 - (l) That the insurer has failed to file its annual report or other report within the time allowed by law, and after written demand by the **commissioner**~~{executive director}~~ has failed to give an adequate explanation immediately.
 - (m) That two-thirds (2/3) of the board of directors, or the holders of a majority of the shares entitled to vote, or a majority of members or policyholders of an insurer subject to control by its members or policyholders, consent to rehabilitation under this subtitle.
- (2) Upon the issuance of an order directing the **commissioner**~~{executive director}~~ to rehabilitate a domestic insurer, the court shall have exclusive jurisdiction over all matters relating to the rehabilitation, including, but not limited to, the proper scope and application of the provisions of this subtitle to the rehabilitation as well as all interpretation and enforceability of all contracts of insurance to which the insurer is a party.

➔Section 1440. KRS 304.33-150 is amended to read as follows:

- (1) Appointment of rehabilitator. An order to rehabilitate the business of a domestic insurer, or an alien insurer domiciled in this state, shall appoint the **commissioner**~~{executive director}~~ and his **or her** successors in office rehabilitator and shall direct the rehabilitator forthwith to take possession of the assets of the insurer and to administer them under the orders of the court. The filing or recording of the order with any county clerk in the state shall impart the same notice as a deed, bill of sale, or other evidence of title duly filed or recorded with that county clerk.
- (2) Any order issued under this section shall require accountings to the court by the rehabilitator. Accountings shall be at such intervals as the court specifies in its order, but no less frequently than semiannually. Each accounting shall include a report concerning the rehabilitator's opinion as to the likelihood that a plan under KRS 304.33-160(5) will be prepared by the rehabilitator and the timetable for doing so.
- (3) Anticipatory breach. Entry of an order of rehabilitation shall not constitute an anticipatory breach of any contracts of the insurer, and it shall not be grounds for revocation or cancellation of any contracts of the insurer.

➔Section 1441. KRS 304.33-160 is amended to read as follows:

- (1) Special deputy~~{director}~~. The **commissioner**~~{executive director}~~ as rehabilitator shall appoint one (1) or more special deputies, who are active or retired senior executives from a successful insurer, and who shall have all the powers and responsibilities of the rehabilitator granted under this section, and the **commissioner**~~{executive director}~~ may employ such counsel, clerks, and assistants as deemed necessary. The compensation of the special deputy, counsel, clerks, and assistants and all expenses of taking possession of the insurer and of conducting the proceedings shall be fixed by the **commissioner**~~{executive director}~~, with the approval of the court and shall be paid out of the funds or assets of the insurer. The persons appointed under this section shall serve at the pleasure of the **commissioner**~~{executive director}~~. If the property of the insurer does not contain sufficient cash or liquid assets to defray the costs incurred, the **commissioner**~~{executive director}~~ may advance the costs so incurred out of any appropriation for the maintenance of the **Department**~~{Office}~~ of Insurance. Any amounts so advanced for expenses of administration shall be repaid to the **commissioner**~~{executive director}~~ for the use of the **Department**~~{Office}~~ of Insurance out of the first available money of the insurer.
- (2) General power. The rehabilitator may take action as he **or she** deems necessary or appropriate to reform and revitalize the insurer. He **or she** shall have all the powers of the directors, officers, and managers, whose authority shall be suspended, except as they are redelegated by the rehabilitator. He **or she** shall have full power to direct and manage, to hire and discharge employees subject to any contract rights they may have, and to deal with the property and business of the insurer.
- (3) Advice from experts. The rehabilitator may consult with and obtain formal or informal advice and aid of insurance experts.

- (4) Pursuit of insurer's claims against insiders. If the rehabilitator finds that there has been criminal or tortious conduct or breach of any contractual or fiduciary obligation detrimental to the insurer by any officer, manager, agent, employee, or other person, he *or she* may pursue all appropriate legal remedies on behalf of the insurer.
- (5) Reorganization plan. The rehabilitator may prepare a plan for the reorganization, consolidation, conversion, reinsurance, merger, or other transformation of the insurer. Upon application of the rehabilitator for approval of the plan, and after the notice and hearing as the court prescribes, the court may either approve or disapprove the plan proposed, or may modify it and approve it as modified. If it is approved, the rehabilitator shall carry out the plan. In the case of a life insurer, the plan proposed may include the imposition of liens upon the equities of policyholders of the insurer, if all rights of shareholders are first extinguished. A plan for a life insurer may also propose imposition of a moratorium upon loan and cash surrender rights upon policies, for such period and to such an extent as are necessary.
- (6) Fraudulent transfers. The rehabilitator shall have the power to avoid fraudulent transfers under KRS 304.33-290 and 304.33-300.

➔Section 1442. KRS 304.33-190 is amended to read as follows:

- (1) The ~~commissioner~~~~executive director~~ may apply by petition to the Circuit Court for Franklin County or for the county in which the principal office of the insurer is located for an order directing him *or her* to liquidate a domestic insurer or an alien insurer domiciled in this state on any one (1) or more of the following grounds:
 - (a) Any ground on which ~~the commissioner~~~~he~~ may apply for an order of rehabilitation under KRS 304.33-140, whenever he *or she* believes that attempts to rehabilitate the insurer would substantially increase the risk of loss to its creditors, its policyholders or the public, or would be futile, or that rehabilitators would serve no useful purpose;
 - (b) That the insurer has commenced, or within the previous year has attempted to commence, voluntary liquidation otherwise than under the insurance laws of this state;
 - (c) That the holders of two-thirds (2/3) of the shares entitled to vote, or two-thirds (2/3) of the members or policyholders entitled to vote in an insurer controlled by its members or policyholders, have consented to a petition.
- (2) Upon the issuance of an order directing the ~~commissioner~~~~executive director~~ to liquidate a domestic insurer, the court shall have exclusive jurisdiction over all matters relating to the liquidation, including, but not limited to, the proper scope and application of the provisions of this subtitle to the liquidation as well as all interpretation and enforceability of all contracts of insurance to which the insurer is a party.

➔Section 1443. KRS 304.33-200 is amended to read as follows:

- (1) Order to liquidate. An order to liquidate the business of a domestic insurer shall appoint the ~~commissioner~~~~executive director~~ and his *or her* successors in office liquidator and shall direct the liquidator forthwith to take possession of the assets of the insurer and to administer them under the orders of the court. The liquidator shall be vested by operation of law with the title to all of the property, contracts, and rights of action and all of the books and records of the insurer ordered liquidated, wherever located, as of the date of the filing of the petition for liquidation. He *or she* may recover and reduce the same to possession except that ancillary receivers in reciprocal states shall have, as to assets located in their respective states, the rights and powers which are prescribed in subsection (3) of KRS 304.33-540 for ancillary receivers appointed in this state as to assets located in this state. The filing or recording of the order with any county clerk in this state shall impart the same notice as a deed, bill of sale, or other evidence of title duly filed or recorded with that county clerk.
- (2) Fixing of rights.
 - (a) Upon issuance of the order, the rights and liabilities of any such insurer and of its creditors, policyholders, shareholders, members, and all other persons interested in its estate are fixed as of the date of filing of the petition for liquidation, except as provided in KRS 304.33-210 and 304.33-380.
 - (b) Entry of an order of liquidation shall not constitute an anticipatory breach of any contracts of the insurer, and it shall not be grounds for rescission, revocation, or cancellation of any contracts of the insurer in force as of the date of liquidation, except as provided in KRS 304.33-210.

- (3) Alien insurer. An order to liquidate the business of an alien insurer domiciled in this state shall be in the same terms and have the same legal effect as an order to liquidate a domestic insurer, except that the assets and the business in the United States shall be the only assets and business included under the order.
- (4) Declaration of insolvency. At the time of petitioning for an order of liquidation, or at any time thereafter, the ~~commissioner~~~~[executive director]~~ may petition the court to declare the insurer insolvent, and after such notice and hearing as it deems proper, the court may make the declaration.

➔Section 1444. KRS 304.33-220 is amended to read as follows:

The ~~commissioner~~~~[executive director]~~ may petition for an order dissolving the corporate existence of a domestic insurer or the United States branch of an alien insurer domiciled in this state at the time ~~the commissioner~~ ~~he~~ applies for a liquidation order. If the court issues a liquidation order, it also shall order dissolution if the ~~commissioner~~~~[executive director]~~ has petitioned for it. The court shall order dissolution of the corporation upon petition by the ~~commissioner~~~~[executive director]~~ at any time after a liquidation order has been granted. If the dissolution has not previously occurred, it shall be effected by operation of law upon the discharge of the liquidator.

➔Section 1445. KRS 304.33-230 is amended to read as follows:

- (1) Petition for federal receiver. Whenever in the ~~commissioner's~~~~[executive director's]~~ opinion, liquidation of a domestic insurer or an alien insurer domiciled in this state would be facilitated by a federal receivership, and when any ground exists upon which the ~~commissioner~~~~[executive director]~~ might petition the court for an order of rehabilitation or liquidation under KRS 304.33-140 or 304.33-190, or if an order of rehabilitation or liquidation has already been entered, the ~~commissioner~~~~[executive director]~~ may request the *insurance* commissioner or other willing resident of another state to petition any appropriate federal District Court for the appointment of a federal receiver. The ~~commissioner~~~~[executive director]~~ may intervene in any such action to support or oppose the petition, and may accept appointment as the receiver if he *or she* is so designated. So much of this subtitle shall apply to the receivership as can be made applicable and is appropriate. Upon motion of the ~~commissioner~~~~[executive director]~~, the courts of this state shall relinquish all jurisdiction over the insurer for purposes of rehabilitation or liquidation.
- (2) Compliance with federal requirements. If the ~~commissioner~~~~[executive director]~~ is appointed receiver under this section, he *or she* shall comply with any requirements necessary to give him *or her* title to and control over the assets and affairs of the insurer.

➔Section 1446. KRS 304.33-240 is amended to read as follows:

The liquidator shall report to the court monthly, or at other intervals specified by the court, on the progress of the liquidation in whatever detail the court orders. The liquidator may:

- (1) Appoint a special deputy to act for him *or her* under this subtitle, and, subject to the court's approval, determine his *or her* compensation. The special deputy shall have all powers of the liquidator granted by this section. The special deputy shall serve at the pleasure of the liquidator.
- (2) Appoint or engage employees and agents, legal counsel, actuaries, accountants, appraisers, consultants, and other personnel he *or she* deems necessary to assist in the liquidation.
- (3) Fix the compensation of persons under subsection (2) of this section, subject to the control of the court.
- (4) Defray all expenses of taking possession of, conserving, conducting, liquidating, disposing of or otherwise dealing with the business and property of the insurer. If the property of the insurer does not contain sufficient cash or liquid assets to defray the costs incurred, the liquidator may advance the costs so incurred out of any available appropriation. Any amounts so paid shall be deemed expense of administration and shall be repaid for the credit of the ~~Department~~~~[Office]~~ of Insurance out of the first available moneys of the insurer.
- (5) Hold hearings, subpoena witnesses and compel their attendance, administer oaths, examine any person under oath, and compel any person to subscribe to his *or her* testimony after it has been correctly reduced to writing, and in connection therewith require the production of any books, papers, record, or other documents which he *or she* deems relevant to the inquiry.
- (6) Collect all debts and moneys due and claims belonging to the insurer, wherever located, and for this purpose institute timely action in other jurisdictions to marshal the assets of the insurer; forestall garnishment and attachment proceedings against such debts; do such other acts as are necessary or expedient to collect,

conserve or protect its assets or property, including sell, compound, compromise or assign for purposes of collection, subject to court approval and upon such terms and conditions as ~~the liquidator~~^{he} deems best, any disputed claims; and pursue any creditor's remedies available to enforce his ~~or her~~ claims. In lieu of collecting funds representing unearned premium of a policyholder which are in the possession of the insurer's agent with respect to the kinds of direct insurance protected under KRS 304.36-030, the liquidator may authorize the use of such funds to replace the insurance coverage terminated pursuant to KRS 304.33-210, upon receipt from the agent of appropriate notice of such replacement of the insurance coverage with an insurer within sixty (60) days after the date of the liquidation order.

- (7) Audit the books and records of all agents of the insurer insofar as these records relate to the business activities of the insurer.
- (8) Conduct public and private sales of the property of the insurer in a manner prescribed by the court.
- (9) Use assets of the estate to transfer policy obligations to a solvent assuming insurer, if the transfer can be arranged without prejudice to applicable priorities under KRS 304.33-430.
- (10) Acquire, hypothecate, encumber, lease, improve, sell, transfer, abandon, or otherwise dispose of or deal with any property of the insurer at its market value or upon such terms and conditions as are fair and reasonable, except that no transaction involving property the market value of which exceeds ten thousand dollars (\$10,000) shall be concluded without express permission of the court. ~~The liquidator~~^{He} also may execute, acknowledge, and deliver any deeds, assignments, releases, and other instruments necessary or proper to effectuate any sale of property or other transaction in connection with the liquidation. In cases where real property sold by the liquidator is located other than in the county where the liquidation is pending, the liquidator shall cause to be filed with the county clerk for the county in which the property is located a certified copy of the order appointing him ~~or her~~.
- (11) Borrow money, subject to court approval, on the security of the insurer's assets or without security and execute and deliver all documents necessary to that transaction for the purpose of facilitating the liquidation.
- (12) Enter into such contracts as are necessary to carry out the order to liquidate, and affirm or disavow any contracts to which the insurer is a party.
- (13) Continue to prosecute and institute in the name of the insurer or in his ~~or her~~ own name any suits and other legal proceedings, in this state or elsewhere, and abandon the prosecution of claims he ~~or she~~ deems unprofitable to pursue further. If the insurer is dissolved under KRS 304.33-220, he ~~or she~~ may apply to any court in this state or elsewhere for leave to substitute himself ~~or herself~~ for the insurer as plaintiff.
- (14) Prosecute any action which may exist in behalf of the creditors, members, policyholders, or shareholders of the insurer against any officer of the insurer, or any other person.
- (15) Remove any records and property of the insurer to the offices of the ~~commissioner~~^{executive director} or to such other place as is convenient for the purposes of efficient and orderly execution of the liquidation.
- (16) Deposit in one (1) or more banks in this state such sums as are required for meeting current administration expenses and dividend distributions.
- (17) File any necessary documents for record in the office of any county clerk or record office in this state or elsewhere where property of the insurer is located.
- (18) Assert all defenses available to the insurer as against third persons, including statutes of limitations, statutes of frauds, and the defense of usury. A waiver of any defense by the insurer after a petition for liquidation has been filed shall not bind the liquidator.
- (19) Exercise and enforce all the rights, remedies and powers of any creditor, shareholder, policyholder, or member, including any power to avoid any transfer or lien that may be given by law and that is not included within KRS 304.33-290 to 304.33-310, inclusive.
- (20) Intervene in any proceeding wherever instituted that might lead to the appointment of a receiver or trustee, and act as the receiver or trustee whenever the appointment is offered.
- (21) Enter into agreements with any receiver or commissioner of any other state relating to the rehabilitation, liquidation, conservation, or dissolution of an insurer doing business in both states.
- (22) Exercise all powers now held or hereafter conferred upon receivers by the laws of this state not inconsistent with this subtitle.

- (23) The enumeration in this section of the powers and authority of the liquidator is not a limitation upon him *or her*, nor does it exclude his *or her* right to do such other acts not herein specifically enumerated or otherwise provided for as are necessary or expedient for the accomplishment of or in aid of the purpose of liquidation.

➔Section 1447. KRS 304.33-250 is amended to read as follows:

- (1) (a) Notice required; General requirements. The liquidator shall give notice of the liquidation order as soon as possible by first-class mail and either by telegram or telephone to the insurance commissioner of each jurisdiction in which the insurer is licensed to do business, by first-class mail and by telephone to the ~~commissioner~~~~executive director~~ of the ~~Department~~~~Office~~ of Workers' Claims of this state if the insurer is or has been an insurer of workers' compensation, by first-class mail to all insurance agents having a duty under KRS 304.33-260, and by first-class mail at the last known address to all persons known or reasonably expected to have claims against the insurer, including all policyholders. He *or she* also shall publish a notice, under KRS Chapter 424, in a newspaper of general circulation in the county in which the liquidation is pending and in Franklin County, the last publication to be not less than three (3) months before the earliest deadline specified in the notice under subsection (2) of this section;
 - (b) Special requirements. Notice to agents shall inform them of their duties under KRS 304.33-260 and inform them what information they must communicate to insureds. Notice to policyholders shall include notice of impairment and termination of coverage under KRS 304.33-210. When it is applicable, notice to policyholders shall include:
 1. Notice of withdrawal of the insurer from the defense of any case in which the insured is interested; and
 2. Notice of the right to file a claim under subsection (2) of KRS 304.33-390;
 - (c) Notice under subsection (1)(a) of this section to agents of the insurer and to potential claimants who are policyholders or insureds shall include, where applicable, notice that guaranty association or foreign guaranty association coverage may be available for all or part of certain claims, and that policyholders or certificate holders may be entitled to continuation of coverage through the guaranty association. The notice shall also include as an insert a separate notice from any guaranty association or foreign guaranty association obligated to provide coverage, if the notice is made available to the liquidator on a timely basis;
 - (d) Reports and further notice. Within fifteen (15) days of the date of entry of the order, the liquidator shall report to the court what notice has been given. The court may order such additional notice as it deems appropriate.
- (2) Notice respecting claims filing. Except as otherwise established by the liquidator with approval of the court, notice to potential claimants under subsection (1) of this section shall require claimants to file with the liquidator their claims together with proper proofs thereof under KRS 304.33-370, on or before a date the liquidator specifies in the notice, which shall be not less than six (6) months nor more than a reasonable time specified in the court's order, except that the liquidator need not require persons claiming unearned premium and persons claiming cash surrender values or other investment values in life insurance and annuities to file a claim. The liquidator may specify different dates for the filing of different kinds of claims.
 - (3) Notice conclusive. If notice is given in accordance with this section, all persons to whom this notice is directed shall be bound by the terms and provisions of the liquidation order and all further orders and notices similarly served on them, and the distribution of the assets of the insurer under this subtitle shall be conclusive with respect to all claimants, whether or not they received notice.

➔Section 1448. KRS 304.33-270 is amended to read as follows:

- (1) Termination of actions against insurer by order appointing liquidator. Upon issuance of any order appointing the ~~commissioner~~~~executive director~~ liquidator of a domestic insurer or of an alien insurer domiciled in this state, no actions may be instituted against the insurer or the liquidator without approval of the court and all actions and all proceedings against the insurer whether in this state or elsewhere shall be abated and the liquidator shall not intervene in them, except as provided in this subsection. Whenever in the liquidator's judgment an action in this state has proceeded to a point where fairness or convenience would be served by its continuation to judgment, he *or she* may apply to the court for leave to defend or to be substituted for the insurer, and if the court gives him *or her* leave, the action shall not be abated. Whenever in the liquidator's

judgment, protection of the estate of the insurer necessitates intervention in an action against the insurer that is pending outside this state, with approval of the court *the liquidator*~~he~~ may intervene in the action. The liquidator may defend any action in which he *or she* intervenes under this section at the expense of the estate of the insurer.

- (2) Statute of limitations on claims by insurer. The liquidator may, within two (2) years subsequent to the entry of an order for liquidation or within such further time as applicable law permits, institute an action or proceeding on behalf of the estate of the insurer upon any cause of action against which the period of limitation fixed by applicable law has not expired at the time of the filing of the petition upon which such order is entered. Where, by any agreement, a period of limitation is fixed for instituting a suit or proceeding upon any claim or for filing any claim, proof of claim, proof of loss, demand, notice or the like, or where in any proceeding, judicial or otherwise, a period of limitation is fixed, either in the proceeding or by applicable law, for taking any action, filing any claim or pleading or doing any act, and where in any such case the period had not expired at the date of the filing of the petition, the liquidator may, for the benefit of the estate, take any such action or do any such act, required of or permitted to the insurer, within a period of sixty (60) days subsequent to the entry of an order for liquidation, or within such further period as is permitted by the agreement, or in the proceeding or by applicable law, or within such further period as is shown to the satisfaction of the court not to be unfairly prejudicial to the other party.
- (3) Statutes of limitations on claims against insurer. The time between the filing of a petition for liquidation against an insurer and the denial of the petition shall not be considered to be a part of the time within which any action may be commenced against the insurer. Any action against the insurer that might have been commenced when the petition was filed may be commenced for at least sixty (60) days after the petition is denied.

➔Section 1449. KRS 304.33-300 is amended to read as follows:

- (1) Effect of petition: real property. After a petition for rehabilitation or liquidation, a transfer of any of the real property of the insurer made to a person acting in good faith shall be valid against the receiver if made for a present fair equivalent value or, if not made for a present fair equivalent value, then to the extent of the present consideration actually paid therefor, for which amount the transferee shall have a lien on the property so transferred. The recording of a copy of the petition for or order of rehabilitation or liquidation with the county clerk in the county where any real property in question is located shall be constructive notice of the commencement of a proceeding in rehabilitation or liquidation. The exercise by a court of the United States or any state of jurisdiction to authorize or effect a judicial sale of real property of the insurer within any county in any state shall not be impaired by the pendency of such a proceeding unless the copy is recorded in the county prior to the consummation of the judicial sale.
- (2) Effect of petition: personal property. After a petition for rehabilitation or liquidation and before either the receiver takes possession of the property of the insurer or an order of rehabilitation or liquidation is granted:
 - (a) A transfer of any of the property of the insurer, other than real property, made to a person acting in good faith shall be valid against the receiver if made for a present fair equivalent value or, if not made for a present fair equivalent value, then to the extent of the present consideration actually paid therefor, for which amount the transferee shall have a lien on the property so transferred.
 - (b) A person indebted to the insurer or holding property of the insurer may, if acting in good faith, pay the indebtedness or deliver the property or any part thereof to the insurer or upon his *or her* order, with the same effect as if the petition were not pending.
 - (c) A person having actual knowledge of the pending rehabilitation or liquidation shall be deemed not to act in good faith unless he *or she* has reasonable cause to believe that the petition is not well founded.
 - (d) A person asserting the validity of a transfer under this section shall have the burden of proof. Except as elsewhere provided in this section, no transfer by or in behalf of the insurer after the date of the petition for liquidation by any person other than the liquidator shall be valid against the liquidator.
- (3) Every person receiving any property from the insurer or any benefit thereof which is a fraudulent transfer under this section shall be personally liable therefor and shall be bound to account to the liquidator.
- (4) Negotiability. Nothing in this subtitle shall impair the negotiability of currency or negotiable instruments.

➔Section 1450. KRS 304.33-460 is amended to read as follows:

- (1) Unclaimed funds. All unclaimed funds subject to distribution remaining in the liquidator's hands when *the liquidator~~he~~* is ready to apply to the court for discharge, including the amount distributable to any creditor, shareholder, member or other person who is unknown or cannot be found or who is under disability with no person legally competent to receive his *or her* distributive share, shall be deposited with the State Treasurer, and shall be paid over without interest except in accordance with KRS 304.33-430 to the person entitled thereto or his *or her* legal representative upon proof satisfactory to the State Treasurer of his *or her* right thereto. Any amount on deposit not claimed within six (6) years from the discharge of the liquidator is deemed abandoned and shall become property of the state. The State Treasurer shall at the end of each fiscal year transfer these amounts to the common school fund.
- (2) Withheld funds. All funds withheld under KRS 304.33-390 and not distributed shall upon discharge of the liquidator be deposited with the State Treasurer and paid by him *or her* in accordance with KRS 304.33-390. Any sums remaining which under KRS 304.33-390 would revert to the undistributed assets of the insurer shall be transferred to the State Treasurer and become the property of the state under subsection (1) of this section unless the *commissioner~~executive director~~* petitions the court to reopen the liquidation under KRS 304.33-480.

➔Section 1451. KRS 304.33-480 is amended to read as follows:

After the liquidation proceeding has been terminated and the liquidator discharged, the *commissioner~~executive director~~* or other interested party may at any time petition the court to reopen the proceedings for good cause, including the discovery of additional assets. If the court is satisfied that there is justification for reopening, it shall so order.

➔Section 1452. KRS 304.33-490 is amended to read as follows:

Whenever it appears to the *commissioner~~executive director~~* that the records of any insurer in process of liquidation or completely liquidated are no longer useful, *the commissioner~~he~~* may recommend to the court what records should be retained for future reference and what should be disposed of. The court shall enter an order thereon. The *commissioner~~executive director~~* shall keep all records the court orders preserved, in accordance with KRS 304.2-150.

➔Section 1453. KRS 304.33-500 is amended to read as follows:

The court in which the proceeding is pending may as it deems desirable, cause audits to be made of the books of the *commissioner~~executive director~~* relating to any receivership established under this subtitle, and a report of each audit shall be filed with the *commissioner~~executive director~~* and with the court. The books, records and other documents of the receivership shall be made available to the auditor at any time without notice. The expense of each audit shall be considered a cost of administration of the receivership.

➔Section 1454. KRS 304.33-510 is amended to read as follows:

- (1) Grounds for petition. If a domiciliary liquidator has not been appointed, the *commissioner~~executive director~~* may apply to the Franklin Circuit Court by petition for an order directing him *or her* to conserve the property of an alien insurer not domiciled in this state or a foreign insurer on any one (1) or more of the following grounds:
 - (a) Any of the grounds in KRS 304.33-140;
 - (b) Any of the grounds in KRS 304.33-190;
 - (c) That any of its property has been sequestered by official action in its domiciliary state, or in any other state;
 - (d) That enough of its property has been sequestered in a foreign country to give reasonable cause to fear that the insurer is or may become insolvent;
 - (e) That
 1. Its certificate of authority to do business in this state has been revoked or that none was ever issued, and
 2. There are residents of this state with outstanding claims or outstanding policies.

- (2) Terms of order. The court may issue the order in whatever terms it deems appropriate. The filing or recording of the order with any county clerk in this state imparts the same notice as a deed, bill of sale or other evidence of title duly filed or recorded with that county clerk.
- (3) Transformation to liquidation or ancillary receivership. The conservator may at any time petition for and the court may grant an order under KRS 304.33-520 to liquidate the assets of a foreign or alien insurer under conservation or, if appropriate, for an order under KRS 304.33-540 to be appointed ancillary receiver.
- (4) Order to return to insurer. The conservator may at any time petition the court for an order terminating conservation of an insurer. If the court finds that the conservation is no longer necessary, it shall order that the insurer be restored to possession of its property and the control of its business. The court may also make such finding and issue such order at any time upon its own motion.

➔Section 1455. KRS 304.33-520 is amended to read as follows:

- (1) Ground for petition. If no domiciliary receiver has been appointed, the ~~commissioner~~~~executive director~~ may apply to the Franklin Circuit Court by petition for an order directing ~~the commissioner~~~~him~~ to liquidate the assets found in this state of a foreign insurer or an alien insurer not domiciled in this state, on any of the following grounds:
 - (a) Any of the grounds in KRS 304.33-140;
 - (b) Any of the grounds in KRS 304.33-190;
 - (c) Any of the grounds in KRS 304.33-510.
- (2) Terms of order. If it appears to the court that the best interests of creditors, policyholders and the public so require, the court may issue an order to liquidate in whatever terms it deems appropriate. The filing or recording of the order with any county clerk in this state imparts the same notice as a deed, bill of sale or other evidence of title duly filed or recorded with that county clerk.
- (3) Conversion to ancillary proceeding. If a domiciliary liquidator is appointed in a reciprocal state while a liquidation is proceeding under this section, the liquidator under this section shall thereafter act as ancillary receiver under KRS 304.33-540. If a domiciliary liquidator is appointed in a nonreciprocal state while a liquidation is proceeding under this section, the liquidator under this section may petition the court for permission to act as ancillary receiver under KRS 304.33-540.
- (4) Federal receivership. On the same grounds as are specified in subsection (1) of this section, the ~~commissioner~~~~executive director~~ may petition any appropriate federal District Court to be appointed receiver to liquidate that portion of the insurer's assets and business over which the court will exercise jurisdiction; or any lesser part thereof that the ~~commissioner~~~~executive director~~ deems desirable for the protection of the policyholders and creditors in this state. The ~~commissioner~~~~executive director~~ may accept appointment as federal receiver if another person files a petition.

➔Section 1456. KRS 304.33-530 is amended to read as follows:

- (1) Property rights and title: reciprocal state. The domiciliary liquidator of an insurer domiciled in a reciprocal state shall be vested by operation of law with the title to all of the property, contracts and rights of action, and all of the books, accounts and other records of the insurer located in this state. The date of vesting shall be the date of the filing of the petition, if that date is specified by the domiciliary law for the vesting of property in the domiciliary state; otherwise, the date of vesting shall be the date of entry of the order directing possession to be taken. The domiciliary liquidator shall have the immediate right to recover balances due from agents and to obtain possession of the books, accounts and other records of the insurer located in this state. **The domiciliary liquidator**~~He~~ also shall have the right to recover the other assets of the insurer located in this state, subject to subsection (3) of KRS 304.33-540.
- (2) Property rights and title: state not a reciprocal state. If a domiciliary liquidator is appointed for an insurer not domiciled in a reciprocal state, the ~~commissioner~~~~executive director~~ of this state shall be vested by operation of law with the title to all of the property, contracts and rights of action, and all of the books, accounts and other records of the insurer located in this state, at the same time that the domiciliary liquidator is vested with title in the domiciling state. The ~~commissioner~~~~executive director~~ of this state may petition for a conservation or liquidation order under KRS 304.33-510 or 304.33-520, or for an ancillary receivership under KRS 304.33-540, or after approval by the Franklin County Circuit Court, may transfer title to the domiciliary liquidator, as the interests of justice and the equitable distribution of the assets require.

- (3) Filing claims. Claimants residing in this state may file claims with the liquidator or ancillary receiver, if any, in this state or with the domiciliary liquidator, if the domiciliary law permits. The claims must be filed on or before the last date fixed for the filing of claims in the domiciliary liquidation proceedings.

➔Section 1457. KRS 304.33-540 is amended to read as follows:

- (1) Appointment of ancillary receiver in this state. If a domiciliary liquidator has been appointed for an insurer not domiciled in this state, the ***commissioner***~~[executive director]~~ shall file a petition with the Franklin Circuit Court requesting appointment as ancillary receiver in this state:
- (a) If ***the commissioner***~~[he]~~ finds that there are sufficient assets of the insurer located in this state to justify the appointment of an ancillary receiver;
 - (b) If ten (10) or more persons resident in this state having claims against the insurer file a petition with the ***commissioner***~~[executive director]~~ requesting appointment of an ancillary receiver; or
 - (c) If the protection of creditors or policyholders in this state so requires.
- (2) Terms of order. The court may issue an order appointing an ancillary receiver in whatever terms it deems appropriate. The filing or recording of the order with any county clerk in this state imparts the same notice as a deed, bill of sale or other evidence of title duly filed or recorded with that county clerk.
- (3) Property rights and title: ancillary receivers in this state. When a domiciliary liquidator has been appointed in a reciprocal state the ancillary receiver appointed in this state under subsection (1) of this section shall have the sole right to recover all the assets of the insurer in this state not already recovered by the domiciliary liquidator, except that the domiciliary liquidator shall be entitled to and have the sole right to recover balances due from agents and the books, accounts and other records of the insurer. The ancillary receiver shall have the right to recover balances due from agents and books, accounts and other records of the insurer, if such action is necessary to protect the assets because of inaction by the domiciliary liquidator. The ancillary receiver shall, as soon as practicable, liquidate from their respective securities those special deposit claims and secured claims which are proved and allowed in the ancillary proceedings in this state, and shall pay the necessary expenses of the proceedings. ***The ancillary receiver***~~[He]~~ shall promptly transfer all remaining assets to the domiciliary liquidator. Subject to this section, the ancillary receiver and his ***or her*** deputies shall have the same powers and be subject to the same duties with respect to the administration of assets as a liquidator of an insurer domiciled in this state.
- (4) Property rights and title: foreign ancillary receivers. When a domiciliary liquidator has been appointed in this state, ancillary receivers appointed in reciprocal states shall have, as to assets and books, accounts and other records located in their respective states, corresponding rights and powers to those prescribed in subsection (3) of this section for ancillary receivers appointed in this state.

➔Section 1459. KRS 304.35-010 is amended to read as follows:

➔Section 1460. KRS 304.35-030 is amended to read as follows:

- (1) The "FAIR" plan and articles of association shall make provision for a reinsurance association having authority on behalf of its members as their agent to cause to be issued property and casualty insurance policies, to reinsure in whole or in part any such policies, and to cede any such reinsurance. - (2) If the **commissioner**~~[executive director]~~, in the fulfillment of the duties imposed on him *or her* by KRS 304.13-041, determines that a reasonable degree of competition does not exist in the market for any lines of insurance, within the definitions of KRS 304.5-050 (property insurance) and KRS 304.5-070 (casualty insurance), or either of them, and issues an order to that effect, the **commissioner**~~[executive director]~~ shall order the governing committee to promptly amend the plan to include such line or lines of business unless, in the **commissioner's**~~[executive director's]~~ opinion, an effective residual market mechanism as defined in KRS 304.13-011(8) is already then functioning to provide basic insurance requirements to worthy applicants for reasonable amounts of coverage under such line or lines of insurance with insurers licensed to do business in this state. For accounting and rate-making purposes, the **commissioner**~~[executive director]~~ may require the plan to provide for the establishment and maintenance of separate accounts for any line included in the plan pursuant to this section.

➔Section 1461. KRS 304.35-040 is amended to read as follows:

- (1) The Reinsurance Association shall be governed by a committee consisting of seven (7) persons to be appointed by the **commissioner**~~[executive director]~~ of insurance. - (3) The governing committee of the association shall, on or before April 1 of each year, file with the **commissioner**~~[executive director]~~, on such forms as the **commissioner**~~[executive director]~~ requires, an accounting of the plan's operations during the preceding calendar year together with its financial condition, and its underwriting experience as to each separate account maintained therein, as of the end of such year. The **commissioner**~~[executive director]~~ may require interim accountings on a quarterly basis or examine the affairs of the association when, in his *or her* opinion, such action is necessary to determine the continued solvency of the Reinsurance Association.
- (4) If at any time the **commissioner**~~[executive director]~~ determines that the Reinsurance Association is or may become unable to meet its financial obligations during the current year, the **commissioner**~~[executive director]~~ shall order the governing committee to levy appropriate assessments within the limitations of KRS 304.35-030(1) against all members.

➔Section 1462. KRS 304.35-050 is amended to read as follows:

Control shall be presumed to exist if any person, directly or indirectly, owns, controls, holds with the power to vote, or holds proxies representing ten percent (10%) or more of any other person. This presumption may be rebutted by a showing that control does not exist in fact.
- (6) (a) "Covered claim" means an unpaid claim, including one for unearned premiums, submitted by a claimant, which arises out of and is within the coverage and is subject to the applicable limits of an insurance policy to which this subtitle applies issued by an insurer, if the insurer becomes an insolvent insurer after June 16, 1972, and:
 1. The claimant or insured is a resident of this state at the time of the insured event, provided that for entities other than an individual, the residence of a claimant, insured, or policyholder is the state in which its principal place of business is located at the time of the insured event; or

 6. Any first-party claim by an insured that is an affiliate of an insolvent insurer; or
 7. Any amount awarded as punitive or exemplary damages.
- (7) "Insolvent insurer" means:
 - (a) An insurer licensed to transact insurance in this state either at the time the policy was issued or when the insured event occurred;
 - (b) Against whom a final order of liquidation, with a finding of insolvency, has been entered by a court of competent jurisdiction in the company's state of domicile after June 16, 1972; and

- (9) "Net direct written premiums" means direct gross premiums written, or in the case of an insurer organized under KRS Chapter 299, assessments, membership fees, and policy fees levied and collected in this state, less returns thereon and dividends paid or credited to policyholders on such direct business. "Net direct written premiums" does not include premiums on contracts between insurers or reinsurers.
- (10) "Ocean marine insurance" includes any form of insurance, regardless of name, label, or marketing designation of the insurance policy, that insures against maritime perils or risks and other related perils or risks, that are usually insured against by traditional marine insurance such as hull and machinery, marine builders risk, and marine protection and indemnity. The members of the board shall be selected by member insurers subject to the approval of the *commissioner*~~executive director~~. Vacancies on the board shall be filled for the remaining period of the term by a majority vote of the remaining board members, subject to the approval of the *commissioner*~~executive director~~. If no members are selected within sixty (60) days after June 16, 1972, the *commissioner*~~executive director~~ may appoint the initial members of the board of directors.
 - (2) In approving selections to the board, the *commissioner*~~executive director~~ shall consider among other things whether all member insurers are fairly represented.
 - (3) Members of the board may be reimbursed from the assets of the association for expenses incurred by them as members of the board of directors.
- ➔Section 1466. KRS 304.36-080 is amended to read as follows:
- (1) The association shall:
 - (a) Be obligated to the extent of the covered claims existing prior to the order of liquidation and arising within thirty (30) days after the order of liquidation, or before the policy expiration date if less than thirty (30) days after the order of liquidation, or before the insured replaces the policy or on request

effects cancellation, if ~~the insured~~ *he* does so within thirty (30) days of the order of liquidation. The obligation shall be satisfied by paying to the claimant an amount as follows:

1. The full amount of a covered claim for benefits arising from a workers' compensation insurance policy purchased to satisfy the requirements of KRS 342.340;
 2. An amount not exceeding ten thousand dollars (\$10,000) per policy for a covered claim for the return of unearned premium; or
 3. An amount not exceeding three hundred thousand dollars (\$300,000) per claimant for all other covered claims.
- (b) Not be obligated to pay a claimant an amount in excess of the obligation of the insolvent insurer under the policy or coverage from which the claim arises. Notwithstanding any other provisions of this subtitle, a covered claim shall not include a claim filed with the association after the earlier of twelve (12) months after the date of the order of liquidation, or the final date set by the court for the filing of claims against the liquidator or receiver of an insolvent insurer and shall not include any claim filed with the association or a liquidator for protection afforded under the insured's policy for incurred but not reported losses. Any obligation of the association to defend an insured shall cease upon the association's payment or tender of an amount equal to the lesser of the association's covered claim obligation limit or the applicable policy limit. Notwithstanding any other provisions of this subtitle, except in the case of a claim for benefits under workers' compensation coverage, any obligation of the association to any and all persons shall cease when ten million dollars (\$10,000,000) shall have been paid in the aggregate by the association and any one (1) or more associations similar to the association of any other state or states or any property/casualty security fund that obtains contributions from insurers on a preinsolvency basis to or on behalf of any insured and its affiliates on covered claims or allowed claims arising under the policy or policies of any one (1) insolvent insurer. For purposes of this section, the term "affiliate" shall mean a person who directly or indirectly, through one (1) or more intermediaries, controls, is controlled by, or is under common control with another person. If the claimant has a covered claim or allowed claim against the association or any associations similar to the association or any property and casualty insurance security fund of another states, under the policy or policies of any one (1) insolvent insurer, the association may establish a plan to allocate amounts payable by the association in a manner as the association in its discretion deems equitable;

- (d) Assess insurers amounts necessary to pay the obligations of the association under paragraph (a) of this subsection subsequent to an insolvency, the expenses of handling covered claims subsequent to an insolvency, and the cost of examinations under KRS 304.36-130 and other expenses authorized by this subtitle. The assessments of each member insurer shall be in the proportion that the net direct written premiums of the member insurer for the calendar year preceding the assessment bears to the net direct written premiums of all member insurers for the calendar year preceding the assessment. Each member insurer shall be notified of the assessment not later than thirty (30) days before it is due. No member insurer may be assessed in any year an amount greater than two percent (2%) of that member insurer's net direct written premiums for the calendar year preceding the assessment. If the maximum assessment, together with the other assets of the association, does not provide in any one (1) year an amount sufficient to make all necessary payments, the funds available shall be prorated and the unpaid portion shall be paid as soon thereafter as funds become available. The association shall pay claims in any order which it may deem reasonable including the payment of claims as such are received from the claimants or in groups or categories of claims. The association may exempt or defer, in whole or in part, the assessment of any member insurer, if the assessment would cause the member insurer's financial statement to reflect amounts of capital or surplus less than the minimum amounts required for a certificate of authority by any jurisdiction in which the member insurer is authorized to transact insurance; provided, however, that during the period of deferment, no dividends shall be paid to shareholders or policyholders. Deferred assessments shall be paid when such payment will not reduce capital and surplus below required minimums. Such payments shall be refunded to those companies receiving larger assessments by virtue of such deferment, or at the election of any such company,

credited against future assessments. Each member insurer serving as a servicing facility may set off against any assessment authorized payments made on covered claims and expenses incurred in the payment of such claims by such member insurer;

- (e) Investigate claims brought against the association and adjust, compromise, settle, and pay covered claims to the extent of the association's obligation and deny all other claims;
- (f) Notify such persons as the **commissioner**~~[executive director]~~ directs under KRS 304.36-100(2)(a);
- (g) Handle claims through its employees or through one (1) or more insurers or other persons designated as servicing facilities. Designation of a servicing facility is subject to the approval of the **commissioner**~~[executive director]~~, but such designation may be declined by a member insurer; and
- (h) Reimburse each servicing facility for obligations of the association paid by the facility and for expenses incurred by the facility while handling claims on behalf of the association and shall pay the other expenses of the association authorized by this subtitle.

(2) The association may:

- (a) Appear in, defend, and appeal any action on a claim brought against the association;

- (c) Borrow funds necessary to effect the purposes of this subtitle in accord with the plan of operation;
- (d) Sue or be sued;

➔Section 1467. KRS 304.36-090 is amended to read as follows:

- (1) (a) The association shall submit to the **commissioner**~~[executive director]~~ a plan of operation and any amendments thereto necessary or suitable to assure the fair, reasonable, and equitable administration of the association. The plan of operation and any amendments thereto shall become effective upon approval in writing by the **commissioner**~~[executive director]~~.
- (b) If the association fails to submit a suitable plan of operation within ninety (90) days following June 16, 1972, or if at any time thereafter the association fails to submit suitable amendments to the plan, the **commissioner**~~[executive director]~~ shall, after notice and hearing, adopt and promulgate such reasonable rules as are necessary or advisable to effectuate the provisions of this subtitle. Such rules shall continue in force until modified by the **commissioner**~~[executive director]~~ or superseded by a plan submitted by the association and approved by the **commissioner**~~[executive director]~~.
- (2) All member insurers shall comply with the plan of operation.
- (3) The plan of operation shall:
 - (a) Establish the procedures whereby all the powers and duties of the association under KRS 304.36-080 will be performed.
 - (b) Establish procedures for handling assets of the association.
 - (c) Establish the amount and method of reimbursing members of the board of directors under KRS 304.36-070.
 - (d) Establish procedures by which claims may be filed with the association and establish acceptable forms of proof of covered claims. Notice of claims to the receiver or liquidator of the insolvent insurer shall be deemed notice to the association or its agent, and a list of such claims shall be periodically submitted to the association or similar organization in another state by the receiver or liquidator.
 - (e) Establish regular places and times for meetings of the board of directors.

- (f) Establish procedures for records to be kept of all financial transactions of the association, its agents, and the board of directors.
 - (g) Provide that any member insurer aggrieved by any final action or decision of the association may appeal to the **commissioner**~~{executive director}~~ within thirty (30) days after the action or decision.
 - (h) Establish the procedures whereby selections for the board of directors will be submitted to the **commissioner**~~{executive director}~~.
 - (i) Contain additional provisions necessary or proper for the execution of the powers and duties of the association.
- (4) The plan of operation may provide that any or all powers and duties of the association, except those under KRS 304.36-080(1)(d) and (2)(c), are delegated to a corporation, association, or other organization which performs or will perform functions similar to those of this association, or its equivalent, in two (2) or more states. Such a corporation, association, or organization shall be reimbursed as a servicing facility would be reimbursed and shall be paid for its performance of any other functions of the association. A delegation under this subsection shall take effect only with the approval of both the board of directors and the **commissioner**~~{executive director}~~, and may be made only to a corporation, association, or organization which extends protection not substantially less favorable and effective than that provided by this subtitle.
- (5) The plan of operation may establish procedures by which claims may be filed with the association and establish acceptable forms of proof of covered claims. Notice of claims to the receiver or liquidator of the insolvent insurer shall be deemed notice to the association or its agent, and a list of claims shall be periodically submitted to the association or similar organization in another state by the receiver or liquidator.

➔Section 1468. KRS 304.36-100 is amended to read as follows:

- (1) The **commissioner**~~{executive director}~~ shall:
- (a) Notify the association of the existence of an insolvent insurer not later than three (3) days after he *or she* receives notice of the determination of the insolvency.
 - (b) Upon request of the board of directors, provide the association with a statement of the net direct written premiums of each member insurer.
- (2) The **commissioner**~~{executive director}~~ may:
- (a) Require that the association notify the insureds of the insolvent insurer and any other interested parties of the determination of insolvency and of their rights under this subtitle. Such notification shall be by mail at their last known address, where available, but if sufficient information for notification by mail is not available, notice by publication in a newspaper of general circulation shall be sufficient.
 - (b) Suspend or revoke, after notice and hearing, the certificate of authority to transact insurance in this state of any member insurer which fails to pay an assessment when due or fails to comply with the plan of operation. As an alternative, the **commissioner**~~{executive director}~~ may levy a fine on any member insurer which fails to pay an assessment when due. Such fine shall not exceed five percent (5%) of the unpaid assessment per month, except that no fine shall be less than one hundred dollars (\$100) per month.
 - (c) Revoke the designation of any servicing facility if *the commissioner*~~{he}~~ finds claims are being handled unsatisfactorily.

➔Section 1469. KRS 304.36-130 is amended to read as follows:

To aid in the detection and prevention of insurer insolvencies:

- (1) It shall be the duty of the board of directors, upon majority vote, to notify the **commissioner**~~{executive director}~~ of any information indicating any member insurer may be insolvent or in a financial condition hazardous to the policyholders or the public.
- (2) The board of directors may, upon majority vote, request that the **commissioner**~~{executive director}~~ order an examination of any member insurer which the board in good faith believes may be in a financial condition hazardous to the policyholders or the public. Within thirty (30) days of the receipt of such request, the **commissioner**~~{executive director}~~ shall begin such examination. The examination may be conducted as a

National Association of Insurance Commissioners examination or may be conducted by such persons as the **commissioner**~~{executive director}~~ designates. The cost of such examination shall be paid by the association and the examination report shall be treated as are other examination reports. In no event shall such examination report be released to the board of directors prior to its release to the public, but this shall not preclude the **commissioner**~~{executive director}~~ from complying with subsection (3). The **commissioner**~~{executive director}~~ shall notify the board of directors when the examination is completed. The request for an examination shall be kept on file by the **commissioner**~~{executive director}~~ but it shall not be open to public inspection prior to the release of the examination report to the public.

