➔Section 103. KRS 532.160 is amended to read as follows:

- (1) If a convicted person is unable to pay all court costs, fees, fines, and other monetary penalties at the time of sentencing, then the sentencing court may, consistent with KRS 23A.205, 24A.175, 534.020, and KRS 534.060, issue a criminal garnishment order for all fines under KRS Chapter 534 or *Section 48 of this Act*~~[KRS 346.185]~~ and for court costs, restitution, and reimbursement charges in this chapter.

- (4) The sentencing court shall combine all fines, court costs, restitution, and reimbursement charges in a single order of garnishment.
- (5) The sentencing court shall require payment of restitution to the victim of the offense before payments of any moneys to the government or a government agency.
- (6) The court shall order payments made under this section to be paid by the defendant directly to the person or organization specified by written order of the court. The court shall not order payments of an order of criminal garnishment to be made through the circuit clerk, except for those payments due from a person under the supervision of the Department of Corrections.

➔Section 104. KRS 532.162 is amended to read as follows:

➔Section 105. KRS 533.030 is amended to read as follows:

- (1) The conditions of probation and conditional discharge shall be such as the court, in its discretion, deems reasonably necessary to insure that the defendant will lead a law-abiding life or to assist him to do so. The court shall provide as an explicit condition of every sentence to probation or conditional discharge that the defendant not commit another offense during the period for which the sentence remains subject to revocation.
- (2) When imposing a sentence of probation or conditional discharge, the court may, in addition to any other reasonable condition, require that the defendant:
 - (a) Avoid injurious or vicious habits;
 - (b) Avoid persons or places of disreputable or harmful character;
 - (c) Work faithfully at suitable employment as far as possible;
 - (d) Undergo available medical or psychiatric treatment and remain in a specific institution as required for that purpose;

 - (k) Answer all reasonable inquiries by the probation officer and promptly notify the probation officer of any change in address or employment;
 - (l) Submit to periodic testing for the use of controlled substances or alcohol, if the defendant's record indicates a controlled substance or alcohol problem, and to pay a reasonable fee, as determined by the court, which fee shall not exceed the actual cost of the test and analysis and shall be paid directly to the agency or agencies responsible for testing and analysis as compensation for the cost of the testing and analysis, as specified by written order of the court, performed under this subsection. For good cause shown, the testing fee may be waived by the court;
 - (m) Use an alcohol monitoring device, as defined in KRS 431.068. All costs associated with the device, including administrative and operating costs, shall be paid by the defendant. If the court determines that the defendant is indigent, and a person, county, or other organization has not agreed to pay the costs for the defendant in an attempt to reduce incarceration expenses and increase public safety, the court shall consider other conditions of probation or conditional discharge provided for in this section; or
 - (n) During all or part of the period of probation or conditional discharge, participate in a global positioning monitoring system program operated by a county pursuant to KRS 67.372 and 67.374 under the same terms and conditions as provided in KRS 431.517.
- (3) When imposing a sentence of probation or conditional discharge in a case where a victim of a crime has suffered monetary damage as a result of the crime due to his property having been converted, stolen, or unlawfully obtained, or its value substantially decreased as a result of the crime, or where the victim suffered

actual medical expenses, direct out-of-pocket losses, or loss of earning as a direct result of the crime, or where the victim incurred expenses in relocating for the purpose of the victim's safety or the safety of a member of the victim's household, or if as a direct result of the crime the victim incurred medical expenses that were paid by the Cabinet for Health and Family Services, the **Kentucky Claims Commission**~~[Crime-Victims Compensation Board]~~, or any other governmental entity, the court shall order the defendant to make restitution in addition to any other penalty provided for the commission of the offense. Payment of restitution to the victim shall have priority over payment of restitution to any government agency. Restitution shall be ordered in the full amount of the damages, unless the damages exceed one hundred thousand dollars (\$100,000) or twice the amount of the gain from the commission of the offense, whichever is greater, in which case the higher of these two (2) amounts shall be awarded. The court may, in lieu of ordering monetary restitution, order the defendant to make restitution by working for or on behalf of the victim. The court shall determine the number of hours of work necessary by applying the then-prevailing federal minimum wage to the total amount of monetary damage caused by or incidental to the commission of the crime. The court may, with the consent of the agency, order the defendant to work as specified in KRS 533.070. Any work ordered pursuant to this section shall not be deemed employment for any purpose, nor shall the person performing the work be deemed an employee for any purpose. Where there is more than one (1) defendant or more than one (1) victim, restitution may be apportioned. Restitution shall be subject to the following additional terms and conditions:

- (a) Where property which is unlawfully in the possession of the defendant is in substantially undamaged condition from its condition at the time of the taking, return of the property shall be ordered in lieu of monetary restitution;
 - (b) The circuit clerk shall assess an additional fee of five percent (5%) to defray the administrative costs of collection of payments or property. This fee shall be paid by the defendant and shall inure to a trust and agency account which shall not lapse and which shall be used to hire additional deputy clerks and office personnel or increase deputy clerk or office personnel salaries, or combination thereof;
 - (c) When a defendant fails to make restitution ordered to be paid through the circuit clerk or a court-authorized program run by the county attorney or the Commonwealth's attorney, the circuit clerk or court-authorized program shall notify the court; and
 - (d) An order of restitution shall not preclude the owner of property or the victim who suffered personal physical or mental injury or out-of-pocket loss of earnings or support or other damages from proceeding in a civil action to recover damages from the defendant. A civil verdict shall be reduced by the amount paid under the criminal restitution order.
- (4) When requiring fees for controlled substances or alcohol tests, or other fees and payments authorized by this section or other statute, except restitution, to be paid by the defendant, the court shall not order the payments to be paid through the circuit clerk.
 - (5) When a defendant is sentenced to probation or conditional discharge, he shall be given a written statement explicitly setting forth the conditions under which he is being released.
 - (6) When imposing a sentence of probation or conditional discharge, the court, in addition to conditions imposed under this section, may require as a condition of the sentence that the defendant submit to a period of imprisonment in the county jail or to a period of home incarceration at whatever time or intervals, consecutive or nonconsecutive, the court shall determine. The time actually spent in confinement or home incarceration pursuant to this provision shall not exceed twelve (12) months or the maximum term of imprisonment assessed pursuant to KRS Chapter 532, whichever is the shorter. Time spent in confinement or home incarceration under this subsection shall be credited against the maximum term of imprisonment assessed for the defendant pursuant to KRS Chapter 532, if probation or conditional discharge is revoked and the defendant is sentenced to imprisonment. Any prohibitions against probation, shock probation, or conditional discharge under KRS 533.060(2) or 532.045 shall not apply to persons convicted of a misdemeanor or Class D felony and sentenced to a period of confinement or home incarceration under this section.

If the board of assessment appeals determines that the assessment should be increased, it shall give the taxpayer notice in the manner required by subsection (4) of KRS 132.450, specifying a date when the board will hear the taxpayer, if he or she so desires, in protest of an increase.

~~(g)(f)~~ Any real property owner who has listed his or her property with the property valuation administrator at its fair cash value may ask the county board of assessment appeals to review the assessments of real properties he or she believes to be assessed at less than fair cash value, if he or she specifies in writing the individual properties for which the review is sought and factual information upon which his or her request is based, such as comparable sales or cost data and if the request is made no later than one (1) work day following the conclusion of the inspection period provided for in KRS 133.045, *or no later than the last day of an extension granted under paragraph (d) of this subsection*.

~~(h)(g)~~ Nothing in this section shall be construed as granting any property owner the right to request a blanket review of properties or the board the power to conduct such a review.

- (3) (a) The board of assessment appeals shall hold a public hearing for each individual taxpayer appeal in protest of the assessment by the property valuation administrator filed in accordance with the provisions of subsection (2) of this section, and after hearing all the evidence, shall fix the assessment of the property at its fair cash value.
- (b) The department may be present at the hearing and present any pertinent evidence as it pertains to the appeal.
- (c) The taxpayer shall provide factual evidence to support his or her appeal. If the taxpayer fails to provide reasonable information pertaining to the value of the property requested by the property valuation administrator, the department, or any member of the board, his or her appeal shall be denied.
- (d) This information shall include but not be limited to the physical characteristics of land and improvements, insurance policies, cost of construction, real estate sales listings and contracts, income and expense statements for commercial property, and loans or mortgages.
- (e) The board of assessment appeals shall only hear and consider evidence which has been submitted to it in the presence of both the property valuation administrator or his or her designated deputy and the taxpayer or his or her authorized representative.

- (5) The board shall provide a written opinion justifying its action for each assessment either decreased or increased in the record of its proceedings and orders required in KRS 133.125 on forms or in a format provided or approved by the department.

- (6) The board shall report to the property valuation administrator any real property omitted from the tax roll. The property valuation administrator shall assess the property and immediately give notice to the taxpayer in the manner required by KRS 132.450(4), specifying a date when the board of assessment appeals will hear the taxpayer, if he or she so desires, in protest of the action of the property valuation administrator.
- (7) The board of assessment appeals shall have power to issue subpoenas, compel the attendance of witnesses, and adopt rules and regulations concerning the conduct of its business. Any member of the board shall have power to administer oaths to any witness in proceedings before the board.
- (8) The powers of the board of assessment appeals shall be limited to those specifically granted by this section.
- (9) No appeal shall delay the collection or payment of any taxes based upon the assessment in controversy. The taxpayer shall pay all state, county, and district taxes due on the valuation which he or she claims as true value and stated in the petition of appeal filed in accordance with the provisions of subsection (1) of this section. When the valuation is finally determined upon appeal, the taxpayer shall be billed for any additional tax and interest at the tax interest rate as defined in KRS 131.010(6) from the date when the tax would have become due if no appeal had been taken. The provisions of KRS 134.015(6) shall apply to the tax bill.
- (10) Any member of the county board of assessment appeals may be required to give evidence in support of the board's findings in any appeal from its actions to the Kentucky Board of Tax Appeals. Any persons aggrieved by a decision of the board, including the property valuation administrator, taxpayer, and department, may appeal the decision to the Kentucky Board of Tax Appeals. Any taxpayer failing to appeal to the county board of assessment appeals, or failing to appear before the board, either in person or by designated representative, shall not be eligible to appeal directly to the Kentucky Board of Tax Appeals.
- (11) The county attorney shall represent the interest of the state and county in all hearings before the board of assessment appeals and on all appeals prosecuted from its decision. If the county attorney is unable to represent the state and county, he or she the fiscal court shall arrange for substitute representation.
- (12) Taxpayers shall have the right to make audio recordings of the hearing before the county board of assessment appeals. The property valuation administrator may make similar audio recordings only if prior written notice is given to the taxpayer. The taxpayer shall be entitled to a copy of the department's recording as provided in KRS 61.874.
- (13) The county board of assessment appeals shall physically inspect a property upon the request of the property owner or property valuation administrator.

➔Section 3. KRS 133.030 is amended to read as follows:

- (1) The county board of assessment appeals shall convene each year at the county seat no earlier than twenty-five (25) days and no later than thirty-five (35) days following the conclusion of the tax roll inspection period provided for in KRS 133.045. ***When a property valuation administrator has received permission to extend the appeal filing deadline as set out in subsection (2)(d) of Section 2 of this Act, the county board of assessment appeals shall convene no earlier than twenty-five (25) days and no later than thirty-five (35) days after the approved filing deadline.*** ~~[- except that]~~ No meeting shall be held until the tax roll has been completed and the inspection period has been held as provided by law, or until revaluation of the property has been completed by the property valuation administrator at the direction of the Department of Revenue as provided by KRS 132.690 or by the department itself as provided by KRS 133.150. All records of the property valuation administrator, including all data concerning property sales within the preceding year, shall be available to the board while meeting.
- (2) The first regular meeting day of the board shall be devoted to the orientation and training program provided for in KRS 133.020(5), to a review of the assessment of the property valuation administrator and his deputies, and to a review of the appeals filed with the county clerk as clerk of the board, including a review of recent sales of comparable properties provided in accordance with the provisions of subsection (1) of this section, and an inspection of the properties involved in the appeals when in the opinion of the board such inspection will assist in the proper determination of fair cash value.
- (3) The board of assessment appeals shall continue in session only such time as is necessary to hear appeals. The board shall not continue in session more than one (1) day, if there are no appeals to be heard, nor more than five (5) days after it convenes in each year, unless an extension of time is authorized by the Department of Revenue upon request of the county judge/executive. Each board member shall be paid one hundred dollars (\$100) for each day he serves. This compensation shall be paid one-half (1/2) out of the county levy and the other half out of the State Treasury.

- (4) Members of temporary panels of the board shall serve the time necessary for hearing appeals but in no case more than five (5) days except upon approval of an extension of time by the Department of Revenue. Compensation of panel members shall be in the same manner and at the same rate as provided for members of the board.

➔Section 4. KRS 133.125 is amended to read as follows:

- (1) No later than three (3) working days after the expiration of the inspection period provided for in KRS 133.045, ***or three (3) working days after any extension of a filing deadline for appeals as set out in subsection (2)(d) of Section 2 of this Act,*** the county clerk shall provide a copy to the property valuation administrator of each appeal petition and a summary of the appeals filed with the county board of assessment appeals. The summary shall be in a format, or on a form, provided or approved by the Department of Revenue. The property valuation administrator shall, within three (3) working days of receipt of the summary, prepare and submit to the Department of Revenue a final recapitulation of the real property tax roll incorporating all changes made since the submission of the first recapitulation. Those properties under appeal shall be listed for recapitulation and certification purposes at the value claimed by the taxpayer. After submission of the final recapitulation to the Department of Revenue, assessments shall not be amended except for adjustments ordered by the board and for corrections made under the provisions of KRS 133.110 and KRS 133.130.
- (2) The county clerk, or an authorized deputy, shall act as clerk of the board of assessment appeals; and where additional board panels are appointed, as provided by law, one (1) authorized deputy shall act as clerk for each panel. An accurate record of the proceedings and orders of the board and of each of its authorized panels shall be kept and shall show the name of the owner of the property, the description, the type of property, the amount of the assessment the property valuation administrator placed on the property, and the amount of change made in the assessment by the board. A copy certified by the chairman of the board and attested by the county clerk shall be filed by the clerk with the property valuation administrator and with the Department of Revenue within five (5) days after the adjournment of the board.
- (3) The county clerk shall certify to the county judge/executive the number of days during which the board was in session, and the court shall enter this fact of record along with the amount due the board members for their services. On a presentation of a copy of the order, the Finance and Administration Cabinet shall draw a warrant on the State Treasurer in favor of the board members and clerk for the amount due for their services.
- (4) The county clerk and any authorized deputies serving as clerk of the board or a panel thereof shall be allowed the same compensation per day for their services as is allowed to members of the board of their county, and they shall be paid in the same manner as members of the board are paid. The county clerk and his authorized deputies shall be allowed compensation for completing and filing the record of the board in the same manner as allowed for their services while acting as clerk of the board or clerk of a panel of the board.

