 - (k) Establish by administrative regulation the policy, guidelines, and procedures to perform financial audits of any petroleum storage tank owner or operator receiving reimbursement from the fund or any entity contracting or subcontracting to provide corrective action services for facilities eligible for fund reimbursement. Financial audits shall be limited to those files, records, computer records, receipts, and other documents related to corrective action performed at a facility where the costs of corrective action have been reimbursed by the fund. Files, records, computer records, receipts, and other documents related to corrective action reimbursed by the fund shall be subject to a financial audit for a period of three (3) years after the date of final reimbursement from the fund. Refusal to allow entry and inspection of a facility or refusal to allow the division to collect or split samples shall make the facility ineligible for fund participation;
 - (m) Have inspectors on site at all tank system removals. Failure to comply with this provision shall make the facility ineligible for fund participation. A petroleum storage tank owner or operator may request through certified mail that the division schedule an inspector to be present at an upcoming tank removal. If the request is made at least two (2) weeks before the time for the removal and an inspector fails to be present at the time scheduled, the tank removal may proceed without making the facility ineligible for fund participation unless the owner is notified by the division no later than ten (10) days prior to the proposed date that an inspector is not available on the proposed date, in which event a representative of the division shall contact the operator and schedule a new date. If no inspector is present at the rescheduled date, the removal may then proceed without penalty; and
 - (n) Establish that the deadline for submission of final reimbursement requests under the petroleum storage tank account is two (2) years after receipt of a no further action letter.
- (2) The division may advise the cabinet on the promulgation of administrative regulations concerning petroleum storage tanks.
 - (3) The division may sue and be sued in its own name.
 - (4) The division may transfer funds from the petroleum storage tank account to the small operator tank removal account as needed to satisfy the obligations, future liabilities, and expenses necessary to operate that account. The division may transfer funds to the financial responsibility account as needed to maintain within that account sufficient funds to demonstrate financial responsibility and to ensure payment of claims as provided in subsection (1)(c) of this section.

- (1) This subchapter shall be known as the "Incentives for Energy Independence Act."
- (2) The General Assembly hereby finds and declares that it is in the best interest of the Commonwealth to induce the location of innovative energy-related businesses in the Commonwealth in order to advance the public purposes of achieving energy independence, creating new jobs and new investment, and creating new sources of tax revenues that but for the inducements to be offered by the authority to approved companies would not exist.
- (3) The purpose of this subchapter is to assist the Commonwealth in moving to the forefront of national efforts to achieve energy independence by reducing the Commonwealth's reliance on imported energy resources. The provisions of this subchapter seek to accomplish this purpose by providing incentives for companies that, in a carbon capture ready manner, construct, retrofit, or upgrade facilities for the purpose of:
 - (a) Increasing the production and sale of alternative transportation fuels;
 - (b) Increasing the production and sale of synthetic natural gas, chemicals, chemical feedstocks, or liquid fuels, from coal, biomass resources, or waste coal through a gasification process;
 - (c) ***Increasing the production and sale of energy-efficient alternative fuels; or***
 - ~~(d)(e)~~ Generating electricity for sale through alternative methods such as solar power, wind power, biomass resources, landfill methane gas, hydropower, or other similar renewable resources.
- (4) To qualify for the incentives provided in this subchapter, the following requirements shall be met:
 - (a) For an alternative fuel facility or gasification facility that uses oil shale, tar sands, or coal as the primary feedstock, the minimum capital investment shall be one hundred million dollars (\$100,000,000);

- (5) The incentives under the Incentives for Energy Independence Act are as follows:
 - (a) An advance disbursement of post-construction incentives for which an approved company has been approved, the maximum amount of which is based upon the estimated labor component of the total capital investment of the eligible project, and the utilization of Kentucky residents during the construction period as set forth in KRS 154.27-090;
 - (b) Sales and use tax incentives of up to one hundred percent (100%) of the taxes paid on purchases of tangible personal property made to construct, retrofit, or upgrade an eligible project, as set forth in KRS 139.517 and 154.27-070;
 - (c) Up to eighty percent (80%) of the severance taxes paid on the purchase or severance of coal that is subject to the tax imposed under KRS 143.020 and that is specifically used by an alternative fuel facility, ***energy-efficient alternative fuel facility***, or a gasification facility as feedstock for an eligible project, as set forth in KRS 143.024 and 154.27-060;

 2. Who is employed by the approved company to work at the facility; and
 3. Who is on the payroll of the approved company or an affiliate of the approved company;
 as set forth in KRS 154.27-080.

- (6) The maximum recovery from all incentives approved under this subchapter for an eligible project shall not exceed fifty percent (50%) of the capital investment in the eligible project.
- (7) The incentives available to an approved company shall be negotiated with and approved by the authority.
- (8) If a newly constructed facility that qualifies for incentives under this subchapter is later upgraded or retrofitted in a manner that would qualify for incentives under this subchapter, the retrofit or upgrade shall be a separate eligible project, and the minimum investment requirements and carbon capture readiness requirements, if required, shall be met for the retrofit or upgrade to qualify for incentives under this subchapter.
- (9) The General Assembly finds that the authorities granted by this subchapter are proper governmental and public purposes for which public moneys may be expended.

➔Section 3. KRS 45A.080 is amended to read as follows:

- (1) Contracts exceeding the amount provided by KRS 45A.100 shall be awarded by competitive sealed bidding, ***which may include the use of a reverse auction***, unless it is determined in writing that this method is not practicable. Factors to be considered in determining whether competitive sealed bidding is not practicable shall include:

 - (b) The available sources, the time and place of performance, and other relevant circumstances as are appropriate for the use of competitive sealed bidding.
- (2) The invitation for bids shall state that awards shall be made on the basis of best value. ➔Section 4. KRS 45A.085 is amended to read as follows:

- (3) Contracts other than contracts for projects utilizing an alternative project delivery method under KRS 45A.180 may be competitively negotiated when it is determined in writing by the purchasing officer that the bids received by competitive sealed bidding either are unreasonable as to all or part of the requirements, or were not independently reached in open competition, and for which each competitive bidder has been notified of the intention to negotiate and is given reasonable opportunity to negotiate.
- (4) Contracts for projects utilizing an alternative project delivery method shall be processed in accordance with KRS 45A.180.

Discussions shall not disclose any information derived from proposals submitted by competing offerors. Discussions need not be conducted:

- (b) Where time of delivery or performance will not permit discussions; or
- (c) Where it can be clearly demonstrated and documented from the existence of adequate competition or prior experience with the particular supply, service, or construction item, that acceptance of an initial offer without discussion would result in fair and reasonable best value procurement, and the request for proposals notifies all offerors of the possibility that award may be made on the basis of the initial offers.

➔Section 5. KRS 45A.100 is amended to read as follows:

- (1) Procurements may be made in accordance with small purchase administrative regulations promulgated by the secretary of the Finance and Administration Cabinet, pursuant to KRS Chapter 13A, as follows:

- (3) The secretary of the Finance and Administration Cabinet may grant to any state agency with a justifiable need a delegation of small purchasing authority which exceeds the agency's small purchase limit provided in subsection (1) of this section. Delegations of small purchasing authority shall be granted or revoked by the secretary of the Finance and Administration Cabinet, in accordance with administrative regulations promulgated by the cabinet pursuant to KRS Chapter 13A. These administrative regulations shall establish, at a minimum, the criteria for granting and revoking delegations of small purchasing authority, including the requesting agency's past compliance with purchasing regulations, the level of training of the agency's purchasing staff, and the extent to which the agency utilizes the Kentucky Automated Purchasing System. The administrative regulations may permit the secretary of the Finance and Administration Cabinet to delegate small purchase procurements up to the maximum amount specified in subsection (1)(b) of this section.

- (2) The invitation for bids shall state that the award shall be made on the basis of the lowest bid price or the lowest evaluated bid price. If the latter is used, the objective measurable criteria to be utilized shall be set forth in the invitation for bids.
- (3) Adequate public notice of the invitation for bids ***and any reverse auction*** shall be given prior to the date set forth for the opening of bids. The notice may include posting on the Internet or publication in a newspaper of general circulation in the local jurisdiction not less than seven (7) days before the date set for the opening of the bids ***and any reverse auction***. The public notice shall include the time and place the bids will be opened and the time and place where the specifications may be obtained.
- (4) The bids shall be opened publicly ***or entered through a reverse auction*** at the time and place designated in the invitation for bids. Each ***written or reverse auction*** bid, together with the name of the bidder, shall be recorded and be open to public inspection. Electronic bid opening and posting of the required information for public viewing shall satisfy the requirements of this subsection.

➔Section 8. KRS 45A.370 is amended to read as follows:

- (1) A local public agency may contract or purchase through competitive negotiation, ***which may include a reverse auction***, upon a written finding that:

 - (b) Sealed bidding is inappropriate because the available sources of supply are limited, the time and place of performance cannot be determined in advance, the price is regulated by law, or a fixed price contract is not applicable; or
 - (c) The bid prices received through sealed bidding are unresponsive or unreasonable as to all or part of the requirements, or are identical or appear to have been the result of collusion; provided each responsible bidder is notified of the intention to negotiate and is given a reasonable opportunity to negotiate, and the negotiated price is lower than the lowest rejected bid by any responsible bidder.
- (2) Proposals shall be solicited through public notice pursuant to KRS 45A.365(3) or any other means which can be demonstrated to notify an adequate number of qualified sources to permit reasonable competition consistent with the nature and requirement of the procurement. The request for proposals shall indicate the factors to be considered in the evaluation and the relative importance of each factor, ***and the procedures to be followed if a reverse auction is used in the procurement***.

- (3) Written or oral discussions shall be conducted with all responsible offerors who submit proposals determined in writing to be reasonably susceptible of being selected for award. Discussions shall not disclose any information derived from proposals submitted by competing offerors. Discussions need not be conducted:
 - (a) With respect to prices, where such prices are fixed by law, ~~law~~ regulation, **or reverse auction**, except that consideration shall be given to competitive terms and conditions; or
 - (b) Where time of delivery or performance will not permit discussions; or
 - (c) Where it can be clearly demonstrated and documented from the existence of adequate competition or accurate prior cost experience with that particular supply, service, or construction item that acceptance of an initial offer without discussion would result in fair and reasonable prices and the request for proposal notifies all offerors of the possibility that award may be made on the basis of initial offers.
- (4) If discussions pertaining to the revision of the specifications or quantities are held with any potential offeror, all other potential offerors shall be afforded an opportunity to take part in such discussions. A request for proposals based on revised specifications or quantities shall be issued as promptly as possible, shall provide for an expeditious response to the revised requirements and shall be awarded upon the basis of the lowest bid price or lowest evaluated bid price submitted by any responsive and responsible offeror. No discussion shall be conducted with offerors after submission of revised proposals except for a compelling reason as determined in writing by the local public agency. The request for proposals shall state that an award is to be made without discussion except as herein provided.
- (5) Award shall be made to the responsible offeror whose proposal is determined in writing to be the most advantageous to the local public agency based upon the evaluation factors set forth in the request for proposals.

CHAPTER 66

(HJR 192)

A JOINT RESOLUTION supporting the restoration and management of the Brush Mountain Trail.

WHEREAS, in 1845, Kentucky Governor William Owsley granted 500 acres of land to the Bales brothers, at the headwaters of Martin's Fork and Shillalah Creek, a plateau atop Cumberland Mountain in Harlan and Bell counties. In May, 1903, the Hensley family purchased the property and in 1904, began to build a pioneer community known as the Hensley Settlement in the Cumberland Gap near Brush Mountain. The community, which had no electricity, plumbing nor paved roads into and out of the community, transported all their goods either by foot, or on mule or horseback for the next 50 years; and

WHEREAS, in 1940 Congress authorized the Cumberland Gap National Historical Park, mandating that the region's nationally significant historical and natural resources, such as prehistoric and historic trails, and other features, be preserved. Congress further authorized the Secretary of the Interior to accept donations of land and other property within boundaries of the park. In 1950, the Kentucky National Park Commission filed action against Sherman Hensley and other relatives to transfer the Hensley Settlement lands by condemnation to the Commission for a payment of \$3,750, to insure that these lands would be donated to become part of the national historical park. Because of subsequent lack of funding, in 1960, the National Park Service designated only a portion of Hensley Settlement. The remaining areas adjacent to the national historical park are held in public trust by the Kentucky Division of Water, the Kentucky State Nature Preserves Commission and the Kentucky Department of Fish and Wildlife Resources; and

WHEREAS, in 2005, the Harlan County Fiscal Court authorized formation of the Harlan County Outdoor Recreation Board Authority to promote and develop outdoor recreation and adventure tourism, including equine-based tourism, to improve the county's economic viability in the best long-term interests of the people and the county's economic, cultural, historic and natural resources; and

WHEREAS, the Brush Mountain Trail, which begins in Harlan County and continues along the boundary of the Martin's Fork State Natural Area and Wildlife Management Area, is owned by the Kentucky Division of Water's Wild and Scenic Rivers program. The Brush Mountain Trail also borders the Kentucky Department of Fish and Wildlife Resources' Shillalah Creek Wildlife Management Area, which was purchased for watershed protection and wildlife-related recreation. The Brush Mountain Trail terminates at the Hensley Settlement. The trail remains unprotected and presents opportunities for equine tourism and natural resource education; and

WHEREAS, the Kentucky General Assembly recognizes that state wildlife management areas are managed by the Kentucky Department of Fish and Wildlife Resources primarily for the protection and conservation of the Commonwealth's wildlife resources to insure a permanent supply of wildlife resources to furnish hunting, fishing and wildlife viewing opportunities for present and future Kentucky residents. The General Assembly further recognizes that the primary, intended use of Kentucky's wildlife management areas derives from the special covenant between the Department of Fish and Wildlife Resources and the sportsmen and sportswomen who provide hunting and fishing license dollars and the match for Sport Fish and Wildlife Restoration funds derived from federal excise taxes. The General Assembly agrees that the wildlife management areas with existing equine trails are appreciated by all citizens and that the expansion of equine trails onto other lands owned by the Kentucky Department of Fish and Wildlife Resources are not required. Furthermore, the General Assembly does not intend for actions taken through this resolution to risk the loss of federal funding for these lands; and

WHEREAS, the General Assembly enacted laws authorizing Kentucky's state nature preserves to be held in trust for present and future generations as "living museums of the natural landscape," and as "places where people may observe nature's web of life and our natural heritage, and as reminders of the vital human dependence upon unspoiled natural areas." The General Assembly recognizes and respects the tremendous expertise and management strategies which the Kentucky State Nature Preserves Commission has implemented to hold these lands in special trust for future generations. Moreover, the General Assembly recognizes the opportunities to educate and inform more citizens about the unique natural areas and the critical need for their protection. Further, the General Assembly agrees that due to the special and unique historical and cultural values of the Brush Mountain Trail, that this resolution and

any subsequent memorandum of agreement do not set a precedent for allowing horse access or other prohibited activities on any other state natural area or state nature preserve; and

WHEREAS, the General Assembly recognizes that certain streams of Kentucky possess outstanding and unique scenic, recreational, geological, fish and wildlife, botanical, historical, archaeological and other scientific, aesthetic, and cultural values and that the Kentucky Division of Water may impose reasonable regulations as to the use of private and public land within the authorized boundaries of wild rivers for the general welfare of the people of the Commonwealth; and,

WHEREAS, the unique opportunity presented for enhancing tourism and outdoor recreation opportunities by allowing equine and pedestrian access to the Brush Mountain Trail must be prudently managed in order to assure that the primary purposes for which these lands, including state nature preserves, wildlife management areas and wild rivers, are held in public trust and are not compromised;

NOW, THEREFORE,

Be it resolved by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. The General Assembly recognizes, particularly in these times of economic stress which impacts every taxpayer and all state and local budgets, the critical importance of state and local governments working cooperatively to demonstrate interagency communication, intergovernmental partnerships, and mutually supportive solutions. The General Assembly also recognizes the significant natural resource protection implemented through Kentucky's Department of Fish and Wildlife Resources, the Division of Water's Wild and Scenic Rivers program, and the Kentucky State Nature Preserves Commission and commends these agencies in efforts to work cooperatively and seek additional outdoor experiences for Kentuckians and other visitors to the state.

➔Section 2. The General Assembly encourages the Tourism, Arts and Heritage Cabinet's Kentucky Department of Fish and Wildlife Resources, and the Kentucky Environmental and Public Protection Cabinet's Division of Water and the Kentucky State Nature Preserves Commission to develop a memorandum of agreement with the Harlan County Fiscal Court to allow, for a period not to exceed one year from the date of execution of the agreement, equine access to the Brush Mountain Trail. The General Assembly encourages these agencies, and their designated representatives, to seek additional involvement of other federal, state, educational or nonprofit organizations in accomplishing the goals of trail restoration, including the Cumberland Gap National Historic Park, the Kentucky Horse Council, the Kentucky Backcountry Horsemen, and the Kentucky Chapters of the Sierra Club.

When entered into by the parties described in this section the memorandum of agreement shall include:

(1) A mutually agreed upon statement of the goals and objectives of the Brush Mountain Trail restoration and maintenance project;

(2) Limitations on access to the segment of the trail through the Martin's Fork State Natural Area and Wildlife Management Area and the Shillalah Wildlife Management Area, as necessary to prevent equine access during certain hunting seasons. The memorandum may address methods by which the Tourism, Arts and Heritage Cabinet will assist the Harlan County Fiscal Court in notifying the public about trail access during certain hunting seasons;

(3) Any maintenance or improvements to the trail or trail access road deemed necessary by the agencies in order to prevent erosion or sedimentation of Martin's Fork or other streams and tributaries;

(4) A baseline survey of invasive plant species along the trail and adjacent areas, which shall be conducted by staff of the State Nature Preserves Commission, and which shall be repeated one year after the memorandum of agreement is executed. The memorandum of agreement shall further address the extent to which other entities, including representatives identified by the Harlan County Fiscal Court, may be involved in these surveys. The State Nature Preserves Commission is authorized to seek involvement and support from state universities and qualified nongovernmental entities, to the extent that resources are available and are required for accomplishment of the inventory;

(5) A provision that all costs associated with the surveys and any needed maintenance or improvements in the trail and trail access shall be furnished by the Harlan County Fiscal Court. The agreement shall indicate the manner in which the Harlan County Fiscal Court may request assistance with grants or other funding or in-kind services to assist with these responsibilities, if needed;

(6) Terms and conditions through which the agreement may be amended or revised by agreement of the parties. Additionally, the memorandum of agreement shall include provisions allowing any party to terminate the agreement, providing that the agreement allows at least 30 days notification to be given, in writing, and with duly authorized signatures; and

(7) Other terms and conditions as needed to assure that the use of the trail for equine access shall not adversely affect the values and purposes for which these lands are held in trust.

➔Section 3. Upon execution of the memorandum of agreement under Section 2 of this resolution the Harlan County Fiscal Court shall devise and use a system, agreed to by the agencies, to monitor horseback riding on the Brush Mountain Trail. This may be by a non-fee registration, license, permit or similar system that will provide data on the use of the trail and to help inform an evaluation of the project after one year from the date of execution of the memorandum of agreement.

➔Section 4. One year from the date of execution of a memorandum of agreement under Section 2 of this resolution, the Tourism, Arts and Heritage Cabinet's Department of Fish and Wildlife Resources and the Kentucky Environmental and Public Protection Cabinet's Division of Water and State Nature Preserves Commission shall meet and confer with the Harlan County Fiscal Court as to consider possible extension of the memorandum of agreement, and any changes needed:

- (1) To assure that the use of the trail for equine access does not adversely affect the values and purposes for which these lands are held in trust; or
- (2) To accomplish the mutually agreed upon goals of the Brush Mountain Trail restoration and maintenance project.

➔Section 5. On or before October 1, 2011, the Tourism, Arts and Heritage Cabinet's Department of Fish and Wildlife Resources, the Kentucky Environmental and Public Protection Cabinet's Division of Water and State Nature Preserves Commission, and the Harlan County Fiscal Court shall prepare and present a report to the Interim Joint Committee on Economic Development and Tourism of the Kentucky General Assembly on the status of the Brush Mountain Trail restoration and maintenance project, identifying the projects goals, challenges or obstacles encountered in achieving those goals, actions implemented and recommendations on future equine activities at the Brush Mountain Trail.

A CONCURRENT RESOLUTION creating a task force of the Legislative Research Commission to study cost containment strategies for the Kentucky Medicaid program and declaring an emergency.

WHEREAS, Medicaid plays a significant role in Kentucky's health care system as the primary payer of health care services in the state; and

WHEREAS, Medicaid provides coverage to over 789,000 individuals, which represents about 20 percent of the state's total population; and

WHEREAS, the Medicaid program covers nearly half of all births in the state each year and provides health coverage to one out of every three children; and

WHEREAS, Medicaid covers one out of every seven seniors over age 65 and pays for most of the long-term care services in the Commonwealth; and

WHEREAS, there are 40,733 enrolled providers in the Medicaid program; and

WHEREAS, the cost of the Medicaid program is rapidly rising and claiming an increasing share of the state budget with total expenditures in each of state fiscal years 2008 and 2009 of over \$1 billion, or 12 percent, of the General Fund to cover Medicaid costs; and

WHEREAS, the Medicaid program is continually plagued by deficits and in state fiscal year 2009, the deficit totaled \$232 million and the program has experienced an unprecedented growth in the number of new enrollees with a 264 percent increase in the growth of eligible recipients from June 2008 to November 2009; and

WHEREAS, the General Assembly recognizes the important role that the Medicaid program serves as a provider and purchaser of health care services for some of the state's most vulnerable citizens; and

The sheriff may contract to collect taxes on behalf of cities, independent school districts, or any other governmental unit with the authority to levy a property tax, if the enabling legislation authorizing imposition of the tax permits the governmental unit to contract for the performance of tax collection duties.
- (b) The provisions of this chapter relating to the collection of property taxes shall apply to other property tax collectors to the extent that the governing body of the city, school district, or taxing district appointing the tax collector has not adopted alternative tax collection processes and procedures.

- (2) Payment to the sheriff may be provided by any commercially acceptable means. The sheriff may limit the acceptable methods of payment to those that ensure that payment cannot be reversed or nullified due to insufficient funds.
- (3) (a) **1.** The sheriff shall accept payment from the day on which the tax bills are mailed by the sheriff to the taxpayer as provided in KRS 133.220 and 133.230, through the day on which the sheriff files the uncollected tax claims with the county clerk pursuant to KRS 134.122. During this time period, the sheriff may accept full or partial payment for any outstanding taxes or tax claims.

- e. The sheriff and the county clerk shall reconcile all transactions addressed by this subparagraph by preparation of an addendum to the original reconciliation provided by the sheriff to the county clerk at the time of transfer. The addendum shall be prepared thirty (30) days after the original transfer, and shall be filed by the county clerk in the clerk's order book.**
- (b) All payments received by the sheriff shall be entered immediately by the sheriff on his or her books. Partial payments shall be credited against the total amount due and shall be apportioned by the sheriff among the entities included on the tax bill in the same proportion the amount due to each bears to the amount paid.
- (c) The acceptance of any payment before the taxpayer's tax liability has been finally determined shall not imply that the payment was the correct amount due and shall not preclude the assessment and collection of additional taxes due or the refund of any part of the amount paid that is in excess of the amount determined to be due.
- (d) The sheriff may accept payment of any tax or tax claim from any other person on behalf of the taxpayer. Any person making a payment on behalf of a taxpayer may, upon the written notarized request of the taxpayer, be treated as a transferee as provided in KRS 134.121.
- (e) The sheriff may accept payment of any amount due on a delinquent tax claim from any of the persons described in subparagraphs 1., 2., and 3. of this paragraph without permission of the taxpayer. The person seeking to make the payment shall provide sufficient proof to the sheriff that he or she meets the requirements to pay under this paragraph. The sheriff shall be held harmless if he or she relies upon information provided and accepts payment from a person not qualified to pay under this paragraph. Any person listed in subparagraph 1., 2., or 3. of this paragraph who makes full payment, may, upon written request to the sheriff, be treated as a transferee under KRS 134.121:
- 1. Any person holding a legal or equitable estate in the real or personal property upon which the delinquent taxes are due, other than a person whose only interest in the property is a lien resulting from ownership of a prior year certificate of delinquency;**
- 2. A tenant or lawful occupant of real property, or a bailee or person in possession of any personal property upon which the delinquent taxes are due; or**

3. Any person having a mortgage on real property or a security interest in real or personal property upon which the delinquent taxes are due.
- (4) If, upon expiration of the five percent (5%) penalty period established by KRS 134.015(2)(c), the real property tax delinquencies of a sheriff exceed fifteen percent (15%) of the amount charged to the sheriff for collection, the department may require the sheriff to make additional reasonable collection efforts. If the sheriff fails to initiate additional reasonable collection efforts within fifteen (15) business days following notification from the department that such efforts shall be made, the department may assume responsibility for collecting the delinquent taxes. If the department assumes the responsibility for collecting delinquent taxes, the department shall receive the amounts that would otherwise be paid to the sheriff as fees or commissions for the collection of tax bills.
- (5) In collecting delinquent taxes, the sheriff:
 - (a) May distraint and sell personal property owned by a delinquent taxpayer in the amount necessary to satisfy the delinquent tax claim. The sale shall be made under execution for cash. If the personal property of the delinquent taxpayer within the county is not sufficient to satisfy the delinquent tax claim, the sheriff may sell so much of the personal property as is available; and
 - (b) Shall retain any amounts that come into his or her possession payable to a delinquent taxpayer, other than claims allowed for attendance as a witness, and shall apply such amounts to the amount due on the delinquent tax claim.
- (6) (a) As compensation for collecting property taxes the sheriff shall be paid the following amounts, regardless of whether the amounts are collected by the sheriff prior to filing the tax claims with the county clerk, or by the county clerk after the tax claims become certificates of delinquency or personal property certificates of delinquency:

 3. The sheriff shall be compensated as provided by law or as negotiated if negotiation is permitted by law, for collecting taxes on behalf of any taxing district;
 4. The sheriff shall be compensated as provided in KRS 160.500 for collecting school district taxes; and

The amount so included shall become a part of the certificate of delinquency, and shall be paid by the person paying the certificate of delinquency rather than the taxing jurisdiction for which the taxes were collected.
- (7) As additional compensation for the collection of delinquent taxes, the sheriff shall be entitled to an amount equal to ten percent (10%) of the total taxes due plus ten percent (10%) of the ten percent (10%) penalty for all delinquent taxes. This fee shall be added to the total amount due, and shall be paid by the person paying the tax claim if payment is made to the sheriff, or the certificate of delinquency or personal property certificate of delinquency if payment is made after the tax claim has been filed with the county clerk.
- (8) ***If, in the process of collecting property taxes, the sheriff becomes aware of a new address for a taxpayer, the sheriff shall provide, on a form provided by the department, the information relating to the new address to the property valuation administrator, who shall update his or her records to reflect the new address.***

➔Section 3. KRS 134.121 is amended to read as follows:

- (1) (a) Upon receipt of a written request by a person who pays taxes on behalf of another to be treated as a transferee and verification that the request meets the requirements of KRS 134.119(3)(d) or (e), the sheriff shall issue a certificate of transfer in accordance with the provisions of this section.
- (b) 1. Any person making a request and having taxes paid on his or her behalf under this section; and

2. The heirs and assigns of the person;

shall be estopped from claiming any irregularity in the tax or any proceedings related to the tax prior to the time of transfer.
- (2) The sheriff shall give a certificate of transfer to the person making the payment. The certificate of transfer shall specify the:

 - (b) County where the property is located;

- (4) The holder of a certificate of transfer shall have the certificate of transfer required by subsection (2) of this section entered on the record of encumbrances on real estate of the county in which the certificate was issued. Failure to enter the certificate of transfer shall result in a loss of the lien upon the property, if the property is transferred in good faith and for valuable consideration before recording and without notice of the existence of the certificate of transfer. The county clerk ~~shall~~^{may} charge a fee pursuant to KRS 64.012 for the recording and release of a certificate of transfer.
- (5) When a transferee has acquired a certificate of transfer that is for any reason invalid, the state, county, city, or taxing district that received payment shall reimburse the transferee by paying to him or her the amount of principal, interest, penalties, and costs expended by him or her in the purchase.

 - (b) If both real and personal property are covered by one (1) certificate of transfer, the holder of a lien on any item of the property may obtain a cancellation of the lien on the certificate of transfer against the property on which he or she has a lien by paying to the last recorded owner of the certificate of transfer, before a tax sale under a certificate of delinquency, the amount applicable to the personal property included in the tax referred to by the certificate of transfer, plus the pro rata part of the face value of the certificate of transfer applicable to the property on which release is desired, plus interest on the amount of the certificate of transfer at the tax interest rate established by KRS 131.183.
 - (c) If two (2) or more items of property are included in one (1) certificate of transfer, the transferee may release any item or items. The release shall not affect the lien of the certificate of transfer on the remaining items, but shall be a release only to the extent of the amount of taxes applying to the parcel or parcels released.
 - (d) The provisions of law that apply to the rights of the owner of land sold for taxes by the state, county, city, or taxing district shall also apply to the owner's rights under sales of land made to satisfy a certificate of transfer, and the owner of the land or his or her heirs or assigns may redeem the property within the same length of time, and upon the same terms, as are provided by law for redeeming property sold for taxes.

➔Section 4. KRS 134.122 is amended to read as follows:

- (1)
 - (a) The sheriff shall, on April 15 or three (3) months and fifteen (15) days from the date the taxes were due under an alternative collection schedule, file all tax claims on real and personal property remaining in his or her possession with the county clerk, except that in a consolidated local government the sheriff shall have fourteen (14) working days from the required filing date to file the delinquent tax claims with the county clerk.