- (3) It shall be the duty of the **commissioner**~~{executive director}~~ to report to the board of directors when **the commissioner**~~{he}~~ has reasonable cause to believe that any member insurer examined or being examined at the request of the board of directors may be insolvent or in a financial condition hazardous to the policyholders or the public.
- (4) The board of directors may, upon majority vote, make reports and recommendations to the **commissioner**~~{executive director}~~ upon any matter germane to the solvency, liquidation, rehabilitation or conservation of any member insurer. Such reports and recommendations shall not be considered public documents.
- (5) The board of directors may, upon majority vote, make recommendations to the **commissioner**~~{executive director}~~ for the detection and prevention of insurer insolvencies.
- (6) The board of directors shall, at the conclusion of any insurer insolvency in which the association was obligated to pay covered claims, prepare a report on the history and causes of such insolvency, based on the information available to the association, and submit such report to the **commissioner**~~{executive director}~~.

➔Section 1470. KRS 304.36-140 is amended to read as follows:

The association shall be subject to examination and regulation by the **commissioner**~~{executive director}~~. The board of directors shall submit, not later than March 30 of each year, a financial report for the preceding calendar year in a form approved by the **commissioner**~~{executive director}~~.

➔Section 1471. KRS 304.36-170 is amended to read as follows:

There shall be no liability on the part of and no cause of action of any nature shall arise against any member insurer, the association or its agents or employees, the board of directors, or the **commissioner**~~{executive director}~~, or **the commissioner's**~~{his}~~ representatives for any action taken by them in the performance of their powers and duties under this subtitle.

➔Section 1472. KRS 304.37-010 is amended to read as follows:

As used in this subtitle, the following terms shall have the respective meanings set forth, unless the context shall otherwise require:

- (1) The term "**commissioner**~~{executive director}~~" shall mean the **commissioner**~~{executive director}~~ of insurance or the **Department**~~{Office}~~ of Insurance, as appropriate.
- (2) "Insurer" includes every person engaged as principal and as indemnitor, surety, or contractor in the business of entering into contracts of insurance.
- (3) An "insurance holding company system" consists of two (2) or more affiliated persons, one (1) or more of which is an insurer.
- (4) An "affiliate", or person "affiliated" with a specific person, is a person that directly, or indirectly through one (1) or more intermediaries, controls, or is controlled by, or is under common control with, the person specified.
- (5) A "person" is an individual, a corporation, a partnership, an association, a joint stock company, an unincorporated organization, any similar entity, or any combination of the foregoing acting in concert, but shall not include any bank in its fiduciary capacity or securities broker performing no more than the usual and customary broker's function.
- (6) A "subsidiary" of a specified person is an affiliate controlled by the person directly or indirectly through one (1) or more intermediaries.
- (7) The term "voting security" shall include any security convertible into or evidencing a right to acquire a voting security.

- (8) The terms "control," "controlling," "controlled by," and "under common control with" mean the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract other than a loan contract or commercial contract for goods or nonmanagement services, or otherwise, unless the power is the result of an official position with or corporate office held by the person. Control shall be presumed to exist if any person, directly or indirectly, owns, controls, holds with the power to vote, or holds proxies representing ten percent (10%) or more of the voting securities of any other person. This presumption may be rebutted by a showing made in the manner provided by KRS 304.37-020(12) that control does not exist in fact. The ***commissioner***~~[executive director]~~ may determine, after forwarding all persons in interest notice and opportunity to be heard and making specific findings of fact to support the determination, that control exists in fact, notwithstanding the absence of a presumption to that effect.

➔Section 1473. KRS 304.37-020 is amended to read as follows:

- (1) Every insurer which is authorized to do business in this state and which is a member of an insurance holding company system shall register with the ***commissioner***~~[executive director]~~, except a foreign or alien insurer subject to disclosure requirements and standards adopted by statute or regulation in the jurisdiction of its domicile which are substantially similar to those contained in this section. For an alien insurer, the domiciliary state shall be deemed to be its state of entry. Any insurer which is subject to registration under this section shall register within sixty (60) days after June 16, 1972, or fifteen (15) days after it becomes subject to registration, whichever is later, and annually thereafter by April 1 of each year for the previous calendar year, unless the ***commissioner***~~[executive director]~~ for good cause shown extends the time for registration, and then within the extended time. The ***commissioner***~~[executive director]~~ may require any authorized insurer which is a member of a holding company system which is not subject to registration under this section to furnish a copy of the registration statement or other information filed by the insurer with the insurance regulatory authority of its domiciliary jurisdiction.
- (2) Every insurer subject to registration shall file a registration statement on a form provided by the ***commissioner***~~[executive director]~~, which shall contain current information about:
- (a) The capital structure, general financial condition, ownership, and management of the insurer and any person controlling the insurer;
 - (b) The identity of every member of the insurance holding company system;
 - (c) The following agreements in force, relationships subsisting, and transactions currently outstanding between such insurer and its affiliates:
 - 1. Loans to, other investments in, or purchases, sales, or exchanges of securities of the affiliates by the insurer or of the insurer by its affiliates;
 - 2. Purchases, sales, or exchanges of assets;
 - 3. Transactions not in the ordinary course of business;
 - 4. Guarantees or undertakings for the benefit of an affiliate which result in an actual contingent exposure of the insurer's assets to liability, other than insurance contracts entered in the ordinary course of the insurer's business;
 - 5. All management and service contracts and all cost-sharing arrangements;
 - 6. All reinsurance agreements;
 - 7. Dividend and other distributions to shareholders; and
 - 8. Consolidated tax allocation agreements;
 - (d) Any pledge of the insurer's stock, including stock of any subsidiary or controlling affiliate for a loan made to any member of the insurance holding company system; and
 - (e) Other matters concerning transactions between registered insurers and any affiliates as may be included from time to time in any registration forms adopted or approved by the ***commissioner***~~[executive director]~~.

- (3) It shall not be necessary to disclose information on the registration statement filed pursuant to subsection (2) of this section if the information is not material for the purposes of this section. Unless the **commissioner**~~executive director~~ by administrative regulation or order provides otherwise, sales, purchases, exchanges, loans, or extensions of credit, or investments, involving one-half of one percent (0.5%) or less of an insurer's admitted assets as of the thirty-first day of December next preceding shall not be deemed material for purposes of this section.
- (4) Each registered insurer shall keep current the information required to be disclosed in its registration statement by reporting all material changes or additions on amendment forms provided by the **commissioner**~~executive director~~ within thirty (30) days~~(30)~~ after the end of the month in which it learns of each change or addition.
- (5) All registration statements shall contain a summary outlining all items in the current registration statement representing changes from the prior registration statement.
- (6) Subject to KRS 304.37-030(5), each registered insurer shall report to the **commissioner**~~executive director~~ all dividends and other distributions to shareholders within fifteen (15) business days following the dividend or distribution declaration.
- (7) Any person within an insurance holding company system subject to registration shall be required to provide complete and accurate information to an insurer, if the information is reasonably necessary to enable the insurer to comply with the provisions of this subtitle.
- (8) The **commissioner**~~executive director~~ shall terminate the registration of any insurer which demonstrates that it no longer is a member of an insurance holding company system.
- (9) The **commissioner**~~executive director~~ may require or allow two (2) or more affiliated insurers subject to registration to file a consolidated registration statement or consolidated reports amending their consolidated registration statement or their individual registration statements.
- (10) The **commissioner**~~executive director~~ may allow an insurer which is authorized to do business in this state and which is part of an insurance holding company system to register on behalf of any affiliated insurer which is required to register under subsection (1) and to file all information and material required to be filed under this section.
- (11) The provisions of this section shall not apply to any insurer, information, or transaction if and to the extent that the **commissioner**~~executive director~~ by administrative regulation or order shall exempt it from the provisions of this section.
- (12) Any person may file with the **commissioner**~~executive director~~ a disclaimer of affiliation with any authorized insurer or a disclaimer may be filed by the insurer or any member of an insurance holding company system. The disclaimer shall fully disclose all material relationships and bases for affiliation between the persons and the insurer as well as the basis for disclaiming the affiliation. After a disclaimer has been filed, the insurer shall be relieved of any duty to register or report under this section which may arise out of the insurer's relationship with the person unless and until the **commissioner**~~executive director~~ disallows the disclaimer. The **commissioner**~~executive director~~ shall disallow the disclaimer only after furnishing all parties in interest with notice and opportunity to be heard and after making specific findings of fact to support the disallowance.
- (13) The failure to file a registration statement or any amendment thereto required by this section within the time specified for the filing shall be a violation of this subtitle.

➔Section 1474. KRS 304.37-030 is amended to read as follows:

- (1) Material transactions by registered insurers with their affiliates shall be subject to the following standards:
 - (a) The terms shall be fair and reasonable;
 - (b) Charges or fees for services performed shall be reasonable;
 - (c) Expenses incurred and payment received shall be allocated to the insurer in conformity with consistently applied accounting practices;
 - (d) The books, accounts, and records of each party shall be maintained to clearly and accurately disclose the precise nature and details of the transactions; and

- (e) The insurer's surplus as regards policyholders, following any dividends or distributions to shareholder affiliates, shall be reasonable in relation to the insurer's outstanding liabilities and adequate to its financial needs.
- (2) (a) The following transactions involving a domestic insurer and any person in its holding company system shall not be entered into unless the insurer has notified the **commissioner**~~[executive director]~~ in writing of its intention to enter into the transaction at least thirty (30) days prior to the transaction, or a shorter period as the **commissioner**~~[executive director]~~ may permit, and the **commissioner**~~[executive director]~~ has not disapproved it within that time:
 - 1. Sales, purchases, exchanges, loans, or extensions of credit, guarantees, or investments, if the transactions are equal to or exceed, with respect to non-life insurers, the lesser of three percent (3%) of the insurer's admitted assets or twenty-five percent (25%) of surplus as regards policyholders, or with respect to life insurers, three percent (3%) of the insurer's admitted assets, each as of December 31 next preceding.
 - 2. Loans or extensions of credit to any person who is not an affiliate, if the insurer makes the loans or extensions of credit with the agreement or understanding that the proceeds of the transactions, in whole or in substantial part, are to be used to make loans or extensions of credit to, to purchase assets of, or to make investments in, any affiliate of the insurer making the loans or extensions of credit if the transactions are equal to or exceed, with respect to non-life insurers, the lesser of three percent (3%) of the insurer's admitted assets or twenty-five percent (25%) of surplus as regards policyholders, or, with respect to life insurers, three percent (3%) of the insurer's admitted assets, each as of December 31 next preceding.
 - 3. Reinsurance agreements or modifications in which the reinsurance premium or a change in the insurer's liabilities equals or exceeds five percent (5%) of the insurer's surplus as regards policyholders, as of December 31 next preceding, including those agreements which may require as consideration the transfer of assets from an insurer to a nonaffiliate, if an agreement or understanding exists between the insurer and nonaffiliate that any portion of the assets will be transferred to one (1) or more affiliates of the insurer;
 - 4. All management agreements, service contracts, and all cost sharing arrangements; and
 - 5. Any material transactions, specified by regulation, which the **commissioner**~~[executive director]~~ determines may adversely affect the interests of the insurer's policyholders.
- (b) This subsection shall not authorize or permit any transactions which, in the case of an insurer not a member of the same holding company system, would be otherwise contrary to law.
- (c) A domestic insurer shall not enter into transactions which are part of a plan or series of like transactions with persons within the holding company system if the purpose of those separate transactions is to avoid the statutory threshold amount and thus avoid the review that would otherwise occur. If the **commissioner**~~[executive director]~~ determines that the separate transactions were entered into over any twelve (12) month period for avoidance purposes, **the commissioner**~~he~~ may exercise his **or her** authority under KRS 304.99-151.
- (d) The **commissioner**~~[executive director]~~, in reviewing transactions pursuant to this subsection, shall consider whether the transactions comply with the standards set forth in subsection (1) of this section and whether they may adversely affect the interests of policyholders.
- (e) The **commissioner**~~[executive director]~~ shall be notified within thirty (30) days of any investment of the domestic insurer in any one (1) corporation if the total investment in the corporation by the insurance holding company exceeds ten percent (10%) of the corporation's voting securities.
- (3) (a) Notwithstanding the control of a domestic insurer by any person, the officers and directors of the insurer shall not be relieved of any obligation or liability to which they would otherwise be subject by law, and the insurer shall be managed so as to assure its separate operating identity consistent with this chapter.
- (b) Nothing in this section precludes a domestic insurer from having or sharing a common management or cooperative or joint use of personnel, property, or services with one (1) or more other persons under arrangements which meet the standards of subsection (1) of this section.

- (4) The following factors, among others, shall be considered in determining whether an insurer's surplus as regards policyholders is reasonable in relation to the insurer's outstanding liabilities and adequate to its financial needs:
- (a) The size of the insurer as measured by its assets, capital and surplus, reserves, premium writings, insurance in force, and other appropriate criteria;
 - (b) The extent to which the insurer's business is diversified among the several lines of insurance;
 - (c) The number and size of risks insured in each line of business;
 - (d) The extent of the geographical dispersion of the insurer's insured risks;
 - (e) The nature and extent of the insurer's reinsurance program;
 - (f) The quality, diversification, and liquidity of the insurer's investment portfolio;
 - (g) The recent past and projected future trend in the size of the insurer's surplus as regards policyholders;
 - (h) The surplus as regards policyholders maintained by other comparable insurers;
 - (i) The adequacy of the insurer's reserves; and
 - (j) The quality and liquidity of investments in subsidiaries. The **commissioner**~~{executive director}~~ may treat any investment as a disallowed asset for purposes of determining the adequacy of surplus as regards policyholders if in his *or her* judgment the investment warrants.
- (5) No insurer subject to registration under KRS 304.37-020 shall pay any extraordinary dividend or make any other extraordinary distribution to its stockholders until thirty (30) days after the **commissioner**~~{executive director}~~ has received notice of the declaration thereof and has not within the period disapproved the payment, or the **commissioner**~~{executive director}~~ shall have approved the payment within the thirty (30) day period. For purposes of this section, an extraordinary dividend or distribution is any dividend or distribution which, together with other dividends or distribution made within the preceding twelve (12) months, exceeds the lesser of (a) ten percent (10%) of the insurer's surplus as regards policyholders as of December 31 next preceding, or (b) the net gain from operations of the insurer company, if the insurer is a life insurer, or the net income, if the insurer is not a life insurer, for the twelve (12) month period ending December 31 next preceding, but shall not include pro rata distribution of any class of the insurer's own securities. Notwithstanding any other provision of law, an insurer may declare an extraordinary dividend or distribution which is conditional upon the **commissioner's**~~{executive director's}~~ approval thereof, and the declaration shall confer no rights upon stockholders until the **commissioner**~~{executive director}~~ has approved the payment of the dividend or distribution or until the **commissioner**~~{executive director}~~ has not disapproved the payment within the thirty (30) day period referred to in this section.

➔Section 1475. KRS 304.37-040 is amended to read as follows:

- (1) Subject to the limitation contained in this section and in addition to the powers which the **commissioner**~~{executive director}~~ has under KRS Chapter 304 relating to the examination of insurers, the **commissioner**~~{executive director}~~ shall also have the power to order any insurer registered under KRS 304.37-020 to produce such records, books, or other information papers in the possession of the insurer or its affiliates as shall be necessary to ascertain the financial condition or legality of conduct of such insurer. In the event such insurer fails to comply with such order, the **commissioner**~~{executive director}~~ shall have the power to examine such affiliates to obtain such information.
- (2) The **commissioner**~~{executive director}~~ shall exercise his *or her* power under subsection (1) only if the examination of the insurer under KRS Chapter 304 is inadequate or the interests of the policyholders of such insurer may be adversely affected.
- (3) The **commissioner**~~{executive director}~~ may retain at the registered insurer's expense such attorneys, actuaries, accountants, and other experts not otherwise a part of the **commissioner's**~~{executive director's}~~ staff as shall be reasonably necessary to assist in the conduct of the examination under subsection (1). Any persons so retained shall be under the direction and control of the **commissioner**~~{executive director}~~ and shall act in a purely advisory capacity.
- (4) Each registered insurer producing for examination records, books, and papers pursuant to subsection (1) shall be liable for and shall pay the expense of such examination in accordance with the provisions of KRS Chapter 304.

➔Section 1476. KRS 304.37-050 is amended to read as follows:

All information, documents, and copies thereof obtained by or disclosed to the ***commissioner***~~[executive director]~~ by any other person in the course of an examination or investigation made pursuant to KRS 304.37-040 and all information reported pursuant to KRS 304.37-020, shall be given confidential treatment and shall not be subject to subpoena and shall not be made public by the ***commissioner***~~[executive director]~~ or any other person, except to insurance departments of other states, without the prior written consent of the insurer to which it pertains unless the ***commissioner***~~[executive director]~~, after giving the insurer and its affiliates who would be affected thereby notice and opportunity to be heard, determines that the interests of policyholders, shareholders, or the public will be served by the publication thereof, in which event ***the commissioner***~~[he]~~ may publish all or any part thereof in such manner as ***the commissioner***~~[he]~~ may deem appropriate.

➔Section 1477. KRS 304.37-060 is amended to read as follows:

The ***commissioner***~~[executive director]~~ may, upon notice and opportunity for all interested persons to be heard, issue such orders as shall be necessary to carry out the provisions of this subtitle.

➔Section 1478. KRS 304.37-070 is amended to read as follows:

Whenever it appears to the ***commissioner***~~[executive director]~~ that any person has committed a violation of this subtitle which so impairs the financial condition of a domestic insurer as to threaten insolvency or make the further transaction of business by it hazardous to its policyholders, creditors, shareholders, or the public, then the ***commissioner***~~[executive director]~~ may proceed as provided in KRS Chapter 304 to take possession of the property of such domestic insurer and to conduct the business thereof.

➔Section 1479. KRS 304.37-080 is amended to read as follows:

Whenever it appears to the ***commissioner***~~[executive director]~~ that any person has committed a violation of this subtitle which makes the continued operation of an insurer contrary to the interest of policyholders or the public, the ***commissioner***~~[executive director]~~ may, after giving notice and an opportunity to be heard, determine to suspend, revoke, or refuse to renew such insurer's license or authority to do business in this state for such period as ***the commissioner***~~[he]~~ finds is required for the protection of policyholders or the public. Any such determination shall be accompanied by specific findings of fact and conclusions of law.

➔Section 1480. KRS 304.37-090 is amended to read as follows:

The ***commissioner***~~[executive director]~~ shall, if requested by any interested party served with notice as required herein, make a complete record of any testimony, evidence, and proceedings at any hearing conducted pursuant to this subtitle.

➔Section 1481. KRS 304.37-100 is amended to read as follows:

- (1) Any person aggrieved by any act, determination, rule, regulation, order, or any other action of the ***commissioner***~~[executive director]~~ pursuant to this subtitle, may file appropriate proceedings in the Franklin Circuit Court or other court of competent jurisdiction for proper relief.
- (2) The filing of an appeal pursuant to this section or other court proceeding shall not stay the application of such order or other action of the ***commissioner***~~[executive director]~~ unless the court, after giving notice to the parties and an opportunity to be heard, determines that such a stay would not be detrimental to the interest of policyholders, shareholders, creditors, or the public.
- (3) Any person aggrieved by any failure of the ***commissioner***~~[executive director]~~ to act or make a determination required by this subtitle may petition the Franklin Circuit Court for a mandatory injunction or other injunctive relief directing the ***commissioner***~~[executive director]~~ to act or make such determination forthwith.

➔Section 1482. KRS 304.37-110 is amended to read as follows:

 - (h) Ownership and management of assets which the parent corporation may own or manage if the aggregate investment by the insurer and its subsidiaries acquired or organized pursuant to this paragraph shall not exceed the limitations applicable to these investments by the insurer.  - (i) Acting as an administrative agent for a governmental instrumentality which is performing an insurance function;
 - (j) Financing of insurance premiums, agents, and other forms of consumer financing;
 - (k) Any other business activity determined by the **commissioner**~~executive director~~ to be reasonably ancillary to an insurance business; and
 - (l) Owning a corporation or corporations engaged or organized to engage exclusively in one (1) or more businesses specified in this section.
- (2) In addition to investments in common stock, preferred stock, debt obligations, and other securities permitted under this chapter, a domestic insurer may also:
- (a) Invest, in common stock, preferred stock, debt obligations, and other securities of one (1) or more subsidiaries, amounts which do not exceed the lesser of ten percent (10%) of the insurer's assets or fifty percent (50%) of the insurer's surplus as regards policyholders, if after these investments, the insurer's surplus as regards policyholders will be reasonable in relation to the insurer's outstanding liabilities and adequate to meet its financial needs. In calculating the amount of these investments, investments in domestic or foreign insurance subsidiaries shall be excluded, and there shall be included:
 - 1. Total net moneys or other consideration expended and obligations assumed in the acquisition or formation of a subsidiary, including all organizational expenses and contributions to capital and surplus of the subsidiary whether or not represented by the purchase of capital stock or issuance of other securities; and

 - (b) Invest any amount in common stock, preferred stock, debt obligations, and other securities of one (1) or more subsidiaries engaged or organized to engage exclusively in the ownership and management of assets authorized as investments for the insurer, if each subsidiary agrees to limit its investments in any asset so that the investments will not cause the amount of the total investment of the insurer to exceed any of the investment limitations specified in paragraph (a) of this subsection or in Subtitle 7 of KRS Chapter 304. For the purpose of this paragraph, "the total investment of the insurer" shall include:
 - 1. Any direct investment by the insurer in an asset; and
 - 2. The insurer's proportionate share of any investment in an asset by any subsidiary of the insurer, which shall be calculated by multiplying the amount of the subsidiary's investment by the percentage of the ownership of the subsidiary;
 - (c) With the approval of the **commissioner**~~executive director~~, invest any greater amount in common stock, preferred stock, debt obligations, or other securities of one (1) or more subsidiaries, if after the

investment the insurer's surplus as regards policyholders will be reasonable in relation to the insurer's outstanding liabilities and adequate to its financial needs.

- (3) Investments in common stock, preferred stock, debt obligations, or other securities of subsidiaries made pursuant to subsection (2) of this section shall not be subject to any of the otherwise applicable restrictions or prohibitions contained in this chapter applicable to the investments of insurers.
- (4) Whether any investment pursuant to subsection (2) of this section meets the requirements shall be determined before the investment is made, by calculating the applicable investment limitations as though the investment had already been made, taking into account the then outstanding principal balance on all previous investments in debt obligations, and the value of all previous investments in equity securities as of the day they were made, net of any return of capital invested, not including dividends.
- (5) If an insurer ceases to control a subsidiary, it shall dispose of any investment made pursuant to this section within three (3) years of the time of the cessation of control, or within an extension of time as the **commissioner**~~executive director~~ may prescribe, unless at any time after the investment has been made, the investment has met the requirements for investment under any other provision of this chapter, and the insurer has notified the **commissioner**~~executive director~~.

➔Section 1483. KRS 304.37-120 is amended to read as follows:

- (1) No person other than the issuer shall make a tender offer for, a request or invitation for tenders of, enter into any agreement to exchange securities, seek to acquire, or acquire in the open market or otherwise, any voting security of a domestic insurer if, after the consummation, the person would, directly or indirectly, or by conversion, or by exercise of any right to acquire, be in control of the insurer. No person shall enter into an agreement to merge with or to acquire control of a domestic insurer or any person controlling a domestic insurer unless, at the time of the offer, request, or invitation is made, or any agreement is entered into, or prior to the acquisition of these securities if no offer or agreement is involved, the person has filed with the **commissioner**~~executive director~~ and has sent to the insurer, a statement containing the information required by this section and the offer, request, invitation, agreement, or acquisition has been approved by the **commissioner**~~executive director~~ in the manner prescribed in this section.

- (c) Fully audited financial information as to the earnings and financial condition of each acquiring party for the preceding five (5) fiscal years of each acquiring party, or for a lesser period that the acquiring party and any predecessors have been in existence, and similar unaudited information as of a date not earlier than ninety (90) days prior to the filing of the statement.

- (j) Copies of all tender offers for requests, or invitations for tenders of, exchange offers for, and agreements to acquire or exchange any securities referred to in subsection (1) of this section, and of additional soliciting material distributed which relates.
- (k) The term of any agreement, contract, or understanding made with, or proposed to be made with any broker-dealer, as to solicitation of securities referred to in subsection (1) of this section for tender, and the amount of any fees, commissions, or other compensation to be paid to broker-dealers with regard to subsection (1) of this section.
- (l) Any additional information as the **commissioner**~~executive director~~ may by regulation prescribe as necessary or appropriate for the protection of policyholders of the insurer or in the public interest.
- (m) If the person required to file the statement referred to in subsection (1) of this section is a partnership, limited partnership, syndicate, or other group, the **commissioner**~~executive director~~ may require that the information called for by paragraphs (a) to (l) of this subsection shall be given with respect to each partner of the partnership or limited partnership, each member of the syndicate or other group, and each person who controls the partner or member. If any partner, member, or person is a corporation, or the person required to file the statement referred to in subsection (1) of this section is a corporation, the **commissioner**~~executive director~~ may require that the information called for by paragraphs (a) to (l) of this subsection shall be given with respect to the corporation, each officer and director of the corporation, and each person who is directly or indirectly the beneficial owner of more than ten percent (10%) of the outstanding voting securities of the corporation.
- (n) If any material change occurs in the facts in the statement filed with the **commissioner**~~executive director~~ and sent to the insurer pursuant to this section, an amendment stating the change, with copies of all documents and other materials relevant to the change, shall be filed with the

- (3) If any offer, request, invitation, agreement, or acquisition referred to in subsection (1) of this section is proposed to be made by means of a registration statement under the Securities Act of 1933, or in circumstances requiring the disclosure of similar information under the Securities Exchange Act of 1934, or under a state law requiring similar registration or disclosure, the person required to file the statement referred to in subsection (1) of this section may utilize those documents in furnishing the information required by the statement referred to in subsection (1) of this section.
 - (4) (a) The ***commissioner***~~[executive director]~~ shall approve any merger or other acquisition of control referred to in subsection (1) of this section unless, after a public hearing ***the commissioner***~~[he]~~ finds that:
 1. After the change of control, the domestic insurer referred to in subsection (1) of this section would not be able to satisfy the requirements for issuance of a certificate of authority to write the line or lines of insurance for which it is presently authorized;
 2. The effect of the merger or other acquisition of control would be substantially to lessen competition in insurance in Kentucky or tend to create a monopoly. In applying the competitive standard in this paragraph:
 - a. The informational requirements of KRS 304.37-130(3)(a) and the standards of KRS 304.37-130(4)(b) shall apply;
 - b. The merger or other acquisition shall not be disapproved if the ***commissioner***~~[executive director]~~ finds that any of the situations meeting the criteria provided by KRS 304.37-130(4)(c) exist; and
 - c. The ***commissioner***~~[executive director]~~ may condition the approval of the merger or other acquisition on the removal of the basis of disapproval within a specified period of time;
 3. The financial condition of the acquiring party might jeopardize the financial stability of the insurer or prejudice the interest of its policyholders;
 4. The plans or proposals which the acquiring party has to liquidate the insurer, sell its assets, consolidate or merge it with any person, or to make any other material change in its business or corporate structure or management are unfair and unreasonable to policyholders of the insurer and not in the public interest;
 5. The competence, experience, and integrity of persons who would control the operation of the insurer would not be in the interest of policyholders of the insurer and of the public to permit the merger or other acquisition of control; or
 6. The acquisition is likely to be hazardous or prejudicial to the insurance buying public.
 - (b) The public hearing required by this section shall be conducted as directed in Subtitle 2 of this chapter.
 - (c) The ***commissioner***~~[executive director]~~ may retain at the acquiring person's expense any attorneys, actuaries, accountants, and other experts not otherwise a part of the ***commissioner's***~~[executive director's]~~ staff that may be necessary to assist the ***commissioner***~~[executive director]~~ in reviewing the proposed acquisition of control.
- (5) The provisions of this section shall not apply to:
- (a) Any transaction which is subject to the provisions of KRS 304.24-390, dealing with the merger or consolidation of a domestic insurer; or
 - (b) Any offer, request, invitation, agreement, or acquisition which the ***commissioner***~~[executive director]~~, by order, shall exempt from the section as not having been made or entered into for the purpose of and not having the effect of changing or influencing the control of, a domestic insurer, or not comprehended within the purposes of this section; or
 - (c) Any acquisition of stock of a former mutual by an affiliate company that occurs in connection with the conversion of a mutual insurer to a stock insurer under KRS 304.24-600 to 304.24-625, provided that

no person acquires control of the parent company. For purposes of this paragraph, "former mutual" has the meaning provided in KRS 304.24-601.

- (6) The following shall be violations of this section:
- (a) The failure to file any statement, amendment, or other material required to be filed pursuant to subsection (1) or (2) of this section; or

- (7) The courts of this state shall have jurisdiction over every person not resident, domiciled, or authorized to do business in this state who files a statement with the **commissioner**~~[executive director]~~ under this section, and overall actions involving such person arising out of violations of this section. Each person shall be deemed to have performed acts equivalent to and constituting an appointment by the person of the Secretary of State to be his **or her** true and lawful attorney upon whom may be served all lawful process in any action, suit, or proceeding arising out of the violations of this section. Copies of all lawful process shall be served on the Secretary of State and transmitted to the person at his **or her** last known address by the Secretary of State in the same manner as service of process on foreign insurers.

➔Section 1484. KRS 304.37-130 is amended to read as follows:

- (1) The following definitions shall apply for the purposes of this section only:
- (a) "Acquisition" means any agreement, arrangement, or activity the consummation of which results in a person acquiring directly or indirectly the control of another person, such as the acquisition of voting securities, the acquisition of assets, bulk reinsurance, and mergers.
 - (b) An "involved insurer" includes an insurer which either acquires or is acquired, is affiliated with an acquirer or acquired, or is the result of a merger.
- (2) (a) This section applies to any acquisition in which there is a change of control of an insurer authorized to do business in Kentucky, except as set forth in paragraph (b) of this subsection.
- (b) This section shall not apply to the following:
- 1. An acquisition subject to approval or disapproval of the **commissioner**~~[executive director]~~ pursuant to KRS 304.37-120;
 - 2. A purchase of securities solely for the investment purposes so long as the securities are not used by voting or otherwise to cause or attempt to cause the substantial lessening of competition in any insurance market in Kentucky. If a purchase of securities results in a presumption of control under KRS 304.37-010(8), it is not solely for investment purposes unless the insurance regulatory official of the insurer's state of domicile accepts a disclaimer of control, or affirmatively finds that control does not exist, and the disclaimer action or affirmative finding is communicated by the domiciliary insurance regulatory official to the **commissioners**~~[executive directors]~~;
 - 3. If the acquisition of a person by another person when both persons are neither directly nor through affiliates primarily engaged in the business of insurance, if preacquisition notification is filed with the **commissioner**~~[executive director]~~ in accordance with subsection (3)(a) of this section thirty (30) days prior to the proposed effective date of the acquisition. However, the acquisition notification shall not be required for exclusion from this section if the acquisition would otherwise be excluded from this section by any other subparagraph of this paragraph;
 - 4. The acquisition of already affiliated persons;
 - 5. An acquisition if, as an immediate result of the acquisition:
 - a. The combined market share of the involved insurers would not exceed five percent (5%) of the total market;
 - b. There would be no increase in any market share; or
 - c. The combined market share of the involved insurers would not exceed twelve percent (12%) of the total market; and the market share would not increase by more than two percent (2%) of the total market.

For the purpose of this subparagraph (b)5., a market means direct written insurance premium in Kentucky for a line of business as contained in the annual statement required to be filed by insurers authorized to do business in Kentucky;

6. An acquisition for which a preacquisition notification would be required pursuant to this section due solely to the resulting effect on the ocean marine insurance line of business; and
 7. An acquisition of an insurer whose domiciliary insurance regulatory official affirmatively finds that the insurer is in failing condition, there is lack of feasible alternative to improving the condition, the public benefits of improving the insurer's condition through the acquisition exceed the public benefits that would arise from not lessening competition, and the findings are communicated by the domiciliary insurance regulatory official to the **commissioner**~~[executive director]~~.
- (3) An acquisition covered by subsection (2) of this section may be subject to an order pursuant to subsection (5) of this section or KRS 304.37-010 unless the acquiring person files a preacquisition notification and the waiting period has expired. The acquired person may file a preacquisition notification. The **commissioner**~~[executive director]~~ shall give confidential treatment to information submitted under this subsection in the same manner as provided in KRS 304.37-050.
- (a) The preacquisition notification shall be in the form and contain the information prescribed by the National Association of Insurance Commissioners relating to those markets which, under subsection (2)(b)5. of this section, cause the acquisition not to be exempted from the provisions of this section. The **commissioner**~~[executive director]~~ may require additional material and information **the commissioner**~~[he]~~ deems necessary to determine whether the proposed acquisition, if consummated, would violate the competitive standard of subsection (4) of this section. The required information may include an opinion of an economist as to the competitive impact of the acquisition in Kentucky accompanied by a summary of the education and experience of the economist indicating his **or her** ability to render an informed opinion.
 - (b) The waiting period required shall begin on the date of receipt by the **commissioner**~~[executive director]~~ of a preacquisition notification and shall end on the earlier of the thirtieth day after the date of receipt, or termination of the waiting period by the **commissioner**~~[executive director]~~. Prior to the end of the waiting period, the **commissioner**~~[executive director]~~ may, on a one-time basis, require the submission of additional needed information relevant to the proposed acquisition; if the submission is required, the waiting period shall end on the earlier of the thirtieth day after receipt of the additional information by the **commissioner**~~[executive director]~~ or termination of the waiting period by the **commissioner**~~[executive director]~~.
- (4) (a) The **commissioner**~~[executive director]~~ may enter an order under subsection (5)(a) of this section with respect to an acquisition if there is substantial evidence that the effect of the acquisition may be to lessen substantially competition in any line of insurance in Kentucky or tend to create a monopoly, or if the insurer fails to file adequate information in compliance with subsection (3) of this section.
- (b) In determining whether a proposed acquisition would violate the competitive standard of paragraph (a) of this subsection, the **commissioner**~~[executive director]~~ shall consider the following:
1. Any acquisition covered under subsection (2) of this section involving two (2) or more insurers competing in the same market is prima facie evidence of violation of the competitive standards:
 - a. If the market is highly concentrated and the involved insurers possess the following shares of the market:

Insurer A	Insurer B
4%	4% or more
10%	2% or more
15%	1% or more;
or	

- b. If the market is not highly concentrated and the involved insurers possess the following shares of the market:

Insurer A	Insurer B
5%	5% or more
10%	4% or more
15%	3% or more
19%	1% or more.

A highly concentrated market means one in which the share of the four (4) largest insurers is seventy-five percent (75%) or more of the market. Percentages not shown in the tables are interpolated proportionately to the percentages that are shown. If more than two (2) insurers are involved, exceeding the total of the two (2) columns in the table is prima facie evidence of violation of the competitive standard in paragraph (a) of this subsection. For the purpose of this subparagraph, the insurer with the largest share of the market shall be deemed to be insurer A.

2. There is a significant trend toward increased concentration when the aggregate market share of any grouping of the largest insurers in the market, from the two (2) largest to the eight (8) largest, has increased by seven percent (7%) or more of the market over a period of time extending from any base year five (5) to ten (10) years prior to the acquisition up to the time of the acquisition. Any acquisition or merger covered under subsection (2) of this section involving two (2) or more insurers competing in the same market is prima facie evidence of violation of the competitive standard in paragraph (a) of this subsection if:
 - a. There is a significant trend toward increased concentration in the market;
 - b. One of the insurers involved is one of the insurers in a grouping of the large insurers showing the requisite increase in the market share; and
 - c. Another involved insurer's market is two percent (2%) or more.
 3. For the purposes of subsection (4)(b) of this section:
 - a. The term "insurer" includes any company or group of companies under common management, ownership or control;
 - b. The term "market" means the relevant product and geographical markets. In determining the relevant product and geographical markets, the **commissioner**~~executive director~~ shall give due consideration to factors such as the definitions or guidelines, if any, promulgated by the National Association of Insurance Commissioners and to information, if any, submitted by parties to the acquisition. In the absence of sufficient information to the contrary, the relevant product market is assumed to be the direct written insurance premium for a line of business, the line being that used in the annual statement required to be filed by insurers doing business in Kentucky, and the relevant geographical market is assumed to be Kentucky; and
 - c. The burden of showing prima facie evidence of violation of the competitive standard rests upon the **commissioner**~~executive director~~.
 4. Even though an acquisition is not prima facie violative of the competitive standard under paragraph (b) of this subsection, the **commissioner**~~executive director~~ may establish the requisite anticompetitive effect based upon other substantial evidence. Even though an acquisition is prima facie violative of the competitive standard under paragraph (b) of this subsection, a party may establish the absence of the requisite anticompetitive effect based upon other substantial evidence. Relevant factors in making this determination shall be such factors as market shares, volatility of ranking of market leaders, number of competitors, concentration, trend of concentration in the industry, and ease of entry into and exit from the market.
- (c) An order shall not be entered under subsection (5)(a) of this section if:

1. The acquisition will yield substantial economies of scale or economies in resource utilization that cannot be feasibly achieved in any other way, and the public benefits which would arise from the economies exceed the public benefits which would arise from not lessening competition; or
 2. The acquisition will substantially increase the availability of insurance, and the public benefits of the increase exceed the public benefits which would arise from not lessening competition.
- (5) (a) If an acquisition violates the standards of this section, the **commissioner**~~{executive director}~~ may enter an order:
1. Requiring an involved insurer to cease and desist from doing business in Kentucky with respect to the line or lines of insurance involved in the violation; or
 2. Denying the application of an acquired or acquiring insurer for a certificate of authority to do business in Kentucky.
- (b) The order referred to in paragraph (a) of this subsection shall be entered pursuant to a hearing held under Subtitle 2 of this chapter.

➔Section 1485. KRS 304.37-150 is amended to read as follows:

- (1) No security which is the subject of any agreement or arrangement regarding acquisition, or which is acquired or to be acquired, in contravention of the provisions of this chapter or of any rule, administrative regulation, or order issued by the **commissioner**~~{executive director}~~ may be voted at any shareholders' meeting, or may be counted for quorum purposes, and any action of shareholders requiring the affirmative vote of a percentage of shares may be taken as though the securities were not issued and outstanding; but no action taken at the meeting shall be invalidated by the voting of the securities, unless the action would materially affect control of the insurer or unless the courts of this state have so ordered. If an insurer or the **commissioner**~~{executive director}~~ has reason to believe that any security of the insurer has been or is about to be acquired in contravention of the provisions of this chapter or of any rule, administrative regulation, or order issued by the **commissioner**~~{executive director}~~, the insurer or the **commissioner**~~{executive director}~~ may apply to the Circuit Court for the county in which the insurer has its principal place of business to enjoin any offer, request, invitation, agreement, or acquisition made in contravention of KRS 304.37-130 or any other provision of this chapter, or any rule, administrative regulation, or order issued by the **commissioner**~~{executive director}~~ to enjoin the voting of any security so acquired, to void any vote of the security already cast at any meeting of shareholders, and for any other equitable relief as required by the nature of the case and the interest of the insurer's policyholders, creditors, shareholders, or the public.
- (2) In any case where a person has acquired or is proposing to acquire any voting securities in violation of this chapter or any rule, administrative regulation, or order issued by the **commissioner**~~{executive director}~~, the Circuit Court for Franklin County or the Circuit Court for the county in which the insurer has its principal place of business may, upon notice the court deems appropriate, upon the application of the insurer or the **commissioner**~~{executive director}~~ seize or sequester any voting securities of the insurer owned directly or indirectly by the person, and issue the appropriate order to effectuate the provisions of this subtitle.
- (3) Notwithstanding any other provisions of law, for the purposes of this chapter the situs of the ownership of the securities of domestic insurers shall be deemed to be in this state.

➔Section 1486. KRS 304.37-500 is amended to read as follows:

- (2) "Intermediate holding company" means a holding company which is a subsidiary of a mutual insurance holding company and which either directly or through a subsidiary intermediate holding company has one (1) or more subsidiary reorganized insurance companies of which a majority of the voting shares of the capital stock would otherwise have been required by KRS 304.37-505, to be at all times owned by the mutual insurance holding company. - (3) "Majority of the voting shares of the capital stock of the reorganized insurance company" means shares of the capital stock of the reorganized insurance company which carry the right to cast a majority of the votes entitled to be cast by all of the outstanding shares of the capital stock of the reorganized insurance company for the election of directors and on all other matters submitted to a vote of the shareholders of the reorganized insurance company. The ownership of a majority of the voting shares of the capital stock of the reorganized insurance company which are required by KRS 304.37-505 to be held by the mutual insurance holding company may be held by indirect ownership through one (1) or more intermediate holding companies in a corporate structure approved by the **commissioner**~~executive director~~, provided, however, that indirect ownership through one (1) or more intermediate holding companies shall not result in the mutual insurance holding company owning less than the equivalent of a majority of the voting shares of the capital stock of the reorganized insurance company;
- (4) "Mutual insurance holding company" means a holding company organized on the mutual plan and incorporated under the laws of Kentucky, resulting from the reorganization of a domestic mutual insurance company in accordance with KRS 304.37-505 and 304.37-510, with one (1) or more stock insurance holding company subsidiaries or stock insurance company subsidiaries;

- (2)
 - (a) Tort liability with respect to accidents occurring in this Commonwealth and arising from the ownership, maintenance, or use of a motor vehicle is "abolished" for damages because of bodily injury, sickness or disease to the extent the basic reparation benefits provided in this subtitle are payable therefor, or that would be payable but for any deductible authorized by this subtitle, under any insurance policy or other method of security complying with the requirements of this subtitle, except to the extent noneconomic detriment qualifies under paragraph (b) of this subsection.
 - (b) In any action of tort brought against the owner, registrant, operator or occupant of a motor vehicle with respect to which security has been provided as required in this subtitle, or against any person or organization legally responsible for his *or her* acts or omissions, a plaintiff may recover damages in tort for pain, suffering, mental anguish and inconvenience because of bodily injury, sickness or disease arising out of the ownership, maintenance, operation or use of such motor vehicle only in the event that the benefits which are payable for such injury as "medical expense" or which would be payable but for any exclusion or deductible authorized by this subtitle exceed one thousand dollars (\$1,000), or the injury or disease consists in whole or in part of permanent disfigurement, a fracture to a bone, a compound, comminuted, displaced or compressed fracture, loss of a body member, permanent injury within reasonable medical probability, permanent loss of bodily function or death. Any person who is entitled to receive free medical and surgical benefits shall be deemed in compliance with the requirements of this subsection upon a showing that the medical treatment received has an equivalent value of at least one thousand dollars (\$1,000).

- (3) For purposes of this section and the provisions on reparation obligor's rights of reimbursement, subrogation, and indemnity, a person does not intentionally cause harm merely because his **or her** act or failure to act is intentional or done with ~~the~~~~his~~ realization that it creates a grave risk of harm.
- (4) Any person may refuse to consent to the limitations of his **or her** tort rights and liabilities as contained in this section. Such rejection must be in writing in a form to be prescribed by the ~~Department~~~~Office~~ of Insurance and must have been executed and filed with the ~~department~~~~office~~ at a time prior to any motor vehicle accident for which such rejection is to apply. Such rejection form together with a reasonable explanation thereof shall be furnished by the reparation obligor with each policy to each prospective insurance applicant. Rejection by a person who is under legal disability shall be made on behalf of such person by his **or her** legal guardian, conservator or ~~his~~ natural parent. The failure of such guardian or a natural parent of a person under legal disability to file a rejection, within six (6) months from the date that this subtitle would otherwise become applicable to such person, shall be deemed to be an affirmative acceptance of all provisions of this subtitle. Provided, however, any person who, at the time of an accident, does not have basic reparation insurance but has not formally rejected such limitations of his **or her** tort rights and liabilities and has at such time in effect security equivalent to that required by KRS 304.39-110 shall be deemed to have fully rejected such limitations within meaning of this section for that accident only.

- (6) Every insurance company when issuing an automobile policy to a resident of this Commonwealth must inform the buyer in writing in a form to be prescribed by the insurance ~~commissioner~~~~executive director~~ of his **or her** right to reject the limitations of ~~the~~~~his~~ tort rights and liabilities under this subtitle in the manner provided in subsections (4) and (7) of this section.
- (7) Any rejection shall result in the full retention by the individual of his **or her** tort rights and ~~his~~ tort liabilities. Any person injured by a motor vehicle operator who has such rejection on file may claim ~~the~~~~his~~ full damages, including nonpecuniary damages, or, if such injured person has not rejected his **or her** own tort limitations, he **or she** may also claim basic reparation benefits from the appropriate security on the vehicle as established under KRS 304.39-050. If such provider of security is other than the one providing security for the operator who has rejected the limitations, such provider shall be subrogated to the rights of the injured person to the extent of reparation benefits paid against the owner and operator of the vehicle.
- (8) No person who has rejected the tort limitations under this section, except as provided in subsection (9) of this section or KRS 304.39-140(5), may collect basic reparation benefits.
- (9) Any owner or operator of a motorcycle, as defined in Kentucky Revised Statutes, may file a rejection as described in subsections (4) and (5) of this section, which will apply solely to the ownership and operation of a motorcycle but will not apply to injury resulting from the ownership, operation or use of any other type of motor vehicle.

- (9) A person providing security pursuant to subsection (7) of this section is a "self-insurer." An entity described in subsection (3) or (4) of this section that has provided security pursuant to subsection (6) of this section is an "obligated government."

➔Section 1528. KRS 304.39-117 is amended to read as follows:

- (1) Each insurer issuing an insurance contract which provides security covering a motor vehicle shall provide to the insured, in compliance with administrative regulations promulgated by the **department**~~office~~, written

proof in the form of an insurance card that the insured has in effect an insurance contract providing security in conformity with this subtitle.

