The local board may schedule days for breaks in the school calendar that shall not be counted as a part of the minimum school term.
- (3) Any local board of education operating its schools on a year-round school program basis shall conform with administrative regulations promulgated and adopted by the Kentucky Board of Education upon the recommendation of the commissioner of education, which regulations must be in conformity with the following criteria:
 - (a) The year-round school program shall be operated on a fiscal year beginning July 1 and ending June 30;
 - (b) A pupil's required attendance in school shall be for at least the minimum instructional term; and

- (4)
 - (a) Each local board of education shall use four (4) days of the minimum school term for professional development and collegial planning activities for the professional staff without the presence of pupils pursuant to the requirements of KRS 156.095. At the discretion of the superintendent, one (1) day of professional development may be used for district-wide activities and for training that is mandated by federal or state law. The use of three (3) days shall be planned by each school council, except that the district is encouraged to provide technical assistance and leadership to school councils to maximize existing resources and to encourage shared planning.
 - (b) A local board may approve a school's flexible professional development plan that permits teachers or other certified personnel within a school to participate in professional development activities outside the days scheduled in the school calendar or the regularly scheduled hours in the school work day and receive credit towards the four (4) day professional development requirement within the minimum one hundred eighty-five (185) days that a teacher shall be employed.

The supervisor shall give prior approval and shall monitor

- (6) (a) In setting the school calendar, school may be closed for two (2) consecutive days for the purpose of permitting professional school employees to attend statewide professional meetings. These two (2) days for statewide professional meetings may be scheduled to begin with the first Thursday after Easter, or upon request of the statewide professional education association having the largest paid membership, the commissioner of education may designate alternate dates. If schools are scheduled to operate during days designated for the statewide professional meeting, the school district shall permit teachers who are delegates to attend as compensated professional leave time and shall employ substitute teachers in their absence. Continuing education time may include extended days, extended weeks, or extended years. A local board of education may adopt a policy requiring its students to participate in continuing education. The local policy shall set out the conditions under which attendance will be required and any exceptions which are provided. The Kentucky Board of Education shall promulgate administrative regulations establishing criteria for the allotment of grants to local school districts ***and shall include criteria by which the commissioner of education may approve a district's request for a waiver to use an alternative service delivery option, including providing services during the school day on a limited basis.*** These grants shall be allotted to school districts to provide instructional programs for pupils who are identified as needing additional time to achieve the outcomes defined in KRS 158.6451. A school district that has a school operating a model early reading program under KRS 158.792 may use a portion of its grant money as part of the

matching funds to provide individualized or small group reading instruction to qualified students outside of the regular classroom during the school day.

- (9) Notwithstanding any other statute, each school term shall include no less than the equivalent of the minimum number of instructional days required by this section.
- (10) Notwithstanding the provisions of KRS 158.060(3) and the provisions of subsection (1) of this section, a school district shall arrange bus schedules so that all buses arrive in sufficient time to provide breakfast prior to the instructional day. Section 1. KRS 157.420 is amended to read as follows:

Public school funds made available to the credit of each district during any year shall be received, held, and expended by the district board, subject to the provisions of law and administrative regulations of the Kentucky Board of Education. The following restrictions shall govern the expenditure of funds from the public school fund:

- (1) The salary paid any rank of teachers shall be at least equivalent to the amount set forth in the biennial budget schedule for each rank and experience for a term of one hundred eighty-five (185) days for full-time service during the regular school year.
- (2) ***Beginning with the 2004-2006 biennium***, the Kentucky Board of Education shall not approve any working budget or salary schedule for local boards of education for any school year unless the one hundred eighty-five (185) day salary schedule for certified staff has been adjusted over the previous year's salary schedule by ***a percentage increase at least equal to the cost-of-living adjustment that is provided state government workers***

under the biennial budget. The base funding level in the program for support education excellence in Kentucky as defined in KRS 157.320 shall be increased by the statewide dollar value of the annual required cost-of-living percentage adjustment that shall be estimated on the sum of the previous year's statewide teachers' salaries~~[the lesser of:~~

- ~~(b) The percent increase of the base funding level in the program for support education excellence in Kentucky as defined in KRS 157.320].~~
- (3) A district that compensates its teachers or employees for unused sick leave at the time of retirement, pursuant to KRS 161.155, may create an escrow account to maintain the amount of funds necessary to pay teachers or employees who qualify for receipt of the benefit. The fund is limited to not more than fifty percent (50%) of the maximum liability for the current year to be determined according to the number of staff employed by the district on September 15. Interest generated by the account shall be calculated as part of the total amount. The funds shall not be used for any purpose other than compensation for unused sick leave at the time of retirement and shall not be considered as part of the general fund balance in determining available local revenue for purposes of KRS 157.620.
- (4) The per pupil capital outlay allotment for each district from the public school fund and from local sources shall be kept in a separate account and may be used by the district only for capital outlay projects approved by the chief state school officer in accordance with requirements of law, and based on a survey made in accordance with administrative regulations of the Kentucky Board of Education. These funds shall be used for the following capital outlay purposes:
 - (a) For direct payment of construction costs;
 - (b) For debt service on voted and funding bonds;
 - (c) For payment or lease-rental agreements under which the board eventually will acquire ownership of a school plant;

 - (e) As a reserve fund for the above-named purposes, to be carried forward in ensuing budgets.
- (5) The district may contribute capital outlay funds for energy conservation measures under guaranteed energy savings contracts pursuant to KRS 45A.345, 45A.352, and 45A.353. Use of these funds, provided in KRS 45A.353, 56.774, and 58.600, shall be based on the following:

 - (b) The energy conservation measures shall be identified in the district's approved facility plan;
 - (c) The current facility systems are consuming excess maintenance and operating costs;
 - (d) The savings generated by the energy conservation measures are guaranteed;
 - (e) The capital outlay funds contributed to the energy conservation measures shall be defined as capital cost avoidance as provided in KRS 45A.345(2) and shall be subject to the restrictions on usage as specified in KRS 45A.352(9); and
 - (f) The equipment that is replaced shall have exceeded its useful life as determined by a life-cycle cost analysis.
- (6) If any district has a special levy for capital outlay or debt service that is equal to the capital outlay allotment or a proportionate fraction thereof, and spends the proceeds of that levy for the above-named purposes, the chief state school officer under administrative regulations of the Kentucky Board of Education, may authorize the district to use all or a proportionate fraction of its capital outlay allotment for current expenses. However, a district which uses capital outlay funds for current expenses shall not be eligible to participate in the School Facilities Construction Commission funds.

- (7) If a survey shows that a school district has no capital outlay needs as shown in paragraphs (a), (b), (c), and (d) of subsection (4) of this section, upon approval of the chief state school officer, these funds may be used for school plant maintenance, repair, insurance on buildings, replacement of equipment, purchase of school buses, and the purchase of modern technological equipment, including telecommunications hardware, televisions, computers, and other technological hardware to be utilized for educational purposes only.

 - (b) "Functional center" means a center which does not meet all the criteria established for a permanent facility, but is adequate to meet accreditation program standards to insure no substantial academic or building deficiency. The facility plan shall include additions and renovations necessary to meet current accreditation standards for which federal, state, and local funds may be used.
 - (c) "Transitional center" means a center which the local board of education has determined shall no longer be designated permanent or functional. The center shall be destined to be closed and shall not be eligible for new construction, additions, or major renovation. However, the board of education shall maintain any operating transitional center to provide a safe and healthy environment for students.
- (9) If a local school board authorized elementary, middle, or secondary education classes in a facility of a historical settlement school on January 1, 1994, the board shall continue to use the facilities provided by the settlement school if the facilities meet health and safety standards for education facilities as required by administrative regulations.  - (11) *The authority may execute appropriate contracts and promissory notes for administering this section.*
 - (12) *If available funds are insufficient for all requested loans for eligible applicants during any fiscal year, the authority shall give priority consideration to eligible applicants who previously received loans. If funds are insufficient to make all requested renewal loans to eligible applicants, the authority shall reduce all loans to the extent necessary to provide loans to all qualified renewal applicants.  - (a) "Teacher" shall mean any person for whom certification is required as a basis of employment in the common schools of the state;
 - (b) "Employee" shall mean any person, other than a teacher, employed in the public schools, whether on a full or part-time basis;
 - (c) "Immediate family" shall mean the teacher's spouse, children including stepchildren *and foster children*, grandchildren, daughters-in-law and sons-in law, brothers and sisters, parents and spouse's parents, and grandparents and spouse's grandparents, without reference to the location or residence of said relative, and any other blood relative who resides in the teacher's home; and
 - (d) "Sick leave bank" shall mean an aggregation of sick leave days contributed by teachers or employees for use by teachers or employees who have exhausted all sick leave and other available paid leave days.
- (2) Each district board of education shall allow to each teacher in its common school system not less than ten (10) days of sick leave during each school year, without deduction of salary. Sick leave shall be granted to a teacher if he presents a personal affidavit or a certificate of a physician stating that the teacher was ill, that the teacher was absent for the purpose of attending to a member of his immediate family who was ill, or for the purpose of mourning a member of his immediate family. The ten (10) days of sick leave granted in this subsection may be taken by a teacher on any ten (10) days of the school year and shall be granted in addition to accumulated sick leave days that have been credited to the teacher under the provisions of subsection (3) of this section.
- (3) Days of sick leave not taken by an employee or a teacher during any school year shall accumulate without limitation and be credited to that employee or teacher. Accumulated sick leave may be taken in any school year. Any district board of education may, in its discretion, allow employees or teachers in its common school system sick leave in excess of the number of days prescribed in this section and may allow school district employees and teachers to use up to three (3) days' sick leave per school year for emergency leave pursuant to KRS 161.152(3). Any accumulated sick leave days credited to an employee or a teacher shall remain so credited in the event he transfers his place of employment from one (1) school district to another within the state or to the Kentucky Department of Education or transfers from the Department of Education to a school district.
- (4) Accumulated days of sick leave shall be granted to a teacher if, prior to the opening day of the school year, an affidavit or a certificate of a physician is presented to the district board of education, stating that the teacher is unable to commence his duties on the opening day of the school year, but will be able to assume his duties within a period of time that the board determines to be reasonable.
- (5) Any school teacher or employee may repurchase previously used sick leave days with the concurrence of the local school board by paying to the district an amount equal to the total of all costs associated with the used sick leave.
- (6) A district board of education may adopt a plan for a sick leave bank. The plan may include limitations upon the number of days a teacher or employee may annually contribute to the bank and limitations upon the number of days a teacher or employee may annually draw from the bank. Only those teachers or employees who contribute to the bank may draw upon the bank. Days contributed will be deducted from the days available to the contributing teacher or employee. The sick leave bank shall be administered in accordance with a policy adopted by the board of education.
- (7)
 - (a) A district board of education shall establish a sick leave donation program to permit teachers or employees to voluntarily contribute sick leave to teachers or employees in the same school district who are in need of an extended absence from school. A teacher or employee who has accrued more than fifteen (15) days' sick leave may request the board of education to transfer a designated amount of sick leave to another teacher or employee who is authorized to receive the sick leave donated. A teacher or employee may not request an amount of sick leave be donated that reduces his or her sick leave balance to less than fifteen (15) days.
 - (b) A teacher or employee may receive donations of sick leave if:
 1. a. The teacher or employee or a member of his or her immediate family suffers from a medically certified illness, injury, impairment, or physical or mental condition that has caused or is likely to cause the teacher or employee to be absent for at least ten (10) days;
or

- b. The teacher or employee suffers from a catastrophic loss to his or her personal or real property, due to either a natural disaster or fire, that either has caused or will likely cause the employee to be absent for at least ten (10) consecutive working days;

- 3. The teacher or employee has exhausted his or her accumulated sick leave, personal leave, and any other leave granted by the school district; and
- 4. The teacher or employee has complied with the school district's policies governing the use of sick leave.
- (c) While a teacher or employee is on sick leave provided by this section, he or she shall be considered a school district employee, and his or her salary, wages, and other employee benefits shall not be affected.
- (d) Any sick leave that remains unused, is not needed by a teacher or employee, and will not be needed in the future shall be returned to the teacher or employee donating the sick leave.
- (e) The board of education shall adopt policies and procedures necessary to implement the sick leave donation program.
- (8) A teacher may use up to thirty (30) days of sick leave following the birth or adoption of a child or children. Additional days may be used when the need is verified by a physician's statement.
- (9) After July 1, 1982, a district board of education may compensate, at the time of retirement or upon the death of a member in active contributing status at the time of death who was eligible to retire by reason of service, an employee or a teacher, or the estate of an employee or teacher, for each unused sick leave day. The rate of compensation for each unused sick leave day shall be based on a percentage of the daily salary rate calculated from the employee's or teacher's last annual salary, not to exceed thirty percent (30%). Payment for unused sick leave days shall be incorporated into the annual salary of the final year of service; provided that the member makes the regular retirement contribution for members on the sick leave payment. The accumulation of these days includes unused sick leave days held by the employee or teacher at the time of implementation of the program.
- (10) Any statute to the contrary notwithstanding, employees and teachers who transferred from the Department of Education to a school district, from a school district to the Department of Education, or from one (1) school district to another school district after July 15, 1981, shall receive credit for any unused sick leave to which the employee or teacher was entitled on the date of transfer. This credit shall be for the purposes set forth in subsection (9) of this section.
- (11) The death benefit provided in subsection (9) of this section may be cited as the Baughn Benefit.

CHAPTER 179

(SB 222)

AN ACT relating to parole of prisoners.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 439.340 is amended to read as follows:

- (1) The board may release on parole persons confined in any adult state penal or correctional institution of Kentucky or sentenced felons incarcerated in county jails eligible for parole. All paroles shall issue upon order of the board duly adopted. As soon as practicable after his admission to an adult state penal or correctional institution or county jail if he is a sentenced felon, and at such intervals thereafter as it may determine, the Department of Corrections shall obtain all pertinent information regarding each prisoner, except those not eligible for parole. The information shall include his criminal record, his conduct, employment, and attitude in prison, and the reports of physical and mental examinations that have been made. The Department of Corrections shall furnish the circumstances of his offense and his previous social history to the institution and the board. The Department of Corrections shall prepare a report on any information it obtains. It shall be the duty of the Department of Corrections to supplement this report with any material the board may request and submit the report to the board.
- (2) Before granting the parole of any prisoner, the board shall consider the pertinent information regarding the prisoner and shall have him appear before it for interview and hearing. The board in its discretion may hold interviews and hearings for prisoners convicted of Class D felonies. The board in its discretion may request the parole board of another state confining prisoners pursuant to KRS 196.610 to interview eligible prisoners and make a parole recommendation to the board. A parole shall be ordered only for the best interest of society and not as an award of clemency, and it shall not be considered a reduction of sentence or pardon. A prisoner shall be placed on parole only when arrangements have been made for his proper employment or for his maintenance and care, and when the board believes he is able and willing to fulfill the obligations of a law abiding citizen. *Notwithstanding any statute to the contrary, including KRS 440.330, when a prisoner is otherwise eligible for parole and the board has recommended parole for that prisoner for the reasons set forth in subsection (2) of this section, the board may grant parole to any prisoner wanted as a fugitive by any other jurisdiction, and the prisoner shall be released to the detainer from that jurisdiction. Such parole shall not constitute a relinquishment of jurisdiction over the prisoner, and the board in all cases expressly reserves the right to return the prisoner to confinement in a correctional institution of the Commonwealth if the prisoner violates the terms of his or her parole.*
- (3) The board shall adopt administrative regulations with respect to the eligibility of prisoners for parole, the conduct of parole and parole revocation hearings, or conditions to be imposed upon parolees. Regulations governing the eligibility of prisoners for parole shall be in accordance with professionally accepted ideas of correction and reform and may utilize in part objective, performance-based criteria; however, nothing herein contained shall preclude the board from utilizing its present regulations in conjunction with other factors involved that would relate to the inmate's needs and the safety of the public.
- (4) The board shall insure that sentenced felons confined in county jails are considered for parole within thirty (30) days of their parole eligibility date and the Department of Corrections shall provide the necessary assistance and information to the board in order for it to conduct timely parole reviews.

- (5) In addition to or in conjunction with each hearing conducted under subsection (2) of this section for any prisoner convicted of a Class A, B, or C felony and prior to the granting of a parole to any such prisoner, the parole board shall conduct a hearing of which the following persons shall receive not less than forty-five (45) nor more than ninety (90) days' notice: the Commonwealth's attorney who shall notify the sheriff of every county and the chief of police of every city and county in which the prisoner committed any Class A, B, or C felony for which he is imprisoned, and all identified victims of the crimes or the next of kin of any victim who is deceased. Notice to the Commonwealth's attorney shall be by mail to his business office. Notices received by chiefs of police and sheriffs shall be posted in a conspicuous location where police employed by the department may see it. Notices shall be posted in a manner and at a time that will allow officers to make comment thereon to the Parole Board. Notice to victims or their next of kin shall be made, for prisoners incarcerated prior to July 15, 1986, by mail to the Commonwealth's attorney who shall forward the notice promptly to the victims or their next of kin at their last known address. For prisoners incarcerated on or after July 15, 1986, notice to the victims or their next of kin shall be by mail from the Parole Board to their last known address as provided by the Commonwealth's attorney to the Parole Board at the time of incarceration of the prisoner. The notice shall include the time, date, and place of the hearing provided for in this subsection, and the name and address of a person to write if the recipient of the notice desires to attend the hearing or to submit written comments.
- (6) Persons receiving notice as provided for in subsection (5) of this section may submit comments, in person or in writing, to the board upon all issues relating to the parole of the prisoner. The board shall read and consider all comments prior to making its parole decision, if they are received by the board not less than seven (7) days before the date for the hearing. The board shall retain all comments in the prisoner's permanent Parole Board file, and shall consider them in conjunction with any subsequent parole decisions affecting the prisoner. In addition to officers listed in subsection (5) of this section, the crime victims or the next of kin of any victim who is deceased or who is disabled and cannot attend the hearing or the parent or legal guardian of any victim who is a minor may attend the hearing provided for in subsection (5) of this section and present oral and written comments upon all issues relating to the parole of the prisoner, if they have advised the board, in writing received by the board not less than seven (7) days prior to the date set for the hearing, of their intention to attend the hearing. The board shall receive and consider all comments, shall make a record of them which it shall retain in the prisoner's permanent Parole Board file, and shall consider them in conjunction with any subsequent parole decision affecting the prisoner. Persons appearing before the Parole Board pursuant to this subsection may elect to make their presentations outside of the presence of the prisoner.
- (7) Victims of Class D felonies may submit comments in person or in writing to the board upon all issues relating to the parole of a prisoner.
- (8) Any hearing provided for in subsections (5), (6), and (7) of this section shall be open to the public unless the persons having a right to appear before the board as specified in those subsections request closure of hearing for reasons of personal safety, in which event the hearing shall be closed. The time, date, and location of closed hearings shall not be disclosed to the public.
- (9) Except as specifically set forth in this section, nothing in this section shall be deemed to expand or abridge any existing rights of persons to contact and communicate with the Parole Board or any of its members, agents, or employees.
- (10) The unintentional failure by the Parole Board, sheriff, chief of police, or any of its members, agents, or employees or by a Commonwealth's attorney or any of his agents or employees to comply with any of the provisions of subsections (5), (6), and (8) of this section shall not affect the validity of any parole decision or give rise to any right or cause of action by the crime victim, the prisoner, or any other person.
- (11) No eligible sexual offender within the meaning of KRS 197.400 to 197.440 shall be granted parole unless he has successfully completed the Sexual Offender Treatment Program.
- (12) Any prisoner who is granted parole after completion of the Sexual Offender Treatment Program shall be required, as a condition of his parole, to participate in regular treatment in a mental health program approved or operated by the Department of Corrections.
- (13) When an order for parole is issued, it shall recite the conditions thereof.

An expedited appeal is deemed necessary when a covered person is hospitalized or, in the opinion of the

treating provider, review under a standard time frame could, in the absence of immediate medical attention, result in any of the following:

1. Placing the health of the covered person or, with respect to a pregnant woman, the health of the covered person or the unborn child in serious jeopardy;
 2. Serious impairment to bodily functions; or
 3. Serious dysfunction of a bodily organ or part;

- (a) On receipt of a written request for review of a coverage denial from a covered person, authorized person, or provider, the department shall notify the insurer which issued the denial of the request for review and shall call for the insurer to respond to the department regarding the request for review within five (5) days ***of*** receipt of notice to the insurer;
- (b) Within five (5) days of receiving the notice of the request for review from the department, the insurer shall provide to the department the following information:

If the department determines that the treatment, service, drug, or device is not specifically limited or excluded, it shall so notify the insurer, and the insurer shall either cover the service, or afford the covered person an opportunity for external review under KRS 304.17A-621, 304.17A-623, and 304.17A-625, where the conditions precedent to the review are present. If the department notifies the insurer that the treatment, service, drug, or device is specifically limited or excluded in the health benefit plan, the insurer is not required to cover the service or afford the covered person an external review.
- (e) *An insurer shall be required to cover the treatment, service, drug, or device that was denied or provide notification of the right to external review in accordance with paragraph (d) of this subsection whether the covered person has disenrolled or remains enrolled with the insurer.*

The fee shall be refunded if the independent review entity finds in favor of the covered person.
- (6) A covered person shall not be afforded an external review of an adverse determination if:

- (a) The subject of the covered person's adverse determination has previously gone through the external review process and the independent review entity found in favor of the insurer; and

The department shall contract with no less than two (2) independent review entities.
- (8) (a) If a dispute arises between an insurer and a covered person regarding the covered person's right to an external review, the covered person may file a complaint with the department. Unless the defendant is a violent felon as defined in KRS 439.3401 or a statute prohibits probation, shock probation, or conditional discharge, after due consideration of the nature and circumstances of the crime and the history, character, and condition of the defendant, probation or conditional discharge shall be granted, unless the court is of the opinion that imprisonment is necessary for protection of the public because:
 - (a) There is substantial risk that during a period of probation or conditional discharge the defendant will commit another crime;
 - (b) The defendant is in need of correctional treatment that can be provided most effectively by his commitment to a correctional institution; or
 - (c) A disposition under this chapter will unduly depreciate the seriousness of the defendant's crime.
- (3) In the event the court determines that probation is not appropriate after due consideration of the nature and circumstances of the crime, and the history, character, and condition of the defendant, probation with an alternative sentencing plan shall be granted unless the court is of the opinion that imprisonment is necessary for the protection of the public because:
 - (a) There is a likelihood that during a period of probation with an alternative sentencing plan or conditional discharge the defendant will commit a Class D or Class C felony or a substantial risk that the defendant will commit a Class B or Class A felony;
 - (b) The defendant is in need of correctional treatment that can be provided most effectively by commitment to a correctional institution; or
 - (c) A disposition under this chapter will unduly depreciate the seriousness of the defendant's crime.
- (4) The court shall not determine that there is a likelihood that the defendant will commit a Class C or Class D felony based upon the fact that:
 - (a) The defendant has never been convicted of, pled guilty to, or entered an Alford plea to a felony offense;
 - (b) If convicted of, having pled guilty to, or entered an Alford plea to a felony offense, the defendant successfully completed probation more than ten (10) years immediately prior to the date of the commission of the felony for which the defendant is now being sentenced and has had no intervening convictions, pleas of guilty, or Alford pleas to any criminal offense during that period; or
 - (c) The defendant has been released from incarceration for the commission of a felony offense more than ten (10) years immediately prior to the date of the commission of the felony for which the defendant is now being sentenced and has had no intervening convictions, pleas of guilty, or Alford pleas to any criminal offense during that period.
- (5) In making a determination under subsection (4) of this section, the court may determine that the greater weight of the evidence indicates that there is a likelihood that the defendant will commit a Class C or Class D felony.

- (6) Upon initial sentencing of a defendant or upon modification or revocation of probation, when the court deems it in the best interest of the public and the defendant, the court may order probation with the defendant to serve one (1) of the following alternative sentences:
- (a) To a halfway house for no more than twelve (12) months;
 - (b) To home incarceration with or without work release for no more than twelve (12) months;
 - (c) To jail for a period not to exceed twelve (12) months with or without work release, community service and other programs as required by the court;
 - (d) To a residential treatment program for the abuse of alcohol or controlled substances; or
 - (e) To any other specified counseling program, rehabilitation or treatment program, or facility.
- (7) If during the term of the alternative sentence the defendant fails to adhere to and complete the conditions of the alternative sentence, the court may modify the terms of the alternative sentence or may modify or revoke probation and alternative sentence and commit the defendant to an institution.
- (8) In addition to those conditions that the court may impose, the conditions of alternative sentence shall include the following and, if the court determines that the defendant cannot comply with them, then they shall not be made available:
- (a) A defendant sentenced to a halfway house shall:
 - 1. Be working or pursuing his or her education or be enrolled in a full-time treatment program;
 - 2. Pay restitution during the term of probation; and
 - 3. Have no contact with the victim of the defendant's crime;
 - (b) A defendant sentenced to home incarceration shall:
 - 1. Be employed by another person or self-employed at the time of sentencing to home incarceration and continue the employment throughout the period of home incarceration, unless the court determines that there is a compelling reason to allow home incarceration while the defendant is unemployed;
 - 2. Pay restitution during the term of home incarceration;
 - 3. Enter a treatment program, if appropriate;
 - 4. Pay all or some portion of the cost of home incarceration as determined by the court;
 - 5. Comply with other conditions as specified; and
 - 6. Have no contact with the victim of the defendant's crime;
 - (c) A defendant sentenced to jail with community service shall:
 - 1. Pay restitution during all or some part of the defendant's term of probation; and
 - 2. Have no contact with the victim of the defendant's crime; or
 - (d) A defendant sentenced to a residential treatment program for drug and alcohol abuse shall:
 - 1. Undergo mandatory drug screening during term of probation;
 - 2. Be subject to active, supervised probation for a term of five (5) years;
 - 3. Undergo aftercare as required by the treatment program;
 - 4. Pay restitution during the term of probation; and
 - 5. Have no contact with the victim of the defendant's crime.
- (9) When the court deems it in the best interest of the defendant and the public, the court may order the person to work at community service related projects under the terms and conditions specified in KRS 533.070. Work at community service related projects shall be considered as a form of conditional discharge.
- (10) Probation with alternative sentence shall not be available as set out in KRS 532.045 and 533.060, except as provided in KRS 533.030~~(5)~~~~(6)}~~.

- (11) The court may utilize a community corrections program authorized or funded under KRS Chapter 196 to provide services to any person released under this section.
- (12) When the court deems it in the best interest of the defendant and the public, the court may order the defendant to placement for probation monitoring by a private agency. The private agency shall report to the court on the defendant's compliance with his terms of probation or conditional discharge. The defendant shall be responsible for any reasonable charges which the private agency charges.
- (13) The jailer in each county incarcerating Class D felons may deny work release privileges to any defendant for violating standards of discipline or other jail regulations. The jailer shall report the action taken and the details of the violation on which the action was based to the court of jurisdiction within five (5) days of the violation.
- (14) The Department of Corrections shall, by administrative regulation, develop written criteria for work release privileges granted under this section.
- (15) ***Reimbursement of incarceration costs shall be paid directly to the jailer in the amount specified by written order of the court. Incarceration costs owed to the Department of Corrections shall be paid through the circuit clerk.***
- (16) The court shall enter into the record written findings of fact and conclusions of law when considering implementation of any sentence under this section.

Section 36. KRS 533.020 is amended to read as follows:

- (1) When a person who has been convicted of an offense or who has entered a plea of guilty to an offense is not sentenced to imprisonment, the court shall place him on probation if he is in need of the supervision, guidance, assistance, or direction that the probation service can provide. Conditions of probation shall be imposed as provided in KRS 533.030, but the court may modify or enlarge the conditions or, if the defendant commits an additional offense or violates a condition, revoke the sentence at any time prior to the expiration or termination of the period of probation. ***When setting conditions under this subsection, the court shall not order any defendant to pay incarceration costs or any other cost permitted to be ordered under Section 35 of this Act, or other statute, except restitution and any costs owed to the Department of Corrections, through the circuit clerk.***
- (2) When a person who has been convicted of an offense or who has entered a plea of guilty to an offense is not sentenced to imprisonment, the court may sentence him to probation with an alternative sentence if it is of the opinion that the defendant should conduct himself according to conditions determined by the court and that probationary supervision alone is insufficient. The court may modify or enlarge the conditions or, if the defendant commits an additional offense or violates a condition, revoke the sentence at any time prior to the expiration or termination of the alternative sentence.
- (3) When a person who has been convicted of an offense or who has entered a plea of guilty to an offense is not sentenced to imprisonment, the court may sentence him to conditional discharge if it is of the opinion that the defendant should conduct himself according to conditions determined by the court but that probationary supervision is inappropriate. Conditions of conditional discharge shall be imposed as provided in KRS 533.030, but the court may modify or enlarge the conditions or, if the defendant commits an additional offense or violates a condition, revoke the sentence at any time prior to the expiration or termination of the period of conditional discharge.
- (4) The period of probation, probation with an alternative sentence, or conditional discharge shall be fixed by the court and at any time may be extended or shortened by duly entered court order. Such period, with extensions thereof, shall not exceed five (5) years, or the time necessary to complete restitution, whichever is longer, upon conviction of a felony nor two (2) years, or the time necessary to complete restitution, whichever is longer, upon conviction of a misdemeanor. Upon completion of the probationary period, probation with an alternative sentence, or the period of conditional discharge, the defendant shall be deemed finally discharged, provided no warrant issued by the court is pending against him, and probation, probation with an alternative sentence, or conditional discharge has not been revoked.
- (5) Notwithstanding the fact that a sentence to probation, probation with an alternative sentence, or conditional discharge can subsequently be modified or revoked, a judgment which includes such a sentence shall constitute a final judgment for purposes of appeal.

