All records required shall be preserved for three (3) years unless the *commissioner*~~[executive director]~~ by rule prescribes otherwise for particular types of records. All required records shall be kept within this state or shall, at the request of the *commissioner*~~[executive director]~~, be made available at any time for examination by him either in the principal office of the registrant or by production of exact copies thereof in this state. - (b) Every registered broker-dealer and investment adviser shall file such reports as the *commissioner*~~[executive director]~~ by rule prescribes. - (c) If the information contained in any document filed with the *commissioner*~~[executive director]~~ or the *commissioner's*~~[executive director's]~~ designee is or becomes inaccurate or incomplete in any material respect, the broker-dealer or investment adviser, as applicable, shall promptly file a correcting amendment. - (d) The *commissioner*~~[executive director]~~ may make periodic examinations, within or without this state, of each broker-dealer, firm employing issuer agents, and investment adviser at such times and in such scope as he determines. These examinations may be made without prior notice to the broker-dealer, firm employing issuer agents, or investment adviser. The expense reasonably attributable to any such examination shall be paid by the broker-dealer, firm employing issuer agents, or investment adviser

whose business is examined but the expense so payable shall not exceed an amount which the **commissioner**~~{executive director}~~ by rule prescribes. For the purpose of avoiding unnecessary duplication of examinations, the **commissioner**~~{executive director}~~, insofar as he deems it practicable in administering this subsection, may cooperate with securities administrators of other states, the securities and exchange commission, and any national securities exchange or national securities association registered under the Securities Exchange Act of 1934.

- (e) The **commissioner**~~{executive director}~~ may by rule prohibit unreasonable charges, profits, commissions, or other compensation of broker-dealers and investment advisers.
 - (f) The **commissioner**~~{executive director}~~ may prescribe rules for the conduct of business by broker-dealers and investment advisers which he finds appropriate in the public interest and for the protection of investors.
 - (g) The **commissioner**~~{executive director}~~ may enter into an arrangement, agreement, or other working relationship with federal, other state, and self-regulatory authorities whereby documents may be filed and maintained in a central depository system with the National Association of Securities Dealers or other agencies or authorities. It is the intent of this paragraph that the **commissioner**~~{executive director}~~ be provided power to reduce duplication of filings, reduce administrative costs, and establish uniform procedures, forms, and administration with the states and federal authorities. The **commissioner**~~{executive director}~~ may permit initial and renewal registration filings required under this chapter to be filed with the Securities and Exchange Commission, the National Association of Securities Dealers, or other similar authorities. The **commissioner**~~{executive director}~~ may accept uniform securities examinations or other procedures designed to implement a uniform national securities regulatory system or facilitate common practices and procedures among the states.
- (13) (a) The **commissioner**~~{executive director}~~ may by order deny, suspend, or revoke registration of any broker-dealer, agent, investment adviser, or investment adviser representative, or bar or censure any registrant or any officer, director, partner, or person occupying a similar status or performing similar functions for a registrant, from employment with a registered broker-dealer or investment adviser, or restrict or limit a registrant as to any function or activity of the business for which registration is required in the Commonwealth of Kentucky, if he finds that the order is in the public interest and that the applicant or registrant or, in the case of a broker-dealer, or investment adviser, any partner, officer, or director, any person occupying a similar status or performing similar functions, or any person directly or indirectly controlling the broker-dealer or investment adviser:
1. Has filed an application for registration under this section which, as of its effective date, or as of any date after filing in the case of an order denying effectiveness, was incomplete in any material respect or contained any statement which was, in the light of the circumstances under which it was made, false or misleading with respect to any material fact;
 2. Has willfully violated or willfully failed to comply with any provision of this chapter or a predecessor law or any rule or order under this chapter or a predecessor law;
 3. Has been convicted, within the past ten (10) years, of any misdemeanor involving a security or any aspect of the securities business, or any felony, or has pending against him any such criminal charge;
 4. Is permanently or temporarily enjoined by any court of competent jurisdiction from engaging in or continuing any conduct or practice involving any aspect of the securities business;
 5. Is the subject of an order of the **commissioner**~~{executive director}~~ denying, suspending, or revoking registration as a broker-dealer, agent, investment adviser, or investment adviser representative;
 6. Is the subject of any of the following orders that are currently effective and were issued within the last five (5) years:
 - a. An order by the securities agency or administrator of another state or Canadian province or territory, or by the Securities and Exchange Commission, entered after notice and opportunity for hearing, denying, suspending, limiting or revoking the person's license as a broker-dealer, sales representative, or investment adviser, or the substantial equivalent of those terms;

- b. An order of a self-regulatory organization finding a violation of federal law or a rule of the self-regulatory organization;
 - c. A United States Postal Service fraud order;
 - d. A cease and desist or other administrative order entered after notice and opportunity for hearing by the *commissioner*~~[executive director]~~, the securities agency or administrator of another state, or a Canadian province or territory, the Securities and Exchange Commission, or the Commodity Futures Trading Commission; or
 - e. An order by the Commodity Futures Trading Commission denying, suspending, or revoking registration under the Commodity Exchange Act;
7. Has engaged in dishonest or unethical practices in the securities business;
 8. Is insolvent, either in the sense that his liabilities exceed his assets or in the sense that he cannot meet his obligations as they mature; but the *commissioner*~~[executive director]~~ may not enter an order against a broker-dealer or investment adviser under this paragraph without a finding of insolvency as to the broker-dealer or investment adviser;
 9. Is not qualified on the basis of such factors as training, experience, or knowledge of the securities business, except as provided in paragraph (b) below; or the *commissioner*~~[executive director]~~ may by order, deny, suspend, or revoke any registration if he finds that the order is in the public interest and that the applicant or registrant:
 - a. Has failed reasonably to supervise his agents if he is a broker-dealer or his employees or investment adviser representatives if he is an investment adviser; or
 - b. Has failed to pay the proper filing fee; but the *commissioner*~~[executive director]~~ may enter only a denial order under this clause, and he shall vacate any such order when the deficiency has been corrected; or
 10. Has violated the law of a foreign jurisdiction governing or regulating any aspect of the business of securities or banking; or within the past five (5) years, has been the subject of an action of a securities regulator or a foreign jurisdiction denying, revoking, or suspending the right to engage in the business of securities as a broker-dealer, agent, investment adviser, or investment adviser representative or is the subject of an action of any securities exchange or self-regulatory organization operating under the authority of the securities regulator of a state, federal, or foreign jurisdiction suspending or expelling the person from membership in the exchange or self-regulatory organization.

The *commissioner*~~[executive director]~~ may not institute a suspension or revocation proceeding on the basis of a fact or transaction known to him when registration became effective unless the proceeding is instituted within the next thirty (30) days.

- (b) The following provisions govern the application of subparagraph 9. of paragraph (a) of this subsection:
1. The *commissioner*~~[executive director]~~ may not enter an order against a broker-dealer on the basis of the lack of qualification of any person other than the broker-dealer himself if he is an individual or an agent of the broker-dealer;
 2. The *commissioner*~~[executive director]~~ may not enter an order against an investment adviser on the basis of the lack of qualification of any person other than the investment adviser himself if he is an individual or any other person who represents the investment adviser in doing any of the acts which make him an investment adviser;
 3. The *commissioner*~~[executive director]~~ may not enter an order solely on the basis of lack of experience if the applicant or registrant is qualified by training or knowledge or both;
 4. The *commissioner*~~[executive director]~~ shall consider that an agent who will work under the supervision of a registered broker-dealer need not have the same qualifications as a broker-dealer;

5. The **commissioner**~~{executive director}~~ shall consider that an investment adviser is not necessarily qualified solely on the basis of experience as a broker-dealer or agent. When he finds that an applicant for initial or renewal registration as a broker-dealer is not qualified as an investment adviser or an investment adviser representative, he may by order condition the applicant's registration as a broker-dealer upon his not transacting business in this state as an investment adviser or an investment adviser representative;
 6. The **commissioner**~~{executive director}~~ may by rule provide for an examination, which may be written or oral or both, to be taken by any class of or all applicants, as well as investment adviser representatives and persons who represent or will represent an investment adviser in doing any of the acts which make him an investment adviser.
- (c) The **commissioner**~~{executive director}~~ may by order summarily postpone an application for registration or suspend a registration pending final determination of any proceeding under this section. A summary suspension of an existing registration shall only be made based upon a finding by the **commissioner**~~{executive director}~~ that such action is in the public interest and that there is substantial evidence of a violation of law that constitutes an immediate danger to the public. KRS 13B.125 shall apply to the entry of a summary suspension of a registration. An appeal of a summary suspension shall address only the necessity of a summary action and shall not constitute an appeal of the merits of the underlying violation of the law. Upon the entry of the order, the **commissioner**~~{executive director}~~ shall promptly notify the applicant or registrant, as well as the employer or prospective employer if the applicant or registrant is an agent, that it has been entered and of the reasons therefor and that within fifteen (15) days after the receipt of a written request the matter will be set down for hearing. If no hearing is requested and none is ordered by the **commissioner**~~{executive director}~~, the order will remain in effect until it is modified or vacated by the **commissioner**~~{executive director}~~. If a hearing is requested or ordered, the **commissioner**~~{executive director}~~, after notice of and opportunity for hearing, may modify or vacate the order or extend it until final determination.
 - (d) If the **commissioner**~~{executive director}~~ finds that any registrant or applicant for registration is no longer in existence or has ceased to do business as a broker-dealer, agent, investment adviser, or investment adviser representative, or is subject to an adjudication of mental disability or to the control of a conservator or guardian, or cannot be located after reasonable search, the **commissioner**~~{executive director}~~ may by order cancel the registration or application.
 - (e) Withdrawal from registration as a broker-dealer, agent, investment adviser, or investment adviser representative becomes effective thirty (30) days after receipt of an application to withdraw or within such shorter period of time as the **commissioner**~~{executive director}~~ may determine, unless a revocation or suspension proceeding is pending when the application is filed or a proceeding to revoke or suspend or to impose conditions upon the withdrawal is instituted within thirty (30) days after the application is filed. If a proceeding is pending or instituted, withdrawal becomes effective at such time and upon such conditions as the **commissioner**~~{executive director}~~ by order determines. If no proceeding is pending or instituted and withdrawal automatically becomes effective, the **commissioner**~~{executive director}~~ may nevertheless institute a revocation or suspension proceeding under subparagraph 2. of paragraph (a) of this subsection within one (1) year after withdrawal became effective and enter a revocation or suspension order as of the last date on which registration was effective. A notice filing may be withdrawn or terminated by providing notice of the withdrawal or termination, as the case may be, to the **commissioner**~~{executive director}~~; the withdrawal or termination is effective upon receipt by the **commissioner**~~{executive director}~~ of the notice.
 - (f) No order may be entered under any part of this section except the first sentence of paragraph (c) of this subsection without appropriate prior notice to the applicant or registrant (as well as the employer or prospective employer if the applicant or registrant is an agent or representative), opportunity for hearing, and written findings of fact and conclusions of law.
- (14) Notwithstanding subsection (1) of this section, any broker-dealer, agent, investment adviser or investment adviser representative, or transaction or class of transactions by such persons, for which the **commissioner**~~{executive director}~~ expressly by rule or order finds that registration is not necessary or appropriate in the public interest or for the protection of investors shall be exempt from registration under this section. The **commissioner**~~{executive director}~~ may require that persons exempted from registration under this provision file such forms and information for notice purposes and be bound by one (1) or several provisions of this section as the **commissioner**~~{executive director}~~ deems necessary and appropriate in the public interest or

for the protection of investors and the *commissioner*~~[executive director]~~ may impose filing fees in connection therewith, provided however, that the amount of the fee shall not exceed the fee which would be due in the event the exempt person were required to obtain registration.

➔Section 864. KRS 292.360 is amended to read as follows:

- (1) Any security for which a registration statement under the Securities Act of 1933 or an offering statement under Regulation A of the Securities Act of 1933 has been filed with the Securities and Exchange Commission in connection with the same offering may be registered by coordination.
- (2) A registration statement under this section shall contain the following information and be accompanied by the following documents, in addition to payment of the registration fee prescribed in KRS 292.380, and, if required under KRS 292.430, a consent to service of process meeting the requirements of that section:
 - (a) One (1) copy of the latest form of prospectus or offering circular filed under the Securities Act of 1933 or Regulation A promulgated under that Act together with all amendments thereto;

 - (d) Any adverse order, judgment, or decree previously entered in connection with the offering by any court or the Securities and Exchange Commission;
 - (e) If the **commissioner**~~[executive director]~~ by rule or otherwise requires, a copy of the articles of incorporation and bylaws (or their substantial equivalents) of the issuer currently in effect, a copy of any agreements with or among underwriters, a copy of any indenture or other instrument governing the issuance of the security to be registered, and a specimen or copy of the security;
 - (f) If the **commissioner**~~[executive director]~~ requests, any other information, or copies of any other documents, filed under the Securities Act of 1933 or Regulation A promulgated under that Act; and
 - (g) An undertaking to forward promptly to the **commissioner**~~[executive director]~~ all amendments to the federal registration statement or offering statement, other than an amendment which merely delays the effective date.
- (3) A registration statement under this section automatically becomes effective with the **commissioner**~~[executive director]~~ at the moment the federal registration statement or offering statement becomes effective or is qualified, if all the following conditions are satisfied:
 - (a) No stop order is in effect and no proceeding is pending under KRS 292.390;
 - (b) The registration statement has been on file with the **commissioner**~~[executive director]~~ for at least ten (10) days; and
 - (c) A statement of the maximum and minimum proposed offering prices and the maximum underwriting discounts and commissions has been on file for two (2) full business days or such shorter period as the

commissioner~~{executive director}~~ permits by rule or otherwise and the offering is made within those limitations. The registrant shall promptly notify the *commissioner*~~{executive director}~~ by telephone, telegram, or other electronic means of the date and time when the federal registration statement or offering statement became effective or was qualified and the content of the price amendment, if any, and shall promptly file a post-effective amendment, containing the information and documents in the price amendment. "Price amendment" means the final federal amendment which includes a statement of the offering price, underwriting and selling discounts or commissions, amount of proceeds, conversion rates, call prices, and other matters dependent upon the offering price.

- (4) Upon failure to receive the required notification and post-effective amendment with respect to the price amendment, the *commissioner*~~{executive director}~~ may enter a stop order, without notice or hearing, retroactively denying effectiveness to the registration statement or suspending its effectiveness until compliance with subsection (3) of this section, if he promptly notifies the registrant by telephone or telegram (and promptly confirms by letter or telegram when he notifies by telephone) of the issuance of the order. If the registrant proves compliance with the requirements of subsection (3) of this section as to notice and post-effective amendment, the stop order is void as of the time of its entry. The *commissioner*~~{executive director}~~ may by rule or otherwise waive either or both of the conditions specified in paragraphs (b) and (c) of subsection (3) of this section. If the federal registration statement or offering statement becomes effective or is qualified before all these conditions are satisfied and they are not waived, the registration statement automatically becomes effective with the *commissioner*~~{executive director}~~ as soon as all the conditions are satisfied. If the registrant advises the *commissioner*~~{executive director}~~ of the date when the federal registration statement or offering statement is expected to become effective or to be qualified, the *commissioner*~~{executive director}~~ shall promptly advise the registrant by telephone, telegram, or other electronic means, at the registrant's expense, whether all the conditions are satisfied and whether he then contemplates the institution of a proceeding under KRS 292.390; but this advice by the *commissioner*~~{executive director}~~ does not preclude the institution of such a proceeding at any time.
- (5) Notwithstanding subsection (3) of this section, a registration statement under the Securities Act of 1933 that becomes effective immediately upon filing with the Securities and Exchange Commission shall become effective under this section automatically at the time the registration statement, in the form filed with the Securities and Exchange Commission, is properly filed, along with the appropriate fee, with the *commissioner*~~{executive director}~~.

➔Section 865. KRS 292.370 is amended to read as follows:

- (1) Any security may be registered by qualification.
- (2) A registration statement under this section shall contain the following information and be accompanied by the following documents, in addition to payment of the registration fee prescribed in KRS 292.380 and, if required under KRS 292.430, a consent to service of process meeting the requirements of that section:

➔ Section 866. KRS 292.380 is amended to read as follows:

- (1) Except as otherwise expressly provided in this chapter, a registration statement under this chapter becomes effective when the *commissioner*~~[executive director]~~ so orders. The *commissioner*~~[executive director]~~ may require as a condition of registration under this chapter that a prospectus containing any designated part of the appropriate information specified in this chapter be sent or given to each person to whom an offer is made before or concurrently with:
 - (a) The first written offer made to him (otherwise than by means of a public advertisement) by or for the account of the issuer or any other person on whose behalf the offering is being made, or by any underwriter or broker-dealer who is offering part of an unsold allotment or subscription taken by him as a participant in the distribution;
 - (b) The confirmation of any sale made by or for the account of any such person;
 - (c) Payment pursuant to any such sale; or
 - (d) Delivery of the security pursuant to any such sale, whichever first occurs; but the *commissioner*~~[executive director]~~ shall accept for use under any such requirement a current prospectus or offering circular regarding the same securities filed under the Securities Act of 1933 or regulations thereunder.
- (2) A registration statement may be filed by the issuer, any other person on whose behalf the offering is to be made, or a registered broker-dealer. Any document filed under this chapter or a predecessor law within five (5) years preceding the filing of a registration statement may be incorporated by reference in the registration statement to the extent that the document is currently accurate. The *commissioner*~~[executive director]~~ may by rule or otherwise permit the omission of any item of information or document from any registration statement.
- (3) The *commissioner*~~[executive director]~~ may require as a condition of registration by qualification or coordination that (a) the proceeds from the sale of the registered security be impounded until the issuer receives a specified amount or (b) any security issued within the past three (3) years, or to be issued, to a promoter for a consideration substantially different from the public offering price, or to any person for a consideration other than cash, be delivered in escrow. The *commissioner*~~[executive director]~~ may by rule or order determine the conditions of any escrow or impounding required hereunder. The *commissioner*~~[executive director]~~ shall not reject a depository solely because of location in another state. All securities delivered in escrow to the *commissioner*~~[executive director]~~ or some other depository satisfactory to him prior to January 1, 1968, which have not previously been released shall be released from escrow and all securities delivered in escrow to the *commissioner*~~[executive director]~~ or some other depository satisfactory to him subsequent to January 1, 1968 which have not previously been released shall be released from escrow no later than ten (10) years after the date of delivery into escrow.
- (4) The *commissioner*~~[executive director]~~ may also require as a condition of registration by qualification that the issuer undertake to keep the securities registered under this chapter for a period of up to five (5) years or until the securities become exempt securities under KRS 292.400 or become covered securities, and that the issuer forward to its security holders audited annual financial statements during the period for which the shares are registered. The *commissioner*~~[executive director]~~ may by rule or order impose other undertakings.
- (5) For the registration of securities by notification, coordination, or qualification, there shall be paid to the *commissioner*~~[executive director]~~ an examination fee of one hundred twenty-five dollars (\$125) and a registration fee of three-fiftieths of one percent (0.06%) of the aggregate offering price of the securities which are to be offered in this state, but the registration fee shall in no case be less than sixty dollars (\$60) nor more than one thousand two hundred dollars (\$1,200). The examination fee and the registration fee shall be payable in separate checks. When a registration statement is withdrawn before the effective date or a pre-effective stop order is entered under KRS 292.390, the *commissioner*~~[executive director]~~ shall retain the examination fee. For a registration by notification for market-making purposes only the examination fee need be paid.

- (6) When securities are registered by notification or by coordination or by qualification, they may be offered and sold by the issuer, any other person on whose behalf they are registered or by any registered broker-dealer. Every registration statement is effective for one (1) year from its effective date, or any longer period during which the security is being offered or distributed in a nonexempted transaction by or for the account of the issuer or other person on whose behalf the offering is being made or by any underwriter or broker-dealer who is still offering part of an unsold allotment or subscription taken by him as a participant in the distribution, except during the time a stop order is in effect under KRS 292.390. All outstanding securities of the same class as a registered security are considered to be registered for the purpose of any nonissuer transaction:
- (a) So long as the registration statement is effective; and
 - (b) Between the thirtieth day after the entry of any stop order suspending or revoking the effectiveness of the registration statement under KRS 292.390 (if the registration statement did not relate in whole or in part to a nonissuer distribution) and one (1) year from its effective date if any securities of the same class are outstanding.

A registration statement may be withdrawn otherwise only in the discretion of the *commissioner*~~[director]~~.

➔Section 867. KRS 292.390 is amended to read as follows:

- (1) The *commissioner*~~[executive-director]~~ may issue a stop order denying effectiveness to, or suspending or revoking the effectiveness of, any registration statement if he finds that the order is in the public interest and that:
- (a) The registration statement as of its effective date or as of any earlier date in the case of an order denying effectiveness, or any amendment under KRS 292.380(5) as of its effective date, is incomplete in any material respect or contains any statement which was, in the light of the circumstances under which it was made, false or misleading with respect to any material fact;
 - (b) Any provision of this chapter or any rule, order, or condition lawfully imposed under this chapter has been willfully violated, in connection with the offering by:
 1. The person filing the registration statement;
 2. The issuer, any partner, officer, or director of the issuer, any person occupying a similar status or performing similar functions, or any person directly or indirectly controlling or controlled by the issuer, but only if the person filing the registration statement is directly or indirectly controlled by or acting for the issuer; or
 3. Any underwriter;
 - (c) The security registered or sought to be registered is the subject of an administrative stop order or a similar order or a permanent or temporary injunction of any court of competent jurisdiction entered under any other federal or state act applicable to the offering; but:
 1. The *commissioner*~~[executive-director]~~ may not institute a proceeding against an effective registration statement under this paragraph more than one (1) year from the date of the order or injunction relied on; and
 2. He may not enter an order under this paragraph on the basis of an injunction entered under any other state act unless that order or injunction was based on facts which would currently constitute a ground for a stop order under this section;
 - (d) The issuer's enterprise or method of business includes or would include activities which are illegal where performed;
 - (e) The offering has worked or tended to work a fraud upon purchasers or would so operate;
 - (f) The offering has been, or would be, made with unreasonable amounts of underwriters' and sellers' discounts, commissions, or other compensations, or promoters' profits or participation, or unreasonable amounts or kinds of options;
 - (g) When a security is sought to be registered by notification it is not eligible for such registration;

- (h) When a security is sought to be registered by coordination, there has been a failure to comply with the undertaking required by KRS 292.360(2)(g);
 - (i) The applicant or registrant has failed to pay the proper registration fee; but the **commissioner**~~{executive director}~~ may enter only a denial order under this paragraph and he shall vacate any such order when the deficiency has been corrected;
 - (j) Commissions, compensation, and selling and other transaction expenses greater than twenty percent (20%) in the aggregate, or such other amount specified in the guidelines adopted by the North American Securities Administrators Association, would be paid directly or indirectly, in consideration for the sale of securities sought to be registered.
- (2) The **commissioner**~~{executive director}~~ may not enter a stop order against an effective registration statement on the basis of a fact or transaction known to him when the registration statement became effective unless the proceeding is instituted within the next thirty (30) days.
- (3) The **commissioner**~~{executive director}~~ may by order summarily postpone or suspend the effectiveness of the registration statement pending final determination of any proceeding under this section. Upon the entry of a stop order under any part of this section, the **commissioner**~~{executive director}~~ shall promptly notify the issuer of the securities, the applicant or registrant, and the person on whose behalf the securities are to be or have been offered that the order has been entered and of the reasons therefor and that within fifteen (15) days after the receipt of a written request the matter will be set down for hearing. If no hearing is requested within fifteen (15) days and none is ordered by the **commissioner**~~{executive director}~~, the **commissioner**~~{executive director}~~ shall enter his written findings of fact and conclusions of law and the order will remain in effect until it is modified or vacated by the **commissioner**~~{executive director}~~. If a hearing is requested or ordered, the **commissioner**~~{executive director}~~, after notice of and opportunity for hearing to the issuer and to the applicant or registrant, shall enter his written finding of fact and conclusions of law and may modify or vacate the order. The **commissioner**~~{executive director}~~ may modify or vacate a stop order if he finds that the conditions which prompted its entry have changed or that it is otherwise in the public interest to do so.

 4. Such sales by any such person comply with such rules as the **commissioner**~~{executive director}~~ may prescribe; or
- (q) Any transaction for which the **commissioner**~~{executive director}~~ by rule or order finds that registration is not necessary or appropriate in the public interest or for the protection of investors.
- (2) The **commissioner**~~{executive director}~~ may by order deny or revoke the exemption specified in KRS 292.400(6), (9), or (12) or in this section with respect to a specific security or transaction. No such order may be entered without appropriate prior notice to all interested parties, opportunity for hearing, and written findings of fact and conclusions of law, except that the **commissioner**~~{executive director}~~ may by order summarily deny or revoke any of the specified exemptions pending final determination of any proceeding under this subsection. Upon entry of a summary order, the **commissioner**~~{executive director}~~ shall promptly notify all interested parties that it has been entered and of the reasons therefor and that within fifteen (15) days of the receipt of a written request the matter will be set down for hearing. If no hearing is requested and none is ordered by the **commissioner**~~{executive director}~~, the order will remain in effect until it is modified or vacated by the **commissioner**~~{executive director}~~. If a hearing is requested or ordered, the **commissioner**~~{executive director}~~, after notice of and opportunity for hearing to all interested persons, may modify or vacate the order to extend it until final determination. No order under this subsection may operate retroactively. No person may be considered to have violated this chapter by reason of any offer or sale effected after the entry of an order under this subsection if he sustains the burden of proof that he did not know, and in the exercise of reasonable care could not have known of the order. In any proceeding under this chapter, the burden of proving an exemption from a definition is upon the person claiming it.

➔Section 870. KRS 292.415 is amended to read as follows:

- (1) Before any security may be issued as an exempt security under KRS 292.400(9) or (12), a claim of exemption must first be filed with the **commissioner**~~{executive director}~~ and the **commissioner**~~{executive director}~~ by order shall not have determined that the exemption is unavailable within the next ten (10) full business days. A claim of exemption filed under this section shall be in such form and contain such information as the **commissioner**~~{executive director}~~ by rule or order requires and each offering shall be effective for a maximum of twelve (12) consecutive months unless the **commissioner**~~{executive director}~~ by rule or order extends such period of time, not to exceed five (5) years.
- (2) The issuer may make offers, but not sales, before and during the ten (10) business day period required by subsection (1) of this section, if:
 - (a) Each prospective purchaser is advised in writing that the offer is preliminary and subject to material change; and
 - (b) No enforceable offer to purchase the securities may be made by a prospective purchaser, and no consideration in any form may be accepted or received, directly or indirectly, from a prospective purchaser, before the termination of the ten (10) business day period and any order disallowing the exemption has been vacated.

The **commissioner**~~{executive director}~~ may, by rule or order, prohibit offers by a particular class of issuers before the expiration of the ten (10) business day period required by subsection (1) of this section, or may require issuers to comply with additional conditions and requirements prior to making offers before the expiration of the period, if appropriate in furtherance of the intent of this chapter.

- (3) The **commissioner**~~{executive director}~~ may issue a stop order denying effectiveness to, or suspending or revoking the effectiveness of an exemption, if **the commissioner**~~{he}~~ finds that the order is in the public interest and that any security has been or is about to be offered or sold in violation of this section. If the **commissioner**~~{executive director}~~ finds it appropriate in the public interest or necessary for the protection of investors, the **commissioner**~~{executive director}~~ may order any issuer in violation of this section to make an offer of rescission.
- (4) Failure by any person to file a claim of exemption under this section shall not give rise to a private right of action under KRS 292.330(1), 292.340, or 292.480 which would not otherwise be available under the provisions of this chapter.

- (5) Any person who fails to file a claim of exemption under this section, unless he *or she* does so intentionally, shall not be subject to KRS 292.991.

➔Section 871. KRS 292.420 is amended to read as follows:

- (1) In any proceeding under this chapter, the burden of proving an exemption or an exception from a definition is upon the person claiming it.
- (2) The **commissioner**~~{executive director}~~ may require any person, who is selling or offering for sale or who is about to sell or offer for sale or who has sold or offered for sale any security within this state, to file a statement of the claim of exemption, if any, upon which such person is relying, and if any time, in the opinion of the **commissioner**~~{executive director}~~, the information contained in such statement filed is misleading, incorrect, inadequate, or fails to establish the right of exemption, **the commissioner**~~{he}~~ may require such person, agent, or investment adviser to file such information as may in his opinion be necessary to establish the claimed exemption. The refusal to furnish information as required by order of the **commissioner**~~{executive director}~~ pursuant to the provisions of this subsection, within a reasonable time to be fixed by the **commissioner**~~{executive director}~~, shall be proper ground for the entry of an order by the **commissioner**~~{executive director}~~ suspending and/or canceling the registration of the broker-dealer, agent or investment adviser.
- (3) The **commissioner**~~{executive director}~~ shall have authority at all times to consider and determine whether any proposed sale, transaction, issue, or security is entitled to an exemption or an exception from the definition accorded by this chapter, provided, however, that the **commissioner**~~{executive director}~~ in his *or her* discretion may decline to exercise such authority as to any proposed sale, transaction, issue, or security. Any interested party desiring the **commissioner**~~{executive director}~~ to exercise such authority shall submit to the **commissioner**~~{executive director}~~ a verified statement of all material facts relating to the proposed sale, transaction, issue, or security, which verified statement shall be accompanied by a request for a ruling as to the particular exemption or exception from definition, together with a filing fee of two hundred fifty dollars (\$250). After such notice to interested parties as the **commissioner**~~{executive director}~~ shall deem proper and after a hearing, if any, the **commissioner**~~{executive director}~~ may enter an order finding the proposed sale, transaction, issue, or security entitled or not entitled to the exemption or the exception from definition as claimed. An order so entered, unless an appeal be taken therefrom in the manner prescribed in this chapter, shall be binding upon the **commissioner**~~{executive director}~~, provided that the proposed sale, transaction, issue, or security when consummated or issued conforms in every relevant and material particular with the facts as set forth in the verified statement as submitted.

➔Section 872. KRS 292.430 is amended to read as follows:

- (1) Every applicant for registration as a broker-dealer, agent, investment adviser, or investment adviser representative under this chapter and every issuer which proposes to offer a security in this state through any person acting on an agency basis in the common law sense shall file with the **commissioner**~~{executive director}~~, in such form as **the commissioner**~~{he}~~ by rule prescribes, an irrevocable consent appointing the **commissioner**~~{executive director}~~ or **the commissioner's**~~{his}~~ successor in office to be **the applicant's**~~{his}~~ attorney to receive service of any lawful process in any noncriminal suit, action, or proceeding against **the applicant**~~{him}~~ or **the applicant's**~~{his}~~ successor, executor, or administrator which arises under this chapter or any rule or order hereunder after the consent has been filed, with the same force and validity as if served personally on the person filing the consent. A person who has filed such a consent in connection with a previous registration need not file another. Service may be made by leaving a copy of the process in the office of the **commissioner**~~{executive director}~~, but it is not effective unless:
- (a) The plaintiff, who may be the **commissioner**~~{executive director}~~ in a suit, action, or proceeding instituted by **the commissioner**~~{him}~~, forthwith sends notice of the service and a copy of the process by certified mail, return receipt requested, or by registered mail to the defendant or respondent at his *or her* last address on file with the **commissioner**~~{executive director}~~; and
- (b) The plaintiff's affidavit of compliance with this subsection is filed in the case on or before the return day of the process, if any, or within such further time as the court allows.
- (2) Every issuer of a covered security and every covered adviser who makes a notice filing with Kentucky under this chapter shall file with the **commissioner**~~{executive director}~~, in the form as prescribed by administrative regulation, an irrevocable consent appointing the **commissioner**~~{executive director}~~ or **the commissioner's**~~{his}~~

successor in office to be his *or her* attorney to receive service of any lawful process in any noncriminal suit, action, or proceeding against him *or her* or his *or her* successor, executor, or administrator that arises under this chapter or under any rule or order under this chapter after the consent has been filed, with the same force and validity as if served personally on the person filing the consent. A person who has filed a consent in connection with a previous notice filing need not file another. Service may be made by leaving a copy of the process in the office of the *commissioner*~~[executive director]~~, but it is not effective unless:

- (a) The plaintiff, who may be the *commissioner*~~[executive director]~~ in a suit, action, or proceeding instituted by *the commissioner*~~[him]~~, sends notice of the service and a copy of the process by certified mail, return receipt requested, or by registered mail to the defendant or respondent at his *or her* last address on file with the *commissioner*~~[executive director]~~; and
 - (b) The plaintiff's affidavit of compliance with this subsection is filed in the case on or before the return day of the process, if any, or within the time as the court allows.
- (3) When any person, including any nonresident of this state, engages in conduct prohibited or made actionable by this chapter or any rule or order hereunder, and *the person*~~[he]~~ has not filed a consent to service of process under subsection (1) or (2) of this section and personal jurisdiction over him *or her* cannot otherwise be obtained in this state, that conduct shall be considered equivalent to his *or her* appointment of the *commissioner*~~[executive director]~~ or *the commissioner's*~~[his]~~ successor in office to be *the person's*~~[his]~~ attorney to receive service of any lawful process in any noncriminal suit, action, or proceeding against *the person*~~[him]~~ or *the person's*~~[his]~~ successor executor or administrator which grows out of that conduct and which is brought under this chapter or any rule or order hereunder, with the same force and validity as if served on *the person*~~[him]~~ personally. Service may be made by leaving a copy of the process in the office of the *commissioner*~~[executive director]~~, and it is not effective unless:
- (a) The plaintiff, who may be the *commissioner*~~[executive director]~~, in a suit, action, or proceeding instituted by *the commissioner*~~[him]~~ forthwith sends notice of the service and a copy of the process by certified mail, return receipt requested, or by registered mail to the defendant or respondent at his *or her* last known address or takes other steps which are reasonably calculated to give actual notice; and
 - (b) The plaintiff's affidavit of compliance with this subsection is filed in the case on or before the return day of the process, if any, or within such further time as the court allows.

➔Section 873. KRS 292.440 is amended to read as follows:

It is unlawful for any person to make or cause to be made, in any document filed with the *commissioner*~~[executive director]~~ or the *commissioner's*~~[executive director's]~~ designee or in any proceeding under this chapter, any statement which is, at the time and in the light of the circumstances under which it is made, false or misleading in any material respect.

➔Section 874. KRS 292.450 is amended to read as follows:

- (1) Neither the fact that an application for registration under KRS 292.330 or a registration statement under KRS 292.350, 292.360, or 292.370 has been filed, nor the fact that a person or security is effectively registered, constitutes a finding by the *commissioner*~~[executive director]~~ that any document filed under this chapter is true, complete, and not misleading.
- (2) Neither any such fact nor the fact that an exemption or exception is available for a security or a transaction means that the *commissioner*~~[executive director]~~ has passed in any way upon the merits or qualifications of, or recommended or given approval to, any person, security, or transaction. It is unlawful to make, or cause to be made, to any prospective purchaser, customer, or client any representation inconsistent with this section.
- (3) Neither the fact that a notice filing for a covered security or for a covered adviser has been filed, nor the fact that the person, security, or transaction is registered or exempt from registration, constitutes a finding by the *commissioner*~~[executive director]~~ that any document filed under this chapter is true, complete, and not misleading or that the person, security, or transaction is entitled to claim an exemption.
- (4) It is unlawful to make or cause to be made to any prospective purchaser, customer, or client any representation inconsistent with this section.

➔Section 875. KRS 292.460 is amended to read as follows:

- (1) The *commissioner*~~[executive director]~~ in his *or her* discretion:

- (a) May make such public or private investigations within or outside of this state as he deems necessary to determine whether any registration should be granted, denied, or revoked, or whether any person has violated or is about to violate any provision of this chapter or any rule or order under this chapter, or to aid in the enforcement of this chapter or in the prescribing of rules and forms hereunder;
 - (b) May require or permit any person to file a statement in writing, under oath or otherwise as the **commissioner**~~{executive director}~~ may determine, as to all the facts and circumstances concerning the matter to be investigated; or
 - (c) May publish information concerning any violation of this chapter or any rule or order hereunder.
- (2) For the purpose of any investigation or proceeding under this chapter, the **commissioner**~~{executive director}~~ or any officer designated by him may administer oaths and affirmations, subpoena witnesses, compel their attendance, take evidence, and require production of any books, papers, correspondence, memoranda, agreements, or other documents or records which the **commissioner**~~{executive director}~~ deems relevant or material to the inquiry.
 - (3) In case of contumacy by, or refusal to obey a subpoena issued to, any person, any court of competent jurisdiction, upon application by the **commissioner**~~{executive director}~~, may issue to that person an order requiring him to appear before the **commissioner**~~{executive director}~~, or the officer designated by him, there to produce documentary evidence if so ordered or to give evidence touching the matter under investigation or in question; and any failure to obey the order of the court may be punished by the court as a contempt of court.
 - (4) No person is excused from attending and testifying or from producing any document or record before the **commissioner**~~{executive director}~~, or in obedience to the subpoena of the **commissioner**~~{executive director}~~ or any officer designated by him, or in any proceeding instituted by the **commissioner**~~{executive director}~~, on the ground that the testimony or evidence (documentary or otherwise) required of **the person**~~{him}~~ may tend to incriminate **the person**~~{him}~~ or subject **the person**~~{him}~~ to a penalty or forfeiture; but no individual may be prosecuted or subjected to any penalty or forfeiture for or on account of any transaction, matter, or thing concerning which he is compelled, after claiming **the his**~~{his}~~ privilege against self-incrimination, to testify or produce evidence (documentary or otherwise), except that the individual so testifying shall not be exempt from prosecution and punishment for perjury committed in so testifying.

➔Section 876. KRS 292.470 is amended to read as follows:

Whenever it appears to the **commissioner**~~{executive director}~~ that any person has engaged or is about to engage in any act or practice constituting a violation of any provision of this chapter or any rule or order under this chapter, **the commissioner**~~{he}~~ may in his **or her** discretion bring any or all of the following remedies:

- (1) Issue a cease and desist order, with or without a prior hearing, appealable to Franklin Circuit Court, against the person or persons engaged in the prohibited activities directing that person or persons to cease and desist from illegal activity. In order to issue an order without a prior hearing, the **commissioner**~~{executive director}~~ must find that the delay in issuing a final cease and desist order will cause harm to the public;
- (2) An action in the Franklin Circuit Court or any other court of competent jurisdiction to enjoin any such acts or practices and to enforce compliance with this chapter or any rule or order under this chapter. Upon a proper showing a permanent or temporary injunction, restraining order, or writ of mandamus shall be granted and a receiver or conservator may be appointed for the defendant or the defendant's assets. Upon a proper showing by the **commissioner**~~{executive director}~~, the court may enter an order of rescission, restitution, or disgorgement directed to any person who has engaged in any act constituting a violation of this chapter or any rule or order under this chapter. The **commissioner**~~{executive director}~~ may not be required to post a bond; or
- (3) Issue a final order, after notice and an opportunity for a hearing, containing findings of fact and conclusions of law, directing any person or persons found to have engaged in, or about to be engaged in, activity that constitutes a violation of this chapter or any rule or order under this chapter:
 - (a) To cease and desist from the activity;
 - (b) To perform any other reasonable mandates directed by the **commissioner**~~{executive director}~~ pursuant to an appropriate remedy fashioned by the **commissioner**~~{executive director}~~ and reasonably calculated to carry out the provisions of this chapter; or
 - (c) To pay fines assessed under KRS 292.500(14) and costs assessed under KRS 292.500(15).

➔Section 877. KRS 292.490 is amended to read as follows:

Any person aggrieved by a final order of the **commissioner**~~{executive director}~~ may obtain a review of the order by filing in accordance with KRS Chapter 13B in the Franklin Circuit Court, within thirty (30) days after the entry of the order, a written petition praying that the order be modified or set aside in whole or in part. A copy of the petition shall be forthwith served upon the **commissioner**~~{executive director}~~, and thereupon the **commissioner**~~{executive director}~~ shall certify and file in court a copy of the filing, testimony, and other evidence upon which the order was entered. When these have been filed, the court has exclusive jurisdiction to affirm, modify, enforce, or set aside the order, in whole or in part. No objection to the order may be considered by the court unless it was urged before the **commissioner**~~{executive director}~~ or there were reasonable grounds for failure to do so. The findings of the **commissioner**~~{executive director}~~ as to the facts, if supported by substantial evidence, are conclusive. If either party applies to the court for leave to adduce additional evidence, and shows to the satisfaction of the court that the additional evidence is material and that there were reasonable grounds for failure to adduce the evidence in the hearing before the **commissioner**~~{executive director}~~, the court may order the additional evidence to be taken before the **commissioner**~~{executive director}~~ and to be adduced upon the hearing in such manner and upon such conditions as the court may consider proper. The **commissioner**~~{executive director}~~ may modify his **or her** findings as to the facts, by reason of the additional evidence so taken; and **the commissioner**~~{he}~~ shall file any modified or new findings, which if supported by substantial evidence shall be conclusive, and any recommendation for the modification or setting aside of the original order. The commencement of proceedings under this section does not, unless specifically ordered by the court, operate as a stay of the **commissioner's**~~{executive director's}~~ order. An appeal may be taken from the judgment of the Franklin Circuit Court on any such appeal to the Court of Appeals on the same terms and conditions as an appeal is taken in civil actions.

➔Section 878. KRS 292.500 is amended to read as follows:

- (1) The administration of the provisions of this chapter shall be under the **Department**~~{Office}~~ of Financial Institutions.
- (2) It is unlawful for the **commissioner**~~{executive director}~~ or any of his **or her** officers or employees to use for personal benefit any information which is filed with or obtained by the **commissioner**~~{executive director}~~ and which is not made public. Except as provided in subsection (18) of this section, no provision of this chapter authorizes the **commissioner**~~{executive director}~~ or any of **the department's**~~{his}~~ officers or employees to disclose any confidential information except among themselves or when necessary or appropriate in an administrative hearing or investigation under this chapter. No provision of this chapter either creates or derogates from any privilege which exists at common law or otherwise when documentary or other evidence is sought under a subpoena directed to the **commissioner**~~{executive director}~~ or any of **the department's**~~{his}~~ officers or employees.
- (3) The **commissioner**~~{executive director}~~ may from time to time promulgate, amend, and repeal administrative regulations, forms, and orders as are necessary to carry out the provisions of this chapter, including administrative regulations and forms governing registration statements, applications, notice filings, and reports and defining any terms, whether or not used in this chapter, insofar as the definitions are not inconsistent with the provisions of this chapter. For the purpose of administrative regulations and forms, the **commissioner**~~{executive director}~~ may classify securities, persons, and matters within his jurisdiction, and prescribe different requirements for different classes.
- (4) No administrative regulation, form, or order may be promulgated, amended, or repealed unless the **commissioner**~~{executive director}~~ finds that the action is necessary or appropriate in the public interest or for the protection of investors and consistent with the purposes fairly intended by the policy and provision of this chapter. In promulgating administrative regulations and forms, the **commissioner**~~{executive director}~~ may cooperate with the securities administrators of the other states and the Securities and Exchange Commission with a view to effectuating the policy of this statute to achieve maximum uniformity in the form and content of registration statement, applications, notice filings, and reports whenever practicable.
- (5) The **commissioner**~~{executive director}~~ may by administrative regulation or order prescribe the form and content of financial statements required under this chapter and the circumstances under which consolidated financial statements shall be certified by certified public accountants. All financial statements shall be prepared in accordance with generally-accepted accounting standards.
- (6) All administrative regulations and forms of the **commissioner**~~{executive director}~~ shall be published.

- (7) No provision of this chapter imposing any liability applies to any act done or omitted in good faith in conformity with any administrative regulation, form, or order of the **commissioner**~~{executive director}~~, notwithstanding that the administrative regulation, form, or order may later be amended or repealed or be determined by judicial or other authority to be invalid for any reason.
- (8) A document is filed when it is received by the **commissioner**~~{executive director}~~ or when the **commissioner**~~{executive director}~~ receives confirmation that a document has been filed pursuant to KRS 292.327, 292.330, 292.360, and 292.370.
- (9) Every administrative hearing shall be conducted in accordance with KRS Chapter 13B and the provisions of this chapter, and shall be public unless the **commissioner**~~{executive director}~~ in his *or her* discretion grants a request joined in by all the respondents that the hearing be conducted privately.
- (10) The **commissioner**~~{executive director}~~ shall keep a register of all applications for registration and registration statements and notice filings which are or have ever been effective under this chapter and all denial, suspension, or revocation final orders which have ever been entered under this chapter. The register shall be open for public inspection.
- (11) The information contained in or filed with any registration statement, application, notice filings, or report may be made available to the public under administrative regulations as the **commissioner**~~{executive director}~~ may promulgate.
- (12) Upon request and at reasonable charges as *the commissioner*~~{he}~~ prescribes, the **commissioner**~~{executive director}~~ shall furnish to any person photostatic or other copies (certified under his seal of office if requested) of any entry in the register or any document which is a matter of public record. In any administrative hearing or prosecution under this chapter, any copy so certified is prima facie evidence of the contents of the entry or document certified.
- (13) The **commissioner**~~{executive director}~~ in his *or her* discretion may honor requests from interested persons for interpretative opinions.
- (14) The **commissioner**~~{executive director}~~ may assess civil fines against any person who violates any provision of this chapter or any rule or order under this chapter.
- (15) In addition to any fines levied under subsection (14) of this section, the **commissioner**~~{executive director}~~ may also assess the costs of any investigation, including attorney's fees incurred as a result of bringing enforcement actions under the provisions of this chapter and costs of holding any hearing as a result of an enforcement action. Costs and attorney's fees may only be assessed if there has been a final determination that a violation has occurred, and in an amount reasonably related to the costs of investigation and enforcement for those violations only.
- (16) If fines or costs assessed under this section are not paid, the **commissioner**~~{executive director}~~ may notify the Attorney General who shall promptly institute an action in the name of the Commonwealth of Kentucky, in the Franklin Circuit Court for the recovery of the fines or costs.
- (17) The remedies provided by this section are not exclusive and may be sought and employed in any combination to enforce the provisions of this chapter. The remedies set forth in this section shall not prohibit or restrict the **commissioner**~~{executive director}~~ from participating in any way whatsoever with respect to any joint examination, investigation, enforcement action, settlement, or other legal or regulatory action with securities administrators of other jurisdictions, the Securities and Exchange Commission, any self-regulatory organization, or any national securities exchange or national securities association registered under the Securities Exchange Act of 1934. Accordingly, the **commissioner**~~{executive director}~~ may, at any time and in his *or her* sole discretion, share or cause to be shared by any employee of the **department**~~{office}~~ any information gained pursuant to an examination, investigation, filing, or from any other source, with other governmental agencies, jurisdictions, or governmental or self-regulating organizations or entities, to the extent the **commissioner**~~{executive director}~~, in his *or her* sole discretion, deems that the sharing of information is or will be reasonably necessary or useful to the **department**~~{office}~~ or other agency in carrying out its regulatory responsibilities.
- (18) The following materials, documentation, and other information are deemed to have been confidentially disclosed to the **department**~~{office}~~ and to be confidential information under the Kentucky Open Records Act

and, specifically, the provisions of KRS 61.878(1)(b), to the extent described in this subsection and except as provided further in administrative regulation:

- (a) Any materials, documentation, or other information provided to or otherwise obtained by the **department**~~{office}~~ during the course of a routine compliance examination of any broker-dealer, agent, investment adviser, or investment adviser representative; and
- (b) Any materials, documentation, or other information provided to or otherwise obtained by the **department**~~{office}~~ from any other regulatory or governmental body, including but not limited to any other state securities regulator, the Securities and Exchange Commission, any self-regulatory organization, any state or federal criminal agency, and any criminal prosecutorial body, and which the other body expressly deems to be confidential.

➔Section 879. KRS 292.991 is amended to read as follows:

- (1) Any person who willfully violates any provision of this chapter except KRS 292.440, or who willfully violates KRS 292.440 knowing the statement made to be false or misleading in any material respect, shall be guilty of a Class D felony.
- (2) Any person who willfully violates any rule or order of the **commissioner**~~{executive director}~~, authorized under this chapter, shall be guilty of a Class A misdemeanor; but no person may be imprisoned for violation of any rule or order of which that person did not have actual knowledge.
- (3) The **commissioner**~~{executive director}~~ may refer such evidence as may be available concerning violations of this chapter or of any rule or order hereunder to the Attorney General or the proper prosecuting authority, who may in his *or her* discretion, with or without such a reference, institute the appropriate criminal proceedings under this chapter.
- (4) Nothing in this chapter limits the power of the state to punish any person for any conduct which constitutes a crime by statute or at common law.

➔Section 880. KRS 299.010 is amended to read as follows:

- (1) The provisions of this chapter do not apply to secret or fraternal societies, lodges, or councils that are under the supervision of a grand or supreme body and secure members through the lodge system exclusively, and pay no commissions and employ no agents except in the organization and supervision of the work of local subordinate lodges or councils, nor do they apply to companies, societies or associations organized under the authority and patronage of any church or religious denomination for the exclusive purpose of insuring the property of churches or religious denominations and the personal property of the pastors and ministers thereof against loss or damage by fire, lightning or storm.
- (2) As used in this chapter, unless the context requires otherwise:
 - (a) "**Commissioner**~~{Executive director}~~" means the **commissioner**~~{executive director}~~ of the **Department**~~{Office}~~ of Insurance;
 - (b) "Policy" means any policy, certificate of membership, or contract of insurance;
- (3) "Company," as used in KRS 299.020 to 299.300, means any corporation, association or society transacting in this state a life or casualty insurance business, or both, upon the cooperative or assessment plan, as defined in KRS 299.020;
- (4) "Company," as used in KRS 299.310 to 299.470, means any corporation organized under KRS 299.310 and 299.320 for the purpose of transacting, and any company heretofore organized under any similar law of this state or under the general corporation laws of this state that is transacting, the business of insurance against physical loss or damage of property by such hazard or hazards as it may provide in its policies, upon the cooperative or assessment plan.

➔Section 881. KRS 299.019 is amended to read as follows:

- (1) Every company licensed under this chapter shall provide to the **commissioner**~~{executive director}~~ a list of its officers and directors, their names, addresses, principal business activities, and occupations or employment.
- (2) Every company licensed under this chapter shall file with the **commissioner**~~{executive director}~~ a copy of any management contract, third-party administrator contract, agency contract, or any other agreement, contract, or document whereby rights or duties of the company are assigned or delegated to another entity. No agreement

shall be effective until approved by the *commissioner*~~[executive director]~~. An agreement may be disapproved if, after a hearing under KRS Chapter 13B, the *commissioner*~~[executive director]~~ finds that the agreement does not comply with the following conditions:

- (a) The agreement shall be the result of an arms length transaction between the company and any other party;
- (b) The terms of the agreement shall be fair and reasonable to the parties, and the charges or fees for all services provided shall be reasonable;
- (c) The books, accounts, and records of each party to the agreement shall be maintained to clearly and accurately disclose the precise nature and details of the transaction; and
- (d) The agreement shall be made for the benefit of the policyholders of the company.

➔Section 882. KRS 299.030 is amended to read as follows:

- (1) Persons desiring to form an organization for the purpose of transacting the business of life or casualty insurance, or both, upon the assessment or cooperative plan, may associate together and effect an organization as prescribed in this section.
- (2) Any number of persons not less than thirteen (13) may associate to establish such an insurance company.
- (3) In addition to the general requirements for all corporations, the articles of incorporation shall specify the class of insurance the company proposes to transact; and on what business plan or principle; the number and amount of agreements for insurance, if any; and such other facts as may be necessary to explain and make manifest the object and purposes of the corporation. The words "insurance company" shall be a part of the title of every such corporation, and also the word "mutual."

- (f) If the assuming insurer is not authorized or accredited to transact insurance or reinsurance in Kentucky, the credit permitted by paragraphs (c) and (d) of this subsection shall not be allowed unless the assuming insurer agrees in the reinsurance agreements:
1. That in the event of the failure of the assuming insurer to perform its obligations under the terms of the reinsurance agreement, the assuming insurer, at the request of the ceding insurer, shall submit to the jurisdiction of any court of competent jurisdiction in any state of the United States, shall comply with all requirements necessary to give the court jurisdiction, and shall abide by the final decision of the court or of any appellate court in the event of an appeal; and
 2. To designate the Secretary of State or a designated attorney as its true and lawful attorney upon whom may be served any lawful process in any action, suit, or proceeding instituted by or on behalf of the ceding insurer.

- (3) A reduction from liability for the reinsurance ceded by an insurer to an assuming insurer not meeting the requirements of subsection (2) of this section shall be allowed in an amount not exceeding the liabilities carried by the ceding insurer and the reduction shall be in the amount of funds held by or on behalf of the ceding insurer, including funds held in trust for the ceding insurer, under a reinsurance contract with the assuming insurer as security for the payment of obligations thereunder, if the security is held in the United States subject to withdrawal solely by, and under the exclusive control of, the ceding insurer, or, in the case of a trust, held in a qualified United States financial institution. This security may be in the form of:
- (a) Cash;
 - (b) Securities listed by the Securities Valuation Office of the National Association of Insurance Commissioners and qualifying as admitted assets;
 - (c) Clean, irrevocable, unconditional letters of credit issued or confirmed by a qualified United States financial institution no later than December 31 in respect of the year for which filing is being made, and in the possession of the ceding insurer on or before the filing date of its annual statement. Such payments shall be made directly to the ceding insurer or to its domiciliary liquidator except:

- (b) The reinsurance agreement may provide that the domiciliary liquidator of an insolvent ceding insurer shall give written notice to the assuming insurer of the pendency of a claim against such ceding insurer

on the contract reinsured within a reasonable time after such claim is filed in the liquidation proceeding. During the pendency of such claim, any assuming insurer may investigate such claim and interpose, at its own expense, in the proceeding where such claim is to be adjudicated, any defenses which it deems available to the ceding insurer or its liquidator. Such expense may be filed as a claim against the insolvent ceding insurer to the extent of a proportionate share of the benefit which may accrue to the ceding insurer solely as a result of the defense undertaken by the assuming insurer. Where two (2) or more assuming insurers are involved in the same claim and a majority in interest elect to interpose a defense to such claim, the expense shall be apportioned in accordance with the terms of the reinsurance agreement as though such expense had been incurred by the ceding insurer.

- (6) Upon request of the **commissioner**~~{executive director}~~ an insurer shall promptly inform the **commissioner**~~{executive director}~~ in writing of the cancellation or any other material change of any of its reinsurance treaties or arrangements.

Where any such valuation is made by the *commissioner*~~[executive director]~~, *the commissioner*~~[he]~~ may use the actuary of the *department*~~[office]~~ or employ an actuary for the purpose, and the reasonable compensation and expenses of the actuary, at a rate approved by the *commissioner*~~[executive director]~~, upon demand by the *commissioner*~~[executive director]~~ supported by an itemized statement of such compensation and expenses, shall be paid by the insurer. When a domestic insurer furnishes the *commissioner*~~[executive director]~~ with a valuation of its outstanding policies as computed by its own actuary or by an actuary deemed satisfactory for the purpose by the *commissioner*~~[executive director]~~, the valuation shall be verified by the actuary of the *department*~~[office]~~ without cost to the insurer.

- (2) Any such insurer which at any time shall have adopted any standard of valuation producing greater aggregate reserves than those calculated according to the minimum standard herein provided may, with the approval of the *commissioner*~~[executive director]~~, adopt any lower standard of valuation, but not lower than the minimum herein provided.

➔Section 1003. KRS 304.6-140 is amended to read as follows:

Except as otherwise provided in paragraph (b) of subsection (2) of this section, the minimum standard for the valuation of all such policies and contracts shall be that provided by the laws in effect immediately prior to such date, except that the minimum standard for the valuation of annuities and pure endowments purchased under group annuity and pure endowment contracts issued prior to such effective date shall be that provided by the laws in effect immediately prior to such date but replacing the interest rates specified in such laws by an interest rate of five percent (5%) per annum. Reserves for all such policies and contracts may be calculated, at the option of the insurer, according to any standards which produce greater aggregate reserves for all such policies and contracts than the minimum reserves required by this subsection.
- (2) This subsection applies only to policies and contracts issued on and after January 1, 1948, or such earlier date after June 13, 1944, as shall have been elected by an insurer as the date on and after which it would comply with the standard nonforfeiture law, except as otherwise provided in paragraph (b) of this subsection for group annuity and pure endowment contracts issued prior to such date.

➔Section 1004. KRS 304.6-145 is amended to read as follows:

- (1) The interest rates used in determining the minimum standard for the valuation of:
 - (a) All life insurance policies issued in a particular calendar year, on or after the effective date of KRS 304.15-342;
 - (b) All individual annuity and pure endowment contracts issued in a particular calendar year on or after January 1, 1983;
 - (c) All annuities and pure endowments purchased in a particular calendar year on or after January 1, 1983 under group annuity and pure endowment contracts; and
 - (d) The net increase, if any, in a particular calendar year after January 1, 1983, in amounts held under guaranteed interest contracts shall be the calendar year statutory valuation interest rates as defined in this section.
- (2) The calendar year statutory valuation interest rates, I, shall be determined as follows and the results rounded to the nearer one-quarter of one percent (1/4 of 1%):
 - (a) For life insurance,

$$I = .03 + W (R1 - .03) + W/2 (R2 - .09);$$

- (b) For single premium immediate annuities and for annuity benefits involving life contingencies arising from other annuities with cash settlement options and from guaranteed interest contracts with cash settlement options,

$$I = .03 + W (R - .03)$$

where R1 is the lesser of R and .09,

R2 is the greater of R and .09,

R is the reference interest rate defined in this section,

and W is the weighting factor defined in this section,

- (c) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on an issue year basis, except as stated in paragraph (b) above, the formula for life insurance stated in paragraph (a) above shall apply to annuities and guaranteed interest contracts, with guarantee durations in excess of ten (10) years and the formula for single premium immediate annuities stated in paragraph (b) above shall apply to annuities and guaranteed interest contracts with guarantee duration of ten (10) years or less;
- (d) For other annuities with no cash settlement options and for guaranteed interest contracts with no cash settlement options, the formula for single premium immediate annuities stated in paragraph (b) above shall apply;
- (e) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on a change in fund basis, the formula for single premium immediate annuities stated in paragraph (b) above shall apply.

However, if the calendar year statutory valuation interest rate for any life insurance policies issued in any calendar year determined without reference to this sentence differs from the corresponding actual rate for similar policies issued in the immediately preceding calendar year by less than one-half of one percent (1/2 of 1%), the calendar year statutory valuation interest rate for such life insurance policies shall be equal to the corresponding actual rate for the immediately preceding calendar year. For purposes of applying the immediately preceding sentence, the calendar year statutory valuation interest rate for life insurance policies issued in a calendar year shall be determined for 1980 (using the reference interest rate defined for 1979) and shall be determined for each subsequent calendar year regardless of when KRS 304.15-342 becomes effective.

- (3) The weighting factors referred to in the formulas stated above are given in the following tables:

- (a) Weighting Factors for Life Insurance:

Guarantee Duration (Years)	Weighting Factors
10 or less	.50
More than 10, but not more than 20	.45
More than 20	.35

For life insurance, the guarantee duration is the maximum number of years the life insurance can remain in force on a basis guaranteed in the policy or under options to convert to plans of life insurance with premium rates or nonforfeiture values or both which are guaranteed in the original policy;

- (b) Weighting factor for single premium immediate annuities and for annuity benefits involving life contingencies arising from other annuities with cash settlement options and guaranteed interest contracts with cash settlement options:

.80

- (c) Weighting factors for other annuities and for guaranteed interest contracts, except as stated in (b) above, shall be as specified in tables 1., 2., and 3. below, according to the rules and definitions in 4., 5., and 6. below:

1. For annuities and guaranteed interest contracts valued on an issue year basis:

Guarantee Duration (Years)	Weighting Factor for Plan Type		
	A	B	C
5 or less:	.80	.60	.50
More than 5, but not more than 10	.75	.60	.50
More than 10, but not more than 20:	.65	.50	.45
More than 20:	.45	.35	.35

2. For annuities and guaranteed interest contracts valued on a change in fund basis, the factors shown in 1. above increased by:

	Plan Type		
	A	B	C
	.15	.25	.05

3. For annuities and guaranteed interest contracts valued on an issue year basis (other than those with no cash settlement options) which do not guarantee interest on considerations received more than one (1) year after issue or purchase and for annuities and guaranteed interest contracts valued on a change in fund basis which do not guarantee interest rates on considerations received more than twelve (12) months beyond the valuation date, the factors shown in 1. or derived in 2. increased by:

	Plan Type		
	A	B	C
	.05	.05	.05

4. For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, the guarantee duration is the number of years for which the contract guarantees interest rates in excess of the calendar year statutory valuation interest rate for life insurance policies with guarantee duration in excess of twenty (20) years. For other annuities with no cash settlement options and for guaranteed interest contracts with no cash settlement options, the guarantee duration is the number of years from the date of issue or date of purchase to the date annuity benefits are scheduled to commence.

5. Plan type as used in the above tables is defined as follows:

Plan Type A: At any time policyholder may withdraw funds only with an adjustment to reflect changes in interest rates or asset values since receipt of the funds by the insurer, or without such adjustment but in installments over five (5) years or more, or as an immediate life annuity, or no withdrawal permitted.

Plan Type B: Before expiration of the interest rate guarantee, policyholder may withdraw funds only with an adjustment to reflect changes in interest rates or asset values since receipt of the funds by the insurer, or without such adjustment but in installments over five (5) years or more, or no withdrawal permitted. At the end of interest rate guarantee, funds may be withdrawn without such adjustment in a single sum or installments over less than five (5) years.

Plan Type C: Policyholder may withdraw funds before expiration of interest rate guarantee in a single sum or installments over less than five (5) years either without adjustment to reflect changes in interest rates or asset values since receipt of the funds by the insurer, or subject

only to a fixed surrender charge stipulated in the contract as a percentage of the fund.

6. An insurer may elect to value guaranteed interest contracts with cash settlement options and annuities with cash settlement options on either an issue year basis or on a change in fund basis. Guaranteed interest contracts with no cash settlement options and other annuities with no cash settlement options must be valued on an issue year basis. As used in this section, an issue year basis of valuation refers to a valuation basis under which the interest rate used to determine the minimum valuation standard applicable to each change in the fund held under the annuity or guaranteed interest contract is the calendar year valuation interest rate for the year of the change in the fund.
- (4) The reference interest rate referred to in subsection (2) of this section shall be defined as follows:
 - (a) For all life insurance, the lesser of the average over a period of thirty-six (36) months and the average over a period of twelve (12) months, ending on June 30 of the calendar year next preceding the year of issue, of Moody's Corporate Bond Yield Average - Monthly Average Corporates, as published by Moody's Investors Service, Inc.
 - (b) For single premium immediate annuities and for annuity benefits involving life contingencies arising from other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, the average over a period of twelve (12) months, ending on June 30 of the calendar year of issue or year of purchase, of Moody's Corporate Bond Yield Average - Monthly Average Corporates, as published by Moody's Investors Service, Inc.
 - (c) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on a year of issue basis, except as stated in paragraph (b) above, with guarantee duration in excess of ten (10) years, the lesser of the average over a period of thirty-six (36) months and the average over a period of twelve (12) months, ending on June 30 of the calendar year of issue or purchase, of Moody's Corporate Bond Yield Average - Monthly Average Corporates, as published by Moody's Investors Service, Inc.
 - (d) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on a year of issue basis, except as stated in paragraph (b) above, with guarantee duration of ten (10) years or less, the average over a period of twelve (12) months, ending on June 30 of the calendar year of issue or purchase, of Moody's Corporate Bond Yield Average - Monthly Average Corporates, as published by Moody's Investors Service, Inc.
 - (e) For other annuities with no cash settlement options and for guaranteed interest contracts with no cash settlement options, the average over a period of twelve (12) months, ending on June 30 of the calendar year of issue or purchase, of Moody's Corporate Bond Yield Average - Monthly Average Corporates, as published by Moody's Investors Service, Inc.
 - (f) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on a change in fund basis, except as stated in paragraph (b) above, the average over a period of twelve (12) months, ending on June 30 of the calendar year of the change in the fund, of Moody's Corporate Bond Yield Average - Monthly Average Corporates, as published by Moody's Investors Service, Inc.
 - (5) In the event that Moody's Corporate Bond Yield Average - Monthly Average Corporates is no longer published by Moody's Investors Service, Inc., or in the event that the National Association of Insurance Commissioners determines that Moody's Corporate Bond Yield Average - Monthly Average Corporates as published by Moody's Investors Service, Inc. is no longer appropriate for the determination of the reference interest rate, then an alternative method for determination of the reference interest rate, which is adopted by the National Association of Insurance Commissioners and approved by regulation promulgated by the *commissioner* ~~executive director~~, may be substituted.

➔Section 1105. KRS 304.12-013 is amended to read as follows:

- (1) The purpose of this section is to prohibit unfair or deceptive practices in the transaction of life and health insurance with respect to the human immunodeficiency virus infection and related matters. This section applies to all life and health insurance contracts which are delivered or issued for delivery in Kentucky on or after July 13, 1990.
- (2) This section shall not prohibit an insurer from contesting the validity of an insurance contract or whether a claim is covered under an insurance contract to the extent allowed by law.
- (3) As used in this section:
 - (a) "Human immunodeficiency virus" (HIV) means the causative agent of acquired immunodeficiency syndrome (AIDS) or any other type of immunosuppression caused by the human immunodeficiency virus;

- (b) "Insurance contract" means a contract issued by an insurer as defined in this section; and
 - (c) "Insurer" means an insurer, a nonprofit hospital, medical-surgical, dental, and health service corporation, a health maintenance organization, or a prepaid dental plan organization.
- (4) (a) In the underwriting of an insurance contract regarding human immunodeficiency virus infection and health conditions derived from such infection, the insurer shall utilize medical tests which are reliable predictors of risk. Only a test which is recommended by the Centers for Disease Control or by the Food and Drug Administration is deemed to be reliable for the purposes of this section. If a specific Centers for Disease Control or Food and Drug Administration-recommended test indicates the existence or possible existence of human immunodeficiency virus infection or a health condition related to the human immunodeficiency virus infection, before relying on a single test to deny issuance of an insurance contract, limit coverage under an insurance contract, or to establish the premium for an insurance contract, the insurer shall follow the applicable Centers for Disease Control or Food and Drug Administration-recommended test protocol and shall utilize any applicable Centers for Disease Control or Food and Drug Administration-recommended follow-up tests or series of tests to confirm the indication.
- (b) Prior to testing, the insurer shall disclose in writing its intent to test the applicant for the human immunodeficiency virus infection or for a specific health condition derived therefrom and shall obtain the applicant's written informed consent to administer the test. Written informed consent shall include a fair explanation of the test, including its purpose, potential uses and limitations, the meaning of its results, and the right to confidential treatment of information. Use of a form prescribed by the ~~department~~~~office~~ shall raise a conclusive presumption of informed consent.
 - (c) An applicant shall be notified of a positive test result by a physician designated by the applicant, or, in the absence of such designation, by the Cabinet for Health and Family Services. The notification shall include:
 1. Face-to-face post-test counseling on the meaning of the test results, the possible need for additional testing, and the need to eliminate behavior which might spread the disease to others;
 2. The availability in the geographic area of any appropriate health-care services, including mental health care, and appropriate social and support services;
 3. The benefits of locating and counseling any person by whom the infected person may have been exposed to human immunodeficiency virus and any person whom the infected person may have exposed to the virus; and
 4. The availability, if any, of the services of public health authorities with respect to locating and counseling any person described in subparagraph 3. of this paragraph.
 - (d) A medical test for human immunodeficiency virus infection or for a health condition derived from the infection shall only be required or given to an applicant for an insurance contract on the basis of the applicant's health condition or health history, on the basis of the amount of insurance applied for, or if the test is required of all applicants.
 - (e) An insurer may ask whether an applicant for an insurance contract has been tested positive for human immunodeficiency virus infection or other health conditions derived from such infection. Insurers shall not inquire whether the applicant has been tested for or has received a negative result from a specific test for human immunodeficiency virus infection or for a health condition derived from such infection.
 - (f) Insurers shall maintain strict confidentiality of the results of tests for human immunodeficiency virus infection or a specific health condition derived from human immunodeficiency virus infection. Information regarding specific test results shall be disclosed only as required by law or pursuant to a written request or authorization by the applicant. Insurers may disclose results pursuant to a specific written request only to the following persons:
 1. The applicant;
 2. A licensed physician or other person designated by the applicant;

3. An insurance medical-information exchange under procedures that are used to assure confidentiality, such as the use of general codes that also cover results of tests for other diseases or conditions not related to human immunodeficiency virus infection;
 4. For the preparation of statistical reports that do not disclose the identity of any particular applicant;
 5. Reinsurers, contractually retained medical personnel, and insurer affiliates if these entities are involved solely in the underwriting process and under procedures that are designed to assure confidentiality;
 6. To insurer personnel who have the responsibility to make underwriting decisions; and
 7. To outside legal counsel who needs the information to represent the insurer effectively in regard to matters concerning the applicant.
- (g) Insurers shall use for the processing of human immunodeficiency virus-related tests only those laboratories that are certified by the United States Department of Health and Human Services under the Clinical Laboratory Improvement Act of 1967, which permit testing of specimens in interstate commerce, and which subject themselves to ongoing proficiency testing by the College of American Pathologists, the American Association of Bioanalysts, or an equivalent program approved by the Centers for Disease Control.
- (5) (a) An insurance contract shall not exclude coverage for human immunodeficiency virus infection. An insurance contract shall not contain benefit provisions, terms, or conditions which apply to human immunodeficiency virus infection in a different manner than those which apply to any other health condition. Insurance contracts which violate this paragraph shall be disapproved by the **commissioner**~~executive director~~ pursuant to KRS 304.14-130(1)(a), 304.32-160, and 304.38-050.
- (b) A health insurance contract shall not be canceled or nonrenewed solely because a person or persons covered by the contract has been diagnosed as having or has been treated for human immunodeficiency virus infection.
- (c) Sexual orientation shall not be used in the underwriting process or in the determination of which applicants shall be tested for exposure to the human immunodeficiency virus infection. Neither the marital status, the living arrangements, the occupation, the gender, the beneficiary designation, nor the zip code or other territorial classification of an applicant's sexual orientation.
- (d) This subsection does not prohibit the issuance of accident only or specified disease insurance contracts.

➔Section 1106. KRS 304.12-030 is amended to read as follows:

- (1) As used in this section:
- (a) "Replacement" means any transaction in which a new life insurance policy or annuity contract is to be purchased and it is known or should be known to the proposing producer, or to the proposing insurer if there is no producer, that by reason of the transaction, an existing life insurance policy or annuity contract has been or is to be:
 1. Lapsed, forfeited, surrendered or partially surrendered, assigned to the replacing insurer, or otherwise terminated;
 2. Converted to reduced paid-up insurance, continued as extended term insurance, or otherwise reduced in value by the use of nonforfeiture benefits or other policy values;
 3. Amended so as to effect either a reduction in benefits or in the term for which coverage would otherwise remain in force or for which benefits would be paid;
 4. Reissued with any reduction in cash value; or
 5. Used in a financed purchase;
 - (b) "Existing insurer" means the insurance company whose existing life insurance policy or annuity contract is or will be changed or affected in a manner described within the definition of replacement transaction;
 - (c) "Replacing insurer" means the insurance company that issues or proposes to issue a new life insurance policy or annuity contract that replaces an existing policy or contract or is a financed purchase;

- (d) "Existing life insurance policy or annuity contract" means any individual life insurance policy or annuity in force, including a life insurance policy under a binding or conditional receipt or a life insurance policy or annuity contract that is within an unconditional refund period;
 - (e) "Financed purchase" means the purchase of a new policy involving the actual or intended use of funds obtained by the withdrawal or surrender of, or by borrowing from values of, an existing policy to pay all or part of any premium due on the new policy. If a withdrawal, surrender, or borrowing involving the policy values of an existing policy is used to pay premiums on a new policy owned by the same policyholder and issued by the same company within four (4) months before or thirteen (13) months after the effective date of the new policy, it is prima facie evidence of the policyholder's intent to finance the purchase of the new policy with existing policy values. This prima facie standard does not affect the monitoring obligations of the existing insurer; and
 - (f) "Direct-response solicitation" means a solicitation through a sponsoring or endorsing entity or individual solely through mails, telephone, the Internet, or mass communication media.
- (2) No replacing insurer shall issue any life insurance policy or annuity contract in a replacement transaction to replace an existing life insurance policy or annuity contract unless the replacing insurer shall agree in writing with the insured that:
- (a) The new life insurance policy or annuity contract issued by the replacing insurer will not be contestable by it in the event of such insured's death to any greater extent than the existing life insurance policy or annuity contract would have been contestable by the existing insurer had such replacement not taken place provided, however, that this paragraph shall not apply to that amount of insurance written and issued which exceeds the amount of the existing life insurance; and
 - (b) The policy or contract owner shall have the right to return the policy or contract within thirty (30) days of the delivery of the policy or contract and receive an unconditional full refund of all premiums or considerations paid on it, including any policy fees or charges, or in the case of a variable or market adjustment policy or contract, a payment of the cash surrender value provided under the policy or contract plus the fees and other charges deducted from the gross premiums or considerations or imposed under such policy or contract.
- (3) Unless otherwise specifically included, subsection (2) of this section shall not apply to:
- (a) Credit life insurance;
 - (b) Group life insurance or group annuities where there is no direct solicitation of individuals by an insurance producer. Direct solicitation shall not include any group meeting held by an insurance producer solely for the purpose of educating or enrolling individuals or, when initiated by an individual member of the group, assisting with the selection of investment options offered by a single annuity provider in connection with enrolling that individual. The ~~commissioner~~~~executive director~~ shall promulgate administrative regulations for group life insurance or group annuity certificates marketed through direct response solicitation;
 - (c) Group life insurance and annuities used to fund prearranged funeral contracts;
 - (d) An application to the existing insurer that issued the existing policy or contract when a contractual policy change or conversion privilege is being exercised, or when the existing policy or contract is being replaced by the same insurer pursuant to a program filed with and approved by the ~~commissioner~~~~executive director~~;
 - (e) Existing life insurance that is a nonconvertible term life insurance policy which will expire in five (5) years or less and cannot be renewed; or
 - (f) Proposed life insurance that is to replace life insurance under a binding or conditional receipt issued by the same company;
 - (g) Policies or contracts used to fund:
 1. An employee pension or welfare benefit plan that is covered by the Employee Retirement and Income Security Act (ERISA);

2. A plan described by Sections 402(a), 401(k) or 403(b) of the Internal Revenue Code, where the plan, for purposes of ERISA, is established or maintained by an employer;
3. A governmental or church plan defined in Section 414 of the Internal Revenue Code, a governmental or church welfare benefit plan, or a deferred compensation plan of a state or local government or tax exempt organization under Section 457 of the Internal Revenue Code; or
4. A nonqualified deferred compensation arrangement established or maintained by an employer or plan sponsor.