If the letter was returned, the sender shall also provide the returned letter to the clerk. The sender shall attest under oath that the letter was mailed to the correct address, and if the letter was not returned, the attestation shall also provide that the third-party purchaser did not respond in writing within thirty (30) days of the date the letter was mailed. - ~~(g) The executive director may enter into an arrangement, agreement, or other working relationship with federal, other state, and self regulatory authorities whereby documents may be filed and maintained in a central depository system with the National Association of Securities Dealers or other agencies or authorities. 1. ~~Has filed an application for registration under this section which, as of its effective date, or as of any date after filing in the case of an order denying effectiveness, was incomplete in any material respect or contained any statement which was, in the light of the circumstances under which it was made, false or misleading with respect to any material fact;~~

 - c. ~~A United States Postal Service fraud order;~~

 7. ~~Has engaged in dishonest or unethical practices in the securities business;~~
 8. ~~Is insolvent, either in the sense that his liabilities exceed his assets or in the sense that he cannot meet his obligations as they mature; but the executive director may not enter an order against a broker-dealer or investment adviser under this paragraph without a finding of insolvency as to the broker-dealer or investment adviser;~~

9. ~~Is not qualified on the basis of such factors as training, experience, or knowledge of the securities business, except as provided in paragraph (b) below; or the executive director may by order, deny, suspend, or revoke any registration if he finds that the order is in the public interest and that the applicant or registrant:~~

- ~~— The executive director may not institute a suspension or revocation proceeding on the basis of a fact or transaction known to him when registration became effective unless the proceeding is instituted within the next thirty (30) days.~~
- (b) ~~The following provisions govern the application of subparagraph 9. of paragraph (a) of this subsection:~~
- 1. ~~The executive director may not enter an order against a broker dealer on the basis of the lack of qualification of any person other than the broker dealer himself if he is an individual or an agent of the broker dealer;~~
 - 2. ~~The executive director may not enter an order against an investment adviser on the basis of the lack of qualification of any person other than the investment adviser himself if he is an individual or any other person who represents the investment adviser in doing any of the acts which make him an investment adviser;~~
 - 3. ~~The executive director may not enter an order solely on the basis of lack of experience if the applicant or registrant is qualified by training or knowledge or both;~~
 - 4. ~~The executive director shall consider that an agent who will work under the supervision of a registered broker dealer need not have the same qualifications as a broker dealer;~~
 - 5. ~~The executive director shall consider that an investment adviser is not necessarily qualified solely on the basis of experience as a broker dealer or agent. When he finds that an applicant for initial or renewal registration as a broker dealer is not qualified as an investment adviser or an investment adviser representative, he may by order condition the applicant's registration as a broker dealer upon his not transacting business in this state as an investment adviser or an investment adviser representative;~~
 - 6. ~~The executive director may by rule provide for an examination, which may be written or oral or both, to be taken by any class of or all applicants, as well as investment adviser representatives and persons who represent or will represent an investment adviser in doing any of the acts which make him an investment adviser.~~
- (c) ~~The executive director may by order summarily postpone an application for registration or suspend a registration pending final determination of any proceeding under this section. A summary suspension of an existing registration shall only be made based upon a finding by the executive director that such action is in the public interest and that there is substantial evidence of a violation of law that constitutes an immediate danger to the public. KRS 13B.125 shall apply to the entry of a summary suspension of a registration. An appeal of a summary suspension shall address only the necessity of a summary action and shall not constitute an appeal of the merits of the underlying violation of the law. Upon the entry of the order, the executive director shall promptly notify the applicant or registrant, as well as the employer or prospective employer if the applicant or registrant is an agent, that it has been entered and of the~~

reasons therefor and that within fifteen (15) days after the receipt of a written request the matter will be set down for hearing. If no hearing is requested and none is ordered by the executive director, the order will remain in effect until it is modified or vacated by the executive director. If a hearing is requested or ordered, the executive director, after notice of and opportunity for hearing, may modify or vacate the order or extend it until final determination.

- (d) ~~If the executive director finds that any registrant or applicant for registration is no longer in existence or has ceased to do business as a broker dealer, agent, investment adviser, or investment adviser representative, or is subject to an adjudication of mental disability or to the control of a conservator or guardian, or cannot be located after reasonable search, the executive director may by order cancel the registration or application.~~
- (e) ~~Withdrawal from registration as a broker dealer, agent, investment adviser, or investment adviser representative becomes effective thirty (30) days after receipt of an application to withdraw or within such shorter period of time as the executive director may determine, unless a revocation or suspension proceeding is pending when the application is filed or a proceeding to revoke or suspend or to impose conditions upon the withdrawal is instituted within thirty (30) days after the application is filed. If a proceeding is pending or instituted, withdrawal becomes effective at such time and upon such conditions as the executive director by order determines. If no proceeding is pending or instituted and withdrawal automatically becomes effective, the executive director may nevertheless institute a revocation or suspension proceeding under subparagraph 2. of paragraph (a) of this subsection within one (1) year after withdrawal became effective and enter a revocation or suspension order as of the last date on which registration was effective. A notice filing may be withdrawn or terminated by providing notice of the withdrawal or termination, as the case may be, to the executive director; the withdrawal or termination is effective upon receipt by the executive director of the notice.~~
- (f) ~~No order may be entered under any part of this section except the first sentence of paragraph (c) of this subsection without appropriate prior notice to the applicant or registrant (as well as the employer or prospective employer if the applicant or registrant is an agent or representative), opportunity for hearing, and written findings of fact and conclusions of law.~~
- (14) ~~Notwithstanding subsection (1) of this section, any broker dealer, agent, investment adviser or investment adviser representative, or transaction or class of transactions by such persons, for which the executive director expressly by rule or order finds that registration is not necessary or appropriate in the public interest or for the protection of investors shall be exempt from registration under this section. The executive director may require that persons exempted from registration under this provision file such forms and information for notice purposes and be bound by one (1) or several provisions of this section as the executive director deems necessary and appropriate in the public interest or for the protection of investors and the executive director may impose filing fees in connection therewith, provided however, that the amount of the fee shall not exceed the fee which would be due in the event the exempt person were required to obtain registration].~~

In any proceeding under this chapter, the burden of proving an exemption from a definition is upon the person claiming it.

➔Section 12. KRS 292.480 is amended to read as follows:

- (1) Any person, who offers or sells a security in violation of this chapter or of any rules or orders promulgated hereunder or offers or sells a security by means of any untrue statement of a material fact or any omission to state a material fact necessary in order to make the statements made in the light of the circumstances under which they are made not misleading, ~~[(the buyer not knowing of the untruth or omission)]~~ and who does not sustain the burden of proof that he did not know and in the exercise of reasonable care could not have known of the untruth or omission is liable to the person buying the security from him, who may sue either at law or in equity to recover the consideration paid for the security, together with interest at the legal rate from the date of payment costs and reasonable attorneys' fees, less the amount of any income received on the security, upon the tender of the security, or for damages if he no longer owns the security. Damages are the amount that would be recoverable upon a tender less:
- (a) The value of the security when the buyer is disposed of it; and
 - (b) Interest at the legal rate per annum from the date of disposition.
- (2) Any person who purchases a security in violation of this chapter or of any administrative regulations or orders promulgated under this chapter or who purchases a security by means of any untrue statement of a material fact or any omission to state a material fact necessary in order to make the statements made in light of the circumstances under which they are made not misleading, the seller not knowing of the untruth or omission, and who does not sustain the burden of proof that he did not know and in the exercise of reasonable care could not have known of the untruth or omission is liable to the person selling the security to him, who may sue either at law or in equity for:
- (a) A return of the security, together with any income received by the purchaser on the security, costs, and reasonable attorney's fees, upon a tender of the full amount of the consideration received for the security; or
 - (b) If the purchaser no longer owns the security, the difference between the fair value of the security at the date of the transaction and the consideration received for the security, together with interest on the

difference at the legal rate compounded annually from the date of the transaction, and costs and reasonable attorney's fees.

- (3) For purposes of paragraph (b) of subsection (2) of this section, when the purchaser no longer owns the security, if a seller seeking relief under paragraph (b) of subsection (2) of this section offers and presents admissible evidence of the highest intermediate value of the subject security as of some specific date occurring within a reasonable period of time after the date of the sale of the security but no later than the date an action under paragraph (b) of subsection (2) of this section is filed, or of the total consideration received by the purchaser in a subsequent sale of that security, it shall be presumed until rebutted by a preponderance of evidence to the contrary that the value or sale price, as applicable, is the fair value of the security at the date of the transaction as those terms are used in paragraph (b) of subsection (2) of this section to measure damages. For purposes of subsections (1) and (2) of this section and all other provisions of this chapter, statements and omissions may be either oral or written.
- (4) Every person who directly or indirectly controls a seller or purchaser liable under subsection (1) or (2) of this section, every partner, officer, or director (or person occupying a similar status or performing similar functions) or employee of a seller or purchaser who materially aids in the sale or purchase, and every broker-dealer or agent who materially aids in the sale or purchase is also liable jointly and severally with and to the same extent as the seller or purchaser, unless the nonseller or nonpurchaser who is so liable sustains the burden of proof that he did not know, and in the exercise of reasonable care could not have known, of the existence of the facts by reason of which the liability is alleged to exist. There is contribution as in cases of contract among the several persons so liable.
- (5) Any tender specified in this section may be made at any time before entry of judgment. Every cause of action under this statute survives the death of any person who might have been a plaintiff or defendant. No person may sue under this section more than three (3) years after the date the occurrence of the act, omission, or transaction constituting a violation of this chapter was discovered, or in the exercise of reasonable care should have been discovered. No person may sue under this section:
 - (a) If the buyer received a written offer, before suit and at a time when he owned the security, to refund the consideration paid together with interest at the legal rate from the date of payment, less the amount of any income received on the security, and he failed to accept the offer within thirty (30) days of its receipt;
 - (b) If the buyer received an offer before suit and at a time when he did not own the security, unless he rejected the offer in writing within thirty (30) days of its receipt; or
 - (c) If paragraph (b) of subsection (2) of this section applies, and if the seller received a written offer before suit equal to the difference between the greater of the highest intermediate value of the security or the consideration received by the purchaser upon disposal of the security and the consideration received by the seller for the security, together with interest on the difference at the legal rate from the date of the transaction; or if paragraph (a) of subsection (2) of this section applies, and if the seller received a written offer to return the security together with any income received by the purchaser on the security; and in either case he failed to accept the offer within thirty (30) days of its receipt.
- (6) No person who has made or engaged in the performance of any contract in violation of any provision of this chapter or any rule or order hereunder, or who has acquired any purported right under any contract with knowledge of the facts by reason of which its making or performance was in violation, may base any suit on the contract. Any condition, stipulation, or provision binding any person acquiring any security to waive compliance with any provision of this chapter or any rule or order hereunder is void.
- (7) ***A person who receives directly or indirectly any consideration for providing investment advice to another person and who employs a device, scheme, or artifice to defraud the other person or engages in an act, practice, or course of business that operates or would operate as a fraud or deceit on the other person, is liable to the other person. The person defrauded may maintain an action to recover the consideration paid for the advice and the amount of any actual damages caused by the fraudulent conduct, interest at the legal rate of interest from the date of the fraudulent conduct, costs, and reasonable attorney's fees determined by the court, less the amount of any income received as a result of the fraudulent conduct.***
- (8) The rights and remedies provided by this section are in addition to any other rights or remedies that may exist at law or in equity.

Except as provided in subsection (19)~~[(18)]~~ of this section, no provision of this chapter authorizes the executive director or any of his officers or employees to disclose any confidential information except among themselves or when necessary or appropriate in an administrative hearing or investigation under this chapter. No provision of this chapter either creates or derogates from any privilege which exists at common law or otherwise when documentary or other evidence is sought under a subpoena directed to the executive director or any of his officers or employees.
- (3) The executive director may~~[from time to time]~~ promulgate, amend, and repeal administrative regulations, forms, and orders as are necessary to carry out the provisions of this chapter, including administrative regulations and forms governing registration statements, applications, notice filings, and reports and defining any terms, whether or not used in this chapter, insofar as the definitions are not inconsistent with the provisions of this chapter. For the purpose of administrative regulations and forms, the executive director may classify securities, persons, and matters within his jurisdiction, and prescribe different requirements for different classes.
- (4) No administrative regulation, form, or order may be promulgated, amended, or repealed unless the executive director finds that the action is necessary or appropriate in the public interest or for the protection of investors and consistent with the purposes fairly intended by the policy and provision of this chapter. In promulgating administrative regulations and forms, the executive director may cooperate with the securities administrators of the other states and the Securities and Exchange Commission with a view to effectuating the policy of this statute to achieve maximum uniformity in the form and content of registration statement, applications, notice filings, and reports whenever practicable.

- (8) A document is filed when it is received by the executive director or when the executive director receives confirmation that a document has been filed~~[pursuant to KRS 292.327, 292.330, 292.360, and 292.370].~~ ***The executive director may accept electronic filings of any documents required to be filed under this chapter, either in conjunction with paper filings or in place of paper filings in whole or in part.***
- (9) Every administrative hearing shall be conducted in accordance with KRS Chapter 13B and the provisions of this chapter, and shall be public unless the executive director in his discretion grants a request joined in by all the respondents that the hearing be conducted privately.
- (10) The executive director shall keep a ***record***~~[register]~~ of all applications for registration and registration statements and notice filings which are or have~~[ever]~~ been effective under this chapter and ***a record*** of all denial, suspension, or revocation final orders which have~~[ever]~~ been entered under this chapter.~~[The register shall be open for public inspection.]~~
- (11) The information contained in or filed with any registration statement, application, ***or notice filing is a public record subject to the provisions of the Kentucky Open Records Act***~~[filings, or report may be made available to the public under administrative regulations as the executive director may promulgate].~~
- (12) Upon request and at reasonable charges as he prescribes, the executive director shall furnish to any person photostatic or other copies (certified under his seal of office if requested) of any entry in the register or any document which is a matter of public record. - (13) The executive director in his discretion may honor requests from interested persons for interpretative opinions.

- (14) The executive director may ~~impose~~~~assess~~ civil fines against any person who violates any provision of this chapter or any rule or order *or voluntary agreement entered into* under this chapter. *The fine shall not exceed twenty thousand dollars (\$20,000) per violation, except when the violation is directed at, or results in monetary damage to one (1) or more individuals who are sixty (60) years of age or older, the executive director may impose an additional fine not to exceed twenty thousand dollars (\$20,000) per violation. Each act or transaction which violates this chapter or administrative regulation, or orders or agreements entered into under this chapter, shall constitute a separate violation. Any employer or principal shall be jointly and severally liable for fines imposed in connection with the conduct of employees or agents.*
- (15) *The executive director is authorized to designate that the fines imposed for violations of this chapter or administrative regulation, or any order or voluntary agreement entered into pursuant to this chapter, be deposited into the securities fraud prosecution and prevention fund established in Section 16 of this Act.*
- (16)~~(15)~~ In addition to any fines ~~imposed~~~~levied~~ under subsection (14) of this section, the executive director may also assess the costs of any investigation, including attorney's fees incurred as a result of bringing enforcement actions under the provisions of this chapter and costs of holding any hearing as a result of an enforcement action. Costs and attorney's fees may only be ~~imposed~~~~assessed~~ if there has been a final determination that a violation has occurred, and in an amount reasonably related to the costs of investigation and enforcement for those violations only. *Costs and attorney's fees may be included as part of an agreement in settlement of an enforcement action.*
- (17)~~(16)~~ If fines, *fees*, or costs ~~imposed~~~~assessed~~ under this section are not paid, *then* the executive director may notify the *Revenue Cabinet which may*~~Attorney General who shall promptly~~ institute an action in the name of the Commonwealth of Kentucky, in the Franklin Circuit Court, *or any other court of competent jurisdiction*, for the recovery of the fines, *fees*, or costs.
- (18)~~(17)~~ The remedies provided by this section are not exclusive and may be sought and employed in any combination to enforce the provisions of this chapter. - (19)~~(18)~~ The following materials, documentation, and other information are deemed to have been confidentially disclosed to the office and to be confidential information under the Kentucky Open Records Act and, specifically, the provisions of KRS 61.878(1)(b), to the extent described in this subsection and except as provided further in administrative regulation:

The administrative regulations shall specify which athletic activities are similar to sports for which National Collegiate Athletic Association members offer scholarships.
 - (b) Beginning with the 2003-2004 school year, the state board shall require any agency or organization designated by the state board to manage interscholastic athletics to adopt bylaws that establish as members of the agency's or organization's board of control one (1) representative of nonpublic member schools who is elected by the nonpublic school members of the agency or organization from regions one (1) through eight (8) and one (1) representative of nonpublic member schools who is elected by the nonpublic member schools of the agency or organization from regions nine (9) through sixteen (16). The nonpublic school representatives on the board of control shall not be from classification A1 or D1 schools. Following initial election of these nonpublic school representatives to the agency's or

organization's board of control, terms of the nonpublic school representatives shall be staggered so that only one (1) nonpublic school member is elected in each even-numbered year.

- (c) The state board or any agency designated by the state board to manage interscholastic athletics shall not promulgate rules, administrative regulations, or bylaws that prohibit pupils in grades seven (7) to eight (8) from participating in any high school sports except for high school varsity soccer and football, or from participating on more than one (1) school-sponsored team at the same time in the same sport. The Kentucky Board of Education, or an agency designated by the board to manage interscholastic athletics, may promulgate administrative regulations restricting, limiting, or prohibiting participation in high school varsity soccer and football for students who have not successfully completed the eighth grade.
- (d) Every local board of education shall require an annual medical examination performed and signed by a physician, physician assistant, advanced *practice* registered nurse~~[- practitioner]~~, or chiropractor, if performed within the professional's scope of practice, for each student seeking eligibility to participate in any high school athletic activity or sport. The Kentucky Board of Education or any organization or agency designated by the state board to manage interscholastic athletics shall not promulgate administrative regulations or adopt any policies or bylaws that are contrary to the provisions of this paragraph.
- (e) Any student who turns nineteen (19) years of age prior to August 1 shall not be eligible for high school athletics in Kentucky. Any student who turns nineteen (19) years of age on or after August 1 shall remain eligible for that school year only. An exception to the provisions of this paragraph shall be made, and the student shall be eligible for high school athletics in Kentucky if the student:

The administrative regulations shall give preference to the hiring or assignment of certified personnel over nonteaching personnel in coaching positions.
- (3) (a) The Kentucky Board of Education is hereby authorized to lease from the State Property and Buildings Commission, or others, whether public or private, any lands, buildings, structures, installations, and facilities suitable for use in establishing and furthering television and related facilities as an aid or supplement to classroom instruction, throughout the Commonwealth, and for incidental use in any other proper public functions. The lease may be for any initial term commencing with the date of the lease and ending with the next ensuing June 30, which is the close of the then-current fiscal biennium of the Commonwealth, with exclusive options in favor of the board to renew the same for successive ensuing bienniums, July 1 in each even year to June 30 in the next ensuing even year; and the rentals may be fixed at the sums in each biennium, if renewed, sufficient to enable the State Property and Buildings Commission to pay therefrom the maturing principal of and interest on, and provide reserves for, any revenue bonds which the State Property and Buildings Commission may determine to be necessary and sufficient, in agreement with the board, to provide the cost of acquiring the television and related facilities, with appurtenances, and costs as may be incident to the issuance of the bonds.
- (b) Each option of the Kentucky Board of Education to renew the lease for a succeeding biennial term may be exercised at any time after the adjournment of the session of the General Assembly at which appropriations shall have been made for the operation of the state government for such succeeding biennial term, by notifying the State Property and Buildings Commission in writing, signed by the chief state school officer, and delivered to the secretary of the Finance and Administration Cabinet as a member of the commission. The option shall be deemed automatically exercised, and the lease automatically renewed for the succeeding biennium, effective on the first day thereof, unless a written notice of the board's election not to renew shall have been delivered in the office of the secretary of the

Finance and Administration Cabinet before the close of business on the last working day in April immediately preceding the beginning of the succeeding biennium.

- (c) The Kentucky Board of Education shall not itself operate leased television facilities, or undertake the preparation of the educational presentations or films to be transmitted thereby, but may enter into one (1) or more contracts to provide therefor, with any public agency and instrumentality of the Commonwealth having, or able to provide, a staff with proper technical qualifications, upon which agency and instrumentality the board, through the chief state school officer and the Department of Education, is represented in such manner as to coordinate matters of curriculum with the curricula prescribed for the public schools of the Commonwealth. Any contract for the operation of the leased television or related facilities may permit limited and special uses of the television or related facilities for other programs in the public interest, subject to the reasonable terms and conditions as the board and the operating agency and instrumentality may agree upon; but any contract shall affirmatively forbid the use of the television or related facilities, at any time or in any manner, in the dissemination of political propaganda or in furtherance of the interest of any political party or candidate for public office, or for commercial advertising. No lease between the board and the State Property and Buildings Commission shall bind the board to pay rentals for more than one (1) fiscal biennium at a time, subject to the aforesaid renewal options. The board may receive and may apply to rental payments under any lease and to the cost of providing for the operation of the television or related facilities not only appropriations which may be made to it from state funds, from time to time, but also contributions, gifts, matching funds, devises, and bequests from any source, whether federal or state, and whether public or private, so long as the same are not conditioned upon any improper use of the television or related facilities in a manner inconsistent with the provisions of this subsection.
- (4) The state board may, on the recommendation and with the advice of the chief state school officer, prescribe, print, publish, and distribute at public expense such administrative regulations, courses of study, curriculums, bulletins, programs, outlines, reports, and placards as each deems necessary for the efficient management, control, and operation of the schools and programs under its jurisdiction. All administrative regulations published or distributed by the board shall be enclosed in a booklet or binder on which the words "informational copy" shall be clearly stamped or printed.

Many members of the public are deterred from seeking testing because they misunderstand the nature of the test or fear that test results will be disclosed without their consent. The General Assembly finds that the public health will be served by facilitating informed, voluntary, and confidential use of tests designed to detect human immunodeficiency virus infection.
- (2) A person who has signed a general consent form for the performance of medical procedures and tests is not required to also sign or be presented with a specific consent form relating to medical procedures or tests to determine human immunodeficiency virus infection, antibodies to human immunodeficiency virus, or infection with any other causative agent of acquired immunodeficiency syndrome that will be performed on the person during the time in which the general consent form is in effect. However, a general consent form shall instruct the patient that, as part of the medical procedures or tests, the patient may be tested for human immunodeficiency virus infection, hepatitis, or any other blood-borne infectious disease if a doctor *or advanced practice registered nurse* orders the test for diagnostic purposes. Except as otherwise provided in subsection (5)(d) of this section, the results of a test or procedure to determine human immunodeficiency virus infection, antibodies to human immunodeficiency virus, or infection with any probable causative agent of acquired immunodeficiency syndrome performed under the authorization of a general consent form shall be used only for diagnostic or other purposes directly related to medical treatment.
- (3) In any emergency situation where informed consent of the patient cannot reasonably be obtained before providing health-care services, there is no requirement that a health-care provider obtain a previous informed consent.
- (4) The physician *or advanced practice registered nurse* who orders the test pursuant to subsections (1) and (2) of this section, or the attending physician, shall be responsible for informing the patient of the results of the test if the test results are positive for human immunodeficiency virus infection. If the tests are positive, the physician *or advanced practice registered nurse* shall also be responsible for either:
 - (a) Providing information and counseling to the patient concerning his infection or diagnosis and the known medical implications of such status or condition; or
 - (b) Referring the patient to another appropriate professional or health-care facility for the information and counseling.

- (5) (a) No person in this state shall perform a test designed to identify the human immunodeficiency virus, or its antigen or antibody, without first obtaining the informed consent of the person upon whom the test is being performed, except as specified in subsections (2) and (3) of this section.
- (b) No test result shall be determined as positive, and no positive test result shall be revealed to any person, without corroborating or confirmatory tests being conducted.
- (c) 1. Nothing in this subsection shall be construed as prohibiting the disclosure to the patient of preliminary positive results from HIV rapid tests if results are delivered with an explanation of the following:
- a. The meaning of a reactive rapid test;
 - b. The importance of confirmatory testing; and
 - c. The importance of taking precautions to reduce the risk of infecting others while awaiting the results of confirmatory testing.
2. In special cases where immediate actions may be necessary to protect a patient, such as potential perinatal transmission or incidents warranting post-exposure prophylaxis, a preliminary positive result from a HIV rapid test may be disclosed to the patient and used as a basis to recommend options for prophylaxis or treatment.
- (d) No person who has obtained or has knowledge of a test result pursuant to this section shall disclose or be compelled to disclose the identity of any person upon whom a test is performed, or the results of the test in a manner which permits identification of the subject of the test, except to the following persons:
1. The subject of the test or the subject's legally authorized representative;
 2. Any person designated in a legally effective release of the test results executed prior to or after the test by the subject of the test or the subject's legally authorized representative;
 3. A physician, nurse, or other health-care personnel who has a legitimate need to know the test result in order to provide for his protection and to provide for the patient's health and welfare;
 4. Health-care providers consulting between themselves or with health-care facilities to determine diagnosis and treatment;
 5. The cabinet, in accordance with rules for reporting and controlling the spread of disease, as otherwise provided by state law;
 6. A health facility or health-care provider which procures, processes, distributes, or uses:
 - a. A human body part from a deceased person, with respect to medical information regarding that person; or
 - b. Semen provided prior to the effective date of this section for the purpose of artificial insemination;
 7. Health facility staff committees, for the purposes of conducting program monitoring, program evaluation, or service reviews;
 8. Authorized medical or epidemiological researchers who shall not further disclose any identifying characteristics or information;
 9. A person allowed access by a court order that is issued in compliance with the following provisions:
 - a. No court of this state shall issue an order to permit access to a test for human immunodeficiency virus performed in a medical or public health setting to any person not authorized by this section or by KRS 214.420. A court may order an individual to be tested for human immunodeficiency virus only if the person seeking the test results has demonstrated a compelling need for the test results which cannot be accommodated by other means. In assessing compelling need, the court shall weigh the need for testing and disclosure against the privacy interest of the test subject and the public interest which may be disserved by disclosure which deters blood, organ, and semen donation and future

human-immunodeficiency-virus-related testing or which may lead to discrimination. This paragraph shall not apply to blood bank donor records;

- b. Pleadings pertaining to disclosure of test results shall substitute a pseudonym for the true name of the subject of the test. The disclosure to the parties of the subject's true name shall be communicated confidentially, in documents not filed with the court;
- c. Before granting any order, the court shall provide the individual whose test result is in question with notice and a reasonable opportunity to participate in the proceedings if he or she is not already a party;
- d. Court proceedings as to disclosure of test results shall be conducted in camera, unless the subject of the test agrees to a hearing in open court or unless the court determines that a public hearing is necessary to the public interest and the proper administration of justice;
- e. Upon the issuance of an order to disclose test results, the court shall impose appropriate safeguards against unauthorized disclosure, which shall specify the persons who may have access to the information, the purposes for which the information shall be used, and appropriate prohibitions on future disclosure.

No person to whom the results of a test have been disclosed shall disclose the test results to another person except as authorized by this subsection. When disclosure is made pursuant to this subsection, it shall be accompanied by a statement in writing that includes the following or substantially similar language: "This information has been disclosed to you from records whose confidentiality is protected by state law. State law prohibits you from making any further disclosure of such information without the specific written consent of the person to whom such information pertains, or as otherwise permitted by state law. A general authorization for the release of medical or other information is NOT sufficient for this purpose." An oral disclosure shall be accompanied by oral notice and followed by a written notice within ten (10) days.

- (6) (a) The Cabinet for Health and Family Services shall establish a network of voluntary human immunodeficiency virus testing programs in every county in the state. These programs shall be conducted in each public health department established under the provisions of KRS Chapter 212. Additional programs may be contracted to other private providers to the extent that finances permit and local circumstances dictate.
- (b) Each public health department shall have the ability to provide counseling and testing for the human immunodeficiency virus to each patient who receives services and shall offer the testing on a voluntary basis to each patient who requests the test.
- (c) Each public health department shall provide a program of counseling and testing for human immunodeficiency virus infection, on an anonymous or confidential basis, dependent on the patient's desire. If the testing is performed on an anonymous basis, only the statistical information relating to a positive test for human immunodeficiency virus infection shall be reported to the cabinet. If the testing is performed on a confidential basis, the name and other information specified under KRS 214.645 shall be reported to the cabinet. The cabinet shall continue to provide for anonymous testing and counseling.
- (d) The result of a serologic test conducted under the auspices of the cabinet shall not be used to determine if a person may be insured for disability, health, or life insurance or to screen or determine suitability for, or to discharge a person from, employment. Any person who violates the provisions of this subsection shall be guilty of a Class A misdemeanor.
- (7) No public health department and no other private or public facility shall be established for the primary purpose of conducting a testing program for acquired immunodeficiency syndrome, acquired immunodeficiency syndrome related complex, or human immunodeficiency virus status without first registering with the cabinet, complying with all other applicable provisions of state law, and meeting the following requirements:
 - (a) The program shall be directed by a person who has completed an educational course approved by the cabinet in the counseling of persons with acquired immunodeficiency syndrome, acquired immunodeficiency syndrome related complex, or human immunodeficiency virus infection;
 - (b) The program shall have all medical care supervised by a physician licensed under the provisions of KRS Chapter 311;

- (c) The program shall have all laboratory procedures performed in a laboratory licensed under the provisions of KRS Chapter 333;
 - (d) Informed consent shall be required prior to testing. Informed consent shall be preceded by an explanation of the test, including its purpose, potential uses, and limitations and the meaning of its results;
 - (e) The program, unless it is a blood donor center, shall provide pretest counseling on the meaning of a test for human immunodeficiency virus, including medical indications for the test; the possibility of false positive or false negative results; the potential need for confirmatory testing; the potential social, medical, and economic consequences of a positive test result; and the need to eliminate high-risk behavior;
 - (f) The program shall provide supplemental corroborative testing on all positive test results before the results of any positive test is provided to the patient;
 - (g) The program shall provide post-test counseling, in person, on the meaning of the test results; the possible need for additional testing; the social, medical, and economic consequences of a positive test result; and the need to eliminate behavior which might spread the disease to others;
 - (h) Each person providing post-test counseling to a patient with a positive test result shall receive specialized training, to be specified by regulation of the cabinet, about the special needs of persons with positive results, including recognition of possible suicidal behavior, and shall refer the patient for further health and social services as appropriate;
 - (i) When services are provided for a charge during pretest counseling, testing, supplemental testing, and post-test counseling, the program shall provide a complete list of all charges to the patient and the cabinet; and
 - (j) Nothing in this subsection shall be construed to require a facility licensed under KRS Chapter 333 or a person licensed under the provisions of KRS Chapters 311, 312, or 313 to register with the cabinet if he or she does not advertise or hold himself *or herself* out to the public as conducting testing programs for human immunodeficiency virus infection or specializing in such testing.
- (8) Any violation of this section by a licensed health-care provider shall be a ground for disciplinary action contained in the professional's respective licensing chapter.
 - (9) Except as provided in subsection (6)(d) of this section, insurers and others participating in activities related to the insurance application and underwriting process shall be exempt from this section.
 - (10) The cabinet shall develop program standards consistent with the provisions of this section for counseling and testing persons for the human immunodeficiency virus.

