 2. Two percent (2.0%) of final compensation for each year of service earned in excess of thirty (30) years of service at retirement;
- (e) The annual normal retirement allowance for members of the General Assembly who will have fewer than eight (8) years of service as of December 31, 1975, shall be as prescribed in Chapter 116, section 36(1), Acts of the 1972 General Assembly for legislative service prior to January 1, 1974;
- (f) Former members of the General Assembly who have eight (8) or more years of legislative service prior to the 1976 Regular Session are eligible for an increased retirement allowance of two hundred forty dollars (\$240) times the years of legislative service, if the member pays to the Kentucky Employees Retirement System thirty-five percent (35%) of the actuarial cost of the higher benefit, as determined by the system, except that a former member with sixteen (16) or more years of legislative service, or his beneficiary, who is receiving a retirement allowance, also is eligible under this section and may apply for a recomputation of his retirement allowance. The employer's share of sixty-five percent (65%) of the computed actuarial cost shall be paid from the State Treasury to the Kentucky Employees Retirement

System upon presentation of a properly documented claim to the Finance and Administration Cabinet. If any member with sixteen (16) or more years of legislative service previously applied for and is receiving a retirement allowance, he may reapply and his retirement allowance shall be recomputed in accordance with this paragraph, and he shall thereafter be paid in accordance with the option selected by him at the time of the reapplication; and

- (2) (a) Upon service retirement prior to normal retirement date, a member may receive an annual retirement allowance payable monthly during his lifetime which shall be determined in the same manner as for retirement at his normal retirement date with years of service and final compensation being determined as of the date of his actual retirement, but the amount of the retirement allowance so determined shall be reduced at an amount determined by the board's actuary to reflect the earlier commencement of benefits.
- (b) A member of the Kentucky Employees Retirement System or the County Employees Retirement System who begins participating before September 1, 2008, who has twenty-seven (27) or more years of service credit, at least fifteen (15) of which are current service, may retire with no reduction in the retirement allowance. A member who begins participating before September 1, 2008, who has earned vested service credit in a retirement system, other than the Teachers' Retirement System, sponsored by a Kentucky institution of higher education, the Council on Postsecondary Education, or the Higher Education Assistance Authority, may count the vested service toward attaining the necessary years of service credit as provided in KRS 61.559(2)(c) and (d) to qualify for a retirement allowance. The credit from a Kentucky institution of higher education, the Council on Postsecondary Education, or the Higher Education Assistance Authority shall not be used toward the minimum fifteen (15) years of current service required by KRS 61.559(2)(c) and (d) or to calculate his retirement allowance pursuant to this section. The provisions of this paragraph shall not be construed to limit the use of Teachers' Retirement System credit pursuant to KRS 61.680(2)(a).
- (c) A member of the Kentucky Employees Retirement System or the County Employees Retirement System who begins participating on or after September 1, 2008, may retire with no reduction in benefits if the member is fifty-seven (57) years of age or older and has an age and years of service total of at least eighty-seven (87) years. - (3) Subsections (1) and (2) of this section shall not apply to members who begin participating in the system on or after January 1, 2014. Members who begin participating in the system on or after January 1, 2014, shall receive the retirement benefits prescribed by KRS 61.597 *or Section 12 of this Act, as applicable*.

➔Section 28. KRS 61.637 is amended to read as follows:

- (1) A retired member who is receiving monthly retirement payments under any of the provisions of KRS 61.510 to 61.705 and 78.510 to 78.852 and who is reemployed as an employee by a participating agency prior to August 1, 1998, shall have his retirement payments suspended for the duration of reemployment. Monthly payments shall not be suspended for a retired member who is reemployed if he anticipates that he will receive less than the maximum permissible earnings as provided by the Federal Social Security Act in compensation as a result of reemployment during the calendar year. The payments shall be suspended at the beginning of the month in which the reemployment occurs.
- (2) Employer and employee contributions shall be made as provided in KRS 61.510 to 61.705 and 78.510 to 78.852 on the compensation paid during reemployment, except where monthly payments were not suspended as provided in subsection (1) of this section or would not increase the retired member's last monthly retirement allowance by at least one dollar (\$1), and the member shall be credited with additional service credit.
- (3) In the month following the termination of reemployment, retirement allowance payments shall be reinstated under the plan under which the member was receiving payments prior to reemployment.
- (4) (a) Notwithstanding the provisions of this section, the payments suspended in accordance with subsection (1) of this section shall be paid retroactively to the retired member, or his estate, if he does not receive more than the maximum permissible earnings as provided by the Federal Social Security Act in compensation from participating agencies during any calendar year of reemployment.

- (b) If the retired member is paid suspended payments retroactively in accordance with this section, employee contributions deducted during his period of reemployment, if any, shall be refunded to the retired employee, and no service credit shall be earned for the period of reemployment.
- (c) If the retired member is not eligible to be paid suspended payments for his period of reemployment as an employee, his retirement allowance shall be recomputed under the plan under which the member was receiving payments prior to reemployment as follows:
 - 1. The retired member's final compensation shall be recomputed using creditable compensation for his period of reemployment; however, the final compensation resulting from the recalculation shall not be less than that of the member when his retirement allowance was last determined;
 - 2. If the retired member initially retired on or subsequent to his normal retirement date, his retirement allowance shall be recomputed by using the formula in KRS 61.595(1);
 - 3. If the retired member initially retired prior to his normal retirement date, his retirement allowance shall be recomputed using the formula in KRS 61.595(2), except that the member's age used in computing benefits shall be his age at the time of his initial retirement increased by the number of months of service credit earned for service performed during reemployment;
 - 4. The retirement allowance payments resulting from the recomputation under this subsection shall be payable in the month following the termination of reemployment in lieu of payments under subparagraph 3. The member shall not receive less in benefits as a result of the recomputation than he was receiving prior to reemployment or would receive as determined under KRS 61.691; and
 - 5. Any retired member who was reemployed prior to March 26, 1974, shall begin making contributions to the system in accordance with the provisions of this section on the first day of the month following March 26, 1974.
- (5) A retired member, or his estate, shall pay to the retirement fund the total amount of payments which are not suspended in accordance with subsection (1) of this section if the member received more than the maximum permissible earnings as provided by the Federal Social Security Act in compensation from participating agencies during any calendar year of reemployment, except the retired member or his estate may repay the lesser of the total amount of payments which were not suspended or fifty cents (\$0.50) of each dollar earned over the maximum permissible earnings during reemployment if under age sixty-five (65), or one dollar (\$1) for every three dollars (\$3) earned if over age sixty-five (65).
- (6) (a) "Reemployment" or "reinstatement" as used in this section shall not include a retired member who has been ordered reinstated by the Personnel Board under authority of KRS 18A.095.
- (b) A retired member who has been ordered reinstated by the Personnel Board under authority of KRS 18A.095 or by court order or by order of the Human Rights Commission and accepts employment by an agency participating in the Kentucky Employees Retirement System or County Employees Retirement System shall void his retirement by reimbursing the system in the full amount of his retirement allowance payments received.
- (7) (a) Effective August 1, 1998, the provisions of subsections (1) to (4) of this section shall no longer apply to a retired member who is reemployed in a position covered by the same retirement system from which the member retired. Reemployed retired members shall be treated as new members upon reemployment. Any retired member whose reemployment date preceded August 1, 1998, who does not elect, within sixty (60) days of notification by the retirement systems, to remain under the provisions of subsections (1) to (4) of this section shall be deemed to have elected to participate under this subsection.
- (b) A retired member whose disability retirement was discontinued pursuant to KRS 61.615 and who is reemployed in one (1) of the systems administered by the Kentucky Retirement Systems prior to his or her normal retirement date shall have his or her accounts combined upon termination for determining eligibility for benefits. If the member is eligible for retirement, the member's service and creditable compensation earned as a result of his or her reemployment shall be used in the calculation of benefits, except that the member's final compensation shall not be less than the final compensation last used in determining his or her retirement allowance. The member shall not change beneficiary or payment option designations. This provision shall apply to members reemployed on or after August 1, 1998.
- (8) A retired member or his employer shall notify the retirement system if he has accepted employment or is serving as a volunteer with an employer that participates in the retirement system from which the member

- (9) If the retired member is under a contract, the member shall submit a copy of that contract to the retirement system, and the retirement system shall determine if the member is an independent contractor for purposes of retirement benefits. The retired member and the participating employer shall submit the information required or requested by the systems to confirm the individual's employment or volunteer status.
- (10) If a member is receiving a retirement allowance, or has filed the forms required for a retirement allowance, and is employed within one (1) month of the member's initial retirement date in a position that is required to participate in the same retirement system from which the member retired, the member's retirement shall be voided and the member shall repay to the retirement system all benefits received. The member shall contribute to the member account established for him prior to his voided retirement. The retirement allowance for which the member shall be eligible upon retirement shall be determined by total service and creditable compensation.
- (11)
 - (a) If a member of the Kentucky Employees Retirement System retires from a department which participates in more than one (1) retirement system and is reemployed within one (1) month of his initial retirement date by the same department in a position participating in another retirement system, the retired member's retirement allowance shall be suspended for the first month of his retirement and the member shall repay to the retirement system all benefits received for the month.

 - (b) The job descriptions and statements of duties shall be filed with the retirement office.
- (13) If the retirement system determines that the retired member has been employed in a position with the same principal duties as the position from which the member retired:
 - (a) The member's retirement allowance shall be suspended during the period that begins on the month in which the member is reemployed and ends six (6) months after the member's termination;
 - (b) The retired member shall repay to the retirement system all benefits paid from systems administered by Kentucky Retirement Systems under reciprocity, including medical insurance benefits, that the member received after reemployment began;
 - (c) Upon termination, or subsequent to expiration of the six (6) month period from the date of termination, the retired member's retirement allowance based on his initial retirement account shall no longer be suspended and the member shall receive the amount to which he is entitled, including an increase as provided by KRS 61.691;
 - (d) Except as provided in subsection (7) of this section, if the position in which a retired member is employed after initial retirement is a regular full-time position, the retired member shall contribute to a second member account established for him in the retirement system. Service credit gained after the member's date of reemployment shall be credited to the second member account; and
 - (e) Upon termination, the retired member shall be entitled to benefits payable from his second retirement account.

the retired member shall contribute to a second member account in the retirement system and continue to receive a retirement allowance from the first member account.

- (b) Service credit gained after reemployment shall be credited to the second member account. Upon termination, the retired member shall be entitled to benefits payable from the second member account.
- (16) A retired member who is reemployed and contributing to a second member account shall not be eligible to purchase service credit under any of the provisions of KRS 16.505 to 16.652, 61.510 to 61.705, or 78.510 to 78.852 which he was eligible to purchase prior to his initial retirement.

 - 4. If the member has prior service in more than one (1) system administered by Kentucky Retirement Systems, he shall obtain at least twelve (12) months' current service in each system in which he has prior service in order to validate the prior service in each system for purposes of determining consolidated benefits under this subsection; and
 - 5. Upon the determination of benefits, each system shall pay the applicable amount of benefits due the member.

- (7) (a) Notwithstanding the provisions of subsection (2) of this section, a person who does not have the amount of service required for service retirement in the State Police Retirement System, Kentucky Employees Retirement System, County Employees Retirement System, Legislators' Retirement Plan, or Teachers' Retirement System, but who is a member of one (1) of the systems or is a former member of one (1) or more of the systems with valid service credit therein, shall become eligible for service retirement benefits attributable to the amount of his actual service credit in each system in which he has service credit when his combined service credit in all the systems, plus any service credit he has in the Judicial Retirement Plan, is equal to that required for service retirement in each respective system. The computation of benefits shall be based on the applicable formula in each system and service credit in each system, except that total service in all systems, unless prohibited by KRS 161.623(2), shall be used to determine the reduction for early retirement, if any. Except as provided in KRS 21.360, the final compensation shall be determined by using the creditable compensation reported to the State Police Retirement System, Kentucky Employees Retirement System, County Employees Retirement System, Legislators' Retirement Plan, or Teachers' Retirement System and only as much of the compensation earned in the Judicial Retirement Plan as is needed to satisfy the final compensation requirement applicable in the respective retirement systems.
 - (b) Paragraph (a) of this subsection shall be waived if the member fails to simultaneously retire from all state-administered retirement systems in which the member has an account or fails to retire from any other systems not administered by Kentucky Retirement Systems within one (1) month of the member's effective retirement date in the systems administered by the Kentucky Retirement Systems.

 - (d) Notwithstanding anything in KRS Chapter 61 to the contrary, the board of trustees, in its discretion, may take necessary steps to ensure compliance with 42 U.S.C. secs. 300bb-1 et seq., including but not limited to receiving contributions and premiums from, and providing benefits pursuant to this section to, persons entitled to continuation coverage under 42 U.S.C. secs. 300bb-1 et seq., regardless of whether such persons are recipients of a retirement allowance.

 5. Partly from subparagraphs 1. to 4. of this paragraph, except that any premium for hospital and medical insurance over the amount contributed by the Kentucky Retirement Systems insurance trust fund; accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520; or another state-administered retirement system under a reciprocal agreement shall be paid by the recipient by an automatic electronic transfer of funds. Should such recipient have less than two hundred forty (240) months of service but have at least one hundred eighty (180) months of service, seventy-five percent (75%) of such premium shall be paid from the insurance trust fund or accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520, provided such recipient agrees to pay the remaining twenty-five percent (25%) by payroll deduction from his retirement allowance or by another method. The amounts paid by the other state-administered retirement plans and the insurance trust fund or accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520 shall not be more than one hundred percent (100%) of the monthly contribution adopted by the respective boards of trustees.
 - 3. A member may not elect coverage for hospital and medical benefits under this subsection through more than one (1) of the state-administered retirement plans.

The percentage of the monthly contribution paid for the spouse and each dependent child of a recipient who was in a hazardous position shall be based solely on the member's service with the State Police Retirement System or service in a hazardous position using the formula in subsection (3)(a) of this section, except that for any recipient of a retirement allowance from the County Employees Retirement System who was contributing to the system on January 1, 1998, for service in a hazardous position, the percentage of the monthly contribution shall be based on the total of hazardous service and any nonhazardous service as a police or firefighter with the same agency, if that agency was participating in the County Employees Retirement System but did not offer hazardous duty coverage for its police and firefighters at the time of initial participation.

 3. The teacher or employee has exhausted his or her accumulated sick leave, personal leave, and any other leave granted by the school district; and

 - (d) Any sick leave that remains unused, is not needed by a teacher or employee, and will not be needed in the future shall be returned to the teacher or employee donating the sick leave.
 - (e) The board of education shall adopt policies and procedures necessary to implement the sick leave donation program.
- (9) A teacher or employee may use up to thirty (30) days of sick leave following the birth or adoption of a child or children. Additional days may be used when the need is verified by a physician's statement.
 - (10) (a) After July 1, 1982, ***and except as otherwise provided by this subsection***, a district board of education may compensate, at the time of retirement or upon the death of a member in active contributing status at the time of death who was eligible to retire by reason of service, an employee or a teacher, or the estate of an employee or teacher, for each unused sick leave day. The rate of compensation for each unused sick leave day shall be based on a percentage of the daily salary rate calculated from the employee's or teacher's last annual salary, not to exceed thirty percent (30%). Payment for unused sick leave days, ***not to exceed the amount based upon the unused sick leave days accrued as of December 31, 2018***, shall be incorporated into the ***annual compensation***~~annual salary~~ of the final year of service for inclusion in the calculation of the employee's or teacher's retirement allowance only at the time of his or her initial retirement; provided that the member makes the regular retirement contribution for members on the sick leave payment. The accumulation of these days includes unused sick leave days held by the employee or teacher at the time of implementation of the program.
 - (b) For a teacher or employee who begins employment with a local school district on or after July 1, 2008, the maximum amount of unused sick leave days a district board of education may recognize in calculating the payment of compensation to the teacher or employee under this subsection shall not exceed three hundred (300) days.
 - (11) Any statute to the contrary notwithstanding, employees and teachers who transferred from the Department of Education to a school district, from a school district to the Department of Education, or from one (1) school district to another school district after July 15, 1981, shall receive credit for any unused sick leave to which the employee or teacher was entitled on the date of transfer. - (2) Service credit shall be forfeited upon withdrawal. If a member again enters service it shall be as a new member, except that any teacher who withdraws by claiming his deposits may repay the system the amount withdrawn plus interest and reestablish his service credit as provided in subsection (3) of this section.
- (3) Effective July 1, 1988, and thereafter, an active contributing member of the retirement system with contributing service equal to one (1) year may regain service credit by depositing in the teachers' savings fund the amount withdrawn with interest at the rate to be set by the board of trustees, and computed from the first of the month of withdrawal and including the month of redeposit. *Service credit regained pursuant to this subsection on or after January 1, 2019, shall not be used to determine the date the individual purchasing the service became a member of the Teachers' Retirement System.*
- (4) Effective July 1, 1974, any active contributing member with at least two (2) years of contributing service credit who declined membership as provided in Acts 1938 (1st Ex. Sess.), Ch. 1, paragraph 29, may secure service credit for prior service, and for any subsequent service prior to date of membership, by depositing in the teachers' savings fund contributions for each year of subsequent service prior to date of membership, with interest at the rate of eight percent (8%) compounded annually to the date of deposit.
- (5) Membership in the retirement system shall be terminated:
 - (a) By retirement for service;
 - (b) By death;
 - (c) By withdrawal of the member's accumulated **account balance**~~[contributions]~~;
 - (d) When a member, having less than five (5) years of Kentucky service is absent from service for more than three (3) consecutive years; or
 - (e) For persons hired on or after August 1, 2000, when a member is convicted, in any state or federal court of competent jurisdiction, of a felony related to his employment as provided in subparagraphs 1. and 2. of this paragraph.
 1. Notwithstanding any provision of law to the contrary, a member hired on or after August 1, 2000, who is convicted, in any state or federal court of competent jurisdiction, of a felony related to his employment shall forfeit rights and benefits earned under the retirement system, except for the return of his accumulated contributions and interest credited on those contributions.
 2. The payment of retirement benefits ordered forfeited shall be stayed pending any appeal of the conviction. If the conviction is reversed on final judgment, no retirement benefits shall be forfeited.

