- (1) *The General Assembly of the Commonwealth of Kentucky hereby finds that:*
  - (a) *The Commonwealth of Kentucky has a paramount interest in protecting all human life;*

- (b) *If an attempted abortion results in the live birth of an infant, the infant is a legal person for all purposes under the laws of this Commonwealth;*
  - (c) *Irrespective of the status of court challenges to Kentucky statutes protecting unborn children from abortion, it is not an infringement on a woman's asserted right to terminate her pregnancy for this Commonwealth to affirm its interest in protecting an infant whose live birth occurred as the result of an attempted abortion; and*
  - (d) *Without proper legal protection, newly born infants who survive attempted abortions may be denied appropriate life-saving or life-sustaining medical care and treatment and may be left to die.*
- (2) *Based on the findings in subsection (1) of this section, the purposes of Sections 1 to 7 of this Act are to:*
- (a) *Ensure the protection and promotion of the health and well-being of all infants born-alive in this Commonwealth; and*
  - (b) *Mandate that healthcare providers give medically appropriate and reasonable life-saving and life-sustaining medical care and treatment to all born-alive infants.*

➔SECTION 3. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

- (1) *A person shall not deny or deprive a born-alive infant of:*
- (a) *Nourishment with the intent to cause or allow the death of the infant for any reason, including but not limited to:*
    - 1. *The infant was born with a disability;*
    - 2. *The infant is not wanted by the parent or guardian; or*

  - 2. *Medical facility other than a hospital results in a live birth, the physician attending the abortion shall provide immediate medical care to the infant and call 911 for an emergency transfer of the infant to a hospital that shall provide medically appropriate and reasonable medical care and treatment to the infant.*
- (b) *If the physician is unable to perform the duties in paragraph (a) of this subsection because he or she is assisting the woman on whom the abortion was performed, then an attending physician assistant, advanced practice registered nurse, nurse, or other healthcare provider shall assume the duties outlined in paragraph (a) of this subsection.*
- (3) *Any born-alive infant, including one born in the course of an abortion procedure, shall be treated as a legal person under the laws of this Commonwealth, with the same rights to medically appropriate and reasonable care and treatment. After birth, a birth certificate shall be issued and, if death occurs after birth, a death certificate shall be issued.*
- (4) *If the parent of a born-alive infant files a petition for voluntary termination of parental rights in accordance with KRS 625.040 because she or he does not wish to keep the infant, the born-alive infant shall become a ward of the Cabinet for Health and Family Services.*
- (5) (a) *The requirements of this section shall not be construed to prevent a born-alive infant's parent or guardian from refusing to give consent to medical care, medical treatment, or surgical care which is not medically appropriate or reasonable, including care or treatment that:*
- 1. *Is not necessary to save the life of the infant;*
  - 2. *Has a potential risk to the infant's life or health that outweighs the potential benefit of the medical care or treatment; or*

3. *Will do no more than temporarily prolong the act of dying when death is imminent.*
- (b) *The parent or guardian of a born-alive infant shall not be held criminally or civilly liable for the actions of a physician, physician assistant, advanced practice registered nurse, nurse, or other healthcare provider that are in violation of this section and to which the parent or guardian did not give consent.*

➔SECTION 4. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

*In addition to whatever remedies are available under the laws of this Commonwealth, failure to comply with the requirements of Section 3 of this Act shall:*

Any conviction under Section 3 of this Act shall be admissible in a civil suit as prima facie evidence of a failure to provide medically appropriate and reasonable medical care and treatment to a born-alive infant. Any civil action may be based on a claim that the death of or injury to the born-alive infant was a result of simple negligence, gross negligence, wantonness, willfulness, intentional conduct, or another violation of the legal standard of care;*
- (2) *Provide a basis for professional disciplinary action for the suspension or revocation of the license of a physician, physician assistant, advanced practice registered nurse, nurse, or pharmacist. - (3) *Provide a basis for recovery for the parent of the infant, or the parent or guardian of the mother if the mother is a minor, for the wrongful death of the infant, whether or not the infant was viable at the time the attempted abortion was performed.*

➔SECTION 5. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

*Nothing in Sections 1 to 7 of this Act shall be construed:*

- (1) *To affirm, deny, expand, or contract any legal status or legal right applicable to any member of the species homo sapiens at any point prior to being born alive;*

- (3) *As creating or recognizing a right to abortion; or*
- (4) *To alter generally accepted medical standards.*

*Any provision of Sections 1 to 7 of this Act held to be invalid or unenforceable by its terms, or as applied to any person or circumstance, shall be construed so as to give it the maximum effect permitted by law, unless such holding shall be one of utter invalidity or unenforceability, in which event the provision shall be deemed severable and shall not affect the remainder or the application of such provision to other persons not similarly situated or to other dissimilar circumstances.*

➔SECTION 7. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

  5.   7. The deduction calculated under this paragraph shall not be adjusted as a result of any events happening subsequent to the calculation, including but not limited to any disposition or abandonment of assets. The deduction shall be calculated without regard to the federal tax effect and shall not alter the tax basis of any asset. If the deduction under this section is greater than the combined group's entire Kentucky net income, any excess deduction shall be carried forward and applied as a deduction to the combined group's entire net income in future taxable years until fully utilized.

8. Any combined group intending to claim a deduction under this paragraph shall file a statement with the department on or before July 1, 2019. The statement shall specify the total amount of the deduction which the combined group claims on the form, including calculations and other information supporting the total amounts of the deduction as required by the department. ## CHAPTER 25

### ( SB 141 )

AN ACT relating to the coal workers' pneumoconiosis fund.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 342.1242 is amended to read as follows:

- (1) There is created the Kentucky coal workers' pneumoconiosis fund which shall have one-half (1/2) of the liability for income benefits, including retraining benefits, payable for claims brought under KRS 342.732 for last exposure incurred on or after December 12, 1996, which are filed on or before June 30, 2017. Income benefit payments by the Kentucky coal workers' pneumoconiosis fund shall be made contemporaneous with the payments made by the employer, except that the employer shall make all payments due under a final award or approved settlement for any claims filed after June 30, 2017.
- (2) For claims brought under KRS 342.732 for last exposure incurred on or after December 12, 1996 which are filed on or before June 30, 2017, the employer shall defend any claim brought under KRS 342.732 and upon conclusion shall seek participation in payment of the final award or settlement by the Kentucky coal workers' pneumoconiosis fund by making written request upon the director in the manner prescribed by administrative regulation to be promulgated by the commissioner of the Department of Workers' Claims.
- (3)
  - (a) For the purpose of funding the liabilities of the Kentucky coal workers' pneumoconiosis fund and financing the administration and operation of the Kentucky coal workers' pneumoconiosis fund, as reflected in the budget of the Commonwealth enacted by the General Assembly, a Kentucky coal workers' pneumoconiosis fund assessment at the rate of three percent (3%) is hereby imposed upon the amount of workers' compensation premiums received on and after January 1, 1997, through December 31, 1997, by every insurance carrier writing workers' compensation insurance in the Commonwealth and by every self-insured group operating under the provisions of KRS 342.350(4) and Chapter 304, from employers engaged in the severance or processing of coal. Likewise, on and after January 1, 1997, through December 31, 1997, an assessment at the rate of three percent (3%) of premium shall be paid by every employer engaged in the severance or processing of coal who is carrying his or her own risk.
  - (b) In addition to the assessment imposed in paragraph (a) of this subsection, an additional Kentucky coal workers' pneumoconiosis fund assessment at the rate of two and one-half cents (\$0.025) per ton is hereby imposed upon the total annual amount of tons of coal severed on or after January 1, 1997, through December 31, 1997, by every entity engaged in the severance of coal as required pursuant to KRS Chapter 143.
  - (c) As of June 30, 2018, and each year thereafter until the liabilities of the fund are fully funded, the Funding Commission and the Kentucky Employers' Mutual Insurance Authority shall determine the assets of the fund and the claim liability incurred by the fund for all previous years and shall establish the rates under the provisions of paragraphs (a) and (b) of this subsection necessary as of January 1 of the next year to fund claim liabilities through December 31 of the next year of operations. The assessment rate authorized by this section for premiums received and tons of coal severed shall be set so

as to receive fifty percent (50%) of the needed revenue from each assessment. Notice of any rate changes shall be provided no later than October 1 of the year preceding the rate change.

- (4) All assessments imposed by this section shall be paid to the Kentucky Workers' Compensation Funding Commission and shall be transferred to the Kentucky Employers' Mutual Insurance Authority, which is administering the coal workers' pneumoconiosis fund. In addition, the powers and responsibilities of the Kentucky Workers' Compensation Funding Commission including its fiduciary duties and responsibilities relating to assessments collected for the special fund pursuant to KRS 342.122, 342.1221, 342.1222, 342.1223, 342.1226, 342.1229, and 342.1231 shall apply to assessments collected for the Kentucky coal workers' pneumoconiosis fund created pursuant to this section. Each entity subject to assessments for the Kentucky coal workers' pneumoconiosis fund shall provide any and all information requested by the Kentucky Workers' Compensation Funding Commission necessary to carry out its powers and responsibilities relating thereto.
- (5) These assessments shall be paid quarterly not later than the thirtieth day of the month following the end of the quarter in which the premium is received or the coal is processed or severed. Receipt shall be considered timely through actual physical receipt or by postmark by the United States Postal Service. Employers carrying their own risk and employers defined in KRS 342.630(2) shall pay the annual assessments in four (4) equal quarterly installments. Penalty and interest penalties imposed pursuant to KRS 342.1221 and the authority of the Kentucky Workers' Compensation Funding Commission to waive part or all of the penalty shall apply to assessments for the Kentucky coal workers' pneumoconiosis fund in the same manner and amount as they are imposed on assessments for the special fund under KRS 342.122.
- (6) Notwithstanding any other provisions of this section or this chapter to the contrary, the total amount of funds collected pursuant to the assessment rates adopted by the funding commission shall not be limited to the provisions of this section.
- (7) Claims for benefits by reason of the development of coal workers' pneumoconiosis shall be maintained pursuant to KRS 342.732, and the Kentucky coal workers' pneumoconiosis fund shall be liable for payment of a part of the liability only for employees of employers engaged in the severance or processing of coal as defined in KRS 342.0011(23)(a) and (b).
- (8)
  - (a) Assessments issued pursuant to this section shall cease to be imposed once the liabilities of the fund are fully funded. After the liabilities are fully funded, any excess assessments shall be refunded to the employers on a pro rata basis as determined from the cumulative amounts of assessments received from workers' compensation premiums paid by employers, whether insured, self-insured, or carrying their own risk, on or after January 1, 2017.
  - (b) The Kentucky Employers' Mutual Insurance Authority shall disburse, on a pro rata basis, the excess assessments to each employer which is engaged in the severance or processing of coal and which is in good standing with the Secretary of State and authorized to do business in the Commonwealth as evidenced by a certificate of existence, certificate of authorization, or other such certificate issued by the Secretary of State their pro rata shares of excess assessments.
  - (c) Upon a determination by the Kentucky Workers' Compensation Funding Commission and the Kentucky Employers' Mutual Insurance Authority that final audits **and any resulting litigation** are closed ~~or~~ ~~and~~ the liabilities of the fund are fully funded, the Kentucky Employers' Mutual Insurance Authority shall send a notice to each employer via first-class United States mail advising each employer that in order to assert a claim to the employer's pro rata share of any excess assessments the employer must submit a certification under oath to the Kentucky Employers' Mutual Insurance Authority stating that the employer is engaged in the severance or processing of coal in the Commonwealth and that the employer is in good standing with the Secretary of State and authorized to do business in the Commonwealth. The employer shall also certify whether or not it has applied for an adjudication of bankruptcy, reorganization, arrangement, or other relief under the United States Bankruptcy Code.
  - (d) The employer shall submit to the Kentucky Employers' Mutual Insurance Authority the employer's certificate obtained from the Secretary of State along with the certification under oath specified in this subsection.
  - (e) The Kentucky Employers' Mutual Insurance Authority shall specify in the notice the date of mailing of the notice to the employer and shall send the notice to the employer at the address of the statutory agent designated by the employer with the Secretary of State or, if the employer has not designated a statutory agent with the Secretary of State, at the address of the employer on file with the Kentucky Employers' Mutual Insurance Authority or, if the address of the employer is not on file with the Kentucky

Employers' Mutual Insurance Authority, at the address of the employer on file with the Kentucky Workers' Compensation Funding Commission.

- (f) The employer's certification must be received by the Kentucky Employers' Mutual Insurance Authority within thirty (30) days of mailing of the notice from the Kentucky Employers' Mutual Insurance Authority to the employer.
  - (g) Within thirty (30) days of receipt of a timely submitted certification from an employer, the Kentucky Employers' Mutual Insurance Authority shall distribute to the employer the employer's pro rata share of the excess funds. If the employer is in bankruptcy at the time the certification is provided to the Kentucky Employers' Mutual Insurance Authority, any funds that would be distributed to the employer shall ~~only~~ be distributed to former employees to whom past due wages are owed, subject to the approval of the bankruptcy judge. ***If there are remaining funds in the employer-in-bankruptcy's pro rata share after payment to the former employees to whom past due wages are owed, the employer-in-bankruptcy's pro rata share shall be distributed as directed by the bankruptcy court, and if not directed by the bankruptcy court, to the Kentucky coal employers self-insurance guaranty fund.*** If an employer has an outstanding balance due for taxes or other obligations to the Commonwealth, for a bond payment, or to a county, city, school system or school district, fire district, or any special taxing authority, no funds shall be distributed to the employer unless those outstanding balances have been paid in full at the time of the distribution of the funds by Kentucky Employers' Mutual Insurance Authority. ***Any funds that would be distributed to the employer shall first be distributed to the Commonwealth, for a bond payment, or to a county, city, school system or school district, fire district, or any special taxing authority, and then any remaining funds may be distributed as otherwise prescribed in this section.***
  - (h) If, at any time after the Kentucky Employers' Mutual Insurance Authority's distribution of funds to an employer, it is determined that the certification submitted by the employer to the Kentucky Employers' Mutual Insurance Authority was materially false at the time of the certification, the Attorney General is authorized to file an action against the employer to recover the funds distributed to the employer by the Kentucky Employers' Mutual Insurance Authority along with interest at the rate of twelve percent (12%) from the date of distribution of the funds to the employer and a penalty of ten percent (10%) of the amount of the funds distributed to the employer, plus reasonable attorney's fees, litigation expenses, and court costs.
  - (i) For those employers who do not timely submit a certification to the Kentucky Employers' Mutual Insurance Authority as specified in this subsection, their pro rata shares shall be transferred to the Kentucky coal employers self-insurance guaranty fund for the purpose of paying workers' compensation benefits to employees of insolvent self-insured employers engaged in the severance and processing of coal, and those employers' claims to a distribution of funds pursuant to this subsection shall be forever barred.
  - (j) The Kentucky Workers' Compensation Funding Commission shall provide all available information regarding the employers to the Kentucky Employers' Mutual Insurance Authority upon the request of the Kentucky Employers' Mutual Insurance Authority.
- (9) The Kentucky Employers' Mutual Insurance Authority shall reimburse the funding commission for any expenses incurred with regard to the collection of assessments for the coal workers' pneumoconiosis fund and other incurred expenses related to the coal workers' pneumoconiosis fund.

➔Section 2. KRS 342.1243 is amended to read as follows:

- (1) Notwithstanding any provisions of this chapter or any other provisions to the contrary, the Kentucky coal workers' pneumoconiosis fund shall have no liability for income benefits for coal workers' pneumoconiosis claims filed or reopened on or after July 1, 2017.
- (2) Notwithstanding any provisions of this chapter or any other provisions to the contrary, as soon as practically possible after July 1, 2017, all of the assets and liabilities of the Kentucky coal workers' pneumoconiosis fund shall be transferred from the Kentucky Workers' Compensation Funding Commission and Division of Workers' Compensation Funds to the Kentucky Employers' Mutual Insurance Authority through a loss portfolio transfer agreement. The Kentucky Employers' Mutual Insurance Authority shall have full authority and responsibility over the Kentucky coal workers' pneumoconiosis fund's claims and shall administer the claims as permitted pursuant to KRS Chapter 342.

- (3) Notwithstanding the provisions of KRS 342.1242, the Workers' Compensation Funding Commission shall impose an assessment at an annual rate of fourteen percent (14%) upon the amount of workers' compensation premiums received on or after January 1, 2017, through December 31, 2017, by every insurance carrier writing workers' compensation insurance in the Commonwealth and by every self-insured group operating under the provisions of KRS 342.350(4) and KRS Chapter 304, from employers engaged in the severance or processing of coal. Likewise, on or after January 1, 2017, through December 31, 2017, an assessment at the rate of fourteen percent (14%) of premium shall be paid by every employer engaged in the severance or processing of coal who is carrying his or her own risk.
- (4) Notwithstanding the provisions of KRS 342.1242, the Workers' Compensation Funding Commission shall impose an assessment at an annual rate of fourteen percent (14%) upon the amount of workers' compensation premiums received on or after January 1, 2018, through December 31, 2018, by every insurance carrier writing workers' compensation insurance in the Commonwealth and by every self-insured group operating under the provisions of KRS 342.350(4) and Chapter 304, from employers engaged in the severance or processing of coal. Likewise, on or after January 1, 2018, through December 31, 2018, an assessment at the rate of fourteen percent (14%) of premium shall be paid by every employer engaged in the severance or processing of coal who is carrying his or her own risk.
- (5) Notwithstanding the provisions of KRS 342.1242, in addition to the assessments in subsection (3) and (4) of this section, for the calendar years of 2017 and 2018, an assessment at the rate of fifteen cents (\$0.15) per ton shall be imposed upon the total annual amount of tons of coal severed by every entity engaged in the severance of coal as required pursuant to KRS Chapter 143.
- (6) The assessments imposed by this section shall supersede any assessment imposed pursuant to KRS 342.1242 for the calendar years of 2017 and 2018. Any amount paid and collected that exceeds the assessment imposed by this section in calendar year 2017 shall be reimbursed to the employer or credited to the employer's account subject to the preference of the employer.
- (7) Assessments pursuant to this section and KRS 342.1242 that are collected by the Kentucky Worker's Compensation Funding Commission shall be transferred to the Kentucky Employers' Mutual Insurance Authority.
- (8) When the Kentucky Workers' Compensation Funding Commission and the Kentucky Employers' Mutual Insurance Authority have determined final audits are closed and the liability of the fund is fully funded, then the authority for imposing assessment rates pursuant to this section and KRS 342.1242 shall cease to exist. ~~[Any remaining assessments received following the exhaustion of liabilities shall be refunded pro rata to all employers who have paid an assessment in the year that liabilities are fully funded.]~~ When all distributions pursuant to KRS 342.1242(8) have been completed, the Kentucky coal workers' pneumoconiosis fund shall be abolished. ***Any funds collected, following the abolition of the Kentucky coal workers' pneumoconiosis fund, from subrogation or otherwise, after the final distribution shall be transferred to the Kentucky coal employers self-insurance guaranty fund.*** ~~[The Kentucky Employers' Mutual Insurance Authority may thereafter apply all funds received through subrogation or otherwise to expenses incurred in the administration and distribution of funds.]~~

➔Section 4. KRS 156.027 is amended to read as follows:

- (1) The following definitions shall apply to this section:
  - (a) "Alternative format" means any medium or format for the presentation of instructional materials that is needed by a student with an individualized education program or Section 504 Plan for a reading accommodation other than standard print, including but not limited to Braille, large print, audio recordings, digital text, and digital talking books;
  - (b) "Braille," "individualized education program," and "blind students" have the same meaning as defined under KRS 158.281;
  - (c) "Comparable version" denotes that all elements of the print version are present in the electronic version, including graphics with ALT tags though not necessarily in the same order or format;
  - (d) "Legacy materials" means images and graphics requiring release and permission from another source other than the publisher; and
  - (e) "Section 504 Plan" means a written statement developed for a student with a disability that includes the provision of regular or special education and related aids and services designed to meet individual educational needs in accordance with the federal regulations issued under 34 C.F.R. sec. 104.33.
- (2) The purpose of this section shall be to ensure, to the extent feasible, that all students with disabilities in the public schools kindergarten through grade twelve (12) who require reading accommodations in accordance with an individualized education program or Section 504 Plan, including but not limited to students who are blind, visually impaired, or who have a specific learning disability as defined in KRS 157.200 or other disability affecting reading, shall have access to textbooks and instructional materials as defined by administrative regulations of the Kentucky Board of Education in alternative formats that are appropriate to their disability and educational needs.
- (3) Notwithstanding any other statute to the contrary, the Department of Education shall give preferential procurement status to textbook and instructional materials from publishers who make their materials available in alternative formats for use by students with disabilities, or who can verify that an accessible format textbook or instructional material is currently available from or is in the process of being created by the American Printing House for the Blind, Recording for the Blind and Dyslexic, or another authorized entity, as defined under 17 U.S.C. sec. 121 and who commonly provide alternative format materials for use by students in Kentucky schools. The Department of Education may assign additional procurement preferences designed to ensure that students with disabilities have access to appropriate alternative formats to meet their needs.
- (4) Effective July 1, 2003, the Department of Education shall require to the extent feasible any publisher of a textbook or program adopted for use in the public schools in kindergarten through grade twelve (12) to furnish computer files or electronic versions of the printed textbooks and instructional materials in formats comparable to the printed version that are compatible with commonly used Braille translation and speech synthesis software and include corrections and revisions as may be necessary to assure clarity in presentation and use. Navigation within and between files should be reasonably efficient so that the disabled learner is able to fully utilize the material in a manner that yields the same result as the print version affords a nondisabled learner. File format shall be limited to those formats that allow for a comparable version that is readable with text and screen readers such as HTML, XML, or other formats that meet the criteria stated in this subsection. For extreme cases where ALT tags are not feasible, a tag may read, "This item is too complicated to render with current technology." Legacy materials shall be exempt from the criteria for this preference. ➔Section 6. KRS 157.360 is amended to read as follows:

- (1) (a) In determining the cost of the program to support education excellence in Kentucky, the statewide guaranteed base funding level, as defined in KRS 157.320, shall be computed by dividing the amount appropriated for this purpose by the prior year's statewide average daily attendance.
- (b) When determining the biennial appropriations for the program, the average daily attendance for each fiscal year shall include an estimate of the number of students graduating early under the provisions of KRS 158.142.
- (2) Each district shall receive an amount equal to the base funding level for each pupil in average daily attendance in the district in the previous year, except a district shall receive an amount equal to one-half (1/2) of the state portion of the average statewide per pupil guaranteed base funding level for each student who graduated early under the provisions of KRS 158.142. Each district's base funding level shall be adjusted by the following factors:
  - (a) The number of at-risk students in the district. At-risk students shall be identified as those approved for the free lunch program under state and federal guidelines. The number of at-risk students shall be multiplied by a factor to be established by the General Assembly. Funds generated under this paragraph may be used to pay for:

1. Alternative programs for students who are at risk of dropping out of school before achieving a diploma; and
  2. A hazardous duty pay supplement as determined by the local board of education to the teachers who work in alternative programs with students who are violent or assaultive;
- (b) The number and types of exceptional children in the district as defined by KRS 157.200. Specific weights for each category of exceptionality shall be used in the calculation of the add-on factor for exceptional children; and
- (c) Transportation costs. The per-pupil cost of transportation shall be calculated as provided by KRS 157.370. Districts which contract to furnish transportation to students attending nonpublic schools may adopt any payment formula which ensures that no public school funds are used for the transportation of nonpublic students.
- (3) Beginning with the 2015-2016 school year and each year thereafter, the General Assembly shall annually allocate funds equal to one-half (1/2) of the state portion of the average statewide per pupil guaranteed base funding level for each student who graduated early under the provisions of KRS 158.142 the previous school year to the Kentucky Higher Education Assistance Authority for deposit in the early graduation scholarship trust fund.
- (4) The program to support education excellence in Kentucky shall be fully implemented by the 1994-95 school year.
- (5) (a) Except for those schools which have implemented school-based decision making, the commissioner of education shall enforce maximum class sizes for every academic course requirement in all grades except in vocal and instrumental music, and physical education classes. Except as provided in subsection (6) of this section, the maximum number of pupils enrolled in a class shall be as follows:
1. Twenty-four (24) in primary grades (kindergarten through third grade);
  2. Twenty-eight (28) in grade four (4);
  3. Twenty-nine (29) in grades five (5) and six (6);
  4. Thirty-one (31) in grades seven (7) to twelve (12).
- (b) Except for those schools which have implemented school-based decision making, class size loads for middle and secondary school classroom teachers shall not exceed the equivalent of one hundred fifty (150) pupil hours per day.
- (c) The commissioner of education, upon approval of the Kentucky Board of Education, shall adopt administrative regulations for enforcing this provision. These administrative regulations shall include procedures for a superintendent to request an exemption from the Kentucky Board of Education when unusual circumstances warrant an increased class size for an individual class. A request for an exemption shall include specific reasons for the increased class size with a plan for reducing the class size prior to the beginning of the next school year. A district shall not receive in any one (1) year exemptions for more classes than enroll twenty percent (20%) of the pupils in the primary grades and grades four (4) through eight (8).
- (d) In all schools the commissioner of education shall enforce the special education maximum class sizes set by administrative regulations adopted by the Kentucky Board of Education. A superintendent may request an exemption pursuant to paragraph (c) of this subsection. A local school council may request a waiver pursuant to KRS 156.160(2). An exemption or waiver shall not be granted if the increased class size will impede any exceptional child from achieving his individual education program in the least restrictive environment.
- (6) In grades four (4) through six (6) with combined grades, the maximum class size shall be the average daily attendance upon which funding is appropriated for the lowest assigned grade in the class. There shall be no exceptions to the maximum class size for combined classes. In combined classes other than the primary grades, no ungraded students shall be placed in a combined class with graded students. In addition, there shall be no more than two (2) consecutive grade levels combined in any one (1) class in grades four (4) through six (6). However, this shall not apply to schools which have implemented school-based decision making.
- (7) If a local school district, through its admission and release committee, determines that an appropriate program in the least restrictive environment for a particular child with a disability includes either part-time or full-time

- enrollment with a private school or agency within the state or a public or private agency in another state, the school district shall count as average daily attendance in a public school the time that the child is in attendance at the school or agency, contingent upon approval by the commissioner of education.
- (8) Pupils attending a center for child learning and study established under an agreement pursuant to KRS 65.210 to 65.300 shall, for the purpose of calculating average daily attendance, be considered as in attendance in the school district in which the child legally resides and which is party to the agreement. For purposes of subsection (1) of this section, teachers who are actually employees of the joint or cooperative action shall be considered as employees of each school district which is a party to the agreement.
  - (9) Program funding shall be increased when the average daily attendance in any district for the first two (2) months of the current school year is greater than the average daily attendance of the district for the first two (2) months of the previous school year. The program funds allotted the district shall be increased by the percent of increase. The average daily attendance in kindergarten is the kindergarten full-time equivalent pupils in average daily attendance.
  - (10) If the average daily attendance for the current school year in any district decreases by ten percent (10%) or more than the average daily attendance for the previous school year, the average daily attendance for purposes of calculating program funding for the next school year shall be increased by an amount equal to two-thirds (2/3) of the decrease in average daily attendance. If the average daily attendance remains the same or decreases in the succeeding school year, the average daily attendance for purposes of calculating program funding for the following school year shall be increased by an amount equal to one-third (1/3) of the decrease for the first year of the decline.
  - (11) If the percentage of attendance of any school district shall have been reduced more than two percent (2%) during the previous school year, the program funding allotted the district for the current school year shall be increased by the difference in the percentage of attendance for the two (2) years immediately prior to the current school year less two percent (2%).
  - (12)
    - (a) Instructional salaries for vocational agriculture classes shall be for twelve (12) months per year. Vocational agriculture teachers shall be responsible for the following program of instruction during the time period beyond the regular school term established by the local board of education: supervision and instruction of students in agriculture experience programs; group and individual instruction of farmers and agribusinessmen; supervision of student members of agricultural organizations who are involved in leadership training or other activity required by state or federal law; or any program of vocational agriculture established by the ~~Division of Career and Technical Education in the~~ Department of Education. During extended employment, no vocational agriculture teacher shall receive salary on a day that the teacher is scheduled to attend an institution of higher education class which could be credited toward meeting any certification requirement.
    - (b) Each teacher of agriculture employed shall submit an annual plan for summer program to the local school superintendent for approval. The summer plan shall include a list of tasks to be performed, purposes for each task, and time to be spent on each task. Approval by the local school superintendent shall be in compliance with the guidelines developed by the Department of Education. The supervision and accountability of teachers of vocational agriculture's summer programs shall be the responsibility of the local school superintendent. The local school superintendent shall submit to the commissioner of education a completed report of summer tasks for each vocational agriculture teacher. Twenty percent (20%) of the approved vocational agriculture programs shall be audited annually by the State Department of Education to determine that the summer plan has been properly executed.
  - (13)

    - (b) Pursuant to administrative regulations of the Kentucky Board of Education, local school districts shall be reimbursed for home and hospital instruction for pupils unable to attend regular school sessions because of short-term health impairments. A reimbursement formula shall be established by administrative regulations to include such factors as a reasonable per hour, per child allotment for teacher instructional time, with a maximum number of funded hours per week, a reasonable allotment for teaching supplies and equipment, and a reasonable allotment for travel expenses to and from instructional assignments, but the formula shall not include an allotment for capital outlay. Attendance

shall be calculated pursuant to KRS 157.270 and shall be reported annually on forms provided by the Department of Education.

- (14) Except for those schools which have implemented school-based decision making and the school council has voted to waive this subsection, kindergarten aides shall be provided for each twenty-four (24) full-time equivalent kindergarten students enrolled.
- (15) Effective July 1, 2001, there shall be no deduction applied against the base funding level for any pupil in average daily attendance who spends a portion of his or her school day in a program at a state-operated career and technical education or vocational facility.
- (16) During a fiscal year, a school district may request that the Department of Education recalculate its funds allocated under this section if the current year average daily attendance for the twenty (20) day school month as defined in KRS 158.060(1) that contains the most days within the calendar month of January exceeds the prior year adjusted average daily attendance plus growth by at least one percent (1%). Any adjustments in the allotments approved under this subsection shall be proportional to the remaining days in the school year and subject to available funds under the program to support education excellence in Kentucky.
- (17) To calculate the state portion of the program to support education excellence in Kentucky for a school district, the Department of Education shall subtract the local effort required under KRS 157.390(5) from the calculated base funding under the program to support education excellence in Kentucky, as required by this section. The value of the real estate used in this calculation shall be the lesser of the current year assessment or the prior year assessment increased by four percent (4%) plus the value of current year new property. The calculation under this subsection shall be subject to available funds.
- (18) Notwithstanding any other statute or budget of the Commonwealth language to the contrary, time missed due to shortening days for emergencies may be made up by lengthening school days in the school calendar without any loss of funds under the program to support education excellence in Kentucky.

Additionally, the board of trustees may approve a final average salary based upon the average of the three (3) highest salaries for members who are at least fifty-five (55) years of age and have a minimum of twenty-seven (27) years of Kentucky service credit. However, if any of the five (5) or three (3) highest annual salaries used to calculate the final average salary was paid within the three (3) years immediately prior to the date of the member's retirement, the amount of salary to be included for each of those three (3) years for the purpose of calculating the final average salary shall be limited to the lesser of:

## CHAPTER 28

### ( SB 214 )

AN ACT relating to cessation of participation by Kentucky Employees Retirement System employers, making an appropriation therefor, and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 61.522 (Effective until April 1, 2021) is amended to read as follows:

Notwithstanding any other provision of KRS 61.510 to 61.705 or 78.510 to 78.852 to the contrary:

- (1) For purposes of this section:
  - (a) "Active member" means a member who is participating in the system;
  - (b) "Employer" means the governing body of a department, as defined by KRS 61.510, or a county as defined by KRS 78.510;
  - (c) "Employer's effective cessation date" means:
    1. The last day of the system's plan year in the year in which the employer has elected to cease participation in the system, provided the employer has met the requirements of this section and has given the Kentucky Retirement Systems sufficient notice as provided by administrative regulations promulgated by the systems; or
    2. For Kentucky Employees Retirement System employers making an election to cease participating under the provisions of subsection (8) of this section, it shall be June 30, 2021; and
  - (d) "Inactive member" means a member who is not participating with the system;
- (2) Any employer participating in the Kentucky Employees Retirement System or the County Employees Retirement System on July 1, 2015, except as limited by subsection (6) of this section, may:
  - (a) Voluntarily cease participation in its respective retirement system subject to the requirements and restrictions of this section;
  - (b) Be required to involuntarily cease participation in the system under the provisions of this section if the board has determined the employer is no longer qualified to participate in a governmental plan or has failed to comply with the provisions of KRS 61.510 to 61.705 or 78.510 to 78.852; or
  - (c) If the employer is participating in the Kentucky Employees Retirement System, request an estimate of the cost of voluntarily ceasing participation in the system prior to officially making a request to cease participation. For those Kentucky Employees Retirement System nonhazardous employers who are considering ceasing participating in the system under the provisions of subsection (8) of this section on June 30, 2021, the request for an estimate to voluntarily cease participating must be made prior to December 31, 2019, and the estimate shall be provided to that employer within sixty (60) days of the request, except that no estimate shall be required to be provided prior to January 31, 2020;
- (3) (a) If an employer desires to voluntarily cease participation in the Kentucky Employees Retirement System or the County Employees Retirement System as provided by subsection (2)(a) of this section:
  1. The employer shall adopt a resolution requesting to cease participation in the system and shall submit the resolution to the board for its approval. The board shall not be able to deny a

resolution to cease participation in the Kentucky Employees Retirement System for any employer who seeks to voluntarily cease participation in the system as provided by subsection (8) of this section;

2. Except as provided by subsection (8)(d) of this section, the cessation of participation in the system shall apply to all employees of the employer;
3. The employer shall pay for all administrative costs of an actuarial study to be completed by the Kentucky Retirement Systems' consulting actuary and for any other administrative costs for discontinuing participation in the system as determined by the board and as provided by this section;
4. The employer shall provide an alternative retirement program for employees who will no longer be covered by the system, which may include a voluntary defined contribution plan but, for Kentucky Employees Retirement System employers with effective cessation dates occurring on or after June 30, 2020, the alternative retirement program shall not include a defined benefit plan which by its nature can have an unfunded liability;
5. If the alternative retirement program established by the employer meets the qualification requirements under 26 U.S.C. sec. 401(a) or 26 U.S.C. sec. 403(b) and is capable of accepting trustee-to-trustee transfers of both pre-tax and post-tax contributions, employees of the employer ceasing participation may, except for those employees continuing to participate in the system as provided by subsection (8)(d)2. of this section, seek to transfer his or her account balance to the employer's qualified alternate retirement program within sixty (60) days of the employer's effective cessation date. An employee's election to transfer his or her account balance within sixty (60) days of the employer's effective cessation date is an irrevocable waiver of the right to obtain service credits in the system for the time worked for the employer ceasing participation;
6. The employer shall pay to the system by lump sum or in installments as provided by subsection (8) of this section, if eligible, the full actuarial cost, except as provided by subsection (8)(g)4. of this section, of the benefits accrued by its current and former employees in the system as determined separately for the pension fund and the insurance fund by the actuarial study required by subparagraph 3. of this paragraph. If the employer makes an election for employees to continue to participate in the system as provided by subsection (8)(d)2. of this section, the cost shall also include the present value of future normal costs of those employees who will continue to participate in the system after the employer's effective cessation date. The full actuarial cost shall not include any employee who seeks a transfer of his or her account balance within sixty (60) days of the employer's effective cessation date as provided by subparagraph 5. of this paragraph. The actuarial cost shall be fixed, and the employer shall not be subject to any increases or subsequent adjustments, once the lump sum is paid or the installment payments have commenced; and
7. Kentucky Employees Retirement System employers ceasing participating under the provisions of subsection (8) of this section who elect to pay their actuarial costs by a lump sum shall ~~pay~~ ~~make~~ ~~the entire costs~~ ~~[full lump-sum payment]~~, ***in one (1) or more payments, so that the full actuarial costs are paid*** by June 30, 2022, ~~and shall pay~~ Interest on the ***unpaid*** principal amount ***of the full actuarial costs shall begin*** ~~beginning~~ on July 1, 2021, ***and accrue*** ~~equal to a rate of five and one-quarter percent (5.25%) per annum for pension costs and at a rate of six and one-quarter percent (6.25%) per annum for retiree health costs~~ until the ***full actuarial costs are paid*** ~~[lump-sum payment is made]~~. ***If the ceasing employer makes a payment prior to July 1, 2021, the ceasing employer shall receive a credit against their full actuarial costs to be determined as of June 30, 2021, that is equal to the amount of the prior payment plus interest for the period beginning on the date of the prior payment and ending on June 30, 2021. If a final payment is due by June 30, 2022, for an employer who has made a payment or payments on or before June 30, 2021, it shall be equal to any unpaid actuarial costs due plus interest as of the date of final payment. If the payment or payments made by the ceasing employer exceed the final full actuarial costs of ceasing participation, the employer shall by June 30, 2022, be refunded an amount equal to the overpayment plus interest for the period beginning on the date of the overpayment and ending on the date the refund is paid to the employer.*** If the ceasing employer fails to make the full lump-sum payment by June 30, 2022, the ceasing employer shall make installments as provided by subsection (8)(g) of this section, and the ceasing employer shall have the costs recalculated based upon making installment payments as

provided by this section and shall be required to make up any missed installment payments as determined by the system. ***For purposes of this subparagraph, "interest" shall be equal to a rate of five and one-quarter percent (5.25%) per annum for pension costs and at a rate of six and one-quarter percent (6.25%) per annum for retiree health costs.***

- (b) If the board determines an employer must involuntarily cease participation in the system as provided by subsection (2)(b) of this section:
1. The cessation of participation in the system shall apply to all employees of the employer;
  2. The employer shall pay for all administrative costs of an actuarial study to be completed by the Kentucky Retirement Systems' consulting actuary and for any other administrative costs for discontinuing participation in the system as determined by the board and as provided by this section; and
  3. The employer shall pay by lump sum to the system the full actuarial cost of the benefits accrued by its current and former employees in the system as determined separately for the pension fund and the insurance fund by the actuarial study required by subparagraph 2. of this paragraph. The actuarial cost shall be fixed, and the employer shall not be subject to any increases or subsequent adjustments, once the lump sum is paid.

