- (2) If wages are paid with respect to a period which is not a payroll period, the amount to be deducted and withheld shall be that applicable in the case of a miscellaneous payroll period containing a number of days, including Sundays and holidays, equal to the number of days in the period with respect to which the wages are paid.
- (3) In any case in which wages are paid by an employer without regard to any payroll period or other period, the amount to be deducted and withheld shall be that applicable in the case of a miscellaneous payroll period containing a number of days equal to the number of days, including Sundays and holidays, which have elapsed since the date of the last payment of wages by the employer during the calendar year, or the date of commencement of employment with the employer during the year, or January 1 of the year, whichever is the later.
- (4) In determining the amount to be deducted and withheld under this section, the wages may, at the election of the employer, be computed to the nearest dollar.

- (8) The ~~department~~~~(cabinet)~~ may provide by regulation, under the conditions and to the extent it deems proper, for withholding in addition to that otherwise required under this section and KRS 141.315 in cases in which the employer and the employee agree to the additional withholding. The additional withholding shall for all purposes be considered tax required to be deducted and withheld under this chapter.
- (9) Effective January 1, 1992, any employer required by this section to withhold Kentucky income tax who assesses and withholds from employees the job assessment fee provided in KRS 154.24-110 may offset a portion of the fee against the Kentucky income tax required to be withheld from the employee under this section. - (13) Any employer required by this section to withhold Kentucky income tax may be required to post a bond with the ~~department~~~~(cabinet)~~. The bond shall be a corporate surety bond or cash.   - (5) If, on any day during the calendar year, the number of withholding exemptions to which the employee may reasonably be expected to be entitled at the beginning of his next taxable year is different from the number to which the employee is entitled on such day, the employee shall in such cases and at such time as the *department*~~{cabinet}~~ may prescribe, furnish the employer with a withholding exemption certificate relating to the number of exemptions which he claims with respect to such next taxable year, which shall in no event exceed the number to which he may reasonably be expected to be so entitled. Exemption certificates issued pursuant to this subsection shall not take effect with respect to any payment of wages made in the calendar year in which the certificate is furnished.
  - (6) If, on any day during the calendar year, the number of withholding exemptions to which the employee is entitled is less than the number of withholding exemptions claimed by the employee on the withholding exemption certificate then in effect with respect to him, the employee shall, within ten (10) days thereafter, furnish the employer with a new withholding exemption certificate relating to the number of withholding exemptions which the employee then claims, which shall in no event exceed the number to which he is entitled on such day. If, on any day during the calendar year, the number of withholding exemptions to which the employee is entitled is greater than the number of withholding exemptions claimed, the employee may furnish the employer with a new withholding exemption certificate relating to the number of withholding exemptions which the employee then claims, which shall in no event exceed the number to which he is entitled on such day.

As used in this chapter, unless the context requires otherwise:

- (1) "*Department*~~[Cabinet]~~" means "*Department of Revenue*~~[Cabinet]~~."
- (2) "Coal" means and includes any material composed predominantly of hydrocarbons in a solid state.
- (3) "Severed," "severing," or "severance" means the physical removal of coal from the earth.
- (4) "Ton" means a short ton of 2,000 pounds. The number of tons shall be determined at the first point at which the coal is weighed.
- (5) "Taxpayer" shall mean and include any individual, partnership, joint venture, association, or corporation engaged in severing and/or processing coal in this state. In instances where contracts, either oral or written, are entered into by which persons, organizations, or businesses are engaged to mine or process the coal but do not obtain title to or do not have an economic interest therein, the party who owns the coal or has an economic interest shall be the taxpayer.
- (6) "Gross value" is synonymous with gross income from property as defined in Section 613(c) of the Internal Revenue Code and regulations 1.613-3 and 1.613-4 in effect on December 31, 1977, with the exception that in all instances transportation expense, as defined in subsection (11) of this section, incurred in transporting coal shall not be considered as gross income from the property. Gross value shall be reported as follows:
  - (a) For coal severed and/or processed and sold during a reporting period, gross value shall be the amount received or receivable by the taxpayer.
  - (b) For coal severed and/or processed, but not sold during a reporting period, gross value shall be determined as follows:
    1. If the coal is to be sold under the terms of an existing contract, the contract price shall be used in computing gross value.
    2. If there is no existing contract, the fair market value for that grade and quality of coal shall be used in computing gross value.
  - (c) In a transaction involving related parties, gross value shall be the amount received or receivable from the first noncontrolled sale by the related parties. If coal is sold to a related party for consumption, gross value shall not be less than the fair market value for coal of similar grade and quality.
  - (d) In the absence of a sale, gross value shall be the fair market value for coal of similar grade and quality.
  - (e) If severed coal is purchased for the purpose of processing and resale, the gross value shall be the amount received or receivable during the reporting period reduced by the amount paid or payable to the registered taxpayer actually severing the coal.
  - (f) If severed coal is purchased for the purpose of processing and consumption, the gross value shall be the fair market value of processed coal of similar grade and quality reduced by the amount paid or payable to the registered taxpayer actually severing the coal.
  - (g) In all instances, the gross value shall not be reduced by any taxes, including the tax levied by KRS 143.020, royalties, sales commissions, or any other expense.

- (7) "Reporting period" means the period for which each taxpayer shall compute his tax liability and remit the tax due to the *department*~~{cabinet}~~. The reporting period shall be monthly. However, the *department*~~{cabinet}~~ may, under certain conditions, authorize a quarterly reporting period.
- (8) "Processing" includes cleaning, breaking, sizing, dust allaying, treating to prevent freezing, or loading or unloading for any purpose. "Processing" shall not include:
- (a) Acts performed by a final consumer who is not a related party to the person who severed and/or processed the coal if such acts are performed only at the site where the coal is consumed for purposes of generating electricity; or
  - (b) The act of unloading or loading for shipment coal that has not been severed, cleaned, broken, sized, or otherwise treated in Kentucky.
- (9) "Related party" means two (2) or more persons, organizations, or businesses owned or controlled directly or indirectly by the same interest. Control shall exist if a contract or lease, either written or oral, is entered into whereby one (1) party mines or processes coal owned or held by another party and the owner or lessor participates in the mining, processing, or marketing of the coal or receives any value other than an arm's length passive royalty interest. In the case of related parties, the *department*~~{cabinet}~~ may apportion or allocate the receipts between or among the persons, organizations, or businesses if it determines that the apportionment or allocation is necessary in order to more clearly reflect gross value.
- (10) "Economic interest" for the purposes of this chapter shall be synonymous with the economic interest ownership required by Internal Revenue Code Section 611 in effect on December 31, 1977, entitling the taxpayer to a depletion deduction for income tax purposes with the exception that a party who only receives an arm's length royalty shall not be considered as having an economic interest.
- (11) "Transportation expense" shall mean:
- (a) The amount paid by a taxpayer to a third party for transporting coal from the mine mouth or pit to a processing plant, tipple, or loading dock.
  - (b) The expense incurred by a taxpayer using his own facilities in transporting coal from the mine mouth or pit to a processing plant, tipple, or loading dock.
  - (c) Transportation expenses shall not include:
    1. The cost of acquisition, improvements, and maintenance of real property;
    2. The cost of acquisition and operating expenses of mining and nonmining loading or unloading facilities;
    3. The cost of acquisition and operating expenses of equipment used to load or unload the coal at the mine, processing facility, and mining and nonmining loading facility.
- (12) "Registered taxpayer" as used in subsection (6)(e) and (f) of this section shall mean a "taxpayer" as defined in subsection (5) of this section who holds a valid coal tax certificate of registration required under KRS 143.030(1) and the certificate of registration was valid for the period in which his coal was sold.
- (13) "Above-drainage" means coal in a coal bed that outcrops at the surface within a mine permit area and that is accessed at the outcrop location.
- (14) "Below-drainage" means coal in a coal bed that does not outcrop at the surface within a mine permit area and that is accessed by mine slopes or other openings that penetrate the coal a minimum of thirty (30) feet below the surface drainage level.
- (15) "Mining ratio" means the amount of bank cubic yards of surface material that must be removed before a ton of coal can be mined.

- (2) "Natural resource" means all forms of minerals including but not limited to rock, stone, limestone, shale, gravel, sand, clay, natural gas, and natural gas liquids which are contained in or on the soils or waters of this state. For purposes of this chapter, "natural resource" does not include coal and oil which are taxed under KRS 143.020 and 137.120.
- (3) "Severing" or "severed" means the physical removal of the natural resource from the earth or waters of this state by any means; however, "severing" or "severed" shall not include the removal of natural gas from underground storage facilities into which the natural gas has been mechanically injected following its initial removal from the earth.
- (4) "Taxpayer" means and includes any individual, partnership, joint venture, association, corporation, receiver, trustee, guardian, executor, administrator, fiduciary, or representative of any kind engaged in the business of severing and/or processing natural resources in this state for sale or use. In instances where contracts, either oral or written, are entered into whereby persons, organizations or businesses are engaged in the business of severing and/or processing a natural resource but do not obtain title to or do not have an economic interest therein, the party who owns the natural resource or has an economic interest is the taxpayer.
- (5) "Gross value" is synonymous with gross income from property as defined in section 613(c) of the Internal Revenue Code and regulations 1.613-3 and 1.613-4 in effect on December 31, 1977, with the exception that in all instances transportation expense, as defined in subsection (9) of this section incurred in transporting a natural resource shall not be considered as gross income from the property. Gross value is to be reported as follows:
  - (a) For natural resources severed and/or processed and sold during a reporting period, gross value is the amount received or receivable by the taxpayer.
  - (b) For natural resources severed and/or processed, but not sold during a reporting period, gross value shall be determined as follows:
    1. If the natural resource is to be sold under the terms of an existing contract, the contract price shall be used in computing gross value.
    2. If there is no existing contract, the fair market value for that grade and quality of the natural resource shall be used in computing gross value.
  - (c) In a transaction involving related parties, gross value shall not be less than the fair market value for natural resources of similar grade and quality.
  - (d) In the absence of a sale, gross value shall be the fair market value for natural resources of similar grade and quality.
  - (e) If severed natural resources are purchased for the purpose of processing and resale, the gross value is the amount received or receivable during the reporting period reduced by the amount paid or payable to the taxpayer actually severing the natural resource.
  - (f) If severed natural resources are purchased for the purpose of processing and consumption, the gross value is the fair market value of processed natural resources of similar grade and quality reduced by the amount paid or payable to the taxpayer actually severing the natural resource.
  - (g) In all instances, the gross value shall not be reduced by any taxes including the tax levied in KRS 143A.020, royalties, sales commissions, or any other expense.
- (6) "Processing" includes but is not limited to breaking, crushing, cleaning, drying, sizing, or loading or unloading for any purpose. "Processing" shall not include the act of unloading or loading for shipment natural resources that have not been severed, cleaned, broken, crushed, dried, sized or otherwise treated in Kentucky.
- (7) "Related parties" means two (2) or more persons, organizations or businesses owned or controlled directly or indirectly by the same interests.
- (8) "Economic interest" for the purpose of this chapter is synonymous with the economic interest ownership required by Internal Revenue Code, Section 611 in effect on December 31, 1977, entitling the taxpayer to a depletion deduction for income tax purposes with the exception that a party who only receives an arm's length royalty shall not be considered as having an economic interest.

- (9) (a) "Transportation expense" means:
1. The amount paid by a taxpayer to a third party for transporting natural resources; and
  2. The expenses incurred by a taxpayer using his own facilities in transporting natural resources from the point of extraction to a processing plant, tipple, or loading dock.
- (b) Transportation expenses shall not include:
1. The cost of acquisition, improvements, and maintenance of real property;
  2. The cost of acquisition and operating expenses of mining and nonmining loading or unloading facilities; or
  3. The cost of acquisition and operating expenses of equipment used to load or unload the natural resource at the point of extraction, processing facility, or mining and nonmining loading facility.

Section 545. KRS 143A.040 is amended to read as follows:

The **Department of Revenue**~~Cabinet~~ shall administer the provisions of this chapter and shall have all the powers, rights, duties and authority with respect to rules and regulations, collection, refunding and administration of the taxes levied by KRS 143A.020 conferred generally on it by the Kentucky Revised Statutes, including KRS Chapters 131, 134 and 135.

Section 546. KRS 143A.050 is amended to read as follows:

- (1) Every taxpayer as defined in KRS 143A.010(4) shall, before June 1, 1980, or before engaging in the severing or processing of a natural resource subjected to tax under KRS 143A.020, obtain a certificate of registration by filing with the **department**~~cabinet~~ an application in such form and containing such information as the **department**~~cabinet~~ may prescribe. Every application shall be signed by the owner if a natural person; in the case of an association or partnership, by a member or partner; in the case of a corporation, by an executive officer or some person specifically authorized by the corporation to sign the application.
- (2) Whenever any taxpayer fails to comply with any provisions of this section through KRS 143A.130 or any rule or regulation of the **department**~~cabinet~~ relating thereto, the **department**~~cabinet~~ may suspend or revoke the certificate of registration held by such taxpayer.
- (3) The Commonwealth may bring an action for a restraining order or a temporary or permanent injunction to restrain or enjoin operation of a taxpayer's business being operated without a certificate of registration. Such action may be brought in the Franklin Circuit Court or in the Circuit Court having jurisdiction of the taxpayer.

Section 547. KRS 143A.060 is amended to read as follows:

Notwithstanding any other provisions of this chapter to the contrary:

- (1) In the case of natural resources other than natural gas, where the **department**~~cabinet~~ finds that it would facilitate and expedite the collection of the tax imposed under KRS 143A.020, the **department**~~cabinet~~ may authorize the taxpayer processing the natural resource to report and pay the tax which would be due from the taxpayer severing the natural resource. Authorization from the **department**~~cabinet~~ shall be in the form of an agreement executed by the taxpayer processing the natural resource, the taxpayer severing the natural resource, and the **department**~~cabinet~~. The agreement shall be in such form as the **department**~~cabinet~~ may prescribe. The agreement must be signed by the owners if the taxpayers are natural persons; in the case of a partnership or association by a partner or member; in the case of a corporation, by an executive officer or some person specifically authorized by the corporation to sign the application. The director of legal services shall sign for the **department**~~cabinet~~. The agreement may be terminated by any party to the agreement upon giving thirty (30) days' written notice to the other parties to the agreement; however, the **department**~~cabinet~~ may terminate the agreement immediately upon written notice to the other parties when either the taxpayer processing the natural resource or the taxpayer severing the natural resource fails to comply with the terms of the agreement; and
- (2) (a) In the case of natural gas, except for those cases:
  1. Where the person severing or severing and processing the natural gas will sell the gas to the ultimate consumer; or

2. Where the *department*~~{cabinet}~~ determines that the collection of the taxes due under KRS 143A.020 would be accomplished in a more efficient and effective manner through the severor, or severor and processor, remitting the taxes,

the first person to purchase the natural gas after it has been severed, or in the event that the natural gas has been severed and processed before the first sale, the first person to purchase the natural gas after it has been severed and processed, shall be liable for the collection of the tax imposed under KRS 143A.020. He shall collect the taxes imposed from the person severing, or severing and processing, the natural gas, and he shall remit the taxes to the *department*~~{cabinet}~~. In those cases where the person severing or severing and processing the natural gas sells the gas to the ultimate consumer, the person so severing or severing and processing the natural gas shall be liable for the tax imposed under KRS 143A.020. In those cases where the *department*~~{cabinet}~~ determines that the collection of the taxes due under KRS 143A.020 from the severance or severance and processing of natural gas would be accomplished in a more efficient and effective manner through the severor, or severor and processor, remitting the taxes, the *department*~~{cabinet}~~ shall set out its determination in writing, stating its reasons for so finding, and so advise the severor or severor and processor at least fifteen (15) days in advance of the first reporting period for which such action would be effective.

- (b) On or before the last day of the month following each calendar month, each person first purchasing natural gas as described in paragraph (a) of this subsection, shall report purchases of natural gas during the month, showing the quantities of gas purchased, the price paid, the date of purchase, and any other information deemed necessary by the *department*~~{cabinet}~~ for the administration of the tax levied by KRS 143A.020, and shall pay the amount of tax due, on forms prescribed by the *department*~~{cabinet}~~.
- (c) On or before the last day of the month following each calendar month, each person severing, or severing and processing natural gas, shall report the sales of natural gas, showing the name and address of the person to whom sold, the quantity of gas sold, the date of sale, and the sales price on forms prescribed by the *department*~~{cabinet}~~.

Section 548. KRS 143A.070 is amended to read as follows:

- (1) Whenever it is deemed necessary to insure compliance with KRS 143A.050 to 143A.130, the *department*~~{cabinet}~~ may require any taxpayer to post a cash or corporate surety bond.
- (2) The amount of the bond shall be fixed by the *department*~~{cabinet}~~ but, except as provided in subsection (3) of this section, shall not be greater than three (3) times the average quarterly liability of taxpayers filing returns for quarterly periods, five (5) times the average monthly liability of taxpayers required to file returns for monthly periods, or two (2) times the average periodic liability of taxpayers permitted or required to file returns for other than monthly or quarterly periods.
- (3) Notwithstanding the provisions of subsection (2) of this section, no bond required under this section shall be less than five hundred dollars (\$500).
- (4) The amount of the bond provided herein may be increased or decreased by the *department*~~{cabinet}~~ at any time subject to the limitations herein provided.
- (5) The Commonwealth may bring an action for a restraining order or a temporary or permanent injunction to restrain or enjoin the operation of a taxpayer's business until the bond is posted and any delinquent tax, including applicable interest and penalties, has been paid. Such action may be brought in the Franklin Circuit Court or in the Circuit Court having jurisdiction of the taxpayer.

Section 549. KRS 143A.080 is amended to read as follows:

- (1) On or before the last day of the month following each calendar month, every taxpayer shall report the gross value of natural resources sold, processed, or used during the preceding month and pay the amount of tax due on forms prescribed by the *department*~~{cabinet}~~.
- (2) Returns shall be signed by the taxpayer required to file the return or by his duly authorized agent but need not be verified by oath.
- (3) Returns required under this section shall contain such information as the *department*~~{cabinet}~~ deems necessary for the proper administration of this chapter.
- (4) The taxpayer required to file the return provided under this section shall deliver the return together with a remittance of the amount of the tax due to the *department*~~{cabinet}~~.

