➔SECTION 1. IT IS PROPOSED THAT A NEW SECTION BE ADDED TO THE CONSTITUTION OF KENTUCKY TO READ AS FOLLOWS:

To secure for victims of criminal acts or public offenses justice and due process and to ensure crime victims a meaningful role throughout the criminal and juvenile justice systems, a victim, as defined by law which takes effect upon the enactment of this section and which may be expanded by the General Assembly, shall have the following rights, which shall be respected and protected by law in a manner no less vigorous than the protections afforded to the accused in the criminal and juvenile justice systems: victims shall have the reasonable right, upon request, to timely notice of all proceedings and to be heard in any proceeding involving a release, plea, sentencing, or other matter involving the right of a victim other than grand jury proceedings; the right to be present at the trial and all other proceedings, other than grand jury proceedings, on the same basis as the accused; the right to proceedings free from unreasonable delay; the right to consult with the attorney for the Commonwealth or the attorney's designee; the right to reasonable protection from the accused and those acting on behalf of the accused throughout the criminal and juvenile justice process; the right to timely notice, upon request, of release or escape of the accused; the right to have the safety of the victim and the victim's family considered in setting bail, determining whether to release the defendant, and setting conditions of release after arrest and conviction; the right to full restitution to be paid by the convicted or adjudicated party in a manner to be determined by the court, except that in the case of a juvenile offender the court shall determine the amount and manner of paying the restitution taking into consideration the best interests of the juvenile offender and the victim; the right to fairness and due consideration of the crime victim's safety, dignity, and privacy; and the right to be informed of these enumerated rights, and shall have standing to assert these rights. The victim, the victim's attorney or other lawful representative, or the attorney for the Commonwealth upon request of the victim may seek enforcement of the rights enumerated in this section and any other right afforded to the victim by law in any trial or appellate court with jurisdiction over the case. The court shall act promptly on such a request and afford a remedy for the violation of any right. Nothing in this section shall afford the victim party status, or be construed as altering the presumption of innocence in the criminal justice system. The accused shall not have standing to assert the rights of a victim. Nothing in this section shall be construed to alter the powers, duties, and responsibilities of the prosecuting attorney. Nothing in this section or any law enacted under this section creates a cause of action for compensation, attorney's fees, or damages against the Commonwealth, a county, city, municipal corporation, or other political subdivision of the Commonwealth, an officer, employee, or agent of the Commonwealth, a county, city, municipal corporation, or any political subdivision of the Commonwealth, or an officer or employee of the court. Nothing in this section or any law enacted under this section shall be construed as creating:

- (1) *A basis for vacating a conviction; or*
- (2) *A ground for any relief requested by the defendant.*

➔Section 2. This amendment shall be submitted to the voters of the Commonwealth for their ratification or rejection at the time and in the manner provided for under Sections 256 and 257 of the Constitution and under KRS 118.415. The question to be submitted to the voters shall read as follows: "Are you in favor of providing constitutional rights to victims of crime, including the right to be treated fairly, with dignity and respect, and the right to be informed and to have a voice in the judicial process?"

- (2) The amount of the allowable credit shall be two dollars (\$2) per each incentive ton of coal purchased that is subject to tax under KRS 143.020 and that is used to generate electric power or used as feedstock for an alternative fuel facility as defined in KRS 154.27-010 or a gasification facility as defined in KRS 154.27-010.
- (3)
 - (a) Incentive tons are calculated as the tons of coal purchased in the current year for which coal severance tax was paid minus the tons of coal purchased and used during the base year.
 - (b) For an existing electric power company subject to tax under KRS 136.120 that expands operations to include an alternative fuel facility as defined in KRS 154.27-010 or a gasification facility as defined in KRS 154.27-010, the incentive tons for the expanded operation calculated in paragraph (a) of this subsection shall not include any coal subject to the incentives provided under KRS 143.024 and 154.27-060.
- (4) The base year amount shall be equal to:
 - (a) For entities existing on July 14, 2000, that meet the eligibility requirements imposed under subsection (1) of this section, the tons of coal purchased and used to generate electricity during the twelve (12) calendar months ending in December 31, 1999, that were subject to the tax imposed by KRS 143.020; or
 - (b) For entities that come into existence after July 14, 2000, that meet the eligibility requirements imposed under subsection (1) of this section, the base year amount shall be equal to zero (0). - (5) On or before March 15 of each year, a company eligible for the credit provided under subsection (2) of this section shall file a coal incentive credit claim on forms prescribed by the department. At the time of filing for the credit, the taxpayer shall submit verification of the tons of coal purchased in the base year and the tons of coal purchased in the year for which the credit is being claimed. The department shall determine the amount of the eligible credit and issue a credit certificate to the taxpayer.
- (6) The taxpayer shall be eligible to apply, subject to the conditions imposed under subsection (7) of this section, the amount identified on the credit certificate issued by the department under subsection (5) of this section, against the taxpayer's liability for the taxes, in consecutive order as follows:
 - (a) The credit shall first be applied against both the taxes imposed by KRS 141.020 or 141.040 and the tax imposed by KRS 141.0401, with the ordering of credits as provided in KRS 141.0205;

- (8) The taxpayer shall maintain records required in subsection (5) of this section for a period of five (5) years.
- (9) Acceptable verification of coal purchased during the base year shall include invoices that indicate the tons of coal purchased from a Kentucky supplier of coal and proof of remittance for that purchase.

- (10) The department shall develop the forms required under subsection (5) of this section, specifying the procedure for claiming the credit, and applying the credit against the taxpayer's liability in the order provided under subsections (6) and (7) of this section.
- (11) The ***Office of Energy Policy***~~[Department for Energy Development and Independence]~~ shall:
- (a) 1. Certify that an alternative fuel facility for which a credit is being requested meets the definition as provided in KRS 154.27-010; or
 2. Certify that a gasification facility for which a credit is being requested meets the definition as provided in KRS 154.27-010; and
 - (b) Notify the department of the certification.
- (12) To assist in determining the amount of coal purchased and used that is eligible for the credit, the department shall obtain from the University of Kentucky Center for Applied Energy Research a reasonable and typical estimate of the tons of coal needed to produce a given output of coal-derived alternative transportation fuels, coal-derived synthetic natural gas, coal-derived liquid fuels, or other coal-derived chemicals or chemical feedstocks, considering:

The credit shall be claimed in the same manner as specified in subsection (6) of this section. Each pass-through entity shall notify the Department of Revenue electronically of all partners, members, or shareholders who may claim any amount of the approved credit. Failure to provide information to the Department of Revenue in a manner prescribed by regulation may constitute the forfeiture of available credits to all partners, members, or shareholders associated with the pass-through entity.
- (8) The taxpayer shall maintain all records associated with the credit for a period of five (5) years. Acceptable verification of eligible coal purchased shall include invoices that indicate the tons of eligible coal purchased from a Kentucky supplier of coal and proof of remittance for that purchase.

The waters shall not be polluted beyond feasible correction and shall be kept unpolluted once corrected according to standards established by the Energy and Environment Cabinet **through the Office of Kentucky Nature Preserves**. The area may provide a high quality fish and wildlife habitat, containing one or more unique or rare species for sport or observation. It may provide opportunities for scientific study or appreciation of essentially undisturbed ecological, geologic, or archaeologic conditions. It shall provide wilderness type recreation such as canoeing and hiking, or specialized uses without disturbing the primitive character of the area.

➔Section 12. KRS 146.250 is amended to read as follows:

~~The [secretary of the Energy and Environment Cabinet shall, by June 16, 1974, determine generally the] boundaries of a [the] stream area associated with a [the] stream or stream segment [initially] included in the Wild Rivers System by KRS 146.200 to 146.360 shall include [Establishment of these boundaries shall be accomplished in such a way that it includes] at least the visual horizon from the stream, but not more than two thousand (2,000) feet from the center of the stream.  - (b) The category of the proposed additions in accordance with KRS 146.230.

- (c) A detailed report on the factors which make the area a worthy addition to the system.
- (2) The intention of this requirement is to insure that such studies will be made; it is not intended to preclude or discourage, but rather encourage similar studies and proposals by other agencies or by citizen groups working independently. Authority for additions to the Wild Rivers System shall remain exclusively with the Kentucky General Assembly.

➔Section 14. KRS 146.270 is amended to read as follows:

The Wild Rivers System shall be administered by the ***Office of Kentucky Nature Preserves***~~[Energy and Environment Cabinet]~~ according to the policies and criteria set forth in KRS 146.200 to 146.360. No public use of lands within the boundaries of a designated wild river area in which the state has acquired an interest shall be permitted prior to the development of a management plan.~~[Any management plan shall be developed jointly with the Department of Fish and Wildlife Resources with respect to those aspects of the plan as relate to the jurisdiction of that department over fish and wildlife resources.]~~

➔Section 15. KRS 146.280 is amended to read as follows:

- (1) Within the boundaries of a designated stream area, as established and authorized by the Kentucky General Assembly, the ***office***~~[secretary]~~ shall be authorized and empowered to acquire by purchase, exercise of the rights of eminent domain, grant, gift, devise, or otherwise, the fee simple title, an easement, or any acceptable lesser interest in any lands, and by lease or conveyance, contract for the right to use and occupy any lands. Where property within such boundaries is owned by the federal government, the ***office***~~[secretary]~~ can enter into agreements with the landowning agency concerning use of the property consistent with the objectives of KRS 146.200 to 146.360. The department shall notify the well operator and all surface owners of areas to be disturbed by drilling who have not agreed to the operation and reclamation plan of the date and time mediation shall be conducted by certified mail, return receipt requested. The department shall conduct mediation at the site proposed to be disturbed within fifteen (15) days from the date requested, if practicable. At the mediation, the mediator will attempt to facilitate an agreement between the well operator and the surface owner. If an agreement is not forthcoming after mediation, the mediator shall, within five (5) days after mediation, issue a report to the director of the Division of Oil and Gas recommending that the director:
- (a) Accept the plan as submitted by the well operator; or
 - (b) Accept the plan with modifications set forth by the mediator.
- (7) If an agreement between the well operator and the surface owners of all disturbed areas is not forthcoming after mediation, the mediator shall consider the following factors as to the reasonable use of the surface by the well operator in issuing a report to the director:
- (a) The location of roads, gathering lines, and tank batteries;
 - (b) The timing of the operation, considering seasonal uses of the land by the surface owner and the need of the well operator to drill expeditiously;
 - (c) The impact on the other uses of the land by the surface owner, including the location of timber, houses, barns, ponds, crops, and other improvements;
 - (d) Whether the plan includes a plan for timely, effective reclamation of all disturbed areas; and
 - (e) Any other information deemed appropriate by the mediator.
- (8) The director shall act upon the recommendation of the mediator within five (5) days of the receipt of the mediation report.

 - (a) When the vehicle overtaken is making or about to make a left turn;
 - (b) Upon a roadway with unobstructed pavement of sufficient width for two (2) or more lines of vehicles moving lawfully in the direction being traveled by the overtaking vehicle.
- (3) The operator of a vehicle may overtake and pass another vehicle upon the right only under conditions permitting such movements in safety. Such movement shall not be made by driving off the roadway unless passing vehicle comes to a complete stop and such movement may be made safely.
- (4) No vehicle shall be driven to the left side of the center of the roadway in overtaking and passing another vehicle proceeding in the same direction unless the left side is clearly visible and free of oncoming traffic for a sufficient distance ahead to permit overtaking and passing to be completely made without interfering with the safe operation of any vehicle approaching from the opposite direction or any vehicle overtaken. In every event, the overtaking vehicle must return to the right-hand side of the roadway before coming within two hundred (200) feet of any vehicle approaching from the opposite direction.
- (5) The commissioner of highways is hereby authorized to determine those portions of any highway where overtaking and passing or driving to the left of the roadway would be especially hazardous and may by appropriate signs or markings on the roadway indicate the beginning and end of such zones, and when such signs or markings are in place and clearly visible to an ordinarily observant person, every driver of a vehicle shall obey the directions thereof.
- (6) Whenever any roadway has been divided into three (3) clearly marked lanes for travel, the following additional rules shall apply:

 - (c) Official signs may be erected directing slow-moving traffic to use a designated lane or allocating specified lanes to traffic moving in the same direction and operators of vehicles shall obey the directions of such signs.
- (7) A vehicle shall not be driven in the left lane of any limited access highway of four (4) lanes or more with a posted speed limit of at least sixty-five (65) miles per hour, except in overtaking a slower vehicle, yielding to traffic coming onto such a highway, or when traffic conditions exist which would prohibit safe use of the right or center lanes.
- (8) (a) ***Except as provided in paragraph (c) of this subsection,*** the operator of a motor vehicle shall not follow another vehicle more closely than is reasonable and prudent, having regard for the speed of the vehicle and the traffic upon and condition of the highway.

- (b) *Except as provided in paragraph (c) of this subsection*, the operator of any motor truck, semitrailer truck, bus, or heavy construction equipment unit, when traveling upon a highway outside of a business or residential district, shall not follow within two hundred fifty (250) feet of another such vehicle or equipment unit. This subsection shall not prevent overtaking and passing, nor shall it apply to any lane specially designated for use of motor trucks or semitrailer trucks, buses or heavy construction equipment units.
- (c) *Paragraphs (a) and (b) of this subsection shall not apply to a trailing commercial motor vehicle involved in a platoon as defined in Section 2 of this Act, but shall apply to the commercial motor vehicle leading a platoon.*

CHAPTER 38

(HB 33)

AN ACT relating to the overtaking of bicycles on a roadway.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 189.300 is amended to read as follows:

- (1) The operator of any vehicle when upon a highway shall travel upon the right side of the highway whenever possible, and unless the left side of the highway is clear of all other traffic or obstructions for a sufficient distance ahead to permit the overtaking and passing of another vehicle to be completed without interfering with the operation of any vehicle approaching from the opposite direction or any vehicle being overtaken. The overtaking vehicle shall return to the proper traffic lane as soon as practicable and, if the passing vehicle enters the oncoming traffic lane, before coming within two hundred (200) feet of any approaching vehicle.
- (2) The operator of any vehicle moving slowly upon a highway shall keep his vehicle as closely as practicable to the right-hand boundary of the highway, allowing more swiftly moving vehicles reasonably free passage to the left, *unless signage or markings indicate otherwise.*

➔Section 2. KRS 189.340 is amended to read as follows:

- (1) Vehicles overtaking other vehicles proceeding in the same direction shall pass to the left of them and shall not again drive to the right until reasonably clear of those vehicles. Vehicles overtaking streetcars may pass either

to the right or left when so directed by a police officer, when on a one (1) way street or where the location of the tracks prevents compliance with this section, with regard for other traffic.

- (2) (a) ***Vehicles overtaking a bicycle proceeding in the same direction shall:***
 1. ***If there is more than one (1) lane for traffic proceeding in the same direction, move the vehicle to the immediate left, if the lane is available and moving in the lane is reasonably safe; or***
 2. ***If there is only one (1) lane for traffic proceeding in the same direction, pass to the left of the bicycle at a distance of not less than three (3) feet between any portion of the vehicle and the bicycle and maintain that distance until safely past the overtaken bicycle. If space on the roadway is not available to have a minimum distance of three (3) feet between the vehicle and the bicycle, then the driver of the passing vehicle shall use reasonable caution in passing the bicyclist.***
 - (b) ***The driver of a motor vehicle may drive to the left of the center of a roadway, including when a no-passing zone is marked in accordance with subsection (6) of this section, to pass a person operating a bicycle only if the roadway to the left of the center is unobstructed for a sufficient distance to permit the driver to pass the person operating the bicycle safely and avoid interference with oncoming traffic. This paragraph does not authorize driving on the left side of the center of the roadway when otherwise prohibited under state law.***
 - (c) ***The operator of a bicycle shall not ride more than two (2) abreast on a single highway lane unless operating on any part of the roadway marked exclusively for bicycle use. Persons riding two (2) abreast shall not impede the normal and reasonable movement of traffic.***
- (3) The operator of a vehicle may overtake and pass upon the right of another vehicle only under the following conditions:
- (a) When the vehicle overtaken is making or about to make a left turn;
 - (b) Upon a roadway with unobstructed pavement of sufficient width for two (2) or more lines of vehicles moving lawfully in the direction being traveled by the overtaking vehicle.
- ~~(4)(3)}~~ The operator of a vehicle may overtake and pass another vehicle upon the right only under conditions permitting such movements in safety. Such movement shall not be made by driving off the roadway unless passing vehicle comes to a complete stop and such movement may be made safely.
- ~~(5)(4)}~~ No vehicle shall be driven to the left side of the center of the roadway in overtaking and passing another vehicle proceeding in the same direction unless the left side is clearly visible and free of oncoming traffic for a sufficient distance ahead to permit overtaking and passing to be completely made without interfering with the safe operation of any vehicle approaching from the opposite direction or any vehicle overtaken. In every event, the overtaking vehicle must return to the right-hand side of the roadway before coming within two hundred (200) feet of any vehicle approaching from the opposite direction.
- ~~(6)(5)}~~ The commissioner of highways is hereby authorized to determine those portions of any highway where overtaking and passing or driving to the left of the roadway would be especially hazardous and may by appropriate signs or markings on the roadway indicate the beginning and end of such zones, and when such signs or markings are in place and clearly visible to an ordinarily observant person, every driver of a vehicle shall obey the directions thereof, ***except as provided for in subsection (2)(b) of this section.***
- ~~(7)(6)}~~ Whenever any roadway has been divided into three (3) clearly marked lanes for travel, the following additional rules shall apply:
- (a) A vehicle shall be driven as nearly as may be practical entirely within a single lane and shall not be moved from that lane until the driver has first ascertained that the movement can be made with safety;
 - (b) A vehicle shall not be driven in the center lane except when overtaking and passing another vehicle where the roadway is clearly visible and the center lane is clear of traffic within a safe distance, or in preparation for a left turn or where a center lane is at the time allocated exclusively to traffic moving in the direction in which the vehicle is proceeding and is signposted to give notice of the allocation; and
 - (c) Official signs may be erected directing slow-moving traffic to use a designated lane or allocating specified lanes to traffic moving in the same direction and operators of vehicles shall obey the directions of such signs.

- (8)(7) A vehicle shall not be driven in the left lane of any limited access highway of four (4) lanes or more with a posted speed limit of at least sixty-five (65) miles per hour, except in overtaking a slower vehicle, yielding to traffic coming onto such a highway, or when traffic conditions exist which would prohibit safe use of the right or center lanes.
- (9)(8) (a) The operator of a motor vehicle shall not follow another vehicle more closely than is reasonable and prudent, having regard for the speed of the vehicle and the traffic upon and condition of the highway.
- (b) The operator of any motor truck, semitrailer truck, bus, or heavy construction equipment unit, when traveling upon a highway outside of a business or residential district, shall not follow within two hundred fifty (250) feet of another such vehicle or equipment unit. This subsection shall not prevent overtaking and passing, nor shall it apply to any lane specially designated for use of motor trucks or semitrailer trucks, buses or heavy construction equipment units.

Signed by Governor March 29, 2018.

CHAPTER 40

(HB 2)

AN ACT relating to workers' compensation.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 342.020 is amended to read as follows:

- (1) In addition to all other compensation provided in this chapter, the employer shall pay for the cure and relief from the effects of an injury or occupational disease the medical, surgical, and hospital treatment, including

nursing, medical, and surgical supplies and appliances, as may reasonably be required at the time of the injury and thereafter ~~during disability,~~ **for the length of time set forth in this section,** or as may be required for the cure and treatment of an occupational disease.

- (2) ***In claims resulting in an award of permanent total disability or resulting from an injury described in subsection (9) of this section,*** the employer's obligation to pay the benefits specified in this section shall continue for so long as the employee is disabled regardless of the duration of the employee's income benefits.
- (3)
 - (a) ***In all permanent partial disability claims not involving an injury described in subsection (9) of this section, the employer's obligation to pay the benefits specified in this section shall continue for seven hundred eighty (780) weeks from the date of injury or date of last exposure.***
 - (b) ***In all permanent partial disability claims not involving an injury described in subsection (9) of this section, the commissioner shall, in writing, advise the employee of the right to file an application for the continuation of benefits as described in this section. This notice shall be made to the employee seven hundred fifty-four (754) weeks from the date of injury or last exposure.***
 - (c) ***An employee shall receive a continuation of benefits as described in this section for additional time beyond the period provided in paragraph (a) of this subsection as long as continued medical treatment is reasonably necessary and related to the work injury or occupational disease if:***
 1. ***An application is filed within seventy-five (75) days prior to the termination of the seven hundred eighty (780) week period;***
 2. ***The employee demonstrates that continued medical treatment is reasonably necessary and related to the work injury or occupational disease; and***
 3. ***An administrative law judge determines and orders that continued benefits are reasonably necessary and related to the work injury or occupational disease for additional time beyond the original seven hundred eighty (780) week period provided in paragraph (a) of this subsection.***
 - (d) ***If the administrative law judge determines that medical benefits are not reasonably necessary or not related to the work injury or occupational disease, or if an employee fails to make proper application for continued benefits within the time period provided in paragraph (c) of this subsection, any future medical treatment shall be deemed to be unrelated to the work injury and the employer's obligation to pay medical benefits shall cease permanently.***
- (4) In the absence of designation of a managed health care system by the employer, the employee may select medical providers to treat his injury or occupational disease. Even if the employer has designated a managed health care system, the injured employee may elect to continue treating with a physician who provided emergency medical care or treatment to the employee. The employer, insurer, or payment obligor acting on behalf of the employer, shall make all payments for services rendered to an employee directly to the provider of the services within thirty (30) days of receipt of a statement for services. The commissioner shall promulgate administrative regulations establishing conditions under which the thirty (30) day period for payment may be tolled. The provider of medical services shall submit the statement for services within forty-five (45) days of the day treatment is initiated and every forty-five (45) days thereafter, if appropriate, as long as medical services are rendered. Except as provided in subsection ~~(7)(4)~~ of this section, in no event shall a medical fee exceed the limitations of an adopted medical fee schedule or other limitations contained in KRS 342.035, whichever is lower. The commissioner may promulgate administrative regulations establishing the form and content of a statement for services and procedures by which disputes relative to the necessity, effectiveness, frequency, and cost of services may be resolved.
- ~~(5)(2)~~ Notwithstanding any provision of the Kentucky Revised Statutes to the contrary, medical services and treatment provided under this chapter shall not be subject to copayments or deductibles.
- ~~(6)(3)~~ Employers may provide medical services through a managed health care system. The managed health care system shall file with the Department of Workers' Claims a plan for the rendition of health care services for work-related injuries and occupational diseases to be approved by the commissioner pursuant to administrative regulations promulgated by the commissioner.
- ~~(7)(4)~~ All managed health care systems rendering medical services under this chapter shall include the following features in plans for workers' compensation medical care:

- (a) Copayments or deductibles shall not be required for medical services rendered in connection with a work-related injury or occupational disease;
 - (b) The employee shall be allowed choice of provider within the plan;
 - (c) The managed health care system shall provide an informal procedure for the expeditious resolution of disputes concerning rendition of medical services;
 - (d) The employee shall be allowed to obtain a second opinion, at the employer's expense, from an outside physician if a managed health care system physician recommends surgery;
 - (e) The employee may obtain medical services from providers outside the managed health care system, at the employer's expense, when treatment is unavailable through the managed health care system;
 - (f) The managed health care system shall establish procedures for utilization review of medical services to assure that a course of treatment is reasonably necessary; diagnostic procedures are not unnecessarily duplicated; the frequency, scope, and duration of treatment is appropriate; pharmaceuticals are not unnecessarily prescribed; and that ongoing and proposed treatment is not experimental, cost ineffective, or harmful to the employee; and
 - (g) Statements for services shall be audited regularly to assure that charges are not duplicated and do not exceed those authorized in the applicable fee schedules.
 - (h) A schedule of fees for all medical services to be provided under this chapter which shall not be subject to the limitations on medical fees contained in this chapter.
 - (i) Restrictions on provider selection imposed by a managed health care system authorized by this chapter shall not apply to emergency medical care.
- ~~(8)(5)~~ Except for emergency medical care, medical services rendered pursuant to this chapter shall be under the supervision of a single treating physician or physicians' group having the authority to make referrals, as reasonably necessary, to appropriate facilities and specialists. The employee may change his designated physician one (1) time and thereafter shall show reasonable cause in order to change physicians.
- ~~(9)(6)~~ When a compensable injury or occupational disease results in the amputation *or partial amputation* of an arm, *hand*, leg, or foot, or the loss of hearing, or the enucleation of an eye or loss of teeth, *or permanent total or permanent partial paralysis*, the employer shall pay for, in addition to the other medical, surgical, and hospital treatment enumerated in subsection (1) and this subsection, a modern artificial member and, where required, proper braces as may reasonably be required at the time of the injury and thereafter during disability.
- ~~(10)(7)~~ Upon motion of the employer, with sufficient notice to the employee for a response to be filed, if it is shown to the satisfaction of the administrative law judge by affidavits or testimony that, because of the physician selected by the employee to treat the injury or disease, or because of the hospital selected by the employee in which treatment is being rendered, that the employee is not receiving proper medical treatment and the recovery is being substantially affected or delayed; or that the funds for medical expenses are being spent without reasonable benefit to the employee; or that because of the physician selected by the employee or because of the type of medical treatment being received by the employee that the employer will substantially be prejudiced in any compensation proceedings resulting from the employee's injury or disease; then the administrative law judge may allow the employer to select a physician to treat the employee and the hospital or hospitals in which the employee is treated for the injury or disease. No action shall be brought against any employer subject to this chapter by any person to recover damages for malpractice or improper treatment received by any employee from any physician, hospital, or attendant thereof.
- ~~(11)(8)~~ An employee who reports an injury alleged to be work-related or files an application for adjustment of a claim shall execute a waiver and consent of any physician-patient, psychiatrist-patient, or chiropractor-patient privilege with respect to any condition or complaint reasonably related to the condition for which the employee claims compensation. Notwithstanding any other provision in the Kentucky Revised Statutes, any physician, psychiatrist, chiropractor, podiatrist, hospital, or health care provider shall, within a reasonable time after written request by the employee, employer, workers' compensation insurer, special fund, uninsured employers' fund, or the administrative law judge, provide the requesting party with any information or written material reasonably related to any injury or disease for which the employee claims compensation.
- ~~(12)(9)~~ When a provider of medical services or treatment, required by this chapter, makes referrals for medical services or treatment by this chapter, to a provider or entity in which the provider making the referral has an investment interest, the referring provider shall disclose that investment interest to the employee, the

commissioner, and the employer's insurer or the party responsible for paying for the medical services or treatment, within thirty (30) days from the date the referral was made.