➔Section 5. KRS 132.220 is amended to read as follows:

- (1) (a) All taxable property and all interests in taxable property, unless otherwise specifically provided by law, shall be listed, assessed, and valued as of January 1 of each year.
- (b) 1. It shall be the duty of the holder of the first freehold estate in any real property taxable in this state to list or have listed the property with the property valuation administrator of the county where it is located between January 1 and March 1 in each year, except as otherwise provided by law.
2. It shall be the duty of all persons owning any tangible personal property taxable in this state to list or have listed the property with the property valuation administrator of the county of taxable situs or with the department between January 1 and May 15 in each year, except as otherwise prescribed by law.
3. The holder of legal title, the holder of equitable title, and the claimant or bailee in possession of the property on the assessment date as provided by law shall be liable for the taxes thereon, and the property may be assessed in any of their names. But, as between them, the holder of the equitable title shall pay the taxes thereon, whether or not the property is in his or her possession at the time of payment.
4. All persons in whose name property is properly assessed shall remain bound for the tax, notwithstanding they may have sold or parted with it.
- (2) Any taxpayer may list his or her property in person before the property valuation administrator or his deputy, or may file a property tax return by first class mail. Any real property correctly and completely described in

the assessment record for the previous year, or purchased during the preceding year and for which a value was stated in the deed according to the provisions of KRS 382.135, may be considered by the owner to be listed for the current year if no changes that could potentially affect the assessed value have been made to the property. However, if requested in writing by the property valuation administrator or by the department, any real property owner shall submit a property tax return to verify existing information or to provide additional information for assessment purposes. Any real property which has been underassessed as a result of the owner intentionally failing to provide information, or intentionally providing erroneous information, shall be subject to revaluation, and the difference in value shall be assessed as omitted property under the provisions of KRS 132.290.

- (3) If the owner fails to list the property, the property valuation administrator shall nevertheless assess it. The property valuation administrator may swear witnesses in order to ascertain the person in whose name to make the list. The property valuation administrator, his or her employee, or employees of the department may physically inspect, *or inspect using any other method approved by the department*, and revalue land and buildings in the absence of the property owner or resident. The exterior dimensions of buildings may be measured and building photographs may be taken; however, with the exception of buildings under construction or not yet occupied, an interior inspection of residential and farm buildings, and of the nonpublic portions of commercial buildings shall not be conducted in the absence or without the permission of the owner or resident.
- (4) Real property shall be assessed in the name of the owner, if ascertainable by the property valuation administrator, otherwise in the name of the occupant, if ascertainable, and otherwise to "unknown owner." The undivided real estate of any deceased person may be assessed to the heirs or devisees of the person without designating them by name.
- (5)
 - (a) Real property tax roll entries for which tax bills have not been collected at the expiration of the one (1) year tolling period provided for in KRS 134.546, and for which the property valuation administrator cannot physically locate and identify the real property, shall be deleted from the tax roll and the assessment shall be exonerated.
 - (b) The property valuation administrator shall keep a record of these exonerations, which shall be open under the provisions of KRS 61.870 to 61.884.
 - (c) If, at any time, one of these entries is determined to represent a valid parcel of property it shall be assessed as omitted property under the provisions of KRS 132.290.
 - (d) Notwithstanding other provisions of the Kentucky Revised Statutes to the contrary, any loss of ad valorem tax revenue suffered by a taxing district due to the exoneration of these uncollectable tax bills may be recovered through an adjustment in the tax rate for the following year.
- (6) All real property exempt from taxation by Section 170 of the Constitution shall be listed with the property valuation administrator in the same manner and at the same time as taxable real property. The property valuation administrator shall maintain an inventory record of the tax-exempt property, but the property shall not be placed on the tax rolls. A copy of this tax-exempt inventory shall be filed annually with the department within thirty (30) days of the close of the listing period. This inventory shall be in the form prescribed by the department. The department shall make an annual report itemizing all exempt properties to the Governor and the Legislative Research Commission within sixty (60) days of the close of the listing period.
- (7) Each property valuation administrator, under the direction of the department, shall review annually all real property listed with him or her under subsection (6) of this section and claimed to be exempt from taxation by Section 170 of the Constitution. The property valuation administrator shall place on the tax rolls all property that is not exempt. Any property valuation administrator who fails to comply with this subsection shall be subject to the penalties prescribed in KRS 132.990(2).

➔Section 6. KRS 133.045 is amended to read as follows:

- (1) The real property tax roll being prepared by the property valuation administrator for the current year, shall be open for inspection in the property valuation administrator's office for thirteen (13) days beginning on the first Monday in May of each year and shall be open for inspection for six (6) days each week, one (1) of which shall be Saturday. In case of necessity, the department may order a reasonable extension of time for the inspection period of the tax roll or it may order that the inspection period be at a different time than that provided in this section. However, the final day of the inspection period shall not be Saturday, Sunday, or a legal holiday.

- (2) The property valuation administrator shall cause to be published once during the week before the beginning of the inspection period, as provided in subsection (1) of this section, in a display type advertisement, the following information:
- (a) The fact that the real property tax roll is open for public inspection;
 - (b) The dates of the inspection period;
 - (c) The times available for public review of the real property tax roll;
 - (d) The fact that any taxpayer desiring to appeal an assessment shall first request a conference with the property valuation administrator to be held prior to or during the inspection period ***or completed during an extension granted under Section 2 of this Act***; and
 - (e) Instructions which provide details on the manner in which a taxpayer who has had a conference with the property valuation administrator may file an appeal, if he is aggrieved by an assessment made by the property valuation administrator.

The cost of the notice shall be paid by the fiscal court of the county. The notice shall also be posted at the courthouse door. Failure to publish or post notices when the inspection period is at the regular time as provided in this section shall not invalidate assessments made by the property valuation administrator and recorded on the tax roll prior to the inspection period.

➔Section 7. Whereas to allow property valuation administrators to potentially take advantage of the provisions of this Act for this tax cycle, an emergency is declared to exist and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

Signed by Governor March 21, 2017.

- (1) The council shall function as an advisory agent of state government and provide leadership and assistance for labor and management in this state, and shall serve to effect improved labor-management relations within the state, and to thereby attract and encourage new and existing industry in this state.
- (2) The council shall not infringe upon or assume the responsibilities, duties or functions of the Labor Cabinet or Cabinet for Economic Development. The council may make recommendations to the Governor and the Legislature on matters relating to labor-management problems in this state and any other matter it deems necessary.
- (3) Meetings of the council may be held at any location in this state; however the principal office of the council will be located in Frankfort, Kentucky.
- (4) The secretary of the Labor Cabinet shall supply necessary staff and supplies to the council as well as funds for reimbursing each member for reasonable and necessary expenses incurred as a result of attending council meetings, and he or she shall act as the executive secretary of the council. The director of the Division of ***Wages, Hours, and Mediation***~~[Employment Standards, Apprenticeship and Mediation]~~ shall be responsible for the coordination of such staff and supplies.

➔Section 4. KRS 336.165 is amended to read as follows:

➔Section 5. KRS 342.120 is amended to read as follows:

- (1) There is created the Division of Workers' Compensation Funds in the Department of ***Workers' Claims***~~[Workplace Standards]~~ which shall be responsible for the administration of the special fund and the coal workers' pneumoconiosis fund and the maintenance of records regarding the payment of claims by these funds. The Division of Workers' Compensation Funds shall be headed by a director appointed by the secretary of the Labor Cabinet, with the prior written approval of the Governor pursuant to KRS 12.050. The director shall be responsible for overseeing the administration of the funds and the maintenance of records regarding the payment of claims by the funds.
- (2) The special fund shall have no liability upon any claim in which the injury occurred, or for cumulative trauma, the disability became manifest, or, for occupational disease, if the date of injury or last exposure occurred, after December 12, 1996.
- (3) Where the employer has settled its liability for income benefits and thereafter a determination has been made of the special fund's liability, the special fund portion of the benefit rate shall be paid over the maximum period provided for by statute for that disability, with the period of payment beginning on the date settlement was approved by an administrative law judge. This provision is remedial and shall apply to all pending and future claims.

➔Section 6. KRS 342.122 is amended to read as follows:

- (1) (a) For calendar year 1997 and for each calendar year thereafter, for the purpose of funding and prefunding the liabilities of the special fund, financing the administration and operation of the Kentucky Workers' Compensation Funding Commission, and financing the expenditures for all programs in the Labor Cabinet, except the Division of ~~Employment Standards,~~ Apprenticeship ***and Division of Wages, Hours, and Mediation***~~[and Mediation]~~ in the Department of Workplace Standards, as reflected in the enacted budget of the Commonwealth and enacted by the General Assembly, the funding commission shall impose a special fund assessment rate of nine percent (9%) upon the amount of workers' compensation premiums received on and after January 1, 1997, through December 31, 1997, by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every self-insured group operating under the provisions of KRS 342.350(4) and Chapter 304, and against the premium, as defined in KRS 342.0011, of every employer carrying his or her own risk.
- (b) The funding commission shall, for calendar year 1998 and thereafter, establish for the special fund an assessment rate to be assessed against all premium received during that calendar year which shall produce enough revenue to amortize on a level basis the unfunded liability of the special fund as of June 30 preceding January 1 of each year, for the period remaining until December 31, 2029. The interest rate to be used in this calculation shall reflect the funding commission's investment experience to date and the current investment policies of the commission. This assessment shall be imposed upon the amount of workers' compensation premiums received by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every self-insured group operating under the provisions of KRS 342.350(4) and Chapter 304, and against the premium, as defined in KRS 342.0011, of every employer carrying its own risk. On or before October 1 of each year, the commission shall notify each insurance carrier writing workers' compensation insurance in the Commonwealth, every group of self-insured employers, and each employer carrying its own risk, of the rates which shall become effective on January 1 of each year, unless modified by the General Assembly.
- (c) All assessments imposed by this section shall be paid to the Kentucky Workers' Compensation Funding Commission and shall be credited to the benefit reserve fund within the Kentucky Workers' Compensation Funding Commission.
- (d) The assessments imposed in this chapter shall be in lieu of all other assessments or taxes on workers' compensation premiums.
- (2) These assessments shall be paid quarterly not later than the thirtieth day of the month following the end of the quarter in which the premium is received. Receipt shall be considered timely through actual physical receipt or by postmark of the United States Postal Service. Employers carrying their own risk and employers defined in KRS 342.630(2) shall pay the annual assessments in four (4) equal quarterly installments.
- (3) The assessments imposed by this section may be collected by the insurance carrier from the insured. However, the insurance carrier shall not collect from the employer any amount exceeding the assessments imposed pursuant to this section. If the insurance carrier collects the assessment from an insured, the assessment shall be collected at the same time and in the same proportion as the premium is collected. The assessment for an insurance policy or other evidence of coverage providing a deductible may be collected in accordance with this

chapter on a premium amount that equates to the premium that would have applied without the deductible. Each statement from an insurance carrier presented to an insured reflecting premium and assessment amounts shall clearly identify and distinguish the amount to be paid for premium and the amount to be paid for assessments. No insurance carrier shall collect from an insured an amount in excess of the assessment percentages imposed by this chapter. The assessment for an insurance policy or other evidence of coverage providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible. The percentages imposed by this chapter for an insurance policy issued by an insurance company shall be those percentages in effect on the annual effective date of the policy, regardless of the date that the premium is actually received by the insurance company.

- (4) A self-insured group may elect to report its premiums and to have its assessments computed in the same manner as insurance companies. This election may not be rescinded for at least ten (10) years, nor may this election be made a second time for at least another ten (10) years, except that the board of directors of the funding commission may, at its discretion, waive the ten (10) year ban on a case-by-case basis after formal petition has been made to the funding commission by a self-insured group.
- (5) The funding commission, as part of the collection and auditing of the special fund assessments required by this section, shall annually require each insurance carrier and each self-insured group to provide a list of employers which it has insured or which are members and the amount collected from each employer. Additionally, the funding commission shall require each entity paying a special fund assessment to report the SIC code for each employer and the amount of premium collected from each SIC code. An insurance carrier or self-insured group may require its insureds or members to furnish the SIC code for each of their employees. However, the failure of any employer to furnish said codes shall not relieve the insurance carrier or self-insured group from the obligation to furnish same to the funding commission. The Office of Employment and Training, Education and Workforce Development Cabinet, is hereby directed to make available the SIC codes assigned in its records to specific employers to aid in the reporting and recording of the special fund assessment data.
- (6) Each self-insured employer, self-insured group, or insurance carrier shall provide any information and submit any reports the Department of Revenue or the funding commission may require to effectuate the provisions of this section. In addition, the funding commission may enter reciprocal agreements with other governmental agencies for the exchange of information necessary to effectuate the provisions of this section.
- (7) The special fund shall be required to maintain a central claim registry of all claims to which it is named a party, giving each such claim a unique claim number and thereafter recording the status of each claim on a current basis. The registry shall be established by January 26, 1988, for all claims on which payments were made since July 1, 1986, or which were pending adjudication since July 1, 1986, by audit of all claim files in the possession of the special fund.
- (8) The fund heretofore designated as the subsequent claim fund is abolished, and there is substituted therefor the special fund as set out by this section, and all moneys and properties owned by the subsequent claim fund are transferred to the special fund.
- (9) Notwithstanding any other provisions of this section or this chapter to the contrary, the total amount of funds collected pursuant to the assessment rates adopted by the funding commission shall not be limited to the provisions of this section.
- (10) All assessment rates imposed for periods prior to January 1, 1997, under KRS 342.122 shall forever remain applicable to premiums received on policies with effective dates prior to January 1, 1997, by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every self-insured group operating under the provision of KRS 342.350(4) and Chapter 304, and against the premium, as defined in KRS 342.0011, of every employer carrying its own risk.

➔Section 7. KRS 342.215 is amended to read as follows:

- (1) The Workers' Compensation Board is hereby created and established. The board shall rule on appeals of decisions rendered by administrative law judges under this chapter. The board shall rule on an appeal of a decision of an administrative law judge no later than sixty (60) days following the date on which the last appeal brief was filed.

The members of the board shall have the qualifications required of appeals court judges, except for residence in a district, and shall receive the same salary and shall be subject to the same standards of conduct. The Governor shall designate a member of the board to serve as chairman. Any vacancy in the chairmanship shall be filled by the Governor. The Governor may at any time remove any member for cause after furnishing the member with a written copy of the charges against him or her and giving the member a public hearing if he or she requests it.
- (4) A decision concurred in by any two (2) of the three (3) members shall constitute a decision of the board.
- (5) Members of the Workers' Compensation Board and the administrative law judges shall be members of the Kentucky Employees Retirement System.