- (5) For purposes of facilitating the administration, payment, or collection of the taxes levied by KRS 143A.020, the *department*{cabinet} may permit or require returns or tax payments for periods other than monthly. When permitted, returns for other than monthly periods shall be filed and paid in such manner as the *department*{cabinet} may prescribe.
- (6) No taxpayer shall change from the reporting system required under this section or permitted in writing by the *department*{cabinet}, without the written authorization of the *department*{cabinet}.
- (7) A tax return is required for each reporting period even though there may be no tax due.

Section 550. KRS 143A.100 is amended to read as follows:

- (1) As soon as practicable after each return is received, the *department*{cabinet} shall examine and audit it. If the amount of tax computed by the *department*{cabinet} is greater than the amount returned by the taxpayer, the excess shall be assessed by the *department*{cabinet} within four (4) years from the date the return was filed, except as provided in subsection (4) of this section and except that in the case of a failure to file a return or of a fraudulent return the excess may be assessed at any time. A notice of such assessment shall be mailed to the taxpayer. The time herein provided may be extended by agreement between the taxpayer and the *department*{cabinet}.
- (2) For the purpose of subsections (1) and (4) of this section, a return filed before the last day prescribed by law for the filing thereof shall be considered as filed on such last day.
- (3) When a business is discontinued, a determination may be made at any time thereafter within the periods specified in subsection (1) of this section as to liability arising out of that business, irrespective of whether the determination is issued prior to the due date of the liability as otherwise specified in KRS 143A.080.
- (4) Notwithstanding the four (4) year time limitation of subsection (1) of this section, in the case of a return where the tax computed by the *department*{cabinet} is greater by twenty-five percent (25%) or more than the amount returned by the taxpayer, the excess shall be assessed by the *department*{cabinet} within six (6) years from the date the return was filed.

Section 551. KRS 143A.120 is amended to read as follows:

In making a determination of tax liability the *department*{cabinet} may offset overpayments for a period or periods, together with interest on the overpayments, against underpayments for another period or periods, against penalties, and against the interest on the underpayments.

Section 552. KRS 143A.130 is amended to read as follows:

- (1) Every taxpayer liable for the reporting or payment of the taxes levied by KRS 143A.020 shall keep such records, receipts, invoices, and other pertinent papers in such form as the *department*{cabinet} may require.
- (2) Every such taxpayer shall keep such records for not less than four (4) years from the making of such records unless the *department*{cabinet} in writing sooner authorizes their destruction.

Section 553. KRS 143A.140 is amended to read as follows:

- (1) The taxes paid pursuant to the provisions of this chapter shall be refunded or credited in the manner provided in KRS 134.580.
- (2) A claim for refund or credit shall be made on a form prescribed by the *department*{cabinet} and shall contain such information as the *department*{cabinet} may require.

Section 554. KRS 144.110 is amended to read as follows:

As used in KRS 144.110 to 144.130, unless the context requires otherwise:

- (1) "Air transportation facilities and related equipment" means any facilities, improvements, or equipment located at an airport and used, directly or indirectly, by the certificated air carrier or its customers in the carrier's business of transporting persons or property for hire. It includes exclusive space leased or owned by the certificated air carrier, common access areas, concession areas, aircraft ramps, taxiways, roadways, and vehicles which are part of an intra-airport train, subway, or automated fixed guideway transit system, but excludes any other ground vehicles and aircraft.

- (2) "Investment" means all costs which, consistent with the fundamental project scope, the certificated air carrier, airport operator, or any bond trustee pays, commits to pay, or incurs in any manner for the purchase or acquisition of additional air transportation facilities for which construction was started after the base period, and related equipment which was not located at an airport in this Commonwealth prior to the base period. Included are costs directly related to the design, construction, purchase, acquisition, lease, use, or financing of part or all of the additional air transportation facilities and related equipment whether owned, leased, or used by the carrier or its customers. Financing costs shall be limited to the principal amount of bonds or other obligations, capitalized interest, and any related issuance costs and expenses. The total investment shall not be offset or otherwise reduced if the certificated air carrier or airport operator is or subsequently becomes eligible for any reimbursement from either federal funds or other funds which may be available, including funds generated directly or indirectly from passenger facility charges. Likewise, any subsequent adjustment to the total investment provided in a carrier's contractual obligation shall not adversely affect the amount of the investment if the fundamental project scope is not reduced.
- (3) "Annual period" means the certificated air carrier's taxable year as provided in KRS 141.140.
- (4) "Base period" means the certificated air carrier's annual period ending in 1990.
- (5) "Contractually obligated" or "contractual obligation" means having entered into a written agreement or commitment to make an investment in air transportation facilities and related equipment in this state.
- (6) "Gross Kentucky real wage base" means the wages subject to Kentucky income tax and Kentucky income tax withholding pursuant to KRS Chapter 141, paid by a certificated air carrier during the base period adjusted to reflect changes in the United States Department of Labor's "Employment Cost Index - Wages and Salaries" for the transportation industry or, at the option of the carrier and upon verification by the *Department of Revenue* ~~Cabinet~~, the carrier's actual general wage increases, through the end of the annual period for which tax credit is claimed pursuant to KRS 144.125.
- (7) "Nonqualifying employees" means employees of the certificated air carrier whose employment with the carrier began after the base period; and
  - (a) The employees perform essentially the same functions which, by contract or otherwise, were performed in this Commonwealth for the carrier by another company at any time after the base period; or
  - (b) Their employment continued in this Commonwealth as the result of the carrier's purchase, merger, or other acquisition of or combination with another company.
- (8) "Fundamental project scope" means the total project consisting of the additional air transportation facilities and related equipment as reflected in the carrier's application filed pursuant to KRS 144.130. It shall be measured by the carrier's increased capacity. Measures of increased capacity may include such factors as square footage, cost, employment, passenger or freight loadings or handling capabilities, number of aircraft departures, and other factors related to the increased investment.

Section 555. KRS 144.120 is amended to read as follows:

- (1) Subject to the provisions of subsections (4), (5), and (6) of this section and KRS 144.130, any certificated air carrier which is engaged in the air transportation of persons or property for hire shall be entitled to a Kentucky sales and use tax credit, as computed in subsection (3) of this section, on aircraft fuel, including jet fuel, purchased after June 30, 1991, for any annual period in which the carrier meets or exceeds the investment or fuel purchase qualification requirements prescribed in subsection (2) of this section.
- (2) To qualify for the sales and use tax credit provided in subsection (1) of this section, the certificated air carrier shall:
  - (a) Prior to or during the annual period for which the credit is claimed, have made, caused to be made, or obtained contractual obligations to make, consistent with the fundamental project scope, an investment in the aggregate of at least three hundred million dollars (\$300,000,000) in new and expanded air transportation facilities and related equipment in this Commonwealth; or
  - (b) During the annual period for which the credit is claimed, purchase and place into the fuel supply tank of its aircraft in this state not less than one hundred million (100,000,000) gallons of aircraft fuel, including jet fuel, for the carrier's direct operation of the aircraft in interstate or foreign commerce exclusively for the conveyance of property or passengers for hire. Nominal use of the aircraft fuel in intrastate commerce shall not affect this provision.

- (3) The sales and use tax credit shall be an amount equal to the Kentucky sales and use tax otherwise applicable to aircraft fuel, including jet fuel, purchased by the certificated air carrier for its storage, use, or other consumption during the annual period, less four million dollars (\$4,000,000). The four million dollar (\$4,000,000) amount shall be increased to reflect the Kentucky sales and use tax on aviation fuel attributable to operations of any other company purchased, merged, acquired, or otherwise combined with the certificated air carrier after the base period. The amount of the increase shall be based on the Kentucky sales and use tax applicable to such aircraft fuel purchased during the twelve (12) month period immediately preceding the purchase, merger, or other acquisition by or combination with the certificated air carrier.
- (4) To facilitate administration of the tax credit provided pursuant to this section, each qualifying certificated air carrier purchasing aircraft fuel, including jet fuel, on which the Kentucky sales and use tax for the annual period is reasonably expected to exceed the amount provided in subsection (3) of this section shall report and pay directly to the **Department of Revenue**~~Cabinet~~ the tax applicable to aircraft fuel, including jet fuel, purchased for its storage, use, or other consumption during the annual period, less the credit provided herein.
- (5) Notwithstanding the provisions of subsection (1) of this section, no certificated air carrier shall be entitled to any tax credit pursuant to this section unless the carrier meets the requirements of subsection (2) of this section by the annual period ending in 1997.
- (6) Each certificated air carrier claiming the sales and use tax credit authorized pursuant to this section shall file an annual sales and use tax reconciliation report with the **Department of Revenue**~~Cabinet~~ on or before the fifteenth day of the fourth month following the end of each annual period for which the credit is claimed. The report shall be filed as provided in KRS 144.137.

Section 556. KRS 144.125 is amended to read as follows:

- (1) Subject to the provisions of subsections (4) through (9) of this section and KRS 144.130, any certificated air carrier which is engaged in the air transportation of persons or property for hire shall be entitled to a general tax credit, as computed in subsection (3) of this section, for any annual period in which the certificated air carrier meets or exceeds the investment and gross wage qualification requirements prescribed in subsection (2) of this section and has elected to begin claiming the credit.
- (2) To qualify for the general tax credit provided in subsection (1) of this section, the certificated air carrier shall:
  - (a) Prior to or during the annual period for which the credit is claimed, have made, caused to be made, or obtained contractual obligations to make, consistent with the fundamental project scope, an investment in the aggregate of at least three hundred million dollars (\$300,000,000) in new and expanded air transportation facilities and related equipment in this Commonwealth; and
  - (b) During the annual period for which the credit is claimed, have gross wages subject to Kentucky income tax and Kentucky income tax withholding pursuant to KRS Chapter 141 which are at least fifteen million dollars (\$15,000,000) greater than its gross Kentucky real wage base. In calculating the gross wages paid for the annual period for which the credit is claimed, there shall not be included the wages of any nonqualifying employees of the certificated air carrier.
- (3) The general tax credit shall be an amount equal to ten percent (10%) of the increase in gross wages subject to Kentucky income tax and Kentucky income tax withholding paid by the certificated air carrier during the annual period as compared to the carrier's gross Kentucky real wage base. In calculating the gross wages paid for the annual period for which the credit is claimed, there shall not be included the wages of any nonqualifying employees of the certificated air carrier.
- (4) The general tax credit may accrue for only five (5) consecutive annual periods of the qualifying certificated air carrier. The five (5) year limitation period shall begin at the election of the qualifying certificated air carrier, but not later than the carrier's annual period beginning in 1997. The tax credit shall accrue to the carrier only for the annual periods during which the carrier meets or exceeds the requirements as provided in subsection (2) of this section.
- (5) The general tax credit authorized to a qualifying certificated air carrier shall not exceed three million dollars (\$3,000,000) for any annual period.
- (6) The general tax credit authorized to a qualifying certificated air carrier shall not exceed a total of fifteen million dollars (\$15,000,000).

- (7) The general tax credit authorized shall be claimed by the qualifying certificated air carrier first against its Kentucky corporation income tax liability, then against its Kentucky corporation license tax liability, with any remaining balance to be claimed against its Kentucky sales and use tax liability. The credit shall not be applied to any other liability due the Commonwealth. The **Department of Revenue**~~[Cabinet]~~ may prescribe the method or manner for the qualifying certificated air carrier to claim the tax credit on applicable tax returns filed with the **department**~~[cabinet]~~.
- (8) If the tax liabilities against which the tax credit is to be claimed pursuant to subsection (7) of this section are not sufficient to fully absorb the allowable tax credit, or if a net operating loss carryback or other subsequent adjustment reduces the carrier's liability against which a credit authorized by this section has previously been claimed, the unused or excess balance of the allowable credit may be applied against the carrier's liabilities for the specified taxes for previous or subsequent annual periods within the five (5) year limitation period. However, no refund in excess of the net tax actually paid by the carrier shall be made by the Commonwealth because of the carrier's application of the unused or excess credit. Interest shall not apply to any tax refunded for a prior period resulting from the credit carryback provisions of this subsection.
- (9) Each certificated air carrier claiming the general tax credit authorized pursuant to this section shall file an annual general tax credit reconciliation report with the **Department of Revenue**~~[Cabinet]~~ on or before the fifteenth day of the fourth month following the end of each annual period for which the credit is claimed. The report shall be filed as provided in KRS 144.135 to 144.139 for each type tax against which the credit is applied.

Section 557. KRS 144.130 is amended to read as follows:

- (1) No certificated air carrier shall claim any tax credit pursuant to KRS 144.110 to 144.130 until its entitlement thereto is first determined by the **Department of Revenue**~~[Cabinet]~~. Upon application to the **department**~~[cabinet]~~, a certificated air carrier desiring to claim a tax credit pursuant to KRS 144.110 to 144.130 shall present documentation as may reasonably be required by the **department**~~[cabinet]~~ to define the fundamental project scope and verify the required investment, the increased capacity which is to result from the investment, and the anticipated project completion date. Documentation may include the carrier's contractual obligations, its corporation board resolutions or stockholder reports, airport board resolutions or actions, related financial transactions, and any other documentation which defines or describes the fundamental project scope and the carrier's planned investment and increased capacity. The **commissioner of the Department of Revenue**~~[secretary of the Revenue Cabinet]~~ shall, upon the **department's**~~[cabinet's]~~ review of the documentation submitted by the carrier, make a tax credit entitlement determination and immediately give notice thereof to the carrier. In making an entitlement determination, the **Department of Revenue**~~[Cabinet]~~ shall seek whatever third-party counsel and advice deemed appropriate to satisfy itself that the fundamental project scope is sufficient to support at least a three hundred million dollar (\$300,000,000) investment in additional air transportation facilities and related equipment. An entitlement granted by the **commissioner of the Department of Revenue**~~[secretary of the Revenue Cabinet]~~ for a certificated air carrier to claim any tax credit pursuant to KRS 144.110 to 144.139 shall be subject to the provisions of subsection (2) of this section.
- (2) Any certificated air carrier which is granted entitlement to claim any tax credit pursuant to KRS 144.110 to 144.130 shall, by the anticipated project completion date specified in the carrier's application filed pursuant to subsection (1) of this section, but not later than the carrier's annual period ending in 1997, demonstrate to the satisfaction of the **Department of Revenue**~~[Cabinet]~~ that an investment of at least three hundred million dollars (\$300,000,000) has been made or that the carrier has completed at least ninety percent (90%) of the fundamental project scope. An investment of three hundred million dollars (\$300,000,000) or the completion of at least ninety percent (90%) of the fundamental project scope shall constitute fulfillment of the investment requirement. Without precluding the carrier's demonstration by other means, completion of ninety percent (90%) of the projected increased passenger or freight handling or loading capacity, as measured by the number of gates or loading facilities, or completion of at least ninety percent (90%) of the total square footage of the buildings, including the fixtures and equipment therefor, which were to be constructed and equipped as a part of the fundamental project scope shall demonstrate completion of at least ninety percent (90%) of the fundamental project scope. If the carrier has not made an investment of at least three hundred million dollars (\$300,000,000) and has not completed at least ninety percent (90%) of the fundamental project scope by the anticipated project completion date, but not later than the carrier's annual period ending in 1997, all or a portion of the tax credit otherwise authorized pursuant to KRS 144.110 to 144.130 shall be forfeited as follows:

Fundamental Project Scope

Portion of

Completion Percentage	Credit Forfeited
At least 80%, but less than 90%	25%
At least 70%, but less than 80%	50%
Less than 70%	100%

- (3) The **Department of Revenue** ~~Cabinet~~ shall be responsible for determining the extent of the certificated air carrier's completion of the fundamental project scope. In making the determination, the **department** ~~cabinet~~ shall consult with the certificated air carrier, the affected airport board and, if deemed necessary, with other persons.
- (4) Subject to the provisions of KRS 131.110, notwithstanding the provisions of KRS 136.076, 139.620, 141.210, 413.120, or any other provision of the Kentucky Revised Statutes limiting the time for assessing taxes, the **Department of Revenue** ~~Cabinet~~ shall assess against the carrier the amount of any tax credit previously claimed which is forfeited pursuant to subsection (2) of this section. Interest at the tax interest rate as defined in KRS 131.010(6) shall apply to the forfeited tax credit amount from the date the credit was claimed until reimbursement is made to the Commonwealth. The carrier shall be allowed to claim in any applicable subsequent annual periods only that portion of the credit otherwise authorized pursuant to KRS 144.110 to 144.130 which has not been forfeited as provided in this section.
- (5) The dates set forth in subsection (2) of this section may be extended by the **commissioner of the Department of Revenue** ~~secretary of the Revenue Cabinet~~, upon request by the carrier, by an amount of time equal to any delay caused by circumstances reasonably beyond the carrier's control which prevent the carrier from completing the project by the anticipated project completion date, including construction delays and delays resulting from the carrier's compliance with applicable federal, state, or local laws, rules and regulations, or an order or judgment of a court or administrative agency. They may also be extended by the **commissioner of the Department of Revenue** ~~secretary of the Revenue Cabinet~~ upon the carrier's showing of any other good cause. The Governor and the Legislative Research Commission shall be immediately notified of any extension granted pursuant to this subsection and the reason for granting the same.
- (6) Upon the making of an initial tax credit entitlement determination pursuant to subsection (1) of this section, the **Department of Revenue** ~~Cabinet~~ shall immediately give written notification to the Governor and the Legislative Research Commission and shall include a description of the fundamental project scope and a summary of the estimated costs. Upon making a final determination as provided in subsections (2) and (3) of this section, the **Department of Revenue** ~~Cabinet~~ shall immediately give written notification to the Governor and the Legislative Research Commission of the extent to which the fundamental project scope was completed. If the investment fund fails to pay the penalty and interest in full as required by the *Department of Revenue*~~[Cabinet]~~, each investor shall be personally liable to the *Department of Revenue*~~[Cabinet]~~ for that investor's share of the unpaid penalty, which shall be determined by the amount of credits received and utilized by the investor and all applicable interest.   - (3) Each year, during the ten (10) year term of the service and technology agreement, up to fifty percent (50%) of the annualized rent shall be added to the unrecouped balance of approved costs, and the inducements earned shall be subtracted from the approved costs.
  - (4) If, in any fiscal year of the approved company during which the service and technology agreement is in effect, the accumulated inducements equal the unrecouped remaining balance of the approved costs then expended, the assessments collected from the wages of the employees shall cease for the remainder of that fiscal year of the approved company, and the approved company shall resume normal personal income tax and occupational license fee withholdings from the qualified statewide employees' wages for the remainder of that fiscal year.

