- (11) (a) The fee for initial or renewal registration shall be one hundred twenty dollars (\$120) for a broker-dealer, one hundred dollars (\$100) for an investment adviser, fifty dollars (\$50) for an agent, fifty dollars (\$50) for an investment adviser representative, and fifty dollars (\$50) for transfer of an agent or investment adviser representative, none of which fees shall be refundable.
- (b) The fee for notice filings shall be one hundred dollars (\$100) for a covered adviser.
- (12) (a) Every registered broker-dealer, firm employing issuer agents, and investment adviser shall make and keep all accounts, correspondence, memoranda, papers, books, and other records which the ***commissioner***~~{executive director}~~ by rule prescribes. All records required shall be preserved for three (3) years unless the ***commissioner***~~{executive director}~~ by rule prescribes otherwise for particular types of records. All required records shall be kept within this state or shall, at the request of the ***commissioner***~~{executive director}~~, be made available at any time for examination by him either in the principal office of the registrant or by production of exact copies thereof in this state. If a broker-dealer is registered with the United States Securities and Exchange Commission, the books and records required by this section are limited to those that the Securities Act of 1934 requires the broker-dealer to

maintain. If an investment adviser has his principal place of business in another state, the requirements of this section shall be limited to those books and records requirements of that state, provided the adviser is registered in that state and in compliance with its recordkeeping requirements.

- (b) Every registered broker-dealer and investment adviser shall file such reports as the **commissioner**~~[executive director]~~ by rule prescribes. If a broker-dealer is registered with the United States Securities and Exchange Commission, the reports required by this section are limited to those required under the Securities Act of 1934. If an investment adviser has his principal place of business in another state, the requirements of this section shall be limited to the reporting requirements of that state, provided the adviser is registered in that state and in compliance with its reporting requirements.
 - (c) If the information contained in any document filed with the **commissioner**~~[executive director]~~ or the **commissioner's**~~[executive director's]~~ designee is or becomes inaccurate or incomplete in any material respect, the broker-dealer or investment adviser, as applicable, shall promptly file a correcting amendment. In the case of a covered adviser, the adviser shall file only copies of those documents required to be filed with the Securities and Exchange Commission.
 - (d) The **commissioner**~~[executive director]~~ may make periodic examinations, within or without this state, of each broker-dealer, firm employing issuer agents, and investment adviser at such times and in such scope as he determines. These examinations may be made without prior notice to the broker-dealer, firm employing issuer agents, or investment adviser. The expense reasonably attributable to any such examination shall be paid by the broker-dealer, firm employing issuer agents, or investment adviser whose business is examined but the expense so payable shall not exceed an amount which the **commissioner**~~[executive director]~~ by rule prescribes. For the purpose of avoiding unnecessary duplication of examinations, the **commissioner**~~[executive director]~~, insofar as he deems it practicable in administering this subsection, may cooperate with securities administrators of other states, the securities and exchange commission, and any national securities exchange or national securities association registered under the Securities Exchange Act of 1934.
 - (e) The **commissioner**~~[executive director]~~ may by rule prohibit unreasonable charges, profits, commissions, or other compensation of broker-dealers and investment advisers.
 - (f) The **commissioner**~~[executive director]~~ may prescribe rules for the conduct of business by broker-dealers and investment advisers which he finds appropriate in the public interest and for the protection of investors.
 - (g) The **commissioner**~~[executive director]~~ may enter into an arrangement, agreement, or other working relationship with federal, other state, and self-regulatory authorities whereby documents may be filed and maintained in a central depository system with the National Association of Securities Dealers or other agencies or authorities. It is the intent of this paragraph that the **commissioner**~~[executive director]~~ be provided power to reduce duplication of filings, reduce administrative costs, and establish uniform procedures, forms, and administration with the states and federal authorities. The **commissioner**~~[executive director]~~ may permit initial and renewal registration filings required under this chapter to be filed with the Securities and Exchange Commission, the National Association of Securities Dealers, or other similar authorities. The **commissioner**~~[executive director]~~ may accept uniform securities examinations or other procedures designed to implement a uniform national securities regulatory system or facilitate common practices and procedures among the states.
- (13) (a) The **commissioner**~~[executive director]~~ may by order deny, suspend, or revoke registration of any broker-dealer, agent, investment adviser, or investment adviser representative, or bar or censure any registrant or any officer, director, partner, or person occupying a similar status or performing similar functions for a registrant, from employment with a registered broker-dealer or investment adviser, or restrict or limit a registrant as to any function or activity of the business for which registration is required in the Commonwealth of Kentucky, if he finds that the order is in the public interest and that the applicant or registrant or, in the case of a broker-dealer, or investment adviser, any partner, officer, or director, any person occupying a similar status or performing similar functions, or any person directly or indirectly controlling the broker-dealer or investment adviser:
1. Has filed an application for registration under this section which, as of its effective date, or as of any date after filing in the case of an order denying effectiveness, was incomplete in any material

respect or contained any statement which was, in the light of the circumstances under which it was made, false or misleading with respect to any material fact;

2. Has willfully violated or willfully failed to comply with any provision of this chapter or a predecessor law or any rule or order under this chapter or a predecessor law;
3. Has been convicted, within the past ten (10) years, of any misdemeanor involving a security or any aspect of the securities business, or any felony, or has pending against him any such criminal charge;
4. Is permanently or temporarily enjoined by any court of competent jurisdiction from engaging in or continuing any conduct or practice involving any aspect of the securities business;
5. Is the subject of an order of the **commissioner**~~executive director~~ denying, suspending, or revoking registration as a broker-dealer, agent, investment adviser, or investment adviser representative;
6. Is the subject of any of the following orders that are currently effective and were issued within the last five (5) years:
 - a. An order by the securities agency or administrator of another state or Canadian province or territory, or by the Securities and Exchange Commission, entered after notice and opportunity for hearing, denying, suspending, limiting or revoking the person's license as a broker-dealer, sales representative, or investment adviser, or the substantial equivalent of those terms;
 - b. An order of a self-regulatory organization finding a violation of federal law or a rule of the self-regulatory organization;
 - c. A United States Postal Service fraud order;
 - d. A cease and desist or other administrative order entered after notice and opportunity for hearing by the **commissioner**~~executive director~~, the securities agency or administrator of another state, or a Canadian province or territory, the Securities and Exchange Commission, or the Commodity Futures Trading Commission; or
 - e. An order by the Commodity Futures Trading Commission denying, suspending, or revoking registration under the Commodity Exchange Act;
7. Has engaged in dishonest or unethical practices in the securities business;
8. Is insolvent, either in the sense that his liabilities exceed his assets or in the sense that he cannot meet his obligations as they mature; but the **commissioner**~~executive director~~ may not enter an order against a broker-dealer or investment adviser under this paragraph without a finding of insolvency as to the broker-dealer or investment adviser;
9. Is not qualified on the basis of such factors as training, experience, or knowledge of the securities business, except as provided in paragraph (b) below; or the **commissioner**~~executive director~~ may by order, deny, suspend, or revoke any registration if he finds that the order is in the public interest and that the applicant or registrant:
 - a. Has failed reasonably to supervise his agents if he is a broker-dealer or his employees or investment adviser representatives if he is an investment adviser; or
 - b. Has failed to pay the proper filing fee; but the **commissioner**~~executive director~~ may enter only a denial order under this clause, and he shall vacate any such order when the deficiency has been corrected; or
10. Has violated the law of a foreign jurisdiction governing or regulating any aspect of the business of securities or banking; or within the past five (5) years, has been the subject of an action of a securities regulator or a foreign jurisdiction denying, revoking, or suspending the right to engage in the business of securities as a broker-dealer, agent, investment adviser, or investment adviser representative or is the subject of an action of any securities exchange or self-regulatory organization operating under the authority of the securities regulator of a state, federal, or foreign jurisdiction suspending or expelling the person from membership in the exchange or self-regulatory organization.

The **commissioner**~~[executive director]~~ may not institute a suspension or revocation proceeding on the basis of a fact or transaction known to him when registration became effective unless the proceeding is instituted within the next thirty (30) days.

- (b) The following provisions govern the application of subparagraph 9. of paragraph (a) of this subsection:
1. The **commissioner**~~[executive director]~~ may not enter an order against a broker-dealer on the basis of the lack of qualification of any person other than the broker-dealer himself if he is an individual or an agent of the broker-dealer;
 2. The **commissioner**~~[executive director]~~ may not enter an order against an investment adviser on the basis of the lack of qualification of any person other than the investment adviser himself if he is an individual or any other person who represents the investment adviser in doing any of the acts which make him an investment adviser;
 3. The **commissioner**~~[executive director]~~ may not enter an order solely on the basis of lack of experience if the applicant or registrant is qualified by training or knowledge or both;
 4. The **commissioner**~~[executive director]~~ shall consider that an agent who will work under the supervision of a registered broker-dealer need not have the same qualifications as a broker-dealer;
 5. The **commissioner**~~[executive director]~~ shall consider that an investment adviser is not necessarily qualified solely on the basis of experience as a broker-dealer or agent. When he finds that an applicant for initial or renewal registration as a broker-dealer is not qualified as an investment adviser or an investment adviser representative, he may by order condition the applicant's registration as a broker-dealer upon his not transacting business in this state as an investment adviser or an investment adviser representative;
 6. The **commissioner**~~[executive director]~~ may by rule provide for an examination, which may be written or oral or both, to be taken by any class of or all applicants, as well as investment adviser representatives and persons who represent or will represent an investment adviser in doing any of the acts which make him an investment adviser.
- (c) The **commissioner**~~[executive director]~~ may by order summarily postpone an application for registration or suspend a registration pending final determination of any proceeding under this section. A summary suspension of an existing registration shall only be made based upon a finding by the **commissioner**~~[executive director]~~ that such action is in the public interest and that there is substantial evidence of a violation of law that constitutes an immediate danger to the public. KRS 13B.125 shall apply to the entry of a summary suspension of a registration. An appeal of a summary suspension shall address only the necessity of a summary action and shall not constitute an appeal of the merits of the underlying violation of the law. Upon the entry of the order, the **commissioner**~~[executive director]~~ shall promptly notify the applicant or registrant, as well as the employer or prospective employer if the applicant or registrant is an agent, that it has been entered and of the reasons therefor and that within fifteen (15) days after the receipt of a written request the matter will be set down for hearing. If no hearing is requested and none is ordered by the **commissioner**~~[executive director]~~, the order will remain in effect until it is modified or vacated by the **commissioner**~~[executive director]~~. If a hearing is requested or ordered, the **commissioner**~~[executive director]~~, after notice of and opportunity for hearing, may modify or vacate the order or extend it until final determination.
- (d) If the **commissioner**~~[executive director]~~ finds that any registrant or applicant for registration is no longer in existence or has ceased to do business as a broker-dealer, agent, investment adviser, or investment adviser representative, or is subject to an adjudication of mental disability or to the control of a conservator or guardian, or cannot be located after reasonable search, the **commissioner**~~[executive director]~~ may by order cancel the registration or application.
- (e) Withdrawal from registration as a broker-dealer, agent, investment adviser, or investment adviser representative becomes effective thirty (30) days after receipt of an application to withdraw or within such shorter period of time as the **commissioner**~~[executive director]~~ may determine, unless a revocation or suspension proceeding is pending when the application is filed or a proceeding to revoke or suspend or to impose conditions upon the withdrawal is instituted within thirty (30) days after the application is

filed. If a proceeding is pending or instituted, withdrawal becomes effective at such time and upon such conditions as the ***commissioner***~~[executive director]~~ by order determines. If no proceeding is pending or instituted and withdrawal automatically becomes effective, the ***commissioner***~~[executive director]~~ may nevertheless institute a revocation or suspension proceeding under subparagraph 2. of paragraph (a) of this subsection within one (1) year after withdrawal became effective and enter a revocation or suspension order as of the last date on which registration was effective. A notice filing may be withdrawn or terminated by providing notice of the withdrawal or termination, as the case may be, to the ***commissioner***~~[executive director]~~; the withdrawal or termination is effective upon receipt by the ***commissioner***~~[executive director]~~ of the notice.

- (f) No order may be entered under any part of this section except the first sentence of paragraph (c) of this subsection without appropriate prior notice to the applicant or registrant (as well as the employer or prospective employer if the applicant or registrant is an agent or representative), opportunity for hearing, and written findings of fact and conclusions of law.
- (14) Notwithstanding subsection (1) of this section, any broker-dealer, agent, investment adviser or investment adviser representative, or transaction or class of transactions by such persons, for which the ***commissioner***~~[executive director]~~ expressly by rule or order finds that registration is not necessary or appropriate in the public interest or for the protection of investors shall be exempt from registration under this section. The ***commissioner***~~[executive director]~~ may require that persons exempted from registration under this provision file such forms and information for notice purposes and be bound by one (1) or several provisions of this section as the ***commissioner***~~[executive director]~~ deems necessary and appropriate in the public interest or for the protection of investors and the ***commissioner***~~[executive director]~~ may impose filing fees in connection therewith, provided however, that the amount of the fee shall not exceed the fee which would be due in the event the exempt person were required to obtain registration.

 - (g) Names and addresses of the managing underwriters, if any, and a description of the plan of distribution, if any, of any securities which are to be offered otherwise than through an underwriter;

 - (l) Such additional information as the **commissioner**~~executive director~~ may by rule or order require.
- (3) If no stop order is in effect and no proceeding is pending under KRS 292.390, a registration statement under this section automatically becomes effective at three o'clock eastern standard time in the afternoon (3:00 p.m.) of the fifth full business day after the filing of the registration statement or the last amendment, or at such earlier time as the **commissioner**~~executive director~~ determines.

➔Section 864. KRS 292.360 is amended to read as follows:

- (1) Any security for which a registration statement under the Securities Act of 1933 or an offering statement under Regulation A of the Securities Act of 1933 has been filed with the Securities and Exchange Commission in connection with the same offering may be registered by coordination.
- (2) A registration statement under this section shall contain the following information and be accompanied by the following documents, in addition to payment of the registration fee prescribed in KRS 292.380, and, if required under KRS 292.430, a consent to service of process meeting the requirements of that section:
 - (a) One (1) copy of the latest form of prospectus or offering circular filed under the Securities Act of 1933 or Regulation A promulgated under that Act together with all amendments thereto;
 - (b) The amount of securities to be offered in this state;
 - (c) The states in which a registration statement or similar document in connection with the offering has been or is expected to be filed;
 - (d) Any adverse order, judgment, or decree previously entered in connection with the offering by any court or the Securities and Exchange Commission;

- (e) If the ***commissioner***~~[executive director]~~ by rule or otherwise requires, a copy of the articles of incorporation and bylaws (or their substantial equivalents) of the issuer currently in effect, a copy of any agreements with or among underwriters, a copy of any indenture or other instrument governing the issuance of the security to be registered, and a specimen or copy of the security;
 - (f) If the ***commissioner***~~[executive director]~~ requests, any other information, or copies of any other documents, filed under the Securities Act of 1933 or Regulation A promulgated under that Act; and
 - (g) An undertaking to forward promptly to the ***commissioner***~~[executive director]~~ all amendments to the federal registration statement or offering statement, other than an amendment which merely delays the effective date.
- (3) A registration statement under this section automatically becomes effective with the ***commissioner***~~[executive director]~~ at the moment the federal registration statement or offering statement becomes effective or is qualified, if all the following conditions are satisfied:
- (a) No stop order is in effect and no proceeding is pending under KRS 292.390;
 - (b) The registration statement has been on file with the ***commissioner***~~[executive director]~~ for at least ten (10) days; and
 - (c) A statement of the maximum and minimum proposed offering prices and the maximum underwriting discounts and commissions has been on file for two (2) full business days or such shorter period as the ***commissioner***~~[executive director]~~ permits by rule or otherwise and the offering is made within those limitations. The registrant shall promptly notify the ***commissioner***~~[executive director]~~ by telephone, telegram, or other electronic means of the date and time when the federal registration statement or offering statement became effective or was qualified and the content of the price amendment, if any, and shall promptly file a post-effective amendment, containing the information and documents in the price amendment. "Price amendment" means the final federal amendment which includes a statement of the offering price, underwriting and selling discounts or commissions, amount of proceeds, conversion rates, call prices, and other matters dependent upon the offering price.
- (4) Upon failure to receive the required notification and post-effective amendment with respect to the price amendment, the ***commissioner***~~[executive director]~~ may enter a stop order, without notice or hearing, retroactively denying effectiveness to the registration statement or suspending its effectiveness until compliance with subsection (3) of this section, if he promptly notifies the registrant by telephone or telegram (and promptly confirms by letter or telegram when he notifies by telephone) of the issuance of the order. If the registrant proves compliance with the requirements of subsection (3) of this section as to notice and post-effective amendment, the stop order is void as of the time of its entry. The ***commissioner***~~[executive director]~~ may by rule or otherwise waive either or both of the conditions specified in paragraphs (b) and (c) of subsection (3) of this section. If the federal registration statement or offering statement becomes effective or is qualified before all these conditions are satisfied and they are not waived, the registration statement automatically becomes effective with the ***commissioner***~~[executive director]~~ as soon as all the conditions are satisfied. If the registrant advises the ***commissioner***~~[executive director]~~ of the date when the federal registration statement or offering statement is expected to become effective or to be qualified, the ***commissioner***~~[executive director]~~ shall promptly advise the registrant by telephone, telegram, or other electronic means, at the registrant's expense, whether all the conditions are satisfied and whether he then contemplates the institution of a proceeding under KRS 292.390; but this advice by the ***commissioner***~~[executive director]~~ does not preclude the institution of such a proceeding at any time.
- (5) Notwithstanding subsection (3) of this section, a registration statement under the Securities Act of 1933 that becomes effective immediately upon filing with the Securities and Exchange Commission shall become effective under this section automatically at the time the registration statement, in the form filed with the Securities and Exchange Commission, is properly filed, along with the appropriate fee, with the ***commissioner***~~[executive director]~~.

- (p) Financial statements of the issuer that meet the following requirements:

The balance sheet and income statement for the most recent fiscal year shall be audited if the financial statements have previously been audited for other purposes. Otherwise, all financial statements may be unaudited;

The balance sheet and statements of income, cash flows, and changes in stockholders equity for the most recent fiscal year shall be audited; all other financial statements may be unaudited;

4. Notwithstanding the provisions of this paragraph, if the issuer has been in existence for less than one (1) fiscal year, the balance sheet shall be as of a date not more than four (4) months prior to the date of filing of the registration statement, and the statements of income, cash flows, and changes in stockholders equity shall be for the period from inception through the date of the balance sheet filed;
 5. If any part of the proceeds of the offering is to be applied to the purchase of any business whose annual sales or revenues for its most recent fiscal year are in excess of twenty percent (20%) of the issuer's sales or revenues for its most recent fiscal year or involves the acquisition of assets in excess of twenty percent (20%) of the issuer's assets as of its most recent fiscal year end, except as specifically exempted by the **commissioner**~~[executive director]~~, the same financial statements which would be required if that business were the issuer shall be filed;
 6. The **commissioner**~~[executive director]~~, where necessary or appropriate in the public interest or for the protection of investors, may permit the omission of one (1) or more of the financial statements or the substitution of appropriate statements of comparable character, and may waive the requirement that the financial statements be audited; and
 7. The financial statements required by this subsection shall be prepared as to form and content in accordance with generally accepted accounting principles;
- (q) The written consent of an accountant, engineer, appraiser, or other person whose profession gives authority to a statement made by him, if the person is named as having prepared or certified a report or valuation (other than a public and official document or statement) which is used in connection with the registration statement; and
- (r) Such additional information as the **commissioner**~~[executive director]~~ requires by rule or order.

➔Section 866. KRS 292.380 is amended to read as follows:

- (1) Except as otherwise expressly provided in this chapter, a registration statement under this chapter becomes effective when the **commissioner**~~[executive director]~~ so orders. The **commissioner**~~[executive director]~~ may require as a condition of registration under this chapter that a prospectus containing any designated part of the appropriate information specified in this chapter be sent or given to each person to whom an offer is made before or concurrently with:
 - (a) The first written offer made to him (otherwise than by means of a public advertisement) by or for the account of the issuer or any other person on whose behalf the offering is being made, or by any underwriter or broker-dealer who is offering part of an unsold allotment or subscription taken by him as a participant in the distribution;
 - (b) The confirmation of any sale made by or for the account of any such person;
 - (c) Payment pursuant to any such sale; or
 - (d) Delivery of the security pursuant to any such sale, whichever first occurs; but the **commissioner**~~[executive director]~~ shall accept for use under any such requirement a current prospectus or offering circular regarding the same securities filed under the Securities Act of 1933 or regulations thereunder.
- (2) A registration statement may be filed by the issuer, any other person on whose behalf the offering is to be made, or a registered broker-dealer. Any document filed under this chapter or a predecessor law within five (5) years preceding the filing of a registration statement may be incorporated by reference in the registration statement to the extent that the document is currently accurate. The **commissioner**~~[executive director]~~ may by rule or otherwise permit the omission of any item of information or document from any registration statement.
- (3) The **commissioner**~~[executive director]~~ may require as a condition of registration by qualification or coordination that (a) the proceeds from the sale of the registered security be impounded until the issuer receives a specified amount or (b) any security issued within the past three (3) years, or to be issued, to a promoter for a consideration substantially different from the public offering price, or to any person for a consideration other than cash, be delivered in escrow. The **commissioner**~~[executive director]~~ may by rule or order determine the conditions of any escrow or impounding required hereunder. The **commissioner**~~[executive director]~~ shall not reject a depository solely because of location in another state. All securities delivered in

escrow to the **commissioner**~~[executive director]~~ or some other depository satisfactory to him prior to January 1, 1968, which have not previously been released shall be released from escrow and all securities delivered in escrow to the **commissioner**~~[executive director]~~ or some other depository satisfactory to him subsequent to January 1, 1968 which have not previously been released shall be released from escrow no later than ten (10) years after the date of delivery into escrow.

- (4) The **commissioner**~~[executive director]~~ may also require as a condition of registration by qualification that the issuer undertake to keep the securities registered under this chapter for a period of up to five (5) years or until the securities become exempt securities under KRS 292.400 or become covered securities, and that the issuer forward to its security holders audited annual financial statements during the period for which the shares are registered. The **commissioner**~~[executive director]~~ may by rule or order impose other undertakings.
- (5) For the registration of securities by notification, coordination, or qualification, there shall be paid to the **commissioner**~~[executive director]~~ an examination fee of one hundred twenty-five dollars (\$125) and a registration fee of three-fiftieths of one percent (0.06%) of the aggregate offering price of the securities which are to be offered in this state, but the registration fee shall in no case be less than sixty dollars (\$60) nor more than one thousand two hundred dollars (\$1,200). The examination fee and the registration fee shall be payable in separate checks. When a registration statement is withdrawn before the effective date or a pre-effective stop order is entered under KRS 292.390, the **commissioner**~~[executive director]~~ shall retain the examination fee. For a registration by notification for market-making purposes only the examination fee need be paid.
- (6) When securities are registered by notification or by coordination or by qualification, they may be offered and sold by the issuer, any other person on whose behalf they are registered or by any registered broker-dealer. Every registration statement is effective for one (1) year from its effective date, or any longer period during which the security is being offered or distributed in a nonexempted transaction by or for the account of the issuer or other person on whose behalf the offering is being made or by any underwriter or broker-dealer who is still offering part of an unsold allotment or subscription taken by him as a participant in the distribution, except during the time a stop order is in effect under KRS 292.390. All outstanding securities of the same class as a registered security are considered to be registered for the purpose of any nonissuer transaction:
 - (a) So long as the registration statement is effective; and
 - (b) Between the thirtieth day after the entry of any stop order suspending or revoking the effectiveness of the registration statement under KRS 292.390 (if the registration statement did not relate in whole or in part to a nonissuer distribution) and one (1) year from its effective date if any securities of the same class are outstanding.

A registration statement may be withdrawn otherwise only in the discretion of the **commissioner**~~[director]~~.

➔Section 867. KRS 292.390 is amended to read as follows:

- (1) The **commissioner**~~[executive director]~~ may issue a stop order denying effectiveness to, or suspending or revoking the effectiveness of, any registration statement if he finds that the order is in the public interest and that:
 - (a) The registration statement as of its effective date or as of any earlier date in the case of an order denying effectiveness, or any amendment under KRS 292.380(5) as of its effective date, is incomplete in any material respect or contains any statement which was, in the light of the circumstances under which it was made, false or misleading with respect to any material fact;
 - (b) Any provision of this chapter or any rule, order, or condition lawfully imposed under this chapter has been willfully violated, in connection with the offering by:
 1. The person filing the registration statement;
 2. The issuer, any partner, officer, or director of the issuer, any person occupying a similar status or performing similar functions, or any person directly or indirectly controlling or controlled by the issuer, but only if the person filing the registration statement is directly or indirectly controlled by or acting for the issuer; or
 3. Any underwriter;
 - (c) The security registered or sought to be registered is the subject of an administrative stop order or a similar order or a permanent or temporary injunction of any court of competent jurisdiction entered under any other federal or state act applicable to the offering; but:

1. The ***commissioner***~~[executive director]~~ may not institute a proceeding against an effective registration statement under this paragraph more than one (1) year from the date of the order or injunction relied on; and
 2. He may not enter an order under this paragraph on the basis of an injunction entered under any other state act unless that order or injunction was based on facts which would currently constitute a ground for a stop order under this section;
- (d) The issuer's enterprise or method of business includes or would include activities which are illegal where performed;
 - (e) The offering has worked or tended to work a fraud upon purchasers or would so operate;
 - (f) The offering has been, or would be, made with unreasonable amounts of underwriters' and sellers' discounts, commissions, or other compensations, or promoters' profits or participation, or unreasonable amounts or kinds of options;
 - (g) When a security is sought to be registered by notification it is not eligible for such registration;
 - (h) When a security is sought to be registered by coordination, there has been a failure to comply with the undertaking required by KRS 292.360(2)(g);
 - (i) The applicant or registrant has failed to pay the proper registration fee; but the ***commissioner***~~[executive director]~~ may enter only a denial order under this paragraph and he shall vacate any such order when the deficiency has been corrected;
 - (j) Commissions, compensation, and selling and other transaction expenses greater than twenty percent (20%) in the aggregate, or such other amount specified in the guidelines adopted by the North American Securities Administrators Association, would be paid directly or indirectly, in consideration for the sale of securities sought to be registered.
- (2) The ***commissioner***~~[executive director]~~ may not enter a stop order against an effective registration statement on the basis of a fact or transaction known to him when the registration statement became effective unless the proceeding is instituted within the next thirty (30) days.
 - (3) The ***commissioner***~~[executive director]~~ may by order summarily postpone or suspend the effectiveness of the registration statement pending final determination of any proceeding under this section. Upon the entry of a stop order under any part of this section, the ***commissioner***~~[executive director]~~ shall promptly notify the issuer of the securities, the applicant or registrant, and the person on whose behalf the securities are to be or have been offered that the order has been entered and of the reasons therefor and that within fifteen (15) days after the receipt of a written request the matter will be set down for hearing. If no hearing is requested within fifteen (15) days and none is ordered by the ***commissioner***~~[executive director]~~, the ***commissioner***~~[executive director]~~ shall enter his written findings of fact and conclusions of law and the order will remain in effect until it is modified or vacated by the ***commissioner***~~[executive director]~~. If a hearing is requested or ordered, the ***commissioner***~~[executive director]~~, after notice of and opportunity for hearing to the issuer and to the applicant or registrant, shall enter his written finding of fact and conclusions of law and may modify or vacate the order. The ***commissioner***~~[executive director]~~ may modify or vacate a stop order if he finds that the conditions which prompted its entry have changed or that it is otherwise in the public interest to do so.

No such order may be entered without appropriate prior notice to all interested parties, opportunity for hearing, and written findings of fact and conclusions of law, except that the **commissioner**~~[executive director]~~ may by order summarily deny or revoke any of the specified exemptions pending final determination of any proceeding under this subsection. Upon entry of a summary order, the **commissioner**~~[executive director]~~ shall promptly notify all interested parties that it has been entered and of the reasons therefor and that within fifteen (15) days of the receipt of a written request the matter will be set down for hearing. If a hearing is requested or ordered, the **commissioner**~~[executive director]~~, after notice of and opportunity for hearing to all interested persons, may modify or vacate the order to extend it until final determination. No order under this subsection may operate retroactively. No person may be considered to have violated this chapter by reason of any offer or sale effected after the entry of an order under this subsection if he sustains the burden of proof that he did not know, and in the exercise of reasonable care could not have known of the order. In any proceeding under this chapter, the burden of proving an exemption from a definition is upon the person claiming it.

➔Section 870. KRS 292.415 is amended to read as follows:

- (1) Before any security may be issued as an exempt security under KRS 292.400(9) or (12), a claim of exemption must first be filed with the **commissioner**~~[executive director]~~ and the **commissioner**~~[executive director]~~ by order shall not have determined that the exemption is unavailable within the next ten (10) full business days. A claim of exemption filed under this section shall be in such form and contain such information as the **commissioner**~~[executive director]~~ by rule or order requires and each offering shall be effective for a maximum of twelve (12) consecutive months unless the **commissioner**~~[executive director]~~ by rule or order extends such period of time, not to exceed five (5) years.
- (2) The issuer may make offers, but not sales, before and during the ten (10) business day period required by subsection (1) of this section, if:
 - (a) Each prospective purchaser is advised in writing that the offer is preliminary and subject to material change; and

- (b) No enforceable offer to purchase the securities may be made by a prospective purchaser, and no consideration in any form may be accepted or received, directly or indirectly, from a prospective purchaser, before the termination of the ten (10) business day period and any order disallowing the exemption has been vacated.

The ~~commissioner~~~~[executive director]~~ may, by rule or order, prohibit offers by a particular class of issuers before the expiration of the ten (10) business day period required by subsection (1) of this section, or may require issuers to comply with additional conditions and requirements prior to making offers before the expiration of the period, if appropriate in furtherance of the intent of this chapter.

- (3) The ~~commissioner~~~~[executive director]~~ may issue a stop order denying effectiveness to, or suspending or revoking the effectiveness of an exemption, if ~~the commissioner~~~~[he]~~ finds that the order is in the public interest and that any security has been or is about to be offered or sold in violation of this section. If the ~~commissioner~~~~[executive director]~~ finds it appropriate in the public interest or necessary for the protection of investors, the ~~commissioner~~~~[executive director]~~ may order any issuer in violation of this section to make an offer of rescission.
- (4) Failure by any person to file a claim of exemption under this section shall not give rise to a private right of action under KRS 292.330(1), 292.340, or 292.480 which would not otherwise be available under the provisions of this chapter.
- (5) Any person who fails to file a claim of exemption under this section, unless he *or she* does so intentionally, shall not be subject to KRS 292.991.

➔Section 871. KRS 292.420 is amended to read as follows:

- (1) In any proceeding under this chapter, the burden of proving an exemption or an exception from a definition is upon the person claiming it.
- (2) The ~~commissioner~~~~[executive director]~~ may require any person, who is selling or offering for sale or who is about to sell or offer for sale or who has sold or offered for sale any security within this state, to file a statement of the claim of exemption, if any, upon which such person is relying, and if any time, in the opinion of the ~~commissioner~~~~[executive director]~~, the information contained in such statement filed is misleading, incorrect, inadequate, or fails to establish the right of exemption, ~~the commissioner~~~~[he]~~ may require such person, agent, or investment adviser to file such information as may in his opinion be necessary to establish the claimed exemption. The refusal to furnish information as required by order of the ~~commissioner~~~~[executive director]~~ pursuant to the provisions of this subsection, within a reasonable time to be fixed by the ~~commissioner~~~~[executive director]~~, shall be proper ground for the entry of an order by the ~~commissioner~~~~[executive director]~~ suspending and/or canceling the registration of the broker-dealer, agent or investment adviser.
- (3) The ~~commissioner~~~~[executive director]~~ shall have authority at all times to consider and determine whether any proposed sale, transaction, issue, or security is entitled to an exemption or an exception from the definition accorded by this chapter, provided, however, that the ~~commissioner~~~~[executive director]~~ in his *or her* discretion may decline to exercise such authority as to any proposed sale, transaction, issue, or security. Any interested party desiring the ~~commissioner~~~~[executive director]~~ to exercise such authority shall submit to the ~~commissioner~~~~[executive director]~~ a verified statement of all material facts relating to the proposed sale, transaction, issue, or security, which verified statement shall be accompanied by a request for a ruling as to the particular exemption or exception from definition, together with a filing fee of two hundred fifty dollars (\$250). After such notice to interested parties as the ~~commissioner~~~~[executive director]~~ shall deem proper and after a hearing, if any, the ~~commissioner~~~~[executive director]~~ may enter an order finding the proposed sale, transaction, issue, or security entitled or not entitled to the exemption or the exception from definition as claimed. An order so entered, unless an appeal be taken therefrom in the manner prescribed in this chapter, shall be binding upon the ~~commissioner~~~~[executive director]~~, provided that the proposed sale, transaction, issue, or security when consummated or issued conforms in every relevant and material particular with the facts as set forth in the verified statement as submitted.