➔Section 74. KRS 214.625 is amended to read as follows:

- (1) The General Assembly finds that the use of tests designed to reveal a condition indicative of human immunodeficiency virus (HIV) infection can be a valuable tool in protecting the public health. The General Assembly finds that despite current scientific knowledge that zidovudine (AZT) prolongs the lives of acquired immunodeficiency syndrome victims, and may also be effective when introduced in the early stages of human immunodeficiency virus infection, many members of the public are deterred from seeking testing because they misunderstand the nature of the test or fear that test results will be disclosed without their consent. The General Assembly finds that the public health will be served by facilitating informed, voluntary, and confidential use of tests designed to detect human immunodeficiency virus infection.
- (2) A person who has signed a general consent form for the performance of medical procedures and tests is not required to also sign or be presented with a specific consent form relating to medical procedures or tests to determine human immunodeficiency virus infection, antibodies to human immunodeficiency virus, or infection with any other causative agent of acquired immunodeficiency syndrome that will be performed on the person during the time in which the general consent form is in effect. However, a general consent form shall instruct the patient that, as part of the medical procedures or tests, the patient may be tested for human immunodeficiency virus infection, hepatitis, or any other blood-borne infectious disease if a doctor *or advanced practice registered nurse* orders the test for diagnostic purposes. Except as otherwise provided in subsection (5)(c) of this section, the results of a test or procedure to determine human immunodeficiency virus

infection, antibodies to human immunodeficiency virus, or infection with any probable causative agent of acquired immunodeficiency syndrome performed under the authorization of a general consent form shall be used only for diagnostic or other purposes directly related to medical treatment.

- (3) In any emergency situation where informed consent of the patient cannot reasonably be obtained before providing health-care services, there is no requirement that a health-care provider obtain a previous informed consent.
- (4) The physician *or advanced practice registered nurse* who orders the test pursuant to subsections (1) and (2) of this section, or the attending physician, shall be responsible for informing the patient of the results of the test if the test results are positive for human immunodeficiency virus infection. If the tests are positive, the physician *or advanced practice registered nurse* shall also be responsible for either:
 - (a) Providing information and counseling to the patient concerning his infection or diagnosis and the known medical implications of such status or condition; or
 - (b) Referring the patient to another appropriate professional or health-care facility for the information and counseling.
- (5)

 - (c) No person who has obtained or has knowledge of a test result pursuant to this section shall disclose or be compelled to disclose the identity of any person upon whom a test is performed, or the results of the test in a manner which permits identification of the subject of the test, except to the following persons:
 1. The subject of the test or the subject's legally authorized representative;
 2. Any person designated in a legally effective release of the test results executed prior to or after the test by the subject of the test or the subject's legally authorized representative;
 3. A physician, nurse, or other health-care personnel who has a legitimate need to know the test result in order to provide for his protection and to provide for the patient's health and welfare;

 5. The cabinet, in accordance with rules for reporting and controlling the spread of disease, as otherwise provided by state law;
 6. A health facility or health-care provider which procures, processes, distributes, or uses:
 - a. A human body part from a deceased person, with respect to medical information regarding that person; or
 - b. Semen provided prior to July 13, 1990, for the purpose of artificial insemination;
 7. Health facility staff committees, for the purposes of conducting program monitoring, program evaluation, or service reviews;
 8. Authorized medical or epidemiological researchers who shall not further disclose any identifying characteristics or information;
 9. A parent, foster parent, or legal guardian of a minor; a crime victim; or a person specified in KRS 438.250;
 10. A person allowed access by a court order which is issued in compliance with the following provisions:
 - a. No court of this state shall issue an order to permit access to a test for human immunodeficiency virus performed in a medical or public health setting to any person not authorized by this section or by KRS 214.420. A court may order an individual to be tested for human immunodeficiency virus only if the person seeking the test results has demonstrated a compelling need for the test results which cannot be accommodated by

other means. In assessing compelling need, the court shall weigh the need for testing and disclosure against the privacy interest of the test subject and the public interest which may be disserved by disclosure which deters blood, organ, and semen donation and future human immunodeficiency virus-related testing or which may lead to discrimination. This paragraph shall not apply to blood bank donor records;

- b. Pleadings pertaining to disclosure of test results shall substitute a pseudonym for the true name of the subject of the test. The disclosure to the parties of the subject's true name shall be communicated confidentially, in documents not filed with the court;

- e. Upon the issuance of an order to disclose test results, the court shall impose appropriate safeguards against unauthorized disclosure, which shall specify the persons who may have access to the information, the purposes for which the information shall be used, and appropriate prohibitions on future disclosure.

No person to whom the results of a test have been disclosed shall disclose the test results to another person except as authorized by this subsection. When disclosure is made pursuant to this subsection, it shall be accompanied by a statement in writing which includes the following or substantially similar language: "This information has been disclosed to you from records whose confidentiality is protected by state law. State law prohibits you from making any further disclosure of such information without the specific written consent of the person to whom such information pertains, or as otherwise permitted by state law. A general authorization for the release of medical or other information is NOT sufficient for this purpose." An oral disclosure shall be accompanied by oral notice and followed by a written notice within ten (10) days.

- (6) (a) The Cabinet for Health and Family Services shall establish a network of voluntary human immunodeficiency virus testing programs in every county in the state. - (7) No public health department and no other person in this state shall conduct or hold themselves out to the public as conducting a testing program for acquired immunodeficiency syndrome, acquired immunodeficiency syndrome related complex, or human immunodeficiency virus status without first registering with the cabinet, complying with all other applicable provisions of state law, and meeting the following requirements:

- (a) The program shall be directed by a person who has completed an educational course approved by the cabinet in the counseling of persons with acquired immunodeficiency syndrome, acquired immunodeficiency syndrome related complex, or human immunodeficiency virus infection;
 - (b) The program shall have all medical care supervised by a physician licensed under the provisions of KRS Chapter 311;

- (8) Any violation of this section by a licensed health-care provider shall be a ground for disciplinary action contained in the professional's respective licensing chapter.
 - (9) Except as provided in subsection (6)(d) of this section and KRS 304.12-013, insurers and others participating in activities related to the insurance application and underwriting process shall be exempt from this section.
 - (10) The cabinet shall develop program standards consistent with the provisions of this section for counseling and testing persons for the human immunodeficiency virus.

➔Section 75. KRS 214.645 is amended to read as follows:

- (1) The Cabinet for Health and Family Services shall establish a system for reporting, by the use of the person's name, of all persons who test positive for the human immunodeficiency virus (HIV) infection. The reporting shall include the data including, but not limited to, CD4 count and viral load, and other information that are necessary to comply with the confidentiality and reporting requirements of the most recent edition of the Centers for Disease Control and Prevention's (CDC) Guidelines for National Human Immunodeficiency Virus Case Surveillance. As recommended by the CDC, anonymous testing shall remain as an alternative. If less restrictive data identifying requirements are identified by the CDC, the cabinet shall evaluate the new requirements for implementation.
- (2) The reporting system established under subsection (1) of this section shall:
 - (a) Use the same confidential name-based approach for HIV surveillance that is used for AIDS surveillance by the cabinet;

- (b) Attempt to identify all modes of HIV transmission, unusual clinical or virologic manifestations, and other cases of public health importance;
 - (c) Require collection of the names and data from all private and public sources of HIV-related testing and care services; and
 - (d) Use reporting methods that match the CDC's standards for completeness, timeliness, and accuracy, and follow up, as necessary, with the health care provider making the report to verify completeness, timeliness, and accuracy.
- (3) Authorized surveillance staff designated by the cabinet shall:
- (a) Match the information from the reporting system to other public health databases, wherever possible, to limit duplication and to better quantify the extent of HIV infection in the Commonwealth;
 - (b) Conduct a biennial assessment of the HIV and AIDS reporting systems, insure that the assessment is available for review by the public and any state or federal agency, and forward a copy of the assessment to the Legislative Research Commission and the Interim Joint Committee on Health and Welfare;
 - (c) Document the security policies and procedures and insure their availability for review by the public or any state or federal agency;
 - (d) Minimize storage and retention of unnecessary paper or electronic reports and insure that related policies are consistent with CDC technical guidelines;
 - (e) Assure that electronic transfer of data is protected by encryption during transfer;
 - (f) Provide that records be stored in a physically secluded area and protected by coded passwords and computer encryption;
 - (g) Restrict access to data a minimum number of authorized surveillance staff who are designated by a responsible authorizing official, who have been trained in confidentiality procedures, and who are aware of penalties for unauthorized disclosure of surveillance information;
 - (h) Require that any other public health program that receives data has appropriate security and confidentiality protections and penalties;
 - (i) Restrict use of data, from which identifying information has been removed, to cabinet-approved research, and require all persons with this use to sign confidentiality statements;
 - (j) Prohibit release of any names or any other identifying information that may have been received in a report to any person or organization, whether public or private, except in compliance with federal law or consultations with other state surveillance programs and reporting sources. Under no circumstances shall a name or any identifying information be reported to the CDC; and
 - (k) Immediately investigate any report of breach of reporting, surveillance, or confidentiality policy, report the breach to the CDC, develop recommendations for improvements in security measure, and take appropriate disciplinary action for any documented breach.
- (4) The cabinet shall require any physician, *advanced practice registered nurse*, or medical laboratory that receives a report of a positive test for the human immunodeficiency virus to report that information by reference to the name in accordance with the procedure for establishing name reporting required by the cabinet in an administrative regulation.

➔Section 1. KRS 148.870 is amended to read as follows:

- (1) The General Assembly recognizes that the ridge top of Pine Mountain is a unique area desirable for the creation of a trail. Therefore, it is hereby declared that in order to afford the citizens of the Commonwealth an opportunity to enjoy this natural area, to attract out-of-state visitors, to ensure the well-being of our tourism industry, to preserve for future generations the beauty of certain areas untrammelled by man, to provide for the ever-increasing outdoor recreation needs of an expanding population, and to promote the preservation of, public access to, travel within, and enjoyment and appreciation of the outdoor areas and historic resources of the Commonwealth, there is hereby established a certain defined area in the southeastern part of the Commonwealth for ultimate designation as the Pine Mountain *State Scenic* Trail~~[-State Park]~~, with land in the defined area owned or leased by the Commonwealth or on which the Commonwealth has obtained an easement comprising the initial state park.
- (2) It is the intent of KRS 148.870 to 148.892 to assure preservation of the scenic, ecological, and other values within the boundaries of the trail and to provide proper management of the recreational, wildlife, water, and other resources within those boundaries. It is further the intent of KRS 148.870 to 148.892 to impose reasonable policies governing the use of land within the authorized boundaries of the trail, except for the restrictions set forth in KRS 148.870 to 148.892, for the general welfare of the people of the Commonwealth and, where necessary, to enable the Commonwealth or any of its agencies to acquire fee title or lesser interests in land within the boundaries of the trail, in order to maintain the public trust in this unique area.
- (3) The General Assembly recognizes the valuable contributions that volunteers and private, nonprofit groups have made to the development and maintenance of trails throughout the Commonwealth. In recognition of these contributions, it is further the purpose of KRS 148.870 to 148.892 to encourage and assist volunteer citizen and nonprofit group involvement in the planning, development, maintenance, and management, where appropriate, of the trail.
- (4) The General Assembly recognizes that the establishment of Pine Mountain *State Scenic* Trail~~[-State Park]~~ is not intended to create a one hundred twenty (120) mile linear barrier around southeastern Kentucky. The General Assembly further recognizes that to ensure the continued economic development of the area,

provisions shall be made for means of ingress and egress for owners of property and those with property rights affected by the creation of the trail, and for new road construction, utility facilities, and pipelines that may cross the trail.

➔Section 2. KRS 148.872 is amended to read as follows:

As used in KRS 148.870 to 148.892, unless the context otherwise requires:

- (1) "Department" means the Kentucky Department of Parks within the Tourism, Arts and Heritage Cabinet;
- (2) "Person" means an individual, trust, firm, estate, joint stock company, corporation, nonprofit corporation, government corporation, limited liability company, partnership, association, organization, government unit or agency whether federal, state, city, commission, or other political subdivision of the Commonwealth, any interstate body, group of persons acting in concert, or other legal entity;
- (3) "Secretary" means the secretary of the Tourism, Arts and Heritage Cabinet of the Commonwealth of Kentucky; and
- (4) "Trail" means the Pine Mountain *State Scenic* Trail~~—State Park~~, as established in KRS 148.870.

➔Section 3. KRS 148.874 is amended to read as follows:

- (1) There is hereby designated a linear state park, the boundaries of which shall be determined by the department in accordance with this section known as the Pine Mountain *State Scenic* Trail~~—State Park~~, a trail of approximately one hundred twenty (120) miles in length, located exclusively within the boundaries of Kentucky beginning along the border of Kentucky and Virginia at or near Breaks Interstate Park, and extending generally south-southwest along the crest of Pine Mountain to the vicinity of Pine Mountain State Resort Park and continuing south to the Cumberland Gap National Park on the vicinity thereof. Insofar as practicable, the boundaries of the trail from the Breaks Interstate Park to Bad Branch State Nature Preserve shall be a one thousand (1,000) foot corridor, the center of which shall be the crest of Pine Mountain, to the extent that the corridor does not encroach upon the territory of the Commonwealth of Virginia. Insofar as practicable, the boundaries of the trail from the Bad Branch State Nature Preserve to the Pine Mountain State Resort Park shall be a corridor one hundred (100) to two hundred fifty (250) feet along the level top of Pine Mountain. The route of the trail from Pine Mountain State Resort Park to Cumberland Gap National Park shall be a corridor no wider than two hundred fifty (250) feet to be determined by the department. Notwithstanding these boundary limitations, the department may through negotiations with the land owner acquire additional land outside the boundary limitations. The trail shall be depicted on the "Pine Mountain *State Scenic* Trail Map," which shall be on file and available for public inspection in the office of the commissioner of the department. The trail map shall delineate those portions of the trail that are owned or leased by the Commonwealth or on which the Commonwealth has obtained an easement and shall be updated periodically solely for the purpose of reflecting additions to those specific areas.
- (2) The department may designate connecting or side paths which shall provide additional points of public access to the trail or access to points of interest, and which shall be of the same scenic nature as the trail, except that connecting or side paths shall not be acquired through eminent domain.
- (3) Because of its extended length, the department may supplement the trail by support facilities located on certain designated parts of the trail or outside the trail. These support facilities may include, as the department deems necessary and feasible, primitive shelters, fireplaces, safe water supplies, and other related public-use facilities that shall meet department standards. No open wood fires shall be permitted on the trail except in areas with support facilities specifically designated for that purpose.
- (4) The trail shall be a state scenic trail, so chosen because of its unique location. It shall be limited to foot use and other nonmotorized uses as permitted on segments where deemed appropriate by the department, and as set forth in KRS 148.878.
- (5) The department shall, no later than June 30, 2003, determine the boundaries of the trail. In determining the boundaries of the trail the department shall not encroach upon any privately owned dwelling, or areas designated for residential structures and their surrounding properties, but shall route the trail around a privately owned dwelling or areas designated for a residential structure.
- (6) The department shall not acquire through eminent domain any cemetery or its surrounding property which is designated as a cemetery or burial ground on July 15, 2002.

➔Section 4. KRS 148.880 is amended to read as follows:

A fund for the purpose of carrying out the provisions of KRS 148.870 to 148.892 is hereby created, to be designated as the Pine Mountain *State Scenic* Trail fund, and shall consist of all revenues derived from privileges, concessions, contracts, or otherwise, and all moneys received by gifts, contributions, donations, and grants from public or private sources. This shall be a trust and agency fund account maintained and disbursed by the Tourism, Arts and Heritage Cabinet to carry out the purposes of KRS 148.870 to 148.892, after appropriations are made for administration and other expenses and purposes provided in KRS 148.870 to 148.892. It shall not lapse, and interest earnings shall accrue to the fund.

➔Section 5. KRS 148.892 is amended to read as follows:

KRS 148.870 to 148.892 may be cited as the Pine Mountain *State Scenic* Trail Act.

Signed by Governor April 8, 2010.

CHAPTER 88

(HB 88)

AN ACT relating to campaign finance reports.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 121.180 is amended to read as follows:

- (1) (a) Any candidate, slate of candidates, or political issues committee shall be exempt from filing any preelection finance reports required by subsection (3) of this section if the candidate, slate of candidates, or political issues committee chairman files a form prescribed and furnished by the registry stating that contributions will not be accepted or expended in excess of three thousand dollars (\$3,000) in any one (1) election to further the candidacy or to support or oppose a constitutional amendment or public question which will appear on the ballot. For a candidate for judicial office who desires to be exempt from filing preelection campaign finance reports as provided in this paragraph, the request for exemption shall be filed by the campaign treasurer of the candidate's campaign committee, but the candidate shall be personally liable for any violation if the campaign treasurer accepts contributions or makes expenditures in excess of the limit and shall be subject to the same penalties as a candidate as provided in subparagraph (1)1. or 2. of this subsection. A separate form shall be required for each primary, regular, or special election in which the candidate or slate of candidates participates or in which the public question appears on the ballot, unless the candidate, slate of candidates, or political issues committee chairman indicates on a request for exemption that the request will be applicable to more than one (1) election. The form shall be filed with the same office with which a candidate or slate of candidates files nomination papers or, in the case of a political issues committee, with the registry.
- (b) Any candidate, slate of candidates, or political issues committee shall be exempt from filing any campaign finance reports required by subsections (3) and (4) of this section if the candidate, slate of candidates, or political issues committee chairman files a form prescribed and furnished by the registry stating that currently no contributions have been received and that contributions will not be accepted or expended in excess of one thousand dollars (\$1,000) in any one (1) election. For a candidate for judicial office who desires to be exempt from filing any campaign finance reports as provided in this paragraph, the request for exemption shall be filed by the campaign treasurer of the candidate's campaign committee, but the candidate shall be personally liable for any violation if the campaign treasurer accepts contributions or makes expenditures in excess of the limit and shall be subject to the same penalties as a candidate as provided in subparagraph (1)1. or 2. of this subsection. A separate form shall be required for each primary, regular, or special election in which the candidate or slate of candidates participates or in which the public question appears on the ballot, unless the candidate, slate of candidates, or political issues committee chairman indicates on a request for exemption that the request will be applicable to more than one (1) election. The form shall be filed with the same office with which a candidate or slate of candidates files nomination papers or, in the case of a political issues committee, with the registry.
- (c) For a primary election, a candidate or slate of candidates shall file a request for exemption not later than the deadline for filing nomination papers and, except as provided in subparagraph 2. of paragraph (d) of this subsection, shall be bound by its terms unless it is rescinded in writing not later than fifteen (15)

days after the filing deadline. For a regular election, a candidate or slate of candidates shall file or rescind in writing a request for exemption not later than twenty-five (25) days after the date of the preceding primary election, except as provided in subparagraph 2. of paragraph (d) of this subsection. For a special election, a candidate or slate of candidates shall file a request for exemption not later than ten (10) days after the candidate or slate of candidates is nominated for a special election and shall be bound by its terms unless it is rescinded in writing not later than twenty-five (25) days after the date on which the nomination for a special election is made. A political issues committee chairman shall file a request for exemption not later than ten (10) days after the date on which the committee registers with the registry and shall be bound by its terms unless it is rescinded in writing not later than fifteen (15) days after the date on which the request for exemption is filed.

- (d)
 - 1. A candidate or slate of candidates that revokes a request for exemption in a timely manner may exercise the remaining option or may file all reports required of a candidate intending to raise or spend in excess of three thousand dollars (\$3,000) in an election. If a candidate or slate of candidates elects to exercise a different option, the candidate or slate of candidates shall file the appropriate form with the officer who received the filing papers of the candidate or slate of candidates not later than the deadline for filing a revocation.
 - 2. A candidate for any city or county office or for any school board office, who is exempted from some or all campaign finance reporting requirements pursuant to paragraph (a) or (b) of this subsection but who accepts contributions or makes expenditures in excess of the exempted amount in an election, shall file all applicable reports required for the remainder of that election, based upon the amount of contributions or expenditures the candidate accepts or receives in that election. The filing of applicable required reports by a candidate after the exempted amount is exceeded shall serve as notice to the registry that the initial exemption has been rescinded. No further notice to the registry shall be required and no penalty for exceeding the initial exempted amount shall be imposed against the candidate, except for failure to file applicable reports required after the exempted amount is exceeded.
- (e) Any candidate or slate of candidates that is subject to an August filing deadline and that intends to execute a request for exemption shall file the appropriate request for exemption not later than the filing deadline and, except as provided in subparagraph 2. of paragraph (d) of this subsection, shall be bound by its terms unless it is rescinded in writing not later than fifteen (15) days after the filing deadline. A candidate or slate of candidates that is covered by this paragraph shall have the same reversion rights as those provided in subparagraph 1. of paragraph (d) of this subsection.
- (f) Any candidate or slate of candidates that will appear on the ballot in a regular election that has signed either request for exemption for that election may exercise the reversion rights provided in subparagraph 1. of paragraph (d) of this subsection if a candidate or slate of candidates that is subject to an August filing deadline subsequently files in opposition to the candidate or slate of candidates. Except as provided in subparagraph 2. of paragraph (d) of this subsection, a candidate or slate of candidates covered by this paragraph shall comply with the deadline for rescission provided in subparagraph 1. of paragraph (d) of this subsection.
- (g) Except as provided in subparagraph 2. of paragraph (d) of this subsection, any candidate or slate of candidates that has filed a request for exemption for a regular election that later is opposed by a person who has filed a declaration of intent to receive write-in votes may rescind the request for exemption and exercise the reversion rights provided in subparagraph 1. of paragraph (d) of this subsection.
- (h) Any candidate or slate of candidates that has filed a request for exemption may petition the registry to determine whether another person is campaigning as a write-in candidate prior to having filed a declaration of intent to receive write-in votes, and, if the registry determines upon a preponderance of the evidence that a person who may later be a write-in candidate is conducting a campaign, the candidate or slate of candidates, except as provided in subparagraph 2. of paragraph (d) of this subsection, may petition the registry to permit the candidate or slate of candidates to exercise the reversion rights provided in subparagraph 1. of paragraph (d) of this subsection.
- (i) If the opponent of a candidate or slate of candidates is replaced due to his withdrawal because of death, disability, or disqualification, the candidate or slate of candidates, except as provided in subparagraph 2. of paragraph (d) of this subsection, may exercise the reversion rights provided in subparagraph 1. of

paragraph (d) of this subsection not later than fifteen (15) days after the party executive committee nominates a replacement for the withdrawn candidate or slate of candidates.

- (j) A person intending to be a write-in candidate for any office in a regular or special election may execute a request for exemption under paragraph (a) or (b) of this subsection and shall be bound by its terms unless it is rescinded in writing not later than fifteen (15) days after the filing deadline for the regular or special election. A person intending to be a write-in candidate who revokes a request for exemption in a timely manner may exercise the remaining exemption option or may file all reports required of a candidate intending to raise or spend in excess of three thousand dollars (\$3,000) in an election. Except as provided in subparagraph 2. of paragraph (d) of this subsection, a person intending to be a write-in candidate who elects to exercise a different exemption option shall file the appropriate form with the officer who received the initial request for exemption not later than fifteen (15) days after the filing deadline for the regular or special election.
- (k) Except as provided in subparagraph 2. of paragraph (d) of this subsection, the campaign committee of any candidate or slate of candidates that has filed a request for exemption or a political issues committee whose chairman has filed a request for exemption shall be bound by its terms unless it is rescinded in a timely manner and no new request for exemption has been executed.
- (l)
 - 1. Except as provided in subparagraph 2. of paragraph (d) of this subsection, any candidate, slate of candidates, or political issues committee that is exempt from filing campaign finance reports pursuant to paragraph (a), (b), (e), or (j) of this subsection that accepts contributions or makes expenditures, or whose campaign treasurer accepts contributions or makes expenditures, in excess of the applicable limit in any one (1) election without rescinding the request for exemption in a timely manner shall comply with all applicable reporting requirements and, in lieu of other penalties prescribed by law, pay a fine of not more than five hundred dollars (\$500) plus the amount by which the spending limit was exceeded.
 - 2. Except as provided in subparagraph 2. of paragraph (d) of this subsection, a candidate, slate of candidates, campaign committee, or political issues committee that is exempt from filing campaign finance reports pursuant to paragraph (a), (b), (e), or (j) of this subsection that knowingly accepts contributions or makes expenditures in excess of the applicable spending limit in any one (1) election without rescinding the request for exemption in a timely manner shall comply with all applicable reporting requirements and shall be guilty of a Class D felony.

A contributing organization shall file a report of contributions received and expenditures on a form provided or using a format approved by the registry not later than the last day of each calendar quarter in which contributions are received or expenditures are made. All reports to the registry shall be postmarked or received not later than five (5) days after each filing deadline.
- (7) If the final statement of a candidate, campaign committee, or political issues committee shows an unexpended balance of contributions, continuing debts and obligations, or an expenditure deficit, the campaign treasurer shall file with the registry a supplemental statement of contributions and expenditures not more than thirty (30) days after the deadline for filing the final statement. Subsequent supplemental statements shall be filed annually, to be received by the registry or postmarked not later than ten (10) days after November 1 of each year, until the account shows no unexpended balance, continuing debts and obligations, expenditures, or deficit, or until the year before the candidate or a slate of candidates seeks to appear on the ballot for the same office for which the funds in the campaign account were originally contributed, in which case the candidate or a slate of candidates shall file the supplemental annual report not later than ten (10) days after November 1 of that year or at the end of the first calendar quarter of that year after the candidate or slate of candidates files nomination papers for the next year's primary or regular election. All contributions shall be subject to KRS 121.150.

- (8) All reports filed under the provisions of this chapter shall be a matter of public record open to inspection by any member of the public immediately upon receipt of the report by the registry. A duplicate paper copy of each report filed either on paper or electronically with the registry shall be filed by the candidate, slate of candidates, or committee with the county clerk in the county in which the candidate or persons running as a slate of candidates reside at the same time. County clerks shall maintain these reports for public inspection for a period of one (1) year from the date the last report is required to be filed.
- (9) A candidate or slate of candidates is relieved of the duty personally to file reports and keep records of receipts and expenditures if the candidate or slate states in writing or on forms provided by the registry that:
- (a) Within five (5) business days after personally receiving any contributions, the candidate or slate of candidates shall surrender possession of the contributions to the treasurer of their principal campaign committee without expending any of the proceeds thereof. No contributions shall be commingled with the candidate's or slated candidates' personal funds or accounts. Contributions received by check, money order, or other written instrument shall be endorsed directly to the campaign committee and shall not be cashed or redeemed by the candidate;
 - (b) The candidate or slate of candidates shall not make any unreimbursed expenditure for the campaign, except that this paragraph does not preclude a candidate or slate from making an expenditure from personal funds to the designated principal campaign committee, which shall be reported by the committee as a contribution received; and
 - (c) The waiver shall continue in effect as long as the candidate or slate of candidates complies with the conditions under which it was granted.
- (10) No candidate, slate of candidates, campaign committee, political issues committee, or contributing organization shall use or permit the use of contributions or funds solicited or received for the person or in support of or opposition to a public issue which will appear on the ballot to further the candidacy of the person for a different public office, to support or oppose a different public issue, or to further the candidacy of any other person for public office; except that nothing in this subsection shall be deemed to prohibit a candidate or slate of candidates from using funds in the campaign account to purchase admission tickets for any fundraising event or testimonial affair for another candidate or slate of candidates if the amount of the purchase does not exceed one hundred dollars (\$100) per event or affair. Any funds or contributions solicited or received by or on behalf of a candidate, slate of candidates, or any committee, which has been organized in whole or in part to further any candidacy for the same person or to support or oppose the same public issue, shall be deemed to have been solicited or received for the current candidacy or for the election on the public issue if the funds or contributions are solicited or received at any time prior to the regular election for which the candidate, slate of candidates, or public issue is on the ballot. Any unexpended balance of funds not otherwise obligated for the payment of expenses incurred to further a political issue or the candidacy of a person shall, in whole or in part, at the election of the candidate or committee, escheat to the State Treasury, be returned pro rata to all contributors, or, in the case of a partisan candidate, be transferred to a caucus campaign committee, or to the state or county executive committee of the political party of which the candidate is a member except that a candidate, committee, or an official may retain the funds to further the same public issue or to seek election to the same office or may donate the funds to any charitable, nonprofit, or educational institution recognized under Section 501(c)(3) of the United States Internal Revenue Code of 1986, as amended, and any successor thereto.
- (11) (a) Any publisher of newspapers or magazines, owner or lessor of billboards, or any other person, company, corporation, or business organization offering its communications or advertising services for hire to the public who receives funds for the purchase of advertising services or material, shall file with the registry a copy of the material or communication purchased which supports or opposes any slate of candidates or committee; a copy of the receipt for the funds paid; the name and address of each purchaser; and the source of the funds for the purchase if different than the purchaser.
- (b) A radio or television station or network that receives funds for the purchase of advertising services or material that supports or opposes a slate of candidates or committee shall file with the registry a copy of the documentation of paid political campaign advertisements that is required to be maintained by the Federal Communications Commission, along with a cover letter from the manager of the station or network or the manager's designee.