- (2) The owner shall keep the card in his *or her* motor vehicle as prima facie evidence, except as provided in subsection (3) of this section, that the required security is currently in full force and effect, and shall show the card to a peace officer upon request.
- (3) On and after January 1, 2006, as to personal motor vehicles as defined in KRS 304.39-087, the card and the database created by KRS 304.39-087 shall be evidence to a peace officer who requests the card if the peace officer has access to the database through AVIS. If AVIS does not list the vehicle identification number of the personal motor vehicle as an insured vehicle, the peace officer may accept an insurance card as evidence that the required security is currently in full force and effect on the personal motor vehicle if the card was effective no more than forty-five (45) days before the date on which the peace officer requests the card.

➔Section 1529. KRS 304.39-150 is amended to read as follows:

Terms and conditions of contracts and certificates or other evidence of insurance coverage sold or issued in this Commonwealth providing motor vehicle tort liability, basic reparation, and added reparation insurance coverages, and of forms used by insurers offering these coverages, are subject to approval and regulation by the ~~commissioner~~~~executive director~~ of insurance. The ~~commissioner~~~~executive director~~ shall approve only terms and conditions consistent with the purposes of this subtitle and fair and equitable to all persons whose interests may be affected.

➔Section 1530. KRS 304.39-170 is amended to read as follows:

If they do not organize and continuously maintain an assigned claims bureau and an assigned claims plan in a manner considered by the ~~commissioner~~~~executive director~~ of insurance to be consistent with this subtitle, ~~the commissioner~~~~he~~ shall organize and maintain an assigned claims bureau and an assigned claims plan. Each reparation obligor providing basic reparation insurance in this Commonwealth shall participate in the assigned claims bureau and the assigned claims plan. Costs incurred shall be allocated fairly and equitably among the reparation obligors.
- (2) The assigned claims bureau shall promptly assign each claim and notify the claimant of the identity and address of the assignee of the claim. Claims shall be assigned so as to minimize inconvenience to claimants. The assignee thereafter has rights and obligations as if he *or she* had issued a policy of basic reparation insurance complying with this subtitle applicable to the injury or, in case of financial inability of a reparation obligor to perform its obligations, as if the assignee had written the applicable basic reparation insurance, undertaken the self-insurance, or lawfully obligated itself to pay reparation benefits.

➔Section 1531. KRS 304.39-290 is amended to read as follows:

- (1) There is created a nonprofit unincorporated legal entity to be known as the Kentucky Insurance Arbitration Association to provide a mechanism for the reimbursement, among reparation obligors of losses paid as basic or added reparation benefits, based solely on the law of torts without regard to subsections (1), (2), and (3) of KRS 304.39-060.
- (2) All basic reparation obligors shall be and remain members of the association as a condition of their authority to transact business in this Commonwealth.
- (3) The association shall perform its functions under a plan of operation established and approved under subsection (5) and shall exercise its powers through a board of directors established under subsection (4) hereof.
- (4) The board of directors of the association shall consist of not less than five (5) nor more than ten (10) persons serving terms as established in the plan of operation. They shall be selected by member obligors subject to the approval of the ~~commissioner~~~~executive director~~. If no members have been selected and approved prior to July 1, 1974, the ~~commissioner~~~~executive director~~ shall appoint the initial members of the board. In approving selections to the board, the ~~commissioner~~~~executive director~~ shall consider, among other things, whether all member obligors are fairly represented.

Each member of the board shall designate qualified experienced claimspersons from the member's company, who upon approval by the **commissioner**~~[executive director]~~, may serve as his **or her** alternates for the purpose of claims arbitration.

- (5) The association shall submit to the **commissioner**~~[executive director]~~ a plan of operation and any amendments thereto necessary, or suitable to assure the fair, reasonable, and equitable administration of the association. The plan shall become effective upon approval in writing by the **commissioner**~~[executive director]~~:
 - (a) All reparation obligors shall comply with the provisions of the plan of operation;
 - (b) The plan of operation shall:
 1. Establish procedures whereby all the powers and duties of the association will be performed;
 2. Establish minimum requirements for the initial submission of a case for reimbursement or arbitration;
 3. Establish minimum requirements beneath which reimbursements shall not be made in order that there be fair allocation of significant losses and the elimination of unnecessary costs in the reimbursement mechanism;
 4. Encourage voluntary reimbursement procedures between reparation obligors so that resort to arbitration shall be as infrequent as possible;
 5. Recognize that fair allocation of loss between commercial and noncommercial motor vehicles may require different minimum requirements than when the loss is between two (2) or more noncommercial vehicles;
 6. Establish regular places and times for meetings;
 7. Establish procedures for records to be maintained on all cases presented for arbitration and dispositions thereof;
 8. Establish procedures for compensation to reparation obligors for travel related expense and the fair value of the time devoted by their employees as a director or alternate in performance of duties for the association;
 9. Establish procedures for adequately and equitably financing the cost of the association among members; and
 10. Contain additional provisions necessary or proper for execution of the powers and duties of the association.
- (6) The association shall be subject to examination and regulation by the **commissioner**~~[executive director]~~:
 - (a) The board of directors shall submit to the **commissioner**~~[executive director]~~, not later than March 30 of each year, a report on its activities for the preceding calendar year;
 - (b) The board of directors shall promptly notify the **commissioner**~~[executive director]~~ whenever it appears that any member insurer has failed or refused to comply with an arbitration decision or has shown a protracted tendency to decline a significant number of meritorious claims presented to it prior to initiation of arbitration proceedings.
- (7) The association shall be exempt from payment of all fees, licenses, and taxes levied by this Commonwealth or any of its subdivisions except taxes on real or personal property.
- (8) There shall be no liability on the part of and no cause of action of any nature shall arise against any member insurer, the association or its agents or employees, the board of directors, or the **commissioner**~~[executive director]~~ or his **or her** representative for any action taken by them in the performance of their powers and duties under this section.

➔Section 1532. KRS 304.39-300 is amended to read as follows:

- (1) The rates for bodily injury liability in the amounts specified in KRS 304.39-110 combined with the rates for uninsured motorists coverage in equal amounts and for basic reparation benefits coverage shall be reduced by each insurer by not less than ten percent (10%) as of the effective date of this subtitle from the rates in effect for each such insurer immediately prior to such date for bodily injury liability in the amounts specified in KRS 304.39-110 combined with the rates for uninsured motorists coverage and the rates charged for one thousand dollars (\$1,000) per person medical expense coverage. Such reduced rates shall remain in effect for at least one (1) year, and thereafter shall not be increased without the approval of the **commissioner**~~executive director of insurance~~ after hearing. There shall be no exception to the requirements of this section unless the **commissioner**~~executive director~~ shall find that the use of such reduced rates required as to any insurer will result in rates which are inadequate under Chapter 304 of the Kentucky Revised Statutes.
- (2) The provisions of subsection (1) shall not apply to any policy covering a motor vehicle for which a person who would otherwise be a basic reparation insured has rejected the limitations upon his *or her* tort rights and liabilities in accordance with the provisions of KRS 304.39-060(4).

➔Section 1534. KRS 304.40-020 is amended to read as follows:

As used in KRS 304.40-030 to 304.40-140:

- (1) "Association" means the joint underwriting association established pursuant to the provisions of KRS 304.40-030 to 304.40-140.
- (2) "Medical malpractice insurance" means insurance as defined in KRS 304.5-070(1)(j).
- (3) "**Commissioner**~~Executive director~~" means the **commissioner**~~executive director~~ of *the Department of Insurance*.
- (4) "Net direct premiums" means gross direct premiums written on the lines of insurance set forth in KRS 304.40-030(1), as computed by the **commissioner**~~executive director of insurance~~, less return premiums for the unused or unabsorbed portions of premium deposits.

➔Section 1535. KRS 304.40-030 is amended to read as follows:

- (1) A temporary joint underwriting association is hereby created, consisting of all insurers authorized to write and engage in writing in this state on a direct basis the following lines of insurance, as reported in the companies' annual statements:

 - (b) Liability other than auto;
 - (c) Private passenger auto liability;
 - (d) Commercial auto liability;
 - (e) The liability portion of commercial multiperil policies; and
 - (f) Health insurance including prepaid hospital services contracts and group or blanket health insurance.

Every such insurer shall remain a member of the joint underwriting association as a condition of its authority to continue to transact such kinds of insurance in this state.

- (2) The implementation of the operation of the joint underwriting association shall become effective upon the order of the **commissioner**~~executive director~~. The **commissioner**~~executive director~~ shall not order the association to commence underwriting operations until he *or she*, after due hearing and investigation, has determined that medical malpractice insurance cannot be made available in the voluntary market for any of the categories defined in subsection (3)(a), (b), and (c) of this section. The joint underwriting association shall remain in effect for a period of no longer than two and one-half (2-1/2) years from the date that it commences underwriting operations.
- (3) For the purposes of the joint underwriting association, three (3) health care provider categories shall be established:
 - (a) Physicians and surgeons;
 - (b) Hospitals; and

- (c) All other licensed health care providers.

The **commissioner**~~{executive director}~~ shall hold separate hearings and conduct investigations on each of the three (3) categories of health care providers and determine for each category whether or not medical malpractice insurance is readily available in the voluntary market. If the **commissioner**~~{executive director}~~ finds that insurance is not readily available for any of the categories of health care providers, the joint underwriting association shall commence underwriting operations for that category.

KRS 304.40-030 to 304.40-140 shall not preclude any licensed health care provider from procuring medical malpractice insurance from the voluntary market.

If the **commissioner**~~{executive director}~~ determines at any time that medical malpractice insurance is readily available in the voluntary market for either (a) physicians and surgeons, (b) hospitals, or (c) all other licensed health care providers, the association shall thereby cease its underwriting operations for such category of medical malpractice insurance which **the commissioner**~~{he}~~ has determined is readily available in the voluntary market.

- (4) The association shall, pursuant to the provisions of KRS 304.40-030 to 304.40-140 and the plan of operation with respect to medical malpractice insurance, have the power on behalf of its members:
- (a) To issue, or to cause to be issued, policies of insurance to applicants, including incidental coverages and subject to limitations as specified in the plan of operation, but not to exceed one hundred thousand dollars (\$100,000) for each claimant under one (1) policy and one million dollars (\$1,000,000) for all claimants under one (1) policy in any one (1) year;
 - (b) To underwrite such insurance and to adjust and pay losses with respect thereto, or to appoint service companies to perform those functions;
 - (c) To assume reinsurance from its members;
 - (d) To cede reinsurance; and
 - (e) To negotiate and obtain in the voluntary market medical malpractice insurance for any health care provider to whom the association has issued or caused to be issued a policy of medical malpractice insurance with the foregoing limits.

➔Section 1536. KRS 304.40-040 is amended to read as follows:

- (1) Within forty-five (45) days following the order of the **commissioner**~~{executive director}~~ implementing the operation of the association, the directors of the association shall submit to the **commissioner**~~{executive director}~~ for ~~{his}~~ review a proposed plan of operation, consistent with the provisions of this subtitle.
- (2) The plan of operation shall provide for economic, fair, and nondiscriminatory administration and for the prompt and efficient provision of medical malpractice insurance; and shall contain other provisions including, but not limited to, preliminary assessment of all members for initial expenses necessary to commence operations, establishment of necessary facilities, management of the association, assessment of members to defray losses and expenses, commission arrangements, reasonable and objective underwriting standards, acceptance and cession of reinsurance, appointment of servicing carriers or other servicing arrangements and procedures for determining amounts of insurance to be provided by the association.
- (3) The plan of operation shall be subject to approval by the **commissioner**~~{executive director}~~ after consultation with the members of the association, representatives of the public, and other affected individuals and organizations. If the **commissioner**~~{executive director}~~ disapproves all or any part of the proposed plan of operation, the directors shall within fifteen (15) days submit for review an appropriate revised plan of operation or part thereof. If the directors fail to do so, the **commissioner**~~{executive director}~~ shall promulgate a plan of operation or part thereof, as the case may be. The plan of operation approved or promulgated by the **commissioner**~~{executive director}~~ shall become effective upon order of the **commissioner**~~{executive director}~~.
- (4) Amendments to the plan of operation may be made by the directors of the association, subject to the approval of the **commissioner**~~{executive director}~~, or shall be made at the direction of the **commissioner**~~{executive director}~~.

➔Section 1537. KRS 304.40-050 is amended to read as follows:

- (1) All policies issued by the association shall be written for the term of one (1) year. The directors of the association may elect to issue policies on an occurrence basis or a claims made basis. No policy form shall be used by the association unless it has been filed with the **commissioner**~~[executive director]~~ and either (a) **the commissioner**~~he~~ has approved it, or (b) thirty (30) days has lapsed and **the commissioner**~~he~~ has not disapproved it in accordance with KRS Chapter 304, Subtitle 14.
- (2) Cancellation of the association's policies shall be governed by the laws and regulations governing the cancellation of other policies of casualty insurance, except that the association may also cancel any of its policies in the event of nonpayment of any stabilization reserve fund charged, by mailing or delivering to the insured at the address shown on the policy, written notice stating when not less than ten (10) days thereafter cancellation shall be effective.
- (3) The rates, rating plans, rating rules, rating classifications and territories applicable to the insurance written by the association and statistics relating thereto shall be subject to Chapter 304, Subtitle 13 of the Kentucky Revised Statutes, giving due consideration to the past and prospective loss and expense experience for medical malpractice insurance written and to be written in this state, trends in the frequency and severity of losses, the investment income of the association, and such other information as the **commissioner**~~[executive director]~~ may require. All rates shall be on an actuarially sound basis, giving due consideration to the group retrospective rating plan and the stabilization reserve fund, and shall be calculated to be self-supporting. The **commissioner**~~[executive director]~~ shall make available to the association the loss and expense experience of insurers previously writing medical malpractice insurance in this state.
- (4) All policies issued by the association shall be subject to a nonprofit group retrospective rating plan to be approved by the **commissioner**~~[executive director]~~, under which the final premium for all policyholders of the association as a group will be equal to the administrative expenses, loss and loss adjustment expenses and taxes, plus a reasonable allowance for contingencies and servicing. Policyholders shall be given full credit for all investment income, net of expenses and a reasonable management fee on policyholder supplied funds. The standard premium before retrospective adjustment for each policy issued by the association shall be established on the basis of the association's rates, rating plans, rating rules, rating classifications, and territories then in effect. The maximum final premium for all policyholders of the association as a group shall be limited as provided in KRS 304.40-060(4). Since the business of the association is subject to the nonprofit group retrospective rating plan required by this subsection, there shall be a presumption that the rates filed and premiums for the business of the association are not excessive.
- (5) The **commissioner**~~[executive director]~~ shall examine the business of the association as often as he **or she** deems appropriate to assure that the group retrospective rating plan is being operated in a manner consistent with this section. If he **or she** finds that it is not being so operated, he **or she** shall issue an order to the association, specifying in what respects its operation is deficient and stating what corrective action shall be taken.
- (6) The association shall certify to the **commissioner**~~[executive director]~~ the estimated amount of any deficit remaining after the stabilization reserve fund has been exhausted in payment of the maximum final premium for all policyholders of the association. Within sixty (60) days after such certification, the **commissioner**~~[executive director]~~ shall authorize the members of the association to commence recoupment of their respective shares of the deficit by applying a surcharge to be determined by the association at a rate not to exceed two percent (2%) of the annual premiums on future policies affording those kinds of insurance which form the basis for their participation in the association under procedures established by the association. The association shall amend the amount of its certification of deficit to the **commissioner**~~[executive director]~~ as the values of its incurred losses become finalized, and the members of the association shall amend their recoupment procedure accordingly.
- (7) In the event that sufficient funds are not available for the sound financial operation of the association, pending recoupment as provided in subsection (6) of this section, all members shall, on a temporary basis, contribute to the financial requirements of the association in the manner provided for in KRS 304.40-080. Any such contribution shall be reimbursed to the members by recoupment as provided in subsection (6) of this section.

➔Section 1538. KRS 304.40-060 is amended to read as follows:

- (1) There is hereby created a stabilization reserve fund which shall be administered by three (3) directors, one (1) of whom shall be the **commissioner**~~[executive director]~~ or **the commissioner's**~~this~~ deputy. The remaining two (2) directors shall be appointed by the **commissioner**~~[executive director]~~. One (1) shall be a representative of the association; the other a representative of its policyholders. The directors shall serve without salary, but

shall be reimbursed for actual and necessary expenses incurred in the performance of their duties when approved by the *commissioner*~~[executive director]~~.

- (2) Each policyholder shall pay to the association a stabilization reserve fund charge equal to one-third (1/3) of each premium payment due for insurance through the association. Such charge shall be separately stated in the policy. The association shall cancel the policy of any policyholder who fails to pay the stabilization reserve fund charge.
- (3) The association shall promptly pay to the trustee of the fund all stabilization reserve fund charges which it collects from its policyholders and any retrospective premium refunds payable under the group retrospective rating plan authorized by KRS 304.40-050.
- (4) All moneys received by the fund shall be held in trust by a corporate trustee selected by the directors. The trustee may invest the trust fund, subject to the approval of the directors. All investment income shall be credited to the fund. All expenses of administration of the fund shall be charged against the fund. The trust fund shall be used solely for the purpose of discharging when due any retrospective premium charges payable by policyholders of the association under the group retrospective rating plan authorized by KRS 304.40-050. Payment of retrospective premium charges shall be made by the directors upon certification to them by the association of the amount due. If the trust fund is finally exhausted in payment of retrospective premium charges, all liability and obligations of the association's policyholders with respect to the payment of retrospective premium charges shall thereupon terminate and shall be conclusively presumed to have been discharged. Any moneys remaining in the fund after all such retrospective premium charges have been paid shall be returned to policyholders under procedures authorized by the directors.

The **commissioner**~~[executive director]~~ shall not order the association to commence underwriting operations until **the commissioner**~~[he]~~, after due hearing and investigation, has determined that legal professional liability insurance cannot be made available in the voluntary market. The Joint Underwriting Association shall remain in effect for a period of no longer than two and one-half (2 1/2) years from the date that it commences underwriting operations.

This subtitle shall not preclude any attorney at law from procuring legal professional liability insurance from the voluntary market.

If the **commissioner**~~[executive director]~~ determines at any time that legal professional liability insurance is readily available in the voluntary market, the association shall thereby cease its underwriting operations.

- (3) The association shall, pursuant to the provisions of this subtitle and the plan of operation with respect to legal professional liability insurance, have the power on behalf of its members:

 - (d) To cede reinsurance; and
 - (e) To negotiate and obtain in the voluntary market legal professional liability insurance with limits in excess of the foregoing limits for any attorney-at-law to whom the association has issued or caused to be issued a policy of legal professional liability insurance.

➔Section 1550. KRS 304.41-040 is amended to read as follows:

- (1) Within forty-five (45) days following the order of the **commissioner**~~[executive director]~~ implementing the operation of the association, the directors of the association shall submit to the **commissioner**~~[executive director]~~ for his **or her** review a proposed plan of operation, consistent with the provisions of this subtitle.
- (2) The plan of operation shall provide for economic, fair, and nondiscriminatory administration and for the prompt and efficient provision of legal professional liability insurance; and shall contain other provisions including, but not limited to, preliminary assessment of all members for initial expenses necessary to commence operations, establishment of necessary facilities, management of the association, assessment of members to defray losses and expenses, commission arrangements, reasonable and objective underwriting standards, acceptance and cession of reinsurance, appointment of servicing carriers or other servicing arrangements and procedures for determining amounts of insurance to be provided by the association.
- (3) The plan of operation shall be subject to approval by the **commissioner**~~[executive director]~~ after consultation with the members of the association, representatives of the public, and other affected individuals and organizations. If the **commissioner**~~[executive director]~~ disapproves all or any part of the proposed plan of

operation, the directors shall within fifteen (15) days submit for review an appropriate revised plan of operation or part thereof. If the directors fail to do so, the **commissioner**~~[executive director]~~ shall promulgate a plan of operation or part thereof, as the case may be. The plan of operation approved or promulgated by the **commissioner**~~[executive director]~~ shall become effective upon order of the **commissioner**~~[executive director]~~.

- (4) Amendments to the plan of operation may be made by the directors of the association, subject to the approval of the **commissioner**~~[executive director]~~, or shall be made at the direction of the **commissioner**~~[executive director]~~.

➔Section 1551. KRS 304.41-050 is amended to read as follows:

- (1) All policies issued by the association shall be written for the term of one (1) year. The directors of the association may elect to issue policies on an occurrence basis or a claims made basis. No policy form shall be used by the association unless it has been filed with the **commissioner**~~[executive director]~~ and either (a) **the commissioner**~~[he]~~ has approved it, or (b) thirty (30) days has lapsed and **the commissioner**~~[he]~~ has not disapproved it in accordance with KRS Chapter 304, Subtitle 14.
- (2) Cancellation of the association's policies shall be governed by the laws and regulations governing the cancellation of other policies of casualty insurance, except that the association may also cancel any of its policies in the event of nonpayment of any stabilization reserve fund charge, by mailing or delivering to the insured at the address shown on the policy, written notice stating when not less than ten (10) days thereafter cancellation shall be effective.
- (3) The rates, rating plan, rating rules, rating classifications and territories applicable to the insurance written by the association and statistics relating thereto shall be subject to KRS Chapter 304, Subtitle 13, giving due consideration to the past and prospective loss and expense experience for legal professional liability insurance written and to be written in this state, trends in the frequency and severity of losses, the investment income of the association, and such other information as the **commissioner**~~[executive director]~~ may require. All rates shall be on an actuarially sound basis, giving due consideration to the group retrospective rating plan and the stabilization reserve fund, and shall be calculated to be self-supporting. The **commissioner**~~[executive director]~~ shall make available to the association the loss and expense experience of insurers previously writing legal professional liability insurance in this state.
- (4) All policies issued by the association shall be subject to a nonprofit group retrospective rating plan to be approved by the **commissioner**~~[executive director]~~, under which the final premium for all policyholders of the association as a group will be equal to the administrative expenses, loss and loss adjustment expenses and taxes, plus a reasonable allowance for contingencies and servicing. Policyholders shall be given full credit for all investment income, net of expenses and a reasonable management fee on policyholder supplied funds. The standard premium before retrospective adjustment for each policy issued by the association shall be established on the basis of the association's rates, rating plans, rating rules, rating classifications, and territories then in effect. The maximum final premium for all policyholders of the association as a group shall be limited as provided in KRS 304.41-060(4). Since the business of the association is subject to the nonprofit group retrospective rating plan required by this subsection, there shall be a presumption that the rates filed and premiums for the business of the association are not excessive.
- (5) The **commissioner**~~[executive director]~~ shall examine the business of the association as often as he **or she** deems appropriate to assure that the group retrospective rating plan is being operated in a manner consistent with this section. If **the commissioner**~~[he]~~ finds that it is not being so operated, he **or she** shall issue an order to the association, specifying in what respects its operation is deficient and stating what corrective action shall be taken.
- (6) The association shall certify to the **commissioner**~~[executive director]~~ the estimated amount of any deficit remaining after the stabilization reserve fund has been exhausted in payment of the maximum final premium for all policyholders of the association. Within sixty (60) days after such certification, the **commissioner**~~[executive director]~~ shall authorize the members of the association to commence recoupment of their respective shares of the deficit by applying a surcharge to be determined by the association at a rate not to exceed two percent (2%) of the annual premiums on future policies affording those kinds of insurance which form the basis for their participation in the association under procedures established by the association. The association shall amend the amount of its certification of deficit to the **commissioner**~~[executive director]~~ as the values of its incurred losses become finalized, and the members of the association shall amend their recoupment procedure accordingly.

- (7) In the event that sufficient funds are not available for the sound financial operation of the association, pending recoupment as provided in subsection (6) of this section, all members shall, on a temporary basis, contribute to the financial requirements of the association in the manner provided for in KRS 304.41-080. Any such contribution shall be reimbursed to the members by recoupment as provided in subsection (6) of this section.

➔Section 1552. KRS 304.41-060 is amended to read as follows:

- (1) There is hereby created a stabilization reserve fund which shall be administered by three (3) directors, one (1) of whom shall be the **commissioner**~~[executive director]~~ or **the commissioner's**~~[his]~~ deputy. The remaining two (2) directors shall be appointed by the **commissioner**~~[executive director]~~. One (1) shall be a representative of the association; the other a representative of its policyholders. The directors shall serve without salary, but shall be reimbursed for actual and necessary expenses incurred in the performance of their duties when approved by the **commissioner**~~[executive director]~~.
- (2) Each policyholder shall pay to the association a stabilization reserve fund charge equal to one-third (1/3) of each premium payment due for insurance through the association. Such charge shall be separately stated in the policy. The association shall cancel the policy of any policyholder who fails to pay the stabilization reserve fund charge.
- (3) The association shall promptly pay to the trustee of the fund all stabilization reserve fund charges which it collects from its policyholders and any retrospective premium refunds payable under the group retrospective rating plan authorized by KRS 304.41-050(4).
- (4) All moneys received by the fund shall be held in trust by a corporate trustee selected by the directors. The trustee may invest the trust fund, subject to the approval of the directors. All investment income shall be credited to the fund. All expenses of administration of the fund shall be charged against the fund. The trust fund shall be used solely for the purpose of discharging when due any retrospective premium charges payable by policyholders of the association under the group retrospective rating plan authorized by KRS 304.41-050(4). Payment of retrospective premium charges shall be made by the directors upon certification to them by the association of the amount due. If the trust fund is finally exhausted in payment of retrospective premium charges, all liability and obligations of the association's policyholders with respect to the payment of retrospective premium charges shall thereupon terminate and shall be conclusively presumed to have been discharged. Any moneys remaining in the fund after all such retrospective premium charges have been paid shall be returned to policyholders under procedures authorized by the directors.

➔Section 1553. KRS 304.41-080 is amended to read as follows:

All insurers which are members of the association shall participate in its writings, expenses, servicing, allowance, management fees, and losses in the proportion that the net direct premiums of each such member, excluding that portion of premiums attributable to the operation of the association, written during the preceding calendar year, bears to the aggregate net direct premiums written in this state by all members of the association. Each insurer's participation in the association shall be determined annually on the basis of such net direct premiums written during the preceding calendar year, as reported in the annual statements and other reports filed by the insurer with the **commissioner**~~[executive director]~~.

➔Section 1554. KRS 304.41-090 is amended to read as follows:

The association shall be governed by a board of thirteen (13) directors. Five (5) directors shall be elected by the insurance companies which are members of the association, at a meeting of the member companies at a time and place designated by the **commissioner**~~[executive director]~~, by cumulative voting of the member companies, whose vote shall be weighted in accordance with each member's net direct premiums written during the preceding calendar year. One (1) of these five (5) directors shall be from a member company domiciled in Kentucky. The **commissioner**~~[executive director]~~ shall appoint seven (7) directors, one (1) named by the Kentucky Medical Association; one (1) named by the Kentucky Bar Association; one (1) named by the Kentucky Hospital Association; one (1) who is a licensed resident property and casualty agent in Kentucky; and three (3) knowledgeable members of the public at large, who have no interest in any of the foregoing categories. The **commissioner**~~[executive director]~~ or **the commissioner's**~~[his]~~ designee shall serve as a director.

➔Section 1555. KRS 304.41-100 is amended to read as follows:

 6. If the association elects to reissue terminated coverage at a premium rate different from that charged under the terminated policy, the premium shall be set by the association in accordance with the amount of insurance provided and the age and class of risk, subject to approval by the domiciliary insurance commissioner or by the receivership court;
 7. The association's obligations with respect to coverage under any policy of the impaired or insolvent insurer or under any reissued or alternative policy shall cease on the date such coverage or policy is replaced by another similar policy by the policy owner, the insured, or the association;
- (3) When proceeding under subsection (2)(b) of this section with respect to any policy or contract carrying guaranteed minimum interest rates, the association shall assure the payment or crediting of a rate of interest consistent with KRS 304.42-030(2)(b)3.
 - (4) Nonpayment of premiums within thirty-one (31) days after the date required under the terms of any guaranteed, assumed, alternative, or reissued policy or contract for substitute coverage shall terminate the association's obligations under such policy or coverage under this subtitle with respect to such policy or coverage, except with respect to any claims incurred or any net cash surrender value which may be due in accordance with the provisions of this subtitle.
 - (5) Premiums due for coverage after entry of an order of liquidation of an insolvent insurer shall belong to and be payable at the direction of the association, and the association shall be liable for unearned premiums due to policy or contract owners arising after the entry of such order.
 - (6) The protection provided by this subtitle shall not apply where any guaranteed protection is provided to residents of this state by the laws of the domiciliary state or jurisdiction of the impaired or insolvent insurer other than this state.

- (7) In carrying out its duties under subsection (2) of this section, the association may:
- (a) Subject to approval by a court in this state, impose permanent policy or contract liens in connection with any guarantee, assumption, or reinsurance agreement, if the association finds that the amounts which can be assessed under this subtitle are less than the amounts needed to assure full and prompt performance of the association's duties under this subtitle, or that the economic or financial conditions as they affect member insurers are sufficiently adverse to render the imposition of such permanent policy or contract liens to be in the public interest; and
 - (b) Subject to approval by a court in this state, impose temporary moratoriums or liens on payments of cash values and policy loans, or any other right to withdraw funds held in conjunction with policies or contracts, in addition to any contractual provisions for deferral of cash or policy loan value. In addition, in the event of a temporary moratorium or moratorium charge imposed by the receivership court on payment of cash values or policy loans, or on any other right to withdraw funds held in conjunction with policies or contracts, out of the assets of the impaired or insolvent insurer, the association may defer the payment of cash values, policy loans, or other rights by the association for the period of the moratorium or moratorium charge imposed by the receivership court, except for claims covered by the association to be paid in accordance with a hardship procedure established by the liquidator or rehabilitator and approved by the receivership court.
- (8) A deposit in this state, held under law or required by the **commissioner**~~executive director~~ for the benefit of creditors, including policy owners, not turned over to the domiciliary liquidator upon the entry of a final order of liquidation or order approving a rehabilitation plan of an insurer domiciled in this state or in a reciprocal state, shall be promptly paid to the association. The association:
- (a) Shall be entitled to retain a portion of any amount so paid to it equal to the percentage determined by dividing the aggregate amount of policy owners' claims related to that insolvency for which the association has provided statutory benefits by the aggregate amount of all policy owners' claims in this state related to that insolvency; and
 - (b) Shall remit to the domiciliary receiver the amount so paid to the association and retained in accordance with paragraph (a) of this subsection. Any amount so paid to the association less the amount retained by it in accordance with paragraph (a) of this subsection shall be treated as a distribution of estate assets under KRS 304.33-440 or similar provision of the state of domicile of the impaired or insolvent insurer.
- (9) If the association fails to act within a reasonable period of time with respect to an insolvent insurer as provided in subsection (2) of this section, the **commissioner**~~executive director~~ shall have the powers and duties of the association under this subtitle with respect to the insolvent insurer.
- (10) The association may render assistance and advice to the **commissioner**~~executive director~~, upon his *or her* request, concerning rehabilitation, payment of claims, continuance of coverage, or the performance of other contractual obligations of any impaired or insolvent insurer.
- (11) The association shall have standing to appear or intervene before any court or agency in this state with jurisdiction over an impaired or insolvent insurer concerning which the association is or may become obligated under this subtitle or with jurisdiction over any person or property against whom the association may have rights through subrogation or otherwise. Such standing shall extend to all matters germane to the powers and duties of the association, including, but not limited to, proposals for reinsuring, modifying, or guaranteeing the policies or contracts of the impaired or insolvent insurer and the determination of the policies or contracts and contractual obligations. The association shall also have the right to appear or intervene before a court or agency in another state with jurisdiction over an impaired or insolvent insurer for which the association is or may become obligated or with jurisdiction over any person or property against whom the association may have rights through subrogation or otherwise.
- (12) (a) Any person receiving benefits under this subtitle shall be deemed to have assigned the rights under, and any causes of action against any person for losses arising under, resulting from, or otherwise relating to, the covered policy or contract to the association to the extent the benefits received because of this subtitle, whether benefits are payments of or on account of contractual obligations, continuation of coverage, or provision of substitute or alternative coverages. The association may require an assignment to it of such rights and cause of action by any payee, policy or contract owner, beneficiary, insured, or

annuitant as a condition precedent to the receipt of any right or benefits conferred by this subtitle upon such person.

- (b) The subrogation rights of the association under this subsection shall have the same priority against the assets of the impaired or insolvent insurer as that possessed by the person entitled to receive benefits under this subtitle.
 - (c) In addition to paragraphs (a) and (b) of this subsection, the association shall have all common law rights of subrogation and any other equitable or legal remedy that would have been available to the impaired or insolvent insurer or owner, beneficiary, or payee of a policy or contract with respect to such policy or contract, including without limitation, in the case of a structured settlement annuity, any rights of the owner, beneficiary, or payee of the annuity, to the extent of benefits received under this subtitle against a person originally or by succession responsible for the losses arising from the personal injury relating to the annuity or payment therefor.
 - (d) If the preceding provisions of this subsection are invalid or ineffective with respect to any person or claim for any reason, the amount payable by the association with respect to the related covered obligations shall be reduced by the amount realized by any other person with respect to the person or claim that is attributable to the policies or portion thereof covered by the association.
 - (e) If the association has provided benefits with respect to a covered obligation and a person recovers amounts as to which the association has rights as described in the preceding paragraphs of this subsection, the person shall pay to the association the portion of the recovery attributable to the policies or portion thereof covered by the association.
- (13) In addition to the rights and powers elsewhere in this subtitle, the association may:
- (a) Enter into such contracts as are necessary or proper to carry out the provisions and purposes of this subtitle;
 - (b) Sue or be sued, including taking any legal actions necessary or proper to recover any unpaid assessments under KRS 304.42-090 and to settle claims or potential claims against it;
 - (c) Borrow money to effect the purposes of this subtitle; any notes or other evidence of indebtedness of the association not in default shall be legal investments for domestic insurers and may be carried as admitted assets;
 - (d) Employ or retain such persons as are necessary or appropriate to handle the financial transactions of the association, and to perform such other functions as may become necessary or proper under this subtitle;
 - (e) Take such legal action as may be necessary or appropriate to avoid or recover payment of improper claims;
 - (f) Exercise, for the purposes of this subtitle and to the extent approved by the ~~commissioner~~~~executive director~~, the powers of a domestic life or health insurer, but in no case may the association issue insurance policies or annuity contracts other than those issued to perform its obligations under this subtitle;
 - (g) Organize itself as a corporation or in other legal form permitted by the laws of the state;
 - (h) Request information from a person seeking coverage from the association in order to aid the association in determining its obligations under this subtitle with respect to the person, and the person shall promptly comply with the request; and
 - (i) Take other necessary or appropriate action to discharge its duties and obligations under this subtitle or to exercise its powers under this subtitle.
- (14) The association may join an organization of one (1) or more other state associations of similar purposes, to further the purposes and administer the powers and duties of the association.
- (15) (a) At any time within one (1) year after the date on which the association becomes responsible for the obligations of a member insurer, the association may elect to succeed to the rights and obligations of the member insurer that accrue on or after that date and that relate to contracts covered in whole or in part by the association, under any one (1) or more indemnity reinsurance agreements entered into by the member insurer as a ceding insurer and selected by the association. The association may not exercise any such election with respect to a reinsurance agreement if the receiver, rehabilitator, or liquidator of

the member insurer has previously and expressly disaffirmed the reinsurance agreement. The election shall be effected by a notice to the receiver, rehabilitator, or liquidator and to the affected reinsurer. If the association makes an election, subparagraphs 1. to 4. of this paragraph shall apply with respect to the agreements selected by the association:

1. The association shall be responsible for all unpaid premiums due under the agreements for periods both before and after the date, and shall be responsible for the performance of all other obligations to be performed after the coverage date, in each case which relate to contracts covered, in whole or in part, by the association. The association may charge contracts covered in part by the association, through reasonable allocation methods, the costs for reinsurance in excess of the obligations of the association.
 2. The association shall be entitled to any amounts payable by the reinsurer under the agreements with respect to losses or events that occur in periods after the coverage date and that relate to contracts covered by the association, in whole or in part. Upon receipt of any such amounts the association shall be obliged to pay to the beneficiary under the policy or contract on account of which the amounts were paid a portion of the amount equal to the excess of:
 - a. The amount received by the association, over
 - b. The benefits paid by the association on account of the policy or contract less the retention of the impaired or insolvent member insurer applicable to the loss or event.
 3. Within thirty (30) days following the association's election, the association and each indemnity reinsurer shall calculate the net balance due to or from the association under each such reinsurance agreement as of the date of the association's election, which calculation shall give full credit to all items paid by either the member insurer or its receiver, rehabilitator, or liquidator, or the indemnity reinsurer during the period between the coverage date and the date of the association's election. Either the association or indemnity reinsurer shall pay the net balance due the other within five (5) days of the completion of the calculation. If the receiver, rehabilitator, or liquidator has received any amounts due the association under subparagraph 2. of this paragraph, the receiver, rehabilitator, or liquidator shall remit those amounts to the association as promptly as practicable.
 4. If the association, within sixty (60) days of the election, pays the premiums due for periods both before and after the coverage date that relate to contracts covered by the association in whole or in part, the insurer shall not be entitled to terminate the reinsurance agreements insofar as the agreements relate to contracts covered by the association in whole or in part and shall not be entitled to set off any unpaid premium due for periods prior to the coverage date against amounts due the association.
- (b) If the association transfers its obligations to another insurer, and if the association and the other insurer agree, the other insurer shall succeed to the rights and obligations of the association under paragraph (a) of this subsection effective as of the date agreed upon by the association and the other insurer and regardless of whether the association has made the election referred to in paragraph (a) of this subsection if:
1. The indemnity reinsurance agreements automatically terminate for new reinsurance unless the indemnity reinsurer and the other insurer agree to the contrary;
 2. The obligations described in subparagraph 2. of paragraph (a) of this subsection no longer apply on and after the date the indemnity reinsurance agreement is transferred to the third party insurer; and
 3. The association has not previously expressly determined in writing that it will not exercise the election referred to in paragraph (a) of this subsection.
- (c) The provisions of this subsection shall supersede the provisions of any law of this state or of any affected reinsurance agreements that provide for or require any payment of reinsurance proceeds, on account of losses or events that occur in periods after the coverage date, to the receiver, liquidator, or rehabilitator of the insolvent member insurer. The receiver, rehabilitator, or liquidator shall remain

entitled to any amounts payable by the reinsurer under the reinsurance agreements with respect to losses or events that occur in periods prior to the coverage date, subject to applicable setoff provisions.

- (d) Except as otherwise expressly provided in this subsection, nothing in this subsection shall alter or modify the terms and conditions of the indemnity reinsurance agreements of the insolvent member insurer. Nothing in this subsection shall abrogate or limit any rights of any reinsurer to claim that it is entitled to rescind a reinsurance agreement. Nothing in this subsection shall give a policy owner or beneficiary an independent cause of action against an indemnity reinsurer that is not otherwise set forth in the indemnity reinsurance agreement.
- (16) The board of directors of the association shall have discretion and may exercise reasonable business judgment to determine the means by which the association is to provide the benefits of this subtitle in an economical and efficient manner.
- (17) If the association has arranged or offered to provide the benefits of this subtitle to a covered person under a plan or arrangement that fulfills the association's obligations under this subtitle, the person shall not be entitled to benefits from the association in addition to or other than those provided under the plan or arrangement.
- (18) Venue in a suit against the association under this subtitle shall be in Franklin County. The association shall not be required to give an appeal bond in an appeal that relates to a cause of action arising under this subtitle.

➔Section 1563. KRS 304.42-090 is amended to read as follows:

- (1) For the purpose of providing the funds necessary to carry out the powers and duties of the association, the board of directors shall assess the member insurers, separately for each account, at such time and for such amounts as the board finds necessary. Assessments shall be due not less than thirty (30) days after prior written notice to the member insurers and shall accrue interest at eight percent (8%) per annum on and after the due date.
- (2) There shall be two (2) classes of assessments:
 - (a) Class A assessments shall be made for the purpose of meeting administrative and legal costs and other expenses. Class A assessments may be authorized and called whether or not related to a particular impaired or insolvent insurer;
 - (b) Class B assessments shall be authorized and called to the extent necessary to carry out the powers and duties of the association under KRS 304.42-080 with regard to an impaired or insolvent insurer.
- (3)
 - (a) The amount of any Class A assessment shall be determined by the board and may be authorized and called on a pro rata or non-pro rata basis. If pro rata, the board may provide that it be credited against future Class B assessments. The total of all non-pro rata assessments shall not exceed one hundred fifty dollars (\$150) per member insurer in any one (1) calendar year. The amount of any Class B assessment shall be allocated for assessment purposes among the accounts pursuant to an allocation formula which may be based on the premiums or reserves of the impaired or insolvent insurer or any other standard deemed by the board in its sole discretion as being fair and reasonable under the circumstances.
 - (b) Class B assessments against member insurers for each account shall be in the proportion that the premiums received on business in this state by each assessed member insurer on policies or contracts covered by each account for the three (3) most recent calendar years for which information is available preceding the year in which the insurer became insolvent, or in the case of assessment with respect to an impaired insurer, the three (3) most recent calendar years for which information is available preceding the year in which the insurer became impaired, bears to such premiums received on business in this state for such calendar years by all assessed member insurers.
 - (c) Assessments for funds to meet the requirements of the association with respect to an impaired or insolvent insurer shall not be made until necessary to implement the purposes of this subtitle. Classification of assessments under subsection (2) of this section and computation of assessments under this subsection shall be made with a reasonable degree of accuracy, recognizing that exact determinations may not always be possible. The association shall notify each member insurer of its anticipated pro rata share of an authorized assessment not yet called within one hundred eighty (180) days after the assessment is authorized.
- (4) The association may abate or defer, in whole or in part, the assessment of a member insurer if, in the opinion of the board, payment of the assessment would endanger the ability of the member insurer to fulfill its contractual

obligations. In the event an assessment against a member insurer is abated, or deferred in whole or in part, the amount by which such assessment is abated or deferred may be assessed against the other member insurers in a manner consistent with the basis for assessments set forth in this section. Once the conditions that caused a deferral have been removed or rectified, the member shall pay all assessments that were deferred under a repayment plan approved by the association.

- (5) (a) Subject to the provisions of paragraph (b) of this subsection, the total of all assessments authorized by the association with respect to a member insurer for each account shall not in any one (1) calendar year exceed two percent (2%) of the insurer's average annual premiums received in this state on the policies and contracts covered by the account during the three (3) calendar years preceding the year in which the insurer became an impaired or insolvent insurer. If the maximum assessment, together with the other assets of the association in any other account, does not provide in any one (1) year in any other account an amount sufficient to carry out the responsibilities of the association, the necessary additional funds shall be assessed as soon thereafter as permitted by this subtitle.
- (b) If two (2) or more assessments are authorized in one (1) calendar year with respect to insurers that become impaired or insolvent in different calendar years, the average annual premiums for purposes of the aggregate assessment percentage limitation referenced in paragraph (a) of this subsection shall be equal and limited to the higher of the three (3) year average annual premiums for the applicable account as calculated under this section.
- (c) The board may provide in the plan of operation a method of allocating funds among claims, whether relating to one (1) or more impaired or insolvent insurers, when the maximum assessment will be insufficient to cover anticipated claims.
- (6) The board may, by an equitable method as established in the plan of operation, refund to member insurers, in proportion to the contribution of each insurer to that account, the amount by which the assets of the account exceed the amount the board finds is necessary to carry out during the coming year the obligations of the association with regard to that account, including assets accruing from assignment, subrogation, net realized gains and income from investments. A reasonable amount may be retained in any account to provide funds for the continuing expenses of the association and for future losses claims.
- (7) It shall be proper for any member insurer, in determining its premium rates and policy owner dividends as to any kind of insurance within the scope of this subtitle, to consider the amount reasonably necessary to meet its assessment obligations under this subtitle.
- (8) The association shall issue to each insurer paying an assessment under this subtitle, other than a Class A assessment, a certificate of contribution, in a form prescribed by the **commissioner**~~executive director~~, for the amount of the assessment so paid. All outstanding certificates shall be of equal dignity and priority without reference to amounts or dates of issue. A certificate of contribution may be shown by the insurer in its financial statement as an asset in such form and for such amount, if any, and period of time as the **commissioner**~~executive director~~ may approve.
- (9) (a) A member insurer that wishes to protest all or part of an assessment shall pay when due the full amount of the assessment as set forth in the notice provided by the association. The payment shall be available to meet association obligations during the pendency of the protest or any subsequent appeal. Payment shall be accompanied by a statement in writing that the payment is made under protest and setting forth a brief statement of the grounds for the protest.
- (b) Within sixty (60) days following the payment of an assessment under protest by a member insurer, the association shall notify the member insurer in writing of its determination with respect to the protest unless the association notifies the member insurer that additional time is required to resolve the issues raised by the protest.
- (c) Within thirty (30) days after a final decision has been made, the association shall notify the protesting member insurer in writing of that final decision. Within sixty (60) days of receipt of notice of the final decision, the protesting member insurer may appeal the final action to the **commissioner**~~executive director~~, in accordance with KRS 304.42-110(3).
- (d) In the alternative to rendering a final decision with respect to a protest based on a question regarding the assessment base, the association may refer protests to the **commissioner**~~executive director~~ for a final decision, with or without a recommendation from the association.

- (e) If the protest or appeal on the assessment is upheld, the amount paid in error or excess shall be returned to the member company. Interest on a refund due a protesting member shall be paid at the rate actually earned by the association.
- (10) The association may request information of member insurers in order to aid in the exercise of its power under this section and member insurers shall promptly comply with a request.

