CHAPTER 139

(HB 294)

AN ACT relating to the disclosure of damages by motor vehicle dealers.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 186A.540 is amended to read as follows:

- (1) An individual, or a dealer required to be licensed pursuant to KRS Chapter 190, shall disclose all damages to a motor vehicle:
 - (a) Of which the individual or the dealer has direct knowledge;
 - (b) Which result in repairs, **for items other than wheels, tires, or glass,** ~~for repair estimates~~ that exceed **two thousand**~~one thousand~~ dollars **(\$2,000)**~~(\$1,000)~~; and
 - (c) That occur while the motor vehicle is in the individual's or the dealer's possession and prior to delivery to a purchaser.
- (2) Disclosure under this section shall be in writing and shall require the purchaser's signature acknowledging the disclosure of damages.

➔Section 2. KRS 190.0491 is amended to read as follows:

- (1) "Delivery" of a motor vehicle to a dealer by a manufacturer or distributor for the purposes of this section shall be accomplished by the:
 - (a) Tender of the motor vehicle and any documents necessary to enable the dealer to obtain title and possession of the motor vehicle at the dealer's place of business or designated place of delivery, and
 - (b) The giving of notice of the tender of the motor vehicle and documents to the dealer.
- (2) Whenever a motor vehicle is damaged while in transit when the carrier or the means of transportation is designated by the manufacturer or distributor, or whenever a motor vehicle is otherwise damaged prior to delivery to the dealer, the dealer must:
 - (a) Notify the manufacturer or distributor of the damage within three (3) working days of the occurrence of the delivery of the motor vehicle as defined in subsection (1) of this section; and
 - (b) Request from the manufacturer or distributor authorization to repair the damages sustained or to replace the parts or accessories damaged.

Notification of damage by the dealer must be by certified mail, with a notice of delivery requested to be returned to the dealer, and shall be presumed to have occurred upon deposit of the notice with the United States Postal Service.

- (3) In the event the manufacturer or distributor refuses or fails to authorize repair or replacement of the damage within three (3) working days of notification of damage by the dealer, ownership of the motor vehicle shall revert to the manufacturer or distributor, and the dealer shall incur no obligations, financial or otherwise, for the damage to the motor vehicle. In determining when the notification of the damage by the dealer to the manufacturer or distributor occurs, the date the notice is received by the manufacturer or distributor by the United States Postal Service indicated on the notice of delivery returned to the dealer shall be controlling.
- (4) In computing the lapse of three (3) working days under this section, the day of the occurrence of delivery of the motor vehicle to the dealer by the manufacturer or distributor, as defined in subsection (1) of this section, or the day of notification of the damage to the manufacturer or distributor by the dealer, as described in

subsection (3) of this section, shall not be included, but the last working day of the period so computed shall be included.

- (5) Prior to the sale of any motor vehicle damaged prior to delivery to the dealer as described in subsection (2) of this section, excluding damage to glass, tires, and bumpers when replaced by identical manufacturer's original equipment and any damage not exceeding six percent (6%) of the sticker price of the vehicle, the occurrence and extent of the damage must be disclosed by the dealer to the consumer, and upon repair of the damage sustained, or replacement of the parts or accessories damaged, the manufacturer and/or dealer, must certify to the consumer that the motor vehicle has been repaired or remanufactured to the manufacturer's standards; if the dealer makes the certification he shall be indemnified by the manufacturer. Upon this certification, liability for any concealed damages then remaining with the motor vehicle shall lie with the manufacturer.
- (6) Whenever a motor vehicle is damaged resulting in repairs, *for items other than wheels, tires, or glass*, ~~for repair estimates that exceed two thousand [one thousand] dollars (\$2,000) [(\$1,000)]~~ after delivery to the dealer by the manufacturer or distributor, as defined in subsection (1) of this section, but before sale by the dealer to the consumer, the occurrence and extent of the damage must be disclosed by the dealer to the consumer prior to a sale, and upon repair of the damage sustained, or replacement of parts or accessories damaged, the dealer must certify to the consumer that this motor vehicle has been repaired or remanufactured according to the manufacturer's standards. Upon this certification, liability for any concealed damages then remaining with the motor vehicle shall lie with the dealer.
- (7) Notwithstanding the terms of any franchise agreement, it shall be a violation of this section for any new motor vehicle manufacturer to fail to indemnify and hold harmless its franchised dealers against any judgment or settlement agreed to in writing by the manufacturer for damages, including, but not limited to, court costs and reasonable attorneys' fees of the new motor vehicle dealer, arising out of complaints, claims, or lawsuits including, but not limited to, strict liability, negligence, misrepresentation, warranty (express or implied), or rescission of the sale as is defined in KRS 355.2-608, to the extent that the judgment or settlement agreed to in writing by the manufacturer relates to the alleged defective or negligent manufacture, assembly, or design of new motor vehicles, parts, or accessories or other functions by the manufacturer, beyond the control of the dealer.

Signed by Governor March 27, 2017.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 165A.350 is amended to read as follows:

- (1) No person shall solicit or perform the services of an agent in this state for a proprietary school, located either within or without this state, unless the school shall have been issued by the commission a certificate of approval or a certificate of registration pursuant to KRS 165A.310 to 165A.410 and the person shall have been issued an agent's permit for said proprietary school.
- (2) No person shall be issued an agent's permit unless he is an individual of good moral character as determined by the commission.
- (3) Except as otherwise provided, no person shall be issued an agent's permit unless he shall make application upon forms to be provided by the commission, and unless the application shall be accompanied by a fee as established by the commission and a good and sufficient surety bond or other collateral as required by the commission but not less than five thousand dollars (\$5,000).
- (4) (a) The surety bond or other collateral shall be conditioned ***by the commission to recover all necessary administrative costs, including but not limited to costs for the acquisition, permanent filing, and maintenance of student records of the proprietary school*** or to provide indemnification to any student or enrollee ***or the student's or enrollee's parent or guardian suffering***~~who shall suffer~~ loss or damage as a result of ***any*** fraud or misrepresentation ~~used to the student or enrollee~~ in procuring his enrollment in a course or courses of instruction or study offered or maintained by the proprietary school, ***or as a result of the student being unable to complete the course or courses because the proprietary school ceased operations.*** The amount of liability on the surety bond or other collateral shall cover each agent each school year, as the term "school year" is defined in KRS 165A.310. Regardless of the number of years that an agent's bond is in force, the aggregate liability of the surety bond shall not exceed the penal sum of the bond. The surety bond may be continuous.
- (b) Any claimant may file with the commission a duly verified claim against an agent. The commission shall consider complaints in a timely manner after ten (10) days' written notice by certified mail, return receipt requested, to the licensee of the complaint giving time and place of hearing thereon and if the claim is found to be correct and due to the claimant, and if the commission cannot effect a settlement by persuasion and conciliation, the commission shall make a demand upon the principal on the bond and the surety thereon, and if not paid shall bring an action on the bond in any court of record within the State of Kentucky.
- (5) The surety bond may be of blanket form to cover more than one (1) agent for a proprietary school, but it shall provide the required minimum coverage for each agent.
- (6) A surety on the bond may be released therefrom after the surety shall make a written notice thereof directed to the commission at least thirty (30) days prior to release.

- (7) The surety bond shall cover the period of the agent's permit, except when a surety shall be released in the manner provided herein.
- (8) Notwithstanding the provisions of other sections, the commission may issue an agent's permit to each person who is an owner of more than ten percent (10%) legal interest in a proprietary school located in this state and who is a resident of this state, and no owner shall be required to pay the agent's permit fee or execute an agent's surety bond as otherwise required by this section, if the proprietary school shall have been issued a certificate of approval pursuant to the provisions of KRS 165A.310 to 165A.410.
- (9) The commission may issue a conditional license on a monthly basis for up to a nine (9) month period of time.
- (10) An agent's permit shall be suspended by operation of law when the agent is no longer covered by a surety bond or other collateral is withdrawn as required by KRS 165A.310 to 165A.410; but the commission shall cause the agent to receive at least ten (10) days' written notice prior to the release of his surety to the effect that the permit shall be suspended by operation of law until another surety bond or other collateral shall be filed in the same manner and like amount as required by the commission.
- (11) An agent's permit shall be valid for a period of one (1) school year as herein defined, except when suspended or canceled pursuant to these provisions. An agent's permit may be renewed in the same manner and under the same conditions prescribed for the issuance of an initial agent's permit.
- (12) The owner or owners of the proprietary school shall be held responsible for all actions of their agents when performing their duties as agents.

➔Section 2. KRS 165A.360 is amended to read as follows:

- (1) No person shall maintain or operate a proprietary school located and doing business within this state until said school shall have been issued a certificate of approval by the commission pursuant to the provisions of KRS 165A.310 to 165A.410. No person shall maintain or operate a proprietary school located without this state and do business within this state until said school shall have been issued a certificate of approval or a certificate of registration by the commission pursuant to the provisions of KRS 165A.310 to 165A.410. No certificate of approval shall be issued by the commission to any proprietary school which denies enrollment in said school to any pupil, on account of race, color, or creed. The Kentucky Commission on Human Rights shall have power to make investigation as to discriminatory practices of any proprietary school and shall report thereon to the commission, and said commission shall, upon report that any such school is engaging in discriminatory practices, deny or suspend a certificate of such school in accordance with the provisions of this section and after notice and public hearing as required herein.
- (2) No proprietary school shall be issued a certificate unless it shall make application, through its officers or an owner, upon forms to be provided by the commission, and unless the application shall be accompanied by a fee as established by the commission and a good and sufficient surety bond or other collateral in a penal sum of not less than twenty thousand dollars (\$20,000).
- (3)
 - (a) The surety bond or other collateral shall be conditioned ***by the commission to recover all necessary administrative costs, including but not limited to costs for the acquisition, permanent filing, and maintenance of student records of the school*** or to provide indemnification to any student or enrollee or his parent or guardian suffering loss or damage as a result of any fraud or misrepresentation used in procuring his enrollment or as a result of any fraud or misrepresentation as represented by the application for the certificate, or as a result of the student being unable to complete the course or courses because the school ceased operations. Such indemnification shall, in no case, exceed the advanced tuition paid or to be paid by said student or students or any such parent or guardian and regardless of the number of years that a school's bond is in force, the aggregate liability of the surety bond shall, in no event, exceed the penal sum of the bond. The surety bond may be continuous.
 - (b) Any claimant may file with the commission a duly verified claim against a proprietary school. The commission shall consider complaints in a timely manner after ten (10) days' written notice by certified mail, return receipt requested, to such school of said complaint giving time and place of hearing thereon and, if such claim is found to be correct and due to the claimant and if the commission cannot effect a settlement by persuasion and conciliation, the commission shall make a demand upon the principal on such bond and the surety thereon, and if not paid may bring an action on such bond in any court of record within the State of Kentucky.
- (4) A surety on said bond may be released therefrom after said surety shall have made a written notice thereof directed to the commission at least thirty (30) days prior to said release.

- (5) The surety bond shall cover the period of the certificate except when said surety shall be released in the manner as provided by this section.
- (6)
 - (a) The certificate shall be suspended by operation of law when said proprietary school is no longer covered by a surety bond or other collateral as required by this section; but the commission shall cause said proprietary school to receive at least ten (10) days' written notice prior to the release of said surety to the effect that said approval shall be suspended by operation of law until another surety bond shall be filed in the same manner and like amount as required for the initial surety bond.
 - (b) The certificate shall be suspended by operation of law at any time any certified proprietary school shall deny enrollment in said school to any pupil, on account of race, color, or creed.
- (7) The application for a certificate shall be accompanied by such supporting documents as the commission may require. The application and accompanying data shall be certified as true and correct in content and policy by the chief executive officer of said proprietary school.
- (8) A certificate shall be valid for a period of one (1) school year. A certificate may be renewed in the same manner and under the conditions prescribed by the commission.
- (9) Certificates are transferable to another owner. If a change of ownership occurs, the new owner shall within ten (10) days, reexecute and affirm the application for certificate of approval or certificate of registration and the information therein, governing said certificate in effect at the time of sale. The commission may establish a reasonable fee for the recording and processing of such changes.
- (10) The bonding or other collateral requirements herein set forth may be reduced at the sole discretion of the commission upon a showing by the proprietary school that they are excessive in the case of any particular proprietary school.
- (11)
 - (a) Contracts by and between a proprietary school operating or doing business within this state and a student are voidable at the option of the student unless said school has been previously issued a certificate by the commission.
 - (b) No proprietary school operating or doing business within this state shall be entitled to any money collected from students, in whatever manner collected, unless said school has been previously issued a certificate by the commission.
 - (c) Contracts by and between a proprietary school operating or doing business within this state which are entered into prior to the issuance of a certificate by the commission, shall be voidable at the option of the student notwithstanding any subsequent issuance of a certificate to the school by the commission.
 - (d) Restitution of any money paid by a student under a contract voided pursuant to this section, may be obtained through action brought by the student in either District Court or Circuit Court in the county of the student's residence or other appropriate court, at the option of the student.

➔Section 3. Whereas properly conditioned surety bonds are necessary in order to provide immediate assistance to the Kentucky Commission on Proprietary Education to better carry out its duties, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

Signed by Governor March 27, 2017.

according to the definition in KRS 424.110 to 424.120, in the county wherein the proposed mining site is located.

- (2) The applicant shall publish the notice of intention to mine in the newspaper identified in subsection (1) at least once a week for four (4) consecutive weeks beginning at the time of submission of an application for a surface coal mining operation permit, pursuant to regulations promulgated by the cabinet.
- (3) The public notice of the filing of an application shall be entitled "Notice of Intention to Mine" and shall be in a manner and form prescribed by the cabinet and shall include, though not be limited to, the following:
 - (a) The name and address of the applicant;
 - (b) The location, ownership, and boundaries of the proposed *permit area*~~[mining site]~~.
- (4) A copy of the newspaper advertisement of the applicant's "Notice of Intention to Mine" shall be filed with the cabinet and made a part of the complete application within a reasonable time after the last date of publication.
- (5) The cabinet shall notify various local government bodies, planning agencies, and sewage and water treatment authorities and water companies in the locality of the proposed operation notifying them of the applicant's intention to mine the land area as set forth in the notice of intention to mine, and identifying the permit application number assigned by the cabinet and where a copy of the permit application may be inspected. The secretary shall promulgate regulations specifying the manner in which the agencies may comment on the application. Any comments put forward pursuant to this section shall immediately be forwarded by the cabinet to the applicant and shall be made available to the public at the same places as the permit application is available.