- (c) All information required to be reported by paragraphs (a) and (b) of this subsection shall be in the hands of the registry or postmarked not later than the thirtieth day following the primary and regular elections that are held subsequent to the date that the broadcasting or printing of the advertisement occurs.
 - (d) The provisions of this subsection shall apply only to purchases of advertising services or material to support or oppose a slate of candidates for election to the offices of Governor and Lieutenant Governor.
 - (e) Notwithstanding KRS 121.990, penalties for violation of this subsection shall be assessed in accordance with the provisions of KRS 121.140(2).
- (12) (a) For the purposes of this subsection, "election cycle," as applied to contributions, expenditures, or loans to support or oppose a candidate for a particular office, means the period of time beginning January 1 following a regular election for the office and ending December 31 following the next regular election for that office.
- (b) For the purpose of this subsection, "election cycle," as applied to contributions, expenditures, or loans to support or oppose a constitutional amendment or public question which appears on the ballot, means the period of time beginning January 1 following a regular election for any state legislative office and ending December 31 following the next regular election for any state legislative office.
- (c) If adequate and appropriate agency funds are available to implement this subsection, beginning on January 1, 2002, the option of electronic reporting shall be made available by the registry for all of the following:
- 1. Candidates for statewide office and slates of candidates that during the election cycle receive contributions or loans in the aggregate of twenty-five thousand dollars (\$25,000) or more, or at any time have a balance in a campaign account or accounts in the aggregate of twenty-five thousand dollars (\$25,000) or more;

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 342.0011 is amended to read as follows:

As used in this chapter, unless the context otherwise requires:

- (1) "Injury" means any work-related traumatic event or series of traumatic events, including cumulative trauma, arising out of and in the course of employment which is the proximate cause producing a harmful change in the human organism evidenced by objective medical findings. "Injury" does not include the effects of the natural aging process, and does not include any communicable disease unless the risk of contracting the disease is increased by the nature of the employment. "Injury" when used generally, unless the context indicates otherwise, shall include an occupational disease and damage to a prosthetic appliance, but shall not include a psychological, psychiatric, or stress-related change in the human organism, unless it is a direct result of a physical injury;
- (2) "Occupational disease" means a disease arising out of and in the course of the employment;
- (3) An occupational disease as defined in this chapter shall be deemed to arise out of the employment if there is apparent to the rational mind, upon consideration of all the circumstances, a causal connection between the conditions under which the work is performed and the occupational disease, and which can be seen to have followed as a natural incident to the work as a result of the exposure occasioned by the nature of the employment and which can be fairly traced to the employment as the proximate cause. The occupational disease shall be incidental to the character of the business and not independent of the relationship of employer and employee. An occupational disease need not have been foreseen or expected but, after its contraction, it must appear to be related to a risk connected with the employment and to have flowed from that source as a rational consequence;
- (4) "Injurious exposure" shall mean that exposure to occupational hazard which would, independently of any other cause whatsoever, produce or cause the disease for which the claim is made;
- (5) "Death" means death resulting from an injury or occupational disease;
- (6) "Carrier" means any insurer, or legal representative thereof, authorized to insure the liability of employers under this chapter and includes a self-insurer;
- (7) "Self-insurer" is an employer who has been authorized under the provisions of this chapter to carry his own liability on his employees covered by this chapter;
- (8) "Office" means the Office of Workers' Claims in the Department of Labor;

- (b) "Permanent partial disability" means the condition of an employee who, due to an injury, has a permanent disability rating but retains the ability to work; and

- (c) "Permanent total disability" means the condition of an employee who, due to an injury, has a permanent disability rating and has a complete and permanent inability to perform any type of work as a result of an injury, except that total disability shall be irrebuttably presumed to exist for an injury that results in:
1. Total and permanent loss of sight in both eyes;
 2. Loss of both feet at or above the ankle;
 3. Loss of both hands at or above the wrist;
 4. Loss of one (1) foot at or above the ankle and the loss of one (1) hand at or above the wrist;
 5. Permanent and complete paralysis of both arms, both legs, or one (1) arm and one (1) leg;
 6. Incurable insanity or imbecility; or
 7. Total loss of hearing;
- (12) "Income benefits" means payments made under the provisions of this chapter to the disabled worker or his dependents in case of death, excluding medical and related benefits;
- (13) "Medical and related benefits" means payments made for medical, hospital, burial, and other services as provided in this chapter, other than income benefits;

- (16) "Person" means any individual, partnership, limited partnership, limited liability company, firm, association, trust, joint venture, corporation, or legal representative thereof;
- (17) "Wages" means, in addition to money payments for services rendered, the reasonable value of board, rent, housing, lodging, fuel, or similar advantages received from the employer, and gratuities received in the course of employment from persons other than the employer as evidenced by the employee's federal and state tax returns;
- (18) "Agriculture" means the operation of farm premises, including the planting, cultivation, producing, growing, harvesting, and preparation for market of agricultural or horticultural commodities thereon, the raising of livestock for food products and for racing purposes, and poultry thereon, and any work performed as an incident to or in conjunction with the farm operations, including the sale of produce at on-site markets and the processing of produce for sale at on-site markets. It shall not include the commercial processing, packing, drying, storing, or canning of such commodities for market, or making cheese or butter or other dairy products for market;
- (19) "Beneficiary" means any person who is entitled to income benefits or medical and related benefits under this chapter;
- (20) "United States," when used in a geographic sense, means the several states, the District of Columbia, the Commonwealth of Puerto Rico, the Canal Zone, and the territories of the United States;
- (21) "Alien" means a person who is not a citizen, a national, or a resident of the United States or Canada. Any person not a citizen or national of the United States who relinquishes or is about to relinquish his residence in the United States shall be regarded as an alien;
- (22) "Insurance carrier" means every insurance carrier or insurance company authorized to do business in the Commonwealth writing workers' compensation insurance coverage and includes the Kentucky Employers Mutual Insurance Authority and every self-insured group operating under the provisions of this chapter;
- (23) (a) "Severance or processing of coal" means all activities performed in the Commonwealth at underground, auger, and surface mining sites; all activities performed at tipple or processing plants that clean, break, size, or treat coal; and all activities performed at coal loading facilities for trucks, railroads, and barges. Severance or processing of coal shall not include acts performed by a final consumer if the acts are performed at the site of final consumption;
- (b) "Engaged in severance or processing of coal" shall include all individuals, partnerships, limited partnerships, limited liability companies, corporations, joint ventures, associations, or any other business

entity in the Commonwealth which has employees on its payroll who perform any of the acts stated in paragraph (a) of this subsection, regardless of whether the acts are performed as owner of the coal or on a contract or fee basis for the actual owner of the coal. A business entity engaged in the severance or processing of coal, including but not limited to administrative or selling functions, shall be considered wholly engaged in the severance or processing of coal for the purpose of this chapter. However, a business entity which is engaged in a separate business activity not related to coal, for which a separate premium charge is not made, shall be deemed to be engaged in the severance or processing of coal only to the extent that the number of employees engaged in the severance or processing of coal bears to the total number of employees. Any employee who is involved in the business of severing or processing of coal and business activities not related to coal shall be prorated based on the time involved in severance or processing of coal bears to his total time;

- (24) "Premium" for every self-insured group means any and all assessments levied on its members by such group or contributed to it by the members thereof. For special fund assessment purposes, "premium" also includes any and all membership dues, fees, or other payments by members of the group to associations or other entities used for underwriting, claims handling, loss control, premium audit, actuarial, or other services associated with the maintenance or operation of the self-insurance group;
- (25) (a) "Premiums received" for policies effective on or after January 1, 1994, for insurance companies means direct written premiums as reported in the annual statement to the Office of Insurance by insurance companies, except that "premiums received" includes premiums charged off or deferred, and, on insurance policies or other evidence of coverage with provisions for deductibles, the calculated cost for coverage, including experience modification and premium surcharge or discount, prior to any reduction for deductibles. The rates, factors, and methods used to calculate the cost for coverage under this paragraph for insurance policies or other evidence of coverage with provisions for deductibles shall be the same rates, factors, and methods normally used by the insurance company in Kentucky to calculate the cost for coverage for insurance policies or other evidence of coverage without provisions for deductibles, except that, for insurance policies or other evidence of coverage with provisions for deductibles effective on or after January 1, 1995, the calculated cost for coverage shall not include any schedule rating modification, debits, or credits. The cost for coverage calculated under this paragraph by insurance companies that issue only deductible insurance policies in Kentucky shall be actuarially adequate to cover the entire liability of the employer for compensation under this chapter, including all expenses and allowances normally used to calculate the cost for coverage. For policies with provisions for deductibles with effective dates of May 6, 1993, through December 31, 1993, for which the insurance company did not report premiums and remit special fund assessments based on the calculated cost for coverage prior to the reduction for deductibles, "premiums received" includes the initial premium plus any reimbursements invoiced for losses, expenses, and fees charged under the deductibles. The special fund assessment rates in effect for reimbursements invoiced for losses, expenses, or fees charged under the deductibles shall be those percentages in effect on the effective date of the insurance policy. For policies covering leased employees as defined in KRS 342.615, "premiums received" means premiums calculated using the experience modification factor of each lessee as defined in KRS 342.615 for each leased employee for that portion of the payroll pertaining to the leased employee.
- (b) "Direct written premium" for insurance companies means the gross premium written less return premiums and premiums on policies not taken but including policy and membership fees.
- (c) "Premium," for policies effective on or after January 1, 1994, for insurance companies means all consideration, whether designated as premium or otherwise, for workers' compensation insurance paid to an insurance company or its representative, including, on insurance policies with provisions for deductibles, the calculated cost for coverage, including experience modification and premium surcharge or discount, prior to any reduction for deductibles. The rates, factors, and methods used to calculate the cost for coverage under this paragraph for insurance policies or other evidence of coverage with provisions for deductibles shall be the same rates, factors, and methods normally used by the insurance company in Kentucky to calculate the cost for coverage for insurance policies or other evidence of coverage without provisions for deductibles, except that, for insurance policies or other evidence of coverage with provisions for deductibles effective on or after January 1, 1995, the calculated cost for coverage shall not include any schedule rating modifications, debits, or credits. The cost for coverage calculated under this paragraph by insurance companies that issue only deductible insurance policies in

Kentucky shall be actuarially adequate to cover the entire liability of the employer for compensation under this chapter, including all expenses and allowances normally used to calculate the cost for coverage. For policies with provisions for deductibles with effective dates of May 6, 1993, through December 31, 1993, for which the insurance company did not report premiums and remit special fund assessments based on the calculated cost for coverage prior to the reduction for deductibles, "premium" includes the initial consideration plus any reimbursements invoiced for losses, expenses, or fees charged under the deductibles.

- (d) "Return premiums" for insurance companies means amounts returned to insureds due to endorsements, retrospective adjustments, cancellations, dividends, or errors;
- (26) "Insurance policy" for an insurance company or self-insured group means the term of insurance coverage commencing from the date coverage is extended, whether a new policy or a renewal, through its expiration, not to exceed the anniversary date of the renewal for the following year;
- (27) "Self-insurance year" for a self-insured group means the annual period of certification of the group created pursuant to KRS 342.350(4) and 304.50-010;
- (28) "Premium" for each employer carrying his own risk pursuant to KRS 342.340(1) shall be the projected value of the employer's workers' compensation claims for the next calendar year as calculated by the executive director using generally-accepted actuarial methods as follows:
 - (a) The base period shall be the earliest three (3) calendar years of the five (5) calendar years immediately preceding the calendar year for which the calculation is made. The executive director shall identify each claim of the employer which has an injury date or date of last injurious exposure to the cause of an occupational disease during each one (1) of the three (3) calendar years to be used as the base, and shall assign a value to each claim. The value shall be the total of the indemnity benefits paid to date and projected to be paid, adjusted to current benefit levels, plus the medical benefits paid to date and projected to be paid for the life of the claim, plus the cost of medical and vocational rehabilitation paid to date and projected to be paid. Adjustment to current benefit levels shall be done by multiplying the weekly indemnity benefit for each claim by the number obtained by dividing the statewide average weekly wage which will be in effect for the year for which the premium is being calculated by the statewide average weekly wage in effect during the year in which the injury or date of the last exposure occurred. The total value of the claims using the adjusted weekly benefit shall then be calculated by the executive director. Values for claims in which awards have been made or settlements reached because of findings of permanent partial or permanent total disability shall be calculated using the mortality and interest discount assumptions used in the latest available statistical plan of the advisory rating organization defined in Subtitle 13 of KRS Chapter 304. The sum of all calculated values shall be computed for all claims in the base period;
 - (b) The executive director shall obtain the annual payroll for each of the three (3) years in the base period for each employer carrying his own risk from records of the office and from the records of the Office of Employment and Training, Education and Workforce Development Cabinet. The executive director shall multiply each of the three (3) years of payroll by the number obtained by dividing the statewide average weekly wage which will be in effect for the year in which the premium is being calculated by the statewide average weekly wage in effect in each of the years of the base period;
 - (c) The executive director shall divide the total of the adjusted claim values for the three (3) year base period by the total adjusted payroll for the same three (3) year period. The value so calculated shall be multiplied by 1.25 and shall then be multiplied by the employer's most recent annualized payroll, calculated using records of the office and the Office of Employment and Training data which shall be made available for this purpose on a quarterly basis as reported, to obtain the premium for the next calendar year for assessment purposes under KRS 342.122;
 - (d) For November 1, 1987, through December 31, 1988, premium for each employer carrying his own risk shall be an amount calculated by the board pursuant to the provisions contained in this subsection and such premium shall be provided to each employer carrying his own risk and to the funding commission on or before January 1, 1988. Thereafter, the calculations set forth in this subsection shall be performed annually, at the time each employer applies or renews his application for certification to carry his own risk for the next twelve (12) month period and submits payroll and other data in support of the application. The employer and the funding commission shall be notified at the time of the certification or recertification of the premium calculated by the executive director, which shall form the employer's

basis for assessments pursuant to KRS 342.122 for the calendar year beginning on January 1 following the date of certification or recertification;

- (e) If an employer having fewer than five (5) years of doing business in this state applies to carry his own risk and is so certified, his premium for the purposes of KRS 342.122 shall be based on the lesser number of years of experience as may be available including the two (2) most recent years if necessary to create a three (3) year base period. If the employer has less than two (2) years of operation in this state available for the premium calculation, then his premium shall be the greater of the value obtained by the calculation called for in this subsection or the amount of security required by the executive director pursuant to KRS 342.340(1);
 - (f) If an employer is certified to carry his own risk after having previously insured the risk, his premium shall be calculated using values obtained from claims incurred while insured for as many of the years of the base period as may be necessary to create a full three (3) year base. After the employer is certified to carry his own risk and has paid all amounts due for assessments upon premiums paid while insured, he shall be assessed only upon the premium calculated under this subsection;
 - (g) "Premium" for each employer defined in KRS 342.630(2) shall be calculated as set forth in this subsection; and
 - (h) Notwithstanding any other provision of this subsection, the premium of any employer authorized to carry its own risk for purposes of assessments due under this chapter shall be no less than thirty cents (\$0.30) per one hundred dollars (\$100) of the employer's most recent annualized payroll for employees covered by this chapter;
- (29) "SIC code" as used in this chapter means the Standard Industrial Classification Code contained in the latest edition of the Standard Industrial Classification Manual published by the Federal Office of Management and Budget;
 - (30) "Investment interest" means any pecuniary or beneficial interest in a provider of medical services or treatment under this chapter, other than a provider in which that pecuniary or investment interest is obtained on terms equally available to the public through trading on a registered national securities exchange, such as the New York Stock Exchange or the American Stock Exchange, or on the National Association of Securities Dealers Automated Quotation System;
 - (31) "Managed health care system" means a health care system that employs gatekeeper providers, performs utilization review, and does medical bill audits;
 - (32) "Physician" means physicians and surgeons, psychologists, optometrists, dentists, podiatrists, and osteopathic and chiropractic practitioners acting within the scope of their license issued by the Commonwealth;
 - (33) "Objective medical findings" means information gained through direct observation and testing of the patient applying objective or standardized methods;
 - (34) "Work" means providing services to another in return for remuneration on a regular and sustained basis in a competitive economy;
 - (35) "Permanent impairment rating" means percentage of whole body impairment caused by the injury or occupational disease as determined by *the* "Guides to the Evaluation of Permanent Impairment~~[-]~~"~~[-]~~~~American Medical Association, latest available edition~~~~[-]~~~~and~~
 - (36) "Permanent disability rating" means the permanent impairment rating selected by an administrative law judge times the factor set forth in the table that appears at KRS 342.730(1)(b); *and*
 - (37) *"Guides to the Evaluation of Permanent Impairment" means, except as provided in Section 2 of this Act:*
 - (a) *The fifth edition published by the American Medical Association; and*
 - (b) *For psychological impairments, chapter 12 of the second edition published by the American Medical Association.*

➔SECTION 2. A NEW SECTION OF KRS CHAPTER 342 IS CREATED TO READ AS FOLLOWS:

- (1) *The General Assembly hereby declares it to be the policy of the Commonwealth of Kentucky that the most recent and valid scientific and technological advancements in medicine be considered in evaluating the nature and extent of an injured worker's impairment.*
- (2) (a) *Therefore, within one hundred eighty (180) days of publication by the American Medical Association of a new edition of the "Guides to the Evaluation of Permanent Impairment," the executive director shall recommend to the General Assembly whether all or a portion of the new edition should be enacted by the General Assembly in order to produce more equitable and accurate ratings of permanent impairment resulting from work-related injuries.*
- (b) *Prior to making the recommendation required in paragraph (a) of this subsection, the executive director shall:*
 1. *Consult with medical providers, representatives of injured workers, employers and representatives of employers, insurance carriers, and legal representatives or employers and injured workers; and*
 2. *Consider studies and analyses conducted by workers' compensation rating organizations, including the National Council on Compensation Insurance (NCCI).*
- (3) *The recommendation of the executive director shall not become effective unless the General Assembly approves and adopts the recommendation.*

➔Section 3. KRS 342.315 is amended to read as follows:

- (1) The executive director shall contract with the University of Kentucky and the University of Louisville medical schools to evaluate workers who have had injuries or become affected by occupational diseases covered by this chapter. Referral for evaluation may be made to one (1) of the medical schools whenever a medical question is at issue.
- (2) The physicians and institutions performing evaluations pursuant to this section shall render reports encompassing their findings and opinions in the form prescribed by the executive director. Except as otherwise provided in KRS 342.316, the clinical findings and opinions of the designated evaluator shall be afforded presumptive weight by administrative law judges and the burden to overcome such findings and opinions shall fall on the opponent of that evidence. When administrative law judges reject the clinical findings and opinions of the designated evaluator, they shall specifically state in the order the reasons for rejecting that evidence.
- (3) The executive director or an administrative law judge may, upon the application of any party or upon his own motion, direct appointment by the executive director, pursuant to subsection (1) of this section, of a medical evaluator to make any necessary medical examination of the employee. Such medical evaluator shall file with the executive director within fifteen (15) days after such examination a written report. The medical evaluator appointed may charge a reasonable fee not exceeding fees established by the executive director for those services.
- (4) Within thirty (30) days of the receipt of a statement for the evaluation, the employer or carrier shall pay the cost of the examination. Upon notice from the executive director that an evaluation has been scheduled, the insurance carrier shall forward within seven (7) days to the employee the expenses of travel necessary to attend the evaluation at a rate equal to that paid to state employees for travel by private automobile while conducting state business.
- (5) Upon claims in which it is finally determined that the injured worker was not the employee at the time of injury of an employer covered by this chapter, the special fund shall reimburse the carrier for any evaluation performed pursuant to this section for which the carrier has been erroneously compelled to make payment.
- (6) Not less often than annually the designee of the secretary of the Cabinet for Health and Family Services shall assess the performance of the medical schools and render findings as to whether evaluations conducted under this section are being rendered in a timely manner, whether examinations are conducted in accordance with medically recognized techniques, whether impairment ratings are in conformity with standards prescribed by the ~~the latest edition available of the~~ "Guides to the Evaluation of Permanent Impairment" ~~published by the American Medical Association,~~ and whether coal workers' pneumoconiosis examinations are conducted in accordance with the standards prescribed in this chapter.
- (7) The General Assembly finds that good public policy mandates the realization of the potential advantages, both economic and effectual, of the use of telemedicine and telehealth. The executive director may, to the extent that

he finds it feasible and appropriate, require the use of telemedicine and telehealth practices, as authorized under KRS 194A.125, in the independent medical evaluation process required by this chapter.

➔Section 4. KRS 342.316 is amended to read as follows:

- (1) (a) The employer liable for compensation for occupational disease shall be the employer in whose employment the employee was last exposed to the hazard of the occupational disease. During any period in which this section is applicable to a coal mine, an operator who acquired it or substantially all of its assets from a person who was its operator on and after January 1, 1973, shall be liable for, and secure the payment of, the benefits which would have been payable by the prior operator under this section with respect to miners previously employed in the mine if it had not been acquired by such later operator. At the same time, however, this subsection does not relieve the prior operator of any liability under this section. Also, it does not affect whatever rights the later operator might have against the prior operator.
- (b) The time of the beginning of compensation payments shall be the date of the employee's last injurious exposure to the cause of the disease, or the date of actual disability, whichever is later.
- (2) The procedure with respect to the giving of notice and determination of claims in occupational disease cases and the compensation and medical benefits payable for disability or death due to the disease shall be the same as in cases of accidental injury or death under the general provisions of this chapter, except that notice of claim shall be given to the employer as soon as practicable after the employee first experiences a distinct manifestation of an occupational disease in the form of symptoms reasonably sufficient to apprise him that he has contracted the disease, or a diagnosis of the disease is first communicated to him, whichever shall first occur.
- (3) The procedure for filing occupational disease claims shall be as follows:
 - (a) The application for resolution of claim shall set forth the complete work history of the employee with a concise description of injurious exposure to a specific occupational disease, together with the name and addresses of the employer or employers with the approximate dates of employment. The application shall also include at least one (1) written medical report supporting his claim. This medical report shall be made on the basis of clinical or X-ray examination performed in accordance with accepted medical standards and shall contain full and complete statements of all examinations performed and the results thereof. The report shall be made by a duly-licensed physician. The executive director shall promulgate administrative regulations which prescribe the format of the medical report required by this section and the manner in which the report shall be completed.
 1. For coal-related occupational pneumoconiosis claims, each clinical examination shall include a chest X-ray interpretation by a National Institute of Occupational Safety and Health (NIOSH) certified "B" reader. The chest X-ray upon which the report is made shall be filed with the application as well as spirometric tests when pulmonary dysfunction is alleged.
 2. For other compensable occupational pneumoconiosis claims, each clinical examination shall include a chest X-ray examination and appropriate pulmonary function tests.
 - (b) To be admissible, medical evidence offered in any proceeding under this chapter for determining a claim for occupational pneumoconiosis resulting from exposure to coal dust shall comply with accepted medical standards as follows:
 1. Chest X-rays shall be of acceptable quality with respect to exposure and development and shall be indelibly labeled with the date of the X-ray and the name and Social Security number of the claimant. Physicians' reports of X-ray interpretations shall: identify the claimant by name and Social Security number; include the date of the X-ray and the date of the report; classify the X-ray interpretation using the latest ILO Classification and be accompanied by a completed copy of the latest ILO Classification report. Only interpretations by National Institute of Occupational Safety and Health (NIOSH) certified "B" readers shall be admissible.
 2. Spirometric testing shall be conducted in accordance with the standards recommended in the ~~latest edition available of the~~ "Guides to the Evaluation of Permanent Impairment" ~~published by the American Medical Association~~ and the 1978 ATS epidemiology standardization project with the exception that the predicted normal values for lung function shall not be adjusted based upon

the race of the subject. The FVC or the FEV1 values shall represent the largest of such values obtained from three (3) acceptable forced expiratory volume maneuvers as corrected to BTPS (body temperature, ambient pressure and saturated with water vapor at these conditions) and the variance between the two (2) largest acceptable FVC values shall be either less than five percent (5%) of the largest FVC value or less than one hundred (100) milliliters, whichever is greater. The variance between the two (2) largest acceptable FEV1 values shall be either less than five percent (5%) of the largest FEV1 value or less than one hundred (100) milliliters, whichever is greater. Reports of spirometric testing shall include a description by the physician of the procedures utilized in conducting such spirometric testing and a copy of the spirometric chart and tracings from which spirometric values submitted as evidence were taken.

3. The executive director shall promulgate administrative regulations pursuant to KRS Chapter 13A as necessary to effectuate the purposes of this section. The executive director shall periodically review the applicability of the spirometric test values contained in the ~~the latest edition available of the~~ "Guides to the Evaluation of Permanent Impairment" ~~published by the American Medical Association~~ and may by administrative regulation substitute other spirometric test values which are found to be more closely representative of the normal pulmonary function of the coal mining population.
4. The procedure for determination of occupational disease claims shall be as follows:
 - a. Immediately upon receipt of an application for resolution of claim, the executive director shall notify the responsible employer and all other interested parties and shall furnish them with a full and complete copy of the application.
 - b. The executive director shall assign the claim to an administrative law judge and, except for coal workers' pneumoconiosis claims, shall promptly refer the employee to such physician or medical facility as the executive director may select for examination. The report from this examination shall be provided to all parties of record. The employee shall not be referred by the executive director for examination within two (2) years following any prior referral for examination for the same disease.
 - c. Except for coal workers' pneumoconiosis claims, within forty-five (45) days following the notice of filing an application for resolution of claim, the employer or carrier shall notify the executive director and all parties of record of its acceptance or denial of the claim. A denial shall be in writing and shall state the specific basis for the denial. In coal workers' pneumoconiosis claims, the employer's notice of claim denial or acceptance shall be filed within thirty (30) days of the issuance by the executive director of the notice of the consensus reading unless the consensus is that the miner has not developed coal workers' pneumoconiosis category 1/0 or greater. In the event the consensus procedure is exhausted without consensus being established, the employer's notice of claim denial or acceptance shall be filed within thirty (30) days of the executive director notification to the administrative law judge that consensus has not been reached.
 - d. Within forty-five (45) days of assignment of a coal workers' pneumoconiosis claim to an administrative law judge, the employer shall cause the employee to be examined by a physician of the employer's choice and shall provide to all other parties and file with the executive director the X-ray interpretation by a "B" reader. The examination of the employee shall include spirometric testing if pulmonary dysfunction is alleged by the employee in the application for resolution of a claim. The executive director shall determine whether the X-ray interpretations filed by the parties are in consensus.
 - e. If the readings are not in consensus, the executive director shall forward both films, masking information identifying the facility where the X-ray was obtained and the referring physician, consecutively to three (3) "B" readers selected randomly from a list maintained by the executive director for interpretation. Each "B" reader shall select the highest quality film and report only the interpretation of that film. The executive director shall determine if two (2) of the X-ray interpretations filed by the three (3) "B" readers selected randomly are in consensus. If consensus is reached, the executive director shall forward copies of the report to all parties as well as notice of the consensus reading which

shall be considered as evidence. If consensus is not reached, the administrative law judge shall decide the claim on the evidence submitted.

- f. "Consensus" is reached between two (2) chest X-ray interpreters when their classifications meet one (1) of the following criteria: each finds either category A, B, or C progressive massive fibrosis; or findings with regard to simple pneumoconiosis are both in the same major category and within one (1) minor category (ILO category twelve (12) point scale) of each other.
 - g. The administrative law judge shall conduct such proceedings as are necessary to resolve the claim and shall have authority to grant or deny any relief, including interlocutory relief, to order additional proof, to conduct a benefit review conference, or to take such other action as may be appropriate to resolve the claim.
 - h. Unless a voluntary settlement is reached by the parties, or the parties agree otherwise, the administrative law judge shall issue a written determination within sixty (60) days following a hearing. The written determination shall address all contested issues and shall be enforceable under KRS 342.305.
- 5. The procedure for appeal from a determination of an administrative law judge shall be as set forth in KRS 342.285.
- (4) (a) The right to compensation under this chapter resulting from an occupational disease shall be forever barred unless a claim is filed with the executive director within three (3) years after the last injurious exposure to the occupational hazard or after the employee first experiences a distinct manifestation of an occupational disease in the form of symptoms reasonably sufficient to apprise him that he has contracted the disease, whichever shall last occur; and if death results from the occupational disease within that period, unless a claim therefor be filed with the executive director within three (3) years after the death; but that notice of claim shall be deemed waived in case of disability or death where the employer, or his insurance carrier, voluntarily makes payment therefor, or if the incurrence of the disease or the death of the employee and its cause was known to the employer. However, the right to compensation for any occupational disease shall be forever barred, unless a claim is filed with the executive director within five (5) years from the last injurious exposure to the occupational hazard, except that, in cases of radiation disease or asbestos-related disease, a claim must be filed within twenty (20) years from the last injurious exposure to the occupational hazard.
- (b) Income benefits for the disease of pneumoconiosis resulting from exposure to coal dust or death therefrom shall not be payable unless the employee has been exposed to the hazards of such pneumoconiosis in the Commonwealth of Kentucky over a continuous period of not less than two (2) years during the ten (10) years immediately preceding the date of his last exposure to such hazard, or for any five (5) of the fifteen (15) years immediately preceding the date of such last exposure.
- (5) The amount of compensation payable for disability due to occupational disease or for death from the disease, and the time and manner of its payment, shall be as provided for under the general provisions of the Workers' Compensation Act, but:
 - (a) In no event shall the payment exceed the amounts that were in effect at the time of the last injurious exposure;
 - (b) The time of the beginning of compensation payments shall be the date of the employee's last injurious exposure to the cause of the disease, or the date of actual disability, whichever is later; and
 - (c) In case of death where the employee has been awarded compensation or made timely claim within the period provided for in this section, and an employee has suffered continuous disability to the date of his death occurring at any time within twenty (20) years from the date of disability, his dependents, if any, shall be awarded compensation for his death as provided for under the general provisions of the Workers' Compensation Act and in this section, except as provided in KRS 342.750(6).
- (6) If an autopsy has been performed, no testimony relative thereto shall be admitted unless the employer or his representative has available findings and reports of the pathologist or doctor who performed the autopsy examination.

- (7) No compensation shall be payable for occupational disease if the employee at the time of entering the employment of the employer by whom compensation would otherwise be payable, falsely represented himself, in writing, as not having been previously disabled, laid off, or compensated in damages or otherwise, because of the occupational disease, or failed or omitted truthfully to state to the best of his knowledge, in answer to written inquiry made by the employer, the place, duration, and nature of previous employment, or, to the best of his knowledge, the previous state of his health.
- (8) No compensation for death from occupational disease shall be payable to any person whose relationship to the deceased, which under the provisions of this chapter would give right to compensation, arose subsequent to the beginning of the first compensable disability, except only for after-born children of a marriage existing at the beginning of such disability.
- (9) Whenever any claimant misconceives his remedy and files an application for adjustment of claim under the general provisions of this chapter and it is subsequently discovered, at any time before the final disposition of the cause, that the claim for injury, disability, or death which was the basis for his application should properly have been made under the provisions of this section, then the application so filed may be amended in form or substance, or both, to assert a claim for injury, disability, or death under the provisions of this section, and it shall be deemed to have been so filed as amended on the date of the original filing thereof, and compensation may be awarded that is warranted by the whole evidence pursuant to the provisions of this chapter. When amendment of this type is submitted, further or additional evidence may be heard when deemed necessary. Nothing this section contains shall be construed to be or permit a waiver of any of the provisions of this chapter with reference to notice of time for filing of a claim, but notice of filing a claim, if given or done, shall be deemed to be a notice of filing of a claim under provisions of this chapter, if given or done within the time required by this subsection.
- (10) When an employee has an occupational disease that is covered by this chapter, the employer in whose employment he was last injuriously exposed to the hazard of the disease, and the employer's insurance carrier, if any, at the time of the exposure, shall alone be liable therefor, without right to contribution from any prior employer or insurance carrier, except as otherwise provided in this chapter.
- (11)
 - (a) Income benefits for coal-related occupational pneumoconiosis shall be paid fifty percent (50%) by the Kentucky coal workers' pneumoconiosis fund as established in KRS 342.1242 and fifty percent (50%) by the employer in whose employment the employee was last exposed to the hazard of that occupational disease.
 - (b) Compensation for all other occupational disease shall be paid by the employer in whose employment the employee was last exposed to the hazards of the occupational disease.
- (12) A concluded claim for benefits by reason of contraction of coal workers' pneumoconiosis in the severance or processing of coal shall bar any subsequent claim for benefits by reason of contraction of coal workers' pneumoconiosis, unless there has occurred in the interim between the conclusion of the first claim and the filing of the second claim at least two (2) years of employment wherein the employee was continuously exposed to the hazards of the disease in the Commonwealth.
- (13) For coal-related occupational pneumoconiosis claims, the consensus procedure shall apply to all claims which have not been assigned to an administrative law judge prior to July 15, 2002. The consensus classification shall be presumed to be the correct classification of the employee's condition unless overcome by clear and convincing evidence. If an administrative law judge finds that the presumption of correctness of the consensus reading has been overcome, the reasons shall be specially stated in the administrative law judge's order.