Section 37. KRS 533.030 is amended to read as follows:

- (1) The conditions of probation and conditional discharge shall be such as the court, in its discretion, deems reasonably necessary to insure that the defendant will lead a law-abiding life or to assist him to do so. The court shall provide as an explicit condition of every sentence to probation or conditional discharge that the defendant not commit another offense during the period for which the sentence remains subject to revocation.
- (2) When imposing a sentence of probation or conditional discharge, the court may, in addition to any other reasonable condition, require that the defendant:
 - (a) Avoid injurious or vicious habits;
 - (b) Avoid persons or places of disreputable or harmful character;
 - (c) Work faithfully at suitable employment as far as possible;
 - (d) Undergo available medical or psychiatric treatment and remain in a specific institution as required for that purpose;
 - (e) Post a bond, without surety, conditioned on performance of any of the prescribed conditions;
 - (f) Support his dependents and meet other family responsibilities;
 - (g) Pay the cost of the proceeding as set by the court;
 - (h) Remain within a specified area;
 - (i) Report to the probation officer as directed;
 - (j) Permit the probation officer to visit him at his home or elsewhere;
 - (k) Answer all reasonable inquiries by the probation officer and promptly notify the probation officer of any change in address or employment; and
 - (l) ~~If the defendant's record indicates a controlled substance or alcohol problem,~~ Submit to periodic testing for *the* use of controlled substances or alcohol, ***if the defendant's record indicates a controlled substance or alcohol problem,*** and *to* pay a reasonable fee, ***as determined by the court, which fee shall not*** ~~not~~ ***exceed the actual cost of the test and analysis and shall,*** ~~as determined by the court, said fee to~~ ***be paid directly*** ~~collected by the circuit clerk, held in an agency account, and disbursed, on court order, solely~~ to the agency or agencies responsible for testing and analysis as compensation for the cost of the testing and analysis, ***as specified by written order of the court,*** performed under this subsection. For good cause shown, the testing fee may be waived by the court.
- (3) When imposing a sentence of probation or conditional discharge in a case where a victim of a crime has suffered monetary damage as a result of the crime due to his property having been converted, stolen, or unlawfully obtained, or its value substantially decreased as a result of the crime, or where the victim suffered actual medical expenses, direct out-of-pocket losses, or loss of earning as a direct result of the crime, or if as a direct result of the crime the victim incurred medical expenses that were paid by the Cabinet for Health Services, the Crime Victims Compensation Board, or any other governmental entity, the court shall order the defendant to make restitution in addition to any other penalty provided for the commission of the offense. Payment of restitution to the victim shall have priority over payment of restitution to any government agency. Restitution shall be ordered in the full amount of the damages, unless the damages exceed one hundred thousand dollars (\$100,000) or twice the amount of the gain from the commission of the offense, whichever is greater, in which case the higher of these two (2) amounts shall be awarded. The court may, in lieu of ordering monetary restitution, order the defendant to make restitution by working for or on behalf of the victim. The court shall determine the number of hours of work necessary by applying the then-prevailing federal minimum wage to the total amount of monetary damage caused by or incidental to the commission of the crime. The court may, with the consent of the agency, order the defendant to work as specified in KRS 533.070. Any work ordered pursuant to this section shall not be deemed employment for any purpose, nor shall the person performing the work be deemed an employee for any purpose. Where there is more than one (1) defendant or more than one (1) victim, restitution may be apportioned. Restitution shall be subject to the following additional terms and conditions:
 - (a) Where property which is unlawfully in the possession of the defendant is in substantially undamaged condition from its condition at the time of the taking, return of the property shall be ordered in lieu of monetary restitution;

- (b) The circuit clerk shall assess an additional fee of five percent (5%) to defray the administrative costs of collection of payments or property. This fee shall be paid by the defendant and shall inure to a trust and agency account which shall not lapse and which shall be used to hire additional deputy clerks and office personnel or increase deputy clerk or office personnel salaries, or combination thereof;
 - (c) When a defendant fails to make restitution ordered to be paid through the circuit clerk *or a court-authorized program run by the county attorney or the Commonwealth's attorney*, the circuit clerk *or court-authorized program* shall notify the court; and
 - (d) An order of restitution shall not preclude the owner of property or the victim who suffered personal physical or mental injury or out-of-pocket loss of earnings or support or other damages from proceeding in a civil action to recover damages from the defendant. A civil verdict shall be reduced by the amount paid under the criminal restitution order.
- (4) ***When requiring fees for controlled substances or alcohol tests, or other fees and payments authorized by this section or other statute, except restitution, to be paid by the defendant, the court shall not order the payments to be paid through the circuit clerk.***~~[In addition to any other terms and conditions imposed under this section, the court may require the probationer, as a condition of his probation, to make one (1) payment to a crime stoppers organization in an amount not to exceed the amount of the reward paid by a crime stoppers organization, as defined by KRS 431.570, relative to the probationer.]~~
- ~~(5) [In addition to any other terms and conditions imposed under this section, the court may require the probationer, as a condition of probation or conditional discharge of a sentence of detention or imprisonment for a drug or alcohol related offense, to make one (1) payment either to Drug Abuse Resistance Education (D.A.R.E.) or to any treatment or prevention program for drug or alcohol abuse that a local government administers, refers individuals to, or contracts to administer, in an amount not to exceed the amount of any fine which also could have been imposed for the offense].~~
- ~~(5) [(6)]~~ When a defendant is sentenced to probation or conditional discharge, he shall be given a written statement explicitly setting forth the conditions under which he is being released.
- ~~(6) [(7)]~~ When imposing a sentence of probation or conditional discharge, the court, in addition to conditions imposed under this section, may require as a condition of the sentence that the defendant submit to a period of imprisonment in the county jail or to a period of home incarceration at whatever time or intervals, consecutive or nonconsecutive, the court shall determine. The time actually spent in confinement or home incarceration pursuant to this provision shall not exceed twelve (12) months or the maximum term of imprisonment assessed pursuant to KRS Chapter 532, whichever is the shorter. Time spent in confinement or home incarceration under this subsection shall be credited against the maximum term of imprisonment assessed for the defendant pursuant to KRS Chapter 532, if probation or conditional discharge is revoked and the defendant is sentenced to imprisonment. Any prohibitions against probation, shock probation, or conditional discharge under KRS 533.060(2) or 532.045 shall not apply to persons convicted of a misdemeanor or Class D felony and sentenced to a period of confinement or home incarceration under this section.

Section 38. KRS 534.020 is amended to read as follows:

- (1) When a defendant is sentenced to pay a fine, the court may provide for payment to be made within a specified period of time or in specified installments. If no such provision is made a part of the sentence, ***then*** the fine shall be payable forthwith.
- (2) When a defendant is sentenced to pay a fine, an alternative sentence of imprisonment that is to be served in the event the fine is not paid shall not be imposed at the same time. The response of a court to nonpayment of a fine shall be determined only after the fine has not been paid, and ~~only~~ as provided in ***Section 4 of this Act or KRS 534.060.***

Section 39. KRS 534.045 is amended to read as follows:

- (1) Pursuant to a conviction of a misdemeanor, including traffic offenses, where a person is sentenced to incarceration in the county jail, the District Court may assess a reimbursement fee to help defray the expenses of the prisoner's room and board. The reimbursement fee shall not exceed twenty-five percent (25%) of the prisoner's gross daily wages or forty dollars (\$40) per day, whichever is less. All moneys shall be ***paid directly to the jailer***~~[collected by the District Court and paid to the county, urban county, or charter county treasury for use on the jail as provided in KRS 441.206].~~

- (2) In determining whether a reimbursement fee as described in subsection (1) of this section is to be assessed, and in establishing the amount of the fee, the court shall consider evidence relevant to the prisoner's ability to pay the fee but shall not consider as evidence the following:
- (a) Joint ownership, if any, that the prisoner may have in real property;
 - (b) Joint ownership, if any, that the prisoner may have in any assets, earnings, or other sources of income; and
 - (c) The income, assets, earnings, or other property, both real and personal, that might be owned by the prisoner's spouse or family.
- (3) After considering all relevant evidence to the issue of the prisoner's ability to pay, the court shall enter as part of its judgment the amount of the reimbursement fee, if any, that shall be paid by the prisoner during his period of incarceration in the county jail. The fee shall bear a reasonable relationship to the person's income. Upon petition by the prisoner affected by the order, the amount may be modified to reflect any changes in the financial status of the prisoner. In any appeal that might be taken from the conviction, the amount of the reimbursement fee may be challenged.
- (4) If the person sentenced to jail is released in accordance with the provisions of KRS 439.179 and is subject to the provisions of KRS 439.179(4), the payment of the reimbursement fee shall be suspended so long as the person is gainfully employed.
- (5) ***When imposing any payment authorized by this section, the court shall order the defendant to make the payment to the named officer, person, or organization. The court shall not order any payment authorized by this section to be made through the circuit clerk.***

Section 40. KRS 635.085 is amended to read as follows:

- (1) In lieu of commitment to the Department of Juvenile Justice, if a child is adjudicated a public offender, the court may in its discretion impose a fine. The imposition of a fine for an offense committed by a child shall be based upon a determination that such disposition is in the best interest of the child and to aid in his rehabilitation. Any such order shall include a finding that the child is financially able to pay the fine. Fines shall be levied consistent with the schedule set forth below:
- (a) For a felony, not to exceed five hundred dollars (\$500);
 - (b) For a misdemeanor, not to exceed two hundred fifty dollars (\$250); and
 - (c) For a violation, not to exceed one hundred dollars (\$100).
- (2) When a child is directed by the court to pay a fine, the court may provide for payment to be made within a specified period of time or in specified installments. If such provision is not made a part of the court's disposition, the fine shall be payable immediately. Nothing contained herein shall be construed as limiting the court's inherent contempt powers.
- (3) Any public offender detained for failure to comply with the court order shall not be scheduled for a time that would interfere with the educational, occupational, or religious obligations of the child, and shall be in a secure juvenile detention facility or juvenile holding facility. Any portion of a day a child is detained pursuant to the court's exercising its contempt powers shall be deemed as one (1) day for purposes of serving a detention term.
- ~~{(4) Fines imposed and collected pursuant to this section shall be paid by the circuit clerk to the fund specified in KRS 431.100.}~~

Section 41. The following KRS sections are repealed:

26A.150 Collection and forwarding of crime victim compensation fee.

431.102 Service fee on certain misdemeanor convictions.

Section 42. This Act takes effect August 1, 2002, and all court costs, fees, fines, and other monetary penalties assessed before this date but not collected or paid by this date shall be thereafter dispensed of in accordance with this Act.

Section 14. Whereas the terrorist attacks of September 11, 2001, unveiled a war being waged on America and all Americans, both at home and abroad, by a wide spectrum of terrorists. And whereas United States Government officials have credible information that these cowardly terrorists are attempting to surreptitiously obtain commercial drivers licenses in order to commit criminal acts against the nation's infrastructure by using commercial motor vehicles as weapons of mass destruction. And whereas because the identities of these and future terrorists remain unknown, it is crucial for the Commonwealth to act as quickly as possible to protect its citizens, and by doing so protect all fellow Americans, through the strengthening of state laws governing operators of commercial motor

vehicles, an emergency is declared to exist, and Sections 1 to 10 and Section 12 of this Act take effect upon its passage and approval by the Governor, or upon its otherwise becoming a law.

The county shall establish a payment schedule subject to approval by the board for payment of the service credit. The maximum period allowed in a payment schedule shall be ten (10) years with interest at the rate actuarially assumed by the board; however, a shorter period is desirable and the board may approve any schedule provided it is not longer than a ten (10) year period;

- (12) (a) Effective August 1, 1988, any employee participating in one (1) of the state-administered retirement systems may purchase service credit for seasonal, emergency, or temporary employment or part-time employment averaging one hundred (100) or more hours of work per month on a calendar or fiscal year basis. If the average number of hours of work is less than one hundred (100) per month, the member shall be allowed credit only for those months he receives creditable compensation for one hundred hours of work. The cost will be determined by computing the member and employer contributions for the period of time involved plus interest compounded annually at the current actuarial rate, which shall not be picked up by the employer as described in KRS 61.560(4).
- (b) Any noncertified employee of a school board may purchase service credit for part-time employment prior to the 1990-91 school year which averaged eighty (80) or more hours of work per month on a calendar or fiscal year basis by paying to the County Employees Retirement System a delayed contribution payment. The delayed contribution payment shall not be picked up, as described in KRS 78.610(4), by the employer. Payment may be by lump sum or the employee may pay by increments. If the average number of hours of work is less than eighty (80) per month, the noncertified employee of a school board shall be allowed credit only for those months he receives creditable compensation for eighty (80) hours of work. The cost will be determined by computing the member and employer contributions for the period of time involved plus interest compounded annually at the current actuarial rate, which shall not be picked up by the employer as described in KRS 78.610(4).
- (13) A retired member, who is contributing to one (1) of the state-administered retirement programs and purchases service credit under this section in the system or systems from which he is retired, shall have his retirement allowance recomputed:
- (a) Upon termination from employment, if the member is contributing to the same system or systems from which he was retired; or
 - (b) Upon completion of six (6) months' service credit as required under subsection (6) of this section, if the member is contributing to a system other than the system or systems from which he is retired.
- (14) Any employee participating in one (1) of the state-administered retirement systems who has at least forty-eight (48) months of service if age sixty-five (65) or at least sixty (60) months of service if under age sixty-five (65) may obtain credit for prior or current service for any period of approved educational leave, or for agency-

approved leave to work for a work-related labor organization if the agency subsequently participated in the County Employees Retirement System, by paying to the respective retirement system a delayed contribution payment. The employee may also obtain credit for agency-approved leave to work for a work-related labor organization if the agency subsequently participated in the County Employees Retirement System, but only if the Kentucky Retirement Systems receives a favorable private letter ruling from the United States Internal Revenue Service or a favorable opinion letter from the United States Department of Labor. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer, and shall be deposited to the individual member's account.

- (15) Any employee participating in one (1) of the state-administered retirement systems may obtain credit for prior or current service for any period of approved maternity leave, or for any period of approved sick leave without pay, by paying to the respective retirement system a delayed contribution payment. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer, and shall be deposited to the individual member's account.
- (16) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems may purchase service credit under any of the provisions of KRS 16.510 to 16.652, 61.515 to 61.705, or 78.520 to 78.852 by making installment payments in lieu of a lump-sum payment.
 - (a) The cost of the service shall be computed in the same manner as for a lump-sum payment which shall be the principal; and interest, at the actuarial rate in effect at the time the member elects to make the purchase compounded annually, shall be added for the period that the installments are to be made. Multiple service purchases may be combined under a single installment purchase; however, no employee may make more than one (1) installment purchase at the same time. Once multiple service purchases have been combined in an installment purchase, the employee may not separate the purchases or pay a portion of one (1) of the purchases. The employee may elect to stop the installment payments by notifying the retirement system; may have the installment purchase recalculated to add one (1) or more additional service purchases; or may pay by lump sum the remaining principal.
 - (b) Twelve (12) consecutive monthly installment payments shall be made for each one thousand dollars (\$1,000) or any part thereof of the total cost, except that the total number of installments shall not be less than twelve (12) and shall not exceed sixty (60).
 - (c) The employee shall pay the installments by payroll deduction each pay period. Upon notification by the retirement system, the employer shall report the installment payments separate from regular employee contributions on the forms or by the computer format specified by the board. The payments made under this subsection shall be considered accumulated contributions of the member and shall not be picked up by the employer pursuant to KRS 61.560(4) and no employer contributions shall be paid on the installments.
 - (d) The retirement system shall determine how much of the total cost represents payment for one (1) month of the service to be purchased and shall credit one (1) month of service to the member's account each time this amount has been paid. The first service credited shall represent the first calendar month of the service to be purchased and each succeeding month of service credit shall represent the succeeding months of that service.
 - (e) If the employee elects to stop the installment payments, dies, retires, or does not continue employment in a position required to participate in the retirement system, the member, or in the case of death, the beneficiary, shall have sixty (60) days to pay the remaining principal of the purchase by lump sum. If the member or beneficiary does not pay the remaining cost, the retirement system shall refund to the member or the beneficiary the payment, payments, or portion of a payment that does not represent a full month of service purchased.
 - (f) If the employer does not report installment payments on an employee for sixty (60) days, the installment purchase shall cease and the retirement system shall refund to the employee the payment, payments, or portion of a payment that does not represent a full month of service purchased.
 - (g) If payments have ceased under paragraph (e) or (f) of this subsection and the member later becomes a participating employee in one (1) of the three (3) systems administered by Kentucky Retirement Systems, the employee may complete the adjusted original installment purchase by lump sum or installment payments. If the employee elects to renew the installment purchase, the cost of the remaining

service shall be recalculated in accordance with paragraph (a) of this subsection. If the original installment purchase was for multiple service purchases, the employee may not separate those purchases under a new installment purchase.

- (h) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems may purchase service credit under any of the provisions of KRS 16.510 to 16.652, 61.515 to 61.705, or 78.520 to 78.852 by transferring funds pursuant to the rules in 26 U.S.C. sec. 401(a)(31) directly from a retirement plan or a deferred compensation arrangement maintained by his employer which is a qualified plan pursuant to 26 U.S.C. sec. 401(a). Service credit may also be purchased by a rollover of funds from a qualified retirement plan pursuant to the rules specified in 26 U.S.C. sec. 402(c). The Kentucky Retirement Systems shall accept the transfer or rollover to the extent permitted under the rules specified in 26 U.S.C. secs. 402(c) and 401(a)(31). The amount shall be credited to the individual member's contribution account in the appropriate retirement system and shall be considered accumulated contributions of the member.
- (17) After August 1, 1998, any employee participating in one (1) of the state-administered retirement systems who is age sixty-five (65) or older and has forty-eight (48) months' service credit in the Kentucky Employees Retirement System or the County Employees Retirement System or, if younger, who has sixty (60) months' service credit in the Kentucky Employees Retirement System or the County Employees Retirement System may purchase credit in the system in which the employee has the service credit for up to ten (10) years service in a regular full-time position that was credited to a state or local government-administered public defined benefit plan in another state other than a defined benefit plan for teachers. The employee shall pay the full cost of the service as determined by the system. Payment may be by lump sum, or the employee may pay by increments. The employee may transfer funds directly from the other state's plan if eligible to the extent permitted under subsection (16)(h) of this section and to the extent permitted by the other state's laws and shall provide proof that he is not eligible for a retirement benefit for the period of service from the other state's plan.
- (18) After August 1, 1998, any employee participating in one (1) of the state-administered retirement systems, who has sixty (60) or more months of service in the State Police Retirement System or in a hazardous position in the Kentucky Employees Retirement System or the County Employees Retirement System, may purchase credit in the system in which the employee has the sixty (60) months of service credit for up to ten (10) years of service in a regular full-time position that was credited to a defined benefit retirement plan administered by a state or local government in another state, if the service could be certified as hazardous pursuant to KRS 61.592. The employee shall pay the full cost of the service credit as determined by the system. Payment may be by lump sum or by increments. The employee may transfer funds directly from the other unit of government's plan if eligible to the extent permitted under subsection (16)(h) of this section and to the extent permitted by the other state's laws, and the employee shall provide proof that he is not eligible for a retirement benefit for the period of service from the other unit of government's plan.
- (19) Any employee participating in one (1) of the state-administered retirement systems who has at least forty-eight (48) months of service if age sixty-five (65) or at least sixty (60) months of service if under age sixty-five (65) who has completed service as a volunteer in the Kentucky Peace Corps, created by KRS 154.01-720, may purchase service credit for the time served in the corps by making delayed contribution payments.
- (20) An employee participating in any state-administered retirement system who has at least forty-eight (48) months' service if age sixty-five (65), or at least sixty (60) months' service if under age sixty-five (65), and who was formerly employed in a regional community mental health and mental retardation services program, organized and operated under the provisions of KRS 210.370 to 210.480, which does not participate in a state-administered retirement system may obtain credit for the period of his service in the regional community mental health and mental retardation program, by paying to the state retirement system in which he participates the full cost of the service credit purchased, as determined by the system. Payment to one (1) of the retirement systems administered by the Kentucky Retirement Systems may be made by lump sum or in increments.

The cost of the service shall be determined by computing the member and employer contributions for the period of time involved plus interest compounded annually at the current actuarial rate, which shall not be picked up by the employer as described in KRS 61.560(4).

- (22) Any employee participating in one (1) of the state-administered retirement systems on June 30, 2000, may obtain credit for subsequent service with a parted employer from the Commonwealth operating for the purposes of KRS 163.475, by paying to the respective retirement system a delayed contribution payment if the respective retirement system receives a favorable private letter ruling from the United States Internal Revenue Service or a favorable opinion letter from the United States Department of Labor. The delayed contribution payment shall be deposited to the individual member's account. The delayed contribution payment shall not be picked up by the employer as described in KRS 61.560(4).
- (23) Any employee participating in the County Employees Retirement System who has at least forty-eight (48) months of service if age sixty-five (65) or at least sixty (60) months of service if under age sixty-five (65) may purchase service credit for service with a city, county, or joint city-county planning commission, if that service was not covered by a state-administered retirement system. Notwithstanding any statute to the contrary, the employee shall be entitled to a full month of service for each month or portion of month that the employee occupied the position whether or not the employee would have qualified, at the time of planning commission service, for the service under KRS 6.525. The employee shall pay to the retirement system the full cost of the service credit purchased, as determined by the board's actuary. The payment shall not be picked up, as described in KRS 78.610(4), by the employer and shall be deposited to the member's account. Payment may be by lump sum or in increments. No interest shall be added to the contributions. The service credit shall not be credited to the member's account until the employer contributions are received. If a retired member makes the payment within six (6) months, the retired member's retirement allowance shall be adjusted to reflect the added service after the employer contributions are received by the retirement system.
- (b) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems who is entitled to service credit under paragraph (a) of this subsection and who has not repaid the employee contributions due within six (6) months of notification by the system may regain the credit after the six (6) months by paying to the system the employee contributions plus interest at the actuarially assumed rate from the date of initial notification under paragraph (a) of this subsection. The cost of the service shall be determined as a delayed contribution payment for the respective retirement system. Payment may be made by lump sum or in increments. The payment shall not be picked up, as described in KRS 61.560(4) or KRS 78.610(4), by the employer.
- (26) Any employee participating in one (1) of the retirement systems administered by the Kentucky Retirement Systems ~~on or after August 1, 1998,~~ who has at least **one hundred and eighty (180)** ~~two hundred forty (240)~~ months of service credit may purchase a combined maximum total of five (5) years of retirement service credit which is not otherwise purchasable under any of the provisions of KRS 16.510 to 16.652, KRS 61.510 to 61.705, and KRS 78.510 to 78.852. After receiving the advice of the Writing Advisory Committee, the Kentucky Board of Education shall, by September 1 following April 14, 1998, file a notice of intent to promulgate an administrative regulation which reduces the teacher and student time involved in preparing a writing portfolio. Time reduction strategies included in the administrative regulation may include, but are not limited to, limiting the time spent on a single portfolio entry, limiting the number of revisions, or collecting entries at different grade levels;

- (5) The Department of Education shall gather information to establish the validity of the assessment and accountability program. It shall develop a biennial plan for validation studies that shall include, but not be limited to, the consistency of student results across multiple measures, the congruence of school scores with documented improvements in instructional practice and the school learning environment, and the potential for all scores to yield fair, consistent, and accurate student performance level and school accountability decisions. Validation activities shall take place in a timely manner and shall include a review of the accuracy of scores assigned to students and schools, as well as of the testing materials. The plan shall be submitted to the Commission by July 1 of the first year of each biennium. - (1)
 - (a) For calendar year 1997 and for each calendar year thereafter, for the purpose of funding and prefunding the liabilities of the special fund, financing the administration and operation of the Kentucky Workers' Compensation Funding Commission, and financing the expenditures for all programs in the Labor Cabinet, except the Division of Employment Standards, Apprenticeship and Training and the Office of Labor-Management Relations and Mediation, as reflected in the enacted budget of the Commonwealth and enacted by the General Assembly, the funding commission shall impose a special fund assessment rate of nine percent (9%) upon the amount of workers' compensation premiums received on and after January 1, 1997, through December 31, 1997, by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every group of self-insurers operating under the provisions of KRS 342.350(4), and against the premium, as defined in KRS 342.0011, of every employer carrying his or her own risk.
 - (b) The funding commission shall, for calendar year 1998 and thereafter, establish for the special fund an assessment rate to be assessed against all premium received during that calendar year which, when added to the coal severance tax appropriated to the special fund in accordance with paragraph (c) of this section, shall produce enough revenue to amortize on a level basis the unfunded liability of the special fund as of September 1 preceding January 1 of each year, for the period remaining until December 31, 2018. The interest rate to be used in this calculation shall reflect the funding commission's investment experience to date and the current investment policies of the commission. This assessment shall be imposed upon the amount of workers' compensation premiums received by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every group of self-insurers operating under the provisions of KRS 342.350(4), and against the premium, as defined in KRS 342.0011, of every employer carrying his own risk.
 - (c) In addition to the assessment imposed in paragraph (a) or (b) of this subsection, and notwithstanding and prior to the transfer of funds to the Local Government Economic Assistance Program under KRS 42.450 to 42.495, the Kentucky Revenue Cabinet shall credit nineteen million dollars (\$19,000,000) in coal severance tax revenues levied under KRS 143.020 to the benefit reserve fund within the Kentucky Workers' Compensation Funding Commission each year beginning with fiscal year 1998 and all fiscal years thereafter. The annual transfer of nineteen million dollars (\$19,000,000) shall occur in four (4) equal quarterly payments. These transfers shall occur not later than the last day of each quarter of each calendar year and shall consist of four (4) equal payments of four million, seven hundred fifty thousand dollars (\$4,750,000).
 - (d) All assessments imposed by this section shall be paid to the Kentucky Workers' Compensation Funding Commission and shall be credited to the benefit reserve fund within the Kentucky Workers' Compensation Funding Commission.
 - (e) The assessments imposed in this chapter shall be in lieu of all other assessments or taxes on workers' compensation premiums.
- (2) These assessments shall be paid quarterly not later than the thirtieth day of the month following the end of the quarter in which the premium is received. Receipt shall be considered timely through actual physical receipt or by postmark of the United States Postal Service. Employers carrying their own risk and employers defined in KRS 342.630(2) shall pay the annual assessments in four (4) equal quarterly installments.
- (3) The assessments imposed by this section may be collected by the insurance carrier from his insured. However, the insurance carrier shall not collect from the employer any amount exceeding the assessments imposed pursuant to this section. If the insurance carrier collects the assessment from an insured, the assessment shall be collected at the same time and in the same proportion as the premium is collected. The assessment for an insurance policy or other evidence of coverage providing a deductible may be collected in accordance with this

chapter on a premium amount that equates to the premium that would have applied without the deductible. Each statement from an insurance carrier presented to an insured reflecting premium and assessment amounts shall clearly identify and distinguish the amount to be paid for premium and the amount to be paid for assessments. No insurance carrier shall collect from an insured an amount in excess of the assessment percentages imposed by this chapter. The assessment for an insurance policy or other evidence of coverage providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible. The percentages imposed by this chapter for an insurance policy issued by an insurance company shall be those percentages in effect on the annual effective date of the policy, regardless of the date that the premium is actually received by the insurance company.

