"Injury" when used generally, unless the context indicates otherwise, shall include an occupational disease and damage to a prosthetic appliance, but shall not include a psychological, psychiatric, or stress-related change in the human organism, unless it is a direct result of a physical injury.
- (2) "Occupational disease" means a disease arising out of and in the course of the employment.
- (3) An occupational disease as defined in this chapter shall be deemed to arise out of the employment if there is apparent to the rational mind, upon consideration of all the circumstances, a causal connection between the conditions under which the work is performed and the occupational disease, and which can be seen to have followed as a natural incident to the work as a result of the exposure occasioned by the nature of the employment and which can be fairly traced to the employment as the proximate cause. The occupational disease shall be incidental to the character of the business and not independent of the relationship of employer and employee. An occupational disease need not have been foreseen or expected but, after its contraction, it

must appear to be related to a risk connected with the employment and to have flowed from that source as a rational consequence.

    1. Total and permanent loss of sight in both eyes;
    2. Loss of both feet at or above the ankle;
    3. Loss of both hands at or above the wrist;
    4. Loss of one (1) foot at or above the ankle and the loss of one (1) hand at or above the wrist;

It shall not include the commercial processing, packing,

drying, storing, or canning of such commodities for market, or making cheese or butter or other dairy products for market.

A business entity engaged in the severance or processing of coal, including, but not limited to, administrative or selling functions, shall be considered wholly engaged in the severance or processing of coal for the purpose of this chapter. However, a business entity which is engaged in a separate business activity not related to coal, for which a separate premium charge is not made, shall be deemed to be engaged in the severance or processing of coal only to the extent that the number of employees engaged in the severance or processing of coal bears to the total number of employees. Any employee who is involved in the business of severing or processing of coal and business activities not related to coal shall be prorated based on the time involved in severance or processing of coal bears to his total time.
- (24) "Premium" for every *self-insured* group~~[of self-insurers]~~ means any and all assessments levied on its members by such group or contributed to it by the members thereof. The rates, factors, and methods used to calculate the cost for coverage under this paragraph for insurance policies or other evidence of coverage with provisions for deductibles shall be the same rates, factors, and methods normally used by the insurance company in Kentucky to calculate the cost for coverage for insurance policies or other evidence of coverage without provisions for deductibles, except that, for insurance policies or other evidence of coverage with provisions for deductibles effective on or after January 1, 1995, the calculated cost for coverage shall not include any schedule rating modification, debits, or credits. The cost for coverage calculated under this paragraph by insurance companies that issue only deductible insurance policies in Kentucky shall be actuarially adequate to cover the entire liability of the employer for compensation under this chapter, including all expenses and allowances normally used to calculate the cost for coverage. For policies with provisions for deductibles with effective dates of May 6, 1993, through December 31, 1993, for which the insurance company did not report premiums and remit special fund assessments based on the calculated

cost for coverage prior to the reduction for deductibles, "premiums received" includes the initial premium plus any reimbursements invoiced for losses, expenses, and fees charged under the deductibles. The special fund assessment rates in effect for reimbursements invoiced for losses, expenses, or fees charged under the deductibles shall be those percentages in effect on the effective date of the insurance policy. For policies covering leased employees as defined in KRS 342.615, "premiums received" means premiums calculated using the experience modification factor of each lessee as defined in KRS 342.615 for each leased employee for that portion of the payroll pertaining to the leased employee.

The cost for coverage calculated under this paragraph by insurance companies that issue only deductible insurance policies in Kentucky shall be actuarially adequate to cover the entire liability of the employer for compensation under this chapter, including all expenses and allowances normally used to calculate the cost for coverage. For policies with provisions for deductibles with effective dates of May 6, 1993, through December 31, 1993, for which the insurance company did not report premiums and remit special fund assessments based on the calculated cost for coverage prior to the reduction for deductibles, "premium" includes the initial consideration plus any reimbursements invoiced for losses, expenses, or fees charged under the deductibles.

- (28) "Premium" for each employer carrying his own risk pursuant to KRS 342.340(1) shall be the projected value of the employer's workers' compensation claims for the next calendar year as calculated by the commissioner using generally-accepted actuarial methods as follows:
- (a) The base period shall be the earliest three (3) calendar years of the five (5) calendar years immediately preceding the calendar year for which the calculation is made. The commissioner shall identify each claim of the employer which has an injury date or date of last injurious exposure to the cause of an occupational disease during each one (1) of the three (3) calendar years to be used as the base, and shall assign a value to each claim. The value shall be the total of the indemnity benefits paid to date and projected to be paid, adjusted to current benefit levels, plus the medical benefits paid to date and projected to be paid for the life of the claim, plus the cost of medical and vocational rehabilitation paid to date and projected to be paid. Adjustment to current benefit levels shall be done by multiplying the weekly indemnity benefit for each claim by the number obtained by dividing the statewide average weekly wage which will be in effect for the year for which the premium is being calculated by the statewide average weekly wage in effect during the year in which the injury or date of the last exposure occurred. The total value of the claims using the adjusted weekly benefit shall then be calculated by the commissioner. Values for claims in which awards have been made or settlements reached because of findings of permanent partial or permanent total disability shall be calculated using the mortality and interest discount assumptions used in the latest available statistical plan of the advisory rating

- organization defined in Subtitle 13 of KRS Chapter 304. The sum of all calculated values shall be computed for all claims in the base period.
- (b) The commissioner shall obtain the annual payroll for each of the three (3) years in the base period for each employer carrying his own risk from records of the department and from the records of the Department for Employment Services, Cabinet for Workforce Development. The commissioner shall multiply each of the three (3) years of payroll by the number obtained by dividing the statewide average weekly wage which will be in effect for the year in which the premium is being calculated by the statewide average weekly wage in effect in each of the years of the base period.
  - (c) The commissioner shall divide the total of the adjusted claim values for the three (3) year base period by the total adjusted payroll for the same three (3) year period. The value so calculated shall be multiplied by 1.25 and shall then be multiplied by the employer's most recent annualized payroll, calculated using records of the department and the Department for Employment Services data which shall be made available for this purpose on a quarterly basis as reported, to obtain the premium for the next calendar year for assessment purposes under KRS 342.122.
  - (d) For November 1, 1987, through December 31, 1988, premium for each employer carrying his own risk shall be an amount calculated by the board pursuant to the provisions contained in this subsection and such premium shall be provided to each employer carrying his own risk and to the funding commission on or before January 1, 1988. Thereafter, the calculations set forth in this subsection shall be performed annually, at the time each employer applies or renews his application for certification to carry his own risk for the next twelve (12) month period and submits payroll and other data in support of the application. The employer and the funding commission shall be notified at the time of the certification or recertification of the premium calculated by the commissioner, which shall form the employer's basis for assessments pursuant to KRS 342.122 for the calendar year beginning on January 1 following the date of certification or recertification.
  - (e) If an employer having fewer than five (5) years of doing business in this state applies to carry his own risk and is so certified, his premium for the purposes of KRS 342.122 shall be based on the lesser number of years of experience as may be available including the two (2) most recent years if necessary to create a three (3) year base period. If the employer has less than two (2) years of operation in this state available for the premium calculation, then his premium shall be the greater of the value obtained by the calculation called for in this subsection or the amount of security required by the commissioner pursuant to KRS 342.340(1).
  - (f) If an employer is certified to carry his own risk after having previously insured the risk, his premium shall be calculated using values obtained from claims incurred while insured for as many of the years of the base period as may be necessary to create a full three (3) year base. After the employer is certified to carry his own risk and has paid all amounts due for assessments upon premiums paid while insured, he shall be assessed only upon the premium calculated under this subsection.
  - (g) "Premium" for each employer defined in KRS 342.630(2) shall be calculated as set forth in this subsection.
  - (h) Notwithstanding any other provision of this subsection, the premium of any employer authorized to carry its own risk for purposes of assessments due under this chapter shall be no less than thirty cents (\$0.30) per one hundred dollars (\$100) of the employer's most recent annualized payroll for employees covered by this chapter.
- (29) "SIC code" as used in this chapter means the Standard Industrial Classification Code contained in the latest edition of the Standard Industrial Classification Manual published by the Federal Office of Management and Budget.
- (30) "Investment interest" means any pecuniary or beneficial interest in a provider of medical services or treatment under this chapter, other than a provider in which that pecuniary or investment interest is obtained on terms equally available to the public through trading on a registered national securities exchange, such as the New York Stock Exchange or the American Stock Exchange, or on the National Association of Securities Dealers Automated Quotation System.

- (36) "Permanent disability rating" means the permanent impairment rating selected by an administrative law judge times the factor set forth in the table that appears at KRS 342.730(1)(b).

Section 35. KRS 342.035 is amended to read as follows:

- (1) Periodically, the commissioner shall promulgate administrative regulations to adopt a schedule of fees for the purpose of ensuring that all fees, charges, and reimbursements under KRS 342.020 and this section shall be fair, current, and reasonable and shall be limited to such charges as are fair, current, and reasonable for similar treatment of injured persons in the same community for like services, where treatment is paid for by general health insurers. In determining what fees are reasonable, the commissioner may also consider the increased security of payment afforded by this chapter. On or before November 1, 1994, and on July 1 every two (2) years thereafter, the schedule of fees contained in administrative regulations promulgated pursuant to this section shall be reviewed and updated, if appropriate. Within ten (10) days of April 4, 1994, the commissioner shall execute a contract with an appropriately-qualified consultant pursuant to which each of the following elements within the workers' compensation system are evaluated; the methods of health care delivery; quality assurance and utilization mechanisms; type, frequency, and intensity of services; risk management programs; and the schedule of fees contained in administrative regulation. The consultant shall present recommendations based on its review to the commissioner not later than sixty (60) days following execution of the contract. - (2) No provider of medical services or treatment required by this chapter, its agent, servant, employee, assignee, employer, or independent contractor acting on behalf of any medical provider, shall knowingly collect, attempt to collect, coerce, or attempt to coerce, directly or indirectly, the payment of any charge, for services covered by a workers' compensation insurance plan for the treatment of a work-related injury or occupational disease, in excess of that provided by a schedule of fees, or cause the credit of any employee to be impaired by reason of the employee's failure or refusal to pay the excess charge. In addition to the penalty imposed in KRS 342.990 for violations of this subsection, any individual who sustains damages by any act in violation of the provisions of this subsection shall have a civil cause of action in Circuit Court to enjoin further violations and to recover the actual damages sustained by the individual, together with the costs of the lawsuit, including a reasonable attorney's fee.
- (3) Where these requirements are furnished by a public hospital or other institution, payment thereof shall be made to the proper authorities conducting it. No compensation shall be payable for the death or disability of an employee if his death is caused, or if and insofar as his disability is aggravated, caused, or continued, by an unreasonable failure to submit to or follow any competent surgical treatment or medical aid or advice.
- (4) The commissioner shall, by December 1, 1994, promulgate administrative regulations to adopt a schedule of fees for the purpose of regulating charges by medical providers and other health care professionals for testimony presented and medical reports furnished in the litigation of a claim by an injured employee against the employer. The workers' compensation medical fee schedule for physicians, 803 KAR 25:089, having an effective date of February 9, 1995, shall remain in effect until July 1, 1996, or until the effective date of any amendments promulgated by the commissioner, whichever occurs first, it being determined that this administrative regulation is within the statutory grant of authority, meets legislative intent, and is not in conflict with the provisions of this chapter. The medical fee schedule and amendments shall be fair, current, and reasonable and otherwise comply with this section.
- (5) (a) To ensure compliance with subsections (1) and (4) of this section, the commissioner shall promulgate administrative regulations by December 31, 1994, which require each insurance carrier, *self-insured*

group ~~self insurer~~, and self-insured employer to certify to the commissioner the program or plan it has adopted to ensure compliance.

- (b) In addition, the commissioner shall periodically have an independent audit conducted by a qualified independent person, firm, company, or other entity hired by the commissioner, in accordance with the personal service contract provisions contained in KRS 45A.690 to 45A.725, to ensure that the requirements of subsection (1) of this section are being met. The independent person, firm, company, or other entity selected by the commissioner to conduct the audit shall protect the confidentiality of any information it receives during the audit, shall divulge information received during the audit only to the commissioner, and shall use the information for no other purpose than the audit required by this paragraph.
  - (c) The commissioner shall promulgate administrative regulations governing medical provider utilization review activities conducted by an insurance carrier, *self-insured* group ~~self insurer~~, or self-insured employer pursuant to this chapter.
  - (d) Periodically, or upon request, the commissioner shall report to the Interim Joint Committee on Labor and Industry of the Legislative Research Commission or to the corresponding standing committees of the General Assembly, as appropriate, the degree of compliance or lack of compliance with the provisions of this section and make recommendations thereon.
  - (e) The cost of implementing and carrying out the requirements of this subsection shall be paid from funds collected pursuant to KRS 342.122.
- (6) The commissioner may promulgate administrative regulations incorporating managed care or other concepts intended to reduce costs or to speed the delivery or payment of medical services to employees receiving medical and related benefits under this chapter.
  - (7) For purposes of this chapter, any medical provider shall charge only its customary fee for photocopying requested documents. However, in no event shall a photocopying fee of a medical provider or photocopying service exceed fifty cents (\$0.50) per page. In addition, there shall be no charge for reviewing any records of a medical provider, during regular business hours, by any party who is authorized to review the records and who requests a review pursuant to this chapter.
  - (8) (a) The commissioner shall develop or adopt practice parameters or guidelines for clinical practice for use by medical providers under this chapter. The commissioner may adopt any parameters for clinical practice as developed and updated by the federal Agency for Health Care Policy Research, or the commissioner may adopt other parameters for clinical practice which are developed by qualified bodies, as determined by the commissioner, with periodic updating based on data collected during the application of the parameters.
  - (b) Any provider of medical services under this chapter who has followed the practice parameters or guidelines developed or adopted pursuant to this subsection shall be presumed to have met the appropriate legal standard of care in medical malpractice cases regardless of any unanticipated complication that may thereafter develop or be discovered.

Section 36. KRS 342.039 is amended to read as follows:

Beginning on January 1, 1995, and pursuant to administrative regulations promulgated under KRS Chapter 13A by the commissioner, each insurance company writing workers' compensation insurance policies in the Commonwealth, every *self-insured* group ~~of self insurers~~, and each employer carrying its own risk shall file in the manner directed by the commissioner, detailed claim information contained in the model regulation developed by the National Association of Insurance Commissioners (NAIC) in conjunction with the International Association of Industrial Accident Boards and Commissions (IAIABC).

Section 37. KRS 342.122 is amended to read as follows:

- (1) (a) For calendar year 1997 and for each calendar year thereafter, for the purpose of funding and prefunding the liabilities of the special fund, financing the administration and operation of the Kentucky Workers' Compensation Funding Commission, and financing the expenditures for all programs in the Labor Cabinet, except the Division of Employment Standards, Apprenticeship and Training and the Office of Labor-Management Relations and Mediation, as reflected in the enacted budget of the Commonwealth and enacted by the General Assembly, the funding commission shall impose a special fund assessment

rate of nine percent (9%) upon the amount of workers' compensation premiums received on and after January 1, 1997, through December 31, 1997, by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every *self-insured* group of ~~self-insurers~~ operating under the provisions of KRS 342.350(4) *and KRS Chapter 304*, and against the premium, as defined in KRS 342.0011, of every employer carrying his or her own risk.

- (b) The funding commission shall, for calendar year 1998 and thereafter, establish for the special fund an assessment rate to be assessed against all premium received during that calendar year which, when added to the coal severance tax appropriated to the special fund in accordance with paragraph (c) of this section, shall produce enough revenue to amortize on a level basis the unfunded liability of the special fund as of September 1 preceding January 1 of each year, for the period remaining until December 31, 2018. The interest rate to be used in this calculation shall reflect the funding commission's investment experience to date and the current investment policies of the commission. This assessment shall be imposed upon the amount of workers' compensation premiums received by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every *self-insured* group ~~of self-insurers~~ operating under the provisions of KRS 342.350(4) *and KRS Chapter 304*, and against the premium, as defined in KRS 342.0011, of every employer carrying his own risk.
  - (c) In addition to the assessment imposed in paragraph (a) or (b) of this subsection, and notwithstanding and prior to the transfer of funds to the Local Government Economic Assistance Program under KRS 42.450 to 42.495, the Kentucky Revenue Cabinet shall credit nineteen million dollars (\$19,000,000) in coal severance tax revenues levied under KRS 143.020 to the benefit reserve fund within the Kentucky Workers' Compensation Funding Commission each year beginning with fiscal year 1998 and all fiscal years thereafter. The annual transfer of nineteen million dollars (\$19,000,000) shall occur in four (4) equal quarterly payments. These transfers shall occur not later than the last day of each quarter of each calendar year and shall consist of four (4) equal payments of four million, seven hundred fifty thousand dollars (\$4,750,000).
  - (d) All assessments imposed by this section shall be paid to the Kentucky Workers' Compensation Funding Commission and shall be credited to the benefit reserve fund within the Kentucky Workers' Compensation Funding Commission.
  - (e) The assessments imposed in this chapter shall be in lieu of all other assessments or taxes on workers' compensation premiums.
- (2) These assessments shall be paid quarterly not later than the thirtieth day of the month following the end of the quarter in which the premium is received. Receipt shall be considered timely through actual physical receipt or by postmark of the United States Postal Service. Employers carrying their own risk and employers defined in KRS 342.630(2) shall pay the annual assessments in four (4) equal quarterly installments.
  - (3) The assessments imposed by this section may be collected by the insurance carrier from his insured. However, the insurance carrier shall not collect from the employer any amount exceeding the assessments imposed pursuant to this section. If the insurance carrier collects the assessment from an insured, the assessment shall be collected at the same time and in the same proportion as the premium is collected. The assessment for an insurance policy or other evidence of coverage providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible. Each statement from an insurance carrier presented to an insured reflecting premium and assessment amounts shall clearly identify and distinguish the amount to be paid for premium and the amount to be paid for assessments. No insurance carrier shall collect from an insured an amount in excess of the assessment percentages imposed by this chapter. The assessment for an insurance policy or other evidence of coverage providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible. The percentages imposed by this chapter for an insurance policy issued by an insurance company shall be those percentages in effect on the annual effective date of the policy, regardless of the date that the premium is actually received by the insurance company.
  - (4) A *self-insured* group ~~self insurance association~~ may elect to report its premiums and to have its assessments computed in the same manner as insurance companies. This election may not be rescinded for at least ten (10) years, nor may this election be made a second time for at least another ten (10) years, except that the board of directors of the funding commission may, at its discretion, waive the ten (10) year ban on a case-by-case basis after formal petition has been made to the funding commission by a *self-insured* group ~~self insurance association~~.

- (5) The funding commission, as part of the collection and auditing of the special fund assessments required by this section, shall annually require each insurance carrier and each *self-insured* group ~~[self insurer]~~ to provide a list of employers which it has insured or which are members and the amount collected from each employer. Additionally, the funding commission shall require each entity paying a special fund assessment to report the SIC code for each employer and the amount of premium collected from each SIC code. An insurance carrier or *self-insured* group ~~[self insurer]~~ may require its insureds or members to furnish the SIC code for each of their employees. However, the failure of any employer to furnish said codes shall not relieve the insurance carrier or *self-insured* group ~~[self insurer]~~ from the obligation to furnish same to the funding commission. The Department for Employment Services, Cabinet for Workforce Development is hereby directed to make available the SIC codes assigned in its records to specific employers to aid in the reporting and recording of the special fund assessment data.
- (6) Each self-insured employer, *self-insured* group ~~[self insurer]~~, or insurance carrier shall provide any information and submit any reports the Revenue Cabinet or the funding commission may require to effectuate the provisions of this section. In addition, the funding commission may enter reciprocal agreements with other governmental agencies for the exchange of information necessary to effectuate the provisions of this section.
- (7) The special fund shall be required to maintain a central claim registry of all claims to which it is named a party, giving each such claim a unique claim number and thereafter recording the status of each claim on a current basis. The registry shall be established by January 26, 1988, for all claims on which payments were made since July 1, 1986, or which were pending adjudication since July 1, 1986, by audit of all claim files in the possession of the special fund.
- (8) The fund heretofore designated as the subsequent claim fund is abolished, and there is substituted therefor the special fund as set out by this section, and all moneys and properties owned by the subsequent claim fund are transferred to the special fund.
- (9) Notwithstanding any other provisions of this section or this chapter to the contrary, the total amount of funds collected pursuant to the assessment rates adopted by the funding commission shall not be limited to the provisions of this section.
- (10) All assessment rates imposed for periods prior to January 1, 1997, under KRS 342.122 shall forever remain applicable to premiums received on policies with effective dates prior to January 1, 1997, by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every *self-insured* group ~~[of self-insurers]~~ operating under the provision of KRS 342.350(4) *and KRS Chapter 304*, and against the premium, as defined in KRS 342.0011, of every employer carrying his own risk.

Section 38. KRS 342.1231 is amended to read as follows:

- (1) The funding commission may mail to the taxpayer a notice of any assessment assessed by it.   - (b) In addition to the assessment imposed in paragraph (a) of this subsection, an additional Kentucky coal workers' pneumoconiosis fund assessment at the rate of two and one-half cents (\$0.025) per ton is hereby imposed upon the total annual amount of tons of coal severed on or after January 1, 1997, through December 31, 1997, by every entity engaged in the severance of coal as required pursuant to KRS Chapter 143.
  - (c) As of September 1, 1997, and each year thereafter, the funding commission shall determine the assets of the fund and the claim and administrative expense liability incurred by the fund for all previous years and shall establish the rates under the provisions of paragraphs (a) and (b) of this subsection necessary as of January 1 of the next year to fully fund and prefund all claim liabilities and administrative expenses through December 31 of the next year of operations. Notice of any rate changes shall be provided no later than December 1 of the year preceding the rate change.
- (4) All assessments imposed by this section shall be paid to the Kentucky Workers' Compensation Funding Commission and shall be credited to a separate account within the benefit reserve fund within the Kentucky Workers' Compensation Funding Commission. Receipt shall be considered timely through actual physical receipt or by postmark by the United States Postal Service. Employers carrying

their own risk and employers defined in KRS 342.630(2) shall pay the annual assessments in four (4) equal quarterly installments. Penalty and interest penalties imposed pursuant to KRS 342.1221 and the authority of the Kentucky Workers' Compensation Funding Commission to waive part or all of the penalty shall apply to assessments for the Kentucky coal workers' pneumoconiosis fund in the same manner and amount as they are imposed on assessments for the special fund under KRS 342.122.

The above filings are to be made on the forms prescribed by the commissioner. Termination of any policy of insurance issued under the provisions of this chapter shall take effect no greater than ten (10) days prior to the receipt of the notification by the commissioner unless the employer has obtained other insurance and the commissioner is notified of that fact by the insurer assuming the risk. If the commissioner revokes a certificate, the commissioner may thereafter, upon petition of the employer and a hearing, grant a new certificate, but the employer shall not, as a matter of right, be entitled to a hearing for this purpose sooner than six (6) months following an order of the commissioner revoking the employer's certificate.

- (2) The General Assembly further finds and declares that provision must be made for the continuation of workers' compensation benefits otherwise delayed or terminated due to the failure of a self-insured employer to meet obligations because of insolvency. It is for that purpose that the General Assembly establishes mechanisms requiring the establishment of three (3) distinct nonprofit, unincorporated guaranty associations, one (1) of whose members shall be composed of individually self-insured employers excluding individually self-insured coal employers and public-sector employers; one (1) shall be composed of *self-insured groups* ~~group self-insurers~~ created pursuant to KRS 342.350(4) *and Section 2 of this Act*; and one (1) shall be composed of individually self-insured coal operators.

Each noncoal, individually self-insured employer who has qualified and been certified by the commissioner as a self-insured employer on or after March 1, 1997, shall participate as a member of the guaranty fund created pursuant to this subsection as a condition of maintaining its certificate required to be self-insured under this chapter. The commissioner shall revoke any self-insurer's certificate and authority to be self-insured if the self-insured employer fails to maintain membership in the guaranty fund or fails to pay assessments levied by the guaranty fund created pursuant to this subsection.

Section 50. Any provision of law to the contrary notwithstanding, the General Assembly hereby confirms the Governor's Executive Order 2004-835, dated August 3, 2004, relating to the Environmental and Public Protection Cabinet, to the extent it is not otherwise confirmed or superseded by this Act.

## (SB 113)

AN ACT relating to unemployment insurance.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

Section 1. KRS 341.540 is amended to read as follows:

- (1) *As used in this section, unless the context clearly requires otherwise:*
- (a) *"Substantially common" or "substantially the same" means that one (1) or more individual or individuals own or exercise pervasive management or control over both the predecessor and successor employing unit. Factors indicating pervasive management or control include, but are not limited to, whether the predecessor and successor share:*
1. *One (1) or more individuals or family members in positions of management or ownership, on boards of directors, or as shareholders or executive or other officers; and*
  2. *Titles to property, parent companies, workforce, assets, legal and professional representation, physical location, client pools, marketing services, Web sites, telephone numbers, or e-mail addresses;*
- (b) *"Trade" or "business" includes the employing unit's workforce;*
- (c) *"Knowingly" means having actual knowledge of, or acting with deliberate ignorance or disregard for, the prohibition involved; and*
- (d) *"Violates" or "attempts to violate" includes, but is not limited to, intended evasion, misrepresentation, or willful nondisclosure.*
- (2) *For the purpose of this chapter, if a subject employer transfers all or part of its trade or business to another employing unit, the acquiring employing unit shall be deemed a successor if the transfer is in accordance with administrative regulations promulgated by the secretary, or if the transferring and acquiring employing units have substantially the same ownership, management, or control. If an employing unit is deemed a successor, the transferring employing unit shall be deemed a predecessor.*
- (3) Any ~~successor to the~~ ~~employing unit which succeeds to or acquires the organization,~~ trade[,] or business of a subject employer shall assume the resources and liabilities of the predecessor's reserve account, including interest, and shall continue the payment of all contributions and interest due under this chapter, except that the successor ~~or acquirer~~ shall not be required to assume the liability of any delinquent contributions and interest of a predecessor or predecessors unless the cabinet notifies the successor ~~or acquirer~~ of the delinquency within six (6) months after the department has notice of the succession ~~or acquisition~~.
- ~~(4)(2)~~ The liability for delinquent contributions and interest imposed upon the successor ~~or acquirer~~ by subsection ~~(3)(1)~~ of this section shall be secondary to the liability of the predecessor or predecessors, and if the delinquency has been reduced to judgment, the order of execution on the judgment shall be as follows:
- (a) Against the assets, both real and personal, of the predecessor or predecessors;
  - (b) Against the assets, both real and personal, of the business acquired; and
  - (c) Against the assets, both real and personal, of the successor or acquirer.
- (5) ~~(a)(3)~~ Notwithstanding the provisions of subsection ~~(3) of this section~~~~(1)~~, any ~~successor to a~~ ~~employing unit which succeeds to or acquires a segregable and identifiable~~ portion of the ~~organization,~~ trade[,] or business ~~of~~ ~~from~~ a subject employer, ~~and~~ who is, or by reason of the ~~transfer~~~~succession or acquisition~~ becomes, a subject employer, shall assume the ~~position of an employer with respect to the~~ resources and liabilities of the *predecessor's* reserve account in proportion to the percentage of the payroll or employees assignable to the transferred portion. In calculating the transferred portion, the secretary shall utilize the last four (4) calendar quarters[,] preceding the date of ~~transfer~~~~succession or acquisition~~, for workers employed by the successor subsequent to that date. The

taxable payroll, benefit charges and the potential benefit charges shall ~~likewise~~ be assumed by the successors ~~or acquirers in interest~~ in a like proportion.

- (b) *Notwithstanding the provisions of paragraph (a) of this subsection, if any employing unit succeeds to a portion of the trade or business of another employing unit; becomes, by reason of that succession, a subject employer with substantially the same ownership, management, or control as the predecessor employing unit; and lays off or terminates more than one-half (1/2) of the original employees transferred within six (6) months of the date of transfer; then the succession and creation of the new employing unit shall be voided, and the benefits attributable to the layoffs or terminations shall be charged to the reserve account of the original employing unit.*
- (6) ~~(4)~~ (a) The contribution rate of a successor ~~or acquirer employing unit, whether~~ in whole or in part, which was a subject employer prior to ~~such~~ succession ~~or acquisition~~, shall not be affected by the transfer of the reserve account for the remainder of the rate year in which ~~such~~ succession ~~or acquisition~~ occurred; *except that the rate of the successor shall be recalculated and made effective upon the first day of the calendar quarter immediately following the date of the transfer if there is substantially common ownership, management, or control of the predecessor and successor.*
- (b) The contribution rate of a successor ~~or acquirer employing unit, either~~ in whole or in part, which was not a subject employer prior to ~~such~~ succession ~~or acquisition~~, shall be, for the calendar year in which ~~such~~ succession ~~or acquisition~~ occurred, the same rate as that of its predecessor; *except if the secretary finds, after a thorough investigation based on the use of objective factors, including but not limited to:*
1. *The cost of acquiring the business;*
  2. *How long the original business enterprise was continued; and*
  3. *Whether a substantial number of new employees were hired for performance of duties unrelated to the business activity prior to acquisition;*
- that the succession was solely for the purpose of obtaining a rate lower than that prescribed in KRS 341.270(1) and 341.272 for a new employing unit, then the unemployment experience of the predecessor shall not be transferred, the rate for a new employing unit shall be assigned, and the employing unit shall be otherwise deemed a successor for the purpose of KRS 341.070(7) and subsection (3) of this section.*
- (c) The contribution rate for a successor ~~or acquirer employing unit,~~ which *becomes a subject employer through the simultaneous transfer, either in whole or in part,* ~~was not a subject employer prior to the simultaneous succession to or acquisition~~ of two (2) or more predecessor reserve accounts ~~either in whole or in part,~~ shall be the rate determined in accordance with the provisions of KRS 341.270, by combining the reserve accounts succeeded to ~~or acquired as they existed~~ as of the computation date for determining rates for the calendar year in which ~~such~~ succession ~~or acquisition~~ occurred.
- (d) The contribution rate of a successor ~~or acquirer employing unit,~~ which succeeds ~~to or acquires,~~ either in whole or in part, *to* a predecessor's reserve account after a computation date, but prior to the beginning of the calendar year immediately following ~~that~~ ~~such~~ computation date, shall be the rate determined ~~in~~ in accordance with KRS 341.270, by effecting the transfer of ~~the~~ ~~such~~ reserve account as of the computation date immediately preceding the date of ~~such~~ succession ~~or acquisition~~.
- (7) *Notwithstanding KRS 341.270, the contribution rate for an employing unit that knowingly violates or attempts to violate the provisions of this section or any other provision of the chapter related to determining the assignment of a contribution rate shall be the highest rate assignable under this chapter for the calendar year during which the violation or attempted violation occurred and the three (3) calendar years immediately following that year. If that employer's rate is already at the highest assignable rate, or if the amount of increase in the employer's rate would be less than an additional two percent (2%) for that year, then a penalty rate of contributions of an additional two percent (2%) of taxable wages shall be imposed for each year.*
- (8) *In addition to the penalties prescribed in subsection (7) of this section and subsection (9) of Section 2 of this Act, any person who knowingly violates this section shall be subject to the penalties stipulated under KRS 341.990.*
- (9) *The secretary shall establish procedures to identify the transfer of a business for purposes of this section.*

Section 2. KRS 341.990 is amended to read as follows:

- (1) Any employee of any state department who violates any of the provisions of KRS 341.110 to 341.230 shall be guilty of a Class B misdemeanor.
- (2) Any person subpoenaed to appear and testify or produce evidence in an inquiry, investigation, or hearing conducted under this chapter who fails to obey the subpoena shall be guilty of a Class B misdemeanor.
- (3) Any subject employer, or officer or agent of a subject employer, who violates subsection (1) of KRS 341.470 shall be guilty of a Class A misdemeanor.
- (4) Any person who violates subsection (2) of KRS 341.470 shall be guilty of a Class A misdemeanor.
- (5) Any person who knowingly makes a false statement or representation of a material fact or knowingly fails to disclose a material fact to the secretary to obtain or increase any benefit under this chapter or under an employment security law of any other state, or of the federal government, either for himself or for any other person, business entity, or organization shall be guilty of a Class A misdemeanor unless the value of the benefits procured or attempted to be procured is one hundred dollars (\$100) or more, in which case he shall be guilty of a Class D felony.
- (6) (a) Any person who knowingly makes a false statement or representation, or who knowingly fails to disclose a material fact to prevent or reduce the payment of benefits to any worker entitled thereto, or to avoid becoming or remaining subject to this chapter, or to avoid or reduce any payment required of an employing unit under this chapter shall be guilty of a Class A misdemeanor unless the liability avoided or attempted to be avoided is one hundred dollars (\$100) or more, in which case he shall be guilty of a Class D felony.  
 (b) Any person who willfully fails or refuses to furnish any reports required, or to produce or permit the inspection or copying of records required in this chapter shall be guilty of a Class B misdemeanor. Each such false statement, representation or failure and each day of failure or refusal shall constitute a separate offense.
- (7) In any prosecution for the violation of subsection (5) or (6) of this section, it shall be a defense if the person relied on the advice of an employee or agent of the department.
- (8) Any person who willfully violates any provision of this chapter or any rule or regulation under it, the violation of which is made unlawful or the observance of which is required under the terms of this chapter, and for which no specific penalty is prescribed in this chapter or in any other applicable statute, shall be guilty of a violation. Each day the violation continues shall constitute a separate offense.
- (9) ***In addition to the higher rates imposed under subsection (7) of Section 1 of this Act, any person, whether or not an employing unit, who knowingly advises or assists an employing unit in the violation or attempted violation of Section 1 of this Act or any other provision of this chapter related to determining the assignment of a contribution rate shall be subject to a civil monetary penalty of not less than five thousand dollars (\$5,000).***
- (10) ***Proceeds from all penalties imposed under subsection (9) of this section and Section 1 of this Act shall be deposited in the unemployment compensation administration account and shall be expended solely for the cost of administration of this chapter consistent with KRS 341.240.***

- (1) The owner of a motor vehicle that meets the definition of a salvage vehicle as set forth in KRS 186A.520(1) and has been issued a salvage certificate of title in Kentucky, or the equivalent thereof by another licensing jurisdiction, and has been rebuilt, may make application for a new certificate of title pursuant to KRS 186.115. The Transportation Cabinet may promulgate administrative regulations pursuant to KRS Chapter 13A governing the form of application.
- (2) Upon receipt of a salvage certificate of title issued pursuant to KRS 186A.520 ~~or subsection (5) of this section~~, or similar title issued by another state ***if the title does not disqualify the vehicle from being titled for use on the highway in that state***, and proof of passing the inspection required by KRS 186A.115, the cabinet shall issue a new certificate of title with the words "rebuilt vehicle" printed on the face of the title. The brand shall be carried forward and printed in the appropriate section on the face of all titles issued thereafter for that motor vehicle.
- (3) If ownership of a motor vehicle has been transferred to an insurance company through payment of damages, the insurance company making the payment of damages shall be deemed the owner of the vehicle.
- (4) The owner of a water damaged vehicle shall make application to the cabinet for a salvage certificate of title as provided for in KRS 186A.520. The owner of a vehicle with a brand from another jurisdiction identifying the vehicle as water damaged or other similar designation who is making application for a Kentucky title shall be issued a title with the words "water damaged" printed on the face of the title.
- (5) A Kentucky salvage certificate of title may be issued from an out-of-state junking certificate or other ownership document bearing a designation of "junk," "unrebuildable," or other similar classification ***that disqualifies the vehicle from being titled for use on the highway in that state*** with the following provisions:

  - (d) ***A salvage title issued under this subsection shall be branded "SALVAGE." The Transportation Cabinet shall use a unique method of identification to differentiate a salvage title issued under this subsection from other salvage titles.***
- (6) (a) ***Upon receipt of a salvage certificate of title issued pursuant to subsection (5) of this section, or an out-of-state junking certificate or other ownership document bearing a designation of "junk," "unrebuildable," or other similar classification that disqualifies the vehicle from being titled for use on the highway in that state, and proof of passing the inspection required by KRS 186A.115, the cabinet shall issue a new certificate of title with the words "REBUILT VEHICLE" printed on the face of the title. The Transportation Cabinet shall use a unique method of identification to differentiate a rebuilt brand issued under this paragraph from other rebuilt brands. - (b) In claim settlements that do not involve transfer of the vehicle to the insurance company, an insurer shall not render payment on a damage claim for a vehicle whose damage meets or exceeds seventy-five percent (75%) of the value of the vehicle, until the insurer has received proof that the owner has surrendered the title or has applied for a salvage certificate of title as set forth in KRS 186A.520. The owner shall apply for a salvage certificate of title within three (3) working days of the agreed settlement. This subsection shall not apply to hail-damaged vehicles under KRS 186A.555.

- ~~(9)~~~~(8)~~ Failure of a dealer to procure the buyer's acknowledgment signature on the buyer's notification form or failure of any person other than a dealer to procure the buyer's acknowledgment signature on the vehicle transaction record form shall render the sale voidable at the election of the buyer. The election to render the sale voidable shall be limited to forty-five (45) days after issuance of the title. This provision shall not bar any other remedies otherwise available to the purchaser.
- ~~(10)~~~~(9)~~ The notification provisions of this section shall not apply to motor vehicles more than ten (10) model years old.
- ~~(11)~~~~(10)~~ The Transportation Cabinet shall promulgate administrative regulations pursuant to KRS Chapter 13A, regarding the administration of the title branding procedure~~[ within ninety (90) days from July 15, 1994].~~ *The administrative regulations shall include the manner in which salvage titles and rebuilt brands on vehicles previously declared unrebuildable by another state are differentiated from other salvage titles and rebuilt brands.* The administrative regulations may include designation of additional brands which provide significant information to the owner.

