- (4) Information on the human immunodeficiency virus infection shall be presented to any person who receives treatment at any hospital, however named, skilled-nursing facilities, primary-care centers, rural health clinics, outpatient clinics, ambulatory-care facilities, ambulatory surgical centers, and emergency-care centers licensed pursuant to KRS Chapter 216B. The information shall include but not be limited to methods of transmission and prevention and appropriate behavior and attitude change.
- (5) Notwithstanding any provision of law to the contrary, the licensing board or certifying entity of any profession required to complete the course described in subsection (1) or (2) of this section shall have the discretion to develop and approve its own instructional course to be required for the profession under the jurisdiction of the respective licensing board or certifying entity.

Section 467. KRS 214.625 is amended to read as follows:

- (1) The General Assembly finds that the use of tests designed to reveal a condition indicative of human immunodeficiency virus (HIV) infection can be a valuable tool in protecting the public health. The General Assembly finds that despite current scientific knowledge that zidovudine (AZT) prolongs the lives of acquired immunodeficiency syndrome victims, and may also be effective when introduced in the early stages of human immunodeficiency virus infection, many members of the public are deterred from seeking testing because they misunderstand the nature of the test or fear that test results will be disclosed without their consent. The General Assembly finds that the public health will be served by facilitating informed, voluntary, and confidential use of tests designed to detect human immunodeficiency virus infection.
- (2) A person who has signed a general consent form for the performance of medical procedures and tests is not required to also sign or be presented with a specific consent form relating to medical procedures or tests to determine human immunodeficiency virus infection, antibodies to human immunodeficiency virus, or infection with any other causative agent of acquired immunodeficiency syndrome that will be performed on the person during the time in which the general consent form is in effect. However, a general consent form shall instruct the patient that, as part of the medical procedures or tests, the patient may be tested for human immunodeficiency virus infection, hepatitis, or any other blood-borne infectious disease if a doctor orders the test for diagnostic purposes. Except as otherwise provided in subsection (5)(c) of this section, the results of a test or procedure to determine human immunodeficiency virus infection, antibodies to human immunodeficiency virus, or infection with any probable causative agent of acquired immunodeficiency syndrome performed under the authorization of a general consent form shall be used only for diagnostic or other purposes directly related to medical treatment.
- (3) In any emergency situation where informed consent of the patient cannot reasonably be obtained before providing health-care services, there is no requirement that a health-care provider obtain a previous informed consent.
- (4) The physician who orders the test pursuant to subsections (1) and (2) of this section, or the attending physician, shall be responsible for informing the patient of the results of the test if the test results are positive for human immunodeficiency virus infection. If the tests are positive, the physician shall also be responsible for either:
  - (a) Providing information and counseling to the patient concerning his infection or diagnosis and the known medical implications of such status or condition; or
  - (b) Referring the patient to another appropriate professional or health-care facility for the information and counseling.

- (5) (a) No person in this state shall perform a test designed to identify the human immunodeficiency virus, or its antigen or antibody, without first obtaining the informed consent of the person upon whom the test is being performed, except as specified in subsections (2) and (3) of this section.
- (b) No test result shall be determined as positive, and no positive test result shall be revealed to any person, without corroborating or confirmatory tests being conducted.
- (c) No person who has obtained or has knowledge of a test result pursuant to this section shall disclose or be compelled to disclose the identity of any person upon whom a test is performed, or the results of the test in a manner which permits identification of the subject of the test, except to the following persons:
1. The subject of the test or the subject's legally authorized representative;
  2. Any person designated in a legally effective release of the test results executed prior to or after the test by the subject of the test or the subject's legally authorized representative;
  3. A physician, nurse, or other health-care personnel who has a legitimate need to know the test result in order to provide for his protection and to provide for the patient's health and welfare;
  4. Health-care providers consulting between themselves or with health-care facilities to determine diagnosis and treatment;
  5. The cabinet, in accordance with rules for reporting and controlling the spread of disease, as otherwise provided by state law;
  6. A health facility or health-care provider which procures, processes, distributes, or uses:
    - a. A human body part from a deceased person, with respect to medical information regarding that person; or
    - b. Semen provided prior to July 13, 1990, for the purpose of artificial insemination;
  7. Health facility staff committees, for the purposes of conducting program monitoring, program evaluation, or service reviews;
  8. Authorized medical or epidemiological researchers who shall not further disclose any identifying characteristics or information;
  9. A parent, foster parent, or legal guardian of a minor; a crime victim; or a person specified in KRS 438.250;
  10. A person allowed access by a court order which is issued in compliance with the following provisions:
    - a. No court of this state shall issue an order to permit access to a test for human immunodeficiency virus performed in a medical or public health setting to any person not authorized by this section or by KRS 214.420. A court may order an individual to be tested for human immunodeficiency virus only if the person seeking the test results has demonstrated a compelling need for the test results which cannot be accommodated by other means. In assessing compelling need, the court shall weigh the need for testing and disclosure against the privacy interest of the test subject and the public interest which may be disserved by disclosure which deters blood, organ, and semen donation and future human immunodeficiency virus-related testing or which may lead to discrimination. This paragraph shall not apply to blood bank donor records;
    - b. Pleadings pertaining to disclosure of test results shall substitute a pseudonym for the true name of the subject of the test. The disclosure to the parties of the subject's true name shall be communicated confidentially, in documents not filed with the court;
    - c. Before granting any order, the court shall provide the individual whose test result is in question with notice and a reasonable opportunity to participate in the proceedings if he is not already a party;
    - d. Court proceedings as to disclosure of test results shall be conducted in camera, unless the subject of the test agrees to a hearing in open court or unless the court determines that a public hearing is necessary to the public interest and the proper administration of justice; and

- e. Upon the issuance of an order to disclose test results, the court shall impose appropriate safeguards against unauthorized disclosure, which shall specify the persons who may have access to the information, the purposes for which the information shall be used, and appropriate prohibitions on future disclosure.

No person to whom the results of a test have been disclosed shall disclose the test results to another person except as authorized by this subsection. When disclosure is made pursuant to this subsection, it shall be accompanied by a statement in writing which includes the following or substantially similar language: "This information has been disclosed to you from records whose confidentiality is protected by state law. State law prohibits you from making any further disclosure of such information without the specific written consent of the person to whom such information pertains, or as otherwise permitted by state law. A general authorization for the release of medical or other information is NOT sufficient for this purpose." An oral disclosure shall be accompanied by oral notice and followed by a written notice within ten (10) days.

- (6) (a) The Cabinet for Health *and Family* Services shall establish a network of voluntary human immunodeficiency virus testing programs in every county in the state. These programs shall be conducted in each public health department established under the provisions of KRS Chapter 211. Additional programs may be contracted to other private providers to the extent that finances permit and local circumstances dictate.
- (b) Each public health department shall have the ability to provide counseling and testing for the human immunodeficiency virus to each patient who receives services and shall offer the testing on a voluntary basis to each patient who requests the test.
- (c) Each public health department shall provide a program of counseling and testing for human immunodeficiency virus infection, on an anonymous or confidential basis, dependent on the patient's desire. If the testing is performed on an anonymous basis, only the statistical information relating to a positive test for human immunodeficiency virus infection shall be reported to the cabinet. If the testing is performed on a confidential basis, the name and other information specified in KRS 214.645 shall be reported to the cabinet. The cabinet shall continue to provide for anonymous testing and counseling.
- (d) The result of a serologic test conducted under the auspices of the cabinet shall not be used to determine if a person may be insured for disability, health, or life insurance or to screen or determine suitability for, or to discharge a person from, employment. Any person who violates the provisions of this subsection shall be guilty of a Class A misdemeanor.
- (7) No public health department and no other person in this state shall conduct or hold themselves out to the public as conducting a testing program for acquired immunodeficiency syndrome, acquired immunodeficiency syndrome related complex, or human immunodeficiency virus status without first registering with the cabinet, complying with all other applicable provisions of state law, and meeting the following requirements:
  - (a) The program shall be directed by a person who has completed an educational course approved by the cabinet in the counseling of persons with acquired immunodeficiency syndrome, acquired immunodeficiency syndrome related complex, or human immunodeficiency virus infection;
  - (b) The program shall have all medical care supervised by a physician licensed under the provisions of KRS Chapter 311;
  - (c) The program shall have all laboratory procedures performed in a laboratory licensed under the provisions of KRS Chapter 333;
  - (d) Informed consent shall be required prior to testing. Informed consent shall be preceded by an explanation of the test, including its purpose, potential uses, and limitations and the meaning of its results;
  - (e) The program, unless it is a blood donor center, shall provide pretest counseling on the meaning of a test for human immunodeficiency virus, including medical indications for the test; the possibility of false positive or false negative results; the potential need for confirmatory testing; the potential social, medical, and economic consequences of a positive test result; and the need to eliminate high-risk behavior;

- (f) The program shall provide supplemental corroborative testing on all positive test results before the results of any positive test is provided to the patient;
  - (g) The program shall provide post-test counseling, in person, on the meaning of the test results; the possible need for additional testing; the social, medical, and economic consequences of a positive test result; and the need to eliminate behavior which might spread the disease to others;
  - (h) Each person providing post-test counseling to a patient with a positive test result shall receive specialized training, to be specified by regulation of the cabinet, about the special needs of persons with positive results, including recognition of possible suicidal behavior, and shall refer the patient for further health and social services as appropriate;
  - (i) When services are provided for a charge during pretest counseling, testing, supplemental testing, and post-test counseling, the program shall provide a complete list of all charges to the patient and the cabinet; and
  - (j) Nothing in this subsection shall be construed to require a facility licensed under KRS Chapter 333 or a person licensed under the provisions of KRS Chapters 311, 312, or 313 to register with the cabinet if he or she does not advertise or hold himself or herself out to the public as conducting testing programs for human immunodeficiency virus infection or specializing in such testing.
- (8) Any violation of this section by a licensed health-care provider shall be a ground for disciplinary action contained in the professional's respective licensing chapter.
  - (9) Except as provided in subsection (6)(d) of this section and KRS 304.12-013, insurers and others participating in activities related to the insurance application and underwriting process shall be exempt from this section.
  - (10) The cabinet shall develop program standards consistent with the provisions of this section for counseling and testing persons for the human immunodeficiency virus.

The reporting shall include the data including, but not limited to, CD4 count and viral load, and other information that are necessary to comply with the confidentiality and reporting requirements of the most recent edition of the Centers for Disease Control and Prevention's (CDC) Guidelines for National Human Immunodeficiency Virus Case Surveillance.   - (f) Provide that records be stored in a physically secluded area and protected by coded passwords and computer encryption;
  - (g) Restrict access to data a minimum number of authorized surveillance staff who are designated by a responsible authorizing official, who have been trained in confidentiality procedures, and who are aware of penalties for unauthorized disclosure of surveillance information;

This section applies to all life and health insurance contracts which are delivered or issued for delivery in Kentucky on or after July 13, 1990.
- (2) This section shall not prohibit an insurer from contesting the validity of an insurance contract or whether a claim is covered under an insurance contract to the extent allowed by law.
- (3) As used in this section:
- (a) "Human immunodeficiency virus" (HIV) means the causative agent of acquired immunodeficiency syndrome (AIDS) or any other type of immunosuppression caused by the human immunodeficiency virus;

- (c) "Insurer" means an insurer, a nonprofit hospital, medical-surgical, dental, and health service corporation, a health maintenance organization, or a prepaid dental plan organization.
- (4) (a) In the underwriting of an insurance contract regarding human immunodeficiency virus infection and health conditions derived from such infection, the insurer shall utilize medical tests which are reliable predictors of risk. Only a test which is recommended by the Centers for Disease Control or by the Food and Drug Administration is deemed to be reliable for the purposes of this section. If a specific Centers for Disease Control or Food and Drug Administration-recommended test indicates the existence or possible existence of human immunodeficiency virus infection or a health condition related to the human immunodeficiency virus infection, before relying on a single test to deny issuance of an insurance contract, limit coverage under an insurance contract, or to establish the premium for an insurance contract, the insurer shall follow the applicable Centers for Disease Control or Food and Drug Administration-recommended test protocol and shall utilize any applicable Centers for Disease Control or Food and Drug Administration-recommended follow-up tests or series of tests to confirm the indication.
- (b) Prior to testing, the insurer shall disclose in writing its intent to test the applicant for the human immunodeficiency virus infection or for a specific health condition derived therefrom and shall obtain the applicant's written informed consent to administer the test. Written informed consent shall include a fair explanation of the test, including its purpose, potential uses and limitations, the meaning of its results, and the right to confidential treatment of information. Use of a form prescribed by the department shall raise a conclusive presumption of informed consent.
- (c) An applicant shall be notified of a positive test result by a physician designated by the applicant, or, in the absence of such designation, by the Cabinet for Health *and Family* Services. The notification shall include:
1. Face-to-face post-test counseling on the meaning of the test results, the possible need for additional testing, and the need to eliminate behavior which might spread the disease to others;

2. The availability in the geographic area of any appropriate health-care services, including mental health care, and appropriate social and support services;
  3. The benefits of locating and counseling any person by whom the infected person may have been exposed to human immunodeficiency virus and any person whom the infected person may have exposed to the virus; and
  4. The availability, if any, of the services of public health authorities with respect to locating and counseling any person described in subparagraph 3. of this paragraph.
- (d) A medical test for human immunodeficiency virus infection or for a health condition derived from the infection shall only be required or given to an applicant for an insurance contract on the basis of the applicant's health condition or health history, on the basis of the amount of insurance applied for, or if the test is required of all applicants.
- (e) An insurer may ask whether an applicant for an insurance contract has been tested positive for human immunodeficiency virus infection or other health conditions derived from such infection. Insurers shall not inquire whether the applicant has been tested for or has received a negative result from a specific test for human immunodeficiency virus infection or for a health condition derived from such infection.
- (f) Insurers shall maintain strict confidentiality of the results of tests for human immunodeficiency virus infection or a specific health condition derived from human immunodeficiency virus infection. Information regarding specific test results shall be disclosed only as required by law or pursuant to a written request or authorization by the applicant. Insurers may disclose results pursuant to a specific written request only to the following persons:
1. The applicant;
  2. A licensed physician or other person designated by the applicant;
  3. An insurance medical-information exchange under procedures that are used to assure confidentiality, such as the use of general codes that also cover results of tests for other diseases or conditions not related to human immunodeficiency virus infection;
  4. For the preparation of statistical reports that do not disclose the identity of any particular applicant;
  5. Reinsurers, contractually retained medical personnel, and insurer affiliates if these entities are involved solely in the underwriting process and under procedures that are designed to assure confidentiality;
  6. To insurer personnel who have the responsibility to make underwriting decisions; and
  7. To outside legal counsel who needs the information to represent the insurer effectively in regard to matters concerning the applicant.
- (g) Insurers shall use for the processing of human immunodeficiency virus-related tests only those laboratories that are certified by the United States Department of Health and Human Services under the Clinical Laboratory Improvement Act of 1967, which permit testing of specimens in interstate commerce, and which subject themselves to ongoing proficiency testing by the College of American Pathologists, the American Association of Bioanalysts, or an equivalent program approved by the Centers for Disease Control.
- (5) (a) An insurance contract shall not exclude coverage for human immunodeficiency virus infection. An insurance contract shall not contain benefit provisions, terms, or conditions which apply to human immunodeficiency virus infection in a different manner than those which apply to any other health condition. Insurance contracts which violate this paragraph shall be disapproved by the commissioner pursuant to KRS 304.14-130(1)(a), 304.32-160, and 304.38-050.
- (b) A health insurance contract shall not be canceled or nonrenewed solely because a person or persons covered by the contract has been diagnosed as having or has been treated for human immunodeficiency virus infection.
- (c) Sexual orientation shall not be used in the underwriting process or in the determination of which applicants shall be tested for exposure to the human immunodeficiency virus infection. Neither the

marital status, the living arrangements, the occupation, the gender, the beneficiary designation, nor the zip code or other territorial classification of an applicant's sexual orientation.

- (d) This subsection does not prohibit the issuance of accident only or specified disease insurance contracts.

The provisions of this paragraph shall not be construed to require the clerk of a religious society to be present at the marriage so long as the witnesses of the society are present;
  - (c) A dated signature of the person performing the ceremony; and
  - (d) A signed statement by the county clerk or a deputy county clerk of the county in which the marriage license was issued that the marriage certificate was recorded. The statement shall indicate the name of the county and the date the marriage certificate was recorded.