➔Section 2. KRS 350.060 is amended to read as follows:

- (1)
 - (a) No person shall engage in surface coal mining and reclamation operations without having first obtained from the cabinet a permit designating the area of land affected by the operation. Permits shall authorize the permittee to engage in surface coal mining and reclamation operations upon the area of land described in his application for a period not to exceed five (5) years. However, if an applicant demonstrates that a specified longer term is reasonably needed to obtain necessary financing for equipment and the opening of the operation and if the application is full and complete for the specified longer term, the cabinet may grant a permit for the longer term. No mining shall be permitted beyond the time period obligations of the initial or extended bond coverage.
 - (b) Subject to the provisions of KRS 350.010(1) and (2), no person shall knowingly and willfully receive, transport, sell, convey, transfer, trade, exchange, donate, purchase, deliver, or in any way derive benefit from coal removed from any surface mining operation which does not have a permit as required under this section.
- (2) No permit or revision application shall be approved unless the application affirmatively demonstrates, and the cabinet finds in writing on the basis of the information set forth in the application or from information otherwise available, that the permit application is accurate and complete and that all the requirements of this chapter have been complied with.
- (3) A person desiring a permit to engage in surface coal mining operations shall file an application which shall state:
 - (a) The location and area of land to be affected by the operation, with a description of access to the area from the nearest public highways;
 - (b) The owner or owners of the surface of the area of land to be affected by the permit and the owner or owners of all surface area adjacent to any part of the affected area;
 - (c) The owner or owners of the coal to be mined;
 - (d) The source of the applicant's legal right to mine the coal on the land affected by the permit;
 - (e) The permanent and temporary post office addresses of the applicant, which shall be updated immediately if changed at any point prior to final bond release;
 - (f) Whether the applicant or any person, partnership, or corporation associated with the applicant holds or has held any other permits under this chapter, and an identification of the permits;
 - (g) The names and addresses of every officer, partner, director, or person performing a function similar to a director of the applicant, together with the names and addresses of any individual owning of record ten

percent (10%) or more of any class of voting stock of the applicant, and whether the applicant or any person is subject to any of the provisions of subsection (3) of KRS 350.130 and he shall so certify. The permittee shall submit updates of this information as changes occur or as otherwise provided by administrative regulation; however, failure to submit updated information shall constitute a violation of this chapter only upon the permittee's refusal or failure to timely submit the information to the cabinet upon request. Upon receipt of updated information satisfactory to the cabinet, the cabinet shall promptly update its computer system containing the information;

- (h) A listing of any violations of this chapter, Public Law 95-87, and any law, rule, or regulation in effect for the protection of air or water resources incurred by the applicant in connection with any surface coal mining and reclamation operation during the three (3) year period prior to the date of an application. The list shall indicate the final resolution of the violations; and
 - (i) Whether the area of land to be affected by the operation has been previously mined and is in compliance with current reclamation standards, and, if not, identify the needed reclamation work.
- (4) The application for a permit shall be accompanied by an official document, and an affidavit attesting to the document's authenticity, which will evidence what particular business entity the applicant is, whether a foreign or domestic corporation, a partnership, an entity doing business as another, or, if sole proprietorship, an affidavit so stating.
- (5) The application for a permit shall be accompanied by copies, in numbers satisfactory to the cabinet, of a United States Geological Survey topographic map or other map acceptable to the cabinet on which the applicant has indicated the location of the operation, the course which would be taken by drainage from the operation to the stream or streams to which the drainage would normally flow, the name of the applicant and date, and the name of the person who located the operation on the map.
- (6) The application for a permit shall be accompanied by copies, in numbers satisfactory to the cabinet, of an enlarged United States Geological Survey topographic map or other map acceptable to the cabinet meeting the requirements of paragraphs (a) to (i) of this subsection. The map shall:
- (a) Be prepared and certified by a professional engineer registered under the provisions of KRS Chapter 322. The certification shall be in the form as provided in subsection (8) of this section, except that the engineer shall not be required to certify the true ownership of property under paragraph (d) of this subsection;
 - (b) Identify the area to correspond with the application;
 - (c) Show adjacent deep mining;
 - (d) Show the boundaries of surface properties and names of owners of the affected area and adjacent to any part of the affected area;
 - (e) Be of a scale of 1:24,000 or larger;
 - (f) Show the names and locations of all streams, creeks, or other bodies of public water, roads, buildings, cemeteries, oil and gas wells, and utility lines on the area of land affected within three hundred (300) feet of an as-drilled oil or gas well, but as-drilled locations of oil and gas wells shall be certified only by a licensed surveyor and the well locations shall be entered in coordinates in feet units, using NAD 83, with Single Zone Projection, as those terms are defined in KRS 350.010;
 - (g) Show by appropriate markings the boundaries of the area of land affected, the cropline of the seam or deposit of coal to be mined, and the total number of acres involved in the area of land affected;
 - (h) Show the date on which the map was prepared, the north point, and the quadrangle name; and
 - (i) Show the drainage plan on and away from the area of land affected. The plan shall indicate the directional flow of water, constructed drainways, natural waterways used for drainage, and the streams or tributaries receiving the discharge.
- (7) Each application shall include a determination of the probable hydrologic consequences of the mining and reclamation operations, both on and off the mine site, with respect to the hydrologic regime, quantity and quality of water in surface and groundwater systems, including the dissolved and suspended solids under seasonal flow conditions, and the collection of sufficient data for the mine site and surrounding areas so that an assessment can be made by the cabinet of the probable cumulative impacts of all anticipated mining in the area upon the hydrology of the area and particularly upon water availability. This determination shall not be

required until the time hydrologic information on the general area prior to mining is made available from an appropriate federal or state agency. The permit shall not be approved until the information is available and is incorporated into the application.

- (8) All certifications required by this chapter to be made by professional engineers shall be done in the form prescribed by the cabinet and shall be reasonably specific as to the work being certified. The cabinet may reject any document or map as incomplete if it is not properly certified.
- (9) In addition to the information and maps required above, each application for a permit shall be accompanied by detailed plans or proposals showing the method of operation; the manner, time, and distance for backfilling; grading work; and a reclamation plan for the affected area, which proposals shall meet the requirements of this chapter and administrative regulations adopted pursuant thereto.
- (10) The application for a permit shall be accompanied by proof that the applicant has public liability insurance coverage satisfactory to the cabinet for the surface mining and reclamation operations for which the permit is sought, or proof that the applicant has satisfied self-insurance requirements as provided by administrative regulations of the cabinet. The coverage shall be maintained in full force and effect during the terms of the permit and any permit renewal, and until reclamation operations are completed.
- (11) A basic fee set by administrative regulation, and bearing a reasonable relationship to the cost of processing the permit application but not to exceed two thousand five hundred dollars (\$2,500), plus a fee set by administrative regulation but not to exceed seventy-five dollars (\$75), for each acre or fraction thereof of the area of land to be affected by the operation, shall be paid before the permit required in this section shall be issued; provided that if the cabinet approves an incremental bonding plan submitted by the applicant, the acreage fees may be paid in increments and at times corresponding to the approved plan. The applicant shall file with the cabinet a bond payable to the Commonwealth of Kentucky with surety satisfactory to the cabinet in the sum to be determined by the cabinet for each acre or fraction thereof of the area of land affected, with a minimum bond of ten thousand dollars (\$10,000), conditioned upon the faithful performance of the requirements set forth in this chapter and of the administrative regulations of the cabinet. The cabinet shall forfeit the entire amount of the bond for the permit area or increment in the event of forfeiture. In determining the amount of the bond, the cabinet shall take into consideration the character and nature of the overburden; the future suitable use of the land involved; the cost of backfilling, grading, and reclamation to be required; and the probable difficulty of reclamation, giving consideration to such factors as topography, geology, hydrology, and revegetation potential. The bond amount shall initially be computed to be sufficient to assure completion of reclamation if the work had to be performed by the cabinet in the event of forfeiture. Within thirty (30) days of a cabinet determination of a need to change a bond protocol currently in use, the cabinet shall immediately promulgate administrative regulations setting forth bonding requirements including, but not limited to, requirements for the amount, duration, release, and forfeiture of bonds. Bond protocols shall not be exempt from KRS 13A.100 and shall be established by promulgating administrative regulations under KRS Chapter 13A. Failure to include the formula for establishing the amount of the bond in any administrative regulation on bonding requirements shall be deemed a failure to comply with the prescriptions of this section and the administrative regulation shall automatically be declared deficient in accordance with KRS Chapter 13A.
- (12) The cabinet shall promulgate administrative regulations for the permitting of operations with surface effects of underground mining and other surface coal mining and reclamation operations consistent with this section. The cabinet shall recognize the distinct differences between the surface effects of underground mining and strip mining, as also provided in KRS 350.151, in promulgating permitting requirements for these operations~~}; provided, that the cabinet shall require that all the areas overlying underground workings be permitted but that the areas overlying underground workings not affected by operations and facilities occurring on the surface shall not be subject to the payment of acreage fees or bond requirements of subsection (11) of this section, KRS 350.070, or KRS 350.151.~~
- (13) Any valid permit issued pursuant to this chapter shall carry with it the right of successive renewal upon expiration with respect to areas within the boundaries of the existing permit. An applicant for renewal of a permit shall pay a basic fee set by regulation, not to exceed seven hundred fifty dollars (\$750). The holders of the permit may apply for renewal and the renewal shall be issued, provided that on application for renewal the burden shall be on the opponents of renewal, subsequent to the fulfillment of the public notice requirements of this chapter, unless it is established and written findings by the cabinet are made that:
 - (a) The terms and conditions of the existing permit are not being satisfactorily met;

- (b) The present surface coal mining and reclamation operation is not in compliance with the environmental protection standards of this chapter;
- (c) The renewal requested substantially jeopardizes the applicant's continuing responsibility on existing permit areas;
- (d) The applicant has not provided evidence that the performance bond in effect for the operation will continue in full force and effect for any renewal requested in the application as well as any additional bond the cabinet might require; or
- (e) Any additional revised or updated information required by the cabinet has not been provided.

Prior to the approval of any renewal of permit, the cabinet shall provide notice to the appropriate public authorities.

- (14) If an application for renewal of a valid permit includes a proposal to extend the mining operation beyond the boundaries authorized in the existing permit, the portion of the application for renewal of a valid permit which addresses any new areas of surface disturbance shall be subject to the full standards applicable to new applications under this chapter.
- (15) Any permit renewal shall be for a term not to exceed the period of the original permit. Application for permit renewal shall be made at least one hundred twenty (120) days prior to the expiration of the valid permit.
- (16) Notwithstanding any of the provisions of this section, a permit shall terminate if the permittee has not commenced the surface coal mining operations covered by the permit within three (3) years of the issuance of the permit. However, the cabinet may grant reasonable extensions of time upon a showing that the extensions are necessary by reason of litigation precluding commencement of operations, or threatening substantial economic loss to the permittee, or by reason of conditions beyond the control and without the fault or negligence of the permittee. With respect to coal to be mined for use in a synthetic fuel facility or specific major electric generating facility, the permittee shall be deemed to have commenced surface mining operations at the time the construction of the synthetic fuel or generating facility is initiated.
- (17) Each application for a permit or revision for auger mining on a previously mined area shall contain information to describe the area to be affected, to show that the proposed method of operation will result in stable post-mining conditions, and reduce or eliminate adverse environmental conditions created by previous mining activities. If the cabinet determines that the affected area cannot be stabilized and reclaimed subsequent to augering or that the operation will result in an adverse impact to the proposed or adjacent area, the permit or revision shall not be issued. The cabinet shall, consistent with all applicable requirements of this chapter, issue a permit or revision if the applicant demonstrates that the proposed coal mining operations will provide for reduction or elimination of the highwall, or reduction or abatement of adverse impacts resulting from past mining activities, or stabilization or enhancement of a previously mined area. The cabinet shall insure that all reasonably available spoil material will be used to backfill the highwall to the extent practical and feasible; provided, however, that in all cases the holes be properly sealed and backfilled to a minimum of four (4) feet above the coal seam being mined.
- (18) All operations involving the loading of coal which do not separate the coal from its impurities, and which are not located at or near the mine site, shall be exempt from the requirements of this chapter.

Signed by Governor March 27, 2017.

(HB 215)

AN ACT relating to vehicle accident reports.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 189.635 is amended to read as follows:

reports shall be utilized for such purposes as will improve the traffic safety program in the Commonwealth involving the collection, processing, storing, and dissemination of such data and the establishment of procedures by administrative regulations to insure that uniform definitions, classifications, and other federal requirements are in compliance.

- (2) Any person operating a vehicle on the highways of this state who is involved in an accident resulting in fatal or nonfatal personal injury to any person or damage to the vehicle rendering the vehicle inoperable shall be required to immediately notify a law enforcement officer having jurisdiction. In the event the operator fails to notify or is incapable of notifying a law enforcement officer having jurisdiction, such responsibility shall rest with the owner of the vehicle or any occupant of the vehicle at the time of the accident. A law enforcement officer having jurisdiction shall investigate the accident and file a written report of the accident with his *or her* law enforcement agency.
- (3) Every law enforcement agency whose officers investigate a vehicle accident of which a report must be made as required in this chapter shall file a report of the accident with the Department of Kentucky State Police within ten (10) days after investigation of the accident upon forms supplied by the department.
- (4) Any person operating a vehicle on the highways of this state who is involved in an accident resulting in any property damage exceeding five hundred dollars (\$500) in which an investigation is not conducted by a law enforcement officer shall file a written report of the accident with the Department of Kentucky State Police within ten (10) days of occurrence of the accident upon forms provided by the department.
- (5) All accident reports filed with the Department of Kentucky State Police in compliance with subsection (4) above shall not be considered open records under KRS 61.872 to 61.884 and shall remain confidential except that the department may disclose the identity of a person involved in an accident when his or her identity is not otherwise known or when he or she denies his or her presence at an accident. Except as provided in subsection (9) of this section, all other accident reports required by this section, and the information contained in the reports, shall be confidential and exempt from public disclosure except when produced pursuant to a properly executed subpoena or court order, or except pursuant to subsection (8) of this section. These reports shall be made available only to the parties to the accident, the parents or guardians of a minor who is party to the accident, and insurers or their written designee for insurance business purposes of any party who is the subject of the report, or to the attorneys of the parties.
- (6) Except as provided for in this subsection, the department shall not release accident reports for a commercial purpose. The department may, as a matter of public safety, contract with an outside entity and release vehicle damage data extracted from accident reports to such an entity if the data is used solely for the purpose of providing the public a means of determining a vehicle's accident history. The department may further contract with a third party to provide electronic access to reports for persons and entities who are entitled to such reports under subsections (5) and (9) of this section.
- (7) The department shall promulgate administrative regulations in accordance with KRS Chapter 13A to set out a fee schedule for accident reports made available pursuant to subsections (5), (8), and (9) of this section. These fees shall be in addition to those charged to the public for records produced under KRS Chapter 61.
- (8)
 - (a) The report shall be made available to a news-gathering organization, solely for the purpose of publishing or broadcasting the news. The news-gathering organization shall not use or distribute the report, or knowingly allow its use or distribution, for a commercial purpose other than the news-gathering organization's publication or broadcasting of the information in the report.
 - (b) *A newspaper or periodical shall be considered a news-gathering organization if it:*
 1. *Is published at least fifty (50) of fifty-two (52) weeks during a calendar year;*
 2. *Contains at least twenty-five percent (25%) news content in each issue or no more than seventy-five percent (75%) advertising content in any issue in the calendar year; and*
 3. *Contains news of general interest to its readers that can include news stories, editorials, sports, weddings, births, and death notices.*
 - (c) A newspaper, periodical, or radio or television station shall not be held to have used or knowingly allowed the use of the report for a commercial purpose merely because of its publication or broadcast.
 - (d) *For the purposes of this section, the meaning of "news-gathering organizations" does not include any product or publication:*
 1. *Which is intended primarily for members of a particular profession or occupational group; or*

2. *With the primary purpose of distributing advertising or of publishing names and other personal identifying information concerning parties to motor vehicle accidents which may be used to solicit for services covered under Subtitle 39 of KRS Chapter 304.*
- (e) *A request under this section shall be completed using a form promulgated by the department through administrative regulations in accordance with KRS Chapter 13A. The form under this paragraph shall include:*

 2. *A statement that the requestor is a news-gathering organization under this subsection;*
 3. *A statement that the request is in compliance with the criteria contained in this section; and*
 4. *A declaration of the requestor as to the accuracy and truthfulness of the information provided in the request.*
- (9) The report shall be made available without subpoena to any party to litigation who files with the department a request for the report and includes a copy of the first page of a District or Circuit Court clerk-stamped complaint naming all parties.
- (10) The motor vehicle insurers of any train engineer or other train crew member involved in an accident on a railroad while functioning in their professional capacity shall be prohibited from obtaining a copy of any accident report filed on the accident under this section without written consent from the individual the company insures. Insurance companies issuing motor vehicle policies in the Commonwealth shall be prohibited from raising a policyholder's rates solely because the policyholder, in his or her professional capacity, is a train engineer or other train crew member involved in an accident on a railroad.