Except for paragraph (e) of this subsection, upon termination of member accounts under this subsection, funds in the account shall be transferred to the guarantee fund. Inactive members may apply for refunds of these funds at any time. The terminated service shall be reinstated, if not withdrawn by the member, in the event that the member returns to active contributing service.

- (6) In case of withdrawal from service prior to eligibility for retirement, the board of trustees shall on request of the member return all of his accumulated **account balance**~~[contributions with regular interest]~~, including any payments made by the member to the state accumulation fund, but the member shall have no claim on any contributions made by the state *or employer* with a view to his retirement, *except as provided by Section 43 of this Act*, or to contributions made to the medical insurance fund. If the member is eligible for an immediate

service retirement allowance as provided in KRS 161.600, no withdrawal and refund shall be permitted, unless the allowance would prohibit the member from qualifying for Social Security benefits or the member elects to withdraw part or all of his service for the purpose of obtaining credit in another retirement plan. Requests for refund of contributions by the member must be filed on forms prescribed by the Teachers' Retirement System and the employer shall be financially responsible for all information that is certified on the prescribed form. A member may not withdraw any part of his or her **accumulated account balance in contributions to** the retirement system except as provided by this subsection.

- (7) Except as provided in KRS 161.520 and 161.525, in case of death prior to retirement, the board of trustees shall pay to the estate of the deceased member, unless a beneficiary was otherwise applicably designated by the deceased member, then to the beneficiary, all of his accumulated **account balance in contributions, with regular interest**, including any payments made by the member to the state accumulation fund, but the estate or beneficiary shall have no claim on any contributions made by the state **or employer** with a view to the retirement of the member, **except as provided by Section 43 of this Act**, or to contributions made to the medical insurance fund.
- (8) Any active contributing member of the Kentucky Employees Retirement System, the County Employees Retirement System, the State Police Retirement System, or the Judicial Retirement System may use service, under that retirement system for the purpose of meeting the service requirement of subsections (3) and (4) of this section.

➔Section 50. KRS 161.480 is amended to read as follows:

Each person, upon becoming a member of the retirement system, shall file a detailed statement as required by the board of trustees and shall designate a primary beneficiary or two (2) or more cobeneficiaries to receive any benefits accruing from the death of the member. A contingent beneficiary may be designated in addition to the primary beneficiary or cobeneficiaries. The member may name more than one (1) contingent beneficiary. Any beneficiary designation made by the member, including the estate should the estate become the beneficiary by default, shall remain in effect until changed by the member on forms prescribed by the Kentucky Teachers' Retirement System, except in the event of subsequent marriage or divorce. Subsequent marriage by the member shall void the primary beneficiary and any cobeneficiary designation, even that of a trust, and the spouse of the member at death shall be considered as the primary beneficiary, unless the member subsequent to marriage designates another beneficiary. A final divorce decree shall terminate an ex-spouse's status as either primary beneficiary, cobeneficiary, or contingent beneficiary, unless subsequent to divorce the member redesignates the former spouse as primary beneficiary, cobeneficiary, or contingent beneficiary. To the extent permitted by the Internal Revenue Code, a trust may be designated as beneficiary for receipt of a member's **accumulated account balance in contributions to** the retirement system as provided under KRS 161.470(7). A final divorce decree shall not terminate the designation of a trust as beneficiary regardless of who is designated as beneficiary of the trust. In the event that a member fails to designate a beneficiary, or all designated beneficiaries predecease the member, the member's estate shall be deemed to be the beneficiary. Members may designate as beneficiaries only presently identifiable and existing individuals, or trusts where otherwise permitted, without contingency instructions, on forms prescribed by the retirement system. The provisions of this section shall be retroactive as they relate to election of beneficiaries by members still in active status on the effective date of this section. The provisions of this section shall not apply to any account from which a member is drawing a retirement allowance or to the life insurance benefit available under KRS 161.655.

➔Section 51. KRS 161.500 is amended to read as follows:

- (1) At the close of each fiscal year, the retirement system shall add service credit to the account of each member who made contributions to his or her account during the year. Members shall be entitled to a full year of service credit if their total paid days were not less than one hundred eighty (180) days of a one hundred eighty-five (185) day contract for a regular school or fiscal year. In the event **an individual who became** a member **prior to January 1, 2019**, is paid for less than one hundred eighty (180) days, the member may purchase credit according to administrative regulations established by the board of trustees. In no case shall more than one (1) year of service be credited for all service performed in one (1) fiscal year. Members who complete their employment contract prior to the close of a fiscal year and elect to retire prior to the close of a fiscal year shall have their service credit reduced by eight percent (8%) for each calendar month that the retirement becomes effective prior to July 1.
- (2) Members who are employed and paid for less than the number of days required in their normal employment year shall be entitled to pro rata service credit for the fractional service. Such credit shall be based upon the number of days employed and the number of days in the member's annual employment agreement or normal employment year.

- (3) Service credit may not exceed the ratio between the school or fiscal year and the number of months or fraction of a month the member is employed during that year.
- (4) No service credit shall be granted in the Teachers' Retirement System for service that has been or will be used in qualifying for annuity benefit payments from another retirement system financed wholly or in part by public funds.

➔Section 52. KRS 161.507 is amended to read as follows:

- (1) An active contributing member of the Teachers' Retirement System may receive service credit for active service rendered in the uniformed services of the Armed Forces of the United States, including the commissioned corps of the Public Health Service, subject to the provisions of the Uniformed Services Employment and Reemployment Rights Act of 1994, *the provisions of this section as applicable*, and ~~the~~^{to} administrative regulations promulgated by the board of trustees. Military service includes service in the uniformed services that occurs before the employment of a member in a position covered by the retirement system or where a member leaves covered employment without giving advance written or verbal notice of performing duty in the uniformed services. Service in the uniformed services also includes uniformed service that occurs after employment in a position covered by the retirement system where the member has given advance written or verbal notice of performing duty in the uniformed services and the member returns directly from uniformed services to covered employment. Military service may be credited only if discharge was honorable or was not terminated upon the occurrence of any of the events listed in 38 U.S.C. sec. 4304. Service shall be considered as Kentucky teaching service, except that service may not be used for meeting the service requirements set forth in KRS 161.600(1)(a) or 161.661(1) unless the service occurred after the member gave written or verbal notice of performing duty in the uniformed services and the member returned directly from uniformed services to covered employment. A maximum of six (6) years of military service may be credited, but in no case a greater number of years than the actual years of contributing service in Kentucky.
- (2) No credit shall be granted for military service which has been or will be used in qualifying for annuity benefit payments from another retirement system financed wholly or in part by public funds.
- (3) A member having twenty (20) years or more of active duty in the military service, and who is qualified for regular federal retirement benefits based on this military service, may not receive credit for any military service in the Teachers' Retirement System. This subsection shall apply to service presented for credit on July 1, 1975, and after this date.
- (4) (a) *An individual who became a member prior to January 1, 2019, who desires to receive*~~receiving~~ retirement credit for active duty in the armed services of the United States prior to employment in a position covered by the retirement system or where the member leaves covered employment without giving advance written or verbal notice of performing duty in the uniformed services shall pay to the retirement system the full actuarial cost of the service credit purchased as provided under KRS 161.220(22). These contributions shall not be picked up, as described in KRS 161.540(2). In purchasing retirement credit for active duty in the armed services, the latest years of service shall be considered first in allowing credit toward retirement. The board of trustees shall adopt a table of actuarial factors to be used in calculating the amount of contribution required for crediting this service.
- (b) If military service occurred after the member gave written or verbal notice of performing duty in the uniformed services and the member returns directly from uniformed services to covered employment, the member shall contribute the regular member contribution required by KRS 161.540. The member may make the payment of delayed contributions in a lump sum payment or in installments not to exceed five (5) years beginning with the member's date of reemployment. Interest at the rate of eight percent (8%) per annum shall be charged for delayed contributions beginning with the member's date of reemployment until paid. *Members participating in the hybrid cash balance plan as provided by Section 43 of this Act who make the regular member contribution required by this paragraph, shall receive employer credits for the period of service purchased.*
- (5) An active contributing member of the Teachers' Retirement System *who became a member of the system prior to January 1, 2019*, may receive service credit for service in the military reserves of the United States or the National Guard. The member may purchase one (1) month of service for each six (6) months of service in the reserves or the National Guard. Notwithstanding any other statute, regulation, or policy to the contrary, the system shall provide a member, upon request, the estimated actuarial cost of the National Guard or military reserves service purchase based upon the information available at the time of the request. The member shall be entitled to enter into a contract with the system at the time of the request to purchase the National Guard or military reserve service by paying to the system the estimated actuarial cost, either by installments or in lump

sum. The member shall pay the full actuarial cost of this service in the military reserves or the National Guard as provided in KRS 161.220(22). Service in the military reserves or the National Guard shall be treated as service earned prior to participation in the system and shall not be used for meeting the service requirements set forth in KRS 161.600(1)(a) or 161.661(1). The payment shall not be picked up by the employer, as described in KRS 161.540(2).

➔Section 53. KRS 161.515 is amended to read as follows:

- (1) For the purposes of this section, "out-of-state service" shall mean service in any state in a comparable position on a full-time basis, which would be covered if in Kentucky.
- (2)
 - (a) An active contributing member who has been a contributing member of the retirement system for at least one (1) full scholastic year subsequent to the latest out-of-state service, may present for credit service rendered out of state, not to exceed ten (10) years actually taught as a certified or licensed teacher. All members who elect to purchase this service shall pay to the retirement system the full actuarial cost as provided under KRS 161.220(22). For each year of which the retirement system shall accept payment, one (1) year of service credit shall be given. For members who purchased this service under the cost formula as it existed under this subsection on June 30, 2005, this credit may not be used to meet the service requirements of KRS 161.525, 161.600, or 161.661, except as provided in subsection (2)(c) of this section. No credit shall be granted for service which has been or will be used in qualifying for annuity benefit payments from another retirement system financed wholly or in part by public funds.
 - (b) A member of the retirement system having teaching service in the elementary or secondary schools operated by the United States overseas or in this country, or in a public college or university in Kentucky, not included in the Teachers' Retirement System of the State of Kentucky, may present this service for credit in the retirement system on the same basis as provided above for out-of-state service credit; however, no service may be presented which shall be used as a basis for retirement benefits in any program supported wholly or in part by a public institution or governmental agency. This service when added to service credited under subsection (2)(a) of this section shall not exceed a total of ten (10) years' service credit.
 - (c) A member having service referred to in subsection (2)(a) or (2)(b) of this section who purchased this service under the cost formula as it existed under those subsections on June 30, 2005, may elect to use this service for meeting the requirements of KRS 161.600(1)(c) by making an additional contribution to the state accumulation fund equal to a member contribution rate of eight percent (8%) for each year so used. These payments shall not be picked up as described in KRS 161.540(2). The salary base to be used in determining this additional contribution shall be the final average salary which is used in calculating the member's regular retirement annuity.
- (3) Members entering the Teachers' Retirement System for the first time, July 1, 1976, and after this date, shall not receive credit for service defined in subsections (2)(a) or (2)(b) of this section in excess of one (1) year of credit for each two (2) years of Kentucky service in a covered position or ten (10) years, whichever is the lesser number.
- (4) A member, having completed service as a volunteer in the Kentucky Peace Corps created by KRS 154.1-720, may purchase service credit for the time served in the corps on the same basis as provided in this section for the purchase of out-of-state service credit. A member, having completed service as a federal Peace Corps volunteer, may purchase up to two (2) years of service credit for time served in the Peace Corps on the same basis as provided in this section for the purchase of out-of-state service credit.
- (5) Service purchased under this section by members who at the time of purchase are employed by employers other than those described in KRS 161.220(4)(b) or (n) shall be credited, as described in KRS 161.620(1)(a) and (b), with a retirement factor of two and one-half percent (2.5%) for each year of service that was originally performed on or after July 1, 1983, and two percent (2.0%) for each year of service performed before July 1, 1983. Service purchased under this section by members who at the time of purchase are employed by employers described in KRS 161.220(4)(b) or (n) shall be credited, as described in KRS 161.620(1)(a), with a retirement factor of two percent (2.0%) for each year of service, regardless of when the service was performed.
- (6) ***Effective January 1, 2019, this section does not apply to individuals who become members on or after January 1, 2019.***

➔Section 54. KRS 161.520 is amended to read as follows:

Upon the death of an active contributing member or upon the death of a member retired for disability, except as provided in KRS 161.661(6), the survivors of the deceased member in the following named order, may elect to receive a survivor's benefit payable as follows:

- (1) Where there is a surviving widow or widower who is named as the primary beneficiary of the member's retirement account, the benefit shall be:
 - (a) One hundred eighty dollars (\$180) per month with no restriction on other income;
 - (b) Two hundred forty dollars (\$240) per month when the surviving widow or widower's total income from all sources does not exceed six thousand six hundred dollars (\$6,600) per year or five hundred fifty dollars (\$550) per month; or
 - (c) If the deceased member has a minimum of ten (10) years of service credit with the Teachers' Retirement System, the surviving widow or widower may apply for an annuity actuarially equivalent to the annuity that would have been paid to the deceased member when eligibility conditions were met. Eligibility for payments would begin at the time the age of the deceased member would have met the requirements of KRS 161.600(1) *or subsection (6) of Section 43 of this Act, as applicable*. In exercising this right, the surviving widow or widower shall be entitled to receive an annuity for life, except as provided in subsection (6) of this section. This subsection applies to surviving spouses of members who die on or after July 1, 1978. A surviving widow or widower of a member who dies after July 1, 1978, shall be eligible for benefit payments provided under paragraphs (a) and (b) of this subsection until they begin receiving payments under this provision;
- (2)
 - (a) Where there are surviving unmarried children under age eighteen (18) or under age nineteen (19) if a full-time student in high school, the benefit shall be two hundred dollars (\$200) per month in the case of one (1) child, three hundred forty dollars (\$340) per month in the case of two (2) children, four hundred dollars (\$400) per month in the case of three (3) children, and four hundred forty dollars (\$440) per month in the case of four (4) or more children. Benefits under this subsection shall apply in addition to benefits which may be payable under subsections (1) and (3) of this section.
 - (b) Notwithstanding any provision of law to the contrary, the surviving spouse may elect to receive a lump-sum refund of the member's *accumulated* account *balance* in lieu of the survivorship benefits payable under this subsection and subsection (1) of this section only if the surviving spouse is designated as the primary beneficiary and:
 1. Is a biological or adoptive parent of all children eligible for a benefit under this subsection and has not had his or her parental rights terminated; or
 2. Has been appointed as legal guardian of all of the children eligible under paragraph (a) of this subsection.
 - (c) To elect a lump-sum refund of the member's *accumulated* account *balance* under paragraph (b) of this subsection, the surviving spouse who is designated as the primary beneficiary must sign a waiver on forms prescribed by the retirement system of his or her rights and the member's children's rights to the survivorship benefits payable under this subsection and subsection (1) of this section. The surviving spouse shall not waive the survivorship benefits available under this subsection or subsections (1) and (6) of this section if any of the member's children have attained age eighteen (18) or older unless all of those children consent in writing on forms prescribed by the retirement system to waive their survivorship benefits available under this subsection;
- (3)
 - (a) Where the survivor is a child age eighteen (18) or older whose mental or physical condition is sufficient to cause his dependency on the deceased member at the time of the member's death, the benefit shall be two hundred dollars (\$200) per month, payable for the life of the child or until the time as the mental or physical condition creating the dependency no longer exists or the child marries. The mental or physical condition of the adult child shall be revealed by a competent examination by a licensed physician and shall be approved by a majority of a medical review committee as defined in KRS 161.661(14). Benefits under this subsection shall apply in addition to benefits which may be payable under subsections (1) and (2) of this section.
 - (b) Notwithstanding any provision of law to the contrary, the surviving spouse shall not elect to receive a lump-sum refund of the member's *accumulated* account *balance* in lieu of the survivorship benefits payable under this subsection and subsection (1) of this section unless:
 1. The surviving spouse is designated as the primary beneficiary;