➔Section 1564. KRS 304.42-100 is amended to read as follows:

- (1)
 - (a) The association shall submit to the **commissioner**~~[executive director]~~ a plan of operation and any amendments thereto necessary or suitable to assure the fair, reasonable, and equitable administration of the association. The plan of operation and any amendments thereto shall become effective upon approval in writing by the **commissioner**~~[executive director]~~;
 - (b) If the association fails to submit a suitable plan of operation within one hundred eighty (180) days following June 17, 1978, or if at any time thereafter the association fails to submit suitable amendments to the plan, the **commissioner**~~[executive director]~~ shall, after notice and hearing, adopt and promulgate such reasonable rules as are necessary or advisable to effectuate the provisions of this subtitle. Such rules shall continue in force until modified by the **commissioner**~~[executive director]~~ or superseded by a plan submitted by the association and approved by the **commissioner**~~[executive director]~~.
- (2) All member insurers shall comply with the plan of operation.
- (3) The plan of operation shall, in addition to requirements enumerated elsewhere in this subtitle:
 - (a) Establish procedures for handling the assets of the association;
 - (b) Establish the amount and method of reimbursing members of the board of directors under KRS 304.42-070;
 - (c) Establish regular places and times for meetings of the board of directors;
 - (d) Establish procedures for records to be kept of all financial transactions of the association, its agents, and the board of directors;
 - (e) Establish the procedures whereby selections for the board of directors will be made and submitted to the **commissioner**~~[executive director]~~;
 - (f) Establish any additional procedures for assessments under KRS 304.42-090;
 - (g) Contain additional provisions necessary or proper for the execution of the powers and duties of the association.
- (4) The plan of operation may provide that any or all powers and duties of the association, except those under paragraph (c) of subsection (10) of KRS 304.42-080 and 304.42-090, are delegated to a corporation, association, or other organization which performs or will perform functions similar to those of this association, or its equivalent, in two (2) or more states. Such a corporation, association, or organization shall be reimbursed for any payments made on behalf of the association and shall be paid for its performance of any function of the association. A delegation under this subsection shall take effect only with the approval of both the board of directors and the **commissioner**~~[executive director]~~, and may be made only to a corporation, association, or organization which extends protection not substantially less favorable and effective than that provided by this subtitle.

➔Section 1565. KRS 304.42-110 is amended to read as follows:

In addition to the duties and powers enumerated elsewhere in this subtitle:

- (1) The **commissioner**~~[executive director]~~ shall:
 - (a) Upon request of the board of directors, provide the association with a statement of the premiums in the appropriate states for each member insurer;
 - (b) When an impairment is declared and the amount of the impairment is determined, serve a demand upon the impaired insurer to make good the impairment within a reasonable time. Notice to the impaired insurer shall constitute notice to its shareholders, if any. The failure of the insurer to promptly comply with the demand shall not excuse the association from the performance of its powers and duties under this subtitle; and

- (c) In any liquidation or rehabilitation proceeding involving a domestic insurer, be appointed as the liquidator or rehabilitator. If a foreign or alien member insurer is subject to a liquidation proceeding in its domiciliary jurisdiction or state of entry, the ***commissioner***~~[executive director]~~ may be appointed conservator.
- (2) The ***commissioner***~~[executive director]~~ may suspend or revoke, after notice and hearing conducted in accordance with KRS Chapter 13B, the certificate of authority to transact insurance in this state of any member insurer which fails to pay an assessment when due or fails to comply with the plan of operation. As an alternative the ***commissioner***~~[executive director]~~ may levy a forfeiture on any member insurer which fails to pay an assessment when due. A forfeiture shall not exceed five percent (5%) of the unpaid assessment per month, but no forfeiture shall be less than one hundred dollars (\$100) per month.
- (3) Any final action of the board of directors or the association may be appealed to the ***commissioner***~~[executive director]~~ by any member insurer if the appeal is taken within sixty (60) days of its receipt of notice of the action being appealed. Any final order of the ***commissioner***~~[executive director]~~ shall be subject to judicial review as set forth in Subtitle 2 of this chapter and KRS Chapter 13B.
- (4) The liquidator, rehabilitator, or conservator of any impaired insurer may notify all interested persons of the effect of this subtitle.

➔Section 1566. KRS 304.42-120 is amended to read as follows:

Such notice shall be mailed to all commissioners within thirty (30) days following the action taken or the date on which such action occurs;
 - (b) To report to the board of directors when he *or she* has taken any of the actions set forth in paragraph (a) of this subsection or has received a report from any other commissioner indicating that any such action has been taken in another state. Such report to the board of directors shall contain all significant details of the action taken or the report received from another commissioner;
 - (c) To report to the board of directors when he *or she* has reasonable cause to believe from any examination, whether completed or in process, of any member insurer that such insurer may be an impaired or insolvent insurer;
 - (d) To furnish to the board of directors the NAIC insurance regulatory information system information developed by the National Association of Insurance Commissioners, and the board may use the information contained therein in carrying out its duties and responsibilities under this section. Such report and the information contained therein shall be kept confidential by the board of directors until such time as made public by the ***commissioner***~~[executive director]~~ or other lawful authority.
- (2) The ***commissioner***~~[executive director]~~ may seek the advice and recommendations of the board of directors concerning any matter affecting his *or her* duties and responsibilities regarding the financial condition of member companies and companies seeking admission to transact insurance business in this state.
- (3) The board of directors may, upon majority vote, make reports and recommendations to the ***commissioner***~~[executive director]~~ upon any matter germane to the solvency, liquidation, rehabilitation or conservation of any member insurer or germane to the solvency of any company seeking to do an insurance business in this state. Such reports and recommendations shall not be considered public documents.

- (4) The board of directors may, upon majority vote, notify the **commissioner**~~{executive director}~~ of any information indicating any member insurer may be an impaired or insolvent insurer.

➔Section 1567. KRS 304.42-130 is amended to read as follows:

If a member insurer should cease doing business, all uncredited assessments may be credited against its tax liability for the year in which it ceases doing business.
- (2) Any sums acquired by refund, pursuant to KRS 304.42-090(6), from the association which have theretofore been written off by contributing insurers and offset against taxes as provided in this section, and are not then needed for purposes of this subtitle, shall be paid by the association to the **commissioner**~~{executive director}~~ and by **the commissioner**~~{him}~~ deposited with the State Treasurer for credit to the general fund of this state.

➔Section 1568. KRS 304.42-150 is amended to read as follows:

➔Section 1569. KRS 304.42-170 is amended to read as follows:

The rule or order so issued shall prescribe the conditions the employer must maintain, and the practices, means, methods, operations, and processes which he *or she* must adopt and utilize to the extent they differ from the standard in question. - (c) "Permanent total disability" means the condition of an employee who, due to an injury, has a permanent disability rating and has a complete and permanent inability to perform any type of work as a result of an injury, except that total disability shall be irrebuttably presumed to exist for an injury that results in:
1. Total and permanent loss of sight in both eyes;
 2. Loss of both feet at or above the ankle;
 3. Loss of both hands at or above the wrist;
 4. Loss of one (1) foot at or above the ankle and the loss of one (1) hand at or above the wrist;

 - (a) The base period shall be the earliest three (3) calendar years of the five (5) calendar years immediately preceding the calendar year for which the calculation is made. The ~~commissioner~~~~executive director~~ shall identify each claim of the employer which has an injury date or date of last injurious exposure to the cause of an occupational disease during each one (1) of the three (3) calendar years to be used as the base, and shall assign a value to each claim. The value shall be the total of the indemnity benefits paid to date and projected to be paid, adjusted to current benefit levels, plus the medical benefits paid to date and projected to be paid for the life of the claim, plus the cost of medical and vocational rehabilitation paid to date and projected to be paid. Adjustment to current benefit levels shall be done by multiplying the weekly indemnity benefit for each claim by the number obtained by dividing the statewide average weekly wage which will be in effect for the year for which the premium is being calculated by the statewide average weekly wage in effect during the year in which the injury or date of the last exposure occurred. The total value of the claims using the adjusted weekly benefit shall then be calculated by the ~~commissioner~~~~executive director~~. Values for claims in which awards have been made or settlements reached because of findings of permanent partial or permanent total disability shall be calculated using the mortality and interest discount assumptions used in the latest available statistical plan of the advisory rating organization defined in Subtitle 13 of KRS Chapter 304. The sum of all calculated values shall be computed for all claims in the base period;
 - (b) The ~~commissioner~~~~executive director~~ shall obtain the annual payroll for each of the three (3) years in the base period for each employer carrying his own risk from records of the ~~department~~~~office~~ and from the records of the Office of Employment and Training, Education and Workforce Development Cabinet. The ~~commissioner~~~~executive director~~ shall multiply each of the three (3) years of payroll by the number obtained by dividing the statewide average weekly wage which will be in effect for the year in which the premium is being calculated by the statewide average weekly wage in effect in each of the years of the base period;
 - (c) The ~~commissioner~~~~executive director~~ shall divide the total of the adjusted claim values for the three (3) year base period by the total adjusted payroll for the same three (3) year period. The value so calculated shall be multiplied by 1.25 and shall then be multiplied by the employer's most recent annualized payroll, calculated using records of the ~~department~~~~office~~ and the Office of Employment and Training data which shall be made available for this purpose on a quarterly basis as reported, to obtain the premium for the next calendar year for assessment purposes under KRS 342.122;
 - (d) For November 1, 1987, through December 31, 1988, premium for each employer carrying ~~its~~~~his~~ own risk shall be an amount calculated by the board pursuant to the provisions contained in this subsection and such premium shall be provided to each employer carrying ~~its~~~~his~~ own risk and to the funding commission on or before January 1, 1988. Thereafter, the calculations set forth in this subsection shall be performed annually, at the time each employer applies or renews ~~its~~~~his~~ application for certification to carry ~~its~~~~his~~ own risk for the next twelve (12) month period and submits payroll and other data in support of the application. The employer and the funding commission shall be notified at the time of the

certification or recertification of the premium calculated by the ~~commissioner~~~~executive director~~, which shall form the employer's basis for assessments pursuant to KRS 342.122 for the calendar year beginning on January 1 following the date of certification or recertification;

- (e) If an employer having fewer than five (5) years of doing business in this state applies to carry ~~its~~~~his~~ own risk and is so certified, ~~its~~~~his~~ premium for the purposes of KRS 342.122 shall be based on the lesser number of years of experience as may be available including the two (2) most recent years if necessary to create a three (3) year base period. If the employer has less than two (2) years of operation in this state available for the premium calculation, then ~~its~~~~his~~ premium shall be the greater of the value obtained by the calculation called for in this subsection or the amount of security required by the ~~commissioner~~~~executive director~~ pursuant to KRS 342.340(1);
 - (f) If an employer is certified to carry ~~its~~~~his~~ own risk after having previously insured the risk, ~~its~~~~his~~ premium shall be calculated using values obtained from claims incurred while insured for as many of the years of the base period as may be necessary to create a full three (3) year base. After the employer is certified to carry ~~its~~~~his~~ own risk and has paid all amounts due for assessments upon premiums paid while insured, ~~the employer~~~~he~~ shall be assessed only upon the premium calculated under this subsection;
 - (g) "Premium" for each employer defined in KRS 342.630(2) shall be calculated as set forth in this subsection; and
 - (h) Notwithstanding any other provision of this subsection, the premium of any employer authorized to carry its own risk for purposes of assessments due under this chapter shall be no less than thirty cents (\$0.30) per one hundred dollars (\$100) of the employer's most recent annualized payroll for employees covered by this chapter;

The employer's obligation to pay the benefits specified in this section shall continue for so long as the employee is disabled regardless of the duration of the employee's income benefits. In the absence of designation of a managed health care system by the employer, the employee may select medical providers to treat his injury or occupational disease. Even if the employer has designated a managed health care system, the injured employee may elect to continue treating with a physician who provided emergency medical care or treatment to the employee. The employer, insurer, or payment obligor acting on behalf of the employer, shall make all payments for services rendered to an employee directly to the provider of the services within thirty (30) days of receipt of a statement for services. In determining what fees are reasonable, the ***commissioner***~~[executive director]~~ may also consider the increased security of payment afforded by this chapter. On or before November 1, 1994, and on July 1 every two (2) years thereafter, the schedule of fees contained in administrative regulations promulgated pursuant to this section shall be reviewed and updated, if appropriate. Within ten (10) days of April 4, 1994, the ***commissioner***~~[executive director]~~ shall execute a contract with an appropriately qualified consultant pursuant to which each of the following elements within the workers' compensation system are evaluated; the methods of health care delivery; quality assurance and utilization mechanisms; type, frequency, and intensity of services; risk management programs; and the schedule of fees contained in administrative regulation. The ***commissioner***~~[executive director]~~ shall consider these recommendations and, not later than thirty (30) days after their receipt, promulgate a regulation which shall be effective on an emergency basis, to effect a twenty-five percent (25%) reduction in the total medical costs within the program.
- (2) No provider of medical services or treatment required by this chapter, its agent, servant, employee, assignee, employer, or independent contractor acting on behalf of any medical provider, shall knowingly collect, attempt to collect, coerce, or attempt to coerce, directly or indirectly, the payment of any charge, for services covered by a workers' compensation insurance plan for the treatment of a work-related injury or occupational disease, in excess of that provided by a schedule of fees, or cause the credit of any employee to be impaired by reason of the employee's failure or refusal to pay the excess charge. In addition to the penalty imposed in KRS 342.990 for violations of this subsection, any individual who sustains damages by any act in violation of the provisions of this subsection shall have a civil cause of action in Circuit Court to enjoin further violations and to recover the actual damages sustained by the individual, together with the costs of the lawsuit, including a reasonable attorney's fee.
- (3) Where these requirements are furnished by a public hospital or other institution, payment thereof shall be made to the proper authorities conducting it. - (4) The ***commissioner***~~[executive director]~~ shall, by December 1, 1994, promulgate administrative regulations to adopt a schedule of fees for the purpose of regulating charges by medical providers and other health care professionals for testimony presented and medical reports furnished in the litigation of a claim by an injured employee against the employer. In no event shall income benefits be instituted later than the fifteenth day after the employer has knowledge of the disability or death. Income benefits shall be due and payable not less often than semimonthly. If the employer's insurance carrier or other party responsible for the payment of workers' compensation benefits should terminate or fail to make payments when due, that party shall notify the ~~commissioner~~^{executive director} of the termination or failure to make payments and the ~~commissioner~~^{executive director} shall, in writing, advise the employee or known dependent of right to prosecute a claim under this chapter.
- (2) If overdue temporary total disability income benefits are recovered in a proceeding brought under this chapter by an attorney for an employee, or paid by the employer after receipt of notice of the attorney's representation, a reasonable attorney's fee for these services may be awarded. The award of attorney's fees shall be paid by the employer if the administrative law judge determines that the denial or delay was without reasonable foundation. No part of the fee for representing the employee in connection with the recovery of overdue temporary total disability benefits withheld without reasonable foundation shall be charged against or deducted from benefits otherwise due the employee.
- (3) All retraining incentive benefits awarded pursuant to KRS 342.732 shall be payable on the regular payday of the employer, commencing with the second regular payday after the award of the retraining incentive benefit by the administrative law judge becomes final. The Division of Workers' Compensation Funds shall be headed by a director appointed by the secretary of the ~~Labor~~~~Environmental and Public Protection~~ Cabinet, with the prior written approval of the Governor pursuant to KRS 12.050. This provision is remedial and shall apply to all pending and future claims.

➔Section 1787. KRS 342.122 is amended to read as follows:

- (1) (a) For calendar year 1997 and for each calendar year thereafter, for the purpose of funding and prefunding the liabilities of the special fund, financing the administration and operation of the Kentucky Workers' Compensation Funding Commission, and financing the expenditures for all programs in the ~~Department of Labor~~ **Cabinet**, except the Division of Employment Standards, Apprenticeship and ~~Training and the Office of Labor Management Relations and~~ Mediation **in the Department of Workplace Standards**, as reflected in the enacted budget of the Commonwealth and enacted by the General Assembly, the funding commission shall impose a special fund assessment rate of nine percent (9%) upon the amount of workers' compensation premiums received on and after January 1, 1997, through December 31, 1997, by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every self-insured group operating under the provisions of KRS 342.350(4) and Chapter 304, and against the premium, as defined in KRS 342.0011, of every employer carrying his or her own risk.
- (b) The funding commission shall, for calendar year 1998 and thereafter, establish for the special fund an assessment rate to be assessed against all premium received during that calendar year which, when added to the coal severance tax appropriated to the special fund in accordance with paragraph (c) of this section, shall produce enough revenue to amortize on a level basis the unfunded liability of the special fund as of June 30 preceding January 1 of each year, for the period remaining until December 31, 2018. The interest rate to be used in this calculation shall reflect the funding commission's investment experience to date and the current investment policies of the commission. This assessment shall be imposed upon the amount of workers' compensation premiums received by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every self-insured group operating under the provisions of KRS 342.350(4) and Chapter 304, and against the premium, as defined in KRS 342.0011, of every employer carrying ~~its~~~~his~~ own risk. On or before October 1 of each year, the commission shall notify each insurance carrier writing workers' compensation insurance in the Commonwealth, every group of self-insured employers, and each employer carrying ~~its~~~~this or her~~ own risk, of the rates which shall become effective on January 1 of each year, unless modified by the General Assembly.
- (c) In addition to the assessment imposed in paragraph (a) or (b) of this subsection, and notwithstanding and prior to the transfer of funds to the Local Government Economic Assistance Program under KRS 42.450 to 42.495, the Kentucky Department of Revenue shall credit nineteen million dollars (\$19,000,000) in coal severance tax revenues levied under KRS 143.020 to the benefit reserve fund within the Kentucky Workers' Compensation Funding Commission each year beginning with fiscal year 1998 and all fiscal years thereafter. The annual transfer of nineteen million dollars (\$19,000,000) shall occur in four (4) equal quarterly payments. These transfers shall occur not later than the last day of each quarter of each calendar year and shall consist of four (4) equal payments of four million, seven hundred fifty thousand dollars (\$4,750,000).
- (d) All assessments imposed by this section shall be paid to the Kentucky Workers' Compensation Funding Commission and shall be credited to the benefit reserve fund within the Kentucky Workers' Compensation Funding Commission.
- (e) The assessments imposed in this chapter shall be in lieu of all other assessments or taxes on workers' compensation premiums.

- (2) These assessments shall be paid quarterly not later than the thirtieth day of the month following the end of the quarter in which the premium is received. Receipt shall be considered timely through actual physical receipt or by postmark of the United States Postal Service. Employers carrying their own risk and employers defined in KRS 342.630(2) shall pay the annual assessments in four (4) equal quarterly installments.
- (3) The assessments imposed by this section may be collected by the insurance carrier from ~~its~~~~his~~ insured. However, the insurance carrier shall not collect from the employer any amount exceeding the assessments imposed pursuant to this section. If the insurance carrier collects the assessment from an insured, the assessment shall be collected at the same time and in the same proportion as the premium is collected. The assessment for an insurance policy or other evidence of coverage providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible. Each statement from an insurance carrier presented to an insured reflecting premium and assessment amounts shall clearly identify and distinguish the amount to be paid for premium and the amount to be paid for assessments. No insurance carrier shall collect from an insured an amount in excess of the assessment percentages imposed by this chapter. The assessment for an insurance policy or other evidence of coverage providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible. The percentages imposed by this chapter for an insurance policy issued by an insurance company shall be those percentages in effect on the annual effective date of the policy, regardless of the date that the premium is actually received by the insurance company.
- (4) A self-insured group may elect to report its premiums and to have its assessments computed in the same manner as insurance companies. This election may not be rescinded for at least ten (10) years, nor may this election be made a second time for at least another ten (10) years, except that the board of directors of the funding commission may, at its discretion, waive the ten (10) year ban on a case-by-case basis after formal petition has been made to the funding commission by a self-insured group.
- (5) The funding commission, as part of the collection and auditing of the special fund assessments required by this section, shall annually require each insurance carrier and each self-insured group to provide a list of employers which it has insured or which are members and the amount collected from each employer. Additionally, the funding commission shall require each entity paying a special fund assessment to report the SIC code for each employer and the amount of premium collected from each SIC code. An insurance carrier or self-insured group may require its insureds or members to furnish the SIC code for each of their employees. However, the failure of any employer to furnish said codes shall not relieve the insurance carrier or self-insured group from the obligation to furnish same to the funding commission. The Office of Employment and Training, Education and Workforce Development Cabinet, is hereby directed to make available the SIC codes assigned in its records to specific employers to aid in the reporting and recording of the special fund assessment data.
- (6) Each self-insured employer, self-insured group, or insurance carrier shall provide any information and submit any reports the Department of Revenue or the funding commission may require to effectuate the provisions of this section. In addition, the funding commission may enter reciprocal agreements with other governmental agencies for the exchange of information necessary to effectuate the provisions of this section.
- (7) The special fund shall be required to maintain a central claim registry of all claims to which it is named a party, giving each such claim a unique claim number and thereafter recording the status of each claim on a current basis. The registry shall be established by January 26, 1988, for all claims on which payments were made since July 1, 1986, or which were pending adjudication since July 1, 1986, by audit of all claim files in the possession of the special fund.
- (8) The fund heretofore designated as the subsequent claim fund is abolished, and there is substituted therefor the special fund as set out by this section, and all moneys and properties owned by the subsequent claim fund are transferred to the special fund.
- (9) Notwithstanding any other provisions of this section or this chapter to the contrary, the total amount of funds collected pursuant to the assessment rates adopted by the funding commission shall not be limited to the provisions of this section.
- (10) All assessment rates imposed for periods prior to January 1, 1997, under KRS 342.122 shall forever remain applicable to premiums received on policies with effective dates prior to January 1, 1997, by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every self-insured group operating

under the provision of KRS 342.350(4) and Chapter 304, and against the premium, as defined in KRS 342.0011, of every employer carrying ~~its~~~~his~~ own risk.

➔Section 1788. KRS 342.1223 is amended to read as follows:

- (3) In the case of volunteer firemen, police, and emergency management agency members or trainees, the income benefits shall be based on the average weekly wage in their regular employment.
- (4) If the employee was a minor, apprentice, or trainee when injured, and it is established that under normal conditions his *or her* wages should be expected to increase during the period of disability, that fact may be considered in computing his *or her* average weekly wage.
- (5) When the employee is working under concurrent contracts with two (2) or more employers and the defendant employer has knowledge of the employment prior to the injury, his *or her* wages from all the employers shall be considered as if earned from the employer liable for compensation.
- (6) The term "wages" as used in this section and KRS 342.143 means, in addition to money payments for services rendered, the reasonable value of board, rent, housing, lodging, and fuel or similar advantage received from the employer, and gratuities received in the course of employment from others than the employer to the extent the gratuities are reported for income tax purposes.

- (7) The **commissioner**~~[executive director]~~ shall, from time to time, based upon the best available information, determine by administrative regulation industries which ordinarily do not have a full working day for five (5) days in every week. For the purposes of this chapter, the average weekly wage of the state shall be determined by the **commissioner**~~[executive director]~~ as follows: On or before September 1 of each year, the total wages reported by subject employers under the Kentucky Unemployment Insurance Law for the preceding calendar year shall be divided by the average monthly number of insured workers (determined by dividing the total number of insured workers reported for the preceding year by twelve (12)). The average annual wage thus obtained shall be divided by fifty-two (52) and the average weekly wage thus determined rounded to the nearest cent. The average weekly wage shall be certified to the **commissioner**~~[executive director]~~ by the Education and Workforce Development Cabinet in a manner prescribed by the **commissioner**~~[executive director]~~ by administrative regulation. The average weekly wage as so determined shall be applicable for the full period during which income or death benefits are payable, when the date of occurrence of injury or of disability in the case of disease, or of death, falls within the calendar year commencing January 1 following the September 1 determination. Whenever a change in the average weekly wage of the state is of such amount that the minimum weekly income benefits for total disability or for death are increased or decreased by one dollar (\$1) or more, or the maximum weekly income benefits for total disability or for death are increased or decreased by two dollars (\$2) or more, computed in each case and rounded to the nearest dollar, an adjustment in those minimums or maximums which are affected in the requisite amount by the change in the average weekly wage of the state shall be made which will reflect this increase or decrease, but no change in such limitations shall otherwise be made. Notwithstanding the provisions of this section, KRS 342.140 and 342.740, or any other provisions of this chapter to the contrary, the average weekly wage for calendar years 1995 and 1996 shall be determined to be no higher than the average weekly wage determined by the **commissioner**~~[executive director]~~ to be in effect in the calendar year of 1994. If the average weekly wage calculated by the **commissioner**~~[executive director]~~ is determined to be lower than the 1994 calendar year wage, the average weekly wage may be lowered as provided by this section. Beginning in calendar year 1997 and annually thereafter, the average weekly wage shall be calculated based upon the state average weekly wage in effect two (2) years prior to that calculation.

If an accident is caused in any degree by the intentional failure of the employee to use any safety appliance furnished by the employer or to obey any lawful and reasonable order or administrative regulation of the **commissioner**~~[executive director]~~ or the employer for the safety of employees or the public, the compensation for which the employer would otherwise have been liable under this chapter~~[-]~~ shall be decreased fifteen percent (15%) in the amount of each payment.

- (5) An application for resolution of claim shall be held in abeyance during any period voluntary payments of income benefits are being made under any benefit sections of this chapter to the maximum which the employee's wages shall entitle unless it shall be shown that the prosecution of the employee's claim would be prejudiced by delay.

➔Section 1809. KRS 342.267 is amended to read as follows:

If an insurance carrier, self-insured group, or self-insured employer providing workers' compensation coverage engages in claims settlement practices in violation of this chapter, or the provisions of KRS 304.12-230, the ~~commissioner~~~~executive director~~ of the ~~Department~~~~Office~~ of Workers' Claims shall fine the insurance company, self-insured group, or self-insured employer the sum of one thousand dollars (\$1,000) to five thousand dollars (\$5,000) for each violation and if they have a pattern of violations, the ~~commissioner~~~~executive director~~ may revoke the certificate of self-insurance or request the ~~commissioner~~~~executive director~~ of insurance to revoke the certificate of authority of the insurance carrier or the self-insured group.

➔Section 1810. KRS 342.270 is amended to read as follows:

- (1) If the parties fail to reach an agreement in regard to compensation under this chapter, either party may make written application for resolution of claim. The application must be filed within two (2) years after the accident, or, in case of death, within two (2) years after the death, or within two (2) years after the cessation of voluntary payments, if any have been made. When the application is filed by the employee or during the pendency of that claim, he *or she* shall join all causes of action against the named employer which have accrued and which are known, or should reasonably be known, to him *or her*. Failure to join all accrued causes of action will result in such claims being barred under this chapter as waived by the employee.
- (2) Except with respect to claims for benefits by reason of coal workers' pneumoconiosis, the ~~commissioner~~~~executive director~~ shall issue notice of the filing to all parties and shall promptly assign the claim to an administrative law judge. The administrative law judge shall facilitate the exchange of information pertinent to the claim pursuant to administrative regulations promulgated by the ~~commissioner~~~~executive director~~. Within forty-five (45) days of the date of issuance of the notice required by this section, the employer or carrier shall file notice of claim denial or acceptance, setting forth specifically those material matters which are admitted, those which are denied, and the basis of any denial of the claim.
- (3) Within one hundred twenty (120) days of July 14, 2000, the ~~commissioner~~~~executive director~~ shall promulgate administrative regulations establishing procedures for the resolution of claims. The administrative regulations promulgated pursuant to the provisions of this subsection shall be effective on an emergency basis and be applied to all pending claims.

➔Section 1811. KRS 342.275 is amended to read as follows:

- (1) The ~~commissioner~~~~executive director~~ shall promptly issue notice of the assignment of the claim to an administrative law judge, time for presentation of proof and of the time and place of a benefit review conference. The administrative law judge may confer informally with the parties for the purpose of defining and narrowing the issues, discussing settlement, and considering other relevant matters that may aid in the disposition of the case.
- (2) The administrative law judge may grant continuances or grant or deny any benefits afforded under this chapter, including interlocutory relief, according to criteria established in administrative regulations promulgated by the ~~commissioner~~~~executive director~~. The administrative law judge shall render the award, order, or decision within sixty (60) days following the final hearing unless extension is mutually agreed to by all parties. The award, order, or decision, together with a statement of the findings of fact, rulings of law, and any other matters pertinent to the question at issue shall be filed with the record of proceedings, and a copy of the award, order, or decision shall immediately be sent to the parties in dispute.

➔Section 1812. KRS 342.276 is amended to read as follows:

- (1) The **commissioner**~~executive director~~ shall establish a program to provide an opportunity for mediation of disputes as to the entitlement to benefits under this chapter.
- (2) The **commissioner**~~executive director~~ shall promulgate administrative regulations necessary to establish and implement the mediation program, which shall prescribe the qualifications and duties of mediators; a process for the designation of mediators; procedures for the conduct of mediation proceedings; and the issues which shall be subject to mediation.
- (3) Recommendations by mediators are without administrative or judicial authority and are not binding on the parties unless the parties enter into a settlement agreement incorporating the recommendations. Administrative law judges may participate in the mediation process but shall not issue findings or orders as a result of the process unless agreed to by the parties.

➔Section 1813. KRS 342.277 is amended to read as follows:

- (1) In accordance with administrative regulations promulgated by the **commissioner**~~executive director~~, a collective bargaining agreement between an employer and a recognized or certified exclusive bargaining representative that contains the following provisions may be recognized as valid and binding:
 - (a) An alternative dispute resolution system to supplement, modify, or replace the provisions of this chapter that relate to the resolution of disputes, and which may include but is not limited to mediation and arbitration, the results of which may be binding upon the parties;
 - (b) The use of an agreed list of providers of medical treatment, which may be the exclusive source of all medical and related treatment provided under this chapter;
 - (c) The use of a limited list of physicians to conduct independent medical examinations;
 - (d) A light duty, modified job, or return-to-work program;
 - (e) A vocational rehabilitation or retraining program; and
 - (f) A twenty-four (24) hour health care coverage plan for medical benefits.
- (2) A system of arbitration may provide that the decision of the arbiter is subject to review by an administrative law judge.
- (3) Notwithstanding the provisions in subsection (1) of this section, no agreement shall be recognized as valid and binding that diminishes the rights of any of the parties under this chapter. Also, no agreement shall be valid and binding unless it is agreed to by the employer's insurance carrier.

➔Section 1814. KRS 342.285 is amended to read as follows:

- (1) An award or order of the administrative law judge as provided in KRS 342.275, if petition for reconsideration is not filed as provided for in KRS 342.281, shall be conclusive and binding as to all questions of fact, but either party may in accordance with administrative regulations promulgated by the **commissioner**~~executive director~~ appeal to the Workers' Compensation Board for the review of the order or award.
- (2) No new or additional evidence may be introduced before the board except as to the fraud or misconduct of some person engaged in the administration of this chapter and affecting the order, ruling, or award, but the board shall otherwise hear the appeal upon the record as certified by the administrative law judge and shall dispose of the appeal in summary manner. The board shall not substitute its judgment for that of the administrative law judge as to the weight of evidence on questions of fact, its review being limited to determining whether or not:
 - (a) The administrative law judge acted without or in excess of his powers;
 - (b) The order, decision, or award was procured by fraud;
 - (c) The order, decision, or award is not in conformity to the provisions of this chapter;
 - (d) The order, decision, or award is clearly erroneous on the basis of the reliable, probative, and material evidence contained in the whole record; or
 - (e) The order, decision, or award is arbitrary or capricious or characterized by abuse of discretion or clearly unwarranted exercise of discretion.

- (3) Within sixty (60) days following the date on which the last appellate brief was filed, the board shall enter its decision affirming, modifying, or setting aside the order, decision, or award, or in its discretion remanding the claim to the administrative law judge for further proceedings in conformity with the direction of the board. The board may, before decision and upon a sufficient showing of fact, remand the claim to the administrative law judge.

➔Section 1815. KRS 342.315 is amended to read as follows:

- (1) The ~~commissioner~~~~executive director~~ shall contract with the University of Kentucky and the University of Louisville medical schools to evaluate workers who have had injuries or become affected by occupational diseases covered by this chapter. Referral for evaluation may be made to one (1) of the medical schools whenever a medical question is at issue.
- (2) The physicians and institutions performing evaluations pursuant to this section shall render reports encompassing their findings and opinions in the form prescribed by the ~~commissioner~~~~executive director~~. Except as otherwise provided in KRS 342.316, the clinical findings and opinions of the designated evaluator shall be afforded presumptive weight by administrative law judges and the burden to overcome such findings and opinions shall fall on the opponent of that evidence. When administrative law judges reject the clinical findings and opinions of the designated evaluator, they shall specifically state in the order the reasons for rejecting that evidence.
- (3) The ~~commissioner~~~~executive director~~ or an administrative law judge may, upon the application of any party or upon his own motion, direct appointment by the ~~commissioner~~~~executive director~~, pursuant to subsection (1) of this section, of a medical evaluator to make any necessary medical examination of the employee. Such medical evaluator shall file with the ~~commissioner~~~~executive director~~ within fifteen (15) days after such examination a written report. The medical evaluator appointed may charge a reasonable fee not exceeding fees established by the ~~commissioner~~~~executive director~~ for those services.
- (4) Within thirty (30) days of the receipt of a statement for the evaluation, the employer or carrier shall pay the cost of the examination. Upon notice from the ~~commissioner~~~~executive director~~ that an evaluation has been scheduled, the insurance carrier shall forward within seven (7) days to the employee the expenses of travel necessary to attend the evaluation at a rate equal to that paid to state employees for travel by private automobile while conducting state business.
- (5) Upon claims in which it is finally determined that the injured worker was not the employee at the time of injury of an employer covered by this chapter, the special fund shall reimburse the carrier for any evaluation performed pursuant to this section for which the carrier has been erroneously compelled to make payment.
- (6) Not less often than annually the designee of the secretary of the Cabinet for Health and Family Services shall assess the performance of the medical schools and render findings as to whether evaluations conducted under this section are being rendered in a timely manner, whether examinations are conducted in accordance with medically recognized techniques, whether impairment ratings are in conformity with standards prescribed by the latest edition available of the "Guides to the Evaluation of Permanent Impairment" published by the American Medical Association, and whether coal workers' pneumoconiosis examinations are conducted in accordance with the standards prescribed in this chapter.
- (7) The General Assembly finds that good public policy mandates the realization of the potential advantages, both economic and effectual, of the use of telemedicine and telehealth. The ~~commissioner~~~~executive director~~ may, to the extent that he *or she* finds it feasible and appropriate, require the use of telemedicine and telehealth practices, as authorized under KRS 194A.125, in the independent medical evaluation process required by this chapter.

➔Section 1816. KRS 342.316 is amended to read as follows:

- (1) (a) The employer liable for compensation for occupational disease shall be the employer in whose employment the employee was last exposed to the hazard of the occupational disease. During any period in which this section is applicable to a coal mine, an operator who acquired it or substantially all of its assets from a person who was its operator on and after January 1, 1973, shall be liable for, and secure the payment of, the benefits which would have been payable by the prior operator under this section with respect to miners previously employed in the mine if it had not been acquired by such later operator. At the same time, however, this subsection does not relieve the prior operator of any liability

under this section. Also, it does not affect whatever rights the later operator might have against the prior operator.

- (b) The time of the beginning of compensation payments shall be the date of the employee's last injurious exposure to the cause of the disease, or the date of actual disability, whichever is later.
- (2) The procedure with respect to the giving of notice and determination of claims in occupational disease cases and the compensation and medical benefits payable for disability or death due to the disease shall be the same as in cases of accidental injury or death under the general provisions of this chapter, except that notice of claim shall be given to the employer as soon as practicable after the employee first experiences a distinct manifestation of an occupational disease in the form of symptoms reasonably sufficient to apprise *the employee* ~~him~~ that he *or she* has contracted the disease, or a diagnosis of the disease is first communicated to him *or her*, whichever shall first occur.
- (3) The procedure for filing occupational disease claims shall be as follows:
 - (a) The application for resolution of claim shall set forth the complete work history of the employee with a concise description of injurious exposure to a specific occupational disease, together with the name and addresses of the employer or employers with the approximate dates of employment. The application shall also include at least one (1) written medical report supporting his *or her* claim. This medical report shall be made on the basis of clinical or X-ray examination performed in accordance with accepted medical standards and shall contain full and complete statements of all examinations performed and the results thereof. The report shall be made by a duly-licensed physician. The ~~commissioner~~ ~~executive director~~ shall promulgate administrative regulations which prescribe the format of the medical report required by this section and the manner in which the report shall be completed.
 - 1. For coal-related occupational pneumoconiosis claims, each clinical examination shall include a chest X-ray interpretation by a National Institute of Occupational Safety and Health (NIOSH) certified "B" reader. The chest X-ray upon which the report is made shall be filed with the application as well as spirometric tests when pulmonary dysfunction is alleged.
 - 2. For other compensable occupational pneumoconiosis claims, each clinical examination shall include a chest X-ray examination and appropriate pulmonary function tests.
 - (b) To be admissible, medical evidence offered in any proceeding under this chapter for determining a claim for occupational pneumoconiosis resulting from exposure to coal dust shall comply with accepted medical standards as follows:
 - 1. Chest X-rays shall be of acceptable quality with respect to exposure and development and shall be indelibly labeled with the date of the X-ray and the name and Social Security number of the claimant. Physicians' reports of X-ray interpretations shall: identify the claimant by name and Social Security number; include the date of the X-ray and the date of the report; classify the X-ray interpretation using the latest ILO Classification and be accompanied by a completed copy of the latest ILO Classification report. Only interpretations by National Institute of Occupational Safety and Health (NIOSH) certified "B" readers shall be admissible.
 - 2. Spirometric testing shall be conducted in accordance with the standards recommended in the latest edition available of the "Guides to the Evaluation of Permanent Impairment" published by the American Medical Association and the 1978 ATS epidemiology standardization project with the exception that the predicted normal values for lung function shall not be adjusted based upon the race of the subject. The FVC or the FEV1 values shall represent the largest of such values obtained from three (3) acceptable forced expiratory volume maneuvers as corrected to BTPS (body temperature, ambient pressure and saturated with water vapor at these conditions) and the variance between the two (2) largest acceptable FVC values shall be either less than five percent (5%) of the largest FVC value or less than one hundred (100) milliliters, whichever is greater. The variance between the two (2) largest acceptable FEV1 values shall be either less than five percent (5%) of the largest FEV1 value or less than one hundred (100) milliliters, whichever is greater. Reports of spirometric testing shall include a description by the physician of the procedures utilized in conducting such spirometric testing and a copy of the spirometric chart and tracings from which spirometric values submitted as evidence were taken.
 - 3. The ~~commissioner~~ ~~executive director~~ shall promulgate administrative regulations pursuant to KRS Chapter 13A as necessary to effectuate the purposes of this section. The

~~commissioner~~ shall periodically review the applicability of the spirometric test values contained in the latest edition available of the "Guides to the Evaluation of Permanent Impairment" published by the American Medical Association and may by administrative regulation substitute other spirometric test values which are found to be more closely representative of the normal pulmonary function of the coal mining population.

4. The procedure for determination of occupational disease claims shall be as follows:
 - a. Immediately upon receipt of an application for resolution of claim, the **~~commissioner~~** shall notify the responsible employer and all other interested parties and shall furnish them with a full and complete copy of the application.
 - b. The **~~commissioner~~** shall assign the claim to an administrative law judge and, except for coal workers' pneumoconiosis claims, shall promptly refer the employee to such physician or medical facility as the **~~commissioner~~** may select for examination. The report from this examination shall be provided to all parties of record. The employee shall not be referred by the **~~commissioner~~** for examination within two (2) years following any prior referral for examination for the same disease.
 - c. Except for coal workers' pneumoconiosis claims, within forty-five (45) days following the notice of filing an application for resolution of claim, the employer or carrier shall notify the **~~commissioner~~** and all parties of record of its acceptance or denial of the claim. A denial shall be in writing and shall state the specific basis for the denial. In coal workers' pneumoconiosis claims, the employer's notice of claim denial or acceptance shall be filed within thirty (30) days of the issuance by the **~~commissioner~~** of the notice of the consensus reading unless the consensus is that the miner has not developed coal workers' pneumoconiosis category 1/0 or greater. In the event the consensus procedure is exhausted without consensus being established, the employer's notice of claim denial or acceptance shall be filed within thirty (30) days of the **~~commissioner~~** notification to the administrative law judge that consensus has not been reached.
 - d. Within forty-five (45) days of assignment of a coal workers' pneumoconiosis claim to an administrative law judge, the employer shall cause the employee to be examined by a physician of the employer's choice and shall provide to all other parties and file with the **~~commissioner~~** the X-ray interpretation by a "B" reader. The examination of the employee shall include spirometric testing if pulmonary dysfunction is alleged by the employee in the application for resolution of a claim. The **~~commissioner~~** shall determine whether the X-ray interpretations filed by the parties are in consensus.
 - e. If the readings are not in consensus, the **~~commissioner~~** shall forward both films, masking information identifying the facility where the X-ray was obtained and the referring physician, consecutively to three (3) "B" readers selected randomly from a list maintained by the **~~commissioner~~** for interpretation. Each "B" reader shall select the highest quality film and report only the interpretation of that film. The **~~commissioner~~** shall determine if two (2) of the X-ray interpretations filed by the three (3) "B" readers selected randomly are in consensus. If consensus is reached, the **~~commissioner~~** shall forward copies of the report to all parties as well as notice of the consensus reading which shall be considered as evidence. If consensus is not reached, the administrative law judge shall decide the claim on the evidence submitted.
 - f. "Consensus" is reached between two (2) chest X-ray interpreters when their classifications meet one (1) of the following criteria: each finds either category A, B, or C progressive massive fibrosis; or findings with regard to simple pneumoconiosis are both in the same major category and within one (1) minor category (ILO category twelve (12) point scale) of each other.

- g. The administrative law judge shall conduct such proceedings as are necessary to resolve the claim and shall have authority to grant or deny any relief, including interlocutory relief, to order additional proof, to conduct a benefit review conference, or to take such other action as may be appropriate to resolve the claim.
 - h. Unless a voluntary settlement is reached by the parties, or the parties agree otherwise, the administrative law judge shall issue a written determination within sixty (60) days following a hearing. The written determination shall address all contested issues and shall be enforceable under KRS 342.305.
- 5. The procedure for appeal from a determination of an administrative law judge shall be as set forth in KRS 342.285.
- (4) (a) The right to compensation under this chapter resulting from an occupational disease shall be forever barred unless a claim is filed with the **commissioner**~~executive director~~ within three (3) years after the last injurious exposure to the occupational hazard or after the employee first experiences a distinct manifestation of an occupational disease in the form of symptoms reasonably sufficient to apprise **the employee**~~him~~ that he **or she** has contracted the disease, whichever shall last occur; and if death results from the occupational disease within that period, unless a claim therefor be filed with the **commissioner**~~executive director~~ within three (3) years after the death; but that notice of claim shall be deemed waived in case of disability or death where the employer, or ~~its~~~~his~~ insurance carrier, voluntarily makes payment therefor, or if the incurrence of the disease or the death of the employee and its cause was known to the employer. However, the right to compensation for any occupational disease shall be forever barred, unless a claim is filed with the **commissioner**~~executive director~~ within five (5) years from the last injurious exposure to the occupational hazard, except that, in cases of radiation disease or asbestos-related disease, a claim must be filed within twenty (20) years from the last injurious exposure to the occupational hazard.
- (b) Income benefits for the disease of pneumoconiosis resulting from exposure to coal dust or death therefrom shall not be payable unless the employee has been exposed to the hazards of such pneumoconiosis in the Commonwealth of Kentucky over a continuous period of not less than two (2) years during the ten (10) years immediately preceding the date of his **or her** last exposure to such hazard, or for any five (5) of the fifteen (15) years immediately preceding the date of such last exposure.
- (5) The amount of compensation payable for disability due to occupational disease or for death from the disease, and the time and manner of its payment, shall be as provided for under the general provisions of the Workers' Compensation Act, but:
 - (a) In no event shall the payment exceed the amounts that were in effect at the time of the last injurious exposure;
 - (b) The time of the beginning of compensation payments shall be the date of the employee's last injurious exposure to the cause of the disease, or the date of actual disability, whichever is later; and
 - (c) In case of death where the employee has been awarded compensation or made timely claim within the period provided for in this section, and an employee has suffered continuous disability to the date of his **or her** death occurring at any time within twenty (20) years from the date of disability, his **or her** dependents, if any, shall be awarded compensation for his **or her** death as provided for under the general provisions of the Workers' Compensation Act and in this section, except as provided in KRS 342.750(6).
- (6) If an autopsy has been performed, no testimony relative thereto shall be admitted unless the employer or ~~its~~~~his~~ representative has available findings and reports of the pathologist or doctor who performed the autopsy examination.
- (7) No compensation shall be payable for occupational disease if the employee at the time of entering the employment of the employer by whom compensation would otherwise be payable, falsely represented himself **or herself**, in writing, as not having been previously disabled, laid off, or compensated in damages or otherwise, because of the occupational disease, or failed or omitted truthfully to state to the best of his **or her** knowledge, in answer to written inquiry made by the employer, the place, duration, and nature of previous employment, or, to the best of his **or her** knowledge, the previous state of his **or her** health.

- (8) No compensation for death from occupational disease shall be payable to any person whose relationship to the deceased, which under the provisions of this chapter would give right to compensation, arose subsequent to the beginning of the first compensable disability, except only for after-born children of a marriage existing at the beginning of such disability.
- (9) Whenever any claimant misconceives his *or her* remedy and files an application for adjustment of claim under the general provisions of this chapter and it is subsequently discovered, at any time before the final disposition of the cause, that the claim for injury, disability, or death which was the basis for his *or her* application should properly have been made under the provisions of this section, then the application so filed may be amended in form or substance, or both, to assert a claim for injury, disability, or death under the provisions of this section, and it shall be deemed to have been so filed as amended on the date of the original filing thereof, and compensation may be awarded that is warranted by the whole evidence pursuant to the provisions of this chapter. When amendment of this type is submitted, further or additional evidence may be heard when deemed necessary. Nothing this section contains shall be construed to be or permit a waiver of any of the provisions of this chapter with reference to notice of time for filing of a claim, but notice of filing a claim, if given or done, shall be deemed to be a notice of filing of a claim under provisions of this chapter, if given or done within the time required by this subsection.
- (10) When an employee has an occupational disease that is covered by this chapter, the employer in whose employment he *or she* was last injuriously exposed to the hazard of the disease, and the employer's insurance carrier, if any, at the time of the exposure, shall alone be liable therefor, without right to contribution from any prior employer or insurance carrier, except as otherwise provided in this chapter.
- (11) (a) Income benefits for coal-related occupational pneumoconiosis shall be paid fifty percent (50%) by the Kentucky coal workers' pneumoconiosis fund as established in KRS 342.1242 and fifty percent (50%) by the employer in whose employment the employee was last exposed to the hazard of that occupational disease.
- (b) Compensation for all other occupational disease shall be paid by the employer in whose employment the employee was last exposed to the hazards of the occupational disease.
- (12) A concluded claim for benefits by reason of contraction of coal workers' pneumoconiosis in the severance or processing of coal shall bar any subsequent claim for benefits by reason of contraction of coal workers' pneumoconiosis, unless there has occurred in the interim between the conclusion of the first claim and the filing of the second claim at least two (2) years of employment wherein the employee was continuously exposed to the hazards of the disease in the Commonwealth.
- (13) For coal-related occupational pneumoconiosis claims, the consensus procedure shall apply to all claims which have not been assigned to an administrative law judge prior to July 15, 2002. The consensus classification shall be presumed to be the correct classification of the employee's condition unless overcome by clear and convincing evidence. If an administrative law judge finds that the presumption of correctness of the consensus reading has been overcome, the reasons shall be specially stated in the administrative law judge's order.