- (5) If, in any fiscal year of the approved company during which the service and technology agreement is in effect, the total of the income tax credit granted to the approved company plus the assessment collected from the wages of the qualified statewide employees exceeds the remaining balance of the approved costs then expended, the approved company shall pay the excess to the Commonwealth as income tax.
- (6) If, in any fiscal year of the approved company during which the service and technology agreement is in effect, the assessment collected from the wages of the qualified statewide employees exceeds the unrecouped remaining balance of the approved costs then expended, the assessment collected from the wages of the qualified statewide employees shall cease for the remainder of that fiscal year of the approved company, the approved company shall resume normal personal income tax and occupational license fee withholdings from the qualified statewide employees for the remainder of that fiscal year, and the approved company shall remit to the Commonwealth and applicable local jurisdictions their respective shares of the excess assessment collected on the withholding filing date for qualified statewide employees' wages next succeeding the first date when the approved company collected excess assessments.

The person presents proof in the form of an affidavit stating, under penalty of perjury as set forth in KRS 523.030, that he or she requires a registered motor vehicle in order to carry out his or her employment and that the motor vehicle that he or she drives during the course of his or her employment meets the security requirement of subtitle 39 of KRS Chapter 304. When no in-state title exists, then forms shall be designed by the department that require only the appropriate and essential information to effect the application for title. Information being sought for application for title relevant to, but not limited to, vehicle identification, owner, buyer, usage tax, county clerk or inspector shall be set forth by the cabinet in such a way as to promote flexibility in reaching this goal, except that an applicant for a motor vehicle title shall not be required to provide his or her social security number as part of the application process. The use of an electronic medium shall be employed so that forms can be printed by the automated system. Existing statutory language in this chapter and KRS Chapter 186 pertaining to application, signature, forms, or application transfer record may be construed to be electronic in nature at the discretion of the cabinet as provided for by administrative regulation. The *department*{cabinet} shall, promptly on the receipt of the request, notify the licensee who furnished the bond, and unless the licensee shall, before the expiration of the sixty (60) day period, file with the

The hearing shall be set at least five (5) days from the date the letter is delivered or the summons is served. Any licensee aggrieved by a decision to cancel his license after the informal hearing may appeal the decision to the Kentucky Board of Tax Appeals where he shall be granted an administrative hearing in accordance with KRS Chapter 13B.

This shall include underwriting rules, but only to the extent necessary to determine the rate or premium that will be applicable to a risk should the insurer decide to provide coverage. This does not include guidelines that relate to the selection of those risks that are acceptable to an insurer.
- (3) "Supporting information" is the experience and judgment of the filer and the experience or data of other insurers or organizations relied on by the filer, the interpretation of any other data relied on by the filer, descriptions of methods used in making the rates, and any other information required to be filed by the commissioner.
- (4) "Personal risks" means homeowners, tenants, private passenger nonfleet automobiles, mobile homes, and other property and casualty insurance for personal, family, or household needs.
- (5) "Commercial risks" are any kinds of risks that are not personal risks.
- (6) "Joint underwriting" is a voluntary arrangement established to provide insurance coverage for a risk pursuant to which two (2) or more insurers jointly contract with the insured at a price and under policy terms agreed on between the insurers.
- (7) A "pool" is a voluntary arrangement, other than by a contract of reinsurance, established on a general and continuing basis pursuant to which two (2) or more insurers participate in the sharing of risks on a predetermined basis. A pool may operate through an association, syndicate or other pooling agreement.

- (9) An "advisory organization" is any entity, including its affiliates or subsidiaries, which either has two (2) or more member insurers or is controlled either directly or indirectly by two (2) or more insurers and which assists insurers in ratemaking related activities. - (19) "Form provider" means a person who prepares, files, and distributes policy contract forms and endorsements and consults with members, subscribers, customers, or others relative to their use and application, but is not an advisory organization as defined in this subtitle.
- (20) "Loss adjustment expenses" means the expenses incurred by the insurer in the course of settling claims.
- (21) "Prospective loss costs" means that portion of a rate that does not include provisions for expenses (other than loss adjustment expenses) or profit, and are based on historical aggregate losses or output from simulation models and loss adjustment expenses adjusted through development to their ultimate value and projected through trending to a future point in time. Loss costs, derived in part or entirely upon output from simulation models, must be approved by the commissioner before they become effective.
- (22) "Rate" means the expected value of the future cost of insurance per exposure unit which accounts for the treatment of losses, expenses, and profit prior to any application of individual risk variations based on loss or expense considerations, but does not include minimum premium.

However, no reinsurance tax applies to premiums for risks or portions of risks which are subject to taxation on a direct basis pursuant to subsection (1) of this section. No reinsurance premium tax shall be payable in connection with the receipt of assets in exchange for the assumption of loss reserves and other liabilities of another insurer under common ownership and control if the transaction is part of a plan to discontinue the operations of the other insurer, and if the intent of the parties to the transaction is to renew or maintain the business with the captive insurer.
- (3) If the aggregate taxes to be paid by a captive insurer calculated under subsections (1) and (2) of this section amount to less than five thousand dollars (\$5,000) in any year, the captive insurer shall pay a tax of five thousand dollars (\$5,000) for such year.
- (4) Two (2) or more captive insurance companies under common ownership and control shall be taxed as though they were a single captive insurer.
- (5) For the purposes of this section, common ownership and control shall mean:

- (8) The Kentucky **Department of Revenue**~~Cabinet~~ shall annually distribute ten percent (10%) of the premium tax revenues collected pursuant to this section to the Department of Insurance for the regulation of captive insurance companies under KRS 304.49-010 to 304.49-230.

Section 681. KRS 342.122 is amended to read as follows:

- (1) (a) For calendar year 1997 and for each calendar year thereafter, for the purpose of funding and prefunding the liabilities of the special fund, financing the administration and operation of the Kentucky Workers' Compensation Funding Commission, and financing the expenditures for all programs in the Labor Cabinet, except the Division of Employment Standards, Apprenticeship and Training and the Office of Labor-Management Relations and Mediation, as reflected in the enacted budget of the Commonwealth and enacted by the General Assembly, the funding commission shall impose a special fund assessment rate of nine percent (9%) upon the amount of workers' compensation premiums received on and after January 1, 1997, through December 31, 1997, by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every group of self-insurers operating under the provisions of KRS 342.350(4), and against the premium, as defined in KRS 342.0011, of every employer carrying his or her own risk.
- (b) The funding commission shall, for calendar year 1998 and thereafter, establish for the special fund an assessment rate to be assessed against all premium received during that calendar year which, when added to the coal severance tax appropriated to the special fund in accordance with paragraph (c) of this section, shall produce enough revenue to amortize on a level basis the unfunded liability of the special fund as of September 1 preceding January 1 of each year, for the period remaining until December 31,

2018. The interest rate to be used in this calculation shall reflect the funding commission's investment experience to date and the current investment policies of the commission. This assessment shall be imposed upon the amount of workers' compensation premiums received by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every group of self-insurers operating under the provisions of KRS 342.350(4), and against the premium, as defined in KRS 342.0011, of every employer carrying his own risk.

- (c) In addition to the assessment imposed in paragraph (a) or (b) of this subsection, and notwithstanding and prior to the transfer of funds to the Local Government Economic Assistance Program under KRS 42.450 to 42.495, the Kentucky *Department of Revenue* [~~Cabinet~~] shall credit nineteen million dollars (\$19,000,000) in coal severance tax revenues levied under KRS 143.020 to the benefit reserve fund within the Kentucky Workers' Compensation Funding Commission each year beginning with fiscal year 1998 and all fiscal years thereafter. The annual transfer of nineteen million dollars (\$19,000,000) shall occur in four (4) equal quarterly payments. These transfers shall occur not later than the last day of each quarter of each calendar year and shall consist of four (4) equal payments of four million, seven hundred fifty thousand dollars (\$4,750,000).
  - (d) All assessments imposed by this section shall be paid to the Kentucky Workers' Compensation Funding Commission and shall be credited to the benefit reserve fund within the Kentucky Workers' Compensation Funding Commission.
  - (e) The assessments imposed in this chapter shall be in lieu of all other assessments or taxes on workers' compensation premiums.
- (2) These assessments shall be paid quarterly not later than the thirtieth day of the month following the end of the quarter in which the premium is received. Receipt shall be considered timely through actual physical receipt or by postmark of the United States Postal Service. Employers carrying their own risk and employers defined in KRS 342.630(2) shall pay the annual assessments in four (4) equal quarterly installments.
  - (3) The assessments imposed by this section may be collected by the insurance carrier from his insured. However, the insurance carrier shall not collect from the employer any amount exceeding the assessments imposed pursuant to this section. If the insurance carrier collects the assessment from an insured, the assessment shall be collected at the same time and in the same proportion as the premium is collected. The assessment for an insurance policy or other evidence of coverage providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible. Each statement from an insurance carrier presented to an insured reflecting premium and assessment amounts shall clearly identify and distinguish the amount to be paid for premium and the amount to be paid for assessments. No insurance carrier shall collect from an insured an amount in excess of the assessment percentages imposed by this chapter. The assessment for an insurance policy or other evidence of coverage providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible. The percentages imposed by this chapter for an insurance policy issued by an insurance company shall be those percentages in effect on the annual effective date of the policy, regardless of the date that the premium is actually received by the insurance company.
  - (4) A group self-insurance association may elect to report its premiums and to have its assessments computed in the same manner as insurance companies. This election may not be rescinded for at least ten (10) years, nor may this election be made a second time for at least another ten (10) years, except that the board of directors of the funding commission may, at its discretion, waive the ten (10) year ban on a case-by-case basis after formal petition has been made to the funding commission by a group self-insurance association.
  - (5) The funding commission, as part of the collection and auditing of the special fund assessments required by this section, shall annually require each insurance carrier and each group self-insurer to provide a list of employers which it has insured or which are members and the amount collected from each employer. Additionally, the funding commission shall require each entity paying a special fund assessment to report the SIC code for each employer and the amount of premium collected from each SIC code. An insurance carrier or group self-insurer may require its insureds or members to furnish the SIC code for each of their employees. However, the failure of any employer to furnish said codes shall not relieve the insurance carrier or group self-insurer from the obligation to furnish same to the funding commission. The Department for Employment Services, Cabinet for Workforce Development is hereby directed to make available the SIC codes assigned in its records to specific employers to aid in the reporting and recording of the special fund assessment data.

- (6) Each self-insured employer, group self-insurer, or insurance carrier shall provide any information and submit any reports the *Department of Revenue* ~~Cabinet~~ or the funding commission may require to effectuate the provisions of this section. In addition, the funding commission may enter reciprocal agreements with other governmental agencies for the exchange of information necessary to effectuate the provisions of this section.
- (7) The special fund shall be required to maintain a central claim registry of all claims to which it is named a party, giving each such claim a unique claim number and thereafter recording the status of each claim on a current basis. The registry shall be established by January 26, 1988, for all claims on which payments were made since July 1, 1986, or which were pending adjudication since July 1, 1986, by audit of all claim files in the possession of the special fund.
- (8) The fund heretofore designated as the subsequent claim fund is abolished, and there is substituted therefor the special fund as set out by this section, and all moneys and properties owned by the subsequent claim fund are transferred to the special fund.
- (9) Notwithstanding any other provisions of this section or this chapter to the contrary, the total amount of funds collected pursuant to the assessment rates adopted by the funding commission shall not be limited to the provisions of this section.
- (10) All assessment rates imposed for periods prior to January 1, 1997, under KRS 342.122 shall forever remain applicable to premiums received on policies with effective dates prior to January 1, 1997, by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every group of self-insurers operating under the provision of KRS 342.350(4), and against the premium, as defined in KRS 342.0011, of every employer carrying his own risk.

A department shall make payment for the service credit within the same fiscal year in which the option is elected. The county shall establish a payment schedule subject to approval by the board for payment of the service credit. The delayed contribution payment shall not be

- (a) The cost of the service shall be computed in the same manner as for a lump-sum payment which shall be the principal; and interest, at the actuarial rate in effect at the time the member elects to make the purchase compounded annually, shall be added for the period that the installments are to be made. Multiple service purchases may be combined under a single installment purchase; however, no employee may make more than one (1) installment purchase at the same time. Once multiple service purchases have been combined in an installment purchase, the employee may not separate the purchases or pay a portion of one (1) of the purchases. The employee may elect to stop the installment payments by notifying the retirement system; may have the installment purchase recalculated to add one (1) or more additional service purchases; or may pay by lump sum the remaining principal.
  - (b) One (1) year of installment payments shall be made for each one thousand dollars (\$1,000) or any part thereof of the total cost, except that the total period allowed for installments shall not be less than one (1) year and shall not exceed five (5) years.

Upon notification by the retirement system, the employer shall report the installment payments either monthly or semimonthly continuously over each twelve (12) month period at the same time as, but separate from, regular employee contributions on the forms or by the computer format specified by the board. The payments made under this subsection shall be considered accumulated contributions of the member and shall not be picked up by the employer pursuant to KRS 61.560(4) and no employer contributions shall be paid on the installments.
  - (d) The retirement system shall determine how much of the total cost represents payment for one (1) month of the service to be purchased and shall credit one (1) month of service to the member's account each time this amount has been paid. The first service credited shall represent the first calendar month of the service to be purchased and each succeeding month of service credit shall represent the succeeding months of that service.
  - (e) If the employee elects to stop the installment payments, dies, retires, or does not continue employment in a position required to participate in the retirement system, the member, or in the case of death, the beneficiary, shall have sixty (60) days to pay the remaining principal of the purchase by lump sum, except that payment by the member shall be made prior to the effective retirement date. If the member or beneficiary does not pay the remaining cost, the retirement system shall refund to the member or the beneficiary the payment, payments, or portion of a payment that does not represent a full month of service purchased.
  - (f) If the employer does not report installment payments on an employee for sixty (60) days, except in the case of employees on military leave or sick leave without pay, the installment purchase shall cease and the retirement system shall refund to the employee the payment, payments, or portion of a payment that does not represent a full month of service purchased. Installment payments of employees on military leave or sick leave without pay shall be suspended during the period of leave and shall resume without recalculation upon the employee's return from leave.
  - (g) If payments have ceased under paragraph (e) or (f) of this subsection and the member later becomes a participating employee in one (1) of the three (3) systems administered by Kentucky Retirement Systems, the employee may complete the adjusted original installment purchase by lump sum or installment payments. If the employee elects to renew the installment purchase, the cost of the remaining service shall be recalculated in accordance with paragraph (a) of this subsection. If the original installment purchase was for multiple service purchases, the employee may not separate those purchases under a new installment purchase.
- (17) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems may purchase service credit under any of the provisions of KRS 16.510 to 16.652, 61.515 to 61.705, or 78.520 to 78.852 by transferring funds through a direct trustee-to-trustee transfer as permitted under the applicable sections of the Internal Revenue Code and any regulations or rulings issued thereunder, or through a direct

rollover as contemplated by and permitted under 26 U.S.C. sec. 401(a)(31) and any regulations or rulings issued thereunder. Service credit may also be purchased by a rollover of funds pursuant to and permitted under the rules specified in 26 U.S.C. sec. 402(c) and 26 U.S.C. sec. 408(d)(3). The Kentucky Retirement Systems shall accept the transfer or rollover to the extent permitted under the rules specified in the applicable provisions of the Internal Revenue Code and any regulations and rulings issued thereunder. The amount shall be credited to the individual member's contribution account in the appropriate retirement system and shall be considered accumulated contributions of the member.

The employee shall pay a delayed contribution payment. Payment may be by lump sum, or the employee may pay by increments. The employee may transfer funds directly from the other state's plan if eligible to the extent permitted under subsection (17) of this section and to the extent permitted by the other state's laws and shall provide proof that he is not eligible for a retirement benefit for the period of service from the other state's plan.

The employee shall pay a delayed contribution payment. Payment may be by lump sum or by increments. The employee may transfer funds directly from the other unit of government's plan if eligible to the extent permitted under subsection (17) of this section and to the extent permitted by the other state's laws, and the employee shall provide proof that he is not eligible for a retirement benefit for the period of service from the other unit of government's plan.

The cost of the service shall be a delayed contribution payment, which shall not be picked up by the employer as described in KRS 61.560(4).
- (23) (a) Any person who is entitled to service credit for employment which was not reported in accordance with KRS 16.543, 61.543, or KRS 78.615 may obtain credit for the service by paying the employee contributions due within six (6) months of notification by the system. No interest shall be added to the contributions. The service credit shall not be credited to the member's account until the employer contributions are received. If a retired member makes the payment within six (6) months, the retired

The service purchased under this subsection shall not be used in determining a retirement allowance until the member has accrued at least two hundred forty (240) months of service, excluding service purchased under this subsection. If the member does not accrue at least two hundred forty (240) months of service, excluding service purchased under this subsection, upon retirement, death, or written request following termination, the payment, plus interest as provided in KRS 61.575, shall be refunded.

Payment may be made by lump sum or under an installment agreement. The payment shall not be picked up, as described in KRS 61.560(4), by the employer, and shall be deposited to the individual member's account.
- (28) The board of trustees is authorized to establish a program, subject to a favorable ruling from the Internal Revenue Service, to provide for the purchase of service credit under any of the provisions of KRS 16.510 to

Section 2. KRS 6.505 is amended to read as follows:

- (1) Each legislator in office on July 1, 1980, may within thirty (30) days after that date, and any legislator thereafter taking office may within thirty (30) days after the date thereof, elect to make monthly contributions to the Legislators' Retirement Plan, in an amount equal to five percent (5%) of his monthly creditable compensation, as defined in KRS 61.510(13). The election shall be effective to establish membership in the plan as of July 1, 1980, or as of the date from which the thirty (30) day period is measured, as the case may be. Provided, however, that any legislator who was in office on July 1, 1980, and who is in office at the time he makes the election may, after the expiration of the thirty (30) day period and until May 1, 1982, make the election, in which event he shall pay to the Legislators' Retirement Plan, for the months between July 1, 1980, and the date of his election such sum as, when added to any member's contribution by him that is transferred from another retirement system under KRS 6.535, will equal the member's contribution required by this section. If the member makes his election after February 1, 1981, he shall in addition pay to the plan interest on the foregoing sum, at six percent (6%) per annum, calculated as if the sum consisted of equal monthly payments, one (1) of which was due at the end of each month between July 1, 1980, and the date the election was made. The election shall be addressed to and filed with the secretary of the Finance and Administration Cabinet and shall constitute an authorization to the secretary to thereafter cause to be deducted from the member's monthly creditable compensation an amount equal to five percent (5%) thereof, as a voluntarily elected contribution by the member towards the funding of the Legislators' Retirement Plan. Such election shall operate to create an inviolable contract between such member and the Commonwealth, guaranteeing to and vesting in the member the rights and benefits provided for under KRS 6.515 to 6.530. An election once made under this section either to participate or not to participate in the Legislators' Retirement Plan, shall be

considered to apply to all future service as a legislator, whether in the same or a different office as a legislator, and whether or not it is in successive terms.

