

CHAPTER 62**(SB 169)**

AN ACT relating to elections.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

→Section 1. KRS 121.180 is amended to read as follows:

- (1) (a) Any candidate, slate of candidates, or political issues committee shall be exempt from filing any preelection finance reports required by subsection (3) of this section if the candidate, slate of candidates, or political issues committee chairman files a form prescribed and furnished by the registry stating that contributions will not be accepted or expended in excess of three thousand dollars (\$3,000) in any one (1) election to further the candidacy or to support or oppose a constitutional amendment or public question which will appear on the ballot. For a candidate for judicial office who desires to be exempt from filing preelection campaign finance reports as provided in this paragraph, the request for exemption shall be filed by the campaign treasurer of the candidate's campaign committee, but the candidate shall be personally liable for any violation if the campaign treasurer accepts contributions or makes expenditures in excess of the limit and shall be subject to the same penalties as a candidate as provided in paragraph (1)1. or 2. of this subsection. A separate form shall be required for each primary, regular, or special election in which the candidate or slate of candidates participates or in which the public question appears on the ballot, unless the candidate, slate of candidates, or political issues committee chairman indicates on a request for exemption that the request will be applicable to more than one (1) election. The form shall be filed with the same office with which a candidate or slate of candidates files nomination papers or, in the case of a political issues committee, with the registry.
- (b) Any candidate, slate of candidates, or political issues committee shall be exempt from filing any campaign finance reports required by subsections (3) and (4) of this section if the candidate, slate of candidates, or political issues committee chairman files a form prescribed and furnished by the registry stating that currently no contributions have been received and that contributions will not be accepted or expended in excess of one thousand dollars (\$1,000) in any one (1) election. For a candidate for judicial office who desires to be exempt from filing any campaign finance reports as provided in this paragraph, the request for exemption shall be filed by the campaign treasurer of the candidate's campaign committee, but the candidate shall be personally liable for any violation if the campaign treasurer accepts contributions or makes expenditures in excess of the limit and shall be subject to the same penalties as a candidate as provided in subparagraph (1)1. or 2. of this subsection. A separate form shall be required for each primary, regular, or special election in which the candidate or slate of candidates participates or in which the public question appears on the ballot, unless the candidate, slate of candidates, or political issues committee chairman indicates on a request for exemption that the request will be applicable to more than one (1) election. The form shall be filed with the same office with which a candidate or slate of candidates files nomination papers or, in the case of a political issues committee, with the registry.
- (c) For a primary election, a candidate or slate of candidates shall file a request for exemption not later than the deadline for filing nomination papers and, except as provided in subparagraph 2. of paragraph (d) of this subsection, shall be bound by its terms unless it is rescinded in writing not later than fifteen (15) days after the filing deadline. For a regular election, a candidate or slate of candidates shall file or rescind in writing a request for exemption not later than twenty-five (25) days after the date of the preceding primary election, except as provided in subparagraph 2. of paragraph (d) of this subsection. For a special election, a candidate or slate of candidates shall file a request for exemption not later than ten (10) days after the candidate or slate of candidates is nominated for a special election and shall be bound by its terms unless it is rescinded in writing not later than twenty-five (25) days after the date on which the nomination for a special election is made. A political issues committee chairman shall file a request for exemption not later than ten (10) days after the date on which the committee registers with the registry and shall be bound by its terms unless it is rescinded in writing not later than fifteen (15) days after the date on which the request for exemption is filed.
- (d) 1. A candidate or slate of candidates that revokes a request for exemption in a timely manner may exercise the remaining option or may file all reports required of a candidate intending to raise or spend in excess of three thousand dollars (\$3,000) in an election. If a candidate or slate of candidates elects to exercise a different option, the candidate or slate of candidates shall file the

appropriate form with the officer who received the filing papers of the candidate or slate of candidates not later than the deadline for filing a revocation.

