- (6) Payment of restitution in full prior to the end of the period of parole supervision shall not shorten the period of parole supervision.

➔Section 4. KRS 61.637 is amended to read as follows:

- (1) A retired member who is receiving monthly retirement payments under any of the provisions of KRS 61.510 to 61.705 and 78.510 to 78.852 and who is reemployed as an employee by a participating agency prior to August 1, 1998, shall have his retirement payments suspended for the duration of reemployment. Monthly payments shall not be suspended for a retired member who is reemployed if he anticipates that he will receive less than the maximum permissible earnings as provided by the Federal Social Security Act in compensation as a result

of reemployment during the calendar year. The payments shall be suspended at the beginning of the month in which the reemployment occurs.

- (2) Employer and employee contributions shall be made as provided in KRS 61.510 to 61.705 and 78.510 to 78.852 on the compensation paid during reemployment, except where monthly payments were not suspended as provided in subsection (1) of this section or would not increase the retired member's last monthly retirement allowance by at least one dollar (\$1), and the member shall be credited with additional service credit.
- (3) In the month following the termination of reemployment, retirement allowance payments shall be reinstated under the plan under which the member was receiving payments prior to reemployment.
- (4)
 - (a) Notwithstanding the provisions of this section, the payments suspended in accordance with subsection (1) of this section shall be paid retroactively to the retired member, or his estate, if he does not receive more than the maximum permissible earnings as provided by the Federal Social Security Act in compensation from participating agencies during any calendar year of reemployment.
 - (b) If the retired member is paid suspended payments retroactively in accordance with this section, employee contributions deducted during his period of reemployment, if any, shall be refunded to the retired employee, and no service credit shall be earned for the period of reemployment.
 - (c) If the retired member is not eligible to be paid suspended payments for his period of reemployment as an employee, his retirement allowance shall be recomputed under the plan under which the member was receiving payments prior to reemployment as follows:
 1. The retired member's final compensation shall be recomputed using creditable compensation for his period of reemployment; however, the final compensation resulting from the recalculation shall not be less than that of the member when his retirement allowance was last determined;
 2. If the retired member initially retired on or subsequent to his normal retirement date, his retirement allowance shall be recomputed by using the formula in KRS 61.595(1);
 3. If the retired member initially retired prior to his normal retirement date, his retirement allowance shall be recomputed using the formula in KRS 61.595(2), except that the member's age used in computing benefits shall be his age at the time of his initial retirement increased by the number of months of service credit earned for service performed during reemployment;
 4. The retirement allowance payments resulting from the recomputation under this subsection shall be payable in the month following the termination of reemployment in lieu of payments under subparagraph 3. The member shall not receive less in benefits as a result of the recomputation than he was receiving prior to reemployment or would receive as determined under KRS 61.691; and
 5. Any retired member who was reemployed prior to March 26, 1974, shall begin making contributions to the system in accordance with the provisions of this section on the first day of the month following March 26, 1974.
- (5) A retired member, or his estate, shall pay to the retirement fund the total amount of payments which are not suspended in accordance with subsection (1) of this section if the member received more than the maximum permissible earnings as provided by the Federal Social Security Act in compensation from participating agencies during any calendar year of reemployment, except the retired member or his estate may repay the lesser of the total amount of payments which were not suspended or fifty cents (\$0.50) of each dollar earned over the maximum permissible earnings during reemployment if under age sixty-five (65), or one dollar (\$1) for every three dollars (\$3) earned if over age sixty-five (65).
- (6)
 - (a) "Reemployment" or "reinstatement" as used in this section shall not include a retired member who has been ordered reinstated by the Personnel Board under authority of KRS 18A.095.
 - (b) A retired member who has been ordered reinstated by the Personnel Board under authority of KRS 18A.095 or by court order or by order of the Human Rights Commission and accepts employment by an agency participating in the Kentucky Employees Retirement System or County Employees Retirement System shall void his retirement by reimbursing the system in the full amount of his retirement allowance payments received.
- (7)
 - (a) Effective August 1, 1998, the provisions of subsections (1) to (4) of this section shall no longer apply to a retired member who is reemployed in a position covered by the same retirement system from which the member retired. Reemployed retired members shall be treated as new members upon reemployment.

Any retired member whose reemployment date preceded August 1, 1998, who does not elect, within sixty (60) days of notification by the retirement systems, to remain under the provisions of subsections (1) to (4) of this section shall be deemed to have elected to participate under this subsection.

- (b) A retired member whose disability retirement was discontinued pursuant to KRS 61.615 and who is reemployed in one (1) of the systems administered by the Kentucky Retirement Systems prior to his or her normal retirement date shall have his or her accounts combined upon termination for determining eligibility for benefits. - (2) Any license fee or tax imposed by a local government upon an insurance company with respect to life insurance policies may be based upon the first year's premiums, and, if so based, shall be applied to the amount of the premiums actually collected within each calendar quarter upon the lives of persons residing within the corporate limits of the local government.
- (3) Any license fee or tax imposed by a local government upon any insurance company with respect to any policy which is not a life insurance policy shall be based upon the premiums actually collected by the insurance company within each calendar quarter on risks located within the corporate limits of the local government on those classes of business which the insurance company is authorized to transact, less all premiums returned to policyholders. In determining the amount of license fee or tax to be collected and to be paid to the local government, the insurance company shall use the tax rate effective on the first day of the policy term. When an insurance company collects a premium as a result of a change in the policy during the policy term, the tax rate used shall be the rate in effect on the effective date of the policy change. With respect to premiums returned to policyholders, the license fee or tax shall be returned by the insurance company to the policyholder pro rata on the unexpired amount of the premium at the same rate at which it was collected and shall be taken as a credit by the insurance company on its next quarterly report to the local government.
- (4) The Department of Insurance shall, by administrative regulation, provide for a reasonable collection fee to be retained by the insurance company or its agent as compensation for collecting the tax, except that the collection fee shall not be more than fifteen percent (15%) of the fee or tax collected and remitted to the local government or two percent (2%) of the premiums subject to the tax, whichever is less. To facilitate computation, collection, and remittance of the fee or tax and collection fee provided in this section, the fees or taxes set out in subsection (1), (2), or (3) of this section, together with the collection fee in this section, may be rounded off to the nearest dollar amount.

- (5) Pursuant to KRS 304.3-270, if any other state retaliates against any Kentucky domiciliary insurer because of the requirements of this section, the commissioner of insurance shall impose an equal tax upon the premiums written in this state by insurers domiciled in the other state.
- (6) Accounting and reporting procedures for collection and reporting of the fees or taxes and the collection fee herein provided shall be determined by administrative regulations promulgated by the Department of Insurance.
- (7)
 - (a) Upon written request of the legislative body of any local government, at the expense of the requesting local government, which shall be paid in advance by the local government to the Department of Insurance, the Department of Insurance shall audit, or cause to be audited by contract with qualified auditors, the books or records of the insurance companies or agents subject to the fee or tax to determine whether the fee or tax is being properly collected and remitted, and the findings of the audit shall be reported to the local government and the insurance company subject to the audit. An insurance company may appeal the findings of the audit conducted under this subsection and any assessment issued pursuant to the audit findings in accordance with the provisions of KRS 91A.0804(5).
 - (b) Willful failure to properly collect and remit the fee or tax imposed by a local government pursuant to the authority granted by this section shall constitute grounds for the revocation of the license issued to an insurance company or agent under the provisions of KRS Chapter 304.
 - (c) If the Department of Insurance finds that an insurance company has willfully engaged in a pattern of business conduct that fails to properly collect and remit the fee or tax imposed by a local government pursuant to the authority granted by this section, the Department of Insurance may assess the responsible insurance company an appropriate penalty fee no greater than ten percent (10%) of the additional license fees or taxes determined to be owed to the local government. The penalty fee shall be paid to the local government owed the license fee or tax less any administrative costs of the Department of Insurance in enforcing this section. Any insurance company or agent held responsible for a penalty fee may request a hearing with the Department of Insurance to be conducted pursuant to KRS 304.2-310 to 304.2-370 regarding the finding of a willful violation and the subsequent penalty fee.
- (8) The license fees or taxes provided for by subsections (2) and (3) of this section shall be due thirty (30) days after the end of each calendar quarter.  - (a) Casualty;
 - (b) Automobile;
 - (c) Inland marine;
 - (d) Fire and allied perils;
 - (e) Health; and
 - (f) Life.
- (9) Any license fee or tax not paid on or before the due date shall bear interest at the tax interest rate as defined in KRS 131.010(6) from the date due until paid. Such interest payable to the local government is separate of penalties provided for in subsection (7) of this section. In addition, the local government may assess a ten percent (10%) penalty for a tax or fee not paid within thirty (30) days after the due date.

For property placed in service after December 31, 1989, the depreciation and expense deductions allowed under Sections 168 and 179 of the Internal Revenue Code shall be allowed.
- ~~(3)(2)~~ Effective August 1, 1985, "reasonable allowance" as used in subsection ~~(2)(1)~~ of this section shall mean depreciation computed in accordance with Section 167 of the Internal Revenue Code and related regulations in effect on December 31, 1980, for all property placed in service on or after January 1, 1981, except as provided in subsections ~~(6)(5)~~ to ~~(8)(7)~~ of this section.

