CHAPTER 1

(HB 1)

AN ACT relating to right-to-work provisions involving a condition of employment or continuation of employment and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 336.130 is amended to read as follows:

- (1) Employees may, free from restraint or coercion by the employers or their agents, associate collectively for self-organization and designate collectively representatives of their own choosing to negotiate the terms and conditions of their employment to effectively promote their own rights and general welfare. Employees, collectively and individually, may strike, engage in peaceful picketing, and assemble collectively for peaceful purposes, *except that no public employee, collectively or individually, may engage in a strike or a work stoppage. Nothing in Sections 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, and 12 of this Act shall be construed as altering, amending, granting, or removing the rights of public employees to associate collectively for self-organization and designate collectively representatives of their own choosing to negotiate the terms and conditions of their employment to effectively promote their own rights and general welfare.*
- (2) Neither employers or their agents nor employees or associations, organizations or groups of employees shall engage or be permitted to engage in unfair or illegal acts or practices or resort to violence, intimidation, threats or coercion.
- (3) (a) *Notwithstanding subsection (1) of this section or any provision of the Kentucky Revised Statutes to the contrary, no employee shall be required, as a condition of employment or continuation of employment, to:*
 1. *Become or remain a member of a labor organization;*
 2. *Pay any dues, fees, assessments, or other similar charges of any kind or amount to a labor organization; or*
 3. *Pay to any charity or other third party, in lieu of these payments, any amount equivalent to or pro rata portion of dues, fees, assessments, or other charges required of a labor organization.*

(b) *As used in this subsection, the term "employee" means any person employed by or suffered or permitted to work for a public or private employer.*
- (4) *The secretary of the Labor Cabinet or his or her representative shall investigate complaints of violations or threatened violations of subsection (3) of this section and may initiate enforcement of a criminal penalty by causing a complaint to be filed with the appropriate local prosecutor and ensure effective enforcement.*
- (5) Except in instances where violence, personal injury, or damage to property have occurred and such occurrence is supported by an affidavit setting forth the facts and circumstances surrounding such incidents, the employees and their agents shall not be restrained or enjoined from exercising the rights granted them in subsection (1) of this section without a hearing first being held, unless the employees or their agents are engaged in a strike in violation of a "no strike" clause in their labor contract.
- ~~(6)(4)~~ Submission of a false affidavit concerning violence, personal injury, or damage to property shall constitute a violation of KRS 523.030. In the absence of any such affidavit alleging violence, personal injury, or damage injunctions shall be issued only by a Circuit Judge or other justice or judge acting as a Circuit Judge pursuant to law.

➔Section 2. KRS 336.180 is amended to read as follows:

As used in *this chapter* ~~[KRS 336.190 and 336.200]~~, unless the context requires otherwise: ~~[;]~~

- (1) The term "labor organization" means any organization of any kind, or any agency or employee representation committee, *association* or *union* ~~[plan, in which employees participate and]~~ which exists for the purpose, in whole or in part, of dealing with employers concerning ~~[grievances, labor disputes,]~~ wages, rates of pay, hours of employment or conditions of work, *or other forms of compensation;* ~~[;]~~
- (2) *The term "employer" means all persons, firms, associations, corporations, public employers, public school employers, and public colleges, universities, institutions, and education agencies; and*

- (2) The following civil penalties shall be imposed, in accordance with the provisions in KRS 336.985, for violations of the provisions of this chapter:
 - (a) Any person who violates KRS 336.110 *or Section 1 of this Act* shall for each offense be assessed a civil penalty of not less than one hundred dollars (\$100) nor more than one thousand dollars (\$1,000);

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔SECTION 1. A NEW SECTION OF KRS 311.710 TO 311.820 IS CREATED TO READ AS FOLLOWS:

(1) As used in this section:

- (a) *"Ascultate" means to examine by listening for sounds made by internal organs of the fetus, specifically for a fetal heartbeat, utilizing an ultrasound transducer or a fetal heart rate monitor;*
- (b) *"Obstetric ultrasound" or "ultrasound" means the use of ultrasonic waves for diagnostic or therapeutic purposes, specifically to monitor a developing fetus; and*
- (c) *"Qualified technician" means a medical imaging technologist as defined in KRS 311B.020 who is certified in obstetrics and gynecology by the American Registry for Diagnostic Medical Sonography or a nurse midwife or advance practice nurse practitioner in obstetrics with certification in obstetrical ultrasonography.*

(2) Prior to a woman giving informed consent to having any part of an abortion performed, the physician who is to perform the abortion or a qualified technician to whom the responsibility has been delegated by the physician shall:

- (a) *Perform an obstetric ultrasound on the pregnant woman;*
 - (b) *Provide a simultaneous explanation of what the ultrasound is depicting, which shall include the presence and location of the unborn child within the uterus and the number of unborn children depicted and also, if the ultrasound image indicates that fetal demise has occurred, inform the woman of that fact;*
 - (c) *Display the ultrasound images so that the pregnant woman may view the images;*
 - (d) *Ascultate the fetal heartbeat of the unborn child so that the pregnant woman may hear the heartbeat if the heartbeat is audible;*
 - (e) *Provide a medical description of the ultrasound images, which shall include the dimensions of the embryo or fetus and the presence of external members and internal organs, if present and viewable; and*
 - (f) *Retain in the woman's medical record a signed certification from the pregnant woman that she has been presented with the information required to be provided under paragraphs (c) and (d) of this subsection and has viewed the ultrasound images, listened to the heartbeat if the heartbeat is audible, or declined to do so. The signed certification shall be on a form prescribed by the cabinet.*
- (3) *When the ultrasound images and heartbeat sounds are provided to and reviewed with the pregnant woman, nothing in this section shall be construed to prevent the pregnant woman from averting her eyes from the ultrasound images or requesting the volume of the heartbeat be reduced or turned off if the heartbeat is audible. Neither the physician, the qualified technician, nor the pregnant woman shall be subject to any penalty if the pregnant woman refuses to look at the displayed ultrasound images or to listen to the heartbeat if the heartbeat is audible.*
- (4) *The requirements of this section shall be in addition to any requirement contained in KRS 311.725 or any other section of KRS 311.710 to 311.820.*
- (5) *The provisions of this section shall not apply in the case of a medical emergency or medical necessity. If a medical emergency or medical necessity compels the performance or inducement of an abortion, the physician who will perform or induce the abortion, prior to its performance or inducement if possible, shall inform the pregnant woman of the medical indications supporting the physician's judgment that an immediate abortion is necessary. Any physician who performs or induces an abortion without the prior satisfaction of the requirements of this section because of a medical emergency or medical necessity shall enter the reasons for the conclusion that a medical emergency or medical necessity exists in the medical record of the pregnant woman.*

➔Section 15. The repeal of prevailing wage requirements for public works projects in this Act applies to any public works project or portion thereof for which bids have not yet been awarded as of the effective date of this Act. For bids that have been requested but not awarded prior to the effective date of this Act, the public authority may elect to request a resubmission of bids to conform to the provisions of this Act.

➔Section 16. Whereas immediate steps need to be undertaken to control the costs of public construction projects, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

Signed by Governor January 9, 2017.

The production of documents or an affidavit shall be in lieu of any personal testimony of any employee of the Kentucky Retirement Systems unless, after the production of documents or affidavit, a separate subpoena is served upon the systems specifically directing the testimony of an employee of the systems. - (b) The production of records or an affidavit shall be in lieu of any personal testimony of any employee of the Kentucky Teachers' Retirement System unless, after the production of records or an affidavit, a separate subpoena is served upon the retirement system specifically directing the testimony of an employee of the retirement system. The board of trustees may promulgate an administrative regulation for the recovery of reasonable travel and administrative expenses for those occasions when an employee of the retirement system is required to travel from his or her home or office to provide testimony or records. Recoverable expenses may include the wages, salary, and overtime paid to the employee by the retirement system for the period of time that the employee is away from the office. The cost of these expenses shall be borne by the party issuing the subpoena compelling the employee's travel. ~~(g)(9)~~ Records of the Kentucky Teachers' Retirement System that are susceptible to reproduction may be proved as to foundation, identity, and authenticity without preliminary testimony, by use of legible and durable copies, certified in accordance with the provisions of this ~~subsection~~~~section~~.

~~(h)(10)~~ The provisions of this ~~subsection~~~~section~~ shall not be construed to prohibit the Kentucky Teachers' Retirement System from asserting any exemption, exception, or relief provided under the Kentucky Rules of Civil Procedure or other applicable law.

- (5) ***For purposes of this section, "records" includes retirement estimates, affidavits, and other documents prepared by the Kentucky Teachers' Retirement System in response to information requested in a lawful subpoena or order issued by a court of law.***

➔Section 3. KRS 21.540 is amended to read as follows:

- (1) Except as provided in KRS 21.550, 21.560, and subsection (3) of this section, the board of trustees of the Judicial Form Retirement System shall be charged with the administration of that system and of KRS 21.350 to 21.510, and shall have all powers necessary thereto, including the power to promulgate all reasonable administrative regulations, pass upon questions of eligibility and disability, make employments for services, and to contract for fiduciary liability insurance, and for investment counseling, actuarial, auditing, and other professional services as required without the limitations of KRS 45A.045. The administrative expenses shall be paid out of an administrative account which shall be funded by transfers of the necessary money, in appropriate ratio, from the funds provided for in KRS 21.550 and 21.560.
- (2)
 - (a) A qualified domestic relations order issued by a court or administrative agency shall be honored by the Judicial Form Retirement System if the order is in compliance with the requirements established by the retirement system.
 - (b) Except in cases involving child support payments, the Judicial Form Retirement System may charge reasonable and necessary fees and expenses to the participant and the alternate payee of a qualified domestic relations order for the administration of the qualified domestic relations order by the retirement system. All fees and expenses shall be established by administrative regulations promulgated by the board of trustees of the retirement system. The qualified domestic relations order shall specify whether the fees and expenses provided by this subsection shall be paid:
 1. Solely by the participant;
 2. Solely by the alternate payee; or
 3. Equally shared by the participant and alternate payee.
 - (c) For purposes of this subsection, a "qualified domestic relations order" shall mean any judgment, decree, or order, including approval of a property settlement agreement, that:
 1. Is issued by a court or administrative agency; and
 2. Relates to the provision of child support, alimony payments, or marital property rights to a spouse, former spouse, child, or other dependent of a member.
- (3) Notwithstanding any other evidence of legislative intent, it is hereby declared to be the controlling legislative intent that the provisions of KRS 21.345 to 21.580 and 6.500 to 6.577 shall conform with federal statutes or regulations and meet the qualification requirements under 26 U.S.C. sec. 401(a), applicable federal regulations, and other published guidance, and the board shall have the authority to promulgate administrative regulations, with retroactive effect if required under federal law, to conform the Legislators' Retirement Plan and the Judicial Retirement Plan with federal statutes and regulations and to meet the qualification requirements under 26 U.S.C. sec. 401(a).
- (4) The Judicial Form Retirement System shall make available on a public Web site, a listing of all system expenditures and a listing of each individual employed by the systems along with the employee's salary or wages. The system may provide the information through a Web site established by the executive or judicial

branch to inform the public about executive or judicial branch agency expenditures and public employee salaries and wages. Nothing in this subsection shall require or compel the Judicial Form Retirement System to disclose information specific to the account of an individual member of the Legislators' Retirement Plan or the Judicial Retirement Plan.