AN ACT relating to insurance premium surcharges.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

Section 1. KRS 91A.080 is amended to read as follows:

- (1) The legislative body of each city, county, **charter county**, **consolidated local government**, or urban-county government which elects to impose and collect license fees or taxes upon insurance companies for the privilege of engaging in the business of insurance may enact or change its license fee or rate of tax to be effective July 1 of each year on a prospective basis only and shall file with the commissioner of insurance at least one hundred (100) days prior to the effective date, a copy of all ordinances and amendments which impose any such license fee or tax. No less than eighty-five (85) days prior to the effective date, the commissioner of insurance shall promptly notify each insurance company engaged in the business of insurance in the Commonwealth of those city, county, **charter county**, **consolidated local government**, or urban-county governments which have elected to impose the license fees or taxes and the current amount of the license fee or rate of tax.
- (2) Any license fee or tax imposed by a city, county, **charter county**, **consolidated local government**, or urban-county government upon an insurance company with respect to life insurance policies, may be based upon the first year's premiums, and, if so based, shall be applied to the amount of the premiums actually collected within each calendar quarter upon the lives of persons residing within the corporate limits of the city, county, **charter county**, **consolidated local government**, or urban-county government.
- (3) Any license fee or tax imposed by a city, county, **charter county**, **consolidated local government**, or urban-county government upon any insurance company with respect to any policy which is not a life insurance policy shall be based upon the premiums actually collected by the company within each calendar quarter on risks located within the corporate limits of the city, county, **charter county**, **consolidated local government**, or urban-county government on those classes of business which the company is authorized to transact, less all premiums returned to policyholders. In determining the amount of license fee or tax to be collected and to be paid to the city, county, **charter county**, **consolidated local government**, or urban-county government, the insurance company shall use the tax rate effective on the first day of the policy term. When an insurance company collects a premium as a result of a change in the policy during the policy term, the tax rate used shall be the rate in effect on the effective date of the policy change. With respect to premiums returned to policyholders, the license fee or tax shall be returned by the insurance company to the policyholder pro rata on the unexpired amount of the premium at the same rate at which it was collected and shall be taken as a credit by the insurance company on its next quarterly report to the city, county, **charter county**, **consolidated local government**, or urban-county government. Any license fee or tax imposed upon premium receipts shall not include premiums received for insuring employers against liability for personal injuries to their employees, or the death of their employees, caused thereby, under the provisions of the Workers' Compensation Act.
- (4) The Department of Insurance shall, by administrative regulation, provide for a reasonable collection fee to be retained by the insurance company or its agent as compensation for collecting the tax, except that the collection fee shall not be more than fifteen percent (15%) of the fee or tax collected and remitted to the city, county **charter county**, **consolidated local government**, or urban-county government or two percent (2%) of the premiums subject to the tax, whichever is less. To facilitate computation, collection, and remittance of the fee or tax and collection fee provided in this section, the fees or taxes set out in subsection (1), (2), or (3) of this section, together with the collection fee in this section, may be rounded off to the nearest dollar amount.
- (5) Pursuant to KRS 304.3-270, if any other state retaliates against any Kentucky domiciliary insurer because of the requirements of this section, the commissioner of insurance shall impose an equal tax upon the premiums written in this state by insurers domiciled in the other state.

- (6) Accounting and reporting procedures for collection and reporting of the fees or taxes and the collection fee herein provided shall be determined by administrative regulations promulgated by the Department of Insurance.
- (7) (a) Upon written request of the legislative body of any city, county, *charter county, consolidated local government*, or urban-county government, at the expense of the requesting city, county, *charter county, consolidated local government*, or urban-county government, which shall be paid in advance by the city, county, *charter county, consolidated local government*, or urban-county government to the Department of Insurance, the Department of Insurance shall examine, or cause to be examined by contract with qualified auditors, the books or records of the insurance companies or agents subject to the fee or tax to determine whether the fee or tax is being properly collected and remitted, and the findings of the examination shall be reported to the city, county, *charter county, consolidated local government*, or urban-county government.
- (b) Willful failure to properly collect and remit the fee or tax imposed by a city, county, *charter county, consolidated local government*, or urban-county government pursuant to the authority granted by this section shall constitute grounds for the revocation of the license issued to an insurance company or agent under the provisions of KRS Chapter 304.
- (c) *If the Department of Insurance finds that an insurance company has willfully engaged in a pattern of business conduct that fails to properly collect and remit the fee or tax imposed by a city, county, charter county, consolidated local government, or urban-county government pursuant to the authority granted by this section, the Department of Insurance may assess the responsible insurance company an appropriate penalty fee no greater than ten percent (10%) of the additional license fees or taxes determined to be owed to the city, county, charter county, consolidated local government, or urban-county government. The penalty fee shall be collected by the Department of Insurance and payable to the city, county, charter county, consolidated local government, or urban-county government owed the license fee or tax less any administrative costs of the Department of Insurance in enforcing this section. Any insurance company or agent held responsible for a penalty fee may request a hearing with the Department of Insurance to be conducted pursuant to KRS 304.2-310 to 304.2-370 regarding the finding of a willful violation and the subsequent penalty fee.*
- (8) The license fees or taxes provided for by subsections (2) and (3) of this section shall be due thirty (30) days after the end of each calendar quarter. Annually, by March 31, each insurer shall furnish each city, county, *charter county, consolidated local government*, or urban-county government to which the tax or fee is remitted with a breakdown of all collections in the preceding calendar year for the following categories of insurance:
- (a) Casualty;
- (b) Automobile;
- (c) Inland marine;
- (d) Fire and allied perils;
- (e) Health; and
- (f) Life.
- (9) *Any insurance company or agent that overpays any license fee or tax to a city, county, charter county, consolidated local government, or urban-county government shall be refunded the amount overpaid. If it is determined that an insurance company or agent paid a license fee or tax to a city, county, charter county, consolidated local government, or urban-county government based upon premiums collected upon lives or risks which are discovered to be located outside the legal corporate limits of the city, county, charter county, consolidated local government, or urban-county government which was paid the license fee or tax, the insurance company or agent shall be refunded those license fees and taxes within ninety (90) days of notice to the governmental entity paid. Any license fee or tax not paid on or before the due date shall bear interest at the tax interest rate as defined in KRS 131.010(6) from the date due until paid. Such interest payable to the city, county, charter county, consolidated local government, or urban-county government is separate of penalties provided for in subsection (7) of this section. ~~No city, county, or urban-county government may impose any penalties other than those provided for in this subsection.~~*

- (10) No license fee or tax imposed under this section shall apply to premiums received on policies of group health insurance provided for state employees under KRS 18A.225.
- (11) No county may impose the tax authorized by this section upon the premiums received on policies issued to public service companies which pay ad valorem taxes.
- (12) (a) Insurance companies which pay license fees or taxes pursuant to this section shall credit city license fees or taxes against the same license fees or taxes levied by the county, when the license fees or taxes are levied by the county on or after July 13, 1990.
- (b) If a county imposed and collected the license fee or tax authorized by this section before July 1, 2000, then insurance companies that pay license fees or taxes under this section shall not credit against the county license fee or tax that portion of a city license fee or tax that becomes effective for the first time on or after July 1, 2000, or is increased effective on or after July 1, 2000. The provisions of this paragraph shall expire on June 30, 2002, unless extended by the General Assembly.

Section 6. KRS 61.878 is amended to read as follows:

- (1) The following public records are excluded from the application of KRS 61.870 to 61.884 and shall be subject to inspection only upon order of a court of competent jurisdiction, except that no court shall authorize the inspection by any party of any materials pertaining to civil litigation beyond that which is provided by the Rules of Civil Procedure governing pretrial discovery:
- (a) Public records containing information of a personal nature where the public disclosure thereof would constitute a clearly unwarranted invasion of personal privacy;

  - (c)

Unless exempted by other provisions of KRS 61.870 to 61.884, public records exempted under this provision shall be open after enforcement action is completed or a decision is made to take no action; however, records or information compiled and maintained by county attorneys or Commonwealth's attorneys pertaining to criminal investigations or criminal litigation shall be exempted from the provisions of KRS 61.870 to 61.884 and shall remain exempted after enforcement action, including litigation, is completed or a decision is made to take no action. The records shall include, but not be limited to, work plans, job performance, demotions, evaluations, promotions, compensation, classification, reallocation, transfers, layoffs, disciplinary actions, examination scores, and preliminary and other supporting documentation. A public agency employee, including university employees, applicant, or eligible shall not have the right to inspect or to copy any examination or any documents relating to ongoing criminal or administrative investigations by an agency.
  - (4) If any public record contains material which is not excepted under this section, the public agency shall separate the excepted and make the nonexcepted material available for examination.

  - (a) Committed any act involving moral turpitude, dishonesty, or corruption, relating to the practice of psychology, whether the act constitutes a crime or not. If the act constitutes a crime, conviction in a criminal proceeding is not a condition precedent to disciplinary action. For the purpose of this subsection, conviction includes all instances in which a plea of guilty or nolo contendere is the basis for the conviction and all proceedings in which the sentence has been deferred or suspended;

  - (3) No unlawful act or violation of any provision of this chapter by any credential holder employed or supervised by a licensed psychologist shall be cause for the revocation of the supervisor's license, unless the board finds that the licensed psychologist had knowledge of it.
  - (4) Three (3) years from the date of a revocation, any person whose license has been revoked may petition the board for reinstatement. The board shall investigate his or her petition and may reinstate his or her license upon finding that the former licensee has complied with the provisions of this chapter and administrative regulations promulgated by the board and is again able to engage in the practice of psychology with reasonable skill, competency, and safety to the public.
  - (5) The board may, at its own discretion, reconsider, modify, or reverse its probations, suspensions, revocations, restrictions, or refusals to issue or renew licenses at any time.

Section 1. KRS 304.12-030 is amended to read as follows:

- (1) As used in this section:
- (a) "Replacement" means any transaction in which *a* new life insurance *policy or annuity contract* is to be purchased and *it is known or should be known to the proposing producer, or to the proposing insurer if there is no producer, that* by reason of ~~the~~<sup>such</sup> transaction, *an* existing life insurance *policy or annuity contract* has been or is to be:
1. Lapsed, forfeited, surrendered~~[-]~~ or *partially surrendered, assigned to the replacing insurer, or otherwise terminated;*
  2. Converted to reduced paid-up insurance, continued as extended term insurance, or otherwise reduced in value by the use of nonforfeiture benefits or other policy values;
  3. Amended so as to effect either a reduction in benefits or in the term for which coverage would otherwise remain in force or for which benefits would be paid;
  4. Reissued with any reduction in cash value; or
  5. *Used in a financed purchase*~~[Pledged as collateral or subjected to borrowing, whether in a single loan or under a schedule of borrowing over a period of time for amounts in the aggregate exceeding twenty five percent (25%) of the loan value set forth in the policy];~~

- ~~(3)~~ No replacing insurer shall issue any life insurance *policy or annuity contract* in a replacement transaction to replace *an* existing life insurance *policy or annuity contract* unless the replacing insurer shall agree in writing with the insured that:
- (a) The new life insurance *policy or annuity contract* issued by the replacing insurer will not be contestable by it in the event of such insured's death to any greater extent than the existing life insurance *policy or annuity contract* would have been contestable by the existing insurer had such replacement not taken place provided, however, that this paragraph shall not apply to that amount of insurance written and issued which exceeds the amount of the existing life insurance; and
- (b) *The policy or contract owner shall have the right to return the policy or contract within thirty (30) days of the delivery of the policy or contract and receive an unconditional full refund of all premiums or considerations paid on it, including any policy fees or charges, or in the case of a variable or market adjustment policy or contract, a payment of the cash surrender value provided under the policy or contract plus the fees and other charges deducted from the gross premiums or considerations or imposed under such policy or contract.* ~~The new life insurance issued by the replacing insurer may be voluntarily surrendered by the insured at any time within thirty (30) days after its delivery to the insured in exchange for a full refund of premiums paid by the replacing insurer to the insured.~~
- ~~(3)~~~~(4)~~ Unless otherwise specifically included, *subsection*~~{subsections}~~ (2) ~~and (3)~~ of this section shall not apply to:

~~insurer~~ is being exercised, *or when the existing policy or contract is being replaced by the same insurer pursuant to a program filed with and approved by the commissioner;*

- (e)~~(f)~~ Existing life insurance that is a nonconvertible term life insurance policy which will expire in five (5) years or less and cannot be renewed; or
- (f)~~(g)~~ Proposed life insurance that is to replace life insurance under a binding or conditional receipt issued by the same company;

- (j) ***Structured settlements.***

~~(5) As to proposed life insurance that is to replace existing life insurance issued by the same insurer or an insurer in the same group of affiliated insurers:~~

- ~~(a) Subsection (2) of this section shall not apply to such insurance; and~~
- ~~(b) Subsection (3) of this section shall apply to such insurance.]~~

Section 2. KRS 304.15-315 is amended to read as follows:

- (1) This section shall be known as the "Standard Nonforfeiture Law for Individual Deferred Annuities."

- (3) In the case of contracts issued on or after the operative date of this section as defined in subsection (12) of this section, no contract of annuity, except as stated in subsection (2) of this section, shall be delivered or issued for delivery in this state unless it contains in substance the following provisions, or corresponding provisions which in the opinion of the commissioner are at least as favorable to the contract holder, upon cessation of payment of considerations under the contract.
- (a) That upon cessation of payment of considerations under a contract, the insurer will grant a paid-up annuity benefit on a plan stipulated in the contract of such value as is specified in subsections (5), (6), (7), (8) and (10) of this section.
  - (b) If a contract provides for a lump sum settlement at maturity, or at any other time, that upon surrender of the contract at or prior to the commencement of any annuity payments, the insurer will pay in lieu of any paid-up annuity benefit a cash surrender benefit of such amount as is specified in subsections (5), (6), (8) and (10) of this section. The insurer shall reserve the right to defer the payment of such cash surrender benefit for a period of six (6) months after demand therefor with surrender of the contract.
  - (c) A statement of the mortality table, if any, and interest rates used in calculating any minimum paid-up annuity, cash surrender or death benefits that are guaranteed under the contract, together with sufficient information to determine the amounts of such benefits.
  - (d) A statement that any paid-up annuity, cash surrender or death benefits that may be available under the contract are not less than the minimum benefits required by any statute of the state in which the contract is delivered and an explanation of the manner in which such benefits are altered by the existence of any additional amounts credited by the insurer to the contract, any indebtedness to the insurer on the contract or any prior withdrawals from or partial surrenders of the contract.

Notwithstanding the requirements of this subsection, any deferred annuity contract may provide that if no considerations have been received under a contract for a period of two (2) full years and the portion of the paid-up annuity benefit at maturity on the plan stipulated in the contract arising from considerations paid prior to such period would be less than twenty dollars (\$20) monthly, the insurer may at its option terminate such contract by payment in cash of the then present value of such portion of the paid-up annuity benefit, calculated on the basis of the mortality table, if any, and interest rate specified in the contract for determining the paid-up annuity benefit, and by such payment shall be relieved of any further obligation under such contract.

- (4) The minimum values as specified in subsections (5), (6), (7), (8) and (10) of this section of any paid-up annuity, cash surrender or death benefits available under an annuity contract shall be based upon minimum nonforfeiture amounts as defined in this section.
- (a) With respect to contracts providing for flexible considerations, the minimum nonforfeiture amount at any time at or prior to the commencement of any annuity payments shall be equal to an accumulation up to such time at a rate of interest of three percent (3%) per annum of percentages of the net considerations (as hereinafter defined) paid prior to such time, decreased by the sum of
    1. Any prior withdrawals from or partial surrenders of the contract accumulated at a rate of interest of three percent (3%) per annum; and
    2. The amount of any indebtedness to the insurer on the contract, including interest due and accrued;
 and increased by any existing additional amounts credited by the insurer to the contract. The net considerations for a given contract year used to define the minimum nonforfeiture amount shall be an amount not less than zero and shall be equal to the corresponding gross consideration credited to the contract during that contract year less an annual contract charge of thirty dollars (\$30) and less a collection charge of one dollar and twenty-five cents (\$1.25) per consideration credited to the contract

during that contract year. The percentages of net considerations shall be sixty-five percent (65%) of the net consideration for the first contract year and eighty-seven and one-half percent (87.5%) of the net considerations for the second and later contract years. Notwithstanding the provisions of the preceding sentence, the percentage shall be sixty-five percent (65%) of the portion of the total net consideration for any renewal contract year which exceeds by not more than two (2) times the sum of those portions of the net considerations in all prior contract years for which the percentage was sixty-five percent (65%).

- (b) Notwithstanding any other provision of this subsection, for any contract issued on or after July 1, 2003, and before July 1, ~~2006~~<sup>2005</sup>, the interest rate at which net considerations, prior withdrawals, and partial surrenders shall be accumulated for the purpose of determining nonforfeiture amounts shall be no less than one and one-half percent (1.5%) per annum.
  - (c) With respect to contracts providing for fixed scheduled considerations, minimum nonforfeiture amounts shall be calculated on the assumption that considerations are paid annually in advance and shall be defined as for contracts with flexible considerations which are paid annually with two (2) exceptions:
    - 1. The portion of the net consideration for the first contract year to be accumulated shall be the sum of sixty-five percent (65%) of the net consideration for the first contract year plus twenty-two and one-half percent (22.5%) of the excess of the net consideration for the first contract year over the lesser of the net considerations for the second and third contract years.
    - 2. The annual contract charge shall be the lesser of,
      - a. Thirty dollars (\$30), or
      - b. Ten percent (10%) of the gross annual consideration.
  - (d) With respect to contracts providing for a single consideration, minimum nonforfeiture amounts shall be defined as for contracts with flexible considerations except that the percentage of net consideration used to determine the minimum nonforfeiture amount shall be equal to ninety percent (90%) and the net consideration shall be the gross consideration less a contract charge of seventy-five dollars (\$75).
- (5) Any paid-up annuity benefit available under a contract shall be such that its present value on the date annuity payments are to commence is at least equal to the minimum nonforfeiture amount on that date. Such present value shall be computed using the mortality table, if any, and the interest rate specified in the contract for determining the minimum paid-up annuity benefits guaranteed in the contract.
  - (6) For contracts which provide cash surrender benefits, such cash surrender benefits available prior to maturity shall not be less than the present value as of the date of surrender of that portion of the maturity value of the paid-up annuity benefit which would be provided under the contract at maturity arising from considerations paid prior to the time of cash surrender reduced by the amount appropriate to reflect any prior withdrawals from or partial surrenders of the contract, such present value being calculated on the basis of an interest rate not more than one percent (1%) higher than the interest rate specified in the contract for accumulating the net considerations to determine such maturity value, decreased by the amount of any indebtedness to the insurer on the contract, including interest due and accrued, and increased by any existing additional amounts credited by the insurer to the contract. In no event shall any cash surrender benefit be less than the minimum nonforfeiture amount at that time. The death benefit under such contracts shall be at least equal to the cash surrender benefit.
  - (7) For contracts which do not provide cash surrender benefits, the present value of any paid-up annuity benefit available as a nonforfeiture option at any time prior to maturity shall not be less than the present value of that portion of the maturity value of the paid-up annuity benefit provided under the contract arising from considerations paid prior to the time the contract is surrendered in exchange for, or changed to, a deferred paid-up annuity, such present value being calculated for the period prior to the maturity date on the basis of the interest rate specified in the contract for accumulating the net considerations to determine such maturity value, and increased by any existing additional amounts credited by the insurer to the contract. For contracts which do not provide any death benefits prior to the commencement of any annuity payments, such present values shall be calculated on the basis of such interest rate and the mortality table specified in the contract for determining the maturity value of the paid-up annuity benefit. However, in no event shall the present value of a paid-up annuity benefit be less than the minimum nonforfeiture amount at that time.
  - (8) For the purpose of determining the benefits calculated under subsections (6) and (7) of this section, in the case of annuity contracts under which an election may be made to have annuity payments commence at optional

maturity dates, the maturity date shall be deemed to be the latest date for which election shall be permitted by the contract, but shall not be deemed to be later than the anniversary of the contract next following the annuitant's seventieth birthday or the tenth anniversary of the contract, whichever is later.

- (9) Any contract which does not provide cash surrender benefits or does not provide death benefits at least equal to the minimum nonforfeiture amount prior to the commencement of any annuity payments shall include a statement in a prominent place in the contract that such benefits are not provided.
- (10) Any paid-up annuity, cash surrender or death benefits available at any time, other than on the contract anniversary under any contract with fixed scheduled considerations, shall be calculated with allowance for the lapse of time and the payment of any scheduled considerations beyond the beginning of the contract year in which cessation of payment of considerations under the contract occurs.
- (11) For any contract which provides, within the same contract by rider or supplemental contract provision, both annuity benefits and life insurance benefits that are in excess of the greater of cash surrender benefits or a return of the gross considerations with interest, the minimum nonforfeiture benefits shall be equal to the sum of the minimum nonforfeiture benefits for the annuity portion and the minimum nonforfeiture benefits, if any, for the life insurance portion computed as if each portion were a separate contract. Notwithstanding the provisions of subsections (5), (6), (7), (8), and (10) of this section, additional benefits payable
  - (a) In the event of total and permanent disability,
  - (b) As reversionary annuity or deferred reversionary annuity benefits, or
  - (c) As other policy benefits additional to life insurance, endowment and annuity benefits, and considerations for all such additional benefits,

shall be disregarded in ascertaining the minimum nonforfeiture amounts, paid-up annuity, cash surrender and death benefits that may be required by this section. The inclusion of such additional benefits shall not be required in any paid-up benefits, unless such additional benefits separately would require minimum nonforfeiture amounts, paid-up annuity, cash surrender and death benefits.

- (12) (a) 1. After ~~August 1, 2005~~~~[June 17, 1978]~~, any insurer may file with the commissioner a written notice of its election to ~~apply~~~~[comply with]~~ the provisions of ***Section 3 of this Act on a contract-form by contract-form basis to annuity contracts issued by the insurer during the period from the date of the election through June 30, 2006;***~~[this section after a specified date before June 17, 1980. After the filing of such notice, then upon such specified date, this section shall become operative with respect to annuity contracts thereafter issued by such insurer. If an insurer makes no such election, the operative date of this section for such insurer shall be June 17, 1980]~~
  2. ***In all other instances, insurers shall apply the provisions of Section 2 of this Act to annuity contracts issued through June 30, 2006; and***
- (b) ***Insurers shall apply the provisions of Section 3 of this Act to all annuity contracts issued on or after July 1, 2006.***

SECTION 3. A NEW SECTION OF SUBTITLE 15 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

- (1) ***This section shall be known as the "Standard Nonforfeiture Law for Individual Deferred Annuities of 2005."***
- (2) ***This section shall not apply to any reinsurance group annuity purchased under a retirement plan or plan of deferred compensation established or maintained by an employer, including a partnership or sole proprietorship, or by an employee organization, or by both, other than a plan providing individual retirement accounts or individual retirement annuities under Section 408 of the Internal Revenue Code, as now or hereafter amended, premium deposit fund, variable annuity, investment annuity, immediate annuity, any deferred annuity contract after annuity payments have commenced, or reversionary annuity, nor to any contract which shall be delivered outside this state through an agent or other representative of the insurer issuing the contract. However, to the extent that a variable annuity contract provides benefits that do not, before the maturity date, vary in accordance with the investment performance of any separate account or accounts maintained by the insurer as to such contract, as provided for in KRS 304.15-390, the contract shall contain provisions that satisfy the requirements of this section and shall not otherwise be subject to this section.***

- (3) *In the case of contracts issued on or after July 1, 2006, no contract of annuity, except as provided in subsection (2) of this section, shall be delivered or issued for delivery in this state unless it contains in substance the following provisions, or corresponding provisions which in the opinion of the commissioner are at least as favorable to the contract holder, upon cessation of payment of considerations under the contract:*
- (a) *That upon cessation of payment of considerations under a contract, or upon the written request of the contract owner, the insurer shall grant a paid-up annuity benefit on a plan stipulated in the contract of such value as is specified in subsections (8), (9), (10), (11), and (13) of this section;*
  - (b) *If a contract provides for a lump sum settlement at maturity, or at any other time, that upon surrender of the contract at or prior to the commencement of any annuity payments, the insurer shall pay, in lieu of any paid-up annuity benefit, a cash surrender benefit of such amount as is specified in subsections (8), (9), (10), (11), and (13) of this section. The insurer may reserve the right to defer the payment of this cash surrender benefit for a period not to exceed six (6) months after demand therefor with surrender of the contract after making written request and receiving written approval of the commissioner. The request shall address the necessity and equitability to all policyholders of the deferral;*
  - (c) *A statement of the mortality table, if any, and interest rates used in calculating any minimum paid-up annuity, cash surrender or death benefits that are guaranteed under the contract, together with sufficient information to determine the amounts of such benefits; and*
  - (d) *A statement that any paid-up annuity, cash surrender or death benefits that may be available under the contract are not less than the minimum benefits required by any statute of the state in which the contract is delivered and an explanation of the manner in which these benefits are altered by the existence of any additional amounts credited by the insurer to the contract, any indebtedness to the insurer on the contract, or any prior withdrawals from or partial surrenders of the contract.*

*Notwithstanding the requirements of this subsection, any deferred annuity contract may provide that if no considerations have been received under a contract for a period of two (2) full years and the portion of the paid-up annuity benefit at maturity on the plan stipulated in the contract arising from considerations paid prior to that period would be less than twenty dollars (\$20) monthly, the insurer may at its option terminate the contract by payment in cash of the then-present value of such portion of the paid-up annuity benefit, calculated on the basis of the mortality table, if any, and interest rate specified in the contract for determining the paid-up annuity benefit, and by this payment shall be relieved of any further obligation under such contract.*

- (4) *The minimum values as specified in subsections (8), (9), (10), (11), and (13) of this section of any paid-up annuity, cash surrender, or death benefits available under an annuity contract shall be based upon minimum nonforfeiture amounts as defined in this section.*
- (a) *The minimum nonforfeiture amount at any time at or prior to the commencement of any annuity payments shall be equal to an accumulation up to that time at rates of interest as indicated in subsection (5) of this section of the net considerations, as defined in paragraph (b) of this subsection, paid prior to that time, decreased by the sum of:*
    - 1. *Any prior withdrawals from or partial surrenders of the contract accumulated at a rate of interest as indicated in subsection (5) of this section;*
    - 2. *An annual contract charge of fifty dollars (\$50) accumulated at rates of interest as indicated in subsection (5) of this section; and*
    - 3. *The amount of any indebtedness to the insurer on the contract, including interest due and accrued.*
  - (b) *The net considerations for a given contract year used to define the minimum nonforfeiture amount shall be an amount equal to eighty-seven and one-half percent (87.5%) of gross considerations credited to the contract during that contract year.*
- (5) *The interest rate used in determining minimum nonforfeiture amounts shall be an annual rate of interest determined as the lesser of three percent (3%) per annum and the following, which shall be specified in the contract if the interest rate will be reset:*

- (a) *The five (5) year Constant Maturity Treasury Rate reported by the Federal Reserve as of a date or average over a period rounded to the nearest one-twentieth of one percent (0.05%), specified in the contract no longer than fifteen (15) months prior to the contract issue date or redetermination date under paragraph (d) of this subsection;*
  - (b) *Reduced by one hundred twenty-five (125) basis points;*
  - (c) *Where the resulting interest rate is not less than one percent (1%); and*
  - (d) *The interest rate shall apply for an initial period and may be redetermined for additional periods. The redetermination date basis and period, if any, shall be stated in the contract. The basis is the date or average over a specified period that produces the value of the five (5) year Constant Maturity Treasury Rate to be used at each redetermination date.*
- (6) *During the period or term that a contract provides substantive participation in an equity indexed benefit, it may increase the reduction described in subsection (5)(b) of this section up to an additional one hundred (100) basis points to reflect the value of the equity index benefit. The present value at the contract issue date and at each redetermination date thereafter of the additional reduction shall not exceed the market value of the benefit. The commissioner may require a demonstration that the present value of the additional reduction does not exceed the market value of the benefit. Lacking such demonstration that is acceptable to the commissioner, the commissioner may disallow or limit the additional reduction.*
- (7) *The commissioner may promulgate administrative regulations in accordance with KRS Chapter 13A implementing the provisions of subsection (6) of this section and to provide for further adjustments to the calculation of minimum nonforfeiture amounts for contracts that provide substantive participation in an equity index benefit and for other contracts for which the commissioner determines adjustments are justified.*
- (8) *Any paid-up annuity benefit available under a contract shall be such that its present value on the date annuity payments are to commence is at least equal to the minimum nonforfeiture amount on that date. This present value shall be computed using the mortality table, if any, and the interest rates specified in the contract for determining the minimum paid-up annuity benefits guaranteed in the contract.*
- (9) *For contracts which provide cash surrender benefits, the cash surrender benefits available prior to maturity shall not be less than the present value as of the date of surrender of that portion of the maturity value of the paid-up annuity benefit which would be provided under the contract at maturity arising from considerations paid prior to the time of cash surrender reduced by the amount appropriate to reflect any prior withdrawals from or partial surrenders of the contract, the present value being calculated on the basis of an interest rate not more than one percent (1%) higher than the interest rate specified in the contract for accumulating the net considerations to determine the maturity value, decreased by the amount of any indebtedness to the insurer on the contract, including interest due and accrued, and increased by any existing additional amounts credited by the insurer to the contract. In no event shall any cash surrender benefit be less than the minimum nonforfeiture amount at that time. The death benefit under the contracts shall be at least equal to the cash surrender benefit.*
- (10) *For contracts which do not provide cash surrender benefits, the present value of any paid-up annuity benefit available as a nonforfeiture option at any time prior to maturity shall not be less than the present value of that portion of the maturity value of the paid-up annuity benefit provided under the contract arising from considerations paid prior to the time the contract is surrendered in exchange for, or changed to, a deferred paid-up annuity, the present value being calculated for the period prior to the maturity date on the basis of the interest rate specified in the contract for accumulating the net considerations to determine the maturity value, and increased by any existing additional amounts credited by the insurer to the contract. For contracts which do not provide any death benefits prior to the commencement of any annuity payments, the present values shall be calculated on the basis of the interest rate and the mortality table specified in the contract for determining the maturity value of the paid-up annuity benefit. However, in no event shall the present value of a paid-up annuity benefit be less than the minimum nonforfeiture amount at that time.*
- (11) *For the purpose of determining the benefits calculated under subsections (9) and (10) of this section, in the case of annuity contracts under which an election may be made to have annuity payments commence at optional maturity dates, the maturity date shall be deemed to be the latest date for which election shall be permitted by the contract, but shall not be deemed to be later than the anniversary of the contract next following the annuitant's seventieth birthday or the tenth anniversary of the contract, whichever is later.*

- (12) *Any contract which does not provide cash surrender benefits or does not provide death benefits at least equal to the minimum nonforfeiture amount prior to the commencement of any annuity payments shall include a statement in a prominent place in the contract that such benefits are not provided.*
- (13) *Any paid-up annuity, cash surrender or death benefits available at any time, other than on the contract anniversary under any contract with fixed scheduled considerations, shall be calculated with allowance for the lapse of time and the payment of any scheduled considerations beyond the beginning of the contract year in which cessation of payment of considerations under the contract occurs.*
- (14) *For any contract which provides, within the same contract by rider or supplemental contract provision, both annuity benefits and life insurance benefits that are in excess of the greater of cash surrender benefits or a return of the gross considerations with interest, the minimum nonforfeiture benefits shall be equal to the sum of the minimum nonforfeiture benefits for the annuity portion and the minimum nonforfeiture benefits, if any, for the life insurance portion computed as if each portion were a separate contract. Notwithstanding the provisions of subsections (8), (9), (10), (11), and (13) of this section, additional benefits payable:*
- (a) *In the event of total and permanent disability;*
  - (b) *As reversionary annuity or deferred reversionary annuity benefits; or*
  - (c) *As other policy benefits additional to life insurance, endowment and annuity benefits, and considerations for all such additional benefits;*
- shall be disregarded in ascertaining the minimum nonforfeiture amounts, paid-up annuity, cash surrender and death benefits that may be required by this section. The inclusion of these additional benefits shall not be required in any paid-up benefits, unless these additional benefits separately would require minimum nonforfeiture amounts, paid-up annuity, cash surrender and death benefits.*
- (15) (a) *After August 1, 2005, any insurer may file with the commissioner a written notice of its election to apply the provisions of this section on a contract-form by contract-form basis to annuity contracts issued by the insurer during the period from the date of the election through June 30, 2006.*
- (b) *Insurers shall apply the provisions of this section to annuity contracts issued on or after July 1, 2006.*

WHEREAS, by the time the Thirteenth Amendment was ratified in December, 1865, only nine states, Kentucky among them, still clung to the institution of slavery even though in 1833 Kentucky passed legislation prohibiting the importation of African slaves into the state for resale south; and

WHEREAS, some slaves in Kentucky won freedom by joining the army when President Lincoln declared that any slave joining the Union Army would be given freedom; and

WHEREAS, Kentucky overwhelmingly rejected the ratification of the Thirteenth Amendment but finally went on record against slavery in 1976; and

WHEREAS, President Harry S. Truman signed a bill in 1948 proclaiming February 1 "National Freedom Day" in honor of the signing of the Emancipation Proclamation, a first step in nationally commemorating the freeing of slaves and freedom for all; and

### (HB 426)

AN ACT relating to motor vehicle license plates.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

Section 1. KRS 186.240 is amended to read as follows:

- (1) It shall be the duty of the cabinet to carry out the provisions of KRS 186.005 to 186.260, and:

- (1) (a) Certificates of delinquency shall bear interest at twelve percent (12%) per annum simple interest from the date the certificate of delinquency is issued. A fraction of a month is counted as an entire month. The five dollar (\$5) sheriff's fee, the advertising costs provided in KRS 134.420, the clerk's add-on fee provided in KRS 134.480, and the county attorney's add-on fee provided in this section shall be included in the interest calculation in counties containing cities of the first class or consolidated local government and shall be excluded in other counties, except upon adoption of an ordinance by a county

to include in the interest calculation the fees provided for in KRS 134.420, the clerk's add-on fee provided in KRS 134.480, and the county attorney's add-on fee provided in this section. All tax bills on omitted property that were not turned over to the sheriff in time to be collected or to make the sale provided for in KRS 134.430 and 134.440 shall also be submitted to the fiscal court but shall be carried over as a charge against the sheriff at the time he or she makes the next regular settlement.

- (b) A certificate of delinquency shall bear interest at twelve percent (12%) per annum simple interest from the date the certificate of delinquency is issued. A fraction of a month is counted as an entire month. The total amount of the certificate of delinquency, the clerk's add-on fee provided in KRS 134.480, and the county attorney's add-on fee provided in this section shall be included in the base for the interest calculation. All tax bills on omitted property that were not turned over to the sheriff in time to be collected or to make the sale provided for in KRS 134.430 and 134.440 shall also be submitted to the fiscal court but shall be carried over as a charge against the sheriff at the time he makes his next regular settlement.
- (2) The cabinet shall be responsible for the collection of certificates of delinquency and delinquent personal property tax bills; however, the cabinet shall first offer the collection duties to the county attorney, unless the cabinet determines that the county attorney has previously failed to perform collection duties in a reasonable and acceptable manner. Any county attorney desiring to perform the duties associated with the collection of delinquent tax claims shall enter into a contract with the cabinet on an annual basis. The terms of the contract shall specify the duties to be undertaken by the county attorney. These duties shall include but are not limited to the following actions:
- (a) Within fifty (50) days after the issuance of a certificate of delinquency to the state, county, and taxing district, the county attorney or the Revenue Cabinet shall cause a notice of the purchase to be mailed by regular mail to the property owner at the address on the records of the property valuation administrator. The notice shall advise the owner that the certificate is a lien of record against all property of the owner, and bears interest at the rate of twelve percent (12%) per annum, and if not paid will be subject to collection by the county attorney as provided by law.
  - (b) The county attorney shall file in the office of the county clerk a list of the names and addresses to which the notice was mailed along with a certificate that the notice was mailed in accordance with the requirements of this section.
  - (c) All notices returned as undeliverable shall be submitted to the property valuation administrator. The property valuation administrator shall attempt to correct inadequate or erroneous addresses and, if property has been transferred, shall determine the new owner and the current mailing address. The property valuation administrator shall return the notices with the corrected information to the county attorney prior to the expiration of the one (1) year tolling period provided in KRS 134.470.
  - (d) Within ninety (90) days after the expiration of the one (1) year tolling period provided in KRS 134.470, the county attorney shall cause a notice of his intention to enforce the lien to be mailed to all owners whose tax bills remain delinquent. No second notice shall be required for addresses previously determined to be undeliverable and for which the property valuation administrator has not provided corrected information.
  - (e) Failure to mail the notices shall not affect the validity of the claim of the state, county, and taxing district. The postal cost of mailing the notices shall be added to the certificate of delinquency and, upon collection, the county attorney shall be reimbursed for the postage. The county attorney shall deliver at the same time a list of the owners whose tax bills remain delinquent to the property valuation administrator. The property valuation administrator shall review this list in accordance with the provisions of KRS 132.220 to establish that the properties on the list can be identified and physically located.
- (3) The county attorney who enters into a contract with the cabinet shall have a period of two (2) years after the expiration of the one (1) year tolling period provided in KRS 134.470 to collect delinquent tax bills or to initiate court action for their collection. At the expiration of the two (2) years the cabinet may assume responsibility for all uncollected bills except those with pending court action.
- (4) The county attorney who enters into a contract with the cabinet and performs his or her duties in respect to the certificate of delinquency and delinquent personal property tax bills shall be entitled to twenty percent (20%)

of the amount due each taxing unit, whether the tax claim is voluntarily paid or is paid through sale or under court order, and the fee shall be paid to him by the county clerk when making distribution, as provided in KRS 134.480. This fee shall be added to the amount of the tax claims and paid by the persons paying the tax claims. They shall not be paid by the taxing districts or deducted from the taxes due the taxing districts. This fee shall be waived if the certificate of delinquency is paid by the taxpayer only within five (5) days of the sheriff's sale. If more than one (1) county attorney renders necessary services in an effort to collect a tax claim, the attorney serving the last notice or rendering the last substantial service preceding collection shall be entitled to the fee. When the county attorney's office, in an effort to collect a certificate of delinquency, or delinquent personal property tax bills files a court action *or files a cross-claim* ~~[which is litigated by the taxpayer]~~, an additional county's attorney fee equal to thirteen percent (13%) of the total tax plus ten percent (10%) penalty, may be added to the certificate or the bill and shall become part of the tax claim.

- (5) If a county attorney chooses not to contract for these collection duties or if a county attorney fails to perform the duties required by the contract, the cabinet shall assume responsibility for the collection process. In the performance of those duties, the cabinet shall have all the powers, rights, duties, and authority with respect to the collection, refund, and administration of the amount due on the certificate of delinquency conferred generally upon the cabinet by Kentucky Revised Statutes including, but not limited to, KRS Chapters 131, 134, and 135. The twenty percent (20%) fee that would have otherwise been paid to the county attorney shall be paid to the cabinet for deposit in the delinquent tax fund provided for under KRS 134.400.
- (6) Any action on behalf of the state, county, and taxing districts authorized by this section or by KRS 134.470, 134.490, or 134.540 shall be filed on relation of the secretary, and the petition may be sent to the cabinet, which may require revision in instances where it deems revision or amendment necessary. The cabinet shall advise the county attorney in all actions, and may send him or her special assistance when the secretary deems assistance necessary. A copy of the judgment shall also be sent to the cabinet. If the cabinet sends assistance to a county attorney who contracts to prosecute the suits or proceedings, the county attorney shall be entitled to his or her full fee. On the same day that suit is filed, the county clerk shall be given notice of its filing. Costs incident to the suit shall become a part of the tax claim.
- (7) The cabinet may make its delinquent tax collection databases and other technical resources, including but not limited to income tax refund offsetting, available to the county attorney upon request from the county attorney. The county attorney seeking assistance shall enter into any agreements required by the cabinet to protect taxpayer confidentiality, to ensure database integrity, or to address other concerns of the cabinet.
- (8) The county attorney may, at any time after assuming collection duties, enter into an agreement with the delinquent taxpayer to accept installment payments on the delinquent tax bill. The agreement shall not waive the county attorney's right to initiate court action or other authorized collection activities if the taxpayer does not make payments in accordance with the agreement.