2. The surviving spouse has been appointed by the court as guardian, conservator, or other fiduciary with sufficient general or specific authority to waive the survivorship benefits available under this subsection for any child or children age eighteen (18) or older who have been adjudicated incompetent to make decisions on their own behalf by a court of law; and
 3. Any child or children age eighteen (18) or older who are mentally competent to make decisions on their own behalf as attested to by two (2) physicians' statements consent in writing on forms prescribed by the retirement system to waive their survivorship benefits available under this subsection.
- (c) If eligible to elect a lump-sum refund of the member's **accumulated** account **balance**, the surviving spouse shall sign a waiver on forms prescribed by the retirement system of his or her rights and the member's children's rights to the survivorship benefits payable under this subsection and subsections (1) and (2) of this section;
- (4) Where the sole eligible survivors are dependent parents aged sixty-five (65) or over, the benefit shall be two hundred dollars (\$200) per month for one (1) parent or two hundred ninety dollars (\$290) per month for two (2) parents. Dependency of a parent shall be established as of the date of the death of the member;
 - (5) Where the sole eligible survivor is a dependent brother or sister, the benefit shall be one hundred sixty five dollars (\$165) per month. In order to qualify the brother or sister must have been a resident of the deceased member's household for at least one (1) full year prior to the member's death or must have been receiving care in a hospital, nursing home, or other institution at the member's expense for same period;
 - (6) The benefit to a child as defined in subsection (2) of this section shall terminate upon the attainment of age eighteen (18) or upon reaching age nineteen (19), if a full-time student in high school, or upon marriage, except that benefits shall continue until the attainment of age twenty-three (23) for an unmarried child who is a full-time student in a recognized educational program beyond the high school level. The benefit to a widow, widower, dependent parent, or dependent brother or sister or dependent child age eighteen (18) or older shall terminate upon marriage, or upon termination of the condition creating the dependency;
 - (7) The board of trustees shall be the sole judge of eligibility or dependency of any beneficiary, and may require formal application or information relating to eligibility or dependency, including proof of annual income satisfactory to the board. The board of trustees may subpoena records and individuals whenever it deems this action necessary;
 - (8) No payment of benefits shall be made unless the board of trustees authorizes the payment. The board shall promulgate administrative regulations for the administration of the provisions in this section and in every case the decision of the board of trustees shall be final as to eligibility, dependency, or disability, and the amount of benefits payable;
 - (9) In the event that there are no eligible survivors as defined in subsections (1) to (5) of this section, or in the event that the surviving spouse elects not to receive survivorship benefits on his or her own behalf or on behalf of any of the member's children as permitted under subsections (2) and (3) of this section, the board of trustees shall pay to the estate or the designated beneficiaries of the deceased member a refund of his accumulated **account balance**~~contributions~~ as provided in KRS 161.470(7). If the benefits paid or payable under subsections (1) to (5) of this section and KRS 161.661 shall amount to a sum less than the member's accumulated **account balance**~~contributions~~ at the time of death, the board of trustees shall pay to the estate or designated beneficiaries of the deceased member the balance of the accumulated **account balance**~~contributions~~;
 - (10) Any person who is receiving benefits and becomes disqualified from receiving those benefits under this section shall immediately notify the Teachers' Retirement System of this disqualification in writing and shall return all benefits paid after the date of disqualification. Failure to comply with these provisions shall create an indebtedness of that person to the Teachers' Retirement System. Interest at the rate of eight percent (8%) per annum shall be charged if the debt is not repaid within sixty (60) days after the date of disqualification. Failure to repay this debt creates a lien in favor of the Teachers' Retirement System upon all property of the person who improperly receives benefits and does not repay those benefits; and
 - (11) Benefits under subsections (2) and (3) of this section shall apply to a child who is a legally adopted survivor at the time of the death of the member. This provision shall be retroactive to include a child who was born after January 1, 1990, and is a legally adopted survivor of a member whose death occurred prior to July 15, 2008.

➔Section 55. KRS 161.522 is amended to read as follows:

Upon the death of a member retired for disability who had a minimum of twenty-seven (27) years of service at the time of death, except as provided in KRS 161.661(6), the spouse, if named as the primary beneficiary of the member's account, shall be entitled to elect, in lieu of a refund of the member's account, an annuity actuarially equivalent to the annuity that would have been paid to the deceased member had retirement for service been effective on the day immediately preceding the member's death. This option shall be available only during the entitlement period described under KRS 161.661(3) and (4) prior to the recalculation of the member's disability allowance under KRS 161.661(5). In selecting this right, the spouse shall be limited to selecting an option providing a straight life annuity with refundable balance or a term certain option. There shall be a monthly minimum allowance of three hundred dollars (\$300) as the basic straight life annuity. This section applies to surviving spouses of members who were receiving benefit payments under KRS 161.520 as of June 30, 1988, and to surviving spouses of members who die on or after July 1, 1984, except that the member shall have been retired for disability with a minimum of thirty (30) years of service if either of these two (2) conditions were met prior to July 1, 1990. ***This section does not apply to individuals who become members on or after January 1, 2019.***

➔Section 56. KRS 161.525 is amended to read as follows:

- (1) Upon death of a member in active contributing status at the time of death, who was eligible to retire by reason of service, the spouse, if named as the primary beneficiary of the member's retirement account, or in the absence of an eligible spouse a legal dependent of the member, if named as the primary beneficiary, shall be entitled to elect, in lieu of a refund of the member's ***accumulated*** account ***balance*** or benefits provided in KRS 161.520, an annuity actuarially equivalent at the attained age of the beneficiary to the annuity that would have been paid to the deceased member had retirement been effective on the day immediately preceding the member's death. Under the provisions of KRS 61.680, benefits shall be processed as if the member retired for service. In exercising this right the spouse or legal dependent shall be limited to selecting an option providing either a straight life annuity with refundable balance or a term certain option. A spouse may receive the annuity provided by this section at the same time as children are qualifying for survivors' benefits under the provisions of KRS 161.520; however, a legal dependent, other than a spouse, may not receive these payments if children have qualified for benefits under that section.
- (2) A spouse qualifying for an annuity under subsection (1) of this section may defer the payments in order to reduce the actuarial discounts to be applied due to age.
- (3) Upon death of a member in active contributing status at the time of his death, who had a minimum of twenty-seven (27) years of service, the spouse, if named as the primary beneficiary of the member's account shall be entitled to a monthly minimum allowance of three hundred dollars (\$300) as the basic straight life annuity. This provision applies to surviving spouses of members who were receiving benefit payments under KRS 161.520 as of June 30, 1986, and to surviving spouses of members who die on or after July 1, 1986. ***This subsection does not apply to individuals who become members on or after January 1, 2019.***

 - (b) The production of records or an affidavit shall be in lieu of any personal testimony of any employee of the Kentucky Teachers' Retirement System unless, after the production of records or an affidavit, a separate subpoena is served upon the retirement system specifically directing the testimony of an employee of the retirement system. When a subpoena is served on any employee of the retirement system requiring the employee to give testimony or produce records for any purpose, in the absence of a

court order requiring the testimony of or production of records by a specific employee, the system may designate an employee to give testimony or produce records upon the matter referred to in the subpoena. - (2) Kentucky service, presented at the time of retirement, may not be used in calculating benefits under **Section 43 of this Act**, KRS 161.525, 161.620, or 161.661, if such service has been used to increase benefits in another retirement system, not including Old Age and Survivors Insurance Benefits under the Social Security Administration.

➔Section 68. KRS 161.595 is amended to read as follows:

Such payments shall not be picked up, as described in KRS 161.540(2).

- (2) The amount paid under this section shall be considered as accumulated contributions of the individual member.
- (3) No person shall be allowed credit for the same period of service in more than one (1) of these three (3) retirement systems.

➔Section 69. KRS 161.600 is amended to read as follows:

- (1) Effective July 1, 1988, a member of the retirement system may qualify for service retirement by meeting one (1) of the following requirements:

For an individual who becomes a member before July 1, 2008, attainment of age fifty-five (55) years and completion of a minimum of five (5) years of Kentucky service with an actuarial reduction of the basic allowance of five percent (5%) for each year the member's age is less than sixty (60) years or for each year the member's years of Kentucky service credit is less than twenty-seven (27), whichever is the lesser number; and
 - 2. For an individual who becomes a member on or after July 1, 2008, attainment of age fifty-five (55) years and completion of a minimum of ten (10) years of Kentucky service with an actuarial reduction of the basic retirement allowance of six percent (6%) for each year the member's age is less than sixty (60) years or for each year the member's years of Kentucky service credit is less than twenty-seven (27), whichever is the lesser number;
 - (c) Completion of twenty-seven (27) years of Kentucky service. Out-of-state service earned in accordance with the provisions of KRS 161.515(2) may be used to meet this requirement; or
 - (d) Completion of the necessary years of service under provisions of KRS 61.559(2)(c) if the member is retiring under the reciprocity provisions of KRS 61.680. A member retiring under this paragraph who has not attained age fifty-five (55) shall incur an actuarial reduction of the basic allowance determined by the system's actuary for each year the member's service credit is less than twenty-seven (27).
- (2) Any person who has been a member in Kentucky for twenty-seven (27) years or more and who withdraws from covered employment may continue to pay into the fund each year until the end of the fiscal year in which he reaches the age of sixty-five (65) years, the current contribution rate based on the annual compensation received during the member's last full year in covered employment, less any payment received for accrued sick leave or accrued leave from an employer. The member shall be entitled to receive a retirement allowance as provided in KRS 161.620 at any time after withdrawing from covered employment and payment of contributions under this subsection. Upon determination of benefits, each system shall pay the applicable percentage of total benefits. The effective date of retirement under this subsection shall be determined by each retirement system for the portion of the payments that will be made.
- ~~(5)~~~~(4)~~ No retirement annuity shall be effective until written application and option election forms are filed with the retirement office in accordance with administrative regulations of the board of trustees. A member may withdraw his or her retirement application, postpone his or her effective retirement date, or change his or her retirement option if these elections are made no later than the fifteenth day of the month in which the member has made application for retirement.
- ~~(6)~~~~(5)~~ The surviving spouse of an active contributing member, if named as beneficiary of the member's account, may purchase retirement credit that the member was eligible to purchase prior to the member's death.
- (7) *Effective January 1, 2019, subsections (1) to (3) of this section do not apply to individuals who become members of the Teachers' Retirement System on or after January 1, 2019. Individuals who become*

members of the Teachers' Retirement System on or after January 1, 2019, shall receive the retirement benefits prescribed by Section 43 of this Act.

➔Section 70. KRS 161.605 is amended to read as follows:

Any member retired by reason of service may return to work in a position covered by the Kentucky Teachers' Retirement System and continue to receive his or her retirement allowance under the following conditions:

- (1) Any member who is retired with thirty (30) or more years of service may return to work in a full-time or a part-time position covered by the Kentucky Teachers' Retirement System and earn up to a maximum of seventy-five percent (75%) of the member's last annual compensation measured on a daily rate to be determined by the board of trustees. For purposes of determining whether the salary of a member returning to work is seventy-five percent (75%) or less of the member's last annual compensation, all remuneration paid and benefits provided to the member, on an actual dollar or fair market value basis as determined by the retirement system, shall be considered. Members who were retired on or before June 30, 2002, shall be entitled to return to work under the provisions of this section as if they had retired with thirty (30) years of service. Nonqualified service credit purchased under the provisions of KRS 161.5465 or elsewhere with any state-administered retirement system shall not be used to meet the thirty (30) year requirement set forth in this subsection. Out-of-state teaching service provided in public schools for kindergarten through grade twelve (12) may count toward the thirty (30) year requirement set forth in this subsection even if it is not purchased as service credit, if the member obtains from his or her out-of-state employer certification of this service on forms prescribed by the retirement system;
- (2) Any member who is retired with less than thirty (30) years of service after June 30, 2002, may return to work in a full-time or part-time position covered by the Kentucky Teachers' Retirement System and earn up to a maximum of sixty-five percent (65%) of the member's last annual compensation measured on a daily rate to be determined by the board of trustees. For purposes of determining whether the salary of a member returning to work is sixty-five percent (65%) or less of the member's last annual compensation, all remuneration paid and benefits provided to the member, on an actual dollar or fair market value basis as determined by the retirement system, shall be considered;
- (3) Reemployment of a retired member under subsection (1) or (2) of this section in a full-time teaching or nonteaching position in a local school district shall be permitted only if the employer certifies to the Kentucky Teachers' Retirement System that there are no other qualified applicants available to fill the teaching or nonteaching position. The employer may use any source considered reliable including but not limited to data provided by the Education Professional Standards Board and the Department of Education to determine whether other qualified applicants are available to fill the teaching or nonteaching position. The Kentucky Board of Education shall promulgate administrative regulations to establish procedures to determine whether other qualified applicants are available to fill a teaching or nonteaching position and, if not, for filling the position with a retired member who will then be permitted to return to work in that position under subsection (1) or (2) of this section. The administrative regulations shall assure that a retired member shall not be hired in a teaching or nonteaching position by a local school district until the superintendent of the school district assures the Kentucky Teachers' Retirement System that every reasonable effort has been made to recruit other qualified applicants for the position on an annual basis;
- (4) Under this section, an employer may employ full-time a number of retired members not to exceed three percent (3%) of the membership actively employed full-time by that employer. The board of trustees may reduce this three percent (3%) cap upon recommendation of the retirement system's actuary if a reduction is necessary to maintain the actuarial soundness of the retirement system. The board of trustees may increase the three percent (3%) cap upon a determination that an increase is warranted to help address a shortage in the number of available teachers and upon the determination of the retirement system's actuary that the proposed cap increase allows the actuarial soundness of the retirement system to be maintained. For purposes of this subsection, "full-time" means the same as defined by KRS 161.220(21). A local school district may exceed the quota established by this subsection by making an annual written request to the Kentucky Department of Education which the department may approve on a year-by-year basis if the statewide quota has not been met. A district's written request to exceed its quota shall be submitted no sooner than two (2) weeks after the start of the school year;
- (5) (a) ***Except as provided by subsection (10) of this section,*** a member returning to work in a full-time or part-time position under subsection (1) or (2) of this section will contribute to an account with the retirement system that will be administered independently from and with no reciprocal impact with the member's original retirement account, or any other account from which the member is eligible to draw a retirement allowance.

- (b) *Except as provided by subsection (10) of this section*, a member returning to work under subsection (1) or (2) of this section shall make contributions to the retirement system at the rate provided under KRS 161.540. The new account shall independently meet the five (5) year vesting requirement as well as all other conditions set forth in KRS 161.600(1) before any retirement allowance is payable from this account. The retirement allowance accruing under this new account shall be calculated pursuant to KRS 161.620(1)(b). This new account shall not entitle the member to a duplication of the benefits offered under KRS 161.620(7) or 161.675, nor shall this new account provide the benefits offered by KRS 161.520, 161.525, 161.620(3), 161.655, 161.661, or 161.663.
- (c) A member returning to work under subsection (1) or (2) of this section shall waive his or her medical insurance with the Kentucky Teachers' Retirement System during the period of reemployment and shall receive the medical insurance coverage that is generally provided by the member's active employer to the other members of the retirement system that the active employer employs. If medical insurance coverage is not available from the employer, the Kentucky Teachers' Retirement System may provide coverage for the member.
- (d) A member returning to work under subsection (1) or (2) of this section shall not be eligible to purchase service credit for any service provided after the member's effective date of retirement but prior to the date that the member returns to work. A member returning to work under subsection (1) or (2) of this section shall not be eligible to purchase service credit that the member would have otherwise been eligible to purchase prior to the member's initial retirement.
- (e) A member who returns to work under subsection (1) or (2) of this section, or in the event of the death of the member, the member's estate or applicably designated beneficiary, shall be entitled, within ninety (90) days of the posting of the annual report submitted by the employer, to a refund of contributions as permitted and limited by KRS 161.470;
- (6) The board of trustees may annually, on July 1, adjust the current daily rate of a member's last annual compensation, for each full twelve (12) month period that has elapsed subsequent to the member earning his or her last annual compensation, by the percentage increase in the annual average of the consumer price index for all urban consumers for the calendar year preceding the adjustment as published by the Federal Bureau of Labor Statistics, not to exceed five percent (5%) annually. Each annual adjustment shall become part of the member's daily rate base. Failure to comply with the salary limitations set forth in subsections (1) and (2) of this section as may be adjusted by this subsection shall result in a reduction of the member's retirement allowance or any other benefit to which the member would otherwise be entitled on a dollar-for-dollar basis for each dollar that the member exceeds these salary limitations. Notwithstanding any other provision of law to the contrary, a member retiring from a local school district who returns to work for a local school district under subsection (1) or (2) of this section shall be entitled, without any reduction to his or her retirement allowance or any other retirement benefit, to earn a minimum amount equal to one hundred seventy dollars (\$170) per day;
- (7) (a) A retired member returning to work under subsection (1) or (2) of this section shall have separated from service for a period of at least one (1) year if returning to work for the same employer on a full-time basis, and at least three (3) months if returning to work for a different employer on a full-time basis. A retired member returning to work under subsection (1) or (2) of this section on a part-time basis shall have separated from service for a period of at least three (3) months before returning to work for any employer.