- (5) No trustee or employee of the board shall:
- (a) Have any interest, direct or indirect, in the gains or profits of any investment or transaction made by the board, provided that the provisions of this paragraph shall not prohibit a member or retiree of one (1) of the retirement plans administered by the system from serving as a trustee;
 - (b) Directly or indirectly, for himself or herself or as an agent, use the assets of the system, except to make current and necessary payments authorized by the board;
 - (c) Become an endorser, surety, or obligor for moneys loaned by or borrowed from the board;
 - (d) Have a contract or agreement with the retirement system, individually or through a business owned by the trustee or the employee;
 - (e) Use his or her official position with the retirement system to obtain a financial gain or benefit or advantage for himself or herself or a family member;
 - (f) Use confidential information acquired during his or her tenure with the systems to further his or her own economic interests or that of another person; or
 - (g) Hold outside employment with, or accept compensation from, any person or business with which he or she has involvement as part of his or her official position with the system. The provisions of this paragraph shall not prohibit:
 - 1. A trustee from serving as a judge or member of the General Assembly; or
 - 2. A trustee from serving on the board if the compensation is de minimus and incidental to the trustee's outside employment. If the compensation is more than de minimus, the trustee shall disclose the amount of the compensation to the other trustees and recuse himself or herself from any matters involving hiring or retaining a person or a business from whom more than de minimus amounts are received by the trustee. For purposes of this section, "de minimus" means an insignificant amount that does not raise a reasonable question as to the trustee's objectivity.
- (6) Notwithstanding any other provision of KRS 6.500 to 6.577 and 21.345 to 21.580 to the contrary, no funds of the Legislators' Retirement Plan or the Judicial Retirement Plan, including fees and commissions paid to an investment manager, private fund, or company issuing securities, who manages systems assets, shall be used to pay fees and commissions to unregulated placement agents. For purposes of this subsection, "unregulated placement agent" means an individual or firm who solicits investments on behalf of an investment manager, private fund, or company issuing securities, who is prohibited by federal securities laws and regulations promulgated thereunder from receiving compensation for soliciting a government agency.
- (7) (a) 1. *Upon request by any person, the Judicial Form Retirement System shall release the following information from the accounts of any member or retiree of the Legislators' Retirement Plan or the Judicial Retirement Plan, if the member or retiree was a current or former officeholder in the Kentucky General Assembly:*
- a. *The first and last name of the member or retiree;*
 - b. *The plan or plans in which the member has an account or from which the retiree is receiving a monthly retirement allowance;*
 - c. *The status of the member or retiree, including but not limited to whether he or she is a contributing member, a member who is not currently contributing to the plans but has not retired, or a retiree drawing a monthly retirement allowance;*
 - d. *If the individual is a retiree, the monthly retirement allowance that he or she was receiving at the end of the most recently completed fiscal year; and*
 - e. *If the individual is a member who has not yet retired, the estimated monthly retirement allowance that he or she is eligible to receive on the first date he or she would be eligible for an unreduced retirement allowance, using his or her service credit, final*

compensation, and accumulated account balance at the end of the most recently completed fiscal year.

2. *No information shall be disclosed under this paragraph from an account that is paying benefits to a beneficiary due to the death of a member or retiree.*
- (b) *The release of information under paragraph (a) of this subsection shall not constitute a violation of the Open Records Act, KRS 61.870 to 61.884.*

➔Section 4. Whereas ensuring the public disclosure of the state retirement information relating to any current or former officeholder of the General Assembly is important to the taxpayers of the Commonwealth of Kentucky, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming law.

Signed by Governor January 9, 2017.

CHAPTER 5

(SB 5)

AN ACT relating to abortion and declaring an emergency.

WHEREAS, pain receptors or nociceptors are present in an unborn child's entire body no later than 16 weeks after fertilization and nerves link these receptors to the brain's thalamus and subcortical plate by no later than 20 weeks; and

WHEREAS, by eight weeks after fertilization, the unborn child reacts to stimuli that would be recognized as painful if applied to an adult human, for example, by recoiling; and

WHEREAS, in the unborn child, application of painful stimuli is associated with significant increases in stress hormones known as the stress response; and

WHEREAS, subjection to painful stimuli is associated with long-term harmful neuro-developmental effects, such as altered pain sensitivity and, possibly, emotional, behavioral, and learning disabilities later in life; and

WHEREAS, for the purposes of surgery on unborn children, fetal anesthesia is routinely administered and is associated with a decrease in stress hormones compared to their level when painful stimuli are applied without the anesthesia; and

WHEREAS, the position, asserted by some medical experts, that the unborn child is incapable of experiencing pain until a point later in pregnancy than 20 weeks after fertilization, which point in the pregnancy is generally consistent with 22 weeks following the woman's last menstrual cycle, predominately rests on the assumption that the ability to experience pain depends on the cerebral cortex and requires nerve connections between the thalamus and the cortex. However, recent medical research and analysis, especially since 2007, provides strong evidence for the conclusion that a functioning cortex is not necessary to experience pain; and

WHEREAS, substantial evidence indicates that children born missing the bulk of the cerebral cortex, those with hydranencephaly, nevertheless experience pain; and

WHEREAS, in adults, stimulation or ablation of the cerebral cortex does not alter pain perception while stimulation or ablation of the thalamus does; and

WHEREAS, substantial evidence indicates that structures used for pain processing in early development differ from those of adults, using different neural elements available at specific times during development, such as the subcortical plate, to fulfill the role of pain processing; and

WHEREAS, consequently, there is substantial medical evidence that an unborn child is capable of experiencing pain 20 weeks after fertilization; and

WHEREAS, it is the purpose of the state to assert a compelling state interest in protecting the lives of unborn children from the stage at which substantial medical evidence indicates that they are capable of feeling pain;

NOW, THEREFORE,

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔SECTION 1. A NEW SECTION OF KRS 311.710 TO 311.830 IS CREATED TO READ AS FOLLOWS:

As used in Sections 1 to 6 of this Act:

- (1) *"Fertilization" means the fusion of a human spermatozoon with a human ovum;*
- (2) *"Medical emergency" means a condition that in the physician's reasonable medical judgment, based upon the facts known to the physician at that time, so complicates the woman's pregnancy as to necessitate the immediate performance or inducement of an abortion in order to prevent the death of the pregnant woman or to avoid a serious risk of the substantial and irreversible impairment of a major bodily function of the pregnant woman that delay in the performance or inducement of the abortion would create;*
- (3) *"Pain-capable unborn child" means an unborn child of a probable post-fertilization age of twenty (20) weeks or more;*
- (4) *"Physician" has the same meaning as in KRS 311.720;*
- (5) *"Post-fertilization age" means the age of the unborn child as calculated from the fusion of a human spermatozoon with a human ovum;*
- (6) *"Probable post-fertilization age" means, in reasonable medical judgment and with reasonable probability, the age of the unborn child, as calculated from fertilization, at the time the abortion is performed or induced or attempted to be performed or induced;*
- (7) *"Reasonable medical judgment" means a medical judgment that would be made by a reasonably prudent physician, knowledgeable about the case and the treatment possibilities with respect to the medical conditions involved;*
- (8) *"Serious risk of the substantial and irreversible impairment of a major bodily function" means any medically diagnosed condition that so complicates the pregnancy of the woman as to directly or indirectly cause the substantial and irreversible impairment of a major bodily function. A medically diagnosed condition that constitutes a "serious risk of the substantial and irreversible impairment of a major bodily function" includes pre-eclampsia, inevitable abortion, and premature rupture of the membranes, but does not include a condition related to the woman's mental health; and*
- (9) *"Unborn child" means an individual organism of the species homo sapiens from fertilization until live birth.*

➔SECTION 2. A NEW SECTION OF KRS 311.710 TO 311.830 IS CREATED TO READ AS FOLLOWS:

- (1) *No person shall intentionally perform or induce or intentionally attempt to perform or induce an abortion on a pregnant woman when the probable post-fertilization age of the unborn child is twenty (20) weeks or greater.*
- (2) *It shall be an affirmative defense to a charge under subsection (1) of this section that the abortion was intentionally performed or induced or intentionally attempted to be performed or induced by a physician and that the physician determined, in the physician's reasonable medical judgment, based on the facts known to the physician at that time, that either of the following applied:*
 - (a) *The probable post-fertilization age of the unborn child was less than twenty (20) weeks; or*
 - (b) *The abortion was necessary to prevent the death of the pregnant woman or to avoid a serious risk of the substantial and irreversible impairment of a major bodily function of the pregnant woman. No abortion shall be necessary if it is based on a claim or diagnosis that the pregnant woman will engage in conduct that would result in her death or in substantial and irreversible impairment of a major bodily function or if it is based on any reason related to her mental health.*
- (3) (a) *Except when a medical emergency exists that prevents compliance with Section 3 of this Act, the affirmative defense set forth in subsection (2)(a) of this section does not apply unless the physician who intentionally performs or induces or intentionally attempts to perform or induce the abortion makes a determination of the probable post-fertilization age of the unborn child as required by subsection (1) of Section 3 of this Act or relied upon such a determination made by another physician and certifies in writing, based on the results of the tests performed, that in the physician's reasonable medical judgment the unborn child's probable post-fertilization age is less than twenty (20) weeks.*