- (4) A group self-insurance association may elect to report its premiums and to have its assessments computed in the same manner as insurance companies. This election may not be rescinded for at least ten (10) years, nor may this election be made a second time for at least another ten (10) years, ***except that the board of directors of the funding commission may, at its discretion, waive the ten (10) year ban on a case-by-case basis after formal petition has been made to the funding commission by a group self-insurance association.***
- (5) The funding commission, as part of the collection and auditing of the special fund assessments required by this section, shall annually require each insurance carrier and each group self-insurer to provide a list of employers which it has insured or which are members and the amount collected from each employer. Additionally, the funding commission shall require each entity paying a special fund assessment to report the SIC code for each employer and the amount of premium collected from each SIC code. An insurance carrier or group self-insurer may require its insureds or members to furnish the SIC code for each of their employees. However, the failure of any employer to furnish said codes shall not relieve the insurance carrier or group self-insurer from the obligation to furnish same to the funding commission. The Department for Employment Services, Cabinet for Workforce Development is hereby directed to make available the SIC codes assigned in its records to specific employers to aid in the reporting and recording of the special fund assessment data.
- (6) Each self-insured employer, group self-insurer, or insurance carrier shall provide any information and submit any reports the Revenue Cabinet or the funding commission may require to effectuate the provisions of this section. In addition, the funding commission may enter reciprocal agreements with other governmental agencies for the exchange of information necessary to effectuate the provisions of this section.
- (7) The special fund shall be required to maintain a central claim registry of all claims to which it is named a party, giving each such claim a unique claim number and thereafter recording the status of each claim on a current basis. The registry shall be established by January 26, 1988, for all claims on which payments were made since July 1, 1986, or which were pending adjudication since July 1, 1986, by audit of all claim files in the possession of the special fund.
- (8) The fund heretofore designated as the subsequent claim fund is abolished, and there is substituted therefor the special fund as set out by this section, and all moneys and properties owned by the subsequent claim fund are transferred to the special fund.
- (9) Notwithstanding any other provisions of this section or this chapter to the contrary, the total amount of funds collected pursuant to the assessment rates adopted by the funding commission shall not be limited to the provisions of this section.
- (10) All assessment rates imposed for periods prior to January 1, 1997, under KRS 342.122 shall forever remain applicable to premiums received on policies with effective dates prior to January 1, 1997, by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every group of self-insurers operating under the provision of KRS 342.350(4), and against the premium, as defined in KRS 342.0011, of every employer carrying his own risk.

"Assignment", as used in paragraph (b) of subsection (3) of this section includes any direct or indirect transfer or hypothecation of an investment advisory contract by the assignor or of a controlling block of the assignor's outstanding voting securities by a security holder of the assignor; but, if the investment adviser is a partnership, no assignment of an investment advisory contract is considered to result from the death or withdrawal of a minority of the members of the investment adviser having only a minority interest in the business of the investment adviser, or from the admission to the investment adviser of one (1) or more members who, after admission, will be only a minority of the members and will have only a minority interest in the business.

- (5) Subsection (3)(a) of this section shall *also* not apply to a contract with any person or class of persons that the commissioner by rule or regulation or by order upon application determines does not need the protections of subsection (3)(a) of this section. The commissioner may grant a conditional or unconditional exemption based on factors which include the person's or persons' financial sophistication, net worth, knowledge of and experience in financial matters, amount of assets under management, relationship with a registered investment adviser, or other factors as the commissioner determines are consistent with this section.

It is unlawful for an investment adviser representative to be employed by a covered adviser who is required to make a notice filing with the commissioner unless the investment adviser representative is registered under this chapter.

- (3) A broker-dealer, agent, investment adviser, or investment adviser representative may apply for registration by filing with the commissioner or the commissioner's designee an application together with a consent to service of process pursuant to KRS 292.430 and payment of the fee prescribed in subsection (11).
- (a) Registration of a broker-dealer automatically constitutes registration of any agent who is a partner, officer, or director, or a person occupying a similar status or performing similar functions (except any partner, officer, or director or other such person whose registration as an agent is denied, suspended, or revoked under subsection (13)) without the filing of applications for registration as agents or the payment of fees for registration as agents.
 - (b) Except for any partner, officer, director, or other person whose registration as an investment adviser representative is denied, suspended, or revoked under subsection (13) of this section, registration of an investment adviser automatically constitutes registration of any investment adviser representative who is a partner, officer, director, or a person occupying a similar status or performing similar functions, without the filing of applications for registration as investment adviser representatives or the payment of fees for registration, as investment adviser representatives.
 - (c) The registration application shall contain whatever information the commissioner requires concerning such matters as:

- (a) The commissioner may specify an earlier effective date and ~~he~~ may by order defer the effective date until noon of the thirtieth day after the filing of any amendment.
 - (b) The commissioner may by rule establish a procedure for transfer of an agent or an investment adviser representative whereby registration may become effective prior to the filing of an application; but any registration so transferred shall not be effective for more than thirty (30) days, unless within that thirty (30) days a properly completed application is filed.
 - (c) The thirtieth day effective day is tolled if, before 5 p.m. EST of the thirtieth day, the commissioner notifies the applicant that the application is incomplete or that he intends to deny the application, pending the completion of the application or a hearing and final order on the intent to deny the application or the waiver of a hearing through the failure to request a hearing with fifteen (15) days of receiving notice of the intent to deny the application, as applicable.
- (5) The commissioner may require as a condition of registration that the applicant (and, in the case of a corporation or partnership, the officers, directors, or partners) pass a written examination as evidence of knowledge of the securities business.
- (6) Subject to the limitations of Section 15 of the Securities Exchange Act of 1934 and Section 222 of the Investment Advisers Act of 1940, the commissioner may by rule require the existence and maintenance of a minimum liquid net capital for registered broker-dealers and investment advisers and a minimum ratio between net capital and aggregate indebtedness, or both.
- (7) Subject to the limitations of Section 15 of the Securities Exchange Act of 1934 and Section 222 of the Investment Advisers Act of 1940, the commissioner may by rule require registered broker-dealers, agents, and investment advisers to post surety bonds in an amount up to \$25,000, and may determine their conditions, except under this subsection that no such bond may be required of any registrant whose net capital exceeds \$100,000. An appropriate deposit of cash or securities shall be accepted in lieu of any required surety bond. Every surety bond shall provide for suit thereon by any person who has a cause of action under KRS 292.480, and every such bond shall provide that no suit may be maintained to enforce any liability on the bond unless brought within three (3) years after the later of the sale or other act upon which it is based or the discovery of the sale or act.
- (8) Subject to the limitations of Section 15 of the Securities Exchange Act of 1934, the commissioner may by rule require registered broker-dealers to carry fidelity bonds, covering its agents, general partners, and officers, in such form, covering such risks, and in such amounts (not exceeding \$250,000) as he deems necessary for the protection of the public; and he may by rule require registered broker-dealers to furnish satisfactory evidence that they have such bonds.
- (9) Every registration of a broker-dealer, agent, investment adviser, and investment adviser representative and every notice filing shall be effective until December 31 of the year of registration or notice unless the commissioner by rule extends or lessens the registration or notice period may be renewed as hereinafter provided. The commissioner may by rule increase or reduce the registration fee or notice filing fee set forth in subsection (11) of this section should the registration period or notice period be extended or lessened.
- (a) The registration of an agent is not effective during any period when he is not associated with an issuer or a registered broker-dealer specified in his application or a notice filed with the commissioner or the commissioner's designee. When an agent begins or terminates a connection with an issuer or registered broker-dealer, the agent and the issuer or broker-dealer shall promptly notify the commissioner or the commissioner's designee.

- (b) The registration of an investment adviser representative is not effective during any period when he is not associated with an investment adviser specified in his application or with a covered adviser specified in a notice filed with the commissioner or the commissioner's designee. When an investment adviser representative begins or terminates a connection with an investment adviser, the investment adviser representative and the investment adviser shall promptly notify the commissioner or the commissioner's designee. When an investment adviser representative begins or terminates a connection with a covered adviser, the investment adviser representative shall notify the commissioner or the commissioner's designee.
- (10) Registration of a broker-dealer, agent, investment adviser, or investment adviser representative may be renewed by filing with the commissioner or the commissioner's designee prior to the expiration thereof an application containing the information the commissioner may require to indicate any material change in the information contained in the original application or any renewal application for registration as a broker-dealer, agent, investment adviser, or investment adviser representative filed with the commissioner or the commissioner's designee by the applicant, payment of the prescribed fee and, in the case of a broker-dealer, a financial statement showing the financial condition of such broker-dealer as of a date within ninety (90) days. A notice filing by a covered adviser may be renewed by filing with the commissioner or the commissioner's designee a notice filing consisting of any documents filed with the United States Securities and Exchange Commission as the commissioner may require by rule or order. A registered broker-dealer or investment adviser may file an application for registration of a successor and a covered adviser may file a notice filing for a successor, whether or not the successor is then in existence, for the unexpired portion of the year without payment of any fee.
- (11)
 - (a) The fee for initial or renewal registration shall be one hundred twenty dollars (\$120) for a broker-dealer, one hundred dollars (\$100) for an investment adviser, fifty dollars (\$50) for an agent, fifty dollars (\$50) for an investment adviser representative, and fifty dollars (\$50) for transfer of an agent or investment adviser representative, none of which fees shall be refundable.
 - (b) The fee for notice filings shall be one hundred dollars (\$100) for a covered adviser.
- (12)
 - (a) Every registered broker-dealer, firm employing issuer agents, and investment adviser shall make and keep all accounts, correspondence, memoranda, papers, books, and other records which the commissioner by rule prescribes. All records required shall be preserved for three (3) years unless the commissioner by rule prescribes otherwise for particular types of records. All required records shall be kept within this state or shall, at the request of the commissioner, be made available at any time for examination by him either in the principal office of the registrant or by production of exact copies thereof in this state. If a broker-dealer is registered with the United States Securities and Exchange Commission, the books and records required by this section are limited to those that the Securities Act of 1934 requires the broker-dealer to maintain. If an investment adviser has his principal place of business in another state, the requirements of this section shall be limited to those books and records requirements of that state, provided the adviser is registered in that state and in compliance with its recordkeeping requirements.
 - (b) Every registered broker-dealer and investment adviser shall file such reports as the commissioner by rule prescribes. If a broker-dealer is registered with the United States Securities and Exchange Commission, the reports required by this section are limited to those required under the Securities Act of 1934. If an investment adviser has his principal place of business in another state, the requirements of this section shall be limited to the reporting requirements of that state, provided the adviser is registered in that state and in compliance with its reporting requirements.
 - (c) If the information contained in any document filed with the commissioner or the commissioner's designee is or becomes inaccurate or incomplete in any material respect, the broker-dealer or investment adviser, as applicable, shall promptly file a correcting amendment. In the case of a covered adviser, the adviser shall file only copies of those documents required to be filed with the Securities and Exchange Commission.
 - (d) The commissioner may make periodic examinations, within or without this state, of each broker-dealer, firm employing issuer agents, and investment adviser at such times and in such scope as he determines. These examinations may be made without prior notice to the broker-dealer, firm employing issuer agents, or investment adviser. The expense reasonably attributable to any such examination shall be paid by the broker-dealer, firm employing issuer agents, or investment adviser whose business is examined

but the expense so payable shall not exceed an amount which the commissioner by rule prescribes. For the purpose of avoiding unnecessary duplication of examinations, the commissioner, insofar as he deems it practicable in administering this subsection, may cooperate with securities administrators of other states, the securities and exchange commission, and any national securities exchange or national securities association registered under the Securities Exchange Act of 1934.

- (e) The commissioner may by rule prohibit unreasonable charges, profits, commissions, or other compensation of broker-dealers and investment advisers.
 - (f) The commissioner may prescribe rules for the conduct of business by broker-dealers and investment advisers which he finds appropriate in the public interest and for the protection of investors.
 - (g) The commissioner may enter into an arrangement, agreement, or other working relationship with federal, other state, and self-regulatory authorities whereby documents may be filed and maintained in a central depository system with the National Association of Securities Dealers or other agencies or authorities. It is the intent of this paragraph that the commissioner be provided power to reduce duplication of filings, reduce administrative costs, and establish uniform procedures, forms, and administration with the states and federal authorities. The commissioner may permit initial and renewal registration filings required under this chapter to be filed with the Securities and Exchange Commission, the National Association of Securities Dealers, or other similar authorities. The commissioner may accept uniform securities examinations or other procedures designed to implement a uniform national securities regulatory system or facilitate common practices and procedures among the states.
- (13) (a) The commissioner may by order deny, suspend, or revoke registration of any broker-dealer, agent, investment adviser, or investment adviser representative, or bar or censure any registrant or any officer, director, partner, or person occupying a similar status or performing similar functions for a registrant, from employment with a registered broker-dealer or investment adviser, or restrict or limit a registrant as to any function or activity of the business for which registration is required in the Commonwealth of Kentucky, if he finds that the order is in the public interest and that the applicant or registrant or, in the case of a broker-dealer, or investment adviser, any partner, officer, or director, any person occupying a similar status or performing similar functions, or any person directly or indirectly controlling the broker-dealer or investment adviser:
- 1. Has filed an application for registration under this section which, as of its effective date, or as of any date after filing in the case of an order denying effectiveness, was incomplete in any material respect or contained any statement which was, in the light of the circumstances under which it was made, false or misleading with respect to any material fact;
 - 2. Has willfully violated or willfully failed to comply with any provision of this chapter or a predecessor law or any rule or order under this chapter or a predecessor law;
 - 3. Has been convicted, within the past ten (10) years, of any misdemeanor involving a security or any aspect of the securities business, or any felony, or has pending against him any such criminal charge;
 - 4. Is permanently or temporarily enjoined by any court of competent jurisdiction from engaging in or continuing any conduct or practice involving any aspect of the securities business;
 - 5. Is the subject of an order of the commissioner denying, suspending, or revoking registration as a broker-dealer, agent, investment adviser, or investment adviser representative;
 - 6. Is the subject of any of the following orders that are currently effective and were issued within the last five (5) years:
 - a. An order by the securities agency or administrator of another state or Canadian province or territory, or by the Securities and Exchange Commission, entered after notice and opportunity for hearing, denying, suspending, limiting or revoking the person's license as a broker-dealer, sales representative, or investment adviser, or the substantial equivalent of those terms;
 - b. An order of a self-regulatory organization finding a violation of federal law or a rule of the self-regulatory organization;

- c. A United States Postal Service fraud order;
 - d. A cease and desist or other administrative order entered after notice and opportunity for hearing by the commissioner, the securities agency or administrator of another state, or a Canadian province or territory, the Securities and Exchange Commission, or the Commodity Futures Trading Commission; or
 - e. An order by the Commodity Futures Trading Commission denying, suspending, or revoking registration under the Commodity Exchange Act;
- 7. Has engaged in dishonest or unethical practices in the securities business;
 - 8. Is insolvent, either in the sense that his liabilities exceed his assets or in the sense that he cannot meet his obligations as they mature; but the commissioner may not enter an order against a broker-dealer or investment adviser under this paragraph without a finding of insolvency as to the broker-dealer or investment adviser;
 - 9. Is not qualified on the basis of such factors as training, experience, or knowledge of the securities business, except as provided in paragraph (b) below; or the commissioner may by order, deny, suspend, or revoke any registration if he finds that the order is in the public interest and that the applicant or registrant:
 - a. Has failed reasonably to supervise his agents if he is a broker-dealer or his employees or investment adviser representatives if he is an investment adviser; or
 - b. Has failed to pay the proper filing fee; but the commissioner may enter only a denial order under this clause, and he shall vacate any such order when the deficiency has been corrected.
 - 10. Has violated the law of a foreign jurisdiction governing or regulating any aspect of the business of securities or banking; or within the past five (5) years, has been the subject of an action of a securities regulator or a foreign jurisdiction denying, revoking, or suspending the right to engage in the business of securities as a broker-dealer, agent, investment adviser, or investment adviser representative or is the subject of an action of any securities exchange or self-regulatory organization operating under the authority of the securities regulator of a state, federal, or foreign jurisdiction suspending or expelling the person from membership in the exchange or self-regulatory organization.

The commissioner may not institute a suspension or revocation proceeding on the basis of a fact or transaction known to him when registration became effective unless the proceeding is instituted within the next thirty (30) days; or

- (b) The following provisions govern the application of subparagraph 9. of paragraph (a) of this subsection:
 - 1. The commissioner may not enter an order against a broker-dealer on the basis of the lack of qualification of any person other than the broker-dealer himself if he is an individual or an agent of the broker-dealer;
 - 2. The commissioner may not enter an order against an investment adviser on the basis of the lack of qualification of any person other than the investment adviser himself if he is an individual or any other person who represents the investment adviser in doing any of the acts which make him an investment adviser;
 - 3. The commissioner may not enter an order solely on the basis of lack of experience if the applicant or registrant is qualified by training or knowledge or both;
 - 4. The commissioner shall consider that an agent who will work under the supervision of a registered broker-dealer need not have the same qualifications as a broker-dealer;
 - 5. The commissioner shall consider that an investment adviser is not necessarily qualified solely on the basis of experience as a broker-dealer or agent. When he finds that an applicant for initial or renewal registration as a broker-dealer is not qualified as an investment adviser or an investment adviser representative, he may by order condition the applicant's registration as a broker-dealer upon his not transacting business in this state as an investment adviser or an investment adviser representative;

6. The commissioner may by rule provide for an examination, which may be written or oral or both, to be taken by any class of or all applicants, as well as investment adviser representatives and persons who represent or will represent an investment adviser in doing any of the acts which make him an investment adviser.
- (c) The commissioner may by order summarily postpone an application for registration or suspend a registration pending final determination of any proceeding under this section. A summary suspension of an existing registration shall only be made based upon a finding by the commissioner that such action is in the public interest and that there is substantial evidence of a violation of law that constitutes an immediate danger to the public. KRS 13B.125 shall apply to the entry of a summary suspension of a registration. An appeal of a summary suspension shall address only the necessity of a summary action and shall not constitute an appeal of the merits of the underlying violation of the law. Upon the entry of the order, the commissioner shall promptly notify the applicant or registrant, as well as the employer or prospective employer if the applicant or registrant is an agent, that it has been entered and of the reasons therefor and that within fifteen (15) days after the receipt of a written request the matter will be set down for hearing. If no hearing is requested and none is ordered by the commissioner, the order will remain in effect until it is modified or vacated by the commissioner. If a hearing is requested or ordered, the commissioner, after notice of and opportunity for hearing, may modify or vacate the order or extend it until final determination.
- (d) If the commissioner finds that any registrant or applicant for registration is no longer in existence or has ceased to do business as a broker-dealer, agent, investment adviser, or investment adviser representative, or is subject to an adjudication of mental disability or to the control of a conservator or guardian, or cannot be located after reasonable search, the commissioner may by order cancel the registration or application.
- (e) Withdrawal from registration as a broker-dealer, agent, investment adviser, or investment adviser representative becomes effective thirty (30) days after receipt of an application to withdraw or within such shorter period of time as the commissioner may determine, unless a revocation or suspension proceeding is pending when the application is filed or a proceeding to revoke or suspend or to impose conditions upon the withdrawal is instituted within thirty (30) days after the application is filed. If a proceeding is pending or instituted, withdrawal becomes effective at such time and upon such conditions as the commissioner by order determines. If no proceeding is pending or instituted and withdrawal automatically becomes effective, the commissioner may nevertheless institute a revocation or suspension proceeding under subparagraph 2. of paragraph (a) of this subsection within one (1) year after withdrawal became effective and enter a revocation or suspension order as of the last date on which registration was effective. A notice filing may be withdrawn or terminated by providing notice of the withdrawal or termination, as the case may be, to the commissioner; the withdrawal or termination is effective upon receipt by the commissioner of the notice.
- (f) No order may be entered under any part of this section except the first sentence of paragraph (c) of this subsection without appropriate prior notice to the applicant or registrant (as well as the employer or prospective employer if the applicant or registrant is an agent or representative), opportunity for hearing, and written findings of fact and conclusions of law.
- (14) Notwithstanding subsection (1) of this section, any broker-dealer, agent, investment adviser or investment adviser representative, or transaction or class of transactions by such persons, for which the commissioner expressly by rule or order finds that registration is not necessary or appropriate in the public interest or for the protection of investors shall be exempt from registration under this section. The commissioner may require that persons exempted from registration under this provision file such forms and information for notice purposes and be bound by one (1) or several provisions of this section as the commissioner deems necessary and appropriate in the public interest or for the protection of investors and the commissioner may impose filing fees in connection therewith, provided however, that the amount of the fee shall not exceed the fee which would be due in the event the exempt person were required to obtain registration.

Section 38. KRS 292.410 is amended to read as follows:

- (c) Any nonissuer transaction effected by or through a registered broker-dealer pursuant to an unsolicited order or offer to buy; but the commissioner may by rule require that the customer acknowledge upon a specified form that the sale was unsolicited, and that a signed copy of each such form be preserved by the broker-dealer for a specified period;
- (d) Any transaction between the issuer or other person on whose behalf the offering is made and an underwriter, or among underwriters;
- (e) Any transaction in a bond or other evidence of indebtedness secured by a real or chattel first mortgage or deed of trust, or by an agreement for the sale of real estate or chattels, if the entire mortgage, deed of trust, or agreement, together with all the bonds or other evidences of indebtedness secured thereby, is offered and sold as a unit;

Any request to increase either or both of the conditions shall be made in writing to the commissioner before any sale in reliance on the requested increase and shall be accompanied by the following:

Upon entry of a summary order, the commissioner shall promptly notify all interested parties that it has been entered and of the reasons therefor and that within fifteen (15) days of the receipt of a written request the matter will be set down for hearing. Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 439.340 is amended to read as follows:

- (1) The board may release on parole persons confined in any adult state penal or correctional institution of Kentucky or sentenced felons incarcerated in county jails eligible for parole. All paroles shall issue upon order of the board duly adopted. As soon as practicable after his admission to an adult state penal or correctional institution or county jail if he is a sentenced felon, and at such intervals thereafter as it may determine, the Department of Corrections shall obtain all pertinent information regarding each prisoner, except those not eligible for parole. The information shall include his criminal record, his conduct, employment, and attitude in prison, and the reports of physical and mental examinations that have been made. The Department of Corrections shall furnish the circumstances of his offense and his previous social history to the institution and the board. The Department of Corrections shall prepare a report on any information it obtains. It shall be the duty of the Department of Corrections to supplement this report with any material the board may request and submit the report to the board.
- (2) Before granting the parole of any prisoner, the board shall consider the pertinent information regarding the prisoner and shall have him appear before it for interview and hearing. The board in its discretion may hold interviews and hearings for prisoners convicted of Class D felonies. The board in its discretion may request the parole board of another state confining prisoners pursuant to KRS 196.610 to interview eligible prisoners and make a parole recommendation to the board. A parole shall be ordered only for the best interest of society and not as an award of clemency, and it shall not be considered a reduction of sentence or pardon. A prisoner shall be placed on parole only when arrangements have been made for his proper employment or for his maintenance and care, and when the board believes he is able and willing to fulfill the obligations of a law abiding citizen.
- (3) The board shall adopt administrative regulations with respect to the eligibility of prisoners for parole, the conduct of parole and parole revocation hearings, or conditions to be imposed upon parolees. Regulations governing the eligibility of prisoners for parole shall be in accordance with professionally accepted ideas of correction and reform and may utilize in part objective, performance-based criteria; however, nothing herein contained shall preclude the board from utilizing its present regulations in conjunction with other factors involved that would relate to the inmate's needs and the safety of the public.
- (4) The board shall insure that sentenced felons confined in county jails are considered for parole within thirty (30) days of their parole eligibility date and the Department of Corrections shall provide the necessary assistance and information to the board in order for it to conduct timely parole reviews.
- (5) In addition to or in conjunction with each hearing conducted under subsection (2) of this section for any prisoner convicted of a Class A, B, or C felony and prior to the granting of a parole to any such prisoner, the parole board shall conduct a hearing of which the following persons shall receive not less than forty-five (45) nor more than ninety (90) days' notice: the Commonwealth's attorney who shall notify the sheriff of every county and the chief of police of every city and county in which the prisoner committed any Class A, B, or C felony for which he is imprisoned, and all identified victims of the crimes or the next of kin of any victim who is deceased. Notice to the Commonwealth's attorney shall be by mail to his business office. Notices received by chiefs of police and sheriffs shall be posted in a conspicuous location where police employed by the department may see it. Notices shall be posted in a manner and at a time that will allow officers to make comment thereon to the Parole Board. Notice to victims or their next of kin shall be made, for prisoners incarcerated prior to July 15, 1986, by mail to the Commonwealth's attorney who shall forward the notice promptly to the victims or their next of kin at their last known address. For prisoners incarcerated on or after

July 15, 1986, notice to the victims or their next of kin shall be by mail from the Parole Board to their last known address as provided by the Commonwealth's attorney to the Parole Board at the time of incarceration of the prisoner. ***Notice to the victim or the next of kin of subsequent considerations for parole after the initial consideration shall not be sent if the victim or the next of kin gives notice to the board that he or she no longer wants to receive such notices.*** The notice shall include the time, date, and place of the hearing provided for in this subsection, and the name and address of a person to write if the recipient of the notice desires to attend the hearing or to submit written comments.

- (6) Persons receiving notice as provided for in subsection (5) of this section may submit comments, in person or in writing, to the board upon all issues relating to the parole of the prisoner. The board shall read and consider all comments prior to making its parole decision, if they are received by the board not less than seven (7) days before the date for the hearing. The board shall retain all comments in the prisoner's permanent Parole Board file, and shall consider them in conjunction with any subsequent parole decisions affecting the prisoner. In addition to officers listed in subsection (5) of this section, the crime victims or the next of kin of any victim who is deceased or who is disabled and cannot attend the hearing or the parent or legal guardian of any victim who is a minor may attend the hearing provided for in subsection (5) of this section and present oral and written comments upon all issues relating to the parole of the prisoner, if they have advised the board, in writing received by the board not less than seven (7) days prior to the date set for the hearing, of their intention to attend the hearing. The board shall receive and consider all comments, shall make a record of them which it shall retain in the prisoner's permanent Parole Board file, and shall consider them in conjunction with any subsequent parole decision affecting the prisoner. Persons appearing before the Parole Board pursuant to this subsection may elect to make their presentations outside of the presence of the prisoner.
- (7) Victims of Class D felonies may submit comments in person or in writing to the board upon all issues relating to the parole of a prisoner.
- (8) Any hearing provided for in subsections (5), (6), and (7) of this section shall be open to the public unless the persons having a right to appear before the board as specified in those subsections request closure of hearing for reasons of personal safety, in which event the hearing shall be closed. The time, date, and location of closed hearings shall not be disclosed to the public.
- (9) Except as specifically set forth in this section, nothing in this section shall be deemed to expand or abridge any existing rights of persons to contact and communicate with the Parole Board or any of its members, agents, or employees.
- (10) The unintentional failure by the Parole Board, sheriff, chief of police, or any of its members, agents, or employees or by a Commonwealth's attorney or any of his agents or employees to comply with any of the provisions of subsections (5), (6), and (8) of this section shall not affect the validity of any parole decision or give rise to any right or cause of action by the crime victim, the prisoner, or any other person.
- (11) No eligible sexual offender within the meaning of KRS 197.400 to 197.440 shall be granted parole unless he has successfully completed the Sexual Offender Treatment Program.
- (12) Any prisoner who is granted parole after completion of the Sexual Offender Treatment Program shall be required, as a condition of his parole, to participate in regular treatment in a mental health program approved or operated by the Department of Corrections.
- (13) When an order for parole is issued, it shall recite the conditions thereof.

- (2) Effective on the first Monday in January of 1999, the maximum salary of county judges/executive, county clerks, jailers who operate a full service jail, and sheriffs shall be fixed by the Department for Local

The salary schedule provides that these officials, as officers whose jurisdiction or duties are coextensive with the Commonwealth, shall be paid at a rate no greater than twelve thousand dollars (\$12,000) per annum as adjusted for any increase or decrease in the consumer price index and as described in subsection (4) of this section.

- (3) The salary schedule for county judges/executive, county clerks, jailers who operate a full service jail, and sheriffs in all counties provides for nine (9) levels of salary based upon the population of the county in the year prior to the election of county officials as determined by the United States Department of Commerce, Bureau of the Census's annual estimates. To implement the salary schedule, the Department for Local Government shall, by November 1 of each year preceding the election of county officials, certify for each county the population group applicable to each county based on the most recent estimates of the United States Department of Commerce, Bureau of the Census. For the purposes of this section, the salary schedule for county judges/executive, county clerks, jailers who operate a full service jail, and sheriffs shall remain as determined by the Department for Local Government pursuant to this section, regardless of changes in the population estimates or the actual census count that may occur during the term for which the official has been elected or appointed. The salary schedule provides four (4) steps for yearly increments within each population group. County officers named in this section shall be paid according to the first step within their population group for the first year or portion thereof they serve in office. Thereafter, each officer, on January 1 of each subsequent year, shall be advanced automatically to the next step in the salary schedule until the maximum salary figure for the population group is reached. If an officer fails, without good cause as determined by the commissioner of the Department for Local Government, to obtain the minimum amount of approved training in any year, the officer shall lose all training incentives previously accumulated. Each training unit shall be approved and certified by the Department for Local Government. No officer shall receive more than one (1) training unit per calendar year nor more than four (4) incentive payments per calendar year. Each officer shall be allowed to carry forward up to forty (40) hours of training credit into the following calendar year for the purpose of satisfying the minimum amount of training for that year. Each annual incentive payment shall be adjusted by the Department for Local Government on an annual basis for any increase or decrease in the consumer price index in the same manner as salaries are adjusted as described in subsection (4) of this section. The Department for Local Government shall promulgate administrative regulations in accordance with KRS Chapter 13A to establish guidelines for the approval and certification of training units.
- (7) Except in counties that contain an urban-county form of government, justices of the peace who serve on fiscal courts, ~~and~~ county commissioners, *and jailers who operate life safety jails, jailers who are part of a transportation plan, or jailers who act as court bailiff* shall also be eligible for the training incentive payments in accordance with subsection (6) of this section.