In such event, the temporary permit shall be valid for a period of thirty (30) days, unless extended.
- (3) A separate permit to operate shall be required for each pharmacy.
- (4) Each permit to operate a pharmacy, unless sooner suspended or revoked, shall expire on June 30 following its date of issuance and be renewable annually thereafter upon proper application accompanied by such reasonable renewal fee as may be set by administrative regulation of the board, not to exceed two hundred fifty dollars (\$250) nor to increase more than twenty-five dollars (\$25) per year. - (2) The statement-of-candidacy form shall be prescribed by the State Board of Elections. The statement-of-candidacy form shall be signed by the candidate upon filing. No charge shall be assessed for the filing of a statement-of-candidacy form. *Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

Section 1. KRS 81A.440 is amended to read as follows:

(1) ***In areas that are inhabited:***

(a) A city may reduce its boundaries by the enacting by its legislative body of an ordinance stating the intention of the city to reduce its boundaries. ~~This [Such]~~ ordinance shall accurately define the boundaries of the area to be stricken from the corporate limits of the city, and shall provide that the question of reduction of boundaries shall be submitted to the registered voters of the area to be stricken from the city at the next regular election. A copy of the ordinance shall be sent to the county clerk who shall have prepared, for presentation to the voters located within the area to be stricken, the question: "Are you in favor of being stricken from the City of ....., and becoming part of the unincorporated area of the county?" The election shall be held at the next regular election if the ordinance is filed with the county clerk not later than the second Tuesday in August preceding the regular election.

~~(b) [(2)]~~ If a majority of those voting on the question vote "Yes" to the question of being stricken, the legislative body of the city within ten (10) days of the certification of the election, shall enact an ordinance declaring the area to be stricken from the corporate limits of the city as of the date of the ordinance.

(2) ***In areas that are uninhabited, a city may reduce its boundaries by the following procedure:***

(a) ***The legislative body of the city proposing to strike uninhabited territory shall enact an ordinance stating the intention of the city to strike the uninhabited area. The ordinance shall accurately define the boundary of the uninhabited territory proposed to be stricken, and declare its intention to strike***

- (b) *In not less than thirty (30) days after receipt of proof of receipt by the county/judge executive of the county encompassing the territory to be stricken, if no ordinance objecting to the striking of the territory is received from the legislative body of the county encompassing the territory to be stricken, the legislative body may enact a second ordinance striking the territory described in the ordinance. Upon the enactment of this ordinance, the territory shall cease to be part of the city for all purposes.*

However, this exception shall not apply to county license fees enacted for the first time, or increased, on or after January 1, 2000. This provision shall expire July 15, 2002, unless otherwise extended by the General Assembly.
- (9) A county that enacted an occupational license fee under the authority of KRS 67.083 shall not be required to reduce its occupational tax rate when it is determined that the population of the county exceeds thirty thousand (30,000).
- (10) ***Notwithstanding any statute to the contrary:***

Section 2. It is necessary to clarify the General Assembly's original intention that it is not the intent of the General Assembly to bring financial hardship upon a county from the crediting or refunding of fees when the county has acted in good faith to provide for the needs of its community by the imposition of a license fee authorized by this section.

Section 3. Whereas, recent judicial interpretations of KRS 68.197 could result in catastrophic financial hardship for some Kentucky counties, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

All schools shall implement school-based decision making by July 1, 1996, in accordance with this section and with the policy adopted by the local board pursuant to this section. The school shall submit the model through the local board of education to the commissioner of education and the Kentucky Board of Education, which shall have final authority for approval. The application for approval of the model shall show evidence that it has been developed by representatives of the parents, students, certified personnel, and the administrators of the school and that two-thirds (2/3) of the faculty have agreed to the model.

- (b) An affected party who believes a violation of this subsection has occurred may file a written complaint with the Office of Education Accountability. The office shall investigate the complaint and resolve the conflict, if possible, or forward the matter to the Kentucky Board of Education.
  - (c) The Kentucky Board of Education shall conduct a hearing in accordance with KRS Chapter 13B for complaints referred by the Office of Education Accountability.
  - (d) If the state board determines a violation has occurred, the party shall be subject to reprimand. A second violation of this subsection may be grounds for removing a superintendent, a member of a school council, or school board member from office or grounds for dismissal of an employee for misconduct in office or willful neglect of duty.
- (10) Notwithstanding subsections (1) to (9) of this section, a school's right to establish or maintain a school-based decision making council and the powers, duties, and authority granted to a school council may be rescinded or the school council's role may be advisory if the commissioner of education or the Kentucky Board of Education takes action under KRS 160.346.
- (11) *Each school council of a school containing grades K-5 or any combination thereof, or if there is no school council, the principal, shall develop and implement a wellness policy that includes moderate to vigorous physical activity each day and encourages healthy choices among students. Each school council, or if there is no school council, the principal, shall adopt an assessment tool to determine each child's level of physical activity on an annual basis. The council or principal may utilize an existing assessment program. The Kentucky Department of Education shall make available a list of available resources to carry out the provisions of this subsection. The department shall report to the Legislative Research Commission no later than November 1 of each year on how the schools are providing physical activity under this subsection and on the types of physical activity being provided. If any delinquency be found to exist, the *commissioner*~~[secretary]~~ of revenue shall, within three (3) working days after this receipt of the certificate, furnish the details thereof to the secretary of finance and administration; and if no advice of tax delinquency is received by the secretary of finance and administration before the end of the fourth working day after his receipt of certification from the administrator, he shall, for the purposes of KRS 40.410 to 40.560, conclusively presume that no delinquency of tax liability to the Commonwealth exists, but such presumption shall apply only to the existence or absence of a set-off by the Commonwealth against a certified claim for a bonus, and shall not alter the facts as between the Commonwealth and any taxpayer.

The opinion of the agency contract administrator shall be made in writing or electronically, set forth the reasons for his or her opinion regarding compliance or noncompliance, and be signed by the agency contract administrator. This opinion may have an electronic signature. The using agency head shall, after consideration of the performance audits, the final performance review, and the opinion of the agency contract administrator regarding compliance or noncompliance, determine whether to recommend to the purchasing agency that the performance bond be released or whether a claim should be made against the performance bond. This determination of the using agency head shall be in writing, signed by the using agency head, and forwarded to the purchasing agency. This determination may have an electronic signature and be transmitted electronically. If the recommendation of the using agency is not followed by the purchasing agency, the purchasing agency shall place a statement in the file explaining why it is not followed.

The court shall further order that a report of the sale be made by the master commissioner to the court for further proceedings under the provisions of KRS 91.484 to 91.527.
- (2) Prior to the master commissioner's setting each parcel for sale pursuant to court order, the collector shall file with the Circuit Court clerk an affidavit as to the most recent certified tax assessment of each parcel to be sold. The most recent certified assessment of a property shall be the property valuation administrator's last assessment which shall have been certified by the Kentucky **Department of Revenue**~~Cabinet~~ to the county clerk, as required by KRS 133.180.
- (3) The most recent certified assessment as sworn to in the affidavit furnished by the collector shall be used in all actions brought under KRS 91.484 to 91.527 to determine the owner's equity of redemption as provided by KRS 91.511(2).

Section 102. KRS 91.511 is amended to read as follows:

- (1) At any time prior to the sale of the property any person having any right, title or interest in, or lien upon, any parcel of real estate described in the petition may discharge any city lien or satisfy a judgment in favor of the city as to said parcel of real estate by paying to the collector all of the sums mentioned therein, including the principal, interest, penalties, and costs then due.

Any owner who redeems his land shall take a receipt from the purchaser and lodge it with the clerk of the court. The receipt shall be entered upon the records of the court.
- (3) The owner may tender the redemption money to the purchaser, his agent or attorney, if found in the county where the land lies or in the county in which the judgment was obtained or order of sale made. If the money is refused, or if the purchaser does not reside in either of the counties, the owner may, before the expiration of the right of redemption, go to the clerk of the court in which the judgment was rendered or the order made, and make affidavit of the tender and refusal, or that the purchaser or his agent or attorney do not reside in either of the counties. He may then pay to the clerk the redemption money, and the clerk shall give receipt therefor and file the affidavit among the papers of the action.
- (4) When the right of redemption exists, the owner may remain in possession of the property until it expires. Real property so sold shall not be conveyed to the purchaser until the right of redemption has expired. If it is redeemed, the sale shall, from and after the redemption or from and after the deposit of the redemption money with the clerk, be null and void.
- (5) In the event of failure to redeem within the period provided for redemption, the owner or any other party in interest shall be barred forever of all his right, title and interest in and to the parcel of real estate described in the petition.
- (6) Upon redemption, as permitted by this section, the person redeeming shall be entitled to a certificate of redemption from the collector describing the property in the same manner as it is described in the petition and the collector shall thereupon note on his records the word "redeemed" and the date of the payment opposite the description of the parcel of real estate.

- (b) The tax equivalent for each tax year payable to the state shall be the total of:
1. The book value of the property owned by the board within the state, multiplied by the adjustment factor, multiplied by the current tax rate of the state, less thirty cents (\$0.30), plus
  2. The state's portion of the amount payable under paragraph (d) of this subsection.
- (c) The tax equivalent for each tax year payable to each taxing jurisdiction in which the board operates shall be the total of:
1. The adjusted book value of property owned by the board within the taxing jurisdiction, multiplied by the adjustment factor, multiplied by the current tax rate of the taxing jurisdiction; provided, however, for the purpose of this calculation the tax rate for school districts shall be increased by thirty cents (\$0.30), plus

2. The taxing jurisdiction's portion of the amount payable under paragraph (d) of this subsection.
- (d) For purposes of this subsection, "amount payable" shall mean four-tenths of one percent (0.4%) of the book value of property owned by the board located within the state. The state shall be paid the same proportion of the amount payable as the payment to the state under subparagraph 1. of paragraph (b) of this subsection represents of the total payments to the state and all taxing jurisdictions in which the board operates required by subparagraph 1. of paragraph (b) and subparagraph 1. of paragraph (c) of this subsection. Each taxing jurisdiction in which the board operates shall be paid the same proportion of the amount payable as the payment to the taxing jurisdiction under subparagraph 1. of paragraph (c) of this subsection represents of the total payments to the state and all taxing jurisdictions in which the board operates required by subparagraph 1. of paragraph (b) and subparagraph 1. of paragraph (c) of this subsection. Under the regulations the *Department of Revenue* ~~Cabinet~~ may prescribe, upon the board's receipt from the state and taxing jurisdictions of notice of the amount due under subparagraph 1. of paragraph (b) and subparagraph 1. of paragraph (c) of this subsection, the board shall compute the portion of the amount payable which is due the state and each taxing jurisdiction in which the board operates.
  - (e) Payment of the tax equivalent under this section for each tax year shall be made by each board to the state within thirty (30) days after receipt by the board of the certification from the *Department of Revenue* ~~Cabinet~~ required by subsection (2) of this section and shall be made directly to each taxing jurisdiction in which the board operates within thirty (30) days from the date of the certifications by the county clerk required by subsection (2) of this section. The state and each taxing jurisdiction in which a board operates shall have a superior lien upon the proceeds of the sale of electric energy by that board for the amounts required by this section to be paid to it.
- (4) Except as hereinafter provided, the tax equivalents computed under this section shall be in lieu of all state, municipal, county, school district, special taxing district, other taxing district, and other state and local taxes or charges on the tangible and intangible property, the income, franchises, rights, and resources of every kind and description of any municipal electric system operating under KRS 96.550 to 96.900 and on the electric operations of any board established pursuant thereto, and the tax equivalent for any tax year computed and payable under this section to the state or to any taxing jurisdiction in which any board operates shall be reduced by the aggregate amount of any tax or charge within the meaning of this sentence which is imposed by the state, or by any taxing jurisdiction in which a board operates, on the board, the electric system, or the board's electric operations. Provided, however, that if any school district in which property of a board is located has elected, or does hereafter elect, to apply the utility gross receipts license tax for schools to all utility services as provided by KRS 160.613 through KRS 160.617, or as may hereafter be provided by other statutes, the amount of such utility gross receipts license tax shall not reduce, or in any manner affect, the amount payable to any such board or boards under the provisions of this section. It is the intent and purpose of this provision to eliminate all sums received by any such board or boards by reason of the utility gross receipts license tax from any computation of the amount payable under this section to any such board or boards, irrespective of the manner in which that payment is computed, so that, in no event, shall any sum received by any school district by reason of the utility gross receipts license tax reduce, directly or indirectly, the amount payable to such district under this chapter. Provided, further, that if the state shall levy a statewide retail sales or use tax on electric power or energy, collected by retailers of the energy from the vendees or users thereof, and imposed at the same rate or rates as are generally applicable to the sale or use of personal property or services, including natural or artificial gas, fuel oil, and coal as well as electric power or energy, the retail sales or use tax shall not be deemed to be a tax or charge within the meaning of the first sentence of this subsection, and the tax equivalent payable for the tax year to the state under this section shall not be reduced on account of such retail sales or use tax.
  - (5) (a) Notwithstanding subsection (3) of this section, until the first tax year in which the total of:
    1. The tax equivalent payable to the state, or to any taxing jurisdiction in which the board operates, computed under subsection (3) of this section, plus
    2. The additional amounts permitted to be paid to the state or taxing jurisdiction without deduction under the second and third sentences of subsection (4) of this section, exceeds the minimum payment to the state or taxing jurisdiction specified in paragraph (b) of this subsection, the tax equivalent for each tax year payable to the state or taxing jurisdiction shall be an amount equal to the minimum payment computed under paragraph (b) of this subsection.

- (b) For purposes of this subsection, the minimum payment to the state or to any taxing jurisdiction in which the board operates shall mean an amount equal to the total of:
1. The largest actual payment made by the board pursuant to this section to the state or to the taxing jurisdiction for any of the tax years 1964, 1965, or 1966, plus
  2. The state's or taxing jurisdiction's pro rata share of an amount equal to four-tenths of one percent (0.4%) of the increase since July 1, 1964, in the book value of property owned by the board within the state. For the purposes of this paragraph "pro rata share" shall mean the same proportion of the amount computed under this subparagraph as the largest actual payment in lieu of taxes made by the board to the state or taxing jurisdiction for the applicable tax year under subparagraph 1. of this paragraph represents of the total amount of the largest actual payments in lieu of taxes made by the board to the state and to all taxing jurisdictions in which it operated for any of the applicable tax years.
- (c) The provisions of paragraph (e) of subsection (3) of this section shall apply to all payments required under this subsection.
- (d) This subsection shall not be applicable for the first tax year specified in paragraph (a) of this subsection or for any tax year thereafter, except however, that tax year 1977 shall not be deemed as the "first tax year" as specified in paragraph (a) and this subsection shall continue to apply in such cases.

- (2) The payment to each county, city, and school district shall be determined by the proportion that the book value of Tennessee Valley Authority property in such taxing district, multiplied by the current tax rate, bears to the total of the book values of Tennessee Valley Authority property in all such taxing districts in the Commonwealth, multiplied by their respective tax rates, provided, however, each public school district for the purposes of this calculation shall have their tax rate increased by thirty cents (\$0.30).
- (3) As soon as practicable after the amount of payment to be made to the Commonwealth of Kentucky is finally determined by the Tennessee Valley Authority, the Kentucky *Department of Revenue* ~~Cabinet~~ shall determine the book value of Tennessee Valley Authority property in each county, city, and school district and shall prorate the total payments received from the Tennessee Valley Authority, except payments received directly from the Tennessee Valley Authority, among the distributees as provided in subsection (2) of this section. The *Department of Revenue* ~~Cabinet~~ shall certify the payment due each taxing district to the Finance and Administration Cabinet which shall make the payment to such district.
- (4) As used in subsections (2) and (3) of this section, "Tennessee Valley Authority Property" means land owned by the United States and in the custody of the Tennessee Valley Authority, together with such improvements (including work in progress but excluding temporary construction facilities) as have a fixed situs thereon if and to the extent that such improvements either:
  - (a) Were in existence when title to the land on which they are situated was acquired by the United States; or
  - (b) Are allocated by the Tennessee Valley Authority or determined by it to be allocable to power; provided, however, that manufacturing machinery as interpreted by the *Department of Revenue* ~~Cabinet~~ for franchise tax determination shall be excluded along with ash disposal systems and, coal handling facilities, including railroads, cranes and hoists, crushing and conveying equipment. As used in said subsections "book value" means original cost unadjusted for depreciation as reflected in Tennessee Valley Authority's books of account.   - (c) "Account receivable" means an amount of state tax, penalty, fee, or interest which has been recorded as due and entered in the account records of the *department*~~[cabinet]~~, or which the taxpayer should reasonably expect to become due as a direct or indirect result of any pending or completed audit or investigation which the taxpayer knows is being conducted by any governmental taxing authority, federal, state, or local.
  - (d) "Due and owing" means an assessment which has become final and is owed to the Commonwealth due to either the expiration of the taxpayer's appeal rights pursuant to KRS 131.110 or, if an assessment has been appealed to the board of tax appeals, the rendition of a final order by the board or by any court of this Commonwealth. For the purposes of KRS 131.410 to 131.445, assessments that have been appealed to the board of tax appeals shall be final, due and owing fifteen (15) days after the last unappealed or unappealable order sustaining the assessment or any part thereof has become final.
- (4) Notwithstanding the provisions of any other law to the contrary, the tax amnesty program shall be conducted by the *department*~~[cabinet]~~ during the fiscal year ending June 30, 2003, for a period of not less than sixty (60) days nor more than one hundred and twenty (120) days and shall apply to all taxpayers owing taxes, penalties, fees, or interest subject to the administrative jurisdiction of the *department*~~[cabinet]~~, with the exceptions of ad valorem taxes levied on real property pursuant to KRS Chapter 132, ad valorem taxes on motor vehicles and motorboats collected by the county clerks, and ad valorem taxes on personal property levied pursuant to KRS Chapter 132 that are payable to local officials. The program shall apply to tax liabilities for taxable periods ending or transactions occurring after December 1, 1987, but prior to December 1, 2001. Amnesty tax return forms shall be in a form prescribed by the *department*~~[cabinet]~~.

Section 136. KRS 131.410 is amended to read as follows:

- (1) For any taxpayer who meets the requirements of KRS 131.420:
- (a) For taxes which are owed as a result of the nonreporting or underreporting of tax liabilities or the nonpayment of any account receivable owed by an eligible taxpayer, the Commonwealth shall waive criminal prosecution and all civil penalties and fees which may be assessed under any KRS chapter subject to the administrative jurisdiction of the *department*~~[cabinet]~~ for the taxable years or periods for which tax amnesty is requested, plus all of the interest as provided in subsection (1) of KRS 131.425.
  - (b) With the exception of instances in which the taxpayer and *department*~~[cabinet]~~ enter into an installment payment agreement authorized under subsection (3) of KRS 131.420, The failure to pay all taxes as shown on the taxpayer's amnesty tax return shall invalidate any amnesty granted pursuant to KRS 131.410 to 131.445.
- (2) This section shall not apply to any taxpayer who is on notice, written or otherwise, of a criminal investigation being conducted by an agency of the state or any political subdivision thereof or the United States, nor shall this section apply to any taxpayer who is the subject of any criminal litigation which is pending on the date of the taxpayer's application in any court of this state or the United States for nonpayment, delinquency, evasion or fraud in relation to any federal taxes or to any of the taxes to which this amnesty program is applicable.
- (3) No refund or credit shall be granted for any interest, fee, or penalty paid prior to the time the taxpayer requests amnesty pursuant to KRS 131.420.
- (4) Unless the *department*~~[cabinet]~~ in its own discretion redetermines the amount of taxes due, no refund or credit shall be granted for any taxes paid under the amnesty program.

Section 137. KRS 131.420 is amended to read as follows:

- (1) The provisions of KRS 131.400 to 131.445 shall apply to any eligible taxpayer who files an application for amnesty within the time prescribed by the *department*~~{cabinet}~~ and does the following:
  - (a) Files completed tax returns for all years or tax reporting periods as stated on the application for which returns have not previously been filed and files completed amended tax returns for all years or tax reporting periods as stated on the application for which the tax liability was underreported, except in cases in which the tax liability has been established through audit.
  - (b) Pays in full the taxes due for the periods and taxes applied for at the time the application or amnesty tax returns are filed within the amnesty period and pays the amount of any additional tax owed within thirty (30) days of notification by the *department*~~{cabinet}~~.
  - (c) Pays in full within the amnesty period all taxes previously assessed by the *department*~~{cabinet}~~ that are due and owing at the time the application or amnesty tax returns are filed.
- (2) An eligible taxpayer may participate in the amnesty program whether or not the taxpayer is under audit, notwithstanding the fact that the amount due is included in a proposed assessment or an assessment, bill, notice, or demand for payment issued by the *department*~~{cabinet}~~, and without regard to whether the amount due is subject to a pending administrative or judicial proceeding. An eligible taxpayer may participate in the amnesty program to the extent of the uncontested portion of any assessed liability. However, participation in the program shall be conditioned upon the taxpayer's agreement that the right to protest or initiate an administrative or judicial proceeding or to claim any refund of moneys paid under the program is barred with respect to the amounts paid with the application or amnesty returns.
- (3) The *department*~~{cabinet}~~ may enter into an installment payment agreement as provided in KRS 131.081(9) in cases of severe hardship in lieu of the complete payment required under subsection (1) of this section. Failure of the taxpayer to make timely payments shall void the terms of the amnesty program. All such agreements and payments shall include interest as provided under subsection (2) of KRS 131.425.
- (4) If, following the termination of the tax amnesty period, the *department*~~{cabinet}~~ issues a deficiency assessment based upon information independent of that shown on a return filed pursuant to subsection (1) of this section, the *department*~~{cabinet}~~ shall have the authority to impose penalties and criminal action may be brought where authorized by law only with respect to the difference between the amount shown on the amnesty tax return and the correct amount of tax due. The imposition of penalties or criminal action shall not invalidate any waiver granted under KRS 131.410. With the exception of the cost of collection fee imposed under subsection (1) of KRS 131.440, all assessments issued by the *department*~~{cabinet}~~ under KRS 131.410 to 131.445 may be protested by the taxpayer in the same manner as other assessments pursuant to the terms of this chapter.

Section 138. KRS 131.430 is amended to read as follows:

The *department*~~{cabinet}~~ shall promulgate administrative regulations as necessary, issue forms and instructions, and take all actions necessary to implement the provisions of KRS 131.410 to 131.445. The *department*~~{cabinet}~~ shall extensively publicize the tax amnesty program in order to maximize the public awareness of and participation in the program.

Section 139. KRS 131.440 is amended to read as follows:

- (1) In addition to all other penalties provided under KRS 131.180, 131.410 to 131.445, and 131.990 and any other law, there is hereby imposed after the expiration of the tax amnesty period the following cost of collection fees:
  - (a) A cost of collection fee of twenty-five percent (25%) on all taxes which are or become due and owing to the *department*~~{cabinet}~~ for any reporting period, regardless of when due. This fee shall be in addition to any other applicable fee provided in this subsection;
  - (b) Taxes which are assessed and collected after the amnesty period for taxable periods ending or transactions occurring prior to December 1, 2001, shall be charged a cost of collection fee of twenty-five percent (25%) at the time of assessment; and
  - (c) For any taxpayer who failed to file a return for any previous tax period for which amnesty is available and fails to file the return during the amnesty period, the cost of collection fee shall be fifty percent (50%) of any tax deficiency assessed after the amnesty period.
- (2) The *commissioner*~~{secretary}~~ of revenue shall have the right to waive any penalties or collection fees when it is demonstrated that any deficiency of the taxpayer was due to reasonable cause as defined in KRS 131.010(9).

However, any taxes that cannot be paid under the amnesty program because of the exclusions in subsection (2) of KRS 131.410 shall not be subject to these fees.

- (3) The provisions of subsection (1) of this section shall not relate to any account which has been protested pursuant to KRS 131.110 as of the expiration of the amnesty period and which does not become due and owing, or to any account on which the taxpayer is remitting timely payments under a payment agreement negotiated with the *department*~~[cabinet]~~ prior to or during the amnesty period.
- (4) The fee levied under subsection (1) of this section shall not apply to taxes paid pursuant to the terms of the amnesty program nor shall the judgment penalty of twenty percent (20%) levied under KRS 135.060(3) apply in any case in which the fee levied under this section is applicable.

Section 140. KRS 131.445 is amended to read as follows:

- (1) After the expiration of the tax amnesty period, the *department*~~[cabinet]~~ shall vigorously pursue all civil, administrative, and criminal penalties authorized by state and federal law for all taxes found to be due the Commonwealth.
- (2) In addition to all other penalties provided under KRS 131.180, 131.410 to 131.445, and 131.990 and any other law, any taxpayer who willfully fails to make a return or willfully makes a false return, or who willfully fails to pay taxes owing or collected, with intent to evade payment of the tax or amount collected, or any part thereof, shall be guilty of a Class D felony.

Section 141. KRS 131.500 is amended to read as follows:

- (1) In addition to any other remedy provided by the laws of the Commonwealth, if any person has been assessed for a tax the collection of which is administered by the *Department of Revenue*~~[Cabinet]~~ as provided by the laws of the Commonwealth and if the person has not sought administrative or judicial review of the assessment as provided for in KRS 131.110, or if the person has sought but exhausted all administrative and judicial review so that the assessment is final, due, and owing, the *commissioner*~~[secretary]~~ of revenue or his delegate may cause a demand to be made on the person for the payment thereof. If the tax remains unpaid for thirty (30) days after the demand, the *commissioner*~~[secretary]~~ or his delegate may levy upon and sell all property and rights to property found within the Commonwealth belonging to the person or on which there is a lien provided by KRS 134.420, except the property that is exempt from an execution on a judgment in favor of the Commonwealth as provided in KRS Chapter 427, for the payment of the amount of the tax, penalty, interest, and cost of the levy.
- (2) As soon as practicable after seizure of property, notice in writing shall be given by the *commissioner*~~[secretary]~~ or his delegate to the owner of the property. The notice shall be given to the owner either in person or by certified mail to his last known address. The notice shall specify the sum demanded and shall contain, in the case of personal property, an account of the property seized and, in the case of real property, a description with reasonable certainty of the property seized.
- (3) The *commissioner*~~[secretary]~~ or his delegate shall as soon as practicable after the seizure of the property cause a notification of the sale of the seized property to be published in the newspaper with the largest circulation within the county wherein such seizure is made. The notice shall be published once each week for three (3) successive weeks. In addition, the notice shall be posted at the courthouse and three (3) other public places in the county where the seizure is made for fifteen (15) days next preceding sale. The notice shall specify the property to be sold, and the time, place, manner, and condition of the sale thereof.
- (4) If any property liable to levy is not divisible, so as to enable the *commissioner*~~[secretary]~~ or his delegate by sale of a part thereof to raise the whole amount of the tax, penalty, interest, and cost of the levy, the whole of the property shall be sold.
- (5) The time of sale shall not be less than thirty (30) nor more than ninety (90) days from the time the seizure is made. The place of sale shall be within the county in which the property is seized, except by special order of the *commissioner*~~[secretary]~~.
- (6) The sale shall not be conducted in any manner other than by public auction, or by public sale under sealed bids. In the case of the seizure of several items of property, the *commissioner*~~[secretary]~~ or his delegate may offer the items for sale separately, in groups, or in the aggregate and accept whichever method produces the highest aggregate amount.

- (7) The **commissioner**~~{secretary}~~ or his delegate shall determine whether payment in full shall be required at the time of acceptance of a bid, or whether a part of the payment may be deferred for such period, not to exceed one (1) month, as he may determine to be appropriate. If payment in full is required at the time of acceptance of a bid and is not then and there paid, the **commissioner**~~{secretary}~~ or his delegate shall forthwith proceed to again sell the property as provided in subsection (6) of this section. If the conditions of the sale permit part of the payment to be deferred, and if such part is not paid, within the prescribed period, suit may be instituted in the Franklin Circuit Court or the Circuit Court of the county where the sale was conducted against the purchaser for the purchase price or such part thereof as has not been paid, together with interest at the rate of twelve percent (12%) per annum from the date of the sale; or, in the discretion of the **commissioner**~~{secretary}~~, the sale may be declared to be null and void for failure to make full payment of the purchase price and the property may again be advertised and sold as provided in this section. If readvertisement and sale occur, any new purchaser shall receive the property or rights to property, free and clear of any claim or right of the former defaulting purchaser, of any nature whatsoever, and the amount paid upon the bid price by the defaulting purchaser shall be forfeited.
- (8) If the **commissioner**~~{secretary}~~ or his delegate determines that any property seized is liable to perish or become greatly reduced in price or value by keeping, or that the property cannot be kept without great expense, he shall appraise the value of the property and, if the owner of the property can be readily found, the **commissioner**~~{secretary}~~ or his delegate shall give him notice of the determination of the appraised value of the property. The property shall be returned to the owner if, within the time specified in the notice, the owner pays to the **commissioner**~~{secretary}~~ or his delegate an amount equal to the appraised value, or gives bond in the form, with the sureties, and in the amount as the **commissioner**~~{secretary}~~ or his delegate determines to be appropriate in the circumstances. If the owner does not pay the amount or furnish the bond in accordance with this subsection, the **commissioner**~~{secretary}~~ or his delegate shall as soon as practicable make public sale of the property without regard to the advertisement requirements or the time limitations contained in subsections (3) and (5) of this section.
- (9) No proceedings under this section shall be commenced more than ten (10) years after the assessment becomes final.
- (10) The term "levy" as used in this section shall include the power of distraint and seizure by any means. Except as otherwise provided in KRS 131.510(2)(a), a levy shall extend only to property possessed and obligations existing at the time thereof. In any case in which the **commissioner**~~{secretary}~~ or his delegate may levy upon property or rights to property, he may seize and sell the property or rights whether real, personal, tangible or intangible.
- (11) Notwithstanding the provisions of KRS Chapters 45, 45A, and 56, the **department**~~{cabinet}~~ may take all necessary steps to provide for the protection, maintenance, or transportation of all property seized by the **department**~~{cabinet}~~ pursuant to the provisions of this section, including, but not limited to, negotiating directly for the procurement of contractual services, including professionals, supplies, materials, equipment, or the leasing of real and personal property. Every effort shall be made to effect a competitively established price for purchases made pursuant to this section. The **department**~~{cabinet}~~ shall report any procurements of contractual services, supplies, materials, equipment, or the leasing of real and personal property, to the secretary of the Finance and Administration Cabinet within sixty (60) days of the transaction. Nothing in this section shall preclude the **department**~~{cabinet}~~ from complying with the provisions of KRS Chapters 45 and 56 relating to the requirements to report the purchase or lease of real property or equipment to the Capital Projects and Bond Oversight Committee.

Section 142. KRS 131.510 is amended to read as follows:

- (1) Levy may be made with respect to any unpaid tax only after the **department**~~{cabinet}~~ has given notice and demand to such person in writing of the intention to make such levy. Such notice and demand shall be given in person, or shall be sent by certified mail to such person's last known address, no less than ten (10) days before the date of levy.
- (2) (a) The effect of a levy on salary or wages payable to or received by a person shall be continuous from the date such levy is first made until the liability out of which such levy arose is satisfied or becomes unenforceable by reason of lapse of time.
- (b) With respect to a levy described in paragraph (a) of this subsection, the **department**~~{cabinet}~~ shall promptly release the levy when the liability out of which such levy arose is satisfied or becomes

unenforceable by reason of lapse of time, and shall promptly notify the person upon whom such levy was made that such levy has been released.

Section 143. KRS 131.520 is amended to read as follows:

- (1) Any person in possession of or obligated with respect to property or rights to property subject to levy upon which a levy has been made shall, upon demand of the *commissioner*~~{secretary}~~ or his delegate, surrender such property or rights or discharge such obligation to the *commissioner*~~{secretary}~~ or his delegate, except such part of the property or rights as is, at the time of such demand, subject to an attachment or execution under any judicial process.
- (2) Any person who fails or refuses to surrender any property or rights to property subject to levy shall be liable in his own person and estate to the Commonwealth in a sum equal to the value of the property or rights not so surrendered, but not exceeding the amount of taxes for the collection of which such levy has been made, together with costs and interest on such sum at the rate of twelve percent (12%) per annum from the date of such levy. Any amount other than costs recovered under this paragraph shall be credited against the tax liability for the collection of which such levy was made.
- (3) Any person in possession of or obligated with respect to property or rights to property subject to levy upon which a levy has been made who, upon demand by the *commissioner*~~{secretary}~~ or his delegate, surrenders such property or rights to property or discharges such obligation to the *commissioner*~~{secretary}~~ or his delegate shall be discharged from any obligation or liability to the delinquent taxpayer with respect to such property or rights to property arising from such surrender or payment.

Section 144. KRS 131.530 is amended to read as follows:

- (1) Any person whose property has been levied upon shall have the right to pay the amount due, together with the expense of the proceeding, to the *commissioner*~~{secretary}~~ or his delegate at any time prior to the sale thereof and upon such payment the *commissioner*~~{secretary}~~ or his delegate shall cause such property to be restored to him and all further proceedings in connection with the levy on such property shall cease from the time of such payment.
- (2) The owner of any real property sold as provided in KRS 131.500(1), his heirs, executors, or administrators, or any person having an interest therein, or a lien thereon, or any person in his behalf, shall be permitted to redeem the real property sold or any particular tract of such property, at any time within one hundred twenty (120) days after the date of the sale. Such property or tract of property shall be permitted to be redeemed only upon payment to the purchaser, or in case he cannot be found in the county in which the property to be redeemed is situated, then to the *commissioner*~~{secretary}~~ or his delegate, for the use of the purchaser, his heirs, or assigns, the amount paid by such purchaser and interest thereon at the rate of twenty percent (20%) per annum from the date of sale.
- (3) In the case of property sold pursuant to KRS 131.500(1), the *commissioner*~~{secretary}~~ or his delegate shall give to the purchaser a certificate of sale upon payment in full of the purchase price. The certificate shall set forth a description of the property purchased, for whose taxes the property was sold, and the price paid therefor.
- (4) In all cases where property is sold pursuant to KRS 131.500(1), except real property, the certificate of sale issued pursuant to subsection (3) of this section shall have the following effect:
  - (a) Shall be prima facie evidence of the rights of the *commissioner*~~{secretary}~~ or his delegate to make such sale, and of the regularity of the proceeding of the sale; and
  - (b) Shall transfer to the purchaser all right, title and interest of the taxpayer in and to the property sold; and
  - (c) If such property consists of stock, shall be notice, when received, to any corporation, company, or association of such transfer, and shall be authority to such corporation, company, or association to record the transfer on its books and records in the same manner as if the stocks were transferred or assigned by the party holding the same, in lieu of any prior certificate, which shall be void, whether canceled or not; and
  - (d) If the subject of sale is securities or other evidences of debt, shall be a good and valid receipt to the person holding the same, as against any person holding or claiming to hold possession of such securities or other evidences of debt; and

- (e) If such property consists of a motor vehicle, shall be notice, when received by any public official charged with the registration of title to motor vehicles, of such transfer and shall be authority to such official to record the transfer on his books and records in the same manner as if title to such motor vehicle were transferred or assigned by the party holding the same, in lieu of any original or prior title, which shall be void, whether canceled or not.
- (5) In the case of any real property sold pursuant to KRS 131.500(1) and not redeemed in the manner and within the time provided in subsection (2) of this section, the **commissioner**~~{secretary}~~ or his delegate shall execute in accordance with the laws of the Commonwealth, to the purchaser of such real property upon surrender of the certificate of sale, a deed to the real property so purchased by him, reciting the facts set forth in the certificate. The deed executed pursuant to this subsection shall have the following effect:
- (a) Shall be prima facie evidence of the rights of the **commissioner**~~{secretary}~~ or his delegate to make such sale, and of the regularity of the proceedings of the sale; and
- (b) If the proceedings of the **commissioner**~~{secretary}~~ or his delegate have been substantially in accordance with the provisions of KRS 131.500, such deed shall be considered and operate as a conveyance of all right, title and interest the taxpayer has in and to the real property thus sold at the time the lien of the Commonwealth attached thereto.
- (6) A certificate of sale of personal property given or a deed to real property executed pursuant to this section shall discharge such property from all liens, encumbrances, and titles over which the lien of the Commonwealth, with respect to which the levy was made, had priority.

Section 145. KRS 131.540 is amended to read as follows:

- (1) It shall be lawful for the **commissioner**~~{secretary}~~ or his delegate, under regulations prescribed by the **commissioner**~~{secretary}~~, to release the levy upon all or part of the property or rights to property levied upon where the **commissioner**~~{secretary}~~ or his delegate determines that such action will facilitate the collection of the liability, but such release shall not operate to prevent any subsequent levy.
- (2) If the **commissioner**~~{secretary}~~ determines that property has been wrongfully levied upon, it shall be lawful for the **commissioner**~~{secretary}~~ to return the specific property levied upon, or an amount of money equal to the amount of money levied upon, or any amount of money equal to the amount of money received by the **commissioner**~~{secretary}~~ from a sale of such property.
- (3) Property may be returned at any time. An amount equal to the amount of money levied upon or received from such sale may be returned at any time before the expiration of four (4) years from the date of such levy.

Section 146. KRS 131.550 is amended to read as follows:

- (1) When the **Department of Revenue**~~{Cabinet}~~ reasonably believes that any taxpayer has divested himself by gift, conveyance, assignment, transfer of, or charge upon any property, whether real, personal, tangible or intangible, with the intent to hinder or evade the collection of any tax assessed or to be assessed by the **department**~~{cabinet}~~ or declared by the taxpayer on a return filed with the **department**~~{cabinet}~~, any transferee of such property may be assessed by the **Department of Revenue**~~{Cabinet}~~ an amount equal to the lesser of the amount of tax assessed against the transferor taxpayer or the fair market value of the property so transferred. However, no assessment shall be made pursuant to this section against a transferee who takes the property for full and valuable consideration in money or money's worth, unless it appears that such transferee had notice of the intent of the transferor taxpayer to hinder or evade the collection of any tax.
- (2) Any assessment made by the **Department of Revenue**~~{Cabinet}~~ against a transferee pursuant to subsection (1) of this section is, except as provided in this section, subject to the same provisions and limitations as in the case of the taxes for which the liabilities were incurred.
- (3) The period of limitation for assessment of any liability against a transferee pursuant to subsection (1) of this section shall be as follows:
- (a) In the case of an initial transferee, within one (1) year after the expiration of the period of limitation for assessment against the transferor taxpayer; and
- (b) In the case of the liability of a transferee of a transferee, within one (1) year after the expiration of the period of limitation for assessment against the preceding transferee, but not more than three (3) years after the expiration of the period of limitation for assessment against the initial transferor taxpayer.

- (4) The notice of any assessment against a transferee made pursuant to subsection (1) of this section shall be either given to the transferee in person or sent by mail to such transferee's last known address.

Section 147. KRS 131.560 is amended to read as follows:

Notwithstanding the provisions of KRS 44.030 or 131.190, the **Department of Revenue** ~~[Cabinet]~~ shall withhold the Kentucky individual income tax refund otherwise due a taxpayer under KRS Chapter 141 who owes overdue child support or is indebted to any state agency, officer, board, commission, corporation, institution, cabinet, department or other state organization which has complied with the requirements of KRS 131.565. After satisfaction of any undisputed delinquent tax liability due the **Department of Revenue** ~~[Cabinet]~~ from such taxpayer, the tax refund balance so withheld shall, except as provided in KRS 131.565, be transmitted as soon as practicable to the state agency having established a claim therefor. In the case of multiple state agency claims against the same tax refund, the agency having the larger pending claim shall have priority after satisfaction of any undisputed delinquent tax liabilities due the **Department of Revenue** ~~[Cabinet]~~.