A Kentucky Employees Retirement System employer who ceases participation in the systems under this paragraph shall not establish or contribute to on behalf of its employees a defined benefit plan which by its nature can have an unfunded liability;

- (4) Any employee hired on or after the employer's effective cessation date by an employer who has ceased participation in the system as provided by this section shall not, regardless of his or her membership date in the systems administered by Kentucky Retirement Systems, be eligible to participate in the Kentucky Employees Retirement System or the County Employees Retirement System through the employer that ceased participation for the duration of his or her employment with that employer;
- (5) If an employer has ceased participation in the system as provided by this section:
- (a) The rights of recipients and the vested rights of inactive members accrued as of the employer's effective cessation date shall not be impaired or reduced in any manner as a result of the employer ceasing participation in the system; and
  - (b) Except as provided by subsection (8)(d)2. of this section, employees of the employer ceasing participation shall accrue benefits through the employer's effective cessation date but shall not accrue any additional benefits in the Kentucky Employees Retirement System or the County Employees Retirement System, including earning years of service credit through the ceased employer, after the employer's effective cessation date for as long as they remain employed by the employer. The day after the employer's effective cessation date, each employee described by this paragraph, except as provided by subsection (8)(d)2. of this section, shall be considered an inactive member with respect to his or her employment with the employer that ceased participation and, subject to the provisions and limitations of KRS 61.510 to 61.705 and 78.510 to 78.852, shall:
    1. Retain his or her accounts with the Kentucky Employees Retirement System or the County Employees Retirement System and have those accounts credited with interest in accordance with KRS 61.510 to 61.705 and 78.510 to 78.852;
    2. Retain his or her vested rights in accordance with paragraph (a) of this subsection; and
    3. Be eligible to take a refund of his or her accumulated account balance in accordance with KRS 61.625 or any other available distribution if eligible;
- (6) (a) Kentucky Employees Retirement System employers who are county attorney offices, Commonwealth's attorney offices, local and district health departments governed by KRS Chapter 212, master commissioners, executive branch agencies whose employees are subject to KRS 18A.005 to 18A.200, state-administered retirement systems, state-supported universities and community colleges, property valuation administration offices, or employers in the legislative or judicial branch of Kentucky state government, shall not be eligible to voluntarily discontinue participation in the Kentucky Employees Retirement System, except that:

- (b) Only the employers in the County Employees Retirement System who are a nonstock nonprofit corporation organized under KRS Chapter 273 may voluntarily cease participation in the County Employees Retirement System;
- (7) For purposes of this section, the full actuarial cost shall be determined by the Kentucky Retirement Systems' consulting actuary separately for the pension fund and the insurance fund using the assumptions and methodology established by the system specifically for determining the full actuarial cost of ceasing participation as of the employer's effective cessation date. For purposes of determining the full actuarial cost, the assumed rate of return used to calculate the cost shall be the lesser of the assumed rate of return utilized in the system's most recent actuarial valuation or the yield on a thirty (30) year United States treasury bond as of the employer's effective cessation date, but shall in no case be lower than:
  - (a) Except as provided by paragraphs (b) to (e) of this subsection, the assumed rate of return utilized in the system's most recent actuarial valuation minus three and one-half percent (3.5%);
  - (b) Four and one-half percent (4.5%) for those Kentucky Employees Retirement System employers who voluntarily cease participation under the provisions of subsection (8) of this section who pay the costs of ceasing participation by lump-sum payment by June 30, 2022, and who do not make an election for their employees to continue to participate in the system after the employer's effective cessation date as provided by subsection (8)(d)3. of this section;
  - (c) Three and one-half percent (3.5%) for those Kentucky Employees Retirement System employers who voluntarily cease participation under the provisions of subsection (8) of this section who pay the costs of ceasing participation by lump-sum payment by June 30, 2022, and who do make an election for employees to continue to participate in the system after the employer's effective cessation date as provided by subsection (8)(d)2. of this section;
  - (d) Three and one-half percent (3.5%) for those Kentucky Employees Retirement System employers who voluntarily cease participation under the provisions of subsection (8) of this section who pay the costs of ceasing participation by installment payments and who do not make an election for employees to continue to participate in the system after the employer's effective cessation date as provided by subsection (8)(d)3. of this section; or
  - (e) Three percent (3%) for those Kentucky Employees Retirement System employers who voluntarily cease participation under the provisions of subsection (8) of this section who pay the costs of ceasing participation by installment payments and who do make an election for employees to continue to participate in the system after the employer's effective cessation date as provided by subsection (8)(d)2. of this section;
- (8) Notwithstanding the provisions of this section, any Kentucky Employees Retirement System employer who is eligible to voluntarily cease participating as provided by subsection (6) of this section may, on or after April 1, 2020, but prior to May 1, 2021, except that in the case of university or community college employers it shall be prior to January 1, 2021, elect to voluntarily cease participating in the systems for its nonhazardous employees by submitting a resolution in accordance with subsection (3)(a)1. of this section. If an employer makes an election to voluntarily cease participation by submitting a resolution as provided by this subsection:
  - (a) The board shall accept any election to cease participation on or before June 30, 2021, and the employer's effective cessation date shall be June 30, 2021. Prior to May 1, 2021, or January 1, 2021, in the case of university or community college employers, the employer may rescind a previously submitted election to cease participation;
  - (b) Nonhazardous employees hired on or after the employer's effective cessation date by an employer who has ceased participation in the system as provided by this section shall not, regardless of his or her membership date in the systems administered by Kentucky Retirement Systems, be eligible to participate in the Kentucky Employees Retirement System through the employer that ceased participation for the duration of his or her employment with that ceasing employer;
  - (c) Nonhazardous employees hired prior to the employer's effective cessation date, who began participating in the systems administered by Kentucky Retirement Systems on or after January 1, 2014, and who are

participating in the hybrid cash balance plan as provided by KRS 61.597, shall continue to contribute and earn service credit in the systems through the employer's effective cessation date. After the employer's effective cessation date, the employee shall participate in the alternative retirement plan established by the employer as provided by subsection (3)(a)4. of this section. A nonhazardous employee covered by this paragraph who elects to transfer his or her account balance within sixty (60) days of the employer's effective cessation date as provided by subsection (3)(a)5. of this section, shall, notwithstanding KRS 61.597, receive a transfer of the employee's accumulated account balance, including the entire accumulated employer credit, regardless of the employee's years of service credit;

- (d)
  - 1. The employer shall, in the resolution submitted in accordance with subsection (3)(a)1. of this section, make an election as to whether or not nonhazardous employees hired prior to the employer's effective cessation date, who began participating in the systems administered by Kentucky Retirement Systems prior to January 1, 2014, who are participating in the systems administered by Kentucky Retirement Systems through the employer, will continue to participate in the system after the employer's effective cessation date.
  - 2. If the employer makes an election for the employees described by this paragraph to continue participating in the system after the employer's effective cessation date, these employees will continue to contribute and earn service credit in the systems for as long as they remain employed by the employer in a regular full-time position that is eligible to participate in the systems, except in the event the employer fails to make installment payments as provided by KRS 61.675(4). Any costs for the present value of future normal costs of the employees covered by this subparagraph who will contribute and earn service in the system after the employer's effective cessation date shall be included in the cost calculation established by subsection (7) of this section.
  - 3. If the employer does not make an election for the employees described by this paragraph to continue participating in the system after the employer's effective cessation date, these employees shall continue to contribute and earn service credit in the systems through the employer's effective cessation date. After the employer's effective cessation date, these employees shall participate in the alternative retirement plan established by the employer as provided by subsection (3)(a)4. of this section;
- (e) The cost of ceasing participating to an individual employer shall be equal to the cost determined under subsection (7) of this section and shall include the costs of those employees who continue to participate in the system as provided by paragraph (d)2. of this subsection;
- (f) The employer may pay the full actuarial cost of ceasing participation by lump-sum payment or in installments as provided by paragraph (g) of this subsection;
- (g) If the employer elects to pay the costs in installment payments, the cost of ceasing participation as provided by this subsection shall be financed by the systems using the following method:
  - 1. Annual payments occurring on or after July 1, 2021, shall be a set dollar value and shall be paid in monthly installments. In fiscal year 2021-2022, the set dollar value shall be equal to the higher of the actual contributions paid by the employer in fiscal year 2020-2021 or the annualized average of the creditable compensation reported to the systems by the ceasing employer over the last sixty (60) months occurring prior to July 1, 2019, for which contributions were paid by the ceasing employer, and multiplied by an employer rate of forty-nine and forty-seven one-hundredths percent (49.47%). Annual payments, for fiscal years occurring on or after July 1, 2022, which shall be paid monthly, shall be increased by one and one-half percent (1.5%) annually and shall be paid until the cost as provided by subsection (7) of this section and as adjusted annually by subparagraphs 2. and 3. of this paragraph are paid in full or until an employer as described by subparagraph 4. of this paragraph has paid for thirty (30) years from the effective cessation date;
  - 2. Interest shall be assigned to the principal amount annually beginning on July 1, 2021, and for each July 1 thereafter, that is equal to a rate of five and one-quarter percent (5.25%) per annum for pension costs and at a rate of six and one-quarter percent (6.25%) per annum for retiree health costs;
  - 3. If an employer is not projected by the systems to pay off the full actuarial costs to cease participation with interest as provided by subparagraph 2. of this paragraph at the conclusion of

the thirty (30) year installment period from the employer's effective cessation date, and the employer makes an election for employees to continue to participate in the system after the employer's effective cessation date as provided by paragraph (d)2. of this subsection, then the systems shall adjust the base value for the first annual payments occurring on or after July 1, 2021, in order to keep the maximum period of installments to thirty (30) years; and

4. If an employer is not projected by the systems to pay off the full actuarial costs to cease participation with interest as provided by subparagraph 2. of this paragraph at the conclusion of the thirty (30) year installment period from the employer's effective cessation date, and the employer does not make an election for employees to continue to participate in the system after the employer's effective cessation date as provided by paragraph (d)3. of this subsection, the employer shall pay the amount determined by subparagraph 1. of this paragraph for thirty (30) years from the effective cessation date and no additional costs shall be billed to a ceasing employer after the conclusion of the thirty (30) year period nor shall the employer be subject to adjustments under subparagraph 3. of this paragraph. The system may request in future biennial executive branch budgets the additional funding needed on an annual basis to fully pay off the installments at the conclusion of the thirty (30) year period for the employers described by this paragraph, and it is the intent of the General Assembly to pay the additional funding needed by appropriation in the biennial executive branch budget.

An employer ceasing participation who is making installment payments as provided by this paragraph may at any time pay off a portion of the remaining balance or the entire remaining balance and shall not be charged any interest for periods beyond the pay-off date for the balance that is paid off;

- (h) Kentucky Employees Retirement System employers eligible to cease participation under the provisions of this subsection who do not make an election to cease participation in the system prior to May 1, 2021, or prior to January 1, 2021, in the case of university and community college employers, shall be required to pay the full actuarially determined contributions established by KRS 61.565 and 61.702 for fiscal years occurring on or after July 1, 2021; and
- (i) Kentucky Employees Retirement System employers who elect to cease participation in the system as provided by this subsection who are currently receiving a distribution of general fund appropriations in the biennial executive branch budget under the provisions of 2018 Ky. Acts ch. 169, Part I, G., 4., (5), 2018 Ky. Acts ch. 169, Part I, G., 5., (2), or 2018 Ky. Acts ch. 169, Part I, G., 9., (2) to help pay employer contributions to the system shall continue to receive the same level of distribution of general fund appropriations to help pay the costs of ceasing participation until such time that the employer's full actuarial costs of ceasing participation are paid off;
- (9) The Kentucky Retirement Systems shall promulgate administrative regulations pursuant to KRS Chapter 13A to administer this section;
- (10) (a) Any employer who voluntarily ceases participation, or who is required to involuntarily cease participation as provided in this section, shall hold the Commonwealth and the Kentucky Retirement Systems, including board members and employees of the Kentucky Retirement Systems, harmless from damages, attorney's fees and costs from legal claims for any cause of action brought by any member or retired member of the departing employer related to the employer's cessation of participation as set forth in this section.
- (b) Any employer who is voluntarily ceasing participation under the provisions of subsection (8) of this section shall be required to pledge any security in any relevant real estate, chattel paper, deposit accounts, documents, goods covered by documents, instruments, investment property, letters of credit rights, and money to the costs of ceasing participation until all costs of ceasing participation are paid in full; and
- (11) Notwithstanding any other provision of statute to the contrary, the provisions of KRS 61.510 to 61.705 and 78.510 to 78.852, and the administrative regulations promulgated thereunder, shall prevail regarding any question of participation in the systems of any employer or any employee of an employer who ceases participation in the Kentucky Employees Retirement System.

➔Section 2. KRS 61.522 (Effective April 1, 2021) is amended to read as follows:

Notwithstanding any other provision of KRS 61.510 to 61.705 or 78.510 to 78.852 to the contrary:

- (1) For purposes of this section:

- (a) "Active member" means a member who is participating in the system;
  - (b) "Employer" means the governing body of a department, as defined by KRS 61.510;
  - (c) "Employer's effective cessation date" means:
    - 1. The last day of the system's plan year in the year in which the employer has elected to cease participation in the system, provided the employer has met the requirements of this section and has given the Kentucky Retirement Systems sufficient notice as provided by administrative regulations promulgated by the systems; or
    - 2. For Kentucky Employees Retirement System employers making an election to cease participating under the provisions of subsection (8) of this section, it shall be June 30, 2021; and
  - (d) "Inactive member" means a member who is not participating with the system;
- (2) Any employer participating in the Kentucky Employees Retirement System on July 1, 2015, except as limited by subsection (6) of this section, may:
- (a) Voluntarily cease participation in its respective retirement system subject to the requirements and restrictions of this section;
  - (b) Be required to involuntarily cease participation in the system under the provisions of this section if the board has determined the employer is no longer qualified to participate in a governmental plan or has failed to comply with the provisions of KRS 61.510 to 61.705; or
  - (c) If the employer is participating in the Kentucky Employees Retirement System, request an estimate of the cost of voluntarily ceasing participation in the system prior to officially making a request to cease participation. For those Kentucky Employees Retirement System nonhazardous employers who are considering ceasing participating in the system under the provisions of subsection (8) of this section on June 30, 2021, the request for an estimate to voluntarily cease participating must be made prior to December 31, 2019, and the estimate shall be provided to that employer within sixty (60) days of the request, except that no estimate shall be required to be provided prior to January 31, 2020;
- (3) (a) If an employer desires to voluntarily cease participation in the Kentucky Employees Retirement System as provided by subsection (2)(a) of this section:
- 1. The employer shall adopt a resolution requesting to cease participation in the system and shall submit the resolution to the board for its approval. The board shall not be able to deny a resolution to cease participation in the Kentucky Employees Retirement System for any employer who seeks to voluntarily cease participation in the system as provided by subsection (8) of this section;
  - 2. Except as provided by subsection (8)(d) of this section, the cessation of participation in the system shall apply to all employees of the employer;
  - 3. The employer shall pay for all administrative costs of an actuarial study to be completed by the Kentucky Retirement Systems' consulting actuary and for any other administrative costs for discontinuing participation in the system as determined by the board and as provided by this section;
  - 4. The employer shall provide an alternative retirement program for employees who will no longer be covered by the system, which may include a voluntary defined contribution plan but, for Kentucky Employees Retirement System employers with effective cessation dates occurring on or after June 30, 2020, the alternative retirement program shall not include a defined benefit plan which by its nature can have an unfunded liability;
  - 5. If the alternative retirement program established by the employer meets the qualification requirements under 26 U.S.C. sec. 401(a) or 26 U.S.C. sec. 403(b) and is capable of accepting trustee-to-trustee transfers of both pre-tax and post-tax contributions, employees of the employer ceasing participation may, except for those employees continuing to participate in the system as provided by subsection (8)(d)2. of this section, seek to transfer his or her account balance to the employer's qualified alternate retirement program within sixty (60) days of the employer's effective cessation date. An employee's election to transfer his or her account balance within sixty (60) days of the employer's effective cessation date is an irrevocable waiver of the right to obtain service credits in the system for the time worked for the employer ceasing participation;

6. The employer shall pay to the system by lump sum or in installments as provided by subsection (8) of this section, if eligible, the full actuarial cost, except as provided by subsection (8)(g)4. of this section, of the benefits accrued by its current and former employees in the system as determined separately for the pension fund and the insurance fund by the actuarial study required by subparagraph 3. of this paragraph. If the employer makes an election for employees to continue to participate in the system as provided by subsection (8)(d)2. of this section, the cost shall also include the present value of future normal costs of those employees who will continue to participate in the system after the employer's effective cessation date. The full actuarial cost shall not include any employee who seeks a transfer of his or her account balance within sixty (60) days of the employer's effective cessation date as provided by subparagraph 5. of this paragraph. The actuarial cost shall be fixed, and the employer shall not be subject to any increases or subsequent adjustments, once the lump sum is paid or the installment payments have commenced; and
  7. Kentucky Employees Retirement System employers ceasing participating under the provisions of subsection (8) of this section who elect to pay their actuarial costs by a lump sum shall ~~pay~~~~make~~ the *entire costs*~~[full lump-sum payment]~~, *in one (1) or more payments, so that the full actuarial costs are paid* by June 30, 2022, ~~[and shall pay]~~ Interest on the *unpaid* principal amount *of the full actuarial costs shall begin*~~[beginning]~~ on July 1, 2021, *and accrue*~~[equal to a rate of five and one-quarter percent (5.25%) per annum for pension costs and at a rate of six and one-quarter percent (6.25%) per annum for retiree health costs]~~ until the *full actuarial costs are paid*~~[lump-sum payment is made]~~. *If the ceasing employer makes a payment prior to July 1, 2021, the ceasing employer shall receive a credit against their full actuarial costs to be determined as of June 30, 2021, that is equal to the amount of the prior payment plus interest for the period beginning on the date of the prior payment and ending on June 30, 2021. If a final payment is due by June 30, 2022, for an employer who has made a payment or payments on or before June 30, 2021, it shall be equal to any unpaid actuarial costs due plus interest as of the date of final payment. If the payment or payments made by the ceasing employer exceed the final full actuarial costs of ceasing participation, the employer shall by June 30, 2022, be refunded an amount equal to the overpayment plus interest for the period beginning on the date of the overpayment and ending on the date the refund is paid to the employer.* If the ceasing employer fails to make the full lump-sum payment by June 30, 2022, the ceasing employer shall make installments as provided by subsection (8)(g) of this section, and the ceasing employer shall have the costs recalculated based upon making installment payments as provided by this section and shall be required to make up any missed installment payments as determined by the system. *For purposes of this subparagraph, "interest" shall be equal to a rate of five and one-quarter percent (5.25%) per annum for pension costs and at a rate of six and one-quarter percent (6.25%) per annum for retiree health costs.*
- (b) If the board determines an employer must involuntarily cease participation in the system as provided by subsection (2)(b) of this section:
1. The cessation of participation in the system shall apply to all employees of the employer;
  2. The employer shall pay for all administrative costs of an actuarial study to be completed by the Kentucky Retirement Systems' consulting actuary and for any other administrative costs for discontinuing participation in the system as determined by the board and as provided by this section; and
  3. The employer shall pay by lump sum to the system the full actuarial cost of the benefits accrued by its current and former employees in the system as determined separately for the pension fund and the insurance fund by the actuarial study required by subparagraph 2. of this paragraph. The actuarial cost shall be fixed, and the employer shall not be subject to any increases or subsequent adjustments, once the lump sum is paid.

A Kentucky Employees Retirement System employer who ceases participation in the systems under this paragraph shall not establish or contribute to on behalf of its employees a defined benefit plan which by its nature can have an unfunded liability;

- (4) Any employee hired on or after the employer's effective cessation date by an employer who has ceased participation in the system as provided by this section shall not, regardless of his or her membership date in the systems administered by Kentucky Retirement Systems, be eligible to participate in the Kentucky Employees

Retirement System through the employer that ceased participation for the duration of his or her employment with that employer;

- (5) If an employer has ceased participation in the system as provided by this section:
  - (a) The rights of recipients and the vested rights of inactive members accrued as of the employer's effective cessation date shall not be impaired or reduced in any manner as a result of the employer ceasing participation in the system; and
  - (b) Except as provided by subsection (8)(d)2. of this section, employees of the employer ceasing participation shall accrue benefits through the employer's effective cessation date but shall not accrue any additional benefits in the Kentucky Employees Retirement System, including earning years of service credit through the ceased employer, after the employer's effective cessation date for as long as they remain employed by the employer. The day after the employer's effective cessation date, each employee described by this paragraph, except as provided by subsection (8)(d)2. of this section, shall be considered an inactive member with respect to his or her employment with the employer that ceased participation and, subject to the provisions and limitations of KRS 61.510 to 61.705, shall:
    1. Retain his or her accounts with the Kentucky Employees Retirement System and have those accounts credited with interest in accordance with KRS 61.510 to 61.705;
    2. Retain his or her vested rights in accordance with paragraph (a) of this subsection; and
    3. Be eligible to take a refund of his or her accumulated account balance in accordance with KRS 61.625 or any other available distribution if eligible;
- (6) Kentucky Employees Retirement System employers who are county attorney offices, Commonwealth's attorney offices, local and district health departments governed by KRS Chapter 212, master commissioners, executive branch agencies whose employees are subject to KRS 18A.005 to 18A.200, state-administered retirement systems, state-supported universities and community colleges, property valuation administration offices, or employers in the legislative or judicial branch of Kentucky state government, shall not be eligible to voluntarily discontinue participation in the Kentucky Employees Retirement System, except that:
  - (a) Any employer who is a nonstock nonprofit corporation organized under KRS Chapter 273 may voluntarily cease participation; and
  - (b) Local and district health departments governed by KRS Chapter 212, state-supported universities and community colleges, and the Kentucky Higher Education Student Loan Corporation may voluntarily cease participation in the Kentucky Employees Retirement System solely under the provisions and requirements of subsection (8) of this section;
- (7) For purposes of this section, the full actuarial cost shall be determined by the Kentucky Retirement Systems' consulting actuary separately for the pension fund and the insurance fund using the assumptions and methodology established by the system specifically for determining the full actuarial cost of ceasing participation as of the employer's effective cessation date. For purposes of determining the full actuarial cost, the assumed rate of return used to calculate the cost shall be the lesser of the assumed rate of return utilized in the system's most recent actuarial valuation or the yield on a thirty (30) year United States treasury bond as of the employer's effective cessation date, but shall in no case be lower than:
  - (a) Except as provided by paragraphs (b) to (e) of this subsection, the assumed rate of return utilized in the system's most recent actuarial valuation minus three and one-half percent (3.5%);
  - (b) Four and one-half percent (4.5%) for those Kentucky Employees Retirement System employers who voluntarily cease participation under the provisions of subsection (8) of this section who pay the costs of ceasing participation by lump-sum payment by June 30, 2022, and who do not make an election for their employees to continue to participate in the system after the employer's effective cessation date as provided by subsection (8)(d)3. of this section;
  - (c) Three and one-half percent (3.5%) for those Kentucky Employees Retirement System employers who voluntarily cease participation under the provisions of subsection (8) of this section who pay the costs of ceasing participation by lump-sum payment by June 30, 2022, and who do make an election for employees to continue to participate in the system after the employer's effective cessation date as provided by subsection (8)(d)2. of this section;
  - (d) Three and one-half percent (3.5%) for those Kentucky Employees Retirement System employers who voluntarily cease participation under the provisions of subsection (8) of this section who pay the costs

of ceasing participation by installment payments and who do not make an election for employees to continue to participate in the system after the employer's effective cessation date as provided by subsection (8)(d)3. of this section; or