CHAPTER 84

(HB 304)

AN ACT relating to the nurse licensure compact.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔SECTION 1. A NEW SECTION OF KRS CHAPTER 314 IS CREATED TO READ AS FOLLOWS:

The Nurse Licensure Compact is hereby enacted and entered into with all other jurisdictions that legally join in the Compact, which is, in form, substantially as follows:

ARTICLE I

Findings and Declaration of Purpose

a. The party states find that:

- 1. The health and safety of the public are affected by the degree of compliance with and the effectiveness of enforcement activities related to state nurse licensure laws;*
- 2. Violations of nurse licensure and other laws regulating the practice of nursing may result in injury or harm to the public;*
- 3. The expanded mobility of nurses and the use of advanced communication technologies as part of our nation's health care delivery system require greater coordination and cooperation among states in the areas of nurse licensure and regulation;*
- 4. New practice modalities and technology make compliance with individual state nurse licensure laws difficult and complex;*
- 5. The current system of duplicative licensure for nurses practicing in multiple states is cumbersome and redundant for both nurses and states; and*
- 6. Uniformity of nurse licensure requirements throughout the states promotes public safety and public health benefits.*

b. The general purposes of this Compact are to:

- 1. Facilitate the states' responsibility to protect the public's health and safety;*
- 2. Ensure and encourage the cooperation of party states in the areas of nurse licensure and regulation;*
- 3. Facilitate the exchange of information between party states in the areas of nurse regulation, investigation and adverse actions;*
- 4. Promote compliance with the laws governing the practice of nursing in each jurisdiction;*
- 5. Invest all party states with the authority to hold a nurse accountable for meeting all state practice laws in the state in which the patient is located at the time care is rendered through the mutual recognition of party state licenses;*
- 6. Decrease redundancies in the consideration and issuance of nurse licenses; and*
- 7. Provide opportunities for interstate practice by nurses who meet uniform licensure requirements.*

c. The following provisions of this Compact shall apply in this state:

- 1. By entering into this Compact, this state authorizes the licensing board as defined in Article II. g. of this Compact and as created by KRS Chapter 314 to implement the provisions of this Compact.*
- 2. Notwithstanding any provision of this Compact to the contrary:*
 - i. When a rule is adopted pursuant to Article VIII of this Compact, the licensing board of this state as defined by Article II. g. of this Compact shall have sixty (60) days to review the rule for the purpose of filing the rule as an emergency administrative regulation pursuant to KRS 13A.190 and for filing the rule as an accompanying ordinary administrative regulation, following the requirements of KRS Chapter 13A. Failure by the licensing board of this state as defined by Article II. g. of this Compact to promulgate a rule adopted by the Interstate Commission of Nurse Licensure Compact Administrators as an administrative regulation pursuant to KRS Chapter 13A shall result in the initiation of the process for withdrawal as set forth in Article X of this Compact. Nothing in these provisions shall negate the applicability and effect of Article VIII. j. of this Compact to this state.*
 - ii. If the proposed administrative regulation is found deficient and the deficiency is not resolved pursuant to KRS 13A.330 or 13A.335, the provisions of Article IX of this Compact shall apply.*

In the event that the procedures under Article IX of this Compact fail to resolve an issue, the provisions of Article X of this Compact shall apply.

- iii. *In the event the Interstate Commission of Nurse Licensure Compact Administrators created by Article VII of this Compact exercises its rulemaking authority in a manner that is beyond the scope of the purposes of this Compact, or the powers granted hereunder, then such an action by the Commission shall be invalid and have no force or effect.*
- 3. *Article VII. h. of this Compact pertaining to the financing of the Commission shall not be interpreted to obligate the general fund of this state. Any funds used to finance this Compact shall be from money collected pursuant to KRS 314.161.*
- 4. *This Compact shall apply only to those nurses who hold a multistate license.*
- 5. *The term "head of the state licensing board" as used in Article VII. b. of this Compact refers to the executive director of the Kentucky Board of Nursing.*

ARTICLE II

Definitions

As used in this Compact:

- a. *"Adverse action" means any administrative, civil, equitable or criminal action permitted by a state's laws which is imposed by a licensing board or other authority against a nurse, including actions against an individual's license or multistate licensure privilege such as revocation, suspension, probation, monitoring of the licensee, limitation on the licensee's practice, or any other encumbrance on licensure affecting a nurse's authorization to practice, including issuance of a cease and desist action.*

- d. *"Current significant investigative information" means:*

 - 2. *Investigative information that indicates that the nurse represents an immediate threat to public health and safety regardless of whether the nurse has been notified and had an opportunity to respond.*
- e. *"Encumbrance" means a revocation or suspension of, or any limitation on, the full and unrestricted practice of nursing imposed by a licensing board.*

- k. *"Party state" means any state that has adopted this Compact.*
- l. *"Remote state" means a party state, other than the home state.*

- n. *"State" means a state, territory or possession of the United States and the District of Columbia.*

- o. "State practice laws" means a party state's laws, rules and regulations that govern the practice of nursing, define the scope of nursing practice, and create the methods and grounds for imposing discipline. ARTICLE III

- b. A state must implement procedures for considering the criminal history records of applicants for initial multistate license or licensure by endorsement. Such procedures shall include the submission of fingerprints or other biometric-based information by applicants for the purpose of obtaining an applicant's criminal history record information from the Federal Bureau of Investigation and the agency responsible for retaining that state's criminal records.*

 - 9. Is not currently enrolled in an alternative program;*
 - 10. Is subject to self-disclosure requirements regarding current participation in an alternative program; and*
 - 11. Has a valid United States Social Security number.*
- d. All party states shall be authorized, in accordance with existing state due process law, to take adverse action against a nurse's multistate licensure privilege such as revocation, suspension, probation or any other action that affects a nurse's authorization to practice under a multistate licensure privilege, including cease and desist actions. If a party state takes such action, it shall promptly notify the administrator of the coordinated licensure information system. The administrator of the coordinated licensure information system shall promptly notify the home state of any such actions by remote states.*

- e. *A nurse practicing in a party state must comply with the state practice laws of the state in which the client is located at the time service is provided. The practice of nursing is not limited to patient care, but shall include all nursing practice as defined by the state practice laws of the party state in which the client is located. The practice of nursing in a party state under a multistate licensure privilege will subject a nurse to the jurisdiction of the licensing board, the courts and the laws of the party state in which the client is located at the time service is provided.*
- f. *Individuals not residing in a party state shall continue to be able to apply for a party state's single-state license as provided under the laws of each party state. However, the single-state license granted to these individuals will not be recognized as granting the privilege to practice nursing in any other party state. Nothing in this Compact shall affect the requirements established by a party state for the issuance of a single-state license.*
- g. *Any nurse holding a home state multistate license, on the effective date of this Compact, may retain and renew the multistate license issued by the nurse's then-current home state, provided that:*
 - 1. *A nurse, who changes primary state of residence after this Compact's effective date, must meet all applicable Article III.c. requirements to obtain a multistate license from a new home state.*
 - 2. *A nurse who fails to satisfy the multistate licensure requirements in Article III. c. of this Compact due to a disqualifying event occurring after this Compact's effective date shall be ineligible to retain or renew a multistate license, and the nurse's multistate license shall be revoked or deactivated in accordance with applicable rules adopted by the Interstate Commission of Nurse Licensure Compact Administrators ("Commission").*

ARTICLE IV

Applications for Licensure in a Party State

- a. *Upon application for a multistate license, the licensing board in the issuing party state shall ascertain, through the coordinated licensure information system, whether the applicant has ever held, or is the holder of, a license issued by any other state, whether there are any encumbrances on any license or multistate licensure privilege held by the applicant, whether any adverse action has been taken against any license or multistate licensure privilege held by the applicant and whether the applicant is currently participating in an alternative program.*
- b. *A nurse may hold a multistate license, issued by the home state, in only one (1) party state at a time.*
- c. *If a nurse changes primary state of residence by moving between two (2) party states, the nurse must apply for licensure in the new home state, and the multistate license issued by the prior home state will be deactivated in accordance with applicable rules adopted by the Commission.*
 - 1. *The nurse may apply for licensure in advance of a change in primary state of residence.*
 - 2. *A multistate license shall not be issued by the new home state until the nurse provides satisfactory evidence of a change in primary state of residence to the new home state and satisfies all applicable requirements to obtain a multistate license from the new home state.*
- d. *If a nurse changes primary state of residence by moving from a party state to a non-party state, the multistate license issued by the prior home state will convert to a single-state license, valid only in the former home state.*

ARTICLE V

Additional Authorities Invested in Party State Licensing Boards

- a. *In addition to the other powers conferred by state law, a licensing board shall have the authority to:*
 - 1. *Take adverse action against a nurse's multistate licensure privilege to practice within that party state.*
 - i. *Only the home state shall have the power to take adverse action against a nurse's license issued by the home state.*
 - ii. *For purposes of taking adverse action, the home state licensing board shall give the same priority and effect to reported conduct received from a remote state as it would if such conduct had occurred within the home state. In so doing, the home state shall apply its own state laws to determine appropriate action.*

2. *Issue cease and desist orders or impose an encumbrance on a nurse's authority to practice within that party state.*
 3. *Complete any pending investigations of a nurse who changes primary state of residence during the course of such investigations. The licensing board shall also have the authority to take appropriate action(s) and shall promptly report the conclusions of such investigations to the administrator of the coordinated licensure information system. The administrator of the coordinated licensure information system shall promptly notify the new home state of any such actions.*
 4. *Issue subpoenas for both hearings and investigations that require the attendance and testimony of witnesses, as well as the production of evidence. Subpoenas issued by a licensing board in a party state for the attendance and testimony of witnesses or the production of evidence from another party state shall be enforced in the latter state by any court of competent jurisdiction, according to the practice and procedure of that court applicable to subpoenas issued in proceedings pending before it. The issuing authority shall pay any witness fees, travel expenses, mileage and other fees required by the service statutes of the state in which the witnesses or evidence are located.*
 5. *Obtain and submit, for each nurse licensure applicant, fingerprint or other biometric-based information to the Federal Bureau of Investigation for criminal background checks, receive the results of the Federal Bureau of Investigation record search on criminal background checks and use the results in making licensure decisions.*
 6. *If otherwise permitted by state law, recover from the affected nurse the costs of investigations and disposition of cases resulting from any adverse action taken against that nurse.*
 7. *Take adverse action based on the factual findings of the remote state, provided that the licensing board follows its own procedures for taking such adverse action.*
- b. *If adverse action is taken by the home state against a nurse's multistate license, the nurse's multistate licensure privilege to practice in all other party states shall be deactivated until all encumbrances have been removed from the multistate license. All home state disciplinary orders that impose adverse action against a nurse's multistate license shall include a statement that the nurse's multistate licensure privilege is deactivated in all party states during the pendency of the order.*
- c. *Nothing in this Compact shall override a party state's decision that participation in an alternative program may be used in lieu of adverse action. The home state licensing board shall deactivate the multistate licensure privilege under the multistate license of any nurse for the duration of the nurse's participation in an alternative program.*

ARTICLE VI

Coordinated Licensure Information System and Exchange of Information

- a. *All party states shall participate in a coordinated licensure information system of all licensed registered nurses (RNs) and licensed practical/vocational nurses (LPNs/VNs). This system will include information on the licensure and disciplinary history of each nurse, as submitted by party states, to assist in the coordination of nurse licensure and enforcement efforts.*
- b. *The Commission, in consultation with the administrator of the coordinated licensure information system, shall formulate necessary and proper procedures for the identification, collection and exchange of information under this Compact.*
- c. *All licensing boards shall promptly report to the coordinated licensure information system any adverse action, any current significant investigative information, denials of applications (with the reasons for such denials) and nurse participation in alternative programs known to the licensing board regardless of whether such participation is deemed nonpublic or confidential under state law.*
- d. *Current significant investigative information and participation in nonpublic or confidential alternative programs shall be transmitted through the coordinated licensure information system only to party state licensing boards.*
- e. *Notwithstanding any other provision of law, all party state licensing boards contributing information to the coordinated licensure information system may designate information that may not be shared with non-party states or disclosed to other entities or individuals without the express permission of the contributing state.*

- f. Any personally identifiable information obtained from the coordinated licensure information system by a party state licensing board shall not be shared with non-party states or disclosed to other entities or individuals except to the extent permitted by the laws of the party state contributing the information.*
- g. Any information contributed to the coordinated licensure information system that is subsequently required to be expunged by the laws of the party state contributing that information shall also be expunged from the coordinated licensure information system.*
- h. The Compact administrator of each party state shall furnish a uniform data set to the Compact administrator of each other party state, which shall include, at a minimum:*
 - 1. Identifying information;*
 - 2. Licensure data;*
 - 3. Information related to alternative program participation; and*
 - 4. Other information that may facilitate the administration of this Compact, as determined by Commission rules.*
- i. The Compact administrator of a party state shall provide all investigative documents and information requested by another party state.*

 - 2. As soon as practicable, the Commission must make public a copy of the vote to close the meeting revealing the vote of each administrator, with no proxy votes allowed;*

- (1) Subject to the provisions of KRS Chapter 439 and Chapters 500 to 534, any Circuit Court may, upon motion of the defendant made not earlier than thirty (30) days nor later than one hundred eighty (180) days after the defendant has been incarcerated in a county jail following his conviction and sentencing pending delivery to the institution to which he has been sentenced, or delivered to the keeper of the institution to which he has been sentenced, suspend the further execution of the sentence and place the defendant on probation upon terms the court determines. Time spent on any form of release following conviction shall not count toward time required under this section.
- (2) The court shall consider any motion filed in accordance with subsection (1) of this section within sixty (60) days of the filing date of that motion, and shall enter its ruling within ten (10) days after considering the motion. The defendant may, in the discretion of the trial court, have the right to a hearing on any motion he may file, or have filed for him, that would suspend further execution of sentence. Any court order granting or denying a motion to suspend further execution of sentence is not reviewable.

- (3) (a) During the period in which the defendant may file a motion pursuant to this statute, the sentencing judge, within his or her discretion, may order that the defendant be held in a local detention facility that is not at or above maximum capacity until such time as the court rules on said motion. During this period of detention, and prior to the court's ruling on said motion, the court may require the defendant to participate in any approved community work program or other forms of work release. Persons held in the county jail pursuant to this subsection shall not be subject to transfer to a state correctional facility until the decision is made not to place the petitioner on shock probation.

The comprehensive sex offender presentence evaluation shall provide to the court a recommendation related to the risk of a repeat offense by the defendant and the defendant's amenability to treatment, and shall be considered by the court in determining whether to suspend the sentence. If the court suspends the sentence and places the defendant on probation, the provisions of KRS 532.045(3) to (7) shall apply.

