examination~~ as well as spirometric tests when pulmonary dysfunction is alleged.
 2. For other compensable occupational pneumoconiosis claims, each clinical examination shall include a chest X-ray examination and appropriate pulmonary function tests.
 - (b) To be admissible, medical evidence offered in any proceeding under this chapter for determining a claim for occupational pneumoconiosis resulting from exposure to coal dust shall comply with accepted medical standards as follows:
 1. Chest X-rays shall be of acceptable quality with respect to exposure and development and shall be indelibly labeled with the date of the X-ray and the name and Social Security number of the claimant. Physicians' reports of X-ray interpretations shall: identify the claimant by name and Social Security number; include the date of the X-ray and the date of the report; classify the X-ray interpretation using the latest ILO Classification and be accompanied by a completed copy of the latest ILO Classification report. *Only interpretations by National Institute of Occupational Safety and Health (NIOSH) certified "B" readers shall be admissible.*
 2. Spirometric testing shall be conducted in accordance with the standards recommended in the latest edition available of the "Guides to the Evaluation of Permanent Impairment" published by the American Medical Association and the 1978 ATS epidemiology standardization project with the exception that the predicted normal values for lung function shall not be adjusted based upon the race of the subject. The FVC or the FEV1 values shall represent the largest of such values obtained from three (3) acceptable forced expiratory volume maneuvers as corrected to BTPS (body temperature, ambient pressure and saturated with water vapor at these conditions) and the

variance between the two (2) largest acceptable FVC values shall be either less than five percent (5%) of the largest FVC value or less than one hundred (100) milliliters, whichever is greater. The variance between the two (2) largest acceptable FEV1 values shall be either less than five percent (5%) of the largest FEV1 value or less than one hundred (100) milliliters, whichever is greater. Reports of spirometric testing shall include a description by the physician of the procedures utilized in conducting such spirometric testing and a copy of the spirometric chart and tracings from which spirometric values submitted as evidence were taken.

3. The commissioner shall promulgate administrative regulations pursuant to KRS Chapter 13A as necessary to effectuate the purposes of this section. The commissioner shall periodically review the applicability of the spirometric test values contained in the latest edition available of the "Guides to the Evaluation of Permanent Impairment" published by the American Medical Association and may by administrative regulation substitute other spirometric test values which are found to be more closely representative of the normal pulmonary function of the coal mining population.
4. The procedure for determination of occupational disease claims shall be as follows:
 - a. Immediately upon receipt of an application for resolution of claim, the commissioner shall notify the responsible employer and all other interested parties and shall furnish them with a full and complete copy of the application.
 - b. The commissioner shall assign the claim to an administrative law judge and, *except for coal workers' pneumoconiosis claims*, shall promptly refer the employee to such physician or medical facility as the commissioner may select for examination. The report from this examination shall be provided to all parties of record. The employee shall not be referred by the commissioner for examination within two (2) years following any prior referral for examination for the same disease.
 - c. *Except for coal workers' pneumoconiosis claims*, within forty-five (45) days following the notice of filing an application for resolution of claim, the employer or carrier shall notify the commissioner and all parties of record of its acceptance or denial of the claim. A denial shall be in writing and shall state the specific basis for the denial. *In coal workers' pneumoconiosis claims, the employer's notice of claim denial or acceptance shall be filed within thirty (30) days of the issuance by the commissioner of the notice of the consensus reading unless the consensus is that the miner has not developed coal workers' pneumoconiosis category 1/0 or greater. In the event the consensus procedure is exhausted without consensus being established, the employer's notice of claim denial or acceptance shall be filed within thirty (30) days of the commissioner's notification to the administrative law judge that consensus has not been reached.*
 - d. *Within forty-five (45) days of assignment of a coal workers' pneumoconiosis claim to an administrative law judge, the employer shall cause the employee to be examined by a physician of the employer's choice and shall provide to all other parties and file with the commissioner the X-ray interpretation by a "B" reader. The examination of the employee shall include spirometric testing if pulmonary dysfunction is alleged by the employee in the application for resolution of a claim. The commissioner shall determine whether the X-ray interpretations filed by the parties are in consensus.*
 - e. *If the readings are not in consensus, the commissioner shall forward both films, masking information identifying the facility where the X-ray was obtained and the referring physician, consecutively to three (3) "B" readers selected randomly from a list maintained by the commissioner for interpretation. Each "B" reader shall select the highest quality film and report only the interpretation of that film. The commissioner shall determine if two (2) of the X-ray interpretations filed by the three (3) "B" readers selected randomly are in consensus. If consensus is reached, the commissioner shall forward copies of the report to all parties as well as notice of the consensus reading which shall be considered as evidence. If consensus is not reached, the administrative law judge shall decide the claim on the evidence submitted.*
 - f. *"Consensus" is reached between two (2) chest X-ray interpreters when their classifications meet one (1) of the following criteria: each finds either category A, B, or*

C Progressive Massive Fibrosis; or findings with regard to simple pneumoconiosis are both in the same major category and within one (1) minor category (ILO category twelve (12) point scale) of each other.

~~g. [d.]~~ The administrative law judge shall conduct such proceedings as are necessary to resolve the claim and shall have authority to grant or deny any relief, including interlocutory relief, to order additional proof, to conduct a benefit review conference, or to take such other action as may be appropriate to resolve the claim.

~~h. [e.]~~ Unless a voluntary settlement is reached by the parties, *or the parties agree otherwise*, the administrative law judge shall issue a written determination within ~~sixty (60)~~ *ninety (90)* days following ~~a hearing [assignment of the claim]~~. The written determination shall address all contested issues and shall be enforceable under KRS 342.305.

5. The procedure for appeal from a determination of an administrative law judge shall be as set forth in KRS ~~342.285~~ *[342.275]*.

- (4) (a) The right to compensation under this chapter resulting from an occupational disease shall be forever barred unless a claim is filed with the commissioner within three (3) years after the last injurious exposure to the occupational hazard or after the employee first experiences a distinct manifestation of an occupational disease in the form of symptoms reasonably sufficient to apprise him that he has contracted the disease, whichever shall last occur; and if death results from the occupational disease within that period, unless a claim therefor be filed with the commissioner within three (3) years after the death; but that notice of claim shall be deemed waived in case of disability or death where the employer, or his insurance carrier, voluntarily makes payment therefor, or if the incurrence of the disease or the death of the employee and its cause was known to the employer. However, the right to compensation for any occupational disease shall be forever barred, unless a claim is filed with the commissioner within five (5) years from the last injurious exposure to the occupational hazard, except that, in cases of radiation disease or asbestos-related disease, a claim must be filed within twenty (20) years from the last injurious exposure to the occupational hazard.
- (b) Income benefits for the disease of pneumoconiosis resulting from exposure to coal dust or death therefrom shall not be payable unless the employee has been exposed to the hazards of such pneumoconiosis in the Commonwealth of Kentucky over a continuous period of not less than two (2) years during the ten (10) years immediately preceding the date of his last exposure to such hazard, or for any five (5) of the fifteen (15) years immediately preceding the date of such last exposure.
- (5) The amount of compensation payable for disability due to occupational disease or for death from the disease, and the time and manner of its payment, shall be as provided for under the general provisions of the Workers' Compensation Act, but:
 - (a) In no event shall the payment exceed the amounts that were in effect at the time of the last injurious exposure;
 - (b) The time of the beginning of compensation payments shall be the date of the employee's last injurious exposure to the cause of the disease, or the date of actual disability, whichever is later; and
 - (c) In case of death where the employee has been awarded compensation or made timely claim within the period provided for in this section, and an employee has suffered continuous disability to the date of his death occurring at any time within twenty (20) years from the date of disability, his dependents, if any, shall be awarded compensation for his death as provided for under the general provisions of the Workers' Compensation Act and in this section, except as provided in KRS 342.750(6).
- (6) If an autopsy has been performed, no testimony relative thereto shall be admitted unless the employer or his representative has available findings and reports of the pathologist or doctor who performed the autopsy examination.
- (7) No compensation shall be payable for occupational disease if the employee at the time of entering the employment of the employer by whom compensation would otherwise be payable, falsely represented himself, in writing, as not having been previously disabled, laid off, or compensated in damages or otherwise, because of the occupational disease, or failed or omitted truthfully to state to the best of his knowledge, in answer to

written inquiry made by the employer, the place, duration, and nature of previous employment, or, to the best of his knowledge, the previous state of his health.

- (8) No compensation for death from occupational disease shall be payable to any person whose relationship to the deceased, which under the provisions of this chapter would give right to compensation, arose subsequent to the beginning of the first compensable disability, except only for after-born children of a marriage existing at the beginning of such disability.
- (9) Whenever any claimant misconceives his remedy and files an application for adjustment of claim under the general provisions of this chapter and it is subsequently discovered, at any time before the final disposition of the cause, that the claim for injury, disability, or death which was the basis for his application should properly have been made under the provisions of this section, then the application so filed may be amended in form or substance, or both, to assert a claim for injury, disability, or death under the provisions of this section, and it shall be deemed to have been so filed as amended on the date of the original filing thereof, and compensation may be awarded that is warranted by the whole evidence pursuant to the provisions of this chapter. When amendment of this type is submitted, further or additional evidence may be heard when deemed necessary. Nothing this section contains shall be construed to be or permit a waiver of any of the provisions of this chapter with reference to notice of time for filing of a claim, but notice of filing a claim, if given or done, shall be deemed to be a notice of filing of a claim under provisions of this chapter, if given or done within the time required by this subsection.
- (10) When an employee has an occupational disease that is covered by this chapter, the employer in whose employment he was last injuriously exposed to the hazard of the disease, and the employer's insurance carrier, if any, at the time of the exposure, shall alone be liable therefor, without right to contribution from any prior employer or insurance carrier, except as otherwise provided in this chapter.
- (11) (a) Income benefits for coal-related occupational pneumoconiosis shall be paid fifty percent (50%) by the Kentucky coal workers' pneumoconiosis fund as established in KRS 342.1242 and fifty percent (50%) by the employer in whose employment the employee was last exposed to the hazard of that occupational disease.
- (b) Compensation for all other occupational disease shall be paid by the employer in whose employment the employee was last exposed to the hazards of the occupational disease.
- (12) A concluded claim for benefits by reason of contraction of coal workers' pneumoconiosis in the severance or processing of coal shall bar any subsequent claim for benefits by reason of contraction of coal workers' pneumoconiosis, unless there has occurred in the interim between the conclusion of the first claim and the filing of the second claim at least two (2) years of employment wherein the employee was continuously exposed to the hazards of the disease in the Commonwealth.
- (13) ***For coal-related occupational pneumoconiosis claims, the consensus procedure shall apply to all claims which have not been assigned to an administrative law judge prior to the effective date of this Act. The consensus classification shall be presumed to be the correct classification of the employee's condition unless overcome by clear and convincing evidence. If an administrative law judge finds that the presumption of correctness of the consensus reading has been overcome, the reasons shall be specially stated in the administrative law judge's order.***

Section 3. KRS 342.732 is amended to read as follows:

- (1) Notwithstanding any other provision of this chapter, income benefits and retraining incentive benefits for occupational pneumoconiosis resulting from exposure to coal dust in the severance or processing of coal shall be paid as follows:
 - (a) ***1.*** If an employee has a radiographic classification of category ***1/0, 1/1 or 1/2***~~, based on the latest ILO International Classification of Radiographics, resulting from exposure to coal dust, which is validated by report of X ray which conforms to the standards for X rays contained in subsection (3) of KRS 342.316, and respiratory impairment resulting from exposure to coal mine dust as evidenced by spirometric test values of fifty five percent (55%) or more but less than eighty percent (80%) of the predicted normal values contained in the chapter on the respiratory system of the latest edition available of the "Guides to the Evaluation of Permanent Impairment" of the American Medical Association~~, ***coal workers' pneumoconiosis and spirometric test values of eighty percent (80%) or more***, the employee shall be awarded a one (1) time only retraining incentive benefit which shall be an amount equal to sixty-six and two-thirds percent (66-2/3%) of

the employee's average weekly wage as determined by KRS 342.740 but not more than seventy-five percent (75%) of the state average weekly wage, payable semimonthly for a period not to exceed one hundred four (104) weeks, *except as provided in subparagraph 3. of this paragraph.*

2. *Except as provided in subparagraph 3. of this paragraph,* these benefits shall be paid only while the employee is enrolled and actively and successfully participating as a full-time student taking *the equivalent of twelve (12) or more credit*~~[twenty-four (24) or more instruction]~~ hours per week in a bona fide training or education program *that if successfully completed will qualify the person completing the course for a trade, occupation, or profession and which program can be completed within the period benefits are payable under this subsection. The program must be* approved under administrative regulations to be promulgated by the commissioner. *These benefits shall also be paid to an employee who is a part-time student taking not less than the equivalent of six (6) nor more than eleven (11) credit hours per week, except that benefits shall be an amount equal to thirty-three and one-third percent (33-1/3%) of the employee's average weekly wage as determined by KRS 342.740, but not more than thirty-seven and one-half percent (37-1/2%) of the state average weekly wage, payable biweekly for a period not to exceed two hundred eight (208) weeks.*
3. *These benefits shall also be paid biweekly while an employee is actively and successfully pursuing a General Equivalency Diploma (GED) in accordance with administrative regulations promulgated by the commissioner. These benefits shall be paid in the amount of sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage not to exceed seventy-five percent (75%) of the state average weekly wage for a maximum period not to exceed seventeen (17) weeks. These income benefits shall be in addition to the maximum amount of retraining incentive benefits payable under this paragraph.*
4. The employer shall also pay, directly to the institution conducting the training or education program, instruction, tuition, and material costs not to exceed five thousand dollars (\$5,000).~~{ The benefit shall not be paid for a period in which the employee ceases to participate in the program. In no event shall the benefit be paid to the employee while the employee is working in the mining industry in the severance and processing of coal as defined in KRS 342.0011(23)(a). }~~
5. The period off~~[one hundred four (104)]~~ weeks during which this benefit is payable shall begin no later than the *thirtieth*~~[one hundred eightieth]~~ day after the *administrative law judge's* order awarding the benefit becomes final *except that an employee may elect to defer the beginning of such benefits up to the three hundred sixty-fifth day following the thirtieth day the order becomes final. Unless the employee has requested deferral of income benefits, those income benefits payable under subparagraphs 1. and 2. of this paragraph shall begin no later than thirty (30) days following conclusion of income benefits paid under subparagraph 3. if such benefits were paid.*
6. *If an employee who is awarded retraining incentive benefits under this paragraph successfully completes a bona fide training or education program approved by the commissioner, upon completion of the training or education program, the employer shall pay to that employee the sum of five thousand dollars (\$5,000) for successful completion of a program that requires a course of study of not less than twelve (12) months nor more than eighteen (18) months, or the sum of ten thousand dollars (\$10,000) for successful completion of a program that requires a course of study of more than eighteen (18) months. This amount shall be in addition to retraining incentive benefits awarded under this paragraph, and tuition expenses paid by the employer*~~{ If an employee completes an approved program of training in less than one hundred four (104) weeks and that employee has accepted a bona fide offer of employment at a location more than fifty (50) miles from the employee's usual residence in the field for which the employee has been trained, the employee shall be paid in a lump sum for relocation the lesser of the sum of three thousand dollars (\$3,000) or the amount remaining in unpaid weekly training benefits as provided by this section. }~~
7. *An employee who is age fifty-seven (57) years or older on the date of last exposure and who is awarded retraining incentive benefits under subparagraph 1. to 4. of this paragraph, may elect to receive in lieu of retraining incentive benefits, an amount equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage, not to exceed seventy-five percent*

(75%) of the state average weekly wage as determined by KRS 342.740 multiplied by the disability rating of twenty-five percent (25%) for a period not to exceed four hundred twenty-five (425) weeks, or until the employee reaches sixty-five (65) years of age, whichever occurs first, KRS 342.730(4) notwithstanding.

8. *A claim for retraining incentive benefits provided under this section may be filed, but benefits shall not be payable, while an employee is employed in the severance or processing of coal as defined in KRS 342.0011(23).*
 9. *If an employer appeals an award of retraining incentive benefits, upon an employee's motion, an administrative law judge may grant retraining incentive benefits pending appeal as interlocutory relief.*
 10. *If an employee elects to defer payment of retraining incentive benefits for a period of retraining longer than three hundred sixty-five (365) days, benefits otherwise payable shall be reduced week-for-week for each week retraining benefits are further deferred.*
- (b) 1. *If an employee has a radiographic classification of category 1/0, 1/1, or 1/2 coal workers' pneumoconiosis and respiratory impairment evidenced by spirometric test values of fifty-five percent (55%) or more but less than eighty percent (80%) of the predicted normal values, or category 2/1, 2/2, or 2/3 coal workers' pneumoconiosis and spirometric test values of eighty percent (80%) or more of the predicted normal values, there shall be an irrebuttable presumption that the employee has a disability rating of twenty-five percent (25%) resulting from exposure to coal dust, and the employee shall be awarded an income benefit which shall be an amount equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage, but not to exceed seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740 multiplied by the disability rating of twenty-five percent (25%). The award shall be payable for a period not to exceed four hundred twenty-five (425) weeks.*
2. *An employee who is awarded benefits under this paragraph may, at the time of the award or before benefit payments begin, elect to receive retraining incentive benefits provided under subparagraphs 1. to 6. of paragraph (a) of this subsection, in lieu of income benefits awarded under this paragraph, provided that such option is available one (1) time only and is not revokable, and provided that in no event shall income benefits payable under this paragraph be stacked or added to retraining incentive income benefits paid or payable under subparagraphs 1. to 6. of paragraph (a) of this subsection to extend the period of disability.*

- (2) The presence of respiratory impairment resulting from exposure to coal dust shall be established by using the largest forced vital capacity (FVC) value or the largest forced expiratory volume in one second (FEV1) value determined from the totality of all such spirometric testing performed in compliance with accepted medical standards.
- (3) When valid spirometric tests are not provided and a physician certifies to the administrative law judge that spirometric testing is not medically indicated because of the permanent physical condition of the employee, the administrative law judge shall make his decision on the basis of evidence admitted which establishes the existence of a diagnosis of occupational pneumoconiosis and respiratory impairment due to the occupational pneumoconiosis. The evidence submitted by the employee shall include one (1) or more arterial blood gas studies performed in accordance with accepted medical standards. Income benefits shall not be awarded in the absence of valid spirometric tests if the claimant's PO2 arterial blood gas value is equal to or higher than one (1) standard deviation from the normal value obtained by the formula $(103.5 - 0.42X)$, where X equals the claimant's age at the time of the arterial blood gas study.
- (4) *Upon request, the commissioner shall refer an employee who has been awarded retraining incentive benefits under subsection (1)(a) of this section to the Department of Vocational Rehabilitation for evaluation and assessment of the training, education, or other services necessary to prepare the employee for a trade, occupation, or profession that will return the employee to remunerative employment, or services necessary and appropriate to prepare and enable the employee to successfully complete a bona fide training or education program approved by the commissioner. The commissioner shall contract with the Department of Vocational Rehabilitation to provide vocational rehabilitation or education services commensurate with the skill levels and abilities of the employee. Services provided under this subsection shall be funded by the coal workers' pneumoconiosis fund, KRS 342. 1242 notwithstanding.*
- (5) *The commissioner shall promulgate administrative regulations sufficient to effectuate the provisions relating to retraining incentive benefits provided under subsection (1)(a) of this section. The administrative regulations shall:*
 - (a) *Define a "bona fide training or education program" to mean a postsecondary education or training program, including but not limited to the postsecondary programs registered with the Higher Education Assistance Authority, and successful completion of which will qualify the person*

completing the course for a trade, occupation, or profession, and which program can be completed within the period benefits are payable under subsection (1)(a) of this section;

- (b) Establish requirements for approval and certification of a bona fide training or education program;*
 - (c) Provide that funds paid to the training or education program by the employer as required under subsection (1)(a)4. of this section shall be applied only to instruction, tuition, material costs, and any fees necessary for the completion of the program;*
 - (d) Establish requirements for successful participation in and completion of an approved and certified bona fide training or education program, and eligibility standards that must be satisfied to receive sums to be paid by the employer pursuant to subsection (1)(a)6. of this section; and*
 - (e) Establish attendance, performance and progress standards, and reporting requirements in consultation with the Department of Adult Education and Literacy as conditions that must be satisfied to receive retraining incentive income benefits pursuant to subsection (1)(a)3. of this section.*
- (6) In no event shall income benefits awarded under this section be stacked or added to income benefits awarded under KRS 342.730 to extend the period of disability and in no event shall income or retraining incentive benefits be paid to the employee while the employee is working in the mining industry in the severance or processing of coal as defined in KRS 342.0011(23)(a).*

SECTION 4. A NEW SECTION OF KRS CHAPTER 342 IS CREATED TO READ AS FOLLOWS:

- (1) The claim of any miner last exposed to the occupational hazards of coal workers' pneumoconiosis between December 12, 1996, and the effective date of this Act shall nonetheless be governed by the provisions of Section 3 of this Act and notwithstanding the provisions of KRS 342.125 all claims for benefits which were filed for last injurious occupational exposure to coal dust occurring between December 12, 1996, and the effective date of this Act shall be considered pursuant to the provisions of Section 3 of this Act and administrative regulations promulgated by the commissioner, and closed claims, except claims dismissed for reasons other than failure to meet medical eligibility standards, may be reopened by the claimant. Income or retraining incentive benefits shall be awarded thereon as if the entitlement standards established by the amendments to Section 3 of this Act were effective at the time of last exposure. Any benefits previously granted by an award or settlement shall be credited against any subsequent award or settlement and no interest shall be payable on additional benefits. A previous grant of retraining incentive benefits shall be credited only to the extent that the benefits were actually paid. All income or retraining incentive benefits greater than those which would have been awarded were not these new provisions applicable shall be paid without interest from the Kentucky coal workers' pneumoconiosis fund, the provisions of KRS 342.1242 notwithstanding.*
- (2) The original claim of any miner last exposed to the occupational hazards of coal workers' pneumoconiosis prior to December 12, 1996, which was subject to a university evaluation pursuant to Section 1 of this Act and was dismissed upon a finding that the miner did not prove the presence of coal workers' pneumoconiosis radiographically may be reopened by the claimant notwithstanding the provisions of KRS 342.125, pursuant to administrative regulations adopted by the commissioner. Income benefits may be awarded thereon pursuant to entitlement standards effective as of the date of last exposure, except the income or retraining benefits shall be paid without interest from the Kentucky coal workers' pneumoconiosis fund, the provisions of KRS 342.1242 notwithstanding.*
- (3) Notwithstanding the provisions of subsection (4)(a) of Section 2 of this Act, the coal workers' pneumoconiosis claim of any miner last exposed between December 12, 1996, and the effective date of this Act, may be filed with the commissioner on or before December 12, 2003, or within the time frame prescribed by subsection (4)(a) of Section 2 of this Act, whichever is longer. All income or retraining incentive benefits greater than those which would have been awarded were not these new provisions applicable shall be paid by the Kentucky coal workers' pneumoconiosis fund without interest, the provisions of KRS 342.1242 notwithstanding.*
- (4) Administrative regulations promulgated by the commissioner pursuant to subsections (1) and (2) of this section shall provide that chest X-rays previously taken at university medical schools pursuant to Section 1 of this Act shall be obtained by the commissioner and forwarded to three (3) randomly selected "B" readers for determination of consensus pursuant to subsection (3)(b)4.e. of Section 2 of this Act. The claim shall be*

assigned to an administrative law judge for determination of whether the claim should be reopened and the award of additional benefits, if any.