Corporations with a taxable year beginning on or after July 1, 1984, and before August 1, 1985, shall calculate a deduction for depreciation on recovery property placed in service prior to August 1, 1985, using either of the following alternative methods:
 - (a) Dividing the total of the deductions allowed under Internal Revenue Code Section 168 by one and four tenths (1.4); and
 - (b) Calculating the deduction that would be allowed or allowable under the provisions of Section 167 of the Internal Revenue Code.

 - (b) Compute the adjusted basis by subtracting the depreciation allowed or allowable for Kentucky income tax purposes from the unadjusted basis, except corporations will not be permitted to adjust the basis of assets by the ACRS depreciation not allowed for Kentucky income tax purposes in the tax years beginning on or before June 30, 1984, and
 - (c) Compute the gain or loss by subtracting the adjusted basis from the value received from the disposition of the depreciable property, and

➔Section 11. The Kentucky Horse Racing Commission, through promulgation of an administrative regulation, authorized race tracks in Kentucky to conduct wagering on historical horse racing at the tracks, and the Kentucky Department of Revenue, through amendment of a form, imposed the pari-mutuel tax against wagers made on historical horse races. Subsequent to these executive branch actions, the Kentucky Supreme Court opined in 2012-SC-000414-DG that the Kentucky Horse Racing Commission has the statutory authority to regulate historical racing, but that the Kentucky Department of Revenue does not have the statutory authority to impose a tax against historical horse racing. The court remanded the issue of whether wagering on historical horse races is pari-mutuel wagering back to the Circuit Court for further discovery and this litigation is ongoing. Equity demands that as long as the Kentucky Horse Racing Commission continues to allow wagering on historical horse races at race tracks in Kentucky, that such activity should be taxed at a level commensurate with other types of wagering occurring at race tracks in Kentucky. Therefore, the provisions of Sections 6, 7, and 9 of this Act permit the imposition of the pari-mutuel tax against tracks allowing wagering on historical horse races. No provision of this section or Section 6, 7, or 9 of this Act shall be deemed, adjudged, or construed as being a recognition, finding, or admission concerning the legality of wagering on historical horse races, the devices upon which wagering on historical horse races is conducted, or the gaming system.

- (2) (a) A proposal for a zoning map amendment may originate with the planning commission of the unit, with any fiscal court or legislative body which is a member of the unit, or with an owner of the property in question.
- (b) ~~Regardless of the origin of~~ The proposed amendment~~, it~~ shall be referred to the planning commission before adoption. The planning commission shall:
 - 1. ~~then~~ Hold at least one (1) public hearing after notice as required by this chapter; and

2. Make findings of fact and a recommendation of approval or disapproval of the proposed map amendment to the various legislative bodies or fiscal courts involved.
- (c) *1. The planning commission shall make its recommendation within sixty (60) days of the date of the receipt of the administratively complete proposed amendment.*
2. *The originator of the proposed map amendment may waive the sixty (60) day requirement for the recommendation.*
 3. *If the planning commission fails to make a recommendation upon the proposal within sixty (60) days of its receipt of the administratively complete proposed amendment and the time has not been waived by the originator, the application shall be forwarded to the fiscal court or legislative body without a recommendation of approval or disapproval.*

- (f) The findings of fact and recommendation shall include a summary of the evidence and testimony presented by the proponents and opponents of the proposed amendment.
- (g) A tie vote shall be subject to further consideration by the planning commission for a period not to exceed thirty (30) days, at the end of which, if the tie has not been broken, the application shall be forwarded to the fiscal court or legislative body without a recommendation of approval or disapproval.
- (h) It shall take a majority of the entire legislative body or fiscal court to override the recommendation of the planning commission and it shall take a majority of the entire legislative body or fiscal court to adopt a zoning map amendment whenever the planning commission forwards the application to the fiscal court or legislative body without a recommendation of approval or disapproval due to a tie vote.

➔Section 2. KRS 100.237 is amended to read as follows:

The board shall have the power to hear and decide applications for conditional use permits to allow the proper integration into the community of uses which are specifically named in the zoning regulations which may be suitable only in specific locations in the zone only if certain conditions are met:

- (1) The board may approve, modify, or deny any application for a conditional use permit. If it approves such permit it may attach necessary conditions such as time limitations, requirements that one (1) or more things be done before the request can be initiated, or conditions of a continuing nature. Any such conditions shall be recorded in the board's minutes and on the conditional use permit, along with a reference to the specific section in the zoning regulation listing the conditional use under consideration. The board shall have power to revoke conditional use permits, or variances for noncompliance with the condition thereof. Furthermore, the board shall have a right of action to compel offending structures or uses removed at the cost of the violator and may have judgment in personam for such cost.
- (2)
 - (a) Granting of a conditional use permit does not exempt the applicant from complying with all of the requirements of building, housing, and other regulations.
 - (b) *If the applicant submits a modified plan to the relevant regulatory authorities in order to comply with all of the requirements of building, housing, and other regulations that expands the applicant's conditional use beyond the previously established geographic boundaries of the original conditional use permit, then the expanded conditional use shall be reviewed by the board. This review shall be limited to an examination solely of the expanded geographic boundaries of the modified plan. The board may deny the applicant's conditional use permit for the expanded geographic area.*
 - (c) *The applicant shall have the duty of informing the board of modifications made in accordance with paragraph (b) of this subsection, within fourteen (14) days of their submission. The applicant's failure to provide the board with notification shall be grounds for the board to revoke the conditional use permit, after a hearing before the board.*

- (3) In any case where a conditional use permit has not been exercised within the time limit set by the board, or within one (1) year if no specific time limit has been set, such conditional use permit shall not revert to its original designation unless there has been a public hearing. "Exercised," as set forth in this section, shall mean that binding contracts for the construction of the main building or other improvement have been let; or in the absence of contracts that the main building or other improvement is under construction to a substantial degree, or that prerequisite conditions involving substantial investment under contract, in development, are completed. When construction is not a part of the use, "exercised" shall mean that the use is in operation in compliance with the conditions as set forth in the permit.
- (4) The administrative official shall review all conditional use permits, except those for which all conditions have been permanently satisfied, at least once annually and shall have the power to inspect the land or structure where the conditional use is located in order to ascertain that the landowner is complying with all of the conditions which are listed on the conditional use permit. If the landowner is not complying with all of the conditions listed on the conditional use permit, the administrative official shall report the fact in writing to the chairman of the board of adjustment. The report shall state specifically the manner in which the landowner is not complying with the conditions on the conditional use permit, and a copy of the report shall be furnished to the landowner at the same time that it is furnished to the chairman of the board of adjustment. The board shall hold a hearing on the report within a reasonable time, and notice of the time and place of the hearing shall be furnished to the landowner at least one (1) week prior to the hearing. If the board of adjustment finds that the facts alleged in the report of the administrative official are true and that the landowner has taken no steps to comply with them between the date of the report and the date of the hearing, the board of adjustment may authorize the administrative official to revoke the conditional use permit and take the necessary legal action to cause the termination of the activity on the land which the conditional use permit authorizes.
- (5) Once the board of adjustment has completed a conditional use permit and all the conditions required are of such type that they can be completely and permanently satisfied, the administrative official, upon request of the applicant, may, if the facts warrant, make a determination that the conditions have been satisfied, and enter the facts which indicate that the conditions have been satisfied and the conclusion in the margin of the copy of the conditional use permit which is on file. Thereafter said use, if it continues to meet the other requirements of the regulations, will be treated as a permitted use.
- (6) When an application is made for a conditional use permit for land located within or abutting any residential zoning district, written notice shall be given at least fourteen (14) days in advance of the public hearing on the application to the applicant, administrative official, the mayor and city clerk of any city of the fifth or sixth class so affected within any county containing a city of the first class or a consolidated local government, an owner of every parcel of property adjoining the property to which the application applies, and such other persons as the local zoning ordinance, regulations, or board of adjustment bylaws shall direct. Written notice shall be by first-class mail with certification by the board's secretary or other officer that the notice was mailed. M. COAL SEVERANCE TAX PROJECTS

(1) Projects Authorization and Appropriation: Notwithstanding KRS 42.4588(2) and (4), the following projects are authorized and appropriated from Local Government Economic Development Fund moneys from the respective single county fund pursuant to KRS 42.4592 for public purposes in the following coal-producing counties in the manner and amounts enumerated. These projects are determined by the General Assembly to be important to the furtherance of the public policy objectives and economic development purposes for which the Local Government Economic Development Program was established. The amounts appropriated are estimates. Actual expenditures and encumbrances shall be limited to the actual receipts realized and available in the respective single county fund. These amounts are composed of estimated receipts for fiscal year 2013-2014, fiscal year 2014-2015, and fiscal year 2015-2016 in combination with prior unobligated balances in the respective single county funds. To the extent that a county that is authorized to proceed with a project enumerated below receives more single county Local Government Economic Development Fund moneys than are appropriated in this Act, the county may direct those funds to offset a cost overrun on any of the projects enumerated below upon approval of the Commissioner of the Department for Local Government.

(2) Projects Not To Be Duplicated: Notwithstanding KRS 42.4588(2) and (4), to avoid duplication of appropriations for the line-item coal severance tax projects authorized in this section, the following projects are authorized and appropriated for the amounts enumerated below under the condition that the project has not received, or already been authorized by the Department for Local Government to receive, funding prior to the effective date of this Act.

(3) Authorization for Current Year Coal Severance Tax Projects: The following projects authorized for fiscal year 2013-2014 shall remain authorized for the 2014-2016 fiscal biennium.