➔Section 1817. KRS 342.320 is amended to read as follows:

- (1) All fees of attorneys and physicians, and all charges of hospitals under this chapter, shall be subject to the approval of an administrative law judge pursuant to the statutes and administrative regulations.
- (2) In an original claim, attorney's fees for services under this chapter on behalf of an employee shall be subject to the following maximum limits:
 - (a) Twenty percent (20%) of the first twenty-five thousand dollars (\$25,000) of the award, fifteen percent (15%) of the next ten thousand dollars (\$10,000), and five percent (5%) of the remainder of the award, not to exceed a maximum fee of twelve thousand dollars (\$12,000). This fee shall be paid by the employee from the proceeds of the award or settlement.
 - (b) Attorney-client employment contracts entered into and signed after July 14, 2000, shall be subject to the conditions of paragraph (a) of this subsection.
- (3) In approving an allowance of attorney's fees, the administrative law judge shall consider the extent, complexity, and quality of services rendered, and in the case of death, the Remarriage Tables of the Dutch Royal Insurance Institute. An attorney's fee may be denied or reduced upon proof of solicitation by the attorney. However, this

provision shall not be construed to preclude advertising in conformity with standards prescribed by the Kentucky Supreme Court.

- (4) No attorney's fee in any case involving benefits under this chapter shall be paid until the fee is approved by the administrative law judge, and any contract for the payment of attorney's fees otherwise than as provided in this section shall be void. The motion for approval of an attorney's fee shall be submitted within thirty (30) days following finality of the claim. Except when the attorney's fee is to be paid by the employer or carrier, the attorney's fee shall be paid in one (1) of the following ways:
 - (a) The employee may pay the attorney's fee out of his *or her* personal funds or from the proceeds of a lump-sum settlement; or
 - (b) The administrative law judge, upon request of the employee, may order the payment of the attorney's fee in a lump sum directly to the attorney of record and deduct the attorney's fee from the weekly benefits payable to the employee in equal installments over the duration of the award or until the attorney's fee has been paid, commuting sufficient sums to pay the fee.
- (5) At the commencement of the attorney-client relationship, the attorney shall explain to the employee the methods by which this section provides for the payment of the attorney's fee, and the employee shall select the method in which ~~the~~~~his~~ attorney's fee is to be paid. His *or her* selection and statement that he *or she* fully understands the method to be used shall be submitted by his *or her* attorney, on a notarized form signed by the employee, at the time the motion for approval of the attorney's fee is submitted. The ~~commissioner~~~~executive director~~ shall develop the format and content of the form to be used pursuant to this section. The form to be used shall list on its face all options permitted in this section for the payment of an attorney's fees and contain an explanation in nontechnical language of each method.
- (6) The General Assembly declares that by the enactment of KRS 342.316(3), it is the legislative intent to encourage settlement and prompt administrative handling of those claims and thereby reduce expenses to claimants for compensation under the provisions of KRS 342.316, and the administrative law judge shall give due regard to this legislative intent in the handling of uncontested claims and the allowance of attorney's fees therein.
- (7) In a claim that has been reopened pursuant to the provisions of this chapter, an attorney's fee may be awarded by the administrative law judge subject to the limits set forth in subsection (2) of this section. In awarding the attorney's fee, the administrative law judge shall consider the factors set forth in subsection (3) of this section. If no additional amount is recovered upon reopening, no attorney's fee shall be awarded. No attorney's fee shall be allowed or approved exceeding the amounts provided in subsection (2)(a) of this section applicable to any additional amount recovered.
- (8) Attorney's fees for representing employers in proceedings under this chapter pursuant to contract with the employer shall be subject to approval of the administrative law judge in the same manner as prescribed for attorney representation of employees. Employer attorney's fees are subject to the limitation of twelve thousand dollars (\$12,000) maximum fees except that fees for representing employers shall not be dependent upon the result achieved. Employer attorney's fees may be paid on a periodic basis while a claim is adjudicated and the payments need not be approved until the claims resolution process is completed. Fees for legal services in presenting a claim for reimbursement from the Kentucky coal workers' pneumoconiosis fund shall not exceed one thousand dollars (\$1,000). All such approved fees shall be paid by the employer and in no event shall exceed the amount the employer agreed by contract to pay.

➔Section 1818. KRS 342.329 is amended to read as follows:

- (1) The Division of Ombudsman and *Workers' Compensation* Specialist Services shall be headed by a director appointed by the ~~commissioner with the approval of the Governor, in accordance with KRS 12.050 and 342.230~~~~executive director~~. The functions of the division shall include:

➔Section 1819. KRS 342.335 is amended to read as follows:

- (1) No person shall knowingly file, or permit to be filed, any false or fraudulent claim on his *or her* behalf to compensation or other benefits under this chapter, or by fraud, deceit, or misrepresentation procure or cause to be made or receive any payments of compensation or other benefits under this chapter to which the recipient is not lawfully entitled, or conspire with, aid, or abet another so to do. No person shall by deceit or misrepresentation or with intent to defraud cause or procure or conspire with, aid or abet another in so causing or procuring any person entitled to compensation or other benefits under this chapter to delay or omit to claim title thereto or to accept the payment of a less sum than that to which he *or she* may be lawfully entitled ~~to~~ thereunder.

The required security shall be maintained with the ~~commissioner~~~~[executive director]~~ or under the ~~commissioner's~~~~[executive director's]~~ control until each claim for workers' compensation benefits has been paid, been settled, or lapsed under this chapter.

This election on the part of the employer shall be made by the employer securing the payment of compensation to these exempted employees in accordance with KRS 342.340. Any employee, otherwise exempted under KRS 342.650, of the employer shall be deemed to have elected to come under this chapter, if at the time of the injury for which liability is claimed, his **or her** employer has in force an election to

be subject to this chapter with respect to the employment in which the employee was injured and the employee has not, either upon entering into employment or within five (5) days after the filing of an election by the employer, given to his *or her* employer and to the ~~commissioner~~~~executive director~~ notice in writing that he *or she* elects not to be subject to this chapter.

- (2) An employer within the scope of subsection (1) of this section, within five (5) days after securing the payment of compensation in accordance with KRS 342.340, shall give the ~~commissioner~~~~executive director~~ written notice of ~~its~~~~his~~ election to be subject to this chapter. The employer shall post and keep posted on the premises where any employee or employees, otherwise exempted under KRS 342.650, works, printed notices furnished by the ~~commissioner~~~~executive director~~ stating ~~its~~~~his~~ acceptance of this chapter. - (3) Any employer who has complied with subsection (2) of this section may withdraw ~~its~~~~his~~ acceptance of this chapter, by filing written notice with the ~~commissioner~~~~executive director~~ of the withdrawal of ~~its~~~~his~~ acceptance. A withdrawal shall become effective 60 days after the filing of notice or on the date of the termination of the security for payment of compensation, whichever last occurs. The withdrawal shall not be effective until the employer shall theretofore post notice of the withdrawal where the affected employee or employees work or shall otherwise notify the employees of withdrawal.

➔Section 1839. KRS 342.670 is amended to read as follows:

- (1) If an employee, while working outside the territorial limits of this state, suffers an injury on account of which ~~the employee~~~~he~~, or in the event of ~~the employee's~~~~his~~ death, his *or her* dependents, would have been entitled to the benefits provided by this chapter had that injury occurred within this state, that employee, or in the event of ~~the employee's~~~~his~~ death resulting from that injury, his *or her* dependents, shall be entitled to the benefits provided by this chapter, if at the time of the injury:
 - (a) His *or her* employment is principally localized in this state;~~;~~~~or~~ or
 - (b) He *or she* is working under a contract of hire made in this state in employment not principally localized in any state;~~;~~~~or~~ or
 - (c) He *or she* is working under a contract of hire made in this state in employment principally localized in another state whose workers' compensation law is not applicable to his *or her* employer;~~;~~~~or~~ or
 - (d) He *or she* is working under a contract of hire made in this state for employment outside the United States and Canada.
- (2) The payment or award of benefits under the workers' compensation law of another state, territory, province, or foreign nation to an employee or his *or her* dependents otherwise entitled on account of such injury or death to the benefits of this chapter shall not be a bar to a claim for benefits under this chapter, if a claim under this chapter is filed within two (2) years after that injury or death. If compensation is paid or awarded under this chapter:
 - (a) The medical and related benefits furnished or paid for by the employer under another jurisdiction's workers' compensation law on account of such injury or death shall be credited against the medical and related benefits to which the employee would have been entitled under this chapter had claim been made solely under this chapter;
 - (b) The total amount of all income benefits paid or awarded the employee under another jurisdiction's workers' compensation law shall be credited against the total amount of income benefits which would have been due the employee under this chapter, had claim been made solely under this chapter; and
 - (c) The total amount of death benefits paid or awarded under another jurisdiction's workers' compensation law shall be credited against the total amount of death benefits due under this chapter.
- (3) If any employee is entitled to the benefits of this chapter by reason of an injury sustained in this state in employment by an employer who is domiciled in another state and who has not secured the payment of compensation as required by this chapter, the employer or his carrier may file with the ~~commissioner~~~~executive director~~ a certificate, issued by the commission or agency of the other state having jurisdiction over workers' compensation claims, certifying that the employer has secured the payment of compensation under the workers' compensation law of the other state and that with respect to the injury the employee is entitled to the benefits

provided under that law, and that the benefits to which the employee or his *or her* dependents is entitled are at least as great as those to which he *or she* would be entitled if the injury occurred and was processed under Kentucky law, under Kentucky coverage. In this event:

- (a) The filing of the certificate shall constitute an appointment by the employer or his carrier of the ~~commissioner~~~~executive director~~ as his *or her* agent for acceptance of the service of process in any proceeding brought by the employee or his *or her* dependents to enforce his, *her*, or their rights under this chapter on account of the injury;
 - (b) The ~~commissioner~~~~executive director~~ shall send to the employer or carrier, by certified mail to the address shown on the certificate, a true copy of any notice of claim or other process served on the ~~commissioner~~~~executive director~~ by the employee or his *or her* dependents in any proceeding brought to enforce his, *her*, or their rights under this chapter;
 - (c)
 1. If the employer is a qualified self-insurer under the workers' compensation law of the other state, the employer shall, upon submission of evidence satisfactory to the ~~commissioner~~~~executive director~~, of ~~its~~~~this~~ ability to meet ~~its~~~~this~~ liability to the employee under this chapter, be deemed to be a qualified self-insurer under this chapter;
 2. If the employer's liability under the workers' compensation law of the other state is insured, the employer's carrier, as to the employee or his *or her* dependents only, shall be deemed to be an insurer authorized to write insurance under and be subject to this chapter; however, unless its contract with the employer requires it to pay an amount equivalent to the compensation benefits provided by this chapter, its liability for income benefits or medical and related benefits shall not exceed the amounts of the benefits for which the insurer would have been liable under the workers' compensation law of the other state;
 - (d) If the total amount for which the employer's insurance is liable under (c) above is less than the total of the compensation benefits to which the employee is entitled under this chapter, the ~~commissioner~~~~executive director~~ may, if he *or she* deems it necessary, require the employer to file security, satisfactory to the ~~commissioner~~~~executive director~~, to secure the payment of benefits due the employee or his *or her* dependents under this chapter; and
 - (e) Upon compliance with the preceding requirements of this subsection (3), the employer, as to the employee only, shall be deemed to have secured the payment of compensation under this chapter.
- (4) Any professional athlete, coach, or trainer who has been hired outside this Commonwealth by an employer domiciled in a foreign state, including professional baseball, basketball, football, and ice-hockey clubs, is exempted from the provisions of this chapter while that employee is temporarily within this Commonwealth doing work for the employer, if the foreign employer has secured workers' compensation insurance coverage under the workers' compensation law of the foreign state, so as to cover the employee's employment while in this Commonwealth. The benefits under the workers' compensation law of the foreign state shall be the exclusive remedy against that employer and any affiliated club for any injury, whether resulting in death or not, received by any employee while working for that employer in this Commonwealth.
- (5) As used in this section:
- (a) "United States" includes only the states of the United States and the District of Columbia;
 - (b) "State" includes any state of the United States, the District of Columbia, or any province of Canada;
 - (c) "Carrier" includes any insurance company licensed to write workers' compensation insurance in any state of the United States or any state or provincial fund which insures employers against their liabilities under a workers' compensation law;
 - (d) A person's employment is principally localized in this or another state when:
 1. His *or her* employer has a place of business in this or the other state and he *or she* regularly works at or from that place of business, or
 2. If subparagraph 1. foregoing is not applicable, he *or she* is domiciled and spends a substantial part of his *or her* working time in the service of his *or her* employer in this or the other state;
 - (e) An employee whose duties require him *or her* to travel regularly in the service of his *or her* employer in this and one (1) or more other states may, by written agreement with his *or her* employer, provide that

his *or her* employment is principally localized in this or another state, and, unless the other state refuses jurisdiction, the agreement shall be given effect under this chapter;

- (f) "Workers' compensation law" includes "occupational disease law."

➔ Section 1840. KRS 342.710 is amended to read as follows:

- (1) One of the primary purposes of this chapter shall be restoration of the injured employee to gainful employment, and preference shall be given to returning the employee to employment with the same employer or to the same or similar employment.
- (2) The ~~commissioner~~~~executive director~~ shall continuously study the problems of rehabilitation, both physical and vocational, and shall investigate and maintain a directory of all rehabilitation facilities, both private and public.
- (3) An employee who has suffered an injury covered by this chapter shall be entitled to prompt medical rehabilitation services for whatever period of time is necessary to accomplish physical rehabilitation goals which are feasible, practical, and justifiable. When as a result of the injury he *or she* is unable to perform work for which he *or she* has previous training or experience, he *or she* shall be entitled to such vocational rehabilitation services, including retraining and job placement, as may be reasonably necessary to restore him *or her* to suitable employment. In all such instances, the administrative law judge shall inquire whether such services have been voluntarily offered and accepted. The administrative law judge on his *or her* own motion, or upon application of any party or carrier, after affording the parties an opportunity to be heard, may refer the employee to a qualified physician or facility for evaluation of the practicability of, need for, and kind of service, treatment, or training necessary and appropriate to render him *or her* fit for a remunerative occupation. Upon receipt of such report, the administrative law judge may order that the services and treatment recommended in the report, or such other rehabilitation treatment or service likely to return the employee to suitable, gainful employment, be provided at the expense of the employer or ~~its~~~~his~~ insurance carrier. Vocational rehabilitation training, treatment, or service shall not extend for a period of more than fifty-two (52) weeks, except in unusual cases when by special order of the administrative law judge, after hearing and upon a finding, determined by sound medical evidence which indicates such further rehabilitation is feasible, practical, and justifiable, the period may be extended for additional periods.
- (4) Where rehabilitation requires residence at or near the facility or institution, away from the employee's customary residence, reasonable cost of his *or her* board, lodging, or travel shall be paid for by the employer or ~~its~~~~his~~ insurance carrier.
- (5) Refusal to accept rehabilitation pursuant to an order of an administrative law judge shall result in a fifty percent (50%) loss of compensation for each week of the period of refusal.
- (6) The ~~commissioner~~~~executive director~~ shall cooperate on a reciprocal basis with the Office of Vocational Rehabilitation and the Office of Employment and Training of the Education and Workforce Development Cabinet. In the event medical treatment, medical rehabilitation services, or vocational rehabilitation services are purchased for an injured employee by the Office of Vocational Rehabilitation or Office of Employment and Training following the refusal by the employer or ~~its~~~~his~~ insurance carrier to provide such services, the administrative law judge, after affording the parties an opportunity to be heard, may order reimbursement of the cost of such treatment or services by the employer or ~~its~~~~his~~ insurance carrier as apportioned in the award. This section shall not be interpreted to require mandatory evaluation of employees based on length of disability. Any administrative regulations promulgated pursuant to this section that require mandatory referral to a qualified rehabilitation counselor shall expire on April 4, 1994.
- (7) An employee who is enrolled and participating in a program of rehabilitation training pursuant to this section may elect to receive an acceleration of benefits as awarded under KRS 342.730. Such acceleration shall be available to the employee during the period of retraining, but in no event shall be paid in a weekly amount greater than sixty-six and two-thirds percent (66-2/3%) of the average weekly wage upon which the award is based, not to exceed one hundred percent (100%) of the state average weekly wage. Upon successful completion of the rehabilitation program, the total of all accelerated benefits paid shall be deducted on a dollar-for-dollar basis, without discount, from weekly benefits otherwise due the employee subject to the maximum amount of the award. Such remaining benefits, if any, shall then be divided by the number of weeks remaining payable under the award, and that amount shall be the weekly benefit due the employee. If a program of rehabilitation training is terminated by the employee prior to completion, all sums paid on an accelerated basis

shall be discounted at the rate set forth in KRS 342.265 and then deducted on a dollar-for-dollar basis from weekly benefits otherwise due the employee subject to the maximum amount of the award. Such remaining benefits, after the discount, shall be divided by the number of weeks remaining payable under the award, and that amount shall be the weekly benefit due the employee. In no event shall this subsection be construed as requiring payment of benefits in excess of the total of those benefits which would otherwise be payable under the award.

➔Section 1841. KRS 342.730 is amended to read as follows:

(1) Except as provided in KRS 342.732, income benefits for disability shall be paid to the employee as follows:

- (a) For temporary or permanent total disability, sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than one hundred percent (100%) of the state average weekly wage and not less than twenty percent (20%) of the state average weekly wage as determined in KRS 342.740 during that disability. Nonwork-related impairment and conditions compensable under KRS 342.732 and hearing loss covered in KRS 342.7305 shall not be considered in determining whether the employee is totally disabled for purposes of this subsection.
- (b) For permanent partial disability, sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740, multiplied by the permanent impairment rating caused by the injury or occupational disease as determined by "Guides to the Evaluation of Permanent Impairment," American Medical Association, latest edition available, times the factor set forth in the table that follows:

AMA Impairment	Factor
0 to 5%	0.65
6 to 10%	0.85
11 to 15%	1.00
16 to 20%	1.00
21 to 25%	1.15
26 to 30%	1.35
31 to 35%	1.50
36% and above	1.70

Any temporary total disability period within the maximum period for permanent, partial disability benefits shall extend the maximum period but shall not make payable a weekly benefit exceeding that determined in subsection (1)(a) of this section. Notwithstanding any section of this chapter to the contrary, there shall be no minimum weekly income benefit for permanent partial disability and medical benefits shall be paid for the duration of the disability.

- (c) 1. If, due to an injury, an employee does not retain the physical capacity to return to the type of work that the employee performed at the time of injury, the benefit for permanent partial disability shall be multiplied by three (3) times the amount otherwise determined under paragraph (b) of this subsection, but this provision shall not be construed so as to extend the duration of payments; or
- 2. If an employee returns to work at a weekly wage equal to or greater than the average weekly wage at the time of injury, the weekly benefit for permanent partial disability shall be determined under paragraph (b) of this subsection for each week during which that employment is sustained. During any period of cessation of that employment, temporary or permanent, for any reason, with or without cause, payment of weekly benefits for permanent partial disability during the period of cessation shall be two (2) times the amount otherwise payable under paragraph (b) of this subsection. This provision shall not be construed so as to extend the duration of payments.
- 3. Recognizing that limited education and advancing age impact an employee's post-injury earning capacity, an education and age factor, when applicable, shall be added to the income benefit multiplier set forth in paragraph (c)1. of this subsection. If at the time of injury, the employee had less than eight (8) years of formal education, the multiplier shall be increased by four-tenths

(0.4); if the employee had less than twelve (12) years of education or a high school General Educational Development diploma, the multiplier shall be increased by two-tenths (0.2); if the employee was age sixty (60) or older, the multiplier shall be increased by six-tenths (0.6); if the employee was age fifty-five (55) or older, the multiplier shall be increased by four-tenths (0.4); or if the employee was age fifty (50) or older, the multiplier shall be increased by two-tenths (0.2).

4. Notwithstanding the provisions of KRS 342.125, a claim may be reopened at any time during the period of permanent partial disability in order to conform the award payments with the requirements of subparagraph 2. of this paragraph.
 - (d) For permanent partial disability, if an employee has a permanent disability rating of fifty percent (50%) or less as a result of a work-related injury, the compensable permanent partial disability period shall be four hundred twenty-five (425) weeks, and if the permanent disability rating is greater than fifty percent (50%), the compensable permanent partial disability period shall be five hundred twenty (520) weeks from the date the impairment or disability exceeding fifty percent (50%) arises. Benefits payable for permanent partial disability shall not exceed ninety-nine percent (99%) of sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage as determined under KRS 342.740 and shall not exceed seventy-five percent (75%) of the state average weekly wage, except for benefits payable pursuant to paragraph (c)1. of this subsection, which shall not exceed one hundred percent (100%) of the state average weekly wage, nor shall benefits for permanent partial disability be payable for a period exceeding five hundred twenty (520) weeks, notwithstanding that multiplication of impairment times the factor set forth in paragraph (b) of this subsection would yield a greater percentage of disability.
 - (e) For permanent partial disability, impairment for nonwork-related disabilities, conditions previously compensated under this chapter, conditions covered by KRS 342.732, and hearing loss covered in KRS 342.7305 shall not be considered in determining the extent of disability or duration of benefits under this chapter.
- (2) The period of any income benefits payable under this section on account of any injury shall be reduced by the period of income benefits paid or payable under this chapter on account of a prior injury if income benefits in both cases are for disability of the same member or function, or different parts of the same member or function, and the income benefits payable on account of the subsequent disability in whole or in part would duplicate the income benefits payable on account of the pre-existing disability.
- (3) Subject to the limitations contained in subsection (4) of this section, when an employee, who has sustained disability compensable under this chapter, and who has filed, or could have timely filed, a valid claim in his *or her* lifetime, dies from causes other than the injury before the expiration of the compensable period specified, portions of the income benefits specified and unpaid at the individual's death, whether or not accrued or due at his *or her* death, shall be paid, under an award made before or after the death, for the period specified in this section, to and for the benefit of the persons within the classes at the time of death and in the proportions and upon the conditions specified in this section and in the order named:
 - (a) To the widow or widower, if there is no child under the age of eighteen (18) or incapable of self-support, benefits at fifty percent (50%) of the rate specified in the award; or
 - (b) If there are both a widow or widower and such a child or children, to the widow or widower, forty-five percent (45%) of the benefits specified in the award, or forty percent (40%) of those benefits if such a child or children are not living with the widow or widower; and, in addition thereto, fifteen percent (15%) of the benefits specified in the award to each child. Where there are more than two (2) such children, the indemnity benefits payable on account of two (2) children shall be divided among all the children, share and share alike; or
 - (c) If there is no widow or widower but such a child or children, then to the child or children, fifty percent (50%) of the benefits specified in the award to one (1) child, and fifteen percent (15%) of those benefits to a second child, to be shared equally. If there are more than two (2) such children, the indemnity benefits payable on account of two (2) children shall be divided equally among all the children; or
 - (d) If there is no survivor in the above classes, then the parent or parents wholly or partly actually dependent for support upon the decedent, or to other wholly or partly actually dependent relatives listed

in paragraph (g) of subsection (1) of KRS 342.750, or to both, in proportions that the ~~commissioner~~~~executive director~~ provides by administrative regulation.

- (e) To the widow or widower upon remarriage, up to two (2) years, benefits as specified in the award and proportioned under paragraphs (a) or (b) of this subsection, if the proportioned benefits remain unpaid, to be paid in a lump sum.
- (4) All income benefits payable pursuant to this chapter shall terminate as of the date upon which the employee qualifies for normal old-age Social Security retirement benefits under the United States Social Security Act, 42 U.S.C. secs. 301 to 1397f, or two (2) years after the employee's injury or last exposure, whichever last occurs. In like manner all income benefits payable pursuant to this chapter to spouses and dependents shall terminate when such spouses and dependents qualify for benefits under the United States Social Security Act by reason of the fact that the worker upon whose earnings entitlement is based would have qualified for normal old-age Social Security retirement benefits.
- (5) All income benefits pursuant to this chapter otherwise payable for temporary total and permanent total disability shall be offset by unemployment insurance benefits paid for unemployment during the period of temporary total or permanent total disability.
- (6) All income benefits otherwise payable pursuant to this chapter shall be offset by payments made under an exclusively employer-funded disability or sickness and accident plan which extends income benefits for the same disability covered by this chapter, except where the employer-funded plan contains an internal offset provision for workers' compensation benefits which is inconsistent with this provision.
- (7) If an employee receiving a permanent total disability award returns to work, that employee shall notify the employer, payment obligor, insurance carrier, or special fund as applicable.

➔Section 1842. KRS 342.732 is amended to read as follows:

- (1) Notwithstanding any other provision of this chapter, income benefits and retraining incentive benefits for occupational pneumoconiosis resulting from exposure to coal dust in the severance or processing of coal shall be paid as follows:
 - (a) 1. If an employee has a radiographic classification of category 1/0, 1/1 or 1/2, coal workers' pneumoconiosis and spirometric test values of eighty percent (80%) or more, the employee shall be awarded a one (1) time only retraining incentive benefit which shall be an amount equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage as determined by KRS 342.740, but not more than seventy-five percent (75%) of the state average weekly wage, payable semimonthly for a period not to exceed one hundred four (104) weeks, except as provided in subparagraph 3. of this paragraph.
 - 2. Except as provided in subparagraph 3. of this paragraph, these benefits shall be paid only while the employee is enrolled and actively and successfully participating as a full-time student taking the equivalent of twelve (12) or more credit hours per week in a bona fide training or education program that if successfully completed will qualify the person completing the course for a trade, occupation, or profession and which program can be completed within the period benefits are payable under this subsection. The program must be approved under administrative regulations to be promulgated by the ~~commissioner~~~~executive director~~. These benefits shall also be paid to an employee who is a part-time student taking not less than the equivalent of six (6) nor more than eleven (11) credit hours per week, except that benefits shall be an amount equal to thirty-three and one-third percent (33-1/3%) of the employee's average weekly wage as determined by KRS 342.740, but not more than thirty-seven and one-half percent (37-1/2%) of the state average weekly wage, payable biweekly for a period not to exceed two hundred eight (208) weeks.
 - 3. These benefits shall also be paid biweekly while an employee is actively and successfully pursuing a General Equivalency Diploma (GED) in accordance with administrative regulations promulgated by the ~~commissioner~~~~executive director~~. These benefits shall be paid in the amount of sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage not to exceed seventy-five percent (75%) of the state average weekly wage for a maximum period not to exceed seventeen (17) weeks. These income benefits shall be in addition to the maximum amount of retraining incentive benefits payable under this paragraph.

4. The employer shall also pay, directly to the institution conducting the training or education program, instruction, tuition, and material costs not to exceed five thousand dollars (\$5,000).
 5. The period of weeks during which this benefit is payable shall begin no later than the thirtieth day after the administrative law judge's order awarding the benefit becomes final, except that an employee may elect to defer the beginning of such benefits up to the three hundred sixty-fifth day following the thirtieth day the order becomes final. Unless the employee has requested deferral of income benefits, those income benefits payable under subparagraphs 1. and 2. of this paragraph shall begin no later than thirty (30) days following conclusion of income benefits paid under subparagraph 3. if such benefits were paid.
 6. If an employee who is awarded retraining incentive benefits under this paragraph successfully completes a bona fide training or education program approved by the ~~commissioner~~~~executive director~~, upon completion of the training or education program, the employer shall pay to that employee the sum of five thousand dollars (\$5,000) for successful completion of a program that requires a course of study of not less than twelve (12) months nor more than eighteen (18) months, or the sum of ten thousand dollars (\$10,000) for successful completion of a program that requires a course of study of more than eighteen (18) months. This amount shall be in addition to retraining incentive benefits awarded under this paragraph, and tuition expenses paid by the employer.
 7. An employee who is age fifty-seven (57) years or older on the date of last exposure and who is awarded retraining incentive benefits under subparagraphs 1. to 4. of this paragraph, may elect to receive in lieu of retraining incentive benefits, an amount equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage, not to exceed seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740 multiplied by the disability rating of twenty-five percent (25%) for a period not to exceed four hundred twenty-five (425) weeks, or until the employee reaches sixty-five (65) years of age, whichever occurs first, KRS 342.730(4) notwithstanding.
 8. A claim for retraining incentive benefits provided under this section may be filed, but benefits shall not be payable, while an employee is employed in the severance or processing of coal as defined in KRS 342.0011(23).
 9. If an employer appeals an award of retraining incentive benefits, upon an employee's motion, an administrative law judge may grant retraining incentive benefits pending appeal as interlocutory relief.
 10. If an employee elects to defer payment of retraining incentive benefits for a period of retraining longer than three hundred sixty-five (365) days, benefits otherwise payable shall be reduced week-for-week for each week retraining benefits are further deferred.
- (b)
1. If an employee has a radiographic classification of category 1/0, 1/1, or 1/2 coal workers' pneumoconiosis and respiratory impairment evidenced by spirometric test values of fifty-five percent (55%) or more but less than eighty percent (80%) of the predicted normal values, or category 2/1, 2/2, or 2/3 coal workers' pneumoconiosis and spirometric test values of eighty percent (80%) or more of the predicted normal values, there shall be an irrebuttable presumption that the employee has a disability rating of twenty-five percent (25%) resulting from exposure to coal dust, and the employee shall be awarded an income benefit which shall be an amount equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage, but not to exceed seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740 multiplied by the disability rating of twenty-five percent (25%). The award shall be payable for a period not to exceed four hundred twenty-five (425) weeks.
 2. An employee who is awarded benefits under this paragraph may, at the time of the award or before benefit payments begin, elect to receive retraining incentive benefits provided under paragraph (a)1. to 6. of this subsection, in lieu of income benefits awarded under this paragraph, provided that such option is available one (1) time only and is not revokable, and provided that in no event shall income benefits payable under this paragraph be stacked or added to retraining incentive income benefits paid or payable under subparagraphs 1. to 6. of paragraph (a)1. to 6. of this subsection to extend the period of disability.

- (c) If it is determined that an employee has a radiographic classification of category 1/0, 1/1, or 1/2, and respiratory impairment resulting from exposure to coal dust as evidenced by spirometric test values of less than fifty-five percent (55%) of the predicted normal values, or category 2/1, 2/2, or 2/3 coal workers' pneumoconiosis and respiratory impairment evidenced by spirometric test values of fifty-five percent (55%) or more but less than eighty percent (80%) of the predicted normal values, or category 3/2 or 3/3 coal workers' pneumoconiosis and spirometric test values of eighty percent (80%) or more, there shall be an irrebuttable presumption that the employee has a disability rating of fifty percent (50%) resulting from exposure to coal dust, and the employee shall be awarded an income benefit which shall be an amount equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not to exceed seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740 multiplied by the disability rating of fifty percent (50%). The award shall be payable for a period not to exceed four hundred twenty-five (425) weeks.
 - (d) If it is determined that an employee has a radiographic classification of category 2/1, 2/2, or 2/3 coal workers' pneumoconiosis, based on the latest ILO International Classification of Radiographics, and respiratory impairment as evidenced by spirometric test values of less than fifty-five percent (55%) of the predicted normal values or category 3/2 or 3/3 pneumoconiosis and respiratory impairment evidenced by spirometric test values of fifty-five percent (55%) or more but less than eighty percent (80%) of the predicted normal values, there shall be an irrebuttable presumption that the employee has a seventy-five percent (75%) disability rating resulting from exposure to coal dust and the employee shall be awarded income benefits which shall be equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not to exceed seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740 multiplied by the disability rating of seventy-five percent (75%). The award shall be payable for a period not to exceed five hundred twenty (520) weeks. Income benefits awarded under this paragraph shall be payable to the employee during the disability.
 - (e) If it is determined that an employee has radiographic classification of 3/2 or 3/3 occupational pneumoconiosis and respiratory impairment evidenced by spirometric test values of less than fifty-five percent (55%) of the predicted normal values, or complicated pneumoconiosis (large opacities category A, B, or C progressive massive fibrosis), there shall be an irrebuttable presumption that the employee is totally disabled resulting from exposure to coal dust, and the employee shall be awarded income benefits equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than one hundred percent (100%) of the state average weekly wage and not less than twenty percent (20%) of the average weekly wage of the state as determined by KRS 342.740. Income benefits awarded under this paragraph shall be payable to the employee during such disability.
- (2) The presence of respiratory impairment resulting from exposure to coal dust shall be established by using the largest forced vital capacity (FVC) value or the largest forced expiratory volume in one second (FEV1) value determined from the totality of all such spirometric testing performed in compliance with accepted medical standards.
 - (3) When valid spirometric tests are not provided and a physician certifies to the administrative law judge that spirometric testing is not medically indicated because of the permanent physical condition of the employee, the administrative law judge shall make his *or her* decision on the basis of evidence admitted which establishes the existence of a diagnosis of occupational pneumoconiosis and respiratory impairment due to the occupational pneumoconiosis. The evidence submitted by the employee shall include one (1) or more arterial blood gas studies performed in accordance with accepted medical standards. Income benefits shall not be awarded in the absence of valid spirometric tests if the claimant's PO2 arterial blood gas value is equal to or higher than one (1) standard deviation from the normal value obtained by the formula $(103.5 - 0.42X)$, where X equals the claimant's age at the time of the arterial blood gas study.
 - (4) Upon request, the ~~commissioner~~~~executive director~~ shall refer an employee who has been awarded retraining incentive benefits under subsection (1)(a) of this section to the Office of Vocational Rehabilitation for evaluation and assessment of the training, education, or other services necessary to prepare the employee for a trade, occupation, or profession that will return the employee to remunerative employment, or services necessary and appropriate to prepare and enable the employee to successfully complete a bona fide training or education program approved by the ~~commissioner~~~~executive director~~. The ~~commissioner~~~~executive director~~ shall contract with the Office of Vocational Rehabilitation to provide vocational rehabilitation or education services commensurate with the skill levels and abilities of the employee. Services provided under this subsection shall be funded by the coal workers' pneumoconiosis fund, KRS 342. 1242 notwithstanding.

- (5) The ***commissioner***~~{executive director}~~ shall promulgate administrative regulations sufficient to effectuate the provisions relating to retraining incentive benefits provided under subsection (1)(a) of this section. The administrative regulations shall:
- (a) Define a "bona fide training or education program" to mean a postsecondary education or training program, including but not limited to the postsecondary programs registered with the Higher Education Assistance Authority, and successful completion of which will qualify the person completing the course for a trade, occupation, or profession, and which program can be completed within the period benefits are payable under subsection (1)(a) of this section;
 - (b) Establish requirements for approval and certification of a bona fide training or education program;
 - (c) Provide that funds paid to the training or education program by the employer as required under subsection (1)(a)4. of this section shall be applied only to instruction, tuition, material costs, and any fees necessary for the completion of the program;
 - (d) Establish requirements for successful participation in and completion of an approved and certified bona fide training or education program, and eligibility standards that must be satisfied to receive sums to be paid by the employer pursuant to subsection (1)(a)6. of this section; and
 - (e) Establish attendance, performance and progress standards, and reporting requirements in consultation with the Kentucky Adult Education Program within the Council on Postsecondary Education as conditions that must be satisfied to receive retraining incentive income benefits pursuant to subsection (1)(a)3. of this section.
- (6) In no event shall income benefits awarded under this section be stacked or added to income benefits awarded under KRS 342.730 to extend the period of disability and in no event shall income or retraining incentive benefits be paid to the employee while the employee is working in the mining industry in the severance or processing of coal as defined in KRS 342.0011(23)(a).

➔Section 1843. KRS 342.734 is amended to read as follows:

- (1) The ***commissioner***~~{executive director}~~ shall promulgate administrative regulations pursuant to KRS Chapter 13A:
- (a) Establishing the form and content of a statement for services;
 - (b) Specifying the manner in which the employee may designate and change the designation of physicians;
 - (c) Requiring selection of gatekeeper physicians;
 - (d) Requiring reports from providers on the condition of the employee; and
 - (e) Establishing procedures by which disputes relative to the necessity, effectiveness, frequency, and cost of medical services shall be resolved.
- (2) Pending the effective date of administrative regulations promulgated by the ***commissioner***~~{executive director}~~, all administrative regulations heretofore promulgated by the Workers' Compensation Board pertaining to these matters shall remain in effect, it being determined that those administrative regulations are within the statutory grant of authority, meet legislative intent, and are not in conflict with the provisions of this chapter.

➔Section 1844. KRS 342.735 is amended to read as follows:

- (1) The ***commissioner***~~{executive director}~~ shall promulgate administrative regulations to expedite the payment of temporary total disability and medical expense benefits.
- (2) The ***commissioner***~~{executive director}~~ may promulgate administrative regulations incorporating managed care intended to reduce costs or to speed the delivery or payment of medical services to employees receiving medical and related benefits under this chapter.
- (3) The ***commissioner***~~{executive director}~~ shall promulgate administrative regulations pursuant to KRS Chapter 13A establishing an expedited method for resolving medical issues prior to the filing of a claim with the ***Department***~~{Office}~~ of Workers' Claims. The administrative regulations shall permit an employee or other interested party, prior to the filing of a claim, to request a determination by an administrative law judge on medical issues relating to the reasonableness or appropriateness of the proposed medical care or relating to the

obligation of the employer or the employer's insurance carrier to make payment of contested medical bills. However, the employee has the burden of proof to show the medical expenses are related to the injury, reasonable and necessary prior to an application of benefits being filed and before an award or order of benefits. Thereafter, the burden is upon the employer. The respondent to the moving party shall be given ten (10) days to answer a request for an expedited determination of medical issues, and the administrative law judge shall issue a ruling within seven (7) days thereafter. The interested parties shall be provided a form to provide to the medical care provider and the completed form filed with the ~~department office~~ and served upon the respondent shall initiate the time for response and determination.

➔Section 1845. KRS 342.740 is amended to read as follows:

- (1) For the purposes of this chapter, the average weekly wage of the state shall be determined by the ~~commissioner~~~~executive director~~ as follows: On or before September 1 of each year, the total wages reported by subject employers under the Kentucky Unemployment Insurance Law for the preceding calendar year shall be divided by the average monthly number of insured workers (determined by dividing the total number of insured workers reported for the preceding year by twelve (12)). The average annual wage thus obtained shall be divided by 52 and the average weekly wage thus determined rounded to the nearest cent. This average weekly wage shall be certified to the ~~commissioner~~~~executive director~~ by the Education and Workforce Development Cabinet in a manner prescribed by the ~~commissioner~~~~executive director~~ by administrative regulation. The average weekly wage as so determined shall be applicable for the full period during which income or death benefits are payable, when the date of occurrence of injury or of disablement in the case of disease, or of death, falls within the calendar year commencing January 1 following the September 1 determination.
- (2) Whenever a change in the average weekly wage of the state is of an amount that increases or decreases the minimum weekly income benefits for total disability or death by \$1 or more, or the maximum weekly income benefits for total disability or for death by \$2 or more, computed in each case and rounded to the nearest dollar, an adjustment in those minimums or maximums which are affected in the requisite amount by the change in the average weekly wage of the state shall be made which will reflect the increase or decrease, but no change in these limitations shall otherwise be made.

➔Section 1846. KRS 342.750 is amended to read as follows:

If the injury causes death, income benefits shall be payable in the amount and to or for the benefit of the persons following, subject to the maximum limits specified in subsections (3) and (4) of this section:

- (1) (a) If there is a widow or widower and no children of the deceased, to such widow or widower 50 percent of the average weekly wage of the deceased, during widowhood or widowerhood.
- (b) To the widow or widower, if there is a child or children living with the widow or widower, 45 percent of the average weekly wage of the deceased, or 40 percent, if such child is not or such children are not living with a widow or widower, and in addition thereto, 15 percent for each child. Where there are more than two (2) such children, the indemnity benefits payable on account of such children shall be divided among such children, share and share alike.
- (c) Two (2) years' indemnity benefits in one (1) lump sum shall be payable to a widow or widower upon remarriage.
- (d) To the children, if there is no widow or widower, 50 percent of such wage for one (1) child, and 15 percent for each additional child, divided among such children, share and share alike.
- (e) The income benefits payable on account of any child under this section shall cease when he dies, marries, or reaches the age of eighteen (18), or when a child over such age ceases to be physically or mentally incapable of self-support, or if actually dependent ceases to be actually dependent, or, if enrolled as a full-time student in any accredited educational institution, ceases to be so enrolled or reaches the age of 22. A child who originally qualified as a dependent by virtue of being less than 18 years of age may, upon reaching age 18, continue to qualify if he satisfies the tests of being physically or mentally incapable of self-support, actual dependency, or enrollment in an educational institution.
- (f) To each parent, if actually dependent, 25 percent.
- (g) To the brothers, sisters, grandparents, and grandchildren, if actually dependent, 25 percent to each such dependent. If there should be more than one (1) of such dependents, the total income benefits payable on account of such dependents shall be divided share and share alike.

- (h) The income benefits of each beneficiary under paragraphs (f) and (g) above shall be paid until he, if a parent or grandparent, dies, marries, or ceases to be actually dependent, or, if a brother, sister, or grandchild, dies, marries, or reaches the age of eighteen (18) or if over that age ceases to be physically or mentally incapable of self-support, or ceases to be actually dependent.
- (i) A person ceases to be actually dependent when his *or her* income from all sources exclusive of workers' compensation income benefits is such that, if it had existed at the time as of which the original determination of actual dependency was made, it would not have supported a finding of dependency. In any event, if the present annual income of an actual dependent person including workers' compensation income benefits at any time exceeds the total annual support received by the person from the deceased employee, the workers' compensation benefits shall be reduced so that the total annual income is no greater than such amount of annual support received from the deceased employee. In all cases, a person found to be actually dependent shall be presumed to be no longer actually dependent three (3) years after each time as of which the person was found to be actually dependent. This presumption may be overcome by proof of continued actual dependency as defined in this subsection, but full payments shall not be suspended during the pendency of any proceeding to determine dependency.
- (2) Upon the cessation of income benefits under this section to or on account of any person, the income benefits of the remaining persons entitled to income benefits for the unexpired part of the period during which their income benefits are payable shall be that which such persons would have received if they had been the only persons entitled to income benefits at the time of the decedent's death.
- (3) For the purposes of this section, the average weekly wage of the employee shall be taken as not more than the average weekly wage of the state as determined in KRS 342.740. In no case shall the aggregate weekly income benefits payable to all beneficiaries under this section exceed the maximum income benefit that was or would have been payable for total disability to the deceased, including benefits to his dependents.
- (4) The maximum weekly income benefits payable for all beneficiaries in case of death shall not exceed 75 percent of the average weekly wage of the deceased as calculated under KRS 342.140, subject to the maximum limits in subsection (3) above. The maximum aggregate limitation shall not operate in case of payment of two (2) years' income benefits to the widow or widower upon remarriage as provided under paragraph (c) of subsection (1) of this section, to prevent the immediate recalculation and payments of benefits to the remaining beneficiaries as provided under subsection (2) of this section, but the weekly income benefits as to such remaining beneficiaries shall not exceed the weekly income benefit that was or would have been payable for total disability to the deceased. The classes of beneficiaries specified in paragraphs (a), (b), and (d) of subsection (1) of this section shall have priority over all other beneficiaries in the apportionment of income benefits. If the provisions of this subsection should prevent payment to other beneficiaries of the income benefits to the full extent otherwise provided for by this section, the gross remaining amount of income benefits payable to such other beneficiaries shall be apportioned by class, proportionate to the interest of each class in the remaining amount. Parents shall be considered to be in one class and those specified in paragraph (f) of subsection (1) in another class.
- (5) All relations of dependency referred to in this section shall mean dependency existing at the time of the accident to the employee or at the time his *or her* disability from an occupational disease began.
- (6) In addition to other benefits as provided by this chapter, if death occurs within four (4) years of the date of injury as a direct result of a work-related injury, a lump-sum payment of fifty thousand dollars (\$50,000) shall be made to the deceased's estate, from which the cost of burial and cost of transportation of the body to the employee's place of residence shall be paid. Annually, the ~~commissioner~~*executive director* shall compute, in accordance with KRS 342.740, the increase or decrease in the state average weekly wage, and consistent therewith, shall adjust the amount of the lump-sum payment due under this subsection for injuries occurring in the succeeding year.
- (7) All benefits awarded pursuant to this section, other than those provided in subsection (6) of this section, shall be subject to the limitations contained in KRS 342.730(4).

➔Section 1847. KRS 342.760 is amended to read as follows:

- (1) There is hereby authorized in the ~~Department of~~ Labor *Cabinet* an uninsured employers' fund for the purpose of making payments in accordance with the provisions of subsection (4) of this section. The ~~secretary~~*commissioner* of the ~~Department of~~ Labor *Cabinet* shall be the custodian of the fund, and all

moneys and securities in the fund shall be held in trust by the ~~secretary~~~~commissioner~~ of the ~~Department of~~ Labor **Cabinet** and shall not be considered a part of the general funds of the state.