- (2) *A legislator entitled to elect membership in the retirement system who failed to elect membership within thirty (30) days after taking office may elect membership not later than August 31, 2005. An election, upon being made pursuant to this section, shall operate to create an inviolable contract between the member and the Commonwealth, guaranteeing to and vesting in the member the rights and benefits provided for under the terms and conditions of KRS 6.500 to 6.577.*
- (3) *When any legislator makes a delayed election of membership in the Legislators' Retirement Plan under subsection (2) of this section, his active membership in the Kentucky Employees Retirement System shall terminate, as of the date his membership in the Legislators' Retirement Plan becomes effective, and any credit in the Kentucky Employees Retirement System, earned for service as a legislator, which he then has or which he subsequently regains while being an active member of the Legislators' Retirement Plan, shall be transferred to and counted as service credit in the Legislators' Retirement Plan, and shall no longer constitute credit in the Kentucky Employees Retirement System, except for the purpose of validating any other credit in that system if the member pays the difference, if any, between the amount transferred from the Kentucky Employees Retirement System and the actuarial value of the transferred service. However, any credit he then has in the Kentucky Employees Retirement System, earned for service in any capacity other than a legislator, shall not be affected. No person may attain credit in more than one (1) of the retirement plans or systems mentioned in this section for the same period of service. When credit is transferred from the Kentucky Employees Retirement System to the Legislators' Retirement Plan, the Kentucky Employees Retirement System shall transfer to the Legislators' Retirement Fund an amount equal to the employee's and employer's contributions attributable to that credit, together with interest on the contributions from the date made to the date of transfer at the actuarially-assumed interest rate of the Kentucky Employees Retirement System in effect at the time the contributions were made, compounded annually at that same interest rate.*
- (4) The state shall, solely for the purpose of compliance with Section 414(h) of the United States Internal Revenue Code, pick up the employee contributions required by this section for all compensation earned after August 1, 1982, and the contributions so picked up shall be treated as employer contributions in determining tax treatment under the United States Internal Revenue Code and KRS 141.010(10). The picked-up employee contribution shall satisfy all obligations to the retirement system satisfied prior to August 1, 1982, by the employee contribution, and the picked-up employee contribution shall be in lieu of an employee contribution. The state shall pay these picked-up employee contributions from the same source of funds which is used to pay earnings to the employee. The employee shall have no option to receive the contributed amounts directly instead of having them paid by the employer to the system. Employee contributions picked up after August 1, 1982, shall be treated for all purposes of KRS 6.500 to 6.535 in the same manner and to the same extent as employee contributions made prior to August 1, 1982.
- ~~(5)(3)~~ When any legislator elects membership in the Legislators' Retirement Plan in accordance with this section, his active membership in the Kentucky Employees Retirement System, State Police Retirement System, County Employees Retirement System, or Teachers' Retirement System shall terminate, as of the date his membership in the Legislators' Retirement Plan becomes effective, and any credit in such other system or systems, earned for service as a legislator, which he then has or which he subsequently regains while being an active member of the Legislators' Retirement Plan, shall be transferred to and counted as service credit in the Legislators' Retirement Plan, and shall no longer constitute credit in such other retirement system except for the purpose of validating any other credit in that system. However, any credit he then has in such other retirement system, earned for service in any capacity other than a legislator, shall not be affected. No person may attain credit in more than one (1) of the retirement plans or systems mentioned in this section, for the same period of service.
- ~~(6)(4)~~ A member of the Legislators' Retirement Plan who would be entitled, under KRS 61.552, to repurchase credit in the Kentucky Employees Retirement System, for previous service as a legislator, which credit had been lost by refund of contributions, may pay the amount required by KRS 61.552 directly to the Legislators' Retirement Plan and thereby obtain credit in that plan for such service, rather than making payment to the Kentucky Employees Retirement System for credit which would be transferred to the Legislators' Retirement Plan. In such event, the Kentucky Employees Retirement System shall transfer to the Legislators' Retirement Plan an amount equal to the employer's contributions that originally were made to the Kentucky Employees Retirement System for the regained service credit, with interest as provided in KRS 6.535. Six (6) months'

current service shall be required in the Legislators' Retirement Plan in order for the repurchased credit to remain in force, the same as provided in KRS 61.552.

Section 3. KRS 6.515 is amended to read as follows:

- (1) Service credit in the Legislators' Retirement Plan shall be acquired only by service as a legislator after July 1, 1980, while a member of the plan, by transfer of credit as provided in KRS 6.505, or by purchase or transfer of credit as provided in this section.
- (2) (a) 1. Any active member of the Legislators' Retirement Plan who has at least five (5) years of service credit in the Legislators' Retirement Plan, or his beneficiary acting in his place if the member dies prior to retirement, shall receive service credit for a maximum of four (4) years for his period of service in the Armed Forces of the United States, if his discharge therefrom is honorable and he has not been credited with the service by any other retirement system administered by the Commonwealth of Kentucky, by paying the retirement system thirty-five percent (35%) of the actuarial cost of the service as determined by the board of trustees, based on assumptions used in the most recent biennial evaluation. The service credit shall be awarded and the cost shall be determined in conformity with the rate which applies to the legislator in question under KRS 6.520. Service credit awarded under this subsection shall be equivalent, for all purposes of the Legislators' Retirement Plan, to other service credit earned in the plan.
2. Any active member of the Legislators' Retirement Plan who has at least five (5) years of service credit in the Legislators' Retirement Plan may purchase and receive service credit for one (1) month of service for each six (6) months of service in the reserves or the National Guard by paying the retirement system one hundred percent (100%) of the actuarial cost of the service as determined by the board of trustees, based on the assumptions used in the most recent biennial evaluation. The service credit shall be awarded and the cost shall be determined in conformity with the rate that applies to the legislator in question under KRS 6.520. Service credit awarded as provided in this subsection shall be equivalent, for all purposes of the Legislators' Retirement Plan, to other service credit earned in the plan. The service in the military reserves or the National Guard shall be treated as service earned prior to participation in the plan. The purchase can be made by the member by transfer, if authorized under subsection (7)(d) of this section, or in a lump-sum payment or by installment payments, as set forth in paragraph (b) of this subsection. The payment shall not be picked up by the employer as provided in KRS 6.505(4){(2)}.
- (b) The member may purchase all of his military service credit at one (1) time, or in increments of no less than one (1) year, unless there is a fraction remaining after all full years have been paid for. Payment of the total or the increment may be made by lump-sum or by monthly installments through payroll deduction. If the member chooses to pay by installment, the cost of the service credit shall be computed in the same manner as for a lump-sum payment, which shall be the principal. Interest, at the annual actuarial rate in effect at the time each payment is made, shall be added to each monthly payment at the rate of one-twelfth (1/12) of the annual interest rate applied to the declining principal amount. Installment purchases shall be for no less than twelve (12) nor more than sixty (60) months. If the member leaves office before completing his installment payments, he may satisfy his contract by a lump-sum payment of the remaining principal amount, but no further installment payments shall be accepted thereafter. In this case, the member shall be credited with the military service credit for which he has paid, in years or months but no fraction less than a full month, and any payment remaining after credit for full months has been awarded shall be returned to the member.
- (c) The payments made under this section shall be considered accumulated contributions of the member and shall not be picked up by the employer under KRS 6.505(4){(2)}.
- (3) In the event of divorce, rights to benefits shall be considered marital property subject to the provisions of KRS 403.190.
- (4) A member who has qualified for benefits under KRS 6.525(1) may transfer to the Legislators' Retirement Plan up to ten (10) years of service credit which he has earned in a retirement system administered by Kentucky Retirement Systems. If the member elects to transfer his service credit, the system from which the transfer is made shall transfer to the legislators' retirement fund an amount equal to the employee's and employer's contributions attributable to that credit, together with interest on the contributions from the date made to date

of transfer at the actuarially assumed interest rate of the system from which the transfer is made in effect at the time the contributions were made, compounded annually at that same interest rate. The member shall be entitled to the transferred service credit, at the rate at which he qualifies under KRS 6.520, when he pays the total difference between the amount of the funds transferred and the cost of the credit to the Legislators' Retirement Plan, as determined by the actuary for the Legislators' Retirement Plan. The member may pay by transfer, if authorized under subsection (7)(d) of this section, by lump sum, or by increments, as provided for in this section. The payments made under this section shall be considered accumulated contributions of the member and shall not be picked up by the employer under KRS 6.505(4)(2).

- (5) (a) Any active member of the Legislators Retirement Plan who is vested in the Legislators Retirement Plan under KRS 6.525 shall receive service credit for a maximum of four (4) years each for his period of service as a Domestic Relations Commissioner, a Master Commissioner, or a District Court Trial Commissioner of the Commonwealth of Kentucky, or a combination thereof, if the service has not been credited to the member's account with any other public defined benefit plan, by paying the retirement system one hundred percent (100%) of the actuarial cost of the service as determined by the board of trustees, based on assumptions used in the most recent biennial evaluation. The period of service to be purchased shall be certified to the board of trustees by the custodian of the records. The service credit shall be awarded and the cost shall be determined in conformity with the rate that applies to the member in question under KRS 6.520. Service credit awarded under this subsection shall be equivalent, for all purposes of the Legislators Retirement Plan, to other service credit earned in the plan. The member may pay by transfer, by lump sum, or by increments as set forth in this section. The payments made under this section shall be considered accumulated contributions of the member and shall not be picked up by the employer under KRS 6.505(4)(2).
- (b) Any active member of the Legislators Retirement Plan who is vested in the Legislators Retirement Plan under KRS 6.525, shall receive service credit for his period of service to the United States Government, other than service in the Armed Forces, if the service has not been credited to the member's account with any other public defined benefit plan, by paying the retirement system one hundred percent (100%) of the actuarial cost of the service as determined by the board of trustees, based on assumptions used in the most recent biennial evaluation. The period of service to be purchased shall be certified to the board of trustees by the custodian of the records. The service credit shall be awarded and the cost shall be determined in conformity with the rate that applies to the member in question under KRS 6.520. Service credit awarded under this subsection shall be equivalent, for all purposes of the Legislators Retirement Plan, to other service credit earned in the plan. The member may pay by transfer, by lump sum, or by increments as set forth in this section. The payments made under this section shall be considered accumulated contributions of the member and shall not be picked up by the employer under KRS 6.505(4)(2).
- (c) Any member of the Legislators Retirement Plan, who is in office on June 21, 2001, and who is in active contributing status to the applicable retirement plan on June 21, 2001, and who has at least **one hundred eighty (180)**~~two hundred forty (240)~~ months of service credit may purchase a combined maximum total of five (5) years of retirement service credit that is not otherwise purchasable, by paying the retirement system one hundred percent (100%) of the actuarial cost of the service as determined by the board of trustees, based on assumptions used in the most recent biennial evaluation. The member shall be entitled to the service credit at the rate at which he qualifies under KRS 6.520. Service credit awarded under this subsection shall be equivalent, for all purposes of the Legislators Retirement Plan, to other service credit earned in the plan, ***except that the service purchased under this subsection shall not be used in determining a retirement allowance until the member has accrued at least two hundred forty (240) months of service, excluding service purchased under this subsection. If the member does not accrue at least two hundred forty (240) months of service, excluding service purchased under this subsection, then upon retirement, death, or written request following termination, the payment shall be refunded.*** The member may pay by transfer, by lump sum, or by increments as set forth in this section. The payments made under this section shall be considered accumulated contributions of the member and shall not be picked up by the employer under KRS 6.505(4)(2).
- (d) A member of the Legislators Retirement Plan may purchase service credit under the provisions of this section by transferring funds through a direct trustee-to-trustee transfer as permitted under the applicable sections of the Internal Revenue Code and any regulations or rulings issued thereunder or through a direct rollover as contemplated by and permitted under 26 U.S.C. sec. 401(a)(31) and any regulations or

rulings issued thereunder. Service credit may also be purchased by a rollover of funds pursuant to and permitted under the rules specified in 26 U.S.C. sec. 402(c) and 26 U.S.C. sec. 408(d)(3). The Legislators Retirement Fund shall accept the transfer or rollover to the extent permitted under the rules specified in the applicable provisions of the Internal Revenue Code and any regulations and rulings issued thereunder. The amount shall be credited to the individual member's contribution account and shall be considered accumulated contributions of the member and shall not be picked up by the employer under KRS 6.505(4)~~(2)~~.

Section 4. KRS 6.520 is amended to read as follows:

- (1) A member of the Legislators' Retirement Plan who retires on or after his normal retirement date shall receive a service retirement allowance, payable monthly during his lifetime, in an amount per month equal to three and fifty one-hundredths percent (3.50%) of his final compensation multiplied by the number of years of his service, but in no event to exceed one hundred percent (100%) of final compensation. For this purpose, "final compensation" means the average monthly creditable compensation as determined in KRS 61.510(13) of the member for services as a legislator for the **three (3) years during which the member had the highest creditable legislative compensation**~~[sixty (60) months of service immediately preceding retirement, except that in the case of a legislator who retires pursuant to KRS 21.410 or who dies in office, "final compensation" shall be the assumed salary in KRS 61.510(13)]~~.
- (2) A member shall have rights, with respect to retirement before reaching normal retirement date in the Legislators' Retirement Plan, identical in terms with those rights provided in KRS 21.400(2) and (3) in the Judicial Retirement Plan for members of that plan, except that the reduction in a legislators' service retirement allowance for early retirement shall be at the rate of five percent (5%) of the allowance for each year that retirement precedes the normal retirement date.
- (3) Subsections (1) and (2) of this section to the contrary notwithstanding, each legislator in office on July 1, 1982, that is a member of the Legislators' Retirement Plan, who retires on or after his normal retirement date, shall receive a service retirement allowance, payable monthly, on a formula equal to that of a justice or judge of the Court of Justice with an equivalent service entrance date, but in no event less than that specified in subsection (1) of this section, of his final compensation multiplied by the number of years of his service, but in no event to exceed one hundred percent (100%) of his final compensation. For this purpose, "final compensation" means the average monthly creditable compensation as determined in KRS 61.510(13) of the **three (3) years during which the member had the highest creditable legislative compensation**~~[sixty (60) months of service immediately preceding retirement as provided in KRS 6.525]~~.
- (4) Subsections (1) and (2) of this section to the contrary notwithstanding, a member of the Legislators' Retirement Plan with a service entrance date after July 1, 1982, who retires on or after his normal retirement date, shall receive a service retirement allowance, payable monthly during his lifetime, in an amount per month equal to two and seventy-five one-hundredths percent (2.75%) of his final compensation multiplied by the number of years of his service, but in no event to exceed one hundred percent (100%) of final compensation. For this purpose, "final compensation" means the average monthly creditable compensation as determined in KRS 61.510(13) of the member for services as a legislator for the **three (3) years during which the member had the highest creditable legislative compensation**~~[sixty (60) months of service immediately preceding retirement as provided in KRS 6.525]~~.

Section 5. KRS 6.525 is amended to read as follows:

The Legislators' Retirement Plan shall be governed by KRS 21.560 and by provisions identical in terms with those provided in KRS 21.345(1) and (3), 21.360(1), 21.370 to 21.410, 21.420, 21.425, 21.450, 21.460, 21.470, 21.480, 21.525, and 61.552 for the Judicial Retirement Plan, except that:

- (2) (a) A member of the Legislators' Retirement Plan may combine his service credit with his service credit in the Teachers' Retirement System, Kentucky Employees Retirement System, County Employees Retirement System, and State Police Retirement System at the time of his retirement, according to the procedure of KRS 61.680(2)(a), except that the salary used to determine final compensation shall be based on the **creditable compensation**~~[assumed salary]~~ in KRS 61.510(13) for service while a member of the General Assembly whether or not a member of the Legislators' Retirement Plan.

- (b) *For members contributing on or after the effective date of this Act, upon retirement, a member's accounts under the Legislators' Retirement Plan, State Police Retirement System, Kentucky Employees Retirement System, County Employees Retirement System, and Teachers' Retirement System shall be consolidated for the purpose of determining eligibility and amount of benefits as provided in KRS 61.680(2)(a) and in the same manner as for the other retirement systems using the highest salary regardless of the system in which it was earned. For purposes of this paragraph, "retirement" means the month in which the member elects to begin receiving benefits or benefits become payable due to the member's death.*
  - (c) *A member who has an account in the Legislators' Retirement Plan and the Judicial Retirement Plan may combine his service in both plans for purposes of determining eligibility, the amount of benefits and final compensation.*
  - (d) A member of the Legislators' Retirement Plan may retire at the completion of *twenty-seven (27)*~~thirty (30)~~ or more years of combined service credit, so long as at least fifteen (15) years of such credit were earned after January 1, 1960, and there shall be no reduction in the retirement allowance because of retirement before the age of sixty-five (65).
  - (e) For the purposes of this section, any reference in the KRS sections listed above to the Judicial Retirement Plan shall also be read as a reference to the Legislators' Retirement Plan, and any reference to the Legislators' Retirement Plan shall also be read as a reference to the Judicial Retirement Plan.
- (3) Any other statute to the contrary notwithstanding, a member of any state-administered retirement system who has ceased to qualify for membership but subsequently returns to a qualified status, shall, for the purposes of determining the date of entry into the state-administered retirement system for the subsequent period or periods of service, be deemed to have never left the retirement system.