 - (b) In addition to the assessment imposed in paragraph (a) of this subsection, an additional Kentucky coal workers' pneumoconiosis fund assessment at the rate of two and one-half cents (\$0.025) per ton is hereby imposed upon the total annual amount of tons of coal severed on or after January 1, 1997, through December 31, 1997, by every entity engaged in the severance of coal as required pursuant to KRS Chapter 143.

The assessment rate authorized by this section for premiums received and tons of coal severed shall be set so as to receive fifty percent (50%) of the needed revenue from each assessment. Notice of any rate changes shall be provided no later than December 1 of the year preceding the rate change.
- (4) ~~(5)~~ All assessments imposed by this section shall be paid to the Kentucky Workers' Compensation Funding Commission and shall be credited to a separate account within the benefit reserve fund within the Kentucky Workers' Compensation Funding Commission. In addition, the powers and responsibilities of the Kentucky Workers' Compensation Funding Commission including its fiduciary duties and responsibilities relating to assessments collected for the special fund pursuant to KRS 342.122, 342.1222, 342.1223, 342.1226, 342.1229, and 342.1231 shall apply to assessments collected for the Kentucky coal workers' pneumoconiosis fund created pursuant to this section. Each entity subject to assessments for the Kentucky coal workers' pneumoconiosis

fund shall provide any and all information requested by the Kentucky Workers' Compensation Funding Commission necessary to carry out its powers and responsibilities relating thereto.

- (5)~~(6)~~ These assessments shall be paid quarterly not later than the thirtieth day of the month following the end of the quarter in which the premium is received or the coal is processed or severed. Receipt shall be considered timely through actual physical receipt or by postmark by the United States Postal Service. Employers carrying their own risk and employers defined in KRS 342.630(2) shall pay the annual assessments in four (4) equal quarterly installments. Penalty and interest penalties imposed pursuant to KRS 342.1221 and the authority of the Kentucky Workers' Compensation Funding Commission to waive part or all of the penalty shall apply to assessments for the Kentucky coal workers' pneumoconiosis fund in the same manner and amount as they are imposed on assessments for the special fund under KRS 342.122.
- (6)~~(7)~~ Notwithstanding any other provisions of this section or this chapter to the contrary, the total amount of funds collected pursuant to the assessment rates adopted by the funding commission shall not be limited to the provisions of this section.
- (7)~~(8)~~ Claims for benefits by reason of the development of coal workers' pneumoconiosis shall be maintained pursuant to KRS 342.732, and the Kentucky coal workers' pneumoconiosis fund shall be liable for payment of a part of the liability only for employees of employers engaged in the severance or processing of coal as defined in KRS 342.0011(23)(a) and (b).

Section 3. KRS 342.232 is amended to read as follows:

- (1) The boards of directors of the following funds shall make quarterly reports according to generally-accepted accounting principles of all money received and disbursed by the listed funds during each quarter to the Legislative Research Commission. The funds which shall be reported are:

 - (b) Kentucky group self-insurance fund; and
 - (c) Kentucky coal employers self-insurance fund.
- (2) The director of the Division of **Workers' Compensation Funds**~~[the Kentucky Coal Workers' Pneumoconiosis Fund]~~ shall make quarterly reports according to generally-accepted accounting principles of all money received and disbursed by the **coal workers' pneumoconiosis fund**~~[during each quarter]~~ to the Legislative Research Commission.
- (3) The Department of Workers' Claims shall make quarterly reports to the Legislative Research Commission on the status of the provisions of this chapter.

Section 4. KRS 342.265 is amended to read as follows:

- (1) If the employee and employer and special fund or any of them reach an agreement conforming to the provisions of this chapter in regard to compensation, a memorandum of the agreement signed by the parties or their representatives shall be filed with the commissioner, and, if approved by an administrative law judge, shall be enforceable pursuant to KRS 342.305. Where all parties have not joined in the settlement agreement, it shall not be approved unless it is certified that the party not participating in the settlement has been served with a copy of the agreement not less than ten (10) days prior to submission of the agreement for approval. This provision shall not be construed to prevent the voluntary payment of compensation for the periods and in the amounts prescribed by this chapter, but nothing shall operate as a final settlement except a memorandum of agreement filed with the commissioner and approved by the administrative law judge. Upon claims settled after December 12, 1996, the special fund shall have the option of settling its liability for income benefits on the same terms as those reached between the employee and employer. Notice of the special fund exercise of the option granted in this subsection shall be made by letter of the director of the **Division of Workers' Compensation Funds**~~[special fund]~~ mailed to the parties within ten (10) days of receipt by the director of a copy of the agreement.
- (2) Settlement agreements concluded after July 14, 2000, providing for commuted lump-sum payment of future income benefits which would otherwise be payable in amounts greater than one hundred dollars (\$100) per week shall not be approved unless there is reasonable assurance that the worker will have an adequate source of income during disability. This subsection is remedial and applies to all pending and future claims.
- (3) Upon lump-sum settlement of future periodic payments, the discount rate used in the calculation of the settlement amount shall not exceed a reasonable amount fixed by the commissioner. For settlements approved

after December 12, 1996, until December 31, 1997, the true discount rate shall be six percent (6%) compounded annually on each payment. Before January 1 of each year commencing in 2001, the commissioner shall fix the discount rate to be utilized in the succeeding year based at one-half of one percent (0.5%) below the interest rate paid upon ten (10) year United States Treasury Notes as of August 1 of the preceding year.

- (4) If the parties have previously filed an agreement which has been approved by the administrative law judge, and compensation has been paid or is due in accordance therewith and the parties thereafter disagree, either party may invoke the provisions of KRS 342.125, which remedy shall be exclusive.
- (5) An application for resolution of claim shall be held in abeyance during any period voluntary payments of income benefits are being made under any benefit sections of this chapter to the maximum which the employee's wages shall entitle unless it shall be shown that the prosecution of the employee's claim would be prejudiced by delay.

Section 5. KRS 342.320 is amended to read as follows:

- (1) All fees of attorneys and physicians, and all charges of hospitals under this chapter, shall be subject to the approval of an administrative law judge pursuant to the statutes and administrative regulations.
- (2) In an original claim, attorney's fees for services under this chapter on behalf of an employee shall be subject to the following maximum limits:
 - (a) Twenty percent (20%) of the first twenty-five thousand dollars (\$25,000) of the award, fifteen percent (15%) of the next ten thousand dollars (\$10,000), and five percent (5%) of the remainder of the award, not to exceed a maximum fee of twelve thousand dollars (\$12,000). This fee shall be paid by the employee from the proceeds of the award or settlement.
 - (b) Attorney-client employment contracts entered into and signed after July 14, 2000, shall be subject to the conditions of paragraph (a) of this subsection.
- (3) In approving an allowance of attorney's fees, the administrative law judge shall consider the extent, complexity, and quality of services rendered, and in the case of death, the Remarriage Tables of the Dutch Royal Insurance Institute. An attorney's fee may be denied or reduced upon proof of solicitation by the attorney. However, this provision shall not be construed to preclude advertising in conformity with standards prescribed by the Kentucky Supreme Court.
- (4) No attorney's fee in any case involving benefits under this chapter shall be paid until the fee is approved by the administrative law judge, and any contract for the payment of attorney's fees otherwise than as provided in this section shall be void. The motion for approval of an attorney's fee shall be submitted within thirty (30) days following finality of the claim. Except when the attorney's fee is to be paid by the employer or carrier, the attorney's fee shall be paid in one (1) of the following ways:
 - (a) The employee may pay the attorney's fee out of his personal funds or from the proceeds of a lump-sum settlement; or
 - (b) The administrative law judge, upon request of the employee, may order the payment of the attorney's fee in a lump sum directly to the attorney of record and deduct the attorney's fee from the weekly benefits payable to the employee in equal installments over the duration of the award or until the attorney's fee has been paid, commuting sufficient sums to pay the fee.
- (5) At the commencement of the attorney-client relationship, the attorney shall explain to the employee the methods by which this section provides for the payment of the attorney's fee, and the employee shall select the method in which his attorney's fee is to be paid. His selection and statement that he fully understands the method to be used shall be submitted by his attorney, on a notarized form signed by the employee, at the time the motion for approval of the attorney's fee is submitted. The commissioner shall develop the format and content of the form to be used pursuant to this section. The form to be used shall list on its face all options permitted in this section for the payment of an attorney's fees and contain an explanation in nontechnical language of each method.
- (6) The General Assembly declares that by the enactment of KRS 342.316(3), it is the legislative intent to encourage settlement and prompt administrative handling of those claims and thereby reduce expenses to claimants for compensation under the provisions of KRS 342.316, and the administrative law judge shall give

due regard to this legislative intent in the handling of uncontested claims and the allowance of attorney's fees therein.

- (7) In a claim that has been reopened pursuant to the provisions of this chapter, an attorney's fee may be awarded by the administrative law judge subject to the limits set forth in subsection (2) of this section. In awarding the attorney's fee, the administrative law judge shall consider the factors set forth in subsection (3) of this section. If no additional amount is recovered upon reopening, no attorney's fee shall be awarded. No attorney's fee shall be allowed or approved exceeding the amounts provided in subsection (2)(a) of this section applicable to any additional amount recovered.
- (8) Attorney's fees for representing employers in proceedings under this chapter pursuant to contract with the employer shall be subject to approval of the administrative law judge in the same manner as prescribed for attorney representation of employees. Employer attorney's fees are subject to the limitation of twelve thousand dollars (\$12,000) maximum fees except that fees for representing employers shall not be dependent upon the result achieved. Employer attorney's fees may be paid on a periodic basis while a claim is adjudicated and the payments need not be approved until the claims resolution process is completed. Fees for legal services in presenting a claim for reimbursement ~~from the director of~~ the Kentucky coal workers' pneumoconiosis fund shall not exceed one thousand dollars (\$1,000). All such approved fees shall be paid by the employer and in no event shall exceed the amount the employer agreed by contract to pay.

Section 6. KRS 336.020 is amended to read as follows:

- (1) The Department of Workplace Standards shall be headed by a commissioner and shall be divided for administrative purposes into the Divisions of Employment Standards, Apprenticeship and Training; **Workers' Compensation Funds**~~Special Fund~~; Occupational Safety and Health Compliance; and Education and Training for Occupational Safety and Health.
- (2) The Department of Workers' Claims shall be administered by a commissioner and shall be divided for administrative purposes into the Divisions of Claims Processing and Appeals, Information and Research, Security and Compliance, Administrative Law Judges, and Insurance.

Section 7. KRS 342.1241 is amended to read as follows:

- (1) The General Assembly finds and declares that the awards of workers' compensation benefits for coal workers' pneumoconiosis (black lung) have placed a substantial financial burden on all employers of the Commonwealth through the special fund assessments imposed on all employers to cover the liabilities of the special fund.
- (2) The General Assembly finds and declares that the purpose of creating the Kentucky Coal Workers' Pneumoconiosis Fund in KRS 342.1242 is to assure that liabilities incurred as a result of workers' compensation awards for coal workers' pneumoconiosis with dates of last exposure after December 12, 1996, shall be the financial responsibility of employers engaged in severance and processing of coal.
- (3) Therefore, it is the intent of the General Assembly in imposing the assessments required in KRS 342.1242(3)~~(4)~~(a) and (b) to assure that liabilities incurred as a result of workers' compensation awards for coal workers' pneumoconiosis with dates of last exposure after December 12, 1996, shall be the financial responsibility of employers engaged in the severance and processing of coal.

Section 8. The General Assembly hereby confirms Executive Order 2001-1294, dated October 17, 2001, which abolishes the Division of the Kentucky Coal Workers' Pneumoconiosis Fund; transfers the duties, personnel, funds, equipment and records of the Division of the Kentucky Coal Workers' Pneumoconiosis Fund to the Division of the Special Fund, and changes the name of the Division of the Special Fund to the Division of Workers' Compensation Funds, to the extent it is not otherwise confirmed by this Act.

CHAPTER 248

(SB 138)

AN ACT relating to property tax and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 134.450 is amended to read as follows:

- (1) The sheriff shall sell all tax claims for which payment by the delinquent taxpayer has not been made by the closing date for the acceptance by the sheriff of offers to purchase delinquent tax claims. If there is more than one (1) willing purchaser who has made an offer, the one having made the most recent purchase of a tax claim against the same delinquent or the same property shall have preference; if there is no such person, the person being the first, in the judgment of the sheriff, to offer to pay cash in the full amount of the tax claim shall receive priority for the purchase of the tax claim. If the total of all offers to purchase exceeds ten percent (10%) of the total dollar amount of the delinquent bills offered for sale, or the sum of two hundred thousand dollars (\$200,000), whichever is less, the sheriff shall notify the Finance and Administration Cabinet of the offers of purchase within five (5) business days of the closing date when the offers were received. Upon receipt of the notice, the Finance and Administration Cabinet shall purchase the delinquent tax bills upon which the sheriff has received an offer of purchase and shall tender payment to the sheriff within fifteen (15) business days of the receipt of the sheriff's notice. Upon purchase of the tax claims, the state shall be the owner of the tax bills and may contract with the county attorney to collect all amounts due on its behalf under the terms and conditions of the county attorney's contract with the Revenue Cabinet to collect delinquent taxes. If the county attorney has not contracted with the Revenue Cabinet to collect delinquent taxes, the Revenue Cabinet shall collect all amounts due on behalf of the Finance and Administration Cabinet. If the Finance and Administration Cabinet does not purchase all of the delinquent tax bills, within fifteen (15) days of the closing date, the sheriff shall complete the sale of those tax claims for which the sheriff has received responsible offers to purchase. When a sale is made the tax bill shall be known as a certificate of delinquency and the sheriff shall inscribe thereon the date of sale, the sale price, and the name and address of the purchaser, in the place and manner prescribed by the Revenue Cabinet, and the purchaser shall be entitled to a certified copy of the certificate of delinquency.
- (2) If no responsible offer in the amount of the tax claim is received, the sheriff shall purchase it for the state, county, and taxing districts having an interest in the tax claim. In such case, the tax bill shall also be known as a certificate of delinquency, and the sheriff shall inscribe thereon the same information required when one other than the state, county, or taxing district is the purchaser.
- (3) The sheriff shall file all certificates of delinquency in the county clerk's office immediately upon completion of the tax sale, ***or in a county containing a city of the first class or consolidated local government, within fourteen (14) working days of the sale,*** and the clerk shall retain them. The county clerk shall acknowledge receipt of the certificates by signing a receipt form that has been prepared in a manner prescribed by the Revenue Cabinet. If the sheriff fails to file the certificates, he shall be liable on his official bond for the aggregate amount of the certificates not returned, but the claim of the purchaser shall not be affected by this neglect. If the sheriff fails to return any certificate, the purchaser may file his certified copy with the clerk, with the same effect as the original.

- (4) The clerk shall make, execute, and deliver a certified copy of a certificate of delinquency to the payor, or the clerk may provide for a certified electronic register of the certificates of delinquency in the clerk's record in lieu of delivering a certified copy of the certificate of delinquency.
- (5) The certificate of delinquency is assignable by endorsement. The clerk shall note the assignment on the certificate of delinquency or the clerk may provide for a certified electronic certificate of delinquency in the clerk's records in lieu of delivering a certified copy of the certificate of delinquency. An assignment when noted on the record in the office of the county clerk vests in the assignee all rights and title of the original purchaser.

Section 2. KRS 134.500 is amended to read as follows:

- (1) Uncollectible tax claims shall bear interest at twelve percent (12%) per annum simple interest from the date the certificate of delinquency is issued. A fraction of a month is counted as an entire month. The sheriff's add-on fee provided in KRS 134.430, the clerk's add-on fee provided in KRS 134.480, and the county attorney's add-on fee provided in this section shall be excluded from the interest calculation ***except in counties containing cities of the first class or consolidated local government***. All tax bills on omitted property that were not turned over to the sheriff in time to be collected or to make the sale provided for in KRS 134.430 and 134.440 shall also be submitted to the fiscal court but shall be carried over as a charge against the sheriff at the time he makes his next regular settlement.
- (2) The cabinet shall be responsible for the collection of certificates of delinquency and delinquent personal property tax bills; however, the cabinet shall first offer the collection duties to the county attorney, unless the cabinet determines that the county attorney has previously failed to perform collection duties in a reasonable and acceptable manner. Any county attorney desiring to perform the duties associated with the collection of delinquent tax claims shall enter into a contract with the cabinet on an annual basis. The terms of the contract shall specify the duties to be undertaken by the county attorney. These duties shall include but are not limited to the following actions:
 - (a) Within fifty (50) days after the issuance of a certificate of delinquency to the state, county, and taxing district, the county attorney or the Revenue Cabinet shall cause a notice of the purchase to be mailed by regular mail to the property owner at the address on the records of the property valuation administrator. The notice shall advise the owner that the certificate is a lien of record against all property of the owner, and bears interest at the rate of twelve percent (12%) per annum, and if not paid will be subject to collection by the county attorney as provided by law.
 - (b) The county attorney shall file in the office of the county clerk a list of the names and addresses to which the notice was mailed along with a certificate that the notice was mailed in accordance with the requirements of this section.
 - (c) All notices returned as undeliverable shall be submitted to the property valuation administrator. The property valuation administrator shall attempt to correct inadequate or erroneous addresses and, if property has been transferred, shall determine the new owner and the current mailing address. The property valuation administrator shall return the notices with the corrected information to the county attorney prior to the expiration of the one (1) year tolling period provided in KRS 134.470.
 - (d) Within ninety (90) days after the expiration of the one (1) year tolling period provided in KRS 134.470, the county attorney shall cause a notice of his intention to enforce the lien to be mailed to all owners whose tax bills remain delinquent. No second notice shall be required for addresses previously determined to be undeliverable and for which the property valuation administrator has not provided corrected information.
 - (e) Failure to mail the notices shall not affect the validity of the claim of the state, county, and taxing district. The postal cost of mailing the notices shall be added to the certificate of delinquency and, upon collection, the county attorney shall be reimbursed for the postage. The county attorney shall deliver at the same time a list of the owners whose tax bills remain delinquent to the property valuation administrator. The property valuation administrator shall review this list in accordance with the provisions of KRS 132.220 to establish that the properties on the list can be identified and physically located.
- (3) The county attorney who enters into a contract with the cabinet shall have a period of two (2) years after the expiration of the one (1) year tolling period provided in KRS 134.470 to collect delinquent tax bills or to

initiate court action for their collection. At the expiration of the two (2) years the cabinet may assume responsibility for all uncollected bills except those with pending court action.

- (4) The county attorney who enters into a contract with the cabinet and performs his duties in respect to the certificate of delinquency and delinquent personal property tax bills shall be entitled to twenty percent (20%) of the amount due each taxing unit, whether the tax claim is voluntarily paid or is paid through sale or under court order, and the fee shall be paid to him by the county clerk when making distribution, as provided in KRS 134.480. This fee shall be added to the amount of the tax claims and paid by the persons paying the tax claims. They shall not be paid by the taxing districts or deducted from the taxes due the taxing districts. This fee shall be waived if the certificate of delinquency is paid by the taxpayer only within five (5) days of the sheriff's sale. If more than one (1) county attorney renders necessary services in an effort to collect a tax claim, the attorney serving the last notice or rendering the last substantial service preceding collection shall be entitled to the fee. When the county attorney's office, in an effort to collect a certificate of delinquency, or delinquent personal property tax bills files a court action which is litigated by the taxpayer, an additional county's attorney fee equal to thirteen percent (13%) of the total tax plus ten percent (10%) penalty, may be added to the certificate or the bill and shall become part of the tax claim.
- (5) If a county attorney chooses not to contract for these collection duties or if a county attorney fails to perform the duties required by the contract, the cabinet shall assume responsibility for the collection process. In the performance of those duties, the cabinet shall have all the powers, rights, duties, and authority with respect to the collection, refund, and administration of the amount due on the certificate of delinquency conferred generally upon the cabinet by Kentucky Revised Statutes including, but not limited to, KRS Chapters 131, 134, and 135. The twenty percent (20%) fee that would have otherwise been paid to the county attorney shall be paid to the cabinet for deposit in the delinquent tax fund provided for under KRS 134.400.
- (6) Any action on behalf of the state, county, and taxing districts authorized by this section or by KRS 134.470, 134.490, or 134.540 shall be filed on relation of the secretary, and the petition may be sent to the cabinet, which may require revision in instances where it deems revision or amendment necessary. The cabinet shall advise the county attorney in all actions, and may send him special assistance when the secretary deems assistance necessary. A copy of the judgment shall also be sent to the cabinet. If the cabinet sends assistance to a county attorney who contracts to prosecute the suits or proceedings, the county attorney shall be entitled to his full fee. On the same day that suit is filed, the county clerk shall be given notice of its filing. Costs incident to the suit shall become a part of the tax claim.
- (7) The cabinet may make its delinquent tax collection databases and other technical resources, including but not limited to income tax refund offsetting, available to the county attorney upon request from the county attorney. The county attorney seeking assistance shall enter into any agreements required by the cabinet to protect taxpayer confidentiality, to ensure database integrity, or to address other concerns of the cabinet.
- (8) The county attorney may, at any time after assuming collection duties, enter into an agreement with the delinquent taxpayer to accept installment payments on the delinquent tax bill. The agreement shall not waive the county attorney's right to initiate court action or other authorized collection activities if the taxpayer does not make payments in accordance with the agreement.

Section 3. Whereas the sheriff's sale of tax claims occurs before the effective date of this Act, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

 - (a) Has committed a public offense prior to his *or her* eighteenth birthday, except a motor vehicle offense involving a child sixteen (16) years of age or older. A child sixteen (16) years of age or older taken into custody upon the allegation that *the child*~~he~~ has committed a motor vehicle offense shall be treated as an adult and shall have the same conditions of release applied to him *or her* as an adult. A child taken into custody upon the allegation that he *or she* has committed a motor vehicle offense who is not released under conditions of release applicable to adults shall be held, pending his *or her* appearance before the District Court, in a ~~secure juvenile detention facility or a juvenile holding~~ facility *as defined in Section 1 of this Act*~~or, if neither is available, in an intermittent holding facility~~. Children sixteen (16) years of age or older who are convicted of, or plead guilty to, a motor vehicle offense shall, if sentenced to a term of confinement, be placed in a ~~secure juvenile detention facility or a juvenile holding~~ facility *for that period of confinement preceding their eighteenth birthday and an adult detention facility for that period of confinement subsequent to their eighteenth birthday*.  - (11) Except as provided in KRS 635.060(3), nothing in this chapter shall confer upon the District Court jurisdiction over the actions of the Department of Juvenile Justice or the cabinet in the placement, care, or treatment of a child committed to the Department of Juvenile Justice or the cabinet; or to require the department or the cabinet to perform, or to refrain from performing, any specific act in the placement, care, or treatment of any child committed to the department or the cabinet.
 - (12) Unless precluded by KRS Chapter 635 or 640, in addition to informal adjustment, the court shall have the discretion to amend the petition to reflect jurisdiction pursuant to the proper chapter of the Kentucky Unified Juvenile Code.
 - (13) The court shall have continuing jurisdiction over a child pursuant to subsection (1) of this section, to review dispositional orders, and to conduct permanency hearings under 42 U.S.C. sec. 675(5)(c) until the child is

Upon review of the child's case, the Department of Juvenile Justice, the cabinet, any agency, facility, or individual responsible for the supervision, care, or treatment of the child shall divulge and communicate such information regarding the child as the court may require.
- (3) Except as otherwise provided by KRS Chapter 640 relating to youthful offenders, and KRS 610.110, 620.140, 635.060, ~~635.090~~ **or 635.515** relating to extending commitment beyond the age of eighteen (18), an order of commitment, temporary custody, or an order of protective supervision or probation made by the court in the case of a child shall be terminated when the child attains the age of eighteen (18). At least fourteen (14) days prior to the committed child's eighteenth birthday, the Department of Juvenile Justice or the cabinet shall prepare a summary of the information concerning the child and submit it with written notification to the committing court that a child's commitment is due to expire.

Probable cause may be established in the same manner as in a preliminary hearing in cases involving adults accused of felonies. The child shall be afforded the right to confront and cross-examine witnesses. The Commonwealth shall bear the burden of proof, and if it should fail to establish probable cause, the child shall be released and the complaint or petition dismissed unless the court determines further detention is necessary to assure the appearance of the child in court on another pending case;
 - (b) In determining whether a child should be further detained, the court shall consider the seriousness of the alleged offense, the possibility that the child would commit an offense dangerous to himself or the community pending disposition of the alleged offense, the child's prior record, if any, and whether there are other charges pending against the child.
- ~~(2)~~~~(3)~~ If, after completion of the detention hearing, the court is of the opinion that detention is necessary, the order shall state on the record the specific reasons for detention.

Section 15. KRS 635.020 is amended to read as follows:

- (1) If, prior to an adjudicatory hearing, there is a reasonable cause to believe that a child before the court has committed a felony other than those described in subsections (2) and (3) of this section, a misdemeanor, or a violation, the court shall initially proceed in accordance with the provisions of this chapter.
- (2) If a child charged with a capital offense, Class A felony, or Class B felony, had attained age fourteen (14) at the time of the alleged commission of the offense, the court shall, upon motion of the county attorney made prior to adjudication, and after the county attorney has consulted with the Commonwealth's attorney, that the child be proceeded against as a youthful offender, proceed in accordance with the provisions of KRS 640.010.

- (3) If a child charged with a Class C or Class D felony has on one (1) prior separate occasion been adjudicated a public offender for a felony offense and had attained the age of sixteen (16) at the time of the alleged commission of the offense, the court shall, upon motion of the county attorney made prior to adjudication, and after the county attorney has consulted with the Commonwealth's attorney, that the child be proceeded against as a youthful offender, proceed in accordance with the provisions of KRS 640.010.
- (4) Any other provision of KRS Chapters 610 to 645 to the contrary notwithstanding, if a child charged with a felony in which a firearm, whether functional or not, was used in the commission of the offense had attained the age of fourteen (14) years at the time of the commission of the alleged offense, he shall be transferred to the Circuit Court for trial as an adult if, following a preliminary hearing, the District Court finds probable cause to believe that the child committed a felony, that a firearm was used in the commission of that felony, and that the child was fourteen (14) years of age or older at the time of the commission of the alleged felony. If convicted in the Circuit Court, he shall be subject to the same penalties as an adult offender, except that until he reaches the age of eighteen (18) years, he shall be confined in a ~~secure detention~~ facility **or program** for juveniles or for youthful offenders, unless the provisions of KRS 635.025 apply or unless he is released pursuant to expiration of sentence or parole, and at age eighteen (18) he shall be **returned to the sentencing Circuit Court for proceedings consistent with KRS 640.030(2)**~~transferred to an adult facility operated by the Department of Corrections to serve any time remaining on his sentence~~.
- (5) If a child previously convicted as a youthful offender under the provisions of KRS Chapter 640 is charged with a felony allegedly committed prior to his eighteenth birthday, the court shall, upon motion of the county attorney made prior to adjudication, and after the county attorney has consulted with the Commonwealth's attorney, that the child be proceeded against as a youthful offender, proceed in accordance with the provisions of KRS 640.010.
- (6) A child who is charged as is provided in subsection (2) of this section and is also charged with a Class C or D felony, a misdemeanor, or a violation arising from the same course of conduct shall have all charges included in the same proceedings; and the court shall, upon motion of the county attorney made prior to adjudication, and after the county attorney has consulted with the Commonwealth's attorney, that the child be proceeded against as a youthful offender, proceed in accordance with the provisions of KRS 640.010.
- (7) If a person who is eighteen (18) or older and before the court is charged with a felony that occurred prior to his eighteenth birthday, the court shall, upon motion of the county attorney made prior to adjudication, and after the county attorney has consulted with the Commonwealth's attorney, that the child be proceeded against as a youthful offender, proceed in accordance with the provisions of KRS 640.010.
- (8) All offenses arising out of the same course of conduct shall be tried with the felony arising from that course of conduct, whether the charges are adjudicated under this chapter or under KRS Chapter 640 and transferred to Circuit Court.