(b) As an alternative to the separation-from-service requirements in paragraph (a) of this subsection, a retired member who is returning to work for the same employer in a full-time position under subsections (1) and (2) of this section may elect a separation-from-service of not less than two (2) months followed by a forfeiture of the retired member's retirement allowance on a month-to-month basis for each month that the member has separated from service for less than twelve (12) full months. A retired member returning to work for the same employer in a part-time position, or for a different employer in a full-time position, may elect an alternative separation-from-service requirement of at least two (2) months followed by a forfeiture of the member's retirement allowance for one (1) month. During the period that the member forfeits his or her retirement allowance and thereafter, member and employer contributions shall be made to the retirement system as a result of employment in any position subject to membership in the retirement system. The member shall contribute to an account with the retirement system subject to the conditions set forth in subsection (5) of this section. For purposes of measuring the separation-from-service requirements set forth throughout this section, a member's

separation-from-service begins on the first day following the last day of paid employment for the member prior to retirement.

- (c) Failure to comply with the separation-from-service requirements in this subsection voids a member's retirement and the member shall be required to return all the retirement benefits he or she received, with interest, for the period of time that the member returned to work without a sufficient separation from service;
- (8) (a) Effective July 1, 2004, local school districts may employ retired members in full-time or part-time teaching or administrative positions without limitation on the compensation of the retired members that is otherwise required by subsections (1) and (2) of this section. Under provisions of this subsection, a local school district may only employ retired members to fill critical shortage positions for which there are no other qualified applicants as determined by the local superintendent. The number of retired members that a local school district may employ under this subsection shall be no more than two (2) members per local school district or one percent (1%) of the total active members employed by the local school district on a full-time basis as defined under KRS 161.220(21), whichever number is greater. Retired members returning to work under this subsection shall be subject to the separation-from-service requirements set forth in subsection (7) of this section. Retired members returning to work under this subsection shall waive their medical insurance coverage with the retirement system during their period of reemployment and receive medical insurance coverage that is offered to other full-time members employed by the local school district. Retired members returning to work under this subsection shall contribute to an account subject to the conditions set forth in subsection (5) of this section. Retired members returning to work under this subsection shall make contributions to the retirement system at the rate provided under KRS 161.540. The employer shall make contributions at the rate provided under KRS 161.550. Local school districts shall make annual payments to the retirement system on the compensation paid to the reemployed retirees at the rates determined by the retirement system's actuary that reflect any accrued liability resulting from the reemployment of these members.
- (b) The Department of Education may employ retired members in full-time or part-time teaching or nonteaching positions without the limitations on compensation otherwise required by subsections (1) and (2) of this section to fill critical shortage areas in the schools it operates, including the Kentucky School for the Blind, the Kentucky School for the Deaf, and the Kentucky Virtual High School, and to serve on audit teams. The department shall be subject to the same requirements as local school districts as provided in paragraph (a) of this subsection, except the Kentucky Teachers' Retirement System shall determine the maximum number of employees that may be employed under this paragraph;
- (9) The return to work limitations set forth in this section shall apply to retired members who are returning to work in the same position from which they retired, or a position substantially similar to the one from which they retired, or a position described in KRS 161.046 or any position listed in KRS 161.220(4) which requires membership in the retirement system. Positions which generally require certification or graduation from a four (4) year college or university as a condition of employment which are created, or changed to remove the position from coverage under KRS 161.220(4) are also subject to the return to work limitations set forth in this section. The board of trustees shall determine whether employment in a nonteaching position is subject to this subsection;
- (10) (a) ***Notwithstanding the provisions of this section, individuals who retire and begin drawing a retirement allowance from one (1) or more of the systems or plans administered by the Kentucky Retirement Systems, the Teachers' Retirement System, or the Judicial Form Retirement System on or after January 1, 2019, who are reemployed on or after January 1, 2019, with an employer participating in the Teachers' Retirement System shall not be eligible to contribute to or earn benefits in a second retirement account during the period of reemployment. Employers shall be required to pay the employer normal cost for pension benefits established by Section 63 of this Act for any period of full-time reemployment to help pay down the unfunded liability of the Teachers' Retirement System pension fund.***
- (b) The provisions of subsections (1) to (8) of this section are not subject to KRS 161.714;
- (11) Any member retired by reason of service may waive his or her annuity and return to full-time employment in a position covered by the Kentucky Teachers' Retirement System under the following conditions:
 - (a) The member shall receive no annuity payments while employed in a covered position, shall waive his or her medical insurance coverage with the Kentucky Teachers' Retirement System during the period of reemployment, and shall receive the medical insurance coverage that is generally offered by the

member's active employer to the other members of the retirement system employed by the active employer. The member's estate or, if there is a beneficiary applicably designated by the member, then the beneficiary, shall continue to be eligible for life insurance benefits as provided in KRS 161.655. Service subsequent to retirement shall not be used to improve an annuity, except as provided in paragraphs (b) and (c) of this subsection;

- (b) Any member who waives regular annuity benefits and returns to teaching or covered employment shall be entitled to make contributions on the salaries received for this service and have his retirement annuity recalculated as provided in the regular retirement formula in KRS 161.620(1), less any applicable actuarial discount applied to the original retirement allowance due to the election of a joint and last survivor option. Retirement option and beneficiary designation on original retirement shall not be altered by postretirement employment, and dependents and spouses of the members shall not become eligible for benefits under KRS 161.520, 161.525, or 161.661 because of postretirement employment;
 - (c) When a member returns to full-time teaching or covered employment as provided in subsection (b) of this section, the employer is required to withhold and remit regular retirement contributions. The member must be employed full-time for at least one (1) consecutive contract year to be eligible to improve an annuity. The member shall be returned to the annuity rolls on July 1 following completion of the contract year or on the first day of the month following the month of termination of service if full-time employment exceeds one (1) consecutive contract year. Any discounts applied at the time of the original retirement due to service or age may be reduced or eliminated due to additional employment if full-time employment is for one (1) consecutive contract year or longer; and
 - (d) A member retired by reason of service who has been employed the equivalent of twenty-five (25) days or more during a school year under KRS 161.605 may waive the member's retirement annuity and return to regular employment covered by the Kentucky Teachers' Retirement System during that school year a maximum of one (1) time during any five (5) year period, beginning with that school year;
- (12) Retired members may be employed in a part-time teaching capacity by an agency described in KRS 161.220(4)(b) or (n), not to exceed the equivalent of twelve (12) teaching hours in any one (1) fiscal year. Retired members may be employed for a period not to exceed the equivalent of one hundred (100) days in any one (1) fiscal year in a part-time administrative or nonteaching capacity by an agency described in KRS 161.220(4)(b) or (n) in a position that would otherwise be covered by the retirement system. The return to work provisions set forth in subsections (1) to (8) of this section shall not apply to retired members who return to work solely for an agency described in KRS 161.220(4)(b) or (n). Calculation of the number of days and teaching hours for part-time teaching, substitute teaching, or part-time employment in a nonteaching capacity under this section shall not exceed the ratio between a school year and the actual months of retirement for the member during that school year. The board of trustees by administrative regulation may establish fractional equivalents of a day of teaching service. Any member who exceeds the twelve (12) hour or one hundred (100) day limitations of this subsection shall be subject to having his or her retirement voided and be required to return all retirement allowances and other benefits paid to the member or on the member's behalf since the effective date of retirement. In lieu of voiding a member's retirement, the system may reduce the member's retirement allowance or any other benefit to which the member would otherwise be entitled on a dollar-for-dollar basis for each dollar of compensation that the member earns in employment exceeding twelve (12) hours, one hundred (100) days, or any apportionment of the two (2) combined;
- (13) When a retired member returns to employment in a part-time teaching capacity or in a nonteaching capacity as provided in subsection (12) of this section, the employer shall contribute annually to the retirement system on the compensation paid to the retired member at rates determined by the retirement system actuary that reflect accrued liability for retired members who return to work under subsection (12) of this section; and
- (14) For retired members who return to work during any one (1) fiscal year in both a position described in KRS 161.220(4)(b) or (n) and in a position described under another provision under KRS 161.220(4), and for retired members who return to work in a position described under KRS 161.220(4)(b) or (n) in both a teaching and an administrative or nonteaching capacity, the board of trustees shall adopt a methodology for a pro rata apportionment of days and hours that the retired member may work in each position.

➔Section 71. KRS 161.612 is amended to read as follows:

Effective July 1, 2002, any individual occupying a position on a part-time basis that requires certification or graduation from a four (4) year college or university as a condition of employment and any individual providing part-time or substitute teaching services that are the same or similar to those teaching services provided by certified, full-time teachers shall be a member of the Kentucky Teachers' Retirement System, according to the conditions and only

to the extent set forth in this section, if the individual is employed by one (1) of the public boards, institutions, or agencies set forth in KRS 161.220, excluding those public boards, institutions, and agencies described in KRS 161.220(4)(b) and (n). Members providing part-time and substitute services shall participate in the retirement system as follows:

- (1) Members providing part-time and substitute services shall accrue service credit as provided under KRS 161.500 and be entitled to a retirement allowance upon meeting the service retirement conditions of KRS 161.600 ***or Section 43 of this Act, as applicable***. The board of trustees shall adopt a methodology for accrediting service credit to these members on a pro rata basis. The methodology adopted by the board of trustees may be amended as necessary to ensure its actuarial soundness. The retirement allowance for members providing part-time and substitute services shall be calculated pursuant to KRS 161.620 ***or Section 43 of this Act, as applicable***, except that the provisions of KRS 161.620(3) shall not apply. Members providing part-time and substitute services who meet the service retirement conditions of KRS 161.600 ***or Section 43 of this Act, as applicable***, may also be eligible to participate as approved by the board of trustees in the medical insurance program provided by the retirement system under KRS 161.675. Members providing part-time and substitute services shall make contributions to the Kentucky Teachers' Retirement System at the rate provided under KRS 161.540. A member who provides part-time or substitute services, or in the event of the death of the member, the member's estate or applicably designated beneficiary, will be entitled, within ninety (90) days of the posting of the annual report submitted by the member's employer, to a refund of contributions as permitted and limited by KRS 161.470;
- (2) The board of trustees shall adopt eligibility conditions under which members providing part-time and substitute services may participate in the benefits provided under KRS 161.520, 161.655, 161.661, and 161.663. The board of trustees may permit members providing part-time or substitute services to participate in other benefits offered by the retirement system by promulgating administrative regulations that establish eligibility conditions for participation in these benefits. All eligibility conditions adopted by the board of trustees pursuant to this subsection may be amended as necessary to ensure their actuarial soundness;
- (3) In addition to the pro rata methodology adopted by the board of trustees under subsection (1) of this section, members providing part-time and substitute services shall be subject to all limitations and conditions regarding the accrual, retention, accreditation, and use of service credit that apply to members providing full-time services. In addition to the eligibility conditions set forth by the board of trustees under subsection (2) of this section, members providing part-time and substitute services shall be subject to all limitations and conditions regarding both the eligibility to participate and the extent of participation in any benefit offered under KRS 161.220 to 161.716 that apply to members providing full-time services;

Members providing part-time and substitute services who had retirement contributions posted to their accounts during the previous fiscal year and who have not had those contributions refunded to them are eligible to vote for the board of trustees;
- (6) The board of trustees of the Teachers' Retirement System shall be responsible for final determination of membership eligibility and may direct employers to take whatever action that may be necessary to correct any error relating to membership;~~and~~

➔Section 72. KRS 161.615 is amended to read as follows:

- (1) The board of trustees is authorized to implement a limited defined contribution plan for the sole purpose of providing retirement allowance payments for retired members who have been approved by the retirement system for full-time reemployment as provided in KRS 161.605.

- (2) The defined contribution plan shall be administered separately from the regular benefits provided for members of the retirement system, except that the contributions to the plan shall be invested in the same manner as other contributions to the retirement system.
- (3) The provisions of this section apply only to those retired members who were permitted to return to work under the critical shortage provisions of KRS 161.605(7) as they existed on June 30, 2002. The provisions of this section shall not apply to any retired member returning to work on or after July 1, 2002.
- (4) Separate member accounts shall be maintained for participants in this plan which shall reflect the annual contributions made to the participant's account based on the rates and interest levels specified in KRS 161.605.
- (5) When the retiree's reemployment terminates, the total contributions and accrued interest in the participant's account will be paid in a lump-sum payment or on an actuarial straight life monthly basis to the retiree. If the member dies prior to making application for a retirement allowance under this plan, the beneficiary designated by the participant for this plan shall receive a refund of the funds in the account. If there is a remaining balance in the account at the death of the participant after retirement from this plan, it shall be paid to the beneficiary designated by the participant for this benefit.
- (6) Retired members shall be eligible to receive their retirement annuity when approved for reemployment and participation in this plan. Service as a reemployed retiree may not be used in any manner for credit under the regular retirement benefit plans provided by the retirement system.

➔Section 73. KRS 161.620 is amended to read as follows:

- (1) The retirement allowance, in the form of a life annuity with refundable balance, of a member retiring for service shall be calculated as follows:
 - (a) For retirements effective July 1, 1998, and thereafter, except as otherwise provided by this section, the annual allowance for each year of service shall be two percent (2%) of the final average salary for service performed prior to July 1, 1983, and two and one-half percent (2.5%) of the final average salary for service performed after July 1, 1983, for all **nonuniversity** members ~~[not employed by a state college or university]~~. The annual retirement allowance for each year of service performed by members of the Teachers' Retirement System who are **university** members ~~[under the provisions of KRS 161.220(4)(b) or (n)]~~ shall be two percent (2%) of the final average salary. This three percent (3%) factor shall be in lieu of the two and one-half percent (2.5%) factor provided for in paragraph (b) of this subsection for every year or fraction of a year of service in excess of thirty (30) years. Upon approval of this three percent (3%) retirement factor, the board of trustees may establish conditions of eligibility regarding the type of service credit that will qualify for meeting the requirements of this subsection. This subsection is optional with the board of trustees and shall not be subject to KRS 161.714;
 - (d) For individuals who become **nonuniversity** members of the ~~[Kentucky]~~ Teachers' Retirement System on or after July 1, 2008 ~~[except those persons who become members under KRS 161.220(4)(b) or (n)]~~, the retirement allowance shall be:

 4. Two percent (2%) of the member's final average salary for each year of service if the member has earned twenty-seven (27) or more years of service at retirement; and
- (f) The retirement allowance of a member at retirement, as measured on a life annuity, shall not exceed the member's last yearly salary or the member's final average salary, whichever is the greater amount. For purposes of this section, "yearly salary" means the compensation earned by a member during the most recent period of contributing service, either consecutive or nonconsecutive, preceding the member's effective retirement date and shall be subject to the provisions of KRS 161.220(9) and (10).
- (2) Effective July 1, 2002, and annually on July 1 thereafter, the retirement allowance of each retired member and of each beneficiary of a retirement option shall be increased in the amount of one and one-half percent (1.5%), provided the retired member had been retired for at least the full twelve (12) months immediately preceding the date that the increase is effective. In the event that the retired member had been retired for less than the full twelve (12) months immediately preceding the date that the increase is effective, then the increase shall be reduced on a pro rata basis by each month that the retired member had not been retired for the full twelve (12) months immediately preceding the effective date of the increase.
 - (3) Any member qualifying for retirement under a life annuity with refundable balance shall be entitled to receive an annual allowance amounting to not less than four hundred dollars (\$400) effective July 1, 2002, and not less than four hundred forty dollars (\$440) effective July 1, 2003, multiplied by the service credit years of the member. These minimums shall apply to the retired members receiving annuity payments and to those members retiring on or subsequent to the effective dates listed in this subsection, except the following:
 - (a) Individuals who become members of the Kentucky Teachers' Retirement System on or after July 1, 2008; or
 - (b) Members whose retirement allowance payment is reduced below the minimum allowance as a result of its division in a qualified domestic relations order or any other provision permitted under KRS 161.700.
 - (4) The minimum retirement allowance provided in this section shall apply in the case of members retired or retiring under an option other than a life annuity with refundable balance in the same proportion to the benefits

of the member and his beneficiary or beneficiaries as provided in the duly-adopted option tables at the time of the member's retirement.