- (e) Three percent (3%) for those Kentucky Employees Retirement System employers who voluntarily cease participation under the provisions of subsection (8) of this section who pay the costs of ceasing participation by installment payments and who do make an election for employees to continue to participate in the system after the employer's effective cessation date as provided by subsection (8)(d)2. of this section;
- (8) Notwithstanding the provisions of this section, any Kentucky Employees Retirement System employer who is eligible to voluntarily cease participating as provided by subsection (6) of this section may, on or after April 1, 2020, but prior to May 1, 2021, except in the case of university or community college employers it shall be prior to January 1, 2021, elect to voluntarily cease participating in the systems for its nonhazardous employees by submitting a resolution in accordance with subsection (3)(a)1. of this section. If an employer makes an election to voluntarily cease participation by submitting a resolution as provided by this subsection:
- (a) The board shall accept any election to cease participation on or before June 30, 2021, and the employer's effective cessation date shall be June 30, 2021. Prior to May 1, 2021, or January 1, 2021, in the case of university or community college employers, the employer may rescind a previously submitted election to cease participation;
  - (b) Nonhazardous employees hired on or after the employer's effective cessation date by an employer who has ceased participation in the system as provided by this section shall not, regardless of his or her membership date in the systems administered by Kentucky Retirement Systems, be eligible to participate in the Kentucky Employees Retirement System through the employer that ceased participation for the duration of his or her employment with that ceasing employer;

After the employer's effective cessation date, the employee shall participate in the alternative retirement plan established by the employer as provided by subsection (3)(a)4. of this section. A nonhazardous employee covered by this paragraph who elects to transfer his or her account balance within sixty (60) days of the employer's effective cessation date as provided by subsection (3)(a)5. of this section, shall, notwithstanding KRS 61.597, receive a transfer of the employee's accumulated account balance, including the entire accumulated employer credit, regardless of the employee's years of service credit;
  - (d)
    1. The employer shall, in the resolution submitted in accordance with subsection (3)(a)1. of this section, make an election as to whether or not nonhazardous employees hired prior to the employer's effective cessation date, who began participating in the systems administered by Kentucky Retirement Systems prior to January 1, 2014, who are participating in the systems administered by Kentucky Retirement Systems through the employer, will continue to participate in the system after the employer's effective cessation date.
    2. If the employer makes an election for the employees described by this paragraph to continue participating in the system after the employer's effective cessation date, these employees will continue to contribute and earn service credit in the systems for as long as they remain employed by the employer in a regular full-time position that is eligible to participate in the systems, except in the event the employer fails to make installment payments as provided by KRS 61.675(4). Any costs for the present value of future normal costs of the employees covered by this subparagraph who will contribute and earn service in the system after the employer's effective cessation date shall be included in the cost calculation established by subsection (7) of this section.
    3. If the employer does not make an election for the employees described by this paragraph to continue participating in the system after the employer's effective cessation date, these employees shall continue to contribute and earn service credit in the systems through the employer's effective cessation date. After the employer's effective cessation date, these employees shall participate in the alternative retirement plan established by the employer as provided by subsection (3)(a)4. of this section;

- (e) The cost of ceasing participating to an individual employer shall be equal to the cost determined under subsection (7) of this section and shall include the costs of those employees who continue to participate in the system as provided by paragraph (d)2. of this subsection;
- (f) The employer may pay the full actuarial cost of ceasing participation by lump-sum payment or in installments as provided by paragraph (g) of this subsection;
- (g) If the employer elects to pay the costs in installment payments, the cost of ceasing participation as provided by this subsection shall be financed by the systems using the following method:
  1. Annual payments occurring on or after July 1, 2021, shall be a set dollar value and shall be paid in monthly installments.   3. If an employer is not projected by the systems to pay off the full actuarial costs to cease participation with interest as provided by subparagraph 2. of this paragraph at the conclusion of the thirty (30) year installment period from the employer's effective cessation date, and the employer makes an election for employees to continue to participate in the system after the employer's effective cessation date as provided by paragraph (d)2. of this subsection, then the systems shall adjust the base value for the first annual payments occurring on or after July 1, 2021, in order to keep the maximum period of installments to thirty (30) years; and
  4. If an employer is not projected by the systems to pay off the full actuarial costs to cease participation with interest as provided by subparagraph 2. of this paragraph at the conclusion of the thirty (30) year installment period from the employer's effective cessation date, and the employer does not make an election for employees to continue to participate in the system after the employer's effective cessation date as provided by paragraph (d)3. of this subsection, the employer shall pay the amount determined by subparagraph 1. of this paragraph for thirty (30) years from the effective cessation date and no additional costs shall be billed to a ceasing employer after the conclusion of the thirty (30) year period nor shall the employer be subject to adjustments under subparagraph 3. of this paragraph. The system may request in future biennial executive branch budgets the additional funding needed on an annual basis to fully pay off the installments at the conclusion of the thirty (30) year period for the employers described by this paragraph, and it is the intent of the General Assembly to pay the additional funding needed by appropriation in the biennial executive branch budget.

With the exception of employers governed by the provisions of KRS Chapters 16, 18A, and 151B, all employers of any class of employees or former employees shall enter into a contract with the Personnel Cabinet prior to including that group in the state health insurance group. The contracts shall include but not be limited to designating the entity responsible for filing any federal forms, adoption of policies required for proper plan administration, acceptance of the contractual provisions with health insurance carriers or third-party administrators, and adoption of the payment and reimbursement methods necessary for efficient administration of the health insurance program. Health insurance coverage provided to state employees under this section shall, at a minimum, contain the same benefits as provided under Kentucky Kare Standard as of January 1, 1994, and shall include a mail-order drug option as provided in subsection (13) of this section. All employees and other persons for whom the health care coverage is provided or made available shall annually be given an option to elect health care coverage through a self-funded plan offered by the Commonwealth or, if a self-funded plan is not available, from a list of coverage options determined by the competitive bid process under the provisions of KRS 45A.080, 45A.085, and 45A.090 and made available during annual open enrollment.

The Personnel Cabinet shall take strict precautions to protect the confidentiality of each individual employee; however, confidentiality assertions shall not relieve a carrier from the requirement of providing stipulated data to the Commonwealth.
- (e) The Personnel Cabinet shall develop the necessary techniques and capabilities for timely analysis of data received from carriers and, to the extent possible, provide in the request-for-proposal specifics relating to data requirements, electronic reporting, and penalties for noncompliance. The Commonwealth shall own the enrollment, claims, and utilization data provided by each carrier and shall develop methods to protect the confidentiality of the individual. The Personnel Cabinet shall include in the October annual report submitted pursuant to the provisions of KRS 18A.226 to the Governor, the General Assembly, and the Chief Justice of the Supreme Court, an analysis of the financial stability of

- (f) If any agency participating in the state-sponsored employee health insurance program for its active employees terminates participation and there is a state appropriation for the employer's contribution for active employees' health insurance coverage, then neither the agency nor the employees shall receive the state-funded contribution after termination from the state-sponsored employee health insurance program.

  - (h) Each entity participating in the state-sponsored health insurance program shall provide an amount at least equal to the state contribution rate for the employer portion of the health insurance premium. For any participating entity that used the state payroll system, the employer contribution amount shall be equal to but not greater than the state contribution rate.
- (3) The premiums may be paid by the policyholder:
- (a) Wholly from funds contributed by the employee, by payroll deduction or otherwise;
  - (b) Wholly from funds contributed by any department, board, agency, public postsecondary education institution, or branch of state, city, urban-county, charter county, county, or consolidated local government; or
  - (c) Partly from each, except that any premium due for health care coverage or dental coverage, if any, in excess of the premium amount contributed by any department, board, agency, postsecondary education institution, or branch of state, city, urban-county, charter county, county, or consolidated local government for any other health care coverage shall be paid by the employee.
- (4) If an employee moves his or her place of residence or employment out of the service area of an insurer offering a managed health care plan, under which he or she has elected coverage, into either the service area of another managed health care plan or into an area of the Commonwealth not within a managed health care plan service area, the employee shall be given an option, at the time of the move or transfer, to change his or her coverage to another health benefit plan.
- (5) No payment of premium by any department, board, agency, public postsecondary educational institution, or branch of state, city, urban-county, charter county, county, or consolidated local government shall constitute compensation to an insured employee for the purposes of any statute fixing or limiting the compensation of such an employee. Any premium or other expense incurred by any department, board, agency, public postsecondary educational institution, or branch of state, city, urban-county, charter county, county, or consolidated local government shall be considered a proper cost of administration.

- (7) Group rates under this section shall be made available to the disabled child of an employee regardless of the child's age if the entire premium for the disabled child's coverage is paid by the state employee. A child shall be considered disabled if he or she has been determined to be eligible for federal Social Security disability benefits.
- (8) The health care contract or contracts for employees shall be entered into for a period of not less than one (1) year.

This does not preclude a retiree and an active employee spouse from using both contributions to the extent needed for purchase of one (1) state sponsored health insurance policy for that plan year.
- (13)
  - (a) The policies of health insurance coverage procured under subsection (2) of this section shall include a mail-order drug option for maintenance drugs for state employees. Maintenance drugs may be dispensed by mail order in accordance with Kentucky law.

- (18) If a state employee's residence and place of employment are each located in counties in which the hospitals do not offer surgical services, intensive care services, obstetrical services, level II neonatal services, diagnostic cardiac catheterization services, and magnetic resonance imaging services, the employee may select a plan available in a county contiguous to the county of residence that does provide those services, and the state contribution for the plan shall be the amount available in the county where the plan selected is located.
- (19) The Personnel Cabinet is encouraged to study whether it is fair and reasonable and in the best interests of the state group to allow any carrier bidding to offer health care coverage under this section to submit bids that may vary county by county or by larger geographic areas.

- (2) *Every distribution agreement providing for and specifying the rights and duties of a microbrewer and distributor with and in regard to the sale of the products of the microbrewer within the Commonwealth of Kentucky shall be in writing. The terms and provisions of the agreement shall comply with and conform to this section.*
- (3) *A distribution agreement between a microbrewer and a distributor shall not:*
  - (a) *Require the microbrewer or distributor to agree to renew the distribution agreement at the expiration of a term;*
  - (b) *Except as set forth in subsection (4) or (9) of this section, permit a microbrewer or distributor to terminate a distribution agreement without first giving written notice of any alleged deficiency and giving the other party a reasonable opportunity to cure the alleged deficiency. For purposes of this paragraph, a reasonable opportunity to cure shall be sixty (60) days from the date a notice of an alleged deficiency is received;*
  - (c) *Permit the assignment of the distribution agreement, in part or in whole, without first obtaining the consent of the other party, which shall not be unreasonably withheld provided the assignee possesses the financial, technical, and operational skills necessary to perform under the distribution agreement;*
  - (d) *Permit the microbrewer or distributor to unilaterally amend a distribution agreement, or any document referred to or incorporated by reference in the distribution agreement;*
  - (e) *Require a microbrewer or distributor to mediate or arbitrate disputes which may arise between them, though nothing shall prohibit the parties from resolving the dispute by retaining an independent mediator or arbitrator while equally sharing the cost; or*

- (4) *A microbrewer may terminate a distribution agreement according to the terms of the agreement or in any of the following instances:*

  - (g) *In the case of a microbrewer whose products represent five percent (5%) or less of a distributor's gross annual sales, the giving of a forty-five (45) day notice of termination and the payment to the distributor of reasonable compensation, which shall be equivalent to the fair market value of the distributor's total investment in the microbrewer's products being terminated. For purposes of this subsection, fair market value shall be calculated based on a multiple of the distributor's gross profits from the sale of the microbrewer's products in the twelve (12) months immediately prior to the date of the microbrewer's written notice of intent to terminate. The fair market valuation shall be based on an arm's length transaction entered into without duress or threat of termination, and shall include all elements of value, including goodwill and going-concern value.     - 2. *Any payment pursuant to subsection (4)(g) of this section;*
  - (c) *Unreasonably withhold timely consent to a proposed sale or transfer, in part or whole, of the stock or assets of the microbrewer or distributor, and in no event shall the microbrewer or distributor take more than thirty (30) days to approve or disapprove the proposed sale or transfer after the microbrewer or distributor has received written notice of the proposal and received all requested information to enable the microbrewer or distributor to pass upon the purchaser's or transferee's financial, technical, and operational skills necessary to perform under the distribution agreement; or*
  - (d) *Fail to give at least thirty (30) days' advance notice of a change in ownership or possession of an ownership interest, whether by sale, transfer, gift, or grant of an option.*

  - (b) *The reputation and trade name of the microbrewer are reasonably promoted and protected; and*

  - (e) *Without distributor consent, the microbrewer effectuates a change in ownership or possession of ownership interests, establishes a trust or other ownership interest, enters into buy-sell agreements, or grants an option to purchase an ownership interest; provided, however, this right of termination shall not apply to the transfer, creation, sale, gift, or grant of an ownership interest, or option thereon, of a total aggregate of less than ten percent (10%) of the total existing ownership or possession of ownership interest of the microbrewer or intrafamily transfer; or*
  - (f) *In the case of a microbrewer whose products represent five percent (5%) or less of a distributor's gross annual sales, the giving of a forty-five (45) day notice of termination and payment to the microbrewer of reasonable compensation, which shall be determined to be a sum equal to five (5) times the monthly average of purchases from the microbrewer over the twelve (12) months prior to the termination.*
- (10) *In the event of a termination of a contract between a microbrewer and a distributor, the microbrewer shall repurchase all of its product still in the distributor's inventory upon return from the distributor, provided that the "best by", "expiration", or other similar printed date is greater than thirty (30) days after the date of the return of the product.*
- (11) *Any microbrewer or distributor that violates any provision of this section shall pay the injured party all reasonable damages sustained as a result of the microbrewer's or distributor's violations, together with the costs and attorneys' fees incurred by the microbrewer or distributor in protecting its right.*

➔SECTION 3. A NEW SECTION OF KRS CHAPTER 244 IS CREATED TO READ AS FOLLOWS:

Thereafter, an arbitration shall be held for the purpose of determining the fair market value of the distributor's total*

*investment in the microbrewer's products being terminated. For the purpose of this paragraph, fair market value shall be the value that would be determined in an arm's length transaction entered into without duress or threat of termination of the existing distributor's right and shall include all elements of value, including goodwill and going-concern value.*

- (2) *Notice of intent to arbitrate shall be sent, as provided in paragraph (1) of this section, not later than thirty-five (35) days after the distributor receives written notice to terminate. The arbitration proceeding shall conclude not later than forty-five (45) days after the date the notice of intent to arbitrate is mailed to a party.*

- (5) *An arbitrator's award in any arbitration held pursuant to this subsection shall be monetary only and shall not enjoin or compel conduct. Any arbitration held pursuant to this subsection shall be instead of all other remedies and procedures.*
- (6) *The cost of the arbitrator and any other direct costs of any arbitration held pursuant to this subsection shall be equally divided by the parties engaged in the arbitration. All other costs shall be paid by the party incurring them.*
- (7) *The arbitrator in any arbitration held pursuant to this subsection shall render a decision not later than thirty (30) days after the conclusion of the arbitration, unless this time period is extended by mutual agreement of the parties or by the arbitrator. The decision of the arbitration is final and binding on the parties. Under no circumstances may the parties appeal the decision of the arbitrator.*
- (8) *A party who fails to participate in the arbitration hearings in any arbitration held pursuant to this subsection waives all rights the party would have had in the arbitration and is considered to have consented to the determination of the arbitrator.*
- (9) *Nothing in this section shall be construed to limit or prohibit good-faith settlements voluntarily entered into by the parties.*

➔Section 4. If any provision of this Act or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of the Act that can be given effect without the invalid provision or application, and to this end the provisions of this Act are severable.

- (e) "Formula base amount" means an institution's *enacted* general fund appropriation amount ~~from the previous fiscal year~~ *minus* ~~net of~~ debt service on bonds *and* ~~and~~ appropriations for mandated programs ~~as determined by the council, and any adjustments reflecting the previous fiscal year's performance distribution~~;
- (f) "Hold-harmless provision" means a provision included in the funding formulas as described in subsection (9) of this section that prevents a reduction of a designated portion of funding for an institution through operation of the funding formula;

- (j) *"Mandated program" means a research or public service activity that is not integral to the instructional mission of the institution and is identified by the General Assembly in the biennial budget;*

(2) The General Assembly hereby finds that improving opportunity for the Commonwealth's citizens and building a stronger economy can be achieved by its public college and university system focusing its efforts and resources on the goals of:

- (a) Increasing the retention and progression of students toward timely credential or degree completion;
- (b) Increasing the number and types of credentials and degrees earned by all types of students;
- (c) Increasing the number of credentials and degrees that garner higher salaries upon graduation, such as science, technology, engineering, math, and health, and in areas of industry demand;
- (d) Closing achievement gaps by increasing the number of credentials and degrees earned by low-income students, underprepared students, and underrepresented minority students; and
- (e) Facilitating credit hour accumulation and transfer of students from KCTCS to four (4) year postsecondary institutions.

- (3) (a) The General Assembly hereby declares these goals can best be accomplished by implementing a comprehensive funding model for the allocation of state general fund appropriations for postsecondary institution operations that aligns the Commonwealth's investments in postsecondary education with the Commonwealth's postsecondary education policy goals and objectives.
- (b) *The General Assembly further recognizes that priority for state general fund appropriations for postsecondary institutions should be given to each institution's funding floor over appropriations to the performance fund. For purposes of this section, "funding floor" means an institution's fiscal year 2020-2021 general fund appropriation included in 2020 Ky. Acts ch. 92, plus any fiscal year 2020-2021 distribution from the performance fund, and minus fiscal year 2020-2021 debt service on bonds and appropriations for mandated programs.*
- (4) This section establishes a comprehensive funding model for the public postsecondary education system to be implemented by the Council on Postsecondary Education. The funding model shall include a public university sector formula and a KCTCS sector formula.
- (5) The funding formula for the public university sector shall:
- (a) Recognize differences in missions and cost structures between research universities and comprehensive universities to ensure that neither are advantaged or disadvantaged during the first full year of implementation;
  - (b) Distribute one hundred percent (100%) of the university allocable resources for all universities in the sector, based on rational criteria, including student success, course completion, and operational support components, regardless of whether state funding for postsecondary institution operations increases, decreases, or remains stable;
  - (c) Include an adjustment to minimize impact on smaller campuses as determined by the council; and
  - (d) Be constructed to achieve equilibrium, at which point the funding formula rewards rates of improvement above the sector average rate.
- (6) Funding for the public university sector shall be distributed as follows:
- (a) Thirty-five percent (35%) of total university allocable resources shall be distributed based on each university's share of total student success outcomes produced, including but not limited to:
    1. Bachelor's degree production;
    2. Bachelor's degrees awarded per one hundred (100) undergraduate full-time equivalent students;
    3. Numbers of students progressing beyond thirty (30), sixty (60), and ninety (90) credit hour thresholds;
    4. Science, technology, engineering, math, and health bachelor's degree production; and
    5. Bachelor's degrees earned by low-income students and underrepresented minority students;
  - (b) Thirty-five percent (35%) of total university allocable resources shall be distributed based on each university's share of sector total student credit hours earned, excluding dual credit enrollment, weighted to account for cost differences by academic discipline and course level, such as lower and upper division baccalaureate, master's, doctoral research, and doctoral professional; and
  - (c) Thirty percent (30%) of total university allocable resources shall be distributed in support of vital campus operations as follows:
    1. Ten percent (10%) shall be distributed based on each university's share of Category I and Category II square feet, net of research, nonclass laboratory, and open laboratory space, to support maintenance and operation of campus facilities and may include a space utilization factor as determined by the council in collaboration with the working group established in subsection (11) of this section;
    2. Ten percent (10%) shall be distributed based on each university's share of total instruction and student services spending, net of maintenance and operation, to support campus administrative functions; and