Section 148. KRS 131.565 is amended to read as follows:

- (1) For purposes of this section, "state agency" or "state agencies" shall include the Court of Justice as defined in KRS 45.241.
- (2) No state agency shall request the withholding of any individual income tax refund unless there is specific provision in statute or administrative regulation for debtor appeal and hearing rights for that particular debt.
- (3) State agencies having the statutory and regulatory provisions described in subsection (2) of this section shall establish claims against Kentucky individual income tax refunds by notifying the **commissioner** ~~[secretary]~~ of revenue in writing by a date established by the **Department of Revenue** ~~[Cabinet]~~ and, by dates agreed to by the **Department of Revenue** ~~[Cabinet]~~ and each state agency, shall furnish a list of all liquidated debts due the agency for which withholding is required for individual income tax refunds due to be paid to the debtor of the claimant agency. This list shall be submitted in such form and contain such information as may be required by the **commissioner** ~~[secretary]~~ of revenue to facilitate identification of the refunds to be withheld. As used in this section the term "liquidated debt" means a legal debt for a sum certain, which has been certified by the claimant agency as final due and owing. The claimant agency must have made reasonable efforts to collect such debt, and must have provided the debtor the opportunity for appeal and formal hearing as provided by statute. The claimant agency shall send thirty (30) days' prior written notification to the debtor of the intention to submit the claim to the **Department of Revenue** ~~[Cabinet]~~ for setoff as provided in KRS 131.570.
- (4) The individual income tax refund withholding procedures provided in KRS 131.560 to 131.595 shall be in lieu of the procedures set forth in KRS 427.130 and 44.030 only with regard to sums due to a debtor from the **Department of Revenue** ~~[Cabinet]~~.
- (5) No state agency shall request the withholding of any individual income tax refund unless the debt for which withholding is requested is in a liquidated amount.
- (6) Each state agency requesting the withholding of any individual income tax refund shall indemnify the **Department of Revenue** ~~[Cabinet]~~ against any and all damages, court costs, attorneys fees and any other expenses related to litigation which arises concerning the administration of KRS 131.560 to 131.595 as it pertains to a refund withholding action requested by such agency.
- (7) Those state agencies requesting the withholding of individual income tax refunds shall, on a per unit cost or other equitable basis determined by the **Department of Revenue** ~~[Cabinet]~~, reimburse the **Department of Revenue** ~~[Cabinet]~~ for all development, implementation and administration costs incurred but not otherwise funded under the provisions of KRS 131.560 to 131.595.
- (8) The **Department of Revenue** ~~[Cabinet]~~ may decline the withholding of individual income tax refunds from agencies if the request would adversely impact the operation of the **Department of Revenue** ~~[Cabinet]~~.

Section 149. KRS 131.570 is amended to read as follows:

- (1) Upon determining that a pending individual income tax refund is subject to setoff as authorized under this section, the debtor shall be notified in writing by the **Department of Revenue** ~~[Cabinet]~~ of the claim made against such refund by the named claimant agency, and of the **Department of Revenue's** ~~[Revenue-Cabinet's]~~ intention to set off the refund against the debt to the claimant agency. The notice shall provide that the debtor within thirty (30) days from the date of the notice may request a hearing before the claimant agency as

provided by statute. No issues at such hearing may be considered that have been litigated previously and the debtor, after being given due notice of rights of appeal, must exercise such rights in a timely manner. The decision of the claimant agency shall be subject to appeal as all other decisions rendered by the claimant agency. No funds shall be transferred to a claimant agency until the debtor's appeal rights have been exhausted.

- (2) Any excess of the pending refund amount over the total claim filed against such refund shall be promptly issued to the taxpayer by the **Department of Revenue**~~Cabinet~~.
- (3) In the event funds transmitted to a claimant agency are subsequently determined by the claimant agency to be in excess of the liquidated debt, such claimant agency shall promptly refund the excess to the taxpayer.
- (4) In the event the **Department of Revenue**~~Cabinet~~ erroneously transfers funds to a claimant agency, the claimant agency shall immediately upon notification thereof reimburse the **Department of Revenue**~~Cabinet~~ for the amount erroneously transmitted to such agency. The **Department of Revenue**~~Cabinet~~ shall promptly refund to the taxpayer the appropriate amount of such returned funds with interest as provided in KRS 131.183(2).

Section 150. KRS 131.575 is amended to read as follows:

- (1) Any individual income tax refund determined as a consequence of taxpayers filing separate returns on a combined Kentucky individual income tax form may be apportioned by the **Department of Revenue**~~Cabinet~~ between the spouses based on the ratio of the adjusted gross incomes of each spouse to the total adjusted gross income. The amount of the refund computed to be due the spouse who is not indebted to the claimant agency shall be refunded by the **Department of Revenue**~~Cabinet~~ to such spouse. Any real property correctly and completely described in the assessment record for the previous year, or purchased during the preceding year and for which a value was stated in the deed according to the provisions of KRS 382.135, may be considered by the owner to be listed for the current year if no changes that could potentially affect the assessed value have been made to the property. If, at any time, one of these entries is determined to represent a valid parcel of property it shall be assessed as omitted property under the provisions of KRS 132.290. Notwithstanding other provisions of the Kentucky Revised Statutes to the contrary, any loss of ad valorem tax revenue suffered by a taxing district due to the exoneration of these uncollectable tax bills may be recovered through an adjustment in the tax rate for the following year.
- (6) All real property exempt from taxation by Section 170 of the Constitution shall be listed with the property valuation administrator in the same manner and at the same time as taxable real property. The property valuation administrator shall maintain an inventory record of the tax-exempt property, but the property shall not be placed on the tax rolls. A copy of this tax-exempt inventory shall be filed annually with the ~~department~~~~cabinet~~ within thirty (30) days of the close of the listing period. This inventory shall be in the form prescribed by the ~~department~~~~cabinet~~. The ~~department~~~~cabinet~~ shall make an annual report itemizing all exempt properties to the Governor and the Legislative Research Commission within sixty (60) days of the close of the listing period.
- (7) Each property valuation administrator, under the direction of the ~~department~~~~cabinet~~, shall review annually all real property listed with him under subsection (6) of this section and claimed to be exempt from taxation by Section 170 of the Constitution. The property valuation administrator shall place on the tax rolls all property that is not exempt. Any property valuation administrator who fails to comply with this subsection shall be subject to the penalties prescribed in KRS 132.990(2).

Section 184. KRS 132.240 is amended to read as follows:

Individuals or corporations listing property for taxation with the property valuation administrator or the county board of supervisors shall reveal the face value of all intangibles listed, except cash or bank deposits, on the form prescribed by the **Department of Revenue**~~Cabinet~~ for listing intangible property. A reduction of fifty cents (\$0.50) shall be made from the property valuation administrator's compensation for each list he accepts upon which there is an omission to reveal the face value of any intangible property listed, except cash or bank deposits.

Section 185. KRS 132.260 is amended to read as follows:

Every person providing rental space for the parking of mobile homes and recreational vehicles shall by February 1 of each year report the name of the owner and type and size of all mobile homes and recreational vehicles not registered in this state under KRS 186.655 on his premises on the prior January 1 to the property valuation administrator of the county in which the property is located. The report shall be made in accordance with forms prescribed by the **Department of Revenue**~~Cabinet~~ and shall be signed and verified by the chief officer or person in charge of the business. The property valuation administrator may make a personal inspection and investigation of the premises on which mobile homes and recreational vehicles are located, for the purpose of identifying and assessing such property. No person in charge of such premises shall refuse to permit the inspection and investigation.

Section 186. KRS 132.285 is amended to read as follows:

- (1) Except as provided in subsection (3) of this section, any city may by ordinance elect to use the annual county assessment for property situated within such city as a basis of ad valorem tax levies ordered or approved by the legislative body of the city. Any city making such election shall notify the **Department of Revenue**~~Cabinet~~ and property valuation administrator prior to the next succeeding assessment to be used for city levies. In such event the assessment finally determined for county tax purposes shall serve as a basis of all city levies for the fiscal year commencing on or after the county assessment date. Each city which elects to use the county assessment shall annually appropriate and pay each fiscal year to the office of the property valuation administrator for deputy and other authorized personnel allowance, supplies, maps and equipment, and other authorized expenses of the office one-half of one cent (\$0.005) for each one hundred dollars (\$100) of assessment; provided, that sums paid shall not be less than two hundred fifty dollars (\$250), nor more than forty thousand dollars (\$40,000) in a city having an assessment subject to city tax of less than two billion dollars (\$2,000,000,000) or fifty thousand dollars (\$50,000) in a city having an assessment subject to city tax of more than two billion dollars (\$2,000,000,000). This allowance shall be based on the assessment as of the previous January 1. Each property valuation administrator shall file a claim with the city and the city shall order payment in an amount not to exceed the appropriation authorized by this section. The property valuation

administrator shall be required to account for all moneys paid to his office by the city and any funds unexpended by the close of each fiscal year shall carry over to the next fiscal year. Notwithstanding any statutory provisions to the contrary, the assessment dates for such city shall conform to the corresponding dates for the county, and such city may by ordinance establish additional financial and tax procedures that will enable it effectively to adopt the county assessment. The legislative body of any city adopting the county assessment may fix the time for levying the city tax rate, fiscal year, due and delinquency dates for taxes and any other dates that will enable it effectively to adopt the county assessment, notwithstanding any statutory provisions to the contrary. Any such city may, by ordinance, abolish any office connected with city assessment and equalization; except that in the case of a city assessor who is elected by the qualified voters of the city, the office may not be abolished before the end of the term of such assessor. Any city which elects to use the county assessment shall have access to the assessment records as soon as completed and may obtain a copy of that portion of the records which represents the assessment of property within such city by additional payment of the cost thereof. Once any city elects to use the county assessment, such action cannot be revoked without notice to the **Department of Revenue**~~[Cabinet]~~ and the property valuation administrator six (6) months prior to the next date as of which property is assessed for state and county taxes.

- (2) In the event any omitted property is assessed by the property valuation administrator as provided by KRS 132.310 such assessment shall be considered as part of the assessment adopted by the city according to subsection (1) of this section.
- (3) For purposes of the levy and collection of ad valorem taxes on motor vehicles, cities shall use the assessment required to be made pursuant to KRS 132.487(5).
- (4) Notwithstanding the provisions of subsection (1) of this section, each city which elects to use the county assessment for ad valorem taxes levied for 1996 or subsequent years, and which used the county assessment for ad valorem taxes levied for 1995, shall appropriate and pay to the office of the property valuation administrator for the purposes set out in subsection (1) of this section an amount equal to the amount paid to the office of the property valuation administrator in 1995, or the amount required by the provisions of subsection (1) of this section, whichever is greater.

Section 187. KRS 132.310 is amended to read as follows:

- (1) Any person who has failed to list for taxation any property omitted from assessment, except such as is subject to assessment by the **Department of Revenue**~~[Cabinet]~~, may at any time list such property with the property valuation administrator. The property valuation administrator shall proceed to assess any omitted real property and shall within ten (10) days from the date the real property was listed notify the taxpayer of the amount of the assessment. The notice shall be given as provided in KRS 132.450(4). The **Department of Revenue**~~[Cabinet]~~ shall assess any omitted personal property and provide notice to the taxpayer in the manner provided in KRS 131.110.
- (2) The property valuation administrator may at any time list and assess any real property which may have been omitted from the regular assessment. Immediately upon listing and assessing omitted real property, the property valuation administrator shall notify the taxpayer of the amount of the assessment. The notice shall be given as provided in KRS 132.450(4). If the property valuation administrator fails to assess any omitted real property, the **Department of Revenue**~~[Cabinet]~~ may initiate assessment and collection procedures under the same provisions it uses for omitted personal property.
- (3) The notice to the taxpayer required by subsections (1) and (2) of this section shall specify a date and time at which the county board of assessment appeals will hear the taxpayer's protest of the omitted assessment. For purposes of hearing appeals from omitted assessments the county judge/executive shall notify the chairman of the board of assessment appeals of the date set for hearing and may authorize one (1) member of the board to hear the appeal and issue a ruling of his decision on the assessment, which shall be appealable, to the Kentucky Board of Tax Appeals as provided by KRS 131.340(2).
- (4) Any property voluntarily listed as omitted property for taxation under this section shall be subject to penalties provided in KRS 132.290(3). Omitted property listed for taxation under this section by the property valuation administrator shall be subject to the penalties provided in KRS 132.290(4).

Section 188. KRS 132.320 is amended to read as follows:

- (1) Any person who has failed to list for taxation his intangible personal property or tangible personal property, in whole or in part, because he was not called upon by the property valuation administrator or for any other reason, may at any time list the property with the **department**~~[cabinet]~~ by reporting to the **department**~~[cabinet]~~

the full details and a correct description of the omitted property and its value. The ~~department~~~~cabinet~~ may determine and fix the fair cash value, estimated at the price it would bring at a fair voluntary sale, of the property so reported and listed for taxation.

- (2) Any person dissatisfied with or aggrieved by the finding or ruling of the ~~department~~~~cabinet~~ may appeal the finding or ruling in the manner provided in KRS 131.110.
- (3) The ~~department~~~~cabinet~~ may promulgate administrative regulations, and develop forms for the listing and assessment of the property assessed or to be assessed for taxation. The tax assessed shall be paid to and collected by the ~~department~~~~cabinet~~. Taxes collected by the ~~department~~~~cabinet~~ on behalf of the county, school, and other local taxing districts shall be distributed to each district at least quarterly. From each distribution, the ~~department~~~~cabinet~~ shall deduct a fee which represents an allocation of ~~department~~~~cabinet~~ operating and overhead expenses incurred in assessing and collecting the omitted tax. The fee shall be determined by the ~~department~~~~cabinet~~ and shall apply to all omitted taxes collected after December 31, 1997.
- (4) All property assessed pursuant to this section shall be liable for the payment of the taxes, interest, and penalties provided by law for failure to list the property with the property valuation administrator or other assessment board, commission, or authority within the time and in the manner prescribed by law, except that if the taxpayer voluntarily lists property under this section the twenty percent (20%) penalty provided to be paid to the ~~department~~~~cabinet~~ shall not apply, unless the taxpayer on an appeal from the action of the ~~department~~~~cabinet~~ attempts to reduce the assessment and is unsuccessful.
- (5) If after demand by the ~~department~~~~cabinet~~, any taxpayer refuses to voluntarily list any intangible or tangible personal property omitted from assessment, the ~~department~~~~cabinet~~ shall make an estimate of the fair cash value of the omitted intangible or tangible personal property from the information in its possession and assess the property for taxation and require payment of the taxes, penalties, and interest due to the state and local taxing districts from the person assessed. Notice of the assessment shall be mailed to the taxpayer or the taxpayer's agent. The finality and review of any assessment made pursuant to this section shall be governed by the provisions of KRS 131.110.

Section 189. KRS 132.330 is amended to read as follows:

The field agents, accountants and attorneys of the *Department of Revenue* ~~Cabinet~~ shall cause to be listed for taxation all property omitted by the property valuation administrators, county board of assessment appeals, ~~department~~~~cabinet~~ or any other assessing authority, for any year omitted. The agent, accountant or attorney proposing to have the property assessed shall file in the office of the county clerk of the county in which the property may be liable to assessment a statement containing a description and value of the property or corporate franchise proposed to be assessed, the name and place of residence of the owner, his agent or attorney, or person in possession of the property, if known, and the year the property was unassessed. The county clerk shall thereupon issue a summons against the owner, or person in possession of the property if the owner is unknown, to show cause within ten (10) days after the service of the summons, why the property or corporate franchise shall not be assessed at the value named in the statement filed. No decision shall be rendered against the alleged owner unless the statement filed contains a description of the property sought to be assessed that will enable the county judge/executive to identify it. The summons shall be executed by the sheriff by delivering a copy thereof to the owner, or if he is not in the county to his agent, attorney or person in possession of the property. If the property is real property, and the owner is known but is absent from the state and has no attorney or agent in this state and no one is in possession of the property, the summons shall be served by posting it in a conspicuous place upon the property; if the property consists of tangible personal property the summons shall be placed in a conspicuous place where the property is located. In the case of tangible and intangible personal property, where the owner and his place of residence are unknown and no one (1) has possession of the property, an action for assessment shall be instituted by filing the petition above mentioned and procuring constructive service against the owner under the provisions of rules 4.05, 4.06, 4.07 and 4.08 of the Rules of Civil Procedure. In all of the above cases an attachment of the property omitted from assessment may be procured from the District Court against the owner, at the time of the institution of the action or thereafter, and without the execution of a bond by the Commonwealth or its relator, by the representative of the *Department of Revenue* ~~Cabinet~~ making an affidavit that the property described in the petition is subject to state, county, school or other taxing district tax, and is unassessed for any taxable year.

Section 190. KRS 132.340 is amended to read as follows:

- (1) Within ten (10) days after the summons has been served, or within thirty (30) days after the warning order against the defendant whose name and place of residence are unknown has been made, if it appears to the county judge/executive that the property is liable for taxation and has not been assessed, the county judge/executive shall enter an order fixing the value at the fair cash value estimated as required by law. The county judge/executive shall certify the assessment of the property and its value, together with such other facts as may be required by law or directed by the county judge/executive to appear in the order, to the **Department of Revenue**~~Cabinet~~ and to the sheriff of the county, together with the amount of penalty and cost of assessment, in order that the taxes due the state, county, school or any other taxing district may be collected, with the penalty and costs. If the property is not liable for taxes, the county judge/executive shall make an order to that effect. Either party may appeal from the decision of the county judge/executive to the Circuit Court, and then to the Court of Appeals as in other civil cases, except that no appeal bond shall be required where the appeal is by the **commissioner**~~secretary~~ of revenue acting as the relator.
- (2) If the owner of the property fails to pay the tax assessed, interest, penalties and costs, the lien under the attachment may be enforced and a sufficiency of the property sold to pay the obligation to the state, county, school or other taxing district. All persons owning property that is assessed as herein provided shall, in addition to the taxes and interest from the time the taxes should have been paid, pay the costs of the proceedings and a penalty of twenty percent (20%) on the amount of the taxes due, except where the property was duly listed and the taxes paid thereon within the time prescribed by law, and except where some different penalty is expressly provided by law.
- (3) The taxes, costs and penalties shall be collected and accounted for as other taxes and penalties are required to be collected, and by the same officers. The county clerk shall enter all such assessments in a book to be kept for that purpose, showing the date of the assessment, the name of the person against whom the assessment is made, the location and description of the property assessed, and the value thereof. The officer collecting the taxes shall, when they are paid, notify the clerk of the payment, and the payment shall be noted by the clerk opposite the entry of the assessment.

Section 191. KRS 132.350 is amended to read as follows:

The county clerk shall, upon the filing of a statement by an agent, accountant or attorney of the **Department of Revenue**~~Cabinet~~ for the assessment of omitted property, enter the name of the person signing the statement as attorney for the **department**~~cabinet~~, and enter the name of the county attorney as attorney for the state, county, school and other taxing districts for which the **commissioner**~~secretary~~ of revenue is authorized to act as relator in such proceeding. The county attorney shall appear and prosecute or assist in the prosecuting of the proceeding in all the courts to which it may be taken for trial. If there is a judgment assessing the property for taxation, the judgment in each case shall recite whether or not the county attorney was present and assisted in the trial of the proceeding. When he is present and assists in the proceeding he shall be allowed as compensation for his services ten percent (10%) of the amount of state and county taxes assessed and collected pursuant to the judgment. The state and county shall be liable respectively for the payment only of the percentage allowance of compensation to the county attorney on the amount that each collects, and this shall be paid to the county attorney within thirty (30) days after the collection of the taxes, and charged against the fund to which the tax was credited.

Section 192. KRS 132.360 is amended to read as follows:

- (1) Any assessment of accounts receivable, notes, or bonds or other intangible or tangible personal property that were listed with the property valuation administrator or with the **Department of Revenue**~~Cabinet~~ as provided by KRS 132.220 may be reopened by the **Department of Revenue**~~Cabinet~~ within five (5) years after the due date of the return, unless the assessed value thereof is the face value in the case of accounts receivable and notes or the quoted value in the case of bonds, or has been established by a court of competent jurisdiction. If upon reopening the assessment the **department**~~cabinet~~ finds that the assessment was less than the fair cash value and should be increased, it shall give notice thereof to the taxpayer, who may within forty-five (45) days thereafter protest to the **department**~~cabinet~~ and offer evidence to show that no increase should be made. After the **department**~~cabinet~~ has disposed of the protest, the taxpayer may appeal from any such additional assessment as provided by KRS 131.110 and 131.340.
- (2) Upon such assessment becoming final the **department**~~cabinet~~ shall certify the amount due to the taxpayer. The tax bill shall be handled and collected as an omitted tax bill, and the additional tax shall be subject to the same penalties and interest as the tax on omitted property voluntarily listed.

Section 193. KRS 132.370 is amended to read as follows:

- (1) There shall be a property valuation administrator in each county in lieu of a county assessor. Property valuation administrators shall be state officials and all deputies and assistants of their offices shall be unclassified state employees.
- (2) Property valuation administrators shall be elected in the year in which county elections are held and shall enter upon the discharge of the duties of their office on the first Monday in December after their election and continue in office for a period of four (4) years, and until the election and qualification of their successors. Property valuation administrators shall possess the qualifications required by Section 100 of the Constitution and by KRS 132.380 and shall be eligible for reelection.
- (3) The property valuation administrators and all deputies and assistants of their offices who qualify as full-time employees shall be eligible for participation in the provisions of KRS 18A.205, 18A.230 to 18A.355, and 61.510 to 61.705.
- (4) A property valuation administrator may be removed from office by the Circuit Court of his county, upon petition of any taxpayer, or by the **commissioner**~~{secretary}~~ of revenue for any of the following grounds: willful disobedience of any just or legal order of the **department**~~{cabinet}~~, or for misfeasance or malfeasance in office or willful neglect in the discharge of his official duties, including but not limited to intentional underassessment or overassessment of properties and chronic underassessment of properties. For purposes of this section and KRS 134.385, "chronic underassessment" shall mean a widespread pattern and practice of assessing properties at levels substantially below fair market value which persists for a period of two (2) or more years as disclosed by randomly selected sample appraisals conducted under the provisions of KRS 133.250, special audits conducted pursuant to KRS 134.385, or other means.
- (5) If the **commissioner**~~{secretary}~~ determines that a property valuation administrator should be removed from office, the property valuation administrator shall be notified in writing, and the notice of intent to remove shall state the specific reasons for removal. The notice shall also advise the property valuation administrator of his right to a preremoval conference and an administrative hearing.
- (6) A property valuation administrator may request a preremoval conference to appear with or without counsel before the **commissioner**~~{secretary}~~ or his designee to answer the charges against him. The preremoval conference shall be requested in writing within six (6) working days of the date on which the notice of intent to remove is received, and a preremoval conference shall be scheduled within seven (7) working days of the date on which the request is received. The **commissioner**~~{secretary}~~ or his designee shall render a decision within five (5) working days of the conclusion of the preremoval conference. Failure of a property valuation administrator to request a preremoval hearing shall not waive his right to contest his removal through an administrative hearing.
- (7) If an action to remove a property valuation administrator is initiated by the **commissioner**~~{secretary}~~ of revenue, the property valuation administrator shall have the right to appeal and upon appeal an administrative hearing shall be conducted in accordance with KRS Chapter 13B. Appeal of the final order of the **commissioner**~~{secretary}~~ of revenue may be filed in a Circuit Court of an adjacent judicial circuit in accordance with KRS Chapter 13B, notwithstanding the provisions of KRS Chapter 18A.
- (8) If a property valuation administrator is removed from office as provided in subsections (4) to (7) of this section, he shall be ineligible to serve in the office at any future date and shall forfeit any and all certification from the **Department of Revenue**~~{Cabinet}~~ pertaining to the office.
- (9) Notwithstanding the provisions of KRS 18A.110(5)(c), the **department**~~{cabinet}~~ shall promulgate administrative regulations allowing property valuation administrators and their deputies to receive lump-sum payments for accrued annual leave and compensatory time when separated from employment because of termination by the employer, resignation, retirement, or death.

Section 194. KRS 132.375 is amended to read as follows:

Whenever a vacancy occurs in the property valuation administrator's office, the **commissioner**~~{secretary}~~ of revenue shall designate a qualified **department**~~{cabinet}~~ employee to carry on the duties of the office until the vacancy is filled by appointment or by election. The **department**~~{cabinet}~~ employee so designated shall be compensated from **Department of Revenue**~~{Cabinet}~~ funds in the same manner and at the same rate as compensated prior to his receiving the designation, plus necessary expenses, including travel. The individual shall have all the powers and be subject to all the administrative regulations applying to property valuation administrators.

Section 195. KRS 132.380 is amended to read as follows:

- (1) Before any person's name shall appear before the voters on election day as a candidate for the office of property valuation administrator in any primary or general election, except as a candidate to succeed himself in office, or before he may be appointed property valuation administrator, except as an interim appointee as provided by KRS 132.375, he shall hold a certificate issued by the **Department of Revenue**~~Cabinet~~, showing that he has been examined by it and that he is qualified for the office. All certificates issued shall expire one (1) year from the date of issuance, except for the certificates issued to successful candidates of the 1997 exam. Those certificates shall remain valid until after the November, 1998 election. The examinations shall be written and formulated so as to test fairly the ability and fitness of the applicant to serve as property valuation administrator. The **Department of Revenue**~~Cabinet~~ shall hold the examinations in at least one (1) place in each Supreme Court district during the month of November of each year immediately preceding each year in which property valuation administrators are to be elected. The **Department of Revenue**~~Cabinet~~ shall advise each county attorney of the time and place of the examination, and the county attorney shall post a notice thereof in a conspicuous place in the courthouse two (2) weeks before the examination is given. Any person desiring to take an examination shall appear at the time and place designated.
- (2) If, after the giving of the examination, as provided in subsection (1), there is only one (1) person qualified to be a candidate in the county, the **Department of Revenue**~~Cabinet~~ shall hold a second examination prior to the filing date in each Supreme Court district where necessary. Applicants from only those counties having not more than one (1) person qualified shall be eligible to take the examination. Notice of the second examination shall be posted in the manner provided in subsection (1).
- (3) Whenever there is a vacancy in the office of property valuation administrator to be filled by appointment or by election, and there is not more than one (1) person holding a valid certificate and eligible for appointment or election, the **Department of Revenue**~~Cabinet~~ may hold a special examination for applicants seeking a certificate for the office. If, after the giving of a special examination, only one (1) person is qualified, the county judge/executive may request a second examination. Special examinations shall be held in the same manner as regular examinations.
- (4) Examinations shall be given and graded in accordance with rules of the **department**~~cabinet~~ published at the time of the examination. Within ten (10) days after the examination, a certificate of fitness and qualification to fill the office of property valuation administrator shall be issued by the **Department of Revenue**~~Cabinet~~ to each person passing the examination.
- (5) Examination records shall be preserved by the **department**~~cabinet~~ for twelve (12) months after the examination, and the record of any person who took the examination may be seen by him at the office of the **Department of Revenue**~~Cabinet~~ in Frankfort, Kentucky.

Section 196. KRS 132.385 is amended to read as follows:

- (1) The **department**~~cabinet~~ shall develop and administer a program for the purpose of providing education and training in the technical, legal, and administrative aspects of property tax administration for property valuation administrators, deputy property valuation administrators, and **department**~~cabinet~~ employees. Courses may be created and taught by **department**~~cabinet~~ personnel or the **department**~~cabinet~~ may adopt specific courses offered by appropriate professional organizations.
- (2) The **department**~~cabinet~~ shall develop and administer, in cooperation with the property valuation administrators, a certification program for property valuation administrators, deputy property valuation administrators, and **department**~~cabinet~~ employees. A professional designation, "certified Kentucky assessor" (CKA), shall be awarded to those individuals successfully meeting the standards established by this program. Minimum requirements shall include one hundred twenty (120) hours of classroom instruction, passage of subject matter examinations, and three (3) years of experience in Kentucky property tax administration. An advanced designation, "senior Kentucky assessor" (SKA), shall be awarded to those individuals successfully completing an additional ninety (90) hours of classroom instruction, passage of subject matter examinations, and an additional two (2) years of experience in Kentucky property tax administration. Correspondence course credit administered by the **department**~~cabinet~~ may be substituted for no more than thirty (30) hours of the one hundred twenty (120) hours required for the "certified Kentucky assessor" (CKA) designation, and for no more than fifteen (15) hours of the additional ninety (90) hours required for the "senior Kentucky assessor" (SKA) designation.

Section 197. KRS 132.400 is amended to read as follows:

Before entering upon the duties of office, the property valuation administrator shall execute a bond conditioned upon the faithful performance of the duties of the office with a surety to be approved by the *Department of Revenue* ~~Cabinet~~. In counties containing a city of the first class or consolidated local government, the bond shall be in the sum of one hundred thousand dollars (\$100,000); in counties containing a city of the second class, fifty thousand dollars (\$50,000); in all other counties, twenty thousand dollars (\$20,000).

Section 198. KRS 132.420 is amended to read as follows:

The property valuation administrator shall, subject to the direction, instruction, and supervision of the *Department of Revenue* ~~Cabinet~~, make the assessment of all property in his county except as otherwise provided, prepare property assessment records, and have other powers and duties relating to assessment as may be prescribed by law or by the *department* ~~cabinet~~.

Section 199. KRS 132.450 is amended to read as follows:

- (1) Each property valuation administrator shall assess at its fair cash value all property which it is his duty to assess except as provided in paragraph (c) of subsection (2) of this section. In the case of securities which are regularly bought and sold through stock exchanges, the price at which such property closed on the last regular business day preceding the assessment day shall be prima facie evidence of the fair cash value of such property. The property of one (1) person shall not be assessed willfully or intentionally at a lower or higher relative value than the same class of property of another, and any grossly discriminatory valuation shall be construed as an intentional discrimination. The property valuation administrator shall make every effort, through visits with the taxpayer, personal inspection of the property, from records, from his own knowledge, from information in property schedules, and from such other evidence as he may be able to obtain, to locate, identify, and assess property.
- (2)
  - (a) In determining the total area of land devoted to agricultural or horticultural use, there shall be included the area of all land under farm buildings, greenhouses and like structures, lakes, ponds, streams, irrigation ditches and similar facilities, and garden plots devoted to growth of products for on-farm personal consumption but there shall be excluded, land used in connection with dwelling houses including, but not limited to, lawns, drives, flower gardens, swimming pools, or other areas devoted to family recreation. Where contiguous land in agricultural or horticultural use in one (1) ownership is located in more than one (1) county or taxing district, compliance with the minimum requirements shall be determined on the basis of the total area of such land and not the area of land which is located in the particular county or taxing district.
  - (b) Land devoted to agricultural or horticultural use, where the owner or owners have petitioned for, and been granted, a zoning classification other than for agricultural or horticultural purposes qualifies for the agricultural or horticultural assessment until such time as the land changes from agricultural or horticultural use to the use granted by the zoning classification.
  - (c) When the use of a part of a tract of land which is assessed as agricultural or horticultural land is changed either by conveyance or other action of the owner, the right of the remaining land to be retained in the agricultural or horticultural assessment shall not be impaired provided it meets the minimum requirements, except the minimum ten (10) contiguous acre requirement shall not be applicable if any portion of the agricultural or horticultural land has been acquired for a public purpose as long as the remaining land continues to meet the other requirements of this section.
  - (d) When in the opinion of the property valuation administrator any land has a value in excess of that for agricultural or horticultural use the property valuation administrator shall enter into the tax records the value of the property according to its fair cash value. When the property valuation administrator determines that the land meets the requirements for valuation as agricultural or horticultural land, the valuation for tax purposes shall be its agricultural or horticultural value.
- (3) When land which has been valued and taxed as agricultural land for five (5) or more consecutive years under the same ownership fails to qualify for the classification through no other action on the part of the owner or owners other than ceasing to farm the land, the land shall retain its agricultural classification for assessment and taxation purposes. Classification as agricultural land shall expire upon change of use by the owner or owners or upon conveyance of the property to a person other than a surviving spouse.
- (4) If the property valuation administrator assesses any property, except stocks and bonds at the market value listed in recognized publications, at a greater value than that listed by the taxpayer or assesses unlisted

property, the property valuation administrator shall serve notice on the taxpayer of such action. The notice shall be given by first-class mail or as provided in the Kentucky Rules of Civil Procedure.

- (5) Any taxpayer may designate on the property schedule any property which he does not consider to be subject to taxation, and it shall be the duty of the property valuation administrator to obtain and follow advice from the ~~department~~~~cabinet~~ relative to the taxability of such property.

Section 200. KRS 132.460 is amended to read as follows:

The property valuation administrator, or an authorized deputy, shall attend all hearings before the county board of assessment appeals and before the Kentucky Board of Tax Appeals relative to his assessment and submit to examination and fully disclose to them such information as he may have and any other matters pertinent to the inquiry being made. He shall be entitled to reimbursement from the county for expenses incurred in official business outside his county. If the **Department of Revenue**~~Cabinet~~ directs him to perform official duties outside of his county, the expenses shall be paid from the appropriation for the payment of the salaries of the property valuation administrators. Such reimbursement shall be paid on the same basis as employees of the Commonwealth are paid for travel expenses.

Section 201. KRS 132.485 is amended to read as follows:

When the valuation is finally determined upon appeal, the taxpayer shall be billed for any additional tax and interest at the tax interest rate as defined in KRS 131.010(6) from the date when the tax would have become due if no appeal had been taken. The provisions of KRS 134.390 shall apply to the tax bill.
- (10) Any member of the county board of assessment appeals may be required to give evidence in support of the board's findings in any appeal from its actions to the Kentucky Board of Tax Appeals. The granting of power to the **commissioner**~~[secretary]~~ to investigate the books and accounts of those engaged in the business of insurance for the purposes set forth in this section shall not be construed as a denial of power to the **commissioner**~~[secretary]~~ to investigate for the same purposes the books and accounts of individuals or corporations engaged in other types of business, who have failed to pay into the State Treasury the correct amount of tax due the state.

Section 272. KRS 134.420 is amended to read as follows:

This lien shall not be defeated by gift, devise, sale, alienation, or any means except by sale to a bona fide purchaser, but no purchase of property made before final settlement for taxes for a particular assessment date has been made by the sheriff shall preclude the lien covering the taxes. The lien shall include all interest, penalties, fees, commissions, charges, costs, reasonable attorney fees, and other expenses incurred by reason of delinquency in payment of the tax bill or certificate of delinquency or in the process of collecting either, and shall have priority over any other obligation or liability for which the property is liable. The lien of any city, county, or other taxing district shall be of equal rank with that of the state. When any proceeding is instituted to enforce the lien provided in this subsection, it shall continue in force until the matter is judicially terminated. Every city of the third, fourth, fifth, and sixth class shall file notice of the delinquent tax liens with the county clerk of any county or counties in which the taxpayer's business or residence is located, or in any county in which the taxpayer has an interest in property. The notice shall be recorded in the same manner as notices of lis pendens are filed, and the file shall be designated miscellaneous state and city delinquent and unpaid tax liens.
- (2) If any person liable to pay any tax administered by the **Department of Revenue**~~[Cabinet]~~, other than a tax subject to the provisions of subsection (1) of this section, neglects or refuses to pay the tax after demand, the tax due together with all penalties, interest, and other costs applicable provided by law shall be a lien in favor of the Commonwealth of Kentucky. The lien shall attach to all property and rights to property owned or subsequently acquired by the person neglecting or refusing to pay the tax.
- (3) The lien imposed by subsection (2) of this section shall remain in force for ten (10) years from the date the notice of tax lien has been filed by the **commissioner**~~[secretary]~~ of the **Department of Revenue**~~[Cabinet]~~, or his delegate with the county clerk of any county or counties in which the taxpayer's business or residence is located, or any county in which the taxpayer has an interest in property.
- (4) The tax lien imposed by subsection (2) of this section shall not be valid as against any purchaser, judgment lien creditor, or holder of a security interest or mechanic's lien until notice of the tax lien has been filed by the **commissioner**~~[secretary]~~ of the **Department of Revenue**~~[Cabinet]~~ or his delegate with the county clerk of any county or counties in which the taxpayer's business or residence is located, or in any county in which the taxpayer has an interest in property. The recording of the tax lien shall constitute notice of both the original assessment and all subsequent assessments of liability against the same taxpayer. Upon request, the **Department of Revenue**~~[Cabinet]~~ shall disclose the specific amount of liability at a given date to any interested party legally entitled to the information.
- (5) Even though notice of a tax lien has been filed as provided by subsection (4) of this section, and notwithstanding the provisions of KRS 382.520, the tax lien imposed by subsection (2) of this section shall not be valid with respect to a security interest which came into existence after tax lien filing by reason of disbursements made within forty-five (45) days after the date of tax lien filing or the date the person making the disbursements had actual notice or knowledge of tax lien filing, whichever is earlier, provided the security interest:
  - (a) Is in property which:

1. At the time of tax lien filing is subject to the tax lien imposed by subsection (2) of this section; and
  2. Is covered by the terms of a written agreement entered into before tax lien filing; and
- (b) Is protected under local law against a judgment lien arising, as of the time of tax lien filing, out of an unsecured obligation.

Section 273. KRS 134.430 is amended to read as follows:

- (1) All personal property owned by a delinquent taxpayer shall be subject to distraint, and all property owned by him shall be subject to levy and sale by the proper collecting officer at any time from February 1 after the tax claim becomes delinquent until the tax claim is barred by limitations, unless otherwise provided by law.
- (2) When any taxpayer becomes delinquent in the payment of a tax bill covering any property assessed by the property valuation administrator, the county board of assessment appeals, the *department*~~[cabinet]~~, or any omitted property irrespective of by whom assessed, the sheriff may distraint a sufficient quantity of the delinquent's personal property in the county to pay the tax claim, and a necessary part of this property shall be sold as under execution for cash. Neglect on the part of the sheriff to distraint and sell personal property shall not affect the validity of the sale of the tax claim, or the lien or the rights of any purchaser. If personal property sufficient to satisfy the tax claim cannot be found in the county, the sheriff may sell so much of the personal property as is found and enter proper credit on the tax bill.
- (3) As compensation for services, the sheriff shall be entitled to an additional ten percent (10%) of that part of the tax claim represented by the total taxes plus ten percent (10%) penalty, for all delinquent taxes collected from the time the ten percent (10%) penalty becomes applicable through the sale of the tax claims. This fee shall be added to the total amount due and paid by the person paying the delinquent tax bill.
- (4) If no personal property is found, or the amount found is insufficient, the sheriff shall, no later than the first full week in April, advertise for sale the tax claims of the state, county, and other taxing districts, if there is any real property subject to the lien provided in subsection (1) of KRS 134.420. The sheriff shall receive offers for the purchase of tax claims up to fifteen (15) business days following the date of the initial advertisement or no later than April 30, or the last business day prior to April 30, if April 30 falls on a weekend or holiday.
- (5) No sheriff shall knowingly sell a tax claim on the same tract of land more than once for the same tax.