- (5) Effective July 1, 2008, the monthly allowance of each retired member and each recipient of a retirement option of the retired member may be increased in an amount not to exceed three and one-half percent (3.5%) of the monthly allowance in effect the previous month, provided the retired member had been retired for at least the full twelve (12) months immediately preceding the date that the increase is effective. In the event that the retired member had been retired for less than the full twelve (12) months immediately preceding the date that the increase is effective, then the increase shall be reduced on a pro rata basis by each month that the retired member had not been retired for the full twelve (12) months immediately preceding the effective date of the increase. The level of increase provided for in this subsection shall be determined by the funding provided in the 2008-2010 biennium budget appropriation.
- (6) Effective July 1, 2009, the monthly allowance of each retired member and each recipient of a retirement option of the retired member may be increased in an amount not to exceed seven-tenths of one percent (0.7%) of the monthly allowance in effect the previous month, provided the retired member had been retired for at least the full twelve (12) months immediately preceding the date that the increase is effective. In the event that the retired member had been retired for less than the full twelve (12) months immediately preceding the date that the increase is effective, then the increase shall be reduced on a pro rata basis by each month that the retired member had not been retired for the full twelve (12) months immediately preceding the effective date of the increase. The level of increase provided for in this subsection shall be determined by the funding provided in the 2008-2010 biennium budget appropriation.
- (7) Effective July 1, 1990, monthly payments of two hundred dollars (\$200) shall be payable for the benefit of an adult child of a member retired for service when the child's mental or physical condition is sufficient to cause dependency on the member at the time of retirement. Eligibility for this payment shall continue for the life of the child or until the time the mental or physical condition creating the dependency no longer exists or the child marries. Benefits under this subsection shall apply to legally adopted survivors provided the proceedings for the adoption were initiated at least one (1) year prior to the death of the member. The board of trustees shall be the sole judge of eligibility or dependency and may require formal application or information relating thereto.
- (8) Members of the Teachers' Retirement System shall be subject to the annuity income limitations imposed by Section 415 of the Internal Revenue Service Code.
- (9) Compensation in excess of the limitations imposed by Section 401(a)(17) of the Internal Revenue Code shall not be used in determining a member's retirement annuity. The limitation on compensation for eligible members shall not be less than the amount which was allowed to be taken into account by the retirement system in effect on July 1, 1993. For this purpose, an eligible member is an individual who was a member of the retirement system before the first plan year beginning after December 31, 1995.
- (10) ***Effective January 1, 2019, subsections (1) to (7) of this section do not apply to individuals who become members of the Teachers' Retirement System on or after January 1, 2019.***

➔Section 74. KRS 161.623 is amended to read as follows:

- (1) Effective July 1, 1982, and thereafter, a district board of education or other employer of members of the Teachers' Retirement System may compensate, at the time of retirement for service, an active contributing member for unused sick-leave days in accordance with this section.
- (2) Upon the member's application for service retirement, the employer shall certify the retiring member's unused accumulated sick-leave balance to the board of trustees of the Kentucky Teachers' Retirement System. The member's sick-leave balance, expressed in days, shall be divided by one hundred eighty-five (185) days to determine the amount of service credit that may be considered for addition to the member's retirement account for the purpose of determining the retirement allowance under KRS 161.620, ***subject to the limitation of subsection (9)(a) of this section***. Notwithstanding any statute to the contrary, sick-leave credit that is accredited under this section or by one (1) of the other state-administered retirement systems shall not be used for the purpose of determining whether the member is eligible to receive a retirement allowance from the Kentucky Teachers' Retirement System.
- (3) The board shall compute the cost to the retirement system of the sick-leave credit for each retiring member and shall bill the last employer of the retiring member for such cost. The employer shall pay the cost of such service credit to the retirement system within fifteen (15) days after receiving notification of the cost from the board.

- (4) Retiring members who receive service credit under this section shall not be eligible to receive compensation for accrued sick leave under KRS 161.155(10) or any other statutory provision.
- (5) Employer participation is optional and the employer may opt to purchase less service credit than the member is eligible to receive provided the same percentage of reduction is made applicable to all retiring members of the employer during a school fiscal year.
- (6) The board of trustees shall formulate and adopt necessary rules and regulations for the administration of the foregoing provisions.
- (7) Payments to the retirement system for service credit obtained under this section or for compensation credit obtained under KRS 161.155(10) shall be based on the full actuarial cost as defined in KRS 161.220(22).
- (8) For an individual who becomes a member on or after July 1, 2008, the maximum amount of unused accumulated sick leave that may be considered for addition to the member's retirement account for purposes of determining the retirement allowance under KRS 161.620 shall not exceed three hundred (300) days ***or the amount specified by subsection (9)(a) of this section.***
- (9) ***Notwithstanding any other provision of KRS 161.220 to 161.716 to the contrary:***
 - (a) ***The maximum amount of sick leave converted to additional service credit under the provisions of this section shall not exceed the service credit based upon the level of sick leave accumulated on December 31, 2018, by a member whose employer participates in the sick leave program authorized by this section; and***
 - (b) ***On or after August 1, 2018, no employers may opt to participate in the sick leave program authorized by this section.***

➔Section 75. KRS 161.630 is amended to read as follows:

- (1)
 - (a) ***An individual who became a member prior to January 1, 2019,*** upon retirement, shall receive a retirement allowance in the form of a life annuity, with refundable balance, as provided in KRS 161.620, unless an election is made before the effective date of retirement to receive actuarially equivalent benefits under options which the board of trustees approves.
 - (b) ***An individual who is participating in the hybrid cash balance plan as provided by Section 43 of this Act may, before the effective date of retirement, elect to receive his or her accumulated account balance annuitized into a monthly payment under one (1) of the actuarial equivalent payment options approved by the board of trustees.***
 - (c) No option shall provide for a benefit with an actuarial value at the age of retirement greater than that provided in KRS 161.620 ***or subsection (7)(a) of Section 43 of this Act, as applicable.*** This section does not apply to disability allowances as provided in KRS 161.661(1).
- (2) The retirement option chosen by a retiree at the time of service retirement shall remain in force unless the retiree ***became a member prior to January 1, 2019, and*** elects to make a change under the following conditions:
 - (a) A divorce, annulment, or marriage dissolution following retirement shall, at the election of the retiree, cancel any optional plan selected at retirement that provides continuing benefits to a spousal beneficiary and return the retiree to a single lifetime benefit equivalent as determined by the board; or
 - (b) Following marriage or remarriage, or the death of the designated beneficiary, a retiree may elect a new optional plan of payment based on the actuarial equivalent of a single lifetime benefit at the time of the election, as determined by the board. The plan shall become effective the first of the month following receipt of an application on a form approved by the board.
- (3) Except as otherwise provided in this section, a beneficiary designation shall not be changed after the effective date of retirement except for retirees who elect the life annuity with refundable balance or the predetermined years certain and life thereafter option. A member may remove a beneficiary at any time, but shall not designate a substitute beneficiary. If a member elects to remove a beneficiary, the member's retirement allowance shall not change regardless of the retirement option selected by the member, even if the removed beneficiary predeceases the member.
- (4) A member who experiences a qualifying event under subsection (2) of this section and who elects a new optional plan of payment shall make that election within sixty (60) days of the qualifying event.

➔Section 76. KRS 161.655 is amended to read as follows:

- (1) Effective July 1, 2000, the Teachers' Retirement System shall *for those individuals who became members prior to January 1, 2019*:
 - (a) Provide a life insurance benefit in a minimum amount of five thousand dollars (\$5,000) for its members who are retired for service or disability. This life insurance benefit shall be payable upon the death of a member retired for service or disability to the member's estate or to a party designated by the member on a form prescribed by the retirement system; and
 - (b) Provide a life insurance benefit in a minimum amount of two thousand dollars (\$2,000) for its active contributing members. This life insurance benefit shall be payable upon the death of an active contributing member to the member's estate or to a party designated by the member on a form prescribed by the retirement system.
- (2) The member may name one (1) primary and one (1) contingent beneficiary for receipt of the life insurance benefit. To the extent permitted by the Internal Revenue Code, a trust may be designated as beneficiary for receipt of the life insurance benefit. Members may designate as beneficiaries only presently identifiable and existing individuals, or trusts where otherwise permitted, without contingency instructions, on forms prescribed by the retirement system. In the event that a member fails to designate a beneficiary, or all designated beneficiaries predecease the member, the member's estate shall be deemed to be the beneficiary. Any beneficiary designation made by the member, including the estate should the estate become the beneficiary by default, shall remain in effect until changed by the member on forms prescribed by the retirement system, except in the event of subsequent marriage or divorce. A valid marriage license shall terminate any previously designated beneficiary, even that of a trust, and establish the spouse as beneficiary unless, subsequent proof of the marriage, the member or retired member redesignates someone other than the new spouse as the beneficiary. A final divorce decree shall terminate the beneficiary status of an ex-spouse unless, subsequent to divorce, the member redesignates the former spouse as a beneficiary. A final divorce decree shall not terminate the designation of a trust as beneficiary regardless of who is designated as beneficiary of the trust.
- (3) Application for payment of life insurance proceeds shall be made to the Teachers' Retirement System together with acceptable evidence of death and eligibility. The reciprocal provisions of KRS 61.680(2)(a) shall not apply to the coverage and payment of proceeds by the life insurance benefit under this section.
- (4) Suit or civil action shall not be required for the collection of the proceeds of the life insurance benefit provided for by this section, but nothing in this section shall prevent the maintenance of suit or civil action against the beneficiary or legal representative receiving the proceeds of the life insurance benefit.
- (5) Upon the death of a member of the Teachers' Retirement System, the life insurance provided pursuant to subsection (1) of this section may be assigned by the designated beneficiary to a bank or licensed funeral home.

➔Section 77. KRS 161.661 is amended to read as follows:

- (1) Any member who has completed five (5) or more years of accredited service in the public schools of Kentucky after July 1, 1941, may retire for disability and be granted a disability allowance if found to be eligible as provided in this section. Application for disability benefits shall be made within one (1) year of the last contributing service in Kentucky, and the disability must have occurred during the most recent period of employment in a position covered by the Teachers' Retirement System and subsequent to the completion of five (5) years of teaching service in Kentucky. A disability occurring during the regular vacation immediately following the last period of active service in Kentucky or during an official leave for which the member is entitled to make regular contributions to the retirement system, shall be considered as having occurred during a period of active service. The annual disability allowance shall be equal to sixty percent (60%) of the member's final average salary. *Individuals who became members prior to January 1, 2019, who have~~with~~ twenty-seven (27) or more years of service credit are eligible for service retirement only. Individuals who become members on or after January 1, 2019, who have met the requirements of subsection (6)(b) of Section 43 of this Act shall be eligible for service retirement only.*
- (2) The provisions of KRS 161.520, 161.525, and subsections (3), (4), and (5) of this section shall not apply to disability retirees whose benefits were calculated on the service retirement formula nor to survivors of these members.

- (3) Members shall earn one (1) year of entitlement to disability retirement, at sixty percent (60%) of the member's final average salary, for each four (4) years of service in a covered position, but any member meeting the service requirement for disability retirement shall be credited with no less than five (5) years of eligibility.
- (4) A member retired by reason of disability shall continue to earn service credit at the rate of one (1) year for each year retired for disability. This service shall be credited to the member's account at the expiration of entitlement as defined in subsection (3) of this section, or when the member's eligibility for disability benefits is terminated upon recommendation of a medical review committee, and this service shall be used in calculating benefits as provided in subsection (5) of this section, but under no circumstances shall this service be used to provide the member with more than twenty-seven (27) years of total service credit ***or the level of service credit needed to meet the requirements of subsection (6)(b) of Section 43 of this Act, as applicable.*** The service credit shall be valued at the same level as service earned by active members as provided under KRS 161.600, ~~and~~ 161.620, ***or Section 43 of this Act, as applicable. Members participating in the hybrid cash balance plan as provided by Section 43 of this Act shall also be credited with employer credits and interest credits for each year of service earned under the provisions of this subsection based upon the salary in which the last employer credit was paid. Payments during the entitlement period as specified by subsection (3) of this section shall not reduce the accumulated account balance of a member participating in the hybrid cash balance plan.***
- (5) Any member retired by reason of disability and remaining disabled at the expiration of the entitlement period shall have his disability benefits recalculated using the service retirement formula with service credit ***and any additional accumulated account balance earned*** as set out in subsection (4) of this section. ***For persons who became members prior to January 1, 2019, the retirement allowance shall be calculated as set forth in KRS 161.620, except that those persons less than sixty (60) years of age shall be considered as sixty (60) years of age. For persons who become members on or after January 1, 2019, the retirement allowance or benefit shall be calculated as set forth in Section 43 of this Act, except that those persons less than age sixty-five (65) shall be considered as sixty-five (65) years of age.*** Members having their disability benefits recalculated under this subsection shall not be entitled to a benefit based upon an average of their three (3) highest salaries as set forth in KRS 161.220(9), unless approved otherwise by the board of trustees.
- (6) Members who have their disability retirement allowance recalculated at the expiration of the entitlement period shall continue to have coverage under the post-retirement medical insurance program. Restrictions on employment shall remain in effect until the member attains age seventy (70) or until the member's eligibility is discontinued. KRS 161.520 and 161.525 shall not apply to survivors of disability retirees whose retirement allowances have been recalculated at the expiration of the entitlement period. Members who have their disability retirement allowance recalculated at the expiration of their entitlement period shall be entitled to a minimum monthly allowance of five hundred dollars (\$500) as the basic straight life annuity. The minimum allowance shall be effective July 1, 1992, and shall apply to those members who have had their allowance recalculated prior to that date and to disability retirees who will have their benefit allowance recalculated on or after that date.
- (7) Effective July 1, 1992, members retired for disability prior to July 1, 1964, shall be entitled to a minimum monthly allowance of five hundred dollars (\$500) as their basic straight life annuity and their surviving spouse shall be eligible for survivor benefits as provided in KRS 161.520(1)(a) and (b).
- (8) Any member retired by reason of disability may voluntarily waive disability benefits and return to teaching or any ***individual who became a member prior to January 1, 2019***, who is age sixty (60) years or older, may elect to waive disability benefits and retire for service on the basis of service credited to the member on the effective date of the disability retirement, ***or any individual who becomes a member on or after January 1, 2019, who is sixty-five (65) years of age or older, may elect to waive disability benefits and retire for service on the basis of his or her accumulated account balance and service credited to the member on the effective date of disability retirement.***
- (9) In order to qualify for retirement by reason of disability a member must suffer from a physical or mental condition presumed to be permanent in duration and of a nature as to render the member incapable of being gainfully employed in a covered position. The incapability must be revealed by a competent examination by a licensed physician or physicians and must be approved by a majority of a medical review committee.
- (10) A member retired by reason of disability shall be required to undergo periodic examinations at the discretion of the board of trustees to determine whether the disability allowance shall be continued. When examination and recommendation of a medical review committee indicate the disability no longer exists, the allowance shall be discontinued.

- (11) Eligibility for payment shall begin on the first day of the month following receipt of the application in the Teachers' Retirement System office, or the first of the month next following the last payment of salary or sick leave benefits by the employer, whichever is the later date.
- (12) No person who receives a disability allowance may be employed in a position that entails duties or qualification requirements similar to positions subject to participation in the retirement system either within or without the State of Kentucky. So doing shall constitute a misdemeanor and shall result in loss of the allowance from the first date of this service. A member who applies for and is approved for disability retirement on or after July 1, 2002, and whose annual disability benefit is less than forty thousand dollars (\$40,000) may earn income in any occupation other than covered employment only to the extent that the annual income from the other employment when added to the annual disability benefit does not exceed forty thousand dollars (\$40,000). For any member who exceeds this limit as a result of income from other employment, the Kentucky Teachers' Retirement System shall reduce the member's disability benefit on a dollar-for-dollar basis for each dollar that the member's combined annual disability benefit and annual income from other employment exceeds forty thousand dollars (\$40,000). The board of trustees may annually increase the forty thousand dollar (\$40,000) limit by the percentage increase in the annual average of the consumer price index for all urban consumers for the most recent calendar year as published by the Federal Bureau of Labor Statistics, not to exceed five percent (5%).
- (13) All members who applied for disability retirement before July 1, 2002, and were approved as a result of that application shall be subject to the income limitations as they existed on June 30, 2002, until July 1, 2006. Effective July 1, 2006, the twenty-seven thousand dollar (\$27,000) limitation shall be increased to forty thousand dollars (\$40,000) and may be adjusted by the board of trustees by the consumer price index in the manner described in subsection (12) of this section. The recipient of a disability allowance who engages in any gainful occupation other than covered employment must make a report of the duties involved, compensation received, and any other pertinent information required by the board of trustees.
- (14) The board of trustees shall designate medical review committees, each consisting of three (3) licensed physicians. A medical review committee shall pass upon all applications for disability retirement and upon all applicant statements, medical certifications, and examinations submitted in connection with disability applications. The disposition of each case shall be recommended by a medical review committee in writing to the retirement system. Members of a medical review committee shall follow administrative regulations regarding procedures as the board of trustees may enact and shall be paid reasonable fees and expenses as authorized by the board of trustees in compliance with the provisions of KRS 161.330 and 161.340. The retirement system may secure additional medical examinations and information as it deems necessary. A member may appeal any final agency decision denying his or her disability retirement application pursuant to the provisions of KRS 161.250(2).
- (15) A disability may be presumed to be permanent if the condition creating the disability may be reasonably expected to continue for one (1) year or more from the date of application for disability benefits.
- (16) Any member who has voluntarily waived disability benefits or whose disability benefits have been discontinued on recommendation of a medical review committee, may apply for reinstatement of disability benefits. The application for reinstatement must be made to the retirement system within twelve (12) months of the date disability benefits terminated. If the termination of benefits were voluntary, the reinstatement may be made without medical examination if application is made within three (3) months of the termination date. Other applications for reinstatement will be processed in the same manner as new applications for benefits.
- (17) No person who is receiving disability benefits under this section may be employed in a position which qualifies the person for membership in a retirement system financed wholly or in part with public funds. Employment in a position prohibited by this subsection shall result in disqualification for those disability benefits from the date of employment in the prohibited position.
- (18) Any person who is receiving benefits and becomes disqualified from receiving those benefits under this section, or becomes disqualified from receiving a portion of those benefits due to income from other than covered employment, shall immediately notify the Teachers' Retirement System of this disqualification in writing and shall return all benefits paid after the date of disqualification. Failure to comply with these provisions shall create an indebtedness of that person to the Teachers' Retirement System. Interest at the rate of eight percent (8%) per annum shall be charged if the debt is not repaid within sixty (60) days after the date of disqualification. Failure to repay this debt creates a lien in favor of the Teachers' Retirement System upon all property of the person who improperly receives benefits and does not repay those benefits. The Kentucky Teachers' Retirement System may, in order to collect an outstanding debt, reduce or terminate any benefit that a member is otherwise entitled to receive.