1. *If the commission determines that a member state has defaulted in the performance of its obligations or responsibilities under this Compact or the promulgated rules, the commission shall:*

A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.*
3. *Termination of membership in the Compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the commission to the governor, the majority and minority leaders of the defaulting state's legislature, and each of the member states.*
4. *A state that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.*
5. *The commission shall not bear any costs related to a state that is found to be in default or that has been terminated from the Compact, unless agreed upon in writing between the commission and the defaulting state.*
6. *The defaulting state may appeal the action of the commission by petitioning the United States District Court for the District of Columbia or the federal district where the commission has its principal offices. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all costs of the litigation, including reasonable attorney's fees.*
3. *The remedies authorized under this section shall not be the exclusive remedies of the commission. The commission may pursue any other remedies available under federal or state law.*

SECTION 11. DATE OF IMPLEMENTATION OF THE INTERSTATE COMMISSION FOR PHYSICAL THERAPY PRACTICE AND ASSOCIATED RULES, WITHDRAWAL, AND AMENDMENT

- A. *The Compact shall come into effect on the date on which the Compact statute is enacted into law in the tenth member state. The provisions, which become effective at that time, shall be limited to the powers granted to the commission relating to assembly and the promulgation of rules. Thereafter, the commission shall meet and exercise rulemaking powers necessary to the implementation and administration of the Compact.*
- B. *Any state that joins the Compact subsequent to the commission's initial adoption of the rules shall be subject to the rules as they exist on the date on which the Compact becomes law in that state. Any rule that has been previously adopted by the commission shall have the full force of law on the day the Compact becomes law in that state.*
- C. *Any member state may withdraw from this Compact by enacting a statute repealing the Compact.*
 1. *A member state's withdrawal shall not take effect until six (6) months after enactment of the repealing statute.*

2. *Withdrawal shall not affect the continuing requirement of the withdrawing state's physical therapy licensing board to comply with the investigative and adverse action reporting requirements of this Compact prior to the effective date of withdrawal.*
- D. *Nothing contained in this Compact shall be construed to invalidate or prevent any physical therapy licensure agreement or other cooperative arrangement between a member state and a nonmember state that does not conflict with the provisions of this Compact.*
- E. *This Compact may be amended by the member states. No amendment to this Compact shall become effective and binding upon any member state until it is enacted into the laws of all member states.*

- B. *Notwithstanding any provision of this Compact to the contrary:*
 1. *When a rule is adopted pursuant to Section 9 of this Compact, the licensing board of this state as defined by Section 2.19. of this Compact shall have sixty (60) days to review the rule for the purpose of filing the rule as an emergency administrative regulation pursuant to KRS 13A.190 and for filing the rule as an accompanying ordinary administrative regulation, following the requirements of KRS Chapter 13A. Failure by the licensing board of this state as defined by Section 2.19. of this Compact to promulgate a rule adopted by the Physical Therapy Compact Commission as an administrative regulation pursuant to KRS Chapter 13A shall result in the initiation of the process for withdrawal as set forth in Section 11 of this Compact. Nothing in these provisions shall negate the applicability and effect of Section 9.K. of this Compact to this state.*

(HB 245)

AN ACT relating to state tax administration.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 131.130 is amended to read as follows:

Without limitation of other duties assigned to it by law, the following powers and duties are vested in the Department of Revenue:

- (1) The department may promulgate administrative regulations, and direct proceedings and actions, for the administration and enforcement of all tax laws of this state. To assist taxpayers in understanding and interpreting the tax laws, the department may, through incorporation by reference, include examples as part of

any administrative regulation. The examples may include demonstrative, nonexclusive lists of items if the department determines the lists would be helpful to taxpayers in understanding the application of the tax laws.

- (2) The department, by representatives it appoints in writing, may take testimony or depositions, and may examine hard copy or electronic records, any person's documents, files, and equipment if those records, documents, or equipment will furnish knowledge concerning any taxpayer's tax liability, when it deems this reasonably necessary to the performance of its functions. The department may enforce this right by application to the Circuit Court in the county where the person is domiciled or has his or her principal office, or by application to the Franklin Circuit Court, which courts may compel compliance with the orders of the department.
- (3) The department shall prescribe the style, and determine and enforce the use or manner of keeping, of all assessment and tax forms and records employed by state and county officials, and may prescribe forms necessary for the administration of any revenue law.
- (4) The department shall advise on all questions respecting the construction of state revenue laws and its application to various classes of taxpayers and property.
- (5) Attorneys employed by the Finance and Administration Cabinet and approved by the Attorney General as provided in KRS 15.020 may prosecute all violations of the criminal and penal laws relating to revenue and taxation. If a Finance and Administration Cabinet attorney undertakes any of the actions prescribed in this subsection, that attorney shall be authorized to exercise all powers and perform all duties in respect to the criminal actions or proceedings which the prosecuting attorney would otherwise perform or exercise, including the authority to sign, file, and present any complaints, affidavits, information, presentments, accusations, indictments, subpoenas, and processes of any kind, and to appear before all grand juries, courts, or tribunals.
- (6) In the event of the incapacity of attorneys employed by the Finance and Administration Cabinet or at the request of the secretary of the Finance and Administration Cabinet, the Attorney General or his or her designee shall prosecute all violations of the criminal and penal laws relating to revenue and taxation. If the Attorney General undertakes any of the actions prescribed in this subsection, he or she shall be authorized to exercise all powers and perform all duties in respect to the criminal actions or proceedings which the prosecuting attorney would otherwise perform or exercise, including but not limited to the authority to sign, file, and present any and all complaints, affidavits, information, presentments, accusations, indictments, subpoenas, and processes of any kind, and to appear before all grand juries, courts, or tribunals.
- (7) The department may require the Commonwealth's attorneys and county attorneys to prosecute actions and proceedings and perform other services incident to the enforcement of laws assigned to the department for administration.
- (8) ***Notwithstanding KRS Chapter 13A***, the department may research the fields of taxation, finance, and local government administration, ~~and~~ publish its findings, ***respond to the public's and taxpayers' questions, and publish its responses***, as the commissioner may deem wise. ***To assist taxpayers and the public in understanding and interpreting the tax laws, the department may include examples as part of any response or publication. The examples may include demonstrative, nonexclusive lists of items, if the department determines that the list would be helpful to taxpayers in understanding the application of the tax laws.***
- (9) The department may promulgate administrative regulations necessary to establish a system of taxpayer identifying numbers for the purpose of securing proper identification of taxpayers subject to any tax laws or other revenue measure of this state, and may require the taxpayer to place on any return, report, statement, or other document required to be filed, any number assigned pursuant to the administrative regulations.
- (10) The department may, when it is in the best interest of the Commonwealth and helpful to the efficient and effective enforcement, administration, or collection of sales and use tax, motor fuels tax, or the petroleum environmental assurance fee, enter into agreements with out-of-state retailers or other persons for the collection and remittance of sales and use tax, the motor fuels tax, or the petroleum environmental assurance fee.
- (11) The department may enter into annual memoranda of agreement with any state agency, officer, board, commission, corporation, institution, cabinet, department, or other state organization to assume the collection duties for any debts due the state entity and may renew that agreement for up to five (5) years. Under such an agreement, the department shall have all the powers, rights, duties, and authority with respect to the collection, refund, and administration of those liquidated debts as provided under:
 - (a) KRS Chapters 131, 134, and 135 for the collection, refund, and administration of delinquent taxes; and

- (b) Any applicable statutory provisions governing the state agency, officer, board, commission, corporation, institution, cabinet, department, or other state organization for the collection, refund, and administration of any liquidated debts due the state entity.
- (12) The department may refuse to accept a personal check in payment of taxes due or collected from any person who has ever tendered a check to the state which, when presented for payment, was not honored. Any check so refused shall be considered as never having been tendered.

- (1) An agency may request that the Finance and Administration Cabinet provide additional space in a building in which space is already leased by the state. If the cabinet determines there is need for more space, the current lease may be amended, with agreement of the lessor, to increase the leased space. However, the rental rate paid for the additional space shall not exceed the square foot rental rate fixed by the original lease. A lease may also be modified with agreement of the lessor to decrease the number of square feet leased and the rent shall be appropriately reduced.
- (2) (a) 1. When an agency occupying leased premises desires improvements in the premises, the agency shall obtain the cabinet secretary's approval for the improvements at an estimated cost before the lessor makes the improvements.
- 2. If the improvements cost more than ten thousand dollars (\$10,000), the agency shall obtain the cabinet secretary's approval for the rent increase necessary to amortize the cost of the improvements in full over the life of the lease. No other financing method shall be used.
- 3. a. If the improvements cost ten thousand dollars (\$10,000) or less, the agency shall obtain the cabinet secretary's approval for the dollar amount necessary to pay for the cost of the improvements at direct state expense or the rent increase necessary to amortize the cost of the improvements in full over a period of time which shall run no longer than the life of the lease. No other financing method shall be used. No improvement shall be artificially divided so as to qualify under the provisions of this subparagraph.
- b. Any improvements approved under this subparagraph with a cost between one thousand dollars (\$1,000) and ten thousand dollars (\$10,000) shall be reported semiannually by the Finance and Administration Cabinet to the Capital Projects and Bond Oversight Committee established by KRS 45.790. The report shall include, for each project, the agency for which the improvement was made, the cost, a description of the work performed, and the property identification number.
- (b) Any rent increase necessary to amortize a cost pursuant to paragraph (a) of this subsection shall not extend beyond the period required to accomplish the agreed amortization.
- (c) The cabinet secretary shall amend a lease to reflect a rent increase necessary to amortize a cost pursuant to paragraphs (a) and (b) of this subsection, and the amendment shall state that the rent increase is for the purpose of amortizing this cost.

(d) For any building leased by a state agency that the state will own upon termination of the lease or expiration of the lease term, and for which no modification of the lease may be made to amortize improvements to the property, the cabinet may use funds provided by state agencies to improve, renovate, or refit the building to better satisfy the needs of the agencies occupying the leased property up to six hundred thousand dollars (\$600,000) without additional approval of the General Assembly.

- (3) Any modification to an existing lease which is required because of an emergency as described at KRS 56.805(3) shall be made pursuant to KRS 56.805(3) and (4) and this section.
- (4) The Division of Real Properties, within the Department for Facilities and Support Services, shall maintain a register of all proposed lease modifications which, if approved, will result in the payment of a square foot rate for the leased space which is greater than the square foot rate contained in the original lease. All such proposed modifications shall be filed and kept in the register for public inspection and comment for thirty (30) calendar days. Comments received from the public during the period shall be considered before the lease modification is executed by the parties and becomes binding against the Commonwealth. After receiving comments, if the secretary determines that the proposed modifications are not in the interest of the Commonwealth, he or she may require the agency to continue operation in its present space or cancel the lease and seek more suitable space. The lessor, under any lease proposed to be modified as contemplated therein, shall be advised of the requirements of this subsection and cautioned that the Commonwealth shall have no liability for any action undertaken by the lessor in anticipation of, but prior to execution of, the modifications of the lease.

➔Section 2. KRS 56.823 is amended to read as follows:

 - (c) ~~The systems' consulting actuary shall determine the amount of the employer financed accrued liabilities separately for each fund for all members and recipients of the employer ceasing participation; [and]~~
 - (d) ~~The full actuarial cost for each fund shall be equal to the amount by which paragraph (c) of this subsection exceeds paragraph (b) of this subsection];~~
- (8) The Kentucky Retirement Systems shall promulgate administrative regulations pursuant to KRS Chapter 13A to administer this section; and
- (9) Any employer who voluntarily ceases participation, or who is required to involuntarily cease participation as provided in this section, shall hold the Commonwealth harmless from damages, attorney's fees and costs from legal claims for any cause of action brought by any member or retired member of the departing employer.

➔Section 2. Notwithstanding the provisions of Section 1 of this Act, any employer who has filed the paperwork to voluntarily cease participation prior to the effective date of this Act shall have their full actuarial cost calculated based upon the assumptions and methodology established by the Kentucky Retirement Systems' board, except that the assumed investment return assumption, which is also the rate used to discount liabilities, shall be four

and five-tenths percent for employers paying by lump-sum and four percent for employers paying by installments, and such employers electing to pay by installments shall be eligible to pay the full actuarial cost in installments over a period of time determined by the board, not to exceed 20 years, with interest at the actuarially assumed rate of return.

➔Section 3. Notwithstanding KRS 61.661, Kentucky Retirement Systems shall provide the employer ceasing participation as provided by Section 2 of this Act, an individual member breakdown of the actuarial cost attributable to each current and former employee of the employer for purposes of allocating the costs among organizational units of the employer.

➔Section 4. Whereas ensuring that employers pay the appropriate actuarial cost for ceasing participation is important to the financial stability of the Kentucky Retirement Systems and to the overall welfare of the Commonwealth of Kentucky, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming law.

- (f) Any other materials recovery operation within the county or district not included in paragraphs (a) through (e) of this subsection or the supply of materials to such operation unless it is established that such operation would jeopardize the ability of a local government or other political subdivision of the state to meet financial obligations incurred in the maintenance, operation, or amortization of capital acquisition costs for a solid waste management facility; **or**

 - (b) Appointment of members by the county judge/executive and confirmed by the respective fiscal court. In the case of multicounty districts, membership on the board shall be apportioned among the counties in ratio to their population with each county having at least one (1) member. - (1) ***In counties not containing a consolidated local government, the board may adopt such rules and regulations as are necessary to carry out the purposes for which the waste management district was created and necessary for the adequate management of solid waste in a manner adequate to protect the public health and consistent with such rules and regulations as may be promulgated by the department.***
- (2) ***In counties containing a consolidated local government, all rules and regulations of the solid waste management district enacted from adoption of the most recent solid waste management plan prior to the effective date of this Act shall continue in full force and effect until the later of August 31, 2017, or the date on which a new solid waste management plan is approved by the department.***

These rules and regulations shall not be enforceable within the boundaries of the city until approved by the legislative body of the city or, if outside of an incorporated municipality, the legislative body of the consolidated local government, where the rule or regulation is intended to apply. A city shall approve any rule or regulation if***

rejecting it would cause the city to be in violation of its approved solid waste management plan adopted in accordance with the provisions of KRS 224.43-345 and Section 4 of this Act.

- (4) *In counties containing a consolidated local government, a solid waste district shall be required to electronically make available on a Web site operated by the consolidated local government, all notices, meeting agendas, and meeting minutes.*

➔Section 4. KRS 224.43-340 is amended to read as follows:

- (1) The cabinet shall promulgate administrative regulations pursuant to KRS Chapter 224 for the reduction and management of solid waste, consistent with the statewide solid waste reduction and management plan, the goals established by KRS 224.43-010, and the provisions of KRS Chapter 109.
- (2) Waste management districts, counties, or any combination thereof, shall confer and determine which shall submit to the cabinet a solid waste management plan. The plan shall address municipal solid waste management needs for the area. Each county shall be responsible for implementing the plan, except that any city that develops the portion of the area plan applicable to its jurisdiction under KRS 224.43-315 shall be responsible for implementing the portion of the plan prepared by the city. However, if a county participates in a regional solid waste management area, then the governing body of the solid waste management area shall be responsible for implementing those components of the plan it is assuming on behalf of the county. ***In counties containing a consolidated local government, all municipalities therein shall be deemed to be participating in the solid waste management plan adopted by the waste management district unless a municipality shall, by ordinance, specifically opt out of the plan, in which event the municipality shall comply with all requirements of KRS Chapter 224 and administrative regulations promulgated pursuant thereto.*** However, the cabinet shall not disapprove a solid waste management plan for a single county ***or municipality within a consolidated local government*** if the plan complies with the requirements of KRS Chapter 224 and administrative regulations adopted by the cabinet. Plans shall be updated once every five (5) years. Plans may be amended and such amendments shall be submitted to the cabinet for review and approval. The review and approval of the cabinet shall be limited to a determination of whether the proposed amendments are in conformity with KRS 224.43-345 and the statewide solid waste reduction and management plan and KRS Chapter 224 and administrative regulations adopted by the cabinet.
- (3) A county may delegate responsibility for preparing all or portions of the plan to one (1) or more cities within the county. Such delegation of responsibility shall be made only with the mutual agreement of the city and county. Each city and county shall be included in a solid waste management plan.
- (4) Cities authorized under KRS 224.43-315 shall have the sole responsibility for developing and preparing the portion of the solid waste management plan applicable to the jurisdiction of the city, unless the city elects to have the county prepare the plan. If the city prepares the solid waste management plan for its jurisdiction, the city plan shall be incorporated within the area plan prior to its submission to the cabinet. The plan developed by the city, to the extent practicable, shall be reasonably consistent with the plan developed by the county. The cabinet, as a part of the area plan approval process, shall determine whether the city portion of the area plan is reasonably consistent with the overall area plan so as to effectuate the purposes of this chapter.
- (5) Cities, other than those authorized under KRS 224.43-315, operating solid waste management facilities or services, or who contracted with a person to provide such services on or before July 13, 1984, and pay a pro rata share of the cost of plan development may assume joint responsibility with a county for plan development. Where joint responsibility for plan development is assumed, both the county fiscal court and city legislative body must adopt the plan before it is submitted to the cabinet for approval.
- (6) Counties, waste management districts, or any combination thereof preparing the solid waste management plan shall apply for and be designated as a solid waste management area. The application shall be submitted by June 1, 1991. The application shall include but not be limited to:
 - (a) A brief description of existing disposal capacity and of the capability of the proposed area to effectively manage solid waste;
 - (b) Resolution of the fiscal courts of all counties in the proposed area approving the application for designation;
 - (c) Resolution of those city legislative bodies in the proposed area that are currently operating solid waste management facilities or services and will participate in and provide financial assistance in plan development;
 - (d) Any agreement or contract necessary to establish the proposed area; and

- (e) Resolution of the boards of any existing waste management districts located within the proposed area approving the application for designation.
- (7) The jurisdiction of the solid waste management area shall be limited to the geographical area established or designated by the cabinet in accordance with the provisions of this chapter unless the preparer submits justification for any deviation therefrom acceptable to the cabinet.
- (8) Upon receipt of such application, the cabinet shall, within thirty (30) days either approve the creation of a proposed solid waste management area or shall disapprove such application, and in the event of disapproval shall state in writing the reasons for such disapproval. Any changes in the application contents shall be submitted to the cabinet.
- (9) Solid waste management areas shall be designated for five (5) year periods. At the end of five (5) years, the plan shall be updated and reapproved by the cabinet.
- (10) If the cabinet does not receive on behalf of a county a solid waste management plan and the application for a solid waste management area in which the county will participate required by this section and KRS 224.43-345, the cabinet may develop a solid waste management plan for that county or may place that county in a designated solid waste management area.
- (11) If the solid waste management plan for a county is not implemented, the Commonwealth shall not endorse projects that generate solid waste under the Kentucky intergovernmental review process for that county.
- (12) The governing body of a solid waste management area may employ an enforcement representative to ensure compliance with applicable regulations of the cabinet relating to construction and operation of municipal solid waste management facilities. The enforcement representative shall possess at least minimum qualifications required of representatives of the cabinet performing similar functions.

