

**CHAPTER 127**

**(HB 196)**

AN ACT relating to reorganization.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

Section 1. The General Assembly confirms Executive Order 2001-1322 dated October 25, 2001, by which the Kentucky Early Intervention System (KEIS) is transferred to the Commission for Children with Special Health Care Needs, and by which the Division of Care Coordination and the Division of Medical Services within the Commission are abolished with their responsibilities transferred to a newly created Division of Health and Development and a newly created Division of Quality Outcomes Management within the Commission.

**Approved April 2, 2002**
