The holder of abandoned property shall maintain its records for a period of five (5) years from the date of its report for items reported in the aggregate. If a person files an action in court claiming any property which has been reported under the provisions of this chapter, the person reporting or holding the property shall be under no duty while the action is pending to turn the property over to the department, but shall have the duty of notifying the department of the pendency of the action.~~
- ~~(4) The person reporting or holding the property or any claimant of it shall always have the right to a judicial determination of his rights under this chapter, and nothing in this chapter shall be construed otherwise. The Commonwealth may institute an action to recover the property presumed abandoned, whether it has been reported or not, and may include in one (1) petition all the property within the jurisdiction of the court in which the action is brought if the property of different persons is set out in separate paragraphs}.~~

CAPITAL PROJECTS BUDGET

(1) **Capital Construction Fund Appropriations and Reauthorizations:** Moneys in the Capital Construction Fund are appropriated for the following capital projects subject to the conditions and procedures in this Act. Items listed without appropriated amounts are previously authorized for which no additional amount is required. These items are listed in order to continue their current authorization into the 2004-2006 fiscal biennium. Unless otherwise specified, reauthorized projects shall conform to the original authorization enacted by the General Assembly.

(2) **Expiration of Existing Line-Item Capital Construction Projects:** All appropriations to existing line-item capital construction projects expire on June 30, 2005, unless reauthorized in this Act with the following exceptions: (a) A construction contract for the project shall have been awarded by June 30, 2005; (b) Permanent financing or a short-term line of credit sufficient to cover the total authorized project scope shall have been obtained in the case of projects authorized for bonds; (c) Grant or loan agreements, if applicable, shall have been finalized and properly signed by all necessary parties; and (d) Any capital construction project authorized pursuant to actions approved by the 2003 General Assembly in House Bill 269 (2003 Ky. Acts ch. 156, Part II, R. Coal Severance Tax Projects), unless otherwise provided for in this Act, is deemed to be reauthorized up to the total amount of receipts allocated to the single county account at the end of fiscal year 2003-2004. Notwithstanding the criteria set forth in this section, the disposition of 2002-2004 biennium nonstatutory appropriated maintenance pools funded from Capital Construction Investment Income shall remain subject to the provisions of KRS 45.770(4)(c) and (d).

(3) **New Bond Projects:** Bond projects authorized for the first time in this Part which have debt service supported by state General Fund appropriations are authorized in the first year of the biennium. Debt service has been included effective July 1, 2005, for those projects that have progressed sufficiently to warrant the immediate sale of bonds, subject to the approval of the State Budget Director and the Secretary of the Finance and Administration Cabinet. The sale of all other bonds to finance the remaining projects shall occur after August 1, 2005.

(4) **Lapse of General Fund Debt Service Appropriations for Canceled Projects:** If any authorized capital construction or major equipment projects are canceled, any General Fund appropriated debt service for those same projects shall lapse to the credit of the General Fund.

(5) **Bond Proceeds Investment Income:** Investment income earned from bond proceeds beyond that which is required to satisfy Internal Revenue Service arbitrage rebates and penalties and excess bond proceeds upon the completion of a bond-financed capital project may be used to pay debt service according to the Internal Revenue Service Code and accompanying regulations. Notwithstanding KRS 48.010(13)(b), 48.720, or any section of this Act, any funds appropriated but not required to pay debt service because of this fund source substitution shall be credited

to the Statewide Deferred Maintenance Fund account each year. Unneeded debt service resulting from any other circumstance shall lapse in accordance with KRS 48.010(13)(b), 48.720, and other provisions of this Act except for the following: if the fund balance in the Emergency Repair, Maintenance, and Replacement Fund falls below \$5,000,000 in fiscal year 2004-2005, any debt service lapse necessary to bring the fund balance to \$5,000,000 in that fiscal year shall be credited to the Emergency Repair, Maintenance, and Replacement Fund. No transfer to the Emergency Repair, Maintenance, and Replacement Fund, or the Statewide Deferred Maintenance Pool Account, shall be made based on the above provisions if the lapse from other General Fund accounts is insufficient to meet appropriations approved in other Parts of this Act.