Notwithstanding the provisions of this paragraph, subsection (2) of this section shall apply to policies or contracts used to fund any plan or arrangement that is funded solely by contributions an employee elects to make, whether on a pre-tax or after-tax basis, and where the insurer has been notified that plan participants may choose from among two (2) or more insurers and there is a direct solicitation of an individual employee by an insurance producer for the purchase of a contract or policy. As used in this paragraph, direct solicitation shall not include any group meeting held by an insurance producer solely for the purpose of educating individuals about the plan or arrangement or enrolling individuals in the plan or arrangement or, when initiated by an individual employee, assisting with the selection of investment options offered by a single insurer in connection with enrolling that individual employee;

- (h) Where new coverage is provided under a life insurance policy or contract and the cost is borne wholly by the insured's employer or by an association of which the insured is a member;
 - (i) Immediate annuities that are purchased with proceeds from an existing contract. Immediate annuities purchased with proceeds from an existing policy are not exempted from the requirements of this section; or
 - (j) Structured settlements.
- (4) No person shall make or issue, or cause to be made or issued, any written or oral statement of a material fact which is untrue or omit to state a material fact necessary in order to make the statements made, in the light of circumstances under which they were made, not misleading with respect to comparisons as to the terms, conditions, or benefits contained in any policy for the purpose of inducing or attempting or tending to induce the policyholder to lapse, forfeit, borrow against, surrender, retain, exchange, modify, convert, or otherwise affect or dispose of any insurance policy.

➔Section 1108. KRS 304.12-090 is amended to read as follows:

- (1) No insurer or employee or representative thereof shall knowingly charge, demand, or receive a premium for any insurance policy except in accordance with the applicable filing on file with the **commissioner**~~executive director~~. No such insurer, employee, or representative shall pay, allow, or give, or offer to pay, allow, or give, directly or indirectly, as an inducement to insurance or after insurance has been effected, any rebate, discount, abatement, credit or reduction of the premium named in a policy, or any special favor or advantage in the dividends or other benefits to accrue thereon, or any valuable consideration or inducements whatever, or give, sell, or purchase, or offer to give, sell, or purchase anything of value whatsoever not specified in the policy, except to the extent provided for in such applicable filing.

➔Section 1109. KRS 304.12-120 is amended to read as follows:

- (1) If, after a hearing conducted in accordance with KRS Chapter 13B, the *commissioner*~~[executive director]~~ finds that any person in this state has engaged or is engaging in any act or practice defined in or prohibited under this subtitle, the *commissioner*~~[executive director]~~ shall order the person to desist from the act or practice.
- (2) A desist order shall become final upon expiration of the time allowed for appeals from the *commissioner's*~~[executive director's]~~ final order, if no appeal is taken, or, in the event of an appeal, upon final decision of the court if the court affirms the *commissioner's*~~[executive director's]~~ final order or dismisses the appeal. An intervenor in such hearing shall have the right to appeal as provided in subsection (3) of KRS 304.12-130.
- (3) In an appeal, to the extent that the *commissioner's*~~[executive director's]~~ final order is affirmed, the court shall issue its own order commanding obedience to the terms of the *commissioner's*~~[executive director's]~~ final order.
- (4) No final order of the *commissioner*~~[executive director]~~ pursuant to this section or order of court to enforce it shall in any way relieve or absolve any person affected by the order from any other liability, penalty, or forfeiture under law.

➔Section 1110. KRS 304.12-130 is amended to read as follows:

- (1) If the *commissioner*~~[executive director]~~ believes that any person engaged in the insurance business is engaging in this state in any method of competition or in any act or practice in the conduct of such business which is not defined in this subtitle but that such method of competition is unfair, deceptive, or not in the public interest, or that such act or practice is unfair or deceptive and that a proceeding by *the commissioner*~~[him]~~ in respect thereto would be in the public interest, *the commissioner*~~[he]~~ shall, after a hearing of which notice of the hearing and of the charges against *the person*~~[him]~~ are given such person, make a written report of his *or her* findings of fact relative to such charges and serve a copy thereof upon such person and any intervenor at the hearing.
- (2) If such report charges a violation of this subtitle and if such method of competition, act or practice has not been discontinued, the *commissioner*~~[executive director]~~ may, or through the Attorney General, at any time after the service of such report, cause an action to be instituted to enjoin and restrain such person from engaging in such method, act, or practice. In such action the court may grant a restraining order or injunction upon such terms as may be just; but the people of this Commonwealth shall not be required to give security before the issuance of any such order or injunction. If a stenographic record of the proceedings in the hearing before the *commissioner*~~[executive director]~~ was made, a certified transcript thereof including all evidence taken and the report and findings shall be received in evidence in such action.
- (3) If the *commissioner's*~~[executive director's]~~ report made pursuant to subsection (1) of this section or order on hearing made pursuant to KRS 304.12-120 does not charge a violation of this subtitle, then any intervenor in the proceedings may appeal therefrom within the time and in the manner provided in this code for appeals from the *commissioner*~~[executive director]~~ generally.

➔Section 1111. KRS 304.12-150 is amended to read as follows:

Upon notice of any refusal of an adequate policy, the *commissioner*~~[executive director]~~ shall order the creditor or lender to accept the tendered policy, if he *or she* determines that such refusal is not in accordance with the requirements set out in subsection (2) of KRS 304.12-140. Failure to comply with the order of the *commissioner*~~[executive director]~~ shall be deemed a violation of this section.

➔Section 1112. KRS 304.12-240 is amended to read as follows:

- (1) As used in this section, unless the context requires otherwise:

As used in this subtitle, unless the context requires otherwise:

- (1) A "market" is the interaction between buyers and sellers consisting of a product market component and a geographic market component. A product market component consists of identical or readily substitutable products including but not limited to consideration of coverage, policy terms, rate classifications, and underwriting. A geographic market component is a geographical area in which buyers have a reasonable degree of access to insurance sales outlets. Determination of a geographic market component shall consider existing market patterns.
- (2) "Supplementary rating information" includes any manual or plan of rates, classification, rating schedule, minimum premium, policy fees, rating rules, or any other similar information needed to determine the applicable rate or premium. This shall include underwriting rules, but only to the extent necessary to determine the rate or premium that will be applicable to a risk should the insurer decide to provide coverage. This does not include guidelines that relate to the selection of those risks that are acceptable to an insurer.
- (3) "Supporting information" is the experience and judgment of the filer and the experience or data of other insurers or organizations relied on by the filer, the interpretation of any other data relied on by the filer, descriptions of methods used in making the rates, and any other information required to be filed by the **commissioner**~~executive director~~.
- (4) "Personal risks" means homeowners, tenants, private passenger nonfleet automobiles, mobile homes, and other property and casualty insurance for personal, family, or household needs.
- (5) "Commercial risks" are any kinds of risks that are not personal risks.
- (6) "Joint underwriting" is a voluntary arrangement established to provide insurance coverage for a risk pursuant to which two (2) or more insurers jointly contract with the insured at a price and under policy terms agreed on between the insurers.
- (7) A "pool" is a voluntary arrangement, other than by a contract of reinsurance, established on a general and continuing basis pursuant to which two (2) or more insurers participate in the sharing of risks on a predetermined basis. A pool may operate through an association, syndicate or other pooling agreement.
- (8) A "residual market mechanism" is an agreement, either voluntary or mandated by law, involving participation by insurers in the equitable apportionment among them of insurance that may be afforded applicants who are unable to obtain insurance through ordinary methods.
- (9) An "advisory organization" is any entity, including its affiliates or subsidiaries, which either has two (2) or more member insurers or is controlled either directly or indirectly by two (2) or more insurers and which

assists insurers in ratemaking related activities. Two (2) or more insurers having a common ownership or operating in this state under common management or control constitute a single insurer for purposes of this definition.

- (10) A "competitive market" is a market that has not been found to be noncompetitive pursuant to KRS 304.13-041 and for which no such order is in effect.
- (11) A "noncompetitive market" is a market for which there is an order in effect pursuant to KRS 304.13-041 that a reasonable degree of competition does not exist.
- (12) "Trending" is any procedure for projecting developed losses to the average date of loss, or premiums or exposures to the average date of writing, for the period during which the policies are to be effective.

- (14) "Profit" is the portion of any rate attributable to funds needed for growth, contingencies, and return to stockholders.
- (15) "Pure premium" means the loss cost per unit of exposure excluding all loss adjustment expenses.
- (16) "Classification system" or "classification" means the process of grouping risks with similar risk characteristics so that differences in cost may be recognized.
- (17) "Developed losses" means losses (including loss adjustment expenses) adjusted, using standard actuarial techniques, to their ultimate anticipated value.
- (18) "Experience rating" means a rating procedure utilizing past insurance experience of the individual policyholder to forecast future losses by measuring the policyholder's loss experience against the loss experience of policyholders in the same classification to produce a prospective premium credit, debit, or unity modification.
- (19) "Form provider" means a person who prepares, files, and distributes policy contract forms and endorsements and consults with members, subscribers, customers, or others relative to their use and application, but is not an advisory organization as defined in this subtitle.
- (20) "Loss adjustment expenses" means the expenses incurred by the insurer in the course of settling claims.
- (21) "Prospective loss costs" means that portion of a rate that does not include provisions for expenses (other than loss adjustment expenses) or profit, and are based on historical aggregate losses or output from simulation models and loss adjustment expenses adjusted through development to their ultimate value and projected through trending to a future point in time. Loss costs, derived in part or entirely upon output from simulation models, must be approved by the *commissioner*~~executive director~~ before they become effective.
- (22) "Rate" means the expected value of the future cost of insurance per exposure unit which accounts for the treatment of losses, expenses, and profit prior to any application of individual risk variations based on loss or expense considerations, but does not include minimum premium.
- (23) "Special assessments" means guaranty fund assessments, residual market mechanism assessments, and other similar assessments which are included in ratemaking. Special assessments shall not be considered as either expenses or losses. ➔Section 1115. KRS 304.13-041 is amended to read as follows:

- (1) A competitive market for any line of insurance is presumed to exist unless the *commissioner*~~executive director~~, after a hearing, determines that a reasonable degree of competition does not exist in the market for such line and issues an order to that effect. Such an order shall expire no later than one (1) year after it is issued. In determining whether a reasonable degree of competition exists, the *commissioner*~~executive director~~

~~director~~ shall consider all relevant information pertaining to the market and the opportunities available to consumers in the market to acquire pricing and other consumer information, and to compare and obtain insurance from competing insurers.

- (2) The **commissioner**~~{executive director}~~ shall monitor the degree of competition in this Commonwealth. In doing so, **the commissioner**~~{he}~~ may utilize existing relevant information or ~~{he}~~ may develop new relevant information. The activities may be conducted internally within the **Department**~~{Office}~~ of Insurance, in cooperation with other state insurance departments, through outside contractors, or in any other appropriate manner. The relevant information in determining the competitiveness of a specific market may include the number of insurers actively engaged in providing coverage, market shares, and changes in market shares and ease of entry.

➔Section 1116. KRS 304.13-051 is amended to read as follows:

- (1) In a competitive market, every insurer shall file with the **commissioner**~~{executive director}~~ rates and supplementary information to be used in this state for commercial risks as designated by the **commissioner**~~{executive director}~~ and for all personal risks. The rates and supplementary rate information shall be filed not later than fifteen (15) days after the date of first use of the rates, unless the **commissioner**~~{executive director}~~ finds after a hearing that an insurer's rates require closer supervision because of the insurer's financial condition. On a finding, rates for both personal and commercial risks, supplementary rate information, and supporting information shall be filed with the **commissioner**~~{executive director}~~ at least thirty (30) days before the effective date of the rates. An order shall expire no later than one (1) year after it is issued.
- (2) In a noncompetitive market, every insurer shall file with the **commissioner**~~{executive director}~~ all rates for that market, supplementary rate information, and supporting information at least thirty (30) days before the proposed effective date of the rates. On application of the filer, the **commissioner**~~{executive director}~~ may authorize an earlier effective date.
- (3) Any rate filing in effect at the time the **commissioner**~~{executive director}~~ determines that competition does not exist pursuant to KRS 304.13-041 shall be deemed to be effective until disapproved pursuant to the procedures and rating standards of this chapter.
- (4) Every insurer shall file with the **commissioner**~~{executive director}~~ all rating manuals and underwriting rules that it uses in this state not later than fifteen (15) days after they become effective. Manuals, rules, and guidelines must be adhered to until amended. The **commissioner**~~{executive director}~~ may exempt an insurer from filing supporting information if it files by reference, with or without deviation, to a filing which is in effect for another insurer or an advisory organization.
- (5) (a) No insurer shall place into effect any rates, manuals, or underwriting rules which it proposes to use pursuant to subsection (1) or (4) of this section if the rates, manuals or underwriting rules will result in an increase or decrease of more than twenty-five percent (25%) from the insurer's then existing rates for any classification of risks in any of its rating territories within a twelve (12) month period of time.
- (b) Any insurer which proposes to change its then existing rates, manuals, or underwriting rules so as to effectively increase or decrease the rates of any classification of risks within any rating territory more than twenty-five percent (25%) within a twelve (12) month period shall file all the rates and supplemental rating information which shall not become effective until approved by the **commissioner**~~{executive director}~~.
- (6) Rates and supplemental rating information for a residual market mechanism shall not become effective until approved by the **commissioner**~~{executive director}~~.
- (7) The **commissioner**~~{executive director}~~ shall review filings made in accordance with subsections (2), (5)(b) and (6) of this section as soon as reasonably possible after they have been made in order to determine whether they meet the applicable requirements of this chapter. Each filing shall be on file for a waiting period of thirty (30) days before it becomes effective, which period may be extended by the **commissioner**~~{executive director}~~ for an additional period not to exceed thirty (30) days if he **or she** gives written notice within the waiting period to the insurer which made the filing that additional time is needed for consideration of the filing. The **commissioner**~~{executive director}~~ may, when he **or she** deems it to be in the public interest, hold a public hearing on any filing before the filing becomes effective to determine whether the filing meets the requirements of this subtitle. In the event that a hearing is held under the provisions of this subsection, the waiting periods specified in this subsection shall not begin to run until thirty (30) days after the close of the hearing. The

burden of establishing that the filing under consideration meets the requirements of this subtitle is on the insurer which makes the filing. A filing shall be deemed to meet the requirements of this subtitle unless disapproved by the **commissioner**~~[executive director]~~ within the waiting period or any extension thereof.

- (8) At any hearing concerning an increase in worker's compensation rates conducted pursuant to subsection (7), the **commissioner**~~[executive director]~~ may approve a rate other than one that has been proposed by the filer if it is justified by the evidence presented at the hearing.

Sess.) Ky. Acts ch. 1. Within sixty (60) days of receipt of the workers' compensation filing, the **commissioner**~~[executive director]~~ shall approve or disapprove the filing. Insurers may incorporate these approved estimates in the filings made pursuant to subsection (2) of this section.
- (2) Insurers shall file workers' compensation rates incorporating an actuarially-justified estimate of changes in prospective losses attributable to any net savings under 1996 (1st Extra. Sess.) Ky. Acts ch. 1 for use with workers' compensation policies issued or renewed after May 1, 1997. Workers' compensation rates shall be filed with and approved by the **commissioner**~~[executive director]~~ as provided in KRS 304.13-051(2).
- (3) Unless the **commissioner**~~[executive director]~~ enters an order pursuant to KRS 304.13-041 declaring workers' compensation to be a noncompetitive market, rates filed for use after December 31, 1998, shall be filed pursuant to KRS 304.13-051(1).
- (4) Notwithstanding the provisions of KRS 304.13-051 to the contrary, after December 31, 1998, no insurer providing workers' compensation insurance shall place into effect any rates, manuals, or underwriting rules for workers' compensation insurance which it proposes to use pursuant to KRS 304.13-051(1) or (4) if the rates, manuals, or underwriting rules will result in an increase or decrease of more than fifteen percent (15%) from the workers' compensation insurer's then-existing workers' compensation insurance rates for any classification of risks within a twelve (12) month period of time.
- (5) After December 31, 1998, any workers' compensation insurer which proposes to change its then-existing rates, manuals, or underwriting rules so as to effectively increase or decrease the rates of any classification of risks more than fifteen percent (15%) within a twelve (12) month period shall file all the rates and supplemental rating information which shall not become effective until approved by the **commissioner**~~[executive director]~~ pursuant to the provisions of KRS 304.13-051.

➔Section 1118. KRS 304.13-055 is amended to read as follows:

With respect to any filing which, if approved, would result in a reduction of rates, the **commissioner**~~[executive director]~~ shall immediately order the proposed rates to be effective. If upon the **commissioner's**~~[executive director's]~~ review of the filing or as a result of a public hearing it appears that the proposed rates should be further reduced, the **commissioner**~~[executive director]~~ may order the insurer or rating organization to show cause within thirty (30) days why such rates should not be further reduced in accordance with the order.

➔Section 1119. KRS 304.13-057 is amended to read as follows:

 - (d) Any other relevant factors.
- (2) The **commissioner**~~{executive director}~~ may adopt reasonable administrative regulations for use by insurers to record and report to the **commissioner**~~{executive director}~~ their rates and other information determined by the **commissioner**~~{executive director}~~ to be necessary or appropriate for the administration of KRS 304.13-011 to 304.13-161, and the effectuation of its purposes. The **commissioner**~~{executive director}~~ may adopt reasonable administrative regulations to assure that the experience of all insurers is made available at least annually in such form and detail as is necessary to aid in determining whether rating systems comply with the standards set forth in this subtitle. The **commissioner**~~{executive director}~~ may designate one (1) or more advisory organizations or statistical agents to assist him *or her* in gathering, compiling, and reporting such information, which shall be a matter of public record. The scope of these rules may include the data which must be reported by insurers, definitions of data elements, the timing and frequency of statistical reporting by insurers, data quality standards, data edit and audit requirements, data retention requirements, reports to be generated by advisory organizations or statistical agents to fulfill the requirements of this section, and the timing of such reports.
 - (3) The **commissioner**~~{executive director}~~ may promulgate administrative regulations for the interchange of data necessary for the application of rating plans.

The reduction in premium charges for members of the United States Armed Forces who complete a defensive driving course provided by the United States Armed Forces shall be actuarially sound. There shall, however, be no reduction in premiums for a self-instructed course or for a course which does not provide for classroom or field driving instruction for a minimum number of hours, to be determined by the Transportation Cabinet.
- (2) All insurance companies writing automobile liability and physical damage insurance in Kentucky shall allow an appropriate reduction in premium charges to all eligible persons subject to this section.

The effect of a final order shall be stayed during the pendency of the appeal and the existing rate shall remain in effect until the final conclusion thereof.

- (2) At any hearing concerning an increase in worker's compensation rates conducted pursuant to subsection (1), the **commissioner**~~{executive director}~~ may approve a rate other than one that has been proposed by the filer if it is justified by the evidence presented at the hearing.

➔Section 1124. KRS 304.13-081 is amended to read as follows:

- (1) All rates, supplementary rate information, and supporting information filed under KRS 304.13-011 to 304.13-161 shall be open to public inspection at any reasonable time. Copies may be obtained by any person on request and on payment of a charge specified in Subtitle 4 of this chapter.

Such activity may be conducted internally within the **department**~~{office}~~, in cooperation with other state insurance departments, through outside contractors, or in any other appropriate manner. - (5) If the **commissioner**~~[executive director]~~ finds that the applicant and the natural persons through whom it acts are competent, trustworthy, and technically qualified to provide the services proposed, and that all requirements of the law are met, he or she shall issue a license specifying the authorized activity of the applicant. The **commissioner**~~[executive director]~~ shall not issue a license if the proposed activity would tend to create a monopoly or to substantially lessen the competition in any market. At the request of the licensee, licenses issued under this section may be renewed on an annual basis.
- (6) Licenses issued pursuant to this section shall remain in effect for one (1) year unless:
- The licensee fails to pay fees required by law for the continuance or renewal of its license;

- Distribute information that is required or directed to be filed with the **commissioner**~~[executive director]~~;

- (3) No insurer shall agree with any other insurer or with an advisory organization to mandate adherence to, or to mandate use of, any rate, prospective loss cost, rating plan, rating schedule, rating rule, policy or bond form, rate classification, rate territory, underwriting rule, survey, inspection or similar material, except as needed to facilitate the reporting of statistics to advisory organizations, statistical agents, or the *commissioner*~~[executive director]~~. The fact that two (2) or more insurers, whether or not members or subscribers of an advisory organization, use consistently or intermittently the same rates, prospective loss cost, rating plans, rating schedules, rating rules, policy or bond forms, rate classifications, rate territories, underwriting rules, surveys, or inspections or similar materials is not sufficient in itself to support a finding that an agreement exists.
- (4) Two (2) or more insurers having a common ownership or operating in this state under common management or control may act in concert between or among themselves with respect to any matters pertaining to those activities authorized in this chapter as if they constituted a single insurer.

➔Section 1129. KRS 304.13-141 is amended to read as follows:

- (1) The *commissioner*~~[executive director]~~ may examine any insurer, pool, advisory organization, statistical agent, form provider, or residual market or joint underwriting mechanism as deemed necessary to ascertain compliance with this chapter. - (2) Every insurer, pool, advisory organization, statistical agent, and residual market or joint underwriting mechanism shall maintain reasonable records, adapted to its method of operation, containing its experience or the experience of its members. Records shall include the statistics and other information used by it in its activities. The records shall be available at all reasonable times and at a reasonable location to enable the *commissioner*~~[executive director]~~ to determine whether the activities of an insurer, pool, advisory organization, statistical agent, residual market or joint underwriting mechanism are in compliance with this chapter.
- (3) In lieu of an examination, the *commissioner*~~[executive director]~~ may accept the report of an examination by the insurance supervisory official of another state, if the report is made pursuant to the laws of that state.

- (1) Notwithstanding KRS 304.13-131(2)(a), insurers participating in joint underwriting, joint reinsurance pools, or residual market mechanisms may, in connection with such activity, cooperate with each other in the making of rates, rating systems, policy forms, underwriting rules, surveys, inspections and investigations, the furnishing of loss and expense statistics or other information, or carrying on research. Joint underwriting, joint reinsurance pools, and residual market mechanisms shall not be deemed advisory organizations.

- (3) Every pool shall file with the **commissioner**~~{executive director}~~ a copy of its constitution, bylaws, rules, and regulations governing its activities, and articles of incorporation, agreement, or association. It shall also file with the **commissioner**~~{executive director}~~ a list of its members and the name and address of a resident of this state on whom notices or orders of the **commissioner**~~{executive director}~~ or process may be served, and any changes in amendments or changes in the foregoing.
- (4) Any residual market mechanism, plan, or agreement to implement a residual market mechanism, and any changes or amendments in the plan shall be submitted in writing to the **commissioner**~~{executive director}~~ for consideration and approval, together with any other information as may be reasonably required. The **commissioner**~~{executive director}~~ shall approve only those agreements that he or she finds contemplates both the use of rates which meet the standards of this chapter and activities and practices, that are not unfair, unreasonable, or otherwise inconsistent with the provisions of this chapter. At any time after any agreements are in effect, the **commissioner**~~{executive director}~~ may review the practices and activities of the adherents to these agreements and if, after a hearing, the **commissioner**~~{executive director}~~ finds that any practice or activity is unfair or unreasonable, or is otherwise inconsistent with the provisions of this chapter, the **commissioner**~~{executive director}~~ may issue a written order to the parties and either require the discontinuance of these acts or revoke approval of any such agreement.
- (5) If the **commissioner**~~{executive director}~~ finds after a hearing that any activity or practice of an insurer participating in joint underwriting or a pool is unfair, is unreasonable, will tend to lessen competition in any market, or is otherwise inconsistent with the provisions or purposes of this chapter, an order may be issued requiring the discontinuance of the activity or practice.
- (6) As a condition of its authority under this chapter to transact casualty insurance (as defined in KRS 304.5-070) in this state, every insurer so authorized shall become and remain a signatory to the "Kentucky automobile insurance plan" as it is presently formulated or as it is hereafter amended with the approval of the **commissioner**~~{executive director}~~. If the insurer or advisory organization grants the request, the review shall be conducted within ninety (90) days of receiving the request. If the insurer or advisory organization fails to grant or rejects a request within thirty (30) days, the aggrieved person may proceed in the same manner as if the review produced no change in the application of the rate.
- (2) Any party affected by the action made on the request for review may within thirty (30) days of written notice of action appeal to the **commissioner**~~{executive director}~~ for further review of the application of the rating system. The **commissioner**~~{executive director}~~ shall hold a hearing in accordance with KRS Chapter 13B on a showing of good cause. The **commissioner**~~{executive director}~~ may after the hearing issue a final order affirming, modifying, or reversing the action of the insurer or advisory organization.
- (3) For workers' compensation coverage, each insurer or agent shall notify in writing each insured at the time a workers' compensation insurance policy is issued or renewed on or after May 1, 1997, of the insured's rights afforded by this section. The *commissioner*~~{executive director}~~ may, upon giving written notice to the advisory organization, request additional information that is needed to complete the review of the filing. If the *commissioner*~~{executive director}~~ requests such additional information prior to the filing becoming effective, the filing shall become effective thirty (30) days after the additional information is provided to the *commissioner*~~{executive director}~~.

 - (a) As to forms for use in property, marine (other than wet marine and transportation insurance), casualty and surety insurance coverages (other than accident and health) the filing required by this subsection may be made by advisory organizations or form providers on behalf of their members and subscribers; but this provision shall not be deemed to prohibit any such member or subscriber from filing any such forms on its own behalf.

- (d) The maximum rate for each policy shall be determined at regular intervals at least once every twelve (12) months, but not more frequently than once in any three (3) month period. At the intervals specified in the policy:
 1. The rate being charged may be increased whenever such increase as determined under paragraph (b) of this subsection would increase the rate by one-half of one percent (0.5%) or more per annum;
 2. The rate being charged shall be reduced whenever such reduction as determined under paragraph (b) of this subsection would decrease that rate by one-half of one percent (0.5%) or more per annum.
- (e) The life insurer shall:
 1. Notify the policyholder at the time an advance of cash is made of the initial rate of interest on the loan;
 2. Notify the policyholder with respect to premium loans of the initial rate of interest on the loan as soon as it is reasonably practical to do so after making the initial loan. Notice need not be given to the policyholder when a further premium loan is added, except as provided in subparagraph 3. of this paragraph;
 3. Send to policyholders with loans reasonable advance notice of any increase in the rate; and
 4. Include in the notices required in subparagraphs 1., 2., and 3. of this paragraph the substance of the pertinent provisions of paragraphs (a) and (c) of this subsection.
- (f) The loan value of the policy shall be determined in accordance with KRS 304.15-110, but no policy shall terminate in a policy year as the sole result of changes in the interest rate during that policy year. The life insurer shall maintain coverage during that policy year until such time at which it would otherwise have terminated if there had been no change during that policy year;
- (g) The substance of the pertinent provisions of paragraphs (a) and (c) of this subsection shall be set forth in the policies to which they apply;
- (h) For the purposes of this section, the rate of interest on policy loans permitted under this section shall include the interest rate charged for reinstatement of policy loans for the period during and after any lapse of a policy;
- (i) No other provision of law shall apply to policy loan interest rates unless such provision specifically applies to such rates.
- (3) The provisions of this section shall not apply to any policy issued before July 13, 1984, unless the policyholder agrees in writing to the applicability of such provisions.

➔Section 1179. KRS 304.15-120 is amended to read as follows:

In case the policy provides that the proceeds may be payable in installments which are determinable at issue of the policy, there shall, except as otherwise permitted by the *commissioner*~~{executive director}~~, be a table showing the amounts of the guaranteed installments.

➔Section 1180. KRS 304.15-175 is amended to read as follows:

- (1) When a life insurance policy has been paid up by completion of all premium payments, the insurer shall provide notice to the *Department*~~{Office}~~ of Insurance within thirty (30) days of completion of all policy payments. The notice to the *department*~~{office}~~ shall include the following information:
 - (a) The name of the policy holder;
 - (b) The last known address of the policy holder;
 - (c) The policy number; and

(d) The date the policy was paid up.

- (2) The **commissioner**~~[executive director]~~ shall retain the notice required by subsection (1) of this section in a manner that will facilitate response to policyholder inquiries regarding their policy in the event of loss or destruction of the policy, or in the event of acquisition or merger of the insurer.

➔Section 1181. KRS 304.15-260 is amended to read as follows:

- (1) No policy of life insurance shall be delivered or issued for delivery in this state if it contains any of the following provisions:

(a) A provision limiting the time within which an action at law or in equity may be commenced on such a policy to less than three (3) years after the cause of action has accrued.

(b) A provision which excludes or restricts liability for death caused in a certain specified manner or occurring while the insured has a specified status, except that a policy may contain provisions excluding or restricting coverage as specified therein in the event of death under any one (1) or more of the following circumstances:

1. Death as a result, directly or indirectly, of war, declared or undeclared, or of action by military forces, or of any act or hazard of such war or action, or of service in the military, naval, or air forces or in civilian forces auxiliary thereto, or from any cause while a member of such military, naval, or air forces of any country at war, declared or undeclared, or of any country engaged in such military action;
2. Death as a result of aviation or any air travel or flight;
3. Death as a result of specified hazardous occupation or occupations;
4. Death while the insured is a resident outside the continental United States and Canada; or
5. Death within two (2) years from the date of issue of the policy as a result of suicide, while sane or insane.

- (2) A policy which contains any exclusion or restriction pursuant to paragraph (b) of subsection (1) of this section, shall also provide that in the event of death under the circumstances to which any such exclusion or restriction is applicable, the insurer will pay an amount not less than a reserve determined according to the commissioner's reserve valuation method upon the basis of the mortality table and interest rate specified in the policy for the calculation of nonforfeiture benefits (or if the policy provides for no such benefits, computed according to a mortality table and interest rate determined by the insurer and specified in the policy) with adjustment for indebtedness or dividend credit.

- (3) This section shall not apply to group life insurance, health insurance, reinsurance, or annuities, or to any provision in a life insurance policy or contract supplemental thereto relating to disability benefits or to additional benefits in the event of death by accident or accidental means.

- (4) Nothing contained in this section shall prohibit any provision which in the opinion of the **commissioner**~~[executive director]~~ is more favorable to the policyholder than a provision permitted by this section.

➔Section 1182. KRS 304.15-310 is amended to read as follows:

- (1) No policy of life insurance, except as stated in KRS 304.15-360 shall be delivered or issued for delivery in this state unless it shall contain, in substance the following provisions, or corresponding provisions which in the opinion of the **commissioner**~~[executive director]~~ are at least as favorable to the defaulting or surrendering policyholder as are the minimum requirements hereinafter specified and are essentially in compliance with KRS 304.15-352:

(a) Paid-up nonforfeiture benefit. That, in the event of default in any premium payment, the insurer will grant, upon proper request not later than sixty (60) days after the due date of the premium in default, a paid-up nonforfeiture benefit on a plan stipulated in the policy, effective as of such due date, of such amount as may be hereinafter specified. In lieu of such stipulated paid-up nonforfeiture benefit, the insurer may substitute, upon proper request not later than sixty (60) days after the due date of the premium in default, an actuarially equivalent alternative paid-up nonforfeiture benefit which provides a

greater amount or longer period of death benefits or, if applicable, a greater amount or earlier payment of endowment benefits.

- (b) Cash surrender value. That, upon surrender of the policy within sixty (60) days after the due date of any premium payment in default after premiums have been paid for at least three (3) full years in the case of ordinary insurance or five (5) full years in the case of industrial insurance, the insurer will pay, in lieu of any paid-up nonforfeiture benefit, a cash surrender value of such amount as may be hereinafter specified.
 - (c) Effective date of benefit. That a specified paid-up nonforfeiture benefit shall become effective as specified in the policy unless the person entitled to make such election elects another available option not later than sixty (60) days after the due date of the premium in default.
 - (d) Cash surrender value if policy paid up. That, if the policy shall have become paid up by completion of all premium payments or if it is continued under any paid-up nonforfeiture benefit which became effective on or after the third policy anniversary in the case of ordinary insurance or the fifth policy anniversary in the case of industrial insurance, the insurer will pay, upon surrender of the policy within thirty (30) days after any policy anniversary, a cash surrender value of such amount as may be hereinafter specified.
 - (e) Mortality table and interest rate used. In the case of policies which cause, on a basis guaranteed in the policy, unscheduled changes in benefits or premiums, or which provide an option for changes in benefits or premiums other than a change to a new policy, a statement of the mortality table, interest rate, and method used in calculating cash surrender values and the paid-up nonforfeiture benefits available under the policy. In the case of all other policies, statement of the mortality table and interest rate used in calculating the cash surrender values and the paid-up nonforfeiture benefits available under the policy, together with a table showing the cash surrender value, if any, and paid-up nonforfeiture benefits, if any, available under the policy on each policy anniversary either during the first twenty (20) policy years or during the term of the policy, whichever is shorter, such values and benefits to be calculated upon the assumption that there are no dividends or paid-up additions credited to the policy and that there is no indebtedness to the insurer on the policy.
 - (f) Method used in computing value and benefit. A statement that the cash surrender values and the paid-up nonforfeiture benefits available under the policy are not less than the minimum values and benefits required by or pursuant to the insurance law of the state in which the policy is delivered; an explanation of the manner in which the cash surrender values and the paid-up nonforfeiture benefits are altered by the existence of any paid-up additions credited to the policy or any indebtedness to the insurer on the policy; if a detailed statement of the method of computation of the values and benefits shown in the policy is not stated therein, a statement that such method of computation has been filed with the insurance supervisory official of the state in which the policy is delivered; and a statement of the method to be used in calculating the cash surrender value and paid-up nonforfeiture benefit available under the policy on any policy anniversary beyond the last anniversary for which such values and benefits are consecutively shown in the policy.
- (2) Any of the foregoing provisions or portions thereof not applicable by reason of the plan of insurance may, to the extent inapplicable, be omitted from the policy.
 - (3) The insurer shall reserve the right to defer the payment of any cash surrender value for a period of six (6) months after demand therefor with surrender of the policy.

➔Section 1183. KRS 304.15-315 is amended to read as follows:

- (1) This section shall be known as the "Standard Nonforfeiture Law for Individual Deferred Annuities."
- (2) This section shall not apply to any reinsurance group annuity purchased under a retirement plan or plan of deferred compensation established or maintained by an employer (including a partnership or sole proprietorship) or by an employee organization, or by both, other than a plan providing individual retirement accounts or individual retirement annuities under Section 408 of the Internal Revenue Code, as now or hereafter amended, premium deposit fund, variable annuity, investment annuity, immediate annuity, any deferred annuity contract after annuity payments have commenced, or reversionary annuity, nor to any contract which shall be delivered outside this state through an agent or other representative of the insurer issuing the contract. However, to the extent that a variable annuity contract provides benefits that do not, before the maturity date, vary in accordance with the investment performance of any separate account or accounts

maintained by the insurer as to such contract, as provided for in KRS 304.15-390, the contract shall contain provisions that satisfy the requirements of this section and shall not otherwise be subject to this section.

- (3) In the case of contracts issued on or after the operative date of this section as defined in subsection (12) of this section, no contract of annuity, except as stated in subsection (2) of this section, shall be delivered or issued for delivery in this state unless it contains in substance the following provisions, or corresponding provisions which in the opinion of the ~~commissioner~~~~executive director~~ are at least as favorable to the contract holder, upon cessation of payment of considerations under the contract.
- (a) That upon cessation of payment of considerations under a contract, the insurer will grant a paid-up annuity benefit on a plan stipulated in the contract of such value as is specified in subsections (5), (6), (7), (8) and (10) of this section.
 - (b) If a contract provides for a lump sum settlement at maturity, or at any other time, that upon surrender of the contract at or prior to the commencement of any annuity payments, the insurer will pay in lieu of any paid-up annuity benefit a cash surrender benefit of such amount as is specified in subsections (5), (6), (8) and (10) of this section. The insurer shall reserve the right to defer the payment of such cash surrender benefit for a period of six (6) months after demand therefor with surrender of the contract.
 - (c) A statement of the mortality table, if any, and interest rates used in calculating any minimum paid-up annuity, cash surrender or death benefits that are guaranteed under the contract, together with sufficient information to determine the amounts of such benefits.
 - (d) A statement that any paid-up annuity, cash surrender or death benefits that may be available under the contract are not less than the minimum benefits required by any statute of the state in which the contract is delivered and an explanation of the manner in which such benefits are altered by the existence of any additional amounts credited by the insurer to the contract, any indebtedness to the insurer on the contract or any prior withdrawals from or partial surrenders of the contract.

Notwithstanding the requirements of this subsection, any deferred annuity contract may provide that if no considerations have been received under a contract for a period of two (2) full years and the portion of the paid-up annuity benefit at maturity on the plan stipulated in the contract arising from considerations paid prior to such period would be less than twenty dollars (\$20) monthly, the insurer may at its option terminate such contract by payment in cash of the then present value of such portion of the paid-up annuity benefit, calculated on the basis of the mortality table, if any, and interest rate specified in the contract for determining the paid-up annuity benefit, and by such payment shall be relieved of any further obligation under such contract.

- (4) The minimum values as specified in subsections (5), (6), (7), (8) and (10) of this section of any paid-up annuity, cash surrender or death benefits available under an annuity contract shall be based upon minimum nonforfeiture amounts as defined in this section.
- (a) With respect to contracts providing for flexible considerations, the minimum nonforfeiture amount at any time at or prior to the commencement of any annuity payments shall be equal to an accumulation up to such time at a rate of interest of three percent (3%) per annum of percentages of the net considerations (as hereinafter defined) paid prior to such time, decreased by the sum of:
 1. Any prior withdrawals from or partial surrenders of the contract accumulated at a rate of interest of three percent (3%) per annum; and
 2. The amount of any indebtedness to the insurer on the contract, including interest due and accrued;

and increased by any existing additional amounts credited by the insurer to the contract. The net considerations for a given contract year used to define the minimum nonforfeiture amount shall be an amount not less than zero and shall be equal to the corresponding gross consideration credited to the contract during that contract year less an annual contract charge of thirty dollars (\$30) and less a collection charge of one dollar and twenty-five cents (\$1.25) per consideration credited to the contract during that contract year. The percentages of net considerations shall be sixty-five percent (65%) of the net consideration for the first contract year and eighty-seven and one-half percent (87.5%) of the net considerations for the second and later contract years. Notwithstanding the provisions of the preceding sentence, the percentage shall be sixty-five percent (65%) of the portion of the total net consideration

- for any renewal contract year which exceeds by not more than two (2) times the sum of those portions of the net considerations in all prior contract years for which the percentage was sixty-five percent (65%).
- (b) Notwithstanding any other provision of this subsection, for any contract issued on or after July 1, 2003, and before July 1, 2006, the interest rate at which net considerations, prior withdrawals, and partial surrenders shall be accumulated for the purpose of determining nonforfeiture amounts shall be no less than one and one-half percent (1.5%) per annum.
- (c) With respect to contracts providing for fixed scheduled considerations, minimum nonforfeiture amounts shall be calculated on the assumption that considerations are paid annually in advance and shall be defined as for contracts with flexible considerations which are paid annually with two (2) exceptions:
1. The portion of the net consideration for the first contract year to be accumulated shall be the sum of sixty-five percent (65%) of the net consideration for the first contract year plus twenty-two and one-half percent (22.5%) of the excess of the net consideration for the first contract year over the lesser of the net considerations for the second and third contract years.
 2. The annual contract charge shall be the lesser of,
 - a. Thirty dollars (\$30), or
 - b. Ten percent (10%) of the gross annual consideration.
- (d) With respect to contracts providing for a single consideration, minimum nonforfeiture amounts shall be defined as for contracts with flexible considerations except that the percentage of net consideration used to determine the minimum nonforfeiture amount shall be equal to ninety percent (90%) and the net consideration shall be the gross consideration less a contract charge of seventy-five dollars (\$75).
- (5) Any paid-up annuity benefit available under a contract shall be such that its present value on the date annuity payments are to commence is at least equal to the minimum nonforfeiture amount on that date. Such present value shall be computed using the mortality table, if any, and the interest rate specified in the contract for determining the minimum paid-up annuity benefits guaranteed in the contract.
- (6) For contracts which provide cash surrender benefits, such cash surrender benefits available prior to maturity shall not be less than the present value as of the date of surrender of that portion of the maturity value of the paid-up annuity benefit which would be provided under the contract at maturity arising from considerations paid prior to the time of cash surrender reduced by the amount appropriate to reflect any prior withdrawals from or partial surrenders of the contract, such present value being calculated on the basis of an interest rate not more than one percent (1%) higher than the interest rate specified in the contract for accumulating the net considerations to determine such maturity value, decreased by the amount of any indebtedness to the insurer on the contract, including interest due and accrued, and increased by any existing additional amounts credited by the insurer to the contract. In no event shall any cash surrender benefit be less than the minimum nonforfeiture amount at that time. The death benefit under such contracts shall be at least equal to the cash surrender benefit.
- (7) For contracts which do not provide cash surrender benefits, the present value of any paid-up annuity benefit available as a nonforfeiture option at any time prior to maturity shall not be less than the present value of that portion of the maturity value of the paid-up annuity benefit provided under the contract arising from considerations paid prior to the time the contract is surrendered in exchange for, or changed to, a deferred paid-up annuity, such present value being calculated for the period prior to the maturity date on the basis of the interest rate specified in the contract for accumulating the net considerations to determine such maturity value, and increased by any existing additional amounts credited by the insurer to the contract. For contracts which do not provide any death benefits prior to the commencement of any annuity payments, such present values shall be calculated on the basis of such interest rate and the mortality table specified in the contract for determining the maturity value of the paid-up annuity benefit. However, in no event shall the present value of a paid-up annuity benefit be less than the minimum nonforfeiture amount at that time.
- (8) For the purpose of determining the benefits calculated under subsections (6) and (7) of this section, in the case of annuity contracts under which an election may be made to have annuity payments commence at optional maturity dates, the maturity date shall be deemed to be the latest date for which election shall be permitted by the contract, but shall not be deemed to be later than the anniversary of the contract next following the annuitant's seventieth birthday or the tenth anniversary of the contract, whichever is later.

- (9) Any contract which does not provide cash surrender benefits or does not provide death benefits at least equal to the minimum nonforfeiture amount prior to the commencement of any annuity payments shall include a statement in a prominent place in the contract that such benefits are not provided.
- (10) Any paid-up annuity, cash surrender or death benefits available at any time, other than on the contract anniversary under any contract with fixed scheduled considerations, shall be calculated with allowance for the lapse of time and the payment of any scheduled considerations beyond the beginning of the contract year in which cessation of payment of considerations under the contract occurs.
- (11) For any contract which provides, within the same contract by rider or supplemental contract provision, both annuity benefits and life insurance benefits that are in excess of the greater of cash surrender benefits or a return of the gross considerations with interest, the minimum nonforfeiture benefits shall be equal to the sum of the minimum nonforfeiture benefits for the annuity portion and the minimum nonforfeiture benefits, if any, for the life insurance portion computed as if each portion were a separate contract. Notwithstanding the provisions of subsections (5), (6), (7), (8), and (10) of this section, additional benefits payable:
- (a) In the event of total and permanent disability;
 - (b) As reversionary annuity or deferred reversionary annuity benefits; or
 - (c) As other policy benefits additional to life insurance, endowment and annuity benefits, and considerations for all such additional benefits;

shall be disregarded in ascertaining the minimum nonforfeiture amounts, paid-up annuity, cash surrender and death benefits that may be required by this section. The inclusion of such additional benefits shall not be required in any paid-up benefits, unless such additional benefits separately would require minimum nonforfeiture amounts, paid-up annuity, cash surrender and death benefits.

- (12) (a) 1. After August 1, 2005, any insurer may file with the ~~commissioner~~~~executive director~~ a written notice of its election to apply the provisions of KRS 304.15-365 on a contract-form by contract-form basis to annuity contracts issued by the insurer during the period from the date of the election through June 30, 2006;
2. In all other instances, insurers shall apply the provisions of KRS 304.15-315 to annuity contracts issued through June 30, 2006; and
- (b) Insurers shall apply the provisions of KRS 304.15-365 to all annuity contracts issued on or after July 1, 2006.

➔Section 1184. KRS 304.15-340 is amended to read as follows:

- (1) How calculated. This section shall not apply to policies issued on or after the operative date of KRS 304.15-342 as defined therein. Except as provided in subsection (4) of this section, the adjusted premiums for any policy shall be calculated on an annual basis and shall be such uniform percentage of the respective premiums specified in the policy for each policy year, excluding any extra premiums charged because of impairment or special hazards, that the present value, at the date of issue of the policy, of all such adjusted premiums shall be equal to the sum of:
- (a) The then present value of the future guaranteed benefits provided for by the policy;
 - (b) Two percent (2%) of the amount of insurance, if the insurance be uniform in amount, or of the equivalent uniform amount, as hereinafter defined, if the amount of insurance varies with duration of the policy;
 - (c) Forty percent (40%) of the adjusted premium for the first policy year; and
 - (d) Twenty-five percent (25%) of either the adjusted premium for the first policy year or the adjusted premium for a whole life policy of the same uniform or equivalent uniform amount with uniform premiums for the whole of life issued at the same age for the same amount of insurance, whichever is less.
- (2) In applying the percentages specified in paragraphs (c) and (d) of subsection (1) of this section, no adjusted premium shall be deemed to exceed four percent (4%) of the amount of insurance or uniform amount equivalent thereto. Whenever the plan or term of a policy has been changed, either by request of the insured or automatically in accordance with the provisions of the policy, the date of issue of the changed policy for the

purposes of determining a nonforfeiture benefit or cash surrender value shall be the date as of which the age of the insured is determined for the purposes of the changed policy. The date of issue of a policy for the purpose of this section shall be the date as of which the rated age of the insured is determined.

- (3) In the case of a policy providing an amount of insurance varying with duration of the policy, the equivalent uniform amount thereof for the purpose of this section shall be deemed to be the uniform amount of insurance provided by an otherwise similar policy, containing the same endowment benefit or benefits, if any, issued at the same age and for the same term, the amount of which does not vary with duration and the benefits under which have the same present value at the date of issue as the benefits under the policy; provided that in the case of a policy providing a varying amount of insurance issued on the life of a child under age ten (10), the equivalent uniform amount may be computed as though the amount of insurance provided by the policy prior to the attainment of age ten (10) were the amount provided by such policy at age ten (10).
- (4) The adjusted premiums for any policy providing term insurance benefits by rider or supplemental policy provision shall be equal to:
 - (a) The adjusted premiums for an otherwise similar policy issued at the same age without such term insurance benefits, increased, during the period for which premiums for such term insurance benefits are payable, by
 - (b) The adjusted premiums for such term insurance, paragraphs (a) and (b) of this subsection being calculated separately and as specified in subsections (1), (2) and (3) of this section, except that, for the purposes of paragraphs (b), (c), and (d) of subsection (1) of this section, the amount of insurance or equivalent uniform amount of insurance used in the calculation of the adjusted premiums referred to in paragraph (b) of this subsection shall be equal to the excess of the corresponding amount determined for the entire policy over the amount used in the calculation of the adjusted premiums in paragraph (a) of this subsection.
- (5) All adjusted premiums and present values referred to in KRS 304.15-310 to 304.15-360, inclusive, but not including KRS 304.15-342 and 304.15-344 shall for all policies of ordinary insurance be calculated on the basis of the Commissioners 1958 Standard Ordinary Mortality Table, provided that for any category of ordinary insurance issued on female risks, adjusted premiums and present values may be calculated according to an age not more than six (6) years younger than the actual age of the insured, and such calculations for all policies of industrial insurance shall be made on the basis of the Commissioners 1961 Standard Industrial Mortality Table. All calculations shall be made on the basis of the rate of interest specified in the policy for calculating cash surrender values and paid-up nonforfeiture benefits provided that such rate of interest shall not exceed four percent (4%) per year except that a rate of interest not exceeding five and one-half percent (5.5%) per year may be used for policies issued on or after June 17, 1978. In calculating the present value of any paid-up term insurance with accompanying pure endowment, if any, offered as a nonforfeiture benefit for ordinary insurance, the rates of mortality assumed may not be more than those shown in the Commissioners 1958 Extended Term Insurance Table and for industrial insurance the rates of mortality may not be more than those shown in the Commissioners 1961 Industrial Extended Term Insurance Table. For insurance issued on a substandard basis, the calculation of any such adjusted premiums and present values may be based on such other table of mortality as may be specified by the insurer and approved by the ~~commissioner~~^{executive director}.

➔Section 1185. KRS 304.15-342 is amended to read as follows:

- (1) This section shall apply to all policies issued on or after the effective date of this section as defined in subsection (11) of this section. Except as provided in subsection (7) of this section, the adjusted premiums for any policy shall be calculated on an annual basis and shall be such uniform percentage of the respective premiums specified in the policy for each policy year, excluding amounts payable as extra premiums to cover impairments or special hazards and also excluding any uniform annual contract charge or policy fee specified in the policy in a statement of the method to be used in calculating the cash surrender values and paid-up nonforfeiture benefits, that the present value, at the date of issue of the policy, of all adjusted premiums shall be equal to the sum of:
 - (a) The then present value of the future guaranteed benefits provided for by the policy;
 - (b) One percent (1%) of either the amount of insurance, if the insurance is uniform in amount, or the average amount of insurance at the beginning of each of the first ten (10) policy years; and
 - (c) One hundred twenty-five percent (125%) of the nonforfeiture net level premium as hereinafter defined.

Provided, however, that in applying the percentage specified in (c) above, no nonforfeiture net level premium shall be deemed to exceed four percent (4%) of either the amount of insurance, if the insurance is uniform in amount, or the average amount of insurance at the beginning of each of the first ten (10) policy years. This date of issue of a policy for the purpose of this section shall be the date as of which the rated age of the insured is determined.

- (2) The nonforfeiture net level premium shall be equal to the present value, at the date of issue of the policy, of the guaranteed benefits provided for by the policy divided by the present value, at the date of issue of the policy, of an annuity of one (1) per annum payable on the date of issue of the policy and on each anniversary of such policy on which a premium falls due.
- (3) In the case of policies which cause, on a basis guaranteed in the policy, unscheduled changes in benefits or premiums, or which provide an option for changes in benefits or premiums other than a change to a new policy, the adjusted premiums and present values shall initially be calculated on the assumption that future benefits and premiums do not change from those stipulated at the date of issue of the policy. At the time of any such change in the benefits or premiums the future adjusted premiums, nonforfeiture net level premiums and present values shall be recalculated on the assumption that future benefits and premiums do not change from those stipulated by the policy immediately after the change.
- (4) Except as otherwise provided in subsection (7) of this section, the recalculated future adjusted premiums for any such policy shall be such uniform percentage of the respective future premiums specified in the policy for each policy year, excluding amounts payable as extra premiums to cover impairments and special hazards, and also excluding any uniform annual contract charge or policy fee specified in the policy in a statement of the method to be used in calculating the cash surrender values and paid-up nonforfeiture benefits, that the present value, at the time of change to the newly defined benefits or premiums, of all such future adjusted premiums shall be equal to the excess of (a) the sum of the then present value of the then future guaranteed benefits provided for by the policy and the additional expense allowance, if any, over (b) the then cash surrender value, if any, or present value of any paid-up nonforfeiture benefit under the policy.
- (5) The additional expense allowance, at the time of the change to the newly defined benefits or premiums, shall be the sum of:
 - (a) One percent (1%) of the excess, if positive, of the average amount of insurance at the beginning of each of the first ten (10) policy years subsequent to the change over the average amount of insurance prior to the change at the beginning of each of the first ten (10) policy years subsequent to the time of the most recent previous change, or, if there has been no previous change, the date of issue of the policy; and
 - (b) One hundred twenty-five percent (125%) of the increase, if positive, in the nonforfeiture net level premium.
- (6) The recalculated nonforfeiture net level premium shall be equal to the result obtained by dividing (a) by (b) where:
 - (a) Equals the sum of:
 1. The nonforfeiture net level premium applicable prior to the change times the present value of an annuity of one (1) per annum payable on each anniversary of the policy on or subsequent to the date of the change on which a premium would have fallen due had the change not occurred, and
 2. The present value of the increase in future guaranteed benefits provided for by the policy, and
 - (b) Equals the present value of an annuity of one (1) per annum payable on each anniversary of the policy on or subsequent to the date of change on which a premium falls due.
- (7) Notwithstanding any other provisions of this section to the contrary, in the case of a policy issued on a substandard basis which provides reduced graded amounts of insurance so that, in each policy year, such policy has the same tabular mortality cost as an otherwise similar policy issued on the standard basis which provides higher uniform amounts of insurance, adjusted premiums and present values for such substandard policy may be calculated as if it were issued to provide such higher uniform amounts of insurance on the standard basis.
- (8) All adjusted premiums and present values referred to in this section shall for all policies of ordinary insurance be calculated on the basis of the commissioners 1980 standard ordinary mortality table or at the election of the insurer for any one (1) or more specified plans of life insurance, the commissioners 1980 standard ordinary

mortality table with ten-year select mortality factors; shall for all policies of industrial insurance be calculated on the basis of the commissioners 1961 standard industrial mortality table; and shall for all policies issued in a particular calendar year be calculated on the basis of a rate of interest not exceeding the nonforfeiture interest rate as defined in this section for policies issued in that calendar year. Provided, however, that:

- (a) At the option of the insurer, calculations for all policies issued in a particular calendar year may be made on the basis of a rate of interest not exceeding the nonforfeiture interest rate, as defined in this section, for policies issued in the immediately preceding calendar year.
 - (b) Under any paid-up nonforfeiture benefit, including any paid-up dividend additions, any cash surrender value available, whether or not required by KRS 304.15-310, shall be calculated on the basis of the mortality table and rate of interest used in determining the amount of such paid-up nonforfeiture benefit and paid-up dividend additions, if any.
 - (c) Any insurer may calculate the amount of any guaranteed paid-up nonforfeiture benefit including any paid-up additions under the policy on the basis of an interest rate no lower than that specified in the policy for calculating cash surrender values.
 - (d) In calculating the present value of any paid-up term insurance with accompanying pure endowment, if any, offered as a nonforfeiture benefit, the rates of mortality assumed may be not more than those shown in the commissioners 1980 extended term insurance table for policies of ordinary insurance and not more than the commissioners 1961 industrial extended term insurance table for policies of industrial insurance.
 - (e) For insurance issued on a substandard basis, the calculation of any such adjusted premiums and present values may be based on appropriate modifications of the aforementioned tables.
 - (f) Any ordinary mortality tables, adopted after 1980 by the National Association of Insurance Commissioners, that are approved by regulation promulgated by the ~~commissioner~~~~executive director~~ for use in determining the minimum nonforfeiture standard may be substituted for the commissioners 1980 standard ordinary mortality table with or without ten-year select mortality factors or for the commissioners 1980 extended term insurance table.
 - (g) Any industrial mortality tables, adopted after 1980 by the National Association of Insurance Commissioners, that are approved by regulation promulgated by the ~~commissioner~~~~executive director~~ for use in determining the minimum nonforfeiture standard may be substituted for the commissioners 1961 standard industrial mortality table or the commissioners 1961 industrial extended term insurance table.
- (9) The nonforfeiture interest rate per annum for any policy issued in a particular calendar year shall be equal to one hundred twenty-five percent (125%) of the calendar year statutory valuation interest rate for such policy as defined in KRS 304.6-130 to 304.6-180, inclusive to the nearer one quarter of one percent (0.25%).
 - (10) Notwithstanding any other provision in this code to the contrary, any refiling of nonforfeiture values or their methods of computation for any previously approved policy form which involves only a change in the interest rate or mortality table used to compute nonforfeiture values shall not require refiling of any other provisions of that policy form.
 - (11) Any insurer may file with the ~~commissioner~~~~executive director~~ a written notice of its election to comply with the provisions of this section after a specified date before January 1, 1989, which shall be the effective date of this section for such insurer. If an insurer makes no such election, the effective date of this section for such insurer shall be January 1, 1989.

➔Section 1186. KRS 304.15-344 is amended to read as follows:

- (1) In the case of any plan of life insurance which provides for future premium determination, the amounts of which are to be determined by the insurer based on then estimates of future experience, or in the case of any plan of life insurance which is of such a nature that minimum values cannot be determined by the methods described in KRS 304.15-310 to 304.15-340 and in KRS 304.15-342, then:
 - (a) The ~~commissioner~~~~executive director~~ must be satisfied that the benefits provided under the plan are substantially as favorable to policyholders and insureds as the minimum benefits otherwise required by KRS 304.15-310 to 304.15-360 herein;

- (b) The *commissioner*~~[executive director]~~ must be satisfied that the benefits and the pattern of premiums of that plan are not such as to mislead prospective policyholders or insureds;
- (c) The cash surrender values and paid-up nonforfeiture benefits provided by such plan must not be less than the minimum values and benefits required for the plan computed by a method consistent with the principles of KRS 304.15-310 to 304.15-360, as determined by regulations promulgated by the *commissioner*~~[executive director]~~.
- (d) Notwithstanding any other provision in the laws of this state, any policy, contract or certificate providing life insurance under any such plan must be affirmatively approved by the *commissioner*~~[executive director]~~ before it can be marketed, issued, delivered or used in this state.

➔Section 1187. KRS 304.15-365 is amended to read as follows:

- (1) This section shall be known as the "Standard Nonforfeiture Law for Individual Deferred Annuities of 2005."
- (2) This section shall not apply to any reinsurance group annuity purchased under a retirement plan or plan of deferred compensation established or maintained by an employer, including a partnership or sole proprietorship, or by an employee organization, or by both, other than a plan providing individual retirement accounts or individual retirement annuities under Section 408 of the Internal Revenue Code, as now or hereafter amended, premium deposit fund, variable annuity, investment annuity, immediate annuity, any deferred annuity contract after annuity payments have commenced, or reversionary annuity, nor to any contract which shall be delivered outside this state through an agent or other representative of the insurer issuing the contract. However, to the extent that a variable annuity contract provides benefits that do not, before the maturity date, vary in accordance with the investment performance of any separate account or accounts maintained by the insurer as to such contract, as provided for in KRS 304.15-390, the contract shall contain provisions that satisfy the requirements of this section and shall not otherwise be subject to this section.
- (3) In the case of contracts issued on or after July 1, 2006, no contract of annuity, except as provided in subsection (2) of this section, shall be delivered or issued for delivery in this state unless it contains in substance the following provisions, or corresponding provisions which in the opinion of the *commissioner*~~[executive director]~~ are at least as favorable to the contract holder, upon cessation of payment of considerations under the contract:
 - (a) That upon cessation of payment of considerations under a contract, or upon the written request of the contract owner, the insurer shall grant a paid-up annuity benefit on a plan stipulated in the contract of such value as is specified in subsections (8), (9), (10), (11), and (13) of this section;
 - (b) If a contract provides for a lump sum settlement at maturity, or at any other time, that upon surrender of the contract at or prior to the commencement of any annuity payments, the insurer shall pay, in lieu of any paid-up annuity benefit, a cash surrender benefit of such amount as is specified in subsections (8), (9), (10), (11), and (13) of this section. The insurer may reserve the right to defer the payment of this cash surrender benefit for a period not to exceed six (6) months after demand therefor with surrender of the contract after making written request and receiving written approval of the *commissioner*~~[executive director]~~. The request shall address the necessity and equitability to all policyholders of the deferral;
 - (c) A statement of the mortality table, if any, and interest rates used in calculating any minimum paid-up annuity, cash surrender or death benefits that are guaranteed under the contract, together with sufficient information to determine the amounts of such benefits; and
 - (d) A statement that any paid-up annuity, cash surrender or death benefits that may be available under the contract are not less than the minimum benefits required by any statute of the state in which the contract is delivered and an explanation of the manner in which these benefits are altered by the existence of any additional amounts credited by the insurer to the contract, any indebtedness to the insurer on the contract, or any prior withdrawals from or partial surrenders of the contract.

Notwithstanding the requirements of this subsection, any deferred annuity contract may provide that if no considerations have been received under a contract for a period of two (2) full years and the portion of the paid-up annuity benefit at maturity on the plan stipulated in the contract arising from considerations paid prior to that period would be less than twenty dollars (\$20) monthly, the insurer may at its option terminate the contract by payment in cash of the then-present value of such portion of the paid-up annuity benefit, calculated

on the basis of the mortality table, if any, and interest rate specified in the contract for determining the paid-up annuity benefit, and by this payment shall be relieved of any further obligation under such contract.

- (4) The minimum values as specified in subsections (8), (9), (10), (11), and (13) of this section of any paid-up annuity, cash surrender, or death benefits available under an annuity contract shall be based upon minimum nonforfeiture amounts as defined in this section.
 - (a) The minimum nonforfeiture amount at any time at or prior to the commencement of any annuity payments shall be equal to an accumulation up to that time at rates of interest as indicated in subsection (5) of this section of the net considerations, as defined in paragraph (b) of this subsection, paid prior to that time, decreased by the sum of:
 1. Any prior withdrawals from or partial surrenders of the contract accumulated at a rate of interest as indicated in subsection (5) of this section;
 2. An annual contract charge of fifty dollars (\$50) accumulated at rates of interest as indicated in subsection (5) of this section; and
 3. The amount of any indebtedness to the insurer on the contract, including interest due and accrued.
 - (b) The net considerations for a given contract year used to define the minimum nonforfeiture amount shall be an amount equal to eighty-seven and one-half percent (87.5%) of gross considerations credited to the contract during that contract year.
- (5) The interest rate used in determining minimum nonforfeiture amounts shall be an annual rate of interest determined as the lesser of three percent (3%) per annum and the following, which shall be specified in the contract if the interest rate will be reset:
 - (a) The five (5) year Constant Maturity Treasury Rate reported by the Federal Reserve as of a date or average over a period rounded to the nearest one-twentieth of one percent (0.05%), specified in the contract no longer than fifteen (15) months prior to the contract issue date or redetermination date under paragraph (d) of this subsection;
 - (b) Reduced by one hundred twenty-five (125) basis points;
 - (c) Where the resulting interest rate is not less than one percent (1%); and
 - (d) The interest rate shall apply for an initial period and may be redetermined for additional periods. The redetermination date basis and period, if any, shall be stated in the contract. The basis is the date or average over a specified period that produces the value of the five (5) year Constant Maturity Treasury Rate to be used at each redetermination date.
- (6) During the period or term that a contract provides substantive participation in an equity indexed benefit, it may increase the reduction described in subsection (5)(b) of this section up to an additional one hundred (100) basis points to reflect the value of the equity index benefit. The present value at the contract issue date and at each redetermination date thereafter of the additional reduction shall not exceed the market value of the benefit. The **commissioner**~~executive director~~ may require a demonstration that the present value of the additional reduction does not exceed the market value of the benefit. Lacking such demonstration that is acceptable to the **commissioner**~~executive director~~, the **commissioner**~~executive director~~ may disallow or limit the additional reduction.
- (7) The **commissioner**~~executive director~~ may promulgate administrative regulations in accordance with KRS Chapter 13A implementing the provisions of subsection (6) of this section and to provide for further adjustments to the calculation of minimum nonforfeiture amounts for contracts that provide substantive participation in an equity index benefit and for other contracts for which the **commissioner**~~executive director~~ determines adjustments are justified.
- (8) Any paid-up annuity benefit available under a contract shall be such that its present value on the date annuity payments are to commence is at least equal to the minimum nonforfeiture amount on that date. This present value shall be computed using the mortality table, if any, and the interest rates specified in the contract for determining the minimum paid-up annuity benefits guaranteed in the contract.
- (9) For contracts which provide cash surrender benefits, the cash surrender benefits available prior to maturity shall not be less than the present value as of the date of surrender of that portion of the maturity value of the

paid-up annuity benefit which would be provided under the contract at maturity arising from considerations paid prior to the time of cash surrender reduced by the amount appropriate to reflect any prior withdrawals from or partial surrenders of the contract, the present value being calculated on the basis of an interest rate not more than one percent (1%) higher than the interest rate specified in the contract for accumulating the net considerations to determine the maturity value, decreased by the amount of any indebtedness to the insurer on the contract, including interest due and accrued, and increased by any existing additional amounts credited by the insurer to the contract. In no event shall any cash surrender benefit be less than the minimum nonforfeiture amount at that time. The death benefit under the contracts shall be at least equal to the cash surrender benefit.

- (10) For contracts which do not provide cash surrender benefits, the present value of any paid-up annuity benefit available as a nonforfeiture option at any time prior to maturity shall not be less than the present value of that portion of the maturity value of the paid-up annuity benefit provided under the contract arising from considerations paid prior to the time the contract is surrendered in exchange for, or changed to, a deferred paid-up annuity, the present value being calculated for the period prior to the maturity date on the basis of the interest rate specified in the contract for accumulating the net considerations to determine the maturity value, and increased by any existing additional amounts credited by the insurer to the contract. For contracts which do not provide any death benefits prior to the commencement of any annuity payments, the present values shall be calculated on the basis of the interest rate and the mortality table specified in the contract for determining the maturity value of the paid-up annuity benefit. However, in no event shall the present value of a paid-up annuity benefit be less than the minimum nonforfeiture amount at that time.
- (11) For the purpose of determining the benefits calculated under subsections (9) and (10) of this section, in the case of annuity contracts under which an election may be made to have annuity payments commence at optional maturity dates, the maturity date shall be deemed to be the latest date for which election shall be permitted by the contract, but shall not be deemed to be later than the anniversary of the contract next following the annuitant's seventieth birthday or the tenth anniversary of the contract, whichever is later.
- (12) Any contract which does not provide cash surrender benefits or does not provide death benefits at least equal to the minimum nonforfeiture amount prior to the commencement of any annuity payments shall include a statement in a prominent place in the contract that such benefits are not provided.
- (13) Any paid-up annuity, cash surrender or death benefits available at any time, other than on the contract anniversary under any contract with fixed scheduled considerations, shall be calculated with allowance for the lapse of time and the payment of any scheduled considerations beyond the beginning of the contract year in which cessation of payment of considerations under the contract occurs.
- (14) For any contract which provides, within the same contract by rider or supplemental contract provision, both annuity benefits and life insurance benefits that are in excess of the greater of cash surrender benefits or a return of the gross considerations with interest, the minimum nonforfeiture benefits shall be equal to the sum of the minimum nonforfeiture benefits for the annuity portion and the minimum nonforfeiture benefits, if any, for the life insurance portion computed as if each portion were a separate contract. Notwithstanding the provisions of subsections (8), (9), (10), (11), and (13) of this section, additional benefits payable:
 - (a) In the event of total and permanent disability;
 - (b) As reversionary annuity or deferred reversionary annuity benefits; or
 - (c) As other policy benefits additional to life insurance, endowment and annuity benefits, and considerations for all such additional benefits;

shall be disregarded in ascertaining the minimum nonforfeiture amounts, paid-up annuity, cash surrender and death benefits that may be required by this section. The inclusion of these additional benefits shall not be required in any paid-up benefits, unless these additional benefits separately would require minimum nonforfeiture amounts, paid-up annuity, cash surrender and death benefits.

- (15) (a) After August 1, 2005, any insurer may file with the ~~commissioner~~~~executive director~~ a written notice of its election to apply the provisions of this section on a contract-form by contract-form basis to annuity contracts issued by the insurer during the period from the date of the election through June 30, 2006.
- (b) Insurers shall apply the provisions of this section to annuity contracts issued on or after July 1, 2006.

➔Section 1188. KRS 304.15-390 is amended to read as follows:

- (1) A domestic life insurer may establish one (1) or more separate accounts, and may allocate thereto, in accordance with the terms of a written contract or agreement, any amounts paid to the insurer in connection with a pension, retirement or profit-sharing plan, life insurance, or an annuity which are to be applied to provide benefits payable in fixed or in variable dollar amounts or in both.
- (2) The income, if any, and gains and losses, realized or unrealized, on each such account shall be credited to or charged against the amounts allocated to the account in accordance with the agreement, without regard to other income, gains or losses of the insurer.
- (3) Assets allocated to a separate account shall be valued at their market value on the date of valuation, or if there is no readily available market, then in accordance with the terms of the applicable contract or agreement; except, that the portion of the assets of such separate account at least equal to the insurer's reserve liability with regard to the guaranteed benefits and funds referred to in subsection (1) of this section, if any, shall be valued in accordance with rules otherwise applicable to the insurer's assets.
- (4) If the agreement provides for payment of benefits in variable amounts, the contract shall contain a statement of the essential features of the procedure to be followed by the insurer in determining the dollar amount of such variable benefits. Any such contract and any certificate issued thereunder shall state that such dollar amount may decrease or increase and shall contain on its first page a statement that the benefits thereunder are on a variable basis.
- (5) No domestic life insurer, and no other authorized life insurer, shall be authorized to deliver within this state any such contract or agreement providing benefits in variable amounts until the insurer has satisfied the **commissioner**~~{executive director}~~ that its condition or methods of operation in connection with the issuance of such contracts or agreements will not render its operation hazardous to the public or its policyholders in this state. In determining the qualification of an insurer requesting such authority, the **commissioner**~~{executive director}~~ shall consider, among other things:
 - (a) The history and financial condition of the insurer;
 - (b) The character, responsibility and general fitness of the officers and directors of the insurer; and
 - (c) In the case of an insurer other than a domestic insurer, whether the statutes or regulations of the jurisdiction of its incorporation provide a degree of protection to policyholders and the public which is substantially equal to that provided by this section and the rules and regulations issued thereunder.
- (6) Amounts allocated by domestic life insurers to separate accounts in the exercise of the power granted by this section shall be owned by the insurer and the insurer shall not be, or hold itself to be, a trustee, in respect to such amounts.
- (7) The **commissioner**~~{executive director}~~ shall have sole authority to regulate the issuance and sale of such agreements, and to make rules and regulations for the effectuation of this section.

➔Section 1189. KRS 304.15-410 is amended to read as follows:

In the case of any plan of life insurance which provides for future premium determination, the amounts of which are to be determined by the insurer based on then estimates of future experience, or in the case of any plan of life insurance or annuity which is of such a nature that the minimum reserves cannot be determined by the methods described in KRS 304.6-150, 304.6-155 and 304.6-180, the reserves which are held under any such plan must:

- (1) Be appropriate in relation to the benefits and the pattern of premiums for that plan; and
- (2) Be computed by a method which is consistent with the principles of this standard valuation law;

as determined by regulations promulgated by the **commissioner**~~{executive director}~~.