- (b) A dated signature of the person performing the ceremony or the clerk of the religious society performing the ceremony.
- (4) Any Social Security number recorded on the marriage license shall be stored by the county clerk with a nonidentifying numeric, and the nonidentifying numeric shall be recorded on the marriage license form. The Social Security number shall not be available for public release except for use by the Cabinet for **Health and Family Services** ~~[Families and Children]~~ in efforts to enforce child support.

Section 622. KRS 402.320 is amended to read as follows:

Every physician examining applicants for a marriage license may obtain an appropriate blood specimen from each applicant and forward same to the Division of Laboratory Services, Cabinet for Health **and Family Services**, or to a laboratory approved by the cabinet, to ascertain the existence or nonexistence of sickle cell trait or sickle cell disease, or any other genetically transmitted disease which affects hemoglobin. In the event the laboratory tests indicate that both applicants are carriers of a trait or disease, the physician may provide genetic counseling or refer the applicants to the cabinet or to an agency approved by the cabinet for such counseling.

Section 623. KRS 402.340 is amended to read as follows:

The secretary for health **and family** services shall adopt rules and regulations for the proper administration and enforcement of KRS 402.310 to 402.340.

Section 624. KRS 403.211 is amended to read as follows:

- (1) An action to establish or enforce child support may be initiated by the parent, custodian, or agency substantially contributing to the support of the child. The action may be brought in the county in which the child resides or where the defendant resides.
- (2) At the time of initial establishment of a child support order, whether temporary or permanent, or in any proceeding to modify a support order, the child support guidelines in KRS 403.212 shall serve as a rebuttable presumption for the establishment or modification of the amount of child support. Courts may deviate from the guidelines where their application would be unjust or inappropriate. Any deviation shall be accompanied by a written finding or specific finding on the record by the court, specifying the reason for the deviation.
- (3) A written finding or specific finding on the record that the application of the guidelines would be unjust or inappropriate in a particular case shall be sufficient to rebut the presumption and allow for an appropriate adjustment of the guideline award if based upon one (1) or more of the following criteria:
  - (a) A child's extraordinary medical or dental needs;
  - (b) A child's extraordinary educational, job training, or special needs;
  - (c) Either parent's own extraordinary needs, such as medical expenses;
  - (d) The independent financial resources, if any, of the child or children;
  - (e) Combined monthly adjusted parental gross income in excess of the Kentucky child support guidelines;
  - (f) The parents of the child, having demonstrated knowledge of the amount of child support established by the Kentucky child support guidelines, have agreed to child support different from the guideline amount. However, no such agreement shall be the basis of any deviation if public assistance is being paid on behalf of a child under the provisions of Part D of Title IV of the Federal Social Security Act; and
  - (g) Any similar factor of an extraordinary nature specifically identified by the court which would make application of the guidelines inappropriate.
- (4) "Extraordinary" as used in this section shall be determined by the court in its discretion.
- (5) When a party has defaulted or the court is otherwise presented with insufficient evidence to determine gross income, the court shall order child support based upon the needs of the child or the previous standard of living of the child, whichever is greater. An order entered by default or due to insufficient evidence to determine gross income may be modified upward and arrearages awarded from the date of the original order if evidence of gross income is presented within two (2) years which would have established a higher amount of child support pursuant to the child support guidelines set forth in KRS 403.212.

- (6) The court shall allocate between the parents, in proportion to their combined monthly adjusted parental gross income, reasonable and necessary child care costs incurred due to employment, job search, or education leading to employment, in addition to the amount ordered under the child support guidelines.
- (7) (a) If health care insurance coverage is reasonable and available at the time the request for coverage is made, the court shall allocate between the parents, in proportion to their combined monthly adjusted parental gross income, the cost of health care insurance coverage for the child, in addition to the support ordered under the child support guidelines.
- (b) A parent, who has one hundred percent (100%) of the combined monthly adjusted parental gross income, shall be entitled to a reduction in gross income of the entire amount of premiums incurred and paid.
- (c) The court shall order the cost of health care of the child to be paid by either or both parents of the child regardless of who has physical custody. The court order shall include:
1. A judicial directive designating which parent shall have financial responsibility for providing health care for the dependent child, which shall include, but not be limited to, insurance coverage, payments of necessary health care deductibles or copayments; and
  2. A statement providing that if the designated parent's health care coverage provides for covered services for dependent children beyond the age of majority, then any unmarried children up to twenty-five (25) years of age who are full-time students enrolled in and attending an accredited educational institution and who are primarily dependent on the insured parent for maintenance and support shall be covered.
- (d) If health care insurance coverage is not reasonable and available at the time the request for the coverage is made, the court order shall provide for health care insurance coverage at the time it becomes reasonable and available.
- (8) The cost of extraordinary medical expenses shall be allocated between the parties in proportion to their combined monthly adjusted parental gross incomes. "Extraordinary medical expenses" means uninsured expenses in excess of one hundred dollars (\$100) per child per calendar year. "Extraordinary medical expenses" includes, but is not limited to, the costs that are reasonably necessary for medical, surgical, dental, orthodontal, optometric, nursing, and hospital services; for professional counseling or psychiatric therapy for diagnosed medical disorders; and for drugs and medical supplies, appliances, laboratory, diagnostic, and therapeutic services.
- (9) The court order shall include the Social Security numbers of all parties subject to a support order.
- (10) In any case administered by the Cabinet for **Health and Family Services**~~[Families and Children]~~, if the parent ordered to provide health care coverage is enrolled through an insurer but fails to enroll the child under family coverage, the other parent or the Cabinet for **Health and Family Services**~~[Families and Children]~~ may, upon application, enroll the child.
- (11) In any case administered by the cabinet, information received or transmitted shall not be published or be open for public inspection, including reasonable evidence of domestic violence or child abuse if the disclosure of the information could be harmful to the custodial parent or the child of the parent. Necessary information and records may be furnished as specified by KRS 205.175.
- (12) In the case in which a noncustodial parent provides health care coverage, and changes employment, and the new employer provides health care coverage, the Cabinet for **Health and Family Services**~~[Families and Children]~~ shall transfer notice of the provision for coverage for the child to the employer, which shall operate to enroll this child in the noncustodial parent's health plan, unless the noncustodial parent contests the notice as specified by KRS Chapter 13B.
- (13) Notwithstanding any other provision of this section, any wage or income shall not be exempt from attachment or assignment for the payment of current child support or owed or to-be-owed child support.
- (14) A payment of money received by a child as a result of a parental disability shall be credited against the child support obligation of the parent. A payment shall not be counted as income to either parent when calculating a child support obligation. An amount received in excess of the child support obligation shall be credited against a child support arrearage owed by the parent that accrued subsequent to the date of the parental disability, but

shall not be applied to an arrearage that accrued prior to the date of disability. The date of disability shall be as determined by the paying agency.

Section 625. KRS 403.213 is amended to read as follows:

- (1) The Kentucky child support guidelines may be used by the parent, custodian, or agency substantially contributing to the support of the child as the basis for periodic updates of child support obligations and for modification of child support orders for health care. The provisions of any decree respecting child support may be modified only as to installments accruing subsequent to the filing of the motion for modification and only upon a showing of a material change in circumstances that is substantial and continuing.
- (2) Application of the Kentucky child support guidelines to the circumstances of the parties at the time of the filing of a motion or petition for modification of the child support order which results in equal to or greater than a fifteen percent (15%) change in the amount of support due per month shall be rebuttably presumed to be a material change in circumstances. Application which results in less than a fifteen percent (15%) change in the amount of support due per month shall be rebuttably presumed not to be a material change in circumstances. For the one (1) year period immediately following enactment of this statute, the presumption of material change shall be a twenty-five percent (25%) change in the amount of child support due rather than the fifteen percent (15%) stated above.
- (3) Unless otherwise agreed in writing or expressly provided in the decree, provisions for the support of a child shall be terminated by emancipation of the child unless the child is a high school student when he reaches the age of eighteen (18). In cases where the child becomes emancipated because of age, but not due to marriage, while still a high school student, the court-ordered support shall continue while the child is a high school student, but not beyond completion of the school year during which the child reaches the age of nineteen (19) years. Provisions for the support of the child shall not be terminated by the death of a parent obligated to support the child. If a parent obligated to pay support dies, the amount of support may be modified, revoked, or commuted to a lump-sum payment, to the extent just and appropriate in the circumstances. Emancipation of the child shall not terminate the obligation of child support arrearages that accrued while the child was an unemancipated minor.
- (4) The child support guidelines table shall be reviewed at least once every four (4) years by a commission consisting of the following persons:
  - (a) The secretary of the Cabinet for **Health and Family Services**~~[Families and Children]~~ or a supervisory staff person designated by him;
  - (b) Two (2) members of the Kentucky Bar Association who have at least six (6) consecutive years' experience and are presently practicing domestic relations cases, one (1) member from a metropolitan or large urban area and one (1) member from a less populated area;

- (1) All support orders issued by the Cabinet for **Health and Family Services**~~[Families and Children]~~, including those issued pursuant to Part D, Title IV of the Federal Social Security Act, shall provide for immediate withholding of earnings of the parent or parents obligated to pay child support and medical support as is necessary to pay the child support obligation, except where one (1) of the parties demonstrates, and the court or administrative order finds that there is good cause not to require immediate income withholding, or a written agreement is reached by both parties which provides for an alternative arrangement.

- (4) The cabinet shall advise the obligated parent that a wage withholding has commenced by sending a copy of the order to withhold at the same time that the order is sent to the employer. The only basis for contesting the withholding shall be a mistake of fact or law. If the parent contests the withholding, the cabinet shall give the obligor an opportunity to present his or her case at an administrative hearing conducted in accordance with KRS Chapter 13B and decide if the withholding will continue.
- (5) The cabinet shall combine any administrative or judicial wage withholding order, or multiple administrative or judicial orders for child support and medical support into a single wage withholding order when payable through the cabinet to a single family or to multiple family units.

The allocation by the cabinet shall not result in a withholding for one (1) of the support obligations not being implemented. Amounts resulting from wage withholding shall be allocated on a proportionate basis between multiple family units. Any custodial parent adversely affected by the provisions of this subsection shall have standing to challenge any proportionate allocations and, for good cause shown, a District Court, Circuit Court, or family court of competent jurisdiction may set aside the cabinet's proportional allocations as to the custodial parent.

Any payment exceeding the current monthly child support obligation shall then be applied by the cabinet to the administratively ordered or judicially ordered medical support obligation.

- (11) Any order to withhold earnings under this section shall have priority as against any attachment, execution, or other assignment, notwithstanding any state statute or administrative regulation to the contrary.
- (12) No withholding under this section shall be grounds for discharging from employment, refusing to employ, or taking disciplinary action against any obligor subject to withholding required by this section.
- (13) The remedies provided for in this section shall also be available for applicable support orders issued in other states.
- (14) Interstate requests for withholding of earnings shall be processed by the cabinet.

The court shall provide as an explicit condition of every sentence to probation or conditional discharge that the defendant not commit another offense during the period for which the sentence remains subject to revocation.
- (2) When imposing a sentence of probation or conditional discharge, the court may, in addition to any other reasonable condition, require that the defendant:
  - (a) Avoid injurious or vicious habits;
  - (b) Avoid persons or places of disreputable or harmful character;

- (c) Work faithfully at suitable employment as far as possible;

For good cause shown, the testing fee may be waived by the court.
- (3) When imposing a sentence of probation or conditional discharge in a case where a victim of a crime has suffered monetary damage as a result of the crime due to his property having been converted, stolen, or unlawfully obtained, or its value substantially decreased as a result of the crime, or where the victim suffered actual medical expenses, direct out-of-pocket losses, or loss of earning as a direct result of the crime, or if as a direct result of the crime the victim incurred medical expenses that were paid by the Cabinet for Health *and Family* Services, the Crime Victims Compensation Board, or any other governmental entity, the court shall order the defendant to make restitution in addition to any other penalty provided for the commission of the offense. Payment of restitution to the victim shall have priority over payment of restitution to any government agency. Restitution shall be ordered in the full amount of the damages, unless the damages exceed one hundred thousand dollars (\$100,000) or twice the amount of the gain from the commission of the offense, whichever is greater, in which case the higher of these two (2) amounts shall be awarded. The court may, in lieu of ordering monetary restitution, order the defendant to make restitution by working for or on behalf of the victim. The court shall determine the number of hours of work necessary by applying the then-prevailing federal minimum wage to the total amount of monetary damage caused by or incidental to the commission of the crime. The court may, with the consent of the agency, order the defendant to work as specified in KRS 533.070. This fee shall be paid by the defendant and shall inure to a trust and agency account which shall not lapse and which shall be used to hire additional deputy clerks and office personnel or increase deputy clerk or office personnel salaries, or combination thereof;
  - (c) When a defendant fails to make restitution ordered to be paid through the circuit clerk or a court-authorized program run by the county attorney or the Commonwealth's attorney, the circuit clerk or court-authorized program shall notify the court; and
  - (d) An order of restitution shall not preclude the owner of property or the victim who suffered personal physical or mental injury or out-of-pocket loss of earnings or support or other damages from proceeding in a civil action to recover damages from the defendant. A civil verdict shall be reduced by the amount paid under the criminal restitution order.

- (4) When requiring fees for controlled substances or alcohol tests, or other fees and payments authorized by this section or other statute, except restitution, to be paid by the defendant, the court shall not order the payments to be paid through the circuit clerk.
- (5) When a defendant is sentenced to probation or conditional discharge, he shall be given a written statement explicitly setting forth the conditions under which he is being released.

"Allowable campaign expenditures" means expenditures including reimbursement for actual expenses, made directly and primarily in support of or opposition to a candidate, constitutional amendment, or public question which will appear on the ballot and includes, but is not limited to, expenditures for staff salaries, gifts and meals for volunteer campaign workers, food and beverages provided at a campaign rally, advertising, office space, necessary travel, campaign paraphernalia, purchases of advertisements in athletic and scholastic publications, communications with constituents or prospective voters, polling and consulting, printing, graphic arts, or advertising services, postage, office supplies, stationery, newsletters, and equipment which is used primarily for the administration of the campaign. "Allowable campaign expenditures" does not include expenditures of funds in a campaign account for any purpose made unlawful by other provisions of the Kentucky Revised Statutes or which would bestow a private pecuniary benefit, except for payment of the reasonable value of goods and services provided upon a candidate, member of the candidate's family, committee, or contributing organization, or any of their employees, paid or unpaid, including: tickets to an event which is unrelated to a political campaign or candidacy; items of personal property for distribution to prospective voters except items bearing the name, likeness, or logo of a candidate or a campaign-related communication; expenditures to promote or oppose a candidacy for a leadership position in a governmental, professional, or political organization, or other entity; and equipment or appliances the primary use of which is for purposes outside of the campaign. The provisions of KRS 121.190 notwithstanding, a candidate shall not be required to include a disclaimer on campaign stationery purchased with funds from his campaign account. A member of the General Assembly may utilize funds in his campaign account to purchase admission tickets for political party functions *and caucus campaign committee functions*, to purchase items with a value of not in excess of one hundred dollars (\$100) for donation to a political party *or caucus campaign committee* for auctions and fundraisers, and to participate in or support other events sponsored by a political party *or caucus campaign committee*. A member of the General Assembly may make allowable campaign expenditures in both election years and nonelection years.