SECTION 5. A NEW SECTION OF KRS CHAPTER 342 IS CREATED TO READ AS FOLLOWS:

- (1) *The commissioner shall maintain a list of duly qualified "B" reader physicians who are licensed in the Commonwealth. The list shall include "B" reader physicians at the university medical schools and other "B" reader physicians certified by the National Institute of Occupational Safety and Health (NIOSH) who have agreed to interpret chest X-rays pursuant to Section 2 of this Act for a fee to be fixed by the commissioner and paid by the Kentucky coal workers' pneumoconiosis fund, the provisions of KRS 342.1242 notwithstanding.*
- (2) *Physicians from the "B" reader list shall be utilized as necessary to obtain consensus classifications of chest films in coal workers' pneumoconiosis claims. The consensus classification shall be presumed to be the correct classification of the employee's condition unless overcome by clear and convincing evidence. If an administrative law judge finds that the presumption of correctness of the consensus reading has been overcome, the reasons shall be specially stated in the administrative law judge's order.*
- (3) *"B" reader" means a physician who has demonstrated proficiency in evaluating chest roentgenograms for roentgenographic quality and in the use of the ILO classification for interpreting chest roentgenograms for pneumoconiosis and other diseases by taking and passing a specially designed proficiency examination given on behalf of the National Institute of Occupational Safety and Health (NIOSH) or by the Appalachian Laboratory for Occupational Safety and Health (ALOSH), or successors.*
- (4) *The university medical schools in consultation with the commissioner shall jointly develop a procedure to annually report the performance of physicians on the "B" reader list who have participated in the consensus procedure established in Section 2 of this Act. The physicians shall be evaluated with respect to the timeliness and completeness of their reports, as well as the frequency at which the physician's classification of X-rays differs from the consensus reading. The commissioner shall remove a physician from the "B" reader list if the physician consistently renders incomplete or untimely reports, or if the physician's interpretations of X-rays are not in conformity with the consensus reading fifty percent (50%) of the time. The report required under this subsection shall be provided to the Interim Joint Committee on Labor and Industry beginning in July 1, 2003 and by July 1 of each year thereafter.*

SECTION 6. A NEW SECTION OF KRS CHAPTER 342 IS CREATED TO READ AS FOLLOWS:

- (1) *Notwithstanding any provisions of the KRS to the contrary, every employer engaged in the severance or processing of coal, as defined in KRS 342.0011, at its principal office and such other locations where employees customarily report for payroll and personnel matters, shall conspicuously post a notice advising employees of the education and training opportunities available under this chapter. The notice shall include:*
 - (a) *Toll-free telephone numbers for the:*
 1. *Department of Workers' Claims;*
 2. *Kentucky Community and Technical College System; and*
 3. *Kentucky Higher Education Assistance Authority;*
 - (b) *Telephone numbers for the local board of education and centers for adult education and literacy; and*
 - (c) *A list of approved education and training programs available to employees engaged in the severance or processing of coal.*

CHAPTER 342**(HB 174)**

AN ACT relating to environmental protection.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 224.43-010 is amended to read as follows:

- (1) It is hereby declared to be the policy of this Commonwealth and the purpose of this chapter to provide for the management of solid waste, including reduction, collection, transportation, and disposal in a manner that will protect the public health and welfare, prevent the spread of disease and creation of nuisances, conserve our natural resources, and enhance the beauty and quality of our environment.
- (2) It is the policy of the Commonwealth to limit and reduce the amount of solid waste disposed in municipal solid waste disposal facilities in the Commonwealth ***through reduction in the amount of waste generated, reuse of***

solid waste, waste recycling or yard waste composting, and resource recovery, and to encourage a regional approach to solid waste management.

- (3) *It is the policy of the Commonwealth that municipal solid waste disposal facilities that ceased accepting waste before July 12, 1992, undergo proper closure, characterization, and corrective action.*
- (4) It is the policy of the Commonwealth that a comprehensive and integrated waste management system to handle solid waste is to be fostered. State policies and funding assistance shall reflect a preference for *projects and practices consistent with the policies and goals established by this section and the following*~~[solid waste management practices according to the following priority]~~:
 - (a) *Education of the citizens of the Commonwealth regarding proper disposal of waste;*
 - (b) *Collection and proper disposal of all of solid waste for proper management;*
 - (c) *Elimination of illegal dumps throughout the Commonwealth; and*
 - (d) *Abatement of litter on state and county rights-of-way*~~[Reduction in the amount of waste generated;~~
 - ~~(b) — Reuse of solid waste;~~
 - ~~(c) — Waste recycling or yard waste composting;~~
 - ~~(d) — Resource recovery through mixed municipal solid waste composting or incineration;~~
 - ~~(e) — Land disposal in publicly owned landfills or incineration of solid waste without energy recovery; and~~
 - ~~(f) — Land disposal in landfills other than publicly owned landfills].~~
- (5)~~[(4)]~~ It is *the policy of the Commonwealth that existing illegal open dumps be eliminated and that new open dumps be prevented*~~[further the goal of this Commonwealth that the amount by weight of municipal solid waste disposed at municipal solid waste disposal facilities shall be reduced by a minimum of twenty five percent (25%) by July 1, 1997, as compared to fiscal year 1993 on a statewide per capita basis. However, credit shall be given for reductions achieved prior to 1993 when accurate measurements are available. The reduction goal shall not apply to special wastes as designated by KRS 224.50-760 or industrial solid waste].~~
- (6) *The General Assembly finds that counties and waste management districts, when enabled by complete and accurate information relating to the municipal solid waste collection and management practices within the solid waste management area, are in the best position to make plans for municipal solid waste collection services for its citizens. The General Assembly also finds that assistance from the cabinet, combined with state financial incentives, can aid counties and waste management districts with implementing solid waste management plans.*
- (7) *The General Assembly finds that the goal of reducing the amount of solid waste disposed of in municipal solid waste disposal facilities cannot be achieved without first identifying the amount of municipal solid waste generated statewide per capita, including the waste now disposed of in open dumps, and providing incentives for the elimination of existing open dumps and the prevention of new open dumps.*

SECTION 2. A NEW SECTION OF SUBCHAPTER 43 OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

- (1) *As used in this section:*
 - (a) *"Environmental remediation fee" means a one dollar and seventy-five cents (\$1.75) fee paid per ton of waste by generators of waste and collected at transfer stations and waste disposal facilities that is in addition to all other applicable fees and taxes assessed prior to January 1, 2003;*
 - (b) *"Transfer station" means a facility permitted by the cabinet where waste is transferred from one (1) vehicle to another for transportation to a municipal solid waste disposal facility; and*
 - (c) *"Public road" means any city, county, state, federal, or limited access street, highway, or turnpike, including bridges and bridge approaches.*
- (2) *The environmental remediation fee levied under this section is in addition to all other applicable fees and taxes assessed prior to January 1, 2003. Notwithstanding any law, franchise, or contract to the contrary, the owner or operator of a transfer station or municipal solid waste disposal facility, or the person who collects*

waste and delivers such waste to a transfer station or municipal solid waste disposal facility may pass through and obtain from the generator any environmental remediation fee required under this section.

- (3) Beginning January 1, 2003, an environmental remediation fee of one dollar and seventy-five cents (\$1.75) per ton of waste shall be paid by generators of waste to be disposed of at a municipal solid waste disposal facility and collected by waste transfer stations or municipal solid waste disposal facilities in the Commonwealth. No environmental remediation fee shall be collected at a municipal solid waste disposal facility on waste for which the fee has been paid at a transfer station to the disposal facility. The cabinet shall, by administrative regulation, adopt a conversion formula to allow assessment of the fee by transfer stations that do not have scales. For loads of waste weighing less than one (1) ton, the environmental remediation fee shall be one dollar and seventy-five cents (\$1.75).*
- (4) Not later than thirty (30) days following the last day of each calendar quarter, every owner or operator of a transfer station or municipal solid waste disposal facility shall remit to the cabinet the environmental remediation fee collected during the prior quarter, with a report stating the number of tons of waste for which the environmental remediation fee was collected.*

SECTION 3. A NEW SECTION OF SUBCHAPTER 43 OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

- (1) A trust fund known as the Kentucky Pride Fund is hereby established in the State Treasury to receive money collected from environmental remediation fees established in Section 2 of this Act. The fund shall be used to accomplish the purposes established in this section. Any money accruing to the fund in any fiscal year shall not lapse but shall be carried forward to the next fiscal year. The fund may also receive state appropriations, gifts, grants, and federal funds. All interest earned on money in the fund shall be credited to the fund.*
- (2) The cabinet shall administer the Kentucky Pride Fund as provided by this section and any administrative regulations promulgated pursuant thereto. Money from the fund received by the cabinet shall be distributed as follows:*
 - (a) Five million dollars (\$5,000,000) of the money deposited into the fund each year shall be retained by the cabinet, subject to the following conditions:*
 - 1. The cabinet may use up to two and one-half million dollars (\$2,500,000) of the money deposited into the fund as necessary for direct costs associated with site identification, characterization, and corrective action assessments of solid waste disposal sites and facilities that have ceased accepting waste before July 1, 1992, including former permitted municipal solid waste disposal facilities or abandoned solid waste disposal sites or facilities. The cabinet shall prioritize the sites and facilities based on risks to human health, safety, and the environment, and develop an implementation plan for closure and remediation of those sites and facilities. The cabinet shall present the implementation plan to the Interim Joint Committee on Appropriations and Revenue no later than July 1, 2003. Funds may be utilized to begin design and implementation of proper closure and corrective action for those sites and facilities with unabated pending violations.*
 - 2. The cabinet shall suspend until July 2006 enforcement activity regarding landfill closure and remediation obligations against formerly permitted municipal solid waste disposal facilities owned by a city or county that ceased accepting waste prior to July 1, 1992, except as necessary to abate an environmental emergency.*
 - 3. The cabinet shall develop for presentation to the Interim Joint Committee on Appropriations and Revenue no later than December 31, 2003, a plan for state assumption of responsibility for closure and remedial obligations of formerly permitted city and county municipal solid waste landfills that ceased accepting waste prior to July 1, 1992, including recommendations on funding such obligations.*
 - 4. The cabinet shall develop for presentation to the Interim Joint Committee on Appropriations and Revenue no later than December 31, 2004, a plan for closure and remediation of all identified abandoned solid waste sites and facilities, including recommendations on funding such obligations.*
 - 5. Two and one-half million dollars (\$2,500,000) per year shall be used to pay debt service on bonds to be sold by the Kentucky Infrastructure Authority in the amount of at least twenty-five*

million dollars (\$25,000,000), with all proceeds from the issuance and sale of these bonds to be deposited in the Kentucky Pride Fund established in Section 3 of this Act and utilized for undertaking closure and corrective action at formerly permitted solid waste disposal facilities or abandoned solid waste sites or facilities that ceased accepting waste prior to July 1, 1992, which pose the most significant environmental or human health risk. Moneys not appropriated for the identification and characterization of orphaned or abandoned landfills, or debt service, may be used for the elimination of illegal open dumps, direct costs associated with the closure of orphaned landfills, or additional debt service.

- (b) The interest on all moneys deposited into the fund including unused debt services shall be distributed annually in an amount not to exceed one million dollars (\$1,000,000) to the Kentucky Environmental Education Council for implementation of the environmental education center component of the Environmental Education Master Plan;*
- (c) The remaining balance of the funds from the environmental remediation fee established in Section 2 of this Act shall be utilized by the cabinet for the elimination of illegal open dumps in the counties of the Commonwealth, subject to the following provisions:*
 - 1. The cabinet shall prioritize expenditures from this fund among those counties with approved solid waste management plans in order to address those illegal open dumps posing the most significant public health and environmental risks;*
 - 2. During the first funding year, the cabinet shall use the balance of funds from the environmental remediation fee to reimburse counties semiannually for seventy-five percent (75%) of the costs relating to the cleanup of illegal open dumps it has identified as presenting the most significant public health and environmental risks;*
 - 3. After the first funding year, the cabinet shall reimburse counties semiannually for seventy-five percent (75%) of the direct expense of eliminating illegal open dumps providing they:*
 - a. Establish an effective universal municipal solid waste collection service that is available to all county residences and businesses;*
 - b. Employ a solid waste coordinator with enforcement powers;*
 - c. Remain in compliance with an approved solid waste management plan under this chapter;*
 - d. Enter into agreement with the cabinet to eliminate all identified illegal open dumps containing solid waste;*
 - e. Agree to use all legal methods at their disposal to collect delinquent solid waste collection fees; and*
 - f. Establish a committee to be designated as the clean county committee, composed of representatives from business, schools, agriculture, homemakers, and other concerned citizens, to increase awareness and develop education and enforcement strategies to keep the county free of litter and illegal open dumps.*
 - 4. Counties that meet the requirements set out above in subparagraph 3. of this paragraph shall be provided the following incentives and rewards by the cabinet:*
 - a. Extra points when applying for Land and Water Conservation Fund grants, National Recreation Trails Funds grants, and funding from the state-funded Community Rivers and Streams Program; and*
 - b. Priority consideration for funds from the Division of Conservation State Cost Share Program for dumps on farmland and the Waste Tire Trust Fund for tire dumps; and*
 - 5. The cabinet may waive the matching requirement of subsection (3) of this section for illegal dump cleanup within a county during any year in which the county demonstrates that it has enacted and enforced an ordinance mandating collection by all households and businesses in a universal collection program.*

- (d) *Two and one-half million dollars (\$2,500,000) shall be transferred in each of the fiscal years 2002-03 and 2003-04 and annually thereafter from the Road Fund established in KRS 48.010(13)(g) and two and one-half million dollars (\$2,500,000) shall be transferred in each of the fiscal years 2002-03 and 2003-04 and annually thereafter from the Highway Construction Contingency Fund to the Kentucky Pride Fund established in Section 3 of this Act, to be reserved and distributed semiannually for anti-litter control programs with distributions to be made as follows:*
1. *Thirty-three and one-third percent (33-1/3%) of the money shall be distributed semiannually based on each county's miles of public roads as a percentage of the total miles of public roads in the Commonwealth at the time of distribution;*
 2. *Thirty-three and one-third percent (33-1/3%) of the money shall be distributed semiannually based on the county's rural population as a percentage of the total rural population of the Commonwealth at the time of distribution. "Rural population" means the population residing outside a city, town, or urban area with a population of two thousand five hundred (2,500) persons or more;*
 3. *Thirty-three and one-third percent (33-1/3%) of the money shall be distributed semiannually based on the county's population as a percentage of the total population of the Commonwealth at the time of distribution;*
 4. *Of the moneys apportioned to counties on the basis of miles of public roads and population as provided for in subparagraphs 1. and 3. of this paragraph, the cabinet shall provide to the participating incorporated cities within the jurisdiction of each respective county which, by ordinance or other means, provides municipal solid waste collection service, an amount of funds equal to the ratio of that city's total miles of public roads in the county and the ratio of that city's population to the population of the county, to be used for the purpose of litter cleanup on public roads within city boundaries; and*
 5. *Moneys received by counties and cities pursuant to this subsection shall be used to meet obligations with respect to the litter cleanup of public roads required by the provisions of Section 6 of this Act.*
- (3) *Prior to providing the financial assistance provided under paragraphs (c) and (d) of subsection (2) of this section, the cabinet shall require a county to provide a match of twenty-five percent (25%) of the total amount of the financial assistance to be provided by the cabinet. The match provided by the county may be in-kind.*
- (4) *The cabinet shall be reimbursed for reasonable costs related to the implementation of the provisions of this section, not to exceed seven hundred fifty thousand dollars (\$750,000) annually. The cabinet shall report to the General Assembly at its regular session in 2003 regarding costs and expenditures relating to the provisions of this section.*

Section 4. KRS 224.43-310 is amended to read as follows:

- (1) The Natural Resources and Environmental Protection Cabinet of the Commonwealth of Kentucky is designated as the official planning and management agency of the Commonwealth of Kentucky in the field of solid waste. The cabinet shall have primary responsibility for coordinating the solid waste planning and management activities of waste management districts, counties, cities, area development districts, and any combination thereof and for the approval of solid waste management facilities. In doing so it shall be the goal of the cabinet to reduce the amount of solid waste disposed in municipal solid waste disposal facilities within the Commonwealth and to encourage regional management of solid waste.
- (2) The cabinet shall have the primary responsibility to develop, review, report on, and triennially update a statewide solid waste reduction and management plan. A draft plan shall be prepared and made available for public inspection by December 1, 1991; a proposed final plan shall be submitted to the General Assembly by February 1, 1992; and a final plan shall be submitted to the General Assembly by March 1, 1992. The plan shall be designed to address the following:

Section 13. KRS 109.011 is amended to read as follows:

The General Assembly of the Commonwealth of Kentucky hereby finds, determines, and declares, as follows:

- (1) That an ever-increasing volume of solid waste both within and outside the Commonwealth is being generated as a result of increasing economic and commercial activity, continuing technological progress, and changes in methods of manufacturing, packaging, and marketing of consumer products, which results in additional solid wastes discarded by the users of these products;
- (2) That the continued economic and population growth of the Commonwealth has required increased industrial and commercial expansion and has made necessary the demolition of obsolete structures, the construction of new structures, the provision of highways and other avenues of transportation, and the construction and installation of public works which, together with pre-existing commercial, industrial, and agricultural operations, have resulted in the generation of further volumes of solid waste;
- (3) That the handling of solid wastes has been primarily carried out through the dumping of wastes on open soil and in landfills, which in some cases are inimical to the public health, safety, and welfare;
- (4) That by the enactment by the Congress of the United States of the Resource Conservation and Recovery Act of 1976 (Public Law 94-580), as amended, the collection, sanitary disposal, and recovery of solid waste has been determined to be a matter of nationwide importance, recognizing that the management of solid waste should continue to be primarily the function of state, regional, and local agencies; and that pursuant to this federal law, the Commonwealth has taken and will take certain actions in respect to the planning and implementation of solid waste plans within the guidelines of time requirements set forth in this federal law;
- (5) That as a result of the conditions described in the foregoing findings, problems of solid waste collection, management, and treatment, and resource recovery activities in connection therewith have become a matter of statewide concern necessitating action by the General Assembly to:

- (a) Enable responsible planning and management agencies to be created to define solid waste management requirements, with all of the foregoing subject to regulation by the Natural Resources and Environmental Protection Cabinet;
 - (b) Assist those units of government primarily responsible for the management of solid waste and the acquisition, financing and operation of facilities to dispose of solid waste to fulfill their functions in a responsible and proper manner with primary emphasis on the regionalization of these functions; and
 - (c) Reduce the amount of solid waste generated and disposed in Kentucky;
- (6) That it is the intent of the General Assembly of the Commonwealth of Kentucky that the primary responsibility for adequate solid waste collection, management, treatment, disposal, and resource recovery shall rest with combinations of counties and waste management districts, subject to standards set by administrative regulations adopted by the Natural Resources and Environmental Protection Cabinet. In those cities currently operating solid waste management systems, the city and county may assume joint responsibility of preparing a solid waste management plan. If it is in the best public interest to do so and with the mutual agreement of both the county and city, a county may delegate responsibility for adequate collection, management, treatment, disposal, or materials recovery to a city. This delegation of responsibility is contingent upon the approval of a solid waste management plan by the cabinet. The purpose of delegating responsibilities shall be to effectuate the safe and sanitary management, use, and handling of solid waste, the protection of the health, welfare, and safety of the citizens and inhabitants of the Commonwealth, and for making the most efficient use of all resources for the benefit of the citizens and inhabitants of the Commonwealth;
- (7) That the General Assembly recognizes the generation of solid waste is inevitable, but much of it is unnecessary and should be discouraged. However, where solid waste does exist, it should be considered to the extent possible as a valuable resource, and be made use of wherever and whenever desirable and economically justifiable. Therefore, it shall be the policy of the Commonwealth to, above all things, encourage resource conservation and preservation of our natural resources before waste contributes in a needless fashion to the volumes of solid waste and litter produced by our society; but in dealing with existing solid waste, materials recovery from the solid waste stream is deemed to be the most environmentally sound alternative for handling waste;
- (8) It is not the intent of this chapter to prohibit or discourage the participation of the private sector in any aspect of solid waste management. Moreover, it is preferable for solid waste management functions to be performed by the private sector when it is in the best interests of the public and conforms with the policies and provisions in this chapter;
- (9) It is the intent of the General Assembly that counties and waste management districts cooperate to develop and implement the solid waste management plans mandated by KRS Chapter 224 and the administrative regulations adopted by the cabinet with the goal of regionalizing the management of solid waste;
- (10) It is the intent of the General Assembly that waste requiring disposal in municipal solid waste disposal facilities be reduced and that solid waste be managed in an environmentally protective manner;
- (11) Notwithstanding any provision of KRS Chapters 82, 83, and 94, it is the intent of the General Assembly that this chapter and KRS 67.083(3)(o) provide counties with authority to develop a solid waste management system for solid waste generated within the geographical boundaries of the county, consistent with the provisions of this chapter and KRS Chapter 224. It is further the intent of the General Assembly that cities be authorized to finance, own, and operate solid waste management systems with the consent of the county or by contract with the county, except that in the event a county fails to submit a solid waste management plan pursuant to KRS Chapter 224 cities may proceed to develop solid waste management systems consistent with administrative regulations adopted by the cabinet pursuant to KRS Chapter 224. Cities that develop solid waste management facilities pursuant to this section shall have all the powers and restrictions set forth for counties in KRS 109.041, 109.056, **and** 109.059~~, and 109.062~~; and
- (12) It is the intent of the General Assembly that waste management districts which are formed and operated under this chapter shall comply with the standards set by administrative regulations adopted by the cabinet pursuant to KRS Chapter 224.

Section 14. KRS 109.041 is amended to read as follows:

- (1) In addition to all other powers enumerated in Chapter 67 and other sections of the Kentucky Revised Statutes, counties, acting by and through their fiscal courts, may own and hold the permit for, plan, initiate, acquire,

construct, and maintain solid waste management facilities, enter into contracts or leases with private parties for the design, construction, or operation of a publicly-owned solid waste management facility, and adopt administrative regulations with respect thereto in accordance with this chapter. It is hereby determined and declared that in the implementation, acquisition, financing, and maintenance of solid waste management facilities, and in the enforcement of their use, counties will be performing state functions duly delegated to them for the public welfare. In such regard, the right of counties to condemn land necessary for the acquisition of solid waste management facilities pursuant to the Eminent Domain Act of Kentucky and to exercise the police power in respect thereto is confirmed. Any county may contract with third parties for the management by public or private means of solid waste within the county.