(6) Appropriations for Projects Not Line-Itemized: Inasmuch as the identification of specific projects in a variety of areas of the state government cannot be ascertained with absolute certainty at this time, amounts are appropriated for specific purposes to projects which are not individually identified in this Act in the following areas: Kentucky Infrastructure Authority Water and Sewer Projects; Repair of State-Owned Dams; Land Acquisition; Property Demolition; Guaranteed Energy Savings projects; Wetland and Stream Mitigation; Phase I Tobacco Settlement Agricultural Development Initiative; Economic Development projects which shall include authorization for the High-Tech Construction Pool and the High-Tech Investment Pool; Military Affairs Various Facilities Deferred Maintenance; Parks Renovation Pool; Education - Various Major Maintenance, Kentucky School for the Deaf; Statewide Repair, Maintenance, and Replacement Pool; Infrastructure projects; Various Projects Pool - KSU; and University Major Items of Equipment Pools. GENERAL PROVISIONS

1. Funds Designations and Sources: Restricted Funds designated in the biennial budget bills are classified in the state financial records and reports as the Agency Revenue Fund, State Enterprise Funds (State Parks, State Fair Board, Insurance Administration, and Kentucky Horse Park), Internal Services Funds (Fleet Management, Computer Services, Correctional Industries, Central Printing, Risk Management, and Property Management), and selected Fiduciary Funds (Other Expendable Trust Funds). Separate funds records and reports shall be maintained in a manner consistent with the branch budget bills.

The sources of Restricted Funds appropriations in this Act shall include all fees (which includes fees for room and board, athletics, and student activities) and rentals, admittances, sales, bond proceeds, licenses collected by law, gifts, subventions, contributions, income from investments, and other miscellaneous receipts produced or received by a budget unit, except as otherwise specifically provided, for the purposes, use, and benefit of the budget unit as authorized by law. Restricted Funds receipts shall be credited and allotted to the respective fund or account out of which a specified appropriation is made in this Act. All receipts of Restricted Funds shall be deposited in the State Treasury and credited to the proper account as provided in KRS Chapters 12, 42, 45, and 48.

The sources of Federal Funds appropriations in this Act shall include federal subventions, grants, contracts, or other Federal Funds received, income from investments, and other miscellaneous federal receipts received by a budget unit, the Unemployment Compensation Fund, except as otherwise provided, for the purposes, use, and benefit of the budget unit as authorized by law. Federal Funds receipts shall be credited and allotted to the respective fund account out of which a specified appropriation is made in this Act. All Federal Funds receipts shall be deposited in the State Treasury and credited to the proper account as provided in KRS Chapters 12, 42, 45, and 48.

2. Expenditure of Excess Restricted Funds or Federal Funds Receipts: If receipts received or credited to the Restricted Funds accounts or Federal Funds accounts of a budget unit during fiscal year 2004-2005 or fiscal year 2005-2006, and any balance forwarded to the credit of these same accounts from the previous fiscal year, exceed the appropriation made by specific sum for these accounts of the budget unit as provided in Part I, Operating Budget,

of this Act, for the fiscal year in which the excess occurs, the excess funds in the accounts of the budget unit shall become available for expenditure for the purpose of the account during the fiscal year only upon compliance with the conditions and procedures specified in KRS 48.400, 48.500, 48.600, 48.605, 48.610, 48.620, 48.630, 48.700, 48.705, 48.710, 48.720, 48.730, 48.800, and 48.810 and this Act, and with the authorization of the State Budget Director and approval of the Secretary of the Finance and Administration Cabinet.

Prior to authorizing the appropriation of any excess, unbudgeted Restricted Funds pursuant to this section, the State Budget Director and the Secretary of the Finance and Administration Cabinet shall review the adequacy of the General Fund Surplus Account with respect to its availability to support Necessary Government Expenses. In the event that General Fund Surplus Account moneys are determined by this review to be adequate to meet known or anticipated Necessary Government Expenses during fiscal year 2004-2005 or fiscal year 2005-2006, respectively, then the appropriation increase may be approved. In the event that the review indicates that there are insufficient funds available or reasonably estimated to become available to the General Fund Surplus Account to meet known or projected Necessary Government Expenses for the fiscal years enumerated above, the State Budget Director, with the concurrence of the Secretary of the Finance and Administration Cabinet, may disapprove the request for additional Restricted Funds expenditure authority and may direct the excess Restricted Funds identified to the General Fund Surplus Account in order to meet Necessary Government Expense obligations. The results of any review shall be reported to the Interim Joint Committee on Appropriations and Revenue in accordance with KRS 48.400, 48.500, 48.600, 48.605, 48.610, 48.620, 48.630, 48.700, 48.705, 48.710, 48.720, 48.730, 48.800, and 48.810.