Section 274. KRS 134.450 is amended to read as follows:

- (1) The sheriff shall sell all tax claims for which payment by the delinquent taxpayer has not been made by the closing date for the acceptance by the sheriff of offers to purchase delinquent tax claims. If there is more than one (1) willing purchaser who has made an offer, the one having made the most recent purchase of a tax claim against the same delinquent or the same property shall have preference; if there is no such person, the person being the first, in the judgment of the sheriff, to offer to pay cash in the full amount of the tax claim shall receive priority for the purchase of the tax claim. If the total of all offers to purchase exceeds ten percent (10%) of the total dollar amount of the delinquent bills offered for sale, or the sum of two hundred thousand dollars (\$200,000), whichever is less, the sheriff shall notify the Finance and Administration Cabinet of the offers of purchase within five (5) business days of the closing date when the offers were received. Upon receipt of the notice, the Finance and Administration Cabinet shall purchase the delinquent tax bills upon which the sheriff has received an offer of purchase and shall tender payment to the sheriff within fifteen (15) business days of the receipt of the sheriff's notice. Upon purchase of the tax claims, the state shall be the owner of the tax bills and may contract with the county attorney to collect all amounts due on its behalf under the terms and conditions of the county attorney's contract with the *Department of Revenue*~~[Cabinet]~~ to collect delinquent taxes. If the county attorney has not contracted with the *Department of Revenue*~~[Cabinet]~~ to collect delinquent taxes, the *Department of Revenue*~~[Cabinet]~~ shall collect all amounts due on behalf of the Finance and Administration Cabinet. If the Finance and Administration Cabinet does not purchase all of the delinquent tax bills, within fifteen (15) days of the closing date, the sheriff shall complete the sale of those tax claims for which the sheriff has received responsible offers to purchase. When a sale is made the tax bill shall be known as a certificate of delinquency and the sheriff shall inscribe thereon the date of sale, the sale price, and the name and address of the purchaser, in the place and manner prescribed by the *Department of Revenue*~~[Cabinet]~~, and the purchaser shall be entitled to a certified copy of the certificate of delinquency.
- (2) If no responsible offer in the amount of the tax claim is received, the sheriff shall purchase it for the state, county, and taxing districts having an interest in the tax claim. In such case, the tax bill shall also be known as

a certificate of delinquency, and the sheriff shall inscribe thereon the same information required when one other than the state, county, or taxing district is the purchaser.

- (3) The sheriff shall file all certificates of delinquency in the county clerk's office immediately upon completion of the tax sale, or in a county containing a city of the first class or consolidated local government, within fourteen (14) working days of the sale, and the clerk shall retain them. The county clerk shall acknowledge receipt of the certificates by signing a receipt form that has been prepared in a manner prescribed by the *Department of Revenue* ~~Cabinet~~. If the sheriff fails to file the certificates, he shall be liable on his official bond for the aggregate amount of the certificates not returned, but the claim of the purchaser shall not be affected by this neglect. If the sheriff fails to return any certificate, the purchaser may file his certified copy with the clerk, with the same effect as the original.
- (4) The clerk shall make, execute, and deliver a certified copy of a certificate of delinquency to the payor, or the clerk may provide for a certified electronic register of the certificates of delinquency in the clerk's record in lieu of delivering a certified copy of the certificate of delinquency.
- (5) The certificate of delinquency is assignable by endorsement. The clerk shall note the assignment on the certificate of delinquency or the clerk may provide for a certified electronic certificate of delinquency in the clerk's records in lieu of delivering a certified copy of the certificate of delinquency. An assignment when noted on the record in the office of the county clerk vests in the assignee all rights and title of the original purchaser.

Section 275. KRS 134.480 is amended to read as follows:

- (1) The delinquent taxpayer or any person owning or having a legal or equitable interest in real property covered by a certificate of delinquency may at any time pay the total amount of the certificate to any purchaser thereof, and any person whatsoever may likewise pay a certificate of delinquency when the state, county, or taxing district was the purchaser. When a certificate is paid to an owner other than the state, county, or taxing district, the assignee shall mark paid in full on the certified copy of the certificate and shall surrender the certified copy of the certificate of delinquency to the person making payment, and if he is the person primarily liable on the certificate he may file it with the county clerk and have the certificate released of record. When a certificate of delinquency has been fully paid to the state, county, and taxing districts, the clerk shall note the name and address of the person making the payment, the amount paid by him, and such other information as the *Department of Revenue* ~~Cabinet~~ may require. The clerk shall mark the certificate of delinquency paid in full. Payment in such instance by one other than the person primarily liable on the certificate will amount to an assignment thereof. The clerk shall note the assignment on the certificate of delinquency and provide the assignee a certified copy of the certificate of delinquency, or the clerk may provide for a certified electronic certificate of delinquency in the clerk's records in lieu of delivering a certified copy of the certificate of delinquency. Anyone other than the person primarily liable who pays a certificate or purchases it from an owner other than the state, county, and taxing district may, by paying a fee of fifty cents (\$0.50), have the clerk record the payment or purchase and such recordation shall constitute an assignment thereof. Failure to obtain such an assignment shall render the claim of such payor or purchaser to any real estate represented thereby inferior to rights of other bona fide purchasers, payors, or creditors. Any owner of a certificate of delinquency once having paid the assignment fee may have a change of his address noted of record by the clerk without paying an additional charge, otherwise he shall pay a fee of fifty cents (\$0.50) to the clerk for entering such change on the certificate.
- (2) The county clerk may receive payment of the amount due on certificates of delinquency owned by the state, county, and taxing districts, and he shall give a receipt to the payor and make a report to the *Department of Revenue* ~~Cabinet~~, the county treasurer, and the proper officials of the taxing districts as often as such units may require, and not less than once in every thirty (30) days. The clerk may accept payment of taxes due by any commercially acceptable means, including credit cards. He shall pay to the *Department of Revenue* ~~Cabinet~~ for deposit with the State Treasurer all moneys collected by him due the state, to the county treasurer all moneys due the county, and to the authorized officers of the taxing districts the amount due each such district. He shall pay the amount of fees, costs, commissions, and penalties to the persons, agencies, or parties entitled thereto. He shall retain ten percent (10%) of the amount due each taxing unit for his services as a fee. This fee shall be added to the amount of the tax claim and paid by the persons paying the tax claim.
- (3) If the person entitled to pay a certificate of delinquency sends a registered letter addressed to the owner of record of the certificate, other than the state, county, or taxing district, and the letter is returned by mail

unclaimed, the sender thereof may make payment to the county clerk, who shall make the necessary assignment or release and deposit the money to the account of the owner of record in the nearest bank having its deposits insured with the Federal Deposit Insurance Corporation. The clerk may deduct the sum of fifty cents (\$0.50) as a fee for such service. The name of the bank in which the money is deposited shall be noted on the certificate.

- (4) If any clerk fails to pay to the person entitled thereto, upon demand, the money received in payment of a certificate of delinquency, he and his sureties shall be liable for the same and twenty percent (20%) interest thereon annually from the time he received it until paid.
- (5) Copies of the records provided for in KRS 134.450 and this section, certified by the county clerk, shall be evidence of the facts stated in them in all the courts of this state.

Section 276. KRS 134.500 is amended to read as follows:

- (1)
  - (a) Certificates of delinquency shall bear interest at twelve percent (12%) per annum simple interest from the date the certificate of delinquency is issued. A fraction of a month is counted as an entire month. The five dollar (\$5) sheriff's fee, the advertising costs provided in KRS 134.420, the clerk's add-on fee provided in KRS 134.480, and the county attorney's add-on fee provided in this section shall be included in the interest calculation in counties containing cities of the first class or consolidated local government and shall be excluded in other counties, except upon adoption of an ordinance by a county to include in the interest calculation the fees provided for in KRS 134.420, the clerk's add-on fee provided in KRS 134.480, and the county attorney's add-on fee provided in this section. All tax bills on omitted property that were not turned over to the sheriff in time to be collected or to make the sale provided for in KRS 134.430 and 134.440 shall also be submitted to the fiscal court but shall be carried over as a charge against the sheriff at the time he or she makes the next regular settlement.
  - (b) A certificate of delinquency shall bear interest at twelve percent (12%) per annum simple interest from the date the certificate of delinquency is issued. A fraction of a month is counted as an entire month. The total amount of the certificate of delinquency, the clerk's add-on fee provided in KRS 134.480, and the county attorney's add-on fee provided in this section shall be included in the base for the interest calculation. All tax bills on omitted property that were not turned over to the sheriff in time to be collected or to make the sale provided for in KRS 134.430 and 134.440 shall also be submitted to the fiscal court but shall be carried over as a charge against the sheriff at the time he makes his next regular settlement.
- (2) The ~~department~~~~cabinet~~ shall be responsible for the collection of certificates of delinquency and delinquent personal property tax bills; however, the ~~department~~~~cabinet~~ shall first offer the collection duties to the county attorney, unless the ~~department~~~~cabinet~~ determines that the county attorney has previously failed to perform collection duties in a reasonable and acceptable manner. Any county attorney desiring to perform the duties associated with the collection of delinquent tax claims shall enter into a contract with the ~~department~~~~cabinet~~ on an annual basis. The terms of the contract shall specify the duties to be undertaken by the county attorney. These duties shall include but are not limited to the following actions:
  - (a) Within fifty (50) days after the issuance of a certificate of delinquency to the state, county, and taxing district, the county attorney or the **Department of Revenue**~~Cabinet~~ shall cause a notice of the purchase to be mailed by regular mail to the property owner at the address on the records of the property valuation administrator. The notice shall advise the owner that the certificate is a lien of record against all property of the owner, and bears interest at the rate of twelve percent (12%) per annum, and if not paid will be subject to collection by the county attorney as provided by law.
  - (b) The county attorney shall file in the office of the county clerk a list of the names and addresses to which the notice was mailed along with a certificate that the notice was mailed in accordance with the requirements of this section.
  - (c) All notices returned as undeliverable shall be submitted to the property valuation administrator. The property valuation administrator shall attempt to correct inadequate or erroneous addresses and, if property has been transferred, shall determine the new owner and the current mailing address. The property valuation administrator shall return the notices with the corrected information to the county attorney prior to the expiration of the one (1) year tolling period provided in KRS 134.470.
  - (d) Within ninety (90) days after the expiration of the one (1) year tolling period provided in KRS 134.470, the county attorney shall cause a notice of his intention to enforce the lien to be mailed to all owners whose tax bills remain delinquent. No second notice shall be required for addresses previously

determined to be undeliverable and for which the property valuation administrator has not provided corrected information.

- (e) Failure to mail the notices shall not affect the validity of the claim of the state, county, and taxing district. The postal cost of mailing the notices shall be added to the certificate of delinquency and, upon collection, the county attorney shall be reimbursed for the postage. The county attorney shall deliver at the same time a list of the owners whose tax bills remain delinquent to the property valuation administrator. The property valuation administrator shall review this list in accordance with the provisions of KRS 132.220 to establish that the properties on the list can be identified and physically located.
- (3) The county attorney who enters into a contract with the *department*~~[cabinet]~~ shall have a period of two (2) years after the expiration of the one (1) year tolling period provided in KRS 134.470 to collect delinquent tax bills or to initiate court action for their collection. At the expiration of the two (2) years the *department*~~[cabinet]~~ may assume responsibility for all uncollected bills except those with pending court action.
- (4) The county attorney who enters into a contract with the *department*~~[cabinet]~~ and performs his or her duties in respect to the certificate of delinquency and delinquent personal property tax bills shall be entitled to twenty percent (20%) of the amount due each taxing unit, whether the tax claim is voluntarily paid or is paid through sale or under court order, and the fee shall be paid to him by the county clerk when making distribution, as provided in KRS 134.480. This fee shall be added to the amount of the tax claims and paid by the persons paying the tax claims. They shall not be paid by the taxing districts or deducted from the taxes due the taxing districts. This fee shall be waived if the certificate of delinquency is paid by the taxpayer only within five (5) days of the sheriff's sale. If more than one (1) county attorney renders necessary services in an effort to collect a tax claim, the attorney serving the last notice or rendering the last substantial service preceding collection shall be entitled to the fee. When the county attorney's office, in an effort to collect a certificate of delinquency, or delinquent personal property tax bills files a court action which is litigated by the taxpayer, an additional county's attorney fee equal to thirteen percent (13%) of the total tax plus ten percent (10%) penalty, may be added to the certificate or the bill and shall become part of the tax claim.
- (5) If a county attorney chooses not to contract for these collection duties or if a county attorney fails to perform the duties required by the contract, the *department*~~[cabinet]~~ shall assume responsibility for the collection process. In the performance of those duties, the *department*~~[cabinet]~~ shall have all the powers, rights, duties, and authority with respect to the collection, refund, and administration of the amount due on the certificate of delinquency conferred generally upon the *department*~~[cabinet]~~ by Kentucky Revised Statutes including, but not limited to, KRS Chapters 131, 134, and 135. The twenty percent (20%) fee that would have otherwise been paid to the county attorney shall be paid to the *department*~~[cabinet]~~ for deposit in the delinquent tax fund provided for under KRS 134.400.
- (6) Any action on behalf of the state, county, and taxing districts authorized by this section or by KRS 134.470, 134.490, or 134.540 shall be filed on relation of the *commissioner*~~[secretary]~~, and the petition may be sent to the *department*~~[cabinet]~~, which may require revision in instances where it deems revision or amendment necessary. The *department*~~[cabinet]~~ shall advise the county attorney in all actions, and may send him or her special assistance when the *commissioner*~~[secretary]~~ deems assistance necessary. A copy of the judgment shall also be sent to the *department*~~[cabinet]~~. If the *department*~~[cabinet]~~ sends assistance to a county attorney who contracts to prosecute the suits or proceedings, the county attorney shall be entitled to his or her full fee. On the same day that suit is filed, the county clerk shall be given notice of its filing. Costs incident to the suit shall become a part of the tax claim.
- (7) The *department*~~[cabinet]~~ may make its delinquent tax collection databases and other technical resources, including but not limited to income tax refund offsetting, available to the county attorney upon request from the county attorney. The county attorney seeking assistance shall enter into any agreements required by the *department*~~[cabinet]~~ to protect taxpayer confidentiality, to ensure database integrity, or to address other concerns of the *department*~~[cabinet]~~.
- (8) The county attorney may, at any time after assuming collection duties, enter into an agreement with the delinquent taxpayer to accept installment payments on the delinquent tax bill. The agreement shall not waive the county attorney's right to initiate court action or other authorized collection activities if the taxpayer does not make payments in accordance with the agreement.

Section 277. KRS 134.505 is amended to read as follows:

Any person while serving as county attorney who was required by law by reason of his office to prosecute an action or to assist the **commissioner**~~[secretary]~~ of revenue in prosecuting an action to enforce a claim of the state, county, school district and any other taxing district to any land which was purchased by such districts at a sheriff's sale or sales for delinquent taxes and who did not institute such action before he relinquished his office or otherwise failed to perform substantially all the duties of his office relative to the claim, shall not be entitled to receive any commission or compensation for any such sale or sales when the redemption costs are paid. Any county clerk or other person authorized to collect funds to satisfy unredeemed land sales shall be liable for any such money distributed as a commission to any former county attorney who is not entitled to it.

Section 278. KRS 134.510 is amended to read as follows:

- (1) After the state, county and taxing districts obtain real property as authorized by KRS 134.490, the designated agent of the **commissioner**~~[secretary]~~ of revenue may advertise and sell at public sale any of the lands, and the **commissioner**~~[secretary]~~ may convey the lands by deed to the purchaser. The **commissioner**~~[secretary]~~ shall, within thirty (30) days from receipt of payment, pay to the county and taxing district the amount of the proceeds due each. The **Department of Revenue**~~[Cabinet]~~ shall be entitled to an administration fee equal to fifteen percent (15%) of the sale price of the property, which shall be paid into the delinquent tax fund provided for in KRS 134.400.
- (2) The sales shall be advertised by a written or printed notice posted at the courthouse door for fifteen (15) days before the date of sale, and by publication pursuant to KRS Chapter 424, and may in addition be advertised by printed handbills posted for fifteen (15) days before the date of sale in three (3) or more conspicuous places in the taxing districts.
- (3) Any real property acquired by the state, county and taxing districts pursuant to KRS 134.490 may be redeemed at any time before the **commissioner**~~[secretary]~~ gives a deed to a purchaser, by paying to the county clerk the amount due at the time the property was acquired, plus subsequent costs and interest at the rate of twelve percent (12%) per annum.

Section 279. KRS 134.540 is amended to read as follows:

- (1) When the **Department of Revenue**~~[Cabinet]~~ has reason to believe that any sale made under the authority of Section 32 of Article VIII of Chapter 22 of the Acts of 1906, or Section 3 of Chapter 43 of the Acts of 1908, or Section 2 or 5 of Chapter 21 of the Acts of the first Extraordinary Session of 1938, is for any reason invalid, the invalidity may be alleged in an action to establish the lien provided for in Chapter 152 of the Acts of 1934. The action shall be brought on the relation of the **commissioner**~~[secretary]~~ of revenue, who shall publish notice on the courthouse door for fourteen (14) days before instituting the action, notifying all delinquents that actions will be instituted unless the delinquent taxes against land subject to such actions are paid at once. If the owner does not redeem the land within ten (10) days after the expiration of the fourteen (14) day period, and the **commissioner**~~[secretary]~~ is required to institute action, the state shall be entitled to a fee equal to fifteen percent (15%) of the amount of the taxes, penalties and interest, which shall be paid into the delinquent tax fund provided under KRS 134.400, to be used by the **Department of Revenue**~~[Cabinet]~~ to cover the expenses of filing and administering such actions. If the property is redeemed after action is instituted, the fee shall become a part of the redemption price. The **commissioner**~~[secretary]~~ may, if he deems necessary, institute action without giving the notice provided in this section, in which event the fifteen percent (15%) fee shall not apply.
- (2) The county attorney shall assist the **Department of Revenue**~~[Cabinet]~~ in filing and prosecuting the actions. For these services he shall be entitled to twenty percent (20%) of the taxes, penalties and interest. If he fails or refuses to assist in filing and prosecuting the actions, he shall not be entitled to this fee.
- (3) An action shall not be instituted on behalf of the state to establish the lien provided for in Chapter 152 of the Acts of 1934 until after the expiration of the time that must expire before action to recover possession can be instituted.

Section 280. KRS 134.580 is amended to read as follows:

- (1) As used in this section, unless the context requires otherwise:
  - (a) "Agency" means the agency of state government which administers the tax to be refunded or credited.

- (b) "Overpayment" or "payment where no tax was due" means the tax liability under the terms of the applicable statute without reference to the constitutionality of the statute.
- (2) When money has been paid into the State Treasury in payment of any state taxes, except ad valorem taxes, whether payment was made voluntarily or involuntarily, the appropriate agency shall authorize refunds or credits, to the person who paid the tax, or to his heirs, personal representatives or assigns, of any overpayment of tax and any payment where no tax was due. When a bona fide controversy exists between the agency and the taxpayer as to the liability of the taxpayer for the payment of tax claimed to be due by the agency, the taxpayer may pay the amount claimed by the agency to be due, and if an appeal is taken by the taxpayer from the ruling of the agency within the time provided by KRS 131.340 and it is finally adjudged that the taxpayer was not liable for the payment of the tax or any part thereof, the agency shall authorize the refund or credit as the Kentucky Board of Tax Appeals or courts may direct.
- (3) Refunds or credits shall be authorized with interest as provided in KRS 131.183. The refunds authorized by this section shall be made in the same manner as other claims on the State Treasury are paid. They shall not be charged against any appropriation, but shall be deducted from tax receipts for the current fiscal year.
- (4) Nothing in this section shall be construed to authorize the agency to make or cause to be made any refund except within four (4) years of the date prescribed by law for the filing of a return including any extension of time for filing the return, or the date the money was paid into the State Treasury, whichever is the later, except in any case where the assessment period has been extended by written agreement between the taxpayer and the ~~department~~~~cabinet~~, the limitation contained in this subsection shall be extended accordingly. Nothing in this section shall be construed as requiring the agency to authorize any refund or credit to a taxpayer without demand from the taxpayer, if in the opinion of the agency the cost to the state of authorizing the refund or credit would be greater than the amount that should be refunded or credited.
- (5) This section shall not apply to any case in which the statute may be held unconstitutional, either in whole or in part.
- (6) In cases in which a statute has been held unconstitutional, taxes paid thereunder may be refunded to the extent provided by KRS 134.590, and by the statute held unconstitutional.

Section 281. KRS 134.805 is amended to read as follows:

- (1) The county clerk shall be allowed by the **Department of Revenue**~~Cabinet~~, for collecting state ad valorem taxes on motor vehicles, a commission of four percent (4%) on state taxes collected.

- (b) When a vehicle is transferred in any year before the ad valorem taxes on that vehicle have been paid, a notice of taxes due shall be sent within ten (10) working days after the date of transfer or notice of transfer to the owner as of January 1 of that year.
- (c) When ad valorem taxes on a vehicle become delinquent for sixty (60) days, as defined by KRS 134.810, a second notice shall be sent within ten (10) working days to the January 1 owner of record. The notice shall inform the delinquent owner of the lien provisions provided by KRS 134.810 on all vehicles owned or acquired by the owner of the vehicle at the time the tax liability arose.
- (d) These notices shall be calculated, prepared, and mailed first class on behalf of county clerks by the AVIS. Nonreceipt of the notices required herein shall not constitute any defense against applicable penalty, interest, lien fees, or costs recovery.

Section 282. KRS 134.815 is amended to read as follows:

- (1) The county clerk shall, by the tenth of each month, report under oath and pay to the state, county, city, urban-county government, school, and special taxing districts all ad valorem taxes on motor vehicles collected by him for the preceding month, less the collection fee of the county clerk, which shall be deducted before payment to the depository. The county clerk shall be required to deposit state collections in a manner consistent with procedures established by the ~~department~~~~cabinet~~ for the prompt payment to the state of other state tax moneys collected by the county clerk.
- (2) Any county clerk who fails to pay over any taxes collected by him on motor vehicles as required by subsection (1) of this section shall be required to pay a penalty of one percent (1%) for each thirty (30) day period or fraction thereof, plus interest at the legal rate per annum of such taxes.
- (3) The county clerk may be granted an extension, not to exceed fifteen (15) days, for filing the monthly report to each district required by this section.
- (4) In the event a motor vehicle is registered in a county other than that in which the vehicle had a taxable situs as of the most recent assessment date, the county clerk in the new county of registration shall be charged with collecting the ad valorem taxes due for the state, county, city, urban-county government, school and special tax districts in which the vehicle had situs. The county clerk making such collections shall receive commissions on collections as set out for other collections on motor vehicles.
- (5) All moneys collected under this section by a county clerk on motor vehicles which had a taxable situs in another county shall be reported and deposited with the state, after he has deducted the appropriate commissions due from these collections, and such collections shall be distributed to the proper tax district.
- (6) The ~~department~~~~cabinet~~ shall provide procedures governing receipt and disbursement of all moneys collected under subsections (4) and (5) of this section.

Section 283. KRS 134.825 is amended to read as follows:

The *Department of Revenue*~~Cabinet~~ shall be responsible for payment of all expenses related to the development and implementation of computer and administrative systems necessary to carry out the provisions of KRS 134.805, 134.810 and 186A.145 and, further, shall reimburse each state agency involved for all ongoing operational costs, including the calculation, preparation, and mailing of notices of ad valorem property tax due on motor vehicles, incurred by each such agency in administering the provisions of KRS 134.805, 134.810 and 186A.145.

Section 284. KRS 134.990 is amended to read as follows:

- (1) Any sheriff who violates subsection (2) of KRS 134.140 shall be fined one hundred dollars (\$100) for each offense.
- (2) Any person who violates the provisions of KRS 134.150 shall, upon indictment and conviction in the county in which the act was done, be fined not less than one hundred dollars (\$100) nor more than five hundred dollars (\$500), and be removed from office.
- (3) Any sheriff who violates subsection (3) of KRS 134.170 shall be fined not less than one hundred dollars (\$100) nor more than five hundred dollars (\$500) for each offense.

to whom made, when recorded, the evidences of any prior lien, and the names of the parties who claim the same. Proceedings may be instituted by the sheriff or the *Department of Revenue* ~~Cabinet~~, in the name of the state, in the county where the property is located, to have the property sold, the claims and demands, if just, satisfied, all encumbrances removed, and the proceeds of the sale of the property rightfully applied.

- (2) All state taxes assessed against any corporation under the provisions of KRS 136.120 to 136.200 shall be due and payable as provided in KRS 131.110. Every corporation so assessed that fails to pay its taxes when due shall be deemed delinquent, a penalty of ten percent (10%) on the amount of the tax shall attach, and thereafter the tax shall bear interest at the tax interest rate as defined in KRS 131.010(6).

Section 295. KRS 136.070 is amended to read as follows:

- (1) Every corporation organized under the laws of this state, every corporation having its commercial domicile in this state, and every foreign corporation owning or leasing property located in this state or having one (1) or

more individuals receiving compensation in this state, except financial institutions as defined in KRS 136.500, savings and loan associations organized under the laws of this state and under the laws of the United States and making loans to members only, open-end registered investment companies organized under the laws of this state and registered under the Investment Company Act of 1940, production credit associations, insurance companies, including farmers' or other mutual hail, cyclone, windstorm or fire insurance companies, insurers and reciprocal underwriters, public service companies subject to taxation under KRS 136.120, those corporations exempted by Section 501 of the Internal Revenue Code, any property or facility which has been certified as an alcohol production facility as defined in KRS 247.910, any property or facility which has been certified as a fluidized bed energy production facility as defined in KRS 211.390, and any other religious, educational, charitable, or like corporations not organized or conducted for pecuniary profit, shall pay to the state an annual license tax of two dollars and ten cents (\$2.10) on each one thousand dollars (\$1,000) of the capital employed in the business as computed under the provisions of subsections (2) and (3) of this section, subject to the credit provided in subsection (6) of this section.

- (2) (a) The term "capital" as used in this section means capital stock, surplus, advances by affiliated companies, intercompany accounts, borrowed moneys or any other accounts representing additional capital used and employed in the business. Accounts properly defined as "capital" in this section shall be reported at the value reflected on financial statements prepared for book purposes as of the last day of the calendar or fiscal year;
  - (b) "Capital employed," in the case of corporations having property or payroll only in this state, means "capital" as defined above;
  - (c) "Capital employed," in the case of corporations having property or payroll both within and without this state means "capital" as defined above and as apportioned under subsection (3) of this section;
  - (d) Property means either real property or tangible personal property which is either owned or leased. Payroll means compensation, paid to one (1) or more individuals, as described in subsection (3) of this section. Property and payroll are deemed to be entirely within this state if all other states are prohibited by Public Law 86-272, as it existed on December 31, 1975, from enforcing income tax jurisdiction.
- (3) The total capital, as determined under subsection (2) of this section, shall be apportioned as follows:
- (a) The total capital shall be multiplied by a fraction, the numerator of which is the property factor plus the payroll factor, plus the sales factor, and the denominator of which is three (3); provided, however, that effective with taxable years beginning after July 31, 1985, in lieu of the equally weighted three (3) factor apportionment fraction based on property, payroll, and sales, an apportionment fraction composed of a sales factor representing fifty percent (50%) of the fraction, a property factor representing twenty-five percent (25%) of the fraction, and a payroll factor representing twenty-five percent (25%) of the fraction shall be used;
  - (b) The property factor is a fraction, the numerator of which is the average value of the taxpayer's real and tangible personal property owned or rented and used in this state during the tax period and the denominator of which is the average value of all the taxpayer's real and tangible personal property owned or rented and used during the tax period; provided, however, that property which has been certified as a pollution control facility as defined in KRS 224.01-300 shall be excluded from the property factor:
    1. Property owned by the taxpayer is valued at its original cost. If the original cost of any property is not determinable or is nominal or zero, such property shall be valued by the ~~department~~~~cabinet~~ under regulations promulgated by the ~~department~~~~cabinet~~. Property rented by the taxpayer is valued at eight (8) times the net annual rental rate. Net annual rental rate is the annual rental rate paid by the taxpayer less any annual rental rate received by the taxpayer from subrentals, provided that such rental and such subrentals are reasonable. If the ~~department~~~~cabinet~~ determines that the annual rental or subrental rate is unreasonable, or if nominal or zero rate is charged, the ~~department~~~~cabinet~~ may determine and apply such rental rate as will reasonably reflect the value of the property rented by the taxpayer; and
    2. The average value of property shall be determined by averaging the values at the beginning and ending of the tax period but the ~~department~~~~cabinet~~ may require the averaging of monthly values during the tax period if reasonably required to reflect properly the average value of the taxpayer's property;

- (c) The payroll factor is a fraction, the numerator of which is the total amount paid or payable in this state during the tax period by the taxpayer for compensation, and the denominator of which is the total compensation paid or payable everywhere during the tax period. Compensation is paid or payable in this state if:
1. The individual's service is performed entirely within the state;
  2. The individual's service is performed both within and without the state, but the service performed without the state is incidental to the individual's service within the state; or
  3. Some of the service is performed in the state and the base of operations or, if there is no base of operations, the place from which the service is directed or controlled is in the state, or the base of operations or the place from which the service is directed or controlled is not in any state in which some part of the service is performed, but the individual's residence is in this state;
- (d) The sales factor is a fraction, the numerator of which is the total sales of the taxpayer in this state during the tax period, and the denominator of which is the total sales of the taxpayer everywhere during the tax period. Sales of tangible personal property are in this state if:
1. The property is delivered or shipped to a purchaser, other than the United States government, or to the designee of the purchaser within this state regardless of the f.o.b. point or other conditions of the sale;
  2. The property is shipped from an office, store, warehouse, factory, or other place of storage in this state and the purchaser is the United States government; or
  3. Sales, other than sales of tangible personal property, are in this state if the income-producing activity is performed in this state; or the income-producing activity is performed both in and outside this state and a greater proportion of the income-producing activity is performed in this state than in any other state, based on costs of performance.
- (4) If the apportionment provisions of this section do not fairly measure the taxpayer's capital in this state, the taxpayer may petition for or the ~~department~~~~{cabinet}~~ may require:
- (a) The exclusion of any one (1) or more of the factors;
  - (b) The inclusion of one (1) or more additional factors which will fairly measure the taxpayer's capital in this state; or
  - (c) The employment of any other method to produce an equitable apportionment of the taxpayer's capital.
- (5) No corporation required to pay an annual license tax under this section shall pay less than thirty dollars (\$30).
- (6) Every corporation with a gross income of not more than five hundred thousand dollars (\$500,000) shall be entitled to a credit equivalent to one dollar and forty cents (\$1.40) per one thousand dollars (\$1,000) of the initial three hundred and fifty thousand dollars (\$350,000) of capital employed in the business, as computed under the provisions of KRS 136.070(2) and (3).

Section 296. KRS 136.0704 is amended to read as follows:

- (1) As used in this section, unless the context requires otherwise:

  - (b) "Economic revitalization project" shall have the same meaning as set forth in KRS 154.26-010; and
  - (c) "Tax credit" means the tax credit allowed in KRS 154.26-090(1)(c)2.
- (2) An approved company that entered into a revitalization agreement prior to July 13, 2004, shall:
- (a) Compute the company's total license tax due as provided by KRS 136.070; and
  - (b) Compute the license tax due excluding the capital attributable to an economic revitalization project.

- (3) The tax credit shall be the amount by which the tax computed under subsection (2)(a) of this section exceeds the tax computed under subsection (2)(b) of this section; however, the credit shall not exceed the limits set forth in KRS 154.26-090.
- (4) The capital attributable to an economic revitalization project shall be determined by a formula approved by the *Department of Revenue*~~[Cabinet]~~.
- (5) For an approved company that enters into a revitalization agreement after July 13, 2004, the tax credit shall be negotiated pursuant to KRS 154.26-090, but shall not exceed one hundred percent (100%) of the computed license tax attributable to the location of the economic revitalization project. In no case shall the tax credit exceed the limits set forth in KRS 154.26-090.
- (6) The license tax attributable to a revitalization project shall be determined by a formula approved by the *Department of Revenue*~~[Cabinet]~~.
- (7) The *Department of Revenue*~~[Cabinet]~~ may promulgate administrative regulations and require the filing of forms designed by the *Department of Revenue*~~[Cabinet]~~ to reflect the intent of KRS 154.26-010 to 154.26-100 and the allowable income tax credit which an approved company may retain under KRS 154.26-010 to 154.26-100.

Section 297. KRS 136.073 is amended to read as follows:

- (1) Every open-end registered investment company organized under the laws of this state and registered under the Investment Company Act of 1940 shall on or before the fifteenth day of the fourth month following the close of each fiscal year, if the company operates on a fiscal year basis or calendar year, file a report on forms prescribed by the *Department of Revenue*~~[Cabinet]~~ and pay directly to the State Treasury a tax of two dollars and ten cents (\$2.10) for each one thousand dollars (\$1,000) of "average net capital" as computed under subsections (2) and (3) of this section.
- (2) The term "net capital" as used in this section means capital stock, surplus, borrowed moneys or any other accounts representing capital of the company less the amount of such capital which by said company is invested in Kentucky municipal securities which are obligations issued by the State of Kentucky, its political subdivisions, and the districts, authorities, agencies and instrumentalities of the state and its political subdivisions, the interest on which is exempt from federal and Kentucky income tax.
- (3) The term "average net capital" as used in this section means the average of the net capital of the company as shown on financial statements of the company as of the first and last days of the fiscal or calendar year of the company, whichever is applicable.
- (4) The *Department of Revenue*~~[Cabinet]~~ shall examine and audit each report as soon as practicable after each report is received. Failure to make reports and pay taxes as provided in this section shall subject the company to the same penalties imposed for such failure on the part of other corporations.

Section 298. KRS 136.076 is amended to read as follows:

- (1) As soon as practicable after each return is received, the *department*~~[cabinet]~~ shall examine and audit it. If the amount of tax computed by the *department*~~[cabinet]~~ is greater than the amount returned by the taxpayer, the additional tax shall be assessed and a notice of assessment mailed to the taxpayer by the *department*~~[cabinet]~~ within four (4) years from the date the return was filed, except that in the case of a failure to file a return, or of a fraudulent return, the additional tax may be assessed at any time. The time provided in this section may be extended by agreement between the taxpayer and the *department*~~[cabinet]~~.
- (2) For the purpose of subsection (1) of this section, a return filed before the last day prescribed by law for filing the return thereof shall be considered as filed on the last day. For taxable years beginning after December 31, 1993, any extension of time granted for filing the return shall also be considered as extending the last day prescribed by law for filing the return.

Section 299. KRS 136.090 is amended to read as follows:

- (1) Corporations liable to taxation under KRS 136.070 shall file with the *Department of Revenue*~~[Cabinet]~~ each year, on forms prepared by the *department*~~[cabinet]~~, a return signed by the president, vice president, secretary, treasurer, assistant secretary, assistant treasurer, or chief accounting officer. This report shall give the name of the corporation; the name of the state or government under the laws of which it is incorporated; the date of incorporation; the place of its principal office in and out of this state; the name and address of its president and secretary; the name and address of its authorized agent or attorney upon whom process may be executed in this

- (1) If the corporation operates on a calendar year basis, the reports required under KRS 136.090 shall be filed on or before April 15 in each year. If the corporation operates on a fiscal year basis, the reports shall be filed on or before the fifteenth day of the fourth month following the close of each fiscal year. The reports shall cover operations for the preceding calendar or fiscal year, as the case may be. Domestic corporations hereafter incorporated, and foreign corporations hereafter becoming the owners of property or transacting business in this state, shall make their reports to the **Department of Revenue**~~Cabinet~~ on or before the first filing date succeeding their incorporation or succeeding their becoming the owners of property or transacting business in this state, and shall in all respects be subject to the provisions of KRS 136.070 to 136.100 the same as corporations already in existence.

If a corporation so changes its basis of reporting, the first report filed on the new filing date shall cover operations for the period between the close of the old accounting period and the close of the new accounting period. The assessment of value shall be computed in the same manner as on any other return, but the tax due shall be computed on that proportionate part of the assessment that the period between the close of the old accounting period and the close of the new accounting period bears to the entire twelve (12) month period.
- (3) In any case where two (2) or more corporations merge, consolidate or otherwise combine into a single corporation after the close of the taxable year, but before the beginning of the succeeding taxable year, all factors used to determine the corporation license tax assessment shall be computed on the basis of the consolidated accounting records of such corporations.

- (2) The *Department of Revenue*~~{Cabinet}~~ shall, when valuing the property of corporations or companies assessable by it, value the vehicles at no less than the value used by the property valuation administrator.
- (3) In certifying the assessment of property of public service companies subject to local taxation, the *department*~~{cabinet}~~ shall separately certify the amount of the assessment representing the valuation of motor vehicles and trailers or an apportionment thereof.

Section 304. KRS 136.140 is amended to read as follows:

- (1) If a public service corporation, foreign or domestic, operates and conducts its business in other states as well as in this state, the report required by KRS 136.130 shall show the following additional facts: the cost and year acquired of the operating property operated, owned, or leased, including property under construction, property held for future use, and depreciation attributable thereto for the property in this state as of December 31; and such other facts as the *department*~~[cabinet]~~ may require.
- (2) All public service corporations included in KRS 136.120 shall file with the report required by KRS 136.130 and this section a copy of all reports to their stockholders and a complete copy of their report to the federal regulating agency if their operations are interstate.

Section 306. KRS 136.160 is amended to read as follows:

- (1) The *Department of Revenue*~~[Cabinet]~~ shall determine the fair cash value of the operating property of a domestic public service corporation as a unit. The fair cash value of the operating property shall be equalized.
- (2) The *Department of Revenue*~~[Cabinet]~~ shall determine the fair cash value of the operating property of a foreign public service corporation or a domestic public service corporation with property or routes in Kentucky and outside Kentucky as a unit according to subsection (1). The fair cash value of the operating property everywhere valued as a unit shall be apportioned to Kentucky based on the average of the property factor and the business factor. The fair cash value of the operating property in Kentucky shall be equalized.
  - (a) The property factor shall fairly reflect the amount of operating property operated, owned, or leased in Kentucky compared to the total amount of operating property operated, owned, or leased everywhere. An allocable portion of the rolling stock, aircraft, and watercraft of a common carrier shall be included in the operating property, operated, owned, or leased in Kentucky. This factor may be a single factor or an average of several factors.
  - (b) The business factor shall fairly reflect the utilization of the operating property operated, owned, or leased in Kentucky compared to the utilization of the operating property operated, owned, or leased everywhere. This factor may be a single factor or an average of several factors.
- (3) The nonoperating tangible and nonoperating intangible property of public service corporations whose operating property is valued according to either subsection (1) or (2) shall be valued by the *Department of Revenue*~~[Cabinet]~~ in the same manner and according to the same standards as if this property were valued by the property valuation administrator in the county where the property has a taxable situs.

Section 307. KRS 136.170 is amended to read as follows:

The *Department of Revenue*~~[Cabinet]~~ shall allocate the assessed value of the operating property in this state among the counties, cities, and other taxing districts. The location of operating property and the proportion which the length of line or route operated in such taxing district bears to the total length of lines or route operated in this state shall be considered in this allocation and such other reasonable evidence of value as the *Department of Revenue*~~[Cabinet]~~ may by regulations prescribe; provided, however, that the assessed value of nonoperating tangible property shall be allocated to the county, city, or other taxing district where the property is situated.