Section 16. KRS 635.060 is amended to read as follows:

If in its decree the juvenile court finds that the child comes within the purview of this chapter, the court, at the dispositional hearing, may:

- (1) Order the child or his parents, guardian, or person exercising custodial control to make restitution or reparation to any injured person to the extent, in the sum and upon the conditions as the court determines. However, no parent, guardian, or person exercising custodial control shall be ordered to make restitution or reparation unless the court has provided notice of the hearing, provided opportunity to be heard, and made a finding that the person's failure to exercise reasonable control or supervision was a substantial factor in the child's delinquency; or
- (2) Place the child on probation, home incarceration, or under supervision in the child's own home or in a suitable home or boarding home, upon the conditions that the court shall determine. A child placed on probation, home incarceration, or supervision shall be subject to the visitation and supervision of a probation officer or an employee of the Department of Juvenile Justice **and, unless the court's order contains a specific sanction to be imposed in the event that a violation of probation occurs, a violation of probation may result in commitment.** Except as provided in KRS 635.083, a child placed on probation, home incarceration, or supervision shall remain subject to the jurisdiction of the court until the child becomes eighteen (18) years of age, unless the child is discharged prior thereto by the court, except that if a person is placed on probation,

home incarceration, or supervision after the person reaches the age of seventeen (17) years and six (6) months, the probation, home incarceration, or supervision shall be for a period not to exceed one (1) year; or

- (3) Commit or recommit the child to the custody or guardianship of the Department of Juvenile Justice, a child-caring facility, a child-placing agency authorized to care for the child, or place the child under the custody and supervision of a suitable person. If the child is detained in an approved secure juvenile detention facility ~~or~~ juvenile holding facility ~~or intermittent holding facility~~ in accordance with KRS 15A.200 to 15A.240 at the time the child is committed or recommitted to the custody of the Department of Juvenile Justice, the Department of Juvenile Justice shall accept physical custody of the child, remove the child from the approved secure juvenile detention facility or juvenile holding facility, and secure appropriate placement as soon as possible but not to exceed thirty-five (35) days of the time of commitment or recommitment. The Department of Juvenile Justice shall pay for the cost of detention from the date of commitment or recommitment, on the current charge, until the child is removed from the detention facility and placed. All orders of commitment may include advisory recommendations the court may deem proper in the best interests of the child and of the public. The commitment or placement shall be until the age of eighteen (18), subject to KRS 635.070 and to the power of the court to terminate the order and discharge the child prior thereto, except that if the commitment or placement is after a person has reached the age of seventeen (17) years and six (6) months, the commitment or placement shall be for an indeterminate period not to exceed one (1) year. The court, in its discretion, upon motion by the child and with the concurrence of the Department of Juvenile Justice, may authorize an extension of commitment up to age twenty-one (21) to permit the Department of Juvenile Justice to assist the child in establishing independent living arrangements; or
- (4) If the child is fourteen (14) years of age but less than sixteen (16) years of age, order that the child be confined in an approved secure juvenile detention facility, juvenile holding facility, or approved detention program as authorized by the Department of Juvenile Justice in accordance with KRS Chapter 15A for a period of time not to exceed forty-five (45) days; or
- (5) If the child is sixteen (16) years of age or older, order that the child be confined in an approved secure juvenile detention facility, juvenile holding facility, or approved detention program as authorized by the Department of Juvenile Justice in accordance with KRS Chapter 15A for a period of time not to exceed ninety (90) days; or

The Department of Juvenile Justice shall pay for the confinement of children confined pursuant to subsections (4) or (5) of this section in accordance with the statewide detention plan and administrative regulations implementing the plan.

Section 17. KRS 635.085 is amended to read as follows:

- (1) In lieu of commitment to the Department of Juvenile Justice, if a child is adjudicated a public offender, the court may in its discretion impose a fine. The imposition of a fine for an offense committed by a child shall be based upon a determination that such disposition is in the best interest of the child and to aid in his rehabilitation. Any such order shall include a finding that the child is financially able to pay the fine. Fines shall be levied consistent with the schedule set forth below:
 - (a) For a felony, not to exceed five hundred dollars (\$500);
 - (b) For a misdemeanor, not to exceed two hundred fifty dollars (\$250); and
 - (c) For a violation, not to exceed one hundred dollars (\$100).
- (2) When a child is directed by the court to pay a fine, the court may provide for payment to be made within a specified period of time or in specified installments. If such provision is not made a part of the court's disposition, the fine shall be payable immediately. Nothing contained herein shall be construed as limiting the court's inherent contempt powers.
- (3) Any public offender detained for failure to comply with the court order shall not be scheduled for a time that would interfere with the educational, occupational, or religious obligations of the child, and shall be in a secure juvenile detention facility ~~for~~ juvenile holding facility, **or approved detention program authorized by the Department of Juvenile Justice in accordance with KRS Chapter 15A.** Any portion of a day a child is detained pursuant to the court's exercising its contempt powers shall be deemed as one (1) day for purposes of serving a detention term.

- (4) Fines imposed and collected pursuant to this section shall be paid by the circuit clerk to the fund specified in KRS 431.100.

The application form shall require the applicant's full legal name and signature, date of birth, Social Security number, sex, present resident address, other information necessary to permit the application to also serve as an application for voter registration, and brief physical description of the applicant. If the person is not a United States citizen, the application form shall be accompanied by a photographic copy of the person's employment authorization card, visa card to enter the United States, or permanent residency card issued by the United States Department of Immigration Services and, if applicable, a photographic copy of the person's international driving permit. When taking the photograph, the applicant shall be prohibited from wearing sunglasses or any other attire that obscures any features of the applicant's face as determined by the clerk. The clerk shall require an applicant to remove sunglasses or other obscuring attire before taking the photograph required by this subsection. The temporary license shall be valid in lieu of the permanent license during the certification period and shall be destroyed upon receipt of the permanent operator's license.
- (5) The circuit clerk shall issue a color photo nondriver's identification card to any person who resides in the county who applies in person in the office of the circuit clerk. A nondriver's identification card shall be subject to the provisions of this section. An application for a nondriver's identification card shall be accompanied by a signed Social Security card and a birth certificate, or other proof of the applicant's date of birth provided under subsection (1) of this section. The card shall expire every four (4) years on the child's birthday. Within the time period that the child identification card is valid, the card may be updated with a new photograph and information. The fee for an updated card shall be four dollars (\$4), with two dollars (\$2) of the fee going to the cabinet and two dollars (\$2) going to the Administrative Office of the Courts in the same manner as the fee for an initial card as described in this subsection. The descriptive data and a photo image of the child shall be stored in the Kentucky Driver's License Information System and may be retrieved and used by public agencies subject to the provisions of the Driver Privacy Protection Act, 18 U.S.C. sec. 2721, and may also be used by the Kentucky Missing Persons Clearinghouse.*

A citizen who does not renew his license within ninety (90) days of returning to the Commonwealth shall be required to comply with the provisions of this chapter governing renewal of a license that has expired. If a citizen of the Commonwealth has been issued an "under 21" or "under 21 CDL" operator's license and the person is unable to renew the license on the date of his twenty-first birthday, the "under 21" or "under 21 CDL" operator's license shall be valid for ninety (90) days beyond the date of the person's twenty-first birthday.

- (1) Unless precluded by law, any child committed to the Department of Juvenile Justice or the cabinet may by the decision of the Department of Juvenile Justice or the cabinet or its designee, at any time during the period of his commitment, be:
 - (a) Upon fourteen (14) days' prior written notice to the court, discharged from commitment. Written notice of discharge shall be given to the committing court and to any other parties as may be required by law;
 - (b) Placed in the home of the child's parents, in the home of a relative, a suitable foster home, or boarding home, upon such conditions as the Department of Juvenile Justice or the cabinet may prescribe and subject to visitation and supervision by a social service worker or juvenile probation and parole officer. At the time a committed child is placed in the home of his parents by the Department of Juvenile Justice or the cabinet, the parents shall be informed in writing of the conditions of the placement and the criteria that will be used to determine whether removal is necessary;
 - (c) Placed in one (1) of the facilities or programs operated by the Department of Juvenile Justice or the cabinet, except that no child committed under the provisions of KRS 610.010(1)(b), (c), or (d) shall be placed in a facility operated by the Department of Juvenile Justice for children adjudicated as a public offender unless the cabinet and the department agree, and the court consents, that the placement is in the best interest of the child and that the placement does not exceed a group home level;
 - (d) Placed in a child-caring facility operated by a local governmental unit or by a private organization willing to receive the child, upon such conditions as the cabinet may prescribe;
 - (e) Treated as provided in KRS Chapter 645;

- (2) No child ten (10) years of age or under shall be placed in a facility operated by the Department of Juvenile Justice for children adjudicated as public offenders, *except that a child charged with the commission of a capital offense or with an offense designated as a Class A or Class B felony may be detained in a state-operated detention facility when there is no available less restrictive alternative;*

- (3) If a child committed to the cabinet as dependent, neglected, or abused is placed in the home of the child's parents, the child shall not be removed except in accordance with the following standards and procedures:
- (a) If the social service worker believes that the committed child continues to be dependent, neglected, or abused, but immediate removal is unnecessary to protect the child from imminent death or serious physical injury, the casework situation and evidence shall be reviewed with his supervisor to determine whether to continue work with the family intact or to remove the child. There shall be documentation that the social service worker, prior to the court hearing, made an effort to contact the parents to inform them of the specific problems that could lead to removal so they have an opportunity to take corrective action. If the parents are unavailable or do not respond to attempts to communicate, the specific circumstances shall be documented;
 - (b) If it appears that the child's health or welfare or physical, mental, or emotional condition is subjected to or threatened with real and substantial harm and there is not reasonably available an alternative less drastic than removal of the child from the home, the cabinet shall petition the District Court to review the commitment pursuant to KRS 610.120 in relation to the cabinet's intention to remove the child from the parent's home. The petition shall set forth the facts which constitute the need for removal of the child. The court shall serve notice of the petition and the time and place of the hearing on the parents; however, the social service worker shall also contact the parents to ensure that they received the notice and are aware of the right to be represented by counsel. If the parents' whereabouts are unknown, notice may be mailed to the last known address of an adult who is a near relative. If the court fails to find that the child's health or welfare or physical, mental, or emotional condition is subjected to or threatened with real and substantial harm, or recommends a less drastic alternative that is reasonably available, the child shall not be removed from the parents' home;
 - (c) If a social service worker finds a committed, unattended child who is too young to take care of himself, the social service worker shall make reasonable efforts to arrange for an emergency caretaker in the child's home until the parents return or fail to return within a reasonable time. If no in-home caretaker is available for the child, the social service worker shall request any appropriate law enforcement officer to take the child into protective custody. If, after a reasonable time, it appears the child has been abandoned, the cabinet shall petition the District Court to review the case; or
 - (d) If there exist reasonable grounds to believe that the child is in danger of imminent death or serious physical injury or is being sexually abused and that the parents are unable or unwilling to protect the child, the social service worker shall, with the assistance of a law enforcement officer, immediately remove the child prior to filing a petition for review. Within seventy-two (72) hours after the removal, the cabinet shall file a petition for review in District Court pursuant to KRS 610.120 with a request for an expeditious hearing. If the court fails to find that the child's health or welfare or physical, mental, or emotional condition is subjected to or threatened with real and substantial harm, or recommends a less drastic alternative that is reasonably available, the child shall be returned to the parents' home.
- (4) The cabinet or the Department of Juvenile Justice, as appropriate, shall notify the juvenile court of the county of placement with the conditions of supervised placement of each child placed in that county from one (1) of the residential treatment facilities operated by the Department of Juvenile Justice or the cabinet. Notice of the conditions of such placement may be made available by the court to any law enforcement agency.
- (5) The person in charge of any home to which a child is probated, and the governing authority of any private facility or agency to which a child is committed, shall make such reports to the court as the court may require, and such reports as the Department of Juvenile Justice or the cabinet may require in the performance of its functions under the law. The Department of Juvenile Justice or the cabinet shall have the power to make such visitations and inspections of the homes, facilities, and agencies in which children who have committed public offenses have been placed as it deems necessary to carry out its functions under the law.
- (6) The Department of Juvenile Justice or the cabinet shall provide a written transfer summary to the person in charge of any foster home or any governing authority of any private facility or agency in which the Department of Juvenile Justice or the cabinet has placed a child. The written summary shall include, at a minimum, demographic information about the child, a narrative statement detailing the child's prior placements, the length of time the child has been committed, a description of the services and assistance provided to the child or the child's family since the most current case plan, a copy of the current case plan for the child and the child's family, and a copy of the child's medical and educational passport, if available, provided that no information shall be provided that violates any statutory confidentiality requirements. The transfer summary shall be

provided by the Department of Juvenile Justice if it is responsible for the child, or the cabinet if it is responsible for the child, within seven (7) days of the placement of the child with the person, agency, or facility providing care to the child.

- (6) In addition to precinct election officers appointed under subsection (1) of this section, a county board of elections may appoint up to two (2) additional precinct election officers per precinct with the approval of the State Board of Elections. The state board shall promulgate an administrative regulation establishing conditions under which additional precinct officers may be approved.

- (10) If the county board of elections fails to appoint election officers, or if any officer is not present at the precinct at the time for commencing the election, or refuses to act, and if no alternate is available, the officer in attendance representing the political party of the absentee shall appoint a suitable person to act in his place for that election. If both representatives of the same political party are absent, qualified voters present affiliating with that party shall elect, viva voce, suitable persons to act in their places.
- (11) Each election officer shall be paid a minimum of sixty dollars (\$60) per election day served, and such an additional amount as compensation as may be determined by the county board of elections, with the approval of the governing body which would be responsible for funding the election officers' pay, for each election in which the election officer serves, to be paid by the county. The **financial instrument** ~~[bond]~~ shall be on a form and with a surety approved by the cabinet. The dealer or transporter shall be the principal obligor and the state the obligee. of tax, penalties, and interest for which the licensee is or may become liable, the licensee shall, upon the written demand of the cabinet, file an additional **financial instrument**~~bond~~ in the same manner and form with a surety thereon approved by the cabinet, in any amount determined by the cabinet to be necessary, failing which the cabinet shall cancel the license of the licensee in accordance with the provisions of KRS 138.340.

- (4) Any surety on a **financial instrument**~~bond~~ furnished as required by this section shall be released from all liability to the state accruing on the **financial instrument**~~bond~~ after the expiration of sixty (60) days from the date upon which the surety has lodged with the cabinet a written request to be released, but this request shall not operate to release the surety from any liability already accrued or which shall accrue before the expiration of the sixty (60) day period. The cabinet shall promptly, upon receipt of a request, notify the licensee who furnished the **financial instrument**~~bond~~, and unless the licensee, before the expiration of the sixty (60) day period, files with the cabinet a new **financial instrument**~~bond~~ with a surety satisfactory to the cabinet in the amount and form prescribed in this section, the cabinet shall cancel the license of the licensee in accordance with the provisions of KRS 138.340. If an approved new **financial instrument**~~bond~~ is filed, the cabinet shall cancel and surrender the **financial instrument**~~bond~~ for which the new bond is substituted.

CHAPTER 270

(HB 801)

AN ACT relating to retirement and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 78.530 is amended to read as follows:

- (1) (a) Each county and school board, as defined in KRS 78.510, will participate in the system by appropriate order authorizing such participation which has been entered and duly recorded in the records of the governing body of the county or school board. In cases where general purpose county government does not participate, but the sheriff and his employees or the county clerk and his employees do, the sheriff or the clerk shall retain the order in his office. The authority to issue and properly record such order of participation being hereby granted, permits such county to participate in the system. The effective date of such participation shall be fixed in the order.

(b) ***Notwithstanding any statute to the contrary, after the effective date of this Act, the systems shall deny the request for participation of any agency which does not have an irrevocable contract with the state Personnel Cabinet for health insurance coverage under KRS 18A.225 for its active employees, except that county governments entering the system between the effective date of this Act and July 1, 2003, under this section shall be excluded from this requirement.***
- (2) Once a county or school board participates, it shall thereafter continue to participate, except as provided in KRS 78.535.
- (3) (a) Concurrent with the adoption of the appropriate resolution to participate in the system, a county may elect the alternate participation plan which will require the county to purchase on behalf of each employee electing coverage, at the time the county elected to participate in the system as provided under KRS 78.540(2), current service credit for employment in regular full-time positions between July 1, 1958, and the participation date of the county. Cities which participate in the system pursuant to subsection (7) of this section, KRS 79.080, 90.400, 90.410, 95.520, 95.621, 95.761, 95.768, 95.852, or 96.180 shall be required to purchase on behalf of each employee electing coverage only as much service credit as the employee has accumulated in the city-administered plan, up to the participation date of the city. Accumulated service shall include service for which an employee received a refund pursuant to KRS 95.620 or 95.866, if such refund has been repaid. If the employee has not yet repaid the refund, he may make payment to the system by any method acceptable to the system, and the requirement of five (5) years of continuous reemployment prior to repayment of refunds shall not apply. Upon the employee's repayment, the city shall purchase the associated service credit for the employee. Cost of such service credit over and above that which would be funded within the existing employer contribution rate shall be determined by the board's consulting actuary. The expense of such actuarial service shall be paid by the county;

(b) The county shall establish a payment schedule subject to approval by the board for payment of the cost of such service over and above that which would be funded within the existing employer contribution rate. The maximum period allowed in a payment schedule shall be thirty (30) years, with interest at the rate actuarially assumed by the board. A shorter period is desirable and the board may approve any payment schedule provided it is not longer than a thirty (30) year period, except that cities which participate in the system pursuant to subsection (7) of this section, KRS 79.080, 90.400, 90.410, 95.520, 95.621, 95.761, 95.768, 95.852, or 96.180 may, at their option, extend the payment schedule to a maximum of thirty (30) years, may choose to make level payments at the interest rate actuarially assumed by the board over the life of the payment schedule chosen, and may retain employer contributions and the earnings thereon attributable to employees electing coverage;

(c) A city entering the system under the alternate participation plan, may, by ordinance, levy a special property tax to pay for current service credit purchased for the period between July 1, 1958, and the participation date of the city. The special tax shall be to pay, within a period of no more than fifteen (15) years, for the cost of such service credit over that which would be funded within the existing employer contribution rate, as determined by the board's consulting actuary. The reason for levying the special tax and the disposition of the proceeds shall be part of the ordinance levying the tax. The special tax shall be rescinded when the unfunded prior service liability has been amortized, and shall not be subject to the provisions of KRS 132.017 or 132.027. In addition, the city may maintain any tax, the proceeds of which had been devoted to funding pension obligations under the locally administered plan prior to participation in the system, for the purpose of funding current service costs incurred after the date of participation. The city may increase the tax to pay current service costs which exceed the local pension system costs to which the tax had been devoted, but the city shall not collect from the tax more revenues than are necessary to pay current service costs incurred after the date of participation. The city may continue the tax so long as it participates in the system, and the tax shall not be subject to the provisions

of KRS 132.017 or 132.027. The city shall not collect either tax authorized by this paragraph if its participation has been terminated pursuant to KRS 78.535;

- (d) The county may at a later date purchase current service credit from July 1, 1958, to the participation date of the county by alternate participation plan for those employees who rejected membership in the system at the time the county first participated. In addition, the employer shall pay the employer contributions on the creditable compensation of the employees who later elect membership from the participation date of the county to the date the member elects participation. The employee shall pay the employee contributions on his creditable compensation from the participation date of the county to the date he elects membership plus interest at the current actuarial rate compounded annually on the employee and employer contributions. Cost of the service credit over and above that which would be funded within the existing employer contribution rate shall be determined by the board's consulting actuary. The expense of the actuarial service shall be paid by the county. The county shall pay the cost of the service by lump sum or by adding it to the existing payment schedule established under paragraph (b) of this subsection;
 - (e) A county which did not participate by alternate participation may, until July 1, 1991, purchase current service credit for those employees who rejected membership in the system at the time the county first participated. The employer shall pay the employer contributions on the creditable compensation of the employees who later elect membership from the participation date of the county to the date the member elects participation. The employee shall pay the employee contributions on his creditable compensation from the participation date of the county to the date he elects membership plus interest at the current actuarial rate compounded annually on the employee and employer contributions. The county shall pay the cost of the service credit by lump sum or by establishing a payment schedule under paragraph (b) of this subsection; and
 - (f) A county which participated in the system but did not elect the alternate participation plan may at a later date elect the alternate participation plan. In this case, the county shall purchase on behalf of each employee participating in the system current service credit for employment in regular full-time positions between July 1, 1958, or a later date selected by the county government, and the participation date of the county. The county shall also purchase, for employees who decide to participate when the county elects the alternate participation plan, current service credit for employment in regular full-time positions between July 1, 1958, or the later date selected by the county government, and the participation date of the county. In addition, the county shall pay the employer contributions on the creditable compensation of the employees who later elect membership from the participation date of the county to the date the member elects participation. The employee shall pay the employee contributions on his creditable compensation from the participation date of the county to the date he elects membership plus interest at the current actuarial rate compounded annually on the employee and employer contributions. Cost of the service credit over that which would be funded within the existing employer contribution rate shall be determined by the board's consulting actuary. The expense of the actuarial service shall be paid by the county. The county shall pay the cost of the service by lump sum or by a payment schedule established under paragraph (b) of this subsection.
- (4) Every school board not participating on June 21, 1974, shall enact a resolution of participation no later than July 1, 1976.
 - (5) The order of the governing body of a county, as provided for in subsection (1) of this section, may exclude from participation in the system hospitals and any other semiindependent agency. Each such excluded agency shall be identified in the order authorizing participation and such excluded agency may participate in the system as a separate agency.
 - (6) An agency whose participation in the County Employees Retirement System has been terminated by the board of trustees in accordance with KRS 78.535 may at a later date request participation in the retirement system by the adoption of an appropriate order as authorized by subsection (1) of this section. The board may accept the participation of such agency provided it is determined that such participation is in the best interest of the agency, the employees thereof and the County Employees Retirement System.
 - (7) (a) After August 1, 1988, except as permitted by KRS 65.156, no local government retirement system shall be created pursuant to KRS 70.580 to 70.598 and any local government retirement systems created pursuant to KRS 79.080, 90.400, 90.410, 95.768, and KRS Chapter 96 shall be closed to new members.

New employees who would have been granted membership in such retirement systems shall instead be granted membership in the County Employees Retirement System. Employees who would have been granted membership in retirement systems created pursuant to KRS 95.768, or any other policemen or firefighters who would have been granted membership in retirement systems created pursuant to KRS 79.080, 90.400, or 90.410, or any such policemen or firefighter members employed on or prior to August 1, 1988, who transfer to the County Employees Retirement System, shall be certified by their employers as working in hazardous positions. Each city participating in the County Employees Retirement System pursuant to this subsection shall execute the appropriate order authorizing such participation, shall select the alternate participation plan as described in subsection (3) of this section, and shall pay for the actuarial services necessary to determine the additional costs of alternate participation. Cities which closed their local pension systems to new members and participated in the system prior to July 15, 1988, whose employees at the time of transition were given the option to join the system shall not be required to offer said employees a second option to join the system.

(b) Notwithstanding any statute to the contrary, after the effective date of this Act, the systems shall deny the request for participation of any agency which does not have an irrevocable contract with the state Personnel Cabinet for health insurance coverage under KRS 18A.225 for its active employees.

- (8) Any city which closed a police and firefighter pension plan to new members between January 1, 1988, and July 15, 1988, and participated in the system under the alternate participation plan shall, if its police and firefighters were not covered by Social Security, or any city which operates a pension under KRS 90.400 or 90.410, shall be required to certify that its police and firefighters are working in hazardous positions, and shall offer its police and firefighters in service at the time of entry a second option to participate under hazardous duty coverage if they were not offered hazardous duty coverage at the time of their first option. The provisions of subsection (3)(b) of this section notwithstanding, a city affected by this subsection may, at its option, extend its payment schedule to the County Employees Retirement System for alternate participation to thirty (30) years at the rate actuarially assumed by the board.

Section 2. KRS 78.540 is amended to read as follows:

Membership in the system shall consist of the following:

If the average number of hours of work is less than eighty (80) per month, the noncertified employee of a school board shall be allowed credit only for those months he receives creditable compensation for eighty (80) hours of work. The cost will be determined by computing the member and employer contributions for the period of time involved plus interest compounded annually at the current actuarial rate, which shall not be picked up by the employer as described in KRS 78.610(4).
- (13) A retired member, who is contributing to one (1) of the state-administered retirement programs and purchases service credit under this section in the system or systems from which he is retired, shall have his retirement allowance recomputed:
 - (a) Upon termination from employment, if the member is contributing to the same system or systems from which he was retired; or
 - (b) Upon completion of six (6) months' service credit as required under subsection (6) of this section, if the member is contributing to a system other than the system or systems from which he is retired.
- (14) Any employee participating in one (1) of the state-administered retirement systems who has at least forty-eight (48) months of service if age sixty-five (65) or at least sixty (60) months of service if under age sixty-five (65) may obtain credit for prior or current service for any period of approved educational leave, or for agency-approved leave to work for a work-related labor organization if the agency subsequently participated in the County Employees Retirement System, by paying to the respective retirement system a delayed contribution payment. The employee may also obtain credit for agency-approved leave to work for a work-related labor organization if the agency subsequently participated in the County Employees Retirement System, but only if the Kentucky Retirement Systems receives a favorable private letter ruling from the United States Internal Revenue Service or a favorable opinion letter from the United States Department of Labor. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer, and shall be deposited to the individual member's account.
- (15) Any employee participating in one (1) of the state-administered retirement systems may obtain credit for prior or current service for any period of approved maternity leave, or for any period of approved sick leave without pay, by paying to the respective retirement system a delayed contribution payment. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer, and shall be deposited to the individual member's account.
- (16) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems may purchase service credit under any of the provisions of KRS 16.510 to 16.652, 61.515 to 61.705, or 78.520 to 78.852 by making installment payments in lieu of a lump-sum payment.

- (a) The cost of the service shall be computed in the same manner as for a lump-sum payment which shall be the principal; and interest, at the actuarial rate in effect at the time the member elects to make the purchase compounded annually, shall be added for the period that the installments are to be made. Multiple service purchases may be combined under a single installment purchase; however, no employee may make more than one (1) installment purchase at the same time. Once multiple service purchases have been combined in an installment purchase, the employee may not separate the purchases or pay a portion of one (1) of the purchases. The employee may elect to stop the installment payments by notifying the retirement system; may have the installment purchase recalculated to add one (1) or more additional service purchases; or may pay by lump sum the remaining principal.
 - (b) Twelve (12) consecutive monthly installment payments shall be made for each one thousand dollars (\$1,000) or any part thereof of the total cost, except that the total number of installments shall not be less than twelve (12) and shall not exceed sixty (60).
 - (c) The employee shall pay the installments by payroll deduction each pay period. Upon notification by the retirement system, the employer shall report the installment payments separate from regular employee contributions on the forms or by the computer format specified by the board. The payments made under this subsection shall be considered accumulated contributions of the member and shall not be picked up by the employer pursuant to KRS 61.560(4) and no employer contributions shall be paid on the installments.
 - (d) The retirement system shall determine how much of the total cost represents payment for one (1) month of the service to be purchased and shall credit one (1) month of service to the member's account each time this amount has been paid. The first service credited shall represent the first calendar month of the service to be purchased and each succeeding month of service credit shall represent the succeeding months of that service.
 - (e) If the employee elects to stop the installment payments, dies, retires, or does not continue employment in a position required to participate in the retirement system, the member, or in the case of death, the beneficiary, shall have sixty (60) days to pay the remaining principal of the purchase by lump sum. If the member or beneficiary does not pay the remaining cost, the retirement system shall refund to the member or the beneficiary the payment, payments, or portion of a payment that does not represent a full month of service purchased.
 - (f) If the employer does not report installment payments on an employee for sixty (60) days, the installment purchase shall cease and the retirement system shall refund to the employee the payment, payments, or portion of a payment that does not represent a full month of service purchased.
 - (g) If payments have ceased under paragraph (e) or (f) of this subsection and the member later becomes a participating employee in one (1) of the three (3) systems administered by Kentucky Retirement Systems, the employee may complete the adjusted original installment purchase by lump sum or installment payments. If the employee elects to renew the installment purchase, the cost of the remaining service shall be recalculated in accordance with paragraph (a) of this subsection. If the original installment purchase was for multiple service purchases, the employee may not separate those purchases under a new installment purchase.
 - (h) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems may purchase service credit under any of the provisions of KRS 16.510 to 16.652, 61.515 to 61.705, or 78.520 to 78.852 by transferring funds pursuant to the rules in 26 U.S.C. sec. 401(a)(31) directly from a retirement plan or a deferred compensation arrangement maintained by his employer which is a qualified plan pursuant to 26 U.S.C. sec. 401(a). Service credit may also be purchased by a rollover of funds from a qualified retirement plan pursuant to the rules specified in 26 U.S.C. sec. 402(c). The Kentucky Retirement Systems shall accept the transfer or rollover to the extent permitted under the rules specified in 26 U.S.C. secs. 402(c) and 401(a)(31). The amount shall be credited to the individual member's contribution account in the appropriate retirement system and shall be considered accumulated contributions of the member.
- (17) After August 1, 1998, any employee participating in one (1) of the state-administered retirement systems who is age sixty-five (65) or older and has forty-eight (48) months' service credit in the Kentucky Employees Retirement System or the County Employees Retirement System or, if younger, who has sixty (60) months' service credit in the Kentucky Employees Retirement System or the County Employees Retirement System may purchase credit in the system in which the employee has the service credit for up to ten (10) years service

in a regular full-time position that was credited to a state or local government-administered public defined benefit plan in another state other than a defined benefit plan for teachers. The employee shall pay the full cost of the service as determined by the system. Payment may be by lump sum, or the employee may pay by increments. The employee may transfer funds directly from the other state's plan if eligible to the extent permitted under subsection (16)(h) of this section and to the extent permitted by the other state's laws and shall provide proof that he is not eligible for a retirement benefit for the period of service from the other state's plan.