3. Ten percent (10%) shall be distributed based on each university's share of total full-time equivalent student enrollment to support academic support services such as libraries and academic computing.
- (7) The funding formula for the KCTCS sector:
    - (a) Shall distribute one hundred percent (100%) of KCTCS institution allocable resources for all KCTCS colleges based on rational criteria, including student success, course completion, and operational support components, regardless of whether state funding for postsecondary institution operations increases, decreases, or remains stable;
    - (b) May include an adjustment to account for declining enrollment in some regions of the Commonwealth as determined by the council; and
    - (c) Shall be constructed to achieve equilibrium, at which point the funding formula rewards rates of improvement above the sector average rate.
  - (8) Funding for the KCTCS sector shall be distributed as follows:
    - (a) Thirty-five percent (35%) of total KCTCS institution allocable resources shall be distributed based on each college's share of total student success outcomes produced, including but not limited to:
      1. Certificate, diploma, and associate degree production;
      2. Numbers of students progressing beyond fifteen (15), thirty (30), and forty-five (45) credit hour thresholds;
      3. Science, technology, engineering, math, and health credentials production;
      4. Production of high-wage, high-demand, industry credentials as determined using occupational outlook data and employment statistics wage data provided by the Department of Workforce Investment in the Education and Workforce Development Cabinet;
      5. Production of industry credentials designated as targeted industries by the Education and Workforce Development Cabinet;
      6. Credentials earned by low-income students, underprepared students, and underrepresented minority students; and
      7. Transfers to four (4) year institutions;
    - (b) Thirty-five percent (35%) of total KCTCS institution allocable resources shall be distributed based on each college's share of total student credit hours earned, weighted to account for cost differences by academic discipline; and
    - (c) Thirty percent (30%) of total KCTCS institution allocable resources shall be distributed in support of vital campus operations as follows:
      1. Ten percent (10%) shall be distributed based on each college's share of Category I and Category II square feet, net of research, nonclass laboratory, and open laboratory space, to support maintenance and operation of campus facilities and may include a space utilization factor as determined by the council in collaboration with the postsecondary education working group established in subsection (11) of this section;
      2. Ten percent (10%) shall be distributed based on each college's share of total instruction and student services spending, net of maintenance and operation, to support campus administrative functions; and
      3. Ten percent (10%) shall be distributed based on each college's share of total full-time equivalent student enrollment to support academic support services such as libraries and academic computing.
  - (9) (a) The funding formula for both sectors shall include:
    1. A hold-harmless provision for fiscal year 2018-2019 preventing a reduction in an institution's funding amount based solely on the formula calculation, and allowing a hold-harmless amount determined by the formula in fiscal year 2018-2019 to be deducted from an institution's formula base amount in whole or in part in fiscal years 2019-2020 and 2020-2021, as determined by the council;

  3. A stop-loss provision for fiscal year 2019-2020 limiting the reduction in funding to any institution to one percent (1%) of that institution's formula base amount; ~~and~~
  - ~~4.3.~~ A stop-loss provision for fiscal year 2020-2021 limiting the reduction in funding to any institution to two percent (2%) of that institution's formula base amount; *and*
  5. *A stop-loss provision for fiscal year 2021-2022, and every fiscal year thereafter, limiting the reduction in funding to any institution to zero percent (0%) of that institution's formula base amount.*
- (b) ~~For fiscal year 2021-2022 and thereafter, hold harmless and stop-loss provisions shall not be included in the funding formulas except by enactment of the General Assembly.~~
- ~~(e)~~ Paragraph (a) of this subsection shall not be construed to limit the level of a budget reduction that may be enacted by the General Assembly or implemented by the Governor.
- (10) (a) By *May 1 each year* ~~[April 1, 2017, and each April 1 thereafter]~~, the council shall certify to the Office of the State Budget Director the amount to be distributed to each of the public universities and KCTCS as determined by the comprehensive funding model created in this section, not to exceed the available balance in the ~~[postsecondary education]~~ performance fund ~~[created in subsection (13) of this section]~~.
- (b) The Office of the State Budget Director shall distribute the appropriations in the ~~[postsecondary education]~~ performance fund for that fiscal year to the institutions in the amounts the council has certified. The adjusted appropriations to each institution shall be allotted as provided in KRS 48.600, 48.605, 48.610, 48.620, and 48.630.
- (c) 1. *The certified amounts distributed from the performance fund to the institutions are nonrecurring funds that shall not be included in the institutions' base budget amounts submitted in their biennial budget requests.*
2. *The certified amounts distributed from the performance fund in the previous fiscal year shall be included in the performance fund's base budget amount submitted by the council in the biennial budget request.*

- (b) Beginning in fiscal year 2020-2021 and every three (3) fiscal years thereafter, the postsecondary education working group shall convene to determine if the comprehensive funding model is functioning as expected, identify any unintended consequences of the model, and recommend any adjustments to the model. *The council may call the working group to convene prior to the start of the required fiscal year to allow sufficient time for the group to complete its work.*
- (c) The results of the review and recommendations of the working group shall be reported by the council to the Governor, the Interim Joint Committee on Appropriations and Revenue, and the Interim Joint Committee on Education *by December 1 of each fiscal year the working group convenes.*

→Section 2. Whereas the provisions of this bill impact the process of determining base amounts, distributions, and other elements related to the postsecondary education performance fund, which have implications related to the fiscal year 2021-2022 budget that begins July 1, 2021, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

Category I programs shall receive no weight. The full-time equivalent students shall be calculated on the basis of the total program enrollment ~~multiplied~~ ~~divided~~ by the length of the class period divided by six (6).

- (a) *For the first year under the management and control of the local board of education, the locally operated center shall receive funding in an amount equal to one hundred percent (100%) of the annual state general fund appropriation allocated to the center for on-site direct costs for the most recent fiscal year under state management and control, including any amount allocated directly to the local district for use of district-owned facilities;*
  - (b) *For each fiscal year thereafter, the center shall receive seventy-five percent (75%) of the amount allocated to it under paragraph (a) of this subsection;*
  - (c) *The remaining twenty-five percent (25%) of funds previously allocated to a center as described in paragraph (b) of this subsection shall annually be allocated, in accordance with the formula described in subsection (2) of this section, to locally operated secondary area centers and vocational departments that did not receive state supplemental funds under subsection (2) of this section and were not otherwise appropriated funds by the General Assembly for the current fiscal year;*

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 74.020 is amended to read as follows:

- (1) A water district shall be administered by a board of commissioners which shall control and manage the affairs of the district. The term of each commissioner is four (4) years, except as provided in this section:
  - (a) If a district lies wholly within a single county, or operates as a single-county district, as provided in paragraph (c) of this subsection, the board of commissioners shall be composed of either three (3) or five (5) members as the county judge/executive shall determine. Members of the board shall be residents of the district, or of any incorporated or unincorporated area served by the district in the county in which the district was originally established, who shall be appointed by the county judge/executive with the approval of the fiscal court. Initial appointments shall be for terms of two (2), three (3), and four (4) years, as designated by the court;
  - (b) Except as provided in paragraph (c) of this subsection, if a district formed in a single county extends its area to include territory in one (1) or more adjacent counties, as provided by KRS 74.115, the board of commissioners shall be appointed by the appropriate county judges/executive, with the approval of the respective fiscal courts of the concerned counties as follows: in two (2) county districts, three (3) members from the original district and two (2) members from the extended portion of the district; for extensions into three (3) or more counties, the respective county judges/executive, with the approval of the respective fiscal courts, shall appoint, in addition to the existing membership of the commission, two (2) members from the original one-county district and two (2) members from the newly extended portion of the district. Orders establishing the extension shall provide for the staggering of initial terms in an equitable manner; and
  - (c) If a district acquires an existing water or gas distribution system serving an area which extends beyond the boundaries of the district into one (1) or more additional counties, or if a district extends its area to include territory in one (1) or more adjacent counties as provided by KRS 74.115, it may operate the distribution system so acquired, or extended, without adding additional board members, if the new area to be served shall be deemed to be a minor portion of the total area served by the district, and if the fiscal court of the county containing the minor portion of the total area shall have agreed to the acquisition or to the extension of the distribution system. If less than twenty-five percent (25%) of the total assets of the distribution system are located within any particular county included in the territorial boundaries of the district, it shall be conclusively presumed, with respect to that particular county, that the district comes within the terms of this subsection.
- (2) A commissioner may be removed from office as provided by KRS 65.007 or 74.025.
- (3) A commissioner who participates in any official action by the water district board of commissioners which results in a direct financial benefit to him may be removed from office as provided by KRS 65.007 or 74.025.
- (4) Vacancies shall be filled by the same appointing authority which is empowered to make the original appointment. Vacancies resulting from cause other than expiration of the term shall be filled for the unexpired term only. Notwithstanding KRS 67.710, a vacancy resulting from the expiration of a term or the death, resignation, or removal of the incumbent shall be filled by the Public Service Commission if, within ninety (90) days following the vacancy, the vacancy has not been filled by the appropriate county judge/executive with approval of the fiscal court.
- (5) The commission shall elect a chairman, vice chairman, secretary, treasurer, and any other officers and assistant officers as the commission may deem necessary, each of whom shall be members of the commission. Any two (2) or more offices may be held by the same person, except that the chairman may not hold any other office. Each commissioner shall execute a bond for the faithful performance of the duties of his position.

- (6) Each commissioner shall receive an annual salary of not more than thirty-six hundred dollars (\$3,600), which shall be paid out of the water district fund, except that beginning January 1, 1999, **and subject to subsection (9) of this section**, each commissioner who completes during an educational year a minimum of six (6) instructional hours of water district management training approved by the Public Service Commission may receive an annual salary of not more than six thousand dollars (\$6,000) to be paid out of the water district fund. An educational year shall begin on January 1 and end on the following December 31. In the case of single-county districts, which shall be deemed to include districts described in paragraph (c) of subsection (1) of this section, the salary shall be fixed by the county judges/executive with the approval of the fiscal court; in multicounty districts, it shall be fixed by the agreement between the county judges/executive with the approval of their fiscal courts. In fixing and approving the salary of the commissioners, the county judge/executive and the fiscal court shall take into consideration the financial condition of the district and its ability to meet its obligations as they mature.
- (7) (a) **Except as provided in subsection (9) of this section**, in order to receive an increase in salary as specified in subsection (6) of this section, commissioners shall successfully complete six (6) instructional hours of water district management training annually. The training shall be approved and paid for by the water district of the county the commissioner represents. Those commissioners not required to complete the six (6) instructional hours shall be reimbursed for the cost of instruction if they choose to complete the water district training.
- (b) The Public Service Commission shall be responsible for the regulation of all water district management training programs for commissioners of water districts, combined water, gas, or sewer districts, or water commissions.
- (c) The Public Service Commission shall encourage and promote the offering of high quality water district management training programs that enhance a water district commissioner's understanding of his or her responsibilities and duties. The commission shall, no later than January 1, 1999, establish standards and procedures to evaluate, accredit, and approve water district management training programs.
- (8) (a) At least once annually, the Public Service Commission shall provide or cause to be conducted a program of instruction, consisting of at least twelve (12) hours of instruction, that is intended to train newly appointed commissioners in the laws governing the management and operation of water districts and other subjects that the Public Service Commission deems appropriate. The commission may charge a reasonable registration fee to recover the cost of the programs and may accredit programs of instruction that are conducted by other persons or entities and that the commission deems equivalent to its program of instruction.
- (b) Within twelve (12) months of his or her initial appointment, each commissioner shall complete the program of instruction described in paragraph (a) of this subsection. **Except as provided in subsection (9) of this section**, any commissioner who fails to complete the program within twelve (12) months of his or her initial appointment shall forfeit his or her office and all right to act in discharge of the duties of the office. A commissioner required to attend a program under this subsection shall be reimbursed for the cost of instruction by his or her water district.
- (9) **The Public Service Commission may grant a reasonable extension of time, not to exceed six (6) months, for completing the training requirements of subsections (6), (7), and (8) of this section for good cause shown.**
- (10) (a) Within thirty (30) days of the occurrence of a vacancy on its board of commissioners resulting from the expiration of a term or the death, resignation, or removal of the incumbent, a water district shall notify in writing the Public Service Commission of the existence of the vacancy. The notice shall include the name of the commissioner who last held the position and the date on which the unexpired term will end.
- (b) Within thirty (30) days of the appointment of a commissioner and the appropriate fiscal court's approval of that appointment, a water district shall notify the Public Service Commission of the appointment. The notice shall include the appointed person's name and the date of the expiration of his or her term.
- ~~(11)~~(10) The Public Service Commission may promulgate administrative regulations in accordance with KRS Chapter 13A to implement the requirements of this section.
- ➔Section 2. KRS 74.363 is amended to read as follows:
- (1) Boards of commissioners of any two (2) or more water districts may by concurrent action and by approval of a majority of the membership of the board of each merge their districts into one (1).

- (2) The members of the boards of commissioners of the merged water districts shall serve as members of the board of commissioners of the resulting district, regardless of their normal term expiration, until one (1) year after approval of the merger by the Public Service Commission. Thereafter, the board shall be composed as follows:
- (a) If the boundaries of the resulting district lie wholly within a single county, the board of commissioners shall be composed of between three (3) and seven (7) members as agreed upon by the merged water districts in their merger documents; and
  - (b) If the boundaries of the resulting district lie within two (2) or more counties, the board of commissioners shall be composed of six (6) or more members as agreed upon by the merged water districts in their merger documents.
- (3) Each appointment to the board of commissioners of the resulting district shall be made by the appropriate county judge/executive with the approval of the fiscal court. Thereafter, all commissioners shall be appointed for a term of four (4) years. KRS 74.020(2) to ~~(11)~~~~(10)~~ shall apply to all commissioners and vacancies on the board of commissioners.
- (4) The resulting district shall have all the assets and legal liabilities of the water districts joining in the merger. The separate existences of the water districts joining in the merger, except the resulting district, shall cease, and the title to all real estate and other property owned by the water districts joining in the merger shall be vested in the resulting district without reversion or impairment. Bonded obligations of any district secured by the right to levy an assessment as provided by KRS 74.130 through 74.230 or secured by the revenue of the systems operated by the district shall continue to be retired or a sinking fund for such purpose created from the tax assessments or revenue from the system operated by the district from funds collected over the same area by the new board of commissioners in accordance with the laws under which the bonds were issued until all bonded obligations of the old district have been retired.

➔Section 3. Whereas the cancellation of training programs due to COVID-19 has made it difficult or impossible for many water district commissioners to comply with their statutory training requirements, and temporary waivers of those requirements by the Public Service Commission will be necessary, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming law.

**SECTION 12: DATE OF IMPLEMENTATION OF THE INTERSTATE COMMISSION FOR AUDIOLOGY AND SPEECH-LANGUAGE PATHOLOGY PRACTICE AND ASSOCIATED RULES, WITHDRAWAL, AND AMENDMENT**

- A. *The Compact shall come into effect on the date on which the Compact statute is enacted into law in the 10th member state. Thereafter, the Commission shall meet and exercise rulemaking powers necessary to the implementation and administration of the Compact.*
- B. *Any state that joins the Compact subsequent to the Commission's initial adoption of the rules shall be subject to the rules as they exist on the date on which the Compact becomes law in that state. - E. *This Compact may be amended by the member states. No amendment to this Compact shall become effective and binding upon any member state until it is enacted into the laws of all member states.*

**SECTION 13: CONSTRUCTION AND SEVERABILITY**

*This Compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this Compact shall be severable and if any phrase, clause, sentence or provision of this Compact is declared to be contrary to the constitution of any member state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this Compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this Compact shall be held contrary to the constitution of any member state, the Compact shall remain in full force and effect as to the remaining member states and in full force and effect as to the member state affected as to all severable matters.*

**SECTION 14: BINDING EFFECT OF COMPACT AND OTHER LAWS**

- 1. When a rule is adopted pursuant to Section 10 of this Compact, the licensing board of this state as defined by Section 2.G. of this Compact shall have sixty (60) days to review the rule for the purpose of filing the rule as an emergency administrative regulation pursuant to KRS 13A.190 and for filing the rule as an accompanying ordinary administrative regulation, following the requirements of KRS Chapter 13A. Failure by the licensing board of this state as defined by Section 2.G. of this Compact to promulgate a rule adopted by the Audiology and Speech-Language Pathology Compact Commission as an administrative regulation pursuant to KRS Chapter 13A shall result in the initiation of the process for withdrawal as set forth in Section 12 of this Compact. Nothing in these provisions shall negate the applicability and effect of Section 10 of this Compact to this state.*
  - 2. If the proposed administrative regulation is found deficient and the deficiency is not resolved pursuant to KRS 13A.330 or 13A.335, the provisions of Section 11 of this Compact shall apply. - C. Section 8.F.8. of this Compact pertaining to the financing of the commission shall not be interpreted to obligate the general fund of this state. Any funds used to finance this Compact shall be from money collected pursuant to KRS 334A.120.*

A challenge shall be made in writing, and delivered to the Chair of the Commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the Commission.*

A remedy of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.*
  3. *Termination of membership in the Compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be submitted by the Commission to the Governor, the majority and minority leaders of the defaulting state's legislature, and each of the Compact States.*

The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all costs of such litigation, including reasonable attorney's fees.*

Thereafter, the Commission shall meet and exercise rulemaking powers necessary to the implementation and administration of the Compact.*
- B. *Any state which joins the Compact subsequent to the Commission's initial adoption of the rules shall be subject to the rules as they exist on the date on which the Compact becomes law in that state. Any rule which has been previously adopted by the Commission shall have the full force and effect of law on the day the Compact becomes law in that state.*

- C. *Any Compact State may withdraw from this Compact by enacting a statute repealing the same.*
1. *A Compact State's withdrawal shall not take effect until six (6) months after enactment of the repealing statute.*
  2. *Withdrawal shall not affect the continuing requirement of the withdrawing State's Psychology Regulatory Authority to comply with the investigative and adverse action reporting requirements of this act prior to the effective date of withdrawal.*
- D. *Nothing contained in this Compact shall be construed to invalidate or prevent any psychology licensure agreement or other cooperative arrangement between a Compact State and a Non-Compact State which does not conflict with the provisions of this Compact.*
- E. *This Compact may be amended by the Compact States. No amendment to this Compact shall become effective and binding upon any Compact State until it is enacted into the law of all Compact States.*

#### ARTICLE XIV

##### CONSTRUCTION AND SEVERABILITY

#### ARTICLE XV

##### APPLICABILITY OF KENTUCKY STATE GOVERNMENT

*In order to clarify the effect of certain provisions of this Compact and to ensure that the rights and responsibilities of the various branches of government are maintained, the following shall be in effect in this state:*

- A. *By entering into this Compact, this state authorizes the licensing board as defined in Article II. Z. of this Compact and as created by KRS Chapter 319 to implement the provisions of this Compact.*

1. *When a rule is adopted pursuant to Article XI of this Compact, the licensing board of this state as defined by Article II. Z. of this Compact shall have sixty (60) days to review the rule for the purpose of filing the rule as an emergency administrative regulation pursuant to KRS 13A.190 and for filing the rule as an accompanying ordinary administrative regulation, following the requirements of KRS Chapter 13A. Failure by the licensing board of this state as defined by Article II. Z. of this Compact to promulgate a rule adopted by the Psychology Interjurisdictional Compact Commission as an administrative regulation pursuant to KRS Chapter 13A shall result in withdrawal as set forth in Article XIII of this Compact. Nothing in these provisions shall negate the applicability of a Commission rule or Article XI of this Compact to this state.*
  2. *If the proposed administrative regulation is found deficient and the deficiency is not resolved pursuant to KRS 13A.330 or 13A.335, the provisions of Article XII of this Compact shall apply. If the deficiency is resolved in a manner determined by the Commission to be inconsistent with this Compact or its rules, or if the procedures under Article XII of this Compact fail to resolve an issue, the withdrawal provisions of Article XIII of this Compact shall apply.*
  3. *If a court of competent jurisdiction determines that the Psychology Interjurisdictional Compact Commission created by Article X of this Compact exercises its rulemaking authority in a manner that is beyond the scope of the purposes of this Compact, or the powers granted under this Compact, then such an action by the commission shall be invalid and have no force or effect.*
- C. *Article X. F. of this Compact pertaining to the financing of the commission shall not be interpreted to obligate the general fund of this state. Any funds used to finance this Compact shall be from money collected pursuant to KRS 319.131.*
- D. *This Compact shall apply only to those psychologists who practice or work under a compact privilege.*

## CHAPTER 47

## ( HB 404 )

AN ACT relating to child support.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 403.211 is amended to read as follows:

- (1) An action to establish or enforce child support may be initiated by the parent, custodian, or agency substantially contributing to the support of the child. The action may be brought in the county in which the child resides or where the defendant resides.
- (2) At the time of initial establishment of a child support order, whether temporary or permanent, or in any proceeding to modify a support order, the child support guidelines in KRS 403.212 shall serve as a rebuttable presumption for the establishment or modification of the amount of child support. Courts may deviate from the guidelines where their application would be unjust or inappropriate. Any deviation shall be accompanied by a written finding or specific finding on the record by the court, specifying the reason for the deviation.
- (3) A written finding or specific finding on the record that the application of the guidelines would be unjust or inappropriate in a particular case shall be sufficient to rebut the presumption and allow for an appropriate adjustment of the guideline award if based upon one (1) or more of the following criteria:
  - (a) A child's extraordinary medical or dental needs;
  - (b) A child's extraordinary educational, job training, or special needs;
  - (c) Either parent's own extraordinary needs, such as medical expenses;
  - (d) The independent financial resources, if any, of the child or children;
  - (e) Combined monthly adjusted parental gross income in excess of the Kentucky child support guidelines;
  - (f) The parents of the child, having demonstrated knowledge of the amount of child support established by the Kentucky child support guidelines, have agreed to child support different from the guideline amount. However, no such agreement shall be the basis of any deviation if public assistance is being paid on behalf of a child under the provisions of Part D of Title IV of the Federal Social Security Act; and
  - (g) Any similar factor of an extraordinary nature specifically identified by the court which would make application of the guidelines inappropriate.
- (4) "Extraordinary" as used in this section shall be determined by the court in its discretion.
- (5) When a party has defaulted or the court is otherwise presented with insufficient evidence to determine gross income, the court shall order child support based upon the needs of the child or the previous standard of living of the child, whichever is greater. An order entered by default or due to insufficient evidence to determine gross income may be modified upward and arrearages awarded from the date of the original order if evidence of gross income is presented within two (2) years which would have established a higher amount of child support pursuant to the child support guidelines set forth in KRS 403.212.
- (6) The court shall allocate between the parents, in proportion to their combined monthly adjusted parental gross income, reasonable and necessary child care costs incurred due to employment, job search, or education leading to employment, in addition to the amount ordered under the child support guidelines.
- (7)
  - (a) Pursuant to 45 C.F.R. sec. 303.31(a)(2), for the purposes of this section, "health care coverage" includes fee for service, health maintenance organization, preferred provider organization, and other types of private health insurance and public health care coverage under which medical services could be provided to a dependent child. If health care coverage is reasonable in cost and accessible to either parent at the time the request for coverage is made, the court shall order the parent to obtain or maintain coverage, and the court shall allocate between the parents, in proportion to their combined monthly adjusted parental gross income, the cost of health care coverage for the child, in addition to the support ordered under the child support guidelines.
  - (b) A parent, who has one hundred percent (100%) of the combined monthly adjusted parental gross income, shall be entitled to a reduction in gross income of the entire amount of premiums incurred and paid.