➔Section 5. KRS 342.730 is amended to read as follows:

- (1) Except as provided in KRS 342.732, income benefits for disability shall be paid to the employee as follows:
 - (a) For temporary or permanent total disability, sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than one hundred percent (100%) of the state average weekly wage and not less than twenty percent (20%) of the state average weekly wage as determined in KRS 342.740 during that disability. Nonwork-related impairment and conditions compensable under KRS 342.732 and hearing loss covered in KRS 342.7305 shall not be considered in determining whether the employee is totally disabled for purposes of this subsection.
 - (b) For permanent partial disability, sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than seventy-five percent (75%) of the state average weekly wage as

determined by KRS 342.740, multiplied by the permanent impairment rating caused by the injury or occupational disease as determined by *the* "Guides to the Evaluation of Permanent Impairment," [~~American Medical Association, latest edition available,~~] times the factor set forth in the table that follows:

AMA Impairment	Factor
0 to 5%	0.65
6 to 10%	0.85
11 to 15%	1.00
16 to 20%	1.00
21 to 25%	1.15
26 to 30%	1.35
31 to 35%	1.50
36% and above	1.70

Any temporary total disability period within the maximum period for permanent, partial disability benefits shall extend the maximum period but shall not make payable a weekly benefit exceeding that determined in subsection (1)(a) of this section. Notwithstanding any section of this chapter to the contrary, there shall be no minimum weekly income benefit for permanent partial disability and medical benefits shall be paid for the duration of the disability.

- (c) 1. If, due to an injury, an employee does not retain the physical capacity to return to the type of work that the employee performed at the time of injury, the benefit for permanent partial disability shall be multiplied by three (3) times the amount otherwise determined under paragraph (b) of this subsection, but this provision shall not be construed so as to extend the duration of payments; or
 2. If an employee returns to work at a weekly wage equal to or greater than the average weekly wage at the time of injury, the weekly benefit for permanent partial disability shall be determined under paragraph (b) of this subsection for each week during which that employment is sustained. During any period of cessation of that employment, temporary or permanent, for any reason, with or without cause, payment of weekly benefits for permanent partial disability during the period of cessation shall be two (2) times the amount otherwise payable under paragraph (b) of this subsection. This provision shall not be construed so as to extend the duration of payments.
 3. Recognizing that limited education and advancing age impact an employee's post-injury earning capacity, an education and age factor, when applicable, shall be added to the income benefit multiplier set forth in paragraph (c)1. of this subsection. If at the time of injury, the employee had less than eight (8) years of formal education, the multiplier shall be increased by four-tenths (0.4); if the employee had less than twelve (12) years of education or a high school General Educational Development diploma, the multiplier shall be increased by two-tenths (0.2); if the employee was age sixty (60) or older, the multiplier shall be increased by six-tenths (0.6); if the employee was age fifty-five (55) or older, the multiplier shall be increased by four-tenths (0.4); or if the employee was age fifty (50) or older, the multiplier shall be increased by two-tenths (0.2).
 4. Notwithstanding the provisions of KRS 342.125, a claim may be reopened at any time during the period of permanent partial disability in order to conform the award payments with the requirements of subparagraph 2. of this paragraph.
- (d) For permanent partial disability, if an employee has a permanent disability rating of fifty percent (50%) or less as a result of a work-related injury, the compensable permanent partial disability period shall be four hundred twenty-five (425) weeks, and if the permanent disability rating is greater than fifty percent (50%), the compensable permanent partial disability period shall be five hundred twenty (520) weeks from the date the impairment or disability exceeding fifty percent (50%) arises. Benefits payable for permanent partial disability shall not exceed ninety-nine percent (99%) of sixty-six and two-thirds

percent (66-2/3%) of the employee's average weekly wage as determined under KRS 342.740 and shall not exceed seventy-five percent (75%) of the state average weekly wage, except for benefits payable pursuant to paragraph (c)1. of this subsection, which shall not exceed one hundred percent (100%) of the state average weekly wage, nor shall benefits for permanent partial disability be payable for a period exceeding five hundred twenty (520) weeks, notwithstanding that multiplication of impairment times the factor set forth in paragraph (b) of this subsection would yield a greater percentage of disability.

- (e) For permanent partial disability, impairment for nonwork-related disabilities, conditions previously compensated under this chapter, conditions covered by KRS 342.732, and hearing loss covered in KRS 342.7305 shall not be considered in determining the extent of disability or duration of benefits under this chapter.
- (2) The period of any income benefits payable under this section on account of any injury shall be reduced by the period of income benefits paid or payable under this chapter on account of a prior injury if income benefits in both cases are for disability of the same member or function, or different parts of the same member or function, and the income benefits payable on account of the subsequent disability in whole or in part would duplicate the income benefits payable on account of the pre-existing disability.
- (3) Subject to the limitations contained in subsection (4) of this section, when an employee, who has sustained disability compensable under this chapter, and who has filed, or could have timely filed, a valid claim in his lifetime, dies from causes other than the injury before the expiration of the compensable period specified, portions of the income benefits specified and unpaid at the individual's death, whether or not accrued or due at his death, shall be paid, under an award made before or after the death, for the period specified in this section, to and for the benefit of the persons within the classes at the time of death and in the proportions and upon the conditions specified in this section and in the order named:
 - (a) To the widow or widower, if there is no child under the age of eighteen (18) or incapable of self-support, benefits at fifty percent (50%) of the rate specified in the award; or
 - (b) If there are both a widow or widower and such a child or children, to the widow or widower, forty-five percent (45%) of the benefits specified in the award, or forty percent (40%) of those benefits if such a child or children are not living with the widow or widower; and, in addition thereto, fifteen percent (15%) of the benefits specified in the award to each child. Where there are more than two (2) such children, the indemnity benefits payable on account of two (2) children shall be divided among all the children, share and share alike; or
 - (c) If there is no widow or widower but such a child or children, then to the child or children, fifty percent (50%) of the benefits specified in the award to one (1) child, and fifteen percent (15%) of those benefits to a second child, to be shared equally. If there are more than two (2) such children, the indemnity benefits payable on account of two (2) children shall be divided equally among all the children; or
 - (d) If there is no survivor in the above classes, then the parent or parents wholly or partly actually dependent for support upon the decedent, or to other wholly or partly actually dependent relatives listed in paragraph (g) of subsection (1) of KRS 342.750, or to both, in proportions that the executive director provides by administrative regulation.
 - (e) To the widow or widower upon remarriage, up to two (2) years, benefits as specified in the award and proportioned under paragraphs (a) or (b) of this subsection, if the proportioned benefits remain unpaid, to be paid in a lump sum.
- (4) All income benefits payable pursuant to this chapter shall terminate as of the date upon which the employee qualifies for normal old-age Social Security retirement benefits under the United States Social Security Act, 42 U.S.C. secs. 301 to 1397f, or two (2) years after the employee's injury or last exposure, whichever last occurs. In like manner all income benefits payable pursuant to this chapter to spouses and dependents shall terminate when such spouses and dependents qualify for benefits under the United States Social Security Act by reason of the fact that the worker upon whose earnings entitlement is based would have qualified for normal old-age Social Security retirement benefits.
- (5) All income benefits pursuant to this chapter otherwise payable for temporary total and permanent total disability shall be offset by unemployment insurance benefits paid for unemployment during the period of temporary total or permanent total disability.

- (6) All income benefits otherwise payable pursuant to this chapter shall be offset by payments made under an exclusively employer-funded disability or sickness and accident plan which extends income benefits for the same disability covered by this chapter, except where the employer-funded plan contains an internal offset provision for workers' compensation benefits which is inconsistent with this provision.
- (7) If an employee receiving a permanent total disability award returns to work, that employee shall notify the employer, payment obligor, insurance carrier, or special fund as applicable.

➔Section 6. KRS 342.7305 is amended to read as follows:

- (1) In all claims for occupational hearing loss caused by either a single incident of trauma or by repetitive exposure to hazardous noise over an extended period of employment, the extent of binaural hearing impairment shall be determined under the ~~latest available edition of the American Medical Association's~~ "Guides to the Evaluation of Permanent Impairment."
- (2) Income benefits payable for occupational hearing loss shall be as provided in KRS 342.730, except income benefits shall not be payable where the binaural hearing impairment converted to impairment of the whole person results in impairment of less than eight percent (8%). No impairment percentage for tinnitus shall be considered in determining impairment to the whole person.
- (3) The executive director shall provide by administrative regulation for prompt referral of hearing loss claims for evaluation, for all medical reimbursement, and for prompt authorization of hearing enhancement devices.
- (4) When audiograms and other testing reveal a pattern of hearing loss compatible with that caused by hazardous noise exposure and the employee demonstrates repetitive exposure to hazardous noise in the workplace, there shall be a rebuttable presumption that the hearing impairment is an injury covered by this chapter, and the employer with whom the employee was last injuriously exposed to hazardous noise shall be exclusively liable for benefits.

➔Section 7. KRS 67A.460 is amended to read as follows:

- (1) If a total and permanent occupational disability occurs, the member shall receive an annuity calculated pursuant to subsection (2) of this section. This benefit shall begin at the time the member's salary ceases, and shall be paid during his or her entire lifetime. At the member's death, his or her eligible surviving spouse, if any, shall receive the benefits as provided under KRS 67A.492, and his or her minor children, if any, shall receive benefits as provided under KRS 67A.440.
- (2) The minimum annuity rate for a total and permanent occupational disability shall be sixty percent (60%) of the member's last rate of salary. The minimum rate shall be increased by one half (1/2) of the amount by which the member's percentage of disability exceeds twenty percent (20%), but this increase shall be not more than fifteen percent (15%) of the member's last rate of salary and the member's total annuity shall not be greater than seventy-five percent (75%) of his or her last rate of salary.
- (3) The member's percentage of disability shall be the average of the impairment rating determined by two (2) physicians selected by the board under KRS 67A.480, using the ~~latest edition of the American Medical Association's~~ "Guides to the Evaluation of Permanent Impairment".
- (4) If a member is eligible for a service retirement annuity under KRS 67A.410 and the amount of the member's service retirement annuity would exceed the amount of his or her total and permanent occupational disability annuity, as determined by the board under this section, then the member may elect to receive an additional service retirement annuity payment equal to the amount by which the member's service retirement annuity would have exceeded the amount of his or her total and permanent occupational disability annuity, in addition to the member's disability annuity, by filing with the board the application required by KRS 67A.410.

➔Section 8. 2009 Ky. Acts ch. 89 is repealed.

Signed by Governor April 8, 2010.

➔SECTION 7. A NEW SECTION OF KRS CHAPTER 381 IS CREATED TO READ AS FOLLOWS:

- (1) *If a unit is acquired by eminent domain, or if part of a unit is acquired by eminent domain leaving the unit owner with a remnant which may not practically or lawfully be used for any purpose permitted by the declaration, the award shall compensate the unit owner for his or her unit and its interest in the common elements, whether or not any common elements are acquired. After the declaration is recorded, a description of a unit which sets forth the name of the condominium, the recording data for the deed and declaration, the county in which the condominium is located, and the identifying number of the unit, is a sufficient legal description of that unit and all rights, obligations, and interests appurtenant to that unit.  - (h) *A description of any development rights and other special declarant rights reserved by the declarant, together with a legally sufficient description of the real estate to which each of those rights applies, and a time limit within which each of those rights must be exercised;*
 - (i) *If any development right may be exercised with respect to different parcels of real estate at different times, a statement to that effect together with:*
 - 1. a. *A statement fixing the boundaries of those portions and identifying the proposed order in which those portions may be subjected to the exercise of each development right; or*
 - b. *A statement that no assurances are made concerning the boundaries or order in which the exercise of development rights may occur; and*
 - 2. *A statement as to whether, if any development right is exercised in any portion of the real estate subject to that development right, that development right must be exercised in all or in any other portion of the remainder of that real estate;*

- (f) *Any rights of the unit owners to renew the lease and the conditions of any renewal, or a statement that they do not have those rights.*
- (2) *After the declaration for a leasehold condominium is recorded, neither the lessor nor his or her successor in interest may terminate the leasehold interest of a unit owner who makes timely payment of his or her share of the rent and otherwise complies with all covenants which, if violated, would entitle the lessor to terminate the lease. A unit owner's leasehold interest is not affected by failure of any other person to pay rent or fulfill any other covenant.*
- (3) *Acquisition of the leasehold interest of any unit owner by the owner of the reversion or remainder does not merge the leasehold and fee simple interests unless the leasehold interests of all unit owners subject to that reversion or remainder are acquired.*

Reallocations shall be confirmed by an amendment to the declaration prepared, executed, and recorded by the association.*

➔SECTION 19. A NEW SECTION OF KRS CHAPTER 381 IS CREATED TO READ AS FOLLOWS:

- (1) *The declaration shall allocate a fraction or percentage of undivided interests in the common elements and in the common expenses of the association, and a portion of the votes in the association, to each unit and state the formulas used to establish those allocations. - (2) *If units may be added to or withdrawn from the condominium, the declaration shall state the formulas to be used to reallocate the allocated interests among all units included in the condominium after the addition or withdrawal.*
- (3) *The declaration may provide:*
 - (a) *That different allocations of votes shall be made to the units on particular matters specified in the declaration; and*
 - (b) *For class voting on specified issues affecting the class if necessary to protect valid interests of the class. A declarant shall not utilize cumulative or class voting for the purpose of evading any limitation imposed on declarants by Sections 1 to 54 of this Act, and units shall not constitute a class because they are owned by a declarant.*
- (4) *The declaration shall not permit cumulative voting, including cumulative voting for the purpose of electing members of the executive board.*
- (5) *Unless otherwise stated in the declaration, the declarant retains full voting rights to any unit until it conveyed.*
- (6) *Except for minor variations due to rounding, the sum of the undivided interests in the common elements and common expense liabilities allocated at any time to all the units shall each equal one (1), if stated as fractions, or one hundred percent (100%), if stated as percentages. In the event of a discrepancy between an allocated interest and the result derived from application of the pertinent formula, the allocated interest prevails in the absence of error in specifying the allocated interest.*
- (7) *The common elements are not subject to partition, and any purported conveyance, encumbrance, judicial sale, or other voluntary or involuntary transfer of an undivided interest in the common elements made without the unit to which that interest is allocated, shall be void.*

The amendment shall be recorded in the names of the parties and the condominium.*
- (3) *A common element not previously allocated as a limited common element shall not be so allocated, except pursuant to provisions in the declaration made in accordance with subsection (1)(g) of Section 17 of this Act. The allocations shall be made by amendments to the declaration.*

➔SECTION 21. A NEW SECTION OF KRS CHAPTER 381 IS CREATED TO READ AS FOLLOWS:

- (1) *Plats and plans are a part of the declaration. Separate plats and plans are not required by Sections 1 to 54 of this Act if all the information required by this section is contained in either a plat or plan. - (2) *Each plat shall contain:*
 - (a) *The name and a survey or general schematic map of the entire condominium;*

- (3) *A plat may also show the intended location and dimensions of any contemplated improvement to be constructed anywhere within the condominium. Any contemplated improvement shown shall be labeled either "MUST BE BUILT" or "NEED NOT BE BUILT."*
- (4) *To the extent not shown or projected on the plats, plans of the units shall show or project:*
 - (a) *Any horizontal unit boundaries exclusive of elevations, with reference to an established datum, and that unit's identifying number; and*
 - (b) *Any units in which the declarant has reserved the right to create additional units or common elements, identified appropriately.*
- (5) *Unless the declaration provides otherwise, the horizontal boundaries of part of a unit located outside of a building have the same elevation as the horizontal boundaries of the inside part, and need not be depicted on the plats and plans.*
- (6) *Upon exercising any development right, the declarant shall record either new plats and plans necessary to conform to the requirements of subsections (1), (2), and (4) of this section, or new certifications of plats and plans previously recorded if those plats and plans otherwise conform to the requirements of subsections (1), (2), and (4) of this section.*

- (7) *Any certification of a plat or plan required by this section or Section 13 of this Act shall be made by a professional land surveyor, licensed architect, or professional engineer.*

➔SECTION 22. A NEW SECTION OF KRS CHAPTER 381 IS CREATED TO READ AS FOLLOWS:

- (1) *To exercise any development right reserved under subsection (1)(h) of Section 17 of this Act, the declarant shall prepare, execute, and record an amendment to the declaration and comply with Section 21 of this Act. The declarant is the unit owner of any units thereby created. The amendment to the declaration shall assign an identifying number to each new unit created, and, except in the case of subdivision or conversion of units described in subsection (3) of this section, reallocate the allocated interests among all units. The amendment shall describe any common elements and any limited common elements thereby created and, in the case of limited common elements, designate the unit to which each is allocated to the extent required by Section 20 of this Act.*
- (2) *Development rights may be reserved within any real estate added to the condominium if the amendment adding that real estate includes all matters required by Section 17 or 18 of this Act, as the case may be, and the plats and plans include all matters required by Section 21 of this Act. This provision does not extend the time limit on the exercise of development rights imposed by the declaration under subsection (1)(h) of Section 17 of this Act.*
- (3) *If a declarant exercises a development right to subdivide or convert a unit previously created into additional units, common elements, or both, the declaration shall be amended as follows:*
- (a) *If the declarant converts the unit entirely to common elements, the amendment to the declaration shall reallocate all the allocated interests of that unit among the other units as if that unit had been taken by eminent domain; or*
- (b) *If the declarant subdivides the unit into two (2) or more units, whether or not any part of the unit is converted into common elements, the amendment to the declaration shall reallocate all the allocated interests of the unit among the units created by the subdivision in any reasonable manner prescribed by the declarant.*
- (4) *If the declaration provides, pursuant to subsection (1)(h) of Section 17 of this Act, that all or a portion of the real estate is subject to the development right of withdrawal, then the following shall apply:*
- (a) *If all the real estate is subject to withdrawal, and the declaration does not describe separate portions of real estate subject to that right, none of the real estate may be withdrawn after a unit has been conveyed to a purchaser without the written consent of all unit owners owning units within the real estate; and*
- (b) *If a portion or portions are subject to withdrawal, no portion may be withdrawn after a unit in that portion has been conveyed to a purchaser without the written consent of all unit owners owning units within that portion.*

➔SECTION 23. A NEW SECTION OF KRS CHAPTER 381 IS CREATED TO READ AS FOLLOWS:

Subject to the provisions of the declaration and other provisions of law, a unit owner:

- (1) *May make any improvements or alterations to his or her unit that do not impair the structural integrity or mechanical systems or lessen the support of any portion of the condominium;*
- (2) *Shall not change the appearance of the common elements, or the exterior appearance of a unit or any other portion of the condominium, without permission of the association; and*
- (3) *After acquiring an adjoining unit or an adjoining part of an adjoining unit, may remove or alter any intervening partition or create apertures therein, even if the partition in whole or in part is a common element, if those acts do not impair the structural integrity or mechanical systems or lessen the support of any portion of the condominium. Removal of partitions or creation of apertures under this subsection is not an alteration of boundaries.*

➔SECTION 24. A NEW SECTION OF KRS CHAPTER 381 IS CREATED TO READ AS FOLLOWS:

- (1) *Subject to the provisions of the declaration and other provisions of law, the boundaries between adjoining units may be relocated by an amendment to the declaration upon application to the association by the owners of those units. If the owners of the adjoining units have specified a reallocation between their units of their allocated interests, the application shall state the proposed reallocations. Unless the executive board*

determines, within thirty (30) days, that the reallocations are unreasonable, the association shall prepare an amendment that identifies the units involved, states the reallocations, is executed by those unit owners, contains words of conveyance between them, and upon recordation, is indexed in the name of the grantor and the grantee.

- (2) *The association shall prepare and record plats or plans necessary to show the altered boundaries between adjoining units, and their dimensions and identifying numbers.*
- (3) *All costs associated with the preparation and recording of the documents, plats, and plans required by this section shall be paid by the unit owners.*

➔SECTION 25. A NEW SECTION OF KRS CHAPTER 381 IS CREATED TO READ AS FOLLOWS:

- (1) *If the declaration expressly so permits, a unit may be subdivided into two (2) or more units. Subject to the provisions of the declaration and other provisions of law, upon application of a unit owner to subdivide a unit, the association shall prepare, execute, and record an amendment to the declaration, including the plats and plans, subdividing that unit.*
- (2) *The amendment to the declaration shall be executed by the owner of the unit to be subdivided, assign an identifying number to each unit created, and reallocate the allocated interests formerly allocated to the subdivided unit to the new units in any reasonable manner prescribed by the owner of the subdivided unit.*
- (3) *All costs associated with the preparation and recording of the documents, plats, and plans required by subsection (1) of this section shall be paid by the owner of the unit being subdivided.*

➔SECTION 26. A NEW SECTION OF KRS CHAPTER 381 IS CREATED TO READ AS FOLLOWS:

To the extent that any unit or common element encroaches on any other unit or common element, a valid easement for the encroachment exists. The easement does not relieve a unit owner of liability in case of his or her willful misconduct or relieve a declarant or any other person of liability for failure to adhere to the plats and plans.

➔SECTION 27. A NEW SECTION OF KRS CHAPTER 381 IS CREATED TO READ AS FOLLOWS:

Subject to the provisions of the declaration, a declarant has an easement through the common elements as may be reasonably necessary for the purpose of discharging a declarant's obligations or exercising special declarant rights, whether arising under Sections 1 to 54 of this Act or reserved in the declaration.

➔SECTION 28. A NEW SECTION OF KRS CHAPTER 381 IS CREATED TO READ AS FOLLOWS:

- (1) *Except in cases of amendments that may be executed by a declarant under subsection (6) of Section 21 of this Act or Section 22 of this Act; the association under Section 7 of this Act, subsection (4) of Section 18 of this Act, subsection (3) of Section 20 of this Act, subsection (1) of Section 24 of this Act, or Section 25 of this Act; or certain unit owners under subsection (2) of Section 20 of this Act, subsection (1) of Section 24 of this Act, or subsection (2) of Section 25 of this Act, and except as limited by subsection (4) of this section and subsection (7) of Section 44 of this Act, the declaration, including the plats and plans, may be amended only by vote or agreement of unit owners of units to which at least sixty-seven percent (67%) of the votes in the association are allocated, or any larger majority specified in the declaration. The declaration may specify a smaller number only if all of the units are restricted exclusively to nonresidential use.*
- (2) *An action to challenge the validity of an amendment adopted by the association pursuant to this section shall not be brought more than one (1) year after the amendment is recorded.*
- (3) *Every amendment to the declaration shall be recorded in every county in which any portion of the condominium is located, and is effective only upon recordation. An amendment shall be indexed in the name of the condominium and the association and in the name of the parties executing the amendment.*
- (4) *Except to the extent expressly permitted or required by other provisions of Sections 1 to 54 of this Act, an amendment shall not create or increase special declarant rights, increase the number of units, change the boundaries of any unit, the allocated interests of a unit, or the uses to which any unit is restricted, in the absence of unanimous consent of the unit owners.*
- (5) *Amendments to the declaration required by Sections 1 to 54 of this Act to be recorded by the association shall be prepared, executed, recorded, and certified on behalf of the association by any officer of the*

association designated for that purpose or, in the absence of designation, by the president of the association.

➔SECTION 29. A NEW SECTION OF KRS CHAPTER 381 IS CREATED TO READ AS FOLLOWS:

- (1) *Except in the case of a taking of all the units by eminent domain, a condominium may be terminated only by agreement of unit owners of units to which at least eighty percent (80%) of the votes in the association are allocated, or any larger percentage the declaration specifies. The declaration may specify a smaller percentage only if all of the units in the condominium are restricted exclusively to nonresidential uses.*
- (2) *An agreement to terminate a condominium shall be evidenced by the execution of a termination agreement, or ratification thereof, in the same manner as a deed, by the requisite number of unit owners. The termination agreement shall specify a date after which the agreement will be void unless it is recorded before that date. A termination agreement and all ratifications thereof shall be recorded in every county in which a portion of the condominium is situated, and is effective only upon recordation.*
- (3) *In the case of a condominium containing only units having horizontal boundaries described in the declaration, a termination agreement may provide that all the common elements and units of the condominium shall be sold following termination. If, pursuant to the agreement, any real estate in the condominium is to be sold following termination, the termination agreement shall set forth the minimum terms of the sale.*
- (4) *In the case of a condominium containing any units not having horizontal boundaries described in the declaration, a termination agreement may provide for sale of the common elements, but shall not require that the units be sold following termination, unless the declaration as originally recorded provided otherwise or unless all the unit owners consent to the sale.*
- (5) *The association, on behalf of the unit owners, may contract for the sale of real estate in the condominium, but the contract is not binding on the unit owners until approved pursuant to subsections (1) and (2) of this section. If any real estate in the condominium is to be sold following termination, title to that real estate, upon termination, vests in the association as trustee for the holders of all interests in the units. Thereafter, the association has all powers necessary and appropriate to effect the sale. Until the sale has been concluded and the proceeds thereof distributed, the association continues in existence with all powers it had before termination. Proceeds of the sale shall be distributed to unit owners and lienholders as their interests may appear, in proportion to the respective interests of unit owners as provided in subsection (8) of this section. Unless otherwise specified in the termination agreement, as long as the association holds title to the real estate, each unit owner and his or her successors in interest have an exclusive right to occupancy of the portion of the real estate that formerly constituted his or her unit. During the period of that occupancy, each unit owner and his or her successors in interest remain liable for all assessments and other obligations imposed on unit owners by Sections 1 to 54 of this Act or the declaration.*
- (6) *If the real estate constituting the condominium is not to be sold following termination, title to the common elements and, in a condominium containing only units having horizontal boundaries described in the declaration, title to all the real estate in the condominium, vests in the unit owners upon termination as tenants in common in proportion to their respective interests as provided in subsection (8) of this section, and liens on the units shift accordingly. While the tenancy in common exists, each unit owner and his or her successors in interest have an exclusive right to occupancy of the portion of the real estate that formerly constituted his or her unit.*
- (7) *Following termination of the condominium, the proceeds of any sale of real estate, together with the assets of the association, are held by the association as trustee for unit owners and holders of liens on the units as their interests may appear. Following termination, creditors of the association holding liens on the units, which were recorded before termination, may enforce those liens in the same manner as any lienholder. All other creditors of the association are to be treated as if they had perfected liens on the units immediately before termination.*
- (8) *The respective interests of unit owners referred to in subsections (5), (6), and (7) of this section are as follows:*
 - (a) *Except as provided in paragraph (b) of this subsection, the respective interests of unit owners are the fair market values of their units, limited common elements, and common element interests immediately before the termination, as determined by one (1) or more independent appraisers selected by the association. The decision of the independent appraisers shall be distributed to the unit*

owners and becomes final unless disapproved within thirty (30) days after distribution by unit owners of units to which twenty-five percent (25%) of the votes in the association are allocated. The proportion of any unit owner's interest to that of all unit owners is determined by dividing the fair market value of that unit owner's unit and common element interest by the total fair market values of all the units and common elements; and

- (b) If any unit or any limited common element is destroyed to the extent that an appraisal of the fair market value thereof before destruction cannot be made, the interests of all unit owners are their respective common element interests immediately before the termination.*
- (9) Except as provided in subsection (10) of this section, foreclosure or enforcement of a lien or encumbrance against the entire condominium does not of itself terminate the condominium, and foreclosure or enforcement of a lien or encumbrance against a portion of the condominium, other than withdrawable real estate, does not withdraw that portion from the condominium. Foreclosure or enforcement of a lien or encumbrance against withdrawable real estate does not of itself withdraw that real estate from the condominium, but the person taking title thereto has the right to require from the association, upon request, an amendment excluding the real estate from the condominium.*
- (10) If a lien or encumbrance against a portion of the real estate comprising the condominium has priority over the declaration, the parties foreclosing the lien or encumbrance may, upon foreclosure, record an instrument excluding the real estate subject to that lien or encumbrance from the condominium. The provisions of this subsection shall not apply to any common elements constituting a portion of the real estate to the extent the common elements as described in and subject to the declaration have been developed.*

➔SECTION 30. A NEW SECTION OF KRS CHAPTER 381 IS CREATED TO READ AS FOLLOWS:

The declaration may require that all or a specified number or percentage of the mortgagees encumbering the units approve specified actions of the unit owners or the association as a condition to the effectiveness of those actions, but a requirement for approval shall not operate to:

- (1) Deny or delegate control over the general administrative affairs of the association by the unit owners or the executive board; or*
- (2) Prevent the association or the executive board from commencing, intervening in, or settling any litigation or proceeding, or receiving and distributing any insurance proceeds except as provided in Section 44 of this Act.*

➔SECTION 31. A NEW SECTION OF KRS CHAPTER 381 IS CREATED TO READ AS FOLLOWS:

- (1) If the declaration for a condominium provides that any of the powers described in Section 34 of this Act are to be exercised by or may be delegated to a for-profit or nonprofit corporation or unincorporated association which exercises those or other powers on behalf of one (1) or more condominiums or for the benefit of the unit owners of one (1) or more condominiums, all provisions of Sections 1 to 54 of this Act applicable to unit owners' associations apply to any such corporation or unincorporated association, except as modified by this section.*
- (2) Unless a master association is acting in the capacity of an association described in Section 33 of this Act, it may exercise the powers set forth in subsection (1)(b) of Section 34 of this Act only to the extent expressly permitted in the declarations of condominiums which are part of the master association or expressly described in the delegations of power from those condominiums to the master association.*
- (3) If the declaration of any condominium provides that the executive board may delegate certain powers to a master association, the members of the executive board have no liability for the acts or omissions of the master association with respect to those powers following delegation.*
- (4) The rights and responsibilities of unit owners with respect to the unit owners' association set forth in Sections 35, 39, 40, 41, and 43 of this Act apply in the conduct of the affairs of a master association only to those persons who elect the board of a master association, whether or not those persons are otherwise unit owners within the meaning of Sections 1 to 54 of this Act.*
- (5) Notwithstanding the provisions of subsection (6) of Section 35 of this Act with respect to the election of the executive board of an association by all unit owners after the period of declarant control ends and even if a master association is also an association described in Section 33 of this Act, the certificate of incorporation*

or other instrument creating the master association and the declaration of each condominium the powers of which are assigned by the declaration or delegated to the master association may provide that the executive board of the master association shall be elected after the period of declarant control in any of the following ways:

- (a) *All unit owners of all condominiums subject to the master association may elect all members of that executive board;*
- (b) *All members of the executive boards of all condominiums subject to the master association may elect all members of that executive board;*
- (c) *All unit owners of each condominium subject to the master association may elect specified members of that executive board; or*
- (d) *All members of the executive board of each condominium subject to the master association may elect specified members of that executive board.*

➔SECTION 32. A NEW SECTION OF KRS CHAPTER 381 IS CREATED TO READ AS FOLLOWS:

- (1) *Any two (2) or more condominiums by agreement of the unit owners as provided in subsection (2) of this section, may be merged or consolidated into a single condominium. In the event of a merger or consolidation, unless the agreement otherwise provides, the resultant condominium is, for all purposes, the legal successor of all of the pre-existing condominiums and the operations and activities of all associations of the pre-existing condominiums shall be merged or consolidated into a single association which shall hold all powers, rights, obligations, assets, and liabilities of all pre-existing associations.*
- (2) *In addition to any other requirements of the declaration, the merger or consolidation of two (2) or more condominiums pursuant to subsection (1) of this section shall be evidenced by a recorded agreement duly executed by the president of the association of each of the pre-existing condominiums following approval by owners of units to which are allocated the percentage of votes in each condominium required to terminate that condominium. Any such agreement shall be recorded in every county in which a portion of the condominium is located and is not effective until recorded.*
- (3) *Every merger or consolidation agreement shall provide for the reallocation of the allocated interests in the new association among the units of the resultant condominium either:*
 - (a) *By stating the reallocations or the formulas upon which they are based; or*
 - (b) *By stating the percentage of overall allocated interests of the new condominium which are allocated to all of the units comprising each of the pre-existing condominiums, and providing that the portion of the percentages allocated to each unit formerly comprising a part of the pre-existing condominium shall be equal to the percentages of allocated interests allocated to that unit by the declaration of the pre-existing condominium.*

➔SECTION 33. A NEW SECTION OF KRS CHAPTER 381 IS CREATED TO READ AS FOLLOWS:

Unless stated otherwise in the declaration, a unit owners' association shall be organized no later than the date the first unit in the condominium is conveyed. The membership of the association shall at all times consist exclusively of all the unit owners or, following termination of the condominium, of all former unit owners entitled to distributions of proceeds under Section 29 of this Act, or their heirs, successors, or assigns. The association shall be organized as a for-profit or nonprofit corporation or as an unincorporated association.