- (2) No solid waste management facility shall be acquired and constructed until the construction thereof has been approved in writing by the cabinet. Planning for a solid waste management facility shall be conducted in accordance with the policy set forth in KRS 109.011(7) and KRS Chapter 224.
- (3) ~~Except as provided in KRS 109.062, 1~~No county or waste management district shall prohibit or otherwise restrict materials recovery by:
 - (a) Any materials recovery operation in existence in the county or district on the effective date of the mandatory program;
 - (b) Any person supplying material to materials recovery operations on the effective date of the mandatory program;
 - (c) Any new materials recovery operation that reclaims the same type of materials as materials recovery operations included in paragraph (a) of this subsection;
 - (d) Any new suppliers to materials recovery operations included in paragraphs (a) and (c) of this subsection;
 - (e) Any materials recovery operation for glass, plastic, or metal beverage containers, unless a commitment has been made by a local government or other political subdivision of the state, by ordinance or contract, to a solid waste project consistent with the provisions of this chapter, that is dependent upon the materials recovery of glass, plastic, or metal beverage containers to meet its financial obligations for said project, and such commitment has been made prior to the operation of any other such materials recovery facility in the county or district; or
 - (f) Any other materials recovery operation within the county or district not included in paragraphs (a) through (e) of this subsection or the supply of materials to such operation unless it is established that such operation would jeopardize the ability of a local government or other political subdivision of the state to meet financial obligations incurred in the maintenance, operation, or amortization of capital acquisition costs for a solid waste management facility.

No permit required for construction or occupancy of such public facilities shall be issued until the expiration of the sixty (60) day period or until the planning commission issues its report, whichever occurs first.

~~[(5) Every utility which proposes to construct an antenna tower for cellular telecommunications services or personal communications services within a county containing a city of the first class shall submit the proposal to the planning commission of the affected planning unit. The planning commission shall review the proposal in light of its agreement with the comprehensive plan and locally adopted zoning regulations and shall, within sixty (60) days from the date the proposal is submitted, make its final decision and advise the utility in writing whether the proposed construction is in accordance with the comprehensive plan and locally adopted zoning regulations. - (a) Successfully attempted to co-locate on towers designed to host multiple wireless service providers' facilities or existing structures such as a telecommunications tower or another suitable structure capable of supporting the **applicant's**~~[utility's]~~ facilities, and that identifies the location of the tower **or suitable structure on** which the **applicant**~~[applying utility]~~ will co-locate its transmission and related facilities~~on~~; or
- (b) Unsuccessfully attempted to co-locate on towers designed to host multiple wireless service provider's facilities or existing structures such as a telecommunications tower or another suitable structure capable of supporting the **applicant's**~~[utility's]~~ facilities and that:

Any other entity that co-locates transmission or related facilities on a cellular antenna tower shall do so in a manner that does not impose additional costs or operating restrictions on the primary user.
- (9) *Upon the approval of an application for the construction of a cellular antenna tower by a planning commission, the applicant shall notify the Public Service Commission within ten (10) working days of the approval. The notice to the Public Service Commission shall include a map showing the location of the construction site. The commission shall not grant a certificate of convenience and necessity in this situation until a final action on the proposal has been taken by the planning commission of the affected planning unit, or until the sixty (60) day time period set forth in KRS 100.324(5) has expired, whichever comes first.~~
- ~~[(2) If a planning commission rejects a proposal to construct an antenna tower, the commission may override the decision of the planning commission and issue a certificate of convenience and necessity for construction of the cellular or personal communications services antenna tower, if it determines that there is no acceptable alternate site, and that the public convenience and necessity requires the proposed construction.~~
- ~~[(3) Any party aggrieved by the final action of the Public Service Commission under subsections (1) and (2) of this section shall appeal from the action to the Franklin Circuit Court. The appeal shall be filed within thirty (30) days after the final action by the Public Service Commission. - ~~[(4) If an applicant's]~~~~a utility~~ ~~proposes construction of an antenna tower for cellular telecommunications services or personal communications services which is to be located in an~~~~outside the~~ ~~area~~ ***outside the jurisdiction of a planning commission, the applicant shall apply to the Public Service Commission for a certificate of public convenience and necessity pursuant to KRS 278.020(1), Section 7 of this Act, and this section. The commission shall convene a local public hearing on the application upon the receipt of a request from the local governing body or from not less than three (3) interested persons that reside in a county or municipal corporation in which the tower is proposed to be constructed. In reviewing the application,***~~[of a county containing a city of the first class, then]~~ ***the commission may***~~[also]~~ ***take into account***~~[in its deliberations]~~ ***the character of the general area concerned, and the likely effects of the installation on nearby land uses and values. A local government may charge a fee for a building permit, in connection with the construction or alteration of any structure for cellular telecommunications services or personal communication services, if the fee does not exceed that charged for any other commercial structure of comparable cost of construction.***

Section 7. KRS 278.665 is amended to read as follows:

- (1) The commission shall, by administrative regulation promulgated in accordance with KRS Chapter 13A, establish the minimum content of ~~an~~~~a uniform~~ application~~, provided under KRS 100.985(5),~~ for a certificate of convenience and necessity to construct cellular antenna towers ***for areas outside the jurisdiction of a planning commission***~~, and the procedures to carry out the commission's responsibilities under KRS 100.987].~~

- (2) The commission, in establishing the public notice requirements of ~~an~~~~a uniform~~ application as provided for in subsection (1) of this section, shall distinguish between areas of low and high population densities. At a minimum, when the site of the proposed cellular antenna tower is outside of an incorporated city ~~or within a rural service area in an urban county~~, the commission shall require that every person who owns property contiguous to the property where the proposed cellular antenna tower will be located receives notice by certified mail, return receipt requested, of the proposed construction, given the commission docket number under which the application will be processed, and informed of the opportunity to intervene in the **commission proceedings on the** application. ~~The provisions of this subsection shall not apply to unincorporated areas within a county containing a city of the first class.~~

Section 8. The following KRS section is repealed:

278.660 Confidentiality of uniform application and updates -- Penalty for violation.

Section 9. Whereas there is rapid growth in the cellular communication industry and there is a serious need for increased local participation in this area, an emergency is declared to exist and this Act shall take effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

Section 9. KRS 45A.095 is amended to read as follows:

- (1) A contract may be made by noncompetitive negotiation only for sole source purchases, or when competition is not feasible, as determined by the purchasing officer in writing prior to award, under administrative regulations promulgated by the secretary of the Finance and Administration Cabinet or the governing boards of universities operating under KRS Chapter 164A, or when emergency conditions exist. Sole source is a situation in which there is only one (1) known capable supplier of a commodity or service, occasioned by the unique nature of the requirement, the supplier, or market conditions. Insofar as it is practical, no less than three (3) suppliers shall be solicited to submit written or oral quotations whenever it is determined that competitive sealed bidding is not feasible. Award shall be made to the supplier offering the best value. The names of the suppliers submitting quotations and the date and amount of each quotation shall be placed in the procurement file and maintained as a public record. - (3) An emergency condition is a situation which creates a threat or impending threat to public health, welfare, or safety such as may arise by reason of fires, floods, tornadoes, other natural or man-caused disasters, epidemics, riots, enemy attack, sabotage, explosion, power failure, energy shortages, transportation emergencies, equipment failures, state or federal legislative mandates, or similar events. The existence of the emergency condition creates an immediate and serious need for services, construction, or items of tangible personal property that cannot be met through normal procurement methods and the lack of which would seriously threaten the functioning of government, the preservation or protection of property, or the health or safety of any person.
- (4) The Finance and Administration Cabinet may negotiate directly for the purchase of contractual services, supplies, materials, or equipment in bona fide emergencies regardless of estimated costs. The existence of the emergency shall be fully explained, in writing, by the head of the agency for which the purchase is to be made. The explanation shall be approved by the secretary of the Finance and Administration Cabinet and shall include the name of the vendor receiving the contract along with any other price quotations and a written determination for selection of the vendor receiving the contract. This information shall be filed with the record of all such purchases and made available to the public. Where practical, standard specifications shall be followed in making emergency purchases. In any event, every effort should be made to effect a competitively established price for purchases made by the state.

SECTION 10. A NEW SECTION OF KRS 363.900 TO 363.908 IS CREATED TO READ AS FOLLOWS:

The General Assembly finds that the fuel additive methyl tertiary butyl ether, known as MTBE, as a result of leaks in underground storage tanks, has contaminated groundwater in California and other states to such an extent that it has been banned in those states. The legislature further finds that, because Kentuckians rely on groundwater to a great extent both for drinking water and for industrial and agricultural purposes, the continued use of MTBE poses an unacceptable threat to public health.

SECTION 11. A NEW SECTION OF KRS 363.900 TO 363.908 IS CREATED TO READ AS FOLLOWS:

- (1) *Beginning on January 1, 2006, the use of methyl tertiary butyl ether, known as MTBE, as a fuel additive shall be illegal in the Commonwealth of Kentucky. Importation, sale, or storage of fuel containing MTBE shall be unlawful after that date.*
- (2) *Beginning on January 1, 2004, the General Assembly strongly encourages that all reformulated gasoline sold or offered for sale in the Commonwealth utilize domestically produced ethanol in place of MTBE or other gasoline additives.*
- (3) *In order to allow for an orderly transition, trace amounts of MTBE, not to exceed one-half of one percent (0.5%) by volume, will be allowed in gasoline.*

SECTION 12. A NEW SECTION OF KRS 363.900 TO 363.908 IS CREATED TO READ AS FOLLOWS:

- (1) *As used in this section, "biodiesel fuel" means a biodegradable, combustible liquid fuel derived from renewable fats and vegetable oils that meets ASTM specification PS 121-99 and is suitable for blending with petroleum-based diesel fuel for use in diesel engines.*
- (2) *The General Assembly strongly encourages, that beginning on January 1, 2006, all diesel fuel sold or offered for sale in the Commonwealth and reformulated to achieve federally mandated sulfur reduction requirements use biodiesel in a blend not less than two percent (2%) by volume to meet those requirements.*
- (3) *By August 31, 2003, and at least annually thereafter until the 2006 Regular Session of the General Assembly, the Interim Joint Committee on Agriculture and Natural Resources shall receive a report on the petroleum refining industry's progress toward achieving the federally mandated diesel fuel sulfur reductions. The report shall include information on the use of biodiesel to help meet the reductions. The committee shall request report information from relevant sources, including but not limited to, the American Petroleum Institute and petroleum refiners that produce diesel fuel for state, national, or international sale.*

Section 13. Whereas the immediate survival and growth of Kentucky's catfish industry and horticultural industry are in the interest of the Commonwealth, and whereas it is not necessary for the steering committee to assist

in the implementation of Section 4 of this Act, an emergency is declared to exist, and Section 4 of this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

Approved April 23, 2002

CHAPTER 345

(HB 821)

AN ACT relating to health insurance.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 18A.225 is amended to read as follows:

- (1) (a) The term "health maintenance organization" for the purposes of this section means a health maintenance organization as defined in KRS 304.38-030 or as a nonprofit hospital, medical-surgical, dental, and health service corporation, which has been licensed by the Kentucky Health Facilities and Health Services Certificate of Need and Licensure Board or its successor agency and issued a certificate of authority by the Department of Insurance as a health maintenance organization or as a nonprofit hospital, medical-surgical, dental, and health service corporation and which is qualified under the requirements of the United States Department of Health, Education and Welfare except as provided in subsection (2) of this section; and
- (b) The term "state employee" for purposes of this section shall include a person, including an elected public official, who is regularly employed by any department, board, agency, branch of state government, or any municipal, urban-county, charter county, or county government, whose legislative body has opted to participate in the state health insurance program pursuant to KRS 79.080 and who is a contributing member to any one (1) of the retirement systems administered by the state. It shall also include a person who must fulfill the requirements established by the Kentucky Board of Education for eligibility and a person who is a present or future recipient of a retirement allowance from any of the Kentucky Retirement Systems who either satisfies the requirements of KRS 61.559 or who is board authorized under KRS 61.702(1), including a beneficiary of a retired employee as defined in KRS 61.542 who is receiving a retirement allowance from any of the Kentucky Retirement Systems and includes members of the Legislators' Retirement Plan as provided in KRS 18A.2287. It shall also include a person who is a present or future recipient of a retirement allowance from the Teachers' Retirement System of Kentucky who either satisfies the requirements of KRS 161.525, 161.620, and 161.675 or who is board certified, including a beneficiary of a retired member who is receiving a retirement allowance from the Teachers' Retirement System of Kentucky, except that a member who is receiving a retirement allowance from the Teachers' Retirement System and who is age sixty-five (65) or older shall not be included.
- (2) (a) The secretary of the Finance and Administration Cabinet, upon the recommendation of the secretary of the Personnel Cabinet, shall procure, in compliance with the provisions of KRS 45A.080, 45A.085, and 45A.090, from one (1) or more health insurance companies or from one (1) or more health maintenance organizations authorized to do business in this state, a policy or policies of group health care coverage including, but not limited to, indemnity, health maintenance organization (HMO), preferred provider organization (PPO), point of service (POS), and exclusive provider organization (EPO) benefit plans encompassing all or any class or classes of state employees. Health insurance coverage provided to state employees under this section shall, at a minimum, contain the same benefits as provided under Kentucky Kare Standard as of January 1, 1994. All state employees and other persons for whom the health care coverage is provided or made available shall annually be given an option to elect health care coverage through a self-funded plan offered by the state or, if a self-funded plan is not available, from a list of coverage options determined by the competitive bid process under the provisions of KRS 45A.080, 45A.085, and 45A.090 and made available during annual open enrollment. For calendar year 2001 only, an emergency shall exist when any county in which only one (1) health insurance company offers a single plan to state employees and, subsequent to the open enrollment period, the health insurance company fails to maintain at least sixty-five percent (65%) of its contracts within the geographic region with specialty physicians who were participating in the network at the time of open enrollment. The Finance and Administration Cabinet shall immediately notify the Governor, the Legislative Research

Commission, and the secretary of the Personnel Cabinet and shall be authorized to immediately negotiate and contract with additional health insurance companies for additional plans to serve any county without meeting the requirements of the Model Procurement Code under KRS Chapter 45.

- (b) The policy or policies shall be approved by the commissioner of insurance and may contain the provisions he approves, whether or not otherwise permitted by the insurance laws.
 - (c) Any carrier bidding to offer health care coverage to members of the state group shall agree to provide coverage to all members of the state group, including both active employees and retirees within the county or counties specified in its bid. Furthermore, any carrier bidding to offer health care coverage to members of the state group shall also agree to rate all such members of the state group as a single entity, except for those retirees whose former employers insure their active employees outside the state health insurance program.
 - (d) Any carrier bidding to offer health care coverage to any member of the state group shall agree to provide enrollment, claims, and utilization data to the Commonwealth in a format specified by the Personnel Cabinet with the understanding that the data shall be owned by the Commonwealth; to provide data in an electronic form and within a time frame specified by the Personnel Cabinet; and to be subject to penalties for noncompliance of data reporting requirements as specified by the Personnel Cabinet. The Personnel Cabinet shall take strict precautions to protect the confidentiality of each individual member; however, confidentiality assertions shall not relieve a carrier from the requirement of providing stipulated data to the Commonwealth.
 - (e) The Personnel Cabinet shall develop the necessary techniques and capabilities for timely analysis of data received from carriers and, to the extent possible, provide in the request-for-proposal specifics relating to data requirements, electronic reporting, and penalties for noncompliance. The Commonwealth shall own the enrollment, claims, and utilization data provided by each carrier and shall develop methods to protect the confidentiality of the individual. The Personnel Cabinet shall provide to the General Assembly in June of each year an analysis of enrollment, claims, utilization data of all carriers for the prior plan year ending December 31, and on the financial stability of the program. The report shall include, but not be limited to, loss ratios, methods of risk adjustment, measurements of carrier quality of service, prescription coverage and cost management, paid dependent coverage, and statutorily required mandates. If state self-insurance was available as a carrier option, the report also shall provide a detailed financial analysis of the self-insurance fund including, but not limited to, loss ratios, reserves, and reinsurance agreements.
 - (f) If any agency participating in the state employee health insurance program for its active members terminates participation in the state employee health insurance program for its active members and there is a state appropriation for the employer's contribution for active employees' health insurance coverage, neither the agency nor the employees shall receive the state-funded contribution after termination from the state employee health insurance program.
 - (g) Any funds in flexible spending accounts that remain after all reimbursements have been processed shall be transferred to the credit of the state health insurance plan's appropriation account.

(HB 659)

AN ACT relating to the public good and making an appropriation therefor.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 67C IS CREATED TO READ AS FOLLOWS:

If a cooperative compact exists between a city of the first class and its county prior to the creation of a consolidated local government, upon the establishment of the consolidated local government:

- (1) *The mayor of the consolidated local government shall assume all appointment authority previously held by the county judge/executive and the mayor of the consolidating governments. Appointments made by the mayor should reflect the diversity of the population within the jurisdiction of the consolidated local government; and*
- (2) *The mayor, in consultation with the legislative council, shall, when authorized by statute, determine which agencies, boards, and commissions created by statute shall require legislative council approval for the appointment of members to such agencies, boards, and commissions. The legislative council shall enact an ordinance setting out the role of the legislative council, if any, in the appointment process for each individual agency, board, and commission created by statute. Only one (1) agency, board, or commission shall be addressed per ordinance. Such ordinance shall require a vote of the majority of the entire membership of the legislative council for approval and shall be subject to mayoral veto and legislative override pursuant to KRS 67C.105(5)(i) and 67C.103(13)(a); and*
- (3) *The appointment of members to all agencies, boards, and commissions created by ordinance shall be determined by the ordinance creating the agency, board, or commission.*

SECTION 2. A NEW SECTION OF KRS CHAPTER 67C IS CREATED TO READ AS FOLLOWS:

- (1) *Notwithstanding any provision to the contrary, any statute which confers any rights, powers, privileges, immunities, or responsibilities upon the county judge/executive in a county formerly containing a city of the first class and presently having a consolidated local government, is hereby deemed to confer such rights, powers, privileges, immunities, and responsibilities upon the mayor of the consolidated local government.*
- (2) *Any statute which confers any rights, powers, privileges, immunities, or responsibilities upon a fiscal court in a county formerly containing a city of the first class and now having a consolidated local government, is hereby deemed to confer such rights, powers, privileges, immunities, and responsibilities upon the officer or officers in whom such functions are vested in the consolidated local government by KRS 67C.103(1) and 67C.105(1), respectively. This provision applies to the general statutes applicable to counties, as well as applying to statutes applicable only within a county formerly containing a city of the first class.*

SECTION 3. A NEW SECTION OF KRS CHAPTER 67C IS CREATED TO READ AS FOLLOWS:

- (1) *Unless otherwise provided by law, any elected officer of a consolidated local government in case of misconduct, incapacity, or willful neglect in the performance of the duties of his or her office may be removed from office by the legislative council, sitting as a court, under oath, upon charges preferred by the mayor or by any five (5) members of the legislative council, or, in case of charges against the mayor, upon charges preferred by not less than ten (10) members of the legislative council. No legislative council member preferring a charge shall sit as a member of the legislative council when it tries that charge.*

- (2) *No elected officer shall be removed without having been given the right to a full public hearing.*
- (3) *A decision to remove a mayor or legislative council member shall require a vote of two-thirds (2/3) of the total number of legislative council members sitting as a court.*
- (4) *Any elected officer removed from office under the provisions of this section may appeal to the Circuit Court and from there to the Court of Appeals. The appeal to the Circuit Court shall be taken and tried in the same manner as civil cases are tried.*
- (5) *No elected officer removed from office under this section shall be eligible to fill the office vacated before the expiration of the term to which the elected member was originally elected.*

SECTION 4. A NEW SECTION OF KRS CHAPTER 67C IS CREATED TO READ AS FOLLOWS:

The territory of a consolidated local government may, as permitted by Section 172A of the Constitution of Kentucky, be divided into service districts. Each service district shall constitute a separate tax district within which the consolidated local government may, upon receipt of a petition signed by a majority of the registered voters in the district as of the last general election, levy and collect taxes in accordance with the kind, type, and character of the services provided by the consolidated local government in each of these service districts. A consolidated local government may abolish or alter service districts, but any expansion of the boundaries of a service district shall require a petition signed by a majority of the registered voters, as of the last election, in the new territory to be included in the service district. Notwithstanding the foregoing provision, a consolidated local government may not create or change the boundaries of a service district if that change would adversely affect the powers or functions of any city, existing taxing district, fire protection district, water district, or any other special taxing or service district of any kind which was in existence on the date the consolidated local government became effective unless such entity consents by resolution adopted by its governing body.

SECTION 5. A NEW SECTION OF KRS CHAPTER 67C IS CREATED TO READ AS FOLLOWS:

- (1) *In order to maintain the tax structure, tax rates, or level of services in the area of the consolidated local government formerly comprising the city of the first class, the legislative council of a consolidated local government may provide in the manner described in this chapter for taxes and services within the area comprising the former city of the first class which are different from the taxes and services which are applicable in the remainder of the county. These differences may include differences in tax rates upon the class of property which includes the surface of the land, differences in ad valorem tax rates upon personal property, and differences in tax rates upon insurance premiums.*
- (2) *Any difference in the ad valorem tax rate on the class of property which includes the surface of the land in the portion of the county formerly comprising the city of the first class and in the portion of the county other than that formerly comprising the city of the first class may be imposed directly by the consolidated local government council. Any change in these ad valorem tax rates shall comply with KRS 68.245, 132.010, 132.017, and 132.027 and shall be used for services as provided by KRS 82.085.*
- (3) *If the consolidated local government council determines to provide for tax rates applicable to health insurance premiums and personal property which are different in the area formerly comprising the city of the first class than the rates applicable in the remainder of the county, it shall do so in the following manner. The consolidated local government council shall by ordinance create a tax district to be known as the "urban service tax district" bounded by the former boundaries of the former city of the first class. The ordinance shall designate the number of members of the board of this taxing district and the manner in which they shall be appointed. The ordinance shall provide that the board of the taxing district shall receive the income derived from the differential in tax rate applicable in the area formerly comprising the city of the first class with respect to personal property, health insurance premiums, or both, and shall contract with the consolidated local government to pay all sums collected to the consolidated local government, in return for the provision of services performed by the consolidated local government within the area formerly comprising the city of the first class which services are in addition to services performed by the consolidated local government in the remainder of the county.*
- (4) *After the initial formation of an urban service taxing district in a consolidated local government, the boundaries of the district may be modified in the following manner. The proposal to alter the boundaries of the urban service taxing district within a consolidated local government may be initiated by:*

- (a) *A resolution enacted by the consolidated local government describing the boundaries of the area to be added to or deleted from the taxing district and duly passed and signed by the mayor not less than one hundred twenty (120) days before the next regularly scheduled election day within the county; or*
- (b) *A petition signed by a number of qualified voters living within precincts within the area to be added to or deleted from the taxing district equal to ten percent (10%) of the votes cast within each precinct in the last general election for President of the United States and delivered to the clerk of the legislative council more than one hundred twenty (120) days next preceding the next regularly scheduled election day within the county.*

The boundaries so described in either case shall not cross precinct lines. The question of whether the area bounded as described should be added to or deleted from, as the case may be, the urban services taxing district shall then be placed upon the ballot in the precincts in the area to be added or deleted at the next regular election and the question stated on the ballot shall be so phrased that a "Yes" vote shall be cast in favor of making the proposed change and a "No" vote shall be cast to oppose the proposed change. If a majority of those voting in those precincts support the change, then the change in the boundaries of the urban service district shall be implemented.