➔Section 1190. KRS 304.15-700 is amended to read as follows:

The notification shall include an acknowledgment by the agent that he will operate as a life settlement broker in accordance with this subtitle; and
 3. - (c) Notwithstanding this subsection, a person licensed as an attorney, certified public accountant, or financial planner accredited by a nationally recognized accreditation agency, who is retained to represent the owner, whose compensation is not paid directly or indirectly by the life settlement provider, may negotiate life settlement contracts without having to obtain a license as a life settlement broker.
- (d) A life insurance agent operating as a life settlement broker in accordance with paragraph (b) of this subsection, prior to the execution of the life settlement contract by all the parties for which such agent is operating as a life settlement broker, shall have in force and file with the **commissioner**~~{executive director}~~ evidence of financial responsibility as follows:

- (a) At the expiration of sixty (60) days from the date the filing is complete, the form filed shall be deemed approved unless the **commissioner**~~{executive director}~~ has by order given prior approval or disapproval. Approval of a form by the **commissioner**~~{executive director}~~ shall constitute a waiver of any unexpired portion of the waiting period. The **commissioner**~~{executive director}~~ may extend by not more than thirty (30) days the time period in which he or she may approve or disapprove the form. - (2) Records of all transactions of life settlement contracts shall be subject to the following:

- (2) The **department**~~{office}~~ may impose and collect an administrative fine not to exceed ten thousand dollars (\$10,000) for each violation of a cease and desist order issued in accordance with this section.

- (2) A life settlement provider shall provide the owner with at least the following disclosures no later than the date the life settlement contract is signed by all parties.  - (j) The fact that a change in ownership could in the future limit the insured's ability to purchase future insurance on the insured's life because there is a limit to how much coverage insurers will issue on one (1) life.
- (3) If the life settlement provider transfers ownership or changes the beneficiary of the policy, the life settlement provider shall communicate the change in ownership or beneficiary to the insured within twenty (20) days after the change.

- (2) The insurer shall respond to a request for verification of coverage submitted by a life settlement provider or life settlement broker not later than thirty (30) calendar days after the date the request is received. The request for verification of coverage shall be made on a form approved by the ~~commissioner~~~~executive director~~. In its response, the insurer shall indicate whether, based on the medical evidence and documents provided, the insurer intends to pursue an investigation at that time regarding the validity of the insurance contract or possible fraud, and shall provide sufficient detail of all reasons for the investigation to the life settlement provider or life settlement broker.
- (3) Prior to or at the time of execution of the life settlement contract, the life settlement provider shall obtain a witnessed document in which the owner consents to the life settlement contract, represents that he or she has a full and complete understanding of the life settlement contract and a full and complete understanding of the benefits of the policy, and acknowledges that he or she has entered into the life settlement contract freely and voluntarily and, for persons with a terminal or chronic illness or condition, that the terminal or chronic illness or condition was diagnosed after the policy was issued.
- (4) All medical information solicited or obtained by any licensee shall be subject to the applicable provision of state law relating to confidentiality of medical information.
- (5) All life settlement contracts entered into in this state shall contain an unconditional right to rescind a life settlement contract before the earlier of thirty (30) calendar days after the date it is executed or fifteen (15) calendar days after the date of receipt of the proceeds of the life settlement contract by the owner. If exercised by the owner, rescission is effective only if both notice of the rescission is given, and within the rescission period all proceeds, and any premiums, loans, and loan interest are repaid to the life settlement provider. If the insured dies during the rescission period, the life settlement contract shall be deemed to have been rescinded subject to repayment of all proceeds and any premiums, loans, and loan interest to the life settlement provider. - (6) The independent third-party trustee shall transfer the proceeds that are due to the owner within two (2) business days upon receipt of acknowledgment of the transfer of ownership from the insurer.

The notice shall be accompanied by the documents required by KRS 304.15-702(1)(b).
- (13) Any fee paid by a provider, party, individual, or an owner to a broker in exchange for services provided to the owner pertaining to a life settlement contract shall be computed as a percentage of the offer obtained, not the face value of the policy. - (14) The broker shall disclose to the owner anything of value paid or given to a broker which relates to a life settlement contract.

➔Section 1197. KRS 304.15-717 is amended to read as follows:

"Any person who knowingly presents false information in an application for insurance or life settlement contract is guilty of a crime and upon conviction may be subject to fines or confinement in prison, or both."

The lack of a statement required by this section does not constitute a defense in any prosecution for a fraudulent life settlement act.

- (3) (a) A person engaged in the business of life settlements who has knowledge or a reasonable belief that a fraudulent life settlement act is being, will be, or has been committed shall provide the information required to the **commissioner**~~{executive director}~~, in a manner prescribed by the **commissioner**~~{executive director}~~.

For the purpose of applying this provision when other coverage is on a provision of service basis, the like amount of such other coverage shall be taken as the amount which the services rendered would have cost in the absence of such coverage."

- (2) If the foregoing policy provision is included in a policy which also contains the policy provision set out in subsection (1) of KRS 304.17-230, there shall be added to the caption of the foregoing provision the phrase "... Expense Incurred Benefits."

For the purpose of applying such policy provision no third-party liability coverage amount of benefit provided for such insured pursuant to any compulsory benefit statute, including any workers' compensation or employer's liability statute, whether provided by a governmental agency or otherwise, shall in all cases be deemed to be "other valid coverage" of which the insurer has had notice. In applying such policy provision no third-party liability coverage shall be included as "other valid coverage."

➔Section 1205. KRS 304.17-230 is amended to read as follows:

In applying such policy provision no third-party liability coverage shall be included as "other valid coverage."

➔Section 1206. KRS 304.17-240 is amended to read as follows:

(1) There may be a provision as follows:

"After the loss-of-time benefit of this policy has been payable for ninety (90) days, such benefit will be adjusted, as provided below, if the total amount of unadjusted loss-of-time benefits provided in all valid loss-of-time coverage upon the insured should exceed -- % of the insured's earned income; provided, however, that if the information contained in the application discloses that the total amount of loss-of-time benefits under this policy and under all other valid loss-of-time coverage expected to be effective upon the insured in accordance with the application for this policy exceeded -- % of the insured's earned income at the time of such application, such higher percentage will be used in the place of -- %. Such adjusted loss-of-time benefit under this policy for any month shall be only such proportion of the loss-of-time benefit otherwise payable under this policy as:

- (a) The product of the insured's earned income and -- % (or, if higher, the alternative percentage described at the end of the first sentence of this provision) bears to
- (b) The total amount of loss-of-time benefits payable for such month under this policy and all other valid loss-of-time coverage on the insured (without giving effect of the overinsurance provision in this or any other coverage) less in both paragraphs (a) and (b) of this subsection any amount of loss-of-time benefits payable under other valid loss-of-time coverage which does not contain an 'overinsurance provision.' In making such computation, all benefits and earnings shall be converted to a consistent (insert 'weekly' if the loss-of-time benefit of this policy is payable weekly, 'monthly' if such benefit is payable monthly, etc.) basis. If the numerator of the foregoing ratio is zero (0) or is negative, no benefit shall be payable under this policy. In no event shall this provision
 - 1. Operate to reduce the total combined amount of loss-of-time benefits for such month payable under this policy and all other valid loss-of-time coverage below the lesser of three hundred dollars (\$300) and the total combined amount of loss-of-time benefits determined without giving effect to any 'overinsurance provision' nor
 - 2. Operate to increase the amount of benefits payable under this policy above the amount which would have been paid in the absence of this provision, nor
 - 3. Take into account or operate to reduce any benefit other than the loss-of-time benefit.
- (c) For purposes of this provision:
 - 1. 'Earned income,' except where otherwise specified, means the greater of the monthly earnings of the insured at the time disability commences and his *or her* average monthly earnings for a period of two (2) years immediately preceding the commencement of such disability, and shall not include any investment income or any other income not derived from the insured's vocational activities.
 - 2. 'Overinsurance provision' shall include this provision and any other provision with respect to any loss-of-time coverage which may have the effect of reducing an insurer's liability if the total amount of loss-of-time benefits under all coverage exceeds a stated relationship to the insured's earnings."

(2) The foregoing provision may be included only in a policy which provides a loss-of-time benefit which may be payable for at least fifty-two (52) weeks, which is issued on the basis of selective underwriting of each individual application, and for which the application includes a question designed to elicit information necessary either to determine the ratio of the total loss-of-time benefits of the insured to the insured's earned income or to determine that such ratio does not exceed the percentage of earnings, not less than sixty percent (60%), selected by the insurer and inserted in lieu of the blank factor above. The insurer may require, as part of the proof of claim, the information necessary to administer this provision. If the application indicates that other loss-of-time coverage is to be discontinued, the amount of such other coverage shall be excluded in computing the alternative percentage in the first sentence of the overinsurance provision. The policy shall include a

definition of "valid loss-of-time coverage," approved as to form by the **commissioner**~~{executive director}~~, which definition may include coverage provided by governmental agencies and by organizations subject to regulations by insurance law and by insurance authorities of this or any other state of the United States or any other country or subdivision thereof, coverage provided for such insured pursuant to any disability benefits statute or any workers' compensation or employer's liability statute, benefits provided by labor-management trustee plans or union welfare plans or by employer or employee benefit organizations, or by salary continuance or pension programs, and any other coverage the inclusion of which may be approved by the **commissioner**~~{executive director}~~.

- (3) If by application of any of the foregoing provisions the insurer effects a material reduction of benefits otherwise payable under the policy, the insurer shall refund to the insured any premium unearned on the policy by reason of such reduction of coverage during the policy year current and that next preceding at the time the loss commenced, subject to the insurer's right to provide in the policy that no such reduction of benefits or refund will be made unless the unearned premium to be so refunded amounts to five dollars (\$5) or such larger sum as the insurer may so specify.

- (2) (a) A rate filing under this section may be used by the insurer on and after the date of filing with the **commissioner**~~{executive director}~~ prior to approval by the **commissioner**~~{executive director}~~. A rate filing shall be approved or disapproved by the **commissioner**~~{executive director}~~ within sixty (60) days after the date of filing. Should sixty (60) days expire after the **commissioner**~~{executive director}~~ receives the filing before approval or disapproval of the filing, the filing shall be deemed approved.
- (b) In the circumstances of a filing that has been deemed approved or has been disapproved under paragraph (a) of this subsection, the **commissioner**~~{executive director}~~ shall have the authority to order a retroactive reduction of rates to a reasonable rate if the **commissioner**~~{executive director}~~ subsequently determines that the filing contained misrepresentations or was based on fraudulent information, and if after applying the factors in subsection (3) of this section the **commissioner**~~{executive director}~~ determines that the rates were unreasonable. If the **commissioner**~~{executive director}~~ seeks to order a retroactive reduction of rates and more than one (1) year has passed since the date of the filing, the **commissioner**~~{executive director}~~ shall consider the reasonableness of the rate over the entire period during which the filing has been in effect.
- (3) In approving or disapproving a filing under this section, the **commissioner**~~{executive director}~~ shall consider:
 - (a) Whether the benefits provided are reasonable in relation to the premium or fee charged;
 - (b) Whether the fees paid to providers for the covered services are reasonable in relation to the premium or fee charged;

- (6) Notwithstanding subsection (2) of this section, premium rates may be used upon filing with the **department**~~{office}~~ of a policy form not previously used if the filing is accompanied by the policy form filing and a minimum loss ratio guarantee. Insurers may use the filing procedure specified in this subsection only if the affected policy forms disclose the benefit of a minimum loss ratio guarantee. An insurer may not elect to use the filing procedure in this subsection for a policy form that does not contain the minimum loss ratio guarantee. If an insurer elects to use the filing procedure in this subsection for a policy form or forms, the insurer shall not use a filing of premium rates that does not provide a minimum loss ratio guarantee for that policy form or forms.
- (a) The minimum loss ratio shall be in writing and shall contain at least the following:

 - b. Seventy percent (70%) for policies issued to small groups of two (2) to ten (10) employees or for certificates issued to members of an association that offers coverage to small employers; and
 - c. Seventy-five percent (75%) for policies issued to small groups of eleven (11) to fifty (50) employees;
 6. A guarantee that the actual Kentucky loss ratio for the calendar year in which the new rates take effect, and for each year thereafter until new rates are filed, will meet or exceed the minimum loss ratio standards referred to in subparagraph 5. of this paragraph, adjusted for duration;
 7. A guarantee that the actual Kentucky lifetime loss ratio shall meet or exceed the minimum loss ratio standards referred to in subparagraph 5. of this paragraph; and
 8. If the annual earned premium volume in Kentucky under the particular policy form is less than two million five hundred thousand dollars (\$2,500,000), the minimum loss ratio guarantee shall be based partially on the Kentucky earned premium and other credibility factors as specified by the **commissioner**~~{executive director}~~.
- (b) The actual Kentucky minimum loss ratio results for each year at issue shall be independently audited at the insurer's expense and the audit shall be filed with the **commissioner**~~{executive director}~~ not later than one hundred twenty (120) days after the end of the year at issue. The audit shall demonstrate the calculation of the actual Kentucky loss ratio in a manner prescribed as set forth in administrative regulations promulgated by the **commissioner**~~{executive director}~~.
- (c) The insurer shall refund premiums in the amount necessary to bring the actual loss ratio up to the guaranteed minimum loss ratio.
- (d) A Kentucky policyholder affected by the guaranteed minimum loss ratio shall receive a portion of the premium refund relative to the premium paid by the policyholder.  - (f) None of the provisions of subsections (2) and (3) of this section shall apply if premium rates are filed with the ~~department~~~~office~~ and accompanied by a minimum loss ratio guarantee that meets the requirements of this subsection. Such filings shall be deemed approved. Each insurer paying a risk assessment under KRS 304.17B-021 may include the amount of the assessment in establishing premium rates filed with the ~~commissioner~~~~executive director~~ under this section. The insurer shall identify any assessment allocated.
 - (g) The policy form filing of an insurer using the filing procedure with a minimum loss ratio guarantee will disclose to the enrollee, member, or subscriber as prescribed by the ~~commissioner~~~~executive director~~ an explanation of the lifetime loss ratio guarantee, and the actual loss ratio, and any adjustments for duration.
 - (h) The insurer who elects to use the filing procedure with a minimum loss ratio guarantee shall notify all policyholders of the refund calculation, the result of the refund calculation, the percent of premium on an aggregate basis to be refunded if any, any amount of the refund attributed to the payment of interests, and an explanation of amounts less than ten dollars (\$10).
 - (i) Notwithstanding the provisions of this subsection, an insurer may amend the policy forms used before March 31, 2005, or may amend the minimum loss ratio guarantee on policy forms filed with the ~~department~~~~office~~ and used by the insurer prior to March 31, 2005, to provide for a minimum loss ratio guarantee allowed under this subsection for policies issued, delivered, or renewed on or after March 31, 2005.
- (7) The ~~commissioner~~~~executive director~~ may by administrative regulation prescribe any additional information related to rates, fees, dues, and other charges as they relate to the factors set out in subsection (3) of this section that he or she deems necessary and relevant to be included in the filings and the form of the filings required by this section. When determining a loss ratio for the purposes of loss ratio guarantee, the insurer shall divide the total of the claims incurred, plus preferred provider organization expenses, case management and utilization review expenses, plus reinsurance premiums less reinsurance recoveries by the premiums earned less state and local premium taxes less other assessments. For purposes of determining the loss ratio for any loss ratio guarantee pursuant to this section, the ~~commissioner~~~~executive director~~ may examine the insurer's expenses for preferred provider organization, case management, utilization review, and reinsurance used by the insurer in calculating the loss ratio guarantee for reasonableness. Only those expenses found to be reasonable by the ~~commissioner~~~~executive director~~ may be used by the insurer for determining the loss ratio for purposes of any loss ratio guarantee.
- (8) (a) The ~~commissioner~~~~executive director~~ shall hold a hearing upon written request by the Attorney General. The written request shall be based upon one (1) or more of the reasons set out in subsection (3) of this section and shall state the applicable reasons.
- (b) An insurer may request a hearing, pursuant to KRS 304.2-310, with regard to any action taken by the ~~commissioner~~~~executive director~~ under this section as to the disapproval of rates or an order of a retroactive reduction of rates.
- (c) The hearing shall be a public hearing conducted in accordance with KRS 304.2-310.

- (3) The percentage increase in the premium rate charged to an individual for a new rating period shall not exceed the sum of the following:
 - (a) The percentage change in the new business premium rate measured from the first day of the prior rating period to the first day of the new rating period. In the case of a class of business for which the insurer is not issuing new policies, the insurer shall use the percentage change in the base premium rate;
 - (b) Any adjustment, not to exceed twenty percent (20%) annually and adjusted pro rata for rating periods of less than one (1) year, due to the claim experience, mental and physical condition, including medical condition, medical history, and health service utilization, or duration of coverage of the individual and dependents as determined from the insurer's rate manual for the class of business; and
 - (c) Any adjustment due to change in coverage or change in the case characteristics of the individual as determined from the insurer's rate manual for the class of business.
- (4) The premium rates charged during a rating period to a small group or to an association member with similar case characteristics for the same coverage, or the rates that could be charged to that small group or that association member under the rating system for that class of business, shall not vary from the index rate by more than fifty percent (50%) of the index rate.

- (8) The *commissioner*~~{executive director}~~ may approve establishment of additional classes of business upon application to the *commissioner*~~{executive director}~~ and a finding by the *commissioner*~~{executive director}~~ that the additional class would enhance the efficiency and fairness for the applicable market segment.
 - (a) The index rate for a rating period for any class of business shall not exceed the index rate for any other class of business in that market segment by more than ten percent (10%).

- (b) An insurer may establish a separate class of business only to reflect substantial differences in expected claims experience or administrative cost related to the following reasons:

- (c) Notwithstanding any other provision of this subsection, beginning January 1, 2001, a GAP participating insurer may establish a separate class of business for the purpose of separating guaranteed acceptance program qualified individuals from other individuals enrolled in their plan prior to January 1, 2001. The index rate for the separate class created under this paragraph shall be established taking into consideration expected claims experience and administrative costs of the new class of business and the previous class of business.
- (9) For the purpose of this section, a health benefit plan that utilizes a restricted provider network shall not be considered similar coverage to a health benefit plan that does not utilize a restricted provider network if utilization of the restricted provider network results in substantial differences in claims costs.
- (10) Notwithstanding any other provision of this section, an insurer shall not be required to utilize the experience of those individuals with high-cost conditions who enrolled in its plans between July 15, 1995, and April 10, 1998, to develop the insurer's index rate for its individual policies.

Without the written consent of the employer-organized association filed with the **commissioner**~~executive director~~, the index rate for the employer-organized association shall be calculated solely with respect to that employer-organized association and shall not be tied to, linked to, or otherwise adversely affected by any other index rate used by the issuing insurer.

 - 2. The provisions of the health benefit plan relating to renewability of coverage;
 - 3. The provisions of the health benefit plan relating to any preexisting condition exclusion; and
 - 4. The benefits and premiums available under all health benefit plans for which the small employer is qualified.
- (c) Information described in paragraph (b) of this subsection shall be provided to a small employer in a manner determined to be understandable by the average small employer and shall be sufficient to reasonably inform a small employer of his or her rights and obligations under the health benefit plan.
- (d) An insurer is not required under this section to disclose any information that is proprietary and trade secret information under applicable law.

➔Section 1218. KRS 304.17A-220 is amended to read as follows:

- (1) All group health plans and insurers offering group health insurance coverage in the Commonwealth shall comply with the provisions of this section.
- (2) Subject to subsection (8) of this section, a group health plan, and a health insurance insurer offering group health insurance coverage, may, with respect to a participant or beneficiary, impose a pre-existing condition exclusion only if:
 - (a) The exclusion relates to a condition, whether physical or mental, regardless of the cause of the condition, for which medical advice, diagnosis, care, or treatment was recommended or received within the six (6) month period ending on the enrollment date. For purposes of this paragraph:
 1. Medical advice, diagnosis, care, or treatment is taken into account only if it is recommended by, or received from, an individual licensed or similarly authorized to provide such services under state law and operating within the scope of practice authorized by state law; and
 2. The six (6) month period ending on the enrollment date begins on the six (6) month anniversary date preceding the enrollment date;
 - (b) The exclusion extends for a period of not more than twelve (12) months, or eighteen (18) months in the case of a late enrollee, after the enrollment date;
 - (c)
 1. The period of any pre-existing condition exclusion that would otherwise apply to an individual is reduced by the number of days of creditable coverage the individual has as of the enrollment date, as counted under subsection (3) of this section; and
 2. Except for ineligible individuals who apply for coverage in the individual market, the period of any pre-existing condition exclusion that would otherwise apply to an individual may be reduced by the number of days of creditable coverage the individual has as of the effective date of coverage under the policy; and
 - (d) A written notice of the pre-existing condition exclusion is provided to participants under the plan, and the insurer cannot impose a pre-existing condition exclusion with respect to a participant or a dependent of the participant until such notice is provided.
- (3) In reducing the pre-existing condition exclusion period that applies to an individual, the amount of creditable coverage is determined by counting all the days on which the individual has one (1) or more types of creditable coverage. For purposes of counting creditable coverage:
 - (a) If on a particular day the individual has creditable coverage from more than one (1) source, all the creditable coverage on that day is counted as one (1) day;
 - (b) Any days in a waiting period for coverage are not creditable coverage;
 - (c) Days of creditable coverage that occur before a significant break in coverage are not required to be counted; and
 - (d) Days in a waiting period and days in an affiliation period are not taken into account in determining whether a significant break in coverage has occurred.
- (4) An insurer may determine the amount of creditable coverage in another manner than established in subsection (3) of this section that is at least as favorable to the individual as the method established in subsection (3) of this section.
- (5) If an insurer receives creditable coverage information, the insurer shall make a determination regarding the amount of the individual's creditable coverage and the length of any pre-existing exclusion period that remains. A written notice of the length of the pre-existing condition exclusion period that remains after offsetting for prior creditable coverage shall be issued by the insurer. An insurer may not impose any limit on the amount of time that an individual has to present a certificate or evidence of creditable coverage.
- (6) For purposes of this section:
 - (a) "Pre-existing condition exclusion" means, with respect to coverage, a limitation or exclusion of benefits relating to a condition based on the fact that the condition was present before the effective date of coverage, whether or not any medical advice, diagnosis, care, or treatment was recommended or

received before that day. A pre-existing condition exclusion includes any exclusion applicable to an individual as a result of information relating to an individual's health status before the individual's effective date of coverage under a health benefit plan;

- (b) "Enrollment date" means, with respect to an individual covered under a group health plan or health insurance coverage, the first day of coverage or, if there is a waiting period, the first day of the waiting period. If an individual receiving benefits under a group health plan changes benefit packages, or if the employer changes its group health insurer, the individual's enrollment date does not change;
 - (c) "First day of coverage" means, in the case of an individual covered for benefits under a group health plan, the first day of coverage under the plan and, in the case of an individual covered by health insurance coverage in the individual market, the first day of coverage under the policy or contract;
 - (d) "Late enrollee" means an individual whose enrollment in a plan is a late enrollment;
 - (e) "Late enrollment" means enrollment of an individual under a group health plan other than:
 1. On the earliest date on which coverage can become effective for the individual under the terms of the plan; or
 2. Through special enrollment;
 - (f) "Significant break in coverage" means a period of sixty-three (63) consecutive days during each of which an individual does not have any creditable coverage; and
 - (g) "Waiting period" means the period that must pass before coverage for an employee or dependent who is otherwise eligible to enroll under the terms of a group health plan can become effective. If an employee or dependent enrolls as a late enrollee or special enrollee, any period before such late or special enrollment is not a waiting period. If an individual seeks coverage in the individual market, a waiting period begins on the date the individual submits a substantially complete application for coverage and ends on:
 1. If the application results in coverage, the date coverage begins; or
 2. If the application does not result in coverage, the date on which the application is denied by the insurer or the date on which the offer of coverage lapses.
- (7) (a) 1. Except as otherwise provided under subsection (3) of this section, for purposes of applying subsection (2)(c) of this section, a group health plan, and a health insurance insurer offering group health insurance coverage, shall count a period of creditable coverage without regard to the specific benefits covered during the period.
2. A group health plan, or a health insurance insurer offering group health insurance coverage, may elect to apply subsection (2)(c) of this section based on coverage of benefits within each of several classes or categories of benefits specified in federal regulations. This election shall be made on a uniform basis for all participants and beneficiaries. Under this election, a group health plan or insurer shall count a period of creditable coverage with respect to any class or category of benefits if any level of benefits is covered within this class or category.
3. In the case of an election with respect to a group health plan under subparagraph 2. of this paragraph, whether or not health insurance coverage is provided in connection with the plan, the plan shall:
- a. Prominently state in any disclosure statements concerning the plan, and state to each enrollee at the time of enrollment under the plan, that the plan has made this election; and
 - b. Include in these statements a description of the effect of this election.
- (b) Periods of creditable coverage with respect to an individual shall be established through presentation of certifications described in subsection (9) of this section or in such other manner as may be specified in administrative regulations.
- (8) (a) Subject to paragraph (e) of this subsection, a group health plan, and a health insurance insurer offering group health insurance coverage, may not impose any pre-existing condition exclusion on a child who, within thirty (30) days after birth, is covered under any creditable coverage. If a child is enrolled in a group health plan or other creditable coverage within thirty (30) days after birth and subsequently

enrolls in another group health plan without a significant break in coverage, the other group health plan may not impose any pre-existing condition exclusion on the child.

- (b) Subject to paragraph (e) of this subsection, a group health plan, and a health insurance insurer offering group health insurance coverage, may not impose any pre-existing condition exclusion on a child who is adopted or placed for adoption before attaining eighteen (18) years of age and who, within thirty (30) days after the adoption or placement for adoption, is covered under any creditable coverage. If a child is enrolled in a group health plan or other creditable coverage within thirty (30) days after adoption or placement for adoption and subsequently enrolls in another group health plan without a significant break in coverage, the other group health plan may not impose any pre-existing condition exclusion on the child. This shall not apply to coverage before the date of the adoption or placement for adoption.
 - (c) A group health plan may not impose any pre-existing condition exclusion relating to pregnancy.
 - (d) A group health plan may not impose a pre-existing condition exclusion relating to a condition based solely on genetic information. If an individual is diagnosed with a condition, even if the condition relates to genetic information, the insurer may impose a pre-existing condition exclusion with respect to the condition, subject to other requirements of this section.
 - (e) Paragraphs (a) and (b) of this subsection shall no longer apply to an individual after the end of the first sixty-three (63) day period during all of which the individual was not covered under any creditable coverage.
- (9) (a) 1. A group health plan, and a health insurance insurer offering group health insurance coverage, shall provide a certificate of creditable coverage as described in subparagraph 2. of this subsection. A certificate of creditable coverage shall be provided, without charge, for participants or dependents who are or were covered under a group health plan upon the occurrence of any of the following events:
- a. At the time an individual ceases to be covered under a health benefit plan or otherwise becomes eligible under a COBRA continuation provision;
 - b. In the case of an individual becoming covered under a COBRA continuation provision, at the time the individual ceases to be covered under the COBRA continuation provision; and
 - c. On request on behalf of an individual made not later than twenty-four (24) months after the date of cessation of the coverage described in subdivision a. or b. of this subparagraph, whichever is later.
- The certificate of creditable coverage as described under subdivision a. of this subparagraph may be provided, to the extent practicable, at a time consistent with notices required under any applicable COBRA continuation provision.
2. The certification described in this subparagraph is a written certification of:
- a. The period of creditable coverage of the individual under the health benefit plan and the coverage, if any, under the COBRA continuation provision; and
 - b. The waiting period, if any, and affiliation period, if applicable, imposed with respect to the individual for any coverage under the plan.
3. To the extent that medical care under a group health plan consists of group health insurance coverage, the plan is deemed to have satisfied the certification requirement under this paragraph if the health insurance insurer offering the coverage provides for the certification in accordance with this paragraph.
- (b) In the case of an election described in subsection (7)(a)2. of this section by a group health plan or health insurance insurer, if the plan or insurer enrolls an individual for coverage under the plan and the individual provides a certification of coverage of the individual under paragraph (a) of this subsection:
- 1. Upon request of that plan or insurer, the entity that issued the certification provided by the individual shall promptly disclose to the requesting plan or insurer information on coverage of classes and categories of health benefits available under the entity's plan or coverage; and

2. The entity may charge the requesting plan or insurer for the reasonable cost of disclosing this information.
- (10) (a) A group health plan, and a health insurance insurer offering group health insurance coverage in connection with a group health plan, shall permit an employee who is eligible but not enrolled for coverage under the terms of the plan, or a dependent of that employee if the dependent is eligible but not enrolled for coverage under these terms, to enroll for coverage under the terms of the plan if each of the following conditions is met:
1. The employee or dependent was covered under a group health plan or had health insurance coverage at the time coverage was previously offered to the employee or dependent;
 2. The employee stated in writing at that time that coverage under a group health plan or health insurance coverage was the reason for declining enrollment, but only if the plan sponsor or insurer, if applicable, required that statement at that time and provided the employee with notice of the requirement, and the consequences of the requirement, at that time;
 3. The employee's or dependent's coverage described in subparagraph 1. of this paragraph:
 - a. Was under a COBRA continuation provision and the coverage under that provision was exhausted; or
 - b. Was not under such a provision and either the coverage was terminated as a result of loss of eligibility for the coverage, including as a result of legal separation, divorce, cessation of dependent status, such as obtaining the maximum age to be eligible as a dependent child, death of the employee, termination of employment, reduction in the number of hours of employment, employer contributions toward the coverage were terminated, a situation in which an individual incurs a claim that would meet or exceed a lifetime limit on all benefits, or a situation in which a plan no longer offers any benefits to the class of similarly situated individuals that includes the individual; or
 - c. Was offered through a health maintenance organization or other arrangement in the group market that does not provide benefits to individuals who no longer reside, live, or work in a service area and, loss of coverage in the group market occurred because an individual no longer resides, lives, or works in the service area, whether or not within the choice of the individual, and no other benefit package is available to the individual; and
 4. An insurer shall allow an employee and dependent a period of at least thirty (30) days after an event described in this paragraph has occurred to request enrollment for the employee or the employee's dependent. Coverage shall begin no later than the first day of the first calendar month beginning after the date the insurer receives the request for special enrollment.
- (b) A dependent of a current employee, including the employee's spouse, and the employee each are eligible for enrollment in the group health plan subject to plan eligibility rules conditioning dependent enrollment on enrollment of the employee if the requirements of paragraph (a) of this subsection are satisfied.
- (c) 1. If:
- a. A group health plan makes coverage available with respect to a dependent of an individual;
 - b. The individual is a participant under the plan, or has met any waiting period applicable to becoming a participant under the plan and is eligible to be enrolled under the plan but for a failure to enroll during a previous enrollment period; and
 - c. A person becomes such a dependent of the individual through marriage, birth, or adoption or placement for adoption;

the group health plan shall provide for a dependent special enrollment period described in subparagraph 2. of this paragraph during which the person or, if not otherwise enrolled, the individual, may be enrolled under the plan as a dependent of the individual, and in the case of the birth or adoption of a child, the spouse of the individual may be enrolled as a dependent of the individual if the spouse is otherwise eligible for coverage.

2. A dependent special enrollment period under this subparagraph shall be a period of at least thirty (30) days and shall begin on the later of:
 - a. The date dependent coverage is made available; or
 - b. The date of the marriage, birth, or adoption or placement for adoption, as the case may be, described in subparagraph 1.c. of this paragraph.
 3. If an individual seeks to enroll a dependent during the first thirty (30) days of the dependent special enrollment period, the coverage of the dependent shall become effective:
 - a. In the case of marriage, not later than the first day of the first month beginning after the date the completed request for enrollment is received;
 - b. In the case of a dependent's birth, as of the date of the birth; or
 - c. In the case of a dependent's adoption or placement for adoption, the date of the adoption or placement for adoption.
 - (d) At or before the time an employee is initially offered the opportunity to enroll in a group health plan, the employer shall provide the employee with a notice of special enrollment rights.
- (11) (a) In the case of a group health plan that offers medical care through health insurance coverage offered by a health maintenance organization, the plan may provide for an affiliation period with respect to coverage through the organization only if:
1. No pre-existing condition exclusion is imposed with respect to coverage through the organization;
 2. The period is applied uniformly without regard to any health status-related factors; and
 3. The period does not exceed two (2) months, or three (3) months in the case of a late enrollee.
- (b) 1. For purposes of this section, the term "affiliation period" means a period which, under the terms of the health insurance coverage offered by the health maintenance organization, must expire before the health insurance coverage becomes effective. The organization is not required to provide health care services or benefits during this period and no premium shall be charged to the participant or beneficiary for any coverage during the period.
2. This period shall begin on the enrollment date.
 3. An affiliation period under a plan shall run concurrently with any waiting period under the plan.
- (c) A health maintenance organization described in paragraph (a) of this subsection may use alternative methods other than those described in that paragraph to address adverse selection as approved by the **commissioner**~~executive director~~.

 - (d) The insurer is ceasing to offer coverage in the individual or group market in accordance with subsection (3) of this section;
 - (e) In the case of an insurer that offers health benefit plans through a network plan, the individual no longer resides, lives, or works in the service area or in an area for which the insurer is authorized to do business, but only if the coverage is terminated under this paragraph uniformly without regard to any health status-related factor of covered individuals, or there is no longer any enrollee in connection with the group plan who resides, lives, or works in the service area of the insurer;

 - (b) 1. Subject to paragraph (a)3. of this subsection, in any case in which an insurer elects to discontinue offering all health benefit plans in Kentucky, health benefit plans may be discontinued by the insurer only if:

➔Section 1221. KRS 304.17A-250 is amended to read as follows:

- (1) The *commissioner*~~[executive director]~~ shall, by administrative regulations promulgated under KRS Chapter 13A, define one (1) standard health benefit plan.  - (b) A health maintenance organization type;
 - (c) A point-of-service type; and

- (4) Any health insurer who offers the standard health benefit plan may offer the standard health benefit plan in the individual or small group markets in each and every form of coverage that the health insurer offers to sell.
- (5) Nothing in this section shall be construed:
- (a) To require a health insurer to offer a standard health benefit plan in a form of coverage that the health insurer has not selected;
 - (b) To prohibit a health insurer from offering other health benefit plans in the individual or small group markets in addition to the standard health benefit plan; or
 - (c) To require that a standard health benefit plan have guaranteed issue, renewability, or pre-existing condition exclusion rights or provisions that are more generous to the applicant than the health insurer would be required to provide under KRS 304.17A-200, 304.17A-220, 304.17A.230, and 304.17A-240.
- (6) All health benefit plans shall cover hospice care at least equal to the Medicare benefits.
- (7) All health benefit plans shall coordinate benefits with other health benefit plans in accordance with the guidelines for coordination of benefits prescribed by the *commissioner*~~[executive director]~~ as provided in KRS 304.18-085.

This requirement to have written contracts shall apply whenever an insurer includes a health care provider as a part of a preferred provider network or otherwise selects, lists, or approves certain health care providers for use by the insurer's insureds. shall not impose any pre-existing conditions exclusion on that individual with respect to the coverage. Each health insurer offering individual health insurance coverage in the individual market in the Commonwealth that refuses to issue a health benefit plan to an applicant or insured with a disclosed high-cost condition as specified in KRS 304.17B-001 or for any reason, shall provide the individual with a denial letter within twenty (20) working days of the request for coverage. The letter shall include the name and title of the person making the decision, a statement setting forth the basis for refusing to issue a policy, a description of Kentucky Access, and the telephone number for a contact person who can provide additional information about Kentucky Access.

- (12) No individually insured person shall be required to replace an individual policy with group coverage on becoming eligible for group coverage that is not provided by an employer. In a situation where a person holding individual coverage is offered or becomes eligible for group coverage not provided by an employer, the person holding the individual coverage shall have the option of remaining individually insured, as the policyholder may decide.  - 1. Placing the health of the covered person or, with respect to a pregnant woman, the health of the covered person or the unborn child in serious jeopardy;
 - 2. Serious impairment to bodily functions; or
 - 3. Serious dysfunction of a bodily organ or part;

If the *department*~~{office}~~ determines that the treatment, service, drug, or device is not specifically limited or excluded, it shall so notify the insurer, and the insurer shall either cover the service, or afford the covered person an opportunity for external review under KRS 304.17A-621, 304.17A-623, and 304.17A-625, where the conditions precedent to the review are present. - (e) An insurer shall be required to cover the treatment, service, drug, or device that was denied or provide notification of the right to external review in accordance with paragraph (d) of this subsection whether the covered person has disenrolled or remains enrolled with the insurer.

No such blanket policy, except as provided in subsection (4) of KRS 304.14-120, may be issued or delivered in this state unless a copy of the form thereof has been filed in accordance with KRS 304.14-120. Every such blanket policy shall contain provisions which in the opinion of the **commissioner**~~executive director~~ are not less favorable to the policyholder and the individual insured than the following:

- (1) A provision that the policy, including indorsements and a copy of the application, if any, of the policyholder and the persons insured shall constitute the entire contract between the parties, and that any statement made by the policyholder or by a person insured shall in the absence of fraud be deemed a representation and not a warranty, and that no such statements shall be used in defense to a claim under the policy, unless contained in a written application. Such person, his *or her* beneficiary or assignee shall have the right to make a written request to the insurer for a copy of such application, and the insurer shall within fifteen (15) days after the receipt of such request at its principal office or any branch office of the insurer, deliver or mail to the person making such request a copy of such application. If such forms are not furnished before the expiration of fifteen (15) days after giving such notice, the claimant shall be deemed to have complied with the requirements of the policy as to proof of loss upon submitting, within the time fixed in the policy for filing proof of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made.

Failure to furnish such proof within such time shall not invalidate or reduce any claim if it is shown not to have been reasonably possible to furnish such proof and that such proof was furnished as soon as was reasonably possible.
- (5) A provision that all benefits payable under the policy other than benefits for loss of time will be payable immediately upon receipt of due written proof of such loss, and that, subject to due proof of loss, all accrued benefits payable under the policy for loss of time will be paid not less frequently than monthly during the continuance of the period for which the insurer is liable, and that any balance remaining unpaid at the termination of such period will be paid immediately upon receipt of such proof.
- (6) A provision that the insurer at its own expense shall have the right and opportunity to examine the person of the insured when and so often as it may reasonably require during the pendency of claim under the policy and also the right and opportunity to make an autopsy where it is not prohibited by law.
- (7) A provision that no action at law or in equity shall be brought to recover under the policy prior to the expiration of sixty (60) days after written proof of loss has been furnished in accordance with the requirements of the policy and that no such action shall be brought after the expiration of three (3) years after the time written proof of loss is required to be furnished.

- (2) For the purpose of this coverage the term "uninsured motor vehicle" shall, subject to the terms and conditions of such coverage, be deemed to include an insured motor vehicle where the liability insurer thereof is unable to make payment with respect to the legal liability of its insured within the limits specified therein because of insolvency; an insured motor vehicle with respect to which the amounts provided, under the bodily injury liability bond or insurance policy applicable at the time of the accident with respect to any person or organization legally responsible for the use of such motor vehicle, are less than the limits described in KRS 304.39-110; and an insured motor vehicle to the extent that the amounts provided in the liability coverage applicable at the time of the accident is denied by the insurer writing the same.

- (8) If the insurer has manifested its willingness to renew by mailing or delivering a renewal notice, bill, certificate, or policy to the first-named insured at his *or her* last known address at least thirty (30) days before the end of the current policy period with the amount of the renewal premium charge and its due date clearly set forth therein, then the policy shall expire and terminate without further notice to the insured on the due date, unless the renewal premium is received by the insurer or its authorized agent on or before that date. When any policy terminates pursuant to this subsection because the renewal premium was not received on or before the due date, the insurer shall, within fifteen (15) days, deliver or mail to the first-named insured at his *or her* last known address a notice that the policy was not renewed and the date on which the coverage under it ceased to exist.

- (1) No insurer shall hereafter make any contract whereby any person is granted or is to enjoy in fact the management of the insurer to the substantial exclusion of its board of directors, or to have the controlling or preemptive right to produce substantially all insurance business for the insurer, or, if an officer, director or otherwise part of the insurer's management, is to receive any commission, bonus or compensation based upon the volume of the insurer's business or transactions, unless the contract is filed with and approved by the **commissioner**~~executive director~~. The contract shall be deemed approved unless disapproved by the **commissioner**~~executive director~~ within twenty (20) days after date of filing, subject to such reasonable extension of time as the **commissioner**~~executive director~~ may require by notice given within such twenty (20) days. management personnel of the manager or producer, and with such classification of items and further detail as the insurer's board of directors may reasonably require.

The insurer shall establish and maintain in this state its principal office and place of business. The insurer's principal records shall be kept either at its principal office or, with the approval of the **commissioner**~~{executive director}~~, at its place of business in any other state where it, or its affiliate as defined in subsection (4) of KRS 304.37-010, is engaged in the business of entering into contracts of insurance.

- (1) A domestic stock or mutual insurer may borrow money to defray the expenses of its organization, provide it with surplus funds, or for any purpose of its business, upon a written agreement that such money is required to be repaid only out of the insurer's surplus in excess of that stipulated in such agreement. The agreement may provide for interest, which interest shall or shall not constitute a liability of the insurer as to its funds other than such excess of surplus, as stipulated in the agreement. No commission or promotion expense shall be paid in connection with any such loan, except that if public offering and sale is made of the loan securities, the insurer may pay the reasonable costs thereof approved by the **commissioner**~~{executive director}~~.
- (2) Money so borrowed, together with the interest thereon if so stipulated in the agreement, shall not form a part of the insurer's legal liabilities except as to its surplus in excess of the amount thereof stipulated in the agreement, or be the basis of any setoff; but until repaid, financial statements filed or published by the insurer shall show as a footnote thereto the amount thereof then unpaid together with any interest thereon accrued but unpaid. A surplus note shall be reported as surplus and not as debt only if the surplus note contains the following provisions:
 - (a) Subordination to policyholder;
 - (b) Subordination to claimant and beneficiary claims;
 - (c) Subordination to all other classes of creditors other than surplus note holders; and
 - (d) Interest payments and principal repayments require prior approval of the state of domicile.
- (3) Any such loan shall be subject to the **commissioner's**~~{executive director's}~~ approval. The insurer shall in advance of the loan, file with the **commissioner**~~{executive director}~~ a statement of the purpose of the loan and a copy of the proposed loan agreement. The loan and agreement shall be deemed approved unless within fifteen (15) days after date of such filing the insurer is notified of the **commissioner's**~~{executive director's}~~ disapproval and the reasons therefor. The **commissioner**~~{executive director}~~ shall disapprove any proposed loan or agreement if he *or she* finds the loan is unnecessary or excessive for the purpose intended, or that the terms of the loan agreement are not fair and equitable to the parties and to other similar lenders, if any, to the insurer, or that the information so filed by the insurer is inadequate.
- (4) Any such loan or substantial portion thereof shall be repaid by the insurer when no longer reasonably necessary for the purpose originally intended. No repayment of such a loan shall be made unless approved in advance by the **commissioner**~~{executive director}~~.

- (5) This section shall not apply to other kinds of loans obtained by the insurer in ordinary course of business, nor to loans secured by pledge or mortgage of assets.

➔Section 1340. KRS 304.24-350 is amended to read as follows:

- (2) The insurer may cure the deficiency by a decrease of its capital stock or by other lawful means. The deficiency shall be made good in cash or in assets eligible under this code for investment of the insurer's funds or by decrease of the insurer's capital stock to an amount not below the minimum required for the kinds of insurance to be thereafter transacted.
- (3) If the deficiency is not made good and proof thereof filed with the *commissioner*~~{executive director}~~ within such ninety-day period, the *commissioner*~~{executive director}~~ shall revoke the insurer's certificate of authority, the insurer shall be deemed insolvent, and shall be proceeded against as authorized by this code.

➔Section 1341. KRS 304.24-360 is amended to read as follows:

- (1) A stock insurer may become a mutual insurer under such reasonable plan and procedure as may be approved by the *commissioner*~~{executive director}~~ after a hearing thereon.
- (2) The *commissioner*~~{executive director}~~ shall not approve any such plan or procedure of mutualization unless:
 - (a) *The commissioner*~~{He}~~ finds that it is equitable to stockholders and policyholders;
 - (b) It is subject to approval by the holders of not less than three-fourths (3/4) of the insurer's outstanding capital stock having voting rights, and by not less than two-thirds (2/3) of the insurer's policyholders, who vote on such plan in person, by proxy, or by mail, pursuant to such reasonable notice and procedure as may be approved by the *commissioner*~~{executive director}~~;
 - (c) If a life insurer, the right to vote thereon is limited to holders of policies, other than term or group policies, whose policies have been in force for more than one (1) year;
 - (d) Mutualization will result in retirement of shares of the insurer's capital stock at a price not in excess of the fair market value thereof as determined by competent disinterested appraisers;
 - (e) The plan provides for the purchase of the shares of any dissenting stockholder in the same manner and subject to the same applicable conditions as provided by KRS Chapter 271B as to rights of dissenting stockholders with respect to merger or consolidation of business corporations;
 - (f) The plan provides for definite conditions to be fulfilled by a designated early date upon which such mutualization will be deemed effective; and
 - (g) The mutualization leaves the insurer with surplus funds reasonably adequate for the security of its policyholders and to enable it to continue successfully in business in the states in which it is then authorized to transact insurance and for the kinds of insurance included in its certificates of authority in such states.
- (3) This section shall not apply to mutualization under order of court pursuant to rehabilitation or reorganization of an insurer under Subtitle 33.

➔Section 1342. KRS 304.24-370 is amended to read as follows:

A domestic stock insurer may convert to a Kentucky ordinary business corporation through the following procedures:

- (1) The insurer shall give the *commissioner*~~{executive director}~~ written notice of its intent to convert to an ordinary business corporation;
- (2) The insurer shall bulk reinsure all of its insurance, if any, in force, with another authorized insurer under a bulk reinsurance agreement approved by the *commissioner*~~{executive director}~~ as provided in KRS 304.24-420. The agreement of bulk reinsurance may be made contingent upon approval of stockholders as provided in subsection (4) of this section;

- (3) The insurer shall set aside funds in a special reserve in such amount and subject to such administration as may be found by the **commissioner**~~{executive director}~~ to be reasonable and adequate for the purpose, for payment of all obligations, if any, of the insurer incurred by it and remaining unpaid under its insurance contracts prior to the effective date of such bulk reinsurance, or make other reasonable disposition satisfactory to the **commissioner**~~{executive director}~~ for such payment;
- (4) The proposed conversion shall be approved by affirmative vote of not less than two-thirds (2/3) of each class of outstanding securities of the insurer having voting rights, at a special meeting of holders of such securities called for the purpose; and at such meeting and by a like vote the certificate of organization of the corporation shall be amended to remove therefrom the power to transact an insurance business as an insurer, to provide for such new powers and purposes authorized by the general corporation laws of this state as may be consistent with the purposes for which the corporation is thereafter to exist, and to make such further alterations in the certificate of organization as may be required under such general corporation laws of an ordinary business corporation;
- (5) Security holders of the corporation who dissent from such proposed conversion shall have the same applicable rights as exist under such general corporation laws with respect to dissent from a proposed merger of the corporation; and
- (6) Upon compliance with subsections (1) to (4) of this section, inclusive, and upon filing of the amendment of the certificate of organization with the **commissioner**~~{executive director}~~ and otherwise as required by laws applicable to ordinary business corporations, the conversion shall thereupon become effective.

➔Section 1343. KRS 304.24-390 is amended to read as follows:

- (2) No such merger or consolidation shall be effectuated unless in advance thereof the plan and agreement therefor have been filed with the **commissioner**~~{executive director}~~ and approved in writing by him **or her** after a hearing thereon. The **commissioner**~~{executive director}~~ shall give such approval within a reasonable time after such filing unless **the commissioner**~~{he}~~ finds such plan or agreement:
 - (a) Is contrary to law; or
 - (b) Inequitable to the stockholders or members of the insurers involved; or
 - (c) Would substantially reduce the security of and service to be rendered to policyholders of the domestic insurer in this state or elsewhere; or
 - (d) Would materially tend to lessen competition in the insurance business in this state or elsewhere as to the kinds of insurance involved, or would materially tend to create a monopoly as to such business; or
 - (e) Is subject to other material and reasonable objections.
- (3) No director, officer, agent or employee of any insurer party to such merger or consolidation, or member of the family of such director, officer, agent, or employee, shall receive any fee, commission, compensation or other valuable consideration whatsoever for in any manner aiding, promoting or assisting therein except as set forth in such plan or agreement.
- (4) If members of an insurer are entitled to vote, two-thirds (2/3) of the votes cast by such members of such insurer, as are represented at the meeting in person or by proxy, is necessary for the approval of any such agreement or plan.
- (5) If the **commissioner**~~{executive director}~~ does not approve any such plan or agreement he **or she** shall so notify the insurer in writing specifying his **or her** reasons therefor.

➔Section 1344. KRS 304.24-400 is amended to read as follows:

- (1) A domestic stock insurer shall not acquire a controlling interest in the shares of another stock insurer by an exchange of securities or partly in exchange for securities and partly for cash or property, unless the insurer has first submitted the plan for such acquisition and exchange to the **commissioner**~~{executive director}~~ and the **commissioner**~~{executive director}~~ has approved the same.

(2) The **commissioner**~~{executive director}~~ shall not so approve unless he *or she* finds the plan for such acquisition and exchange and the terms and conditions thereof to be fair and equitable to all parties concerned therein, after a hearing to which all persons to whom it is proposed to issue securities in such exchange shall have the right to appear.

(3) Notice and conduct of such hearing shall be as provided in Subtitle 2.

➔Section 1345. KRS 304.24-415 is amended to read as follows:

(1) (a) Every insurer domiciled in this state shall file a report with the **commissioner**~~{executive director}~~ disclosing material acquisitions and dispositions of assets or material nonrenewals, cancellations, or revisions of ceded reinsurance agreements unless the acquisitions and dispositions of assets or material nonrenewals, cancellations, or revisions of ceded reinsurance agreements have been submitted to the **commissioner**~~{executive director}~~ for review, approval, or information purposes pursuant to other provisions of this chapter.

(b) The report required in paragraph (a) of this subsection is due within fifteen (15) days after the end of the calendar month in which any of the foregoing transactions occur.

(c) One (1) complete copy of the report, including any exhibits or other attachments, shall be filed with:

1. The insurance department of the insurer's state of domicile; and
2. The National Association of Insurance Commissioners.

(d) All reports obtained by or disclosed to the **commissioner**~~{executive director}~~ pursuant to this section shall be given confidential treatment and shall not be subject to subpoena and shall not be made public by the **commissioner**~~{executive director}~~, the National Association of Insurance Commissioners, or any other person, except to insurance departments of other states, without the prior written consent of the insurer to which it pertains unless the **commissioner**~~{executive director}~~, after giving the insurer who would be affected notice and opportunity to be heard, determines that the interest of policyholders, shareholders, or the public will be served by publication, in which event the **commissioner**~~{executive director}~~ may publish all or any part in the manner the **commissioner**~~{executive director}~~ may deem appropriate.

(2) (a) No acquisitions or dispositions of assets need be reported pursuant to subsection (1) of this section if the acquisitions or dispositions are not material. For purposes of this section, a material acquisition, or the aggregate of any series of related acquisitions during any thirty (30) day period, is one that is nonrecurring and not in the ordinary course of business and involves more than five percent (5%) of the reporting insurer's total admitted assets as reported in its most recent statutory statement filed with the insurance department of the insurer's state of domicile.

(b) 1. Asset acquisitions subject to this section include every purchase, lease exchange, merger, consolidation, succession, or other acquisition other than the construction or development of real property by or for the reporting insurer or the acquisition of materials for such purpose.

2. Asset dispositions subject to this section include every sale, lease, exchange, merger, consolidation, mortgage, hypothecation, assignment (whether for the benefit of creditors or otherwise), abandonment, destruction, or other disposition.

(c) 1. The following information is required to be disclosed in any report of a material acquisition or disposition of assets:

 - 2. Insurers are required to report material acquisitions and dispositions on a nonconsolidated basis unless the insurer is part of a consolidated group of insurers which utilizes a pooling arrangement or one hundred percent (100%) reinsurance agreement that affects the solvency and integrity of the insurer's reserves and the insurer ceded substantially all of its direct and assumed business to the pool. An insurer is deemed to have ceded substantially all of its direct and assumed business to a pool if the insurer has less than one million dollars (\$1,000,000) total direct plus assumed written premiums during a calendar year that are not subject to a pooling arrangement and the net income of the business not subject to the pooling arrangement represents less than five percent (5%) of the insurer's capital and surplus.
- (3) (a) No nonrenewals, cancellations, or revisions of ceded reinsurance agreements need be reported pursuant to subsection (1) of this section if the nonrenewals, cancellations or revisions are not material. For purposes of this section, a material nonrenewal, cancellation, or revision is one that affects:
- 1. As respects property and casualty business, including accident and health business written by a property and casualty insurer:
 - a. More than fifty percent (50%) of the insurer's total ceded written premium; or

 - 3. As respects either property and casualty or life, annuity, and accident and health business, either of the following events shall constitute a material revision which must be reported:
 - a. An authorized reinsurer representing more than ten percent (10%) of a total cession is replaced by one (1) or more unauthorized reinsurers; or
 - b. Previously established collateral requirements have been reduced or waived as respects one (1) or more unauthorized reinsurers representing collectively more than ten percent (10%) of a total cession.
- (b) No filing shall be required if:
- 1. As respects property and casualty business, including accident and health business written by a property and casualty insurer, the insurer's total ceded written premium represents, on an annualized basis, less than ten percent (10%) of its total written premium for direct and assumed business; or
 - 2. As respects life, annuity, and accident and health business, the total reserve credit taken for business ceded represents, on an annualized basis, less than ten percent (10%) of the statutory reserve requirements prior to any cession.
- (c) The following information is required to be disclosed in any report of a material nonrenewal, cancellation, or revision of ceded reinsurance agreements:
- 1. Effective date of the nonrenewal, cancellation, or revision;
 - 2. The description of the transaction with an identification of the initiator thereof;
 - 3. Purpose of, or reason for, the transaction; and
 - 4. If applicable, the identity of the replacement reinsurers.
- (d) Insurers are required to report all material nonrenewals, cancellations, or revisions of ceded reinsurance agreements on a nonconsolidated basis unless the insurer is part of a consolidated group of insurers which utilizes a pooling arrangement or one hundred percent (100%) reinsurance agreement that affects the solvency and integrity of the insurer's reserves and the insurer ceded substantially all of its direct and assumed business to a pool if the insurer has less than one million dollars (\$1,000,000) total direct plus assumed written premiums during a calendar year that are not subject to a pooling arrangement and the

net income of the business not subject to the pooling arrangement represents less than five percent (5%) of the insurer's capital and surplus.

➔Section 1346. KRS 304.24-420 is amended to read as follows:

- (1) A domestic insurer may reinsure all or substantially all of its business in force, or all or substantially all of a major class thereof, with another insurer, stock or mutual, by an agreement of bulk reinsurance after compliance with this section. No such agreement shall become effective unless filed with the **commissioner**~~[executive director]~~ and approved by him *or her* in writing.
- (2) The **commissioner**~~[executive director]~~ shall approve such agreements within a reasonable time after filing if he *or she* finds:
 - (a) That the plan and agreement are fair and equitable to each insurer and to the policyholders involved;
 - (b) That the reinsurance, if effectuated, would not substantially reduce the protection or service to the policyholders of any domestic insurer involved;

 - (f) That the proposed bulk reinsurance is free of other reasonable objections.
- (3) If the **commissioner**~~[executive director]~~ does not so approve he *or she* shall forthwith notify each insurer involved in writing, specifying his *or her* reasons therefor.

 - (c) The acquisition or change of control will result in unjust enrichment of the acquiring persons to the detriment of the eligible members of the converting mutual; and
 - (d) The acquisition would not be in the best interest of the present and future policyholders of the former mutual, without regard to any interest of policyholders as shareholders of the former mutual or any affiliate company.

 - (d) Attack. Attack means any attack, actual or imminent, or series of attacks by an enemy or a foreign nation upon the United States causing, or which may cause, substantial damage or injury to civilian property or persons in the United States in any manner by sabotage or by the use of bombs, shell fire, or atomic, radiological, chemical, bacteriological or biological means or other weapons or processes.

➔Section 1363. KRS 304.25-030 is amended to read as follows:

- (1) With the approval of the *commissioner*~~[executive director]~~, any domestic organization may, at any time, adopt, in the same manner as in the case of ordinary bylaws, emergency bylaws to become operative during a period of acute emergency. Emergency bylaws may contain provisions with respect to the number of directors capable of acting which shall constitute its board, the number of such directors which shall constitute a quorum at a meeting of the board, the number of votes necessary for action by such board, the manner in which vacancies on the board shall be filled, the line of succession of its officers, and the interim management of the affairs of the insurance organization; such provisions, if approved by the *commissioner*~~[executive director]~~, need not comply with the requirement of the charter of such domestic organization or of the insurance or incorporation laws of this state.
- (2) KRS 304.25-040 and subsections (2) to (6), inclusive, of KRS 304.25-050, shall not be applicable during a period of acute emergency to any domestic organization operating in accordance with and under emergency bylaws theretofore approved by the *commissioner*~~[executive director]~~.

➔Section 1364. KRS 304.25-040 is amended to read as follows:

- (1) Notwithstanding any provision of its charter, any domestic insurance organization, without complying with any provision of law requiring approval, or application for approval, of a change of location of its principal office may, from time to time, change the location thereof during an acute emergency to a suitable location within the United States, and may carry on its business at such new location during such acute emergency, and for a reasonable time thereafter. Any insurance organization which changes the location of its principal office during an acute emergency shall notify the *commissioner*~~[executive director]~~ thereof in writing as soon as practical, stating the address of the new location, the address of the former location, and the dates when business is ceasing at the former location and commencing at the latter location.
- (2) Notwithstanding any contrary provision of law or its charter, if at any time during an acute emergency affecting any domestic insurance organization, no person otherwise empowered to call meetings of the board is capable of acting, a meeting thereof may be called by any director or acting director or if no director or acting director is capable of acting, by any officer or acting officer. If it shall be impractical or impossible to give notice of a meeting of the board in the manner prescribed by charter and law, other than this subtitle, the person calling such a meeting may give notice thereof by making such reasonable efforts as circumstances may permit to notify each director and acting director of the time and place of the meeting, but need not specify the purposes thereof. Failure of any director or acting director to receive actual notice of a meeting of directors and acting directors shall not affect the power of the directors and acting directors present at such meeting to exercise the powers of an emergency board of directors as prescribed in this section. Nothing in this subtitle shall be construed as requiring a meeting of the board of such an organization to be convened in any manner different from that prescribed by its charter and by the provisions of law other than this subtitle.
- (3) If three (3) or more directors and acting directors of any domestic insurance organization are present at any meeting of its board duly convened during an acute emergency affecting such domestic insurance organization, they shall constitute its emergency board of directors which, notwithstanding any contrary provision of law or of its charter, shall have the power, subject to the limitations prescribed by this subtitle, by a majority of those present, to take any and every action which may be necessary to enable such domestic insurance organization to meet the exigencies of the acute emergency and conduct its business during such period, but no other powers. The powers of an emergency board of directors shall include, but shall not be limited to, the following powers:
 - (a) Fill vacancies and absentees. At any meeting, to elect such acting directors as it may deem necessary, without regard to the number of directors which would otherwise be required, to serve in any positions on such board which are vacant or in place of any directors or acting directors who are absent from such meeting, but not to elect any director on a permanent basis.
 - (b) Acting officers and duties. To elect such acting officers as it may deem necessary, without regard to the number of officers which would otherwise be required, to serve in any offices which are vacant or in place of any officers or acting officers who fail to appear and assume their duties, to fix the compensation and determine the powers and duties of acting officers and to remove acting officers but not to remove any officer or to fill any vacancy on a permanent basis or to cause the insurance organization to enter into any contract of employment for a term in excess of one (1) year.

- (c) Change of location. To cause the insurance organization to change the location of its principal office, pursuant to this section, or any of its places of business, and to authorize such action as it may deem appropriate to acquire space and facilities at new locations, but not to acquire for use of its principal office property in fee or for a term in excess of one (1) year.
 - (d) Postpone meetings. To postpone any meeting of the stockholders, policyholders or members or directors of such organization if, in the judgment of a majority of the members of such emergency board of directors, it would be impracticable to hold such meeting at the time it would otherwise have been held or conducted.
 - (e) Call meetings. If it shall appear to an emergency board of directors that a quorum of the board cannot be assembled within a reasonable time, to call a meeting of the stockholders, policyholders or members of the insurance organization to be held as soon as the circumstances may reasonably permit, at a place to be designated by the emergency board of directors within this state or a contiguous state, for the purpose of electing directors to fill vacancies on the board, but for no other purpose, and to propose nominees for such election. Any such meetings of stockholders, policyholders or members shall be held upon notice given in accordance with the charter of the organization and applicable law other than this section.
- (4) As soon as practicable after each meeting of an emergency board of directors, the person who presided thereat shall notify the **commissioner**~~{executive director}~~ in writing of the time and place of such meeting, of the manner in which notice thereof was given, of the persons present and of all actions taken at such meeting.
 - (5) No person prohibited by law or by the charter of a domestic insurance organization from serving as a member of its board shall be eligible to serve as an acting director except that no person shall be disqualified to serve as an acting director by reason of his **or her** not being a stockholder, policyholder or member of such insurance organization, by reason of his **or her** not being a resident of this state or of a contiguous state, or by reason of the number of directors or acting directors who are officers, acting officers or employees of the insurance organization. Any person may serve as an acting director of a fund who is a director, acting director, officer or acting officer of an organization which is a party to the agreement creating the fund. No oath of acting directors shall be required.
 - (6) Acting directors elected under this section or appointed under KRS 304.25-060 shall be entitled to vote at all meetings of emergency board of directors equally with directors. Acting directors shall not be entitled to take part in the deliberations or to vote at any meeting of the board which is duly convened in accordance with the applicable provisions of its charter and of law other than this subtitle and at which a quorum is present. Each acting director shall serve until the director or acting director in whose place he **or she** was elected or appointed shall attend the meeting of the board or until the director is duly elected to fill the vacancy in which such acting director has been serving, whichever event occurs earlier. An acting director shall be entitled to the compensation, if any, payable to a director.
 - (7) Acting officers elected pursuant to this section shall have powers and duties and receive such compensation as may from time to time be determined by the emergency board of directors. Each acting officer shall serve until the officer in whose place he **or she** was elected shall appear and assume his **or her** duties or until his **or her** successor officer or acting officer shall be elected, whichever event occurs earlier.
 - (8) This section shall not be deemed applicable during a period of acute emergency to any domestic organization operating in accordance with and under emergency bylaws theretofore approved by the **commissioner**~~{executive director}~~.

➔Section 1365. KRS 304.25-050 is amended to read as follows:

- (1) Designate additional acting directors. If at any time during an acute emergency, the number of directors or acting directors of a domestic insurance organization who are capable of acting shall be less than three (3), as determined by the **commissioner**~~{executive director}~~ after a reasonable investigation, the **commissioner**~~{executive director}~~ shall have the power to designate additional acting directors in such number as will bring to three (3) the number of directors and acting directors who are capable of acting.
- (2) Resolve controversies. To resolve controversy as to the power of any group of persons purporting to act as an emergency board of directors so to act, the **commissioner**~~{executive director}~~ shall, upon a determination that such action will tend to promote the safe and sound and orderly conduct of the business of any domestic insurance organization, have power to issue orders declaring that any such group shall or shall not have the

powers of an emergency board of directors, or confirming, modifying or vacating in whole or in part any action taken or purportedly taken by any such group or by removing any acting director.

- (3) (a) Declare provisions of law operative or inoperative. At any time after an attack, upon his determination that such action will tend to promote certainty as to the powers of insurance organizations or individuals pursuant to this subtitle or that such action is desirable to enable insurance organizations to take preparatory precautions prior to the occurrence of an acute emergency, the **commissioner**~~{executive director}~~ shall have power to declare that any provision of this subtitle which he may specify shall be operative with respect to any domestic insurance organization or to the Kentucky business of any other insurance organization which he may designate. Upon such declaration such organization and its directors, officers, acting directors and acting officers shall have all powers conferred by this subtitle. The failure of the **commissioner**~~{executive director}~~ so to declare shall not be deemed to limit the powers of any organization or its directors, officers, acting directors or acting officers where an acute emergency exists in fact.
- (b) At any time after the commencement of an acute emergency or after the **commissioner**~~{executive director}~~ shall have declared any provision of this subtitle operative under this subsection upon his determination that an insurance organization is able, in whole or in part, to carry on its business in compliance with its charter and the laws, other than this subtitle, the **commissioner**~~{executive director}~~ shall have power to declare that any provision of this subtitle which he may specify shall be inoperative with respect to any domestic insurance organization or to the Kentucky business of any other insurance organization which he may designate. Upon such declaration, such organization shall be governed by its charter and the provisions of law other than this subtitle, except insofar as they remain inoperative.
- (4) Possession of business and property. Upon the determination that, as a result of an acute emergency, the business and affairs of an insurance organization cannot otherwise be conducted in a safe and sound manner, the **commissioner**~~{executive director}~~ may forthwith take possession of the business and property of the insurance organization within this state or, if a domestic insurance organization, its business and property wherever situated. This subtitle shall be applicable in any case in which the **commissioner**~~{executive director}~~ takes possession of an insurance organization under this subsection as though the insurance organization were an insurer of which the **commissioner**~~{executive director}~~ had taken possession under this subtitle, except that no such provision shall be applicable which the **commissioner**~~{executive director}~~ shall have declared inapplicable under this subsection. The **commissioner**~~{executive director}~~ shall have power to declare inapplicable any such provision upon his determination that the same is inappropriate or unnecessary to protect the interest of the public or the stockholders or creditors of the insurance organization, in view of the acute emergency and the nature of the organization.
- (5) When powers exercised. The powers given the **commissioner**~~{executive director}~~ by subsections (2) and (4) of this section shall be exercised by him only in the event that there is no court of competent jurisdiction available to which an application can be made for an order permitting him to exercise such powers with respect to a particular insurance organization. The powers conferred by subsection (4) of this section shall not be exercised in a case of an insurance organization which is not insolvent within the meaning of this subtitle, unless the **commissioner**~~{executive director}~~ finds that such insurance organization lacks personnel able to manage its business in the interest of the public, stockholders and policyholders.
- (6) Regulations. The **commissioner**~~{executive director}~~ shall have power to issue general and specific regulations, directives and orders consistent with and in furtherance of the purpose of this subtitle.
- ➔Section 1366. KRS 304.25-060 is amended to read as follows:
- (1) Presumption. In any action or proceeding it shall be presumed that an acute emergency existing within this state constitutes an acute emergency affecting every insurance organization doing business within this state.
- (2) Powers of board. During an acute emergency the board of a domestic insurance organization which has adopted emergency bylaws approved by the **commissioner**~~{executive director}~~ shall have all of the powers conferred by such bylaws, and no other or different powers with respect to the subject matter of this subtitle, and the board of a domestic insurance organization which has not adopted emergency bylaws approved by the **commissioner**~~{executive director}~~ shall have all of the powers of an emergency board of directors as the same are provided for under this subtitle.

- (2) Any security convertible, with or without consideration, into such a security, or carrying any warrant or right to subscribe to or purchase such a security; or
- (3) Any such warrant or right; or
- (4) Any other security which the **commissioner**~~{executive director}~~ deems to be of similar nature and considers necessary or appropriate, by such rules and regulations as **the commissioner**~~{he}~~ may prescribe in the public interest or for the protection of investors, to treat as an equity security.

➔Section 1368. KRS 304.26-030 is amended to read as follows:

- (2) Within ten (10) days after the close of each calendar month thereafter, if there has been a change in such ownership during such month, file in the office of the **commissioner**~~{executive director}~~ a statement, in such form as the **commissioner**~~{executive director}~~ may prescribe, indicating his **or her** ownership at the close of the calendar month and such changes in his **or her** ownership as have occurred during such calendar month.

➔Section 1369. KRS 304.26-040 is amended to read as follows:

- (1) For the purpose of preventing the unfair use of information which may have been obtained by such beneficial owner, director, or officer by reason of his **or her** relationship to such insurer, any profit realized by him **or her** from any purchase and sale, or any sale and purchase, of any equity security of such insurer within any period of less than six (6) months, unless such security was acquired in good faith in connection with a debt previously contracted, shall inure to and be recoverable by the insurer, irrespective of any intention on the part of such beneficial owner, director, or officer in entering into such transaction or holding the security purchased or of not repurchasing the security sold for a period exceeding six (6) months.
- (2) Suit to recover such profit may be instituted at law or in equity in any court of competent jurisdiction by the insurer, or by the owner of any security of the insurer in the name and in behalf of the insurer if the insurer fails or refuses to bring such suit within sixty (60) days after request or fails diligently to prosecute the same thereafter; but no such suit shall be brought more than two (2) years after the date such profit was realized.
- (3) This section shall not be construed to cover any transaction where such beneficial owner was not such both at the time of the purchase and sale, or the sale and purchase, of the security involved, or any transaction or transactions which the **commissioner**~~{executive director}~~ by rules and regulations may exempt as not comprehended within the purpose of this section.

➔Section 1370. KRS 304.26-050 is amended to read as follows:

- (1) It is unlawful for any such beneficial owner, director or officer, directly or indirectly, to sell any equity security of such insurer if the person selling the security or his **or her** principal:
 - (a) Does not own the security sold, or
 - (b) If the owner of the security does not deliver it against such sale within twenty (20) days thereafter, or does not within five (5) days after such sale deposit it in the mails or other usual channels of transportation, but no person shall be deemed to have violated this section if he **or she** proves that notwithstanding the exercise of good faith he **or she** was unable to make such delivery or deposit within such time, or that to do so would cause undue inconvenience or expense.
- (2) The **commissioner**~~{executive director}~~ shall establish, and from time to time amend, regulations with regard to proxies, consents, or authorizations in respect of securities issued by any domestic stock insurer, such regulations to conform to those prescribed by the National Association of Insurance Commissioners.

- (3) In computing the earned premiums for the purposes of this section, the gross premium received by the insurer for the policy shall be used as a base, deducting therefrom solely charges not recurring upon the renewal or extension of the policy.
- (4) No subscriber shall have an offset against any assessment for which he *or she* is liable, on account of any claim for unearned premium or losses payable.

➔Section 1383. KRS 304.27-220 is amended to read as follows:

Every subscriber of a domestic reciprocal insurer having contingent liability shall be liable for, and shall pay his *or her* share of any assessment, as computed and limited in accordance with this subtitle, if:

- (1) While his *or her* policy is in force or within one (1) year after its termination, he *or she* is notified by either the attorney or the **commissioner**~~executive director~~ of his *or her* intention to levy such assessment, or
- (2) If an order to show cause why a receiver, conservator, rehabilitator or liquidator of the insurer should not be appointed is issued while his *or her* policy is in force or within one (1) year after its termination.

➔Section 1384. KRS 304.27-240 is amended to read as follows:

- (1) If a reciprocal insurer has a surplus of assets over all liabilities at least equal to the minimum capital stock and surplus required to be maintained by a domestic stock insurer authorized to transact like kinds of insurance, upon application of the attorney and as approved by the subscribers' advisory committee the **commissioner**~~executive director~~ shall issue his *or her* certificate authorizing the insurer to extinguish the contingent liability of subscribers under its policies then in force in this state, and to omit provisions imposing contingent liability in all policies delivered or issued for delivery in this state for so long as all such surplus remains unimpaired.
- (2) Upon impairment of such surplus, the **commissioner**~~executive director~~ shall forthwith revoke the certificate. Such revocation shall not render subject to contingent liability any policy then in force and for the remainder of the period for which the premium has theretofore been paid; but after such revocation no policy shall be issued or renewed without providing for contingent assessment liability of the subscriber.
- (3) The **commissioner**~~executive director~~ shall not authorize a domestic reciprocal insurer so to extinguish the contingent liability of any of its subscribers or in any of its policies to be issued, unless it qualifies to and does extinguish such liability of all its subscribers and in all such policies for all kinds of insurance transacted by it. Except, that if required by the laws of another state in which the insurer is transacting insurance as an authorized insurer, the insurer may issue policies providing for the contingent liability of such of its subscribers as may acquire such policies in such state, and need not extinguish the contingent liability applicable to policies theretofore in force in such state.

➔Section 1385. KRS 304.27-260 is amended to read as follows:

Upon the liquidation of a domestic reciprocal insurer, its assets remaining after discharge of its indebtedness and policy obligations, the return of any contributions of the attorney or other persons to its surplus, and the return of any unused premium, savings, or credits then standing on subscribers' accounts, shall be distributed to its subscribers who were such within the twelve (12) months prior to the last termination of its certificate of authority, according to such reasonable formula as the **commissioner**~~executive director~~ may approve.