➔Section 5. KRS 109.310 is amended to read as follows:

- (1) A county or urban-county government may collect solid waste pick-up fees which are delinquent three (3) consecutive months or more by combining the delinquent fees with the property tax bill for the property where the solid waste pick-up is made. The fees shall be limited to a return on capital expenditures and to cover operational costs.
- (2) The pick-up fee when combined with the property tax bill shall be clearly set out as the delinquent amount owed for solid waste pick-up services and shall in no way be represented as an assessment based on the value of the property.
- (3) Sixty (60) days before a property tax bill which includes a delinquent solid waste pick-up fee is mailed, the county office responsible for solid waste pick-up billing shall give written notice to the owner of the property that the pick-up bill is delinquent and that, if left unpaid, the fee will be combined with the next property tax bill.
- (4) A county or urban-county government may waive the solid waste pick-up fee for businesses which request a waiver. The request for a waiver shall include a certification that the solid waste generated by the business is disposed of properly and include a description of the disposal method and the property owner's federal employer's identification number.
- (5) If the owner of the property is not the occupant of the property where the solid waste is picked up, the county or urban-county government shall waive the delinquent solid waste pick-up fee portion of the property tax bill if the owner of the property requests a waiver. In requesting the waiver, the owner shall certify he is not the occupant of the property and that the occupant will be notified that failure of the occupant to pay the solid waste pick-up fee will be considered a breach of the occupant's lease making the occupant subject to eviction.
- (6) (a) *Notwithstanding the provisions of subsections (1) to (5) of this section, or any other provision of law to the contrary, no fine or fee shall be assessed on a residential property owner or lien placed on the residential property, relating to the failure of an occupant of the residential property to enter into a contract for solid waste collection services, or failure to pay solid waste pick-up fees if:*
 - 1. *The residential property owner does not occupy the residential property; and*
 - 2. *There is no valid agreement for the residential property owner to pay for or otherwise provide for solid waste collection services on behalf of the occupant.*

- (b) *A fine or fee may be assessed against the occupant of the residential property or a lien may be placed on the property of the occupant when the occupant has failed to enter into a contract for solid waste collection services, or has failed to pay solid waste pick-up fees.*

➔Section 6. The amendments to KRS 109.115 in Section 2 of this Act shall be applied, on the effective date of this Act, to declare vacant the offices of current board members of a solid waste management district in a county containing a consolidated local government who were appointed under subsection (3) of Section 2 of this Act prior to its amendment in this Act. The mayor of the consolidated local government shall fill the vacant positions within 90 days of the effective date of this Act in accordance with subsection (4) of Section 2 of this Act; otherwise all appointment authority shall shift to the Governor.

➔Section 7. Whereas the citizens of counties containing a consolidated local government will be better served by a reconstituted waste management district board that is more diverse and representative of and responsive to the populace, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

The requirements for the self-insured plan shall be as follows:
 - (a) 1. The secretary of the Personnel Cabinet shall incorporate by reference in an administrative regulation, pursuant to KRS 13A.2251, the plan year handbook distributed by the Department of Employee Insurance in the Personnel Cabinet to public employees covered under the self-insured plan. The plan year handbook shall contain, at a minimum, the premiums, employee contributions, employer contributions, and a summary of benefits, copays, coinsurance, and deductibles for each plan provided to public employees covered under the self-insured plan;
 2. ~~{Prior to filing an administrative regulation for the self insured plan with the Legislative Research Commission, the secretary of the Personnel Cabinet shall submit the administrative regulation to the secretary of the Cabinet for Health and Family Services for review. }~~Notwithstanding any other provision of KRS Chapter 18A to the contrary, the administrative regulation shall not be subject to review by the Personnel Board prior to filing the administrative regulation with the Legislative Research Commission; and
 3. The secretary of the Personnel Cabinet shall file the administrative regulation for the self-insured plan with the Legislative Research Commission on or before September 15 of the year before each new plan year begins;

- (b) The self-insured plan offered by the program shall cover hospice care at least equal to the Medicare benefit;
 - (c) The Personnel Cabinet shall provide written notice of any formulary change to employees covered under the self-insured plan who are directly impacted by the formulary change and to the Kentucky Group Health Insurance Board fifteen (15) days before implementation of any formulary change. If, after consulting with his or her physician, the employee still disagrees with the formulary change, the employee shall have the right to appeal the change. The employee shall have sixty (60) days from the date of the notice of the formulary change to file an appeal with the Personnel Cabinet. The cabinet shall render a decision within thirty (30) days from the receipt of the request for an appeal. - (2) In deciding whether or not a certificate of inspection should be issued, the cabinet shall take into account all pertinent facts and conditions, but shall not issue a certificate unless the following conditions have been met:
 - (a) The proposed action in the judgment of the cabinet will be conducted in such a way that the safety of the public is adequately provided for;
 - (b) All information requested by the cabinet has been provided; and
 - (c) The changed flow of the stream or level of the reservoir will not significantly interfere with a beneficial use by other water users.
- (3) In granting a certificate of inspection, the cabinet may impose such conditions relating to the inspection, operation, maintenance, alteration, repair, use, or control of a dam or reservoir as it determines are necessary for the protection of public health, safety or welfare.
- (4) The cabinet may establish hazard categories for dams based on downstream floodplain use, size, or type of dam, or other criteria, and may impose different conditions or types of conditions on the approval of dams or reservoirs in the different categories. The hazard categories in all cases shall be based only on the actual risk imposed by the dam.
- (5) The cabinet may utilize the results and information provided by or for the United States Army Corps of Engineers pursuant to the provisions of Public Law 92-367 if the information is not more than one (1) year old at the time of use.

- (8) Specific guidelines for issuance and renewal of certificate of inspection for earth embankment dams shall be provided by administrative regulations which shall address at least the following areas:
 - (a) The hydraulic capacity requirements for each category of dam shall be provided. The probable maximum precipitation as determined by the United States Weather Service shall be used only where it can be clearly demonstrated that failure of the dam by overtopping would result in greater loss of life than would occur if the dam did not exist and only for small watersheds, since such large rainfall events are not expected to occur over large areas. The cabinet shall provide a table of factors that reduce this rainfall appropriately for larger watersheds;
 - (b) Minimum criteria for the embankment stability of the dam, including consideration of such factors as steepness of slopes, strength of materials, and earthquake loadings shall be specified;

- (1) No permit to construct or expand a municipal solid waste disposal facility shall be accepted for processing by the cabinet unless the application contains a determination from the governing body for the solid waste management area in which the facility is or will be located concerning the consistency of the application with the area solid waste management plan submitted under KRS 224.43-345(1)(a) to (d) and (l) until January 1, 1993, and the entire plan after January 1, 1993. The governing body for the area shall, within sixty (60) days of receipt of a written request, make the determination after public notice and opportunity for public comment and public hearing. For applications with a notice of intent filed prior to February 26, 1991, the cabinet shall continue to process the application but no permit shall be approved until the governing body for the solid waste management area in which the facility is or will be located has made a determination in accordance with this section.
- (2) No permit to construct or expand a municipal solid waste disposal facility shall be approved unless the applicant affirmatively demonstrates and the cabinet makes a written finding in the preliminary determination made pursuant to KRS 224.40-310(2) that the application conforms to and is consistent with all of the following:
 - (a) The capacity needs identified in the area solid waste management plan;
 - (b) Other elements of the area solid waste management plan, for permit applications filed after approval of those elements;

- (4) For the purposes of this section, the term municipal solid waste disposal facility includes, in addition to those facilities defined in KRS 224.1-010(14)~~(15)~~, any residual or contained landfill or incinerator disposing of industrial solid waste for a fee, but does not include a waste site or facility which is operated exclusively by a solid waste generator on property owned by the solid waste generator which accepts only industrial solid waste from the solid waste generator or industrial solid waste generated at another facility owned and operated by the generator or wholly-owned subsidiary.

➔Section 23. KRS 224.50-760 is amended to read as follows:

- (1) (a) For purposes of this section and KRS 224.46-580(7), special wastes are those wastes of high volume and low hazard which include but are not limited to mining wastes, utility wastes (fly ash, bottom ash, scrubber sludge), wastes from coal gasification facilities (vitrified coarse solid residues, prilled or blocked sulfur) approved by the cabinet based on submittal of appropriate testing demonstrating that the wastes are of low hazard, sludge from water treatment facilities and wastewater treatment facilities,

cement kiln dust, gas and oil drilling muds, and oil production brines. Other wastes may be designated special wastes by the cabinet;

- (b) Disposal sites or facilities for special wastes shall be exempt from the provisions of KRS 224.46-520 and the provisions of KRS 224.43-810 ~~and~~ 224.43-815, ~~and KRS 224.46-820 to 224.46-870~~ but may be regulated by the cabinet consistent with the Resource Conservation and Recovery Act of 1976, as amended (Pub. L. 94-580), and regulations issued pursuant thereto, unless the special waste received is listed or meets the criteria of a hazardous waste in regulations pursuant to KRS 224.46-510(3). If the special waste is a hazardous waste as specified in regulations pursuant to KRS 224.46-510(3), the site or facility shall be required by the cabinet to comply with the provisions of KRS 224.46-520 but shall not be subject to the requirements of KRS 224.40-310(6);
 - (c) Generators of special wastes shall register with the cabinet and be subject to the provisions of KRS 224.46-510, except for generators of coal mining wastes which shall be regulated pursuant to the provisions of KRS Chapter 350;
 - (d) The cabinet shall, when promulgating regulations affecting special waste, recognize special waste as a separate and distinct indivisible category and shall recognize the distinct differences between the category of special wastes and other hazardous wastes and solid wastes as defined in KRS 224.1-010(30)(31)(a) and 109.012(9) due to the fact that special wastes have large volume but low hazardousness. The cabinet's regulations for the generation, transport, recordkeeping, reporting, treatment, storage, and disposal shall reflect those distinct differences. The cabinet's regulations shall recognize and incorporate, where appropriate, and if consistent with the policies of KRS 224.46-510 to 224.46-570, any deadline extensions, studies, and specialized requirements for specific kinds of special wastes that are or may be undertaken at the federal or other levels of government; and
 - (e) It is the intent of the General Assembly that the processing of sludge from water treatment facilities and wastewater treatment facilities by composting shall be considered an industrial process. The cabinet shall, when promulgating administrative regulations affecting sludge from water treatment facilities and wastewater treatment facilities, consider the treatment of this sludge by composting as an industrial process. The provisions of this paragraph and subsection (3) of this section shall not apply to a city, county, urban-county government, charter county government, or special district as defined in KRS Chapter 65, or to a public or private college or university that processes its own water treatment or wastewater treatment sludge by composting on property owned or leased by the city, county, urban-county government, charter county government, special district, or public or private college or university.
- (2) Generators of waste oil shall be exempt from the provisions of KRS 224.46-510 and 224.46-520 so long as waste oil is not specified as a hazardous waste in regulations pursuant to KRS 224.46-510(3) but may be regulated by the cabinet consistent with the Resource Conservation and Recovery Act of 1976, as amended (Pub. L. 94-580), and regulations issued pursuant thereto.
 - (3) A permit application to establish, operate, or modify a composting site or composting facility for the processing of water treatment sludge or wastewater treatment sludge, shall require immediately the general public notice provided for in KRS 224.40-310(4) and (5). If a hearing is requested, no permit to establish, operate, or modify a composting site or facility shall be issued prior to the public hearing. The hearing shall be held within the county where the composting site or facility is located or proposed. Composting of this sludge shall be considered an industrial process.

- (26) Preserve existing clean air resources while ensuring economic growth by issuing regulations, which shall be no more stringent than federal requirements, setting maximum allowable increases from stationary sources over baseline concentrations of air contaminants to prevent significant deterioration in areas meeting the state and national ambient air quality standards;
- (27) Promulgate regulations concerning the bonding provisions of subsection (19)(a) of this section, setting forth bonding requirements, including but not limited to requirements for the amount, duration, release, and forfeiture of the bonds. All funds from the forfeiture of bonds required pursuant to this section shall be placed in the State Treasury and credited to a special trust and agency account which shall not lapse. The account shall be known as the "sewage treatment system rehabilitation fund" and all moneys placed in the fund shall be used for the elimination of nuisances and hazards created by sewage systems which were improperly built, operated, or maintained, and insofar as practicable be used to correct the problems at the same site for which the bond or other sureties were originally provided;
- (28) Promulgate administrative regulations not inconsistent with the provisions of law administered by the cabinet; and
- (29) Through the secretary or designee of the secretary, enter into, execute, and enforce reciprocal agreements with responsible officers of other states relating to compliance with the requirements of KRS Chapters 350, 351, and 352 and the administrative regulations promulgated under those chapters.

➔Section 44. KRS 350.240 is amended to read as follows:

The Energy and Environment Cabinet may adopt~~[in the manner provided in subsection (17) of KRS 224.10-100 and subsections (5) and (6) of KRS 224.1-110]~~ reasonable regulations for the reclamation of land disturbed or removed in the mining of clay. Such regulations shall encourage water impoundments and shall follow the standards established in Article III of the Interstate Mining Compact. The cabinet shall have the authority to adopt such regulations prior to the effective date of the Interstate Mining Compact and irrespective of whether the state becomes a member or withdraws from membership in the Interstate Mining Compact.