- (2) The ~~secretary~~~~commissioner~~ of the ~~Department of~~ Labor **Cabinet** is authorized to disburse moneys from the fund only upon written order of the administrative law judge or the board.
- (3) All amounts collected as fines and penalties under this chapter shall be paid into the uninsured employers' fund.
- (4) The uninsured employers' fund shall be responsible for the payment of compensation when there has been default in the payment of compensation due to the failure of an employer to secure payment of compensation as provided by this chapter. Such employer shall be liable for payment into the fund of all the amounts authorized to be paid therefrom under the authority of this subsection including reimbursement of the special fund of all liability apportioned to it and for the purposes of enforcing this liability the ~~Department of~~ Labor **Cabinet**, for the benefit of the fund, shall be subrogated to all the rights of the person receiving such compensation from the fund. This provision shall apply to all pending claims upon which a final order has not been entered.
- (5) In furtherance of this purpose, the Attorney General shall appoint a member or members of his *or her* staff or special counsel to represent the fund in all proceedings brought to enforce claims against or on behalf of the fund. Necessary expenses for this purpose including salaries of said staff or special counsel shall be borne by the fund. The ~~Department of~~ Labor **Cabinet** shall be responsible for the administration of the uninsured employers' fund and shall be charged with the conservation of the assets of the fund.
- (6) On December 29, 1987, the liabilities of the uninsured employers' fund and its assets remaining in the State Treasury shall be transferred to the uninsured employers' fund created within the ~~Department of~~ Labor **Cabinet** pursuant to this section.

➔Section 1848. KRS 342.765 is amended to read as follows:

- (1) Notwithstanding the provisions of KRS Chapter 342 to the contrary, the office of the Attorney General shall be responsible for the administration of the uninsured employers' fund and shall be charged with the conservation of the assets of the fund. Funds to reimburse the Attorney General's office for expenses incurred in litigation and administration in defense of the uninsured employers' fund shall be transferred upon request of the Attorney General's office and approval by the ~~secretary~~~~commissioner~~ of the ~~Department of~~ Labor **Cabinet**.
- (2) The office of the Attorney General shall report monthly to the Interim Joint Committee on Appropriations and Revenue, the Interim Joint Committee on Labor and Industry, and the ~~commissioner~~~~executive director~~ the amount of the agency fund expenditures in each month for the uninsured employers' fund and the nature of these expenditures. In addition, the Office of the Attorney General shall report quarterly to the ~~commissioner~~~~executive director~~ on the amount of funds recouped from uninsured employers.

➔Section 1849. KRS 342.770 is amended to read as follows:

- (1) Upon the filing of a claim the ~~commissioner~~~~executive director~~ shall ascertain whether the employer, or any other person against whom a claim is filed and who is not exempt by KRS 342.630 or 342.650, has secured payment of compensation by either securing insurance coverage or qualifying as a self-insurer pursuant to KRS 342.340. Upon determination that any employer under this chapter has failed to comply with the provisions of KRS 342.340, the ~~commissioner~~~~executive director~~ shall record, as provided by subsection (2) of this section, a certificate prepared and furnished him *or her* by the general counsel showing the date on which such claim was filed, the date of the injury alleged, the name and last known address of the employer against whom it was filed, and the fact that the employer has not secured the payment of compensation as required. Upon recordation, such certificate constitutes a valid lien against the assets of the employer in favor of the uninsured employers' fund for the whole amount which may be due as compensation. Such lien shall be superior to the lien of any mortgage or other encumbrance thereafter created and shall continue for ten (10) years from the time of such recording, unless sooner released or otherwise discharged. A copy of such certificate shall be served upon the employer by the ~~commissioner~~~~executive director~~.
- (2) The certificate constituting a lien in favor of the uninsured employers' fund shall be filed in the following offices:
 - (a) The office of the county clerk of the county in which the defendant employer resides.
 - (b) The office of the county clerk of the county in which the defendant employer has its principal place of business.
 - (c) The office of the county clerk in the counties where such employer's property is located.

➔Section 1850. KRS 342.790 is amended to read as follows:

When an award is made against an employer who:

- (1) Has not secured payment of compensation by either securing insurance coverage or qualifying as a self-insurer; and
- (2) Has not made a deposit of security, indemnity, or bond acceptable to the **commissioner**~~[executive director]~~ to secure the payment of compensation liability; and
- (3) Has failed to make payment of compensation according to the terms of that award, the award shall constitute a liquidated claim for damages against that employer in an amount commuted to a lump sum which will equal the present value of the total sum of the probable future payments discounted at four percent (4%) true discount compounded annually on each payment, which amount is to be ascertained and fixed by the **commissioner**~~[executive director]~~, and the **commissioner**~~[executive director]~~ shall certify the same to the Attorney General who shall forthwith institute a civil action against that employer in the name of the uninsured employers' fund for the collection of that award. In that action, it shall be sufficient for plaintiff to set forth a copy of the award of the administrative law judge relative to the claim as certified by the **commissioner**~~[executive director]~~ and to state that there is due to plaintiff on account of the opinion, order, or award of the administrative law judge a specified sum which plaintiff claims with interest. A certified copy of the award in the claim shall be attached to the complaint and shall constitute prima facie evidence of the truth of the facts therein contained.

- (1) The claim of any miner last exposed to the occupational hazards of coal workers' pneumoconiosis between December 12, 1996, and July 15, 2002, shall nonetheless be governed by the provisions of KRS 342.732 and notwithstanding the provisions of KRS 342.125 all claims for benefits which were filed for last injurious occupational exposure to coal dust occurring between December 12, 1996, and July 15, 2002, shall be considered pursuant to the provisions of KRS 342.732 and administrative regulations promulgated by the **commissioner**~~[executive director]~~, and closed claims, except claims dismissed for reasons other than failure to meet medical eligibility standards, may be reopened by the claimant. Income or retraining incentive benefits shall be awarded thereon as if the entitlement standards established by the amendments to KRS 342.732 were effective at the time of last exposure. Any benefits previously granted by an award or settlement shall be credited against any subsequent award or settlement and no interest shall be payable on additional benefits. A previous grant of retraining incentive benefits shall be credited only to the extent that the benefits were actually paid. All income or retraining incentive benefits greater than those which would have been awarded were not these new provisions applicable shall be paid without interest from the Kentucky coal workers' pneumoconiosis fund, the provisions of KRS 342.1242 notwithstanding.
- (2) The original claim of any miner last exposed to the occupational hazards of coal workers' pneumoconiosis prior to December 12, 1996, which was subject to a university evaluation pursuant to KRS 342.315 and was dismissed upon a finding that the miner did not prove the presence of coal workers' pneumoconiosis radiographically may be reopened by the claimant notwithstanding the provisions of KRS 342.125, pursuant to administrative regulations adopted by the **commissioner**~~[executive director]~~. Income benefits may be awarded thereon pursuant to entitlement standards effective as of the date of last exposure, except the income or retraining benefits shall be paid without interest from the Kentucky coal workers' pneumoconiosis fund, the provisions of KRS 342.1242 notwithstanding.
- (3) Notwithstanding the provisions of KRS 342.316(4)(a), the coal workers' pneumoconiosis claim of any miner last exposed between December 12, 1996, and July 15, 2002, may be filed with the **commissioner**~~[executive director]~~ on or before December 12, 2003, or within the time frame prescribed by KRS 342.316(4)(a), whichever is longer. All income or retraining incentive benefits greater than those which would have been awarded were not these new provisions applicable shall be paid by the Kentucky coal workers' pneumoconiosis fund without interest, the provisions of KRS 342.1242 notwithstanding.
- (4) Administrative regulations promulgated by the **commissioner**~~[executive director]~~ pursuant to subsections (1) and (2) of this section shall provide that chest X-rays previously taken at university medical schools pursuant to KRS 342.315 shall be obtained by the **commissioner**~~[executive director]~~ and forwarded to three (3) randomly selected "B" readers for determination of consensus pursuant to KRS 342.316(3)(b)4.e.~~[f]~~ The claim shall be

assigned to an administrative law judge for determination of whether the claim should be reopened and the award of additional benefits, if any.

➔Section 1852. KRS 342.794 is amended to read as follows:

- (1) The ***commissioner***~~[executive director]~~ shall maintain a list of duly qualified "B" reader physicians who are licensed in the Commonwealth. The list shall include "B" reader physicians at the university medical schools and other "B" reader physicians certified by the National Institute of Occupational Safety and Health (NIOSH) who have agreed to interpret chest X-rays pursuant to KRS 342.316 for a fee to be fixed by the ***commissioner***~~[executive director]~~ and paid by the Kentucky coal workers' pneumoconiosis fund, the provisions of KRS 342.1242 notwithstanding.
- (2) Physicians from the "B" reader list shall be utilized as necessary to obtain consensus classifications of chest films in coal workers' pneumoconiosis claims. The consensus classification shall be presumed to be the correct classification of the employee's condition unless overcome by clear and convincing evidence. If an administrative law judge finds that the presumption of correctness of the consensus reading has been overcome, the reasons shall be specially stated in the administrative law judge's order.
- (3) "B" reader" means a physician who has demonstrated proficiency in evaluating chest roentgenograms for roentgenographic quality and in the use of the ILO classification for interpreting chest roentgenograms for pneumoconiosis and other diseases by taking and passing a specially designed proficiency examination given on behalf of the National Institute of Occupational Safety and Health (NIOSH) or by the Appalachian Laboratory for Occupational Safety and Health (ALOSH), or successors.
- (4) The university medical schools in consultation with the ***commissioner***~~[executive director]~~ shall jointly develop a procedure to annually report the performance of physicians on the "B" reader list who have participated in the consensus procedure established in KRS 342.316. The physicians shall be evaluated with respect to the timeliness and completeness of their reports, as well as the frequency at which the physician's classification of X-rays differs from the consensus reading. The ***commissioner***~~[executive director]~~ shall remove a physician from the "B" reader list if the physician consistently renders incomplete or untimely reports, or if the physician's interpretations of X-rays are not in conformity with the consensus reading fifty percent (50%) of the time. The report required under this subsection shall be provided to the Interim Joint Committee on Labor and Industry beginning in July 1, 2003 and by July 1 of each year thereafter.

➔Section 1853. KRS 342.796 is amended to read as follows:

- (2) The rating plans, rates, and underwriting standards developed for the categories of risk shall be based on generally-accepted actuarial practices and procedures as set forth in the Statement of Principles Regarding Property and Casualty Ratemaking of the Casualty Actuarial Society, in accordance with the actuarial standards of practice and compliance guidelines of the Actuarial Standards Board. The rates shall be actuarially sound for both the voluntary market and the market of last resort and set at levels which are expected, in the aggregate, to be sufficient to pay all workers' compensation claims incurred by the participating employer risks and other permitted expenses of the authority.
- (3) Multitiered premium or rating plans may be developed to provide workers' compensation coverage to insureds in the Commonwealth.
- (4) The manager shall develop statistical and other information as necessary to distinguish its writings in the voluntary market, and its writings as a market of last resort.
- (5) The rates established by the authority for its policyholders shall be based only on Kentucky loss experience data, except that other loss experience data may be utilized as a supplement to Kentucky data if supplemental or additional data are necessary to establish statistical credibility of an employment classification.
- (6) Any and all rates, whether for the voluntary market or the market of last resort, established by the board are deemed competitive and shall be filed with the **commissioner**~~[executive director]~~ of insurance in accordance with KRS Chapter 304 in the same manner as any other mutual insurance company writing workers' compensation in the Commonwealth.

➔Section 1874. KRS 350.020 is amended to read as follows:

The General Assembly finds that the Commonwealth is the leading producer of coal and that the production of coal in Kentucky contributes significantly to the nation's energy needs. The General Assembly further finds that unregulated surface coal mining operations cause soil erosion, damage from rolling stones and overburden, landslides, stream pollution, the accumulation of stagnant water and the seepage of contaminated water, increase the likelihood of floods, destroy the value of land for agricultural purposes, destroy aesthetic values, counteract efforts for the conservation of soil, water and other natural resources, destroy or impair the property rights of citizens, create fire hazards, and in general create hazards dangerous to life and property, so as to constitute an imminent and inordinate peril to the welfare of the Commonwealth. The General Assembly further finds that lands that have been subjected to surface coal mining operations and have not been reclaimed and rehabilitated in accordance with modern standards constitute the aforementioned perils to the welfare of the Commonwealth. The General Assembly further finds that there are wide variations in the circumstances and conditions surrounding and arising out of surface coal mining operations due primarily to difference in topographical and geological conditions, and by reason thereof it is necessary, in order to provide the most effective, beneficial and equitable solution to the problem, that a broad discretion be vested in the authority designated to administer and enforce the regulatory provisions enacted by the General Assembly. The General Assembly further finds that governmental responsibility for regulating surface coal mining operations rests with state government and hereby directs the ***Energy and Environment***~~[Environmental and Public Protection]~~ Cabinet to take all actions necessary to preserve and exercise the Commonwealth's authority, to the exclusion of all other governmental entities except the Commonwealth and agencies thereof and except as provided in KRS Chapter 100, and any county surface mining regulation contained within a zoning ordinance adopted prior to April 1, 1988, in regulating surface coal mining operations. Therefore, it is the purpose of this chapter to provide such regulation and control of surface coal mining operations as to minimize or prevent injurious effects on the people and resources of the Commonwealth. To that end, the cabinet is directed to rigidly enforce this chapter and to adopt whatever administrative regulations are found necessary to accomplish the purpose of this chapter.

➔Section 1875. KRS 350.028 is amended to read as follows:

The ***Energy and Environment***~~[Environmental and Public Protection]~~ Cabinet shall have and exercise the following authority and powers:

- (1) To adopt administrative regulations after a hearing pertaining to surface coal mining operations including strip mining and the surface effects of underground mining to accomplish the purposes of this chapter;
- (2) To conduct investigations and hearings under provisions of this chapter or regulations adopted pursuant thereto;
- (3) To issue, after an opportunity for a hearing, suspension orders or show cause orders requiring an operator, permittee, or person to adopt remedial measures that are necessary to comply with this chapter and administrative regulations adopted pursuant thereto. Failure to attend a hearing shall be excused for good cause shown;
- (4) To issue, after an opportunity for a hearing, a final order imposing civil penalties for violations of this chapter or directing the Department for Natural Resources to revoke a permit, when the requirements set forth by the notice of noncompliance, order of cessation, or an order of the cabinet requiring remedial measures have not been complied with according to the terms therein. When the secretary or his authorized representatives determines that a pattern of violations of any requirements of this chapter or any permit conditions required by this chapter exists or has existed, and if the secretary or his authorized representatives also find that the violations are caused by the unwarranted failure of the permittee to comply with any requirements of this chapter or any permit conditions or that the violations are willfully caused by the permittee, the secretary or his authorized representative shall forthwith issue an order to the permittee to show cause as to why the permit should not be suspended or revoked and shall provide an opportunity for a hearing. Failure to attend a hearing shall be excused for good cause shown; and
- (5) To adopt administrative regulations to allow the state to administer and enforce the initial and permanent regulatory programs of Public Law 95-87, "Surface Mining Control and Reclamation Act of 1977." Administrative regulations shall be no more stringent than required by that law. Nothing in this chapter shall be construed as superseding, amending, modifying, or repealing any of the acts listed in Section 702(a) of Public Law 95-87, or any administrative regulation promulgated thereunder.

➔Section 1876. KRS 350.050 is amended to read as follows:

The ***Energy and Environment***~~[Environmental and Public Protection]~~ Cabinet under the supervision of the secretary of the ***Energy and Environment***~~[Environmental and Public Protection]~~ Cabinet shall have and exercise the following authority and powers:

- (1) To exercise general supervision and administration and enforcement of this chapter and all rules and regulations and orders promulgated thereunder;
- (2) To encourage and conduct investigations, research, experiments, and demonstrations, and to collect and disseminate information relating to strip mining and reclamation of lands and waters affected by strip mining;
- (3) To adopt, without hearing, internal procedures with respect to the filing of reports, the issuance of permits, and other matters of procedure and administration;
- (4) To examine and pass upon all plans and specifications submitted by the permit applicant for the method of operation, backfilling, grading, and for the reclamation of the area of land affected by his operation;
- (5) To make investigations or inspections which may be deemed necessary to insure compliance with any provision of this chapter;
- (6) To order, through personnel of the cabinet, the suspension of any permit for failure to comply with any of the provisions of this chapter or any regulations adopted pursuant thereto;

- (3) Moneys in the fund may be used for the following purposes:
 - (a) To reclaim lands mined without a permit or authorization, as required by KRS 350.057 or 350.060(1), and not eligible for the abandoned mine lands reclamation fund; and
 - (b) To defray all expenses associated with the seizure, storing, and sale of forfeited property pursuant to KRS 350.053.
- (4) Moneys contained in the illegal mining and conveyance reclamation fund shall be deemed a trust and agency account and shall not lapse.
- (5) The cabinet shall have access to and control of the moneys held in the illegal mining and conveyance reclamation fund, but shall expend the moneys only for the purposes set forth in subsection (3) of this section.

➔Section 1878. KRS 350.057 is amended to read as follows:

- (1) The secretary of the ***Energy and Environment***~~[Environmental and Public Protection]~~ Cabinet shall promulgate regulations for the permitting and performance of coal exploration operations which substantially disturb the natural land surface. The regulations shall include at a minimum provisions for giving notice of intention to explore including a description of the area to be explored and the period of supposed exploration and provisions for reclamation, as required by this chapter, of all land disturbed in the exploration.
- (2) Any requirements of public access to records set forth in the Kentucky Revised Statutes to the contrary notwithstanding, the secretary shall order that confidential trade secrets or privileged commercial or financial information in the possession of the cabinet or pursuant to a coal exploration permit remain confidential.
- (3)
 - (a) No person or operator shall remove more than twenty-five (25) tons of coal by coal exploration operations without first obtaining a coal exploration permit from the cabinet.
 - (b) No person or operator conducting coal exploration operations in which more than twenty-five (25) tons of coal are removed shall knowingly and willfully receive, transport, sell, convey, exchange, transfer, trade, donate, deliver, or otherwise convert to a commercial use any coal extracted during the course of

All funds from the forfeiture of bonds shall be placed in the State Treasury in an interest-bearing account and credited to a special agency account. The interest shall become a supplemental fund and may be used to supplement forfeited bonds which are inadequate to complete the reclamation plan. Except as provided in KRS 350.131(1), forfeited bond funds shall be expended upon the lands for which the bond was given. The interest may be expended upon lands other than those for which the bond was given. No more than twenty-five percent (25%) of the supplemental fund may be expended upon any single site, unless a larger expenditure is necessary to abate an imminent danger to public health or safety.
- (2) The State Treasurer shall on or before August 1 of each year transfer thirty-three and one-third percent (33-1/3%) of all funds paid during the preceding fiscal year as fees for the issuance of any permit for surface coal mining operations to the fiscal courts of the county in which the permitted operation is located for the general purposes of that fiscal court.

➔Section 1880. KRS 350.151 is amended to read as follows:

- (1) The **Energy and Environment**~~Environmental and Public Protection~~ Cabinet shall promulgate permanent program administrative regulations for the mining and reclamation of land disturbed or removed by operations resulting from or incident to underground coal mining. The regulations shall recognize the distinct differences between underground mining and strip mining of coal, shall be promulgated pursuant to this chapter, and shall be enforced as provided in KRS 350.130 and 350.990. Those activities may include, but not be limited to, the construction of new roads or the improvement or use of existing roads to gain access to the site of the activities and all lands affected by haulage, excavations, workings, impoundments, dams, ventilation shafts, entryways, refuse banks, dumps, stockpiles, overburden piles, spoil banks, culm banks, tailings, holes or depressions, repair areas, storage areas, processing areas, shipping areas and other areas upon which are sited structures, facilities, or other property or materials on the surface, but the regulations shall not be more stringent than those applied to strip mining of coal.
- (2) The permit applicant shall file with the cabinet a reclamation bond payable to the Commonwealth of Kentucky with surety satisfactory to the cabinet in the sum to be determined by the cabinet for each acre or fraction thereof of the area of land affected, with a minimum bond of ten thousand dollars (\$10,000) conditioned upon the faithful performance of the requirements set forth in this section and of the administrative regulations of the cabinet. The cabinet shall forfeit the entire amount of the bond for the permit area or increment in the event of forfeiture. The cabinet shall accept, in lieu of the surety provided in this subsection, the deposit by the operator of United States government securities, cash or its equivalent in a sum equal to the principal amount of the required bond, or a self-bond pursuant to administrative regulations promulgated by the cabinet.
- (3) In order to protect the stability of the land, the cabinet shall suspend underground mining activities under urbanized areas, and adjacent to industrial or commercial buildings, major impoundments, or permanent streams, if the cabinet finds imminent danger to inhabitants of the urbanized areas.

- (1) The Commonwealth, acting by and through its **Energy and Environment**~~Environmental and Public Protection~~ Cabinet, shall have the power to acquire, either by negotiation or by exercise of the power of eminent domain, land which has been affected or disturbed by strip or auger mining, or by other surface coal mining operations which consists of orphan banks or unreclaimed spoil piles.
- (2) Prior to acquiring any land pursuant to KRS 350.152 to 350.163 and KRS 350.240, the **Energy and Environment**~~Environmental and Public Protection~~ Cabinet shall extend to the owners thereof an opportunity to backfill, grade, plant, and do other acts of restoration thereon to the same extent and within the same time limits as prescribed by this chapter and regulations adopted pursuant thereto. If the owner or owners agree in

writing to perform such restoration and, weather permitting, start such restoration within a period of thirty (30) days, the land shall not be acquired by the Commonwealth.

- (3) The ***Energy and Environment***~~(Environmental and Public Protection)~~ Cabinet shall attempt to purchase any land which it has determined should be acquired for the purpose of restoration and which the owners have not agreed to restore as provided in subsection (2) above. In any case where the cabinet and the owners of the land are unable to agree upon the amount to be paid for the land, the cabinet may exercise the power of eminent domain against such land by filing a condemnation suit under the procedure of the Eminent Domain Act of Kentucky.
- (4) The purchase price, in the case of a negotiated acquisition, or the damages as finally determined, in the case of acquisition by condemnation, and the necessary expenses incidental thereto, shall be paid from appropriations made by the General Assembly for such purposes and appropriations to which federal funds made available for such purposes have been credited.

➔Section 1882. KRS 350.240 is amended to read as follows:

The ***Energy and Environment***~~(Environmental and Public Protection)~~ Cabinet may adopt in the manner provided in subsection (17) of KRS 224.10-100 and subsections (5) and (6) of KRS 224.01-110 reasonable regulations for the reclamation of land disturbed or removed in the mining of clay. The cabinet shall have the authority to adopt such regulations prior to the effective date of the Interstate Mining Compact and irrespective of whether the state becomes a member or withdraws from membership in the Interstate Mining Compact.

➔Section 1883. KRS 350.255 is amended to read as follows:

Any person may petition the secretary of the ***Energy and Environment***~~(Environmental and Public Protection)~~ Cabinet to initiate a proceeding for the issuance, amendment, or repeal of any regulation under this chapter.

- (1) Notice and an opportunity shall be provided for the petitioner and any person wishing to participate to be heard at a public hearing within thirty (30) days following the filing of the petition on the facts, technical justification, and law alleged in the petition.
- (2) The secretary shall render a final order in writing within thirty (30) days after the hearing granting or denying the petition on grounds that there is a reasonable basis for the petitioned rule change, or is not, or that it is required or prohibited by law and setting forth the reasons for the decision.
- (3) The secretary shall initiate a rulemaking proceeding pursuant to KRS Chapter 13A within thirty (30) days after a petition is granted proposing the issuance, amendment, or repeal of the petitioned regulations in conformity with the final order.
- (4) Any participant in the petition proceedings may seek review in the Circuit Court of Franklin County of a final order of the secretary denying all or any portion of the action requested in a petition.

Each individual appointment shall be for a four (4) year term which shall begin on July 15, 1984. Members may serve successive terms if reappointed. Vacancies shall be filled in a manner consistent with the provisions for initial appointments. At the first meeting held on or after July 1 of each year, a chairman shall be elected by and from the membership. The council shall meet at least quarterly during each year and may meet more often at the call of the chairman. The council shall be attached to the ***Energy and Environment***~~(Environmental and Public Protection)~~ Cabinet for administrative purposes. Council members shall be eligible for reimbursement by the cabinet for actual expenses directly related to serving on the council.

➔Section 1885. KRS 350.275 is amended to read as follows:

- (1) The General Assembly finds that:
 - (a) The backstowing of coal processing and coal underground development waste is a disposal method which, under appropriate conditions, is authorized under state and federal coal mining laws;
 - (b) The state Division of Water and Department for Natural Resources, United States Environmental Protection Agency, and United States Mine Safety and Health Administration each have responsibilities under different state and federal laws relative to any proposal to backstow or reinject coal processing and coal underground development waste; and
 - (c) The maximization of coordination of agency review of such a proposal is in the best interest of each agency, the proponent, and the public-at-large.
- (2) It is the intent of the General Assembly that the ***Energy and Environment***~~Environmental and Public Protection~~ Cabinet negotiate improved coordination among state and federal agencies in the review of proposals for backstowing or reinjection of coal processing and coal underground development waste, consistent with all requirements of KRS Chapters 224 and 350 and other state and federal laws relating to such proposals.

➔Section 1886. KRS 350.310 is amended to read as follows:

- (1) The "Mining Council," hereinafter called "the council," is hereby established in the office of the Governor. - (2) The council shall be composed of eight (8) members: one (1) of whom shall be the Lieutenant Governor; three (3) of whom shall be representatives of mining industries; two (2) of whom shall be representatives of nongovernmental conservation interests; the commissioner for environmental protection and the secretary of the ***Energy and Environment***~~Environmental and Public Protection~~ Cabinet.
- (3) The members of the council representing mining industries and nongovernmental conservation interests shall be appointed by the Governor. The term of office of such members shall be for four (4) years concurrent with that of the Governor or until their successor has been qualified.

➔Section 1887. KRS 350.320 is amended to read as follows:

In accordance with Article V(i) of the compact, the commission shall file copies of its bylaws and any amendments thereto with the ***Energy and Environment***~~Environmental and Public Protection~~ Cabinet.

The ***Energy and Environment***~~Environmental and Public Protection~~ Cabinet through this chapter shall have exclusive jurisdiction over KRS Chapter 151 concerning the regulation of dams, levees, embankments, dikes, bridges, fills, or other obstructions across or along any stream or in the floodway of any stream, which structures or obstructions are permitted under this chapter.

➔Section 1889. KRS 350.465 is amended to read as follows:

- (1) The provisions of this section and regulations promulgated pursuant thereto, except with regard to the mining of clay, limestone, sand, gravel, fluorspar, stone, and rock asphalt, shall apply to the regulation of all surface coal mining and reclamation operations in the Commonwealth in the event that the Commonwealth receives from the United States Department of Interior and pursuant to the Surface Mining Control and Reclamation Act of 1977, PL 95-87, approval of a permanent state regulatory program, and the Commonwealth has promulgated regulations pursuant to this section.
- (2) The ***Energy and Environment***~~Environmental and Public Protection~~ Cabinet is hereby authorized and directed to prepare, develop and promulgate a comprehensive permanent regulatory program for the implementation of the Surface Mining Control and Reclamation Act of 1977, PL 95-87, for the purpose of

accepting and administering primary enforcement responsibilities pursuant to that act. The implementation of this section shall contain procedures similar to the Surface Mining Control and Reclamation Act of 1977, PL 95-87, and shall require surface coal mining operation performance standards no more stringent than provided for in that act. Nothing in this section shall be construed to empower the cabinet to adopt a regulatory program in conflict with the policy and purposes of the Surface Mining Control and Reclamation Act of 1977, PL 95-87. To that end, the **Energy and Environment**~~(Environmental and Public Protection)~~ Cabinet shall include in its permanent regulatory program:

- (a) Environmental protection performance standards to prevent or minimize the adverse environmental effects of surface coal mining and reclamation operations on the land and water resources of the Commonwealth.
 - (b) A procedure for designating as being unsuitable for mining certain lands because of their topographical, geological, hydrological, climatological, biological, or chemical characteristics or historical, cultural, scientific, or aesthetic values.
 - (c) Procedures and regulations for the allowance of those persons having an interest which is or may be adversely affected to have the opportunity to be heard at every significant or critical part of the administrative and judicial process, including, but not limited to, the permit review and issuance process, the general enforcement process and hearings incident thereto, and the rulemaking procedures conducted by the cabinet; and procedures and regulations for persons having a valid legal interest which is or may be adversely affected by the setting, release, and inspection of bonds to have an opportunity to be heard at every significant or critical part of the administrative and judicial process relating to bonds. The regulations shall provide reasonable procedures for notice and an opportunity to be heard, access to minesites, access to records, and other reasonable procedures to accomplish the purposes of this chapter.
 - (d) Procedures for the administrative and judicial review of all actions of the cabinet to administer and enforce the provisions of this chapter, including the award of costs and expenses, including attorney's fees and expert witness fees, by the cabinet or the court.
 - (e) Plans and procedures for the reclamation and restoration of land and water resources affected by mining which have been abandoned or inadequately reclaimed to the standards imposed by this section and for which no bond is held or legal obligation to reclaim continues. The plan shall include provisions for the imposition of liens for necessary reclamation expenditures made on private property.
 - (f) Procedures for the assumption of the small operator assistance program pursuant to the Surface Mining Control and Reclamation Act of 1977, PL 95-87. The cabinet shall assume and implement that program and apply for and administer funds as may be provided pursuant to that act and such state funds as may be provided for the program.
- (3) In addition to any other authority, power, and duty vested in it by law, the cabinet shall have and exercise broad authority, power, and duty to:
- (a) Require those persons who wish to engage in surface coal mining and reclamation operations to submit application for a permit from the cabinet to conduct the operations, and to include in that application all information required by the cabinet pertaining to that operation.
 - (b) Issue, deny, or modify under such conditions as the cabinet may prescribe, permits to conduct surface coal mining and reclamation operations within the Commonwealth.
 - (c) Enter and inspect any permitted surface coal mining and reclamation operation or any known or suspected unpermitted mining operation for the purpose of ascertaining compliance with any provision of this chapter or of the permit.
 - (d) Order the cessation of mining activities, and if necessary impose affirmative abatement obligations, upon the permittee, operator, or person when, upon inspection, the cabinet determines that this section or any permit condition is being or has been violated so as to constitute an imminent and inordinate peril to the welfare of the Commonwealth.
 - (e) Order a person, permittee, or an operator to comply with the requirements of this section or his permit if inspection reveals a violation of the conditions of his permit or of any provision of this section.

- (f) Order a permittee to appear and show cause why his permit should not be suspended or revoked and his bond forfeited if the cabinet determines that the permittee or operator or the permitted operation has a pattern of violations of this section or permit conditions, and has willfully violated this section or permit conditions or a pattern of violations exists and that the violations are caused by the operator's or permittee's unwarranted failure to comply with this section or permit conditions.
 - (g) Require, increase, release, or decrease, under such conditions as the cabinet may prescribe, reclamation performance bonds and cause the forfeiture and collection of those bonds where the permittee has abandoned the operation or for which the permit under which the bond was given has been revoked or has expired without the required reclamation.
 - (h) To administratively impose, in lieu of those civil penalties provided for in KRS 350.990, civil penalties of up to five thousand dollars (\$5,000) per day for violations of permit conditions, this section, or any orders of the cabinet and enforce the administrative assessment of the penalties by initiating civil action in the Franklin Circuit Court or in any court having jurisdiction of the defendant.
 - (i) Conduct hearings and make investigations of any matter relating to the regulation of surface coal mining and reclamation operations, and provide for the assessment and payment of civil penalties including the placement of proposed civil penalty assessments into an escrow account prior to a contest on the amount of the assessment, consistent with the process of law.
 - (j) Provide for variances or exceptions consistent with KRS 350.450 from or in addition to mining performance standards, recognizing the specific characteristics inherent in:
 - 1. Steep slope mining;
 - 2. Mountaintop removal;
 - 3. Relatively low acreage disturbance or annual coal production;
 - 4. Prime farmland mining as defined by the United States Department of Agriculture, and to provide for other variances where land uses and watersheds will be improved; and
 - 5. Postmining uses different from and as beneficial as the premining uses.
 - (k) Receive and expend funds or aid from whatever source to accomplish the purposes of this chapter.
 - (l) Propose and promulgate regulations to accomplish the purposes of this section.
- (4) The cabinet shall not promulgate regulations which are inconsistent with the Surface Mining Control and Reclamation Act of 1977, PL 95-87.
- (5) Any person who violates a provision of this section or the regulations promulgated pursuant thereto shall be subject to those penalties and remedies set forth in KRS 350.990 except as provided for in subsection (3)(h) of this section.

➔Section 1890. KRS 350.475 is amended to read as follows:

- (1) The ***Energy and Environment***~~Environmental and Public Protection~~ Cabinet is directed to promulgate regulations which specifically address what liability surface mining permittees shall have to reclaim permit areas on which parties or forces not controlled by the permittee have disturbed the reclamation previously performed by the permittee. Such parties or forces not controlled by the permittee shall include, without limitation, acts of God, oil and gas operations, loggers, recreational vehicles, and trespassers.
- (2) The ***Energy and Environment***~~Environmental and Public Protection~~ Cabinet is also directed to promulgate regulations which specifically set forth the procedure for transferring liability for reclamation of a surface mining permit to a party who will make a post mining use of the permit area.

➔Section 1891. KRS 350.550 is amended to read as follows:

- (1) There is hereby created within the Commonwealth of Kentucky an Abandoned Mine Lands Program, to be administered within the ***Energy and Environment***~~Environmental and Public Protection~~ Cabinet. The secretary of the ***Energy and Environment***~~Environmental and Public Protection~~ Cabinet may promulgate regulations necessary to implement this program. The provisions of KRS 350.150, 350.152, 350.154, 350.156(1) and (2), 350.158, 350.161, and 350.163 shall not be applicable to this program.

- (2) The Finance and Administration Cabinet is hereby directed to establish a fund to be known as the abandoned mine reclamation fund (hereinafter referred to as the "fund").
- (3) The fund shall consist of amounts deposited in the fund from time to time, including but not limited to:
 - (a) The reclamation fees levied pursuant to Section 402 of P.L. 95-87 and allocated to the Commonwealth of Kentucky;
 - (b) Any income derived from or any user charge imposed on or for land reclaimed pursuant to the Abandoned Mine Lands Program after the expenses of the program have been deducted;
 - (c) Donations by persons, corporations, associations, governmental entities, and foundations for the purposes of the Abandoned Mine Lands Program;
 - (d) Interest credited to the fund pursuant to Section 401(e) of P.L. 95-87 and allocated to the Commonwealth of Kentucky; and
 - (e) All other moneys as provided for consistent with this chapter.
- (4) Moneys in the fund may be used for the following purposes:
 - (a) Reclamation and restoration of land and water resources adversely affected by past coal mining, including but not limited to reclamation and restoration of abandoned surface mine areas, abandoned coal processing areas, and abandoned coal refuse disposal areas; sealing and filling of abandoned deep mine entries and voids; planting of land adversely affected by past coal mining to prevent erosion and sedimentation; prevention, abatement, treatment, and control of water pollution created by coal mine drainage, including restoration of stream beds, and construction and operation of water treatment plants; prevention, abatement, and control of burning coal refuse disposal areas and burning coal in situ; and prevention, abatement, and control of coal mine subsidence;
 - (b) Acquisition and filling of voids and sealing of tunnels, shafts, and entryways;
 - (c) Acquisition of land as provided for in this chapter;
 - (d) Restoration, reclamation, abatement, control, or prevention of adverse effects of coal mining which constitute an emergency as provided for in this program;
 - (e) Administrative expenses of the program to accomplish the purposes of this program;
 - (f) For the purposes of Section 507(c) of P.L. 95-87; and
 - (g) All other necessary expenses to accomplish the purposes of this program.

➔Section 1892. KRS 350.565 is amended to read as follows:

The ***Energy and Environment***~~(Environmental and Public Protection)~~ Cabinet shall have the authority to prepare and submit to the Secretary, United States Department of the Interior, reclamation plans, annual projects, applications for federal support, and any other reports or plans which are provided for or required pursuant to Title IV of the Surface Mining Control and Reclamation Act of 1977 (P.L. 95-87).

➔Section 1893. KRS 350.570 is amended to read as follows:

- (1) If the cabinet makes a finding of fact pursuant to the Abandoned Mine Lands Program that:
 - (a) Land or water resources have been adversely affected by past coal mining practices; and
 - (b) The adverse effects are at a stage where, in the public interest, action to restore, reclaim, abate, control, or prevent should be taken; and
 - (c) The owners of the land or water resources where entry must be made to restore, reclaim, abate, control, or prevent the adverse effects of past coal mining practices are not known or readily available; or
 - (d) The owners will not give permission for the United States, the Commonwealth, political subdivisions, or their agents, employees, or contractors to enter upon such property to restore, reclaim, abate, control, or prevent the adverse effects of past coal mining practices;

then, upon giving notice by mail to the owners if known, or if not known, by posting notice upon the premises and advertising once in a newspaper of general circulation in the municipality or county in which the land lies,

the cabinet and its authorized representatives, agents, and contractors shall have the right to enter upon the property adversely affected by past coal mining practices, and any other property to have access to such property to do all things necessary or expedient to restore, reclaim, abate, control, or prevent the adverse effects. Such entry shall be construed as an exercise of the police power for the protection of public health, safety, and general welfare and shall not be construed as an act of condemnation of property nor of trespass thereon. The moneys expended for such work and the benefits accruing to any such premises so entered upon shall be chargeable against such land and shall mitigate or offset any claim in or any action brought by any owner of any interest in such premises for any alleged damages by virtue of such entry: provided, however, that this provision is not intended to create new rights of action or eliminate existing immunities.

- (2) The cabinet and its authorized representatives, agents, and contractors shall have the right to enter upon any property for the purpose of conducting studies or exploratory work to determine the existence of adverse effects of past coal mining practices and to determine the feasibility of restoration, reclamation, abatement, control, or prevention of such adverse effects. Such entry shall be construed as an exercise of the police power for the protection of public health, safety, and general welfare, and shall not be construed as an act of condemnation of property nor trespass thereon.
- (3) The Commonwealth shall have the power to acquire, by purchase, donation, devise, or condemnation, any land which is adversely affected by past coal mining practices if acquisition of such land is necessary for successful reclamation and that:
 - (a) The acquired land, after restoration, reclamation, abatement, control, or prevention of the adverse effects of past coal mining practices, will serve recreation and historic purposes, conservation and reclamation purposes, or provide open space benefits; or
 - (b) Permanent facilities such as a treatment plant or a relocated stream channel will be constructed on the land for the restoration, reclamation, abatement, control, or prevention of the adverse effects of past coal mining practices; or
 - (c) Acquisition of coal refuse disposal sites and all coal refuse thereon will serve the purposes of this chapter or that public ownership is desirable to meet emergency situations and prevent recurrences of the adverse effects of past coal mining practices.
- (4) Title to all lands acquired pursuant to this section shall be in the name of the Commonwealth. The price paid for the land acquired under this section shall reflect the market value of the land as adversely affected by past coal mining practices. The Commonwealth may exercise the power of eminent domain against such land by filing a condemnation suit under the procedure of the Eminent Domain Act of Kentucky. Provided, that when the Commonwealth acquires land adversely affected by past coal mining practices pursuant to the Abandoned Mine Lands Program and when such abandoned mine reclamation fund moneys are less than the purchase price, the Commonwealth shall be authorized to use whatever funds are available pursuant to KRS 350.156(3).
- (5) The ***Energy and Environment***~~[Environmental and Public Protection]~~ Cabinet may receive any federal, state, or other funds for the purpose of reclaiming lands affected by past coal mining practices, including federal funds made available to it pursuant to Title IV of the Surface Mining Control and Reclamation Act of 1977 (P.L. 95-87). The cabinet may avail itself of any services which may be provided by other state agencies or the federal government, and may compensate them for such services.
- (6) The cabinet shall have the power to backfill, grade, revegetate, and perform other acts of restoration and reclamation on lands acquired pursuant to this section. The cabinet may cause the reclamation work to be done by its own employees or by employees of other governmental agencies or soil conservation districts, or through contracts with qualified persons. Such contracts shall be awarded pursuant to regulations promulgated by the cabinet. The cabinet and any other agency and any contractor under a contract with the cabinet shall have the right of access to the land affected to carry out such reclamation.
- (7) Where land acquired pursuant to this section is deemed to be suitable for industrial, commercial, residential, or recreational development, the Commonwealth shall have the power to sell such land by public sale under a system of competitive bidding, at not less than fair market value and under such regulations as may be promulgated to insure that such lands are put to proper use consistent with local and state land use plans, if any. The proceeds of any such sale shall be credited to the abandoned mine reclamation fund. The cabinet, when requested after appropriate public notice, shall hold a public hearing, with the appropriate notice, in the county or counties in which lands acquired pursuant to this section are located. The hearings shall be held at a time which shall afford local citizens and governments the maximum opportunity to participate in the decision

concerning the use or disposition of the lands after restoration, reclamation, abatement, control, or prevention of the adverse effects of past coal mining practices.

- (8) In addition to the authority to acquire and reclaim land for the purposes set forth in subsection (3) of this section, the Commonwealth is given authority to use money in the fund to acquire land by purchase, donation, devise, or condemnation and to reclaim such land and to transfer it to any political subdivision of the Commonwealth or to any person, firm, association, or corporation, if such is an integral and necessary element of an economically feasible plan for a project to construct or rehabilitate housing for persons disabled as the result of employment in the mines or work incidental thereto, persons displaced by acquisition of land pursuant to this section, persons dislocated as the result of adverse effects of coal mining practices which constitute an emergency as provided in KRS 350.585, or persons dislocated as the result of natural disasters or catastrophic failures from any cause, or any related commercial, industrial, agricultural, recreational, or governmental use of facilities. Such activities shall be accomplished under such terms and conditions as the Commonwealth shall require, which may include transfers of land with or without monetary consideration. Provided, that to the extent that the consideration is below the fair market value of the land transferred, no portion of the difference between the fair market value and the consideration shall accrue as a profit to such persons, firm, association, or corporation. No part of the funds provided under the abandoned mine reclamation fund may be used to pay the actual construction costs of housing.
- (9) All acquisitions and disposals of land or any interests therein pursuant to the authority granted by this section shall be governed by the applicable provisions of KRS Chapters 45A and 56.

➔Section 1894. KRS 350.600 is amended to read as follows:

- (1) The General Assembly finds that there has been a recent interest in the Commonwealth in the mining and processing of oil shale due to the critical need for fossil fuel which has developed in this country. The General Assembly further finds that the development of this fossil fuel could be of significant long-range benefit to the Commonwealth and to the United States of America, but that the unregulated extraction and processing of oil shale within the Commonwealth could cause soil erosion, water pollution, and the destruction of aesthetic and agricultural values. The General Assembly further finds that, in order to effectively regulate the extraction and processing of oil shale, the ***Energy and Environment***~~[Environmental and Public Protection]~~ Cabinet shall conduct extensive research concerning the process, waste production, and potentially adverse environmental impacts of such recovery operations.
- (2) It is the intent of the General Assembly to provide such regulation and control of the mining and processing of oil shale as to minimize and prevent its adverse effects on the citizens and the environment of the Commonwealth. The General Assembly further finds that the ***Energy and Environment***~~[Environmental and Public Protection]~~ Cabinet is the most competent agency to regulate the extraction and processing of oil shale due to its expertise in the handling of the surface mining of other minerals and in the regulation of other sources of air and water pollution.
- (3) The ***Energy and Environment***~~[Environmental and Public Protection]~~ Cabinet shall file with the regulations compiler reasonable rules and regulations pertaining to oil shale mining operations, which shall include strip mining as defined by KRS 350.010, the surface effects of underground mining of oil shale, and the in situ mining of oil shale by June 30, 1981. No person shall engage in the commercial mining or processing of oil shale until such time as the cabinet promulgates rules and regulations to provide standards for such mining.
- (4) In promulgating regulations pursuant to subsection (3) of this section, the secretary shall make written finding that the regulations promulgated are based on sound scientific and engineering data and are reasonably necessary to protect the people and environment of the Commonwealth from the adverse effects of oil shale extraction. The secretary shall promulgate regulations consistent with existing standards for land, water, and air protection. The secretary may conduct a public hearing on the subject of the cabinet's regulation of the extraction and processing of oil shale for the purpose of collecting data and receiving public comments on this issue. The hearing will be held at a time and place to be determined by the secretary in accordance with the policy of the cabinet.
- (5) Prior to the adoption of the regulations required by this section, any person may conduct core drilling, experimentation, removal of samples, or a pilot and demonstration project which involves the mining of not more than five (5) acres for the production of oil shale in any one (1) county. Such core drilling, experimentation, removal of samples, or pilot and demonstration project involving the mining of not more than five (5) acres for the production of oil shale in any one (1) county shall not be initiated until written

notification of the intent to perform such operations shall be filed at least fifteen (15) days prior to commencement of such projects by registered mail by the mine operator with the secretary of the ***Energy and Environment***~~*Environmental and Public Protection*~~ Cabinet of the Commonwealth of Kentucky and with the person(s) holding title to the surface of the land to be utilized for such operations.

- (6) The secretary of the ***Energy and Environment***~~*Environmental and Public Protection*~~ Cabinet of the Commonwealth of Kentucky shall be granted the right to monitor such core drilling, experimentation, removal of samples, or pilot and demonstration project as it may deem necessary for the purpose of establishing sound and reasonable scientific and engineering data upon which rules and regulations pertaining to oil shale mining operations in the Commonwealth of Kentucky can be based.