➔Section 872. KRS 292.430 is amended to read as follows:

- (1) Every applicant for registration as a broker-dealer, agent, investment adviser, or investment adviser representative under this chapter and every issuer which proposes to offer a security in this state through any person acting on an agency basis in the common law sense shall file with the ~~commissioner~~~~[executive director]~~, in such form as ~~the commissioner~~~~[he]~~ by rule prescribes, an irrevocable consent appointing the

~~commissioner~~^[executive director] or ~~the commissioner's~~^[his] successor in office to be ~~the applicant's~~^[his] attorney to receive service of any lawful process in any noncriminal suit, action, or proceeding against ~~the applicant~~^[him] or ~~the applicant's~~^[his] successor, executor, or administrator which arises under this chapter or any rule or order hereunder after the consent has been filed, with the same force and validity as if served personally on the person filing the consent. A person who has filed such a consent in connection with a previous registration need not file another. Service may be made by leaving a copy of the process in the office of the ~~commissioner~~^[executive director], but it is not effective unless:

- (a) The plaintiff, who may be the ~~commissioner~~^[executive director] in a suit, action, or proceeding instituted by ~~the commissioner~~^[him], forthwith sends notice of the service and a copy of the process by certified mail, return receipt requested, or by registered mail to the defendant or respondent at his ~~or her~~ last address on file with the ~~commissioner~~^[executive director]; and
 - (b) The plaintiff's affidavit of compliance with this subsection is filed in the case on or before the return day of the process, if any, or within such further time as the court allows.
- (2) Every issuer of a covered security and every covered adviser who makes a notice filing with Kentucky under this chapter shall file with the ~~commissioner~~^[executive director], in the form as prescribed by administrative regulation, an irrevocable consent appointing the ~~commissioner~~^[executive director] or ~~the commissioner's~~^[his] successor in office to be his ~~or her~~ attorney to receive service of any lawful process in any noncriminal suit, action, or proceeding against him ~~or her~~ or his ~~or her~~ successor, executor, or administrator that arises under this chapter or under any rule or order under this chapter after the consent has been filed, with the same force and validity as if served personally on the person filing the consent. A person who has filed a consent in connection with a previous notice filing need not file another. Service may be made by leaving a copy of the process in the office of the ~~commissioner~~^[executive director], but it is not effective unless:
- (a) The plaintiff, who may be the ~~commissioner~~^[executive director] in a suit, action, or proceeding instituted by ~~the commissioner~~^[him], sends notice of the service and a copy of the process by certified mail, return receipt requested, or by registered mail to the defendant or respondent at his ~~or her~~ last address on file with the ~~commissioner~~^[executive director]; and
 - (b) The plaintiff's affidavit of compliance with this subsection is filed in the case on or before the return day of the process, if any, or within the time as the court allows.
- (3) When any person, including any nonresident of this state, engages in conduct prohibited or made actionable by this chapter or any rule or order hereunder, and ~~the person~~^[he] has not filed a consent to service of process under subsection (1) or (2) of this section and personal jurisdiction over him ~~or her~~ cannot otherwise be obtained in this state, that conduct shall be considered equivalent to his ~~or her~~ appointment of the ~~commissioner~~^[executive director] or ~~the commissioner's~~^[his] successor in office to be ~~the person's~~^[his] attorney to receive service of any lawful process in any noncriminal suit, action, or proceeding against ~~the person~~^[him] or ~~the person's~~^[his] successor executor or administrator which grows out of that conduct and which is brought under this chapter or any rule or order hereunder, with the same force and validity as if served on ~~the person~~^[him] personally. Service may be made by leaving a copy of the process in the office of the ~~commissioner~~^[executive director], and it is not effective unless:
- (a) The plaintiff, who may be the ~~commissioner~~^[executive director], in a suit, action, or proceeding instituted by ~~the commissioner~~^[him], forthwith sends notice of the service and a copy of the process by certified mail, return receipt requested, or by registered mail to the defendant or respondent at his ~~or her~~ last known address or takes other steps which are reasonably calculated to give actual notice; and
 - (b) The plaintiff's affidavit of compliance with this subsection is filed in the case on or before the return day of the process, if any, or within such further time as the court allows.

➔Section 873. KRS 292.440 is amended to read as follows:

It is unlawful for any person to make or cause to be made, in any document filed with the ~~commissioner~~^[executive director] or the ~~commissioner's~~^[executive director's] designee or in any proceeding under this chapter, any statement which is, at the time and in the light of the circumstances under which it is made, false or misleading in any material respect.

➔Section 874. KRS 292.450 is amended to read as follows:

- (1) Neither the fact that an application for registration under KRS 292.330 or a registration statement under KRS 292.350, 292.360, or 292.370 has been filed, nor the fact that a person or security is effectively registered, constitutes a finding by the **commissioner**~~[executive director]~~ that any document filed under this chapter is true, complete, and not misleading.
- (2) Neither any such fact nor the fact that an exemption or exception is available for a security or a transaction means that the **commissioner**~~[executive director]~~ has passed in any way upon the merits or qualifications of, or recommended or given approval to, any person, security, or transaction. It is unlawful to make, or cause to be made, to any prospective purchaser, customer, or client any representation inconsistent with this section.
- (3) Neither the fact that a notice filing for a covered security or for a covered adviser has been filed, nor the fact that the person, security, or transaction is registered or exempt from registration, constitutes a finding by the **commissioner**~~[executive director]~~ that any document filed under this chapter is true, complete, and not misleading or that the person, security, or transaction is entitled to claim an exemption.
- (4) It is unlawful to make or cause to be made to any prospective purchaser, customer, or client any representation inconsistent with this section.

➔Section 875. KRS 292.460 is amended to read as follows:

- (1) The **commissioner**~~[executive director]~~ in his **or her** discretion:
 - (a) May make such public or private investigations within or outside of this state as he deems necessary to determine whether any registration should be granted, denied, or revoked, or whether any person has violated or is about to violate any provision of this chapter or any rule or order under this chapter, or to aid in the enforcement of this chapter or in the prescribing of rules and forms hereunder;
 - (b) May require or permit any person to file a statement in writing, under oath or otherwise as the **commissioner**~~[executive director]~~ may determine, as to all the facts and circumstances concerning the matter to be investigated; or
 - (c) May publish information concerning any violation of this chapter or any rule or order hereunder.
- (2) For the purpose of any investigation or proceeding under this chapter, the **commissioner**~~[executive director]~~ or any officer designated by him may administer oaths and affirmations, subpoena witnesses, compel their attendance, take evidence, and require production of any books, papers, correspondence, memoranda, agreements, or other documents or records which the **commissioner**~~[executive director]~~ deems relevant or material to the inquiry.
- (3) In case of contumacy by, or refusal to obey a subpoena issued to, any person, any court of competent jurisdiction, upon application by the **commissioner**~~[executive director]~~, may issue to that person an order requiring him to appear before the **commissioner**~~[executive director]~~, or the officer designated by him, there to produce documentary evidence if so ordered or to give evidence touching the matter under investigation or in question; and any failure to obey the order of the court may be punished by the court as a contempt of court.
- (4) No person is excused from attending and testifying or from producing any document or record before the **commissioner**~~[executive director]~~, or in obedience to the subpoena of the **commissioner**~~[executive director]~~ or any officer designated by him, or in any proceeding instituted by the **commissioner**~~[executive director]~~, on the ground that the testimony or evidence (documentary or otherwise) required of **the person**~~[him]~~ may tend to incriminate **the person**~~[him]~~ or subject **the person**~~[him]~~ to a penalty or forfeiture; but no individual may be prosecuted or subjected to any penalty or forfeiture for or on account of any transaction, matter, or thing concerning which he is compelled, after claiming **the**~~his~~ privilege against self-incrimination, to testify or produce evidence (documentary or otherwise), except that the individual so testifying shall not be exempt from prosecution and punishment for perjury committed in so testifying.

➔Section 876. KRS 292.470 is amended to read as follows:

Whenever it appears to the **commissioner**~~[executive director]~~ that any person has engaged or is about to engage in any act or practice constituting a violation of any provision of this chapter or any rule or order under this chapter, **the commissioner**~~[he]~~ may in his **or her** discretion bring any or all of the following remedies:

- (1) Issue a cease and desist order, with or without a prior hearing, appealable to Franklin Circuit Court, against the person or persons engaged in the prohibited activities directing that person or persons to cease and desist from illegal activity. In order to issue an order without a prior hearing, the **commissioner**~~[executive director]~~ must find that the delay in issuing a final cease and desist order will cause harm to the public;

- (2) An action in the Franklin Circuit Court or any other court of competent jurisdiction to enjoin any such acts or practices and to enforce compliance with this chapter or any rule or order under this chapter. Upon a proper showing a permanent or temporary injunction, restraining order, or writ of mandamus shall be granted and a receiver or conservator may be appointed for the defendant or the defendant's assets. Upon a proper showing by the **commissioner**~~{executive-director}~~, the court may enter an order of rescission, restitution, or disgorgement directed to any person who has engaged in any act constituting a violation of this chapter or any rule or order under this chapter. The **commissioner**~~{executive-director}~~ may not be required to post a bond; or
- (3) Issue a final order, after notice and an opportunity for a hearing, containing findings of fact and conclusions of law, directing any person or persons found to have engaged in, or about to be engaged in, activity that constitutes a violation of this chapter or any rule or order under this chapter:
 - (a) To cease and desist from the activity;
 - (b) To perform any other reasonable mandates directed by the **commissioner**~~{executive-director}~~ pursuant to an appropriate remedy fashioned by the **commissioner**~~{executive-director}~~ and reasonably calculated to carry out the provisions of this chapter; or
 - (c) To pay fines assessed under KRS 292.500(14) and costs assessed under KRS 292.500(15).

➔Section 877. KRS 292.490 is amended to read as follows:

Any person aggrieved by a final order of the **commissioner**~~{executive-director}~~ may obtain a review of the order by filing in accordance with KRS Chapter 13B in the Franklin Circuit Court, within thirty (30) days after the entry of the order, a written petition praying that the order be modified or set aside in whole or in part. A copy of the petition shall be forthwith served upon the **commissioner**~~{executive-director}~~, and thereupon the **commissioner**~~{executive-director}~~ shall certify and file in court a copy of the filing, testimony, and other evidence upon which the order was entered. When these have been filed, the court has exclusive jurisdiction to affirm, modify, enforce, or set aside the order, in whole or in part. No objection to the order may be considered by the court unless it was urged before the **commissioner**~~{executive-director}~~ or there were reasonable grounds for failure to do so. The findings of the **commissioner**~~{executive-director}~~ as to the facts, if supported by substantial evidence, are conclusive. If either party applies to the court for leave to adduce additional evidence, and shows to the satisfaction of the court that the additional evidence is material and that there were reasonable grounds for failure to adduce the evidence in the hearing before the **commissioner**~~{executive-director}~~, the court may order the additional evidence to be taken before the **commissioner**~~{executive-director}~~ and to be adduced upon the hearing in such manner and upon such conditions as the court may consider proper. The **commissioner**~~{executive-director}~~ may modify his *or her* findings as to the facts, by reason of the additional evidence so taken; and *the commissioner*~~{he}~~ shall file any modified or new findings, which if supported by substantial evidence shall be conclusive, and any recommendation for the modification or setting aside of the original order. The commencement of proceedings under this section does not, unless specifically ordered by the court, operate as a stay of the **commissioner's**~~{executive-director's}~~ order. An appeal may be taken from the judgment of the Franklin Circuit Court on any such appeal to the Court of Appeals on the same terms and conditions as an appeal is taken in civil actions.

➔Section 878. KRS 292.500 is amended to read as follows:

- (1) The administration of the provisions of this chapter shall be under the **Department**~~{Office}~~ of Financial Institutions.
- (2) It is unlawful for the **commissioner**~~{executive-director}~~ or any of his *or her* officers or employees to use for personal benefit any information which is filed with or obtained by the **commissioner**~~{executive-director}~~ and which is not made public. Except as provided in subsection (18) of this section, no provision of this chapter authorizes the **commissioner**~~{executive-director}~~ or any of *the department's*~~{his}~~ officers or employees to disclose any confidential information except among themselves or when necessary or appropriate in an administrative hearing or investigation under this chapter. No provision of this chapter either creates or derogates from any privilege which exists at common law or otherwise when documentary or other evidence is sought under a subpoena directed to the **commissioner**~~{executive-director}~~ or any of *the department's*~~{his}~~ officers or employees.
- (3) The **commissioner**~~{executive-director}~~ may from time to time promulgate, amend, and repeal administrative regulations, forms, and orders as are necessary to carry out the provisions of this chapter, including administrative regulations and forms governing registration statements, applications, notice filings, and reports

and defining any terms, whether or not used in this chapter, insofar as the definitions are not inconsistent with the provisions of this chapter. For the purpose of administrative regulations and forms, the ***commissioner***~~[executive director]~~ may classify securities, persons, and matters within his jurisdiction, and prescribe different requirements for different classes.

- (4) No administrative regulation, form, or order may be promulgated, amended, or repealed unless the ***commissioner***~~[executive director]~~ finds that the action is necessary or appropriate in the public interest or for the protection of investors and consistent with the purposes fairly intended by the policy and provision of this chapter. In promulgating administrative regulations and forms, the ***commissioner***~~[executive director]~~ may cooperate with the securities administrators of the other states and the Securities and Exchange Commission with a view to effectuating the policy of this statute to achieve maximum uniformity in the form and content of registration statement, applications, notice filings, and reports whenever practicable.
- (5) The ***commissioner***~~[executive director]~~ may by administrative regulation or order prescribe the form and content of financial statements required under this chapter and the circumstances under which consolidated financial statements shall be certified by certified public accountants. All financial statements shall be prepared in accordance with generally-accepted accounting standards.
- (6) All administrative regulations and forms of the ***commissioner***~~[executive director]~~ shall be published.
- (7) No provision of this chapter imposing any liability applies to any act done or omitted in good faith in conformity with any administrative regulation, form, or order of the ***commissioner***~~[executive director]~~, notwithstanding that the administrative regulation, form, or order may later be amended or repealed or be determined by judicial or other authority to be invalid for any reason.
- (8) A document is filed when it is received by the ***commissioner***~~[executive director]~~ or when the ***commissioner***~~[executive director]~~ receives confirmation that a document has been filed pursuant to KRS 292.327, 292.330, 292.360, and 292.370.
- (9) Every administrative hearing shall be conducted in accordance with KRS Chapter 13B and the provisions of this chapter, and shall be public unless the ***commissioner***~~[executive director]~~ in his *or her* discretion grants a request joined in by all the respondents that the hearing be conducted privately.
- (10) The ***commissioner***~~[executive director]~~ shall keep a register of all applications for registration and registration statements and notice filings which are or have ever been effective under this chapter and all denial, suspension, or revocation final orders which have ever been entered under this chapter. The register shall be open for public inspection.
- (11) The information contained in or filed with any registration statement, application, notice filings, or report may be made available to the public under administrative regulations as the ***commissioner***~~[executive director]~~ may promulgate.
- (12) Upon request and at reasonable charges as *the commissioner*~~he~~ prescribes, the ***commissioner***~~[executive director]~~ shall furnish to any person photostatic or other copies (certified under his seal of office if requested) of any entry in the register or any document which is a matter of public record. In any administrative hearing or prosecution under this chapter, any copy so certified is prima facie evidence of the contents of the entry or document certified.
- (13) The ***commissioner***~~[executive director]~~ in his *or her* discretion may honor requests from interested persons for interpretative opinions.
- (14) The ***commissioner***~~[executive director]~~ may assess civil fines against any person who violates any provision of this chapter or any rule or order under this chapter.
- (15) In addition to any fines levied under subsection (14) of this section, the ***commissioner***~~[executive director]~~ may also assess the costs of any investigation, including attorney's fees incurred as a result of bringing enforcement actions under the provisions of this chapter and costs of holding any hearing as a result of an enforcement action. Costs and attorney's fees may only be assessed if there has been a final determination that a violation has occurred, and in an amount reasonably related to the costs of investigation and enforcement for those violations only.
- (16) If fines or costs assessed under this section are not paid, the ***commissioner***~~[executive director]~~ may notify the Attorney General who shall promptly institute an action in the name of the Commonwealth of Kentucky, in the Franklin Circuit Court for the recovery of the fines or costs.

- (17) The remedies provided by this section are not exclusive and may be sought and employed in any combination to enforce the provisions of this chapter. The remedies set forth in this section shall not prohibit or restrict the ***commissioner***~~[executive director]~~ from participating in any way whatsoever with respect to any joint examination, investigation, enforcement action, settlement, or other legal or regulatory action with securities administrators of other jurisdictions, the Securities and Exchange Commission, any self-regulatory organization, or any national securities exchange or national securities association registered under the Securities Exchange Act of 1934. Accordingly, the ***commissioner***~~[executive director]~~ may, at any time and in his *or her* sole discretion, share or cause to be shared by any employee of the ***department***~~[office]~~ any information gained pursuant to an examination, investigation, filing, or from any other source, with other governmental agencies, jurisdictions, or governmental or self-regulating organizations or entities, to the extent the ***commissioner***~~[executive director]~~, in his *or her* sole discretion, deems that the sharing of information is or will be reasonably necessary or useful to the ***department***~~[office]~~ or other agency in carrying out its regulatory responsibilities.
- (18) The following materials, documentation, and other information are deemed to have been confidentially disclosed to the ***department***~~[office]~~ and to be confidential information under the Kentucky Open Records Act and, specifically, the provisions of KRS 61.878(1)(b), to the extent described in this subsection and except as provided further in administrative regulation:
- (a) Any materials, documentation, or other information provided to or otherwise obtained by the ***department***~~[office]~~ during the course of a routine compliance examination of any broker-dealer, agent, investment adviser, or investment adviser representative; and
 - (b) Any materials, documentation, or other information provided to or otherwise obtained by the ***department***~~[office]~~ from any other regulatory or governmental body, including but not limited to any other state securities regulator, the Securities and Exchange Commission, any self-regulatory organization, any state or federal criminal agency, and any criminal prosecutorial body, and which the other body expressly deems to be confidential.

➔Section 879. KRS 292.991 is amended to read as follows:

- (1) Any person who willfully violates any provision of this chapter except KRS 292.440, or who willfully violates KRS 292.440 knowing the statement made to be false or misleading in any material respect, shall be guilty of a Class D felony.
- (2) Any person who willfully violates any rule or order of the ***commissioner***~~[executive director]~~, authorized under this chapter, shall be guilty of a Class A misdemeanor; but no person may be imprisoned for violation of any rule or order of which that person did not have actual knowledge.
- (3) The ***commissioner***~~[executive director]~~ may refer such evidence as may be available concerning violations of this chapter or of any rule or order hereunder to the Attorney General or the proper prosecuting authority, who may in his *or her* discretion, with or without such a reference, institute the appropriate criminal proceedings under this chapter.
- (4) Nothing in this chapter limits the power of the state to punish any person for any conduct which constitutes a crime by statute or at common law.

➔Section 880. KRS 299.010 is amended to read as follows:

- (1) The provisions of this chapter do not apply to secret or fraternal societies, lodges, or councils that are under the supervision of a grand or supreme body and secure members through the lodge system exclusively, and pay no commissions and employ no agents except in the organization and supervision of the work of local subordinate lodges or councils, nor do they apply to companies, societies or associations organized under the authority and patronage of any church or religious denomination for the exclusive purpose of insuring the property of churches or religious denominations and the personal property of the pastors and ministers thereof against loss or damage by fire, lightning or storm.
- (2) As used in this chapter, unless the context requires otherwise:

➔Section 881. KRS 299.019 is amended to read as follows:

- (3) In addition to the general requirements for all corporations, the articles of incorporation shall specify the class of insurance the company proposes to transact; and on what business plan or principle; the number and amount of agreements for insurance, if any; and such other facts as may be necessary to explain and make manifest the object and purposes of the corporation. If the articles are found by him to be conformable to and not inconsistent with the laws of the state, he shall certify accordingly and return them, with his certificate of conformity, to the **commissioner**~~[executive director]~~. The **commissioner**~~[executive director]~~ shall cause the articles, with the certificate of the Attorney General, to be recorded in a book to be kept for the purpose, and shall deliver to the company a certified copy of the papers so filed and recorded in his **or her** office, and of the certificate of the Attorney General, together with the license of the **commissioner**~~[executive director]~~ to the company to engage in the business proposed in the articles. - (2) A controlled insurer shall not accept business from a controlling producer and a controlling producer shall not place business with a controlled insurer unless there is a written contract between the controlling producer and the insurer specifying the responsibilities of each party, and the contract has been approved by the board of directors of the insurer and contains the following minimum provisions:

- (3) Every controlled insurer shall have an audit committee of the board of directors composed of independent directors.  2. The minimum standard for the valuation of all individual annuity and pure endowment contracts issued on or after January 1, 1979, excluding any disability and accidental death benefits in such contracts, shall be the commissioners reserve valuation methods defined in KRS 304.6-150 and 304.6-155, seven and one-half percent (7-1/2%) interest for single premium immediate annuity contracts, five and one-half percent (5-1/2%) interest for single premium deferred annuity and pure endowment contracts and four and one-half percent (4-1/2%) interest for all other individual annuity and pure endowment contracts, and the 1971 individual annuity mortality table, or any individual annuity mortality table adopted after 1980 by the National Association of Insurance Commissioners, that is approved by regulation promulgated by the *commissioner*~~[executive director]~~ for use in determining the minimum standards of valuation for such contracts, or any modification of these tables approved by the *commissioner*~~[executive director]~~.
 3. The minimum standard for the valuation of all annuities and pure endowments purchased on or after January 1, 1979 under group annuity and pure endowment contracts, excluding any disability and accidental death benefits in such contracts, shall be the commissioners reserve valuation methods defined in KRS 304.6-150 and 304.6-155, seven and one-half percent (7-1/2%) interest, and the 1971 group annuity mortality table, or any group annuity mortality table, adopted after 1980 by the National Association of Insurance Commissioners, that is approved by regulation promulgated by the *commissioner*~~[executive director]~~ for use in determining the minimum standards of valuation for such contracts, or any modification of these tables approved by the *commissioner*~~[executive director]~~.
 4. The minimum standard for the valuation of all individual annuity and pure endowment contracts issued on or after July 1, 1976, and prior to January 1, 1979, and of all annuities and pure endowments purchased on or after July 1, 1976, and prior to January 1, 1979, under group annuity and pure endowment contracts, excluding any disability and accidental death benefits in such contracts, shall be the standard specified in this paragraph, or, at the option of the insurer with respect to any such contracts or purchases, the standard specified in paragraph (a) of this subsection.

➔Section 1004. KRS 304.6-145 is amended to read as follows:

- (1) The interest rates used in determining the minimum standard for the valuation of:
 - (a) All life insurance policies issued in a particular calendar year, on or after the effective date of KRS 304.15-342;
 - (b) All individual annuity and pure endowment contracts issued in a particular calendar year on or after January 1, 1983;

- (c) All annuities and pure endowments purchased in a particular calendar year on or after January 1, 1983 under group annuity and pure endowment contracts; and
 - (d) The net increase, if any, in a particular calendar year after January 1, 1983, in amounts held under guaranteed interest contracts shall be the calendar year statutory valuation interest rates as defined in this section.
- (2) The calendar year statutory valuation interest rates, I, shall be determined as follows and the results rounded to the nearer one-quarter of one percent (1/4 of 1%):
- (a) For life insurance,

$$I = .03 + W (R1 - .03) + W/2 (R2 - .09);$$
 - (b) For single premium immediate annuities and for annuity benefits involving life contingencies arising from other annuities with cash settlement options and from guaranteed interest contracts with cash settlement options,

$$I = .03 + W (R - .03)$$

where R1 is the lesser of R and .09,
R2 is the greater of R and .09,
R is the reference interest rate defined in this section,
and W is the weighting factor defined in this section,
 - (c) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on an issue year basis, except as stated in paragraph (b) above, the formula for life insurance stated in paragraph (a) above shall apply to annuities and guaranteed interest contracts, with guarantee durations in excess of ten (10) years and the formula for single premium immediate annuities stated in paragraph (b) above shall apply to annuities and guaranteed interest contracts with guarantee duration of ten (10) years or less;
 - (d) For other annuities with no cash settlement options and for guaranteed interest contracts with no cash settlement options, the formula for single premium immediate annuities stated in paragraph (b) above shall apply;
 - (e) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on a change in fund basis, the formula for single premium immediate annuities stated in paragraph (b) above shall apply.
- However, if the calendar year statutory valuation interest rate for any life insurance policies issued in any calendar year determined without reference to this sentence differs from the corresponding actual rate for similar policies issued in the immediately preceding calendar year by less than one-half of one percent (1/2 of 1%), the calendar year statutory valuation interest rate for such life insurance policies shall be equal to the corresponding actual rate for the immediately preceding calendar year. For purposes of applying the immediately preceding sentence, the calendar year statutory valuation interest rate for life insurance policies issued in a calendar year shall be determined for 1980 (using the reference interest rate defined for 1979) and shall be determined for each subsequent calendar year regardless of when KRS 304.15-342 becomes effective.

- (3) The weighting factors referred to in the formulas stated above are given in the following tables:

- (a) Weighting Factors for Life Insurance:

Guarantee Duration (Years)	Weighting Factors
10 or less	.50
More than 10, but not more than 20	.45
More than 20	.35

For life insurance, the guarantee duration is the maximum number of years the life insurance can remain in force on a basis guaranteed in the policy or under options to convert to plans of life insurance with premium rates or nonforfeiture values or both which are guaranteed in the original policy;

- (b) Weighting factor for single premium immediate annuities and for annuity benefits involving life contingencies arising from other annuities with cash settlement options and guaranteed interest contracts with cash settlement options:

.80

- (c) Weighting factors for other annuities and for guaranteed interest contracts, except as stated in (b) above, shall be as specified in tables 1., 2., and 3. below, according to the rules and definitions in 4., 5., and 6. below:

1. For annuities and guaranteed interest contracts valued on an issue year basis:

Guarantee Duration (Years)	Weighting Factor for Plan Type		
	A	B	C
5 or less:	.80	.60	.50
More than 5, but not more than 10	.75	.60	.50
More than 10, but not more than 20:	.65	.50	.45
More than 20:	.45	.35	.35

2. For annuities and guaranteed interest contracts valued on a change in fund basis, the factors shown in 1. above increased by:

Plan Type		
A	B	C
.15	.25	.05

3. For annuities and guaranteed interest contracts valued on an issue year basis (other than those with no cash settlement options) which do not guarantee interest on considerations received more than one (1) year after issue or purchase and for annuities and guaranteed interest contracts valued on a change in fund basis which do not guarantee interest rates on considerations received more than twelve (12) months beyond the valuation date, the factors shown in 1. or derived in 2. increased by:

Plan Type		
A	B	C
.05	.05	.05

4. For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, the guarantee duration is the number of years for which the contract guarantees interest rates in excess of the calendar year statutory valuation interest rate for life insurance policies with guarantee duration in excess of twenty (20) years. For other annuities with no cash settlement options and for guaranteed interest contracts with no cash settlement options, the guarantee duration is the number of years from the date of issue or date of purchase to the date annuity benefits are scheduled to commence.

5. Plan type as used in the above tables is defined as follows:

Plan Type A: At any time policyholder may withdraw funds only with an adjustment to reflect changes in interest rates or asset values since receipt of the funds by the insurer, or without such adjustment but in installments over five (5) years or more, or as an immediate life annuity, or no withdrawal permitted.

Plan Type B: Before expiration of the interest rate guarantee, policyholder may withdraw funds only with an adjustment to reflect changes in interest rates or asset values since receipt of the funds by the insurer, or without such adjustment but in installments over five (5) years or more, or no withdrawal permitted. At the end of interest rate guarantee, funds may be withdrawn without such adjustment in a single sum or installments over less than five (5) years.

Plan Type C: Policyholder may withdraw funds before expiration of interest rate guarantee in a single sum or installments over less than five (5) years either without adjustment to reflect changes in interest rates or asset values since receipt of the funds by the insurer, or subject only to a fixed surrender charge stipulated in the contract as a percentage of the fund.

6. An insurer may elect to value guaranteed interest contracts with cash settlement options and annuities with cash settlement options on either an issue year basis or on a change in fund basis. Guaranteed interest contracts with no cash settlement options and other annuities with no cash settlement options must be valued on an issue year basis. As used in this section, an issue year basis of valuation refers to a valuation basis under which the interest rate used to determine the minimum valuation standard applicable to each change in the fund held under the annuity or guaranteed interest contract is the calendar year valuation interest rate for the year of the change in the fund.

(4) The reference interest rate referred to in subsection (2) of this section shall be defined as follows:

- (a) For all life insurance, the lesser of the average over a period of thirty-six (36) months and the average over a period of twelve (12) months, ending on June 30 of the calendar year next preceding the year of issue, of Moody's Corporate Bond Yield Average - Monthly Average Corporates, as published by Moody's Investors Service, Inc.
- (b) For single premium immediate annuities and for annuity benefits involving life contingencies arising from other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, the average over a period of twelve (12) months, ending on June 30 of the calendar year of issue or year of purchase, of Moody's Corporate Bond Yield Average - Monthly Average Corporates, as published by Moody's Investors Service, Inc.
- (c) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on a year of issue basis, except as stated in paragraph (b) above, with guarantee duration in excess of ten (10) years, the lesser of the average over a period of thirty-six (36) months and the average over a period of twelve (12) months, ending on June 30 of the calendar year of issue or purchase, of Moody's Corporate Bond Yield Average - Monthly Average Corporates, as published by Moody's Investors Service, Inc.
- (d) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on a year of issue basis, except as stated in paragraph (b) above, with guarantee duration of ten (10) years or less, the average over a period of twelve (12) months, ending on June 30 of the calendar year of issue or purchase, of Moody's Corporate Bond Yield Average - Monthly Average Corporates, as published by Moody's Investors Service, Inc.
- (e) For other annuities with no cash settlement options and for guaranteed interest contracts with no cash settlement options, the average over a period of twelve (12) months, ending on June 30 of the calendar year of issue or purchase, of Moody's Corporate Bond Yield Average - Monthly Average Corporates, as published by Moody's Investors Service, Inc.
- (f) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on a change in fund basis, except as stated in paragraph (b) above, the average over a period of twelve (12) months, ending on June 30 of the calendar year of the change in the fund, of Moody's Corporate Bond Yield Average - Monthly Average Corporates, as published by Moody's Investors Service, Inc.

(5) In the event that Moody's Corporate Bond Yield Average - Monthly Average Corporates is no longer published by Moody's Investors Service, Inc., or in the event that the National Association of Insurance Commissioners determines that Moody's Corporate Bond Yield Average - Monthly Average Corporates as published by Moody's Investors Service, Inc. is no longer appropriate for the determination of the reference interest rate, then an alternative method for determination of the reference interest rate, which is adopted by the National

Association of Insurance Commissioners and approved by regulation promulgated by the ***commissioner***~~[executive director]~~, may be substituted.

➔Section 1005. KRS 304.6-170 is amended to read as follows:

- (2) Any such company which at any time shall have adopted any standard of valuation producing greater aggregate reserves than those calculated according to the minimum standard herein provided may, with the approval of the ***commissioner***~~[executive director]~~, adopt any lower standard of valuation, but not lower than the minimum herein provided; provided, however, that for the purposes of this section, the holding of additional reserves previously determined by a qualified actuary to be necessary to render the opinion requested by KRS 304.6-171 shall not be deemed to be the adoption of a higher standard of valuation.

➔Section 1006. KRS 304.6-171 is amended to read as follows:

- (1) This section shall become operative at the end of the first full calendar year following the year of enactment.

- (3)
 - (a) Every life insurance company, except as exempted by or pursuant to administrative regulation, shall also annually include in the opinion required by subsection (2) of this section, an opinion of the same qualified actuary as to whether the reserves and related actuarial items held in support of the policies and contracts specified by the ***commissioner***~~[executive director]~~ by administrative regulation, when considered in light of the assets held by the company with respect to the reserves and related actuarial items, including but not limited to the investment earnings on the assets and the considerations anticipated to be received and retained under the policies and contracts, make adequate provision for the company's obligations under the policies and contracts, including but not limited to the benefits under and expenses associated with the policies and contracts.

 - (b) If the insurance company fails to provide a supporting memorandum at the request of the ***commissioner***~~[executive director]~~ within a period specified by administrative regulation or the ***commissioner***~~[executive director]~~ determines that the supporting memorandum provided by the insurance company fails to meet the standards prescribed by the administrative regulations or is otherwise unacceptable to the ***commissioner***~~[executive director]~~, the ***commissioner***~~[executive director]~~ may engage a qualified actuary at the expense of the company to review the opinion and the basis for the opinion and prepare the supporting memorandum as is required by the ***commissioner***~~[executive director]~~.