➔Section 45. KRS 224.30-175 is amended to read as follows:

All local governments~~[, as defined in KRS 224.30-105,]~~ may develop, adopt, and maintain a comprehensive program of noise regulation. A~~[Such]~~ program may include a study of the noise problems resulting from uses and activities within its jurisdiction and the development and adoption of a noise control plan.

➔Section 46. KRS 224.43-815 is amended to read as follows:

~~{(4)}~~ The secretary of the Cabinet for Economic Development and the special assistant to the Governor for coal and energy policy, with the approval of the Governor and the Legislative Research Commission, may execute contracts pursuant to KRS 224.43-810.

~~{(2)} No agreements or contracts may be entered into before a regional integrated waste treatment and disposal demonstration facility has received a certificate of environmental safety and public necessity from the board established in KRS 224.46-820.~~

➔Section 47. KRS 224.46-520 is amended to read as follows:

- (1) No person shall engage in the storage, treatment, recycling, or disposal of hazardous waste without first notifying the cabinet and obtaining construction and operation permits from the cabinet. The cabinet shall promulgate regulations establishing standards for such permits but in no case shall a permit to construct or operate a hazardous waste site or facility or a regional integrated waste treatment and disposal demonstration facility be issued unless it can be demonstrated that the proposed facility can be integrated into the surroundings in an environmentally compatible manner, including but not limited to, insuring that hydrologic, seismologic, geologic, and soil considerations have been adequately addressed in the permit application and in an operational plan. In no case shall a permit to construct a hazardous waste incinerator, landfill, or other site or facility for the land disposal of hazardous waste be approved or issued prior to notification of the cabinet by the local unit of government of its actions pursuant to KRS 224.40-310(6). The cabinet shall not issue a construction permit to a regional integrated waste treatment and disposal demonstration facility until it has been issued a certificate of environmental safety and public necessity. A person desiring a construction permit shall file an application on forms supplied by the cabinet which shall contain such information as the cabinet deems necessary and provide evidence that the hazardous waste shall be treated, stored or disposed of in the manner prescribed by the cabinet. The applicant shall not initiate construction at the proposed site of a new facility for the storage, treatment, or disposal of hazardous waste until notice has been given to that portion of the public most likely to be affected by the operation of the proposed facility pursuant to KRS 224.40-310(1) to (5) and until a construction permit for said facility has been issued by the cabinet. The cabinet may consider past performance in this or related fields by the applicant. The cabinet, in making a determination to issue, deny, or condition a construction permit, shall consider the following:
 - (a) An evaluation of alternatives, to include other locations and other treatment, storage, and disposal approaches, different from those proposed, available to the applicant;
 - (b) An evaluation of the public health, safety, and environmental aspects of the proposals;
 - (c) An evaluation of the social and economic impacts of the proposed action on the affected community, to include, at a minimum, changes in property values, community perception and other psychic costs, and the costs and availability of public services, facilities and improvements required to support the facility and protect public health, safety, and the environment;
 - (d) An evaluation of mitigation measures to alleviate problems identified in paragraphs (b) and (c) of this subsection; and
 - (e) The relationship of the proposal to local planning and existing development.

Except that in the case of hazardous waste incinerators, landfills, or other sites or facilities for the land disposal of hazardous waste, the provisions of paragraphs (c) and (e) of this subsection shall be determined by the local unit of government pursuant to KRS 224.40-310(6); ~~in the case of a regional integrated waste treatment and disposal demonstration facility the provisions of paragraphs (c) and (e) of this subsection shall be determined by the siting board established pursuant to KRS 224.46-820.~~

- (2) The cabinet may prohibit the land disposal of any hazardous wastes. The criteria and list of hazardous waste to be prohibited by the cabinet from land disposal shall be identical to any such criteria and list promulgated by the United States Environmental Protection Agency pursuant to the Resource Conservation and Recovery Act of 1976, as amended, (Public Law 94-580). The land disposal of hazardous waste may be permitted for methods determined by the cabinet to be protective of human health and the environment for as long as the waste remains hazardous.
- (3) In conjunction with the application for permits under this section, the applicant shall establish adequate financial responsibility as follows:
 - (a) The applicant shall file as part of his application for a permit to construct the facility an estimate of the cost of closing the facility after its capacity is reached or operations have otherwise ceased and an estimate of the cost of post-closure care. In the case of storage facilities, the cost of closing shall include

the cost of properly disposing of the hazardous waste stored. The cabinet shall evaluate this cost estimate and either accept the estimate as made or shall revise it in accordance with acceptable guidelines, using, where available, actual data on closure costs associated with similar existing facilities. Before a permit to operate can be issued, the applicant for any hazardous waste permit shall assure that the funds needed to close the facility are available by establishing assurance through one (1) or more of the following mechanisms: cash, certificates of deposit, irrevocable credit, or other sureties satisfactory to the cabinet and the mechanism shall be established by agreement with the cabinet. The agreement shall provide that disbursement is permissible only upon written approval of the cabinet and whenever, on the basis of any information, the cabinet determines that the owner or operator is in violation of any of the closure requirements for the facility, that the cabinet shall have the right to use part or all of the closure fund to carry out the closure requirements. The financial institution, surety company, or escrow agent shall release these funds upon receiving a forfeiture order of the cabinet issued pursuant to an appropriate administrative hearing considering one (1) or more closure violations. Upon determination that closure has been satisfactorily accomplished, the cabinet shall release the applicant from further financial responsibility for closure;

- (b) Any applicant for a hazardous waste disposal permit shall file with the cabinet as part of his application an estimate of the annual cost of post-closure monitoring and routine maintenance at the site. The cabinet shall evaluate the cost estimate, and, after such modification as may be necessary in light of its evaluation, shall give notice of acceptance of the cost estimate. This cost estimate which will be referred to as the annual post-closure operating cost shall then be used to determine the amount of the post-closure monitoring and maintenance fund to be used for monitoring and maintenance for a period of a minimum of thirty (30) years after facility closure. The post-closure monitoring and maintenance fund shall be cash, irrevocable credit, or other sureties satisfactory to the cabinet and shall be established by an agreement with the cabinet. The agreement shall provide that whenever, on the basis of any information, the cabinet determines that the owner or operator of the facility is in violation of any of the post-closure monitoring and maintenance requirements, the cabinet shall have the right to use part or all of the funds to carry out the post-closure monitoring and maintenance for the facility. The funds shall be released upon receipt of a forfeiture order of the cabinet issued pursuant to an appropriate administrative hearing considering one (1) or more post-closure monitoring and maintenance violations. One (1) year after closure, and annually thereafter for a period of thirty (30) years, the applicant who has carried out all necessary post-closure maintenance and monitoring requirements may upon application to the cabinet be reimbursed out of the post-closure monitoring and maintenance fund an amount equal to the estimated costs for monitoring and routine maintenance for that year. Request for release of funds for reimbursement shall be accompanied by an itemized list of costs incurred. Upon determination that the expenditures incurred are in accordance with the approved plan, or otherwise justified, the cabinet may authorize the release of the funds to the applicant in writing. Any funds remaining in the account following a termination hearing in which the applicant is released of further responsibility shall likewise be released to the applicant; and
- (c) All applicants for any hazardous waste permit shall provide evidence of financial responsibility in an amount and for a time period specified by the cabinet for the purpose of corrective action on and off-site and satisfying claims arising out of injury to persons or property resulting from the release or escape of hazardous waste into the environment. Such financial responsibility may be established by one (1) or a combination of evidence of liability insurance, self-insurance, or other evidence of financial responsibility acceptable to the cabinet. The level of self-insurance shall not exceed ten percent (10%) of equity, and financial responsibility shall be maintained during the entire operation of the facility and until termination. The minimum liability coverage for sudden occurrences, exclusive of legal defense costs, for a storage, treatment, or disposal facility shall be one million dollars (\$1,000,000) per occurrence with an annual aggregate of two million dollars (\$2,000,000). The minimum liability coverage for nonsudden occurrences, exclusive of legal defense costs, for a hazardous waste facility involving land disposal shall be three million dollars (\$3,000,000) per occurrence with an annual aggregate of six million dollars (\$6,000,000). Combined coverage for sudden and nonsudden occurrences shall be no less than the combined totals herein set forth for separate coverage. The cabinet shall accept a demonstration of financial responsibility during the post-closure period of a facility for a lesser amount for sudden or non-sudden occurrences where it is shown that a lesser amount of financial responsibility will be adequate to provide compensation for third-party injury or property damage and corrective action, considering site and facility conditions and other site-specific factors. Financial responsibility in post-closure for sudden and non-sudden occurrences and corrective action may be

demonstrated through a letter of credit, surety or other bond, corporate guarantee, trust fund, liability insurance, self-insurance, or combination of these or other methods as approved by the cabinet.

- (4) The cabinet shall promulgate regulations establishing minimal standards for closure, post-closure monitoring and maintenance, and termination of sites for the disposal of hazardous waste. Any person who obtains a disposal permit for hazardous waste shall be responsible for the post-closure monitoring and maintenance of the permitted facility for a minimum of thirty (30) years after closure of the facility. The permittee may apply to the cabinet for termination of the responsibility for post-closure monitoring and maintenance at any time during the thirty (30) year post-closure monitoring and maintenance period. Upon receipt of such application, the cabinet shall provide notice to the public and to the owner or operator and an opportunity for a hearing on the termination of the site. In this proceeding, the burden shall be on the applicant to prove by clear and convincing evidence that additional post-closure monitoring and maintenance is not necessary for adequate protection of public health or the environment. The cabinet shall determine either that post-closure monitoring and maintenance of the site is no longer required, in which case the applicant shall be relieved of such responsibility; or that additional post-closure monitoring and maintenance of the site as specified in a plan of operation is still required, in which case the cabinet may order appropriate remedial measures, impose restrictive covenants as to future use of the property involved, or otherwise condition termination as may be necessary for adequate protection of public health and the environment. The cabinet may require additional monitoring, site maintenance, or remedial measures consistent with KRS Chapter 224 any time after termination of the post-closure monitoring and maintenance of the permitted facility in the event that the cabinet determines such actions are necessary for the protection of human health and the environment.
- (5) In any case where the owner or operator is in bankruptcy, reorganization, or arrangement pursuant to the Federal Bankruptcy Code or where jurisdiction cannot be obtained with reasonable diligence in any state court or any federal court over an owner or operator likely to be insolvent at the time of judgment, any claim arising from conduct for which evidence of financial responsibility shall be provided under this section may be asserted directly against the guarantor providing such evidence of financial responsibility. In the case of any action pursuant to this subsection, such guarantor shall be entitled to invoke all rights and defenses which would have been available to the owner or operator if any action had been brought against the owner or operator by the claimant and which would have been available to the guarantor if an action had been brought against the guarantor by the owner or operator.
- (6) The total liability of any guarantor shall be limited to the aggregate amount which the guarantor has provided as evidence of financial responsibility to the owner or operator under this section. Nothing in this subsection shall be construed to limit any other federal statutory, contractual or common law liability of a guarantor to its owner or operator including, but not limited to, the liability of such guarantor for bad faith either in negotiating or in failing to negotiate the settlement of any claim. Nothing in this subsection shall be construed to diminish the liability of any person under Section 107 or 111 of the Comprehensive Environmental Response, Compensation and Liability Act of 1980 or other applicable law.
- (7) For the purpose of this subsection, the term guarantor means any person, other than the owner or operator, who provides evidence of financial responsibility for an owner or operator under this section.
- (8) Any hazardous waste treatment, storage, or disposal facility shall close in accordance with the permit and this chapter, if the site or facility has not been maintained in operational condition in conformance with this chapter, for any period of six (6) months or longer. The permittee shall be afforded an opportunity to be heard on the proposed termination of authorization to operate, and termination under this section shall not be required where the permittee demonstrates that steps have been taken to bring the facility, within a reasonable time not to exceed ninety (90) days, into full operational status in accordance with this chapter and applicable regulations. Within ninety (90) days, the cabinet shall review existing hazardous waste treatment, storage, or disposal permits to determine compliance with this section.

➔Section 48. KRS 350.054 is amended to read as follows:

- (1) There is established a special fund to be known as the "Illegal Mining and Conveyance Reclamation Fund" which shall be under the control of the Energy and Environment Cabinet.
- (2) The fund shall consist of all moneys from the sale or forfeiture of all instrumentalities used in violation of KRS 350.057(3) or 350.060(1) ~~as provided for in KRS 350.053~~.
- (3) Moneys in the fund may be used for the following purposes:
 - (a) To reclaim lands mined without a permit or authorization, as required by KRS 350.057 or 350.060(1), and not eligible for the abandoned mine lands reclamation fund; and

- (b) To defray all expenses associated with the seizure, storing, and sale of forfeited property ~~— pursuant to KRS 350.0531.~~
- (4) Moneys contained in the illegal mining and conveyance reclamation fund shall be deemed a trust and agency account and shall not lapse.
- (5) The cabinet shall have access to and control of the moneys held in the illegal mining and conveyance reclamation fund, but shall expend the moneys only for the purposes set forth in subsection (3) of this section.

 - (c) All existing single-family residential dwellings may be repaired, reasonably enlarged, and replaced at their current locations without further permission of the PACE board. No new single-family residential dwellings may be built on the restricted land without the advance approval of the PACE board. The

➔Section 3. KRS 341.540 is amended to read as follows:

(1) As used in this section, unless the context clearly requires otherwise:

- (a) "Substantially common" or "substantially the same" means that one (1) or more individual or individuals own or exercise pervasive management or control over both the predecessor and successor employing unit. Factors indicating pervasive management or control include, but are not limited to, whether the predecessor and successor share:
 - 1. One (1) or more individuals or family members **as owners**~~in positions of management or ownership~~, on boards of directors, ~~or~~ as shareholders, or executive or other officers; and
 - 2. Titles to property, parent companies, workforce, assets, legal and professional representation, physical location, client pools, marketing services, Web sites, telephone numbers, or e-mail addresses;
- (b) "Trade" or "business" includes the employing unit's workforce;