Section 6. KRS 21.360 is amended to read as follows:

- (1) Each Judge of the District Court in office on July 1, 1978, may within thirty (30) days after that date, and any judge or justice of any court entitled to be a member thereafter taking office may within thirty (30) days after taking office, elect to make monthly contributions to the retirement system in an amount equal to five percent (5%) of his monthly official salary. The election shall be effective to establish membership in the system as of July 1, 1978, or as of the date the judge or justice took office, as the case may be. The election shall be addressed to and filed with the secretary of the Finance and Administration Cabinet, and shall constitute an authorization by the member, to the secretary, to thereafter cause to be deducted from the member's official salary, each month, an amount equal to five percent (5%) of the monthly salary, as a voluntary contribution by the member towards the funding of the retirement system. The contribution shall continue until the judge or justice is vested in a service retirement allowance equal to one hundred percent (100%) of final compensation. Thereafter employee contributions shall be discontinued but continued service and retirement benefits shall not be affected thereby.
- (2) A judge or justice entitled to elect membership in the retirement system who failed to elect membership within thirty (30) days after taking office in 1980 *or who elected membership in the Kentucky Employees Retirement System* may elect membership not later than August 31, 2005~~1990~~. An election, upon being made pursuant to this section, shall operate to create an inviolable contract between the member and the Commonwealth, guaranteeing to and vesting in the member the rights and benefits provided for under the terms and conditions of KRS 21.350 to 21.510.
- (3) (a) When any judge makes a delayed election of membership in the Judicial Retirement Plan under subsection (2) of this section, his active membership in the Kentucky Employees Retirement System shall terminate, as of the date his membership in the Judicial Retirement Plan becomes effective, and any credit in the Kentucky Employees Retirement System, earned for service as a judge, which he then has or which he subsequently regains while being an active member of the Judicial Retirement Plan, shall be transferred to and counted as service credit in the Judicial Retirement Plan, and shall no longer constitute credit in the Kentucky Employees Retirement System, except for the purpose of validating any other credit in that system, *if the member pays the difference, if any, between the amount transferred from the Kentucky Employees Retirement System and the actuarial value of the transferred service.*
- (b) ~~However,~~ Any credit he then has in the Kentucky Employees Retirement System, earned for service in any capacity other than a judge, shall not be affected. *Notwithstanding any provisions of KRS 61.680*

*to the contrary, final compensation used to determine benefits for any service credit remaining in the Kentucky Employees Retirement System shall be based on the highest years of compensation as a judge whether the years occur before or after the judge elects membership in the Judicial Retirement Plan.*

- (c) No person may attain credit in more than one (1) of the retirement plans or systems mentioned in this section for the same period of service. When credit is transferred from the Kentucky Employees Retirement System to the Judicial Retirement Plan, the Kentucky Employees Retirement System shall transfer to the Judicial Retirement Fund an amount equal to the employee's and employer's contributions attributable to that credit, together with interest on the contributions from the date made to the date of transfer at the actuarially-assumed interest rate of the Kentucky Employees Retirement System in effect at the time the contributions were made, compounded annually at that same interest rate.
- (4) Membership and benefit rights for judges and justices (other than Judges of the District Court), and for the commissioners and administrative director, who took office prior to July 1, 1978, shall be dependent upon valid elections having been made under this section (and KRS 21.355 and 21.365) prior to the 1978 amendment to this section. The terms of such elections, including the contribution rate, shall continue to govern for the duration of the member's service.
- (5) When any Judge of the District Court in office on July 1, 1978, elects membership in the Judicial Retirement System in accordance with this section, his membership in the Kentucky Employees Retirement System shall terminate as of July 1, 1978, and any credit in that system he earned for service as a Judge of the District Court shall be nullified; provided that the effect of such service to validate any other service credit in that system shall not be nullified.
- (6) The state shall, solely for the purpose of compliance with Section 414(h) of the United States Internal Revenue Code, pick up the employee contributions required by this section for all compensation earned after August 1, 1982, and the contributions so picked up shall be treated as employer contributions in determining tax treatment under the United States Internal Revenue Code and KRS 141.010(10). The picked-up employee contribution shall satisfy all obligations to the retirement system satisfied prior to August 1, 1982, by the employee contribution, and the picked-up employee contribution shall be in lieu of an employee contribution. The state shall pay these picked-up employee contributions from the same source of funds which is used to pay earnings to the employee. The employee shall have no option to receive the contributed amounts directly instead of having them paid by the employer to the system. Employee contributions picked up after August 1, 1982, shall be treated for all purposes of KRS 21.345 to 21.570 in the same manner and to the same extent as employee contributions made prior to August 1, 1982.
- (7) An election once made under this section, either to participate or not to participate in the Judicial Retirement Plan, shall be considered to apply, to all future service in any office covered by the plan, whether such service is in the same or a different office, and whether or not it is continuous.

No surviving spouse of a retired member shall be entitled to any benefits unless the person was the spouse of the member at the time he retired.
- (2) A member who has qualified for benefits under this section may transfer to the Judicial Retirement Plan up to ten (10) years of service credit which he has earned in a retirement system administered by Kentucky Retirement Systems, and he may transfer to the Judicial Retirement Plan up to ten (10) years of service credit which he has earned in the Kentucky Legislators' Retirement Plan. If the member elects to transfer his service credit, the system or plan from which the transfer is made shall transfer to the judicial retirement fund an amount equal to the employee's and employer's contributions attributable to that credit, together with interest on the contributions from the date made to the date of transfer at the actuarially assumed interest rate of the system or plan from which the transfer is made in effect at the time the contributions were made, compounded annually at that same interest rate. The member shall be entitled to the transferred service credit, at the rate at which he qualifies under KRS 21.400, when he pays the total difference between the amount of the funds transferred and the cost of the credit to the Judicial Retirement Plan, as determined by the actuary for the Judicial Retirement Plan. The member may pay by transfer, if authorized under subsection (5)(d) of this section, or by lump sum or increments as set forth in subsection (4)(b) of this section. The payments made

under this section shall be considered accumulated contributions of the member and shall not be picked up by the employer under KRS 21.360(6).

- (3) Any active member of the Judicial Retirement Plan who is vested in the Judicial Retirement Plan under subsection (1) of this section or KRS 21.375, shall receive service credit for a maximum of four (4) years for his period of service as a city police judge for a city within the Commonwealth of Kentucky, if the service was performed prior to the first Monday in January, 1978, and if the service has not been credited to the member's account with any other public defined benefit plan, by paying the retirement system one hundred percent (100%) of the actuarial cost of the service as determined by the board of trustees, based on assumptions used in the most recent biennial evaluation. The period of service to be purchased shall be certified to the board of trustees by the custodian of the records of the city for which the service was performed. The service credit shall be awarded and the cost shall be determined in conformity with the rate which applies to the member in question under KRS 21.400. Service credit awarded under this subsection shall be equivalent, for all purposes of the Judicial Retirement Plan, to other service credit earned in the plan. The payments made under this section shall be considered accumulated contributions of the member and shall not be picked up by the employer under KRS 21.360(6).
- (4)

The payment shall not be picked up by the employer as provided in KRS 21.360(6).
  - (b) The member may purchase all of his military service credit at one (1) time, or in increments of no less than one (1) year, unless there is a fraction remaining after all full years have been paid for. Vested service credit in a retirement system, other than the Teachers' Retirement System, sponsored by a Kentucky institution of higher education and accepted by the Kentucky Employees Retirement System or the County Employees Retirement System, may be used to determine eligibility for twenty-seven (27) year retirement but not the amount of benefits. The computation of benefits shall be based on the applicable formula in each system and service credit in each system, but the final compensation, excluding compensation earned under KRS 161.155(9), shall be determined as if all service were in one (1) system. If the member has prior service in more than one (1) system, he shall obtain at least twelve (12) months' current service in each system in which he has prior service in order to validate the prior service in each system for purposes of determining consolidated benefits under this section. - (3) A member with service credit in the Kentucky Employees Retirement System, State Police Retirement System, or the County Employees Retirement System who becomes the holder of an office entitling him to membership in the Judicial Retirement Plan or the Legislators' Retirement Plan, but who does not elect within thirty (30) days after taking office in such service to participate in the plan, in accordance with KRS 6.505 or 21.360, shall be deemed to have elected to retain membership in the system in which he is a member, either the Kentucky Employees Retirement System, State Police Retirement System, or the County Employees Retirement System. In that event, the agency employing the member shall withhold employee contributions, or picked-up employee contributions after August 2, 1982, make employer contributions and remit these contributions to the system in which the member retained his membership. Any person entitled to membership in the Judicial Retirement Plan or the Legislators' Retirement Plan, who does not elect within thirty (30) days

after taking office to participate in the plan, in accordance with KRS 6.505 or 21.360, and who at the time of taking office is not a contributing member of, or does not have service credit in, any of the retirement systems mentioned in this section, or the Teachers' Retirement System, shall participate in the Kentucky Employees Retirement System. A member of one (1) of the state-administered retirement plans who ceases to contribute to the plan as provided in KRS 21.360 and who is employed in a nonelected position by an agency participating in the Kentucky Retirement Systems shall be deemed to have elected membership in the system in which the employer of the nonelected position participates. A member of one (1) of the state-administered retirement plans who ceases to contribute to the plan as provided in KRS 21.360 and who is not employed in a nonelected position by an agency participating in the Kentucky Retirement Systems shall be deemed to have elected membership in the Kentucky Employees Retirement System.

- (4) (a) Prior to July 1, 1976, a person entering the service of an employer participating in the Kentucky Employees Retirement System or the County Employees Retirement System with service credit in the Teachers' Retirement System and who desires to retain membership in the Teachers' Retirement System, and who is permitted by that system to continue, shall be exempt from participating in the Kentucky Employees Retirement System or the County Employees Retirement System.
  - (b) Any person who has elected to retain membership in the Teachers' Retirement System as provided in paragraph (a) of this subsection may cancel his election and participate in the system under which his position would normally participate, if he elects to cancel his option prior to January 1, 1977.
  - (c) Any member of the General Assembly who upon election is a contributing member of the Teachers' Retirement System and who does not elect within thirty (30) days after taking office to participate in the Legislators' Retirement Plan, in accordance with KRS 6.505, shall during his term of office participate in the Kentucky Employees Retirement System unless an election to retain membership in the Teachers' Retirement System is filed in writing within ninety (90) days after his term of office begins. No contributions may be made to the Teachers' Retirement System for the same period of service under the Legislators' Retirement Plan or the Kentucky Employees Retirement System as a member of the General Assembly, but contributions made to the Teachers' Retirement System while a member of the General Assembly shall be transferred to the Legislators' Retirement Plan, as provided for in KRS 6.535, when the member elects to join the Legislators' Retirement Plan, and service credit in the Legislators' Retirement Plan shall be granted as provided for in KRS 6.505(5)~~(3)~~.
- (5) Effective July 1, 1974, any member of the Kentucky Employees Retirement System or County Employees Retirement System who is working in a position covered by one (1) of these retirement systems and his employee contributions, service credit and employer contributions made on his behalf are being transferred to the other retirement system shall contribute to the system in which his employer participates, or after August 1, 1982, the employer shall pick up the employee contributions, and no further contributions or service credit shall be transferred to the system in which he elected to retain membership, as subsection (2) of this section eliminates the necessity of the transfers.
  - (6) Any member of the Kentucky Employees Retirement System or County Employees Retirement System who is working in more than one (1) position covered by the same retirement system, shall have his wages and contributions consolidated and his retirement account administered as a single account. If part-time positions are involved, an accumulation of all hours worked within the same retirement system shall be used to determine eligibility under KRS 61.510(21).
  - (7) Notwithstanding the provisions of subsection (2) of this section, a person who does not have the amount of service required for service retirement in the State Police Retirement System, Kentucky Employees Retirement System, County Employees Retirement System, Legislators' Retirement Plan, or Teachers' Retirement System, but who is a member of one (1) of the systems or is a former member of one (1) or more of the systems with valid service credit therein, shall become eligible for service retirement benefits attributable to the amount of his actual service credit in each system in which he has service credit when his combined service credit in all the systems, plus any service credit he has in the Judicial Retirement Plan, is equal to that required for service retirement in each respective system. The computation of benefits shall be based on the applicable formula in each system and service credit in each system, except that total service in all systems, unless prohibited by KRS 161.623(2), shall be used to determine the reduction for early retirement, if any. ***Except as provided in Section 6 of this Act,*** the final compensation shall be determined by using the creditable compensation reported to the State Police Retirement System, Kentucky Employees Retirement System, County Employees Retirement System, Legislators' Retirement Plan, or Teachers' Retirement System and only as much of the

compensation earned in the Judicial Retirement Plan as is needed to satisfy the final compensation requirement applicable in the respective retirement systems.

- (8) Each retirement system from which the member retires shall pay a retirement allowance upon receipt of required forms and documents, except that no retirement system shall pay a retirement allowance or annuity until all forms and documents are filed at all retirement systems in compliance with each system's requirements.

(SJR 92)

A JOINT RESOLUTION directing the Department of Education to prepare a comprehensive assessment of the resources needed to improve reading instruction in the state.

WHEREAS, the 1990 session of the General Assembly passed the Kentucky Education Reform Act in response to the opinion of the Kentucky Supreme Court in *Rose v. Council for Better Education, Inc.*, 790 SW 2d 186 (Ky. 1989), which said in part that all Kentucky children deserved equal educational opportunities to acquire an adequate education; and

WHEREAS, the court defined "adequate education" as one which develops seven capacities that include "... communication skills necessary to function in a complex, changing civilization..."; and

WHEREAS, since 1990 the General Assembly has established high standards, and provided a variety of programs and funding sources to enable local schools and districts to improve instruction across all the core content areas with special attention to improving reading and literacy skills; and

WHEREAS, even though Kentucky's readers have shown progress on national and statewide reading assessments, Kentucky still faces greater challenges with many historically underachieving populations; and

WHEREAS, there is a need for a more intentional and systemic focus on implementation of programs developed in light of scientifically based reading research; and

WHEREAS, while new emphases from the federal government's "Reading First" program and the state's "Early Reading Incentive Grants" have provided professional development and financial resources to many local schools, there is not a comprehensive assessment of what is needed to meet the Commonwealth's stated goal to help every child reach a proficient reading level by the year 2014; and

WHEREAS, the General Assembly finds there is an urgency to focus its attention on improving reading and literacy skills but cannot move ahead without a comprehensive needs assessment that outlines the required resources and establishes an implementation framework and a projected timeline for achieving the goal;

If the application is refused, the secretary shall in general terms furnish in writing the reasons for his refusal.

- (2) Upon a finding by the Circuit Court that the child should be placed prior to the secretary's ruling on the application, the Circuit Court may grant the applicant temporary custody of the child pending the decision of the secretary. If the application is denied, the temporary custody order shall be set aside and, upon motion of the cabinet or of the child's parent or parents, the Circuit Court may order the child returned to the biological parent or parents or the child's custody may be awarded to the cabinet, another licensed child-placing agency, or other individuals deemed appropriate by the court. This section shall not be deemed to permit the completion of any adoption proceeding without the approval of the secretary and compliance with KRS 615.030, if required.
- (3) In any case where the cabinet refuses to approve the placement of a child for adoption when requested by the parent or parents of the child, or refuses the request of any person or persons that a child be placed with that person or those persons for adoption, the decision of the secretary in so refusing shall be final unless within ten (10) days after notice of refusal, the biological or proposed adopting parent or parents shall appeal to the Circuit Court of the county in which the adoption is proposed. No placement shall be disapproved on the basis of the religious, ethnic, racial, or interfaith background of the adoptive applicant, if the placement is made with the consent of the parent. The cabinet may refuse to approve the placement of a child for adoption if the child's custodial parent is unwilling for the child to be placed for adoption with the proposed adoptive family. The cabinet may approve or deny the placement, in spite of the fact that the custodial parent or parents are unwilling to be interviewed by the cabinet or other approving entity, or if, after diligent efforts have been made, the adoption worker is unable to locate or interview the custodial parent or parents. The cabinet shall be made a party defendant to the appeal. In the hearing of an appeal, the court shall review the findings of the secretary and shall determine if the secretary has acted arbitrarily, unlawfully, or in a manner that constitutes an abuse of discretion.
- (4) If a child who does not fall within the exception provided for in KRS 199.470(4) or (5) is placed or received in a home without the permission of the secretary for **health and family services**~~{families and children}~~, or if permission to receive a child has been denied, a representative of the cabinet may petition the juvenile session of District Court of the county in which the child is found setting out the facts concerning the child. When the petition has been filed, the court shall take jurisdiction of the child and shall provide for it as it would provide for a dependent, neglected, or abused child under KRS Chapter 620, except that the child may not be placed in the home of the applicants who are to receive the child unless permission to do so is granted by the secretary or the action is ordered by a Kentucky court of competent jurisdiction.
- (5) When either the custodial parent or parents of the child to be placed or the persons wishing to receive the child reside out-of-state, the requirement of KRS 615.030, Interstate Compact on the Placement of Children, shall be met before the cabinet gives approval for the child's placement.
- (6) The secretary of the Cabinet for **Health and Family Services**~~{Families and Children}~~ shall be paid a nonrefundable fee of one hundred fifty dollars (\$150) upon the filing of the written application for permission to place or receive a child. Payment shall be made by certified or cashier's check only. All funds collected under this section shall be deposited in a restricted account, which is hereby created, for the purpose of subsidizing an adoptive parent for suitable care of a special-needs child as authorized in KRS 199.555.
- (7) Nothing in this statute shall be construed to limit the authority of the cabinet or a child-placing institution or agency to determine the proper disposition of a child committed to it by the juvenile session of District Court or the Circuit Court, prior to the filing of an application to place or receive.

Section 179. KRS 199.490 is amended to read as follows:

- (1) The petition shall allege:

- (a) The name, date, place of birth, place of residence, and mailing address of each petitioner, and, if married, the date and place of their marriage;

  - (f) The names of the parents of the child and the address of each living parent, if known. The name of the biological father of a child born out of wedlock shall not be given unless paternity is established in a legal action, or unless an affidavit is filed stating that the affiant is the father of the child. If certified copies of orders terminating parental rights are filed as provided in subsection (2) of this section, the name of any parent whose rights have been terminated shall not be given;
  - (g) The name and address of the child's guardian, if any, or of the cabinet, institution, or agency having legal custody of the child;
  - (h) Any further facts necessary for the location of the person or persons whose consent to the adoption is required, or whom KRS 199.480 requires to be made a party to or notified of the proceeding; and
  - (i) If any fact required by this subsection to be alleged is unknown to the petitioners, the lack of knowledge shall be alleged.
- (2) There shall be filed with the petition certified copies of any orders terminating parental rights. Any consent to adoption shall be filed prior to the entry of the adoption judgment.
- (3) If the petitioner was not excepted by KRS 199.470(4) or (5), a copy of the written approval of the secretary of the Cabinet for **Health and Family Services**~~[Families and Children]~~ or the secretary's designee shall be filed with the petition.