The memorandum or other material may otherwise be released by the **commissioner**~~{executive director}~~ with the written consent of the company or to the American Academy of Actuaries upon request stating that the memorandum or other material is required for the purpose of professional disciplinary proceedings and setting forth procedures satisfactory to the **commissioner**~~{executive director}~~ for preserving the confidentiality of the memorandum or other material. - (2) The insurer shall enter into a written agreement for all transactions authorized in this section other than dollar roll transactions. The written agreement shall require that each transaction terminate not more than one (1) year from its inception or upon the earlier demand of the insurer. ➔Section 1105. KRS 304.12-013 is amended to read as follows:

- (1) The purpose of this section is to prohibit unfair or deceptive practices in the transaction of life and health insurance with respect to the human immunodeficiency virus infection and related matters. This section applies to all life and health insurance contracts which are delivered or issued for delivery in Kentucky on or after July 13, 1990.
- (2) This section shall not prohibit an insurer from contesting the validity of an insurance contract or whether a claim is covered under an insurance contract to the extent allowed by law.
- (3) As used in this section:

- (a) "Human immunodeficiency virus" (HIV) means the causative agent of acquired immunodeficiency syndrome (AIDS) or any other type of immunosuppression caused by the human immunodeficiency virus;
 - (b) "Insurance contract" means a contract issued by an insurer as defined in this section; and
 - (c) "Insurer" means an insurer, a nonprofit hospital, medical-surgical, dental, and health service corporation, a health maintenance organization, or a prepaid dental plan organization.
- (4) (a) In the underwriting of an insurance contract regarding human immunodeficiency virus infection and health conditions derived from such infection, the insurer shall utilize medical tests which are reliable predictors of risk. Only a test which is recommended by the Centers for Disease Control or by the Food and Drug Administration is deemed to be reliable for the purposes of this section. If a specific Centers for Disease Control or Food and Drug Administration-recommended test indicates the existence or possible existence of human immunodeficiency virus infection or a health condition related to the human immunodeficiency virus infection, before relying on a single test to deny issuance of an insurance contract, limit coverage under an insurance contract, or to establish the premium for an insurance contract, the insurer shall follow the applicable Centers for Disease Control or Food and Drug Administration-recommended test protocol and shall utilize any applicable Centers for Disease Control or Food and Drug Administration-recommended follow-up tests or series of tests to confirm the indication.
- (b) Prior to testing, the insurer shall disclose in writing its intent to test the applicant for the human immunodeficiency virus infection or for a specific health condition derived therefrom and shall obtain the applicant's written informed consent to administer the test. Written informed consent shall include a fair explanation of the test, including its purpose, potential uses and limitations, the meaning of its results, and the right to confidential treatment of information. Use of a form prescribed by the ~~department~~~~office~~ shall raise a conclusive presumption of informed consent.
- (c) An applicant shall be notified of a positive test result by a physician designated by the applicant, or, in the absence of such designation, by the Cabinet for Health and Family Services. The notification shall include:
1. Face-to-face post-test counseling on the meaning of the test results, the possible need for additional testing, and the need to eliminate behavior which might spread the disease to others;
 2. The availability in the geographic area of any appropriate health-care services, including mental health care, and appropriate social and support services;
 3. The benefits of locating and counseling any person by whom the infected person may have been exposed to human immunodeficiency virus and any person whom the infected person may have exposed to the virus; and
 4. The availability, if any, of the services of public health authorities with respect to locating and counseling any person described in subparagraph 3. of this paragraph.
- (d) A medical test for human immunodeficiency virus infection or for a health condition derived from the infection shall only be required or given to an applicant for an insurance contract on the basis of the applicant's health condition or health history, on the basis of the amount of insurance applied for, or if the test is required of all applicants.
- (e) An insurer may ask whether an applicant for an insurance contract has been tested positive for human immunodeficiency virus infection or other health conditions derived from such infection. Insurers shall not inquire whether the applicant has been tested for or has received a negative result from a specific test for human immunodeficiency virus infection or for a health condition derived from such infection.
- (f) Insurers shall maintain strict confidentiality of the results of tests for human immunodeficiency virus infection or a specific health condition derived from human immunodeficiency virus infection. Information regarding specific test results shall be disclosed only as required by law or pursuant to a written request or authorization by the applicant. Insurers may disclose results pursuant to a specific written request only to the following persons:
1. The applicant;
 2. A licensed physician or other person designated by the applicant;

3. An insurance medical-information exchange under procedures that are used to assure confidentiality, such as the use of general codes that also cover results of tests for other diseases or conditions not related to human immunodeficiency virus infection;
 4. For the preparation of statistical reports that do not disclose the identity of any particular applicant;
 5. Reinsurers, contractually retained medical personnel, and insurer affiliates if these entities are involved solely in the underwriting process and under procedures that are designed to assure confidentiality;
 6. To insurer personnel who have the responsibility to make underwriting decisions; and
 7. To outside legal counsel who needs the information to represent the insurer effectively in regard to matters concerning the applicant.
- (g) Insurers shall use for the processing of human immunodeficiency virus-related tests only those laboratories that are certified by the United States Department of Health and Human Services under the Clinical Laboratory Improvement Act of 1967, which permit testing of specimens in interstate commerce, and which subject themselves to ongoing proficiency testing by the College of American Pathologists, the American Association of Bioanalysts, or an equivalent program approved by the Centers for Disease Control.
- (5) (a) An insurance contract shall not exclude coverage for human immunodeficiency virus infection. An insurance contract shall not contain benefit provisions, terms, or conditions which apply to human immunodeficiency virus infection in a different manner than those which apply to any other health condition. Insurance contracts which violate this paragraph shall be disapproved by the **commissioner**~~executive director~~ pursuant to KRS 304.14-130(1)(a), 304.32-160, and 304.38-050.
- (b) A health insurance contract shall not be canceled or nonrenewed solely because a person or persons covered by the contract has been diagnosed as having or has been treated for human immunodeficiency virus infection.
- (c) Sexual orientation shall not be used in the underwriting process or in the determination of which applicants shall be tested for exposure to the human immunodeficiency virus infection. Neither the marital status, the living arrangements, the occupation, the gender, the beneficiary designation, nor the zip code or other territorial classification of an applicant's sexual orientation.
- (d) This subsection does not prohibit the issuance of accident only or specified disease insurance contracts.

- (1) As used in this section:
- (a) "Replacement" means any transaction in which a new life insurance policy or annuity contract is to be purchased and it is known or should be known to the proposing producer, or to the proposing insurer if there is no producer, that by reason of the transaction, an existing life insurance policy or annuity contract has been or is to be:
 1. Lapsed, forfeited, surrendered or partially surrendered, assigned to the replacing insurer, or otherwise terminated;
 2. Converted to reduced paid-up insurance, continued as extended term insurance, or otherwise reduced in value by the use of nonforfeiture benefits or other policy values;
 3. Amended so as to effect either a reduction in benefits or in the term for which coverage would otherwise remain in force or for which benefits would be paid;
 4. Reissued with any reduction in cash value; or
 5. Used in a financed purchase;
 - (b) "Existing insurer" means the insurance company whose existing life insurance policy or annuity contract is or will be changed or affected in a manner described within the definition of replacement transaction;

- (c) "Replacing insurer" means the insurance company that issues or proposes to issue a new life insurance policy or annuity contract that replaces an existing policy or contract or is a financed purchase;
 - (d) "Existing life insurance policy or annuity contract" means any individual life insurance policy or annuity in force, including a life insurance policy under a binding or conditional receipt or a life insurance policy or annuity contract that is within an unconditional refund period;
 - (e) "Financed purchase" means the purchase of a new policy involving the actual or intended use of funds obtained by the withdrawal or surrender of, or by borrowing from values of, an existing policy to pay all or part of any premium due on the new policy. If a withdrawal, surrender, or borrowing involving the policy values of an existing policy is used to pay premiums on a new policy owned by the same policyholder and issued by the same company within four (4) months before or thirteen (13) months after the effective date of the new policy, it is prima facie evidence of the policyholder's intent to finance the purchase of the new policy with existing policy values. This prima facie standard does not affect the monitoring obligations of the existing insurer; and
 - (f) "Direct-response solicitation" means a solicitation through a sponsoring or endorsing entity or individual solely through mails, telephone, the Internet, or mass communication media.
- (2) No replacing insurer shall issue any life insurance policy or annuity contract in a replacement transaction to replace an existing life insurance policy or annuity contract unless the replacing insurer shall agree in writing with the insured that:
- (a) The new life insurance policy or annuity contract issued by the replacing insurer will not be contestable by it in the event of such insured's death to any greater extent than the existing life insurance policy or annuity contract would have been contestable by the existing insurer had such replacement not taken place provided, however, that this paragraph shall not apply to that amount of insurance written and issued which exceeds the amount of the existing life insurance; and
 - (b) The policy or contract owner shall have the right to return the policy or contract within thirty (30) days of the delivery of the policy or contract and receive an unconditional full refund of all premiums or considerations paid on it, including any policy fees or charges, or in the case of a variable or market adjustment policy or contract, a payment of the cash surrender value provided under the policy or contract plus the fees and other charges deducted from the gross premiums or considerations or imposed under such policy or contract.
- (3) Unless otherwise specifically included, subsection (2) of this section shall not apply to:
- (a) Credit life insurance;
 - (b) Group life insurance or group annuities where there is no direct solicitation of individuals by an insurance producer. Direct solicitation shall not include any group meeting held by an insurance producer solely for the purpose of educating or enrolling individuals or, when initiated by an individual member of the group, assisting with the selection of investment options offered by a single annuity provider in connection with enrolling that individual. The ~~commissioner~~~~executive director~~ shall promulgate administrative regulations for group life insurance or group annuity certificates marketed through direct response solicitation;
 - (c) Group life insurance and annuities used to fund prearranged funeral contracts;
 - (d) An application to the existing insurer that issued the existing policy or contract when a contractual policy change or conversion privilege is being exercised, or when the existing policy or contract is being replaced by the same insurer pursuant to a program filed with and approved by the ~~commissioner~~~~executive director~~;
 - (e) Existing life insurance that is a nonconvertible term life insurance policy which will expire in five (5) years or less and cannot be renewed; or
 - (f) Proposed life insurance that is to replace life insurance under a binding or conditional receipt issued by the same company;
 - (g) Policies or contracts used to fund:

2. A plan described by Sections 402(a), 401(k) or 403(b) of the Internal Revenue Code, where the plan, for purposes of ERISA, is established or maintained by an employer;
3. A governmental or church plan defined in Section 414 of the Internal Revenue Code, a governmental or church welfare benefit plan, or a deferred compensation plan of a state or local government or tax exempt organization under Section 457 of the Internal Revenue Code; or
4. A nonqualified deferred compensation arrangement established or maintained by an employer or plan sponsor.

Notwithstanding the provisions of this paragraph, subsection (2) of this section shall apply to policies or contracts used to fund any plan or arrangement that is funded solely by contributions an employee elects to make, whether on a pre-tax or after-tax basis, and where the insurer has been notified that plan participants may choose from among two (2) or more insurers and there is a direct solicitation of an individual employee by an insurance producer for the purchase of a contract or policy. As used in this paragraph, direct solicitation shall not include any group meeting held by an insurance producer solely for the purpose of educating individuals about the plan or arrangement or enrolling individuals in the plan or arrangement or, when initiated by an individual employee, assisting with the selection of investment options offered by a single insurer in connection with enrolling that individual employee;

- (h) Where new coverage is provided under a life insurance policy or contract and the cost is borne wholly by the insured's employer or by an association of which the insured is a member;
 - (i) Immediate annuities that are purchased with proceeds from an existing contract. Immediate annuities purchased with proceeds from an existing policy are not exempted from the requirements of this section; or
 - (j) Structured settlements.
- (4) No person shall make or issue, or cause to be made or issued, any written or oral statement of a material fact which is untrue or omit to state a material fact necessary in order to make the statements made, in the light of circumstances under which they were made, not misleading with respect to comparisons as to the terms, conditions, or benefits contained in any policy for the purpose of inducing or attempting or tending to induce the policyholder to lapse, forfeit, borrow against, surrender, retain, exchange, modify, convert, or otherwise affect or dispose of any insurance policy.

➔Section 1107. KRS 304.12-040 is amended to read as follows:

- (1) No person shall file with any public official or make or disseminate any false statement of financial condition of any insurer with intent to deceive.
- (2) No person shall make any false entry in any record, report or statement of any insurer or other person required to have records under this code, with intent to deceive the **commissioner**~~executive director~~ or any examiner lawfully appointed to examine into its affairs, or with like intent willfully omit to make a true entry of any material fact pertaining to its business.

➔Section 1108. KRS 304.12-090 is amended to read as follows:

- (1) No insurer or employee or representative thereof shall knowingly charge, demand, or receive a premium for any insurance policy except in accordance with the applicable filing on file with the **commissioner**~~executive director~~. No such insurer, employee, or representative shall pay, allow, or give, or offer to pay, allow, or give, directly or indirectly, as an inducement to insurance or after insurance has been effected, any rebate, discount, abatement, credit or reduction of the premium named in a policy, or any special favor or advantage in the dividends or other benefits to accrue thereon, or any valuable consideration or inducements whatever, or give, sell, or purchase, or offer to give, sell, or purchase anything of value whatsoever not specified in the policy, except to the extent provided for in such applicable filing.

- (1) If, after a hearing conducted in accordance with KRS Chapter 13B, the **commissioner**~~{executive director}~~ finds that any person in this state has engaged or is engaging in any act or practice defined in or prohibited under this subtitle, the **commissioner**~~{executive director}~~ shall order the person to desist from the act or practice.
- (2) A desist order shall become final upon expiration of the time allowed for appeals from the **commissioner's**~~{executive director's}~~ final order, if no appeal is taken, or, in the event of an appeal, upon final decision of the court if the court affirms the **commissioner's**~~{executive director's}~~ final order or dismisses the appeal. An intervenor in such hearing shall have the right to appeal as provided in subsection (3) of KRS 304.12-130.
- (3) In an appeal, to the extent that the **commissioner's**~~{executive director's}~~ final order is affirmed, the court shall issue its own order commanding obedience to the terms of the **commissioner's**~~{executive director's}~~ final order.
- (4) No final order of the **commissioner**~~{executive director}~~ pursuant to this section or order of court to enforce it shall in any way relieve or absolve any person affected by the order from any other liability, penalty, or forfeiture under law.

➔Section 1110. KRS 304.12-130 is amended to read as follows:

- (1) If the **commissioner**~~{executive director}~~ believes that any person engaged in the insurance business is engaging in this state in any method of competition or in any act or practice in the conduct of such business which is not defined in this subtitle but that such method of competition is unfair, deceptive, or not in the public interest, or that such act or practice is unfair or deceptive and that a proceeding by **the commissioner**~~{him}~~ in respect thereto would be in the public interest, **the commissioner**~~{he}~~ shall, after a hearing of which notice of the hearing and of the charges against **the person**~~{him}~~ are given such person, make a written report of his **or her** findings of fact relative to such charges and serve a copy thereof upon such person and any intervenor at the hearing.
- (2) If such report charges a violation of this subtitle and if such method of competition, act or practice has not been discontinued, the **commissioner**~~{executive director}~~ may, or through the Attorney General, at any time after the service of such report, cause an action to be instituted to enjoin and restrain such person from engaging in such method, act, or practice. In such action the court may grant a restraining order or injunction upon such terms as may be just; but the people of this Commonwealth shall not be required to give security before the issuance of any such order or injunction. If a stenographic record of the proceedings in the hearing before the **commissioner**~~{executive director}~~ was made, a certified transcript thereof including all evidence taken and the report and findings shall be received in evidence in such action.
- (3) If the **commissioner's**~~{executive director's}~~ report made pursuant to subsection (1) of this section or order on hearing made pursuant to KRS 304.12-120 does not charge a violation of this subtitle, then any intervenor in the proceedings may appeal therefrom within the time and in the manner provided in this code for appeals from the **commissioner**~~{executive director}~~ generally.

There shall be no interference either directly or indirectly with the borrower's, debtor's, or purchaser's free choice of an agent and of an insurer, the creditor or lender shall not collect a separate charge for the handling of insurance required in connection with a loan or extension of credit based on the consumer's choice of agent or insurer, and the creditor or lender shall not refuse an adequate policy so tendered by the borrower, debtor, or purchaser. Upon notice of any refusal of an adequate policy, the **commissioner**~~{executive director}~~ shall order the creditor or lender to accept the tendered policy, if he **or she** determines that such refusal is not in accordance with the requirements set out in subsection (2) of KRS 304.12-140. Failure to comply with the order of the **commissioner**~~{executive director}~~ shall be deemed a violation of this section.

➔Section 1112. KRS 304.12-240 is amended to read as follows:

- (3) Life insurance and annuity benefits used to fund preneed funeral contracts or prearrangements shall not be paid by a life insurer until the agent has proven the death of the person for whose service the premiums were paid by furnishing the life insurer with a verified or certified copy of a record verifying the death, issued by the state registrar of the Vital Statistics Branch or its successor agency as authorized by KRS Chapter 213, or a provisional certificate of death as described in KRS 213.076.

➔Section 1114. KRS 304.13-011 is amended to read as follows:

As used in this subtitle, unless the context requires otherwise:

- (1) A "market" is the interaction between buyers and sellers consisting of a product market component and a geographic market component. A product market component consists of identical or readily substitutable products including but not limited to consideration of coverage, policy terms, rate classifications, and underwriting. A geographic market component is a geographical area in which buyers have a reasonable degree of access to insurance sales outlets. Determination of a geographic market component shall consider existing market patterns.
- (2) "Supplementary rating information" includes any manual or plan of rates, classification, rating schedule, minimum premium, policy fees, rating rules, or any other similar information needed to determine the applicable rate or premium. This shall include underwriting rules, but only to the extent necessary to determine the rate or premium that will be applicable to a risk should the insurer decide to provide coverage. This does not include guidelines that relate to the selection of those risks that are acceptable to an insurer.
- (3) "Supporting information" is the experience and judgment of the filer and the experience or data of other insurers or organizations relied on by the filer, the interpretation of any other data relied on by the filer, descriptions of methods used in making the rates, and any other information required to be filed by the **~~commissioner~~**~~[executive director]~~.
- (4) "Personal risks" means homeowners, tenants, private passenger nonfleet automobiles, mobile homes, and other property and casualty insurance for personal, family, or household needs.
- (5) "Commercial risks" are any kinds of risks that are not personal risks.
- (6) "Joint underwriting" is a voluntary arrangement established to provide insurance coverage for a risk pursuant to which two (2) or more insurers jointly contract with the insured at a price and under policy terms agreed on between the insurers.
- (7) A "pool" is a voluntary arrangement, other than by a contract of reinsurance, established on a general and continuing basis pursuant to which two (2) or more insurers participate in the sharing of risks on a predetermined basis. A pool may operate through an association, syndicate or other pooling agreement.
- (8) A "residual market mechanism" is an agreement, either voluntary or mandated by law, involving participation by insurers in the equitable apportionment among them of insurance that may be afforded applicants who are unable to obtain insurance through ordinary methods.
- (9) An "advisory organization" is any entity, including its affiliates or subsidiaries, which either has two (2) or more member insurers or is controlled either directly or indirectly by two (2) or more insurers and which

assists insurers in ratemaking related activities. Two (2) or more insurers having a common ownership or operating in this state under common management or control constitute a single insurer for purposes of this definition.

- (10) A "competitive market" is a market that has not been found to be noncompetitive pursuant to KRS 304.13-041 and for which no such order is in effect.
- (11) A "noncompetitive market" is a market for which there is an order in effect pursuant to KRS 304.13-041 that a reasonable degree of competition does not exist.
- (12) "Trending" is any procedure for projecting developed losses to the average date of loss, or premiums or exposures to the average date of writing, for the period during which the policies are to be effective.
- (13) "Expenses" are those portions of any rate attributable to acquisition, field supervision, and collection expenses, general expenses, and premium taxes, licenses, and fees.
- (14) "Profit" is the portion of any rate attributable to funds needed for growth, contingencies, and return to stockholders.
- (15) "Pure premium" means the loss cost per unit of exposure excluding all loss adjustment expenses.
- (16) "Classification system" or "classification" means the process of grouping risks with similar risk characteristics so that differences in cost may be recognized.
- (17) "Developed losses" means losses (including loss adjustment expenses) adjusted, using standard actuarial techniques, to their ultimate anticipated value.
- (18) "Experience rating" means a rating procedure utilizing past insurance experience of the individual policyholder to forecast future losses by measuring the policyholder's loss experience against the loss experience of policyholders in the same classification to produce a prospective premium credit, debit, or unity modification.
- (19) "Form provider" means a person who prepares, files, and distributes policy contract forms and endorsements and consults with members, subscribers, customers, or others relative to their use and application, but is not an advisory organization as defined in this subtitle.
- (20) "Loss adjustment expenses" means the expenses incurred by the insurer in the course of settling claims.
- (21) "Prospective loss costs" means that portion of a rate that does not include provisions for expenses (other than loss adjustment expenses) or profit, and are based on historical aggregate losses or output from simulation models and loss adjustment expenses adjusted through development to their ultimate value and projected through trending to a future point in time. Loss costs, derived in part or entirely upon output from simulation models, must be approved by the ~~commissioner~~~~executive director~~ before they become effective.
- (22) "Rate" means the expected value of the future cost of insurance per exposure unit which accounts for the treatment of losses, expenses, and profit prior to any application of individual risk variations based on loss or expense considerations, but does not include minimum premium.
- (23) "Special assessments" means guaranty fund assessments, residual market mechanism assessments, and other similar assessments which are included in ratemaking. Special assessments shall not be considered as either expenses or losses. Examples of these additional charges include, but are not limited to, the special fund charge for workers' compensation imposed by KRS Chapter 342, local government premium tax imposed by KRS 91A.080, and the Department of Revenue surcharge imposed by KRS Chapter 136.
- (24) "Statistical agent" means an entity that has been licensed by the ~~commissioner~~~~executive director~~ to collect statistics from insurers and provide reports developed from these statistics to the ~~commissioner~~~~executive director~~ for the purpose of fulfilling the statistical reporting obligations of those insurers under this chapter.

➔Section 1115. KRS 304.13-041 is amended to read as follows:

- (1) A competitive market for any line of insurance is presumed to exist unless the ~~commissioner~~~~executive director~~, after a hearing, determines that a reasonable degree of competition does not exist in the market for such line and issues an order to that effect. Such an order shall expire no later than one (1) year after it is issued. In determining whether a reasonable degree of competition exists, the ~~commissioner~~~~executive director~~ shall consider all relevant information pertaining to the market and the opportunities available to

consumers in the market to acquire pricing and other consumer information, and to compare and obtain insurance from competing insurers.

- (2) The ***commissioner***~~[executive director]~~ shall monitor the degree of competition in this Commonwealth. In doing so, ***the commissioner***~~[he]~~ may utilize existing relevant information or ~~[he]~~ may develop new relevant information. The activities may be conducted internally within the ***Department***~~[Office]~~ of Insurance, in cooperation with other state insurance departments, through outside contractors, or in any other appropriate manner. The relevant information in determining the competitiveness of a specific market may include the number of insurers actively engaged in providing coverage, market shares, and changes in market shares and ease of entry.

➔Section 1116. KRS 304.13-051 is amended to read as follows:

- (1) In a competitive market, every insurer shall file with the ***commissioner***~~[executive director]~~ rates and supplementary information to be used in this state for commercial risks as designated by the ***commissioner***~~[executive director]~~ and for all personal risks. The rates and supplementary rate information shall be filed not later than fifteen (15) days after the date of first use of the rates, unless the ***commissioner***~~[executive director]~~ finds after a hearing that an insurer's rates require closer supervision because of the insurer's financial condition. On a finding, rates for both personal and commercial risks, supplementary rate information, and supporting information shall be filed with the ***commissioner***~~[executive director]~~ at least thirty (30) days before the effective date of the rates. An order shall expire no later than one (1) year after it is issued.
- (2) In a noncompetitive market, every insurer shall file with the ***commissioner***~~[executive director]~~ all rates for that market, supplementary rate information, and supporting information at least thirty (30) days before the proposed effective date of the rates. On application of the filer, the ***commissioner***~~[executive director]~~ may authorize an earlier effective date.
- (3) Any rate filing in effect at the time the ***commissioner***~~[executive director]~~ determines that competition does not exist pursuant to KRS 304.13-041 shall be deemed to be effective until disapproved pursuant to the procedures and rating standards of this chapter.
- (4) Every insurer shall file with the ***commissioner***~~[executive director]~~ all rating manuals and underwriting rules that it uses in this state not later than fifteen (15) days after they become effective. Manuals, rules, and guidelines must be adhered to until amended. The ***commissioner***~~[executive director]~~ may exempt an insurer from filing supporting information if it files by reference, with or without deviation, to a filing which is in effect for another insurer or an advisory organization.
- (5)
 - (a) No insurer shall place into effect any rates, manuals, or underwriting rules which it proposes to use pursuant to subsection (1) or (4) of this section if the rates, manuals or underwriting rules will result in an increase or decrease of more than twenty-five percent (25%) from the insurer's then existing rates for any classification of risks in any of its rating territories within a twelve (12) month period of time.
 - (b) Any insurer which proposes to change its then existing rates, manuals, or underwriting rules so as to effectively increase or decrease the rates of any classification of risks within any rating territory more than twenty-five percent (25%) within a twelve (12) month period shall file all the rates and supplemental rating information which shall not become effective until approved by the ***commissioner***~~[executive director]~~.
- (6) Rates and supplemental rating information for a residual market mechanism shall not become effective until approved by the ***commissioner***~~[executive director]~~.
- (7) The ***commissioner***~~[executive director]~~ shall review filings made in accordance with subsections (2), (5)(b) and (6) of this section as soon as reasonably possible after they have been made in order to determine whether they meet the applicable requirements of this chapter. Each filing shall be on file for a waiting period of thirty (30) days before it becomes effective, which period may be extended by the ***commissioner***~~[executive director]~~ for an additional period not to exceed thirty (30) days if he ***or she*** gives written notice within the waiting period to the insurer which made the filing that additional time is needed for consideration of the filing. The ***commissioner***~~[executive director]~~ may, when he ***or she*** deems it to be in the public interest, hold a public hearing on any filing before the filing becomes effective to determine whether the filing meets the requirements of this subtitle. In the event that a hearing is held under the provisions of this subsection, the waiting periods

specified in this subsection shall not begin to run until thirty (30) days after the close of the hearing. The burden of establishing that the filing under consideration meets the requirements of this subtitle is on the insurer which makes the filing. A filing shall be deemed to meet the requirements of this subtitle unless disapproved by the **commissioner**~~[executive director]~~ within the waiting period or any extension thereof.

- (8) At any hearing concerning an increase in worker's compensation rates conducted pursuant to subsection (7), the **commissioner**~~[executive director]~~ may approve a rate other than one that has been proposed by the filer if it is justified by the evidence presented at the hearing.

➔Section 1117. KRS 304.13-053 is amended to read as follows:

- (1) Within sixty (60) days of December 12, 1996, the licensed workers' compensation advisory organizations shall file with the **commissioner**~~[executive director]~~ an estimate of changes in prospective workers' compensation losses attributable to any net savings under 1996 (1st Extra. Sess.) Ky. Acts ch. 1. Within sixty (60) days of receipt of the workers' compensation filing, the **commissioner**~~[executive director]~~ shall approve or disapprove the filing. Insurers may incorporate these approved estimates in the filings made pursuant to subsection (2) of this section.
- (2) Insurers shall file workers' compensation rates incorporating an actuarially-justified estimate of changes in prospective losses attributable to any net savings under 1996 (1st Extra. Sess.) Ky. Acts ch. 1 for use with workers' compensation policies issued or renewed after May 1, 1997. Workers' compensation rates shall be filed with and approved by the **commissioner**~~[executive director]~~ as provided in KRS 304.13-051(2).
- (3) Unless the **commissioner**~~[executive director]~~ enters an order pursuant to KRS 304.13-041 declaring workers' compensation to be a noncompetitive market, rates filed for use after December 31, 1998, shall be filed pursuant to KRS 304.13-051(1).
- (4) Notwithstanding the provisions of KRS 304.13-051 to the contrary, after December 31, 1998, no insurer providing workers' compensation insurance shall place into effect any rates, manuals, or underwriting rules for workers' compensation insurance which it proposes to use pursuant to KRS 304.13-051(1) or (4) if the rates, manuals, or underwriting rules will result in an increase or decrease of more than fifteen percent (15%) from the workers' compensation insurer's then-existing workers' compensation insurance rates for any classification of risks within a twelve (12) month period of time.
- (5) After December 31, 1998, any workers' compensation insurer which proposes to change its then-existing rates, manuals, or underwriting rules so as to effectively increase or decrease the rates of any classification of risks more than fifteen percent (15%) within a twelve (12) month period shall file all the rates and supplemental rating information which shall not become effective until approved by the **commissioner**~~[executive director]~~ pursuant to the provisions of KRS 304.13-051.

➔Section 1118. KRS 304.13-055 is amended to read as follows:

With respect to any filing which, if approved, would result in a reduction of rates, the **commissioner**~~[executive director]~~ shall immediately order the proposed rates to be effective. If upon the **commissioner's**~~[executive director's]~~ review of the filing or as a result of a public hearing it appears that the proposed rates should be further reduced, the **commissioner**~~[executive director]~~ may order the insurer or rating organization to show cause within thirty (30) days why such rates should not be further reduced in accordance with the order.

➔Section 1119. KRS 304.13-057 is amended to read as follows:

- (1) Every insurer shall provide to the **commissioner**~~[executive director]~~ information to demonstrate to what extent the insurer's rates are based upon its Kentucky experience.

➔Section 1120. KRS 304.13-061 is amended to read as follows:

- (1) The information furnished in support of a filing may include:
 - (a) The experience or judgment of the insurer;
 - (b) The insurer's interpretation of any statistical data it relies on;

- (c) The experience of other insurers; and
 - (d) Any other relevant factors.
- (2) The ***commissioner***~~[executive director]~~ may adopt reasonable administrative regulations for use by insurers to record and report to the ***commissioner***~~[executive director]~~ their rates and other information determined by the ***commissioner***~~[executive director]~~ to be necessary or appropriate for the administration of KRS 304.13-011 to 304.13-161, and the effectuation of its purposes. The ***commissioner***~~[executive director]~~ may adopt reasonable administrative regulations to assure that the experience of all insurers is made available at least annually in such form and detail as is necessary to aid in determining whether rating systems comply with the standards set forth in this subtitle. The ***commissioner***~~[executive director]~~ may designate one (1) or more advisory organizations or statistical agents to assist him *or her* in gathering, compiling, and reporting such information, which shall be a matter of public record. The scope of these rules may include the data which must be reported by insurers, definitions of data elements, the timing and frequency of statistical reporting by insurers, data quality standards, data edit and audit requirements, data retention requirements, reports to be generated by advisory organizations or statistical agents to fulfill the requirements of this section, and the timing of such reports.
- (3) The ***commissioner***~~[executive director]~~ may promulgate administrative regulations for the interchange of data necessary for the application of rating plans.
- (4) In order to further uniform administration of rate regulatory laws, the ***commissioner***~~[executive director]~~ and every insurer, advisory organization, and statistical agent may exchange information and experience data with insurance supervisory officials, insurers, and advisory organizations in other states and may consult with them with respect to the application of rating systems and the collection of statistical data.

The reduction in premium charges for members of the United States Armed Forces who complete a defensive driving course provided by the United States Armed Forces shall be actuarially sound. There shall, however, be no reduction in premiums for a self-instructed course or for a course which does not provide for classroom or field driving instruction for a minimum number of hours, to be determined by the Transportation Cabinet.
- (2) All insurance companies writing automobile liability and physical damage insurance in Kentucky shall allow an appropriate reduction in premium charges to all eligible persons subject to this section.
- (3) Upon successfully completing the approved course, each participant shall be issued by the course's sponsoring agency a certificate which shall be the basis of qualification for the discount on insurance.

➔Section 1122. KRS 304.13-065 is amended to read as follows:

However, any insurer whose rates have been disapproved without a hearing shall be given a hearing on a written request made within thirty (30) days after the disapproval order. Hearings conducted under authority of this section shall be conducted in accordance with KRS Chapter 13B. If a rate is disapproved, the **commissioner**~~{executive director}~~ shall issue a final order specifying the reasons for disapproval. Any party aggrieved by the final order of the **commissioner**~~{executive director}~~ may appeal as provided in KRS 304.2-370. The effect of a final order shall be stayed during the pendency of the appeal and the existing rate shall remain in effect until the final conclusion thereof.
- (2) At any hearing concerning an increase in worker's compensation rates conducted pursuant to subsection (1), the **commissioner**~~{executive director}~~ may approve a rate other than one that has been proposed by the filer if it is justified by the evidence presented at the hearing.

Such activity may be conducted internally within the **department**~~{office}~~, in cooperation with other state insurance departments, through outside contractors, or in any other appropriate manner. To the extent the **commissioner**~~{executive director}~~ considers necessary and appropriate, insurers, advisory organizations, statistical agents, and other persons or organizations involved in conducting the business of insurance in this state, to which this section applies, shall cooperate with the **commissioner**~~{executive director}~~ in the development and utilization of a consumer information system. The reasonable cost of developing a consumer information system shall be assessed against insurers subject to this chapter on an equitable basis.

➔Section 1125. KRS 304.13-091 is amended to read as follows:

Any amendment to a document filed under this section shall be filed at least thirty (30) days before it becomes effective.