- (c) "Knowingly" means having actual knowledge of, or acting with deliberate ignorance or disregard for, the prohibition involved; and
 - (d) "Violates" or "attempts to violate" includes, but is not limited to, intended evasion, misrepresentation, or willful nondisclosure.
- (2) (a) For the purpose of this chapter, if a subject employer transfers all or part of its trade or business ~~to another employing unit~~, the acquiring employing unit shall be deemed a successor if the transfer is in accordance with administrative regulations promulgated by the secretary, or if the transferring and acquiring employing units have substantially the same **pervasive management**, ownership, ~~management~~, or control. If an employing unit is deemed a successor, the transferring employing unit shall be deemed a predecessor.
- (b) *For the purpose of this chapter, if a nonsubject employer acquires all or part of the trade or business of a subject employer, the nonsubject employer shall file an application with the Office of Employment and Training, Department of Workforce Investment to establish an unemployment reserve account within forty-five (45) days of employing personnel. The application will be considered and processed in accordance with administrative regulations promulgated by the secretary and shall require information necessary to determine whether the nonsubject employer is a successor of the subject employer and to establish an initial unemployment contribution rate for the employer. Factors to be considered in the determination of successorship and the fixing of the initial rate shall include but not be limited to the employer's prior unemployment claims history, benefit charges, historical rate charges, and payment penalties assessed in the previous five (5) years, in addition to the factors set forth in subsection (6)(b) of this section. After consideration of these factors, and others that the applicant may submit in justification of an initial rate determination, the secretary shall set an appropriate contribution rate. Any determinations of initial unemployment contribution rates made pursuant to this subsection shall not be effective prior to January 1, 2018.*
- (3) (a) *Notwithstanding subsection (2)(b) of this section, any successor to the trade or business of a subject employer shall assume the resources and liabilities of the predecessor's reserve account, including interest, and shall continue the payment of all contributions and interest due under this chapter, except that the successor shall not be required to assume the liability of any delinquent contributions and interest of a predecessor or predecessors unless the cabinet notifies the successor of the delinquency within six (6) months after the department has notice of the succession; and*
- (b) *Any nonsubject employer that is deemed a successor in whole or part upon submission of the application referred to subsection (2)(b) of this section shall be allowed to make a one (1) time voluntary payment to pay off or reduce the negative reserve assumed from the predecessor. This payment shall be made within sixty (60) days of receipt of the first notice of a negative predecessor reserve account. This one (1) time voluntary payment cannot exceed the amount of negative reserve assumed by the successor.*
- (4) The liability for delinquent contributions and interest imposed upon the successor by subsection (3) of this section shall be secondary to the liability of the predecessor or predecessors, and if the delinquency has been reduced to judgment, the order of execution on the judgment shall be as follows:
- (a) Against the assets, both real and personal, of the predecessor or predecessors;
 - (b) Against the assets, both real and personal, of the business acquired; and
 - (c) Against the assets, both real and personal, of the successor or acquirer.
- (5) (a) Notwithstanding the provisions of subsection (3) of this section, any successor to a portion of the trade or business of a subject employer, who is, or by reason of the transfer becomes, a subject employer, shall assume the resources and liabilities of the predecessor's reserve account in proportion to the percentage of the payroll or employees assignable to the transferred portion. In calculating the transferred portion, the secretary shall utilize the last four (4) calendar quarters preceding the date of transfer for workers employed by the successor subsequent to that date. The taxable payroll, benefit charges and the potential benefit charges shall be assumed by the successors in a like proportion.
- (b) Notwithstanding the provisions of paragraph (a) of this subsection, if any employing unit succeeds to a portion of the trade or business of another employing unit; becomes, by reason of that succession, a subject employer with substantially the same ownership, management, or control as the predecessor employing unit; and lays off or terminates more than one-half (1/2) of the original employees

transferred within six (6) months of the date of transfer; then the succession and creation of the new employing unit shall be voided, and the benefits attributable to the lay-offs or terminations shall be charged to the reserve account of the original employing unit.

- (6) (a) The contribution rate of a successor in whole or in part, which was a subject employer prior to succession, shall not be affected by the transfer of the reserve account for the remainder of the rate year in which succession occurred; except that the rate of the successor shall be recalculated and made effective upon the first day of the calendar quarter immediately following the date of the transfer if there is substantially common ownership, management, or control of the predecessor and successor.
- (b) The contribution rate of a successor in whole or in part, which was not a subject employer prior to succession, shall be ***determined by a review of the application required by subsection (2)(b) of this section,*** ~~for the calendar year in which succession occurred, the same rate as that of its predecessor;~~ except if the secretary finds, after a thorough investigation based on the use of objective factors, including but not limited to:
 - 1. The cost of acquiring the business;
 - 2. How long the original business enterprise was continued; and
 - 3. Whether a substantial number of new employees were hired for performance of duties unrelated to the business activity prior to acquisition;

that the succession was solely for the purpose of obtaining a rate lower than that prescribed in KRS 341.270(1) and 341.272 for a new employing unit, then the unemployment experience of the predecessor shall not be transferred, the rate for a new employing unit shall be assigned, and the employing unit shall be otherwise deemed a successor for the purpose of KRS 341.070(7) and subsection (3) of this section.
- (c) The contribution rate for a successor which becomes a subject employer through the simultaneous transfer, either in whole or in part, of two (2) or more predecessor reserve accounts shall be the rate determined in accordance with the provisions of KRS 341.270, by combining the reserve accounts succeeded to as of the computation date for determining rates for the calendar year in which succession occurred.
- (d) The contribution rate of a successor which succeeds, either in whole or in part, to a predecessor's reserve account after a computation date, but prior to the beginning of the calendar year immediately following that computation date, shall be the rate determined in accordance with KRS 341.270, by effecting the transfer of the reserve account as of the computation date immediately preceding the date of succession.
- (7) Notwithstanding KRS 341.270, the contribution rate for an employing unit that knowingly violates or attempts to violate the provisions of this section or any other provision of the chapter related to determining the assignment of a contribution rate shall be the highest rate assignable under this chapter for the calendar year during which the violation or attempted violation occurred and the three (3) calendar years immediately following that year. If that employer's rate is already at the highest assignable rate, or if the amount of increase in the employer's rate would be less than an additional two percent (2%) for that year, then a penalty rate of contributions of an additional two percent (2%) of taxable wages shall be imposed for each year.
- (8) In addition to the penalties prescribed in subsection (7) of this section and KRS 341.990(9), any person who knowingly violates this section shall be subject to the penalties stipulated under KRS 341.990.
- (9) (a) The secretary shall establish procedures to identify the transfer of a business for purposes of this section.
- (b) ***The secretary shall have the authority and discretion to set a contribution rate upon the providing of justification by a subject employer and consideration of relevant factors, including but not limited to the factors set forth in subsections (2) and (6)(a) of this section.***

➔Section 4. KRS 341.614 is amended to read as follows:

- (1) Effective January 1, 2014, there shall be a surcharge upon all subject contributing employers for any year there are insufficient funds in the unemployment compensation administration fund for the payment of interest on advances under Title XII of the Social Security Act or for the repayment of money, including any interest thereon, received from any source related to the payment of interest on such advances.

- (2) (a) The surcharge shall be twenty-two hundredths of one percent (0.22%) of the first nine thousand six hundred dollars (\$9,600) in wages paid to each worker by a subject contributing employer or his predecessor with respect to covered employment during any calendar year.
- (b) Effective January 1, 2015, and each calendar year thereafter, the secretary shall adjust the surcharge percentage rate based on any increase to the taxable wage base for that calendar year as provided in KRS 341.030(7). The purpose of the adjustment shall be to maintain costs per worker comparable to the original surcharge. Any reduction in the surcharge percentage rate shall correspond to the increase to the taxable wage base for that calendar year and shall be rounded up to the nearest one-hundredth of one percent (0.01%).
- (c) Notwithstanding paragraph (b) of this subsection, the secretary may reduce the surcharge percentage rate or suspend the surcharge for any calendar year based on the balance of the unemployment insurance interest payment fund and the projected amount due for interest on advances under Title XII of the Social Security Act and for repayment of money, including any interest thereon, received from any source related to the payment of interest on such advances.
- (3) The surcharge established in this section shall be due and payable at the same time and in the same manner as employer contributions. Any surcharge collected shall be deposited in the unemployment insurance interest payment fund.
- (4) Any surcharge unpaid on the date on which it is due and payable, pursuant to subsection (3) of this section, shall be subject to interest at the rate of one and one-half percent (1.5%) per month or fraction thereof, not to exceed ninety percent (90%) of the amount of such surcharge, from and after such date until payment is received by the cabinet, regardless of whether such delinquency has been reduced to a judgment or not as provided in subsection (6) of this section or is the subject of an administrative appeal or court action. The interest collected shall be deposited in the unemployment insurance interest payment fund.
- (5) A lien of the same nature and having the same force, effect, and priority as provided in KRS 341.310 shall commence on all property of a subject contributing employer delinquent in the payment of any surcharge or interest thereon.
- (6) If, after due notice, any subject contributing employer defaults in payment of any surcharge or interest thereon, the amount due may be collected by a civil action instituted in the Franklin Circuit Court or the Franklin District Court depending on the jurisdictional amount in controversy, including interest and penalties, in the name of the state, and the subject contributing employer adjudged in default shall pay the costs of the action. Civil actions brought under this section shall be heard by the court, without the intervention of a jury, at the earliest possible date and shall be entitled to preference on the calendar of the court over all other civil actions, except petitions for judicial review under this chapter and cases arising under the Kentucky workers' compensation law.
- (7) At or after the commencement of an action under subsection (6) of this section, attachment may be had against the property of the liable subject contributing employer for such surcharge and interest without execution of a bond, or, after judgment has been entered, an execution may be issued against the property of such employer without the execution of a bond.
- (8) An action for the recovery of a surcharge or interest thereon under this section shall be barred, and any lien therefor shall be canceled and extinguished, unless collected or suit for collection has been filed within ten (10) years from the due date of such surcharge.
- (9) Notwithstanding subsection (6) of this section, any delinquent surcharge or interest thereon may be collected in accordance with the levy and distraint provisions of this chapter.
- (10) ***Any delinquent surcharge or interest collected after July 31, 2017, shall not be subject to the credit provisions contained in KRS 341.612 and shall be deposited into the penalty and interest account.***

- (8) Any person who willfully violates any provision of this chapter or any rule or regulation under it, the violation of which is made unlawful or the observance of which is required under the terms of this chapter, and for which no specific penalty is prescribed in this chapter or in any other applicable statute, shall be guilty of a violation. - (1) The Justice and Public Safety Cabinet, Department of Kentucky State Police, shall be responsible for maintaining a reporting system for all vehicle accidents which occur within the Commonwealth. Such accident reports shall be utilized for such purposes as will improve the traffic safety program in the Commonwealth involving the collection, processing, storing, and dissemination of such data and the establishment of procedures by administrative regulations to insure that uniform definitions, classifications, and other federal requirements are in compliance.

- (2) Any person operating a vehicle on the highways of this state who is involved in an accident resulting in fatal or nonfatal personal injury to any person or damage to the vehicle rendering the vehicle inoperable shall be required to immediately notify a law enforcement officer having jurisdiction. In the event the operator fails to notify or is incapable of notifying a law enforcement officer having jurisdiction, such responsibility shall rest with the owner of the vehicle or any occupant of the vehicle at the time of the accident. A law enforcement officer having jurisdiction shall investigate the accident and file a written report of the accident with his law enforcement agency.
- (3) Every law enforcement agency whose officers investigate a vehicle accident of which a report must be made as required in this chapter shall file a report of the accident with the Department of Kentucky State Police within ten (10) days after investigation of the accident upon forms supplied by the department.

- (5) All accident reports filed with the Department of Kentucky State Police in compliance with subsection (4) above shall not be considered open records under KRS 61.872 to 61.884 and shall remain confidential except that the department may disclose the identity of a person involved in an accident when his or her identity is not otherwise known or when he or she denies his or her presence at an accident. Except as provided in subsection (9) of this section, all other accident reports required by this section, and the information contained in the reports, shall be confidential and exempt from public disclosure except when produced pursuant to a properly executed subpoena or court order, or except pursuant to subsection (8) of this section. - (6) Except as provided for in this subsection, the department shall not release accident reports for a commercial purpose. A newspaper, periodical, or radio or television station shall not be held to have used or knowingly allowed the use of the report for a commercial purpose merely because of its publication or broadcast.

- (c)~~[(3)]~~ Require from the employer a full and correct statement in writing when the secretary or the secretary's representative considers it necessary, of the wages paid to all employees in his or her employment.~~[-, and]~~

- (2)~~[(4)]~~ *The secretary in person or by representative may*~~[-upon complaint,]~~*[upon complaint,] prosecute any violation of any of the provisions of any law which it is his or her duty to administer or enforce. To the extent allowed by a reciprocal agreement, the secretary may maintain actions in the courts of another state to collect claims and judgments for wages and*

assign claims and judgments to the agency or official of another state for collection. If a reciprocal agreement extends a like comity to cases arising in the Commonwealth, the secretary may maintain actions in the courts of the Commonwealth to collect claims and judgments for wages arising in the other state in the same manner and to the same extent that actions are authorized when arising in the Commonwealth.

As used in this chapter, unless the context otherwise requires:

- (1) "Injury" means any work-related traumatic event or series of traumatic events, including cumulative trauma, arising out of and in the course of employment which is the proximate cause producing a harmful change in the human organism evidenced by objective medical findings. "Injury" does not include the effects of the natural aging process, and does not include any communicable disease unless the risk of contracting the disease is increased by the nature of the employment. "Injury" when used generally, unless the context indicates otherwise, shall include an occupational disease and damage to a prosthetic appliance, but shall not include a psychological, psychiatric, or stress-related change in the human organism, unless it is a direct result of a physical injury;
- (2) "Occupational disease" means a disease arising out of and in the course of the employment;

The occupational disease shall be incidental to the character of the business and not independent of the relationship of employer and employee. An occupational disease need not have been foreseen or expected but, after its contraction, it must appear to be related to a risk connected with the employment and to have flowed from that source as a rational consequence;

- (c) "Permanent total disability" means the condition of an employee who, due to an injury, has a permanent disability rating and has a complete and permanent inability to perform any type of work as a result of an injury, except that total disability shall be irrebuttably presumed to exist for an injury that results in:

1. Total and permanent loss of sight in both eyes;
 2. Loss of both feet at or above the ankle;
 3. Loss of both hands at or above the wrist;
 4. Loss of one (1) foot at or above the ankle and the loss of one (1) hand at or above the wrist;

It shall not include the commercial processing, packing, drying, storing, or canning of such commodities for market, or making cheese or butter or other dairy products for market;
- (19) "Beneficiary" means any person who is entitled to income benefits or medical and related benefits under this chapter;

A business entity engaged in the severance or processing of coal, including but not limited to administrative or selling functions, shall be

considered wholly engaged in the severance or processing of coal for the purpose of this chapter. However, a business entity which is engaged in a separate business activity not related to coal, for which a separate premium charge is not made, shall be deemed to be engaged in the severance or processing of coal only to the extent that the number of employees engaged in the severance or processing of coal bears to the total number of employees. Any employee who is involved in the business of severing or processing of coal and business activities not related to coal shall be prorated based on the time involved in severance or processing of coal bears to his total time;

- (24) "Premium" for every self-insured group means any and all assessments levied on its members by such group or contributed to it by the members thereof. For special fund assessment purposes, "premium" also includes any and all membership dues, fees, or other payments by members of the group to associations or other entities used for underwriting, claims handling, loss control, premium audit, actuarial, or other services associated with the maintenance or operation of the self-insurance group;

The rates, factors, and methods used to calculate the cost for coverage under this paragraph for insurance policies or other evidence of coverage with provisions for deductibles shall be the same rates, factors, and methods normally used by the insurance company in Kentucky to calculate the cost for coverage for insurance policies or other evidence of coverage without provisions for deductibles, except that, for insurance policies or other evidence of coverage with provisions for deductibles effective on or after January 1, 1995, the calculated cost for coverage shall not include any schedule rating modification, debits, or credits. The cost for coverage calculated under this paragraph by insurance companies that issue only deductible insurance policies in Kentucky shall be actuarially adequate to cover the entire liability of the employer for compensation under this chapter, including all expenses and allowances normally used to calculate the cost for coverage. For policies with provisions for deductibles with effective dates of May 6, 1993, through December 31, 1993, for which the insurance company did not report premiums and remit special fund assessments based on the calculated cost for coverage prior to the reduction for deductibles, "premiums received" includes the initial premium plus any reimbursements invoiced for losses, expenses, and fees charged under the deductibles. The special fund assessment rates in effect for reimbursements invoiced for losses, expenses, or fees charged under the deductibles shall be those percentages in effect on the effective date of the insurance policy. For policies covering leased employees as defined in KRS 342.615, "premiums received" means premiums calculated using the experience modification factor of each lessee as defined in KRS 342.615 for each leased employee for that portion of the payroll pertaining to the leased employee.
- (b) "Direct written premium" for insurance companies means the gross premium written less return premiums and premiums on policies not taken but including policy and membership fees.