- (b) *Except when a medical emergency exists that prevents compliance with one or more of the following conditions, the affirmative defense set forth in subsection (2)(b) of this section does not apply unless the physician who intentionally performs or induces or intentionally attempts to perform or induce the abortion complies with all of the following conditions:*
1. *The physician who intentionally performs or induces or intentionally attempts to perform or induce the abortion certifies in writing that, in the physician's reasonable medical judgment, based on the facts known to the physician at that time, the abortion is necessary to prevent the death of the pregnant woman or to avoid a serious risk of the substantial and irreversible impairment of a major bodily function of the pregnant woman;*
 2. *A different physician not professionally related to the physician described in subparagraph 1. of this paragraph certifies in writing that, in that different physician's reasonable medical judgment, based on the facts known to that different physician at that time, the abortion is necessary to prevent the death of the pregnant woman or to avoid a serious risk of the substantial and irreversible impairment of a major bodily function of the pregnant woman;*
 3. *The physician intentionally performs or induces or intentionally attempts to perform or induce the abortion in a hospital or other health care facility that has appropriate neonatal services for premature infants;*
 4. *The physician who intentionally performs or induces or intentionally attempts to perform or induce the abortion terminates or attempts to terminate the pregnancy in the manner that provides the best opportunity for the unborn child to survive, unless that physician determines, in the physician's reasonable medical judgment, based on the facts known to the physician at that time, that the termination of the pregnancy in that manner poses a greater risk of death of the pregnant woman or a greater risk of the substantial and irreversible impairment of a major bodily function of the pregnant woman than would other available methods of abortion;*
 5. *The physician certifies in writing the available method or techniques considered and the reasons for choosing the method or technique employed; and*
 6. *The physician who intentionally performs or induces or intentionally attempts to perform or induce the abortion has arranged for the attendance in the same room in which the abortion is to be performed or induced or attempted to be performed or induced at least one (1) other physician who is to take control of, provide immediate medical care for, and take all reasonable steps necessary to preserve the life and health of the unborn child immediately upon the child's complete expulsion or extraction from the pregnant woman.*
- (4) *The state board of medical licensure shall revoke a physician's license to practice medicine in this state if the physician violates or fails to comply with this section.*
- (5) *Any physician who intentionally performs or induces or intentionally attempts to perform or induce an abortion on a pregnant woman with actual knowledge that neither of the affirmative defenses set forth in subsection (2) of this section applies, or with a heedless indifference as to whether either affirmative defense applies, is liable in a civil action for compensatory and punitive damages and reasonable attorney's fees to any person, or the representative of the estate of any person including but not limited to an unborn child, who sustains injury, death, or loss to person or property as the result of the performance or inducement or the attempted performance or inducement of the abortion. In any action under this subsection, the court also may award any injunctive or other equitable relief that the court considers appropriate.*
- (6) *A pregnant woman on whom an abortion is intentionally performed or induced or intentionally attempted to be performed or induced in violation of subsection (1) of this section is not guilty of violating subsection (1) of this section or of attempting to commit, conspiring to commit, or complicity in committing a violation of subsection (1) of this section.*

➔SECTION 3. A NEW SECTION OF KRS 311.710 TO 311.830 IS CREATED TO READ AS FOLLOWS:

- (1) *Except in a medical emergency that prevents compliance with this section, no physician shall intentionally perform or induce or intentionally attempt to perform or induce an abortion on a pregnant woman unless, prior to the performance or inducement of the abortion or the attempt to perform or induce the abortion, the physician determines, in the physician's reasonable medical judgment, the unborn child's probable post-fertilization age. The physician shall make that determination after making inquiries of the pregnant*

woman and performing any medical examinations or tests of the pregnant woman the physician considers necessary as a reasonably prudent physician, knowledgeable about the case and medical conditions involved, would consider necessary to determine the unborn child's probable post-fertilization age.

- (2) *Except in a medical emergency that prevents compliance with this section, no physician shall intentionally perform or induce or intentionally attempt to perform or induce an abortion on a pregnant woman after the unborn child reaches the probable post-fertilization age of twenty (20) weeks without first entering the determination made in subsection (1) of this section and the associated findings of the medical examination and tests in the medical record of the pregnant woman.*
- (3) *The state board of medical licensure shall suspend a physician's license to practice medicine in this state for a period of not less than six (6) months if the physician violates this section.*

➔SECTION 4. A NEW SECTION OF KRS 311.710 TO 311.830 IS CREATED TO READ AS FOLLOWS:

- (1) *As used in this section:*

- (a) *"Conduct" means the:*

1. *Filing of a civil action;*
 2. *Assertion of a claim, defense, or other position in connection with a civil action;*
 3. *Filing of a pleading, motion, or other document in a civil action, including but not limited to a motion filed for discovery purposes; or*
 4. *Taking of any other action in connection with a civil action; and*

- (b) *"Frivolous conduct" means the conduct of a party to a civil action or a party's counsel of record in a civil action that:*

1. *Obviously serves merely to harass or maliciously injure another party to the civil action or is for another improper purpose, including but not limited to causing unnecessary delay or a needless increase in the cost of litigation;*
 2. *Is not warranted under existing law, cannot be supported by a good-faith argument for an extension, modification, or reversal of existing law, or cannot be supported by a good-faith argument for the establishment of new law;*
 3. *Consists of allegations or other factual contentions that have no evidentiary support or, if specifically so identified, are not likely to have evidentiary support after a reasonable opportunity for further investigation or discovery; or*
 4. *Consists of denials or other factual contentions that are not warranted by the evidence or, if specifically so identified, are not reasonably based on a lack of information or belief.*

- (2) *Any woman upon whom an abortion has been performed in violation of Section 2 of this Act, or the father of the unborn child who was the subject of such an abortion, may commence a civil action against the person who intentionally violated Section 2 of this Act for actual and punitive damages, court costs, and reasonable attorney's fees.*
- (3) *If a judgment is rendered in favor of the defendant in a civil action commenced pursuant to subsection (2) of this section and the court finds that the civil action constitutes frivolous conduct and that the defendant was adversely affected by the frivolous conduct, the court shall award reasonable attorney's fees to the defendant.*

➔SECTION 5. A NEW SECTION OF KRS 311.710 TO 311.830 IS CREATED TO READ AS FOLLOWS:

- (1) *The Kentucky pain-capable unborn child protection litigation fund is created as a trust fund. The trust fund shall consist of appropriations, donations, gifts, or grants made to the fund and shall be used by the state to pay for any costs or expenses incurred by the state in relation to actions surrounding the defense of Sections 1 to 6, 7, 8, 9, and 10 of this Act. Funds shall be distributed as directed by the Finance and Administration Cabinet.*
- (2) *Notwithstanding KRS 45.229, any moneys remaining in the trust fund at the close of the fiscal year shall not lapse but shall be carried forward to the next fiscal year.*
- (3) *Any interest earned on the trust fund shall be credited to the trust fund.*

(4) *Moneys in the trust fund are hereby appropriated for the purposes set forth in subsection (1) of this section.*

Nothing in this subparagraph shall prohibit the disclosure or sharing of information between a foster parent, *relative, fictive kin*, custodian, private facility, or governmental entity for the protection of any child. A violation of this subparagraph is a Class B misdemeanor;
 - (c) Placed in one (1) of the facilities or programs operated by the Department of Juvenile Justice or the cabinet, except that no child committed under the provisions of KRS 610.010(2)(a), (b), or (c) shall be placed in a facility operated by the Department of Juvenile Justice for children adjudicated as a public offender unless the cabinet and the department agree, and the court consents, that the placement is in the best interest of the child and that the placement does not exceed a group home level;

- (3) If a child committed to the cabinet as dependent, neglected, or abused is placed in the home of the child's parents, the child shall not be removed except in accordance with the following standards and procedures:
 - (a) If the social service worker believes that the committed child continues to be dependent, neglected, or abused, but immediate removal is unnecessary to protect the child from imminent death or serious physical injury, the casework situation and evidence shall be reviewed with his supervisor to determine whether to continue work with the family intact or to remove the child. There shall be documentation that the social service worker, prior to the court hearing, made an effort to contact the parents to inform them of the specific problems that could lead to removal so they have an opportunity to take corrective action. If the parents are unavailable or do not respond to attempts to communicate, the specific circumstances shall be documented;
 - (b) If it appears that the child's health or welfare or physical, mental, or emotional condition is subjected to or threatened with real and substantial harm and there is not reasonably available an alternative less drastic than removal of the child from the home, the cabinet shall petition the District Court to review the commitment pursuant to KRS 610.120 in relation to the cabinet's intention to remove the child from the parent's home. The petition shall set forth the facts which constitute the need for removal of the child. The court shall serve notice of the petition and the time and place of the hearing on the parents; however, the social service worker shall also contact the parents to ensure that they received the notice and are aware of the right to be represented by counsel. If the parents' whereabouts are unknown, notice may be mailed to the last known address of an adult who is a near relative. If the court fails to find that the child's health or welfare or physical, mental, or emotional condition is subjected to or threatened with real and substantial harm, or recommends a less drastic alternative that is reasonably available, the child shall not be removed from the parents' home;
 - (c) If a social service worker finds a committed, unattended child who is too young to take care of himself, the social service worker shall make reasonable efforts to arrange for an emergency caretaker in the child's home until the parents return or fail to return within a reasonable time. If no in-home caretaker is available for the child, the social service worker shall request any appropriate law enforcement officer to take the child into protective custody. If, after a reasonable time, it appears the child has been abandoned, the cabinet shall petition the District Court to review the case; or
 - (d) If there exist reasonable grounds to believe that the child is in danger of imminent death or serious physical injury or is being sexually abused and that the parents are unable or unwilling to protect the child, the social service worker shall, with the assistance of a law enforcement officer, immediately remove the child prior to filing a petition for review. Within seventy-two (72) hours after the removal, the cabinet shall file a petition for review in District Court pursuant to KRS 610.120 with a request for an expeditious hearing. If the court fails to find that the child's health or welfare or physical, mental, or emotional condition is subjected to or threatened with real and substantial harm, or recommends a less drastic alternative that is reasonably available, the child shall be returned to the parents' home.
- (4) The cabinet or the Department of Juvenile Justice, as appropriate, shall notify the juvenile court of the county of placement with the conditions of supervised placement of each child placed in that county from one (1) of the residential treatment facilities operated by the Department of Juvenile Justice or the cabinet. Notice of the conditions of such placement may be made available by the court to any law enforcement agency.
- (5) The person in charge of any home to which a child is probated, and the governing authority of any private facility or agency to which a child is committed, shall make such reports to the court as the court may require, and such reports as the Department of Juvenile Justice or the cabinet may require in the performance of its functions under the law. The Department of Juvenile Justice or the cabinet shall have the power to make such visitations and inspections of the homes, facilities, and agencies in which children who have committed public offenses have been placed as it deems necessary to carry out its functions under the law.
- (6) The Department of Juvenile Justice or the cabinet shall provide a written transfer summary to the person in charge of any foster home or any governing authority of any private facility or agency in which the Department of Juvenile Justice or the cabinet has placed a child. The written summary shall include, at a minimum, demographic information about the child, a narrative statement detailing the child's prior placements, the length of time the child has been committed, a description of the services and assistance

provided to the child or the child's family since the most current case plan, a copy of the current case plan for the child and the child's family, and a copy of the child's medical and educational passport, if available, provided that no information shall be provided that violates any statutory confidentiality requirements. The transfer summary shall state whether the child placed is a juvenile sexual offender as defined in KRS 635.505(2), and include information required under subsection (1) of this section. The transfer summary shall be provided by the Department of Juvenile Justice if it is responsible for the child, or the cabinet if it is responsible for the child, within seven (7) days of the placement of the child with the person, agency, or facility providing care to the child.

