

**CHAPTER 118****(HCR 210)**

A CONCURRENT RESOLUTION relating to Kentucky's Capitol Centennial.

WHEREAS, 2010 marks the centennial year of Kentucky's Capitol, considered to be one of the most beautiful Capitol buildings in the United States; and

WHEREAS, the Capitol, as designed by Frank Mills Andrews, represents a major contribution to the architectural history of the Beaux Arts movement in this country; and

WHEREAS, the Kentucky Capitol Centennial Commission, as authorized by Kentucky's General Assembly, secured the installation of murals which will be allegorical representations of agriculture, industry, civilization and culture for the rotunda's pendentive areas; and

WHEREAS, a series of commemorative events has been planned by the Commission, providing numerous opportunities for celebrating Kentucky's Capitol Centennial on dates leading up to and including Friday, June 4, 2010, and Saturday, June 5, 2010, and beyond, through the innovations of modern technology;

NOW, THEREFORE,

*Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:*

➔Section 1. The General Assembly most heartily recognizes the profound significance of the New State Capitol building to the history, and life, of the Commonwealth of Kentucky.

➔Section 2. The events celebrating the Capitol's Centennial provide extensive opportunities for education and participation in Kentucky's history, culture, and civic life within the coming days and months.

➔Section 3. Through the innovations of today's new technology, citizens are urged to avail themselves of the unique opportunity to share their own stories or submit photos which memorialize their visits, work or life at the Capitol building. Citizens across Kentucky are encouraged to contact their county's Cooperative Extension office, which are serving, until April 4, 2010, as the collection points for these remembrances. Once compiled, these stories, photos, videos, and other media will be posted on a Virtual Time Capsule Web site to be unveiled in conjunction with the Capitol Centennial Celebration on June 4 and 5 in Frankfort, and shall remain available until December 31, 2010.

➔Section 4. To further establish funding and support for Kentucky's magnificent historic capitol buildings, all Kentucky's community leaders, elected officials, business officials, and interested citizens from across the Commonwealth and this nation are encouraged and invited to attend a Capitol Centennial celebration gala on Friday, June 4, 2010, for the Kentucky Executive Mansions Foundation which will benefit the Capitol building.

➔Section 5. Each Kentuckian, living either within and outside the state, is urged to travel to Frankfort on Saturday, June 5, 2010, for an unforgettable public celebration on the Capitol grounds, reminiscent of its dedication held in the past century. During the term of Kentucky Governor Augustus Everett Willson, when the building was completed, and beginning with the boom of cannons on Arsenal Hill at noon on June 2, 1910, nearly 10,000 of Kentucky's sons and daughters gathered from all parts of the state and dedicated a new Capitol to the use of the Commonwealth.

➔Section 6. Just as on June 2, 1910, Kentuckians came together to celebrate the Capitol's dedication, this year, 2010, all citizens, former citizens, and visitors to the Commonwealth are encouraged to participate in the events associated with this historic centennial celebration.