➔Section 1386. KRS 304.27-270 is amended to read as follows:

- (1) A domestic reciprocal insurer upon affirmative vote of not less than two-thirds (2/3) of its subscribers who vote on such merger pursuant to due notice and the approval of the **commissioner**~~executive director~~ of the terms therefor, may merge with another reciprocal insurer or be converted to a stock or mutual insurer.
- (2) Such a stock or mutual insurer shall be subject to the same capital or surplus requirements and shall have the same rights as a like domestic insurer transacting like kinds of insurance.
- (3) The **commissioner**~~executive director~~ shall not approve any plan for such merger or conversion which is inequitable to subscribers, or which, if for conversion to a stock insurer, does not give each subscriber preferential right to acquire stock of the proposed insurer proportionate to his *or her* interest in the reciprocal insurer as determined in accordance with KRS 304.27-260 and a reasonable length of time within which to exercise such right.

➔Section 1387. KRS 304.27-280 is amended to read as follows:

- (1) If the assets of a domestic reciprocal insurer are at any time insufficient to discharge its liabilities, other than any liability on account of funds contributed by the attorney or others, and to maintain the required surplus, its attorney shall forthwith make up the deficiency or levy an assessment upon the subscribers for the amount needed to make up the deficiency; but subject to the limitation set forth in the power of attorney or policy.
- (2) If the attorney fails to make up such deficiency or to make the assessment within thirty (30) days after the **commissioner**~~executive director~~ orders him *or her* to do so, or if the deficiency is not fully made up within

sixty (60) days after the date the assessment was made, the insurer shall be deemed insolvent and shall be proceeded against as authorized by this code.

- (3) If liquidation of such an insurer is ordered, an assessment shall be levied upon the subscribers for such an amount, subject to limits as provided by this subtitle, as the **commissioner**~~[executive director]~~ determines to be necessary to discharge all liabilities of the insurer, exclusive of any funds contributed by the attorney or other persons, but including the reasonable cost of the liquidation.

➔Section 1388. KRS 304.28-030 is amended to read as follows:

- (2) The names and addresses of all the underwriters proposing to engage in the business.
- (3) The number of underwriters, which shall not be less than twenty-five (25), and that each underwriter is worth in his **or her** own right not less than \$20,000 over and above all his **or her** liabilities.

➔Section 1389. KRS 304.28-040 is amended to read as follows:

- (1) Upon the filing of the documents required, the **commissioner**~~[executive director]~~ shall examine them. If it appears that all the statements made are true and that the rights of the policyholders will be protected thereunder, and that the insurer is otherwise qualified therefor, **the commissioner**~~[he]~~ shall issue a certificate of authority to the underwriters under the name chosen and approved, authorizing them to transact the business of insurance as specified in the application.
- (2) Prior to the issuance of an original certificate of authority, a Lloyd's organization shall submit to examination of its affairs, by the **commissioner**~~[executive director]~~, or, if acceptable to the **commissioner**~~[executive director]~~, shall file with **the commissioner**~~[him]~~ a certified copy of an examination of its affairs made within two (2) years by the proper supervising official of some other state.

Additional or substituted underwriters shall be bound in the same manner and to the same extent as original subscribers to the articles of agreement and power of attorney on file with the **commissioner**~~[executive director]~~, and the acts of the duly appointed deputy or substitute attorney of any attorney licensed under this subtitle in accepting powers of attorney from underwriters and in making and issuing policies and contracts of insurance and in doing any additional acts incident thereto shall be deemed authorized by the license issued to the original attorney.

The articles of incorporation and all other proceedings thereunder shall become null and void in one (1) year from the date of the preliminary certificate of authority, or at the expiration of the extended period, unless the society shall have completed its organization and received a certificate of authority to do business.
- (4) Upon receipt of a preliminary certificate of authority from the **commissioner**~~{executive director}~~, the society may solicit members for the purpose of completing its organization, shall collect from each applicant the amount of not less than one (1) regular monthly premium in accordance with its table of rates, and shall issue to each applicant a receipt for the amount so collected. - (5) The **commissioner**~~{executive director}~~ may make examination and require further information as he *or she* deems advisable. Upon presentation of satisfactory evidence that the society has complied with all the

provisions of law, the **commissioner**~~{executive director}~~ shall issue to the society a certificate of authority to that effect and that the society is authorized to transact business pursuant to the provisions of KRS Chapter 304. The certificate of authority shall be prima facie evidence of the existence of the society at the date of the certificate. The **commissioner**~~{executive director}~~ shall cause a record of the certificate of authority to be made. Unless the **commissioner**~~{executive director}~~ shall disapprove any amendment within sixty (60) days after the filing, the amendment shall be considered approved. The approval or disapproval of the **commissioner**~~{executive director}~~ shall be in writing and mailed to the secretary or corresponding officer of the society at its principal office. In case the **commissioner**~~{executive director}~~ disapproves the amendment, the reasons therefor shall be stated in the written notice.

It may take credit for the reserves on the ceded risks to the extent reinsured; but no credit shall be allowed as an admitted asset or as a deduction from liability, to a ceding society for reinsurance made, ceded, renewed, or otherwise becoming effective after January 1, 1989, unless the reinsurance is payable by the assuming insurer on the basis of the liability of the ceding society under the contract or contracts reinsured without diminution because of the insolvency of the ceding society.
- (2) Notwithstanding the limitation in subsection (1) of this section, a society may reinsure the risks of another society in a consolidation or merger approved by the **commissioner**~~{executive director}~~ under KRS 304.29-141.

 - (d) Evidence that at least sixty (60) days prior to the action of the supreme governing body of each society, the text of the contract has been furnished to all members of each society either by mail or by publication in full in the official publication of each society.
- (2) If the **commissioner**~~{executive director}~~ finds that the contract is in conformity with the provisions of this section, that the financial statements are correct and that the consolidation or merger is just and equitable to the members of each society, the **commissioner**~~{executive director}~~ shall approve the contract and issue a certificate to that effect. Upon approval, the contract shall be in full force and effect unless any society which is a party to the contract is incorporated under the laws of any other state or territory. If the consolidation or merger shall not become effective unless and until it has been approved as provided by the laws of the state or territory and a certificate of approval filed with the **commissioner**~~{executive director}~~ of this state or, if the laws of the state or territory contain no such provision, the consolidation or merger shall not become effective unless and until it has been approved by the commissioner of insurance of the state or territory and a certificate of the approval filed with the **commissioner**~~{executive director}~~ of this state.

Any domestic fraternal benefit society may be converted and licensed as a mutual life insurance company by compliance with all the requirements of the insurance laws of this state for mutual life insurance companies. A plan of conversion shall be prepared in writing by the board of directors setting forth in full the terms and conditions of conversion. The affirmative vote of two-thirds (2/3) of all members of the supreme governing body at a regular or special meeting shall be necessary for the approval of the plan. No conversion shall take effect unless and until approved by the **commissioner**~~{executive director}~~ who may give approval if he *or she* finds that that proposed change is in conformity with the requirements of law and not prejudicial to the certificate holders of the society.

➔Section 1396. KRS 304.29-191 is amended to read as follows:

- (1) Every society authorized to do business in this state shall issue to each owner of a benefit contract a certificate specifying the amount of benefits provided. The certificate, together with any riders or endorsements attached thereto, the laws of the society, the application for membership, the application for insurance and declaration of insurability, if any, signed by the applicant, and all amendments to each, shall constitute the benefit contract, as of the date of issuance, between the society and the owner, and the certificate shall so state. A copy of the application for insurance and declaration of insurability, if any, shall be endorsed upon or attached to the certificate. All statements on the application shall be representations and not warranties. Any waiver of this provision shall be void.
- (2) Any changes, additions or amendments to the laws of the society duly made or enacted subsequent to the issuance of the certificate, shall bind the owner and the beneficiaries, and shall govern and control the benefit

contract in all respects the same as though the changes, additions or amendments had been made prior to and were in force at the time of the application for insurance, except that no change, addition or amendment shall destroy or diminish benefits which the society contracted to give the owner as of the date of issuance.

- (3) Any person upon whose life a benefit contract is issued prior to attaining the age of majority shall be bound by the terms of the application and certificate and by all the laws and rules of the society to the same extent as though the age of majority had been attained at the time of application.
- (4) A society shall provide in its laws that, if its reserves as to all or any class of certificates become impaired, its board of directors or corresponding body may require that there shall be paid by the owner to the society the amount of the owner's equitable proportion of the deficiency as ascertained by its board, and that if the payment is not made either:
 - (a) It shall stand as an indebtedness against the certificate and draw interest not to exceed the rate specified for certificate loans under the certificates; or
 - (b) In lieu of or in combination with paragraph (a), the owner may accept a proportionate reduction in benefits under the certificate.

The society may specify the manner of the election and which alternative is to be presumed if no election is made.

- (5) Copies of any of the documents mentioned in this section, certified by the secretary or corresponding officer of the society, shall be received as evidence of the terms and conditions thereof.

The certificates shall also contain a provision stating the amount of premiums which are payable under the certificate and a provision reciting or setting forth the substance of any sections of the society's laws or rules in force at the time of issuance of the certificate which, if violated, will result in the termination or reduction of benefits payable under the certificate. If the laws of the society provide for expulsion or suspension of a member, the certificate shall also contain a provision that any member so expelled or suspended, except for nonpayment of a premium or within the contestable period for material misrepresentation in the application for membership or insurance, shall have the privilege of maintaining the certificate in force by continuing payment of the required premium.
- (7) Benefit contracts issued on the lives of persons below the society's minimum age for adult membership may provide for transfer of control or ownership to the insured at an age specified in the certificate. A society may require approval of an application for membership in order to effect this transfer, and may provide in all other respects for the regulation, government and control of certificates and all rights, obligations and liabilities incident thereto and connected therewith. Ownership rights prior to transfer shall be specified in the certificate.
- (8) A society may specify the terms and conditions on which benefit contracts may be assigned.

All of the above shall be under valuation methods and standards, including interest assumptions, in accordance with the laws of this state applicable to life insurers issuing policies containing like benefits.

- (3) The **commissioner**~~{executive director}~~ may, in his *or her* discretion, accept other standards for valuation if he *or she* finds that the reserves produced thereby will not be less in the aggregate than reserves computed in accordance with the minimum valuation standard herein prescribed. The **commissioner**~~{executive director}~~ may, in his *or her* discretion, vary the standards of mortality applicable to all benefit contracts on substandard lives or other extra hazardous lives by any society authorized to do business in this state.
- (4) Any society, with the consent of the commissioner of insurance of the state of domicile of the society and under the conditions, if any, which the **commissioner**~~{executive director}~~ may impose, may establish and maintain reserves on its certificates in excess of the reserves required thereunder, but the contractual rights of any benefit member shall not be affected thereby.

➔Section 1398. KRS 304.29-261 is amended to read as follows:

- (1) Every society transacting business in this state shall annually, on or before the first day of March, file with the **commissioner**~~{executive director}~~ a true statement of its financial condition, transactions and affairs for the preceding calendar year and pay the fee required under KRS 304.4-010 for filing it. The statement shall be in general form and context as approved by the National Association of Insurance Commissioners for fraternal benefit societies and as supplemented by additional information required by the **commissioner**~~{executive director}~~.
- (2) As part of the annual statement, each society shall, on or before the first day of March, file with the **commissioner**~~{executive director}~~ a valuation of its certificates in force on December 31 last preceding. Societies which are now authorized to transact business in this state may continue to do business until May 1 next succeeding January 1, 1989. The authority of the societies, and all societies hereafter licensed, may be renewed annually, but in all cases shall terminate on the succeeding April 30. However, a license so issued shall continue in full force and effect until the new license be issued or specifically refused. For each license or renewal, the society shall, prior to May 1, pay to the **commissioner**~~{executive director}~~ a fee as specified in Subtitle 4 of this chapter. A duly certified copy or duplicate of the license shall be prima facie evidence that the licensee is a fraternal benefit society within the meaning of this subtitle.

➔Section 1400. KRS 304.29-291 is amended to read as follows:

➔Section 1428. KRS 304.33-010 is amended to read as follows:

- (1) Short title. This subtitle may be cited as the "Insurers Rehabilitation and Liquidation Law."

- (2) Construction. No limitation of powers. This subtitle shall not be interpreted to limit the powers granted the **commissioner**~~[executive director]~~ by other provisions of the law.
- (3) Liberal construction. This subtitle shall be liberally construed to effect the purpose stated in subsection (4) of this section.
- (4) Purpose. The purpose of this subtitle is the protection of the interests of insureds, creditors, and the public generally, with minimum interference with the normal prerogative of proprietors, through:
 - (a) Early detection of any potentially dangerous condition in an insurer, and prompt application of appropriate corrective measures, neither unduly harsh nor subject to the kind of publicity that would needlessly damage or destroy the insurer;
 - (b) Improved methods for rehabilitating insurers, by enlisting the advice and management expertise of the insurance industry;
 - (c) Enhanced efficiency and economy of liquidation, through the consolidation of matters relating to the liquidation under the supervision of a single court so as to avoid divergent rulings by a multiplicity of judicial tribunals and through clarification and specification of the law, to minimize legal uncertainty and litigation;
 - (d) Equitable apportionment of any unavoidable loss;
 - (e) Lessening the problems of interstate rehabilitation and liquidation by facilitating cooperation between states in the liquidation process, and by extension of the scope of personal jurisdiction over debtors of the insurer outside this state;
 - (f) Regulation of the insurance business by the impact of the law relating to delinquency procedures and substantive rules on the entire insurance business; and
 - (g) Provision for a comprehensive scheme for the supervision, rehabilitation, and liquidation of insurance companies and those subject to this subtitle as part of the regulation of the business of insurance, insurance industry, and insurers in this state. Proceedings in cases of insurer insolvency and delinquency shall be deemed an integral aspect of the business of insurance and are of vital public interest and concern.
- (5) All persons who voluntarily transact business with an insurer which is subsequently the subject of a delinquency proceeding under this subtitle shall be conclusively presumed to have transacted business with the intent that the provisions of this subtitle would control if there is any delinquency proceeding in this state.
- (6) If there is a delinquency proceeding under this subtitle, the provisions of this subtitle shall govern those proceedings, and all conflicting contractual provisions contained in any contract between the insurer which is subject to the delinquency proceeding and any third party shall be deemed subordinated to the provisions of this subtitle. However, notwithstanding the foregoing, in any delinquency proceeding commenced against an insurer after July 15, 1996, nothing in this subtitle shall be construed to subordinate or restrict the rights of parties to submit their disputes to arbitration pursuant to a contractual arbitration clause contained in a reinsurance agreement.

➔Section 1430. KRS 304.33-040 is amended to read as follows:

- (1) Actions by **commissioner**~~{executive director}~~. Except as provided in subsection (2) of this section, and subsection (1) of KRS 304.33-230, no delinquency proceeding shall be commenced under this subtitle by anyone other than the **commissioner**~~{executive director}~~ and no court shall have jurisdiction to entertain, hear or determine any proceeding commenced by any other person.
- (2) Action by judgment creditors:
- (a) The judgment creditors of three (3) or more unrelated judgments may commence proceedings under the conditions and in the manner prescribed in this subsection, by serving notice upon the **commissioner**~~{executive director}~~ and the insurer of intention to file a petition for liquidation under KRS 304.33-190 or 304.33-520. Each of the judgments must:
1. Have been rendered against the insurer by a court in this state having jurisdiction over the subject matter and the insurer;
 2. Have been entered more than sixty (60) days before the service of notice;
 3. Not have been paid in full;
 4. Not be the subject of a valid contract between the insurer and any judgment creditor for payment of the judgment, unless the contract has been breached by the insurer; and
 5. Not be a judgment on which an appeal or review is pending.
- (b) If any one (1) of the judgments in favor of a petitioning creditor remains unpaid for thirty (30) days after service of the notice, and the **commissioner**~~{executive director}~~ has not then filed a petition for liquidation, the creditor may file in the name of the **commissioner**~~{executive director}~~ a verified petition for liquidation of the insurer under KRS 304.33-190 or 304.33-520 alleging the conditions stated in this subsection. The **commissioner**~~{executive director}~~ shall be served and joined in the action.
- (3) Exclusiveness of proceedings.
- (a) The court shall have exclusive jurisdiction to entertain, hear, or determine all matters in any way relating to any delinquency proceeding under this subtitle, including, but not limited to, all disputes involving purported assets of the insurer.
- (b) Notwithstanding the provisions of paragraph (a) of this subsection, the court may authorize the receiver to seek injunctive or other appropriate relief from other courts, either within or without this state, if, in the opinion of the court, this action will be an aid to any delinquency proceeding.
- (c) The court may issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this subtitle. No provisions in this subtitle shall be construed to preclude the court from, on

its own motion, taking any action or making any determination necessary or appropriate to enforce or implement court orders or rules or to prevent an abuse of process.

- (4) Change of venue. Venue for proceedings arising under this subtitle shall be laid initially as specified in the sections providing for such proceedings. All other actions and proceedings initiated by the receiver may be commenced and tried where the delinquency proceedings are then pending, or where venue would be laid by KRS Chapter 452 or other applicable law. All other actions and proceedings against the receiver shall be commenced and tried in the county where the delinquency proceedings are pending. At any time upon motion of any party, venue may be changed by order of the court or the presiding judge thereof to any other Circuit Court in this state, as the convenience of the parties and witnesses and the ends of justice may require. This subsection relates only to venue and is not jurisdictional.
- (5) Personal jurisdiction, grounds for. In addition to other grounds for jurisdiction provided by the law of this state, a court of this state having jurisdiction of the subject matter shall have jurisdiction over a person served in an action brought by the receiver of a domestic insurer or an alien insurer domiciled in this state:
 - (a) If the person served is obligated to the insurer in any way as an incident to any agency or brokerage arrangement that may exist or has existed between the insurer and the agent or broker, in any action on or incident to the obligation;
 - (b) If the person served is a reinsurer who has at any time issued a contract of reinsurance to an insurer against which a rehabilitation or liquidation order is in effect when the action is commenced, or is an agent or broker of or for the reinsurer, in any action on or incident to the reinsurance contract;
 - (c) If the person served is or has been an officer, manager, trustee, organizer, promoter or person in a position of comparable authority or influence in an insurer against which a rehabilitation or liquidation order is in effect when the action is commenced, in any action resulting from the relationship with the insurer;
 - (d) If the person served is or was at the time of the institution of the delinquency proceedings holding assets in which the receiver claims an interest on behalf of the insurer;
 - (e) If the person served has filed a claim against the insurer under the provisions of KRS 304.33-360;
 - (f) If the person served is otherwise amenable to the exercise of personal jurisdiction by the courts of this state under the provisions of the due process clause of the Fourteenth Amendment to the United States Constitution; or
 - (g) If the person served is obligated to the insurer in any way in any action on or incident to the obligation.
- (6) Service of process.
 - (a) If personal jurisdiction is authorized by this section, service of process may be made on the person, or any agent of the person, in the county of this state where he *or she* may be found, or on the Secretary of State who, for this purpose, shall be deemed to be the statutory agent of the person.
 - (b) The clerk of the court in which the action is brought shall issue a summons against the defendant named in the complaint. The clerk shall execute the summons by sending by certified mail a true copy to the Secretary of State and shall also mail with the summons an attested copy of the complaint. The Secretary of State shall, within seven (7) days of receipt thereof in his *or her* office, mail the copy of the summons and complaint to the defendant at the address given in the complaint. The letter shall be posted by certified mail, return receipt requested, and shall bear the return address of the Secretary of State. The clerk shall make the usual return to the court, and, in addition, the Secretary of State shall make a return to the court showing that the acts contemplated by this statute have been performed, and shall attach to his *or her* return the registry receipt, if any. Summons shall be deemed to be served upon the return of the Secretary of State and the action shall proceed as provided in the Rules of Civil Procedure.
 - (c) The clerk mailing the summons to the Secretary of State shall mail to him *or her*, at the same time, a fee of ten dollars (\$10), which shall be taxed as costs in the action.
- (7) Forum non conveniens. If the court on motion of any party finds that any action commenced under subsection (5) of this section should as a matter of substantial justice be tried in a forum outside this state, the court may enter an order to stay further proceedings on the action in this state.

➔Section 1431. KRS 304.33-070 is amended to read as follows:

- (1) Duty to cooperate. Any officer, manager, trustee or agent of any insurer, and any other person with executive authority over or in charge of any segment of the insurer's affairs or in possession of property to which the **commissioner**~~[executive director]~~ has a claim shall cooperate with the **commissioner**~~[executive director]~~, or anyone acting on behalf of the **commissioner**~~[executive director]~~, in any delinquency proceeding. "To cooperate" includes, but is not limited to, the following:
 - (a) To reply promptly in writing to any inquiry from the **commissioner**~~[executive director]~~ requesting such a reply; and
 - (b) To make available and deliver to the **commissioner**~~[executive director]~~ any books, accounts, documents, or other records, or information or property of or pertaining to the insurer and in his **or her** possession, custody or control.
- (2) Duty not to obstruct. No person shall obstruct or interfere with the **commissioner**~~[executive director]~~ in the conduct of any delinquency proceeding.
- (3) Any person who fails to cooperate with or obstructs the efforts of the **commissioner**~~[executive director]~~ in the conduct of any delinquency proceeding shall have denied any claims the person has filed pursuant to KRS 304.33-360 and shall also be subject to such other sanctions as the court may impose.
- (4) Right to defend. This section shall not render it illegal to resist by legal proceedings the petition for liquidation or other delinquency proceedings, or other orders.

➔Section 1432. KRS 304.33-080 is amended to read as follows:

In any proceeding under this subtitle the **commissioner**~~[executive director]~~ and his **or her** deputies shall be responsible on their official bonds for the faithful performance of their duties. If the court deems it desirable for the protection of the assets, it may at any time require an additional bond from the **commissioner**~~[executive director]~~ or his **or her** deputies.

➔Section 1433. KRS 304.33-100 is amended to read as follows:

Every proceeding commenced before June 18, 1970, is deemed to have commenced under this subtitle for the purpose of conducting the proceeding thereafter, except that in the discretion of the **commissioner**~~[executive director]~~ the proceeding may be continued, in whole or in part, as it would have been continued had this subtitle not been enacted.

➔Section 1434. KRS 304.33-105 is amended to read as follows:

Every proceeding heretofore commenced under the laws in effect before July 13, 1990, shall be deemed to have commenced under this subtitle for the purpose of conducting the proceeding henceforth, except that in the discretion of the **commissioner**~~[executive director]~~ the proceeding may be continued, in whole or in part, as it would have been continued had this subtitle not been enacted.

➔Section 1435. KRS 304.33-110 is amended to read as follows:

- (1) Whenever the **commissioner**~~[executive director]~~ has reasonable cause to believe, and determines that any insurer has committed or engaged in, or is committing or engaging in or is about to commit or engage in any act, practice, or transaction that would subject it to formal delinquency proceedings under this subtitle, **the commissioner**~~[he]~~ may make and serve upon the insurer and any other persons involved an emergency order in accordance with KRS 13B.125, other than seizure orders under KRS 304.33-120, as is reasonably necessary to correct, eliminate, or remedy the conduct, condition, or ground. If the emergency order is for a restoration of or addition to capital, it shall be carried out as provided in KRS 304.24-350.
- (2) The **commissioner**~~[executive director]~~ may apply for and any court of general jurisdiction may grant, restraining orders, temporary and permanent injunctions, and other orders as are deemed necessary to enforce an emergency order.

➔Section 1436. KRS 304.33-115 is amended to read as follows:

The **commissioner**~~[executive director]~~, **the commissioner's**~~[his]~~ special deputies, and all others appointed to act on **the commissioner's**~~[his]~~ behalf in connection with any delinquency proceedings under this subtitle shall not be liable for any acts or omissions done in good faith and within the scope of their authority during the course of the

delinquency proceedings, including, but not limited to, the settlement of disputed claims, and shall be immune from any civil or criminal liability that might otherwise be incurred or imposed based upon the acts or omissions.

➔Section 1437. KRS 304.33-120 is amended to read as follows:

- (1) Issuance. Upon the filing by the **commissioner**~~{executive director}~~ in any Circuit Court in this state of a verified petition alleging any ground that would justify a court order for a formal delinquency proceeding against an insurer under this subtitle and that the interests of policyholders or creditors will be endangered by delay, and setting out the order deemed necessary by the **commissioner**~~{executive director}~~, the court may issue forthwith, ex parte and without a hearing, the requested order which may (a) direct the **commissioner**~~{executive director}~~ to take possession and control of all or a part of the property, books, accounts, documents and other records of an insurer and of the premises occupied by it for the transaction of its business, and (b) until further order of the court, enjoin the insurer and its officers, managers, agents, and employees from disposition of its property and from transaction of its business except with the written consent of the **commissioner**~~{executive director}~~.
- (2) Duration. The court shall specify in the order what its duration shall be, which shall be such time as the court deems necessary for the **commissioner**~~{executive director}~~ to ascertain the condition of the insurer. On motion of either party or on its own motion, the court may hold such hearings as it deems desirable after such notice as it deems appropriate, and may extend, shorten or modify the terms of the seizure order. The court shall vacate the seizure order if the **commissioner**~~{executive director}~~ fails to commence a formal proceeding under this subtitle after having had a reasonable opportunity to do so. The issuance of an order of the court pursuant to a formal proceeding under this subtitle vacates the seizure order.
- (3) Anticipatory breach. Entry of a seizure order under this section shall not constitute an anticipatory breach of any contract of the insurer.

➔Section 1438. KRS 304.33-130 is amended to read as follows:

- (1) Confidentiality of **commissioner's**~~{executive director's}~~ hearings. The **commissioner**~~{executive director}~~ shall hold all hearings in summary proceedings privately unless the insurer requests a public hearing, in which case the hearing shall be public.
- (2) Confidentiality of court hearings. The court may hold all hearings in summary proceedings and judicial reviews thereof privately in chambers, and shall do so on request of the insurer proceeded against.
- (3) Records. In all summary proceedings and judicial reviews thereof, all records of the company, other documents, and all **Department**~~{Office}~~ of Insurance files and court records and papers, so far as they pertain to or are a part of the record of the summary proceedings, shall be and remain confidential except as is necessary to obtain compliance therewith, unless the court, after hearing arguments from the parties in chambers, shall order otherwise, or unless the insurer requests that the matter be made public. Until such court order, all papers filed with the clerk of the court shall be held by him **or her** in a confidential file.
- (4) Parties. If at any time it appears to the court that any person whose interest is or will be substantially affected by an order did not appear at the hearing and has not been served, the court may order that notice be given and the proceedings be adjourned to give him **or her** opportunity to appear on such terms as may be just.

➔Section 1439. KRS 304.33-140 is amended to read as follows:

- (1) The **commissioner**~~{executive director}~~ may apply by verified petition to the court for an order directing **the commissioner**~~{him}~~ to rehabilitate a domestic insurer or an alien insurer domiciled in this state on any one (1) or more of the following grounds:
 - (a) Any ground on which **the commissioner**~~{he}~~ may apply for an order of liquidation under KRS 304.33-190, whenever **the commissioner**~~{he}~~ believes that the insurer may be successfully rehabilitated without substantial increase in the risk of loss to creditors of the insurer or to the public.
 - (b) That the **commissioner**~~{executive director}~~ has reasonable cause to believe that there has been embezzlement from the insurer, wrongful sequestration or diversion of the insurer's assets, forgery or fraud affecting the insurer, or other illegal conduct in, by, or with respect to the insurer, that if established would endanger assets in an amount threatening the solvency of the insurer.
 - (c) That any one (1) of the following circumstances has occurred and the **commissioner**~~{executive director}~~ has reasonable cause to believe that the insurer is insolvent or that assets are endangered in an amount threatening the solvency of the insurer:

1. That information coming into the **commissioner's**~~{executive director's}~~ possession has disclosed substantial and not adequately explained discrepancies between the insurer's records and the most recent annual report or other official company reports;
 2. That the insurer has failed to remove any person who in fact has executive authority in the insurer, whether an officer, manager, general agent, employee, or other person, if the person has been found by the **commissioner**~~{executive director}~~ after notice and hearing to be dishonest or untrustworthy in a way affecting the insurer's business;
 3. That control of the insurer, whether by stock ownership or otherwise, and whether direct or indirect, is in one (1) or more persons found by the **commissioner**~~{executive director}~~ after notice and hearing to be dishonest or untrustworthy;
 4. That any person who in fact has executive authority in the insurer, whether an officer, manager, general agent, employee, or other person, has refused to be examined under oath by the **commissioner**~~{executive director}~~ concerning its affairs, whether in this state or elsewhere, and after reasonable notice of the fact the insurer has failed promptly and effectively to terminate the employment and status of the person and all his *or her* influence on management;
 5. That the insurer has refused to submit its books, accounts, documents, or other records to the reasonable examination or inspection of the **commissioner**~~{executive director}~~ or *the commissioner's*~~{his}~~ authorized representative.
- (d) That the insurer is or is about to become insolvent.
 - (e) That the insurer is engaging in a systematic practice of reaching settlements with and obtaining releases from policyholders or third-party claimants and then unreasonably delaying payment of or failing to pay the agreed upon settlements.
 - (f) That the insurer is in such condition that the further transaction of business would be hazardous, financially or otherwise, to its policyholders, its creditors, or the public.
 - (g) That within the previous twelve (12) months the insurer has systematically attempted to compromise with its creditors on the ground that it is financially unable to pay its claims in full.
 - (h) That without first obtaining the written consent of the **commissioner**~~{executive director}~~, the insurer has transferred, or attempted to transfer, substantially its entire property or business, or has entered into any transaction the effect of which is to merge, consolidate, or reinsure substantially its entire property or business in or with the property or business of any other person.
 - (i) That the insurer or its property has been or is the subject of an application for the appointment of a receiver, trustee, custodian, conservator, or sequestrator or similar fiduciary of the insurer or its property otherwise than as authorized under this subtitle, and that such appointment has been made or is imminent, and that such appointment might oust the courts of this state of jurisdiction or prejudice orderly delinquency proceedings under this subtitle.
 - (j) That within the previous year the insurer has willfully violated its charter or articles of incorporation or any insurance law or regulation of this state, or having become aware within the previous year of an unintentional violation has failed to take all reasonable steps to remedy the situation resulting from the violation and to prevent future violations.
 - (k) That the directors of the insurer are deadlocked in the management of the insurer's affairs and that the members or shareholders are unable to break the deadlock and that irreparable injury to the insurer, its creditors or its policyholders is threatened by reason thereof.
 - (l) That the insurer has failed to file its annual report or other report within the time allowed by law, and after written demand by the **commissioner**~~{executive director}~~ has failed to give an adequate explanation immediately.
 - (m) That two-thirds (2/3) of the board of directors, or the holders of a majority of the shares entitled to vote, or a majority of members or policyholders of an insurer subject to control by its members or policyholders, consent to rehabilitation under this subtitle.

- (2) Upon the issuance of an order directing the **commissioner**~~{executive director}~~ to rehabilitate a domestic insurer, the court shall have exclusive jurisdiction over all matters relating to the rehabilitation, including, but not limited to, the proper scope and application of the provisions of this subtitle to the rehabilitation as well as all interpretation and enforceability of all contracts of insurance to which the insurer is a party.

➔Section 1440. KRS 304.33-150 is amended to read as follows:

- (1) Appointment of rehabilitator. An order to rehabilitate the business of a domestic insurer, or an alien insurer domiciled in this state, shall appoint the **commissioner**~~{executive director}~~ and his **or her** successors in office rehabilitator and shall direct the rehabilitator forthwith to take possession of the assets of the insurer and to administer them under the orders of the court. The filing or recording of the order with any county clerk in the state shall impart the same notice as a deed, bill of sale, or other evidence of title duly filed or recorded with that county clerk.
- (2) Any order issued under this section shall require accountings to the court by the rehabilitator. Accountings shall be at such intervals as the court specifies in its order, but no less frequently than semiannually. Each accounting shall include a report concerning the rehabilitator's opinion as to the likelihood that a plan under KRS 304.33-160(5) will be prepared by the rehabilitator and the timetable for doing so.
- (3) Anticipatory breach. Entry of an order of rehabilitation shall not constitute an anticipatory breach of any contracts of the insurer, and it shall not be grounds for revocation or cancellation of any contracts of the insurer.

➔Section 1441. KRS 304.33-160 is amended to read as follows:

- (1) Special deputy~~{director}~~. The **commissioner**~~{executive director}~~ as rehabilitator shall appoint one (1) or more special deputies, who are active or retired senior executives from a successful insurer, and who shall have all the powers and responsibilities of the rehabilitator granted under this section, and the **commissioner**~~{executive director}~~ may employ such counsel, clerks, and assistants as deemed necessary. The compensation of the special deputy, counsel, clerks, and assistants and all expenses of taking possession of the insurer and of conducting the proceedings shall be fixed by the **commissioner**~~{executive director}~~, with the approval of the court and shall be paid out of the funds or assets of the insurer. The persons appointed under this section shall serve at the pleasure of the **commissioner**~~{executive director}~~. If the property of the insurer does not contain sufficient cash or liquid assets to defray the costs incurred, the **commissioner**~~{executive director}~~ may advance the costs so incurred out of any appropriation for the maintenance of the **Department**~~{Office}~~ of Insurance. Any amounts so advanced for expenses of administration shall be repaid to the **commissioner**~~{executive director}~~ for the use of the **Department**~~{Office}~~ of Insurance out of the first available money of the insurer.
- (2) General power. The rehabilitator may take action as he **or she** deems necessary or appropriate to reform and revitalize the insurer. He **or she** shall have all the powers of the directors, officers, and managers, whose authority shall be suspended, except as they are redelegated by the rehabilitator. He **or she** shall have full power to direct and manage, to hire and discharge employees subject to any contract rights they may have, and to deal with the property and business of the insurer.
- (3) Advice from experts. The rehabilitator may consult with and obtain formal or informal advice and aid of insurance experts.
- (4) Pursuit of insurer's claims against insiders. If the rehabilitator finds that there has been criminal or tortious conduct or breach of any contractual or fiduciary obligation detrimental to the insurer by any officer, manager, agent, employee, or other person, he **or she** may pursue all appropriate legal remedies on behalf of the insurer.
- (5) Reorganization plan. The rehabilitator may prepare a plan for the reorganization, consolidation, conversion, reinsurance, merger, or other transformation of the insurer. Upon application of the rehabilitator for approval of the plan, and after the notice and hearing as the court prescribes, the court may either approve or disapprove the plan proposed, or may modify it and approve it as modified. If it is approved, the rehabilitator shall carry out the plan. In the case of a life insurer, the plan proposed may include the imposition of liens upon the equities of policyholders of the insurer, if all rights of shareholders are first extinguished. A plan for a life insurer may also propose imposition of a moratorium upon loan and cash surrender rights upon policies, for such period and to such an extent as are necessary.
- (6) Fraudulent transfers. The rehabilitator shall have the power to avoid fraudulent transfers under KRS 304.33-290 and 304.33-300.

➔Section 1442. KRS 304.33-190 is amended to read as follows:

- (1) The **commissioner**~~executive director~~ may apply by petition to the Circuit Court for Franklin County or for the county in which the principal office of the insurer is located for an order directing him *or her* to liquidate a domestic insurer or an alien insurer domiciled in this state on any one (1) or more of the following grounds:
- (a) Any ground on which *the commissioner*~~he~~ may apply for an order of rehabilitation under KRS 304.33-140, whenever he *or she* believes that attempts to rehabilitate the insurer would substantially increase the risk of loss to its creditors, its policyholders or the public, or would be futile, or that rehabilitators would serve no useful purpose;
 - (b) That the insurer has commenced, or within the previous year has attempted to commence, voluntary liquidation otherwise than under the insurance laws of this state;
 - (c) That the holders of two-thirds (2/3) of the shares entitled to vote, or two-thirds (2/3) of the members or policyholders entitled to vote in an insurer controlled by its members or policyholders, have consented to a petition.
- (2) Upon the issuance of an order directing the **commissioner**~~executive director~~ to liquidate a domestic insurer, the court shall have exclusive jurisdiction over all matters relating to the liquidation, including, but not limited to, the proper scope and application of the provisions of this subtitle to the liquidation as well as all interpretation and enforceability of all contracts of insurance to which the insurer is a party.

➔Section 1443. KRS 304.33-200 is amended to read as follows:

- (1) Order to liquidate. An order to liquidate the business of a domestic insurer shall appoint the **commissioner**~~executive director~~ and his *or her* successors in office liquidator and shall direct the liquidator forthwith to take possession of the assets of the insurer and to administer them under the orders of the court. The liquidator shall be vested by operation of law with the title to all of the property, contracts, and rights of action and all of the books and records of the insurer ordered liquidated, wherever located, as of the date of the filing of the petition for liquidation. He *or she* may recover and reduce the same to possession except that ancillary receivers in reciprocal states shall have, as to assets located in their respective states, the rights and powers which are prescribed in subsection (3) of KRS 304.33-540 for ancillary receivers appointed in this state as to assets located in this state. The filing or recording of the order with any county clerk in this state shall impart the same notice as a deed, bill of sale, or other evidence of title duly filed or recorded with that county clerk.
- (2) Fixing of rights.
 - (a) Upon issuance of the order, the rights and liabilities of any such insurer and of its creditors, policyholders, shareholders, members, and all other persons interested in its estate are fixed as of the date of filing of the petition for liquidation, except as provided in KRS 304.33-210 and 304.33-380.
 - (b) Entry of an order of liquidation shall not constitute an anticipatory breach of any contracts of the insurer, and it shall not be grounds for rescission, revocation, or cancellation of any contracts of the insurer in force as of the date of liquidation, except as provided in KRS 304.33-210.
- (3) Alien insurer. An order to liquidate the business of an alien insurer domiciled in this state shall be in the same terms and have the same legal effect as an order to liquidate a domestic insurer, except that the assets and the business in the United States shall be the only assets and business included under the order.
- (4) Declaration of insolvency. At the time of petitioning for an order of liquidation, or at any time thereafter, the **commissioner**~~executive director~~ may petition the court to declare the insurer insolvent, and after such notice and hearing as it deems proper, the court may make the declaration.

➔Section 1444. KRS 304.33-220 is amended to read as follows:

The **commissioner**~~executive director~~ may petition for an order dissolving the corporate existence of a domestic insurer or the United States branch of an alien insurer domiciled in this state at the time *the commissioner* ~~he~~ applies for a liquidation order. If the court issues a liquidation order, it also shall order dissolution if the **commissioner**~~executive director~~ has petitioned for it. The court shall order dissolution of the corporation upon petition by the **commissioner**~~executive director~~ at any time after a liquidation order has been granted. If the dissolution has not previously occurred, it shall be effected by operation of law upon the discharge of the liquidator.

➔Section 1445. KRS 304.33-230 is amended to read as follows:

- (1) Petition for federal receiver. Whenever in the *commissioner's*~~executive director's~~ opinion, liquidation of a domestic insurer or an alien insurer domiciled in this state would be facilitated by a federal receivership, and when any ground exists upon which the *commissioner*~~executive director~~ might petition the court for an order of rehabilitation or liquidation under KRS 304.33-140 or 304.33-190, or if an order of rehabilitation or liquidation has already been entered, the *commissioner*~~executive director~~ may request the *insurance* commissioner or other willing resident of another state to petition any appropriate federal District Court for the appointment of a federal receiver. The *commissioner*~~executive director~~ may intervene in any such action to support or oppose the petition, and may accept appointment as the receiver if he *or she* is so designated. So much of this subtitle shall apply to the receivership as can be made applicable and is appropriate. Upon motion of the *commissioner*~~executive director~~, the courts of this state shall relinquish all jurisdiction over the insurer for purposes of rehabilitation or liquidation.
- (2) Compliance with federal requirements. If the *commissioner*~~executive director~~ is appointed receiver under this section, he *or she* shall comply with any requirements necessary to give him *or her* title to and control over the assets and affairs of the insurer.

➔Section 1446. KRS 304.33-240 is amended to read as follows:

The liquidator shall report to the court monthly, or at other intervals specified by the court, on the progress of the liquidation in whatever detail the court orders. The liquidator may:

- (1) Appoint a special deputy to act for him *or her* under this subtitle, and, subject to the court's approval, determine his *or her* compensation. The special deputy shall have all powers of the liquidator granted by this section. The special deputy shall serve at the pleasure of the liquidator.
- (2) Appoint or engage employees and agents, legal counsel, actuaries, accountants, appraisers, consultants, and other personnel he *or she* deems necessary to assist in the liquidation.
- (3) Fix the compensation of persons under subsection (2) of this section, subject to the control of the court.
- (4) Defray all expenses of taking possession of, conserving, conducting, liquidating, disposing of or otherwise dealing with the business and property of the insurer. If the property of the insurer does not contain sufficient cash or liquid assets to defray the costs incurred, the liquidator may advance the costs so incurred out of any available appropriation. Any amounts so paid shall be deemed expense of administration and shall be repaid for the credit of the *Department*~~Office~~ of Insurance out of the first available moneys of the insurer.
- (5) Hold hearings, subpoena witnesses and compel their attendance, administer oaths, examine any person under oath, and compel any person to subscribe to his *or her* testimony after it has been correctly reduced to writing, and in connection therewith require the production of any books, papers, record, or other documents which he *or she* deems relevant to the inquiry.
- (6) Collect all debts and moneys due and claims belonging to the insurer, wherever located, and for this purpose institute timely action in other jurisdictions to marshal the assets of the insurer; forestall garnishment and attachment proceedings against such debts; do such other acts as are necessary or expedient to collect, conserve or protect its assets or property, including sell, compound, compromise or assign for purposes of collection, subject to court approval and upon such terms and conditions as *the liquidator*~~he~~ deems best, any disputed claims; and pursue any creditor's remedies available to enforce his *or her* claims. In lieu of collecting funds representing unearned premium of a policyholder which are in the possession of the insurer's agent with respect to the kinds of direct insurance protected under KRS 304.36-030, the liquidator may authorize the use of such funds to replace the insurance coverage terminated pursuant to KRS 304.33-210, upon receipt from the agent of appropriate notice of such replacement of the insurance coverage with an insurer within sixty (60) days after the date of the liquidation order.
- (7) Audit the books and records of all agents of the insurer insofar as these records relate to the business activities of the insurer.
- (8) Conduct public and private sales of the property of the insurer in a manner prescribed by the court.
- (9) Use assets of the estate to transfer policy obligations to a solvent assuming insurer, if the transfer can be arranged without prejudice to applicable priorities under KRS 304.33-430.
- (10) Acquire, hypothecate, encumber, lease, improve, sell, transfer, abandon, or otherwise dispose of or deal with any property of the insurer at its market value or upon such terms and conditions as are fair and reasonable, except that no transaction involving property the market value of which exceeds ten thousand dollars (\$10,000)

shall be concluded without express permission of the court. **The liquidator**~~[He]~~ also may execute, acknowledge, and deliver any deeds, assignments, releases, and other instruments necessary or proper to effectuate any sale of property or other transaction in connection with the liquidation. In cases where real property sold by the liquidator is located other than in the county where the liquidation is pending, the liquidator shall cause to be filed with the county clerk for the county in which the property is located a certified copy of the order appointing him *or her*.

- (11) Borrow money, subject to court approval, on the security of the insurer's assets or without security and execute and deliver all documents necessary to that transaction for the purpose of facilitating the liquidation.
- (12) Enter into such contracts as are necessary to carry out the order to liquidate, and affirm or disavow any contracts to which the insurer is a party.
- (13) Continue to prosecute and institute in the name of the insurer or in his *or her* own name any suits and other legal proceedings, in this state or elsewhere, and abandon the prosecution of claims he *or she* deems unprofitable to pursue further. If the insurer is dissolved under KRS 304.33-220, he *or she* may apply to any court in this state or elsewhere for leave to substitute himself *or herself* for the insurer as plaintiff.
- (14) Prosecute any action which may exist in behalf of the creditors, members, policyholders, or shareholders of the insurer against any officer of the insurer, or any other person.
- (15) Remove any records and property of the insurer to the offices of the **commissioner**~~[executive director]~~ or to such other place as is convenient for the purposes of efficient and orderly execution of the liquidation.
- (16) Deposit in one (1) or more banks in this state such sums as are required for meeting current administration expenses and dividend distributions.
- (17) File any necessary documents for record in the office of any county clerk or record office in this state or elsewhere where property of the insurer is located.
- (18) Assert all defenses available to the insurer as against third persons, including statutes of limitations, statutes of frauds, and the defense of usury. A waiver of any defense by the insurer after a petition for liquidation has been filed shall not bind the liquidator.
- (19) Exercise and enforce all the rights, remedies and powers of any creditor, shareholder, policyholder, or member, including any power to avoid any transfer or lien that may be given by law and that is not included within KRS 304.33-290 to 304.33-310, inclusive.
- (20) Intervene in any proceeding wherever instituted that might lead to the appointment of a receiver or trustee, and act as the receiver or trustee whenever the appointment is offered.
- (21) Enter into agreements with any receiver or commissioner of any other state relating to the rehabilitation, liquidation, conservation, or dissolution of an insurer doing business in both states.
- (22) Exercise all powers now held or hereafter conferred upon receivers by the laws of this state not inconsistent with this subtitle.
- (23) The enumeration in this section of the powers and authority of the liquidator is not a limitation upon him *or her*, nor does it exclude his *or her* right to do such other acts not herein specifically enumerated or otherwise provided for as are necessary or expedient for the accomplishment of or in aid of the purpose of liquidation.

➔Section 1447. KRS 304.33-250 is amended to read as follows:

- (1) (a) Notice required; General requirements. The liquidator shall give notice of the liquidation order as soon as possible by first-class mail and either by telegram or telephone to the insurance commissioner of each jurisdiction in which the insurer is licensed to do business, by first-class mail and by telephone to the **commissioner**~~[executive director]~~ of the **Department**~~[Office]~~ of Workers' Claims of this state if the insurer is or has been an insurer of workers' compensation, by first-class mail to all insurance agents having a duty under KRS 304.33-260, and by first-class mail at the last known address to all persons known or reasonably expected to have claims against the insurer, including all policyholders. He *or she* also shall publish a notice, under KRS Chapter 424, in a newspaper of general circulation in the county in which the liquidation is pending and in Franklin County, the last publication to be not less than three (3) months before the earliest deadline specified in the notice under subsection (2) of this section;

- (b) Special requirements. Notice to agents shall inform them of their duties under KRS 304.33-260 and inform them what information they must communicate to insureds. Notice to policyholders shall include notice of impairment and termination of coverage under KRS 304.33-210. When it is applicable, notice to policyholders shall include:
1. Notice of withdrawal of the insurer from the defense of any case in which the insured is interested; and
 2. Notice of the right to file a claim under subsection (2) of KRS 304.33-390;
- (c) Notice under subsection (1)(a) of this section to agents of the insurer and to potential claimants who are policyholders or insureds shall include, where applicable, notice that guaranty association or foreign guaranty association coverage may be available for all or part of certain claims, and that policyholders or certificate holders may be entitled to continuation of coverage through the guaranty association. The notice shall also include as an insert a separate notice from any guaranty association or foreign guaranty association obligated to provide coverage, if the notice is made available to the liquidator on a timely basis;
- (d) Reports and further notice. Within fifteen (15) days of the date of entry of the order, the liquidator shall report to the court what notice has been given. The court may order such additional notice as it deems appropriate.
- (2) Notice respecting claims filing. Except as otherwise established by the liquidator with approval of the court, notice to potential claimants under subsection (1) of this section shall require claimants to file with the liquidator their claims together with proper proofs thereof under KRS 304.33-370, on or before a date the liquidator specifies in the notice, which shall be not less than six (6) months nor more than a reasonable time specified in the court's order, except that the liquidator need not require persons claiming unearned premium and persons claiming cash surrender values or other investment values in life insurance and annuities to file a claim. The liquidator may specify different dates for the filing of different kinds of claims.
- (3) Notice conclusive. If notice is given in accordance with this section, all persons to whom this notice is directed shall be bound by the terms and provisions of the liquidation order and all further orders and notices similarly served on them, and the distribution of the assets of the insurer under this subtitle shall be conclusive with respect to all claimants, whether or not they received notice.
- ➔Section 1448. KRS 304.33-270 is amended to read as follows:
- (1) Termination of actions against insurer by order appointing liquidator. Upon issuance of any order appointing the **commissioner**~~executive director~~ liquidator of a domestic insurer or of an alien insurer domiciled in this state, no actions may be instituted against the insurer or the liquidator without approval of the court and all actions and all proceedings against the insurer whether in this state or elsewhere shall be abated and the liquidator shall not intervene in them, except as provided in this subsection. Whenever in the liquidator's judgment an action in this state has proceeded to a point where fairness or convenience would be served by its continuation to judgment, he **or she** may apply to the court for leave to defend or to be substituted for the insurer, and if the court gives him **or her** leave, the action shall not be abated. Whenever in the liquidator's judgment, protection of the estate of the insurer necessitates intervention in an action against the insurer that is pending outside this state, with approval of the court **the liquidator**~~he~~ may intervene in the action. The liquidator may defend any action in which he **or she** intervenes under this section at the expense of the estate of the insurer.
- (2) Statute of limitations on claims by insurer. The liquidator may, within two (2) years subsequent to the entry of an order for liquidation or within such further time as applicable law permits, institute an action or proceeding on behalf of the estate of the insurer upon any cause of action against which the period of limitation fixed by applicable law has not expired at the time of the filing of the petition upon which such order is entered. Where, by any agreement, a period of limitation is fixed for instituting a suit or proceeding upon any claim or for filing any claim, proof of claim, proof of loss, demand, notice or the like, or where in any proceeding, judicial or otherwise, a period of limitation is fixed, either in the proceeding or by applicable law, for taking any action, filing any claim or pleading or doing any act, and where in any such case the period had not expired at the date of the filing of the petition, the liquidator may, for the benefit of the estate, take any such action or do any such act, required of or permitted to the insurer, within a period of sixty (60) days subsequent to the entry of an order for liquidation, or within such further period as is permitted by the agreement, or in the proceeding or by

applicable law, or within such further period as is shown to the satisfaction of the court not to be unfairly prejudicial to the other party.

- (3) Statutes of limitations on claims against insurer. The time between the filing of a petition for liquidation against an insurer and the denial of the petition shall not be considered to be a part of the time within which any action may be commenced against the insurer. Any action against the insurer that might have been commenced when the petition was filed may be commenced for at least sixty (60) days after the petition is denied.

➔Section 1449. KRS 304.33-300 is amended to read as follows:

- (1) Effect of petition: real property. After a petition for rehabilitation or liquidation, a transfer of any of the real property of the insurer made to a person acting in good faith shall be valid against the receiver if made for a present fair equivalent value or, if not made for a present fair equivalent value, then to the extent of the present consideration actually paid therefor, for which amount the transferee shall have a lien on the property so transferred. The recording of a copy of the petition for or order of rehabilitation or liquidation with the county clerk in the county where any real property in question is located shall be constructive notice of the commencement of a proceeding in rehabilitation or liquidation. The exercise by a court of the United States or any state of jurisdiction to authorize or effect a judicial sale of real property of the insurer within any county in any state shall not be impaired by the pendency of such a proceeding unless the copy is recorded in the county prior to the consummation of the judicial sale.
- (2) Effect of petition: personal property. After a petition for rehabilitation or liquidation and before either the receiver takes possession of the property of the insurer or an order of rehabilitation or liquidation is granted:
- (a) A transfer of any of the property of the insurer, other than real property, made to a person acting in good faith shall be valid against the receiver if made for a present fair equivalent value or, if not made for a present fair equivalent value, then to the extent of the present consideration actually paid therefor, for which amount the transferee shall have a lien on the property so transferred.
- (b) A person indebted to the insurer or holding property of the insurer may, if acting in good faith, pay the indebtedness or deliver the property or any part thereof to the insurer or upon his *or her* order, with the same effect as if the petition were not pending.
- (c) A person having actual knowledge of the pending rehabilitation or liquidation shall be deemed not to act in good faith unless he *or she* has reasonable cause to believe that the petition is not well founded.
- (d) A person asserting the validity of a transfer under this section shall have the burden of proof. Except as elsewhere provided in this section, no transfer by or in behalf of the insurer after the date of the petition for liquidation by any person other than the liquidator shall be valid against the liquidator.
- (3) Every person receiving any property from the insurer or any benefit thereof which is a fraudulent transfer under this section shall be personally liable therefor and shall be bound to account to the liquidator.
- (4) Negotiability. Nothing in this subtitle shall impair the negotiability of currency or negotiable instruments.

➔Section 1450. KRS 304.33-460 is amended to read as follows:

- (1) Unclaimed funds. All unclaimed funds subject to distribution remaining in the liquidator's hands when *the liquidator*~~he~~ is ready to apply to the court for discharge, including the amount distributable to any creditor, shareholder, member or other person who is unknown or cannot be found or who is under disability with no person legally competent to receive his *or her* distributive share, shall be deposited with the State Treasurer, and shall be paid over without interest except in accordance with KRS 304.33-430 to the person entitled thereto or his *or her* legal representative upon proof satisfactory to the State Treasurer of his *or her* right thereto. Any amount on deposit not claimed within six (6) years from the discharge of the liquidator is deemed abandoned and shall become property of the state. The State Treasurer shall at the end of each fiscal year transfer these amounts to the common school fund.
- (2) Withheld funds. All funds withheld under KRS 304.33-390 and not distributed shall upon discharge of the liquidator be deposited with the State Treasurer and paid by him *or her* in accordance with KRS 304.33-390. Any sums remaining which under KRS 304.33-390 would revert to the undistributed assets of the insurer shall be transferred to the State Treasurer and become the property of the state under subsection (1) of this section unless the *commissioner*~~executive director~~ petitions the court to reopen the liquidation under KRS 304.33-480.

➔Section 1451. KRS 304.33-480 is amended to read as follows:

After the liquidation proceeding has been terminated and the liquidator discharged, the **commissioner**~~[executive director]~~ or other interested party may at any time petition the court to reopen the proceedings for good cause, including the discovery of additional assets. If the court is satisfied that there is justification for reopening, it shall so order.

➔Section 1452. KRS 304.33-490 is amended to read as follows:

Whenever it appears to the **commissioner**~~[executive director]~~ that the records of any insurer in process of liquidation or completely liquidated are no longer useful, **the commissioner**~~[he]~~ may recommend to the court what records should be retained for future reference and what should be disposed of. The court shall enter an order thereon. The **commissioner**~~[executive director]~~ shall keep all records the court orders preserved, in accordance with KRS 304.2-150.

➔Section 1453. KRS 304.33-500 is amended to read as follows:

The court in which the proceeding is pending may as it deems desirable, cause audits to be made of the books of the **commissioner**~~[executive director]~~ relating to any receivership established under this subtitle, and a report of each audit shall be filed with the **commissioner**~~[executive director]~~ and with the court. The books, records and other documents of the receivership shall be made available to the auditor at any time without notice. The expense of each audit shall be considered a cost of administration of the receivership.

➔Section 1454. KRS 304.33-510 is amended to read as follows:

- (1) Grounds for petition. If a domiciliary liquidator has not been appointed, the **commissioner**~~[executive director]~~ may apply to the Franklin Circuit Court by petition for an order directing him **or her** to conserve the property of an alien insurer not domiciled in this state or a foreign insurer on any one (1) or more of the following grounds:
 - (a) Any of the grounds in KRS 304.33-140;
 - (b) Any of the grounds in KRS 304.33-190;
 - (c) That any of its property has been sequestered by official action in its domiciliary state, or in any other state;
 - (d) That enough of its property has been sequestered in a foreign country to give reasonable cause to fear that the insurer is or may become insolvent;
 - (e) That
 1. Its certificate of authority to do business in this state has been revoked or that none was ever issued, and
 2. There are residents of this state with outstanding claims or outstanding policies.
- (2) Terms of order. The court may issue the order in whatever terms it deems appropriate. The filing or recording of the order with any county clerk in this state imparts the same notice as a deed, bill of sale or other evidence of title duly filed or recorded with that county clerk.
- (3) Transformation to liquidation or ancillary receivership. The conservator may at any time petition for and the court may grant an order under KRS 304.33-520 to liquidate the assets of a foreign or alien insurer under conservation or, if appropriate, for an order under KRS 304.33-540 to be appointed ancillary receiver.
- (4) Order to return to insurer. The conservator may at any time petition the court for an order terminating conservation of an insurer. If the court finds that the conservation is no longer necessary, it shall order that the insurer be restored to possession of its property and the control of its business. The court may also make such finding and issue such order at any time upon its own motion.

➔Section 1455. KRS 304.33-520 is amended to read as follows:

- (1) Ground for petition. If no domiciliary receiver has been appointed, the **commissioner**~~[executive director]~~ may apply to the Franklin Circuit Court by petition for an order directing **the commissioner**~~[him]~~ to liquidate the assets found in this state of a foreign insurer or an alien insurer not domiciled in this state, on any of the following grounds:
 - (a) Any of the grounds in KRS 304.33-140;

- (b) Any of the grounds in KRS 304.33-190;
 - (c) Any of the grounds in KRS 304.33-510.
- (2) Terms of order. If it appears to the court that the best interests of creditors, policyholders and the public so require, the court may issue an order to liquidate in whatever terms it deems appropriate. The filing or recording of the order with any county clerk in this state imparts the same notice as a deed, bill of sale or other evidence of title duly filed or recorded with that county clerk.
 - (3) Conversion to ancillary proceeding. If a domiciliary liquidator is appointed in a reciprocal state while a liquidation is proceeding under this section, the liquidator under this section shall thereafter act as ancillary receiver under KRS 304.33-540. If a domiciliary liquidator is appointed in a nonreciprocal state while a liquidation is proceeding under this section, the liquidator under this section may petition the court for permission to act as ancillary receiver under KRS 304.33-540.
 - (4) Federal receivership. On the same grounds as are specified in subsection (1) of this section, the **commissioner**~~executive director~~ may petition any appropriate federal District Court to be appointed receiver to liquidate that portion of the insurer's assets and business over which the court will exercise jurisdiction; or any lesser part thereof that the **commissioner**~~executive director~~ deems desirable for the protection of the policyholders and creditors in this state. The **commissioner**~~executive director~~ may accept appointment as federal receiver if another person files a petition.

➔Section 1456. KRS 304.33-530 is amended to read as follows:

- (1) Property rights and title: reciprocal state. The domiciliary liquidator of an insurer domiciled in a reciprocal state shall be vested by operation of law with the title to all of the property, contracts and rights of action, and all of the books, accounts and other records of the insurer located in this state. The date of vesting shall be the date of the filing of the petition, if that date is specified by the domiciliary law for the vesting of property in the domiciliary state; otherwise, the date of vesting shall be the date of entry of the order directing possession to be taken. The domiciliary liquidator shall have the immediate right to recover balances due from agents and to obtain possession of the books, accounts and other records of the insurer located in this state. **The domiciliary liquidator**~~He~~ also shall have the right to recover the other assets of the insurer located in this state, subject to subsection (3) of KRS 304.33-540.
- (2) Property rights and title: state not a reciprocal state. If a domiciliary liquidator is appointed for an insurer not domiciled in a reciprocal state, the **commissioner**~~executive director~~ of this state shall be vested by operation of law with the title to all of the property, contracts and rights of action, and all of the books, accounts and other records of the insurer located in this state, at the same time that the domiciliary liquidator is vested with title in the domiciling state. The **commissioner**~~executive director~~ of this state may petition for a conservation or liquidation order under KRS 304.33-510 or 304.33-520, or for an ancillary receivership under KRS 304.33-540, or after approval by the Franklin County Circuit Court, may transfer title to the domiciliary liquidator, as the interests of justice and the equitable distribution of the assets require.
- (3) Filing claims. Claimants residing in this state may file claims with the liquidator or ancillary receiver, if any, in this state or with the domiciliary liquidator, if the domiciliary law permits. The claims must be filed on or before the last date fixed for the filing of claims in the domiciliary liquidation proceedings.

➔Section 1457. KRS 304.33-540 is amended to read as follows:

- (1) Appointment of ancillary receiver in this state. If a domiciliary liquidator has been appointed for an insurer not domiciled in this state, the **commissioner**~~executive director~~ shall file a petition with the Franklin Circuit Court requesting appointment as ancillary receiver in this state:
 - (a) If **the commissioner**~~he~~ finds that there are sufficient assets of the insurer located in this state to justify the appointment of an ancillary receiver;
 - (b) If ten (10) or more persons resident in this state having claims against the insurer file a petition with the **commissioner**~~executive director~~ requesting appointment of an ancillary receiver; or
 - (c) If the protection of creditors or policyholders in this state so requires.

- (2) Terms of order. The court may issue an order appointing an ancillary receiver in whatever terms it deems appropriate. The filing or recording of the order with any county clerk in this state imparts the same notice as a deed, bill of sale or other evidence of title duly filed or recorded with that county clerk.
- (3) Property rights and title: ancillary receivers in this state. When a domiciliary liquidator has been appointed in a reciprocal state the ancillary receiver appointed in this state under subsection (1) of this section shall have the sole right to recover all the assets of the insurer in this state not already recovered by the domiciliary liquidator, except that the domiciliary liquidator shall be entitled to and have the sole right to recover balances due from agents and the books, accounts and other records of the insurer. The ancillary receiver shall have the right to recover balances due from agents and books, accounts and other records of the insurer, if such action is necessary to protect the assets because of inaction by the domiciliary liquidator. The ancillary receiver shall, as soon as practicable, liquidate from their respective securities those special deposit claims and secured claims which are proved and allowed in the ancillary proceedings in this state, and shall pay the necessary expenses of the proceedings. **The ancillary receiver**~~[He]~~ shall promptly transfer all remaining assets to the domiciliary liquidator. Subject to this section, the ancillary receiver and his **or her** deputies shall have the same powers and be subject to the same duties with respect to the administration of assets as a liquidator of an insurer domiciled in this state.
- (4) Property rights and title: foreign ancillary receivers. When a domiciliary liquidator has been appointed in this state, ancillary receivers appointed in reciprocal states shall have, as to assets and books, accounts and other records located in their respective states, corresponding rights and powers to those prescribed in subsection (3) of this section for ancillary receivers appointed in this state.

➔Section 1458. KRS 304.33-550 is amended to read as follows:

The **commissioner**~~[executive director]~~ in his **or her** sole discretion may institute proceedings under KRS 304.33-110 or 304.33-120 at the request of the commissioner or other appropriate official of the domiciliary state of any foreign or alien insurer having property located in this state.

➔Section 1459. KRS 304.35-010 is amended to read as follows:

- (1) As used in this subtitle:
 - (a) "Casualty insurance" has the meaning set forth in KRS 304.5-070; and
 - (b) "Property insurance" has the meaning set forth in KRS 304.5-050.
- (2) All insurers licensed to write property or casualty insurance in this Commonwealth on a direct basis shall, subject to approval and regulation by the **commissioner**~~[executive director]~~ of insurance, establish and maintain a "FAIR" (fair access to insurance requirements) plan and establish and maintain a reinsurance association and formulate and from time to time amend the plan and articles of association and rules and regulations in connection therewith, and assess and share on a fair and equitable basis all expenses, income, and losses incident to such "FAIR" plan and reinsurance association in a manner consistent with the provisions of this subtitle.

➔Section 1460. KRS 304.35-030 is amended to read as follows:

- (1) The "FAIR" plan and articles of association shall make provision for a reinsurance association having authority on behalf of its members as their agent to cause to be issued property and casualty insurance policies, to reinsure in whole or in part any such policies, and to cede any such reinsurance. The plan and articles of association shall provide, among other things, for the lines of business to be written, policy forms to be used, perils to be covered, geographical area of coverage, compensation and commissions, assessments of members (which assessments annually shall not exceed one percent (1%) of any such member's net direct premium written on a voluntary basis in this state during the preceding year), participation in the writings, expenses, income, and losses in the proportion each member's property and casualty premiums written bear to the aggregate property and casualty premiums voluntarily written by all members, the administration of the plan and association, and any other matter necessary or convenient for the purpose of assuring fair access to insurance requirements.
- (2) If the **commissioner**~~[executive director]~~, in the fulfillment of the duties imposed on him **or her** by KRS 304.13-041, determines that a reasonable degree of competition does not exist in the market for any lines of insurance, within the definitions of KRS 304.5-050 (property insurance) and KRS 304.5-070 (casualty insurance), or either of them, and issues an order to that effect, the **commissioner**~~[executive director]~~ shall order the governing committee to promptly amend the plan to include such line or lines of business unless, in

the *commissioner's*~~{executive director's}~~ opinion, an effective residual market mechanism as defined in KRS 304.13-011(8) is already then functioning to provide basic insurance requirements to worthy applicants for reasonable amounts of coverage under such line or lines of insurance with insurers licensed to do business in this state. For accounting and rate-making purposes, the *commissioner*~~{executive director}~~ may require the plan to provide for the establishment and maintenance of separate accounts for any line included in the plan pursuant to this section.

➔Section 1461. KRS 304.35-040 is amended to read as follows:

- (1) The Reinsurance Association shall be governed by a committee consisting of seven (7) persons to be appointed by the *commissioner*~~{executive director}~~ of insurance. - (3) The governing committee of the association shall, on or before April 1 of each year, file with the *commissioner*~~{executive director}~~, on such forms as the *commissioner*~~{executive director}~~ requires, an accounting of the plan's operations during the preceding calendar year together with its financial condition, and its underwriting experience as to each separate account maintained therein, as of the end of such year. The *commissioner*~~{executive director}~~ may require interim accountings on a quarterly basis or examine the affairs of the association when, in his *or her* opinion, such action is necessary to determine the continued solvency of the Reinsurance Association.
- (4) If at any time the *commissioner*~~{executive director}~~ determines that the Reinsurance Association is or may become unable to meet its financial obligations during the current year, the *commissioner*~~{executive director}~~ shall order the governing committee to levy appropriate assessments within the limitations of KRS 304.35-030(1) against all members.

➔Section 1462. KRS 304.35-050 is amended to read as follows:

Any person aggrieved by any action or decision of the governing committee may appeal to the *commissioner*~~{executive director}~~ of insurance within thirty (30) days from the date of the action or the decision. The *commissioner*~~{executive director}~~ shall, after a hearing conducted in accordance with KRS Chapter 13B, issue a final order approving the action or decision or disapproving the action or decision with respect to the matter which is the subject of appeal.

➔Section 1463. KRS 304.35-105 is amended to read as follows:

The *commissioner*~~{executive director}~~ shall request, receive and transmit the names and addresses of all commercial real property policy applicants to the "FAIR" plan to the state fire marshal.

As used in this subtitle, unless the context otherwise requires:

- (1) "Affiliate" means a person who directly or indirectly, through one (1) or more intermediaries, controls, is controlled by, or is under common control with an insolvent insurer on December 31 of the year immediately preceding the date that the insurer becomes an insolvent insurer.
- (2) "Association" means the Kentucky Insurance Guaranty Association created under KRS 304.36-060.
- (3) "Claimant" means any insured making a first-party claim or any person instituting a liability claim, provided that no person who is an affiliate of the insolvent insurer may be a claimant.
- (4) "*Commissioner*~~{Executive director}~~" means the *commissioner*~~{executive director}~~ of *the Department of Insurance of Kentucky*.

- (5) "Control" means the possession, direct or indirect, of power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract other than a loan contract or a commercial contract for goods or nonmanagement services, or otherwise, unless the power is the result of an official position with or corporate office held by the person. Control shall be presumed to exist if any person, directly or indirectly, owns, controls, holds with the power to vote, or holds proxies representing ten percent (10%) or more of any other person. This presumption may be rebutted by a showing that control does not exist in fact.
- (6) (a) "Covered claim" means an unpaid claim, including one for unearned premiums, submitted by a claimant, which arises out of and is within the coverage and is subject to the applicable limits of an insurance policy to which this subtitle applies issued by an insurer, if the insurer becomes an insolvent insurer after June 16, 1972, and:
1. The claimant or insured is a resident of this state at the time of the insured event, provided that for entities other than an individual, the residence of a claimant, insured, or policyholder is the state in which its principal place of business is located at the time of the insured event; or
 2. The claim is a first-party claim for damage to property with a permanent location in this state.
- (b) "Covered claim" shall not include the following:

 4. Legal expenses for policyholders who were Kentucky residents at the time of the insured event if the legal expenses exceed the association's statutory cap;
 5. Any first-party claim by an insured whose net worth exceeds twenty-five million dollars (\$25,000,000) on December 31 of the year prior to the year in which the insurer becomes an insolvent insurer, provided that an insurer's net worth on that date shall be deemed to include the aggregate net worth of the insured and all of its subsidiaries as calculated on a consolidated basis;
 6. Any first-party claim by an insured that is an affiliate of an insolvent insurer; or
 7. Any amount awarded as punitive or exemplary damages.
- (7) "Insolvent insurer" means:
- (a) An insurer licensed to transact insurance in this state either at the time the policy was issued or when the insured event occurred;
 - (b) Against whom a final order of liquidation, with a finding of insolvency, has been entered by a court of competent jurisdiction in the company's state of domicile after June 16, 1972; and
 - (c) With respect to which no order, decree, or finding relating to the solvency of the insurer, whether preliminary or temporary in nature or otherwise has been issued by a court of competent jurisdiction or by any insurance ~~executive director or~~ commissioner, insurance office or department or similar official or body before June 16, 1972, or which was in fact insolvent before June 16, 1972, and the de facto insolvency was known by the chief insurance regulatory official of the state of its domicile.
- (8) "Member insurer" means:
- (a) Any person who writes any kind of insurance to which this subtitle applies under KRS 304.36-030, including the exchange of reciprocal or inter-insurance contracts; and

For purposes of determining a withdrawing member's assessment liability, an insurer shall cease to be a member insurer effective on the day following the termination or expiration of his *or her* license to transact the kinds of insurance to which this subtitle applies. However, the insurer shall remain liable as a member insurer for any and all obligations, including obligations for assessments levied prior to the termination or expiration of the insurer's license and assessments levied after the termination or expiration, that relate to any insurer that became an insolvent insurer prior to the termination or expiration of the insurer's license.

- (9) "Net direct written premiums" means direct gross premiums written, or in the case of an insurer organized under KRS Chapter 299, assessments, membership fees, and policy fees levied and collected in this state, less returns thereon and dividends paid or credited to policyholders on such direct business. "Net direct written premiums" does not include premiums on contracts between insurers or reinsurers.
- (10) "Ocean marine insurance" includes any form of insurance, regardless of name, label, or marketing designation of the insurance policy, that insures against maritime perils or risks and other related perils or risks, that are usually insured against by traditional marine insurance such as hull and machinery, marine builders risk, and marine protection and indemnity. These perils and risks insured against include without limitation loss, damage, or expense or legal liability of the insured for loss, damage, or expense arising out of or incident to ownership, operation, chartering, maintenance, use, repair, or construction of any vessel, craft, or instrumentality in use in ocean or inland waterways, including liability of the insured for personal injury, illness, or death or for loss or damage to the property of the insured or another person. "Ocean marine insurance" includes that coverage written in accordance with the following:

➔Section 1465. KRS 304.36-070 is amended to read as follows:

- (1) The board of directors of the association shall consist of not less than five (5) nor more than nine (9) persons serving terms as established in the plan of operation. The members of the board shall be selected by member insurers subject to the approval of the *commissioner*~~[executive director]~~. Vacancies on the board shall be filled for the remaining period of the term by a majority vote of the remaining board members, subject to the approval of the *commissioner*~~[executive director]~~. If no members are selected within sixty (60) days after June 16, 1972, the *commissioner*~~[executive director]~~ may appoint the initial members of the board of directors.
- (2) In approving selections to the board, the *commissioner*~~[executive director]~~ shall consider among other things whether all member insurers are fairly represented.
- (3) Members of the board may be reimbursed from the assets of the association for expenses incurred by them as members of the board of directors.