PART VI

GENERAL FUND BUDGET REDUCTION PLAN

Pursuant to KRS 48.130 and 48.600, a General Fund Budget Reduction Plan is enacted for state government in the event of an actual or projected deficit in estimated General Fund revenue receipts of \$7,449,855,500 in fiscal year 2004-2005 and \$7,825,036,700 in fiscal year 2005-2006 as modified by related Acts and actions of the General Assembly in an extraordinary or regular session. Direct services, obligations essential to the minimum level of constitutional functions, and other items that may be specified in this Act, are exempt from the requirements of this Plan. Each branch head shall prepare a specific plan to address a proportionate share of the General Fund revenue shortfall applicable to the respective branch. No budget revision action shall be taken by a branch head in excess of the actual or projected deficit.

The Governor, the Chief Justice, and the Legislative Research Commission shall direct and implement reductions in allotments and appropriations only for their respective branch budget units as may be necessary as well as take other measures which shall be consistent with the provisions of this Part and general branch budget bills.

In the event of a revenue shortfall under the provisions of KRS 48.120, General Fund budget reduction actions shall be implemented in the following sequence:

(1) The Local Government Economic Assistance and the Local Government Economic Development Funds shall be adjusted by the Secretary of the Finance and Administration Cabinet to equal revised estimates of receipts pursuant to KRS 42.4582 as modified by the provisions of this Act.

(2) Transfers of excess unappropriated and unbudgeted Restricted Funds other than fiduciary funds shall be applied as determined by the head of each branch for its respective budget units.

(3) Excess General Fund appropriations which accrue as a result of personnel vacancies and turnover, and reduced requirements for operating expenses, grants, and capital outlay shall be determined and applied by the heads of the executive, judicial, and legislative departments of state government for their respective branches. The branch heads shall certify the available amounts which shall be applied to budget units within the respective branches and shall promptly transmit the certification to the Secretary of the Finance and Administration Cabinet and the Legislative Research Commission. The Secretary of the Finance and Administration Cabinet shall execute the certified actions as transmitted by the branch heads.

Branch heads shall take care, by their respective actions, to protect, preserve, and advance the fundamental health, safety, legal and social welfare, and educational well-being of the citizens of the Commonwealth.

(4) Funds available in the Budget Reserve Trust Fund shall be applied in an amount not to exceed 25 percent of the trust fund balance in fiscal year 2004-2005 and 50 percent of the trust fund balance in fiscal year 2005-2006.

(5) Notwithstanding KRS 48.130 and 48.600, if the actions contained in subsections (1) to (4) of this section are insufficient to eliminate an actual or projected revenue shortfall in the enacted General Fund revenue receipts, then the Governor is empowered and directed to take necessary actions with respect to the Executive Branch budget units to balance the budget by such actions conforming with the criteria expressed in this Part.

PART VII

GENERAL FUND SURPLUS EXPENDITURE PLAN

(1) Pursuant to KRS 48.700 and notwithstanding KRS 48.140, there is established a plan for the expenditure of General Fund surplus moneys pursuant to a General Fund Surplus Expenditure Plan contained in this Part for fiscal years 2004-2005 and 2005-2006. Pursuant to the enactment of the Surplus Expenditure Plan, General Fund moneys in the General Fund undesignated fund balance in excess of the amount specified in Part III, General Provisions, Section 45, of this Act are appropriated to the following: (a) Increased funding necessary to increase certified classroom teacher salaries to the average level of the contiguous states; (b) Additional funding to public education (P-16) necessary to return base appropriations to the pre-Budget Reduction Order/Stability Initiative of fiscal year 2003-2004; (c) The amount of a funding shortage in the Medicaid program not susceptible to timely or sufficient management control or adjustment as certified as to necessity and amount by the Secretary of the Health and Family Services Cabinet and approved by the State Budget Director; (d) Necessary Government Expenses including, but not limited to, Emergency Orders formally declared by the Governor in an Executive Order; and (e) Increased support to the Budget Reserve Trust Fund up to an amount necessary to provide a balance equaling 1.5 percent of estimated General Fund revenues for fiscal year 2005-2006.