- (18) After August 1, 1998, any employee participating in one (1) of the state-administered retirement systems, who has sixty (60) or more months of service in the State Police Retirement System or in a hazardous position in the Kentucky Employees Retirement System or the County Employees Retirement System, may purchase credit in the system in which the employee has the sixty (60) months of service credit for up to ten (10) years of service in a regular full-time position that was credited to a defined benefit retirement plan administered by a state or local government in another state, if the service could be certified as hazardous pursuant to KRS 61.592. The employee shall pay the full cost of the service credit as determined by the system. Payment may be by lump sum or by increments. The employee may transfer funds directly from the other unit of government's plan if eligible to the extent permitted under subsection (16)(h) of this section and to the extent permitted by the other state's laws, and the employee shall provide proof that he is not eligible for a retirement benefit for the period of service from the other unit of government's plan.
- (19) Any employee participating in one (1) of the state-administered retirement systems who has at least forty-eight (48) months of service if age sixty-five (65) or at least sixty (60) months of service if under age sixty-five (65) who has completed service as a volunteer in the Kentucky Peace Corps, created by KRS 154.01-720, may purchase service credit for the time served in the corps by making delayed contribution payments.
- (20) An employee participating in any state-administered retirement system who has at least forty-eight (48) months' service if age sixty-five (65), or at least sixty (60) months' service if under age sixty-five (65), and who was formerly employed in a regional community mental health and mental retardation services program, organized and operated under the provisions of KRS 210.370 to 210.480, which does not participate in a state-administered retirement system may obtain credit for the period of his service in the regional community mental health and mental retardation program, by paying to the state retirement system in which he participates the full cost of the service credit purchased, as determined by the system. Payment to one (1) of the retirement systems administered by the Kentucky Retirement Systems may be made by lump sum or in increments.
- (21) An employee participating in any state-administered retirement system who has at least forty-eight (48) months' service if age sixty-five (65) or at least sixty (60) months' service if under age sixty-five (65), who was employed by a vocational technical school in a noncertified part-time position averaging eighty (80) or more hours per month, determined by using the number of months actually worked within a calendar or fiscal year, may purchase service credit in the Kentucky Employees Retirement System. The cost of the service shall be determined by computing the member and employer contributions for the period of time involved plus interest compounded annually at the current actuarial rate, which shall not be picked up by the employer as described in KRS 61.560(4).
- (22) Any employee participating in one (1) of the state-administered retirement systems on June 30, 2000, may obtain credit for subsequent service with a parted employer from the Commonwealth operating for the purposes of KRS 163.475, by paying to the respective retirement system a delayed contribution payment if the respective retirement system receives a favorable private letter ruling from the United States Internal Revenue Service or a favorable opinion letter from the United States Department of Labor. The delayed contribution payment shall be deposited to the individual member's account. The delayed contribution payment shall not be picked up by the employer as described in KRS 61.560(4).
- (23) Any employee participating in the County Employees Retirement System who has at least forty-eight (48) months of service if age sixty-five (65) or at least sixty (60) months of service if under age sixty-five (65) may purchase service credit for service with a city, county, or joint city-county planning commission, if that service was not covered by a state-administered retirement system. Notwithstanding any statute to the contrary, the employee shall be entitled to a full month of service for each month or portion of month that the employee occupied the position whether or not the employee would have qualified, at the time of planning commission service, for the service under KRS 6.525. The employee shall pay to the retirement system the full cost of the service credit purchased, as determined by the board's actuary. The payment shall not be picked up, as described in KRS 78.610(4), by the employer and shall be deposited to the member's account. Payment may be by lump sum or in increments. No interest shall be added to the contributions. The service credit shall not be credited to the member's account until the employer contributions are received. If a retired member makes the payment within six (6) months, the retired member's retirement allowance shall be adjusted to reflect the added service after the employer contributions are received by the retirement system.
- (b) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems who is entitled to service credit under paragraph (a) of this subsection and who has not repaid the employee contributions due within six (6) months of notification by the system may regain the credit after the six (6) months by paying to the system the employee contributions plus interest at the actuarially assumed rate from the date of initial notification under paragraph (a) of this subsection. The cost of the service shall be determined as a delayed contribution payment for the respective retirement system. Payment may be made by lump sum or in increments. The payment shall not be picked up, as described in KRS 61.560(4) or KRS 78.610(4), by the employer.

Payment by the member may be by lump sum or by increments.

SECTION 1. A NEW SECTION OF KRS CHAPTER 314 IS CREATED TO READ AS FOLLOWS:

The General Assembly hereby finds and declares that:

- (1) *Kentucky is experiencing a nursing shortage that, without proactive intervention, could have serious consequences for the delivery of health care in the state;*
- (2) *With the average age of registered nurses in Kentucky at forty-four (44) years and the average age for licensed practical nurses at forty-nine (49) years, an adequate number of new nurses will be needed to replace the aging nursing workforce;*

- (4) *The age of nursing educators continues to rise and nursing schools are finding it increasingly more difficult to attract qualified educators;*
- (5) *Changes in the delivery of care and more employment options becoming available to nurses that did not exist previously are making it difficult for employers of nurses to recruit and retain an adequate number of qualified nursing personnel;*
- (6) *Educational institutions must be involved in addressing the shortage but require financial assistance to support the costs associated with program changes, expansions, or both;*
- (7) *Financial assistance is needed to help employers provide scholarships and develop and implement innovative recruitment and retention strategies;*
- (8) *The state has a role in helping to support and finance activities directed toward increasing the supply of nurses; and*

Such increase shall be compounded until and including the date upon which the member would have been retired for one (1) year or the date upon which he has attained forty seven (47) years of age, whichever is later, or would have been retired for one (1) year or would have attained forty seven (47) years of age in the event the member is deceased. Thereafter, the annuity paid to the member or to his widow or to the guardian of his minor children shall be increased as provided in subsection (1) of this section.~~
- ~~(b)~~ Beginning July 1, 2001, notwithstanding any other provision to the contrary, any member, retired under occupational disability, as provided in KRS 67A.460, **or nonoccupational disability** shall be entitled to an increase in his or her annuity, or in the event of death the annuity paid to his or her spouse or dependent, after he or she has been retired one (1) year regardless of age or date of retirement. The amount of the annual increase shall be the same as described in subsection (1) of this section, compounded annually, and the increase shall be determined and granted annually thereafter by the board. For a member retired on occupational disability for a length of time in excess of one (1) year prior to June 21, 2001, the board shall increase the member's annuity as described in this paragraph, on July 1, 2001, and each July 1 thereafter.
- (3) (a) A member who retired pursuant to the provisions of KRS 67A.360 to 67A.690 prior to July 15, 1980, or pursuant to KRS 67A.690(2) after July 15, 1980, or his surviving spouse or eligible surviving children, shall receive an upward adjustment in their retirement or survivor's annuity by calculation of a two percent (2%) annual increase compounded from July 1, 1974, until July 15, 1980, and annual increases compounded, from July 15, 1980, until July 15, 1990, in the same percentage amount by which the pension board increased other pensions pursuant to subsection (1) of this section for those same years. For purposes of calculation, unless the member retired under disability, the member's or survivor's first increase shall occur after the member was retired for one (1) year or attained the age of forty-seven (47), whichever was later, or would have been retired one (1) year or reached the age of forty-seven (47),

whichever was later, in the event the member died before being retired one (1) year or reaching the age of forty-seven (47). In the case of retirement under disability, no age or length of retirement criteria shall apply.

- (b) After calculation of the new annuity level, members of age forty-seven (47) or more affected by this subsection, or survivors of a member who would have been forty-seven (47) or more in the event the member is deceased, shall be granted the same annual increase granted to retirees who retired July 15, 1980, or thereafter, pursuant to subsection (1) of this section, and the annuity on which this cost-of-living increment is based shall be the annuity level reached through the addition of annual compounded increases calculated pursuant to paragraph (a) of this subsection, but not less than the annuity level in effect prior to July 15, 1990. If the member has not attained the age of forty-seven (47) or would not have attained the age of forty-seven (47) in the event the member is deceased, then the member or survivor shall receive increases of two percent (2%) compounded annually until the member attains or would have attained age forty-seven (47), at which time the same annual increase granted to retirees who retired July 15, 1980, or thereafter shall apply.
- (4) The provisions of subsection (3) of this section shall not apply to any retiree or surviving spouse who receives a minimum retirement annuity, annually adjusted, pursuant to KRS 67A.430. If, in the future, any retiree or spouse annuity granted pursuant to this section falls below the adjusted minimum annuity, the affected retiree or spouse shall be granted, from that time forward, the adjusted minimum annuity calculated pursuant to KRS 67A.430.

Members providing part-time and substitute services shall make contributions to the Kentucky Teachers' Retirement System at the rate provided under Section 16 of this Act. A member who provides part-time or substitute services, or in the event of the death of the member, the member's estate or applicably designated beneficiary, will be entitled, within ninety (90) days of the posting of the annual report submitted by the member's employer, to a refund of contributions as permitted and limited by Section 11 of this Act.*

All eligibility conditions adopted by the board of trustees pursuant to this subsection may be amended as necessary to ensure their actuarial soundness.*
- (3) *In addition to the pro rata methodology adopted by the board of trustees under subsection (1) of this section, members providing part-time and substitute services shall be subject to all limitations and conditions regarding the accrual, retention, accreditation, and use of service credit that apply to members providing full-time services. In addition to the eligibility conditions set forth by the board of trustees under subsection (2) of this section, members providing part-time and substitute services shall be subject to all limitations and conditions regarding both the eligibility to participate and the extent of participation in any benefit offered under KRS 161.220 to 161.716 that apply to members providing full-time services.*
- (4) *The board of trustees of the Teachers' Retirement System shall be responsible for final determination of membership eligibility and may direct employers to take whatever action that may be necessary to correct any error relating to membership.*

Contributions, plus interest, shall be made for each year that back salary or reinstatement was ordered. No service or salary credit shall be credited to a member's account unless full contributions are paid to the Kentucky Teachers' Retirement System.*
- (2) *The member may have court-ordered back salary credited to his or her account only to the extent that the member actually received payment for the back salary and only to the extent that the court-ordered back salary is within the salary scale that was available to the member in the covered position for the years that the back salary was awarded. Court-ordered back salary can be credited to the member's account only as permitted under subsections (9) and (10) of Section 3 of this Act.*
- (3) *The member's employer ordered to pay back salary or to reinstate the member by a court of competent jurisdiction shall provide the retirement system with a breakdown of the back salary awarded to the member on a year-by-year basis.*
- (4) *The calculations of the contributions and interest required to be paid for court-ordered back salary or reinstatement shall be provided by the retirement system to the member or the member's employer at the member's or employer's request. Requests for these calculations shall be made with at least two (2) weeks of advance notice to the retirement system to provide these calculations. The retirement system will calculate accrued interest as of the last day of the month during which payment of the full contributions are made.*
- (5) *For purposes of this section, a settlement agreement that provides back salary or reinstatement, and is adopted by order or judgment of a court of competent jurisdiction or is referenced in an order dismissing the action as settled shall have the same effect as a court order adjudicating the matter. Orders entered by a government board or agency as a result of litigation conducted on an administrative hearing level shall be considered as court orders for the purposes of this section.*
- (6) *Under no circumstances shall a member be entitled to service credit as a result of court-ordered reinstatement that is in violation of the provisions of Section 20 of this Act.*

Any funds transferred from the teachers' savings fund by reason of lack of claimant or because of a surplus in any fund and any other moneys whose disposition is not otherwise provided for, shall also be credited to the guarantee fund. The interest allowed by the board of trustees to each of the other funds shall be paid to these funds from the guarantee fund. Any deficit occurring in any fund that would not be automatically covered shall be met by the payments from the guarantee fund to that fund. - (3) Effective July 1, 1988, and thereafter, an active contributing member of the retirement system with contributing service equal to one (1) year may regain service credit by depositing in the teachers' savings fund the amount withdrawn with interest at the rate to be set by the board of trustees, and computed from the first of the month of withdrawal and including the month of redeposit.

If the member is eligible for an immediate service retirement allowance as provided in KRS 161.600, no withdrawal and refund shall be permitted, unless the allowance would prohibit the member from qualifying for Social Security benefits or the member elects to withdraw part or all of his service for the purpose of obtaining credit in another retirement plan. Requests for refund of contributions by the member must be filed on forms prescribed by the Teachers' Retirement System and the employer shall be financially responsible for all information that is certified on the prescribed form. ***A member may not withdraw any part of his or her contributions to the retirement system except as provided by this subsection.***

Each person, upon becoming a member of the retirement system, shall file a detailed statement as required by the board of trustees and shall designate a ***primary*** beneficiary to receive any benefits accruing from the death of the member. ***A contingent beneficiary may be designated in addition to the primary beneficiary. - (1) An active contributing member of the Teachers' Retirement System may receive service credit for active service rendered in the uniformed services of the Armed Forces of the United States, including the commissioned corps of the Public Health Service, subject to the provisions of the Uniformed Services Employment and Reemployment Rights Act of 1994 and to administrative regulations promulgated by the

board of trustees. Military service includes service in the uniformed services that occurs before the employment of a member in a position covered by the retirement system or where a member leaves covered employment without giving advance written or verbal notice of performing duty in the uniformed services. Service in the uniformed services also includes uniformed service that occurs after employment in a position covered by the retirement system where the member has given advance written or verbal notice of performing duty in the uniformed services and the member returns directly from uniformed services to covered employment. Military service may be credited only if discharge was honorable or was not terminated upon the occurrence of any of the events listed in 38 U.S.C. sec. 4304. Service shall be considered as Kentucky teaching service, except that service may not be used for meeting the service requirements set forth in KRS 161.600(1)(a) or 161.661(1) unless the service occurred after the member gave written or verbal notice of performing duty in the uniformed services and the member returned directly from uniformed services to covered employment. A maximum of six (6) years of military service may be credited, but in no case a greater number of years than the actual years of contributing service in Kentucky.

- (2) No credit shall be granted for military service which has been or will be used in qualifying for annuity benefit payments from another retirement system financed wholly or in part by public funds.
- (3) A member having twenty (20) years or more of active duty in the military service, and who is qualified for regular federal retirement benefits based on this military service, may not receive credit for any military service in the Teachers' Retirement System. This subsection shall apply to service presented for credit on July 1, 1975, and after this date.
- (4) (a) A member receiving retirement credit for active duty in the armed services of the United States prior to employment in a position covered by the retirement system or where the member leaves covered employment without giving advance written or verbal notice of performing duty in the uniformed services shall **pay to the retirement system the full actuarial cost of the service credit purchased as provided under subsection (22) of Section 3 of this Act**~~contribute to the retirement system an amount equal to thirty five percent (35%) of the actuarial cost for each year of service for which the member is receiving credit~~. Two percent (2%) of the ~~thirty five percent (35%)~~ required payment shall be allocated to the medical insurance fund. These contributions shall not be picked up, as described in KRS 161.540(2). In purchasing retirement credit for active duty in the armed services, the latest years of service shall be considered first in allowing credit toward retirement. The board of trustees shall adopt a table of actuarial factors to be used in calculating the amount of contribution required for crediting this service.
- (b) If military service occurred after the member gave written or verbal notice of performing duty in the uniformed services and the member returns directly from uniformed services to covered employment, the member shall contribute the regular member contribution required by KRS 161.540. The member may make the payment of delayed contributions in a lump sum payment or in installments not to exceed five (5) years beginning with the member's date of reemployment. Interest at the rate of eight percent (8%) per annum shall be charged for delayed contributions beginning with the member's date of reemployment until paid.
- (5) An active contributing member of the Teachers' Retirement System may receive service credit for service in the military reserves of the United States or the National Guard. The member may purchase one (1) month of service for each six (6) months of service in the reserves or the National Guard. Notwithstanding any other statute, regulation, or policy to the contrary, the system shall provide a member, upon request, the estimated actuarial cost of the National Guard or military reserves service purchase based upon the information available at the time of the request. The member shall be entitled to enter into a contract with the system at the time of the request to purchase the National Guard or military reserve service by paying to the system the estimated actuarial cost, either by installments or in lump sum. The member shall pay the full actuarial cost of this service in the military reserves or the National Guard as provided in KRS 161.220(22). Service in the military reserves or the National Guard shall be treated as service earned prior to participation in the system and shall not be used for meeting the service requirements set forth in KRS 161.600(1)(a) or 161.661(1). The payment shall not be picked up by the employer, as described in KRS 161.540(2).

Section 14. KRS 161.515 is amended to read as follows:

- (1) For the purposes of this section, "out-of-state service" shall mean service in any state in a comparable position, which would be covered if in Kentucky.

- (2) (a) ***An active contributing member***~~[A member in active status]~~ who has been a contributing member of the retirement system for at least one (1) full scholastic year subsequent to the latest out-of-state service, may present for credit service rendered out of state, not to exceed ten (10) years actually taught as a certified or licensed teacher. With the exception of university faculty members, all members who elect to purchase this service shall pay to the retirement system an amount equal to the current member contribution rate based on the first Kentucky salary of the member subsequent to the out-of-state service, provided this service was rendered after ***June 30, 1983***~~January 1, 1984~~. In the event this service was rendered prior to ***July 1, 1983***~~January 1, 1984~~, the contribution rate shall be seven and eighty-four hundredths percent (7.84%). University faculty members shall pay on a contribution rate of seven and eighty-four hundredths percent (7.84%) based on the first Kentucky salary subsequent to the out-of-state service, regardless of when the service was rendered. ***Members shall pay to the retirement system the employer contribution at the rates set forth in Section 20 of this Act.*** In addition, all members shall pay interest on the contributions for this service at a rate to be set by the board of trustees on each annual contribution from the last day of the scholastic year in which the service was rendered to date of payment to the retirement system. The payments shall not be picked up as described in KRS 161.540(2). For each year of which the retirement system shall accept the contribution and interest, one (1) year of service credit shall be given. This credit may not be used to meet the service requirements of KRS 161.525, 161.600, or 161.661, except as provided in subsection (2)(c) of this section. No credit shall be granted for service which has been or will be used in qualifying for annuity benefit payments from another retirement system financed wholly or in part by public funds;
- (b) A member of the retirement system having teaching service in the elementary or secondary schools operated by the United States overseas or in this country, or in a public college or university in Kentucky, not included in the Teachers' Retirement System of the State of Kentucky, may present this service for credit in the retirement system on the same basis as provided above for out-of-state service credit; however, no service may be presented which shall be used as a basis for retirement benefits in any program supported wholly or in part by a public institution or governmental agency. This service when added to service credited under subsection (2)(a) of this section shall not exceed a total of ten (10) years' service credit; and
- (c) A member having service referred to in subsection (2)(a) or (2)(b) of this section may elect to use this service for meeting the requirements of KRS 161.600(1)(c) by making an additional contribution to the state accumulation fund equal to a member contribution rate of eight percent (8%) for each year so used. These payments shall not be picked up as described in KRS 161.540(2). The salary base to be used in determining this additional contribution shall be the final average salary which is used in calculating the member's regular retirement annuity.
- (3) Members entering the Teachers' Retirement System for the first time, July 1, 1976, and after this date, shall not receive credit for service defined in subsections (2)(a) or (2)(b) of this section in excess of one (1) year of credit for each two (2) years of Kentucky service in a covered position or ten (10) years, whichever is the lesser number.
- (4) A member, having completed service as a volunteer in the Kentucky Peace Corps created by KRS 154.01-720, may purchase service credit for the time served in the corps on the same basis as provided in this section for the purchase of out-of-state service credit. A member, having completed service as a federal Peace Corps volunteer, may purchase up to two (2) years of service credit for time served in the Peace Corps on the same basis as provided in this section for the purchase of out-of-state service credit.

Section 15. KRS 161.522 is amended to read as follows:

Upon the death of a member retired for disability who had a minimum of twenty-seven (27) years of service at the time of death, except as provided in KRS 161.661(6), the spouse, if named as the beneficiary of the member's account, shall be entitled to elect, in lieu of a refund of the member's account, an annuity actuarially equivalent to the annuity that would have been paid to the deceased member had retirement for service been effective on the day immediately preceding the member's death. In selecting this right, the spouse shall be limited to selecting an option providing a straight life annuity with refundable balance or a term certain option. There shall be a monthly minimum allowance of three hundred dollars (\$300) as the basic straight life annuity. This section applies to surviving spouses of members who were receiving benefit payments under KRS 161.520 as of June 30, 1988, and to surviving spouses of members who die on or after July 1, 1984, ***except that the member shall have been retired for disability with a minimum of thirty (30) years of service if either of these two (2) conditions were met prior to July 1, 1990.***

Section 16. KRS 161.540 is amended to read as follows:

- (1) Effective July 1, 1988, each member shall contribute to the retirement system nine and eight hundred fifty-five thousandths percent (9.855%) of annual compensation, except that university faculty members shall contribute eight and three hundred seventy-five thousandths percent (8.375%) of annual compensation. Payments authorized by statute that are made to retiring members for not more than sixty (60) days of unused accrued annual leave shall be considered as part of the member's annual compensation, and shall be used only for the member's final year of active service. The contribution of members shall not exceed these applicable percentages on annual compensation. When a member retires, if it is determined that he has made contributions on a salary in excess of the amount to be included for the purpose of calculating his final average salary, any excess contribution shall be refunded to him in a lump sum at the time of the payment of his first retirement allowance. In the event a member is awarded a court-ordered back salary payment the employer shall deduct and remit the member contribution on the salary payment, plus interest to be paid by the employer, to the retirement system unless otherwise specified by the court order.
- (2) Each public board, institution, or agency, listed in KRS 161.220(4) shall, solely for the purpose of compliance with Section 414(h) of the United States Internal Revenue Code, pick up the ~~member~~~~{employee}~~ contributions required by this section for all compensation earned after August 1, 1982, and the contributions so picked up shall be treated as employer contributions in determining tax treatment under the United States Internal Revenue Code and KRS 141.010(10). The picked-up ~~member~~~~{employee}~~ contribution shall satisfy all obligations to the retirement system satisfied prior to August 1, 1982, by the ~~member~~~~{employee}~~ contribution, and the picked-up ~~member~~~~{employee}~~ contribution shall be in lieu of ~~a member~~~~{an employee}~~ contribution. Each employer shall pay these picked-up ~~member~~~~{employee}~~ contributions from the same source of funds which is used to pay earnings to the ~~member~~~~{employee}~~. The ~~member~~~~{employee}~~ shall have no option to receive the contributed amounts directly instead of having them paid by the employer to the system. ~~Member~~~~{Employee}~~ contributions picked-up after August 1, 1982, shall be treated for all purposes of KRS 161.220 to 161.714 in the same manner and to the same extent as ~~member~~~~{employee}~~ contributions made prior to August 1, 1982.

Section 17. KRS 161.545 is amended to read as follows:

- (1) Members may make contributions and receive service credit for substitute, part-time, or any service other than regular full-time teaching as provided in the administrative regulations of the board of trustees ***if contributions were not otherwise made as a result of the service.*** Members placed on leave of absence may make contributions and receive service credit for this leave only if contributions are made by the end of the fiscal year next succeeding the year in which the leave was effective as provided in administrative regulations promulgated by the board of trustees. Contributions permitted after August 1, 1982, shall not be picked-up pursuant to KRS 161.540(2).
- (2) Active contributing members of the Teachers' Retirement System, or former members who are currently participating in a state-administered retirement system, who were granted leaves of absence since July 1, 1964, for reasons of health, child rearing, or to improve their educational qualifications, and did not qualify at the time of the leave of absence to make contributions to the retirement system for the leave of absence as provided in subsection (1) of this section, may obtain credit for the leave of absence under the following conditions:
 - (a) The leave of absence shall be verified by a copy of the board of education minutes which granted the leave of absence; and
 - (b) The member shall contribute the required percentage based on the salary received for the year immediately preceding the leave of absence plus interest at the rate of eight percent (8%) compounded annually from the beginning of the school year following the year of the leave of absence, and by depositing in the state accumulation fund an amount equal to this total.
 - (c) The member shall receive credit for no more than two (2) years under the provisions of this subsection.
- (3) ~~Active contributing members who had breaks in their participation in the retirement system for reasons of health or for the purpose of obtaining Rank I status, a master's degree in education, or a doctorate degree in education and did not qualify at the time of the absence to obtain credit for the absence, may qualify to obtain credit for the absence under the following conditions:~~

- ~~(a) The period of a qualified absence shall be substantiated and verified in a manner required by the board of trustees;~~
- ~~(b) The member shall receive credit for no more than two (2) years of service under the provisions of this subsection;~~
- ~~(c) The member shall contribute the required percentage based on the salary received the year immediately preceding the qualified absence plus interest at the rate of eight percent (8%) compounded annually from the beginning of the school year following the year of the absence, and by depositing an amount equal to this total in the state accumulation fund; and~~
- ~~(d) Credit for service obtained under this subsection shall be purchased prior to July 1, 1997.~~

~~(4)~~ Contributions permitted under this section after August 1, 1982, shall not be picked-up pursuant to KRS 161.540(2).

Section 18. KRS 161.5461 is amended to read as follows:

- (1) Any active contributing member may purchase service credit as authorized under KRS Chapter 161 by rolling over funds from a previous plan ~~qualified under Section 401(a) or 401(k) of the Internal Revenue Code~~ to the extent that rollovers are permitted by the rules set forth in the Internal Revenue Code. The rollovers may be made directly from a previous qualified plan or through a conduit individual retirement account as permitted by the rules set forth in the Internal Revenue Code.
- (2) Any active contributing member may purchase service credit as authorized under KRS Chapter 161 by transferring funds directly from a retirement plan maintained by the Commonwealth of Kentucky ~~and qualified under Section 401(a) or 401(k) of the Internal Revenue Code,~~ to the extent that transfers are permitted by the rules set forth in the Internal Revenue Code.
- (3) The amount of any transfer or rollover purchase as permitted under subsections (1) and (2) of this section, excluding that portion credited to the medical insurance fund under KRS 161.420(5), shall be credited to the individual member's account and shall be considered accumulated contributions of the member.

Section 19. KRS 161.5465 is amended to read as follows:

On or after August 1, 1998, a member of the Teachers' Retirement System in active contributing status who has a minimum of twenty (20) years of service credit may purchase up to a maximum of five (5) years of service credit that is not otherwise purchasable under any of the provisions of KRS 161.230 to 161.716 and that meets the definition of nonqualified service as provided in Section 1526 of the Federal Taxpayer Relief Act of 1997. The member shall pay the full actuarial cost of the service credit as provided in KRS 161.220(22). The payment shall not be picked up by the employer as described in KRS 161.540(2), and the member's payment shall be credited to the member's contribution account and shall be considered accumulated contributions of the member. Payment by the member may be by lump sum or by installment payments as provided in KRS 161.597. ***Notwithstanding any other statute to the contrary, the Kentucky Teachers' Retirement System shall recognize nonqualified service credit purchased with another retirement system only to the extent that the member had an equivalent number of full months of active employment in the position covered by the other retirement system during the period that the nonqualified service was purchased.***

Section 20. KRS 161.550 is amended to read as follows:

Beginning with July 1, each employer, except as provided under KRS 161.555, shall contribute annually to the retirement system a permanent amount equal to that contributed by ~~its employees who are~~ members of the retirement system ***it employs*** plus an additional three and one-fourths percent (3.25%) of the total of salaries of ~~its employees who are~~ members of the retirement system ***it employs*** to discharge the system's unfunded obligations with interest assumed by the state and to provide funding to the medical insurance fund as provided under KRS 161.420(5). Employer contributions to the retirement system are for the exclusive purpose of providing benefits to members and annuitants and these contributions shall be considered deferred compensation to the members.