Section 308. KRS 136.180 is amended to read as follows:

- (1) The *Department of Revenue*~~[Cabinet]~~ shall, immediately after fixing the assessed value of the operating property and other property of a public service corporation for taxation, notify the corporation of the valuation and the amount of assessment for state and local purposes. When the valuation has been finally determined, the *department*~~[cabinet]~~ shall immediately certify, unless otherwise specified, to the county clerk of each county in which any of the operating property or nonoperating tangible property assessment of the corporation is liable to local taxation, the amount of property liable for county, city, or district tax.

- (2) No appeal shall delay the collection or payment of taxes based upon the assessment in controversy. The taxpayer shall pay all state, county, and district taxes due on the valuation which the taxpayer claims as the true value as stated in the protest filed under KRS 131.110. When the valuation is finally determined upon appeal, the taxpayer shall be billed for any additional tax and interest at the tax interest rate as defined in KRS 131.010(6), from the date the tax would have become due if no appeal had been taken. The provisions of KRS 134.390 shall apply to the tax bill.
- (3) The **Department of Revenue**~~Cabinet~~ shall compute annually a multiplier for use in establishing the local tax rate for the operating property of railroads or railway companies that operate solely within the Commonwealth. The applicable local tax rates on the operating property shall be adjusted by the multiplier. The multiplier shall be calculated by dividing the statewide locally taxable business tangible personal property by the total statewide business tangible personal property.
- (4) The **Department of Revenue**~~Cabinet~~ shall annually calculate an aggregate local rate for each local taxing district to be used in determining local taxes to be collected for railroad carlines. The rate shall be the statewide tangible tax rate for each type of local taxing district multiplied by a fraction, the numerator of which is the commercial and industrial tangible property assessment subject to full local rates and the denominator of which is the total commercial and industrial tangible personal property assessment. Effective January 1, 1994, state and local taxes on railroad carline property shall become due forty-five (45) days from the date of notice and shall be collected directly by the **Department of Revenue**~~Cabinet~~. The local taxes collected by the **Department of Revenue**~~Cabinet~~ shall be distributed to each local taxing district levying a tax on railroad carlines based on the statewide average rate for each type of local taxing district. However, prior to distribution any fees owed to the **Department of Revenue**~~Cabinet~~ by any local taxing district under the provisions of subsection (4) of this section shall be deducted.
- (5) The certification of valuation shall be filed by each county clerk in his office, and shall be certified by the county clerk to the proper collecting officer of the county, city, or taxing district for collection. Any district which has the value certified by the **department**~~cabinet~~ shall pay an annual fee to the **department**~~cabinet~~ which represents an allocation of **department**~~cabinet~~ operating and overhead expenses incurred in generating the valuations. This fee shall be determined by the **department**~~cabinet~~ and shall apply to valuations for tax periods beginning on or after December 31, 1981.

Section 309. KRS 136.181 is amended to read as follows:

- (1) The proportion of the value of the property which the length of the lines or route operated in this state bears to the total length of lines or route operated in this state and elsewhere, shall be considered in fixing the value of the property for taxation in this state. Any other reasonable evidence of value shall be considered in fixing the value, but such evidence must be prescribed by **department**~~cabinet~~ regulations;
- (2) After ascertaining the portion of the system valuation of such property attributable to this state, the **Department of Revenue**~~Cabinet~~ shall allocate the value of the property among the counties, cities, towns, and other taxing districts. The proportion which the length of line or route operated in that jurisdiction or taxing district bears to the total length of lines or route operated in this state shall be considered in this allocation and such other reasonable evidence of value as the **Department of Revenue**~~Cabinet~~ may by regulations prescribe.

Section 310. KRS 136.182 is amended to read as follows:

On or before March 1, 1955, and each year thereafter, each nonresident person, corporation, partnership or other business association owning or operating boats, tugs, barges, or other watercraft whose route or system is partly within this state and partly within another state or states, shall on forms provided by the **Department of Revenue**~~Cabinet~~ provide the **Department of Revenue**~~Cabinet~~ with a detailed description of all such property as well as a detailed description of the entire route or system traversed and such other information as the **Department of Revenue**~~Cabinet~~ may by regulation prescribe.

Section 311. KRS 136.183 is amended to read as follows:

The taxes on the above property shall become due at the same time and shall be subject to the same discount and penalties as provided by KRS 134.020, and shall be collected in the same manner as taxes on other tangible property; except that the state tax on such property shall be collected directly by the *Department of Revenue* ~~Cabinet~~.

Section 312. KRS 136.184 is amended to read as follows:

Any taxpayer who has been assessed by the *Department of Revenue* ~~Cabinet~~ in the manner outlined above shall have thirty (30) days from the date of the *department's* ~~cabinet's~~ notice of the tentative assessment in which to protest and ask for a change thereof in the manner provided by KRS 131.110.

Section 313. KRS 136.186 is amended to read as follows:

When the *Department of Revenue* ~~Cabinet~~ has made a final determination as to the valuation of any such property owned or operated by such nonresident person, corporation, partnership or other business association, it shall immediately certify the amount thereof to the county clerk of each county in which any such property is liable for taxation. The certification shall be filed by each county clerk in his office and the county clerk shall certify to the proper collecting officer of the county, city, town, or taxing district for collection.

Section 314. KRS 136.1873 is amended to read as follows:

- (1) Notwithstanding the provisions of KRS 132.487, trucks, trailers, tractors, semitrailers, and buses of any person, corporation, partnership, or any other business association whose route or system is partly within this state and partly within another state or states, shall be assessed by the *Department of Revenue* ~~Cabinet~~ for purposes of taxation as of January 1 each year.
- (2) The proportion of miles operated in this state compared to the total miles operated everywhere shall be considered in fixing the value of the property for taxation. Other reasonable evidence shall be considered in fixing the value. However, pick-up and delivery vehicles operating from a terminal within this state or vehicles which do not leave this state in the normal course of business shall not be valued on an apportioned basis.

Section 315. KRS 136.1875 is amended to read as follows:

On or before April 15, 1991, and each year thereafter, each person, corporation, partnership, or other business association owning or operating trucks, tractors, trailers, semitrailers, and buses whose route or system is partly within this state and partly within another state or states, shall on forms provided by the *Department of Revenue* ~~Cabinet~~ provide the *department* ~~cabinet~~ with a detailed description of all its vehicles operating within this state along with the necessary mileage data to be used in apportioning the value.

Section 316. KRS 136.1877 is amended to read as follows:

- (1) The *Department of Revenue* ~~Cabinet~~ shall immediately, after fixing the assessed value of the trucks, tractors, trailers, semitrailers, and buses, notify the taxpayer of the valuation determined. Any taxpayer who has been assessed by the *department* ~~cabinet~~ in the manner outlined in KRS 136.1873 shall have forty-five (45) days from the date of the *department's* ~~cabinet's~~ notice of the tentative assessment to protest as provided by KRS 131.110.
- (2) No appeal shall delay the collection or payment of taxes based upon the assessment in controversy. The taxpayer shall pay all state, county, and district taxes due on the valuation which the taxpayer claims as the true value as stated in the protest filed under KRS 131.110. When the valuation is finally determined upon appeal, the taxpayer shall be billed for any additional tax and interest at the tax interest rate as defined in KRS 131.010(6), from the date the tax would have become due if no appeal had been taken. The provisions of KRS 134.390 shall apply to the tax bill.
- (3) The state and local taxes on the property are due forty-five (45) days from the date of notice and shall be collected directly by the *Department of Revenue* ~~Cabinet~~.
- (4) The *Department of Revenue* ~~Cabinet~~ shall annually calculate an aggregate local rate to be used in determining the local taxes to be collected. The rate shall be the statewide average motor vehicle tax rate for each type of local taxing district multiplied by a fraction, the numerator of which is the commercial and industrial tangible personal property assessment subject to full local rates and the denominator of which is the total commercial and industrial tangible personal property assessment.
- (5) The local taxes collected by the *Department of Revenue* ~~Cabinet~~ shall be distributed to each local taxing district levying a tax on motor vehicles based on the statewide average rate for each type of local taxing

district. However, prior to distribution any fees owed to the **Department of Revenue**~~Cabinet~~ by any local taxing district under the provisions of KRS 136.180(5) shall be deducted.

Section 317. KRS 136.190 is amended to read as follows:

- (1) The superintendent of schools in each district in which any individual, group of individuals or corporation, operates public utility or other franchise taxpaying property assessed under KRS 136.120 shall, on or before the first day of January, 1957, furnish to the county clerk of the county in which the district is situated, to each franchise taxpayer within the district, and to the **Department of Revenue**~~Cabinet~~, the boundary of his school district. The superintendent of schools in each district in which any franchise-paying corporation, individual, or group of individuals operates shall, on or before the first day of January, 1958, and each year thereafter, furnish to the county clerk, to each franchise taxpayer within the district, and to the **Department of Revenue**~~Cabinet~~, any changes made in the boundary of his school district during the immediately preceding twelve (12) months.
- (2) The engineer of cities of the first class and the city clerk of cities of the second, third, fourth, fifth, and sixth classes shall notify the county clerk, each franchise taxpayer within the city, and the **Department of Revenue**~~Cabinet~~ of their boundaries in the same manner as required of the superintendent of schools in subsection (1).
- (3) The responsible governing official or the chairman of the governing body of any taxing district other than the county, school district, or city shall notify the county clerk, each franchise taxpayer within the district, and the **Department of Revenue**~~Cabinet~~ of their boundaries in the same manner as required of the superintendent of schools in subsection (1).

Section 318. KRS 136.290 is amended to read as follows:

- (1) Every federally or state chartered savings and loan association, savings bank, and other similar institutions operating solely in Kentucky shall, during January of each year, file with the **Department of Revenue**~~Cabinet~~ a report containing such information and in such form as the **department**~~cabinet~~ may require.
- (2) The **department**~~cabinet~~ shall fix the total value, as of January 1 of each year, of the capital of each financial institution included in subsection (1) of this section. Capital shall include certificates of deposit, savings accounts, demand deposits, undivided profits, surplus, and general reserves, excepting the share of borrowing members where the amount borrowed equals or exceeds the amount paid in by those members. For Agricultural Credit Associations chartered by the Farm Credit Administration, capital shall be computed by deducting the book value of the association's investment in any other wholly owned institution chartered by the Farm Credit Administration that is either subject to the tax imposed by KRS 136.300 or 136.310 or that is exempt from state taxation by federal law. The **department**~~cabinet~~ shall immediately notify each institution of the value so fixed.

Section 319. KRS 136.310 is amended to read as follows:

- (1) Every federally or state chartered savings and loan association, savings bank, and other similar institution authorized to transact business in this state, with property and payroll within and without this state, shall, during January of each year, file with the **Department of Revenue**~~Cabinet~~ a report containing information and in such form as the **department**~~cabinet~~ may require.
- (2) The **Department of Revenue**~~Cabinet~~ shall fix the fair cash value, as of January 1 of each year, of the capital attributable to Kentucky in each financial institution included in subsection (1) of this section. The methodology employed by the **department**~~cabinet~~ shall be a three (3) step process as follows:
  - (a) The total value of deposits maintained in Kentucky less any amounts where the amount borrowed equals or exceeds the amount paid in by those members.
  - (b) The Kentucky apportioned value of capital shall include undivided profits, surplus, general reserves, and paid-up stock. For Agricultural Credit Associations chartered by the Farm Credit Administration, capital shall be computed by deducting the book value of the association's investment in any other wholly owned institution chartered by the Farm Credit Administration that is either subject to the tax imposed by KRS 136.300 or this section or that is exempt from state taxation by federal law. The Kentucky value of capital shall be determined by a fraction, the numerator of which is the receipts factor plus the outstanding loan balance factor plus the payroll factor, and the denominator of which is three (3).
  - (c) The values determined in steps (a) and (b) of this subsection shall be added together to determine total Kentucky capital and then reduced by the influence of ownership in tax-exempt United States

obligations to determine Kentucky taxable capital. The influence of tax-exempt United States obligations is to be determined from the reports of condition filed with the applicable supervisory agency as follows: the average amount of tax-exempt United States obligations for the calendar year, over the average amount of total assets for the calendar year multiplied by total Kentucky capital. The **Department of Revenue** ~~Cabinet~~ shall immediately notify each institution of the value so fixed.

- (3) The receipts factor specified in subsection (2)(b) of this section is a fraction, the numerator of which is all receipts derived from loans and other sources negotiated through offices or derived from customers in Kentucky, and the denominator of which is total business receipts for the preceding calendar year.
- (4) The outstanding loan balance factor specified in subsection (2)(b) of this section is a fraction, the numerator of which is the average balance of outstanding loans negotiated from offices or made to customers in Kentucky. The denominator is the average balance of all outstanding loans. The average outstanding loan balance is determined by adding the outstanding loan balance at the beginning of the preceding calendar year to the outstanding loan balance at the end of the preceding calendar year and dividing by two (2). However, if the yearly beginning balance and ending balance results in an inequitable factor, the average outstanding loan balance may be computed on a monthly average balance.
- (5) The payroll factor specified in subsection (2)(b) of this section shall be determined for the preceding calendar year under the provisions of KRS 141.120(8)(b) and regulations promulgated thereunder.
- (6) By July 1 succeeding the filing of the report as provided in subsection (1) of this section, each financial institution included in subsection (1) of this section shall pay directly into the State Treasury a tax of one dollar (\$1) for each one thousand dollars (\$1,000) paid in on its Kentucky taxable capital as fixed in subsection (2)(c) of this section. The institution shall not be required to pay local taxes upon its capital stock, surplus, undivided profits, notes, mortgages, or other credits, and the tax provided by this section shall be in lieu of all taxes for state purposes on intangible property of the institution, nor shall any depositor of the institution be required to list his deposits for taxation under KRS 132.020. Failure to make reports and pay taxes as provided in this section shall subject the institution to the same penalties imposed for such failure on the part of the other corporations.
- (7) If a financial institution included in subsection (1) of this section selects, it may deduct taxes imposed in subsection (6) of this section from the dividends paid or credited to a nonborrowing shareholder.
- (8) Every Agricultural Credit Association chartered by the Farm Credit Administration being authorized to transact business in Kentucky but having no employees located within or without the state shall be subject to the same tax imposed pursuant to either KRS 136.300 or this section as that imposed upon its wholly owned Production Credit Association subsidiary. For purposes of computing Kentucky apportioned value of capital pursuant to subsection (2) of this section, those Agricultural Credit Associations subject to the tax imposed by this section shall utilize that Kentucky apportionment fraction computed and utilized by its wholly owned Production Credit Association subsidiary for the same report period.

Section 320. KRS 136.320 is amended to read as follows:

- (1) Each life insurance company incorporated under the laws of and doing business in Kentucky shall value as of January 1 and report to the **Department of Revenue** ~~Cabinet~~ by April 1 each year, on forms prescribed by the **Department of Revenue** ~~Cabinet~~, the following:
  - (a) The fair cash value of the company's intangible personal property, hereinafter referred to as "capital," consisting of all money in hand, shares of stock, notes, bonds, accounts, and other credits, exclusive of due and deferred premiums, whether secured by mortgage, pledge, or otherwise, or unsecured.
  - (b) The fair cash value of the company's intangible personal property exempt from taxation by law.
  - (c) The aggregate amount of the company's reserves, reduced by the amount of due and deferred premiums, maintained in accordance with the applicable provisions of KRS 304.6-040 and 304.6-130 to 304.6-180, on all outstanding policies and contracts supplementary thereto.
  - (d) Other information as may be required by the **Department of Revenue** ~~Cabinet~~ to accurately determine the fair cash value of each company's "taxable capital" and "taxable reserves."
- (2) Based on information supplied by each company and other information that may be available, the **Department of Revenue** ~~Cabinet~~ shall value each company's "taxable capital" and "taxable reserves" as follows:

- (a) "Taxable capital" shall be determined by deducting "taxable reserves" from "capital," less exempt intangible personal property.
- (b) "Taxable reserves" shall be determined by multiplying the aggregate amount of reserves as computed in subsection (1)(c) of this section by the percentage determined by dividing "capital," less exempt intangible personal property, by "capital," including exempt intangible personal property.
- (3) (a) An annual tax for state purposes shall be imposed against the fair cash value of "taxable capital" for calendar years beginning before 2000, at a rate of seventy cents (\$0.70) on each one hundred dollars (\$100).
- (b) An annual tax for state purposes shall be imposed against every company making an election pursuant to KRS 136.335 to be taxed under this section, against the fair cash value of taxable capital for calendar years beginning in 2000 as follows:
  - 1. For calendar year 2000, fifty-six cents (\$0.56) on each one hundred dollars (\$100);
  - 2. For calendar year 2001, forty-two cents (\$0.42) on each one hundred dollars (\$100);
  - 3. For calendar year 2002, twenty-eight cents (\$0.28) on each one hundred dollars (\$100);
  - 4. For calendar year 2003, fourteen cents (\$0.14) on each one hundred dollars (\$100); and
  - 5. For calendar year 2004 and each calendar year thereafter, one tenth of one cent (\$0.001) on each one hundred dollars (\$100).
- (c) An annual tax for state purposes shall be imposed at a rate of one-tenth of one cent (\$0.001) on each one hundred dollars (\$100) of the fair cash value of "taxable reserves".
- (d) Beginning in tax year 2004 an insurer may offset the tax liability imposed under this subsection against the tax liability imposed under subsection (4) of this section.
- (4) For calendar year 2000, and each calendar year thereafter, every company subject to the tax imposed by subsection (3) of this section, and making an election pursuant to KRS 136.335 to be taxed under this section, shall pay the following rates of tax upon each one hundred dollars (\$100) of premium receipts:
  - (a) For calendar year 2000, thirty-eight cents (\$0.38);
  - (b) For calendar year 2001, seventy-two cents (\$0.72);
  - (c) For calendar year 2002, one dollar and two cents (\$1.02);

Every company subject to the tax imposed by this subsection shall, by March 1 of each year, return to the *Department of Revenue* ~~Cabinet~~ a statement under oath of all premium receipts on business done in this state during the preceding calendar year or since the last return was made. "Premium receipts" includes single premiums, premiums received for original insurance, premiums received for renewal, revival, or reinstatement of the policies, annual and periodical premiums, dividends applied for premiums and additions, and all other premium payments received on policies that have been written in this state, or on the lives of residents of this state, or out of this state on business done in this state, less returned premiums. No deduction shall be made for dividends on life insurance but dividends on accident and health insurance policies may be deducted.

- (5) The taxes imposed under subsections (3) and (4) of this section shall be in lieu of all excise, license, occupational, or other taxes imposed by the state, county, city, or other taxing district, except as provided in subsections (6) and (7) of this section.
- (6) The county in which the principal office of the company is located may impose a tax of fifteen cents (\$0.15) on each one hundred dollars (\$100) of "taxable capital."
- (7) The city in which the principal office of the company is located may impose a tax of fifteen cents (\$0.15) on each one hundred dollars (\$100) of "taxable capital."
- (8) The *Department of Revenue* ~~Cabinet~~ shall by September 1 each year bill each company for the state taxes. It shall immediately certify to the county clerk of the county in which the principal office of the company is located the value of "taxable capital" subject to local taxation. The county clerk shall prepare and deliver a bill

to the sheriff for collection of taxes collectible by the sheriff and shall certify the value to all other collecting officers of districts authorized to levy a tax.

- (9) Each company's real and tangible personal property shall be subject to taxation at fair cash value by the state, county, school, and other taxing districts in which the property is located in the same manner and at the same rates as all other property of the same class.
- (10) Taxes on property subject to taxation under this section shall be subject to the same discount and penalties as provided in KRS 134.020 and shall be collected in the same manner as taxes on property locally assessed, except that the state tax on the "taxable capital" and "taxable reserves" shall be collected directly by the **Department of Revenue** ~~Cabinet~~.
- (11) Any taxpayer subject to taxation under this section may protest in the manner provided in KRS 131.110.

Section 321. KRS 136.330 is amended to read as follows:

The *Department of Revenue* ~~Cabinet~~ shall compare the results of this estimate with the premium surcharge paid by each insurer during the preceding year, and shall provide the Legislative Research Commission, the Commission on Fire Protection Personnel Standards and Education, the Kentucky Law Enforcement Council, and the Department of Insurance with a report detailing its findings on a cumulative basis. - (1) A financial institution whose business activity is taxable both within and without this Commonwealth shall apportion its net capital pursuant to the provisions of this section.
- (2) Net capital shall be apportioned to this Commonwealth by multiplying total net capital by the apportionment percentage. The apportionment percentage is determined by adding together the financial institution's receipts factor as determined under the provisions of KRS 136.530, property factor as determined under the provisions of KRS 136.535, and payroll factor as determined under the provisions of KRS 136.540 and dividing the sum by three (3). If one (1) of the factors is missing, the two (2) remaining factors are added and the sum is divided by two (2). If two (2) of the factors are missing, the remaining factor is the apportionment percentage. A factor is missing if both its numerator and denominator are zero (0), but it is not missing merely because the numerator is zero (0).
- (3) Each factor shall be calculated by the method of accounting used by the financial institution for the taxable year.
- (4) If the apportionment provisions of KRS 136.500 to 136.575 do not fairly represent the extent of the financial institution's business activity in this Commonwealth, the financial institution may petition for or the ~~department~~<sup>cabinet</sup> may require, in respect to all or any part of the financial institution's business activity, if reasonable:
  - (a) Separate accounting;
  - (b) The exclusion of any one (1) or more of the factors;
  - (c) The inclusion of one (1) or more additional factors which will fairly represent the financial institution's business activity in this Commonwealth; or
  - (d) The employment of any other method to effectuate an equitable apportionment of the financial institution's net capital.

Section 332. KRS 136.530 is amended to read as follows:

- (1) The receipts factor is a fraction, the numerator of which is the receipts of the financial institution in this Commonwealth during the taxable year as determined by subsection (2) of this section and the denominator of which is the receipts of the financial institution within and without this Commonwealth during the taxable year. Receipts shall include the following:
  - (a) Receipts from the lease or rental of real property owned by the financial institution;
  - (b) Receipts from the lease or rental of tangible personal property owned by the financial institution;
  - (c) Interest and fees or penalties in the nature of interest from loans secured by real property;
  - (d) Interest and fees or penalties in the nature of interest from loans not secured by real property;
  - (e) Net gains from the sale of loans. Net gains from the sale of loans includes income recorded under the coupon stripping rules of Section 1286 of the Internal Revenue Code;
  - (f) Interest and fees or penalties in the nature of interest from credit card receivables and receipts from fees charged to card holders, such as annual fees;
  - (g) Net gains, but not less than zero (0), from the sale of credit card receivables;
  - (h) All credit card issuer's reimbursement fees;
  - (i) Receipts from merchant discount. Receipts from merchant discount shall be computed net of any cardholder charge backs, but shall not be reduced by any interchange transaction fees or by any issuer's reimbursement fees paid to another for charges made by its card holders;

- (j) Loan servicing fees derived from loans secured by real property;
  - (k) Loan servicing fees derived from loans not secured by real property;
  - (l) Interest, dividends, net gains, but not less than zero (0), and other income from investment assets and activities and from trading assets and activities. Investment assets and activities and trading assets and activities include but are not limited to investment securities, trading account assets, federal funds, securities purchased and sold under agreements to resell or repurchase, options, futures contracts, forward contracts, notional principal contracts such as swaps, equities, and foreign currency transactions. The receipts factor shall include the following amounts:
    - 1. The amount by which interest from federal funds sold and securities purchased under resale agreements exceeds interest expense on federal funds purchased and securities sold under repurchase agreements; and
    - 2. The amount by which interest, dividends, gains, and other income from trading assets and activities, including but not limited to assets and activities in the matched book, in the arbitrage book, and foreign currency transactions, exceed amounts paid in lieu of interest, amounts paid in lieu of dividends, and losses from these assets and activities;
  - (m) All receipts derived from sales that would be included in the factor established by KRS 136.070(3)(d)1., 2., and 3.; and
  - (n) Receipts from services not otherwise specifically listed.
- (2) A determination of whether receipts should be included in the numerator of the fraction shall be made as follows:
- (a) Receipts from the lease or rental of real property owned by the financial institution shall be included in the numerator if the property is located within this Commonwealth or receipts from the sublease of real property if the property is located within this Commonwealth.
  - (b)
    - 1. Except as described in subparagraph 2. of this paragraph, receipts from the lease or rental of tangible personal property owned by the financial institution shall be included in the numerator if the property is located within this Commonwealth when it is first placed in service by the lessee.
    - 2. Receipts from the lease or rental of transportation property owned by the financial institution are included in the numerator of the receipts factor to the extent that the property is used in this Commonwealth. The extent an aircraft will be deemed to be used in this Commonwealth and the amount of receipts that is to be included in the numerator of this Commonwealth's receipts factor is determined by multiplying all the receipts from the lease or rental of the aircraft by a fraction, the numerator of which is the number of landings of the aircraft in this Commonwealth and the denominator of which is the total number of landings of the aircraft. If the extent of the use of any transportation property within this Commonwealth cannot be determined, then the property shall be deemed to be used wholly in the state in which the property has its principal base of operations. A motor vehicle shall be deemed to be used wholly in the state in which it is registered.
  - (c)
    - 1. Interest and fees or penalties in the nature of interest from loans secured by real property shall be included in the numerator if the property is located within this Commonwealth. If the property is located both within this Commonwealth and one (1) or more other states, receipts shall be included if more than fifty percent (50%) of the fair market value of the real property is located within this Commonwealth. If more than fifty percent (50%) of the fair market value of the real property is not located within any one (1) state, then the receipts described in this subparagraph shall be included in the numerator if the borrower is located in this Commonwealth.
    - 2. The determination of whether the real property securing a loan is located within this Commonwealth shall be made as of the time the original agreement was made, and any subsequent substitutions of collateral shall be disregarded.
  - (d) Interest and fees or penalties in the nature of interest from loans not secured by real property shall be included in the numerator if the borrower is located in this Commonwealth.

- (e) Net gains from the sale of loans shall be included in the numerator as provided in subparagraphs 1. and 2. of this paragraph. Net gains from the sale of loans includes income recorded under the coupon stripping rules of Section 1286 of the Internal Revenue Code.
1. The amount of net gains, but not less than zero (0), from the sale of loans secured by real property included in the numerator is determined by multiplying net gains by a fraction the numerator of which is the amount included in the numerator of the receipts factor pursuant to paragraph (c) of this subsection and the denominator of which is the total amount of interest and fees or penalties in the nature of interest from loans secured by real property.
  2. The amount of net gains, but not less than zero (0), from the sale of loans not secured by real property included in the numerator is determined by multiplying net gains by a fraction the numerator of which is the amount included in the numerator of the receipts factor pursuant to paragraph (d) of this subsection and the denominator of which is the total amount of interest and fees or penalties in the nature of interest from loans not secured by real property.
- (f) Interest and fees or penalties in the nature of interest from credit card receivables and receipts from fees charged to card holders, such as annual fees, shall be included in the numerator if the billing address of the card holder is in this Commonwealth.
- (g) Net gains, but not less than zero (0), from the sale of credit card receivables to be included in the numerator shall be determined by multiplying the amount established in paragraph (g) of subsection (1) of this section by a fraction the numerator of which is the amount included in the numerator of the receipts factor pursuant to paragraph (f) of this subsection and the denominator of which is the financial institution's total amount of interest and fees or penalties in the nature of interest from credit card receivables and fees charged to card holders.
- (h) Credit card issuer's reimbursement fees to be included in the numerator shall be determined by multiplying the amount established in paragraph (h) of subsection (1) of this section by a fraction the numerator of which is the amount included in the numerator of the receipts factor pursuant to paragraph (f) of this subsection and the denominator of which is the financial institution's total amount of interest and fees or penalties in the nature of interest from credit card receivables and fees charged to card holders.
- (i) Receipts from merchant discount shall be included in the numerator if the commercial domicile of the merchant is in this Commonwealth. Receipts from merchant discount shall be computed net of any cardholder charge backs but shall not be reduced by any interchange transaction fees or by any issuer's reimbursement fees paid to another for charges made by its card holders.
- (j)
1.
    - a. Loan servicing fees derived from loans secured by real property to be included in the numerator shall be determined by multiplying the amount determined under paragraph (j) of subsection (1) of this section by a fraction the numerator of which is the amount included in the numerator of the receipts factor pursuant to paragraph (c) of this subsection and the denominator of which is the total amount of interest and fees or penalties in the nature of interest from loans secured by real property.
    - b. Loan servicing fees derived from loans not secured by real property to be included in the numerator shall be determined by multiplying the amount determined under paragraph (k) of subsection (1) of this section by a fraction the numerator of which is the amount included in the numerator of the receipts factor pursuant to paragraph (d) of this subsection and the denominator of which is the total amount of interest and fees or penalties in the nature of interest from loans not secured by real property.
  2. In circumstances in which the financial institution receives loan servicing fees for servicing either the secured or the unsecured loans of another, the numerator of the receipts factor shall include the fees if the borrower is located in this Commonwealth.
- (k) Receipts from services not otherwise apportioned under this section shall be included in the numerator if the service is performed in this Commonwealth. If the service is performed both within and without this Commonwealth, the numerator of the receipts factor includes receipts from services not otherwise apportioned under this section, if a greater proportion of the income-producing activity is performed in this Commonwealth based on cost of performance.

- (l) 1. The numerator of the receipts factor includes interest, dividends, net gains, but not less than zero (0), and other income from investment assets and activities and from trading assets and activities described in paragraph (l) of subsection (1) of this section that are attributable to this Commonwealth.
  - a. The amount of interest, dividends, net gains, but not less than zero (0), and other income from investment assets and activities in the investment account to be attributed to this Commonwealth and included in the numerator is determined by multiplying all income from the assets and activities by a fraction the numerator of which is the average value of the assets that are properly assigned to a regular place of business of the financial institution within this Commonwealth and the denominator of which is the average value of all the assets.
  - b. The amount of interest from federal funds sold and purchased and from securities purchased under resale agreements and securities sold under repurchase agreements attributable to this Commonwealth and included in the numerator is determined by multiplying the amount described in subparagraph 1. of paragraph (l) of subsection (1) of this section from funds and securities by a fraction the numerator of which is the average value of federal funds sold and securities purchased under agreements to resell which are properly assigned to a regular place of business of the financial institution within this Commonwealth and the denominator of which is the average value of all funds and securities.
  - c. The amount of interest, dividends, gains, and other income from trading assets and activities, including but not limited to assets and activities in the matched book, in the arbitrage book, and foreign currency transactions, but excluding amounts described in subdivisions a. and b. of this subparagraph, attributable to this Commonwealth and included in the numerator is determined by multiplying the amount described in subparagraph 2. of paragraph (l) of subsection (1) of this section by a fraction the numerator of which is the average value of trading assets which are properly assigned to a regular place of business of the financial institution within this Commonwealth and the denominator of which is the average value of all assets.
  - d. For purposes of this subparagraph, average value shall be determined using the rules for determining the average value of tangible personal property set forth in KRS 136.535(3) and (4).
2. In lieu of using the method set forth in subparagraph 1. of this paragraph, the financial institution may elect, or the ~~department~~~~cabinet~~ may require in order to fairly represent the business activity of the financial institution in this Commonwealth, the use of the method set forth in this subparagraph.
  - a. The amount of interest, dividends, net gains, but not less than zero (0), and other income from investment assets and activities in the investment account to be attributed to this Commonwealth and included in the numerator is determined by multiplying all income from assets and activities by a fraction the numerator of which is the gross income from assets and activities which are properly assigned to a regular place of business of the financial institution within this Commonwealth and the denominator of which is the gross income from all assets and activities.
  - b. The amount of interest from federal funds sold and purchased and from securities purchased under resale agreements and securities sold under repurchase agreements attributable to this Commonwealth and included in the numerator is determined by multiplying the amount described in subparagraph 1. of paragraph (l) of subsection (1) of this section from funds and securities by a fraction the numerator of which is the gross income from funds and securities which are properly assigned to a regular place of business of the financial institution within this Commonwealth and the denominator of which is the gross income from all funds and securities.
  - c. The amount of interest, dividends, gains, and other income from trading assets and activities, including but not limited to assets and activities in the matched book, in the arbitrage book and foreign currency transactions, but excluding amounts described in

subdivisions a. and b. of this subparagraph, attributable to this Commonwealth and included in the numerator is determined by multiplying the amount described in subparagraph 2. of paragraph (l) of subsection (1) of this section by a fraction the numerator of which is the gross income from trading assets and activities which are properly assigned to a regular place of business of the financial institution within this Commonwealth and the denominator of which is the gross income from all assets and activities.

3. If the financial institution elects or is required by the ~~department~~~~(cabinet)~~ to use the method set forth in subparagraph 2. of this paragraph, it shall use this method on all subsequent returns unless the financial institution receives prior permission from the ~~department~~~~(cabinet)~~ to use, or the ~~department~~~~(cabinet)~~ requires, a different method.
  4. The financial institution shall have the burden of proving that an investment asset or activity or trading asset or activity was properly assigned to a regular place of business outside this Commonwealth by demonstrating that the day-to-day decisions regarding the asset or activity occurred at a regular place of business outside this Commonwealth. Where the day-to-day decisions regarding an investment asset or activity or trading asset or activity occur at more than one (1) regular place of business and one (1) regular place of business is in this Commonwealth and one (1) regular place of business is outside this Commonwealth, the asset or activity shall be considered to be located at the regular place of business of the financial institution where the investment or trading policies or guidelines with respect to the asset or activity are established. Unless the financial institution demonstrates to the contrary, the policies and guidelines shall be presumed to be established at the commercial domicile of the financial institution.
- (m) The numerator of the receipts factor includes all other receipts derived from sales as determined pursuant to the provisions set forth in KRS 136.070(3)(d)1., 2., and 3.
- (n) 1. All receipts that would be assigned under this section to a state in which the financial institution is not taxable shall be included in the numerator of the receipts factor, if the financial institution's commercial domicile is in this Commonwealth.
2. For purposes of subparagraph 1. of this paragraph, "taxable" means either:
- a. That a financial institution is subject in another state to a net income tax, a franchise tax measured by net income, a franchise tax for the privilege of doing business, a corporate stock tax including a bank shares tax, a single business tax, an earned surplus tax, or any tax which is imposed upon or measured by net income; or
  - b. That another state has statutory authority to subject the financial institution to any of the taxes in subdivision a. of this subparagraph, whether in fact the state does or does not impose the tax.

Section 333. KRS 136.535 is amended to read as follows:

- (1) As used in this section:
- (a) "Administration" means the process of managing an account. The process includes bookkeeping, collecting the payments, corresponding with the customer, reporting to management regarding the status of the agreement and proceeding against the borrower or the security interest if the borrower is in default. The activity is located at the regular place of business that oversees this activity;
  - (b) "Approval" means the procedure whereby employees or the board of directors of the financial institution make the final determination whether to enter into the agreement. The activity is located at the regular place of business which the financial institution's employees making the final determination are regularly connected with or working out of, regardless of where the services of the employees were actually performed. If the board of directors makes the final determination, the activity is located at the commercial domicile of the financial institution;
  - (c) "Investigation" means the procedure whereby employees of the financial institution determine the credit worthiness of the customer as well as the degree of risk involved in making a particular agreement. The activity is located at the regular place of business which the financial institution's employees making the

investigation are regularly connected with or working out of, regardless of where the services of the employees were actually performed;

- (d) "Negotiation" means the procedure whereby employees of the financial institution and its customer determine the terms of the agreement, including the amount, duration, interest rate, frequency of repayment, currency denomination, and security required. The activity is located at the regular place of business which the financial institution's employees are regularly connected with or out of, regardless of where the services of the employees were actually performed;
  - (e) "Participation" means an extension of credit in which an undivided ownership interest is held on a pro rata basis in a single loan or pool of loans and related collateral. In a loan participation, the credit originator initially makes the loan and then subsequently resells all or a portion of it to other lenders. The participation may or may not be known to the borrower; and
  - (f) "Solicitation" occurs when:
    - 1. An employee of the financial institution initiates contact with the customer. The activity is located at the regular place of business which the financial institution's employee making the contact is regularly connected with or working out of, regardless of where the services of the employee were actually performed; or
    - 2. The customer initiates the contact with the financial institution. If the customer's initial contact was not at a regular place of business of the financial institution, the regular place of business, if any, where the solicitation occurred is determined by the facts in each case.
- (2) The property factor is a fraction, the numerator of which is the average value of real property and tangible personal property rented to the financial institution that is located or used within this Commonwealth during the taxable year, the average value of the financial institution's real and tangible personal property owned that is located or used within this Commonwealth during the taxable year, and the average value of the financial institution's loans and credit card receivables that are located within this Commonwealth during the taxable year, and the denominator of which is the average value of all such property located or used within and without this Commonwealth during the taxable year. Average value of property is determined under subsection (4) of this section.
- (3) (a) The value of real property and tangible personal property owned by the financial institution is the original cost or other basis of property for federal income tax purposes without regard to depletion, depreciation, or amortization.
- (b) Loans are valued at their outstanding principal balance, without regard to any reserve for bad debts. If a loan is charged off in whole or in part for federal income tax purposes, the portion of the loan charged off is not outstanding. A specifically-allocated reserve established pursuant to regulatory or financial accounting guidelines which is treated as charged off for federal income tax purposes shall be treated as charged off for purposes of this section.
- (c) Credit card receivables are valued at their outstanding principal balance, without regard to any reserve for bad debts. If a credit card receivable is charged off in whole or in part for federal income tax purposes, the portion of the receivable charged off is not outstanding.
- (4) The average value of property owned by the financial institution is computed on an annual basis by adding the value of the property on the first day of the taxable year and the value on the last day of the taxable year and dividing the sum by two (2). If averaging on this basis does not properly reflect average value, the ~~department~~~~cabinet~~ may require averaging on a more frequent basis. The financial institution may request permission from the ~~department~~~~cabinet~~ to average on a more frequent basis. When averaging on a more frequent basis is authorized by the ~~department~~~~cabinet~~, the same method of valuation shall be used consistently by the financial institution with respect to property within and without this Commonwealth and on all subsequent returns unless the financial institution receives prior permission from the ~~department~~~~cabinet~~ or the ~~department~~~~cabinet~~ requires a different method of determining average value.
- (5) (a) The average value of real property and tangible personal property that the financial institution has rented from another and which is not treated as property owned by the financial institution for federal income tax purposes shall be determined annually by multiplying the gross rents payable during the taxable year by eight (8).