- (c) The court shall order the cost of health care coverage of the child to be paid by either or both parents of the child regardless of who has physical custody. The court order shall include:
1. A judicial directive designating which parent shall have financial responsibility for providing health care coverage for the dependent child, which shall include but not be limited to health care coverage, payments of necessary health care deductibles or copayments;
  2. If appropriate, cash medical support. "Cash medical support" means an amount to be paid toward the cost of health care coverage, fixed payments for ongoing medical costs, extraordinary medical expenses, or any combination thereof; and
  3. A statement providing that if the designated parent's health care coverage provides for covered services for dependent children beyond the age of majority, then any unmarried children up to twenty-five (25) years of age who are full-time students enrolled in and attending an accredited educational institution and who are primarily dependent on the insured parent for maintenance and support shall be covered.
- (d) If health care coverage is not reasonable in cost and accessible at the time the request for the coverage is made, the court order shall provide for cash medical support until health care coverage becomes reasonable in cost and accessible.
- (8) (a) For purposes of this section, "reasonable in cost" means that the cost of coverage to the responsible parent does not exceed five percent (5%) of his or her gross income. The five percent (5%) standard shall apply to the cost of adding the child to an existing policy, the difference in the cost between a single and a family policy, or the cost of acquiring a separate policy to cover the child. If the parties agree or the court finds good cause exists, the court may order health care coverage in excess of five percent (5%) of the parent's gross income.
- (b) For purposes of this section, "accessible" means that there are providers who meet the health care needs of the child and who are located no more than sixty (60) minutes or sixty (60) miles from the child's primary residence, except that nothing shall prohibit use of a provider located more than sixty (60) minutes or sixty (60) miles from the child's primary residence.
- (9) The cost of extraordinary medical expenses shall be allocated between the parties in proportion to their combined monthly adjusted parental gross incomes. "Extraordinary medical expenses" means uninsured expenses in excess of **two hundred fifty dollars (\$250)**~~one hundred dollars (\$100)~~ per child per calendar year. "Extraordinary medical expenses" includes but is not limited to the costs that are reasonably necessary for medical, surgical, dental, orthodontal, optometric, nursing, and hospital services; for professional counseling or psychiatric therapy for diagnosed medical disorders; and for drugs and medical supplies, appliances, laboratory, diagnostic, and therapeutic services.
- (10) The court order shall include the Social Security numbers, provided in accordance with KRS 403.135, of all parties subject to a support order.
- (11) In any case administered by the Cabinet for Health and Family Services, if the parent ordered to provide health care coverage is enrolled through an insurer but fails to enroll the child under family coverage, the other parent or the Cabinet for Health and Family Services may, upon application, enroll the child.
- (12) In any case administered by the cabinet, information received or transmitted shall not be published or be open for public inspection, including reasonable evidence of domestic violence or child abuse if the disclosure of the information could be harmful to the custodial parent or the child of the parent. Necessary information and records may be furnished as specified by KRS 205.175.
- (13) In the case in which a parent is obligated to provide health care coverage, and changes employment, and the new employer provides health care coverage, the Cabinet for Health and Family Services shall transfer notice of the provision for coverage for the child to the employer, which shall operate to enroll this child in the obligated parent's health plan, unless the obligated parent contests the notice as specified by KRS Chapter 13B.
- (14) Notwithstanding any other provision of this section, any wage or income shall not be exempt from attachment or assignment for the payment of current child support or owed or to-be-owed child support.
- (15) A payment of money received by a child as a result of a parental disability shall be credited against the child support obligation of the parent. A payment shall not be counted as income to either parent when calculating a child support obligation. An amount received in excess of the child support obligation shall be credited against

a child support arrearage owed by the parent that accrued subsequent to the date of the parental disability, but shall not be applied to an arrearage that accrued prior to the date of disability. The date of disability shall be as determined by the paying agency.

➔Section 2. KRS 403.212 is amended to read as follows:

- (1) The following provisions and child support table shall be the child support guidelines established for the Commonwealth of Kentucky.
- (2) For the purposes of the child support guidelines:
  - (a) "Income" means actual gross income of the parent if employed to full capacity or potential income if unemployed or underemployed;~~;~~
  - (b) "Gross income" includes income from any source, except as excluded in this subsection, and includes but is not limited to income from salaries, wages, retirement and pension funds, commissions, bonuses, dividends, severance pay, pensions, interest, trust income, annuities, capital gains, Social Security benefits, workers' compensation benefits, unemployment insurance benefits, disability insurance benefits, Supplemental Security Income (SSI), gifts, prizes, and alimony or maintenance received. Specifically excluded are benefits received from means-tested public assistance programs, including but not limited to public assistance as defined under Title IV-A of the Federal Social Security Act, and food stamps;~~;~~
  - (c) For income from self-employment, rent, royalties, proprietorship of a business, or joint ownership of a partnership or closely held corporation, "gross income" means gross receipts minus ordinary and necessary expenses required for self-employment or business operation. Straight-line depreciation, using Internal Revenue Service (IRS) guidelines, shall be the only allowable method of calculating depreciation expense in determining gross income. Specifically excluded from ordinary and necessary expenses for purposes of this guideline shall be investment tax credits or any other business expenses inappropriate for determining gross income for purposes of calculating child support. Income and expenses from self-employment or operation of a business shall be carefully reviewed to determine an appropriate level of gross income available to the parent to satisfy a child support obligation. In most cases, this amount will differ from a determination of business income for tax purposes. Expense reimbursement or in-kind payments received by a parent in the course of employment, self-employment, or operation of a business or personal use of business property or payments of expenses by a business, shall be counted as income if they are significant and reduce personal living expenses such as a company or business car, free housing, reimbursed meals, or club dues;~~;~~
  - (d) *"Self-support reserve" means a low-income adjustment amount to the obligated parent of nine hundred fifteen dollars (\$915) per month that considers the subsistence needs of the parent with a limited ability to pay in accordance with 45 C.F.R. sec. 302.56(c)(1)(ii), and as applied under subsection (3) of this section;*
  - ~~(e)(4)~~
    1. *If there is a finding that a parent is voluntarily unemployed or underemployed, child support shall be calculated based on a determination of potential income, except that a **finding of voluntary unemployment or underemployment and a** determination of potential income shall not be made for a parent who is incarcerated, physically or mentally incapacitated, or is caring for a very young child, age three (3) or younger, for whom the parents owe a joint legal responsibility;*
    2. *A court may find a parent is voluntarily unemployed or underemployed without finding that the parent intended to avoid or reduce the child support obligation; and*
    3. *Imputation of potential income, when applicable, shall include consideration of the following circumstances of the parents, to the extent known:*
      - a. *Assets and residence;*
      - b. *Employment, earning history, and job skills;*
      - c. *Educational level, literacy, age, health, and criminal record that could impair the ability to gain or continue employment;*
      - d. *Record of seeking work;*

- e. *Local labor market, including availability of employment for which the parent may be qualified and employable;*
- f. *Prevailing earnings in the local labor market; and*
- g. *Other relevant background factors, including employment barriers;* ~~[- Potential income shall be determined based upon employment potential and probable earnings level based on the obligor's or obligee's recent work history, occupational qualifications, and prevailing job opportunities and earnings levels in the community. A court may find a parent to be voluntarily unemployed or underemployed without finding that the parent intended to avoid or reduce the child support obligation.]~~

~~(f)(e)~~ "Imputed child support obligation" means the amount of child support the parent would be required to pay from application of the child support guidelines; ~~[-]~~

~~(g)(f)~~ Income statements of the parents shall be verified by documentation of both current and past income. Suitable documentation shall include, but shall not be limited to, income tax returns, paystubs, employer statements, or receipts and expenses if self-employed; ~~[-]~~

~~(h)(g)~~ "Combined monthly adjusted parental gross income" means the combined monthly gross incomes of both parents, less any of the following payments made by the parent:

1. The amount of pre-existing orders for current maintenance for prior spouses to the extent payment is actually made and the amount of current maintenance, if any, ordered paid in the proceeding before the court;
2. The amount of pre-existing orders of current child support for prior-born children to the extent payment is actually made under those orders; and
3. A deduction for the support to the extent payment is made, if a parent is legally responsible for and is actually providing support for other prior-born children who are not the subject of a particular proceeding. If the prior-born children reside with that parent, an "imputed child support obligation" shall be allowed in the amount which would result from application of the guidelines for the support of the prior-born children; ~~and~~ ~~[-]~~

~~(i)(h)~~ "Split custody arrangement" means a situation where each parent is the residential custodian for one (1) or more children for whom the parents share a joint legal responsibility.

(3) (a) *Except as provided in paragraph (b) of this subsection*, the child support obligation set forth in the child support guidelines table shall be divided between the parents in proportion to their combined monthly adjusted parental gross income.

(b) *If the monthly adjusted gross income of the obligated parent and the number of children for whom support is being determined fall within the following defined areas, which represent the self-support reserve, the basic child support obligation shall be calculated by using the monthly adjusted gross income of the obligated parent only to provide the obligated parent with the self-support reserve:*

1. *Equal to or less than one thousand one hundred dollars (\$1,100) with one (1) or more children;*
2. *Equal to or less than one thousand three hundred dollars (\$1,300) with two (2) or more children;*
3. *Equal to or less than one thousand four hundred dollars (\$1,400) with three (3) or more children;*
4. *Equal to or less than one thousand five hundred dollars (\$1,500) with four (4) or more children; or*
5. *Equal to or less than one thousand six hundred dollars (\$1,600) with six (6) or more children.*

(4) The child support obligation shall be the appropriate amount for the number of children in the table for whom the parents share a joint legal responsibility. The minimum amount of child support shall be sixty dollars (\$60) per month.

(5) The court may use its judicial discretion in determining child support in circumstances where combined adjusted parental gross income exceeds the uppermost levels of the guideline table.

- (6) The child support obligation in a split custody arrangement shall be calculated in the following manner:
  - (a) Two (2) separate child support obligation worksheets shall be prepared, one (1) for each household, using the number of children born of the relationship in each separate household, rather than the total number of children born of the relationship.
  - (b) The ~~parent~~~~[nonresidential custodian]~~ with the greater monthly obligation amount shall pay the difference between the obligation amounts, as determined by the worksheets, to the other parent.
- (7) The child support guidelines table is as follows:

➔SECTION 3. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

- (1) *Except as provided in subsection (4) of this section or otherwise provided in this chapter, the child support obligation determined under Section 2 of this Act shall be subject to further adjustment as follows:*
- (a) *If the parents share equal parenting time, the child support obligation determined under Section 2 of this Act shall be divided between the parents in proportion to their combined monthly adjusted parental gross income, and the parent with the greater proportional child support obligation shall pay the parent with the lesser proportional obligation the difference in the value of each parent's proportional obligation; and*
  - (b) *If the parents share unequal parenting time under either a court-ordered time-sharing schedule or a time-sharing schedule exercised by agreement of the parties, the court shall:*

1. *Calculate the child support obligation set forth in the child support guidelines table in accordance with Section 2 of this Act;*
  2. *Determine the percentage of overnight stays the child spends with each parent on an annual basis based upon the time-sharing order or agreement;*
  3. *Multiply each parent's support obligation as calculated under Section 2 of this Act by the percentage of the other parent's overnight stays as calculated in subparagraph 2. of this paragraph;*
  4. *Set the difference between the amounts calculated in subparagraph 3. of this paragraph as the monetary transfer or credit necessary between the parents for the care of the child; and*
  5. *Use its discretion in adjusting each parent's child support obligation under this paragraph in accordance with the factors under Section 2 of this Act, and the following:*
    - a. *The obligated parent's low income and ability to maintain the basic necessities of the home for the child;*
    - b. *The likelihood that either parent will actually exercise the time-sharing schedule set forth in the court-ordered time-sharing schedule or time-sharing agreement between the parents;*
    - c. *Whether all of the children are exercising the same time-sharing schedule; and*
    - d. *Whether the time-sharing plan results in fewer overnights due to a significant geographical distance between the parties that may affect the child support obligation.*
- (2) *As used in this section, unless the context requires otherwise, an "overnight stay" shall include the costs associated with feeding and transporting the child, entertainment, attending to school work, athletic events, extracurricular activities, or other expenses that transfer with the child as they move from one parent to the other. Merely providing a child with a place to sleep in order to obtain an adjustment in a child support obligation shall not constitute an overnight stay under this section.*
- (3) *The child support calculations required under this section shall be on a worksheet prescribed by the Cabinet for Health and Family Services in administrative regulations promulgated under KRS Chapter 13A.*
- (4) *This section shall not apply if the child or children subject to the child support award receive public assistance, including KCHIP, K-TAP, food stamps, or Medicaid.*

➔Section 4. KRS 406.031 is amended to read as follows:

- (1) The determination of paternity under the provisions of KRS 406.021(1) shall be commenced within eighteen (18) years after the birth, miscarriage or stillbirth of a child. However, in such cases, liability for child support shall not predate the initiation of action taken to determine paternity as set forth in KRS 406.021 if the action is taken ~~two (2)~~~~four (4)~~ years or more from the date of birth.
- (2) Any person for whom paternity has not yet been established and who had not reached eighteen (18) years of age as of August 16, 1984, including those persons for whom a paternity action was brought but dismissed because a statute of limitations of less than eighteen (18) years was then in effect, may bring an action to establish paternity.

➔Section 5. KRS 620.090 is amended to read as follows:

- (1) If, after completion of the temporary removal hearing, the court finds there are reasonable grounds to believe the child is dependent, neglected or abused, the court shall issue an order for temporary removal and shall grant temporary custody to the cabinet or other appropriate person or agency. Preference shall be given to available and qualified relatives of the child considering the wishes of the parent or other person exercising custodial control or supervision, if known. The order shall state the specific reasons for removal and show that alternative less restrictive placements and services have been considered. The court may recommend a placement for the child.
- (2) In placing a child under an order of temporary custody, the cabinet or its designee shall use the least restrictive appropriate placement available. Preference shall be given to available and qualified relatives of the child considering the wishes of the parent or other person exercising custodial control or supervision, if known. The child may also be placed in a facility or program operated or approved by the cabinet, including a foster home,

or any other appropriate available placement. However, under no circumstance shall the child be placed in a home, facility, or other shelter with a child who has been committed to the Department of Juvenile Justice for commission of a sex crime as that term is defined in KRS 17.500, unless the child committed for the commission of a sex crime is kept segregated from other children in the home, facility, or other shelter that have not been committed for the commission of a sex crime.

- (3) If the court finds there are not reasonable grounds to believe the child is dependent, neglected or abused, or if no action is taken within seventy-two (72) hours, the emergency custody order shall be dissolved automatically and the cabinet or its designee shall return the child to the parent or other person exercising custodial control or supervision. A request for a continuance of the hearing by the parent or other person exercising custodial control or supervision shall constitute action precluding automatic dissolution of the emergency custody order.
- (4) ***When the court issues a temporary order for the custody of a child, the order shall initiate an action to establish child support in accordance with Section 1 of this Act. The court shall establish a child support order, or modify an existing order, within seven (7) days of the issuance of the order of temporary removal.***
- (5) When the court issues a temporary order for the custody of a child, the court may order that, within two (2) weeks, arrangements be made for the child to receive a thorough medical, visual, and dental examination by a professional authorized by the Kentucky Revised Statutes to conduct such examinations. The costs of the examination shall be paid by the cabinet.
- ~~(6)(5)~~ The child shall remain in temporary custody with the cabinet for a period of time not to exceed forty-five (45) days from the date of the removal from his home. The court shall conduct the adjudicatory hearing and shall make a final disposition within forty-five (45) days of the removal of the child. The court may extend such time after making written findings establishing the need for the extension and after finding that the extension is in the child's best interest.
- ~~(7)(6)~~ If custody is granted to a grandparent of the child pursuant to this section, the court shall consider granting reasonable visitation rights to any other grandparent of the child if the court determines the grandparent has a significant and viable relationship with the child as established in KRS 405.021(1)(c).

➔Section 6. KRS 403.160 is amended to read as follows:

- (1) In a proceeding for dissolution of marriage or for legal separation, or in a proceeding for disposition of property or for maintenance or support following dissolution of the marriage by a court which lacked personal jurisdiction over the absent spouse, either party may move for temporary maintenance. The motion shall be accompanied by an affidavit setting forth the factual basis for the motion and the amounts requested.
- (2) (a) In a proceeding for dissolution of marriage, legal separation, or child support, either party, with notice to the opposing party, may move for temporary child support. The motion shall be accompanied by an affidavit setting forth the number of children of the marriage and the information required to calculate the combined adjusted parental gross income set forth in KRS 403.212(2)(~~h~~)(~~g~~), and the Social Security numbers, provided in accordance with KRS 403.135, of all parties subject to the motion. The court shall, within fourteen (14) days from the filing of said motion, order an amount of temporary child support based upon the child support guidelines as provided by law, and the ordered child support shall be retroactive to the date of the filing of the motion unless otherwise ordered by the court.
- (b) Upon a showing of good cause, either party may move the court to enter an order for temporary child support without written or oral notice to the adverse party. After reviewing the affidavit required by paragraph (a) of this subsection, the court may issue a temporary child support order based upon the child support guidelines. The order shall provide that the order becomes effective seven (7) days following service of the order and movant's affidavit upon the adverse party unless the adverse party, within the seven (7) day period, files a motion for a hearing before the court. The motion for hearing shall be accompanied by the affidavit required by paragraph (a) of this subsection. Pending the hearing, the adverse party shall pay child support in an amount based upon the guidelines and the adverse party's affidavit. The child support order entered following the hearing shall be retroactive to the date of the filing of the motion for temporary support unless otherwise ordered by the court.
- (3) As part of a motion for temporary maintenance or support or by independent motion accompanied by affidavit, either party may request the court to issue a temporary injunction or restraining order pursuant to the Rules of Civil Procedure.
- (4) If the court or agent of the court is made aware that there is reasonable evidence of domestic violence or child abuse, the court shall determine whether disclosure to any other person of the information could be harmful to

the parent or child, and if the court determines that disclosure to any person could be harmful, the court and its agents shall not make the disclosure.

- (5) On the basis of the showing made and in conformity with KRS 403.200, the court may issue a temporary injunction or restraining order and an order for temporary maintenance in amounts and on terms just and proper in the circumstances.
- (6) A temporary order or temporary injunction:
  - (a) Does not prejudice the rights of the parties or the child which are to be adjudicated at subsequent hearings in the proceeding;
  - (b) May be revoked or modified before final decree on a showing of the facts necessary to revocation or modification under the circumstances; and
  - (c) Terminates when the final decree is entered or when the petition for dissolution or legal separation is voluntarily dismissed.