Section 6. KRS 15A.305 is amended to read as follows:

- (1) The Department of Juvenile Justice shall, with available funds, develop and administer a statewide detention program and, as each regional facility is constructed and ready for occupancy, shall, within appropriation limitations, provide for:

The mayor shall ensure that four (4) of the eight (8) appointees are citizens who have no direct financial interest in the land development and construction industry. If the commission appoints a citizen member to fill a vacancy, the commission shall ensure that the balance is maintained. All ten (10) members of the planning commission shall be required to disclose any personal or family commercial interest relevant to land use, new development supply, or new development construction. The disclosure shall be a written, signed statement of the general nature of the member's interest. The disclosure shall be filed with the commission's records pursuant to KRS 100.167 and shall be available for public inspection during regular business hours. A member shall not vote on an issue in which the member or member's family has an interest. The willful failure of a member to disclose an interest, or a member's voting on an issue in which the member or member's family has a known interest, shall subject the member to removal proceedings pursuant to KRS 100.157.

- (3) In counties containing a city of the first class *or a consolidated local government*, all legislation implementing or amending the plan or amended plan which affects cities of the first through fourth classes shall be enacted by such cities and all other legislation implementing the plan or amended plan shall be enacted by the fiscal court *or, in the case of a consolidated local government, by the consolidated local government.*
- ~~(4)(3)~~ In all other counties the establishment of a planning unit is optional, but any planning unit established in other counties shall comply with the remaining provisions of this chapter.

Section 137. KRS 100.141 is amended to read as follows:

Except in counties containing a consolidated local government, the mayor of each city entitled to one or more members and the county judge/executive of each county shall appoint the members of the planning commission with the approval of their respective legislative bodies.

Section 138. KRS 100.157 is amended to read as follows:

- (1) Any member of a planning commission may be removed by the appropriate appointing authority for inefficiency, neglect of duty, malfeasance, or conflict of interest. Any appointing authority who exercises the power to remove a member of the planning commission shall submit a written statement to the commission setting forth the reasons for removal, and the statement shall be read at the next meeting of the planning commission, which shall be open to the general public. The member so removed shall have the right of appeal in the Circuit Court.
- (2) Notwithstanding subsection (1) of this section, and KRS 100.143, when a city of the first class and a county containing such city have in effect a compact pursuant to KRS 79.310 to 79.330, the terms of the appointed members on the commission shall be for three (3) years and until their successors are appointed and qualified. Upon the effective date of the compact, the mayor, and county judge/executive with the approval of the fiscal court, shall adjust the terms of the sitting members so that the terms of one (1) of each of their appointments expire in one (1) year, the term of one (1) of each of their appointments expire in two (2) years and the term of one (1) of each of their appointments expire in three (3) years. Upon expiration of these staggered terms, successors shall be appointed for a term of three (3) years.
- (3) *Notwithstanding subsections (1) and (2) of this section, and KRS 100.143, upon the establishment of a consolidated local government in a county where a city of the first class and a county containing that city have had in effect a cooperative compact pursuant to KRS 79.310 to 79.330, the terms of the appointed citizen members of the planning commission shall be for three (3) years and until their successors are appointed and qualified, and the term of office of members appointed shall be staggered. Members appointed to the planning commission prior to consolidation of a city of the first class and the county containing the city pursuant to KRS Chapter 67C shall continue to serve as members of the planning commission for the consolidated local government, and shall serve the remainder of the terms for which the members were appointed and until their successors are appointed and qualified pursuant to KRS 100.137(2).*

Section 139. KRS 100.201 is amended to read as follows:

- (1) Except as provided in subsection ~~(3)(2)~~ of KRS 100.137, when the planning commission and legislative bodies have adopted the statement of goals and objectives, and the planning commission has additionally adopted at least the land use element for the planning unit, the various legislative bodies and fiscal courts of the cities and counties, which are members of the unit, may enact interim zoning or other kinds of growth

management regulations which shall have force and effect within their respective jurisdictions for a period not to exceed twelve (12) months, during which time the planning commission shall complete the remaining elements of the comprehensive plan as prescribed by KRS 100.187. Interim regulations shall become void upon the enactment of permanent regulations as provided in subsection (2) of this section, or after twelve (12) consecutive months from the date such interim regulations are enacted, whichever occurs first.

- (2) When all required elements of the comprehensive plan have been adopted in accordance with the provisions of this chapter, then the legislative bodies and fiscal courts within the planning unit may enact permanent land use regulations, including zoning and other kinds of growth management regulations to promote public health, safety, morals, and general welfare of the planning unit, to facilitate orderly and harmonious development and the visual or historical character of the unit, and to regulate the density of population and intensity of land use in order to provide for adequate light and air. In addition, land use and zoning regulations may be employed to provide for vehicle parking and loading space, as well as to facilitate fire and police protection, and to prevent the overcrowding of land, blight, danger, and congestion in the circulation of people and commodities, and the loss of life, health, or property from fire, flood, or other dangers. Land use and zoning regulations may also be employed to protect airports, highways, and other transportation facilities, public facilities, schools, public grounds, historical districts, central business districts, prime agricultural land, and other natural resources; to regulate the use of sludge from water and waste water treatment facilities in projects to improve soil quality; and to protect other specific areas of the planning unit which need special protection by the planning unit.
- (3) Land use and zoning regulations may include the designation of specifically defined areas to be known as urban residential zones, in which:
 - (a) The majority of the structures were in use prior to November 22, 1926; and
 - (b)
 1. The entire area embodies the distinctive characteristics of a type, period, or method of construction; or
 2. The entire area represents a significant and distinguishable entity whose components may lack individual distinction.

The usage of structures within an urban residential zone may be regulated on a structure-by-structure basis, permitting a mixture of uses in the zone, including single-family and multi-family residential, retail, and service establishments, which stabilizes and protects the urban residential character of the area. The regulation of the usage of any structure shall be guided by the architecture, size, or traditional use of the building.

Section 140. KRS 100.202 is amended to read as follows:

- (1) Subject to KRS ~~100.137(3)~~~~100.137(2)~~, nothing in this chapter shall preclude the legislative bodies and fiscal courts of cities and counties comprising a planning unit from enacting a land use regulation which places all property within their respective jurisdictions in a single zone and addressing all land use proposals therein as conditional use permits.
- (2) The text of any land use regulation enacted pursuant to this section need not comply with the provisions of KRS 100.203, and may provide that the planning commission shall assume all powers and duties of a board of adjustment as provided in KRS 100.217 to 100.263. Any appeal from an action of the planning commission in granting or denying a variance or conditional use permit shall be taken pursuant to KRS 100.347(2).

Section 141. KRS 100.205 is amended to read as follows:

Except as provided in KRS ~~100.137(3)~~~~100.137(2)~~, nothing contained in this chapter shall be construed or implied as requiring the legislative bodies of cities and counties comprising the same joint planning unit to adopt identical zoning regulations. Nor shall the adoption or amendment of a zoning regulation by the legislative body of any city or county contained within a joint planning unit be made contingent on the adoption or amendment of such zoning regulation by the legislative body of any other city or county within the planning unit.

Section 142. KRS 100.208 is amended to read as follows:

- (1) Any city, county, ***consolidated local government***, or urban-county government which is part of a planning unit may provide, by ordinance, for:
 - (a) The voluntary transfer of the development rights permitted on one (1) parcel of land to another parcel of land;

- (b) Restricting or prohibiting further development of the parcel from which development rights are transferred; and
 - (c) Increasing the density or intensity of development of the parcel to which such rights are transferred.
- (2) The ordinance shall designate and show on the zoning map areas from which development rights may be transferred and areas to which such rights may be transferred and used for development. These zones may be designated as separate use districts or as overlaying other zoning districts.
 - (3) Any city within a county that adopts an ordinance providing for the transfer of development rights, may also adopt a transfer of development rights ordinance and the county and city by adoption of mutual provisions may provide for the transfer of development rights on land located in one to land located in another.
 - (4) "Transferable development rights" means an interest in real property that constitutes the right to develop and use property under the zoning ordinance which is made severable from the parcel to which the interest is appurtenant and transferable to another parcel of land for development and use in accordance with the zoning ordinance. Transferable development rights may be transferred by deed from the owner of the parcel from which the development rights are derived and upon the transfer shall vest in the grantee and be freely alienable. The zoning ordinance may provide for the method of transfer of these rights and may provide for the granting of easements and reasonable regulations to effect and control transfers and assure compliance with the provisions of the ordinance.

Section 143. KRS 100.209 is amended to read as follows:

- (1) When a city which has adopted zoning or other land use regulations pursuant to this chapter proposes to annex unincorporated or accept the transfer of incorporated territory, it may amend its comprehensive plan and official zoning map to incorporate and establish zoning or other land use regulations for the property proposed for annexation or transfer prior to adoption of the ordinance of annexation or transfer. If the city elects to follow this procedure, the planning commission shall hold a public hearing, after the adoption of the ordinance stating the city's intention to annex or transfer property and prior to final action upon the ordinance of annexation or transfer, for the purpose of adopting the comprehensive plan amendment and making its recommendations as to the zoning or other land use regulations which will be effective for the property upon its annexation or transfer. Notice setting forth the time, date, location, and purpose of the public hearing shall be published as required by KRS Chapter 424 and shall be given to the owners of all properties within the area proposed for annexation or transfer and to adjoining property owners in accordance with KRS 100.212(2). The city legislative body shall take final action upon the planning commission's recommendations prior to adoption of the ordinance of annexation or transfer and shall include in the ordinance of annexation or transfer a map showing the zoning or other land use regulations which will be effective for the annexed or transferred property. If the city elects not to follow the procedure provided for in this section prior to the adoption of the ordinance of annexation or transfer, the newly annexed or transferred territory shall remain subject to the same land use restrictions, if any, as applied to it prior to annexation or transfer until those restrictions are changed by zoning map amendments or other regulations in accordance with this chapter.
- (2) When a city is created or when a city of the fifth or sixth class is reclassified to a city of the fourth class or higher in a county containing a city of the first class *or a consolidated local government*, and the intent is to regulate land use within the confines of the city, the process for adopting or amending the comprehensive plan and adopting zoning or other land use regulations shall be as provided for in this chapter. Until such actions have been taken, the properties within the city shall remain subject to the land use restrictions, if any, as applied prior to the creation or reclassification of the city.

Section 144. KRS 100.211 is amended to read as follows:

- (1) A proposal for a zoning map amendment may originate with the planning commission of the unit, with any fiscal court or legislative body which is a member of the unit, or with an owner of the property in question. Regardless of the origin of the proposed amendment, it shall be referred to the planning commission before adoption. The planning commission shall then hold at least one (1) public hearing after notice as required by this chapter and make findings of fact and a recommendation of approval or disapproval of the proposed map amendment to the various legislative bodies or fiscal courts involved. The findings of fact and recommendation shall include a summary of the evidence and testimony presented by the proponents and opponents of the proposed amendment. A tie vote shall be subject to further consideration by the planning commission for a period not to exceed thirty (30) days, at the end of which if the tie has not been broken, the application shall be

forwarded to the fiscal court or legislative body without a recommendation of approval or disapproval. It shall take a majority of the entire legislative body or fiscal court to override the recommendation of the planning commission and it shall take a majority of the entire legislative body or fiscal court to adopt a zoning map amendment whenever the planning commission forwards the application to the fiscal court or legislative body without a recommendation of approval or disapproval due to a tie vote. Unless a majority of the entire legislative body or fiscal court votes to override the planning commission's recommendation, such recommendation shall become final and effective and if a recommendation of approval was made by the planning commission, the ordinance of the fiscal court or legislative body adopting the zoning map amendment shall be deemed to have passed by operation of law.

- (2) A proposal to amend the text of any zoning regulation which must be voted upon by the legislative body or fiscal court may originate with the planning commission of the unit or with any fiscal court or legislative body which is a member of the unit. Regardless of the origin of the proposed amendment, it shall be referred to the planning commission before adoption. The planning commission shall hold at least one (1) public hearing after notice as required by KRS Chapter 424 and make a recommendation as to the text of the amendment and whether the amendment shall be approved or disapproved and shall state the reasons for its recommendation. In the case of a proposed amendment originating with a legislative body or fiscal court, the planning commission shall make its recommendation within sixty (60) days of the date of its receipt of the proposed amendment. It shall take an affirmative vote of a majority of the fiscal court or legislative body to adopt the proposed amendment.
- (3) Procedures prescribed in KRS 100.207 applicable to the publication of notice also shall apply to any proposed amendment to a zoning regulation text or map; provided that:
 - (a) Any published notice shall include the street address of the property in question, or if one is not available or practicable due to the number of addresses involved, a geographic description sufficient to locate and identify the property, and the names of two (2) streets on either side of the property which intersect the street on which the property is located; and
 - (b) When the property in question is located at the intersection of two (2) streets, the notice shall designate the intersection by name of both streets rather than name the two (2) streets on either side of the property.
- (4) When a property owner proposes to amend the zoning map of any planning unit other than a planning unit containing a city of the first class *or a consolidated local government*, the provisions of KRS 100.212 shall apply in addition to the requirements and procedures prescribed in subsection (3) of this section.
- (5) When a property owner proposes to amend the zoning map of any planning unit comprising any portion of a county containing a city of the first class *or a consolidated local government*, the provisions of KRS 100.214 shall apply in addition to the requirements and procedures prescribed in subsection (3) of this section.
- (6) In addition to the public notice requirements prescribed in subsection (3) of this section, when the planning commission, fiscal court, or legislative body of any planning unit originates a proposal to amend the zoning map of that unit, notice of the public hearing before the planning commission, fiscal court, or legislative body shall be given at least thirty (30) days in advance of the hearing by first class mail to an owner of every parcel of property the classification of which is proposed to be changed. Records by the property valuation administrator may be relied upon to determine the identity and address of said owner.
- (7) The fiscal court or legislative body shall take final action upon a proposed zoning map amendment within ninety (90) days of the date upon which the planning commission takes its final action upon such proposal.

Section 145. KRS 100.212 is amended to read as follows:

When in any planning unit except for a planning unit containing a city of the first class *or a consolidated local government*, a hearing is scheduled on a proposal by a property owner to amend any zoning map, the following notice shall be given in addition to any other notice required by statute, local regulation, or ordinance:

- (1) Notice of the hearing shall be posted conspicuously on the property the classification of which is proposed to be changed for fourteen (14) consecutive days immediately prior to the hearing. Posting shall be as follows:
 - (a) The sign shall state "zoning change" and the proposed classification change in letters three (3) inches in height. The time, place, and date of hearing shall be in letters at least one (1) inch in height; and

- (b) The sign shall be constructed of durable material and shall state the telephone number of the appropriate zoning commission; and
- (2) Notice of the hearing shall be given at least fourteen (14) days in advance of the hearing by first class mail, with certification by the commission secretary or other officer of the planning commission that the notice was mailed to an owner of every parcel of property adjoining the property the classification of which is proposed to be changed. It shall be the duty of the person or persons proposing the map amendment to furnish to the planning commission the names and addresses of the owners of all adjoining property. Records maintained by the property valuation administrator may be relied upon conclusively to determine the identity and address of the owner. If the property is in condominium or cooperative forms of ownership, the person notified by mail shall be the president or chairman of the owner group which administers property commonly owned by the condominium or cooperative owners. A joint notice may be mailed to two (2) or more co-owners of an adjoining property who are listed in the property valuation administrator's records as having the same address.
- (3) If the property the classification of which is proposed to be changed adjoins property in a different planning unit, or property which is not part of any planning unit, notice of the hearing shall be given at least fourteen (14) days in advance of the hearing, by first-class mail to certain public officials, as follows:
 - (a) If the adjoining property is part of a planning unit, notice shall be given to that unit's planning commission; or
 - (b) If the adjoining property is not part of a planning unit, notice shall be given to the mayor of the city in which the property is located or, if the property is in an unincorporated area, notice shall be given to the judge/executive of the county in which the property is located.

Section 146. KRS 100.214 is amended to read as follows:

When in any planning unit containing any portion of a county containing a city of the first class *or a consolidated local government* a hearing is scheduled on a proposal by a property owner to amend any zoning map the following notice shall be given in addition to any other notice required by statute by local regulation or ordinance to be given:

- (1) Notice of the hearing shall be posted conspicuously on the property the classification of which is proposed to be changed thirty (30) days immediately prior to the hearing. Posting shall be as follows:
 - (a) The sign shall state "zoning change" and the proposed classification change in letters three (3) inches in height. The time, place and date of hearing shall be in letters at least one (1) inch in height; and
 - (b) The sign shall be constructed of durable material and shall state the telephone number of the appropriate zoning commission;
- (2) Notice of the hearing shall be given at least thirty (30) days in advance of the hearing by first class mail, with certification by the commission secretary or other officer of the planning commission that the notice was mailed, to the mayor and city clerk of any city of the fifth or sixth class so affected, to an owner of every parcel of property adjoining at any point the property the classification of which is proposed to be changed, to an owner of every parcel of property directly across the street from said property, and to an owner of every parcel of property which adjoins at any point the adjoining property or the property directly across the street from said property; provided, however, that no first-class mail notice, required by this subsection, shall be required to be given to any property owner whose property is more than five hundred (500) feet from the property which is proposed to be changed. It shall be the duty of the person or persons proposing the map amendment to furnish to the planning commission the names and addresses of the owners of all property as described in this subsection. Records maintained by the property valuation administrator may be relied upon conclusively to determine the identity and address of said owner. In the event such property is in condominium or cooperative forms of ownership, then the person notified by mail shall be the president or chairman of the owner group which administers property commonly owned by the condominium or cooperative owners. A joint notice may be mailed to two (2) or more co-owners of an adjoining property who are listed in the property valuation administrator's records as having the same address;
- (3) If the hearing has been scheduled for a time during normal working hours, and if, within fifteen (15) days of the scheduled date of the hearing the planning commission shall receive a petition from two hundred (200) property owners living within the planning unit requesting that the hearing be rescheduled for a time after normal working hours, then the planning commission shall reschedule the hearing for a time after normal working hours on a date no earlier than the date of the original hearing. The planning commission shall then

publish notice of the new hearing time and date according to the provisions of KRS 100.211, except that notice shall occur at least seven (7) days prior to the public hearing. The sign required by subsection (1) of this section shall be changed to reflect the new hearing time and date at least seven (7) days prior to the public hearing. The persons who receive mail notice according to the provisions of subsection (2) of this section shall again be notified in the same manner of the new hearing time and date at least seven (7) days prior to the hearing. The hearing time shall not be changed more than once by the procedures of this section except in the event of intervening emergency which requires the cancellation of a hearing; and

- (4) Notice by mail shall include a list of the names and addresses of each person so notified, and a description of the procedure by which those notified can petition for a change in the hearing time.

Section 147. KRS 100.217 is amended to read as follows:

- (1) Before any zoning regulation may have legal effect within the planning unit, a board or boards of adjustment shall be appointed for the planning unit as stated in the agreement under which the unit operates. The agreement may provide for additional boards of adjustment with jurisdiction of a particular city or area within the planning unit. Provided, that the jurisdiction of the boards of adjustment so established shall be clearly defined as to territorial limits, that all territory within the planning unit is within the jurisdiction of some board of adjustment so established and that no territory is subject to the jurisdiction of more than one (1) board of adjustment, except as provided in KRS 100.203(5). ***In a county containing a consolidated local government where a planning agreement is not required, there shall be one (1) board of adjustment which shall be established by ordinance of the consolidated local government. Until such time as the consolidated local government establishes and appoints a board of adjustment pursuant to this subsection, the existing board of adjustment for the county shall serve as the board of adjustment for the entire planning unit.***
- (2) A board of adjustment shall consist of either three (3), five (5), or seven (7) members, all of whom must be citizen members, and not more than two (2) of whom may be citizen members of the planning commission.
- (3) The mayor shall be the appointing authority for cities, and the county judge/executive shall be the appointing authority for counties, subject to the approval of their respective legislative bodies. ***The mayor shall be the appointing authority for a consolidated local government pursuant to the provisions of Section 1 of this Act.***
- (4) The term of office for the board of adjustment shall be four (4) years, but the term of office of members first appointed shall be staggered so that a proportionate number serve one (1), two (2), three (3), and four (4) years respectively.
- (5) Vacancies on the board of adjustment shall be filled within sixty (60) days by the appropriate appointing authority. If the authority fails to act within that time, the planning commission shall fill the vacancy. When a vacancy occurs other than through expiration of the term of office, it shall be filled for the remainder of that term.
- (6) All members of boards of adjustment shall, before entering upon their duties, qualify by taking the oath of office prescribed by Section 228 of the Constitution of the Commonwealth of Kentucky before any judge, county judge/executive, notary public, clerk of a court, or justice of the peace within the district or county in which he resides.
- (7) Reimbursement for expenses or compensation or both may be authorized for members on a board of adjustment.
- (8) Any member of a board of adjustment may be removed by the appropriate appointing authority for inefficiency, neglect of duty, malfeasance, or conflict of interest. Any appointing authority who exercises the power to remove a member of the board of adjustment shall submit a written statement to the commission setting forth the reasons for removal, and the statement shall be read at the next meeting of the board of adjustment, which shall be open to the general public. The member so removed shall have the right of appeal from the removal to the Circuit Court of the county in which he resides.
- (9) Notwithstanding subsection (4) of this section, when a city of the first class and a county containing such city have in effect a compact pursuant to KRS 79.310 to 79.330, the terms of the members on the board shall be for three (3) years and until their successors are appointed and qualified. Upon the effective date of the compact, if the board is not reorganized pursuant to subsection (1) of this section, the mayor, and county judge/executive with approval of the fiscal court, shall adjust the terms of the sitting members to provide that the terms of one-third (1/3) plus one (1) of the members expire in one (1) year, the terms of one-third (1/3) of the members in two (2) years and the terms of one-third (1/3) of the members expire in three (3) years. Upon expiration of

these staggered terms, successors shall be appointed for a term of three (3) years. *Notwithstanding subsection (4) of this section, upon the establishment of a consolidated local government in a county where a city of the first class and a county containing such city have had in effect a cooperative compact pursuant to KRS 79.310 to 79.330, the terms of the members on the board shall be for three (3) years and until their successors are appointed and qualified. Upon expiration of the terms of incumbent members, their successors shall be appointed to three (3) year terms which are staggered.*

- (10) Each board of adjustment annually shall elect a chairman, vice chairman, and secretary and any other officers it deems necessary, and any officer shall be eligible for reelection at the expiration of his term.