- (b) Where the use of the general method described in this subsection results in inaccurate valuations of rented property, any other method which properly reflects the value may be adopted by the *department*~~{cabinet}~~ or by the financial institution when approved in writing by the *department*~~{cabinet}~~. Once approved, the alternative method of valuation shall be used on all subsequent returns unless the financial institution receives prior approval from the *department*~~{cabinet}~~ or the *department*~~{cabinet}~~ requires a different method of valuation.
- (6) (a) Except as described in paragraph (b) of this subsection, real property and tangible personal property owned by or rented to the financial institution is considered to be located within this Commonwealth if it is physically located, situated, or used within this Commonwealth.
- (b) Transportation property is included in the numerator of the property factor to the extent that the property is used in this Commonwealth. The extent to which an aircraft shall be deemed to be used in this Commonwealth and the amount of value that is to be included in the numerator of this Commonwealth's property factor is determined by multiplying the average value of the aircraft by a fraction the numerator of which is the number of landings of the aircraft in this Commonwealth and the denominator of which is the total number of landings of the aircraft everywhere. If the extent of the use of any transportation property within this Commonwealth cannot be determined, then the property shall be deemed to be used wholly in the state in which the property has its principal base of operations. A motor vehicle shall be deemed to be used wholly in the state in which it is registered.
- (7) (a) 1. A loan is considered to be located within this Commonwealth if it is properly assigned to a regular place of business of the financial institution within this Commonwealth.
2. A loan is properly assigned to the regular place of business with which it has a preponderance of substantive contacts. A loan assigned by the financial institution to a regular place of business without the Commonwealth shall be presumed to have been properly assigned if:
- The financial institution has assigned, in the regular course of its business, the loan on its records to a regular place of business consistent with federal or state regulatory requirements;
  - The assignment on its records is based upon substantive contacts of the loan to the regular place of business; and
  - The financial institution uses the records reflecting assignment of loans for the filing of all state and local tax returns for which an assignment of loans to a regular place of business is required.
3. The presumption of proper assignment of a loan provided in subparagraph 2. of this paragraph may be rebutted upon a showing by the *department*~~{cabinet}~~, supported by a preponderance of the evidence, that the preponderance of substantive contacts regarding the loan did not occur at the regular place of business to which it was assigned on the financial institution's records. When the presumption has been rebutted, the loan shall then be located within this Commonwealth if the financial institution had a regular place of business within this Commonwealth at the time the loan was made and the financial institution fails to show, by a preponderance of the evidence, that the preponderance of substantive contacts regarding the loan occurred outside this Commonwealth.
- (b) For financial institutions with commercial domicile in this Commonwealth as defined in KRS 136.500, it shall be presumed, subject to rebuttal by the financial institution on a showing supported by the preponderance of evidence, that the preponderance of substantive contacts regarding the loan occurred within this Commonwealth.
- (c) To determine the state in which the preponderance of substantive contacts relating to a loan have occurred, the facts and circumstances regarding the loan at issue shall be reviewed on a case-by-case basis, and consideration shall be given to activities such as the solicitation, investigation, negotiation, approval, and administration of the loan as defined in subsection (1) of this section.
- (8) Credit card receivables shall be treated as loans and shall be subject to the provisions of subsection (7) of this section.

- (9) A loan that has been properly assigned to a state shall, absent any change of material fact, remain assigned to that state for the length of the original term of the loan. Thereafter, the loan may be properly assigned to another state if that loan has a preponderance of substantive contacts to a regular place of business there.

Section 334. KRS 136.545 is amended to read as follows:

- (1) On or before the March 15 following each taxable year, a return for the preceding taxable year shall be filed with the ~~department~~~~cabinet~~ in the form and manner prescribed by the ~~department~~~~cabinet~~, together with payment of any tax due.
- (2) A return shall be filed by each financial institution.
- (3) The return shall show the amount of taxes for the period covered by the return and other information necessary for the proper administration of KRS 136.500 to 136.575.
- (4) The ~~department~~~~cabinet~~ shall, upon written request received on or prior to the due date of the return and tax, grant an automatic extension of up to ninety (90) days for the filing of returns. An extension of time to file a return does not extend the payment of tax due, which shall be estimated by the financial institution and paid on or before the date specified in subsection (1) of this section.
- (5) If the time for filing a return is extended, the financial institution shall pay, as part of the tax, an amount equal to the tax interest rate as defined in KRS 131.010(6) on the tax shown due on the return but not previously paid, from the time the tax was due until the return is actually filed with the ~~department~~~~cabinet~~.

Section 335. KRS 136.550 is amended to read as follows:

- (1) As soon as practicable after each return is received, the ~~department~~~~cabinet~~ shall examine and audit it. If the amount of tax computed by the ~~department~~~~cabinet~~ is greater than the amount returned by the financial institution, the excess shall be assessed by the ~~department~~~~cabinet~~ within four (4) years from the date prescribed by law for the filing of a return including an extension of time for filing, except as provided in this subsection. A notice of the assessment shall be mailed to the financial institution.
  - (a) In the case of a failure to file a return or of a fraudulent return, the excess may be assessed at any time.
  - (b) In the case of a return wherein a financial institution understates its net capital or omits from net capital an amount properly includible therein or both, which understatement or omission or both is in excess of twenty-five percent (25%) of the amount of net capital stated in the return, the excess may be assessed at any time within six (6) years after the return was filed.
- (2) For the purpose of subsection (1) of this section, a return filed before the last day prescribed by law for the filing shall be considered as filed on the last day. The times provided for in subsection (1) of this section may be extended by agreement between the financial institution and the ~~department~~~~cabinet~~.

Section 336. KRS 136.560 is amended to read as follows:

- (1) Every financial institution shall keep records, receipts, invoices, and other pertinent papers in the form as the ~~department~~~~cabinet~~ may require.
- (2) Every financial institution that files the returns required under KRS 136.545 shall keep records for not less than six (6) years from the making of records unless the ~~department~~~~cabinet~~ in writing authorizes their destruction at an earlier date.

Section 337. KRS 136.575 is amended to read as follows:

- (1) As used in this section, "deposits" means all demand and time deposits, excluding deposits of the United States government, state and political subdivisions, other financial institutions, public libraries, educational institutions, religious institutions, charitable institutions, and certified and officers' checks.
- (2) Counties, cities, and urban-county governments may impose a franchise tax on financial institutions measured by the deposits in the institutions located within the jurisdiction of the county, city, or urban-county government at a rate not to exceed twenty-five thousandths of one percent (0.025%) of the deposits if imposed by counties and cities and at a rate not to exceed fifty thousandths of one percent (0.050%) of the deposits if imposed by urban-county governments. The amount and location of deposits in the financial institutions shall be determined by the method used for filing the summary of deposits report with the Federal Deposit Insurance Corporation. The accounting method used to allocate deposits for completion of the summary of deposits shall

be the same as has been utilized in prior periods. Any deviation from prior accounting methods may only be adopted with the permission of the *department*~~{cabinet}~~.

- (3) By August 15, 1997, and annually thereafter, each financial institution shall file with the *department*~~{cabinet}~~, on a form prescribed by the *department*~~{cabinet}~~, a report of all deposits located within this Commonwealth as of the preceding June 30, along with a copy of the most recent summary of deposits filed with the Federal Deposit Insurance Corporation. The *department*~~{cabinet}~~ shall review the report and certify to the local jurisdictions that have enacted the franchise tax by October 1 of each year the amount of deposits within the jurisdiction and amount of the tax due. The local taxing authority shall issue bills to the financial institution by December 1 and require payment, with a two percent (2%) discount by December 31, or without discount by January 31 of the next year.
- (4) For calendar year 1996 only, each financial institution shall file with the *department*~~{cabinet}~~ on or before September 15, 1996, a report of all deposits located within this Commonwealth as of June 30, 1996, along with a copy of the most recent summary of deposits filed with the Federal Deposit Insurance Corporation. The *department*~~{cabinet}~~ shall review the report after being given notice by the local jurisdiction that the tax under this section was enacted during 1996, and shall certify to the local jurisdiction the amount of deposits within the jurisdiction and the amount of tax due by March 1, 1997. The local taxing authority shall issue bills to the financial institution by May 1, 1997, and require payment with a two percent (2%) discount by May 31, 1997, or without discount by June 30, 1997.
- (5) The local jurisdiction shall notify the *department*~~{cabinet}~~ of the tax rate imposed upon the enactment of the tax. The local jurisdiction shall also notify the *department*~~{cabinet}~~ of any subsequent rate changes.

Section 338. KRS 136.980 is amended to read as follows:

If any tax imposed by KRS 136.330 to 136.395, 299.530 and 304.4-030, whether assessed by the *department*~~{cabinet}~~, or the taxpayer, or any installment or portion of any tax is not paid on or before the date prescribed for its payment, there shall be collected interest upon the unpaid amount at the tax interest rate as defined in KRS 131.010(6) from the date prescribed for its payment until payment is actually made to the *department*~~{cabinet}~~.

Section 339. KRS 136.990 is amended to read as follows:

- (1) Any corporation that fails to pay its taxes, penalty, and interest as provided in subsection (2) of KRS 136.050, after becoming delinquent, shall be fined fifty dollars (\$50) for each day the same remains unpaid, to be recovered by indictment or civil action, of which the Franklin Circuit Court shall have jurisdiction.
- (2) Any public service corporation, or officer thereof, that willfully fails or refuses to make reports as required by KRS 136.130 and 136.140 shall be fined one thousand dollars (\$1,000), and fifty dollars (\$50) for each day the reports are not made after April 30 of each year.
- (3) Any superintendent of schools or county clerk who fails to report as required by KRS 136.190, or who makes a false report, shall be fined not less than fifty dollars (\$50) nor more than one hundred dollars (\$100) for each offense.
- (4) Any company or association that fails or refuses to return the statement or pay the taxes required by KRS 136.330 or 136.340 shall be fined one thousand dollars (\$1,000) for each offense.

The commissioner of insurance shall revoke the authority of the company or its agents to do business in this state, and shall publish the revocation pursuant to KRS Chapter 424.
- (6) Any person who violates subsection (3) of KRS 136.390 shall be fined not less than one hundred dollars (\$100) nor more than five hundred dollars (\$500) for each offense.
- (7) Where no other penalty is mentioned for failing to do an act required, or for doing an act forbidden by this chapter, the penalty shall be not less than ten dollars (\$10) nor more than five hundred dollars (\$500).
- (8) The Franklin Circuit Court shall have jurisdiction of all prosecutions under subsections (4) to (6) of this section.

- (9) Any person who violates any of the provisions of KRS 136.073 or KRS 136.090 shall be subject to the uniform civil penalties imposed pursuant to KRS 131.180.
- (10) If the tax imposed by KRS 136.070 or KRS 136.073, whether assessed by the *department*~~{cabinet}~~ or the taxpayer, or any installment or portion of the tax, is not paid on or before the date prescribed for its payment, interest shall be collected upon the nonpaid amount at the tax interest rate as defined in KRS 131.010(6) from the date prescribed for its payment until payment is actually made to the *department*~~{cabinet}~~.

Section 340. KRS 137.130 is amended to read as follows:

- (1) Every person engaged in the transportation of crude petroleum in this state from receptacles located at the place of production in this state shall be considered a transporter of crude petroleum. Every transporter of crude petroleum shall make a verified report to the *Department of Revenue*~~{Cabinet}~~ by the twentieth day of the month succeeding each month in which crude petroleum is so received for transportation, showing the quantity of each kind or quality of crude petroleum so received from each county in this state and the market value of the crude petroleum on the first business day after the tenth day of the month in which the report is made. The report shall show any sales of crude petroleum so received, the quantity of crude petroleum in each sale, the date of each sale, and the market price of the crude petroleum on each date of sale for the preceding month. This report shall be made upon blanks furnished and prescribed by the *department*~~{cabinet}~~. The *department*~~{cabinet}~~ may require additional reports from time to time, on blanks prepared by it, from all producers and transporters of crude petroleum.
- (2) Every person required to report under subsection (1) of this section shall register as a transporter of crude petroleum in the office of the county clerk in each county in which such business is carried on by him, in a book which the *department*~~{cabinet}~~ shall provide, showing the name, residence and place of business of the transporter. The county clerk shall immediately certify to the *department*~~{cabinet}~~ a copy of each registration as made.

Section 341. KRS 137.140 is amended to read as follows:

Every transporter of crude petroleum shall be liable for the taxes imposed under KRS 137.120 on all crude petroleum received by him. He shall collect from the producer, in money or crude petroleum, the taxes imposed. If collection is in crude petroleum, the transporter may sell the same and pay the taxes by check or cash to the *Department of Revenue*~~{Cabinet}~~ or sheriff, as provided in KRS 137.150 and 137.160.

Section 342. KRS 137.150 is amended to read as follows:

Any county imposing a tax under KRS 137.120 shall immediately after the levy of the tax give notice thereof to each transporter of crude petroleum registered in the county. The transporter shall, after the first day of the month immediately following such notice, proceed as provided in KRS 137.140 to collect the county tax and pay it to the sheriff of the county in the manner and at the time payment of such taxes is required to be made to the *Department of Revenue*~~{Cabinet}~~. Each county imposing the tax shall, upon the fixing of the levy, certify the same to the *department*~~{cabinet}~~, which shall make the assessment for the county tax in the same manner and at the same value as provided for the state tax, which shall be certified to the county for collection.

Section 343. KRS 137.160 is amended to read as follows:

- (1) When the *Department of Revenue*~~{Cabinet}~~ has received the reports provided for in KRS 137.130, it shall, upon such reports and such other reports and information as it may secure, assess the value of all grades or kinds of crude petroleum reported for each month.
- (2) Where the report shows no sale of crude petroleum during the month covered by the report, the market value of crude petroleum on the first business day after the tenth day of the month in which the report is made shall be fixed by the *department*~~{cabinet}~~ as the assessed value of all crude petroleum covered by the report. Where the report shows that all crude petroleum reported has been sold during the month covered by the report, the market price of such crude petroleum on each day of sale shall be the assessed value of all crude petroleum sold on that date of sale, and the total amount of the tax to be reported as the assessment on the report shall be the total of the assessments made on such sales. If the report shows that part of the crude petroleum reported has been sold and part remains unsold, the market price of the crude petroleum on the first business day after the tenth day of the month following the month covered by the report shall be fixed as the assessed value of the portion of the crude petroleum unsold, the market price of the crude petroleum on each day of sale shall be the assessed value of the portion sold, and the total amount of the tax to be reported as the assessment on the report

shall be the total of the assessments made on the sold and unsold crude petroleum. The *department*~~[cabinet]~~, in making its assessments, shall take into consideration transportation charges.

- (3) The *department*~~[cabinet]~~ shall, by the last day of the month in which the reports are required to be made, notify each transporter of his assessment, and certify the assessment to the county clerk of each county that has reported the levy of a county tax under KRS 137.150. The county clerk shall immediately deliver a copy thereof to the sheriff for collection of the county tax. The transporter so notified of the assessment shall have the right to an appeal to the Kentucky board of tax appeals.

Section 344. KRS 137.180 is amended to read as follows:

If it is shown to the satisfaction of the *Department of Revenue*~~{Cabinet}~~ that the owner was without fault in the possession, dispensing or transportation of the untax-paid cigarettes, he shall remit the forfeiture. In the event he determines that the possession, dispensing or transportation of untax-paid cigarettes was willful or intentional he may nevertheless remit the forfeiture on condition that the owner pay a penalty to be prescribed by him of not more than fifty percent (50%) of the value of the thing forfeited. All taxes due on untax-paid cigarettes shall be paid in addition to the penalty, if any.

Section 354. KRS 138.220 is amended to read as follows:

- (1) An excise tax at the rate of nine percent (9%) of the average wholesale price rounded to the third decimal when computed on a per gallon basis shall be paid on all gasoline and special fuel received in this state. Except as provided by KRS Chapter 138, no other excise or license tax shall be levied or assessed on gasoline or special fuel by the state or any political subdivision of the state. The tax herein imposed shall be paid by the dealer receiving the gasoline or special fuel to the State Treasurer in the manner and within the time specified in KRS 138.230 to 138.340 and all such tax may be added to the selling price charged by the dealer or other person paying the tax on gasoline or special fuel sold in this state. Nothing herein contained shall authorize or require the collection of the tax upon any gasoline or special fuel after it has been once taxed under the provisions of this section, unless such tax was refunded or credited.
- (2) In addition to the excise tax provided in subsection (1) of this section, there is hereby levied a supplemental highway user motor fuel tax to be paid in the same manner and at the same time as the tax provided in subsection (1) of this section. Such tax shall be calculated, starting with the quarter beginning July 1, 1986, by taking the excise tax resulting from the calculation provided for in subsection (1) of this section and adjusting such tax calculated, for each quarter, to reflect decreases in the average wholesale price, as defined in KRS 138.210(10)(a). The adjustment shall be made by calculating the difference between the average wholesale price computed for the quarter beginning October 1, 1985, as provided for in subsection (3) of this section, and the average wholesale price computed for the quarter beginning July 1, 1986 and each succeeding quarter, as provided for in subsection (3) of this section. In the event of a decrease in the average wholesale price computed for the quarter beginning October 1, 1985, and ending December 31, 1985, and the average wholesale price computed for the quarter beginning July 1, 1986, and each succeeding quarter, the excise tax shall be adjusted upward for that quarter. The upward adjustment shall equal one-half (1/2) of the decrease between the two (2) quarterly periods, rounded to the third decimal. In no case shall the adjustment provided by this subsection result in a supplemental highway user motor fuel tax greater than five cents (\$0.05) on gasoline or two cents (\$0.02) on special fuel and, notwithstanding any adjustment which may be calculated as provided by this subsection, in no case shall the supplemental highway user motor fuel tax for any quarter be less than the previous quarter. The supplemental highway user motor fuel tax provided by this subsection and the provisions of subsection (1) of this section shall constitute the tax on motor fuels imposed by KRS 138.220.
- (3) Effective with the calendar quarter beginning July 1, 1980, the ~~department~~~~cabinet~~ shall determine on a consistent basis the average wholesale price for each calendar quarter, on the basis of sales data accumulated for the first month of the preceding quarter. Notification of the average wholesale price shall be given to all licensed dealers at least twenty (20) days in advance of the first day of each calendar quarter.

- (4) Dealers with a tax-paid gasoline or special fuel inventory at the time an average wholesale price becomes effective, shall be subject to additional tax or appropriate tax credit to reflect the increase or decrease in the average wholesale price for the new quarter. The *department*~~[cabinet]~~ shall promulgate such rules and regulations to properly administer this provision.

Section 355. KRS 138.224 is amended to read as follows:

It shall be presumed that all untaxed motor fuels are subject to the tax levied under KRS 138.220 unless the contrary is established pursuant to KRS 138.210 to 138.500 or administrative regulations promulgated thereunder by the *Department of Revenue*~~[Cabinet]~~. The tax shall be paid by the licensed dealer to the *department*~~[cabinet]~~. The burden of proving that any motor fuel is not subject to tax shall be upon the dealer or any person who imports, causes to be imported, receives, uses, sells, stores, or possesses untaxed motor fuel in this state. Any dealer or other person who imports, causes to be imported, receives, uses, sells, stores, or possesses untaxed motor fuels but fails to comply with all statutory and regulatory restrictions applicable to the fuel shall be jointly and severally liable for payment of the tax due on the fuel. A person's liability shall not be extinguished until the tax due has been paid to the *department*~~[cabinet]~~.

Section 356. KRS 138.226 is amended to read as follows:

- (1) The *department*~~[cabinet]~~ shall administer the taxes provided under KRS 138.210 to 138.500, except KRS 138.463 and 138.4631 and may prescribe, adopt and enforce administrative regulations relating to the administration and enforcement thereof.
- (2) The *department*~~[cabinet]~~ shall, upon the request of the officials to whom are entrusted the enforcement of the motor fuels tax law of any other state, the United States, the provinces of the Dominion of Canada, forward to such officials any information which it may have relative to the manufacture, receipt, sale, use, transportation, shipment or delivery by any person of motor fuels, provided such other state or states provide for the furnishing of like information to this state.

Section 357. KRS 138.230 is amended to read as follows:

Every dealer receiving gasoline or special fuel in this state shall keep, and preserve for five (5) years, an accurate record of all receipts and of all production, refining, manufacture, compounding, use, sale, distribution and delivery of gasoline and special fuel, together with invoices, bills of lading and other pertinent records and papers required by the *Department of Revenue*~~[Cabinet]~~. Every person purchasing gasoline or special fuel from a dealer for resale shall keep, and preserve for a period of five (5) years, a record of all such gasoline or special fuel so purchased and sold or used, and the amount of tax paid to the dealers as part of the purchase price, together with delivery tickets, invoices, bills of lading and such other records as the *department*~~[cabinet]~~ shall require.

- (1) No person shall refine, produce, distill, manufacture, blend, compound, receive, use, sell, transport, store, or distribute any gasoline or special fuel upon which the tax due has not been paid or assumed or engage in the sale, storage or transportation of any gasoline or special fuel within this state upon which the tax has not been paid unless he is the holder of an uncanceled license issued by the *Department of Revenue*~~[Cabinet]~~ to engage in the business.
- (2) Any transporter, other than a regularly licensed gasoline or special fuel dealer, transporting gasoline or special fuel by motor vehicle shall have plainly painted on the vehicle the name, address, and permit number of the transporter.
- (3) Any person who engages in the business of refining, producing, distilling, manufacturing, blending, compounding, receiving, using, selling, transporting, storing, or distributing gasoline or special fuel in this state as a dealer, storage operator, or transporter without holding an uncanceled license to engage in that business, or who without the license, refines, produces, distills, manufacturers, blends, compounds, receives, uses, sells, transports, stores, or distributes any gasoline or special fuel upon which the tax imposed by KRS 138.220 has not been reported and paid, shall be subject to the uniform civil penalties imposed pursuant to KRS 131.180 and interest at the tax interest rate as defined in KRS 131.010(6) from the date due until the date of payment.

Section 365. KRS 138.320 is amended to read as follows:

- (2) If the dealer or transporter is a corporation organized under the laws of another state, it shall file with its application a certified copy of the certificate or license issued by the Secretary of State of this state showing that the corporation is authorized to transact business in this state.
- (3) At the time of filing application for a license, a bond of the character stipulated and in the amount provided for in KRS 138.330 shall be filed with the *department*~~[cabinet]~~. No license shall be issued upon any application unless accompanied by this bond.
- (4) If application for such a license is filed by any person whose license has at any time previously been canceled for cause by the *department*~~[cabinet]~~, or if the *department*~~[cabinet]~~ is of the opinion that the application is not filed in good faith, or that the application is filed by some person as a subterfuge for the real person in interest whose license or registration has previously been canceled for cause by the *department*~~[cabinet]~~, the *department*~~[cabinet]~~ may, after a hearing of which the applicant has been given five (5) days' notice in writing, and in which the applicant shall have the right to appear in person or by counsel and present testimony, refuse to issue a license to that person.
- (5) The application in proper form having been accepted for filing, and the bond having been accepted and approved, the *department*~~[cabinet]~~ shall issue to the applicant a license, subject to cancellation as provided by KRS 138.340. The license shall not be assignable, and shall be valid only for the person in whose name it is issued, and shall be displayed conspicuously in the principal place of business of the dealer in this state.
- (6) The *department*~~[cabinet]~~ shall keep and file all applications and bonds, with an alphabetical index thereof, together with a record of all licensed dealers or transporters. The *department*~~[cabinet]~~ shall publish and keep

currently up to date a list of licensed dealers and transporters, and transmit a copy of list and all revisions thereof to all licensed dealers and transporters.

- (7) All licenses shall be valid and remain in full force and effect until suspended or revoked for cause or otherwise canceled.

Section 366. KRS 138.321 is amended to read as follows:

Any gasoline dealer or special fuels dealer having a license revoked for the violation of any of the provisions contained in KRS Chapter 138 may, within the discretion of the ~~department~~~~cabinet~~, be denied the issuance of a gasoline dealer or special fuels dealer license, and any such licensee shall not have an interest in any such license, either disclosed or undisclosed, whether as an individual, partnership, corporation or otherwise.

Section 367. KRS 138.330 is amended to read as follows:

- (1) Every dealer or transporter required to be licensed under KRS 138.310 shall file with the **Department of Revenue**~~Cabinet~~ a financial instrument in an amount not to exceed three (3) months' estimated liability as computed by the ~~department~~~~cabinet~~ or five thousand dollars (\$5,000) whichever is greater, or in the case of a new licensee in the minimum amount of five thousand dollars (\$5,000) until such time as an estimated three (3) months' liability can be established, provided that the maximum amount of any financial instrument may be reduced to an amount sufficient in the opinion of the ~~department~~~~cabinet~~, considering the financial rating and reputation of the company, to insure payment to the ~~department~~~~cabinet~~ of the amount of tax, penalties and interest for which the dealer or transporter may become liable. The financial instrument shall be on a form and with a surety approved by the ~~department~~~~cabinet~~. The dealer or transporter shall be the principal obligor and the state the obligee. The financial instrument shall be conditioned upon the prompt filing of true reports by the dealer and transporter and the payment by the dealer to the State Treasurer of all gasoline and special fuel excise taxes now or hereafter imposed by the state, together with all penalties and interest thereon, and generally upon faithful compliance with the provisions of KRS 138.210 to 138.340.
- (2) If liability upon the financial instrument is discharged or reduced, whether by judgment rendered, payment made, or otherwise, or if in the opinion of the ~~department~~~~cabinet~~ any surety on the financial instrument has become unsatisfactory or unacceptable, the ~~department~~~~cabinet~~ may require the licensee to file a new financial instrument with satisfactory sureties in the same amount, failing which the ~~department~~~~cabinet~~ shall cancel the license of the licensee in accordance with the provisions of KRS 138.340. If a new financial instrument is furnished as provided above, the ~~department~~~~cabinet~~ shall cancel and surrender the financial instrument for which the new financial instrument is substituted.
- (3) If upon hearing, of which the licensee shall be given five (5) days' notice in writing, the ~~department~~~~cabinet~~ decides that the amount of the existing financial instrument is insufficient to insure payment to the state of the amount of tax, penalties, and interest for which the licensee is or may become liable, the licensee shall, upon the written demand of the ~~department~~~~cabinet~~, file an additional financial instrument in the same manner and form with a surety thereon approved by the ~~department~~~~cabinet~~, in any amount determined by the ~~department~~~~cabinet~~ to be necessary, failing which the ~~department~~~~cabinet~~ shall cancel the license of the licensee in accordance with the provisions of KRS 138.340.
- (4) Any surety on a financial instrument furnished as required by this section shall be released from all liability to the state accruing on the financial instrument after the expiration of sixty (60) days from the date upon which the surety has lodged with the ~~department~~~~cabinet~~ a written request to be released, but this request shall not operate to release the surety from any liability already accrued or which shall accrue before the expiration of the sixty (60) day period. The ~~department~~~~cabinet~~ shall promptly, upon receipt of a request, notify the licensee who furnished the financial instrument, and unless the licensee, before the expiration of the sixty (60) day period, files with the ~~department~~~~cabinet~~ a new financial instrument with a surety satisfactory to the ~~department~~~~cabinet~~ in the amount and form prescribed in this section, the ~~department~~~~cabinet~~ shall cancel the license of the licensee in accordance with the provisions of KRS 138.340. If an approved new financial instrument is filed, the ~~department~~~~cabinet~~ shall cancel and surrender the financial instrument for which the new bond is substituted.

Section 368. KRS 138.340 is amended to read as follows:

- (1) If any dealer or transporter required to be licensed under KRS 138.310 files a false report of the data or information required by KRS 138.210 to 138.280, or fails, refuses or neglects to file the reports required by

those sections, even though no tax is due, or to pay the full amount of tax as required by those sections, or fails to meet the qualifications of a dealer as set out in KRS 138.210(2), or violates any other provision of this chapter, the license of the dealer or transporter may be revoked by the **Department of Revenue** ~~Cabinet~~. The licensee shall be notified by certified or registered letter or summons. The letter or summons shall apprise the licensee of the charge or charges made against him and he shall have a reasonable opportunity to be heard before his license may be revoked. The summons may be served in the same manner and by the same officers or persons as provided by the Rules of Civil Procedure, or it may be served in that manner by an employee of the **Department of Revenue** ~~Cabinet~~. The hearing shall be set at least five (5) days after the summons is served or the letter delivered. Any aggrieved licensee may appeal from an order of revocation by the **Department of Revenue** ~~Cabinet~~ to the Kentucky Board of Tax Appeals as provided by law, subject to the condition that the licensee has made bond sufficient in the opinion of the **Department of Revenue** ~~Cabinet~~ to protect the Commonwealth from loss of revenue.

- (2) The **department** ~~cabinet~~ may cancel the license:
- (a) Upon request in writing from the licensee, the cancellation to become effective sixty (60) days from the date of receipt of the request; or
  - (b) Upon determination that the licensee has had no reportable activity in Kentucky for at least the immediately preceding six (6) consecutive monthly reporting periods.

Section 369. KRS 138.341 is amended to read as follows:

- (1) When gasoline or special fuel on which the tax has been paid pursuant to the provisions of KRS 138.210 to 138.340 has been used for the purpose of operating any aircraft engaged in the transportation of persons or property, the purchaser of the liquid fuel so used shall be reimbursed for the tax paid. No tax shall be refunded except that paid upon the fuel used exclusively in aircraft motors.
- (2) No person shall be entitled to a refund hereunder unless he shall have first filed with the **Department of Revenue** ~~Cabinet~~ a bond with approved surety in an amount of not less than one hundred dollars (\$100) nor more than one thousand dollars (\$1,000) to be determined by the **Department of Revenue** ~~Cabinet~~, conditioned upon faithful compliance with this section and KRS 138.342 and upon the payment to the Commonwealth of any refunds to which he was not entitled.
- (3) The right to receive any refund pursuant to subsection (1) of this section shall be assignable by the purchaser to the seller of the gasoline or special fuel if the seller has posted a bond with the **department** ~~cabinet~~ and the aviation gasoline or special fuel purchased by the assignor is delivered directly into the fuel tank of aircraft owned or operated by him or his authorized agent. Any assignment shall be evidenced by noting upon the face and all copies of the retail sale invoice the following: "TAX REFUND ASSIGNED TO SELLER. Signed: (Purchaser or Agent.)"

Section 370. KRS 138.342 is amended to read as follows:

- (1) Applications for refund pursuant to KRS 138.341 shall be made to the **department** ~~cabinet~~ on a calendar quarter or calendar year basis on forms and in the manner prescribed by it for the refund of tax paid on aviation motor fuel used during the calendar quarter or calendar year. Each application for a refund shall show the number of gallons of aviation motor fuel purchased during the preceding month; the date and quantity of each purchase; the vendor from whom the fuel was purchased; the number of gallons on which refund is claimed; and other information the **department** ~~cabinet~~ may require.
- (2) The **department** ~~cabinet~~ shall audit the application and make other investigation it deems necessary to determine whether it constitutes a proper claim. When the **department** ~~cabinet~~ is satisfied that a refund is proper, it shall authorize the tax paid to be refunded as other refunds are made and the amount refunded shall be deducted from current motor fuel tax receipts. The tax shall be refunded with interest at the tax interest rate as defined in KRS 131.010(6).
- (3) When the **department** ~~cabinet~~ finds that an application for a refund contains a false or fraudulent statement or that a refund has been fraudulently obtained, the **department** ~~cabinet~~ shall refuse to grant any refunds to the person making the false or fraudulent statement or fraudulently obtaining a refund for a period of two (2) years from the date of the finding.

Section 371. KRS 138.344 is amended to read as follows:

- (1) Except as otherwise provided in KRS 138.220 to 138.500, any person who shall purchase gasoline or special fuel, on which the tax as imposed by KRS 138.220 has been paid, for the purpose of operating or propelling stationary engines or tractors for agricultural purposes, or who shall purchase special fuels, on which the tax as imposed by KRS 138.220 has been paid, for consumption in unlicensed vehicles or equipment for nonhighway purposes shall be reimbursed for the tax so paid on the gasoline or special fuel. No refund shall be authorized unless applications and all necessary information are filed with the ~~department~~~~cabinet~~ on a calendar quarter or calendar year basis on forms and in the manner prescribed by it for refund of the tax paid on the fuel. In lieu of the tax refund procedure, the tax on special fuels and the tax on gasoline used for the purpose of operating or propelling stationary engines or tractors for agricultural purposes may be credited by the dealer to the purchaser as provided in KRS 138.358. The dealer and the purchases shall be subject to the same rules, conditions, and responsibilities as provided in KRS 138.344 to 138.355. The tax shall be refunded with interest at the tax interest rate as defined in KRS 131.010(6).

  - (a) Name and address of permit holder .... permit number .....
  - (b) Total number of gallons purchased .... and total purchase price ..... (Invoices to be attached to refund application.)
  - (c) Total number of gallons used on highways .....
  - (d) Total number of gallons on which refund is claimed ..... (Line b minus line c.)
  - (e) Other information as the ~~department~~~~cabinet~~ may require to reasonably protect the revenues of the Commonwealth.

Section 372. KRS 138.345 is amended to read as follows:

No person shall secure a refund of tax under KRS 138.344 unless the person is the holder of an unrevoked refund permit issued by the *Department of Revenue* ~~[-Cabinet]~~ before the purchase of the gasoline or special fuel, which permit shall entitle the person to make application for a refund under KRS 138.344 to 138.355. To procure a permit, every person shall file with the ~~department~~~~cabinet~~ an application under oath, on forms furnished by the ~~department~~~~cabinet~~, setting forth the information incident to the refunding of the tax paid on gasoline or special fuel as the ~~department~~~~cabinet~~ may require. The properly completed and signed application shall be filed with the ~~department~~~~cabinet~~ on or before the date the permit, if approved by the ~~department~~~~cabinet~~, is to become effective.

Section 410. KRS 139.210 is amended to read as follows:

- (1) Except as provided in subsection (2) of this section, the tax shall be required to be collected by the retailer from the purchaser. If the taxable goods are bundled with services and are sold as a single package for one (1) price, the tax required to be collected by the retailer from the purchaser shall be computed on the entire amount. The tax shall be displayed separately from the sales price, the price advertised in the premises, the marked price, or other price on the sales receipt or other proof of sales.
- (2) The *department*~~{cabinet}~~ may relieve certain retailers from the provisions of subsection (1) of this section of separate display of the tax when the circumstances of the retailer make compliance impracticable. If the retailer establishes to the satisfaction of the *department*~~{cabinet}~~ that the sales tax has been added to the total amount of the sales price and has not been absorbed by the retailer, the amount of the sales price shall be the amount received exclusive of the tax imposed.
- (3) The taxes collected under this section shall be deemed to be held in trust by the retailer for and on account of the Commonwealth of Kentucky.
- (4) The taxes to be collected under this section shall constitute a debt of the retailer to the Commonwealth.

Section 411. KRS 139.240 is amended to read as follows:

A permit shall not be assignable, and shall be valid only for the person in whose name it is issued and for the transaction of business at the place designated therein. It shall at all times be conspicuously displayed at the place for which issued.

Section 413. KRS 139.260 is amended to read as follows:

For the purpose of the proper administration of this chapter and to prevent evasion of the duty to collect the taxes imposed by KRS 139.200 and 139.310, it shall be presumed that all gross receipts and all tangible personal property

sold by any person for delivery in this state are subject to the tax until the contrary is established. The burden of proving the contrary is upon the person who makes the sale unless he takes from the purchaser a certificate to the effect that the property is either:

- (1) Purchased for resale according to the provisions of KRS 139.270;
- (2) Purchased through a properly executed certificate of exemption in accordance with KRS 139.270;
- (3) Purchased according to regulations of the *Department of Revenue*~~[Cabinet]~~ governing a direct pay authorization; or
- (4) Purchased under a form issued pursuant to KRS 139.776 or 139.777.

Section 414. KRS 139.270 is amended to read as follows:

- (1) The resale certificate or certificate of exemption relieves the retailer or seller from the burden of proof only if taken in good faith from a person who, at the time of purchasing the tangible personal property:
  - (a) Indicates an intention to sell it in the regular course of business by executing the resale certificate; or
  - (b) Indicates that the property purchased will be used in an exempt manner by executing a certificate of exemption.

This relief from liability does not apply to a retailer or seller who fraudulently fails to collect the tax or solicits purchasers to participate in the unlawful claiming of an exemption.

- (2) "Good faith" shall be demonstrated by the retailer or seller if the retailer or seller:
  - (a) Accepts a properly completed resale certificate or certificate of exemption; and
  - (b) Maintains a file of the certificate in accordance with KRS 139.720.
- (3) If the *department*~~[cabinet]~~ later finds that the retailer or seller exercised good faith according to the provisions of subsection (2) of this section but that the purchaser used the property in a manner that would not have qualified for resale status or the purchaser issued a certificate of exemption and used the property in some other manner or for some other purpose, the *department*~~[cabinet]~~ shall hold the purchaser liable for the remittance of the tax and may apply penalties provided in KRS 139.990.

Section 415. KRS 139.280 is amended to read as follows:

- (1) The resale certificate shall:
  - (a) Be signed by and bear the name and address of the purchaser;
  - (b) Indicate the number of the permit issued to the purchaser;
  - (c) Indicate the general character of the tangible personal property sold by the purchaser in the regular course of business.
- (2) The certificate shall be substantially in a form as the *department*~~[cabinet]~~ may prescribe.
- (3) A signature shall not be required if the purchaser provides the retailer with an electronic resale certificate.

Section 416. KRS 139.320 is amended to read as follows:

- (1) The use tax of six percent (6%) is hereby levied upon the storage, use, or other consumption in this state of any machines, machinery, tools, or other equipment brought, imported or caused to be brought into this state for use in constructing, building, or repairing any building, highway, street, sidewalk, bridge, culvert, sewer or water system, drainage, or dredging system, electric or steam railway system, reservoir or dam, hydraulic or power plant, transmission line, tower, dock, wharf, excavation, grading, or other improvement or structures, or any part thereof. The owner or, if the property is leased the lessee of any such machine, machinery, tools, or other equipment shall be liable for the tax provided for in this chapter, to be computed as set out below. The useful life of such machines, tools, or other equipment shall be determined by the *department*~~[cabinet]~~ in accordance with the depreciable value permitted under KRS Chapter 141 and regulations issued pursuant thereto. Said use tax shall be computed on the basis of such proportion of the original purchase price of such property as the duration of time of use in this state bears to the total useful life. Such tax shall become due immediately upon such property's being brought into this state, and in the absence of satisfactory evidence as to the period of use intended in this state, it shall be presumed that such property will remain in this state for the remainder of its useful life.

- (2) The provisions of this section shall not be applicable with respect to sales of such property within this state or to the use, storage, or consumption of such property when purchased for use in this state, and in such cases the full sales or use tax shall be paid as in all other cases, irrespective of the period of intended use in this state.
- (3) For the purposes of this section, the total useful life of property which is fully depreciated at the time of being brought into this state or becomes fully depreciated while in use in this state shall be extended to include the time of use in this state. In the absence of satisfactory evidence as to the period of use in this state, the tax shall be computed on an annual basis and shall be paid as provided by KRS 139.540.

Section 417. KRS 139.330 is amended to read as follows:

Every person storing, using or otherwise consuming in this state tangible personal property purchased from a retailer is liable for the use tax levied under KRS 139.310. His liability is not extinguished until the tax has been paid to this state, except that a receipt from a retailer engaged in business in this state or from a retailer who is authorized by the ~~department~~~~cabinet~~, under such rules and regulations as it may prescribe, to collect the tax and who is, for the purpose of this chapter relating to the use tax, regarded as a retailer engaged in business in this state, given to the purchaser pursuant to KRS 139.340 is sufficient to relieve the purchaser from further liability for the tax to which the receipt refers.