➔Section 7. KRS 620.230 is amended to read as follows:

Notwithstanding the provisions of KRS 620.090(6)(5), if a child remains in the temporary custody of the cabinet for longer than forty-five (45) days and if a request is submitted by the Administrative Office of the Courts Citizen Foster Care Review Board Program, the cabinet shall provide a copy of the case permanency plan for the child.

    3. Medical needs;
    4. Emotional needs;
    5. Relationship with parents; and
    6. Number of children the home is authorized to care for and the number of children currently residing in the home;
  - (h) If the placement is outside the child's original county of residence, documentation that no closer placement is appropriate or available, and the reasons why the placement made was chosen;
  - (i) A description of the services for the child and his family to be provided or arranged by the cabinet to facilitate the return of the child to his own home or to another permanent placement;

- (j) A list of objectives and specific tasks, together with specific time frames for each task, for which the parents have agreed to assume responsibility, including a schedule of regular visits with the child;

  - (a) A program to increase inpatient reimbursement to qualifying hospitals within the Medicaid fee-for-service program in an aggregate amount equivalent to the UPL gap; and
  - (b) A program to increase inpatient reimbursement to qualifying hospitals within the Medicaid managed care program in an aggregate amount equivalent to the managed care gap.
- (2) On an annual basis prior to the start of each program year, the department shall determine:
  - (a) The maximum allowable UPL for inpatient services provided in the Kentucky Medicaid fee-for-service program;
  - (b) The fee-for-service UPL gap for applicable ownership groups;
  - (c) A per discharge uniform add-on amount to be applied to Medicaid fee-for-service discharges at qualifying hospitals for that program year, determined by dividing the UPL gap for the applicable ownership group by total fee-for-service hospital inpatient discharges at qualifying hospitals in the data used to calculate the UPL gap. Claims for discharges that already receive an enhanced rate at qualifying hospitals that also are classified as a pediatric teaching hospital or as a psychiatric access hospital shall be excluded from the calculation of the per discharge uniform add-on, unless the department is required to include these claims to obtain federal approval;
  - (d) The maximum managed care gap for inpatient services; and
  - (e) A per discharge uniform add-on amount to be applied to Medicaid managed care discharges at qualifying hospitals for that program year in an amount that is calculated by dividing the managed care gap by total managed care in-state qualifying hospital inpatient discharges in the data used to calculate the managed care gap. Claims for discharges that already receive an enhanced rate at qualifying hospitals that also are classified as a pediatric teaching hospital or as a psychiatric access hospital shall be excluded from the calculation of the per discharge uniform add-on, unless the department is required to include these claims to obtain federal approval.

At least thirty (30) days prior to the beginning of each program year, the department shall provide each qualifying hospital the opportunity to verify the base data to be utilized in both the fee-for-service and managed care gap calculations, with data sources and methodologies identified.

- (3) On a quarterly basis in the program year, the department shall:
  - (a) Calculate a fee-for-service quarterly supplemental payment for each qualifying hospital using fee-for-service claims for inpatient discharges paid in the quarter to the qualifying hospital multiplied by the uniform add-on amount determined in subsection (2)(c) of this section;
  - (b) Calculate a managed care quarterly supplemental payment for each qualifying hospital to be paid by each managed care organization using managed care encounter claims for inpatient discharges received in the quarter multiplied by the uniform add-on amount determined in subsection (2)(e) of this section;
  - (c) Make the quarterly supplemental payment calculated under paragraph (a) of this subsection;
  - (d) Provide each managed care organization with a listing of the supplemental payments to be paid by each managed care organization to each qualifying hospital;
  - (e) Provide each managed care organization with a supplemental capitation payment to cover the managed care organization's quarterly supplemental payments to be paid to qualifying hospitals in the quarter;
  - (f) Determine the amount of state funds necessary to obtain federal matching funds that, in the aggregate, equal the total quarterly supplemental payments to be paid to all qualifying hospitals in both the fee-for-service and the Medicaid managed care programs;
  - (g) Determine a per discharge hospital assessment for the quarter for each qualifying hospital, which shall be calculated by first applying towards the state share calculated under paragraph (f) of this subsection the qualifying hospital disproportionate share percentage of the excess disproportionate share taxes and then dividing the remaining state share by the total discharges reported by all in-state qualifying

- hospitals on the Medicare cost report filed by those qualifying hospitals in the calendar year two (2) years prior to the program year;
- (h) Determine each qualifying hospital's quarterly assessment by multiplying the assessment established in paragraph (g) of this subsection by the hospital's total discharges from the qualifying hospital's Medicare cost report filed in the calendar year two (2) years prior to the program year; and
  - (i) Provide each qualifying hospital with a notice sent on the same day as the distribution to managed care organizations of the supplemental capitation payments pursuant to paragraph (e) of this subsection, of the qualifying hospital's quarterly assessment, that shall state the total amount due from the assessment, the date payment is due, the total number of paid claims for inpatient discharges used to calculate the qualifying hospital's quarterly supplemental payments, and the amount of quarterly supplemental payments due to be received by the qualifying hospital from the department and each Medicaid managed care organization.
- (4) In calculating the quarterly supplemental payments under subsection (3)(a) and (b) of this section for qualifying hospitals that are also classified as a pediatric teaching hospital or as a psychiatric access hospital, no add-on shall be applied to the paid claims for the services for which that hospital also receives supplemental payments pursuant to state plan methodologies and managed care contracts in effect on January 1, 2019.
  - (5) Each qualifying hospital shall receive four (4) quarterly supplemental payments in the program year, as determined under subsection (3) of this section.
  - (6) Medicaid managed care organizations shall pay the supplemental payments to qualifying hospitals within five (5) business days of receiving the supplemental capitation payment from the department.
  - (7) A qualifying hospital shall pay its quarterly assessment no later than fifteen (15) days from the date the qualifying hospital is notified of the assessment from the department. A non-state government-owned hospital may make payment of its assessment through an intergovernmental transfer. The department may delay or withhold a portion of the supplemental payment if a hospital is delinquent in its payment of a quarterly assessment.
  - (8) The department shall complete the actions required under subsection (3) of this section expeditiously and within the same quarter as all required information is received.
  - (9) Qualifying hospitals may notify the department of errors in the data used to make a quarterly supplemental payment by providing documentation within thirty (30) days of receipt of a quarterly supplemental payment from a Medicaid managed care organization. If the department agrees that an error occurred in a qualifying hospital's quarterly supplemental payment, the department shall reconcile the payment error through an adjustment in the qualifying hospital's next quarterly supplemental payment.
  - (10) The programs in this section shall not be implemented if federal financial participation is not available or if the provider tax waiver is not approved. A qualifying hospital shall have no obligation to pay an assessment if any federal agency determines that federal financial participation is not available for any assessment. Any assessments received by the department that cannot be matched with federal funds shall be returned pro rata to the qualified hospitals that paid the assessments.
  - (11) The department may implement the hospital rate improvement programs only if Medicaid state plan amendments required for federal financial participation are approved by the United States Centers for Medicare and Medicaid Services.
  - (12) The assessment authorized under KRS 205.6405 to 205.6408 shall be restricted for use to accomplish the inpatient reimbursement increases established under this section. The Commonwealth shall not maintain or revert funds received under KRS 205.6405 to 205.6408 to the state general fund, except that the department may receive two hundred fifty thousand dollars (\$250,000) in state funds each program year to administer the programs. The department shall not establish Medicaid fee-for-service rate-setting methodology changes that result in rate reductions from policies in effect as of October 1, 2018, for acute care hospitals and July 1, 2019, for hospitals paid on a per diem basis.
  - (13) The department shall promulgate administrative regulations to implement the provisions of KRS 205.6405 to 205.6408.
  - (14) ***If the department submits, and the United States Centers for Medicare and Medicaid Services (CMS) approves, a supplemental payment formula that permits the managed care gap to be calculated based upon a percentage of average commercial rates (ACR) that results in a total annual supplemental payment***

*greater than eighty percent (80%) of ACR instead of the Medicare upper payment limit, then the hospital rate improvement programs shall be modified as follows:*

- (a) *The amount of funds the department may receive to administer the programs as stated in subsection (12) of this section shall be replaced by an administrative fee that shall be calculated to be an amount equal to four percent (4%) of the assessment collected under this section. The administrative fee payable under this paragraph shall accrue only for supplemental payments attributable to state fiscal year 2021-2022 and for state fiscal years thereafter so long as CMS approves the supplemental payment formula in accordance with this subsection. The administrative fee shall be paid within thirty (30) days after supplemental payments are issued to qualifying hospitals; and*
- (b) *The department shall not be required under KRS 205.6408 to transfer any excess disproportionate share taxes to the hospital Medicaid assessment fund for use as state matching dollars for the payments made under this section.*

→Section 3. Whereas, ensuring necessary funding for hospitals is a compelling and immediate need, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

A deductible, copayment, or coinsurance applicable to a particular service provided through telehealth shall not exceed the deductible, copayment, or coinsurance required by the Medicaid program for the same service provided in person.~~
- ~~(7)~~ Nothing in this section shall be construed to require the Medicaid program or a Medicaid managed care organization to:

  - (b) Reimburse any fees charged by a telehealth facility for transmission of a telehealth encounter.
- ~~(7)(8)~~ The cabinet shall maintain telehealth policies and guidelines to providing care that ensure that Medicaid-eligible citizens will have safe, adequate, and efficient medical care, and that prevent waste, fraud, and abuse of the Medicaid program.

➔Section 12. KRS 376.275 is amended to read as follows:

- (2) (a) The secretary of the Finance and Administration Cabinet, upon the recommendation of the secretary of the Personnel Cabinet, shall procure, in compliance with the provisions of KRS 45A.080, 45A.085, and 45A.090, from one (1) or more insurers authorized to do business in this state, a group health benefit plan that may include but not be limited to health maintenance organization (HMO), preferred provider organization (PPO), point of service (POS), and exclusive provider organization (EPO) benefit plans encompassing all or any class or classes of employees. With the exception of employers governed by the provisions of KRS Chapters 16, 18A, and 151B, all employers of any class of employees or former employees shall enter into a contract with the Personnel Cabinet prior to including that group in the state health insurance group. Health insurance coverage provided to state employees under this section shall, at a minimum, contain the same benefits as provided under Kentucky Kare Standard as of January 1, 1994, and shall include a mail-order drug option as provided in subsection (13) of this section. All employees and other persons for whom the health care coverage is provided or made available shall annually be given an option to elect health care coverage through a self-funded plan offered by the Commonwealth or, if a self-funded plan is not available, from a list of coverage options determined by the competitive bid process under the provisions of KRS 45A.080, 45A.085, and 45A.090 and made available during annual open enrollment.

The Personnel Cabinet shall take strict precautions to protect the confidentiality of each individual employee; however, confidentiality assertions shall not relieve a carrier from the requirement of providing stipulated data to the Commonwealth.
- (e) The Personnel Cabinet shall develop the necessary techniques and capabilities for timely analysis of data received from carriers and, to the extent possible, provide in the request-for-proposal specifics relating to data requirements, electronic reporting, and penalties for noncompliance. - (f) If any agency participating in the state-sponsored employee health insurance program for its active employees terminates participation and there is a state appropriation for the employer's contribution for active employees' health insurance coverage, then neither the agency nor the employees shall receive the state-funded contribution after termination from the state-sponsored employee health insurance program.

For any participating entity that used the state payroll system, the employer contribution amount shall be equal to but not greater than the state contribution rate.
- (3) The premiums may be paid by the policyholder:
  - (a) Wholly from funds contributed by the employee, by payroll deduction or otherwise;
  - (b) Wholly from funds contributed by any department, board, agency, public postsecondary education institution, or branch of state, city, urban-county, charter county, county, or consolidated local government; or
  - (c) Partly from each, except that any premium due for health care coverage or dental coverage, if any, in excess of the premium amount contributed by any department, board, agency, postsecondary education institution, or branch of state, city, urban-county, charter county, county, or consolidated local government for any other health care coverage shall be paid by the employee.
- (4) If an employee moves his or her place of residence or employment out of the service area of an insurer offering a managed health care plan, under which he or she has elected coverage, into either the service area of another managed health care plan or into an area of the Commonwealth not within a managed health care plan service area, the employee shall be given an option, at the time of the move or transfer, to change his or her coverage to another health benefit plan.
- (5) No payment of premium by any department, board, agency, public postsecondary educational institution, or branch of state, city, urban-county, charter county, county, or consolidated local government shall constitute compensation to an insured employee for the purposes of any statute fixing or limiting the compensation of such an employee. Any premium or other expense incurred by any department, board, agency, public postsecondary educational institution, or branch of state, city, urban-county, charter county, county, or consolidated local government shall be considered a proper cost of administration.
- (6) The policy or policies may contain the provisions with respect to the class or classes of employees covered, amounts of insurance or coverage for designated classes or groups of employees, policy options, terms of eligibility, and continuation of insurance or coverage after retirement.
- (7) Group rates under this section shall be made available to the disabled child of an employee regardless of the child's age if the entire premium for the disabled child's coverage is paid by the state employee. A child shall be considered disabled if he or she has been determined to be eligible for federal Social Security disability benefits.
- (8) The health care contract or contracts for employees shall be entered into for a period of not less than one (1) year.
- (9) The secretary shall appoint thirty-two (32) persons to an Advisory Committee of State Health Insurance Subscribers to advise the secretary or the secretary's designee regarding the state-sponsored health insurance program for employees. The advisory committee shall be appointed in January of each year and shall meet quarterly.
- (10) Notwithstanding any other provision of law to the contrary, the policy or policies provided to employees pursuant to this section shall not provide coverage for obtaining or performing an abortion, nor shall any state funds be used for the purpose of obtaining or performing an abortion on behalf of employees or their dependents.
- (11) Interruption of an established treatment regime with maintenance drugs shall be grounds for an insured to appeal a formulary change through the established appeal procedures approved by the Department of

Insurance, if the physician supervising the treatment certifies that the change is not in the best interests of the patient.

- (12) Any employee who is eligible for and elects to participate in the state health insurance program as a retiree, or the spouse or beneficiary of a retiree, under any one (1) of the state-sponsored retirement systems shall not be eligible to receive the state health insurance contribution toward health care coverage as a result of any other employment for which there is a public employer contribution. This does not preclude a retiree and an active employee spouse from using both contributions to the extent needed for purchase of one (1) state sponsored health insurance policy for that plan year.
- (13)
  - (a) The policies of health insurance coverage procured under subsection (2) of this section shall include a mail-order drug option for maintenance drugs for state employees. Maintenance drugs may be dispensed by mail order in accordance with Kentucky law.

- (18) If a state employee's residence and place of employment are each located in counties in which the hospitals do not offer surgical services, intensive care services, obstetrical services, level II neonatal services, diagnostic cardiac catheterization services, and magnetic resonance imaging services, the employee may select a plan available in a county contiguous to the county of residence that does provide those services, and the state contribution for the plan shall be the amount available in the county where the plan selected is located.
- (19) The Personnel Cabinet is encouraged to study whether it is fair and reasonable and in the best interests of the state group to allow any carrier bidding to offer health care coverage under this section to submit bids that may vary county by county or by larger geographic areas.

with this subsection to be in the best interests of state employees in a region, the cabinet may award the contract for that region to no more than two (2) carriers; and

- (e) Nothing in this subsection shall prohibit the Personnel Cabinet from including other requirements or criteria in the request for proposal.

  - (c)
    1. Upon and after July 15, 1992, records confidentially disclosed to an agency or required by an agency to be disclosed to it, generally recognized as confidential or proprietary, which if openly disclosed would permit an unfair commercial advantage to competitors of the entity that disclosed the records;

## CHAPTER 79

( SB 129 )

AN ACT relating to education.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 158.6455 is amended to read as follows:

It is the intent of the General Assembly that schools succeed with all students and receive the appropriate consequences in proportion to that success.

- (1) (a) The Kentucky Board of Education shall create an accountability system to classify districts and schools in accordance with the academic standards and student assessment program developed pursuant to KRS 158.6453.
- (b) The accountability system shall include an annual meaningful differentiation of all public schools in the state using multiple measures that describe the overall performance of each district, school, and student subgroup. Performance shall be based on a combination of academic and school quality indicators and measures, hereinafter called "state indicators." The state indicators shall exclusively include:
  1. Student assessment results;
  2. Progress toward achieving English proficiency by limited English proficiency students;

3. Quality of school climate and safety;
  4. High school graduation rates;
  5. Postsecondary readiness for each high school student, which shall be included as an academic indicator, and shall be measured by:
    - a. Meeting or exceeding a college readiness benchmark score on the college admissions examination used as the statewide assessment in KRS 158.6453(5)(b)5. or a college placement examination approved by the Council on Postsecondary Education. The college readiness benchmark score shall be established by the Council on Postsecondary Education; or
    - b. Achievement of college credit, postsecondary articulated credit, apprenticeship time toward a credential or associate degree, or any industry-recognized certifications, licensures, or credentials, with more weight in accountability for industry-recognized certifications, licensures, or credentials identified as high demand in accordance with the process described in paragraph (e) of this subsection. Eligible industry-recognized certifications, licensures, or credentials shall not be limited to those earned in conjunction with a minimum sequence of courses. Each high school shall publicly report the credits, hours, and credentials on an annual basis; and
  6. Any other factor mandated by the federal Every Student Succeeds Act of 2015, Pub. L. No. 114-95, or its successor.
- (c)
1. Beginning with data from the 2020-2021 and 2021-2022 school years, the accountability system performance for each district, school, and student subgroup determined by the state indicators shall be based on a combination of annual performance, hereinafter called "status," and improvement over time, hereinafter called "change."
  2. Status and change shall receive equal weight in determining overall performance. For all students as a group and separately for individual subgroups, status shall be determined, beginning with the data from the 2020-2021 academic year, by using the current year performance and change shall be determined, beginning with the data from the 2021-2022 academic year, by using the difference in performance from the prior to current year, except change shall be based on the difference in performance for the prior three (3) years for the purpose of determining the lowest-performing five percent (5%) of schools under KRS 160.346(2) and (3).
  3. For each state indicator, there shall be five (5) status levels ranging from very high to very low and five (5) change levels ranging from increased significantly to declined significantly.
  4. The percentile cut scores for status and change levels shall be based on distribution and shall be approved by the Kentucky Department of Education and the Local Superintendents Advisory Council. The cut scores shall remain in place for at least six (6) years unless existing cut scores no longer support meaningful differentiation of schools as required by the federal Every Student Succeeds Act of 2015, Pub. L. No. 114-95, or its successor.
- (d)
- Beginning in the fall of 2022, the Kentucky Department of Education shall develop an online display of the accountability system results hereinafter called a "dashboard." A color-coded performance level for each state indicator shall be displayed in a straightforward manner on the dashboard for overall performance, status, and change by district, school, and individual subgroups. Overall performance shall aggregate all available data for the state indicators.
- (e)
- Based on data from the Kentucky Center for Education and Workforce Statistics, each local workforce investment board, in conjunction with local economic development organizations from its state regional sector, shall annually compile a list of industry-recognized certifications, licensures, and credentials specific to the state and regional workforce area, rank them by demand for the state and regional area, and provide the list to the Kentucky Workforce Innovation Board. The Kentucky Workforce Innovation Board, in conjunction with the Kentucky Department of Education, may revise the lists before the Kentucky Department of Education disseminates the lists to all school districts to be used as postsecondary readiness indicators.
- (f)
1. The Kentucky Department of Education shall pay for the cost of an assessment taken by a high school student for attaining an industry-recognized certification, credential, or licensure if the

student consecutively completes at least two (2) related career pathway courses approved by the department prior to taking the assessment.