➔Section 1466. KRS 304.36-080 is amended to read as follows:

- (1) The association shall:
 - (a) Be obligated to the extent of the covered claims existing prior to the order of liquidation and arising within thirty (30) days after the order of liquidation, or before the policy expiration date if less than thirty (30) days after the order of liquidation, or before the insured replaces the policy or on request effects cancellation, if *the insured*~~[he]~~ does so within thirty (30) days of the order of liquidation. The obligation shall be satisfied by paying to the claimant an amount as follows:
 1. The full amount of a covered claim for benefits arising from a workers' compensation insurance policy purchased to satisfy the requirements of KRS 342.340;
 2. An amount not exceeding ten thousand dollars (\$10,000) per policy for a covered claim for the return of unearned premium; or
 3. An amount not exceeding three hundred thousand dollars (\$300,000) per claimant for all other covered claims.
 - (b) Not be obligated to pay a claimant an amount in excess of the obligation of the insolvent insurer under the policy or coverage from which the claim arises. Notwithstanding any other provisions of this subtitle, a covered claim shall not include a claim filed with the association after the earlier of twelve (12) months after the date of the order of liquidation, or the final date set by the court for the filing of claims against the liquidator or receiver of an insolvent insurer and shall not include any claim filed with the association or a liquidator for protection afforded under the insured's policy for incurred but not

reported losses. Any obligation of the association to defend an insured shall cease upon the association's payment or tender of an amount equal to the lesser of the association's covered claim obligation limit or the applicable policy limit. Notwithstanding any other provisions of this subtitle, except in the case of a claim for benefits under workers' compensation coverage, any obligation of the association to any and all persons shall cease when ten million dollars (\$10,000,000) shall have been paid in the aggregate by the association and any one (1) or more associations similar to the association of any other state or states or any property/casualty security fund that obtains contributions from insurers on a preinsolvency basis to or on behalf of any insured and its affiliates on covered claims or allowed claims arising under the policy or policies of any one (1) insolvent insurer. For purposes of this section, the term "affiliate" shall mean a person who directly or indirectly, through one (1) or more intermediaries, controls, is controlled by, or is under common control with another person. If the claimant has a covered claim or allowed claim against the association or any associations similar to the association or any property and casualty insurance security fund of another states, under the policy or policies of any one (1) insolvent insurer, the association may establish a plan to allocate amounts payable by the association in a manner as the association in its discretion deems equitable;

- (c) Be deemed the insurer to the extent of its obligation on the covered claims and to that extent shall have all rights, duties, and obligations of the insolvent insurer as if the insurer had not become insolvent, including, but not limited to, the right to pursue and retain salvage and subrogation recoverable on paid covered claim obligations;
 - (d) Assess insurers amounts necessary to pay the obligations of the association under paragraph (a) of this subsection subsequent to an insolvency, the expenses of handling covered claims subsequent to an insolvency, and the cost of examinations under KRS 304.36-130 and other expenses authorized by this subtitle. The assessments of each member insurer shall be in the proportion that the net direct written premiums of the member insurer for the calendar year preceding the assessment bears to the net direct written premiums of all member insurers for the calendar year preceding the assessment. Each member insurer shall be notified of the assessment not later than thirty (30) days before it is due. No member insurer may be assessed in any year an amount greater than two percent (2%) of that member insurer's net direct written premiums for the calendar year preceding the assessment. If the maximum assessment, together with the other assets of the association, does not provide in any one (1) year an amount sufficient to make all necessary payments, the funds available shall be prorated and the unpaid portion shall be paid as soon thereafter as funds become available. The association shall pay claims in any order which it may deem reasonable including the payment of claims as such are received from the claimants or in groups or categories of claims. The association may exempt or defer, in whole or in part, the assessment of any member insurer, if the assessment would cause the member insurer's financial statement to reflect amounts of capital or surplus less than the minimum amounts required for a certificate of authority by any jurisdiction in which the member insurer is authorized to transact insurance; provided, however, that during the period of deferment, no dividends shall be paid to shareholders or policyholders. Deferred assessments shall be paid when such payment will not reduce capital and surplus below required minimums. Such payments shall be refunded to those companies receiving larger assessments by virtue of such deferment, or at the election of any such company, credited against future assessments. Each member insurer serving as a servicing facility may set off against any assessment authorized payments made on covered claims and expenses incurred in the payment of such claims by such member insurer;
 - (e) Investigate claims brought against the association and adjust, compromise, settle, and pay covered claims to the extent of the association's obligation and deny all other claims;
 - (f) Notify such persons as the **commissioner**~~executive director~~ directs under KRS 304.36-100(2)(a);
 - (g) Handle claims through its employees or through one (1) or more insurers or other persons designated as servicing facilities. Designation of a servicing facility is subject to the approval of the **commissioner**~~executive director~~, but such designation may be declined by a member insurer; and
 - (h) Reimburse each servicing facility for obligations of the association paid by the facility and for expenses incurred by the facility while handling claims on behalf of the association and shall pay the other expenses of the association authorized by this subtitle.
- (2) The association may:
- (a) Appear in, defend, and appeal any action on a claim brought against the association;

- (b) Employ or retain such persons as are necessary to handle claims and perform other duties of the association;
- (c) Borrow funds necessary to effect the purposes of this subtitle in accord with the plan of operation;
- (d) Sue or be sued;
- (e) Negotiate and become a party to such contracts as are necessary to carry out the purpose of this subtitle;
- (f) Perform such other acts as are necessary or proper to effectuate the purpose of this subtitle; and
- (g) Refund to the member insurers in proportion to the contribution of each member insurer to the association that amount by which the assets of the association exceed the liabilities, if, at the end of any calendar year, the board of directors finds that the assets of the association exceed the liabilities of the association as estimated by the board of directors for the coming year.

→Section 1467. KRS 304.36-090 is amended to read as follows:

- (1) (a) The association shall submit to the **commissioner**~~{executive director}~~ a plan of operation and any amendments thereto necessary or suitable to assure the fair, reasonable, and equitable administration of the association. The plan of operation and any amendments thereto shall become effective upon approval in writing by the **commissioner**~~{executive director}~~.
- (b) If the association fails to submit a suitable plan of operation within ninety (90) days following June 16, 1972, or if at any time thereafter the association fails to submit suitable amendments to the plan, the **commissioner**~~{executive director}~~ shall, after notice and hearing, adopt and promulgate such reasonable rules as are necessary or advisable to effectuate the provisions of this subtitle. Such rules shall continue in force until modified by the **commissioner**~~{executive director}~~ or superseded by a plan submitted by the association and approved by the **commissioner**~~{executive director}~~.
- (2) All member insurers shall comply with the plan of operation.
- (3) The plan of operation shall:
 - (a) Establish the procedures whereby all the powers and duties of the association under KRS 304.36-080 will be performed.
 - (b) Establish procedures for handling assets of the association.
 - (c) Establish the amount and method of reimbursing members of the board of directors under KRS 304.36-070.
 - (d) Establish procedures by which claims may be filed with the association and establish acceptable forms of proof of covered claims. Notice of claims to the receiver or liquidator of the insolvent insurer shall be deemed notice to the association or its agent, and a list of such claims shall be periodically submitted to the association or similar organization in another state by the receiver or liquidator.
 - (e) Establish regular places and times for meetings of the board of directors.
 - (f) Establish procedures for records to be kept of all financial transactions of the association, its agents, and the board of directors.
 - (g) Provide that any member insurer aggrieved by any final action or decision of the association may appeal to the **commissioner**~~{executive director}~~ within thirty (30) days after the action or decision.
 - (h) Establish the procedures whereby selections for the board of directors will be submitted to the **commissioner**~~{executive director}~~.
 - (i) Contain additional provisions necessary or proper for the execution of the powers and duties of the association.
- (4) The plan of operation may provide that any or all powers and duties of the association, except those under KRS 304.36-080(1)(d) and (2)(c), are delegated to a corporation, association, or other organization which performs or will perform functions similar to those of this association, or its equivalent, in two (2) or more states. Such a corporation, association, or organization shall be reimbursed as a servicing facility would be reimbursed and shall be paid for its performance of any other functions of the association. A delegation under this subsection

shall take effect only with the approval of both the board of directors and the *commissioner*~~[executive director]~~, and may be made only to a corporation, association, or organization which extends protection not substantially less favorable and effective than that provided by this subtitle.

- (5) The plan of operation may establish procedures by which claims may be filed with the association and establish acceptable forms of proof of covered claims. Notice of claims to the receiver or liquidator of the insolvent insurer shall be deemed notice to the association or its agent, and a list of claims shall be periodically submitted to the association or similar organization in another state by the receiver or liquidator.

➔Section 1468. KRS 304.36-100 is amended to read as follows:

- (1) The *commissioner*~~[executive director]~~ shall:
- (a) Notify the association of the existence of an insolvent insurer not later than three (3) days after he *or she* receives notice of the determination of the insolvency.
 - (b) Upon request of the board of directors, provide the association with a statement of the net direct written premiums of each member insurer.
- (2) The *commissioner*~~[executive director]~~ may:
- (a) Require that the association notify the insureds of the insolvent insurer and any other interested parties of the determination of insolvency and of their rights under this subtitle. Such notification shall be by mail at their last known address, where available, but if sufficient information for notification by mail is not available, notice by publication in a newspaper of general circulation shall be sufficient.
 - (b) Suspend or revoke, after notice and hearing, the certificate of authority to transact insurance in this state of any member insurer which fails to pay an assessment when due or fails to comply with the plan of operation. As an alternative, the *commissioner*~~[executive director]~~ may levy a fine on any member insurer which fails to pay an assessment when due. Such fine shall not exceed five percent (5%) of the unpaid assessment per month, except that no fine shall be less than one hundred dollars (\$100) per month.
 - (c) Revoke the designation of any servicing facility if *the commissioner*~~[he]~~ finds claims are being handled unsatisfactorily.

➔Section 1469. KRS 304.36-130 is amended to read as follows:

To aid in the detection and prevention of insurer insolvencies:

- (1) It shall be the duty of the board of directors, upon majority vote, to notify the *commissioner*~~[executive director]~~ of any information indicating any member insurer may be insolvent or in a financial condition hazardous to the policyholders or the public.
- (2) The board of directors may, upon majority vote, request that the *commissioner*~~[executive director]~~ order an examination of any member insurer which the board in good faith believes may be in a financial condition hazardous to the policyholders or the public. Within thirty (30) days of the receipt of such request, the *commissioner*~~[executive director]~~ shall begin such examination. The examination may be conducted as a National Association of Insurance Commissioners examination or may be conducted by such persons as the *commissioner*~~[executive director]~~ designates. The cost of such examination shall be paid by the association and the examination report shall be treated as are other examination reports. In no event shall such examination report be released to the board of directors prior to its release to the public, but this shall not preclude the *commissioner*~~[executive director]~~ from complying with subsection (3). The *commissioner*~~[executive director]~~ shall notify the board of directors when the examination is completed. The request for an examination shall be kept on file by the *commissioner*~~[executive director]~~ but it shall not be open to public inspection prior to the release of the examination report to the public.
- (3) It shall be the duty of the *commissioner*~~[executive director]~~ to report to the board of directors when *the commissioner*~~[he]~~ has reasonable cause to believe that any member insurer examined or being examined at the request of the board of directors may be insolvent or in a financial condition hazardous to the policyholders or the public.
- (4) The board of directors may, upon majority vote, make reports and recommendations to the *commissioner*~~[executive director]~~ upon any matter germane to the solvency, liquidation, rehabilitation or

conservation of any member insurer. Such reports and recommendations shall not be considered public documents.

- (5) The board of directors may, upon majority vote, make recommendations to the *commissioner*~~{executive director}~~ for the detection and prevention of insurer insolvencies.
- (6) The board of directors shall, at the conclusion of any insurer insolvency in which the association was obligated to pay covered claims, prepare a report on the history and causes of such insolvency, based on the information available to the association, and submit such report to the *commissioner*~~{executive director}~~.

➔Section 1470. KRS 304.36-140 is amended to read as follows:

The association shall be subject to examination and regulation by the *commissioner*~~{executive director}~~. The board of directors shall submit, not later than March 30 of each year, a financial report for the preceding calendar year in a form approved by the *commissioner*~~{executive director}~~.

➔Section 1471. KRS 304.36-170 is amended to read as follows:

There shall be no liability on the part of and no cause of action of any nature shall arise against any member insurer, the association or its agents or employees, the board of directors, or the *commissioner*~~{executive director}~~, or *the commissioner's*~~{his}~~ representatives for any action taken by them in the performance of their powers and duties under this subtitle.

➔Section 1472. KRS 304.37-010 is amended to read as follows:

As used in this subtitle, the following terms shall have the respective meanings set forth, unless the context shall otherwise require:

- (1) The term "*commissioner*~~{executive director}~~" shall mean the *commissioner*~~{executive director}~~ of insurance or the *Department*~~{Office}~~ of Insurance, as appropriate.
- (2) "Insurer" includes every person engaged as principal and as indemnitor, surety, or contractor in the business of entering into contracts of insurance.
- (3) An "insurance holding company system" consists of two (2) or more affiliated persons, one (1) or more of which is an insurer.
- (4) An "affiliate", or person "affiliated" with a specific person, is a person that directly, or indirectly through one (1) or more intermediaries, controls, or is controlled by, or is under common control with, the person specified.
- (5) A "person" is an individual, a corporation, a partnership, an association, a joint stock company, an unincorporated organization, any similar entity, or any combination of the foregoing acting in concert, but shall not include any bank in its fiduciary capacity or securities broker performing no more than the usual and customary broker's function.
- (6) A "subsidiary" of a specified person is an affiliate controlled by the person directly or indirectly through one (1) or more intermediaries.
- (7) The term "voting security" shall include any security convertible into or evidencing a right to acquire a voting security.
- (8) The terms "control," "controlling," "controlled by," and "under common control with" mean the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract other than a loan contract or commercial contract for goods or nonmanagement services, or otherwise, unless the power is the result of an official position with or corporate office held by the person. Control shall be presumed to exist if any person, directly or indirectly, owns, controls, holds with the power to vote, or holds proxies representing ten percent (10%) or more of the voting securities of any other person. This presumption may be rebutted by a showing made in the manner provided by KRS 304.37-020(12) that control does not exist in fact. The *commissioner*~~{executive director}~~ may determine, after forwarding all persons in interest notice and opportunity to be heard and making specific findings of fact to support the determination, that control exists in fact, notwithstanding the absence of a presumption to that effect.

➔Section 1473. KRS 304.37-020 is amended to read as follows:

- (1) Every insurer which is authorized to do business in this state and which is a member of an insurance holding company system shall register with the **commissioner**~~executive director~~, except a foreign or alien insurer subject to disclosure requirements and standards adopted by statute or regulation in the jurisdiction of its domicile which are substantially similar to those contained in this section. For an alien insurer, the domiciliary state shall be deemed to be its state of entry. Any insurer which is subject to registration under this section shall register within sixty (60) days after June 16, 1972, or fifteen (15) days after it becomes subject to registration, whichever is later, and annually thereafter by April 1 of each year for the previous calendar year, unless the **commissioner**~~executive director~~ for good cause shown extends the time for registration, and then within the extended time. The **commissioner**~~executive director~~ may require any authorized insurer which is a member of a holding company system which is not subject to registration under this section to furnish a copy of the registration statement or other information filed by the insurer with the insurance regulatory authority of its domiciliary jurisdiction.
- (2) Every insurer subject to registration shall file a registration statement on a form provided by the **commissioner**~~executive director~~, which shall contain current information about:
- (a) The capital structure, general financial condition, ownership, and management of the insurer and any person controlling the insurer;

 6. All reinsurance agreements;
 7. Dividend and other distributions to shareholders; and

- (3) It shall not be necessary to disclose information on the registration statement filed pursuant to subsection (2) of this section if the information is not material for the purposes of this section. Unless the **commissioner**~~executive director~~ by administrative regulation or order provides otherwise, sales, purchases, exchanges, loans, or extensions of credit, or investments, involving one-half of one percent (0.5%) or less of an insurer's admitted assets as of the thirty-first day of December next preceding shall not be deemed material for purposes of this section.
- (4) Each registered insurer shall keep current the information required to be disclosed in its registration statement by reporting all material changes or additions on amendment forms provided by the **commissioner**~~executive director~~ within thirty (30) days~~(30)~~ after the end of the month in which it learns of each change or addition.
- (5) All registration statements shall contain a summary outlining all items in the current registration statement representing changes from the prior registration statement.
- (6) Subject to KRS 304.37-030(5), each registered insurer shall report to the **commissioner**~~executive director~~ all dividends and other distributions to shareholders within fifteen (15) business days following the dividend or distribution declaration.

- (7) Any person within an insurance holding company system subject to registration shall be required to provide complete and accurate information to an insurer, if the information is reasonably necessary to enable the insurer to comply with the provisions of this subtitle.
- (8) The **commissioner**~~{executive director}~~ shall terminate the registration of any insurer which demonstrates that it no longer is a member of an insurance holding company system.
- (9) The **commissioner**~~{executive director}~~ may require or allow two (2) or more affiliated insurers subject to registration to file a consolidated registration statement or consolidated reports amending their consolidated registration statement or their individual registration statements.
- (10) The **commissioner**~~{executive director}~~ may allow an insurer which is authorized to do business in this state and which is part of an insurance holding company system to register on behalf of any affiliated insurer which is required to register under subsection (1) and to file all information and material required to be filed under this section.
- (11) The provisions of this section shall not apply to any insurer, information, or transaction if and to the extent that the **commissioner**~~{executive director}~~ by administrative regulation or order shall exempt it from the provisions of this section.
- (12) Any person may file with the **commissioner**~~{executive director}~~ a disclaimer of affiliation with any authorized insurer or a disclaimer may be filed by the insurer or any member of an insurance holding company system. The disclaimer shall fully disclose all material relationships and bases for affiliation between the persons and the insurer as well as the basis for disclaiming the affiliation. After a disclaimer has been filed, the insurer shall be relieved of any duty to register or report under this section which may arise out of the insurer's relationship with the person unless and until the **commissioner**~~{executive director}~~ disallows the disclaimer. The **commissioner**~~{executive director}~~ shall disallow the disclaimer only after furnishing all parties in interest with notice and opportunity to be heard and after making specific findings of fact to support the disallowance.
- (13) The failure to file a registration statement or any amendment thereto required by this section within the time specified for the filing shall be a violation of this subtitle.

➔Section 1474. KRS 304.37-030 is amended to read as follows:

- (1) Material transactions by registered insurers with their affiliates shall be subject to the following standards:
 - (a) The terms shall be fair and reasonable;
 - (b) Charges or fees for services performed shall be reasonable;
 - (c) Expenses incurred and payment received shall be allocated to the insurer in conformity with consistently applied accounting practices;
 - (d) The books, accounts, and records of each party shall be maintained to clearly and accurately disclose the precise nature and details of the transactions; and
 - (e) The insurer's surplus as regards policyholders, following any dividends or distributions to shareholder affiliates, shall be reasonable in relation to the insurer's outstanding liabilities and adequate to its financial needs.
- (2) (a) The following transactions involving a domestic insurer and any person in its holding company system shall not be entered into unless the insurer has notified the **commissioner**~~{executive director}~~ in writing of its intention to enter into the transaction at least thirty (30) days prior to the transaction, or a shorter period as the **commissioner**~~{executive director}~~ may permit, and the **commissioner**~~{executive director}~~ has not disapproved it within that time:
 1. Sales, purchases, exchanges, loans, or extensions of credit, guarantees, or investments, if the transactions are equal to or exceed, with respect to non-life insurers, the lesser of three percent (3%) of the insurer's admitted assets or twenty-five percent (25%) of surplus as regards policyholders, or with respect to life insurers, three percent (3%) of the insurer's admitted assets, each as of December 31 next preceding.
 2. Loans or extensions of credit to any person who is not an affiliate, if the insurer makes the loans or extensions of credit with the agreement or understanding that the proceeds of the transactions,

in whole or in substantial part, are to be used to make loans or extensions of credit to, to purchase assets of, or to make investments in, any affiliate of the insurer making the loans or extensions of credit if the transactions are equal to or exceed, with respect to non-life insurers, the lesser of three percent (3%) of the insurer's admitted assets or twenty-five percent (25%) of surplus as regards policyholders, or, with respect to life insurers, three percent (3%) of the insurer's admitted assets, each as of December 31 next preceding.

3. Reinsurance agreements or modifications in which the reinsurance premium or a change in the insurer's liabilities equals or exceeds five percent (5%) of the insurer's surplus as regards policyholders, as of December 31 next preceding, including those agreements which may require as consideration the transfer of assets from an insurer to a nonaffiliate, if an agreement or understanding exists between the insurer and nonaffiliate that any portion of the assets will be transferred to one (1) or more affiliates of the insurer;
 4. All management agreements, service contracts, and all cost sharing arrangements; and
 5. Any material transactions, specified by regulation, which the **commissioner**~~{executive director}~~ determines may adversely affect the interests of the insurer's policyholders.
- (b) This subsection shall not authorize or permit any transactions which, in the case of an insurer not a member of the same holding company system, would be otherwise contrary to law.
- (c) A domestic insurer shall not enter into transactions which are part of a plan or series of like transactions with persons within the holding company system if the purpose of those separate transactions is to avoid the statutory threshold amount and thus avoid the review that would otherwise occur. If the **commissioner**~~{executive director}~~ determines that the separate transactions were entered into over any twelve (12) month period for avoidance purposes, **the commissioner**~~{he}~~ may exercise his **or her** authority under KRS 304.99-151.
- (d) The **commissioner**~~{executive director}~~, in reviewing transactions pursuant to this subsection, shall consider whether the transactions comply with the standards set forth in subsection (1) of this section and whether they may adversely affect the interests of policyholders.
- (e) The **commissioner**~~{executive director}~~ shall be notified within thirty (30) days of any investment of the domestic insurer in any one (1) corporation if the total investment in the corporation by the insurance holding company exceeds ten percent (10%) of the corporation's voting securities.
- (3) (a) Notwithstanding the control of a domestic insurer by any person, the officers and directors of the insurer shall not be relieved of any obligation or liability to which they would otherwise be subject by law, and the insurer shall be managed so as to assure its separate operating identity consistent with this chapter.
- (b) Nothing in this section precludes a domestic insurer from having or sharing a common management or cooperative or joint use of personnel, property, or services with one (1) or more other persons under arrangements which meet the standards of subsection (1) of this section.
- (4) The following factors, among others, shall be considered in determining whether an insurer's surplus as regards policyholders is reasonable in relation to the insurer's outstanding liabilities and adequate to its financial needs:
- (a) The size of the insurer as measured by its assets, capital and surplus, reserves, premium writings, insurance in force, and other appropriate criteria;
 - (b) The extent to which the insurer's business is diversified among the several lines of insurance;
 - (c) The number and size of risks insured in each line of business;
 - (d) The extent of the geographical dispersion of the insurer's insured risks;
 - (e) The nature and extent of the insurer's reinsurance program;
 - (f) The quality, diversification, and liquidity of the insurer's investment portfolio;
 - (g) The recent past and projected future trend in the size of the insurer's surplus as regards policyholders;
 - (h) The surplus as regards policyholders maintained by other comparable insurers;
 - (i) The adequacy of the insurer's reserves; and

- (j) The quality and liquidity of investments in subsidiaries. The *commissioner*~~[executive director]~~ may treat any investment as a disallowed asset for purposes of determining the adequacy of surplus as regards policyholders if in his *or her* judgment the investment warrants.
- (5) No insurer subject to registration under KRS 304.37-020 shall pay any extraordinary dividend or make any other extraordinary distribution to its stockholders until thirty (30) days after the *commissioner*~~[executive director]~~ has received notice of the declaration thereof and has not within the period disapproved the payment, or the *commissioner*~~[executive director]~~ shall have approved the payment within the thirty (30) day period. For purposes of this section, an extraordinary dividend or distribution is any dividend or distribution which, together with other dividends or distribution made within the preceding twelve (12) months, exceeds the lesser of (a) ten percent (10%) of the insurer's surplus as regards policyholders as of December 31 next preceding, or (b) the net gain from operations of the insurer company, if the insurer is a life insurer, or the net income, if the insurer is not a life insurer, for the twelve (12) month period ending December 31 next preceding, but shall not include pro rata distribution of any class of the insurer's own securities. Notwithstanding any other provision of law, an insurer may declare an extraordinary dividend or distribution which is conditional upon the *commissioner's*~~[executive director's]~~ approval thereof, and the declaration shall confer no rights upon stockholders until the *commissioner*~~[executive director]~~ has approved the payment of the dividend or distribution or until the *commissioner*~~[executive director]~~ has not disapproved the payment within the thirty (30) day period referred to in this section.

➔Section 1475. KRS 304.37-040 is amended to read as follows:

- (1) Subject to the limitation contained in this section and in addition to the powers which the *commissioner*~~[executive director]~~ has under KRS Chapter 304 relating to the examination of insurers, the *commissioner*~~[executive director]~~ shall also have the power to order any insurer registered under KRS 304.37-020 to produce such records, books, or other information papers in the possession of the insurer or its affiliates as shall be necessary to ascertain the financial condition or legality of conduct of such insurer. In the event such insurer fails to comply with such order, the *commissioner*~~[executive director]~~ shall have the power to examine such affiliates to obtain such information.
- (2) The *commissioner*~~[executive director]~~ shall exercise his *or her* power under subsection (1) only if the examination of the insurer under KRS Chapter 304 is inadequate or the interests of the policyholders of such insurer may be adversely affected.
- (3) The *commissioner*~~[executive director]~~ may retain at the registered insurer's expense such attorneys, actuaries, accountants, and other experts not otherwise a part of the *commissioner's*~~[executive director's]~~ staff as shall be reasonably necessary to assist in the conduct of the examination under subsection (1). Any persons so retained shall be under the direction and control of the *commissioner*~~[executive director]~~ and shall act in a purely advisory capacity.
- (4) Each registered insurer producing for examination records, books, and papers pursuant to subsection (1) shall be liable for and shall pay the expense of such examination in accordance with the provisions of KRS Chapter 304.

➔Section 1476. KRS 304.37-050 is amended to read as follows:

All information, documents, and copies thereof obtained by or disclosed to the *commissioner*~~[executive director]~~ by any other person in the course of an examination or investigation made pursuant to KRS 304.37-040 and all information reported pursuant to KRS 304.37-020, shall be given confidential treatment and shall not be subject to subpoena and shall not be made public by the *commissioner*~~[executive director]~~ or any other person, except to insurance departments of other states, without the prior written consent of the insurer to which it pertains unless the *commissioner*~~[executive director]~~, after giving the insurer and its affiliates who would be affected thereby notice and opportunity to be heard, determines that the interests of policyholders, shareholders, or the public will be served by the publication thereof, in which event *the commissioner*~~he~~ may publish all or any part thereof in such manner as *the commissioner*~~he~~ may deem appropriate.

➔Section 1477. KRS 304.37-060 is amended to read as follows:

The *commissioner*~~[executive director]~~ may, upon notice and opportunity for all interested persons to be heard, issue such orders as shall be necessary to carry out the provisions of this subtitle.

➔Section 1478. KRS 304.37-070 is amended to read as follows:

Whenever it appears to the **commissioner**~~{executive director}~~ that any person has committed a violation of this subtitle which so impairs the financial condition of a domestic insurer as to threaten insolvency or make the further transaction of business by it hazardous to its policyholders, creditors, shareholders, or the public, then the **commissioner**~~{executive director}~~ may proceed as provided in KRS Chapter 304 to take possession of the property of such domestic insurer and to conduct the business thereof.

➔Section 1479. KRS 304.37-080 is amended to read as follows:

Whenever it appears to the **commissioner**~~{executive director}~~ that any person has committed a violation of this subtitle which makes the continued operation of an insurer contrary to the interest of policyholders or the public, the **commissioner**~~{executive director}~~ may, after giving notice and an opportunity to be heard, determine to suspend, revoke, or refuse to renew such insurer's license or authority to do business in this state for such period as **the commissioner**~~{he}~~ finds is required for the protection of policyholders or the public. Any such determination shall be accompanied by specific findings of fact and conclusions of law.

➔Section 1480. KRS 304.37-090 is amended to read as follows:

The **commissioner**~~{executive director}~~ shall, if requested by any interested party served with notice as required herein, make a complete record of any testimony, evidence, and proceedings at any hearing conducted pursuant to this subtitle.

➔Section 1481. KRS 304.37-100 is amended to read as follows:

- (1) Any person aggrieved by any act, determination, rule, regulation, order, or any other action of the **commissioner**~~{executive director}~~ pursuant to this subtitle, may file appropriate proceedings in the Franklin Circuit Court or other court of competent jurisdiction for proper relief.
- (2) The filing of an appeal pursuant to this section or other court proceeding shall not stay the application of such order or other action of the **commissioner**~~{executive director}~~ unless the court, after giving notice to the parties and an opportunity to be heard, determines that such a stay would not be detrimental to the interest of policyholders, shareholders, creditors, or the public.
- (3) Any person aggrieved by any failure of the **commissioner**~~{executive director}~~ to act or make a determination required by this subtitle may petition the Franklin Circuit Court for a mandatory injunction or other injunctive relief directing the **commissioner**~~{executive director}~~ to act or make such determination forthwith.

➔Section 1482. KRS 304.37-110 is amended to read as follows:

 - (f) Rendering investment advice to governments, government agencies, corporations, or other organizations or groups;
 - (g) Rendering other services related to the operations of an insurance business, such as actuarial, loss prevention, safety engineering, data processing, accounting, claims, appraisal, and collection services;
 - (h) Ownership and management of assets which the parent corporation may own or manage if the aggregate investment by the insurer and its subsidiaries acquired or organized pursuant to this paragraph shall not exceed the limitations applicable to these investments by the insurer. This paragraph shall not prohibit investments permitted under KRS 304.7-120;
 - (i) Acting as an administrative agent for a governmental instrumentality which is performing an insurance function;

- (j) Financing of insurance premiums, agents, and other forms of consumer financing;
 - (k) Any other business activity determined by the *commissioner*~~{executive director}~~ to be reasonably ancillary to an insurance business; and
 - (l) Owning a corporation or corporations engaged or organized to engage exclusively in one (1) or more businesses specified in this section.
- (2) In addition to investments in common stock, preferred stock, debt obligations, and other securities permitted under this chapter, a domestic insurer may also:
- (a) Invest, in common stock, preferred stock, debt obligations, and other securities of one (1) or more subsidiaries, amounts which do not exceed the lesser of ten percent (10%) of the insurer's assets or fifty percent (50%) of the insurer's surplus as regards policyholders, if after these investments, the insurer's surplus as regards policyholders will be reasonable in relation to the insurer's outstanding liabilities and adequate to meet its financial needs. In calculating the amount of these investments, investments in domestic or foreign insurance subsidiaries shall be excluded, and there shall be included:
 - 1. Total net moneys or other consideration expended and obligations assumed in the acquisition or formation of a subsidiary, including all organizational expenses and contributions to capital and surplus of the subsidiary whether or not represented by the purchase of capital stock or issuance of other securities; and

For the purpose of this paragraph, "the total investment of the insurer" shall include:
 - 1. Any direct investment by the insurer in an asset; and
 - 2. The insurer's proportionate share of any investment in an asset by any subsidiary of the insurer, which shall be calculated by multiplying the amount of the subsidiary's investment by the percentage of the ownership of the subsidiary;
 - (c) With the approval of the *commissioner*~~{executive director}~~, invest any greater amount in common stock, preferred stock, debt obligations, or other securities of one (1) or more subsidiaries, if after the investment the insurer's surplus as regards policyholders will be reasonable in relation to the insurer's outstanding liabilities and adequate to its financial needs.
- (3) Investments in common stock, preferred stock, debt obligations, or other securities of subsidiaries made pursuant to subsection (2) of this section shall not be subject to any of the otherwise applicable restrictions or prohibitions contained in this chapter applicable to the investments of insurers.
- (4) Whether any investment pursuant to subsection (2) of this section meets the requirements shall be determined before the investment is made, by calculating the applicable investment limitations as though the investment had already been made, taking into account the then outstanding principal balance on all previous investments in debt obligations, and the value of all previous investments in equity securities as of the day they were made, net of any return of capital invested, not including dividends.
- (5) If an insurer ceases to control a subsidiary, it shall dispose of any investment made pursuant to this section within three (3) years of the time of the cessation of control, or within an extension of time as the *commissioner*~~{executive director}~~ may prescribe, unless at any time after the investment has been made, the investment has met the requirements for investment under any other provision of this chapter, and the insurer has notified the *commissioner*~~{executive director}~~.

➔Section 1483. KRS 304.37-120 is amended to read as follows:

- (1) No person other than the issuer shall make a tender offer for, a request or invitation for tenders of, enter into any agreement to exchange securities, seek to acquire, or acquire in the open market or otherwise, any voting security of a domestic insurer if, after the consummation, the person would, directly or indirectly, or by conversion, or by exercise of any right to acquire, be in control of the insurer. No person shall enter into an agreement to merge with or to acquire control of a domestic insurer or any person controlling a domestic insurer unless, at the time of the offer, request, or invitation is made, or any agreement is entered into, or prior to the acquisition of these securities if no offer or agreement is involved, the person has filed with the **commissioner**~~[executive director]~~ and has sent to the insurer, a statement containing the information required by this section and the offer, request, invitation, agreement, or acquisition has been approved by the **commissioner**~~[executive director]~~ in the manner prescribed in this section.
- (a) For purposes of this section a domestic insurer shall include any person controlling a domestic insurer unless the person as determined by the **commissioner**~~[executive director]~~ is either directly or through its affiliates primarily engaged in business other than the business of insurance. However, the person shall file a preacquisition notification with the **commissioner**~~[executive director]~~ containing the information required in KRS 304.37-130(3)(a) thirty (30) days prior to the proposed effective date of the acquisition. - (b) The source, nature, and amount of the consideration used or to be used in effecting the merger or other acquisition of control, a description of any transaction in which funds were or are to be obtained for merger or other acquisition of control, including any pledge of the insurer's stock, or the stock of any of its subsidiaries or controlling affiliates, and the identity of persons furnishing the consideration; but if a source of the consideration is a loan made in the lender's ordinary course of business, the identity of the lender shall remain confidential, if the person filing the statement so requests.
- (c) Fully audited financial information as to the earnings and financial condition of each acquiring party for the preceding five (5) fiscal years of each acquiring party, or for a lesser period that the acquiring party and any predecessors have been in existence, and similar unaudited information as of a date not earlier than ninety (90) days prior to the filing of the statement.

- (e) The number of shares of any security referred to in subsection (1) of this section which the acquiring party proposes to acquire, and the terms of the offer, request, invitation, agreement, or acquisition referred to in subsection (1) of this section, and a statement as to the method used to determine the fairness of the proposal.

- (g) A full description of any contracts, arrangements, or understandings with respect to any security referred to in subsection (1) of this section in which any acquiring party is involved, such as transfer of any of the securities, joint ventures, loan or option arrangements, puts or calls, guarantees of loans, guarantees against loss or guarantees of profits, division of losses or profits, or the giving or withholding of proxies. The description shall identify the persons with whom these contracts, arrangements, or understandings have been entered into.
 - (h) A description of the purchase of any security referred to in subsection (1) of this section during the twelve (12) calendar months preceding the filing of the statement by any acquiring party, including the dates of purchase, names of the purchasers, and consideration paid or agreed to be paid.

 - (l) Any additional information as the *commissioner*~~{executive director}~~ may by regulation prescribe as necessary or appropriate for the protection of policyholders of the insurer or in the public interest.
 - (m) If the person required to file the statement referred to in subsection (1) of this section is a partnership, limited partnership, syndicate, or other group, the *commissioner*~~{executive director}~~ may require that the information called for by paragraphs (a) to (l) of this subsection shall be given with respect to each partner of the partnership or limited partnership, each member of the syndicate or other group, and each person who controls the partner or member. If any partner, member, or person is a corporation, or the person required to file the statement referred to in subsection (1) of this section is a corporation, the *commissioner*~~{executive director}~~ may require that the information called for by paragraphs (a) to (l) of this subsection shall be given with respect to the corporation, each officer and director of the corporation, and each person who is directly or indirectly the beneficial owner of more than ten percent (10%) of the outstanding voting securities of the corporation.
 - (n) If any material change occurs in the facts in the statement filed with the *commissioner*~~{executive director}~~ and sent to the insurer pursuant to this section, an amendment stating the change, with copies of all documents and other materials relevant to the change, shall be filed with the *commissioner*~~{executive director}~~ and sent to the insurer within two (2) business days after the person learns of the change.
- (3) If any offer, request, invitation, agreement, or acquisition referred to in subsection (1) of this section is proposed to be made by means of a registration statement under the Securities Act of 1933, or in circumstances requiring the disclosure of similar information under the Securities Exchange Act of 1934, or under a state law requiring similar registration or disclosure, the person required to file the statement referred to in subsection (1) of this section may utilize those documents in furnishing the information required by the statement referred to in subsection (1) of this section.

- 1. After the change of control, the domestic insurer referred to in subsection (1) of this section would not be able to satisfy the requirements for issuance of a certificate of authority to write the line or lines of insurance for which it is presently authorized;
 - 2. The effect of the merger or other acquisition of control would be substantially to lessen competition in insurance in Kentucky or tend to create a monopoly. In applying the competitive standard in this paragraph:

- a. The informational requirements of KRS 304.37-130(3)(a) and the standards of KRS 304.37-130(4)(b) shall apply;
 - b. The merger or other acquisition shall not be disapproved if the *commissioner*~~executive director~~ finds that any of the situations meeting the criteria provided by KRS 304.37-130(4)(c) exist; and
 - c. The *commissioner*~~executive director~~ may condition the approval of the merger or other acquisition on the removal of the basis of disapproval within a specified period of time;
3. The financial condition of the acquiring party might jeopardize the financial stability of the insurer or prejudice the interest of its policyholders;
 4. The plans or proposals which the acquiring party has to liquidate the insurer, sell its assets, consolidate or merge it with any person, or to make any other material change in its business or corporate structure or management are unfair and unreasonable to policyholders of the insurer and not in the public interest;
 5. The competence, experience, and integrity of persons who would control the operation of the insurer would not be in the interest of policyholders of the insurer and of the public to permit the merger or other acquisition of control; or
 6. The acquisition is likely to be hazardous or prejudicial to the insurance buying public.
- (b) The public hearing required by this section shall be conducted as directed in Subtitle 2 of this chapter.
 - (c) The *commissioner*~~executive director~~ may retain at the acquiring person's expense any attorneys, actuaries, accountants, and other experts not otherwise a part of the *commissioner's*~~executive director's~~ staff that may be necessary to assist the *commissioner*~~executive director~~ in reviewing the proposed acquisition of control.

➔Section 1484. KRS 304.37-130 is amended to read as follows:

- (1) The following definitions shall apply for the purposes of this section only:

- (a) "Acquisition" means any agreement, arrangement, or activity the consummation of which results in a person acquiring directly or indirectly the control of another person, such as the acquisition of voting securities, the acquisition of assets, bulk reinsurance, and mergers.
 - (b) An "involved insurer" includes an insurer which either acquires or is acquired, is affiliated with an acquirer or acquired, or is the result of a merger.
- (2) (a) This section applies to any acquisition in which there is a change of control of an insurer authorized to do business in Kentucky, except as set forth in paragraph (b) of this subsection.
- (b) This section shall not apply to the following:
- 1. An acquisition subject to approval or disapproval of the **commissioner**~~{executive director}~~ pursuant to KRS 304.37-120;
 - 2. A purchase of securities solely for the investment purposes so long as the securities are not used by voting or otherwise to cause or attempt to cause the substantial lessening of competition in any insurance market in Kentucky. If a purchase of securities results in a presumption of control under KRS 304.37-010(8), it is not solely for investment purposes unless the insurance regulatory official of the insurer's state of domicile accepts a disclaimer of control, or affirmatively finds that control does not exist, and the disclaimer action or affirmative finding is communicated by the domiciliary insurance regulatory official to the **commissioners**~~{executive directors}~~;
 - 3. If the acquisition of a person by another person when both persons are neither directly nor through affiliates primarily engaged in the business of insurance, if preacquisition notification is filed with the **commissioner**~~{executive director}~~ in accordance with subsection (3)(a) of this section thirty (30) days prior to the proposed effective date of the acquisition. However, the acquisition notification shall not be required for exclusion from this section if the acquisition would otherwise be excluded from this section by any other subparagraph of this paragraph;
 - 4. The acquisition of already affiliated persons;
 - 5. An acquisition if, as an immediate result of the acquisition:
 - a. The combined market share of the involved insurers would not exceed five percent (5%) of the total market;
 - b. There would be no increase in any market share; or
 - c. The combined market share of the involved insurers would not exceed twelve percent (12%) of the total market; and the market share would not increase by more than two percent (2%) of the total market.

For the purpose of this subparagraph (b)5., a market means direct written insurance premium in Kentucky for a line of business as contained in the annual statement required to be filed by insurers authorized to do business in Kentucky;
 - 6. An acquisition for which a preacquisition notification would be required pursuant to this section due solely to the resulting effect on the ocean marine insurance line of business; and
 - 7. An acquisition of an insurer whose domiciliary insurance regulatory official affirmatively finds that the insurer is in failing condition, there is lack of feasible alternative to improving the condition, the public benefits of improving the insurer's condition through the acquisition exceed the public benefits that would arise from not lessening competition, and the findings are communicated by the domiciliary insurance regulatory official to the **commissioner**~~{executive director}~~.
- (3) An acquisition covered by subsection (2) of this section may be subject to an order pursuant to subsection (5) of this section or KRS 304.37-010 unless the acquiring person files a preacquisition notification and the waiting period has expired. The acquired person may file a preacquisition notification. The **commissioner**~~{executive director}~~ shall give confidential treatment to information submitted under this subsection in the same manner as provided in KRS 304.37-050.

- (a) The preacquisition notification shall be in the form and contain the information prescribed by the National Association of Insurance Commissioners relating to those markets which, under subsection (2)(b)5. of this section, cause the acquisition not to be exempted from the provisions of this section. The ~~commissioner~~~~executive director~~ may require additional material and information ~~the commissioner~~~~he~~ deems necessary to determine whether the proposed acquisition, if consummated, would violate the competitive standard of subsection (4) of this section. The required information may include an opinion of an economist as to the competitive impact of the acquisition in Kentucky accompanied by a summary of the education and experience of the economist indicating his *or her* ability to render an informed opinion.
- (b) The waiting period required shall begin on the date of receipt by the ~~commissioner~~~~executive director~~ of a preacquisition notification and shall end on the earlier of the thirtieth day after the date of receipt, or termination of the waiting period by the ~~commissioner~~~~executive director~~. Prior to the end of the waiting period, the ~~commissioner~~~~executive director~~ may, on a one-time basis, require the submission of additional needed information relevant to the proposed acquisition; if the submission is required, the waiting period shall end on the earlier of the thirtieth day after receipt of the additional information by the ~~commissioner~~~~executive director~~ or termination of the waiting period by the ~~commissioner~~~~executive director~~.
- (4) (a) The ~~commissioner~~~~executive director~~ may enter an order under subsection (5)(a) of this section with respect to an acquisition if there is substantial evidence that the effect of the acquisition may be to lessen substantially competition in any line of insurance in Kentucky or tend to create a monopoly, or if the insurer fails to file adequate information in compliance with subsection (3) of this section.
- (b) In determining whether a proposed acquisition would violate the competitive standard of paragraph (a) of this subsection, the ~~commissioner~~~~executive director~~ shall consider the following:

1. Any acquisition covered under subsection (2) of this section involving two (2) or more insurers competing in the same market is prima facie evidence of violation of the competitive standards:

a. If the market is highly concentrated and the involved insurers possess the following shares of the market:

Insurer A	Insurer B
4%	4% or more
10%	2% or more
15%	1% or more;

or

b. If the market is not highly concentrated and the involved insurers possess the following shares of the market:

Insurer A	Insurer B
5%	5% or more
10%	4% or more
15%	3% or more
19%	1% or more.

A highly concentrated market means one in which the share of the four (4) largest insurers is seventy-five percent (75%) or more of the market. Percentages not shown in the tables are interpolated proportionately to the percentages that are shown. If more than two (2) insurers are involved, exceeding the total of the two (2) columns in the table is prima facie evidence of violation of the competitive standard in paragraph (a) of this subsection. For the purpose of this subparagraph, the insurer with the largest share of the market shall be deemed to be insurer A.

2. There is a significant trend toward increased concentration when the aggregate market share of any grouping of the largest insurers in the market, from the two (2) largest to the eight (8) largest, has increased by seven percent (7%) or more of the market over a period of time extending from any base year five (5) to ten (10) years prior to the acquisition up to the time of the acquisition.

Any acquisition or merger covered under subsection (2) of this section involving two (2) or more insurers competing in the same market is prima facie evidence of violation of the competitive standard in paragraph (a) of this subsection if:

- a. There is a significant trend toward increased concentration in the market;
 - b. One of the insurers involved is one of the insurers in a grouping of the large insurers showing the requisite increase in the market share; and
 - c. Another involved insurer's market is two percent (2%) or more.
3. For the purposes of subsection (4)(b) of this section:
- a. The term "insurer" includes any company or group of companies under common management, ownership or control;
 - b. The term "market" means the relevant product and geographical markets. In determining the relevant product and geographical markets, the **commissioner**~~{executive director}~~ shall give due consideration to factors such as the definitions or guidelines, if any, promulgated by the National Association of Insurance Commissioners and to information, if any, submitted by parties to the acquisition. In the absence of sufficient information to the contrary, the relevant product market is assumed to be the direct written insurance premium for a line of business, the line being that used in the annual statement required to be filed by insurers doing business in Kentucky, and the relevant geographical market is assumed to be Kentucky; and
 - c. The burden of showing prima facie evidence of violation of the competitive standard rests upon the **commissioner**~~{executive director}~~.
4. Even though an acquisition is not prima facie violative of the competitive standard under paragraph (b) of this subsection, the **commissioner**~~{executive director}~~ may establish the requisite anticompetitive effect based upon other substantial evidence. Even though an acquisition is prima facie violative of the competitive standard under paragraph (b) of this subsection, a party may establish the absence of the requisite anticompetitive effect based upon other substantial evidence. Relevant factors in making this determination shall be such factors as market shares, volatility of ranking of market leaders, number of competitors, concentration, trend of concentration in the industry, and ease of entry into and exit from the market.
- (c) An order shall not be entered under subsection (5)(a) of this section if:
1. The acquisition will yield substantial economies of scale or economies in resource utilization that cannot be feasibly achieved in any other way, and the public benefits which would arise from the economies exceed the public benefits which would arise from not lessening competition; or
 2. The acquisition will substantially increase the availability of insurance, and the public benefits of the increase exceed the public benefits which would arise from not lessening competition.
- (5) (a) If an acquisition violates the standards of this section, the **commissioner**~~{executive director}~~ may enter an order:
1. Requiring an involved insurer to cease and desist from doing business in Kentucky with respect to the line or lines of insurance involved in the violation; or
 2. Denying the application of an acquired or acquiring insurer for a certificate of authority to do business in Kentucky.
- (b) The order referred to in paragraph (a) of this subsection shall be entered pursuant to a hearing held under Subtitle 2 of this chapter.

➔Section 1485. KRS 304.37-150 is amended to read as follows:

- (1) No security which is the subject of any agreement or arrangement regarding acquisition, or which is acquired or to be acquired, in contravention of the provisions of this chapter or of any rule, administrative regulation, or order issued by the **commissioner**~~{executive director}~~ may be voted at any shareholders' meeting, or may be counted for quorum purposes, and any action of shareholders requiring the affirmative vote of a percentage of

shares may be taken as though the securities were not issued and outstanding; but no action taken at the meeting shall be invalidated by the voting of the securities, unless the action would materially affect control of the insurer or unless the courts of this state have so ordered. If an insurer or the ~~commissioner~~~~executive director~~ has reason to believe that any security of the insurer has been or is about to be acquired in contravention of the provisions of this chapter or of any rule, administrative regulation, or order issued by the ~~commissioner~~~~executive director~~, the insurer or the ~~commissioner~~~~executive director~~ may apply to the Circuit Court for the county in which the insurer has its principal place of business to enjoin any offer, request, invitation, agreement, or acquisition made in contravention of KRS 304.37-130 or any other provision of this chapter, or any rule, administrative regulation, or order issued by the ~~commissioner~~~~executive director~~ to enjoin the voting of any security so acquired, to void any vote of the security already cast at any meeting of shareholders, and for any other equitable relief as required by the nature of the case and the interest of the insurer's policyholders, creditors, shareholders, or the public.

- (2) In any case where a person has acquired or is proposing to acquire any voting securities in violation of this chapter or any rule, administrative regulation, or order issued by the ~~commissioner~~~~executive director~~, the Circuit Court for Franklin County or the Circuit Court for the county in which the insurer has its principal place of business may, upon notice the court deems appropriate, upon the application of the insurer or the ~~commissioner~~~~executive director~~ seize or sequester any voting securities of the insurer owned directly or indirectly by the person, and issue the appropriate order to effectuate the provisions of this subtitle.
- (3) Notwithstanding any other provisions of law, for the purposes of this chapter the situs of the ownership of the securities of domestic insurers shall be deemed to be in this state.

- (1) Any person who registers, operates, maintains or uses a motor vehicle on the public roadways of this Commonwealth shall, as a condition of such registration, operation, maintenance or use of such motor vehicle and use of the public roadways, be deemed to have accepted the provisions of this subtitle, and in particular those provisions which are contained in this section.
- (2) (a) Tort liability with respect to accidents occurring in this Commonwealth and arising from the ownership, maintenance, or use of a motor vehicle is "abolished" for damages because of bodily injury, sickness or disease to the extent the basic reparation benefits provided in this subtitle are payable therefor, or that would be payable but for any deductible authorized by this subtitle, under any insurance policy or other method of security complying with the requirements of this subtitle, except to the extent noneconomic detriment qualifies under paragraph (b) of this subsection.
- (b) In any action of tort brought against the owner, registrant, operator or occupant of a motor vehicle with respect to which security has been provided as required in this subtitle, or against any person or organization legally responsible for his *or her* acts or omissions, a plaintiff may recover damages in tort for pain, suffering, mental anguish and inconvenience because of bodily injury, sickness or disease arising out of the ownership, maintenance, operation or use of such motor vehicle only in the event that the benefits which are payable for such injury as "medical expense" or which would be payable but for any exclusion or deductible authorized by this subtitle exceed one thousand dollars (\$1,000), or the injury or disease consists in whole or in part of permanent disfigurement, a fracture to a bone, a compound, comminuted, displaced or compressed fracture, loss of a body member, permanent injury within reasonable medical probability, permanent loss of bodily function or death. Any person who is entitled to receive free medical and surgical benefits shall be deemed in compliance with the requirements of this subsection upon a showing that the medical treatment received has an equivalent value of at least one thousand dollars (\$1,000).
- (c) Tort liability is not so limited for injury to a person who is not an owner, operator, maintainer or user of a motor vehicle within subsection (1) of this section, nor for injury to the passenger of a motorcycle arising out of the maintenance or use of such motorcycle.
- (3) For purposes of this section and the provisions on reparation obligor's rights of reimbursement, subrogation, and indemnity, a person does not intentionally cause harm merely because his *or her* act or failure to act is intentional or done with ~~the~~^{his} realization that it creates a grave risk of harm.
- (4) Any person may refuse to consent to the limitations of his *or her* tort rights and liabilities as contained in this section. Such rejection must be in writing in a form to be prescribed by the *Department*~~Office~~ of Insurance and must have been executed and filed with the *department*~~office~~ at a time prior to any motor vehicle accident for which such rejection is to apply. Such rejection form together with a reasonable explanation thereof shall be furnished by the reparation obligor with each policy to each prospective insurance applicant. Such rejection form shall affirmatively state in bold print that acceptance of this form of insurance denies the applicant the right to sue a negligent motorist unless certain requirements contained in the policy of insurance are met. Rejection by a person who is under legal disability shall be made on behalf of such person by his *or her* legal guardian, conservator or ~~his~~ natural parent. The failure of such guardian or a natural parent of a person under legal disability to file a rejection, within six (6) months from the date that this subtitle would otherwise become applicable to such person, shall be deemed to be an affirmative acceptance of all provisions of this subtitle. Provided, however, any person who, at the time of an accident, does not have basic reparation insurance but has not formally rejected such limitations of his *or her* tort rights and liabilities and has at such time in effect security equivalent to that required by KRS 304.39-110 shall be deemed to have fully rejected such limitations within meaning of this section for that accident only.

- (b) Any rejection filed prior to June 30, 1980, shall be deemed to be effective from the date of its filing until revoked; and
 - (c) Any revocation shall be in writing and shall become effective upon the date of its filing with the **Department**~~{Office}~~ of Insurance.
- (6) Every insurance company when issuing an automobile policy to a resident of this Commonwealth must inform the buyer in writing in a form to be prescribed by the insurance **commissioner**~~{executive director}~~ of his **or her** right to reject the limitations of ~~the~~~~{his}~~ tort rights and liabilities under this subtitle in the manner provided in subsections (4) and (7) of this section.
 - (7) Any rejection shall result in the full retention by the individual of his **or her** tort rights and ~~his~~ tort liabilities. Any person injured by a motor vehicle operator who has such rejection on file may claim ~~the~~~~{his}~~ full damages, including nonpecuniary damages, or, if such injured person has not rejected his **or her** own tort limitations, he **or she** may also claim basic reparation benefits from the appropriate security on the vehicle as established under KRS 304.39-050. If such provider of security is other than the one providing security for the operator who has rejected the limitations, such provider shall be subrogated to the rights of the injured person to the extent of reparation benefits paid against the owner and operator of the vehicle.
 - (8) No person who has rejected the tort limitations under this section, except as provided in subsection (9) of this section or KRS 304.39-140(5), may collect basic reparation benefits.
 - (9) Any owner or operator of a motorcycle, as defined in Kentucky Revised Statutes, may file a rejection as described in subsections (4) and (5) of this section, which will apply solely to the ownership and operation of a motorcycle but will not apply to injury resulting from the ownership, operation or use of any other type of motor vehicle.

- (5) Except for entities described in subsections (3) and (4) of this section, every owner or operator of a motor vehicle registered in this Commonwealth or operated in this Commonwealth with an owner's permission shall continuously provide with respect to the motor vehicle while it is either present or registered in this Commonwealth, and any other person may provide with respect to any motor vehicle, by a contract of insurance or by qualifying as a self-insurer, security for the payment of basic reparation benefits in accordance with this subtitle and security for payment of tort liabilities, arising from maintenance or use of the motor vehicle. The owner of a motor vehicle who fails to maintain security on a motor vehicle in accordance with this subsection shall have his or her motor vehicle registration revoked in accordance with KRS 186A.040 and shall be subject to the penalties in KRS 304.99-060. An owner who permits another person to operate a motor vehicle without security on the motor vehicle as required by this subtitle shall be subject to the penalties in KRS 304.99-060.

- (8) An entity described in subsection (3) or (4) of this section may provide security by lawfully obligating itself to pay basic reparation benefits in accordance with this subtitle.
- (9) A person providing security pursuant to subsection (7) of this section is a "self-insurer." An entity described in subsection (3) or (4) of this section that has provided security pursuant to subsection (6) of this section is an "obligated government."

➔Section 1527. KRS 304.39-100 is amended to read as follows:

- (1) An insurance contract which purports to provide coverage for basic reparation benefits or is sold with representation that it provides security covering a motor vehicle has the legal effect of including all coverages required by this subtitle.

- (2) The owner shall keep the card in his *or her* motor vehicle as prima facie evidence, except as provided in subsection (3) of this section, that the required security is currently in full force and effect, and shall show the card to a peace officer upon request.
- (3) On and after January 1, 2006, as to personal motor vehicles as defined in KRS 304.39-087, the card and the database created by KRS 304.39-087 shall be evidence to a peace officer who requests the card if the peace officer has access to the database through AVIS. If AVIS does not list the vehicle identification number of the personal motor vehicle as an insured vehicle, the peace officer may accept an insurance card as evidence that the required security is currently in full force and effect on the personal motor vehicle if the card was effective no more than forty-five (45) days before the date on which the peace officer requests the card.

➔Section 1529. KRS 304.39-150 is amended to read as follows:

Such reduced rates shall remain in effect for at least one (1) year, and thereafter shall not be increased without the approval of the **commissioner**~~{executive director of insurance}~~ after hearing. There shall be no exception to the requirements of this section unless the **commissioner**~~{executive director}~~ shall find that the use of such reduced rates required as to any insurer will result in rates which are inadequate under Chapter 304 of the Kentucky Revised Statutes.
- (2) The provisions of subsection (1) shall not apply to any policy covering a motor vehicle for which a person who would otherwise be a basic reparation insured has rejected the limitations upon his *or her* tort rights and liabilities in accordance with the provisions of KRS 304.39-060(4).

➔Section 1534. KRS 304.40-020 is amended to read as follows:

As used in KRS 304.40-030 to 304.40-140:

- (1) "Association" means the joint underwriting association established pursuant to the provisions of KRS 304.40-030 to 304.40-140.
- (2) "Medical malpractice insurance" means insurance as defined in KRS 304.5-070(1)(j).
- (3) "**Commissioner**~~{Executive director}~~" means the **commissioner**~~{executive director}~~ of *the Department of Insurance*.

- (4) "Net direct premiums" means gross direct premiums written on the lines of insurance set forth in KRS 304.40-030(1), as computed by the **commissioner**~~{executive director of insurance}~~, less return premiums for the unused or unabsorbed portions of premium deposits.

➔Section 1535. KRS 304.40-030 is amended to read as follows:

- (1) A temporary joint underwriting association is hereby created, consisting of all insurers authorized to write and engage in writing in this state on a direct basis the following lines of insurance, as reported in the companies' annual statements:

 - (f) Health insurance including prepaid hospital services contracts and group or blanket health insurance.

Every such insurer shall remain a member of the joint underwriting association as a condition of its authority to continue to transact such kinds of insurance in this state.

- (2) The implementation of the operation of the joint underwriting association shall become effective upon the order of the **commissioner**~~{executive director}~~. The **commissioner**~~{executive director}~~ shall not order the association to commence underwriting operations until he *or she*, after due hearing and investigation, has determined that medical malpractice insurance cannot be made available in the voluntary market for any of the categories defined in subsection (3)(a), (b), and (c) of this section. The joint underwriting association shall remain in effect for a period of no longer than two and one-half (2-1/2) years from the date that it commences underwriting operations.
- (3) For the purposes of the joint underwriting association, three (3) health care provider categories shall be established:
- (a) Physicians and surgeons;
 - (b) Hospitals; and
 - (c) All other licensed health care providers.

The **commissioner**~~{executive director}~~ shall hold separate hearings and conduct investigations on each of the three (3) categories of health care providers and determine for each category whether or not medical malpractice insurance is readily available in the voluntary market. If the **commissioner**~~{executive director}~~ finds that insurance is not readily available for any of the categories of health care providers, the joint underwriting association shall commence underwriting operations for that category.

KRS 304.40-030 to 304.40-140 shall not preclude any licensed health care provider from procuring medical malpractice insurance from the voluntary market.

If the **commissioner**~~{executive director}~~ determines at any time that medical malpractice insurance is readily available in the voluntary market for either (a) physicians and surgeons, (b) hospitals, or (c) all other licensed health care providers, the association shall thereby cease its underwriting operations for such category of medical malpractice insurance which **the commissioner**~~{he}~~ has determined is readily available in the voluntary market.

- (4) The association shall, pursuant to the provisions of KRS 304.40-030 to 304.40-140 and the plan of operation with respect to medical malpractice insurance, have the power on behalf of its members:
- (a) To issue, or to cause to be issued, policies of insurance to applicants, including incidental coverages and subject to limitations as specified in the plan of operation, but not to exceed one hundred thousand dollars (\$100,000) for each claimant under one (1) policy and one million dollars (\$1,000,000) for all claimants under one (1) policy in any one (1) year;

- (b) To underwrite such insurance and to adjust and pay losses with respect thereto, or to appoint service companies to perform those functions;
- (c) To assume reinsurance from its members;
- (d) To cede reinsurance; and
- (e) To negotiate and obtain in the voluntary market medical malpractice insurance for any health care provider to whom the association has issued or caused to be issued a policy of medical malpractice insurance with the foregoing limits.

➔Section 1536. KRS 304.40-040 is amended to read as follows:

- (1) Within forty-five (45) days following the order of the **commissioner**~~{executive director}~~ implementing the operation of the association, the directors of the association shall submit to the **commissioner**~~{executive director}~~ for ~~his~~ review a proposed plan of operation, consistent with the provisions of this subtitle.
- (2) The plan of operation shall provide for economic, fair, and nondiscriminatory administration and for the prompt and efficient provision of medical malpractice insurance; and shall contain other provisions including, but not limited to, preliminary assessment of all members for initial expenses necessary to commence operations, establishment of necessary facilities, management of the association, assessment of members to defray losses and expenses, commission arrangements, reasonable and objective underwriting standards, acceptance and cession of reinsurance, appointment of servicing carriers or other servicing arrangements and procedures for determining amounts of insurance to be provided by the association.
- (3) The plan of operation shall be subject to approval by the **commissioner**~~{executive director}~~ after consultation with the members of the association, representatives of the public, and other affected individuals and organizations. If the **commissioner**~~{executive director}~~ disapproves all or any part of the proposed plan of operation, the directors shall within fifteen (15) days submit for review an appropriate revised plan of operation or part thereof. If the directors fail to do so, the **commissioner**~~{executive director}~~ shall promulgate a plan of operation or part thereof, as the case may be. The plan of operation approved or promulgated by the **commissioner**~~{executive director}~~ shall become effective upon order of the **commissioner**~~{executive director}~~.
- (4) Amendments to the plan of operation may be made by the directors of the association, subject to the approval of the **commissioner**~~{executive director}~~, or shall be made at the direction of the **commissioner**~~{executive director}~~.

➔Section 1537. KRS 304.40-050 is amended to read as follows:

- (1) All policies issued by the association shall be written for the term of one (1) year. The directors of the association may elect to issue policies on an occurrence basis or a claims made basis. No policy form shall be used by the association unless it has been filed with the **commissioner**~~{executive director}~~ and either (a) **the commissioner**~~{he}~~ has approved it, or (b) thirty (30) days has lapsed and **the commissioner**~~{he}~~ has not disapproved it in accordance with KRS Chapter 304, Subtitle 14.
- (2) Cancellation of the association's policies shall be governed by the laws and regulations governing the cancellation of other policies of casualty insurance, except that the association may also cancel any of its policies in the event of nonpayment of any stabilization reserve fund charged, by mailing or delivering to the insured at the address shown on the policy, written notice stating when not less than ten (10) days thereafter cancellation shall be effective.
- (3) The rates, rating plans, rating rules, rating classifications and territories applicable to the insurance written by the association and statistics relating thereto shall be subject to Chapter 304, Subtitle 13 of the Kentucky Revised Statutes, giving due consideration to the past and prospective loss and expense experience for medical malpractice insurance written and to be written in this state, trends in the frequency and severity of losses, the investment income of the association, and such other information as the **commissioner**~~{executive director}~~ may require. All rates shall be on an actuarially sound basis, giving due consideration to the group retrospective rating plan and the stabilization reserve fund, and shall be calculated to be self-supporting. The **commissioner**~~{executive director}~~ shall make available to the association the loss and expense experience of insurers previously writing medical malpractice insurance in this state.
- (4) All policies issued by the association shall be subject to a nonprofit group retrospective rating plan to be approved by the **commissioner**~~{executive director}~~, under which the final premium for all policyholders of the association as a group will be equal to the administrative expenses, loss and loss adjustment expenses and

taxes, plus a reasonable allowance for contingencies and servicing. Policyholders shall be given full credit for all investment income, net of expenses and a reasonable management fee on policyholder supplied funds. The standard premium before retrospective adjustment for each policy issued by the association shall be established on the basis of the association's rates, rating plans, rating rules, rating classifications, and territories then in effect. The maximum final premium for all policyholders of the association as a group shall be limited as provided in KRS 304.40-060(4). Since the business of the association is subject to the nonprofit group retrospective rating plan required by this subsection, there shall be a presumption that the rates filed and premiums for the business of the association are not excessive.

- (5) The **commissioner**~~{executive director}~~ shall examine the business of the association as often as he *or she* deems appropriate to assure that the group retrospective rating plan is being operated in a manner consistent with this section. If he *or she* finds that it is not being so operated, he *or she* shall issue an order to the association, specifying in what respects its operation is deficient and stating what corrective action shall be taken.
- (6) The association shall certify to the **commissioner**~~{executive director}~~ the estimated amount of any deficit remaining after the stabilization reserve fund has been exhausted in payment of the maximum final premium for all policyholders of the association. Within sixty (60) days after such certification, the **commissioner**~~{executive director}~~ shall authorize the members of the association to commence recoupment of their respective shares of the deficit by applying a surcharge to be determined by the association at a rate not to exceed two percent (2%) of the annual premiums on future policies affording those kinds of insurance which form the basis for their participation in the association under procedures established by the association. The association shall amend the amount of its certification of deficit to the **commissioner**~~{executive director}~~ as the values of its incurred losses become finalized, and the members of the association shall amend their recoupment procedure accordingly.
- (7) In the event that sufficient funds are not available for the sound financial operation of the association, pending recoupment as provided in subsection (6) of this section, all members shall, on a temporary basis, contribute to the financial requirements of the association in the manner provided for in KRS 304.40-080. Any such contribution shall be reimbursed to the members by recoupment as provided in subsection (6) of this section.

➔Section 1538. KRS 304.40-060 is amended to read as follows:

- (1) There is hereby created a stabilization reserve fund which shall be administered by three (3) directors, one (1) of whom shall be the **commissioner**~~{executive director}~~ or *the commissioner's*~~{his}~~ deputy. The remaining two (2) directors shall be appointed by the **commissioner**~~{executive director}~~. One (1) shall be a representative of the association; the other a representative of its policyholders. The directors shall serve without salary, but shall be reimbursed for actual and necessary expenses incurred in the performance of their duties when approved by the **commissioner**~~{executive director}~~.
- (2) Each policyholder shall pay to the association a stabilization reserve fund charge equal to one-third (1/3) of each premium payment due for insurance through the association. Such charge shall be separately stated in the policy. The association shall cancel the policy of any policyholder who fails to pay the stabilization reserve fund charge.
- (3) The association shall promptly pay to the trustee of the fund all stabilization reserve fund charges which it collects from its policyholders and any retrospective premium refunds payable under the group retrospective rating plan authorized by KRS 304.40-050.
- (4) All moneys received by the fund shall be held in trust by a corporate trustee selected by the directors. The trustee may invest the trust fund, subject to the approval of the directors. All investment income shall be credited to the fund. All expenses of administration of the fund shall be charged against the fund. The trust fund shall be used solely for the purpose of discharging when due any retrospective premium charges payable by policyholders of the association under the group retrospective rating plan authorized by KRS 304.40-050. Payment of retrospective premium charges shall be made by the directors upon certification to them by the association of the amount due. If the trust fund is finally exhausted in payment of retrospective premium charges, all liability and obligations of the association's policyholders with respect to the payment of retrospective premium charges shall thereupon terminate and shall be conclusively presumed to have been discharged. Any moneys remaining in the fund after all such retrospective premium charges have been paid shall be returned to policyholders under procedures authorized by the directors.

➔Section 1550. KRS 304.41-040 is amended to read as follows:

- (1) Within forty-five (45) days following the order of the **commissioner**~~{executive director}~~ implementing the operation of the association, the directors of the association shall submit to the **commissioner**~~{executive director}~~ for his *or her* review a proposed plan of operation, consistent with the provisions of this subtitle.
- (2) The plan of operation shall provide for economic, fair, and nondiscriminatory administration and for the prompt and efficient provision of legal professional liability insurance; and shall contain other provisions including, but not limited to, preliminary assessment of all members for initial expenses necessary to commence operations, establishment of necessary facilities, management of the association, assessment of members to defray losses and expenses, commission arrangements, reasonable and objective underwriting standards, acceptance and cession of reinsurance, appointment of servicing carriers or other servicing arrangements and procedures for determining amounts of insurance to be provided by the association.
- (3) The plan of operation shall be subject to approval by the **commissioner**~~{executive director}~~ after consultation with the members of the association, representatives of the public, and other affected individuals and organizations. If the **commissioner**~~{executive director}~~ disapproves all or any part of the proposed plan of operation, the directors shall within fifteen (15) days submit for review an appropriate revised plan of operation or part thereof. If the directors fail to do so, the **commissioner**~~{executive director}~~ shall promulgate a plan of operation or part thereof, as the case may be. The plan of operation approved or promulgated by the **commissioner**~~{executive director}~~ shall become effective upon order of the **commissioner**~~{executive director}~~.
- (4) Amendments to the plan of operation may be made by the directors of the association, subject to the approval of the **commissioner**~~{executive director}~~, or shall be made at the direction of the **commissioner**~~{executive director}~~.

➔Section 1551. KRS 304.41-050 is amended to read as follows:

- (1) All policies issued by the association shall be written for the term of one (1) year. The directors of the association may elect to issue policies on an occurrence basis or a claims made basis. No policy form shall be used by the association unless it has been filed with the **commissioner**~~{executive director}~~ and either (a) *the commissioner*~~{he}~~ has approved it, or (b) thirty (30) days has lapsed and *the commissioner*~~{he}~~ has not disapproved it in accordance with KRS Chapter 304, Subtitle 14.
- (2) Cancellation of the association's policies shall be governed by the laws and regulations governing the cancellation of other policies of casualty insurance, except that the association may also cancel any of its policies in the event of nonpayment of any stabilization reserve fund charge, by mailing or delivering to the insured at the address shown on the policy, written notice stating when not less than ten (10) days thereafter cancellation shall be effective.
- (3) The rates, rating plan, rating rules, rating classifications and territories applicable to the insurance written by the association and statistics relating thereto shall be subject to KRS Chapter 304, Subtitle 13, giving due consideration to the past and prospective loss and expense experience for legal professional liability insurance

written and to be written in this state, trends in the frequency and severity of losses, the investment income of the association, and such other information as the **commissioner**~~{executive director}~~ may require. All rates shall be on an actuarially sound basis, giving due consideration to the group retrospective rating plan and the stabilization reserve fund, and shall be calculated to be self-supporting. The **commissioner**~~{executive director}~~ shall make available to the association the loss and expense experience of insurers previously writing legal professional liability insurance in this state.

- (4) All policies issued by the association shall be subject to a nonprofit group retrospective rating plan to be approved by the **commissioner**~~{executive director}~~, under which the final premium for all policyholders of the association as a group will be equal to the administrative expenses, loss and loss adjustment expenses and taxes, plus a reasonable allowance for contingencies and servicing. Policyholders shall be given full credit for all investment income, net of expenses and a reasonable management fee on policyholder supplied funds. The standard premium before retrospective adjustment for each policy issued by the association shall be established on the basis of the association's rates, rating plans, rating rules, rating classifications, and territories then in effect. The maximum final premium for all policyholders of the association as a group shall be limited as provided in KRS 304.41-060(4). Since the business of the association is subject to the nonprofit group retrospective rating plan required by this subsection, there shall be a presumption that the rates filed and premiums for the business of the association are not excessive.
- (5) The **commissioner**~~{executive director}~~ shall examine the business of the association as often as he *or she* deems appropriate to assure that the group retrospective rating plan is being operated in a manner consistent with this section. If **the commissioner**~~{he}~~ finds that it is not being so operated, he *or she* shall issue an order to the association, specifying in what respects its operation is deficient and stating what corrective action shall be taken.
- (6) The association shall certify to the **commissioner**~~{executive director}~~ the estimated amount of any deficit remaining after the stabilization reserve fund has been exhausted in payment of the maximum final premium for all policyholders of the association. Within sixty (60) days after such certification, the **commissioner**~~{executive director}~~ shall authorize the members of the association to commence recoupment of their respective shares of the deficit by applying a surcharge to be determined by the association at a rate not to exceed two percent (2%) of the annual premiums on future policies affording those kinds of insurance which form the basis for their participation in the association under procedures established by the association. The association shall amend the amount of its certification of deficit to the **commissioner**~~{executive director}~~ as the values of its incurred losses become finalized, and the members of the association shall amend their recoupment procedure accordingly.
- (7) In the event that sufficient funds are not available for the sound financial operation of the association, pending recoupment as provided in subsection (6) of this section, all members shall, on a temporary basis, contribute to the financial requirements of the association in the manner provided for in KRS 304.41-080. Any such contribution shall be reimbursed to the members by recoupment as provided in subsection (6) of this section.

➔Section 1552. KRS 304.41-060 is amended to read as follows:

- (1) There is hereby created a stabilization reserve fund which shall be administered by three (3) directors, one (1) of whom shall be the **commissioner**~~{executive director}~~ or **the commissioner's**~~{his}~~ deputy. The remaining two (2) directors shall be appointed by the **commissioner**~~{executive director}~~. One (1) shall be a representative of the association; the other a representative of its policyholders. The directors shall serve without salary, but shall be reimbursed for actual and necessary expenses incurred in the performance of their duties when approved by the **commissioner**~~{executive director}~~.
- (2) Each policyholder shall pay to the association a stabilization reserve fund charge equal to one-third (1/3) of each premium payment due for insurance through the association. Such charge shall be separately stated in the policy. The association shall cancel the policy of any policyholder who fails to pay the stabilization reserve fund charge.
- (3) The association shall promptly pay to the trustee of the fund all stabilization reserve fund charges which it collects from its policyholders and any retrospective premium refunds payable under the group retrospective rating plan authorized by KRS 304.41-050(4).
- (4) All moneys received by the fund shall be held in trust by a corporate trustee selected by the directors. The trustee may invest the trust fund, subject to the approval of the directors. All investment income shall be

credited to the fund. All expenses of administration of the fund shall be charged against the fund. The trust fund shall be used solely for the purpose of discharging when due any retrospective premium charges payable by policyholders of the association under the group retrospective rating plan authorized by KRS 304.41-050(4). Payment of retrospective premium charges shall be made by the directors upon certification to them by the association of the amount due. If the trust fund is finally exhausted in payment of retrospective premium charges, all liability and obligations of the association's policyholders with respect to the payment of retrospective premium charges shall thereupon terminate and shall be conclusively presumed to have been discharged. Any moneys remaining in the fund after all such retrospective premium charges have been paid shall be returned to policyholders under procedures authorized by the directors.