- (3) In lieu of the penalties provided in KRS 121.140 and 121.990 for a violation of this section, the registry may, after hearing:

For a candidate for judicial office who desires to be exempt from filing preelection campaign finance reports as provided in this paragraph, the request for exemption shall be filed by the campaign treasurer of the candidate's campaign committee, but the candidate shall be personally liable for any violation if the campaign treasurer accepts contributions or makes expenditures in excess of the limit and shall be subject to the same penalties as a candidate as provided in subparagraph (1)1. or 2. of this subsection. A separate form shall be required for each primary, runoff primary, regular, or special election in which the candidate or slate of candidates participates or in which the public question appears on the ballot, unless the candidate, slate of candidates, or political issues committee chairman indicates on a request for exemption that the request will be applicable to more than one (1) election. The form shall be filed with the same office with which a candidate or slate of candidates files nomination papers or, in the case of a political issues committee, with the registry.
- (b) Any candidate, slate of candidates, or political issues committee shall be exempt from filing any campaign finance reports required by subsections (3) and (4) of this section ~~or KRS 121A.020(5), whichever is applicable,~~ if the candidate, slate of candidates, or political issues committee chairman files a form prescribed and furnished by the registry stating that currently no contributions have been received and that contributions will not be accepted or expended in excess of one thousand dollars (\$1,000) in any one (1) election. For a candidate for judicial office who desires to be exempt from filing any campaign finance reports as provided in this paragraph, the request for exemption shall be filed by the campaign treasurer of the candidate's campaign committee, but the candidate shall be personally liable for any violation if the campaign treasurer accepts contributions or makes expenditures in excess of the limit and shall be subject to the same penalties as a candidate as provided in subparagraph (1)1. or 2. of this subsection. A separate form shall be required for each primary, runoff primary, regular, or special election in which the candidate or slate of candidates participates or in which the public question appears on the ballot, unless the candidate, slate of candidates, or political issues committee chairman indicates on a request for exemption that the request will be applicable to more than one (1) election. The form shall be filed with the same office with which a candidate or slate of candidates files nomination papers or, in the case of a political issues committee, with the registry.
- (c) For a primary election, a candidate or slate of candidates shall file a request for exemption not later than the deadline for filing nomination papers and, except as provided in subparagraph 2. of paragraph (d) of this subsection, shall be bound by its terms unless it is rescinded in writing not later than fifteen (15) days after the filing deadline. A candidate or slate of candidates that revokes a request for exemption in a timely manner may exercise the remaining option or may file all reports required of a candidate intending to raise or spend in excess of three thousand dollars (\$3,000) in an election. If a candidate or slate of candidates elects to exercise a different option, the candidate or slate of candidates shall file the appropriate form with the officer who received the filing papers of the candidate or slate of candidates not later than the deadline for filing a revocation.
2. A candidate for any city or county office or for any school board office, who is exempted from some or all campaign finance reporting requirements pursuant to paragraph (a) or (b) of this subsection but who accepts contributions or makes expenditures in excess of the exempted amount in an election, shall file all applicable reports required for the remainder of that election, based upon the amount of contributions or expenditures the candidate accepts or receives in that election. The filing of applicable required reports by a candidate after the exempted amount is exceeded shall serve as notice to the registry that the initial exemption has been rescinded. - (h) Any candidate or slate of candidates that has filed a request for exemption may petition the registry to determine whether another person is campaigning as a write-in candidate prior to having filed a declaration of intent to receive write-in votes, and, if the registry determines upon a preponderance of the evidence that a person who may later be a write-in candidate is conducting a campaign, the candidate or slate of candidates, except as provided in subparagraph 2. of paragraph (d) of this subsection, may petition the registry to permit the candidate or slate of candidates to exercise the reversion rights provided in subparagraph 1. of paragraph (d) of this subsection.

- (k) Except as provided in subparagraph 2. of paragraph (d) of this subsection, the campaign committee of any candidate or slate of candidates that has filed a request for exemption or a political issues committee whose chairman has filed a request for exemption shall be bound by its terms unless it is rescinded in a timely manner and no new request for exemption has been executed.

AN ACT relating to the revenues and expenditures of the Commonwealth, making an appropriation therefor and declaring an emergency.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

Section 1. KRS 136.180 is amended to read as follows:

- (1) The Revenue Cabinet shall, immediately after fixing the assessed value of the operating property and other property of a public service corporation for taxation, notify the corporation of the valuation and the amount of assessment for state and local purposes. When the valuation has been finally determined, the cabinet shall immediately certify, unless otherwise specified, to the county clerk of each county in which any of the operating property or nonoperating tangible property assessment of the corporation is liable to local taxation, the amount of property liable for county, city, or district tax.
- (2) No appeal shall delay the collection or payment of taxes based upon the assessment in controversy. The taxpayer shall pay all state, county, and district taxes due on the valuation which the taxpayer claims as the true value as stated in the protest filed under KRS 131.110. When the valuation is finally determined upon appeal, the taxpayer shall be billed for any additional tax and interest at the tax interest rate as defined in KRS 131.010(6), from the date the tax would have become due if no appeal had been taken. The provisions of KRS 134.390 shall apply to the tax bill.
- (3) The Revenue Cabinet shall compute annually a multiplier for use in establishing the local tax rate for the operating property of railroads or railway companies that operate solely within the Commonwealth. The applicable local tax rates on the operating property shall be adjusted by the multiplier. The multiplier shall be calculated by dividing the statewide locally taxable business tangible personal property by the total statewide business tangible personal property.
- (4) The Revenue Cabinet shall annually calculate an aggregate local rate for each local taxing district to be used in determining local taxes to be collected for railroad carlines. The rate shall be the statewide tangible tax rate for each type of local taxing district multiplied by a fraction, the numerator of which is the commercial and industrial tangible property assessment subject to full local rates and the denominator of which is the total commercial and industrial tangible personal property assessment. Effective January 1, 1994, state and local taxes on railroad carline property shall become due forty-five (45) days from the date of notice and shall be collected directly by the Revenue Cabinet. The local taxes collected by the Revenue Cabinet shall be distributed to each local taxing district levying a tax on railroad carlines based on the statewide average rate for each type of local taxing district. However, prior to distribution any fees owed to the Revenue Cabinet by any local taxing district under the provisions of subsection (4) of this section shall be deducted.
- (5) ***The Revenue Cabinet shall bill, collect, and distribute all state and local property taxes for common carrier water transportation companies. Any fees owed to the Revenue Cabinet by any local taxing district shall be deducted before any distribution is made to any local taxing district under the provisions of this subsection.***
- (6) The certification of valuation shall be filed by each county clerk in his office, and shall be certified by the county clerk to the proper collecting officer of the county, city, or taxing district for collection. Any district

which has the value certified by the cabinet shall pay an annual fee to the cabinet which represents an allocation of cabinet operating and overhead expenses incurred in generating the valuations. This fee shall be determined by the cabinet and shall apply to valuations for tax periods beginning on or after December 31, 1981.

Section 2. KRS 136.181 is amended to read as follows:

Boats, tugs, barges, and other watercraft of any nonresident person, corporation, partnership, or any other business association whose route or system is partly within this state and partly within another state or states, shall be valued by the Revenue Cabinet for purposes of taxation and shall be assessed as of January 1 each year by the Revenue Cabinet; and the cabinet shall **bill and collect all ad valorem taxes on these watercraft and then** fairly divide, allocate, and **distribute the tax receipts** ~~certify such assessments~~ to each county, city, town, or other taxing district within this state, within or through which such route or system is operated, the division, allocation, and **distribution** ~~certification~~ to be determined in the following manner:

- (1) The proportion of the value of the property which the length of the lines or route operated in this state bears to the total length of lines or route operated in this state and elsewhere, shall be considered in fixing the value of the property for taxation in this state. Any other reasonable evidence of value shall be considered in fixing the value, but such evidence must be prescribed by cabinet regulations;
- (2) After ascertaining the portion of the system valuation of such property attributable to this state, the Revenue Cabinet shall allocate the value of the property **and distribute the tax receipts** among the counties, cities, towns, and other taxing districts. The proportion which the length of line or route operated in that jurisdiction or taxing district bears to the total length of lines or route operated in this state shall be considered in this allocation and such other reasonable evidence of value as the Revenue Cabinet may by regulations prescribe;
- (3) **The Revenue Cabinet shall be permitted to retain as an administration fee two percent (2%) of the amount due to each recipient of local taxes collected and distributed under this section.**

Section 3. KRS 136.183 is amended to read as follows:

The **state and local** taxes on the above property shall become due **forty-five (45) days from the date of the notice of assessment and** ~~at the same time and shall be subject to the same discount and penalties as provided by KRS 134.020, and shall be collected in the same manner as taxes on other tangible property; except that the state tax on such property~~ shall be collected directly by the Revenue Cabinet.

Section 4. KRS 136.184 is amended to read as follows:

Any taxpayer who has been assessed by the Revenue Cabinet in the manner outlined above shall have **forty-five (45)** ~~thirty (30)~~ days from the date of the cabinet's notice of ~~the tentative~~ assessment in which to protest and ask for a change thereof in the manner provided by KRS 131.110.

The taxpayer shall pay all state, county, and district taxes due on the valuation which the taxpayer claims as the true value as stated in the protest filed under KRS 131.110. When the valuation is finally determined upon appeal, the taxpayer shall be billed for any additional tax and interest at the tax interest rate as defined in KRS 131.010(6), from the date the tax would have become due if no appeal had been taken. The provisions of KRS 134.390 shall apply to the tax bill.
- (3) The state and local taxes on the property are due forty-five (45) days from the date of notice and shall be collected directly by the Revenue Cabinet.
- (4) The Revenue Cabinet shall annually calculate an aggregate local rate to be used in determining the local taxes to be collected. This tax exemption shall remain in effect for any succeeding one (1) day international horse racing event if the event returns within three (3) years of the previously-held event. These funds shall not be used for salaries or for operating funds for teaching, research, or administration. Funds allocated under this subsection shall not replace other funds for capital purposes or operation of equine programs at state universities. The Kentucky Council on Postsecondary Education shall serve as the administrative agent and shall establish an advisory committee of interested parties, including all universities with established equine programs, to evaluate proposals and make recommendations for the awarding of funds. All investment earnings of the fund shall be credited to the fund. Provider tax revenues collected in accordance with KRS 142.301 to 142.359 shall be used to fund the provisions of KRS 216.2920 to 216.2929 and to supplement the medical assistance-related general fund appropriations for fiscal year 1994 and subsequent fiscal years. Notwithstanding the provisions of KRS 48.500 and 48.600, the MART fund shall be exempt from any state budget reduction acts.
- (3) (a) Beginning in state fiscal year 2000-2001 and continuing annually thereafter, provider tax revenues and state and federal matching funds shall be used to fund the disproportionate share program established by the commissioner of Medicaid services. Disproportionate share funds shall be ~~distributed~~~~divided into three (3) pools for distribution~~ as follows:
  1. ~~Forty-three and ninety-two hundredths percent (43.92%) of the total disproportionate share funds shall be allocated to acute care hospitals;~~
  2. Thirty-seven percent (37%) of the total disproportionate share funds shall be allocated to university hospitals; ~~and~~

  4. ***All remaining disproportionate share funds shall be allocated to private acute care hospitals, subject to the availability of state matching funds.***

If, in any year, one (1) or both university hospitals fail to provide state matching funds necessary to secure federal financial participation for the funds allocated to university hospitals under this subsection, the portion of the funding allocation applicable to the hospital or hospitals that fail to provide state matching funds shall be made available to acute care hospitals.
- (b) The MART fund shall be used to compensate acute care hospitals~~, private psychiatric hospitals, and university hospitals~~ qualifying for the disproportionate share program for uncompensated service provided by the hospitals to individuals and families with total annual incomes and resources up to one hundred percent (100%) of the federal poverty level, as determined by the hospital pursuant to administrative regulations promulgated by the Cabinet for Health Services in accordance with this section.
- (c) An individual hospital shall receive distributions for indigent care provided by that hospital that meets the guidelines established in paragraph (a) of this subsection.

- (d) Distributions to *private* acute care and private psychiatric hospitals shall be made as follows:
1. The department shall calculate an indigent care factor for each hospital annually. The indigent care factor shall be determined by calculating the percentage of each hospital's annual indigent care costs ~~of~~<sup>toward</sup> the sum of the total annual indigent care costs for all hospitals within each respective pool. ~~For purposes of this paragraph, "indigent care costs" means the hospital's inpatient and outpatient care as reported to the department multiplied by the hospital's Medicaid rate, or at a rate determined by the department in administrative regulation that, when multiplied by the hospital's reported indigent care, is equivalent to the amount that would be payable by the department under the fee for service Medicaid program for the hospital's total reported indigent care.~~
  2. Each hospital's annual distribution shall be calculated by multiplying the hospital's indigent care factor by the total fund allocated to all hospitals within the respective pool under paragraph (a) of this subsection.
    - a. Hospitals shall report uncompensated care provided to qualified individuals and families with total annual incomes and resources up to one hundred percent (100%) of the federal poverty level, including care rendered to indigent persons age twenty-two (22) to sixty-four (64) in a psychiatric hospital to the Cabinet for Health Services on a quarterly basis. However, all data for care provided during the state fiscal year shall be submitted no later than August 15 of each year.
    - b. ~~The department shall use indigent care data for services delivered from October 1, 1998, through September 30, 1999, as reported by hospitals to calculate each hospital's indigent care factor for state fiscal year 2000-2001.~~ For *each* state fiscal year ~~2001-2002 and each year thereafter~~, the department shall use data reported by the hospitals for indigent care services rendered for the twelve (12) month period ending June 30 of each year as reported by the hospital to the department by August 15 in calculating each hospital's indigent care factor. The hospital shall, upon request by the Cabinet for Health Services, submit any supporting documentation to verify the indigent care data submitted for the calculation of an indigent care factor and annual payment.
    - c. By September 1 of each year, the department shall calculate a preliminary indigent care factor and preliminary annual payment amount for each hospital, and shall notify each hospital of their calculation. The notice shall contain a listing of each hospital's indigent care costs, their indigent care factor, and the estimated annual payment amount. Hospitals shall notify the department by September 15 of any adjustments in the department's preliminary calculations. The department shall make adjustments identified by hospitals and shall make a final determination of each hospital's indigent care factor and annual payment amount by October 1.
- (e) For fiscal year 2000-2001 and continuing annually thereafter, the department shall issue to each *private acute, state-owned university, and private and public psychiatric* hospital one (1) lump-sum payment on October 15, or later as soon as federal financial participation becomes available, for the disproportionate share funds available during the corresponding federal fiscal year. ***Payments to nonstate public acute hospitals shall be made at least quarterly.***
- (4) Notwithstanding any other provision to contrary, total annual disproportionate share payments made to state mental hospitals, university hospitals, acute care hospitals, and private psychiatric hospitals in each state fiscal year shall be equal to the maximum amount of disproportionate share payments established under the Federal Balanced Budget Act of 1997 and any amendments thereto. Disproportionate share payments shall be subject to the availability of adequate state matching funds and shall not exceed total uncompensated costs.
  - (5) Hospitals receiving reimbursement shall not bill patients for services submitted for reimbursement under this section and KRS 205.641. Services provided to individuals who are eligible for medical assistance or the Kentucky Children's Health Insurance Program do not qualify for reimbursement under this section and KRS 205.641. Hospitals shall make a reasonable determination that an individual does not qualify for these programs and shall request the individual to apply, if appropriate, for medical assistance or Kentucky Children's Health Insurance on forms supplied by and in accordance with procedures established by the Department for Medicaid Services. The hospital shall document any refusal to apply and shall inform the

patient that the refusal may result in the patient being billed for any services performed. The hospital shall not be eligible for reimbursement if the patient was eligible for medical assistance or Kentucky Children's Health Insurance and did not apply. Hospitals receiving reimbursement under this section and KRS 205.641 shall not bill patients for services provided to patients not eligible for medical assistance with family incomes up to one hundred percent (100%) of the federal poverty level.

- (6) The secretary of the Cabinet for Health Services shall promulgate administrative regulations necessary, pursuant to KRS Chapter 13A, for the administration and implementation of this section.
- (7) All hospitals receiving reimbursement under this section and KRS 205.641 shall display prominently a sign which reads as follows: "This hospital will accept patients regardless of race, creed, ethnic background, or ability to pay."

Section 2. This Act shall become effective upon certification to the Reviser of Statutes from the secretary of the Cabinet for Health Services that necessary federal approval of the proposed distribution of disproportionate share funds outlined in subsection (3) of Section 1 has been obtained. This Act shall not become effective if certification is not received prior to July 1, 2006.

Section 1. KRS 161.027 is amended to read as follows:

- (1) The Education Professional Standards Board, pursuant to KRS 161.028, shall by administrative regulation establish requirements for a preparation program in institutions of higher education for all new applicants for principal certification and establish criteria for admission to the program.
- (2) The Education Professional Standards Board and the Council on Postsecondary Education shall evaluate the preparation programs for principals and maintain only those institutional programs that can demonstrate both the quality and the capability to enroll adequate numbers of students to justify the resources necessary for maintenance of a quality program.
- (3) The Education Professional Standards Board shall develop or select appropriate assessments for applicants seeking certification as principals, including:
  - (a) An assessment of the ability to apply knowledge, instructional leadership, management, and supervision skills; and
  - (b) A specialized assessment on the current instructional and administrative practices in Kentucky public education.
- (4) The Education Professional Standards Board shall establish the minimum score for successful completion of assessments and shall establish a reasonable fee to be charged applicants for the actual cost of administration of the assessments. The Education Professional Standards Board shall provide for confidentiality of assessment scores.
- (5) The Education Professional Standards Board shall develop an internship program which shall provide for the supervision, assistance, and assessment of beginning principals and assistant principals. The internship shall not be required of applicants who have completed, within a ten (10) year period prior to making application, at least two (2) years of successful experience as a principal in a school situation. The Education Professional Standards Board, by administrative regulation, shall establish the internship program.
- (6) The certification of principals shall require the successful completion of the examinations required by subsection (3) of this section. A one (1) year certificate may be given to a person who has:
  - (a) A comparable certificate from another state; or
  - (b) All other qualifications except the assessments and is selected as a principal *or assistant principal* in a district where the superintendent certifies to the Education Professional Standards Board that there is a limited number of applicants to meet the requirements ~~of the school council selecting a principal~~.