Section 180. KRS 199.555 is amended to read as follows:

- (1) A "special-needs child" means:
- (a) A child which the state has determined cannot or should not be returned to the home of the child's parents; and
  - (b) A child which the state has first determined:
    - 1. That there exists a specific factor or condition the existence of which leads to the reasonable conclusion that the child cannot be placed with adoptive parents without providing adoption assistance under this section or medical assistance under Title XIX; and
    - 2. That except where it would be against the best interests of the child because of such factors as the existence of significant emotional ties with prospective adoptive parents while in the care of these parents as a foster child, a reasonable, but unsuccessful, effort has been made to place the child with appropriate adoptive parents without providing adoption assistance under this section or medical assistance under Title XIX.
- (2) "State-funded adoption assistance" means payment of monthly maintenance to assist in meeting the special needs of a child which was placed by the Cabinet for **Health and Family Services**~~[Families and Children]~~. The state-funded adoption assistance shall also include payment of nonrecurring adoption expenses, and may include reimbursement of extraordinary medical expenses.
- (3) "Nonrecurring adoption expenses" means those expenses which are incurred in the legal adoption of a special-needs child for which parents are ultimately responsible which include reasonable and necessary adoption fees, court costs, attorney fees, and other expenses which are directly related to the special-needs adoption and which are not incurred in violation of state or federal law.
- (4) "Extraordinary medical expenses" means those expenses which are related to the child's special needs which existed prior to the adoption and are not reimbursed by private insurance, Medicaid, or other third-party payors or government programs.

- (5) If the secretary of the Cabinet for ***Health and Family Services***~~[Families and Children]~~ or his designated representative finds that a child may benefit from being adopted and that the payment of a subsidy to adoptive parents after the adoption will increase the likelihood of adoption, funds may be paid to the adoptive parents after completion of the adoption of the child if the following conditions exist:
- (a) The child was considered a special-needs child prior to the adoption;
  - (b) The child is committed to the Cabinet for ***Health and Family Services***~~[Families and Children]~~ and the cabinet has authority to consent to the child's adoption; and
  - (c) The adoptive parents can give suitable care to the child if a subsidy is paid.
- (6) Agreements for the payments of funds under this section shall be made prior to the adoption of the child. However, if the secretary for ***health and family services***~~[families and children]~~ or his designated representative finds that the adoption is likely to disrupt, extraordinary medical expenses may be reimbursed contingent upon availability of resources, if the following conditions exist:
- (a) The child was placed for adoption by the Cabinet for ***Health and Family Services***~~[Families and Children]~~;
  - (b) The child was considered a special-needs child prior to the adoption;
  - (c) The parents have made a reasonable effort under the circumstances to meet the needs of the child without reimbursement for extraordinary medical expenses.

This subsection shall apply to any child meeting the conditions of this subsection who at the time of application for the post-adoption extraordinary medical expenses is under the age of eighteen (18). This subsection shall have retroactive as well as prospective effect.

- (7) The payments shall be out of funds appropriated to the cabinet and those funds collected pursuant to KRS 199.473(6) which shall be deposited in a restricted account for the purpose of subsidizing special-needs adoptions, and shall be in accordance with regulations promulgated by the secretary. The payments shall not exceed the amount which would be paid for foster care for the child. Monthly maintenance payments shall not exceed the amount which would be paid for foster care for the child and may include reimbursement for extraordinary medical expenses. Payment of nonrecurring adoption expenses shall only be reimbursed up to the limit established by the secretary for ***health and family services***~~[families and children]~~ in accord with 42 U.S.C. sec. 673. However, payments under agreements entered into under subsection (6) of this section shall be limited to reimbursement of authorized extraordinary medical expenses related to problems or conditions that existed prior to the adoption.
- (8) State-funded adoption assistance payments shall not be made to parents if:
- (a) The child has attained the age of eighteen (18), except that if the child is enrolled in a state or federal educational program, the payments may continue through age twenty-one (21);
  - (b) The cabinet determines the parents are no longer legally responsible for the support of the child; or
  - (c) The cabinet determines that the child is no longer receiving any support from the parents.
- (9) Parents who have been receiving adoption assistance payments under this section shall keep the cabinet informed of circumstances which would, pursuant to subsection (8) of this section, make them ineligible for assistance, or eligible for assistance in a different amount.
- (10) The cabinet shall establish criteria to be followed for the adoption of children under provisions of this section and shall promulgate the criteria by administrative regulations.

Section 181. KRS 199.557 is amended to read as follows:

- (1) For the purpose of this section, unless the context requires otherwise, "Federal Title IV-E adoption assistance" means the payment of monthly maintenance to assist in meeting the special needs of the child and of nonrecurring adoption expenses which include reasonable and necessary adoption fees, court costs, attorney fees, and other expenses which are directly related to legal adoption of a special-needs child and which are not incurred in violation of state or federal law.
- (2) If the secretary of the Cabinet for ***Health and Family Services***~~[Families and Children]~~ or his designated representative finds that payment of a subsidy to adoptive parents after the adoption will increase the

likelihood of the adoption, funds may be paid to the adoptive parents after conclusion of the adoption if the child meets the eligibility criteria established at 42 U.S.C. sec. 673.

- (3) Agreements for Federal Title IV-E adoption assistance under this section shall be made prior to the adoption of the child.
- (4) Payment shall be out of funds appropriated to the cabinet and Federal Title IV-E funds of the Social Security Act as amended (42 U.S.C. secs. 673 et seq.). All payments shall be in accordance with administrative regulations promulgated by the Cabinet for **Health and Family Services**~~[Families and Children]~~. Payments shall not exceed the amount which would be paid for foster care for the child.   - (b) Upon the entry of the final order in the case, the clerk shall place all papers and records in the case in a suitable envelope which shall be sealed and shall not be open for inspection by any person except on written order of the court, except that upon the written consent of the biological parents and upon written order of the Circuit Court all papers and records including all files and records of the Circuit Court during proceedings for termination of parental rights provided in KRS 625.108 shall be open for inspection to any adult adopted person who applies in person or in writing to the Circuit Court as provided in KRS 199.572. Health information received pursuant to KRS 199.525 shall be added to the adoption case file. The clerk of the Circuit Court shall set up a separate docket and order book for adoption cases and these files and records shall be kept locked.
  - (c) No person having charge of any adoption records shall disclose the names of any parties appearing in such records or furnish any copy of any such records to any person or other entity that does not meet the requirements of KRS 199.572, except upon order of the court which entered the judgment of adoption.
- (2) After entry of the adoption judgment, the clerk of the Circuit Court shall promptly report to the Cabinet for Health **and Family** Services of Kentucky full information as called for on forms furnished by the Cabinet for Health **and Family** Services, necessary to make a new birth certificate conforming to the standard birth certificate form. Upon receipt of this information, the Cabinet for Health **and Family** Services shall cause to be made a new record of the birth and it shall be filed with the original certificate, and the original certificate shall be stamped with the words, "CONFIDENTIAL -- subject to copy and/or inspection only on written order of the court."
- (3) The new certificate shall set forth the new name, if any, of the adopted child, the names of the adoptive parents, and such other information deemed necessary in accordance with rules and regulations promulgated by the Cabinet for Health **and Family** Services in issuing of birth certificates. If the adopted child is under eighteen (18) years of age, the birth certificate shall not contain any information revealing the child is adopted and shall show the adoptive parent or parents as the biological parent or parents of the child. If requested by the adoptive parents, the new birth certificate when issued shall contain the location of birth, hospital, and name of doctor or midwife. This information should be given only by an order of the court in which the child was adopted. The new birth certificate shall recite the residence of the adoptive parents as the birthplace of the child and this shall be deemed for all legal purposes to be the birthplace of the child. If no birth certificate is on file for a child born in Kentucky, the Cabinet for Health **and Family** Services shall prepare a certificate of birth in accordance with the information furnished the cabinet by the clerk of the Circuit Court which issued the adoption order. The Cabinet for Health **and Family** Services shall furnish to the clerks of the Circuit Courts the necessary forms to carry out the provisions of this section. If the child was born in another state, the order of adoption shall be forwarded to the division of vital statistics of the state concerned to be changed in accordance with the laws of such state. If the child was born in a foreign country, the report of adoption shall be returned to the attorney or agency handling the adoption for submission to the appropriate federal agency.
- (4) Thereafter when any copy of the certificate of birth of any child is issued it shall be a copy of the new certificate of birth, except when an order of the court granting the judgment of adoption shall request the issuance of the copy of the original certificate of the child's birth.

Section 183. KRS 199.572 is amended to read as follows:

- (1) At the time the biological parents give up the child for adoption, they shall be asked by the cabinet whether they consent to the inspection of the adoption records, to personal contact by the child, or to both when he becomes an adult. If consent is then given, it can later be revoked. If consent is withheld at that time, the biological parents may give consent at any later time. The initial written statement of consent or refusal of consent to inspection of records and personal contact shall be filed with the Circuit Court not later than the date of finalization of the adoption proceedings. When a written consent is on file, the records shall be available to the adult adopted person, upon his request therefor in writing.
- (2) When any adult adopted person applies in person or in writing to the Circuit Court for authorization to inspect all papers and records pertaining to the adoption proceedings of that adult adopted person as provided in KRS 199.570(1), and the biological parents have previously refused consent to inspection of records and to personal contact, the court may, if satisfied as to the identity of the adult adopted person, authorize the adult adopted person to inspect the papers and records if written consent is obtained from the biological parents identified on the adult adopted person's original birth certificate.
- (3) The Circuit Court shall, within seven (7) working days of the receipt of the request, direct the secretary of the cabinet to notify each biological parent identified on the adult adopted person's original birth certificate that the person has applied to the court for information identifying the biological parent. Within six (6) months of receiving the notice of the request of the adult adopted person, the secretary of the cabinet shall make complete and reasonable efforts to notify each biological parent identified on the adult adopted person's original birth certificate. The secretary may charge a reasonable fee not to exceed two hundred fifty dollars (\$250) to the adult adopted person for making this search. Every child-caring facility and child-placing agency in the Commonwealth shall cooperate with the secretary in his efforts to notify these biological parents.
- (4) If the cabinet utilizes the services of another person or entity to perform a search under subsection (3) of this section, the cabinet shall enter into a formal contract with that person or entity. A person or entity contracted to perform a search shall be licensed under the provisions of KRS Chapter 329A.
- (5) The notification of the biological parents shall not be by mail and shall be by personal and confidential contact by the cabinet. The notification shall be done without disclosing the identity of the adult adopted person. The personal and confidential contact with the biological parents shall be evidenced by filing with the Circuit Court an affidavit of notification executed by the person who notified each parent and certifying each parent was given the following information:
- (a) The nature of the information requested by the adult adopted person;
  - (b) The date of the request of the adult adopted person;
  - (c) The right of the biological parent to file, within sixty (60) days of receipt of the notice, an affidavit with the Circuit Court stating that the adult adopted person shall be authorized to inspect all papers and records pertaining to his adoption proceedings;
  - (d) The right of the biological parent to file at any time an affidavit authorizing the adult adopted person to inspect all papers and records pertaining to his adoption proceedings; and
  - (e) The right of a biological parent to file an affidavit with the Circuit Court stating that all papers and records pertaining to the adoption proceedings of the adult adopted person shall not be open for inspection by the adult adopted person.
- (6) The adult adopted person shall not be authorized to inspect the papers and records pertaining to his or her adoption proceedings unless those biological parents identified on the original birth certificate agree in writing to that inspection.
- (7) If after diligent and reasonable effort, the secretary of the cabinet certifies that both biological parents identified in the original birth certificate are deceased or the secretary is unable to locate said parents, then a judge of the Circuit Court, upon motion of the adult adopted person, may order that all papers and records of the Cabinet for *Health and Family Services* ~~[Families and Children]~~ and those of the Circuit Court pertaining

- (3) A health-care facility that receives reimbursement under this section for consultations provided by a Medicaid-participating provider who practices in that facility and a health professional who obtains a consultation under this section shall establish quality-of-care protocols and patient confidentiality guidelines to ensure that telehealth consultations meet all requirements and patient care standards as required by law.

Payment to a dentist of any Medical Assistance Program benefits for complete upper and lower dentures shall only be provided on the condition of a preauthorized agreement between an authorized representative of the Medical Assistance Program and the dentist prior to the removal of the teeth. The selection of another class or other classes of medical care shall be recommended by the council to the secretary for health *and family* services after taking into consideration, among other things, the amount of federal and state funds available, the most essential needs of recipients, and the meeting of such need on a basis insuring the greatest amount of medical care as defined in KRS 205.510 consonant with the funds available, including, but not limited to, the following categories, except where the aid is for the purpose of obtaining an abortion:

  - (c) Salaries paid to immediate family members of the owner or administrator, or both, of a facility, to the extent that services are not actually performed and are not a necessary function as required by regulation of the cabinet for the operation of the facility. The facility shall keep a record of all work actually performed by family members;

- (d) The cost of contracts, loans, or other payments made by the facility to owners, administrators, or both, unless the payments are for services which would otherwise be necessary to the operation of the facility and the services are required by regulations of the Cabinet for Health *and Family* Services. Any other payments shall be deemed part of the owner's compensation in accordance with maximum limits established by regulations of the Cabinet for Health *and Family* Services. Interest paid to the facility for loans made to a third party may be used to offset allowable interest claimed by the facility;
  - (e) Private club memberships for owners or administrators, travel expenses for trips outside the state for owners or administrators, and other indirect payments made to the owner, unless the payments are deemed part of the owner's compensation in accordance with maximum limits established by regulations of the Cabinet for Health *and Family* Services; and
  - (f) Payments made to related organizations supplying the facility with goods or services shall be limited to the actual cost of the goods or services to the related organization, unless it can be demonstrated that no relationship between the facility and the supplier exists. A relationship shall be considered to exist when an individual, including brothers, sisters, father, mother, aunts, uncles, and in-laws, possesses a total of five percent (5%) or more of ownership equity in the facility and the supplying business. An exception to the relationship shall exist if fifty-one percent (51%) or more of the supplier's business activity of the type carried on with the facility is transacted with persons and organizations other than the facility and its related organizations.

This statement shall indicate the procedures used in providing the medical services.
  - (5) The range of medical care benefit standards provided and the quality and quantity standards and the methods for determining cost formulae for vendor payments within each category of public assistance and other recipients shall be uniform for the entire state, and shall be designated by regulation promulgated within the limitations established by the Social Security Act and federal regulations. It shall not be necessary that the amount of payments for units of services be uniform for the entire state but amounts may vary from county to county and from city to city, as well as among hospitals, based on the prevailing cost of medical care in each locale and other local economic and geographic conditions, except that insofar as allowed by applicable federal law and regulation, the maximum amounts reimbursable for similar services rendered by physicians within the same specialty of medical practice shall not vary according to the physician's place of residence or place of practice, as long as the place of practice is within the boundaries of the state.
  - (6) Nothing in this section shall be deemed to deprive a woman of all appropriate medical care necessary to prevent her physical death.
  - (7) To the extent permitted by federal law, no medical assistance recipient shall be recertified as qualifying for a level of long-term care below the recipient's current level, unless the recertification includes a physical examination conducted by a physician licensed pursuant to KRS Chapter 311 or by an advanced registered nurse practitioner licensed pursuant to KRS Chapter 314 and acting under the physician's supervision.
  - (8) If payments made to community mental health centers, established pursuant to KRS Chapter 210, for services provided to the mentally retarded exceed the actual cost of providing the service, the balance of the payments shall be used solely for the provision of other services to the mentally retarded through community mental health centers.
  - (9) No long-term-care facility, as defined in KRS 216.510, providing inpatient care to recipients of medical assistance under Title XIX of the Social Security Act on July 15, 1986, shall deny admission of a person to a bed certified for reimbursement under the provisions of the Medical Assistance Program solely on the basis of the person's paying status as a Medicaid recipient. No person shall be removed or discharged from any facility solely because they became eligible for participation in the Medical Assistance Program, unless the facility can demonstrate the resident or the resident's responsible party was fully notified in writing that the resident was being admitted to a bed not certified for Medicaid reimbursement. No facility may decertify a bed occupied by a Medicaid recipient or may decertify a bed that is occupied by a resident who has made application for medical assistance.

- (10) Family-practice physicians practicing in geographic areas with no more than one (1) primary-care physician per five thousand (5,000) population, as reported by the United States Department of Health and Human Services, shall be reimbursed one hundred twenty-five percent (125%) of the standard reimbursement rate for physician services.
- (11) The Cabinet for Health *and Family* Services shall make payments under the Medical Assistance program for services which are within the lawful scope of practice of a chiropractor licensed pursuant to KRS Chapter 312, to the extent the Medical Assistance Program pays for the same services provided by a physician.

Section 257. KRS 205.637 is amended to read as follows:

- (1)
  - (a) A county-owned or operated hospital shall receive an enhanced Medicaid payment in an amount, calculated from the most recent cost report filed by that hospital with the department as of June 30 of each year, equal to the difference between the amount of total payments made to the hospital by the department or a managed care entity for covered services provided to Medicaid beneficiaries, including services attributable to recipients in Medicaid managed care programs, during the state fiscal year and the hospital's cost for the services determined by the department under Medicare payment principles. Reimbursement under this section shall be made in a single payment. From July 1 through August 1 of each year, the Department for Medicaid Services shall calculate the payment due to be made to each county-owned or operated hospital and shall make the payment to each hospital no later than August 15 of each state fiscal year. The department shall make an enhanced payment to each county-owned or operated hospital in state fiscal year 1998 using cost reports filed with the department on or before June 30, 1998, for the hospitals' latest fiscal year.
  - (b) A payment described in this section is not due to a county-owned or operated hospital unless an intergovernmental transfer is made. A county-owned or operated hospital may make an intergovernmental transfer, or an intergovernmental transfer may be made on behalf of the hospital by a county, budget unit of a county governmental agency, or lending institution if it is not prohibited by state or federal law.
  - (c) An intergovernmental transfer shall be made to the enhanced Medicaid payment fund by August 2 of each state fiscal year in an amount equal to eighty percent (80%) of the amount determined under paragraph (a) of this subsection and shall be matched with federal funds.
  - (d) An enhanced Medicaid payment shall be made to each county-owned or operated hospital participating in the intergovernmental transfer program in an amount equal to one hundred percent (100%) of the hospital's Medicaid shortfall as determined under paragraph (a) of this subsection.
  - (e) The department shall determine the Medicaid shortfall for all other hospitals that are not county-owned or operated or are not state-university-owned or operated hospitals, which shall be equal to the difference between total payments made by the department or a managed care entity for covered services provided to Medicaid beneficiaries, including those enrolled in managed care, during the state fiscal year and the hospital's costs for the services as determined by the department under Medicare payment principles. Funds remaining from the enhanced Medicaid program shall be distributed to each hospital which is not county-owned or operated or is not state-university-owned or operated on a pro rata basis. If funds remain in the enhanced Medicaid payment fund after making enhanced Medicaid payments required by this subsection, the remaining funds shall be available for use by the department for funding the regular Medicaid program.
- (2) The enhanced Medicaid payment authorized under subsection (1) of this section shall not be implemented as part of the disproportionate share hospital program or if federal financial participation is not available.
- (3) The Cabinet for Health *and Family* Services shall promulgate administrative regulations to implement the provisions of this section.