- (7) The Department of Juvenile Justice may assist the courts in placing children who have committed public offenses in boarding homes, and, under agreements with the individual courts, may assume responsibility for making such placements. Counties may pay or contribute towards the expenses of maintaining such children and, to the extent authorized by the fiscal court, the Department of Juvenile Justice may incur obligations chargeable to the county for such expenses.

For purposes of this section, a child shall be considered to have entered foster care on the earlier of the date of the first judicial finding that the child has been subjected to child abuse or neglect or the date that is sixty (60) days after the date on which the child is removed from the home.

 - (e) The familial and institutional barriers to:
 - 1. Returning the child to the home;
 - 2. Ending the commitment of the child to the Department of Juvenile Justice or the cabinet; and

 - (j) For a child with another planned permanency arrangement as the child's permanency goal:
 - 1. The intensive, ongoing efforts to return the child to the home or secure a placement with a fit and willing relative, legal guardian, *fictive kin*, or adoptive parent, including efforts that utilize search technology to find the biological family;
 - 2. The steps the agency is taking to ensure that the child's foster family home or licensed child-caring facility is following the reasonable and prudent parent standard in accordance with 42 U.S.C. sec. 671; and
 - 3. The cabinet's efforts to ensure the child has regular, ongoing opportunities to engage in age or developmentally appropriate activities, including consulting with the child in an age and developmentally appropriate manner about the opportunities of the child to participate in the activities.
- (5) (a) The child's parent, foster parent, preadoptive parent, *fictive kin*, or relative providing care to the child shall have the right to be heard; and
- (b) The attorney for the parent, attorney for the child, or court-appointed special advocate, if deemed appropriate by the court, may present any evidence relevant to the determination of a permanency goal for the child.

- (c) Removal of the child to the custody of an adult relative, *fictive kin*, other person, or child-caring facility or child-placing agency, taking into consideration the wishes of the parent or other person exercising custodial control or supervision. Before any child is committed to the cabinet or placed out of his home under the supervision of the cabinet, the court shall determine that reasonable efforts have been made by the court or the cabinet to prevent or eliminate the need for removal and that continuation in the home would be contrary to the welfare of the child;
- (d) Commitment of the child to the custody of the cabinet for placement for an indeterminate period of time not to exceed his or her attainment of the age eighteen (18), unless the youth elects to extend his or her commitment beyond the age of eighteen (18) under paragraph (e) of this subsection. ➔Section 1. KRS 186A.190 is amended to read as follows:

- (1) Except as provided in subsection (4) of this section and in KRS 355.9-311(4), the perfection and discharge of a security interest in any property for which has been issued a Kentucky certificate of title shall be by notation on the certificate of title. Notation shall be made by the entry of information required by subsection ~~(7)(6)~~ of this section into the Automated Vehicle Information System, and shall be deemed to have occurred upon the entry. The notation of the security interest on the certificate of title shall be in accordance with this chapter and shall remain effective from the date on which the security interest is noted on the certificate of title for a period of ten (10) years, or, in the case of a manufactured home, for a period of thirty (30) years, or until discharged under this chapter and KRS Chapter 186. The filing of a continuation statement within the six (6) months preceding the expiration of the initial period of a notation's effectiveness extends the expiration date for five (5) additional years, commencing on the day the notation would have expired in the absence of the filing. Succeeding continuation statements may be filed in the same manner to continue the effectiveness of the initial notation.
- (2) Except as provided in subsection (4) of this section, the notation of security interests relating to property required to be titled in Kentucky through the county clerk shall be done in the office of the county clerk of the county in which the debtor resides. If the debtor is other than a natural person, the following provisions govern the determination of the county of the debtor's residence:
 - (a) A partnership shall be deemed a resident of the county in which its principal place of business in this state is located. If the debtor does not have a place of business in this state, then the debtor shall be deemed a nonresident for purposes of filing in this state;
 - (b) A limited partnership organized under KRS Chapter 362 or as defined in KRS 362.2-102(14) shall be deemed a resident of the county in which its principal place of business is located, as set forth in its certificate of limited partnership or most recent amendment thereto filed pursuant to KRS Chapter 362 or 362.2-202. If such office is not located in this state, the debtor shall be deemed a nonresident for purposes of filing in this state;
 - (c) A limited partnership not organized under the laws of this state and authorized to do business in this state shall be deemed a resident of the county in which the office of its process agent is located, as set forth in the designation or most recent amendment thereto filed with the Secretary of State of the Commonwealth of Kentucky;
 - (d) A corporation organized under KRS Chapter 271B, 273, or 274 or a limited liability company organized under KRS Chapter 275 shall be deemed a resident of the county in which its registered office is located, as set forth in its most recent corporate filing with the Secretary of State which officially designates its current registered office;
 - (e) A corporation not organized under the laws of this state, but authorized to transact or do business in this state under KRS Chapter 271B, 273, or 274, or a limited liability company not organized under the laws of this state, but authorized to transact business in this state under KRS Chapter 275, shall be deemed a resident of the county in which its registered office is located, as set forth in its most recent filing with the Secretary of State which officially designates its current registered office;

Notwithstanding the existence of any filed financing statement under the provisions of KRS Chapter 355 relating to any property registered or titled in Kentucky, the sole means of perfecting and discharging a security interest in property for which a certificate of title is required by this chapter is by notation on the property's certificate of title under the provisions of this chapter or in accordance with the provisions of KRS 186.045(3). - (6) No more than two (2) active security interests may be noted upon a certificate of title.
- ~~(7)(6)~~ In noting a security interest upon a certificate of title, the county clerk shall ensure that the certificate of title bears the lienholder's name, mailing address and zip code, the date the lien was noted, the notation number, and the county in which the security interest was noted. The clerk shall obtain the information required by this subsection for notation upon the certificate of title from the title lien statement described in KRS 186A.195~~, or an equivalent out of state issued instrument,~~ to be provided to the county clerk by the secured party.
- ~~(8)(7)~~ For all the costs incurred in the notation and discharge of a security interest on the certificate of title, the county clerk shall receive the fee prescribed by KRS 64.012. The fee prescribed by this subsection shall be paid at the time of submittal of the title lien statement described in KRS 186A.195.
- ~~(9)(8)~~ A copy of the application, certified by the county clerk, indicating the lien will be noted on the certificate of title shall be forwarded to the lienholder.

➔Section 2. KRS 186A.195 is amended to read as follows:

- (1) As used in this chapter, a title lien statement is a document to be submitted by the secured party to the county clerk. Upon submission of the title lien statement, the county clerk shall use the information contained therein to note the security interest on the certificate of title, in accordance with KRS 186A.190(7)~~(6)~~. The county clerk may make title lien statements available to the general public. However, public availability of such statements is not necessary or effective to perfect a security interest in property required to be registered or titled in accordance with this chapter.
- (2) If a title lien statement and the required fees accompany the application for first title of any property in the name of an owner, the county clerk shall enter the information required by KRS 186A.190(7)~~(6)~~ into the automated system so as to produce a certificate of title in Frankfort bearing in addition to any other required information, the information designated by KRS 186A.190(7)~~(6)~~. The clerk shall thereby produce, in accordance with design of the automated system, a certificate of registration, if required.
- (3) If a title lien statement and the required fees are not received at the time of application for first title of any property in the name of the owner due to owner's residency in another county, or if the form prescribed by KRS 186A.060 indicates a pending lien but the title lien statement does not accompany the application for title, the county clerk shall enter into the Automated Vehicle Information System (AVIS) the name and address of the lienholder and the county where the lien is to be noted or that a lien is pending. The clerk shall indicate a title is not to be issued until the lien has been noted and fees, according to KRS 186A.190, paid in

the county of the owner's residence or in thirty (30) days. The county clerk shall then issue the registration. The county clerk in the county of the owner's residence shall, after receiving the title lien statement and fees contained in KRS 186A.190, enter into the Automated Vehicle Information System (AVIS) the date of lien notation and the notation number, thus enabling the system to produce the title in Frankfort.

- (4) Should a certificate of title be issued after the thirty (30) day period has expired without the notation of a security interest thereon, or should there be no provision made for a lien to be noted in the county of residence of the debtor within thirty (30) days and the title issued within that time, the secured party shall request from the debtor, and the debtor shall submit to the secured party, the certificate of title. The secured party shall submit the certificate of title along with the title lien statement to the county clerk of the county of the debtor's residence. The county clerk shall then enter the information required by KRS 186A.190(7)(~~6~~) into the Automated Vehicle Information System (AVIS) and note on the certificate of title in the appropriate section the information described in that section. Following the notation of the appropriate information on the certificate of title, the county clerk shall return the title to the debtor.
- (5) The security interest noted on the certificate of title shall be deemed perfected at the time the security interest attaches (KRS 355.9-203) if the secured party tenders the required fees and submits a properly completed title lien statement and application for first title or, in the case of property previously titled in the name of its debtor, the certificate of title to the appropriate county clerk within thirty (30) days of attachment. Otherwise, the security interest shall be deemed perfected at the time that such fees are tendered and such documents are submitted to the appropriate county clerk.