➔Section 78. KRS 161.650 is amended to read as follows:

- (2) The member may designate a primary beneficiary or two (2) or more cobeneficiaries to receive any remaining accumulated member contributions payable under this section. A contingent beneficiary may be designated in addition to the primary beneficiary or the cobeneficiaries. The member may designate two (2) or more contingent beneficiaries. To the extent permitted by the Internal Revenue Code, a trust may be designated as beneficiary for receipt of any remaining *funds of the member's* accumulated ~~member~~ contributions. Members may designate as beneficiaries only presently identifiable and existing individuals, or trusts where otherwise permitted, without contingency instructions, on forms prescribed by the retirement system. Cobeneficiaries shall be composed of a single class of individuals, or trusts where permitted, who will share in equal proportions in any payment that may become available under this section. Any beneficiary designation made by the member shall remain in effect until changed by the member on forms prescribed by the retirement system, except in the event of subsequent divorce. A final divorce decree shall terminate the beneficiary status of an ex-spouse unless, subsequent to divorce, the member redesignates the former spouse as a beneficiary. A final divorce decree shall not terminate the designation of a trust as beneficiary regardless of who is designated as beneficiary of the trust. In the event that the member fails to designate a beneficiary or all designated beneficiaries predecease the member, any remaining accumulated member contributions shall be payable to the member's estate.

➔Section 79. KRS 161.700 is amended to read as follows:

 - (f) Payments made to related organizations supplying the facility with goods or services shall be limited to the actual cost of the goods or services to the related organization, unless it can be demonstrated that no

relationship between the facility and the supplier exists. - (7) To the extent permitted by federal law, no medical assistance recipient shall be recertified as qualifying for a level of long-term care below the recipient's current level, unless the recertification includes a physical examination conducted by a physician licensed pursuant to KRS Chapter 311 or by an advanced practice registered nurse licensed pursuant to KRS Chapter 314 and acting under the physician's supervision.
- (8) If payments made to community mental health centers, established pursuant to KRS Chapter 210, for services provided to the intellectually disabled exceed the actual cost of providing the service, the balance of the payments shall be used solely for the provision of other services to the intellectually disabled through community mental health centers.

- (b) Within forty-five (45) days of receiving a correct and complete provider application, the Department for Medicaid Services shall complete the enrollment process by either denying or approving and issuing a Provider Identification Number (PID) for a behavioral health provider who provides substance use disorder services, unless the department notifies the provider that additional time is needed to render a decision for resolution of an issue or dispute.
 - (c) Within forty-five (45) days of receipt of a correct and complete application for credentialing by a behavioral health provider providing substance use disorder services, a Medicaid managed care organization shall complete its contracting and credentialing process, unless the Medicaid managed care organization notifies the provider that additional time is needed to render a decision. If additional time is needed, the Medicaid managed care organization shall not take any longer than ninety (90) days from receipt of the credentialing application to deny or approve and contract with the provider.
 - (d) A Medicaid managed care organization shall adjudicate any clean claims submitted for a substance use disorder service from an enrolled and credentialed behavioral health provider who provides substance use disorder services in accordance with KRS 304.17A-700 to 304.17A-730.

- (1) Except as provided in subsection (4) of this section and in KRS 355.9-311(4), the perfection and discharge of a security interest in any property for which has been issued a Kentucky certificate of title shall be by notation on the certificate of title. Notation shall be made by the entry of information required by subsection (7) of this section into the Automated Vehicle Information System, and shall be deemed to have occurred upon the entry. The notation of the security interest on the certificate of title shall be in accordance with this chapter and shall remain effective from the date on which the security interest is noted on the certificate of title for a period of ten (10) years, or, in the case of a manufactured home, for a period of thirty (30) years, or until discharged under this chapter and KRS Chapter 186. The filing of a continuation statement within the six (6) months preceding the expiration of the initial period of a notation's effectiveness extends the expiration date for five (5) additional years, commencing on the day the notation would have expired in the absence of the filing. Succeeding continuation statements may be filed in the same manner to continue the effectiveness of the initial notation.
- (2) Except as provided in subsection (4) of this section, the notation of security interests relating to property required to be titled in Kentucky through the county clerk shall be done in the office of the county clerk of the county in which the debtor resides. If the debtor is other than a natural person, the following provisions govern the determination of the county of the debtor's residence:
 - (a) A partnership shall be deemed a resident of the county in which its principal place of business in this state is located. If the debtor does not have a place of business in this state, then the debtor shall be deemed a nonresident for purposes of filing in this state;
 - (b) A limited partnership organized under KRS Chapter 362 or as defined in KRS 362.2-102(14) shall be deemed a resident of the county in which its principal place of business is located, as set forth in its certificate of limited partnership or most recent amendment thereto filed pursuant to KRS Chapter 362 or 362.2-202. If such office is not located in this state, the debtor shall be deemed a nonresident for purposes of filing in this state;
 - (c) A limited partnership not organized under the laws of this state and authorized to do business in this state shall be deemed a resident of the county in which the office of its process agent is located, as set forth in the designation or most recent amendment thereto filed with the Secretary of State of the Commonwealth of Kentucky;
 - (d) A corporation organized under KRS Chapter 271B, 273, or 274 or a limited liability company organized under KRS Chapter 275 shall be deemed a resident of the county in which its registered office is located, as set forth in its most recent corporate filing with the Secretary of State which officially designates its current registered office;
 - (e) A corporation not organized under the laws of this state, but authorized to transact or do business in this state under KRS Chapter 271B, 273, or 274, or a limited liability company not organized under the laws of this state, but authorized to transact business in this state under KRS Chapter 275, shall be deemed a resident of the county in which its registered office is located, as set forth in its most recent filing with the Secretary of State which officially designates its current registered office;

not authorized to transact or do business in this state shall be deemed a nonresident for purposes of filing in this state. If the organization does not have a place of business in this state, then it shall be deemed a nonresident for purposes of filing in this state.

If the debtor does not reside in the Commonwealth, the notation of the security interest shall be done in the office of the county clerk in which the property is principally situated or operated. Notwithstanding the existence of any filed financing statement under the provisions of KRS Chapter 355 relating to any property registered or titled in Kentucky, the sole means of perfecting and discharging a security interest in property for which a certificate of title is required by this chapter is by notation on the property's certificate of title under the provisions of this chapter or in accordance with the provisions of KRS 186.045(3). In other respects the security interest is governed by the provisions of KRS Chapter 355.

- (3) Except as provided in subsection (4) of this section, before ownership of property subject to a lien evidenced by notation on the certificate of title may be transferred, the transferor shall obtain the release of the prior liens in his name against the property being transferred. Once a security interest has been noted on the owner's title, a subsequent title shall not be issued by any county clerk free of the notation unless the owner's title is presented to the clerk and it has been noted thereon that the security interest has been discharged. If this requirement is met, information relating to any security interest shown on the title as having been discharged may be omitted from the title to be issued by the clerk. If information relating to the discharge of a security interest is presented to a clerk under the provisions of KRS 186.045(3), the clerk shall discharge the security interest and remove the lien information from AVIS.
- (4) Notwithstanding subsections (1), (2), and (3) of this section, a county clerk shall, following inspection of the vehicle by the sheriff, to determine that the vehicle has not been stolen, issue a new ownership document to a vehicle, clear of all prior liens, to a person after he or she provides to the county clerk an affidavit devised by the Transportation Cabinet and completed by the person. The ownership document presented as a result of this affidavit shall be in accordance with subsection (5) of this section. In the affidavit, the affiant shall attest that:
 - (a) The affiant or the agent of the affiant possesses the vehicle;

 1. A debt on the vehicle has been owed him or her for more than thirty (30) days;

 - (c) More than thirty (30) days before presenting the affidavit to the county clerk, the affiant attempted to notify the owner of the vehicle and all known lienholders, including those noted on the title, by certified mail, return receipt requested, or by a nationally recognized courier service, of his or her name, address, and telephone number as well as his or her intention to obtain a new title or salvage title, as applicable, clear of all prior liens, unless the owner or a lienholder objects in writing;
 - (d) More than fourteen (14) days before presenting the affidavit to the county clerk, the affiant had published a legal notice stating his or her intention to obtain title to the vehicle. The legal notice appeared at least twice in a seven (7) day period in a newspaper ~~published, and~~ with ~~a statewide~~ circulation ~~in the county Kentucky~~. The legal notice stated:
 1. The affiant's name, address, and telephone number;

2. The owner's name;
 3. The names of all known lienholders, including those noted on the title;
 4. The vehicle's make, model, and year; and
 5. The affiant's intention to obtain title to the vehicle unless the owner or a lienholder objects in writing within fourteen (14) days after the last publication of the legal notice; and
- (e) Neither the owner nor a lienholder has objected in writing to the affiant's right to obtain title to the vehicle.
- (5) (a) If subsection (4)(b)1. of this section applies, the new ownership document shall be a title.
- (b) If subsection (4)(b)2. or 3. of this section applies, the new ownership document shall be a salvage title if the vehicle meets the requirements for a salvage title as stated in KRS 186A.520(1)(a).
- (c) If subsection (4)(b)2. or 3. of this section applies and the vehicle does not meet the requirements for a salvage title as stated in KRS 186A.520(1)(a), the new ownership document shall be a title.
- (6) No more than two (2) active security interests may be noted upon a certificate of title.
- (7) In noting a security interest upon a certificate of title, the county clerk shall ensure that the certificate of title bears the lienholder's name, mailing address and zip code, the date the lien was noted, the notation number, and the county in which the security interest was noted. The clerk shall obtain the information required by this subsection for notation upon the certificate of title from the title lien statement described in KRS 186A.195 to be provided to the county clerk by the secured party.
- (8) For all the costs incurred in the notation and discharge of a security interest on the certificate of title, the county clerk shall receive the fee prescribed by KRS 64.012. The fee prescribed by this subsection shall be paid at the time of submittal of the title lien statement described in KRS 186A.195.
- (9) A copy of the application, certified by the county clerk, indicating the lien will be noted on the certificate of title shall be forwarded to the lienholder.

(SB 144)

AN ACT relating to audits of county officers.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 43.070 is amended to read as follows:

- (1) (a) To determine whether any unauthorized, illegal, irregular, or unsafe handling or expenditure of revenue or other improper practice of financial administration has occurred and to assure that all proper items have been duly charged, taxed, and reported, the Auditor shall audit annually:
1. The funds contained in each county's budget; and
 2. The books, accounts, and papers of all county clerks and sheriffs.
- (b) The Auditor shall not conduct an audit pursuant to this subsection if the fiscal court or the elected official notifies the Auditor that a certified public accountant has been employed to audit the books, accounts, and papers of the county or the fee office, in accordance with KRS 64.810.
- (c) **1. *If any county clerk or sheriff meets the criteria established in this subsection and any additional criteria established in administrative regulations promulgated by the Auditor, that county clerk's or sheriff's audit required by this section may, in the discretion of the Auditor, be conducted by an agreed-upon procedures engagement performed by the Auditor. If, in the discretion of the Auditor, an agreed-upon procedures engagement in progress will not provide sufficient oversight of the county clerk's or sheriff's office, the Auditor may at any time***

convert the engagement to an audit performed under paragraph (a)2. of this subsection. A county clerk or sheriff shall not be eligible for the agreed-upon procedures engagement as allowed in this paragraph for the first audit period after election if the county clerk or sheriff is serving in office for the first time, or is assuming the office after experiencing a break in sequential service in that position.

2. *The Auditor and the county clerk or sheriff shall establish specific procedures for any agreed-upon procedures engagement. If the Auditor and the county clerk or sheriff cannot agree to the specific procedures for an agreed-upon procedures engagement, the audit of the county clerk's or sheriff's office shall be conducted under paragraph (a)2. of this subsection for that year subject to the audit.*
 3. *At a minimum, the county clerk or sheriff shall meet the following criteria in order to be eligible to have the county clerk's or sheriff's annual audit in any particular year conducted using agreed-upon procedures:*
 - a. *The county clerk or sheriff applies to the Auditor to have an agreed-upon procedures engagement for the year subject to the audit on a form provided by the Auditor and by the application deadline established by the Auditor;*
 - b. *The county clerk's or sheriff's office did not have any reported audit comment or finding in its most recent audit report;*
 - c. *The county clerk or sheriff and the Auditor agree to specific procedures for the agreed-upon procedures engagement; and*
 - d. *Any additional criteria that may be determined by the Auditor.*
 4. *The publication requirements related to an agreed-upon procedures engagement shall be the same as those required for audits of the county clerks and sheriffs performed under paragraph (a)2. of this subsection, except that the Auditor may provide a summary of the agreed-upon procedures engagement report, and publication of the summary shall satisfy the statutory requirements to publish the audit report, opinion letter, and transmittal letter.*
 5. *The billing and expense provisions of subsection (3) of this section shall apply to any agreed-upon procedures engagement performed under this section.*
 6. *The Auditor may promulgate administrative regulations that set forth additional criteria to qualify for agreed-upon procedures engagements, the application procedures, and the standards, procedures, guidelines, and reporting requirements for agreed-upon procedures engagements under this section.*
 7. *In exercising discretion regarding whether a county clerk or sheriff who otherwise meets the minimum requirements may have an agreed-upon procedures engagement in lieu of an audit for any particular year subject to an engagement, and in exercising its discretion regarding the proposed procedures for the agreed-upon procedures engagement for any particular year subject to an audit, the Auditor may consider factors including but not limited to past audit comments or agreed-upon procedures engagement findings, assessment of risks, complaints, financial statements, the number of consecutive agreed-upon procedures engagements performed of the county clerk or sheriff, and other factors relevant to oversight of the county clerk's or sheriff's office.*
- (2) The Auditor may audit:
- (a) The books, accounts and papers of all county judges/executive, county attorneys, coroners and constables; and
 - (b) The books, accounts, papers, and performance of all special purpose governmental entities as defined in KRS 65A.010. The expense of any audit or examination performed pursuant to this paragraph shall be borne by the entity audited or examined.
- (3) The county shall bear one-half (1/2) of the actual expense of the audit conducted pursuant to subsection (1)(a)1. of this section and shall bear the total actual expense of the audit conducted pursuant to subsections (1)(a)2. and (2)(a) of this section. No county shall be required to bear the expense for more than one (1) audit of the same fund or office annually pursuant to subsection (1)(a)1. or 2. of this section except as provided in KRS 64.810(4).

- (4) Within a reasonable time after the completion and distribution of the audit reports authorized by subsection (1) of this section, the Auditor of Public Accounts shall bill the county for the expenses incurred pursuant to subsection (3) of this section. A copy of this bill shall be forwarded to the secretary of the Finance and Administration Cabinet. Should the fiscal court within sixty (60) days following receipt of said bill determine the charge to be excessive or otherwise improper it shall submit its objection to the secretary of the Finance and Administration Cabinet and to the State Treasurer for resolution of the controversy in accordance with subsection (5) of this section. If the amount billed has not been paid within sixty (60) days from date of billing, and no objection has been filed, the Auditor shall notify the secretary of the Finance and Administration Cabinet and the secretary of revenue who shall cause said amount to be deducted from the next payment or return of moneys provided by KRS 47.110 by the state to the county or counties. Deductions shall continue until the total amount due the Auditor's office has been paid. All moneys received pursuant to this section shall be credited to the trust and agency account of the Auditor of Public Accounts. When an objection to the bill has been filed with the secretary of the Finance and Administration Cabinet and the State Treasurer in accordance with subsection (5) of this section the amount found to be equitable and just shall become payable immediately upon the entry of the final decision.
- (5) Any controversy over the amount of the bill for the actual expenses incurred shall be submitted by the fiscal court to the secretary of the Finance and Administration Cabinet and the State Treasurer for a decision as to the proper amount. In the event that these two (2) arbitrators fail to agree, then the controversy shall be submitted to the Attorney General, whose decision shall be final.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 214.160 is amended to read as follows:

- (1) Every physician and every other person legally permitted to engage in attendance upon a pregnant woman in this state shall take or cause to be taken from the woman a specimen of blood for serological test for syphilis as soon as he is engaged to attend the woman and has reasonable grounds for suspecting that pregnancy exists. If the woman is in labor at the time the diagnosis of pregnancy is made, which may make it inadvisable to obtain a blood specimen at that time, the specimen shall be obtained within ten (10) days after delivery. The specimen of blood shall be submitted to the laboratory of the Cabinet for Health and Family Services or a laboratory approved by the cabinet for the purpose of having made a serological test for syphilis. The test shall be of a type approved by the Cabinet for Health and Family Services.
- (2) The Cabinet for Health and Family Services shall, as often as necessary, publish a list of the five (5) most frequently abused substances, including alcohol, by pregnant women in the Commonwealth. Any physician and any other person legally permitted to engage in attendance upon a pregnant woman in this state may perform a screening for alcohol or substance dependency or abuse, including a comprehensive history of such behavior. Any physician may administer a toxicology test to a pregnant woman under the physician's care within eight (8) hours after delivery to determine whether there is evidence that she has ingested alcohol, a controlled substance, or a substance identified on the list provided by the cabinet, or if the woman has obstetrical complications that are a medical indication of possible use of any such substance for a nonmedical purpose.
- (3) Any physician or person legally permitted to engage in attendance upon a pregnant woman may administer to each newborn infant born under that person's care a toxicology test to determine whether there is evidence of prenatal exposure to alcohol, a controlled substance, or a substance identified on the list provided by the Cabinet for Health and Family Services, if the attending person has reason to believe, based on a medical assessment of the mother or the infant, that the mother used any such substance for a nonmedical purpose during the pregnancy.
- (4) The circumstances surrounding any positive toxicology finding shall be evaluated by the attending person to determine if abuse or neglect of the infant, as defined under KRS 600.020(1), has occurred and whether investigation by the Cabinet for Health and Family Services is necessary.
- (5) No prenatal screening for alcohol or other substance abuse or positive toxicology finding shall be used as prosecutorial evidence.

