

CHAPTER 140**(HB 258)**

AN ACT relating to fee officials.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 64.345 is amended to read as follows:

- (1) The county clerk and sheriff of each county having a population of seventy thousand (70,000) or over shall receive an annual salary pursuant to the salary schedule in KRS 64.5275.
- (2) In counties containing a city of the first class, an urban-county form of government, or a consolidated local government, the amount, if any, allowed for the necessary office expenses of each officer shall be approved by the fiscal court in counties containing a city of the first class, by the legislative body in counties containing an urban-county form of government, or by the legislative council in a consolidated local government. This approval shall be signed by the county judge/executive in a county containing a city of the first class, the executive authority in a county having an urban-county form of government, or the mayor in a consolidated local government. Approval by the fiscal court, urban-county legislative body, or legislative council of a consolidated local government under this subsection shall not include oversight of expenditure of the funds. This oversight shall be retained by the Office of the Controller created pursuant to KRS 42.0201. In counties having a consolidated local government or containing a city of the first class, each sheriff's deputy who uses his own automobile in the performance of official duties shall be authorized an allotment for expenses incurred, up to a maximum of three hundred dollars (\$300) per month, to be paid out of the fees and commissions of the sheriff's office. In all other counties with a population of seventy thousand (70,000) or more, the amount, if any, allowed for the necessary office expenses of each officer shall be fixed by the fiscal court by an order entered upon the fiscal court order book no later than January 15 of each year. ***Necessary office expenses for sheriffs and county clerks in counties containing a city of the first class, an urban-county form of government, or a consolidated local government, and counties with a population of seventy thousand (70,000) or more shall include discretionary funds to cover additional expenses related to special training and travel related to homeland security emergencies, academy graduations, retirements, state and national sheriff's conventions, and extraordinary office expenses in amounts authorized by the approving authority.*** A certified copy of the orders, and of any subsequent changes made therein, shall, as soon as entered, be forwarded to the Finance and Administration Cabinet.
- (3) Each officer shall, on the first day of each month, send to the Finance and Administration Cabinet a statement, subscribed and sworn to by him, showing the amount of money received or collected by or for him the preceding month as fees or compensation for official duties and shall, with these statements, send to the Finance and Administration Cabinet the amount so collected or received. The Finance and Administration Cabinet may extend the time for filing the statement and making the payment for a period not exceeding ten (10) days in any month.
- (4) The salary of each officer and his deputies and assistants and his office expenses shall be paid semimonthly by the State Treasurer upon the warrant of the Finance and Administration Cabinet made payable to the officer. If seventy-five percent (75%) of the

amount paid into the State Treasury in any month by any of such officers is not sufficient to pay the salaries and expenses of his office for that month, the deficit may be made up out of the amount paid in any succeeding month; but in no event shall the amount allowed by the Finance and Administration Cabinet to any officer for salaries and expenses exceed seventy-five percent (75%) of the amount paid to the Finance and Administration Cabinet by the officer during his official term.

- (5) In counties containing a city of the first class, an urban-county form of government, or a consolidated local government, the number of deputies and assistants allowed to each officer and the compensation allowed to each deputy and assistant shall be approved at reasonable amounts upon motion of each officer by the fiscal court in counties containing a city of the first class, by the legislative council in a consolidated local government, and by the legislative body in counties containing an urban-county form of government. This approval shall be signed by the county judge/executive in a county containing a city of the first class, the executive authority in a county having an urban-county form of government, or the mayor in a consolidated local government. Approval by the fiscal court, urban-county legislative body, or legislative council of a consolidated local government under this subsection shall not include oversight of expenditure of the funds. This oversight shall be retained by the Office of the Controller. In all other counties with a population of seventy thousand (70,000) or more, the number of deputies and assistants allowed to each officer and the compensation allowed to each deputy and assistant shall be fixed at reasonable amounts upon motion of each officer by the fiscal court by an order entered upon the fiscal court order book no later than January 15 of each year. A certified copy of the orders, and of any subsequent changes made therein, shall, as soon as entered, be forwarded to the Finance and Administration Cabinet.
- (6) If a county's population that equaled or exceeded seventy thousand (70,000) is less than seventy thousand (70,000) after the most recent federal decennial census, then the provisions of KRS 64.368 shall apply.
- (7) The Office of the Controller shall recognize the amount allowed for necessary office expenses of each officer under subsection (2) of this section as the official budget for the office. The Office of the Controller shall use professional judgment in creating the appropriate fund and account structure to ensure that the offices do not exceed annual approved budgetary amounts or expend more than the resources available for the term of office.

Section 2. KRS 70.045 is amended to read as follows:

- (1) The sheriff *of a county with a population of ten thousand (10,000) or more* may appoint and have sworn in and entered on the county clerk order book one (1) special deputy for each two thousand five hundred (2,500) residents or part thereof in his county, to assist him with general law enforcement and maintenance of public order. *The sheriff of a county with a population of less than ten thousand (10,000) may appoint and have sworn in and entered on the county clerk order book one (1) special deputy for each one thousand (1,000) residents or part thereof in his county, to assist him with general law enforcement and maintenance of public order.* The population of the county shall be determined by the most recent count or estimate by the Federal Bureau of Census.

storm, or other such emergency situations. For purposes of this section only, an emergency situation is a condition which, in the judgment of the sheriff, requires a response immediately necessary for the preservation of public peace, health or safety, utilizing special deputies previously appointed in preparation for the contingency.

- (3) The special deputy shall:
 - (a) Be appointed and dismissed on the authority of the sheriff;
 - (b) Not receive any monetary compensation for his time or services;
 - (c) Serve at the request of the sheriff, unless personal conditions rule otherwise;