Section 418. KRS 139.340 is amended to read as follows:

- (1) Except as provided in KRS 139.470 and 139.480, every retailer engaged in business in this state shall collect the tax imposed by KRS 139.310 from the purchaser and give to the purchaser a receipt therefor in the manner and form prescribed by the ~~department~~~~cabinet~~. The taxes collected or required to be collected by the retailer under this section shall be deemed to be held in trust for and on account of the Commonwealth of Kentucky.
- (2) "Retailer engaged in business in this state" as used in this chapter includes any of the following:
  - (a) Any retailer maintaining, occupying, or using, permanently or temporarily, directly or indirectly, or through a subsidiary, or agent, by whatever name called, an office, place of distribution, sales or sample room or place, warehouse or storage place, or other place of business. Property owned by a person who has contracted with a printer for printing, which consists of the final printed product, property which becomes a part of the final printed product, or copy from which the printed product is produced, and which is located at the premises of the printer, shall not be deemed to be an office, place of distribution, sales or sample room or place, warehouse or storage place, or other place of business maintained, occupied, or used by the person;
  - (b) Any retailer having any representative, agent, salesman, canvasser, or solicitor operating in this state under the authority of the retailer or its subsidiary for the purpose of selling, delivering, or the taking of orders for any tangible personal property. An unrelated printer with which a person has contracted for printing shall not be deemed to be a representative, agent, salesman, canvasser, or solicitor for the person;
  - (c) Any retailer soliciting orders for tangible personal property from residents of this state on a continuous, regular, or systematic basis in which the solicitation of the order, placement of the order by the customer or the payment for the order utilizes the services of any financial institution, telecommunication system, radio or television station, cable television service, print media, or other facility or service located in this state;
  - (d) Any retailer deriving receipts from the lease or rental of tangible personal property situated in this state; or
  - (e) Any retailer soliciting orders for tangible personal property from residents of this state on a continuous, regular, systematic basis if the retailer benefits from an agent operating in this state under the authority of the retailer to repair or service tangible personal property sold by the retailer.

- (1) The name and address of all agents operating in this state;
- (2) The location of all distribution or sales houses or offices or other places of business in this state;

- (3) Such other information as the ~~department~~~~(cabinet)~~ may require.

Section 420. KRS 139.470 is amended to read as follows:

There are excluded from the computation of the amount of taxes imposed by this chapter:

- (1) Gross receipts from the sale of, and the storage, use, or other consumption in this state of, tangible personal property which this state is prohibited from taxing under the Constitution or laws of the United States, or under the Constitution of this state;
- (2) Gross receipts from sales of, and the storage, use, or other consumption in this state of:

  - (b) Returnable containers when sold with the contents in connection with a retail sale of the contents or when resold for refilling;

As used in this section the term "returnable containers" means containers of a kind customarily returned by the buyer of the contents for reuse. All other containers are "nonreturnable containers";

- (3) Gross receipts from the sale of, and the storage, use, or other consumption in this state of, tangible personal property used for the performance of a lump-sum, fixed-fee contract of public works executed prior to February 5, 1960;
- (4) Gross receipts from occasional sales of tangible personal property and the storage, use, or other consumption in this state of tangible personal property, the transfer of which to the purchaser is an occasional sale;

- (6) Gross receipts from sales of tangible personal property sold through coin-operated bulk vending machines, if the sale amounts to fifty cents (\$0.50) or less, if the retailer is primarily engaged in making the sales and maintains records satisfactory to the cabinet. As used in this subsection, "bulk vending machine" means a vending machine containing unsorted merchandise which, upon insertion of a coin, dispenses the same in approximately equal portions, at random and without selection by the customer;
- (7) Gross receipts from sales to any cabinet, department, bureau, commission, board, or other statutory or constitutional agency of the state and gross receipts from sales to counties, cities, or special districts as defined in KRS 65.005. This exemption shall apply only to purchases of property or services for use solely in the government function. Determinations of eligibility for the exemption shall be made by the *Department of Revenue*~~(Cabinet)~~;
  - (b) In making the determinations of eligibility, the ~~department~~~~(cabinet)~~ shall exempt from taxation all gross receipts derived from sales:
    1. Classified as "residential" by a utility company as defined by applicable tariffs filed with and accepted by the Public Service Commission;
    2. Classified as "residential" by a municipally owned electric distributor which purchases its power at wholesale from the Tennessee Valley Authority;
    3. If the service is classified as residential, use other than for "residential" purposes by the customer shall not negate the exemption;

- (c) The exemption shall not apply if charges for sewer service, water, and fuel are billed to an owner or operator of a multi-unit residential rental facility or mobile home and recreational vehicle park other than residential classification; and
  - (d) The exemption shall apply also to residential property which may be held by legal or equitable title, by the entireties, jointly, in common, as a condominium, or indirectly by the stock ownership or membership representing the owner's or member's proprietary interest in a corporation owning a fee or a leasehold initially in excess of ninety-eight (98) years;

- (10) Gross receipts from sales to an out-of-state agency, organization, or institution exempt from sales and use tax in its state of residence when that agency, organization, or institution gives proof of its tax-exempt status to the retailer and the retailer maintains a file of the proof;

For purposes of this subsection, a manufacturer or industrial processor includes an individual or business entity that performs only part of the manufacturing or industrial processing activity and the person or business entity need not take title to tangible personal property that is incorporated into, or becomes the product of, the activity.
- (a) Industrial processing includes refining, extraction of petroleum and natural gas, mining, quarrying, fabricating, and industrial assembling. As defined herein, tangible personal property to be used in the manufacturing or industrial processing of tangible personal property which will be for sale shall mean:

      - c. Industrial tools. This group is limited to hand tools such as jigs, dies, drills, cutters, rolls, reamers, chucks, saws, spray guns, etc., and to tools attached to a machine such as molds, grinding balls, grinding wheels, dies, bits, cutting blades, etc. Normally, for industrial tools to be considered directly used in manufacturing, they shall come into direct contact with the product being manufactured.
    - 3. Materials and supplies that are not reusable in the same manufacturing process at the completion of a single manufacturing cycle, excluding repair, replacement, or spare parts of any kind. A single manufacturing cycle shall be considered to be the period elapsing from the time the raw materials enter into the manufacturing process until the finished product emerges at the end of the manufacturing process.
  - (b) It shall be noted that in none of the three (3) categories is any exemption provided for repair, replacement, or spare parts. Repair, replacement, or spare parts shall not be considered to be materials, supplies, or industrial tools directly used in manufacturing or industrial processing. "Repair, replacement, or spare parts" shall have the same meaning as set forth in KRS 139.170;

- (a) As used in this subsection:
1. "Catalogs" means tangible personal property that is printed to the special order of the purchaser and composed substantially of information regarding goods and services offered for sale; and

- (b) The retailer shall be responsible for establishing that delivery was made to a non-Kentucky location through shipping documents or other credible evidence as determined by the cabinet;
- (14) Gross receipts from the sale of water used in the raising of equine as a business;
- (15) Gross receipts from the sale of metal retail fixtures manufactured in this state and purchased for storage, use, or other consumption outside this state and delivered by the retailer's own vehicle to a location outside this state, or delivered to the United States Postal Service, a common carrier, or a contract carrier for delivery outside this state, regardless of whether the carrier is selected by the purchaser or retailer or an agent or representative of the purchaser or retailer, or whether the F.O.B. is the retailer's shipping point or the purchaser's destination.
- (a) As used in this subsection, "metal retail fixtures" means check stands and belted and nonbelted checkout counters, whether made in bulk or pursuant to specific purchaser specifications, that are to be used directly by the purchaser or to be distributed by the purchaser.
- (b) The retailer shall be responsible for establishing that delivery was made to a non-Kentucky location through shipping documents or other credible evidence as determined by the cabinet;

As used in this subsection, "buydown" means an agreement whereby an amount, whether paid in money, credit, or otherwise, is received by a retailer from a manufacturer or wholesaler based upon the quantity and unit price of tobacco products sold at retail that requires the retailer to reduce the selling price of the product to the purchaser without the use of a manufacturer's or wholesaler's coupon or redemption certificate;
- (18) Gross receipts from the sale of property returned by a purchaser when the full sales price is refunded either in cash or credit. This exclusion shall not apply if the purchaser, in order to obtain the refund, is required to purchase other property at a price greater than the amount charged for the property that is returned;
- (19) Gross receipts from the sales of gasoline and special fuels subject to tax under KRS Chapter 138;

    2. The property is shipped from an office, store, warehouse, factory, or other place of storage in this state and the purchaser is the United States government; and

- (2) Any business whose communications service, subject to the sales tax imposed under KRS Chapter 139 and deducted for federal income tax purposes, exceeds five percent (5%) of the business's Kentucky gross receipts during the preceding calendar year is entitled to a refundable credit. The refundable credit shall be equal to the sales tax paid on the difference by which the communications service purchased by the business exceeds five percent (5%) of the business's Kentucky gross receipts.
- (3) Any business that qualifies for the refundable credit authorized by subsection (2) of this section shall make an annual application for the refund on or after June 1, 2002, and on or after every June 1 thereafter. In addition, the amount required to be repaid is subject to the interest provisions of KRS 131.183 and to the penalty provisions of KRS 131.180.
- (6) If a business owns directly or indirectly fifty percent (50%) or more of another business, the credit computed under subsection (2) of this section shall be computed on a combined basis, excluding any intercompany Kentucky gross receipts.

- (1) Whenever any person shall exercise a power of appointment derived from any disposition of property (whether by will, deed, trust agreement, contract, insurance policy or other instrument) regardless of when made, such appointment shall be deemed a transfer taxable under the provisions of this chapter in the same manner as though the property to which such appointment relates belonged absolutely to the donee of such power and had been bequeathed or devised by such donee by will; and whenever any person possessing such a power of appointment so derived shall omit or fail to exercise the same in whole or in part, within the time provided therefor, a transfer taxable under the provisions of this chapter shall be deemed to take place to the person or persons receiving such property as a result of such omission or failure to the same extent that such property would have been subject to taxation if it had passed under the will of the donee of such power. The time at which such transfer shall be deemed to take place, for the purpose of taxation, shall be governed by the provisions of subsections (2) to (4) of this section.
- (2) In the case of a power of appointment which passes to the donee thereof at the death of the donor, under any instrument, and if the donor dies on or after April 24, 1936, the transfer shall be deemed to take place, for the purpose of taxation, at the time of the death of the donor and the assessment be made at that time against the life interest of the donee and the remainder against the corpus. The value of the property to which the power of appointment relates shall be determined as of the date of the death of the donor and shall be taxed at the rates and be subject to the exemptions in effect at the death of the donor. The determination of the applicable rates and exemptions (in effect at the death of the donor) shall be governed by the relationship of the beneficiary to the donee of the power of appointment. In the event the payment of the tax at the death of the donor should operate to provide an exemption for any beneficiary of a donee not authorized by KRS 140.080, then such exemption shall be retrospectively disallowed at the time of the death of the donee. It is further provided that the remainder interest passing under the donee's power of appointment, whether exercised or not, shall be added to and made a part of the distributable share of the donee's estate for the purpose of determining the exemption and rates applicable thereto.

- (3) In all cases other than that described in subsection (2) the transfer shall be deemed to take place, for the purpose of taxation, at the time of the death of the donee. In such cases, the value of the property to which the power of appointment relates shall be determined as of the date of the death of the donee and shall be taxed at the rates and be subject to the exemptions in effect at the death of the donee. The determination of the applicable rates and exemptions (in effect at the death of the donee) shall be governed by the relationship of the beneficiary to the donee of the power of appointment.
- (4) The provisions of subsection (2) shall not preclude the taxation, at the death of the donee, of any transfer made by means of a power of appointment if such transfer was not in fact reported to or a tax assessed thereon by the **Department of Revenue** ~~Cabinet~~ within the period of limitation prescribed by KRS 140.160. If the transfer by the power of appointment is not so reported or a tax assessed thereon, the period of limitation prescribed in KRS 140.160 shall not begin to run until the death of the donee of such power.
- (5) The amendments to this section, adopted by the 1948 General Assembly, shall apply to all powers of appointment whether created before or after the effective date of said amendments. It is the declared intention of the General Assembly to impose a tax upon every transfer of property by means of a power of appointment, regardless of when or how created, and it is the declared intention of the General Assembly that the use of the power of appointment device shall not permit the transfer of property, to which such a power relates, to escape thereby the payment of state inheritance taxes.

Section 453. KRS 140.080 is amended to read as follows:

- (1) The following exemptions chargeable against the lowest bracket or brackets of inheritable interests shall be free from any tax under the preceding provisions of this chapter:

  2. For decedents dying between July 1, 1996, and June 30, 1997, the greater of the exemption established pursuant to paragraph (1)(b) of this section or one-half (1/2) of each beneficiary's inheritable interest;
  3. For decedents dying between July 1, 1997, and June 30, 1998, the greater of the exemption established pursuant to paragraph (1)(b) of this section or three-fourths (3/4) of each beneficiary's inheritable interest; and
  4. For each decedent dying after June 30, 1998, each beneficiary's total inheritable interest;
    - (d) All persons of Class B, under KRS 140.070, \$1,000; and
    - (e) All persons of Class C, under KRS 140.070, \$500.

Section 454. KRS 140.090 is amended to read as follows:

- (1) In calculating the value of the distributive shares the following deductions and no others shall be allowed:
- (a) Debts of the decedent, except debts secured by property not subject to the tax jurisdiction of Kentucky; and except debts barred by the statute of limitations;

Section 455. KRS 140.100 is amended to read as follows:

- (1) The Department of Insurance, on the application of the **Department of Revenue**~~Cabinet~~, shall determine, and certify in duplicate to the **department**~~cabinet~~, the value of any future or contingent estate, income or interest therein, limited, contingent, dependent or determinable upon the lives of persons in being, upon the facts contained in the application or other facts submitted by the **department**~~cabinet~~. No fee shall be charged by the division for this service. The certificate shall be competent evidence that the method of computation therein is correct.
- (2) The value of every future, contingent or limited estate, income or interest for the purpose of this chapter shall be determined by the rules, methods and standards of mortality and of value prescribed by the appropriate United States life mortality tables for ascertaining the value of life estates, annuities and remainder interests except that the rate of interest assessed in computing the present value of all future interests and contingencies shall be four percent (4%) per annum.
- (3) When an annuity or a life estate is terminated by the death of the annuitant or life tenant, and the tax upon such interest has not been fixed and determined, the value of the interest for the purpose of taxation shall be that

amount of the annuity or income actually paid or payable to the annuitant or life tenant during the period for which the annuitant or life tenant was entitled to the annuity or was in possession of the life estate. The tax on such annuities and life interests shall be payable out of the corpus of the estate, unless otherwise provided under the terms of the will.

- (4) Notwithstanding anything in this chapter to the contrary, the value of a surviving spouse's interest in a trust or life estate which was exempt from Kentucky inheritance tax in the first spouse's estate pursuant to an election made under KRS 140.080(1)(a) shall be deemed to be equal to the entire value of the property held in the trust or life estate, at the surviving spouse's death, for Kentucky inheritance tax purposes in the surviving spouse's estate.

Section 456. KRS 140.110 is amended to read as follows:

- (1) In the case of estates in expectancy which are contingent or defeasible, a tax shall be levied at the rate which, on the happening of the most probable contingencies or conditions named in the will, deed, trust agreement, contract, insurance policy, or other instrument, would be applicable under the provisions of this chapter. Moneys so collected shall be distributed as are other inheritance tax funds. If the property so taxed shall ultimately vest in possession in persons taxable at a lower rate, or in a person or a corporation exempt from taxation by this chapter, upon application by such beneficiary to the **Department of Revenue**~~Cabinet~~ for refund of any excess tax, the **Department of Revenue**~~Cabinet~~, after investigation, shall certify to the Finance and Administration Cabinet the amount of such refund. The Finance and Administration Cabinet shall refund such excess payment of tax in the same manner as other refunds are made.
- (2) Where an estate or interest can be divested by the act or omission of the legatee or devisee, it shall be taxed as if there were no possibility of divesting.

Section 457. KRS 140.160 is amended to read as follows:

- (1) The **Department of Revenue**~~Cabinet~~ shall have full supervision of the collection of all taxes due under the provisions of this chapter, including the power to institute suit in this and other states. It may employ attorneys and other persons necessary to carry out the full intent and purpose of this chapter. The **department**~~cabinet~~ shall furnish, upon application, blank forms covering information as may be necessary to determine the amount of tax due the state on the transfer of all property subject to tax.
- (2) The **department**~~cabinet~~ may cause personal representatives or beneficiaries to file all statements required by this chapter with the clerks of the proper courts and with the **department**~~cabinet~~, and may require them to furnish any additional information deemed necessary to support the computation of the amount of tax that should be paid by the estate. The personal representative, or the beneficiaries in the absence of a personal representative, shall compute the taxes imposed by this chapter on the tax return provided by the **department**~~cabinet~~ when:
- (a) 1. A United States estate tax return is required to be filed under federal law and applicable regulations; and
  2. The estate includes property over which Kentucky has jurisdiction for purposes of the taxes imposed by this chapter; or
  - (b) Any assets from the estate subject to the taxes imposed by this chapter pass to a beneficiary taxable under KRS 140.070.

The tax return, when required, shall be filed with the **department**~~cabinet~~ within eighteen (18) months after the death of the decedent or at the time payment of the tax is made pursuant to KRS 140.210.

- (3) Except as herein provided, no action to enforce the collection of the tax imposed by this chapter shall be commenced more than ten (10) years after the cause of action first accrued. In case the settlement of an estate is delayed because of litigation or other unavoidable cause, the delay shall suspend the limitation, prescribed by this subsection, until the cause of delay is removed. In the case of a fraudulent return or any other fraudulent representation affecting the amount of or the liability for the tax imposed by this chapter notwithstanding any provision of limitation provided elsewhere, the tax due by reason thereof may at any time be assessed and collected by the methods set out in this chapter, including action in a court of competent jurisdiction.

Section 458. KRS 140.165 is amended to read as follows:

The **department**~~cabinet~~ may make such audits, appraisals, and examinations of records according to KRS 131.130 to properly supervise the collection of all taxes due under the provisions of this chapter. A completed tax return with

full payment attached shall be final one (1) year after receipt by the *department*~~[cabinet]~~ unless an audit has been initiated with due notice to the personal representative, except:

- (1) If any assets of the estate were not reported on the tax return filed with the *department*~~[cabinet]~~, or
- (2) If any information was not revealed to the *department*~~[cabinet]~~ which would affect the amount of tax due.

Section 459. KRS 140.170 is amended to read as follows:

- (1) The District Court, upon the request of the personal representative or any interested party, shall appoint some competent person as appraiser of the estate. The appraiser shall give notice to all persons having an interest in the estate and to such other persons as the court may by order direct, and shall then appraise the property belonging to the estate. His report shall be filed with the court and a copy thereof with the *Department of Revenue*~~[Cabinet]~~. He shall be paid for his services out of the funds of the estate, on the certification of the court, the amount to be fixed by that court. The total compensation of the appraiser shall not exceed one-tenth of one percent (0.1%) of the total appraised value of the estate for inheritance tax purposes, but there shall be a minimum allowance of five dollars (\$5), together with the appraiser's actual and necessary traveling expenses.
- (2) After investigation, the *department*~~[cabinet]~~ may change the value of the estate for inheritance taxes and advise the representatives of the estate of this changed valuation after the receipt of a completed tax return and full payment as shown by the tax return.
- (3) No appraiser shall accept any fee or reward from a personal representative, trustee, legatee, next of kin or heir of the decedent, or from any other person liable to pay the tax or any portion thereof.
- (4) No person shall willfully and knowingly subscribe to or make any false statement of fact, or knowingly subscribe to or exhibit any false paper or false report with intent to deceive any appraiser.
- (5) The *department*~~[cabinet]~~ shall keep a record of all returns, reports, and schedules attached thereto required by this chapter for twelve (12) years.

Section 460. KRS 140.180 is amended to read as follows:

If real property of a decedent is passed to another person so as to become subject to the tax, his personal representative or trustee shall inform the *department*~~[cabinet]~~ thereof within six (6) months after his appointment, or if the fact is not known to him within that time, then within one (1) month after the fact becomes known to him.

Section 461. KRS 140.210 is amended to read as follows:

- (1) All taxes imposed by this chapter, unless otherwise provided in this chapter, shall be due at the death of the decedent and shall be payable to the *Department of Revenue*~~[Cabinet]~~ within eighteen (18) months thereafter. If they are paid within nine (9) months, a discount of five percent (5%) shall be allowed, and if they are paid within eighteen (18) months, no interest shall be charged and collected thereon. If the taxes due are not paid within eighteen (18) months, interest at the tax interest rate as defined in KRS 131.010(6) shall be paid from the expiration of the eighteen (18) months until payment is actually made to the *department*~~[cabinet]~~.
- (2) In all cases where the personal representatives or trustees do not pay the taxes within eighteen (18) months from the death of the decedent, they shall be required to give bond, in the form and to the effect prescribed by the *department*~~[cabinet]~~, for the payment of the taxes and interest.

Section 462. KRS 140.222 is amended to read as follows:

- (1) When the net tax due from a beneficiary's distributive share exceeds five thousand dollars (\$5,000), the beneficiary may elect to pay the inheritance tax in ten (10) equal installments. The first installment shall be due at the time the return is filed with succeeding payments due in annual installments beginning one (1) year after the return is filed.
- (2) The portion of the tax deferred under this section shall be charged with interest at the tax interest rate as defined in KRS 131.010(6) commencing eighteen (18) months after the date of death.
- (3) When the beneficiary elects to pay the tax on his share as provided in this section, such election must be made in writing and signed by the beneficiary and must be filed with the *Department of Revenue*~~[Cabinet]~~ at the time of filing the tax return for the decedent's estate under KRS 140.160(2). The filing of the election together with payment of the first installment shall relieve the personal representative or trustee of the estate from

further liability for the tax payments deferred under this section and the bond requirements of KRS 140.210, subject to the final approval by the **Department of Revenue**~~Cabinet~~ of all other taxes due under this chapter.

- (4) A beneficiary electing to defer the payment of taxes under this section shall be personally liable for the amount of deferred taxes until paid.
- (5) The period of limitations for actions to enforce the collection of taxes imposed by this chapter as provided by KRS 140.160(3) shall be suspended for the period of time for deferred payment granted by this section.

Section 463. KRS 140.224 is amended to read as follows:

- (1) Where a beneficiary elects to pay the inheritance tax on the installment basis as provided in this chapter, such beneficiary may be required to post sufficient security at any time the **department**~~cabinet~~ reasonably believes collection of the tax may be in jeopardy.
- (2) Failure of a beneficiary to pay any installment due or to post the required security shall cause all installments to become immediately due and payable.

Section 464. KRS 140.270 is amended to read as follows:

- (1) In the absence of administration in this state upon the estate of a nonresident, the **Department of Revenue**~~Cabinet~~, at the request of a personal representative duly appointed and qualified in the state of the decedent's domicile, or of a grantee under a conveyance made during the grantor's lifetime, and upon satisfactory evidence furnished by the personal representative or grantee, or otherwise, may determine whether or not any property of the decedent within this state is subject to the provisions of this chapter. If so, the **department**~~cabinet~~ may determine the amount of tax and adjust the same with the personal representative or grantee, and for that purpose may appoint an appraiser to appraise the property. The expense of appraisal shall be charged upon the property in addition to the tax. The **department's**~~cabinet's~~ certificate of the amount of tax and its receipt for the amount therein certified may be filed with the county judge/executive of the county where the property is located, and when so filed shall be evidence of the payment of the tax to the extent of such certification. When the tax is not adjusted within six (6) months after the death of the decedent, the proper District Court, upon application of the **department**~~cabinet~~, shall appoint an administrator in this state.
- (2) When evidence of ownership of intangible personal property belonging to a nonresident decedent is found to be physically located in this state, the **Department of Revenue**~~Cabinet~~ shall so inform the state official collecting death tax in the state of domicile of the decedent, if that state furnishes like information to the **Department of Revenue**~~Cabinet~~ of this state in a reciprocal manner.

Section 465. KRS 140.275 is amended to read as follows:

- (1) It is hereby declared to be the legislative policy that Kentucky shall not be a party to interstate double taxation under the terms of the Kentucky inheritance and estate tax laws. Pursuant to this policy, the **commissioner of the Department of Revenue**~~secretary of revenue~~ is hereby authorized to omit from the property subject to tax under those laws, any intangible personal property of a nonresident decedent (having a domicile in the United States) held in trust by a Kentucky trustee if the jurisdiction (state, territory or District of Columbia) in which the decedent was domiciled grants similar immunity to residents of Kentucky, but only in the event the personal representative shall present evidence that the tax has been or will be paid to the other jurisdiction. If another state, territory, or the District of Columbia of the United States constitutionally imposes a tax on the transfer of estates or of the distributive shares thereof, but grants immunity from the tax in respect of any intangible property of its resident decedents held in trust by a Kentucky trustee, then the **commissioner of the Department of Revenue**~~secretary of revenue~~ is hereby authorized to exclude from the property subject to tax under the Kentucky inheritance and estate tax laws, the intangible personal property of a Kentucky resident held in trust in that jurisdiction but only in the event the personal representative shall present evidence that the tax has been or will be paid to the other jurisdiction.
- (2) It is expressly provided, however, in view of the uncertainty now prevailing with respect to the correct interpretation of the Constitution of the United States regarding the jurisdiction of the several states, that the provisions of this section shall be inoperative under the second alternative until and unless an agreement, approved as to legality by the Attorney General, between the **commissioner of the Department of Revenue**~~secretary of revenue~~ as agent for Kentucky and the appropriate administrative official of such other state, shall have been executed and an original copy thereof filed with the Kentucky **Department of Revenue**~~Cabinet~~.

- (3) This section is intended to apply retroactively to all estates of decedents on or after April 25, 1936, which are subject to Kentucky inheritance tax laws.

Section 466. KRS 140.285 is amended to read as follows:

- (1) When the *Department of Revenue*~~[Cabinet]~~ claims that a decedent was domiciled in Kentucky at the time of death and the taxing authorities of another state or states make a similar claim with respect to their state or states, the *commissioner of the Department of Revenue*~~[secretary of revenue]~~ may enter into a written agreement with such taxing authorities and the executor, administrator or trustee, fixing the sum acceptable to the *department*~~[cabinet]~~ in full settlement of the inheritance or estate taxes imposable under this chapter. Such agreement shall also fix the sum acceptable to such other state or states in full settlement of the death taxes imposable by such state or states.
- (2) If the aggregate amount payable under such agreement to the states involved is less than the maximum sum allowable as a credit to the estate against the federal estate tax imposed thereon, then the executor, administrator or trustee shall also pay to the State of Kentucky as an estate tax so much of the difference between such aggregate amount and the amount of such credit as the amount payable to Kentucky under the agreement bears to such aggregate amount.

Section 467. KRS 140.290 is amended to read as follows:

Whenever debts are proved against the estate of a decedent after the payment of legacies or distribution of property from which the tax has been deducted or upon which it has been paid, and a refund is made by the legatee, devisee, heir or next of kin, a proportion of the tax so deducted or paid shall be repaid to him, by the personal representative or trustee if the tax has not been paid to the *Department of Revenue*~~[Cabinet]~~, or by the *department*~~[cabinet]~~ if it has been so paid.

Section 468. KRS 140.320 is amended to read as follows:

If, within five (5) years after the death of the decedent, a qualified person sells, conveys, or otherwise transfers the ownership, directly or indirectly, of the qualified real estate to any person or persons other than another qualified person who is a joint owner or the qualified real estate is converted to a use other than agricultural or horticultural use, then the qualified persons to whom the property passed at the death of the decedent in whose estate the agricultural or horticultural value was reported shall cause to be paid, pursuant to administrative regulations promulgated by the *Department of Revenue*~~[Cabinet]~~, the additional inheritance tax that would have been due on the decedent's estate if fair market value had been used to compute the tax due on the estate rather than the agricultural or horticultural value, along with interest at the tax interest rate as defined in KRS 131.010(6).

Section 469. KRS 140.330 is amended to read as follows:

In the event the qualified real estate is reported for inheritance tax purposes at its agricultural or horticultural value and that real estate has been assessed at its agricultural or horticultural value for ad valorem tax purposes, then that assessment shall be presumed to be its agricultural or horticultural value for inheritance tax purposes. If, however, the real estate has not been so assessed for ad valorem tax purposes, then the agricultural or horticultural value shall be determined pursuant to KRS Chapter 132 and such regulations as may be promulgated by the *Department of Revenue*~~[Cabinet]~~ to determine horticultural or agricultural value for inheritance tax purposes.

Section 470. KRS 140.350 is amended to read as follows:

At such time as the *Department of Revenue*~~[Cabinet]~~ accepts the agricultural or horticultural value on qualified real estate comprising a portion of a decedent's estate and issues tax waivers thereon, it shall cause to be filed in the office of the county clerk of the county where the real estate or the greater portion thereof is located, on a form prescribed by the *Department of Revenue*~~[Cabinet]~~, a lien which on its face shall expire in five (5) years and the lien shall secure the payment of any additional tax which may become due as the result of the qualified real estate being sold to others than qualified persons or the qualified real estate being converted to other than a qualified use.

If additional taxes are due as the result of the real estate being transferred to other than a qualified person or its use is converted to other than agricultural or horticultural use, and the additional tax is not paid after assessment of the tax, within the time prescribed by the regulations of the *Department of Revenue*~~[Cabinet]~~, then the *Department of Revenue*~~[Cabinet]~~ may proceed to enforce the lien in accordance with law.

- (6) Interest is allocable to this state if the corporation's commercial domicile is in this state.
- (7) (a) Patent and copyright royalties are allocable to this state if and to the extent that the patent or copyright is utilized by the payer in this state; or if and to the extent that the patent or copyright is utilized by the payer in a state in which the corporation is not taxable and the corporation's commercial domicile is in this state.
- (b) A patent is utilized in a state to the extent that it is employed in production, fabrication, manufacturing, or other processing in the state or to the extent that a patented product is produced in the state. If the basis of receipts from patent royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the patent is utilized in the state in which the corporation's commercial domicile is located.
- (c) A copyright is utilized in a state to the extent that printing or other publication originates in the state. If the basis of receipts from copyright royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the copyright is utilized in the state in which the corporation's commercial domicile is located.
- (8) Except as provided for in subsection (9) of this section, all business income shall be apportioned to this state by multiplying the income by a fraction, the numerator of which is the property factor plus the payroll factor plus the sales factor, and the denominator of which is three (3); provided, however, that effective with taxable years beginning after July 31, 1985, in lieu of the equally weighted three (3) factor apportionment fraction based on property, payroll, and sales, an apportionment fraction composed of a sales factor representing fifty percent (50%) of the fraction, a property factor representing twenty-five percent (25%) of the fraction, and a payroll factor representing twenty-five percent (25%) of the fraction shall be used.
  - (a) The property factor is a fraction, the numerator of which is the average value of the corporation's real and tangible personal property owned or rented and used in this state during the tax period and the denominator of which is the average value of all the corporation's real and tangible personal property owned or rented and used during the tax period; provided, however, that property which has been certified as a pollution control facility as defined in KRS 224.01-300 shall be excluded from the property factor.
    1. Property owned is valued at its original cost. If the original cost of any property is not determinable or is nominal or zero (0) the property shall be valued by the ~~department~~<sup>cabinet</sup> pursuant to administrative regulations promulgated by the ~~department~~<sup>cabinet</sup>. Property rented is valued at eight (8) times the net annual rental rate. Net annual rental rate is the annual rental rate paid by the corporation less any annual rental rate received by the corporation from subrentals, provided that the rental and subrentals are reasonable. If the ~~department~~<sup>cabinet</sup> determines that the annual rental or subrental rate is unreasonable, or if a nominal or zero (0) rate is charged, the ~~department~~<sup>cabinet</sup> may determine and apply the rental rate as will reasonably reflect the value of the property rented by the corporation.
    2. The average value of property shall be determined by averaging the values at the beginning and ending of the tax period but the ~~department~~<sup>cabinet</sup> may require the averaging of monthly

values during the tax period if reasonably required to reflect properly the average value of the property.

- (b) The payroll factor is a fraction, the numerator of which is the total amount paid or payable in this state during the tax period by the corporation for compensation, and the denominator of which is the total compensation paid or payable by the corporation everywhere during the tax period. Compensation is paid or payable in this state if:
1. The individual's service is performed entirely within the state;
  2. The individual's service is performed both within and without the state, but the service performed without the state is incidental to the individual's service within the state; or
  3. Some of the service is performed in the state and the base of operations or, if there is no base of operations, the place from which the service is directed or controlled is in the state, or the base of operations or the place from which the service is directed or controlled is not in any state in which some part of the service is performed, but the individual's residence is in this state.
- (c) 1. The sales factor is a fraction, the numerator of which is the total sales of the corporation in this state during the tax period, and the denominator of which is the total sales of the corporation everywhere during the tax period.
2. Sales of tangible personal property are in this state if:
- a. The property is delivered or shipped to a purchaser, other than the United States government, or to the designee of the purchaser within this state regardless of the f.o.b. point or other conditions of the sale; or
  - b. The property is shipped from an office, store, warehouse, factory, or other place of storage in this state and the purchaser is the United States government.
3. Sales, other than sales of tangible personal property, are in this state if the income-producing activity is performed in this state; or the income-producing activity is performed both in and outside this state and a greater proportion of the income-producing activity is performed in this state than in any other state, based on costs of performance.
- (9) (a) If the allocation and apportionment provisions of this section do not fairly represent the extent of the corporation's business activity in this state, the corporation may petition for or the ~~department~~<sup>cabinet</sup> may require, in respect to all or any part of the corporation's business activity, if reasonable:
1. Separate accounting;
  2. The exclusion of any one (1) or more of the factors;
  3. The inclusion of one (1) or more additional factors which will fairly represent the corporation's business activity in this state; or
  4. The employment of any other method to effectuate an equitable allocation and apportionment of income.
- (b) A corporation may elect the allocation and apportionment methods for the corporation's business income provided for in subparagraphs 1. and 2. of this paragraph. The election, if made, shall be irrevocable for a period of five years.
1. All business income derived directly or indirectly from the sale of management, distribution, or administration services to or on behalf of regulated investment companies, as defined under the Internal Revenue Code of 1986, as amended, including trustees, and sponsors or participants of employee benefit plans which have accounts in a regulated investment company, shall be apportioned to this state only to the extent that shareholders of the investment company are domiciled in this state as follows:
    - a. Total business income shall be multiplied by a fraction, the numerator of which shall be Kentucky receipts from the services for the tax period and the denominator of which shall be the total receipts everywhere from the services for the tax period.
    - b. For purposes of subdivision a. of this subparagraph, Kentucky receipts shall be determined by multiplying total receipts for the tax period from each separate investment company for

which the services are performed by a fraction. The numerator of the fraction shall be the average of the number of shares owned by the investment company's shareholders domiciled in this state at the beginning of and at the end of the investment company's taxable year, and the denominator of the fraction shall be the average of the number of the shares owned by the investment company shareholders everywhere at the beginning of and at the end of the investment company's taxable year.

- c. Nonbusiness income shall be allocated to this state as provided in subsections (4) through (7) of this section.
2. All business income derived directly or indirectly from the sale of securities brokerage services by a business which operates within the boundaries of any area of the Commonwealth, which on June 30, 1992, was designated as a Kentucky Enterprise Zone, as defined in KRS 154.655(2), shall be apportioned to this state only to the extent that customers of the securities brokerage firm are domiciled in this state. The portion of business income apportioned to Kentucky shall be determined by multiplying the total business income from the sale of these services by a fraction determined in the following manner:
    - a. The numerator of the fraction shall be the brokerage commissions and total margin interest paid in respect of brokerage accounts owned by customers domiciled in Kentucky for the brokerage firm's taxable year; and
    - b. The denominator of the fraction shall be the brokerage commissions and total margin interest paid in respect of brokerage accounts owned by all of the brokerage firm's customers for that year.
    - c. Nonbusiness income shall be allocated to this state as provided in subsections (4) through (7) of this section.
- (10) Public service companies and financial organizations required by KRS 141.010(14)(b) to allocate and apportion net income shall allocate and apportion such income as follows:
- (a) Nonbusiness income shall be allocated to this state as provided in subsections (4) through (7) of this section.
  - (b) Business income shall be apportioned to this state by multiplying the business income by a fraction, the numerator of which is the property factor plus the payroll factor plus the sales factor and the denominator of which is three (3); provided, however, that effective with taxable years beginning after July 31, 1985, in lieu of the equally weighted three (3) factor apportionment fraction based on property, payroll, and sales, an apportionment fraction composed of a sales factor representing fifty percent (50%) of the fraction, a property factor representing twenty-five percent (25%) of the fraction, and a payroll factor representing twenty-five percent (25%) of the fraction shall be used. The payroll factor shall be determined as provided in subsection (8)(b) of this section. The property factor and sales factor shall be determined as provided by administrative regulations promulgated by the ~~department~~~~cabinet~~.
  - (c) An affiliated group electing to file a consolidated return under KRS 141.200(3) that includes a public service company or financial organization shall determine the amount of payroll to be included in the apportionment factor as provided in subsection (8)(b) of this section. The amount of property and sales of the public service company or financial organization to be included in the apportionment factors of the affiliated group shall be determined in accordance with administrative regulations promulgated by the ~~department~~~~cabinet~~ under paragraph (b) of this subsection.

~~department~~~~cabinet~~ of the payments made. Every person subject to the jurisdiction of this state, in whatever capacity acting, making payment of wages to another person domiciled in this state, shall render a true and accurate report to the ~~department~~~~cabinet~~ of the payments made. In the case of such payments made by the state and its political subdivisions, the officers or employees having information as to such payments designated by the ~~department~~~~cabinet~~ by the regulations hereinafter provided for shall make such reports. The reports shall be made under the regulations and in the form and manner and to the extent prescribed by the ~~department~~~~cabinet~~, and shall set forth the amount of the gains, wages, profits and income, and the name and address of the recipient of the payments. The ~~department~~~~cabinet~~ may also require any person to make information reports respecting nonresidents it believes to be subject to income tax.

- (3) The reports contemplated by this section may be required, regardless of amounts, in the case of payments of dividends or interest upon bonds, mortgages, deeds of trust or other similar obligations of corporations. When necessary to make effective the provisions of this section, the name and address of the recipient of the income shall be furnished upon demand of the person paying the income. In the case of an individual who is abroad, the extension shall not be granted for more than one (1) year.
- (2) A corporation may be granted an extension of not more than six (6) months for filing its income tax return, provided the corporation, on or before the date prescribed for payment of the tax, requests the extension and pays the amount properly estimated as its tax.

- (2) The *department*~~{cabinet}~~ is authorized and empowered to assess the tax against any of the corporations whose income is included in the consolidated or combined return in such manner as it may determine necessary to prevent the avoidance of income tax.

Section 489. KRS 141.206 is amended to read as follows:

- (1) Every partnership or S corporation owning property or engaging in business in Kentucky, shall, on or before the fifteenth day of the fourth month following the close of its annual accounting period, file a copy of its federal partnership return or S corporation return with the form prescribed and furnished by the *department*~~{cabinet}~~.
- (2) Partnerships and S corporations shall determine taxable income in the same manner as in the case of an individual under KRS 141.010(9) to (11) and the adjustment required under Sections 703(a) and 1363(b) of the Internal Revenue Code. Computation of taxable income under this section and the computation of the partners or shareholders distributive share shall be computed as nearly as practicable identical with those required for federal income tax purposes except to the extent required by differences between this chapter and the federal income tax law and regulations.
- (3) Individuals or corporations carrying on a business as a partnership or S corporation shall be liable for income tax only in their individual or corporate capacities, and no income tax shall be assessed upon the income of any partnership or S corporation except as prescribed in KRS 141.040(5).