(4) Project Prioritization: Notwithstanding KRS 42.4588, the following projects shall have priority over projects that have been authorized prior to the effective date of this Act by the Department for Local Government to receive funding.

(5) Water and Sewer Projects: The following projects that are related to water and sewer shall be administered by the Kentucky Infrastructure Authority.

PART III

GENERAL PROVISIONS

1. Funds Designations: Restricted Funds designated in the biennial budget bills are classified in the state financial records and reports as the Agency Revenue Fund, State Enterprise Funds (State Parks, State Fair Board, Insurance Administration, and Kentucky Horse Park), Internal Services Funds (Fleet Management, Computer Services, Correctional Industries, Central Printing, Risk Management, and Property Management), and selected Fiduciary Funds (Other Expendable Trust Funds). Separate funds records and reports shall be maintained in a manner consistent with the branch budget bills.

The sources of Restricted Funds appropriations in this Act shall include all fees (which includes fees for room and board, athletics, and student activities) and rentals, admittances, sales, bond proceeds, licenses collected by law, gifts, subventions, contributions, income from investments, and other miscellaneous receipts produced or received by a budget unit, except as otherwise specifically provided, for the purposes, use, and benefit of the budget unit as authorized by law. Restricted Funds receipts shall be credited and allotted to the respective fund or account out of which a specified appropriation is made in this Act. All receipts of Restricted Funds shall be deposited in the State Treasury and credited to the proper account as provided in KRS Chapters 12, 42, 45, and 48.

The sources of Federal Funds appropriations in this Act shall include federal subventions, grants, contracts, or other Federal Funds received, income from investments, other miscellaneous federal receipts received by a budget unit, and the Unemployment Compensation Fund, except as otherwise provided, for the purposes, use, and benefit of the budget unit as authorized by law. Federal Funds receipts shall be credited and allotted to the respective fund account out of which a specified appropriation is made in this Act. All Federal Funds receipts shall be deposited in the State Treasury and credited to the proper account as provided in KRS Chapters 12, 42, 45, and 48.

2. Expenditure of Excess Restricted Funds or Federal Funds Receipts: If receipts received or credited to the Restricted Funds accounts or Federal Funds accounts of a budget unit during fiscal year 2014-2015 or fiscal year 2015-2016, and any balance forwarded to the credit of these same accounts from the previous fiscal year, exceed the appropriation made by specific sum for these accounts of the budget unit as provided in Part I, Operating Budget, of this Act, for the fiscal year in which the excess occurs, the excess funds in the accounts of the budget unit shall become available for expenditure for the purpose of the account during the fiscal year only upon compliance with the conditions and procedures specified in KRS 48.400, 48.500, 48.600, 48.605, 48.610, 48.620, 48.630, 48.730, and

48.800, and with the authorization of the State Budget Director and approval of the Secretary of the Finance and Administration Cabinet.

Prior to authorizing the appropriation of any excess, unbudgeted Restricted Funds pursuant to this section, the State Budget Director and the Secretary of the Finance and Administration Cabinet shall review the adequacy of the General Fund Surplus Account with respect to its availability to support authorized expenditures from the General Fund Surplus Account, known as Necessary Government Expenses. If General Fund Surplus Account moneys are determined by this review to be adequate to meet known or anticipated Necessary Government Expenses during fiscal year 2014-2015 or fiscal year 2015-2016, respectively, then the appropriation increase may be approved. If the review indicates that there are insufficient funds available or reasonably estimated to become available to the General Fund Surplus Account to meet known or projected Necessary Government Expenses for the fiscal years enumerated above, the State Budget Director and the Secretary of the Finance and Administration Cabinet may disapprove the request for additional Restricted Funds expenditure authority and may direct the excess Restricted Funds identified to the General Fund Surplus Account in order to meet Necessary Government Expense obligations. The results of any review shall be reported to the Interim Joint Committee on Appropriations and Revenue in accordance with KRS 48.400, 48.500, 48.600, 48.605, 48.610, 48.620, 48.630, 48.730, and 48.800.

Any request made by a budget unit pursuant to KRS 48.630 that relates to Restricted Funds or Federal Funds shall include documentation showing a comparative statement of revised estimated receipts by fund source and the proposed expenditures by proposed use, with the appropriated sums specified in the Budget of the Commonwealth, and statements which explain the cause, source, and use for any variances which may exist.

Each budget unit shall submit its reports in print and electronic format consistent with the Restricted Funds and Federal Funds records contained in the fiscal biennium 2014-2016 Branch Budget Request Manual and according to the following schedule in each fiscal year: (a) On or before the beginning of each fiscal year; (b) On or before October 1; (c) On or before January 1; and (d) On or before April 1.

3. Interim Appropriation Increases: No appropriation from any fund source shall exceed the sum specified in this Act until the agency has documented the necessity, purpose, use, and source, and the documentation has been submitted to the Interim Joint Committee on Appropriations and Revenue for its review and action in accordance with KRS 48.630. Proposed revisions to an appropriation contained in the enacted Executive Budget or allotment of an unbudgeted appropriation shall conform to the conditions and procedures of KRS 48.630 and this Act.

Notwithstanding KRS 48.630(3), (4), and (5), any proposed and recommended actions to increase appropriations for funds specified in Section 2. of this Part shall be scheduled consistent with the timetable contained in that section in order to provide continuous and timely budget information.

4. Revision of Appropriation Allotments: Allotments within appropriated sums for the activities and purposes contained in the enacted Executive Budget shall conform to KRS 48.610 and may be revised pursuant to KRS 48.605 and this Act.

5. 6. Permitted Appropriation Obligations: No state agency, cabinet, department, office, or program shall incur any obligation against the General Fund or Road Fund appropriations contained in this Act unless the obligation may be reasonably determined to have been contemplated in the enacted budget and is based upon supporting documentation considered by the General Assembly and legislative and executive records.

7. Lapse of General Fund or Road Fund Appropriations Supplanted by Federal Funds: Any General Fund or Road Fund appropriation made in anticipation of a lack, loss, or reduction of Federal Funds shall lapse to the General Fund or Road Fund Surplus Account, respectively, to the extent the Federal Funds otherwise become available.

8. Federally Funded Agencies: A state agency entitled to Federal Funds, which would represent 100 percent of the cost of a program, shall conform to KRS 48.730.

9. Lapse of General Fund or Road Fund Excess Debt Service Appropriations: Pursuant to KRS 48.720, any excess General Fund or Road Fund debt service shall lapse to the respective surplus account unless otherwise directed in this Act.

13. Publication of the Budget of the Commonwealth: The State Budget Director shall cause the Governor's Office for Policy and Management, within 60 days of adjournment of the 2014 Regular Session of the General Assembly, to publish a final enacted budget document, styled the Budget of the Commonwealth, based upon the Legislative Budget, Executive Budget, Transportation Cabinet Budget, and Judicial Budget as enacted by the 2014 Regular Session, as well as other Acts which contain appropriation provisions for the 2014-2016 fiscal biennium, and based upon supporting documentation and legislative records as considered by the 2014 Regular Session. This document shall include, for each agency and budget unit, a consolidated budget summary statement of available regular and continuing appropriated revenue by fund source, corresponding appropriation allocations by program or subprogram as appropriate, budget expenditures by principal budget class, and any other fiscal data and commentary considered necessary for budget execution by the Governor's Office for Policy and Management and oversight by the Interim Joint Committee on Appropriations and Revenue. The receipts and allotments under this section shall be reported to the Interim Joint Committee on Appropriations and Revenue prior to any transfer of funds.

16. Subsequent to these Executive Branch actions, no executive order related to the ACA has been codified by the General Assembly, nor has any administrative regulation related to the ACA been approved by a vote of the majority of the members of a legislative committee. Providing that the Governor continues unilateral implementation and operation of the ACA in the Commonwealth, the General Assembly shall limit the ACA's impact on the 2014-2016 State/Executive Branch Budget and future biennial budgets so as not to bind future General Assemblies. 41. Affordable Care Act - Use of Funds: The General Assembly recognizes that the Kentucky Revised Statutes provide certain discretion to the Governor to make application for, and expend federal funding for, Kentucky's Medicaid Program. As the only body in the Commonwealth with the constitutional power to make appropriations, the General Assembly recognizes that federal funding for the expansion of Kentucky's Medicaid Program is not recurring in nature; therefore, the intent of the General Assembly is that funds received from the Affordable Care Act, or its successor, shall not be used to permanently expand existing programs, permanently create new programs, or in any way increase the requirements to be placed on the General Fund or Road Fund above the adjusted appropriation level as of June 30, 2014.

An agency head may request an increase in the number of authorized positions to the State Budget Director. PART VI**GENERAL FUND BUDGET REDUCTION PLAN**

Pursuant to KRS 48.130 and 48.600, a General Fund Budget Reduction Plan is enacted for state government in the event of an actual or projected revenue shortfall in General Fund revenue receipts, excluding Tobacco Settlement – Phase I receipts, of \$9,801,299,200 in fiscal year 2014-2015 and \$10,067,223,600 in fiscal year 2015-2016, as determined by KRS 48.120 and modified by related Acts and actions of the General Assembly in an extraordinary or regular session. Direct services, obligations essential to the minimum level of constitutional functions, and other items that may be specified in this Act, are exempt from the requirements of this Plan. Each branch head shall prepare a specific plan to address a proportionate share of the General Fund revenue shortfall applicable to the respective branch. No budget revision action shall be taken by a branch head in excess of the actual or projected revenue shortfall.