- (13) (a) *Except as provided in paragraphs (b) and (c) of this subsection, the employer, insurer, or payment obligor shall not be liable for urine drug screenings of patients in excess of:*
1. *One (1) per year for a patient considered to be low risk;*
 2. *Two (2) per year for a patient considered to be moderate risk; and*
 3. *Four (4) per year for patients considered to be high risk;*
- based upon the screening performed by the treating medical provider and other pertinent factors.*
- (b) *The employer, insurer, or payment obligor may be liable for urine drug screening at each office visit for patients that have exhibited aberrant behavior documented by multiple lost prescriptions, multiple requests for early refills of prescriptions, multiple providers prescribing or dispensing opioids or opioid substitutes as evidenced by the electronic monitoring system established in KRS 218A.202 or a similar system, unauthorized dosage escalation, or apparent intoxication.*
- (c) *The employer, insurer, or payment obligor may request additional urine drug screenings which shall not count toward the maximum number of drug screenings enumerated in paragraph (a) of this subsection.*
- (d) *The commissioner shall promulgate administrative regulations related to urine drug screenings as part of the practice parameters or treatment guidelines required under Section 2 of this Act.*

➔Section 2. KRS 342.035 is amended to read as follows:

- (1) Periodically, the commissioner shall promulgate administrative regulations to adopt a schedule of fees for the purpose of ensuring that all fees, charges, and reimbursements under KRS 342.020 and this section shall be fair, current, and reasonable and shall be limited to such charges as are fair, current, and reasonable for similar treatment of injured persons in the same community for like services, where treatment is paid for by general health insurers. In determining what fees are reasonable, the commissioner may also consider the increased security of payment afforded by this chapter. On or before November 1, 1994, and on July 1 every two (2) years thereafter, the schedule of fees contained in administrative regulations promulgated pursuant to this section shall be reviewed and updated, if appropriate. Within ten (10) days of April 4, 1994, the commissioner shall execute a contract with an appropriately qualified consultant pursuant to which each of the following elements within the workers' compensation system are evaluated; the methods of health care delivery; quality assurance and utilization mechanisms; type, frequency, and intensity of services; risk management programs; and the schedule of fees contained in administrative regulation. The consultant shall present recommendations based on its review to the commissioner not later than sixty (60) days following execution of the contract. The commissioner shall consider these recommendations and, not later than thirty (30) days after their receipt, promulgate a regulation which shall be effective on an emergency basis, to effect a twenty-five percent (25%) reduction in the total medical costs within the program.
- (2) No provider of medical services or treatment required by this chapter, its agent, servant, employee, assignee, employer, or independent contractor acting on behalf of any medical provider, shall knowingly collect, attempt to collect, coerce, or attempt to coerce, directly or indirectly, the payment of any charge, for services covered by a workers' compensation insurance plan for the treatment of a work-related injury or occupational disease, in excess of that provided by a schedule of fees, or cause the credit of any employee to be impaired by reason of the employee's failure or refusal to pay the excess charge. In addition to the penalty imposed in KRS 342.990 for violations of this subsection, any individual who sustains damages by any act in violation of the provisions of this subsection shall have a civil cause of action in Circuit Court to enjoin further violations and to recover the actual damages sustained by the individual, together with the costs of the lawsuit, including a reasonable attorney's fee.
- (3) Where these requirements are furnished by a public hospital or other institution, payment thereof shall be made to the proper authorities conducting it. No compensation shall be payable for the death or disability of an employee if his or her death is caused, or if and insofar as his disability is aggravated, caused, or continued, by an unreasonable failure to submit to or follow any competent surgical treatment or medical aid or advice.
- (4) The commissioner shall, by December 1, 1994, promulgate administrative regulations to adopt a schedule of fees for the purpose of regulating charges by medical providers and other health care professionals for testimony presented and medical reports furnished in the litigation of a claim by an injured employee against

the employer. The workers' compensation medical fee schedule for physicians, 803 KAR 25:089, having an effective date of February 9, 1995, shall remain in effect until July 1, 1996, or until the effective date of any amendments promulgated by the commissioner, whichever occurs first, it being determined that this administrative regulation is within the statutory grant of authority, meets legislative intent, and is not in conflict with the provisions of this chapter. The medical fee schedule and amendments shall be fair, current, and reasonable and otherwise comply with this section.

- (5) (a) To ensure compliance with subsections (1) and (4) of this section, the commissioner shall promulgate administrative regulations by December 31, 1994, which require each insurance carrier, self-insured group, and self-insured employer to certify to the commissioner the program or plan it has adopted to ensure compliance.
- (b) In addition, the commissioner shall periodically have an independent audit conducted by a qualified independent person, firm, company, or other entity hired by the commissioner, in accordance with the personal service contract provisions contained in KRS 45A.690 to 45A.725, to ensure that the requirements of subsection (1) of this section are being met. The independent person, firm, company, or other entity selected by the commissioner to conduct the audit shall protect the confidentiality of any information it receives during the audit, shall divulge information received during the audit only to the commissioner, and shall use the information for no other purpose than the audit required by this paragraph.
- (c) The commissioner shall promulgate administrative regulations governing medical provider utilization review activities conducted by an insurance carrier, self-insured group, or self-insured employer pursuant to this chapter. ***Utilization review required under administrative regulations may be waived if the insurance carrier, self-insured group, or self-insured employer agrees that the recommended medical treatment is medically necessary and appropriate or if the injured employee elects not to proceed with the recommended medical treatment.***
- (d) Periodically, or upon request, the commissioner shall report to the Interim Joint Committee on Labor and Industry of the Legislative Research Commission or to the corresponding standing committees of the General Assembly, as appropriate, the degree of compliance or lack of compliance with the provisions of this section and make recommendations thereon.
- (e) The cost of implementing and carrying out the requirements of this subsection shall be paid from funds collected pursuant to KRS 342.122.
- (6) The commissioner may promulgate administrative regulations incorporating managed care or other concepts intended to reduce costs or to speed the delivery or payment of medical services to employees receiving medical and related benefits under this chapter.
- (7) For purposes of this chapter, any medical provider shall charge only its customary fee for photocopying requested documents. However, in no event shall a photocopying fee of a medical provider or photocopying service exceed fifty cents (\$0.50) per page. ***However, a medical provider shall not charge a fee when the initial copy of medical records is provided to the injured worker or his or her attorney in response to a written request pursuant to KRS 422.317.*** In addition, there shall be no charge for reviewing any records of a medical provider, during regular business hours, by any party who is authorized to review the records and who requests a review pursuant to this chapter.
- (8) (a) The commissioner shall develop or adopt practice parameters or ***evidence-based treatment*** guidelines for ~~medical treatment[clinical practice]~~ for use by medical providers under this chapter, ***including but not limited to chronic pain management treatment and opioid use, and promulgate administrative regulations in order to implement the developed or adopted practice parameters or evidenced-based treatment guidelines on or before December 31, 2019.*** The commissioner may adopt any parameters for ~~medical treatment[clinical practice]~~ as developed and updated by the federal Agency for Health Care Policy Research, or the commissioner may adopt other parameters for ~~medical treatment[clinical practice]~~ which are developed by qualified bodies, as determined by the commissioner, with periodic updating based on data collected during the application of the parameters.
- (b) ***The commissioner shall develop or adopt a pharmaceutical formulary for medications prescribed for the cure of and relief from the effects of a work injury or occupational disease and promulgate administrative regulations to implement the developed or adopted pharmaceutical formulary on or before December 31, 2018.***

- (c) Any provider of medical services under this chapter who has followed the practice parameters or ***treatment*** guidelines ***or formularies*** developed or adopted ***and implemented*** pursuant to this subsection shall be presumed to have met the appropriate legal standard of care in medical malpractice cases regardless of any unanticipated complication that may thereafter develop or be discovered.
- (9) (a) Notwithstanding any other provision of law to the contrary, the medical fee schedule adopted under subsection (4) of this section shall require all worker's compensation insurance carriers, worker's compensation self-insured groups, and worker's compensation self-insured employers to provide coverage and payment for surgical first assisting services to registered nurse first assistants as defined in KRS 216B.015.
- (b) The provisions of this subsection apply only if reimbursement for an assisting physician would be covered and a registered nurse first assistant who performed the services is used as a substitute for the assisting physician. The reimbursement shall be made directly to the registered nurse first assistant if the claim is submitted by a registered nurse first assistant who is not an employee of the hospital or the surgeon performing the services.

➔Section 3. KRS 342.040 is amended to read as follows:

- (1) Except as provided in KRS 342.020, no income benefits shall be payable for the first seven (7) days of disability unless disability continues for a period of more than two (2) weeks, in which case income benefits shall be allowed from the first day of disability. All income benefits shall be payable on the regular payday of the employer, commencing with the first regular payday after seven (7) days after the injury or disability resulting from an occupational disease, with interest at the rate of six percent (6%) per annum on each installment from the time it is due until paid, except that if the administrative law judge determines that ***the delay was caused by the employee, then no interest shall be due, or determines that*** a denial, delay, or termination in the payment of income benefits was without reasonable foundation, ***then*** the rate of interest shall be twelve percent (12%) per annum. In no event shall income benefits be instituted later than the fifteenth day after the employer has knowledge of the disability or death. Income benefits shall be due and payable not less often than semimonthly. If the employer's insurance carrier or other party responsible for the payment of workers' compensation benefits should terminate or fail to make payments when due, that party shall notify the commissioner of the termination or failure to make payments and the commissioner shall, in writing, advise the employee or known dependent of right to prosecute a claim under this chapter.
- (2) If overdue temporary total disability income benefits are recovered in a proceeding brought under this chapter by an attorney for an employee, or paid by the employer after receipt of notice of the attorney's representation, a reasonable attorney's fee for these services may be awarded. The award of attorney's fees shall be paid by the employer if the administrative law judge determines that the denial or delay was without reasonable foundation. No part of the fee for representing the employee in connection with the recovery of overdue temporary total disability benefits withheld without reasonable foundation shall be charged against or deducted from benefits otherwise due the employee.
- (3) All retraining incentive benefits awarded pursuant to KRS 342.732 shall be payable on the regular payday of the employer, commencing with the second regular payday after the award of the retraining incentive benefit by the administrative law judge becomes final. Retraining incentive benefits shall be due and payable not less often than semimonthly.
- (4) Upon written request of the employee, all payments of compensation shall be mailed to the employee at his or her last known address.

➔Section 4. KRS 342.125 is amended to read as follows:

- (1) Upon motion by any party or upon an administrative law judge's own motion, an administrative law judge may reopen and review any award or order on any of the following grounds:
 - (a) Fraud;
 - (b) Newly-discovered evidence which could not have been discovered with the exercise of due diligence;
 - (c) Mistake; and
 - (d) Change of disability as shown by objective medical evidence of worsening or improvement of impairment due to a condition caused by the injury since the date of the award or order.
- (2) No claim which has been previously dismissed or denied on the merits shall be reopened except upon the grounds set forth in this section.

- (3) Except for reopening solely for determination of the compensability of medical expenses, fraud, or conforming the award as set forth in KRS 342.730(1)(c)2., or for reducing a permanent total disability award when an employee returns to work, or seeking temporary total disability benefits during the period of an award, no claim shall be reopened more than four (4) years following the date of the original award or *original* order granting or denying benefits, *when such an award or order becomes final and nonappealable*, and no party may file a motion to reopen within one (1) year of any previous motion to reopen by the same party. *Orders granting or denying benefits that are entered subsequent to an original final award or order granting or denying benefits shall not be considered to be an original order granting or denying benefits under this subsection and shall not extend the time to reopen a claim beyond four (4) years following the date of the final, nonappealable original award or original order.*
- (4) Reopening and review under this section shall be had upon notice to the parties and in the same manner as provided for an initial proceeding under this chapter. Upon reopening, the administrative law judge may end, diminish, or increase compensation previously awarded, within the maximum and minimum provided in this chapter, or change or revoke a previous order. The administrative law judge shall immediately send all parties a copy of the subsequent order or award. Reopening shall not affect the previous order or award as to any sums already paid thereunder, and any change in the amount of compensation shall be ordered only from the date of filing the motion to reopen. No employer shall suspend benefits during pendency of any reopening procedures except upon order of the administrative law judge.
- (5) (a) Upon the application of the affected employee, and a showing of progression of his previously-diagnosed occupational pneumoconiosis resulting from exposure to coal dust and development of respiratory impairment due to that pneumoconiosis and two (2) additional years of employment in the Commonwealth wherein the employee was continuously exposed to the hazards of the disease, the administrative law judge may review an award or order for benefits attributable to coal-related pneumoconiosis under KRS 342.732. An application for review under this subsection shall be made within one (1) year of the date the employee knew or reasonably should have known that a progression of his disease and development or progression of respiratory impairment have occurred. Review under this subsection shall include a review of all evidence admitted in all prior proceedings.
- (b) Benefits awarded as a result of a review under this subsection shall be reduced by the amount of retraining incentive benefits or income benefits previously awarded under KRS 342.732. The amount to be deducted shall be subtracted from the total amount awarded, and the remaining amount shall be divided by the number of weeks, for which the award was made, to arrive at the weekly benefit amount which shall be apportioned in accordance with the provisions of KRS 342.316.
- (6) In a reopening or review proceeding where there has been additional permanent partial disability awarded, the increase shall not extend the original period, unless the combined prior disability and increased disability exceeds fifty percent (50%), but less than one hundred percent (100%), in which event the awarded period shall not exceed five hundred twenty (520) weeks, from commencement date of the original disability previously awarded. The law in effect on the date of the original injury controls the rights of the parties.
- (7) Where an agreement has become an award by approval of the administrative law judge, and a reopening and review of that award is initiated, no statement contained in the agreement, whether as to jurisdiction, liability of the employer, nature and extent of disability, or as to any other matter, shall be considered by the administrative law judge as an admission against the interests of any party. The parties may raise any issue upon reopening and review of this type of award which could have been considered upon an original application for benefits.
- (8) The time limitation prescribed in this section shall apply to all claims irrespective of when they were incurred, or when the award was entered, or the settlement approved. However, claims decided prior to December 12, 1996, may be reopened within four (4) years of the award or order or within four (4) years of December 12, 1996, whichever is later, provided that the exceptions to reopening established in subsections (1) and (3) of this section shall apply to these claims as well.

➔Section 5. KRS 342.185 is amended to read as follows:

- (1) Except as provided in ~~subsections~~~~[subsection]~~ (2) *and* (3) of this section, no proceeding under this chapter for compensation for an injury or death shall be maintained unless a notice of the accident shall have been given to the employer as soon as practicable after the happening thereof and unless an application for adjustment of claim for compensation with respect to the injury shall have been made with the department within two (2) years after the date of the accident, or in case of death, within two (2) years after the death, whether or not a claim has been made by the employee himself or herself for compensation. The notice and the claim may be

given or made by any person claiming to be entitled to compensation or by someone in his or her behalf. If payments of income benefits have been made, the filing of an application for adjustment of claim with the department within the period shall not be required, but shall become requisite within two (2) years following the suspension of payments or within two (2) years of the date of the accident, whichever is later.

- (2) The right to compensation under this chapter resulting from work-related exposure to the human immunodeficiency virus shall be barred unless notice of the injurious exposure is given in accordance with subsection (1) of this section and unless an application for adjustment of claim for compensation shall have been made with the commissioner within five (5) years after the injurious exposure to the virus.
- (3) ***The right to compensation under this chapter resulting from work-related exposure to cumulative trauma injury shall be barred unless notice of the cumulative trauma injury is given within two (2) years from the date the employee is told by a physician that the cumulative trauma injury is work-related. An application for adjustment of claim for compensation with respect to the injury shall have been made with the department within two (2) years after the employee is told by a physician that the cumulative trauma injury is work-related. However, the right to compensation for any cumulative trauma injury shall be forever barred, unless an application for adjustment of claim is filed with the commissioner within five (5) years after the last injurious exposure to the cumulative trauma.***

➔Section 6. KRS 342.265 is amended to read as follows:

- (1) If the employee and employer and special fund or any of them reach an agreement conforming to the provisions of this chapter in regard to compensation, a memorandum of the agreement signed by the parties or their representatives shall be filed with the commissioner, and, if approved by an administrative law judge, shall be enforceable pursuant to KRS 342.305. Where all parties have not joined in the settlement agreement, it shall not be approved unless it is certified that the party not participating in the settlement has been served with a copy of the agreement not less than ten (10) days prior to submission of the agreement for approval. This provision shall not be construed to prevent the voluntary payment of compensation for the periods and in the amounts prescribed by this chapter, but nothing shall operate as a final settlement except a memorandum of agreement filed with the commissioner and approved by the administrative law judge. Upon claims settled after December 12, 1996, the special fund shall have the option of settling its liability for income benefits on the same terms as those reached between the employee and employer. Notice of the special fund exercise of the option granted in this subsection shall be made by letter of the director of the Division of Workers' Compensation Funds mailed to the parties within ten (10) days of receipt by the director of a copy of the agreement.
- (2) Settlement agreements concluded after July 14, 2000, providing for commuted lump-sum payment of future income benefits which would otherwise be payable in amounts greater than one hundred dollars (\$100) per week shall not be approved unless there is reasonable assurance that the worker will have an adequate source of income during disability. This subsection is remedial and applies to all pending and future claims.
- (3) Upon lump-sum settlement of future periodic payments, the discount rate used in the calculation of the settlement amount shall ~~be [not exceed a reasonable amount] fixed by the commissioner. [For settlements approved after December 12, 1996, until December 31, 1997, the true discount rate shall be six percent (6%) compounded annually on each payment.]~~ Before January 1 of each year commencing in 2001, the commissioner shall fix the discount rate to be utilized in the succeeding year based at one-half of one percent (0.5%) below the interest rate paid upon ten (10) year United States Treasury Notes as of August 1 of the preceding year. ***However, upon lump-sum settlement of future periodic payments in weekly amounts that are forty dollars (\$40) or less, the commissioner shall fix the discount rate used in the succeeding year based at the interest rate paid upon ten (10) year United States Treasury Notes as of August 1 of the preceding year.***
- (4) If the parties have previously filed an agreement which has been approved by the administrative law judge, and compensation has been paid or is due in accordance therewith and the parties thereafter disagree, either party may invoke the provisions of KRS 342.125, which remedy shall be exclusive.
- (5) An application for resolution of claim shall be held in abeyance during any period voluntary payments of income benefits are being made under any benefit sections of this chapter to the maximum which the employee's wages shall entitle unless it shall be shown that the prosecution of the employee's claim would be prejudiced by delay.

➔Section 7. KRS 342.270 is amended to read as follows:

- (1) If the parties fail to reach an agreement in regard to compensation under this chapter, either party may make written application for resolution of claim. The application must be filed within two (2) years after the accident, or, in case of death, within two (2) years after the death, or within two (2) years after the cessation of voluntary payments, if any have been made. When the application is filed by the employee or during the pendency of that claim, he or she shall join all causes of action against the named employer which have accrued and which are known, or should reasonably be known, to him or her. Failure to join all accrued causes of action will result in such claims being barred under this chapter as waived by the employee.
- (2) Except with respect to claims for benefits by reason of ~~coal workers'~~ pneumoconiosis, the commissioner shall issue notice of the filing to all parties and shall promptly assign the claim to an administrative law judge. The administrative law judge shall facilitate the exchange of information pertinent to the claim pursuant to administrative regulations promulgated by the commissioner. Within forty-five (45) days of the date of issuance of the notice required by this section, the employer or carrier shall file notice of claim denial or acceptance, setting forth specifically those material matters which are admitted, those which are denied, and the basis of any denial of the claim.
- (3) Within one hundred twenty (120) days of *the effective date of this Act* ~~July 14, 2000~~, the commissioner shall promulgate *or amend existing* administrative regulations establishing procedures for the resolution of claims. The administrative regulations promulgated pursuant to the provisions of this subsection shall be effective on an emergency basis and be applied to all pending claims.

➔Section 8. KRS 342.315 is amended to read as follows:

- (1) *For workers who have had injuries or occupational hearing loss*, the commissioner shall contract with the University of Kentucky and the University of Louisville medical schools to evaluate workers. *For workers who have* ~~had injuries or~~ become affected by occupational diseases, *the commissioner shall contract with the University of Kentucky and the University of Louisville medical schools, or other physicians otherwise duly qualified as "B" readers who are licensed in the Commonwealth and are board-certified pulmonary specialists* ~~covered by this chapter~~. Referral for evaluation may be made ~~to one (1) of the medical schools~~ whenever a medical question is at issue.
- (2) The physicians and institutions performing evaluations pursuant to this section shall render reports encompassing their findings and opinions in the form prescribed by the commissioner. Except as otherwise provided in KRS 342.316, the clinical findings and opinions of the designated evaluator shall be afforded presumptive weight by administrative law judges and the burden to overcome such findings and opinions shall fall on the opponent of that evidence. When administrative law judges reject the clinical findings and opinions of the designated evaluator, they shall specifically state in the order the reasons for rejecting that evidence.
- (3) The commissioner or an administrative law judge may, upon the application of any party or upon his own motion, direct appointment by the commissioner, pursuant to subsection (1) of this section, of a medical evaluator to make any necessary medical examination of the employee. Such medical evaluator shall file with the commissioner within fifteen (15) days after such examination a written report. The medical evaluator appointed may charge a reasonable fee not exceeding fees established by the commissioner for those services.
- (4) Within thirty (30) days of the receipt of a statement for the evaluation, the employer or carrier shall pay the cost of the examination. Upon notice from the commissioner that an evaluation has been scheduled, the insurance carrier shall forward within seven (7) days to the employee the expenses of travel necessary to attend the evaluation at a rate equal to that paid to state employees for travel by private automobile while conducting state business.
- (5) Upon claims in which it is finally determined that the injured worker was not the employee at the time of injury of an employer covered by this chapter, the special fund shall reimburse the carrier for any evaluation performed pursuant to this section for which the carrier has been erroneously compelled to make payment.
- (6) Not less often than annually the designee of the secretary of the Cabinet for Health and Family Services shall assess the performance of the medical schools and render findings as to whether evaluations conducted under this section are being rendered in a timely manner, whether examinations are conducted in accordance with medically recognized techniques, whether impairment ratings are in conformity with standards prescribed by the "Guides to the Evaluation of Permanent Impairment," and whether coal workers' pneumoconiosis examinations are conducted in accordance with the standards prescribed in this chapter.
- (7) The General Assembly finds that good public policy mandates the realization of the potential advantages, both economic and effectual, of the use of telemedicine and telehealth. The commissioner may, to the extent that he

or she finds it feasible and appropriate, require the use of telemedicine and telehealth practices, as authorized under KRS 194A.125, in the independent medical evaluation process required by this chapter.

➔Section 9. KRS 342.316 is amended to read as follows:

- (1) (a) The employer liable for compensation for occupational disease shall be the employer in whose employment the employee was last exposed to the hazard of the occupational disease. During any period in which this section is applicable to a coal mine, an operator who acquired it or substantially all of its assets from a person who was its operator on and after January 1, 1973, shall be liable for, and secure the payment of, the benefits which would have been payable by the prior operator under this section with respect to miners previously employed in the mine if it had not been acquired by such later operator. At the same time, however, this subsection does not relieve the prior operator of any liability under this section. Also, it does not affect whatever rights the later operator might have against the prior operator.
- (b) The time of the beginning of compensation payments shall be the date of the employee's last injurious exposure to the cause of the disease, or the date of actual disability, whichever is later.
- (2) The procedure with respect to the giving of notice and determination of claims in occupational disease cases and the compensation and medical benefits payable for disability or death due to the disease shall be the same as in cases of accidental injury or death under the general provisions of this chapter, except that notice of claim shall be given to the employer as soon as practicable after the employee first experiences a distinct manifestation of an occupational disease in the form of symptoms reasonably sufficient to apprise the employee that he or she has contracted the disease, or a diagnosis of the disease is first communicated to him or her, whichever shall first occur.
- (3) The procedure for filing occupational disease claims shall be as follows:
 - (a) The application for resolution of claim shall set forth the complete work history of the employee with a concise description of injurious exposure to a specific occupational disease, together with the name and addresses of the employer or employers with the approximate dates of employment. The application shall also include at least one (1) written medical report supporting his or her claim. This medical report shall be made on the basis of clinical or X-ray examination performed in accordance with accepted medical standards and shall contain full and complete statements of all examinations performed and the results thereof. The report shall be made by a duly-licensed physician. The commissioner shall promulgate administrative regulations which prescribe the format of the medical report required by this section and the manner in which the report shall be completed.
 1. For coal-related occupational pneumoconiosis claims, each clinical examination shall include a chest X-ray interpretation by a National Institute of Occupational Safety and Health (NIOSH) certified "B" reader. The chest X-ray upon which the report is made shall be filed with the application as well as spirometric tests when pulmonary dysfunction is alleged.
 2. For other compensable occupational pneumoconiosis claims, each clinical examination shall include a chest X-ray examination and appropriate pulmonary function tests.
 - (b) To be admissible, medical evidence offered in any proceeding under this chapter for determining a claim for occupational pneumoconiosis resulting from exposure to coal dust shall comply with accepted medical standards as follows:
 1. Chest X-rays shall be of acceptable quality with respect to exposure and development and shall be indelibly labeled with the date of the X-ray and the name and Social Security number of the claimant. Physicians' reports of X-ray interpretations shall: identify the claimant by name and Social Security number; include the date of the X-ray and the date of the report; classify the X-ray interpretation using the latest ILO Classification and be accompanied by a completed copy of the latest ILO Classification report. Only interpretations by National Institute of Occupational Safety and Health (NIOSH) certified "B" readers shall be admissible.
 2. Spirometric testing shall be conducted in accordance with the standards recommended in the "Guides to the Evaluation of Permanent Impairment" and the 1978 ATS epidemiology standardization project with the exception that the predicted normal values for lung function shall not be adjusted based upon the race of the subject. The FVC or the FEV1 values shall represent the largest of such values obtained from three (3) acceptable forced expiratory volume maneuvers as corrected to BTPS (body temperature, ambient pressure and saturated with water

vapor at these conditions) and the variance between the two (2) largest acceptable FVC values shall be either less than five percent (5%) of the largest FVC value or less than one hundred (100) milliliters, whichever is greater. The variance between the two (2) largest acceptable FEV1 values shall be either less than five percent (5%) of the largest FEV1 value or less than one hundred (100) milliliters, whichever is greater. Reports of spirometric testing shall include a description by the physician of the procedures utilized in conducting such spirometric testing and a copy of the spirometric chart and tracings from which spirometric values submitted as evidence were taken. *If it is shown that the spirometric testing is not valid due to inadequate cooperation or poor effort on the part of the claimant, the claimant's right to take or prosecute any proceedings under this chapter shall be suspended until the refusal or obstruction ceases. No compensation shall be payable for the period during which the refusal or obstruction continues.*

3. The commissioner shall promulgate administrative regulations pursuant to KRS Chapter 13A as necessary to effectuate the purposes of this section. The commissioner shall periodically review the applicability of the spirometric test values contained in the "Guides to the Evaluation of Permanent Impairment" and may by administrative regulation substitute other spirometric test values which are found to be more closely representative of the normal pulmonary function of the coal mining population.
4. The procedure for determination of occupational disease claims shall be as follows:
 - a. Immediately upon receipt of an application for resolution of claim, the commissioner shall notify the responsible employer and all other interested parties and shall furnish them with a full and complete copy of the application.
 - b. The commissioner shall assign the claim to an administrative law judge and ~~except for coal workers' pneumoconiosis claims,~~ shall promptly refer the employee to ~~such physician or medical facility as the commissioner may select for examination,~~ *a duly qualified "B" reader physician who is licensed in the Commonwealth and is a board-certified pulmonary specialist as set forth pursuant to Section 8 of this Act and subsection (1) of Section 17 of this Act.* The report from this examination shall be provided to all parties of record. The employee shall not be referred by the commissioner for examination within two (2) years following any prior referral for examination for the same disease.
 - c. *The commissioner shall develop a procedure to annually audit the performance of physicians and facilities that are selected to perform examinations pursuant to this section. The audit shall include an evaluation of the physician and facility with respect to the timeliness and completeness of the reports and the frequency at which the physician's classification of an X-ray differs from those of the other physicians of that X-ray. The commissioner shall remove a physician or facility from selection consideration if the physician or facility consistently renders incomplete or untimely reports or if the physician's interpretations of X-rays are not in conformity with the readings of other physicians of record at least fifty percent (50%) of the time. The report required under this subdivision shall be provided to the Interim Joint Committee on Economic Development and Workforce Investment on or before July 1, 2019, and on or before July 1 of each year thereafter.*
 - d. *In coal workers' pneumoconiosis claims, if the physician selected by the commissioner interprets an X-ray as positive for complicated coal workers' pneumoconiosis, the commissioner shall refer the employee to the facility at which the claimant was previously evaluated for a computerized tomography scan in order to verify the findings. The computerized tomography scan shall be interpreted by the facility and a report shall be filed with the commissioner. The employer, insurer, or payment obligor shall pay the cost of the examination pursuant to the medical fee schedule. The administrative law judge may rely upon the findings in the report in accepting or rejecting ILO radiographic evidence of the disease required under Section 15 of this Act for benefit determination.*
 - e. ~~Except for coal workers' pneumoconiosis claims,~~ Within forty-five (45) days following the notice of filing an application for resolution of claim, the employer or carrier shall notify the commissioner and all parties of record of its acceptance or denial of the claim.

A denial shall be in writing and shall state the specific basis for the denial.~~[In coal workers' pneumoconiosis claims, the employer's notice of claim denial or acceptance shall be filed within thirty (30) days of the issuance by the commissioner of the notice of the consensus reading unless the consensus is that the miner has not developed coal workers' pneumoconiosis category 1/0 or greater. In the event the consensus procedure is exhausted without consensus being established, the employer's notice of claim denial or acceptance shall be filed within thirty (30) days of the commissioner notification to the administrative law judge that consensus has not been reached.]~~

- d. ~~Within forty five (45) days of assignment of a coal workers' pneumoconiosis claim to an administrative law judge, the employer shall cause the employee to be examined by a physician of the employer's choice and shall provide to all other parties and file with the commissioner the X ray interpretation by a "B" reader. The examination of the employee shall include spirometric testing if pulmonary dysfunction is alleged by the employee in the application for resolution of a claim. The commissioner shall determine whether the X ray interpretations filed by the parties are in consensus.~~
- e. ~~If the readings are not in consensus, the commissioner shall forward both films, masking information identifying the facility where the X ray was obtained and the referring physician, consecutively to three (3) "B" readers selected randomly from a list maintained by the commissioner for interpretation. Each "B" reader shall select the highest quality film and report only the interpretation of that film. The commissioner shall determine if two (2) of the X ray interpretations filed by the three (3) "B" readers selected randomly are in consensus. If consensus is reached, the commissioner shall forward copies of the report to all parties as well as notice of the consensus reading which shall be considered as evidence. If consensus is not reached, the administrative law judge shall decide the claim on the evidence submitted.~~
- f. ~~"Consensus" is reached between two (2) chest X ray interpreters when their classifications meet one (1) of the following criteria: each finds either category A, B, or C progressive massive fibrosis; or findings with regard to simple pneumoconiosis are both in the same major category and within one (1) minor category (ILO category twelve (12) point scale) of each other.~~
- ~~f{g}.~~ The administrative law judge shall conduct such proceedings as are necessary to resolve the claim and shall have authority to grant or deny any relief, including interlocutory relief, to order additional proof, to conduct a benefit review conference, or to take such other action as may be appropriate to resolve the claim.
- ~~g{h}.~~ Unless a voluntary settlement is reached by the parties, or the parties agree otherwise, the administrative law judge shall issue a written determination within sixty (60) days following a hearing. The written determination shall address all contested issues and shall be enforceable under KRS 342.305.
- h. Within thirty (30) days of the receipt of the statement for the evaluation, the employer, insurer, or payment obligor shall pay the cost of the examination. Upon notice from the commissioner that an evaluation has been scheduled, the employer, insurer, or payment obligor shall forward the expenses of travel necessary to attend the evaluation at the state employee reimbursement rates to the employee within seven (7) days. However, if the employee has alleged a pulmonary dysfunction but has not filed spirometric evidence as required by paragraph (a) of this subsection at the time the evaluation is scheduled by the commissioner, the employee will be responsible for fifty percent (50%) of the cost of the evaluation.*

5. The procedure for appeal from a determination of an administrative law judge shall be as set forth in KRS 342.285.

- (4) (a) The right to compensation under this chapter resulting from an occupational disease shall be forever barred unless a claim is filed with the commissioner within three (3) years after the last injurious exposure to the occupational hazard or after the employee first experiences a distinct manifestation of an occupational disease in the form of symptoms reasonably sufficient to apprise the employee that he or she has contracted the disease, whichever shall last occur; and if death results from the occupational disease within that period, unless a claim therefor be filed with the commissioner within three (3) years

after the death; but that notice of claim shall be deemed waived in case of disability or death where the employer, or its insurance carrier, voluntarily makes payment therefor, or if the incurrence of the disease or the death of the employee and its cause was known to the employer. However, the right to compensation for any occupational disease shall be forever barred, unless a claim is filed with the commissioner within five (5) years from the last injurious exposure to the occupational hazard, except that, in cases of radiation disease,~~[-or]~~ asbestos-related disease, *or a type of cancer specified in KRS 61.315(11)(b)*, a claim must be filed within twenty (20) years from the last injurious exposure to the occupational hazard.

- (b) Income benefits for the disease of pneumoconiosis resulting from exposure to coal dust or death therefrom shall not be payable unless the employee has been exposed to the hazards of such pneumoconiosis in the Commonwealth of Kentucky over a continuous period of not less than two (2) years during the ten (10) years immediately preceding the date of his or her last exposure to such hazard, or for any five (5) of the fifteen (15) years immediately preceding the date of such last exposure.
- (5) The amount of compensation payable for disability due to occupational disease or for death from the disease, and the time and manner of its payment, shall be as provided for under the general provisions of the Workers' Compensation Act, but:
 - (a) In no event shall the payment exceed the amounts that were in effect at the time of the last injurious exposure;
 - (b) The time of the beginning of compensation payments shall be the date of the employee's last injurious exposure to the cause of the disease, or the date of actual disability, whichever is later; and
 - (c) In case of death where the employee has been awarded compensation or made timely claim within the period provided for in this section, and an employee has suffered continuous disability to the date of his or her death occurring at any time within twenty (20) years from the date of disability, his or her dependents, if any, shall be awarded compensation for his or her death as provided for under the general provisions of the Workers' Compensation Act and in this section, except as provided in KRS 342.750(6).
- (6) If an autopsy has been performed, no testimony relative thereto shall be admitted unless the employer or its representative has available findings and reports of the pathologist or doctor who performed the autopsy examination.
- (7) No compensation shall be payable for occupational disease if the employee at the time of entering the employment of the employer by whom compensation would otherwise be payable, falsely represented himself or herself, in writing, as not having been previously disabled, laid-off, or compensated in damages or otherwise, because of the occupational disease, or failed or omitted truthfully to state to the best of his or her knowledge, in answer to written inquiry made by the employer, the place, duration, and nature of previous employment, or, to the best of his or her knowledge, the previous state of his or her health.
- (8) No compensation for death from occupational disease shall be payable to any person whose relationship to the deceased, which under the provisions of this chapter would give right to compensation, arose subsequent to the beginning of the first compensable disability, except only for after-born children of a marriage existing at the beginning of such disability.
- (9) Whenever any claimant misconceives his or her remedy and files an application for adjustment of claim under the general provisions of this chapter and it is subsequently discovered, at any time before the final disposition of the cause, that the claim for injury, disability, or death which was the basis for his or her application should properly have been made under the provisions of this section, then the application so filed may be amended in form or substance, or both, to assert a claim for injury, disability, or death under the provisions of this section, and it shall be deemed to have been so filed as amended on the date of the original filing thereof, and compensation may be awarded that is warranted by the whole evidence pursuant to the provisions of this chapter. When amendment of this type is submitted, further or additional evidence may be heard when deemed necessary. Nothing this section contains shall be construed to be or permit a waiver of any of the provisions of this chapter with reference to notice of time for filing of a claim, but notice of filing a claim, if given or done, shall be deemed to be a notice of filing of a claim under provisions of this chapter, if given or done within the time required by this subsection.
- (10) When an employee has an occupational disease that is covered by this chapter, the employer in whose employment he or she was last injuriously exposed to the hazard of the disease, and the employer's insurance

carrier, if any, at the time of the exposure, shall alone be liable therefor, without right to contribution from any prior employer or insurance carrier, except as otherwise provided in this chapter.

- (11) (a) For claims filed on or before June 30, 2017, income benefits for coal-related occupational pneumoconiosis shall be paid fifty percent (50%) by the Kentucky coal workers' pneumoconiosis fund as established in KRS 342.1242 and fifty percent (50%) by the employer in whose employment the employee was last exposed to the hazard of that occupational disease.
- (b) Income benefits for coal-related occupational pneumoconiosis for claims filed after June 30, 2017, shall be paid by the employer in whose employment the employee was last exposed to the hazards of coal workers' pneumoconiosis.
- (c) Compensation for all other occupational disease shall be paid by the employer in whose employment the employee was last exposed to the hazards of the occupational disease.
- (12) A concluded claim for benefits by reason of contraction of coal workers' pneumoconiosis in the severance or processing of coal shall bar any subsequent claim for benefits by reason of contraction of coal workers' pneumoconiosis, unless there has occurred in the interim between the conclusion of the first claim and the filing of the second claim at least two (2) years of employment wherein the employee was continuously exposed to the hazards of the disease in the Commonwealth.

~~[(13) For coal-related occupational pneumoconiosis claims, the consensus procedure shall apply to all claims which have not been assigned to an administrative law judge prior to July 15, 2002. The consensus classification shall be presumed to be the correct classification of the employee's condition unless overcome by clear and convincing evidence. If an administrative law judge finds that the presumption of correctness of the consensus reading has been overcome, the reasons shall be specially stated in the administrative law judge's order.]~~

➔Section 10. KRS 342.320 is amended to read as follows:

- (1) All fees of attorneys and physicians, and all charges of hospitals under this chapter, shall be subject to the approval of an administrative law judge pursuant to the statutes and administrative regulations.
- (2) In an original claim, attorney's fees for services under this chapter on behalf of an employee shall be subject to the following maximum limits:
 - (a) ***For attorney-client employment contracts entered into and signed after July 14, 2000, but before the effective date of this Act***, twenty percent (20%) of the first twenty-five thousand dollars (\$25,000) of the award, fifteen percent (15%) of the next ten thousand dollars (\$10,000), and five percent (5%) of the remainder of the award, not to exceed a maximum fee of twelve thousand dollars (\$12,000). This fee shall be paid by the employee from the proceeds of the award or settlement; and
 - (b) ***For attorney-client employment contracts entered into and signed on or after the effective date of this Act, twenty percent (20%) of the first twenty-five thousand dollars (\$25,000) of the award, fifteen percent (15%) of the next twenty-five thousand dollars (\$25,000), and ten percent (10%) of the remainder of the award, not to exceed a maximum fee of eighteen thousand dollars (\$18,000). This fee shall be paid by the employee from the proceeds of the award or settlement.***~~Attorney-client employment contracts entered into and signed after July 14, 2000, shall be subject to the conditions of paragraph (a) of this subsection.~~
- (3) In approving an allowance of attorney's fees, the administrative law judge shall consider the extent, complexity, and quality of services rendered, and in the case of death, the Remarriage Tables of the Dutch Royal Insurance Institute. An attorney's fee may be denied or reduced upon proof of solicitation by the attorney. However, this provision shall not be construed to preclude advertising in conformity with standards prescribed by the Kentucky Supreme Court.
- (4) No attorney's fee in any case involving benefits under this chapter shall be paid until the fee is approved by the administrative law judge, and any contract for the payment of attorney's fees otherwise than as provided in this section shall be void. The motion for approval of an attorney's fee shall be submitted within thirty (30) days following finality of the claim. Except when the attorney's fee is to be paid by the employer or carrier, the attorney's fee shall be paid in one (1) of the following ways:
 - (a) The employee may pay the attorney's fee out of his or her personal funds or from the proceeds of a lump-sum settlement; or
 - (b) The administrative law judge, upon request of the employee, may order the payment of the attorney's fee in a lump sum directly to the attorney of record and deduct the attorney's fee from the weekly

benefits payable to the employee in equal installments over the duration of the award or until the attorney's fee has been paid, commuting sufficient sums to pay the fee.

- (5) At the commencement of the attorney-client relationship, the attorney shall explain to the employee the methods by which this section provides for the payment of the attorney's fee, and the employee shall select the method in which the attorney's fee is to be paid. His or her selection and statement that he or she fully understands the method to be used shall be submitted by his or her attorney, on a notarized form signed by the employee, at the time the motion for approval of the attorney's fee is submitted. The commissioner shall develop the format and content of the form to be used pursuant to this section. The form to be used shall list on its face all options permitted in this section for the payment of an attorney's fees and contain an explanation in nontechnical language of each method.
- (6) ~~[The General Assembly declares that by the enactment of KRS 342.316(3), it is the legislative intent to encourage settlement and prompt administrative handling of those claims and thereby reduce expenses to claimants for compensation under the provisions of KRS 342.316, and the administrative law judge shall give due regard to this legislative intent in the handling of uncontested claims and the allowance of attorney's fees therein.]~~
- ~~(7)~~ In a claim that has been reopened pursuant to the provisions of this chapter, an attorney's fee may be awarded by the administrative law judge subject to the limits set forth in subsection (2) of this section. In awarding the attorney's fee, the administrative law judge shall consider the factors set forth in subsection (3) of this section. If no additional amount is recovered upon reopening, no attorney's fee shall be awarded. No attorney's fee shall be allowed or approved exceeding the amounts provided in subsection (2)(a) of this section applicable to any additional amount recovered.
- ~~(7)~~~~(8)~~ Attorney's fees for representing employers in proceedings under this chapter pursuant to contract with the employer shall be subject to approval of the administrative law judge in the same manner as prescribed for attorney representation of employees. Employer attorney's fees are subject to the limitation of ~~eighteen~~~~twelve~~ thousand dollars ~~(\$18,000)~~~~(\$12,000)~~ maximum fees except that fees for representing employers shall not be dependent upon the result achieved. Employer attorney's fees may be paid on a periodic basis while a claim is adjudicated and the payments need not be approved until the claims resolution process is completed. All such approved fees shall be paid by the employer and in no event shall exceed the amount the employer agreed by contract to pay.

➔Section 11. KRS 342.610 is amended to read as follows:

- (1) Every employer subject to this chapter shall be liable for compensation for injury, occupational disease, or death without regard to fault as a cause of the injury, occupational disease, or death.
- (2) A contractor who subcontracts all or any part of a contract and his or her carrier shall be liable for the payment of compensation to the employees of the subcontractor unless the subcontractor primarily liable for the payment of such compensation has secured the payment of compensation as provided for in this chapter. Any contractor or his or her carrier who shall become liable for such compensation may recover the amount of such compensation paid and necessary expenses from the subcontractor primarily liable therefor. A person who contracts with another:
 - (a) To have work performed consisting of the removal, excavation, or drilling of soil, rock, or mineral, or the cutting or removal of timber from land; or
 - (b) To have work performed of a kind which is a regular or recurrent part of the work of the trade, business, occupation, or profession of such person

shall for the purposes of this section be deemed a contractor, and such other person a subcontractor. This subsection shall not apply to the owner or lessee of land principally used for agriculture.

- (3) Liability for compensation shall not apply ~~to~~~~where~~ injury, occupational disease, or death to the employee *if the employee willfully intended to*~~[was proximately caused primarily by voluntary intoxication as defined in KRS 501.010, or by his or her willful intention to]~~ injure or kill himself, herself, or another.
- (4) *If an employee voluntarily introduced an illegal, nonprescribed substance or substances or a prescribed substance or substances in amounts in excess of prescribed amounts into his or her body detected in the blood, as measured by a scientifically reliable test, that could cause a disturbance of mental or physical capacities, it shall be presumed that the illegal, nonprescribed substance or substances or the prescribed substance or substances in amounts in excess of prescribed amounts caused the injury, occupational*

disease, or death of the employee and liability for compensation shall not apply to the injury, occupational disease, or death to the employee.

- (5) If injury or death results to an employee through the deliberate intention of his or her employer to produce such injury or death, the employee or the employee's dependent as herein defined shall receive the amount provided in this chapter in a lump sum to be used, if desired, to prosecute the employer. The dependents may bring suit against the employer for any amount they desire. If injury or death results to an employee through the deliberate intention of his or her employer to produce such injury or death, the employee or the employee's dependents may take under this chapter, or in lieu thereof, have a cause of action at law against the employer as if this chapter had not been passed, for such damage so sustained by the employee, his dependents or personal representatives as is recoverable at law. If a suit is brought under this subsection, all right to compensation under this chapter shall thereby be waived as to all persons. If a claim is made for the payment of compensation or any other benefit provided by this chapter, all rights to sue the employer for damages on account of such injury or death shall be waived as to all persons.
- ~~(6)(5)}~~ Prior to issuing any building permit pursuant to KRS 198B.060(10), every local building official shall require proof of workers' compensation coverage from the builder before a permit is issued. A person who is exempt under the exception contained in KRS 342.650(2), and any contractor otherwise exempt from this chapter, shall so certify to the local building official, in writing and on a form prescribed by the commissioner, in lieu of providing proof of workers' compensation coverage.
- ~~(7)(6)}~~ Every employer subject to this chapter, at its principal office and such other locations where employees customarily report for payroll and personnel matters, shall post a notice stating the name of its workers' compensation insurance carrier and policy number, setting forth the means to access medical care for injuries, the employee's obligation to give notice of accidents, and such other matters concerning the employee's rights under this chapter as may be required by the commissioner so as to afford every employee the opportunity to become informed about the employer's workers' compensation program. The format and contents of the notice shall be established by the commissioner through administrative regulation, and copies shall be provided to the employer by its insurance carrier.

➔Section 12. KRS 342.700 is amended to read as follows:

- (1) Whenever an injury for which compensation is payable under this chapter has been sustained under circumstances creating in some other person than the employer a legal liability to pay damages, the injured employee may either claim compensation or proceed at law by civil action against the other person to recover damages, or proceed both against the employer for compensation and the other person to recover damages, but he shall not collect from both. If the injured employee elects to proceed at law by civil action against the other person to recover damages, he shall give due and timely notice to the employer and the special fund of the filing of the action. If compensation is awarded *or paid* under this chapter, the employer, his insurance carrier, the special fund, *the Kentucky coal workers' pneumoconiosis fund*, and the uninsured employer's fund, or any of them, having paid the compensation or having become liable therefor, may recover in his or its own name or that of the injured employee from the other person in whom legal liability for damages exists, not to exceed the indemnity *and medical expenses* paid and payable to *or on behalf of* the injured employee, less *a pro rata share of* the employee's legal fees and expense. The notice of civil action shall conform in all respects to the requirements of KRS 411.188(2).
- (2) A principal contractor, intermediate, or subcontractor shall be liable for compensation to any employee injured while in the employ of any one (1) of his intermediate or subcontractors and engaged upon the subject matter of the contract, to the same extent as the immediate employer. Any principal, intermediate, or subcontractor who pays the compensation may recover the amount paid from any subordinate contractor through whom he has been rendered liable under this section. Every claim to compensation under this subsection shall in the first instance be presented to and instituted against the immediate employer, but the proceedings shall not constitute a waiver of the employee's rights to recover compensation under this chapter from the principal or intermediate contractor nor shall the claim be barred by limitations, if the claim is filed against the principal or intermediate contractor within one (1) year after a final unappealed order has been rendered by an administrative law judge determining that immediate employer has insufficient security to pay the full and maximum benefits that could be determined to be due him under this chapter. The collection of full compensation from one employer shall bar recovery by the employee against any other. But he shall not collect from all a total compensation in excess of the amount for which his immediate employer is liable. This subsection shall apply only in cases where the injury occurred on, in, or about the premises on which the principal contractor has undertaken to execute work or which are under his control otherwise or management.

- (3) It shall be considered to be contrary to public policy and unlawful for any owner or employer to require another employer to waive its remedies granted by this section as a condition of receiving a contract or purchase order. Furthermore, in selecting between two (2) or more contractors or suppliers, consideration may not be given by an owner or employer to whether one (1) contractor or supplier voluntarily waives its remedies under this section or offers to accept lesser compensation than another contractor or supplier for that waiver of remedies.

➔Section 13. KRS 342.730 is amended to read as follows:

- (1) Except as provided in KRS 342.732, income benefits for disability shall be paid to the employee as follows:
- (a) For temporary or permanent total disability, sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than one hundred ~~ten~~ percent ~~(110%)~~~~((100%))~~ of the state average weekly wage and not less than twenty percent (20%) of the state average weekly wage as determined in KRS 342.740 during that disability. Nonwork-related impairment and conditions compensable under KRS 342.732 and hearing loss covered in KRS 342.7305 shall not be considered in determining whether the employee is totally disabled for purposes of this subsection.
 - (b) For permanent partial disability, sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not more than ~~eighty-two and one-half~~~~seventy-five~~ percent ~~(82.5%)~~~~((75%))~~ of the state average weekly wage as determined by KRS 342.740, multiplied by the permanent impairment rating caused by the injury or occupational disease as determined by the "Guides to the Evaluation of Permanent Impairment," times the factor set forth in the table that follows:

AMA Impairment	Factor
0 to 5%	0.65
6 to 10%	0.85
11 to 15%	1.00
16 to 20%	1.00
21 to 25%	1.15
26 to 30%	1.35
31 to 35%	1.50
36% and above	1.70

Any temporary total disability period within the maximum period for permanent, partial disability benefits shall extend the maximum period but shall not make payable a weekly benefit exceeding that determined in subsection (1)(a) of this section. Notwithstanding any section of this chapter to the contrary, there shall be no minimum weekly income benefit for permanent partial disability and medical benefits shall be paid for the duration of the disability.

- (c) 1. If, due to an injury, an employee does not retain the physical capacity to return to the type of work that the employee performed at the time of injury, the benefit for permanent partial disability shall be multiplied by three (3) times the amount otherwise determined under paragraph (b) of this subsection, but this provision shall not be construed so as to extend the duration of payments; or
- 2. If an employee returns to work at a weekly wage equal to or greater than the average weekly wage at the time of injury, the weekly benefit for permanent partial disability shall be determined under paragraph (b) of this subsection for each week during which that employment is sustained. During any period of cessation of that employment, temporary or permanent, for any reason, with or without cause, payment of weekly benefits for permanent partial disability during the period of cessation shall be two (2) times the amount otherwise payable under paragraph (b) of this subsection. This provision shall not be construed so as to extend the duration of payments.
- 3. Recognizing that limited education and advancing age impact an employee's post-injury earning capacity, an education and age factor, when applicable, shall be added to the income benefit multiplier set forth in paragraph (c)1. of this subsection. If at the time of injury, the employee had less than eight (8) years of formal education, the multiplier shall be increased by four-tenths (0.4); if the employee had less than twelve (12) years of education or a high school Equivalency

diploma, the multiplier shall be increased by two-tenths (0.2); if the employee was age sixty (60) or older, the multiplier shall be increased by six-tenths (0.6); if the employee was age fifty-five (55) or older, the multiplier shall be increased by four-tenths (0.4); or if the employee was age fifty (50) or older, the multiplier shall be increased by two-tenths (0.2).

4. Notwithstanding the provisions of KRS 342.125, a claim may be reopened at any time during the period of permanent partial disability in order to conform the award payments with the requirements of subparagraph 2. of this paragraph.
- (d) For permanent partial disability, if an employee has a permanent disability rating of fifty percent (50%) or less as a result of a work-related injury, the compensable permanent partial disability period shall be four hundred twenty-five (425) weeks, and if the permanent disability rating is greater than fifty percent (50%), the compensable permanent partial disability period shall be five hundred twenty (520) weeks from the date the impairment or disability exceeding fifty percent (50%) arises. Benefits payable for permanent partial disability shall not exceed ninety-nine percent (99%) of sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage as determined under KRS 342.740 and shall not exceed ~~eighty-two and one-half~~~~seventy-five~~ percent (82.5%)(75%) of the state average weekly wage, except for benefits payable pursuant to paragraph (c)1. of this subsection, which shall not exceed one hundred ~~ten~~ percent (110%)(100%) of the state average weekly wage, nor shall benefits for permanent partial disability be payable for a period exceeding five hundred twenty (520) weeks, notwithstanding that multiplication of impairment times the factor set forth in paragraph (b) of this subsection would yield a greater percentage of disability.
 - (e) For permanent partial disability, impairment for nonwork-related disabilities, conditions previously compensated under this chapter, conditions covered by KRS 342.732, and hearing loss covered in KRS 342.7305 shall not be considered in determining the extent of disability or duration of benefits under this chapter.
- (2) The period of any income benefits payable under this section on account of any injury shall be reduced by the period of income benefits paid or payable under this chapter on account of a prior injury if income benefits in both cases are for disability of the same member or function, or different parts of the same member or function, and the income benefits payable on account of the subsequent disability in whole or in part would duplicate the income benefits payable on account of the pre-existing disability.
 - (3) Subject to the limitations contained in subsection (4) of this section, when an employee, who has sustained disability compensable under this chapter, and who has filed, or could have timely filed, a valid claim in his or her lifetime, dies from causes other than the injury before the expiration of the compensable period specified, portions of the income benefits specified and unpaid at the individual's death, whether or not accrued or due at his or her death, shall be paid, under an award made before or after the death, for the period specified in this section, to and for the benefit of the persons within the classes at the time of death and in the proportions and upon the conditions specified in this section and in the order named:
 - (a) To the widow or widower, if there is no child under the age of eighteen (18) or incapable of self-support, benefits at fifty percent (50%) of the rate specified in the award; or
 - (b) If there are both a widow or widower and such a child or children, to the widow or widower, forty-five percent (45%) of the benefits specified in the award, or forty percent (40%) of those benefits if such a child or children are not living with the widow or widower; and, in addition thereto, fifteen percent (15%) of the benefits specified in the award to each child. Where there are more than two (2) such children, the indemnity benefits payable on account of two (2) children shall be divided among all the children, share and share alike; or
 - (c) If there is no widow or widower but such a child or children, then to the child or children, fifty percent (50%) of the benefits specified in the award to one (1) child, and fifteen percent (15%) of those benefits to a second child, to be shared equally. If there are more than two (2) such children, the indemnity benefits payable on account of two (2) children shall be divided equally among all the children; or
 - (d) If there is no survivor in the above classes, then the parent or parents wholly or partly actually dependent for support upon the decedent, or to other wholly or partly actually dependent relatives listed in paragraph (g) of subsection (1) of KRS 342.750, or to both, in proportions that the commissioner provides by administrative regulation.

- (e) To the widow or widower upon remarriage, up to two (2) years, benefits as specified in the award and proportioned under paragraphs (a) or (b) of this subsection, if the proportioned benefits remain unpaid, to be paid in a lump sum.
- (4) All income benefits payable pursuant to this chapter shall terminate as of the date upon which the employee ***reaches the age of seventy (70)*** ~~[qualifies for normal old age Social Security retirement benefits under the United States Social Security Act, 42 U.S.C. secs. 301 to 1397f]~~, or ***four (4)*** ~~[two (2)]~~ years after the employee's injury or last exposure, whichever last occurs. In like manner all income benefits payable pursuant to this chapter to spouses and dependents shall terminate ***as of the date upon which the employee would have reached age seventy (70) or four (4) years after the employee's date of injury or date of last exposure, whichever last occurs*** ~~[when such spouses and dependents qualify for benefits under the United States Social Security Act by reason of the fact that the worker upon whose earnings entitlement is based would have qualified for normal old age Social Security retirement benefits]~~.
- (5) All income benefits pursuant to this chapter otherwise payable for temporary total and permanent total disability shall be offset by unemployment insurance benefits paid for unemployment during the period of temporary total or permanent total disability.
- (6) All income benefits otherwise payable pursuant to this chapter shall be offset by payments made under an exclusively employer-funded disability ***plan, exclusively employer-funded disability retirement plan***, ~~for~~ ~~*exclusively employer-funded*~~ sickness and accident plan, or ***salary continuation***, which extends income benefits for the same disability covered by this chapter, except where the employer-funded plan contains an internal offset provision for workers' compensation benefits which is inconsistent with this provision.
- (7) ***Income benefits otherwise payable pursuant to this chapter for temporary total disability during the period the employee has returned to a light-duty or other alternative job position shall be offset by an amount equal to the employee's gross income minus applicable taxes during the period of light-duty work or work in an alternative job position.***
- (8) If an employee receiving a permanent total disability award returns to work, that employee shall notify the employer, payment obligor, insurance carrier, or special fund as applicable.
- (9) ***Income benefits otherwise payable pursuant to this chapter for temporary total disability to a professional athlete under the direction and control of an employer that is a professional team located in Kentucky, absent any collective bargaining agreement, shall terminate no later than the date on which the contract for hire upon which the employment is based expires, so long as the professional athlete has been released to return to employment for which he or she has prior training or experience.***

➔Section 14. KRS 342.7305 is amended to read as follows:

- (1) In all claims for occupational hearing loss caused by either a single incident of trauma or by repetitive exposure to hazardous noise over an extended period of employment, the extent of binaural hearing impairment shall be determined under the "Guides to the Evaluation of Permanent Impairment."
- (2) Income benefits payable for occupational hearing loss shall be as provided in KRS 342.730, except income benefits shall not be payable where the binaural hearing impairment converted to impairment of the whole person results in impairment of less than eight percent (8%). No impairment percentage for tinnitus shall be considered in determining impairment to the whole person.
- (3) The ***commissioner*** ~~[executive director]~~ shall provide by administrative regulation for prompt referral of hearing loss claims for evaluation, for all medical reimbursement, and for prompt authorization of hearing enhancement devices.
- (4) When audiograms and other testing reveal a pattern of hearing loss compatible with that caused by hazardous noise exposure and the employee demonstrates repetitive exposure to hazardous noise in the workplace, there shall be a rebuttable presumption that the hearing impairment is an injury covered by this chapter, and the employer with whom the employee was last injuriously exposed to hazardous noise ***for a minimum duration of one (1) year of employment*** shall be exclusively liable for benefits.

➔Section 15. KRS 342.732 is amended to read as follows:

- (1) Notwithstanding any other provision of this chapter, income benefits and retraining incentive benefits for occupational pneumoconiosis resulting from exposure to coal dust in the severance or processing of coal shall be paid as follows:

- (a) 1. If an employee has a radiographic classification of category 1/0, 1/1 or 1/2, coal workers' pneumoconiosis and spirometric test values of eighty percent (80%) or more, the employee shall be awarded a one (1) time only retraining incentive benefit which shall be an amount equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage as determined by KRS 342.740, but not more than seventy-five percent (75%) of the state average weekly wage, payable semimonthly for a period not to exceed one hundred four (104) weeks, except as provided in subparagraph 3. of this paragraph.
2. Except as provided in subparagraph 3. of this paragraph, these benefits shall be paid only while the employee is enrolled and actively and successfully participating as a full-time student taking the equivalent of twelve (12) or more credit hours per week in a bona fide training or education program that if successfully completed will qualify the person completing the course for a trade, occupation, or profession and which program can be completed within the period benefits are payable under this subsection. The program must be approved under administrative regulations to be promulgated by the commissioner. These benefits shall also be paid to an employee who is a part-time student taking not less than the equivalent of six (6) nor more than eleven (11) credit hours per week, except that benefits shall be an amount equal to thirty-three and one-third percent (33-1/3%) of the employee's average weekly wage as determined by KRS 342.740, but not more than thirty-seven and one-half percent (37-1/2%) of the state average weekly wage, payable biweekly for a period not to exceed two hundred eight (208) weeks.
3. These benefits shall also be paid biweekly while an employee is actively and successfully pursuing a High School Equivalency Diploma in accordance with administrative regulations promulgated by the commissioner. These benefits shall be paid in the amount of sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage not to exceed seventy-five percent (75%) of the state average weekly wage for a maximum period not to exceed seventeen (17) weeks. These income benefits shall be in addition to the maximum amount of retraining incentive benefits payable under this paragraph.
4. The employer shall also pay, directly to the institution conducting the training or education program, instruction, tuition, and material costs not to exceed five thousand dollars (\$5,000).
5. ~~The employee shall notify the parties of his or her intention to retrain within thirty (30) days[period of weeks during which this benefit is payable shall begin no later than the thirtieth day] after the administrative law judge's order [awarding the benefit] becomes final. [except that an] The employee must initiate retraining within [may elect to defer the beginning of such benefits up to the] three hundred sixty-five (365) days of the administrative law judge's final order[fifth day following the thirtieth day the order becomes final]. [Unless the employee has requested deferral of income benefits, those]~~Income benefits payable under subparagraphs 1. and 2. of this paragraph shall begin no later than thirty (30) days following conclusion of income benefits paid under subparagraph 3. if such benefits were paid.
6. If an employee who is awarded retraining incentive benefits under this paragraph successfully completes a bona fide training or education program approved by the commissioner, upon completion of the training or education program, the employer shall pay to that employee the sum of five thousand dollars (\$5,000) for successful completion of a program that requires a course of study of not less than twelve (12) months nor more than eighteen (18) months, or the sum of ten thousand dollars (\$10,000) for successful completion of a program that requires a course of study of more than eighteen (18) months. This amount shall be in addition to retraining incentive benefits awarded under this paragraph, and tuition expenses paid by the employer.
7. An employee who is age fifty-seven (57) years or older on the date of last exposure and who is awarded retraining incentive benefits under subparagraphs 1. to 4. of this paragraph, may elect to receive in lieu of retraining incentive benefits, an amount equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage, not to exceed seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740 multiplied by the disability rating of twenty-five percent (25%) for a period not to exceed four hundred twenty-five (425) weeks, or until the employee reaches sixty-five (65) years of age, whichever occurs first, KRS 342.730(4) notwithstanding.
8. A claim for retraining incentive benefits provided under this section may be filed, but benefits shall not be payable, while an employee is employed in the severance or processing of coal as defined in KRS 342.0011(23).

9. If an employer appeals an award of retraining incentive benefits, upon an employee's motion, an administrative law judge may grant retraining incentive benefits pending appeal as interlocutory relief.
 10. If an employee elects to defer payment of retraining incentive benefits for a period of retraining longer than three hundred sixty-five (365) days, benefits otherwise payable shall be reduced week-for-week for each week retraining benefits are further deferred;
- (b)
1. If an employee has a radiographic classification of category 1/0, 1/1, or 1/2 coal workers' pneumoconiosis and respiratory impairment evidenced by spirometric test values of fifty-five percent (55%) or more but less than eighty percent (80%) of the predicted normal values, or category 2/1, 2/2, or 2/3 coal workers' pneumoconiosis and spirometric test values of eighty percent (80%) or more of the predicted normal values, there shall be an irrebuttable presumption that the employee has a disability rating of twenty-five percent (25%) resulting from exposure to coal dust, and the employee shall be awarded an income benefit which shall be an amount equal to sixty-six and two-thirds percent ($66\frac{2}{3}\%$) of the employee's average weekly wage, but not to exceed seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740 multiplied by the disability rating of twenty-five percent (25%). The award shall be payable for a period not to exceed four hundred twenty-five (425) weeks.
 2. An employee who is awarded benefits under this paragraph may, at the time of the award or before benefit payments begin, elect to receive retraining incentive benefits provided under paragraph (a)1. to 6. of this subsection, in lieu of income benefits awarded under this paragraph, provided that such option is available one (1) time only and is not revocable, and provided that in no event shall income benefits payable under this paragraph be stacked or added to retraining incentive income benefits paid or payable under subparagraphs 1. to 6. of paragraph (a)1. to 6. of this subsection to extend the period of disability;
- (c) If it is determined that an employee has a radiographic classification of category 1/0, 1/1, or 1/2, and respiratory impairment resulting from exposure to coal dust as evidenced by spirometric test values of less than fifty-five percent (55%) of the predicted normal values, or category 2/1, 2/2, or 2/3 coal workers' pneumoconiosis and respiratory impairment evidenced by spirometric test values of fifty-five percent (55%) or more but less than eighty percent (80%) of the predicted normal values, or category 3/2 or 3/3 coal workers' pneumoconiosis and spirometric test values of eighty percent (80%) or more, there shall be an irrebuttable presumption that the employee has a disability rating of fifty percent (50%) resulting from exposure to coal dust, and the employee shall be awarded an income benefit which shall be an amount equal to sixty-six and two-thirds percent ($66\frac{2}{3}\%$) of the employee's average weekly wage but not to exceed seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740 multiplied by the disability rating of fifty percent (50%). The award shall be payable for a period not to exceed four hundred twenty-five (425) weeks;
- (d) If it is determined that an employee has a radiographic classification of category 2/1, 2/2, or 2/3 coal workers' pneumoconiosis, based on the latest ILO International Classification of Radiographics, and respiratory impairment as evidenced by spirometric test values of less than fifty-five percent (55%) of the predicted normal values or category 3/2 or 3/3 pneumoconiosis and respiratory impairment evidenced by spirometric test values of fifty-five percent (55%) or more but less than eighty percent (80%) of the predicted normal values, there shall be an irrebuttable presumption that the employee has a seventy-five percent (75%) disability rating resulting from exposure to coal dust and the employee shall be awarded income benefits which shall be equal to sixty-six and two-thirds percent ($66\frac{2}{3}\%$) of the employee's average weekly wage but not to exceed seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740 multiplied by the disability rating of seventy-five percent (75%). The award shall be payable for a period not to exceed five hundred twenty (520) weeks. Income benefits awarded under this paragraph shall be payable to the employee during the disability; and
- (e) If it is determined that an employee has radiographic classification of 3/2 or 3/3 occupational pneumoconiosis and respiratory impairment evidenced by spirometric test values of less than fifty-five percent (55%) of the predicted normal values, or complicated pneumoconiosis (large opacities category A, B, or C progressive massive fibrosis), there shall be an irrebuttable presumption that the employee is totally disabled resulting from exposure to coal dust, and the employee shall be awarded income benefits equal to sixty-six and two-thirds percent ($66\frac{2}{3}\%$) of the employee's average weekly wage but not more than one hundred percent (100%) of the state average weekly wage and not less than twenty

percent (20%) of the average weekly wage of the state as determined by KRS 342.740. Income benefits awarded under this paragraph shall be payable to the employee during such disability.

- (2) The presence of respiratory impairment resulting from exposure to coal dust shall be established by using the largest forced vital capacity (FVC) value or the largest forced expiratory volume in one second (FEV1) value determined from the totality of all such spirometric testing performed in compliance with accepted medical standards.
- (3) When valid spirometric tests are not provided and a physician certifies to the administrative law judge that spirometric testing is not medically indicated because of the permanent physical condition of the employee, the administrative law judge shall make his or her decision on the basis of evidence admitted which establishes the existence of a diagnosis of occupational pneumoconiosis and respiratory impairment due to the occupational pneumoconiosis. The evidence submitted by the employee shall include one (1) or more arterial blood gas studies performed in accordance with accepted medical standards. Income benefits shall not be awarded in the absence of valid spirometric tests if the claimant's PO2 arterial blood gas value is equal to or higher than one (1) standard deviation from the normal value obtained by the formula $(103.5 - 0.42X)$, where X equals the claimant's age at the time of the arterial blood gas study.
- (4) Upon request, the commissioner shall refer an employee who has been awarded retraining incentive benefits under subsection (1)(a) of this section to the Office of Vocational Rehabilitation for evaluation and assessment of the training, education, or other services necessary to prepare the employee for a trade, occupation, or profession that will return the employee to remunerative employment, or services necessary and appropriate to prepare and enable the employee to successfully complete a bona fide training or education program approved by the commissioner. The commissioner shall contract with the Office of Vocational Rehabilitation to provide vocational rehabilitation or education services commensurate with the skill levels and abilities of the employee. Services provided under this subsection shall be funded by the coal workers' pneumoconiosis fund, KRS 342.1242 notwithstanding, for claims filed on or before June 30, 2017, and by the employer for claims filed after June 30, 2017.
- (5) The commissioner shall promulgate administrative regulations sufficient to effectuate the provisions relating to retraining incentive benefits provided under subsection (1)(a) of this section. The administrative regulations shall:
 - (a) ***Create an online portal through which employees shall select a facility or institution to provide their retraining. This portal shall list***~~Define a~~ ***bona fide training or education programs.***~~program" to mean a postsecondary education or training program, including but not limited to the~~ ***These programs shall include*** postsecondary programs registered with the Higher Education Assistance Authority, and ~~successful completion of which~~ will qualify the ***employee***~~person completing the course~~ for a trade, occupation, or profession. ***The programs listed shall be capable of completion***~~, and which program can be completed~~ within the period benefits are payable under subsection (1)(a) of this section;
 - (b) Establish requirements for approval and certification of a bona fide training or education program;
 - (c) Provide that funds paid to the training or education program by the employer as required under subsection (1)(a)4. of this section shall be applied only to instruction, tuition, material costs, and any fees necessary for the completion of the program;
 - (d) Establish requirements for successful participation in and completion of an approved and certified bona fide training or education program, and eligibility standards that must be satisfied to receive sums to be paid by the employer pursuant to subsection (1)(a)6. of this section; and
 - (e) Establish attendance, performance and progress standards, and reporting requirements in consultation with the Kentucky Adult Education Program within the Council on Postsecondary Education as conditions that must be satisfied to receive retraining incentive income benefits pursuant to subsection (1)(a)3. of this section.

➔Section 16. KRS 342.792 is amended to read as follows:

- (1) The claim of any miner last exposed to the occupational hazards of coal workers' pneumoconiosis between December 12, 1996, and July 15, 2002, shall nonetheless be governed by the provisions of KRS 342.732 and

notwithstanding the provisions of KRS 342.125 all claims for benefits which were filed for last injurious occupational exposure to coal dust occurring between December 12, 1996, and July 15, 2002, shall be considered pursuant to the provisions of KRS 342.732 and administrative regulations promulgated by the commissioner, and closed claims, except claims dismissed for reasons other than failure to meet medical eligibility standards, may be reopened by the claimant. Income or retraining incentive benefits shall be awarded thereon as if the entitlement standards established by the amendments to KRS 342.732 were effective at the time of last exposure. Any benefits previously granted by an award or settlement shall be credited against any subsequent award or settlement and no interest shall be payable on additional benefits. A previous grant of retraining incentive benefits shall be credited only to the extent that the benefits were actually paid. All income or retraining incentive benefits greater than those which would have been awarded were not these new provisions applicable shall be paid without interest from the Kentucky coal workers' pneumoconiosis fund, the provisions of KRS 342.1242 notwithstanding, for claims filed on or before June 30, 2017, and by the employer for claims filed after June 30, 2017.

- (2) The original claim of any miner last exposed to the occupational hazards of coal workers' pneumoconiosis prior to December 12, 1996, which was subject to a university evaluation pursuant to KRS 342.315 and was dismissed upon a finding that the miner did not prove the presence of coal workers' pneumoconiosis radiographically may be reopened by the claimant notwithstanding the provisions of KRS 342.125, pursuant to administrative regulations adopted by the commissioner. Income benefits may be awarded thereon pursuant to entitlement standards effective as of the date of last exposure, except the income or retraining benefits shall be paid without interest from the Kentucky coal workers' pneumoconiosis fund, the provisions of KRS 342.1242 notwithstanding, for claims filed on or before June 30, 2017, and by the employer for claims filed after June 30, 2017.
- (3) Notwithstanding the provisions of KRS 342.316(4)(a), the coal workers' pneumoconiosis claim of any miner last exposed between December 12, 1996, and July 15, 2002, may be filed with the commissioner on or before December 12, 2003, or within the time frame prescribed by KRS 342.316(4)(a), whichever is longer. These grants shall be allotted to school districts to provide instructional programs for pupils who are identified as needing additional time to achieve the outcomes defined in KRS 158.6451. A school district that has a school

operating a model early reading program under KRS 158.792 may use a portion of its grant money as part of the matching funds to provide individualized or small group reading instruction to qualified students outside of the regular classroom during the student attendance day.

A business entity engaged in the severance or processing of coal, including but not limited to administrative or selling functions, shall be considered wholly engaged in the severance or processing of coal for the purpose of this chapter. However, a business entity which is engaged in a separate business activity not related to coal, for which a separate premium charge is not made, shall be deemed to be engaged in the severance or processing of coal only to the extent that the number of employees engaged in the severance or processing of coal bears to the total number of employees. Any employee who is involved in the business of severing or processing of coal and business activities not related to coal shall be prorated based on the time involved in severance or processing of coal bears to his total time;
- (24) "Premium" for every self-insured group means any and all assessments levied on its members by such group or contributed to it by the members thereof. For special fund assessment purposes, "premium" also includes

any and all membership dues, fees, or other payments by members of the group to associations or other entities used for underwriting, claims handling, loss control, premium audit, actuarial, or other services associated with the maintenance or operation of the self-insurance group;

- (25) (a) "Premiums received" for policies effective on or after January 1, 1994, for insurance companies means direct written premiums as reported in the annual statement to the Department of Insurance by insurance companies, except that "premiums received" includes premiums charged off or deferred, and, on insurance policies or other evidence of coverage with provisions for deductibles, the calculated cost for coverage, including experience modification and premium surcharge or discount, prior to any reduction for deductibles. The rates, factors, and methods used to calculate the cost for coverage under this paragraph for insurance policies or other evidence of coverage with provisions for deductibles shall be the same rates, factors, and methods normally used by the insurance company in Kentucky to calculate the cost for coverage for insurance policies or other evidence of coverage without provisions for deductibles, except that, for insurance policies or other evidence of coverage with provisions for deductibles effective on or after January 1, 1995, the calculated cost for coverage shall not include any schedule rating modification, debits, or credits. ***For policies with provisions for deductibles with effective dates on or after January 1, 1995, assessments shall be imposed on premiums received as calculated by the deductible program adjustment.*** The cost for coverage calculated under this paragraph by insurance companies that issue only deductible insurance policies in Kentucky shall be actuarially adequate to cover the entire liability of the employer for compensation under this chapter, including all expenses and allowances normally used to calculate the cost for coverage. For policies with provisions for deductibles with effective dates of May 6, 1993, through December 31, 1993, for which the insurance company did not report premiums and remit special fund assessments based on the calculated cost for coverage prior to the reduction for deductibles, "premiums received" includes the initial premium plus any reimbursements invoiced for losses, expenses, and fees charged under the deductibles. The special fund assessment rates in effect for reimbursements invoiced for losses, expenses, or fees charged under the deductibles shall be those percentages in effect on the effective date of the insurance policy. For policies covering leased employees as defined in KRS 342.615, "premiums received" means premiums calculated using the experience modification factor of each lessee as defined in KRS 342.615 for each leased employee for that portion of the payroll pertaining to the leased employee.
- (b) "Direct written premium" for insurance companies means the gross premium written less return premiums and premiums on policies not taken but including policy and membership fees.
- (c) "Premium," for policies effective on or after January 1, 1994, for insurance companies means all consideration, whether designated as premium or otherwise, for workers' compensation insurance paid to an insurance company or its representative, including, on insurance policies with provisions for deductibles, the calculated cost for coverage, including experience modification and premium surcharge or discount, prior to any reduction for deductibles. The rates, factors, and methods used to calculate the cost for coverage under this paragraph for insurance policies or other evidence of coverage with provisions for deductibles shall be the same rates, factors, and methods normally used by the insurance company in Kentucky to calculate the cost for coverage for insurance policies or other evidence of coverage without provisions for deductibles, except that, for insurance policies or other evidence of coverage with provisions for deductibles effective on or after January 1, 1995, the calculated cost for coverage shall not include any schedule rating modifications, debits, or credits. ***For policies with provisions for deductibles with effective dates on or after January 1, 1995, assessments shall be imposed as calculated by the deductible program adjustment.*** The cost for coverage calculated under this paragraph by insurance companies that issue only deductible insurance policies in Kentucky shall be actuarially adequate to cover the entire liability of the employer for compensation under this chapter, including all expenses and allowances normally used to calculate the cost for coverage. For policies with provisions for deductibles with effective dates of May 6, 1993, through December 31, 1993, for which the insurance company did not report premiums and remit special fund assessments based on the calculated cost for coverage prior to the reduction for deductibles, "premium" includes the initial consideration plus any reimbursements invoiced for losses, expenses, or fees charged under the deductibles.
- (d) "Return premiums" for insurance companies means amounts returned to insureds due to endorsements, retrospective adjustments, cancellations, dividends, or errors.
- (e) ***"Deductible program adjustment" means calculating premium and premiums received on a gross basis without regard to the following:***

- 1. *Schedule rating modifications, debits, or credits;***
 - 2. *Deductible credits; or***
 - 3. *Modifications to the cost of coverage from inception through and including any audit that are based on negotiated retrospective rating arrangements, including but not limited to large risk alternative rating options;***
- (26) "Insurance policy" for an insurance company or self-insured group means the term of insurance coverage commencing from the date coverage is extended, whether a new policy or a renewal, through its expiration, not to exceed the anniversary date of the renewal for the following year;
- (27) "Self-insurance year" for a self-insured group means the annual period of certification of the group created pursuant to KRS 342.350(4) and 304.50-010;
- (28) "Premium" for each employer carrying his own risk pursuant to KRS 342.340(1) shall be the projected value of the employer's workers' compensation claims for the next calendar year as calculated by the commissioner using generally-accepted actuarial methods as follows:
- (a) The base period shall be the earliest three (3) calendar years of the five (5) calendar years immediately preceding the calendar year for which the calculation is made. The commissioner shall identify each claim of the employer which has an injury date or date of last injurious exposure to the cause of an occupational disease during each one (1) of the three (3) calendar years to be used as the base, and shall assign a value to each claim. The value shall be the total of the indemnity benefits paid to date and projected to be paid, adjusted to current benefit levels, plus the medical benefits paid to date and projected to be paid for the life of the claim, plus the cost of medical and vocational rehabilitation paid to date and projected to be paid. Adjustment to current benefit levels shall be done by multiplying the weekly indemnity benefit for each claim by the number obtained by dividing the statewide average weekly wage which will be in effect for the year for which the premium is being calculated by the statewide average weekly wage in effect during the year in which the injury or date of the last exposure occurred. The total value of the claims using the adjusted weekly benefit shall then be calculated by the commissioner. Values for claims in which awards have been made or settlements reached because of findings of permanent partial or permanent total disability shall be calculated using the mortality and interest discount assumptions used in the latest available statistical plan of the advisory rating organization defined in Subtitle 13 of KRS Chapter 304. The sum of all calculated values shall be computed for all claims in the base period;
 - (b) The commissioner shall obtain the annual payroll for each of the three (3) years in the base period for each employer carrying his own risk from records of the department and from the records of the Office of Employment and Training, Education and Workforce Development Cabinet. The commissioner shall multiply each of the three (3) years of payroll by the number obtained by dividing the statewide average weekly wage which will be in effect for the year in which the premium is being calculated by the statewide average weekly wage in effect in each of the years of the base period;
 - (c) The commissioner shall divide the total of the adjusted claim values for the three (3) year base period by the total adjusted payroll for the same three (3) year period. The value so calculated shall be multiplied by 1.25 and shall then be multiplied by the employer's most recent annualized payroll, calculated using records of the department and the Office of Employment and Training data which shall be made available for this purpose on a quarterly basis as reported, to obtain the premium for the next calendar year for assessment purposes under KRS 342.122;
 - (d) For November 1, 1987, through December 31, 1988, premium for each employer carrying its own risk shall be an amount calculated by the board pursuant to the provisions contained in this subsection and such premium shall be provided to each employer carrying its own risk and to the funding commission on or before January 1, 1988. Thereafter, the calculations set forth in this subsection shall be performed annually, at the time each employer applies or renews its application for certification to carry its own risk for the next twelve (12) month period and submits payroll and other data in support of the application. The employer and the funding commission shall be notified at the time of the certification or recertification of the premium calculated by the commissioner, which shall form the employer's basis for assessments pursuant to KRS 342.122 for the calendar year beginning on January 1 following the date of certification or recertification;
 - (e) If an employer having fewer than five (5) years of doing business in this state applies to carry its own risk and is so certified, its premium for the purposes of KRS 342.122 shall be based on the lesser

number of years of experience as may be available including the two (2) most recent years if necessary to create a three (3) year base period. If the employer has less than two (2) years of operation in this state available for the premium calculation, then its premium shall be the greater of the value obtained by the calculation called for in this subsection or the amount of security required by the commissioner pursuant to KRS 342.340(1);

- (f) If an employer is certified to carry its own risk after having previously insured the risk, its premium shall be calculated using values obtained from claims incurred while insured for as many of the years of the base period as may be necessary to create a full three (3) year base. After the employer is certified to carry its own risk and has paid all amounts due for assessments upon premiums paid while insured, the employer shall be assessed only upon the premium calculated under this subsection;
 - (g) "Premium" for each employer defined in KRS 342.630(2) shall be calculated as set forth in this subsection; and
 - (h) Notwithstanding any other provision of this subsection, the premium of any employer authorized to carry its own risk for purposes of assessments due under this chapter shall be no less than thirty cents (\$0.30) per one hundred dollars (\$100) of the employer's most recent annualized payroll for employees covered by this chapter;
- (29) "SIC code" as used in this chapter means the Standard Industrial Classification Code contained in the latest edition of the Standard Industrial Classification Manual published by the Federal Office of Management and Budget;
 - (30) "Investment interest" means any pecuniary or beneficial interest in a provider of medical services or treatment under this chapter, other than a provider in which that pecuniary or investment interest is obtained on terms equally available to the public through trading on a registered national securities exchange, such as the New York Stock Exchange or the American Stock Exchange, or on the National Association of Securities Dealers Automated Quotation System;
 - (31) "Managed health care system" means a health care system that employs gatekeeper providers, performs utilization review, and does medical bill audits;

 - (33) "Objective medical findings" means information gained through direct observation and testing of the patient applying objective or standardized methods;
 - (34) "Work" means providing services to another in return for remuneration on a regular and sustained basis in a competitive economy;
 - (35) "Permanent impairment rating" means percentage of whole body impairment caused by the injury or occupational disease as determined by the "Guides to the Evaluation of Permanent Impairment";
 - (36) "Permanent disability rating" means the permanent impairment rating selected by an administrative law judge times the factor set forth in the table that appears at KRS 342.730(1)(b); and
 - (37) "Guides to the Evaluation of Permanent Impairment" means, except as provided in KRS 342.262:
 - (a) The fifth edition published by the American Medical Association; and
 - (b) For psychological impairments, Chapter 12 of the second edition published by the American Medical Association.

➔Section 2. KRS 342.122 is amended to read as follows:

- (1) (a) For calendar year 1997 and for each calendar year thereafter, for the purpose of funding and prefunding the liabilities of the special fund, financing the administration and operation of the Kentucky Workers' Compensation Funding Commission, and financing the expenditures for all programs in the Labor Cabinet, except the Division of Apprenticeship and Division of Wages and Hours in the Department of Workplace Standards, as reflected in the enacted budget of the Commonwealth and enacted by the General Assembly, the funding commission shall impose a special fund assessment rate of nine percent (9%) upon the amount of workers' compensation premiums received on and after January 1, 1997, through December 31, 1997, by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every self-insured group operating under the provisions of KRS 342.350(4) and

Chapter 304, and against the premium, as defined in KRS 342.0011, of every employer carrying his or her own risk.

- (b) The funding commission shall, for calendar year 1998 and thereafter, establish for the special fund an assessment rate to be assessed against all premium received during that calendar year which shall produce enough revenue to amortize on a level basis the unfunded liability of the special fund as of June 30 preceding January 1 of each year, for the period remaining until December 31, 2029. The interest rate to be used in this calculation shall reflect the funding commission's investment experience to date and the current investment policies of the commission. This assessment shall be imposed upon the amount of workers' compensation premiums received by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every self-insured group operating under the provisions of KRS 342.350(4) and Chapter 304, and against the premium, as defined in KRS 342.0011, of every employer carrying its own risk. On or before October 1 of each year, the commission shall notify each insurance carrier writing workers' compensation insurance in the Commonwealth, every group of self-insured employers, and each employer carrying its own risk, of the rates which shall become effective on January 1 of each year, unless modified by the General Assembly.
 - (c) All assessments imposed by this section shall be paid to the Kentucky Workers' Compensation Funding Commission and shall be credited to the benefit reserve fund within the Kentucky Workers' Compensation Funding Commission.
 - (d) The assessments imposed in this chapter shall be in lieu of all other assessments or taxes on workers' compensation premiums.
- (2) (a) These assessments shall be paid quarterly not later than the thirtieth day of the month following the end of the quarter in which the premium is received. Receipt shall be considered timely through actual physical receipt or by postmark of the United States Postal Service. Employers carrying their own risk and employers defined in KRS 342.630(2) shall pay the annual assessments in four (4) equal quarterly installments.
- (b) *Beginning on January 1, 2020, all assessments shall be electronically remitted to the funding commission quarterly not later than the thirtieth day of the month following the end of the quarter in which the premium is received. Receipt shall be considered timely when filed and remitted using the appropriate electronic pay system as prescribed by the funding commission. Employers carrying their own risk and employers defined in KRS 342.630(2) shall pay the annual assessments in four (4) equal quarterly installments.*
- (3) The assessments imposed by this section may be collected by the insurance carrier from the insured. However, the insurance carrier shall not collect from the employer any amount exceeding the assessments imposed pursuant to this section. If the insurance carrier collects the assessment from an insured, the assessment shall be collected at the same time and in the same proportion as the premium is collected. The assessment for an insurance policy or other evidence of coverage providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible. Each statement from an insurance carrier presented to an insured reflecting premium and assessment amounts shall clearly identify and distinguish the amount to be paid for premium and the amount to be paid for assessments. No insurance carrier shall collect from an insured an amount in excess of the assessment percentages imposed by this chapter. The assessment for an insurance policy or other evidence of coverage providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible. The percentages imposed by this chapter for an insurance policy issued by an insurance company shall be those percentages in effect on the annual effective date of the policy, regardless of the date that the premium is actually received by the insurance company.
- (4) A self-insured group may elect to report its premiums and to have its assessments computed in the same manner as insurance companies. This election may not be rescinded for at least ten (10) years, nor may this election be made a second time for at least another ten (10) years, except that the board of directors of the funding commission may, at its discretion, waive the ten (10) year ban on a case-by-case basis after formal petition has been made to the funding commission by a self-insured group.
- (5) The funding commission, as part of the collection and auditing of the special fund assessments required by this section, shall annually require each insurance carrier and each self-insured group to provide a list of employers which it has insured or which are members and the amount collected from each employer. Additionally, the funding commission shall require each entity paying a special fund assessment to report the SIC code for each employer and the amount of premium collected from each SIC code. An insurance carrier or self-insured

group may require its insureds or members to furnish the SIC code for each of their employees. However, the failure of any employer to furnish said codes shall not relieve the insurance carrier or self-insured group from the obligation to furnish same to the funding commission. The Office of Employment and Training, Education and Workforce Development Cabinet, is hereby directed to make available the SIC codes assigned in its records to specific employers to aid in the reporting and recording of the special fund assessment data.

- (6) Each self-insured employer, self-insured group, or insurance carrier shall provide any information and submit any reports the Department of Revenue or the funding commission may require to effectuate the provisions of this section. In addition, the funding commission may enter reciprocal agreements with other governmental agencies for the exchange of information necessary to effectuate the provisions of this section.
- (7) The special fund shall be required to maintain a central claim registry of all claims to which it is named a party, giving each such claim a unique claim number and thereafter recording the status of each claim on a current basis. The registry shall be established by January 26, 1988, for all claims on which payments were made since July 1, 1986, or which were pending adjudication since July 1, 1986, by audit of all claim files in the possession of the special fund.
- (8) The fund heretofore designated as the subsequent claim fund is abolished, and there is substituted therefor the special fund as set out by this section, and all moneys and properties owned by the subsequent claim fund are transferred to the special fund.
- (9) Notwithstanding any other provisions of this section or this chapter to the contrary, the total amount of funds collected pursuant to the assessment rates adopted by the funding commission shall not be limited to the provisions of this section.
- (10) All assessment rates imposed for periods prior to January 1, 1997, under KRS 342.122 shall forever remain applicable to premiums received on policies with effective dates prior to January 1, 1997, by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every self-insured group operating under the provision of KRS 342.350(4) and Chapter 304, and against the premium, as defined in KRS 342.0011, of every employer carrying its own risk.

➔Section 3. KRS 342.1221 is amended to read as follows:

Assessments levied *and expenses owed* pursuant to KRS 342.122 *and Sections 6 and 7 of this Act* and unpaid on the date on which they are due and payable shall bear interest at the rate specified in KRS 131.183 plus a penalty of one and one-half percent (1.5%) per month or portion thereof without proration from the date on which the assessment *or expenses are* ~~was~~ due and payable. The funding commission shall have the authority to waive part or all of the penalty, but not the interest, where it is shown to the satisfaction of the commission that failure to timely pay assessments is due to reasonable cause. *This authority shall extend to the coal workers' pneumoconiosis fund until it ceases to exist.*

➔Section 4. KRS 342.1223 is amended to read as follows:

- (2) The commission shall:

 - (b) Act as a fiduciary, as defined in KRS Chapter 386, in exercising its power over the funds collected pursuant to KRS 342.122, and may invest association funds through one (1) or more banks, trust companies, or other financial institutions with offices in Kentucky in good standing with the Department of Financial Institutions, in investments described in KRS Chapter 386, except that the funding commission may, at its discretion, invest in ~~nondividend-paying~~ equity securities;
 - (c) Report to the General Assembly at each even-numbered-year regular session the actuarial soundness and adequacy of the funding mechanism for the special fund and other programs supported by the mechanism, including detailed information on the investment of funds and yields thereon;

The Office of Financial Management shall participate in the selection of any firms for investment services provided, however, the Kentucky Workers' Compensation Funding Commission shall have the right to make the final decision on the selection of any firms. Notwithstanding any provisions of this section to the contrary, all contracts for investment advisory, investment counseling, or investment management services or for the management of assets shall be subject to KRS Chapter 45A. The fees charged by financial institutions for managing the investments of the funds of the funding commission shall be paid from the investment earnings of the funds.

Upon written request, the funding commission may extend the time for filing the supporting statement if it appears the delay is necessary and unavoidable. The refusal of such extension may be reviewed in the same manner as a protested assessment.
- (2) After a timely protest has been filed, the ***assessment payer***~~taxpayer~~ may request a conference with the funding commission. The request shall be granted in writing stating the date and time set for the conference. The ***assessment payer***~~taxpayer~~ may appear in person or by representative. Further conferences may be held by mutual agreement.
- (3) After considering the ***assessment payer's***~~taxpayer's~~ protest, including any matters presented at the final conference, the funding commission shall issue a final ruling on any matter still in controversy, which shall be mailed to the ***assessment payer***~~taxpayer~~. The ruling shall state that it is a final ruling of the funding

- (4) The **assessment payer**~~[taxpayer]~~ may request in writing a final ruling at any time after filing a timely protest and supporting statement. CHAPTER 68

(SB 108)

AN ACT relating to child support enforcement of health care coverage.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 403.211 is amended to read as follows:

- (1) An action to establish or enforce child support may be initiated by the parent, custodian, or agency substantially contributing to the support of the child. The action may be brought in the county in which the child resides or where the defendant resides.
- (2) At the time of initial establishment of a child support order, whether temporary or permanent, or in any proceeding to modify a support order, the child support guidelines in KRS 403.212 shall serve as a rebuttable presumption for the establishment or modification of the amount of child support. Courts may deviate from the guidelines where their application would be unjust or inappropriate. Any deviation shall be accompanied by a written finding or specific finding on the record by the court, specifying the reason for the deviation.
- (3) A written finding or specific finding on the record that the application of the guidelines would be unjust or inappropriate in a particular case shall be sufficient to rebut the presumption and allow for an appropriate adjustment of the guideline award if based upon one (1) or more of the following criteria:
 - (a) A child's extraordinary medical or dental needs;
 - (b) A child's extraordinary educational, job training, or special needs;
 - (c) Either parent's own extraordinary needs, such as medical expenses;
 - (d) The independent financial resources, if any, of the child or children;
 - (e) Combined monthly adjusted parental gross income in excess of the Kentucky child support guidelines;
 - (f) The parents of the child, having demonstrated knowledge of the amount of child support established by the Kentucky child support guidelines, have agreed to child support different from the guideline amount. However, no such agreement shall be the basis of any deviation if public assistance is being paid on behalf of a child under the provisions of Part D of Title IV of the Federal Social Security Act; and
 - (g) Any similar factor of an extraordinary nature specifically identified by the court which would make application of the guidelines inappropriate.
- (4) "Extraordinary" as used in this section shall be determined by the court in its discretion.
- (5) When a party has defaulted or the court is otherwise presented with insufficient evidence to determine gross income, the court shall order child support based upon the needs of the child or the previous standard of living of the child, whichever is greater. An order entered by default or due to insufficient evidence to determine gross income may be modified upward and arrearages awarded from the date of the original order if evidence of gross income is presented within two (2) years which would have established a higher amount of child support pursuant to the child support guidelines set forth in KRS 403.212.

- (6) The court shall allocate between the parents, in proportion to their combined monthly adjusted parental gross income, reasonable and necessary child care costs incurred due to employment, job search, or education leading to employment, in addition to the amount ordered under the child support guidelines.
- (7) (a) *Pursuant to 45 C.F.R. sec. 303.31(a)(2), for the purposes of this section, "health care coverage" includes fee for service, health maintenance organization, preferred provider organization, and other types of private health insurance and public health care coverage under which medical services could be provided to a dependent child.* If ~~{private} health care {insurance} coverage~~ is reasonable in cost and accessible to either parent at the time the request for coverage is made, the court shall order the parent to obtain or maintain coverage, and the court shall allocate between the parents, in proportion to their combined monthly adjusted parental gross income, the cost of health care ~~{insurance} coverage~~ for the child, in addition to the support ordered under the child support guidelines.
- (b) A parent, who has one hundred percent (100%) of the combined monthly adjusted parental gross income, shall be entitled to a reduction in gross income of the entire amount of premiums incurred and paid.
- (c) The court shall order the cost of health care **coverage** of the child to be paid by either or both parents of the child regardless of who has physical custody. The court order shall include:
1. A judicial directive designating which parent shall have financial responsibility for providing health care **coverage** for the dependent child, which shall include but not be limited to ~~{private} health care {insurance} coverage~~, payments of necessary health care deductibles or copayments;
 2. If appropriate, cash medical support. "Cash medical support" means an amount to be paid toward the cost of health care ~~{insurance} coverage~~ ~~that is provided by a public entity, including the Kentucky Children's Health Insurance Program or the Kentucky Medicaid program, or another parent or person with whom the child resides through employment or otherwise~~, fixed payments for ongoing medical costs, extraordinary medical expenses, or any combination thereof; and
 3. A statement providing that if the designated parent's health care coverage provides for covered services for dependent children beyond the age of majority, then any unmarried children up to twenty-five (25) years of age who are full-time students enrolled in and attending an accredited educational institution and who are primarily dependent on the insured parent for maintenance and support shall be covered.
- (d) If ~~{private} health care {insurance} coverage~~ is not reasonable in cost and accessible at the time the request for the coverage is made, the court order shall provide for cash medical support until ~~{private} health care {insurance} coverage~~ becomes reasonable in cost and accessible.
- (8) (a) For purposes of this section, "reasonable in cost" means that the cost of coverage to the responsible parent does not exceed five percent (5%) of his or her gross income. The five percent (5%) standard shall apply to the cost of adding the child to an existing policy, the difference in the cost between a single and a family policy, or the cost of acquiring a separate policy to cover the child. If the parties agree or the court finds good cause exists, the court may order **health care**~~{medical}~~ coverage in excess of five percent (5%) of the parent's gross income.
- (b) For purposes of this section, "accessible" means that there are providers who meet the health care needs of the child and who are located no more than sixty (60) minutes or sixty (60) miles from the child's primary residence, except that nothing shall prohibit use of a provider located more than sixty (60) minutes or sixty (60) miles from the child's primary residence.
- (9) The cost of extraordinary medical expenses shall be allocated between the parties in proportion to their combined monthly adjusted parental gross incomes. "Extraordinary medical expenses" means uninsured expenses in excess of one hundred dollars (\$100) per child per calendar year. "Extraordinary medical expenses" includes but is not limited to the costs that are reasonably necessary for medical, surgical, dental, orthodontal, optometric, nursing, and hospital services; for professional counseling or psychiatric therapy for diagnosed medical disorders; and for drugs and medical supplies, appliances, laboratory, diagnostic, and therapeutic services.
- (10) The court order shall include the Social Security numbers, provided in accordance with KRS 403.135, of all parties subject to a support order.

- (11) In any case administered by the Cabinet for Health and Family Services, if the parent ordered to provide health care coverage is enrolled through an insurer but fails to enroll the child under family coverage, the other parent or the Cabinet for Health and Family Services may, upon application, enroll the child.
- (12) In any case administered by the cabinet, information received or transmitted shall not be published or be open for public inspection, including reasonable evidence of domestic violence or child abuse if the disclosure of the information could be harmful to the custodial parent or the child of the parent. Necessary information and records may be furnished as specified by KRS 205.175.
- (13) In the case in which a parent is obligated to provide health care ~~insurance~~ coverage, and changes employment, and the new employer provides health care ~~insurance~~ coverage, the Cabinet for Health and Family Services shall transfer notice of the provision for coverage for the child to the employer, which shall operate to enroll this child in the obligated parent's health plan, unless the obligated parent contests the notice as specified by KRS Chapter 13B.
- (14) Notwithstanding any other provision of this section, any wage or income shall not be exempt from attachment or assignment for the payment of current child support or owed or to-be-owed child support.
- (15) A payment of money received by a child as a result of a parental disability shall be credited against the child support obligation of the parent. A payment shall not be counted as income to either parent when calculating a child support obligation. An amount received in excess of the child support obligation shall be credited against a child support arrearage owed by the parent that accrued subsequent to the date of the parental disability, but shall not be applied to an arrearage that accrued prior to the date of disability. The date of disability shall be as determined by the paying agency.

Signed by Governor April 2, 2018.

CHAPTER 73

(HCR 35)

A CONCURRENT RESOLUTION urging Congress to amend the federal Controlled Substances Act to remove hemp from the definition of marijuana.

WHEREAS, for several years, hemp, a non-narcotic low-concentration THC variety of the cannabis plant, has been listed along with marijuana under the federal Controlled Substances Act; and

WHEREAS, in 2014, Congress enacted a provision of law, now codified as 7 U.S.C. sec. 5940, authorizing state departments of agriculture and institutions of higher education to grow or cultivate industrial hemp in

jurisdictions where it is allowed by state law for purposes of research conducted under an agricultural pilot program or other agricultural or academic research; and

WHEREAS, since 2014, the Kentucky Department of Agriculture has conducted a hemp research pilot program that is widely regarded as a model for other states to emulate; and

WHEREAS, Kentucky's farmers planted 33 acres of hemp in 2014, a total of 922 acres in 2015, some 2,300 acres in 2016, and 3,200 acres in 2017; and

WHEREAS, from 2014 to 2017, the number of farmers in Kentucky growing hemp increased from 20 to 204, with even more interest in hemp production anticipated in 2018; and

WHEREAS, from 2014 to 2017, the number of hemp processors increased from nine to 49; and

WHEREAS, in 2017, the General Assembly amended Kentucky's Controlled Substances Act to exclude many hemp materials and products from the Commonwealth's definition of illegal marijuana; and

WHEREAS, processors in Kentucky and other states have proven that hemp is an economically viable agricultural commodity that can be used to make a wide variety of useful products, including products for human consumption; and

WHEREAS, removing hemp from the federal definition of marijuana would allow Kentucky's community of hemp farmers and processors to take full advantage of this promising agricultural crop;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

(3) Creates legal protections for depository institutions that provide financial services to legitimate hemp businesses; and

(4) Instructs the federal Food and Drug Administration to accelerate clinical trials and other research on the health effects of cannabidiol (CBD) and other cannabinoids found in hemp.

➔Section 2. The Clerk of the House of Representatives shall send a copy of this Resolution and notification of its adoption to the President and Vice President of the United States, the Speaker of the United States House of Representatives, the Minority Leader of the United States House of Representatives, the Majority Leader of the United States Senate, the Minority Leader of the United States Senate, and each member of Kentucky's delegation to the United States Congress.

Notwithstanding the provisions of KRS 48.500 and 48.600, the MART fund shall be exempt from any state budget reduction acts.
- (3) (a) Beginning in state fiscal year 2000-2001 and continuing annually thereafter, provider tax revenues and state and federal matching funds shall be used to fund the disproportionate share program established by administrative regulations promulgated by the Cabinet for Health and Family Services. Disproportionate share funds shall be divided into three (3) pools for distribution as follows:
 - 1. *An acute care pool, composed of critical access hospitals, comprehensive physical rehabilitation hospitals, long-term acute hospitals, and acute care hospitals that do not qualify as a university hospital, shall receive an initial and a final allocation determined by subtracting from the state's total DSH allotment:*
 - a. *The allocation required in subparagraph 2. of this paragraph for the psychiatric pool; and*

If there are remaining funds within the psychiatric pool after all private psychiatric hospitals reach their hospital-specific DSH limit, state mental hospitals may exceed the ninety-two and three-tenths percent (92.3%) limit but may not exceed their hospital-specific DSH limit*~~[Thirty-seven percent (37%) of the total disproportionate share funds shall be allocated to university hospitals];~~
 3. *A university hospital pool, composed of university hospitals, shall receive thirty-seven percent (37%) of the state's DSH allotment; except, however, that initial and final DSH payments to university hospitals shall be determined according to paragraph (e) of this subsection and not exceed the pool's overall allotment*~~[The percentage allowable by federal law pursuant to 42 U.S.C. sec. 1396r-4(h), up to nineteen and eight hundredths percent (19.08%) of the total disproportionate share funds shall be allocated to private psychiatric hospitals and state mental hospitals, with the allocation to each respective group of hospitals established by the biennial budget];~~
 4. If there are any remaining disproportionate share funds from *the psychiatric pool*~~[private psychiatric hospitals and state mental hospitals]~~, fifty-four percent (54%) of those funds shall be distributed to the *acute care pool* and~~[acute care hospitals]~~ and forty-six percent (46%) shall be distributed to the *university pool*. *If the university hospitals are unable to absorb additional DSH payment dollars, remaining funds shall be distributed to the acute care pool*~~[university hospitals]; and~~
 5. If, in any year,~~[one (1) or both]~~ university hospitals fail to provide state matching funds necessary to secure federal financial participation for the funds allocated to university hospitals under this subsection, the portion of the funding allocation *that is not matched by university hospitals*~~[applicable to the hospital or hospitals that fail to provide state matching funds]~~ shall be made available to *the acute care pool*~~[acute care hospitals]~~.
- (b) The MART fund shall be used to compensate acute care hospitals, private psychiatric hospitals, state mental hospitals, *critical access hospitals, comprehensive physical rehabilitation hospitals, long-term acute care hospitals*, and university hospitals participating in the disproportionate share program for uncompensated *care costs*~~[service provided by the hospitals to individuals and families with total annual incomes and resources up to one hundred percent (100%) of the federal poverty level, as determined by the hospital pursuant to administrative regulations promulgated by the Cabinet for Health and Family Services in accordance with this section]~~.
 - (c) An individual hospital shall receive distributions~~[for indigent care provided by that hospital]~~ if the hospital meets the requirements of the disproportionate share program *pursuant to 42 U.S.C. sec. 1396r-4*.
 - (d)
 1. *An individual hospital shall not receive an initial DSH payment unless the hospital submits a Medicaid DSH survey by the deadline established by subsection (8)(a) of this section, unless the deadline has been extended by the commissioner of the department. Extension requests shall be received at least ten (10) days prior to the deadline. Extensions shall be limited to rare circumstances which prevent the hospital from meeting the deadline despite due diligence. Extensions shall be granted for no more than thirty (30) calendar days from the original due date for the Medicaid DSH survey. Failure to submit a DSH survey in a timely manner or other required information for receipt of an initial DSH payment shall result in an individual hospital's final DSH payment being reduced by twenty percent (20%).*
 2. *A hospital newly enrolled in the Medicaid program, which does not have at least six (6) months of cost report information necessary to calculate an initial DSH payment, may submit a limited DSH survey for the purpose of determining if the hospital is eligible to receive an initial DSH payment.*
 - (e) Distributions ~~[to acute care and private psychiatric hospitals]~~ shall be made as follows:

1. *For state fiscal year 2018-2019, the department shall use the examined state fiscal year 2014-2015 DSH survey to calculate an initial DSH payment. Providers who did not receive a DSH payment for state fiscal year 2014-2015 shall be eligible to submit data for the purpose of the 2019 payment, subject to limited review. For state fiscal year 2019-2020, and each year thereafter, the department shall use the Medicaid DSH survey covering the hospital's fiscal year ending in the calendar year preceding July 1 of the applicable state fiscal year to calculate an initial DSH payment. Using the surveys submitted in accordance with this subsection, payments shall be made as follows:*
 - a. *Each university hospital in the university pool shall receive an initial DSH payment equal to one hundred percent (100%) of the hospital's total uncompensated care costs if the total initial DSH payments to all hospitals in the university pool do not exceed the maximum allotment to the university pool as set forth in subsection (3)(a) of this section. If the total uncompensated care costs for the pool exceed the pool's maximum allotment, the initial uncompensated care factor for university hospitals shall be determined by calculating the percentage of each hospital's total uncompensated care costs toward the sum of the total uncompensated care costs of all hospitals in the university pool, and each hospital's initial DSH payment shall be calculated by multiplying the hospital's initial uncompensated care factor by the total funds allocated to the university hospital pool;*
 - b. *For each private psychiatric and state mental hospital in the psychiatric pool, the department shall calculate an initial uncompensated care factor. The initial uncompensated care factor for a private psychiatric or state mental hospital shall be determined by calculating the percentage of each hospital's total uncompensated care costs toward the sum of the total uncompensated care costs for all private psychiatric or state mental hospitals in the psychiatric pool, as appropriate. Each hospital's initial DSH payment shall be calculated by multiplying the hospital's initial uncompensated care factor by the total funds allocated to private psychiatric or state mental hospitals in the psychiatric pool, as appropriate. No individual hospital's initial DSH payment shall exceed the hospital's hospital-specific DSH limit;*
 - c. *For each hospital in the acute care pool, the department shall make an initial determination of whether the acute care hospital qualifies as an essential hospital and calculate an initial uncompensated care factor for each hospital. The initial uncompensated care factor for each hospital in the acute care pool shall be determined by calculating the percentage of each hospital's total uncompensated care costs toward the sum of the total uncompensated care costs for all hospitals in the acute care pool except that the initial uncompensated care factor for an essential hospital shall be calculated using two hundred percent (200%) of the hospital's total uncompensated care costs. Each hospital's initial DSH payment shall be calculated by multiplying the hospital's initial uncompensated care factor by the total funds allocated to the acute care pool. No individual hospital's initial DSH payment shall exceed the hospital's hospital-specific DSH limit;*
 - d. *For any hospital that is newly enrolled in the Medicaid program and lacks at least six (6) months of cost report information, the department shall calculate a proxy amount for the hospital's uncompensated care costs. A newly enrolled hospital's uncompensated care costs proxy amount shall be determined by first dividing the total uncompensated care costs for all non-newly enrolled hospitals in the appropriate pool by the total number of hospital beds, excluding swing beds, reported on the Medicaid cost reports by those hospitals and then multiplying the resulting uncompensated care cost per bed by the new hospital's total number of hospital beds, excluding swing beds. Any uncompensated care costs proxy amounts calculated for newly enrolled hospitals shall be used in the determination of initial uncompensated care factors for all other hospitals in the appropriate pool;*
 - e. *The department may make adjustments to a Medicaid DSH survey filed by a hospital to correct information that is incomplete or inaccurate as determined by limited review. If the department makes adjustments to a hospital's Medicaid DSH survey, the department shall provide written notice to the hospital;*

- f. If a hospital has a negative uncompensated care cost, its uncompensated care costs shall be excluded from the calculation of any uncompensated care costs proxy amount for newly enrolled hospitals and uncompensated care factors for the appropriate pool;*

~~{The department shall calculate an indigent care factor for each hospital annually. The indigent care factor shall be determined by calculating the percentage of each hospital's annual indigent care costs toward the sum of the total annual indigent care costs for all hospitals within each respective pool. For purposes of this paragraph, "indigent care costs" means the hospital's inpatient and outpatient care as reported to the department multiplied by the hospital's Medicaid rate, or at a rate determined by the department in administrative regulation that, when multiplied by the hospital's reported indigent care, is equivalent to the amount that would be payable by the department under the fee for service Medicaid program for the hospital's total reported indigent care.}~~

- ~~2. Each hospital's annual distribution shall be calculated by multiplying the hospital's indigent care factor by the total fund allocated to all hospitals within the respective pool under paragraph (a) of this subsection.~~

~~a. Hospitals shall report uncompensated care provided to qualified individuals and families with total annual incomes and resources up to one hundred percent (100%) of the federal poverty level, including care rendered to indigent persons age twenty two (22) to sixty four (64) in a psychiatric hospital to the Cabinet for Health and Family Services on a quarterly basis. However, all data for care provided during the state fiscal year shall be submitted no later than August 15 of each year.~~

~~b. For state fiscal year 2001-2002 and each year thereafter, the department shall use data reported by the hospitals for indigent care services rendered for the twelve (12) month period ending June 30 of each year as reported by the hospital to the department by August 15 in calculating each hospital's indigent care factor. The hospital shall, upon request by the Cabinet for Health and Family Services, submit any supporting documentation to verify the indigent care data submitted for the calculation of an indigent care factor and annual payment.~~

~~g{e}. - j. *An initial DSH payment shall not be subject to appeal;*
- 2. a. *Each hospital's total initial DSH payment shall be reconciled to a final DSH payment using the examined Medicaid DSH surveys and shall correspond to the applicable state fiscal year DSH payment year.*
- b. *Using the surveys submitted in accordance with subsection (8)(a) of this section, the department shall make a final determination of whether an acute care hospital qualifies as a MIUR or as a LIUR hospital. Any qualifying hospital will be deemed an essential hospital. Critical access hospital status will also be confirmed to make a final determination of essential hospital status.*
- c. *The department shall calculate a final DSH payment as follows:*
 - i. *Each university hospital shall receive a final DSH payment equal to one hundred percent (100%) of the hospital's total uncompensated costs so long as the total final DSH payments to all university hospitals do not exceed the maximum allotment to the university pool as set forth in subsection (3)(a) of this section. If total uncompensated care cost for the pool exceeds the pool's maximum allotment, the final uncompensated care factor for university hospitals shall be determined by calculating the percentage of each hospital's total uncompensated care costs toward the sum of the total uncompensated care costs for all hospitals within the university pool. In this event, each hospital's final DSH payment shall be calculated by multiplying the hospital's uncompensated care factor by the total fund allocated to the hospitals within the respective pool under subsection (3)(a) of this section;*
 - ii. *For hospitals in the acute care pool and the psychiatric pool, the department shall recalculate each hospital's uncompensated care factor using examined data. The final uncompensated care factor for each hospital that qualifies as an essential hospital shall be computed using two hundred percent (200%) of the hospital's total uncompensated care costs using examined data;*
 - iii. *If a hospital has a negative uncompensated care cost, their uncompensated care cost will be excluded in the calculation of uncompensated care factors; and*
 - iv. *The department shall compare each hospital's initial DSH payment with the hospital's final DSH payment and with the hospital's hospital-specific DSH limit to determine if any underpayment or an overpayment exists.*
- d. *By September 30 of the fourth year following the year in which an initial DSH payment is made, the department shall provide each hospital with a final DSH reconciliation report which, at a minimum, shall indicate the following:*
 - i. *A hospital's final MIUR and LIUR status;*
 - ii. *Final uncompensated care factor and underlying data;*
 - iii. *Final DSH payment; and*
 - iv. *If applicable, the amount of any overpayment to be paid to the department and the due date for repayment.*

- f. *Hospitals shall notify the department by October 31 of any corrections to the department's calculations.*
- g. *If a hospital's initial DSH payment was less than the hospital's final DSH payment, the department shall pay the hospital the amount of the difference. Final DSH payments*

shall be issued by the department within sixty (60) days of the due date for the repayment of funds from hospitals with a DSH overpayment. If all repayments have not yet been received by the due date, the department shall distribute the funds collected as of the due date, and shall issue additional payments on a timely basis upon collection of all remaining outstanding overpayments.

- h. *Any funds remaining after the reconciliation process shall be redistributed pursuant to subparagraph 3. of this paragraph; and*
- 3. *Disproportionate share payments remaining after reconciling each hospital's initial DSH payment with the hospital's final DSH payment shall be distributed to other hospitals in the acute care pool, university pool, or to private psychiatric hospitals in the psychiatric pool as follows:*

 - b. *In the proportional distribution, the distribution factor for each hospital that qualifies as an essential hospital shall be computed using two hundred percent (200%) of the hospital's total remaining uncompensated care costs; and*
 - c. *If DSH funds remain after making this distribution to other hospitals in the same pool, funds shall be distributed proportionally to hospitals in the acute care pool, university pool, and private psychiatric hospitals in the psychiatric pool in relation to each hospital's remaining total uncompensated care costs in accordance with the hospital's examined Medicaid DSH survey for the applicable DSH year.*
- (4) Notwithstanding any other provision to *the* contrary, total annual disproportionate share payments made to state mental hospitals, university hospitals, acute care hospitals, *critical access hospitals, comprehensive physical rehabilitation hospitals, long-term acute care hospitals*, and private psychiatric hospitals in each state fiscal year shall be equal to the maximum amount of disproportionate share payments established under the Federal Balanced Budget Act of 1997 and any amendments thereto. Disproportionate share payments *made to a hospital* ~~shall be subject to the availability of adequate state matching funds and~~ shall not exceed *the hospital's total uncompensated costs or the hospital's hospital-specific DSH limit.*
- ~~{(5) Hospitals receiving reimbursement shall not bill patients for services submitted for reimbursement under this section and KRS 205.641. Services provided to individuals who are eligible for medical assistance or the Kentucky Children's Health Insurance Program do not qualify for reimbursement under this section and KRS 205.641. - (5) If the annual financial report is not received by January 31, the exemption is automatically rescinded unless an extension of no more than thirty (30) days is granted by the department. The organization may request an appeal of this rescission pursuant to KRS 238.565.

 - (a) The provisions of this chapter conflict with any provision of federal law or regulation with which the agency must comply, or with any federal law or regulation with which the agency must comply to permit the agency or persons within the Commonwealth to receive federal tax benefits or federal funds or other benefits;
 - (b) Conformity with the requirement of this chapter from which exemption is sought would be so unreasonable or so impractical as to deny due process because of undue delay in the conduct of administrative hearings; or

➔Section 2. KRS 350.0301 is amended to read as follows:

- (1) Any person who considers himself *or herself* aggrieved by any determination made by the cabinet under this chapter may file, in accordance with administrative regulations promulgated by the cabinet under the provisions of this chapter, a petition alleging that the determination is contrary to law or fact and is injurious to him, the grounds and reasons therefor, and demand a hearing. Unless the cabinet considers that the petition is frivolous, it shall serve written notice of the petition on each person named therein and shall schedule a hearing before the cabinet not less than twenty-one (21) days after the date of the notice unless the person complained against waives in writing the twenty-one (21) day period. The right to demand a hearing pursuant to this section shall be limited to a period of thirty (30) days after the petitioner has had actual notice of the determination complained of, or could reasonably have had notice. However, the petitioner shall have the opportunity to contest the validity of an underlying notice of noncompliance in a timely-filed demand for hearing to contest the validity of a cessation order issued for a failure to abate the violation contained in the notice of noncompliance.
- (2) All hearings, other than conferences, under this chapter shall be held before a hearing officer, duly qualified to practice law in the Commonwealth of Kentucky, who may be a full-time employee of the cabinet, serve by contract, or be paid on a per diem basis in the discretion of the cabinet. After the conclusion of the hearing, the hearing officer shall within thirty (30) days make to the secretary a report and recommended order which shall contain a finding of fact and a conclusion of law. If the secretary finds upon written request of the hearing officer that additional time is needed, the secretary may grant an extension. The hearing officer shall serve a copy of his report and recommended order upon all parties of record and their attorney of record to the proceeding, and they shall be granted the right to file exceptions thereto within fourteen (14) days of service. Any party may submit a written response to exceptions within twenty-one (21) days of service of the report and recommended order. Exceptions and responses not timely filed shall be noted and made a part of the record but shall not be considered by the secretary in making a final order. The secretary shall consider the report, exceptions, and recommended order and decide the case. The decision shall be served by mail upon all parties and their attorney of record and shall be a final order of the cabinet.
- (3) Any party to a hearing under this subsection may be represented by counsel, may make oral or written argument, offer testimony, cross-examine witnesses, or take any combination of these actions. The record of the hearing shall be open to public inspection, and copies thereof shall be made available to any person upon payment of the actual cost of reproducing the original.
- (4) All hearings conducted pursuant to this chapter shall be open to the public.
- (5) The cabinet shall promulgate administrative regulations, pursuant to the provisions set forth in this chapter, establishing formal and informal hearing procedures by which any hearing shall, upon the written request of the operator, permittee, or person, be held in the county or regional office where the surface coal mining operation is located, before an impartial hearing officer who is independent of any prosecutorial functions of the cabinet. The administrative regulations shall provide for the conduct of hearings and investigation of any matter relating to the regulation of surface coal mining and reclamation operations ~~and~~ provide for the assessment and payment of civil penalties, ~~including the placement of proposed civil penalty assessments into an escrow account prior to a formal hearing on the amount of the assessment; and provide for a waiver of the placement of the proposed civil penalties into escrow for those individuals who demonstrate with substantial evidence an inability to pay the proposed civil penalties into escrow~~. The procedures developed pursuant to this subsection shall provide that the hearings be held in the most expeditious manner possible within the time constraints established under this chapter. No person who presided at a prior hearing shall either preside at a subsequent hearing or participate in any further decision or subsequent administrative appeal in the same matter.

- (6) The cabinet may promulgate administrative regulations pursuant to the provisions set forth in this chapter establishing procedures for the holding of administrative conferences needed to implement the provisions of this chapter.
- (7) The secretary may designate a deputy to sign any or all final orders of the cabinet, whether the orders are the result of hearing or agreement.

➔Section 3. KRS 350.064 is amended to read as follows:

- (1) After a surface coal mining and reclamation permit application has been approved but before the permit is issued, the applicant shall file with the regulatory authority, on a form prescribed and furnished by the regulatory authority, a reclamation bond for performance payable, as appropriate, to the state, and conditional upon faithful performance of all the requirements of this chapter and the permit. The reclamation bond shall cover that area of land within the permit area upon which the applicant will initiate and conduct surface coal mining and reclamation operations within the initial term of the permit. As succeeding increments of surface coal mining and reclamation operations are to be initiated and conducted within the permit area, the permittee shall file with the cabinet an additional bond or bonds to cover the increments in accordance with this section.
- (2) ~~[The cabinet may accept the reclamation bond of the applicant itself without separate surety when the applicant demonstrates to the satisfaction of the cabinet the existence of a suitable agent to receive service of process and a history of financial solvency and continuous operation sufficient for authorization to self insure or bond the amount or in lieu of the establishment of a bonding program, as set forth in this section;]~~The cabinet may approve an alternative system that will achieve the objectives and purposes of the bonding program pursuant to this section.

➔Section 4. KRS 350.070 is amended to read as follows:

- (1) Any extensions of the area covered by the permit, except incidental boundary revisions, shall be made by application for another permit or an amendment to the permit.~~[However, extensions of the underground mining area that are not incidental boundary revisions and do not include planned subsidence or other new proposed surface disturbances may be made by application for a major revision to the permit.]~~
- (2) For an amendment, the permittee shall file an application, map, and revised reclamation plan in the same form and with the same content as required for an original application under this chapter. He *or she* shall pay a basic fee set by regulation and bearing a reasonable relationship to the cost of processing the permit application, not to exceed one thousand seven hundred fifty dollars (\$1,750), plus a fee set by regulation, not to exceed seventy-five dollars (\$75), for each acre or fraction of an acre for the increase requested. He *or she* shall file with the cabinet a supplemental bond in the amount to be determined under the provisions of KRS 350.060(11) for each acre or fraction of an acre of the increase approved. This application shall be subject to all of the same requirements as an original application, including, but not limited to, the same public notice, review, and issuance or denial provisions.
- (3) If the cabinet approves a reduction in the acreage covered by the permit, it shall release the bond for each acre reduced, but the bond shall not be reduced below ten thousand dollars (\$10,000). If the cabinet approves a reduction in acreage, it shall transfer the acreage fee for each acre reduced to acreage fees for subsequent permit applications by the permittee.
- (4) The cabinet shall promulgate regulations specifying the permit application information requirements and procedures, including notice and hearing, which shall apply depending on the scale or extent of a permit revision. Any revision which proposes significant alterations in the reclamation plan shall be subject to the notice and hearing requirements as set forth in the regulations of the cabinet. The applicant for a revision shall pay a basic fee set by regulation, not to exceed seven hundred fifty dollars (\$750) for a minor revision and one thousand seven hundred fifty dollars (\$1,750) for a major revision, plus a fee set by regulation not to exceed seventy-five dollars (\$75), for each acre or fraction of an acre included in an incidental boundary revision.
- (5) Incidental boundary revisions shall be deemed minor revisions if they:
 - (a) Do not exceed ten percent (10%) of the initial permit acreage;
 - (b) Are contiguous with the permit acreage;
 - (c) Are within the same watershed as the initial permit acreage;
 - (d) Are required for an orderly continuation of the mining operation;
 - (e) Cover the same coal seam or seams as in the permit;

- (f) Would only involve lands for which the hydrologic and geologic data and the probable hydrologic consequences analysis contained in the permit are applicable to the proposed incidental boundary revision;
 - (g) Would not involve properties designated as unsuitable for mining, or any properties eligible for listing on the National Register of Historic Places;
 - (h) Would not involve any of the special categories of mining listed in 30 C.F.R. Part 785 including, but not limited to, prime farmland and coal preparation plants, unless the approved permit already includes the relevant category;
 - (i) Would not constitute a change in the method of mining; and
 - (j) Would be reclaimed in conformity with the initial reclamation plan.
- (6) For the purpose of this section, the maximum acreage allowed to be added by an incidental boundary revision shall be as follows:
- (a) Surface operations shall be allowed up to twenty (20) acres;
 - (b) ~~Underground operations shall be allowed up to ten percent (10%) of the original permitted acreage of the underground workings or twenty (20) acres, whichever is less;~~
 - ~~(c)~~ Surface disturbances of underground mines including, but not limited to, face-up areas and haul roads, shall be allowed up to twenty (20) acres; **and**
 - ~~(c)(d)~~ The cumulative acreage added by successive revisions shall not exceed the above limitations.

➔SECTION 5. A NEW SECTION OF KRS 350.240 TO 350.280 IS CREATED TO READ AS FOLLOWS:

A person shall not conduct mining for limestone, dolomite, sand, gravel, clay, fluorspar, or other vein minerals without first obtaining a permit from the cabinet. However, no permit shall be required for the excavation of limestone, dolomite, sand, gravel, clay, fluorspar, or other vein minerals by a landowner for personal, noncommercial use if:

- (1) *Fifty (50) tons or less are excavated in twelve (12) successive calendar months;*
- (2) *They are excavated from land owned by the landowner; and*
- (3) *They are used only on the property owned by the landowner, as provided in Article II(a) of Section 6 of this Act.*

➔Section 6. KRS 350.300 is amended to read as follows:

The Interstate Mining Compact is hereby enacted into law and entered into with all other jurisdictions legally joining therein in the form substantially as follows:

ARTICLE I

Findings and Purposes

- (a) The party States find that:
 - 1. Mining and the contributions thereof to the economy and well-being of every State are of basic significance.
 - 2. The effects of mining on the availability of land, water and other resources for other uses present special problems which properly can be approached only with due consideration for the rights and interests of those engaged in mining, those using or proposing to use these resources for other purposes, and the public.
 - 3. Measures for the reduction of the adverse effects of mining on land, water and other resources may be costly and the devising of means to deal with them are of both public and private concern.
 - 4. Such variables as soil structure and composition, physiography, climatic conditions, and the needs of the public make impracticable the application to all mining areas of a single standard for the conservation, adaptation, or restoration of mined land, or the development of mineral and other natural resources; but justifiable requirements of law and practice relating to the effects of mining on land, water, and other resources may be reduced in equity or effectiveness unless they pertain similarly from state to state for all mining operations similarly situated.
 - 5. The States are in a position and have the responsibility to assure that mining shall be conducted in accordance with sound conservation principles, and with due regard for local conditions.

(b) The purposes of this compact are to:

1. Advance the protection and restoration of land, water and other resources affected by mining.
2. Assist in the reduction or elimination or counteracting of pollution or deterioration of land, water and air attributable to mining.
3. Encourage, with due recognition of relevant regional, physical, and other differences, programs in each of the party States which will achieve comparable results in protecting, conserving, and improving the usefulness of natural resources, to the end that the most desirable conduct of mining and related operations may be universally facilitated.
4. Assist the party States in their efforts to facilitate the use of land and other resources affected by mining, so that such use may be consistent with sound land use, public health, and public safety, and to this end to study and recommend, wherever desirable, techniques for the improvement, restoration or protection of such land and other resources.
5. Assist in achieving and maintaining an efficient and productive mining industry and in increasing economic and other benefits attributable to mining.

ARTICLE II

Definitions

As used in this compact, the term:

- (a) "Mining" means the breaking of the surface soil in order to facilitate or accomplish the extraction or removal of minerals, ores, or other solid matter; any activity or process constituting all or part of a process for the extraction or removal of minerals, ores, and other solid matter from its original location; and the preparation, washing, cleaning, or other treatment of minerals, ores, or other solid matter so as to make them suitable for commercial, industrial, or construction use; but shall not include those aspects of deep mining not having significant effect on the surface, and shall not include excavation or grading when conducted solely in aid of ~~on-site~~ farming or construction *pursuant to Section 5 of this Act*.
- (b) "State" means a State of the United States, the District of Columbia, the Commonwealth of Puerto Rico, or a Territory or Possession of the United States.

ARTICLE III

State Programs

Each party State agrees that within a reasonable time it will formulate and establish an effective program for the conservation and use of mined land, by the establishment of standards, enactment of laws, or the continuing of the same in force, to accomplish:

1. The protection of the public and the protection of adjoining and other landowners from damage to their lands and the structures and other property thereon resulting from the conduct of mining operations or the abandonment or neglect of land and property formerly used in the conduct of such operations.
2. The conduct of mining and the handling of refuse and other mining wastes in ways that will reduce adverse effects on the economic, residential, recreational or aesthetic value and utility of land and water.
3. The institution and maintenance of suitable programs for adaptation, restoration, and rehabilitation of mined lands.
4. The prevention, abatement and control of water, air and soil pollution resulting from mining, present, past and future.

ARTICLE IV

Powers

In addition to any other powers conferred upon the Interstate Mining Commission, established by Article V of this compact, such Commission shall have power to:

1. Study mining operations, processes and techniques for the purpose of gaining knowledge concerning the effects of such operations, processes and techniques on land, soil, water, air, plant and animal life, recreation, and patterns of community or regional development or change.

2. Study the conservation, adaptation, improvement and restoration of land and related resources affected by mining.
3. Make recommendations concerning any aspect or aspects of law or practice and governmental administration dealing with matters within the purview of this compact.
4. Gather and disseminate information relating to any of the matters within the purview of this compact.
5. Cooperate with the federal government and any public or private entities having interests in any subject coming within the purview of this compact.
6. Consult, upon the request of a party State and within resources available therefor, with the officials of such State in respect to any problem within the purview of this compact.
7. Study and make recommendations with respect to any practice, process, technique, or course of action that may improve the efficiency of mining or the economic yield from mining operations.
8. Study and make recommendations relating to the safeguarding of access to resources which are or may become the subject of mining operations to the end that the needs of the economy for the products of mining may not be adversely affected by unplanned or inappropriate use of land and other resources containing minerals or otherwise connected with actual or potential mining sites.

ARTICLE V

The Commission

(a) There is hereby created an agency of the party States to be known as the "Interstate Mining Commission," hereinafter called "the Commission." The Commission shall be composed of one commissioner from each party State who shall be the Governor thereof. Pursuant to the laws of his party State, each Governor shall have the assistance of an advisory body (including membership from mining industries, conservation interests, and such other public and private interests as may be appropriate) in considering problems relating to mining and in discharging his responsibilities as the commissioner of his State on the Commission. In any instance where a Governor is unable to attend a meeting of the Commission or perform any other function in connection with the business of the Commission, he shall designate an alternate, from among the members of the advisory body required by this paragraph, who shall represent him and act in his place and stead. The designation of an alternate shall be communicated by the Governor to the Commission in such manner as its bylaws may provide.

(b) The commissioners shall be entitled to one vote each on the Commission. No action of the Commission making a recommendation pursuant to Article IV-3, IV-7, and IV-8 or requesting, accepting or disposing of funds, services, or other property pursuant to this paragraph, Articles V(g), V(h), or VII shall be valid unless taken at a meeting at which a majority of the total number of votes on the Commission is cast in favor thereof. All other action shall be by a majority of those present and voting: provided that action of the Commission shall be only at a meeting at which a majority of the commissioners, or their alternates, is present. The Commission may establish and maintain such facilities as may be necessary for the transacting of its business. The Commission may acquire, hold, and convey real and personal property and any interest therein.

(c) The Commission shall have a seal.

(d) The Commission shall elect annually, from among its members, a chairman, a vice chairman, and a treasurer. The Commission shall appoint an Executive Director and fix his duties and compensation. Such Executive Director shall serve at the pleasure of the Commission. The Executive Director, the Treasurer, and such other personnel as the Commission shall designate shall be bonded. The amount or amounts of such bond or bonds shall be determined by the Commission.

(e) Irrespective of the civil service, personnel or other merit system laws of any of the party States, the Executive Director with the approval of the Commission, shall appoint, remove or discharge such personnel as may be necessary for the performance of the Commission's functions, and shall fix the duties and compensation of such personnel.

(f) The Commission may establish and maintain independently or in conjunction with a party State, a suitable retirement system for its employees. Employees of the Commission shall be eligible for social security coverage in respect of old age and survivor's insurance provided that the Commission takes such steps as may be necessary pursuant to the laws of the United States, to participate in such program of insurance as a governmental agency or unit. The Commission may establish and maintain or participate in such additional programs of employee benefits as it may deem appropriate.

(g) The Commission may borrow, accept or contract for the services of personnel from any State, the United States, or any other governmental agency, or from any person, firm, association or corporation.

(h) The Commission may accept for any of its purposes and functions under this compact any and all donations, and grants of money, equipment, supplies, materials and services, conditional or otherwise, from any State, the United States, or any other governmental agency, or from any person, firm, association or corporation, and may receive, utilize and dispose of the same. Any donation or grant accepted by the Commission pursuant to this paragraph or services borrowed pursuant to paragraph (g) of this Article shall be reported in the annual report of the Commission. Such report shall include the nature, amount and conditions, if any, of the donation, grant or services borrowed and the identity of the donor or lender.

(i) The Commission shall adopt bylaws for the conduct of its business and shall have the power to amend and rescind these bylaws. The Commission shall publish its bylaws in convenient form and shall file a copy thereof and a copy of any amendment thereto, with the appropriate agency or officer in each of the party States.

(j) The Commission annually shall make to the Governor, legislature and advisory body required by Article V(a) of each party State a report covering the activities of the Commission for the preceding year, and embodying such recommendations as may have been made by the Commission. The Commission may make such additional reports as it may deem desirable.

ARTICLE VI

Advisory, Technical, and Regional Committees

The Commission shall establish such advisory, technical, and regional committees as it may deem necessary, membership on which shall include private persons and public officials, and shall cooperate with and use the services of any such committees and the organizations which the members represent in furthering any of its activities. Such committees may be formed to consider problems of special interest to any party States, problems dealing with particular commodities or types of mining operations, problems related to reclamation, development, or use of mine land, or any other matters of concern to the Commission.

ARTICLE VII

Finance

(a) The Commission shall submit to the Governor or designated officer or officers of each party State a budget of its estimated expenditures for such period as may be required by the laws of that party State for presentation to the legislature thereof.

(b) Each of the Commission's budgets of estimated expenditures shall contain specific recommendations of the amount or amounts to be appropriated by each of the party States. The total amount of appropriations requested under any such budget shall be apportioned among the party States as follows: one-half in equal shares; and the remainder in proportion to the value of minerals, ores, and other solid matter mined. In determining such values, the Commission shall employ such available public source or sources of information as, in its judgment, present the most equitable and accurate comparisons among the party States. Each of the Commission's budgets of estimated expenditures and requests for appropriations shall indicate the source or sources used in obtaining information concerning value of minerals, ores, and other solid matter mined.

(c) The Commission shall not pledge the credit of any party State. The Commission may meet any of its obligations in whole or in part with funds available to it under Article V(h) of this compact: provided that the Commission takes specific action setting aside such funds prior to incurring any obligation to be met in whole or in part in such manner. Except where the Commission makes use of funds available to it under Article V(h) hereof, the Commission shall not incur any obligation prior to the allotment of funds by the party States adequate to meet the same.

(d) The Commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the Commission shall be subject to the audit and accounting procedures established under its bylaws. All receipts and disbursements of funds handled by the Commission shall be audited yearly by a qualified public accountant and the report of the audit shall be included in and become part of the annual report of the Commission.

(e) The accounts of the Commission shall be open at any reasonable time for inspection by duly constituted officers of the party States and by any persons authorized by the Commission.

(f) Nothing contained herein shall be construed to prevent Commission compliance with laws relating to audit or inspection of accounts by or on behalf of any government contributing to the support of the Commission.

ARTICLE VIII

Entry into Force and Withdrawal

(a) This compact shall enter into force when enacted into law by any four or more States. Thereafter, this compact shall become effective as to any other State upon its enactment thereof.

(b) Any party State may withdraw from this compact by enacting a statute repealing the same, but no such withdrawal shall take effect until one year after the Governor of the withdrawing State has given notice in writing of the withdrawal to the Governors of all other party States. No withdrawal shall affect any liability already incurred by or chargeable to a party State prior to the time of such withdrawal.

ARTICLE IX

Effect on Other Laws

Nothing in this compact shall be construed to limit, repeal or supersede any other law of any party State.

ARTICLE X

Construction and Severability

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any State or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any State participating herein, the compact shall remain in full force and effect as to the remaining party States and in full force and effect as to the State affected as to all severable matters.

➔Section 7. KRS 350.518 is amended to read as follows:

- (1) In addition to the provisions of KRS 350.500 to 350.521, each permittee shall submit a permit-specific bond in accordance with KRS 350.060(11) and all administrative regulations promulgated thereunder.
- (2) Each permittee subject to KRS 350.515(1) shall pay to the fund a fee for each ton of coal mined and sold by surface and underground coal mining operations from each permit area. For the purposes of assessing tonnage fees, all permits subject to eligibility for expenditures from the fund shall be assigned to one (1) of the following classifications:
 - (a) Surface coal mining operations, including auger and highwall mining, for which an initial rate of seven and fifty-seven hundredths cents (\$0.0757) per ton of coal shall be paid to the fund;
 - (b) Underground coal mining operations, for which an initial rate of three and fifty-seven hundredths cents (\$0.0357) per ton of coal shall be paid to the fund;
 - (c) Permits that consist of combined surface and underground mining operations shall pay a fee in accordance with the predominant method of coal extraction;
 - (d) All permits previously subject to the voluntary bond pool fund at the time of its repeal by 2013 Ky. Acts ch. 78, sec. 12, shall:
 1. Be excluded from the start-up fee established in KRS 350.515;
 2. Pay the tonnage fees set forth in paragraphs (a) and (b) of this subsection to the fund in lieu of tonnage fees otherwise due under KRS 350.725(2); and

Any permittee, operator, or person who fails to abate a violation noted in a notice of noncompliance or an order for immediate compliance and cessation within the time period prescribed for the abatement shall be assessed a civil penalty of not less than seven hundred fifty dollars (\$750) for each day during which the violation continues. Any person issued an order pursuant to KRS 350.130(4) shall be assessed a civil penalty of not more than five thousand dollars (\$5,000) for each violation cited in the underlying notice of noncompliance issued therewith. No separate civil penalty shall be assessed for the order issued pursuant to KRS 350.130(4). Each day of continuing violation may be deemed a separate violation for purposes of penalty assessment. The cabinet shall develop a method for calculating monetary penalties and shall promulgate it as an administrative regulation. The basis for every waiver shall be fully explained and documented in the records of the case. If the secretary or his or her designated representative waives the use of the formula, he or she shall determine the appropriate penalty upon consideration of the permittee's history of previous violations at the particular surface coal mining operation, the seriousness of the violation, whether the permittee was negligent, and the demonstrated good faith of the permittee charged in attempting to achieve rapid compliance after notification of the violation. The penalties shall be recoverable in an action brought in the name of the Commonwealth of Kentucky by the cabinet. The Franklin Circuit Court shall hold concurrent jurisdiction and venue of all civil and injunctive actions instituted by the cabinet for the enforcement of the provisions of this chapter or the orders and administrative regulations of the cabinet promulgated pursuant

thereto. However, the penalties provided in subsection (1) of this section shall apply in lieu of the penalties provided in this subsection where an operator or permittee through inadvertence has exceeded the boundaries or expiration date of the permit in effect at that time.
- (3) The cabinet shall bring an action for the recovery of penalties and bring an action for a restraining order, temporary or permanent injunction, against any permittee, operator, or person violating or threatening to violate any of the provisions of this chapter or violating or threatening to violate any order or determination issued pursuant to the provisions of this chapter. - (10) Upon notice by the secretary that any surety has failed to comply with the provisions of KRS 350.032(3), the commissioner of the Kentucky Department of Insurance shall revoke the surety's certificate of authority to conduct insurance business within the Commonwealth of Kentucky.
- (11) The cabinet, upon written request by any permittee, person, or operator subject to any penalty assessment under this section and pursuant to procedures, if any, set forth by administrative regulation and after consultation with the local county fiscal court, may allow as an alternative to the payment of any assessed penalty under this section the performance of in-kind reclamation, environmental rehabilitation, or similar action to correct environmental pollution. The in-kind work shall not substitute for those remedial measures mandated by the cabinet for the correction of any violations. The estimated cost of the in-kind work shall be greater than the penalty assessment. The cabinet's Division of Abandoned Mine Lands shall have the authority to approve proposed in-kind projects and to recommend projects to the cabinet, and shall determine whether the estimated cost of the in-kind work exceeds the penalty assessment. For the purposes of this subsection, the cost of the in-kind work shall include only those expenditures for actual on-site reclamation or rehabilitation work, including direct equipment, personnel, and material cost, but excluding administrative overhead or transportation costs. Failure to perform the in-kind work as agreed upon by the person or operator subject to the penalty assessment shall reinstate the liability of the person, permittee, or operator for the full amount of the assessed penalty. The cabinet may prepare and promulgate administrative regulations as are necessary to implement and administer the provisions of this subsection.

- (1) The General Assembly hereby finds and declares that:

- (a) Public accountability for funds or other assets recovered in a legal action by or on behalf of the general public, the Commonwealth, or its duly elected statewide constitutional officers is appropriate and required, whether the character of the assets or funds recovered is public or private;
 - (b) Accountability for assets or funds recovered by duly elected statewide constitutional officers is essential to the public trust, and is even more critical when that officer was a party to the action that resulted in the recovery by virtue of the public office he or she holds;
 - (c) Public accountability demands the applicability of the *Kentucky Model Procurement Code, KRS Chapter 45A*, Kentucky Open Records Law, KRS 61.870 to 61.884, and the Kentucky Open Meetings Law, KRS 61.805 to 61.850, so that the actions of individuals or agencies who are charged with the administration of funds or other assets are conducted in full view, and are open to public scrutiny; and
 - (d) The power to appropriate funds for public purposes is solely within the purview of the legislative branch of government, and the General Assembly, as a steward of the budgetary process, shall take steps to assure that future settlements are handled in a manner that assures maximum accountability to the citizens of the Commonwealth and their duly elected legislative representatives.
- (2) Therefore, any other provision of the common law or statutory law to the contrary notwithstanding:
- (a) The provisions of subsection (3) of this section shall apply whenever the Attorney General or other duly elected statewide constitutional officer is a party or has entered his appearance in a legal action on behalf of the Commonwealth of Kentucky, including ex rel. or other type actions, and a disposition of that action has resulted in the recovery of funds or assets to be held in trust by the Attorney General or other duly elected statewide constitutional officer or a person, organization, or entity created by the Attorney General or the Commonwealth, through court action or otherwise, to administer the trust funds or assets, for charitable, eleemosynary, benevolent, educational, or similar public purposes;
 - (b) Except as otherwise provided in paragraph (a) of this subsection, the provisions of subsection (4) of this section shall apply when any funds or assets of any kind or nature whatsoever, including but not limited to public funds as defined in KRS 446.010 and private funds or assets are recovered by judgment or settlement of a legal action by or on behalf of the Commonwealth of Kentucky, including ex rel. or other type actions filed by a duly elected statewide constitutional officer under that officer's statutory or common law authority.
- (3) Whenever the Attorney General or other duly elected statewide constitutional officer is a party to or has entered his appearance in, a legal action on behalf of the Commonwealth of Kentucky, including ex rel. or other type actions, and a disposition of that action has resulted in the recovery of funds or assets to be held in trust by the Attorney General or other duly elected statewide constitutional officer or by a person, organization, or entity created by the Attorney General, or the Commonwealth, through court action or otherwise, to administer the trust funds or assets, for charitable, eleemosynary, benevolent, educational, or similar public purposes, those funds shall be deposited in the State Treasury and the funds or assets administered and disbursed by the Office of the Controller.
- (4) The Office of Attorney General may first recover its reasonable costs of litigation, as determined by the court and approved by the secretary of the Finance and Administration Cabinet. After recovering the reasonable costs of litigation, any required consumer restitution or payments shall be made. All remaining funds shall be deposited in the general fund surplus account. Any costs recovered under this subsection shall be reported to the Interim Joint Committee on Appropriations and Revenue.
- (5) The common law, including the common law authority of any duly elected statewide constitutional officer, is specifically abrogated to the extent it is inconsistent with the provisions of this section.
- (6) Notwithstanding any statute or common law to the contrary, and except as provided in this subsection, an elected statewide constitutional officer or any other state official or agency shall not file or participate as a plaintiff, petitioner, party, intervening party, attorney, or amicus curiae in any litigation challenging the constitutionality of this section. State funds and employee time shall not be expended by any person or agency in support of such a challenge. If the constitutionality of this section is challenged, the Finance and Administration Cabinet shall be the sole named respondent in that litigation, and shall consult with the Legislative Research Commission regarding defense of that litigation.

- (3) Any complaint taken from a citizen alleging misconduct on the part of any officer shall be taken as follows:
 - (a) If the complaint alleges criminal activity by an officer, the allegations may be investigated without a signed, sworn complaint of the citizen;

 - (b) No threats, promises, or coercions shall be used at any time against any officer while he or she is a suspect in a criminal case or has been accused of a violation of law enforcement procedures. Suspension from duty with or without pay, or reassignment to other than an officer's regular duties during the period shall not be deemed coercion. - (6)
 - (a) If it is determined through investigation or other means that the facts alleged in a citizen complaint or in an accusation of a violation of law enforcement procedures warrant charging the officer, the charge shall be made in writing with sufficient specificity so as to fully inform the officer of the nature and circumstances of the alleged violation in order that he or she may be able to properly defend himself or herself.
 - (b) The charge shall be signed by a representative of the employing agency, shall set out the disciplinary action recommended or imposed, and shall be served on the officer in writing by certified mail, return receipt requested, or by personal delivery.

 - (d) If the return receipt has been returned unsigned, or the individual does not appear, except due to circumstances beyond his or her control he or she cannot appear at the time and place of the hearing, any charge resulting from a complaint made by that citizen shall not be considered by the hearing authority and shall be dismissed with prejudice;
 - (e) The accused officer shall have the right and opportunity to obtain and have counsel present, and to be represented by counsel;
 - (f) The appointing authority, legislative body, or other body as designated by the Kentucky Revised Statutes shall subpoena and require the attendance of witnesses and the production by them of books, papers, records, and other documentary evidence at the request of the accused officer or the charging party. If any person fails or refuses to appear under the subpoena, or to testify, or to attend, or produce the books, papers, records, or other documentary evidence lawfully required, the appointing authority, legislative body, or other body as designated by the Kentucky Revised Statutes may report to the Circuit Court or any judge thereof the failure or refusal, and apply for a rule. The Circuit Court, or any judge thereof, may on the application compel obedience by proceedings for contempt as in the case of disobedience of the requirements of a subpoena issued from the court;
 - (g) The accused officer shall be allowed to present witnesses and any documentary or other relevant evidence the officer wishes to provide to the hearing authority, and may cross-examine all witnesses called by the charging party;
 - (h) If any officer who has been suspended with or without pay is not given a hearing as provided by this section within seventy-five (75) days of any charge being filed pursuant to this section, the charge shall be dismissed with prejudice and shall not be considered by any hearing authority and the officer shall be reinstated with full back pay and benefits;
 - (i) Any officer who has been suspended without pay who is found not guilty of the charges by the hearing authority shall be reinstated with the full back pay and benefits for the regular hours he or she would have worked;
 - (j) The failure to provide any of the rights or to follow the provisions of this section may be raised by the officer with the hearing authority. The hearing authority shall not exclude proffered evidence based on

failure to follow the requirements of this section but shall consider whether, because of the failure, the proffered evidence lacks weight or credibility and whether the officer has been materially prejudiced; and

- (k) To the extent the provisions of KRS 61.805 to 61.850 are applicable, the hearing authority may conduct the hearing required by this subsection in a closed session, unless the officer requests of the hearing authority in writing at least three (3) days prior to the hearing that the hearing be open to the public.
- (8) (a) Any officer who is found guilty by any hearing authority of any charge, may bring an action in the Circuit Court in the county in which the employing agency is located within thirty (30) days of the date written findings are issued to appeal the action of the hearing authority. The appeal shall be initiated by the filing of a complaint in the same manner as any civil action under the Rules of Civil Procedure and shall include a copy of the hearing authority's final order. The Circuit Court review of the case shall be based solely upon the administrative record created before the hearing authority and any new evidence offered by the officer regarding alleged arbitrariness on the part of the hearing authority.
- (b) The judgment of the Circuit Court shall be subject to appeal to the Court of Appeals. The procedure as to appeal to the Court of Appeals shall be the same as in any civil action.
- (9) The provisions of KRS 90.310 to 90.410, 95.450, and 95.765 shall not apply in any proposed disciplinary action arising from a citizen complaint made under subsection (3) of this section or arising from any allegation of conduct that would constitute a violation of law enforcement procedures under subsection (4) of this section. This section shall not be interpreted or construed to alter or impair any of the substantive rights provided to a city police officer under KRS 90.310 to 90.410, 95.450, and 95.765 for any proposed disciplinary action or other matters not arising under subsections (3) and (4) of this section, including proposed actions involving alleged violations of general employment policies. To the extent that the provisions of this section are inapplicable to any proposed disciplinary action against a city police officer, the provisions of KRS 90.310 to 90.410, 95.450, and 95.765 shall remain in full force and effect.
- (10) As the provisions of this section relate to a minimum system of professional conduct, nothing in this section shall be interpreted or construed to:
 - (a) Limit or to in any way affect any rights previously afforded to officers of the Commonwealth by statute, collective bargaining or working agreement, or legally adopted ordinance;
 - (b) Preclude an employing agency from investigating and charging an officer both criminally and administratively;
 - (c) Prevent the suspension with or without pay or reassignment of an officer during an investigation and pending final disposition charges;
 - (d) Permit an employing agency to categorize and treat any complaint that originates from a citizen as an internal matter in order to avoid application of all of the provisions of this section to the final disposition of a citizen's complaint;
 - (e) Apply any disciplinary action required by this section to actions taken by an employing agency that is not related to misconduct by a law enforcement officer, such as personnel decisions made by the employing agency due to a lack of resources or personnel decisions related to a chief's management of a *police* department; or
 - (f) Prevent an employing agency from electing to apply the provisions of this section, or parts thereof, in circumstances that would not be covered under this section.
- (11) This section shall not apply to officers employed by a consolidated local government that receives funds under KRS 15.410 to 15.510, who shall instead be governed by the provisions of KRS 67C.326.

You will be notified of the time and place for mediation, if the well operator chooses mediation, and of your right to participate."

The certified mail receipt, when returned, shall be filed by the well operator with the department and made part of the permit application.

- (5) If the well operator has been unable to reach agreement with the surface owners of all areas to be disturbed in all cases where there has been a complete severance of the ownership of the oil and gas from the ownership of the surface to be disturbed, the permit required by this chapter shall not be issued until the dispute has been referred to mediation **to be conducted by the Energy and Environment Cabinet's Office of Administrative Hearings**~~General Counsel's Office of the Department for Natural Resources~~, and mediation has been concluded either by agreement between the parties or by a report of the mediator, in accordance with subsection (6) of this section.

The department may waive the mediation fee for surface owners who submit verifiable proof of financial inability to pay. The department shall notify the well operator and all surface owners of areas to be disturbed by drilling who have not agreed to the operation and reclamation plan of the date and time mediation shall be conducted by certified mail, return receipt requested. The department shall conduct mediation at the site proposed to be disturbed within fifteen (15) days from the date requested, if practicable. At the mediation, the mediator will attempt to facilitate an agreement between the well operator and the surface owner. If an agreement is not forthcoming after mediation, the mediator shall, within five (5) days after mediation, issue a report to the director~~of the Division of Oil and Gas~~ recommending that the director:

- (a) Accept the plan as submitted by the well operator; or
 - (b) Accept the plan with modifications set forth by the mediator.

 - (b) The timing of the operation, considering seasonal uses of the land by the surface owner and the need of the well operator to drill expeditiously;
 - (c) The impact on the other uses of the land by the surface owner, including the location of timber, houses, barns, ponds, crops, and other improvements;
 - (d) Whether the plan includes a plan for timely, effective reclamation of all disturbed areas; and
 - (e) Any other information deemed appropriate by the mediator.
- (8) The director shall ***make a final agency determination***~~[act upon the recommendation of the mediator]~~ within five (5) days of the receipt of the mediation report ***accepting the plan as submitted by the well operator, accepting the plan with modifications set forth by the mediator, or approving a plan containing elements of both the original and the modified plan.***
- (9) ***Any order or final determination of the department under this section shall be subject to review in accordance with Section 11 of this Act and any administrative regulations promulgated thereunder.***

This section applies to any lessee or owner of an oil and gas interest in a proposed unit.

- (1) The department, ~~at~~^{upon} its own ***discretion***~~motion~~ or upon the application of any lessee or owner of an oil and gas interest in a pool or pools of a proposed unit may, after notice to all ***lessees or owners of an oil and gas interest in a pool or pools of a proposed unit, issue an order***~~interested persons, conduct a hearing to consider the need~~ for the operation and development as a unit of any pool or pools, or any portion thereof, for the production of oil and associated gas in order to increase their ultimate recovery by unitized operation and development so that each owner in the pool or pools shall have the opportunity to recover his fair and equitable share of the recoverable oil and gas in the unit.~~{~~
 - ~~(a) The hearing shall be conducted in accordance with KRS Chapter 13B. Notice of the hearings prescribed in this subsection shall be given to all persons reasonably known to the department to be a lessee or owner of an oil and gas interest in a pool or pools within a proposed unit.~~

- (2) The application for a unit shall include the following:
 - (a) A description of the area to be included in the unit, with a map attached, and a description of the pool or pools, or portions thereof, to be included within the unit;
 - (b) A statement of the nature of the unit operations contemplated;
 - (c) A proposed allocation of production and reserves among the separately-owned tracts and interests contributed to the unit. Reserves shall be calculated by industry standard methods supported by geological and engineering data, as determined to be appropriate by the department. The department may require an independent third party to verify the calculations as to proposed allocation of production or reserves;
 - (d) The procedure upon which wells and equipment of the separately-owned tracts and interests are to be used and compensated for in unit operations; and

 - (a) 1. The unitized operation and development of a pool or pools, or any portion thereof, for the production of oil and associated gas is reasonably necessary in order to effectively carry on operations for enhanced recovery, including but not limited to, increased density drilling, or secondary recovery operations by pressure-maintenance, repressuring, cycling, water flooding, tertiary recovery operations, or any combination of these, in order to substantially increase the ultimate recovery of oil and associated gas from the pool or pools within the unit, or to protect the correlative rights of affected mineral owners; and

2. The value of the additional recovery of oil and associated gas exceeds the estimated additional cost incident to conducting the operation; or
- (b) The unitized operation of the pool or pools within the unit will prevent waste and protect the correlative rights of the owners in the pool or pools within the unit.
- (4) Each well permitted to be drilled, deepened, reopened, or converted to an injection well and operated in a unit shall conform to either the spacing standards established in KRS 353.610, or to other unit spacing that shall be established by the department ~~as a part of the hearing provided for in this section~~.

 - (b) Designate the unit operator of the operation;
 - (c) Approve a unit operating agreement;
 - (d) Provide for the allocation of production and reserves among all separately-owned tracts and interests in the unit;

 - (f) Establish the spacing approved for the unit.
- (7) Any unitization order shall provide just and equitable alternatives whereby an owner of an operating interest who does not elect to participate in the risk and cost of developing the unit may elect to surrender his interest, or a portion of it, to the participating owners on a reasonable basis and for a reasonable consideration, which if not agreed upon, shall be determined by the department; or elect to participate in the development of the unit on a carried basis on terms and conditions which, if not agreed upon, shall be determined by the department to be just and reasonable. If a dispute arises as to the costs of operating and developing a unit, then the department shall determine and apportion the costs within ninety (90) days after the date of written notification to the department of the existence of the dispute; however, any person disputing an actual or proposed expenditure shall file notice of the disputed costs within one (1) year after notice of the actual or proposed expenditure was received by the person filing the dispute.
- (8) An order establishing a unit may be modified, altered, extended, vacated, or otherwise amended by the department after notice ~~and hearing~~ as prescribed in this section and a demonstration by affected persons of a significant change of circumstances supporting the amendment.
 - (a) An amendment to extend or enlarge the unit area shall be agreed upon in writing by documented owners of at least a fifty-one percent (51%) ownership in the interests in the pool or pools in the unit;
 - (b) An amendment of a unitization order enlarging a unit shall allocate to each tract or interest in the unit, as amended, a portion of the total production of oil or gas, or both, from the unit so enlarged, in proportion to the contribution of the tract or interest to the unit during the remaining course of unit operations, and shall supersede and be in lieu of the allocation of production provided for in any previously-established unit and shall have an effective date provided for in the order.
- (9) Wells drilled, deepened, or reopened for the injection of water, gas, or other fluids into any subsurface formation shall be governed by applicable state and federal statutes and regulations.
- (10) ***Any order or final determination of the department under this section shall be subject to review in accordance with Section 11 of this Act and any administrative regulations promulgated thereunder.***

➔Section 11. KRS 353.700 is amended to read as follows:

CHAPTER 107

(SB 151)

AN ACT relating to retirement.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 6.505 is amended to read as follows:

- (1) (a) Each legislator in office on July 1, 1980, may within thirty (30) days after that date, and any legislator thereafter taking office may within thirty (30) days after the date thereof, elect to make monthly contributions to the Legislators' Retirement Plan, in an amount equal to five percent (5%) of his monthly creditable compensation, as defined in KRS 61.510(13), ***or the amount specified by paragraph (d) of this subsection***. The election shall be effective to establish membership in the plan as of July 1, 1980, or as of the date from which the thirty (30) day period is measured, as the case may be. Provided, however, that any legislator who was in office on July 1, 1980, and who is in office at the time he makes the election may, after the expiration of the thirty (30) day period and until May 1, 1982, make the election, in which event he shall pay to the Legislators' Retirement Plan, for the months between July 1, 1980, and the date of his election such sum as, when added to any member's contribution by him that is transferred from another retirement system under KRS 6.535, will equal the member's contribution required by this section. If the member makes his election after February 1, 1981, he shall in addition pay to the plan interest on the foregoing sum, at six percent (6%) per annum, calculated as if the sum consisted of equal monthly payments, one (1) of which was due at the end of each month between July 1, 1980, and the date the election was made. The election shall be addressed to and filed with the secretary of the Finance and Administration Cabinet and shall constitute an authorization to the secretary to thereafter cause to be deducted from the member's monthly creditable compensation an amount equal to five percent (5%) thereof, as a voluntarily elected contribution by the member towards the funding of the Legislators' Retirement Plan.
- (b) 1. For a member who begins participating in the Legislators' Retirement Plan prior to January 1, 2014, the election shall operate to create an inviolable contract between such member and the Commonwealth, guaranteeing to and vesting in the member the rights and benefits provided for under KRS 6.515 to 6.530, ***except that the General Assembly reserves the right to amend, reduce, or suspend any legislative changes to the provisions of KRS 6.500 to 6.577 that become effective on or after July 1, 2018.***
- 2. a. For members who begin participating in the Legislators' Retirement Plan on or after January 1, 2014, the General Assembly reserves the right to amend, suspend, or reduce the benefits and rights provided under KRS 6.500 to 6.577 if, in its judgment, the welfare of

- the Commonwealth so demands, except that the amount of benefits the member has accrued at the time of amendment, suspension, or reduction shall not be affected.
- b. For purposes of this subparagraph, the amount of benefits the member has accrued at the time of amendment, suspension, or reduction shall be limited to the accumulated account balance the member has accrued at the time of amendment, suspension, or reduction.
 - c. The provisions of this subsection shall not be construed to limit the General Assembly's authority to change any other benefit or right specified by KRS 6.500 to 6.577, for members who begin participating in the Legislators' Retirement Plan on or after January 1, 2014, except the benefits specified by subparagraph 2.b. of this paragraph.
3. The provisions of this paragraph shall not be construed to limit the General Assembly's authority to amend, reduce, or suspend the benefits and rights of members of the Legislators' Retirement Plan as provided by KRS 6.500 to 6.577 that the General Assembly had the authority to amend, reduce, or suspend, prior to July 1, 2013.
- (c) An election once made under this section either to participate or not to participate in the Legislators' Retirement Plan, shall be considered to apply to all future service as a legislator ***except as provided by Section 7 of this Act or subsection (3) of Section 8 of this Act***, whether in the same or a different office as a legislator, and whether or not it is in successive terms.
 - (d) Notwithstanding the provisions of this subsection:
 1. A legislator who becomes a member of the Legislators' Retirement Plan on or after September 1, 2008, but prior to January 1, 2014, shall make monthly contributions to the Legislators' Retirement Plan in an amount equal to six percent (6%) of his monthly creditable compensation, as defined in KRS 61.510(13);~~+~~
 2. A legislator who becomes a member of the Legislators' Retirement Plan on or after January 1, 2014, shall make monthly contributions to the Legislators' Retirement Plan in an amount equal to six percent (6%) of his or her monthly creditable compensation, as defined in KRS 61.510(13), of which:
 - a. Five percent (5%) of his or her monthly creditable compensation, as defined in KRS 61.510(13), shall be used to provide funding for benefits provided under KRS 21.402; and
 - b. One percent (1%) of his or her monthly creditable compensation, as defined in KRS 61.510(13), shall be used exclusively to help fund retiree health benefits as provided by KRS 6.577 and shall not be refunded to the member if the member withdraws his or her accumulated account balance as provided by KRS 21.460. The amounts deducted under this subdivision shall be credited to an account established pursuant to 26 U.S.C. sec. 401(h), within the fund established by KRS 6.530.
- (2) A legislator entitled to elect membership in the retirement system who failed to elect membership within thirty (30) days after taking office may elect membership not later than August 31, 2005. An election, upon being made pursuant to this section, shall operate to create an inviolable contract between the member entitled to elect membership under this subsection and the Commonwealth, guaranteeing to and vesting in the member the rights and benefits provided for under the terms and conditions of KRS 6.500 to 6.577, ***except that the General Assembly reserves the right to amend, reduce, or suspend any legislative changes to the provisions of KRS 6.500 to 6.577 that become effective on or after July 1, 2018.***
 - (3) When any legislator makes a delayed election of membership in the Legislators' Retirement Plan under subsection (2) of this section, his active membership in the Kentucky Employees Retirement System shall terminate, as of the date his membership in the Legislators' Retirement Plan becomes effective, and any credit in the Kentucky Employees Retirement System, earned for service as a legislator, which he then has or which he subsequently regains while being an active member of the Legislators' Retirement Plan, shall be transferred to and counted as service credit in the Legislators' Retirement Plan, and shall no longer constitute credit in the Kentucky Employees Retirement System, except for the purpose of validating any other credit in that system if the member pays the difference, if any, between the amount transferred from the Kentucky Employees Retirement System and the actuarial value of the transferred service. However, any credit he then has in the Kentucky Employees Retirement System, earned for service in any capacity other than a legislator, shall not be affected. No person may attain credit in more than one (1) of the retirement plans or systems mentioned in this section for the same period of service. When credit is transferred from the Kentucky Employees Retirement

System to the Legislators' Retirement Plan, the Kentucky Employees Retirement System shall transfer to the Legislators' Retirement Fund an amount equal to the employee's and employer's contributions attributable to that credit, together with interest on the contributions from the date made to the date of transfer at the actuarially assumed interest rate of the Kentucky Employees Retirement System in effect at the time the contributions were made, compounded annually at that same interest rate.

- (4) The state shall, solely for the purpose of compliance with Section 414(h) of the United States Internal Revenue Code, pick up the employee contributions required by this section for all compensation earned after August 1, 1982, and the contributions so picked up shall be treated as employer contributions in determining tax treatment under the United States Internal Revenue Code and KRS 141.010(10). The picked-up employee contribution shall satisfy all obligations to the retirement system satisfied prior to August 1, 1982, by the employee contribution, and the picked-up employee contribution shall be in lieu of an employee contribution. The state shall pay these picked-up employee contributions from the same source of funds which is used to pay earnings to the employee. The employee shall have no option to receive the contributed amounts directly instead of having them paid by the employer to the system. Employee contributions picked up after August 1, 1982, shall be treated for all purposes of KRS 6.500 to 6.535 in the same manner and to the same extent as employee contributions made prior to August 1, 1982.
- (5) When any legislator elects membership in the Legislators' Retirement Plan in accordance with this section, his active membership in the Kentucky Employees Retirement System, State Police Retirement System, County Employees Retirement System, or Teachers' Retirement System shall terminate, as of the date his membership in the Legislators' Retirement Plan becomes effective, and any credit in such other system or systems, earned for service as a legislator, which he then has or which he subsequently regains while being an active member of the Legislators' Retirement Plan, shall be transferred to and counted as service credit in the Legislators' Retirement Plan, and shall no longer constitute credit in such other retirement system except for the purpose of validating any other credit in that system. However, any credit he then has in such other retirement system, earned for service in any capacity other than a legislator, shall not be affected. No person may attain credit in more than one (1) of the retirement plans or systems mentioned in this section, for the same period of service.
- (6) A member of the Legislators' Retirement Plan who would be entitled, under KRS 61.552, to repurchase credit in the Kentucky Employees Retirement System, for previous service as a legislator, which credit had been lost by refund of contributions, may pay the amount required by KRS 61.552 directly to the Legislators' Retirement Plan and thereby obtain credit in that plan for such service, rather than making payment to the Kentucky Employees Retirement System for credit which would be transferred to the Legislators' Retirement Plan. In such event, the Kentucky Employees Retirement System shall transfer to the Legislators' Retirement Plan an amount equal to the employer's contributions that originally were made to the Kentucky Employees Retirement System for the regained service credit, with interest as provided in KRS 6.535. Six (6) months' current service shall be required in the Legislators' Retirement Plan in order for the repurchased credit to remain in force, the same as provided in KRS 61.552. Service purchased under this subsection on or after January 1, 2014, shall not be used to determine the member's participation date in the Legislators' Retirement Plan.

➔Section 2. KRS 6.518 is amended to read as follows:

- (1) For purposes of this section, "bona fide promotion or career advancement":
 - (a) Means a professional advancement in substantially the same line of work held by the member in the four (4) years immediately prior to the final five (5) annual years preceding retirement or a change in employment position based on the training, skills, education, or expertise of the member that imposes a significant change in job duties and responsibilities to clearly justify the increased compensation to the member; and
 - (b) Does not include any circumstance in which a legislator participating in the Legislators' Retirement Plan takes a position of employment with an employer participating in any of the other state-administered retirement systems.
- (2) (a) For members retiring on or after January 1, 2018, the plan shall, for each of the retiring member's last five (5) annual years of service in the General Assembly or with any employer participating in any of the state-administered retirement systems, identify any annual year in which the creditable compensation used to calculate benefits in the Legislators' Retirement Plan increased at a rate of ten percent (10%) or more annually over the immediately preceding annual year's creditable compensation.

- (b) Except as limited or excluded by subsections (3) and (4) of this section, any amount of increase in creditable compensation for an annual year identified under paragraph (a) of this subsection that exceeds ten percent (10%) more than the member's creditable compensation from the immediately preceding annual year shall not be included in the creditable compensation used to calculate the member's monthly pension benefits. If the creditable compensation for a specific annual year identified under paragraph (a) of this subsection as exceeding the ten percent (10%) increase limitation is not used to calculate the retiring member's monthly pension benefits, then no reduction in creditable compensation shall occur for that annual year. Reductions to creditable compensation as provided by this paragraph shall include any creditable compensation used to calculate the retiring member's benefits, including creditable compensation earned in another state-administered retirement system.
- (c) If the creditable compensation of the retiring member is reduced as provided by paragraph (b) of this subsection, the retirement system shall, notwithstanding KRS 21.460 and as applicable, refund the member contributions attributable to the reduction in creditable compensation.
- (3) In order to ensure the prospective application of the limitations on increases in creditable compensation contained in subsection (2) of this section, only the creditable compensation earned by the retiring member on or after July 1, 2017, shall be subject to reduction under subsection (2) of this section. Creditable compensation earned by the retiring member prior to July 1, 2017, shall not be subject to reduction under subsection (2) of this section.
- (4) Subsections (2) and (3) of this section shall not apply to increases that are the direct result of a bona fide promotion or career advancement.
- (5) The Judicial Form Retirement System board of trustees shall determine whether increases in creditable compensation during the last five (5) annual years of employment prior to retirement constitute a bona fide promotion or career advancement and may promulgate administrative regulations in accordance with KRS Chapter 13A to administer this section. All state-administered retirement systems shall cooperate to implement this section.
- (6) This section shall not apply to:
 - (a) Employees participating in the hybrid cash balance ~~plans[plan]~~ as provided by KRS 21.402 *or Section 19 of this Act; or*
 - (b) *Service earned in the 401(a) money purchase plan as provided by Section 12 of this Act.*

➔Section 3. KRS 6.520 is amended to read as follows:

- (1) A member of the Legislators' Retirement Plan who retires on or after his normal retirement date shall receive a service retirement allowance, payable monthly during his lifetime, in an amount per month equal to three and fifty one-hundredths percent (3.50%) of his final compensation multiplied by the number of years of his service, but in no event to exceed one hundred percent (100%) of final compensation. For this purpose, "final compensation" means the average monthly creditable compensation as determined in KRS 61.510(13) of the member for services as a legislator for the three (3) years during which the member had the highest creditable legislative compensation.
- (2) A member shall have rights, with respect to retirement before reaching normal retirement date in the Legislators' Retirement Plan, identical in terms with those rights provided in KRS 21.400(2) and (3) in the Judicial Retirement Plan for members of that plan, except that the reduction in a legislators' service retirement allowance for early retirement shall be at the rate of five percent (5%) of the allowance for each year that retirement precedes the normal retirement date.
- (3) Subsections (1) and (2) of this section to the contrary notwithstanding, each legislator in office on July 1, 1982, that is a member of the Legislators' Retirement Plan, who retires on or after his normal retirement date, shall receive a service retirement allowance, payable monthly, on a formula equal to that of a justice or judge of the Court of Justice with an equivalent service entrance date, but in no event less than that specified in subsection (1) of this section, of his final compensation multiplied by the number of years of his service, but in no event to exceed one hundred percent (100%) of his final compensation. For this purpose, "final compensation" means the average monthly creditable compensation as determined in KRS 61.510(13) of the three (3) years during which the member had the highest creditable legislative compensation.
- (4) ~~Notwithstanding any other provision of KRS 6.500 to 6.577 or 21.345 to 21.580[Subsections (1) and (2) of this section] to the contrary[notwithstanding],~~ a member of the Legislators' Retirement Plan with a service entrance date after July 1, 1982 but prior to January 1, 2014, who retires on or after his normal retirement date,

shall receive a service retirement allowance, payable monthly during his lifetime, in an amount per month equal to:

- (5) Subsections (1) to (4) of this section shall not apply to members who begin participating in the Legislators' Retirement Plan on or after January 1, 2014.

➔Section 4. KRS 6.525 is amended to read as follows:

- (b) 1. For members contributing on or after June 20, 2005 but prior to January 1, 2014, ***who have service credit in the State Police Retirement System, Kentucky Employees Retirement System, County Employees Retirement System, or Teachers' Retirement System prior to January 1, 2019:*** Upon retirement, a member's accounts under the Legislators' Retirement Plan, State Police Retirement System, Kentucky Employees Retirement System, County Employees Retirement System, and Teachers' Retirement System shall be consolidated for the purpose of determining eligibility and amount of benefits as provided in KRS 61.680(2)(a) and in the same manner as for the other retirement systems using the highest salary regardless of the system in which it was earned, ***except that any salary earned in the State Police Retirement System, Kentucky Employees Retirement System, County Employees Retirement System, or Kentucky Teachers' Retirement System on or after January 1, 2019, shall not be used to determine benefits in the Legislators' Retirement Plan.***

 7. The retirement system shall determine how much of the total cost represents payment for one (1) month of the service to be purchased and shall credit one (1) month of service to the member's account each time this amount has been paid. The first service credited shall represent the first calendar month of the service to be purchased and each succeeding month of service credit shall represent the succeeding months of that service.
 8. If the employee utilizing an installment purchase of service agreement dies, retires, does not continue employment in a position required to participate in the retirement system, or elects to stop an after-tax installment purchase of service agreement, the member, or in the case of death, the beneficiary, shall have sixty (60) days to pay the remaining principal or a portion of the remaining principal of the installment purchase of service agreement by lump sum, subject to the restrictions of paragraph (a)1. of this subsection, or by transfer of funds under paragraph (a)3. of this subsection, except that payment by the member shall be filed with the system prior to the member's effective retirement date. If the member or beneficiary does not pay the remaining cost, the retirement system shall refund to the member or the beneficiary the payment, payments, or portion of a payment that does not represent a full month of service purchased, except as provided by subsection (22) of this section.
 9. If the employer does not report installment payments on an employee for sixty (60) days for an after-tax installment purchase of service agreement, except in the case of employees on military leave or sick leave without pay, the installment purchase shall cease and the retirement system shall refund to the employee the payment, payments, or portion of a payment that does not represent a full month of service purchased.
 10. Installment payments of employees on military leave or sick leave without pay shall be suspended during the period of leave and shall resume without recalculation upon the employee's return from leave.
 11. If payments have ceased under subparagraph 8. or 9. of this paragraph and the member later becomes a participating employee in one (1) of the three (3) systems administered by Kentucky Retirement Systems, the employee may complete the adjusted original installment purchase by lump sum or installment payments, subject to the restrictions of this subsection.  - (e) The cost of purchasing service credit under any provision of this section, except as provided by subsections (1) and (20) of this section, shall be determined by the delayed contribution method as provided by KRS 61.5525.