2. A candidate for any city or county office or for any school board office, who is exempted from some or all campaign finance reporting requirements pursuant to paragraph (a) or (b) of this subsection but who accepts contributions or makes expenditures in excess of the exempted amount in an election, shall file all applicable reports required for the remainder of that election, based upon the amount of contributions or expenditures the candidate accepts or receives in that election. The filing of applicable required reports by a candidate after the exempted amount is exceeded shall serve as notice to the registry that the initial exemption has been rescinded. No further notice to the registry shall be required and no penalty for exceeding the initial exempted amount shall be imposed against the candidate, except for failure to file applicable reports required after the exempted amount is exceeded.
- (e) Any candidate or slate of candidates that is subject to an August filing deadline and that intends to execute a request for exemption shall file the appropriate request for exemption not later than the filing deadline and, except as provided in subparagraph 2. of paragraph (d) of this subsection, shall be bound by its terms unless it is rescinded in writing not later than fifteen (15) days after the filing deadline. A candidate or slate of candidates that is covered by this paragraph shall have the same reversion rights as those provided in subparagraph 1. of paragraph (d) of this subsection.
- (f) Any candidate or slate of candidates that will appear on the ballot in a regular election that has signed either request for exemption for that election may exercise the reversion rights provided in subparagraph 1. of paragraph (d) of this subsection if a candidate or slate of candidates that is subject to an August filing deadline subsequently files in opposition to the candidate or slate of candidates. Except as provided in subparagraph 2. of paragraph (d) of this subsection, a candidate or slate of candidates covered by this paragraph shall comply with the deadline for rescission provided in subparagraph 1. of paragraph (d) of this subsection.
- (g) Except as provided in subparagraph 2. of paragraph (d) of this subsection, any candidate or slate of candidates that has filed a request for exemption for a regular election that later is opposed by a person who has filed a declaration of intent to receive write-in votes may rescind the request for exemption and exercise the reversion rights provided in subparagraph 1. of paragraph (d) of this subsection.
- (h) Any candidate or slate of candidates that has filed a request for exemption may petition the registry to determine whether another person is campaigning as a write-in candidate prior to having filed a declaration of intent to receive write-in votes, and, if the registry determines upon a preponderance of the evidence that a person who may later be a write-in candidate is conducting a campaign, the candidate or slate of candidates, except as provided in subparagraph 2. of paragraph (d) of this subsection, may petition the registry to permit the candidate or slate of candidates to exercise the reversion rights provided in subparagraph 1. of paragraph (d) of this subsection.
- (i) If the opponent of a candidate or slate of candidates is replaced due to his withdrawal because of death, disability, or disqualification, the candidate or slate of candidates, except as provided in subparagraph 2. of paragraph (d) of this subsection, may exercise the reversion rights provided in subparagraph 1. of paragraph (d) of this subsection not later than fifteen (15) days after the party executive committee nominates a replacement for the withdrawn candidate or slate of candidates.
- (j) A person intending to be a write-in candidate for any office in a regular or special election may execute a request for exemption under paragraph (a) or (b) of this subsection and shall be bound by its terms unless it is rescinded in writing not later than fifteen (15) days after the filing deadline for the regular or special election. A person intending to be a write-in candidate who revokes a request for exemption in a timely manner may exercise the remaining exemption option or may file all reports required of a candidate intending to raise or spend in excess of three thousand dollars (\$3,000) in an election. Except as provided in subparagraph 2. of paragraph (d) of this subsection, a person intending to be a write-in candidate who elects to exercise a different exemption option shall file the appropriate form with the officer who received the initial request for exemption not later than fifteen (15) days after the filing deadline for the regular or special election.
- (k) Except as provided in subparagraph 2. of paragraph (d) of this subsection, the campaign committee of any candidate or slate of candidates that has filed a request for exemption or a political issues committee whose chairman has filed a request for exemption shall be bound by its terms unless it is rescinded in a timely manner and no new request for exemption has been executed.