The Governor, the Chief Justice, and the Legislative Research Commission shall direct and implement reductions in allotments and appropriations only for their respective branch budget units as may be necessary, as well as take other measures which shall be consistent with the provisions of this Part and general branch budget bills.

Notwithstanding KRS 48.130(4)(a) and (b), in the event of a revenue shortfall of five percent or less, General Fund budget reduction actions shall be implemented in the following sequence:

(1) The Local Government Economic Assistance and the Local Government Economic Development Funds shall be adjusted by the Secretary of the Finance and Administration Cabinet to equal revised estimates of receipts pursuant to KRS 42.4582 as modified by the provisions of this Act;

(2) Transfers of excess unappropriated Restricted Funds, notwithstanding any statutes to the contrary, other than fiduciary funds, to the General Fund shall be applied as determined by the head of each branch for its respective budget units. No transfers to the General Fund shall be made from the following:

- (a) Local Government Economic Assistance and Local Government Economic Development Funds;
- (b) Unexpended debt service from the Tobacco-Settlement Phase I Funds in either fiscal year;
- (c) Tobacco Unbudgeted Interest Income-Rural Development Trust Fund; and
- (d) Multi-County Coal Severance Fund;

(3) Any unanticipated Phase I Master Settlement Agreement revenues in both fiscal years shall be appropriated according to KRS 248.654;

(4) Use of the unappropriated balance of the General Fund surplus shall be applied;

~~[(5) Any language provision that expresses legislative intent regarding a specific appropriation shall not be reduced by a greater percentage than the reduction to the General Fund appropriation for that budget unit;]~~

(6) Reduce General Fund appropriations in Executive Branch agencies' operating budget units by a sufficient amount to balance either fiscal year. No reductions of General Fund appropriations shall be made from the Local Government Economic Assistance Fund or the Local Government Economic Development Fund;

~~[(7) Notwithstanding subsection (10) of this Part, no reductions shall be made to the Constitutional Officers or their offices, Commonwealth's Attorneys or their offices, or County Attorneys or their offices. The Governor may request their participation in a budget reduction; however, the level of participation shall be at the discretion of the Constitutional Officer, or the Prosecutors Advisory Council;]~~

(8) Excess General Fund appropriations which accrue as a result of personnel vacancies and turnover, and reduced requirements for operating expenses, grants, and capital outlay shall be determined and applied by the heads of the executive, judicial, and legislative departments of state government for their respective branches. The branch heads shall certify the available amounts which shall be applied to budget units within the respective branches and shall promptly transmit the certification to the Secretary of the Finance and Administration Cabinet and the Legislative Research Commission. The Secretary of the Finance and Administration Cabinet shall execute the certified actions as transmitted by the branch heads.

Branch heads shall take care, by their respective actions, to protect, preserve, and advance the fundamental health, safety, legal and social welfare, and educational well-being of the citizens of the Commonwealth;

(9) Funds available in the Budget Reserve Trust Fund shall be applied in an amount not to exceed 25 percent of the Trust Fund balance in fiscal year 2014-2015 and 50 percent in fiscal year 2015-2016; and

(10) Pursuant to KRS 48.130 and 48.600, if the actions contained in subsections (1) to (5) of this Part are insufficient to eliminate an actual or projected General Fund revenue shortfall, then the Governor is empowered and directed to take necessary actions with respect to the Executive Branch budget units to balance the budget by such actions conforming with the criteria expressed in this Part.

PART VII

GENERAL FUND SURPLUS EXPENDITURE PLAN

(1) Notwithstanding KRS 48.130(7), 48.140(3), 48.700, and 48.705, there is established a plan for the expenditure of General Fund surplus moneys pursuant to a General Fund Surplus Expenditure Plan contained in this Part for fiscal years 2014-2015 and 2015-2016. PART X

PHASE I TOBACCO SETTLEMENT

(1) **General Purpose:** This Part prescribes the policy implementing aspects of the national settlement agreement between the tobacco industry and the collective states as described in KRS 248.701 to 248.727. In furtherance of that agreement, the General Assembly recognizes that the Commonwealth of Kentucky is a party to the Phase I Master Settlement Agreement (MSA) between the Participating Tobacco Manufacturers and 46 Settling States which provides reimbursement to states for smoking-related expenditures made over time.

(2) **State's MSA Share:** The Commonwealth's share of the MSA is equal to 1.7611586 percent of the total settlement amount. Payments under the MSA are made to the states annually in April of each year.

(3) **MSA Payment Amount Variables:** The total settlement amount to be distributed each payment date is subject to change pursuant to several variables provided in the MSA, including inflation adjustments, volume adjustments, previously settled states adjustments, and the nonparticipating manufacturers adjustment.

(4) **Distinct Identity of MSA Payment Deposits:** The General Assembly has determined that it shall be the policy of the Commonwealth that all Phase I Tobacco Settlement payments shall be deposited to the credit of the General Fund and shall maintain a distinct identity as Phase I Tobacco Settlement payments that shall not lapse to the credit of the General Fund surplus but shall continue forward from each fiscal year to the next fiscal year to the extent that any balance is unexpended.

(5) **MSA Payment Estimates and Adjustments:** Based on the current estimates as reviewed by the Consensus Forecasting Group, the amount of MSA payments expected to be received in fiscal year 2014-2015 is \$99,700,000 and in fiscal year 2015-2016 is \$72,400,000. It is recognized that payments to be received by the Commonwealth are estimated and are subject to change. Any appropriations made from the estimated receipts are subject to adjustments based on actual receipts as received and certified by the Secretary of the Finance and Administration Cabinet.

a. **State Enforcement:** Notwithstanding KRS 248.654, a total of \$250,000 of the MSA payments received in each fiscal year is appropriated to the Finance and Administration Cabinet, Department of Revenue for the state's enforcement of noncompliant nonparticipating manufacturers.

b. **Debt Service:** Notwithstanding KRS 248.654 and 248.703(4), a total of \$30,570,000 in MSA payments received in fiscal year 2014-2015 and a total of \$30,657,000 in MSA payments received in fiscal year 2015-2016 is appropriated to the Finance and Administration Cabinet, Debt Service budget unit.

c. **Agricultural Development Initiatives:** Notwithstanding KRS 248.654 and 248.703(4), \$37,701,600 in fiscal year 2014-2015 and \$12,821,200 in fiscal year 2015-2016 is appropriated to the Kentucky Agricultural Development Fund to be used for agricultural development initiatives.

d. **Early Childhood Development Initiatives:** Twenty-five percent of the MSA payments, less the above enforcement appropriations, received in fiscal year 2014-2015, estimated to be \$24,198,900, and notwithstanding KRS 248.654, in fiscal year 2015-2016, \$24,198,900 is appropriated for early childhood development initiatives as specified in this Part.

e. **Health Care Initiatives:** Notwithstanding KRS 248.654, \$9,159,000 in fiscal year 2014-2015 and \$6,652,400 in fiscal year 2015-2016 is appropriated to the Health Care Improvement Fund for health care initiatives as specified in this Part.

(6) **MSA Appropriation Adjustments:** Excluding any amounts received under Part X, (9), Nonparticipating Manufacturer Settlement Proceeds, if Phase I Master Settlement Agreement revenues exceed \$99,700,000 in fiscal year 2014-2015, or \$72,400,000 in fiscal year 2015-2016, these unanticipated revenues are hereby appropriated as follows: 50 percent to the Agricultural Development Fund, 25 percent to the Early Childhood Development Fund, and 25 percent to the Health Care Improvement Fund.

(7) **MSA Appropriation Adjustment - Fiscal Year 2013-2014:** The Consensus Forecasting Group reduced the fiscal year 2013-2014 Phase I Master Settlement Agreement revenue forecast by 50 percent from the enacted estimate of \$90,800,000 to \$45,400,000. The reduction in the MSA revenue estimate was based on the expectation that a nonparticipating manufacturer adjustment would be applied to the annual MSA payment in fiscal year 2013-2014. To accommodate this reduction in estimated revenues, the following fiscal year 2013-2014 appropriations and continuing appropriations are hereby reduced:

a. **Agricultural Development:** General Government - Governor's Office of Agricultural Policy, \$14,379,300 in fiscal year 2013-2014; Energy and Environment Cabinet - Natural Resources, \$2,938,600 (\$2,500,000 in fiscal year 2013-2014 and \$438,600, continuing appropriation); and Finance and Administration Cabinet - Debt Service, \$5,806,300 in fiscal year 2013-2014.

b. **Early Childhood Development:** General Government - Governor's Office: \$2,101,800 (\$1,912,500 in fiscal year 2013-2014 and \$189,300, continuing appropriation); Health and Family Services Cabinet - Community Based Services, \$100,000 in fiscal year 2013-2014; Health and Family Services Cabinet - Public Health, \$3,682,900 in fiscal year 2013-2014; Health and Family Services Cabinet - Behavioral Health, Developmental and Intellectual Disabilities, \$75,600 in fiscal year 2013-2014; and Council on Postsecondary Education - Kentucky Higher Education Assistance Authority, \$301,000 in fiscal year 2013-2014.

