➔ Section 7. KRS 118B.010 is amended to read as follows:

For the purpose of this chapter:

- (1) The boundaries of the congressional districts created by this chapter shall be those shown on the maps generated by the Legislative Research Commission's geographic information system to accompany the redistricting plan enacted into law. The official copies of these maps shall be on file with the State Board of Elections. A duplicate set of maps and associated population information shall be retained by the Legislative Research Commission.
- (2)
 - (a) Designated precincts are those precincts in existence on July 15, ~~2010~~~~2000~~. Precinct boundaries shown in the maps referred to in subsection (1) of this section are taken from county precinct maps and verified and corrected by the Legislative Research Commission staff in consultation with county election officials.
 - (b) Census tracts and blocks shown in the maps referred to in subsection (1) of this section are those utilized for the making of the ~~2010~~~~2000~~ United States Census.
 - (c) Population data utilized for redistricting is the ~~2010~~~~2000~~ United States Census Pub. L. 94-171 population data that was deemed to be official by the United States Secretary of Commerce on or before July 15, ~~2011~~~~2001~~, and election precinct population data prepared by the Legislative Research Commission staff from the official Pub. L. 94-171 population data.

➔Section 8. (1) Because of space constraints in the word processing program for bill drafting, the column for the precinct names given in the tables describing the legislative districts within this Act has been truncated so that in some instances the entirety of the name has not been given within the table. The precinct codes reflected in these tables are those of the State Board of Elections, and these codes shall control over the names given in the tables. In codifying this Act, the Reviser of Statutes is directed to include the full name for any precinct whose name has been shown in a truncated form within this Act, based on the precinct code number given on the affected line.

(2) In the tables for legislative districts given in this Act, the single listing of a county or a precinct within a county indicates that all of the territory of that county or precinct is within the specified district. If the name of a county or precinct is given on a separate line but the county is then repeated with precinct names or the precinct is then repeated with census tract and block numbers on additional lines, this indicates that only a portion of that county or precinct is within the specified district. In codifying this Act, the Reviser of Statutes is directed to remove the separate line entries for counties and precincts in those cases where the entire county or precinct is not within the specified district.

➔Section 9. County boards of elections shall meet immediately following the effective date of this Act for the purpose of reviewing the district boundaries established by the General Assembly in this Act. In the review process, the county boards of elections shall ensure that each county precinct boundary does not cross the district boundaries established in this Act. If a county board of elections determines that any precinct boundary crosses a district boundary, or is so informed by the State Board of Elections in consultation with the Legislative Research Commission, the county board of elections shall issue a proposed precinct establishment order to the State Board of Elections altering the precinct boundary, or creating, dividing, or combining one or more precincts, so that no county precinct boundary crosses any boundary listed in KRS 117.055(1)(a) to (g). Any alteration of precinct boundaries required by this section shall comply with the provisions of KRS 117.055 to 117.058 and shall be completed by the county boards of elections and approved by the State Board of Elections no later than forty-five days after the effective date of this Act, KRS 117.055(3), 117.0553, and 117.056 to the contrary notwithstanding. If a county board of elections fails to comply with the requirements of this section, the State Board of Elections shall apply to the Circuit Court of the county for a summary mandatory order requiring the county board to perform the duties of this section and shall not submit claims for payments to the county under KRS 117.343 and 117.345 until the State Board in consultation with the Legislative Research Commission determines in writing that the duty has been performed.

➔Section 10. (1) Notwithstanding any other provision of law, effective for the 2012 primary and for no other election, the filing deadline for congressional candidates under KRS 118.125 and 118.165 shall be the fifth state business day following the effective date of this Act. In calculating the filing deadline under this subsection, the effective date of this Act is not to be included. All nomination papers shall be filed no later than 4 p.m. local time when filed on the last date on which the papers may be filed.

(2) Notwithstanding any other provision of law, effective for the 2012 primary and for no other election, the time of the drawing for ballot positions for congressional candidates under KRS 118.225 shall be suspended and shall be held at a time determined by the Secretary of State following the filing deadline for congressional candidates established by subsection (1) of this section.

(3) Notwithstanding any other provision of law, effective for the 2012 primary and for no other election, the time of the certification of congressional candidates under KRS 118.215 shall be suspended, and congressional

candidates shall be certified at a time determined by the Secretary of State following the filing deadline for congressional candidates established by subsection (1) of this section.

(4) Notwithstanding any other provision of law, effective for the 2012 primary and for no other election, the deadline for county clerks to notify the State Board of Elections that the number of certified candidates or slates of candidates cannot be placed on a ballot which can be accommodated by the voting machines currently in use by the county under KRS 118.215 shall be suspended, and the notice deadline shall be determined by the Secretary of State following the filing deadline for congressional candidates established by subsection (1) of this section.

(5) Any other necessary election deadlines for the 2012 primary and for no other election, excluding the date of the primary under KRS 118.025, shall be established by the Secretary of State.

➔Section 11. Whereas the districts established by this Act shall be effective for the primary and regular elections to be held in 2012, and certain statutory and other deadlines that impact the primary and regular elections occur prior to the normal effective date of legislation enacted at this legislative session, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

Signed by Governor February 10, 2012.