- (6) No person shall conduct or cause to be conducted any toxicological test pursuant to this section on any pregnant woman without first informing the pregnant woman of the purpose of the test.
- (7) Every physician or other person legally permitted to engage in attendance upon a pregnant woman in the Commonwealth shall take or cause to be taken from the woman a specimen of blood which shall be submitted for the purpose of serologic testing for the presence of hepatitis B surface antigen to a laboratory certified by the United States Department for Health and Human Services pursuant to Section 333 of the Public Health Service Act (42 U.S.C. sec. 263a), as revised by the Clinical Laboratory Improvement Amendments (CLIA), Pub.L. 100-578.
- (8) *Every physician or other person legally permitted to engage in attendance upon a pregnant woman in the Commonwealth shall take or cause to be taken from the woman a specimen of blood which shall be submitted for the purpose of serologic testing for the presence of hepatitis C virus antibodies and RNA in the blood.*
 - (a) *The results of this testing shall be recorded by the physician or other person legally permitted to engage in attendance upon a pregnant woman in the Commonwealth, in:*
 - 1. *The permanent medical record of the woman; and*
 - 2. *The permanent medical record of the child or children she was pregnant with at the time of the testing after the child or children are born.*
 - (b) *If the woman receives a test result that shows she is positive for hepatitis C virus antibodies or RNA, the physician or other person legally permitted to engage in attendance upon a pregnant woman in the Commonwealth shall orally inform and clearly document the woman or the legal guardian of the child or children she was pregnant with at the time of the testing, that it is recommended that serologic testing for the presence of hepatitis C virus antibodies and confirmation RNA in the blood be conducted on the child or children she was pregnant with at the time of the testing at the twenty-four (24) month recommended well baby pediatric check-up.*

CHAPTER 126

(HCR 7)

A CONCURRENT RESOLUTION urging the United States Fish and Wildlife Service (USFWS) to issue more migratory bird depredation permits and Kentucky Farm Bureau-administered subpermits to allow Kentucky farmers to legally take black vultures that are depredating their livestock.

WHEREAS, the federal Migratory Bird Treaty Act of 1918, 16 U.S.C. secs. 703 to 712, prohibits pursuing, hunting, taking, capturing, killing, or selling black vultures without a migratory bird depredation permit or subpermit; and

WHEREAS, black vultures are the only vultures found in the Commonwealth that take live prey, and after range expansion and population increases over the past 50 years, they have become common in Kentucky; and

WHEREAS, there is increasing concern among Kentucky farmers about the prevalence of livestock depredation caused by black vultures, yet they are prohibited under federal law from taking them without a migratory bird depredation permit or subpermit; and

WHEREAS, a farmer experiencing black vulture depredation may apply directly to the USFWS for a migratory bird depredation permit or the farmer may apply for one or more subpermits that have been allotted by the USFWS to Kentucky Farm Bureau for distribution; and

WHEREAS, many farmers have not been able to adequately protect their livestock from black vulture depredation, because they have found the migratory bird depredation permit and subpermit application and distribution process to be long, onerous, and overly restrictive; and

WHEREAS, Kentucky farmers believe that they have the right to protect their livestock from black vultures, which have become nuisances to the agricultural community in the Commonwealth;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

➔Section 1. The Kentucky General Assembly urges the USFWS to issue more permits and subpermits to allow for the taking of depredating black vultures and to shorten and streamline the application process to allow greater and more timely relief to farmers experiencing depredation.

➔Section 2. The Clerk of the House of Representatives shall send a copy of this Resolution and notification of its adoption to each member of the Kentucky Congressional delegation, Greg Sheehan, acting director of the USFWS, and Mark Haney, president of Kentucky Farm Bureau.

If an employing unit is deemed a successor, the transferring employing unit shall be deemed a predecessor.
- (b) For the purpose of this chapter, if a nonsubject employer acquires all or part of the trade or business of a subject employer, the nonsubject employer shall file an application with the Office of Employment and Training, Department of Workforce Investment to establish an unemployment reserve account within forty-five (45) days of employing personnel. The application will be considered and processed in accordance with administrative regulations promulgated by the secretary and shall require information necessary to determine whether the nonsubject employer is a successor of the subject employer and to establish an initial unemployment contribution rate for the employer. Factors to be considered in the determination of successorship and the fixing of the initial rate shall include but not be limited to the ***nonsubject*** employer's prior unemployment claims history, benefit charges, historical rate charges, and payment penalties assessed in the previous five (5) years, in addition to the factors set forth in subsection (6)(b) of this section. - (3) (a) Notwithstanding subsection (2)(b) of this section, Any successor to the trade or business of a subject employer shall assume the resources and liabilities of the predecessor's reserve account, including interest, and shall continue the payment of all contributions and interest due under this chapter, except that the successor shall not be required to assume the liability of any delinquent contributions and interest of a predecessor or predecessors unless the cabinet notifies the successor of the delinquency within six (6) months after the department has notice of the succession; and

This payment shall be made within sixty (60) days of receipt of the first notice of a negative predecessor reserve account. This one (1) time voluntary payment cannot exceed the amount of negative reserve assumed by the successor.
- (4) The liability for delinquent contributions and interest imposed upon the successor by subsection (3) of this section shall be secondary to the liability of the predecessor or predecessors, and if the delinquency has been reduced to judgment, the order of execution on the judgment shall be as follows:
 - (a) Against the assets, both real and personal, of the predecessor or predecessors;
 - (b) Against the assets, both real and personal, of the business acquired; and
 - (c) Against the assets, both real and personal, of the successor or acquirer.

The taxable payroll, benefit charges and the potential benefit charges shall be assumed by the successors in a like proportion.
- (b) Notwithstanding the provisions of paragraph (a) of this subsection, if any employing unit succeeds to a portion of the trade or business of another employing unit; becomes, by reason of that succession, a subject employer with substantially the same ownership, management, or control as the predecessor employing unit; and lays off or terminates more than one-half (1/2) of the original employees transferred within six (6) months of the date of transfer; then the succession and creation of the new employing unit shall be voided, and the benefits attributable to the lay-offs or terminations shall be charged to the reserve account of the original employing unit.

- (6) (a) The contribution rate of a successor in whole or in part, which was a subject employer prior to succession, shall not be affected by the transfer of the reserve account for the remainder of the rate year in which succession occurred; except that the rate of the successor shall be recalculated and made effective upon the first day of the calendar quarter immediately following the date of the transfer if there is substantially common ownership, management, or control of the predecessor and successor.
- (b) The contribution rate of a successor in whole or in part, which was not a subject employer prior to succession, shall be determined by a review of the application required by subsection (2)(b) of this section, except if the secretary finds, after a thorough investigation based on the use of objective factors, including but not limited to:
1. The cost of acquiring the business;
 2. How long the original business enterprise was continued; and
 3. Whether a substantial number of new employees were hired for performance of duties unrelated to the business activity prior to acquisition;
- that the succession was solely for the purpose of obtaining a rate lower than that prescribed in KRS 341.270(1) and 341.272 for a new employing unit, then the unemployment experience of the predecessor shall not be transferred, the rate for a new employing unit shall be assigned, and the employing unit shall be otherwise deemed a successor for the purpose of KRS 341.070(7) and subsection (3) of this section.
- (c) The contribution rate for a successor which becomes a subject employer through the simultaneous transfer, either in whole or in part, of two (2) or more predecessor reserve accounts shall be the rate determined in accordance with the provisions of KRS 341.270, by combining the reserve accounts succeeded to as of the computation date for determining rates for the calendar year in which succession occurred.
- (d) The contribution rate of a successor which succeeds, either in whole or in part, to a predecessor's reserve account after a computation date, but prior to the beginning of the calendar year immediately following that computation date, shall be the rate determined in accordance with KRS 341.270, by effecting the transfer of the reserve account as of the computation date immediately preceding the date of succession.
- (7) Notwithstanding KRS 341.270, the contribution rate for an employing unit that knowingly violates or attempts to violate the provisions of this section or any other provision of the chapter related to determining the assignment of a contribution rate shall be the highest rate assignable under this chapter for the calendar year during which the violation or attempted violation occurred and the three (3) calendar years immediately following that year. If that employer's rate is already at the highest assignable rate, or if the amount of increase in the employer's rate would be less than an additional two percent (2%) for that year, then a penalty rate of contributions of an additional two percent (2%) of taxable wages shall be imposed for each year.
- (8) In addition to the penalties prescribed in subsection (7) of this section and KRS 341.990(9), any person who knowingly violates this section shall be subject to the penalties stipulated under KRS 341.990.
- (9) (a) The secretary shall establish procedures to identify the transfer of a business for purposes of this section.
- (b) The secretary shall have the authority and discretion to set *an initial*~~an initial~~ contribution rate upon the providing of justification by a subject employer and consideration of relevant factors, including but not limited to the factors set forth in subsections (2) and (6)(a) of this section.

- (d) Perform all functions and duties assigned by the board in carrying out the purposes of KRS 65.7621 to 65.7643, including but not limited to making a full report to the board at each meeting of the activities in which the administrator has engaged in the discharge of his or her duties since the previous meeting.

➔Section 3. KRS 65.7631 is amended to read as follows:

- (1) The moneys in the CMRS fund shall be apportioned among the approved uses of the fund as specified in this section. The board shall make individual disbursements from the fund upon such terms and conditions necessary in view of the amount of revenues on deposit at the time each request for disbursement is reviewed and approved.
- (2) Not more than two and one-half percent (2.5%) of the total monthly revenues deposited into the CMRS fund shall be disbursed or reserved for disbursement by the board to pay the administrative costs and expenses incurred in the operation of the board in carrying out the functions and duties set forth in KRS 65.7621 to 65.7643.
- (3)
 - (a) Two and one-half percent (2.5%) of the total monthly revenues deposited into the CMRS fund shall be used solely for the purpose of reimbursing the actual expenses incurred by tier III CMRS providers from June 30, 2011, to January 1, 2016, for complying with requirements established by the FCC order. Reimbursement under this subsection is only available to tier III CMRS providers that:
 - 1. Have a cost recovery plan that was approved by the CMRS Board, predecessor in name to the Kentucky 911 Services Board, prior to June 30, 2011; and
 - 2. Had received approval for reimbursement from the CMRS Board, predecessor in name to the Kentucky 911 Services Board, prior to the effective date of this section.
 - (b) When all reimbursements approved under this subsection have been paid, the two and one-half percent (2.5%) apportioned under this subsection shall be used solely for the purposes specified in subsection (5) of this section.
- (4) Ten percent (10%) of the total monthly revenues deposited into the CMRS fund shall be disbursed or reserved for disbursement to provide direct grants, matching money, or funds to PSAPs as determined by the Kentucky 911 Services Board:
 - (a) For the establishment and improvement of 911 services in the Commonwealth, including the implementation of next generation 911 capacity;
 - (b) For incentives to create more efficient delivery of 911 services by local governments receiving funding under subsection (5) of this section;
 - (c) For improvement of 911 infrastructure by Tier III wireless providers receiving funding under this section; and
 - (d) For consolidation reimbursement of two hundred thousand dollars (\$200,000) per PSAP, not to exceed four hundred thousand dollars (\$400,000) per county, to any PSAP that consolidates with a CMRS-certified PSAP, or creates a newly consolidated Phase II compliant PSAP. Funds shall be applied toward the cost of consolidating. If a PSAP consolidates and receives reimbursement, the Kentucky 911 Services Board shall not certify a new PSAP within the same county for a period of ten (10) years.

When the balance of money collected under this subsection and not yet obligated for permitted uses exceeds ~~three~~~~two~~ million dollars ~~(\$3,000,000)~~~~(\$2,000,000)~~ in any fiscal year, the excess amount shall be allocated under subsection (5) of this section.

- (5) The balance of the total monthly revenues deposited into the CMRS fund after the amounts disbursed or reserved for disbursement under subsections (2), (3), and (4) of this section have been subtracted shall be distributed to PSAPs eligible to receive disbursement from the CMRS fund under subsection (6) of this section who actually request disbursement, as follows:
 - (a) Fifty percent (50%) of the remaining balance to be allocated under this subsection shall be distributed according to the "PSAP pro rata formula," whereby each receives a percentage determined by dividing one (1) by the total number of PSAPs eligible to request and actually requesting disbursements under subsection (6) of this section. Any PSAPs certified before January 1, 2004, or for more than three (3) years, that choose to consolidate their operations shall continue to receive pro-rata shares as if they remained separate and distinct entities. The consolidated entity must be certified to receive funds under subsection (6) of this section; and

- (b) Fifty percent (50%) of the remaining balance to be allocated under this subsection shall be distributed according to a method chosen by the board and based on the wireless workload of the PSAP. Methods to be considered may be based on the number of wireless 911 calls answered by each PSAP, the number of wireless phone users served by each PSAP, or any other method deemed by the board to be reasonable and equitable. The method chosen by the board shall be promulgated as a regulation under KRS 65.7633.

All amounts distributed to PSAPs under this subsection shall be used by the PSAPs solely for the purposes of answering, routing, and properly disposing of CMRS 911 calls, training PSAP staff, and public education concerning appropriate use of 911, in accordance with KRS 65.760(4) and (5). Additionally, amounts distributed to PSAPs under this subsection may be used for the purposes of complying with the wireless E911 service requirements established by the FCC order and any rules and regulations which are or may be adopted by the Federal Communications Commission pursuant to the FCC order, including the payment of costs and expenses incurred in designing, upgrading, purchasing, leasing, programming, testing, installing, or maintaining all necessary data, hardware, and software required in order to provide wireless E911 service.

- (6) (a) Notwithstanding any other provision of the law, no PSAP shall be eligible to request or receive a disbursement from the CMRS fund under subsection (4)(a) or (b) or (5) of this section unless and until the PSAP:
 - 1. Is expressly certified as a PSAP by the Kentucky 911 Services Board, upon written application to the board;
 - 2. Demonstrates that the PSAP is providing E911 services to a local government that has adopted an ordinance either imposing a special tax, license, or fee as authorized by KRS 65.760(3) or has established other means of funding wireline 911 emergency service;
 - 3. Demonstrates that the administrator of the PSAP sent a request for wireless, E911 service to a CMRS provider, and that the infrastructure of the local exchange carrier will support wireless E911 service;
 - 4. Provides an accounting of the number of wireless E911 calls received by the PSAP during the prior calendar year if requested by the board; and
 - 5. Demonstrates that the PSAP has made the investment which is necessary to allow the PSAP to receive and utilize the data elements associated with wireless E911 service.
- (b) In addition to the requirements of paragraph (a) of this subsection and in order to encourage the additional consolidation of PSAPs by local governments and state government agencies, after January 1, 2017, a PSAP shall receive priority consideration for distributions of funds from subsection (4)(a) and (b) of this section as follows:
 - 1. A PSAP that is not a state police dispatch center and that covers all local governments within two (2) or more counties shall receive first priority in the distribution of the funds by the board;
 - 2. A PSAP, including any state police dispatch center, that covers all the local governments within a single county shall receive second priority in the distribution of the funds by the board; and
 - 3. A PSAP that does not cover all of the local governments within a single county shall receive the last priority for the distribution of the funds listed in this subsection by the board.

(HB 454)

AN ACT relating to the human rights of unborn children and declaring an emergency.