If a local school district does not provide transportation to students attending a public charter school, the transportation funds described in paragraph (c)3. of this subsection shall be transferred to the public charter school. The public charter school's portion shall be allocated in the same manner as the school allocation model used by the local school district based on applicable data provided by the public charter school. A report detailing the formula used for public charter schools and the local school district's non-charter schools shall be transmitted to the Kentucky Board of Education, the Secretary of the Education and Workforce Development Cabinet, the Legislative Research Commission, and the authorizer within 30 days of its adoption by the local school board, after which the Kentucky Board of Education may find the formula used by the local school district for public charter schools deficient and request a revision thereof within 90 days.*

➔Section 91. KRS 439.340 is amended to read as follows:

- (1) The board may release on parole persons confined in any adult state penal or correctional institution of Kentucky or sentenced felons incarcerated in county jails eligible for parole. All paroles shall issue upon order of the board duly adopted. As soon as practicable after his or her admission to an adult state penal or correctional institution or county jail if he or she is a sentenced felon, and at such intervals thereafter as it may determine, the Department of Corrections shall obtain all pertinent information regarding each prisoner, except those not eligible for parole. The information shall include the results of his or her most recent risk and needs assessment, his or her criminal record, his or her conduct, employment, and the reports of physical and mental examinations that have been made. The Department of Corrections shall furnish the circumstances of his or her offense, the results of his or her most recent risk and needs assessment, and his or her previous social history to the board. The Department of Corrections shall prepare a report on any information it obtains. It shall be the duty of the Department of Corrections to supplement this report with any material the board may request and submit the report to the board.
- (2) Before granting the parole of any prisoner, the board shall consider the pertinent information regarding the prisoner, including the results of his or her most recent risk and needs assessment, and shall have him or her appear before it for interview and hearing. The board in its discretion may hold interviews and hearings for prisoners convicted of Class C felonies not included within the definition of "violent offender" in KRS 439.3401 and Class D felonies. The board in its discretion may request the parole board of another state confining prisoners pursuant to KRS 196.610 to interview eligible prisoners and make a parole recommendation to the board. A parole shall be ordered only for the best interest of society and not as an award of clemency, and it shall not be considered a reduction of sentence or pardon. A prisoner shall be placed on parole only when arrangements have been made for his or her proper employment or for his or her maintenance and care, and when the board believes he or she is able and willing to fulfill the obligations of a law abiding citizen. Notwithstanding any statute to the contrary, including KRS 440.330, when a prisoner is otherwise eligible for parole and the board has recommended parole for that prisoner for the reasons set forth in this subsection, the board may grant parole to any prisoner wanted as a fugitive by any other jurisdiction, and the prisoner shall be released to the detainer from that jurisdiction. Such parole shall not constitute a relinquishment of jurisdiction over the prisoner, and the board in all cases expressly reserves the right to return the prisoner to confinement in a correctional institution of the Commonwealth if the prisoner violates the terms of his or her parole.
- (3)
 - (a) A nonviolent offender convicted of a Class D felony with an aggregate sentence of one (1) to five (5) years who is confined to a state penal institution or county jail shall have his or her case reviewed by the Parole Board after serving fifteen percent (15%) or two (2) months of the original sentence, whichever is longer.
 - (b) Except as provided in this section, the board shall adopt administrative regulations with respect to the eligibility of prisoners for parole, the conduct of parole and parole revocation hearings and all other matters that come before it, or conditions to be imposed upon parolees. Regulations governing the eligibility of prisoners for parole shall be in accordance with professionally accepted ideas of correction and reform and may utilize in part objective, performance-based criteria and risk and needs assessment information; however, nothing herein contained shall preclude the board from utilizing its present regulations in conjunction with other factors involved that would relate to the inmate's needs and the safety of the public.
- (4) The board shall insure that all sentenced felons who have longer than ninety (90) days to serve in state penal institutions, halfway houses, *reentry centers*, and county jails are considered for parole not less than sixty (60) days prior to their parole eligibility date, and the Department of Corrections shall provide the necessary assistance and information to the board in order for it to conduct timely parole reviews.
- (5) In addition to or in conjunction with each hearing conducted under subsection (2) of this section for any prisoner convicted of a Class A, B, or C felony and prior to the granting of a parole to any such prisoner, the parole board shall conduct a hearing of which the following persons shall receive not less than forty-five (45)

nor more than ninety (90) days' notice: the Commonwealth's attorney who shall notify the sheriff of every county and the chief of police of every city and county in which the prisoner committed any Class A, B, or C felony for which he or she is imprisoned, and all identified victims of the crimes or the next of kin of any victim who is deceased. Notice to the Commonwealth's attorney shall be by mail, fax, or electronic means at the discretion of the board, and shall be in a manner that ensures receipt at the Commonwealth attorney's business office. Notices received by chiefs of police and sheriffs shall be posted in a conspicuous location where police employed by the department may see it. Notices shall be posted in a manner and at a time that will allow officers to make comment thereon to the Parole Board. Notice to victims or their next of kin shall be made, for prisoners incarcerated prior to July 15, 1986, by mail, fax, or electronic means at the discretion of the board, and shall be in a manner that ensures receipt by the Commonwealth's attorney, who shall forward the notice promptly to the victims or their next of kin at their last known address. For prisoners incarcerated on or after July 15, 1986, notice to the victims or their next of kin shall be by mail from the Parole Board to their last known address as provided by the Commonwealth's attorney to the Parole Board at the time of incarceration of the prisoner. Notice to the victim or the next of kin of subsequent considerations for parole after the initial consideration shall not be sent if the victim or the next of kin gives notice to the board that he or she no longer wants to receive such notices. The notice shall include the time, date, and place of the hearing provided for in this subsection, and the name and address of a person to write if the recipient of the notice desires to attend the hearing or to submit written comments.

- (6) Persons receiving notice as provided for in subsection (5) of this section may submit comments, in person or in writing, to the board upon all issues relating to the parole of the prisoner. The board shall read and consider all comments prior to making its parole decision, if they are received by the board not less than seven (7) days before the date for the hearing. The board shall retain all comments in the prisoner's permanent Parole Board file, and shall consider them in conjunction with any subsequent parole decisions affecting the prisoner. In addition to officers listed in subsection (5) of this section, the crime victims or the next of kin of any victim who is deceased or who is disabled and cannot attend the hearing or the parent or legal guardian of any victim who is a minor may attend the hearing provided for in subsection (5) of this section and present oral and written comments upon all issues relating to the parole of the prisoner, if they have advised the board, in writing received by the board not less than seven (7) days prior to the date set for the hearing, of their intention to attend the hearing. The board shall receive and consider all comments, shall make a record of them which it shall retain in the prisoner's permanent Parole Board file, and shall consider them in conjunction with any subsequent parole decision affecting the prisoner. Persons appearing before the Parole Board pursuant to this subsection may elect to make their presentations outside of the presence of the prisoner.
- (7) Victims of Class D felonies may submit comments in person or in writing to the board upon all issues relating to the parole of a prisoner.
- (8) Any hearing provided for in subsections (5), (6), and (7) of this section shall be open to the public unless the persons having a right to appear before the board as specified in those subsections request closure of hearing for reasons of personal safety, in which event the hearing shall be closed. The time, date, and location of closed hearings shall not be disclosed to the public.
- (9) Except as specifically set forth in this section, nothing in this section shall be deemed to expand or abridge any existing rights of persons to contact and communicate with the Parole Board or any of its members, agents, or employees.
- (10) The unintentional failure by the Parole Board, sheriff, chief of police, or any of its members, agents, or employees or by a Commonwealth's attorney or any of his or her agents or employees to comply with any of the provisions of subsections (5), (6), and (8) of this section shall not affect the validity of any parole decision or give rise to any right or cause of action by the crime victim, the prisoner, or any other person.
- (11) No eligible sexual offender within the meaning of KRS 197.400 to 197.440 shall be granted parole unless he or she has successfully completed the Sexual Offender Treatment Program.
- (12) Any prisoner who is granted parole after completion of the Sexual Offender Treatment Program shall be required, as a condition of his or her parole, to participate in regular treatment in a mental health program approved or operated by the Department of Corrections.
- (13) When the board grants parole contingent upon completion of a program, the commissioner, or his or her designee, shall determine the most appropriate placement in a program operated by the department or a residential or nonresidential program within the community approved by the department. If the department releases a parolee to a nonresidential program, the department shall release the parolee only if he or she will have appropriate community housing pursuant to KRS 439.3408.

(14) If the parole board does not grant parole to a prisoner, the maximum deferment for a prisoner convicted of a non-violent, non-sexual Class C or Class D felony shall be twenty-four (24) months. For all other prisoners who are eligible for parole:

- (a) No parole deferment greater than five (5) years shall be ordered unless approved by a majority vote of the full board; and
- (b) No deferment shall exceed ten (10) years, except for life sentences.

(15) When an order for parole is issued, it shall recite the conditions thereof.

➔Section 92. KRS 439.3407 is amended to read as follows:

- (1) The department may promulgate administrative regulations to implement conditional parole of state inmates incarcerated in state corrections institutions or local correctional facilities or county jails to place those individuals closer to their communities prior to release. A parolee placed on conditional parole shall serve that term in a local correctional facility or county jail *or reentry center* in a county in which the fiscal court has agreed to house parolees if beds are available in the local correctional facility or county jail *or reentry center*.
- (2) The department may authorize parolees on conditional parole to be placed on work release. If a person placed in a county jail on conditional parole under subsection (1) of this section is granted work release, he or she shall pay the work release fees required by law to the jailer. The amount of work release fees paid by a parolee shall be deducted from the amount which the Department of Corrections shall pay for the placement of that parolee.
- (3) Local correctional facilities or county jails housing parolees under subsection (1) of this section shall have the same rights and obligations as county jails housing felons pursuant to KRS 532.100.

- (1) Any person who has been convicted of a crime and who has not been sentenced to death may be sentenced to probation, probation with an alternative sentencing plan, or conditional discharge as provided in this chapter.

- (2) Before imposition of a sentence of imprisonment, the court shall consider probation, probation with an alternative sentencing plan, or conditional discharge. Unless the defendant is a violent felon as defined in KRS 439.3401 or a statute prohibits probation, shock probation, or conditional discharge, after due consideration of the defendant's risk and needs assessment, nature and circumstances of the crime, and the history, character, and condition of the defendant, probation or conditional discharge shall be granted, unless the court is of the opinion that imprisonment is necessary for protection of the public because:
 - (a) There is substantial risk that during a period of probation or conditional discharge the defendant will commit another crime;
 - (b) The defendant is in need of correctional treatment that can be provided most effectively by his commitment to a correctional institution; or
 - (c) A disposition under this chapter will unduly depreciate the seriousness of the defendant's crime.
- (3) In the event the court determines that probation is not appropriate after due consideration of the defendant's risk and needs assessment, nature and circumstances of the crime, and the history, character, and condition of the defendant, probation with an alternative sentencing plan shall be granted unless the court is of the opinion that imprisonment is necessary for the protection of the public because:
 - (a) There is a likelihood that during a period of probation with an alternative sentencing plan or conditional discharge the defendant will commit a Class D or Class C felony or a substantial risk that the defendant will commit a Class B or Class A felony;
 - (b) The defendant is in need of correctional treatment that can be provided most effectively by commitment to a correctional institution; or
 - (c) A disposition under this chapter will unduly depreciate the seriousness of the defendant's crime.
- (4) The court shall not determine that there is a likelihood that the defendant will commit a Class C or Class D felony based upon the defendant's risk and needs assessment and the fact that:
 - (a) The defendant has never been convicted of, pled guilty to, or entered an Alford plea to a felony offense;
 - (b) If convicted of, having pled guilty to, or entered an Alford plea to a felony offense, the defendant successfully completed probation more than ten (10) years immediately prior to the date of the commission of the felony for which the defendant is now being sentenced and has had no intervening convictions, pleas of guilty, or Alford pleas to any criminal offense during that period; or
 - (c) The defendant has been released from incarceration for the commission of a felony offense more than ten (10) years immediately prior to the date of the commission of the felony for which the defendant is now being sentenced and has had no intervening convictions, pleas of guilty, or Alford pleas to any criminal offense during that period.
- (5) In making a determination under subsection (4) of this section, the court may determine that the greater weight of the evidence indicates that there is a likelihood that the defendant will commit a Class C or Class D felony.
- (6) Upon initial sentencing of a defendant or upon modification or revocation of probation, when the court deems it in the best interest of the public and the defendant, the court may order probation with the defendant to serve one (1) of the following alternative sentences:
 - (a) To a halfway house for no more than twelve (12) months;
 - (b) To home incarceration with or without work release for no more than twelve (12) months;
 - (c) To jail for a period not to exceed twelve (12) months with or without work release, community service and other programs as required by the court;

- (7) If during the term of the alternative sentence the defendant fails to adhere to and complete the conditions of the alternative sentence, the court may modify the terms of the alternative sentence or may modify or revoke probation and alternative sentence and commit the defendant to an institution.

- (8) In addition to those conditions that the court may impose, the conditions of alternative sentence shall include the following and, if the court determines that the defendant cannot comply with them, then they shall not be made available:
- (a) A defendant sentenced to a halfway house shall:
 - 1. Be working or pursuing his or her education or be enrolled in a full-time treatment program;
 - 2. Pay restitution during the term of probation; and
 - 3. Have no contact with the victim of the defendant's crime;
 - (b) A defendant sentenced to home incarceration shall:
 - 1. Be employed by another person or self-employed at the time of sentencing to home incarceration and continue the employment throughout the period of home incarceration, unless the court determines that there is a compelling reason to allow home incarceration while the defendant is unemployed;
 - 2. Pay restitution during the term of home incarceration;
 - 3. Enter a treatment program, if appropriate;
 - 4. Pay all or some portion of the cost of home incarceration as determined by the court;
 - 5. Comply with other conditions as specified; and
 - 6. Have no contact with the victim of the defendant's crime;

CHAPTER 162

(HB 387)

AN ACT relating to the Executive Branch Code of Ethics.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 11A.080 is amended to read as follows:

- (1) (a) Upon a complaint signed under penalty of perjury by any person, or upon its own motion, the commission shall conduct a preliminary investigation of any alleged violation of this chapter.
- (b) The preliminary investigation shall begin not later than ten (10) days after the next commission meeting following the receipt of the sworn complaint, or, if the investigation is initiated by the commission's own motion, not later than ten (10) days after the date of the adoption of the motion.
- (c) Within ten (10) days of the commencement of the preliminary investigation, the commission shall forward a copy of the complaint, if one has been filed, or a statement of possible violations being investigated, and a general statement of the applicable law to the person alleged to have committed a violation.
- (2) All commission proceedings and records relating to a preliminary investigation shall be confidential until a final determination is made by the commission, except:
 - (a) The commission may turn over to the Attorney General, the United States Attorney, or the Commonwealth's attorney of the jurisdiction in which the offense allegedly occurred, evidence which may be used in criminal proceedings or, at its discretion, may at any time turn over to the Personnel

Board, ~~or~~ the Auditor of Public Accounts, or **any other agency with jurisdiction to review, audit, or investigate the alleged offense** ~~both~~, evidence which may be used by ~~either or both of~~ those agencies for investigative purposes;

- (b) If the alleged violator publicly discloses the existence of a preliminary investigation, the commission may publicly confirm the existence of the inquiry and, in its discretion, make public any documents which were issued to either party;
 - (c) If the matter being investigated was referred to the commission from another state agency, the commission may inform the referring state agency of the status of any preliminary investigation and of any action taken on the matter.
- (3) If the commission determines in the preliminary investigation that the facts are not sufficient to constitute a violation of this chapter, the commission shall immediately terminate the investigation and notify in writing the complainant, if any, and the person alleged to have committed a violation. The commission may confidentially inform the alleged violator of potential violations and provide information to ensure future compliance with the law. If the alleged violator publicly discloses the existence of such action by the commission, the commission may confirm the existence of the resolution and, in its discretion, make public any documents which were issued to the alleged violator.
- (4) If the commission, during the course of the preliminary investigation, finds probable cause to believe that a violation of this chapter has occurred, the commission may, upon majority vote:
- (a) Due to mitigating circumstances such as lack of significant economic advantage or gain by the alleged violator, lack of significant economic loss to the state, or lack of significant impact on public confidence in government, in writing, confidentially reprimand the alleged violator for potential violations of the law and provide a copy of the reprimand to the alleged violator's appointing authority, if any. If the alleged violator publicly discloses the existence of such an action, the commission may confirm the existence of the action and, in its discretion, make public any documents which were issued to the alleged violator; or
 - (b) Initiate an administrative proceeding to determine whether there has been a violation.

