Each beneficiary agency shall execute and deliver to the Commonwealth its written assurances, which shall be binding on the agencies' successors and assigns, guaranteeing that during its estimated useful life, the capital project shall be operated and maintained for public purposes and pledging that no mortgage or other encumbrances shall be placed against any capital project wholly financed out of the fund, except industrial development projects, for the breach of which assurances the Commonwealth shall have right of entry to the capital project and the beneficiary agency, or its successors and assigns, shall forthwith convey the title to the capital project to the Commonwealth. Similar assurances shall be executed and delivered to the Commonwealth by the beneficiary agencies of capital projects financed in part out of the fund and in part from other sources, except that when additional funding is derived from the issuance and sale of revenue bonds or under other statutorily authorized financing methods, to secure the repayment of which funds a statutory mortgage lien is granted in favor of any person or group of persons, the capital project may be encumbered to the extent authorized or required by the law under which the financing method was undertaken; nor shall anything in this section prohibit the encumbrance of any real property located within an industrial park or constituting an industrial site, developed or improved as a capital project under KRS 42.350 and this section, by any person, firm, company, partnership, or corporation to which the property has been conveyed, to obtain financing for the construction upon the property of industrial and commercial buildings. The successor shall have the fees, claims and accounts collected, or the ***Governor's Office for Local Development***~~Department for Local Government~~ may, in its discretion, when said accounts, fees and claims are so delivered to the successor, appoint a person to collect them. If a collector is appointed, the successor shall at once, or when demanded by the collector, deliver to him all accounts, fees and claims uncollected. The successor or collector, as the case may be, shall, every sixty (60) days after receiving the accounts, fees, and claims, report to the ***Governor's Office for Local Development***~~Department for Local Government~~, under oath, the amount collected thereon, and at the same time pay to the ***Governor's Office for Local Development***~~Department for Local Government~~ the amount so collected, and shall continue to so report for three (3) years, unless the accounts, fees and claims are sooner collected.
- (2) The ***Governor's Office for Local Development***~~Department for Local Government~~ shall, upon each payment, draw a warrant on the State Treasurer in favor of the person collecting, for an amount equal to twenty percent (20%) of the amount so paid in, which shall be the full compensation allowed for the collection.
- (3) If the amount paid to any clerk during his term or incumbency was not sufficient to pay the salaries and office expenses of the clerk, the ***Governor's Office for Local Development***~~Department for Local Government~~ shall, out of the money collected and paid in as provided in subsection (1) of this section, pay to the clerk, or to the person entitled to receive the same, an amount sufficient to supply the deficit due for salaries and expenses, not

exceeding seventy-five percent (75%) of the amount of fees accrued during his official term and which have been collected and paid to the ***Governor's Office for Local Development***~~{Department for Local Government}~~.

Section 36. KRS 64.480 is amended to read as follows:

- (1) Effective, with respect to the offices of Governor on December 11, 1979, and Lieutenant Governor on the fifth Tuesday following the regular November election in 1975, and with respect to the other offices named in this section on the first Monday in January, 1976, the compensation of the following named officers, payable monthly out of the State Treasury, shall be the sum per annum designated for the respective offices, as follows: Governor, forty-five thousand dollars (\$45,000) until December 11, 1981, then fifty thousand dollars (\$50,000) until December 13, 1983, and then sixty thousand dollars (\$60,000) until January 1, 1985; Lieutenant Governor, twenty-seven thousand nine hundred dollars (\$27,900) per annum, plus any compensation received while acting in the place of the Governor; Attorney General, Commissioner of Agriculture, Secretary of State, State Treasurer, Auditor of Public Accounts, and clerk of the Supreme Court of Kentucky elected in November, 1975, as clerk of the Court of Appeals, twenty-seven thousand nine hundred dollars (\$27,900).
- (2) In order to equate or adjust the compensation of the Lieutenant Governor, Attorney General, Commissioner of Agriculture, Secretary of State, State Treasurer, Auditor of Public Accounts, and clerk of the Supreme Court of Kentucky with the purchasing power of the 1949 dollar, the ***Governor's Office for Local Development***~~{Department for Local Government}~~ of Kentucky shall compute by the second Friday in February of every year, beginning in 1977, the maximum permissible compensation of the officials mentioned in this subsection based precisely upon the consumer price index formula approved in *Matthews v. Allen*, Kentucky, 360 S.W.2d 139 (1962). Thus the maximum permissible compensation effective for the entire year of 1977 and subsequent years will be the actual compensation to be paid said officials. The year of adjustment will be the particular full calendar year involved.
- (3) It is the intention of the Legislature that the constitutionally permissible adjustment of salaries of these officials be framed around equating current salaries with the purchasing power of the dollar in 1949 when Section 246 of the Constitution of Kentucky was amended. Section 246 of the Constitution of Kentucky, as amended, established a monetary level of twelve thousand dollars (\$12,000) per annum for said officials. The formula merely effects an adjustment of the constitutional monetary level in terms of the current consumer price index.
- (4) In order to adjust the compensation of the Governor to reflect changes in the purchasing power of the dollar, the ***Governor's Office for Local Development***~~{Department for Local Government}~~ shall compute by the second Friday in February of every year, beginning in 1985, an adjusted salary of the Governor by multiplying sixty thousand dollars (\$60,000) by the increase in the consumer price index during the period from January 1, 1984, to the beginning of the then-current calendar year. The actual compensation paid to the Governor for the entire calendar year of 1985 and subsequent years shall be the adjusted salary.

Section 37. KRS 64.527 is amended to read as follows:

In order to equate the compensation of jailers who do not operate full service jails, constables in counties having an urban-county form of government, justices of the peace, county commissioners, and coroners with the purchasing power of the dollar, the ***Governor's Office for Local Development***~~{Department for Local Government}~~ shall compute by the second Friday in February of every year the annual increase or decrease in the consumer price index of the preceding year by using 1949 as the base year in accordance with Section 246 of the Constitution of Kentucky which provides that the above elected officials shall be paid at a rate no greater than seven thousand two hundred dollars (\$7,200) per annum. The ***Governor's Office for Local Development***~~{Department for Local Government}~~ shall notify the appropriate governing bodies charged by law to fix the compensation of the above elected officials of the annual rate of compensation to which the elected officials are entitled in accordance with the increase or decrease in the consumer price index.