- (5) If the ***commissioner***~~[executive director]~~ finds that the applicant and the natural persons through whom it acts are competent, trustworthy, and technically qualified to provide the services proposed, and that all requirements of the law are met, he or she shall issue a license specifying the authorized activity of the applicant. The ***commissioner***~~[executive director]~~ shall not issue a license if the proposed activity would tend to create a monopoly or to substantially lessen the competition in any market. At the request of the licensee, licenses issued under this section may be renewed on an annual basis.
- (6) Licenses issued pursuant to this section shall remain in effect for one (1) year unless:
- (a) The licensee fails to pay fees required by law for the continuance or renewal of its license;

- (6) Distribute information that is required or directed to be filed with the ***commissioner***~~[executive director]~~;
- (7) Conduct research and on-site inspections in order to prepare classifications of public fire defenses, and to consult with public officials regarding public fire protection as it would affect members, subscribers and others;
- (8) Conduct research in order to discover, identify, and classify information relating to causes or prevention of losses;

- (1) No insurer or advisory organization shall make any arrangement with any other insurer, advisory organization, or other person that has the purpose or effect of unreasonably restraining trade or unreasonably lessening competition in the business of insurance.
- (2) No insurer or advisory organization shall:
 - (a) Attempt to monopolize, or combine, or conspire with any other person to monopolize an insurance market; or
 - (b) Engage in a boycott, on a concerted basis, of an insurance market.
- (3) No insurer shall agree with any other insurer or with an advisory organization to mandate adherence to, or to mandate use of, any rate, prospective loss cost, rating plan, rating schedule, rating rule, policy or bond form, rate classification, rate territory, underwriting rule, survey, inspection or similar material, except as needed to facilitate the reporting of statistics to advisory organizations, statistical agents, or the **commissioner**~~[executive director]~~. The fact that two (2) or more insurers, whether or not members or subscribers of an advisory organization, use consistently or intermittently the same rates, prospective loss cost, rating plans, rating schedules, rating rules, policy or bond forms, rate classifications, rate territories, underwriting rules, surveys, or inspections or similar materials is not sufficient in itself to support a finding that an agreement exists.
- (4) Two (2) or more insurers having a common ownership or operating in this state under common management or control may act in concert between or among themselves with respect to any matters pertaining to those activities authorized in this chapter as if they constituted a single insurer.

➔Section 1129. KRS 304.13-141 is amended to read as follows:

- (1) The **commissioner**~~[executive director]~~ may examine any insurer, pool, advisory organization, statistical agent, form provider, or residual market or joint underwriting mechanism as deemed necessary to ascertain compliance with this chapter. - (2) Every insurer, pool, advisory organization, statistical agent, and residual market or joint underwriting mechanism shall maintain reasonable records, adapted to its method of operation, containing its experience or the experience of its members. Records shall include the statistics and other information used by it in its activities. The records shall be available at all reasonable times and at a reasonable location to enable the **commissioner**~~[executive director]~~ to determine whether the activities of an insurer, pool, advisory organization, statistical agent, residual market or joint underwriting mechanism are in compliance with this chapter.
- (3) In lieu of an examination, the **commissioner**~~[executive director]~~ may accept the report of an examination by the insurance supervisory official of another state, if the report is made pursuant to the laws of that state.

➔Section 1130. KRS 304.13-151 is amended to read as follows:

- (1) Notwithstanding KRS 304.13-131(2)(a), insurers participating in joint underwriting, joint reinsurance pools, or residual market mechanisms may, in connection with such activity, cooperate with each other in the making of rates, rating systems, policy forms, underwriting rules, surveys, inspections and investigations, the furnishing of loss and expense statistics or other information, or carrying on research. Joint underwriting, joint reinsurance pools, and residual market mechanisms shall not be deemed advisory organizations.
- (2) Except to the extent modified by this section, insurers, joint underwriting, joint reinsurance pool and residual market mechanism activities are subject to the provisions of this chapter.
- (3) Every pool shall file with the **commissioner**~~{executive director}~~ a copy of its constitution, bylaws, rules, and regulations governing its activities, and articles of incorporation, agreement, or association. It shall also file with the **commissioner**~~{executive director}~~ a list of its members and the name and address of a resident of this state on whom notices or orders of the **commissioner**~~{executive director}~~ or process may be served, and any changes in amendments or changes in the foregoing.
- (4) Any residual market mechanism, plan, or agreement to implement a residual market mechanism, and any changes or amendments in the plan shall be submitted in writing to the **commissioner**~~{executive director}~~ for consideration and approval, together with any other information as may be reasonably required. The **commissioner**~~{executive director}~~ shall approve only those agreements that he or she finds contemplates both the use of rates which meet the standards of this chapter and activities and practices, that are not unfair, unreasonable, or otherwise inconsistent with the provisions of this chapter. At any time after any agreements are in effect, the **commissioner**~~{executive director}~~ may review the practices and activities of the adherents to these agreements and if, after a hearing, the **commissioner**~~{executive director}~~ finds that any practice or activity is unfair or unreasonable, or is otherwise inconsistent with the provisions of this chapter, the **commissioner**~~{executive director}~~ may issue a written order to the parties and either require the discontinuance of these acts or revoke approval of any such agreement.
- (5) If the **commissioner**~~{executive director}~~ finds after a hearing that any activity or practice of an insurer participating in joint underwriting or a pool is unfair, is unreasonable, will tend to lessen competition in any market, or is otherwise inconsistent with the provisions or purposes of this chapter, an order may be issued requiring the discontinuance of the activity or practice.
- (6) As a condition of its authority under this chapter to transact casualty insurance (as defined in KRS 304.5-070) in this state, every insurer so authorized shall become and remain a signatory to the "Kentucky automobile insurance plan" as it is presently formulated or as it is hereafter amended with the approval of the **commissioner**~~{executive director}~~. If the insurer or advisory organization grants the request, the review shall be conducted within ninety (90) days of receiving the request. If the insurer or advisory organization fails to grant or rejects a request within thirty (30) days, the aggrieved person may proceed in the same manner as if the review produced no change in the application of the rate.
- (2) Any party affected by the action made on the request for review may within thirty (30) days of written notice of action appeal to the **commissioner**~~{executive director}~~ for further review of the application of the rating system. The **commissioner**~~{executive director}~~ shall hold a hearing in accordance with KRS Chapter 13B on a showing of good cause. The **commissioner**~~{executive director}~~ may after the hearing issue a final order affirming, modifying, or reversing the action of the insurer or advisory organization.
- (3) For workers' compensation coverage, each insurer or agent shall notify in writing each insured at the time a workers' compensation insurance policy is issued or renewed on or after May 1, 1997, of the insured's rights afforded by this section. Each filing shall be filed thirty (30) days before it becomes effective, which period may be extended by the **commissioner**~~{executive director}~~ for an additional period not to exceed thirty (30) days, if written notice is given within the initial thirty (30) day period to the advisory organization that additional time is needed for the consideration of the filing. The **commissioner**~~{executive director}~~ may, upon giving written notice to the advisory organization, request additional information that is needed to complete the review of the filing. If the **commissioner**~~{executive director}~~ requests such additional information prior to the filing becoming effective, the filing shall become effective thirty (30) days after the additional information is provided to the **commissioner**~~{executive director}~~.

- (5) The **commissioner**~~{executive director}~~ shall disapprove subclassifications, rating plans, or other variations from manual rules filed by a workers' compensation insurer if the insurer fails to demonstrate that the data thereby produced can be reported consistent with the uniform classification system and experience rating system and in such a fashion so as to allow for the application of experience rating filed by the advisory organization.
- (6) The **commissioner**~~{executive director}~~ shall approve rating plans for workers' compensation insurance that give specific identifiable consideration in the setting of rates to employers who implement a drug-free workplace program pursuant to administrative regulations adopted by the **Department**~~{Office}~~ of Workers' Claims in the ~~{Department of}~~ Labor **Cabinet**. The plans shall take effect January 1, 2008, shall be actuarially sound, and shall state the savings anticipated to result from such drug-free workplace programs. The credit shall be at least five percent (5%) unless the **commissioner**~~{executive director}~~ determines that five percent

(5%) is actuarially unsound. The ***commissioner***~~[executive director]~~ is also authorized to develop a schedule of premium credits for workers' compensation insurance for employers who have safety programs that contain certain criteria for safety programs. - (2) If the **commissioner's**~~[executive director's]~~ reassignment or modification of a fire protection classification results in lower fire insurance premiums, the appropriate insurers shall make any refunds of paid premiums due to customers within the affected fire protection district, municipality or locality. Such refunds shall be determined from the date the advisory organization or insurer last assigned or reassigned the classification appealed.

➔Section 1144. KRS 304.13-380 is amended to read as follows:

- (3) In addition to the provisions contained in subsection (2) of this section, only the net experience of an employer policyholder, which results after application of the deductible amount, rather than the gross experience of the employer policyholder, shall be used by the insurer or advisory organization in the calculation and preparation of workers' compensation rates. Violation of the provisions of this subsection shall constitute grounds for the suspension or revocation of the license of an insurer or advisory organization in the manner prescribed in KRS Chapter 304.13-320.

- (1) Every employer that is assigned an experience modification factor for workers' compensation in order to determine its workers' compensation premium shall be furnished without charge a complete copy of the data and calculations of the experience modification by the insurance company or any entity to which the insurance company may delegate the duty of calculating and promulgating the experience modification or, if applicable, by any self-insurance group of which the employer is a member.

The **commissioner**~~{executive director}~~ may extend by not more than a thirty (30) day period within which he **or she** may so affirmatively approve or disapprove any such form, by giving notice to the insurer of such extension before expiration of the initial sixty (60) day period. - (4) The **commissioner**~~{executive director}~~ may, by order, exempt from the requirements of this section for so long as he **or she** deems proper any insurance document or form or type thereof as specified in such order to which, in his **or her** opinion, this section may not practicably be applied, or the filing and approval of which are, in his **or her** opinion, not desirable or necessary for the protection of the public.
- (5) Appeals from orders of the **commissioner**~~{executive director}~~ disapproving any such form or withdrawing a previous approval shall be taken as provided in Subtitle 2 of this chapter.
- (6) For the purposes of this section, unless the context requires otherwise:

- (a) If it is in any respect in violation of, or does not comply with, this code.
 - (b) If it contains or incorporates by reference, where the incorporation is otherwise permissible, any inconsistent, ambiguous, or misleading clauses, or exceptions and conditions which deceptively affect the risk purported to be assumed in the general coverage of the contract.
 - (c) If it has any title, heading, or other indication of its provisions which is misleading, or is printed in a size of type or manner of reproduction so as to be substantially illegible.
 - (d) As to an individual, group, or blanket health insurance policy, if the benefits provided therein are unreasonable in relation to the premium charged.

- (2) "Long-term care insurance" means any insurance policy or rider advertised, marketed, offered, or designed to provide coverage for not less than twelve (12) consecutive months for each covered person on an expense-incurred, indemnity, prepaid, or other basis for one (1) or more necessary or medically necessary diagnostic, preventive, therapeutic, rehabilitative, maintenance, or personal care services, provided in a setting other than an acute care unit of a hospital unless the hospital or unit is licensed or certified to provide long-term services. That, if the policy shall have become paid up by completion of all premium payments or if it is continued under any paid-up nonforfeiture benefit which became effective on or after the third policy anniversary in the case of ordinary insurance or the fifth policy anniversary in the case of industrial insurance, the insurer will pay, upon surrender of the policy within thirty (30) days after any policy anniversary, a cash surrender value of such amount as may be hereinafter specified.
 - (e) Mortality table and interest rate used. In the case of policies which cause, on a basis guaranteed in the policy, unscheduled changes in benefits or premiums, or which provide an option for changes in benefits or premiums other than a change to a new policy, a statement of the mortality table, interest rate, and method used in calculating cash surrender values and the paid-up nonforfeiture benefits available under the policy. In the case of all other policies, statement of the mortality table and interest rate used in calculating the cash surrender values and the paid-up nonforfeiture benefits available under the policy, together with a table showing the cash surrender value, if any, and paid-up nonforfeiture benefits, if any, available under the policy on each policy anniversary either during the first twenty (20) policy years or during the term of the policy, whichever is shorter, such values and benefits to be calculated upon the assumption that there are no dividends or paid-up additions credited to the policy and that there is no indebtedness to the insurer on the policy.
 - (f) Method used in computing value and benefit. A statement that the cash surrender values and the paid-up nonforfeiture benefits available under the policy are not less than the minimum values and benefits required by or pursuant to the insurance law of the state in which the policy is delivered; an explanation of the manner in which the cash surrender values and the paid-up nonforfeiture benefits are altered by the existence of any paid-up additions credited to the policy or any indebtedness to the insurer on the policy; if a detailed statement of the method of computation of the values and benefits shown in the policy is not stated therein, a statement that such method of computation has been filed with the insurance supervisory official of the state in which the policy is delivered; and a statement of the method to be used in calculating the cash surrender value and paid-up nonforfeiture benefit available under the policy on any policy anniversary beyond the last anniversary for which such values and benefits are consecutively shown in the policy.
- (2) Any of the foregoing provisions or portions thereof not applicable by reason of the plan of insurance may, to the extent inapplicable, be omitted from the policy.
 - (3) The insurer shall reserve the right to defer the payment of any cash surrender value for a period of six (6) months after demand therefor with surrender of the policy.

➔Section 1183. KRS 304.15-315 is amended to read as follows:

- (1) This section shall be known as the "Standard Nonforfeiture Law for Individual Deferred Annuities."
- (2) This section shall not apply to any reinsurance group annuity purchased under a retirement plan or plan of deferred compensation established or maintained by an employer (including a partnership or sole proprietorship) or by an employee organization, or by both, other than a plan providing individual retirement accounts or individual retirement annuities under Section 408 of the Internal Revenue Code, as now or hereafter amended, premium deposit fund, variable annuity, investment annuity, immediate annuity, any deferred annuity contract after annuity payments have commenced, or reversionary annuity, nor to any contract which shall be delivered outside this state through an agent or other representative of the insurer issuing the contract. However, to the extent that a variable annuity contract provides benefits that do not, before the maturity date, vary in accordance with the investment performance of any separate account or accounts

maintained by the insurer as to such contract, as provided for in KRS 304.15-390, the contract shall contain provisions that satisfy the requirements of this section and shall not otherwise be subject to this section.

- (3) In the case of contracts issued on or after the operative date of this section as defined in subsection (12) of this section, no contract of annuity, except as stated in subsection (2) of this section, shall be delivered or issued for delivery in this state unless it contains in substance the following provisions, or corresponding provisions which in the opinion of the ~~commissioner~~~~executive director~~ are at least as favorable to the contract holder, upon cessation of payment of considerations under the contract.
- (a) That upon cessation of payment of considerations under a contract, the insurer will grant a paid-up annuity benefit on a plan stipulated in the contract of such value as is specified in subsections (5), (6), (7), (8) and (10) of this section.
 - (b) If a contract provides for a lump sum settlement at maturity, or at any other time, that upon surrender of the contract at or prior to the commencement of any annuity payments, the insurer will pay in lieu of any paid-up annuity benefit a cash surrender benefit of such amount as is specified in subsections (5), (6), (8) and (10) of this section. The insurer shall reserve the right to defer the payment of such cash surrender benefit for a period of six (6) months after demand therefor with surrender of the contract.
 - (c) A statement of the mortality table, if any, and interest rates used in calculating any minimum paid-up annuity, cash surrender or death benefits that are guaranteed under the contract, together with sufficient information to determine the amounts of such benefits.
 - (d) A statement that any paid-up annuity, cash surrender or death benefits that may be available under the contract are not less than the minimum benefits required by any statute of the state in which the contract is delivered and an explanation of the manner in which such benefits are altered by the existence of any additional amounts credited by the insurer to the contract, any indebtedness to the insurer on the contract or any prior withdrawals from or partial surrenders of the contract.

Notwithstanding the requirements of this subsection, any deferred annuity contract may provide that if no considerations have been received under a contract for a period of two (2) full years and the portion of the paid-up annuity benefit at maturity on the plan stipulated in the contract arising from considerations paid prior to such period would be less than twenty dollars (\$20) monthly, the insurer may at its option terminate such contract by payment in cash of the then present value of such portion of the paid-up annuity benefit, calculated on the basis of the mortality table, if any, and interest rate specified in the contract for determining the paid-up annuity benefit, and by such payment shall be relieved of any further obligation under such contract.

- (4) The minimum values as specified in subsections (5), (6), (7), (8) and (10) of this section of any paid-up annuity, cash surrender or death benefits available under an annuity contract shall be based upon minimum nonforfeiture amounts as defined in this section.
- (a) With respect to contracts providing for flexible considerations, the minimum nonforfeiture amount at any time at or prior to the commencement of any annuity payments shall be equal to an accumulation up to such time at a rate of interest of three percent (3%) per annum of percentages of the net considerations (as hereinafter defined) paid prior to such time, decreased by the sum of:
 1. Any prior withdrawals from or partial surrenders of the contract accumulated at a rate of interest of three percent (3%) per annum; and
 2. The amount of any indebtedness to the insurer on the contract, including interest due and accrued;

and increased by any existing additional amounts credited by the insurer to the contract. The net considerations for a given contract year used to define the minimum nonforfeiture amount shall be an amount not less than zero and shall be equal to the corresponding gross consideration credited to the contract during that contract year less an annual contract charge of thirty dollars (\$30) and less a collection charge of one dollar and twenty-five cents (\$1.25) per consideration credited to the contract during that contract year. The percentages of net considerations shall be sixty-five percent (65%) of the net consideration for the first contract year and eighty-seven and one-half percent (87.5%) of the net considerations for the second and later contract years. Notwithstanding the provisions of the preceding sentence, the percentage shall be sixty-five percent (65%) of the portion of the total net consideration for any renewal contract year which exceeds by not more than two (2) times the sum of those portions of the net considerations in all prior contract years for which the percentage was sixty-five percent (65%).

- (b) Notwithstanding any other provision of this subsection, for any contract issued on or after July 1, 2003, and before July 1, 2006, the interest rate at which net considerations, prior withdrawals, and partial surrenders shall be accumulated for the purpose of determining nonforfeiture amounts shall be no less than one and one-half percent (1.5%) per annum.
 - (c) With respect to contracts providing for fixed scheduled considerations, minimum nonforfeiture amounts shall be calculated on the assumption that considerations are paid annually in advance and shall be defined as for contracts with flexible considerations which are paid annually with two (2) exceptions:
 - 1. The portion of the net consideration for the first contract year to be accumulated shall be the sum of sixty-five percent (65%) of the net consideration for the first contract year plus twenty-two and one-half percent (22.5%) of the excess of the net consideration for the first contract year over the lesser of the net considerations for the second and third contract years.
 - 2. The annual contract charge shall be the lesser of,
 - a. Thirty dollars (\$30), or
 - b. Ten percent (10%) of the gross annual consideration.
 - (d) With respect to contracts providing for a single consideration, minimum nonforfeiture amounts shall be defined as for contracts with flexible considerations except that the percentage of net consideration used to determine the minimum nonforfeiture amount shall be equal to ninety percent (90%) and the net consideration shall be the gross consideration less a contract charge of seventy-five dollars (\$75).
- (5) Any paid-up annuity benefit available under a contract shall be such that its present value on the date annuity payments are to commence is at least equal to the minimum nonforfeiture amount on that date. Such present value shall be computed using the mortality table, if any, and the interest rate specified in the contract for determining the minimum paid-up annuity benefits guaranteed in the contract.
 - (6) For contracts which provide cash surrender benefits, such cash surrender benefits available prior to maturity shall not be less than the present value as of the date of surrender of that portion of the maturity value of the paid-up annuity benefit which would be provided under the contract at maturity arising from considerations paid prior to the time of cash surrender reduced by the amount appropriate to reflect any prior withdrawals from or partial surrenders of the contract, such present value being calculated on the basis of an interest rate not more than one percent (1%) higher than the interest rate specified in the contract for accumulating the net considerations to determine such maturity value, decreased by the amount of any indebtedness to the insurer on the contract, including interest due and accrued, and increased by any existing additional amounts credited by the insurer to the contract. In no event shall any cash surrender benefit be less than the minimum nonforfeiture amount at that time. The death benefit under such contracts shall be at least equal to the cash surrender benefit.
 - (7) For contracts which do not provide cash surrender benefits, the present value of any paid-up annuity benefit available as a nonforfeiture option at any time prior to maturity shall not be less than the present value of that portion of the maturity value of the paid-up annuity benefit provided under the contract arising from considerations paid prior to the time the contract is surrendered in exchange for, or changed to, a deferred paid-up annuity, such present value being calculated for the period prior to the maturity date on the basis of the interest rate specified in the contract for accumulating the net considerations to determine such maturity value, and increased by any existing additional amounts credited by the insurer to the contract. For contracts which do not provide any death benefits prior to the commencement of any annuity payments, such present values shall be calculated on the basis of such interest rate and the mortality table specified in the contract for determining the maturity value of the paid-up annuity benefit. However, in no event shall the present value of a paid-up annuity benefit be less than the minimum nonforfeiture amount at that time.
 - (8) For the purpose of determining the benefits calculated under subsections (6) and (7) of this section, in the case of annuity contracts under which an election may be made to have annuity payments commence at optional maturity dates, the maturity date shall be deemed to be the latest date for which election shall be permitted by the contract, but shall not be deemed to be later than the anniversary of the contract next following the annuitant's seventieth birthday or the tenth anniversary of the contract, whichever is later.
 - (9) Any contract which does not provide cash surrender benefits or does not provide death benefits at least equal to the minimum nonforfeiture amount prior to the commencement of any annuity payments shall include a statement in a prominent place in the contract that such benefits are not provided.

- (10) Any paid-up annuity, cash surrender or death benefits available at any time, other than on the contract anniversary under any contract with fixed scheduled considerations, shall be calculated with allowance for the lapse of time and the payment of any scheduled considerations beyond the beginning of the contract year in which cessation of payment of considerations under the contract occurs.
- (11) For any contract which provides, within the same contract by rider or supplemental contract provision, both annuity benefits and life insurance benefits that are in excess of the greater of cash surrender benefits or a return of the gross considerations with interest, the minimum nonforfeiture benefits shall be equal to the sum of the minimum nonforfeiture benefits for the annuity portion and the minimum nonforfeiture benefits, if any, for the life insurance portion computed as if each portion were a separate contract. Notwithstanding the provisions of subsections (5), (6), (7), (8), and (10) of this section, additional benefits payable:
- (a) In the event of total and permanent disability;
 - (b) As reversionary annuity or deferred reversionary annuity benefits; or
 - (c) As other policy benefits additional to life insurance, endowment and annuity benefits, and considerations for all such additional benefits;

shall be disregarded in ascertaining the minimum nonforfeiture amounts, paid-up annuity, cash surrender and death benefits that may be required by this section. The inclusion of such additional benefits shall not be required in any paid-up benefits, unless such additional benefits separately would require minimum nonforfeiture amounts, paid-up annuity, cash surrender and death benefits.

- (12) (a) 1. After August 1, 2005, any insurer may file with the ~~commissioner~~~~executive director~~ a written notice of its election to apply the provisions of KRS 304.15-365 on a contract-form by contract-form basis to annuity contracts issued by the insurer during the period from the date of the election through June 30, 2006;
2. In all other instances, insurers shall apply the provisions of KRS 304.15-315 to annuity contracts issued through June 30, 2006; and
- (b) Insurers shall apply the provisions of KRS 304.15-365 to all annuity contracts issued on or after July 1, 2006.

➔Section 1184. KRS 304.15-340 is amended to read as follows:

- (1) How calculated. This section shall not apply to policies issued on or after the operative date of KRS 304.15-342 as defined therein. Except as provided in subsection (4) of this section, the adjusted premiums for any policy shall be calculated on an annual basis and shall be such uniform percentage of the respective premiums specified in the policy for each policy year, excluding any extra premiums charged because of impairment or special hazards, that the present value, at the date of issue of the policy, of all such adjusted premiums shall be equal to the sum of:
- (a) The then present value of the future guaranteed benefits provided for by the policy;
 - (b) Two percent (2%) of the amount of insurance, if the insurance be uniform in amount, or of the equivalent uniform amount, as hereinafter defined, if the amount of insurance varies with duration of the policy;
 - (c) Forty percent (40%) of the adjusted premium for the first policy year; and
 - (d) Twenty-five percent (25%) of either the adjusted premium for the first policy year or the adjusted premium for a whole life policy of the same uniform or equivalent uniform amount with uniform premiums for the whole of life issued at the same age for the same amount of insurance, whichever is less.
- (2) In applying the percentages specified in paragraphs (c) and (d) of subsection (1) of this section, no adjusted premium shall be deemed to exceed four percent (4%) of the amount of insurance or uniform amount equivalent thereto. Whenever the plan or term of a policy has been changed, either by request of the insured or automatically in accordance with the provisions of the policy, the date of issue of the changed policy for the purposes of determining a nonforfeiture benefit or cash surrender value shall be the date as of which the age of the insured is determined for the purposes of the changed policy. The date of issue of a policy for the purpose of this section shall be the date as of which the rated age of the insured is determined.

- (3) In the case of a policy providing an amount of insurance varying with duration of the policy, the equivalent uniform amount thereof for the purpose of this section shall be deemed to be the uniform amount of insurance provided by an otherwise similar policy, containing the same endowment benefit or benefits, if any, issued at the same age and for the same term, the amount of which does not vary with duration and the benefits under which have the same present value at the date of issue as the benefits under the policy; provided that in the case of a policy providing a varying amount of insurance issued on the life of a child under age ten (10), the equivalent uniform amount may be computed as though the amount of insurance provided by the policy prior to the attainment of age ten (10) were the amount provided by such policy at age ten (10).
- (4) The adjusted premiums for any policy providing term insurance benefits by rider or supplemental policy provision shall be equal to:
 - (a) The adjusted premiums for an otherwise similar policy issued at the same age without such term insurance benefits, increased, during the period for which premiums for such term insurance benefits are payable, by
 - (b) The adjusted premiums for such term insurance, paragraphs (a) and (b) of this subsection being calculated separately and as specified in subsections (1), (2) and (3) of this section, except that, for the purposes of paragraphs (b), (c), and (d) of subsection (1) of this section, the amount of insurance or equivalent uniform amount of insurance used in the calculation of the adjusted premiums referred to in paragraph (b) of this subsection shall be equal to the excess of the corresponding amount determined for the entire policy over the amount used in the calculation of the adjusted premiums in paragraph (a) of this subsection.
- (5) All adjusted premiums and present values referred to in KRS 304.15-310 to 304.15-360, inclusive, but not including KRS 304.15-342 and 304.15-344 shall for all policies of ordinary insurance be calculated on the basis of the Commissioners 1958 Standard Ordinary Mortality Table, provided that for any category of ordinary insurance issued on female risks, adjusted premiums and present values may be calculated according to an age not more than six (6) years younger than the actual age of the insured, and such calculations for all policies of industrial insurance shall be made on the basis of the Commissioners 1961 Standard Industrial Mortality Table. All calculations shall be made on the basis of the rate of interest specified in the policy for calculating cash surrender values and paid-up nonforfeiture benefits provided that such rate of interest shall not exceed four percent (4%) per year except that a rate of interest not exceeding five and one-half percent (5.5%) per year may be used for policies issued on or after June 17, 1978. In calculating the present value of any paid-up term insurance with accompanying pure endowment, if any, offered as a nonforfeiture benefit for ordinary insurance, the rates of mortality assumed may not be more than those shown in the Commissioners 1958 Extended Term Insurance Table and for industrial insurance the rates of mortality may not be more than those shown in the Commissioners 1961 Industrial Extended Term Insurance Table. For insurance issued on a substandard basis, the calculation of any such adjusted premiums and present values may be based on such other table of mortality as may be specified by the insurer and approved by the ~~commissioner~~^{executive director}.

➔Section 1185. KRS 304.15-342 is amended to read as follows:

- (1) This section shall apply to all policies issued on or after the effective date of this section as defined in subsection (11) of this section. Except as provided in subsection (7) of this section, the adjusted premiums for any policy shall be calculated on an annual basis and shall be such uniform percentage of the respective premiums specified in the policy for each policy year, excluding amounts payable as extra premiums to cover impairments or special hazards and also excluding any uniform annual contract charge or policy fee specified in the policy in a statement of the method to be used in calculating the cash surrender values and paid-up nonforfeiture benefits, that the present value, at the date of issue of the policy, of all adjusted premiums shall be equal to the sum of:
 - (a) The then present value of the future guaranteed benefits provided for by the policy;
 - (b) One percent (1%) of either the amount of insurance, if the insurance is uniform in amount, or the average amount of insurance at the beginning of each of the first ten (10) policy years; and
 - (c) One hundred twenty-five percent (125%) of the nonforfeiture net level premium as hereinafter defined.

Provided, however, that in applying the percentage specified in (c) above, no nonforfeiture net level premium shall be deemed to exceed four percent (4%) of either the amount of insurance, if the insurance is uniform in

amount, or the average amount of insurance at the beginning of each of the first ten (10) policy years. This date of issue of a policy for the purpose of this section shall be the date as of which the rated age of the insured is determined.

- (2) The nonforfeiture net level premium shall be equal to the present value, at the date of issue of the policy, of the guaranteed benefits provided for by the policy divided by the present value, at the date of issue of the policy, of an annuity of one (1) per annum payable on the date of issue of the policy and on each anniversary of such policy on which a premium falls due.
- (3) In the case of policies which cause, on a basis guaranteed in the policy, unscheduled changes in benefits or premiums, or which provide an option for changes in benefits or premiums other than a change to a new policy, the adjusted premiums and present values shall initially be calculated on the assumption that future benefits and premiums do not change from those stipulated at the date of issue of the policy. At the time of any such change in the benefits or premiums the future adjusted premiums, nonforfeiture net level premiums and present values shall be recalculated on the assumption that future benefits and premiums do not change from those stipulated by the policy immediately after the change.
- (4) Except as otherwise provided in subsection (7) of this section, the recalculated future adjusted premiums for any such policy shall be such uniform percentage of the respective future premiums specified in the policy for each policy year, excluding amounts payable as extra premiums to cover impairments and special hazards, and also excluding any uniform annual contract charge or policy fee specified in the policy in a statement of the method to be used in calculating the cash surrender values and paid-up nonforfeiture benefits, that the present value, at the time of change to the newly defined benefits or premiums, of all such future adjusted premiums shall be equal to the excess of (a) the sum of the then present value of the then future guaranteed benefits provided for by the policy and the additional expense allowance, if any, over (b) the then cash surrender value, if any, or present value of any paid-up nonforfeiture benefit under the policy.
- (5) The additional expense allowance, at the time of the change to the newly defined benefits or premiums, shall be the sum of:
 - (a) One percent (1%) of the excess, if positive, of the average amount of insurance at the beginning of each of the first ten (10) policy years subsequent to the change over the average amount of insurance prior to the change at the beginning of each of the first ten (10) policy years subsequent to the time of the most recent previous change, or, if there has been no previous change, the date of issue of the policy; and
 - (b) One hundred twenty-five percent (125%) of the increase, if positive, in the nonforfeiture net level premium.
- (6) The recalculated nonforfeiture net level premium shall be equal to the result obtained by dividing (a) by (b) where:
 - (a) Equals the sum of:
 1. The nonforfeiture net level premium applicable prior to the change times the present value of an annuity of one (1) per annum payable on each anniversary of the policy on or subsequent to the date of the change on which a premium would have fallen due had the change not occurred, and
 2. The present value of the increase in future guaranteed benefits provided for by the policy, and
 - (b) Equals the present value of an annuity of one (1) per annum payable on each anniversary of the policy on or subsequent to the date of change on which a premium falls due.
- (7) Notwithstanding any other provisions of this section to the contrary, in the case of a policy issued on a substandard basis which provides reduced graded amounts of insurance so that, in each policy year, such policy has the same tabular mortality cost as an otherwise similar policy issued on the standard basis which provides higher uniform amounts of insurance, adjusted premiums and present values for such substandard policy may be calculated as if it were issued to provide such higher uniform amounts of insurance on the standard basis.
- (8) All adjusted premiums and present values referred to in this section shall for all policies of ordinary insurance be calculated on the basis of the commissioners 1980 standard ordinary mortality table or at the election of the insurer for any one (1) or more specified plans of life insurance, the commissioners 1980 standard ordinary mortality table with ten-year select mortality factors; shall for all policies of industrial insurance be calculated on the basis of the commissioners 1961 standard industrial mortality table; and shall for all policies issued in a

particular calendar year be calculated on the basis of a rate of interest not exceeding the nonforfeiture interest rate as defined in this section for policies issued in that calendar year. Provided, however, that:

- (a) At the option of the insurer, calculations for all policies issued in a particular calendar year may be made on the basis of a rate of interest not exceeding the nonforfeiture interest rate, as defined in this section, for policies issued in the immediately preceding calendar year.
 - (b) Under any paid-up nonforfeiture benefit, including any paid-up dividend additions, any cash surrender value available, whether or not required by KRS 304.15-310, shall be calculated on the basis of the mortality table and rate of interest used in determining the amount of such paid-up nonforfeiture benefit and paid-up dividend additions, if any.
 - (c) Any insurer may calculate the amount of any guaranteed paid-up nonforfeiture benefit including any paid-up additions under the policy on the basis of an interest rate no lower than that specified in the policy for calculating cash surrender values.
 - (d) In calculating the present value of any paid-up term insurance with accompanying pure endowment, if any, offered as a nonforfeiture benefit, the rates of mortality assumed may be not more than those shown in the commissioners 1980 extended term insurance table for policies of ordinary insurance and not more than the commissioners 1961 industrial extended term insurance table for policies of industrial insurance.
 - (e) For insurance issued on a substandard basis, the calculation of any such adjusted premiums and present values may be based on appropriate modifications of the aforementioned tables.
 - (f) Any ordinary mortality tables, adopted after 1980 by the National Association of Insurance Commissioners, that are approved by regulation promulgated by the ~~commissioner~~~~executive director~~ for use in determining the minimum nonforfeiture standard may be substituted for the commissioners 1980 standard ordinary mortality table with or without ten-year select mortality factors or for the commissioners 1980 extended term insurance table.
 - (g) Any industrial mortality tables, adopted after 1980 by the National Association of Insurance Commissioners, that are approved by regulation promulgated by the ~~commissioner~~~~executive director~~ for use in determining the minimum nonforfeiture standard may be substituted for the commissioners 1961 standard industrial mortality table or the commissioners 1961 industrial extended term insurance table.
- (9) The nonforfeiture interest rate per annum for any policy issued in a particular calendar year shall be equal to one hundred twenty-five percent (125%) of the calendar year statutory valuation interest rate for such policy as defined in KRS 304.6-130 to 304.6-180, inclusive to the nearer one quarter of one percent (0.25%).
 - (10) Notwithstanding any other provision in this code to the contrary, any refiling of nonforfeiture values or their methods of computation for any previously approved policy form which involves only a change in the interest rate or mortality table used to compute nonforfeiture values shall not require refiling of any other provisions of that policy form.
 - (11) Any insurer may file with the ~~commissioner~~~~executive director~~ a written notice of its election to comply with the provisions of this section after a specified date before January 1, 1989, which shall be the effective date of this section for such insurer. If an insurer makes no such election, the effective date of this section for such insurer shall be January 1, 1989.