➔Section 2. KRS 11A.211 is amended to read as follows:

- (1) Each executive agency lobbyist, employer, and real party in interest shall file with the commission within ten (10) days following the engagement of an executive agency lobbyist, an initial registration statement showing all of the following:
- (a) The name, business address, and occupation of the executive agency lobbyist;
 - (b) The name and business address of the employer and of any real party in interest on whose behalf the executive agency lobbyist is acting, if it is different from the employer. However, if a trade association or other charitable or fraternal organization that is exempt from federal income taxation under Section 501(c) of the Internal Revenue Code is the employer, the statement need not list the names and addresses of every member of the association or organization, so long as the association or organization itself is listed;
 - (c) A brief description of the executive agency decision to which the engagement relates;
 - (d) The name of the executive agency or agencies to which the engagement relates; and
 - (e) Certification by the employer and executive agency lobbyist that the information contained in the registration statement is complete and accurate.
- (2) In addition to the initial registration statement required by subsection (1) of this section, each executive agency lobbyist, employer, and real party in interest shall file with the commission, not later than the last day of July of each year, an updated registration statement that confirms the continuing existence of each engagement described in an initial registration statement and that lists the specific executive agency decisions the executive agency lobbyist sought to influence under the engagement during the period covered by the updated statement, and with it any statement of expenditures required to be filed by KRS 11A.216 and any details of financial transaction required to be filed by KRS 11A.221.
- (3) If an executive agency lobbyist is engaged by more than one (1) employer, the executive agency lobbyist shall file a separate initial and updated registration statement for each engagement. If an employer engages more than one (1) executive agency lobbyist, the employer shall file only one (1) updated registration statement

under subsection (2) of this section, which shall contain the information required by subsection (2) of this section regarding all executive agency lobbyists engaged by the employer.

- (4) (a) A change in any information required by subsection (1)(a), (b), (c), (d), or (2) of this section shall be reflected in the next updated registration statement filed under subsection (2) of this section.
- (b) Within thirty (30) days following the termination of an engagement, the executive agency lobbyist who was employed under the engagement shall file written notice of the termination with the commission.
- (5) Each employer of one (1) or more executive agency lobbyists, and each real party in interest, shall pay a registration fee of **five hundred (\$500) dollars**~~one hundred twenty five dollars (\$125)~~ upon the filing of an updated registration statement. All fees collected by the commission under the provisions of this subsection shall be deposited in the State Treasury in a trust and agency fund account to the credit of the commission. These agency funds shall be used to supplement general fund appropriations for the operations of the commission and shall not lapse. No part of the trust and agency fund account shall revert to the general funds of this state.
- (6) Upon registration pursuant to this section, an executive agency lobbyist shall be issued a card annually by the commission showing the executive agency lobbyist is registered. The registration card shall be valid from the date of its issuance through the thirty-first day of July of the following year.
- (7) The commission shall review each registration statement filed with the commission under this section to determine if the statement contains all of the required information. If the commission determines the registration statement does not contain all of the required information or that an executive agency lobbyist, employer, or real party in interest has failed to file a registration statement, the commission shall send written notification of the deficiency by certified mail to the person who filed the registration statement or to the person who failed to file the registration statement regarding the failure. Any person so notified by the commission shall, not later than fifteen (15) days after receiving the notice, file a registration statement or an amended registration statement that includes all of the required information. If any person who receives a notice under this subsection fails to file a registration statement or an amended registration statement within the fifteen (15) day period, the commission may initiate an investigation of the person's failure to file. If the commission initiates an investigation pursuant to this section, the commission shall also notify each elected executive official and the secretary of each cabinet listed in KRS 12.250 of the pending investigation.
- (8) In the biennial report published under KRS 11A.110(13), the commission shall, in the manner and form the commission determines, include a report containing statistical information on the registration statements filed under this section during the preceding biennium.
- (9) If an employer who engages an executive agency lobbyist, or a real party in interest on whose behalf the executive agency lobbyist was engaged is the recipient of a contract, grant, lease, or other financial arrangement pursuant to which funds of the state or of an executive agency are distributed or allocated, the executive agency or any aggrieved party may consider the failure of the real party in interest, the employer, or the executive agency lobbyist to comply with this section as a breach of a material condition of the contract, grant, lease, or other financial arrangement.
- (10) Executive agency officials may require certification from any person seeking the award of a contract, grant, lease, or financial arrangement that the person, his employer, and any real party in interest are in compliance with this section.

Signed by Governor April 10, 2017.

The court may award temporary custody under the standards of KRS 403.270 after a hearing, or, if there is no objection, solely on the basis of the affidavits. *If the parents or a de facto custodian joined under subsection (9) of this section present a temporary custody agreement and mutually agreed plan for parenting time, and the court confirms that the agreement adequately provides for the welfare of the child, the agreement shall become the temporary custody order of the court.*

- (7) If a proceeding for dissolution of marriage or legal separation is dismissed, any temporary custody order is vacated unless a parent or the child's custodian moves that the proceeding continue as a custody proceeding and the court finds, after a hearing, that the circumstances of the parents and the best interests of the child require that a custody decree be issued.
- ~~(8)(3)~~ If a custody proceeding commenced in the absence of a petition for dissolution of marriage or legal separation under KRS 403.822(1)(a) or (b) is dismissed, any temporary custody order is vacated.
- ~~(9)(4)~~ If a court determines by clear and convincing evidence that a person is a de facto custodian, the court shall join that person in the action, as a party needed for just adjudication under Rule 19 of the Kentucky Rules of Civil Procedure.

➔SECTION 2. A NEW SECTION OF KRS CHAPTER 342 IS CREATED TO READ AS FOLLOWS:

(1) *The General Assembly declares:*

- (a) *The Kentucky coal workers' pneumoconiosis fund was created in 1996 for the purpose of placing the financial responsibility for liabilities incurred as a result of workers' compensation awards for coal workers' pneumoconiosis on the employers engaged in the severance and processing of coal through assessments placed on workers' compensation premiums and self-insured employers and severed coal. These assessments have been used to pay fifty percent (50%) of indemnity benefits of a coal workers' pneumoconiosis claim. However, the combination of the severe downturn in the amount of coal being severed in Kentucky, the drastic reduction in the number of coal employers and employees, and the significant increase in coal workers' pneumoconiosis claims being filed have had a severe negative impact on the Kentucky coal workers' pneumoconiosis fund.*
- (b) *For calendar year 2017, the Kentucky Workers' Funding Commission, which is required to assess all employers engaged in the severance and processing of coal at a rate that would fully fund and prefund all claim liabilities and administrative expenses through December 31 of the following year, assessed coal employers forty-nine and one-half percent (49.5%) on employers' workers' compensation insurance premiums and assessed forty-one and seventy-four hundredths cents (\$0.4174) per ton of severed coal.*
- (c) *The Kentucky coal workers' pneumoconiosis fund will not have adequate funding without burdensome assessments on coal employers in order to meet claim liabilities and administrative expenses in the upcoming years.*

- (2) *Therefore, it is the intent of the General Assembly to close the Kentucky coal workers' pneumoconiosis fund on July 1, 2017, to any coal workers' pneumoconiosis claims filed after June 30, 2017, and have the assets and liabilities of the Kentucky coal workers' pneumoconiosis fund transferred through a loss portfolio transfer agreement to the Kentucky Employers' Mutual Insurance Authority, which is a nonprofit, independent, self-supporting de jure municipal corporation and political subdivision of the Commonwealth.*

➔SECTION 3. A NEW SECTION OF KRS CHAPTER 342 IS CREATED TO READ AS FOLLOWS:

- (1) *Notwithstanding any provisions of KRS Chapter 342 or any other provisions to the contrary, the Kentucky coal workers' pneumoconiosis fund shall have no liability for income benefits for coal workers' pneumoconiosis claims filed or reopened on or after July 1, 2017.*
- (2) *Notwithstanding any provisions of KRS Chapter 342 or any other provisions to the contrary, as soon as practically possible after July 1, 2017, all of the assets and liabilities of the Kentucky coal workers' pneumoconiosis fund shall be transferred from the Kentucky Workers' Compensation Funding Commission and Division of Workers' Compensation Funds to the Kentucky Employers' Mutual Insurance Authority through a loss portfolio transfer agreement. The Kentucky Employers' Mutual Insurance Authority shall have full authority and responsibility over the Kentucky coal workers' pneumoconiosis fund's claims and shall administer the claims as permitted pursuant to KRS Chapter 342.*
- (3) *Notwithstanding the provisions of Section 4 of this Act, the Workers' Compensation Funding Commission shall impose an assessment at an annual rate of fourteen percent (14%) upon the amount of workers' compensation premiums received on or after January 1, 2017, through December 31, 2017, by every insurance carrier writing workers' compensation insurance in the Commonwealth and by every self-insured group operating under the provisions of KRS 342.350(4) and Chapter 304, from employers engaged in the severance or processing of coal. Likewise, on or after January 1, 2017, through December 31, 2017, an assessment at the rate of fourteen percent (14%) of premium shall be paid by every employer engaged in the severance or processing of coal who is carrying his or her own risk.*
- (4) *Notwithstanding the provisions of Section 4 of this Act, the Workers' Compensation Funding Commission shall impose an assessment at an annual rate of fourteen percent (14%) upon the amount of workers' compensation premiums received on or after January 1, 2018, through December 31, 2018, by every insurance carrier writing workers' compensation insurance in the Commonwealth and by every self-insured group operating under the provisions of KRS 342.350(4) and Chapter 304, from employers engaged in the severance or processing of coal. Likewise, on or after January 1, 2018, through December 31, 2018, an assessment at the rate of fourteen percent (14%) of premium shall be paid by every employer engaged in the severance or processing of coal who is carrying his or her own risk.*
- (5) *Notwithstanding the provisions of Section 4 of this Act, in addition to the assessments in subsection (3) and (4) of this section, for the calendar years of 2017 and 2018, an assessment at the rate of fifteen cents (\$0.15) per ton shall be imposed upon the total annual amount of tons of coal severed by every entity engaged in the severance of coal as required pursuant to KRS Chapter 143.*
- (6) *The assessments imposed by this section shall supersede any assessment imposed pursuant to Section 4 of this Act for the calendar years of 2017 and 2018. Any amount paid and collected that exceeds the assessment imposed by this section in the calendar year of 2017 shall be reimbursed to the employer or credited to the employer's account subject to the preference of the employer.*
- (7) *Assessments pursuant to this section and Section 4 of this Act that are collected by the Kentucky Worker's Compensation Funding Commission shall be transferred to the Kentucky Employers' Mutual Insurance Authority.*
- (8) *When the Kentucky Workers' Compensation Funding Commission and the Kentucky Employers' Mutual Insurance Authority have determined that the Kentucky coal workers' pneumoconiosis fund has fully funded its liabilities, then the authority for imposing assessments pursuant to this section and Section 4 of this Act shall cease to exist, and the Kentucky coal workers' pneumoconiosis fund shall be abolished. Any remaining assessments received following the exhaustion of liabilities shall be refunded pro rata to all employers who have paid an assessment in the year that liabilities are fully funded.*

➔Section 4. KRS 342.1242 is amended to read as follows:

- (1) *There is created the Kentucky coal workers' pneumoconiosis fund which shall have one-half (1/2) of the liability for income benefits, including retraining benefits, payable for claims brought under KRS 342.732 for last exposure incurred on or after December 12, 1996, which are filed on or before June 30, 2017. Income*

benefit payments by the Kentucky coal workers' pneumoconiosis fund shall be made contemporaneous with the payments made by the employer, except that the employer shall make all payments due under a final award or approved settlement *for any claims filed after June 30, 2017* ~~[until the liability of the Kentucky coal workers' pneumoconiosis fund is established under subsection (2) of this section and the coal workers' pneumoconiosis fund shall reimburse the employer for such payments to the extent of its liability].~~

- (2) *For claims brought under Section 7 of this Act for last exposure incurred on or after December 12, 1996 which are filed on or before June 30, 2017*, the employer shall defend any claim brought under KRS 342.732 and upon conclusion shall seek participation in payment of the final award or settlement by the Kentucky coal workers' pneumoconiosis fund by making written request upon the director in the manner prescribed by administrative regulation to be promulgated by the commissioner of the Department of Workers' Claims.
- (3) (a) For the purpose of funding ~~and prefunding~~ the liabilities of the Kentucky coal workers' pneumoconiosis fund and financing the administration and operation of the Kentucky coal workers' pneumoconiosis fund, as reflected in the budget of the Commonwealth enacted by the General Assembly, a Kentucky coal workers' pneumoconiosis fund assessment at the rate of three percent (3%) is hereby imposed upon the amount of workers' compensation premiums received on and after January 1, 1997, through December 31, 1997, by every insurance carrier writing workers' compensation insurance in the Commonwealth and by every self-insured group operating under the provisions of KRS 342.350(4) and Chapter 304, from employers engaged in the severance or processing of coal. Likewise, on and after January 1, 1997, through December 31, 1997, an assessment at the rate of three percent (3%) of premium shall be paid by every employer engaged in the severance or processing of coal who is carrying his or her own risk.
- (b) In addition to the assessment imposed in paragraph (a) of this subsection, an additional Kentucky coal workers' pneumoconiosis fund assessment at the rate of two and one-half cents (\$0.025) per ton is hereby imposed upon the total annual amount of tons of coal severed on or after January 1, 1997, through December 31, 1997, by every entity engaged in the severance of coal as required pursuant to KRS Chapter 143.
- (c) As of June 30, ~~2018~~²⁰⁰⁶, and each year thereafter *until the liabilities of the fund are fully funded*, the *Funding Commission and the Kentucky Employers' Mutual Insurance Authority* ~~[funding commission]~~ shall determine the assets of the fund and the claim ~~[and administrative expense]~~ liability incurred by the fund for all previous years and shall establish the rates under the provisions of paragraphs (a) and (b) of this subsection necessary as of January 1 of the next year to ~~fully~~ fund ~~[and prefund all]~~ claim liabilities ~~[and administrative expenses]~~ through December 31 of the next year of operations. The assessment rate authorized by this section for premiums received and tons of coal severed shall be set so as to receive fifty percent (50%) of the needed revenue from each assessment. Notice of any rate changes shall be provided no later than October 1 of the year preceding the rate change.
- (4) All assessments imposed by this section shall be paid to the Kentucky Workers' Compensation Funding Commission and shall be *transferred to the Kentucky Employers' Mutual Insurance Authority, which is administering the coal workers' pneumoconiosis fund* ~~[credited to a separate account within the benefit reserve fund within the Kentucky Workers' Compensation Funding Commission]~~. In addition, the powers and responsibilities of the Kentucky Workers' Compensation Funding Commission including its fiduciary duties and responsibilities relating to assessments collected for the special fund pursuant to KRS 342.122, 342.1222, 342.1223, 342.1226, 342.1229, and 342.1231 shall apply to assessments collected for the Kentucky coal workers' pneumoconiosis fund created pursuant to this section. Each entity subject to assessments for the Kentucky coal workers' pneumoconiosis fund shall provide any and all information requested by the Kentucky Workers' Compensation Funding Commission necessary to carry out its powers and responsibilities relating thereto.
- (5) These assessments shall be paid quarterly not later than the thirtieth day of the month following the end of the quarter in which the premium is received or the coal is processed or severed. Receipt shall be considered timely through actual physical receipt or by postmark by the United States Postal Service. Employers carrying their own risk and employers defined in KRS 342.630(2) shall pay the annual assessments in four (4) equal quarterly installments. Penalty and interest penalties imposed pursuant to KRS 342.1221 and the authority of the Kentucky Workers' Compensation Funding Commission to waive part or all of the penalty shall apply to assessments for the Kentucky coal workers' pneumoconiosis fund in the same manner and amount as they are imposed on assessments for the special fund under KRS 342.122.