(2) The Secretary of the Finance and Administration Cabinet shall determine, within 30 days after the close of the fiscal year 2004-2005, and the close of fiscal year 2005-2006, based on the official financial records of the Commonwealth, the amount of actual General Fund undesignated fund balance for the General Fund Surplus Account that may be available for expenditure pursuant to the Plan respectively in fiscal year 2004-2005 and fiscal year 2005-2006. The Secretary of the Finance and Administration Cabinet shall certify the amount of actual General Fund undesignated fund balance available for expenditure to the Legislative Research Commission.

Subsequent to June 30, 2004, funds that are certified as being available in the actual General Fund undesignated fund balance for the General Fund Surplus Account are appropriated for expenditure in fiscal year 2004-2005 pursuant to the Plan.

PART VIII

ROAD FUND BUDGET REDUCTION PLAN

There is established a Road Fund Budget Reduction Plan for fiscal year 2004-2005 and fiscal year 2005-2006. Notwithstanding KRS 48.130, in the event of an actual or projected shortfall in estimated Road Fund revenue receipts of \$1,142,714,600 in fiscal year 2004-2005 and \$1,155,969,200 in fiscal year 2005-2006 as determined by KRS 48.120(3), the Governor shall implement sufficient reductions as may be required to protect the highest possible level of service. No budget revision action shall be taken in excess of the actual or projected deficit.

PART IX**ROAD FUND SURPLUS EXPENDITURE PLAN**

Notwithstanding KRS 48.140 and pursuant to KRS 48.710, there is established a plan of expenditures from the Road Fund Surplus Account. All moneys in the Road Fund Surplus Account shall be deposited in the State Construction Account and utilized to support projects in the fiscal biennium 2004-2006 Biennial Highway Construction Program.

PART X**PHASE I TOBACCO SETTLEMENT**

(1) **General Purpose:** This Part of the Act prescribes the policy implementing aspects of the national settlement agreement between the tobacco industry and the collective states as described in KRS 248.701 to 248.727. In furtherance of that agreement, the General Assembly recognizes that the Commonwealth of Kentucky is a party to the Phase I Master Settlement Agreement (MSA) between the Participating Tobacco Manufacturers and 46 Settling States which provides reimbursement to states for smoking-related expenditures made over time.

(2) **State's MSA Share:** The Commonwealth's share of the MSA is equal to 1.7611586 percent of the total settlement amount. Payments under the MSA are made to the states annually in April of each year.

(3) **MSA Payment Amount Variables:** The total settlement amount to be distributed each payment date is subject to change pursuant to several variables provided in the MSA, including inflation adjustments, volume adjustments, previously settled states adjustments, and the nonparticipating manufacturers adjustment.

(4) **Distinct Identity of MSA Payment Deposits:** The General Assembly has determined that it shall be the policy of the Commonwealth that all Phase I Tobacco Settlement payments shall be deposited to the credit of the General Fund and shall maintain a distinct identity as Phase I Tobacco Settlement payments that shall not lapse to the credit of the General Fund surplus, but shall continue forward from each fiscal year to the next fiscal year to the extent that any balance is unexpended.

(5) **MSA Payment Estimates and Adjustments:** Based on the current estimates as reviewed by the Consensus Revenue Forecasting Group, the amount of MSA payments expected to be received in fiscal year 2004-2005 is \$108,800,000 and in fiscal year 2005-2006 is \$108,600,000. It is recognized that payments to be received by the Commonwealth are estimated and are subject to change. Any appropriations made from the estimated receipts are subject to adjustments based on actual receipts as received and certified by the Secretary of the Finance and Administration Cabinet.

a. **State Enforcement:** Notwithstanding KRS 248.654, a total of \$175,000 of the MSA payments received each fiscal year of the 2004-2006 biennium is appropriated to the Finance and Administration Cabinet, Department of Revenue for the state's enforcement of noncompliant nonparticipating manufacturers.