➔Section 3. KRS 186A.200 is amended to read as follows:

- (1) With respect to a vehicle previously titled in the name of its debtor, the secured party shall, within thirty (30) days after execution of the security agreement, obtain the current certificate of title in the name of the debtor, with no more than one (1) prior lien indicated thereon, and present to the county clerk the certificate of title, which the secured party shall have the right to obtain from the debtor, together with the title lien statement and the required fees in KRS 186A.190 to the county clerk.
- (2) For failure to present both the title and title lien statement within the time prescribed by subsection (1) of this section, the secured party shall pay a penalty of two dollars (\$2) to the county clerk as a prerequisite for noting the security interest on the title.
- (3) The county clerk shall enter the information required by KRS 186A.190(7)(~~6~~) into the automated system.
- (4) The county clerk shall record upon the title in the appropriate section the information designated by KRS 186A.190(7)(~~6~~).

- (3) All persons who declined participation in subsection (1) of this section and who later elect to participate. Persons who elect to participate under this subsection may purchase service credit for any prior years by paying a delayed contribution payment, provided the person began participating in the system prior to January 1, 2014. The service shall not be included in the member's total service for purposes of determining benefits under KRS 61.702; and
- (4) All persons electing coverage in the system under KRS 78.530(3)(d).
- (5) The provisions of subsections (1) and (2) of this section notwithstanding, cities which participate in the CERS and close existing local pension systems to new, or all members pursuant to the provisions of KRS 78.530, 95.520, 95.621, or 95.852 shall not be required to provide membership in the County Employees Retirement System to employees in any employee category not covered by a city pension system at the date of participation.

➔Section 19. KRS 78.610 is amended to read as follows:

- (1) Each employee shall, commencing on August 1, 1990, contribute, for each pay period for which he receives compensation, five percent (5%) of his creditable compensation ~~unless he did not elect membership pursuant to KRS 61.545(3)].~~
- (2) The agency reporting official of a participating county shall cause to be deducted from the "creditable compensation" of each employee for each and every payroll period subsequent to the date the county participated in the system the contribution payable by the member as provided in KRS 78.510 to 78.852. The agency reporting official shall promptly pay the deducted employee contributions to the system in accordance with KRS 78.625.

- (3) The deductions provided for in subsection (2) of this section shall be made notwithstanding that the minimum compensation provided by law for any employee shall be reduced thereby. Every employee shall be deemed to consent and agree to the deductions made as provided in subsection (2) of this section; and payment of salary or compensation less the deductions shall be a full and complete discharge of all claims for services rendered by the person during the period covered by the payment, except as to any benefits provided by KRS 78.510 to 78.852.
- (4) Each employer shall, solely for the purpose of compliance with Section 414(h) of the United States Internal Revenue Code, pick up the employee contributions required by this section for all compensation earned after August 1, 1982, and the contributions picked up shall be treated as employer contributions in determining tax treatment under the United States Internal Revenue Code and KRS 141.010(10). These contributions shall not be included as gross income of the employee until the contributions are distributed or made available to the employee. The picked-up employee contribution shall satisfy all obligations to the retirement system satisfied prior to August 1, 1982, by the employee contribution, and the picked-up employee contribution shall be in lieu of an employee contribution. Each employer shall pay these picked-up employee contributions from the same source of funds which is used to pay earnings to the employee. The employee shall have no option to receive the contributed amounts directly instead of having them paid by the employer to the system. Employee contributions picked up after August 1, 1982, shall be treated for all purposes of KRS 78.510 to 78.852 in the same manner and to the same extent as employee contributions made prior to August 1, 1982.
- (5) The provisions of this section shall not apply to individuals who are not eligible for membership as provided by KRS 61.522.

➔Section 20. KRS 78.615 is amended to read as follows:

- (1) Employee contributions shall be deducted each payroll period from the creditable compensation of each employee of an agency participating in the system while he is classified as regular full-time as defined in KRS 78.510 unless the person did not elect to become a member as provided by ~~KRS 61.545(3)~~ or by ~~KRS 78.540(2)~~ or is not eligible to participate in the system as provided by KRS 61.522. After August 1, 1982, employee contributions shall be picked up by the employer pursuant to KRS 78.610(4).
 - (a) For employees who are not employed by a school board, service credit shall be allowed for each month contributions are deducted or picked up during a fiscal or calendar year, if the employee receives creditable compensation for an average of one hundred (100) hours or more of work per month based on the actual hours worked in a calendar or fiscal year. If the average number of hours of work is less than one hundred (100) hours per month, the employee shall be allowed credit only for those months he receives creditable compensation for one hundred (100) hours of work.
 - (b) For noncertified employees of school boards, for service prior to July 1, 2000, service credit shall be allowed for each month contributions are deducted or picked up under the employee's employment contract during a school year determined by dividing the actual number of contracted calendar days worked by twenty (20) and rounded to the nearest whole month if the employee receives creditable compensation for an average of eighty (80) or more hours of work per month based on the employee's employment contract. The school board shall certify the number of calendar days worked, the rate of pay, and the hours in a work day for each employee monthly or annually. The employer shall file at the retirement office the final monthly report or the annual report for a fiscal year no later than twenty (20) days following the completion of the fiscal year. The retirement system shall impose a penalty on the employer of one thousand dollars (\$1,000) if the information is not submitted by the date required with an additional two hundred and fifty dollars (\$250) for each additional thirty (30) day period the information is reported late.
 1. If the employee works fewer than the number of contracted calendar days, the employee shall receive service credit determined by dividing the actual number of contracted calendar days worked by twenty (20) and rounded to the nearest whole month, provided that the number of hours worked during the period averages eighty (80) or more hours.
 2. If the employee works fewer than the number of contracted calendar days and the average number of hours worked is less than eighty (80) per month, then the employee shall receive service credit for each calendar month in which he worked eighty (80) or more hours.
 3. The retirement system shall refund contributions and service credit for any period for which the employee is not given credit under this subsection.

- (c) For noncertified employees of school boards, for service on and after July 1, 2000, at the close of each fiscal year, the retirement system shall add service credit to the account of each employee who made contributions to his or her account during the year. Employees shall be entitled to a full year of service credit if their total paid calendar days were not less than one hundred eighty (180) calendar days for a regular school or fiscal year. In the event an employee is paid for less than one hundred eighty (180) calendar days, the employee may purchase credit according to administrative regulations promulgated by the system. In no case shall more than one (1) year of service be credited for all service performed in one (1) fiscal year. Employees who complete their employment contract prior to the close of a fiscal year and elect to retire prior to the close of a fiscal year shall have their service credit reduced by eight percent (8%) for each calendar month that the retirement becomes effective prior to July 1. Employees who are employed and paid for less than the number of calendar days required in their normal employment year shall be entitled to pro rata service credit for the fractional service. This credit shall be based upon the number of calendar days employed and the number of calendar days in the employee's annual employment agreement or normal employment year. Service credit may not exceed the ratio between the school or fiscal year and the number of months or fraction of a month the employee is employed during that year.
- (d) Notwithstanding paragraph (c) of this subsection, a noncertified employee of a school board who retires between July 1, 2000, and August 1, 2001, may choose to have service earned between July 1, 2000, and August 1, 2001, credited as described in paragraph (b) of this subsection, if the employee or retired member notifies the retirement system within one (1) year of his initial retirement. The decision once made shall be irrevocable.
- (2) Employee contributions shall not be deducted from the creditable compensation of any employee or picked up by the employer while he is seasonal, emergency, temporary, or part-time. No service credit shall be earned.
- (3) Contributions shall not be made or picked up by the employer and no service credit shall be earned by a member while on leave except:
 - (a) A member on military leave shall be entitled to service credit in accordance with KRS 61.555; and
 - (b) A member on educational leave who meets the criteria established by the state Personnel Cabinet for approved educational leave, who is receiving seventy-five percent (75%) or more of full salary, shall receive service credit and shall pay member contributions in accordance with KRS 78.610, and his employer shall pay employer contributions or the contributions shall be picked up in accordance with KRS 61.565. If a tuition agreement is broken by the member, the member and employer contributions paid or picked up during the period of educational leave shall be refunded.
- (4) The retirement office, upon detection, shall refund any erroneous employer and employee contributions made to the retirement system and any interest credited in accordance with KRS 78.640.

➔Section 21. KRS 61.702 is amended to read as follows:

- (1) (a) 1. The board of trustees of Kentucky Retirement Systems shall arrange by appropriate contract or on a self-insured basis to provide a group hospital and medical insurance plan for present and future recipients of a retirement allowance from the Kentucky Employees Retirement System, County Employees Retirement System, and State Police Retirement System, except as provided in subsection (8) of this section. Such arrangement or account, in the board's discretion, may reimburse any medical expense permissible under 26 U.S.C. sec. 213; or
 - c. A medical insurance reimbursement program established by the board through the promulgation of administrative regulation under which members purchase individual health insurance coverage through a health insurance exchange established under 42 U.S.C. sec. 18031 or 18041.
- (b) The board may authorize present and future recipients of a retirement allowance from any of the three (3) retirement systems to be included in the state employees' group for hospital and medical insurance and shall provide benefits for recipients equal to those provided to state employees having the same Medicare hospital and medical insurance eligibility status, except as provided in subsection (8) of this section. Notwithstanding the provisions of any other statute, recipients shall be included in the same class as current state employees in determining medical insurance policies and premiums.
- (c) For recipients of a retirement allowance who are not eligible for the same level of hospital and medical benefits as recipients living in Kentucky having the same Medicare hospital and medical insurance eligibility status, the board shall provide a medical insurance reimbursement plan as described in subsection (7) of this section.
- (d) Notwithstanding anything in KRS Chapter 61 to the contrary, the board of trustees, in its discretion, may take necessary steps to ensure compliance with 42 U.S.C. secs. 300bb-1 et seq., including but not limited to receiving contributions and premiums from, and providing benefits pursuant to this section to, persons entitled to continuation coverage under 42 U.S.C. secs. 300bb-1 et seq., regardless of whether such persons are recipients of a retirement allowance.
- (2) (a) Each employer participating in the State Police Retirement System as provided for in KRS 16.505 to 16.652, each employer participating in the County Employees Retirement System as provided in KRS 78.510 to 78.852, and each employer participating in the Kentucky Employees Retirement System as provided for in KRS 61.510 to 61.705 shall contribute to the Kentucky Retirement Systems insurance trust fund the amount necessary to provide hospital and medical insurance as provided for under this section. Such employer contribution rate shall be developed by appropriate actuarial method as a part of the determination of each respective employer contribution rate to each respective retirement system determined under KRS 61.565.
- (b)
 1. Each employer described in paragraph (a) of this subsection shall deduct from the creditable compensation of each member having a membership date on or after September 1, 2008, an amount equal to one percent (1%) of the member's creditable compensation. The deducted amounts shall be credited to accounts established pursuant to 26 U.S.C. sec. 401(h), within the funds established in KRS 16.510, 61.515, and 78.520.
 2. The employer shall file the contributions as provided by subparagraph 1. of this paragraph at the retirement office in accordance with KRS 61.675 and 78.625.  3. Each employer shall submit payroll reports, contributions lists, and other data as may be required by administrative regulation promulgated by the board of trustees pursuant to KRS Chapter 13A.
 4. Every member shall be deemed to consent and agree to the deductions made pursuant to this paragraph, and the payment of salary or compensation less the deductions shall be a full and complete discharge of all claims for services rendered by the person during the period covered by the payment, except as to any benefits provided by KRS 16.505 to 16.652, 61.510 to 61.705, and 78.510 to 78.852. No member may elect whether to participate in, or choose the contribution amount to accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520. The member shall have no option to receive the contribution required by this paragraph directly instead of having the contribution paid to accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520. No member may receive a rebate or refund of contributions. If a member establishes a