- (6) Notwithstanding any other provisions of this section or this chapter to the contrary, the total amount of funds collected pursuant to the assessment rates adopted by the funding commission shall not be limited to the provisions of this section.
- (7) Claims for benefits by reason of the development of coal workers' pneumoconiosis shall be maintained pursuant to KRS 342.732, and the Kentucky coal workers' pneumoconiosis fund shall be liable for payment of a part of the liability only for employees of employers engaged in the severance or processing of coal as defined in KRS 342.0011(23)(a) and (b).
- (8) ***Assessments issued pursuant to this section shall cease to be imposed once the liabilities of the fund are fully funded. After the liabilities are fully funded, any excess assessments shall be refunded to the employers on a pro rata basis.***

➔Section 5. KRS 342.316 is amended to read as follows:

- (1) (a) The employer liable for compensation for occupational disease shall be the employer in whose employment the employee was last exposed to the hazard of the occupational disease. During any period in which this section is applicable to a coal mine, an operator who acquired it or substantially all of its assets from a person who was its operator on and after January 1, 1973, shall be liable for, and secure the payment of, the benefits which would have been payable by the prior operator under this section with respect to miners previously employed in the mine if it had not been acquired by such later operator. At the same time, however, this subsection does not relieve the prior operator of any liability under this section. Also, it does not affect whatever rights the later operator might have against the prior operator.
- (b) The time of the beginning of compensation payments shall be the date of the employee's last injurious exposure to the cause of the disease, or the date of actual disability, whichever is later.
- (2) The procedure with respect to the giving of notice and determination of claims in occupational disease cases and the compensation and medical benefits payable for disability or death due to the disease shall be the same as in cases of accidental injury or death under the general provisions of this chapter, except that notice of claim shall be given to the employer as soon as practicable after the employee first experiences a distinct manifestation of an occupational disease in the form of symptoms reasonably sufficient to apprise the employee that he or she has contracted the disease, or a diagnosis of the disease is first communicated to him or her, whichever shall first occur.
- (3) The procedure for filing occupational disease claims shall be as follows:
 - (a) The application for resolution of claim shall set forth the complete work history of the employee with a concise description of injurious exposure to a specific occupational disease, together with the name and addresses of the employer or employers with the approximate dates of employment. The application shall also include at least one (1) written medical report supporting his or her claim. This medical report shall be made on the basis of clinical or X-ray examination performed in accordance with accepted medical standards and shall contain full and complete statements of all examinations performed and the results thereof. The report shall be made by a duly-licensed physician. The commissioner shall promulgate administrative regulations which prescribe the format of the medical report required by this section and the manner in which the report shall be completed.
 - 1. For coal-related occupational pneumoconiosis claims, each clinical examination shall include a chest X-ray interpretation by a National Institute of Occupational Safety and Health (NIOSH) certified "B" reader. The chest X-ray upon which the report is made shall be filed with the application as well as spirometric tests when pulmonary dysfunction is alleged.
 - 2. For other compensable occupational pneumoconiosis claims, each clinical examination shall include a chest X-ray examination and appropriate pulmonary function tests.
 - (b) To be admissible, medical evidence offered in any proceeding under this chapter for determining a claim for occupational pneumoconiosis resulting from exposure to coal dust shall comply with accepted medical standards as follows:
 - 1. Chest X-rays shall be of acceptable quality with respect to exposure and development and shall be indelibly labeled with the date of the X-ray and the name and Social Security number of the claimant. Physicians' reports of X-ray interpretations shall: identify the claimant by name and Social Security number; include the date of the X-ray and the date of the report; classify the X-ray interpretation using the latest ILO Classification and be accompanied by a completed copy of

the latest ILO Classification report. Only interpretations by National Institute of Occupational Safety and Health (NIOSH) certified "B" readers shall be admissible.

2. Spirometric testing shall be conducted in accordance with the standards recommended in the "Guides to the Evaluation of Permanent Impairment" and the 1978 ATS epidemiology standardization project with the exception that the predicted normal values for lung function shall not be adjusted based upon the race of the subject. The FVC or the FEV1 values shall represent the largest of such values obtained from three (3) acceptable forced expiratory volume maneuvers as corrected to BTPS (body temperature, ambient pressure and saturated with water vapor at these conditions) and the variance between the two (2) largest acceptable FVC values shall be either less than five percent (5%) of the largest FVC value or less than one hundred (100) milliliters, whichever is greater. The variance between the two (2) largest acceptable FEV1 values shall be either less than five percent (5%) of the largest FEV1 value or less than one hundred (100) milliliters, whichever is greater. Reports of spirometric testing shall include a description by the physician of the procedures utilized in conducting such spirometric testing and a copy of the spirometric chart and tracings from which spirometric values submitted as evidence were taken.
3. The commissioner shall promulgate administrative regulations pursuant to KRS Chapter 13A as necessary to effectuate the purposes of this section. The commissioner shall periodically review the applicability of the spirometric test values contained in the "Guides to the Evaluation of Permanent Impairment" and may by administrative regulation substitute other spirometric test values which are found to be more closely representative of the normal pulmonary function of the coal mining population.
4. The procedure for determination of occupational disease claims shall be as follows:
 - a. Immediately upon receipt of an application for resolution of claim, the commissioner shall notify the responsible employer and all other interested parties and shall furnish them with a full and complete copy of the application.
 - b. The commissioner shall assign the claim to an administrative law judge and, except for coal workers' pneumoconiosis claims, shall promptly refer the employee to such physician or medical facility as the commissioner may select for examination. The report from this examination shall be provided to all parties of record. The employee shall not be referred by the commissioner for examination within two (2) years following any prior referral for examination for the same disease.
 - c. Except for coal workers' pneumoconiosis claims, within forty-five (45) days following the notice of filing an application for resolution of claim, the employer or carrier shall notify the commissioner and all parties of record of its acceptance or denial of the claim. A denial shall be in writing and shall state the specific basis for the denial. In coal workers' pneumoconiosis claims, the employer's notice of claim denial or acceptance shall be filed within thirty (30) days of the issuance by the commissioner of the notice of the consensus reading unless the consensus is that the miner has not developed coal workers' pneumoconiosis category 1/0 or greater. In the event the consensus procedure is exhausted without consensus being established, the employer's notice of claim denial or acceptance shall be filed within thirty (30) days of the commissioner notification to the administrative law judge that consensus has not been reached.
 - d. Within forty-five (45) days of assignment of a coal workers' pneumoconiosis claim to an administrative law judge, the employer shall cause the employee to be examined by a physician of the employer's choice and shall provide to all other parties and file with the commissioner the X-ray interpretation by a "B" reader. The examination of the employee shall include spirometric testing if pulmonary dysfunction is alleged by the employee in the application for resolution of a claim. The commissioner shall determine whether the X-ray interpretations filed by the parties are in consensus.
 - e. If the readings are not in consensus, the commissioner shall forward both films, masking information identifying the facility where the X-ray was obtained and the referring physician, consecutively to three (3) "B" readers selected randomly from a list maintained by the commissioner for interpretation. Each "B" reader shall select the highest quality film and report only the interpretation of that film. The commissioner shall determine if

two (2) of the X-ray interpretations filed by the three (3) "B" readers selected randomly are in consensus. If consensus is reached, the commissioner shall forward copies of the report to all parties as well as notice of the consensus reading which shall be considered as evidence. If consensus is not reached, the administrative law judge shall decide the claim on the evidence submitted.

- f. "Consensus" is reached between two (2) chest X-ray interpreters when their classifications meet one (1) of the following criteria: each finds either category A, B, or C progressive massive fibrosis; or findings with regard to simple pneumoconiosis are both in the same major category and within one (1) minor category (ILO category twelve (12) point scale) of each other.
 - g. The administrative law judge shall conduct such proceedings as are necessary to resolve the claim and shall have authority to grant or deny any relief, including interlocutory relief, to order additional proof, to conduct a benefit review conference, or to take such other action as may be appropriate to resolve the claim.
 - h. Unless a voluntary settlement is reached by the parties, or the parties agree otherwise, the administrative law judge shall issue a written determination within sixty (60) days following a hearing. The written determination shall address all contested issues and shall be enforceable under KRS 342.305.
- 5. The procedure for appeal from a determination of an administrative law judge shall be as set forth in KRS 342.285.
- (4) (a) The right to compensation under this chapter resulting from an occupational disease shall be forever barred unless a claim is filed with the commissioner within three (3) years after the last injurious exposure to the occupational hazard or after the employee first experiences a distinct manifestation of an occupational disease in the form of symptoms reasonably sufficient to apprise the employee that he or she has contracted the disease, whichever shall last occur; and if death results from the occupational disease within that period, unless a claim therefor be filed with the commissioner within three (3) years after the death; but that notice of claim shall be deemed waived in case of disability or death where the employer, or its insurance carrier, voluntarily makes payment therefor, or if the incurrence of the disease or the death of the employee and its cause was known to the employer. However, the right to compensation for any occupational disease shall be forever barred, unless a claim is filed with the commissioner within five (5) years from the last injurious exposure to the occupational hazard, except that, in cases of radiation disease or asbestos-related disease, a claim must be filed within twenty (20) years from the last injurious exposure to the occupational hazard.
- (b) Income benefits for the disease of pneumoconiosis resulting from exposure to coal dust or death therefrom shall not be payable unless the employee has been exposed to the hazards of such pneumoconiosis in the Commonwealth of Kentucky over a continuous period of not less than two (2) years during the ten (10) years immediately preceding the date of his or her last exposure to such hazard, or for any five (5) of the fifteen (15) years immediately preceding the date of such last exposure.
- (5) The amount of compensation payable for disability due to occupational disease or for death from the disease, and the time and manner of its payment, shall be as provided for under the general provisions of the Workers' Compensation Act, but:
 - (a) In no event shall the payment exceed the amounts that were in effect at the time of the last injurious exposure;
 - (b) The time of the beginning of compensation payments shall be the date of the employee's last injurious exposure to the cause of the disease, or the date of actual disability, whichever is later; and
 - (c) In case of death where the employee has been awarded compensation or made timely claim within the period provided for in this section, and an employee has suffered continuous disability to the date of his or her death occurring at any time within twenty (20) years from the date of disability, his or her dependents, if any, shall be awarded compensation for his or her death as provided for under the general provisions of the Workers' Compensation Act and in this section, except as provided in KRS 342.750(6).

- (6) If an autopsy has been performed, no testimony relative thereto shall be admitted unless the employer or its representative has available findings and reports of the pathologist or doctor who performed the autopsy examination.
- (7) No compensation shall be payable for occupational disease if the employee at the time of entering the employment of the employer by whom compensation would otherwise be payable, falsely represented himself or herself, in writing, as not having been previously disabled, laid-off, or compensated in damages or otherwise, because of the occupational disease, or failed or omitted truthfully to state to the best of his or her knowledge, in answer to written inquiry made by the employer, the place, duration, and nature of previous employment, or, to the best of his or her knowledge, the previous state of his or her health.
- (8) No compensation for death from occupational disease shall be payable to any person whose relationship to the deceased, which under the provisions of this chapter would give right to compensation, arose subsequent to the beginning of the first compensable disability, except only for after-born children of a marriage existing at the beginning of such disability.
- (9) Whenever any claimant misconceives his or her remedy and files an application for adjustment of claim under the general provisions of this chapter and it is subsequently discovered, at any time before the final disposition of the cause, that the claim for injury, disability, or death which was the basis for his or her application should properly have been made under the provisions of this section, then the application so filed may be amended in form or substance, or both, to assert a claim for injury, disability, or death under the provisions of this section, and it shall be deemed to have been so filed as amended on the date of the original filing thereof, and compensation may be awarded that is warranted by the whole evidence pursuant to the provisions of this chapter. When amendment of this type is submitted, further or additional evidence may be heard when deemed necessary. Nothing this section contains shall be construed to be or permit a waiver of any of the provisions of this chapter with reference to notice of time for filing of a claim, but notice of filing a claim, if given or done, shall be deemed to be a notice of filing of a claim under provisions of this chapter, if given or done within the time required by this subsection.
- (10) When an employee has an occupational disease that is covered by this chapter, the employer in whose employment he or she was last injuriously exposed to the hazard of the disease, and the employer's insurance carrier, if any, at the time of the exposure, shall alone be liable therefor, without right to contribution from any prior employer or insurance carrier, except as otherwise provided in this chapter.
- (11)
 - (a) ***For claims filed on or before June 30, 2017***, income benefits for coal-related occupational pneumoconiosis shall be paid fifty percent (50%) by the Kentucky coal workers' pneumoconiosis fund as established in KRS 342.1242 and fifty percent (50%) by the employer in whose employment the employee was last exposed to the hazard of that occupational disease.
 - (b) ***Income benefits for coal-related occupational pneumoconiosis for claims filed after June 30, 2017 shall be paid by the employer in whose employment the employee was last exposed to the hazards of coal workers' pneumoconiosis.***
 - (c) Compensation for all other occupational disease shall be paid by the employer in whose employment the employee was last exposed to the hazards of the occupational disease.
- (12) A concluded claim for benefits by reason of contraction of coal workers' pneumoconiosis in the severance or processing of coal shall bar any subsequent claim for benefits by reason of contraction of coal workers' pneumoconiosis, unless there has occurred in the interim between the conclusion of the first claim and the filing of the second claim at least two (2) years of employment wherein the employee was continuously exposed to the hazards of the disease in the Commonwealth.
- (13) For coal-related occupational pneumoconiosis claims, the consensus procedure shall apply to all claims which have not been assigned to an administrative law judge prior to July 15, 2002. The consensus classification shall be presumed to be the correct classification of the employee's condition unless overcome by clear and convincing evidence. If an administrative law judge finds that the presumption of correctness of the consensus reading has been overcome, the reasons shall be specially stated in the administrative law judge's order.

➔Section 6. KRS 342.320 is amended to read as follows:

- (1) All fees of attorneys and physicians, and all charges of hospitals under this chapter, shall be subject to the approval of an administrative law judge pursuant to the statutes and administrative regulations.
- (2) In an original claim, attorney's fees for services under this chapter on behalf of an employee shall be subject to the following maximum limits:

- (a) Twenty percent (20%) of the first twenty-five thousand dollars (\$25,000) of the award, fifteen percent (15%) of the next ten thousand dollars (\$10,000), and five percent (5%) of the remainder of the award, not to exceed a maximum fee of twelve thousand dollars (\$12,000). This fee shall be paid by the employee from the proceeds of the award or settlement; and
 - (b) Attorney-client employment contracts entered into and signed after July 14, 2000, shall be subject to the conditions of paragraph (a) of this subsection.
- (3) In approving an allowance of attorney's fees, the administrative law judge shall consider the extent, complexity, and quality of services rendered, and in the case of death, the Remarriage Tables of the Dutch Royal Insurance Institute. An attorney's fee may be denied or reduced upon proof of solicitation by the attorney. However, this provision shall not be construed to preclude advertising in conformity with standards prescribed by the Kentucky Supreme Court.
- (4) No attorney's fee in any case involving benefits under this chapter shall be paid until the fee is approved by the administrative law judge, and any contract for the payment of attorney's fees otherwise than as provided in this section shall be void. The motion for approval of an attorney's fee shall be submitted within thirty (30) days following finality of the claim. Except when the attorney's fee is to be paid by the employer or carrier, the attorney's fee shall be paid in one (1) of the following ways:
 - (a) The employee may pay the attorney's fee out of his or her personal funds or from the proceeds of a lump-sum settlement; or
 - (b) The administrative law judge, upon request of the employee, may order the payment of the attorney's fee in a lump sum directly to the attorney of record and deduct the attorney's fee from the weekly benefits payable to the employee in equal installments over the duration of the award or until the attorney's fee has been paid, commuting sufficient sums to pay the fee.
- (5) At the commencement of the attorney-client relationship, the attorney shall explain to the employee the methods by which this section provides for the payment of the attorney's fee, and the employee shall select the method in which the attorney's fee is to be paid. His or her selection and statement that he or she fully understands the method to be used shall be submitted by his or her attorney, on a notarized form signed by the employee, at the time the motion for approval of the attorney's fee is submitted. The commissioner shall develop the format and content of the form to be used pursuant to this section. The form to be used shall list on its face all options permitted in this section for the payment of an attorney's fees and contain an explanation in nontechnical language of each method.
- (6) The General Assembly declares that by the enactment of KRS 342.316(3), it is the legislative intent to encourage settlement and prompt administrative handling of those claims and thereby reduce expenses to claimants for compensation under the provisions of KRS 342.316, and the administrative law judge shall give due regard to this legislative intent in the handling of uncontested claims and the allowance of attorney's fees therein.
- (7) In a claim that has been reopened pursuant to the provisions of this chapter, an attorney's fee may be awarded by the administrative law judge subject to the limits set forth in subsection (2) of this section. In awarding the attorney's fee, the administrative law judge shall consider the factors set forth in subsection (3) of this section. If no additional amount is recovered upon reopening, no attorney's fee shall be awarded. No attorney's fee shall be allowed or approved exceeding the amounts provided in subsection (2)(a) of this section applicable to any additional amount recovered.
- (8) Attorney's fees for representing employers in proceedings under this chapter pursuant to contract with the employer shall be subject to approval of the administrative law judge in the same manner as prescribed for attorney representation of employees. Employer attorney's fees are subject to the limitation of twelve thousand dollars (\$12,000) maximum fees except that fees for representing employers shall not be dependent upon the result achieved. Employer attorney's fees may be paid on a periodic basis while a claim is adjudicated and the payments need not be approved until the claims resolution process is completed. ~~Fees for legal services in presenting a claim for reimbursement from the Kentucky coal workers' pneumoconiosis fund shall not exceed one thousand dollars (\$1,000).~~ All such approved fees shall be paid by the employer and in no event shall exceed the amount the employer agreed by contract to pay.