Upon successful completion of the assessments, a certificate shall be issued for an additional four (4) years. *A person employed in Kentucky as a principal or assistant principal who was certified in another state and practiced in that state for two (2) or more years is exempt from taking the assessment described in subsection (3)(a) of this section.*

- (7) Upon successful completion of the approved preparation program and the assessments, the Education Professional Standards Board shall issue to the applicant a statement of eligibility for internship valid for five (5) years. If the applicant does not participate in an internship program within the five (5) year period, the applicant shall reestablish eligibility by repeating and passing the assessments in effect at that time or by completing a minimum of six (6) graduate hours, directly related to instructional leadership, management, or supervision, at a regionally or nationally accredited institution. The option for renewal through completion of graduate hours shall be available only for the first reestablishment of eligibility. Upon obtaining employment

for an internship position as principal or assistant principal within the period of eligibility, the applicant shall be issued the appropriate one (1) year certificate for the position.

- (8) All applicants for principal certification, after successfully completing the assessments, shall successfully complete the internship program described in subsection (5) of this section for **principal** certification ~~as a principal~~. If the principal's **or assistant principal's** internship performance is judged to be less than satisfactory pursuant to administrative regulations developed by the Education Professional Standards Board, the ~~principal~~ applicant **for principal certification** shall be provided with an opportunity to repeat the internship one (1) time if the applicant is employed by a school district as a principal or assistant principal.
- (9) Following successful completion of the internship program, the **principal**~~principal's~~ certificate shall be extended for four (4) years. Renewal of the certificate shall require the completion of a continuing education requirement as prescribed by the Education Professional Standards Board.

Section 2. KRS 161.048 is amended to read as follows:

  5. There should be alternative procedures to the traditional teacher preparation programs that qualify persons as teachers.
- (b) There are hereby established alternative certification program options as described in subsections (2) through (8) of this section.
- (c) It is the intent of the General Assembly that the Educational Professional Standards Board inform scholars, persons with exceptional work experience, and persons with diverse backgrounds who have potential as teachers of these options and assist local boards of education in implementing these options and recruitment of individuals who can enhance the education system in Kentucky.
- (d) The Education Professional Standards Board shall promulgate administrative regulations establishing standards and procedures for the alternative certification options described in this section.
- (2) Option 1: Certification of a person with exceptional work experience. - (a) A master's degree or doctoral degree in the academic content area for which certification is sought;

During this year, the veteran shall participate in the teacher internship program under subsections (5), (6), (7), and (8) of KRS 161.030. Upon successful completion of the internship program, the veteran shall receive a regular professional certificate.

- (7) Option 6: University alternative program. With approval of the Education Professional Standards Board, a university may provide an alternative program that enrolls students in a postbaccalaureate teacher preparation program concurrently with employment as a teacher in a local school district. ## CHAPTER 112

### (HB 498)

AN ACT relating to the refund or recovery of taxes.

WHEREAS, the General Assembly has been made aware that technical nonsubstantive changes made to the tax refund statute, KRS 134.590, in 1996 are being interpreted by litigants and courts as making a substantive change that would allow the bringing or maintenance of class actions for the recovery or refund of taxes against the Commonwealth and its political subdivisions and taxing districts; and

WHEREAS, it appears to the General Assembly that similar interpretations are or have been advocated or adopted concerning other tax refund statutes, or that similar uncertainty exists with respect to other tax refund statutes; and

WHEREAS, the General Assembly wishes to make it clear that each taxpayer must file an individual refund claim and that the filing of a class action lawsuit does not constitute a timely filing for each member or the class, and clarify other procedural requirements of the tax refund statutes;

NOW, THEREFORE,

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

Section 1. KRS 134.580 is amended to read as follows:

- (1) As used in this section, unless the context requires otherwise:
  - (a) "Agency" means the agency of state government which administers the tax to be refunded or credited.

- (b) "Overpayment" or "payment where no tax was due" means the tax liability under the terms of the applicable statute without reference to the constitutionality of the statute.
- (2) When money has been paid into the State Treasury in payment of any state taxes, except ad valorem taxes, whether payment was made voluntarily or involuntarily, the appropriate agency shall authorize refunds ~~or credits,~~ to the person who paid the tax, or to his heirs, personal representatives or assigns, of any overpayment of tax and any payment where no tax was due. When a bona fide controversy exists between the agency and the taxpayer as to the liability of the taxpayer for the payment of tax claimed to be due by the agency, the taxpayer may pay the amount claimed by the agency to be due, and if an appeal is taken by the taxpayer from the ruling of the agency within the time provided by KRS 131.340 and it is finally adjudged that the taxpayer was not liable for the payment of the tax or any part thereof, the agency shall authorize the refund or credit as the Kentucky Board of Tax Appeals or courts may direct.
- (3) **No refund shall be made unless each taxpayer individually files an application or claim for the refund within four (4) years from the date payment was made. Each claim or application for a refund shall be in writing and state the specific grounds upon which it is based. Denials of refund claims or applications may be protested and appealed in accordance with KRS 131.110 and 131.340.**
- (4) Refunds ~~or credits~~ shall be authorized with interest as provided in KRS 131.183. The refunds authorized by this section shall be made in the same manner as other claims on the State Treasury are paid. They shall not be charged against any appropriation, but shall be deducted from tax receipts for the current fiscal year.
- ~~(5)(4)~~ Nothing in this section shall be construed to authorize the agency to make or cause to be made any refund except within four (4) years of the date prescribed by law for the filing of a return including any extension of time for filing the return, or the date the money was paid into the State Treasury, whichever is the later, except in any case where the assessment period has been extended by written agreement between the taxpayer and the cabinet, the limitation contained in this subsection shall be extended accordingly. Nothing in this section shall be construed as requiring the agency to authorize any refund ~~or credit~~ to a taxpayer without demand from the taxpayer, if in the opinion of the agency the cost to the state of authorizing the refund ~~or credit~~ would be greater than the amount that should be refunded or credited.
- ~~(6)(5)~~ This section shall not apply to any case in which the statute may be held unconstitutional, either in whole or in part.
- ~~(7)(6)~~ In cases in which a statute has been held unconstitutional, taxes paid thereunder may be refunded to the extent provided by KRS 134.590, and by the statute held unconstitutional.

Section 2. KRS 134.590 is amended to read as follows:

- (1) When ~~it appears to~~ the appropriate *state government* agency *determines* ~~of state government~~ that *a taxpayer has paid ad valorem taxes into the state treasury* ~~money has been paid into the State Treasury for ad valorem taxes~~ when no taxes were ~~in fact~~ due or *has* ~~for taxes of any kind~~ paid under a statute held unconstitutional, the *state government* agency  ~~of state government~~ which administers the tax shall refund the money, or cause it to be refunded, to the person who paid the tax. **The state government agency** ~~No refund or credit~~ shall **not authorize a refund** ~~be authorized~~ to a person who has *paid* ~~made payment of~~ the tax due on any tract of land unless **the taxpayer has paid** the entire tax due the state on the land ~~has been paid~~.
- (2) No *state government agency shall authorize a* refund ~~shall be made~~ unless **each taxpayer individually applies for a** ~~an application for~~ refund ~~is made~~ within two (2) years from the **date the taxpayer paid the tax** ~~time payment was made~~. **Each claim or application for a refund shall be in writing and state the specific grounds upon which it is based. Denials of refund claims or applications may be protested and appealed in accordance with KRS 131.110 and 131.340.** No *state government agency shall* refund ~~for~~ ad valorem taxes, except those held unconstitutional, ~~shall be made~~ unless the taxpayer has properly followed the administrative remedy procedures established through the protest provisions of KRS 131.110, the appeal provisions of KRS 133.120, the correction provisions of KRS 133.110 and 133.130, or other administrative remedy procedures.
- (3) **If a taxpayer pays** ~~When it has been determined that~~ city, urban-county, county, school district, consolidated local government, or special district ad valorem taxes ~~have been paid~~ to a city, urban-county, county, school district, consolidated local government, or special district when no taxes were due or the amount paid **exceeded** ~~was in excess of~~ the amount finally determined to be due, the taxes shall be refunded to the person who paid the tax.

The expenses shall be borne by the school districts on a basis proportionate to the revenue received by the districts.
- (3) The following shall apply only when the Revenue Cabinet is acting as tax collector under the authority of KRS 160.627(2):
- (a) When the cabinet is initially requested to be the tax collector under KRS 160.627(2), the cabinet shall estimate the costs of implementing the administration of the tax so requested, and shall inform the requesting school district of this estimated cost. The requesting school district shall pay to the cabinet ten percent (10%) of this estimated cost referred to as "start-up costs" within thirty (30) days of notification by the cabinet. Subsequent requesting school districts shall pay their pro rata share, or ten percent (10%), whichever is less, of the unpaid balance of the initial "start-up costs" until the cabinet has fully recovered the costs. The sole purpose of this account shall be to authorize the Revenue Cabinet to refund school taxes. This account shall not lapse. Refunds shall be made in accordance with the provisions in KRS 134.580(5)~~((4))~~, and when the taxpayer has made an overpayment or a payment where no tax was due as defined in KRS 134.580(6)~~((5))~~, within four (4) years of payment.

No individual's tax payment shall be credited to the tax set forth in KRS 160.621 until all outstanding state income tax liabilities of that individual have been paid.
- (i) KRS 160.510 notwithstanding, the State Auditor shall be the only party authorized to audit the Revenue Cabinet with respect to the performance of its duties under KRS 160.621.

## CHAPTER 114

### (SB 180)

AN ACT relating to remining and declaring an emergency.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

Section 1. KRS 350.085 is amended to read as follows:

- (1) No application for a permit and no operation shall be approved or allowed by the cabinet if there is found on the basis of the information set forth in the application that the requirements of this chapter or administrative regulations will not be observed or that there is not probable cause to believe that the proposed method of operation, backfilling, grading, or reclamation of the affected area can be carried out consistent with the purpose of this chapter.
- (2) If the cabinet finds that the overburden on any part of the area of land described in the application for a permit is such that experience in the Commonwealth with a similar type of operation upon land with similar overburden shows that substantial deposition of sediment in stream beds, landslides, or acid water pollution cannot feasibly be prevented, the cabinet may delete the part of the land described in the application upon which that overburden exists.
- (3) Subject to valid existing rights, no surface coal mining operations except those which existed on or before August 4, 1977, shall be permitted within three hundred (300) feet from any occupied dwelling unless waived by the owner, nor within three hundred (300) feet of any public building, school, church, community, or institutional building, public park, or within one hundred (100) feet of a cemetery. The cabinet shall not issue a permit if it finds that the operation will constitute a hazard to or do physical damage to a dwelling house, public building, school, church, cemetery, commercial or institutional building, public road, stream, lake, or other public property. The cabinet shall delete the areas from the permit application or operation.
- (4) Subject to valid existing rights, no surface coal mining operations except those which existed on or before August 4, 1977, shall be permitted within one hundred (100) feet of the outside right-of-way line of any public road, except where mine access roads or haulage roads join the right-of-way line. The cabinet shall permit the roads to be relocated or the area affected to lie within one hundred (100) feet of the road if, after public notice and opportunity for public hearing in the locality, a written finding is made that the interest of the public and the affected land owner will be protected, and shall not approve the application for a permit where the surface coal mining operation will adversely affect a wild river established pursuant to KRS Chapter 146, a state park or place listed on the National Register of Historic Places unless adequate screening and other measures as approved by the cabinet are incorporated into the permit application.
- (5) Subject to valid existing rights, no surface coal mining operations except those which existed on August 4, 1977, shall be permitted on any privately owned lands within the boundaries of units of the National Park System, the National Wildlife Refuge Systems, the National System of Trails, the National Wilderness Preservation System, the Wild and Scenic Rivers System, including study rivers designated under Section 5(a) of the Wild and Scenic Rivers Act and national recreation areas designated by Act of Congress.
- (6) If based on the information provided pursuant to KRS 350.060(3)(h) and other relevant information, the cabinet finds that any surface coal mining and reclamation operation owned or controlled by the applicant is currently in violation of this chapter or other requirements listed pursuant to KRS 350.060(3)(h), the cabinet shall not issue the permit or permit renewal until the applicant submits proof satisfactory to the cabinet that the violation has been corrected or is in the process of being corrected. It shall be grounds to deny a permit or permit renewal if the cabinet, based on any information available to it and after a hearing, makes a finding that

the applicant, or the operator specified in the application has demonstrated a pattern of willful violations pursuant to KRS 350.130(3).

- (7) The prohibition of subsection (6) of this section shall not apply to a permit applicant with a violation resulting from an unanticipated event or condition at a surface coal mining operation on lands eligible for and under a permit for remining held by the applicant. As used in this subsection, the term "violation" has the same meaning as the term has under subsection (6). *After September 30, 2004, the period of authority of this subsection shall be coincident with the period of authority of sec. 510(e) of Pub. L. No. 95-87, the "Surface Mining Control and Reclamation Act of 1977," as amended, 30 U.S.C. sec. 1260(e)* ~~[The authority of this subsection shall terminate on September 30, 2004].~~

Section 2. KRS 350.095 is amended to read as follows:

- (1) The permittee shall assume responsibility for successful revegetation as required in KRS 350.435 for a period of five (5) full years after the last year in which augmented seeding, fertilizing, irrigation, or other work occurs. The cabinet shall promulgate administrative regulations which shall include provisions to assure compliance with KRS 350.435, 350.093, and other applicable provisions. The cabinet may by administrative regulation set forth different requirements when it approves a long-term, intensive, agricultural postmining land use as part of the mining and reclamation plan.
- (2) On lands eligible for remining, the permittee shall assume the responsibility for successful revegetation for a period of two (2) full years after the last year in which augmented seeding, fertilizing, irrigation, or other work occurs in order to assure compliance with the applicable standards. *After September 30, 2004, the period of authority of this subsection shall be coincident with the period of authority of sec. 515(b)(20)(B) of Pub. L. No. 95-87, the "Surface Mining Control and Reclamation Act of 1977," as amended, 30 U.S.C. sec. 1265(b)(20)(B)* ~~[The authority of this subsection shall terminate on September 30, 2004].~~

Section 3. Whereas the federal authority corresponding to subsection (7) of Section 1 of this Act and subsection (2) of Section 2 of this Act is expected to be extended after September 30, 2004, and whereas extension of state authority is necessary so that certain incentives to remining may continue to be applied in accordance with state and federal law, an emergency is declared to exist and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

**Approved March 18, 2005.**

- (1) Eligible high school students who have graduated from high school and eligible postsecondary students who have earned a Kentucky educational excellence scholarship, a Kentucky educational excellence scholarship and a supplemental award, or a supplemental award only pursuant to KRS 164.7879(3)(c), shall be eligible to receive the Kentucky educational excellence scholarship, the Kentucky educational excellence scholarship and the supplemental award, or a supplemental award only for a maximum of eight (8) academic terms in an undergraduate or other postsecondary program of study at a participating institution, except as provided in subsection (6) of this section.
- (2) To receive the Kentucky educational excellence scholarship, a Kentucky educational excellence scholarship and supplemental award, or a supplemental award only, an eligible high school or postsecondary student shall:

- (b) The authority shall, by promulgation of administrative regulations, provide for the proportionate reduction of the maximum award amount for an eligible postsecondary student for any academic term in which the student is enrolled on a part-time basis. Each academic term for which any scholarship or supplemental award funds are accepted by an eligible postsecondary student shall count as a full academic term, even if the award amount was reduced to reflect the part-time status of the eligible postsecondary student, except if the eligible postsecondary student interrupts enrollment during the award period for any reason specified in subsection (5) of this section, and the participating institution does not certify a cumulative grade point average for that student at the end of that award period.
- (c) 1. An eligible postsecondary student who is enrolled full-time in an undergraduate program of study, in the pharmacy program at the University of Kentucky, or in a program of study designated as an equivalent undergraduate program of study by the ~~authority~~**authority**~~[Council on Postsecondary Education]~~ in an administrative regulation, shall receive the maximum award amount for the first award period that the student is enrolled in and attending the program of study.