- (l)
 1. Except as provided in subparagraph 2. of paragraph (d) of this subsection, any candidate, slate of candidates, or political issues committee that is exempt from filing campaign finance reports pursuant to paragraph (a), (b), (e), or (j) of this subsection that accepts contributions or makes expenditures, or whose campaign treasurer accepts contributions or makes expenditures, in excess of the applicable limit in any one (1) election without rescinding the request for exemption in a timely manner shall comply with all applicable reporting requirements and, in lieu of other penalties prescribed by law, pay a fine of not more than five hundred dollars (\$500) plus the amount by which the spending limit was exceeded.

All reports to the registry shall be postmarked or received not later than five (5) days after each filing deadline.
- (7) If the final statement of a candidate, campaign committee, or political issues committee shows an unexpended balance of contributions, continuing debts and obligations, or an expenditure deficit, the campaign treasurer shall file with the registry a supplemental statement of contributions and expenditures not more than thirty (30) days after the deadline for filing the final statement. Subsequent supplemental statements shall be filed annually, to be received by the registry or postmarked not later than ten (10) days after November 1 of each year, until the account shows no unexpended balance, continuing debts and obligations, expenditures, or deficit, or until the year before the candidate or a slate of candidates seeks to appear on the ballot for the same office for which the funds in the campaign account were originally contributed, in which case the candidate or a slate of candidates shall file the supplemental annual report not later than ten (10) days after November 1 of that year or at the end of the first calendar quarter of that year after the candidate or slate of candidates files nomination papers for the next year's primary or regular election. Contributions received by check, money order, or other written instrument shall be endorsed directly to the campaign committee and shall not be cashed or redeemed by the candidate;

 - (c) The waiver shall continue in effect as long as the candidate or slate of candidates complies with the conditions under which it was granted.
- (10) No candidate, slate of candidates, campaign committee, political issues committee, or contributing organization shall use or permit the use of contributions or funds solicited or received for the person or in support of or opposition to a public issue which will appear on the ballot to further the candidacy of the person for a different

Any funds or contributions solicited or received by or on behalf of a candidate, slate of candidates, or any committee, which has been organized in whole or in part to further any candidacy for the same person or to support or oppose the same public issue, shall be deemed to have been solicited or received for the current candidacy or for the election on the public issue if the funds or contributions are solicited or received at any time prior to the regular election for which the candidate, slate of candidates, or public issue is on the ballot. Any unexpended balance of funds not otherwise obligated for the payment of expenses incurred to further a political issue or the candidacy of a person shall, in whole or in part, at the election of the candidate or committee, escheat to the State Treasury, be returned pro rata to all contributors, or, in the case of a partisan candidate, be transferred to a caucus campaign committee, or to the state or county executive committee of the political party of which the candidate is a member except that a candidate, committee, or an official may retain the funds to further the same public issue or to seek election to the same office or may donate the funds to any charitable, nonprofit, or educational institution recognized under Section 501(c)(3) of the United States Internal Revenue Code of 1986, as amended, and any successor thereto.

- (11) (a) For the purposes of this subsection, "election cycle," as applied to contributions, expenditures, or loans to support or oppose a candidate for a particular office, means the period of time beginning January 1 following a regular election for the office and ending December 31 following the next regular election for that office.
- (b) For the purpose of this subsection, "election cycle," as applied to contributions, expenditures, or loans to support or oppose a constitutional amendment or public question which appears on the ballot, means the period of time beginning January 1 following a regular election for any state legislative office and ending December 31 following the next regular election for any state legislative office.

- (b) If a person or entity that is required to report under subsection (2), (3), or (6) of this section has received no money, loans, or other things of value from any source since the date of its last report and has not authorized, incurred, or made any expenditures since that date, the person or entity may check or otherwise designate the entry that reads, "No change since last report." A person or entity designating this entry in a report shall state the balance carried forward from the last report but need not specify receipts or expenditures in further detail.