➔SECTION 34. A NEW SECTION OF KRS CHAPTER 381 IS CREATED TO READ AS FOLLOWS:

- (1) *Except as provided in subsection (2) of this section and subject to the provisions of the declaration, the association, even if unincorporated, may:*
 - (a) *Adopt and amend bylaws, rules, and regulations;*
 - (b) *Adopt and amend budgets for revenues, expenditures, and reserves, and collect assessments for common expenses from unit owners;*
 - (c) *Hire and discharge managing agents and other employees, agents, and independent contractors;*
 - (d) *Institute, defend, or intervene in litigation or administrative proceedings in its own name on behalf of itself or two (2) or more unit owners on matters affecting the condominium;*
 - (e) *Make contracts and incur liabilities;*

- (f) *Regulate the use, maintenance, repair, replacement, and modification of common elements, and authorize access to any unit for those purposes;*
- (g) *Cause additional improvements to be made as a part of the common elements;*
- (h) *Acquire, hold, encumber, and convey in its own name any right, title, or interest to real or personal property, except that common elements may only be conveyed or subjected to a lien or security interest as provided in Section 43 of this Act;*
- (i) *Grant easements, leases, licenses, and concessions through or over the common elements;*
- (j) *Impose and receive payments, fees, or charges:*
 - 1. *For the use, rental, or operation of the common elements other than limited common elements described in subsections (2), (4), and (6) of Section 14 of this Act;*
 - 2. *For services provided to unit owners; and*
 - 3. *To cover emergency or extraordinary circumstances affecting the condominium or any part thereof;*
- (k) *Impose charges for late payment of assessments and, after notice and an opportunity to be heard, levy reasonable fines for violations of the declaration, bylaws, and rules and regulations of the association that may include reimbursement to the association of reasonable fees and costs associated with the enforcement of this paragraph;*
- (l) *Impose reasonable charges for the preparation and recordation of amendments to the declaration, resale certificates required by Section 52 of this Act, or statements of unpaid assessments;*
- (m) *Provide for the indemnification of its officers and executive board and maintain directors' and officers' liability insurance;*
- (n) *Assign its right to future income, including the right to receive common expense assessments, but only to the extent expressly provided in the declaration and only for the purpose of securing financial accommodations obtained by the association to perform its duties and obligations under the declaration or Sections 1 to 54 of this Act;*
- (o) *Exercise any other powers conferred by the declaration or bylaws;*
- (p) *Exercise all other powers that may be exercised in this Commonwealth by legal entities of the same type as the association; and*
- (q) *Exercise any other powers necessary and proper for the governance and operation of the association.*
- (2) *The declaration shall not impose limitations on the power of the association to deal with the declarant that are more restrictive than the limitations imposed on the power of the association to deal with other persons.*
- (3) *Notwithstanding the declaration, an association may impose an emergency assessment against any unit affected to:*
 - (a) *Comply with a judicial order; or*
 - (b) *Repair an emergency condition of any common structural or mechanical component which has made, or is in imminent danger of making, any unit unsafe, uninhabitable, or uninsurable, provided the association is first provided a certificate from a professional engineer or licensed architect stating the emergency condition.*
- (4) *The emergency assessment provided for in subsection (3) of this section shall be made upon the vote of a simple majority of unit owners present at a special called meeting. If the declaration does not provide for special meetings, one (1) may be called under this subsection to address the issues identified in subsection (3) of this section. Any emergency assessment made under this subsection may be reduced or rescinded by a vote of a simple majority of unit owners present at a subsequent special meeting.*

➔SECTION 35. A NEW SECTION OF KRS CHAPTER 381 IS CREATED TO READ AS FOLLOWS:

- (1) *Except as provided in the declaration, the bylaws, or subsection (2) of this section, the executive board may act in all instances on behalf of the association. In the performance of their duties, the officers and members of the executive board shall exercise ordinary and reasonable care.*
- (2) *The executive board shall not act on behalf of the association to amend the declaration, to terminate the condominium, or to elect members of the executive board or determine the qualifications, powers, and duties, or terms of office of executive board members, but the executive board may fill vacancies in its membership for the unexpired portion of any term.*
- (3) *If the executive board adopts a proposed budget for the condominium, the board shall:*
 - (a) *Provide a summary of the budget to all unit owners within thirty (30) days after the adoption; and*
 - (b) *Set a date for a meeting of the unit owners to consider ratification of the budget, which meeting shall not be less than fourteen (14) days nor more than thirty (30) days after providing the summary.*

The budget shall be deemed ratified, whether or not a quorum is present, unless at that meeting a majority of all the unit owners, or any larger vote specified in the declaration, reject the budget. If the proposed budget is rejected, the periodic budget last ratified by the unit owners shall be continued until such time as the unit owners ratify a subsequent budget proposed by the executive board.

- (4) *Except as provided in subsection (5) of this section, the declaration may provide for a period of declarant control of the association, during which period a declarant, or persons designated by him or her, may appoint and remove the officers and members of the executive board. Regardless of the period provided in the declaration, a period of declarant control terminates no later than the earlier of:*
 - (a) *Sixty (60) days after conveyance of seventy-five percent (75%) of the units which may be created to unit owners other than a declarant;*
 - (b) *Two (2) years after all declarants have ceased to offer units for sale in the ordinary course of business;*
 - (c) *Two (2) years after any development right to add new units was last exercised; or*
 - (d) *Seven (7) years after the first unit was conveyed to a unit owner other than a declarant.*

A declarant may voluntarily surrender the right to appoint and remove officers and members of the executive board before termination of that period, but in that event he or she may require, for the duration of the period of declarant control, that specified actions of the association or executive board, as described in a recorded instrument executed by the declarant, be approved by the declarant before they become effective.

- (5) *Not later than sixty (60) days after conveyance of twenty-five percent (25%) of the units which may be created to unit owners other than a declarant, at least one (1) member and not less than twenty-five percent (25%) of the members of the executive board shall be elected by unit owners other than the declarant. Not later than sixty (60) days after conveyance of fifty percent (50%) of the units which may be created to unit owners other than a declarant, not less than thirty-three and one-third percent (33-1/3%) of the members of the executive board shall be elected by unit owners other than the declarant.*
- (6) *Not later than the termination of any period of declarant control, the unit owners shall elect an executive board of at least three (3) members, a majority of whom shall be unit owners or owners of equity interests in units. The executive board shall elect the officers. The executive board members and officers shall take office upon election.*
- (7) *Any provision of the declaration or bylaws to the contrary notwithstanding, the unit owners, by a two-thirds (2/3) vote of all persons present and entitled to vote at any meeting of the unit owners at which a quorum is present, may remove any member of the executive board with or without cause, other than a member appointed by the declarant.*

➔SECTION 36. A NEW SECTION OF KRS CHAPTER 381 IS CREATED TO READ AS FOLLOWS:

- (1) *No special declarant right created or reserved under Sections 1 to 54 of this Act may be transferred except by an instrument evidencing the transfer recorded in every county in which any portion of the condominium is located. The instrument is not effective unless executed by the transferee.*
- (2) *Upon transfer of any special declarant right, the liability of a transferor declarant is as follows:*

- (a) *A transferor is not relieved of any obligation or liability arising before the transfer and remains liable for warranty obligations imposed upon him or her by Sections 1 to 54 of this Act. Lack of privity does not deprive any unit owner of standing to maintain an action to enforce any obligation of the transferor;*
 - (b) *If a successor to any special declarant right is an affiliate of a declarant, the transferor is jointly and severally liable with the successor for any obligations or liabilities of the successor relating to the condominium;*
 - (c) *If a transferor retains any special declarant right, but transfers other special declarant rights to a successor who is not an affiliate of the declarant, the transferor is liable for any obligations or liabilities imposed on a declarant by Sections 1 to 54 of this Act or by the declaration relating to the retained special declarant rights and arising after the transfer; and*
 - (d) *A transferor has no liability for any act or omission or any breach of a contractual or warranty obligation arising from the exercise of a special declarant right by a successor declarant who is not an affiliate of the transferor.*
- (3) *Unless otherwise provided in a mortgage, in case of foreclosure of a mortgage, tax sale, judicial sale, or sale under Bankruptcy Code or receivership proceedings, of any units owned by a declarant or real estate in a condominium subject to development rights, a person acquiring title to all the real estate being foreclosed or sold, but only upon his or her request, succeeds to all special declarant rights related to that real estate held by that declarant. The judgment or instrument conveying title shall provide for transfer of only the special declarant rights requested.*
- (4) *Upon foreclosure, tax sale, judicial sale, or sale under Bankruptcy Code or receivership proceedings, of all units and other real estate in a condominium owned by a declarant:*
- (a) *The declarant ceases to have any special declarant rights; and*
 - (b) *The period of declarant control terminates unless the judgment or instrument conveying title provides for transfer of all special declarant rights held by that declarant to a successor declarant.*
- (5) *The liabilities and obligations of a person who succeeds to special declarant rights are as follows:*
- (a) *A successor to any special declarant right who is an affiliate of a declarant is subject to all obligations and liabilities imposed on the transferor by Sections 1 to 54 of this Act or by the declaration;*
 - (b) *A successor to any special declarant right, other than a successor described in paragraph (c) or (d) of this subsection, who is not an affiliate of a declarant, is subject to all obligations and liabilities imposed by Sections 1 to 54 of this Act or the declaration:*
 - 1. *On a declarant which relate to his or her exercise or nonexercise of special declarant rights; or*
 - 2. *On his or her transferor, other than:*
 - a. *Misrepresentations by any previous declarant;*
 - b. *Warranty obligations on improvements made by any previous declarant, or made before the condominium was created;*
 - c. *Breach of any fiduciary obligation by any previous declarant or his or her appointees to the executive board; or*
 - d. *Any liability or obligation imposed on the transferor as a result of the transferor's acts or omissions after the transfer;*
 - (c) *A successor to only a right reserved in the declaration to maintain models, sales offices, and signs, if he or she is not an affiliate of a declarant, shall not exercise any other special declarant right, and is not subject to any liability or obligation as a declarant; and*
 - (d) *A successor to all special declarant rights held by his or her transferor who is not an affiliate of that declarant and who succeeded to those rights pursuant to a deed in lieu of foreclosure or a judgment or instrument conveying title to units under subsection (3) of this section, may declare his or her*

intention in a recorded instrument to hold those rights solely for transfer to another person. Thereafter, until transferring all special declarant rights to any person acquiring title to any unit owned by the successor, or until recording an instrument permitting exercise of all those rights, that successor shall not exercise any of those rights other than a right held by his or her transferor to control the executive board in accordance with subsection (4) of Section 35 of this Act for the duration of any period of declarant control, and any attempted exercise of those rights is void. So long as a successor declarant may not exercise special declarant rights under this subsection, he or she is not subject to any liability or obligation as a declarant other than liability for his or her acts and omissions under subsection (4) of Section 35 of this Act.

- (6) *Nothing in this section subjects any successor to a special declarant right to any claims against or other obligations of a transferor declarant, other than claims and obligations arising under Sections 1 to 54 of this Act or the declaration.*

➔SECTION 37. A NEW SECTION OF KRS CHAPTER 381 IS CREATED TO READ AS FOLLOWS:

- (1) *The bylaws of the association shall provide for:*

- (a) *The number of members of the executive board and the titles of the officers of the association;*
- (b) *Election by the executive board of a president, treasurer, secretary, and any other officers of the association the bylaws specify;*
- (c) *The qualifications, powers and duties, terms of office, and manner of electing and removing executive board members and officers and filling vacancies;*
- (d) *Which, if any, of its powers the executive board or officers may delegate to other persons or to a managing agent;*
- (e) *Which of its officers may prepare, execute, certify, and record amendments to the declaration on behalf of the association; and*
- (f) *The method of amending the bylaws.*

- (2) *Subject to the provisions of the declaration, the bylaws may provide for any other matters the association deems necessary and appropriate.*

➔SECTION 38. A NEW SECTION OF KRS CHAPTER 381 IS CREATED TO READ AS FOLLOWS:

- (1) *Except as provided in subsection (2) of this section, subsection (7) of Section 44 of this Act, or as otherwise provided by the declaration, the association is responsible for maintenance, repair, and replacement of the common elements, and each unit owner is responsible for maintenance, repair, and replacement of his or her unit. Each unit owner shall afford to the association and the other unit owners, and to their agents or employees, access through his or her unit reasonably necessary for those purposes. If damage is inflicted on the common elements, or on any unit through which access is taken, the unit owner responsible for the damage, or the association if it is responsible, is liable for the prompt repair thereof.*
- (2) *In addition to the liability that a declarant as a unit owner has under Sections 1 to 54 of this Act, the declarant alone is liable for all expenses in connection with real estate subject to development rights. No other unit owner and no other portion of the condominium is subject to a claim for payment of those expenses. Unless the declaration provides otherwise, any income or proceeds from real estate subject to development rights inures to the declarant.*

➔SECTION 39. A NEW SECTION OF KRS CHAPTER 381 IS CREATED TO READ AS FOLLOWS:

A meeting of the association shall be held at least once each year. Special meetings of the association may be called by the president, a majority of the executive board, or by unit owners having twenty percent (20%), or any lower percentage specified in the bylaws, of the votes in the association. Not less than ten (10) days nor more than sixty (60) days in advance of any meeting, the secretary or other officer specified in the bylaws shall cause notice to be hand-delivered or sent prepaid by United States mail to the mailing address of each unit or to any other mailing address designated in writing by the unit owner. The notice of any meeting shall state the time and place of the meeting and the items on the agenda, including the general nature of any proposed amendment to the declaration or bylaws, any budget changes, and any proposal to remove a director or officer.

➔SECTION 40. A NEW SECTION OF KRS CHAPTER 381 IS CREATED TO READ AS FOLLOWS:

- (1) *Unless the bylaws provide otherwise, a quorum is deemed present throughout any meeting of the association if persons entitled to cast twenty percent (20%) of the votes which may be cast for election of the executive board are present in person or by proxy at the beginning of the meeting.*
- (2) *Unless the bylaws specify a larger percentage, a quorum is deemed present throughout any meeting of the executive board if persons entitled to cast fifty percent (50%) of the votes on that board are present at the beginning of the meeting.*

➔SECTION 41. A NEW SECTION OF KRS CHAPTER 381 IS CREATED TO READ AS FOLLOWS:

- (1) *If only one (1) of the multiple owners of a unit is present at a meeting of the association, he or she is entitled to cast all the votes allocated to that unit. If more than one (1) of the multiple owners of a unit are present, the votes allocated to that unit may be cast only in accordance with the agreement of a majority in interest of the multiple owners, unless the declaration expressly provides otherwise. There is majority agreement if any one (1) of the multiple owners casts the votes allocated to that unit without protest being made promptly to the person presiding over the meeting by any of the other owners of the unit.*
- (2) *Votes allocated to a unit may be cast pursuant to proxy duly executed by a unit owner. If a unit is owned by more than one (1) person, each owner of the unit may vote or register protest to the casting of votes by the other owners of the unit through a duly executed proxy. A unit owner may not revoke a proxy given pursuant to this section, except by actual notice of revocation to the person presiding over a meeting of the association. A proxy is void if it is not dated or purports to be revocable without notice. A proxy terminates one (1) year after its date, unless it specifies a shorter term.*
- (3) *If the declaration requires that votes on specified matters affecting the condominium be cast by lessees rather than unit owners of leased units:*
 - (a) *Subsections (1) and (2) of this section apply to lessees as if they were unit owners;*
 - (b) *Unit owners who have leased their units to other persons shall not cast votes on those specified matters;*
 - (c) *Lessees are entitled to notice of meetings, access to records, and other rights respecting those matters as if they were unit owners; and*
 - (d) *Unit owners shall also be given notice, as provided in Section 39 of this Act, of all meetings at which lessees may be entitled to vote.*
- (4) *No votes allocated to a unit owned by the association may be cast.*

➔SECTION 42. A NEW SECTION OF KRS CHAPTER 381 IS CREATED TO READ AS FOLLOWS:

- (1) *Neither the association nor any unit owner except the declarant shall be liable for that declarant's torts in connection with any part of the condominium which that declarant has the responsibility to maintain.*
- (2) *An action alleging a wrong done by the association shall be brought against the association and not against any unit owner.*
- (3) *If the wrong occurred during any period of declarant control and the association gives the declarant reasonable notice of and an opportunity to defend against the action, the declarant who then controlled the association shall be liable to the association or to any unit owner:*
 - (a) *For all tort losses not covered by insurance suffered by the association or that unit owner; and*
 - (b) *For all costs which the association would not have incurred but for a breach of contract or other wrongful act or omission.*
- (4) *Whenever the declarant is liable to the association under this section, the declarant shall be liable for all litigation expenses, including reasonable attorneys fees, incurred by the association.*
- (5) *Any statute of limitation affecting the association's right of action under this section is tolled until the period of declarant control terminates. A unit owner is not precluded from bringing an action contemplated by this section because he or she is a unit owner or a member or officer of the association. Liens resulting from judgments against the association shall be governed by Section 48 of this Act.*

➔SECTION 43. A NEW SECTION OF KRS CHAPTER 381 IS CREATED TO READ AS FOLLOWS:

- (1) *Portions of the common elements may be conveyed or subjected to a lien or security interest by the association if persons entitled to cast at least eighty percent (80%) of the votes in the association, including eighty percent (80%) of the votes allocated to units not owned by a declarant, or any larger percentage the declaration specifies, agree to that action; however, all the owners of units to which any limited common element is allocated shall agree in order to convey that limited common element or subject it to a lien or security interest. The declaration may specify a smaller percentage only if all of the units are restricted exclusively to nonresidential uses. Proceeds of the sale are an asset of the association.*
- (2) *An agreement to convey common elements or subject them to a lien or security interest shall be evidenced by the execution of an agreement, or ratifications thereof, in the same manner as a deed, by the requisite number of unit owners. The agreement shall specify a date after which the agreement will be void unless recorded before that date. The agreement and all ratifications thereof shall be recorded in every county in which a portion of the condominium is situated, and shall be effective only upon recordation.*
- (3) *The association, on behalf of the unit owners, may contract to convey common elements, or subject them to a lien or security interest, but the contract is not enforceable against the association until approved pursuant to subsections (1) and (2) of this section. Thereafter, the association has all powers necessary and appropriate to effect the conveyance or encumbrance, including the power to execute deeds or other instruments.*
- (4) *Any purported conveyance, encumbrance, judicial sale, or other voluntary transfer of common elements, unless made pursuant to this section, shall be void.*
- (5) *A conveyance or encumbrance of common elements pursuant to this section shall not deprive any unit of its rights of access and support.*
- (6) *Unless the declaration otherwise provides, a conveyance or encumbrance of common elements pursuant to this section does not affect the priority or validity of pre-existing encumbrances.*

➔SECTION 44. A NEW SECTION OF KRS CHAPTER 381 IS CREATED TO READ AS FOLLOWS:

- (1) *Commencing not later than the time of the first conveyance of a unit to a person other than a declarant, the association shall maintain, to the extent reasonably available:*
 - (a) *Property insurance on the common elements insuring against fire and extended coverage perils and such other risks as may be determined by the association. The total amount of insurance after application of any deductibles shall be not less than one hundred percent (100%) of the actual cash value of the insured property at the time the insurance is purchased and at each renewal date, exclusive of land, excavations, foundations, and other items normally excluded from property policies; and*
 - (b) *Liability insurance, including medical payments insurance, in an amount determined by the executive board but not less than any amount specified in the declaration, covering all occurrences commonly insured against for death, bodily injury, and property damage arising out of or in connection with the use, ownership, or maintenance of the common elements.*
- (2) *If the insurance described in subsection (1) of this section is not reasonably available, the association shall immediately cause notice of that fact to be hand-delivered or sent prepaid by United States mail to all unit owners. The declaration may require the association to carry any other insurance, and the association may carry any other insurance it deems appropriate to protect the association or the unit owners.*
- (3) *Insurance policies carried pursuant to subsection (1) of this section shall provide that:*
 - (a) *Each unit owner is an insured person under the policy with respect to liability arising out of his or her interest in the common elements or membership in the association;*
 - (b) *The insurer waives its right to subrogation under the policy against any unit owner or member of his or her household;*
 - (c) *No act or omission by any unit owner, unless acting within the scope of his or her authority on behalf of the association, will void the policy or be a condition to recovery under the policy; and*
 - (d) *If, at the time of a loss under the policy, there is other insurance in the name of a unit owner covering the same risk covered by the policy, the association's policy provides primary insurance.*

- (4) *Any loss covered by the property policy under subsection (1) of this section shall be adjusted with the association, but the insurance proceeds for that loss are payable to any insurance trustee designated for that purpose, or otherwise to the association, and not to any mortgagee. The insurance trustee or the association shall hold any insurance proceeds in trust for unit owners and lienholders as their interests may appear. Subject to subsection (7) of this section, the proceeds shall be disbursed first for the repair or restoration of the damaged property, and unit owners and lienholders are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the property has been completely repaired or restored, or the condominium is terminated.*
- (5) *An insurance policy issued to the association shall not prevent a unit owner from obtaining insurance for his or her own benefit.*
- (6) *An insurer that has issued an insurance policy under this section shall issue certificates or memoranda of insurance to the association and, upon written request, to any unit owner or mortgagee. The insurer issuing the policy shall not cancel or refuse to renew the policy until thirty (30) days after notice of the proposed cancellation or nonrenewal has been mailed to the association, each unit owner, and each mortgagee to whom a certificate or memorandum of insurance has been issued at their respective last known addresses.*
- (7) *Disposition of insurance proceeds shall be made as follows:*
- (a) *Any portion of the condominium for which insurance is required under this section and which is damaged or destroyed shall be repaired or replaced promptly by the association unless:*
1. *The condominium is terminated;*
 2. *Repair or replacement would be illegal under any state statute or local health or safety ordinance; or*
 3. *Eighty percent (80%) of the unit owners, including every owner of a unit or assigned limited common element which will not be rebuilt, vote not to rebuild.*
- The cost of repair or replacement in excess of insurance proceeds and reserves shall be a common expense;*
- (b) *If the entire condominium is not repaired or replaced:*
1. *The insurance proceeds attributable to the damaged common elements shall be used to restore the damaged area to a condition compatible with the remainder of the condominium;*
 2. *The insurance proceeds attributable to units and limited common elements which are not rebuilt shall be distributed to the owners of those units and the owners of the units to which those limited common elements were allocated, or to lienholders, as their interests may appear; and*
 3. *The remainder of the proceeds shall be distributed to all the unit owners or lienholders, as their interests may appear, in proportion to the common element interests of all the units.*
- If the unit owners vote not to rebuild any unit, that unit's allocated interests are automatically reallocated upon the vote as if the unit had been acquired by eminent domain under Section 7 of this Act, and the association shall promptly prepare, execute, and record an amendment to the declaration reflecting the reallocations; and*
- (c) *Notwithstanding the provisions of this subsection, Section 29 of this Act governs the distribution of insurance proceeds if the condominium is terminated.*
- (8) *The provisions of this section may be varied or waived in the case of a condominium all of whose units are restricted to nonresidential use.*

➔SECTION 45. A NEW SECTION OF KRS CHAPTER 381 IS CREATED TO READ AS FOLLOWS:

Unless otherwise provided in the declaration, any surplus funds of the association remaining after payment of or provision for common expenses and any prepayment of reserves may be paid to the unit owners in proportion to their common expense liabilities or credited to them to reduce their future common expense assessments.

➔SECTION 46. A NEW SECTION OF KRS CHAPTER 381 IS CREATED TO READ AS FOLLOWS:

- (1) *Until the association makes a common expense assessment, the declarant shall pay all common expenses. After any assessment has been made by the association, assessments shall be made at least annually and based on a budget adopted at least annually by the association.*
- (2) *Except for assessments under subsections (3), (4), and (5) of this section, all common expenses shall be assessed against all the units in accordance with the allocations set forth in the declaration pursuant to subsection (1) of Section 19 of this Act. Any past due common expense assessment or installment thereof shall bear interest at the rate established by the association not exceeding eighteen percent (18%) per year.*
- (3) *To the extent required by the declaration:*
 - (a) *Any common expense associated with the maintenance, repair, or replacement of a limited common element shall be assessed against the units to which that limited common element is assigned, equally, or in any other proportion that the declaration provides;*
 - (b) *Any common expense or portion thereof benefiting fewer than all of the units shall be assessed exclusively against the units benefited; and*
 - (c) *The costs of insurance shall be assessed in proportion to risk and the costs of utilities shall be assessed in proportion to usage.*
- (4) *Assessments may be made to pay a judgment against the association and, if made, shall only be made against the units in the condominium at the time the judgment was entered, in proportion to their common expense liabilities.*
- (5) *If any common expense is caused by the misconduct of any unit owner, the association may assess that expense exclusively against his or her unit.*
- (6) *If common expense liabilities are reallocated, common expense assessments and any installment thereof not yet due shall be recalculated in accordance with the reallocated common expense liabilities.*

➔SECTION 47. A NEW SECTION OF KRS CHAPTER 381 IS CREATED TO READ AS FOLLOWS:

- (1) *The association shall have a lien on a unit for any assessment levied against that unit or fines imposed against its unit owner from the time the assessment or fine becomes due and, if the assessment is payable in installments, the lien shall be for the full amount of the assessment at the time the first installment becomes due. The association's lien may be foreclosed in like manner as a mortgage on real estate. Unless the declaration otherwise provides, fees, charges, late charges, reasonable collection costs, attorney fees, fines, and interest charged pursuant to subsection (1)(j) to (l) of Section 34 of this Act, shall be secured by the lien and enforceable as assessments under this section.*
- (2) *A lien under this section shall take priority over all other liens and encumbrances on a unit, except:*
 - (a) *Liens and encumbrances recorded before the recordation of the declaration;*
 - (b) *A mortgage on the unit recorded before the date on which the assessment sought to be enforced became delinquent; and*
 - (c) *Liens for real estate taxes and other governmental assessments or charges against the unit.*
- (3) *Unless the declaration otherwise provides, if two (2) or more associations have liens for assessments created at any time on the same real estate, those liens shall have equal priority.*
- (4) *Recording of the declaration constitutes record notice and perfection of the lien. No further recordation of any claim of lien for assessment under this section shall be required.*
- (5) *A lien for unpaid assessments shall be extinguished unless proceedings to enforce the lien are instituted within five (5) years after the full amount of the assessments becomes due.*
- (6) *Nothing in this section shall be construed to prohibit actions or suits to recover sums for which subsection (1) of this section creates a lien or to prohibit an association from taking a deed in lieu of foreclosure.*
- (7) *A judgment or decree in any action brought under this section shall include costs and reasonable attorney's fees for the prevailing party.*
- (8) *The association shall, upon written request, provide a unit owner a recordable statement setting forth the amount of unpaid assessments against his or her unit. The statement shall be delivered within ten (10)*

business days after receipt of the request and shall be binding on the association, the executive board, and every unit owner.