➔Section 7. KRS 342.732 is amended to read as follows:

- (1) Notwithstanding any other provision of this chapter, income benefits and retraining incentive benefits for occupational pneumoconiosis resulting from exposure to coal dust in the severance or processing of coal shall be paid as follows:
- (a)
1. If an employee has a radiographic classification of category 1/0, 1/1 or 1/2, coal workers' pneumoconiosis and spirometric test values of eighty percent (80%) or more, the employee shall be awarded a one (1) time only retraining incentive benefit which shall be an amount equal to sixty-six and two-thirds percent ($66\frac{2}{3}\%$) of the employee's average weekly wage as determined by KRS 342.740, but not more than seventy-five percent (75%) of the state average weekly wage, payable semimonthly for a period not to exceed one hundred four (104) weeks, except as provided in subparagraph 3. of this paragraph.
 2. Except as provided in subparagraph 3. of this paragraph, these benefits shall be paid only while the employee is enrolled and actively and successfully participating as a full-time student taking the equivalent of twelve (12) or more credit hours per week in a bona fide training or education program that if successfully completed will qualify the person completing the course for a trade, occupation, or profession and which program can be completed within the period benefits are payable under this subsection. The program must be approved under administrative regulations to be promulgated by the commissioner. These benefits shall also be paid to an employee who is a part-time student taking not less than the equivalent of six (6) nor more than eleven (11) credit hours per week, except that benefits shall be an amount equal to thirty-three and one-third percent ($33\frac{1}{3}\%$) of the employee's average weekly wage as determined by KRS 342.740, but not more than thirty-seven and one-half percent ($37\frac{1}{2}\%$) of the state average weekly wage, payable biweekly for a period not to exceed two hundred eight (208) weeks.
 3. These benefits shall also be paid biweekly while an employee is actively and successfully pursuing a General Equivalency Diploma (GED) in accordance with administrative regulations promulgated by the commissioner. These benefits shall be paid in the amount of sixty-six and two-thirds percent ($66\frac{2}{3}\%$) of the employee's average weekly wage not to exceed seventy-five percent (75%) of the state average weekly wage for a maximum period not to exceed seventeen (17) weeks. These income benefits shall be in addition to the maximum amount of retraining incentive benefits payable under this paragraph.
 4. The employer shall also pay, directly to the institution conducting the training or education program, instruction, tuition, and material costs not to exceed five thousand dollars (\$5,000).
 5. The period of weeks during which this benefit is payable shall begin no later than the thirtieth day after the administrative law judge's order awarding the benefit becomes final, except that an employee may elect to defer the beginning of such benefits up to the three hundred sixty-fifth day following the thirtieth day the order becomes final. Unless the employee has requested deferral of income benefits, those income benefits payable under subparagraphs 1. and 2. of this paragraph shall begin no later than thirty (30) days following conclusion of income benefits paid under subparagraph 3. if such benefits were paid.
 6. If an employee who is awarded retraining incentive benefits under this paragraph successfully completes a bona fide training or education program approved by the commissioner, upon completion of the training or education program, the employer shall pay to that employee the sum of five thousand dollars (\$5,000) for successful completion of a program that requires a course of study of not less than twelve (12) months nor more than eighteen (18) months, or the sum of ten thousand dollars (\$10,000) for successful completion of a program that requires a course of study of more than eighteen (18) months. This amount shall be in addition to retraining incentive benefits awarded under this paragraph, and tuition expenses paid by the employer.
 7. An employee who is age fifty-seven (57) years or older on the date of last exposure and who is awarded retraining incentive benefits under subparagraphs 1. to 4. of this paragraph, may elect to receive in lieu of retraining incentive benefits, an amount equal to sixty-six and two-thirds percent ($66\frac{2}{3}\%$) of the employee's average weekly wage, not to exceed seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740 multiplied by the disability rating of twenty-five percent (25%) for a period not to exceed four hundred twenty-five (425) weeks, or until the employee reaches sixty-five (65) years of age, whichever occurs first, KRS 342.730(4) notwithstanding.

8. A claim for retraining incentive benefits provided under this section may be filed, but benefits shall not be payable, while an employee is employed in the severance or processing of coal as defined in KRS 342.0011(23).
 9. If an employer appeals an award of retraining incentive benefits, upon an employee's motion, an administrative law judge may grant retraining incentive benefits pending appeal as interlocutory relief.
 10. If an employee elects to defer payment of retraining incentive benefits for a period of retraining longer than three hundred sixty-five (365) days, benefits otherwise payable shall be reduced week-for-week for each week retraining benefits are further deferred;
- (b) 1. If an employee has a radiographic classification of category 1/0, 1/1, or 1/2 coal workers' pneumoconiosis and respiratory impairment evidenced by spirometric test values of fifty-five percent (55%) or more but less than eighty percent (80%) of the predicted normal values, or category 2/1, 2/2, or 2/3 coal workers' pneumoconiosis and spirometric test values of eighty percent (80%) or more of the predicted normal values, there shall be an irrebuttable presumption that the employee has a disability rating of twenty-five percent (25%) resulting from exposure to coal dust, and the employee shall be awarded an income benefit which shall be an amount equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage, but not to exceed seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740 multiplied by the disability rating of twenty-five percent (25%). The award shall be payable for a period not to exceed four hundred twenty-five (425) weeks.
2. An employee who is awarded benefits under this paragraph may, at the time of the award or before benefit payments begin, elect to receive retraining incentive benefits provided under paragraph (a)1. to 6. of this subsection, in lieu of income benefits awarded under this paragraph, provided that such option is available one (1) time only and is not ~~revocable~~~~[revokable]~~, and provided that in no event shall income benefits payable under this paragraph be stacked or added to retraining incentive income benefits paid or payable under subparagraphs 1. to 6. of paragraph (a)1. to 6. of this subsection to extend the period of disability;
- (c) If it is determined that an employee has a radiographic classification of category 1/0, 1/1, or 1/2, and respiratory impairment resulting from exposure to coal dust as evidenced by spirometric test values of less than fifty-five percent (55%) of the predicted normal values, or category 2/1, 2/2, or 2/3 coal workers' pneumoconiosis and respiratory impairment evidenced by spirometric test values of fifty-five percent (55%) or more but less than eighty percent (80%) of the predicted normal values, or category 3/2 or 3/3 coal workers' pneumoconiosis and spirometric test values of eighty percent (80%) or more, there shall be an irrebuttable presumption that the employee has a disability rating of fifty percent (50%) resulting from exposure to coal dust, and the employee shall be awarded an income benefit which shall be an amount equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not to exceed seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740 multiplied by the disability rating of fifty percent (50%). The award shall be payable for a period not to exceed four hundred twenty-five (425) weeks;
- (d) If it is determined that an employee has a radiographic classification of category 2/1, 2/2, or 2/3 coal workers' pneumoconiosis, based on the latest ILO International Classification of Radiographics, and respiratory impairment as evidenced by spirometric test values of less than fifty-five percent (55%) of the predicted normal values or category 3/2 or 3/3 pneumoconiosis and respiratory impairment evidenced by spirometric test values of fifty-five percent (55%) or more but less than eighty percent (80%) of the predicted normal values, there shall be an irrebuttable presumption that the employee has a seventy-five percent (75%) disability rating resulting from exposure to coal dust and the employee shall be awarded income benefits which shall be equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not to exceed seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740 multiplied by the disability rating of seventy-five percent (75%). The award shall be payable for a period not to exceed five hundred twenty (520) weeks. Income benefits awarded under this paragraph shall be payable to the employee during the disability; and

benefits equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than one hundred percent (100%) of the state average weekly wage and not less than twenty percent (20%) of the average weekly wage of the state as determined by KRS 342.740. Income benefits awarded under this paragraph shall be payable to the employee during such disability.

- (2) The presence of respiratory impairment resulting from exposure to coal dust shall be established by using the largest forced vital capacity (FVC) value or the largest forced expiratory volume in one second (FEV1) value determined from the totality of all such spirometric testing performed in compliance with accepted medical standards.
- (3) When valid spirometric tests are not provided and a physician certifies to the administrative law judge that spirometric testing is not medically indicated because of the permanent physical condition of the employee, the administrative law judge shall make his or her decision on the basis of evidence admitted which establishes the existence of a diagnosis of occupational pneumoconiosis and respiratory impairment due to the occupational pneumoconiosis. The evidence submitted by the employee shall include one (1) or more arterial blood gas studies performed in accordance with accepted medical standards. Income benefits shall not be awarded in the absence of valid spirometric tests if the claimant's PO2 arterial blood gas value is equal to or higher than one (1) standard deviation from the normal value obtained by the formula $(103.5 - 0.42X)$, where X equals the claimant's age at the time of the arterial blood gas study.
- (4) Upon request, the commissioner shall refer an employee who has been awarded retraining incentive benefits under subsection (1)(a) of this section to the Office of Vocational Rehabilitation for evaluation and assessment of the training, education, or other services necessary to prepare the employee for a trade, occupation, or profession that will return the employee to remunerative employment, or services necessary and appropriate to prepare and enable the employee to successfully complete a bona fide training or education program approved by the commissioner. The commissioner shall contract with the Office of Vocational Rehabilitation to provide vocational rehabilitation or education services commensurate with the skill levels and abilities of the employee. Services provided under this subsection shall be funded by the coal workers' pneumoconiosis fund, KRS 342.740 notwithstanding, *for claims filed on or before June 30, 2017, and by the employer for claims filed after June 30, 2017.*
- (5) The commissioner shall promulgate administrative regulations sufficient to effectuate the provisions relating to retraining incentive benefits provided under subsection (1)(a) of this section. The administrative regulations shall:
 - (a) Define a "bona fide training or education program" to mean a postsecondary education or training program, including but not limited to the postsecondary programs registered with the Higher Education Assistance Authority, and successful completion of which will qualify the person completing the course for a trade, occupation, or profession, and which program can be completed within the period benefits are payable under subsection (1)(a) of this section;
 - (b) Establish requirements for approval and certification of a bona fide training or education program;
 - (c) Provide that funds paid to the training or education program by the employer as required under subsection (1)(a)4. of this section shall be applied only to instruction, tuition, material costs, and any fees necessary for the completion of the program;

➔Section 8. KRS 342.792 is amended to read as follows:

- (1) The claim of any miner last exposed to the occupational hazards of coal workers' pneumoconiosis between December 12, 1996, and July 15, 2002, shall nonetheless be governed by the provisions of KRS 342.732 and

notwithstanding the provisions of KRS 342.125 all claims for benefits which were filed for last injurious occupational exposure to coal dust occurring between December 12, 1996, and July 15, 2002, shall be considered pursuant to the provisions of KRS 342.732 and administrative regulations promulgated by the commissioner, and closed claims, except claims dismissed for reasons other than failure to meet medical eligibility standards, may be reopened by the claimant. Income or retraining incentive benefits shall be awarded thereon as if the entitlement standards established by the amendments to KRS 342.732 were effective at the time of last exposure. Any benefits previously granted by an award or settlement shall be credited against any subsequent award or settlement and no interest shall be payable on additional benefits. A previous grant of retraining incentive benefits shall be credited only to the extent that the benefits were actually paid. All income or retraining incentive benefits greater than those which would have been awarded were not these new provisions applicable shall be paid without interest from the Kentucky coal workers' pneumoconiosis fund, the provisions of KRS 342.1242 notwithstanding, ***for claims filed on or before June 30, 2017, and by the employer for claims filed after June 30, 2017.***

- (2) The original claim of any miner last exposed to the occupational hazards of coal workers' pneumoconiosis prior to December 12, 1996, which was subject to a university evaluation pursuant to KRS 342.315 and was dismissed upon a finding that the miner did not prove the presence of coal workers' pneumoconiosis radiographically may be reopened by the claimant notwithstanding the provisions of KRS 342.125, pursuant to administrative regulations adopted by the commissioner. Income benefits may be awarded thereon pursuant to entitlement standards effective as of the date of last exposure, except the income or retraining benefits shall be paid without interest from the Kentucky coal workers' pneumoconiosis fund, the provisions of KRS 342.1242 notwithstanding, ***for claims filed on or before June 30, 2017, and by the employer for claims filed after June 30, 2017.***
- (3) Notwithstanding the provisions of KRS 342.316(4)(a), the coal workers' pneumoconiosis claim of any miner last exposed between December 12, 1996, and July 15, 2002, may be filed with the commissioner on or before December 12, 2003, or within the time frame prescribed by KRS 342.316(4)(a), whichever is longer. All income or retraining incentive benefits greater than those which would have been awarded were not these new provisions applicable shall be paid by the Kentucky coal workers' pneumoconiosis fund without interest, the provisions of KRS 342.1242 notwithstanding, ***for claims filed on or before June 30, 2017, and by the employer for claims filed after June 30, 2017.***
- (4) Administrative regulations promulgated by the commissioner pursuant to subsections (1) and (2) of this section shall provide that chest X-rays previously taken at university medical schools pursuant to KRS 342.315 shall be obtained by the commissioner and forwarded to three (3) randomly selected "B" readers for determination of consensus pursuant to KRS 342.316(3)(b)4.e. ➔Section 9. KRS 342.794 is amended to read as follows:

- (1) The commissioner shall maintain a list of duly qualified "B" reader physicians who are licensed in the Commonwealth. The list shall include "B" reader physicians at the university medical schools and other "B" reader physicians certified by the National Institute of Occupational Safety and Health (NIOSH) who have agreed to interpret chest X-rays pursuant to KRS 342.316 for a fee to be fixed by the commissioner and paid by the Kentucky coal workers' pneumoconiosis fund, the provisions of KRS 342.1242 notwithstanding, ***for claims filed on or before June 30, 2017, and by the employer for claims filed after June 30, 2017.***
- (2) Physicians from the "B" reader list shall be utilized as necessary to obtain consensus classifications of chest films in coal workers' pneumoconiosis claims. The consensus classification shall be presumed to be the correct classification of the employee's condition unless overcome by clear and convincing evidence. If an administrative law judge finds that the presumption of correctness of the consensus reading has been overcome, the reasons shall be specially stated in the administrative law judge's order.
- (3) "B" reader" means a physician who has demonstrated proficiency in evaluating chest roentgenograms for roentgenographic quality and in the use of the ILO classification for interpreting chest roentgenograms for pneumoconiosis and other diseases by taking and passing a specially designed proficiency examination given on behalf of the National Institute of Occupational Safety and Health (NIOSH) or by the Appalachian Laboratory for Occupational Safety and Health (ALOSH), or successors.
- (4) The university medical schools in consultation with the commissioner shall jointly develop a procedure to annually report the performance of physicians on the "B" reader list who have participated in the consensus procedure established in KRS 342.316. The physicians shall be evaluated with respect to the timeliness and

completeness of their reports, as well as the frequency at which the physician's classification of X-rays differs from the consensus reading. The commissioner shall remove a physician from the "B" reader list if the physician consistently renders incomplete or untimely reports, or if the physician's interpretations of X-rays are not in conformity with the consensus reading fifty percent (50%) of the time. The report required under this subsection shall be provided to the Interim Joint Committee on Labor and Industry beginning in July 1, 2003 and by July 1 of each year thereafter.