Section 258. KRS 205.640 is amended to read as follows:

- (1) The commissioner of Medicaid services shall adopt a disproportionate share program consistent with the requirements of Title XIX of the Social Security Act which shall include to the extent possible, but not limited to, the provisions of this section.
- (2) The "Medical Assistance Revolving Trust Fund" (MART) shall be established in the State Treasury and all provider tax revenues collected pursuant to KRS 142.301 to 142.359 shall be deposited in the State Treasury and transferred on a quarterly basis to the Department for Medicaid Services for use as specified in this section. All investment earnings of the fund shall be credited to the fund. Provider tax revenues collected in accordance with KRS 142.301 to 142.359 shall be used to fund the provisions of KRS 216.2920 to 216.2929 and to supplement the medical assistance-related general fund appropriations for fiscal year 1994 and subsequent fiscal years. Notwithstanding the provisions of KRS 48.500 and 48.600, the MART fund shall be exempt from any state budget reduction acts.
- (3) (a) Beginning in state fiscal year 2000-2001 and continuing annually thereafter, provider tax revenues and state and federal matching funds shall be used to fund the disproportionate share program established by the commissioner of Medicaid services. Disproportionate share funds shall be divided into three (3) pools for distribution as follows:
  1. Forty-three and ninety-two hundredths percent (43.92%) of the total disproportionate share funds shall be allocated to acute care hospitals;
  2. Thirty-seven percent (37%) of the total disproportionate share funds shall be allocated to university hospitals; and
  3. Nineteen and eight hundredths percent (19.08%) of the total disproportionate share funds shall be allocated to private psychiatric hospitals and state mental hospitals, with the allocation to each respective group of hospitals established by the biennial budget.

If, in any year, one (1) or both university hospitals fail to provide state matching funds necessary to secure federal financial participation for the funds allocated to university hospitals under this subsection, the portion of the funding allocation applicable to the hospital or hospitals that fail to provide state matching funds shall be made available to acute care hospitals.

- (b) The MART fund shall be used to compensate acute care hospitals, private psychiatric hospitals, and university hospitals qualifying for the disproportionate share program for uncompensated service provided by the hospitals to individuals and families with total annual incomes and resources up to one hundred percent (100%) of the federal poverty level, as determined by the hospital pursuant to administrative regulations promulgated by the Cabinet for Health *and Family* Services in accordance with this section.
- (c) An individual hospital shall receive distributions for indigent care provided by that hospital that meets the guidelines established in paragraph (a) of this subsection.
- (d) Distributions to acute care and private psychiatric hospitals shall be made as follows:
  1. The department shall calculate an indigent care factor for each hospital annually. The indigent care factor shall be determined by calculating the percentage of each hospital's annual indigent care costs toward the sum of the total annual indigent care costs for all hospitals within each respective pool. For purposes of this paragraph, "indigent care costs" means the hospital's inpatient and outpatient care as reported to the department multiplied by the hospital's Medicaid rate, or at a rate determined by the department in administrative regulation that, when multiplied by the hospital's reported indigent care, is equivalent to the amount that would be payable by the department under the fee-for-service Medicaid program for the hospital's total reported indigent care.
  2. Each hospital's annual distribution shall be calculated by multiplying the hospital's indigent care factor by the total fund allocated to all hospitals within the respective pool under paragraph (a) of this subsection.
    - a. Hospitals shall report uncompensated care provided to qualified individuals and families with total annual incomes and resources up to one hundred percent (100%) of the federal poverty level, including care rendered to indigent persons age twenty-two (22) to sixty-four (64) in a psychiatric hospital to the Cabinet for Health *and Family* Services on a

quarterly basis. However, all data for care provided during the state fiscal year shall be submitted no later than August 15 of each year.

- b. The department shall use indigent care data for services delivered from October 1, 1998, through September 30, 1999, as reported by hospitals to calculate each hospital's indigent care factor for state fiscal year 2000-2001. For state fiscal year 2001-2002 and each year thereafter, the department shall use data reported by the hospitals for indigent care services rendered for the twelve (12) month period ending June 30 of each year as reported by the hospital to the department by August 15 in calculating each hospital's indigent care factor. The hospital shall, upon request by the Cabinet for Health *and Family* Services, submit any supporting documentation to verify the indigent care data submitted for the calculation of an indigent care factor and annual payment.
  - c. By September 1 of each year, the department shall calculate a preliminary indigent care factor and preliminary annual payment amount for each hospital, and shall notify each hospital of their calculation. The notice shall contain a listing of each hospital's indigent care costs, their indigent care factor, and the estimated annual payment amount. Hospitals shall notify the department by September 15 of any adjustments in the department's preliminary calculations. The department shall make adjustments identified by hospitals and shall make a final determination of each hospital's indigent care factor and annual payment amount by October 1.
- (e) For fiscal year 2000-2001 and continuing annually thereafter, the department shall issue to each hospital one (1) lump-sum payment on October 15, or later as soon as federal financial participation becomes available, for the disproportionate share funds available during the corresponding federal fiscal year.
- (4) Notwithstanding any other provision to contrary, total annual disproportionate share payments made to state mental hospitals, university hospitals, acute care hospitals, and private psychiatric hospitals in each state fiscal year shall be equal to the maximum amount of disproportionate share payments established under the Federal Balanced Budget Act of 1997 and any amendments thereto. Disproportionate share payments shall be subject to the availability of adequate state matching funds and shall not exceed total uncompensated costs.
  - (5) Hospitals receiving reimbursement shall not bill patients for services submitted for reimbursement under this section and KRS 205.641. Services provided to individuals who are eligible for medical assistance or the Kentucky Children's Health Insurance Program do not qualify for reimbursement under this section and KRS 205.641. Hospitals shall make a reasonable determination that an individual does not qualify for these programs and shall request the individual to apply, if appropriate, for medical assistance or Kentucky Children's Health Insurance on forms supplied by and in accordance with procedures established by the Department for Medicaid Services. The hospital shall document any refusal to apply and shall inform the patient that the refusal may result in the patient being billed for any services performed. The hospital shall not be eligible for reimbursement if the patient was eligible for medical assistance or Kentucky Children's Health Insurance and did not apply. Hospitals receiving reimbursement under this section and KRS 205.641 shall not bill patients for services provided to patients not eligible for medical assistance with family incomes up to one hundred percent (100%) of the federal poverty level.
  - (6) The secretary of the Cabinet for Health *and Family* Services shall promulgate administrative regulations necessary, pursuant to KRS Chapter 13A, for the administration and implementation of this section.
  - (7) All hospitals receiving reimbursement under this section and KRS 205.641 shall display prominently a sign which reads as follows: "This hospital will accept patients regardless of race, creed, ethnic background, or ability to pay."

Section 259. KRS 205.645 is amended to read as follows:

Notwithstanding any provision of KRS 205.560, the Cabinet for Health *and Family* Services shall recognize the reasonable and appropriate varying overhead costs associated with different areas of specialty for the purposes of establishing the standard reimbursement rate for physician services, dental services, and services provided by other independent providers under the Kentucky Medical Assistance Program.

Section 260. KRS 205.6483 is amended to read as follows:

There is hereby created within the Cabinet for Health *and Family* Services the Kentucky Children's Health Insurance Program (KCHIP) for the purposes of:

- (1) Providing health care coverage and other coordinated services to children through the age of eighteen (18) years at or below two hundred percent (200%) of the federal poverty level and who are not otherwise eligible for health insurance coverage through either expansions of Medicaid services under Title XIX of the Federal Social Security Act and through the provision of a separate health insurance program under Title XXI of the Federal Social Security Act, or a combination of Medicaid program expansions and use of a separate health insurance program; and
- (2) Providing Medicaid coverage for children between the ages of fourteen (14) and eighteen (18) years up to one hundred percent (100%) of the federal poverty level.

Section 261. KRS 205.6485 is amended to read as follows:

The cabinet shall, by administrative regulation promulgated in accordance with KRS Chapter 13A, establish the following:

However, no person eligible for services under Title XIX of the Social Security Act 42 U.S.C. 1396 to 1396v, as amended, shall be eligible for services under the Kentucky Children's Health Insurance Program except to the extent that Title XIX coverage is expanded by KRS 205.6481 to 205.6495 and KRS 304.17A-340;

A public health department shall not be disqualified from bidding because the department does not currently offer all the services required by paragraph (b) of this subsection. The criteria shall be set forth in administrative regulations under KRS Chapter 13A and shall maximize competition among the

providers and insurers. The Cabinet for Finance and Administration shall provide oversight over contracting policies and procedures to assure that the number of applicants for contracts is maximized.

- (2) Within twelve (12) months of federal approval of the state's Title XXI child health plan, the Cabinet for Health **and Family** Services shall assure that a KCHIP program is available to all eligible children in all regions of the state. - (1) All parents, guardians, and other persons having care, custody, or control of any child shall have the child immunized against diphtheria, tetanus, poliomyelitis, pertussis, measles, rubella, mumps, hepatitis B, and haemophilis influenzae disease in accordance with testing and immunization schedules established by regulations of the Cabinet for Health *and Family* Services. Additional immunizations may be required by the Cabinet for Health *and Family* Services through the promulgation of an administrative regulation pursuant to KRS Chapter 13A if recommended by the United States Public Health Service or the American Academy of Pediatrics. All parents, guardians, and other persons having care, custody, or control of any child shall also have any child found to be infected with tuberculosis examined and treated according to administrative regulations of the Cabinet for Health *and Family* Services promulgated under KRS Chapter 13A. The persons shall also have booster immunizations administered to the child in accordance with the regulations of the Cabinet for Health *and Family* Services.
- (2) A local health department may, with the approval of the Department of Public Health, require all first-time enrollees in a public or private school within the health department's jurisdiction to be tested for tuberculosis prior to entering school. Following the first year of school, upon an epidemiological determination made by the state or local health officer in accordance with administrative regulations promulgated by the Cabinet for Health *and Family* Services, all parents, guardians, and other persons having care, custody, or control of any child shall have the child tested for tuberculosis, and shall have any child found to be infected with tuberculosis examined and treated according to administrative regulations of the Cabinet for Health *and Family* Services. Nothing in this section shall be construed to require the testing for tuberculosis of any child whose parent or guardian is opposed to such testing, and who objects by a written sworn statement to the testing for tuberculosis of the child on religious grounds. However, in a suspected case of tuberculosis, a local health department may require testing of this child.
- (3) All public or private primary or secondary schools, and preschool programs shall require a current immunization certificate for any child enrolled as a regular attendee, as provided by administrative regulation of the Cabinet for Health *and Family* Services, promulgated under KRS Chapter 13A, to be on file within two (2) weeks of the child's attendance.
- (4) All public or private primary schools shall require a current immunization certificate for hepatitis B for any child enrolled as a regular attendee in the sixth grade, as provided by administrative regulation of the Cabinet for Health *and Family* Services, promulgated under KRS Chapter 13A, to be on file within two (2) weeks of the child's attendance. This provision shall sunset following the 2008-2009 school year unless otherwise authorized by the General Assembly.
- (5) For each child cared for in a day-care center, certified family child-care home, or any other licensed facility which cares for children, a current immunization certificate, as provided by administrative regulation of the Cabinet for Health *and Family* Services, promulgated under KRS Chapter 13A, shall be on file in the center, home, or facility within thirty (30) days of entrance into the program or admission to the facility.

- (6) Any forms relating to exemption from immunization requirements shall be available at public or private primary or secondary schools, preschool programs, day-care centers, certified family child-care homes, or other licensed facilities which care for children.

Section 449. KRS 214.036 is amended to read as follows:

Nothing contained in KRS 158.035, 214.010, 214.020, 214.032 to 214.036, and 214.990 shall be construed to require the testing for tuberculosis or the immunization of any child at a time when, in the written opinion of his attending physician, such testing or immunization would be injurious to the child's health. Nor shall KRS 158.035, 214.010, 214.020, 214.032 to 214.036, and 214.990 be construed to require the immunization of any child whose parents are opposed to medical immunization against disease, and who object by a written sworn statement to the immunization of such child on religious grounds. Provided, however, that in the event of an epidemic in a given area, the Cabinet for Health *and Family* Services may, by emergency regulation, require the immunization of all persons within the area of epidemic, against the disease responsible for such epidemic.

Section 450. KRS 214.155 is amended to read as follows:

- (1) The administrative officer or other person in charge of each institution caring for infants twenty-eight (28) days or less of age and the person required in pursuance of the provisions of KRS 213.046 shall register the birth of a child and cause to have administered to every such infant or child in its or his care tests for heritable disorders including, but not limited to, phenylketonuria (PKU), sickle cell disease, congenital hypothyroidism, and galactosemia in accordance with rules or regulations prescribed by the secretary of the Cabinet for Health *and Family* Services. Testing, recording, and reporting of the results of newborn screening tests shall be performed at the times and in the manner as may be prescribed by the secretary of the Cabinet for Health *and Family* Services or the secretary's designee. The secretary of the Cabinet for Health *and Family* Services shall by regulation establish and collect fees to cover the cost of analyzing the testing samples for newborn screening tests.
- (2) Nothing in this section shall be construed to require the testing of any child whose parents are members of a nationally recognized and established church or religious denomination, the teachings of which are opposed to medical tests, and who object in writing to the testing of his or her child on that ground.
- (3) The cabinet shall make available the names and addresses of health care providers including, but not limited to, physicians, nurses, and nutritionists, who may provide postpartum home visits to any family whose infant or child has tested positive for a newborn screening test.
- (4) Contingent upon the receipt of federal grants or appropriations by the General Assembly of the Commonwealth of Kentucky, the tests for heritable disorders for newborns listed in subsection (1) of this section shall be expanded to include, but not be limited to, medium-chain acyl-CoA dehydrogenase deficiency (MCAD), very long-chain acyl-CoA deficiency (VLCAD), short-chain acyl-CoA dehydrogenase deficiency (SCAD), maple syrup urine disease, congenital adrenal hyperplasia, biotinidase disorder, and cystic fibrosis.
- (5) The secretary for health *and family* services or his or her designee shall apply for any federal grants available through the Public Health Service Act to expand or improve programs to provide screening, counseling, testing, or specialty services for newborns or children at risk for heritable disorders.
- (6) The secretary for health *and family* services or his or her designee shall apply for any federal grants available through the Public Health Service Act to evaluate the effectiveness of newborn screening, counseling, or health care services in reducing the morbidity and mortality caused by heritable disorders in newborns and children.

Section 451. KRS 214.160 is amended to read as follows:

- (1) Every physician and every other person legally permitted to engage in attendance upon a pregnant woman in this state shall take or cause to be taken from the woman a specimen of blood for serological test for syphilis as soon as he is engaged to attend the woman and has reasonable grounds for suspecting that pregnancy exists. If the woman is in labor at the time the diagnosis of pregnancy is made, which may make it inadvisable to obtain a blood specimen at that time, the specimen shall be obtained within ten (10) days after delivery. The specimen of blood shall be submitted to the laboratory of the Cabinet for Health *and Family* Services or a laboratory approved by the cabinet for the purpose of having made a serological test for syphilis. The test shall be of a type approved by the Cabinet for Health *and Family* Services.
- (2) The Cabinet for Health *and Family* Services shall, as often as necessary, publish a list of the five (5) most frequently abused substances, including alcohol, by pregnant women in the Commonwealth. Any physician and any other person legally permitted to engage in attendance upon a pregnant woman in this state may perform a

screening for alcohol or substance dependency or abuse, including a comprehensive history of such behavior. Any physician may administer a toxicology test to a pregnant woman under the physician's care within eight (8) hours after delivery to determine whether there is evidence that she has ingested alcohol, a controlled substance, or a substance identified on the list provided by the cabinet, or if the woman has obstetrical complications that are a medical indication of possible use of any such substance for a nonmedical purpose.

- (3) Any physician or person legally permitted to engage in attendance upon a pregnant woman may administer to each newborn infant born under that person's care a toxicology test to determine whether there is evidence of prenatal exposure to alcohol, a controlled substance, or a substance identified on the list provided by the Cabinet for Health *and Family* Services, if the attending person has reason to believe, based on a medical assessment of the mother or the infant, that the mother used any such substance for a nonmedical purpose during the pregnancy.
- (4) The circumstances surrounding any positive toxicology finding shall be evaluated by the attending person to determine if abuse or neglect of the infant, as defined under KRS 600.020(1), has occurred and whether investigation by the Cabinet for Health *and Family* Services is necessary.
- (5) No prenatal screening for alcohol or other substance abuse or positive toxicology finding shall be used as prosecutorial evidence.
- (6) No person shall conduct or cause to be conducted any toxicological test pursuant to this section on any pregnant woman without first informing the pregnant woman of the purpose of the test.
- (7) Every physician or other person legally permitted to engage in attendance upon a pregnant woman in the Commonwealth shall take or cause to be taken from the woman a specimen of blood which shall be submitted for the purpose of serologic testing for the presence of hepatitis B surface antigen to a laboratory certified by the United States Department for Health and Human Services pursuant to Section 333 of the Public Health Service Act (42 U.S.C. sec. 263a), as revised by the Clinical Laboratory Improvement Amendments (CLIA), Pub.L. 100-578.

Section 452. KRS 214.170 is amended to read as follows:

Every physician or other person who takes or causes to be taken from a woman in pregnancy, or suspected pregnancy, a blood specimen for serological tests for syphilis, shall identify the specimen as being from a pregnant woman submitting it for tests. The laboratory shall report the result of the test if reactive on forms prepared and furnished by the Cabinet for Health *and Family* Services to the Cabinet for Health *and Family* Services not later than one (1) week after the examination is made.