➔Section 1186. KRS 304.15-344 is amended to read as follows:

- (1) In the case of any plan of life insurance which provides for future premium determination, the amounts of which are to be determined by the insurer based on then estimates of future experience, or in the case of any plan of life insurance which is of such a nature that minimum values cannot be determined by the methods described in KRS 304.15-310 to 304.15-340 and in KRS 304.15-342, then:
 - (a) The ~~commissioner~~~~executive director~~ must be satisfied that the benefits provided under the plan are substantially as favorable to policyholders and insureds as the minimum benefits otherwise required by KRS 304.15-310 to 304.15-360 herein;

- (b) The ***commissioner***~~[executive director]~~ must be satisfied that the benefits and the pattern of premiums of that plan are not such as to mislead prospective policyholders or insureds;
- (c) The cash surrender values and paid-up nonforfeiture benefits provided by such plan must not be less than the minimum values and benefits required for the plan computed by a method consistent with the principles of KRS 304.15-310 to 304.15-360, as determined by regulations promulgated by the ***commissioner***~~[executive director]~~.
- (d) Notwithstanding any other provision in the laws of this state, any policy, contract or certificate providing life insurance under any such plan must be affirmatively approved by the ***commissioner***~~[executive director]~~ before it can be marketed, issued, delivered or used in this state.

➔Section 1187. KRS 304.15-365 is amended to read as follows:

- (1) This section shall be known as the "Standard Nonforfeiture Law for Individual Deferred Annuities of 2005."
- (2) This section shall not apply to any reinsurance group annuity purchased under a retirement plan or plan of deferred compensation established or maintained by an employer, including a partnership or sole proprietorship, or by an employee organization, or by both, other than a plan providing individual retirement accounts or individual retirement annuities under Section 408 of the Internal Revenue Code, as now or hereafter amended, premium deposit fund, variable annuity, investment annuity, immediate annuity, any deferred annuity contract after annuity payments have commenced, or reversionary annuity, nor to any contract which shall be delivered outside this state through an agent or other representative of the insurer issuing the contract. However, to the extent that a variable annuity contract provides benefits that do not, before the maturity date, vary in accordance with the investment performance of any separate account or accounts maintained by the insurer as to such contract, as provided for in KRS 304.15-390, the contract shall contain provisions that satisfy the requirements of this section and shall not otherwise be subject to this section.
- (3) In the case of contracts issued on or after July 1, 2006, no contract of annuity, except as provided in subsection (2) of this section, shall be delivered or issued for delivery in this state unless it contains in substance the following provisions, or corresponding provisions which in the opinion of the ***commissioner***~~[executive director]~~ are at least as favorable to the contract holder, upon cessation of payment of considerations under the contract:
 - (a) That upon cessation of payment of considerations under a contract, or upon the written request of the contract owner, the insurer shall grant a paid-up annuity benefit on a plan stipulated in the contract of such value as is specified in subsections (8), (9), (10), (11), and (13) of this section;
 - (b) If a contract provides for a lump sum settlement at maturity, or at any other time, that upon surrender of the contract at or prior to the commencement of any annuity payments, the insurer shall pay, in lieu of any paid-up annuity benefit, a cash surrender benefit of such amount as is specified in subsections (8), (9), (10), (11), and (13) of this section. The insurer may reserve the right to defer the payment of this cash surrender benefit for a period not to exceed six (6) months after demand therefor with surrender of the contract after making written request and receiving written approval of the ***commissioner***~~[executive director]~~. The request shall address the necessity and equitability to all policyholders of the deferral;
 - (c) A statement of the mortality table, if any, and interest rates used in calculating any minimum paid-up annuity, cash surrender or death benefits that are guaranteed under the contract, together with sufficient information to determine the amounts of such benefits; and
 - (d) A statement that any paid-up annuity, cash surrender or death benefits that may be available under the contract are not less than the minimum benefits required by any statute of the state in which the contract is delivered and an explanation of the manner in which these benefits are altered by the existence of any additional amounts credited by the insurer to the contract, any indebtedness to the insurer on the contract, or any prior withdrawals from or partial surrenders of the contract.

Notwithstanding the requirements of this subsection, any deferred annuity contract may provide that if no considerations have been received under a contract for a period of two (2) full years and the portion of the paid-up annuity benefit at maturity on the plan stipulated in the contract arising from considerations paid prior to that period would be less than twenty dollars (\$20) monthly, the insurer may at its option terminate the contract by payment in cash of the then-present value of such portion of the paid-up annuity benefit, calculated on the basis of the mortality table, if any, and interest rate specified in the contract for determining the paid-up annuity benefit, and by this payment shall be relieved of any further obligation under such contract.

- (4) The minimum values as specified in subsections (8), (9), (10), (11), and (13) of this section of any paid-up annuity, cash surrender, or death benefits available under an annuity contract shall be based upon minimum nonforfeiture amounts as defined in this section.
- (a) The minimum nonforfeiture amount at any time at or prior to the commencement of any annuity payments shall be equal to an accumulation up to that time at rates of interest as indicated in subsection (5) of this section of the net considerations, as defined in paragraph (b) of this subsection, paid prior to that time, decreased by the sum of:
1. Any prior withdrawals from or partial surrenders of the contract accumulated at a rate of interest as indicated in subsection (5) of this section;
 2. An annual contract charge of fifty dollars (\$50) accumulated at rates of interest as indicated in subsection (5) of this section; and
 3. The amount of any indebtedness to the insurer on the contract, including interest due and accrued.
- (b) The net considerations for a given contract year used to define the minimum nonforfeiture amount shall be an amount equal to eighty-seven and one-half percent (87.5%) of gross considerations credited to the contract during that contract year.
- (5) The interest rate used in determining minimum nonforfeiture amounts shall be an annual rate of interest determined as the lesser of three percent (3%) per annum and the following, which shall be specified in the contract if the interest rate will be reset:
- (a) The five (5) year Constant Maturity Treasury Rate reported by the Federal Reserve as of a date or average over a period rounded to the nearest one-twentieth of one percent (0.05%), specified in the contract no longer than fifteen (15) months prior to the contract issue date or redetermination date under paragraph (d) of this subsection;
- (b) Reduced by one hundred twenty-five (125) basis points;
- (c) Where the resulting interest rate is not less than one percent (1%); and
- (d) The interest rate shall apply for an initial period and may be redetermined for additional periods. The redetermination date basis and period, if any, shall be stated in the contract. The basis is the date or average over a specified period that produces the value of the five (5) year Constant Maturity Treasury Rate to be used at each redetermination date.
- (6) During the period or term that a contract provides substantive participation in an equity indexed benefit, it may increase the reduction described in subsection (5)(b) of this section up to an additional one hundred (100) basis points to reflect the value of the equity index benefit. The present value at the contract issue date and at each redetermination date thereafter of the additional reduction shall not exceed the market value of the benefit. The ~~commissioner~~~~executive director~~ may require a demonstration that the present value of the additional reduction does not exceed the market value of the benefit. Lacking such demonstration that is acceptable to the ~~commissioner~~~~executive director~~, the ~~commissioner~~~~executive director~~ may disallow or limit the additional reduction.
- (7) The ~~commissioner~~~~executive director~~ may promulgate administrative regulations in accordance with KRS Chapter 13A implementing the provisions of subsection (6) of this section and to provide for further adjustments to the calculation of minimum nonforfeiture amounts for contracts that provide substantive participation in an equity index benefit and for other contracts for which the ~~commissioner~~~~executive director~~ determines adjustments are justified.
- (8) Any paid-up annuity benefit available under a contract shall be such that its present value on the date annuity payments are to commence is at least equal to the minimum nonforfeiture amount on that date. This present value shall be computed using the mortality table, if any, and the interest rates specified in the contract for determining the minimum paid-up annuity benefits guaranteed in the contract.
- (9) For contracts which provide cash surrender benefits, the cash surrender benefits available prior to maturity shall not be less than the present value as of the date of surrender of that portion of the maturity value of the paid-up annuity benefit which would be provided under the contract at maturity arising from considerations paid prior to the time of cash surrender reduced by the amount appropriate to reflect any prior withdrawals

from or partial surrenders of the contract, the present value being calculated on the basis of an interest rate not more than one percent (1%) higher than the interest rate specified in the contract for accumulating the net considerations to determine the maturity value, decreased by the amount of any indebtedness to the insurer on the contract, including interest due and accrued, and increased by any existing additional amounts credited by the insurer to the contract. In no event shall any cash surrender benefit be less than the minimum nonforfeiture amount at that time. The death benefit under the contracts shall be at least equal to the cash surrender benefit.

- (10) For contracts which do not provide cash surrender benefits, the present value of any paid-up annuity benefit available as a nonforfeiture option at any time prior to maturity shall not be less than the present value of that portion of the maturity value of the paid-up annuity benefit provided under the contract arising from considerations paid prior to the time the contract is surrendered in exchange for, or changed to, a deferred paid-up annuity, the present value being calculated for the period prior to the maturity date on the basis of the interest rate specified in the contract for accumulating the net considerations to determine the maturity value, and increased by any existing additional amounts credited by the insurer to the contract. For contracts which do not provide any death benefits prior to the commencement of any annuity payments, the present values shall be calculated on the basis of the interest rate and the mortality table specified in the contract for determining the maturity value of the paid-up annuity benefit. However, in no event shall the present value of a paid-up annuity benefit be less than the minimum nonforfeiture amount at that time.
- (11) For the purpose of determining the benefits calculated under subsections (9) and (10) of this section, in the case of annuity contracts under which an election may be made to have annuity payments commence at optional maturity dates, the maturity date shall be deemed to be the latest date for which election shall be permitted by the contract, but shall not be deemed to be later than the anniversary of the contract next following the annuitant's seventieth birthday or the tenth anniversary of the contract, whichever is later.
- (12) Any contract which does not provide cash surrender benefits or does not provide death benefits at least equal to the minimum nonforfeiture amount prior to the commencement of any annuity payments shall include a statement in a prominent place in the contract that such benefits are not provided.
- (13) Any paid-up annuity, cash surrender or death benefits available at any time, other than on the contract anniversary under any contract with fixed scheduled considerations, shall be calculated with allowance for the lapse of time and the payment of any scheduled considerations beyond the beginning of the contract year in which cessation of payment of considerations under the contract occurs.
- (14) For any contract which provides, within the same contract by rider or supplemental contract provision, both annuity benefits and life insurance benefits that are in excess of the greater of cash surrender benefits or a return of the gross considerations with interest, the minimum nonforfeiture benefits shall be equal to the sum of the minimum nonforfeiture benefits for the annuity portion and the minimum nonforfeiture benefits, if any, for the life insurance portion computed as if each portion were a separate contract. Notwithstanding the provisions of subsections (8), (9), (10), (11), and (13) of this section, additional benefits payable:
 - (a) In the event of total and permanent disability;
 - (b) As reversionary annuity or deferred reversionary annuity benefits; or
 - (c) As other policy benefits additional to life insurance, endowment and annuity benefits, and considerations for all such additional benefits;

shall be disregarded in ascertaining the minimum nonforfeiture amounts, paid-up annuity, cash surrender and death benefits that may be required by this section. The inclusion of these additional benefits shall not be required in any paid-up benefits, unless these additional benefits separately would require minimum nonforfeiture amounts, paid-up annuity, cash surrender and death benefits.

- (15) (a) After August 1, 2005, any insurer may file with the ~~commissioner~~~~executive director~~ a written notice of its election to apply the provisions of this section on a contract-form by contract-form basis to annuity contracts issued by the insurer during the period from the date of the election through June 30, 2006.
- (b) Insurers shall apply the provisions of this section to annuity contracts issued on or after July 1, 2006.

➔Section 1188. KRS 304.15-390 is amended to read as follows:

- (1) A domestic life insurer may establish one (1) or more separate accounts, and may allocate thereto, in accordance with the terms of a written contract or agreement, any amounts paid to the insurer in connection

- (3) Assets allocated to a separate account shall be valued at their market value on the date of valuation, or if there is no readily available market, then in accordance with the terms of the applicable contract or agreement; except, that the portion of the assets of such separate account at least equal to the insurer's reserve liability with regard to the guaranteed benefits and funds referred to in subsection (1) of this section, if any, shall be valued in accordance with rules otherwise applicable to the insurer's assets.
- (4) If the agreement provides for payment of benefits in variable amounts, the contract shall contain a statement of the essential features of the procedure to be followed by the insurer in determining the dollar amount of such variable benefits. Any such contract and any certificate issued thereunder shall state that such dollar amount may decrease or increase and shall contain on its first page a statement that the benefits thereunder are on a variable basis.
- (5) No domestic life insurer, and no other authorized life insurer, shall be authorized to deliver within this state any such contract or agreement providing benefits in variable amounts until the insurer has satisfied the **commissioner**~~[executive director]~~ that its condition or methods of operation in connection with the issuance of such contracts or agreements will not render its operation hazardous to the public or its policyholders in this state. In determining the qualification of an insurer requesting such authority, the **commissioner**~~[executive director]~~ shall consider, among other things:
 - (a) The history and financial condition of the insurer;
 - (b) The character, responsibility and general fitness of the officers and directors of the insurer; and
 - (c) In the case of an insurer other than a domestic insurer, whether the statutes or regulations of the jurisdiction of its incorporation provide a degree of protection to policyholders and the public which is substantially equal to that provided by this section and the rules and regulations issued thereunder.
- (6) Amounts allocated by domestic life insurers to separate accounts in the exercise of the power granted by this section shall be owned by the insurer and the insurer shall not be, or hold itself to be, a trustee, in respect to such amounts.
- (7) The **commissioner**~~[executive director]~~ shall have sole authority to regulate the issuance and sale of such agreements, and to make rules and regulations for the effectuation of this section.

➔Section 1189. KRS 304.15-410 is amended to read as follows:

In the case of any plan of life insurance which provides for future premium determination, the amounts of which are to be determined by the insurer based on then estimates of future experience, or in the case of any plan of life insurance or annuity which is of such a nature that the minimum reserves cannot be determined by the methods described in KRS 304.6-150, 304.6-155 and 304.6-180, the reserves which are held under any such plan must:

- (1) Be appropriate in relation to the benefits and the pattern of premiums for that plan; and
- (2) Be computed by a method which is consistent with the principles of this standard valuation law;

as determined by regulations promulgated by the **commissioner**~~[executive director]~~.

- (c) Notwithstanding this subsection, a person licensed as an attorney, certified public accountant, or financial planner accredited by a nationally recognized accreditation agency, who is retained to represent the owner, whose compensation is not paid directly or indirectly by the life settlement provider, may negotiate life settlement contracts without having to obtain a license as a life settlement broker.
- (d) A life insurance agent operating as a life settlement broker in accordance with paragraph (b) of this subsection, prior to the execution of the life settlement contract by all the parties for which such agent is operating as a life settlement broker, shall have in force and file with the **commissioner**~~executive director~~ evidence of financial responsibility as follows:

 - (a) At the expiration of sixty (60) days from the date the filing is complete, the form filed shall be deemed approved unless the **commissioner**~~[executive director]~~ has by order given prior approval or disapproval. Approval of a form by the **commissioner**~~[executive director]~~ shall constitute a waiver of any unexpired portion of the waiting period. The **commissioner**~~[executive director]~~ may extend by not more than thirty (30) days the time period in which he or she may approve or disapprove the form. The **commissioner**~~[executive director]~~ shall give notice to the licensee of the extension before expiration of the initial sixty (60) day period. - (2) The ***department***~~{office}~~ may impose and collect an administrative fine not to exceed ten thousand dollars (\$10,000) for each violation of a cease and desist order issued in accordance with this section.

➔Section 1193. KRS 304.15-709 is amended to read as follows:

- (2) Any person damaged by the acts of a person in violation of any provision of KRS 304.15-020, 304.15-700 to 304.15-720, 304.42-190, and 304.99-126 may bring a civil action against the person in the Circuit Court of the county in which the alleged violator resides, or has a principal place of business, or in the county where the alleged violation occurred.

➔Section 1194. KRS 304.15-710 is amended to read as follows:

- (1) With each application for a life settlement contract, a life settlement provider or life settlement broker shall provide the owner a copy of the ***department's***~~{office's}~~ consumer guide relating to life settlements. The provider shall provide in writing, in a separate document that is signed by the owner and provider the information in this subsection to the owner no later than the date the life settlement contract is signed by all parties. The written disclosures shall be conspicuously displayed in any life settlement contract or in a separate document furnished to the owner by a provider including any affiliations or contractual arrangements between the provider and the broker and shall provide the following information:

 - (e) That the owner has a right to rescind a life settlement contract before the earlier of thirty (30) calendar days of the date it is executed by all parties or fifteen (15) calendar days after the receipt of the proceeds of the life settlement contract by the owner. If exercised by the owner, rescission is effective only if both notice of the rescission is given, and within the rescission period all proceeds, and any premiums, loans, and loan interest are repaid to the settlement provider. If the insured dies during the rescission period, the settlement contract shall be deemed to have been rescinded, subject to repayment of all life settlement proceeds and any premiums, loans, and loan interest to the life settlement provider. The life settlement provider shall effectuate the change of ownership of the policy or certificate to the owner immediately upon effective rescission by the owner;
 - (f) That entering into a life settlement contract may cause other rights or benefits, including conversion rights and waiver of premium benefits that may exist under the policy, to be forfeited by the owner and that assistance should be sought from a financial adviser;
 - (g) That funds will be sent to the owner within three (3) business days after the life settlement provider has received the insurer's or group administrator's acknowledgment that ownership of the policy has been transferred and the beneficiary has been designated pursuant to the life settlement contract;

"All medical, financial, or personal information solicited or obtained by a life settlement provider or life settlement broker about an insured, including the insured's identity or the identity of family members, a spouse, or a significant other may be disclosed as necessary to effect the life settlement between the owner and the life settlement provider. If you are asked to provide this information, you will be asked to consent to the disclosure. The information may be provided to someone who buys the policy or provides funds for the purchase. You may be asked to renew your permission to share information every two (2) years."; and
 - (i) That the insured may be contacted by the life settlement provider or its authorized representative for the purpose of determining the insured's health status or to verify the insured's address. This contact shall be limited to once every three (3) months if the insured has a life expectancy of more than one (1) year, and no more than once per month if the insured has a life expectancy of one (1) year or less.
- (2) A life settlement provider shall provide the owner with at least the following disclosures no later than the date the life settlement contract is signed by all parties. The disclosures shall be conspicuously displayed in the life settlement contract or in a separate document signed by the owner and the life settlement provider and provide the following information:
- (a) State the affiliation, if any, between the life settlement provider and the issuer of the policy to be acquired pursuant to a settlement contract;
 - (b) State the name, address and telephone number of the life settlement provider;
 - (c) If a policy to be acquired pursuant to a life settlement contract has been issued as a joint policy or involves family riders or any coverage of a life other than the insured under the policy to be acquired pursuant to a settlement contract, the owner shall be informed of the possible loss of coverage on the other lives and shall be advised to consult with his insurance producer or the company issuing the policy for advice on the proposed life settlement contract;
 - (d) State the dollar amount of the current death benefit payable to the life settlement provider under the policy. The life settlement provider shall, if known, also disclose the availability of any additional guaranteed insurance benefits, the dollar amount of any accidental death and dismemberment benefits under the policy, and the life settlement provider's interest in those benefits;

- (e) State the name, business address, and telephone number of the independent third party escrow agent, and the fact that the owner may inspect or receive copies of the relevant escrow or trust agreements or documents;
 - (f) The date by which the funds will be available to the owner and the transmitter of the funds;
 - (g) That a consumer guide shall be delivered to owners with each application as required in this subsection;
 - (h) That applications and life settlement contracts shall contain the statement as required in KRS 304.15-717(2);
 - (i) That a broker represents exclusively the owner, and not the insurer or the provider or any other person, and owes a fiduciary duty to the owner, including a duty to act according to the owner's instructions and in the best interests of the owner; and
 - (j) The fact that a change in ownership could in the future limit the insured's ability to purchase future insurance on the insured's life because there is a limit to how much coverage insurers will issue on one (1) life.
- (3) If the life settlement provider transfers ownership or changes the beneficiary of the policy, the life settlement provider shall communicate the change in ownership or beneficiary to the insured within twenty (20) days after the change.
- (4) A broker shall provide the owner and the provider with at least the following disclosures no later than the date the life settlement contract is signed by all parties. The disclosures shall be conspicuously displayed in the life settlement contract or in a separate document signed by the owner and provide the following information:
- (a) The name, business address, and telephone number of the broker;
 - (b) A full, complete, and accurate description of all the offers, counter-offers, acceptances, and rejections relating to the proposed life settlement contract;
 - (c) The name of each broker who receives compensation and the amount of compensation received by the broker, which compensation includes anything of value paid or given to the broker in connection with the life settlement contract;
 - (d) A complete reconciliation of the gross offer or bid by the provider to the net amount of proceeds or value to be received by the owner. For the purposes of this paragraph, "gross offer or bid" means the total amount or value offered by the provider for the purchase of one (1) or more life insurance policies, inclusive of the commissions and fees; and
 - (e) The failure to provide the disclosures or rights described in this section shall be deemed an unfair trade practice.

Such advertisements shall comply with all advertising and marketing laws of this chapter or rules and administrative regulations promulgated by the ~~commissioner~~~~executive director~~ that are applicable to life insurers or to brokers, and providers licensed pursuant to this chapter.
- (2) Advertisements shall be accurate, truthful, and not misleading in fact or by implication.
- (3) No person or trust shall:
 - (a) Directly or indirectly market, advertise, solicit, or otherwise promote the purchase of a life insurance policy for the sole purpose of, or with a primary emphasis on, settling the policy; or
 - (b) Use the words "free," "no cost," or words of similar import in the marketing, advertising, soliciting, or otherwise promoting the purchase of a life insurance policy.

➔Section 1196. KRS 304.15-715 is amended to read as follows:

- (1) A life settlement provider entering into a life settlement contract with any person shall first obtain:
 - (a) If the owner is insured, a written statement from a licensed attending physician that the owner is of sound mind and under no constraint or undue influence to enter into a life settlement contract; and

- (b) A document in which the insured consents to the release of his or her medical records to a life settlement provider, life insurance agent, or life settlement broker and, if the policy was issued less than two (2) years from the date of application for a life settlement contract, to the insurance company that issued the policy.
- (2) The insurer shall respond to a request for verification of coverage submitted by a life settlement provider or life settlement broker not later than thirty (30) calendar days after the date the request is received. The request for verification of coverage shall be made on a form approved by the ~~commissioner~~~~executive director~~. The insurer shall complete and issue the verification of coverage or indicate in which respects it is unable to respond. In its response, the insurer shall indicate whether, based on the medical evidence and documents provided, the insurer intends to pursue an investigation at that time regarding the validity of the insurance contract or possible fraud, and shall provide sufficient detail of all reasons for the investigation to the life settlement provider or life settlement broker.
- (3) Prior to or at the time of execution of the life settlement contract, the life settlement provider shall obtain a witnessed document in which the owner consents to the life settlement contract, represents that he or she has a full and complete understanding of the life settlement contract and a full and complete understanding of the benefits of the policy, and acknowledges that he or she has entered into the life settlement contract freely and voluntarily and, for persons with a terminal or chronic illness or condition, that the terminal or chronic illness or condition was diagnosed after the policy was issued.
- (4) All medical information solicited or obtained by any licensee shall be subject to the applicable provision of state law relating to confidentiality of medical information.
- (5) All life settlement contracts entered into in this state shall contain an unconditional right to rescind a life settlement contract before the earlier of thirty (30) calendar days after the date it is executed or fifteen (15) calendar days after the date of receipt of the proceeds of the life settlement contract by the owner. If exercised by the owner, rescission is effective only if both notice of the rescission is given, and within the rescission period all proceeds, and any premiums, loans, and loan interest are repaid to the life settlement provider. If the insured dies during the rescission period, the life settlement contract shall be deemed to have been rescinded subject to repayment of all proceeds and any premiums, loans, and loan interest to the life settlement provider. The life settlement provider shall effectuate the change of ownership of the policy or certificate to the owner immediately upon effective rescission by the owner.
- (6) The independent third-party trustee shall transfer the proceeds that are due to the owner within two (2) business days upon receipt of acknowledgment of the transfer of ownership from the insurer.
- (7) Failure to tender consideration to the owner for the life settlement contract by the date disclosed renders the life settlement contract voidable by the owner for lack of consideration until the time consideration is tendered to and accepted by the owner.
- (8) Contacts with the insured for the purpose of determining the health status of the insured after the execution of the life settlement contract shall only be made by the life settlement provider or its authorized representative and shall be limited to once every three (3) months for an insured with a life expectancy of more than one (1) year, and to no more than once per month for an insured with a life expectancy of one (1) year or less. The life settlement provider shall explain the procedure for these contacts at the time the life settlement contract is entered into. The limitations set forth in this subsection shall not apply to any contacts with an insured for reasons other than determining the insured's health status. Life settlement providers shall be responsible for the actions of their authorized representatives.
- (9) The insurer shall not unreasonably delay effecting change of ownership or beneficiary with any life settlement contract lawfully entered into in the Commonwealth or with a resident of the Commonwealth.
- (10) If a life settlement broker performs any activities required of the provider under this section, the provider is deemed to have fulfilled those requirements of this section that have been properly performed by the broker.
- (11) If a life settlement broker performs any of the disclosure activities required of the provider under KRS 304.15-710, the provider is deemed to have fulfilled those requirements of KRS 304.15-710 that have been properly performed by the broker.

- (12) Within twenty (20) days after an owner executes the life settlement contract, the provider shall give written notice to the insurer that issued that insurance policy that the policy has become subject to a life settlement contract. The notice shall be accompanied by the documents required by KRS 304.15-702(1)(b).
- (13) Any fee paid by a provider, party, individual, or an owner to a broker in exchange for services provided to the owner pertaining to a life settlement contract shall be computed as a percentage of the offer obtained, not the face value of the policy. Nothing in this section shall be construed as prohibiting a broker from reducing such broker's fee below this percentage if the broker so chooses.
- (14) The broker shall disclose to the owner anything of value paid or given to a broker which relates to a life settlement contract.

➔Section 1197. KRS 304.15-717 is amended to read as follows:

- (o) With respect to any insurance company, insurance producer, broker, or provider, or any other person, to make any statement or representation to the applicant or policyholder in connection with the sale or financing of a life insurance policy to the effect that the insurance is free or without cost to the policyholder for any period of time unless provided in the policy; or

- (2) A life settlement contract and an application for a life settlement contract, regardless of the form of transmission, shall contain the following statement or a substantially similar statement:

"Any person who knowingly presents false information in an application for insurance or life settlement contract is guilty of a crime and upon conviction may be subject to fines or confinement in prison, or both."

The lack of a statement required by this section does not constitute a defense in any prosecution for a fraudulent life settlement act.

- (3) (a) A person engaged in the business of life settlements who has knowledge or a reasonable belief that a fraudulent life settlement act is being, will be, or has been committed shall provide the information required to the **commissioner**~~[executive director]~~, in a manner prescribed by the **commissioner**~~[executive director]~~.
- (b) Any person who has knowledge or a reasonable belief that a fraudulent life settlement act is being, will be, or has been committed may provide the information required to the **commissioner**~~[executive director]~~, in a manner prescribed by the **commissioner**~~[executive director]~~ in administrative regulations.

 - (c) A person who furnishes information concerning fraudulent life settlement acts and who is a party in a civil cause of action for libel, slander, or another relevant tort arising out of activities in carrying out the provisions of this chapter shall be entitled to an award of attorney's fees and court costs if he is the prevailing party in the suit and the party bringing the action was not substantially justified in filing the cause of action.  - (c) Limit the powers granted elsewhere by the laws of this state to the **commissioner**~~executive director~~ or an insurance fraud unit to investigate and examine possible violations of law and to take appropriate action against wrongdoers; or

➔Section 1204. KRS 304.17-220 is amended to read as follows:

For the purpose of applying this provision when other coverage is on a provision of service basis, the like amount of such other coverage shall be taken as the amount which the services rendered would have cost in the absence of such coverage."

For the purpose of applying such policy provision no third-party liability coverage amount of benefit provided for such insured pursuant to any compulsory benefit statute, including any workers' compensation or employer's liability statute, whether provided by a governmental agency or otherwise, shall in all cases be deemed to be "other valid coverage" of which the insurer has had notice. In applying such policy provision no third-party liability coverage shall be included as "other valid coverage."

➔Section 1205. KRS 304.17-230 is amended to read as follows:

- (1) There may be a provision as follows:

- (2) If the policy provision set out in subsection (1) of this section is included in a policy which also contains the policy provision set out in subsection (1) of KRS 304.17-220, there shall be added to the caption of the foregoing provisions the phrase "... Other Benefits."

In applying such policy provision no third-party liability coverage shall be included as "other valid coverage."

➔Section 1206. KRS 304.17-240 is amended to read as follows:

- (1) There may be a provision as follows:

"After the loss-of-time benefit of this policy has been payable for ninety (90) days, such benefit will be adjusted, as provided below, if the total amount of unadjusted loss-of-time benefits provided in all valid loss-of-time coverage upon the insured should exceed -- % of the insured's earned income; provided, however, that if the information contained in the application discloses that the total amount of loss-of-time benefits under this policy and under all other valid loss-of-time coverage expected to be effective upon the insured in accordance with the application for this policy exceeded -- % of the insured's earned income at the time of such application, such higher percentage will be used in the place of -- %. Such adjusted loss-of-time benefit under this policy for any month shall be only such proportion of the loss-of-time benefit otherwise payable under this policy as:

- (a) The product of the insured's earned income and -- % (or, if higher, the alternative percentage described at the end of the first sentence of this provision) bears to
- (b) The total amount of loss-of-time benefits payable for such month under this policy and all other valid loss-of-time coverage on the insured (without giving effect of the overinsurance provision in this or any other coverage) less in both paragraphs (a) and (b) of this subsection any amount of loss-of-time benefits payable under other valid loss-of-time coverage which does not contain an 'overinsurance provision.' In making such computation, all benefits and earnings shall be converted to a consistent (insert 'weekly' if the loss-of-time benefit of this policy is payable weekly, 'monthly' if such benefit is payable monthly, etc.) basis. If the numerator of the foregoing ratio is zero (0) or is negative, no benefit shall be payable under this policy. In no event shall this provision
 1. Operate to reduce the total combined amount of loss-of-time benefits for such month payable under this policy and all other valid loss-of-time coverage below the lesser of three hundred dollars (\$300) and the total combined amount of loss-of-time benefits determined without giving effect to any 'overinsurance provision' nor
 2. Operate to increase the amount of benefits payable under this policy above the amount which would have been paid in the absence of this provision, nor
 3. Take into account or operate to reduce any benefit other than the loss-of-time benefit.
- (c) For purposes of this provision:
 1. 'Earned income,' except where otherwise specified, means the greater of the monthly earnings of the insured at the time disability commences and his *or her* average monthly earnings for a period of two (2) years immediately preceding the commencement of such disability, and shall not include any investment income or any other income not derived from the insured's vocational activities.
 2. 'Overinsurance provision' shall include this provision and any other provision with respect to any loss-of-time coverage which may have the effect of reducing an insurer's liability if the total amount of loss-of-time benefits under all coverage exceeds a stated relationship to the insured's earnings."