4. Any eligible postsecondary student who maintains a cumulative grade point average of less than 3.0 but at least 2.5 at the completion of any award period shall receive a reduction in the maximum award amount equal to fifty percent (50%) of the maximum award amount for the next award period.
5. Any eligible postsecondary student who maintains a cumulative grade point average of less than 2.5 at the completion of any award period shall lose his or her award for the next award period.

- (5) The expiration of a student's eight (8) academic terms and five (5) year eligibility shall be extended by the authority upon a determination that the student was unable to enroll for or complete an academic term due to any of the following circumstances:

  - (d) Active duty status for the student in the United States Armed Forces or as an officer in the Commissioned Corps of the United States Public Health Service, or active service by the student in the Peace Corps Act or the Americorps, for up to three (3) years.
- (6) An eligible postsecondary student who is enrolled at a participating institution in a five (5) year undergraduate degree program designated in an administrative regulation promulgated by the ~~authority~~~~[council]~~ shall be eligible to receive the Kentucky educational excellence scholarship, the Kentucky educational excellence scholarship and the supplemental award, or the supplemental award only for a maximum of ten (10) academic terms. A high school shall report the grade point average of an eligible high school student pursuant to KRS 164.7874 by January 15 following the end of the fall academic term in which the student completed the high school graduation requirements. The list shall identify the high school and shall contain each high school student's name, Social Security number, address, grade point average for the academic year, expected or actual graduation date, and highest ACT score.   - (d) The eligible postsecondary student's cumulative grade point average after the completion of each award period.

- (5) The Kentucky educational excellence scholarship and the supplemental award shall not be reduced, except as provided in KRS 164.7881(4).
- (6) Kentucky educational excellence scholarships and supplemental awards shall not be awarded or disbursed to any eligible postsecondary students who are:

Provider tax revenues collected in accordance with KRS 142.301 to ~~142.363~~~~142.359~~ shall be used to fund the provisions of KRS 216.2920 to 216.2929 and to supplement the medical assistance-related general fund appropriations for fiscal year 1994 and subsequent fiscal years. Notwithstanding the provisions of KRS 48.500 and 48.600, the MART fund shall be exempt from any state budget reduction acts.

- (3) (a) Beginning in state fiscal year 2000-2001 and continuing annually thereafter, provider tax revenues and state and federal matching funds shall be used to fund the disproportionate share program established by the commissioner of Medicaid services. Disproportionate share funds shall be divided into three (3) pools for distribution as follows:
1. Forty-three and ninety-two hundredths percent (43.92%) of the total disproportionate share funds shall be allocated to acute care hospitals;

If, in any year, one (1) or both university hospitals fail to provide state matching funds necessary to secure federal financial participation for the funds allocated to university hospitals under this subsection, the portion of the funding allocation applicable to the hospital or hospitals that fail to provide state matching funds shall be made available to acute care hospitals.

- (b) The MART fund shall be used to compensate acute care hospitals, private psychiatric hospitals, and university hospitals qualifying for the disproportionate share program for uncompensated service provided by the hospitals to individuals and families with total annual incomes and resources up to one hundred percent (100%) of the federal poverty level, as determined by the hospital pursuant to administrative regulations promulgated by the Cabinet for Health Services in accordance with this section.
- (c) An individual hospital shall receive distributions for indigent care provided by that hospital that meets the guidelines established in paragraph (a) of this subsection.
- (d) Distributions to acute care and private psychiatric hospitals shall be made as follows:
1. The department shall calculate an indigent care factor for each hospital annually. The indigent care factor shall be determined by calculating the percentage of each hospital's annual indigent care costs toward the sum of the total annual indigent care costs for all hospitals within each respective pool. For purposes of this paragraph, "indigent care costs" means the hospital's inpatient and outpatient care as reported to the department multiplied by the hospital's Medicaid rate, or at a rate determined by the department in administrative regulation that, when multiplied by the hospital's reported indigent care, is equivalent to the amount that would be payable by the department under the fee-for-service Medicaid program for the hospital's total reported indigent care.
  2. Each hospital's annual distribution shall be calculated by multiplying the hospital's indigent care factor by the total fund allocated to all hospitals within the respective pool under paragraph (a) of this subsection.
    - a. Hospitals shall report uncompensated care provided to qualified individuals and families with total annual incomes and resources up to one hundred percent (100%) of the federal poverty level, including care rendered to indigent persons age twenty-two (22) to sixty-four (64) in a psychiatric hospital to the Cabinet for Health Services on a quarterly basis. However, all data for care provided during the state fiscal year shall be submitted no later than August 15 of each year.
    - b. The department shall use indigent care data for services delivered from October 1, 1998, through September 30, 1999, as reported by hospitals to calculate each hospital's indigent care factor for state fiscal year 2000-2001. For state fiscal year 2001-2002 and each year thereafter, the department shall use data reported by the hospitals for indigent care services rendered for the twelve (12) month period ending June 30 of each year as reported by the hospital to the department by August 15 in calculating each hospital's indigent care factor. The hospital shall, upon request by the Cabinet for Health Services, submit any supporting documentation to verify the indigent care data submitted for the calculation of an indigent care factor and annual payment.

- c. By September 1 of each year, the department shall calculate a preliminary indigent care factor and preliminary annual payment amount for each hospital, and shall notify each hospital of their calculation. The notice shall contain a listing of each hospital's indigent care costs, their indigent care factor, and the estimated annual payment amount. For purposes of assessing the licensing fee provided for in this section, off-site waste management shall consist of establishing and operating a facility whose principal purpose is treatment, storage, disposal, or a combination of these activities but shall not include those treatment, storage, or disposal activities which occur incidental to or which are not otherwise distinguishable from a broader manufacturing operation at the site of said operation.

However, before a fee differential may be imposed the county or urban-county government shall demonstrate that the differential is reasonably related to additional government services which must be undertaken because of the landfilling of nonplanning area waste. This demonstration may be made by showing an unplanned for reduction in waste disposal capacity and a need to provide for future disposal capacity or impacts on roads, litter control or emergency services.
  - (c) The proceeds from the license fee shall be used to defray the government services provided to the landfill, necessary clean-up operations or emergency responses related to operation of the landfill or transporting waste to the landfill, necessary maintenance, improvement or construction of roads, and for

Counties or urban-county governments desiring to impose the fee provided for herein are authorized to accept payments in lieu of the fee under duly-executed contracts between the county and the permitted site or facility. The fee provided for in this subsection shall be in lieu of the provisions of subsection (1). Special waste, as defined in KRS 224.50-760, except for waste from sanitary wastewater treatment facilities, shall be exempt from this subsection.
- (3) In the case of hazardous waste facilities involving land disposal, including a regional integrated waste treatment and disposal demonstration facility as defined in KRS Chapter 224, the rate levied under this section shall be not more than five percent (5%) per annum of the gross receipts and shall be calculated so as to produce sufficient revenue to compensate the county for any additional costs incurred by it from having a hazardous waste facility located in its jurisdiction, including, but not limited to, the loss of ad valorem property tax revenues from the property on which the facility is located, the loss of ad valorem property tax revenues from abutting properties or other affected properties, the cost of providing any additional emergency services, the cost of monitoring air, surface water, ground water to the extent that other monitoring data is not available, and other costs established as being associated with the facility and for which the county is not otherwise compensated.

Reimbursements of corrective action projects performed under the petroleum storage tank account shall be carried out on or before July 15, 2013. Any corrective action costs incurred after this date shall not be eligible for reimbursement under the petroleum storage tank account. The account shall receive one cent (\$.01) from the one and four-tenths cent (\$.014) paid on each gallon of gasoline and special fuels received in this state pursuant to KRS 224.60-145. This account shall not be used to compensate third parties for bodily injury and property damage. Within three (3) months after July 15, 2004, the ~~division~~~~office~~ shall develop a plan to address the payment of claims and completion of corrective action at facilities eligible for reimbursement from this account. The ~~division~~~~office~~ shall establish a ranking system to be used for the distribution of amounts from this account for the purpose of corrective action. - (f) Hear complaints brought before the ~~division~~~~office~~ regarding the payment of claims from the fund in accordance with KRS 224.10-410 to 224.10-470~~[Chapter 13B]~~;
- (g) Establish and maintain necessary offices within this state, appoint employees and agents as necessary, and prescribe their duties and compensation;

The ~~division~~~~office~~ shall, by administrative regulation, set the entry level for participation in the fund;
- (i) Authorize expenditures from the fund to carry out the purpose of KRS 224.60-105 to 224.60-160, including reasonable costs of administering the fund, the procurement of legal services, and the procurement of analytical testing services when necessary to confirm the accuracy of analytical testing results obtained by a petroleum storage tank owner or operator. The expenditures shall be paid from the appropriate account;
- (j) Establish a small operators' tank removal account within the fund to reimburse the reasonable cost of tank system removal for small owners and operators. The account shall not be used when an owner or operator is removing the tank with the intention of replacing or upgrading the tank. - (k) Establish by administrative regulation the policy, guidelines, and procedures to perform financial audits of any petroleum storage tank owner or operator receiving reimbursement from the fund or any entity contracting or subcontracting to provide corrective action services for facilities eligible for fund

- (m) Have ~~inspectors~~~~assurance fund auditors~~ on site at all tank system removals. Failure to comply with this provision shall make the facility ineligible for fund participation. A petroleum storage tank owner or operator may request through certified mail that the ~~division~~~~office~~ schedule an ~~inspector~~~~assurance fund auditor~~ to be present at an upcoming tank removal. If the request is made at least two (2) weeks before the time for the removal and an ~~inspector~~~~auditor~~ fails to be present at the time scheduled, the tank removal may proceed without making the facility ineligible for fund participation unless the owner is notified by the ~~division~~~~assurance fund~~ no later than ten (10) days prior to the proposed date that an ~~inspector~~~~auditor~~ is not available on the proposed date, in which event a representative of the ~~division~~~~assurance fund~~ shall contact the operator and schedule a new date. If no ~~inspector~~~~auditor~~ is present at the rescheduled date, the removal may then proceed without penalty; and

- (3) An occupational disease as defined in this chapter shall be deemed to arise out of the employment if there is apparent to the rational mind, upon consideration of all the circumstances, a causal connection between the conditions under which the work is performed and the occupational disease, and which can be seen to have followed as a natural incident to the work as a result of the exposure occasioned by the nature of the employment and which can be fairly traced to the employment as the proximate cause. The occupational disease shall be incidental to the character of the business and not independent of the relationship of employer and employee. An occupational disease need not have been foreseen or expected but, after its contraction, it must appear to be related to a risk connected with the employment and to have flowed from that source as a rational consequence.

A business entity engaged in the severance or processing of coal, including, but not limited to, administrative or selling functions, shall be considered wholly engaged in the severance or processing of coal for the purpose of this chapter. However, a business entity which is engaged in a separate business activity not related to coal, for which a separate premium charge is not made, shall be deemed to be engaged in the severance or processing of coal only to the extent that the number of employees engaged in the severance or processing of coal bears to the total number of employees. The rates, factors, and methods used to calculate the cost for coverage under this paragraph for insurance policies or other evidence of coverage with provisions for deductibles shall be the same rates, factors, and methods normally used by the insurance company in Kentucky to calculate the cost for coverage for insurance policies or other evidence of coverage without provisions for deductibles, except that, for insurance policies or other evidence of coverage with provisions for deductibles effective on or after January 1, 1995, the calculated cost for coverage shall not include any schedule rating modification, debits, or credits. The cost for coverage calculated under this paragraph by insurance companies that issue only deductible insurance policies in Kentucky shall be actuarially adequate to cover the entire liability of the employer for compensation under this chapter, including all expenses and allowances normally used to calculate the cost for coverage. For policies with provisions for deductibles with effective dates of May 6, 1993, through December 31, 1993, for which the insurance company did not report premiums and remit special fund assessments based on the calculated cost for coverage prior to the reduction for deductibles, "premiums received" includes the initial premium plus any reimbursements invoiced for losses, expenses, and fees charged under the deductibles. The special fund assessment rates in effect for reimbursements invoiced for losses, expenses, or fees charged under the deductibles shall be those percentages in effect on the effective date of the insurance policy. For policies covering leased employees as defined in KRS 342.615, "premiums received" means premiums calculated using the experience modification factor of each lessee as defined in KRS 342.615 for each leased employee for that portion of the payroll pertaining to the leased employee.

The rates, factors, and methods used to calculate the cost for coverage under this paragraph for insurance policies or other evidence of coverage with provisions for deductibles shall be the same rates, factors, and methods normally used by the insurance company in Kentucky to calculate the cost for coverage for insurance policies or other evidence of coverage without provisions for deductibles, except that, for insurance policies or other evidence of coverage with provisions for deductibles effective on or after January 1, 1995, the calculated cost for coverage shall not include any schedule rating modifications, debits, or credits. The cost for coverage calculated under this paragraph by insurance companies that issue only deductible insurance policies in Kentucky shall be actuarially adequate to cover the entire liability of the employer for compensation under this chapter, including all expenses and allowances normally used to calculate the cost for coverage. For policies with provisions for deductibles with effective dates of May 6, 1993, through December 31, 1993, for which the insurance company did not report premiums and remit special fund assessments based on the calculated cost for coverage prior to the reduction for deductibles, "premium" includes the initial consideration plus any reimbursements invoiced for losses, expenses, or fees charged under the deductibles.

- (28) "Premium" for each employer carrying his own risk pursuant to KRS 342.340(1) shall be the projected value of the employer's workers' compensation claims for the next calendar year as calculated by the **executive director**~~commissioner~~ using generally-accepted actuarial methods as follows:
- (a) The base period shall be the earliest three (3) calendar years of the five (5) calendar years immediately preceding the calendar year for which the calculation is made. The **executive director**~~commissioner~~ shall identify each claim of the employer which has an injury date or date of last injurious exposure to the cause of an occupational disease during each one (1) of the three (3) calendar years to be used as the base, and shall assign a value to each claim. The value shall be the total of the indemnity benefits paid to date and projected to be paid, adjusted to current benefit levels, plus the medical benefits paid to date and projected to be paid for the life of the claim, plus the cost of medical and vocational rehabilitation paid to date and projected to be paid. Adjustment to current benefit levels shall be done by multiplying the weekly indemnity benefit for each claim by the number obtained by dividing the statewide average weekly wage which will be in effect for the year for which the premium is being calculated by the statewide average weekly wage in effect during the year in which the injury or date of the last exposure occurred. The total value of the claims using the adjusted weekly benefit shall then be calculated by the **executive director**~~commissioner~~. Values for claims in which awards have been made or settlements reached because of findings of permanent partial or permanent total disability shall be calculated using the mortality and interest discount assumptions used in the latest available statistical plan of the advisory rating organization defined in Subtitle 13 of KRS Chapter 304. The sum of all calculated values shall be computed for all claims in the base period.
  - (b) The **executive director**~~commissioner~~ shall obtain the annual payroll for each of the three (3) years in the base period for each employer carrying his own risk from records of the **office**~~department~~ and from the records of the Department for Employment Services, Cabinet for Workforce Development. The **executive director**~~commissioner~~ shall multiply each of the three (3) years of payroll by the number obtained by dividing the statewide average weekly wage which will be in effect for the year in which the

premium is being calculated by the statewide average weekly wage in effect in each of the years of the base period.