Section 453. KRS 214.175 is amended to read as follows:

- (1) The Cabinet for Health *and Family* Services may conduct periodic anonymous surveys to determine the prevalence within the Commonwealth of drug and alcohol use during pregnancy. These periodic surveys may include, but are not limited to, toxicology tests to determine the presence of alcohol, controlled substances, or other drugs which have not been prescribed due to medical necessity.
- (2) All hospitals and any other health facilities licensed pursuant to KRS Chapter 216B which provide for obstetrical services, including delivery of newborn infants, shall, as a condition of licensure, participate in any periodic surveys conducted by the Cabinet for Health *and Family* Services for the purposes of determining the prevalence of alcohol or other substance abuse among pregnant women and newborn infants.
- (3) Any surveys conducted pursuant to this section shall be conducted according to guidelines established by the Cabinet for Health *and Family* Services. The toxicology test may be performed without a physician's order and without patient or parental consent. For the purpose of this section any toxicology test performed shall be considered medically necessary.
- (4) The results of any individual toxicology tests performed pursuant to this section shall remain confidential and shall only be released to the Cabinet for Health *and Family* Services. Any results shall be collected and compiled in aggregate form without the name of the hospital, patient, or other means of identifying the individual subject of the test.
- (5) No test result obtained pursuant to this section shall be admissible in any court or other hearing as evidence in any proceeding, criminal or civil, against the individual subject of the test.

- (6) No hospital shall incur any liability, except for negligence, for performing any test required or authorized under KRS 214.160 and 214.175 or for reporting the result of the test pursuant to any administrative regulation promulgated by the Cabinet for Health *and Family* Services under KRS Chapter 13A in accordance with this section.
- (7) The cabinet may use any state appropriation and any gifts, grants, or federal funds that become available for the purposes of implementing the provisions of this section.

Section 454. KRS 214.181 is amended to read as follows:

- (1) The General Assembly finds that the use of tests designed to reveal a condition indicative of human immunodeficiency virus (HIV) infection can be a valuable tool in protecting the public health. The General Assembly finds that despite current scientific knowledge that zidovudine (AZT) prolongs the lives of acquired immunodeficiency syndrome victims, and may also be effective when introduced in the early stages of human immunodeficiency virus infection, many members of the public are deterred from seeking testing because they misunderstand the nature of the test or fear that test results will be disclosed without their consent. The General Assembly finds that the public health will be served by facilitating informed, voluntary, and confidential use of tests designed to detect human immunodeficiency virus infection.
- (2) A person who has signed a general consent form for the performance of medical procedures and tests is not required to also sign or be presented with a specific consent form relating to medical procedures or tests to determine human immunodeficiency virus infection, antibodies to human immunodeficiency virus, or infection with any other causative agent of acquired immunodeficiency syndrome that will be performed on the person during the time in which the general consent form is in effect. However, a general consent form shall instruct the patient that, as part of the medical procedures or tests, the patient may be tested for human immunodeficiency virus infection, hepatitis, or any other blood-borne infectious disease if a doctor orders the test for diagnostic purposes. Except as otherwise provided in subsection (5)(c) of this section, the results of a test or procedure to determine human immunodeficiency virus infection, antibodies to human immunodeficiency virus, or infection with any probable causative agent of acquired immunodeficiency syndrome performed under the authorization of a general consent form shall be used only for diagnostic or other purposes directly related to medical treatment.
- (3) In any emergency situation where informed consent of the patient cannot reasonably be obtained before providing health-care services, there is no requirement that a health-care provider obtain a previous informed consent.
- (4) The physician who orders the test pursuant to subsections (1) and (2) of this section, or the attending physician, shall be responsible for informing the patient of the results of the test if the test results are positive for human immunodeficiency virus infection. If the tests are positive, the physician shall also be responsible for either:
  - (a) Providing information and counseling to the patient concerning his infection or diagnosis and the known medical implications of such status or condition; or
  - (b) Referring the patient to another appropriate professional or health-care facility for the information and counseling.
- (5)
  - (a) No person in this state shall perform a test designed to identify the human immunodeficiency virus, or its antigen or antibody, without first obtaining the informed consent of the person upon whom the test is being performed, except as specified in subsections (2) and (3) of this section.
  - (b) No test result shall be determined as positive, and no positive test result shall be revealed to any person, without corroborating or confirmatory tests being conducted.
  - (c) No person who has obtained or has knowledge of a test result pursuant to this section shall disclose or be compelled to disclose the identity of any person upon whom a test is performed, or the results of the test in a manner which permits identification of the subject of the test, except to the following persons:
    - 1. The subject of the test or the subject's legally authorized representative;
    - 2. Any person designated in a legally effective release of the test results executed prior to or after the test by the subject of the test or the subject's legally authorized representative;
    - 3. A physician, nurse, or other health-care personnel who has a legitimate need to know the test result in order to provide for his protection and to provide for the patient's health and welfare;

4. Health-care providers consulting between themselves or with health-care facilities to determine diagnosis and treatment;
5. The cabinet, in accordance with rules for reporting and controlling the spread of disease, as otherwise provided by state law;
6. A health facility or health-care provider which procures, processes, distributes, or uses:
  - a. A human body part from a deceased person, with respect to medical information regarding that person; or
  - b. Semen provided prior to the effective date of this section for the purpose of artificial insemination;
7. Health facility staff committees, for the purposes of conducting program monitoring, program evaluation, or service reviews;
8. Authorized medical or epidemiological researchers who shall not further disclose any identifying characteristics or information;
9. A person allowed access by a court order that is issued in compliance with the following provisions:
  - a. No court of this state shall issue an order to permit access to a test for human immunodeficiency virus performed in a medical or public health setting to any person not authorized by this section or by KRS 214.420. A court may order an individual to be tested for human immunodeficiency virus only if the person seeking the test results has demonstrated a compelling need for the test results which cannot be accommodated by other means. In assessing compelling need, the court shall weigh the need for testing and disclosure against the privacy interest of the test subject and the public interest which may be disserved by disclosure which deters blood, organ, and semen donation and future human-immunodeficiency-virus-related testing or which may lead to discrimination. This paragraph shall not apply to blood bank donor records;
  - b. Pleadings pertaining to disclosure of test results shall substitute a pseudonym for the true name of the subject of the test. The disclosure to the parties of the subject's true name shall be communicated confidentially, in documents not filed with the court;
  - c. Before granting any order, the court shall provide the individual whose test result is in question with notice and a reasonable opportunity to participate in the proceedings if he or she is not already a party;
  - d. Court proceedings as to disclosure of test results shall be conducted in camera, unless the subject of the test agrees to a hearing in open court or unless the court determines that a public hearing is necessary to the public interest and the proper administration of justice;
  - e. Upon the issuance of an order to disclose test results, the court shall impose appropriate safeguards against unauthorized disclosure, which shall specify the persons who may have access to the information, the purposes for which the information shall be used, and appropriate prohibitions on future disclosure.

No person to whom the results of a test have been disclosed shall disclose the test results to another person except as authorized by this subsection. When disclosure is made pursuant to this subsection, it shall be accompanied by a statement in writing that includes the following or substantially similar language: "This information has been disclosed to you from records whose confidentiality is protected by state law. State law prohibits you from making any further disclosure of such information without the specific written consent of the person to whom such information pertains, or as otherwise permitted by state law. A general authorization for the release of medical or other information is NOT sufficient for this purpose." An oral disclosure shall be accompanied by oral notice and followed by a written notice within ten (10) days.

- (6) (a) The Cabinet for Health *and Family* Services shall establish a network of voluntary human immunodeficiency virus testing programs in every county in the state. These programs shall be conducted in each public health department established under the provisions of KRS Chapter 212.

Additional programs may be contracted to other private providers to the extent that finances permit and local circumstances dictate.

- (b) Each public health department shall have the ability to provide counseling and testing for the human immunodeficiency virus to each patient who receives services and shall offer the testing on a voluntary basis to each patient who requests the test.
  - (c) Each public health department shall provide a program of counseling and testing for human immunodeficiency virus infection, on an anonymous or confidential basis, dependent on the patient's desire. If the testing is performed on an anonymous basis, only the statistical information relating to a positive test for human immunodeficiency virus infection shall be reported to the cabinet. If the testing is performed on a confidential basis, the name and other information specified under KRS 214.645 shall be reported to the cabinet. The cabinet shall continue to provide for anonymous testing and counseling.
  - (d) The result of a serologic test conducted under the auspices of the cabinet shall not be used to determine if a person may be insured for disability, health, or life insurance or to screen or determine suitability for, or to discharge a person from, employment. Any person who violates the provisions of this subsection shall be guilty of a Class A misdemeanor.
- (7) No public health department and no other private or public facility shall be established for the primary purpose of conducting a testing program for acquired immunodeficiency syndrome, acquired immunodeficiency syndrome related complex, or human immunodeficiency virus status without first registering with the cabinet, complying with all other applicable provisions of state law, and meeting the following requirements:
- (a) The program shall be directed by a person who has completed an educational course approved by the cabinet in the counseling of persons with acquired immunodeficiency syndrome, acquired immunodeficiency syndrome related complex, or human immunodeficiency virus infection;
  - (b) The program shall have all medical care supervised by a physician licensed under the provisions of KRS Chapter 311;
  - (c) The program shall have all laboratory procedures performed in a laboratory licensed under the provisions of KRS Chapter 333;
  - (d) Informed consent shall be required prior to testing. Informed consent shall be preceded by an explanation of the test, including its purpose, potential uses, and limitations and the meaning of its results;
  - (e) The program, unless it is a blood donor center, shall provide pretest counseling on the meaning of a test for human immunodeficiency virus, including medical indications for the test; the possibility of false positive or false negative results; the potential need for confirmatory testing; the potential social, medical, and economic consequences of a positive test result; and the need to eliminate high-risk behavior;
  - (f) The program shall provide supplemental corroborative testing on all positive test results before the results of any positive test is provided to the patient;
  - (g) The program shall provide post-test counseling, in person, on the meaning of the test results; the possible need for additional testing; the social, medical, and economic consequences of a positive test result; and the need to eliminate behavior which might spread the disease to others;
  - (h) Each person providing post-test counseling to a patient with a positive test result shall receive specialized training, to be specified by regulation of the cabinet, about the special needs of persons with positive results, including recognition of possible suicidal behavior, and shall refer the patient for further health and social services as appropriate;
  - (i) When services are provided for a charge during pretest counseling, testing, supplemental testing, and post-test counseling, the program shall provide a complete list of all charges to the patient and the cabinet; and
  - (j) Nothing in this subsection shall be construed to require a facility licensed under KRS Chapter 333 or a person licensed under the provisions of KRS Chapters 311, 312, or 313 to register with the cabinet if he or she does not advertise or hold himself out to the public as conducting testing programs for human immunodeficiency virus infection or specializing in such testing.

- (8) Any violation of this section by a licensed health-care provider shall be a ground for disciplinary action contained in the professional's respective licensing chapter.
- (9) Except as provided in subsection (6)(d) of this section, insurers and others participating in activities related to the insurance application and underwriting process shall be exempt from this section.
- (10) The cabinet shall develop program standards consistent with the provisions of this section for counseling and testing persons for the human immunodeficiency virus.

Section 455. KRS 214.185 is amended to read as follows:

- (1) Any physician, upon consultation by a minor as a patient, with the consent of such minor may make a diagnostic examination for venereal disease, pregnancy, alcohol or other drug abuse or addiction and may advise, prescribe for, and treat such minor regarding venereal disease, alcohol and other drug abuse or addiction, contraception, pregnancy, or childbirth, all without the consent of or notification to the parent, parents, or guardian of such minor patient, or to any other person having custody of such minor patient. Treatment under this section does not include inducing of an abortion or performance of a sterilization operation. In any such case, the physician shall incur no civil or criminal liability by reason of having made such diagnostic examination or rendered such treatment, but such immunity shall not apply to any negligent acts or omissions.
- (2) Any physician may provide outpatient mental health counseling to any child age sixteen (16) or older upon request of such child without the consent of a parent, parents, or guardian of such child.
- (3) Notwithstanding any other provision of the law, and without limiting cases in which consent may be otherwise obtained or is not required, any emancipated minor or any minor who has contracted a lawful marriage or borne a child may give consent to the furnishing of hospital, medical, dental, or surgical care to his or her child or himself or herself and such consent shall not be subject to disaffirmance because of minority. The consent of the parent or parents of such married or emancipated minor shall not be necessary in order to authorize such care. For the purpose of this section only, a subsequent judgment of annulment of marriage or judgment of divorce shall not deprive the minor of his adult status once obtained. The provider of care may look only to the minor or spouse for payment for services under this section unless other persons specifically agree to assume the cost.
- (4) Medical, dental, and other health services may be rendered to minors of any age without the consent of a parent or legal guardian when, in the professional's judgment, the risk to the minor's life or health is of such a nature that treatment should be given without delay and the requirement of consent would result in delay or denial of treatment.
- (5) The consent of a minor who represents that he may give effective consent for the purpose of receiving medical, dental, or other health services but who may not in fact do so, shall be deemed effective without the consent of the minor's parent or legal guardian, if the person rendering the service relied in good faith upon the representations of the minor.
- (6) The professional may inform the parent or legal guardian of the minor patient of any treatment given or needed where, in the judgment of the professional, informing the parent or guardian would benefit the health of the minor patient.
- (7) Except as otherwise provided in this section, parents, the Cabinet for Health *and Family* Services, or any other custodian or guardian of a minor shall not be financially responsible for services rendered under this section unless they are essential for the preservation of the health of the minor.

Section 456. KRS 214.310 is amended to read as follows:

- (1) Any police officer or member of any municipal board of health, or other city official, who has reason to believe that the provisions of KRS 214.280 to 214.300 have been or are being violated, shall give notice to the Cabinet for Health *and Family* Services.
- (2) Any individual who has reason to believe that the provisions of KRS 214.280 to 214.300 have been or are being violated may present the relevant facts to the board of health or any of its deputies. It shall then be the duty of the board of health to make an investigation of the facts, and if the board is of the opinion that there is or has been a violation it shall prosecute the person guilty thereof.

- (3) Any individual may institute proceedings to enforce KRS 214.280 to 214.300 and to punish violations of their provisions.

Section 457. KRS 214.410 is amended to read as follows:

- (1) "Cabinet" means the Cabinet for Health *and Family* Services; and
- (2) "Sexually transmitted disease" means syphilis, gonorrhea, chancroid, granuloma inguinale, genital herpes, nongonococcal urethritis, mucopurulent cervicitis, acquired immunodeficiency syndrome (AIDS), human immunodeficiency virus (HIV) infection, chlamydia trachomatis infections, and any other sexually transmitted disease designated by the cabinet under the provisions of KRS Chapter 13A.

Section 458. KRS 214.420 is amended to read as follows:

- (1) The General Assembly hereby declares that confidentiality is essential for the proper administration and operation of sexually transmitted disease control activities in this state and that the principle of confidentiality must remain inviolate.
- (2) All information, records, and reports in the possession of local health departments or the Cabinet for Health *and Family* Services and which concern persons infected with or suspected of being infected with or tested for or identified in an epidemiologic investigation for sexually transmitted disease are hereby declared to be strictly confidential and only personnel of local health departments and the Cabinet for Health *and Family* Services who are assigned to sexually transmitted disease control activities shall have access to such information, records, and reports.
- (3) Nothing in this section shall be construed as preventing:
- (a) The release of medical information to the physician retained by the person infected with or suspected of being infected with a sexually transmitted disease;
  - (b) The release of medical or epidemiological data or information for statistical purposes in a manner so that no individual person can be identified;
  - (c) The release of medical information with the written consent of all persons identified in the information to be released;
  - (d) The release of medical or epidemiological information necessary to enforce the provision of the rules and regulations of the Cabinet for Health *and Family* Services, issued pursuant to KRS Chapter 13A, relating to the control and treatment of sexually transmitted disease; and
  - (e) The release of medical information made to medical personnel in a medical emergency to the extent necessary to protect the health or life of the named party.

Section 459. KRS 214.452 is amended to read as follows:

The following policies shall apply to blood establishments and to donors of blood:

- (1) All blood establishments within the Commonwealth shall be licensed by the United States Food and Drug Administration and remain in compliance with all applicable federal regulations. The Cabinet for Health *and Family* Services shall, under administrative regulations promulgated pursuant to KRS Chapter 13A, establish fees necessary to cover the cost of and adhere to a schedule for regular inspection, by the Office of the Inspector General of the Cabinet for Health *and Family* Services, of all blood establishments within the Commonwealth to ascertain whether each blood establishment is licensed and in compliance with KRS 214.450 to 214.464 and KRS 214.468. The Office of the Inspector General shall commence its inspection program of blood establishments no later than September 1, 1994. The Office of the Inspector General of the Cabinet for Health *and Family* Services shall annually, by no later than September 1, submit a written report to the Interim Joint Committee on Health and Welfare on the compliance of blood establishments with KRS 214.450 to 214.464 and KRS 214.468.
- (2) All blood establishments shall test blood for the human immunodeficiency virus and for any known causative agent for any blood-borne communicable disease, using tests approved and required, for purposes of blood donation, by the United States Food and Drug Administration.
- (3) It shall be the duty of the administrator of any blood establishment which collects blood for the purpose of distributing to another health service, health facility, or health-care provider the blood for transfusion to:

- (a) Secure donor consent and a signed written risk factor history and donor consent form for each potential paid or volunteer donor for the purpose of determining if the potential donor is at high risk for infection with the human immunodeficiency virus, or has tested confirmatory positive for infection with the human immunodeficiency virus; or has acquired immune deficiency syndrome; or has tested confirmatory positive for infection with any causative agent for acquired immune deficiency syndrome recognized by the United States Centers for Disease Control; or has a blood-borne communicable disease;
  - (b) Provide a means for a potential donor to self-elect not to donate blood;
  - (c) Refuse donation or sale of blood by persons at high risk for infection with the human immunodeficiency virus, or who have been medically diagnosed as having acquired immune deficiency syndrome, or who have tested confirmatory positive for infection with the human immunodeficiency virus, or who have a blood-borne communicable disease;
  - (d) Post a sign in the blood establishment which is visible to all potential donors and which states: "Persons with acquired immune deficiency syndrome (AIDS), or who have tested confirmatory positive for infection with the human immunodeficiency virus (HIV), or who have a blood-borne communicable disease or who have one (1) or more risk factors for the human immunodeficiency virus as determined by the United States Centers for Disease Control, are prohibited by law from donating or selling blood. Persons violating the law are guilty of a Class D felony. ASK STAFF OF THIS BLOOD ESTABLISHMENT."
- (4) The provisions of this section shall not be construed to impose requirements which are in conflict with donor eligibility requirements set out in United States Food and Drug Administration or American Association of Blood Banks standards.

Section 460. KRS 214.464 is amended to read as follows:

For purposes of this section, the patient's "next of kin" means, in the following order:
    - 1. The spouse of the patient;