→Section 1553. KRS 304.41-080 is amended to read as follows:

All insurers which are members of the association shall participate in its writings, expenses, servicing, allowance, management fees, and losses in the proportion that the net direct premiums of each such member, excluding that portion of premiums attributable to the operation of the association, written during the preceding calendar year, bears to the aggregate net direct premiums written in this state by all members of the association. One (1) of these five (5) directors shall be from a member company domiciled in Kentucky. The *commissioner*~~[executive director]~~ shall appoint seven (7) directors, one (1) named by the Kentucky Medical Association; one (1) named by the Kentucky Bar Association; one (1) named by the Kentucky Hospital Association; one (1) who is a licensed resident property and casualty agent in Kentucky; and three (3) knowledgeable members of the public at large, who have no interest in any of the foregoing categories.  - (5) Premiums due for coverage after entry of an order of liquidation of an insolvent insurer shall belong to and be payable at the direction of the association, and the association shall be liable for unearned premiums due to policy or contract owners arising after the entry of such order.

 - (7) In carrying out its duties under subsection (2) of this section, the association may:
 - (a) Subject to approval by a court in this state, impose permanent policy or contract liens in connection with any guarantee, assumption, or reinsurance agreement, if the association finds that the amounts which can be assessed under this subtitle are less than the amounts needed to assure full and prompt performance of the association's duties under this subtitle, or that the economic or financial conditions as they affect member insurers are sufficiently adverse to render the imposition of such permanent policy or contract liens to be in the public interest; and
 - (b) Subject to approval by a court in this state, impose temporary moratoriums or liens on payments of cash values and policy loans, or any other right to withdraw funds held in conjunction with policies or contracts, in addition to any contractual provisions for deferral of cash or policy loan value. In addition, in the event of a temporary moratorium or moratorium charge imposed by the receivership court on payment of cash values or policy loans, or on any other right to withdraw funds held in conjunction with policies or contracts, out of the assets of the impaired or insolvent insurer, the association may defer the payment of cash values, policy loans, or other rights by the association for the period of the moratorium or moratorium charge imposed by the receivership court, except for claims covered by the association to be paid in accordance with a hardship procedure established by the liquidator or rehabilitator and approved by the receivership court.

The association:
- (a) Shall be entitled to retain a portion of any amount so paid to it equal to the percentage determined by dividing the aggregate amount of policy owners' claims related to that insolvency for which the association has provided statutory benefits by the aggregate amount of all policy owners' claims in this state related to that insolvency; and
 - (b) Shall remit to the domiciliary receiver the amount so paid to the association and retained in accordance with paragraph (a) of this subsection. Any amount so paid to the association less the amount retained by it in accordance with paragraph (a) of this subsection shall be treated as a distribution of estate assets under KRS 304.33-440 or similar provision of the state of domicile of the impaired or insolvent insurer.
- (9) If the association fails to act within a reasonable period of time with respect to an insolvent insurer as provided in subsection (2) of this section, the **commissioner**~~{executive director}~~ shall have the powers and duties of the association under this subtitle with respect to the insolvent insurer.
- (10) The association may render assistance and advice to the **commissioner**~~{executive director}~~, upon his *or her* request, concerning rehabilitation, payment of claims, continuance of coverage, or the performance of other contractual obligations of any impaired or insolvent insurer.

The association shall also have the right to appear or intervene before a court or agency in another state with jurisdiction over an impaired or insolvent insurer for which the association is or may become obligated or with jurisdiction over any person or property against whom the association may have rights through subrogation or otherwise.
- (12) (a) Any person receiving benefits under this subtitle shall be deemed to have assigned the rights under, and any causes of action against any person for losses arising under, resulting from, or otherwise relating to, the covered policy or contract to the association to the extent the benefits received because of this subtitle, whether benefits are payments of or on account of contractual obligations, continuation of coverage, or provision of substitute or alternative coverages. The association may require an assignment to it of such rights and cause of action by any payee, policy or contract owner, beneficiary, insured, or annuitant as a condition precedent to the receipt of any right or benefits conferred by this subtitle upon such person.
- (b) The subrogation rights of the association under this subsection shall have the same priority against the assets of the impaired or insolvent insurer as that possessed by the person entitled to receive benefits under this subtitle.
 - (c) In addition to paragraphs (a) and (b) of this subsection, the association shall have all common law rights of subrogation and any other equitable or legal remedy that would have been available to the impaired or insolvent insurer or owner, beneficiary, or payee of a policy or contract with respect to such policy or contract, including without limitation, in the case of a structured settlement annuity, any rights of the owner, beneficiary, or payee of the annuity, to the extent of benefits received under this subtitle against a person originally or by succession responsible for the losses arising from the personal injury relating to the annuity or payment therefor.
 - (d) If the preceding provisions of this subsection are invalid or ineffective with respect to any person or claim for any reason, the amount payable by the association with respect to the related covered obligations shall be reduced by the amount realized by any other person with respect to the person or claim that is attributable to the policies or portion thereof covered by the association.
 - (e) If the association has provided benefits with respect to a covered obligation and a person recovers amounts as to which the association has rights as described in the preceding paragraphs of this

subsection, the person shall pay to the association the portion of the recovery attributable to the policies or portion thereof covered by the association.

- (13) In addition to the rights and powers elsewhere in this subtitle, the association may:
- (a) Enter into such contracts as are necessary or proper to carry out the provisions and purposes of this subtitle;
 - (b) Sue or be sued, including taking any legal actions necessary or proper to recover any unpaid assessments under KRS 304.42-090 and to settle claims or potential claims against it;
 - (c) Borrow money to effect the purposes of this subtitle; any notes or other evidence of indebtedness of the association not in default shall be legal investments for domestic insurers and may be carried as admitted assets;
 - (d) Employ or retain such persons as are necessary or appropriate to handle the financial transactions of the association, and to perform such other functions as may become necessary or proper under this subtitle;
 - (e) Take such legal action as may be necessary or appropriate to avoid or recover payment of improper claims;
 - (f) Exercise, for the purposes of this subtitle and to the extent approved by the *commissioner*~~executive director~~, the powers of a domestic life or health insurer, but in no case may the association issue insurance policies or annuity contracts other than those issued to perform its obligations under this subtitle;
 - (g) Organize itself as a corporation or in other legal form permitted by the laws of the state;
 - (h) Request information from a person seeking coverage from the association in order to aid the association in determining its obligations under this subtitle with respect to the person, and the person shall promptly comply with the request; and
 - (i) Take other necessary or appropriate action to discharge its duties and obligations under this subtitle or to exercise its powers under this subtitle.
- (14) The association may join an organization of one (1) or more other state associations of similar purposes, to further the purposes and administer the powers and duties of the association.
- (15) (a) At any time within one (1) year after the date on which the association becomes responsible for the obligations of a member insurer, the association may elect to succeed to the rights and obligations of the member insurer that accrue on or after that date and that relate to contracts covered in whole or in part by the association, under any one (1) or more indemnity reinsurance agreements entered into by the member insurer as a ceding insurer and selected by the association. The association may not exercise any such election with respect to a reinsurance agreement if the receiver, rehabilitator, or liquidator of the member insurer has previously and expressly disaffirmed the reinsurance agreement. The election shall be effected by a notice to the receiver, rehabilitator, or liquidator and to the affected reinsurer. If the association makes an election, subparagraphs 1. to 4. of this paragraph shall apply with respect to the agreements selected by the association:
1. The association shall be responsible for all unpaid premiums due under the agreements for periods both before and after the date, and shall be responsible for the performance of all other obligations to be performed after the coverage date, in each case which relate to contracts covered, in whole or in part, by the association. The association may charge contracts covered in part by the association, through reasonable allocation methods, the costs for reinsurance in excess of the obligations of the association.
 2. The association shall be entitled to any amounts payable by the reinsurer under the agreements with respect to losses or events that occur in periods after the coverage date and that relate to contracts covered by the association, in whole or in part. Upon receipt of any such amounts the association shall be obliged to pay to the beneficiary under the policy or contract on account of which the amounts were paid a portion of the amount equal to the excess of:
 - a. The amount received by the association, over

- b. The benefits paid by the association on account of the policy or contract less the retention of the impaired or insolvent member insurer applicable to the loss or event.
 - 3. Within thirty (30) days following the association's election, the association and each indemnity reinsurer shall calculate the net balance due to or from the association under each such reinsurance agreement as of the date of the association's election, which calculation shall give full credit to all items paid by either the member insurer or its receiver, rehabilitator, or liquidator, or the indemnity reinsurer during the period between the coverage date and the date of the association's election. Either the association or indemnity reinsurer shall pay the net balance due the other within five (5) days of the completion of the calculation. If the receiver, rehabilitator, or liquidator has received any amounts due the association under subparagraph 2. of this paragraph, the receiver, rehabilitator, or liquidator shall remit those amounts to the association as promptly as practicable.
 - 4. If the association, within sixty (60) days of the election, pays the premiums due for periods both before and after the coverage date that relate to contracts covered by the association in whole or in part, the insurer shall not be entitled to terminate the reinsurance agreements insofar as the agreements relate to contracts covered by the association in whole or in part and shall not be entitled to set off any unpaid premium due for periods prior to the coverage date against amounts due the association.
- (b) If the association transfers its obligations to another insurer, and if the association and the other insurer agree, the other insurer shall succeed to the rights and obligations of the association under paragraph (a) of this subsection effective as of the date agreed upon by the association and the other insurer and regardless of whether the association has made the election referred to in paragraph (a) of this subsection if:
- 1. The indemnity reinsurance agreements automatically terminate for new reinsurance unless the indemnity reinsurer and the other insurer agree to the contrary;
 - 2. The obligations described in subparagraph 2. of paragraph (a) of this subsection no longer apply on and after the date the indemnity reinsurance agreement is transferred to the third party insurer; and
 - 3. The association has not previously expressly determined in writing that it will not exercise the election referred to in paragraph (a) of this subsection.
- (c) The provisions of this subsection shall supersede the provisions of any law of this state or of any affected reinsurance agreements that provide for or require any payment of reinsurance proceeds, on account of losses or events that occur in periods after the coverage date, to the receiver, liquidator, or rehabilitator of the insolvent member insurer. The receiver, rehabilitator, or liquidator shall remain entitled to any amounts payable by the reinsurer under the reinsurance agreements with respect to losses or events that occur in periods prior to the coverage date, subject to applicable setoff provisions.
- (d) Except as otherwise expressly provided in this subsection, nothing in this subsection shall alter or modify the terms and conditions of the indemnity reinsurance agreements of the insolvent member insurer. Nothing in this subsection shall abrogate or limit any rights of any reinsurer to claim that it is entitled to rescind a reinsurance agreement. Nothing in this subsection shall give a policy owner or beneficiary an independent cause of action against an indemnity reinsurer that is not otherwise set forth in the indemnity reinsurance agreement.
- (16) The board of directors of the association shall have discretion and may exercise reasonable business judgment to determine the means by which the association is to provide the benefits of this subtitle in an economical and efficient manner.
- (17) If the association has arranged or offered to provide the benefits of this subtitle to a covered person under a plan or arrangement that fulfills the association's obligations under this subtitle, the person shall not be entitled to benefits from the association in addition to or other than those provided under the plan or arrangement.
- (18) Venue in a suit against the association under this subtitle shall be in Franklin County. The association shall not be required to give an appeal bond in an appeal that relates to a cause of action arising under this subtitle.

➔Section 1563. KRS 304.42-090 is amended to read as follows:

- (1) For the purpose of providing the funds necessary to carry out the powers and duties of the association, the board of directors shall assess the member insurers, separately for each account, at such time and for such amounts as the board finds necessary. Assessments shall be due not less than thirty (30) days after prior written notice to the member insurers and shall accrue interest at eight percent (8%) per annum on and after the due date.
- (2) There shall be two (2) classes of assessments:
 - (a) Class A assessments shall be made for the purpose of meeting administrative and legal costs and other expenses. Class A assessments may be authorized and called whether or not related to a particular impaired or insolvent insurer;
 - (b) Class B assessments shall be authorized and called to the extent necessary to carry out the powers and duties of the association under KRS 304.42-080 with regard to an impaired or insolvent insurer.
- (3)
 - (a) The amount of any Class A assessment shall be determined by the board and may be authorized and called on a pro rata or non-pro rata basis. If pro rata, the board may provide that it be credited against future Class B assessments. The total of all non-pro rata assessments shall not exceed one hundred fifty dollars (\$150) per member insurer in any one (1) calendar year. The amount of any Class B assessment shall be allocated for assessment purposes among the accounts pursuant to an allocation formula which may be based on the premiums or reserves of the impaired or insolvent insurer or any other standard deemed by the board in its sole discretion as being fair and reasonable under the circumstances.
 - (b) Class B assessments against member insurers for each account shall be in the proportion that the premiums received on business in this state by each assessed member insurer on policies or contracts covered by each account for the three (3) most recent calendar years for which information is available preceding the year in which the insurer became insolvent, or in the case of assessment with respect to an impaired insurer, the three (3) most recent calendar years for which information is available preceding the year in which the insurer became impaired, bears to such premiums received on business in this state for such calendar years by all assessed member insurers.
 - (c) Assessments for funds to meet the requirements of the association with respect to an impaired or insolvent insurer shall not be made until necessary to implement the purposes of this subtitle. Classification of assessments under subsection (2) of this section and computation of assessments under this subsection shall be made with a reasonable degree of accuracy, recognizing that exact determinations may not always be possible. The association shall notify each member insurer of its anticipated pro rata share of an authorized assessment not yet called within one hundred eighty (180) days after the assessment is authorized.
- (4) The association may abate or defer, in whole or in part, the assessment of a member insurer if, in the opinion of the board, payment of the assessment would endanger the ability of the member insurer to fulfill its contractual obligations. In the event an assessment against a member insurer is abated, or deferred in whole or in part, the amount by which such assessment is abated or deferred may be assessed against the other member insurers in a manner consistent with the basis for assessments set forth in this section. Once the conditions that caused a deferral have been removed or rectified, the member shall pay all assessments that were deferred under a repayment plan approved by the association.
- (5)
 - (a) Subject to the provisions of paragraph (b) of this subsection, the total of all assessments authorized by the association with respect to a member insurer for each account shall not in any one (1) calendar year exceed two percent (2%) of the insurer's average annual premiums received in this state on the policies and contracts covered by the account during the three (3) calendar years preceding the year in which the insurer became an impaired or insolvent insurer. If the maximum assessment, together with the other assets of the association in any other account, does not provide in any one (1) year in any other account an amount sufficient to carry out the responsibilities of the association, the necessary additional funds shall be assessed as soon thereafter as permitted by this subtitle.
 - (b) If two (2) or more assessments are authorized in one (1) calendar year with respect to insurers that become impaired or insolvent in different calendar years, the average annual premiums for purposes of the aggregate assessment percentage limitation referenced in paragraph (a) of this subsection shall be equal and limited to the higher of the three (3) year average annual premiums for the applicable account as calculated under this section.

- (c) The board may provide in the plan of operation a method of allocating funds among claims, whether relating to one (1) or more impaired or insolvent insurers, when the maximum assessment will be insufficient to cover anticipated claims.
- (6) The board may, by an equitable method as established in the plan of operation, refund to member insurers, in proportion to the contribution of each insurer to that account, the amount by which the assets of the account exceed the amount the board finds is necessary to carry out during the coming year the obligations of the association with regard to that account, including assets accruing from assignment, subrogation, net realized gains and income from investments. A reasonable amount may be retained in any account to provide funds for the continuing expenses of the association and for future losses claims.
- (7) It shall be proper for any member insurer, in determining its premium rates and policy owner dividends as to any kind of insurance within the scope of this subtitle, to consider the amount reasonably necessary to meet its assessment obligations under this subtitle.
- (8) The association shall issue to each insurer paying an assessment under this subtitle, other than a Class A assessment, a certificate of contribution, in a form prescribed by the **commissioner**~~{executive director}~~, for the amount of the assessment so paid. All outstanding certificates shall be of equal dignity and priority without reference to amounts or dates of issue. A certificate of contribution may be shown by the insurer in its financial statement as an asset in such form and for such amount, if any, and period of time as the **commissioner**~~{executive director}~~ may approve.
- (9) (a) A member insurer that wishes to protest all or part of an assessment shall pay when due the full amount of the assessment as set forth in the notice provided by the association. The payment shall be available to meet association obligations during the pendency of the protest or any subsequent appeal. Payment shall be accompanied by a statement in writing that the payment is made under protest and setting forth a brief statement of the grounds for the protest.
- (b) Within sixty (60) days following the payment of an assessment under protest by a member insurer, the association shall notify the member insurer in writing of its determination with respect to the protest unless the association notifies the member insurer that additional time is required to resolve the issues raised by the protest.
- (c) Within thirty (30) days after a final decision has been made, the association shall notify the protesting member insurer in writing of that final decision. Within sixty (60) days of receipt of notice of the final decision, the protesting member insurer may appeal the final action to the **commissioner**~~{executive director}~~, in accordance with KRS 304.42-110(3).
- (d) In the alternative to rendering a final decision with respect to a protest based on a question regarding the assessment base, the association may refer protests to the **commissioner**~~{executive director}~~ for a final decision, with or without a recommendation from the association.
- (e) If the protest or appeal on the assessment is upheld, the amount paid in error or excess shall be returned to the member company. Interest on a refund due a protesting member shall be paid at the rate actually earned by the association.
- (10) The association may request information of member insurers in order to aid in the exercise of its power under this section and member insurers shall promptly comply with a request.
- ➔Section 1564. KRS 304.42-100 is amended to read as follows:
- (1) (a) The association shall submit to the **commissioner**~~{executive director}~~ a plan of operation and any amendments thereto necessary or suitable to assure the fair, reasonable, and equitable administration of the association. The plan of operation and any amendments thereto shall become effective upon approval in writing by the **commissioner**~~{executive director}~~;
- (b) If the association fails to submit a suitable plan of operation within one hundred eighty (180) days following June 17, 1978, or if at any time thereafter the association fails to submit suitable amendments to the plan, the **commissioner**~~{executive director}~~ shall, after notice and hearing, adopt and promulgate such reasonable rules as are necessary or advisable to effectuate the provisions of this subtitle. Such rules shall continue in force until modified by the **commissioner**~~{executive director}~~ or superseded by a plan submitted by the association and approved by the **commissioner**~~{executive director}~~.
- (2) All member insurers shall comply with the plan of operation.

- (3) The plan of operation shall, in addition to requirements enumerated elsewhere in this subtitle:
- (a) Establish procedures for handling the assets of the association;
 - (b) Establish the amount and method of reimbursing members of the board of directors under KRS 304.42-070;
 - (c) Establish regular places and times for meetings of the board of directors;
 - (d) Establish procedures for records to be kept of all financial transactions of the association, its agents, and the board of directors;
 - (e) Establish the procedures whereby selections for the board of directors will be made and submitted to the **commissioner**~~{executive director}~~;
 - (f) Establish any additional procedures for assessments under KRS 304.42-090;
 - (g) Contain additional provisions necessary or proper for the execution of the powers and duties of the association.
- (4) The plan of operation may provide that any or all powers and duties of the association, except those under paragraph (c) of subsection (10) of KRS 304.42-080 and 304.42-090, are delegated to a corporation, association, or other organization which performs or will perform functions similar to those of this association, or its equivalent, in two (2) or more states. Such a corporation, association, or organization shall be reimbursed for any payments made on behalf of the association and shall be paid for its performance of any function of the association. A delegation under this subsection shall take effect only with the approval of both the board of directors and the **commissioner**~~{executive director}~~, and may be made only to a corporation, association, or organization which extends protection not substantially less favorable and effective than that provided by this subtitle.

➔Section 1565. KRS 304.42-110 is amended to read as follows:

In addition to the duties and powers enumerated elsewhere in this subtitle:

- (1) The **commissioner**~~{executive director}~~ shall:
- (a) Upon request of the board of directors, provide the association with a statement of the premiums in the appropriate states for each member insurer;
 - (b) When an impairment is declared and the amount of the impairment is determined, serve a demand upon the impaired insurer to make good the impairment within a reasonable time. Notice to the impaired insurer shall constitute notice to its shareholders, if any. The failure of the insurer to promptly comply with the demand shall not excuse the association from the performance of its powers and duties under this subtitle; and
 - (c) In any liquidation or rehabilitation proceeding involving a domestic insurer, be appointed as the liquidator or rehabilitator. If a foreign or alien member insurer is subject to a liquidation proceeding in its domiciliary jurisdiction or state of entry, the **commissioner**~~{executive director}~~ may be appointed conservator.
- (2) The **commissioner**~~{executive director}~~ may suspend or revoke, after notice and hearing conducted in accordance with KRS Chapter 13B, the certificate of authority to transact insurance in this state of any member insurer which fails to pay an assessment when due or fails to comply with the plan of operation. As an alternative the **commissioner**~~{executive director}~~ may levy a forfeiture on any member insurer which fails to pay an assessment when due. A forfeiture shall not exceed five percent (5%) of the unpaid assessment per month, but no forfeiture shall be less than one hundred dollars (\$100) per month.
- (3) Any final action of the board of directors or the association may be appealed to the **commissioner**~~{executive director}~~ by any member insurer if the appeal is taken within sixty (60) days of its receipt of notice of the action being appealed. Any final order of the **commissioner**~~{executive director}~~ shall be subject to judicial review as set forth in Subtitle 2 of this chapter and KRS Chapter 13B.

Affected employees shall be given notice of each such application and an opportunity to participate in a hearing. The **commissioner**~~{executive director}~~ shall issue such rule or order if he *or she* determines on the record, after opportunity for an inspection where appropriate and a hearing, that the proponent of the variance has demonstrated by a preponderance of the evidence that the conditions, practices, means, methods, operations, or processes used or proposed to be used by an employer will provide employment and places of employment to his *or her* employees which are as safe and healthful as those which would prevail if he *or she* complied with the standard. The rule or order so issued shall prescribe the conditions the employer must maintain, and the practices, means, methods, operations, and processes which he *or she* must adopt and utilize to the extent they differ from the standard in question. Such a rule or order may be modified or revoked upon application by an employer, employees, or by the **commissioner**~~{executive director}~~ of his *or her* own motion, in the manner prescribed for its issuance under this subsection at any time after six (6) months from its issuance.

 1. He *or she* is unable to comply with the standard by its effective date because of unavailability of professional or technical personnel or of materials and equipment needed to come into compliance with the standard or because necessary construction or alteration of facilities cannot be completed by the effective date;
 2. He *or she* is taking all available steps to safeguard his *or her* employees against the hazards covered by the standard; and
 3. He *or she* has an effective program for coming into compliance with the standard as quickly as practicable.

Any temporary order issued under this subsection shall prescribe the practices, means, methods, operations, and processes which the employer must adopt and use while the order is in effect and state in detail his *or her* program for coming into compliance with the standard. Such a temporary order may be granted only after notice to employees and an opportunity for a hearing; provided, that the **commissioner**~~{executive director}~~ may issue one (1) interim order to be effective until a decision is made on the basis of the hearing. No temporary order may be in effect for longer than the period needed by the employer to achieve compliance with the standard or one (1) year, whichever is shorter, except that such an order may be renewed not more than twice:

1. So long as the requirements of this subsection are met; and
 2. If an application for renewal is filed at least ninety (90) days prior to the expiration date of the order. No interim renewal of an order may remain in effect for longer than one hundred eighty (180) days.
- (b) An application for a temporary order under this subsection shall contain:
1. A specification of the standard or portion thereof from which the employer seeks a variance;~~{,}~~

 4. A statement of when he *or she* expects to be able to comply with the standard and what steps *or she* he has taken and what steps he *or she* will take (with dates specified) to come into compliance with the standard;~~{,}~~ and
 5. A certification that he *or she* has informed his *or her* employees of the application by giving a copy thereof to their authorized representative, posting a statement giving a summary of the application and specifying where a copy may be examined at the place or places where notices to employees are normally posted, and by other appropriate means. A description of how employees have been informed shall be contained in the certification. The information to employees shall also inform them of their right to petition the **commissioner**~~{executive director}~~ for a hearing.
- (c) The **commissioner**~~{executive director}~~ is authorized to grant a variance from any standard or portion thereof whenever he *or she* determines that such variance is necessary to permit an employer to participate in an experiment approved by him *or her* designed to demonstrate or validate new and improved techniques to safeguard the health or safety of workers.

For special fund assessment purposes, "premium" also includes any and all membership dues, fees, or other payments by members of the group to associations or other entities used for underwriting, claims handling, loss control, premium audit, actuarial, or other services associated with the maintenance or operation of the self-insurance group;

- (25) (a) "Premiums received" for policies effective on or after January 1, 1994, for insurance companies means direct written premiums as reported in the annual statement to the ~~Department~~^{Office} of Insurance by insurance companies, except that "premiums received" includes premiums charged off or deferred, and, on insurance policies or other evidence of coverage with provisions for deductibles, the calculated cost for coverage, including experience modification and premium surcharge or discount, prior to any reduction for deductibles. The rates, factors, and methods used to calculate the cost for coverage under this paragraph for insurance policies or other evidence of coverage with provisions for deductibles shall be the same rates, factors, and methods normally used by the insurance company in Kentucky to calculate the cost for coverage for insurance policies or other evidence of coverage without provisions for deductibles, except that, for insurance policies or other evidence of coverage with provisions for deductibles effective on or after January 1, 1995, the calculated cost for coverage shall not include any schedule rating modification, debits, or credits. The cost for coverage calculated under this paragraph by insurance companies that issue only deductible insurance policies in Kentucky shall be actuarially adequate to cover the entire liability of the employer for compensation under this chapter, including all expenses and allowances normally used to calculate the cost for coverage. For policies with provisions for deductibles with effective dates of May 6, 1993, through December 31, 1993, for which the insurance company did not report premiums and remit special fund assessments based on the calculated cost for coverage prior to the reduction for deductibles, "premiums received" includes the initial premium plus any reimbursements invoiced for losses, expenses, and fees charged under the deductibles. The special fund assessment rates in effect for reimbursements invoiced for losses, expenses, or fees charged under the deductibles shall be those percentages in effect on the effective date of the insurance policy. For policies covering leased employees as defined in KRS 342.615, "premiums received" means premiums calculated using the experience modification factor of each lessee as defined in KRS 342.615 for each leased employee for that portion of the payroll pertaining to the leased employee.
- (b) "Direct written premium" for insurance companies means the gross premium written less return premiums and premiums on policies not taken but including policy and membership fees.
- (c) "Premium," for policies effective on or after January 1, 1994, for insurance companies means all consideration, whether designated as premium or otherwise, for workers' compensation insurance paid to an insurance company or its representative, including, on insurance policies with provisions for deductibles, the calculated cost for coverage, including experience modification and premium surcharge or discount, prior to any reduction for deductibles. The rates, factors, and methods used to calculate the cost for coverage under this paragraph for insurance policies or other evidence of coverage with provisions for deductibles shall be the same rates, factors, and methods normally used by the insurance company in Kentucky to calculate the cost for coverage for insurance policies or other evidence of coverage without provisions for deductibles, except that, for insurance policies or other evidence of coverage with provisions for deductibles effective on or after January 1, 1995, the calculated cost for coverage shall not include any schedule rating modifications, debits, or credits. The cost for coverage calculated under this paragraph by insurance companies that issue only deductible insurance policies in Kentucky shall be actuarially adequate to cover the entire liability of the employer for compensation under this chapter, including all expenses and allowances normally used to calculate the cost for coverage. For policies with provisions for deductibles with effective dates of May 6, 1993, through December 31, 1993, for which the insurance company did not report premiums and remit special fund assessments based on the calculated cost for coverage prior to the reduction for deductibles, "premium" includes the initial consideration plus any reimbursements invoiced for losses, expenses, or fees charged under the deductibles.
- (d) "Return premiums" for insurance companies means amounts returned to insureds due to endorsements, retrospective adjustments, cancellations, dividends, or errors;
- (26) "Insurance policy" for an insurance company or self-insured group means the term of insurance coverage commencing from the date coverage is extended, whether a new policy or a renewal, through its expiration, not to exceed the anniversary date of the renewal for the following year;
- (27) "Self-insurance year" for a self-insured group means the annual period of certification of the group created pursuant to KRS 342.350(4) and 304.50-010;

- (28) "Premium" for each employer carrying his own risk pursuant to KRS 342.340(1) shall be the projected value of the employer's workers' compensation claims for the next calendar year as calculated by the ~~commissioner~~~~executive director~~ using generally-accepted actuarial methods as follows:
- (a) The base period shall be the earliest three (3) calendar years of the five (5) calendar years immediately preceding the calendar year for which the calculation is made. The ~~commissioner~~~~executive director~~ shall identify each claim of the employer which has an injury date or date of last injurious exposure to the cause of an occupational disease during each one (1) of the three (3) calendar years to be used as the base, and shall assign a value to each claim. The value shall be the total of the indemnity benefits paid to date and projected to be paid, adjusted to current benefit levels, plus the medical benefits paid to date and projected to be paid for the life of the claim, plus the cost of medical and vocational rehabilitation paid to date and projected to be paid. Adjustment to current benefit levels shall be done by multiplying the weekly indemnity benefit for each claim by the number obtained by dividing the statewide average weekly wage which will be in effect for the year for which the premium is being calculated by the statewide average weekly wage in effect during the year in which the injury or date of the last exposure occurred. The total value of the claims using the adjusted weekly benefit shall then be calculated by the ~~commissioner~~~~executive director~~. Values for claims in which awards have been made or settlements reached because of findings of permanent partial or permanent total disability shall be calculated using the mortality and interest discount assumptions used in the latest available statistical plan of the advisory rating organization defined in Subtitle 13 of KRS Chapter 304. The sum of all calculated values shall be computed for all claims in the base period;
 - (b) The ~~commissioner~~~~executive director~~ shall obtain the annual payroll for each of the three (3) years in the base period for each employer carrying his own risk from records of the ~~department~~~~office~~ and from the records of the Office of Employment and Training, Education and Workforce Development Cabinet. The ~~commissioner~~~~executive director~~ shall multiply each of the three (3) years of payroll by the number obtained by dividing the statewide average weekly wage which will be in effect for the year in which the premium is being calculated by the statewide average weekly wage in effect in each of the years of the base period;
 - (c) The ~~commissioner~~~~executive director~~ shall divide the total of the adjusted claim values for the three (3) year base period by the total adjusted payroll for the same three (3) year period. The value so calculated shall be multiplied by 1.25 and shall then be multiplied by the employer's most recent annualized payroll, calculated using records of the ~~department~~~~office~~ and the Office of Employment and Training data which shall be made available for this purpose on a quarterly basis as reported, to obtain the premium for the next calendar year for assessment purposes under KRS 342.122;
 - (d) For November 1, 1987, through December 31, 1988, premium for each employer carrying ~~its~~~~his~~ own risk shall be an amount calculated by the board pursuant to the provisions contained in this subsection and such premium shall be provided to each employer carrying ~~its~~~~his~~ own risk and to the funding commission on or before January 1, 1988. Thereafter, the calculations set forth in this subsection shall be performed annually, at the time each employer applies or renews ~~its~~~~his~~ application for certification to carry ~~its~~~~his~~ own risk for the next twelve (12) month period and submits payroll and other data in support of the application. The employer and the funding commission shall be notified at the time of the certification or recertification of the premium calculated by the ~~commissioner~~~~executive director~~, which shall form the employer's basis for assessments pursuant to KRS 342.122 for the calendar year beginning on January 1 following the date of certification or recertification;
 - (e) If an employer having fewer than five (5) years of doing business in this state applies to carry ~~its~~~~his~~ own risk and is so certified, ~~its~~~~his~~ premium for the purposes of KRS 342.122 shall be based on the lesser number of years of experience as may be available including the two (2) most recent years if necessary to create a three (3) year base period. If the employer has less than two (2) years of operation in this state available for the premium calculation, then ~~its~~~~his~~ premium shall be the greater of the value obtained by the calculation called for in this subsection or the amount of security required by the ~~commissioner~~~~executive director~~ pursuant to KRS 342.340(1);
 - (f) If an employer is certified to carry ~~its~~~~his~~ own risk after having previously insured the risk, ~~its~~~~his~~ premium shall be calculated using values obtained from claims incurred while insured for as many of the years of the base period as may be necessary to create a full three (3) year base. After the employer is

certified to carry ~~its~~^{his} own risk and has paid all amounts due for assessments upon premiums paid while insured, ~~the employer~~^{he} shall be assessed only upon the premium calculated under this subsection;

- (g) "Premium" for each employer defined in KRS 342.630(2) shall be calculated as set forth in this subsection; and
 - (h) Notwithstanding any other provision of this subsection, the premium of any employer authorized to carry its own risk for purposes of assessments due under this chapter shall be no less than thirty cents (\$0.30) per one hundred dollars (\$100) of the employer's most recent annualized payroll for employees covered by this chapter;
- (29) "SIC code" as used in this chapter means the Standard Industrial Classification Code contained in the latest edition of the Standard Industrial Classification Manual published by the Federal Office of Management and Budget;
 - (30) "Investment interest" means any pecuniary or beneficial interest in a provider of medical services or treatment under this chapter, other than a provider in which that pecuniary or investment interest is obtained on terms equally available to the public through trading on a registered national securities exchange, such as the New York Stock Exchange or the American Stock Exchange, or on the National Association of Securities Dealers Automated Quotation System;
 - (31) "Managed health care system" means a health care system that employs gatekeeper providers, performs utilization review, and does medical bill audits;

 - (33) "Objective medical findings" means information gained through direct observation and testing of the patient applying objective or standardized methods;
 - (34) "Work" means providing services to another in return for remuneration on a regular and sustained basis in a competitive economy;
 - (35) "Permanent impairment rating" means percentage of whole body impairment caused by the injury or occupational disease as determined by "Guides to the Evaluation of Permanent Impairment," American Medical Association, latest available edition; and
 - (36) "Permanent disability rating" means the permanent impairment rating selected by an administrative law judge times the factor set forth in the table that appears at KRS 342.730(1)(b).

➔Section 1779. KRS 342.012 is amended to read as follows:

- (1) For the purposes of this chapter, an owner or owners of a business, including qualified partners of a partnership owning a business, or qualified members of a limited liability company, whether or not employing any other person to perform a service for hire, shall be included within the meaning of the term employee if the owner, owners, qualified partners, or qualified members of a limited liability company elect to come under the provisions of this chapter and provide the insurance required thereunder. Nothing in this section shall be construed to limit the responsibilities of the owners, partners, or members of a limited liability company to provide coverage for their employees, nonqualified partners, or nonqualified members, if any, required under this chapter.
- (2) When an owner, owners, qualified partners, or qualified members of a limited liability company have elected to be included as employees, this inclusion shall be accomplished by the issuance of an appropriate endorsement to a workers' compensation insurance policy.
- (3) For the purpose of this section, "qualified partner" or "qualified member or members" means, respectively, a partner who has entered into a meaningful partnership agreement or a member who has entered into meaningful articles of organization or a meaningful operating agreement of a limited liability company, which document shows on its face that the partner will substantially participate in the profit or loss of the business engaged in by the partnership or limited liability company and that the partner or member has made some contribution to the partnership or limited liability company which entitles him *or her* to participate in the profits of the business as well as to participate in the decision-making process of the partnership or limited liability company.
- (4) For the purposes of this section, "nonqualified partner" or "nonqualified member" means, respectively, a person who has entered into a partnership agreement, or articles of organization or operating agreement of a limited liability company, which document shows on its face that this person will receive regular payments in exchange for work for the business engaged in by the partnership or limited liability company; that the person will not participate in the decision-making of the partnership or limited liability company and will not participate in the profits and losses of the business engaged in by the partnership or limited liability company.
- (5) Every partnership filing a partnership agreement and every limited liability company filing articles of organization or an operating agreement for the purpose of exemption pursuant to the provisions of KRS 342.340 shall, on or before April 15 of each year, file with the **commissioner**~~{executive director}~~ the employer identification number assigned to the partnership or limited liability company by the Internal Revenue Service. The employer's obligation to pay the benefits specified in this section shall continue for so long as the employee is disabled regardless of the duration of the employee's income benefits. In the absence of designation of a managed health care system by the employer, the employee may select medical providers to treat his injury or occupational disease. Even if the employer has designated a managed health care system, the injured employee may elect to continue treating with a physician who provided emergency medical care or treatment to the employee. The employer, insurer, or payment obligor acting on behalf of the employer, shall make all payments for services rendered to an employee directly to the provider of the services within thirty (30) days of receipt of a statement for services. The **commissioner**~~{executive director}~~ shall promulgate administrative regulations establishing conditions under which the thirty (30) day period for payment may be tolled. The provider of medical services shall submit the statement for services within forty-five (45) days of the day treatment is initiated and every forty-five (45) days thereafter, if appropriate, as long as medical services are rendered. Except as provided in subsection (4) of this section, in no event shall a medical fee exceed the limitations of an adopted medical fee schedule or other limitations contained in KRS 342.035, whichever is lower. The **commissioner**~~{executive director}~~ may promulgate administrative regulations establishing the form and content of a statement for services and procedures by which disputes relative to the necessity, effectiveness, frequency, and cost of services may be resolved.
- (2) Notwithstanding any provision of the Kentucky Revised Statutes to the contrary, medical services and treatment provided under this chapter shall not be subject to copayments or deductibles.
- (3) Employers may provide medical services through a managed health care system. The managed health care system shall file with the **Department**~~{Office}~~ of Workers' Claims a plan for the rendition of health care services for work-related injuries and occupational diseases to be approved by the **commissioner**~~{executive director}~~ pursuant to administrative regulations promulgated by the **commissioner**~~{executive director}~~.
- (4) All managed health care systems rendering medical services under this chapter shall include the following features in plans for workers' compensation medical care:
 - (a) Copayments or deductibles shall not be required for medical services rendered in connection with a work-related injury or occupational disease;
 - (b) The employee shall be allowed choice of provider within the plan;
 - (c) The managed health care system shall provide an informal procedure for the expeditious resolution of disputes concerning rendition of medical services;
 - (d) The employee shall be allowed to obtain a second opinion, at the employer's expense, from an outside physician if a managed health care system physician recommends surgery;
 - (e) The employee may obtain medical services from providers outside the managed health care system, at the employer's expense, when treatment is unavailable through the managed health care system;
 - (f) The managed health care system shall establish procedures for utilization review of medical services to assure that a course of treatment is reasonably necessary; diagnostic procedures are not unnecessarily duplicated; the frequency, scope, and duration of treatment is appropriate; pharmaceuticals are not unnecessarily prescribed; and that ongoing and proposed treatment is not experimental, cost ineffective, or harmful to the employee; and
 - (g) Statements for services shall be audited regularly to assure that charges are not duplicated and do not exceed those authorized in the applicable fee schedules.

- (6) When a compensable injury or occupational disease results in the amputation of an arm, leg, or foot, or the loss of hearing, or the enucleation of an eye or loss of teeth, the employer shall pay for, in addition to the other medical, surgical, and hospital treatment enumerated in subsection (1) and this subsection, a modern artificial member and, where required, proper braces as may reasonably be required at the time of the injury and thereafter during disability.
- (7) Upon motion of the employer, with sufficient notice to the employee for a response to be filed, if it is shown to the satisfaction of the administrative law judge by affidavits or testimony that, because of the physician selected by the employee to treat the injury or disease, or because of the hospital selected by the employee in which treatment is being rendered, that the employee is not receiving proper medical treatment and the recovery is being substantially affected or delayed; or that the funds for medical expenses are being spent without reasonable benefit to the employee; or that because of the physician selected by the employee or because of the type of medical treatment being received by the employee that the employer will substantially be prejudiced in any compensation proceedings resulting from the employee's injury or disease; then the administrative law judge may allow the employer to select a physician to treat the employee and the hospital or hospitals in which the employee is treated for the injury or disease. No action shall be brought against any employer subject to this chapter by any person to recover damages for malpractice or improper treatment received by any employee from any physician, hospital, or attendant thereof.

Notwithstanding any other provision in the Kentucky Revised Statutes, any physician, psychiatrist, chiropractor, podiatrist, hospital, or health care provider shall, within a reasonable time after written request by the employee, employer, workers' compensation insurer, special fund, uninsured employers' fund, or the administrative law judge, provide the requesting party with any information or written material reasonably related to any injury or disease for which the employee claims compensation.
- (9) When a provider of medical services or treatment, required by this chapter, makes referrals for medical services or treatment by this chapter, to a provider or entity in which the provider making the referral has an investment interest, the referring provider shall disclose that investment interest to the employee, the **commissioner**~~executive director~~, and the employer's insurer or the party responsible for paying for the medical services or treatment, within thirty (30) days from the date the referral was made.

➔Section 1781. KRS 342.033 is amended to read as follows:

In a claim for benefits, no party may introduce direct testimony from more than two (2) physicians without prior consent from the administrative law judge. The motion requesting additional testimony shall clearly demonstrate the need for such additional testimony. A party may introduce direct testimony from a physician through a written medical report. The report shall become a part of the evidentiary record, subject to the right of an adverse party to object to the admissibility of the report and to cross-examine the reporting physician. The **commissioner**~~executive director~~ shall promulgate administrative regulations prescribing the format and content of written medical reports.

➔Section 1782. KRS 342.035 is amended to read as follows:

In determining what fees are reasonable, the **commissioner**~~executive director~~ may also consider the increased security of payment afforded by this chapter. On or before November 1, 1994, and on July 1 every two (2) years thereafter, the schedule of fees contained in administrative regulations promulgated pursuant to this section shall be reviewed and updated, if appropriate. Within ten (10) days of April 4, 1994, the **commissioner**~~executive director~~ shall execute a contract with an appropriately qualified consultant pursuant to which each of the following elements within the workers' compensation system are evaluated; the methods of health care delivery; quality assurance and utilization mechanisms; type, frequency, and intensity of services; risk management programs; and the schedule of fees contained in administrative regulation. The consultant shall present recommendations based on its review to the

commissioner~~{executive director}~~ not later than sixty (60) days following execution of the contract. The **commissioner**~~{executive director}~~ shall consider these recommendations and, not later than thirty (30) days after their receipt, promulgate a regulation which shall be effective on an emergency basis, to effect a twenty-five percent (25%) reduction in the total medical costs within the program.

- (2) No provider of medical services or treatment required by this chapter, its agent, servant, employee, assignee, employer, or independent contractor acting on behalf of any medical provider, shall knowingly collect, attempt to collect, coerce, or attempt to coerce, directly or indirectly, the payment of any charge, for services covered by a workers' compensation insurance plan for the treatment of a work-related injury or occupational disease, in excess of that provided by a schedule of fees, or cause the credit of any employee to be impaired by reason of the employee's failure or refusal to pay the excess charge. In addition to the penalty imposed in KRS 342.990 for violations of this subsection, any individual who sustains damages by any act in violation of the provisions of this subsection shall have a civil cause of action in Circuit Court to enjoin further violations and to recover the actual damages sustained by the individual, together with the costs of the lawsuit, including a reasonable attorney's fee.
- (3) Where these requirements are furnished by a public hospital or other institution, payment thereof shall be made to the proper authorities conducting it. No compensation shall be payable for the death or disability of an employee if his *or her* death is caused, or if and insofar as his disability is aggravated, caused, or continued, by an unreasonable failure to submit to or follow any competent surgical treatment or medical aid or advice.
- (4) The **commissioner**~~{executive director}~~ shall, by December 1, 1994, promulgate administrative regulations to adopt a schedule of fees for the purpose of regulating charges by medical providers and other health care professionals for testimony presented and medical reports furnished in the litigation of a claim by an injured employee against the employer. The workers' compensation medical fee schedule for physicians, 803 KAR 25:089, having an effective date of February 9, 1995, shall remain in effect until July 1, 1996, or until the effective date of any amendments promulgated by the **commissioner**~~{executive director}~~, whichever occurs first, it being determined that this administrative regulation is within the statutory grant of authority, meets legislative intent, and is not in conflict with the provisions of this chapter. The medical fee schedule and amendments shall be fair, current, and reasonable and otherwise comply with this section.
- (5)
 - (a) To ensure compliance with subsections (1) and (4) of this section, the **commissioner**~~{executive director}~~ shall promulgate administrative regulations by December 31, 1994, which require each insurance carrier, self-insured group, and self-insured employer to certify to the **commissioner**~~{executive director}~~ the program or plan it has adopted to ensure compliance.

The independent person, firm, company, or other entity selected by the **commissioner**~~{executive director}~~ to conduct the audit shall protect the confidentiality of any information it receives during the audit, shall divulge information received during the audit only to the **commissioner**~~{executive director}~~, and shall use the information for no other purpose than the audit required by this paragraph.
 - (c) The **commissioner**~~{executive director}~~ shall promulgate administrative regulations governing medical provider utilization review activities conducted by an insurance carrier, self-insured group, or self-insured employer pursuant to this chapter.
 - (d) Periodically, or upon request, the **commissioner**~~{executive director}~~ shall report to the Interim Joint Committee on Labor and Industry of the Legislative Research Commission or to the corresponding standing committees of the General Assembly, as appropriate, the degree of compliance or lack of compliance with the provisions of this section and make recommendations thereon.
 - (e) The cost of implementing and carrying out the requirements of this subsection shall be paid from funds collected pursuant to KRS 342.122.
- (6) The **commissioner**~~{executive director}~~ may promulgate administrative regulations incorporating managed care or other concepts intended to reduce costs or to speed the delivery or payment of medical services to employees receiving medical and related benefits under this chapter.

- (7) For purposes of this chapter, any medical provider shall charge only its customary fee for photocopying requested documents. However, in no event shall a photocopying fee of a medical provider or photocopying service exceed fifty cents (\$.50) per page. In addition, there shall be no charge for reviewing any records of a medical provider, during regular business hours, by any party who is authorized to review the records and who requests a review pursuant to this chapter.
- (8) (a) The ~~commissioner~~~~executive director~~ shall develop or adopt practice parameters or guidelines for clinical practice for use by medical providers under this chapter. The ~~commissioner~~~~executive director~~ may adopt any parameters for clinical practice as developed and updated by the federal Agency for Health Care Policy Research, or the ~~commissioner~~~~executive director~~ may adopt other parameters for clinical practice which are developed by qualified bodies, as determined by the ~~commissioner~~~~executive director~~, with periodic updating based on data collected during the application of the parameters.
- (b) Any provider of medical services under this chapter who has followed the practice parameters or guidelines developed or adopted pursuant to this subsection shall be presumed to have met the appropriate legal standard of care in medical malpractice cases regardless of any unanticipated complication that may thereafter develop or be discovered.
- (9) (a) Notwithstanding any other provision of law to the contrary, the medical fee schedule adopted under subsection (4) of this section shall require all worker's compensation insurance carriers, worker's compensation self-insured groups, and worker's compensation self-insured employers to provide coverage and payment for surgical first assisting services to registered nurse first assistants as defined in KRS 216B.015.

- (5) Upon the termination of the disability of the injured employee, or if the disability extends beyond a period of sixty (60) days, then also at the expiration of that period, the employer shall make a supplementary report to the ~~commissioner~~~~executive director~~ on blanks procured from the ~~department~~~~office~~ for the purpose.

➔Section 1784. KRS 342.039 is amended to read as follows:

Beginning on January 1, 1995, and pursuant to administrative regulations promulgated under KRS Chapter 13A by the ~~commissioner~~~~executive director~~, each insurance company writing workers' compensation insurance policies in the Commonwealth, every self-insured group, and each employer carrying its own risk shall file in the manner directed by the ~~commissioner~~~~executive director~~, detailed claim information contained in the model regulation developed by the National Association of Insurance Commissioners (NAIC) in conjunction with the International Association of Industrial Accident Boards and Commissions (IAIABC).

➔Section 1785. KRS 342.040 is amended to read as follows:

- (1) Except as provided in KRS 342.020, no income benefits shall be payable for the first seven (7) days of disability unless disability continues for a period of more than two (2) weeks, in which case income benefits shall be allowed from the first day of disability. All income benefits shall be payable on the regular payday of the employer, commencing with the first regular payday after seven (7) days after the injury or disability resulting from an occupational disease, with interest at the rate of twelve percent (12%) per annum on each installment from the time it is due until paid, except that if the administrative law judge determines that a denial, delay, or termination in the payment of income benefits was without reasonable foundation, the rate of interest shall be eighteen percent (18%) per annum. In no event shall income benefits be instituted later than the fifteenth day after the employer has knowledge of the disability or death. Income benefits shall be due and payable not less often than semimonthly. If the employer's insurance carrier or other party responsible for the payment of workers' compensation benefits should terminate or fail to make payments when due, that party shall notify the ~~commissioner~~~~executive director~~ of the termination or failure to make payments and the ~~commissioner~~~~executive director~~ shall, in writing, advise the employee or known dependent of right to prosecute a claim under this chapter.
- (2) If overdue temporary total disability income benefits are recovered in a proceeding brought under this chapter by an attorney for an employee, or paid by the employer after receipt of notice of the attorney's representation, a reasonable attorney's fee for these services may be awarded. The award of attorney's fees shall be paid by the employer if the administrative law judge determines that the denial or delay was without reasonable foundation. No part of the fee for representing the employee in connection with the recovery of overdue temporary total disability benefits withheld without reasonable foundation shall be charged against or deducted from benefits otherwise due the employee.
- (3) All retraining incentive benefits awarded pursuant to KRS 342.732 shall be payable on the regular payday of the employer, commencing with the second regular payday after the award of the retraining incentive benefit by the administrative law judge becomes final. Retraining incentive benefits shall be due and payable not less often than semimonthly.
- (4) Upon written request of the employee, all payments of compensation shall be mailed to the employee at his *or her* last known address.

➔Section 1786. KRS 342.120 is amended to read as follows:

- (1) There is created the Division of Workers' Compensation Funds in the ~~Department~~~~Office~~ of Workplace Standards which shall be responsible for the administration ~~and legal representation~~ of the special fund and the coal workers' pneumoconiosis fund and the maintenance of records regarding the payment of claims by these funds. The Division of Workers' Compensation Funds shall be headed by a director appointed by the secretary of the ~~Labor~~~~Environmental and Public Protection~~ Cabinet, with the prior written approval of the Governor pursuant to KRS 12.050. The director shall be responsible for overseeing the administration ~~and legal representation~~ of the funds and the maintenance of records regarding the payment of claims by the funds.
- (2) The special fund shall have no liability upon any claim in which the injury occurred, or for cumulative trauma, the disability became manifest, or, for occupational disease, if the date of injury or last exposure occurred, after December 12, 1996.
- (3) Where the employer has settled its liability for income benefits and thereafter a determination has been made of the special fund's liability, the special fund portion of the benefit rate shall be paid over the maximum period provided for by statute for that disability, with the period of payment beginning on the date settlement was approved by an administrative law judge. This provision is remedial and shall apply to all pending and future claims.

➔Section 1787. KRS 342.122 is amended to read as follows:

- (1) (a) For calendar year 1997 and for each calendar year thereafter, for the purpose of funding and prefunding the liabilities of the special fund, financing the administration and operation of the Kentucky Workers' Compensation Funding Commission, and financing the expenditures for all programs in the ~~Department of Labor~~ *Cabinet*, except the Division of Employment Standards, Apprenticeship and ~~Training and the Office of Labor-Management Relations and~~ *Mediation in the Department of Workplace Standards*, as reflected in the enacted budget of the Commonwealth and enacted by the General Assembly, the funding commission shall impose a special fund assessment rate of nine percent (9%) upon the amount of workers' compensation premiums received on and after January 1, 1997, through December 31, 1997, by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every self-insured group operating under the provisions of KRS 342.350(4) and Chapter 304, and against the premium, as defined in KRS 342.0011, of every employer carrying his or her own risk.
 - (b) The funding commission shall, for calendar year 1998 and thereafter, establish for the special fund an assessment rate to be assessed against all premium received during that calendar year which, when added to the coal severance tax appropriated to the special fund in accordance with paragraph (c) of this section, shall produce enough revenue to amortize on a level basis the unfunded liability of the special fund as of June 30 preceding January 1 of each year, for the period remaining until December 31, 2018. The interest rate to be used in this calculation shall reflect the funding commission's investment experience to date and the current investment policies of the commission. This assessment shall be imposed upon the amount of workers' compensation premiums received by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every self-insured group operating under the provisions of KRS 342.350(4) and Chapter 304, and against the premium, as defined in KRS 342.0011, of every employer carrying ~~its~~~~his~~ own risk. On or before October 1 of each year, the commission shall notify each insurance carrier writing workers' compensation insurance in the Commonwealth, every group of self-insured employers, and each employer carrying ~~its~~~~his or her~~ own risk, of the rates which shall become effective on January 1 of each year, unless modified by the General Assembly.
 - (c) In addition to the assessment imposed in paragraph (a) or (b) of this subsection, and notwithstanding and prior to the transfer of funds to the Local Government Economic Assistance Program under KRS 42.450 to 42.495, the Kentucky Department of Revenue shall credit nineteen million dollars (\$19,000,000) in coal severance tax revenues levied under KRS 143.020 to the benefit reserve fund within the Kentucky Workers' Compensation Funding Commission each year beginning with fiscal year 1998 and all fiscal years thereafter. The annual transfer of nineteen million dollars (\$19,000,000) shall occur in four (4) equal quarterly payments. These transfers shall occur not later than the last day of each quarter of each calendar year and shall consist of four (4) equal payments of four million, seven hundred fifty thousand dollars (\$4,750,000).
 - (d) All assessments imposed by this section shall be paid to the Kentucky Workers' Compensation Funding Commission and shall be credited to the benefit reserve fund within the Kentucky Workers' Compensation Funding Commission.
 - (e) The assessments imposed in this chapter shall be in lieu of all other assessments or taxes on workers' compensation premiums.
- (2) These assessments shall be paid quarterly not later than the thirtieth day of the month following the end of the quarter in which the premium is received. Receipt shall be considered timely through actual physical receipt or by postmark of the United States Postal Service. Employers carrying their own risk and employers defined in KRS 342.630(2) shall pay the annual assessments in four (4) equal quarterly installments.
 - (3) The assessments imposed by this section may be collected by the insurance carrier from ~~its~~~~his~~ insured. However, the insurance carrier shall not collect from the employer any amount exceeding the assessments imposed pursuant to this section. If the insurance carrier collects the assessment from an insured, the assessment shall be collected at the same time and in the same proportion as the premium is collected. The assessment for an insurance policy or other evidence of coverage providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible. Each statement from an insurance carrier presented to an insured reflecting premium and assessment amounts shall clearly identify and distinguish the amount to be paid for premium and the amount to be paid for assessments. No insurance carrier shall collect from an insured an amount in excess of the assessment percentages imposed by this chapter. The assessment for an insurance policy or other evidence

of coverage providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible. The percentages imposed by this chapter for an insurance policy issued by an insurance company shall be those percentages in effect on the annual effective date of the policy, regardless of the date that the premium is actually received by the insurance company.

- (4) A self-insured group may elect to report its premiums and to have its assessments computed in the same manner as insurance companies. This election may not be rescinded for at least ten (10) years, nor may this election be made a second time for at least another ten (10) years, except that the board of directors of the funding commission may, at its discretion, waive the ten (10) year ban on a case-by-case basis after formal petition has been made to the funding commission by a self-insured group.
- (5) The funding commission, as part of the collection and auditing of the special fund assessments required by this section, shall annually require each insurance carrier and each self-insured group to provide a list of employers which it has insured or which are members and the amount collected from each employer. Additionally, the funding commission shall require each entity paying a special fund assessment to report the SIC code for each employer and the amount of premium collected from each SIC code. An insurance carrier or self-insured group may require its insureds or members to furnish the SIC code for each of their employees. However, the failure of any employer to furnish said codes shall not relieve the insurance carrier or self-insured group from the obligation to furnish same to the funding commission. The Office of Employment and Training, Education and Workforce Development Cabinet, is hereby directed to make available the SIC codes assigned in its records to specific employers to aid in the reporting and recording of the special fund assessment data.
- (6) Each self-insured employer, self-insured group, or insurance carrier shall provide any information and submit any reports the Department of Revenue or the funding commission may require to effectuate the provisions of this section. In addition, the funding commission may enter reciprocal agreements with other governmental agencies for the exchange of information necessary to effectuate the provisions of this section.
- (7) The special fund shall be required to maintain a central claim registry of all claims to which it is named a party, giving each such claim a unique claim number and thereafter recording the status of each claim on a current basis. The registry shall be established by January 26, 1988, for all claims on which payments were made since July 1, 1986, or which were pending adjudication since July 1, 1986, by audit of all claim files in the possession of the special fund.
- (8) The fund heretofore designated as the subsequent claim fund is abolished, and there is substituted therefor the special fund as set out by this section, and all moneys and properties owned by the subsequent claim fund are transferred to the special fund.
- (9) Notwithstanding any other provisions of this section or this chapter to the contrary, the total amount of funds collected pursuant to the assessment rates adopted by the funding commission shall not be limited to the provisions of this section.
- (10) All assessment rates imposed for periods prior to January 1, 1997, under KRS 342.122 shall forever remain applicable to premiums received on policies with effective dates prior to January 1, 1997, by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every self-insured group operating under the provision of KRS 342.350(4) and Chapter 304, and against the premium, as defined in KRS 342.0011, of every employer carrying ~~its~~~~his~~ own risk.

➔Section 1788. KRS 342.1223 is amended to read as follows:

- (1) The Kentucky Workers' Compensation Funding Commission is created as an agency of the Commonwealth for the public purpose of controlling, investing, and managing the funds collected pursuant to KRS 342.122.
- (2) The commission shall:

The fees charged by financial institutions for managing the investments of the funds of the funding commission shall be paid from the investment earnings of the funds.
- (5) The commission shall be attached to the ~~Department of~~ Labor **Cabinet** for administrative purposes only.

Income benefit payments by the Kentucky coal workers' pneumoconiosis fund shall be made contemporaneous with the payments made by the employer, except that the employer shall make all payments due under a final award or approved settlement until the liability of the Kentucky coal workers' pneumoconiosis fund is established under subsection (2) of this section and the coal workers' pneumoconiosis fund shall reimburse the employer for such payments to the extent of its liability.
- (2) The employer shall defend any claim brought under KRS 342.732 and upon conclusion shall seek participation in payment of the final award or settlement by the Kentucky coal workers' pneumoconiosis fund by making written request upon the director in the manner prescribed by administrative regulation to be promulgated by the ~~commissioner~~ ~~executive director~~ of the ~~Department~~ ~~Office~~ of Workers' Claims.

The average weekly wage of the injured employee at the time of the injury or last injurious exposure shall be determined as follows:

- (1) If at the time of the injury which resulted in death or disability or the last date of injurious exposure preceding death or disability from an occupational disease:
 - (a) The wages were fixed by the week, the amount so fixed shall be the average weekly wage;
 - (b) The wages were fixed by the month, the average weekly wage shall be the monthly wage so fixed multiplied by twelve (12) and divided by fifty-two (52);
 - (c) The wages were fixed by the year, the average weekly wage shall be the yearly wage so fixed divided by fifty-two (52);
 - (d) The wages were fixed by the day, hour, or by the output of the employee, the average weekly wage shall be the wage most favorable to the employee computed by dividing by thirteen (13) the wages (not including overtime or premium pay) of said employee earned in the employ of the employer in the first, second, third, or fourth period of thirteen (13) consecutive calendar weeks in the fifty-two (52) weeks immediately preceding the injury.
 - (e) The employee had been in the employ of the employer less than thirteen (13) calendar weeks immediately preceding the injury, his *or her* average weekly wage shall be computed under paragraph (d), taking the wages (not including overtime or premium pay) for that purpose to be the amount he *or she* would have earned had he *or she* been so employed by the employer the full thirteen (13) calendar weeks immediately preceding the injury and had worked, when work was available to other employees in a similar occupation.
 - (f) The hourly wage has not been fixed or cannot be ascertained, the wage for the purpose of calculating compensation shall be taken to be the usual wage for similar services where the services are rendered by paid employees.
- (2) In occupations which are exclusively seasonal and therefore cannot be carried on throughout the year, the average weekly wage shall be taken to be one-fiftieth (1/50) of the total wages which the employee has earned from all occupations during the twelve (12) calendar months immediately preceding the injury.
- (3) In the case of volunteer firemen, police, and emergency management agency members or trainees, the income benefits shall be based on the average weekly wage in their regular employment.
- (4) If the employee was a minor, apprentice, or trainee when injured, and it is established that under normal conditions his *or her* wages should be expected to increase during the period of disability, that fact may be considered in computing his *or her* average weekly wage.
- (5) When the employee is working under concurrent contracts with two (2) or more employers and the defendant employer has knowledge of the employment prior to the injury, his *or her* wages from all the employers shall be considered as if earned from the employer liable for compensation.
- (6) The term "wages" as used in this section and KRS 342.143 means, in addition to money payments for services rendered, the reasonable value of board, rent, housing, lodging, and fuel or similar advantage received from the employer, and gratuities received in the course of employment from others than the employer to the extent the gratuities are reported for income tax purposes.
- (7) The ~~commissioner~~~~executive director~~ shall, from time to time, based upon the best available information, determine by administrative regulation industries which ordinarily do not have a full working day for five (5) days in every week. In those industries, compensation shall be computed at the average weekly wage earned by the employee at the time of injury reckoning wages as earned while working full time. "At full time" as used in this subsection means a full working day for five (5) working days in every week regardless of whether the injured employee actually worked all or part of the time.

➔Section 1793. KRS 342.143 is amended to read as follows:

For the purposes of this chapter, the average weekly wage of the state shall be determined by the ~~commissioner~~~~executive director~~ as follows: On or before September 1 of each year, the total wages reported by subject employers under the Kentucky Unemployment Insurance Law for the preceding calendar year shall be divided by the average monthly number of insured workers (determined by dividing the total number of insured workers reported for the preceding year by twelve (12)). The average annual wage thus obtained shall be divided by fifty-two (52) and the average weekly wage thus determined rounded to the nearest cent. The average weekly wage shall be certified to the ~~commissioner~~~~executive director~~ by the Education and Workforce Development Cabinet in a manner prescribed by the ~~commissioner~~~~executive director~~ by administrative regulation. The average weekly wage as so

determined shall be applicable for the full period during which income or death benefits are payable, when the date of occurrence of injury or of disability in the case of disease, or of death, falls within the calendar year commencing January 1 following the September 1 determination. Whenever a change in the average weekly wage of the state is of such amount that the minimum weekly income benefits for total disability or for death are increased or decreased by one dollar (\$1) or more, or the maximum weekly income benefits for total disability or for death are increased or decreased by two dollars (\$2) or more, computed in each case and rounded to the nearest dollar, an adjustment in those minimums or maximums which are affected in the requisite amount by the change in the average weekly wage of the state shall be made which will reflect this increase or decrease, but no change in such limitations shall otherwise be made. Notwithstanding the provisions of this section, KRS 342.140 and 342.740, or any other provisions of this chapter to the contrary, the average weekly wage for calendar years 1995 and 1996 shall be determined to be no higher than the average weekly wage determined by the *commissioner*~~{executive director}~~ to be in effect in the calendar year of 1994. If the average weekly wage calculated by the *commissioner*~~{executive director}~~ is determined to be lower than the 1994 calendar year wage, the average weekly wage may be lowered as provided by this section. Beginning in calendar year 1997 and annually thereafter, the average weekly wage shall be calculated based upon the state average weekly wage in effect two (2) years prior to that calculation.

➔Section 1794. KRS 342.165 is amended to read as follows:

- (1) If an accident is caused in any degree by the intentional failure of the employer to comply with any specific statute or lawful administrative regulation made thereunder, communicated to the employer and relative to installation or maintenance of safety appliances or methods, the compensation for which the employer would otherwise have been liable under this chapter shall be increased thirty percent (30%) in the amount of each payment. If an accident is caused in any degree by the intentional failure of the employee to use any safety appliance furnished by the employer or to obey any lawful and reasonable order or administrative regulation of the *commissioner*~~{executive director}~~ or the employer for the safety of employees or the public, the compensation for which the employer would otherwise have been liable under this chapter~~{,}~~ shall be decreased fifteen percent (15%) in the amount of each payment.

- (3) Recommendations by mediators are without administrative or judicial authority and are not binding on the parties unless the parties enter into a settlement agreement incorporating the recommendations. Administrative law judges may participate in the mediation process but shall not issue findings or orders as a result of the process unless agreed to by the parties.

➔Section 1813. KRS 342.277 is amended to read as follows:

- (1) In accordance with administrative regulations promulgated by the *commissioner*~~{executive director}~~, a collective bargaining agreement between an employer and a recognized or certified exclusive bargaining representative that contains the following provisions may be recognized as valid and binding:
- (a) An alternative dispute resolution system to supplement, modify, or replace the provisions of this chapter that relate to the resolution of disputes, and which may include but is not limited to mediation and arbitration, the results of which may be binding upon the parties;
 - (b) The use of an agreed list of providers of medical treatment, which may be the exclusive source of all medical and related treatment provided under this chapter;
 - (c) The use of a limited list of physicians to conduct independent medical examinations;
 - (d) A light duty, modified job, or return-to-work program;
 - (e) A vocational rehabilitation or retraining program; and
 - (f) A twenty-four (24) hour health care coverage plan for medical benefits.
- (2) A system of arbitration may provide that the decision of the arbiter is subject to review by an administrative law judge.
- (3) Notwithstanding the provisions in subsection (1) of this section, no agreement shall be recognized as valid and binding that diminishes the rights of any of the parties under this chapter. Also, no agreement shall be valid and binding unless it is agreed to by the employer's insurance carrier.

➔Section 1814. KRS 342.285 is amended to read as follows:

- (1) An award or order of the administrative law judge as provided in KRS 342.275, if petition for reconsideration is not filed as provided for in KRS 342.281, shall be conclusive and binding as to all questions of fact, but either party may in accordance with administrative regulations promulgated by the *commissioner*~~{executive director}~~ appeal to the Workers' Compensation Board for the review of the order or award.
- (2) No new or additional evidence may be introduced before the board except as to the fraud or misconduct of some person engaged in the administration of this chapter and affecting the order, ruling, or award, but the board shall otherwise hear the appeal upon the record as certified by the administrative law judge and shall dispose of the appeal in summary manner. The board shall not substitute its judgment for that of the administrative law judge as to the weight of evidence on questions of fact, its review being limited to determining whether or not:
- (a) The administrative law judge acted without or in excess of his powers;
 - (b) The order, decision, or award was procured by fraud;
 - (c) The order, decision, or award is not in conformity to the provisions of this chapter;
 - (d) The order, decision, or award is clearly erroneous on the basis of the reliable, probative, and material evidence contained in the whole record; or
 - (e) The order, decision, or award is arbitrary or capricious or characterized by abuse of discretion or clearly unwarranted exercise of discretion.
- (3) Within sixty (60) days following the date on which the last appellate brief was filed, the board shall enter its decision affirming, modifying, or setting aside the order, decision, or award, or in its discretion remanding the claim to the administrative law judge for further proceedings in conformity with the direction of the board. The board may, before decision and upon a sufficient showing of fact, remand the claim to the administrative law judge.

➔Section 1815. KRS 342.315 is amended to read as follows:

- (1) The *commissioner*~~{executive director}~~ shall contract with the University of Kentucky and the University of Louisville medical schools to evaluate workers who have had injuries or become affected by occupational diseases covered by this chapter. Referral for evaluation may be made to one (1) of the medical schools whenever a medical question is at issue.

- (2) The physicians and institutions performing evaluations pursuant to this section shall render reports encompassing their findings and opinions in the form prescribed by the *commissioner*~~[executive director]~~. Except as otherwise provided in KRS 342.316, the clinical findings and opinions of the designated evaluator shall be afforded presumptive weight by administrative law judges and the burden to overcome such findings and opinions shall fall on the opponent of that evidence. When administrative law judges reject the clinical findings and opinions of the designated evaluator, they shall specifically state in the order the reasons for rejecting that evidence.
- (3) The *commissioner*~~[executive director]~~ or an administrative law judge may, upon the application of any party or upon his own motion, direct appointment by the *commissioner*~~[executive director]~~, pursuant to subsection (1) of this section, of a medical evaluator to make any necessary medical examination of the employee. Such medical evaluator shall file with the *commissioner*~~[executive director]~~ within fifteen (15) days after such examination a written report. The medical evaluator appointed may charge a reasonable fee not exceeding fees established by the *commissioner*~~[executive director]~~ for those services.
- (4) Within thirty (30) days of the receipt of a statement for the evaluation, the employer or carrier shall pay the cost of the examination. Upon notice from the *commissioner*~~[executive director]~~ that an evaluation has been scheduled, the insurance carrier shall forward within seven (7) days to the employee the expenses of travel necessary to attend the evaluation at a rate equal to that paid to state employees for travel by private automobile while conducting state business.
- (5) Upon claims in which it is finally determined that the injured worker was not the employee at the time of injury of an employer covered by this chapter, the special fund shall reimburse the carrier for any evaluation performed pursuant to this section for which the carrier has been erroneously compelled to make payment.
- (6) Not less often than annually the designee of the secretary of the Cabinet for Health and Family Services shall assess the performance of the medical schools and render findings as to whether evaluations conducted under this section are being rendered in a timely manner, whether examinations are conducted in accordance with medically recognized techniques, whether impairment ratings are in conformity with standards prescribed by the latest edition available of the "Guides to the Evaluation of Permanent Impairment" published by the American Medical Association, and whether coal workers' pneumoconiosis examinations are conducted in accordance with the standards prescribed in this chapter.
- (7) The General Assembly finds that good public policy mandates the realization of the potential advantages, both economic and effectual, of the use of telemedicine and telehealth. The *commissioner*~~[executive director]~~ may, to the extent that he *or she* finds it feasible and appropriate, require the use of telemedicine and telehealth practices, as authorized under KRS 194A.125, in the independent medical evaluation process required by this chapter.

➔Section 1816. KRS 342.316 is amended to read as follows:

- (1) (a) The employer liable for compensation for occupational disease shall be the employer in whose employment the employee was last exposed to the hazard of the occupational disease. During any period in which this section is applicable to a coal mine, an operator who acquired it or substantially all of its assets from a person who was its operator on and after January 1, 1973, shall be liable for, and secure the payment of, the benefits which would have been payable by the prior operator under this section with respect to miners previously employed in the mine if it had not been acquired by such later operator. At the same time, however, this subsection does not relieve the prior operator of any liability under this section. Also, it does not affect whatever rights the later operator might have against the prior operator.
- (b) The time of the beginning of compensation payments shall be the date of the employee's last injurious exposure to the cause of the disease, or the date of actual disability, whichever is later.
- (2) The procedure with respect to the giving of notice and determination of claims in occupational disease cases and the compensation and medical benefits payable for disability or death due to the disease shall be the same as in cases of accidental injury or death under the general provisions of this chapter, except that notice of claim shall be given to the employer as soon as practicable after the employee first experiences a distinct manifestation of an occupational disease in the form of symptoms reasonably sufficient to apprise *the employee*~~him~~ that he *or she* has contracted the disease, or a diagnosis of the disease is first communicated to him *or her*, whichever shall first occur.
- (3) The procedure for filing occupational disease claims shall be as follows:

- (a) The application for resolution of claim shall set forth the complete work history of the employee with a concise description of injurious exposure to a specific occupational disease, together with the name and addresses of the employer or employers with the approximate dates of employment. The application shall also include at least one (1) written medical report supporting his *or her* claim. This medical report shall be made on the basis of clinical or X-ray examination performed in accordance with accepted medical standards and shall contain full and complete statements of all examinations performed and the results thereof. The report shall be made by a duly-licensed physician. The ~~commissioner~~~~executive director~~ shall promulgate administrative regulations which prescribe the format of the medical report required by this section and the manner in which the report shall be completed.
1. For coal-related occupational pneumoconiosis claims, each clinical examination shall include a chest X-ray interpretation by a National Institute of Occupational Safety and Health (NIOSH) certified "B" reader. The chest X-ray upon which the report is made shall be filed with the application as well as spirometric tests when pulmonary dysfunction is alleged.
 2. For other compensable occupational pneumoconiosis claims, each clinical examination shall include a chest X-ray examination and appropriate pulmonary function tests.
- (b) To be admissible, medical evidence offered in any proceeding under this chapter for determining a claim for occupational pneumoconiosis resulting from exposure to coal dust shall comply with accepted medical standards as follows:
1. Chest X-rays shall be of acceptable quality with respect to exposure and development and shall be indelibly labeled with the date of the X-ray and the name and Social Security number of the claimant. Physicians' reports of X-ray interpretations shall: identify the claimant by name and Social Security number; include the date of the X-ray and the date of the report; classify the X-ray interpretation using the latest ILO Classification and be accompanied by a completed copy of the latest ILO Classification report. Only interpretations by National Institute of Occupational Safety and Health (NIOSH) certified "B" readers shall be admissible.
 2. Spirometric testing shall be conducted in accordance with the standards recommended in the latest edition available of the "Guides to the Evaluation of Permanent Impairment" published by the American Medical Association and the 1978 ATS epidemiology standardization project with the exception that the predicted normal values for lung function shall not be adjusted based upon the race of the subject. The FVC or the FEV1 values shall represent the largest of such values obtained from three (3) acceptable forced expiratory volume maneuvers as corrected to BTPS (body temperature, ambient pressure and saturated with water vapor at these conditions) and the variance between the two (2) largest acceptable FVC values shall be either less than five percent (5%) of the largest FVC value or less than one hundred (100) milliliters, whichever is greater. The variance between the two (2) largest acceptable FEV1 values shall be either less than five percent (5%) of the largest FEV1 value or less than one hundred (100) milliliters, whichever is greater. Reports of spirometric testing shall include a description by the physician of the procedures utilized in conducting such spirometric testing and a copy of the spirometric chart and tracings from which spirometric values submitted as evidence were taken.
 3. The ~~commissioner~~~~executive director~~ shall promulgate administrative regulations pursuant to KRS Chapter 13A as necessary to effectuate the purposes of this section. The ~~commissioner~~~~executive director~~ shall periodically review the applicability of the spirometric test values contained in the latest edition available of the "Guides to the Evaluation of Permanent Impairment" published by the American Medical Association and may by administrative regulation substitute other spirometric test values which are found to be more closely representative of the normal pulmonary function of the coal mining population.
 4. The procedure for determination of occupational disease claims shall be as follows:
 - a. Immediately upon receipt of an application for resolution of claim, the ~~commissioner~~~~executive director~~ shall notify the responsible employer and all other interested parties and shall furnish them with a full and complete copy of the application.
 - b. The ~~commissioner~~~~executive director~~ shall assign the claim to an administrative law judge and, except for coal workers' pneumoconiosis claims, shall promptly refer the

employee to such physician or medical facility as the **commissioner**~~executive director~~ may select for examination. The report from this examination shall be provided to all parties of record. The employee shall not be referred by the **commissioner**~~executive director~~ for examination within two (2) years following any prior referral for examination for the same disease.