Section 148. KRS 100.237 is amended to read as follows:

The board shall have the power to hear and decide applications for conditional use permits to allow the proper integration into the community of uses which are specifically named in the zoning regulations which may be suitable only in specific locations in the zone only if certain conditions are met:

- (1) The board may approve, modify, or deny any application for a conditional use permit. If it approves such permit it may attach necessary conditions such as time limitations, requirements that one (1) or more things be done before the request can be initiated, or conditions of a continuing nature. Any such conditions shall be recorded in the board's minutes and on the conditional use permit, along with a reference to the specific section in the zoning regulation listing the conditional use under consideration. The board shall have power to revoke conditional use permits, or variances for noncompliance with the condition thereof. Furthermore, the board shall have a right of action to compel offending structures or uses removed at the cost of the violator and may have judgment in personam for such cost.
- (2) Granting of a conditional use permit does not exempt the applicant from complying with all of the requirements of building, housing, and other regulations.
- (3) In any case where a conditional use permit has not been exercised within the time limit set by the board, or within one (1) year, if no specific time limit has been set, such conditional use permit shall not revert to its original designation unless there has been a public hearing. "Exercised," as set forth in this section, shall mean that binding contracts for the construction of the main building or other improvement have been let; or in the absence of contracts that the main building or other improvement is under construction to a substantial degree, or that prerequisite conditions involving substantial investment under contract, in development, are completed. When construction is not a part of the use, "exercised" shall mean that the use is in operation in compliance with the conditions as set forth in the permit.
- (4) The administrative official shall review all conditional use permits, except those for which all conditions have been permanently satisfied, at least once annually and shall have the power to inspect the land or structure where the conditional use is located in order to ascertain that the landowner is complying with all of the conditions which are listed on the conditional use permit. If the landowner is not complying with all of the conditions listed on the conditional use permit, the administrative official shall report the fact in writing to the chairman of the board of adjustment. The report shall state specifically the manner in which the landowner is not complying with the conditions on the conditional use permit, and a copy of the report shall be furnished to the landowner at the same time that it is furnished to the chairman of the board of adjustment. The board shall hold a hearing on the report within a reasonable time, and notice of the time and place of the hearing shall be furnished to the landowner at least one (1) week prior to the hearing. If the board of adjustment finds that the facts alleged in the report of the administrative official are true and that the landowner has taken no steps to comply with them between the date of the report and the date of the hearing, the board of adjustment may authorize the administrative official to revoke the conditional use permit and take the necessary legal action to cause the termination of the activity on the land which the conditional use permit authorizes.
- (5) Once the board of adjustment has completed a conditional use permit and all the conditions required are of such type that they can be completely and permanently satisfied, the administrative official, upon request of the applicant, may, if the facts warrant, make a determination that the conditions have been satisfied, and enter the facts which indicate that the conditions have been satisfied and the conclusion in the margin of the copy of the conditional use permit which is on file. Thereafter said use, if it continues to meet the other requirements of the regulations, will be treated as a permitted use.
- (6) When an application is made for a conditional use permit for land located within or abutting any residential zoning district, written notice shall be given at least fourteen (14) days in advance of the public hearing on the

application to the applicant, administrative official, the mayor and city clerk of any city of the fifth or sixth class so affected, within any county containing a city of the first class *or a consolidated local government*, an owner of every parcel of property adjoining the property to which the application applies and such other persons as the local zoning ordinance, regulations, or board of adjustment bylaws shall direct. Written notice shall be by first class mail with certification by the board's secretary or other officer that the notice was mailed. It shall be the duty of the applicant to furnish to the board the name and address of an owner of each parcel of property as described in this subsection. Records maintained by the property valuation administrator may be relied upon conclusively to determine the identity and address of said owner. In the event such property is in condominium or cooperative forms of ownership, then the person notified by mail shall be the president or chairperson of the owner group which administers property commonly owned by the condominium or cooperative owners. A joint notice may be mailed to two (2) or more co-owners of an adjoining property who are listed in the property valuation administrator's records as having the same address.

- (7) When any property within the required notification area for a public hearing upon a conditional use permit application is located within an adjoining city, county, or planning unit, notice of the hearing shall be given at least fourteen (14) days in advance of the hearing, by first-class mail to certain public officials, as follows:
 - (a) If the adjoining property is part of a planning unit, notice shall be given to that unit's planning commission; or
 - (b) If the adjoining property is not part of a planning unit, notice shall be given to the mayor of the city in which the property is located or, if the property is in an unincorporated area, notice shall be given to the judge/executive of the county in which the property is located.

Section 149. KRS 100.253 is amended to read as follows:

- (1) The lawful use of a building or premises, existing at the time of the adoption of any zoning regulations affecting it may be continued, although such use does not conform to the provisions of such regulations, except as otherwise provided herein.
- (2) The board of adjustment shall not allow the enlargement or extension of a nonconforming use beyond the scope and area of its operation at the time the regulation which makes its use nonconforming was adopted, nor shall the board permit a change from one nonconforming use to another unless the new nonconforming use is in the same or a more restrictive classification, provided, however, the board of adjustment may grant approval, effective to maintain nonconforming-use status, for enlargements or extensions, made or to be made, of the facilities of a nonconforming use, where the use consists of the presenting of a major public attraction or attractions, such as a sports event or events, which has been presented at the same site over such period of years and has such attributes and public acceptance as to have attained international prestige and to have achieved the status of a public tradition, contributing substantially to the economy of the community and state, of which prestige and status the site is an essential element, and where the enlargement or extension was or is designed to maintain the prestige and status by meeting the increasing demands of participants and patrons.
- (3) Any use which has existed illegally and does not conform to the provisions of the zoning regulations, and has been in continuous existence for a period of ten (10) years, and which has not been the subject of any adverse order or other adverse action by the administrative official during said period, shall be deemed a nonconforming use. Thereafter, such use shall be governed by the provisions of subsection (2) of this section.
- (4) The provisions of subsection (3) of this section shall not apply to counties containing a city of the first class, a city of the second class, *a consolidated local government*, or *an* urban-county government.

Section 150. KRS 100.277 is amended to read as follows:

- (1) All subdivision of land shall receive commission approval.
- (2) No person or his agent shall subdivide any land, before securing the approval of the planning commission of a plat designating the areas to be subdivided, and no plat of a subdivision of land within the planning unit jurisdiction shall be recorded by the county clerk until the plat has been approved by the commission and the approval entered thereon in writing by the chairman, secretary, or other duly authorized officer of the commission.
- (3) No person owning land composing a subdivision, or his agent, shall transfer or sell any lot or parcel of land located within a subdivision by reference to, or by exhibition, or by any other use of a plat of such subdivision, before such plat has received final approval of the planning commission and has been recorded. Any such instrument of transfer or sale shall be void and shall not be subject to be recorded unless the subdivision plat

subsequently receives final approval of the planning commission, but all rights of such purchaser to damages are hereby preserved. The description of such lot or parcel by metes and bounds in any instrument of transfer or other document used in the process of selling or transferring same shall not exempt the person attempting to transfer from penalties provided or deprive the purchaser of any rights or remedies he may otherwise have. Provided, however, any person, or his agent, may agree to sell any lot or parcel of land located within a subdivision by reference to an unapproved or unrecorded plat or by reference to a metes and bounds description of such lot and any such executory contract of sale or option to purchase may be recorded and shall be valid and enforceable so long as the subdivision of land contemplated therein is lawful and the subdivision plat subsequently receives final approval of the planning commission.

- (4) Any street or other public ground which has been dedicated shall be accepted for maintenance by the legislative body after it has received final plat approval by the planning commission. Any street that has been built in accordance with specific standards set forth in subdivision regulations or by ordinance shall be, by operation of law, automatically accepted for maintenance by a legislative body forty-five (45) days after inspection and final approval.
- (5) Any instrument of transfer, sale or contract that would otherwise have been void under this section and under any of its subsections previously, is deemed not to have been void, but merely not subject to be recorded unless the subdivision plat subsequently receives final approval of the planning commission. This subsection shall not apply to instruments of transactions affecting property in counties containing cities of the first class, *in consolidated local governments created pursuant to KRS Chapter 67C*, or in urban-counties created pursuant to KRS Chapter 67A.

Section 151. KRS 100.324 is amended to read as follows:

- (1) All other provisions of this chapter to the contrary notwithstanding, public utilities operating under the jurisdiction of the Public Service Commission, except as specified in KRS 100.987 and subsection (5) of this section, or the Department of Vehicle Regulation or Federal Power Commission, any municipally-owned electric system, and common carriers by rail shall not be required to receive the approval of the planning unit for the location or relocation of any of their service facilities. Service facilities include all facilities of such utilities and common carriers by rail other than office space, garage space, and warehouse space and include office space, garage space, and warehouse space when such space is incidental to a service facility. The Public Service Commission and the Department of Vehicle Regulation shall give notice to the planning commission of any planning unit of any hearing which affects locations or relocations of service facilities within that planning unit's jurisdiction.
- (2) The nonservice facilities excluded in subsection (1) of this section must be in accordance with the zoning regulations.
- (3) Upon the request of the planning commission, the public utilities referred to in this section shall provide the planning commission of the planning unit affected with information concerning service facilities which have been located on and relocated on private property.
- (4) Any proposal for acquisition or disposition of land for public facilities, or changes in the character, location, or extent of structures or land for public facilities, excluding state and federal highways and public utilities and common carriers by rail mentioned in this section, shall be referred to the commission to be reviewed in light of its agreement with the comprehensive plan, and the commission shall, within sixty (60) days from the date of its receipt, review the project and advise the referring body whether the project is in accordance with the comprehensive plan. If it disapproves of the project, it shall state the reasons for disapproval in writing and make suggestions for changes which will, in its opinion, better accomplish the objectives of the comprehensive plan. No permit required for construction or occupancy of such public facilities shall be issued until the expiration of the sixty (60) day period or until the planning commission issues its report, whichever occurs first.
- (5) Every utility which proposes to construct an antenna tower for cellular telecommunications services or personal communications services within a county containing a city of the first class *or a consolidated local government* shall submit the proposal to the planning commission of the affected planning unit. The planning commission shall review the proposal in light of its agreement with the comprehensive plan and locally-adopted zoning regulations and shall, within sixty (60) days from the date the proposal is submitted, make its final decision and advise the utility in writing whether the proposed construction is in accordance with the comprehensive plan and locally-adopted zoning regulations. If the planning commission fails to issue a final

decision within sixty (60) days, it is presumed to have approved the proposal, and may not later appeal a decision of the Public Service Commission under KRS 278.650(3). If the planning commission disapproves of the proposed construction, it shall state the reasons for disapproval in its written decision and may make suggestions which, in its opinion, better accomplish the objectives of the comprehensive plan and the locally-adopted zoning regulations. No permit for construction of a cellular or personal communications services antenna tower, including any certificate of convenience and necessity required to be issued by the Kentucky Public Service Commission, shall be issued until the expiration of the sixty (60) day period or until the planning commission issues its final decision on the utility proposal, whichever occurs first.

Section 152. KRS 100.331 is amended to read as follows:

Except in counties containing a consolidated local government, fiscal courts are granted all the legislative powers granted to all cities for purposes of adopting regulations and legislation proposed under this chapter.

Section 153. KRS 100.347 is amended to read as follows:

- (1) Any person or entity claiming to be injured or aggrieved by any final action of the board of adjustment shall appeal from the action to the Circuit Court of the county in which the property, which is the subject of the action of the board of adjustment, lies. Such appeal shall be taken within thirty (30) days after the final action of the board. All final actions which have not been appealed within thirty (30) days shall not be subject to judicial review. The board of adjustment shall be a party in any such appeal filed in the Circuit Court.
- (2) Any person or entity claiming to be injured or aggrieved by any final action of the planning commission shall appeal from the final action to the Circuit Court of the county in which the property, which is the subject of the commission's action, lies. Such appeal shall be taken within thirty (30) days after such action. Such action shall not include the commission's recommendations made to other governmental bodies. All final actions which have not been appealed within thirty (30) days shall not be subject to judicial review. Provided, however, any appeal of a planning commission action granting or denying a variance or conditional use permit authorized by KRS 100.203(5) shall be taken pursuant to this subsection. In such case, the thirty (30) day period for taking an appeal begins to run at the time the legislative body grants or denies the map amendment for the same development. The planning commission shall be a party in any such appeal filed in the Circuit Court.
- (3) Any person or entity claiming to be injured or aggrieved by any final action of the legislative body of any city, county, ***consolidated local government,*** or urban-county government, relating to a map amendment shall appeal from the action to the Circuit Court of the county in which the property, which is the subject of the map amendment, lies. Such appeal shall be taken within thirty (30) days after the final action of the legislative body. All final actions which have not been appealed within thirty (30) days shall not be subject to judicial review. The legislative body shall be a party in any such appeal filed in the Circuit Court.
- (4) The owner of the subject property and applicants who initiated the proceeding shall be made parties to the appeal. Other persons speaking at the public hearing are not required to be made parties to such appeal.
- (5) For purposes of this chapter, final action shall be deemed to have occurred on the calendar date when the vote is taken to approve or disapprove the matter pending before the body.

Section 154. KRS 100.401 is amended to read as follows:

It is the intent of KRS 100.401 to 100.419 to strengthen the enforcement of binding elements which have been approved as part of a land use development plan in a county containing a city of the first class ***or consolidated local government.*** This is intended to be done by extending to a planning commission in counties containing a city of the first class ***or consolidated local government*** the authority to issue remedial orders and impose civil fines in order to provide an equitable, expeditious, effective, and inexpensive method of ensuring compliance with approved land use plans as they apply to binding element agreements. KRS 100.401 to 100.419 is intended and shall be construed to provide an additional or supplemental means of obtaining compliance with local zoning ordinances and nothing contained in KRS 100.401 to 100.419 shall prohibit the enforcement of local zoning ordinances by any other means authorized by law.

Section 155. KRS 100.403 is amended to read as follows:

As used in KRS 100.401 to 100.419, unless the context otherwise requires:

- (1) "Land use enforcement officer" in a county containing a city of the first class ***or consolidated local government*** means ~~an [a zoning enforcement] officer~~ ***authorized [employed]*** by a planning commission ***to enforce binding elements.***

- (2) "Land use ordinance" in a county containing a city of the first class ***or consolidated local government*** means an official action of a local government body which is a regulation of a general and permanent nature relating to the use and development of land within the jurisdictional boundary of the planning commission. It is enforceable as a local law and shall include any provision of a code of ordinances adopted by a local government which embodies all or part of an ordinance.
- (3) "Local government" means a county containing a city of the first class ***or consolidated local government*** and all cities of the first through fourth classes within ~~the~~***that*** county.
- (4) "Binding element" in a county containing a city of the first class ***or consolidated local government*** means a binding requirement, provision, restriction, or condition imposed by a planning commission or its designee, or a promise or agreement made by an applicant in writing in connection with the approval of a land use development plan or subdivision plan.

Section 156. KRS 100.405 is amended to read as follows:

- (1) The planning commission in counties containing a city of the first class ***or a consolidated local government*** may issue remedial orders and impose civil fines as a method of enforcing a binding element when a violation of that binding element has been classified as a civil offense in accordance with this section.
- (2) Subject to the limitations set forth in subsections (1) and (3) of this section, if a local government elects to enforce a binding element as a civil offense, it shall do so by ordinance, which shall provide:
 - (a) That a violation of the binding element is a civil offense; and
 - (b) A maximum civil fine that may be imposed for each violation of a binding element.
- (3) No local government shall classify the violation of a binding element as a civil offense if the violation would also constitute an offense under any provision of the Kentucky Revised Statutes, including specifically, and without limitation, any provision of the Kentucky Penal Code and any moving motor vehicle offense.

Section 157. KRS 100.985 is amended to read as follows:

In addition to the definitions set forth in KRS 100.111, the following definitions shall apply to KRS 100.985 to 100.987:

- (1) "Cellular antenna tower" means a tower constructed for, or an existing facility that has been adapted for, the location of transmission or related equipment to be used in the provision of cellular telecommunications services or personal communications services;
- (2) "Cellular telecommunications service" means a retail telecommunications service that uses radio signals transmitted through cell sites and mobile switching stations;
- (3) "Co-location" means locating two (2) or more transmission antennas or related equipment on the same cellular antenna tower;
- (4) "Personal communication service" has the meaning as defined in 47 U.S.C. sec. 332(c);
- (5) "Uniform application" means an application for a certificate of convenience and necessity issued under KRS 278.020 submitted by a utility to the Public Service Commission to construct an antenna tower for cellular telecommunications services of personal communications service in a jurisdiction, that has adopted planning and zoning regulations in accordance with this chapter, except for any county that contains a city of the first class ***or a consolidated local government***; and
- (6) "Utility" has the meaning as defined in KRS 278.010(3).

Section 158. KRS 100.987 is amended to read as follows:

- (1) A planning unit as defined in KRS 100.111 and legislative body or fiscal court that has adopted planning and zoning regulations, except for a county that contains a city of the first class ***or a consolidated local government*** as provided under KRS 278.650, may plan for and regulate the siting of cellular antenna towers in accordance with locally adopted planning or zoning regulations in this chapter by officially registering with the Public Service Commission. The registration shall be in the form of an official resolution adopted by the local planning commission. Nothing in this section shall require a planning unit and legislative body or fiscal court to plan for and regulate the siting of cellular antenna towers.

- (2) Every utility or a company that is engaged in the business of providing the required infrastructure to a utility that proposes to construct an antenna tower for cellular telecommunications services or personal communications services within the jurisdiction of a planning unit that has adopted planning and zoning regulations in accordance with this chapter, except for a county that contains a city of the first class *or a consolidated local government* as provided under KRS 278.650, and that has officially registered with the Public Service Commission shall:
- (a) Submit a copy of the utility's completed uniform application to the planning commission of the affected planning unit to construct an antenna tower for cellular or personal telecommunications services within five (5) days of applying to the Public Service Commission for a certificate of necessity and convenience as required by KRS 278.020(1). The uniform application shall include a grid map that shows the location of all existing cellular antenna towers and that indicates the general position of proposed construction sites for new cellular antenna towers within an area that includes:
 - 1. All of the planning unit's jurisdiction; and
 - 2. A one-half (1/2) mile area outside of the boundaries of the planning unit's jurisdiction, if that area contains either existing or proposed construction sites for cellular antenna towers;
 - (b) Include in any contract with an owner of property upon which a cellular antenna tower is to be constructed, a provision that specifies, in the case of abandonment, a method that the utility will follow in dismantling and removing a cellular antenna tower including a timetable for removal; and
 - (c) Comply with any local ordinances concerning land use, subject to the limitations imposed by 47 U.S.C. sec. 332(c), KRS 278.030, 278.040, and 278.280.
- (3) Commencing from the time that a utility files a uniform application with the Public Service Commission, all information contained in the uniform application and any updates, except for information that specifically identifies the proposed location of the cellular antenna tower then being reviewed by the applying utility, shall be deemed confidential and proprietary within the meaning of KRS 61.878. The Public Service Commission and the local planning commission shall deny any public request for the inspection of this information, whether submitted under Kentucky's Open Records Act or otherwise, except when ordered to release the information by a court of competent jurisdiction. Any person violating this subsection shall be guilty of official misconduct in the second degree as provided under KRS 522.030.
- (4) After receiving the uniform application to construct a cellular antenna tower, the planning commission shall:
- (a) Review the uniform application in light of its agreement with the comprehensive plan and locally adopted zoning regulations;
 - (b) Make its final decision to approve or disapprove the uniform application; and
 - (c) Advise the utility and the Public Service Commission in writing of its final decision within sixty (60) days commencing from the date that the uniform application is received by the planning commission or within a date certain specified in a written agreement between the local planning commission and the utility. If the planning commission fails to issue a final decision within sixty (60) days and if there is no written agreement between the local planning commission and the utility to a specific date for the planning commission to issue a decision, it is presumed that the local planning commission has approved the utility's uniform application.
- (5) (a) If the planning commission disapproves of the proposed construction, it shall state the reasons for disapproval in its written decision and may make suggestions which, in its opinion, better accomplish the objectives of the comprehensive plan and the locally adopted zoning regulations. No permit for construction of a cellular or personal communications services antenna tower, including any certificate of convenience and necessity required to be issued by the Kentucky Public Service Commission, shall be issued until the planning commission approves the uniform application or the sixty (60) day time period has expired, whichever occurs first. If a planning commission rejects the uniform application to construct an antenna tower, the Public Service Commission may override the decision of the planning commission and issue a certificate of convenience and necessity for construction of the cellular or personal communications services antenna tower, if it determines that there is no acceptable alternate site and that the public convenience and necessity requires the proposed construction.

- (b) Any party, other than the applying utility, that is aggrieved by the final action of a planning commission under this section, may intervene in the action to the Public Service Commission, but this appeal shall not automatically postpone action by the Public Service Commission.
- (6) The planning commission may require the utility to make a reasonable attempt to co-locate additional transmitting or related equipment on any new or existing towers, if there is available space on the tower and the co-location does not interfere with the structural integrity of the tower and does not require the owner of the tower to make substantial alterations to the tower. A planning commission may provide the location of existing cellular antenna towers on which the commission deems the applying utility can successfully co-locate its transmitting and related equipment. If the local planning commission requires the utility to attempt co-location, the utility shall provide the local planning unit with a statement indicating that the utility has:
 - (a) Successfully attempted to co-locate on towers designed to host multiple wireless service providers' facilities or existing structures such as a telecommunications tower or another suitable structure capable of supporting the utility's facilities, and that identifies the location of the tower which the applying utility will co-locate its transmission and related facilities on; or
 - (b) Unsuccessfully attempted to co-locate on towers designed to host multiple wireless service provider's facilities or existing structures such as a telecommunications tower or another suitable structure capable of supporting the utility's facilities and that:
 - 1. Identifies the location of the towers which the applying utility attempted to co-locate on; and
 - 2. Lists the reasons why the co-location was unsuccessful in each instance.
- (7) The local planning commission may deny a uniform application to construct a cellular antenna tower based on a utility's unwillingness to attempt to co-locate additional transmitting or related equipment on any new or existing towers.
- (8) In the event of co-location, a utility shall be considered the primary user of the tower, if the utility is the owner of the antenna tower and if no other agreement exists that prescribes an alternate arrangement between the parties for use of the tower. Any other entity that co-locates transmission or related facilities on a cellular antenna tower shall do so in a manner that does not impose additional costs or operating restrictions on the primary user.

Section 159. KRS 108.060 is amended to read as follows:

A civil service system for employees of the district may be established by the council in accordance with the plan outlined for cities of the first class *or a consolidated local government* under KRS 90.110 to 90.230.

Section 160. KRS 132.012 is amended to read as follows:

As used in this section and in KRS 91.285, unless the context otherwise requires:

- (1) "Abandoned urban property" means any vacant structure or vacant or unimproved lot or parcel of ground in a predominantly developed urban area which has been vacant or unimproved for a period of at least one (1) year and which:
 - (a) Because it is dilapidated, unsanitary, unsafe, vermin infested, or otherwise dangerous to the safety of persons, it is unfit for its intended use; or
 - (b) By reason of neglect or lack of maintenance has become a place for the accumulation of trash and debris, or has become infested with rodents or other vermin; or
 - (c) Has been tax delinquent for a period of at least three (3) years.
- (2) For purposes of local taxation in cities of the first class *or consolidated local governments*, there shall be a classification of real property known as abandoned urban property. The legislative body of a city of the first class *or consolidated local government* may levy a rate of taxation on abandoned urban property higher than the prevailing rate of taxation on other real property in the city *or consolidated local government*. The limitation upon tax rates established by KRS 132.027 shall not apply to the rate of taxation on abandoned urban property.