membership date prior to September 1, 2008, pursuant to KRS 61.552(1) or 61.552(20)~~[(23)]~~, then this paragraph shall not apply to the member and all contributions previously deducted in accordance with this paragraph shall be refunded to the member without interest. The contribution made pursuant to this paragraph shall not act as a reduction or offset to any other contribution required of a member or recipient under KRS 16.505 to 16.652, 61.510 to 61.705, and 78.510 to 78.852.

5. The board of trustees, at its discretion, may direct that the contributions required by this paragraph be accounted for within accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520 through the use of separate accounts.

 2. Wholly or partly from funds contributed by the Kentucky Retirement Systems insurance trust fund;
 3. Wholly or partly from funds contributed to accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520;
 4. Wholly or partly from funds contributed by another state-administered retirement system under a reciprocal arrangement, except that any portion of the premium paid from the Kentucky Retirement Systems insurance trust fund or accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520 under a reciprocal agreement shall not exceed the amount that would be payable under this section if all the member's service were in one (1) of the systems administered by the Kentucky Retirement Systems;
 5. Partly from subparagraphs 1. to 4. of this paragraph, except that any premium for hospital and medical insurance over the amount contributed by the Kentucky Retirement Systems insurance trust fund; accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520; or another state-administered retirement system under a reciprocal agreement shall be paid by the recipient by an automatic electronic transfer of funds. If the board provides for cross-referencing of insurance premiums, the employer's contribution for the working member or spouse shall be applied toward the premium, and the Kentucky Retirement Systems insurance trust fund or accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520 shall pay the balance, not to exceed the monthly contribution; or
 6. In full from the Kentucky Retirement Systems insurance trust fund or accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520 for all recipients of a retirement allowance from any of the three (3) retirement systems where such recipient is a retired former member of one (1) or more of the three (3) retirement systems (not a beneficiary or dependent child receiving benefits) and had two hundred and forty (240) months or more of service upon retirement. Should such recipient have less than two hundred forty (240) months of service but have at least one hundred eighty (180) months of service, seventy-five percent (75%) of such premium shall be paid from the insurance trust fund or accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520, provided such recipient agrees to pay the remaining twenty-five percent (25%) by payroll deduction from his retirement allowance or by another method. Should such recipient have less than one hundred eighty (180) months of service but have at least one hundred twenty (120) months of service, fifty percent (50%) of such premium shall be paid from the insurance trust fund or accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520, provided such recipient agrees to pay the remaining fifty percent (50%) by payroll deduction from his retirement allowance or by another method. Should such recipient have less than one hundred twenty (120) months of service but have at least forty-eight (48) months of service, twenty-five percent (25%) of such premium shall be paid from the insurance trust fund or accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520, provided such recipient agrees to pay the remaining seventy-five percent (75%) by payroll deduction from his retirement allowance or by another method. Notwithstanding the foregoing provisions of this subsection, an

employee participating in one (1) of the retirement systems administered by the Kentucky Retirement Systems who becomes disabled in the line of duty as defined in KRS 16.505(19) or 61.621, shall have his premium paid in full as if he had two hundred forty (240) months or more of service. Further, an employee participating in one (1) of the retirement systems administered by the Kentucky Retirement Systems who is killed in the line of duty as defined in KRS 16.505(19) or 61.621, shall have the premium for the beneficiary, if the beneficiary is the member's spouse, and for each dependent child paid so long as they individually remain eligible for a monthly retirement benefit. "Months of service" as used in this section shall mean the total months of combined service used to determine benefits under any or all of the three (3) retirement systems, except service added to determine disability benefits shall not be counted as "months of service." For current and former employees of the Council on Postsecondary Education who were employed prior to January 1, 1993, and who earn at least fifteen (15) years of service credit in the Kentucky Employees Retirement System, "months of service" shall also include vested service in another retirement system other than the Kentucky Teachers' Retirement System sponsored by the Council on Postsecondary Education.

- (b) 1. For a member electing insurance coverage through the Kentucky Retirement Systems, "months of service" shall include, in addition to service as described in paragraph (a) of this subsection, service credit in one (1) of the other state-administered retirement plans.
 - 2. Effective August 1, 1998, the Kentucky Retirement Systems shall compute the member's combined service, including service credit in another state-administered retirement plan, and calculate the portion of the member's premium to be paid by the insurance trust fund accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520, according to the criteria established in paragraph (a) of this subsection. Each state-administered retirement plan annually shall pay to the insurance trust fund the percentage of the system's cost of the retiree's monthly contribution for single coverage for hospital and medical insurance which shall be equal to the percentage of the member's number of months of service in the other state-administered retirement plan divided by his total combined service. The amounts paid by the other state-administered retirement plans and the insurance trust fund or accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520 shall not be more than one hundred percent (100%) of the monthly contribution adopted by the respective boards of trustees.
 - 3. A member may not elect coverage for hospital and medical benefits under this subsection through more than one (1) of the state-administered retirement plans.
 - 4. A state-administered retirement plan shall not pay any portion of a member's monthly contribution for medical insurance unless the member is a recipient or annuitant of the plan.
 - 5. The premium paid by the Kentucky Retirement Systems insurance trust fund or accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520 shall not exceed one hundred percent (100%) of the monthly contribution rate toward hospital and medical insurance coverage approved by the board of trustees of the Kentucky Retirement Systems.
- (4) (a) Group rates under the hospital and medical insurance plan shall be made available to the spouse, each dependent child, and each disabled child, regardless of the disabled child's age, of a recipient who is a former member or the beneficiary, if the premium for the hospital and medical insurance for the spouse, each dependent child, and each disabled child, or beneficiary is paid by payroll deduction from the retirement allowance or by another method. For purposes of this subsection only, a child shall be considered disabled if he has been determined to be eligible for federal Social Security disability benefits or meets the dependent disability standard established by the Department of Employee Insurance in the Personnel Cabinet.
 - (b) The other provisions of this section notwithstanding, the insurance trust fund or accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520 shall pay a percentage of the monthly contribution for the spouse and for each dependent child of a recipient who was a member of the General Assembly and is receiving a retirement allowance based on General Assembly service, of the Kentucky Employees Retirement System and determined to be in a hazardous position, of the County Employees Retirement System, and determined to be in a hazardous position or of the State Police Retirement System. The percentage of the monthly contribution paid for the spouse and each dependent child of a recipient who was in a hazardous position shall be based solely on the

member's service with the State Police Retirement System or service in a hazardous position using the formula in subsection (3)(a) of this section, except that for any recipient of a retirement allowance from the County Employees Retirement System who was contributing to the system on January 1, 1998, for service in a hazardous position, the percentage of the monthly contribution shall be based on the total of hazardous service and any nonhazardous service as a police or firefighter with the same agency, if that agency was participating in the County Employees Retirement System but did not offer hazardous duty coverage for its police and firefighters at the time of initial participation.

- (c) The insurance trust fund or accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, KRS 61.515, and 78.520 shall continue the same level of coverage for a recipient who was a member of the County Employees Retirement System after the age of sixty-five (65) as before the age of sixty-five (65), if the recipient is not eligible for Medicare coverage. If the insurance trust fund or accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520 provides coverage for the spouse or each dependent child of a former member of the County Employees Retirement System, the insurance trust fund or accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520 shall continue the same level of coverage for the spouse or each dependent child after the age of sixty-five (65) as before the age of sixty-five (65), if the spouse or dependent child is not eligible for Medicare coverage.
- (5) After July 1, 1998, notwithstanding any other provision to the contrary, a member who holds a judicial office but did not elect to participate in the Judicial Retirement Plan and is participating instead in the Kentucky Employees Retirement System, the County Employees Retirement System, or the State Police Retirement System, as provided in KRS 61.680, and who has at least twenty (20) years of total service, one-half (1/2) of which is in a judicial office, shall receive the same hospital and medical insurance benefits, including paid benefits for spouse and dependents, as provided to persons retiring under the provisions of KRS 21.427. The Administrative Office of the Courts shall pay the cost of the medical insurance benefits provided by this subsection.
- (6) Premiums paid for hospital and medical insurance coverage procured under authority of this section shall be exempt from any premium tax which might otherwise be required under KRS Chapter 136. The payment of premiums by the insurance trust fund or accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520 shall not constitute taxable income to an insured recipient. No commission shall be paid for hospital and medical insurance procured under authority of this section.
- (7) The board shall promulgate an administrative regulation to establish a medical insurance reimbursement plan to provide reimbursement for hospital and medical insurance premiums of recipients of a retirement allowance who are not eligible for the same level of hospital and medical benefits as recipients living in Kentucky and having the same Medicare hospital and medical insurance eligibility status. An eligible recipient shall file proof of payment for hospital and medical insurance at the retirement office. Reimbursement to eligible recipients shall be made on a quarterly basis. The recipient shall be eligible for reimbursement of substantiated medical insurance premiums for an amount not to exceed the total monthly premium determined under subsection (3) of this section. The plan shall not be made available if all recipients are eligible for the same coverage as recipients living in Kentucky.