➔SECTION 48. A NEW SECTION OF KRS CHAPTER 381 IS CREATED TO READ AS FOLLOWS:

- (1) *Except as provided in subsection (2) of this section, a judgment for money against the association, if recorded, shall not be a lien on the common elements but shall be a lien in favor of the judgment lienholder against all of the units in the condominium at the time the judgment was entered. No other property of a unit owner shall be subject to the claims of creditors of the association.*
- (2) *If the association has granted a lien or security interest in the common elements to a creditor of the association pursuant to Section 43 of this Act, the holder of that lien or security interest shall exercise its right against the common elements before its judgment lien on any unit may be enforced.*
- (3) *Whether perfected before or after the creation of the condominium, if a lien other than a mortgage, including a judgment lien or lien securing the obligation to pay for work performed or materials supplied before creation of the condominium, becomes effective against two (2) or more units, the unit owner of an affected unit may pay to the lienholder the amount of the lien attributable to his or her unit, and the lienholder, upon receipt of payment, shall promptly deliver a release of the lien covering that unit. The amount of the payment shall be proportionate to the ratio which that unit owner's common expense liability bears to the common expense liabilities of all unit owners whose units are subject to the lien. After payment, the association shall not assess or have a lien against that unit owner's unit for any portion of the common expenses incurred in connection with that lien.*
- (4) *A judgment against the association shall be indexed in the name of the condominium and the association and, when so indexed, shall be notice of the lien against the units.*

➔SECTION 49. A NEW SECTION OF KRS CHAPTER 381 IS CREATED TO READ AS FOLLOWS:

The association shall keep financial records sufficiently detailed to enable the association to comply with Section 52 of this Act. All financial and other records shall be made reasonably available for examination by any unit owner and his or her authorized agents.

 - (a) *The average rate of total unemployment (seasonally adjusted), as determined by the United States Secretary of Labor, for the period consisting of the most recent three (3) months for which data for all states are published before the close of such week equals or exceeds six and one-half percent (6.5%); and*

CHAPTER 100

(HB 486)

AN ACT relating to agriculture.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 413.072 is amended to read as follows:

- (1) It is the declared policy of the Commonwealth to conserve, protect, and encourage the development and improvement of its agricultural land and silvicultural land for the production of food, timber, and other agricultural and silvicultural products. When nonagricultural land uses extend into agricultural and silvicultural areas, agricultural and silvicultural operations often become the subject of nuisance suits or legal actions restricting agricultural or silvicultural operations. As a result, agricultural and silvicultural operations are sometimes either curtailed or forced to cease operations. Investments in farm and timber improvements may be discouraged. It is the purpose of this section to reduce the loss to the state of its agricultural and silvicultural resources by clarifying the circumstances under which agricultural and silvicultural operations may be deemed to be a nuisance or interfered with by local ordinances or legal actions.
- (2) No agricultural or silvicultural operation or any of its appurtenances shall be or become a nuisance or trespass, private or public, or be in violation of any zoning ordinance, or be subject to any ordinance that would restrict the right of the operator of the agricultural or silvicultural operation to utilize normal and accepted practices, by any changed conditions in or about the locality thereof after the same has been in operation for more than one (1) year, when the operation was not a nuisance at the time the operation began. The provisions of this subsection shall not apply whenever a nuisance, trespass, or zoning violation results from the negligent operation of an agricultural or silvicultural operation or its appurtenances.
- (3)
 - (a) For the purposes of this section, "agricultural operation" includes, but is not limited to, any facility for the production of crops, livestock, equine, poultry, livestock products, poultry products, horticultural products, and any generally accepted, reasonable, and prudent method for the operation of a farm to obtain a monetary profit that complies with applicable laws and administrative regulations, and is performed in a reasonable and prudent manner customary among farm operators. Agricultural practices protected by this section shall include, but not be limited to, fertilizer application, the application of pesticides or herbicides that have been approved by public authority, planting, cultivating, mowing, harvesting, land clearing, and constructing farm buildings, roads, lakes, and ponds associated with a farming operation.
 - (b) *An agricultural operation may include the practice of sustainable agriculture. For purposes of this section, sustainable agriculture includes science-based practices that are supported by research and the use of technology, demonstrated to lead to broad outcomes-based performance improvements*

that meet the needs of the present, and that improve the ability of future generations to meet their needs while advancing progress toward environmental, social, and economic goals and the well-being of agricultural producers and rural communities. Sustainable agriculture may use continuous improvement principles, with goals that include increasing agricultural productivity, improving human health through access to safe, nutritious, and affordable food, and enhancing agricultural and surrounding environments, including water, soil, and air quality, biodiversity, and habitat preservation.

- (4) For the purposes of this section, "silvicultural operation" includes timber harvest, site preparation, slash disposal including controlled burning, tree planting, precommercial thinning, release, fertilization, animal damage control, reasonable water resource management, insect and disease control in forest land, and any other generally accepted, reasonable, and prudent practice normally employed in the management of the timber resource for monetary profit. A silvicultural operation inherently includes lengthy periods between harvests and shall be deemed continuously operating so long as the property supports an actual or developing forest.
- (5) An agricultural or silvicultural operation shall not lose its status by reason of a change of ownership or a cessation of operation of no more than five (5) years or one (1) year after the expiration of a state or national program contract, either in whole or in part, nor shall it lose its status by reason of changes of crops or methods of production due to the introduction and use of new and generally accepted technologies which allow the operator to continue an existing agricultural or silvicultural corporation, unless the operation is substantially changed.
- (6) The provisions of this section shall not affect the right of any person, firm, or corporation to recover damages for any injuries or damages sustained by them on account of pollution of the waters of any stream or ground water of the person, firm, or corporation.
- (7) Any and all ordinances of any unit of local government now in effect or hereafter adopted that would make an agricultural or silvicultural operation or its appurtenances a nuisance per se, or providing for abatement thereof as a nuisance, a trespass, or a zoning violation in the circumstance set forth in this section shall be void. However, the provisions of this subsection shall not apply whenever a nuisance results from the negligent operation of any such agricultural operation or any of its appurtenances.
- (8) *Any administrative regulation promulgated by any agency that establishes standards for harvesting or producing agricultural crops in a sustainable manner shall be based on the principles outlined in this section and shall allow the use of best management practices developed under KRS 224.71-100 to 224.71-140.*

Signed by Governor April 8, 2010.

CHAPTER 103

(HB 283)

AN ACT relating to coal mining permits and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 350.060 is amended to read as follows:

- (1) (a) No person shall engage in surface coal mining and reclamation operations without having first obtained from the cabinet a permit designating the area of land affected by the operation. Permits shall authorize the permittee to engage in surface coal mining and reclamation operations upon the area of land described in his application for a period not to exceed five (5) years. However, if an applicant demonstrates that a specified longer term is reasonably needed to obtain necessary financing for equipment and the opening of the operation and if the application is full and complete for the specified longer term, the cabinet may grant a permit for the longer term. No mining shall be permitted beyond the time period obligations of the initial or extended bond coverage.
- (b) Subject to the provisions of KRS 350.010(1) and (2), no person shall knowingly and willfully receive, transport, sell, convey, transfer, trade, exchange, donate, purchase, deliver, or in any way derive benefit from coal removed from any surface mining operation which does not have a permit as required under this section.
- (2) No permit or revision application shall be approved unless the application affirmatively demonstrates, and the cabinet finds in writing on the basis of the information set forth in the application or from information otherwise available, that the permit application is accurate and complete and that all the requirements of this chapter have been complied with.

- (3) A person desiring a permit to engage in surface coal mining operations shall file an application which shall state:
- (a) The location and area of land to be affected by the operation, with a description of access to the area from the nearest public highways;
 - (b) The owner or owners of the surface of the area of land to be affected by the permit and the owner or owners of all surface area adjacent to any part of the affected area;
 - (c) The owner or owners of the coal to be mined;
 - (d) The source of the applicant's legal right to mine the coal on the land affected by the permit;
 - (e) The permanent and temporary post office addresses of the applicant, which shall be updated immediately if changed at any point prior to final bond release;
 - (f) Whether the applicant or any person, partnership, or corporation associated with the applicant holds or has held any other permits under this chapter, and an identification of the permits;
 - (g) The names and addresses of every officer, partner, director, or person performing a function similar to a director of the applicant, together with the names and addresses of any individual owning of record ten percent (10%) or more of any class of voting stock of the applicant, and whether the applicant or any person is subject to any of the provisions of subsection (3) of KRS 350.130 and he shall so certify. The permittee shall submit updates of this information as changes occur or as otherwise provided by administrative regulation; however, failure to submit updated information shall constitute a violation of this chapter only upon the permittee's refusal or failure to timely submit the information to the cabinet upon request. Upon receipt of updated information satisfactory to the cabinet, the cabinet shall promptly update its computer system containing the information;
 - (h) A listing of any violations of this chapter, Public Law 95-87, and any law, rule, or regulation in effect for the protection of air or water resources incurred by the applicant in connection with any surface coal mining and reclamation operation during the three (3) year period prior to the date of an application. The list shall indicate the final resolution of the violations; and
 - (i) Whether the area of land to be affected by the operation has been previously mined and is in compliance with current reclamation standards, and, if not, identify the needed reclamation work.
- (4) The application for a permit shall be accompanied by an official document, and an affidavit attesting to the document's authenticity, which will evidence what particular business entity the applicant is, whether a foreign or domestic corporation, a partnership, an entity doing business as another, or, if sole proprietorship, an affidavit so stating.
- (5) The application for a permit shall be accompanied by copies, in numbers satisfactory to the cabinet, of a United States Geological Survey topographic map or other map acceptable to the cabinet on which the applicant has indicated the location of the operation, the course which would be taken by drainage from the operation to the stream or streams to which the drainage would normally flow, the name of the applicant and date, and the name of the person who located the operation on the map.
- (6) The application for a permit shall be accompanied by copies, in numbers satisfactory to the cabinet, of an enlarged United States Geological Survey topographic map or other map acceptable to the cabinet meeting the requirements of paragraphs (a) to (i) of this subsection. The map shall:
- (a) Be prepared and certified by a professional engineer registered under the provisions of KRS Chapter 322. The certification shall be in the form as provided in subsection (8) of this section, except that the engineer shall not be required to certify the true ownership of property under paragraph (d) of this subsection;
 - (b) Identify the area to correspond with the application;
 - (c) Show adjacent deep mining;
 - (d) Show the boundaries of surface properties and names of owners of the affected area and adjacent to any part of the affected area;
 - (e) Be of a scale of 1:24,000 or larger;

- (f) Show the names and locations of all streams, creeks, or other bodies of public water, roads, buildings, cemeteries, oil and gas wells, and utility lines on the area of land affected within three hundred (300) feet of an as-drilled oil or gas well, but as-drilled locations of oil and gas wells shall be certified only by a licensed surveyor and the well locations shall be entered in coordinates in feet units, using NAD 83, with Single Zone Projection, as those terms are defined in KRS 350.010;
 - (g) Show by appropriate markings the boundaries of the area of land affected, the cropline of the seam or deposit of coal to be mined, and the total number of acres involved in the area of land affected;
 - (h) Show the date on which the map was prepared, the north point, and the quadrangle name; and
 - (i) Show the drainage plan on and away from the area of land affected. The plan shall indicate the directional flow of water, constructed drainways, natural waterways used for drainage, and the streams or tributaries receiving the discharge.
- (7) Each application shall include a determination of the probable hydrologic consequences of the mining and reclamation operations, both on and off the mine site, with respect to the hydrologic regime, quantity and quality of water in surface and groundwater systems, including the dissolved and suspended solids under seasonal flow conditions, and the collection of sufficient data for the mine site and surrounding areas so that an assessment can be made by the cabinet of the probable cumulative impacts of all anticipated mining in the area upon the hydrology of the area and particularly upon water availability. This determination shall not be required until the time hydrologic information on the general area prior to mining is made available from an appropriate federal or state agency. The permit shall not be approved until the information is available and is incorporated into the application.
- (8) All certifications required by this chapter to be made by professional engineers shall be done in the form prescribed by the cabinet and shall be reasonably specific as to the work being certified. The cabinet may reject any document or map as incomplete if it is not properly certified.
- (9) In addition to the information and maps required above, each application for a permit shall be accompanied by detailed plans or proposals showing the method of operation; the manner, time, and distance for backfilling; grading work; and a reclamation plan for the affected area, which proposals shall meet the requirements of this chapter and administrative regulations adopted pursuant thereto.
- (10) The application for a permit shall be accompanied by proof that the applicant has public liability insurance coverage satisfactory to the cabinet for the surface mining and reclamation operations for which the permit is sought, or proof that the applicant has satisfied self-insurance requirements as provided by administrative regulations of the cabinet. The coverage shall be maintained in full force and effect during the terms of the permit and any permit renewal, and until reclamation operations are completed.
- (11) A basic fee set by administrative regulation, and bearing a reasonable relationship to the cost of processing the permit application but not to exceed **two thousand five hundred dollars (\$2,500)**~~three hundred seventy-five dollars (\$375)~~, plus a fee set by administrative regulation but not to exceed seventy-five dollars (\$75), for each acre or fraction thereof of the area of land to be affected by the operation, shall be paid before the permit required in this section shall be issued; provided that if the cabinet approves an incremental bonding plan submitted by the applicant, the acreage fees may be paid in increments and at times corresponding to the approved plan. The applicant shall file with the cabinet a bond payable to the Commonwealth of Kentucky with surety satisfactory to the cabinet in the sum to be determined by the cabinet for each acre or fraction thereof of the area of land affected, with a minimum bond of ten thousand dollars (\$10,000), conditioned upon the faithful performance of the requirements set forth in this chapter and of the administrative regulations of the cabinet. The cabinet shall forfeit the entire amount of the bond for the permit area or increment in the event of forfeiture. In determining the amount of the bond, the cabinet shall take into consideration the character and nature of the overburden; the future suitable use of the land involved; the cost of backfilling, grading, and reclamation to be required; and the probable difficulty of reclamation, giving consideration to such factors as topography, geology, hydrology, and revegetation potential. The bond amount shall initially be computed to be sufficient to assure completion of reclamation if the work had to be performed by the cabinet in the event of forfeiture. The cabinet shall promulgate administrative regulations setting forth bonding requirements including, but not limited to, requirements for the amount, duration, release, and forfeiture of bonds.
- (12) The cabinet shall promulgate administrative regulations for the permitting of operations with surface effects of underground mining and other surface coal mining and reclamation operations consistent with this section. The cabinet shall recognize the distinct differences between the surface effects of underground mining and strip

mining, as also provided in KRS 350.151, in promulgating permitting requirements for these operations; provided, that the cabinet shall require that all the areas overlying underground workings be permitted but that the areas overlying underground workings not affected by operations and facilities occurring on the surface shall not be subject to the payment of acreage fees or bond requirements of subsection (11) of this section, KRS 350.070, or KRS 350.151.

- (13) Any valid permit issued pursuant to this chapter shall carry with it the right of successive renewal upon expiration with respect to areas within the boundaries of the existing permit. An applicant for renewal of a permit shall pay a basic fee set by regulation, not to exceed *seven hundred fifty dollars (\$750)*~~three hundred seventy-five dollars (\$375)~~. The holders of the permit may apply for renewal and the renewal shall be issued, provided that on application for renewal the burden shall be on the opponents of renewal, subsequent to the fulfillment of the public notice requirements of this chapter, unless it is established and written findings by the cabinet are made that:
- (a) The terms and conditions of the existing permit are not being satisfactorily met;
 - (b) The present surface coal mining and reclamation operation is not in compliance with the environmental protection standards of this chapter;
 - (c) The renewal requested substantially jeopardizes the applicant's continuing responsibility on existing permit areas;
 - (d) The applicant has not provided evidence that the performance bond in effect for the operation will continue in full force and effect for any renewal requested in the application as well as any additional bond the cabinet might require; or
 - (e) Any additional revised or updated information required by the cabinet has not been provided.

Prior to the approval of any renewal of permit, the cabinet shall provide notice to the appropriate public authorities.

- (14) If an application for renewal of a valid permit includes a proposal to extend the mining operation beyond the boundaries authorized in the existing permit, the portion of the application for renewal of a valid permit which addresses any new areas of surface disturbance shall be subject to the full standards applicable to new applications under this chapter.
- (15) Any permit renewal shall be for a term not to exceed the period of the original permit. Application for permit renewal shall be made at least one hundred twenty (120) days prior to the expiration of the valid permit.
- (16) Notwithstanding any of the provisions of this section, a permit shall terminate if the permittee has not commenced the surface coal mining operations covered by the permit within three (3) years of the issuance of the permit. However, the cabinet may grant reasonable extensions of time upon a showing that the extensions are necessary by reason of litigation precluding commencement of operations, or threatening substantial economic loss to the permittee, or by reason of conditions beyond the control and without the fault or negligence of the permittee. With respect to coal to be mined for use in a synthetic fuel facility or specific major electric generating facility, the permittee shall be deemed to have commenced surface mining operations at the time the construction of the synthetic fuel or generating facility is initiated.
- (17) Each application for a permit or revision for auger mining on a previously mined area shall contain information to describe the area to be affected, to show that the proposed method of operation will result in stable post-mining conditions, and reduce or eliminate adverse environmental conditions created by previous mining activities. If the cabinet determines that the affected area cannot be stabilized and reclaimed subsequent to augering or that the operation will result in an adverse impact to the proposed or adjacent area, the permit or revision shall not be issued. The cabinet shall, consistent with all applicable requirements of this chapter, issue a permit or revision if the applicant demonstrates that the proposed coal mining operations will provide for reduction or elimination of the highwall, or reduction or abatement of adverse impacts resulting from past mining activities, or stabilization or enhancement of a previously mined area. The cabinet shall insure that all reasonably available spoil material will be used to backfill the highwall to the extent practical and feasible; provided, however, that in all cases the holes be properly sealed and backfilled to a minimum of four (4) feet above the coal seam being mined.
- (18) All operations involving the loading of coal which do not separate the coal from its impurities, and which are not located at or near the mine site, shall be exempt from the requirements of this chapter.

➔Section 2. KRS 350.070 is amended to read as follows:

- (1) Any extensions of the area covered by the permit, except incidental boundary revisions, shall be made by application for another permit or an amendment to the permit. However, extensions of the underground mining area that are not incidental boundary revisions and do not include planned subsidence or other new proposed surface disturbances may be made by application for a major revision to the permit.
- (2) For an amendment, the permittee shall file an application, map, and revised reclamation plan in the same form and with the same content as required for an original application under this chapter. He shall pay a basic fee set by regulation and bearing a reasonable relationship to the cost of processing the permit application, not to exceed **one thousand seven hundred fifty dollars (\$1,750)**~~three hundred seventy-five dollars (\$375)~~, plus a fee set by regulation, not to exceed seventy-five dollars (\$75), for each acre or fraction of an acre for the increase requested. He shall file with the cabinet a supplemental bond in the amount to be determined under the provisions of KRS 350.060(11) for each acre or fraction of an acre of the increase approved. This application shall be subject to all of the same requirements as an original application, including, but not limited to, the same public notice, review, and issuance or denial provisions.
- (3) If the cabinet approves a reduction in the acreage covered by the permit, it shall release the bond for each acre reduced, but the bond shall not be reduced below ten thousand dollars (\$10,000). If the cabinet approves a reduction in acreage, it shall transfer the acreage fee for each acre reduced to acreage fees for subsequent permit applications by the permittee.
- (4) The cabinet shall promulgate regulations specifying the permit application information requirements and procedures, including notice and hearing, which shall apply depending on the scale or extent of a permit revision. Any revision which proposes significant alterations in the reclamation plan shall be subject to the notice and hearing requirements as set forth in the regulations of the cabinet. The applicant for a revision shall pay a basic fee set by regulation, not to exceed **seven hundred fifty dollars (\$750) for a minor revision and one thousand seven hundred fifty dollars (\$1,750) for a major revision**~~three hundred seventy-five dollars (\$375)~~, plus a fee set by regulation not to exceed seventy-five dollars (\$75), for each acre or fraction of an acre included in an incidental boundary revision.
- (5) Incidental boundary revisions shall be deemed minor revisions if they:
 - (a) Do not exceed ten percent (10%) of the initial permit acreage;
 - (b) Are contiguous with the permit acreage;
 - (c) Are within the same watershed as the initial permit acreage;
 - (d) Are required for an orderly continuation of the mining operation;
 - (e) Cover the same coal seam or seams as in the permit;
 - (f) Would only involve lands for which the hydrologic and geologic data and the probable hydrologic consequences analysis contained in the permit are applicable to the proposed incidental boundary revision;
 - (g) Would not involve properties designated as unsuitable for mining, or any properties eligible for listing on the National Register of Historic Places;
 - (h) Would not involve any of the special categories of mining listed in 30 C.F.R. Part 785 including, but not limited to, prime farmland and coal preparation plants, unless the approved permit already includes the relevant category;
 - (i) Would not constitute a change in the method of mining; and
 - (j) Would be reclaimed in conformity with the initial reclamation plan.
- (6) For the purpose of this section, the maximum acreage allowed to be added by an incidental boundary revision shall be as follows:
 - (a) Surface operations shall be allowed up to twenty (20) acres;
 - (b) Underground operations shall be allowed up to ten percent (10%) of the original permitted acreage of the underground workings or twenty (20) acres, whichever is less;

- (c) Surface disturbances of underground mines including, but not limited to, face-up areas and haul roads, shall be allowed up to twenty (20) acres;
- (d) The cumulative acreage added by successive revisions shall not exceed the above limitations.

➔Section 3. KRS 350.135 is amended to read as follows:

- (1) No surface coal mining permit issued pursuant to this chapter shall be transferred by sale, assignment, lease, or otherwise except upon the written approval by the cabinet of a joint application submitted by both the transferor and the transferee. A basic fee set by regulation, and bearing a reasonable relationship to the cost of processing the transfer, but not to exceed **seven hundred fifty dollars (\$750)**~~three hundred seventy-five dollars (\$375)~~ shall accompany the application and no acreage fee will be assessed. The transferee shall file with the application a bond satisfactory to the cabinet which shall ensure reclamation of the entire area of land affected under the permit, including areas previously affected by the transferor. All rights and liabilities under the permit shall pass to the transferee upon written approval of the transfer by the cabinet, except that the transferor shall remain liable for any civil penalties resulting from violations occurring prior to the date of approval of the transfer. The cabinet shall not approve transfer of a surface coal mining permit to any person who would be ineligible to receive a new permit under this chapter.
- (2) After the cabinet has given its written approval to the transfer, the transferee may conduct surface coal mining and reclamation operations according to the approved mining and reclamation plan of the original permittee. Any transferee seeking to change the conditions of mining or reclamation operations, or any of the terms or conditions of the original permit, shall apply for a new or revised permit pursuant to the requirements of the cabinet.
- (3) The cabinet shall not release the first permittee from bond liability under this chapter as to that particular operation until the transferee, having filed a bond satisfactory to the cabinet, receives written approval from the cabinet for the transfer, and otherwise complies with the requirements of this chapter, and provided further that the transferee shall assume as part of his obligation under this chapter, all liability for the reclamation of the area of land affected by the former permittee.
- (4) The cabinet may promulgate reasonable regulations and administrative procedures to implement this section.
- (5) The cabinet shall approve the transfer application if:
 - (a) A joint agreement or sale has been executed;
 - (b) The transferee has posted bond satisfactory to the cabinet which insures reclamation of the entire area of land affected under the permit;
 - (c) The transferee has paid the fee pursuant to subsection (1) of this section;
 - (d) The transferee has agreed to operate under provisions of the approved permit being transferred.

➔Section 4. KRS 350.139 is amended to read as follows:

- (1) All prior enactments of this General Assembly to the contrary notwithstanding, all funds received by the Environmental and Public Protection Cabinet through the payment of fees and civil penalties shall be deposited in the State Treasury to the credit of the general fund, except **those fees established in KRS 350.060(11) and (13), 350.070(2) and (4), 350.135(1), and** as provided in KRS 350.990(1). All funds from the forfeiture of bonds shall be placed in the State Treasury in an interest-bearing account and credited to a special agency account. The interest shall become a supplemental fund and may be used to supplement forfeited bonds which are inadequate to complete the reclamation plan. Except as provided in KRS 350.131(1), forfeited bond funds shall be expended upon the lands for which the bond was given. The interest may be expended upon lands other than those for which the bond was given. No more than twenty-five percent (25%) of the supplemental fund may be expended upon any single site, unless a larger expenditure is necessary to abate an imminent danger to public health or safety.
- (2) (a) **Subject to the limitation in paragraph (b) of this subsection, the Department for Natural Resources**~~State Treasurer~~ shall, on or before August 1 of each year, transfer **to the fiscal court of the county in which the permitted operation is located, an amount equal to** thirty-three and one-third percent (33-1/3%) of all funds paid during the preceding fiscal year as fees for the issuance of any

permit for surface coal mining operations~~[to the fiscal courts of the county in which the permitted operation is located]~~ for the general purposes of that fiscal court.

- (b) *The department shall calculate the amount to be transferred each year under this subsection as if the fee rates in effect pursuant to this chapter on October 1, 2009, were still in effect during the preceding fiscal year.*
- (3) *Except for the amount of fees paid to fiscal courts pursuant to subsection (2) of this section, all permit and acreage fees established in subsections (11) and (13) of Section 1 of this Act, subsections (2) and (4) of Section 2 of this Act, and subsection (1) of Section 3 of this Act shall be held specifically for the use of the Division of Mine Permits.*

➔Section 5. Whereas mine permit fees have been insufficient to adequately fund the permit reviewers essential to the processing of coal mine permits creating excessive and costly delays to the coal extraction industry and reducing needed coal severance revenues to the Commonwealth, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming law.

Signed by Governor April 8, 2010.

- (4) Until successful completion of the sex offender treatment program, an eligible sexual offender may earn good time. However, the good time shall not be credited to the eligible sexual offender's sentence. Upon the successful completion of the sex offender treatment program, as determined by the program director, the offender shall be eligible for all good time earned but not otherwise forfeited under administrative regulations promulgated by the Department of Corrections. After successful completion of the sex offender treatment program, an eligible sexual offender may continue to earn good time in the manner provided by administrative regulations promulgated by the Department of Corrections. Any eligible sexual offender, as defined in KRS 197.410, who has not successfully completed the sex offender treatment program as determined by the program director shall not be entitled to the benefit of any credit on his **or her** sentence. A sexual offender who does not complete the sex offender treatment program for any reason shall serve his **or her** entire sentence without benefit of good time, parole, or other form of early release. The provisions of this section shall not apply to any sexual offender convicted before July 15, 1998, or to any mentally retarded sexual offender.

➔Section 5. KRS 439.340 is repealed and reenacted to read as follows:

- (1) The board may release on parole persons confined in any adult state penal or correctional institution of Kentucky or sentenced felons incarcerated in county jails eligible for parole. All paroles shall issue upon order of the board duly adopted. As soon as practicable after his or her admission to an adult state penal or correctional institution or county jail if he or she is a sentenced felon, and at such intervals thereafter as it may determine, the Department of Corrections shall obtain all pertinent information regarding each prisoner, except those not eligible for parole. The information shall include his or her criminal record, his or her conduct, employment, and attitude in prison, and the reports of physical and mental examinations that have been made. The Department of Corrections shall furnish the circumstances of his or her offense and his or her previous social history to the institution and the board. The Department of Corrections shall prepare a report on any information it obtains. It shall be the duty of the Department of Corrections to supplement this report with any material the board may request and submit the report to the board.
- (2) Before granting the parole of any prisoner, the board shall consider the pertinent information regarding the prisoner and shall have him or her appear before it for interview and hearing. The board in its discretion may hold interviews and hearings for prisoners convicted of Class C felonies not included within the definition of "violent offender" in KRS 439.3401 and Class D felonies. The board in its discretion may request the parole board of another state confining prisoners pursuant to KRS 196.610 to interview eligible prisoners and make a

parole recommendation to the board. A parole shall be ordered only for the best interest of society and not as an award of clemency, and it shall not be considered a reduction of sentence or pardon. A prisoner shall be placed on parole only when arrangements have been made for his or her proper employment or for his or her maintenance and care, and when the board believes he or she is able and willing to fulfill the obligations of a law abiding citizen. Notwithstanding any statute to the contrary, including KRS 440.330, when a prisoner is otherwise eligible for parole and the board has recommended parole for that prisoner for the reasons set forth in this subsection, the board may grant parole to any prisoner wanted as a fugitive by any other jurisdiction, and the prisoner shall be released to the detainer from that jurisdiction. Such parole shall not constitute a relinquishment of jurisdiction over the prisoner, and the board in all cases expressly reserves the right to return the prisoner to confinement in a correctional institution of the Commonwealth if the prisoner violates the terms of his or her parole.

- (3) (a) A nonviolent offender convicted of a Class D felony with an aggregate sentence of one (1) to five (5) years who is confined to a state penal institution or county jail shall have his or her case reviewed by the Parole Board after serving fifteen percent (15%) or two (2) months of the original sentence, whichever is longer.
 - (b) Except as provided in paragraph (a) of this subsection, the board shall adopt administrative regulations with respect to the eligibility of prisoners for parole, the conduct of parole and parole revocation hearings and all other matters that come before it, or conditions to be imposed upon parolees. Regulations governing the eligibility of prisoners for parole shall be in accordance with professionally accepted ideas of correction and reform and may utilize in part objective, performance-based criteria; however, nothing herein contained shall preclude the board from utilizing its present regulations in conjunction with other factors involved that would relate to the inmate's needs and the safety of the public.
- (4) The board shall insure that sentenced felons confined in county jails are considered for parole within thirty (30) days of their parole eligibility date and the Department of Corrections shall provide the necessary assistance and information to the board in order for it to conduct timely parole reviews.
- (5) In addition to or in conjunction with each hearing conducted under subsection (2) of this section for any prisoner convicted of a Class A, B, or C felony and prior to the granting of a parole to any such prisoner, the parole board shall conduct a hearing of which the following persons shall receive not less than forty-five (45) nor more than ninety (90) days' notice: the Commonwealth's attorney who shall notify the sheriff of every county and the chief of police of every city and county in which the prisoner committed any Class A, B, or C felony for which he or she is imprisoned, and all identified victims of the crimes or the next of kin of any victim who is deceased. Notice to the Commonwealth's attorney shall be by mail, fax, or electronic means at the discretion of the board, and shall be in a manner that ensures receipt at the Commonwealth attorney's business office. Notices received by chiefs of police and sheriffs shall be posted in a conspicuous location where police employed by the department may see it. Notices shall be posted in a manner and at a time that will allow officers to make comment thereon to the Parole Board. Notice to victims or their next of kin shall be made, for prisoners incarcerated prior to July 15, 1986, by mail, fax, or electronic means at the discretion of the board, and shall be in a manner that ensures receipt by the Commonwealth's attorney, who shall forward the notice promptly to the victims or their next of kin at their last known address. For prisoners incarcerated on or after July 15, 1986, notice to the victims or their next of kin shall be by mail from the Parole Board to their last known address as provided by the Commonwealth's attorney to the Parole Board at the time of incarceration of the prisoner. Notice to the victim or the next of kin of subsequent considerations for parole after the initial consideration shall not be sent if the victim or the next of kin gives notice to the board that he or she no longer wants to receive such notices. The notice shall include the time, date, and place of the hearing provided for in this subsection, and the name and address of a person to write if the recipient of the notice desires to attend the hearing or to submit written comments.
- (6) Persons receiving notice as provided for in subsection (5) of this section may submit comments, in person or in writing, to the board upon all issues relating to the parole of the prisoner. The board shall read and consider all comments prior to making its parole decision, if they are received by the board not less than seven (7) days before the date for the hearing. The board shall retain all comments in the prisoner's permanent Parole Board file, and shall consider them in conjunction with any subsequent parole decisions affecting the prisoner. In addition to officers listed in subsection (5) of this section, the crime victims or the next of kin of any victim who is deceased or who is disabled and cannot attend the hearing or the parent or legal guardian of any victim

who is a minor may attend the hearing provided for in subsection (5) of this section and present oral and written comments upon all issues relating to the parole of the prisoner, if they have advised the board, in writing received by the board not less than seven (7) days prior to the date set for the hearing, of their intention to attend the hearing. The board shall receive and consider all comments, shall make a record of them which it shall retain in the prisoner's permanent Parole Board file, and shall consider them in conjunction with any subsequent parole decision affecting the prisoner. Persons appearing before the Parole Board pursuant to this subsection may elect to make their presentations outside of the presence of the prisoner.