b. **Agricultural Development Initiatives:** Fifty percent of the MSA payments, less the above enforcement appropriations, received in fiscal year 2004-2005, estimated to be \$54,312,500, and in fiscal year 2005-2006, estimated to be \$54,212,500, is appropriated to the Kentucky Agricultural Development Fund to be used for agricultural development initiatives.

c. **Early Childhood Development Initiatives:** Twenty-five percent of the MSA payments, less the above enforcement appropriations, received in fiscal year 2004-2005, estimated to be \$27,156,200, and in fiscal year 2005-2006, estimated to be \$27,106,200, is appropriated for Early Childhood Development Initiatives as specified below.

d. **Health Care Initiatives:** Twenty-five percent of the MSA payments received, less the above enforcement appropriations, in fiscal year 2004-2005, estimated to be \$27,156,300, and in fiscal year 2005-2006, estimated to be \$27,106,300, is appropriated to the Kentucky Health Care Improvement Fund for health care initiatives as specified below.

~~(4)~~~~(3)~~ Effective with the calendar quarter beginning July 1, 1980, the cabinet shall determine on a consistent basis the average wholesale price for each calendar quarter, on the basis of sales data accumulated for the first month of the preceding quarter. Notification of the average wholesale price shall be given to all licensed dealers at least twenty (20) days in advance of the first day of each calendar quarter.

~~(5)~~~~(4)~~ Dealers with a tax-paid gasoline or special fuel inventory at the time an average wholesale price becomes effective, shall be subject to additional tax or appropriate tax credit to reflect the increase or decrease in the average wholesale price for the new quarter. The cabinet shall promulgate such rules and regulations to properly administer this provision.

Notwithstanding the foregoing two and one-half percent (2.5%) limitation, any unused inducements as set forth in KRS 148.851(9) from a previous year may be carried forward to any succeeding year during the term of the agreement until the entire twenty-five percent (25%) of the approved costs have been received through sales tax refunds.
- (4) *Notwithstanding subsection (3) of this section, to the extent that the tourism attraction defined in KRS 148.851 includes a lodging facility located on recreational property owned or leased by the Commonwealth or federal government and the facilities have received prior approval from the appropriate state or federal agency, the total sales tax refund allowed to the approved company over the term of the agreement shall be the lesser of the total amount of sales tax liability or fifty percent (50%) of the approved costs. The sales tax refund shall accrue over the term of the agreement in an annual amount equal to five percent (5%) of the approved cost.*

Notwithstanding the foregoing five percent (5%) limitation, any unused inducements as set forth in KRS 148.851(9) from a previous year may be carried forward to any succeeding year during the term of the agreement until the entire fifty percent (50%) of the approved costs have been received through the sales tax refunds.

- (5) By October 1 of each year the Revenue Cabinet shall certify to the authority and the secretary of the Tourism Development Cabinet for the preceding fiscal year for all approved companies for which sales tax returns were filed with respect to a tourism attraction project, the sales tax liability of the approved companies receiving inducements under this section and KRS 148.851 to 148.860, and their lessees, and the amount of the sales tax refunds issued pursuant to ~~subsections~~~~subsection~~ (1) and (4) of this section.
- ~~(6)(4)~~ Interest shall not be allowed or paid on any refund made under the provisions of this section.
- ~~(7)(5)~~ The Revenue Cabinet may promulgate administrative regulations and require the filing of forms designed by the Revenue Cabinet to reflect the intent of this section and KRS 148.851 to 148.860.

Section 2. KRS 148.859 is amended to read as follows:

- (1) The authority, upon adoption of its final approval, may enter into with any approved company an agreement with respect to its tourism attraction project. The terms and provisions of each agreement shall include, but not be limited to:
- (a) The amount of approved costs, which shall be determined by negotiations between the authority and the approved company. Any increase in approved costs incurred by the approved company and agreed to by the authority shall apply retroactively for purposes of calculating the carry forward for unused inducements as set forth in KRS 139.536(3) and (4) for tax years commencing on or after July 1, 2004;
 - (b) A date certain by which the approved company shall have completed the tourism attraction project. Upon request from any approved company that has received final approval prior to or after July 15, 2000, the authority shall grant an extension or change, which in no event shall exceed three (3) years from the date of final approval, to the completion date as specified in the agreement of an approved company. Within three (3) months of the completion date, the approved company shall document the actual cost of the project through a certification of the costs to be provided by an independent certified public accountant acceptable to the authority;
 - (c) The following provisions:
 1. The term shall be ten (10) years from the later of:
 - a. The date of the final approval of the project; or
 - b. The original completion date specified in the agreement, if this completion date is within three (3) years of the date of the final approval of the project. An extension of the original completion date shall not alter the commencement date of the term;
 2. Within forty-five (45) days after the end of each fiscal year of the approved company, during the term of the agreement, the approved company shall supply the authority with such reports and certifications as the authority may request demonstrating to the satisfaction of the authority that the approved company is in compliance with the provisions of KRS 139.536 and KRS 148.851 to 148.860. Based upon a review of these materials and other documents that may be made available, the authority shall then certify to the Revenue Cabinet that the approved company is in compliance with this section; and
 3. The approved company shall not receive a sales tax refund as prescribed by KRS 139.536 with respect to any fiscal year if:
 - a. In any year following the fourth year of the agreement, the tourism attraction project fails to attract at least twenty-five percent (25%) of its visitors from among persons who are not residents of the Commonwealth, except for a theme restaurant destination attraction, which shall attract a minimum of fifty percent (50%) of its visitors from among persons who are not residents of the Commonwealth; or
 - b. In any year following the first year of the agreement, the tourism attraction project is not operating and open to the public for at least one hundred (100) days; and

- (d) Upon request from an approved company that has completed at least fifty percent (50%) of an entertainment destination center, the authority shall grant an extension of up to three (3) years to the completion date specified in the agreement of the approved company, in addition to the extension provided for in paragraph (b) of this subsection. In no event shall the completion date be more than six (6) years from the date of final approval. The extension provided for in this paragraph shall be subject to the following conditions:
1. The approved company shall have spent or have contractually obligated to spend an amount equal to or greater than the amount of approved costs set forth in the initial agreement;
 2. The term of the agreement shall not be extended; and
 3. The scope of the entertainment destination center, as set forth in the initial agreement, shall not be altered to include new or additional entertainment and leisure options.
- (2) The agreement shall not be transferable or assignable by the approved company without the written consent of the authority.
- (3) In consideration of the execution of the agreement as defined in KRS 148.851 and notwithstanding any provision of KRS 139.770 to the contrary, the approved company as defined in KRS 148.851 excluding its lessees, may be granted a sales tax refund under KRS 139.536 from the Kentucky sales tax imposed by KRS 139.200 on the sales generated by or arising at the tourism attraction project as defined in KRS 148.851.

A stamp shall be affixed to each package of an aggregate denomination not less than the amount of the tax *on the package* ~~upon the contents thereof~~. The *affixed stamp* ~~so affixed~~ shall be prima facie evidence of payment of tax. Unless ~~such~~ stamps have been previously affixed, they shall be ~~so~~ affixed by each resident wholesaler prior to the delivery of any cigarettes to a retail location or any person in this state. The evidence of tax payment shall be affixed to each individual package of cigarettes by a nonresident wholesaler prior to the introduction or importation of the cigarettes into the territorial limits of this state. The evidence of tax payment shall be affixed by an unclassified acquirer within twenty-four (24) hours after the cigarettes are received by *the unclassified acquirer* ~~him~~.

The cabinet shall maintain for at least three (3) years information identifying the person that affixed the cigarette tax evidence to each package of cigarettes. This information shall not be kept confidential or exempt from disclosure to the public through open records.

No compensation shall be allowed for tax evidence purchased at face value attributable to the tax assessed in subsection (2) of Section 1 of this Part.* The cabinet shall have the power to withhold compensation from any licensed wholesaler for failure to abide by any provisions of KRS 138.130 to 138.205 or any regulations promulgated thereunder. Any refund or credit for unused cigarette tax evidence shall be reduced by the amount allowed as compensation at the time of purchase.
- (5) No tax evidence may be affixed, or used in any way, by any person other than the person purchasing *the* ~~such~~ evidence from the cabinet. ~~Such~~ Tax evidence may not be transferred or negotiated, and may not, by any scheme or device, be given, bartered, sold, traded, or loaned to any other person. Unaffixed tax evidence may be returned to the cabinet for credit or refund for any reason satisfactory to the cabinet.