- (2) The foregoing provision may be included only in a policy which provides a loss-of-time benefit which may be payable for at least fifty-two (52) weeks, which is issued on the basis of selective underwriting of each individual application, and for which the application includes a question designed to elicit information necessary either to determine the ratio of the total loss-of-time benefits of the insured to the insured's earned income or to determine that such ratio does not exceed the percentage of earnings, not less than sixty percent (60%), selected by the insurer and inserted in lieu of the blank factor above. The insurer may require, as part of the proof of claim, the information necessary to administer this provision. If the application indicates that other loss-of-time coverage is to be discontinued, the amount of such other coverage shall be excluded in computing the alternative percentage in the first sentence of the overinsurance provision. The policy shall include a definition of "valid loss-of-time coverage," approved as to form by the ~~commissioner~~~~executive director~~,

 - c. Seventy-five percent (75%) for policies issued to small groups of eleven (11) to fifty (50) employees;
 6. A guarantee that the actual Kentucky loss ratio for the calendar year in which the new rates take effect, and for each year thereafter until new rates are filed, will meet or exceed the minimum loss ratio standards referred to in subparagraph 5. of this paragraph, adjusted for duration;
 7. A guarantee that the actual Kentucky lifetime loss ratio shall meet or exceed the minimum loss ratio standards referred to in subparagraph 5. of this paragraph; and
 8. If the annual earned premium volume in Kentucky under the particular policy form is less than two million five hundred thousand dollars (\$2,500,000), the minimum loss ratio guarantee shall be based partially on the Kentucky earned premium and other credibility factors as specified by the ***commissioner***~~[executive director]~~.
- (b) The actual Kentucky minimum loss ratio results for each year at issue shall be independently audited at the insurer's expense and the audit shall be filed with the ***commissioner***~~[executive director]~~ not later than one hundred twenty (120) days after the end of the year at issue. The audit shall demonstrate the calculation of the actual Kentucky loss ratio in a manner prescribed as set forth in administrative regulations promulgated by the ***commissioner***~~[executive director]~~.
- (c) The insurer shall refund premiums in the amount necessary to bring the actual loss ratio up to the guaranteed minimum loss ratio.

- (d) A Kentucky policyholder affected by the guaranteed minimum loss ratio shall receive a portion of the premium refund relative to the premium paid by the policyholder. The refund shall be made to all Kentucky policyholders insured under the applicable policy form during the year at issue if the refund would equal ten dollars (\$10) or more per policy. The refund shall include statutory interest from July 1 of the year at issue until the date of payment. Payment shall be made not later than one hundred eighty (180) days after the end of the year at issue.
 - (e) Premium refunds of less than ten dollars (\$10) per insured shall be aggregated by the insurer and paid to the Kentucky State Treasury.
 - (f) None of the provisions of subsections (2) and (3) of this section shall apply if premium rates are filed with the ~~department~~~~office~~ and accompanied by a minimum loss ratio guarantee that meets the requirements of this subsection. Such filings shall be deemed approved. Each insurer paying a risk assessment under KRS 304.17B-021 may include the amount of the assessment in establishing premium rates filed with the ~~commissioner~~~~executive director~~ under this section. The insurer shall identify any assessment allocated.
 - (g) The policy form filing of an insurer using the filing procedure with a minimum loss ratio guarantee will disclose to the enrollee, member, or subscriber as prescribed by the ~~commissioner~~~~executive director~~ an explanation of the lifetime loss ratio guarantee, and the actual loss ratio, and any adjustments for duration.
 - (h) The insurer who elects to use the filing procedure with a minimum loss ratio guarantee shall notify all policyholders of the refund calculation, the result of the refund calculation, the percent of premium on an aggregate basis to be refunded if any, any amount of the refund attributed to the payment of interests, and an explanation of amounts less than ten dollars (\$10).
 - (i) Notwithstanding the provisions of this subsection, an insurer may amend the policy forms used before March 31, 2005, or may amend the minimum loss ratio guarantee on policy forms filed with the ~~department~~~~office~~ and used by the insurer prior to March 31, 2005, to provide for a minimum loss ratio guarantee allowed under this subsection for policies issued, delivered, or renewed on or after March 31, 2005.
- (7) The ~~commissioner~~~~executive director~~ may by administrative regulation prescribe any additional information related to rates, fees, dues, and other charges as they relate to the factors set out in subsection (3) of this section that he or she deems necessary and relevant to be included in the filings and the form of the filings required by this section. When determining a loss ratio for the purposes of loss ratio guarantee, the insurer shall divide the total of the claims incurred, plus preferred provider organization expenses, case management and utilization review expenses, plus reinsurance premiums less reinsurance recoveries by the premiums earned less state and local premium taxes less other assessments. For purposes of determining the loss ratio for any loss ratio guarantee pursuant to this section, the ~~commissioner~~~~executive director~~ may examine the insurer's expenses for preferred provider organization, case management, utilization review, and reinsurance used by the insurer in calculating the loss ratio guarantee for reasonableness. Only those expenses found to be reasonable by the ~~commissioner~~~~executive director~~ may be used by the insurer for determining the loss ratio for purposes of any loss ratio guarantee.
- (8) (a) The ~~commissioner~~~~executive director~~ shall hold a hearing upon written request by the Attorney General. The written request shall be based upon one (1) or more of the reasons set out in subsection (3) of this section and shall state the applicable reasons.
- (b) An insurer may request a hearing, pursuant to KRS 304.2-310, with regard to any action taken by the ~~commissioner~~~~executive director~~ under this section as to the disapproval of rates or an order of a retroactive reduction of rates.
- (c) The hearing shall be a public hearing conducted in accordance with KRS 304.2-310.

➔Section 1213. KRS 304.17A-0952 is amended to read as follows:

Premium rates for a health benefit plan issued or renewed to an individual, a small group, or an association on or after April 10, 1998, shall be subject to the following provisions:

- (1) The premium rates charged during a rating period to an individual with similar case characteristics for the same coverage, or the rates that could be charged to that individual under the rating system for that class of business,

shall not vary from the index rate by more than thirty-five percent (35%) of the index rate upon any policy issuance or renewal, on or after January 1, 2003.

- (2) Notwithstanding the thirty-five percent (35%) variance limitation in subsection (1) of this section, insurers offering an individual health benefit plan that is state-elected under sec. 35(e)(1)F of the Trade Act of 2002, Pub. L. No. 107-210 sec. 201, may vary from the index rate by more than thirty-five percent (35%) for individuals who are eligible for the health coverage tax credit under the following conditions:
 - (a) The insurer certifies that the individual does not meet the insurer's underwriting guidelines for issuance of an individual policy;
 - (b) The policy meets the requirements for state-elected coverage under the Trade Act of 2002; and
 - (c) The premium rate is actuarially justified and has been approved by the **Department**~~[Office]~~ of Insurance pursuant to KRS 304.17A-095.
- (3) The percentage increase in the premium rate charged to an individual for a new rating period shall not exceed the sum of the following:
 - (a) The percentage change in the new business premium rate measured from the first day of the prior rating period to the first day of the new rating period. In the case of a class of business for which the insurer is not issuing new policies, the insurer shall use the percentage change in the base premium rate;
 - (b) Any adjustment, not to exceed twenty percent (20%) annually and adjusted pro rata for rating periods of less than one (1) year, due to the claim experience, mental and physical condition, including medical condition, medical history, and health service utilization, or duration of coverage of the individual and dependents as determined from the insurer's rate manual for the class of business; and
 - (c) Any adjustment due to change in coverage or change in the case characteristics of the individual as determined from the insurer's rate manual for the class of business.
- (4) The premium rates charged during a rating period to a small group or to an association member with similar case characteristics for the same coverage, or the rates that could be charged to that small group or that association member under the rating system for that class of business, shall not vary from the index rate by more than fifty percent (50%) of the index rate.
- (5) The percentage increase in the premium rate charged to a small group or to an association member for a new rating period shall not exceed the sum of the following:
 - (a) The percentage change in the new business premium rate measured from the first day of the prior rating period to the first day of the new rating period. In the case of a class of business for which the insurer is not issuing new policies, the insurer shall use the percentage change in the base premium rate;
 - (b) Any adjustment, not to exceed twenty percent (20%) annually and adjusted pro rata for rating periods of less than one (1) year, due to the claims experience, mental and physical condition, including medical condition, medical history, and health service utilization, or duration of coverage of the employee, association member, or dependents as determined from the insurer's rate manual for the class of business; and
 - (c) Any adjustment due to change in coverage or change in the case characteristics of the small group or association member as determined from the insurer's rate manual for the class of business.
- (6) In utilizing case characteristics, the ratio of the highest rate factor to the lowest rate factor within a class of business shall not exceed five to one (5:1). For purpose of this limitation, case characteristics include age, gender, occupation or industry, and geographic area.
- (7) Adjustments in rates for claims experience, mental and physical condition, including medical condition, medical history, and health service utilization, health status, and duration of coverage shall not be charged to an individual group member or the member's dependents. Any adjustment shall be applied uniformly to the rates charged for all individuals and dependents of the small group.
- (8) The **commissioner**~~[executive director]~~ may approve establishment of additional classes of business upon application to the **commissioner**~~[executive director]~~ and a finding by the **commissioner**~~[executive director]~~ that the additional class would enhance the efficiency and fairness for the applicable market segment.

- (a) The index rate for a rating period for any class of business shall not exceed the index rate for any other class of business in that market segment by more than ten percent (10%).
 - (b) An insurer may establish a separate class of business only to reflect substantial differences in expected claims experience or administrative cost related to the following reasons:
 - 1. The insurer uses more than one (1) type of system for the marketing and sale of the health benefit plans;
 - 2. The insurer has acquired a class of business from another insurer; or
 - 3. The insurer is offering a state-elected plan under the provisions of the Trade Act of 2002, Pub. L. No. 107-210 sec. 201.
 - (c) Notwithstanding any other provision of this subsection, beginning January 1, 2001, a GAP participating insurer may establish a separate class of business for the purpose of separating guaranteed acceptance program qualified individuals from other individuals enrolled in their plan prior to January 1, 2001. The index rate for the separate class created under this paragraph shall be established taking into consideration expected claims experience and administrative costs of the new class of business and the previous class of business.
- (9) For the purpose of this section, a health benefit plan that utilizes a restricted provider network shall not be considered similar coverage to a health benefit plan that does not utilize a restricted provider network if utilization of the restricted provider network results in substantial differences in claims costs.
- (10) Notwithstanding any other provision of this section, an insurer shall not be required to utilize the experience of those individuals with high-cost conditions who enrolled in its plans between July 15, 1995, and April 10, 1998, to develop the insurer's index rate for its individual policies.
- (11) Nothing in this section shall be construed to prevent an insurer from offering incentives to participate in a program of disease prevention or health improvement.

➔Section 1214. KRS 304.17A-0954 is amended to read as follows:

Any entity which is a bona fide association as defined in 42 U.S.C. sec. 300gg-91(d)(3), whose members consist principally of employers, and for which the entity's health insurance decisions are made by a board or committee the majority of which are representatives of employer members of the entity who obtain group health insurance coverage through the entity or through a trust or other mechanism established by the entity, and whose health insurance decisions are reflected in written minutes or other written documentation;
 - (d) "Index rate" has the meaning provided in KRS 304.17A-005.
- (2) Notwithstanding any other provision of this chapter, the amount or rate of premiums for an employer-organized association health plan may be determined, subject to the restrictions of subsection (3) of this section, based upon the experience or projected experience of the employer-organized associations whose employers obtain group coverage under the plan. Without the written consent of the employer-organized association filed with the ~~commissioner~~~~executive director~~, the index rate for the employer-organized association shall be calculated solely with respect to that employer-organized association and shall not be tied to, linked to, or otherwise adversely affected by any other index rate used by the issuing insurer.

- (3) The following restrictions shall be applied in calculating the permissible amount or rate of premiums for an employer-organized health insurance plan:
- (a) The premium rates charged during a rating period to members of the employer-organized association with similar characteristics for the same or similar coverage, or the premium rates that could be charged to a member of the employer-organized association under the rating system for that class of business, shall not vary from its own index rate by more than fifty percent (50%) of its own index rate.
 - (b) The percentage increase in the premium rate charged to an employer member of an employer-organized association for a new rating period shall not exceed the sum of the following:
 1. The percentage change in the new business premium rate for the employer-organized association measured from the first day of the prior rating period to the first day of the new rating period;
 2. Any adjustment, not to exceed twenty percent (20%) annually and adjusted pro rata for rating period of less than one (1) year, due to the claims experience, mental and physical condition, including medical condition, medical history, and health service utilization, or duration of coverage of the member as determined from the insurer's rate manual; and
 3. Any adjustment due to change in coverage or change in the case characteristics of the member as determined by the insurer's rate manual.
- (4) In utilizing case characteristics, the ratio of the highest rate factor to the lowest rate factor within a class of business shall not exceed five to one (5:1). For purpose of this limitation, case characteristics include age, gender, occupation or industry, and geographic area.
- (5) For the purpose of this section, a health insurance contract that utilizes a restricted provider network shall not be considered similar coverage to a health insurance contract that does not utilize a restricted provider network if utilization of the restricted provider network results in measurable differences in claims costs.

➔Section 1215. KRS 304.17A-138 is amended to read as follows:

- (1) (a) A health benefit plan shall not exclude a service from coverage solely because the service is provided through telehealth and not provided through a face-to-face consultation if the consultation is provided through the telehealth network established under KRS 194A.125. A health benefit plan may provide coverage for a consultation at a site not within the telehealth network at the discretion of the insurer.
- (b) A telehealth consultation shall not be reimbursable under this section if it is provided through the use of an audio-only telephone, facsimile machine, or electronic mail.
- (2) Benefits for a service provided through telehealth required by this section may be made subject to a deductible, copayment, or coinsurance requirement. A deductible, copayment, or coinsurance applicable to a particular service provided through telehealth shall not exceed the deductible, copayment, or coinsurance required by the health benefit plan for the same service provided through a face-to-face consultation.
- (3) Payment made under this section may be consistent with any provider network arrangements that have been established for the health benefit plan.
- (4) The ~~department[office]~~ shall promulgate an administrative regulation in accordance with KRS Chapter 13A to designate the claim forms and records required to be maintained in conjunction with this section.

➔Section 1216. KRS 304.17A-150 is amended to read as follows:

- (1) On and after July 15, 1995, it is an unfair trade practice for an insurer, agent, broker, or any other person in the business of marketing and selling health plans, to commit or perform any of the following acts:
 - (a) Encourage individuals or groups to refrain from filing an application for coverage with the insurer because of the individual's or group's health status, claims experience, industry, occupation, or geographic location; or
 - (b) Encourage or direct individuals or groups to seek coverage from another insurer because of the individual's or group's health status, claims experience, industry, occupation, or geographic location; or
 - (c) Encourage an employer to exclude an employee from coverage.

The provisions of this subsection shall not apply to information provided regarding the established geographic service area of an insurer.

- (2) It is an unfair trade practice for an insurer to compensate an agent, broker, or any other person in the business of marketing and selling health plans on the basis of the health status, claims experience, industry, occupation, or geographic location of the insured or prospective insured except as provided in KRS 304.17B-001 to 304.17B-031.
- (3) It shall constitute an unfair trade practice for any insurer, insurance agent, or third-party administrator to refer an individual to Kentucky Access, or to arrange for an individual to apply to Kentucky Access, for the purpose of separating an individual from group health insurance coverage.
- (4) It is an unfair trade practice for an insurer that offers multiple health benefit plans to require a health care provider, as a condition of participation in a health benefit plan of the insurer, to participate in any of the insurer's other health benefit plans. In addition to the proceedings and penalties provided in this chapter for violation of this provision, a contract provision violating this subsection is void.
- (5) It is an unfair trade practice for an insurer not to compute an insured's coinsurance or cost sharing on the basis of the amount actually received by a health-care provider from the insurer.
- (6) The ~~commissioner~~~~executive director~~ may suspend or revoke, after notice and hearing, the certificate of authority to transact insurance in this state of any insurer that fails to pay an assessment under KRS 304.17B-021. As an alternative, the ~~commissioner~~~~executive director~~ may levy a civil penalty on any member insurer that fails to pay the assessment when due. The civil penalty shall not exceed five percent (5%) of the unpaid assessment per month, but no civil penalty shall be less than one hundred dollars (\$100) per month.
- (7) The remedy provided by KRS 304.12-120 shall be available for conduct proscribed by this section.
- (8) It is an unfair claims settlement practice for any person to make claims payments to insureds or beneficiaries not accompanied by a statement setting forth the coverage under which the payments are being made in instances in which the insured has a liability under the policy beyond his or her copayment or deductible.

➔Section 1217. KRS 304.17A-200 is amended to read as follows:

- (1) An insurer that offers health benefit plan coverage in the small group, large group, or association market may not establish rules for eligibility of any individual to enroll under the terms of the plan based on any of the following health status-related factors in relation to the individual or the dependent of the individual:

Nothing in this subsection shall prevent the insurer from establishing premium discounts or rebates or modifying otherwise applicable copayments or deductibles in return for adherence to programs of health promotion and disease prevention.
- (3) Subject to subsections (4) to (7) of this section, each insurer that offers health benefit plan coverage in the small groups market shall accept every small employer that applies for coverage and shall accept for enrollment under this coverage every individual eligible for the coverage who applies for enrollment during the period in which the individual first becomes eligible to enroll under the terms of the group health benefit plan.

- (a) Notwithstanding any other provision of this subsection, the insurer may establish group participation rules requiring a minimum number of participants or beneficiaries that must be enrolled in relation to a specified percentage or number of those eligible for enrollment.
 - (b) The terms and participation rules of the group health benefit plan shall be uniformly applicable to small employers in the small group market.
 - (c) This subsection shall not apply to health benefit plan coverage offered by an insurer if the coverage is made available in the small group market only through one (1) or more bona fide associations.
- (4) In the case of an insurer that offers health benefit plan coverage in the small group market through a network plan, the insurer may:
- (a) Limit the employers that may apply for coverage to those with individuals who live, work, or reside in the service area of the network plan; and
 - (b) Within the service area of the network plan, deny coverage to employers if the insurer has demonstrated to the **commissioner**~~executive director~~ that:
 - 1. The network plan will not have the capacity to deliver services adequately to enrollees of any additional groups because of its obligations to existing group contract holders and enrollees; and
 - 2. The insurer is applying this denial uniformly to all employers.
- (5) An insurer, upon denying health benefit plan coverage in any service area in accordance with subsection (4) of this section, shall not offer coverage in the small group market within the service area for a period of one hundred eighty (180) days after the date the coverage is denied.
- (6) An insurer may deny health benefit plan coverage in the small group market if the insurer has demonstrated to the **commissioner**~~executive director~~ that:
- (a) The insurer does not have the financial reserves necessary to underwrite additional coverage; and
 - (b) The insurer is applying this denial uniformly to all employers in the small group market.
- (7) An insurer, upon denying health benefit plan coverage in connection with group health plans in accordance with subsection (6) of this section, shall not offer coverage in the small group market for a period of one hundred eighty (180) days after the date the coverage is denied or until the insurer has demonstrated to the **commissioner**~~executive director~~ that the insurer has sufficient financial reserves to underwrite additional coverage, whichever is later.
- (8) A health benefit plan issued as an individual policy to individual employees or their dependents through or with the permission of a small employer shall be issued on a guaranteed-issue basis to all full-time employees and shall comply with the pre-existing condition provisions of KRS 304.17A-220.
- (9) (a) In connection with the offering of any health benefit plan to a small employer, an insurer:
- 1. Shall make a reasonable disclosure to a small employer, as part of its solicitation and sales materials, of the availability of information described in paragraph (b) of this subsection; and
 - 2. Upon request of a small employer, provide the information described in paragraph (b) of this subsection.
- (b) Subject to paragraph (c) of this subsection, with respect to an insurer offering a health benefit plan to a small employer, information described in this subsection is information concerning:

 - 2. The provisions of the health benefit plan relating to renewability of coverage;
 - 3. The provisions of the health benefit plan relating to any preexisting condition exclusion; and
 - 4. The benefits and premiums available under all health benefit plans for which the small employer is qualified.

- (c) Information described in paragraph (b) of this subsection shall be provided to a small employer in a manner determined to be understandable by the average small employer and shall be sufficient to reasonably inform a small employer of his or her rights and obligations under the health benefit plan.
- (d) An insurer is not required under this section to disclose any information that is proprietary and trade secret information under applicable law.

➔Section 1218. KRS 304.17A-220 is amended to read as follows:

- (1) All group health plans and insurers offering group health insurance coverage in the Commonwealth shall comply with the provisions of this section.
- (2) Subject to subsection (8) of this section, a group health plan, and a health insurance insurer offering group health insurance coverage, may, with respect to a participant or beneficiary, impose a pre-existing condition exclusion only if:
 - (a) The exclusion relates to a condition, whether physical or mental, regardless of the cause of the condition, for which medical advice, diagnosis, care, or treatment was recommended or received within the six (6) month period ending on the enrollment date. For purposes of this paragraph:
 - 1. Medical advice, diagnosis, care, or treatment is taken into account only if it is recommended by, or received from, an individual licensed or similarly authorized to provide such services under state law and operating within the scope of practice authorized by state law; and
 - 2. The six (6) month period ending on the enrollment date begins on the six (6) month anniversary date preceding the enrollment date;
 - (b) The exclusion extends for a period of not more than twelve (12) months, or eighteen (18) months in the case of a late enrollee, after the enrollment date;
 - (c)
 - 1. The period of any pre-existing condition exclusion that would otherwise apply to an individual is reduced by the number of days of creditable coverage the individual has as of the enrollment date, as counted under subsection (3) of this section; and
 - 2. Except for ineligible individuals who apply for coverage in the individual market, the period of any pre-existing condition exclusion that would otherwise apply to an individual may be reduced by the number of days of creditable coverage the individual has as of the effective date of coverage under the policy; and
 - (d) A written notice of the pre-existing condition exclusion is provided to participants under the plan, and the insurer cannot impose a pre-existing condition exclusion with respect to a participant or a dependent of the participant until such notice is provided.
- (3) In reducing the pre-existing condition exclusion period that applies to an individual, the amount of creditable coverage is determined by counting all the days on which the individual has one (1) or more types of creditable coverage. For purposes of counting creditable coverage:
 - (a) If on a particular day the individual has creditable coverage from more than one (1) source, all the creditable coverage on that day is counted as one (1) day;
 - (b) Any days in a waiting period for coverage are not creditable coverage;
 - (c) Days of creditable coverage that occur before a significant break in coverage are not required to be counted; and
 - (d) Days in a waiting period and days in an affiliation period are not taken into account in determining whether a significant break in coverage has occurred.
- (4) An insurer may determine the amount of creditable coverage in another manner than established in subsection (3) of this section that is at least as favorable to the individual as the method established in subsection (3) of this section.
- (5) If an insurer receives creditable coverage information, the insurer shall make a determination regarding the amount of the individual's creditable coverage and the length of any pre-existing exclusion period that remains. A written notice of the length of the pre-existing condition exclusion period that remains after offsetting for prior creditable coverage shall be issued by the insurer. An insurer may not impose any limit on the amount of time that an individual has to present a certificate or evidence of creditable coverage.

(6) For purposes of this section:

- (a) "Pre-existing condition exclusion" means, with respect to coverage, a limitation or exclusion of benefits relating to a condition based on the fact that the condition was present before the effective date of coverage, whether or not any medical advice, diagnosis, care, or treatment was recommended or received before that day. A pre-existing condition exclusion includes any exclusion applicable to an individual as a result of information relating to an individual's health status before the individual's effective date of coverage under a health benefit plan;
 - (b) "Enrollment date" means, with respect to an individual covered under a group health plan or health insurance coverage, the first day of coverage or, if there is a waiting period, the first day of the waiting period. If an individual receiving benefits under a group health plan changes benefit packages, or if the employer changes its group health insurer, the individual's enrollment date does not change;
 - (c) "First day of coverage" means, in the case of an individual covered for benefits under a group health plan, the first day of coverage under the plan and, in the case of an individual covered by health insurance coverage in the individual market, the first day of coverage under the policy or contract;
 - (d) "Late enrollee" means an individual whose enrollment in a plan is a late enrollment;
 - (e) "Late enrollment" means enrollment of an individual under a group health plan other than:
 - 1. On the earliest date on which coverage can become effective for the individual under the terms of the plan; or
 - 2. Through special enrollment;
 - (f) "Significant break in coverage" means a period of sixty-three (63) consecutive days during each of which an individual does not have any creditable coverage; and
 - (g) "Waiting period" means the period that must pass before coverage for an employee or dependent who is otherwise eligible to enroll under the terms of a group health plan can become effective. If an employee or dependent enrolls as a late enrollee or special enrollee, any period before such late or special enrollment is not a waiting period. If an individual seeks coverage in the individual market, a waiting period begins on the date the individual submits a substantially complete application for coverage and ends on:
 - 1. If the application results in coverage, the date coverage begins; or
 - 2. If the application does not result in coverage, the date on which the application is denied by the insurer or the date on which the offer of coverage lapses.
- (7) (a) 1. Except as otherwise provided under subsection (3) of this section, for purposes of applying subsection (2)(c) of this section, a group health plan, and a health insurance insurer offering group health insurance coverage, shall count a period of creditable coverage without regard to the specific benefits covered during the period.
2. A group health plan, or a health insurance insurer offering group health insurance coverage, may elect to apply subsection (2)(c) of this section based on coverage of benefits within each of several classes or categories of benefits specified in federal regulations. This election shall be made on a uniform basis for all participants and beneficiaries. Under this election, a group health plan or insurer shall count a period of creditable coverage with respect to any class or category of benefits if any level of benefits is covered within this class or category.
3. In the case of an election with respect to a group health plan under subparagraph 2. of this paragraph, whether or not health insurance coverage is provided in connection with the plan, the plan shall:
- a. Prominently state in any disclosure statements concerning the plan, and state to each enrollee at the time of enrollment under the plan, that the plan has made this election; and
 - b. Include in these statements a description of the effect of this election.

- (b) Periods of creditable coverage with respect to an individual shall be established through presentation of certifications described in subsection (9) of this section or in such other manner as may be specified in administrative regulations.
- (8) (a) Subject to paragraph (e) of this subsection, a group health plan, and a health insurance insurer offering group health insurance coverage, may not impose any pre-existing condition exclusion on a child who, within thirty (30) days after birth, is covered under any creditable coverage. If a child is enrolled in a group health plan or other creditable coverage within thirty (30) days after birth and subsequently enrolls in another group health plan without a significant break in coverage, the other group health plan may not impose any pre-existing condition exclusion on the child.
- (b) Subject to paragraph (e) of this subsection, a group health plan, and a health insurance insurer offering group health insurance coverage, may not impose any pre-existing condition exclusion on a child who is adopted or placed for adoption before attaining eighteen (18) years of age and who, within thirty (30) days after the adoption or placement for adoption, is covered under any creditable coverage. If a child is enrolled in a group health plan or other creditable coverage within thirty (30) days after adoption or placement for adoption and subsequently enrolls in another group health plan without a significant break in coverage, the other group health plan may not impose any pre-existing condition exclusion on the child. This shall not apply to coverage before the date of the adoption or placement for adoption.
- (c) A group health plan may not impose any pre-existing condition exclusion relating to pregnancy.

➔Section 1239. KRS 304.17A-617 is amended to read as follows:

- (1) Every insurer shall have an internal appeal process to be utilized by the insurer or its designee, consistent with this section and KRS 304.17A-619 and which shall be disclosed to covered persons in accordance with KRS

304.17A-505(1)(g). An insurer shall disclose the availability of the internal process to the covered person in the insured's timely notice of an adverse determination or notice of a coverage denial which meets the requirements set forth in KRS 304.17A-607(1)(j). For purposes of this section, "coverage denial" means an insurer's determination that a service, treatment, drug, or device is specifically limited or excluded under the covered person's health benefit plan. Where a coverage denial is involved, in addition to stating the reason for the coverage denial, the required notice shall contain instructions for filing a request for internal appeal.

- (2) The internal appeals process may be initiated by the covered person, an authorized person, or a provider acting on behalf of the covered person. The internal appeals process shall include adequate and reasonable procedures for review and resolution of appeals concerning adverse determinations made under utilization review and of coverage denials, including procedures for reviewing appeals from covered persons whose medical conditions require expedited review. At a minimum, these procedures shall include the following:
 - (a) Insurers or their designees shall provide decisions to covered persons, authorized persons, and providers on internal appeals of adverse determinations or coverage denials within thirty (30) days of receipt of the request for internal appeal;
 - (b) Insurers or their designees shall render a decision not later than three (3) business days after receipt of the request for an expedited appeal of either an adverse determination or a coverage denial. An expedited appeal is deemed necessary when a covered person is hospitalized or, in the opinion of the treating provider, review under a standard time frame could, in the absence of immediate medical attention, result in any of the following:
 1. Placing the health of the covered person or, with respect to a pregnant woman, the health of the covered person or the unborn child in serious jeopardy;
 2. Serious impairment to bodily functions; or
 3. Serious dysfunction of a bodily organ or part;
 - (c) Internal appeal of an adverse determination shall only be conducted by a licensed physician who did not participate in the initial review and denial. However, in the case of a review involving a medical or surgical specialty or subspecialty, the insurer or agent shall, upon request by a covered person, authorized person, or provider, utilize a board eligible or certified physician in the appropriate specialty or subspecialty area to conduct the internal appeal;
 - (d) Those portions of the medical record that are relevant to the internal appeal, if authorized by the covered person and in accordance with state or federal law, shall be considered and providers given the opportunity to present additional information;
 - (e) In addition to any previous notice required under KRS 304.17A-607(1)(j), and to facilitate expeditious handling of a request for external review of an adverse determination or a coverage denial, an insurer or agent that denies, limits, reduces, or terminates coverage for a treatment, procedure, drug, or device for a covered person shall provide the covered person, authorized person, or provider acting on behalf of the covered person with an internal appeal determination letter that shall include:
 1. A statement of the specific medical and scientific reasons for denying coverage or identifying that provision of the schedule of benefits or exclusions that demonstrates that coverage is not available;
 2. The state of licensure, medical license number, and the title of the person making the decision;
 3. Except for retrospective review, a description of alternative benefits, services, or supplies covered by the health benefit plan, if any; and
 4. Instructions for initiating an external review of an adverse determination, or filing a request for review with the ~~department office~~, if a coverage denial is upheld by the insurer on internal appeal.
- (3) The ~~department office~~ shall establish and maintain a system for receiving and reviewing requests for review of coverage denials from covered persons, authorized persons, and providers. For purposes of this subsection, "coverage denials" shall not include an adverse determination as defined in KRS 304.17A-600 or subsequent denials arising from an adverse determination.

- (a) On receipt of a written request for review of a coverage denial from a covered person, authorized person, or provider, the *department[office]* shall notify the insurer which issued the denial of the request for review and shall call for the insurer to respond to the *department[office]* regarding the request for review within ten (10) business days of receipt of notice to the insurer.
- (b) Within ten (10) business days of receiving the notice of the request for review from the *department[office]*, the insurer shall provide to the *department[office]* the following information:
 - 1. Confirmation as to whether the person who received or sought the health service for which coverage was denied was a covered person under a health benefit plan issued by the insurer on the date the service was sought or denied;
 - 2. Confirmation as to whether the covered person, authorized person, or provider has exhausted his or her rights under the insurer's appeal process under this section; and
 - 3. The reason for the coverage denial, including the specific limitation or exclusion of the health benefit plan demonstrating that coverage is not available.
- (c) In addition to the information described in paragraph (b) of this subsection, the insurer and the covered person, authorized person, or provider shall provide to the *department[office]* any information requested by the *department[office]* that is germane to its review.
- (d) On the receipt of the information described in paragraphs (b) and (c) of this subsection, unless the *department[office]* is not able to do so because making a determination requires resolution of a medical issue, it shall determine whether the service, treatment, drug, or device is specifically limited or excluded under the terms of the covered person's health benefit plan. If the *department[office]* determines that the treatment, service, drug, or device is not specifically limited or excluded, it shall so notify the insurer, and the insurer shall either cover the service, or afford the covered person an opportunity for external review under KRS 304.17A-621, 304.17A-623, and 304.17A-625, where the conditions precedent to the review are present. If the *department[office]* notifies the insurer that the treatment, service, drug, or device is specifically limited or excluded in the health benefit plan, the insurer is not required to cover the service or afford the covered person an external review.
- (e) An insurer shall be required to cover the treatment, service, drug, or device that was denied or provide notification of the right to external review in accordance with paragraph (d) of this subsection whether the covered person has disenrolled or remains enrolled with the insurer.
- (f) If the covered person has disenrolled with the insurer, the insurer shall only be required to provide the treatment, service, drug, or device that was denied for a period not to exceed thirty (30) days, or provide the covered person the opportunity for external review.