2013-2014; Health and Family Services Cabinet - Health Benefit Exchange - Kentucky Access, \$14,657,300 in fiscal year 2013-2014; and Postsecondary Education - Council on Postsecondary Education, \$442,000 in fiscal year 2013-2014.

(8) Kentucky Access: To accommodate the fiscal year 2013-2014 budget reduction associated with Kentucky Access, the Cabinet for Health and Family Services may use surplus, unexpended, or continuing appropriations from any source, excluding General Fund (Tobacco) dollars, within the Cabinet to fund the Kentucky Access program in fiscal year 2013-2014.

(9) Nonparticipating Manufacturer Settlement Proceeds: Notwithstanding KRS 248.654, in the event a settlement is reached between the Commonwealth and the participating manufacturers regarding the nonparticipating manufacturer adjustment issue, any settlement proceeds shall be deposited into the Tobacco Settlement Agreement Fund and shall not be expended without appropriation authority granted by the General Assembly.

(10) Fiscal Year 2013-2014 County Accounts: Due to the budget reduction actions specified in Part X, (7), (a), the Governor's Office of Agricultural Policy shall transfer \$6,000,000 in continuing appropriations to the county accounts in fiscal year 2013-2014.

- (4) (a) Each retired peace officer shall annually fire twenty (20) rounds at an adult size silhouette target at a range of twenty-one (21) feet, with a handgun, and shall hit the target not less than eleven (11) times to obtain or maintain certification under KRS 237.138 to 237.142.

Ammunition, or the cost of ammunition, shall be provided by the retiree.
- (d) A local or state law enforcement agency that desires to conduct firearms qualification for its retirees shall schedule not less than two (2) dates for firearms qualification per year, and those dates shall be approximately six (6) months apart. The local or state law enforcement agency may charge each participant a fee of not more than twenty dollars (\$20), which shall include the cost of use of the range, firearms instructor, range personnel, targets, and all other costs associated therewith, but not the cost of ammunition. Ammunition, or the cost of ammunition, shall be provided by the retiree.

- (2) The schedule of the dues and fees to be paid by subscribers or members is one which will enable the corporation to meet the expenses of the hospital, medical-surgical, and other health services which are made available to its subscribers or members without impairing the guarantee fund required by KRS 304.32-140, and one which will not result in an accumulation of excess reserves over and above reserves established for claims in process, unreported and unbilled claims, retroactive cost adjustment to the purveyors of hospital, medical-surgical, and other health services and membership dues or fees received in advance but not yet earned. ~~[So long as a corporation's unencumbered reserve or surplus over and above the required reserves specified in this section do not exceed a sum equal to one-half (1/2) of the corporation's total membership dues or subscription fees received during the immediate preceding calendar year, the unencumbered reserve or surplus shall not be deemed an excessive accumulation for the purposes of this section.]~~

 - (k) When a domestic violence order or emergency protective order is issued pursuant to the provisions of KRS Chapter 403 against a person holding a license issued under this section, the holder of the permit shall surrender the license to the court or to the officer serving the order.  - (c) The license shall be renewed to a qualified applicant upon receipt of the completed renewal application, records check as specified in subsection (3) of this section, determination that the renewal applicant is not ineligible for a license as specified in subsection (4), and appropriate payment of fees. Upon the issuance of a new license, the old license shall be destroyed by the sheriff. A licensee who fails to file a renewal application on or before its expiration date may renew his or her license by paying, in addition to the license fees, a late fee of fifteen dollars (\$15). No license shall be renewed six (6) months or more

after its expiration date, and the license shall be deemed to be permanently expired six (6) months after its expiration date. A person whose license has permanently expired may reapply for licensure pursuant to subsections (7), (8), and (9) of this section.

- (15) The licensee shall carry the license at all times the licensee is carrying a concealed firearm or other deadly weapon and shall display the license upon request of a law enforcement officer. If the building or the premises are open to the public, the employer or business enterprise shall post signs on or about the premises if carrying concealed weapons is prohibited. Possession of weapons, or ammunition, or both in a vehicle on the premises shall not be a criminal offense so long as the weapons, or ammunition, or both are not removed from the vehicle or brandished while the vehicle is on the premises. By March 1 of each year, the Department of Kentucky State Police and the Administrative Office of the Courts shall submit reports to the Governor, the President of the Senate, and the Speaker of the House of Representatives, indicating the amounts of money collected and the expenditures related to this section, KRS 237.138 to 237.142, and KRS 237.115, 244.125, 527.020, and 527.070, and the administration of the provisions of this section, KRS 237.138 to 237.142, and KRS 237.115, 244.125, 527.020, and 527.070.

- (19) The General Assembly finds as a matter of public policy that it is necessary to provide statewide uniform standards for issuing licenses to carry concealed firearms and to occupy the field of regulation of the bearing of concealed firearms to ensure that no person who qualifies under the provisions of this section is denied his rights. The General Assembly does not delegate to the Department of Kentucky State Police the authority to regulate or restrict the issuing of licenses provided for in this section beyond those provisions contained in this section. This section shall be liberally construed to carry out the constitutional right to bear arms for self-defense.
- (20) (a) A person ***who is not a resident of Kentucky and*** who has a valid license issued by another state of the United States to carry a concealed deadly weapon in that state may, subject to provisions of Kentucky law, carry a concealed deadly weapon in Kentucky, and his or her license shall be considered as valid in Kentucky.
- (b) ***If a person with a valid license to carry a concealed deadly weapon issued from another state that has entered into a reciprocity agreement with the Department of Kentucky State Police becomes a resident of Kentucky, the license issued by the other state shall be considered as valid for the first one hundred and twenty (120) days of the person's residence in Kentucky, if within sixty (60) days of moving to Kentucky, the person completes a form promulgated by the Department of Kentucky State Police which shall include:***

- (e) The Department of Kentucky State Police shall, not later than thirty (30) days after July 15, 1998, and not less than once every ***twelve (12)***~~six (6)~~ months thereafter, make written inquiry of the concealed deadly weapon carrying licensing authorities in each other state as to whether a Kentucky resident may carry a concealed deadly weapon in their state based upon having a valid Kentucky concealed deadly weapon license, or whether a Kentucky resident may apply for a concealed deadly weapon carrying license in that state based upon having a valid Kentucky concealed deadly weapon license. The Department of Kentucky State Police shall attempt to secure from each other state permission for Kentucky residents who hold a valid Kentucky concealed deadly weapon license to carry concealed deadly weapons in that state, either on the basis of the Kentucky license or on the basis that the Kentucky license is sufficient to permit the issuance of a similar license by the other state. The Department of Kentucky State Police shall enter into a written reciprocity agreement with the appropriate agency in each state that agrees to permit Kentucky residents to carry concealed deadly weapons in the other state on the basis of a Kentucky-issued concealed deadly weapon license or that will issue a license to carry concealed deadly weapons in the other state based upon a Kentucky concealed deadly weapon license. If a reciprocity agreement is reached, the requirement to recontact the other state each ***twelve (12)***~~six (6)~~ months shall be eliminated as long as the reciprocity agreement is in force. The information shall be a public record and shall be available to individual requesters free of charge for the first copy and at the normal rate for open records requests for additional copies.

- (21) By March 1 of each year, the Department of Kentucky State Police shall submit a statistical report to the Governor, the President of the Senate, and the Speaker of the House of Representatives, indicating the number of licenses issued, revoked, suspended, and denied since the previous report and in total and also the number of licenses currently valid. The information may be sent by mail, facsimile, e-mail, or other method which will result in the receipt of or production of a hard copy of the information. The postmark, facsimile date, or e-mail date shall be considered as the date on which the notice was sent. Concealed deadly weapon class applicant, instructor, and instructor trainer information and records shall be confidential. All class record forms shall include spaces for assistant instructors to sign and certify that they have assisted in the conduct of a concealed deadly weapon class;
 - (g) If the Department of Criminal Justice Training believes that a firearms instructor trainer or certified firearms instructor has not in fact complied with the requirements for teaching a certified firearms instructor or applicant class by not teaching the class as specified in KRS 237.126, or who has taught an insufficient class as specified in KRS 237.128, the department shall send to each person who has been listed as successfully completing the concealed deadly weapon applicant class or concealed deadly weapon instructor class a verification form on which the time, date, date of range firing if different from the date on which the class was conducted, location, and instructor of the class is listed by the department and which requires the person to answer "yes" or "no" to specific questions regarding the conduct of the training class. The form shall be completed under oath and shall be returned to the Department of Criminal Justice Training not later than forty-five (45) days after its receipt. A person who fails to complete the form, to sign the form, or to return the form to the Department of Criminal Justice Training within the time frame specified in this section or who, as a result of information on the returned form, is determined by the Department of Criminal Justice Training, following a hearing pursuant to KRS Chapter 13B, to not have received the training required by law shall have his or her concealed deadly weapon license revoked by the Department of Kentucky State Police, following a hearing conducted by the Department of Criminal Justice Training pursuant to KRS Chapter 13B, at

All other public offenses shall be proceeded against in accordance with the following:~~

- (a) ~~—]The county attorney shall cause a review to be made of each complaint *alleging that a public offense has been committed*. The purpose of this review shall be to determine from the available evidence whether there are reasonable grounds to believe that the alleged facts would constitute a public offense. The county attorney may elect not to proceed with the complaint, *regardless of whether reasonable grounds exist*, and ~~[shall] dismiss the complaint.~~~~