➔Section 1895. KRS 350.610 is amended to read as follows:

- (1) The secretary of the ***Energy and Environment***~~*Environmental and Public Protection*~~ Cabinet is hereby authorized to establish a planning process enabling objective decisions based upon competent and scientifically sound data as to which, if any, lands of the Commonwealth are unsuitable for all or certain types of surface coal mining operations pursuant to the standards set forth in this chapter; provided, that any such designation shall not prevent coal or other mineral exploration of any area so designated.
- (2) Upon petition and hearing pursuant to subsection (6) of this section, the secretary shall designate an area as unsuitable for all or certain types of surface coal mining operations, if the secretary determines that reclamation pursuant to this chapter is not technologically and economically feasible.
- (3) Upon petition and hearing pursuant to subsection (6) of this section, a surface area may be designated unsuitable for certain types of surface coal mining operations if such operations will:
 - (a) Be incompatible with existing state and local land use plans; or
 - (b) Affect fragile or historic lands in which such operations could result in significant damage to important historic, cultural, scientific, and aesthetic values, and natural systems; or
 - (c) Affect renewable resource lands in which such operations could result in a substantial loss or reduction of long-range productivity of water supply or food or fiber products, and such lands to include aquifers and aquifer recharge areas; or
 - (d) Affect natural hazard lands in which such operations could substantially endanger life and property, such lands to include areas subject to frequent flooding and areas of unstable geology.
- (4) Determinations of the unsuitability of land for surface coal mining shall be integrated as closely as possible with present and future land use planning and regulation processes at any appropriate level of government, including but not limited to any valid exercise of authority of a municipality or county, acting independently or jointly, pursuant to KRS Chapter 100.
- (5) The requirements of this section shall not apply to lands on which coal mining operations were being conducted on August 3, 1977, or under a permit issued pursuant to this chapter or where substantial legal and financial commitments in such operation were in existence prior to January 4, 1977.
- (6) Other provisions of this chapter relating to hearings to the contrary notwithstanding, any person having an interest which is or may be adversely affected shall have the right to petition the cabinet to the extent such a petition would be consistent with subsections (2) and (3) of this section, to have a specific and well-defined area designated as unsuitable for surface coal mining operations, or to have such a designation terminated. Such a petition shall contain allegations of facts which shall be specific as to the petitioner's designated area, including a justification that the criteria alleged occur throughout and form a significant feature, and shall be based upon objective evidence which would tend to establish the allegations. The cabinet shall make a determination or finding whether the petition is complete, incomplete, or frivolous. Within ten (10) months after the receipt of the petition, the cabinet shall hold a public hearing in the locality of the affected area, after appropriate notice and publication of the date, time, and location of such hearing, pursuant to regulations promulgated by the cabinet to implement this section, provided that when a permit application is pending before the cabinet and such application involves an area in a designation petition, the cabinet shall hold the hearing on the petition within ninety (90) days of its receipt. After a person having an interest which is or may be adversely affected has filed a petition and before the hearing, any person may intervene by filing allegations of facts with supporting evidence which would tend to establish the allegations. Within sixty (60) days after such a hearing, the cabinet shall issue and furnish to the petitioner and any other party to the hearing, a written decision regarding the petition, and the reasons therefor. In the event that all petitioners stipulate agreement

prior to the requested hearing and withdraw their request, such hearing need not be held. Within thirty (30) days after receipt of an order, determination, finding, or decision by the cabinet or the secretary hereunder, any applicant, or any person with an interest which is or may be adversely affected and who is aggrieved by the order, determination, finding, or decision of the cabinet or secretary, may obtain judicial review thereof by appealing to the Circuit Court of Franklin County pursuant to the provisions of KRS 224.10-470.

- (7) Prior to designating any land areas as unsuitable for surface coal mining operations, the cabinet shall prepare a detailed statement on:
 - (a) The potential coal resources of the area;
 - (b) The demand for coal resources;
 - (c) The impact of such designation on the environment, the economy, and the supply of coal; and
 - (d) The characteristics of the petition area including a justification that the criteria alleged occur throughout the petition area and form a significant feature.
- (8) Subject to subsection (5) of this section, the cabinet shall not issue a permit to conduct surface coal mining and reclamation operations in contravention of any designation or any decision on any petition pursuant to subsection (6) of this section regarding any surface area designated unsuitable for mining; nor shall the cabinet issue a permit to conduct surface coal mining and reclamation operations in an area under study for such designation in an administrative proceeding already commenced under subsection (6) of this section.

➔Section 1896. KRS 350.990 is amended to read as follows:

- (1) Any permittee, person, or operator who violates any of the provisions of this chapter or administrative regulations promulgated pursuant thereto or who fails to perform the duties imposed by these provisions, except the refusal or failure to obtain a permit or other authorization as provided in this chapter, or who violates any determination or order issued pursuant to the provisions of this chapter, may be liable to a civil penalty of not more than five thousand dollars (\$5,000) for the violation, and an additional civil penalty of not more than five thousand dollars (\$5,000) for each day during which the violation continues, and in addition, may be enjoined from continuing the violations provided in this section. Any permittee, operator, or person who fails to abate a violation noted in a notice of noncompliance or an order for immediate compliance and cessation within the time period prescribed for the abatement shall be assessed a civil penalty of not less than seven hundred fifty dollars (\$750) for each day during which the violation continues. Any person issued an order pursuant to KRS 350.130(4) shall be assessed a civil penalty of not more than five thousand dollars (\$5,000) for each violation cited in the underlying notice of noncompliance issued therewith. No separate civil penalty shall be assessed for the order issued pursuant to KRS 350.130(4). Each day of continuing violation may be deemed a separate violation for purposes of penalty assessment. The cabinet shall develop a method for calculating monetary penalties and shall promulgate it as an administrative regulation. The secretary or a designated representative, upon his or her own initiative or upon written request received within fifteen (15) days after the cabinet mails its proposed penalty assessment, may waive the use of the method for calculating monetary penalties if he or she determines that, taking into account exceptional factors present in the particular case, the penalty is demonstrably unjust. The basis for every waiver shall be fully explained and documented in the records of the case. If the secretary or his or her designated representative waives the use of the formula, he or she shall determine the appropriate penalty upon consideration of the permittee's history of previous violations at the particular surface coal mining operation, the seriousness of the violation, whether the permittee was negligent, and the demonstrated good faith of the permittee charged in attempting to achieve rapid compliance after notification of the violation. The penalties shall be recoverable in an action brought in the name of the Commonwealth of Kentucky by the ~~cabinet's Office of Legal Services~~ *cabinet's Office of Legal Services*. The Franklin Circuit Court shall hold concurrent jurisdiction and venue of all civil and injunctive actions instituted by the cabinet for the enforcement of the provisions of this chapter or the orders and administrative regulations of the cabinet promulgated pursuant thereto. All sums recovered shall be placed in the State Treasury, except those moneys collected in excess of eight hundred thousand dollars (\$800,000) in any fiscal year shall be deposited in the bond pool fund for purposes set forth in KRS 350.595 and KRS 350.700 to 350.755 until the fund reaches sixteen million dollars (\$16,000,000) or a higher amount as may be established by the most recent actuarial study, after which excess money collected shall be deposited fifty percent (50%) to the bond pool fund and fifty percent (50%) to the supplemental fund established under KRS 350.139(1), and used for the purposes of that section. If the bond pool fund falls below sixteen million dollars (\$16,000,000) or a higher amount as may be established by the most recent actuarial study, all excess moneys shall be deposited in the

bond pool fund until that fund reaches sixteen million dollars (\$16,000,000) or a higher amount as may be established by the most recent actuarial study. All moneys previously deposited in the abandoned mine land enhancement fund shall be redeposited in the bond pool fund.

- (2) Any person or operator who engages in surface coal mining operations without first securing a permit, as provided in KRS 350.060, or any person who engages in coal exploration operations, exclusive of core drilling, without proper authorization, as required by the cabinet pursuant to KRS 350.057 or administrative regulations promulgated pursuant thereto, or any person or operator who engages in other mining operations, without proper authorization as required by this chapter or administrative regulations promulgated pursuant thereto, shall be liable to a civil penalty for damages to the Commonwealth of not less than five thousand dollars (\$5,000) nor more than twenty-five thousand dollars (\$25,000) and in addition, may be enjoined from continuing the violations. Each day shall constitute a separate violation. In addition to the foregoing penalties, any permittee, person, or operator who fails to abate a violation of KRS 350.060 or KRS 350.029 or KRS 350.057, as noted in a notice of noncompliance or an order for immediate compliance and cessation within the time period prescribed for the abatement, shall be assessed an additional civil penalty of not less than seven hundred fifty dollars (\$750) for each day during which the violation continues. However, the penalties provided in subsection (1) of this section shall apply in lieu of the penalties provided in this subsection where an operator or permittee through inadvertence has exceeded the boundaries or expiration date of the permit in effect at that time.
- (3) The ~~cabinet~~~~[cabinet's Office of Legal Services]~~ shall bring an action for the recovery of penalties and bring an action for a restraining order, temporary or permanent injunction, against any permittee, operator, or person violating or threatening to violate any of the provisions of this chapter or violating or threatening to violate any order or determination issued pursuant to the provisions of this chapter. The Franklin Circuit Court shall hold concurrent jurisdiction and venue of all civil and injunctive actions instituted by the cabinet for the enforcement of the provisions of this chapter or the orders and administrative regulations of the cabinet promulgated pursuant thereto.
- (4) Any permittee, operator, or person who knowingly and willfully violates any of the provisions of this chapter, except as provided in subsection (5) of this section, or any determination or order issued pursuant to the sections of this chapter which have become final, shall be guilty of a Class A misdemeanor. Each day on which the violation occurs may constitute a separate offense.
- (5)
 - (a) Any person or operator who, in violation of KRS 350.060(1)(a) willfully and knowingly engages in surface coal mining operations without first obtaining a permit from the cabinet, or any person or operator who willfully and knowingly engages in coal exploration operations, exclusive of core drilling, without proper authorization, as required by the cabinet pursuant to KRS 350.057 or administrative regulations promulgated pursuant thereto, or any person or operator who willfully and knowingly engages in other mining operations without proper authorization as required by this chapter or administrative regulations promulgated pursuant thereto, with the intent to violate the laws, shall be guilty of a Class D felony.
 - (b) Any person or operator who in violation of KRS 350.060(1)(b) willfully and knowingly receives, transports, sells, conveys, transfers, trades, exchanges, donates, purchases, delivers, or in any way derives benefit from coal removed from any surface mining operations conducted in violation of KRS 350.060(1)(a) or 350.057 shall be guilty of a Class D felony.
- (6) Any person who violates any of the provisions of KRS 350.600 or administrative regulations promulgated pursuant thereto shall be subject to civil penalties of not more than twenty-five thousand dollars (\$25,000). Each day of continuing violation shall be deemed a separate violation.
- (7) Any permittee, operator, or person who knowingly makes any false statement, representation, or certification, or knowingly fails to make any statement, representation, or certification in any application, record, report, plan, or other document filed or required to be maintained by the cabinet, shall upon conviction be guilty of a Class A misdemeanor.
- (8) Except as permitted by law, any permittee, operator, or person who willfully and knowingly resists, prevents, impedes, or interferes with the secretary or other personnel of the cabinet in the performance of duties pursuant to this chapter shall be guilty of a Class A misdemeanor.
- (9) When a corporate permittee violates any provision of this chapter or administrative regulation promulgated pursuant thereto or fails or refuses to comply with any final order issued by the secretary, any director, officer,

or agent of the corporation who willfully and knowingly authorized, ordered, or carried out the violation, failure, or refusal shall be subject to the same civil penalties, fines, and imprisonment as may be imposed upon a person pursuant to this section.

- (10) Upon notice by the secretary that any surety has failed to comply with the provisions of KRS 350.032(3), the ~~commissioner~~~~[executive director]~~ of the Kentucky ~~Department~~~~[Office]~~ of Insurance shall revoke the surety's certificate of authority to conduct insurance business within the Commonwealth of Kentucky.
- (11) The cabinet, upon written request by any permittee, person, or operator subject to any penalty assessment under this section and pursuant to procedures, if any, set forth by administrative regulation and after consultation with the local county fiscal court, may allow as an alternative to the payment of any assessed penalty under this section the performance of in-kind reclamation, environmental rehabilitation, or similar action to correct environmental pollution. The in-kind work shall not substitute for those remedial measures mandated by the cabinet for the correction of any violations. The estimated cost of the in-kind work shall be greater than the penalty assessment. The cabinet's Division of Abandoned Mine Lands shall have the authority to approve proposed in-kind projects and to recommend projects to the cabinet, and shall determine whether the estimated cost of the in-kind work exceeds the penalty assessment. For the purposes of this subsection, the cost of the in-kind work shall include only those expenditures for actual on-site reclamation or rehabilitation work, including direct equipment, personnel, and material cost, but excluding administrative overhead or transportation costs. Failure to perform the in-kind work as agreed upon by the person or operator subject to the penalty assessment shall reinstate the liability of the person, permittee, or operator for the full amount of the assessed penalty. The cabinet may prepare and promulgate administrative regulations as are necessary to implement and administer the provisions of this subsection.

➔Section 1902. KRS 351.330 is amended to read as follows:

- (1) Blasting of explosives for use in the neighborhood of any public highway, stream of water, dwelling house, public building, school, church, commercial or institutional building, pipeline, or utility shall be done in accordance with the provisions of this section, and rules and regulations promulgated by the department.
- (2) Where necessary in a blasting operation, the department may require that the operator submit a blasting plan to the department for approval.
- (3) In all blasting operations, except as hereinafter otherwise provided, the maximum peak particle velocity of the ground motion in any direction shall not exceed two (2) inches per second at the immediate location of any dwelling house, public building, school, church, commercial or institutional building, and the particle velocity at such location immediately after a period of one (1) second following the peak particle velocity produced by any charge shall not continuously exceed one-half (1/2) inch per second.
- (4) Blasting operations without instrumentation will be considered as being within the limits set forth in this subsection if such blasting operations are conducted in accordance with rules and regulations of the department establishing the maximum amount of explosives to be used in a single charge and in a single subcharge within specified distances from any location provided by subsection (1). No more than 40,000 pounds of explosives may be used in any charge except with the approval of the commissioner. Regulations promulgated by the department pursuant to this subsection shall be in such terms that compliance therewith will assure compliance with the provisions of subsection (3).
- (5) No two (2) consecutive subcharges containing the maximum permitted by the department pursuant to this subsection shall have a detonation time separated by less than eight (8) milliseconds, except that if the amount of explosive used in any subcharge is less than maximum permitted by the department pursuant to subsection (4), the time delay between detonation times may be decreased in the same ratio.
- (6) Any blasting operation may be conducted without reference to any maximum amount or period provided by or pursuant to subsection (4) if the operator of such blasting operation demonstrates by instrumentation that maximum particle velocity of the ground motion in any direction does not exceed the limits provided in subsection (3).
- (7) Instruments for determining particle velocity as set forth in this subsection shall be limited to such specific types of devices as shall have been expressly approved by the department and the commissioner or his duly

authorized agent may enter upon any premises for the purpose of conducting or supervising any necessary instrumentations provided by KRS 351.315 to 351.375.

- (8) When blasting operations are contemplated which would result in ground vibrations that would have a particle velocity in any direction in excess of 2 inches per second at the immediate location of any dwelling house, public building, school, church, commercial or institutional building, blasting operations may proceed after receiving written consent from the property owner or owners affected.
- (9) When blasting operations, other than those conducted at a fixed site as a part of any industry or business operated at such site, are to be conducted within the vicinity of a pipeline or public utility, the blaster or person in charge of the blasting operations shall take due precautionary measures for the protection of the pipeline or utility, and shall give adequate notice to the owner or his agent that such blasting operations are intended. The blaster shall be subject to regulations promulgated by the department concerning such a blasting operation.
- (10) Blasting operations near streams shall be prohibited in all cases where the effect of the blasting is liable to change the course or channel of any stream without first obtaining a permit from the department which has been approved by the Division of Water in the ***Energy and Environment***~~(Environmental and Public Protection)~~ Cabinet.
- (11) Blasting operations shall not be conducted within eight hundred (800) feet of any public highway, unless due precautionary measures are taken to safeguard the public.
- (12) Mudcapping in blasting operations shall be permitted only where it would endanger the safety of the workers to drill the rock or material to be blasted. If mudcapping is necessary, no more than ten (10) pounds of explosives shall be used for each charge.
- (13) When the use of detonating cord would cause severe air blast the department may cause all trunk lines to be covered by 5 to 6 inches of loose earth.
- (14) In blasting operations, flying rocks shall not be allowed to fall greater than one-half (1/2) the distance between the blast and a dwelling house, public building, school, church, commercial or institutional building. Protective material shall be used to insure this limit.
- (15) When a blast is about to be fired, ample warning shall be given to allow all persons to retreat to a safe place, and care shall be taken to ascertain that all persons are in the clear. Each operator shall follow a definite plan of warning signals that can be clearly seen or heard by anyone in the blasting area. The operator shall inform all employees at the operation as to the established procedure.
- (16) No person shall use explosives in such manner that safety to persons or property is threatened.
- (17) The two (2)-inch-per-second maximum peak particle velocity as specified in subsections (3) and (8) of this section shall be construed as the threshold below which blasting damage is unlikely to occur. However, the department shall have the authority to promulgate regulations requiring more restrictive levels of maximum peak particle velocity when necessary to maintain consistency with federal statutes or regulations.

 - (7) All bonds required to be posted under this section shall:
 - (a) Be made in favor of the Department for Natural Resources;
 - (b) Be conditioned that the wells, upon abandonment, shall be plugged in accordance with the administrative regulations of the department and that all records required by the department be filed as specified; and
 - (c) Remain in effect until the plugging of the well is approved by the department, or the bond is released by the department.
 - (8) An operator may petition the department to amend the drilling depth and bond amount applicable to a particular well and shall not proceed to drill to a depth greater than that authorized by the department until the operator is so authorized, except pursuant to administrative regulations promulgated by the department.
 - (9)
 - (a) Any qualified well operator, in lieu of the individual bond, may file with the department a blanket bond according to the following tiered structure:
 1. One (1) to twenty-five (25) wells require a ten thousand dollar (\$10,000) bond;
 2. Twenty-six (26) to one hundred (100) wells require a twenty-five thousand dollar (\$25,000) bond;

 - (b) Any nonqualified well operator, in lieu of an individual bond, may file with the department a blanket bond according to the following tiered structure:
 1. One (1) to one hundred (100) wells require a fifty thousand dollar (\$50,000) bond;
 2. One hundred one (101) or more wells require a one hundred thousand dollar (\$100,000) bond.
 - (10) To qualify for a blanket bond under the tiered structure set forth in subsection (9)(a) of this section, an operator shall:
 - (a) Have a blanket bond in place filed with the department prior to July 15, 2006, and have no outstanding, unabated violations of KRS Chapter 353 or regulations adopted pursuant thereto which have not been appealed;
 - (b) Demonstrate for a period of thirty-six (36) months prior to the request for blanket bonding a record of compliance with the statutes and administrative regulations of the division; or

 - (a) A ratio of total liabilities to net worth less than two (2); or
 - (b) A ratio of the sum of net income plus depreciation, depletion, and amortization to total liability greater than one-tenth (0.1); or
 - (c) A ratio of current assets to current liabilities greater than one and five-tenths (1.5).
- (12) If the operator is a corporate subsidiary, the operator further shall provide a corporate guarantee in which the guarantor shall be the parent corporation of the operator of the wells covered under the bond. The corporate guarantee shall provide:
 - (a) That if the operator fails to perform with the proper plugging and abandonment of any well covered by the blanket bond, the guarantor shall do so or provide for alternate financial assurance; and
 - (b) The corporate guarantee shall remain in force unless the guarantor sends notice of the cancellation by certified mail to the operator and to the department. Cancellation shall not occur, however, during the one hundred twenty (120) day period beginning on the first day that both the operator and the department have received notice of cancellation, as evidenced by the certified mail return receipts.
- (13) An operator shall not be eligible for blanket bonding if:
 - (a) It has more than ten (10) violations of KRS Chapter 353 or the regulations adopted pursuant thereto within the thirty-six (36) month period;
 - (b) It has any outstanding, unabated violations of KRS Chapter 353 or the regulations adopted pursuant thereto which have not been appealed;
 - (c) It has a forfeiture of a bond, whether an individual bond or portion of a blanket bond, on any permit where the operator has not entered into an agreed order with the department for the plugging and proper abandonment of the well or wells on the forfeited permit or permits; or
 - (d) It has a permit or permits, upon which a bond or portion of a bond has been forfeited and the proceeds from the forfeiture have been spent by the department to plug or reclaim the permitted well or wells, unless the operator has made restitution to the department for all costs associated with the forfeiture, plugging, and proper abandonment.
- (14) A deposit in cash or a bank-issued irrevocable letter of credit may serve in lieu of either of the individual well or blanket bonds.
- (15) Individuals acquiring a single well for domestic use may post a combination bond which shall consist of a cash bond in the amount of one thousand dollars (\$1,000) plus a lien on the property to cover future plugging costs. Only one (1) combination bond may be posted by each individual.
- (16) A certificate of deposit, the principal of which is pledged in lieu of a bond and whose interest is payable to the party making the pledge, may serve for an individual well bond. A certificate of deposit, the principal of which is pledged in lieu of a bond and whose interest is payable to the party making the pledge, may serve for a blanket bond, provided that the first five thousand dollars (\$5,000) of the blanket bond is posted with the department in cash.
- (17) The bond or bonds referred to in this section shall be executed by the well operator as principal and, if a surety bond, by a corporate surety authorized to do business in the Commonwealth.
- (18) A deposit in cash shall serve in lieu of either of the above bonds; all cash bonds accepted by the department shall be deposited into an interest-bearing account, with the interest thereon payable to the special agency account known as the oil and gas well plugging fund, created in subsection (24) of this section, to be used in accordance with the purposes described therein. All cash bonds being held by the department on July 13, 1990, shall likewise be deposited in the interest-bearing account, with the proceeds to be used for the purposes established for the oil and gas well plugging fund.
- (19) The bond amounts prescribed by subsection (5) of this section shall be applicable only to permits issued upon and after July 15, 2006. All bonds posted for permits issued prior to July 15, 2006, shall remain in full force and effect for the duration of the permits.

- (20) The blanket bond amounts prescribed by subsection (9) of this section shall be effective upon and after July 15, 2006. Any operator having filed a blanket bond with the department prior to July 15, 2006, may at its discretion increase the level of the blanket bond incrementally by increasing the blanket bond by the amount of the individual bond prescribed by subsection (9) of this section on any wells drilled subsequent to July 15, 2006, until the blanket bond has reached the level prescribed by subsection (9) of this section.
- (21) A successor to the well operator shall post bond, pay a twenty-five dollar (\$25) fee per well to the department, and notify the department in writing in advance of commencing use or operation of a well or wells. The successor shall assume the obligations of this chapter as to a particular well or wells and relieve the original permittee of responsibility under this chapter with respect to the well or wells. It shall be the responsibility of the selling operator to require the successor operator to post bond before use or operation is commenced by the successor and relief of responsibility under this chapter is granted to the original permittee.
- (22) If the requirements of this section with respect to proper plugging upon abandonment and submission of all required records on all well or wells have not been complied with within the time limits set by the department, by administrative regulation, or by this chapter, the department shall cause a notice of noncompliance to be served upon the operator by certified mail, addressed to the permanent address shown on the application for a permit.
- (a) The notice shall specify in what respects the operator has failed to comply with this chapter or the administrative regulations of the department.
- (b) If the operator has not reached an agreement with the department or has not complied with the requirements set forth by it within forty-five (45) days after mailing of the notice, the bond shall be forfeited to the department.
- (23) A bond forfeited pursuant to the provisions of this chapter may be collected by an attorney for the department or by the Attorney General, after notice from the director of the Division of Oil and Gas ~~Conservation~~.
- (24) All sums received under this section or through the forfeiture of bonds shall be placed in the State Treasury and credited to a special agency account to be designated as the oil and gas well plugging fund, which shall be an interest-bearing account with the interest thereon payable to the fund. This fund shall be available to the department and shall be expended for the plugging of any abandoned wells coming within the authority of the department pursuant to this chapter. The plugging of any well pursuant to this subsection shall not be construed to relieve the operator or any other person from civil or criminal liability which would exist except for the plugging. Any unencumbered and any unexpended balance of this fund remaining at the end of any fiscal year shall not lapse but shall be carried forward for the purpose of the fund until expended or until appropriated by subsequent legislative action.

- (b) Any water well used primarily for cooling purposes in an industrial process.
- (27) Notwithstanding the provisions of KRS Chapter 353 or this section, no operator shall be eligible to receive additional permits if that operator or any entity in which it has an ownership interest has:

- (b) A forfeiture of a bond, whether an individual bond or portion of a blanket bond, on any permit where the operator has not entered into an agreed order with the department for the plugging and proper abandonment of the well or wells on the forfeited permit or permits; or
- (c) A permit or permits upon which a bond or portion of a bond has been forfeited, and the proceeds therefrom having been spent by the department to plug or reclaim the permitted well, or wells, unless the operator has made restitution to the department for all costs associated with the forfeiture, plugging, and proper abandonment.

➔Section 1908. KRS 353.5901 is amended to read as follows:

- (1) In all cases where there has been a complete severance of the ownership of the oil and gas from the ownership of the surface to be disturbed, a well operator shall submit to the department an operations and reclamation proposal at the time of filing an application for permit to drill, deepen, or reopen a well. The proposal shall be filed on forms provided by the department and shall include:
 - (a) A proposal to prevent erosion of and sedimentation from the well site and all disturbed areas, including roads;
 - (b) A narrative description of the location of all areas to be disturbed, including the location of roads, gathering lines, the well site, tanks and other storage facilities, and any other information that may be required by the department. Accompanying this narrative description shall be a plat depicting the location on the land of all of these disturbances or facilities;
 - (c) A signed agreement by the surface owners of all disturbed areas to the operations and reclamation proposal; and
 - (d) Any additional information that the department may require.
- (2) In all cases where there has been a complete severance of the ownership of the oil and gas from the ownership of the surface and the surface owners of all disturbed areas have not signed agreements with the well operator agreeing to the operations and reclamation proposal, at the time of filing the application the well operator shall cause to be delivered to the surface owners of all disturbed areas who have not agreed to the operations and reclamation proposal, by certified mail, return receipt requested:
 - (a) A copy of the operations and reclamation proposal required by paragraph (a) of subsection (1) of this section, and the narrative description of land disturbances and plat required by paragraph (b) of subsection (1) of this section; and
 - (b) A notice to read as follows: "If you do not agree with the proposed use of your land by the well operator, the well operator may request mediation of your dispute by the General Counsel's Office of the Department for Natural Resources. If mediation is requested, and you decide to participate, each party to the mediation will be charged one hundred dollars (\$100) to help cover the cost of mediation. You will be notified of the time and place for mediation, if the well operator chooses mediation, and of your right to participate."

The certified mail receipt, when returned, shall be filed by the well operator with the department and made part of the permit application.
- (3) If the well operator has been unable to reach agreement with the surface owners of all areas to be disturbed in all cases where there has been a complete severance of the ownership of the oil and gas from the ownership of the surface to be disturbed, the permit required by this chapter shall not be issued until the dispute has been referred to mediation by the General Counsel's Office of the Department for Natural Resources, and mediation has been concluded either by agreement between the parties or by a report of the mediator, in accordance with subsection (4) of this section.
- (4) The well operator may request mediation any time after filing the permit application, and all parties participating in the mediation shall pay a nonrefundable fee of one hundred dollars (\$100) to the Kentucky State Treasurer, which shall be for the sole use of the department and shall be in addition to any money appropriated by the General Assembly for the use of the department. The department shall notify the well operator and all surface owners of areas to be disturbed by drilling who have not agreed to the operation and reclamation plan of the date and time mediation shall be conducted by certified mail, return receipt requested. The department shall conduct mediation at the site proposed to be disturbed within fifteen (15) days from the date requested, if practicable. At the mediation, the mediator will attempt to facilitate an agreement between the well operator and the surface owner. If an agreement is not forthcoming after mediation, the mediator shall, within five (5) days after mediation, issue a report to the director of the Division of Oil and Gas ~~Conservation~~ recommending that the director:
 - (a) Accept the proposal as submitted by the well operator; or
 - (b) Accept the proposal with modifications set forth by the mediator.

- (5) If an agreement between the well operator and the surface owners of all disturbed areas is not forthcoming after mediation, the mediator shall consider the following factors as to the reasonable use of the surface by the well operator in issuing a report to the director, which recommendations shall become permit conditions:
- (a) The location of roads, gathering lines, and tank batteries;
 - (b) The timing of the operation, considering seasonal uses of the land by the surface owner and the need of the well operator to drill expeditiously;
 - (c) The impact on the other uses of the land by the surface owner, including the location of timber, houses, barns, ponds, crops, and other improvements;
 - (d) Whether the proposal includes a plan for timely, effective reclamation of all disturbed areas; and
 - (e) Any other information deemed appropriate by the mediator.
- (6) The director shall act upon the recommendation of the mediator within five (5) days of the receipt of the mediation report.

➔Section 1909. KRS 353.640 is amended to read as follows:

- (1) The operator shall provide a list to the department of all persons reasonably known to own an oil or gas interest in any tract, or portion thereof, proposed to be pooled in an application to the department for a pooling order. A pooling order shall be made only after the department provides notice to all persons reasonably known to own an oil or gas interest in any tract, or a portion thereof, proposed to be pooled after a hearing has been held. In the event of the filing of an application for a pooling order under KRS 353.630(2) where unknown owners or nonlocatable owners exist, the operator shall cause to be published, at least twenty (20) days prior to the hearing on the application for the pooling order, one (1) notice in the newspaper of the largest circulation in each county in which any tract, or portion thereof, proposed to be pooled is located. The notice shall:
- (a) State that an application for a pooling order is being filed with the Division of Oil and Gas{~~Conservation~~} in the Department for Natural Resources;
 - (b) Describe any tract, or portion thereof, proposed to be pooled;
 - (c) In the case of an unknown owner, identify the name of the last known owner;
 - (d) In the case of a nonlocatable owner, identify the owner and the owner's last known address; and
 - (e) State that any party claiming an interest in any tract, or portion thereof, proposed to be pooled should contact the operator at the published address and provide a copy of the notification to the director of the Division of Oil and Gas{~~Conservation~~} in the Department for Natural Resources within twenty (20) days of the date of publication.
- (2) A pooling order shall authorize the drilling, deepening, or reopening, and the operation of a well for the production of oil or gas on the tracts or portions thereof pooled; shall designate the operator to drill and operate the well; shall prescribe the time and manner in which all owners of operating interests in the pooled tracts or portions thereof may elect to participate therein; shall provide that all reasonable costs and expenses of drilling, deepening, or reopening, and the completing, operating, plugging, and abandoning the well shall be borne, and all production from the well shall be shared by all owners of operating interests in proportion to the net mineral acres in the pooled tracts owned or under lease to each owner; and shall make provision for the payment of the reasonable actual cost thereof, including a reasonable charge for supervision, by all those who elect to participate therein.
- (3) A pooling order shall establish a procedure for the owner of an operating interest who does not decide to become a participating operator to elect to either:
- (a) Surrender, by means of sale or lease, the interest to a participating operator on a reasonable basis and for a reasonable consideration, which if not agreed upon shall be determined by the director of the Division of Oil and Gas{~~Conservation~~}; or
 - (b) Share in the operation of the well as a nonparticipating operator on a carried basis after the proceeds allocable to his or her share equal two hundred percent (200%) of the share of the costs allocable to his or her interest.

- (4) An oil or gas owner whose identity and location remain unknown at the conclusion of a hearing concerning the entry of a pooling order for which public notice was given and whose interest is pooled pursuant to KRS 353.630(3) shall be deemed to have elected to lease the interest to the oil or gas operator, exclusive of one-eighth (1/8) of the production attributable to the unleased interest, and shall not be entitled to make the election established in subsection (3) of this section.
- (5) Except as provided in this subsection, an oil or gas owner who does not make an election under the pooling order within thirty (30) days of the entry of the order shall be deemed to have leased the oil or gas interest to the oil or gas well operator in the manner established in subsection (4) of this section. If the holder of an operating interest has obtained the interest by lease or other agreement granting the right to conduct operations to anyone other than the holder of the oil and gas estate, and if the owner of the operating interest does not make an election under the pooling order, the holder of the operating interest shall be deemed to have elected to share in the operation of the well as a nonparticipating operator on a carried basis after the proceeds allocable to his or her share equal two hundred percent (200%) of the share of the costs allocable to his or her interest.
- (6) A person whose interest is subject to an oil or gas lease or other agreement which grants to another the right to operate or conduct operations shall not own an operating interest for the purposes of subsection (3) of this section.
- (7) A certified copy of any pooling order entered under KRS 353.500 to 353.720 shall be entitled to be recorded in the office of the county clerk of the county or counties in which all or any portion of the pooled tract is located, and the record of the order, from the time of lodging the order for record, shall be notice of the order to all persons.

- (2) If a dispute shall arise as to the costs of drilling, deepening or reopening, and operating a well, the director of the Division of Oil and Gas~~[-Conservation]~~ shall determine and apportion the costs.

➔Section 1912. KRS 353.739 is amended to read as follows:

- (1) Within ten (10) days of the drilling of the well, the well operator shall have performed, at its expense, a directional survey for any well drilled in an active mining area or an inclination survey for any well drilled through a workable coal bed that is not in an active mining area.
- (2) If, as a result of the as-drilled well location plat prepared pursuant to KRS 353.735 or the directional or inclination survey performed under subsection (1) of this section, it is determined that a well or any portion of a well has been drilled at either a surface location or a subsurface location at the base of the lowest workable coal bed that is not in compliance with the allowable distances established in KRS 353.737(2), as well as the spacing requirements of KRS 353.610, then the well operator shall promptly notify the Division of Oil and Gas~~[-Conservation]~~ of the noncompliance. The division shall order the well operator to remediate the noncompliance to bring the well within the allowable distances that have been exceeded. If the division determines that the well's permit conditions cannot be satisfied by remediation or that the well operator is unable to satisfactorily meet the ordered remediation, then the division shall order the well to be plugged and abandoned.
- (3) No remediation shall be required under subsection (2) of this section if:
 - (a) A directional survey indicates that the well is not in compliance with the allowable distance established in KRS 353.737(2)(b), but the well is in compliance with the spacing requirements of KRS 353.610; and
 - (b) The well operator receives a waiver for the noncompliance from the coal operator or permittee.
- (4) No remediation shall be required under subsection (2) of this section if:
 - (a) An inclination survey indicates that the well is not in compliance with the allowable distances established in KRS 353.737(2), but the well is in compliance with the spacing requirements of KRS 353.610; and
 - (b) The well operator performs or causes to be performed a directional survey to identify the correct subsurface location of the wellbore.

➔Section 1913. KRS 353.743 is amended to read as follows:

A coal, oil, or gas operator that has a directional or inclination survey performed pursuant to KRS 353.737 and 353.739 shall provide a copy of the survey to the Division of Oil and Gas~~[-Conservation]~~. The division shall be responsible for reasonably maintaining and updating all information required by this chapter regarding oil and gas wells.

➔Section 1914. KRS 353.745 is amended to read as follows:

- (2) The Division of Oil and Gas~~[-Conservation]~~ shall make available on its Web site maps or other relevant information showing the location of gathering lines, as filed by the well operator, within thirty (30) days of the information being filed.
- (3) Prior to the issuance of a permit to drill, the division shall determine whether the proposed well will intersect an active mining area by reviewing the pertinent mine maps filed with the Office of Mine Safety and Licensing. If the proposed well will intersect with an active mining area, the division shall:
 - (a) Determine whether the coal mine permittee has been properly notified pursuant to KRS 353.050; and
 - (b) Issue the permit to drill on the condition that a directional survey be performed pursuant to KRS 353.739(1).
- (4) In order to perform the duties under this section, the Division of Oil and Gas~~[-Conservation]~~ shall create and adequately staff the positions required to perform the duties. The division may charge an administrative fee not to exceed fifty dollars (\$50) per permit application to perform its duties under this section.

 - 2. The borrower is a natural person;
 - 3. The debt is incurred by the borrower primarily for personal, family, or household purposes;
 - 4. The loan is secured by a mortgage on residential real property or secured by collateral which has a mortgage lien interest in residential real property, which is or will be occupied by the borrower as the borrower's principal dwelling; and

5. The terms of the loan exceed either or both of the following thresholds:
 - a. Without regard to whether the loan transaction is or may be a "residential mortgage transaction" as defined in 12 C.F.R. 226.2(a)(24), as amended from time to time, the loan at the time the loan is consummated is such that the loan is considered a "mortgage" under section 152 of the Home Ownership and Equity Protection Act of 1994, Pub. L. No. 103-325, 15 U.S.C. sec. 1602(aa), as the same may be amended from time to time, and regulations adopted pursuant thereto by the Federal Reserve Board, including 12 C.F.R. 226.32, as the same may be amended from time to time; or
 - b. The total points and fees payable by the borrower at or before the loan closing exceed the greater of three thousand dollars (\$3,000) or six percent (6%) of the total loan amount as shown as the amount financed on the final Truth-in-Lending Statement.
- (b) "Lender" means any person who funds or negotiates the terms of a high-cost home loan or acts as a mortgage broker or lender, finance company, or retail installment seller with respect to a high-cost home loan. However, any person who purchases or is otherwise assigned a high-cost home loan shall be subject to an action for violation of this section only if the violation for which the action or proceeding is brought is apparent on the face of the disclosure or the underlying promissory note.
- (c) "Material change" means any of the following:
 1. A change in the type of loan being offered, such as a fixed or variable rate loan or a loan with a balloon payment;
 2. A change in the term of the loan, as reflected in the number of monthly payments due before a final payment is scheduled to be made;
 3. An increase in the interest rate of more than one-quarter of one percent (0.25%), or an equivalent increase in the amount of discount points charged;
 4. A change regarding the requirement of escrow for taxes and insurance; and
 5. A change regarding the requirement or payment, or both, of private mortgage insurance.
- (d) 1. "Total points and fees payable by the consumer at or before the loan closing" means all amounts payable by a borrower at or before the closing of a home loan, excluding any interest or time-price differential due at closing on the loan proceeds and includes:
 - a. All mortgage broker fees, including fees paid by the consumer directly to the broker, fees paid by the consumer to the creditor for delivery to the broker, and yield spread premiums paid by the creditor to the broker;
 - b. Any amount payable under an add-on or discount system of additional charges;
 - c. Service, transaction, activity, and carrying charges that exceed similar charges on a noncredit account;
 - d. Points, loan fees, assumption fees, finder's fees, and similar charges;
 - e. Appraisal, investigation, and credit report fees when service is provided by the lender or an affiliate and not by a third party;

 - g. Premiums or other charges for credit life, accident, health, or loss-of-income insurance, or debt-cancellation coverage, whether or not the debt-cancellation coverage is insurance under applicable law; or
 - h. Closing agent fees charged by a third party, but only if the lender requires the particular services for which the borrower is charged and the lender requires the imposition of the charge or the lender retains a portion of the charge.

2. "Total points and fees payable by the consumer at or before the loan closing" does not include real estate related fees paid to third parties if the charge is reasonable, the creditor receives no direct or indirect compensation in connection with the charge, and the charge is not paid to an affiliate of the creditor. Real estate related fees include:
 - a. Fees for title examination, abstract of title, title insurance, property survey, and similar purposes;
 - b. Fees for preparing loan-related documents, such as deeds, mortgages, and reconveyance or settlement documents;

- (2) A high-cost home loan shall be subject to the following limitations:
- (a)
 1. No lender may make, provide, or arrange a high-cost home loan with a prepayment penalty unless the lender offers the borrower a loan without a prepayment penalty, the offer is in writing, and the borrower initials the offer to indicate that the borrower has declined the offer. The lender shall disclose the discount in rate received in consideration for a high-cost home loan with the prepayment penalty; and
 2. If a borrower declines an offer required in paragraph (a)1. of this subsection, the lender may include a prepayment penalty schedule. No prepayment penalty shall be assessed against the borrower following the third anniversary date of the mortgage or sixty (60) days prior to the date of the first interest rate reset, whichever is less. No prepayment penalty shall exceed three percent (3%) for the first year, two percent (2%) for the second year, and one percent (1%) for the third year of the outstanding balance of the loan; but in no event shall a prepayment penalty be assessed against a borrower refinancing with the mortgage loan company that funded the mortgage;
 - (b) A high-cost home loan may not contain a provision which permits the lender, in its sole discretion, to accelerate the indebtedness. This provision does not apply when repayment of the loan has been accelerated by default, pursuant to a due-on-sale provision, or pursuant to some other provision of the loan documents unrelated to the payment schedule;
 - (c) A high-cost home loan may not contain a scheduled payment that is more than twice as large as the average of earlier scheduled payments. This provision does not apply when the payment schedule is adjusted to the seasonal or irregular income of the borrower;
 - (d) A high-cost home loan may not contain a payment schedule with regular periodic payments that cause the principal balance to increase;
 - (e) A high-cost home loan may not contain a provision which increases the interest rate after default. This provision does not apply to interest rate changes in a variable rate loan otherwise consistent with the provisions of the loan documents, provided the change in the interest rate is not triggered by the event of default or the acceleration of the indebtedness;
 - (f) A high-cost home loan may not include terms under which more than two (2) periodic payments required under the loan are consolidated and paid in advance from the loan proceeds provided to the borrower;
 - (g) A lender may not charge a borrower any fees to modify, renew, extend, or amend a high-cost home loan or to defer any payment due under the terms of a high-cost home loan, unless the fees are less than one-half (1/2) of any fees that would be charged for a refinance or unless the borrower is in default and it is in the borrower's best interest;

- (h) A lender may not make a high-cost home loan unless the borrower has been provided the following notice or a substantially similar notice, in writing, not later than the time that notice provided by 12 C.F.R. 226.31(c), as amended from time to time, is required:

IF YOU OBTAIN THIS LOAN, THE LENDER WILL HAVE A MORTGAGE ON YOUR HOME. YOU COULD LOSE YOUR HOME AND ANY MONEY YOU PUT INTO IT IF YOU DO NOT MEET YOUR OBLIGATIONS UNDER THE LOAN.

MORTGAGE LOAN RATES AND CLOSING COSTS AND FEES VARY BASED ON MANY FACTORS, INCLUDING YOUR PARTICULAR CREDIT AND FINANCIAL CIRCUMSTANCES, YOUR EMPLOYMENT HISTORY, THE LOAN-TO-VALUE REQUESTED AND THE TYPE OF PROPERTY THAT WILL SECURE YOUR LOAN. THE LOAN RATE AND FEES COULD ALSO VARY BASED ON WHICH LENDER OR BROKER YOU SELECT. YOU SHOULD SHOP AROUND AND COMPARE LOAN RATES AND FEES.

YOU SHOULD ALSO CONSIDER CONSULTING A QUALIFIED INDEPENDENT CREDIT COUNSELOR OR OTHER EXPERIENCED FINANCIAL ADVISOR REGARDING THE RATE, FEES, AND PROVISIONS OF THIS MORTGAGE LOAN BEFORE YOU PROCEED. YOU SHOULD CONTACT THE UNITED STATES DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT FOR A LIST OF CREDIT COUNSELORS AVAILABLE IN YOUR AREA.

YOU ARE NOT REQUIRED TO COMPLETE THIS LOAN AGREEMENT MERELY BECAUSE YOU HAVE RECEIVED THESE DISCLOSURES OR HAVE SIGNED A LOAN APPLICATION.

REMEMBER, PROPERTY TAXES AND HOMEOWNER'S INSURANCE ARE YOUR RESPONSIBILITY. NOT ALL LENDERS PROVIDE ESCROW SERVICES FOR THESE PAYMENTS. YOU SHOULD ASK YOUR LENDER ABOUT THESE SERVICES.