The Independent External Review Program is hereby established in the *department[office]*. The program shall provide covered persons with a formal, independent review to address disagreements between the covered person and the covered person's insurer regarding an adverse determination made by the insurer, its designee, or a private review agent. This section and KRS 304.17A-623 and 304.17A-625 establish requirements and procedures governing external review and independent review entities.

An insurer, its designee, or agent shall disclose the availability of the external review process to the covered person in the insured's timely notice of an adverse determination or notice of a coverage denial as set forth in KRS 304.17A-607(1)(j) and in the denial letter required in KRS 304.17A-617(1) and (2)(e). For purposes of this section "coverage denial" means an insurer's determination that a service, treatment, drug, or device is specifically limited or excluded under the covered person's health benefit plan.

- (4) The covered person, an authorized person, or a provider with consent of the covered person shall submit a request for external review to the insurer within sixty (60) days, except as set forth in KRS 304.17A-619(1), of receiving notice that an adverse determination has been timely rendered under the insurer's internal appeal process. As part of the request, the covered person shall provide to the insurer or its designee written consent authorizing the independent review entity to obtain all necessary medical records from both the insurer and any provider utilized for review purposes regarding the decision to deny, limit, reduce or terminate coverage.
- (5) The covered person shall be assessed a one (1) time filing fee of twenty-five dollars (\$25) to be paid to the independent review entity and which may be waived if the independent review entity determines that the fee creates a financial hardship on the covered person. The ~~department~~~~office~~ shall contract with no less than two (2) independent review entities.
- (8) (a) If a dispute arises between an insurer and a covered person regarding the covered person's right to an external review, the covered person may file a complaint with the ~~department~~~~office~~. Within five (5) days of receipt of the complaint, the ~~department~~~~office~~ shall render a decision and may direct the insurer to submit the dispute to an independent review entity for an external review if it finds:

- (b) The complaint process established in this section shall be separate and distinct from, and shall in no way limit other grievance or complaint processes available to consumers under other provisions of the KRS or duly promulgated administrative regulations. This complaint process shall not limit, alter, or supplant the mechanisms for appealing coverage denials established in KRS 304.17A-617.
- (9) The external review process shall be confidential and shall not be subject to KRS 61.805 to 61.850 and KRS 61.870 to 61.884.
- (10) External reviews shall be conducted in an expedited manner by the independent review entity if the covered person is hospitalized, or if, in the opinion of the treating provider, review under the standard time frame could, in the absence of immediate medical attention, result in any of the following:

 - 4. In no event shall the sum of the first assessment provided for in subparagraph 2. of this paragraph and the second assessment provided for in subparagraph 3. of this paragraph be greater than one percent (1%) of the total amount of all assessable health benefit plan premiums earned during the prior assessment period.
 - (b) The first assessment shall be for the period from January 1, 2000, through December 31, 2000, and shall be paid on or before March 31, 2001. Subsequent annual assessments shall be paid on or before March 31 of the year following the assessment period.

➔Section 1294. KRS 304.18-070 is amended to read as follows:

Any insurer authorized to write health insurance in this state shall have the power to issue blanket health insurance. No such blanket policy, except as provided in subsection (4) of KRS 304.14-120, may be issued or delivered in this state unless a copy of the form thereof has been filed in accordance with KRS 304.14-120. Every such blanket policy shall contain provisions which in the opinion of the ~~commissioner~~~~executive director~~ are not less favorable to the policyholder and the individual insured than the following:

- (1) A provision that the policy, including indorsements and a copy of the application, if any, of the policyholder and the persons insured shall constitute the entire contract between the parties, and that any statement made by the policyholder or by a person insured shall in the absence of fraud be deemed a representation and not a warranty, and that no such statements shall be used in defense to a claim under the policy, unless contained in a written application. Such person, his *or her* beneficiary or assignee shall have the right to make a written request to the insurer for a copy of such application, and the insurer shall within fifteen (15) days after the receipt of such request at its principal office or any branch office of the insurer, deliver or mail to the person making such request a copy of such application. If such copy is not so delivered or mailed, the insurer shall be precluded from introducing such application as evidence in any action based upon or involving any statements contained therein.
- (2) A provision that written notice of sickness or of injury must be given to the insurer within twenty (20) days after the date when such sickness or injury occurred. Failure to give notice within such time shall not invalidate or reduce any claim if it is shown not to have been reasonably possible to give such notice and that notice was given as soon as was reasonably possible.
- (3) A provision that the insurer will furnish either to the claimant or to the policyholder for delivery to the claimant such forms as are usually furnished by it for filing proof of loss. If such forms are not furnished before the expiration of fifteen (15) days after giving such notice, the claimant shall be deemed to have complied with the requirements of the policy as to proof of loss upon submitting, within the time fixed in the policy for filing proof of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made.
- (4) A provision that in the case of a claim for loss of time for disability, written proof of such loss must be furnished to the insurer within ninety (90) days after the commencement of the period for which the insurer is liable, and that subsequent written proofs of the continuance of such disability must be furnished to the insurer at such intervals as the insurer may reasonably require, and that in the case of a claim for any other loss, written proof of such loss must be furnished to the insurer within ninety (90) days after the date of such loss. Failure to furnish such proof within such time shall not invalidate or reduce any claim if it is shown not to have been reasonably possible to furnish such proof and that such proof was furnished as soon as was reasonably possible.
- (5) A provision that all benefits payable under the policy other than benefits for loss of time will be payable immediately upon receipt of due written proof of such loss, and that, subject to due proof of loss, all accrued benefits payable under the policy for loss of time will be paid not less frequently than monthly during the continuance of the period for which the insurer is liable, and that any balance remaining unpaid at the termination of such period will be paid immediately upon receipt of such proof.
- (6) A provision that the insurer at its own expense shall have the right and opportunity to examine the person of the insured when and so often as it may reasonably require during the pendency of claim under the policy and also the right and opportunity to make an autopsy where it is not prohibited by law.
- (7) A provision that no action at law or in equity shall be brought to recover under the policy prior to the expiration of sixty (60) days after written proof of loss has been furnished in accordance with the requirements of the policy and that no such action shall be brought after the expiration of three (3) years after the time written proof of loss is required to be furnished.

- (4) If a group policy is replaced, by a succeeding insurer, persons under the continued group health insurance shall remain covered under the prior insurer's policy until it terminates in accordance with subsection (3) of this section.
- (5) The right to continue group health insurance coverage shall also be available:

The thirty-one (31) day period of subsection (2)(b) of this section shall not begin to run until the notice required by this paragraph is mailed or delivered to the last known address of the group member;
- (b) If a group member becomes entitled to obtain continued health insurance coverage, pursuant to this section, and the insurer fails to give the group member written notice of the right, pursuant to this subsection, the insurer shall give written notice to the former group member as soon as practicable after being notified of the insurer's failure to give written notice of continuation rights to the group member and such group member shall have an additional period within which to exercise continuation or conversion rights. The additional period shall expire sixty (60) days after written notice is received from the insurer. Written notice delivered or mailed to the last known address of the group member shall constitute the giving of notice for the purpose of this paragraph. If a group member makes application and pays the premium for continued health insurance coverage within the additional period allowed by this paragraph, the effective date of continued health insurance coverage shall be the date of termination from the group. However, nothing in this subsection shall require an insurer to give notice or provide continuation coverage to a former group member ninety (90) days after termination of the former group member's group coverage.

- (5) As to life insurance, any part of such assessment upon a member which remains unpaid following notice of assessment, demand for payment, and lapse of a reasonable waiting period as specified in such notice, may, if approved by the **commissioner**~~[executive director]~~ as being in the best interests of the insurer and its members, be secured by placing a lien upon the cash surrender values and accumulated dividends held by the insurer to the credit of the member.

➔Section 1335. KRS 304.24-250 is amended to read as follows:

- (1) A domestic mutual insurer while maintaining unimpaired surplus funds not less in amount than the minimum paid-in capital stock and surplus required to be maintained by a domestic stock insurer, formed under this code, for authority to transact the same kinds or kind of insurance, may, upon receipt of the **commissioner's**~~[executive director's]~~ order so authorizing, extinguish the contingent liability to assessment of its members as to all its policies in force and may omit provisions imposing contingent liability in all policies currently issued.
- (2) The **commissioner**~~[executive director]~~ shall not authorize a domestic insurer to extinguish the contingent liability of any of its members or in any of its policies to be issued, unless it qualifies to and does extinguish such liability of all its members and in all such policies for all kinds of insurance transacted by it.
- (3) A foreign or alien mutual insurer may issue nonassessable policies to its members in this state pursuant to its charter and the laws of its domicile.

➔Section 1336. KRS 304.24-260 is amended to read as follows:

- (1) The **commissioner**~~[executive director]~~ shall revoke the authority of a domestic mutual insurer to issue policies without contingent liability if
 - (a) At any time the insurer's assets are less than the sum of its liabilities and the surplus required for such authority, or
 - (b) The insurer, by resolution of its board of directors approved by a majority of its members, requests that the authority be revoked.
- (2) During the absence of such authority the insurer shall not issue any policy without providing therein for the contingent liability of the policyholder, nor renew any policy which is then in force without indorsing the same to provide for such contingent liability.

➔Section 1337. KRS 304.24-280 is amended to read as follows:

- (1) No insurer shall hereafter make any contract whereby any person is granted or is to enjoy in fact the management of the insurer to the substantial exclusion of its board of directors, or to have the controlling or preemptive right to produce substantially all insurance business for the insurer, or, if an officer, director or otherwise part of the insurer's management, is to receive any commission, bonus or compensation based upon the volume of the insurer's business or transactions, unless the contract is filed with and approved by the **commissioner**~~[executive director]~~. The contract shall be deemed approved unless disapproved by the **commissioner**~~[executive director]~~ within twenty (20) days after date of filing, subject to such reasonable

extension of time as the **commissioner**~~[executive director]~~ may require by notice given within such twenty (20) days. Any disapproval shall be delivered to the insurer in writing, stating the grounds therefor.

- (2) Any such contract shall provide that any such manager or producer of its business shall within ninety (90) days after expiration of each calendar year furnish the insurer's board of directors a written statement of amounts received under or on account of the contract and amounts expended thereunder during such calendar year, including the emoluments received therefrom by the respective directors, officers, and other principal management personnel of the manager or producer, and with such classification of items and further detail as the insurer's board of directors may reasonably require.
- (3) The **commissioner**~~[executive director]~~ shall disapprove any such contract if he *or she* finds that it:
 - (a) Subjects the insurer to excessive charges; or
 - (b) Is to extend for any unreasonable length of time; or
 - (c) Does not contain fair and adequate standards of performance, or
 - (d) Contains other inequitable provision or provisions which impair the proper interests of stockholders or policyholders of the insurer.
- (4) The **commissioner**~~[executive director]~~ may, after a hearing held thereon, withdraw his *or her* approval of any such contract theretofore approved by him *or her*, if he *or she* finds that the bases of his *or her* original approval no longer exist, or that the contract has in actual operation, shown itself to be subject to disapproval on any of the grounds referred to in subsection (3) of this section.
- (5) This section does not apply as to contracts entered into prior to June 18, 1970, nor to extensions or amendments to such contracts, nor to relationships and agreements between parents, subsidiaries, or affiliates.

➔Section 1338. KRS 304.24-290 is amended to read as follows:

The insurer shall establish and maintain in this state its principal office and place of business. The insurer's principal records shall be kept either at its principal office or, with the approval of the **commissioner**~~[executive director]~~, at its place of business in any other state where it, or its affiliate as defined in subsection (4) of KRS 304.37-010, is engaged in the business of entering into contracts of insurance.

➔Section 1339. KRS 304.24-300 is amended to read as follows:

- (1) A domestic stock or mutual insurer may borrow money to defray the expenses of its organization, provide it with surplus funds, or for any purpose of its business, upon a written agreement that such money is required to be repaid only out of the insurer's surplus in excess of that stipulated in such agreement. The agreement may provide for interest, which interest shall or shall not constitute a liability of the insurer as to its funds other than such excess of surplus, as stipulated in the agreement. No commission or promotion expense shall be paid in connection with any such loan, except that if public offering and sale is made of the loan securities, the insurer may pay the reasonable costs thereof approved by the **commissioner**~~[executive director]~~.
- (2) Money so borrowed, together with the interest thereon if so stipulated in the agreement, shall not form a part of the insurer's legal liabilities except as to its surplus in excess of the amount thereof stipulated in the agreement, or be the basis of any setoff; but until repaid, financial statements filed or published by the insurer shall show as a footnote thereto the amount thereof then unpaid together with any interest thereon accrued but unpaid. A surplus note shall be reported as surplus and not as debt only if the surplus note contains the following provisions:
 - (a) Subordination to policyholder;
 - (b) Subordination to claimant and beneficiary claims;
 - (c) Subordination to all other classes of creditors other than surplus note holders; and
 - (d) Interest payments and principal repayments require prior approval of the state of domicile.
- (3) Any such loan shall be subject to the **commissioner's**~~[executive director's]~~ approval. The insurer shall in advance of the loan, file with the **commissioner**~~[executive director]~~ a statement of the purpose of the loan and a copy of the proposed loan agreement. The loan and agreement shall be deemed approved unless within fifteen (15) days after date of such filing the insurer is notified of the **commissioner's**~~[executive director's]~~

disapproval and the reasons therefor. The ***commissioner***~~[executive director]~~ shall disapprove any proposed loan or agreement if he *or she* finds the loan is unnecessary or excessive for the purpose intended, or that the terms of the loan agreement are not fair and equitable to the parties and to other similar lenders, if any, to the insurer, or that the information so filed by the insurer is inadequate.

- (4) Any such loan or substantial portion thereof shall be repaid by the insurer when no longer reasonably necessary for the purpose originally intended. No repayment of such a loan shall be made unless approved in advance by the ***commissioner***~~[executive director]~~.
- (5) This section shall not apply to other kinds of loans obtained by the insurer in ordinary course of business, nor to loans secured by pledge or mortgage of assets.

➔Section 1340. KRS 304.24-350 is amended to read as follows:

- (1) If the assets of an insurer at any time are less than its liabilities, including its capital stock as a liability, if a stock insurer, or its minimum required surplus if a mutual insurer, the ***commissioner***~~[executive director]~~ shall forthwith determine the amount of such deficiency and give notice to the insurer to make good the deficiency within ninety (90) days after the giving of such notice.
- (2) The insurer may cure the deficiency by a decrease of its capital stock or by other lawful means. The deficiency shall be made good in cash or in assets eligible under this code for investment of the insurer's funds or by decrease of the insurer's capital stock to an amount not below the minimum required for the kinds of insurance to be thereafter transacted.
- (3) If the deficiency is not made good and proof thereof filed with the ***commissioner***~~[executive director]~~ within such ninety-day period, the ***commissioner***~~[executive director]~~ shall revoke the insurer's certificate of authority, the insurer shall be deemed insolvent, and shall be proceeded against as authorized by this code.

➔Section 1341. KRS 304.24-360 is amended to read as follows:

- (1) A stock insurer may become a mutual insurer under such reasonable plan and procedure as may be approved by the ***commissioner***~~[executive director]~~ after a hearing thereon.
- (2) The ***commissioner***~~[executive director]~~ shall not approve any such plan or procedure of mutualization unless:
 - (a) ***The commissioner***~~[He]~~ finds that it is equitable to stockholders and policyholders;
 - (b) It is subject to approval by the holders of not less than three-fourths (3/4) of the insurer's outstanding capital stock having voting rights, and by not less than two-thirds (2/3) of the insurer's policyholders, who vote on such plan in person, by proxy, or by mail, pursuant to such reasonable notice and procedure as may be approved by the ***commissioner***~~[executive director]~~;
 - (c) If a life insurer, the right to vote thereon is limited to holders of policies, other than term or group policies, whose policies have been in force for more than one (1) year;
 - (d) Mutualization will result in retirement of shares of the insurer's capital stock at a price not in excess of the fair market value thereof as determined by competent disinterested appraisers;
 - (e) The plan provides for the purchase of the shares of any dissenting stockholder in the same manner and subject to the same applicable conditions as provided by KRS Chapter 271B as to rights of dissenting stockholders with respect to merger or consolidation of business corporations;
 - (f) The plan provides for definite conditions to be fulfilled by a designated early date upon which such mutualization will be deemed effective; and
 - (g) The mutualization leaves the insurer with surplus funds reasonably adequate for the security of its policyholders and to enable it to continue successfully in business in the states in which it is then authorized to transact insurance and for the kinds of insurance included in its certificates of authority in such states.
- (3) This section shall not apply to mutualization under order of court pursuant to rehabilitation or reorganization of an insurer under Subtitle 33.

➔Section 1342. KRS 304.24-370 is amended to read as follows:

A domestic stock insurer may convert to a Kentucky ordinary business corporation through the following procedures:

- (1) The insurer shall give the **commissioner**~~[executive director]~~ written notice of its intent to convert to an ordinary business corporation;
- (2) The insurer shall bulk reinsure all of its insurance, if any, in force, with another authorized insurer under a bulk reinsurance agreement approved by the **commissioner**~~[executive director]~~ as provided in KRS 304.24-420. The agreement of bulk reinsurance may be made contingent upon approval of stockholders as provided in subsection (4) of this section;
- (3) The insurer shall set aside funds in a special reserve in such amount and subject to such administration as may be found by the **commissioner**~~[executive director]~~ to be reasonable and adequate for the purpose, for payment of all obligations, if any, of the insurer incurred by it and remaining unpaid under its insurance contracts prior to the effective date of such bulk reinsurance, or make other reasonable disposition satisfactory to the **commissioner**~~[executive director]~~ for such payment;
- (4) The proposed conversion shall be approved by affirmative vote of not less than two-thirds (2/3) of each class of outstanding securities of the insurer having voting rights, at a special meeting of holders of such securities called for the purpose; and at such meeting and by a like vote the certificate of organization of the corporation shall be amended to remove therefrom the power to transact an insurance business as an insurer, to provide for such new powers and purposes authorized by the general corporation laws of this state as may be consistent with the purposes for which the corporation is thereafter to exist, and to make such further alterations in the certificate of organization as may be required under such general corporation laws of an ordinary business corporation;
- (5) Security holders of the corporation who dissent from such proposed conversion shall have the same applicable rights as exist under such general corporation laws with respect to dissent from a proposed merger of the corporation; and
- (6) Upon compliance with subsections (1) to (4) of this section, inclusive, and upon filing of the amendment of the certificate of organization with the **commissioner**~~[executive director]~~ and otherwise as required by laws applicable to ordinary business corporations, the conversion shall thereupon become effective.

➔Section 1343. KRS 304.24-390 is amended to read as follows:

- (1) A domestic insurer may merge or consolidate with one (1) or more domestic or foreign insurers, by complying with the applicable provisions of the statutes of this state governing the merger or consolidation of corporations formed for profit, but subject to subsections (2), (3) and (4) of this section.
- (2) No such merger or consolidation shall be effectuated unless in advance thereof the plan and agreement therefor have been filed with the **commissioner**~~[executive director]~~ and approved in writing by him *or her* after a hearing thereon. The **commissioner**~~[executive director]~~ shall give such approval within a reasonable time after such filing unless *the commissioner*~~[he]~~ finds such plan or agreement:
 - (a) Is contrary to law; or
 - (b) Inequitable to the stockholders or members of the insurers involved; or
 - (c) Would substantially reduce the security of and service to be rendered to policyholders of the domestic insurer in this state or elsewhere; or
 - (d) Would materially tend to lessen competition in the insurance business in this state or elsewhere as to the kinds of insurance involved, or would materially tend to create a monopoly as to such business; or
 - (e) Is subject to other material and reasonable objections.
- (3) No director, officer, agent or employee of any insurer party to such merger or consolidation, or member of the family of such director, officer, agent, or employee, shall receive any fee, commission, compensation or other valuable consideration whatsoever for in any manner aiding, promoting or assisting therein except as set forth in such plan or agreement.
- (4) If members of an insurer are entitled to vote, two-thirds (2/3) of the votes cast by such members of such insurer, as are represented at the meeting in person or by proxy, is necessary for the approval of any such agreement or plan.

- (5) If the ***commissioner***~~[executive director]~~ does not approve any such plan or agreement he ***or she*** shall so notify the insurer in writing specifying his ***or her*** reasons therefor.

➔Section 1344. KRS 304.24-400 is amended to read as follows:

- (1) A domestic stock insurer shall not acquire a controlling interest in the shares of another stock insurer by an exchange of securities or partly in exchange for securities and partly for cash or property, unless the insurer has first submitted the plan for such acquisition and exchange to the ***commissioner***~~[executive director]~~ and the ***commissioner***~~[executive director]~~ has approved the same.
- (2) The ***commissioner***~~[executive director]~~ shall not so approve unless he ***or she*** finds the plan for such acquisition and exchange and the terms and conditions thereof to be fair and equitable to all parties concerned therein, after a hearing to which all persons to whom it is proposed to issue securities in such exchange shall have the right to appear.
- (3) Notice and conduct of such hearing shall be as provided in Subtitle 2.

➔Section 1345. KRS 304.24-415 is amended to read as follows:

- (1) (a) Every insurer domiciled in this state shall file a report with the ***commissioner***~~[executive director]~~ disclosing material acquisitions and dispositions of assets or material nonrenewals, cancellations, or revisions of ceded reinsurance agreements unless the acquisitions and dispositions of assets or material nonrenewals, cancellations, or revisions of ceded reinsurance agreements have been submitted to the ***commissioner***~~[executive director]~~ for review, approval, or information purposes pursuant to other provisions of this chapter.
- (b) The report required in paragraph (a) of this subsection is due within fifteen (15) days after the end of the calendar month in which any of the foregoing transactions occur.
- (c) One (1) complete copy of the report, including any exhibits or other attachments, shall be filed with:
 1. The insurance department of the insurer's state of domicile; and
 2. The National Association of Insurance Commissioners.
- (d) All reports obtained by or disclosed to the ***commissioner***~~[executive director]~~ pursuant to this section shall be given confidential treatment and shall not be subject to subpoena and shall not be made public by the ***commissioner***~~[executive director]~~, the National Association of Insurance Commissioners, or any other person, except to insurance departments of other states, without the prior written consent of the insurer to which it pertains unless the ***commissioner***~~[executive director]~~, after giving the insurer who would be affected notice and opportunity to be heard, determines that the interest of policyholders, shareholders, or the public will be served by publication, in which event the ***commissioner***~~[executive director]~~ may publish all or any part in the manner the ***commissioner***~~[executive director]~~ may deem appropriate.
- (2) (a) No acquisitions or dispositions of assets need be reported pursuant to subsection (1) of this section if the acquisitions or dispositions are not material. For purposes of this section, a material acquisition, or the aggregate of any series of related acquisitions during any thirty (30) day period, is one that is nonrecurring and not in the ordinary course of business and involves more than five percent (5%) of the reporting insurer's total admitted assets as reported in its most recent statutory statement filed with the insurance department of the insurer's state of domicile.
- (b)
 1. Asset acquisitions subject to this section include every purchase, lease exchange, merger, consolidation, succession, or other acquisition other than the construction or development of real property by or for the reporting insurer or the acquisition of materials for such purpose.
 2. Asset dispositions subject to this section include every sale, lease, exchange, merger, consolidation, mortgage, hypothecation, assignment (whether for the benefit of creditors or otherwise), abandonment, destruction, or other disposition.
- (c)
 1. The following information is required to be disclosed in any report of a material acquisition or disposition of assets:
 - a. Date of the transaction;
 - b. Manner of acquisition or disposition;

- c. Description of the assets involved;
 - d. Nature and amount of the consideration given or received;
 - e. Purpose of, or reason for, the transaction;
 - f. Manner by which the amount of consideration was determined;
 - g. Gain or loss recognized or realized as a result of the transaction; and
 - h. Names of the persons from which the assets were acquired or to whom they were disposed.
2. Insurers are required to report material acquisitions and dispositions on a nonconsolidated basis unless the insurer is part of a consolidated group of insurers which utilizes a pooling arrangement or one hundred percent (100%) reinsurance agreement that affects the solvency and integrity of the insurer's reserves and the insurer ceded substantially all of its direct and assumed business to the pool. An insurer is deemed to have ceded substantially all of its direct and assumed business to a pool if the insurer has less than one million dollars (\$1,000,000) total direct plus assumed written premiums during a calendar year that are not subject to a pooling arrangement and the net income of the business not subject to the pooling arrangement represents less than five percent (5%) of the insurer's capital and surplus.
- (3) (a) No nonrenewals, cancellations, or revisions of ceded reinsurance agreements need be reported pursuant to subsection (1) of this section if the nonrenewals, cancellations or revisions are not material. For purposes of this section, a material nonrenewal, cancellation, or revision is one that affects:
- 1. As respects property and casualty business, including accident and health business written by a property and casualty insurer:
 - a. More than fifty percent (50%) of the insurer's total ceded written premium; or
 - b. More than fifty percent (50%) of the insurer's total ceded indemnity and loss adjustment reserves.
 - 2. As respects life, annuity, and accident and health business, more than fifty percent (50%) of the total reserve credit taken for business ceded, on an annualized basis, as indicated in the insurer's most recent annual statement.
 - 3. As respects either property and casualty or life, annuity, and accident and health business, either of the following events shall constitute a material revision which must be reported:
 - a. An authorized reinsurer representing more than ten percent (10%) of a total cession is replaced by one (1) or more unauthorized reinsurers; or
 - b. Previously established collateral requirements have been reduced or waived as respects one (1) or more unauthorized reinsurers representing collectively more than ten percent (10%) of a total cession.
- (b) No filing shall be required if:
- 1. As respects property and casualty business, including accident and health business written by a property and casualty insurer, the insurer's total ceded written premium represents, on an annualized basis, less than ten percent (10%) of its total written premium for direct and assumed business; or
 - 2. As respects life, annuity, and accident and health business, the total reserve credit taken for business ceded represents, on an annualized basis, less than ten percent (10%) of the statutory reserve requirements prior to any cession.
- (c) The following information is required to be disclosed in any report of a material nonrenewal, cancellation, or revision of ceded reinsurance agreements:
- 1. Effective date of the nonrenewal, cancellation, or revision;
 - 2. The description of the transaction with an identification of the initiator thereof;

3. Purpose of, or reason for, the transaction; and
 4. If applicable, the identity of the replacement reinsurers.
- (d) Insurers are required to report all material nonrenewals, cancellations, or revisions of ceded reinsurance agreements on a nonconsolidated basis unless the insurer is part of a consolidated group of insurers which utilizes a pooling arrangement or one hundred percent (100%) reinsurance agreement that affects the solvency and integrity of the insurer's reserves and the insurer ceded substantially all of its direct and assumed business to a pool if the insurer has less than one million dollars (\$1,000,000) total direct plus assumed written premiums during a calendar year that are not subject to a pooling arrangement and the net income of the business not subject to the pooling arrangement represents less than five percent (5%) of the insurer's capital and surplus.

➔Section 1346. KRS 304.24-420 is amended to read as follows:

- (1) A domestic insurer may reinsure all or substantially all of its business in force, or all or substantially all of a major class thereof, with another insurer, stock or mutual, by an agreement of bulk reinsurance after compliance with this section. No such agreement shall become effective unless filed with the **commissioner**~~executive director~~ and approved by him **or her** in writing.
- (2) The **commissioner**~~executive director~~ shall approve such agreements within a reasonable time after filing if he **or she** finds:
 - (a) That the plan and agreement are fair and equitable to each insurer and to the policyholders involved;
 - (b) That the reinsurance, if effectuated, would not substantially reduce the protection or service to the policyholders of any domestic insurer involved;
 - (c) That the agreement embodies adequate provisions by which the reinsuring insurer becomes liable to the original insureds for any loss or damage occurring under the policies reinsured in accordance with the original terms of such policies, and that the reinsuring insurer shall duly furnish each such insured with a certificate evidencing such assumption of liability;
 - (d) That the assuming reinsurer is authorized to transact such insurance in this state, or is qualified as for such authorization and will appoint the **commissioner**~~executive director~~ and his **or her** successors as its irrevocable attorney for service of process, so long as any policy so reinsured or claim thereunder remains in force or outstanding;
 - (e) That such reinsurance would not materially tend to lessen competition in the insurance business in this state or elsewhere as to the kinds of insurance involved, and would not materially tend to create a monopoly as to such business; and
 - (f) That the proposed bulk reinsurance is free of other reasonable objections.
- (3) If the **commissioner**~~executive director~~ does not so approve he **or she** shall forthwith notify each insurer involved in writing, specifying his **or her** reasons therefor.
- (4) If for reinsurance of all or substantially all of the business in force of a mutual insurer at a time when the insurer's surplus is not impaired, the plan and agreement for such reinsurance must be approved by vote of not less than two-thirds (2/3) of the mutual insurer's members voting thereon at a meeting of members called for the purpose, pursuant to such reasonable notice and procedure as is provided for in the agreement. If a life insurer, right to vote may be limited to members whose policies are other than term or group policies, and have been in effect for more than one (1) year.
- (5) No director, officer, agent or employee of any insurer party to such reinsurance, nor any other person shall receive any compensation for arranging such bulk reinsurance other than as provided in the agreement submitted to and approved by the **commissioner**~~executive director~~.

➔Section 1347. KRS 304.24-430 is amended to read as follows:

- (1) A solvent domestic stock or mutual insurer, which then is not the subject of a delinquency proceeding under Subtitle 33, may voluntarily dissolve under a plan therefor in writing authorized by its board of directors, approved or adopted by stockholders or members as hereinafter provided, and filed with and approved by the **commissioner**~~executive director~~. The plan shall provide for the disposition, by bulk reinsurance or other lawful procedure, of all insurance in force in the insurer, for full discharge of all obligations of the insurer, and designate or provide for trustees to conduct and administer the settlement of the insurer's affairs.

- (2) The **commissioner**~~[executive director]~~ shall approve the plan unless found by him **or her** to be unlawful or unfair or inequitable or prejudicial to the interests of stockholders, policyholders or creditors.
- (3) If a mutual insurer, the plan must have been approved by vote of not less than two-thirds (2/3) of the policyholders voting thereon at a special meeting of such policyholders called and held for the purpose pursuant to such reasonable notice and information as the **commissioner**~~[executive director]~~ may have approved.
- (4) If a stock insurer, the plan must have been adopted by vote of not less than two-thirds (2/3) of all outstanding voting securities of the insurer at a special meeting of such security holders called and held for the purpose.
- (5) Following approval of the dissolution and plan therefor by members or adoption thereof by stockholders as above provided, and approval by the **commissioner**~~[executive director]~~, the trustees designated or provided for in the plan shall proceed to execute the plan. When all liabilities of the corporation have been discharged or otherwise adequately provided for, and all assets of the corporation have been liquidated and distributed in accordance with the plan, the trustees shall so certify in quadruplicate under oath in writing. The trustees shall deliver the original and the three (3) copies of such certificate to the **commissioner**~~[executive director]~~. The **commissioner**~~[executive director]~~ shall make such examination of the affairs of the corporation, and of the liquidation and distribution of its assets and discharge of or provision for its liabilities as **the commissioner**~~he~~ deems advisable. If upon such examination **the commissioner**~~he~~ finds that the facts set forth in the certificate of the trustees are true, **the commissioner**~~he~~ shall inscribe his **or her** approval on the certificate, file the original thereof so inscribed in the office of the Secretary of State, file copy thereof in the **department**~~office~~, and return the remaining two (2) copies to the trustees. The trustees shall file one (1) of such copies for recording in the office of the county clerk of the county in which the corporation's principal place of business is located, and retain the fourth copy for the corporate files.
- (6) Upon filing the certificate of the trustees with the Secretary of State as provided in subsection (5) of this section, the Secretary of State shall issue to the trustees his **or her** certificate of dissolution, and the corporate existence of the corporation shall thereupon forever terminate. The Secretary of State shall charge and collect a fee of twenty-five dollars (\$25) for the filing of the trustee's certificate, and shall deposit the same with the State Treasurer for credit to the general fund.

➔Section 1348. KRS 304.24-440 is amended to read as follows:

- (1) Upon any liquidation of a domestic mutual insurer, its assets remaining after discharge of its indebtedness, policy obligations, repayment of contributed or borrowed surplus, if any, and expenses of administration, shall be distributed to currently existing persons who had been members of the insurer for at least one (1) year and who were its members at any time within thirty-six (36) months next preceding the date such liquidation was authorized or ordered, or date of last termination of the insurer's certificate of authority whichever date is the earlier; except, that if the **commissioner**~~[executive director]~~ has reason to believe that those in charge of the management of the insurer have caused or encouraged the reduction of the number of members of the insurer in anticipation of liquidation and for the purpose of reducing thereby the number of persons who may be entitled to share in distribution of the insurer's assets, **the commissioner**~~he~~ may enlarge the thirty-six (36) month qualification period above provided for by such additional period as he **or she** may deem to be reasonable.
- (2) The insurer shall make a reasonable classification of its policies so held by such members, and a formula based upon such classification for determining the equitable distributive share of each such member. Such classification and formula shall be subject to the approval of the **commissioner**~~[executive director]~~.

➔Section 1349. KRS 304.24-500 is amended to read as follows:

- (1) The purpose of this section is to:
 - (a) Provide a means whereby any insurer organized under the laws of any other state may become a domestic insurer;
 - (b) Provide a means for any domestic insurer to transfer its domicile to another state; and
 - (c) Provide a means for the continuation of a certificate of authority and other approvals pertaining to any foreign insurer which transfers its corporate domicile to another state by merger, consolidation, or any other lawful method.