- (b) ~~—In the event the county attorney elects to proceed, the court designated worker shall make a preliminary determination as to whether the complaint is complete, consulting with the county attorney as may be necessary. In any case where the court designated worker finds that the complaint is incomplete, the court designated worker shall return the complaint without delay to the person or agency originating the complaint or having knowledge of the facts, or to the appropriate law enforcement agency having investigative jurisdiction of the offense, and request, and the complainant shall promptly thereafter furnish, additional information in order to complete the complaint. If the court designated worker determines that the complaint is complete, he shall conduct a preliminary intake inquiry concerning such complaint to determine whether in the interest of justice the complaint can be resolved informally without the filing of a petition. The court designated worker may recommend that a petition be filed. Prior to conducting a preliminary intake inquiry, the court designated worker shall notify the child and the child's parent, guardian or other person exercising custodial control or supervision of the child in writing:~~

The court designated worker shall set forth in writing alternative referral programs available to the child and the criteria the court designated worker used to determine whether to proceed with a diversionary agreement or whether to refer the matter for the filing of a public offense petition. If the court designated worker determines that, in his judgment, the interests of the child and the public will be thereby best served, with the written approval of the county attorney he may recommend that a public offense petition not be filed. If such a recommendation is made, the court designated worker shall advise in writing the complainant, the victim if any, and the law enforcement agency having investigative jurisdiction of the offense of the recommendation and the reasons therefor and that the complainant, victim, or law enforcement agency may submit within ten (10) days from receipt of such notice a complaint to the county attorney for special review;~~

- (d) ~~—]~~

- (2) The county attorney, upon receipt of a request for special review, shall consider the facts presented by the complainant and by the court-designated worker who made the recommendation that no petition be filed, before the county attorney makes a final decision as to whether a public offense petition shall or shall not be filed.
- (3) In all cases in which the child is alleged to have committed a public offense and is not detained, the court-designated worker shall submit his written recommendation to the county attorney or designee within twenty (20) days, exclusive of weekends and holidays, from the date the child was taken into custody or the complaint was filed. In cases where the child is detained, the court-designated worker's report shall be submitted within seventy-two (72) hours of the time the child is ordered detained.[-]
- (4) *The county attorney may not file a petition if the complaint is a misdemeanor and the child who is the subject of the diversion agreement has no prior adjudications and no prior diversions.*

~~[(e) In cases where the court designated worker has recommended and the Commonwealth's attorney or county attorney, as appropriate, has consented in writing that a public offense petition not be filed and the complainant or victim, if any, or law enforcement agency having investigative jurisdiction of the offense has not called for a special review, said worker and the child may enter into a diversionary agreement. Such agreement may include the following: an informal plan of services provided by the court or its staff; referral of the child to a public or private organization, agency, or person to assist the child and the child's family to resolve the problems presented in the complaint; referral to a community service program in accordance with the provisions of KRS 635.080(2); restitution, limited to the amount of actual property or pecuniary loss incurred by the victim, provided that the youth has the means or could acquire the means to make restitution; and other such programs or efforts which might reasonably benefit the community and the child. In assessing periods of community service to be performed and restitution to be paid by the youth who has entered into a diversion agreement, the court-designated worker shall, to the extent possible, involve members of the community. Such members of the community shall meet with the youth and advise the court designated worker as to the terms of the diversionary agreement and shall supervise the youth in carrying out its terms. The diversionary agreement shall not cover a period in excess of six (6) months;~~

~~[(f) If the terms of the agreement are successfully completed, the court designated worker shall dispose of the complaint, the charges shall be considered dismissed and further prosecution is prohibited. ~~[(g) In the event that a complaint is not disposed of as a result of an agreement or in the event that the child fails to comply with the terms of an agreement and a petition is filed, the court shall proceed with the petition in accordance with the provisions of KRS Chapter 610 as if the agreement had never been formulated. In the event that a petition is filed based upon the court designated worker's determination that the child has failed to comply with the terms of an agreement, the child may upon arraignment of said petition move for dismissal of the petition on the basis that the agreement was substantially complied with.]~~

- ~~(5) [(2)]~~ *If [In the event]* a public offense petition is filed, it shall be verified by information and belief and contain the information listed in KRS 610.020.

~~[(3) The court designated worker shall refer all felony case charges involving the use of a firearm to the Commonwealth's attorney and all other felony case charges to the county attorney for prosecution in the appropriate court. CHAPTER 140

(HB 336)

AN ACT relating to removal of electrical distribution installations on surface mine sites.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 350.090 is amended to read as follows:

- (1) Under the provisions of this chapter and administrative regulations adopted by the cabinet, a permittee shall prepare and the permittee or operator shall carry out a method of operation, plan of grading and backfilling, and a reclamation plan for the area of land affected by his operation. ***The reclamation plan shall include a requirement to permanently remove all electrical distribution installations on the surface owned by the permittee, including poles, wires, attachments, and other appurtenances related to the delivery of electric service in the permit area, except where:***
 - (a) ***The electrical distribution installations are being used or will be used by a local distribution entity to provide electrical service to persons other than the permittee at the permit area; or***
 - (b) ***The cabinet specifically has approved the retention of the electrical distribution installations to facilitate the approved post-mining land use for the permit in the reclamation plan.***
- (2) In developing a method of operation, and the plans of backfilling, grading, ***removing electric distribution poles and wires***, and reclamation, all measures shall be taken to eliminate damages to members of the public, ***potential hazards from electrical distribution poles and wires to low-flying aircraft***, their real and personal property, public roads, streams, and all other public property from soil erosion, rolling stones and overburden, water pollution, and hazards dangerous to life and property. The permit application containing the required plans and other information as required shall be submitted to the cabinet, and the cabinet shall notify the applicant by certified mail, return receipt requested, within sixty-five (65) cumulative working days after receipt of a complete application whether ***the permit application***~~it~~ is acceptable. If applicable notice, hearing, and conference procedures prevent a decision from being issued within the sixty-five (65) cumulative working day period, the cabinet shall have additional reasonable time to issue its decision, not to exceed twenty (20) days from the completion of the notice, hearing, and conference procedures. If the permit application is not acceptable, the cabinet shall set forth the reasons for which the application or plans are not acceptable and it may propose modifications, delete areas, or reject the entire application. If the applicant disagrees with the decision of the cabinet, he ***or she*** may, by written notice, request a hearing conducted by the cabinet in the manner provided by KRS 350.0305. The cabinet shall notify the applicant by certified mail, return receipt requested, within twenty (20) days after the hearing of its decision. Any person aggrieved by a final order of the cabinet may appeal through the courts as set forth in KRS 350.0305.
- ~~(3)(2)~~ If the permittee desires to seek funds from the reclamation development fund to develop an economic development unit during reclamation, the permittee shall submit, along with the reclamation plan, a reclamation development plan outlining the reclamation development project and showing how it will conform with the reclamation standards of this chapter.
- ~~(4)(3)~~ No permittee, operator, or person shall throw, dump, pile, or permit the dumping, piling, or throwing, or otherwise placing any overburden, stones, rocks, coal, particles of coal, earth, soil, dirt, debris, trees, wood, logs, or any other materials or substances of any kind or nature beyond or outside of the area of land which is under permit and for which bond has been posted under KRS 350.060 or place these materials in such a way that normal erosion or slides brought about by natural physical causes will permit the materials to go beyond or outside of the area of land which is under permit and for which bond has been posted under KRS 350.060.
- (5) ***The provisions of subsection (1) and (2) of this section pertaining to the removal of electric installations from the permit area shall not apply to electrical transmission lines, poles, wires, attachments, or other appurtenances related to electrical transmission.***

Signed by Governor April 25, 2014.

CHAPTER 141

(HB 359)

AN ACT relating to alcohol monitoring.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔SECTION 1. A NEW SECTION OF KRS CHAPTER 431 IS CREATED TO READ AS FOLLOWS:

When considering the pretrial release of a person whose pretrial risk assessment indicates he or she is a moderate-risk or high-risk defendant, the court considering the release may order as a condition of pretrial release that the person use an alcohol monitoring device during all or part of the person's period of pretrial release. All costs associated with the alcohol monitoring device, including administrative and operating costs, shall be paid by the defendant. As used in this section, "alcohol monitoring device" means an electronic device that:

- (1) *Tests for alcohol concentration level through scheduled, random, continuous, or on-demand testing;*
- (2) *Detects and records tampering attempts; and*
- (3) *Transmits the data by means of either a telephone line or cellular uplink, or records the data for retrieval through methods approved by the court.*

➔Section 2. KRS 431.520 is amended to read as follows:

Any person charged with an offense shall be ordered released by a court of competent jurisdiction pending trial on his personal recognizance or upon the execution of an unsecured bail bond in an amount set by the court or as fixed by the Supreme Court as provided by KRS 431.540, unless the court determines in the exercise of its discretion that such a release will not reasonably assure the appearance of the person as required, or the court determines the person is a flight risk or a danger to others. When such a determination is made, the court shall, either in lieu of or in addition to the above methods of release, impose any of the following conditions of release:

- (1) Place the person in the custody of a designated person or organization agreeing to supervise him;
- (2) Place restrictions on the travel, association, or place of abode of the person during the period of release;
- (3) Require the execution of a bail bond:
 - (a) With sufficient personal surety or sureties acceptable to the court; in determining the sufficiency of such surety or sureties, the court shall consider his character, his place of residence, his relationship with the defendant, and his financial and employment circumstances; or
 - (b) With the ten percent (10%) deposit as provided in KRS 431.530; provided that if the defendant is permitted to earn credit toward bail pursuant to KRS 431.066, that credit shall be applied to the ten percent (10%) deposit; or
 - (c) With the deposit of cash equal to the amount of the bond or in lieu thereof acceptable security as provided in KRS 431.535;
- (4) If the person's record indicates a history of controlled substance or alcohol abuse:~~§~~
 - (a) Order the person to submit to periodic testing for use of controlled substances or alcohol and pay a reasonable fee, not to exceed the actual cost of the test and analysis, as determined by the court with the fee to be collected by the circuit clerk, held in an agency account, and disbursed, on court order, solely to the agency or agencies responsible for testing and analysis as compensation for the cost of the testing and analysis performed under this subsection. If the person is declared indigent, the testing fee may be waived by the court. The Administrative Office of the Courts shall establish pilot projects to implement the provisions of this subsection; **or**
 - (b) *Order the person to use an alcohol monitoring device, as defined in Section 1 of this Act. All costs associated with the device, including administrative and operating costs, shall be paid by the defendant. If the court determines that the defendant is indigent, and a person, county, or other organization has not agreed to pay the costs for the defendant in an attempt to reduce incarceration expenses and increase public safety, the court shall consider other conditions of release provided for in this section;*
- (5) (a) During all or part of a person's period of release pursuant to this section, order the person to participate in a global positioning monitoring system program operated by a county pursuant to KRS 67.372 and 67.374 under the same terms and conditions provided under KRS 431.517.

- (b) If the person is charged with a sex crime as defined in KRS 17.500, consider requiring that he or she be monitored electronically, and shall consider requiring the person be subject to home incarceration;
- (6) Impose any other condition deemed reasonably necessary to assure appearance as required, including a condition requiring that the person return to custody after specified hours;
- (7) A court authorizing the release of a person pursuant to this section shall cause the issuance of an appropriate order containing a statement of the conditions imposed, if any, shall cause such person to be informed of the penalties applicable to violations of the conditions of his release, and shall cause him to be informed that a warrant for his arrest will be issued immediately upon any such violation;
- (8) A person for whom conditions of release are imposed and who after twenty-four (24) hours from the time of the imposition of said conditions continues to be detained as a result of his inability to meet the conditions of release shall, upon written application or upon the court's own motion, be entitled to have the conditions reviewed by the court which imposed them. A person who is ordered released on a condition which requires that he return to custody after specified hours shall, upon written application or upon the court's own motion, be entitled to a review by the court which imposed the condition; or
- (9) If at any time following release of a defendant and before he is required to appear for trial, the court is advised of a material change in the defendant's circumstances or that he has not complied with all conditions imposed upon his release, the court having jurisdiction may:
 - (a) Order the arrest of the defendant;
 - (b) Enter an order requiring the defendant, his surety or sureties to appear and show cause why the bail bond should not be forfeited or the conditions of his release be changed; or
 - (c) Both.

A copy of said order shall be served upon the defendant, his surety or sureties. If the defendant fails to appear before the court as ordered or if, after hearing, the court finds the conditions of release have not been complied with, the court may change the conditions imposed or forfeit the bail bond or any portion thereof and enter a judgment for the Commonwealth against the defendant and his surety or sureties for the amount of the bail bond or any portion thereof and cost of the proceedings.

➔Section 3. KRS 533.030 is amended to read as follows:

- (1) The conditions of probation and conditional discharge shall be such as the court, in its discretion, deems reasonably necessary to insure that the defendant will lead a law-abiding life or to assist him to do so. The court shall provide as an explicit condition of every sentence to probation or conditional discharge that the defendant not commit another offense during the period for which the sentence remains subject to revocation.
- (2) When imposing a sentence of probation or conditional discharge, the court may, in addition to any other reasonable condition, require that the defendant:
 - (a) Avoid injurious or vicious habits;
 - (b) Avoid persons or places of disreputable or harmful character;
 - (c) Work faithfully at suitable employment as far as possible;
 - (d) Undergo available medical or psychiatric treatment and remain in a specific institution as required for that purpose;
 - (e) Post a bond, without surety, conditioned on performance of any of the prescribed conditions;
 - (f) Support his dependents and meet other family responsibilities;
 - (g) Pay the cost of the proceeding as set by the court;
 - (h) Remain within a specified area;
 - (i) Report to the probation officer as directed;
 - (j) Permit the probation officer to visit him at his home or elsewhere;
 - (k) Answer all reasonable inquiries by the probation officer and promptly notify the probation officer of any change in address or employment;

- (l) Submit to periodic testing for the use of controlled substances or alcohol, if the defendant's record indicates a controlled substance or alcohol problem, and to pay a reasonable fee, as determined by the court, which fee shall not exceed the actual cost of the test and analysis and shall be paid directly to the agency or agencies responsible for testing and analysis as compensation for the cost of the testing and analysis, as specified by written order of the court, performed under this subsection. For good cause shown, the testing fee may be waived by the court;~~and~~
 - (m) ***Use an alcohol monitoring device, as defined in Section 1 of this Act. All costs associated with the device, including administrative and operating costs, shall be paid by the defendant. If the court determines that the defendant is indigent, and a person, county, or other organization has not agreed to pay the costs for the defendant in an attempt to reduce incarceration expenses and increase public safety, the court shall consider other conditions of probation or conditional discharge provided for in this section; or***
 - (n) During all or part of the period of probation or conditional discharge, participate in a global positioning monitoring system program operated by a county pursuant to KRS 67.372 and 67.374 under the same terms and conditions as provided in KRS 431.517.
- (3) When imposing a sentence of probation or conditional discharge in a case where a victim of a crime has suffered monetary damage as a result of the crime due to his property having been converted, stolen, or unlawfully obtained, or its value substantially decreased as a result of the crime, or where the victim suffered actual medical expenses, direct out-of-pocket losses, or loss of earning as a direct result of the crime, or where the victim incurred expenses in relocating for the purpose of the victim's safety or the safety of a member of the victim's household, or if as a direct result of the crime the victim incurred medical expenses that were paid by the Cabinet for Health and Family Services, the Crime Victims Compensation Board, or any other governmental entity, the court shall order the defendant to make restitution in addition to any other penalty provided for the commission of the offense. Payment of restitution to the victim shall have priority over payment of restitution to any government agency. Restitution shall be ordered in the full amount of the damages, unless the damages exceed one hundred thousand dollars (\$100,000) or twice the amount of the gain from the commission of the offense, whichever is greater, in which case the higher of these two (2) amounts shall be awarded. The court may, in lieu of ordering monetary restitution, order the defendant to make restitution by working for or on behalf of the victim. The court shall determine the number of hours of work necessary by applying the then-prevailing federal minimum wage to the total amount of monetary damage caused by or incidental to the commission of the crime. The court may, with the consent of the agency, order the defendant to work as specified in KRS 533.070. Any work ordered pursuant to this section shall not be deemed employment for any purpose, nor shall the person performing the work be deemed an employee for any purpose. Where there is more than one (1) defendant or more than one (1) victim, restitution may be apportioned. Restitution shall be subject to the following additional terms and conditions:
- (a) Where property which is unlawfully in the possession of the defendant is in substantially undamaged condition from its condition at the time of the taking, return of the property shall be ordered in lieu of monetary restitution;
 - (b) The circuit clerk shall assess an additional fee of five percent (5%) to defray the administrative costs of collection of payments or property. This fee shall be paid by the defendant and shall inure to a trust and agency account which shall not lapse and which shall be used to hire additional deputy clerks and office personnel or increase deputy clerk or office personnel salaries, or combination thereof;
 - (c) When a defendant fails to make restitution ordered to be paid through the circuit clerk or a court-authorized program run by the county attorney or the Commonwealth's attorney, the circuit clerk or court-authorized program shall notify the court; and
 - (d) An order of restitution shall not preclude the owner of property or the victim who suffered personal physical or mental injury or out-of-pocket loss of earnings or support or other damages from proceeding in a civil action to recover damages from the defendant. A civil verdict shall be reduced by the amount paid under the criminal restitution order.
- (4) When requiring fees for controlled substances or alcohol tests, or other fees and payments authorized by this section or other statute, except restitution, to be paid by the defendant, the court shall not order the payments to be paid through the circuit clerk.
- (5) When a defendant is sentenced to probation or conditional discharge, he shall be given a written statement explicitly setting forth the conditions under which he is being released.

- (6) When imposing a sentence of probation or conditional discharge, the court, in addition to conditions imposed under this section, may require as a condition of the sentence that the defendant submit to a period of imprisonment in the county jail or to a period of home incarceration at whatever time or intervals, consecutive or nonconsecutive, the court shall determine. The time actually spent in confinement or home incarceration pursuant to this provision shall not exceed twelve (12) months or the maximum term of imprisonment assessed pursuant to KRS Chapter 532, whichever is the shorter. Time spent in confinement or home incarceration under this subsection shall be credited against the maximum term of imprisonment assessed for the defendant pursuant to KRS Chapter 532, if probation or conditional discharge is revoked and the defendant is sentenced to imprisonment. Any prohibitions against probation, shock probation, or conditional discharge under KRS 533.060(2) or 532.045 shall not apply to persons convicted of a misdemeanor or Class D felony and sentenced to a period of confinement or home incarceration under this section.