- (c) The *executive director*~~[commissioner]~~ shall divide the total of the adjusted claim values for the three (3) year base period by the total adjusted payroll for the same three (3) year period. The value so calculated shall be multiplied by 1.25 and shall then be multiplied by the employer's most recent annualized payroll, calculated using records of the *office*~~[department]~~ and the Department for Employment Services data which shall be made available for this purpose on a quarterly basis as reported, to obtain the premium for the next calendar year for assessment purposes under KRS 342.122.
  - (d) For November 1, 1987, through December 31, 1988, premium for each employer carrying his own risk shall be an amount calculated by the board pursuant to the provisions contained in this subsection and such premium shall be provided to each employer carrying his own risk and to the funding commission on or before January 1, 1988. Thereafter, the calculations set forth in this subsection shall be performed annually, at the time each employer applies or renews his application for certification to carry his own risk for the next twelve (12) month period and submits payroll and other data in support of the application. The employer and the funding commission shall be notified at the time of the certification or recertification of the premium calculated by the *executive director*~~[commissioner]~~, which shall form the employer's basis for assessments pursuant to KRS 342.122 for the calendar year beginning on January 1 following the date of certification or recertification.
  - (e) If an employer having fewer than five (5) years of doing business in this state applies to carry his own risk and is so certified, his premium for the purposes of KRS 342.122 shall be based on the lesser number of years of experience as may be available including the two (2) most recent years if necessary to create a three (3) year base period. If the employer has less than two (2) years of operation in this state available for the premium calculation, then his premium shall be the greater of the value obtained by the calculation called for in this subsection or the amount of security required by the *executive director*~~[commissioner]~~ pursuant to KRS 342.340(1).
  - (f) If an employer is certified to carry his own risk after having previously insured the risk, his premium shall be calculated using values obtained from claims incurred while insured for as many of the years of the base period as may be necessary to create a full three (3) year base. After the employer is certified to carry his own risk and has paid all amounts due for assessments upon premiums paid while insured, he shall be assessed only upon the premium calculated under this subsection.
  - (g) "Premium" for each employer defined in KRS 342.630(2) shall be calculated as set forth in this subsection.
  - (h) Notwithstanding any other provision of this subsection, the premium of any employer authorized to carry its own risk for purposes of assessments due under this chapter shall be no less than thirty cents (\$0.30) per one hundred dollars (\$100) of the employer's most recent annualized payroll for employees covered by this chapter.

- (5) If the address of any record owner is unknown to the applicant and cannot upon diligent inquiry within the county be ascertained, or if there are more than five (5) record owners, then the applicant shall file with the department an affidavit that either condition exists, and the department may prescribe some different method of notifying the record owner in lieu of sending a copy of the plat and notice of application as required by this section.
- (6) The plat shall be filed and become a permanent record, subject to inspection at any time by any interested person. Any executive officer, process agent, or chief engineer of the mine licensee or mine permittee may be considered a mine licensee or mine permittee for the purposes of mailing the required copy of the plat.
- (7) If a coalbed methane well is proposed to be drilled, deepened, converted, or reopened by an applicant who is not the owner or lessee of all of the oil and gas interests, the applicant shall, simultaneously with the filing of the application for a permit, send by registered or certified mail a copy of the required plat to the record oil and gas lessees of, to the record oil and gas lessors of, and to the operator of all oil and gas wells producing from, all formations from the surface to one hundred (100) feet below the deepest penetration of the coalbed methane well on the tract upon which the well is proposed to be located.

- (8) The operator shall promptly upon completion of either a vertically drilled coalbed methane well located ten (10) feet or more from the location reflected on the plat required with the permit application or a horizontally drilled coalbed methane well file with the department an as-drilled plat prepared by a licensed professional land surveyor and a licensed professional engineer reflecting the actual coalbed methane well location. If the operator has completed a horizontally drilled coalbed methane well, the as-drilled plat shall show its alignment and extent. The plat shall become a permanent record subject to inspection at any time by any interested persons.
- (9) Each plat, or exhibit attached thereto, shall have the following information on a form supplied by the department:
  - (a) Notice of the application for a coalbed methane well and the address where a copy of the application may be obtained;
  - (b) A statement that the recipient has twenty (20) days within which to file an objection to the proposed coalbed methane well, its location, the proposed stimulation in the workable coalbed, or the proposed completion in the workable coalbed; and
  - (c) A statement that the applicant has met and conferred with, or offered to meet and confer with, each coal interest holder concerning the proposed coalbed methane well, its location, the proposed stimulation in the workable coalbed, or the proposed completion in the workable coalbed.

Section 46. KRS 349.020 is amended to read as follows:

- (1) If the drilling of a coalbed methane well could adversely affect the present or future use or operation of a workable coalbed, any coal interest holder may object to a proposed coalbed methane well, the well's location, the proposed stimulation in the workable coalbed, or the proposed completion in the workable coalbed. Any coal interest holder, within twenty (20) days of receipt of the plat by him or her and by the department, may file specific objections in writing with the department. The filed objections shall provide sufficient detail for the applicant to identify the nature and substance of the objection. The department shall notify the applicant of the objections and fix a time and place for a hearing before the review board to be conducted in accordance with KRS Chapter 13B and this chapter.
- (2) If any coal interest holder, notified pursuant to KRS 349.015, or any other person, claims to have a valid real property interest in, or the current legal right to produce, coalbed methane, the person claiming the real property interest or right shall notify the applicant and the department, in writing, within twenty (20) days from the receipt of the plat by him or her and by the department. The person also shall request that a pooling order be entered pursuant to KRS 349.080(1).
- (3) If the record oil and gas lessor, lessee, or well operator notified pursuant to KRS 349.015, or any other person, claims to have a valid real property interest in, or the current legal right to produce, coalbed methane, the person claiming the real property interest or right shall notify the applicant and the department, in writing, within twenty (20) days from the receipt of the plat by him. The person shall request that a pooling order be entered pursuant to KRS 349.080(1).
- (4) If no objections are filed within the twenty (20) day period, the department shall immediately issue a drilling permit to the well operator approving the location of the well and authorizing the well operator to proceed to drill at that location, provided all other preconditions to issuance of a permit, as contained in this chapter, have been met.
- (5) Upon receipt of an application to drill a coalbed methane well, the department shall provide a copy of the required plat and permit application to *the division*~~{DSMRE}~~. Within fifteen (15) days of receipt by *the division*~~{DSMRE}~~, notification shall be sent to the department by *the division*~~{DSMRE}~~ as to whether the proposed coalbed methane well will be located within the boundaries of any coal mine for which a permit has been issued or has been applied for pursuant to KRS Chapter 350. If the proposed coalbed methane well is to penetrate a workable coalbed that is within the area of an existing permit for an underground mine issued by *the division*~~{DSMRE}~~, or the proposed permitted area of a pending application or permit modification for an underground mine before *the division*~~{DSMRE}~~, the written authorization of the mine permittee shall be required prior to issuance by the department of a permit to stimulate, complete, or horizontally drill the coalbed methane well in the workable coalbed that is within the area of an existing permit for an underground mine issued by *the division*~~{DSMRE}~~ or within the proposed permitted area of a pending application or permit modification for an underground mine before *the division*~~{DSMRE}~~. If the proposed coalbed methane well is to be located within a surface area permitted, or proposed in a pending application or permit modification to be

issued by ~~the division [DSMRE]~~, the written authorization of the mine permittee shall be required prior to issuance by the department of a permit to drill the coalbed methane well. In the absence of the written authorization of the mine permittee, the applicant may file an appeal with the review board requesting approval to drill the proposed coalbed methane well if:

- (a) Authorization has been denied by the mine permittee; and
- (b) The proposed location and area to be disturbed by the proposed coalbed methane well has achieved either a partial bond release status or the bond for the area has been forfeited.

Section 47. KRS 349.040 is amended to read as follows:

- (1) It is unlawful for any person to drill, commence, operate, deepen, convert, or stimulate any coalbed methane well, to conduct any horizontal drilling of a coalbed methane well or to convert any existing oil or natural gas well to a coalbed methane well, without first securing from the department a permit pursuant to this chapter. Before any well, borehole, or facility initially used for a coal mining related purpose, such as a vent hole, is converted for the purpose of recovering coalbed methane for sale or use, the operator shall obtain a permit and comply with the provisions of this chapter prior to the time that the well, borehole, or facility is converted or used for the purpose of recovering coalbed methane for sale or use. It is unlawful for any person to drill, deepen, convert, or reopen a coalbed methane well for the production of oil or natural gas or for the injection of water, gas, or other fluids into any oil or natural gas producing formation until the person has obtained a permit from the department for a petroleum or natural gas well pursuant to KRS 353.570. However, no additional permit fee shall be required if the original permit for the coalbed methane well has not expired.
- (2) Every permit application filed under this section shall be verified and shall contain the following:
  - (a) A statement that the applicant claims to have a valid real property interest in, or the current legal right to produce coalbed methane from a person claiming a valid real property interest in, the coalbed methane. The statement shall identify with specificity the nature of the real property interest and the document or instrument evidencing that interest or right, including recording information of any recorded document or instrument;
  - (b) The names and addresses of the coalbed methane well operator and every person or entity whom the applicant must notify under any section of this chapter;
  - (c) The name and address of each coal interest holder of any workable coalbed which is to be penetrated by a proposed coalbed methane well or within seven hundred fifty (750) horizontal feet or fifty (50) vertical feet of any portion of the proposed coalbed methane well;
  - (d) The name and addresses of each record oil and gas lessee of, the record oil and gas lessor of, and the operator of all oil and gas formations from the surface to one hundred (100) feet below the deepest penetration of the coalbed methane well on the tract upon which the coalbed methane well is proposed to be located;
  - (e) The coalbed methane well name or such other identification as the department may require;
  - (f) The approximate depth to which the coalbed methane well is to be drilled, deepened, or converted, the coal seams including the depth and thickness of each seam that will be completed for production, and any other coal seams which will be penetrated by the coalbed methane well;
  - (g) A description of any means to be used to stimulate any of the workable coalbeds penetrated by the coalbed methane well;
  - (h) If the proposed coalbed methane well will require casing or tubing, the entire casing program for the coalbed methane well, including the size of each string of pipe, the starting point and depth to which each string is to be set, and the extent to which each string is to be cemented;
  - (i) If the proposed operation is to convert an existing petroleum or natural gas well, as defined in KRS 353.010(13), or to convert a vertical borehole or facility initially used for a coal mining related purpose, such as a vent hole, to a coalbed methane well, all information required by this section, all formations from which production is anticipated, and any plans to plug any portion of the well;
  - (j) Except for a vent hole proposed to be converted to a coalbed methane well, if the proposed coalbed methane well will be completed in some but not all coal seams for production, a plan and design for the

coalbed methane well which will protect all workable coalbeds which will be penetrated by the coalbed methane well;

- (k) If the proposed operations will include horizontal drilling of a coalbed methane well, a description of the operations, including both the vertical and horizontal alignment and extent of the coalbed methane well from the surface to total depth; and
  - (l) Other information as the department may require consistent with this chapter.
- (3) Each application for a coalbed methane well permit shall be accompanied by the following:
- (a) A permit application fee of three hundred dollars (\$300);
  - (b) A bond in an amount prescribed in KRS 349.120;
  - (c) A certificate that the applicant's notice requirements of KRS 349.015 have been satisfied. Certification may be by affidavit of personal service, or the return receipt card, or other postal receipt, for certified mailing;
  - (d) If the proposed coalbed methane well will be located within one-half (1/2) of a mile, measuring horizontally, of a water supply well being used for residential or domestic purposes, the applicant will submit the groundwater protection plan required under KRS 224.70-110 and applicable administrative regulations promulgated pursuant thereto for review by the department, or demonstrate to the department that a plan is not required; and
  - (e) Proof that the applicant has public liability insurance coverage in an amount not less than five hundred thousand dollars (\$500,000) in aggregate and three hundred thousand dollars (\$300,000) per occurrence for damages to persons and property caused by the applicant's operations or proof that the applicant has satisfied self-insurance requirements as provided by administrative regulations which shall be promulgated by the department.
- (4) Prior to the department's issuance of a permit to drill a coalbed methane well, a copy of the written authorization from the mine licensee shall be filed with the application under the following circumstances:
- (a) If the proposed coalbed methane well is to penetrate a workable coalbed that is within the permitted area of an existing permit or the proposed permitted area of a permit pending before the *division*~~[DSMRE]~~ and if the applicant plans to stimulate, complete, or horizontally drill the coalbed methane well in a workable coalbed that is within the permitted area of an existing permit or the proposed permitted area of a permit pending before *the division*~~[DSMRE]~~;
  - (b) If the proposed coalbed methane well is to be located within a surface area permitted under an existing permit, or the proposed permitted area of a permit pending before *the division*~~[DSMRE]~~ for which no bond release has been obtained; or
  - (c) If the proposed coalbed methane well is to be located within a surface area permitted under an existing permit by *the division*~~[DSMRE]~~ for which a partial bond release has been obtained.

If a coalbed methane well permit is issued for a well site located within the boundaries of any coal mine for which a permit has been issued or is pending pursuant to KRS Chapter 350, the permit shall include a provision specifically stating that the permitted coalbed methane well location is in an area for which a coal mine permit has been issued or is pending pursuant to KRS Chapter 350 and is subject to the mine-through rights set forth in KRS 349.030(1).

- (5) If a partial bond release for the surface area on which the proposed coalbed methane well is located has been obtained from *the division*~~[DSMRE]~~ and the applicant is denied written authorization from the mine licensee, the applicant may file an appeal with the review board requesting approval to drill the proposed coalbed methane well. When requesting an appeal, the applicant shall submit a verified statement including the following:
- (a) The applicant has met and conferred with or offered to meet and confer with the mine licensee concerning the authorization;
  - (b) The mine licensee has refused to provide written authorization to disturb the permitted area;
  - (c) The physical area to be disturbed by the proposed well location and the use of area, including ingress and egress thereto, qualifies as a commercial or industrial postmining land use entitling the mine

licensee to a complete bond release for the area to be disturbed by the coalbed methane well operator in accordance with KRS Chapter 350; and

- (d) The applicant has agreed to pay the reasonable and actual costs of the permit revision required by *the division* ~~(DSMRE)~~ to affect the incremental bond release for the proposed area to be disturbed by the coalbed methane well operator, not to exceed five thousand dollars (\$5,000).
- (6) Prior to the issuance of a permit to drill a coalbed methane well, the applicant shall grant assignable subsidence waivers to any mine licensee if requested in an objection filed pursuant to KRS 349.060 and, if required, to allow present or future mining with planned subsidence under KRS Chapter 350. However, this subsection and any subsidence waivers shall in no way waive, affect, or impair the ability of the applicant or the applicant's successors or assigns to pursue any remedies for damages to persons, or to improved or tangible property, suffered or incurred as a result of any subsidence caused by the mine licensee or the mine licensee's successors or assigns. The mine licensee, its successors or assigns, shall be liable for any and all damages to persons or to improved or tangible property proximately caused by the mine licensee.
- (7) If the mine licensee is mining in a coal seam that is not being produced by the coalbed methane well operator and has not exercised his or her mine-through rights, as set forth in KRS 349.030(1) or (2), in any coal mine before removing any coal or other material or driving any entry or passageway within five hundred (500) horizontal feet of the vertical segment of a coalbed methane well or within fifty (50) vertical feet of the horizontal segment of a coalbed methane well, the mine licensee shall forward simultaneously to the well operator and to the department, by certified mail, return receipt requested, or by registered mail, a copy of the maps and plans required by law to be filed and kept up to date. Maps or plans shall show the mine workings and projected mine workings within five hundred (500) horizontal feet of the coalbed methane well. However, the issuance of any coalbed methane well permit shall not preclude or prevent coal mining outside two hundred (200) feet, but not closer than fifty (50) feet, of the vertical segment of a coalbed methane well or outside of the workable coalbed in which the horizontal segment of a coalbed methane well is located, unless specified by the department for reasons of mine or well safety. The mine licensee shall not mine within fifty (50) feet of the vertical segment of a coalbed methane well without the written authorization of the coalbed methane well operator. A mine licensee may file a request with the department to mine closer than two hundred (200) feet of the vertical segment of the coalbed methane well. The mine licensee shall forward simultaneously to the well operator and the department, by certified mail, return receipt requested, or by registered mail, a request to mine closer than two hundred (200) feet, but not closer than fifty (50) feet, of the vertical segment of the coalbed methane well, which shall be accompanied by the following:
- (a) A copy of the maps and plans required by law to be filed and kept up to date, showing on the copy of the map or plan its mine plan workings and projected mine workings beneath the tract of land and within two hundred (200) feet, but not closer than fifty (50) feet, of the vertical segment of the coalbed methane well; and
- (b) A statement that the applicant has met and conferred with, or offered to meet and confer with, the well operator concerning the mine licensee's plan to mine closer than two hundred (200) feet, but not closer than fifty (50) feet, of the vertical segment of the coalbed methane well.

The well operator may, within twenty (20) days of receipt of the documents listed in paragraphs (a) and (b) of this subsection, file specific objections in writing with the department. When objections are filed, the department shall provide a copy of the objections to the mine licensee and fix a time and place for an informal hearing. The hearing shall be held not more than ten (10) days from the end of the twenty (20) day period. At the hearing, the mine licensee and the well operator, in person or by representative, shall consider the objections and seek agreement on the character and the extent of operations to be conducted within less than two hundred (200) feet, but not closer than fifty (50) feet, of the vertical segment of the coalbed methane well. If no agreement can be reached, the department, after administrative hearing conducted in accordance with KRS Chapter 13B, shall make a decision defining what coal, if any, is necessary to be left for the safe protection, use, and operation of the well. The department's decision shall be subject to appeal by either party as provided in this chapter. The department shall keep a complete record of all hearings. The mine licensee shall, every six (6) months, while mining within two hundred (200) feet, but not closer than fifty (50) feet, of the vertical segment of the coalbed methane well, file up-to-date maps and plans required by this section, or file new maps and plans complete to date.