- (2) Any insurer which is organized under the laws of any other state and is admitted to do business in this state for the purpose of writing insurance may, upon approval of the **commissioner**~~{executive director}~~, become a domestic insurer by complying with all of the requirements of this chapter relating to the organization and authorization of a domestic insurer of the same type and by designating its principal place of business at a place in this state. The domestic insurer shall be entitled to like certificates of authority to transact business in this state, and shall be subject to the authority and jurisdiction of this state.
- (3) Any domestic insurer may, upon approval of the **commissioner**~~{executive director}~~, transfer its domicile to any other state in which it is admitted to transact the business of insurance. Upon the transfer, the insurer shall cease to be a domestic insurer, and shall be authorized to transact insurance business in this state if qualified as a foreign insurer. The **commissioner**~~{executive director}~~ shall approve the proposed transfer unless the **commissioner**~~{executive director}~~ shall determine the transfer is not in the interest of the policyholders of this state.
- (4) The certificate of authority, agents' appointments and licenses, rates, and other items which the **commissioner**~~{executive director}~~ allows, in the **commissioner's**~~{executive director's}~~ discretion, which are in existence at the time any insurer authorized to transact the business of insurance in this state transfers its corporate domicile to this or any other state by merger, consolidation, or merger pursuant to KRS 271B.11-070, or any other lawful method, shall continue in full force and effect upon the transfer if the insurer remains duly qualified to transact the business of insurance in this state. All outstanding policies of any transferring insurer shall remain in full force and effect and need not be endorsed as to the new name of the insurer or its new location unless so ordered by the **commissioner**~~{executive director}~~. Every transferring insurer shall file new policy forms with the **commissioner**~~{executive director}~~ on or before the effective date of the transfer but may use existing policy forms with appropriate endorsements if allowed by, and under such conditions as approved by, the **commissioner**~~{executive director}~~. However, every transferring insurer shall notify the **commissioner**~~{executive director}~~ in writing of the details of the proposed transfer and shall file promptly appropriate amendments to corporate documents required to be filed with the **commissioner**~~{executive director}~~.
- (5)
 - (a) Any insurer transferring its domicile in accordance with subsections (2) or (3) of this section shall file an application for redomestication and transfer of domicile with the **commissioner**~~{executive director}~~. This transfer of domicile must be approved by order of the **commissioner**~~{executive director}~~. If the **commissioner**~~{executive director}~~ does not approve the transfer of domicile, the applicant insurer may request a hearing in accordance with KRS 304.2-310(2)(b).

➔Section 1363. KRS 304.25-030 is amended to read as follows:

- (1) With the approval of the **commissioner**~~executive director~~, any domestic organization may, at any time, adopt, in the same manner as in the case of ordinary bylaws, emergency bylaws to become operative during a period of acute emergency. Emergency bylaws may contain provisions with respect to the number of directors capable of acting which shall constitute its board, the number of such directors which shall constitute a quorum at a meeting of the board, the number of votes necessary for action by such board, the manner in which vacancies on the board shall be filled, the line of succession of its officers, and the interim management of the affairs of the insurance organization; such provisions, if approved by the **commissioner**~~executive director~~, need not comply with the requirement of the charter of such domestic organization or of the insurance or incorporation laws of this state.

Failure of any director or acting director to receive actual notice of a meeting of directors and acting directors shall not affect the power of the directors and acting directors present at such meeting to exercise the powers of an emergency board of directors as prescribed in this section.  - (e) Call meetings. If it shall appear to an emergency board of directors that a quorum of the board cannot be assembled within a reasonable time, to call a meeting of the stockholders, policyholders or members of the insurance organization to be held as soon as the circumstances may reasonably permit, at a place to be designated by the emergency board of directors within this state or a contiguous state, for the purpose of electing directors to fill vacancies on the board, but for no other purpose, and to propose nominees for such election. Any such meetings of stockholders, policyholders or members shall be held upon notice given in accordance with the charter of the organization and applicable law other than this section.
- (4) As soon as practicable after each meeting of an emergency board of directors, the person who presided thereat shall notify the **commissioner**~~executive director~~ in writing of the time and place of such meeting, of the manner in which notice thereof was given, of the persons present and of all actions taken at such meeting.
 - (5) No person prohibited by law or by the charter of a domestic insurance organization from serving as a member of its board shall be eligible to serve as an acting director except that no person shall be disqualified to serve as an acting director by reason of his **or her** not being a stockholder, policyholder or member of such insurance organization, by reason of his **or her** not being a resident of this state or of a contiguous state, or by reason of the number of directors or acting directors who are officers, acting officers or employees of the insurance organization. Any person may serve as an acting director of a fund who is a director, acting director, officer or acting officer of an organization which is a party to the agreement creating the fund. No oath of acting directors shall be required.
 - (6) Acting directors elected under this section or appointed under KRS 304.25-060 shall be entitled to vote at all meetings of emergency board of directors equally with directors. Acting directors shall not be entitled to take part in the deliberations or to vote at any meeting of the board which is duly convened in accordance with the applicable provisions of its charter and of law other than this subtitle and at which a quorum is present. Each acting director shall serve until the director or acting director in whose place he **or she** was elected or appointed shall attend the meeting of the board or until the director is duly elected to fill the vacancy in which such acting director has been serving, whichever event occurs earlier. An acting director shall be entitled to the compensation, if any, payable to a director.
 - (7) Acting officers elected pursuant to this section shall have powers and duties and receive such compensation as may from time to time be determined by the emergency board of directors. Each acting officer shall serve until the officer in whose place he **or she** was elected shall appear and assume his **or her** duties or until his **or her** successor officer or acting officer shall be elected, whichever event occurs earlier.

- (8) This section shall not be deemed applicable during a period of acute emergency to any domestic organization operating in accordance with and under emergency bylaws theretofore approved by the ***commissioner***~~{executive director}~~.

➔Section 1365. KRS 304.25-050 is amended to read as follows:

- (1) Designate additional acting directors. If at any time during an acute emergency, the number of directors or acting directors of a domestic insurance organization who are capable of acting shall be less than three (3), as determined by the ***commissioner***~~{executive director}~~ after a reasonable investigation, the ***commissioner***~~{executive director}~~ shall have the power to designate additional acting directors in such number as will bring to three (3) the number of directors and acting directors who are capable of acting.
- (2) Resolve controversies. To resolve controversy as to the power of any group of persons purporting to act as an emergency board of directors so to act, the ***commissioner***~~{executive director}~~ shall, upon a determination that such action will tend to promote the safe and sound and orderly conduct of the business of any domestic insurance organization, have power to issue orders declaring that any such group shall or shall not have the powers of an emergency board of directors, or confirming, modifying or vacating in whole or in part any action taken or purportedly taken by any such group or by removing any acting director.
- (3)
 - (a) Declare provisions of law operative or inoperative. At any time after an attack, upon his determination that such action will tend to promote certainty as to the powers of insurance organizations or individuals pursuant to this subtitle or that such action is desirable to enable insurance organizations to take preparatory precautions prior to the occurrence of an acute emergency, the ***commissioner***~~{executive director}~~ shall have power to declare that any provision of this subtitle which he may specify shall be operative with respect to any domestic insurance organization or to the Kentucky business of any other insurance organization which he may designate. Upon such declaration such organization and its directors, officers, acting directors and acting officers shall have all powers conferred by this subtitle. The failure of the ***commissioner***~~{executive director}~~ so to declare shall not be deemed to limit the powers of any organization or its directors, officers, acting directors or acting officers where an acute emergency exists in fact.
 - (b) At any time after the commencement of an acute emergency or after the ***commissioner***~~{executive director}~~ shall have declared any provision of this subtitle operative under this subsection upon his determination that an insurance organization is able, in whole or in part, to carry on its business in compliance with its charter and the laws, other than this subtitle, the ***commissioner***~~{executive director}~~ shall have power to declare that any provision of this subtitle which he may specify shall be inoperative with respect to any domestic insurance organization or to the Kentucky business of any other insurance organization which he may designate. Upon such declaration, such organization shall be governed by its charter and the provisions of law other than this subtitle, except insofar as they remain inoperative.
- (4) Possession of business and property. Upon the determination that, as a result of an acute emergency, the business and affairs of an insurance organization cannot otherwise be conducted in a safe and sound manner, the ***commissioner***~~{executive director}~~ may forthwith take possession of the business and property of the insurance organization within this state or, if a domestic insurance organization, its business and property wherever situated. This subtitle shall be applicable in any case in which the ***commissioner***~~{executive director}~~ takes possession of an insurance organization under this subsection as though the insurance organization were an insurer of which the ***commissioner***~~{executive director}~~ had taken possession under this subtitle, except that no such provision shall be applicable which the ***commissioner***~~{executive director}~~ shall have declared inapplicable under this subsection. The ***commissioner***~~{executive director}~~ shall have power to declare inapplicable any such provision upon his determination that the same is inappropriate or unnecessary to protect the interest of the public or the stockholders or creditors of the insurance organization, in view of the acute emergency and the nature of the organization.
- (5) When powers exercised. The powers given the ***commissioner***~~{executive director}~~ by subsections (2) and (4) of this section shall be exercised by him only in the event that there is no court of competent jurisdiction available to which an application can be made for an order permitting him to exercise such powers with respect to a particular insurance organization. The powers conferred by subsection (4) of this section shall not be exercised in a case of an insurance organization which is not insolvent within the meaning of this subtitle, unless the ***commissioner***~~{executive director}~~ finds that such insurance organization lacks personnel able to manage its business in the interest of the public, stockholders and policyholders.

- (6) Regulations. The ***commissioner***~~[executive director]~~ shall have power to issue general and specific regulations, directives and orders consistent with and in furtherance of the purpose of this subtitle.

➔Section 1366. KRS 304.25-060 is amended to read as follows:

- (2) Powers of board. During an acute emergency the board of a domestic insurance organization which has adopted emergency bylaws approved by the ***commissioner***~~[executive director]~~ shall have all of the powers conferred by such bylaws, and no other or different powers with respect to the subject matter of this subtitle, and the board of a domestic insurance organization which has not adopted emergency bylaws approved by the ***commissioner***~~[executive director]~~ shall have all of the powers of an emergency board of directors as the same are provided for under this subtitle.

- (2) Suit to recover such profit may be instituted at law or in equity in any court of competent jurisdiction by the insurer, or by the owner of any security of the insurer in the name and in behalf of the insurer if the insurer fails or refuses to bring such suit within sixty (60) days after request or fails diligently to prosecute the same thereafter; but no such suit shall be brought more than two (2) years after the date such profit was realized.
- (3) This section shall not be construed to cover any transaction where such beneficial owner was not such both at the time of the purchase and sale, or the sale and purchase, of the security involved, or any transaction or transactions which the ***commissioner***~~[executive director]~~ by rules and regulations may exempt as not comprehended within the purpose of this section.

- (3) The surplus deposits of subscribers shall not be charged as a liability.
- (4) All premium deposits delinquent less than ninety (90) days shall be allowed as assets.

- (2) Upon impairment of such surplus, the **commissioner**~~executive director~~ shall forthwith revoke the certificate. Such revocation shall not render subject to contingent liability any policy then in force and for the remainder of the period for which the premium has theretofore been paid; but after such revocation no policy shall be issued or renewed without providing for contingent assessment liability of the subscriber.
- (3) The **commissioner**~~executive director~~ shall not authorize a domestic reciprocal insurer so to extinguish the contingent liability of any of its subscribers or in any of its policies to be issued, unless it qualifies to and does extinguish such liability of all its subscribers and in all such policies for all kinds of insurance transacted by it. Except, that if required by the laws of another state in which the insurer is transacting insurance as an authorized insurer, the insurer may issue policies providing for the contingent liability of such of its subscribers as may acquire such policies in such state, and need not extinguish the contingent liability applicable to policies theretofore in force in such state.

- (2) Such a stock or mutual insurer shall be subject to the same capital or surplus requirements and shall have the same rights as a like domestic insurer transacting like kinds of insurance.

- (3) The **commissioner**~~[executive director]~~ shall not approve any plan for such merger or conversion which is inequitable to subscribers, or which, if for conversion to a stock insurer, does not give each subscriber preferential right to acquire stock of the proposed insurer proportionate to his **or her** interest in the reciprocal insurer as determined in accordance with KRS 304.27-260 and a reasonable length of time within which to exercise such right.

➔Section 1387. KRS 304.27-280 is amended to read as follows:

- (2) If the attorney fails to make up such deficiency or to make the assessment within thirty (30) days after the **commissioner**~~[executive director]~~ orders him **or her** to do so, or if the deficiency is not fully made up within sixty (60) days after the date the assessment was made, the insurer shall be deemed insolvent and shall be proceeded against as authorized by this code.
- (3) If liquidation of such an insurer is ordered, an assessment shall be levied upon the subscribers for such an amount, subject to limits as provided by this subtitle, as the **commissioner**~~[executive director]~~ determines to be necessary to discharge all liabilities of the insurer, exclusive of any funds contributed by the attorney or other persons, but including the reasonable cost of the liquidation.

- (1) Upon the filing of the documents required, the **commissioner**~~[executive director]~~ shall examine them. If it appears that all the statements made are true and that the rights of the policyholders will be protected thereunder, and that the insurer is otherwise qualified therefor, **the commissioner**~~[he]~~ shall issue a certificate of authority to the underwriters under the name chosen and approved, authorizing them to transact the business of insurance as specified in the application.
- (2) Prior to the issuance of an original certificate of authority, a Lloyd's organization shall submit to examination of its affairs, by the **commissioner**~~[executive director]~~, or, if acceptable to the **commissioner**~~[executive director]~~, shall file with **the commissioner**~~[him]~~ a certified copy of an examination of its affairs made within two (2) years by the proper supervising official of some other state.

The affirmative vote of two-thirds (2/3) of all members of the supreme governing body at a regular or special meeting shall be necessary for the approval of the plan. ➔Section 1396. KRS 304.29-191 is amended to read as follows:

- (1) Every society authorized to do business in this state shall issue to each owner of a benefit contract a certificate specifying the amount of benefits provided. A copy of the application for insurance and declaration of insurability, if any, shall be endorsed upon or attached to the certificate. All statements on the application shall be representations and not warranties. Any waiver of this provision shall be void.
- (2) Any changes, additions or amendments to the laws of the society duly made or enacted subsequent to the issuance of the certificate, shall bind the owner and the beneficiaries, and shall govern and control the benefit contract in all respects the same as though the changes, additions or amendments had been made prior to and were in force at the time of the application for insurance, except that no change, addition or amendment shall destroy or diminish benefits which the society contracted to give the owner as of the date of issuance.
- (3) Any person upon whose life a benefit contract is issued prior to attaining the age of majority shall be bound by the terms of the application and certificate and by all the laws and rules of the society to the same extent as though the age of majority had been attained at the time of application.
- (4) A society shall provide in its laws that, if its reserves as to all or any class of certificates become impaired, its board of directors or corresponding body may require that there shall be paid by the owner to the society the amount of the owner's equitable proportion of the deficiency as ascertained by its board, and that if the payment is not made either:
 - (a) It shall stand as an indebtedness against the certificate and draw interest not to exceed the rate specified for certificate loans under the certificates; or
 - (b) In lieu of or in combination with paragraph (a), the owner may accept a proportionate reduction in benefits under the certificate.

The society may specify the manner of the election and which alternative is to be presumed if no election is made.

If the laws of the society provide for expulsion or suspension of a member, the certificate shall also contain a provision that any member so expelled or suspended, except for nonpayment of a premium or within the contestable period for material misrepresentation in the application for membership or insurance, shall have the privilege of maintaining the certificate in force by continuing payment of the required premium.
- (7) Benefit contracts issued on the lives of persons below the society's minimum age for adult membership may provide for transfer of control or ownership to the insured at an age specified in the certificate. A society may require approval of an application for membership in order to effect this transfer, and may provide in all other respects for the regulation, government and control of certificates and all rights, obligations and liabilities incident thereto and connected therewith. The **commissioner**~~[executive director]~~ may, in his **or her** discretion, vary the standards of mortality applicable to all benefit contracts on substandard lives or other extra hazardous lives by any society authorized to do business in this state.
- (4) Any society, with the consent of the commissioner of insurance of the state of domicile of the society and under the conditions, if any, which the **commissioner**~~[executive director]~~ may impose, may establish and maintain reserves on its certificates in excess of the reserves required thereunder, but the contractual rights of any benefit member shall not be affected thereby.

So long as a corporation's unencumbered reserve or surplus over and above the required reserves specified in this section do not exceed a sum equal to one-half (1/2) of the corporation's total membership dues or subscription fees received during the immediate preceding calendar year, the unencumbered reserve or surplus shall not be deemed an excessive accumulation for the purposes of this section.

In the event that a hearing is held, the thirty (30) day waiting period shall begin anew after the close of such hearing. Approval of any such form by the **commissioner**~~{executive director}~~ shall constitute a waiver of any unexpired portion of such waiting period. The **commissioner**~~{executive director}~~ may extend by not more than an additional thirty (30) day period within which **the commissioner**~~{he}~~ may so affirmatively approve or disapprove any such form, by giving notice to the insurer of such extension before expiration of the initial thirty (30) day period. At the expiration of any such period as so extended, and in the absence of such prior affirmative approval or disapproval, any such form shall be deemed approved. The **commissioner**~~{executive director}~~ may at any time withdraw any such approval. Any notice of the **commissioner**~~{executive director}~~ withdrawing a previous approval shall state the grounds therefor and the particulars thereof in such detail as reasonable to inform the insurer thereof.  - (a) Early detection of any potentially dangerous condition in an insurer, and prompt application of appropriate corrective measures, neither unduly harsh nor subject to the kind of publicity that would needlessly damage or destroy the insurer;
 - (b) Improved methods for rehabilitating insurers, by enlisting the advice and management expertise of the insurance industry;

 - 1. Have been rendered against the insurer by a court in this state having jurisdiction over the subject matter and the insurer;
 - 2. Have been entered more than sixty (60) days before the service of notice;
 - 3. Not have been paid in full;
 - 4. Not be the subject of a valid contract between the insurer and any judgment creditor for payment of the judgment, unless the contract has been breached by the insurer; and
 - 5. Not be a judgment on which an appeal or review is pending.
 - (b) If any one (1) of the judgments in favor of a petitioning creditor remains unpaid for thirty (30) days after service of the notice, and the **~~commissioner~~**~~[executive director]~~ has not then filed a petition for liquidation, the creditor may file in the name of the **~~commissioner~~**~~[executive director]~~ a verified petition for liquidation of the insurer under KRS 304.33-190 or 304.33-520 alleging the conditions stated in this subsection. The **~~commissioner~~**~~[executive director]~~ shall be served and joined in the action.

- (3) Exclusiveness of proceedings.
- (a) The court shall have exclusive jurisdiction to entertain, hear, or determine all matters in any way relating to any delinquency proceeding under this subtitle, including, but not limited to, all disputes involving purported assets of the insurer.
 - (b) Notwithstanding the provisions of paragraph (a) of this subsection, the court may authorize the receiver to seek injunctive or other appropriate relief from other courts, either within or without this state, if, in the opinion of the court, this action will be an aid to any delinquency proceeding.
 - (c) The court may issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this subtitle. No provisions in this subtitle shall be construed to preclude the court from, on its own motion, taking any action or making any determination necessary or appropriate to enforce or implement court orders or rules or to prevent an abuse of process.
- (4) Change of venue. Venue for proceedings arising under this subtitle shall be laid initially as specified in the sections providing for such proceedings. All other actions and proceedings initiated by the receiver may be commenced and tried where the delinquency proceedings are then pending, or where venue would be laid by KRS Chapter 452 or other applicable law. All other actions and proceedings against the receiver shall be commenced and tried in the county where the delinquency proceedings are pending. At any time upon motion of any party, venue may be changed by order of the court or the presiding judge thereof to any other Circuit Court in this state, as the convenience of the parties and witnesses and the ends of justice may require. This subsection relates only to venue and is not jurisdictional.
- (5) Personal jurisdiction, grounds for. In addition to other grounds for jurisdiction provided by the law of this state, a court of this state having jurisdiction of the subject matter shall have jurisdiction over a person served in an action brought by the receiver of a domestic insurer or an alien insurer domiciled in this state:
- (a) If the person served is obligated to the insurer in any way as an incident to any agency or brokerage arrangement that may exist or has existed between the insurer and the agent or broker, in any action on or incident to the obligation;
 - (b) If the person served is a reinsurer who has at any time issued a contract of reinsurance to an insurer against which a rehabilitation or liquidation order is in effect when the action is commenced, or is an agent or broker of or for the reinsurer, in any action on or incident to the reinsurance contract;
 - (c) If the person served is or has been an officer, manager, trustee, organizer, promoter or person in a position of comparable authority or influence in an insurer against which a rehabilitation or liquidation order is in effect when the action is commenced, in any action resulting from the relationship with the insurer;
 - (d) If the person served is or was at the time of the institution of the delinquency proceedings holding assets in which the receiver claims an interest on behalf of the insurer;
 - (e) If the person served has filed a claim against the insurer under the provisions of KRS 304.33-360;
 - (f) If the person served is otherwise amenable to the exercise of personal jurisdiction by the courts of this state under the provisions of the due process clause of the Fourteenth Amendment to the United States Constitution; or
 - (g) If the person served is obligated to the insurer in any way in any action on or incident to the obligation.
- (6) Service of process.
- (a) If personal jurisdiction is authorized by this section, service of process may be made on the person, or any agent of the person, in the county of this state where he *or she* may be found, or on the Secretary of State who, for this purpose, shall be deemed to be the statutory agent of the person.
 - (b) The clerk of the court in which the action is brought shall issue a summons against the defendant named in the complaint. The clerk shall execute the summons by sending by certified mail a true copy to the Secretary of State and shall also mail with the summons an attested copy of the complaint. The Secretary of State shall, within seven (7) days of receipt thereof in his *or her* office, mail the copy of the summons and complaint to the defendant at the address given in the complaint. The letter shall be posted by certified mail, return receipt requested, and shall bear the return address of the Secretary of

State. The clerk shall make the usual return to the court, and, in addition, the Secretary of State shall make a return to the court showing that the acts contemplated by this statute have been performed, and shall attach to his *or her* return the registry receipt, if any. Summons shall be deemed to be served upon the return of the Secretary of State and the action shall proceed as provided in the Rules of Civil Procedure.

- (c) The clerk mailing the summons to the Secretary of State shall mail to him *or her*, at the same time, a fee of ten dollars (\$10), which shall be taxed as costs in the action.

- (7) Forum non conveniens. If the court on motion of any party finds that any action commenced under subsection (5) of this section should as a matter of substantial justice be tried in a forum outside this state, the court may enter an order to stay further proceedings on the action in this state.

➔Section 1431. KRS 304.33-070 is amended to read as follows:

- (1) Duty to cooperate. Any officer, manager, trustee or agent of any insurer, and any other person with executive authority over or in charge of any segment of the insurer's affairs or in possession of property to which the ~~commissioner~~~~executive director~~ has a claim shall cooperate with the ~~commissioner~~~~executive director~~, or anyone acting on behalf of the ~~commissioner~~~~executive director~~, in any delinquency proceeding. "To cooperate" includes, but is not limited to, the following:
 - (a) To reply promptly in writing to any inquiry from the ~~commissioner~~~~executive director~~ requesting such a reply; and

- (2) Duty not to obstruct. No person shall obstruct or interfere with the ~~commissioner~~~~executive director~~ in the conduct of any delinquency proceeding.
- (3) Any person who fails to cooperate with or obstructs the efforts of the ~~commissioner~~~~executive director~~ in the conduct of any delinquency proceeding shall have denied any claims the person has filed pursuant to KRS 304.33-360 and shall also be subject to such other sanctions as the court may impose.
- (4) Right to defend. This section shall not render it illegal to resist by legal proceedings the petition for liquidation or other delinquency proceedings, or other orders.

➔Section 1432. KRS 304.33-080 is amended to read as follows:

In any proceeding under this subtitle the ~~commissioner~~~~executive director~~ and his *or her* deputies shall be responsible on their official bonds for the faithful performance of their duties. If the court deems it desirable for the protection of the assets, it may at any time require an additional bond from the ~~commissioner~~~~executive director~~ or his *or her* deputies.

➔Section 1433. KRS 304.33-100 is amended to read as follows:

Every proceeding commenced before June 18, 1970, is deemed to have commenced under this subtitle for the purpose of conducting the proceeding thereafter, except that in the discretion of the ~~commissioner~~~~executive director~~ the proceeding may be continued, in whole or in part, as it would have been continued had this subtitle not been enacted.

➔Section 1434. KRS 304.33-105 is amended to read as follows:

Every proceeding heretofore commenced under the laws in effect before July 13, 1990, shall be deemed to have commenced under this subtitle for the purpose of conducting the proceeding henceforth, except that in the discretion of the ~~commissioner~~~~executive director~~ the proceeding may be continued, in whole or in part, as it would have been continued had this subtitle not been enacted.

➔Section 1435. KRS 304.33-110 is amended to read as follows:

- (1) Whenever the ~~commissioner~~~~executive director~~ has reasonable cause to believe, and determines that any insurer has committed or engaged in, or is committing or engaging in or is about to commit or engage in any act, practice, or transaction that would subject it to formal delinquency proceedings under this subtitle, ~~the commissioner~~~~he~~ may make and serve upon the insurer and any other persons involved an emergency order in accordance with KRS 13B.125, other than seizure orders under KRS 304.33-120, as is reasonably necessary to

correct, eliminate, or remedy the conduct, condition, or ground. If the emergency order is for a restoration of or addition to capital, it shall be carried out as provided in KRS 304.24-350.

- (2) The ***commissioner***~~[executive director]~~ may apply for and any court of general jurisdiction may grant, restraining orders, temporary and permanent injunctions, and other orders as are deemed necessary to enforce an emergency order.

➔Section 1436. KRS 304.33-115 is amended to read as follows:

The ***commissioner***~~[executive director]~~, ***the commissioner's***~~[his]~~ special deputies, and all others appointed to act on ***the commissioner's***~~[his]~~ behalf in connection with any delinquency proceedings under this subtitle shall not be liable for any acts or omissions done in good faith and within the scope of their authority during the course of the delinquency proceedings, including, but not limited to, the settlement of disputed claims, and shall be immune from any civil or criminal liability that might otherwise be incurred or imposed based upon the acts or omissions.

➔Section 1437. KRS 304.33-120 is amended to read as follows:

- (1) Issuance. Upon the filing by the ***commissioner***~~[executive director]~~ in any Circuit Court in this state of a verified petition alleging any ground that would justify a court order for a formal delinquency proceeding against an insurer under this subtitle and that the interests of policyholders or creditors will be endangered by delay, and setting out the order deemed necessary by the ***commissioner***~~[executive director]~~, the court may issue forthwith, ex parte and without a hearing, the requested order which may (a) direct the ***commissioner***~~[executive director]~~ to take possession and control of all or a part of the property, books, accounts, documents and other records of an insurer and of the premises occupied by it for the transaction of its business, and (b) until further order of the court, enjoin the insurer and its officers, managers, agents, and employees from disposition of its property and from transaction of its business except with the written consent of the ***commissioner***~~[executive director]~~.
- (2) Duration. The court shall specify in the order what its duration shall be, which shall be such time as the court deems necessary for the ***commissioner***~~[executive director]~~ to ascertain the condition of the insurer. On motion of either party or on its own motion, the court may hold such hearings as it deems desirable after such notice as it deems appropriate, and may extend, shorten or modify the terms of the seizure order. The court shall vacate the seizure order if the ***commissioner***~~[executive director]~~ fails to commence a formal proceeding under this subtitle after having had a reasonable opportunity to do so. The issuance of an order of the court pursuant to a formal proceeding under this subtitle vacates the seizure order.
- (3) Anticipatory breach. Entry of a seizure order under this section shall not constitute an anticipatory breach of any contract of the insurer.

➔Section 1438. KRS 304.33-130 is amended to read as follows:

- (1) Confidentiality of ***commissioner's***~~[executive director's]~~ hearings. The ***commissioner***~~[executive director]~~ shall hold all hearings in summary proceedings privately unless the insurer requests a public hearing, in which case the hearing shall be public.
- (2) Confidentiality of court hearings. The court may hold all hearings in summary proceedings and judicial reviews thereof privately in chambers, and shall do so on request of the insurer proceeded against.
- (3) Records. In all summary proceedings and judicial reviews thereof, all records of the company, other documents, and all ***Department***~~[Office]~~ of Insurance files and court records and papers, so far as they pertain to or are a part of the record of the summary proceedings, shall be and remain confidential except as is necessary to obtain compliance therewith, unless the court, after hearing arguments from the parties in chambers, shall order otherwise, or unless the insurer requests that the matter be made public. Until such court order, all papers filed with the clerk of the court shall be held by him ***or her*** in a confidential file.
- (4) Parties. If at any time it appears to the court that any person whose interest is or will be substantially affected by an order did not appear at the hearing and has not been served, the court may order that notice be given and the proceedings be adjourned to give him ***or her*** opportunity to appear on such terms as may be just.

➔Section 1439. KRS 304.33-140 is amended to read as follows:

- (1) The ***commissioner***~~[executive director]~~ may apply by verified petition to the court for an order directing ***the commissioner***~~[him]~~ to rehabilitate a domestic insurer or an alien insurer domiciled in this state on any one (1) or more of the following grounds:
- (a) Any ground on which ***the commissioner***~~[he]~~ may apply for an order of liquidation under KRS 304.33-190, whenever ***the commissioner***~~[he]~~ believes that the insurer may be successfully rehabilitated without substantial increase in the risk of loss to creditors of the insurer or to the public.
 - (b) That the ***commissioner***~~[executive director]~~ has reasonable cause to believe that there has been embezzlement from the insurer, wrongful sequestration or diversion of the insurer's assets, forgery or fraud affecting the insurer, or other illegal conduct in, by, or with respect to the insurer, that if established would endanger assets in an amount threatening the solvency of the insurer.
 - (c) That any one (1) of the following circumstances has occurred and the ***commissioner***~~[executive director]~~ has reasonable cause to believe that the insurer is insolvent or that assets are endangered in an amount threatening the solvency of the insurer:
 - 1. That information coming into the ***commissioner's***~~[executive director's]~~ possession has disclosed substantial and not adequately explained discrepancies between the insurer's records and the most recent annual report or other official company reports;
 - 2. That the insurer has failed to remove any person who in fact has executive authority in the insurer, whether an officer, manager, general agent, employee, or other person, if the person has been found by the ***commissioner***~~[executive director]~~ after notice and hearing to be dishonest or untrustworthy in a way affecting the insurer's business;
 - 3. That control of the insurer, whether by stock ownership or otherwise, and whether direct or indirect, is in one (1) or more persons found by the ***commissioner***~~[executive director]~~ after notice and hearing to be dishonest or untrustworthy;
 - 4. That any person who in fact has executive authority in the insurer, whether an officer, manager, general agent, employee, or other person, has refused to be examined under oath by the ***commissioner***~~[executive director]~~ concerning its affairs, whether in this state or elsewhere, and after reasonable notice of the fact the insurer has failed promptly and effectively to terminate the employment and status of the person and all his *or her* influence on management;
 - 5. That the insurer has refused to submit its books, accounts, documents, or other records to the reasonable examination or inspection of the ***commissioner***~~[executive director]~~ or ***the commissioner's***~~[his]~~ authorized representative.
 - (d) That the insurer is or is about to become insolvent.
 - (e) That the insurer is engaging in a systematic practice of reaching settlements with and obtaining releases from policyholders or third-party claimants and then unreasonably delaying payment of or failing to pay the agreed upon settlements.
 - (f) That the insurer is in such condition that the further transaction of business would be hazardous, financially or otherwise, to its policyholders, its creditors, or the public.
 - (g) That within the previous twelve (12) months the insurer has systematically attempted to compromise with its creditors on the ground that it is financially unable to pay its claims in full.
 - (h) That without first obtaining the written consent of the ***commissioner***~~[executive director]~~, the insurer has transferred, or attempted to transfer, substantially its entire property or business, or has entered into any transaction the effect of which is to merge, consolidate, or reinsure substantially its entire property or business in or with the property or business of any other person.
 - (i) That the insurer or its property has been or is the subject of an application for the appointment of a receiver, trustee, custodian, conservator, or sequestrator or similar fiduciary of the insurer or its property otherwise than as authorized under this subtitle, and that such appointment has been made or is imminent, and that such appointment might oust the courts of this state of jurisdiction or prejudice orderly delinquency proceedings under this subtitle.
 - (j) That within the previous year the insurer has willfully violated its charter or articles of incorporation or any insurance law or regulation of this state, or having become aware within the previous year of an

unintentional violation has failed to take all reasonable steps to remedy the situation resulting from the violation and to prevent future violations.

- (k) That the directors of the insurer are deadlocked in the management of the insurer's affairs and that the members or shareholders are unable to break the deadlock and that irreparable injury to the insurer, its creditors or its policyholders is threatened by reason thereof.