Section 21. KRS 161.553 is amended to read as follows:

- (1) The cost of providing statutory benefit improvements for annuitants may be funded by annual appropriations from the state on an actuarial amortized basis over the lifetime of the annuitants. The schedules in subsections (1)(a), (1)(b), and (1)(c) of this section are the annual appropriations which shall be made by the state for benefit improvements approved in the respective fiscal years or bienniums prior to July 1, ~~2004~~~~[2002]~~:

Section 22. KRS 161.555 is amended to read as follows:

Each employer employing members of the Teachers' Retirement System in positions established under educational acts adopted by the federal Congress shall contribute to the Teachers' Retirement System an amount equal to that contributed by the members of that employer ***plus an additional two and forty-five hundredths percent (2.45%) for fiscal years 2003 and 2004. Beginning fiscal year 2005 and each year thereafter, each employer shall contribute an amount equal to the employer contribution provided under Section 20 of this Act.***

Section 23. KRS 161.560 is amended to read as follows:

- (1) Each agency employing members of the retirement system shall deduct from the compensation of each member for each payroll period subsequent to the date the ~~individual~~~~teacher~~ became a member, the percentage of his compensation due under the rates prescribed in KRS 161.540. No later than fifteen (15) days following the end of each payroll period, the agency shall forward all amounts deducted to the Teachers' Retirement System. The retirement system shall charge the employing agency interest at an annual rate not to exceed twelve percent (12%) for deductions not remitted within the specified fifteen (15) days. Payroll reports, contributions lists, and other data required by administrative regulation of the board of trustees shall be submitted. Employers shall submit an annual report, in compliance with requirements of the retirement system, of ~~member~~~~teacher~~ contributions and periods employed to the retirement system no later than August 1 following the completion of each fiscal year. The retirement system may impose a penalty on the employer not to exceed one thousand dollars (\$1,000) when the employer does not meet the August 1 reporting date. The deductions shall be made notwithstanding the fact that the salary as a result may be less than the minimum compensation provided by law. Every member shall be deemed to consent and agree to the deductions, and the deductions shall be considered as having been paid to the member. After August 1, 1982, ~~member~~~~employee~~ contributions shall be picked up by the agency pursuant to KRS 161.540(2).
- (2) If an employer fails to deduct the correct retirement contribution from a member's compensation, the member may make the contribution that should have been deducted by the employer and receive retirement credit for the payment. For correction of omitted member contributions that occur more than one (1) year after the year in which the error was made, the employer shall be responsible for paying interest to the retirement system at a rate of eight percent (8%) from the end of the year in which the service was performed to the date of payment.

Section 24. KRS 161.603 is amended to read as follows:

- (1) Any member retired by reason of service may waive his annuity and return to ~~full-time~~~~regular~~ employment in a position covered by the Teachers' Retirement System. The member shall receive no annuity payments while employed in a covered position, ***shall waive his or her medical insurance coverage with the Kentucky Teachers' Retirement System during the period of reemployment, and shall receive the medical insurance coverage that is generally offered by the member's active employer to the other members of the retirement system employed by the active employer. The member's***~~[but shall continue to be covered by the system's]~~

~~hospital and medical insurance program and his~~ estate **or, if there is a beneficiary applicably designated by the member, then the beneficiary**, shall continue to be eligible for ~~life insurance~~^{death} benefits as provided in KRS 161.655. Service subsequent to retirement shall not be used to improve an annuity, except as provided in subsections (2) and (3) of this section.

- (2) Any member who waives regular annuity benefits and returns to teaching or covered employment shall be entitled to make contributions on the salaries received for this service and have their retirement annuity recalculated as provided in the regular retirement formula in KRS 161.620(1) less any applicable actuarial discount applied to the original retirement allowance due to the election of a joint and last survivor option. Retirement option and beneficiary designation on original retirement shall not be altered by post-retirement employment nor shall dependents and spouses of the members become eligible for benefits under KRS 161.520, 161.525, and 161.661 because of post-retirement employment.
- (3) When a member returns to full-time teaching or covered employment as provided in subsection (2) of this section, the employer is required to withhold and remit regular retirement contributions. The member must be employed full-time for at least one (1) consecutive contract year to be eligible to improve an annuity. The member will be returned to the annuity rolls on July 1 following completion of the contract year or on the first day of the month following the month of termination of service if full-time employment exceeds one (1) consecutive contract year. Any discounts applied at the time of the original retirement due to service or age may be reduced or eliminated due to additional employment if full-time employment is for one (1) contract consecutive year or longer.
- (4) A member retired by reason of service who has been employed the equivalent of twenty-five (25) days or more during a school year under the provisions of KRS 161.605 may waive the member's retirement annuity and return to regular employment covered by the Teachers' Retirement System during that school year a maximum of one (1) time during any five (5) year period, beginning with that school year.

Section 25. KRS 161.605 is amended to read as follows:

Any member retired by reason of service may return to work in a position covered by the Kentucky Teachers' Retirement System and continue to receive his or her retirement allowance under the following conditions:

- (1) ***Any member who is retired with thirty (30) or more years of service may return to work in a full-time or a part-time position covered by the Kentucky Teachers' Retirement System and earn up to a maximum of seventy-five percent (75%) of the member's last annual compensation measured on a daily rate to be determined by the board of trustees. For purposes of determining whether the salary of a member returning to work is seventy-five percent (75%) or less of the member's last annual compensation, all remuneration paid and benefits provided to the member, on an actual dollar or fair market value basis as determined by the retirement system, shall be considered. Members who were retired on or before June 30, 2002, shall be entitled to return to work under the provisions of this section as if they had retired with thirty (30) years of service. Service credit purchased under the provisions of Section 19 of this Act may not be used to meet the thirty (30) year requirement set forth in this subsection.***
- (2) ***Any member who is retired with less than thirty (30) years of service after June 30, 2002, may return to work in a full-time or part-time position covered by the Kentucky Teachers' Retirement System and earn up to a maximum of sixty-five percent (65%) of the member's last annual compensation measured on a daily rate to be determined by the board of trustees. For purposes of determining whether the salary of a member returning to work is sixty-five percent (65%) or less of the member's last annual compensation, all remuneration paid and benefits provided to the member, on an actual dollar or fair market value basis as determined by the retirement system, shall be considered.***
- (3) ***Reemployment of a retired member under subsection (1) or (2) of this section in a full-time teaching or nonteaching position in a local school district shall be permitted only if the employer certifies to the Kentucky Teachers' Retirement System that there are no other qualified applicants available to fill the teaching or nonteaching position. The employer may use any source considered reliable including but not limited to data provided by the Education Professional Standards Board and the Department of Education to determine whether other qualified applicants are available to fill the teaching or nonteaching position. The Kentucky Board of Education shall promulgate administrative regulations to establish procedures to determine whether other qualified applicants are available to fill a teaching or nonteaching position and, if not, for filling the position with a retired member who will then be permitted to return to work in that position under subsection (1) or (2) of this section. The administrative regulations shall assure that a retired member shall not be hired in a teaching or nonteaching position by a local school district until the***

superintendent of the school district assures the Kentucky Teachers' Retirement System that every reasonable effort has been made to recruit other qualified applicants for the position on an annual basis.

- (4) Under this section, an employer may employ full-time a number of retired members not to exceed four percent (4%) of the membership actively employed full-time by that employer. The board of trustees may reduce this four percent (4%) cap upon recommendation of the retirement system's actuary if a reduction is necessary to maintain the actuarial soundness of the retirement system. The board of trustees may increase the four percent (4%) cap upon a determination that an increase is warranted to help address a shortage in the number of available teachers and upon the determination of the retirement system's actuary that the proposed cap increase allows the actuarial soundness of the retirement system to be maintained. For purposes of this subsection, "full-time" means the same as defined by subsection (21) of Section 3 of this Act. A local school district may exceed the quota established by this subsection by making an annual written request to the Kentucky Department of Education which the department may approve on a year-by-year basis if the statewide quota has not been met.*
- (5) A member returning to work in a full-time or part-time position under subsection (1) or (2) of this section will establish a second account with the retirement system that will be administered independently from and with no reciprocal impact with the member's original retirement account. A member returning to work under subsection (1) or (2) of this section shall make contributions to the retirement system at the rate provided under Section 16 of this Act. The second account shall independently meet the five (5) year vesting requirement as well as all other conditions set forth in KRS 161.600(1) before any retirement allowance is payable from this account. The retirement allowance accruing under this second account shall be calculated pursuant to subsection (1)(b) of Section 28 of this Act. This second account shall not entitle the member to a duplication of the benefits offered under Section 30 or 32 of this Act, nor shall this second account provide the benefits offered by KRS 161.520, 161.525, Section 31 of this Act, or KRS 161.663. A member returning to work under subsection (1) or (2) of this section shall waive his or her medical insurance with the Kentucky Teachers' Retirement System during the period of reemployment and shall receive the medical insurance coverage that is generally provided by the member's active employer to the other members of the retirement system that the active employer employs. If medical insurance coverage is not available from the employer, the Kentucky Teachers' Retirement System may provide coverage for the member. A member returning to work under subsection (1) or (2) of this section shall not be eligible to purchase service credit for any service provided after the member's effective date of retirement but prior to the date that the member returns to work. A member returning to work under subsection (1) or (2) of this section shall not be eligible to purchase service credit that the member would have otherwise been eligible to purchase prior to the member's initial retirement. A member who returns to work under subsection (1) or (2) of this section, or in the event of the death of the member, the member's estate or applicably designated beneficiary, shall be entitled, within ninety (90) days of the posting of the annual report submitted by the employer, to a refund of contributions as permitted and limited by Section 11 of this Act.*
- (6) The board of trustees may annually adjust the daily rate of a member's last annual compensation, for each year that the member has been retired for a full twelve (12) month period, by the percentage increase in the annual average of the consumer price index for all urban consumers for the calendar year preceding the adjustment as published by the Federal Bureau of Labor Statistics, not to exceed five percent (5%) annually. Failure to comply with the salary limitations set forth in subsections (1) and (2) of this section as may be adjusted by this subsection shall result in a reduction of the member's retirement allowance or any other benefit to which the member would otherwise be entitled on a dollar-for-dollar basis for each dollar that the member exceeds these salary limitations.*
- (7) A retired member returning to work under subsection (1) or (2) of this section shall have separated from service for a period of at least one (1) year if returning to work for the same employer on a full-time basis, and at least three (3) months if returning to work for a different employer on a full-time basis. A retired member returning to work under subsection (1) or (2) of this section on a part-time basis shall have separated from service for a period of at least three (3) months before returning to work for any employer. Failure to comply with these separation-from-service requirements voids a member's retirement and the member shall be required to return all the retirement benefits he or she received, with interest, for the period of time that the member returned to work without a sufficient separation from service.*
- (8) Members who retired on or before June 30, 2002 may, for the fiscal year concluding on June 30, 2007, be reemployed under the one hundred (100) day provisions of this section as they existed on June 30, 2002, except that members returning to work under those provisions shall make contributions to the Kentucky*

Teachers' Retirement System at the rate provided under Section 16 of this Act and members' employers shall make contributions to the Kentucky Teachers' Retirement System at the rates specified under Section 20 of this Act. Those members returning to work under the one hundred (100) day provisions of this section as they existed on June 30, 2002, shall further waive their medical insurance coverage with the retirement system during the period of reemployment and will instead receive the medical insurance coverage generally provided by their active employer to other members of the retirement system that the active employer employs. If medical insurance coverage is not available from the employer, the Kentucky Teachers' Retirement System may provide coverage for the member. Notwithstanding any other statute to the contrary, retired members returning to work shall under no circumstances be permitted to purchase as service credit service provided under the one hundred (100) day provisions of this section as they existed on June 30, 2002. ~~[Retired members may perform substitute teaching in the public schools for the equivalent of one hundred (100) days in any one (1) school year and receive compensation based on a standard salary schedule adopted by a district for all substitute teachers without reduction in retirement annuities].~~

~~[(2)]~~ A retired member may be employed as a part time or temporary teacher in the public schools for a period not to exceed the equivalent of one hundred (100) days in any one (1) school year.

~~[(3)]~~ Retired members may be employed part time or temporarily in a nonteaching capacity in the public schools and receive compensation for this employment without reduction in retirement annuities, except that retired members may not be employed in excess of a one hundred (100) day period in any one (1) school year.

(9) *The return to work limitations set forth in this section and Section 24 of this Act shall apply to retired members who are returning to work* in the same position from which they retired, or a position substantially similar to the one from which they retired, or any position listed in KRS 161.220(4) which requires membership in the retirement system. Positions which generally require certification or graduation from a four (4) year college or university as a condition of employment which are created, or changed to remove the position from coverage under KRS 161.220(4) are also subject to the *return to work limitations set forth in this section and Section 24 of this Act* ~~one hundred (100) day limitation in this subsection~~. The board of trustees shall determine *whether* ~~if~~ employment in a nonteaching position *is subject to* ~~qualifies for an exemption under~~ this subsection.

(10) *The provisions of subsections (1) to (8) of this section are not subject to KRS 161.714.*

~~[(11)]~~ ~~[(4)]~~ Members retired from an agency listed in KRS 161.220(4)(b) *or (n)* may be employed in a part-time teaching capacity by one (1) of the universities *or community colleges* participating in the Teachers' Retirement System, not to exceed the equivalent of twelve (12) teaching hours in any one (1) fiscal year. *Members retired from an agency listed in subsection (4)(b) or (n) of Section 3 of this Act may be employed for a period not to exceed the equivalent of one hundred (100) days in any one (1) fiscal year in a part-time administrative or nonteaching capacity by one (1) of the universities or community colleges participating in the Teachers' Retirement System in a position that would otherwise be covered by the retirement system. None of these members shall be subject to the return to work provisions set forth in subsections (1) to (8) of this section.*

~~[(5)]~~ Calculation of the number of days for part-time teaching, substitute teaching, or part-time employment in a nonteaching capacity under this section shall not exceed the ratio between a school year and the actual months of retirement for the member during that school year. The board of trustees by administrative regulation may establish fractional equivalents of a day of teaching service.

~~[(12)]~~ ~~[(6)]~~ When a retired member returns to employment *in* ~~as~~ a part-time *teaching capacity* ~~teacher~~ or in a nonteaching capacity as provided in *subsection (11)* ~~subsections (2), (3), and (4)~~ of this section, the employer shall contribute annually to the retirement system on the compensation paid to the retired member at rates determined by the retirement system actuary that reflect accrued liability for *retired members who return to work under subsection (11) of this section* ~~nonuniversity and university members~~.

~~[(7)]~~ The board of trustees shall provide for reemployment of retired members as full time teachers or in a nonteaching capacity under the following conditions:

(a) A retired teacher or administrator may return to full time teaching in a position that has been determined by the commissioner of education to be a critical shortage area as defined in KRS 156.106 and for which the person is certified. When the commissioner of education certifies to the retirement system that qualified applicants are not available to fill teaching or administrative positions in critical academic subject areas, grade levels, or geographic areas, local school districts may employ, as full time

~~employees, during a school fiscal year, up to a maximum of two (2) retired members, or one percent (1%) of the total active members of the retirement system in a school district, whichever is greater. Retired members who are reemployed in a full time position covered by the retirement system shall be rehired on a one (1) year contract in a district other than the one from which they retired following an absence of at least three (3) months or in the same district from which they retired following an absence of at least one (1) year.~~

- ~~(b) Retired members reemployed under this subsection shall remain eligible to receive their retirement annuity.~~
- ~~(c) Retired members reemployed under this subsection shall waive their health insurance coverage with the retirement system during the period of reemployment and receive health insurance coverage that is provided to regular full time employees of the district.~~
- ~~(d) Local school districts shall make annual payments to the retirement system on the compensation paid to the reemployed retirees at rates determined by the retirement system's actuary that reflect accrued liability for nonuniversity members.~~
- ~~(e) Retirees who are reemployed under this provision shall make retirement contributions to the retirement system at rates specified under KRS 161.540 and the employer shall make contributions to the retirement system at rates specified under KRS 161.550. The member's entire contribution and a matching amount from the employer's contribution shall be placed in a separate defined contribution fund administered by the retirement system, with annual interest applied at the actuarially assumed rate. When the retiree's reemployment terminates, the total contributions with interest will be paid in a lump sum or on a monthly straight life basis to the retiree. If the member dies before retiring, the designated beneficiary shall receive a refund, and if there is a remaining balance at the death of the member after retirement, it shall be paid to the beneficiary designated by the member for this benefit.~~
- ~~(f) The provisions pertaining to the reemployment of retired members as full time employees shall be granted by the board of trustees when it is deemed necessary to assist school districts in filling teaching or nonteaching positions in critical academic or geographic areas and when doing so would not create a significant negative impact on the funding status of the retirement system. The provisions of this subsection are optional with the board of trustees and shall not be covered under KRS 161.714].~~

Section 26. KRS 161.611 is amended to read as follows:

- (1) The board of trustees is authorized to provide a supplemental retirement benefit plan for the sole purpose of enabling the employer to apply the same formula for determining benefits payable to all *members of employees covered by* the retirement system *employed by the employer*, whose benefits under the retirement system are limited by Section 415 of the Internal Revenue Code of 1986, as amended from time to time. This plan is intended to constitute a qualified governmental excess benefit plan as described in Section 415 of the Internal Revenue Code.
- (2) The board of trustees shall administer this plan and have full discretionary fiduciary authority to determine all questions in connection with the plan. The board of trustees may adopt procedural rules and administrative regulations and may employ and rely on any legal counsel, actuaries, accountants, and agents as it deems advisable to assist in the administration of this plan.
- (3) All members and retired former members in the retirement system shall be eligible to participate in this plan whenever their benefits under the retirement system would exceed the limitation on benefits imposed by Section 415 of the Internal Revenue Code.
- (4) On or after the effective date of this plan, the employer shall pay to each eligible member in the retirement system who retires on or after that date and to each former member who retired before that date and his or her beneficiaries a supplemental pension benefit, equal to the amount by which the benefit that would have been payable under the retirement system, without regard to any provision therein incorporating the limitation on benefits imposed by Section 415 of the Internal Revenue Code, exceeds the benefit actually payable, taking into account the limitation imposed on the retirement system by Section 415 of the code. These supplemental pension benefits shall be computed and payable under the same terms and conditions and to the same person as the benefits payable to, or on account of, an eligible member under the retirement system.

- (5) Benefits payable under this plan shall not be subject to the dollar limit applicable to eligible deferred compensation plans under Section 457 of the Internal Revenue Code, nor to the "substantial risk or forfeiture" rules of Section 457(f) of the code applicable to ineligible deferred compensation plans. In addition, benefits payable under this plan shall not be taken into account in determining whether any other plan of the employer is an eligible deferred compensation plan under Section 457 of the code.
- (6) Funding of benefits payable under this plan shall be provided by the state, as employer, and shall be segregated from funds that are maintained by the retirement system for payment of the regular benefits provided by the retirement system. The employer may establish a grantor trust for payment of benefits provided under this plan, with the employer treated as "grantor" thereof for purposes of Section 677 of the Internal Revenue Code. The rights of any person to receive benefits under this plan are limited to those of a general creditor of the employer.

Section 27. KRS 161.615 is amended to read as follows:

- (1) The board of trustees is authorized to implement a limited defined contribution plan for the sole purpose of providing retirement allowance payments for retired members who have been approved by the retirement system for full-time reemployment as provided in KRS 161.605.
- (2) The defined contribution plan shall be administered separately from the regular benefits provided for members of the retirement system, except that the contributions to the plan shall be invested in the same manner as other contributions to the retirement system.
- (3) ***The provisions of this section apply only to those retired members who were permitted to return to work under the critical shortage provisions of KRS 161.605(7) as they existed on June 30, 2002. The provisions of this section shall not apply to any retired member returning to work on or after July 1, 2002.*** ~~All retired members of the retirement system who are approved by the retirement system for full time reemployment as provided in KRS 161.605 shall be eligible to participate in the plan.~~
- (4) Separate member accounts shall be maintained for participants in this plan which shall reflect the annual contributions made to the participant's account based on the rates and interest levels specified in KRS 161.605.
- (5) When the retiree's reemployment terminates, the total contributions and accrued interest in the participant's account will be paid in a lump sum payment or on an actuarial straight life monthly basis to the retiree. If the member dies prior to making application for a retirement allowance under this plan, the beneficiary designated by the participant for this plan shall receive a refund of the funds in the account. If there is a remaining balance in the account at the death of the participant after retirement from this plan, it shall be paid to the beneficiary designated by the participant for this benefit.
- (6) Retired members shall be eligible to receive their retirement annuity when approved for reemployment and participation in this plan. Service as a reemployed retiree may not be used in any manner for credit under the regular retirement benefit plans provided by the retirement system.

Section 28. KRS 161.620 is amended to read as follows:

- (1) The retirement allowance, in the form of a life annuity with refundable balance, of a member retiring for service shall be calculated as follows:
 - (a) For retirements effective July 1, 1998, and thereafter, ***except as otherwise provided by this section***, the annual allowance for each year of service shall be two percent (2%) of the final average salary for service performed prior to July 1, 1983, and two and one-half percent (2.5%) of the final average salary for service performed after July 1, 1983, for all members not employed by a state college or university. The annual retirement allowance for each year of service performed ~~by members of state colleges or universities that participate in~~ ***the Teachers' Retirement System who are members under the provisions of subsection (4)(b) or (n) of Section 3 of this Act*** shall be two percent (2%) of the final average salary. Actuarial discounts due to age or service credit at retirement may be applied as provided in this section; and
 - (b) ***For individuals who become members of the Kentucky Teachers' Retirement System on or after July 1, 2002, except those persons who become members under subsection (4)(b) or (n) of Section 3 of this Act, and who upon retirement have earned less than ten (10) full years of service credit, the retirement allowance shall be two percent (2%) of the member's final average salary for each year of service. For individuals who become members of the Kentucky Teachers' Retirement System on or after July 1, 2002, except those persons who become members under subsection (4)(b) or (n) of***

Section 3 of this Act, and who upon retirement have earned at least ten (10) full years of service credit, the annual allowance for each year of service shall be two and one-half percent (2.5%) of the member's final average salary.

- (c) *The board of trustees may approve for members who initially retire on or after July 1, 2004, except those persons who are members under subsection (4)(b) or (n) of Section 3 of this Act, a retirement allowance of three percent (3%) of the member's final average salary for each year of service credit earned in excess of thirty (30) years. This three percent (3%) factor shall be in lieu of the two and one-half percent (2.5%) factor provided for in paragraph (b) of this subsection for every year or fraction of a year of service in excess of thirty (30) years. Upon approval of this three percent (3%) retirement factor, the board of trustees may establish conditions of eligibility regarding the type of service credit that will qualify for meeting the requirements of this subsection. This subsection is optional with the board of trustees and shall not be subject to KRS 161.714.*
- (d) The retirement allowance of a member at retirement shall not exceed the member's last annual compensation or the member's final average salary, whichever is the greater amount.
- (2) Effective July 1, ~~2002~~~~[1990]~~, and annually on July 1 thereafter, the retirement allowance of each retired member and of each beneficiary of a retirement option~~[who has been retired at least ten (10) months]~~ shall be increased in the amount of one and one-half percent (1.5%), *provided the retired member had been retired for at least the full twelve (12) months immediately preceding the date that the increase is effective. In the event that the retired member had been retired for less than the full twelve (12) months immediately preceding the date that the increase is effective, then the increase shall be reduced on a pro rata basis by each month that the retired member had not been retired for the full twelve (12) months immediately preceding the effective date of the increase.*
- (3) Any member qualifying for retirement under a life annuity with refundable balance shall be entitled to receive an annual allowance amounting to not less than *four hundred dollars (\$400) effective July 1, 2002, and not less than four hundred forty dollars (\$440) effective July 1, 2003*~~[three hundred twenty five dollars (\$325) effective July 1, 2000, and three hundred thirty five dollars (\$335) effective July 1, 2001]~~, multiplied by the service credit years of the member. These minimums shall apply to the retired members receiving annuity payments and to those members retiring on or subsequent to the effective dates listed in this subsection.
- (4) The minimum retirement allowance provided in this section shall apply in the case of members retired or retiring under an option other than a life annuity with refundable balance in the same proportion to the benefits of the member and his beneficiary or beneficiaries as provided in the duly-adopted option tables at the time of the member's retirement.
- (5) Effective July 1, ~~2002~~~~[2000]~~, the monthly allowance of each *retired* member~~[retired for at least one (1) year,]~~ and each recipient of a retirement option of the retired member *may*~~[shall]~~ be increased in an amount not to exceed *one and four-tenths percent (1.4%)*~~[eight tenths of one percent (0.8%)]~~ of the monthly allowance in effect the previous month, *provided the retired member had been retired for at least the full twelve (12) months immediately preceding the date that the increase is effective. In the event that the retired member had been retired for less than the full twelve (12) months immediately preceding the date that the increase is effective, then the increase shall be reduced on a pro rata basis by each month that the retired member had not been retired for the full twelve (12) months immediately preceding the effective date of the increase.* The level of increase provided for in this subsection shall be determined by the funding provided in the ~~2002-2004~~~~[2000-2002]~~ biennium budget appropriation.
- (6) Effective July 1, ~~2003~~~~[2004]~~, the monthly allowance of each *retired* member~~[retired for at least one (1) year,]~~ and each recipient of a retirement option of the retired member *may*~~[shall]~~ be increased in an amount not to exceed *one and one-half percent (1.5%)*~~[1.0%]~~ of the monthly allowance in effect the previous month, *provided the retired member had been retired for at least the full twelve (12) months immediately preceding the date that the increase is effective. In the event that the retired member had been retired for less than the full twelve (12) months immediately preceding the date that the increase is effective, then the increase shall be reduced on a pro rata basis by each month that the retired member had not been retired for the full twelve (12) months immediately preceding the effective date of the increase.* The level of increase provided for in this subsection shall be determined by the funding provided in the ~~2002-2004~~~~[2000-2002]~~ biennium budget appropriation.

- (7) Effective July 1, 1990, monthly payments of two hundred dollars (\$200) shall be payable for the benefit of an adult child of a member retired for service when the child's mental or physical condition is sufficient to cause dependency on the member at the time of retirement. Eligibility for this payment shall continue for the life of the child or until the time the mental or physical condition creating the dependency no longer exists or the child marries. Benefits under this subsection shall apply to legally adopted survivors provided the proceedings for the adoption were initiated at least one (1) year prior to the death of the member. The board of trustees shall be the sole judge of eligibility or dependency and may require formal application or information relating thereto.
- (8) Members of the Teachers' Retirement System shall be subject to the annuity income limitations imposed by Section 415 of the Internal Revenue Service Code~~[as enacted in 1988]~~.
- (9) Compensation in excess of the limitations imposed by Section 401(a)(17) of the Internal Revenue Code shall not be used in determining a member's~~[regular]~~ retirement annuity~~[but shall be used in determining retirement allowance payments under the supplemental retirement plan of the retirement system which is intended to constitute a qualified governmental excess benefit plan as provided in Section 415 of the Internal Revenue Code]~~. The limitation on compensation for eligible members shall not be less than the amount which was allowed to be taken into account by the retirement system in effect on July 1, 1993. For this purpose, an eligible member is an individual who was a member of the retirement system before the first plan year beginning after December 31, 1995.

Section 29. KRS 161.623 is amended to read as follows:

- (1) Effective July 1, 1982, and thereafter, a district board of education or other employer of members of the Teachers' Retirement System may compensate, at the time of retirement for service, an active **contributing member**~~[teacher]~~ for unused sick-leave days in accordance with this section.
- (2) Upon the member's application for service retirement, the employer shall certify the retiring member's unused accumulated sick-leave balance to the board of trustees of the Kentucky Teachers' Retirement System. The member's sick-leave balance, expressed in days, shall be divided by one hundred eighty-five (185) days to determine the amount of service credit that may be considered for addition to the member's retirement account for the purpose of determining the retirement allowance under KRS 161.620. Such sick-leave credit shall not be used for the purpose of determining whether the member is eligible to receive a retirement allowance~~[under KRS 161.600]~~.
- (3) The board shall compute the cost to the retirement system of the sick-leave credit for each retiring member and shall bill the last employer of the retiring member for such cost. The employer shall pay the cost of such service credit to the retirement system within fifteen (15) days after receiving notification of the cost from the board.
- (4) Retiring members who receive service credit under this section shall not be eligible to receive compensation for accrued sick leave under KRS 161.155(9) or any other statutory provision.
- (5) Employer participation is optional and the employer may opt to purchase less service credit than the member is eligible to receive provided the same percentage of reduction is made applicable to all retiring members of the employer during a school fiscal year.
- (6) The board of trustees shall formulate and adopt necessary rules and regulations for the administration of the foregoing provisions.
- (7) Payments to the retirement system for service credit obtained under this section or for compensation credit obtained under KRS 161.155(9) shall be based on the full actuarial cost as defined in KRS 161.220(22).

Section 30. KRS 161.655 is amended to read as follows:

- (1) Effective July 1, 2000, the Teachers' Retirement System shall provide a life insurance benefit in a minimum amount of five thousand dollars (\$5,000) for its members who are retired for service or disability. This life insurance **benefit**~~[policy]~~ shall be payable upon the death of a member retired for service or disability to the member's estate or to a party designated by the member on a form prescribed by the retirement system. The Teachers' Retirement System shall provide a life insurance benefit in a minimum amount of two thousand dollars (\$2,000) for its active contributing members. This life insurance **benefit**~~[policy]~~ shall be payable upon the death of an active contributing member to the member's estate or to a party designated by the member on a form prescribed by the retirement system. Application for payment of life insurance proceeds shall be made to the Teachers' Retirement System together with acceptable evidence of death and eligibility. The reciprocal

provisions of KRS 61.680(2)(a) shall not apply to the coverage and payment of proceeds by the life insurance benefit under this section.

- (2) Suit or civil action shall not be required for the collection of the proceeds of the life insurance benefit provided for by this section, but nothing in this section shall prevent the maintenance of suit or civil action against the beneficiary or legal representative receiving the proceeds of the life insurance benefit.