The rates, factors, and methods used to calculate the cost for coverage under this paragraph for insurance policies or other evidence of coverage with provisions for deductibles shall be the same rates, factors, and methods normally used by the insurance company in Kentucky to calculate the cost for coverage for insurance policies or other evidence of coverage without provisions for deductibles, except that, for insurance policies or other evidence of coverage with provisions for deductibles effective on or after January 1, 1995, the calculated cost for coverage shall not include any schedule rating modifications, debits, or credits. The cost for coverage calculated under this paragraph by insurance companies that issue only deductible insurance policies in Kentucky shall be actuarially adequate to cover the entire liability of the employer for compensation under this chapter, including all expenses and allowances normally used to calculate the cost for coverage. For policies with provisions for deductibles with effective dates of May 6, 1993, through December 31, 1993, for which the insurance company did not report premiums and remit special fund assessments based on the calculated cost for coverage prior to the reduction for deductibles, "premium"

includes the initial consideration plus any reimbursements invoiced for losses, expenses, or fees charged under the deductibles.

- (26) "Insurance policy" for an insurance company or self-insured group means the term of insurance coverage commencing from the date coverage is extended, whether a new policy or a renewal, through its expiration, not to exceed the anniversary date of the renewal for the following year;
- (27) "Self-insurance year" for a self-insured group means the annual period of certification of the group created pursuant to KRS 342.350(4) and 304.50-010;
- (28) "Premium" for each employer carrying his own risk pursuant to KRS 342.340(1) shall be the projected value of the employer's workers' compensation claims for the next calendar year as calculated by the commissioner using generally-accepted actuarial methods as follows:
 - (a) The base period shall be the earliest three (3) calendar years of the five (5) calendar years immediately preceding the calendar year for which the calculation is made. The commissioner shall identify each claim of the employer which has an injury date or date of last injurious exposure to the cause of an occupational disease during each one (1) of the three (3) calendar years to be used as the base, and shall assign a value to each claim. The value shall be the total of the indemnity benefits paid to date and projected to be paid, adjusted to current benefit levels, plus the medical benefits paid to date and projected to be paid for the life of the claim, plus the cost of medical and vocational rehabilitation paid to date and projected to be paid. Adjustment to current benefit levels shall be done by multiplying the weekly indemnity benefit for each claim by the number obtained by dividing the statewide average weekly wage which will be in effect for the year for which the premium is being calculated by the statewide average weekly wage in effect during the year in which the injury or date of the last exposure occurred. The total value of the claims using the adjusted weekly benefit shall then be calculated by the commissioner. Values for claims in which awards have been made or settlements reached because of findings of permanent partial or permanent total disability shall be calculated using the mortality and interest discount assumptions used in the latest available statistical plan of the advisory rating organization defined in Subtitle 13 of KRS Chapter 304. The sum of all calculated values shall be computed for all claims in the base period;
 - (b) The commissioner shall obtain the annual payroll for each of the three (3) years in the base period for each employer carrying his own risk from records of the department and from the records of the Office of Employment and Training, Education and Workforce Development Cabinet. The commissioner shall multiply each of the three (3) years of payroll by the number obtained by dividing the statewide average weekly wage which will be in effect for the year in which the premium is being calculated by the statewide average weekly wage in effect in each of the years of the base period;
 - (c) The commissioner shall divide the total of the adjusted claim values for the three (3) year base period by the total adjusted payroll for the same three (3) year period. The value so calculated shall be multiplied by 1.25 and shall then be multiplied by the employer's most recent annualized payroll, calculated using records of the department and the Office of Employment and Training data which shall be made available for this purpose on a quarterly basis as reported, to obtain the premium for the next calendar year for assessment purposes under KRS 342.122;
 - (d) For November 1, 1987, through December 31, 1988, premium for each employer carrying its own risk shall be an amount calculated by the board pursuant to the provisions contained in this subsection and such premium shall be provided to each employer carrying its own risk and to the funding commission on or before January 1, 1988. Thereafter, the calculations set forth in this subsection shall be performed annually, at the time each employer applies or renews its application for certification to carry its own risk for the next twelve (12) month period and submits payroll and other data in support of the application. The employer and the funding commission shall be notified at the time of the certification or recertification of the premium calculated by the commissioner, which shall form the employer's basis for assessments pursuant to KRS 342.122 for the calendar year beginning on January 1 following the date of certification or recertification;
 - (e) If an employer having fewer than five (5) years of doing business in this state applies to carry its own risk and is so certified, its premium for the purposes of KRS 342.122 shall be based on the lesser number of years of experience as may be available including the two (2) most recent years if necessary

to create a three (3) year base period. If the employer has less than two (2) years of operation in this state available for the premium calculation, then its premium shall be the greater of the value obtained by the calculation called for in this subsection or the amount of security required by the commissioner pursuant to KRS 342.340(1);

- (f) If an employer is certified to carry its own risk after having previously insured the risk, its premium shall be calculated using values obtained from claims incurred while insured for as many of the years of the base period as may be necessary to create a full three (3) year base. After the employer is certified to carry its own risk and has paid all amounts due for assessments upon premiums paid while insured, the employer shall be assessed only upon the premium calculated under this subsection;
 - (g) "Premium" for each employer defined in KRS 342.630(2) shall be calculated as set forth in this subsection; and
 - (h) Notwithstanding any other provision of this subsection, the premium of any employer authorized to carry its own risk for purposes of assessments due under this chapter shall be no less than thirty cents (\$0.30) per one hundred dollars (\$100) of the employer's most recent annualized payroll for employees covered by this chapter;
- (29) "SIC code" as used in this chapter means the Standard Industrial Classification Code contained in the latest edition of the Standard Industrial Classification Manual published by the Federal Office of Management and Budget;
 - (30) "Investment interest" means any pecuniary or beneficial interest in a provider of medical services or treatment under this chapter, other than a provider in which that pecuniary or investment interest is obtained on terms equally available to the public through trading on a registered national securities exchange, such as the New York Stock Exchange or the American Stock Exchange, or on the National Association of Securities Dealers Automated Quotation System;
 - (31) "Managed health care system" means a health care system that employs gatekeeper providers, performs utilization review, and does medical bill audits;
 - (32) "Physician" means physicians and surgeons, psychologists, optometrists, dentists, podiatrists, and osteopathic and chiropractic practitioners acting within the scope of their license issued by the Commonwealth;
 - (33) "Objective medical findings" means information gained through direct observation and testing of the patient applying objective or standardized methods;
 - (34) "Work" means providing services to another in return for remuneration on a regular and sustained basis in a competitive economy;
 - (35) "Permanent impairment rating" means percentage of whole body impairment caused by the injury or occupational disease as determined by the "Guides to the Evaluation of Permanent Impairment";
 - (36) "Permanent disability rating" means the permanent impairment rating selected by an administrative law judge times the factor set forth in the table that appears at KRS 342.730(1)(b); and
 - (37) "Guides to the Evaluation of Permanent Impairment" means, except as provided in KRS 342.262:
 - (a) The fifth edition published by the American Medical Association; and
 - (b) For psychological impairments, Chapter 12 of the second edition published by the American Medical Association.

➔Section 7. KRS 342.122 is amended to read as follows:

- (1) (a) For calendar year 1997 and for each calendar year thereafter, for the purpose of funding and prefunding the liabilities of the special fund, financing the administration and operation of the Kentucky Workers' Compensation Funding Commission, and financing the expenditures for all programs in the Labor Cabinet, except the Division of ~~Employment Standards,~~ ~~Apprenticeship and the Division of Wages and Hours~~ ~~and Mediation~~ in the Department of Workplace Standards, as reflected in the enacted budget of the Commonwealth and enacted by the General Assembly, the funding commission shall impose a special fund assessment rate of nine percent (9%) upon the amount of workers' compensation premiums received on and after January 1, 1997, through December 31, 1997, by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every self-insured group operating under the provisions of KRS 342.350(4) and Chapter 304, and against the premium, as defined in KRS 342.0011, of every employer carrying his or her own risk.

- (b) The funding commission shall, for calendar year 1998 and thereafter, establish for the special fund an assessment rate to be assessed against all premium received during that calendar year which shall produce enough revenue to amortize on a level basis the unfunded liability of the special fund as of June 30 preceding January 1 of each year, for the period remaining until December 31, 2029. The interest rate to be used in this calculation shall reflect the funding commission's investment experience to date and the current investment policies of the commission. This assessment shall be imposed upon the amount of workers' compensation premiums received by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every self-insured group operating under the provisions of KRS 342.350(4) and Chapter 304, and against the premium, as defined in KRS 342.0011, of every employer carrying its own risk. On or before October 1 of each year, the commission shall notify each insurance carrier writing workers' compensation insurance in the Commonwealth, every group of self-insured employers, and each employer carrying its own risk, of the rates which shall become effective on January 1 of each year, unless modified by the General Assembly.
 - (c) All assessments imposed by this section shall be paid to the Kentucky Workers' Compensation Funding Commission and shall be credited to the benefit reserve fund within the Kentucky Workers' Compensation Funding Commission.
 - (d) The assessments imposed in this chapter shall be in lieu of all other assessments or taxes on workers' compensation premiums.
- (2) These assessments shall be paid quarterly not later than the thirtieth day of the month following the end of the quarter in which the premium is received. Receipt shall be considered timely through actual physical receipt or by postmark of the United States Postal Service. Employers carrying their own risk and employers defined in KRS 342.630(2) shall pay the annual assessments in four (4) equal quarterly installments.
 - (3) The assessments imposed by this section may be collected by the insurance carrier from the insured. However, the insurance carrier shall not collect from the employer any amount exceeding the assessments imposed pursuant to this section. If the insurance carrier collects the assessment from an insured, the assessment shall be collected at the same time and in the same proportion as the premium is collected. The assessment for an insurance policy or other evidence of coverage providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible. Each statement from an insurance carrier presented to an insured reflecting premium and assessment amounts shall clearly identify and distinguish the amount to be paid for premium and the amount to be paid for assessments. No insurance carrier shall collect from an insured an amount in excess of the assessment percentages imposed by this chapter. The assessment for an insurance policy or other evidence of coverage providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible. The percentages imposed by this chapter for an insurance policy issued by an insurance company shall be those percentages in effect on the annual effective date of the policy, regardless of the date that the premium is actually received by the insurance company.
 - (4) A self-insured group may elect to report its premiums and to have its assessments computed in the same manner as insurance companies. This election may not be rescinded for at least ten (10) years, nor may this election be made a second time for at least another ten (10) years, except that the board of directors of the funding commission may, at its discretion, waive the ten (10) year ban on a case-by-case basis after formal petition has been made to the funding commission by a self-insured group.
 - (5) The funding commission, as part of the collection and auditing of the special fund assessments required by this section, shall annually require each insurance carrier and each self-insured group to provide a list of employers which it has insured or which are members and the amount collected from each employer. Additionally, the funding commission shall require each entity paying a special fund assessment to report the SIC code for each employer and the amount of premium collected from each SIC code. An insurance carrier or self-insured group may require its insureds or members to furnish the SIC code for each of their employees. However, the failure of any employer to furnish said codes shall not relieve the insurance carrier or self-insured group from the obligation to furnish same to the funding commission. The Office of Employment and Training, Education and Workforce Development Cabinet, is hereby directed to make available the SIC codes assigned in its records to specific employers to aid in the reporting and recording of the special fund assessment data.
 - (6) Each self-insured employer, self-insured group, or insurance carrier shall provide any information and submit any reports the Department of Revenue or the funding commission may require to effectuate the provisions of this section. In addition, the funding commission may enter reciprocal agreements with other governmental agencies for the exchange of information necessary to effectuate the provisions of this section.

- (7) The special fund shall be required to maintain a central claim registry of all claims to which it is named a party, giving each such claim a unique claim number and thereafter recording the status of each claim on a current basis. The registry shall be established by January 26, 1988, for all claims on which payments were made since July 1, 1986, or which were pending adjudication since July 1, 1986, by audit of all claim files in the possession of the special fund.
- (8) The fund heretofore designated as the subsequent claim fund is abolished, and there is substituted therefor the special fund as set out by this section, and all moneys and properties owned by the subsequent claim fund are transferred to the special fund.
- (9) Notwithstanding any other provisions of this section or this chapter to the contrary, the total amount of funds collected pursuant to the assessment rates adopted by the funding commission shall not be limited to the provisions of this section.
- (10) All assessment rates imposed for periods prior to January 1, 1997, under KRS 342.122 shall forever remain applicable to premiums received on policies with effective dates prior to January 1, 1997, by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every self-insured group operating under the provision of KRS 342.350(4) and Chapter 304, and against the premium, as defined in KRS 342.0011, of every employer carrying its own risk.

➔Section 8. KRS 342.213 is amended to read as follows:

- (3) Notwithstanding the provisions of subsection (2) of this section, at least three (3) members of the Workers' Compensation Nominating Commission shall be individuals who directly derive no earned income from the workers' compensation program. In order to satisfy the requirement of this subsection, the Governor may remove any existing member of the Workers' Compensation Nominating Commission and replace that member with an individual who does not derive earned income from the workers' compensation program. On or before March 1, 1997, the Governor shall submit to the Senate a list of the members of the commission identifying the positions they fill and the terms they shall serve in accordance with the provisions of this section.
- (4) The commissioner shall monitor the workload of the administrative law judges and, whenever a vacancy occurs, determine whether filling the position is necessary to expeditious resolution of claims brought under this chapter. One hundred twenty (120) days prior to the expiration of the terms of the administrative law judges, and when a vacancy occurs under other circumstances, the commissioner shall certify to the Workers' Compensation Nominating Commission that filling the position is necessary and the Workers' Compensation Nominating Commission shall act to fill only such positions as have been certified as necessary by the commissioner.

The Workers' Compensation Nominating Commission may recommend retention of any sitting administrative law judge, or present to the Governor the names of three (3) qualified individuals nominated for the position. The name of an individual who has been rejected by the Governor when recommended for retention shall not be presented thereafter as a nominee for the same position. No sitting administrative law judge shall be nominated to fill more than one (1) vacancy except for separate vacancies as an administrative law judge.
- (b) Within thirty (30) days of receipt of the recommendation, the Governor may reject recommendations of retention, in which event the Workers' Compensation Nominating Commission shall, within thirty (30) days, reconvene and present a list of the names of three (3) nominees for each position for which a recommendation for retention has been rejected by the Governor.
- (6) ~~[The Governor shall appoint the commissioner of the Department of Workers' Claims from a list of three (3) names submitted by the nominating commission. The list submitted to the Governor shall contain names of individuals who meet the qualifications and requirements contained in KRS 342.228.]~~ The commissioner shall be subject to Senate confirmation in accordance with KRS 11.160.
- (7) (a) The Governor shall appoint the members of the Workers' Compensation Board. The nominating commission shall present to the Governor a list of three (3) candidates for appointment to the board no later than thirty (30) days prior to the expiration of a board member's term.