- c. Except for coal workers' pneumoconiosis claims, within forty-five (45) days following the notice of filing an application for resolution of claim, the employer or carrier shall notify the **commissioner**~~executive director~~ and all parties of record of its acceptance or denial of the claim. A denial shall be in writing and shall state the specific basis for the denial. In coal workers' pneumoconiosis claims, the employer's notice of claim denial or acceptance shall be filed within thirty (30) days of the issuance by the **commissioner**~~executive director~~ of the notice of the consensus reading unless the consensus is that the miner has not developed coal workers' pneumoconiosis category 1/0 or greater. In the event the consensus procedure is exhausted without consensus being established, the employer's notice of claim denial or acceptance shall be filed within thirty (30) days of the **commissioner**~~executive director~~ notification to the administrative law judge that consensus has not been reached.
 - d. Within forty-five (45) days of assignment of a coal workers' pneumoconiosis claim to an administrative law judge, the employer shall cause the employee to be examined by a physician of the employer's choice and shall provide to all other parties and file with the **commissioner**~~executive director~~ the X-ray interpretation by a "B" reader. The examination of the employee shall include spirometric testing if pulmonary dysfunction is alleged by the employee in the application for resolution of a claim. The **commissioner**~~executive director~~ shall determine whether the X-ray interpretations filed by the parties are in consensus.
 - e. If the readings are not in consensus, the **commissioner**~~executive director~~ shall forward both films, masking information identifying the facility where the X-ray was obtained and the referring physician, consecutively to three (3) "B" readers selected randomly from a list maintained by the **commissioner**~~executive director~~ for interpretation. Each "B" reader shall select the highest quality film and report only the interpretation of that film. The **commissioner**~~executive director~~ shall determine if two (2) of the X-ray interpretations filed by the three (3) "B" readers selected randomly are in consensus. If consensus is reached, the **commissioner**~~executive director~~ shall forward copies of the report to all parties as well as notice of the consensus reading which shall be considered as evidence. If consensus is not reached, the administrative law judge shall decide the claim on the evidence submitted.
 - f. "Consensus" is reached between two (2) chest X-ray interpreters when their classifications meet one (1) of the following criteria: each finds either category A, B, or C progressive massive fibrosis; or findings with regard to simple pneumoconiosis are both in the same major category and within one (1) minor category (ILO category twelve (12) point scale) of each other.
 - g. The administrative law judge shall conduct such proceedings as are necessary to resolve the claim and shall have authority to grant or deny any relief, including interlocutory relief, to order additional proof, to conduct a benefit review conference, or to take such other action as may be appropriate to resolve the claim.
 - h. Unless a voluntary settlement is reached by the parties, or the parties agree otherwise, the administrative law judge shall issue a written determination within sixty (60) days following a hearing. The written determination shall address all contested issues and shall be enforceable under KRS 342.305.
5. The procedure for appeal from a determination of an administrative law judge shall be as set forth in KRS 342.285.
- (4) (a) The right to compensation under this chapter resulting from an occupational disease shall be forever barred unless a claim is filed with the **commissioner**~~executive director~~ within three (3) years after the last injurious exposure to the occupational hazard or after the employee first experiences a distinct

manifestation of an occupational disease in the form of symptoms reasonably sufficient to apprise *the employee*~~[him]~~ that he *or she* has contracted the disease, whichever shall last occur; and if death results from the occupational disease within that period, unless a claim therefor be filed with the *commissioner*~~[executive director]~~ within three (3) years after the death; but that notice of claim shall be deemed waived in case of disability or death where the employer, or *its*~~[his]~~ insurance carrier, voluntarily makes payment therefor, or if the incurrence of the disease or the death of the employee and its cause was known to the employer. However, the right to compensation for any occupational disease shall be forever barred, unless a claim is filed with the *commissioner*~~[executive director]~~ within five (5) years from the last injurious exposure to the occupational hazard, except that, in cases of radiation disease or asbestos-related disease, a claim must be filed within twenty (20) years from the last injurious exposure to the occupational hazard.

- (b) Income benefits for the disease of pneumoconiosis resulting from exposure to coal dust or death therefrom shall not be payable unless the employee has been exposed to the hazards of such pneumoconiosis in the Commonwealth of Kentucky over a continuous period of not less than two (2) years during the ten (10) years immediately preceding the date of his *or her* last exposure to such hazard, or for any five (5) of the fifteen (15) years immediately preceding the date of such last exposure.
- (5) The amount of compensation payable for disability due to occupational disease or for death from the disease, and the time and manner of its payment, shall be as provided for under the general provisions of the Workers' Compensation Act, but:
 - (a) In no event shall the payment exceed the amounts that were in effect at the time of the last injurious exposure;
 - (b) The time of the beginning of compensation payments shall be the date of the employee's last injurious exposure to the cause of the disease, or the date of actual disability, whichever is later; and
 - (c) In case of death where the employee has been awarded compensation or made timely claim within the period provided for in this section, and an employee has suffered continuous disability to the date of his *or her* death occurring at any time within twenty (20) years from the date of disability, his *or her* dependents, if any, shall be awarded compensation for his *or her* death as provided for under the general provisions of the Workers' Compensation Act and in this section, except as provided in KRS 342.750(6).
 - (6) If an autopsy has been performed, no testimony relative thereto shall be admitted unless the employer or *its*~~[his]~~ representative has available findings and reports of the pathologist or doctor who performed the autopsy examination.
 - (7) No compensation shall be payable for occupational disease if the employee at the time of entering the employment of the employer by whom compensation would otherwise be payable, falsely represented himself *or herself*, in writing, as not having been previously disabled, laid off, or compensated in damages or otherwise, because of the occupational disease, or failed or omitted truthfully to state to the best of his *or her* knowledge, in answer to written inquiry made by the employer, the place, duration, and nature of previous employment, or, to the best of his *or her* knowledge, the previous state of his *or her* health.
 - (8) No compensation for death from occupational disease shall be payable to any person whose relationship to the deceased, which under the provisions of this chapter would give right to compensation, arose subsequent to the beginning of the first compensable disability, except only for after-born children of a marriage existing at the beginning of such disability.
 - (9) Whenever any claimant misconceives his *or her* remedy and files an application for adjustment of claim under the general provisions of this chapter and it is subsequently discovered, at any time before the final disposition of the cause, that the claim for injury, disability, or death which was the basis for his *or her* application should properly have been made under the provisions of this section, then the application so filed may be amended in form or substance, or both, to assert a claim for injury, disability, or death under the provisions of this section, and it shall be deemed to have been so filed as amended on the date of the original filing thereof, and compensation may be awarded that is warranted by the whole evidence pursuant to the provisions of this chapter. When amendment of this type is submitted, further or additional evidence may be heard when deemed necessary. Nothing this section contains shall be construed to be or permit a waiver of any of the provisions of this chapter with reference to notice of time for filing of a claim, but notice of filing a claim, if given or done,

shall be deemed to be a notice of filing of a claim under provisions of this chapter, if given or done within the time required by this subsection.

- (10) When an employee has an occupational disease that is covered by this chapter, the employer in whose employment he *or she* was last injuriously exposed to the hazard of the disease, and the employer's insurance carrier, if any, at the time of the exposure, shall alone be liable therefor, without right to contribution from any prior employer or insurance carrier, except as otherwise provided in this chapter.
- (11)
 - (a) Income benefits for coal-related occupational pneumoconiosis shall be paid fifty percent (50%) by the Kentucky coal workers' pneumoconiosis fund as established in KRS 342.1242 and fifty percent (50%) by the employer in whose employment the employee was last exposed to the hazard of that occupational disease.
 - (b) Compensation for all other occupational disease shall be paid by the employer in whose employment the employee was last exposed to the hazards of the occupational disease.
- (12) A concluded claim for benefits by reason of contraction of coal workers' pneumoconiosis in the severance or processing of coal shall bar any subsequent claim for benefits by reason of contraction of coal workers' pneumoconiosis, unless there has occurred in the interim between the conclusion of the first claim and the filing of the second claim at least two (2) years of employment wherein the employee was continuously exposed to the hazards of the disease in the Commonwealth.
- (13) For coal-related occupational pneumoconiosis claims, the consensus procedure shall apply to all claims which have not been assigned to an administrative law judge prior to July 15, 2002. The consensus classification shall be presumed to be the correct classification of the employee's condition unless overcome by clear and convincing evidence. If an administrative law judge finds that the presumption of correctness of the consensus reading has been overcome, the reasons shall be specially stated in the administrative law judge's order.

➔Section 1817. KRS 342.320 is amended to read as follows:

- (1) All fees of attorneys and physicians, and all charges of hospitals under this chapter, shall be subject to the approval of an administrative law judge pursuant to the statutes and administrative regulations.
- (2) In an original claim, attorney's fees for services under this chapter on behalf of an employee shall be subject to the following maximum limits:
 - (a) Twenty percent (20%) of the first twenty-five thousand dollars (\$25,000) of the award, fifteen percent (15%) of the next ten thousand dollars (\$10,000), and five percent (5%) of the remainder of the award, not to exceed a maximum fee of twelve thousand dollars (\$12,000). This fee shall be paid by the employee from the proceeds of the award or settlement.
 - (b) Attorney-client employment contracts entered into and signed after July 14, 2000, shall be subject to the conditions of paragraph (a) of this subsection.
- (3) In approving an allowance of attorney's fees, the administrative law judge shall consider the extent, complexity, and quality of services rendered, and in the case of death, the Remarriage Tables of the Dutch Royal Insurance Institute. An attorney's fee may be denied or reduced upon proof of solicitation by the attorney. However, this provision shall not be construed to preclude advertising in conformity with standards prescribed by the Kentucky Supreme Court.
- (4) No attorney's fee in any case involving benefits under this chapter shall be paid until the fee is approved by the administrative law judge, and any contract for the payment of attorney's fees otherwise than as provided in this section shall be void. The motion for approval of an attorney's fee shall be submitted within thirty (30) days following finality of the claim. Except when the attorney's fee is to be paid by the employer or carrier, the attorney's fee shall be paid in one (1) of the following ways:
 - (a) The employee may pay the attorney's fee out of his *or her* personal funds or from the proceeds of a lump-sum settlement; or
 - (b) The administrative law judge, upon request of the employee, may order the payment of the attorney's fee in a lump sum directly to the attorney of record and deduct the attorney's fee from the weekly benefits payable to the employee in equal installments over the duration of the award or until the attorney's fee has been paid, commuting sufficient sums to pay the fee.

- (5) At the commencement of the attorney-client relationship, the attorney shall explain to the employee the methods by which this section provides for the payment of the attorney's fee, and the employee shall select the method in which ~~the~~^{his} attorney's fee is to be paid. His *or her* selection and statement that he *or she* fully understands the method to be used shall be submitted by his *or her* attorney, on a notarized form signed by the employee, at the time the motion for approval of the attorney's fee is submitted. The *commissioner*~~[executive director]~~ shall develop the format and content of the form to be used pursuant to this section. The form to be used shall list on its face all options permitted in this section for the payment of an attorney's fees and contain an explanation in nontechnical language of each method.
- (6) The General Assembly declares that by the enactment of KRS 342.316(3), it is the legislative intent to encourage settlement and prompt administrative handling of those claims and thereby reduce expenses to claimants for compensation under the provisions of KRS 342.316, and the administrative law judge shall give due regard to this legislative intent in the handling of uncontested claims and the allowance of attorney's fees therein.
- (7) In a claim that has been reopened pursuant to the provisions of this chapter, an attorney's fee may be awarded by the administrative law judge subject to the limits set forth in subsection (2) of this section. In awarding the attorney's fee, the administrative law judge shall consider the factors set forth in subsection (3) of this section. If no additional amount is recovered upon reopening, no attorney's fee shall be awarded. No attorney's fee shall be allowed or approved exceeding the amounts provided in subsection (2)(a) of this section applicable to any additional amount recovered.
- (8) Attorney's fees for representing employers in proceedings under this chapter pursuant to contract with the employer shall be subject to approval of the administrative law judge in the same manner as prescribed for attorney representation of employees. Employer attorney's fees are subject to the limitation of twelve thousand dollars (\$12,000) maximum fees except that fees for representing employers shall not be dependent upon the result achieved. Employer attorney's fees may be paid on a periodic basis while a claim is adjudicated and the payments need not be approved until the claims resolution process is completed. Fees for legal services in presenting a claim for reimbursement from the Kentucky coal workers' pneumoconiosis fund shall not exceed one thousand dollars (\$1,000). All such approved fees shall be paid by the employer and in no event shall exceed the amount the employer agreed by contract to pay.

➔Section 1818. KRS 342.329 is amended to read as follows:

- (1) The Division of Ombudsman and *Workers' Compensation* Specialist Services shall be headed by a director appointed by the *commissioner with the approval of the Governor, in accordance with KRS 12.050 and 342.230*~~[executive director]~~. The functions of the division shall include:
 - (a) Serving as an information source for employees, employers, medical, vocational, and rehabilitation personnel, carriers, and self-insurers;
 - (b) Responding to inquiries and complaints relative to the workers' compensation program;
 - (c) Advising all parties of their rights and obligations under this chapter;
 - (d) Assisting workers in obtaining medical reports, job descriptions, and other materials pertinent to a claim for benefits and preparing all documents necessary for a claim application; and
 - (e) Performing other duties as required by the *commissioner*~~[executive director]~~ through administrative regulations promulgated by the *commissioner*~~[executive director]~~.
- (2) The employee, employer, carrier, self-insured administrator, and medical provider shall promptly comply with reasonable information requests from an ombudsman.
- (3) The ombudsman program shall be staffed with personnel trained in techniques performed by ombudsmen and who are familiar with medical and vocational rehabilitation principles and knowledgeable about the provisions of this chapter and applicable administrative regulations.
- (4) A toll-free telephone number shall be provided throughout the Commonwealth to insure easy access by all parties to the division.

➔Section 1819. KRS 342.335 is amended to read as follows:

- (1) No person shall knowingly file, or permit to be filed, any false or fraudulent claim on his *or her* behalf to compensation or other benefits under this chapter, or by fraud, deceit, or misrepresentation procure or cause to be made or receive any payments of compensation or other benefits under this chapter to which the recipient is not lawfully entitled, or conspire with, aid, or abet another so to do. No person shall by deceit or misrepresentation or with intent to defraud cause or procure or conspire with, aid or abet another in so causing or procuring any person entitled to compensation or other benefits under this chapter to delay or omit to claim title thereto or to accept the payment of a less sum than that to which he *or she* may be lawfully entitled ~~to~~ thereunder.
- (2) Any person, as that term is defined in KRS 342.0011, who knowingly, as defined in KRS 501.020, makes any false representation, including misrepresentations of hazards, classifications, payrolls, or other facts by an employer or its agent that are designed to cause a reduction in the employer's premium, for the purpose of or in the course of receiving or providing any service or benefit available under this chapter, shall be subject to the civil fines imposed pursuant to KRS 342.990 for a violation of this subsection. In addition, if a person who violates the provisions of this subsection is also dependent upon a professional license to provide any service or benefit under this chapter, the **commissioner**~~{executive director}~~ shall refer the matter to the appropriate licensing body and recommend revocation of that person's license to work at his *or her* profession in the Commonwealth of Kentucky.

➔Section 1820. KRS 342.340 is amended to read as follows:

- (1) Every employer under this chapter shall either insure and keep insured ~~its~~~~{his}~~ liability for compensation hereunder in some corporation, association, or organization authorized to transact the business of workers' compensation insurance in this state or shall furnish to the **commissioner**~~{executive director}~~ satisfactory proof of ~~its~~~~{his}~~ financial ability to pay directly the compensation in the amount and manner and when due as provided for in this chapter. In the latter case, the **commissioner**~~{executive director}~~ shall require the deposit of an acceptable security, indemnity, or bond to secure, to the extent the **commissioner**~~{executive director}~~ directs, the payment of compensation liabilities as they are incurred. A public sector self-insured employer shall not be required to deposit funds as security, indemnity, or bond to secure the payment of liabilities under this chapter, if the public employer has authority to raise taxes, notwithstanding provisions of KRS 68.245, 132.023, 132.027, and 160.470 relating to recall and reconsideration of local taxes; raise tuition; issue bonds; raise fees or fares for services provided; or has other authority to generate funds for its operation.
- (2) Every employer subject to this chapter shall file, or have filed on its behalf, with the **department**~~{office}~~, as often as may be necessary, evidence of its compliance with the provisions of this section and all others relating hereto. Any insurance carrier or self-insured group providing workers' compensation insurance coverage for a Kentucky location shall file on behalf of the employer, with the **commissioner**~~{executive director}~~, evidence of the employer's compliance with this chapter. Evidence of compliance filed with the **department**~~{office}~~ may include a named additional insured who has been provided proof of workers' compensation insurance coverage by the employer. The filing shall be made within ten (10) days after the issuance of a policy, endorsement to a policy, or similar documentation of coverage. Every employer who has complied with the foregoing provision and has subsequently canceled its insurance or its membership in an approved self-insured group, as the case may be, shall immediately notify, or have notice given on its behalf to the **department**~~{office}~~ of the cancellation, the date thereof, and the reasons therefor; and every insurance carrier or self-insured group shall in like manner notify the **commissioner**~~{executive director}~~ upon the cancellation, lapse, termination, expiration by reason of termination of policy period, or nonrenewal of any policy issued by it or termination of any membership agreement, whichever is applicable under the provisions of this chapter, except that the carrier or self-insured group need not set forth its reasons therefor unless requested by the **commissioner**~~{executive director}~~. The above filings are to be made on the forms prescribed by the **commissioner**~~{executive director}~~. Termination of any policy of insurance issued under the provisions of this chapter shall take effect no greater than ten (10) days prior to the receipt of the notification by the **commissioner**~~{executive director}~~ unless the employer has obtained other insurance and the **commissioner**~~{executive director}~~ is notified of that fact by the insurer assuming the risk. - (2) The payment or award of benefits under the workers' compensation law of another state, territory, province, or foreign nation to an employee or his *or her* dependents otherwise entitled on account of such injury or death to the benefits of this chapter shall not be a bar to a claim for benefits under this chapter, if a claim under this chapter is filed within two (2) years after that injury or death. If compensation is paid or awarded under this chapter:
- (a) The medical and related benefits furnished or paid for by the employer under another jurisdiction's workers' compensation law on account of such injury or death shall be credited against the medical and related benefits to which the employee would have been entitled under this chapter had claim been made solely under this chapter;
 - (b) The total amount of all income benefits paid or awarded the employee under another jurisdiction's workers' compensation law shall be credited against the total amount of income benefits which would have been due the employee under this chapter, had claim been made solely under this chapter; and
 - (c) The total amount of death benefits paid or awarded under another jurisdiction's workers' compensation law shall be credited against the total amount of death benefits due under this chapter.
- (3) If any employee is entitled to the benefits of this chapter by reason of an injury sustained in this state in employment by an employer who is domiciled in another state and who has not secured the payment of compensation as required by this chapter, the employer or his carrier may file with the *commissioner*~~[executive director]~~ a certificate, issued by the commission or agency of the other state having jurisdiction over workers' compensation claims, certifying that the employer has secured the payment of compensation under the workers' compensation law of the other state and that with respect to the injury the employee is entitled to the benefits provided under that law, and that the benefits to which the employee or his *or her* dependents is entitled are at least as great as those to which he *or she* would be entitled if the injury occurred and was processed under Kentucky law, under Kentucky coverage. In this event:
- (a) The filing of the certificate shall constitute an appointment by the employer or his carrier of the *commissioner*~~[executive director]~~ as his *or her* agent for acceptance of the service of process in any proceeding brought by the employee or his *or her* dependents to enforce his, *her*, or their rights under this chapter on account of the injury;

- (b) The ~~commissioner~~~~executive director~~ shall send to the employer or carrier, by certified mail to the address shown on the certificate, a true copy of any notice of claim or other process served on the ~~commissioner~~~~executive director~~ by the employee or his *or her* dependents in any proceeding brought to enforce his, *her*, or their rights under this chapter;
- (c) 1. If the employer is a qualified self-insurer under the workers' compensation law of the other state, the employer shall, upon submission of evidence satisfactory to the ~~commissioner~~~~executive director~~, of ~~its~~~~his~~ ability to meet ~~its~~~~his~~ liability to the employee under this chapter, be deemed to be a qualified self-insurer under this chapter;
2. If the employer's liability under the workers' compensation law of the other state is insured, the employer's carrier, as to the employee or his *or her* dependents only, shall be deemed to be an insurer authorized to write insurance under and be subject to this chapter; however, unless its contract with the employer requires it to pay an amount equivalent to the compensation benefits provided by this chapter, its liability for income benefits or medical and related benefits shall not exceed the amounts of the benefits for which the insurer would have been liable under the workers' compensation law of the other state;
- (d) If the total amount for which the employer's insurance is liable under (c) above is less than the total of the compensation benefits to which the employee is entitled under this chapter, the ~~commissioner~~~~executive director~~ may, if he *or she* deems it necessary, require the employer to file security, satisfactory to the ~~commissioner~~~~executive director~~, to secure the payment of benefits due the employee or his *or her* dependents under this chapter; and
- (e) Upon compliance with the preceding requirements of this subsection (3), the employer, as to the employee only, shall be deemed to have secured the payment of compensation under this chapter.
- (4) Any professional athlete, coach, or trainer who has been hired outside this Commonwealth by an employer domiciled in a foreign state, including professional baseball, basketball, football, and ice-hockey clubs, is exempted from the provisions of this chapter while that employee is temporarily within this Commonwealth doing work for the employer, if the foreign employer has secured workers' compensation insurance coverage under the workers' compensation law of the foreign state, so as to cover the employee's employment while in this Commonwealth. The benefits under the workers' compensation law of the foreign state shall be the exclusive remedy against that employer and any affiliated club for any injury, whether resulting in death or not, received by any employee while working for that employer in this Commonwealth.
- (5) As used in this section:
- (a) "United States" includes only the states of the United States and the District of Columbia;
- (b) "State" includes any state of the United States, the District of Columbia, or any province of Canada;
- (c) "Carrier" includes any insurance company licensed to write workers' compensation insurance in any state of the United States or any state or provincial fund which insures employers against their liabilities under a workers' compensation law;
- (d) A person's employment is principally localized in this or another state when:
1. His *or her* employer has a place of business in this or the other state and he *or she* regularly works at or from that place of business, or
2. If subparagraph 1. foregoing is not applicable, he *or she* is domiciled and spends a substantial part of his *or her* working time in the service of his *or her* employer in this or the other state;
- (e) An employee whose duties require him *or her* to travel regularly in the service of his *or her* employer in this and one (1) or more other states may, by written agreement with his *or her* employer, provide that his *or her* employment is principally localized in this or another state, and, unless the other state refuses jurisdiction, the agreement shall be given effect under this chapter;
- (f) "Workers' compensation law" includes "occupational disease law."

➔Section 1840. KRS 342.710 is amended to read as follows:

- (1) One of the primary purposes of this chapter shall be restoration of the injured employee to gainful employment, and preference shall be given to returning the employee to employment with the same employer or to the same or similar employment.
- (2) The **commissioner**~~executive director~~ shall continuously study the problems of rehabilitation, both physical and vocational, and shall investigate and maintain a directory of all rehabilitation facilities, both private and public.
- (3) An employee who has suffered an injury covered by this chapter shall be entitled to prompt medical rehabilitation services for whatever period of time is necessary to accomplish physical rehabilitation goals which are feasible, practical, and justifiable. When as a result of the injury he **or she** is unable to perform work for which he **or she** has previous training or experience, he **or she** shall be entitled to such vocational rehabilitation services, including retraining and job placement, as may be reasonably necessary to restore him **or her** to suitable employment. In all such instances, the administrative law judge shall inquire whether such services have been voluntarily offered and accepted. The administrative law judge on his **or her** own motion, or upon application of any party or carrier, after affording the parties an opportunity to be heard, may refer the employee to a qualified physician or facility for evaluation of the practicability of, need for, and kind of service, treatment, or training necessary and appropriate to render him **or her** fit for a remunerative occupation. Upon receipt of such report, the administrative law judge may order that the services and treatment recommended in the report, or such other rehabilitation treatment or service likely to return the employee to suitable, gainful employment, be provided at the expense of the employer or ~~its~~~~his~~ insurance carrier. Vocational rehabilitation training, treatment, or service shall not extend for a period of more than fifty-two (52) weeks, except in unusual cases when by special order of the administrative law judge, after hearing and upon a finding, determined by sound medical evidence which indicates such further rehabilitation is feasible, practical, and justifiable, the period may be extended for additional periods.
- (4) Where rehabilitation requires residence at or near the facility or institution, away from the employee's customary residence, reasonable cost of his **or her** board, lodging, or travel shall be paid for by the employer or ~~its~~~~his~~ insurance carrier.
- (5) Refusal to accept rehabilitation pursuant to an order of an administrative law judge shall result in a fifty percent (50%) loss of compensation for each week of the period of refusal.
- (6) The **commissioner**~~executive director~~ shall cooperate on a reciprocal basis with the Office of Vocational Rehabilitation and the Office of Employment and Training of the Education and Workforce Development Cabinet. In the event medical treatment, medical rehabilitation services, or vocational rehabilitation services are purchased for an injured employee by the Office of Vocational Rehabilitation or Office of Employment and Training following the refusal by the employer or ~~its~~~~his~~ insurance carrier to provide such services, the administrative law judge, after affording the parties an opportunity to be heard, may order reimbursement of the cost of such treatment or services by the employer or ~~its~~~~his~~ insurance carrier as apportioned in the award. This section shall not be interpreted to require mandatory evaluation of employees based on length of disability. Any administrative regulations promulgated pursuant to this section that require mandatory referral to a qualified rehabilitation counselor shall expire on April 4, 1994.
- (7) An employee who is enrolled and participating in a program of rehabilitation training pursuant to this section may elect to receive an acceleration of benefits as awarded under KRS 342.730. Such acceleration shall be available to the employee during the period of retraining, but in no event shall be paid in a weekly amount greater than sixty-six and two-thirds percent (66-2/3%) of the average weekly wage upon which the award is based, not to exceed one hundred percent (100%) of the state average weekly wage. Upon successful completion of the rehabilitation program, the total of all accelerated benefits paid shall be deducted on a dollar-for-dollar basis, without discount, from weekly benefits otherwise due the employee subject to the maximum amount of the award. Such remaining benefits, if any, shall then be divided by the number of weeks remaining payable under the award, and that amount shall be the weekly benefit due the employee. If a program of rehabilitation training is terminated by the employee prior to completion, all sums paid on an accelerated basis shall be discounted at the rate set forth in KRS 342.265 and then deducted on a dollar-for-dollar basis from weekly benefits otherwise due the employee subject to the maximum amount of the award. Such remaining benefits, after the discount, shall be divided by the number of weeks remaining payable under the award, and that amount shall be the weekly benefit due the employee. In no event shall this subsection be construed as requiring payment of benefits in excess of the total of those benefits which would otherwise be payable under the award.

➔Section 1841. KRS 342.730 is amended to read as follows:

- (1) Except as provided in KRS 342.732, income benefits for disability shall be paid to the employee as follows:
- (a) For temporary or permanent total disability, sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than one hundred percent (100%) of the state average weekly wage and not less than twenty percent (20%) of the state average weekly wage as determined in KRS 342.740 during that disability. Nonwork-related impairment and conditions compensable under KRS 342.732 and hearing loss covered in KRS 342.7305 shall not be considered in determining whether the employee is totally disabled for purposes of this subsection.
- (b) For permanent partial disability, sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740, multiplied by the permanent impairment rating caused by the injury or occupational disease as determined by "Guides to the Evaluation of Permanent Impairment," American Medical Association, latest edition available, times the factor set forth in the table that follows:

AMA Impairment	Factor
0 to 5%	0.65
6 to 10%	0.85
11 to 15%	1.00
16 to 20%	1.00
21 to 25%	1.15
26 to 30%	1.35
31 to 35%	1.50
36% and above	1.70

Any temporary total disability period within the maximum period for permanent, partial disability benefits shall extend the maximum period but shall not make payable a weekly benefit exceeding that determined in subsection (1)(a) of this section. Notwithstanding any section of this chapter to the contrary, there shall be no minimum weekly income benefit for permanent partial disability and medical benefits shall be paid for the duration of the disability.

- (c) 1. If, due to an injury, an employee does not retain the physical capacity to return to the type of work that the employee performed at the time of injury, the benefit for permanent partial disability shall be multiplied by three (3) times the amount otherwise determined under paragraph (b) of this subsection, but this provision shall not be construed so as to extend the duration of payments; or
2. If an employee returns to work at a weekly wage equal to or greater than the average weekly wage at the time of injury, the weekly benefit for permanent partial disability shall be determined under paragraph (b) of this subsection for each week during which that employment is sustained. During any period of cessation of that employment, temporary or permanent, for any reason, with or without cause, payment of weekly benefits for permanent partial disability during the period of cessation shall be two (2) times the amount otherwise payable under paragraph (b) of this subsection. This provision shall not be construed so as to extend the duration of payments.
3. Recognizing that limited education and advancing age impact an employee's post-injury earning capacity, an education and age factor, when applicable, shall be added to the income benefit multiplier set forth in paragraph (c)1. of this subsection. If at the time of injury, the employee had less than eight (8) years of formal education, the multiplier shall be increased by four-tenths (0.4); if the employee had less than twelve (12) years of education or a high school General Educational Development diploma, the multiplier shall be increased by two-tenths (0.2); if the employee was age sixty (60) or older, the multiplier shall be increased by six-tenths (0.6); if the employee was age fifty-five (55) or older, the multiplier shall be increased by four-tenths (0.4); or if the employee was age fifty (50) or older, the multiplier shall be increased by two-tenths (0.2).

4. Notwithstanding the provisions of KRS 342.125, a claim may be reopened at any time during the period of permanent partial disability in order to conform the award payments with the requirements of subparagraph 2. of this paragraph.
 - (d) For permanent partial disability, if an employee has a permanent disability rating of fifty percent (50%) or less as a result of a work-related injury, the compensable permanent partial disability period shall be four hundred twenty-five (425) weeks, and if the permanent disability rating is greater than fifty percent (50%), the compensable permanent partial disability period shall be five hundred twenty (520) weeks from the date the impairment or disability exceeding fifty percent (50%) arises. Benefits payable for permanent partial disability shall not exceed ninety-nine percent (99%) of sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage as determined under KRS 342.740 and shall not exceed seventy-five percent (75%) of the state average weekly wage, except for benefits payable pursuant to paragraph (c)1. of this subsection, which shall not exceed one hundred percent (100%) of the state average weekly wage, nor shall benefits for permanent partial disability be payable for a period exceeding five hundred twenty (520) weeks, notwithstanding that multiplication of impairment times the factor set forth in paragraph (b) of this subsection would yield a greater percentage of disability.
 - (e) For permanent partial disability, impairment for nonwork-related disabilities, conditions previously compensated under this chapter, conditions covered by KRS 342.732, and hearing loss covered in KRS 342.7305 shall not be considered in determining the extent of disability or duration of benefits under this chapter.
- (2) The period of any income benefits payable under this section on account of any injury shall be reduced by the period of income benefits paid or payable under this chapter on account of a prior injury if income benefits in both cases are for disability of the same member or function, or different parts of the same member or function, and the income benefits payable on account of the subsequent disability in whole or in part would duplicate the income benefits payable on account of the pre-existing disability.
- (3) Subject to the limitations contained in subsection (4) of this section, when an employee, who has sustained disability compensable under this chapter, and who has filed, or could have timely filed, a valid claim in his *or her* lifetime, dies from causes other than the injury before the expiration of the compensable period specified, portions of the income benefits specified and unpaid at the individual's death, whether or not accrued or due at his *or her* death, shall be paid, under an award made before or after the death, for the period specified in this section, to and for the benefit of the persons within the classes at the time of death and in the proportions and upon the conditions specified in this section and in the order named:
 - (a) To the widow or widower, if there is no child under the age of eighteen (18) or incapable of self-support, benefits at fifty percent (50%) of the rate specified in the award; or
 - (b) If there are both a widow or widower and such a child or children, to the widow or widower, forty-five percent (45%) of the benefits specified in the award, or forty percent (40%) of those benefits if such a child or children are not living with the widow or widower; and, in addition thereto, fifteen percent (15%) of the benefits specified in the award to each child. Where there are more than two (2) such children, the indemnity benefits payable on account of two (2) children shall be divided among all the children, share and share alike; or
 - (c) If there is no widow or widower but such a child or children, then to the child or children, fifty percent (50%) of the benefits specified in the award to one (1) child, and fifteen percent (15%) of those benefits to a second child, to be shared equally. If there are more than two (2) such children, the indemnity benefits payable on account of two (2) children shall be divided equally among all the children; or
 - (d) If there is no survivor in the above classes, then the parent or parents wholly or partly actually dependent for support upon the decedent, or to other wholly or partly actually dependent relatives listed in paragraph (g) of subsection (1) of KRS 342.750, or to both, in proportions that the **commissioner**~~executive director~~ provides by administrative regulation.
 - (e) To the widow or widower upon remarriage, up to two (2) years, benefits as specified in the award and proportioned under paragraphs (a) or (b) of this subsection, if the proportioned benefits remain unpaid, to be paid in a lump sum.
- (4) All income benefits payable pursuant to this chapter shall terminate as of the date upon which the employee qualifies for normal old-age Social Security retirement benefits under the United States Social Security Act, 42 U.S.C. secs. 301 to 1397f, or two (2) years after the employee's injury or last exposure, whichever last occurs.

In like manner all income benefits payable pursuant to this chapter to spouses and dependents shall terminate when such spouses and dependents qualify for benefits under the United States Social Security Act by reason of the fact that the worker upon whose earnings entitlement is based would have qualified for normal old-age Social Security retirement benefits.

- (5) All income benefits pursuant to this chapter otherwise payable for temporary total and permanent total disability shall be offset by unemployment insurance benefits paid for unemployment during the period of temporary total or permanent total disability.
- (6) All income benefits otherwise payable pursuant to this chapter shall be offset by payments made under an exclusively employer-funded disability or sickness and accident plan which extends income benefits for the same disability covered by this chapter, except where the employer-funded plan contains an internal offset provision for workers' compensation benefits which is inconsistent with this provision.
- (7) If an employee receiving a permanent total disability award returns to work, that employee shall notify the employer, payment obligor, insurance carrier, or special fund as applicable.

➔Section 1842. KRS 342.732 is amended to read as follows:

- (1) Notwithstanding any other provision of this chapter, income benefits and retraining incentive benefits for occupational pneumoconiosis resulting from exposure to coal dust in the severance or processing of coal shall be paid as follows:
 - (a) 1. If an employee has a radiographic classification of category 1/0, 1/1 or 1/2, coal workers' pneumoconiosis and spirometric test values of eighty percent (80%) or more, the employee shall be awarded a one (1) time only retraining incentive benefit which shall be an amount equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage as determined by KRS 342.740, but not more than seventy-five percent (75%) of the state average weekly wage, payable semimonthly for a period not to exceed one hundred four (104) weeks, except as provided in subparagraph 3. of this paragraph.
 2. Except as provided in subparagraph 3. of this paragraph, these benefits shall be paid only while the employee is enrolled and actively and successfully participating as a full-time student taking the equivalent of twelve (12) or more credit hours per week in a bona fide training or education program that if successfully completed will qualify the person completing the course for a trade, occupation, or profession and which program can be completed within the period benefits are payable under this subsection. The program must be approved under administrative regulations to be promulgated by the ~~commissioner~~ ~~executive director~~. These benefits shall also be paid to an employee who is a part-time student taking not less than the equivalent of six (6) nor more than eleven (11) credit hours per week, except that benefits shall be an amount equal to thirty-three and one-third percent (33-1/3%) of the employee's average weekly wage as determined by KRS 342.740, but not more than thirty-seven and one-half percent (37-1/2%) of the state average weekly wage, payable biweekly for a period not to exceed two hundred eight (208) weeks.
 3. These benefits shall also be paid biweekly while an employee is actively and successfully pursuing a General Equivalency Diploma (GED) in accordance with administrative regulations promulgated by the ~~commissioner~~ ~~executive director~~. These benefits shall be paid in the amount of sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage not to exceed seventy-five percent (75%) of the state average weekly wage for a maximum period not to exceed seventeen (17) weeks. These income benefits shall be in addition to the maximum amount of retraining incentive benefits payable under this paragraph.
 4. The employer shall also pay, directly to the institution conducting the training or education program, instruction, tuition, and material costs not to exceed five thousand dollars (\$5,000).
 5. The period of weeks during which this benefit is payable shall begin no later than the thirtieth day after the administrative law judge's order awarding the benefit becomes final, except that an employee may elect to defer the beginning of such benefits up to the three hundred sixty-fifth day following the thirtieth day the order becomes final. Unless the employee has requested deferral of income benefits, those income benefits payable under subparagraphs 1. and 2. of this paragraph shall begin no later than thirty (30) days following conclusion of income benefits paid under subparagraph 3. if such benefits were paid.

6. If an employee who is awarded retraining incentive benefits under this paragraph successfully completes a bona fide training or education program approved by the ~~commissioner~~~~executive director~~, upon completion of the training or education program, the employer shall pay to that employee the sum of five thousand dollars (\$5,000) for successful completion of a program that requires a course of study of not less than twelve (12) months nor more than eighteen (18) months, or the sum of ten thousand dollars (\$10,000) for successful completion of a program that requires a course of study of more than eighteen (18) months. This amount shall be in addition to retraining incentive benefits awarded under this paragraph, and tuition expenses paid by the employer.
 7. An employee who is age fifty-seven (57) years or older on the date of last exposure and who is awarded retraining incentive benefits under subparagraphs 1. to 4. of this paragraph, may elect to receive in lieu of retraining incentive benefits, an amount equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage, not to exceed seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740 multiplied by the disability rating of twenty-five percent (25%) for a period not to exceed four hundred twenty-five (425) weeks, or until the employee reaches sixty-five (65) years of age, whichever occurs first, KRS 342.730(4) notwithstanding.
 8. A claim for retraining incentive benefits provided under this section may be filed, but benefits shall not be payable, while an employee is employed in the severance or processing of coal as defined in KRS 342.0011(23).
 9. If an employer appeals an award of retraining incentive benefits, upon an employee's motion, an administrative law judge may grant retraining incentive benefits pending appeal as interlocutory relief.
 10. If an employee elects to defer payment of retraining incentive benefits for a period of retraining longer than three hundred sixty-five (365) days, benefits otherwise payable shall be reduced week-for-week for each week retraining benefits are further deferred.
- (b)
1. If an employee has a radiographic classification of category 1/0, 1/1, or 1/2 coal workers' pneumoconiosis and respiratory impairment evidenced by spirometric test values of fifty-five percent (55%) or more but less than eighty percent (80%) of the predicted normal values, or category 2/1, 2/2, or 2/3 coal workers' pneumoconiosis and spirometric test values of eighty percent (80%) or more of the predicted normal values, there shall be an irrebuttable presumption that the employee has a disability rating of twenty-five percent (25%) resulting from exposure to coal dust, and the employee shall be awarded an income benefit which shall be an amount equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage, but not to exceed seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740 multiplied by the disability rating of twenty-five percent (25%). The award shall be payable for a period not to exceed four hundred twenty-five (425) weeks.
 2. An employee who is awarded benefits under this paragraph may, at the time of the award or before benefit payments begin, elect to receive retraining incentive benefits provided under paragraph (a)1. to 6. of this subsection, in lieu of income benefits awarded under this paragraph, provided that such option is available one (1) time only and is not revokable, and provided that in no event shall income benefits payable under this paragraph be stacked or added to retraining incentive income benefits paid or payable under subparagraphs 1. to 6. of paragraph (a)1. to 6. of this subsection to extend the period of disability.
- (c)
- If it is determined that an employee has a radiographic classification of category 1/0, 1/1, or 1/2, and respiratory impairment resulting from exposure to coal dust as evidenced by spirometric test values of less than fifty-five percent (55%) of the predicted normal values, or category 2/1, 2/2, or 2/3 coal workers' pneumoconiosis and respiratory impairment evidenced by spirometric test values of fifty-five percent (55%) or more but less than eighty percent (80%) of the predicted normal values, or category 3/2 or 3/3 coal workers' pneumoconiosis and spirometric test values of eighty percent (80%) or more, there shall be an irrebuttable presumption that the employee has a disability rating of fifty percent (50%) resulting from exposure to coal dust, and the employee shall be awarded an income benefit which shall be an amount equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not to exceed seventy-five percent (75%) of the state average weekly wage as determined by

KRS 342.740 multiplied by the disability rating of fifty percent (50%). The award shall be payable for a period not to exceed four hundred twenty-five (425) weeks.

- (d) If it is determined that an employee has a radiographic classification of category 2/1, 2/2, or 2/3 coal workers' pneumoconiosis, based on the latest ILO International Classification of Radiographics, and respiratory impairment as evidenced by spirometric test values of less than fifty-five percent (55%) of the predicted normal values or category 3/2 or 3/3 pneumoconiosis and respiratory impairment evidenced by spirometric test values of fifty-five percent (55%) or more but less than eighty percent (80%) of the predicted normal values, there shall be an irrebuttable presumption that the employee has a seventy-five percent (75%) disability rating resulting from exposure to coal dust and the employee shall be awarded income benefits which shall be equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not to exceed seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740 multiplied by the disability rating of seventy-five percent (75%). The award shall be payable for a period not to exceed five hundred twenty (520) weeks. Income benefits awarded under this paragraph shall be payable to the employee during the disability.
 - (e) If it is determined that an employee has radiographic classification of 3/2 or 3/3 occupational pneumoconiosis and respiratory impairment evidenced by spirometric test values of less than fifty-five percent (55%) of the predicted normal values, or complicated pneumoconiosis (large opacities category A, B, or C progressive massive fibrosis), there shall be an irrebuttable presumption that the employee is totally disabled resulting from exposure to coal dust, and the employee shall be awarded income benefits equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than one hundred percent (100%) of the state average weekly wage and not less than twenty percent (20%) of the average weekly wage of the state as determined by KRS 342.740. Income benefits awarded under this paragraph shall be payable to the employee during such disability.
- (2) The presence of respiratory impairment resulting from exposure to coal dust shall be established by using the largest forced vital capacity (FVC) value or the largest forced expiratory volume in one second (FEV1) value determined from the totality of all such spirometric testing performed in compliance with accepted medical standards.
 - (3) When valid spirometric tests are not provided and a physician certifies to the administrative law judge that spirometric testing is not medically indicated because of the permanent physical condition of the employee, the administrative law judge shall make his *or her* decision on the basis of evidence admitted which establishes the existence of a diagnosis of occupational pneumoconiosis and respiratory impairment due to the occupational pneumoconiosis. The evidence submitted by the employee shall include one (1) or more arterial blood gas studies performed in accordance with accepted medical standards. Income benefits shall not be awarded in the absence of valid spirometric tests if the claimant's PO2 arterial blood gas value is equal to or higher than one (1) standard deviation from the normal value obtained by the formula $(103.5 - 0.42X)$, where X equals the claimant's age at the time of the arterial blood gas study.
 - (4) Upon request, the **commissioner**~~executive director~~ shall refer an employee who has been awarded retraining incentive benefits under subsection (1)(a) of this section to the Office of Vocational Rehabilitation for evaluation and assessment of the training, education, or other services necessary to prepare the employee for a trade, occupation, or profession that will return the employee to remunerative employment, or services necessary and appropriate to prepare and enable the employee to successfully complete a bona fide training or education program approved by the **commissioner**~~executive director~~. The **commissioner**~~executive director~~ shall contract with the Office of Vocational Rehabilitation to provide vocational rehabilitation or education services commensurate with the skill levels and abilities of the employee. Services provided under this subsection shall be funded by the coal workers' pneumoconiosis fund, KRS 342. 1242 notwithstanding.
 - (5) The **commissioner**~~executive director~~ shall promulgate administrative regulations sufficient to effectuate the provisions relating to retraining incentive benefits provided under subsection (1)(a) of this section. The administrative regulations shall:
 - (a) Define a "bona fide training or education program" to mean a postsecondary education or training program, including but not limited to the postsecondary programs registered with the Higher Education Assistance Authority, and successful completion of which will qualify the person completing the course for a trade, occupation, or profession, and which program can be completed within the period benefits are payable under subsection (1)(a) of this section;

- (b) Establish requirements for approval and certification of a bona fide training or education program;
- (c) Provide that funds paid to the training or education program by the employer as required under subsection (1)(a)4. of this section shall be applied only to instruction, tuition, material costs, and any fees necessary for the completion of the program;
- (d) Establish requirements for successful participation in and completion of an approved and certified bona fide training or education program, and eligibility standards that must be satisfied to receive sums to be paid by the employer pursuant to subsection (1)(a)6. of this section; and
- (e) Establish attendance, performance and progress standards, and reporting requirements in consultation with the Kentucky Adult Education Program within the Council on Postsecondary Education as conditions that must be satisfied to receive retraining incentive income benefits pursuant to subsection (1)(a)3. of this section.

- (6) In no event shall income benefits awarded under this section be stacked or added to income benefits awarded under KRS 342.730 to extend the period of disability and in no event shall income or retraining incentive benefits be paid to the employee while the employee is working in the mining industry in the severance or processing of coal as defined in KRS 342.0011(23)(a).

➔Section 1843. KRS 342.734 is amended to read as follows:

- (1) The **commissioner**~~{executive director}~~ shall promulgate administrative regulations pursuant to KRS Chapter 13A:
- (a) Establishing the form and content of a statement for services;
 - (b) Specifying the manner in which the employee may designate and change the designation of physicians;
 - (c) Requiring selection of gatekeeper physicians;
 - (d) Requiring reports from providers on the condition of the employee; and
 - (e) Establishing procedures by which disputes relative to the necessity, effectiveness, frequency, and cost of medical services shall be resolved.
- (2) Pending the effective date of administrative regulations promulgated by the **commissioner**~~{executive director}~~, all administrative regulations heretofore promulgated by the Workers' Compensation Board pertaining to these matters shall remain in effect, it being determined that those administrative regulations are within the statutory grant of authority, meet legislative intent, and are not in conflict with the provisions of this chapter.

➔Section 1844. KRS 342.735 is amended to read as follows:

- (1) The **commissioner**~~{executive director}~~ shall promulgate administrative regulations to expedite the payment of temporary total disability and medical expense benefits.
- (2) The **commissioner**~~{executive director}~~ may promulgate administrative regulations incorporating managed care intended to reduce costs or to speed the delivery or payment of medical services to employees receiving medical and related benefits under this chapter.
- (3) The **commissioner**~~{executive director}~~ shall promulgate administrative regulations pursuant to KRS Chapter 13A establishing an expedited method for resolving medical issues prior to the filing of a claim with the **Department**~~{Office}~~ of Workers' Claims. The administrative regulations shall permit an employee or other interested party, prior to the filing of a claim, to request a determination by an administrative law judge on medical issues relating to the reasonableness or appropriateness of the proposed medical care or relating to the obligation of the employer or the employer's insurance carrier to make payment of contested medical bills. However, the employee has the burden of proof to show the medical expenses are related to the injury, reasonable and necessary prior to an application of benefits being filed and before an award or order of benefits. Thereafter, the burden is upon the employer. The respondent to the moving party shall be given ten (10) days to answer a request for an expedited determination of medical issues, and the administrative law judge shall issue a ruling within seven (7) days thereafter. The interested parties shall be provided a form to provide to the medical care provider and the completed form filed with the **department**~~{office}~~ and served upon the respondent shall initiate the time for response and determination.

➔Section 1845. KRS 342.740 is amended to read as follows:

- (1) For the purposes of this chapter, the average weekly wage of the state shall be determined by the ~~commissioner~~~~executive director~~ as follows: On or before September 1 of each year, the total wages reported by subject employers under the Kentucky Unemployment Insurance Law for the preceding calendar year shall be divided by the average monthly number of insured workers (determined by dividing the total number of insured workers reported for the preceding year by twelve (12)). The average annual wage thus obtained shall be divided by 52 and the average weekly wage thus determined rounded to the nearest cent. This average weekly wage shall be certified to the ~~commissioner~~~~executive director~~ by the Education and Workforce Development Cabinet in a manner prescribed by the ~~commissioner~~~~executive director~~ by administrative regulation. The average weekly wage as so determined shall be applicable for the full period during which income or death benefits are payable, when the date of occurrence of injury or of disablement in the case of disease, or of death, falls within the calendar year commencing January 1 following the September 1 determination.
- (2) Whenever a change in the average weekly wage of the state is of an amount that increases or decreases the minimum weekly income benefits for total disability or death by \$1 or more, or the maximum weekly income benefits for total disability or for death by \$2 or more, computed in each case and rounded to the nearest dollar, an adjustment in those minimums or maximums which are affected in the requisite amount by the change in the average weekly wage of the state shall be made which will reflect the increase or decrease, but no change in these limitations shall otherwise be made.

➔Section 1846. KRS 342.750 is amended to read as follows:

If the injury causes death, income benefits shall be payable in the amount and to or for the benefit of the persons following, subject to the maximum limits specified in subsections (3) and (4) of this section:

- (1) (a) If there is a widow or widower and no children of the deceased, to such widow or widower 50 percent of the average weekly wage of the deceased, during widowhood or widowerhood.
- (b) To the widow or widower, if there is a child or children living with the widow or widower, 45 percent of the average weekly wage of the deceased, or 40 percent, if such child is not or such children are not living with a widow or widower, and in addition thereto, 15 percent for each child. Where there are more than two (2) such children, the indemnity benefits payable on account of such children shall be divided among such children, share and share alike.
- (c) Two (2) years' indemnity benefits in one (1) lump sum shall be payable to a widow or widower upon remarriage.
- (d) To the children, if there is no widow or widower, 50 percent of such wage for one (1) child, and 15 percent for each additional child, divided among such children, share and share alike.
- (e) The income benefits payable on account of any child under this section shall cease when he dies, marries, or reaches the age of eighteen (18), or when a child over such age ceases to be physically or mentally incapable of self-support, or if actually dependent ceases to be actually dependent, or if enrolled as a full-time student in any accredited educational institution, ceases to be so enrolled or reaches the age of 22. A child who originally qualified as a dependent by virtue of being less than 18 years of age may, upon reaching age 18, continue to qualify if he satisfies the tests of being physically or mentally incapable of self-support, actual dependency, or enrollment in an educational institution.
- (f) To each parent, if actually dependent, 25 percent.
- (g) To the brothers, sisters, grandparents, and grandchildren, if actually dependent, 25 percent to each such dependent. If there should be more than one (1) of such dependents, the total income benefits payable on account of such dependents shall be divided share and share alike.
- (h) The income benefits of each beneficiary under paragraphs (f) and (g) above shall be paid until he, if a parent or grandparent, dies, marries, or ceases to be actually dependent, or, if a brother, sister, or grandchild, dies, marries, or reaches the age of eighteen (18) or if over that age ceases to be physically or mentally incapable of self-support, or ceases to be actually dependent.
- (i) A person ceases to be actually dependent when his *or her* income from all sources exclusive of workers' compensation income benefits is such that, if it had existed at the time as of which the original determination of actual dependency was made, it would not have supported a finding of dependency. In any event, if the present annual income of an actual dependent person including workers' compensation

income benefits at any time exceeds the total annual support received by the person from the deceased employee, the workers' compensation benefits shall be reduced so that the total annual income is no greater than such amount of annual support received from the deceased employee. In all cases, a person found to be actually dependent shall be presumed to be no longer actually dependent three (3) years after each time as of which the person was found to be actually dependent. This presumption may be overcome by proof of continued actual dependency as defined in this subsection, but full payments shall not be suspended during the pendency of any proceeding to determine dependency.

- (2) Upon the cessation of income benefits under this section to or on account of any person, the income benefits of the remaining persons entitled to income benefits for the unexpired part of the period during which their income benefits are payable shall be that which such persons would have received if they had been the only persons entitled to income benefits at the time of the decedent's death.
- (3) For the purposes of this section, the average weekly wage of the employee shall be taken as not more than the average weekly wage of the state as determined in KRS 342.740. In no case shall the aggregate weekly income benefits payable to all beneficiaries under this section exceed the maximum income benefit that was or would have been payable for total disability to the deceased, including benefits to his dependents.
- (4) The maximum weekly income benefits payable for all beneficiaries in case of death shall not exceed 75 percent of the average weekly wage of the deceased as calculated under KRS 342.140, subject to the maximum limits in subsection (3) above. The maximum aggregate limitation shall not operate in case of payment of two (2) years' income benefits to the widow or widower upon remarriage as provided under paragraph (c) of subsection (1) of this section, to prevent the immediate recalculation and payments of benefits to the remaining beneficiaries as provided under subsection (2) of this section, but the weekly income benefits as to such remaining beneficiaries shall not exceed the weekly income benefit that was or would have been payable for total disability to the deceased. The classes of beneficiaries specified in paragraphs (a), (b), and (d) of subsection (1) of this section shall have priority over all other beneficiaries in the apportionment of income benefits. If the provisions of this subsection should prevent payment to other beneficiaries of the income benefits to the full extent otherwise provided for by this section, the gross remaining amount of income benefits payable to such other beneficiaries shall be apportioned by class, proportionate to the interest of each class in the remaining amount. Parents shall be considered to be in one class and those specified in paragraph (f) of subsection (1) in another class.
- (5) All relations of dependency referred to in this section shall mean dependency existing at the time of the accident to the employee or at the time his *or her* disability from an occupational disease began.
- (6) In addition to other benefits as provided by this chapter, if death occurs within four (4) years of the date of injury as a direct result of a work-related injury, a lump-sum payment of fifty thousand dollars (\$50,000) shall be made to the deceased's estate, from which the cost of burial and cost of transportation of the body to the employee's place of residence shall be paid. Annually, the *commissioner*~~executive director~~ shall compute, in accordance with KRS 342.740, the increase or decrease in the state average weekly wage, and consistent therewith, shall adjust the amount of the lump-sum payment due under this subsection for injuries occurring in the succeeding year.
- (7) All benefits awarded pursuant to this section, other than those provided in subsection (6) of this section, shall be subject to the limitations contained in KRS 342.730(4).

➔Section 1847. KRS 342.760 is amended to read as follows:

- (1) There is hereby authorized in the ~~{Department of}~~Labor *Cabinet* an uninsured employers' fund for the purpose of making payments in accordance with the provisions of subsection (4) of this section. The *secretary*~~commissioner~~ of the ~~{Department of}~~Labor *Cabinet* shall be the custodian of the fund, and all moneys and securities in the fund shall be held in trust by the *secretary*~~commissioner~~ of the ~~{Department of}~~Labor *Cabinet* and shall not be considered a part of the general funds of the state.
- (2) The *secretary*~~commissioner~~ of the ~~{Department of}~~Labor *Cabinet* is authorized to disburse moneys from the fund only upon written order of the administrative law judge or the board.
- (3) All amounts collected as fines and penalties under this chapter shall be paid into the uninsured employers' fund.
- (4) The uninsured employers' fund shall be responsible for the payment of compensation when there has been default in the payment of compensation due to the failure of an employer to secure payment of compensation as provided by this chapter. Such employer shall be liable for payment into the fund of all the amounts authorized

to be paid therefrom under the authority of this subsection including reimbursement of the special fund of all liability apportioned to it and for the purposes of enforcing this liability the ~~{Department of}~~ Labor **Cabinet**, for the benefit of the fund, shall be subrogated to all the rights of the person receiving such compensation from the fund. This provision shall apply to all pending claims upon which a final order has not been entered.

- (5) In furtherance of this purpose, the Attorney General shall appoint a member or members of his *or her* staff or special counsel to represent the fund in all proceedings brought to enforce claims against or on behalf of the fund. Necessary expenses for this purpose including salaries of said staff or special counsel shall be borne by the fund. The ~~{Department of}~~ Labor **Cabinet** shall be responsible for the administration of the uninsured employers' fund and shall be charged with the conservation of the assets of the fund.
- (6) On December 29, 1987, the liabilities of the uninsured employers' fund and its assets remaining in the State Treasury shall be transferred to the uninsured employers' fund created within the ~~{Department of}~~ Labor **Cabinet** pursuant to this section.

➔Section 1848. KRS 342.765 is amended to read as follows:

- (1) Notwithstanding the provisions of KRS Chapter 342 to the contrary, the office of the Attorney General shall be responsible for the administration of the uninsured employers' fund and shall be charged with the conservation of the assets of the fund. Funds to reimburse the Attorney General's office for expenses incurred in litigation and administration in defense of the uninsured employers' fund shall be transferred upon request of the Attorney General's office and approval by the *secretary*~~{commissioner}~~ of the ~~{Department of}~~ Labor **Cabinet**.
- (2) The office of the Attorney General shall report monthly to the Interim Joint Committee on Appropriations and Revenue, the Interim Joint Committee on Labor and Industry, and the *commissioner*~~{executive director}~~ the amount of the agency fund expenditures in each month for the uninsured employers' fund and the nature of these expenditures. In addition, the Office of the Attorney General shall report quarterly to the *commissioner*~~{executive director}~~ on the amount of funds recouped from uninsured employers.

➔Section 1849. KRS 342.770 is amended to read as follows:

- (1) Upon the filing of a claim the *commissioner*~~{executive director}~~ shall ascertain whether the employer, or any other person against whom a claim is filed and who is not exempt by KRS 342.630 or 342.650, has secured payment of compensation by either securing insurance coverage or qualifying as a self-insurer pursuant to KRS 342.340. Upon determination that any employer under this chapter has failed to comply with the provisions of KRS 342.340, the *commissioner*~~{executive director}~~ shall record, as provided by subsection (2) of this section, a certificate prepared and furnished him *or her* by the general counsel showing the date on which such claim was filed, the date of the injury alleged, the name and last known address of the employer against whom it was filed, and the fact that the employer has not secured the payment of compensation as required. Upon recordation, such certificate constitutes a valid lien against the assets of the employer in favor of the uninsured employers' fund for the whole amount which may be due as compensation. Such lien shall be superior to the lien of any mortgage or other encumbrance thereafter created and shall continue for ten (10) years from the time of such recording, unless sooner released or otherwise discharged. A copy of such certificate shall be served upon the employer by the *commissioner*~~{executive director}~~.
- (2) The certificate constituting a lien in favor of the uninsured employers' fund shall be filed in the following offices:
 - (a) The office of the county clerk of the county in which the defendant employer resides.
 - (b) The office of the county clerk of the county in which the defendant employer has its principal place of business.

- (2) Has not made a deposit of security, indemnity, or bond acceptable to the *commissioner*~~{executive director}~~ to secure the payment of compensation liability; and

- (3) Has failed to make payment of compensation according to the terms of that award, the award shall constitute a liquidated claim for damages against that employer in an amount commuted to a lump sum which will equal the present value of the total sum of the probable future payments discounted at four percent (4%) true discount compounded annually on each payment, which amount is to be ascertained and fixed by the **commissioner**~~{executive director}~~, and the **commissioner**~~{executive director}~~ shall certify the same to the Attorney General who shall forthwith institute a civil action against that employer in the name of the uninsured employers' fund for the collection of that award. In that action, it shall be sufficient for plaintiff to set forth a copy of the award of the administrative law judge relative to the claim as certified by the **commissioner**~~{executive director}~~ and to state that there is due to plaintiff on account of the opinion, order, or award of the administrative law judge a specified sum which plaintiff claims with interest. A certified copy of the award in the claim shall be attached to the complaint and shall constitute prima facie evidence of the truth of the facts therein contained.

Any benefits previously granted by an award or settlement shall be credited against any subsequent award or settlement and no interest shall be payable on additional benefits. A previous grant of retraining incentive benefits shall be credited only to the extent that the benefits were actually paid. All income or retraining incentive benefits greater than those which would have been awarded were not these new provisions applicable shall be paid without interest from the Kentucky coal workers' pneumoconiosis fund, the provisions of KRS 342.1242 notwithstanding.
- (2) The original claim of any miner last exposed to the occupational hazards of coal workers' pneumoconiosis prior to December 12, 1996, which was subject to a university evaluation pursuant to KRS 342.315 and was dismissed upon a finding that the miner did not prove the presence of coal workers' pneumoconiosis radiographically may be reopened by the claimant notwithstanding the provisions of KRS 342.125, pursuant to administrative regulations adopted by the **commissioner**~~{executive director}~~. Income benefits may be awarded thereon pursuant to entitlement standards effective as of the date of last exposure, except the income or retraining benefits shall be paid without interest from the Kentucky coal workers' pneumoconiosis fund, the provisions of KRS 342.1242 notwithstanding.

- (3) "B' reader" means a physician who has demonstrated proficiency in evaluating chest roentgenograms for roentgenographic quality and in the use of the ILO classification for interpreting chest roentgenograms for pneumoconiosis and other diseases by taking and passing a specially designed proficiency examination given on behalf of the National Institute of Occupational Safety and Health (NIOSH) or by the Appalachian Laboratory for Occupational Safety and Health (ALOSH), or successors.

➔Section 1874. KRS 350.020 is amended to read as follows:

The General Assembly finds that the Commonwealth is the leading producer of coal and that the production of coal in Kentucky contributes significantly to the nation's energy needs. The General Assembly further finds that unregulated surface coal mining operations cause soil erosion, damage from rolling stones and overburden, landslides, stream pollution, the accumulation of stagnant water and the seepage of contaminated water, increase the likelihood of floods, destroy the value of land for agricultural purposes, destroy aesthetic values, counteract efforts for the conservation of soil, water and other natural resources, destroy or impair the property rights of citizens, create fire hazards, and in general create hazards dangerous to life and property, so as to constitute an imminent and inordinate peril to the welfare of the Commonwealth. The General Assembly further finds that lands that have been subjected to surface coal mining operations and have not been reclaimed and rehabilitated in accordance with modern standards constitute the aforementioned perils to the welfare of the Commonwealth. The General Assembly further finds that there are wide variations in the circumstances and conditions surrounding and arising out of surface coal mining operations due primarily to difference in topographical and geological conditions, and by reason thereof it is

necessary, in order to provide the most effective, beneficial and equitable solution to the problem, that a broad discretion be vested in the authority designated to administer and enforce the regulatory provisions enacted by the General Assembly. The General Assembly further finds that governmental responsibility for regulating surface coal mining operations rests with state government and hereby directs the ***Energy and Environment***~~(Environmental and Public Protection)~~ Cabinet to take all actions necessary to preserve and exercise the Commonwealth's authority, to the exclusion of all other governmental entities except the Commonwealth and agencies thereof and except as provided in KRS Chapter 100, and any county surface mining regulation contained within a zoning ordinance adopted prior to April 1, 1988, in regulating surface coal mining operations. Therefore, it is the purpose of this chapter to provide such regulation and control of surface coal mining operations as to minimize or prevent injurious effects on the people and resources of the Commonwealth. To that end, the cabinet is directed to rigidly enforce this chapter and to adopt whatever administrative regulations are found necessary to accomplish the purpose of this chapter.

➔Section 1875. KRS 350.028 is amended to read as follows:

The ***Energy and Environment***~~(Environmental and Public Protection)~~ Cabinet shall have and exercise the following authority and powers:

- (1) To adopt administrative regulations after a hearing pertaining to surface coal mining operations including strip mining and the surface effects of underground mining to accomplish the purposes of this chapter;
- (2) To conduct investigations and hearings under provisions of this chapter or regulations adopted pursuant thereto;
- (3) To issue, after an opportunity for a hearing, suspension orders or show cause orders requiring an operator, permittee, or person to adopt remedial measures that are necessary to comply with this chapter and administrative regulations adopted pursuant thereto. Failure to attend a hearing shall be excused for good cause shown;
- (4) To issue, after an opportunity for a hearing, a final order imposing civil penalties for violations of this chapter or directing the Department for Natural Resources to revoke a permit, when the requirements set forth by the notice of noncompliance, order of cessation, or an order of the cabinet requiring remedial measures have not been complied with according to the terms therein. When the secretary or his authorized representatives determines that a pattern of violations of any requirements of this chapter or any permit conditions required by this chapter exists or has existed, and if the secretary or his authorized representatives also find that the violations are caused by the unwarranted failure of the permittee to comply with any requirements of this chapter or any permit conditions or that the violations are willfully caused by the permittee, the secretary or his authorized representative shall forthwith issue an order to the permittee to show cause as to why the permit should not be suspended or revoked and shall provide an opportunity for a hearing. Failure to attend a hearing shall be excused for good cause shown; and
- (5) To adopt administrative regulations to allow the state to administer and enforce the initial and permanent regulatory programs of Public Law 95-87, "Surface Mining Control and Reclamation Act of 1977." Administrative regulations shall be no more stringent than required by that law. Nothing in this chapter shall be construed as superseding, amending, modifying, or repealing any of the acts listed in Section 702(a) of Public Law 95-87, or any administrative regulation promulgated thereunder.

➔Section 1876. KRS 350.050 is amended to read as follows:

- (1) To exercise general supervision and administration and enforcement of this chapter and all rules and regulations and orders promulgated thereunder;
- (2) To encourage and conduct investigations, research, experiments, and demonstrations, and to collect and disseminate information relating to strip mining and reclamation of lands and waters affected by strip mining;
- (3) To adopt, without hearing, internal procedures with respect to the filing of reports, the issuance of permits, and other matters of procedure and administration;
- (4) To examine and pass upon all plans and specifications submitted by the permit applicant for the method of operation, backfilling, grading, and for the reclamation of the area of land affected by his operation;

- (5) To make investigations or inspections which may be deemed necessary to insure compliance with any provision of this chapter;
- (6) To order, through personnel of the cabinet, the suspension of any permit for failure to comply with any of the provisions of this chapter or any regulations adopted pursuant thereto;
- (7) To order, through personnel of the cabinet, the stopping of any operation that is started without first having secured a permit as required by this chapter.

➔Section 1877. KRS 350.054 is amended to read as follows:

- (1) There is established a special fund to be known as the "Illegal Mining and Conveyance Reclamation Fund" which shall be under the control of the ***Energy and Environment***~~Environmental and Public Protection~~ Cabinet.

- (4) Moneys contained in the illegal mining and conveyance reclamation fund shall be deemed a trust and agency account and shall not lapse.
- (5) The cabinet shall have access to and control of the moneys held in the illegal mining and conveyance reclamation fund, but shall expend the moneys only for the purposes set forth in subsection (3) of this section.

➔Section 1878. KRS 350.057 is amended to read as follows:

- (1) The secretary of the ***Energy and Environment***~~Environmental and Public Protection~~ Cabinet shall promulgate regulations for the permitting and performance of coal exploration operations which substantially disturb the natural land surface. The regulations shall include at a minimum provisions for giving notice of intention to explore including a description of the area to be explored and the period of supposed exploration and provisions for reclamation, as required by this chapter, of all land disturbed in the exploration.
- (2) Any requirements of public access to records set forth in the Kentucky Revised Statutes to the contrary notwithstanding, the secretary shall order that confidential trade secrets or privileged commercial or financial information in the possession of the cabinet or pursuant to a coal exploration permit remain confidential.
- (3)
 - (a) No person or operator shall remove more than twenty-five (25) tons of coal by coal exploration operations without first obtaining a coal exploration permit from the cabinet.

- (4) All persons or operators conducting operations pursuant to this section shall be subject to the applicable provisions of KRS 350.990.

➔Section 1879. KRS 350.139 is amended to read as follows:

- (1) All prior enactments of this General Assembly to the contrary notwithstanding, all funds received by the ***Energy and Environment***~~Environmental and Public Protection~~ Cabinet through the payment of fees and civil penalties shall be deposited in the State Treasury to the credit of the general fund except as provided in KRS 350.990(1). All funds from the forfeiture of bonds shall be placed in the State Treasury in an interest-bearing account and credited to a special agency account. The interest shall become a supplemental fund and may be used to supplement forfeited bonds which are inadequate to complete the reclamation plan. Except as provided in KRS 350.131(1), forfeited bond funds shall be expended upon the lands for which the bond was given. The interest may be expended upon lands other than those for which the bond was given. No more than twenty-five

percent (25%) of the supplemental fund may be expended upon any single site, unless a larger expenditure is necessary to abate an imminent danger to public health or safety.

- (2) The State Treasurer shall on or before August 1 of each year transfer thirty-three and one-third percent (33-1/3%) of all funds paid during the preceding fiscal year as fees for the issuance of any permit for surface coal mining operations to the fiscal courts of the county in which the permitted operation is located for the general purposes of that fiscal court.

➔Section 1880. KRS 350.151 is amended to read as follows:

- (1) The ***Energy and Environment***~~[Environmental and Public Protection]~~ Cabinet shall promulgate permanent program administrative regulations for the mining and reclamation of land disturbed or removed by operations resulting from or incident to underground coal mining. The regulations shall recognize the distinct differences between underground mining and strip mining of coal, shall be promulgated pursuant to this chapter, and shall be enforced as provided in KRS 350.130 and 350.990. Those activities may include, but not be limited to, the construction of new roads or the improvement or use of existing roads to gain access to the site of the activities and all lands affected by haulage, excavations, workings, impoundments, dams, ventilation shafts, entryways, refuse banks, dumps, stockpiles, overburden piles, spoil banks, culm banks, tailings, holes or depressions, repair areas, storage areas, processing areas, shipping areas and other areas upon which are sited structures, facilities, or other property or materials on the surface, but the regulations shall not be more stringent than those applied to strip mining of coal.
- (2) The permit applicant shall file with the cabinet a reclamation bond payable to the Commonwealth of Kentucky with surety satisfactory to the cabinet in the sum to be determined by the cabinet for each acre or fraction thereof of the area of land affected, with a minimum bond of ten thousand dollars (\$10,000) conditioned upon the faithful performance of the requirements set forth in this section and of the administrative regulations of the cabinet. The cabinet shall forfeit the entire amount of the bond for the permit area or increment in the event of forfeiture. The cabinet shall accept, in lieu of the surety provided in this subsection, the deposit by the operator of United States government securities, cash or its equivalent in a sum equal to the principal amount of the required bond, or a self-bond pursuant to administrative regulations promulgated by the cabinet.
- (3) In order to protect the stability of the land, the cabinet shall suspend underground mining activities under urbanized areas, and adjacent to industrial or commercial buildings, major impoundments, or permanent streams, if the cabinet finds imminent danger to inhabitants of the urbanized areas.