Section 161. KRS 132.015 is amended to read as follows:

The property valuation administrator shall maintain lists of all real property additions and real property deletions to the property tax rolls for the county, **consolidated local government**, or urban-county, and each city, school district, and special district in the county, **consolidated local government**, or urban-county, and shall certify such lists to the Revenue Cabinet, the city clerk of each city in the county which elects to use the annual county assessment as provided for in KRS 132.285, the treasurer or chief officer of each special district in the county, and the chief administrative officer of the urban-county **and the consolidated local government** at the time he files his recapitulation of property assessed on the tax roll with the Revenue Cabinet.

Section 162. KRS 132.017 is amended to read as follows:

- (1) (a) That portion of a tax rate levied by an ordinance, order, resolution, or motion of a county fiscal court, district board of education or legislative body of a city, urban-county government, **consolidated local government**, or other taxing district subject to recall as provided for in KRS 68.245, 132.023, 132.027 and 160.470, shall go into effect forty-five (45) days after its passage. If during the forty-five (45) days next following the passage of the order, resolution, or motion, a petition signed by a number of registered and qualified voters equal to ten percent (10%) of the voters voting in the last presidential election is presented to the county clerk or his authorized deputy protesting against passage of the ordinance, order, resolution, or motion, the ordinance, order, resolution, or motion shall be suspended from going into effect until after the election referred to in subsection (2) of this section. When the petition is presented to the county clerk or his authorized deputy, the officer shall immediately notify the presiding officer of the appropriate fiscal court, district board of education, ~~or~~ legislative body of a city, **consolidated local government**, ~~or~~ urban-county government, or other taxing district, as the case may be. Each sheet of the petition shall contain the names, residence addresses, and Social Security numbers or dates of birth of voters in but one (1) voting precinct, and each sheet shall state the name, number, or designation of the precinct and, where applicable, the name, designation, or number of the district or ward wherein the precinct is situated. The county clerk shall make the conclusive determination of whether the petition contains enough signatures of qualified voters to suspend the effect of the order or resolution.
- (b) The county fiscal court, district board of education, or legislative body of a city, urban-county government, **consolidated local government**, or other taxing district may cause the cancellation of the election by reconsidering the ordinance, order, resolution, or motion and amending the ordinance, order, resolution, or motion to levy a tax rate which will produce no more revenue from real property, exclusive of revenue from new property as defined in KRS 132.010, than four percent (4%) over the amount of revenue produced by the compensating tax rate defined in KRS 132.010 from real property. The action by the county fiscal court, district board of education, legislative body of a city, urban-county government, **consolidated local government**, or other taxing district shall be valid only if taken within fifteen (15) days following the date of the presentation of the petition.
- (2) (a) If an election is necessary under the provisions of subsection (1) of this section, the county fiscal court, ~~or~~ legislative body of a city, urban-county government, **consolidated local government**, or other taxing district shall cause to be submitted to the voters of the county, district, **consolidated local government**, or urban-county at the next regular election, the question as to whether the property tax rate shall be levied. The question shall be submitted to the county clerk not later than the second Tuesday in August preceding the regular election. The question shall be so framed that the voter may by his vote answer "for" or "against." If a majority of the votes cast upon the question oppose its passage, the order, resolution, or motion shall not go into effect. If a majority of the votes cast upon the question favor its passage, the order, resolution, or motion shall go into effect.
- (b) If an election is necessary for a school district under the provisions of subsection (1) of this section, the district board of education may cause to be submitted to the voters of the district in a called common school election not less than twenty (20) days nor more than thirty (30) days from the date the signatures on the petition are validated by the county clerk, or at the next regular election, at the option of the district board of education, the question as to whether the property tax rate shall be levied. If the election is held in conjunction with a regular election, the question shall be submitted to the county clerk not later than the second Tuesday in August preceding the regular election. The question shall be so framed that the voter may by his vote answer "for" or "against." If a majority of the votes cast upon the question oppose its passage, the order, resolution, or motion shall not go into effect, and the property tax rate which will produce four percent (4%) more revenues from real property, exclusive of revenue from new property as defined in KRS 132.010, than the amount of revenue produced by the compensating tax

rate defined in KRS 132.010, shall be levied without further approval by the county fiscal court, district board of education, or legislative body of a city, ***consolidated local government***, urban-county government, or other taxing district, as the case may be. If a majority of the votes cast upon the question favor its passage, the order, resolution, or motion shall go into effect. The cost of a called common school election shall be borne by the school district causing the election to be held.

- (3) Notwithstanding any statutory provision to the contrary, if a city, county, school district, or other taxing district has not established a final tax rate as of September 15, due to the recall provisions of this section, KRS 68.245, 132.027, or 160.470, regular tax bills shall be prepared as required in KRS 133.220 for all districts having a tax rate established by that date; and a second set of bills shall be prepared and collected in the regular manner, according to the provisions of KRS Chapter 132, upon establishment of final tax rates by the remaining districts.
- (4) If a second billing is necessary, the collection period shall be extended to conform with the second billing date.
- (5) All costs associated with the second billing shall be paid by the taxing district or districts requiring the second billing.

Section 163. KRS 132.018 is amended to read as follows:

- (1) If the tax rate applicable to real property levied by a county fiscal court, district board of education, or legislative body of a city, ***consolidated local government***, urban-county government, or other taxing district is reduced as a result of reconsideration by the county fiscal court, district board of education, or legislative body of a city, ***consolidated local government***, urban-county government, or other taxing district under the provisions of KRS 132.017(1)(b), the tax rate applicable to personal property levied under the provisions of KRS 68.248(1), 132.024(1), 132.029(1), and 160.473(1) shall be reduced by the respective county fiscal court, district board of education, or legislative body of a city, ***consolidated local government***, urban-county government, or other taxing district to an amount which will produce the same percentage increase in revenue from personal property as the percentage increase in revenue from real property resulting from the reduced tax rate applicable to real property.
- (2) If the tax rate applicable to real property levied by a county fiscal court, district board of education, or legislative body of a city, ***consolidated local government***, urban-county government, or other taxing district is reduced, under the provisions of KRS 132.017(2)(b), as a result of a majority of votes cast in an election being opposed to such a rate, the tax rate applicable to personal property levied by the respective county fiscal court, district board of education, or legislative body of a city, ***consolidated local government***, urban-county government, or other taxing district shall be reduced, without further action by the levying body, to an amount which will produce the same percentage increase in revenue from personal property as the percentage increase in revenue from real property resulting from the reduced tax rate applicable to real property.

Section 164. KRS 132.023 is amended to read as follows:

- (1) No taxing district, other than the state, counties, school districts, cities, ***consolidated local governments***, and urban-county governments, shall levy a tax rate which exceeds the compensating tax rate defined in KRS 132.010, until the taxing district has complied with the provisions of subsection (2) of this section.
- (2)
 - (a) A taxing district, other than the state, counties, school districts, cities, ***consolidated local governments***, and urban-county governments, proposing to levy a tax rate which exceeds the compensating tax rate defined in KRS 132.010, shall hold a public hearing to hear comments from the public regarding the proposed tax rate. The hearing shall be held in the principal office of the taxing district, or, in the event the taxing district has no office, or the office is not suitable for a hearing, the hearing shall be held in a suitable facility as near as possible to the geographic center of the district.
 - (b) The taxing district shall advertise the hearing by causing to be published at least twice in two (2) consecutive weeks, in the newspaper of largest circulation in the county, a display type advertisement of not less than twelve (12) column inches, the following:
 1. The tax rate levied in the preceding year, and the revenue produced by that rate;
 2. The tax rate proposed for the current year and the revenue expected to be produced by that rate;
 3. The compensating tax rate and the revenue expected from it;

4. The revenue expected from new property and personal property;
 5. The general areas to which revenue in excess of the revenue produced in the preceding year is to be allocated;
 6. A time and place for the public hearing which shall be held not less than seven (7) days, nor more than ten (10) days, after the day that the second advertisement is published;
 7. The purpose of the hearing; and

- (3) The releasing authority shall order the fee paid in a lump sum or installments. If the fee is to be paid in a lump sum, the person shall not be released from custody until the fee is paid in full.
- (4) Upon the failure of a person to pay an installment on a fee set forth in a release agreement, the releasing authority shall hold a hearing to determine why the installment has not been paid. Failure without good cause to pay an installment pursuant to a release agreement shall be grounds for the revocation of probation, parole, conditional release, or other form of release upon which the person has been released as provided in KRS 533.050.
- (5) The releasing authority shall hold a hearing to determine the ability of the defendant to make the payments; and in making this determination, the releasing authority shall take into account the amount of any fine imposed upon the defendant and any amount the defendant has been ordered to pay in restitution. In counties containing a city of the first class or an urban-county form of government, the releasing authority may waive the payment of the fee in whole or in part for defendants placed under the supervision of the adult misdemeanor probation and work release program, if it finds that any of the factors in subsection (6) of this section exist.
- (6) The releasing authority shall not waive any fee unless the commissioner of the Department of Corrections or his designee petitions the releasing authority in written form for the waiver. The Department of Corrections shall not petition unless:

Certification of student status shall be supplied to the releasing authority by the educational institution in which the offender is enrolled. In such case, the fee may be postponed until completion of education but shall be paid thereafter.
 - (b) The offender has an employment disability, as determined by a physical, psychological, or psychiatric examination acceptable to, or ordered by, the releasing authority.
- (7) At any time during the pendency of the judgment or order rendered according to the terms of this section, a defendant may petition the releasing authority to modify or vacate its previous judgment or order on the grounds of change of circumstances with regard to the defendant's ability to pay the fee. The releasing

authority shall advise the defendant of this right at the time of the rendering of the judgment or order placing the defendant on probation, parole, or other supervised release.

- (8) All sums paid by the defendant pursuant to this section shall be paid into the general fund, except as provided in subsection (13) of this section.
- (9) When granting a release of any defendant by way of probation, parole, or otherwise, the releasing authority shall make the payment of this fee a condition of release, unless the fee has been waived, reduced, or delayed as provided in this section. Nonpayment shall be grounds for revocation of the release as provided in KRS 533.050.
- (10) The releasing authority, if the Department of Corrections petitions the releasing authority to modify the fee, shall consider the petition and may waive the payment of the fee in whole or in part, delay payment of the fee, increase the fee, or deny the petition.
- (11) All fees fixed under the provisions of this section shall be collected by the circuit clerk of the county where the defendant is supervised, except as provided in subsection (13) of this section.
- (12) The Department of Corrections and the Division of Probation and Parole shall, for each person released under its supervision, keep an account of all payments made and report delinquencies to the releasing authority.

All sums paid by the defendant under this subsection shall be paid into the general fund of the county, city, **consolidated local government**, charter county, or urban-county government in lieu of the payment specified in subsection (8) of this section. All fees fixed under this subsection shall be collected by the circuit clerk of the county or urban-county involved. The adult misdemeanor probation and work release program of the county, **consolidated local government**, city, charter county, or urban-county government shall, for each person released under its supervision, keep an account of all payments made, maintain copies of all receipts issued by the circuit clerk, and report delinquencies to the court.

Nothing in KRS Chapters 77 and 224 shall preclude a consolidated local government from utilizing other methods and procedures for reaching attainment of the air quality standards established by the Federal Environmental Protection Agency for ozone, carbon monoxide, and nitrogen dioxide.*

- (4) ***The residence requirements of subsection (1) of this section requiring residency within the Commonwealth shall not apply to an employee of a law enforcement agency employed by that agency on the effective date of this Act until that employee's employment relationship with the law enforcement agency is terminated.***

Section 238. KRS 238.535 is amended to read as follows:

- (1) Any charitable organization conducting charitable gaming in the Commonwealth of Kentucky shall be licensed by the department. A charitable organization qualifying under subsection (8) of this section but not exceeding the limitations provided in this subsection shall be exempt from the licensure requirements when conducting the following charitable gaming activities:
 - (a) Bingo in which the gross receipts do not exceed a total of twenty-five thousand dollars (\$25,000) per year;
 - (b) A raffle or raffles for which the gross receipts do not exceed twenty-five thousand dollars (\$25,000) per year; and
 - (c) A charity fundraising event or events that do not involve special limited charitable games and the gross gaming receipts for which do not exceed twenty-five thousand dollars (\$25,000) per year.

However, at no time shall a charitable organization's total limitations under this subsection exceed twenty-five thousand dollars (\$25,000).

- (2) Any charitable organization exempt from the process of applying for a license under subsection (1) of this section, shall notify the department in writing, on a simple form issued by the department, of its intent to engage in exempt charitable gaming and the address at which the gaming is to occur. Any charitable organization exempt from the process of applying for a license under subsection (1) of this section, shall comply with all other provisions of this chapter relating to the conduct of charitable gaming, except:
 - (a) Payment of the fee imposed under the provisions of KRS 238.570; and
 - (b) The quarterly reporting requirements imposed under the provisions of KRS 238.550(5), unless the exempt charitable organization obtains a retroactive license pursuant to subsection (5) of this section.

This report shall be filed on a form issued by the department. Upon receipt of the yearly financial report, the department shall notify the charitable organization submitting it that its exemption is renewed for the next year. If the department determines that information appearing on the financial report renders the charitable organization ineligible to possess an exemption, the department shall revoke the exemption. The organization may request an appeal of this revocation pursuant to KRS 238.565. If an exemption is revoked because an organization has exceeded the limit imposed in subsection (1) of this section, the organization shall apply for a retroactive license in accordance with subsection (3) of this section.

- (3) If an organization exceeds the limit imposed by any subsection of this section it shall:
 - (a) Report the amount to the department; and
 - (b) Apply for a retroactive charitable gaming license.

- (4) Upon receipt of a report and application for a retroactive charitable gaming license, the department shall investigate to determine if the organization is otherwise qualified to hold the license.

- (6) If the department determines that the applicant is not qualified it shall deny the license and take enforcement action, if appropriate.
- (7) Once a retroactive or regular gaming license is issued to an organization, that organization shall not be eligible for exempt status in the future and shall maintain a charitable gaming license if it intends to continue charitable gaming activities, unless the charitable organization has not exceeded the exemption limitations of subsection (1) of this section for a period of two (2) years prior to its exemption request.
- (8) In order to qualify for licensure, a charitable organization shall:
 - (a)
 1. Possess a tax exempt status under 26 U.S.C. secs. 501(c)(3), 501(c)(4), 501(c)(8), 501(c)(10), or 501(c)(19), or be covered under a group ruling issued by the Internal Revenue Service under authority of those sections; or

However, a charitable organization that operates for charitable purposes in more than ten (10) states and whose principal place of business is physically located in a state other than Kentucky may satisfy the requirements of this paragraph if it can document that it has:***
 1. ***Been actively engaged in charitable activities and has made reasonable progress, as defined in paragraph (c) of this subsection, in the conduct of charitable activities or the expenditure of funds within Kentucky for a period of three (3) years prior to application for licensure; and***

 - (c) Have been actively engaged in charitable activities during the three (3) years immediately prior to application for licensure and be able to demonstrate, to the satisfaction of the department, reasonable progress in accomplishing its charitable purposes during this period. As used in this paragraph, "reasonable progress in accomplishing its charitable purposes" means the regular and uninterrupted conduct of activities within the Commonwealth or the expenditure of funds within the Commonwealth to accomplish relief of poverty, advancement of education, protection of health, relief from disease, relief from suffering or distress, protection of the environment, conservation of wildlife, advancement of civic, governmental, or municipal purposes, or advancement of those purposes delineated in KRS 238.505(3). In order to demonstrate reasonable progress in accomplishing its charitable purposes when applying to renew an existing license, a licensed charitable organization shall additionally provide to the department a detailed accounting regarding its expenditure of charitable gaming net receipts for the purposes described in this paragraph; and

For the conduct of a raffle, the county in which charitable gaming is to be conducted shall be the county in which the raffle drawing is to be conducted. However, a charitable organization that has established and maintained an office or place of business in the county for a period

of at least one (1) year may hold a raffle drawing in a Kentucky county other than that in which the organization's office or place of business is located if the organization notifies the department in writing of the organization's intent to change the drawing's location at least thirty (30) days before the drawing takes place. This written notification may be transmitted in any commercially reasonable means, authorized by the department, including facsimile and electronic mail. The notification shall set out the place and the county in which the drawing will take place. Approval by the department shall be received prior to the conduct of the raffle drawing at the new location. Any charitable organization that was registered with the county clerk to conduct charitable gaming in a county on or before March 31, 1992, shall satisfy this requirement if it maintained a place of business or operation, other than for the conduct of charitable gaming, for one (1) year prior to application in a Kentucky county adjoining the county in which they were registered. Any licensed charitable organization that qualifies to conduct charitable gaming in an adjoining county under this paragraph, shall be permitted to conduct in its county of residence a charity fund raising event.

- (9) In applying for a license, the information to be submitted shall include, but not be limited to, the following:
- (a) The name and address of the charitable organization;
 - (b) The date of the charitable organization's establishment in the Commonwealth of Kentucky and the date of establishment in the county in which charitable gaming is to be conducted;

 - (h) The address of the location at which charitable gaming will be conducted and the name and address of the owner of the property, if it is owned by a person other than the charitable organization;
 - (i) A copy of the letter or other legal document issued by the Internal Revenue Service to grant tax-exempt status;
 - (j) A statement signed by the presiding or other responsible officer of the charitable organization attesting that the information submitted in the application is true and correct and that the organization agrees to comply with all applicable laws and administrative regulations regarding charitable gaming;
 - (k) An agreement that the charitable organization's records may be released by the federal Internal Revenue Service to the department; and
 - (l) Any other information the department deems appropriate.
- (10) An organization or a group of individuals that does not meet the licensing requirements of subsection (8) of this section may hold a raffle if the gross receipts do not exceed one hundred fifty dollars (\$150) and all proceeds from the raffle are distributed to a charitable organization. The organization or group of individuals may hold up to three (3) raffles each year, and shall be exempt from complying with the notification, application, and reporting requirements of subsections (2) and (9) of this section.
- (11) The department may issue a license for a specified period of time, based on the type of charitable gaming involved and the desired duration of the activity.
- (12) The department shall charge a fee for each license issued and renewed, not to exceed three hundred dollars (\$300). Specific fees to be charged shall be prescribed in a graduated scale promulgated by administrative

- (b) During the escrow period, the licensee shall not engage in charitable gaming, and the escrow period shall not be included in calculating the licensee's retention rate under KRS 238.536.
- (c) A charitable organization may apply for reinstatement of its active license and the license shall be reinstated provided:

CHAPTER 348

(HCR 244)

A CONCURRENT RESOLUTION directing the Interim Joint Committee on Agriculture and Natural Resources to study issues concerning the competitiveness of Kentucky coal in the generation of electricity and directing the Governor and Attorney General to take action against the Federal Department of Energy for failure to convert and dispose of depleted uranium hexafluoride wastes in Paducah, Kentucky.

WHEREAS, the importance of coal to the economy of the Commonwealth cannot be overstated and the importance of the electric generation market to the coal industry is similarly vital; and

WHEREAS, the market share for Kentucky coal is falling in the electricity generation sector; and

WHEREAS, the mechanism and factors that regulate and control that market may contribute to the declining market share; and

WHEREAS, over the past 50 years the Department of Energy (DOE) has allowed approximately 57,000 cylinders with 700,000 tons of corrosive and reactive depleted uranium hexafluoride (DUF6) waste to pile up at the DOE's Paducah, Kentucky, Portsmouth, Ohio, and Oak Ridge, Tennessee facilities without any plan for disposal; and

WHEREAS, this waste is owned by the DOE and was generated by the Atomic Energy Commission, the Energy Research and Development Administration, DOE, the United States Enrichment Corporation and USEC, Inc., in connection with uranium enrichment conducted for the nation's nuclear weapons and nuclear energy programs; and

WHEREAS, the United States Congress required the DOE to dispose of this vast quantity of legacy waste in July 1998 by adopting the "McConnell Act" (Public Law 105-204), a law which requires the Secretary of Energy to:

- (1) Prepare a plan to commence construction of conversion facilities at the Paducah, Kentucky and Portsmouth, Ohio gaseous diffusion plants not later than January 31, 2004;

- (2) Recycle or dispose of this material; and
- (3) Reserve \$373 million in an account at the Treasury Department from the funds accumulated by USEC prior to the date of privatization; and

WHEREAS, the DOE Paducah Gaseous Diffusion Plant in Paducah, Kentucky (Paducah Plant) stores approximately 37,000 cylinders out of a DOE inventory of 57,000 cylinders of this corrosive and reactive waste in 15 separate storage areas covering over 15 acres; and

WHEREAS, some of this waste has leaked through corroded containers, and due to the considerable threat to human health and the environment presented by continued storage of this material in unsuitable conditions, it is imperative that the DOE implement the McConnell Act so that the cleanup and community re-industrialization goals set by the Paducah Community Reuse Organization can be achieved; and

WHEREAS, the DOE issued a Final Programmatic Environmental Impact Statement for Alternative Strategies for the Long-Term Management and Use of Depleted Uranium Hexafluoride (PEIS) on April 16, 1999, which recommends that DOE should begin conversion of the DUF6 inventory at two conversion facilities instead of one facility, due to the increased risk associated with the transportation of large numbers of DUF6 cylinders, increased transportation cost, potential issues with regulatory and stakeholder acceptance of large quantities of corroded cylinders moving through or into their states, and the requirements of Pub. L. 105-204; and

WHEREAS, the DOE Office of Nuclear Energy issued a Final Plan for the Conversion of Depleted Uranium Hexafluoride (the Plan) in July 1999 to construct two conversion plants and set forth milestones, including: (1) the award of a contract to convert and dispose of this waste in the 1st quarter of the year 2000, and (2) construction of conversion facilities beginning in the 1st quarter of the year 2002; and

WHEREAS, the DOE has received three final bids from private industry to construct and operate two conversion plants, and DOE announced that it would award a contract on January 15, 2002; and

WHEREAS, the DOE declined to issue a contract on January 15, 2002, and on February 28, 2002, the DOE announced that it was abandoning the award of this two plant contract altogether; and

WHEREAS, the DOE issued a letter on February 28, 2002, indicating that it will invite bidders to prepare a cost study for only one conversion plant at an undisclosed location with a new Request for Proposal to be issued in a year although the DOE already has data from its 125-page study entitled "Preconceptual Design Studies and Cost Data of Depleted Uranium Hexafluoride Conversion Plants and the PEIS"; and

WHEREAS, the DOE has violated its commitment and obligation to comply with the requirements of the McConnell Act, and nearly four years after the passage of the law, DOE conduct indicates that it has no intention of complying with any aspect of the plan to begin construction of two facilities by January 31, 2004, in Kentucky and Ohio; and

WHEREAS, the DOE ignored written requests by the Governors of Kentucky, Tennessee, and Ohio to reinvigorate implementation of the plan to convert and dispose of this waste; and

WHEREAS, DUF6 can be defined as either a reactive hazardous waste or a corrosive hazardous waste under the Environmental Protection Agency (EPA) regulations implementing the Resource Conservation and Recovery Act (RCRA) at 40 C.F.R. 261, et seq; and furthermore, virtually all DUF6 has been determined to be a "waste" by the Nuclear Regulatory Commission, and therefore such material cannot be deemed source material exempted from regulation under RCRA; and

WHEREAS, the States of Ohio and Tennessee have previously taken enforcement actions against the Department of Energy to address this legacy waste; in particular, DOE has been placed on notice that it will be required to manage DUF6 as a RCRA hazardous waste in Ohio and will face stipulated penalties in Tennessee if the DUF6 is not managed and converted in a timely manner; and

WHEREAS, the Commonwealth of Kentucky has the authority to declare and regulate the DUF6 as a "hazardous waste" under its authorities; and furthermore, the Kentucky Natural Resources and Environmental Protection Cabinet has the authority to compel the Secretary of Energy to convert and recycle or dispose of this waste through the issuance of judicially enforceable Compliance Orders and the imposition of fines and penalties; and

WHEREAS, the Commonwealth of Kentucky has failed to take any enforcement action whatsoever against the DOE with respect to the conversion and disposition of DUF6";

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. The Interim Joint Committee on Agriculture and Natural Resources is directed to conduct a study of the market forces which control the purchase of coal in the electric generation industry and report its findings to the Legislative Research Commission.