➔Section 10. KRS 342.120 is amended to read as follows:

The director shall be responsible for overseeing the administration of the funds and the maintenance of records regarding the payment of claims by the funds.
- (2) The special fund shall have no liability upon any claim in which the injury occurred, or for cumulative trauma, the disability became manifest, or, for occupational disease, if the date of injury or last exposure occurred, after December 12, 1996.
- (3) Where the employer has settled its liability for income benefits and thereafter a determination has been made of the special fund's liability, the special fund portion of the benefit rate shall be paid over the maximum period provided for by statute for that disability, with the period of payment beginning on the date settlement was approved by an administrative law judge. This provision is remedial and shall apply to all pending and future claims.

➔Section 11. The following KRS section is repealed:

342.1241 Legislative findings and declarations on Kentucky coal workers' pneumoconiosis fund.

➔Section 12. Whereas the economic decline of the coal industry requires immediate action with regard to the funding of the Kentucky coal workers' pneumoconiosis fund, which directly impacts the economic well-being of coal employers and employees, an emergency is declared to exist and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

Signed by Governor April 10, 2017.

Signed by Governor April 11, 2017.

AN ACT to revise and correct the Kentucky Revised Statutes.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

PART A

LEGISLATIVE FINDINGS AND DECLARATIONS

➔Section 1. The General Assembly finds and declares as follows:

(1) Section 2 of this Act amends KRS 311.685, relating to the practice of acupuncture. KRS 311.685 was created in 2006 Ky. Acts ch. 249, sec. 15, as part of the initial statutory regulation of the practice of acupuncture. However, the drafter of that Act had inadvertently included in subsection (7) of that section a reference to the "practice of medicine" in the second sentence of that subsection. The reviser of statutes has determined from the context that the reference should have instead read "practice of acupuncture," but that change in language is not a manifest clerical or typographical error the reviser is authorized to independently correct under KRS 7.136(1)(h).

(2) Section 3 of this Act amends KRS 343.020, relating to the membership of the Apprenticeship and Training Council. Prior to its amendment in 2014, subsection (2)(a) of KRS 343.020 established staggered lengths of terms for the first appointments of members of the initial Council, and subsection (2)(b) of KRS 343.020 began, "Subsequent members shall serve terms of four (4) years.....," referring to members appointed after the initial terms expired. When subsection (2)(a) was amended in 2014, the language establishing staggered initial terms was deleted; however, the word "Subsequent" in subsection (2)(b) should have been deleted to conform, but was not.

(3) Section 4 of this Act amends KRS 134.452, relating to third-party purchasers of certificates of delinquency of real property taxes. 2014 Ky. Acts ch. 71, sec. 6, amended subsection (1) of that statute to correct improper formatting and replace an incorrect reference to "paragraph (a) of this subsection" with "subdivision a. of this subparagraph" in what is now subsection (1)(c)2.b. of that statute. During codification, it was brought to the attention of the reviser of statutes that a second reference to "paragraph (a)" in subsection (1)(c)3.a. of that statute should have also been corrected to read "subparagraph 2.a. of this paragraph", but it was not. The reviser of statutes has determined that changing that language to conform with the correct reference is necessary, but that it is not a manifest clerical or typographical error the reviser is authorized to independently correct under KRS 7.136(1)(h).

(4) Section 5 of this Act amends KRS 154.33-510, relating to definitions concerning the use of the Kentucky Appalachian regional development fund. The lead-in language for that statute that precedes the list of definitions is, "As used in KRS 154.33-501 to 154.33-585, unless the context otherwise requires:". The range of statutes KRS 154.33-501 to 154.33-585 was composed of 22 statutes; however, 16 of those statutes were repealed in 2015 in 2015 Ky. Acts ch. 58, sec. 7. Therefore, the reference to the depleted range of statutes is no longer appropriate, and should now read, "As used in this subchapter, unless the context otherwise requires:".

(5) Section 6 of this Act amends KRS 243.200, relating to an alcoholic beverage transporter's license. As amended by 2014 Ky. Acts ch. 22, sec. 14, subsection (9)(b) of that statute contains an erroneous reference to "residence requirements" of KRS 244.090. Although certain licensees were previously prohibited from employing any person who "has not had an actual bona fide residence in this Commonwealth for at least one (1) year" or "is not a citizen of the United States," the General Assembly removed the state residency requirement from the statute in 1978 Ky. Acts ch. 194, sec. 19, and the national citizenship requirement in 1998 Ky. Acts ch. 522, sec. 20. Therefore, the reference to KRS 244.090 concerning residency requirements is obsolete. The remaining reference to KRS 243.100 is correct.

(6) Section 7 of this Act amends KRS 402.100, relating to marriage licenses. In subsection (2)(b) of that statute, there is an incomplete, and, therefore, incorrect reference to "KRS 402.050(c)" regarding religious societies authorized to solemnize marriages. KRS 402.050, subsection (1), contains the list of persons authorized to solemnize marriage, so the incorrect cite to "KRS 402.050(c)" should be corrected to read "KRS 402.050(1)(c)."

(7) Section 8 of this Act repeals KRS 158.650, 158.680, 158.685, and 158.710, which were enacted in 1990 as part of the Kentucky Education Reform Act, and contained the initial phase of temporary reform remedies that were designated to expire in 1996. Since the provisions of those statutes expired in 1996 and have not been followed since, it is now appropriate to remove them from the statutory database by repealing them.

(8) Sections 9 and 10 of this Act contain amendments to KRS 156.160 and 160.107 to conform with the repeal of KRS 158.685 by deleting references to that statute number in other statutory text.

PART B

CORRECTION OF INADVERTENT DRAFTING ERRORS IN STATUTORY TEXT

➔Section 2. KRS 311.685 is amended to read as follows:

- (1) The board, before suspending, revoking, imposing probationary or supervisory conditions upon a licensed acupuncturist, imposing an administrative fine, issuing a written reprimand, or any combination of these actions regarding any licensed acupuncturist under KRS 311.671 to 311.686, shall set the matter for a hearing under the provisions of KRS Chapter 13B.
- (2) After denying an application under KRS 311.671 to 311.686 or issuing a written admonishment, the board, at the request of the aggrieved party, shall grant a hearing under the provisions of KRS Chapter 13B.
- (3) Except for final orders denying an initial application or renewal for licensure or final orders issued pursuant to KRS 13B.125(3), all final orders of the board affecting an acupuncturist's license shall become effective thirty (30) days after notice is given to the license holder unless otherwise agreed; however, the board's panels may provide that a final order be effective immediately when, in the panel's opinion, based upon sufficient reasonable cause, the health, welfare, and safety of patients or the general public would be endangered by delay.
- (4) Any acupuncturist who is aggrieved by a final order of the board denying an initial or renewal application for licensure or rendering disciplinary action against a license holder may seek judicial review of the order by filing a petition with the Circuit Court of the county in which the board's offices are located in accordance with KRS Chapter 13B. Decisions of the board's panels relating to petitions for reinstatement of revoked licenses are not final orders for purposes of this statute, and are not subject to judicial review.
- (5) The court shall not award injunctive relief against the board without providing the board with the reasonable opportunity to be heard.
- (6) An acupuncturist whose license has been revoked may, after five (5) years from the effective date of the revocation order, petition the board to reissue the license to again practice acupuncture in the Commonwealth of Kentucky.
- (7) The board shall not be required to issue a new license, and a decision of the board not to reissue a license shall not be subject to judicial review. A license shall not be reissued following a petition under subsection (6) of this section unless the former license holder satisfies the board that he or she is presently of good moral character and qualified both physically and mentally to resume the practice of ~~acupuncture~~~~medicine~~ without undue risk or danger to patients or the public.
- (8) In the event the board reissues a revoked license under the circumstances as described in this section, the reissued license shall be under probation for a period of not less than two (2) years nor more than five (5) years with conditions fixed by the board, including a condition that any violation of the remaining conditions of probation shall result in automatic revocation of the license.

➔Section 3. KRS 343.020 is amended to read as follows:

- (1) (a) The Governor shall appoint an Apprenticeship and Training Council composed of four (4) representatives from employer organizations, four (4) representatives from employee organizations, and three (3) at-large members who shall serve for a term of four (4) years and until their successors are appointed and qualified. The commissioner of the Department of Workplace Standards, the commissioner of the Department for Workforce Investment, and the chancellor for the Technical Institutions' Branch in the Kentucky Community and Technical College System shall be ex officio members of the council. The chairman shall be elected by vote of the Apprenticeship and Training Council.
- (b) The regular members of the council shall each have one (1) vote. In the event of a tie vote among the regular members, the commissioner of the Department of Workplace Standards shall have the right to cast the tie-breaking vote. Each member of the council shall receive his or her actual and necessary expenses incurred in attending its meetings.
- (c) The council shall meet at the call of the commissioner and shall aid him or her in formulating policies for the effective administration of this chapter. The commissioner with the advice of the council shall have the authority to make and revise such rules and regulations as he or she may deem appropriate to carry out the provisions and purposes of this chapter.
- (2) (a) On July 15, 2014, the term of the at-large members appointed on December 31, 2011, shall expire, and the Governor shall appoint three (3) at-large members representing the general public to the Apprenticeship and Training Council.

- (b) ~~[Subsequent]~~ Members shall serve terms of four (4) years and shall serve until their successors are appointed and qualified.
- (3) The council shall be attached to the Labor Cabinet for administrative purposes.

PART C

CORRECTION OF IMPROPER IN-TEXT STATUTORY REFERENCES

➔Section 4. KRS 134.452 is amended to read as follows:

- (1) Notwithstanding any other provisions of this chapter, a third-party purchaser of a certificate of delinquency shall be entitled to collect only the following prelitigation fees:
 - (a) The amount actually paid for the certificate of delinquency;
 - (b) Interest as provided in KRS 134.125, calculated on the amount actually paid to the county clerk from the date the certificate of delinquency was purchased until paid; and
 - (c)
 - 1. Prelitigation attorneys' fees, which may include amounts incurred for collection efforts and costs related to notification, processing, research, communication, compliance, legal costs, documentation, and similar expenses, from the date the third-party purchaser purchases the certificate of delinquency from the county clerk, to the date on which the notice required by KRS 134.490(2) is mailed by the third-party purchaser.
 - 2. The amount that may be collected by the third-party purchaser as prelitigation attorneys' fees shall be subject to the following limitations:
 - a.
 - i. If the amount paid for a certificate of delinquency is between five dollars (\$5) and three hundred fifty dollars (\$350), actual reasonable fees incurred up to one hundred percent (100%) of the amount of the certificate of delinquency, not to exceed three hundred fifty dollars (\$350);
 - ii. If the amount paid for a certificate of delinquency is between three hundred fifty-one dollars (\$351) and seven hundred dollars (\$700), actual reasonable fees incurred up to eighty percent (80%) of the amount of the certificate of delinquency, not to exceed five hundred sixty dollars (\$560); and
 - iii. If the amount paid for a certificate of delinquency is above seven hundred one dollars (\$701), actual reasonable fees incurred up to seventy percent (70%) of the amount of the certificate of delinquency, not to exceed seven hundred dollars (\$700); and
 - b. If a third-party purchaser is the owner of more than one (1) certificate of delinquency against the same taxpayer, actual and reasonable prelitigation attorneys' fees for all certificates of delinquency against the same taxpayer shall not exceed one and one-half (1.5) times the maximum amount permitted in subdivision a. of this subparagraph for the largest tax bill owed by the taxpayer.
 - 3. The amounts allowed by subparagraph 2. of this paragraph shall not accrue to the account of the delinquent taxpayer, nor be charged by the third-party purchaser against the delinquent taxpayer all at one (1) time unless the amount of certificate of delinquency is one hundred seventy-five dollars (\$175) or less. The third-party purchaser may accrue to the account of the delinquent taxpayer, and charge the delinquent taxpayer an amount equal to the lesser of prelitigation attorney's fees incurred by the third-party purchaser since the prior notice was sent or one hundred seventy-five dollars (\$175), for each notice sent to the delinquent taxpayer, provided that:
 - a. The total aggregate amount of prelitigation attorneys' fees that may accrue to the account of the delinquent taxpayer and be charged by the third-party purchaser against the delinquent taxpayer shall not exceed the limitations established by *subparagraph 2.a. of this paragraph*~~[(a) of this subsection]~~; and
 - b. Additional fees shall not accrue to the account of the delinquent taxpayer or be charged by the third-party purchaser against the delinquent taxpayer more frequently than every ninety (90) days, regardless of how many notices the third-party purchaser may send.

- (2) If the delinquent taxpayer and the third-party purchaser enter into a payment agreement, the third-party purchaser may collect the installment payment processing fee authorized by KRS 134.490(5).
- (3) (a) In addition to the fees established by subsections (1), (2), and (4) of this section, a third-party purchaser may collect actual, reasonable attorneys' fees and costs that arise due to the prosecution of collection remedies or the protection of a certificate of delinquency that is involved in litigation. Fees and costs permitted under this subsection include fees and costs incurred from the first day after the notice required by KRS 134.490(2) is sent through the day any litigation is finally concluded.
- (b) For purposes of this subsection:
 - 1. Actual attorneys' litigation fees up to two thousand dollars (\$2,000) may be reasonable if the fees are based upon documented work performed at a rate commensurate with hourly rates customarily charged by private attorneys in that jurisdiction for similar services. A flat rate, without hours documented for work performed, may be reasonable if the flat fee is determined to be discounted from the usual and customary rates for comparable work; and
 - 2. Any attorneys' litigation fee in excess of two thousand dollars (\$2,000) shall be allowed if authorized by the court upon a finding that the third-party purchaser incurred actual attorneys' litigation fees in excess of two thousand dollars (\$2,000) and that those attorneys' litigation fees were warranted based upon the complexity of the issues presented in the litigation.
- (4) The third-party purchaser may collect administrative fees incurred for preparing, recording, and releasing an assignment of the certificate of delinquency in the county clerk's office, not to exceed one hundred fifteen dollars (\$115).
- (5) The General Assembly recognizes that third-party purchasers play an important role in the delinquent tax collection system, allowing taxing districts to receive needed funds on a timely basis. The General Assembly has carefully considered the fees and charges authorized by this section, and has determined that the amounts established are reasonable based on the costs of collection and fees and charges incurred in litigation.
- (6) A certificate of delinquency owned by a third-party purchaser shall be deemed a general intangible for the purposes of Article 9 of KRS Chapter 355.

➔Section 5. KRS 154.33-510 is amended to read as follows:

A transporter's licensee may transport alcoholic beverages to or from the licensed premises of any licensee under this chapter if both the consignor and consignee in each case are authorized by the law of the states of their residence to sell, purchase, ship, or receive the alcoholic beverages.
- (b) A transporter's license shall be issued only to persons authorized by proper certificate from the Department of Vehicle Regulation to engage in the business of a common carrier. Holders of a transporter's license issued under this section may transport alcoholic beverages in Kentucky only in

conformity with the provisions of their common carrier certificate issued by the Transportation Cabinet. Such licensees are specifically prohibited from transporting alcoholic beverages anywhere within the state, except upon the route authorized by their respective common carrier certificates.

- (a) No person, firm, or corporation operating motor vehicles for hire over the highways of this state, under authority of a Certificate of Convenience and Necessity issued by the Transportation Cabinet, covering the same territory or highways designated in the certificate as irregular common carrier issued by the Interstate Commerce Commission shall be authorized or permitted to transport any alcoholic beverages in this state until the carrier has procured an appropriate transporter's license from the department, and filed with the department a statement of the proposed route of the territory over which the carrier proposes to transport alcoholic beverages.
 - (b) The statement of route shall be accompanied by an exhibit consisting of a Kentucky road map with the proposed route clearly indicated by suitable marking.

- (4) A transporter's license may be issued as a primary or supplementary license to any nonresident distiller, winery, or wholesaler who is authorized by the state of his or her residence and the federal government to receive and transport distilled spirits and wine. The nonresident licensee may transport for himself or herself only, distilled spirits and wine from the licensed premises of a Kentucky manufacturer, distiller, winery, or rectifier to the transporter's licensed premises only, and beverages on which the Kentucky tax has been paid may be transported from the licensed premises of a nonresident distiller, winery, or rectifier to wholesaler licensees within the Commonwealth of Kentucky, if he or she transports the alcoholic beverages in a truck or other vehicle owned and operated by a nonresident licensee. Each truck or vehicle shall have affixed to its side a sign in uniform letters of at least three (3) inches high containing the name of the company and the state and federal permit numbers for the vehicles.