- (8) The department may deny the issuance of a permit if it determines that the applicant has a documented pattern or practice of substantial violations of the provisions of this chapter and has failed to abate or seek review of the violations. If the department finds that a substantial violation has occurred with respect to existing operations and that the operator has failed to abate or seek review of the violation in the time prescribed, the department may suspend the permit. After a suspension, the operator shall forthwith cease all work being conducted under the permit until the department reinstates the permit. The department shall make a written finding of its determination and may enforce the determination in Circuit Court pursuant to KRS 349.145.

Section 48. KRS 349.055 is amended to read as follows:

The ***Environmental and Public***~~[Natural Resources and Environmental]~~ Protection Cabinet shall have and exercise the following authority and powers:

- (1) To adopt administrative regulations after a hearing pertaining to surface coal mining operations including strip mining and the surface effects of underground mining to accomplish the purposes of this chapter;
- (2) To conduct investigations and hearings under provisions of this chapter or regulations adopted pursuant thereto;
- (3) To issue, after an opportunity for a hearing, suspension orders or show cause orders requiring an operator, permittee, or person to adopt remedial measures that are necessary to comply with this chapter and administrative regulations adopted pursuant thereto. Failure to attend a hearing shall be excused for good cause shown;
- (4) To issue, after an opportunity for a hearing, a final order imposing civil penalties for violations of this chapter or directing the ***Department for Natural Resources***~~[Kentucky Bureau of Surface Mining Reclamation and Enforcement]~~ to revoke a permit, when the requirements set forth by the notice of noncompliance, order of cessation, or an order of the cabinet requiring remedial measures have not been complied with according to the terms therein. When the secretary or his authorized representatives determines that a pattern of violations of any requirements of this chapter or any permit conditions required by this chapter exists or has existed, and if the secretary or his authorized representatives also find that the violations are caused by the unwarranted failure of the permittee to comply with any requirements of this chapter or any permit conditions or that the violations are willfully caused by the permittee, the secretary or his authorized representative shall forthwith issue an order to the permittee to show cause as to why the permit should not be suspended or revoked and shall provide an opportunity for a hearing. Failure to attend a hearing shall be excused for good cause shown; and
- (5) To adopt administrative regulations to allow the state to administer and enforce the initial and permanent regulatory programs of Public Law 95-87, "Surface Mining Control and Reclamation Act of 1977." Nothing in this chapter shall be construed as superseding, amending, modifying, or repealing any of the acts listed in Section 702(a) of Public Law 95-87, or any administrative regulation promulgated thereunder.

Section 51. KRS 350.0301 is amended to read as follows:

- (1) Any person who considers himself aggrieved by any determination made by the cabinet under this chapter may file, in accordance with administrative regulations promulgated by the cabinet under the provisions of this chapter, a petition alleging that the determination is contrary to law or fact and is injurious to him, the grounds

and reasons therefor, and demand a hearing. Unless the cabinet considers that the petition is frivolous, it shall serve written notice of the petition on each person named therein and shall schedule a hearing before the cabinet not less than twenty-one (21) days after the date of the notice unless the person complained against waives in writing the twenty-one (21) day period. The right to demand a hearing pursuant to this section shall be limited to a period of thirty (30) days after the petitioner has had actual notice of the determination complained of, or could reasonably have had notice. However, the petitioner shall have the opportunity to contest the validity of an underlying notice of noncompliance in a timely-filed demand for hearing to contest the validity of a cessation order issued for a failure to abate the violation contained in the notice of noncompliance.

- (2) All hearings, other than conferences, under this chapter shall be held before a hearing officer, duly qualified to practice law in the Commonwealth of Kentucky, who may be a full-time employee of the cabinet, serve by contract, or be paid on a per diem basis in the discretion of the cabinet. After the conclusion of the hearing, the hearing officer shall within thirty (30) days make to the secretary a report and recommended order which shall contain a finding of fact and a conclusion of law. If the secretary finds upon written request of the hearing officer that additional time is needed, the secretary may grant an extension. - (3) Every person licensed as a grain dealer shall file with the department a surety bond signed by the dealer as principal and by a responsible company authorized to execute surety bonds within the Commonwealth of Kentucky. A grain dealer may file with the department, in lieu of a surety bond, a certificate of deposit payable to the Commissioner as trustee or an irrevocable letter of credit on forms prescribed by the Commissioner. The principal amount of the certificate or letter of credit shall be the same as that required for a surety bond under this section, and the interest,~~thereon~~ if any, shall be made payable to the purchaser. The bond shall be a principal amount, to the nearest one thousand dollars (\$1,000), equal to ten percent (10%) of the aggregate dollar amount paid by the dealer to producers for grain purchased from them during the dealer's last completed fiscal year, or in the case of a dealer who has been engaged in business as a grain dealer for less than one (1) year or who has not *previously been*~~heretofore~~ engaged *as a grain dealer*~~in such business~~, ten percent (10%) of the estimated aggregate dollar amount to be paid by the dealer to producers for grain purchased from them during the next fiscal year. ~~The~~~~Such~~ bond shall not be less than twenty-five thousand dollars (\$25,000), nor more than one hundred thousand dollars (\$100,000), except as otherwise authorized by this section.~~Any grain dealer may file with the department, in lieu of a surety bond, a certificate of deposit payable to the Commissioner as trustee or an irrevocable letter of credit on forms prescribed by the Commissioner. The principal amount of the certificate shall be the same as that required for a surety bond under this section and the interest thereon shall be made payable to the purchaser thereof.~~
- (4) The Commissioner shall, when he questions a grain dealer's ability to pay producers for grain purchased, or when he determines that the grain dealer does not have a sufficient net worth to meet his financial obligations, require a grain dealer to post an additional bond in a dollar amount equal to the insufficiency or shall require an additional certificate of deposit or an irrevocable letter of credit equal to the insufficiency, as deemed appropriate by the Commissioner. Failure to post the additional bond or certificate of deposit or an irrevocable letter of credit constitutes grounds for suspension or revocation of a license issued under this section.
- (5) The bond or additional bond shall be made payable to the Commonwealth of Kentucky, with the Commissioner as trustee, and shall be conditioned on the grain dealer's faithful performance of his duties as a grain dealer and his compliance with this section. It shall be for the use and benefit of any producer from whom the grain dealer may purchase grain and who is not paid by the grain dealer, and shall not be cancelled, except upon at least sixty (60) days' notice in writing to the department. In no event shall the total aggregate liability of a surety exceed the face amount of its bond.
- (6) Any grain dealer who is of the opinion that his net worth and assets are sufficient to guarantee payment to producers for grain purchased by him may request the Commissioner to be relieved of the obligation of filing a bond in excess of the minimum bond of twenty-five thousand dollars (\$25,000). ~~The~~~~Such~~ request shall be accompanied by a financial statement of the applicant made within five (5) months of the date of ~~the~~~~such~~

request, certified by a licensed public accountant, and ~~any~~ such additional information concerning the applicant and his finances as the department may require. If ~~the~~ such financial statement discloses a net worth of an amount equal to at least three (3) times the amount of the bond required by this section and the Commissioner is otherwise satisfied as to the financial ability and resources of the applicant, the Commissioner may waive that portion of the required bond in excess of twenty-five thousand dollars (\$25,000). However, in the case of a grain dealer whose net worth is not equal to three (3) times the amount of bond required, the Commissioner may allow the grain dealer to waive, in one thousand dollar (\$1,000) increments, a portion of the bond required in excess of twenty-five thousand dollars (\$25,000). The percentage factor to be applied to the bond required in excess of twenty-five thousand dollars (\$25,000) shall be determined by dividing actual net worth by the net worth required to waive all bond in excess of twenty-five thousand dollars (\$25,000). If the result of this computation provides a percentage factor of eighty percent (80%) or greater, then that same percentage of the bond in excess of twenty-five thousand dollars (\$25,000) may be waived. The grain dealer shall then provide to the department a surety bond in the amount of twenty-five thousand dollars (\$25,000), plus any additional bond required **by the Commissioner** ~~in excess thereof~~.

- (7) An incidental grain dealer whose total purchases of grain from producers during any fiscal year do not exceed an aggregate dollar amount of two hundred fifty thousand dollars (\$250,000) may satisfy the bonding requirements of this section by filing with the department a bond, certificate of deposit, or an irrevocable letter of credit at the rate of one thousand dollars (\$1,000) for each ten thousand dollars (\$10,000) or fraction **of ten thousand dollars (\$10,000)** ~~thereof of the dollar amount to be purchased~~ with a minimum bond, certificate of deposit, or an irrevocable letter of credit of one thousand dollars (\$1,000), and a current financial statement.
- (8) Failure of a grain dealer to file a bond, certificate of deposit, or an irrevocable letter of credit and to keep the bond, certificate of deposit, or an irrevocable letter of credit in force or to maintain assets adequate to assure payment to producers for grain purchased from them shall be grounds for the suspension or revocation of a license issued under this section.
- (9) When the Commissioner has determined that a grain dealer has defaulted payment to producers for grain which he has purchased from them, the Commissioner shall determine, through appropriate legal procedures, the producers and the amount of defaulted payment, and, as trustee of the bond, shall immediately after the determination call for the dealer's surety bond or bonds to be paid to him for distribution to those producers who should receive the benefits. Should the defaulted amount owed producers be less than the principal amount of the bond or bonds, then the surety shall be obligated to pay only the amount of the default.
- (10) Any grain dealer who is also in the business of storing grain and is a warehouseman as defined in KRS 251.610 may be exempted from the licensing fee and bonding requirements of KRS 251.451 as long as his storage capacity and storage obligations are considered in formulating his grain dealer bond requirement.
- (11) The department may refuse to issue a license to any applicant or revoke the existing license of one ~~(1)~~ who furnishes false or misleading information or conceals a material fact on the application or other supporting documents, ~~is~~ has been convicted of fraud or deceptive practice, ~~is~~ is currently adjudicated incompetent by a court of competent jurisdiction, **fails to maintain an asset to liability ratio of one to one (1:1) or fails to post additional surety to cover the deficiency**, ~~is~~ or for other good cause shown. Any individual ~~is~~ denied a license for these reasons shall be given written notice within thirty (30) days of receipt of application. Any applicant who is denied a license or has had his license revoked and feels he has been aggrieved may request a hearing by writing to the Commissioner of Agriculture. Upon request, a hearing shall be conducted in accordance with KRS Chapter 13B.
- (12) All applications for a grain dealer license shall be accompanied by a current financial statement, or an irrevocable letter of credit from a financial institution.
- (13) (a) ***A grain dealer license shall become invalid upon the cessation of operations, change of partners in a partnership, change of corporate structure of a corporation, sale, or failure to remit license fees or fines. Licensed grain dealers shall immediately notify the department as to any changes and shall surrender the invalid license to the department. In the case of a successor, the successor shall apply for a new license.***  
 (b) ***If there is a cessation of operations or sale, the department, when deemed appropriate, may cause an audit and examination to be made. In this case, all records required in this chapter shall be available to the department until the department is satisfied that all obligations have been met.***

Section 9. KRS 251.990 is amended to read as follows:

- (1) Any person who violates the provisions of KRS 251.430 to 251.720 shall be guilty of a violation. He shall be guilty of a Class A misdemeanor for each subsequent offense. Each day of operation in violation of the provisions of KRS 251.430 to 251.720 shall constitute a separate offense.

- (3) Any person who intentionally refuses or fails to pay moneys collected for assessment of grain under the Kentucky Grain Insurance Fund Program as set forth in KRS 251.640 shall be subject to a fine of not less than one hundred dollars (\$100) nor more than five hundred dollars (\$500), or imprisoned for not more than six (6) months, or both.
- (4) Any person who fails or refuses to maintain at all times grain in storage, rights in grain, proceeds from the sale of grain, or a combination of the grain, rights, and proceeds equal to eighty percent (80%) of the value of a licensed grain storage establishment's unpaid obligations to producers for grain delivered under a forward pricing (delayed pricing) contract as required by KRS 251.485 or 251.675 shall be fined not less than five thousand dollars (\$5,000) nor more than ten thousand dollars (\$10,000) for each violation, or imprisoned for at least one (1) year but not more than five (5) years, or both.
- (5) Any person who knowingly makes any false statement, representation, or certification, or who knowingly fails to make any statement, representation, or certification in any record, report, or other document filed or required to be maintained by the Commissioner in violation of KRS 251.485(2) shall upon conviction be fined not less than one thousand dollars (\$1,000) nor more than five thousand dollars (\$5,000) for each violation, or imprisoned for at least one (1) year but not more than five (5) years, or both.
- (6) Any person who transfers or disburses grain, property, or assets from the licensed grain establishment's handler account in violation of KRS 251.485(2) shall upon conviction be fined not less than five thousand dollars (\$5,000) nor more than ten thousand dollars (\$10,000) for each violation, or be imprisoned for at least one (1) year but not more than five (5) years, or both.
- (7) Except as permitted by law, any person who willfully and knowingly resists, prevents, impedes, or interferes with the Commissioner or other agents or employees of the department in performance of the duties assigned by KRS 251.485 or 251.675, shall upon conviction be fined not less than one thousand dollars (\$1,000) nor more than five thousand dollars (\$5,000) for each violation, or imprisoned for not more than one (1) year, or both.
- (8) If a corporate grain establishment license holder violates any provision of KRS 251.485 or 251.675 or *any* administrative regulations *that pertain to KRS 251.485 or 251.675* ~~issued pursuant thereto~~, or if it fails or refuses to comply with any lawful order issued by the Commissioner, any director, officer, or agent of the corporation who willfully and knowingly authorized, ordered, or carried out the violation, failed, or refused to comply with any lawful order issued by the Commissioner shall be subject to the same penalties, fines, and imprisonment as may be imposed upon a person *in accordance with* ~~pursuant to~~ this section.
- (9) ***Any person who fails to renew a license within the time frame required by Section 2 or 8 of this Act shall be fined one hundred fifty dollars (\$150).***
- (10) ***All fines or penalties collected from violators of the provisions of this chapter shall be deposited into the Kentucky grain insurance fund created by Section 6 of this Act.***

- (1) All money received by the corporation from the sale of lottery tickets and all other sources shall be deposited into a corporate operating account. The corporation shall allocate the amount to be paid by the corporation to prize winners. The amount in the corporate operating account which the corporation anticipates will be available for the payment of prizes on an annuity basis may be invested in direct United States Treasury obligations. These instruments may be in varying maturities with respect to payment of annuities and may be in book-entry form. Monthly, no later than the last business day of the succeeding month, the corporation shall transfer to a lottery trust fund the amount of net revenues which the corporation determines are surplus to its needs. These funds shall be held in trust until 1990 at which time the General Assembly shall determine the manner in which the funds will be allocated and appropriated. The net revenues shall be determined by deducting from gross revenues the payment costs incurred in the operation and administration of the lottery, including the expenses of the corporation and the costs resulting from any contract or contracts entered into for promotional, advertising, or operational services or for the purchase or lease of lottery equipment and materials, fixed capital outlays, and the payment of prizes to the holders of winning tickets. After the start-up costs are paid, it is the intent of the Legislature that it shall be the goal of the corporation to transfer each year thirty-five percent (35%) of gross revenues to the general fund for the purposes stated above.
- (2) A Kentucky lottery trust account is established in the State Treasury. Net lottery revenues shall be credited to this restricted account as provided in subsection (1) of this section. Moneys credited to the Kentucky lottery trust account shall be invested by the state in accordance with state investment practices and all earnings from the investments shall accrue to this account. No moneys shall be allotted or expended from this account unless pursuant to an appropriation by the General Assembly, except that moneys as are needed shall be transferred to the general fund pursuant to the provisions of the Acts of the Extraordinary Session of the 1988 General Assembly. Moneys in the Kentucky lottery trust account shall not lapse at the close of the state fiscal year.
- (3) ~~Beginning in fiscal year 1999-2000, and~~ Each fiscal year ~~thereafter~~, three million dollars (\$3,000,000) from net lottery revenues from the sale of lottery tickets shall be credited from the general fund as follows:

Section 2. KRS 439.340 is amended to read as follows:

- (3) The board shall adopt administrative regulations with respect to the eligibility of prisoners for parole, the conduct of parole and parole revocation hearings *and all other matters that come before it*, or conditions to be imposed upon parolees. Regulations governing the eligibility of prisoners for parole shall be in accordance with professionally accepted ideas of correction and reform and may utilize in part objective, performance-based criteria; however, nothing herein contained shall preclude the board from utilizing its present regulations in conjunction with other factors involved that would relate to the inmate's needs and the safety of the public.
- (4) The board shall insure that sentenced felons confined in county jails are considered for parole within thirty (30) days of their parole eligibility date and the Department of Corrections shall provide the necessary assistance and information to the board in order for it to conduct timely parole reviews.