- (1) (a) For purposes of this section and KRS 224.46-580(7), special wastes are those wastes of high volume and low hazard which include but are not limited to mining wastes, utility wastes (fly ash, bottom ash, scrubber sludge), wastes from coal gasification facilities (vitrified coarse solid residues, prilled or blocked sulfur) approved by the cabinet based on submittal of appropriate testing demonstrating that the wastes are of low hazard, sludge from water treatment facilities and wastewater treatment facilities, cement kiln dust, gas and oil drilling muds, and oil production brines. Other wastes may be designated special wastes by the cabinet;
- (b) Disposal sites or facilities for special wastes shall be exempt from the provisions of KRS 224.46-520 and the provisions of KRS 224.43-810, 224.43-815, and KRS 224.46-820 to 224.46-870 but may be regulated by the cabinet consistent with the Resource Conservation and Recovery Act of 1976, as amended (Pub. L. 94-580), and regulations issued pursuant thereto, unless the special waste received is listed or meets the criteria of a hazardous waste in regulations pursuant to KRS 224.46-510(3). If the special waste is a hazardous waste as specified in regulations pursuant to KRS 224.46-510(3), the site or facility shall be required by the cabinet to comply with the provisions of KRS 224.46-520 but shall not be subject to the requirements of KRS 224.40-310(6);
- (c) Generators of special wastes shall register with the cabinet and be subject to the provisions of KRS 224.46-510, except for generators of coal mining wastes which shall be regulated pursuant to the provisions of KRS Chapter 350;
- (d) The cabinet shall, when promulgating regulations affecting special waste, recognize special waste as a separate and distinct indivisible category and shall recognize the distinct differences between the category of special wastes and other hazardous wastes and solid wastes as defined in KRS 224.1-010(31)(a) and 109.012(~~12~~)(~~9~~) due to the fact that special wastes have large volume but low hazardousness. The cabinet's regulations for the generation, transport, recordkeeping, reporting, treatment, storage, and disposal shall reflect those distinct differences. The cabinet's regulations shall recognize and incorporate, where appropriate, and if consistent with the policies of KRS 224.46-510 to 224.46-570, any deadline extensions, studies, and specialized requirements for specific kinds of special wastes that are or may be undertaken at the federal or other levels of government; and
- (e) It is the intent of the General Assembly that the processing of sludge from water treatment facilities and wastewater treatment facilities by composting shall be considered an industrial process. The cabinet shall, when promulgating administrative regulations affecting sludge from water treatment facilities and wastewater treatment facilities, consider the treatment of this sludge by composting as an industrial process. The provisions of this paragraph and subsection (3) of this section shall not apply to a city, county, urban-county government, charter county government, or special district as defined in KRS Chapter 65, or to a public or private college or university that processes its own water treatment or wastewater treatment sludge by composting on property owned or leased by the city, county, urban-county government, charter county government, special district, or public or private college or university.

- (2) Generators of waste oil shall be exempt from the provisions of KRS 224.46-510 and 224.46-520 so long as waste oil is not specified as a hazardous waste in regulations pursuant to KRS 224.46-510(3) but may be regulated by the cabinet consistent with the Resource Conservation and Recovery Act of 1976, as amended (Pub. L. 94-580), and regulations issued pursuant thereto.
- (3) A permit application to establish, operate, or modify a composting site or composting facility for the processing of water treatment sludge or wastewater treatment sludge, shall require immediately the general public notice provided for in KRS 224.40-310(4) and (5). If a hearing is requested, no permit to establish, operate, or modify a composting site or facility shall be issued prior to the public hearing. The hearing shall be held within the county where the composting site or facility is located or proposed. Composting of this sludge shall be considered an industrial process.

The cabinet shall, on an annual basis, remit the voluntary contributions to the appropriate group identified to be used for the declared purpose stated under subsection (13) of this section. No other question shall be presented to the voters of any limited sale precinct.
 - (c) The votes of each limited sale precinct shall be counted separately, and, if a majority of the votes cast in the limited sale precinct are in favor of continuing the sale of alcoholic beverages *in the precinct*~~therein~~ as a limited sale precinct, then the status shall continue within the precinct, except that if the city or the county in which the limited sale precinct is located votes wet in the remainder of the city or the county, the limited sale precinct status of any precinct may be terminated by the governing body of the city or the county and~~thereafter~~ the status of the precinct shall be the same as that in effect for the remainder of the city or the county.

2. If an employee returns to work at a weekly wage equal to or greater than the average weekly wage at the time of injury, the weekly benefit for permanent partial disability shall be determined under paragraph (b) of this subsection for each week during which that employment is sustained. During any period of cessation of that employment, temporary or permanent, for any reason, with or without cause, payment of weekly benefits for permanent partial disability during the period of cessation shall be two (2) times the amount otherwise payable under paragraph (b) of this subsection. This provision shall not be construed so as to extend the duration of payments.
3. Recognizing that limited education and advancing age impact an employee's post-injury earning capacity, an education and age factor, when applicable, shall be added to the income benefit multiplier set forth in paragraph (c)1. of this subsection. If at the time of injury, the employee had less than eight (8) years of formal education, the multiplier shall be increased by four-tenths (0.4); if the employee had less than twelve (12) years of education or a **High School Equivalency Diploma**~~[high school General Educational Development diploma]~~, the multiplier shall be increased by two-tenths (0.2); if the employee was age sixty (60) or older, the multiplier shall be increased by six-tenths (0.6); if the employee was age fifty-five (55) or older, the multiplier shall be increased by four-tenths (0.4); or if the employee was age fifty (50) or older, the multiplier shall be increased by two-tenths (0.2).

Benefits payable for permanent partial disability shall not exceed ninety-nine percent (99%) of sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage as determined under KRS 342.740 and shall not exceed seventy-five percent (75%) of the state average weekly wage, except for benefits payable pursuant to paragraph (c)1. of this subsection, which shall not exceed one hundred percent (100%) of the state average weekly wage, nor shall benefits for permanent partial disability be payable for a period exceeding five hundred twenty (520) weeks, notwithstanding that multiplication of impairment times the factor set forth in paragraph (b) of this subsection would yield a greater percentage of disability.
- (e) For permanent partial disability, impairment for nonwork-related disabilities, conditions previously compensated under this chapter, conditions covered by KRS 342.732, and hearing loss covered in KRS 342.7305 shall not be considered in determining the extent of disability or duration of benefits under this chapter.
- (2) The period of any income benefits payable under this section on account of any injury shall be reduced by the period of income benefits paid or payable under this chapter on account of a prior injury if income benefits in both cases are for disability of the same member or function, or different parts of the same member or function, and the income benefits payable on account of the subsequent disability in whole or in part would duplicate the income benefits payable on account of the pre-existing disability.
- (3) Subject to the limitations contained in subsection (4) of this section, when an employee, who has sustained disability compensable under this chapter, and who has filed, or could have timely filed, a valid claim in his or her lifetime, dies from causes other than the injury before the expiration of the compensable period specified, portions of the income benefits specified and unpaid at the individual's death, whether or not accrued or due at

his or her death, shall be paid, under an award made before or after the death, for the period specified in this section, to and for the benefit of the persons within the classes at the time of death and in the proportions and upon the conditions specified in this section and in the order named:

- (a) To the widow or widower, if there is no child under the age of eighteen (18) or incapable of self-support, benefits at fifty percent (50%) of the rate specified in the award; or

Where there are more than two (2) such children, the indemnity benefits payable on account of two (2) children shall be divided among all the children, share and share alike; or
 - (c) If there is no widow or widower but such a child or children, then to the child or children, fifty percent (50%) of the benefits specified in the award to one (1) child, and fifteen percent (15%) of those benefits to a second child, to be shared equally. If there are more than two (2) such children, the indemnity benefits payable on account of two (2) children shall be divided equally among all the children; or
 - (d) If there is no survivor in the above classes, then the parent or parents wholly or partly actually dependent for support upon the decedent, or to other wholly or partly actually dependent relatives listed in paragraph (g) of subsection (1) of KRS 342.750, or to both, in proportions that the commissioner provides by administrative regulation.

- (4) All income benefits payable pursuant to this chapter shall terminate as of the date upon which the employee qualifies for normal old-age Social Security retirement benefits under the United States Social Security Act, 42 U.S.C. secs. 301 to 1397f, or two (2) years after the employee's injury or last exposure, whichever last occurs. In like manner all income benefits payable pursuant to this chapter to spouses and dependents shall terminate when such spouses and dependents qualify for benefits under the United States Social Security Act by reason of the fact that the worker upon whose earnings entitlement is based would have qualified for normal old-age Social Security retirement benefits.
 - (5) All income benefits pursuant to this chapter otherwise payable for temporary total and permanent total disability shall be offset by unemployment insurance benefits paid for unemployment during the period of temporary total or permanent total disability.
 - (6) All income benefits otherwise payable pursuant to this chapter shall be offset by payments made under an exclusively employer-funded disability or sickness and accident plan which extends income benefits for the same disability covered by this chapter, except where the employer-funded plan contains an internal offset provision for workers' compensation benefits which is inconsistent with this provision.
 - (7) If an employee receiving a permanent total disability award returns to work, that employee shall notify the employer, payment obligor, insurance carrier, or special fund as applicable.

The program must be approved under administrative regulations to be promulgated by the commissioner. These benefits shall also be paid to an employee who is a part-time student taking not less than the equivalent of six (6) nor more than eleven (11) credit hours per week, except that benefits shall be an amount equal to thirty-three and one-third percent (33-1/3%) of the employee's average weekly wage as determined by KRS 342.740, but not more than thirty-seven and one-half percent (37-1/2%) of the state average weekly wage, payable biweekly for a period not to exceed two hundred eight (208) weeks.