- (7) Victims of Class D felonies may submit comments in person or in writing to the board upon all issues relating to the parole of a prisoner.
- (8) Any hearing provided for in subsections (5), (6), and (7) of this section shall be open to the public unless the persons having a right to appear before the board as specified in those subsections request closure of hearing for reasons of personal safety, in which event the hearing shall be closed. The time, date, and location of closed hearings shall not be disclosed to the public.
- (9) Except as specifically set forth in this section, nothing in this section shall be deemed to expand or abridge any existing rights of persons to contact and communicate with the Parole Board or any of its members, agents, or employees.
- (10) The unintentional failure by the Parole Board, sheriff, chief of police, or any of its members, agents, or employees or by a Commonwealth's attorney or any of his or her agents or employees to comply with any of the provisions of subsections (5), (6), and (8) of this section shall not affect the validity of any parole decision or give rise to any right or cause of action by the crime victim, the prisoner, or any other person.
- (11) No eligible sexual offender within the meaning of KRS 197.400 to 197.440 shall be granted parole unless he or she has successfully completed the Sexual Offender Treatment Program.
- (12) Any prisoner who is granted parole after completion of the Sexual Offender Treatment Program shall be required, as a condition of his or her parole, to participate in regular treatment in a mental health program approved or operated by the Department of Corrections.
- (13) When an order for parole is issued, it shall recite the conditions thereof.

➔Section 6. KRS 439.344 is amended to read as follows:

(HB 160)

AN ACT relating to the establishment of common undergraduate college course credits for transfer and the awarding of degrees.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔SECTION 1. A NEW SECTION OF KRS CHAPTER 164 IS CREATED TO READ AS FOLLOWS:

- (1) *Beginning with the 2012-2013 academic year and each academic year thereafter for first-time students enrolling in a public college or university, postsecondary education institutions are encouraged to limit the credit-hour requirements to sixty (60) credit hours for each associate of science or associate of arts degree program and to one hundred twenty (120) credit hours for each bachelor of arts or bachelor of science degree program, except in situations in which:*
 - (a) *Quality and content of a program would be negatively impacted; or*
 - (b) *A program must comply with specific program standards established by external accreditation bodies.*
- (2) *The Council on Postsecondary Education, in collaboration with the public universities and community and technical colleges, shall:*
 - (a) *Facilitate the development and implementation of a statewide agreement for alignment of Kentucky Community and Technical College System lower-division associate of arts and associate of science coursework that shall be accepted and fully credited to related bachelors degree programs by all public universities. The agreement shall specify the general education learning outcomes and program-specific prerequisite learning outcomes of the coursework. Where applicable, curricula shall be reviewed to determine comparability of core content standards required under KRS 164.302. The agreement shall direct that the associate of arts and associate of science coursework meeting the learning outcomes specified shall be accepted for transfer and degree credit, whether earned as individual courses or within block programs;*
 - (b) *Develop, implement, and maintain a Kentucky Community and Technical College System statewide course numbering system for lower-division general education and program-specific prerequisite courses that include the same learning outcomes;*
 - (c) *Establish a statewide course classification system and procedures to monitor the transfer and crediting of lower-division coursework, including a system of ongoing assessment that ensures comparability for transfer purposes;*
 - (d) *Establish a procedure for approval of changes in learning outcomes at public universities as described in subsection (3) of this section;*
 - (e) *Standardize credit-by-exam equivalencies and common passing scores for national exams transferable for general education courses and program-specific prerequisites courses;*

- (f) *Develop policies to align statewide articulation and transfer procedures across educational institutions, including admissions criteria, student declaration of major, and student guidance and counseling policies designed to ensure that students pursuing an associate of arts or associate of science degree program provide timely notification of their intention to transfer to a public university;*
 - (g) *Develop uniform data collection and reporting methods to facilitate and ensure statewide and institutional compliance with course transfer and credit requirements;*
 - (h) *Guarantee that, upon admission to a public university, graduates of an associate of arts or an associate of science degree program approved by the council in consultation with public universities shall be deemed to have met all general education requirements;*
 - (i) *Provide that graduates of approved associate of arts and associate of science degree programs of Kentucky public postsecondary institutions who complete the prerequisite learning outcomes for a bachelor of arts or bachelor of science program while fulfilling the requirements for an associate of art or associate of science degree, shall not be required to repeat or to take any additional lower-level courses to fulfill bachelor degree requirements in the same major, and these students shall be granted admission to related upper-division bachelors degree programs of a state public college or university on the same criteria as those students earning lower-division credits at the university to which the student transferred;*
 - (j) *Provide that graduates of approved associate of arts and associate of science degree programs shall receive priority for admission to a state public university over out-of-state students if they meet the same admission criteria;*
 - (k) *Establish a commonality in college transcripts to be used in all public colleges and universities to facilitate transfer from community and technical colleges;*
 - (l) *Encourage private colleges and universities to collaborate with public educational institutions in developing programs and agreement to expedite the transfer of students and credits between institutions;*
 - (m) *Establish an appeals process to resolve disagreements between transferring students and receiving educational institutions regarding the transfer and acceptance of credits earned at another institution;*
 - (n) *Ensure that all articulation and transfer policies are consistent with the rules and regulations established by all appropriate discipline-specific accrediting bodies and institutional accrediting agencies as recognized by the United States Department of Education.*
- (3) *When an institution seeks to change learning outcomes for a bachelor of arts or bachelor of science program that affect lower-division courses, the university shall notify the Council of Postsecondary Education and the Kentucky Community and Technical College System of the proposed changes at the same time as the initiation of the university's approval process. If it is determined that the proposed change will have an adverse effect on transferability, the university proposing the change shall enter into discussion with the council and the Kentucky Community and Technical College System to verify there remains a clearly defined path to a bachelor's degree for those students who plan to transfer from the Kentucky Community and Technical College System to the public university.*

➔Section 2. KRS 164.020 is amended to read as follows:

➔Section 2. KRS 350.130 is amended to read as follows:

- (1) When any of the requirements of this chapter or administrative regulations adopted pursuant thereto or the orders of the cabinet have not been complied with, the cabinet shall forthwith cause a notice of noncompliance to be issued upon the permittee, person, or operator. The cabinet shall set forth in its notice a reasonable time period but not more than ninety (90) days for the abatement of the violation. If any permittee, person, or operator has not abated the violation within the time prescribed in the notice of noncompliance, the secretary or other authorized personnel of the cabinet shall issue to the permittee, operator, or person an order for immediate compliance and cessation of any mining activities or operations which are contributing to the violation. The order shall require the permittee, person, or operator to abate the violation in the most expeditious manner possible. The secretary is authorized to promulgate reasonable administrative regulations for the implementation of this section. The notice or order shall be handed to the person in charge of the operation~~[-]~~ and the operator or person engaged in coal exploration operations or sent by certified mail, return

receipt requested, addressed to the permanent address shown on the application for a permit; ***or by electronic mail to the address shown on the permit application or otherwise voluntarily provided to the cabinet by the permittee on a form prepared by the cabinet***; or, if no address is shown on the application, then ***by certified or electronic mail*** to the address known to the cabinet. The notice of noncompliance or order for immediate compliance and cessation shall specify in what respects the permittee, person, or operator has failed to comply with this chapter or the regulations or orders of the cabinet and the remedial action required, the period of time established for abatement, and a reasonable description of the portion of the surface coal mining and reclamation operation to which the notice or order applies. If the permittee, person, or operator has not reached an agreement with the cabinet or has not complied with the requirements set forth in the notice of noncompliance or order for immediate compliance and cessation within time limits set therein, the permit may be revoked or the operation terminated, after an opportunity for a hearing, by order of the cabinet, and the performance bond, if any, shall then be forfeited to the cabinet, provided that failure to attend a hearing shall be excused for good cause shown. Any bonding company or financial institution providing bond to the cabinet shall have the right to perform those measures necessary to secure bond releases if the bonding company or financial institution can demonstrate that it has the ability to perform the measures and will undertake to do so within a reasonable time frame. The bonding company, or financial institution providing the bond, may, at any stage of the reclamation process, pay the remaining encumbered balance of the bond and thereby discharge its obligation under the bond. Neither the surety company nor the financial institution may employ anyone to perform the measures who has been barred from mining pursuant to the provisions of this chapter.

- (2) When a bond is forfeited consistent with the provisions of this chapter, the cabinet shall forfeit the entire amount of the bond for the permit area or increment.
- (3) A permittee, operator, or person whose mining permit or operation has been revoked, suspended, or terminated or is at the time of the application in violation of this chapter or other applicable requirements as set forth in KRS 350.085 shall not be eligible to receive another permit or begin another operation or to have suspended permits or operations reinstated until he shall have complied with all the requirements of this chapter or submitted proof satisfactory to the cabinet under KRS 350.085 that the violation has been corrected or is in the process of being corrected in respect to all permits issued him, provided, further, that no permittee, operator, or person shall be eligible to receive another permit or begin another operation who has forfeited any bond unless the land for which the bond was forfeited has been reclaimed without cost to the state or the permittee, operator, or person has paid such sum as the cabinet finds is adequate to reclaim the lands. The cabinet shall not issue any permits to or allow future operations by any permittee, operator, or person who has demonstrated a pattern of willful violations of this chapter of such nature and duration with such resulting irreparable damage to the environment as to indicate an intent not to comply with the provisions of this chapter, provided that no permit shall be denied on this basis without an opportunity for a hearing. The secretary shall promulgate regulations which implement this section. For the purposes of this section, if a corporate permittee has demonstrated a pattern of willful violations, then any subsequent application for a permit by that corporation, or any person who controls or has controlled that corporation, shall be denied.
- (4) In the exercise of the secretary's enforcement powers and authority under this chapter, the secretary, or an authorized representative of the cabinet, after inspection, shall immediately order the cessation of the condition or operation when he determines that the condition or operation creates an imminent danger to the health or safety of the public or that the condition or operation is causing or can reasonably be expected to cause significant imminent environmental harm in violation of this chapter or the regulations pursuant to this chapter, or any permit condition. For purposes of this subsection, "imminent danger to the health and safety of the public" means the existence of any condition or practice, or any violation of a permit or other requirement of this chapter in a surface coal mining and reclamation operation, which condition, practice, or violation could reasonably be expected to cause substantial physical harm to persons outside the permit area before the condition, practice, or violation can be abated. A reasonable expectation of death or serious injury before abatement exists if a rational person, subjected to the same conditions or practices giving rise to the peril, would not expose himself or herself to the danger during the time necessary for abatement.
- (5) Each provision of this section shall be interpreted and applied consistently with due process of law.
- (6) The secretary, or authorized representatives of the cabinet, shall have the power to vacate, amend, modify, or terminate notices of noncompliance and cessation orders, pursuant to administrative regulations promulgated by the cabinet.

- (7) *Service of any notice or order by electronic mail shall be effective upon delivery of the notice or the order to the recipient's inbox by electronic mail as electronically communicated to the cabinet by an electronic registered receipt.*

Each beneficiary agency shall execute and deliver to the Commonwealth its written assurances, which shall be binding on the agencies' successors and assigns, guaranteeing that during its estimated useful life, the capital project shall be operated and maintained for public purposes and pledging that no mortgage or other encumbrances shall be placed against any capital project wholly financed out of the fund, except industrial development projects, for the breach of which assurances the Commonwealth shall have right of entry to the capital project and the beneficiary agency, or its successors and assigns, shall forthwith convey the title to the capital project to the Commonwealth. Similar assurances shall be executed and delivered to the Commonwealth by the beneficiary agencies of capital projects financed in part out of the fund and in part from other sources, except that when additional funding is derived from the issuance and sale of revenue bonds or under other statutorily authorized financing methods, to secure the repayment of which funds a statutory

mortgage lien is granted in favor of any person or group of persons, the capital project may be encumbered to the extent authorized or required by the law under which the financing method was undertaken; nor shall anything in this section prohibit the encumbrance of any real property located within an industrial park or constituting an industrial site, developed or improved as a capital project under KRS 42.350 and this section, by any person, firm, company, partnership, or corporation to which the property has been conveyed, to obtain financing for the construction upon the property of industrial and commercial buildings. The successor shall have the fees, claims, and accounts collected, or the **Department for Local Government**~~Governor's Office for Local Development~~ may, in its discretion, when said accounts, fees, and claims are so delivered to the successor, appoint a person to collect them. If a collector is appointed, the successor shall at once, or when demanded by the collector, deliver to him all accounts, fees, and claims uncollected. The successor or collector, as the case may be, shall, every sixty (60) days after receiving the accounts, fees, and claims, report to the **Department for Local Government**~~Governor's Office for Local Development~~, under oath, the amount collected thereon, and at the same time pay to the **Department for Local Government**~~Governor's Office for Local Development~~ the amount so collected, and shall continue to so report for three (3) years, unless the accounts, fees, and claims are sooner collected.
- (2) The **Department for Local Government**~~Governor's Office for Local Development~~ shall, upon each payment, draw a warrant on the State Treasurer in favor of the person collecting, for an amount equal to twenty percent (20%) of the amount so paid in, which shall be the full compensation allowed for the collection.
- (3) If the amount paid to any clerk during his term or incumbency was not sufficient to pay the salaries and office expenses of the clerk, the **Department for Local Government**~~Governor's Office for Local Development~~ shall, out of the money collected and paid in as provided in subsection (1) of this section, pay to the clerk, or to the person entitled to receive the same, an amount sufficient to supply the deficit due for salaries and expenses, not exceeding seventy-five percent (75%) of the amount of fees accrued during his official term and which have been collected and paid to the **Department for Local Government**~~Governor's Office for Local Development~~.

➔Section 42. KRS 64.480 is amended to read as follows:

- (1) Effective, with respect to the offices of Governor on December 11, 1979, and Lieutenant Governor on the fifth Tuesday following the regular November election in 1975, and with respect to the other offices named in this section on the first Monday in January, 1976, the compensation of the following named officers, payable monthly out of the State Treasury, shall be the sum per annum designated for the respective offices, as follows: Governor, forty-five thousand dollars (\$45,000) until December 11, 1981, then fifty thousand dollars

(\$50,000) until December 13, 1983, and then sixty thousand dollars (\$60,000) until January 1, 1985; Lieutenant Governor, twenty-seven thousand nine hundred dollars (\$27,900) per annum, plus any compensation received while acting in the place of the Governor; Attorney General, Commissioner of Agriculture, Secretary of State, State Treasurer, Auditor of Public Accounts, and clerk of the Supreme Court of Kentucky elected in November, 1975, as clerk of the Court of Appeals, twenty-seven thousand nine hundred dollars (\$27,900).

- (2) In order to equate or adjust the compensation of the Lieutenant Governor, Attorney General, Commissioner of Agriculture, Secretary of State, State Treasurer, Auditor of Public Accounts, and clerk of the Supreme Court of Kentucky with the purchasing power of the 1949 dollar, the **Department for Local Government**~~Governor's Office for Local Development~~ of Kentucky shall compute by the second Friday in February of every year, beginning in 1977, the maximum permissible compensation of the officials mentioned in this subsection based precisely upon the consumer price index formula approved in *Matthews v. Allen*, Kentucky, 360 S.W.2d 139 (1962). Thus the maximum permissible compensation effective for the entire year of 1977 and subsequent years will be the actual compensation to be paid said officials. The year of adjustment will be the particular full calendar year involved.
- (3) It is the intention of the Legislature that the constitutionally permissible adjustment of salaries of these officials be framed around equating current salaries with the purchasing power of the dollar in 1949 when Section 246 of the Constitution of Kentucky was amended. Section 246 of the Constitution of Kentucky, as amended, established a monetary level of twelve thousand dollars (\$12,000) per annum for said officials. The formula merely effects an adjustment of the constitutional monetary level in terms of the current consumer price index.
- (4) In order to adjust the compensation of the Governor to reflect changes in the purchasing power of the dollar, the **Department for Local Government**~~Governor's Office for Local Development~~ shall compute by the second Friday in February of every year, beginning in 1985, an adjusted salary of the Governor by multiplying sixty thousand dollars (\$60,000) by the increase in the consumer price index during the period from January 1, 1984, to the beginning of the then-current calendar year. The actual compensation paid to the Governor for the entire calendar year of 1985 and subsequent years shall be the adjusted salary.

➔Section 43. KRS 64.527 is amended to read as follows:

In order to equate the compensation of jailers who do not operate full service jails, constables in counties having an urban-county form of government, justices of the peace, county commissioners, and coroners with the purchasing power of the dollar, the **Department for Local Government**~~Governor's Office for Local Development~~ shall compute by the second Friday in February of every year the annual increase or decrease in the consumer price index of the preceding year by using 1949 as the base year in accordance with Section 246 of the Constitution of Kentucky which provides that the above elected officials shall be paid at a rate no greater than seven thousand two hundred dollars (\$7,200) per annum. The **Department for Local Government**~~Governor's Office for Local Development~~ shall notify the appropriate governing bodies charged by law to fix the compensation of the above elected officials of the annual rate of compensation to which the elected officials are entitled in accordance with the increase or decrease in the consumer price index. Upon notification from the **Department for Local Government**~~Governor's Office for Local Development~~, the appropriate governing body may set the annual compensation of the above elected officials at a rate no greater than that stipulated by the **Department for Local Government**~~Governor's Office for Local Development~~.

➔Section 44. KRS 64.5275 is amended to read as follows:

- (1) The General Assembly of the Commonwealth of Kentucky hereby finds and determines that county judges/executive, county clerks, jailers who operate a full service jail, and sheriffs in all counties are officers whose duties or jurisdictions are coextensive with that of the Commonwealth within the meaning of Section 246 of the Constitution of Kentucky.
- (2) Effective on the first Monday in January of 1999, the maximum salary of county judges/executive, county clerks, jailers who operate a full service jail, and sheriffs shall be fixed by the **Department for Local Government**~~Governor's Office for Local Development~~ according to a salary schedule in accordance with Section 246 of the Kentucky Constitution. The salary schedule provides that these officials, as officers whose jurisdiction or duties are coextensive with the Commonwealth, shall be paid at a rate no greater than twelve thousand dollars (\$12,000) per annum as adjusted for any increase or decrease in the consumer price index and as described in subsection (4) of this section.

- (3) The salary schedule for county judges/executive, county clerks, jailers who operate a full service jail, and sheriffs in all counties provides for nine (9) levels of salary based upon the population of the county in the year prior to the election of county officials as determined by the United States Department of Commerce, Bureau of the Census's annual estimates. To implement the salary schedule, the ***Department for Local Government***~~Governor's Office for Local Development~~ shall, by November 1 of each year preceding the election of county officials, certify for each county the population group applicable to each county based on the most recent estimates of the United States Department of Commerce, Bureau of the Census. For the purposes of this section, the salary schedule for county judges/executive, county clerks, jailers who operate a full service jail, and sheriffs shall remain as determined by the ***Department for Local Government***~~Governor's Office for Local Development~~ pursuant to this section, regardless of changes in the population estimates or the actual census count that may occur during the term for which the official has been elected or appointed. The salary schedule provides four (4) steps for yearly increments within each population group. County officers named in this section shall be paid according to the first step within their population group for the first year or portion thereof they serve in office. Thereafter, each officer, on January 1 of each subsequent year, shall be advanced automatically to the next step in the salary schedule until the maximum salary figure for the population group is reached. Prior to assuming office on the first Monday in January, 1999, or thereafter, any person assuming any of the offices for which the salary is determined by this section must certify to the commissioner of the ***Department for Local Government***~~Governor's Office for Local Development~~ the total number of years, not to exceed four (4) years, that the person has previously served in the office. The ***Department for Local Government***~~Governor's Office for Local Development~~ shall place the officer in the proper step based upon a formula of one (1) incremental step per full calendar year of service:

If an officer fails, without good cause as determined by the commissioner of the ***Department for Local Government***~~Governor's Office for Local Development~~, to obtain the minimum amount of approved training in any year, the officer shall lose all training incentives previously accumulated. Each training unit shall be approved and certified by the ***Department for Local Government***~~Governor's Office for Local Development~~. No officer shall receive more than one (1) training unit per calendar year nor more than four (4) incentive payments per calendar year. Each officer shall be allowed to carry forward up to forty (40) hours of training credit into the following calendar year for the purpose of satisfying the minimum amount of training for that year. Citizens across Kentucky are encouraged to contact their county's Cooperative Extension office, which are serving, until April 4, 2010, as the collection points for these remembrances. Once compiled, these stories, photos, videos, and other media will be posted on a Virtual Time Capsule Web site to be unveiled in conjunction with the Capitol Centennial Celebration on June 4 and 5 in Frankfort, and shall remain available until December 31, 2010.

➔Section 4. (HCR 207)

A CONCURRENT RESOLUTION urging the United States Department of Agriculture to evaluate the formula used to establish the price of milk paid to farmers, determine if the formula puts Kentucky dairy farmers at a competitive disadvantage, and determine if a more efficient formula could reduce trucking for Kentucky milk processors and provide an incentive to process more Kentucky milk, allowing Kentucky consumers and schools to have access to the milk produced by Kentucky farmers.

WHEREAS, Kentucky consumers have become increasingly aware of where their food comes from, and the growth of the Kentucky Proud state marketing initiative encourages buying local; and

WHEREAS, 950 Kentucky family-run dairy farms maintain stewardship of thousands of acres of land, and are of pivotal importance to the local and state economy; and

WHEREAS, there is incentive to move milk from surplus to deficit areas, yet little or no incentive to keep locally produced milk local and limit food miles in deficit areas; and

WHEREAS, the limited degree of transparency throughout the milk marketing process increases the difficulty in identifying and solving the problem;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

➔Section 1. The United States Department of Agriculture is urged to evaluate the formula used to establish milk prices paid to farmers, determine if the formula puts Kentucky dairy farmers at a competitive disadvantage, and determine if a more efficient balancing system could be devised that would reduce Kentucky milk processors' trucking expense and provide an incentive for local milk to stay local, allowing Kentucky consumers and schools to access milk produced by Kentucky farmers.

➔Section 2. A copy of this Resolution shall be sent to the Secretary of the United States Department of Agriculture and to the Kentucky Congressional delegation.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 121.180 is amended to read as follows:

- (1) (a) Any candidate, slate of candidates, or political issues committee shall be exempt from filing any preelection finance reports required by subsection (3) of this section if the candidate, slate of candidates, or political issues committee chairman files a form prescribed and furnished by the registry stating that contributions will not be accepted or expended in excess of three thousand dollars (\$3,000) in any one (1) election to further the candidacy or to support or oppose a constitutional amendment or public question which will appear on the ballot. For a candidate for judicial office who desires to be exempt from filing preelection campaign finance reports as provided in this paragraph, the request for exemption shall be filed by the campaign treasurer of the candidate's campaign committee, but the candidate shall be personally liable for any violation if the campaign treasurer accepts contributions or makes expenditures in excess of the limit and shall be subject to the same penalties as a candidate as provided in subparagraph (1)1. or 2. of this subsection. A separate form shall be required for each primary, regular, or special election in which the candidate or slate of candidates participates or in which the public question appears on the ballot, unless the candidate, slate of candidates, or political issues committee chairman indicates on a request for exemption that the request will be applicable to more than one (1) election. The form shall be filed with the same office with which a candidate or slate of candidates files nomination papers or, in the case of a political issues committee, with the registry.
- (b) Any candidate, slate of candidates, or political issues committee shall be exempt from filing any campaign finance reports required by subsections (3) and (4) of this section if the candidate, slate of candidates, or political issues committee chairman files a form prescribed and furnished by the registry stating that currently no contributions have been received and that contributions will not be accepted or expended in excess of one thousand dollars (\$1,000) in any one (1) election. For a candidate for judicial office who desires to be exempt from filing any campaign finance reports as provided in this paragraph, the request for exemption shall be filed by the campaign treasurer of the candidate's campaign committee, but the candidate shall be personally liable for any violation if the campaign treasurer accepts contributions or makes expenditures in excess of the limit and shall be subject to the same penalties as a candidate as provided in subparagraph (1)1. or 2. of this subsection. A separate form shall be required for each primary, regular, or special election in which the candidate or slate of candidates participates or in which the public question appears on the ballot, unless the candidate, slate of candidates, or political issues committee chairman indicates on a request for exemption that the request will be applicable to more than one (1) election. The form shall be filed with the same office with which a candidate or slate of candidates files nomination papers or, in the case of a political issues committee, with the registry.
- (c) For a primary election, a candidate or slate of candidates shall file a request for exemption not later than the deadline for filing nomination papers and, except as provided in subparagraph 2. of paragraph (d) of

this subsection, shall be bound by its terms unless it is rescinded in writing not later than fifteen (15) days after the filing deadline. For a regular election, a candidate or slate of candidates shall file or rescind in writing a request for exemption not later than twenty-five (25) days after the date of the preceding primary election, except as provided in subparagraph 2. of paragraph (d) of this subsection. For a special election, a candidate or slate of candidates shall file a request for exemption not later than ten (10) days after the candidate or slate of candidates is nominated for a special election and shall be bound by its terms unless it is rescinded in writing not later than twenty-five (25) days after the date on which the nomination for a special election is made. - (d) 1. A candidate or slate of candidates that revokes a request for exemption in a timely manner may exercise the remaining option or may file all reports required of a candidate intending to raise or spend in excess of three thousand dollars (\$3,000) in an election. If a candidate or slate of candidates elects to exercise a different option, the candidate or slate of candidates shall file the appropriate form with the officer who received the filing papers of the candidate or slate of candidates not later than the deadline for filing a revocation.
- 2. A candidate for any city or county office or for any school board office, who is exempted from some or all campaign finance reporting requirements pursuant to paragraph (a) or (b) of this subsection but who accepts contributions or makes expenditures in excess of the exempted amount in an election, shall file all applicable reports required for the remainder of that election, based upon the amount of contributions or expenditures the candidate accepts or receives in that election. The filing of applicable required reports by a candidate after the exempted amount is exceeded shall serve as notice to the registry that the initial exemption has been rescinded. No further notice to the registry shall be required and no penalty for exceeding the initial exempted amount shall be imposed against the candidate, except for failure to file applicable reports required after the exempted amount is exceeded.
- (e) Any candidate or slate of candidates that is subject to an August filing deadline and that intends to execute a request for exemption shall file the appropriate request for exemption not later than the filing deadline and, except as provided in subparagraph 2. of paragraph (d) of this subsection, shall be bound by its terms unless it is rescinded in writing not later than fifteen (15) days after the filing deadline. A candidate or slate of candidates that is covered by this paragraph shall have the same reversion rights as those provided in subparagraph 1. of paragraph (d) of this subsection.
- (f) Any candidate or slate of candidates that will appear on the ballot in a regular election that has signed either request for exemption for that election may exercise the reversion rights provided in subparagraph 1. of paragraph (d) of this subsection if a candidate or slate of candidates that is subject to an August filing deadline subsequently files in opposition to the candidate or slate of candidates. - (h) Any candidate or slate of candidates that has filed a request for exemption may petition the registry to determine whether another person is campaigning as a write-in candidate prior to having filed a declaration of intent to receive write-in votes, and, if the registry determines upon a preponderance of the evidence that a person who may later be a write-in candidate is conducting a campaign, the candidate or slate of candidates, except as provided in subparagraph 2. of paragraph (d) of this subsection, may petition the registry to permit the candidate or slate of candidates to exercise the reversion rights provided in subparagraph 1. of paragraph (d) of this subsection.
- (i) If the opponent of a candidate or slate of candidates is replaced due to his withdrawal because of death, disability, or disqualification, the candidate or slate of candidates, except as provided in subparagraph 2.

of paragraph (d) of this subsection, may exercise the reversion rights provided in subparagraph 1. of paragraph (d) of this subsection not later than fifteen (15) days after the party executive committee nominates a replacement for the withdrawn candidate or slate of candidates.

- (j) A person intending to be a write-in candidate for any office in a regular or special election may execute a request for exemption under paragraph (a) or (b) of this subsection and shall be bound by its terms unless it is rescinded in writing not later than fifteen (15) days after the filing deadline for the regular or special election. A person intending to be a write-in candidate who revokes a request for exemption in a timely manner may exercise the remaining exemption option or may file all reports required of a candidate intending to raise or spend in excess of three thousand dollars (\$3,000) in an election. Except as provided in subparagraph 2. of paragraph (d) of this subsection, a person intending to be a write-in candidate who elects to exercise a different exemption option shall file the appropriate form with the officer who received the initial request for exemption not later than fifteen (15) days after the filing deadline for the regular or special election.
- (k) Except as provided in subparagraph 2. of paragraph (d) of this subsection, the campaign committee of any candidate or slate of candidates that has filed a request for exemption or a political issues committee whose chairman has filed a request for exemption shall be bound by its terms unless it is rescinded in a timely manner and no new request for exemption has been executed.