For prisoners incarcerated on or after July 15, 1986, notice to the victims or their next of kin shall be by mail from the Parole Board to their last known address as provided by the Commonwealth's attorney to the Parole Board at the time of incarceration of the prisoner. Notice to the victim or the next of kin of subsequent considerations for parole after the initial consideration shall not be sent if the victim or the next of kin gives notice to the board that he or she no longer wants to receive such notices. The notice shall include the time, date, and place of the hearing provided for in this subsection, and the name and address of a person to write if the recipient of the notice desires to attend the hearing or to submit written comments.
- (6) Persons receiving notice as provided for in subsection (5) of this section may submit comments, in person or in writing, to the board upon all issues relating to the parole of the prisoner. The board shall read and consider all comments prior to making its parole decision, if they are received by the board not less than seven (7) days before the date for the hearing. The board shall retain all comments in the prisoner's permanent Parole Board file, and shall consider them in conjunction with any subsequent parole decisions affecting the prisoner. In addition to officers listed in subsection (5) of this section, the crime victims or the next of kin of any victim who is deceased or who is disabled and cannot attend the hearing or the parent or legal guardian of any victim

who is a minor may attend the hearing provided for in subsection (5) of this section and present oral and written comments upon all issues relating to the parole of the prisoner, if they have advised the board, in writing received by the board not less than seven (7) days prior to the date set for the hearing, of their intention to attend the hearing. - (7) Victims of Class D felonies may submit comments in person or in writing to the board upon all issues relating to the parole of a prisoner.

The time, date, and location of closed hearings shall not be disclosed to the public.
- (9) Except as specifically set forth in this section, nothing in this section shall be deemed to expand or abridge any existing rights of persons to contact and communicate with the Parole Board or any of its members, agents, or employees.
- (10) The unintentional failure by the Parole Board, sheriff, chief of police, or any of its members, agents, or employees or by a Commonwealth's attorney or any of his agents or employees to comply with any of the provisions of subsections (5), (6), and (8) of this section shall not affect the validity of any parole decision or give rise to any right or cause of action by the crime victim, the prisoner, or any other person.
- (11) No eligible sexual offender within the meaning of KRS 197.400 to 197.440 shall be granted parole unless he has successfully completed the Sexual Offender Treatment Program.

If the date of death is unknown, it shall be determined by approximation subject to amendment upon completion of any postmortem examination required to be performed.
  - (d) If death occurs in a moving conveyance in the United States and the body is first removed from the conveyance in the Commonwealth, the death shall be registered in Kentucky, and the place where it is first removed shall be considered the place of death. If a death occurs on a moving conveyance while in international waters or air space or in a foreign country or its air space, and the body is first removed from the conveyance in the Commonwealth, the death shall be registered in Kentucky, but the certificate shall show the actual place of death insofar as can be determined.
- (2) If any certificate of death is incomplete or unsatisfactory, the state registrar shall call attention to the defects in the certificate and require the person responsible for the entry to complete or correct it. The state registrar may also require additional information about the circumstances and medical conditions surrounding a death in order to properly code and classify the underlying cause.
- (3) The medical certification shall be completed, signed, and returned to the funeral director within five (5) working days after presentation to the physician, dentist, or chiropractor in charge of the patient's care for the illness or condition which resulted in death, except when inquiry is required by KRS 72.400 to 72.475. In such cases, ***and if the cause of death is unknown or under investigation, the cause of death shall be shown as such on the certificate. A supplemental report providing the medical information omitted from the original certificate shall be filed by the certifier with the state registrar within five (5) days after receiving results of the inquiry as required by KRS 72.400 to 72.475. The supplemental report shall be made a part of the existing death certificate. This report shall be considered an amendment, and the death certificate shall be marked "Amended."***~~[the coroner shall complete and sign the certificate within five (5) days after receiving results of the inquiry as required by KRS 72.400 to 72.475.]~~ In the absence of the physician, dentist, or chiropractor, or with such person's approval, the certificate may be completed and signed by his associate physician, dentist, or chiropractor, or the chief medical officer of the institution in which death occurred, or the physician who performed an autopsy upon the decedent, or a physician employed by the local health department, if the individual has access to the medical history of the case and death is due to natural causes.
- (4) If death occurs more than thirty-six (36) hours after the decedent was last treated or attended by a physician, dentist, or chiropractor, the case shall be referred to the coroner for investigation to determine and certify the cause of death. In the event that a coroner is not available to sign the certificate and there is no duly appointed deputy, the county judge/executive shall appoint a competent person to investigate the death and certify to its cause.
- (5) (a) The physician, dentist, chiropractor, or coroner who certifies to the cause of death shall return the certificate to the funeral director, or person acting as such, who, in turn, shall file the certificate directly with the Office of Vital Statistics. Any certified copies of the record requested at the time of filing shall be issued in not more than two (2) working days.
- (b) In the case of a death in which diabetes was an underlying cause or contributing condition, diabetes shall be listed in the appropriate location on the death certificate by the physician, dentist, chiropractor, or coroner who certifies to the cause of death.
- (c) In the case of a death in which diabetes was an immediate, underlying, or contributing cause of or condition leading to death, the physician, dentist, chiropractor, or coroner who certifies to the cause of death shall check "yes" for each of the following questions on the death certificate:
- 1. "Did the deceased have diabetes?"; and
  - 2. "Was diabetes an immediate, underlying, or contributing cause of or condition leading to death?".
- (6) The Office of Vital Statistics shall provide self-addressed, color-coded envelopes for the funeral homes in the Commonwealth of Kentucky.

- (7) Three (3) free verification-of-death statements shall be provided to the funeral director by the Office of Vital Statistics for every death in the Commonwealth of Kentucky.
- (8) The body of any person whose death occurs in Kentucky shall not be interred, deposited in a vault or tomb, cremated, or otherwise disposed of, or removed from or into any registration district, until a provisional certificate of death has been filed with the local registrar of the registration district in which the death occurs. If the death occurred from a disease declared by the Cabinet for Health Services to be infectious, contagious, or communicable and dangerous to the public health, no permit for the removal or other disposition of the body shall be granted by the registrar except under conditions prescribed by the Cabinet for Health Services and the local health department. The Cabinet for Health Services shall identify by regulation those communicable diseases which require blood and body fluid precautions. If a person who has been diagnosed as being infected with a communicable disease for which blood and body fluid precautions are required, dies within a health facility as defined in KRS 216B.015, the facility shall notify any embalmer or funeral director to whom the body will be transported of the need for such precautions. The notice shall be provided by including the statement "Blood and Body Fluid Precautions" on the provisional report-of-death form as prescribed by the Cabinet for Health Services. Lack of this notice shall not relieve any embalmer or funeral director from taking universal blood and body fluid precautions as are recommended by the United States Department of Health and Human Services, Centers for Disease Control for Morticians' Services. No embalmer or funeral director shall charge more for embalming the remains of a person with a communicable disease which requires blood and body fluid precautions than the price for embalming services listed on the price list funeral providers are required to maintain and provide to consumers pursuant to 16 C.F.R. Sec. 453.2 (1988).
- (9) A burial-transit permit for the final disposition issued under the law of another state which accompanies a dead body or fetus brought into the Commonwealth shall be the authority for final disposition of the body or fetus in the Commonwealth and may be accepted in lieu of a certificate of death. There shall be noted on the face of the record made for return to the local registrar that the body was shipped to Kentucky for interment and the actual place of death.
- (10) Nothing in this section shall be construed to delay, beyond a reasonable time, the interment or other disposition of a body unless the services of the coroner or the health officer are required or the Department for Public Health deems it necessary for the protection of the public health. If compliance with this section would result in unreasonable delay in the disposition of the body the funeral director, or person acting as such, shall file with the local registrar or deputy registrar prior to interment a provisional certificate of death which shall contain the name, date, and place of death of the deceased, the name of the medical certifier, and an agreement to furnish within ten (10) days a complete and satisfactory certificate of death.
- (11) No sexton or other person in charge of any place in which interment or other disposition of dead bodies is made shall inter or allow interment or other disposition of a dead body or fetus unless it is accompanied by a copy of the provisional certificate of death. The sexton, or if there is no sexton, the funeral director, or person acting as such, shall enter on the provisional certificate over his signature, the date, place, and manner of final disposition and file the certificate within five (5) days with the local registrar.
- (12) Authorization for disinterment, transportation, and reinterment or other disposition shall be required prior to disinterment of any human remains. The authorization shall be issued by the state registrar upon proper application. The provisions of this subsection shall apply to all manners of disposition except cremation and without regard for the time and place of death. The provisions of KRS 381.765 shall not apply to remains removed for scientific study and the advancement of knowledge.
- (13) After a death certificate has been on file for five (5) years, it may not be changed in any manner except upon order of a court. Prior to that time, requests for corrections, amendments, or additions shall be accompanied by prima facie evidence which supports the requested change.

## CHAPTER 134

**(HB 494)**

AN ACT relating to motor fuels taxes.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

Section 1. KRS 134.580 is amended to read as follows:

- (1) As used in this section, unless the context requires otherwise:
  - (a) "Agency" means the agency of state government which administers the tax to be refunded or credited.
  - (b) "Overpayment" or "payment where no tax was due" means the tax liability under the terms of the applicable statute without reference to the constitutionality of the statute.
- (2) When money has been paid into the State Treasury in payment of any state taxes, except ad valorem taxes, whether payment was made voluntarily or involuntarily, the appropriate agency shall authorize refunds or credits, to the person who paid the tax, or to his heirs, personal representatives or assigns, of any overpayment of tax and any payment where no tax was due. When a bona fide controversy exists between the agency and the taxpayer as to the liability of the taxpayer for the payment of tax claimed to be due by the agency, the taxpayer may pay the amount claimed by the agency to be due, and if an appeal is taken by the taxpayer from the ruling

of the agency within the time provided by KRS 131.340 and it is finally adjudged that the taxpayer was not liable for the payment of the tax or any part thereof, the agency shall authorize the refund or credit as the Kentucky Board of Tax Appeals or courts may direct.

- (3) Refunds or credits shall be authorized with interest as provided in KRS 131.183. The refunds authorized by this section shall be made in the same manner as other claims on the State Treasury are paid. They shall not be charged against any appropriation, but shall be deducted from tax receipts for the current fiscal year.
- (4) Nothing in this section shall be construed to authorize the agency to make or cause to be made any refund except within four (4) years of the date prescribed by law for the filing of a return including any extension of time for filing the return, or the date the money was paid into the State Treasury, whichever is the later, except in any case where the assessment period has been extended by written agreement between the taxpayer and the cabinet, the limitation contained in this subsection shall be extended accordingly. Nothing in this section shall be construed as requiring the agency to authorize any refund or credit to a taxpayer without demand from the taxpayer, if in the opinion of the agency the cost to the state of authorizing the refund or credit would be greater than the amount that should be refunded or credited.
- (5) This section shall not apply to any case in which the statute may be held unconstitutional, either in whole or in part.
- (6) In cases in which a statute has been held unconstitutional, taxes paid thereunder may be refunded to the extent provided by KRS 134.590, and by the statute held unconstitutional.
- (7) ***No person shall secure a refund of motor fuels tax under KRS 134.580 unless the person holds an unrevoked refund permit issued by the cabinet before the purchase of gasoline or special fuels and that permit entitles the person to apply for a refund under KRS 138.344 to 138.355.***

Section 2. KRS 224.60-145 is amended to read as follows:

- (1) Except as provided in subsection (2) of this section, there is established a petroleum environmental assurance fee to be paid by dealers on each gallon of gasoline and special fuels received in this state.
- (2) All deductions detailed in KRS 138.240(2) ***and all credits detailed in KRS 138.358***~~[- gasoline and special fuels sold for agricultural purposes, and special fuels sold exclusively to heat a personal residence]~~ are exempt from the fee. If a dealer has on file, pursuant to KRS Chapter 138, a statement supporting a claimed exemption, an additional statement shall not be required for claiming exemption from the fee.
- (3) The fee shall be reported and paid to the Revenue Cabinet at the same time and in the same manner as is required for the reporting and payment of the gasoline and special fuels taxes as provided by law.
- (4) The petroleum environmental assurance fee shall be set at one and four-tenths cent (\$.014) for each gallon. Four-tenths of a cent (\$.004) per gallon shall be deposited in the financial responsibility account and one cent (\$.01) shall be deposited in the petroleum storage tank account.
- (5) Within thirty (30) days of the close of fiscal year 2001-2002 and each fiscal year thereafter, the state budget director shall review the balance of each account to determine if a surplus exists. "Surplus" means funds in excess of the amounts necessary to satisfy the obligations in each account for all eligible facilities, to satisfy future liabilities and expenses necessary to operate each account, and to maintain an appropriate reserve in the financial responsibility account to demonstrate financial responsibility and compensate for third-party claims. The state budget director shall report the determination to the Interim Joint Committee on Appropriations and Revenue. After a determination that a surplus exists, the surplus shall be transferred to a restricted account and retained until appropriated by the General Assembly.
- (6) All provisions of law related to the Revenue Cabinet's administration and enforcement of the gasoline and special fuels tax and all other powers generally conveyed to the Revenue Cabinet by the Kentucky Revised Statutes for the assessment and collection of taxes shall apply with regard to the fee levied by KRS 224.60-105 to 224.60-160.
- (7) The Revenue Cabinet shall refund the fee imposed by KRS 224.60-145(1) to any person who paid the fee provided they are entitled to a refund of motor fuel tax under KRS 138.344 to KRS 138.355 and to any person who paid the fee on transactions exempted under KRS 224.60-145(2).
- (8) Notwithstanding any other provisions of KRS 65.180, 65.182, 68.600 to 68.606, 139.470, 183.165, 224.60-115, 224.60-130, 224.60-137, 224.60-140, 224.60-142, and this section to the contrary, the small operator assistance account and small operator tank removal account established under KRS 224.60-130 shall continue

in effect until July 15, 2008, and thereafter until all eligible claims related to tanks registered by that date are resolved, and sufficient money shall be allocated to and maintained in that account to assure prompt payment of all eligible claims, and to provide for removal of tanks for eligible owners and operators as directed by this chapter.

Section 3. KRS 138.240 is amended to read as follows:

- (1) Every gasoline dealer and every special fuels dealer, or the treasurer or other proper officer or agent of every such dealer, shall, by the twenty-fifth day of each month, transmit to the Revenue Cabinet reports on the forms the cabinet may prescribe, of the total number of gallons of gasoline and special fuel received in this state during the next preceding calendar month. It shall not be necessary that the amount of payments for units of services be uniform for the entire state but amounts may vary from county to county and from city to city, as well as among hospitals, based on the prevailing cost of medical care in each locale and other local economic and geographic conditions, except that insofar as allowed by applicable federal law and regulation, the maximum amounts reimbursable for similar services rendered by physicians within the same specialty of medical practice shall not vary according to the physician's place of residence or place of practice, as long as the place of practice is within the boundaries of the state.
- (6) Nothing in this section shall be deemed to deprive a woman of all appropriate medical care necessary to prevent her physical death.
- (7) To the extent permitted by federal law, no medical assistance recipient shall be recertified as qualifying for a level of long-term care below the recipient's current level, unless the recertification includes a physical examination conducted by a physician licensed pursuant to KRS Chapter 311 or by an advanced registered nurse practitioner licensed pursuant to KRS Chapter 314 and acting under the physician's supervision.
- (8) If payments made to community mental health centers, established pursuant to KRS Chapter 210, for services provided to the mentally retarded exceed the actual cost of providing the service, the balance of the payments shall be used solely for the provision of other services to the mentally retarded through community mental health centers.

An insurer that elects this mechanism shall use the underwriting criteria that the insurer has used for the past twelve (12) months for purposes of the program plan requirement in paragraph (b) of subsection (1) of this section for high risk individuals rather than using the criteria established in KRS 304.17A-005(21)~~[(20)]~~ and 304.17A-280 for high cost conditions;