➔Section 1881. KRS 350.152 is amended to read as follows:

- (1) The Commonwealth, acting by and through its ***Energy and Environment***~~[Environmental and Public Protection]~~ Cabinet, shall have the power to acquire, either by negotiation or by exercise of the power of eminent domain, land which has been affected or disturbed by strip or auger mining, or by other surface coal mining operations which consists of orphan banks or unreclaimed spoil piles.
- (2) Prior to acquiring any land pursuant to KRS 350.152 to 350.163 and KRS 350.240, the ***Energy and Environment***~~[Environmental and Public Protection]~~ Cabinet shall extend to the owners thereof an opportunity to backfill, grade, plant, and do other acts of restoration thereon to the same extent and within the same time limits as prescribed by this chapter and regulations adopted pursuant thereto. If the owner or owners agree in writing to perform such restoration and, weather permitting, start such restoration within a period of thirty (30) days, the land shall not be acquired by the Commonwealth.
- (3) The ***Energy and Environment***~~[Environmental and Public Protection]~~ Cabinet shall attempt to purchase any land which it has determined should be acquired for the purpose of restoration and which the owners have not agreed to restore as provided in subsection (2) above. In any case where the cabinet and the owners of the land are unable to agree upon the amount to be paid for the land, the cabinet may exercise the power of eminent domain against such land by filing a condemnation suit under the procedure of the Eminent Domain Act of Kentucky.
- (4) The purchase price, in the case of a negotiated acquisition, or the damages as finally determined, in the case of acquisition by condemnation, and the necessary expenses incidental thereto, shall be paid from appropriations made by the General Assembly for such purposes and appropriations to which federal funds made available for such purposes have been credited.

➔Section 1882. KRS 350.240 is amended to read as follows:

The ***Energy and Environment***~~(Environmental and Public Protection)~~ Cabinet may adopt in the manner provided in subsection (17) of KRS 224.10-100 and subsections (5) and (6) of KRS 224.01-110 reasonable regulations for the reclamation of land disturbed or removed in the mining of clay. Such regulations shall encourage water impoundments and shall follow the standards established in Article III of the Interstate Mining Compact. The cabinet shall have the authority to adopt such regulations prior to the effective date of the Interstate Mining Compact and irrespective of whether the state becomes a member or withdraws from membership in the Interstate Mining Compact.

➔Section 1883. KRS 350.255 is amended to read as follows:

Any person may petition the secretary of the ***Energy and Environment***~~(Environmental and Public Protection)~~ Cabinet to initiate a proceeding for the issuance, amendment, or repeal of any regulation under this chapter.

- (1) Notice and an opportunity shall be provided for the petitioner and any person wishing to participate to be heard at a public hearing within thirty (30) days following the filing of the petition on the facts, technical justification, and law alleged in the petition.
- (2) The secretary shall render a final order in writing within thirty (30) days after the hearing granting or denying the petition on grounds that there is a reasonable basis for the petitioned rule change, or is not, or that it is required or prohibited by law and setting forth the reasons for the decision.
- (3) The secretary shall initiate a rulemaking proceeding pursuant to KRS Chapter 13A within thirty (30) days after a petition is granted proposing the issuance, amendment, or repeal of the petitioned regulations in conformity with the final order.
- (4) Any participant in the petition proceedings may seek review in the Circuit Court of Franklin County of a final order of the secretary denying all or any portion of the action requested in a petition.

Each individual appointment shall be for a four (4) year term which shall begin on July 15, 1984. Members may serve successive terms if reappointed. Vacancies shall be filled in a manner consistent with the provisions for initial appointments. At the first meeting held on or after July 1 of each year, a chairman shall be elected by and from the membership. The council shall meet at least quarterly during each year and may meet more often at the call of the chairman. The council shall be attached to the ***Energy and Environment***~~(Environmental and Public Protection)~~ Cabinet for administrative purposes. Council members shall be eligible for reimbursement by the cabinet for actual expenses directly related to serving on the council.

➔Section 1885. KRS 350.275 is amended to read as follows:

- (1) The General Assembly finds that:
 - (a) The backstowing of coal processing and coal underground development waste is a disposal method which, under appropriate conditions, is authorized under state and federal coal mining laws;
 - (b) The state Division of Water and Department for Natural Resources, United States Environmental Protection Agency, and United States Mine Safety and Health Administration each have responsibilities under different state and federal laws relative to any proposal to backstow or reinject coal processing and coal underground development waste; and
 - (c) The maximization of coordination of agency review of such a proposal is in the best interest of each agency, the proponent, and the public-at-large.
- (2) It is the intent of the General Assembly that the ***Energy and Environment***~~(Environmental and Public Protection)~~ Cabinet negotiate improved coordination among state and federal agencies in the review of proposals for backstowing or reinjection of coal processing and coal underground development waste,

consistent with all requirements of KRS Chapters 224 and 350 and other state and federal laws relating to such proposals.

➔Section 1886. KRS 350.310 is amended to read as follows:

- (1) The "Mining Council," hereinafter called "the council," is hereby established in the office of the Governor. The council shall be the advisory body referred to in Article V(a) of the Interstate Mining Compact. No member of the council shall receive any compensation on account of his service thereon, but any such member shall be entitled to reimbursement for expenses actually incurred by him in connection with his possible service as the Governor's alternate on the Interstate Mining Commission.
- (2) The council shall be composed of eight (8) members: one (1) of whom shall be the Lieutenant Governor; three (3) of whom shall be representatives of mining industries; two (2) of whom shall be representatives of nongovernmental conservation interests; the commissioner for environmental protection and the secretary of the ***Energy and Environment***~~Environmental and Public Protection~~ Cabinet.
- (3) The members of the council representing mining industries and nongovernmental conservation interests shall be appointed by the Governor. The term of office of such members shall be for four (4) years concurrent with that of the Governor or until their successor has been qualified.

The ***Energy and Environment***~~Environmental and Public Protection~~ Cabinet through this chapter shall have exclusive jurisdiction over KRS Chapter 151 concerning the regulation of dams, levees, embankments, dikes, bridges, fills, or other obstructions across or along any stream or in the floodway of any stream, which structures or obstructions are permitted under this chapter.

➔Section 1889. KRS 350.465 is amended to read as follows:

- (1) The provisions of this section and regulations promulgated pursuant thereto, except with regard to the mining of clay, limestone, sand, gravel, fluorspar, stone, and rock asphalt, shall apply to the regulation of all surface coal mining and reclamation operations in the Commonwealth in the event that the Commonwealth receives from the United States Department of Interior and pursuant to the Surface Mining Control and Reclamation Act of 1977, PL 95-87, approval of a permanent state regulatory program, and the Commonwealth has promulgated regulations pursuant to this section.
- (2) The ***Energy and Environment***~~Environmental and Public Protection~~ Cabinet is hereby authorized and directed to prepare, develop and promulgate a comprehensive permanent regulatory program for the implementation of the Surface Mining Control and Reclamation Act of 1977, PL 95-87, for the purpose of accepting and administering primary enforcement responsibilities pursuant to that act. The implementation of this section shall contain procedures similar to the Surface Mining Control and Reclamation Act of 1977, PL 95-87, and shall require surface coal mining operation performance standards no more stringent than provided for in that act. Nothing in this section shall be construed to empower the cabinet to adopt a regulatory program in conflict with the policy and purposes of the Surface Mining Control and Reclamation Act of 1977, PL 95-87. To that end, the ***Energy and Environment***~~Environmental and Public Protection~~ Cabinet shall include in its permanent regulatory program:
 - (a) Environmental protection performance standards to prevent or minimize the adverse environmental effects of surface coal mining and reclamation operations on the land and water resources of the Commonwealth.
 - (b) A procedure for designating as being unsuitable for mining certain lands because of their topographical, geological, hydrological, climatological, biological, or chemical characteristics or historical, cultural, scientific, or aesthetic values.

- (c) Procedures and regulations for the allowance of those persons having an interest which is or may be adversely affected to have the opportunity to be heard at every significant or critical part of the administrative and judicial process, including, but not limited to, the permit review and issuance process, the general enforcement process and hearings incident thereto, and the rulemaking procedures conducted by the cabinet; and procedures and regulations for persons having a valid legal interest which is or may be adversely affected by the setting, release, and inspection of bonds to have an opportunity to be heard at every significant or critical part of the administrative and judicial process relating to bonds. The regulations shall provide reasonable procedures for notice and an opportunity to be heard, access to minesites, access to records, and other reasonable procedures to accomplish the purposes of this chapter.
 - (d) Procedures for the administrative and judicial review of all actions of the cabinet to administer and enforce the provisions of this chapter, including the award of costs and expenses, including attorney's fees and expert witness fees, by the cabinet or the court.
 - (e) Plans and procedures for the reclamation and restoration of land and water resources affected by mining which have been abandoned or inadequately reclaimed to the standards imposed by this section and for which no bond is held or legal obligation to reclaim continues. The plan shall include provisions for the imposition of liens for necessary reclamation expenditures made on private property.
 - (f) Procedures for the assumption of the small operator assistance program pursuant to the Surface Mining Control and Reclamation Act of 1977, PL 95-87. The cabinet shall assume and implement that program and apply for and administer funds as may be provided pursuant to that act and such state funds as may be provided for the program.
- (3) In addition to any other authority, power, and duty vested in it by law, the cabinet shall have and exercise broad authority, power, and duty to:
- (a) Require those persons who wish to engage in surface coal mining and reclamation operations to submit application for a permit from the cabinet to conduct the operations, and to include in that application all information required by the cabinet pertaining to that operation.
 - (b) Issue, deny, or modify under such conditions as the cabinet may prescribe, permits to conduct surface coal mining and reclamation operations within the Commonwealth.

 - (e) Order a person, permittee, or an operator to comply with the requirements of this section or his permit if inspection reveals a violation of the conditions of his permit or of any provision of this section.
 - (f) Order a permittee to appear and show cause why his permit should not be suspended or revoked and his bond forfeited if the cabinet determines that the permittee or operator or the permitted operation has a pattern of violations of this section or permit conditions, and has willfully violated this section or permit conditions or a pattern of violations exists and that the violations are caused by the operator's or permittee's unwarranted failure to comply with this section or permit conditions.
 - (g) Require, increase, release, or decrease, under such conditions as the cabinet may prescribe, reclamation performance bonds and cause the forfeiture and collection of those bonds where the permittee has abandoned the operation or for which the permit under which the bond was given has been revoked or has expired without the required reclamation.
 - (h) To administratively impose, in lieu of those civil penalties provided for in KRS 350.990, civil penalties of up to five thousand dollars (\$5,000) per day for violations of permit conditions, this section, or any orders of the cabinet and enforce the administrative assessment of the penalties by initiating civil action in the Franklin Circuit Court or in any court having jurisdiction of the defendant.
 - (i) Conduct hearings and make investigations of any matter relating to the regulation of surface coal mining and reclamation operations, and provide for the assessment and payment of civil penalties including the

placement of proposed civil penalty assessments into an escrow account prior to a contest on the amount of the assessment, consistent with the process of law.

- (j) Provide for variances or exceptions consistent with KRS 350.450 from or in addition to mining performance standards, recognizing the specific characteristics inherent in:
 - 1. Steep slope mining;
 - 2. Mountaintop removal;
 - 3. Relatively low acreage disturbance or annual coal production;
 - 4. Prime farmland mining as defined by the United States Department of Agriculture, and to provide for other variances where land uses and watersheds will be improved; and
 - 5. Postmining uses different from and as beneficial as the premining uses.
- (k) Receive and expend funds or aid from whatever source to accomplish the purposes of this chapter.
- (l) Propose and promulgate regulations to accomplish the purposes of this section.

- (4) The cabinet shall not promulgate regulations which are inconsistent with the Surface Mining Control and Reclamation Act of 1977, PL 95-87.
- (5) Any person who violates a provision of this section or the regulations promulgated pursuant thereto shall be subject to those penalties and remedies set forth in KRS 350.990 except as provided for in subsection (3)(h) of this section.

➔Section 1890. KRS 350.475 is amended to read as follows:

- (1) The ***Energy and Environment***~~{Environmental and Public Protection}~~ Cabinet is directed to promulgate regulations which specifically address what liability surface mining permittees shall have to reclaim permit areas on which parties or forces not controlled by the permittee have disturbed the reclamation previously performed by the permittee. Such parties or forces not controlled by the permittee shall include, without limitation, acts of God, oil and gas operations, loggers, recreational vehicles, and trespassers.
- (2) The ***Energy and Environment***~~{Environmental and Public Protection}~~ Cabinet is also directed to promulgate regulations which specifically set forth the procedure for transferring liability for reclamation of a surface mining permit to a party who will make a post mining use of the permit area.

➔Section 1891. KRS 350.550 is amended to read as follows:

- (1) There is hereby created within the Commonwealth of Kentucky an Abandoned Mine Lands Program, to be administered within the ***Energy and Environment***~~{Environmental and Public Protection}~~ Cabinet. The secretary of the ***Energy and Environment***~~{Environmental and Public Protection}~~ Cabinet may promulgate regulations necessary to implement this program. The provisions of KRS 350.150, 350.152, 350.154, 350.156(1) and (2), 350.158, 350.161, and 350.163 shall not be applicable to this program.
- (2) The Finance and Administration Cabinet is hereby directed to establish a fund to be known as the abandoned mine reclamation fund (hereinafter referred to as the "fund").
- (3) The fund shall consist of amounts deposited in the fund from time to time, including but not limited to:
 - (a) The reclamation fees levied pursuant to Section 402 of P.L. 95-87 and allocated to the Commonwealth of Kentucky;
 - (b) Any income derived from or any user charge imposed on or for land reclaimed pursuant to the Abandoned Mine Lands Program after the expenses of the program have been deducted;
 - (c) Donations by persons, corporations, associations, governmental entities, and foundations for the purposes of the Abandoned Mine Lands Program;
 - (d) Interest credited to the fund pursuant to Section 401(e) of P.L. 95-87 and allocated to the Commonwealth of Kentucky; and
 - (e) All other moneys as provided for consistent with this chapter.
- (4) Moneys in the fund may be used for the following purposes:

- (a) Reclamation and restoration of land and water resources adversely affected by past coal mining, including but not limited to reclamation and restoration of abandoned surface mine areas, abandoned coal processing areas, and abandoned coal refuse disposal areas; sealing and filling of abandoned deep mine entries and voids; planting of land adversely affected by past coal mining to prevent erosion and sedimentation; prevention, abatement, treatment, and control of water pollution created by coal mine drainage, including restoration of stream beds, and construction and operation of water treatment plants; prevention, abatement, and control of burning coal refuse disposal areas and burning coal in situ; and prevention, abatement, and control of coal mine subsidence;

- (f) For the purposes of Section 507(c) of P.L. 95-87; and
- (g) All other necessary expenses to accomplish the purposes of this program.

➔Section 1892. KRS 350.565 is amended to read as follows:

The ***Energy and Environment*** ~~(Environmental and Public Protection)~~ Cabinet shall have the authority to prepare and submit to the Secretary, United States Department of the Interior, reclamation plans, annual projects, applications for federal support, and any other reports or plans which are provided for or required pursuant to Title IV of the Surface Mining Control and Reclamation Act of 1977 (P.L. 95-87).

➔Section 1893. KRS 350.570 is amended to read as follows:

- (1) If the cabinet makes a finding of fact pursuant to the Abandoned Mine Lands Program that:
 - (a) Land or water resources have been adversely affected by past coal mining practices; and
 - (b) The adverse effects are at a stage where, in the public interest, action to restore, reclaim, abate, control, or prevent should be taken; and
 - (c) The owners of the land or water resources where entry must be made to restore, reclaim, abate, control, or prevent the adverse effects of past coal mining practices are not known or readily available; or
 - (d) The owners will not give permission for the United States, the Commonwealth, political subdivisions, or their agents, employees, or contractors to enter upon such property to restore, reclaim, abate, control, or prevent the adverse effects of past coal mining practices;

then, upon giving notice by mail to the owners if known, or if not known, by posting notice upon the premises and advertising once in a newspaper of general circulation in the municipality or county in which the land lies, the cabinet and its authorized representatives, agents, and contractors shall have the right to enter upon the property adversely affected by past coal mining practices, and any other property to have access to such property to do all things necessary or expedient to restore, reclaim, abate, control, or prevent the adverse effects. Such entry shall be construed as an exercise of the police power for the protection of public health, safety, and general welfare and shall not be construed as an act of condemnation of property nor of trespass thereon. The moneys expended for such work and the benefits accruing to any such premises so entered upon shall be chargeable against such land and shall mitigate or offset any claim in or any action brought by any owner of any interest in such premises for any alleged damages by virtue of such entry: provided, however, that this provision is not intended to create new rights of action or eliminate existing immunities.

- (2) The cabinet and its authorized representatives, agents, and contractors shall have the right to enter upon any property for the purpose of conducting studies or exploratory work to determine the existence of adverse effects of past coal mining practices and to determine the feasibility of restoration, reclamation, abatement, control, or prevention of such adverse effects. Such entry shall be construed as an exercise of the police power for the protection of public health, safety, and general welfare, and shall not be construed as an act of condemnation of property nor trespass thereon.

- (3) The Commonwealth shall have the power to acquire, by purchase, donation, devise, or condemnation, any land which is adversely affected by past coal mining practices if acquisition of such land is necessary for successful reclamation and that:
 - (a) The acquired land, after restoration, reclamation, abatement, control, or prevention of the adverse effects of past coal mining practices, will serve recreation and historic purposes, conservation and reclamation purposes, or provide open space benefits; or
 - (b) Permanent facilities such as a treatment plant or a relocated stream channel will be constructed on the land for the restoration, reclamation, abatement, control, or prevention of the adverse effects of past coal mining practices; or
 - (c) Acquisition of coal refuse disposal sites and all coal refuse thereon will serve the purposes of this chapter or that public ownership is desirable to meet emergency situations and prevent recurrences of the adverse effects of past coal mining practices.
- (4) Title to all lands acquired pursuant to this section shall be in the name of the Commonwealth. The price paid for the land acquired under this section shall reflect the market value of the land as adversely affected by past coal mining practices. The Commonwealth may exercise the power of eminent domain against such land by filing a condemnation suit under the procedure of the Eminent Domain Act of Kentucky. Provided, that when the Commonwealth acquires land adversely affected by past coal mining practices pursuant to the Abandoned Mine Lands Program and when such abandoned mine reclamation fund moneys are less than the purchase price, the Commonwealth shall be authorized to use whatever funds are available pursuant to KRS 350.156(3).
- (5) The ***Energy and Environment***~~(Environmental and Public Protection)~~ Cabinet may receive any federal, state, or other funds for the purpose of reclaiming lands affected by past coal mining practices, including federal funds made available to it pursuant to Title IV of the Surface Mining Control and Reclamation Act of 1977 (P.L. 95-87). The cabinet may avail itself of any services which may be provided by other state agencies or the federal government, and may compensate them for such services.
- (6) The cabinet shall have the power to backfill, grade, revegetate, and perform other acts of restoration and reclamation on lands acquired pursuant to this section. The cabinet may cause the reclamation work to be done by its own employees or by employees of other governmental agencies or soil conservation districts, or through contracts with qualified persons. Such contracts shall be awarded pursuant to regulations promulgated by the cabinet. The cabinet and any other agency and any contractor under a contract with the cabinet shall have the right of access to the land affected to carry out such reclamation.
- (7) Where land acquired pursuant to this section is deemed to be suitable for industrial, commercial, residential, or recreational development, the Commonwealth shall have the power to sell such land by public sale under a system of competitive bidding, at not less than fair market value and under such regulations as may be promulgated to insure that such lands are put to proper use consistent with local and state land use plans, if any. The proceeds of any such sale shall be credited to the abandoned mine reclamation fund. The cabinet, when requested after appropriate public notice, shall hold a public hearing, with the appropriate notice, in the county or counties in which lands acquired pursuant to this section are located. The hearings shall be held at a time which shall afford local citizens and governments the maximum opportunity to participate in the decision concerning the use or disposition of the lands after restoration, reclamation, abatement, control, or prevention of the adverse effects of past coal mining practices.
- (8) In addition to the authority to acquire and reclaim land for the purposes set forth in subsection (3) of this section, the Commonwealth is given authority to use money in the fund to acquire land by purchase, donation, devise, or condemnation and to reclaim such land and to transfer it to any political subdivision of the Commonwealth or to any person, firm, association, or corporation, if such is an integral and necessary element of an economically feasible plan for a project to construct or rehabilitate housing for persons disabled as the result of employment in the mines or work incidental thereto, persons displaced by acquisition of land pursuant to this section, persons dislocated as the result of adverse effects of coal mining practices which constitute an emergency as provided in KRS 350.585, or persons dislocated as the result of natural disasters or catastrophic failures from any cause, or any related commercial, industrial, agricultural, recreational, or governmental use of facilities. Such activities shall be accomplished under such terms and conditions as the Commonwealth shall require, which may include transfers of land with or without monetary consideration. Provided, that to the extent that the consideration is below the fair market value of the land transferred, no portion of the difference between the fair market value and the consideration shall accrue as a profit to such persons, firm, association,

or corporation. No part of the funds provided under the abandoned mine reclamation fund may be used to pay the actual construction costs of housing.

- (9) All acquisitions and disposals of land or any interests therein pursuant to the authority granted by this section shall be governed by the applicable provisions of KRS Chapters 45A and 56.

➔Section 1894. KRS 350.600 is amended to read as follows:

- (1) The General Assembly finds that there has been a recent interest in the Commonwealth in the mining and processing of oil shale due to the critical need for fossil fuel which has developed in this country. The General Assembly further finds that the development of this fossil fuel could be of significant long-range benefit to the Commonwealth and to the United States of America, but that the unregulated extraction and processing of oil shale within the Commonwealth could cause soil erosion, water pollution, and the destruction of aesthetic and agricultural values. The General Assembly further finds that, in order to effectively regulate the extraction and processing of oil shale, the ***Energy and Environment***~~(Environmental and Public Protection)~~ Cabinet shall conduct extensive research concerning the process, waste production, and potentially adverse environmental impacts of such recovery operations.
- (2) It is the intent of the General Assembly to provide such regulation and control of the mining and processing of oil shale as to minimize and prevent its adverse effects on the citizens and the environment of the Commonwealth. The General Assembly further finds that the ***Energy and Environment***~~(Environmental and Public Protection)~~ Cabinet is the most competent agency to regulate the extraction and processing of oil shale due to its expertise in the handling of the surface mining of other minerals and in the regulation of other sources of air and water pollution.
- (3) The ***Energy and Environment***~~(Environmental and Public Protection)~~ Cabinet shall file with the regulations compiler reasonable rules and regulations pertaining to oil shale mining operations, which shall include strip mining as defined by KRS 350.010, the surface effects of underground mining of oil shale, and the in situ mining of oil shale by June 30, 1981. No person shall engage in the commercial mining or processing of oil shale until such time as the cabinet promulgates rules and regulations to provide standards for such mining.
- (4) In promulgating regulations pursuant to subsection (3) of this section, the secretary shall make written finding that the regulations promulgated are based on sound scientific and engineering data and are reasonably necessary to protect the people and environment of the Commonwealth from the adverse effects of oil shale extraction. The secretary shall promulgate regulations consistent with existing standards for land, water, and air protection. The secretary may conduct a public hearing on the subject of the cabinet's regulation of the extraction and processing of oil shale for the purpose of collecting data and receiving public comments on this issue. The hearing will be held at a time and place to be determined by the secretary in accordance with the policy of the cabinet.
- (5) Prior to the adoption of the regulations required by this section, any person may conduct core drilling, experimentation, removal of samples, or a pilot and demonstration project which involves the mining of not more than five (5) acres for the production of oil shale in any one (1) county. Such core drilling, experimentation, removal of samples, or pilot and demonstration project involving the mining of not more than five (5) acres for the production of oil shale in any one (1) county shall not be initiated until written notification of the intent to perform such operations shall be filed at least fifteen (15) days prior to commencement of such projects by registered mail by the mine operator with the secretary of the ***Energy and Environment***~~(Environmental and Public Protection)~~ Cabinet of the Commonwealth of Kentucky and with the person(s) holding title to the surface of the land to be utilized for such operations.
- (6) The secretary of the ***Energy and Environment***~~(Environmental and Public Protection)~~ Cabinet of the Commonwealth of Kentucky shall be granted the right to monitor such core drilling, experimentation, removal of samples, or pilot and demonstration project as it may deem necessary for the purpose of establishing sound and reasonable scientific and engineering data upon which rules and regulations pertaining to oil shale mining operations in the Commonwealth of Kentucky can be based.

➔Section 1895. KRS 350.610 is amended to read as follows:

- (1) The secretary of the ***Energy and Environment***~~(Environmental and Public Protection)~~ Cabinet is hereby authorized to establish a planning process enabling objective decisions based upon competent and scientifically sound data as to which, if any, lands of the Commonwealth are unsuitable for all or certain types of surface coal mining operations pursuant to the standards set forth in this chapter; provided, that any such designation shall not prevent coal or other mineral exploration of any area so designated.

- (2) Upon petition and hearing pursuant to subsection (6) of this section, the secretary shall designate an area as unsuitable for all or certain types of surface coal mining operations, if the secretary determines that reclamation pursuant to this chapter is not technologically and economically feasible.
- (3) Upon petition and hearing pursuant to subsection (6) of this section, a surface area may be designated unsuitable for certain types of surface coal mining operations if such operations will:
 - (a) Be incompatible with existing state and local land use plans; or
 - (b) Affect fragile or historic lands in which such operations could result in significant damage to important historic, cultural, scientific, and aesthetic values, and natural systems; or
 - (c) Affect renewable resource lands in which such operations could result in a substantial loss or reduction of long-range productivity of water supply or food or fiber products, and such lands to include aquifers and aquifer recharge areas; or
 - (d) Affect natural hazard lands in which such operations could substantially endanger life and property, such lands to include areas subject to frequent flooding and areas of unstable geology.
- (4) Determinations of the unsuitability of land for surface coal mining shall be integrated as closely as possible with present and future land use planning and regulation processes at any appropriate level of government, including but not limited to any valid exercise of authority of a municipality or county, acting independently or jointly, pursuant to KRS Chapter 100.
- (5) The requirements of this section shall not apply to lands on which coal mining operations were being conducted on August 3, 1977, or under a permit issued pursuant to this chapter or where substantial legal and financial commitments in such operation were in existence prior to January 4, 1977.
- (6) Other provisions of this chapter relating to hearings to the contrary notwithstanding, any person having an interest which is or may be adversely affected shall have the right to petition the cabinet to the extent such a petition would be consistent with subsections (2) and (3) of this section, to have a specific and well-defined area designated as unsuitable for surface coal mining operations, or to have such a designation terminated. Such a petition shall contain allegations of facts which shall be specific as to the petitioner's designated area, including a justification that the criteria alleged occur throughout and form a significant feature, and shall be based upon objective evidence which would tend to establish the allegations. The cabinet shall make a determination or finding whether the petition is complete, incomplete, or frivolous. Within ten (10) months after the receipt of the petition, the cabinet shall hold a public hearing in the locality of the affected area, after appropriate notice and publication of the date, time, and location of such hearing, pursuant to regulations promulgated by the cabinet to implement this section, provided that when a permit application is pending before the cabinet and such application involves an area in a designation petition, the cabinet shall hold the hearing on the petition within ninety (90) days of its receipt. After a person having an interest which is or may be adversely affected has filed a petition and before the hearing, any person may intervene by filing allegations of facts with supporting evidence which would tend to establish the allegations. Within sixty (60) days after such a hearing, the cabinet shall issue and furnish to the petitioner and any other party to the hearing, a written decision regarding the petition, and the reasons therefor. In the event that all petitioners stipulate agreement prior to the requested hearing and withdraw their request, such hearing need not be held. Within thirty (30) days after receipt of an order, determination, finding, or decision by the cabinet or the secretary hereunder, any applicant, or any person with an interest which is or may be adversely affected and who is aggrieved by the order, determination, finding, or decision of the cabinet or secretary, may obtain judicial review thereof by appealing to the Circuit Court of Franklin County pursuant to the provisions of KRS 224.10-470.
- (7) Prior to designating any land areas as unsuitable for surface coal mining operations, the cabinet shall prepare a detailed statement on:
 - (a) The potential coal resources of the area;
 - (b) The demand for coal resources;
 - (c) The impact of such designation on the environment, the economy, and the supply of coal; and
 - (d) The characteristics of the petition area including a justification that the criteria alleged occur throughout the petition area and form a significant feature.

- (8) Subject to subsection (5) of this section, the cabinet shall not issue a permit to conduct surface coal mining and reclamation operations in contravention of any designation or any decision on any petition pursuant to subsection (6) of this section regarding any surface area designated unsuitable for mining; nor shall the cabinet issue a permit to conduct surface coal mining and reclamation operations in an area under study for such designation in an administrative proceeding already commenced under subsection (6) of this section.

➔Section 1896. KRS 350.990 is amended to read as follows:

- (1) Any permittee, person, or operator who violates any of the provisions of this chapter or administrative regulations promulgated pursuant thereto or who fails to perform the duties imposed by these provisions, except the refusal or failure to obtain a permit or other authorization as provided in this chapter, or who violates any determination or order issued pursuant to the provisions of this chapter, may be liable to a civil penalty of not more than five thousand dollars (\$5,000) for the violation, and an additional civil penalty of not more than five thousand dollars (\$5,000) for each day during which the violation continues, and in addition, may be enjoined from continuing the violations provided in this section. Any permittee, operator, or person who fails to abate a violation noted in a notice of noncompliance or an order for immediate compliance and cessation within the time period prescribed for the abatement shall be assessed a civil penalty of not less than seven hundred fifty dollars (\$750) for each day during which the violation continues. Any person issued an order pursuant to KRS 350.130(4) shall be assessed a civil penalty of not more than five thousand dollars (\$5,000) for each violation cited in the underlying notice of noncompliance issued therewith. No separate civil penalty shall be assessed for the order issued pursuant to KRS 350.130(4). Each day of continuing violation may be deemed a separate violation for purposes of penalty assessment. The cabinet shall develop a method for calculating monetary penalties and shall promulgate it as an administrative regulation. The secretary or a designated representative, upon his or her own initiative or upon written request received within fifteen (15) days after the cabinet mails its proposed penalty assessment, may waive the use of the method for calculating monetary penalties if he or she determines that, taking into account exceptional factors present in the particular case, the penalty is demonstrably unjust. The basis for every waiver shall be fully explained and documented in the records of the case. If the secretary or his or her designated representative waives the use of the formula, he or she shall determine the appropriate penalty upon consideration of the permittee's history of previous violations at the particular surface coal mining operation, the seriousness of the violation, whether the permittee was negligent, and the demonstrated good faith of the permittee charged in attempting to achieve rapid compliance after notification of the violation. The penalties shall be recoverable in an action brought in the name of the Commonwealth of Kentucky by the ~~cabinet's Office of Legal Services~~. The Franklin Circuit Court shall hold concurrent jurisdiction and venue of all civil and injunctive actions instituted by the cabinet for the enforcement of the provisions of this chapter or the orders and administrative regulations of the cabinet promulgated pursuant thereto. All sums recovered shall be placed in the State Treasury, except those moneys collected in excess of eight hundred thousand dollars (\$800,000) in any fiscal year shall be deposited in the bond pool fund for purposes set forth in KRS 350.595 and KRS 350.700 to 350.755 until the fund reaches sixteen million dollars (\$16,000,000) or a higher amount as may be established by the most recent actuarial study, after which excess money collected shall be deposited fifty percent (50%) to the bond pool fund and fifty percent (50%) to the supplemental fund established under KRS 350.139(1), and used for the purposes of that section. If the bond pool fund falls below sixteen million dollars (\$16,000,000) or a higher amount as may be established by the most recent actuarial study, all excess moneys shall be deposited in the bond pool fund until that fund reaches sixteen million dollars (\$16,000,000) or a higher amount as may be established by the most recent actuarial study. All moneys previously deposited in the abandoned mine land enhancement fund shall be redeposited in the bond pool fund.
- (2) Any person or operator who engages in surface coal mining operations without first securing a permit, as provided in KRS 350.060, or any person who engages in coal exploration operations, exclusive of core drilling, without proper authorization, as required by the cabinet pursuant to KRS 350.057 or administrative regulations promulgated pursuant thereto, or any person or operator who engages in other mining operations, without proper authorization as required by this chapter or administrative regulations promulgated pursuant thereto, shall be liable to a civil penalty for damages to the Commonwealth of not less than five thousand dollars (\$5,000) nor more than twenty-five thousand dollars (\$25,000) and in addition, may be enjoined from continuing the violations. Each day shall constitute a separate violation. In addition to the foregoing penalties, any permittee, person, or operator who fails to abate a violation of KRS 350.060 or KRS 350.029 or KRS 350.057, as noted in a notice of noncompliance or an order for immediate compliance and cessation within the time period prescribed for the abatement, shall be assessed an additional civil penalty of not less than seven hundred fifty dollars (\$750) for each day during which the violation continues. However, the penalties

provided in subsection (1) of this section shall apply in lieu of the penalties provided in this subsection where an operator or permittee through inadvertence has exceeded the boundaries or expiration date of the permit in effect at that time.

- (3) The ~~cabinet~~~~{cabinet's Office of Legal Services}~~ shall bring an action for the recovery of penalties and bring an action for a restraining order, temporary or permanent injunction, against any permittee, operator, or person violating or threatening to violate any of the provisions of this chapter or violating or threatening to violate any order or determination issued pursuant to the provisions of this chapter. The Franklin Circuit Court shall hold concurrent jurisdiction and venue of all civil and injunctive actions instituted by the cabinet for the enforcement of the provisions of this chapter or the orders and administrative regulations of the cabinet promulgated pursuant thereto.
- (4) Any permittee, operator, or person who knowingly and willfully violates any of the provisions of this chapter, except as provided in subsection (5) of this section, or any determination or order issued pursuant to the sections of this chapter which have become final, shall be guilty of a Class A misdemeanor. Each day on which the violation occurs may constitute a separate offense.
- (5)
 - (a) Any person or operator who, in violation of KRS 350.060(1)(a) willfully and knowingly engages in surface coal mining operations without first obtaining a permit from the cabinet, or any person or operator who willfully and knowingly engages in coal exploration operations, exclusive of core drilling, without proper authorization, as required by the cabinet pursuant to KRS 350.057 or administrative regulations promulgated pursuant thereto, or any person or operator who willfully and knowingly engages in other mining operations without proper authorization as required by this chapter or administrative regulations promulgated pursuant thereto, with the intent to violate the laws, shall be guilty of a Class D felony.
 - (b) Any person or operator who in violation of KRS 350.060(1)(b) willfully and knowingly receives, transports, sells, conveys, transfers, trades, exchanges, donates, purchases, delivers, or in any way derives benefit from coal removed from any surface mining operations conducted in violation of KRS 350.060(1)(a) or 350.057 shall be guilty of a Class D felony.
- (6) Any person who violates any of the provisions of KRS 350.600 or administrative regulations promulgated pursuant thereto shall be subject to civil penalties of not more than twenty-five thousand dollars (\$25,000). Each day of continuing violation shall be deemed a separate violation.
- (7) Any permittee, operator, or person who knowingly makes any false statement, representation, or certification, or knowingly fails to make any statement, representation, or certification in any application, record, report, plan, or other document filed or required to be maintained by the cabinet, shall upon conviction be guilty of a Class A misdemeanor.
- (8) Except as permitted by law, any permittee, operator, or person who willfully and knowingly resists, prevents, impedes, or interferes with the secretary or other personnel of the cabinet in the performance of duties pursuant to this chapter shall be guilty of a Class A misdemeanor.
- (9) When a corporate permittee violates any provision of this chapter or administrative regulation promulgated pursuant thereto or fails or refuses to comply with any final order issued by the secretary, any director, officer, or agent of the corporation who willfully and knowingly authorized, ordered, or carried out the violation, failure, or refusal shall be subject to the same civil penalties, fines, and imprisonment as may be imposed upon a person pursuant to this section.
- (10) Upon notice by the secretary that any surety has failed to comply with the provisions of KRS 350.032(3), the ~~commissioner~~~~{executive director}~~ of the Kentucky ~~Department~~~~{Office}~~ of Insurance shall revoke the surety's certificate of authority to conduct insurance business within the Commonwealth of Kentucky.
- (11) The cabinet, upon written request by any permittee, person, or operator subject to any penalty assessment under this section and pursuant to procedures, if any, set forth by administrative regulation and after consultation with the local county fiscal court, may allow as an alternative to the payment of any assessed penalty under this section the performance of in-kind reclamation, environmental rehabilitation, or similar action to correct environmental pollution. The in-kind work shall not substitute for those remedial measures mandated by the cabinet for the correction of any violations. The estimated cost of the in-kind work shall be greater than the penalty assessment. The cabinet's Division of Abandoned Mine Lands shall have the authority to approve proposed in-kind projects and to recommend projects to the cabinet, and shall determine whether

the estimated cost of the in-kind work exceeds the penalty assessment. For the purposes of this subsection, the cost of the in-kind work shall include only those expenditures for actual on-site reclamation or rehabilitation work, including direct equipment, personnel, and material cost, but excluding administrative overhead or transportation costs. Failure to perform the in-kind work as agreed upon by the person or operator subject to the penalty assessment shall reinstate the liability of the person, permittee, or operator for the full amount of the assessed penalty. The cabinet may prepare and promulgate administrative regulations as are necessary to implement and administer the provisions of this subsection.

 - (b) Apply to minimum premium policies.
- (3) The ~~Department~~~~Office~~ of Insurance shall approve workers' compensation rating plans that give a credit on the premium for a certified drug-free workplace so long as the credit is actuarially sound. The credit shall be at least five percent (5%) unless the ~~Department~~~~Office~~ of Insurance determines that five percent (5%) is actuarially unsound.
 - (4) The credit on the workers' compensation premium may be applied by the insurer at the final audit.

➔Section 1902. KRS 351.330 is amended to read as follows:

- (1) Blasting of explosives for use in the neighborhood of any public highway, stream of water, dwelling house, public building, school, church, commercial or institutional building, pipeline, or utility shall be done in accordance with the provisions of this section, and rules and regulations promulgated by the department.
- (2) Where necessary in a blasting operation, the department may require that the operator submit a blasting plan to the department for approval.
- (3) In all blasting operations, except as hereinafter otherwise provided, the maximum peak particle velocity of the ground motion in any direction shall not exceed two (2) inches per second at the immediate location of any dwelling house, public building, school, church, commercial or institutional building, and the particle velocity at such location immediately after a period of one (1) second following the peak particle velocity produced by any charge shall not continuously exceed one-half (1/2) inch per second.
- (4) Blasting operations without instrumentation will be considered as being within the limits set forth in this subsection if such blasting operations are conducted in accordance with rules and regulations of the department establishing the maximum amount of explosives to be used in a single charge and in a single subcharge within specified distances from any location provided by subsection (1). No more than 40,000 pounds of explosives may be used in any charge except with the approval of the commissioner. Regulations promulgated by the department pursuant to this subsection shall be in such terms that compliance therewith will assure compliance with the provisions of subsection (3).
- (5) No two (2) consecutive subcharges containing the maximum permitted by the department pursuant to this subsection shall have a detonation time separated by less than eight (8) milliseconds, except that if the amount of explosive used in any subcharge is less than maximum permitted by the department pursuant to subsection (4), the time delay between detonation times may be decreased in the same ratio.
- (6) Any blasting operation may be conducted without reference to any maximum amount or period provided by or pursuant to subsection (4) if the operator of such blasting operation demonstrates by instrumentation that maximum particle velocity of the ground motion in any direction does not exceed the limits provided in subsection (3).
- (7) Instruments for determining particle velocity as set forth in this subsection shall be limited to such specific types of devices as shall have been expressly approved by the department and the commissioner or his duly authorized agent may enter upon any premises for the purpose of conducting or supervising any necessary instrumentations provided by KRS 351.315 to 351.375.
- (8) When blasting operations are contemplated which would result in ground vibrations that would have a particle velocity in any direction in excess of 2 inches per second at the immediate location of any dwelling house, public building, school, church, commercial or institutional building, blasting operations may proceed after receiving written consent from the property owner or owners affected.
- (9) When blasting operations, other than those conducted at a fixed site as a part of any industry or business operated at such site, are to be conducted within the vicinity of a pipeline or public utility, the blaster or person in charge of the blasting operations shall take due precautionary measures for the protection of the pipeline or utility, and shall give adequate notice to the owner or his agent that such blasting operations are intended. The blaster shall be subject to regulations promulgated by the department concerning such a blasting operation.

- (11) Blasting operations shall not be conducted within eight hundred (800) feet of any public highway, unless due precautionary measures are taken to safeguard the public.
- (12) Mudcapping in blasting operations shall be permitted only where it would endanger the safety of the workers to drill the rock or material to be blasted. If mudcapping is necessary, no more than ten (10) pounds of explosives shall be used for each charge.
- (13) When the use of detonating cord would cause severe air blast the department may cause all trunk lines to be covered by 5 to 6 inches of loose earth.
- (14) In blasting operations, flying rocks shall not be allowed to fall greater than one-half (1/2) the distance between the blast and a dwelling house, public building, school, church, commercial or institutional building. Protective material shall be used to insure this limit.
- (15) When a blast is about to be fired, ample warning shall be given to allow all persons to retreat to a safe place, and care shall be taken to ascertain that all persons are in the clear. Each operator shall follow a definite plan of warning signals that can be clearly seen or heard by anyone in the blasting area. The operator shall inform all employees at the operation as to the established procedure.

- (6) The commission may establish a bond in a sum greater than five thousand dollars (\$5,000) for any well to be drilled to a depth of more than four thousand (4,000) feet if the members of the commission determine that the particular circumstances of the drilling of the well warrant an increase in the bond amount established in subsection (5) of this section.

- (7) All bonds required to be posted under this section shall:
- (a) Be made in favor of the Department for Natural Resources;
 - (b) Be conditioned that the wells, upon abandonment, shall be plugged in accordance with the administrative regulations of the department and that all records required by the department be filed as specified; and
 - (c) Remain in effect until the plugging of the well is approved by the department, or the bond is released by the department.
- (8) An operator may petition the department to amend the drilling depth and bond amount applicable to a particular well and shall not proceed to drill to a depth greater than that authorized by the department until the operator is so authorized, except pursuant to administrative regulations promulgated by the department.
- (9) (a) Any qualified well operator, in lieu of the individual bond, may file with the department a blanket bond according to the following tiered structure:
1. One (1) to twenty-five (25) wells require a ten thousand dollar (\$10,000) bond;
 2. Twenty-six (26) to one hundred (100) wells require a twenty-five thousand dollar (\$25,000) bond;

- (a) A ratio of total liabilities to net worth less than two (2); or
 - (b) A ratio of the sum of net income plus depreciation, depletion, and amortization to total liability greater than one-tenth (0.1); or

- (a) That if the operator fails to perform with the proper plugging and abandonment of any well covered by the blanket bond, the guarantor shall do so or provide for alternate financial assurance; and
 - (b) The corporate guarantee shall remain in force unless the guarantor sends notice of the cancellation by certified mail to the operator and to the department. Cancellation shall not occur, however, during the one hundred twenty (120) day period beginning on the first day that both the operator and the department have received notice of cancellation, as evidenced by the certified mail return receipts.

- (13) An operator shall not be eligible for blanket bonding if:
 - (a) It has more than ten (10) violations of KRS Chapter 353 or the regulations adopted pursuant thereto within the thirty-six (36) month period;
 - (b) It has any outstanding, unabated violations of KRS Chapter 353 or the regulations adopted pursuant thereto which have not been appealed;

- (14) A deposit in cash or a bank-issued irrevocable letter of credit may serve in lieu of either of the individual well or blanket bonds.
- (15) Individuals acquiring a single well for domestic use may post a combination bond which shall consist of a cash bond in the amount of one thousand dollars (\$1,000) plus a lien on the property to cover future plugging costs. Only one (1) combination bond may be posted by each individual.
- (16) A certificate of deposit, the principal of which is pledged in lieu of a bond and whose interest is payable to the party making the pledge, may serve for an individual well bond. A certificate of deposit, the principal of which is pledged in lieu of a bond and whose interest is payable to the party making the pledge, may serve for a blanket bond, provided that the first five thousand dollars (\$5,000) of the blanket bond is posted with the department in cash.
- (17) The bond or bonds referred to in this section shall be executed by the well operator as principal and, if a surety bond, by a corporate surety authorized to do business in the Commonwealth.
- (18) A deposit in cash shall serve in lieu of either of the above bonds; all cash bonds accepted by the department shall be deposited into an interest-bearing account, with the interest thereon payable to the special agency account known as the oil and gas well plugging fund, created in subsection (24) of this section, to be used in accordance with the purposes described therein. All cash bonds being held by the department on July 13, 1990, shall likewise be deposited in the interest-bearing account, with the proceeds to be used for the purposes established for the oil and gas well plugging fund.
- (19) The bond amounts prescribed by subsection (5) of this section shall be applicable only to permits issued upon and after July 15, 2006. All bonds posted for permits issued prior to July 15, 2006, shall remain in full force and effect for the duration of the permits.
- (20) The blanket bond amounts prescribed by subsection (9) of this section shall be effective upon and after July 15, 2006. Any operator having filed a blanket bond with the department prior to July 15, 2006, may at its discretion increase the level of the blanket bond incrementally by increasing the blanket bond by the amount of the individual bond prescribed by subsection (9) of this section on any wells drilled subsequent to July 15, 2006, until the blanket bond has reached the level prescribed by subsection (9) of this section.
- (21) A successor to the well operator shall post bond, pay a twenty-five dollar (\$25) fee per well to the department, and notify the department in writing in advance of commencing use or operation of a well or wells. The successor shall assume the obligations of this chapter as to a particular well or wells and relieve the original permittee of responsibility under this chapter with respect to the well or wells. It shall be the responsibility of the selling operator to require the successor operator to post bond before use or operation is commenced by the successor and relief of responsibility under this chapter is granted to the original permittee.
- (22) If the requirements of this section with respect to proper plugging upon abandonment and submission of all required records on all well or wells have not been complied with within the time limits set by the department, by administrative regulation, or by this chapter, the department shall cause a notice of noncompliance to be served upon the operator by certified mail, addressed to the permanent address shown on the application for a permit.

- (a) The notice shall specify in what respects the operator has failed to comply with this chapter or the administrative regulations of the department.
 - (b) If the operator has not reached an agreement with the department or has not complied with the requirements set forth by it within forty-five (45) days after mailing of the notice, the bond shall be forfeited to the department.
- (23) A bond forfeited pursuant to the provisions of this chapter may be collected by an attorney for the department or by the Attorney General, after notice from the director of the Division of Oil and Gas ~~Conservation~~.
- (24) All sums received under this section or through the forfeiture of bonds shall be placed in the State Treasury and credited to a special agency account to be designated as the oil and gas well plugging fund, which shall be an interest-bearing account with the interest thereon payable to the fund. This fund shall be available to the department and shall be expended for the plugging of any abandoned wells coming within the authority of the department pursuant to this chapter. The plugging of any well pursuant to this subsection shall not be construed to relieve the operator or any other person from civil or criminal liability which would exist except for the plugging. Any unencumbered and any unexpended balance of this fund remaining at the end of any fiscal year shall not lapse but shall be carried forward for the purpose of the fund until expended or until appropriated by subsequent legislative action.
- (25) Upon request by any person applying for a permit for a geological or structure test hole, the department shall keep the location and elevation of the hole confidential until the information is allowed to be released by the person obtaining the permit.
- (26) For the purpose of this chapter, "water supply well" shall not include:
- (a) Any well for a potable water supply for domestic use or for livestock; or
 - (b) Any water well used primarily for cooling purposes in an industrial process.
- (27) Notwithstanding the provisions of KRS Chapter 353 or this section, no operator shall be eligible to receive additional permits if that operator or any entity in which it has an ownership interest has:

 - (b) A forfeiture of a bond, whether an individual bond or portion of a blanket bond, on any permit where the operator has not entered into an agreed order with the department for the plugging and proper abandonment of the well or wells on the forfeited permit or permits; or
 - (c) A permit or permits upon which a bond or portion of a bond has been forfeited, and the proceeds therefrom having been spent by the department to plug or reclaim the permitted well, or wells, unless the operator has made restitution to the department for all costs associated with the forfeiture, plugging, and proper abandonment.

The proposal shall be filed on forms provided by the department and shall include:
 - (a) A proposal to prevent erosion of and sedimentation from the well site and all disturbed areas, including roads;
 - (b) A narrative description of the location of all areas to be disturbed, including the location of roads, gathering lines, the well site, tanks and other storage facilities, and any other information that may be required by the department. - (b) A notice to read as follows: "If you do not agree with the proposed use of your land by the well operator, the well operator may request mediation of your dispute by the General Counsel's Office of the Department for Natural Resources. If mediation is requested, and you decide to participate, each party to the mediation will be charged one hundred dollars (\$100) to help cover the cost of mediation. You will be notified of the time and place for mediation, if the well operator chooses mediation, and of your right to participate."

The certified mail receipt, when returned, shall be filed by the well operator with the department and made part of the permit application.

- (3) If the well operator has been unable to reach agreement with the surface owners of all areas to be disturbed in all cases where there has been a complete severance of the ownership of the oil and gas from the ownership of the surface to be disturbed, the permit required by this chapter shall not be issued until the dispute has been referred to mediation by the General Counsel's Office of the Department for Natural Resources, and mediation has been concluded either by agreement between the parties or by a report of the mediator, in accordance with subsection (4) of this section.
- (4) The well operator may request mediation any time after filing the permit application, and all parties participating in the mediation shall pay a nonrefundable fee of one hundred dollars (\$100) to the Kentucky State Treasurer, which shall be for the sole use of the department and shall be in addition to any money appropriated by the General Assembly for the use of the department. The department shall notify the well operator and all surface owners of areas to be disturbed by drilling who have not agreed to the operation and reclamation plan of the date and time mediation shall be conducted by certified mail, return receipt requested. The department shall conduct mediation at the site proposed to be disturbed within fifteen (15) days from the date requested, if practicable. If an agreement is not forthcoming after mediation, the mediator shall, within five (5) days after mediation, issue a report to the director of the Division of Oil and Gas ~~Conservation~~ recommending that the director:
 - (a) Accept the proposal as submitted by the well operator; or
 - (b) Accept the proposal with modifications set forth by the mediator.
- (5) If an agreement between the well operator and the surface owners of all disturbed areas is not forthcoming after mediation, the mediator shall consider the following factors as to the reasonable use of the surface by the well operator in issuing a report to the director, which recommendations shall become permit conditions:
 - (a) The location of roads, gathering lines, and tank batteries;
 - (b) The timing of the operation, considering seasonal uses of the land by the surface owner and the need of the well operator to drill expeditiously;
 - (c) The impact on the other uses of the land by the surface owner, including the location of timber, houses, barns, ponds, crops, and other improvements;
 - (d) Whether the proposal includes a plan for timely, effective reclamation of all disturbed areas; and
 - (e) Any other information deemed appropriate by the mediator.
- (6) The director shall act upon the recommendation of the mediator within five (5) days of the receipt of the mediation report.

- (6) A person whose interest is subject to an oil or gas lease or other agreement which grants to another the right to operate or conduct operations shall not own an operating interest for the purposes of subsection (3) of this section.

- (3) No remediation shall be required under subsection (2) of this section if:
 - (a) A directional survey indicates that the well is not in compliance with the allowable distance established in KRS 353.737(2)(b), but the well is in compliance with the spacing requirements of KRS 353.610; and

 2. The borrower is a natural person;
 3. The debt is incurred by the borrower primarily for personal, family, or household purposes;

 5. The terms of the loan exceed either or both of the following thresholds:
 - a. Without regard to whether the loan transaction is or may be a "residential mortgage transaction" as defined in 12 C.F.R. 226.2(a)(24), as amended from time to time, the loan at the time the loan is consummated is such that the loan is considered a "mortgage" under section 152 of the Home Ownership and Equity Protection Act of 1994, Pub.  - b. The total points and fees payable by the borrower at or before the loan closing exceed the greater of three thousand dollars (\$3,000) or six percent (6%) of the total loan amount as shown as the amount financed on the final Truth-in-Lending Statement.

 4. A change regarding the requirement of escrow for taxes and insurance; and
 5. A change regarding the requirement or payment, or both, of private mortgage insurance.
- (d) 1. "Total points and fees payable by the consumer at or before the loan closing" means all amounts payable by a borrower at or before the closing of a home loan, excluding any interest or time-price differential due at closing on the loan proceeds and includes:
- a. All mortgage broker fees, including fees paid by the consumer directly to the broker, fees paid by the consumer to the creditor for delivery to the broker, and yield spread premiums paid by the creditor to the broker;

 - h. Closing agent fees charged by a third party, but only if the lender requires the particular services for which the borrower is charged and the lender requires the imposition of the charge or the lender retains a portion of the charge.
2. "Total points and fees payable by the consumer at or before the loan closing" does not include real estate related fees paid to third parties if the charge is reasonable, the creditor receives no direct or indirect compensation in connection with the charge, and the charge is not paid to an affiliate of the creditor. The lender shall disclose the discount in rate received in consideration for a high-cost home loan with the prepayment penalty; and

2. If a borrower declines an offer required in paragraph (a)1. of this subsection, the lender may include a prepayment penalty schedule. - (b) A high-cost home loan may not contain a provision which permits the lender, in its sole discretion, to accelerate the indebtedness. This provision does not apply when repayment of the loan has been accelerated by default, pursuant to a due-on-sale provision, or pursuant to some other provision of the loan documents unrelated to the payment schedule;

 - (d) A high-cost home loan may not contain a payment schedule with regular periodic payments that cause the principal balance to increase;
 - (e) A high-cost home loan may not contain a provision which increases the interest rate after default. This provision does not apply to interest rate changes in a variable rate loan otherwise consistent with the provisions of the loan documents, provided the change in the interest rate is not triggered by the event of default or the acceleration of the indebtedness;
 - (f) A high-cost home loan may not include terms under which more than two (2) periodic payments required under the loan are consolidated and paid in advance from the loan proceeds provided to the borrower;
 - (g) A lender may not charge a borrower any fees to modify, renew, extend, or amend a high-cost home loan or to defer any payment due under the terms of a high-cost home loan, unless the fees are less than one-half (1/2) of any fees that would be charged for a refinance or unless the borrower is in default and it is in the borrower's best interest;
 - (h) A lender may not make a high-cost home loan unless the borrower has been provided the following notice or a substantially similar notice, in writing, not later than the time that notice provided by 12 C.F.R. 226.31(c), as amended from time to time, is required:

NOTICE TO BORROWER

IF YOU OBTAIN THIS LOAN, THE LENDER WILL HAVE A MORTGAGE ON YOUR HOME. YOU COULD LOSE YOUR HOME AND ANY MONEY YOU PUT INTO IT IF YOU DO NOT MEET YOUR OBLIGATIONS UNDER THE LOAN.

MORTGAGE LOAN RATES AND CLOSING COSTS AND FEES VARY BASED ON MANY FACTORS, INCLUDING YOUR PARTICULAR CREDIT AND FINANCIAL CIRCUMSTANCES, YOUR EMPLOYMENT HISTORY, THE LOAN-TO-VALUE REQUESTED AND THE TYPE OF PROPERTY THAT WILL SECURE YOUR LOAN. THE LOAN RATE AND FEES COULD ALSO VARY BASED ON WHICH LENDER OR BROKER YOU SELECT. YOU SHOULD SHOP AROUND AND COMPARE LOAN RATES AND FEES.

YOU SHOULD ALSO CONSIDER CONSULTING A QUALIFIED INDEPENDENT CREDIT COUNSELOR OR OTHER EXPERIENCED FINANCIAL ADVISOR REGARDING THE RATE, FEES, AND PROVISIONS OF THIS MORTGAGE LOAN BEFORE YOU PROCEED. YOU SHOULD CONTACT THE UNITED STATES DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT FOR A LIST OF CREDIT COUNSELORS AVAILABLE IN YOUR AREA.

YOU ARE NOT REQUIRED TO COMPLETE THIS LOAN AGREEMENT MERELY BECAUSE YOU HAVE RECEIVED THESE DISCLOSURES OR HAVE SIGNED A LOAN APPLICATION.

REMEMBER, PROPERTY TAXES AND HOMEOWNER'S INSURANCE ARE YOUR RESPONSIBILITY. NOT ALL LENDERS PROVIDE ESCROW SERVICES FOR THESE PAYMENTS. YOU SHOULD ASK YOUR LENDER ABOUT THESE SERVICES.

ALSO, YOUR PAYMENTS ON EXISTING DEBTS CONTRIBUTE TO YOUR CREDIT RATINGS. YOU SHOULD NOT ACCEPT ANY ADVICE TO IGNORE YOUR REGULAR PAYMENTS TO YOUR EXISTING CREDITORS;

- (i) A lender may not make a high-cost home loan unless the lender reasonably believes at the time the loan is consummated that one (1) or more of the borrowers, when considered individually or collectively, will be able to make the scheduled payments to repay the loan based upon a consideration of their current and expected income, current obligations, current employment status, and other financial resources, other than the borrower's equity in the dwelling which secures repayment of the loan. A borrower shall be presumed to be able to make the scheduled payments to repay the loan if, at the time the loan is consummated:
 - 1. The borrower's total monthly debts, including amounts owed under the loan, do not exceed fifty percent (50%) of the borrower's monthly gross income as verified by the credit application, the borrower's financial statement, a credit report, financial information provided to the lender by or on behalf of the borrower, or any other reasonable means;
 - 2. The loan has been approved by an automated underwriting service offered by FNMA or Freddie MAC;
 - 3. The lender verifies and documents that the borrower has liquid assets equal to fifty percent (50%) of the principal loan amount; or
 - 4. The borrower has sufficient residual income as defined in the guidelines established in 38 C.F.R. 36.4337(e) and United States *Department of Veterans Affairs* ~~Administration~~ form 26-6393;
- (j) If the proceeds of the high-cost home loan are used to refinance an existing high-cost home loan held by the same lender as noteholder, the lender may not directly or indirectly finance:
 - 1. Any prepayment fees or penalties payable by the borrower; or
 - 2. Points and fees, excluding those provided for in 12 C.F.R. 226.4(c)(7), which in the aggregate are in excess of four percent (4%) of the total amount financed;
- (k) A lender or mortgage loan broker may not, within one (1) year of the consummation of a high-cost home loan, charge a borrower points and fees in connection with a high-cost home loan if the proceeds of the high-cost home loan are used to refinance an existing high-cost home loan on which points were charged. A lender may not, at any time, charge a borrower points and fees in addition to those allowed by 12 C.F.R. 226.4(c)(7) if the proceeds of the high-cost home loan are used to refinance an existing high-cost home loan, on which points were charged, held by the same lender as noteholder. However, points and fees in accordance with this section may be charged on any proceeds of a high-cost home loan which are in excess of the amount refinanced on the existing high-cost home loan;
- (l) A lender may not pay a contractor under a home-improvement contract from the proceeds of a high-cost home loan other than by an instrument payable to the borrower or jointly to the borrower and the contractor, or at the election of the borrower, through a third-party escrow agent in accordance with terms established in a written agreement signed by the borrower, the lender, and the contractor prior to the disbursement;
- (m) A lender shall not refinance, replace, or consolidate a zero interest rate or low interest rate loan made by a governmental or nonprofit lender with a high-cost home loan. For purposes of this paragraph, a low interest rate loan is defined as a loan that carries a current interest rate that is two (2) percentage points or more below the current yield on United States Treasury securities with a comparable maturity;
- (n) A lender shall not finance single premium credit life, credit accident, credit health, credit disability, or credit loss of income insurance in connection with a high-cost home loan;
- (o) A lender shall not make a high-cost home loan unless the lender has made available to the borrower a videotape, or other similar audio-video media format such as DVD or CD, approved by the *Department* ~~Office~~ of Financial Institutions, which explains the borrower's rights and responsibilities

with regard to this section or high-cost home loans. A lender shall have available for viewing at least one (1) copy of the video in the principal office and each branch office of the lender;

- (p) A lender shall not make a high-cost home loan subject to a mandatory arbitration clause that is oppressive, unfair, unconscionable, or substantially in derogation of the rights of consumers. Arbitration clauses that comply with the standards set forth in the Statement of Principles of the National Consumer Dispute Advisory Committee of the American Arbitration Association in effect on June 24, 2003, shall be presumed not to violate this subsection;
- (q) A lender shall not charge a late payment fee on a high-cost home loan except in accordance with the following:
 1. The late payment fee may not be in excess of five percent (5%) of the amount of the payment past due or ten dollars (\$10), whichever is greater;
 2. The loan documents must specifically authorize the late payment fee;
 3. The late payment fee may only be assessed for a payment past due fifteen (15) days or more; and
 4. The late payment fee may only be charged once with respect to a single late payment;
- (r) A lender may not charge a borrower a fee for the first request of each calendar year for a written payoff calculation. Thereafter, for each subsequent request in a calendar year, the lender may charge a reasonable fee not to exceed in excess of ten dollars (\$10) or actual costs, whichever is greater, per request for a written payoff calculation on a high-cost home loan by a borrower in a calendar year;
- (s) A lender shall not initiate a foreclosure or other judicial process to terminate a borrower's interest in residential real property subject to a high-cost home loan without first providing the borrower, at least thirty (30) days prior to the initiation of any process, written notice of default and of the borrower's right to cure. The notice shall include a statement of the amount needed to be paid by the borrower in order to cure the default and the date by which the payment is due to cure the default. If the amount needed to be paid will change during the thirty (30) day notice period, the notice shall provide information sufficient to enable a calculation of the daily change;
- (t) A lender shall not recommend or encourage default on an existing loan or other debt in connection with the closing of a high-cost home loan that refinances all or a portion of the existing loan or debt;
- (u) A lender shall not make a high-cost home loan that does not require an escrow account for taxes and insurance;
- (v) A lender shall not process the application to make a high-cost home loan if the proceeds shall be used, in whole or in part, to repay the principal of an existing loan secured by the borrower's principal dwelling that is not a high-cost home loan, without first requiring the borrower to obtain housing counseling by a HUD-approved counselor;
- (w) A lender shall not make a high-cost home loan that allows the borrower, for any part or all of the term of the loan, to make payments that are applied only to interest and not to principal;
- (x) A lender shall provide timely notice to the borrower of any material change in the terms of a high-cost home loan if the change is made after an application has been taken but before the closing of the loan. Notice shall be deemed timely if given not later than three (3) days after the lender has learned of the change or twenty-four (24) hours before the high-cost home loan is closed, whichever is earlier. If the lender discloses a material change more than three (3) days after learning of the change but still twenty-four (24) hours before the high-cost home loan is closed, it will not be liable for penalties or forfeitures if the lender cures in time for the borrower to avoid any damage;
- (y) A lender shall not make a high-cost home loan without verifying the borrower's income and financial resources through tax returns, payroll receipts, bank records, or other similarly reliable documents, whether provided directly by the borrower or through a third party with the borrower's permission; and
- (z) A lender shall not make a high-cost home loan without verifying the borrower's reasonable ability to pay all scheduled payments of principal, interest, real estate taxes, homeowner's insurance, and mortgage insurance premiums, as applicable. For loans in which the interest rate may vary, the reasonable ability to repay shall be determined based upon the following:

1. In the case of a high-cost home loan in which the rate of interest varies solely in accordance with an index, the interest rate determined by adding the index rate in effect on the date of consummation of the transaction to the maximum margin permitted at any time during the loan agreement; or
 2. In the case of a high-cost home loan in which the rate may vary at any time during the term of the loan for any reason other than in accordance with an index, the interest charged on the loan at the maximum rate that may be charged during the term of the loan.
- (3) Except as provided in paragraph (e) of subsection (2) of this section, the making of a high-cost home loan which violates any provisions of subsection (2) of this section is usurious, subject to the penalties of this chapter, and unlawful as an unfair and deceptive act or practice in or affecting commerce in violation of the provisions of KRS 367.170. The provisions of this section shall apply to any person who in bad faith attempts to avoid the application of this section by:
- (a) The structuring of a loan transaction as an open-end credit plan for the purpose and with the intent of evading the provisions of this section when the loan would have been a high-cost home loan if the loan had been structured as a closed-end loan; or
 - (b) Dividing any loan transaction into separate parts for the purpose and with the intent of evading the provisions of this section; or
 - (c) Any other such subterfuge.

The Attorney General, the ~~commissioner~~~~executive director~~ of the ~~Department~~~~Office~~ of Financial Institutions, or any party to a high-cost home loan may enforce the provisions of this section. Any person seeking damages or penalties under the provisions of this section may recover damages under either this chapter or KRS Chapter 367, but not both.

- (4) A lender of a high-cost home loan who, when acting in good faith, fails to comply with subsection (2) of this section, will not be deemed to have violated this section if the lender establishes that either:
- (a) Within thirty (30) days of the loan closing the borrower is notified of the compliance failure, appropriate restitution is made, and whatever adjustments are necessary are made, at the choice of the borrower, to the loan to either:
 1. Make the high-cost home loan satisfy the requirements of subsection (2) of this section; or
 2. Change the terms of the loan in a manner beneficial to the borrower so that the loan will no longer be considered a high-cost home loan subject to the provisions of this section; or
 - (b) The compliance failure was not intentional and resulted from a bona fide error notwithstanding the maintenance of procedures reasonably adopted to avoid such errors, and within sixty (60) days after the discovery of the compliance failure, the borrower is notified of the compliance failure, appropriate restitution is made, and whatever adjustments are necessary are made to the loan to either, at the choice of the borrower, make the high-cost home loan satisfy the requirements of subsection (2) of this section or change the terms of the loan in a manner beneficial to the borrower so that the loan will no longer be considered a high-cost home loan subject to the provisions of this section. Examples of a bona fide error include clerical, calculation, computer malfunction and programming, and printing errors.
 - (c) For purposes of this subsection, "appropriate restitution" means the reimbursement by the lender of any points, fees, interest, or other charges made by the lender and received from the borrower necessary to put the borrower in the same position as he or she would have been had the loan, as adjusted in accordance with paragraphs (a) and (b) of this subsection, been originally made in accordance therewith.
- (5) For purposes of this section, any extension of credit shall be deemed to have been made in the Commonwealth of Kentucky, and therefore subject to the provisions of this section, if the lender offers or agrees in Kentucky to lend money to a borrower, who is a resident of Kentucky, on real property located within the Commonwealth of Kentucky, or if such borrower accepts or makes the offer in Kentucky to borrow, regardless of the situs of the contract as specified therein. Any oral or written solicitation or communication to lend originating outside of Kentucky, but forwarded to and received in Kentucky by a borrower who is a resident of Kentucky, shall be deemed to be an offer or agreement to lend in Kentucky and, therefore, subject to this section. Any oral or written solicitation or communication to borrow originating within Kentucky, from a borrower who is a resident of Kentucky, but forwarded to and received by a lender outside of Kentucky, shall be deemed to be an

acceptance or offer to borrow in Kentucky. Any oral or written offer, acceptance, solicitation, or communication to lend or borrow, made in Kentucky to, or received in Kentucky from, a borrower who is not a resident of Kentucky, shall be subject to the provisions of this section, applicable federal law, law of the situs of the contract, or law of the residence of the borrower, as the parties may elect. The provisions of this section shall be severable and if any phrase, clause, sentence, or provision is declared to be invalid, the validity of the remainder of this section shall not be affected thereby.

- (3) The funds shall not be paid by the financial institution until a certified statement is furnished to the financial institution by the agent setting forth that all of the terms and conditions of the agreement have been fully performed by the person, association, partnership, firm, or corporation. Any balance remaining in the fund after payment for the merchandise and services as set forth in the agreement, contract, or plan shall be paid to the estate of the beneficiary of the agreement, contract, or plan.
- (4) The funds shall not be paid by the financial institution until the agent has proven the death of the person for whose service the funds were paid by furnishing the financial institution with a verified or certified copy of a record verifying the death, issued by the state registrar of the Vital Statistics Branch or its successor agency as authorized by KRS Chapter 213, or a provisional certificate of death as described in KRS 213.076.

➔Section 1921. KRS 393.082 is amended to read as follows:

- (1) Unclaimed sums delivered to the Kentucky State Treasurer pursuant to KRS 393.080(3) shall be placed in a special expendable trust fund established by the Kentucky Workers' Compensation Funding Commission. The Kentucky Workers' Compensation Funding Commission shall establish a separate trust account with respect to each final determination or order providing for a refund that the Attorney General determines to have a reasonable relationship to the workers' compensation liability of a bankrupt employer.
- (2) The ~~commissioner~~~~executive director~~ of the ~~Department~~~~Office~~ of Workers' Claims shall be the administrator of the resulting trust fund established pursuant to this section. The ~~commissioner~~~~executive director~~ or his or her designee shall be authorized to determine the value of all workers' compensation claims against the bankrupt employer and to prepare a comprehensive distribution plan. Eligible claimants may elect to participate in a comprehensive distribution plan in exchange for the release of all related claims against the Commonwealth and all of its cabinets, departments, offices, bureaus, agencies, officers, agents, and employees, with the exception of the special fund in the ~~Department of~~ Labor *Cabinet*. A claimant shall agree as part of a

release under this section not to file any future motions to reopen the named workers' compensation claim or claims, and not to file new claims with respect to the same injury or occupational disease.

- (3) A comprehensive distribution plan for unclaimed utility refunds placed in a trust account pursuant to this section shall consist of the full payment of workers' compensation income benefits for eligible claimants until the fund is exhausted, subject to the exceptions noted in KRS 393.080 and this section, and may include lump-sum settlements in addition to biweekly payment plans. An initial distribution shall be made to eligible claimants after the **commissioner**~~{executive director}~~ of the **Department**~~{Office}~~ of Workers' Claims, or the **commissioner's**~~{executive director's}~~ designee, has made an initial determination of the number of eligible claimants, the amount of income benefits due, and the amount to be retained as a reserve for pending claims. The initial distribution shall include payment of all past due income benefits, without interest, for eligible claimants.
- (4) Neither the special fund nor the uninsured employers' fund shall be considered to be claimants for the purposes of this section. Medical and related benefits shall not be considered in the valuation of the claims unless the amount available in the trust fund clearly exceeds the estimated value of income benefits for all claims. If a workers' compensation surety bond, letter of credit, or other form of security for the payment of the workers' compensation liabilities of a bankrupt employer has been collected by the **commissioner**~~{executive director}~~ of the **Department**~~{Office}~~ of Workers' Claims or the Workers' Compensation Board for distribution to claimants in a manner to be determined by court order, it may be assumed in the valuation of the claims in a comprehensive distribution plan that the security will be distributed by the court on a pro rata basis and an appropriate deduction may be taken.
- (5) In preparing the valuation of claims for inclusion in a comprehensive distribution plan, the **commissioner**~~{executive director}~~ or the **commissioner's**~~{executive director's}~~ designee shall deduct special fund payments. Settlement of a workers' compensation claim as part of a comprehensive distribution plan under this section shall not accelerate the date on which the special fund's liability becomes due.
- (6) If the bankrupt employer ceased business operations at least three (3) years prior to establishment of a trust account pursuant to this section, only claimants who file workers' compensation claims within sixty (60) days of the establishment of the trust account or before shall be eligible to receive payments from the trust fund.
- (7) All claimants shall cooperate with information requests from the **Department**~~{Office}~~ of Workers' Claims concerning prior payments of workers' compensation benefits. The **commissioner**~~{executive director}~~ of the **Department**~~{Office}~~ of Workers' Claims or his or her designee may subpoena witnesses, including present or past managers and officers of the bankrupt employer, and may conduct evidentiary hearings under oath relating to the past and present workers' compensation liabilities of the bankrupt employer or information relevant to unpaid workers' compensation benefits. Administrative subpoenas issued under the authority of the **commissioner**~~{executive director}~~ of the **Department**~~{Office}~~ of Workers' Claims for this purpose may be enforced in the Franklin Circuit Court.
- (8) The Attorney General shall provide representation of the comprehensive distribution plan as a named defendant in the event the establishment of the trust fund is challenged.
- (9) The provisions of KRS 393.080(3) or this section shall not be construed to constitute an admission of the validity of any workers' compensation claims, nor shall these provisions be interpreted in a manner that would transfer or create liability on behalf of the **commissioner**~~{executive director}~~ of the **Department**~~{Office}~~ of Workers' Claims, any agency, or employee, beyond that expressly set forth in a comprehensive distribution plan.
- (10) The special fund shall issue trust fund checks in the amounts and to the claimants or claimants' representatives as directed by the **commissioner**~~{executive director}~~ of the **Department**~~{Office}~~ of Workers' Claims.
- (11) The personnel and other costs of administering a trust fund established pursuant to this section shall be paid out of the investment income of the trust fund.
- (12) Attorney fees shall be subject to the limitations and maximum amounts for the payment of attorney's fees established by KRS 342.320, as well as the approval of the **commissioner**~~{executive director}~~ or his or her designee.
- (13) If a workers' compensation claimant elects not to participate in a comprehensive distribution plan proposed by the **commissioner**~~{executive director}~~ of the **Department**~~{Office}~~ of Workers' Claims or the

commissioner's~~{executive director's}~~ designee, that claimant shall not be entitled to any portion of the utility refund for the payment of the workers' compensation benefits. A claimant shall have sixty (60) days following issuance of a comprehensive distribution plan in which to make an election to participate or not.