Section 31. KRS 161.661 is amended to read as follows:

- (1) Any member who has completed five (5) or more years of accredited service in the public schools of Kentucky after July 1, 1941, may retire for disability and be granted a disability allowance if found to be eligible as provided in this section. Application for disability benefits shall be made within one (1) year of the last contributing service in Kentucky, and the disability must have occurred during the most recent period of employment in a position covered by the Teachers' Retirement System and subsequent to the completion of five (5) years of teaching service in Kentucky. A disability occurring during the regular vacation immediately following the last period of active service in Kentucky or during an official leave for which the member is entitled to make regular contributions to the retirement system, shall be considered as having occurred during a period of active service. The annual disability allowance shall be equal to sixty percent (60%) of the member's final average salary. ***Members with twenty-seven (27) or more years of service credit are eligible for service retirement only***~~[, except that a member retiring for disability who is also eligible for service retirement may elect to have the benefit calculated on the service retirement formula and may choose any of the retirement options provided for service retirement].~~
- (2) The provisions of KRS 161.520, 161.525, and subsections (3), (4), and (5) of this section shall not apply to disability retirees whose benefits were calculated on the service retirement formula nor to survivors of these members.
- (3) Members shall earn one (1) year of entitlement to disability retirement, at sixty percent (60%) of the member's final average salary, for each four (4) years of service in a covered position, but any member meeting the service requirement for disability retirement shall be credited with no less than five (5) years of eligibility.
- (4) A member retired by reason of disability shall continue to earn service credit at the rate of one (1) year for each year retired for disability. This service shall be credited to the member's account at the expiration of entitlement as defined in subsection (3) of this section, or when the member's eligibility for disability benefits is terminated upon recommendation of a medical review committee, and this service shall be used in calculating benefits as provided in subsection (5) of this section, ***but under no circumstances shall this service be used to provide the member with more than twenty-seven (27) years of total service credit***. The service credit shall be valued at the same level as service earned by active members ***as provided under KRS 161.600 and Section 28 of this Act***.
- (5) Any member retired by reason of disability and remaining disabled at the expiration of the entitlement period shall have his disability benefits recalculated using the service retirement formula with service credit as set out in subsection (4) of this section. The retirement allowance shall be calculated as set forth in KRS 161.620, except that those persons less than sixty (60) years of age shall be considered as sixty (60) years of age. ***Members having their disability benefits recalculated under this subsection shall not be entitled to a benefit based upon an average of their three (3) highest salaries as set forth in subsection (9) of Section 3 of this Act, unless approved otherwise by the board of trustees***.
- (6) Members who have their disability retirement allowance recalculated at the expiration of the entitlement period shall continue to have coverage under the post-retirement medical insurance program. Restrictions on employment shall remain in effect until the member attains age seventy (70) or until the member's eligibility is discontinued. KRS 161.520 and 161.525 shall not apply to survivors of disability retirees whose retirement allowances have been recalculated at the expiration of the entitlement period. Members who have their disability retirement allowance recalculated at the expiration of their entitlement period shall be entitled to a minimum monthly allowance of five hundred dollars (\$500) as the basic straight life annuity. The minimum allowance shall be effective July 1, 1992, and shall apply to those members who have had their allowance recalculated prior to that date and to disability retirees who will have their benefit allowance recalculated on or after that date.

- (7) Effective July 1, 1992, members retired for disability prior to July 1, 1964, shall be entitled to a minimum monthly allowance of five hundred dollars (\$500) as their basic straight life annuity and their surviving spouse shall be eligible for survivor benefits as provided in KRS 161.520(1)(a) and (b).
- (8) Any member retired by reason of disability may voluntarily waive disability benefits and return to teaching or any member, who is age sixty (60) years or older, may elect to waive disability benefits and retire for service on the basis of service credited to the member on the effective date of the disability retirement.
- (9) In order to qualify for retirement by reason of disability a member must suffer from a physical or mental condition presumed to be permanent in duration and of a nature as to render the member incapable of being gainfully employed in a covered position. The incapability must be revealed by a competent examination by a licensed physician or physicians and must be approved by a majority of a medical review committee.
- (10) A member retired by reason of disability shall be required to undergo periodic examinations at the discretion of the board of trustees to determine whether the disability allowance shall be continued. When examination and recommendation of a medical review committee indicate the disability no longer exists, the allowance shall be discontinued.
- (11) Eligibility for payment shall begin on the first day of the month following receipt of the application in the Teachers' Retirement System office, or the first of the month next following the last payment of salary or sick leave benefits by the employer, whichever is the later date.
- (12) No person who receives a disability allowance may be employed in a position that entails duties or qualification requirements similar to positions subject to participation in the retirement system either within or without the State of Kentucky. So doing shall constitute a misdemeanor and shall result in loss of the allowance from the first date of this service. *A member who applies for and is approved for disability retirement on or after July 1, 2002, and whose annual disability benefit is less than forty thousand dollars (\$40,000) may earn income in any occupation other than covered employment only to the extent that the annual income from the other employment when added to the annual disability benefit does not exceed forty thousand dollars (\$40,000). For any member who exceeds this limit as a result of income from other employment, the Kentucky Teachers' Retirement System shall reduce the member's disability benefit on a dollar-for-dollar basis for each dollar that the member's combined annual disability benefit and annual income from other employment exceeds forty thousand dollars (\$40,000). The board of trustees may annually increase the forty thousand dollar (\$40,000) limit by the percentage increase in the annual average of the consumer price index for all urban consumers for the most recent calendar year as published by the Federal Bureau of Labor Statistics, not to exceed five percent (5%). All members who applied for disability retirement before July 1, 2002, and were approved as a result of that application shall be subject to the income limitations as they existed on June 30, 2002.* The recipient of a disability allowance who engages in any gainful occupation other than covered employment must make a report of the duties involved, compensation received, and any other pertinent information required by the board of trustees. ~~If the annual income from other employment plus the disability benefit exceed the sum of twenty seven thousand dollars (\$27,000) or the last earned compensation, whichever is the greater amount, the benefit shall be reduced to an amount which with earned income will not exceed the last earned compensation or twenty seven thousand dollars (\$27,000); whichever is the greater amount. In no case shall the benefit be reduced to less than seventy five dollars (\$75) per month, if the member has five (5) or more years of contributing service in the Teachers' Retirement System.~~
- (13) The board of trustees shall designate medical review committees, each consisting of three (3) licensed physicians. A medical review committee shall pass upon all applications for disability retirement and upon all *applicant* statements, *medical* certifications, and examinations submitted in connection with disability applications. The disposition of each case shall be recommended by a medical review committee in writing to the *retirement system* ~~board of trustees~~. Members of a medical review committee shall follow administrative regulations regarding procedures as the board of trustees may enact and shall be paid reasonable fees and expenses as authorized by the board of trustees in compliance with the provisions of KRS 161.330 and 161.340. The *retirement system* ~~board of trustees~~ may secure additional medical *examinations* ~~service~~ and information as it deems necessary. *A member may appeal any final agency decision denying his or her disability retirement application pursuant to the provisions of subsection (2) of Section 4 of this Act* ~~The board of trustees shall promulgate administrative regulations that specify member appeal procedures.~~
- (14) A disability may be presumed to be permanent if the condition creating the disability may be reasonably expected to continue for one (1) year or more from the date of application for disability benefits.

- (15) Any member who has voluntarily waived disability benefits or whose disability benefits have been discontinued on recommendation of a medical review committee, may apply for reinstatement of disability benefits. The application for reinstatement must be made to the retirement system within twelve (12) months of the date disability benefits terminated. If the termination of benefits were voluntary, the reinstatement may be made without medical examination if application is made within three (3) months of the termination date. Other applications for reinstatement will be processed in the same manner as new applications for benefits.
- (16) No person who is receiving disability benefits under this section may be employed in a position which qualifies the person for membership in a retirement system financed wholly or in part with public funds. Employment in a position prohibited by this subsection shall result in disqualification for those disability benefits from the date of employment in the prohibited position.
- (17) Any person who is receiving benefits and becomes disqualified from receiving those benefits under this section, ***or becomes disqualified from receiving a portion of those benefits due to income from other than covered employment***, shall immediately notify the Teachers' Retirement System of this disqualification in writing and shall return all benefits paid after the date of disqualification. Failure to comply with these provisions shall create an indebtedness of that person to the Teachers' Retirement System. Interest at the rate of eight percent (8%) per annum shall be charged if the debt is not repaid within sixty (60) days after the date of disqualification. Failure to repay this debt creates a lien in favor of the Teachers' Retirement System upon all property of the person who improperly receives benefits and does not repay those benefits. ***The Kentucky Teachers' Retirement System may, in order to collect an outstanding debt, reduce or terminate any benefit that a member is otherwise entitled to receive.***

Section 32. KRS 161.675 is amended to read as follows:

- (1) The board of trustees shall arrange by appropriate contract or on a self-insured basis to provide a broad program of group hospital and medical insurance for present and future eligible recipients of a retirement allowance from the Teachers' Retirement System. The board of trustees may also arrange to provide health insurance coverage by health maintenance organizations as defined in KRS 18A.225 as an alternative to group hospital and medical insurance for persons eligible for hospital and medical benefits under this section. The board of trustees may authorize present and future eligible recipients of a retirement allowance from the Teachers' Retirement System who are less than age sixty-five (65) to be included in the state-sponsored health insurance that is provided to active teachers and state employees under KRS 18A.225. Members who are sixty-five (65) or older and retired for service shall not be eligible to participate in the state employee health insurance program as described in KRS 18A.225.
- (2) The coverage provided shall be as set forth in the contracts and the administrative regulations of the board of trustees. The board of trustees may change the levels of coverage and eligibility conditions to meet the changing needs of the annuitants and when necessary to contain the expenses of the insurance program within the funds available to finance the insurance program. The contracts and administrative regulations shall provide for, but not be limited to, hospital room and board, surgical procedures, doctors' care in the hospital, and miscellaneous hospital costs. ***An annuitant***~~[A retiree]~~ whose effective date of retirement is July 1, 1974, and thereafter, must have a minimum of five (5) years creditable Kentucky service in the Teachers' Retirement System or ***five (5) years of combined creditable service in the state-administered retirement systems if the member is retiring under the reciprocity provisions of KRS 61.680 and 61.702. A member retiring under the reciprocity provisions of KRS 61.680 and 61.702 may not elect coverage through more than one (1) of the state-administered retirement systems***~~[of combined service in the Kentucky Employees Retirement System, of which at least two (2) years was creditable service under KRS 161.607(2), to qualify for the coverage]~~. The board of trustees shall offer coverage to the disabled child of ***an annuitant***~~[a retired member]~~ regardless of the disabled child's age if the ***annuitant***~~[retired member]~~ pays the entire premium for the disabled child's coverage. A child shall be considered disabled if he has been determined to be eligible for federal Social Security disability benefits.
- (3) All expenses for benefits under this section shall be paid from the funding provisions contained in KRS 161.420(5), premium charges received from the annuitants and the spouses, and from funds that may be appropriated or allocated by statute.
- (4) (a) The board of trustees shall determine the amount of health insurance supplement payments that the Teachers' Retirement System will provide to assist eligible ***annuitants***~~[recipients of a retirement allowance]~~ in paying the cost of their health insurance, based on the funds available in the medical

insurance fund. The board of trustees shall establish the maximum monthly amounts of health insurance supplement payments that will be made by the retirement system for eligible ~~annuitants~~~~[recipients of a retirement allowance]~~. The board of trustees shall annually establish the percentage of the maximum monthly health insurance supplement payment that will be made, based on age and years of service credit of eligible recipients of a retirement allowance. Monthly health insurance supplement payments made by the retirement system may not exceed the amount of the single coverage insurance premium chosen by the eligible ~~annuitants~~~~[recipients of a retirement allowance]~~. In order to qualify for health insurance supplements made by the retirement system, the ~~annuitant~~~~[recipient of a supplement payment]~~ must agree to pay the difference between the insurance premium and the applicable supplement payment, by payroll deduction from his retirement allowance, or by a payment method approved by the retirement system.

- (b) The board of trustees may offer, on a full-cost basis, health care insurance coverage provided by the retirement system to spouses and dependents of eligible ~~annuitants~~~~[retirees]~~ not *otherwise* eligible for regular coverage. Recipients of a retirement allowance from the retirement system must agree to pay the cost of this coverage by payroll deduction from their retirement allowance or by a payment method approved by the retirement system.
- (c) The board of trustees shall offer, on a full-cost basis, health insurance coverage provided by the retirement system to the disabled child of *an annuitant*~~[a retired member]~~, regardless of the age of the disabled child. A child shall be considered disabled for purposes of this section if the child has been determined to be eligible for federal Social Security disability benefits.
- (5) The board of trustees is empowered to require the annuitant and the annuitant's spouse to pay a premium charge to assist in the financing of the hospital and medical insurance program. The board of trustees is empowered to pay the expenses for insurance coverage from the medical insurance fund, from the premium charges received from the annuitants and the spouses, and from funds that may be appropriated or allocated by statute. The board may provide insurance coverage by making payment to insurance carriers including health insurance plans that are available to active and retired state employees and active teachers, institutions, and individuals for services performed, or the board of trustees may elect to provide insurance on a "self-insurance" basis or a combination of these provisions.
- (6) The board of trustees may approve health insurance supplement payments to eligible ~~annuitants~~~~[retirees or recipients]~~ who are less than sixty-five (65) years of age, as reimbursement for hospital and medical insurance premiums made by ~~annuitants~~~~[retirees]~~ for their individual coverage. Eligible ~~annuitants~~~~[retirees]~~ or recipients are those ~~annuitants~~~~[retirees or recipients]~~ who are not eligible for Medicare and who do not reside in Kentucky or in an area outside of Kentucky where comparable coverage is available. The reimbursement payments shall not exceed the minimum supplement payment that would have been made had the ~~annuitant~~~~[retiree]~~ lived in Kentucky. Eligible ~~annuitants~~~~[retirees]~~ or recipients shall submit proof of payment to the retirement system for hospital and medical insurance that they have obtained. Reimbursement payments shall be made on a quarterly basis.
- (7) Contracts negotiated may include the provision that a stated amount of hospital cost or period of hospitalization shall incur no obligation on the part of the insurance carrier or the retirement system.
- (8) The board of trustees is empowered to promulgate administrative regulations to assure efficient operation of the hospital and medical insurance program.
- (9) Premiums paid for hospital and medical insurance coverage procured under authority of this section shall be exempt from any premium tax which might otherwise be required under KRS Chapter 136. The payment of premiums by the insurance fund shall not constitute taxable income to an insured recipient.
- (10) *In the event that a member is providing services on less than a full-time basis under Section 25 of this Act, the retirement system may pay the full cost of the member's health insurance coverage for the full fiscal year that the member is providing those services, at the conclusion of which, the retirement system may then bill the active employer and the active employer shall reimburse the retirement system for the cost of the health insurance coverage incurred by the retirement system on a pro rata basis for the time that the member was employed by the active employer.*

Section 33. KRS 161.700 is amended to read as follows:

- (1) The right of a ~~member~~~~[teacher]~~ to a retirement allowance and to the return of contributions, any benefit or right accrued or accruing to any person under the retirement system, and the money in the various funds of the

retirement system are exempt from any state or municipal tax, are not subject to execution, garnishment, attachment, or other process, and are unassignable except as provided in this chapter, and except for court or administratively ordered current child support, owed child support, or to-be-owed child support. Except retirement benefits accrued or accruing to any person under this retirement system on or after January 1, 1998, shall be subject to the tax imposed by KRS 141.020, to the extent provided in KRS 141.010 and 141.0215.

- (2) Retirement allowance, disability allowance, accumulated contributions, or any other benefit under the retirement system shall not be classified as marital property pursuant to KRS 403.190(1). Retirement allowance, disability allowance, accumulated contributions, or any other benefit under the retirement system shall not be considered as an economic circumstance during the division of marital property in an action for dissolution of marriage pursuant to KRS 403.190(1)(d).

Section 34. KRS 18A.225 is amended to read as follows:

- (1) (a) The term "health maintenance organization" for the purposes of this section means a health maintenance organization as defined in KRS 304.38-030 or as a nonprofit hospital, medical-surgical, dental, and health service corporation, which has been licensed by the Kentucky Health Facilities and Health Services Certificate of Need and Licensure Board or its successor agency and issued a certificate of authority by the Department of Insurance as a health maintenance organization or as a nonprofit hospital, medical-surgical, dental, and health service corporation and which is qualified under the requirements of the United States Department of Health, Education and Welfare except as provided in subsection (2) of this section; and
 - (b) The term "state employee" for purposes of this section shall include a person, including an elected public official, who is regularly employed by any department, board, agency, branch of state government, or any municipal, urban-county, charter county, or county government, whose legislative body has opted to participate in the state health insurance program pursuant to KRS 79.080 and who is a contributing member to any one (1) of the retirement systems administered by the state. It shall also include a person who must fulfill the requirements established by the Kentucky Board of Education for eligibility and a person who is a present or future recipient of a retirement allowance from any of the Kentucky Retirement Systems who either satisfies the requirements of KRS 61.559 or who is board authorized under KRS 61.702(1), including a beneficiary of a retired employee as defined in KRS 61.542 who is receiving a retirement allowance from any of the Kentucky Retirement Systems and includes members of the Legislators' Retirement Plan as provided in KRS 18A.2287. It shall also include a person who is a present or future recipient of a retirement allowance from the Teachers' Retirement System of Kentucky who either satisfies the requirements of KRS 161.525, 161.620, and 161.675 or who is board certified, including a beneficiary of a retired member who is receiving a retirement allowance from the Teachers' Retirement System of Kentucky, except that a member who is receiving a retirement allowance from the Teachers' Retirement System and who is age sixty-five (65) or older shall not be included ***unless that member is reemployed in a position covered by any one (1) of the state-administered retirement systems.***
- (2) (a) The secretary of the Finance and Administration Cabinet, upon the recommendation of the secretary of the Personnel Cabinet, shall procure, in compliance with the provisions of KRS 45A.080, 45A.085, and 45A.090, from one (1) or more health insurance companies or from one (1) or more health maintenance organizations authorized to do business in this state, a policy or policies of group health care coverage including, but not limited to, indemnity, health maintenance organization (HMO), preferred provider organization (PPO), point of service (POS), and exclusive provider organization (EPO) benefit plans encompassing all or any class or classes of state employees. Health insurance coverage provided to state employees under this section shall, at a minimum, contain the same benefits as provided under Kentucky Kare Standard as of January 1, 1994. All state employees and other persons for whom the health care coverage is provided or made available shall annually be given an option to elect health care coverage through a self-funded plan offered by the state or, if a self-funded plan is not available, from a list of coverage options determined by the competitive bid process under the provisions of KRS 45A.080, 45A.085, and 45A.090 and made available during annual open enrollment. For calendar year 2001 only, an emergency shall exist when any county in which only one (1) health insurance company offers a single plan to state employees and, subsequent to the open enrollment period, the health insurance company fails to maintain at least sixty-five percent (65%) of its contracts within the geographic region with specialty physicians who were participating in the network at the time of open enrollment. The

Finance and Administration Cabinet shall immediately notify the Governor, the Legislative Research Commission, and the secretary of the Personnel Cabinet and shall be authorized to immediately negotiate and contract with additional health insurance companies for additional plans to serve any county without meeting the requirements of the Model Procurement Code under KRS Chapter 45.

Furthermore, any carrier bidding to offer health care coverage to members of the state group shall also agree to rate all such members of the state group as a single entity, except for those retirees whose former employers insure their active employees outside the state health insurance program.
 - (d) Any carrier bidding to offer health care coverage to any member of the state group shall agree to provide enrollment, claims, and utilization data to the Commonwealth in a format specified by the Personnel Cabinet with the understanding that the data shall be owned by the Commonwealth; to provide data in an electronic form and within a time frame specified by the Personnel Cabinet; and to be subject to penalties for noncompliance of data reporting requirements as specified by the Personnel Cabinet. The Personnel Cabinet shall take strict precautions to protect the confidentiality of each individual member; however, confidentiality assertions shall not relieve a carrier from the requirement of providing stipulated data to the Commonwealth.
 - (e) The Personnel Cabinet shall develop the necessary techniques and capabilities for timely analysis of data received from carriers and, to the extent possible, provide in the request-for-proposal specifics relating to data requirements, electronic reporting, and penalties for noncompliance. The Commonwealth shall own the enrollment, claims, and utilization data provided by each carrier and shall develop methods to protect the confidentiality of the individual. The Personnel Cabinet shall provide to the General Assembly in June of each year an analysis of enrollment, claims, utilization data of all carriers for the prior plan year ending December 31, and on the financial stability of the program. The report shall include, but not be limited to, loss ratios, methods of risk adjustment, measurements of carrier quality of service, prescription coverage and cost management, paid dependent coverage, and statutorily required mandates. If state self-insurance was available as a carrier option, the report also shall provide a detailed financial analysis of the self-insurance fund including, but not limited to, loss ratios, reserves, and reinsurance agreements.
 - (f) If any agency participating in the state employee health insurance program for its active members terminates participation in the state employee health insurance program for its active members and there is a state appropriation for the employer's contribution for active employees' health insurance coverage, neither the agency nor the employees shall receive the state-funded contribution after termination from the state employee health insurance program.
 - (g) Any funds in flexible spending accounts that remain after all reimbursements have been processed shall be transferred to the credit of the state health insurance plan's appropriation account.
- (3) The secretary of the Finance and Administration Cabinet, upon the recommendation of the secretary of the Personnel Cabinet, may procure from one (1) or more dental insurance companies, one (1) or more nonprofit hospital, medical-surgical, dental, and health service corporations organized under Subtitle 32 of KRS Chapter 304, or one (1) or more prepaid dental plan organizations organized under Subtitle 43 of KRS Chapter 304, a policy or policies of group dental insurance or prepaid dental plan coverage encompassing all or any class or classes of state employees. All state employees for whom the dental insurance or prepaid dental plan coverage is provided shall annually be given an option to elect either standard dental insurance coverage or coverage by a prepaid dental plan. The policy or policies shall be approved by the commissioner of insurance and may contain the provisions he approves, whether or not otherwise permitted by the insurance laws. It is intended that either dental insurance or prepaid dental plan coverage may be made available for state employees, except that the procuring of each is permissive.
- (4) The premiums may be paid by the policyholder:
- (a) Wholly from funds contributed by the insured employee, by payroll deduction or otherwise;

- (b) Wholly from funds contributed by any department, board, agency, or branch of state, municipal, urban-county, charter county, or county government; or
 - (c) Partly from each, except that any premium due for health care coverage or dental coverage, if any, in excess of the premium amount contributed by any department, board, agency, or branch of state, municipal, urban-county, charter county, or county government for any other health care coverage shall be paid by the employee.
- (5) If an employee moves his place of residence or employment out of the service area of a managed health care plan or of a prepaid dental plan, under which he has elected coverage, into either the service area of another managed health care plan or prepaid dental plan or into an area of the state not within a managed health care plan service area or prepaid dental plan service area, the employee shall be given an option, at the time of the move or transfer, to change his or her coverage to another health care plan or dental plan.
 - (6) No payment of premium by any department, board, agency, or branch of state, municipal, urban-county, charter county, or county government shall constitute compensation to an insured employee for the purposes of any statute fixing or limiting the compensation of such an employee. Any premium or other expense incurred by any department, board, agency, or branch of state, municipal, urban-county, charter county, or county government shall be considered a proper cost of administration.
 - (7) The policy or policies may contain the provisions with respect to the class or classes of employees covered, amounts of insurance or coverage for designated classes or groups of employees, policy options, terms of eligibility, continuation of insurance or coverage after retirement, and other provisions the commissioner of insurance may approve.
 - (8) The policy or policies shall contain the provision that employees or retired employees shall be allowed to change health care plans during the reopening period without any limitation for pre-existing conditions if the employee has met the pre-existing condition limitation upon initial employment or reemployment with the group.
 - (9) The secretary of the Finance and Administration Cabinet is authorized to perform all acts necessary or advisable for the purpose of contracting for and maintaining health care coverage and dental coverage under the provisions of this section.
 - (10) Group rates under this section shall be made available to the disabled child of a state employee regardless of the child's age if the entire premium for the disabled child's coverage is paid by the state employee. A child shall be considered disabled if he has been determined to be eligible for federal Social Security disability benefits.
 - (11) The health care contract or contracts for state employees shall be entered into for a period of not less than one (1) year.
 - (12) The secretary shall appoint twenty-eight (28) persons to an Advisory Committee of State Health Insurance Subscribers to advise the secretary or his designee regarding the state health insurance program for state employees. The advisory committee shall be appointed in January of each year and shall meet quarterly.
 - (13) Notwithstanding any other provision of law to the contrary, the policy or policies provided to state employees pursuant to this section shall not provide coverage for obtaining or performing an abortion, nor shall any state funds be used for the purpose of obtaining or performing an abortion on behalf of state employees or their dependents.

- (14) Interruption of an established treatment regime with maintenance drugs shall be grounds for an insured to appeal a formulary change through the established appeal procedures approved by the Personnel Cabinet, if the physician supervising the treatment certifies that the change is not in the best interests of the patient.

The administrative regulations shall give preference to the hiring or assignment of certified personnel over nonteaching personnel in coaching positions.

- (3) (a) The Kentucky Board of Education is hereby authorized to lease from the State Property and Buildings Commission, or others, whether public or private, any lands, buildings, structures, installations, and facilities suitable for use in establishing and furthering television and related facilities as an aid or supplement to classroom instruction, throughout the Commonwealth, and for incidental use in any other proper public functions. The lease may be for any initial term commencing with the date of the lease and ending with the next ensuing June 30, which is the close of the then-current fiscal biennium of the Commonwealth, with exclusive options in favor of the board to renew the same for successive ensuing bienniums, July 1 in each even year to June 30 in the next ensuing even year; and the rentals may be fixed at the sums in each biennium, if renewed, sufficient to enable the State Property and Buildings Commission to pay therefrom the maturing principal of and interest on, and provide reserves for, any revenue bonds which the State Property and Buildings Commission may determine to be necessary and sufficient, in agreement with the board, to provide the cost of acquiring the television and related facilities, with appurtenances, and costs as may be incident to the issuance of the bonds.
- (b) Each option of the Kentucky Board of Education to renew the lease for a succeeding biennial term may be exercised at any time after the adjournment of the session of the General Assembly at which appropriations shall have been made for the operation of the state government for such succeeding biennial term, by notifying the State Property and Buildings Commission in writing, signed by the chief state school officer, and delivered to the secretary of the Finance and Administration Cabinet as a member of the commission. The option shall be deemed automatically exercised, and the lease automatically renewed for the succeeding biennium, effective on the first day thereof, unless a written notice of the board's election not to renew shall have been delivered in the office of the secretary of the Finance and Administration Cabinet before the close of business on the last working day in April immediately preceding the beginning of the succeeding biennium.
- (c) The Kentucky Board of Education shall not itself operate leased television facilities, or undertake the preparation of the educational presentations or films to be transmitted thereby, but may enter into one (1) or more contracts to provide therefor, with any public agency and instrumentality of the Commonwealth having, or able to provide, a staff with proper technical qualifications, upon which agency and instrumentality the board, through the chief state school officer and the Department of Education, is represented in such manner as to coordinate matters of curriculum with the curricula prescribed for the public schools of the Commonwealth. Any contract for the operation of the leased television or related facilities may permit limited and special uses of the television or related facilities for other programs in the public interest, subject to the reasonable terms and conditions as the board and the operating agency and instrumentality may agree upon; but any contract shall affirmatively forbid the use of the television or related facilities, at any time or in any manner, in the dissemination of political propaganda or in furtherance of the interest of any political party or candidate for public office, or for commercial advertising. No lease between the board and the State Property and Buildings Commission shall bind the board to pay rentals for more than one (1) fiscal biennium at a time, subject to the aforesaid renewal options. The board may receive and may apply to rental payments under any lease and to the cost of providing for the operation of the television or related facilities not only appropriations which may be made to it from state funds, from time to time, but also contributions, gifts, matching funds, devises, and bequests from any source, whether federal or state, and whether public or private, so long as the same are not conditioned upon any improper use of the television or related facilities in a manner inconsistent with the provisions of this subsection.
- (4) The state board may, on the recommendation and with the advice of the chief state school officer, prescribe, print, publish, and distribute at public expense such administrative regulations, courses of study, curriculums, bulletins, programs, outlines, reports, and placards as each deems necessary for the efficient management, control, and operation of the schools and programs under its jurisdiction. All administrative regulations published or distributed by the board shall be inclosed in a booklet or binder on which the words "informational copy" shall be clearly stamped or printed.
- (5) Upon the recommendation of the chief state school officer or his designee, the state board shall establish policy or act on all matters relating to programs, services, publications, capital construction and facility renovation, equipment, litigation, contracts, budgets, and all other matters which are the administrative responsibility of the Department of Education.