ALSO, YOUR PAYMENTS ON EXISTING DEBTS CONTRIBUTE TO YOUR CREDIT RATINGS. YOU SHOULD NOT ACCEPT ANY ADVICE TO IGNORE YOUR REGULAR PAYMENTS TO YOUR EXISTING CREDITORS;

- (i) A lender may not make a high-cost home loan unless the lender reasonably believes at the time the loan is consummated that one (1) or more of the borrowers, when considered individually or collectively, will be able to make the scheduled payments to repay the loan based upon a consideration of their current and expected income, current obligations, current employment status, and other financial resources, other than the borrower's equity in the dwelling which secures repayment of the loan. A borrower shall be presumed to be able to make the scheduled payments to repay the loan if, at the time the loan is consummated:
1. The borrower's total monthly debts, including amounts owed under the loan, do not exceed fifty percent (50%) of the borrower's monthly gross income as verified by the credit application, the borrower's financial statement, a credit report, financial information provided to the lender by or on behalf of the borrower, or any other reasonable means;
 2. The loan has been approved by an automated underwriting service offered by FNMA or Freddie MAC;
 3. The lender verifies and documents that the borrower has liquid assets equal to fifty percent (50%) of the principal loan amount; or
 4. The borrower has sufficient residual income as defined in the guidelines established in 38 C.F.R. 36.4337(e) and United States *Department of Veterans Affairs* ~~Administration~~ form 26-6393;
- (j) If the proceeds of the high-cost home loan are used to refinance an existing high-cost home loan held by the same lender as noteholder, the lender may not directly or indirectly finance:
1. Any prepayment fees or penalties payable by the borrower; or
 2. Points and fees, excluding those provided for in 12 C.F.R. 226.4(c)(7), which in the aggregate are in excess of four percent (4%) of the total amount financed;

- (k) A lender or mortgage loan broker may not, within one (1) year of the consummation of a high-cost home loan, charge a borrower points and fees in connection with a high-cost home loan if the proceeds of the high-cost home loan are used to refinance an existing high-cost home loan on which points were charged. A lender may not, at any time, charge a borrower points and fees in addition to those allowed by 12 C.F.R. 226.4(c)(7) if the proceeds of the high-cost home loan are used to refinance an existing high-cost home loan, on which points were charged, held by the same lender as noteholder. However, points and fees in accordance with this section may be charged on any proceeds of a high-cost home loan which are in excess of the amount refinanced on the existing high-cost home loan;
- (l) A lender may not pay a contractor under a home-improvement contract from the proceeds of a high-cost home loan other than by an instrument payable to the borrower or jointly to the borrower and the contractor, or at the election of the borrower, through a third-party escrow agent in accordance with terms established in a written agreement signed by the borrower, the lender, and the contractor prior to the disbursement;
- (m) A lender shall not refinance, replace, or consolidate a zero interest rate or low interest rate loan made by a governmental or nonprofit lender with a high-cost home loan. For purposes of this paragraph, a low interest rate loan is defined as a loan that carries a current interest rate that is two (2) percentage points or more below the current yield on United States Treasury securities with a comparable maturity;
- (n) A lender shall not finance single premium credit life, credit accident, credit health, credit disability, or credit loss of income insurance in connection with a high-cost home loan;
- (o) A lender shall not make a high-cost home loan unless the lender has made available to the borrower a videotape, or other similar audio-video media format such as DVD or CD, approved by the ~~Department~~~~Office~~ of Financial Institutions, which explains the borrower's rights and responsibilities with regard to this section or high-cost home loans. A lender shall have available for viewing at least one (1) copy of the video in the principal office and each branch office of the lender;
- (p) A lender shall not make a high-cost home loan subject to a mandatory arbitration clause that is oppressive, unfair, unconscionable, or substantially in derogation of the rights of consumers. Arbitration clauses that comply with the standards set forth in the Statement of Principles of the National Consumer Dispute Advisory Committee of the American Arbitration Association in effect on June 24, 2003, shall be presumed not to violate this subsection;
- (q) A lender shall not charge a late payment fee on a high-cost home loan except in accordance with the following:
 - 1. The late payment fee may not be in excess of five percent (5%) of the amount of the payment past due or ten dollars (\$10), whichever is greater;
 - 2. The loan documents must specifically authorize the late payment fee;
 - 3. The late payment fee may only be assessed for a payment past due fifteen (15) days or more; and

- (s) A lender shall not initiate a foreclosure or other judicial process to terminate a borrower's interest in residential real property subject to a high-cost home loan without first providing the borrower, at least thirty (30) days prior to the initiation of any process, written notice of default and of the borrower's right to cure. The notice shall include a statement of the amount needed to be paid by the borrower in order to cure the default and the date by which the payment is due to cure the default. If the amount needed to be paid will change during the thirty (30) day notice period, the notice shall provide information sufficient to enable a calculation of the daily change;
- (t) A lender shall not recommend or encourage default on an existing loan or other debt in connection with the closing of a high-cost home loan that refinances all or a portion of the existing loan or debt;
- (u) A lender shall not make a high-cost home loan that does not require an escrow account for taxes and insurance;

- (v) A lender shall not process the application to make a high-cost home loan if the proceeds shall be used, in whole or in part, to repay the principal of an existing loan secured by the borrower's principal dwelling that is not a high-cost home loan, without first requiring the borrower to obtain housing counseling by a HUD-approved counselor;
- (w) A lender shall not make a high-cost home loan that allows the borrower, for any part or all of the term of the loan, to make payments that are applied only to interest and not to principal;
- (x) A lender shall provide timely notice to the borrower of any material change in the terms of a high-cost home loan if the change is made after an application has been taken but before the closing of the loan. Notice shall be deemed timely if given not later than three (3) days after the lender has learned of the change or twenty-four (24) hours before the high-cost home loan is closed, whichever is earlier. If the lender discloses a material change more than three (3) days after learning of the change but still twenty-four (24) hours before the high-cost home loan is closed, it will not be liable for penalties or forfeitures if the lender cures in time for the borrower to avoid any damage;
- (y) A lender shall not make a high-cost home loan without verifying the borrower's income and financial resources through tax returns, payroll receipts, bank records, or other similarly reliable documents, whether provided directly by the borrower or through a third party with the borrower's permission; and
- (z) A lender shall not make a high-cost home loan without verifying the borrower's reasonable ability to pay all scheduled payments of principal, interest, real estate taxes, homeowner's insurance, and mortgage insurance premiums, as applicable. For loans in which the interest rate may vary, the reasonable ability to repay shall be determined based upon the following:
 1. In the case of a high-cost home loan in which the rate of interest varies solely in accordance with an index, the interest rate determined by adding the index rate in effect on the date of consummation of the transaction to the maximum margin permitted at any time during the loan agreement; or
 2. In the case of a high-cost home loan in which the rate may vary at any time during the term of the loan for any reason other than in accordance with an index, the interest charged on the loan at the maximum rate that may be charged during the term of the loan.
- (3) Except as provided in paragraph (e) of subsection (2) of this section, the making of a high-cost home loan which violates any provisions of subsection (2) of this section is usurious, subject to the penalties of this chapter, and unlawful as an unfair and deceptive act or practice in or affecting commerce in violation of the provisions of KRS 367.170. The provisions of this section shall apply to any person who in bad faith attempts to avoid the application of this section by:
 - (a) The structuring of a loan transaction as an open-end credit plan for the purpose and with the intent of evading the provisions of this section when the loan would have been a high-cost home loan if the loan had been structured as a closed-end loan; or
 - (b) Dividing any loan transaction into separate parts for the purpose and with the intent of evading the provisions of this section; or
 - (c) Any other such subterfuge.

The Attorney General, the ~~commissioner~~~~executive director~~ of the ~~Department~~~~Office~~ of Financial Institutions, or any party to a high-cost home loan may enforce the provisions of this section. Any person seeking damages or penalties under the provisions of this section may recover damages under either this chapter or KRS Chapter 367, but not both.

- (4) A lender of a high-cost home loan who, when acting in good faith, fails to comply with subsection (2) of this section, will not be deemed to have violated this section if the lender establishes that either:
 - (a) Within thirty (30) days of the loan closing the borrower is notified of the compliance failure, appropriate restitution is made, and whatever adjustments are necessary are made, at the choice of the borrower, to the loan to either:
 1. Make the high-cost home loan satisfy the requirements of subsection (2) of this section; or

2. Change the terms of the loan in a manner beneficial to the borrower so that the loan will no longer be considered a high-cost home loan subject to the provisions of this section; or
 - (b) The compliance failure was not intentional and resulted from a bona fide error notwithstanding the maintenance of procedures reasonably adopted to avoid such errors, and within sixty (60) days after the discovery of the compliance failure, the borrower is notified of the compliance failure, appropriate restitution is made, and whatever adjustments are necessary are made to the loan to either, at the choice of the borrower, make the high-cost home loan satisfy the requirements of subsection (2) of this section or change the terms of the loan in a manner beneficial to the borrower so that the loan will no longer be considered a high-cost home loan subject to the provisions of this section. Examples of a bona fide error include clerical, calculation, computer malfunction and programming, and printing errors.
 - (c) For purposes of this subsection, "appropriate restitution" means the reimbursement by the lender of any points, fees, interest, or other charges made by the lender and received from the borrower necessary to put the borrower in the same position as he or she would have been had the loan, as adjusted in accordance with paragraphs (a) and (b) of this subsection, been originally made in accordance therewith.
- (5) For purposes of this section, any extension of credit shall be deemed to have been made in the Commonwealth of Kentucky, and therefore subject to the provisions of this section, if the lender offers or agrees in Kentucky to lend money to a borrower, who is a resident of Kentucky, on real property located within the Commonwealth of Kentucky, or if such borrower accepts or makes the offer in Kentucky to borrow, regardless of the situs of the contract as specified therein. Any oral or written solicitation or communication to lend originating outside of Kentucky, but forwarded to and received in Kentucky by a borrower who is a resident of Kentucky, shall be deemed to be an offer or agreement to lend in Kentucky and, therefore, subject to this section. Any oral or written solicitation or communication to borrow originating within Kentucky, from a borrower who is a resident of Kentucky, but forwarded to and received by a lender outside of Kentucky, shall be deemed to be an acceptance or offer to borrow in Kentucky. Any oral or written offer, acceptance, solicitation, or communication to lend or borrow, made in Kentucky to, or received in Kentucky from, a borrower who is not a resident of Kentucky, shall be subject to the provisions of this section, applicable federal law, law of the situs of the contract, or law of the residence of the borrower, as the parties may elect. The provisions of this section shall be severable and if any phrase, clause, sentence, or provision is declared to be invalid, the validity of the remainder of this section shall not be affected thereby.

- (2) All payments made to the agent under the agreement, contract, or plan are and shall remain trust funds with the financial institution until the death of the person for whose service the funds were paid and until the delivery of all merchandise and full performance of all services called for by the agreement, contract, or plan, except where payment is made pursuant to a request for refund.
- (3) The funds shall not be paid by the financial institution until a certified statement is furnished to the financial institution by the agent setting forth that all of the terms and conditions of the agreement have been fully performed by the person, association, partnership, firm, or corporation. Any balance remaining in the fund after payment for the merchandise and services as set forth in the agreement, contract, or plan shall be paid to the estate of the beneficiary of the agreement, contract, or plan.
- (4) The funds shall not be paid by the financial institution until the agent has proven the death of the person for whose service the funds were paid by furnishing the financial institution with a verified or certified copy of a record verifying the death, issued by the state registrar of the Vital Statistics Branch or its successor agency as authorized by KRS Chapter 213, or a provisional certificate of death as described in KRS 213.076.

In every such examination, the ***commissioner***~~[executive director]~~ of financial institutions shall make inquiry as to its financial condition, the policies of its management, whether it is complying with the laws of Kentucky, and such other matters as the ***commissioner***~~[executive director]~~ of financial institutions may reasonably prescribe. In the enforcement of KRS 386.510 to 386.590 and the restrictions and limitations imposed by their articles of incorporation and bylaws, the ***commissioner***~~[executive director]~~ of financial institutions shall have the same powers and authority with respect to fiduciary investment companies having investment advisers other than a national bank as are conferred upon him by the laws of this state with respect to state banks and trust companies to the same extent and in the same manner as if fiduciary investment companies were expressly named in Subtitle 3 of Chapter 286 of the Kentucky Revised Statutes.

➔Section 1921. KRS 393.082 is amended to read as follows:

- (1) Unclaimed sums delivered to the Kentucky State Treasurer pursuant to KRS 393.080(3) shall be placed in a special expendable trust fund established by the Kentucky Workers' Compensation Funding Commission. The Kentucky Workers' Compensation Funding Commission shall establish a separate trust account with respect to each final determination or order providing for a refund that the Attorney General determines to have a reasonable relationship to the workers' compensation liability of a bankrupt employer.
- (2) The ***commissioner***~~[executive director]~~ of the ***Department***~~[Office]~~ of Workers' Claims shall be the administrator of the resulting trust fund established pursuant to this section. The ***commissioner***~~[executive director]~~ or his or her designee shall be authorized to determine the value of all workers' compensation claims against the bankrupt employer and to prepare a comprehensive distribution plan. Eligible claimants may elect to participate in a comprehensive distribution plan in exchange for the release of all related claims against the Commonwealth and all of its cabinets, departments, offices, bureaus, agencies, officers, agents, and employees, with the exception of the special fund in the ~~[Department of]~~ Labor ***Cabinet***. A claimant shall agree as part of a release under this section not to file any future motions to reopen the named workers' compensation claim or claims, and not to file new claims with respect to the same injury or occupational disease.
- (3) A comprehensive distribution plan for unclaimed utility refunds placed in a trust account pursuant to this section shall consist of the full payment of workers' compensation income benefits for eligible claimants until the fund is exhausted, subject to the exceptions noted in KRS 393.080 and this section, and may include lump-sum settlements in addition to biweekly payment plans. An initial distribution shall be made to eligible claimants after the ***commissioner***~~[executive director]~~ of the ***Department***~~[Office]~~ of Workers' Claims, or the ***commissioner's***~~[executive director's]~~ designee, has made an initial determination of the number of eligible claimants, the amount of income benefits due, and the amount to be retained as a reserve for pending claims. The initial distribution shall include payment of all past due income benefits, without interest, for eligible claimants.
- (4) Neither the special fund nor the uninsured employers' fund shall be considered to be claimants for the purposes of this section. Medical and related benefits shall not be considered in the valuation of the claims unless the amount available in the trust fund clearly exceeds the estimated value of income benefits for all claims. If a workers' compensation surety bond, letter of credit, or other form of security for the payment of the workers' compensation liabilities of a bankrupt employer has been collected by the ***commissioner***~~[executive director]~~ of the ***Department***~~[Office]~~ of Workers' Claims or the Workers' Compensation Board for distribution to claimants in a manner to be determined by court order, it may be assumed in the valuation of the claims in a comprehensive distribution plan that the security will be distributed by the court on a pro rata basis and an appropriate deduction may be taken.
- (5) In preparing the valuation of claims for inclusion in a comprehensive distribution plan, the ***commissioner***~~[executive director]~~ or the ***commissioner's***~~[executive director's]~~ designee shall deduct special fund payments. Settlement of a workers' compensation claim as part of a comprehensive distribution plan under this section shall not accelerate the date on which the special fund's liability becomes due.
- (6) If the bankrupt employer ceased business operations at least three (3) years prior to establishment of a trust account pursuant to this section, only claimants who file workers' compensation claims within sixty (60) days of the establishment of the trust account or before shall be eligible to receive payments from the trust fund.
- (7) All claimants shall cooperate with information requests from the ***Department***~~[Office]~~ of Workers' Claims concerning prior payments of workers' compensation benefits. The ***commissioner***~~[executive director]~~ of the ***Department***~~[Office]~~ of Workers' Claims or his or her designee may subpoena witnesses, including present or

past managers and officers of the bankrupt employer, and may conduct evidentiary hearings under oath relating to the past and present workers' compensation liabilities of the bankrupt employer or information relevant to unpaid workers' compensation benefits. Administrative subpoenas issued under the authority of the ***commissioner***~~{executive director}~~ of the ***Department***~~{Office}~~ of Workers' Claims for this purpose may be enforced in the Franklin Circuit Court.

- (8) The Attorney General shall provide representation of the comprehensive distribution plan as a named defendant in the event the establishment of the trust fund is challenged.
- (9) The provisions of KRS 393.080(3) or this section shall not be construed to constitute an admission of the validity of any workers' compensation claims, nor shall these provisions be interpreted in a manner that would transfer or create liability on behalf of the ***commissioner***~~{executive director}~~ of the ***Department***~~{Office}~~ of Workers' Claims, any agency, or employee, beyond that expressly set forth in a comprehensive distribution plan.
- (10) The special fund shall issue trust fund checks in the amounts and to the claimants or claimants' representatives as directed by the ***commissioner***~~{executive director}~~ of the ***Department***~~{Office}~~ of Workers' Claims.
- (11) The personnel and other costs of administering a trust fund established pursuant to this section shall be paid out of the investment income of the trust fund.
- (12) Attorney fees shall be subject to the limitations and maximum amounts for the payment of attorney's fees established by KRS 342.320, as well as the approval of the ***commissioner***~~{executive director}~~ or his or her designee.
- (13) If a workers' compensation claimant elects not to participate in a comprehensive distribution plan proposed by the ***commissioner***~~{executive director}~~ of the ***Department***~~{Office}~~ of Workers' Claims or the ***commissioner's***~~{executive director's}~~ designee, that claimant shall not be entitled to any portion of the utility refund for the payment of the workers' compensation benefits. A claimant shall have sixty (60) days following issuance of a comprehensive distribution plan in which to make an election to participate or not.

Criteria shall be established to certify laboratories that contract to perform analytical testing related to the underground storage tank program. Owners and operators shall have all required analytical testing performed by a certified laboratory to be eligible for fund participation. Persons who contract with petroleum storage tank owners or operators shall not be paid more than the amount authorized by the division for reimbursement from the fund for the performance of corrective action. At a minimum, the division shall promulgate administrative regulations that will insure an unobligated balance in the fund adequate to meet financial assurance requirements and corrective action requirements of KRS 224.60-135(2) and (4). If the unobligated balance in the fund is not adequate to meet the requirements of this paragraph, the division shall obligate funds necessary to meet these requirements;
 - (b) Establish by administrative regulation the criteria to be met to be eligible to participate in the financial responsibility and petroleum storage tank accounts and to receive reimbursement from these accounts. The division may establish eligibility criteria for the petroleum storage tank account based upon the financial ability of the petroleum storage tank owner or operator. Owners or operators seeking coverage under the petroleum storage tank account shall file for eligibility and for financial assistance with the division. To ensure cost effectiveness, the division shall promulgate administrative regulations specifying the circumstances under which prior approval of corrective action costs shall be required for those costs to be eligible for reimbursement from the fund. In promulgating administrative regulations to carry out this section, the division may distinguish between types, classes, and ages of petroleum storage tanks and the degree of compliance of the facility with any administrative regulations of the cabinet promulgated pursuant to KRS 224.60-105 or applicable federal regulations;
 - (c) Establish a financial responsibility account within the fund which may be used by petroleum storage tank owners and operators to demonstrate financial responsibility as required by administrative regulations of the cabinet or the federal regulations applicable to petroleum storage tanks, consistent with the intent of the General Assembly as set forth in KRS 224.60-120(5). The account shall receive four-tenths of one cent (\$0.004) from the one and four-tenths cent (\$0.014) paid on each gallon of gasoline and special fuels received in this state pursuant to KRS 224.60-145. To be eligible to use this account to demonstrate compliance with financial responsibility requirements of the cabinet or federal regulations, or to receive reimbursement from this account for taking corrective action and for compensating third parties for bodily injury and property damage, the petroleum storage tank owner or operator shall meet the eligibility requirements established by administrative regulation promulgated by the division;
 - (d) Establish a small operator assistance account within the fund which may be used by the division to make or participate in the making of loans, to purchase or participate in the purchase of the loans, which purchase may be from eligible lenders, or to insure loans made by eligible lenders;
 - (e) Establish a petroleum storage tank account within the fund to be used to pay the costs of corrective action due to a release from a petroleum storage tank not eligible for reimbursement from the financial responsibility account. Reimbursements of corrective action projects performed under the petroleum storage tank account shall be carried out on or before July 15, ~~2016~~~~2013~~. Any corrective action costs incurred after this date shall not be eligible for reimbursement under the petroleum storage tank account. The account shall receive one cent (\$0.01) from the one and four-tenths cent (\$0.014) paid on each gallon of gasoline and special fuels received in this state pursuant to KRS 224.60-145. This account shall not be used to compensate third parties for bodily injury and property damage. Within three (3) months after July 15, 2004, the division shall develop a plan to address the payment of claims and completion of corrective action at facilities eligible for reimbursement from this account. The division

shall establish a ranking system to be used for the distribution of amounts from this account for the purpose of corrective action. In promulgating administrative regulations to carry out this section, the division shall consider the financial ability of the petroleum storage tank owner or operator to perform corrective action and the extent of damage caused by a release into the environment from a petroleum storage tank;

- (f) Hear complaints brought before the division regarding the payment of claims from the fund in accordance with KRS 224.10-410 to 224.10-470;
- (g) Establish and maintain necessary offices within this state, appoint employees and agents as necessary, and prescribe their duties and compensation;
- (h) Employ, in accordance with the procedures found in KRS 45A.690 to 45A.725 for awarding personal service contracts, a qualified actuary to perform actuarial studies, as directed by the division, for determining an appropriate reserve in the financial responsibility account and the petroleum storage tank account sufficient to satisfy the obligations in each account for all eligible facilities and to satisfy future liabilities and expenses necessary to operate each account. The division shall, by administrative regulation, set the entry level for participation in the fund;
- (i) Authorize expenditures from the fund to carry out the purpose of KRS 224.60-105 to 224.60-160, including reasonable costs of administering the fund, the procurement of legal services, and the procurement of analytical testing services when necessary to confirm the accuracy of analytical testing results obtained by a petroleum storage tank owner or operator. The expenditures shall be paid from the appropriate account;
- (j) Establish a small operators' tank removal account within the fund to reimburse the reasonable cost of tank system removal for small owners and operators. The account shall not be used when an owner or operator is removing the tank with the intention of replacing or upgrading the tank. In promulgating administrative regulations to carry out this paragraph, the division may distinguish among owners and operators based on income, number of tanks, number of facilities, and types and classes of tanks;
- (k) Establish by administrative regulation the policy, guidelines, and procedures to perform financial audits of any petroleum storage tank owner or operator receiving reimbursement from the fund or any entity contracting or subcontracting to provide corrective action services for facilities eligible for fund reimbursement. Financial audits shall be limited to those files, records, computer records, receipts, and other documents related to corrective action performed at a facility where the costs of corrective action have been reimbursed by the fund. Files, records, computer records, receipts, and other documents related to corrective action reimbursed by the fund shall be subject to a financial audit for a period of three (3) years after the date of final reimbursement from the fund. Results of the audits shall be protected from disclosure as allowed by KRS 61.878(1)(c). Financial auditing services may be contracted for or personnel may be employed as needed to implement the requirements of this paragraph;
- (l) Be authorized to enter and inspect any facility intending to seek reimbursement for the cost of corrective action to determine the reasonableness and necessity of the cost of corrective action. The division may collect soil or water samples or require storage tank owners or operators to split samples with the division for analytical testing. Refusal to allow entry and inspection of a facility or refusal to allow the division to collect or split samples shall make the facility ineligible for fund participation;
- (m) Have inspectors on site at all tank system removals. Failure to comply with this provision shall make the facility ineligible for fund participation. A petroleum storage tank owner or operator may request through certified mail that the division schedule an inspector to be present at an upcoming tank removal. If the request is made at least two (2) weeks before the time for the removal and an inspector fails to be present at the time scheduled, the tank removal may proceed without making the facility ineligible for fund participation unless the owner is notified by the division no later than ten (10) days prior to the proposed date that an inspector is not available on the proposed date, in which event a representative of the division shall contact the operator and schedule a new date. If no inspector is present at the rescheduled date, the removal may then proceed without penalty; and
- (n) Establish that the deadline for submission of final reimbursement requests under the petroleum storage tank account is two (2) years after receipt of a no further action letter.

- (2) The division may advise the cabinet on the promulgation of administrative regulations concerning petroleum storage tanks.
- (3) The division may sue and be sued in its own name.
- (4) The division may transfer funds from the petroleum storage tank account to the small operator tank removal account as needed to satisfy the obligations, future liabilities, and expenses necessary to operate that account. The division may transfer funds to the financial responsibility account as needed to maintain within that account sufficient funds to demonstrate financial responsibility and to ensure payment of claims as provided in subsection (1)(c) of this section.

➔Section 3. KRS 224.60-145 is amended to read as follows:

- (1) Except as provided in subsection (2) of this section, there is established a petroleum environmental assurance fee to be paid by dealers on each gallon of gasoline and special fuels received in this state.
- (2) All deductions detailed in KRS 138.240(2) and all credits detailed in KRS 138.358 are exempt from the fee. If a dealer has on file, pursuant to KRS Chapter 138, a statement supporting a claimed exemption, an additional statement shall not be required for claiming exemption from the fee.
- (3) The fee shall be reported and paid to the Department of Revenue at the same time and in the same manner as is required for the reporting and payment of the gasoline and special fuels taxes as provided by law.
- (4) The petroleum environmental assurance fee shall be set at one and four-tenths cent (\$0.014) for each gallon. Four-tenths of a cent (\$0.004) per gallon shall be deposited in the financial responsibility account and one cent (\$0.01) shall be deposited in the petroleum storage tank account.
- (5) Within thirty (30) days of the close of fiscal year 2001-2002 and each fiscal year thereafter, the state budget director shall review the balance of each account to determine if a surplus exists. "Surplus" means funds in excess of the amounts necessary to satisfy the obligations in each account for all eligible facilities, to satisfy future liabilities and expenses necessary to operate each account, and to maintain an appropriate reserve in the financial responsibility account to demonstrate financial responsibility and compensate for third-party claims. The state budget director shall report the determination to the Interim Joint Committee on Appropriations and Revenue. After a determination that a surplus exists, the surplus shall be transferred to a restricted account and retained until appropriated by the General Assembly.
- (6) All provisions of law related to the Department of Revenue's administration and enforcement of the gasoline and special fuels tax and all other powers generally conveyed to the Department of Revenue by the Kentucky Revised Statutes for the assessment and collection of taxes shall apply with regard to the fee levied by KRS 224.60-105 to 224.60-160.
- (7) The Department of Revenue shall refund the fee imposed by KRS 224.60-145(1) to any person who paid the fee provided they are entitled to a refund of motor fuel tax under KRS 138.344 to KRS 138.355 and to any person who paid the fee on transactions exempted under KRS 224.60-145(2).
- (8) Notwithstanding any other provisions of KRS 65.180, 65.182, 68.600 to 68.606, 139.470, 183.165, 224.60-115, 224.60-130, 224.60-137, 224.60-140, 224.60-142, and this section to the contrary, the small operator assistance account and small operator tank removal account established under KRS 224.60-130 shall continue in effect until July 15, ~~2013~~~~2010~~, and thereafter until all eligible claims related to tanks registered by that date are resolved, and sufficient money shall be allocated to and maintained in that account to assure prompt payment of all eligible claims, and to provide for removal of tanks for eligible owners and operators as directed by this chapter.

 - (b) The date payment is made if it occurs more than one hundred twenty (120) days after the date of authorization.
- (4) A limited liability company's indebtedness to a member incurred by reason of a distribution made in accordance with this section shall be at parity with the limited liability company's indebtedness to its general unsecured creditors, except to the extent subordinated by agreement.
- (5) If terms of the indebtedness provide that payment of principal and interest is to be made only if, and to the extent that, payment of a distribution to members could then be made under this section, then indebtedness of a limited liability company, including indebtedness issued as a distribution, shall not be a liability for purposes of determinations made under subsection (1) of this section.

- (6) If the indebtedness is issued as a distribution, then each payment of principal or interest on the indebtedness shall be treated as a distribution, the effect of which shall be measured on the date the payment is actually made.

 - (d) Until the assignee of a limited liability company interest becomes a member pursuant to KRS 275.265(1), the assignor shall continue to be a member and to have the power to exercise any rights of a member, subject to the members' right to remove the assignor pursuant to KRS 275.280(1)(c)2.;
 - (e) Until an assignee of a limited liability company interest becomes a member, the assignee shall have no liability as a member solely as a result of the assignment; and

- (3) Unless otherwise provided in a written operating agreement, the pledge of or granting of a security interest, lien, or other encumbrance in or against any or all of the limited liability company interest of a member shall not constitute an assignment and shall not cause the member to cease to be a member or cease to have the power to exercise any rights or powers of a member.

- (3) A charging order constitutes a lien on and the right to receive distributions made with respect to the judgment debtor's limited liability company interest. A charging order does not of itself constitute an assignment of the limited liability company interest.
- (4) The court may order a foreclosure upon the limited liability company interest subject to the charging order at any time. The purchaser of the liability company interest at the foreclosure sale has the rights of a assignee. At any time before foreclosure, the charged limited liability company interest may be redeemed:

 - 2. Serve a copy on the limited liability company in the manner provided in subsection (2)(a) of this section.
 - (c) When the reinstatement is effective, the reinstatement shall relate back to and take effect as of the effective date of the administrative dissolution, and the limited liability company shall resume carrying on business as if the administrative dissolution had never occurred.
- (4) (a) If the Secretary of State denies a limited liability company's application for reinstatement following administrative dissolution, the Secretary of State shall serve the limited liability company with a written notice that explains the reason or reasons for denial by mailing notice by first-class mail to the limited liability company at its registered office or, if none, to the last principal office identified on the most recent annual report, or, if none, the articles of organization.

Payment shall not be made until written notification and explanation of the reasons for this action are forwarded to the committee.
- (9) If a governmental emergency exists as defined under KRS 45A.690 and work is authorized to begin on a personal service contract immediately, a copy of a statement, approved by the secretary of the Finance and Administration Cabinet or his designee, setting forth in detail the nature of the emergency shall be filed with the committee, along with a copy of the personal service contract.

 11. *The tax identification number of the entity awarded the personal service contract; and*
 12. *An indication on each invoice of whether or not the invoice is final.*
- (e) *The issuance of an invoice to the Commonwealth constitutes an affirmation by the individual, firm, partnership, or corporation awarded the personal service contract that the invoice truly and accurately represents work actually performed, and expenses actually incurred.*
- (f) *The head of the contracting body shall approve the invoice, indicating that the charges in the invoice reflect the value of the work performed, and all recorded costs and disbursements were reasonably and necessarily incurred in connection with the matter invoiced.*

 - (a) A thoroughbred receiving track may receive interstate simulcasts of thoroughbred races and conduct interstate wagering thereon at any time of day and during any live thoroughbred horse race meet conducted in the Commonwealth of Kentucky so long as the thoroughbred receiving track conducting interstate wagering remits to the thoroughbred host track conducting a live meet, from the first awarded day of its live meet through the last awarded day of the same live meet, the amounts provided in paragraph (j) of this subsection.
 - (b) A thoroughbred host track which receives interstate simulcasts and conducts interstate wagering thereon during the period of time from the first awarded day of its live meet through the last awarded day of its live meet shall offer the simulcasts to all thoroughbred receiving tracks, all harness tracks not subject to the provisions of KRS 230.377(2), and all simulcast facilities through the intertrack wagering system.
 - (c) Except as otherwise prohibited by law, a receiving track shall conduct intertrack wagering on all live races of all thoroughbred host tracks on any day on which it receives an interstate simulcast for the purpose of conducting interstate wagering.
 - (d) No host track shall require that any receiving track or simulcast facility receive the interstate simulcast.
 - (e) If more than one (1) thoroughbred track conducts live racing at the same time on the same day, no track or simulcast facility may receive an interstate simulcast of thoroughbred races unless all thoroughbred tracks conducting live racing at the same time of day agree upon all interstate simulcasts to be received and the division of the thoroughbred host track's commission. If more than one (1) thoroughbred track conducts live racing at different times on the same day, the thoroughbred host track with the highest average daily handle, based on the preceding year, shall be the host track for purposes of splitting the commissions earned on interstate wagering at receiving tracks within the Commonwealth. For purposes

of this subsection, average daily handle includes live handle, intertrack wagering handle, and simulcast facility handle. Also for purposes of this subsection, the time of day during which a host track conducts live racing commences with its first published post time and concludes ten (10) minutes after the published post time of its last race of the day, regardless of actual post times.

- (f) Each thoroughbred track which desires to conduct interstate wagering pursuant to the provisions of this subsection shall during each year make application to the authority for no less than one hundred percent (100%) of the number of racing days awarded to the track in 1994 and one hundred percent (100%) of the number of races scheduled to be run by the track in 1993.
 - (g) Notwithstanding paragraph (f) of this subsection, any thoroughbred track may apply for less than one hundred percent (100%) of the number of racing days awarded to the track in 1994 or one hundred percent (100%) of the number of races scheduled to be run by the track in 1993, if written approval is obtained from the Kentucky Horsemen's Benevolent and Protective Association and the Kentucky Thoroughbred Owners and Breeders Association, Inc.
 - (h) A separate accounting on all interstate simulcasting shall be submitted to the authority. The accounting shall be submitted in the same format and at the same time that the report for intertrack wagering is submitted.
 - (i) If the only simulcast or simulcasts a track participating as a host track makes available for interstate wagering through this state's intertrack wagering system on any race day are thoroughbred horse races designated as graded stakes races by the Graded Stakes Committee of the Thoroughbred Owners and Breeders Association, Inc., then the commission of the receiving track on these interstate wagers shall be split as prescribed by KRS 230.378(3); otherwise, the commission of the receiving track shall be split as prescribed by paragraph (j) of this subsection. Interstate simulcasts received by a thoroughbred host track under the conditions set forth in this paragraph shall not be subject to the conditions set forth in paragraphs (b), (c), (e), and (f) of this subsection.
 - (j) A receiving track's commission on interstate wagering, after deduction of applicable taxes and any amounts required to be paid by contract to the track from which the interstate simulcast originated, shall be split as follows:
 1. Twenty-five percent (25%) to the receiving track where the interstate wagering occurs;
 2. Twenty-five percent (25%) to the thoroughbred host track designated by paragraphs (a) and (e) of this subsection. However, if the race does not occur between the first awarded day of a live meet and the last awarded day of the same live meet, an additional twenty-five percent (25%) shall be retained by the receiving track where the interstate wagering occurs;
 3. Twenty-five percent (25%) to the purse program of the receiving track where the interstate wagering occurs; and
 4. Twenty-five percent (25%) to the purse program of the thoroughbred host track designated by paragraphs (a) and (e) of this subsection.  - (k) A simulcast facility's commission on interstate wagering on thoroughbred racing, after deduction of applicable taxes and any amounts required to be paid by contract to the track from which the interstate simulcast originated, shall be split as provided in KRS 230.380(9).
- (2) A harness track licensed to conduct harness racing may receive interstate simulcasts of harness horse, *quarter horse*, *appaloosa* and *Arabian horse* races and conduct interstate wagering thereon subject to the following limitations:

- (b) A harness host track which receives an interstate simulcast and conducts interstate wagering thereon during its live race meet shall offer the simulcasts to all thoroughbred receiving tracks not subject to the provisions of KRS 230.377(2), all harness tracks, and all simulcast facilities through the intertrack wagering system.

If more than one (1) harness track conducts live racing at different times on the same day, the harness host track with the highest average daily handle, based on the preceding year, shall be the host track for purposes of splitting the commissions earned on interstate wagering at receiving tracks within the Commonwealth. For purposes of this subsection, average daily handle includes live handle, intertrack wagering handle, and simulcast facility handle. Also for purposes of this subsection, the time of day during which a host track conducts live racing commences with its first published post time and conclude ten (10) minutes after the published post time of its last race of the day, regardless of actual post times.
- (f) Each harness track which desires to conduct interstate wagering pursuant to the provisions of this subsection shall during each year make application to the authority for no less than one hundred percent (100%) of the number of racing days awarded to the track in 1994 and one hundred percent (100%) of the number of races scheduled to be run by the track in 1993.
- (g) Notwithstanding paragraph (f) of this subsection, any harness track may apply for less than one hundred percent (100%) of the number of racing days awarded to the track in 1994 or one hundred percent (100%) of the number of races scheduled to be run by the track in 1993, if written approval is obtained from the Kentucky Harness Horsemen's Association, or its successor.
- (h) A separate accounting on all interstate simulcasting shall be submitted to the authority. This accounting shall be submitted in the same format and at the same time that the report for intertrack wagering is submitted.
- (i) If the only simulcast or simulcasts a track participating as a harness host track makes available for interstate wagering through this state's intertrack wagering system on any race day are harness horse races (both final and elimination) having a final purse in excess of seventy-five thousand dollars (\$75,000), then the commission of the receiving track on these interstate wagers shall be split as prescribed by KRS 230.378(3); otherwise, the commission of the receiving track shall be split as prescribed by paragraph (j) of this subsection. Interstate simulcasts received by a harness host track under the conditions set forth in this paragraph shall not be subject to the conditions set forth in paragraphs (b), (c), (e), and (f) of this subsection.
- (j) A receiving track's commission on interstate wagering, after deduction of applicable taxes and any amounts required to be paid by contract to the track from which the interstate simulcast originated, shall be split as follows:
 - 1. Twenty-five percent (25%) to the receiving track where the interstate wagering occurs;

CHAPTER 58

(HB 395)

AN ACT relating to the Workers' Compensation Funding Commission.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 342.122 is amended to read as follows:

- (1) (a) For calendar year 1997 and for each calendar year thereafter, for the purpose of funding and prefunding the liabilities of the special fund, financing the administration and operation of the Kentucky Workers' Compensation Funding Commission, and financing the expenditures for all programs in the Department of Labor, except the Division of Employment Standards, Apprenticeship and Training and the Office of Labor-Management Relations and Mediation, as reflected in the enacted budget of the Commonwealth and enacted by the General Assembly, the funding commission shall impose a special fund assessment rate of nine percent (9%) upon the amount of workers' compensation premiums received on and after January 1, 1997, through December 31, 1997, by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every self-insured group operating under the provisions of KRS 342.350(4) and Chapter 304, and against the premium, as defined in KRS 342.0011, of every employer carrying his or her own risk.

- (b) The funding commission shall, for calendar year 1998 and thereafter, establish for the special fund an assessment rate to be assessed against all premium received during that calendar year which, when added to the coal severance tax appropriated to the special fund in accordance with paragraph (c) of this section, shall produce enough revenue to amortize on a level basis the unfunded liability of the special fund as of June 30 preceding January 1 of each year, for the period remaining until December 31, ~~2029~~²⁰¹⁸. The interest rate to be used in this calculation shall reflect the funding commission's investment experience to date and the current investment policies of the commission. This assessment shall be imposed upon the amount of workers' compensation premiums received by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every self-insured group operating under the provisions of KRS 342.350(4) and Chapter 304, and against the premium, as defined in KRS 342.0011, of every employer carrying his own risk. On or before October 1 of each year, the commission shall notify each insurance carrier writing workers' compensation insurance in the Commonwealth, every group of self-insured employers, and each employer carrying his or her own risk, of the rates which shall become effective on January 1 of each year, unless modified by the General Assembly.
 - (c) In addition to the assessment imposed in paragraph (a) or (b) of this subsection, and notwithstanding and prior to the transfer of funds to the Local Government Economic Assistance Program under KRS 42.450 to 42.495, the Kentucky Department of Revenue shall credit nineteen million dollars (\$19,000,000) in coal severance tax revenues levied under KRS 143.020 to the benefit reserve fund within the Kentucky Workers' Compensation Funding Commission each year beginning with fiscal year 1998 and all fiscal years thereafter. The annual transfer of nineteen million dollars (\$19,000,000) shall occur in four (4) equal quarterly payments. These transfers shall occur not later than the last day of each quarter of each calendar year and shall consist of four (4) equal payments of four million, seven hundred fifty thousand dollars (\$4,750,000).
 - (d) All assessments imposed by this section shall be paid to the Kentucky Workers' Compensation Funding Commission and shall be credited to the benefit reserve fund within the Kentucky Workers' Compensation Funding Commission.
 - (e) The assessments imposed in this chapter shall be in lieu of all other assessments or taxes on workers' compensation premiums.
- (2) These assessments shall be paid quarterly not later than the thirtieth day of the month following the end of the quarter in which the premium is received. Receipt shall be considered timely through actual physical receipt or by postmark of the United States Postal Service. Employers carrying their own risk and employers defined in KRS 342.630(2) shall pay the annual assessments in four (4) equal quarterly installments.
 - (3) The assessments imposed by this section may be collected by the insurance carrier from his insured. However, the insurance carrier shall not collect from the employer any amount exceeding the assessments imposed pursuant to this section. If the insurance carrier collects the assessment from an insured, the assessment shall be collected at the same time and in the same proportion as the premium is collected. The assessment for an insurance policy or other evidence of coverage providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible. Each statement from an insurance carrier presented to an insured reflecting premium and assessment amounts shall clearly identify and distinguish the amount to be paid for premium and the amount to be paid for assessments. No insurance carrier shall collect from an insured an amount in excess of the assessment percentages imposed by this chapter. The assessment for an insurance policy or other evidence of coverage providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible. The percentages imposed by this chapter for an insurance policy issued by an insurance company shall be those percentages in effect on the annual effective date of the policy, regardless of the date that the premium is actually received by the insurance company.
 - (4) A self-insured group may elect to report its premiums and to have its assessments computed in the same manner as insurance companies. This election may not be rescinded for at least ten (10) years, nor may this election be made a second time for at least another ten (10) years, except that the board of directors of the funding commission may, at its discretion, waive the ten (10) year ban on a case-by-case basis after formal petition has been made to the funding commission by a self-insured group.

- (5) The funding commission, as part of the collection and auditing of the special fund assessments required by this section, shall annually require each insurance carrier and each self-insured group to provide a list of employers which it has insured or which are members and the amount collected from each employer. Additionally, the funding commission shall require each entity paying a special fund assessment to report the SIC code for each employer and the amount of premium collected from each SIC code. An insurance carrier or self-insured group may require its insureds or members to furnish the SIC code for each of their employees. However, the failure of any employer to furnish said codes shall not relieve the insurance carrier or self-insured group from the obligation to furnish same to the funding commission. The Office of Employment and Training, Education and Workforce Development Cabinet, is hereby directed to make available the SIC codes assigned in its records to specific employers to aid in the reporting and recording of the special fund assessment data.
- (6) Each self-insured employer, self-insured group, or insurance carrier shall provide any information and submit any reports the Department of Revenue or the funding commission may require to effectuate the provisions of this section. In addition, the funding commission may enter reciprocal agreements with other governmental agencies for the exchange of information necessary to effectuate the provisions of this section.
- (7) The special fund shall be required to maintain a central claim registry of all claims to which it is named a party, giving each such claim a unique claim number and thereafter recording the status of each claim on a current basis. The registry shall be established by January 26, 1988, for all claims on which payments were made since July 1, 1986, or which were pending adjudication since July 1, 1986, by audit of all claim files in the possession of the special fund.
- (8) The fund heretofore designated as the subsequent claim fund is abolished, and there is substituted therefor the special fund as set out by this section, and all moneys and properties owned by the subsequent claim fund are transferred to the special fund.
- (9) Notwithstanding any other provisions of this section or this chapter to the contrary, the total amount of funds collected pursuant to the assessment rates adopted by the funding commission shall not be limited to the provisions of this section.
- (10) All assessment rates imposed for periods prior to January 1, 1997, under KRS 342.122 shall forever remain applicable to premiums received on policies with effective dates prior to January 1, 1997, by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every self-insured group operating under the provision of KRS 342.350(4) and Chapter 304, and against the premium, as defined in KRS 342.0011, of every employer carrying his own risk.

Signed by Governor April 6, 2010.

CHAPTER 59

(HB 378)

AN ACT relating to underground storage tanks.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 224.60-130 is amended to read as follows:

- (1) The Environmental and Public Protection Cabinet, Department for Environmental Protection, Division of Waste Management, shall:
 - (a) Establish by administrative regulation the policy, guidelines, and procedures to administer the financial responsibility and petroleum storage tank accounts of the petroleum storage tank environmental assurance fund. In adopting administrative regulations to carry out this section, the division may distinguish between types, classes, and ages of petroleum storage tanks. The division may establish a range of amounts to be paid from the fund, or may base payments on methods such as pay for performance, task order, or firm fixed pricing, which are designed to provide incentives for contractors to more tightly control corrective action costs, and shall establish criteria to be met by persons who contract to perform corrective action to be eligible for reimbursement from the fund. The criteria may include the certification of individuals, partnerships, and companies. Criteria shall be established to certify laboratories that contract to perform analytical testing related to the underground storage tank program. Owners and operators shall have all required analytical testing performed by a certified laboratory to be eligible for fund participation. Persons who contract with petroleum storage tank

owners or operators shall not be paid more than the amount authorized by the division for reimbursement from the fund for the performance of corrective action. At a minimum, the division shall promulgate administrative regulations that will insure an unobligated balance in the fund adequate to meet financial assurance requirements and corrective action requirements of KRS 224.60-135(2) and (4). If the unobligated balance in the fund is not adequate to meet the requirements of this paragraph, the division shall obligate funds necessary to meet these requirements;

- (b) Establish by administrative regulation the criteria to be met to be eligible to participate in the financial responsibility and petroleum storage tank accounts and to receive reimbursement from these accounts. The division may establish eligibility criteria for the petroleum storage tank account based upon the financial ability of the petroleum storage tank owner or operator. Owners or operators seeking coverage under the petroleum storage tank account shall file for eligibility and for financial assistance with the division. To ensure cost effectiveness, the division shall promulgate administrative regulations specifying the circumstances under which prior approval of corrective action costs shall be required for those costs to be eligible for reimbursement from the fund. In promulgating administrative regulations to carry out this section, the division may distinguish between types, classes, and ages of petroleum storage tanks and the degree of compliance of the facility with any administrative regulations of the cabinet promulgated pursuant to KRS 224.60-105 or applicable federal regulations;
- (c) Establish a financial responsibility account within the fund which may be used by petroleum storage tank owners and operators to demonstrate financial responsibility as required by administrative regulations of the cabinet or the federal regulations applicable to petroleum storage tanks, consistent with the intent of the General Assembly as set forth in KRS 224.60-120(5). The account shall receive four-tenths of one cent (\$0.004) from the one and four-tenths cent (\$0.014) paid on each gallon of gasoline and special fuels received in this state pursuant to KRS 224.60-145. To be eligible to use this account to demonstrate compliance with financial responsibility requirements of the cabinet or federal regulations, or to receive reimbursement from this account for taking corrective action and for compensating third parties for bodily injury and property damage, the petroleum storage tank owner or operator shall meet the eligibility requirements established by administrative regulation promulgated by the division;
- (d) Establish a small operator assistance account within the fund which may be used by the division to make or participate in the making of loans, to purchase or participate in the purchase of the loans, which purchase may be from eligible lenders, or to insure loans made by eligible lenders;
- (e) Establish a petroleum storage tank account within the fund to be used to pay the costs of corrective action due to a release from a petroleum storage tank not eligible for reimbursement from the financial responsibility account. Reimbursements of corrective action projects performed under the petroleum storage tank account shall be carried out on or before July 15, 2013. Any corrective action costs incurred after this date shall not be eligible for reimbursement under the petroleum storage tank account. The account shall receive one cent (\$0.01) from the one and four-tenths cent (\$0.014) paid on each gallon of gasoline and special fuels received in this state pursuant to KRS 224.60-145. This account shall not be used to compensate third parties for bodily injury and property damage. Within three (3) months after July 15, 2004, the division shall develop a plan to address the payment of claims and completion of corrective action at facilities eligible for reimbursement from this account. The division shall establish a ranking system to be used for the distribution of amounts from this account for the purpose of corrective action. In promulgating administrative regulations to carry out this section, the division shall consider the financial ability of the petroleum storage tank owner or operator to perform corrective action and the extent of damage caused by a release into the environment from a petroleum storage tank;
- (f) Hear complaints brought before the division regarding the payment of claims from the fund in accordance with KRS 224.10-410 to 224.10-470;
- (g) Establish and maintain necessary offices within this state, appoint employees and agents as necessary, and prescribe their duties and compensation;
- (h) Employ, in accordance with the procedures found in KRS 45A.690 to 45A.725 for awarding personal service contracts, a qualified actuary to perform actuarial studies, as directed by the division, for determining an appropriate reserve in the financial responsibility account and the petroleum storage tank

account sufficient to satisfy the obligations in each account for all eligible facilities and to satisfy future liabilities and expenses necessary to operate each account. The division shall, by administrative regulation, set the entry level for participation in the fund;

- (i) Authorize expenditures from the fund to carry out the purpose of KRS 224.60-105 to 224.60-160, including reasonable costs of administering the fund, the procurement of legal services, and the procurement of analytical testing services when necessary to confirm the accuracy of analytical testing results obtained by a petroleum storage tank owner or operator. The expenditures shall be paid from the appropriate account;
 - (j) Establish a small operators' tank removal account within the fund to reimburse the reasonable cost of tank system removal for small owners and operators. The account shall not be used when an owner or operator is removing the tank with the intention of replacing or upgrading the tank. In promulgating administrative regulations to carry out this paragraph, the division may distinguish among owners and operators based on income, ~~number of tanks, number of facilities,~~ and types and classes of tanks. ***The division shall not place a limit on the number of tanks that an owner or operator has in order to be eligible to participate in the program and receive reimbursement under this paragraph;***