WHEREAS, moral and philosophical concepts of dignity hold that a human being is entitled to receive ethical and humane treatment and is to be respected and valued in all phases of life; and

WHEREAS, the Declaration of Independence recognizes the fundamental truth that all people have been endowed by their Creator with certain unalienable rights, that among these are life, liberty, and the pursuit of happiness; and

WHEREAS, the Constitution of this Commonwealth guarantees that all human beings have the right of enjoying and defending their lives and liberty as well as seeking and pursuing their safety and happiness; and

WHEREAS, the Supreme Court of the United States of America has recognized that states have a legitimate interest in protecting the life of the unborn; and

WHEREAS, recognizing the human rights of an unborn child does not contravene prior Supreme Court jurisprudence nor undermine a woman's right to self-determination or bodily autonomy, but instead upholds the state's legitimate interest in protecting the life of the unborn; and

WHEREAS, the Supreme Court has further held that the states, with a rational basis to act and without creating an undue burden on women, may bar certain procedures for the purpose of regulating the medical profession so as to promote respect for life, including the life of the unborn. *Gonzales v. Carhart*, 550 U.S. 124, 158 (2007); and

WHEREAS, giving the life of the unborn equal consideration as that of the mother does not create an undue burden on the mother; and

WHEREAS, the Commonwealth of Kentucky statutorily recognizes an unborn child as a human being from conception onward, without regard to age, health, or condition of dependency; and

WHEREAS, it is an indisputable scientific fact that by the end of ten weeks the unborn child can be seen on an ultrasound to have fingers, hands, arms, toes, feet, legs, eyelids, and ears further confirming the statutory acknowledgment that the unborn child is a human being; and

WHEREAS, certain abortive medical procedures resulting in dismemberment, crushing, or human vivisection are brutal for unborn children in contravention of their unalienable rights that replicates past indiscretions of a disregard for the rights of others; and

WHEREAS, Justice Kennedy has recognized the brutality of these procedures by stating, "The fetus, in many cases, dies just as a human adult or child would: It bleeds to death as it is torn limb from limb." *Stenberg v. Carhart*, 530 U.S. 914, 958 (2000); and

WHEREAS, Justice Stevens, with whom Justice Ginsburg concurred, reflected on the dichotomy of upholding the ban on partial-birth abortions but not dilation and extraction procedures by writing, "The notion that either of these two equally gruesome procedures performed at this late stage of gestation is more akin to infanticide than the other, or that the State furthers any legitimate interest by banning one but not the other, is simply irrational." *Stenberg v. Carhart*, 530 U.S. 914, 946-947 (2000); and

WHEREAS, past failures to uphold and respect the unalienable rights and dignity of other human beings protected by the laws of the Commonwealth and this great nation resulted in unfair and detrimental practices that still affect the lives of so many Kentuckians and Americans today;

NOW, THEREFORE,

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

The term includes a procedure that is used to cause the death of an unborn child and in which*

- (3) *A pregnant woman on whom an abortion is performed or induced or attempted to be performed or induced in violation of subsection (2) of this section is not guilty of violating subsection (2) of this section or of attempting to commit, conspiring to commit, or complicity in committing a violation of subsection (2) of this section.*

In determining the rates of reimbursement for long-term-care facilities participating in the Medical Assistance Program, the Cabinet for Health and Family Services shall, to the extent permitted by federal law, not allow the following items to be considered as a cost to the facility for purposes of reimbursement:
- (a) Motor vehicles that are not owned by the facility, including motor vehicles that are registered or owned by the facility but used primarily by the owner or family members thereof;
 - (b) The cost of motor vehicles, including vans or trucks, used for facility business shall be allowed up to fifteen thousand dollars (\$15,000) per facility, adjusted annually for inflation according to the increase in the consumer price index-u for the most recent twelve (12) month period, as determined by the United States Department of Labor. Interest paid to the facility for loans made to a third party may be used to offset allowable interest claimed by the facility;

 - (f) Payments made to related organizations supplying the facility with goods or services shall be limited to the actual cost of the goods or services to the related organization, unless it can be demonstrated that no relationship between the facility and the supplier exists. A relationship shall be considered to exist when an individual, including brothers, sisters, father, mother, aunts, uncles, and in-laws, possesses a total of five percent (5%) or more of ownership equity in the facility and the supplying business. It shall not be necessary that the amount of payments for units of services be uniform for the entire state but amounts may vary from county to county and from city to city, as well as among hospitals, based on the prevailing cost of medical care in each locale and other local economic and geographic conditions, except that insofar as allowed by applicable federal law and regulation, the maximum amounts reimbursable for similar services rendered by physicians within the same specialty of medical practice shall not vary according to the physician's place of residence or place of practice, as long as the place of practice is within the boundaries of the state.
- (6) Nothing in this section shall be deemed to deprive a woman of all appropriate medical care necessary to prevent her physical death.
- (7) To the extent permitted by federal law, no medical assistance recipient shall be recertified as qualifying for a level of long-term care below the recipient's current level, unless the recertification includes a physical examination conducted by a physician licensed pursuant to KRS Chapter 311 or by an advanced practice registered nurse licensed pursuant to KRS Chapter 314 and acting under the physician's supervision.
- (8) If payments made to community mental health centers, established pursuant to KRS Chapter 210, for services provided to the intellectually disabled exceed the actual cost of providing the service, the balance of the payments shall be used solely for the provision of other services to the intellectually disabled through community mental health centers.
- (9) No long-term-care facility, as defined in KRS 216.510, providing inpatient care to recipients of medical assistance under Title XIX of the Social Security Act on July 15, 1986, shall deny admission of a person to a bed certified for reimbursement under the provisions of the Medical Assistance Program solely on the basis of the person's paying status as a Medicaid recipient. No person shall be removed or discharged from any facility solely because they became eligible for participation in the Medical Assistance Program, unless the facility can demonstrate the resident or the resident's responsible party was fully notified in writing that the resident was being admitted to a bed not certified for Medicaid reimbursement. No facility may decertify a bed occupied by a Medicaid recipient or may decertify a bed that is occupied by a resident who has made application for medical assistance.
- (10) Family-practice physicians practicing in geographic areas with no more than one (1) primary-care physician per five thousand (5,000) population, as reported by the United States Department of Health and Human Services, shall be reimbursed one hundred twenty-five percent (125%) of the standard reimbursement rate for physician services.
- (11) The Cabinet for Health and Family Services shall make payments under the Medical Assistance program for services which are within the lawful scope of practice of a chiropractor licensed pursuant to KRS Chapter 312, to the extent the Medical Assistance Program pays for the same services provided by a physician.

- (b) Within forty-five (45) days of receiving a correct and complete provider application, the Department for Medicaid Services shall complete the enrollment process by either denying or approving and issuing a Provider Identification Number (PID) for a behavioral health provider who provides substance use disorder services, unless the department notifies the provider that additional time is needed to render a decision for resolution of an issue or dispute.
 - (c) Within forty-five (45) days of receipt of a correct and complete application for credentialing by a behavioral health provider providing substance use disorder services, a Medicaid managed care organization shall complete its contracting and credentialing process, unless the Medicaid managed care organization notifies the provider that additional time is needed to render a decision. If additional time is needed, the Medicaid managed care organization shall not take any longer than ninety (90) days from receipt of the credentialing application to deny or approve and contract with the provider.
 - (d) A Medicaid managed care organization shall adjudicate any clean claims submitted for a substance use disorder service from an enrolled and credentialed behavioral health provider who provides substance use disorder services in accordance with KRS 304.17A-700 to 304.17A-730.
 - (e) The Department of Insurance may impose a civil penalty of one hundred dollars (\$100) per violation when a Medicaid managed care organization fails to comply with this section. Each day that a Medicaid managed care organization fails to pay a claim may count as a separate violation.
- (13) Dentists licensed under KRS Chapter 313 shall be excluded from the requirements of subsection (12) of this section. The Department for Medicaid Services shall develop a specific form and establish guidelines for assessing the credentials of dentists applying for participation in the Medical Assistance Program.

The cabinet shall remit EF fees to the group or organization identified in KRS 186.162 on a quarterly basis. The cabinet may retain any investment income earned from holding EF fees designated to be remitted under this subsection to offset administrative costs incurred by the cabinet in the administration of EF fees.

The cabinet shall have the discretion to extend the time period that will exist between the date a metal special license plate is issued and the date that regular plates are issued under KRS 186.240. A renewal registration decal shall be issued all other years during the owner's or lessee's birth month, except as provided in KRS 186.041(2) *and* ~~186.042(5) and 186.174(2)~~. The applications and accompanying fee shall be submitted to the cabinet at one (1) time as a whole and shall not be submitted individually or intermittently.
- (12) An initial applicant for, or an applicant renewing, his or her registration for a special license plate may, at the time of application, make a voluntary contribution that the county clerk shall forward to the cabinet. The entity that sponsors a special plate established by the process outlined in this section may set a requested donation amount, not to exceed ten dollars (\$10), that will automatically be added to the cost of registration or renewal, unless the individual registering or renewing the vehicle registration opts out of contributing that recommended amount. The cabinet shall, on an annual basis, remit the voluntary contributions to the appropriate group identified to be used for the declared purpose stated under subsection (13) of this section. The cabinet may retain any investment income earned from holding voluntary contributions designated to be remitted under this subsection to offset administrative costs incurred by the cabinet in the administration of the contributions.  - (c) The purpose for which the donated funds will be used by the group or organization. Donated funds shall not be limited for use by members of the group or organization, and shall not be used for administrative or personnel costs of the group or organization.
- (14) All funds received by a group or organization under subsection (12) of this section shall be deposited into an account separate from all other accounts the group or organization may have, and the account shall be audited yearly at the expense of the group or organization. The completed audit shall be forwarded to the Transportation Cabinet in Frankfort. One hundred percent (100%) of the funds received by a group or organization under subsection (12) of this section shall be used for the express purpose identified by the group in subsection (13) of this section. Any group or organization that receives a mandatory EF fee under KRS 186.162 shall comply with the provisions of this subsection.

Should such recipient have less than one hundred eighty (180) months of service but have at least one hundred twenty (120) months of service, fifty percent (50%) of such premium shall be paid from the insurance trust fund or accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520, provided such recipient agrees to pay the remaining fifty percent (50%) by payroll deduction from his retirement allowance or by another method. These grants shall be allotted to school districts to provide instructional programs for pupils who are identified as needing additional time to achieve the outcomes defined in KRS 158.6451. A school district that has a school operating a model early reading program under KRS 158.792 may use a portion of its grant money as part of the matching funds to provide individualized or small group reading instruction to qualified students outside of the regular classroom during the student attendance day.
- (9) Notwithstanding any other statute, each school term shall include no less than the equivalent of the student instructional year in subsection (1)(f) of this section, or a variable student instructional year in subsection (1)(h) of this section, except that the commissioner of education may grant up to the equivalent of ten (10) student attendance days for school districts that have an alternative instruction plan approved by the commissioner of education for the use of alternative methods of instruction, including virtual learning, on days when the school district is closed for health or safety reasons, on nontraditional days, or on nontraditional time. Each local school district shall require all principals, guidance counselors, and teachers to complete at least one hour of self-study review of seizure disorder materials no later than July 1, 2019. This self-study review shall be in addition to the four days required under KRS 158.070(3)(a), unless otherwise approved by the school district. Nothing in this section shall be construed to limit the authority of a school district or the Kentucky Department of Education to require additional seizure disorder training.

➔Section 36. KRS 199.473 is amended to read as follows:

- (1) All persons other than a child-placing agency or institution, the department, or persons excepted by KRS 199.470(4)~~{or (5)}~~ who wish to place or receive a child shall make written application to the secretary for permission to place or receive a child.
- (2) Prior to the approval of an application to place or receive a child, the fee required pursuant to subsection (13) of this section shall be paid and a home study shall be completed. The purpose of the home study shall be to review the background of the applicant and determine the suitability of the applicant to receive a child, taking into account at all times the best interest of the child for whom application to receive has been made.
- (3)
 - (a) The home study shall be made in accordance with administrative regulations promulgated by the cabinet in accordance with KRS Chapter 13A.
 - (b) The cabinet shall conduct the home study for an applicant whose total gross income is equal to or less than two hundred fifty percent (250%) of the federal poverty level guidelines issued each year by the federal government, unless the applicant submits a written request for the home study to be conducted by a licensed child-placing agency or institution. Upon request, the cabinet shall make information available to an applicant who does not meet the requirements of this paragraph to assist the applicant in obtaining a home study from a licensed child-placing agency approved to provide adoption services.
 - (c) A licensed child-placing agency approved to provide adoption services shall conduct the home study for an applicant whose gross total income is more than two hundred fifty percent (250%) of the federal poverty level guidelines issued each year by the federal government.
 - (d) Calculation of family size for this subsection shall include each child requested to be adopted.

- (e) The portion of the home study pertaining to the home and family background shall be valid for one (1) year following the date of its completion by an adoption worker.
- (4) The adoption worker making the home study shall make a finding in writing recommending either that the application be granted or that the application be denied. The recommendation of the adoption worker shall then be reviewed by the secretary.
- (5) Based on the report and recommendation of the adoption worker making the home study, the secretary shall grant or refuse permission for the applicant to place or receive a child as early as practicable, but, in any case, the decision shall be made within sixty (60) days after the receipt of the application. In reaching a decision, the secretary shall be guided by the ability of the persons wishing to receive the child to give the child a suitable home, and shall at all times consider the best interest of the child from a financial, medical, psychological, and psychiatric standpoint.
- (6) If the application is refused, the secretary shall in general terms furnish in writing the reasons for his or her refusal.
- (7) Any person who seeks temporary custody of a child prior to the secretary's ruling on an application for adoption shall file a petition seeking temporary custody, with a notice of intent to adopt, with the Circuit Court that will have jurisdiction of the adoption proceedings. The clerk of the court shall send a notice of the filing of the petition to the cabinet. A hearing on the petition shall occur no later than seventy-two (72) hours after the filing of the petition, excluding weekends and holidays. Proceedings under this subsection shall be incorporated into the court's adoption file. If the adoption is not finalized within six (6) months of the filing of the petition and notice of intent, the court shall conduct a hearing on the status and custody of the child.
- (8) Upon a finding by the Circuit Court that the child should be placed prior to the secretary's ruling on the application, the Circuit Court may grant the applicant temporary custody of the child pending the decision of the secretary. Temporary custody shall not be granted to an applicant unless a background check, including but not limited to a criminal records check by the Justice and Public Safety Cabinet or the Administrative Office of the Courts and a background check of child abuse and neglect records maintained by the cabinet, has been submitted to and reviewed by the court. The background check required for temporary custody shall be part of the home study required under subsection (2) of this section. If the application is denied by the secretary, the temporary custody order shall be set aside and, upon motion of the cabinet or of the child's parent or parents, the Circuit Court may order the child returned to the biological parent or parents or the child's custody may be awarded to the cabinet, another licensed child-placing agency, or other individuals deemed appropriate by the court. This section shall not be deemed to permit the completion of any adoption proceeding without the approval of the secretary and compliance with KRS 615.030, if required.
- (9) In any case where the cabinet refuses to approve the placement of a child for adoption when requested by the parent or parents of the child, or refuses the request of any person or persons that a child be placed with that person or those persons for adoption, the decision of the secretary in so refusing shall be final unless within ten (10) days after notice of refusal, the biological or proposed adopting parent or parents shall appeal to the Circuit Court of the county in which the adoption is proposed. No placement shall be disapproved on the basis of the religious, ethnic, racial, or interfaith background of the adoptive applicant, if the placement is made with the consent of the parent.
- (10) The cabinet may refuse to approve the placement of a child for adoption if the child's custodial parent is unwilling for the child to be placed for adoption with the proposed adoptive family. The cabinet may approve or deny the placement, in spite of the fact that the custodial parent or parents are unwilling to be interviewed by the cabinet or other approving entity, or if, after diligent efforts have been made, the adoption worker is unable to locate or interview the custodial parent or parents. The cabinet shall be made a party defendant to the appeal. In the hearing of an appeal, the court shall review the findings of the secretary and shall determine if the secretary has acted arbitrarily, unlawfully, or in a manner that constitutes an abuse of discretion.
- (11) If a child who does not fall within the exception provided for in KRS 199.470(4)~~[- or (5)]~~ is placed or received in a home without the court's review of the background check required under this section or the permission of the secretary for health and family services, or if permission to receive a child has been denied, a representative of the cabinet shall notify in writing or may petition the juvenile session of District Court of the county in which the child is found setting out the facts concerning the child. When the petition has been filed, the court shall take jurisdiction of the child and shall provide for it as it would provide for a dependent, neglected, or abused child under KRS Chapter 620, except that the child may not be placed in the home of the applicants who are to receive the child unless permission to do so is granted by the secretary or the action is ordered by a Kentucky court of competent jurisdiction.

- (12) When either the custodial parent or parents of the child to be placed or the persons wishing to receive the child reside out-of-state, the requirement of KRS 615.030, Interstate Compact on the Placement of Children, shall be met before the cabinet gives approval for the child's placement.
- (13) The secretary of the Cabinet for Health and Family Services shall be paid a nonrefundable fee of two hundred dollars (\$200) upon the filing of the written application for permission to place or receive a child. Payment shall be made by certified or cashier's check only. All funds collected under this section shall be deposited in a restricted account, which is hereby created, for the purpose of subsidizing an adoptive parent for suitable care of a special-needs child as authorized in KRS 199.555.
- (14) Nothing in this statute shall be construed to limit the authority of the cabinet or a child-placing institution or agency to determine the proper disposition of a child committed to it by the juvenile session of District Court or the Circuit Court, prior to the filing of an application to place or receive.

➔Section 37. KRS 199.490 is amended to read as follows:
