Employee Layoffs, Furloughs, and Reduced Hours:** Notwithstanding any statute to the contrary, the following process and procedure is established for July 1, 2020, through June 30, 2021, in the event that the Legislative Research Commission (LRC) determines that it is desirable for the Director of the LRC to layoff, furlough, or reduce hours of employees:

(1) For the purposes of this section:

(a) "Appointing authority" means the Director of the LRC, in his or her capacity as provided in KRS 27A.010, or any agent whom he or she has delegated to act on his or her behalf with respect to employee appointments, position establishments, payroll documents, reemployment requests, waiver requests, requests for certification, or other position actions for the LRC;

(b) "Furlough" or "reduction in hours" means the temporary reduction of hours an employee is scheduled to work by the appointing authority within a pay period;

(c) "Layoff" means discharge of employment subject to the rights contained in this section; and

(d) "Employees" includes all persons employed by the LRC;

(2) Upon an order by the LRC, the appointing authority has the authority to layoff or furlough employees or reduce hours of employment for any of the following reasons:

(a) Lack of funds or budgetary constraints;

(b) A reduction in the agency's spending authorization;

(c) Lack of work;

(d) Abolishment of a position; or

(e) Other material change in duties or organization;

(3) The appointing authority shall determine the job classifications affected and the number of employees laid-off in each classification to which a layoff applies. In the same department or office and job classification, interim and probationary employees shall be laid-off before any full-time or part-time employees are laid-off. For purposes of layoff, "probationary employee" does not include an employee serving a promotional probation;

(4) The Director of the LRC shall approve and implement all actions taken under subsection (2) of this section and no such layoff, furlough, or reduction of hours may begin until such approval has been granted. The Director of the LRC has the authority to determine the extent, effective dates, and length of any action taken under subsection (2) of this section;

(5) In determining the employees to be laid-off, the appointing authority shall consider all employees under the same appointing authority and within the job classification affected. Consideration shall be given to the following relevant factors:

(a) Job performance evaluations;

(b) Seniority;

(c) Education, training, and experience; and

(d) Disciplinary record;

(6) Any employee whose position is subject to layoff, furlough, or reduction of hours shall be provided written notice containing the reason for the action as set forth in subsection (2) of this section at least 15 days in advance of the effective date of the action;

(7) Any employee who is laid-off shall be eligible to apply as a reemployment applicant for positions with the same job classification in the LRC. For a period of two years, a reemployment applicant shall be hired before any applicant except another reemployment applicant with greater seniority who is on the same reemployment list. When a reemployment applicant is removed from a reemployment list, he or she shall be notified in writing. A reemployment applicant who accepts another LRC position, or who retires, shall cease to have eligibility rights as a reemployment applicant;

(8) The appointing authority may place employees subject to a reduction in force;

(9) Furloughs or reduction of hours during a pay period shall not result in the loss of eligibility for any benefit otherwise due the employee;

(10) The appointing authority shall have the authority to promulgate comprehensive administrative regulations governing this section; and

(11) A layoff, furlough, or reduction of hours implemented in accordance with this section shall not be considered a penalization of the employee.

### PART III

#### BUDGET REDUCTION OR SURPLUS EXPENDITURE PLAN

The Legislative Branch shall participate in any Budget Reduction Plan or Surplus Expenditure Plan in accordance with KRS Chapter 48, except that obligations essential to the constitutional duties of the Legislative Branch shall be exempt from any Budget Reduction Plan. The level of participation in a Budget Reduction Plan shall be at the discretion of the Director and shall not exceed the actual percentage of revenue shortfall.

**Signed by Governor April 13, 2020.**

➔SECTION 2. IT IS PROPOSED THAT A NEW SECTION BE ADDED TO THE CONSTITUTION OF KENTUCKY TO READ AS FOLLOWS:

*To secure for victims of criminal acts or public offenses justice and due process and to ensure crime victims a meaningful role throughout the criminal and juvenile justice systems, a victim, as defined by law which takes effect upon the enactment of this section and which may be expanded by the General Assembly, shall have the following rights, which shall be respected and protected by law in a manner no less vigorous than the protections afforded to the accused in the criminal and juvenile justice systems: victims shall have the reasonable right, upon request, to timely notice of all proceedings and to be heard in any proceeding involving a release, plea, sentencing, or in the consideration of any pardon, commutation of sentence, granting of a reprieve, or other matter involving the right of a victim other than grand jury proceedings; the right to be present at the trial and all other proceedings, other than grand jury proceedings, on the same basis as the accused; the right to proceedings free from unreasonable delay; the right to consult with the attorney for the Commonwealth or the attorney's designee; the right to reasonable protection from the accused and those acting on behalf of the accused throughout the criminal and juvenile justice process; the right to timely notice, upon request, of release or escape of the accused; the right to have the safety of the victim and the victim's family considered in setting bail, determining whether to release the defendant, and setting conditions of release after arrest and conviction; the right to full restitution to be paid by the convicted or adjudicated party in a manner to be determined by the court, except that in the case of a juvenile offender the court shall determine the amount and manner of paying the restitution taking into consideration the best interests of the juvenile offender and the victim; the right to fairness and due consideration of the crime victim's safety, dignity, and privacy; and the right to be informed of these enumerated rights, and shall have standing to assert these rights. The victim, the victim's attorney or other lawful representative, or the attorney for the Commonwealth upon request of the victim may seek enforcement of the rights enumerated in this section and any other right afforded to the victim by law in any trial or appellate court with jurisdiction over the case. The court shall act promptly on such a request and afford a remedy for the violation of any right. Nothing in this section shall afford the victim party status, or be construed as altering the presumption of innocence in the criminal justice system. The accused shall not have standing to assert the rights of a victim. Nothing in this section shall be construed to alter the powers, duties, and responsibilities of the prosecuting attorney. Nothing in this section or any law enacted under this section creates a cause of action for compensation, attorney's fees, or damages against the Commonwealth, a county, city, municipal corporation, or other political subdivision of the Commonwealth, an officer, employee, or agent of the Commonwealth, a county, city, municipal corporation, or*

*any political subdivision of the Commonwealth, or an officer or employee of the court. Nothing in this section or any law enacted under this section shall be construed as creating:*

- (1) A basis for vacating a conviction; or*
- (2) A ground for any relief requested by the defendant.*

➔Section 3. This amendment shall be submitted to the voters of the Commonwealth for their ratification or rejection at the time and in the manner provided for under Sections 256 and 257 of the Constitution and under Sections 4 and 5 of this Act.

➔Section 4. Notwithstanding any language in KRS 118.415 to the contrary, the Secretary of State shall cause the question in Section 1 of this Act and the entirety of the proposed amendment to the Constitution of Kentucky contained in Section 2 of this Act to be published at least one (1) time in a newspaper of general circulation published in this state, and shall also cause to be published at the same time and in the same manner the fact that the amendment will be submitted to the voters for their acceptance or rejection at the next regular election at which members of the General Assembly are to be voted for. The publication required by this section and KRS 118.415 shall be made no later than the first Tuesday in August preceding the election at which the amendment is to be voted on.

➔Section 5. Notwithstanding any language in KRS 118.415 to the contrary, the Secretary of State, not later than the second Monday after the second Tuesday in August preceding the next regular election at which members of the General Assembly are to be chosen in a year in which there is not an election for President and Vice President of the United States, or not later than the Thursday after the first Tuesday in September preceding a regular election in a year in which there is an election for President and Vice President of the United States, shall certify the question in Section 1 of this Act and the entirety of the proposed amendment to the Constitution of Kentucky contained in Section 2 of this Act to the county clerk of each county, and the county clerk shall have the question in Section 1 of this Act and the entirety of the amendment contained in Section 2 of this Act, as so certified, indicated on the ballots provided to the voters in paper or electronic form as applicable to the voting machines in use in each county or precinct.

**Signature not required. Delivered to Secretary of State, April 14, 2020.**

## **CHAPTER 86**

**( HB 150 )**

AN ACT relating to the interpretation of laws and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔SECTION 1. A NEW SECTION OF KRS CHAPTER 446 IS CREATED TO READ AS FOLLOWS:

- (1) A statement or restatement of the law in any legal treatise, scholarly publication, textbook, or other explanatory text shall not constitute the law or public policy of the Commonwealth of Kentucky. No Kentucky court shall treat any such publication or text as controlling authority.*
- (2) In the absence of a constitutional section or a statute on a given matter, Kentucky shall be deemed to have adopted the common law.*

- (6) Unless otherwise provided by statute, a majority of a legislative body shall constitute a quorum and a vote of a majority of a quorum shall be sufficient to take action.

Ordinances that include descriptions of real property may include a sketch, drawing, or map, including common landmarks, such as streets or roads in lieu of metes and bounds descriptions.
- (10) A city may specify by ordinance additional requirements for adoption of ordinances in greater detail than contained herein, but a city shall not lessen or reduce the substantial requirements of this section or any other statute relating to adoption of ordinances.
- (11) At least once every five (5) years, each city shall cause all ordinances in the composite index or code of ordinances to be examined for consistency with state law and with one another and to be revised to eliminate redundant, obsolete, inconsistent, and invalid provisions.

- (13) In lieu of an ordinance, a municipal order may be used for matters relating to the internal operation and functions of the municipality and to appoint or remove or approve appointment or removal of members of boards, commissions, and other agencies over which the city has control.
- (14) All ordinances, and orders of the city may be proved by the signature of the city clerk; and when the ordinances are placed in a printed composite index or code of ordinances by authority of the city, the printed copy shall be received in evidence by any state court without further proof of the ordinances.
- (15) For anything said in debate, legislative body members shall be entitled to the same immunities and protections allowed to members of the General Assembly.

Any candidate~~[or slate of candidates]~~ who would have been qualified to bring a contest action under this section, who is a party to a recount proceeding brought under KRS 120.095, may, by filing an answer in the recount proceeding within the time allowed by this section for filing grounds of contest, set forth grounds of contest against the petitioner in the recount proceeding. No ground of contest by either party shall be filed or made more definite by amendment after the expiration of the time allowed by this section for filing the original pleading. The contestant may file a reply within five (5) days after answer is filed, which shall complete the pleading, and any affirmative matter in the reply shall be treated as controverted. Upon return of the summons, properly executed, to the office of the circuit clerk of the county in which the action is pending, the clerk shall immediately docket the cause and notify the presiding judge of the court that the contest has been instituted, and the judge shall proceed to a trial of the cause within five (5) days after the issue was joined. The party requesting the recount shall execute a bond with approved surety for the costs of the recount, in an amount to be fixed by the Circuit Judge. Upon the bond being filed, the clerk shall immediately notify the Circuit Judge of the request and the filing of the bond, and the judge shall at once enter an order directing custody of the voting machines, the ballots, boxes, and all papers pertaining to the election to be transferred to the Circuit Court, and fix a day for the recount proceedings to begin. A copy of the order shall be served upon the parties or their counsel in the same manner as notices are required to be served, which shall be deemed sufficient notice of the proceeding. On the day fixed, the court shall proceed to recount the ballots if their integrity is satisfactorily shown and shall complete the recount as soon as practicable, and file and enter of record the results thereof, and direct the state board or county board, whichever would issue the certificate of nomination, to issue a certificate to the party entitled thereto as shown by the recount.

Only publicly traded companies, including affiliated corporations participating in the filing of a publicly traded company's financial statements prepared in accordance with accounting principles generally accepted in the United States of America, as of January 1, 2019, shall be eligible for this deduction.
  4. If the provisions of KRS 141.202 result in an aggregate increase to the member's net deferred tax liability, an aggregate decrease to the member's net deferred tax asset, or an aggregate change from a net deferred tax asset to a net deferred tax liability, the combined group shall be entitled to a deduction, as determined in this paragraph.
  5. For ten (10) years beginning with the combined group's first taxable year beginning on or after January 1, 2024, a combined group shall be entitled to a deduction from the combined group's entire net income equal to one-tenth (1/10) of the amount necessary to offset the increase in the net deferred tax liability, decrease in the net deferred tax asset, or aggregate change from a net deferred tax asset to a net deferred tax liability. The increase in the net deferred tax liability, decrease in the net deferred tax asset, or the aggregate change from a net deferred tax asset to a net deferred tax liability shall be computed based on the change that would result from the imposition of the combined reporting requirement under KRS 141.202, but for the deduction provided under this paragraph as of June 27, 2019.

    - c. The resulting amount represents the total net deferred tax deduction available over the ten (10) year period as described in subparagraph 5. of this paragraph.
  7. The deduction calculated under this paragraph shall not be adjusted as a result of any events happening subsequent to the calculation, including but not limited to any disposition or abandonment of assets. The deduction shall be calculated without regard to the federal tax effect and shall not alter the tax basis of any asset. If the deduction under this section is greater than the combined group's entire Kentucky net income, any excess deduction shall be carried forward and

applied as a deduction to the combined group's entire net income in future taxable years until fully utilized.

8. Any combined group intending to claim a deduction under this paragraph shall file a statement with the department on or before July 1, 2019. The statement shall specify the total amount of the deduction which the combined group claims on the form, including calculations and other information supporting the total amounts of the deduction as required by the department. ➔Section 12. KRS 141.202 is amended to read as follows:

- (1) This section shall apply to taxable years beginning on or after January 1, 2019.
- (2) As used in this section:
  - (a) "Combined group" means the group of all corporations whose income and apportionment factors are required to be taken into account as provided in subsection (3) of this section in determining the taxpayer's share of the net income or loss apportionable to this state. A combined group shall include only corporations, the voting stock of which is more than fifty percent (50%) owned, directly or indirectly, by a common owner or owners;
  - (b) "Corporation" has the same meaning as in KRS 141.010, including an organization of any kind treated as a corporation for tax purposes under KRS 141.040, wherever located, which if it were doing business in this state would be a taxpayer, and the business conducted by a pass-through entity which is directly

or indirectly held by a corporation shall be considered the business of the corporation to the extent of the corporation's distributive share of the pass-through entity income, inclusive of guaranteed payments;

- (c) "Doing business in a tax haven" means being engaged in activity sufficient for that tax haven jurisdiction to impose a tax under United States constitutional standards;
- (d) 1. "Tax haven" means a jurisdiction that, during the taxable year has no or nominal effective tax on the relevant income and:
  - a. Has laws or practices that prevent effective exchange of information for tax purposes with other governments on taxpayers benefitting from the tax regime;
  - b. Has a tax regime which lacks transparency. A tax regime lacks transparency if the details of legislative, legal, or administrative provisions are not open and apparent or are not consistently applied among similarly situated taxpayers, or if the information needed by tax authorities to determine a taxpayer's correct tax liability, such as accounting records and underlying documentation, is not adequately available;
  - c. Facilitates the establishment of foreign-owned entities without the need for a local substantive presence or prohibits these entities from having any commercial impact on the local economy;
  - d. Explicitly or implicitly excludes the jurisdiction's resident taxpayers from taking advantage of the tax regime's benefits or prohibits enterprises that benefit from the regime from operating in the jurisdiction's domestic market; or
  - e. Has created a tax regime which is favorable for tax avoidance, based upon an overall assessment of relevant factors, including whether the jurisdiction has a significant untaxed offshore financial or other services sector relative to its overall economy.
- 2. "Tax haven" does not include a jurisdiction that has entered into a comprehensive income tax treaty with the United States, which the Secretary of the Treasury has determined is satisfactory for purposes of Section 1(h)(11)(C)(i)(II) of the Internal Revenue Code;
- (e) "Taxpayer" means any corporation subject to the tax imposed under this chapter;
- (f) "Unitary business" means a single economic enterprise that is made up either of separate parts of a single corporation or of a commonly controlled group of corporations that are sufficiently interdependent, integrated, and interrelated through their activities so as to provide a synergy and mutual benefit that produces a sharing or exchange of value among them and a significant flow of value to the separate parts. For purposes of this section, the term "unitary business" shall be broadly construed, to the extent permitted by the United States Constitution; and
- (g) "United States" means the fifty (50) states of the United States, the District of Columbia, and United States' territories and possessions.
- (3) (a) Except as provided in KRS 141.201, a taxpayer engaged in a unitary business with one (1) or more other corporations shall file a combined report which includes the income, determined under subsection (5) of this section, and the apportionment fraction, determined under KRS 141.120 and paragraph (d) of this subsection, of all corporations that are members of the unitary business, and any other information as required by the department. The combined report shall be filed on a waters-edge basis under subsection (8) of this section.
- (b) The department may, by administrative regulation, require that the combined report include the income and associated apportionment factors of any corporations that are not included as provided by paragraph (a) of this subsection, but that are members of a unitary business, in order to reflect proper apportionment of income of the entire unitary businesses. Authority to require combination by administrative regulation under this paragraph includes authority to require combination of corporations that are not, or would not be combined, if the corporation were doing business in this state.
- (c) In addition, if the department determines that the reported income or loss of a taxpayer engaged in a unitary business with any corporation not included as provided by paragraph (a) of this subsection represents an avoidance or evasion of tax by the taxpayer, the department may, on a case-by-case basis, require all or any part of the income and associated apportionment factors of the corporation be included in the taxpayer's combined report.

- (d) With respect to the inclusion of associated apportionment factors as provided in paragraph (a) of this subsection, the department may require the inclusion of any one (1) or more additional factors which will fairly represent the taxpayer's business activity in this state, or the employment of any other method to effectuate a proper reflection of the total amount of income subject to apportionment and an equitable allocation and apportionment of the taxpayer's income.
  - (e) A unitary business shall consider the combined gross receipts and combined income from all sources of all members under subsection (8) of this section, including eliminating entries for transactions among the members under subsection (8)(e) of this section.
  - (f) Notwithstanding paragraphs (a) to (e) of this subsection, a consolidated return may be filed as provided in KRS 141.201 if the taxpayer makes an election according to KRS 141.201.
- (4) The use of a combined report does not disregard the separate identities of the taxpayer members of the combined group. Each taxpayer member is responsible for tax based on its taxable income or loss apportioned or allocated to this state, which shall include, in addition to the other types of income, the taxpayer member's share of apportionable income of the combined group, where apportionable income of the combined group is calculated as a summation of the individual net incomes of all members of the combined group. A member's net income is determined by removing all but apportionable income, expense, and loss from that member's total income as provided in subsection (5) of this section.
- (5) (a) Each taxpayer member is responsible for tax based on its taxable income or loss apportioned or allocated to this state, which shall include:
- 1. Its share of any income apportionable to this state of each of the combined groups of which it is a member, determined under subsection (6) of this section;
  - 2. Its share of any income apportionable to this state of a distinct business activity conducted within and without the state wholly by the taxpayer member, determined under KRS 141.120;
  - 3. Its income from a business conducted wholly by the taxpayer member entirely within the state;
  - 4. Its income sourced to this state from the sale or exchange of capital or assets, and from involuntary conversions, as determined under subsection (8)(g)~~(k)~~ of this section;
  - 5. Its nonapportionable income or loss allocable to this state, determined under KRS 141.120;
  - 6. Its income or loss allocated or apportioned in an earlier year, required to be taken into account as state source income during the income year, other than a net operating loss; and
  - 7. Its net operating loss carryover.
- (b) No tax credit or post-apportionment deduction earned by one (1) member of the group, but not fully used by or allowed to that member, may be used in whole or in part by another member of the group or applied in whole or in part against the total income of the combined group, ***except as provided in paragraph (c) of this subsection.***
- (c) If the taxable income computed pursuant to KRS 141.039 results in a net loss for a taxpayer member of the combined group, that taxpayer member has a Kentucky net operating loss, subject to the net operating loss limitations and carry forward provisions of KRS 141.011. No prior year net operating loss carryforward shall be available to entities that were not doing business in this state in the year in which the loss was incurred. A Kentucky net operating loss carryover incurred by a taxpayer member of a combined group shall be deducted from income or loss apportioned to this state pursuant to this section as follows:
- 1. For taxable years beginning on or after the first day of the initial taxable year for which a combined unitary tax return is required under this section, if the computation of a combined group's Kentucky net income before apportionment to this state results in a net operating loss, a taxpayer member of the group may carry over its share of the net operating loss as apportioned to this state, as calculated under this section and in accordance with KRS 141.120 or 141.121, and it shall be deductible from a taxpayer member's apportioned net income derived from the unitary business in a future tax year to the extent that the carryover and deduction is otherwise consistent with KRS 141.011;
  - 2. Where a taxpayer member of a combined group has a Kentucky net operating loss carryover derived from a loss incurred by a combined group in a tax year beginning on or after the first day

of the initial tax year for which a combined unitary tax return is required under this section, then the taxpayer member may share the net operating loss carryover with other taxpayer members of the combined group if the other taxpayer members were members of the combined group in the tax year that the loss was incurred. Any amount of net operating loss carryover that is deducted by another taxpayer member of the combined group shall reduce the amount of net operating loss carryover that may be carried over by the taxpayer member that originally incurred the loss;

3. Where a taxpayer member of a combined group has a net operating loss carryover derived from a loss incurred in a tax year prior to the initial tax year for which a combined unitary tax return is required under this section, the carryover shall remain available to be deducted by that taxpayer member and any other taxpayer members of the combined group, but in no case shall the deduction reduce any taxpayer member's Kentucky apportioned taxable income by more than fifty percent (50%) in any taxable year, other than the taxpayer member that originally incurred the net operating loss, in which case no limitation is provided except as provided by Section 172 of the Internal Revenue Code. Any net operating loss carryover that is not utilized in a particular taxable year shall be carried over by the taxpayer member that generated the loss and utilized in the future consistent with the limitations of this subparagraph; or
  4. Where a taxpayer member of a combined group has a net operating loss carryover derived from a loss incurred in a tax year during which the taxpayer member was not a taxpayer member of the combined group, the carryover shall remain available to be deducted by that taxpayer member or other taxpayer members, but in no case shall the deduction reduce any taxpayer member's Kentucky apportioned taxable income by more than fifty percent (50%) in any taxable year, other than the taxpayer member that originally incurred the net operating loss, in which case no limitation is provided except as provided by Section 172 of the Internal Revenue Code. Any net operating loss carryover that is not utilized in a particular taxable year, shall be carried over by the taxpayer member that generated the loss and utilized in the future consistent with the limitations of this subparagraph.
- (6) The taxpayer's share of the business income apportionable to this state of each combined group of which it is a member shall be the product of:
- (a) The apportionable income of the combined group, determined under subsection (7) of this section; and
  - (b) The taxpayer member's apportionment fraction, determined under KRS 141.120, including in the sales factor numerator the taxpayer's sales associated with the combined group's unitary business in this state, and including in the denominator the sales of all members of the combined group, including the taxpayer, which sales are associated with the combined group's unitary business wherever located. The sales of a pass-through entity shall be included in the determination of the partner's apportionment percentage in proportion to a ratio, the numerator of which is the amount of the partner's distributive share of the pass-through entity's unitary income included in the income of the combined group as provided in subsection (8) of this section and the denominator of which is the amount of pass-through entity's total unitary income.
- (7) The apportionable income of a combined group is determined as follows:
- (a) The total income of the combined group is the sum of the income of each member of the combined group determined under federal income tax laws, as adjusted for state purposes, as if the member were not consolidated for federal purposes; and
  - (b) From the total income of the combined group determined under subsection (8) of this section, subtract any income and add any expense or loss, other than the apportionable income, expense, or loss of the combined group.
- (8) To determine the total income of the combined group, taxpayer members shall take into account all or a portion of the income and apportionment factor of only the following members otherwise included in the combined group as provided in subsection (3) of this section:
- (a) The entire income and apportionment percentage of any member, incorporated in the United States or formed under the laws of any state, the District of Columbia, or any territory or possession of the United States, that earns less than eighty percent (80%) of its income from sources outside of the United States, the District of Columbia, or any territory or possession of the United States;

- (b) Any member that earns more than twenty percent (20%) of its income, directly or indirectly, from intangible property or service related activities that are deductible against the apportionable income of other members of the combined group, to the extent of that income and the apportionment factor related to that income. If a non-United States corporation is includible as a member in the combined group, to the extent that the non-United States corporation's income is excluded from United States taxation pursuant to the provisions of a comprehensive income tax treaty, the income or loss is not includible in the combined group's net income or loss. The member's expenses or apportionment factors attributable to income that is excluded from United States taxation pursuant to the provisions of a comprehensive income tax treaty are not to be included in the combined report;
- (c) The entire income and apportionment factor of any member that is doing business in a tax haven. If the member's business activity within a tax haven is entirely outside the scope of the laws, provisions, and practices that cause the jurisdiction to meet the definition established in subsection (2)(d) of this section, the activity of the member shall be treated as not having been conducted in a tax haven;
- (d) If a unitary business includes income from a pass-through entity, the income to be included in the total income of the combined group shall be the member of the combined group's direct and indirect distributive share of the pass-through entity's unitary income;
- (e) Income from an intercompany transaction between members of the same combined group shall be deferred in a manner similar to 26 C.F.R. 1.1502-13. Upon the occurrence of any of the following events, deferred income resulting from an intercompany transaction between members of a combined group shall be restored to the income of the seller, and shall be apportionable income earned immediately before the event:
  - 1. The object of a deferred intercompany transaction is:
    - a. Resold by the buyer to an entity that is not a member of the combined group;
    - b. Resold by the buyer to an entity that is a member of the combined group for use outside the unitary business in which the buyer and seller are engaged; or
    - c. Converted by the buyer to a use outside the unitary business in which the buyer and seller are engaged; or
  - 2. The buyer and seller are no longer members of the same combined group, regardless of whether the members remain unitary;
- (f) A charitable expense incurred by a member of a combined group shall, to the extent allowable as a deduction provided by Section 170 of the Internal Revenue Code, be subtracted first from the apportionable income of the combined group, subject to the income limitations of that section applied to the entire apportionable income of the group, and any remaining amount shall then be treated as a nonapportionable expense allocable to the member that incurred the expense, subject to the income limitations of that section applied to the nonapportionable income of that specific member. Any charitable deduction disallowed under this paragraph, but allowed as a carryover deduction in a subsequent year, shall be treated as originally incurred in the subsequent year by the same member, and this paragraph shall apply in the subsequent year in determining the allowable deduction in that year;
- (g) Gain or loss from the sale or exchange of capital assets, property described by Section 1231(a)(3) of the Internal Revenue Code, and property subject to an involuntary conversion shall be removed from the total separate net income of each member of a combined group and shall be apportioned and allocated as follows:
  - 1. For each class of gain or loss, including short-term capital, long-term capital, Internal Revenue Code Section 1231, and involuntary conversions, all members' gain and loss for the class shall be combined, without netting between the classes, and each class of net gain or loss separately apportioned to each member using the member's apportionment percentage determined under subsection (6) of this section;
  - 2. Each taxpayer member shall then net its apportioned business gain or loss for all classes, including any apportioned gain and loss from other combined groups, against the taxpayer member's nonapportionable gain and loss for all classes allocated to this state, using the rules of Sections 1231 and 1222 of the Internal Revenue Code, without regard to any of the taxpayer member's gains or losses from the sale or exchange of capital assets, Internal Revenue Code

Section 1231 property, and involuntary conversions which are nonapportionable items allocated to another state;

3. Any resulting state source income or loss, if the loss is not subject to the limitations of Section 1211 of the Internal Revenue Code, of a taxpayer member produced by the application of subparagraphs 1. and 2. of this paragraph shall then be applied to all other state source income or loss of that member; and
4. Any resulting state source loss of a member that is subject to the limitations of Section 1211 of the Internal Revenue Code shall be carried forward by that member, and shall be treated as state source short-term capital loss incurred by that member for the year for which the carryover applies; and
- (h) Any expense of one (1) member of the unitary group which is directly or indirectly attributable to the nonapportionable or exempt income of another member of the unitary group shall be allocated to that other member as corresponding nonapportionable or exempt expense, as appropriate.
- (9) (a) As a filing convenience, and without changing the respective liability of the group members, members of a combined reporting group shall annually designate one (1) taxpayer member of the combined group to file a single return in the form and manner prescribed by the department, in lieu of filing their own respective returns.
- (b) The taxpayer member designated to file the single return shall consent to act as surety with respect to the tax liability of all other taxpayers properly included in the combined report, and shall agree to act as agent on behalf of those taxpayers for the taxable year for matters relating to the combined report. If for any reason the surety is unwilling or unable to perform its responsibilities, tax liability may be assessed against the taxpayer members.

➔Section 31. KRS 224.60-130 is amended to read as follows:

- (1) The Energy and Environment Cabinet, Department for Environmental Protection, Division of Waste Management, shall:
  - (a) Establish by administrative regulation the policy, guidelines, and procedures to administer the financial responsibility and petroleum storage tank accounts of the petroleum storage tank environmental assurance fund. In adopting administrative regulations to carry out this section, the division may distinguish between types, classes, and ages of petroleum storage tanks. The division may establish a range of amounts to be paid from the fund, or may base payments on methods such as pay for performance, task order, or firm fixed pricing, which are designed to provide incentives for contractors to more tightly control corrective action costs, and shall establish criteria to be met by persons who contract to perform corrective action to be eligible for reimbursement from the fund. The criteria may include the certification of individuals, partnerships, and companies. Criteria shall be established to certify laboratories that contract to perform analytical testing related to the underground storage tank program. Owners and operators shall have all required analytical testing performed by a certified laboratory to be eligible for fund participation. Persons who contract with petroleum storage tank owners or operators shall not be paid more than the amount authorized by the division for reimbursement from the fund for the performance of corrective action. At a minimum, the division shall promulgate administrative regulations that will insure an unobligated balance in the fund adequate to meet financial assurance requirements and corrective action requirements of KRS 224.60-135(2) and (4). If the unobligated balance in the fund is not adequate to meet the requirements of this paragraph, the division shall obligate funds necessary to meet these requirements;
  - (b) Establish by administrative regulation the criteria to be met to be eligible to participate in the financial responsibility and petroleum storage tank accounts and to receive reimbursement from these accounts. The division may establish eligibility criteria for the petroleum storage tank account based upon the financial ability of the petroleum storage tank owner or operator. Owners or operators seeking coverage under the petroleum storage tank account shall file for eligibility and for financial assistance with the division. To ensure cost effectiveness, the division shall promulgate administrative regulations specifying the circumstances under which prior approval of corrective action costs shall be required for those costs to be eligible for reimbursement from the fund. In promulgating administrative regulations to carry out this section, the division may distinguish between types, classes, and ages of petroleum storage tanks and the degree of compliance of the facility with any administrative regulations of the cabinet promulgated pursuant to KRS 224.60-105 or applicable federal regulations;
  - (c) Establish a financial responsibility account within the fund which may be used by petroleum storage tank owners and operators to demonstrate financial responsibility as required by administrative regulations of the cabinet or the federal regulations applicable to petroleum storage tanks, consistent with the intent of the General Assembly as set forth in KRS 224.60-120(5). The account shall receive four-tenths of one cent (\$0.004) from the one and four-tenths cent (\$0.014) paid on each gallon of gasoline and special fuels received in this state pursuant to KRS 224.60-145. To be eligible to use this account to demonstrate compliance with financial responsibility requirements of the cabinet or federal regulations, or to receive reimbursement from this account for taking corrective action and for compensating third parties for bodily injury and property damage, the petroleum storage tank owner or operator shall meet the eligibility requirements established by administrative regulation promulgated by the division;
  - (d) Establish a small operator assistance account within the fund which may be used by the division to make or participate in the making of loans, to purchase or participate in the purchase of the loans, which purchase may be from eligible lenders, or to insure loans made by eligible lenders;
  - (e) Establish a petroleum storage tank account within the fund to be used to pay the costs of corrective action due to a release from a petroleum storage tank not eligible for reimbursement from the financial responsibility account. Reimbursements of corrective action projects performed under the petroleum

storage tank account shall be carried out on or before July 15, ~~2028~~~~[2024]~~. Any corrective action costs incurred after this date shall not be eligible for reimbursement under the petroleum storage tank account. The account shall receive one cent (\$0.01) from the one and four-tenths cent (\$0.014) paid on each gallon of gasoline and special fuels received in this state pursuant to KRS 224.60-145. This account shall not be used to compensate third parties for bodily injury and property damage. Within three (3) months after July 15, 2004, the division shall develop a plan to address the payment of claims and completion of corrective action at facilities eligible for reimbursement from this account. The division shall establish a ranking system to be used for the distribution of amounts from this account for the purpose of corrective action. In promulgating administrative regulations to carry out this section, the division shall consider the financial ability of the petroleum storage tank owner or operator to perform corrective action and the extent of damage caused by a release into the environment from a petroleum storage tank;

- (f) Hear complaints brought before the division regarding the payment of claims from the fund in accordance with KRS 224.10-410 to 224.10-470;
- (g) Establish and maintain necessary offices within this state, appoint employees and agents as necessary, and prescribe their duties and compensation;
- (h) Employ, in accordance with the procedures found in KRS 45A.690 to 45A.725 for awarding personal service contracts, a qualified actuary to perform actuarial studies, as directed by the division, for determining an appropriate reserve in the financial responsibility account and the petroleum storage tank account sufficient to satisfy the obligations in each account for all eligible facilities and to satisfy future liabilities and expenses necessary to operate each account. The division shall, by administrative regulation, set the entry level for participation in the fund;
- (i) Authorize expenditures from the fund to carry out the purpose of KRS 224.60-105 to 224.60-160, including reasonable costs of administering the fund, the procurement of legal services, and the procurement of analytical testing services when necessary to confirm the accuracy of analytical testing results obtained by a petroleum storage tank owner or operator. The expenditures shall be paid from the appropriate account;
- (j) Establish a small operators' tank removal account within the fund to reimburse the reasonable cost of tank system removal for small owners and operators. The account shall not be used when an owner or operator is removing the tank with the intention of replacing or upgrading the tank. In promulgating administrative regulations to carry out this paragraph, the division may distinguish among owners and operators based on income and types and classes of tanks. The division shall not place a limit on the number of tanks that an owner or operator has in order to be eligible to participate in the program and receive reimbursement under this paragraph;
- (k) Establish by administrative regulation the policy, guidelines, and procedures to perform financial audits of any petroleum storage tank owner or operator receiving reimbursement from the fund or any entity contracting or subcontracting to provide corrective action services for facilities eligible for fund reimbursement. Financial audits shall be limited to those files, records, computer records, receipts, and other documents related to corrective action performed at a facility where the costs of corrective action have been reimbursed by the fund. Files, records, computer records, receipts, and other documents related to corrective action reimbursed by the fund shall be subject to a financial audit for a period of three (3) years after the date of final reimbursement from the fund. Results of the audits shall be protected from disclosure as allowed by KRS 61.878(1)(c). Financial auditing services may be contracted for or personnel may be employed as needed to implement the requirements of this paragraph;
- (l) Be authorized to enter and inspect any facility intending to seek reimbursement for the cost of corrective action to determine the reasonableness and necessity of the cost of corrective action. The division may collect soil or water samples or require storage tank owners or operators to split samples with the division for analytical testing. Refusal to allow entry and inspection of a facility or refusal to allow the division to collect or split samples shall make the facility ineligible for fund participation;
- (m) Have inspectors on site at all tank system removals. Failure to comply with this provision shall make the facility ineligible for fund participation. A petroleum storage tank owner or operator may request through certified mail that the division schedule an inspector to be present at an upcoming tank removal. If the request is made at least two (2) weeks before the time for the removal and an inspector fails to be present at the time scheduled, the tank removal may proceed without making the facility

ineligible for fund participation unless the owner is notified by the division no later than ten (10) days prior to the proposed date that an inspector is not available on the proposed date, in which event a representative of the division shall contact the operator and schedule a new date. If no inspector is present at the rescheduled date, the removal may then proceed without penalty; and

- (n) Establish that the deadline for submission of final reimbursement requests under the petroleum storage tank account is two (2) years after receipt of a no further action letter.
- (2) The division may advise the cabinet on the promulgation of administrative regulations concerning petroleum storage tanks.
- (3) The division may sue and be sued in its own name.
- (4) The division may transfer funds from the petroleum storage tank account to the small operator tank removal account as needed to satisfy the obligations, future liabilities, and expenses necessary to operate that account. The division may transfer funds to the financial responsibility account as needed to maintain within that account sufficient funds to demonstrate financial responsibility and to ensure payment of claims as provided in subsection (1)(c) of this section.

➔Section 32. KRS 224.60-142 is amended to read as follows:

- (1) To be eligible to participate in the fund, the owner of any petroleum storage tank containing motor fuels installed and placed in operation after July 15, 2004, shall register the petroleum storage tank with the cabinet as required by KRS 224.60-105 prior to applying for participation in the financial responsibility account.
- (2) The owner of any petroleum storage tank containing motor fuels currently existing, or removed from the ground after January 1, 1974, shall register the petroleum storage tank containing motor fuels with the cabinet prior to applying to the fund, and shall register the petroleum storage tank containing motor fuels by July 15, 2021. Owners or operators may submit affidavits and applications relevant to current petroleum storage tank accounts through July 15, ~~2025~~~~[2021]~~.

➔Section 33. KRS 224.60-145 is amended to read as follows:

- (2) All deductions detailed in KRS 138.240(2) and all credits detailed in KRS 138.358 are exempt from the fee. If a dealer has on file, pursuant to KRS Chapter 138, a statement supporting a claimed exemption, an additional statement shall not be required for claiming exemption from the fee.
- (3) The fee shall be reported and paid to the Department of Revenue at the same time and in the same manner as is required for the reporting and payment of the gasoline and special fuels taxes as provided by law.
- (4) The petroleum environmental assurance fee shall be set at one and four-tenths cent (\$0.014) for each gallon. Four-tenths of a cent (\$0.004) per gallon shall be deposited in the financial responsibility account and one cent (\$0.01) shall be deposited in the petroleum storage tank account.
- (5) Within thirty (30) days of the close of fiscal year 2001-2002 and each fiscal year thereafter, the state budget director shall review the balance of each account to determine if a surplus exists. "Surplus" means funds in excess of the amounts necessary to satisfy the obligations in each account for all eligible facilities, to satisfy future liabilities and expenses necessary to operate each account, and to maintain an appropriate reserve in the financial responsibility account to demonstrate financial responsibility and compensate for third-party claims. The state budget director shall report the determination to the Interim Joint Committee on Appropriations and Revenue. After a determination that a surplus exists, the surplus shall be transferred to a restricted account and retained until appropriated by the General Assembly.
- (6) All provisions of law related to the Department of Revenue's administration and enforcement of the gasoline and special fuels tax and all other powers generally conveyed to the Department of Revenue by the Kentucky Revised Statutes for the assessment and collection of taxes shall apply with regard to the fee levied by KRS 224.60-105 to 224.60-160.
- (7) The Department of Revenue shall refund the fee imposed by KRS 224.60-145(1) to any person who paid the fee provided they are entitled to a refund of motor fuel tax under KRS 138.344 to KRS 138.355 and to any person who paid the fee on transactions exempted under KRS 224.60-145(2).

- (2) The salary schedule for property valuation administrators provides for nine (9) levels of salary based upon the population of the county in the prior year as determined by the United States Department of Commerce, Bureau of the Census annual estimates. To implement the salary schedule, the department shall, by November 1 of each year, certify for each county the population group applicable to each county based on the most recent estimates of the United States Department of Commerce, Bureau of the Census. The salary schedule provides four (4) steps for yearly increments within each population group. Property valuation administrators shall be paid according to the first step within their population group for the first year or portion thereof they serve in office. Thereafter, each property valuation administrator, on January 1 of each subsequent year, shall be advanced automatically to the next step in the salary schedule until the maximum salary figure for the population group is reached. If the county population as certified by the department increases to a new group level, the property valuation administrator's salary shall be computed from the new group level at the beginning of the next year. A change in group level shall have no effect on the annual change in step. Prior to assuming office, any person who has previously served as a property valuation administrator must certify to the Department of Revenue the total number of years, not to exceed four (4) years, that the person has previously served in the office. The department shall place the person in the proper step based upon a formula of one (1) incremental step per full calendar year of service:

This salary determination shall be retroactive to the preceding January 1.
  - (c) In addition to the step increases based on service in office, each property valuation administrator shall be paid an annual incentive of six hundred eighty-seven dollars and sixty-seven cents (\$687.67) per calendar year for each forty (40) hour training unit successfully completed based on continuing service in that office and, except as provided in this subsection, completion of at least forty (40) hours of approved training in each subsequent calendar year. If a property valuation administrator fails without good cause, as determined by the commissioner of the Kentucky Department of Revenue, to obtain the minimum amount of approved training in any year, the officer shall lose all training incentives previously accumulated. No property valuation administrator shall receive more than one (1) training unit per calendar year nor more than four (4) incentive payments per calendar year. Each property valuation administrator shall be allowed to carry forward up to forty (40) hours of training credit into the following calendar year for the purpose of satisfying the minimum amount of training for that year. Subject to availability of funds, the department may extend cost-of-living increases approved for department employees to deputy property valuation administrators and other authorized personnel, by advancement in grade.
  - (6) Beginning with the 1990-1992 biennium, the Department of Revenue shall prepare a biennial budget request for the staffing of property valuation administrators' offices. An equitable allocation of employee positions to each property valuation administrator's office in the state shall be made on the basis of comparative assessment work units. Assessment work units shall be determined from the most current objective information available from the United States Bureau of the Census and other similar sources of unbiased information. Beginning with the 1996-1998 biennium, assessment work units shall be based on parcel count per employee. The total sum allowed by the state to any property valuation administrator's office as compensation for deputies, other authorized personnel, and for other authorized expenditures shall not exceed the amount fixed by the Department of Revenue. The Personnel Cabinet shall provide advice and technical assistance to the Department of Revenue in the revision and updating of the personnel classification system, which shall be

equitable in all respects to the personnel classification systems maintained for other state employees. Any deputy property valuation administrator employed or promoted to a higher position may be examined by the Department of Revenue in accordance with standards of the Personnel Cabinet, for the position to which he is being appointed or promoted. No state funds available to any property valuation administrator's office as compensation for deputies and other authorized personnel or for other authorized expenditures shall be paid without authorization of the Department of Revenue prior to the employment by the property valuation administrator of deputies or other authorized personnel or the incurring of other authorized expenditures.

- (12) After submission to the State Treasury or to the property valuation administrator of the county funds budgeted for personnel compensation under subsection (11) of this section, the fiscal court shall pay the remainder of the county appropriation to the office of the property valuation administrator on a quarterly basis. The relative taxes on tobacco products proposed in this section reflect the growing data from scientific studies suggesting that although smokeless tobacco poses some risks, those health risks are significantly less than the risks posed by other forms of tobacco products. Moreover, the General Assembly acknowledges that some in the public health community recognize that tobacco harm reduction should be a complementary public health strategy regarding tobacco products. Taxing tobacco products according to relative risk is a rational tax policy and may well serve the public health goal of reducing smoking-related mortality and morbidity and lowering health care costs associated with tobacco-related disease.
- (7) Any person subject to the taxes imposed under subsections (1) and (2) of this section that:
  - (a) Files an application related to a modified risk tobacco product shall report to the department that an application has been filed within thirty (30) days of that filing; and

**PART II****CAPITAL PROJECTS BUDGET**

**(1) Capital Construction Fund Appropriations and Reauthorizations:** Moneys in the Capital Construction Fund are appropriated for the following capital projects subject to the conditions and procedures in this Act. Items listed without appropriated amounts are previously authorized for which no additional amount is required. These items are listed in order to continue their current authorization into the 2020-2022 fiscal biennium. Unless otherwise specified, reauthorized projects shall conform to the original authorization enacted by the General Assembly.

**(2) Expiration of Existing Line-Item Capital Construction Projects:** All appropriations to existing line-item capital construction projects expire on June 30, 2020, unless reauthorized in this Act with the following exceptions: (a) A construction or purchase contract for the project shall have been awarded by June 30, 2020; (b) Permanent financing or a short-term line of credit sufficient to cover the total authorized project scope shall have been obtained in the case of projects authorized for bonds, if the authorized project completes an initial draw on the line of credit within the fiscal biennium immediately subsequent to the original authorization; and (c) Grant or loan agreements, if applicable, shall have been finalized and properly signed by all necessary parties by June 30, 2020. Notwithstanding the criteria set forth in this subsection, the disposition of 2020-2022 fiscal biennium nonstatutory appropriated maintenance pools funded from Capital Construction Investment Income shall remain subject to KRS 45.770(5)(c).

**(3) Bond Proceeds Investment Income:** Investment income earned from bond proceeds beyond that which is required to satisfy Internal Revenue Service arbitrage rebates and penalties and excess bond proceeds upon the completion of a bond-financed capital project shall be used to pay debt service according to the Internal Revenue Service Code and accompanying regulations.

**(4) Appropriations for Projects Not Line-Itemized:** Inasmuch as the identification of specific projects in a variety of areas of the state government cannot be ascertained with absolute certainty at this time, amounts are appropriated for specific purposes to projects which are not individually identified in this Act in the following areas: Kentucky Infrastructure Authority Water and Sewer projects; Repair of State-Owned Dams; Guaranteed Energy Savings Performance Contract projects; Wetland and Stream Mitigation projects; Bond-funded, Restricted Fund, and Aircraft maintenance pools; Postsecondary Education pools; Commonwealth Office of Technology Infrastructure Upgrades; and the Wastewater Treatment Upgrades pool. Notwithstanding any statute to the contrary, projects estimated to cost \$1,000,000 and over and equipment estimated to cost \$200,000 and over shall be reported to the Capital Projects and Bond Oversight Committee.

**(5) Capital Construction and Equipment Purchase Contingency Account:** If funds in the Capital Construction and Equipment Purchase Contingency Account are not sufficient, then expenditures of the fund are to be paid first from the General Fund Surplus Account (KRS 48.700), if available, or from the Budget Reserve Trust Fund Account (KRS 48.705), subject to the conditions and procedures provided in this Act.

**(6) Emergency Repair, Maintenance, and Replacement Account:** If funds in the Emergency Repair, Maintenance, and Replacement Account are not sufficient, then expenditures of the fund are to be paid first from the General Fund Surplus Account (KRS 48.700), if available, or from the Budget Reserve Trust Fund Account (KRS 48.705), subject to the conditions and procedures provided in this Act.

**(7) Appropriation-Supported Debt:** To lower the cost of borrowing, the agencies identified in KRS 45A.850(1)(a) and (2)(a) are authorized to refinance appropriation supported debt obligations that have previously been issued and for which the Commonwealth is currently making lease-rental payments to meet the current debt service requirements. Such action is authorized provided that the principal amount of any such debt obligation is not increased and the term of the debt obligation is not extended. Any such refinancing shall still be subject to the requirements of KRS 45.750 to 45.810 for reporting to the Capital Projects and Bond Oversight Committee.

**(8) Cash Defeasance:** State agencies identified in KRS 45A.850(1)(a) and (2)(a) are authorized to economically or legally defease debt obligations that have previously been issued by the agency, or through a third-party but for which the Commonwealth or the agency is currently making lease-rental payments to meet the current debt service requirements. If Restricted Funds are used for the defeasance of bonds, the agency may use a prior Agency Bond authorization for a new debt obligation so long as the debt service for the new debt obligation is not greater than the debt service of the defeased bonds and the term of the new debt obligation is not greater than the term of the defeased bonds. Any such refinancing shall still be subject to the requirements of KRS 45.750 to 45.810 for reporting to the Capital Projects and Bond Oversight Committee.

**PART III****GENERAL PROVISIONS**

**1. Funds Designations:** Restricted Funds designated in the biennial budget bills are classified in the state financial records and reports as the Agency Revenue Fund, State Enterprise Funds (State Parks, State Fair Board, Insurance Administration, and Kentucky Horse Park), Internal Services Funds (Fleet Management, Computer Services, Correctional Industries, Central Printing, Risk Management, and Property Management), and selected Fiduciary Funds (Other Expendable Trust Funds). Separate fund records and reports shall be maintained in a manner consistent with the branch budget bills.

The sources of Restricted Funds appropriations in this Act shall include all fees (which includes fees for room and board, athletics, and student activities) and rentals, admittances, sales, bond proceeds, licenses collected by law, gifts, subventions, contributions, income from investments, and other miscellaneous receipts produced or received by a budget unit, except as otherwise specifically provided, for the purposes, use, and benefit of the budget unit as authorized by law. Restricted Funds receipts shall be credited and allotted to the respective fund or account out of which a specified appropriation is made in this Act. All receipts of Restricted Funds shall be deposited in the State Treasury and credited to the proper account as provided in KRS Chapters 12, 42, 45, and 48.

The sources of Federal Funds appropriations in this Act shall include federal subventions, grants, contracts, or other Federal Funds received, income from investments, other miscellaneous federal receipts received by a budget unit, and the Unemployment Compensation Fund, except as otherwise provided, for the purposes, use, and benefit of the budget unit as authorized by law. Federal Funds receipts shall be credited and allotted to the respective fund account out of which a specified appropriation is made in this Act. All Federal Funds receipts shall be deposited in the State Treasury and credited to the proper account as provided in KRS Chapters 12, 42, 45, and 48.

**2. Expenditure of Excess Federal Funds Receipts:** If receipts received or credited to the Federal Funds accounts of a budget unit during fiscal year 2020-2021, and any balance forwarded to the credit of these same accounts from the previous fiscal year, exceed the appropriation made by a specific sum for these accounts of the budget unit as provided in Part I, Operating Budget, of this Act, for the fiscal year in which the excess occurs, the excess funds in the accounts of the budget unit shall become available for expenditure for the purpose of the account during the fiscal year only upon compliance with the conditions and procedures specified in KRS 48.400, 48.500, 48.600, 48.605, 48.610, 48.620, 48.630, 48.730, and 48.800, and with the authorization of the State Budget Director and approval of the Secretary of the Finance and Administration Cabinet.

Any request made by a budget unit pursuant to KRS 48.630 that relates to Federal Funds shall include documentation showing a comparative statement of revised estimated receipts by fund source and the proposed expenditures by proposed use, with the appropriated sums specified in the Budget of the Commonwealth, and statements which explain the cause, source, and use for any variances which may exist.

Each budget unit shall submit its reports in print and electronic format consistent with the Federal Funds records contained in the fiscal biennium 2020-2022 Branch Budget Request Manual and according to the following schedule in each fiscal year: (a) on or before the beginning of each fiscal year; (b) on or before October 1; (c) on or before January 1; and (d) on or before April 1.

Notwithstanding KRS 48.630, no unbudgeted Restricted Funds shall be allotted or expended without the express authority of the General Assembly, with the exceptions of the Public Service Commission and institutions of higher education.

**3. Interim Appropriation Increases:** No appropriation from any fund source shall exceed the sum specified in this Act until the agency has documented the necessity, purpose, use, and source, and the documentation has been submitted to the Interim Joint Committee on Appropriations and Revenue for its review and action in

accordance with KRS 48.630 and Part III, 2. of this Act. Proposed revisions to an appropriation contained in the enacted Executive Budget or allotment of an unbudgeted appropriation shall conform to the conditions and procedures of KRS 48.630 and this Act.

Notwithstanding KRS 48.630(3), (4), and (5), any proposed and recommended actions to increase appropriations for funds specified in Section 2. of this Part shall be scheduled consistent with the timetable contained in that section in order to provide continuous and timely budget information.

**4. Revision of Appropriation Allotments:** Allotments within appropriated sums for the activities and purposes contained in the enacted Executive Budget shall conform to KRS 48.610 and may be revised pursuant to KRS 48.605 and this Act.

**5. Permitted Appropriation Obligations:** No state agency, cabinet, department, office, or program shall incur any obligation against the General Fund or Road Fund appropriations contained in this Act unless the obligation may be reasonably determined to have been contemplated in the enacted budget and is based upon supporting documentation considered by the General Assembly and legislative and executive records.

**6. Lapse of General Fund or Road Fund Appropriations Supplanted by Federal Funds:** Any General Fund or Road Fund appropriation made in anticipation of a lack, loss, or reduction of Federal Funds shall lapse to the General Fund or Road Fund Surplus Account, respectively, to the extent the Federal Funds otherwise become available.

**7. Federally Funded Agencies:** A state agency entitled to Federal Funds, which would represent 100 percent of the cost of a program, shall conform to KRS 48.730.

**8. Lapse of General Fund or Road Fund Excess Debt Service Appropriations:** Pursuant to KRS 48.720, any excess General Fund or Road Fund debt service shall lapse to the respective surplus account unless otherwise directed in this Act.

**9. Statutes in Conflict:** All statutes and portions of statutes in conflict with any of the provisions of this Act, to the extent of the conflict, are suspended unless otherwise provided by this Act.

**10. Interpretation of Appropriations:** Notwithstanding KRS 48.500, all questions that arise in interpreting this Act and the Transportation Cabinet budget shall be decided by the Attorney General, and the decision of the Attorney General shall be final and conclusive.

The receipts and allotments under this section shall be reported to the Interim Joint Committee on Appropriations and Revenue prior to any transfer of funds.

**14. Construction of Budget Provisions Regarding Executive Reorganization Orders:** Nothing in this Act shall be construed to confirm or ratify, under KRS 12.027 or 12.028, any executive reorganization order unless

the executive order was confirmed or ratified by appropriate amendment to the Kentucky Revised Statutes in another Act of the 2020 Regular Session of the General Assembly.

**15. Budget Planning Report:** By August 15, 2021, the State Budget Director, in conjunction with the Consensus Forecasting Group, shall provide to each branch of government, pursuant to KRS 48.120, a budget planning report.

The estimates shall include for each tax expenditure the amount of revenue loss, a citation of the legal authority for the tax expenditure, the year in which it was enacted, and the tax year in which it became effective.

**19. Severability of Budget Provisions:** Appropriation items and sums in Parts I to X of this Act shall conform to KRS 48.311. If any section, any subsection, or any provision is found by a court of competent jurisdiction in a final, unappealable order to be invalid or unconstitutional, the decision of the courts shall not affect or impair any of the remaining sections, subsections, or provisions.

The amounts from the undesignated fiscal year 2019-2020 and fiscal year 2020-2021 General Fund and Road Fund balances that are designated and carried forward for budgeted purposes in the 2020-2022 fiscal biennium shall be determined by the State Budget Director during the close of the respective fiscal year and shall be reported to the Interim Joint Committee on Appropriations and Revenue within 30 days of the close of the fiscal year. Any General Fund undesignated balance in excess of the amount designated for budgeted purposes under this section shall be made available for the General Fund Surplus Expenditure Plan contained in Part VII of this Act unless otherwise provided in this Act. The Road Fund undesignated balance in excess of the amount designated for budgeted purposes under this section shall be made available for the Road Fund Surplus Expenditure Plan contained in Part IX of this Act unless otherwise provided in this Act.

**23. Reallocation of Appropriations Among Budget Units:** Notwithstanding any statute to the contrary, or provisions of this Act, the Secretary of a Cabinet, the Commissioner of the Department of Education, and other agency heads may request a reallocation among budget units under his or her administrative authority up to ten percent of General Fund appropriations contained in Part I, Operating Budget, of this Act for fiscal years 2019-2020 and 2020-2021 for approval by the State Budget Director. A request shall explain the need and use for the transfer authority under this section. The Kentucky Department of Education shall monitor the financial position of any district that receives approval for a working budget with a reserve of less than two percent and shall provide a financial report for those districts at each meeting of the Kentucky Board of Education.

**25. Appropriations Expenditure Purpose and Transfer Restrictions:** Funds appropriated in this Act shall not be expended for any purpose not specifically authorized by the General Assembly in this Act nor shall funds appropriated in this Act be transferred to or between any cabinet, department, board, commission, institution, agency, or budget unit of state government unless specifically authorized by the General Assembly in this Act and KRS 48.400 to 48.810. Compliance with the provisions of this section shall be reviewed and determined by the Interim Joint Committee on Appropriations and Revenue.

**26. Budget Implementation:** The General Assembly directs that the Executive Branch shall carry out all appropriations and budgetary language provisions as contained in the State/Executive Budget. The Legislative Research Commission shall review quarterly expenditure data to determine if an agency is out of compliance with this directive. If the Legislative Research Commission suspects that any entity has acted in non-conformity with this section, the Legislative Research Commission may order an audit or review at the agency's expense. Such audit findings, reviews, and reports shall be subject to the Kentucky Open Records Law.

**27. Information Technology:** All authorized computer information technology projects shall submit a semiannual progress report to the Capital Projects and Bond Oversight Committee. The reporting process shall begin six months after the project is authorized and shall continue through completion of the project. **30. Effects of Subsequent Legislation:** If any measure enacted during the 2020 Regular Session of the General Assembly subsequent to this Act contains an appropriation or is projected to increase or decrease General Fund revenues, the amount in the Budget Reserve Trust Fund shall be revised to accommodate the appropriation or the reduction or increase in projected revenues. Notwithstanding any provision of KRS 48.120(4) and (5) to the contrary, the official enacted revenue estimates of the Commonwealth described in KRS 48.120(5) shall be adjusted at the conclusion of the 2020 Regular Session of the General Assembly to incorporate any projected revenue increases or decreases that will occur as a result of actions taken by the General Assembly subsequent to the passage of this Act by both chambers.

The State Treasurer shall only approve requests which document that the use of state aircraft is the lowest cost option as measured by both travel costs and travel time. The State Treasurer shall not designate approval authority for out-of-state travel on state aircraft by

Executive Branch cabinet secretaries to any other person. Any requests and documentation regarding the use of state aircraft collected by the State Treasurer shall be subject to the Kentucky Open Records Act, KRS 61.872 to 61.884.

**33. Jailer Canteen Accounts:** Notwithstanding KRS 67.0802(6)(a), any compensation resulting from the disposal of real or personal property that was purchased from a canteen account under KRS 441.135 shall be returned to the canteen account from which the real or personal property was originally purchased. All proceeds resulting from the disposal of real or personal property purchased from a canteen account shall be reported to the Interim Joint Committee on Appropriations and Revenue by December 1 of each fiscal year.

**34. Employee Layoffs, Furloughs, and Reduced Hours:** Notwithstanding any statute to the contrary, the following process and procedure is established for July 1, 2020, through June 30, 2021, in the event that the Commonwealth or any agency determines that it is desirable for the Executive Branch to layoff, furlough, or reduce hours of employees:

(1) For the purposes of this section:

(a) "Appointing authority" means the agency head or any person whom he or she has authorized by law to designate to act on behalf of the agency with respect to employee appointments, position establishments, payroll documents, register requests, waiver requests, requests for certification, or other position actions;

(b) "Secretary" means the Secretary of the Personnel Cabinet as provided for in KRS 18A.015;

(c) "Furlough" or "reduction in hours" means the temporary reduction of hours an employee is scheduled to work by the appointing authority within a pay period;

(d) "Layoff" means discharge of employment subject to the rights contained in this section; and

(e) "Employees" includes all persons employed by the Executive Branch, including but not limited to employees of KRS Chapter 18A, KRS Chapter 16, KRS Chapter 156, the Kentucky Teachers' Retirement System, the Kentucky Higher Education Student Loan Corporation, the Kentucky Housing Corporation, and the Kentucky Lottery Corporation;

(2) An appointing authority has the authority to layoff or furlough employees or reduce hours of employment for any of the following reasons:

(a) Lack of funds or budgetary constraints;

(b) A reduction in the agency's spending authorization;

(c) Lack of work;

(d) Abolishment of a position; or

(e) Other material change in duties or organization;

(3) The appointing authority shall determine the job classifications affected and the number of employees laid-off in each classification and each county to which a layoff applies. In the same department or office, county, and job classification, interim and probationary employees shall be laid-off before any full-time or part-time employees with status are laid-off. For purposes of layoff, "probationary employee" does not include an employee with status serving a promotional probation;

(4) The Secretary shall approve all actions taken under subsection (2) of this section and no such layoff, furlough, or reduction of hours may begin until such approval has been granted. The appointing authority with the approval of the Secretary has the authority to determine the extent, effective dates, and length of any action taken under subsection (2) of this section;

(5) In determining the employees to be laid-off, the appointing authority shall consider all employees under the same appointing authority, within the job classification affected, and within the county affected. Consideration shall be given to the following relevant factors:

(a) Job performance evaluations;

(b) Seniority;

(c) Education, training, and experience; and

(d) Disciplinary record;

(6) Any employee whose position is subject to layoff, furlough, or reduction of hours shall be provided written notice containing the reason for the action as set forth in subsection (2) of this section at least 15 days in advance of the effective date of the action;

(7) Any employee with status who is laid-off shall be eligible to apply as a reemployment applicant for positions with the same job classification from which he or she was laid-off, in the cabinet from which he or she was laid-off. For a period of two years, a reemployment applicant shall be hired before any applicant except another reemployment applicant with greater seniority who is on the same register. A reemployment applicant shall not be removed from any register except as provided by KRS 18A.032. When a reemployment applicant is removed from a register, he or she shall be notified in writing. A reemployment applicant who accepts any classified position, or who retires through the Kentucky Retirement Systems or Kentucky Teachers' Retirement System, shall cease to have eligibility rights as a reemployment applicant;

(8) With the approval of the Secretary, the Personnel Cabinet may place employees subject to a reduction in force;

(9) Furloughs or reduction of hours during a pay period shall not result in the loss of eligibility for any benefit otherwise due the employee;

(10) The Secretary shall have the authority to promulgate comprehensive administrative regulations governing this section; and

(11) A layoff, furlough, or reduction of hours implemented in accordance with this section shall not be considered a penalization of the employee for the purposes of KRS Chapters 16, 18A, and 156, and shall be appealable to the State Personnel Board, the Kentucky Technical Education Personnel Board, the Department of Kentucky State Police Personnel Board, or other applicable administrative body.

**35. COVID-19 Federal Funds:** No Federal Funds received from the Coronavirus, Aid, Relief and Economic Security (CARES) Act or any other Federal Funds related to the COVID-19 emergency response shall be used to establish any new programs unless those new programs can be fully supported from existing appropriation amounts once all of the Federal Funds have been expended. No new positions shall be established unless those new positions are established as federally funded time-limited positions. The Office of State Budget Director shall submit a report to the Interim Joint Committee on Appropriations and Revenue by December 1 of each fiscal year on the expenditure of all Federal Funds and associated matching funds related to the COVID-19 emergency response.

**PART VI****GENERAL FUND BUDGET REDUCTION PLAN**

Pursuant to KRS 48.130 and 48.600, a General Fund Budget Reduction Plan is enacted for state government in the event of an actual or projected revenue shortfall in General Fund revenue receipts, excluding Tobacco Settlement – Phase I receipts, of \$11,448,237,100 in fiscal year 2019-2020 and \$11,592,051,800 in fiscal year 2020-2021, as modified by related Acts and actions of the General Assembly in an extraordinary or regular session. Notwithstanding KRS 48.130, direct services, obligations essential to the minimum level of constitutional functions, and other items that may be specified in this Act, are exempt from the requirements of this Plan. Each branch head shall prepare a specific plan to address the proportionate share of the General Fund revenue shortfall applicable to the respective branch. No budget revision action shall be taken by a branch head in excess of the actual or projected revenue shortfall.

The Governor, the Secretary of State, the Attorney General, the Treasurer, the Commissioner of Agriculture, the Auditor of Public Accounts, the Chief Justice, and the Legislative Research Commission shall direct and implement reductions in allotments and appropriations only for their respective branch budget units as may be necessary, as well as take other measures which shall be consistent with the provisions of this Part and biennial branch budget bills.

Pursuant to KRS 48.130(4), in the event of a revenue shortfall of five percent or less, the following General Fund budget reduction actions shall be implemented:

(1) The Local Government Economic Assistance and the Local Government Economic Development Funds shall be adjusted by the Secretary of the Finance and Administration Cabinet to equal revised estimates of receipts pursuant to KRS 42.4582 as modified by the provisions of this Act;

(2) Transfers of excess unappropriated Restricted Funds, notwithstanding any statutes to the contrary, other than fiduciary funds, to the General Fund shall be applied as determined by the head of each branch for its respective budget units. No transfers to the General Fund shall be made from the following:

(a) Local Government Economic Assistance and Local Government Economic Development Funds;

(b) Unexpended debt service from the Tobacco-Settlement Phase I Funds, including but not limited to unexpended debt service and the Tobacco Unbudgeted Interest Income-Rural Development Trust Fund, in either fiscal year; and

(c) The Kentucky Permanent Pension Fund;

(3) Unexpended debt service;

(4) Any unanticipated Phase I Master Settlement Agreement revenues in both fiscal years shall be appropriated according to Part X of this Act and shall not be transferred to the General Fund;

(5) Use of the unappropriated balance of the General Fund surplus shall be applied;

(6) Any language provision that expresses legislative intent regarding a specific appropriation shall not be reduced by a greater percentage than the reduction to the General Fund appropriation for that budget unit;

(7) Contributions appropriated to pensions in excess of statutory requirements;

(8) Contributions appropriated to pension insurance in excess of actuarially required contributions;

(9) Reduce General Fund appropriations in Executive Branch agencies' operating budget units by a sufficient amount to balance either fiscal year. No reductions of General Fund appropriations shall be made from the Local Government Economic Assistance Fund or the Local Government Economic Development Fund;

(10) Notwithstanding subsection (9) of this Part, no reductions shall be made to the Secretary of State, the Attorney General, the Treasurer, the Commissioner of Agriculture, or the Auditor of Public Accounts, or their offices, Commonwealth's Attorneys or their offices, or County Attorneys or their offices. The Governor may request their participation in a budget reduction; however, the level of participation shall be at the discretion of the Constitutional Officer or the Prosecutors Advisory Council, and shall not exceed the actual percentage of revenue shortfall;

(11) Excess General Fund appropriations which accrue as a result of personnel vacancies and turnover, and reduced requirements for operating expenses, grants, and capital outlay shall be determined and applied by the heads of the executive, judicial, and legislative departments of state government for their respective branches. The branch heads shall certify the available amounts which shall be applied to budget units within the respective branches and shall promptly transmit the certification to the Secretary of the Finance and Administration Cabinet and the Legislative Research Commission. The Secretary of the Finance and Administration Cabinet shall execute the certified actions as transmitted by the branch heads.

Branch heads shall take care, by their respective actions, to protect, preserve, and advance the fundamental health, safety, legal and social welfare, and educational well-being of the citizens of the Commonwealth;

(12) Funds available in the Budget Reserve Trust Fund shall be applied in an amount not to exceed 50 percent of the Trust Fund balance in fiscal year 2019-2020 and 25 percent in fiscal year 2020-2021; and

(13) Pursuant to KRS 48.130 and 48.600, if the actions contained in subsections (1) to (12) of this Part are insufficient to eliminate an actual or projected General Fund revenue shortfall, then the Governor is empowered and directed to take necessary actions with respect to the Executive Branch budget units to balance the budget by such actions conforming with the criteria expressed in this Part.

A county not certified on the basis of final unemployment figures may also be certified as a qualified county if the authority determines the county is one (1) of the sixty (60) most distressed counties in the Commonwealth based on the following criteria with equal weight given to each criterion:
  - (a) The average countywide rate of unemployment in the most recent three (3) consecutive calendar years, on the basis of final unemployment figures calculated by the Department of Workforce Investment in the Education and Workforce Development Cabinet;
  - (b) In each county the percentage of adults twenty-five (25) years of age and older who have attained at least a high school education or equivalent, on the basis of the most recent data available from the United States Department of Commerce, Bureau of the Census; and

The authority shall not provide inducements for any facilities in that county and an approved company shall not be eligible for the inducements offered by KRS 154.22-010 to 154.22-070 unless the tax incentive agreements required herein are entered into by all parties prior to July 1 of the year following the calendar year in which the authority decertified that county. In addition, the authority shall certify coal-producing counties, not otherwise certified as qualified counties in this subsection, for economic development projects involving the new construction of electric generation facilities. A coal-producing county shall mean a county in the Commonwealth of Kentucky that has produced coal upon which the tax imposed under KRS 143.020 was paid at any time. For economic development projects undertaken in a regional industrial park, as defined in KRS 42.4588, or in an industrial park created pursuant to an interlocal agreement in which revenues are shared as provided in **KRS 65.210 to 65.300**~~[KRS 65.245]~~, where the physical boundaries of the industrial park lie within two (2) or more counties of which at least one (1) of the counties is a qualified county under this section, an eligible company undertaking an economic development project within the physical boundaries of the industrial park may be approved for the inducements under KRS 154.22-010 to 154.22-080.

The authority may extend this two (2) year period upon the written application of an eligible company requesting an extension.
- (4) (a) Within six (6) months after the activation date, the approved company shall compensate a minimum of ninety percent (90%) of its full-time employees whose jobs were created with base hourly wages equal to either:

- (b) If the base hourly wage calculated in paragraph (a)1. or 2. of this subsection is less than one hundred fifty percent (150%) of the federal minimum wage, then the base hourly wage shall be one hundred fifty percent (150%) of the federal minimum wage. However, for projects receiving preliminary approval of the authority prior to July 1, 2008, the base hourly wage shall be one hundred fifty percent (150%) of the federal minimum wage existing on January 1, 2007. In addition to the applicable base hourly wage calculated above, the eligible company shall provide employee benefits equal to at least fifteen percent (15%) of the applicable base hourly wage; however, if the eligible company does not provide employee benefits equal to at least fifteen percent (15%) of the applicable base hourly wage, the eligible company may qualify under this section if it provides the employees hired by the eligible company as a result of the economic development project total hourly compensation equal to or greater than one hundred fifteen percent (115%) of the applicable base hourly wage through increased hourly wages combined with employee benefits.
- (c) The requirements of this subsection shall not apply to eligible companies which are nonprofit corporations established under KRS 273.163 to 273.387 and whose employees are handicapped and sheltered workshop workers employed at less than the established minimum wage as authorized by KRS 337.295.

For an eligible company, within a regional industrial park which lies within two (2) or more counties, the calculation of the wage and benefit requirement shall be determined by averaging the average county hourly wage for all counties within the regional industrial park.

- (5) No economic development project which will result in the replacement of agribusiness, manufacturing, or electric generation facilities existing in the state shall be approved by the authority; however, the authority may approve an economic development project that:
  - (a) Rehabilitates an agribusiness, manufacturing, or electric generation facility:

  - (c) Replaces an existing agribusiness, manufacturing, or electric generation facility located in the same qualified county, and the existing agribusiness, manufacturing, or electric generation facility to be replaced cannot be expanded due to the unavailability of real estate at or adjacent to the agribusiness, manufacturing, or electric generation facility to be replaced. Any economic development project satisfying the requirements of this subsection shall only be eligible for inducements to the extent of the expansion, and no inducements shall be available for the equivalent of the agribusiness, manufacturing, or electric generation facility to be replaced. No economic development project otherwise satisfying the requirements of this subsection shall be approved by the authority which results in a lease abandonment or lease termination by the approved company without the consent of the lessor.
- (6) With respect to each eligible company making an application to the authority for inducements, and with respect to the economic development project described in the application, the authority shall request materials and make inquiries of the applicant as necessary or appropriate. Upon review of the application and completion of initial inquiries, the authority may, by resolution, give its preliminary approval by designating an eligible company as a preliminarily approved company and authorizing the undertaking of the economic

development project. After preliminary approval, the authority may by final approval designate an eligible company to be an approved company.

Communication between the victim and the special advocate shall be privileged.

## ( HB 361 )

AN ACT relating to prisoners and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 441.520 is amended to read as follows:

(1) *As used in this section:*

- (a) *"Originating jail" means a jail that has been ordered by the court to transfer prisoners to a receiving jail; and*
- (b) *"Receiving jail" means a jail that has been ordered by the court to receive prisoners from an originating jail.*

(2) (a) ~~If in any county there is no jail, or the jail is insecure, or~~ there is danger or probable danger that any or all ~~of the~~ *prisoners* ~~[persons]~~ confined in ~~a~~ *the* jail ~~under any order or process of a court, or held to answer any charge in a court,~~ will be removed from the jail by violence, the Circuit Judge shall **order the transfer of those prisoners** ~~[, by an order made of record, direct that any or all of such persons be transferred]~~ to the jail of the nearest county in which the jail is secure and **the prisoners** ~~[they]~~ can be safely kept. **The order shall include evidence of the danger or probable danger to the prisoners.** When any such order is made, and a copy ~~thereof~~ is **given** ~~[furnished]~~ to the jailer of the **receiving jail** ~~[county designated]~~, he **or she** shall receive all such prisoners. If ~~a~~ *the* Circuit Judge is not in the county, the order of transfer may be made by ~~a~~ *the* District Judge, who shall deliver the order, or a copy thereof, to the circuit clerk for revision by the Circuit Court.

- (b) *Except as provided in paragraph (a) of this subsection, before ordering the transfer of a prisoner from an originating jail to a receiving jail, a Circuit Judge shall receive a written agreement between the originating and receiving jails. The written agreement shall specify that the receiving jail has agreed to house the prisoner or prisoners and that the originating jail shall pay the prisoner's expenses in accordance with subsection (3)(a) and (b) of this section. If the Circuit Judge orders the transfer before receiving the written agreement, the receiving jail shall not be required to house the prisoner nor shall the receiving jail's jailer be subject to contempt for failing to obey the transfer order.*

(3) *In the event a prisoner is transferred from an originating jail to a receiving jail, the receiving jail shall:*

- (a) *Charge no more than three (3) times the per diem amount determined according to KRS 431.215(2). However, the per diem rate charged by the receiving jail shall not exceed the combined cost of the prisoner's room and board, administrative processing or booking, and any evidence-based programming the prisoner receives;*
- (b) *Perform only medically necessary procedures on the prisoners, as determined by the receiving jail's medical provider. The originating jail shall be financially responsible for these medically necessary procedures. If a prisoner is sent out of the receiving jail for more than eight (8) hours for a medically necessary procedure, the originating jail shall be financially responsible for all receiving jail personnel costs related to the prisoner's transportation until the prisoner is returned to the receiving jail; and*
- (c) *Be no more than two (2) geographically contiguous judicial districts away from the originating jail.*

(4) *The sheriff of the county of the originating jail shall be responsible for the transportation of any prisoners transferred pursuant to this section. For those prisoners transferred pursuant to subsection (2)(a) of this section, the sheriff shall transfer the prisoners in accordance with subsection (2)(a) of Section 2 of this Act.*

(5) *To ensure the ongoing safety and security of the prisoners, any Circuit Judge who orders the transfer of a prisoner from an originating jail to a receiving jail shall review his or her transfer orders every sixty (60) days, with input from the originating and receiving jails.*

➔Section 2. KRS 441.530 is amended to read as follows:

(1) *As used in this section, "receiving jail" means a jail that has been ordered by the court to receive prisoners.*

- (2) (a) Immediately upon the receipt of a copy of an order made pursuant to KRS 441.520(2)(a), the sheriff, or if there is no sheriff, the coroner, shall transfer the prisoners to the **receiving jail** ~~[of the county designated in the order]~~. He **or she** shall deliver the prisoners to the jailer of **the receiving jail** ~~[that~~

~~county at the jail~~, with a copy of the order, and take from him *or her* a receipt for the prisoners, which he *or she* shall return to the office of the circuit clerk of the county from which the removal was made. The clerk shall file the receipt in his *or her* office.

- (b) The *receiving jail*~~jailer~~ shall receive the prisoners and safely keep them until they are properly discharged. If the *receiving jail's* jailer fails to accept and keep such prisoners, ~~that jailer~~~~he~~ and his *or her* sureties shall be liable in the same manner and to the same extent as if the prisoners had been regularly committed by an order of the Circuit Court of his *or her* county.
- (3) (a) The ~~sheriff~~~~officer~~ conveying the prisoners to the *receiving*~~designated~~ jail, and such guards as the judge directs him to take, not exceeding the number of guards allowed in taking convicts to the penitentiary, shall receive the compensation and mileage allowed by KRS 64.070 for taking convicts to the penitentiary. The compensation shall be allowed by the Circuit Judge directing the transfer and paid out of the State Treasury, unless there was no jail in the county or it was rendered insecure by the failure of the fiscal court to keep it in the requisite condition, in which case it shall be paid *in accordance with paragraph (b) of this subsection*~~by the fiscal court of the county~~. The Circuit Judge, in making the allowance, shall state in the order out of which fund it shall be paid. The order of the judge directing the transfer shall be conclusive evidence that the transfer was proper and to the right jail, and shall be a justification to the *receiving jail's* jailer for holding any such prisoner in any action against him for false imprisonment.
- ~~(b)(2)~~ If a transfer of prisoners is necessary because there is no jail in the county or because the jail was rendered insecure by the failure of the fiscal court to keep it in the requisite condition, the cost of lodging the prisoners in the *receiving jail*~~of the county to which they are transferred~~ shall be borne by the fiscal court of the county from which the transfer was made at a rate set by agreement between the two (2) fiscal courts involved. If the fiscal courts are unable to reach an agreement, the Circuit Judge who ordered the transfer shall establish the rate based on prisoner and facility cost data provided by the receiving *jail's* jailer. The order of transfer shall state the reasons of the transfer.

The commissioner of the Department of Corrections shall evaluate the request and transfer the inmate if he deems it necessary. ## CHAPTER 112

**( SB 158 )**

AN ACT relating to education.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 158.6455 is amended to read as follows:

It is the intent of the General Assembly that schools succeed with all students and receive the appropriate consequences in proportion to that success.

- (1) (a) The Kentucky Board of Education shall create an accountability system to classify districts and schools in accordance with the academic standards and student assessment program developed pursuant to KRS 158.6453.
- (b) The accountability system shall include *an annual meaningful differentiation of all public schools in the state using multiple measures that describe the overall performance of each district, school, and student subgroup. Performance shall be based on a combination of academic and school quality indicators and measures, hereinafter called "state indicators." The state indicators shall exclusively include:*
  1. ~~{An annual overall summative performance evaluation of each school and district compared to goals established by the Kentucky Department of Education. The evaluation for each school and district shall:~~
    - a. ~~Not consist of a single summative numerical score that ranks schools against each other; and~~
    - b. ~~Be based on a combination of academic and school quality indicators and measures, with greater weight assigned to the academic measures;~~
  2. ~~Student assessment results;~~
  - 2.~~{3.}~~ Progress toward achieving English proficiency by limited English proficiency students;
  - 3.~~{4.}~~ Quality of school climate and safety;
  - 4.~~{5.}~~ High school graduation rates;
  - 5.~~{6.}~~ Postsecondary readiness for each high school student, which shall be included as an academic indicator, and shall be measured by:
    - a. Meeting or exceeding a college readiness benchmark score on the college admissions examination used as the statewide assessment in KRS 158.6453(5)(b)5. or a college placement examination approved by the Council on Postsecondary Education. The college readiness benchmark score shall be established by the Council on Postsecondary Education; or
    - b. Achievement of college credit, postsecondary articulated credit, apprenticeship time toward a credential or associate degree, or any industry-recognized certifications, licensures, or credentials, with more weight in accountability for industry-recognized certifications, licensures, or credentials identified as high demand in accordance with the process described in paragraph (e)~~{(e)}~~ of this subsection. Eligible industry-recognized certifications, licensures, or credentials shall not be limited to those earned in conjunction with a minimum sequence of courses. Each high school shall publicly report the credits, hours, and credentials on an annual basis; and
  - 6.~~{7.}~~ Any other factor mandated by the federal Every Student Succeeds Act of 2015, Pub. L. No. 114-95, or its successor.
- (c) *Beginning with data from the 2020-2021 and 2021-2022 school years, the accountability system performance for each district, school, and student subgroup determined by the state indicators shall be based on a combination of annual performance, hereinafter called "status," and improvement over time, hereinafter called "change."*
  1. *Status and change shall receive equal weight in determining overall performance. For all students as a group and separately for individual subgroups, status shall be determined, beginning with the data from the 2020-2021 academic year, by using the current year performance and change shall be determined, beginning with the data from the 2021-2022 academic year, by using the difference in performance from the prior to current year, except change shall be based on the difference in performance for the prior three (3) years for the purpose of determining the lowest-performing five percent (5%) of schools under subsections (2) and (3) of Section 2 of this Act.*
  2. *For each state indicator, there shall be five (5) status levels ranging from very high to very low and five (5) change levels ranging from increased significantly to declined significantly.*

3. *The percentile cut scores for status and change levels shall be based on distribution and shall be approved by the Kentucky Department of Education and the Local Superintendents Advisory Council. The cut scores shall remain in place for at least six (6) years unless existing cut scores no longer support meaningful differentiation of schools as required by the federal Every Student Succeeds Act of 2015, Pub. L. No. 114-95, or its successor.*
- (d) *Beginning in the fall of 2022, the Kentucky Department of Education shall develop an online display of the accountability system results hereinafter called a "dashboard." A color-coded performance level for each state indicator shall be displayed in a straightforward manner on the dashboard for overall performance, status, and change by district, school, and individual subgroups. Overall performance shall aggregate all available data for the state indicators.*
- (e) Based on data from the Kentucky Center for Education and Workforce Statistics, each local workforce investment board, in conjunction with local economic development organizations from its state regional sector, shall annually compile a list of industry-recognized certifications, licensures, and credentials specific to the state and regional workforce area, rank them by demand for the state and regional area, and provide the list to the Kentucky Workforce Innovation Board. The Kentucky Workforce Innovation Board, in conjunction with the Kentucky Department of Education, may revise the lists before the Kentucky Department of Education disseminates the lists to all school districts to be used as postsecondary readiness indicators.
- ~~(f)(d)~~ 1. The Kentucky Department of Education shall pay for the cost of an assessment taken by a high school student for attaining an industry-recognized certification, credential, or licensure if the student consecutively completes at least two (2) related career pathway courses approved by the department prior to taking the assessment.
2. If a high school student has not completed the two (2) course requirement described in subparagraph 1. of this paragraph but meets performance-based experience eligibility and passes an assessment, the department shall provide a weighted reimbursement amount to the school district for the cost of the assessment based on the level of demand of the certificate, credential, or license earned. The Kentucky Board of Education shall promulgate regulations establishing the performance-based experience eligibility requirements and weighted reimbursement amounts.
- ~~(g)(e)~~ Prior to promulgating administrative regulations to revise the accountability system, the board shall seek advice from the School Curriculum, Assessment, and Accountability Council; the Office of Education Accountability; the Education Assessment and Accountability Review Subcommittee; and the National Technical Advisory Panel on Assessment and Accountability.
- (2) A student's test scores shall be counted in the accountability measure of:
  - (a) 1. The school in which the student is currently enrolled if the student has been enrolled in that school for at least a full academic year as defined by the Kentucky Board of Education; or
  2. The school in which the student was previously enrolled if the student was enrolled in that school for at least a full academic year as defined by the Kentucky Board of Education; and

    - a. A properly endorsed certificate of title on the vehicle from the current owner; and
    - b. If applicable, any lien satisfactions; or

  - b. Within forty-five (45) days of taking possession of the motor vehicle, the motor vehicle dealer has not been paid storage fees by the current owner or lienholder and has not been provided both a properly endorsed certificate of title and if applicable, any lien satisfactions;
- (c) More than thirty (30) days before presenting the affidavit to the county clerk, the affiant attempted to notify the owner of the vehicle and all known lienholders, including those noted on the title, by certified mail, return receipt requested, or by a nationally recognized courier service, of his or her name, address, and telephone number as well as his or her intention to obtain a new title or salvage title, as applicable, clear of all prior liens, unless the owner or a lienholder objects in writing;
- (d) More than fourteen (14) days before presenting the affidavit to the county clerk, the affiant had published a legal notice stating his or her intention to obtain title to the vehicle. The legal notice appeared at least twice in a seven (7) day period in a newspaper with circulation in the county. The legal notice stated:

  - 2. The owner's name;
  - 3. The names of all known lienholders, including those noted on the title;

- (b) If subsection ~~(6)(4)~~(b)2. or 3. of this section applies, the new ownership document shall be a salvage title if the vehicle meets the requirements for a salvage title as stated in KRS 186A.520(1)(a).
- (c) If subsection ~~(6)(4)~~(b)2. or 3. of this section applies and the vehicle does not meet the requirements for a salvage title as stated in KRS 186A.520(1)(a), the new ownership document shall be a title.
- ~~(8)(6)~~ No more than two (2) active security interests may be noted upon a certificate of title.
- ~~(9)(7)~~ In noting a security interest upon a certificate of title, the county clerk shall ensure that the certificate of title bears the lienholder's name, mailing address and zip code, the date the lien was noted, the notation number, and the county in which the security interest was noted. The clerk shall obtain the information required by this subsection for notation upon the certificate of title from the title lien statement described in KRS 186A.195 to be provided to the county clerk by the secured party.
- ~~(10)(8)~~ For all the costs incurred in the notation and discharge of a security interest on the certificate of title, the county clerk shall receive the fee prescribed by KRS 64.012. The fee prescribed by this subsection shall be paid at the time of submittal of the title lien statement described in KRS 186A.195.
- ~~(11)(9)~~ A copy of the application, certified by the county clerk, indicating the lien will be noted on the certificate of title shall be forwarded to the lienholder.

➔Section 2. KRS 186A.195 is amended to read as follows:

- (1) As used in this chapter, a title lien statement is a document to be submitted by the secured party to the county clerk. Upon submission of the title lien statement, the county clerk shall use the information contained therein to note the security interest on the certificate of title, in accordance with KRS 186A.190~~(9)(7)~~. The county clerk may make title lien statements available to the general public. However, public availability of such statements is not necessary or effective to perfect a security interest in property required to be registered or titled in accordance with this chapter.
- (2) If a title lien statement and the required fees accompany the application for first title of any property in the name of an owner, the county clerk shall enter the information required by KRS 186A.190~~(9)(7)~~ into the automated system so as to produce a certificate of title in Frankfort bearing in addition to any other required information, the information designated by KRS 186A.190~~(9)(7)~~. The clerk shall thereby produce, in accordance with design of the automated system, a certificate of registration, if required.
- (3) If a title lien statement and the required fees are not received at the time of application for first title of any property in the name of the owner due to owner's residency in another county, or if the form prescribed by KRS 186A.060 indicates a pending lien but the title lien statement does not accompany the application for title, the county clerk shall enter into the Automated Vehicle Information System (AVIS) the name and address of the lienholder and the county where the lien is to be noted or that a lien is pending. The clerk shall indicate a title is not to be issued until the lien has been noted and fees, according to KRS 186A.190, paid in the county of the owner's residence or in thirty (30) days. The county clerk shall then issue the registration. The county clerk in the county of the owner's residence shall, after receiving the title lien statement and fees contained in KRS 186A.190, enter into the Automated Vehicle Information System (AVIS) the date of lien notation and the notation number, thus enabling the system to produce the title in Frankfort.
- (4) Should a certificate of title be issued after the thirty (30) day period has expired without the notation of a security interest thereon, or should there be no provision made for a lien to be noted in the county of residence of the debtor within thirty (30) days and the title issued within that time, the secured party shall request from the debtor, and the debtor shall submit to the secured party, the certificate of title. The secured party shall submit the certificate of title along with the title lien statement to the county clerk of the county of the debtor's residence. The county clerk shall then enter the information required by KRS 186A.190~~(9)(7)~~ into the Automated Vehicle Information System (AVIS) and note on the certificate of title in the appropriate section the information described in that section. Following the notation of the appropriate information on the certificate of title, the county clerk shall return the title to the debtor.
- (5) The security interest noted on the certificate of title shall be deemed perfected at the time the security interest attaches (KRS 355.9-203) if the secured party tenders the required fees and submits a properly completed title lien statement and application for first title or, in the case of property previously titled in the name of its

debtor, the certificate of title to the appropriate county clerk within thirty (30) days of attachment. Otherwise, the security interest shall be deemed perfected at the time that such fees are tendered and such documents are submitted to the appropriate county clerk.

➔Section 3. KRS 186A.200 is amended to read as follows:

- (1) With respect to a vehicle previously titled in the name of its debtor, the secured party shall, within thirty (30) days after execution of the security agreement, obtain the current certificate of title in the name of the debtor, with no more than one (1) prior lien indicated thereon, and present to the county clerk the certificate of title, which the secured party shall have the right to obtain from the debtor, together with the title lien statement and the required fees in KRS 186A.190 to the county clerk.
- (2) For failure to present both the title and title lien statement within the time prescribed by subsection (1) of this section, the secured party shall pay a penalty of two dollars (\$2) to the county clerk as a prerequisite for noting the security interest on the title.
- (3) The county clerk shall enter the information required by KRS 186A.190~~(9)~~~~[(7)]~~ into the automated system.
- (4) The county clerk shall record upon the title in the appropriate section the information designated by KRS 186A.190~~(9)~~~~[(7)]~~.

( SB 239 )

AN ACT relating to local government pension plans.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 90.400 is amended to read as follows:

- (1) Any city maintaining a pension fund for employees under civil service hired before August 1, 1988, operating pursuant to this section as of January 1, 2015, shall continue to operate the existing pension fund in accordance with this section. The city may assess monthly such amount or percent of the salary of the employees as may be equitably determined on a fair actuarial basis, the assessment to be deducted from the employees' salaries and paid in cash into the pension fund.
- (2) The city may make current contributions to the fund on an actuarially funded basis, toward the annuities and benefits herein provided. These contributions shall be equal to the sum of the following:
  - (a) An annual amount resulting from the application of a rate percent of salaries of active members, representing the present value of the actuarial reserve requirements for membership service, for service retirement annuity, disability retirement annuity, and annuities to surviving spouses and children, and the one-year term premium for the city's liability for death benefits, after applying the contribution by the active members. Such rate percent shall be fixed by the city legislative body at least once every three (3) to five (5) years after completion of the actuarial valuation required by KRS 65.156, and shall be in effect until the next actuarial valuation is completed by the fund.
  - (b) An amount resulting from the application of a rate percent of the salaries of active members which will provide each year regular interest on the remaining liability for prior service.
- (3) The city may create or continue to operate a board for the pension fund and designate trustees of that board to serve as the governing body of the fund, and may fix the powers of the trustees, determine the eligibility of employees or their dependents to a pension or other benefit, and may provide a monthly allowance for employees eligible for a pension.
- (4) Temporary employees appointed without examination shall not be compelled to contribute to any pension fund and shall not be eligible to benefits.
- (5) In no year shall the contribution by the city to the pension fund, in the manner provided in this section, be less than the total amount assessed upon and deducted from the salary of the employees.

- (7) When any city maintaining a pension fund for employees under civil service hired before August 1, 1988, operating pursuant to this section as of January 1, 2015, picks up employee contributions pursuant to KRS 65.155, or accepts from its employees a portion of their wages and contributes city funds therefor, an

inviolable contract shall be created between the city as employer and its employees, and the city and its employees shall continue to operate under KRS 90.310 to 90.390 and the adopting ordinance, except that employees, pursuant to subsection (8) of this section, may choose to participate in the County Employees Retirement System. An insurance company accepting a benefit transfer shall honor any features and options available under the existing plan. If the governing body of the fund elects to offer the option to convert monthly pension benefits to monthly annuity benefits, it shall provide to individuals entitled to benefits from the fund sufficiently complete and appropriate disclosures to assist in making an informed decision.***
- (10) If all liabilities to all individuals entitled to benefits have been satisfied for a pension fund covered by this section, any ordinances established for creation or maintenance of the fund may be repealed by the majority vote of the duly elected members of the entire legislative body of the city. If repealed, the governing body of the fund shall, within sixty (60) days of repeal, proceed with the liquidation of any residual assets of the fund. All residual assets liquidated pursuant to this subsection shall be distributed by the fund's governing body to the city government's general fund so long as the return of assets complies with federal and state law governing the distribution of assets. An insurance company accepting a benefit transfer shall honor any features and options available under the existing plan. If the governing body of the fund elects to offer the option to convert monthly pension benefits to monthly annuity benefits, it shall provide to individuals entitled to benefits from the fund sufficiently complete and appropriate disclosures to assist in making an informed decision.***
- (7) If all liabilities to all individuals entitled to benefits have been satisfied for a pension fund covered by this section, any ordinances established for creation or maintenance of the fund may be repealed by the majority vote of the duly elected members of the entire legislative body of the city. If repealed, the governing body of the fund shall, within sixty (60) days of repeal, proceed with the liquidation of any residual assets of the fund. All residual assets liquidated pursuant to this subsection shall be distributed by the fund's governing body to the city government's general fund so long as the return of assets complies with federal and state law governing the distribution of assets. Within thirty (30) days following the distribution of residual assets, the governing body of the fund shall as its last act file a complete report with the legislative body of the city of the actions taken to dissolve the fund and liquidate residual assets of the fund for retention by the city clerk the same as for other city records.

➔Section 3. KRS 95.290 is amended to read as follows:

- (1) The city legislative body in cities of the first class may enact ordinances providing for a system of pensions for retired and disabled members of the police and fire divisions of the department of public safety and their dependents, may appropriate funds for the purpose of paying such pensions, may allot and pay to the policemen's pension fund or the firefighters' pension fund or either or both of them, all fines and forfeitures imposed upon members of the respective divisions, and may provide for, assess, and collect contributions from the members for the benefit of the fund.
- (2)
  - (a) There shall be a governing body of the policemen's pension fund, and a governing body of the firefighters' pension fund. The governing bodies of the respective funds shall hold title to all assets in their respective funds, and shall have exclusive authority relating to investment of the assets of the funds, including contracting with investment advisors or managers to perform investment services as deemed necessary and prudent by the board. A majority of the governing body of each fund shall be composed of persons receiving pension benefits from the respective pension systems, and no more than one (1) member of the city legislative body may be a member of the governing body of either the policemen's or the firefighters' pension fund, except if there are fewer than six (6) active and retired members of the policemen's or the firefighters' pension fund, the governing body of the pension fund shall be composed of the mayor, city treasurer or chief financial officer, and two (2) employees appointed by the mayor from the city's respective police department or fire department. To be effective, an action of the governing body of a fund shall require only a simple majority of the votes cast at a properly convened meeting of the governing body where a quorum is present, with a quorum being a majority of the members of a governing body.
  - (b) ***If there are fewer than twelve (12) active and retired members or beneficiaries of the policemen's or the firefighters' pension fund, the governing body of the fund may elect to offer to individuals entitled to benefits from the fund a one (1) time irrevocable option to convert monthly pension benefits from the fund to monthly annuity benefits from an insurance company for the same amount. An insurance company accepting a benefit transfer shall honor any features and options available under the existing plan. If the governing body of the fund elects to offer the option to convert monthly pension benefits to monthly annuity benefits, it shall provide to individuals entitled to benefits from the fund sufficiently complete and appropriate disclosures to assist in making an informed decision.***

- (c) If all liabilities to all individuals entitled to benefits from the policemen's pension fund or firefighters' pension fund have been satisfied, the ordinances establishing the fund may be repealed by the majority vote of the duly elected members of the entire legislative body. If repealed, the governing body of the policemen's or firefighters' pension fund shall, within sixty (60) days of repeal, proceed with the liquidation of any residual assets of the fund. All residual assets liquidated pursuant to this paragraph shall be distributed by the governing body to the city's general fund provided the return of assets complies with federal and state law governing the distribution of assets. Within thirty (30) days following the distribution of residual assets, the governing body of the fund shall as its last act file a complete report with the legislative body of the city, for retention by the city clerk the same as for other city records, of the actions taken to dissolve the fund and liquidate residual assets of the fund.
- (3) Any policemen's pension fund or any firefighters' pension fund established under the provisions of this section shall be held or distributed for, and only for, any of the following purposes of the respective fund as applicable:
  - (a) Paying pensions, and any bonus payments under applicable ordinances;
  - (b) Making payments to the city for transfer to the County Employees Retirement System for alternate participation pursuant to KRS 78.530(3)(a) and 78.531(2) or for the distribution of residual assets in the event the fund is dissolved pursuant to subsection (2)(c)~~(b)~~ of this section;
  - (c) ***Making payments to the city for transfer to an insurance company for conversion of monthly pension benefits to monthly annuity benefits as provided in subsection (2)(b) of this section;***
  - (d) Transferring pension assets through investment contract or other financial instrument for the purpose of amortizing unfunded service liabilities; and
  - ~~(e)~~ Payment from the city to the County Employees Retirement System for future pension contributions required pursuant to KRS 61.565.

Pursuant to the terms of this section, if policemen of the city of the first class elect entry into the County Employees Retirement System and thereby create excess funds over those required to provide for the purposes set forth in paragraphs (a), (b), ~~and~~ (c), (d), **and** (e) of this subsection, these excess funds shall be distributed to the city for use by the city for any other purpose it may elect, including, but not limited to, the establishment of a reserve for payment under paragraph ~~(e)~~ of this subsection. The governing board of the fund may annually expend for the necessary expenses connected with the fund, including but not limited to expenses for medical, actuarial, accounting, and legal services, the amount such governing board deems proper.

- ~~(f)~~ Payment from the city to the County Employees Retirement System for future pension contributions required pursuant to KRS 61.565. Pursuant to the terms of this section, if firefighters of the city of the first class elect entry into the County Employees Retirement System and thereby create excess funds over those required to provide for the purposes set forth in paragraphs (a), (b), ~~and~~ (c), (d), **and** (e) of this subsection, these excess funds shall be distributed according to the terms of an agreement negotiated between the city and the union organization representing the firefighters. The city may use its share of the distributed excess funds for any purpose it may elect, including, but not limited to, the establishment of a reserve for payment under paragraph (e) of this subsection.
- (4) (a) The governing body of each pension fund shall insure that all of the assets in the fund are distributed for the purposes in subsection (3) of this section, and only for these purposes. If in any calendar year the assets in either fund exceed those needed for the actuarial liability for payment of pension benefits and any anticipated liabilities under subsection (3)(b) and ~~(d)~~ of this section, the legislative body of the city establishing the pension system shall insure by pension bonus ordinance that a portion of these excess funds be distributed in an equitable manner to all eligible pension recipients. Nothing in this subsection shall be construed to require any change to be made to any pension ordinance as it exists on July 15, 1998.
- (b) The governing board of either fund may annually expend for the necessary expenses connected with the fund, including but not limited to expenses for medical, actuarial, accounting, and legal or other professional services, the amount such governing board deems proper.
- (5) Any ordinance establishing a pension fund under this section shall make equitable provision for the rights of persons having an interest in assets transferred to the fund from any fund heretofore established by statute.
- (6) To assure equal protection for the beneficiaries of either fund, any action taken by the city executive or legislative body in cities of the first class that affects a policemen's pension fund or a firefighters' pension fund

established under this section shall, to the maximum extent permitted by law, treat each fund in a uniform manner and shall not cause any change to be made to the structure or operation of either fund, whether through legislation, litigation, compromise, settlement, or otherwise, unless any proposed change is offered to the other fund before it takes effect. Nothing in this subsection shall be construed to require any change to be made to any pension ordinance as it exists on July 15, 1998.

- (7) The legislative body in a city of the first class shall issue the appropriate order, pursuant to KRS 78.530(1), directing participation for policemen in the County Employees Retirement System. All new employees who would have been granted membership in the local policemen's pension system shall be members of the County Employees Retirement System. All active members of the local policemen's pension system at the time of transition to the County Employees Retirement System may choose membership in the County Employees Retirement System or may retain membership in the local system. The city shall elect the alternate participation plan, pursuant to KRS 78.530(3), for policemen who transfer to the County Employees Retirement System. Notwithstanding the provisions of KRS 78.530(3)(b), the city may, at its option, extend the payment period for the cost of alternate participation to a maximum of twenty (20) years with the interest at the rate actuarially assumed by the board. The city shall have the right to use assets in the local pension fund, other than assets necessary to pay benefits to the remaining active members of the local policemen's pension system and to retirees and their survivors as determined by actuarial valuation, to assist in the payment of the annual installment cost of alternate participation. All policemen who become members of the County Employees Retirement System pursuant to this section shall be granted hazardous duty coverage, and the city may, at its option, purchase accumulated sick leave for each policeman upon retirement pursuant to KRS 78.616.
- (8) The legislative body in a city of the first class may issue the appropriate order, pursuant to KRS 78.530(1), directing participation for firefighters in the County Employees Retirement System. In the event that the legislative body in a city of the first class issues such an order, then all new employees who would have been granted membership in the local firefighters' pension system shall be members of the County Employees Retirement System. All active members of the local firefighters' pension system at the time of transition to the County Employees Retirement System may choose membership in the County Employees Retirement System or may retain membership in the local system. The city shall elect the alternate participation plan, pursuant to KRS 78.530(3), for firefighters who transfer to the County Employees Retirement System. Notwithstanding the provisions of KRS 78.530(3)(b), the city may, at its option, extend the payment period for the cost of alternate participation to a maximum of twenty (20) years with the interest at the rate actuarially assumed by the board. The city shall have the right to use assets in the local firefighters' pension fund, other than assets necessary to pay benefits to the remaining active members of the local firefighters' pension system and to retirees and their survivors as determined by actuarial valuation, to assist in the payment of the annual installment cost of alternate participation. After certification by the County Employees Retirement System of eligibility for hazardous duty coverage, each firefighter who becomes a member of the County Employees Retirement System pursuant to this section shall be granted hazardous duty coverage.
- (9) Notwithstanding the provisions of KRS 61.565, which relate to the contributions required of participating employers, any city of the first class participating in the County Employees Retirement System hazardous duty pension plan which has in effect a collective bargaining agreement with a group of employees who participate in said plan, shall have the right to enter into agreement with its employees or with their respective collective bargaining representatives. This agreement may include, but is not limited to, specifications of what portion of the required employer contribution shall be borne by the participating employer and what portion shall be borne by the participating employee. This provision in no way modifies the employer's obligation to remit the contributions required by the County Employees Retirement System pursuant to KRS 61.565, whether such contributions are borne by the city or by its participating employees.
- (10) With regard to the employer participation or employer contributions pursuant to KRS 61.565 as it relates to future pension contribution requirements or as it relates to payback period or interest charge for service liability cost under alternate participation, if any statute or any resolution of the appropriate state board of trustees having authority over employer participation or employer contribution grants any terms or conditions to any city of the home rule class, or to any county, or to any urban-county government, which are more favorable in terms of participation than terms or conditions granted to any city of the first class, then said provisions for employer participation or contribution shall be available to the city of the first class, at its option and effective upon adoption by the city of the first class and notification to the County Employees Retirement System.

➔Section 4. KRS 95.530 is amended to read as follows:

- (1) In cities with a pension fund established under KRS 95.520 where there are fewer than six (6) active members of the pension fund, except as provided by subsection (3) of this section, the board of trustees of the policemen's and firefighter's pension fund is composed of the mayor, city treasurer or chief financial officer, and one (1) retired member each from the police and fire departments. If an employer has an outstanding balance due for taxes or other obligations to the Commonwealth, for a bond payment, or to a county, city, school system or school district, fire district, or any special taxing authority, no funds shall be distributed to the employer unless those outstanding balances have been paid in full at the time of the distribution of the funds by Kentucky Employers' Mutual Insurance Authority.*
- (h) *If, at any time after the Kentucky Employers' Mutual Insurance Authority's distribution of funds to an employer, it is determined that the certification submitted by the employer to the Kentucky Employers' Mutual Insurance Authority was materially false at the time of the certification, the Attorney General is authorized to file an action against the employer to recover the funds distributed to the employer by the Kentucky Employers' Mutual Insurance Authority along with interest at the rate of twelve percent (12%) from the date of distribution of the funds to the employer and a penalty of ten percent (10%) of the amount of the funds distributed to the employer, plus reasonable attorney's fees, litigation expenses, and court costs.*
- (i) *For those employers who do not timely submit a certification to the Kentucky Employers' Mutual Insurance Authority as specified in this subsection, their pro rata shares shall be transferred to the Kentucky coal employers self-insurance guaranty fund for the purpose of paying workers' compensation benefits to employees of insolvent self-insured employers engaged in the severance and processing of coal, and those employers' claims to a distribution of funds pursuant to this subsection shall be forever barred.*
- (j) *The Kentucky Workers' Compensation Funding Commission shall provide all available information regarding the employers to the Kentucky Employers' Mutual Insurance Authority upon the request of the Kentucky Employers' Mutual Insurance Authority.*

- (9) The Kentucky Employers' Mutual Insurance Authority shall reimburse the funding commission for any expenses incurred with regard to the collection of assessments for the coal workers' pneumoconiosis fund and other incurred expenses related to the coal workers' pneumoconiosis fund.