- (7) A transporter's license may be issued as a primary license to a person or entity wishing to transport distilled spirits and wine through this state over the public highways. A transporter's license authorizes the holder to transport distilled spirits and wine during the period of the license. The driver of a vehicle so transporting shall be in the possession of a copy of the license and bills of lading, consignment, or other evidence of ownership of the cargo which tally with the cargo. Failure of the driver to be in possession of these documents shall be prima facie evidence of illegal trafficking. The transporting of distilled spirits and wine without a transporter's license shall subject the offending party to the penalties established in KRS 243.990.
- (8) A transporter's license may be issued as a primary license to a person wishing to transfer distilled spirits or wine from a licensed transporter to one (1) truck from another. The licensee may receive from and tender to

- (10) A transporter's license may be issued as a primary or supplemental license to a person, except a retailer, wishing to transport malt beverages for hire. A transporter's license shall authorize the licensee to transport malt beverages for hire to or from the licensed premises of any licensee, except retailers, if both the consignor and consignee in each case are authorized by the law of the states of their residence to sell, purchase, ship, or receive the malt beverages. A transporter licensee may transport malt beverages for hire to or from the licensed premises of any licensee under KRS 243.040 in counties containing a population of less than forty thousand (40,000) if both the consignor and consignee in each case are authorized by the laws of the states of their residence to sell, purchase, ship, or receive the malt beverages.
- (11) No person except a railroad company or railway express company shall transport or cause to be transported any distilled spirits or wine, unless expressly authorized to do so by law.
- (12) Distilled spirits and wine may be transported by the holder of any license authorized to transport distilled spirits and wine to and from express or freight depots and the licensee's premises.
- (13) A licensed alcoholic beverage store operator may move, within the same county, alcoholic beverages from one of the operator's licensed stores to another without a transporter's license. However, the licensed store operator shall keep and maintain, in one (1) of his or her stores in that county, adequate books and records of the transactions involved in transporting alcoholic beverages from one (1) licensed store to another in accordance with standards established in administrative regulations promulgated by the board. The records shall be available to the department and the Department of Revenue upon request.
- (14) Distilled spirits and wine may be transported by any licensed retailer selling distilled spirits or wine, by the package or by the drink, from the premises of a licensed wholesaler to the licensed premises of the retail licensee. Any retailer transporting alcoholic beverages under this subsection shall do so in a vehicle marked in conformity with administrative regulations of the department. Both the wholesaler and the retailer engaging in activity under this subsection shall be responsible for maintaining records documenting the transactions.

➔Section 7. KRS 402.100 is amended to read as follows:

The department shall issue a marriage license form which provides for the entering of information identifying each party as a "bride," "groom," or "spouse." CHAPTER 179

(HCR 48)

A CONCURRENT RESOLUTION urging the United States Food and Drug Administration to withdraw its proposed standard for NNN levels on ingredients and constituents in smokeless tobacco products.

WHEREAS, the United States Food and Drug Administration (FDA) is proposing, in 21 C.F.R. Pt. 1132, a limit of N-nitrosornicotine (NNN) in finished smokeless tobacco products; and

WHEREAS, 1,200 farmers in the United States grow the dark tobacco that makes up the main ingredient of smokeless tobacco products. These farmers, the majority of them residing in Kentucky, raise approximately 24,000 acres of the crop with an estimated cash value of approximately \$173 million per year; and

WHEREAS, almost all the dark tobacco grown in the entire United States is raised within a 50-mile radius of Hopkinsville, with some of the leaf grown in bordering areas of Tennessee; and

WHEREAS, significant manufacturing of smokeless tobacco products is done in Hopkinsville and in Owensboro. Current plans call for two additional projects in Christian County totaling \$42 million in further investments; and

WHEREAS, the proposed rule would establish a limit of NNN in finished smokeless tobacco products. Under the proposed rule, no person may manufacture, distribute, sell, or offer for distribution or sale within the United States a finished smokeless tobacco product that is not in compliance with FDA standards; and

WHEREAS, NNN in tobacco is naturally occurring and can be formed during growing, curing, manufacturing, and even while the products sit on retail shelves; and

WHEREAS, tobacco farmers and manufacturers have worked for years to limit NNN levels; and

WHEREAS, despite these efforts, agronomic variability, including the weather, is the largest contributor to NNN formation in dark tobacco on the farm; and

WHEREAS, the FDA's proposed standard for NNN levels in smokeless tobacco is technically unachievable; and

WHEREAS, the impact of a final rule would be far-reaching and onerous because of the negative impact on agriculture and on manufacturing jobs in Kentucky;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

➔Section 1. The General Assembly urges the United States Food and Drug Administration to withdraw the proposed NNN rule because it is technically unachievable and because doing so would ultimately preserve hundreds of American farming and manufacturing jobs.

➔Section 2. The Clerk of the House of Representatives shall send a copy of this Resolution and notification of its adoption to the Secretary of the United States Department of Health and Human Services, the Commissioner of the United States Food and Drug Administration, each member of Kentucky's delegation to the United States Congress, the two United States Senators representing Tennessee, and the United States Representatives representing House Districts 6 and 7 in Tennessee.

Signed by Governor April 11, 2017.

CHAPTER 180

(HCR 90)

A CONCURRENT RESOLUTION urging the United States government to designate a portion of the Edward T. Breathitt Pennyrile Parkway as Interstate 169.

WHEREAS, the Edward T. Breathitt Pennyrile Parkway opened as a toll road on Kentucky's Parkway system in 1969, providing a fast and efficient connection between the cities of Henderson and Hopkinsville; and

WHEREAS, in 2006, the section of the Edward T. Breathitt Pennyrile Parkway from Henderson to the Western Kentucky Parkway was designated as a portion of Interstate 69, and in 2015, legislation directed that the route be signed as Interstate 69; and

WHEREAS, designating the remainder of the Edward T. Breathitt Pennyrile Parkway as an interstate spur would provide increased connectivity between Interstate 69 and Interstate 24; and

WHEREAS, designation of the remainder of the Edward T. Breathitt Pennyrile Parkway as an interstate spur could save the federal government and the Commonwealth nearly \$200 million and maximize investments already made, like the \$100 million invested in the road in the 1990s to achieve this ultimate goal ; and

WHEREAS, designation of the remainder of the Edward T. Breathitt Pennyrile Parkway as an interstate spur will enhance the region by helping to bring in much needed economic and tourism dollars, especially since so many businesses emphasize connection to the interstate highway system when researching site selection; and

WHEREAS, designation of the remainder of the Edward T. Breathitt Pennyrile Parkway as an interstate spur would continue to improve the vital role that the interstate highway system plays in our national defense logistics system especially as it pertains to Fort Campbell; and

WHEREAS, current projects in Kentucky's Six Year Road Plan address intersection issues that pose potential obstacles to an interstate designation; and

WHEREAS, legislation has passed the United States Senate that would designate the remainder of the Edward T. Breathitt Pennyriple Parkway as Interstate 169;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

➔Section 1. The members of the General Assembly strongly encourage the United States Congress and the United States Department of Transportation to designate the remainder of the Edward T. Breathitt Pennyriple Parkway, from its intersection with the Western Kentucky Parkway to its terminus at Interstate 24, as Interstate 169.

➔Section 2. The Clerk of the House of Representatives shall forward a copy of this Resolution to Secretary Elaine Chao, United States Department of Transportation, 1200 New Jersey Avenue, SE, Washington, DC 20590; and to all members of Kentucky's Congressional delegation.

Signed by Governor April 11, 2017.

CHAPTER 181

(HB 72)

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔SECTION 1. A NEW SECTION OF KRS CHAPTER 100 IS CREATED TO READ AS FOLLOWS:

- (1) *Any party that appeals the Circuit Court's final decision made in accordance with any legal challenge under this chapter shall, upon motion of an appellee as set forth in subsection (2) of this section, be required to file an appeal bond as set forth in this section.*
- (2) *Within thirty (30) days of the filing of the notice of appeal in Circuit Court, any appellee may file a motion for the Circuit Court, pursuant to the jurisdictional authority established in Rule 73.06 of the Kentucky Rules of Civil Procedure, to order the appellant to post an appeal bond, which the Circuit Court shall impose, subject to the other requirements of this sections. If an appellee does not move the Circuit Court to require the appellant to post an appeal bond, the right to request an appeal bond is waived.*
- (3)
 - (a) *Within thirty (30) days of an appellee filing a motion in Circuit Court for the appellant to post an appeal bond, the Circuit Court shall conduct a hearing to determine the amount of the appeal bond, issue findings of fact, and set the bond amount with good and sufficient surety.*
 - (b) *In determining the amount of the appeal bond, the Circuit Court shall determine if the appeal is presumptively frivolous, including but not limited to:*
 1. *Whether the appeal is of a ministerial or discretionary decision; and*
 2. *Whether or not there exists a reasoned interpretation supporting the appellant's position.*
 - (c) *If the Circuit Court determines that an appeal is presumptively frivolous, the Circuit Court shall consider all costs, economic loss, and damages that the appellee may suffer or incur during the pendency of, or that will be caused by, the appeal, including attorney fees and court costs, up to a maximum bond amount of two hundred fifty thousand dollars (\$250,000).*
 - (d) *If the Circuit Court determines that an appeal is not presumptively frivolous, the Circuit Court shall consider the costs that the appellee may incur during the pendency of the appeal, including but not limited to attorney fees and court costs, plus interest payable on land acquisition or development loans, up to a maximum bond amount of one hundred thousand dollars (\$100,000).*
 - (e) *Whether the Circuit Court makes a determination under paragraph (c) or (d) of this subsection:*

1. *Costs and damages shall not include expenses incurred prior to the date the notice of appeal is filed with the Circuit Court; and*
 2. *The appellee has the burden to present sufficient evidence establishing the appellee's cost and damages.*
- (f) *The appeal shall be dismissed if the bond is not posted within fifteen (15) days of the Circuit Court's determination of the bond amount.*
- (4) (a) *Once an appeal pursuant to this section becomes final and unappealable, either the appellant or the appellee may make a motion in the originating Circuit Court requesting that the Circuit Court conduct a hearing to determine the actual costs and damages to be paid to the appellee under the appeal bond.*
- (b) *The Circuit Court shall hold the hearing within thirty (30) days of the request and issue findings of fact as to the costs and damages within an additional thirty (30) days.*
- (c) *Costs and damages awarded under this subsection shall be limited to the amount of the appeal bond.*
- (d) *If neither party moves the Circuit Court within sixty (60) days pursuant to this subsection, the Circuit Court may on its own motion release the appeal bond.*
- (5) *Subsections (1) and (2) of this section shall not apply to the United States, the Commonwealth of Kentucky or any of its municipal corporations or political subdivisions, or any of their agencies or officers acting for or on their behalf, or to a person challenging the creation or expansion of a landfill.*

➔Section 2. Whereas it is desirable to curb unnecessary appeals of land use cases, which appeals burden the courts, cause loss of jobs and loss of tax revenue, and many times render time-sensitive projects such as multifamily affordable housing projects undevelopable, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

Signed by Governor April 11, 2017.

(HB 78)

AN ACT relating to providing breast density information and evidence-based breast cancer screening.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔SECTION 1. A NEW SECTION OF KRS 214.550 TO 214.556 IS CREATED TO READ AS FOLLOWS:

- (1) *Physicians are encouraged to recommend digital mammography including breast tomosynthesis when writing orders for mammograms. The term "breast tomosynthesis" means a radiologic procedure that involves the acquisition of projection images over the stationary breast to produce cross-sectional digital three-dimensional images of the breast.*
- (2) *If a patient's x-ray mammogram demonstrates dense breast tissue, a person who provided the x-ray mammography services in the Commonwealth shall provide notification to the patient that includes but is not limited to the following information in the summary of the written report of the results sent directly to a patient:*

"Your x-ray mammogram shows that your breast tissue is dense. Dense breast tissue is common among women and is not abnormal. However, women with dense breast tissue may have a slightly increased risk for developing breast cancer. Dense breast tissue may also make it more difficult to detect an early breast cancer on your x-ray mammogram. At this time, there are no specific recommendations for additional screening or other measures related to having dense breast tissue. However, you may want to talk to your doctor about other ways that you might be able to reduce your risk of breast cancer. A report of your results was sent to your ordering physician. If you are self-referred, a report of your results was sent to you in addition to this summary."
- (3) *As used in this section, "dense breast tissue" means heterogeneously or extremely dense breast tissue as defined in nationally recognized guidelines or systems for breast imaging reporting of mammography screening, including but not limited to the breast imaging reporting and data system established by the American College of Radiology. If, after the effective date of this Act, new terms are defined in revised guidelines or systems for breast imaging reporting of mammography screening and the Department for Public Health determines that those new terms are more appropriate for the purposes of the information required to be provided under this section, the Department for Public Health may update the definition of dense breast tissue under this subsection to use those new terms by administrative regulation.*
- (4) *Recognizing the continuous improvements in patient outcomes that are reflective of ongoing advances in evidence-based medical practices, expansive and emerging medical research, and evolving innovations in medical technology, subsection (2) of this section shall be in effect until January 1, 2021, unless the General Assembly takes action to extend this expiration date.*

➔Section 2. KRS 304.17-316 is amended to read as follows:

- (1) The term "mammogram" shall mean an x-ray examination of the breast using equipment dedicated specifically for mammography, including, but not limited to, the x-ray tube, filter, compression device, screens, film, and cassettes, with two (2) views of each breast and with an average radiation exposure at the current recommended level as set forth in guidelines of the American College of Radiology, *and digital mammography including breast tomosynthesis. The term "breast tomosynthesis" means a radiologic procedure that involves the acquisition of projection images over the stationary breast to produce cross-sectional digital three-dimensional images of the breast.*
- (2) (a) All insurers issuing individual health insurance policies in this Commonwealth that provide coverage on an expense-incurred basis for surgical services for a mastectomy and that are delivered, issued for

delivery, amended, or renewed on or after October 15, 1990, shall also provide coverage for low-dose mammography screening for persons who have no sign or symptom of breast cancer and when performed on dedicated equipment which meets the guidelines established by the American College of Radiology and upon self-referral or on referral by a health care practitioner acting within the scope of the practitioner's licensure. The coverage shall make available one (1) screening mammogram to persons age thirty-five (35) through thirty-nine (39); one (1) mammogram every two (2) years for persons ages forty (40) through forty-nine (49); and one (1) mammogram per year for a person fifty (50) years of age and over and may be limited to a benefit of fifty dollars (\$50) per screening mammogram. Any deductibles and coinsurance factors shall be no less favorable than for coverage for physical illness generally.

- (b) All insurers issuing individual health insurance policies in this Commonwealth that provide coverage on an expense-incurred basis for surgical services for a mastectomy and that are delivered, issued for delivery, amended, or renewed on or after July 14, 2000, shall also provide coverage for mammograms, performed on dedicated equipment that meets the guidelines established by the American College of Radiology, for any covered person, regardless of age, who has been diagnosed with breast disease upon referral by a health care practitioner acting within the scope of the practitioner's licensure. The coverage provided under this paragraph shall be subject to the same annual deductibles or coinsurance established for other coverages within the policy.
- (3) The mammogram shall be performed by a Kentucky State Certified General Certificate Radiographer or an American Registry of Radiologic Technology Registered Radiographer, interpreted by a qualified radiologist, and performed under the direction of a person licensed to practice medicine and certified by the American Board of Radiology. *The facility performing the examination and the health care practitioner who ordered it shall follow federal laws relating to the notification of mammography exam results and maintaining medical records*~~[Two (2) copies of the mammogram report shall be sent to the health care practitioner who ordered it, one (1) copy of which shall be given to the patient. In case of self-referral, one (1) copy of the mammogram report shall be given to the patient upon request. The mammography film shall be retained by the facility performing the examination in accordance with guidelines of the American College of Radiology].~~