- (2) Upon the request of the Commonwealth's attorney, a court ordering pretrial diversion may order the person to:
- (a) Participate in a global positioning monitoring system program through the use of a county-operated program pursuant to KRS 67.372 and 67.374 for all or part of the time during which a pretrial diversion agreement is in effect; **or**
 - (b) ***Use and pay all costs, including administrative and operating costs, associated with the alcohol monitoring device as defined in Section 1 of this Act. If the court determines that the defendant is indigent, and a person, county, or other organization has not agreed to pay the costs for the defendant in an attempt to reduce incarceration expenses and increase public safety, the court shall consider other conditions of pretrial diversion.***
- (3) A court ordering global positioning monitoring system for a person pursuant to this section shall:

 - (c) Provide the monitoring system with a contact at the office of the Commonwealth's attorney for reporting violations of the monitoring order.
- (4) A person, county, or other organization may voluntarily agree to pay all or a portion of a person's monitoring costs specified in subsection (3) of this section.

 - (6) The Commonwealth's attorney shall make a recommendation upon each application for pretrial diversion to the Circuit Judge in the court in which the case would be tried. The court may approve or disapprove the diversion.
 - (7) The court shall assess a diversion supervision fee of a sufficient amount to defray all or part of the cost of participating in the diversion program. Unless the fee is waived by the court in the case of indigency, the fee shall be assessed against each person placed in the diversion program. The fee may be based upon ability to pay.

➔Section 5. KRS 403.761 is amended to read as follows:

- (1) As used in this section, "substantial violation" means a violation of a domestic violence order that has resulted in one (1) or more of the following acts by the respondent against the petitioner, minor child of a petitioner, family member, or member of an unmarried couple protected in the order:
 - (a) An assault prohibited by KRS Chapter 508;
 - (b) Menacing as prohibited by KRS 508.050;

 - (i) Destruction or damage to property as prohibited by KRS Chapter 512;
 - (j) Theft as prohibited by KRS Chapter 514;
 - (k) Harassment or harassing communications as prohibited by KRS Chapter 525; or
 - (l) Any felony offense against the petitioner, minor child of the petitioner, family member, or member of an unmarried couple protected in the order.
- (2) Following a report of an alleged substantial violation of a domestic violence order by a respondent and prior to any civil hearing on the alleged violation of the order, the court shall obtain an updated report of the respondent's Kentucky criminal history from the Administrative Office of the Courts or the Department of Kentucky State Police and shall obtain from the Administrative Office of the Courts the history of Kentucky Emergency Protective Orders and Domestic Violence Orders against the respondent, together with any violations of those orders.
- (3) Following an alleged substantial violation of a domestic violence order, the court shall hold a hearing to determine if the violation occurred, and if the violation occurred, what sanctions the court may apply. At the hearing the court shall explain the sanctions which may be imposed to the petitioner and the respondent. The court shall explain to the petitioner that the court may require a respondent who has committed a substantial violation of the domestic violence order to wear a global positioning monitoring system device in lieu of imprisoning the respondent and, except as provided in this section, to pay the costs associated with operating that system in relation to the respondent and the costs associated with operating the system in relation to the petitioner if the petitioner elects to participate.
- (4) Before imposing global positioning monitoring, the court shall provide to the petitioner information regarding:

- (a) The petitioner's right to participate in a global positioning monitoring system or to refuse to participate in that system and the procedure for requesting that the court terminate the petitioner's participation;
 - (b) The manner in which the global positioning monitoring system technology functions and the risks and limitations of that technology, and the extent to which the system will track and record the respondent's location and movements;
 - (c) Any locations that the respondent is ordered to refrain from going into or near and the minimum distances, if any, that the respondent shall maintain from those locations;
 - (d) Any sanctions that the court may impose on the respondent for violating, in the future, a condition of the domestic violence order imposed under this section;
 - (e) The procedure that the petitioner is to follow, and support services available to assist the petitioner, including but not limited to a designated person or office to notify if the respondent violates a condition of the domestic violence order or if the global positioning monitoring equipment of the respondent or of the petitioner fails; and
 - (f) Community services available to assist the petitioner in obtaining shelter, counseling, education, child care, legal representation, and other assistance available to address the consequences of domestic violence.
- (5) Prior to ordering the respondent to wear a global positioning monitoring system device the court shall provide the respondent an opportunity to controvert the information provided by the petitioner or any other source and to provide to the court the respondent's reasons why the respondent should not be ordered to wear a global positioning monitoring system device.
- (6) If the court orders the respondent to wear a global positioning monitoring system device, in addition to the information described in subsection (4) of this section, the court shall provide to the petitioner who participates in a global positioning monitoring system under this section, the name and telephone number of an appropriate local law enforcement agency in the county in which the order is issued whom the petitioner may call to request immediate assistance if the respondent violates a condition of the domestic violence order imposed pursuant to KRS 403.750 and this section. If the local law enforcement agency does not provide service twenty-four (24) hours per day, seven (7) days per week, the petitioner shall be instructed to call the local public safety answering point using the 911 telephone number.
- (7) If the petitioner has requested that the respondent be ordered to wear a global positioning monitoring system device, the court shall, prior to ordering the respondent to wear a global positioning monitoring system device under this section:
- (a) Consider the likelihood that without the utilization of a global positioning monitoring system the respondent will seek to kill, assault, stalk, harass, menace, or otherwise threaten the petitioner, minor child of the petitioner, family member, or member of an unmarried couple protected in the order; and
 - (b) Enter a determination of findings of fact and reasons as to why the petitioner's request for the respondent to be ordered to participate in global positioning monitoring is being granted or denied.
- (8) A petitioner may request that the court terminate the petitioner's participation in a global positioning monitoring system at any time.
- (9) (a) When a court determines that the respondent shall wear a global positioning monitoring system device, the court shall notify the respondent, the petitioner, and the entity providing global positioning monitoring system services of:
- 1. The fact that global positioning monitoring system participation has been ordered;
 - 2. The cost that the respondent is to pay to the entity providing the global positioning monitoring system services, including but not limited to the amount to be paid, the frequency of the payments, the location to which the payments shall be sent, and the duration of the payments;
 - 3. The cost of the administrative fee that the respondent is to pay to the county or counties providing the monitoring service;
 - 4. The restrictions on the respondent with regard to locations which the respondent is not to go into or near and the specific distances contained in the order;

5. The permitted exceptions to the restrictions on the respondent which relate to permitted travel by the respondent which may bring the respondent near or into a location where the respondent normally would be prohibited from going into or near;
 6. The duration of time that the respondent shall wear the device which shall not exceed the duration of the underlying domestic violence order but which may be shorter than the underlying domestic violence order. The date of expiration of the requirement to wear the device shall be specified in the order;
 7. The notifications to be made in the event that the respondent violates the domestic violence order; and
 8. Such other information as the court deems appropriate.
- (b) If the court determines that a respondent is indigent, the court may, based on a sliding scale established by the Supreme Court of Kentucky by rule, require the respondent to pay the costs imposed under this section in an amount that is less than the full amount of the costs associated with operating the global positioning monitoring system in relation to the respondent or providing the petitioner with an electronic receptor device.
- (c) If a respondent pays to an entity that operates a global positioning monitoring system the amount ordered by the court under this subsection, the entity shall accept the amount as payment in full. Neither the Commonwealth, nor the Court of Justice nor the county, urban-county, charter county, or consolidated local government shall be responsible for payment of any costs associated with operating the global positioning monitoring system in relation to an indigent respondent or petitioner.
- (d) A court that imposes a condition described by this section shall order the entity that operates the global positioning monitoring system to immediately notify the petitioner, the court, and the appropriate local law enforcement agency named in the order if a respondent violates a condition of the domestic violence order imposed under this section or KRS 403.750.
- (10) The provisions of this section do not limit the authority of a court to impose any other reasonable conditions authorized by KRS 403.740, 403.750, or 403.747.
- (11) (a) A respondent who has been ordered by a court to wear a global positioning monitoring system monitoring device pursuant to this section shall not, without written permission from the court issuing the order or a higher court to which the issuance of the order has been appealed:
1. Fail to wear the device;
 2. Remove a device that the respondent has been ordered to wear; or
 3. Tamper with or destroy a device that the respondent has been ordered to wear.
- (b) A respondent who violates paragraph (a) of this subsection shall be guilty of a Class D felony.
- (c) The provisions of this section shall not apply to a respondent who, upon the expiration of the order that required the respondent to wear the global positioning monitoring system device, permits the entity providing the monitoring to remove the device.
- (12) A person, county, or other organization may voluntarily agree to pay all or a portion of a defendant's monitoring costs specified in this section.
- (13) (a) **1.** The provisions of this section shall not prohibit a court from imposing any other authorized sanction for a substantial violation of a domestic violence order.
- 2.** *Sanctions may include the use of an alcohol monitoring device, as defined in Section 1 of this Act, with all costs associated with the device, including administrative and operating costs, to be paid by the defendant. If the court determines that the defendant is indigent, and a person, county, or other organization has not agreed to pay the costs for the defendant in an attempt to reduce incarceration expenses and increase public safety, the court shall consider other sanctions.*
- (b) The provisions of this section shall not prohibit a court from imposing any authorized sanction, other than ordering the respondent to wear a global positioning system monitoring device **or an alcohol monitoring device**, for a violation of a domestic violence order which does not constitute a substantial violation as defined in this section.