Section 2. The study shall include but not be limited to the following subjects:

(1) The allocation method by which nitrogen oxide (NO_x) emission allowances are distributed to existing and new sources;

(2) The role of the Public Service Commission in the fuel purchasing and ratemaking process and the public policy which underlies that regulatory function. Specifically, the study shall examine the full effect of the awarding of coal contracts to out-of-state competitors on tax revenues, jobs, wages, benefits, and environmental compliance costs; and

(3) The factors which hamper the ability of Kentucky coal to be competitive against foreign coal and coal from other states;

Section 3. The report shall include recommendations for legislative action and shall be due on or before December 1, 2002.

Section 4. Provisions of this resolution to the contrary notwithstanding, the Legislative Research Commission shall have the authority to alternatively assign the issues identified in Sections 1, 2, and 3 of this Resolution to an interim joint committee or subcommittee thereof, and to designate a study completion date.

Section 5. The Senate finds that delays in converting and disposing of the DUF6 that is stored at the Paducah Gaseous Diffusion Plant pose an unacceptable risk to human health and the environment.

Section 6. The Senate concludes that the DOE is in willful and knowing violation of obligations and commitments relating to compliance with the McConnell Act (Public Law 105-204) and plans issued pursuant thereto.

Section 7. The Senate calls upon the Governor and the Attorney General to pursue all available legal avenues that will lead to the prompt conversion and disposition of the depleted uranium hexafluoride in a manner consistent with Pub.L.105-204 and the plans issued thereto.

Section 8. The Senate, in addition to any other steps deemed necessary or desirable by the Governor and Attorney General, specifically requests the secretary of Natural Resources and Environmental Protection Cabinet to:

- (1) Evaluate whether depleted uranium hexafluoride waste can be lawfully regulated as a "hazardous waste;"
- (2) Determine whether DUF6 can be regulated as a "hazardous waste" and take all steps required to declare it as a "hazardous waste;"
- (3) Notify the DOE immediately upon such designation; and
- (4) Move as quickly as lawfully permissible to issue a Compliance Order which sets forth specific milestones to convert, recycle, and dispose of this DUF6 consistent with Pub. L. 105-204 and the plans issued thereto.

Section 9. The Governor and Attorney General are requested to report on actions they have taken and actions they are planning in connection with this resolution, and that this report shall be delivered to the Speaker of the House and the Senate President by September 1, 2002.

 - (c)~~— In the case of a pre-existing conditions limitation in the succeeding insurer's group policy, the level of benefits applicable to pre-existing conditions of persons becoming covered by the succeeding insurer's plan in accordance with this subsection during the period of time this limitation applies under the succeeding insurer's group policy shall be the lesser of:~~
 - 1.~~— The benefits of the succeeding insurer's group policy determined without application of the pre-existing conditions limitation; or~~
 - 2.~~— The benefits of the prior insurer's group policy].~~

~~(c)(d)~~ The succeeding insurer, in applying any deductibles or waiting periods in its plan, shall give credit for the satisfaction or partial satisfaction of the same or similar provisions under a prior group policy. In the case of deductible provisions, the credit shall apply for the same or overlapping benefit periods and shall be given for expenses actually incurred and applied against the deductible provisions of the prior insurer's group policy during the ninety (90) days preceding the effective date of the succeeding insurer's group policy, but only to the extent these expenses are recognized under the terms of the succeeding insurer's group policy and are subject to similar deductible provisions.

~~(d)(e)~~ If a determination of the prior insurer's benefit is required by the succeeding insurer, at the succeeding insurer's request the prior insurer shall furnish a statement of the benefits available or pertinent information sufficient to permit verification of the benefit determination or the determination itself by the succeeding insurer. For purposes of this section, benefits of the prior insurer's group policy shall be determined in accordance with all of the definitions, conditions, and covered expense provisions of the prior insurer's group policy rather than those of the succeeding insurer's group policy. The benefit determination shall be made as if coverage had not been replaced by the succeeding insurer.

- (b) Any adjustment, not to exceed twenty percent (20%) annually and adjusted pro rata for rating periods of less than one (1) year, due to the claim experience, mental and physical condition, including medical condition, medical history, and health service utilization, or duration of coverage of the individual and dependents as determined from the insurer's rate manual for the class of business; and

 - (a) The percentage change in the new business premium rate measured from the first day of the prior rating period to the first day of the new rating period. In the case of a class of business for which the insurer is not issuing new policies, the insurer shall use the percentage change in the base premium rate;
 - (b) Any adjustment, not to exceed twenty percent (20%) annually and adjusted pro rata for rating periods of less than one (1) year, due to the claims experience, mental and physical condition, including medical condition, medical history, and health service utilization, or duration of coverage of the employee, association member, or dependents as determined from the insurer's rate manual for the class of business; and

 - 2. The insurer has acquired a class of business from another insurer.
 - (c) Notwithstanding any other provision of this subsection, beginning January 1, 2001, a GAP participating insurer may establish a separate class of business for the purpose of separating guaranteed acceptance program qualified individuals from other individuals enrolled in their plan prior to January 1, 2001. The index rate for the separate class created under this paragraph shall be established taking into consideration expected claims experience and administrative costs of the new class of business and the previous class of business.
- (8) For the purpose of this section, a health benefit plan that utilizes a restricted provider network shall not be considered similar coverage to a health benefit plan that does not utilize a restricted provider network if utilization of the restricted provider network results in substantial differences in claims costs.

- (9) Notwithstanding any other provision of this section, an insurer shall not be required to utilize the experience of those individuals with high-cost conditions who enrolled in its plans between July 15, 1995, and April 10, 1998, to develop the insurer's index rate for its individual policies.

 - (d) "Index rate" has the meaning provided in KRS 304.17A-005.
- (2) Notwithstanding any other provision of this chapter, the amount or rate of premiums for an employer-organized association health plan may be determined, subject to the restrictions of subsection (3) of this section, based upon the experience or projected experience of the employer-organized associations whose employers obtain group coverage under the plan. Without the written consent of the employer-organized association filed with the commissioner, the index rate for the employer-organized association shall be calculated solely with respect to that employer-organized association and shall not be tied to, linked to, or otherwise adversely affected by any other index rate used by the issuing insurer.
- (3) The following restrictions shall be applied in calculating the permissible amount or rate of premiums for an employer-organized health insurance plan:
 - (a) The premium rates charged during a rating period to members of the employer-organized association with similar characteristics for the same or similar coverage, or the premium rates that could be charged to a member of the employer-organized association under the rating system for that class of business, shall not vary from its own index rate by more than **fifty percent (50%)**~~twenty-five percent (25%)~~ of its own index rate~~except that the premium rates charged to an employer-organized association shall not vary from the index rate by more than fifty percent (50%) for two (2) consecutive years beginning January 1, 2001~~.

3. Any adjustment due to change in coverage or change in the case characteristics of the member as determined by the insurer's rate manual.
- (4) In utilizing case characteristics, the ratio of the highest rate factor to the lowest rate factor within a class of business shall not exceed five to one (5:1). For purpose of this limitation, case characteristics include age, gender, occupation or industry, and geographic area.
- (5) For the purpose of this section, a health insurance contract that utilizes a restricted provider network shall not be considered similar coverage to a health insurance contract that does not utilize a restricted provider network if utilization of the restricted provider network results in measurable differences in claims costs.

Section 17. KRS 18A.225 is amended to read as follows:

All state employees and other persons for whom the health care coverage is provided or made available shall annually be given an option to elect health care coverage through a self-funded plan offered by the state or, if a self-funded plan is not available, from a list of coverage options determined by the competitive bid process under the provisions of KRS 45A.080, 45A.085, and 45A.090 and made available during annual open enrollment. For calendar year 2001 only, an emergency shall exist when any county in which only one (1) health insurance company offers a single plan to state employees and, subsequent to the open enrollment period, the health insurance company fails to maintain at least sixty-five percent (65%) of its contracts within the geographic region with specialty physicians who were participating in the network at the time of open enrollment. The Finance and Administration Cabinet shall immediately notify the Governor, the Legislative Research Commission, and the secretary of the Personnel Cabinet and shall be authorized to immediately negotiate and contract with additional health insurance companies for additional plans to serve any county without meeting the requirements of the Model Procurement Code under KRS Chapter 45.

 - (d) Any carrier bidding to offer health care coverage to any member of the state group shall agree to provide enrollment, claims, and utilization data to the Commonwealth in a format specified by the Personnel Cabinet with the understanding that the data shall be owned by the Commonwealth; to provide data in an electronic form and within a time frame specified by the Personnel Cabinet; and to be subject to penalties for noncompliance of data reporting requirements as specified by the Personnel Cabinet. The Personnel Cabinet shall take strict precautions to protect the confidentiality of each individual member; however, confidentiality assertions shall not relieve a carrier from the requirement of providing stipulated data to the Commonwealth.
 - (e) The Personnel Cabinet shall develop the necessary techniques and capabilities for timely analysis of data received from carriers and, to the extent possible, provide in the request-for-proposal specifics relating to data requirements, electronic reporting, and penalties for noncompliance. The Commonwealth shall own the enrollment, claims, and utilization data provided by each carrier and shall develop methods to protect the confidentiality of the individual. The Personnel Cabinet shall provide to the General Assembly in June of each year an analysis of enrollment, claims, utilization data of all carriers for the prior plan year ending December 31, and on the financial stability of the program. The report shall include, but not be limited to, loss ratios, methods of risk adjustment, measurements of carrier quality of service, prescription coverage and cost management, paid dependent coverage, and statutorily required mandates. If state self-insurance was available as a carrier option, the report also shall provide a detailed financial analysis of the self-insurance fund including, but not limited to, loss ratios, reserves, and reinsurance agreements.
 - (f) If any agency participating in the state employee health insurance program for its active members terminates participation in the state employee health insurance program for its active members and there is a state appropriation for the employer's contribution for active employees' health insurance coverage, neither the agency nor the employees shall receive the state-funded contribution after termination from the state employee health insurance program.
 - (g) Any funds in flexible spending accounts that remain after all reimbursements have been processed shall be transferred to the credit of the state health insurance plan's appropriation account.
- (3) The secretary of the Finance and Administration Cabinet, upon the recommendation of the secretary of the Personnel Cabinet, may procure from one (1) or more dental insurance companies, one (1) or more nonprofit hospital, medical-surgical, dental, and health service corporations organized under Subtitle 32 of KRS Chapter 304, or one (1) or more prepaid dental plan organizations organized under Subtitle 43 of KRS Chapter 304, a policy or policies of group dental insurance or prepaid dental plan coverage encompassing all or any class or classes of state employees. All state employees for whom the dental insurance or prepaid dental plan coverage is provided shall annually be given an option to elect either standard dental insurance coverage or coverage by a prepaid dental plan. The policy or policies shall be approved by the commissioner of insurance and may contain the provisions he approves, whether or not otherwise permitted by the insurance laws. It is intended that either dental insurance or prepaid dental plan coverage may be made available for state employees, except that the procuring of each is permissive.
- (4) The premiums may be paid by the policyholder:
- (a) Wholly from funds contributed by the insured employee, by payroll deduction or otherwise;
 - (b) Wholly from funds contributed by any department, board, agency, or branch of state, municipal, urban-county, charter county, or county government; or
 - (c) Partly from each, except that any premium due for health care coverage or dental coverage, if any, in excess of the premium amount contributed by any department, board, agency, or branch of state,

municipal, urban-county, charter county, or county government for any other health care coverage shall be paid by the employee.

- (5) If an employee moves his place of residence or employment out of the service area of a managed health care plan or of a prepaid dental plan, under which he has elected coverage, into either the service area of another managed health care plan or prepaid dental plan or into an area of the state not within a managed health care plan service area or prepaid dental plan service area, the employee shall be given an option, at the time of the move or transfer, to change his or her coverage to another health care plan or dental plan.
- (6) No payment of premium by any department, board, agency, or branch of state, municipal, urban-county, charter county, or county government shall constitute compensation to an insured employee for the purposes of any statute fixing or limiting the compensation of such an employee. Any premium or other expense incurred by any department, board, agency, or branch of state, municipal, urban-county, charter county, or county government shall be considered a proper cost of administration.
- (7) The policy or policies may contain the provisions with respect to the class or classes of employees covered, amounts of insurance or coverage for designated classes or groups of employees, policy options, terms of eligibility, continuation of insurance or coverage after retirement, and other provisions the commissioner of insurance may approve.
- (8) The policy or policies shall contain the provision that employees or retired employees shall be allowed to change health care plans during the reopening period without any limitation for pre-existing conditions if the employee has met the pre-existing condition limitation upon initial employment or reemployment with the group.
- (9) The secretary of the Finance and Administration Cabinet is authorized to perform all acts necessary or advisable for the purpose of contracting for and maintaining health care coverage and dental coverage under the provisions of this section.
- (10) Group rates under this section shall be made available to the disabled child of a state employee regardless of the child's age if the entire premium for the disabled child's coverage is paid by the state employee. A child shall be considered disabled if he has been determined to be eligible for federal Social Security disability benefits.
- (11) The health care contract or contracts for state employees shall be entered into for a period of not less than one (1) year.
- (12) The secretary shall appoint twenty-eight (28) persons to an Advisory Committee of State Health Insurance Subscribers to advise the secretary or his designee regarding the state health insurance program for state employees. The secretary shall appoint, from a list of names submitted by appointing authorities, members representing school districts from each of the seven (7) Supreme Court districts, members representing state government from each of the seven (7) Supreme Court districts, two (2) members representing retirees under age sixty-five (65), one (1) member representing local health departments, two (2) members representing the Kentucky Teachers' Retirement System, and three (3) members at large. The advisory committee shall be appointed in January of each year and shall meet quarterly.
- (13) Notwithstanding any other provision of law to the contrary, the policy or policies provided to state employees pursuant to this section shall not provide coverage for obtaining or performing an abortion, nor shall any state funds be used for the purpose of obtaining or performing an abortion on behalf of state employees or their dependents.
- (14) Interruption of an established treatment regime with maintenance drugs shall be grounds for an insured to appeal a formulary change through the established appeal procedures approved by the Personnel Cabinet, if the physician supervising the treatment certifies that the change is not in the best interests of the patient.
- (15) *If a state employee's residence and place of employment are in the same county, and if the hospital located within that county does not offer surgical services, intensive care services, obstetrical services, level II neonatal services, diagnostic cardiac catheterization services and magnetic resonance imaging services, the*

- (1) The ventilation of all underground coal mines shall be produced by means of mechanically operated fans located outside the mine in fireproof housing and offset at least fifteen (15) feet to one (1) side or above the opening, protected by explosion doors or weak walls and arranged so that ventilating current may be reversed if necessary. The fan shall be installed so as to prevent recirculation of mine air. The main fan shall be operated from a power circuit independent from the mine circuit. If inside auxiliary fans are required to ventilate working places the commissioner must first approve the installation.
- (2) The licensee, superintendent, or foreman of every coal mine worked by shaft, slope, or drift shall provide and maintain for every mine ***two (2) separate and distinct escapeways, one (1) of which is vented by the intake air. However, if a mine was originally licensed prior to January 1, 1990, the commissioner may approve an alternate ventilation plan***~~adequate ventilation~~. Each active working section shall be ventilated by a separate split of intake air. In all mines the quantity of air passing through the last open crosscut between the intake and return in any pair or sets of entries shall be not less than nine thousand (9,000) cubic feet of air per minute and as much more as is necessary to dilute and render harmless and carry away flammable and harmful gases. All working faces from which coal is being cut, mined, or loaded in a working section between the intake and return airway entries shall be ventilated with a minimum quantity of three thousand (3,000) cubic feet of air per minute and as much more as is necessary to dilute and render harmless and carry away flammable and harmful gases. The quantity of air reaching the last crosscut in pillar sections may be less than nine thousand (9,000) cubic feet of air per minute if at least nine thousand (9,000) cubic feet of air per minute is being delivered to the intake of the pillar line. The air current shall under any conditions have a sufficient volume and velocity to reduce and carry away smoke from blasting and any flammable or harmful gases. All active underground working places in a mine shall be ventilated by a current of air containing not less than nineteen and one-half percent (19.5%) of oxygen,~~not more than one half percent (0.5%) of carbon dioxide,~~ and no harmful quantities of other noxious or poisonous gases.
- (3) All mines shall maintain at least nine thousand (9,000) cubic feet of air per minute at the points mentioned in subsection (2) of this section. The commissioner shall have the authority to require additional air in any mine when he deems it necessary for the safety of the employees.
- (4) When the air from a split has passed through and has ventilated all the working places in an air split of a mine it shall then be designated as return air.

- (5) As working places advance, breakthroughs for air shall be made not more than ninety (90) feet apart, except that where longwall or modern systems of mining are used the commissioner *or his authorized representative* may approve a greater distance between breakthroughs or the method of ventilating such longwall or modern systems of mining. If any breakthroughs between intake and return airways are not required for the passage of air, they shall be closed with stoppings. All permanent stoppings shall be substantially built with suitable incombustible or fire resistant material subject to the approval of the mine inspector so as to keep the working places well ventilated. All brattice cloth and ventilation tubing shall be flame resistant. Doors on the main haulways shall be avoided where practicable, and overcasts, built of concrete or other suitable material and of ample strength, shall be adopted. Where doors are used they shall be built in a substantial manner, and shall be hung so as to close automatically when unobstructed.
- (6) In a mine where methane can be found to an extent of one percent (1%) or more on the return of any one (1) split, the inspector, with the approval of the commissioner may require the mine to be ventilated by the exhaust system, requiring the haulage roads and all trolley and feed wires to be located on the intake air and the electrical system to be so arranged that no wires carrying electrical current shall be on return air. A period of not more than ninety (90) days from date of notification shall be allowed to make the changes required.

Section 10. KRS 352.030 is amended to read as follows:

- (1) As many as sixty (60) persons may work in the same air current or split, and with the approval of the mine inspector and the commissioner, as many as eighty (80) persons may work in the same air current. Each active section in a mine shall be ventilated by a separate split of intake air. Every mine, and all portions thereof, shall be ventilated by one (1) or more currents of air, which shall contain not less than nineteen and one-half percent (19.5%) of oxygen, ~~[nor more than one-half percent (0.5%) of carbon dioxide,]~~ nor any dangerous quantities of ~~flammable~~~~[inflammable]~~ gas, nor any harmful amount of poisonous gases or dust, when the current of air enters into each split. The ventilation shall be sufficient to prevent methane accumulations, so far as practicable, and to keep the methane percentage in the return of any split to not more than two percent (2%).
- (2) The ventilating current shall be circulated through the haulageways, travelways, and airways to reach all portions of the mine, except sealed sections; and it shall be circulated through the entries and rooms around the ends of line brattice and along pillar lines. It shall be conducted to the last breakthrough, or to the working faces if required, by means of stoppings, check doors, curtains, and brattice that may be necessary or required, in order to dilute, render harmless, and carry away the noxious and dangerous gases, smoke, and dust liberated therein, and to supply a sufficient quantity of ventilation for all emergencies. The ventilating current in the area of a mine's belt entries shall be directed to an air return before the ventilating current reaches the face area, unless the department, under certain conditions issues a permit for belt air to be used at the coal face. The department shall render a final written decision within sixty (60) calendar days of receipt of the permit application.
- (3) When mine ventilation, formerly satisfactory and adequate, becomes deficient in quality or quantity, the department shall have authority to order improvement of the ventilation.
- (4) No licensee, superintendent, or mine foreman shall permit any person to work at a place where sufficient ventilation cannot be maintained, except persons employed to make the places of employment safe in compliance with the requirements of this chapter, and while repair work necessary to comply with the requirements is in progress no person shall be permitted to enter that part of the mine affected except those actually employed in doing the repair work. The repair work shall be done under the constant supervision of a certified official designated by the mine foreman.
- (5) Each licensee shall adopt a plan ~~[within sixty (60) days after June 16, 1972,]~~ which shall provide that when any mine fan stops, immediate action shall be taken by the licensee or his agent:
 - (a) To withdraw all persons from the working sections;
 - (b) To cut off the power in the mine in a timely manner;
 - (c) To provide for restoration of power and resumption of work if ventilation is restored within a reasonable period, of not more than fifteen (15) minutes, as set forth in the plan after the working places and other active workings where methane is likely to accumulate are reexamined by a certified person to determine if methane in amounts of one percent (1%) or more exists therein; and

- (d) To provide for withdrawal of all persons from the mine if ventilation cannot be restored within a reasonable time, of not more than fifteen (15) minutes.

The plan and revisions thereof approved by the commissioner or his authorized representative shall be set out in printed form and a copy shall be furnished to the commissioner or his authorized representative.

Section 11. KRS 352.090 is amended to read as follows:

- (1) All unused workings and abandoned parts of mines shall be protected by safeguards that will prevent ~~[-, so far as practicable,]~~ the accumulation or overflow of gas, and all avenues leading thereto shall be so arranged and conducted as to give warning to all persons of the danger of entering, and notice shall be posted warning all unauthorized persons not to enter these parts of the mine. If the area cannot be adequately ventilated, and examined, *or evaluated* it shall be sealed in a timely manner.
- (2) No person, except persons authorized to make examination thereof, shall enter any unused or abandoned part of a mine after the warning has been posted.
- (3) Where the practice is to seal abandoned workings, the sealing shall be done immediately in an effective manner with noncombustible material. In every sealed area, one (1) or more of the seals shall be fitted with a pipe and cap or valve to permit the gases behind the seals to be sampled and also to provide a means of determining any existing hydrostatic pressure. When required by the mine inspector and commissioner, drill holes shall be extended from the surface to the sealed area, or vent pipes shall be extended from the sealed area to a return air course. Sufficient ventilation shall be provided at each seal to prevent dangerous gases from accumulating.

Section 12. KRS 352.100 is amended to read as follows:

No person shall attempt to enter, explore or survey an abandoned mine or portion thereof without the approval of the mine inspector or the commissioner *and unless he adheres to conditions prescribed by the commissioner.*

Section 13. KRS 352.133 is amended to read as follows:

All underground miners shall be provided with an approved *self-contained* self-rescuer device and shall have that device within twenty-five (25) feet of them at all times *unless the licensee receives approval from the commissioner to store self-contained self-rescuers more than twenty-five (25) feet away from underground miners.* The *self-contained* self-rescuer shall be provided to the miners by the licensee at no cost to the miners.

This system shall be designed in a manner which ensures that all persons can determine who has the right of way in all circumstances. Information concerning this system shall be included in annual retraining.

- (20) Efficient equipment, either mobile or self-propelled, equipped with sufficient first-aid equipment and supplies, shall be available on all underground sections where men are present to transport injured workers to the surface.
- (21) At those mines that do not have a contract or other arrangement for providing ambulance service, a 4-wheel-drive vehicle or other vehicle suitable to the terrain equipped with sufficient first-aid equipment and supplies shall be available to the mines or preparation facilities for the transportation of injured workers. At those mines that have a contract or other arrangement for providing ambulance service, the access road to the mine or preparation facility shall be kept in a condition which is passable by the ambulance vehicle.
- (22) The commissioner shall be empowered to draft additional administrative regulations providing for transportation of men when necessary.

Section 16. KRS 352.170 is amended to read as follows:

- (1) ~~Within six (6) months after June 16, 1972, } All underground mines shall be worked exclusively by the use of approved electric lamps for personal lighting.~~
- (2) ~~Flame safety lamps and approved electric lamps shall be in charge of some person designated by the licensee or superintendent. Two (2) flame safety lamps shall be kept at every coal mine whether the mine liberates explosive gas or not, if the mine inspector and the commissioner deem it desirable. } All mine foremen and fire bosses employed in { gassy } mines shall {, at all times, } carry { an } approved *gas detection devices* { flame safety lamp or other approved device } for the purpose of detecting the presence of explosive and dangerous gases and { or } deficiencies of oxygen.~~
- (3) No person shall at any time carry into any mine any intoxicants. No person shall at any time enter any underground mine with matches, pipes, cigars, cigarettes, or any device for making lights or fire not authorized or approved, and the licensee shall at frequent intervals search, or cause to be searched, any person entering or about to enter the mine or inside the mine, to prevent the person from taking, carrying, or using the articles therein.

Section 17. KRS 352.241 is amended to read as follows:

- (1) Explosives or detonators carried anywhere underground by any person shall be in containers constructed substantially of nonconductive material, maintained in good condition, and kept closed.
- (2) When explosives or detonators are transported underground in cars moved by means of a locomotive or rope, or in shuttle cars, they shall be in substantial covered cars or in special substantial covered containers used specifically for transporting detonators or explosives:
 - (a) The bodies and covers of the cars and containers shall be constructed or lined with nonconductive material;
 - (b) If explosives and detonators are hauled in the same explosives car or in the same special container, they shall be separated by at least a four (4) inch substantially fastened hardwood partition or the equivalent;
 - (c) Explosives, detonators, or other explosive items shall not be transported on the same trip with men;
 - (d) When explosives or detonators are transported in special cars or containers in cars, they shall be hauled in special trips not connected to any other trip. However, this does not prohibit the use of the additional cars as needed to lower a rope trip, or to haul supplies including timbers. Materials so transported shall not project above the top of the car. Exposed highly flammable materials such as ~~hay,~~ oil, or grease shall not be hauled on the same trip with explosives; and
 - (e) Explosives or detonators shall not be hauled into or out of a mine within five (5) minutes preceding or following a man trip or any other trip.
- (3) Explosives and detonators shall be transported underground by belt only under the following conditions:
 - (a) In the original and unopened case, in special closed cases constructed of nonconductive material, or in suitable individual containers;
 - (b) Clearance requirements shall be the same as those for transporting men on belts;
 - (c) Suitable loading and unloading stations shall be provided; and

- (d) Stop controls shall be provided at loading and unloading points, and an attendant shall supervise the loading and unloading of explosives and detonators.
- (4) Neither explosives nor detonators shall be transported on flight or shaking conveyors, scrapers, mechanical loading machines, locomotives, cutting machines, **track drills**~~[drill tracks]~~, or any self-propelled mobile equipment. However, this does not prohibit the transportation of explosives or detonators in special substantial covered containers as used in subsection (2) of this section in shuttle cars or in equipment designed especially to transport explosives or detonators.
- (5) When supplies of explosives and detonators for use in one (1) or more sections are stored underground, they shall be kept in section boxes or magazines of substantial construction with no metal exposed on the inside, located at least twenty-five (25) feet from roadways and power wires, and in a reasonably dry, well-rock-dusted location protected from falls of roof. In pitching beds, where it is not possible to comply with the location requirement, the boxes shall be placed in niches cut into the solid coal or rock.
- (6) When explosives or detonators are stored in the section, they shall be kept preferably in separate boxes or magazines not less than five (5) feet apart; if kept in the same box or magazine, they shall be separated by at least a four (4) inch substantially fastened hardwood partition or the equivalent. Not more than a forty-eight (48) hour supply of explosives or detonators shall be stored underground in any one (1) section in the boxes or magazines.
- (7) Explosives and detonators stored near the working faces shall be in separate closed containers, and shall be in a location out of line of blast not less than fifty (50) feet from the face and fifteen (15) feet from any pipeline, powerline, rail, or conveyor; except that if kept in niches in the rib, the distance from pipeline, powerline, rail, or conveyor shall be at least fifteen (15) feet. Explosives and detonators, when stored, shall be separated by a distance of at least ten (10) feet.
- (8) Explosives and detonators shall be kept in their containers until immediately before use at the working faces.
- (9) Only nonmetallic tools shall be used for opening wooden explosives containers. Tools or other materials shall not be stored with explosives or detonators.
- (10) All explosives used underground in underground mines except in sinking shafts and slopes from the surface shall be of the permissible type, specifically designed and manufactured for underground use, and shall be used as follows:
 - (a) Fired only with electric detonators of proper strength;
 - (b) Fired with a permissible shot-firing unit of adequate capacity to fire all caps; however, if firing is done from the surface when all men are out of the mine, the firing unit does not need to meet specifications of permissibility;
 - (c) Where the coal is cut, shots shall not be fired if the blast hole is drilled beyond the limits of the cut;
 - (d) Boreholes shall be cleaned, and they shall be checked to see that they are placed properly and are of correct depth, in relation to the cut, before being charged;
 - (e) All blasting charges shall have a burden of at least eighteen (18) inches in all directions if the height of the seam permits;
 - (f) Boreholes shall be stemmed with at least twenty-four (24) inches of incombustible material, or at least one-half (1/2) of the length of the hole shall be stemmed if the hole is less than four (4) feet in depth unless other permissible stemming devices or methods are used;
 - (g) Examinations for gas shall be made immediately before firing each shot or group of multiple shots and after blasting is completed;
 - (h) Shots shall not be fired in any place where methane **greater than one percent (1%)** can be detected with **approved gas detection devices**~~[a flame safety lamp or other approved device]~~ when tested at a point not less than twelve (12) inches from the roof, face or rib;
 - (i) Charges exceeding one and one-half (1-1/2) pounds, but not exceeding three (3) pounds, shall be used only if boreholes are six (6) feet or more in depth, the explosives are charged in a continuous train, with no cartridges deliberately deformed or crushed, with all cartridges in contact with each other and with

the end cartridges touching the back of the hole and the stemming respectively. However the three (3) pound limit does not apply to special solid rock work if the mine is evacuated or if approved by the department;

- (j) Shots shall be charged and fired by certified shotfirers designated by the mine foreman;
 - (k) Boreholes shall not be charged while any other work is being done at the face, and the shot or shots shall be fired before any other work is done in the zone of danger from blasting except that which is necessary to safeguard the employees;
 - (l) Only nonmetallic tamping bars shall be used for charging and tamping boreholes. This does not prohibit the use of a nonmetallic tamping bar with a nonsparking metallic scraper on one (1) end;
 - (m) The leg wires of electric detonators shall be kept shunted until ready to connect to the firing cable;
 - (n) Shots shall not be fired from the power of signal circuit while any men are in the mine;
 - (o) The roof and ribs of working places shall be tested before and after firing each shot or group of multiple shots;
 - (p) Ample warning shall be given before shots are fired, and care shall be taken to ascertain that all persons are in the clear. Men shall be removed from adjoining working places when there is danger of a shot blowing through;
 - (q) Mixed types or brands of explosives shall not be charged or fired in any borehole;
 - (r) Mudcaps (adobes) or other unconfined shots shall not be fired underground in a mine;
 - (s) Before blasting, the continuity of the blasting circuits shall be tested with a permissible blaster's galvanometer specifically designed for this purpose;
 - (t) No instantaneous detonator shall be connected in a circuit containing short-period delay detonators. The first charge in a sequence shall be initiated by a short period delay detonator having a nominal delay period of not less than twenty-five (25) milliseconds;
 - (u) All short period delay detonators shall be wired in series;
 - (v) Each primer shall be made with care to insure that the detonator is inserted properly and does not protrude from the wrapping and that the leg wires are secured to the cartridge in a manner so that the detonator will not become dislodged in handling and charging;
 - (w) In making a primer, a powder punch of nonsparking material shall be used. The hole in the cartridge shall be at least one-half (1/2) inch deeper than the detonator used. Rolling the end of a cartridge to receive a detonator is prohibited;
 - (x) The primer shall be placed in the borehole first pointing outward and the rest of the charge shall be pushed in a continuous train to the back of the borehole to prevent cuttings from getting between the cartridges; and
 - (y) Suitable clean-up of loose coal and coal dust with adequate rock-dusting or wetting down at the face of each working place shall be completed prior to charging shot holes.
- (11) Blasting cables shall be:
- (a) Well insulated and as long as may be necessary to permit the shotfirer to get in a safe place around a corner;
 - (b) Short-circuited at the battery end until ready to attach to the blasting unit;
 - (c) Staggered as to length or the ends kept well separated when attached to the detonator leg wires; and
 - (d) Kept clear of power wires and all other possible sources of active or stray electric current.
- (12) Where misfires occur with electric detonators, a waiting period of at least five (5) minutes shall elapse before anyone returns to the shot. After the failure, the blasting cable shall be disconnected from the source of power and the battery ends short-circuited before electric connections are examined.

- (13) Explosives shall be removed by firing a separate charge at least two (2) feet away from, and parallel to, the misfired charge or by washing the stemming and the charge from the borehole with water, or by inserting and firing a new primer after the stemming has been washed out.
- (14) A very careful search of the working place, and, if necessary, of the blasted material after it reaches the surface shall be made after blasting a misfired hole, to recover any undetonated explosive.
- (15) The handling of a misfired shot shall be under the direct supervision of the mine foreman or a competent person designated by him.

~~{(16) Where compressed air is used for blasting or breaking coal, the following shall apply:~~

- ~~(a) Compressed air shall be conducted from the compressor to within a practical working distance of the face by steel airlines tested to withstand an approximate pressure of twenty thousand (20,000) pounds per square inch;~~
- ~~(b) Air lines shall be grounded at the compressor and, if possible, at other low resistance ground connections along the lines, such as at borehole casings. They shall not be connected in any way to tracks, water lines, or other electric power return conductors and shall be suitably insulated where they cross electric wires or underneath the track;~~
- ~~(c) Shutoff valves shall be installed every one thousand (1,000) feet in all compressed air blasting lines and in all branch lines at a point near the main lines;~~
- ~~(d) Compressed air blasting lines shall be protected at places where equipment passes over, under, or adjacent to them;~~
- ~~(e) Steel, copper, or other lines shall not be handled or repaired when air pressure is in the line;~~
- ~~(f) Air lines shall be examined periodically for kinks or other weaknesses and replaced immediately when defects are found;~~
- ~~(g) Copper tubing shall be coiled and uncoiled properly. The part of the tubing that is affected by frequent coiling and uncoiling shall be renewed periodically because of the dangers from kinks and crystallization;~~
- ~~(h) Blowdown valves shall not be less than forty five (45) feet from the face and shall be around a right angle;~~
- ~~(i) Holes for compressed air tubes shall be within the limits of the cut;~~
- ~~(j) When blowdown valves are opened to discharge the tube, they shall remain open until time to place the tube in the next borehole except where shear strip or shear pin tubes are used;~~
- ~~(k) After breaking down the coal in any one (1) place, the tube shall be disconnected at once from the air line and not reconnected until ready to be used in the next place;~~
- ~~(l) When a differential pressure type tube fails to discharge, the line leading to the tube shall be disconnected at the blowdown valve, and the tube shall be dragged by means of the line to an inactive place, marked with warning signs, and left one (1) hour before any repair work is done thereon; and~~
- ~~(m) All persons shall be removed from adjoining working places where there is danger of breaking through and shall be at a safe distance around a right angle while coal breaking is in progress.}~~

Section 18. KRS 352.280 is amended to read as follows:

In all mines the licensee or superintendent shall employ one (1) or more ~~certified fire bosses or other~~ properly certified persons. ~~A[The fire boss or other]~~ properly certified person shall examine carefully within three (3) hours before each shift enters the mine, every working place, all places adjacent to live workings, every roadway where persons are required to work or travel, all abandoned panels on the intake, every *set of seals*~~[seal]~~ on the intake, and all roof falls near active workings on the intake and on the working sections. Before proceeding with the examination he shall see that the air current is traveling its proper course. In making the examination he shall use ~~an~~ approved *gas detection devices*~~[safety lamp or other approved device]~~. ~~A[The fire boss or other]~~ properly certified person shall examine for all dangers in all portions of the mines under his charge, and after examination he shall leave at or as close as possible to the face of every place examined the date and time of the examination and his initials as evidence

that he has performed his duty. He shall also examine the entrances to all worked-out and abandoned portions adjacent to the roadways and working places under his charge where explosive gas is likely to accumulate, and he shall place a danger signal across the entrance to every place where explosive gas is discovered or where immediate danger is found to exist from any other cause. The signal shall be sufficient warning for persons not to enter. When the mine is idle and workmen are required to go into the mine, the section, portion, or part of the mine entered must be inspected by ~~a fire boss or other~~ properly certified person within three (3) hours before the workmen enter. Each week, ~~a properly~~ ~~the fire boss or some other~~ certified person designated by the mine foreman shall examine each ~~set of seals~~ ~~seal~~ on the return, all ~~designated~~ ~~main~~ intake and return entries, and all escapeways.

Section 19. KRS 352.371 is amended to read as follows:

Whenever any working place approaches within fifty (50) feet of abandoned areas in the mine as shown by surveys made and certified by a registered engineer, or within two hundred (200) feet of any other abandoned areas of the mine which cannot be inspected and which may contain dangerous accumulations of water or gas, or within two hundred (200) feet of any workings of an adjacent mine, a borehole or boreholes shall be drilled to a distance of at least twenty (20) feet in advance of the working face of the working place and shall be continually maintained to a distance of at least ten (10) feet in advance of the advancing working face. When there is more than one (1) borehole, they shall be drilled sufficiently close to each other to insure that the advancing working face will not accidentally hole through into abandoned areas or adjacent mines. Boreholes shall also be drilled not more than eight (8) feet apart in the rib of the working place to a distance of at least twenty (20) feet and at an angle of forty-five (45) degrees before additional cuts are taken. Rib holes shall be drilled in one (1) or both ribs of the working place as may be necessary for adequate protection of miners in such place. ***Alternative plans which afford equal or greater protection may be approved by the commissioner or his authorized representative.***

Section 20. KRS 352.400 is amended to read as follows:

- (1) The licensee of any mine may adopt special rules consistent with KRS Chapter 351 and this chapter for the government and operation of his mine, and covering all the work pertaining thereto in and out of the mine. Before the rules are put into effect they shall be approved in writing by the commissioner. ~~[The rules, when adopted and approved in writing by the commissioner, shall be printed on cardboard in the language spoken by seventy-five percent (75%) or more of the employees at the mine, and shall be posted on a bulletin board or some other conspicuous place about the mine where they may be seen by the employees at the mine. Before the rules are so adopted, approved and posted, the representative of the employees at the mine shall be given a copy thereof, and be deemed to have agreed thereto, before the employees are required to obey the rules.]~~
- (2) The mine rules shall be printed in a form prescribed by the commissioner.
- (3) The licensee shall furnish each employee a copy of the mine rules, and each employee shall sign a statement indicating his receipt of a copy of the rules and his agreement to comply with them.

The criteria may include the certification of individuals, partnerships, and companies. Criteria shall be established to certify laboratories that contract to perform analytical testing related to the underground storage tank program. ~~[The criteria for certification of laboratories shall be established no later than January 1, 1999. In promulgating administrative regulations to carry out this section, the office may distinguish between types, classes, and ages of petroleum storage tanks and the degree of compliance of the facility with any administrative regulations of the cabinet promulgated pursuant to KRS 224.60-105 or applicable federal regulations;
- (c) Establish a financial responsibility account within the fund which may be used by petroleum storage tank owners and operators to demonstrate financial responsibility as required by administrative regulations of the cabinet or the federal ***regulations applicable to***~~[government for]~~ petroleum storage tanks, consistent with the intent of the General Assembly as set forth in KRS 224.60-120(5). ***The account shall receive four-tenths of one cent (\$0.004) from the one and four-tenths cent (\$0.014) paid on each gallon of gasoline and special fuels received in this state pursuant to KRS 224.60-145***~~[The amount to be maintained in this account shall be established by the office]~~. Any corrective action costs incurred after this date shall not be eligible for reimbursement under the petroleum storage tank account. The account shall receive one cent (\$0.01) from the one and four-tenths cent (\$0.014) paid on each gallon of gasoline and special fuels received in this state pursuant to KRS 224.60-145.*** This account shall not be used to compensate third parties for bodily injury and property damage. ***Within three (3) months after the effective date of this Act, the office shall develop a plan to address the payment of claims and completion of corrective action at facilities eligible for reimbursement from this account.*** The office shall establish a ranking system to be used for the distribution of amounts from this account for the purpose of corrective action. In promulgating administrative regulations to carry out this section, the office shall consider the financial ability of the petroleum storage tank owner or

- operator to perform corrective action and the extent of damage caused by a release into the environment from a petroleum storage tank;
- (f) Hear complaints brought before the office regarding the payment of claims from the fund in accordance with KRS Chapter 13B;

The office shall, by administrative regulation, set the entry level for participation in the fund;
 - (i) Authorize expenditures from the fund to carry out the purpose of KRS 224.60-105 to 224.60-160, including reasonable costs of administering the fund, the procurement of legal services, and the procurement of analytical testing services when necessary to confirm the accuracy of analytical testing results obtained by a petroleum storage tank owner or operator. ***The expenditures shall be paid from the appropriate account;***

Financial audits shall be limited to those files, records, computer records, receipts, and other documents related to corrective action performed at a facility where the costs of corrective action have been reimbursed by the fund. Files, records, computer records, receipts, and other documents related to corrective action reimbursed by the fund shall be subject to a financial audit for a period of three (3) years after the date of final reimbursement from the fund. Results of the audits shall be protected from disclosure as allowed by KRS 61.878(1)(c). Financial auditing services may be contracted for or personnel may be employed as needed to implement the requirements of this paragraph;
 - (l) Be authorized to enter and inspect any facility intending to seek reimbursement for the cost of corrective action to determine the reasonableness and necessity of the cost of corrective action. The office may collect soil or water samples or require storage tank owners or operators to split samples with the office for analytical testing. Refusal to allow entry and inspection of a facility or refusal to allow the office to collect or split samples shall make the facility ineligible for fund participation;~~[-and]~~
 - (m) Have~~[-after April 1, 1999,]~~ assurance fund auditors on site at all tank system removals. Failure to comply with this provision shall make the facility ineligible for fund participation. A petroleum storage tank owner or operator may request through certified mail that the office schedule an assurance fund auditor to be present at an upcoming tank removal. If the request is made at least two (2) weeks before the time for the removal and an auditor fails to be present at the time scheduled, the tank removal may proceed without making the facility ineligible for fund participation unless the owner is notified by the assurance fund no later than ten (10) days prior to the proposed date that an auditor is not available on the proposed date, in which event a representative of the assurance fund shall contact the operator and schedule a new date. If no auditor is present at the rescheduled date, the removal may then proceed without penalty; ***and***

- (n) *Establish that the deadline for submission of final reimbursement requests under the petroleum storage tank account is two (2) years after receipt of a no further action letter or by July 15, 2010, whichever is earlier. Claims received after July 15, 2010, are not eligible for reimbursement.*

The funding and operations of the small operator assistance account and the small operator's tank removal account shall end on July 15, 2004.

- (3) The office may advise the cabinet on the promulgation of administrative regulations concerning petroleum storage tanks.
- (4) The office may sue and be sued in its own name.
- (5) *The office may transfer funds from the petroleum storage tank account to the small operator tank removal account as needed to satisfy the obligations, future liabilities, and expenses necessary to operate that account. The commission may require reasonable mitigation of impacts disclosed in the site assessment report including planting trees, changing outside lighting, erecting noise barriers, and suppressing fugitive dust, but the commission shall, in no event, order relocation of the facility.*

Amnesty tax return forms shall be in a form prescribed by the cabinet.

Section 2. KRS 131.410 is amended to read as follows:

- (1) For any taxpayer who meets the requirements of KRS 131.420:
 - (a) For taxes which are owed as a result of the nonreporting or underreporting of tax liabilities or the nonpayment of any account receivable owed by an eligible taxpayer, the Commonwealth shall waive criminal prosecution and all civil penalties *and fees* which may be assessed under any KRS chapter *subject to the administrative jurisdiction of the cabinet*~~[enumerated in subsection (4) of KRS 131.400]~~ for the taxable years or periods for which tax amnesty is requested, plus *all*~~[one-half (1/2)]~~ of the interest as provided in subsection (1) of KRS 131.425.
 - (b) With the exception of instances in which the taxpayer and cabinet enter into an installment payment agreement authorized under subsection (3) of KRS 131.420, The failure to pay all taxes~~[and interest]~~ as shown on the taxpayer's amnesty tax return shall invalidate any amnesty granted pursuant to KRS 131.410 to 131.445.

Section 3. KRS 131.420 is amended to read as follows:

- (1) The provisions of KRS 131.400 to 131.445 shall apply to any eligible taxpayer who files an application for amnesty within the time prescribed by the cabinet and does the following:

The Department of State Police shall attempt to secure from each other state permission for Kentucky residents who hold a valid Kentucky concealed deadly weapon license to carry concealed deadly weapons in that state, either on the basis of the Kentucky license or on the basis that the Kentucky license is sufficient to permit the issuance of a similar license by the other state. The Department of State Police shall enter into a written reciprocity agreement with the appropriate agency in each state that agrees to permit Kentucky residents to carry concealed deadly weapons in the other state on the basis of a Kentucky-issued concealed deadly weapon license or that will issue a license to carry concealed deadly weapons in the other state based upon a Kentucky concealed deadly weapon license. If a reciprocity agreement is reached, the requirement to recontact the other state each six (6) months shall be eliminated as long as the reciprocity agreement is in force. The information shall be a public record and shall be available to individual requesters free of charge for the first copy and at the normal rate for open records requests for additional copies.