3. These benefits shall also be paid biweekly while an employee is actively and successfully pursuing a **High School Equivalency Diploma**~~[General Equivalency Diploma (GED)]~~ in accordance with administrative regulations promulgated by the commissioner. These benefits shall be paid in the amount of sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage not to exceed seventy-five percent (75%) of the state average weekly wage for a maximum period not to exceed seventeen (17) weeks. These income benefits shall be in addition to the maximum amount of retraining incentive benefits payable under this paragraph.

 5. The period of weeks during which this benefit is payable shall begin no later than the thirtieth day after the administrative law judge's order awarding the benefit becomes final, except that an employee may elect to defer the beginning of such benefits up to the three hundred sixty-fifth day following the thirtieth day the order becomes final. Unless the employee has requested deferral of income benefits, those income benefits payable under subparagraphs 1. and 2. of this paragraph shall begin no later than thirty (30) days following conclusion of income benefits paid under subparagraph 3. if such benefits were paid.
 6.  8. A claim for retraining incentive benefits provided under this section may be filed, but benefits shall not be payable, while an employee is employed in the severance or processing of coal as defined in KRS 342.0011(23).
 9. If an employer appeals an award of retraining incentive benefits, upon an employee's motion, an administrative law judge may grant retraining incentive benefits pending appeal as interlocutory relief.

- (b) 1. If an employee has a radiographic classification of category 1/0, 1/1, or 1/2 coal workers' pneumoconiosis and respiratory impairment evidenced by spirometric test values of fifty-five percent (55%) or more but less than eighty percent (80%) of the predicted normal values, or category 2/1, 2/2, or 2/3 coal workers' pneumoconiosis and spirometric test values of eighty

percent (80%) or more of the predicted normal values, there shall be an irrebuttable presumption that the employee has a disability rating of twenty-five percent (25%) resulting from exposure to coal dust, and the employee shall be awarded an income benefit which shall be an amount equal to sixty-six and two-thirds percent ($66\frac{2}{3}\%$) of the employee's average weekly wage, but not to exceed seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740 multiplied by the disability rating of twenty-five percent (25%). The award shall be payable for a period not to exceed four hundred twenty-five (425) weeks.

The award shall be payable for a period not to exceed four hundred twenty-five (425) weeks;
 - (d) If it is determined that an employee has a radiographic classification of category 2/1, 2/2, or 2/3 coal workers' pneumoconiosis, based on the latest ILO International Classification of Radiographics, and respiratory impairment as evidenced by spirometric test values of less than fifty-five percent (55%) of the predicted normal values or category 3/2 or 3/3 pneumoconiosis and respiratory impairment evidenced by spirometric test values of fifty-five percent (55%) or more but less than eighty percent (80%) of the predicted normal values, there shall be an irrebuttable presumption that the employee has a seventy-five percent (75%) disability rating resulting from exposure to coal dust and the employee shall be awarded income benefits which shall be equal to sixty-six and two-thirds percent ($66\frac{2}{3}\%$) of the employee's average weekly wage but not to exceed seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740 multiplied by the disability rating of seventy-five percent (75%). The award shall be payable for a period not to exceed five hundred twenty (520) weeks. Income benefits awarded under this paragraph shall be payable to the employee during the disability; and
 - (e) If it is determined that an employee has radiographic classification of 3/2 or 3/3 occupational pneumoconiosis and respiratory impairment evidenced by spirometric test values of less than fifty-five percent (55%) of the predicted normal values, or complicated pneumoconiosis (large opacities category A, B, or C progressive massive fibrosis), there shall be an irrebuttable presumption that the employee is totally disabled resulting from exposure to coal dust, and the employee shall be awarded income benefits equal to sixty-six and two-thirds percent ($66\frac{2}{3}\%$) of the employee's average weekly wage but not more than one hundred percent (100%) of the state average weekly wage and not less than twenty percent (20%) of the average weekly wage of the state as determined by KRS 342.740. Income benefits awarded under this paragraph shall be payable to the employee during such disability.
- (2) The presence of respiratory impairment resulting from exposure to coal dust shall be established by using the largest forced vital capacity (FVC) value or the largest forced expiratory volume in one second (FEV1) value determined from the totality of all such spirometric testing performed in compliance with accepted medical standards.
 - (3) When valid spirometric tests are not provided and a physician certifies to the administrative law judge that spirometric testing is not medically indicated because of the permanent physical condition of the employee, the administrative law judge shall make his or her decision on the basis of evidence admitted which establishes the existence of a diagnosis of occupational pneumoconiosis and respiratory impairment due to the occupational pneumoconiosis. The evidence submitted by the employee shall include one (1) or more arterial blood gas

studies performed in accordance with accepted medical standards. Income benefits shall not be awarded in the absence of valid spirometric tests if the claimant's PO2 arterial blood gas value is equal to or higher than one (1) standard deviation from the normal value obtained by the formula $(103.5 - 0.42X)$, where X equals the claimant's age at the time of the arterial blood gas study.

- (4) Upon request, the commissioner shall refer an employee who has been awarded retraining incentive benefits under subsection (1)(a) of this section to the Office of Vocational Rehabilitation for evaluation and assessment of the training, education, or other services necessary to prepare the employee for a trade, occupation, or profession that will return the employee to remunerative employment, or services necessary and appropriate to prepare and enable the employee to successfully complete a bona fide training or education program approved by the commissioner. - (6) Upon completion of the investigator's report, the claim shall be assigned to a *commission*~~[board]~~ member who may decide the claim in favor of a claimant in the amount claimed on the basis of the papers filed in support thereof and the report of the investigation of the claim within thirty (30) days of the assignment of the claim. In such case the *commission*~~[board]~~ shall summarily deny the claim and the claimant or victim shall be forever barred from reasserting the claim. The *commission*~~[board]~~ may remit such proceedings on good cause shown that the failure to take the steps required by the *commission*~~[board]~~ was totally and completely beyond the control of the claimant or victim.

- (a) Criminally injurious conduct occurred;
 - (b) Such criminally injurious conduct resulted in personal physical or psychological injury to, or death of, the victim; and
 - (c) Police or court records show that such crime was promptly reported to the proper authorities; and in no case may an award be made where the police or court records show that such report was made more than forty-eight (48) hours after the occurrence of such crime unless the *commission*~~[board]~~, for good cause shown, finds the delay to have been justified.
- (2) Except for claims related to sexual assault and domestic violence, the *commission* ~~[board]~~ upon finding that the claimant or victim has not fully cooperated with appropriate law enforcement agencies shall deny, reconsider, or reduce an award.

The wage earner or source of support must have been employed or paying support at the time the crime occurred. Said employment or support shall be verified by the staff of the **commission**~~board~~ after information is provided by the claimant or victim. Should the claimant or victim fail to supply the **commission**~~board~~ with the information requested, the portion of the claim for lost wages or support shall be denied. If there are two (2) or more persons entitled to an award as a result of the injury or death of a person which is the direct result of criminally injurious conduct, the award shall be apportioned by the **commission**~~board~~ among the claimants.

The **commission**~~board~~ or **commission**~~board~~

members may request that either the county attorney or Commonwealth's attorney or both state whether in their opinion, the victim suffered injuries as the result of a crime and has cooperated with the prosecution and law enforcement authorities. The ~~commission~~~~board~~ or ~~commission~~~~board~~ member shall not be bound by such opinions and recommendations and if needed may order a further investigation of the claim.

- (3) The ~~commission~~~~board~~ or ~~commission~~~~board~~ member may consider whether the victim's injuries were the ordinary and foreseeable result of unlawful and criminal activities in determining the claimant's eligibility for an award. The following rules, principles, or requirements shall apply in the administration of all taxes subject to the jurisdiction of the Department of Revenue.

- (1) The department shall develop and implement a Kentucky tax education and information program directed at new taxpayers, taxpayer and industry groups, and department employees to enhance the understanding of and compliance with Kentucky tax laws, including the application of new tax legislation to taxpayer activities and areas of recurrent taxpayer noncompliance or inconsistency of administration.
- (2) The department shall publish brief statements in simple and nontechnical language which explain procedures, remedies, and the rights and obligations of taxpayers and the department. These statements shall be provided to taxpayers with the initial notice of audit; each original notice of tax due; each denial or reduction of a refund or credit claimed by a taxpayer; each denial, cancellation, or revocation of any license, permit, or other required authorization applied for or held by a taxpayer; and, if practical and appropriate, in informational publications by the department distributed to the public.
- (3) Taxpayers shall have the right to be assisted or represented by an attorney, accountant, or other person in any conference, hearing, or other matter before the department. The taxpayer shall be informed of this right prior to conduct of any conference or hearing.
- (4) The department shall perform audits and conduct conferences and hearings only at reasonable times and places.
- (5) Taxpayers shall have the right to make audio recordings of any conference with or hearing by the department. The department may make similar audio recordings if prior written notice is given to the taxpayer or if the taxpayer records the conference or hearing. The taxpayer shall be entitled to a copy of this department recording or a transcript as provided in KRS 61.874.
- (6) If any taxpayer's failure to submit a timely return or payment to the department is due to the taxpayer's reasonable reliance on written advice from the department, the taxpayer shall be relieved of any penalty or interest with respect thereto, provided the taxpayer requested the advice in writing from the department and the specific facts and circumstances of the activity or transaction were fully described in the taxpayer's request, the department did not subsequently rescind or modify the advice in writing, and there were no subsequent changes in applicable laws or regulations or a final decision of a court which rendered the department's earlier written advice no longer valid.

- (7) Taxpayers shall have the right to receive a copy of any audit of the department by the Auditor of Public Accounts relating to the department's compliance with the provisions of KRS 131.041 to 131.081.

Taxpayers shall be similarly notified regarding the denial or reduction of any refund or credit claim filed by a taxpayer.
- (9)
 - (a) Taxpayers shall have the right to an installment payment agreement for the payment of delinquent taxes, penalties, and interest owed, provided the taxpayer requests the agreement in writing clearly demonstrating:
 - 1. His or her inability to pay in full; and
 - 2. That the agreement will facilitate collection by the department of the amounts owed.
 - (b) The department may modify or terminate an installment payment agreement and may pursue statutory remedies against the taxpayer if it determines that:
 - 1. The taxpayer has not complied with the terms of the agreement, including minimum payment requirements established by the agreement;
 - 2. The taxpayers' financial condition has sufficiently changed;
 - 3. The taxpayer fails to provide any requested financial condition update information;
 - 4. The taxpayer gave false or misleading information in securing the agreement; or