2. If a high school student has not completed the two (2) course requirement described in subparagraph 1. of this paragraph but meets performance-based experience eligibility and passes an assessment, the department shall provide a weighted reimbursement amount to the school district for the cost of the assessment based on the level of demand of the certificate, credential, or license earned. The Kentucky Board of Education shall promulgate regulations establishing the performance-based experience eligibility requirements and weighted reimbursement amounts.
    - (g) Prior to promulgating administrative regulations to revise the accountability system, the board shall seek advice from the School Curriculum, Assessment, and Accountability Council; the Office of Education Accountability; the Education Assessment and Accountability Review Subcommittee; and the *department's technical advisory committee* ~~[National Technical Advisory Panel on Assessment and Accountability]~~.
- (2) A student's test scores shall be counted in the accountability measure of:
    - (a) 1. The school in which the student is currently enrolled if the student has been enrolled in that school for at least a full academic year as defined by the Kentucky Board of Education; or
      2. The school in which the student was previously enrolled if the student was enrolled in that school for at least a full academic year as defined by the Kentucky Board of Education; and
    - (b) The school district if the student is enrolled in the district for at least a full academic year as defined by the Kentucky Board of Education; and
    - (c) The state if the student is enrolled in a Kentucky public school prior to the beginning of the statewide testing period.
  - (3) After receiving the advice of the Office of Education Accountability; the School Curriculum, Assessment, and Accountability Council; and the *department's technical advisory committee* ~~[National Technical Advisory Panel on Assessment and Accountability]~~, the Kentucky Board of Education shall promulgate an administrative regulation in conformity with KRS 158.6471 and 158.6472 and KRS Chapter 13A to establish more rigorous action, intervention, and appropriate consequences for schools that fail to exit comprehensive support and improvement status described in KRS 160.346. The consequences shall be designed to improve the academic performance and learning environment of identified schools and may include but not be limited to:
    - (a) A review and audit process to determine the appropriateness of a school's or district's classification and to recommend needed assistance;
    - (b) School and district improvement plans;
    - (c) Eligibility to receive Commonwealth school improvement funds under KRS 158.805;
    - (d) Education assistance from highly skilled certified staff; and
    - (e) Observation of school personnel.
  - (4) All students who drop out of school during a school year shall be included in a school's annual average school graduation rate calculation.
  - (5) After receiving the advice of the Education Assessment and Accountability Review Subcommittee, the Office of Education Accountability; the School Curriculum, Assessment, and Accountability Council; and the *department's technical advisory committee* ~~[National Technical Advisory Panel on Assessment and Accountability]~~, the Kentucky Board of Education may promulgate by administrative regulation, in conformity with KRS 158.6471 and 158.6472 and KRS Chapter 13A, a system of district accountability that includes establishing a formula for accountability, goals for improvement over a three (3) year period, rewards for leadership in improving teaching and learning in the district, and consequences that address the problems and provide assistance when one (1) or more schools in the district fail to exit comprehensive support and improvement status after three (3) consecutive years of implementing the turnaround intervention process described in KRS 160.346.
  - (6) After receiving the advice of the Office of Education Accountability; the School Curriculum, Assessment, and Accountability Council; and the *department's technical advisory committee* ~~[National Technical Advisory Panel on Assessment and Accountability]~~,

~~Panel on Assessment and Accountability~~, the Kentucky Board of Education shall promulgate administrative regulations in conformity with KRS 158.6471 and 158.6472 and KRS Chapter 13A to establish a process whereby a school or school district shall be allowed to appeal any performance judgment made by the department under this section or KRS 160.346 of a principal, superintendent, school, or school district which it considers grossly unfair. Upon appeal, an administrative hearing shall be conducted in accordance with KRS Chapter 13B. The state board may adjust a performance judgment on appeal when evidence of unusual circumstances warrants the conclusion that the performance judgment is based on fraud or a mistake in computations, is arbitrary, is lacking any reasonable basis, or when there are significant new circumstances occurring during the three (3) year assessment period which are beyond the control of the appellant school or school district.

(7) *Advice and recommendations provided by the department's technical advisory committee shall be summarized and reported by the department by July 1 and December 1 of each year to the Office of Education Accountability. The report shall include:*

(a) *Advice and recommendations provided by panel members relating to:*

1. *Development and modification to the assessment and accountability system;*

## CHAPTER 83

## ( HB 8 )

AN ACT relating to the Kentucky Employees Retirement System's employers, declaring an emergency, and making an appropriation therefor.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

→Section 1. KRS 61.565 (Effective April 1, 2021) is amended to read as follows:

- (1) (a) Each employer participating in the State Police Retirement System as provided for in KRS 16.505 to 16.652 and the Kentucky Employees Retirement System as provided for in KRS 61.510 to 61.705 shall contribute annually to the respective retirement system an amount determined by the actuarial valuation completed in accordance with KRS 61.670 and as specified by this section. Employer contributions for each respective retirement system shall be equal to the sum of the "normal cost contribution" and the "actuarially accrued liability contribution."
- (b) For purposes of this section, the normal cost contribution shall be computed as a percentage of pay and shall be an annual amount that is sufficient when combined with employee contributions to fund benefits earned during the year in the respective system. The amount shall be:
  1. Paid as a percentage of creditable compensation reported for each employee participating in the system and accruing benefits; and
  2. The same percentage of pay for all employees who are participating in the same retirement system, except that separate percentage rates shall be developed in each system for those employers whose employees are participating in hazardous duty retirement coverage as provided by KRS 61.592.
- (c) For purposes of this section, the actuarially accrued liability contribution *for all employers, except for contributions paid by nonhazardous employers in the Kentucky Employees Retirement System on or after July 1, 2021*, shall be:
  1. Computed by amortizing the total unfunded actuarially accrued liability of each system over a closed period of thirty (30) years beginning with the 2019 actuarial valuation using the level percentage of payroll amortization method, except that any increase or decrease in the unfunded actuarially accrued liability occurring after the completion of the 2019 actuarial valuation shall be amortized over a closed period of twenty (20) years beginning with the actuarial valuation in which the increase or decrease in the unfunded actuarially accrued liability is recognized. An increase or decrease in the unfunded actuarially accrued liability may result from, but not be limited to, legislative changes to benefits, changes in actuarial methods or assumptions, or actuarial gains or losses;
  2. Paid as a percentage of payroll on the creditable compensation reported for each employee participating in the system and accruing benefits; and
  3. The same percentage of pay for all employees who are participating in the same retirement system, except that separate percentage rates shall be developed in each system for those employers whose employees are participating in hazardous duty retirement coverage as provided by KRS 61.592.
- (d)
  1. *For purposes of this section, the actuarially accrued liability contribution for nonhazardous employers in the Kentucky Employees Retirement System on or after July 1, 2021:*
    - a. *Shall be an annual dollar amount that is sufficient to amortize the total unfunded actuarially accrued liability of the system over a closed period of thirty (30) years beginning with the 2019 actuarial valuation using the level percentage of payroll amortization method, except that any increase or decrease in the unfunded actuarially accrued liability occurring after the completion of the 2019 actuarial valuation shall be amortized over a closed period of twenty (20) years beginning with the actuarial valuation in which the increase or decrease in the unfunded actuarially accrued liability is recognized. An increase or decrease in the unfunded actuarially accrued liability may result from but not be limited to legislative changes to benefits, changes in actuarial methods or assumptions, or actuarial gains or losses;*

- b. *Shall be prorated to each individual nonhazardous employer in the Kentucky Employees Retirement System by multiplying the annual dollar amount of the actuarially accrued liability contribution for the system as determined by subdivision a. of this subparagraph by the individual employer's percentage of the system's total actuarially accrued liability as of the June 30, 2019, actuarial valuation which shall be determined solely by the system's consulting actuary and assigned to each employer based upon the last participating employer of the member or retiree as of June 30, 2019. The individual employer's percentage of the system's total actuarially accrued liability as of the June 30, 2019, actuarial valuation shall be used to determine the individual employer's prorated dollar amount of the system's actuarially accrued liability contribution in all future fiscal years of the amortization period or periods, except that the employer's percentage shall be adjusted to reflect any employer who voluntarily or involuntarily ceases participation as provided by KRS 61.522 and except as provided by subparagraphs 4. and 5. of this paragraph. For purposes of this subdivision, all executive branch departments, program cabinets and their respective departments, and administrative bodies enumerated in KRS 12.020, and any other executive branch agencies administratively attached to a department, program cabinet, or administrative body enumerated in KRS 12.020, shall be considered a single individual employer and only one (1) value shall be computed for these executive branch employers. For purposes of this subdivision, all employers of the legislative branch, including the Legislative Research Commission and the General Assembly that covers legislators and staff who participate in the Kentucky Employees Retirement System, shall be considered a single individual employer and only one (1) value shall be computed for these employers. For purposes of this subdivision, all employers of the judicial branch, including the Administrative Office of the Courts, the Judicial Form Retirement System, and all master commissioners, shall be considered a single individual employer and only one (1) value shall be computed for these employers;*
- c. *Shall be payable by an individual employer in equal monthly dollar installments during the fiscal year in accordance with the reporting requirements specified by KRS 61.675 so that the individual employer pays its full prorated dollar amount of the actuarially accrued liability contribution as determined by subdivision b. of this subparagraph; and*
- d. *Notwithstanding subdivision b. of this subparagraph for those individual participating employers who are local and district health departments governed by KRS Chapter 212, community mental health centers, and employers whose employees are not subject to KRS 18A.005 to 18A.200, who received or were eligible to receive a distribution of general fund appropriations in the 2018-2020 biennial executive branch budget to assist in paying retirement costs under 2018 Ky. Acts ch. 169, Part I, G., 4., (5); 2018 Ky. Acts ch. 169, Part I, G., 5., (2); or 2018 Ky. Acts ch. 169, Part I, G., 9., (2), shall not, once the initial dollar amounts are established in accordance with this paragraph, be adjusted in terms of dollars paid by the individual employer, except that adjustments shall be made by the system upon completion of an actuarial investigation as provided by KRS 61.670, so long as at least four (4) years have passed since the last adjustment to the actuarially accrued liability contribution for these employers. The provisions of this subdivision shall not be interpreted to mean that employers described by this subdivision may continue paying the dollar value of contributions or employer contribution rates established or paid by the employer in budget periods occurring prior to July 1, 2021.*
2. *Individual employers, solely for purposes of collecting employer contributions from various fund sources during the fiscal year, may convert the actuarially accrued liability contribution established by this paragraph to a percentage of pay and may adjust the percent of pay during the fiscal year in order to pay the required dollar value of actuarially accrued liability contribution required by this paragraph. No provision of this subparagraph shall be construed to reduce an individual employer's actuarially accrued liability contribution as otherwise provided by this paragraph.*
3. *The provisions of this paragraph shall not apply to those employers who cease participation as provided by KRS 61.522.*
4. *In the event an individual Kentucky Employees Retirement System nonhazardous employer who is required to pay an actuarially accrued liability contribution as provided by this*

*paragraph and as calculated from the 2019 actuarial valuation or subsequent valuations, merges with another employer or entity, forms a new or separate employer or entity, or splits or separates operations into multiple employers or entities, the system shall, except for those employers or entities who pay the costs to cease participation as provided by KRS 61.522, have full authority to assign a portion or all of the total actuarially accrued liability contribution to the merged, new, split, or separate employers or entities, regardless of whether or not the merged, new, split, or separate employers or entities participate in the system. In the case of a district health department established pursuant to KRS Chapter 212, which ceases to operate or which has a county or counties that withdraw from the district health department, the systems shall assign the total actuarially accrued liability contribution based upon the proportion of taxable property of each county as certified by the Department for Public Health in the Cabinet for Health and Family Services in accordance with Section 6 of this Act. The system shall establish by administrative regulations the process of assigning actuarially accrued liability contributions as authorized by this subparagraph.*

5.
    - a. *An employer who is not in the executive, legislative, or judicial branch of Kentucky state government as enumerated in subparagraph 1.b. of this paragraph may on or before July 1, 2021, appeal to the board regarding any current or former employees or retirees the employer believes should not be used to determine the employer's percentage of the system's total actuarially accrued liability. The only appeals that shall be submitted by the employer or considered by the board shall be potential errors where the last participating employer is in dispute, situations where employees of the employer were hired through a contract between the executive branch and the employer for the employee to provide services to the executive branch, or situations where a community mental health center was contracted to provide services at a facility previously operated by the executive branch. The employer shall submit the information required by the board to verify potential errors or contract employees with employers.*
    - b. *The board shall review and issue a final determination regarding any appeals by December 31, 2021. - (a) The rights of recipients and the vested rights of inactive members accrued as of the employer's effective cessation date shall not be impaired or reduced in any manner as a result of the employer ceasing participation in the system; and
  - (b) Except as provided by subsection (8)(d)2. of this section, employees of the employer ceasing participation shall accrue benefits through the employer's effective cessation date but shall not accrue any additional benefits in the Kentucky Employees Retirement System or the County Employees Retirement System, including earning years of service credit through the ceased employer, after the employer's effective cessation date for as long as they remain employed by the employer. The day after the employer's effective cessation date, each employee described by this paragraph, except as provided by subsection (8)(d)2. of this section, shall be considered an inactive member with respect to his or her employment with the employer that ceased participation and, subject to the provisions and limitations of KRS 61.510 to 61.705 and 78.510 to 78.852, shall:
    1. Retain his or her accounts with the Kentucky Employees Retirement System or the County Employees Retirement System and have those accounts credited with interest in accordance with KRS 61.510 to 61.705 and 78.510 to 78.852;
    2. Retain his or her vested rights in accordance with paragraph (a) of this subsection; and
    3. Be eligible to take a refund of his or her accumulated account balance in accordance with KRS 61.625 or any other available distribution if eligible;

1. Any employer who is a nonstock nonprofit corporation organized under KRS Chapter 273 may voluntarily cease participation; and
  2. Local and district health departments governed by KRS Chapter 212, state-supported universities and community colleges, and the Kentucky Higher Education Student Loan Corporation may voluntarily cease participation in the Kentucky Employees Retirement System solely under the provisions and requirements of subsection (8) of this section.
- (b) Only the employers in the County Employees Retirement System who are a nonstock nonprofit corporation organized under KRS Chapter 273 may voluntarily cease participation in the County Employees Retirement System;
- (7) For purposes of this section, the full actuarial cost shall be determined by the Kentucky Retirement Systems' consulting actuary separately for the pension fund and the insurance fund using the assumptions and methodology established by the system specifically for determining the full actuarial cost of ceasing participation as of the employer's effective cessation date. For purposes of determining the full actuarial cost, the assumed rate of return used to calculate the cost shall be the lesser of the assumed rate of return utilized in the system's most recent actuarial valuation or the yield on a thirty (30) year United States treasury bond as of the employer's effective cessation date, but shall in no case be lower than:
- (a) Except as provided by paragraphs (b) to (e) of this subsection, the assumed rate of return utilized in the system's most recent actuarial valuation minus three and one-half percent (3.5%);
  - (b) Four and one-half percent (4.5%) for those Kentucky Employees Retirement System employers who voluntarily cease participation under the provisions of subsection (8) of this section who pay the costs of ceasing participation by lump-sum payment by June 30, 2022, and who do not make an election for

their employees to continue to participate in the system after the employer's effective cessation date as provided by subsection (8)(d)3. of this section;

- (c) ***Five and one quarter percent (5.25%) for university and community college employers*** or three and one-half percent (3.5%) for ***all other***~~those~~ Kentucky Employees Retirement System employers, who voluntarily cease participation under the provisions of subsection (8) of this section who pay the costs of ceasing participation by lump-sum payment by June 30, 2022, and who do make an election for employees to continue to participate in the system after the employer's effective cessation date as provided by subsection (8)(d)2. of this section;
  - (d) Three and one-half percent (3.5%) for those Kentucky Employees Retirement System employers who voluntarily cease participation under the provisions of subsection (8) of this section who pay the costs of ceasing participation by installment payments and who do not make an election for employees to continue to participate in the system after the employer's effective cessation date as provided by subsection (8)(d)3. of this section; or
  - (e) Three percent (3%) for those Kentucky Employees Retirement System employers who voluntarily cease participation under the provisions of subsection (8) of this section who pay the costs of ceasing participation by installment payments and who do make an election for employees to continue to participate in the system after the employer's effective cessation date as provided by subsection (8)(d)2. of this section;
- (8) Notwithstanding the provisions of this section, any Kentucky Employees Retirement System employer who is eligible to voluntarily cease participating as provided by subsection (6) of this section may, on or after April 1, 2020, but prior to May 1, 2021, except that in the case of university or community college employers it shall be prior to January 1, 2021, elect to voluntarily cease participating in the systems for its nonhazardous employees by submitting a resolution in accordance with subsection (3)(a)1. of this section. If an employer makes an election to voluntarily cease participation by submitting a resolution as provided by this subsection:
- (a) The board shall accept any election to cease participation on or before June 30, 2021, and the employer's effective cessation date shall be June 30, 2021. Prior to May 1, 2021, or January 1, 2021, in the case of university or community college employers, the employer may rescind a previously submitted election to cease participation;
  - (b) Nonhazardous employees hired on or after the employer's effective cessation date by an employer who has ceased participation in the system as provided by this section shall not, regardless of his or her membership date in the systems administered by Kentucky Retirement Systems, be eligible to participate in the Kentucky Employees Retirement System through the employer that ceased participation for the duration of his or her employment with that ceasing employer;
  - (c) Nonhazardous employees hired prior to the employer's effective cessation date, who began participating in the systems administered by Kentucky Retirement Systems on or after January 1, 2014, and who are participating in the hybrid cash balance plan as provided by KRS 61.597, shall continue to contribute and earn service credit in the systems through the employer's effective cessation date. After the employer's effective cessation date, the employee shall participate in the alternative retirement plan established by the employer as provided by subsection (3)(a)4. of this section. A nonhazardous employee covered by this paragraph who elects to transfer his or her account balance within sixty (60) days of the employer's effective cessation date as provided by subsection (3)(a)5. of this section, shall, notwithstanding KRS 61.597, receive a transfer of the employee's accumulated account balance, including the entire accumulated employer credit, regardless of the employee's years of service credit;
  - (d)
    1. The employer shall, in the resolution submitted in accordance with subsection (3)(a)1. of this section, make an election as to whether or not nonhazardous employees hired prior to the employer's effective cessation date, who began participating in the systems administered by Kentucky Retirement Systems prior to January 1, 2014, who are participating in the systems administered by Kentucky Retirement Systems through the employer, will continue to participate in the system after the employer's effective cessation date.
    2. If the employer makes an election for the employees described by this paragraph to continue participating in the system after the employer's effective cessation date, these employees will continue to contribute and earn service credit in the systems for as long as they remain employed by the employer in a regular full-time position that is eligible to participate in the systems, except in the event the employer fails to make installment payments as provided by KRS 61.675(4).

Any costs for the present value of future normal costs of the employees covered by this subparagraph who will contribute and earn service in the system after the employer's effective cessation date shall be included in the cost calculation established by subsection (7) of this section.

3. If the employer does not make an election for the employees described by this paragraph to continue participating in the system after the employer's effective cessation date, these employees shall continue to contribute and earn service credit in the systems through the employer's effective cessation date. After the employer's effective cessation date, these employees shall participate in the alternative retirement plan established by the employer as provided by subsection (3)(a)4. of this section;
- (e) The cost of ceasing participating to an individual employer shall be equal to the cost determined under subsection (7) of this section and shall include the costs of those employees who continue to participate in the system as provided by paragraph (d)2. of this subsection;
  - (f) The employer may pay the full actuarial cost of ceasing participation by lump-sum payment or in installments as provided by paragraph (g) of this subsection;
  - (g) If the employer elects to pay the costs in installment payments, the cost of ceasing participation as provided by this subsection shall be financed by the systems using the following method:
    1. Annual payments occurring on or after July 1, 2021, shall be a set dollar value and shall be paid in monthly installments. In fiscal year 2021-2022, the set dollar value shall be equal to the higher of the actual contributions paid by the employer in fiscal year 2020-2021 or the annualized average of the creditable compensation reported to the systems by the ceasing employer over the last sixty (60) months occurring prior to July 1, 2019, for which contributions were paid by the ceasing employer, and multiplied by an employer rate of forty-nine and forty-seven one-hundredths percent (49.47%). Annual payments, for fiscal years occurring on or after July 1, 2022, which shall be paid monthly, shall be increased by one and one-half percent (1.5%) annually and shall be paid until the cost as provided by subsection (7) of this section and as adjusted annually by subparagraphs 2. and 3. of this paragraph are paid in full or until an employer as described by subparagraph 4. of this paragraph has paid for thirty (30) years from the effective cessation date;
    2. Interest shall be assigned to the principal amount annually beginning on July 1, 2021, and for each July 1 thereafter, that is equal to a rate of five and one-quarter percent (5.25%) per annum for pension costs and at a rate of six and one-quarter percent (6.25%) per annum for retiree health costs;
    3. If an employer is not projected by the systems to pay off the full actuarial costs to cease participation with interest as provided by subparagraph 2. of this paragraph at the conclusion of the thirty (30) year installment period from the employer's effective cessation date, and the employer makes an election for employees to continue to participate in the system after the employer's effective cessation date as provided by paragraph (d)2. of this subsection, then the systems shall adjust the base value for the first annual payments occurring on or after July 1, 2021, in order to keep the maximum period of installments to thirty (30) years; and
    4. If an employer is not projected by the systems to pay off the full actuarial costs to cease participation with interest as provided by subparagraph 2. of this paragraph at the conclusion of the thirty (30) year installment period from the employer's effective cessation date, and the employer does not make an election for employees to continue to participate in the system after the employer's effective cessation date as provided by paragraph (d)3. of this subsection, the employer shall pay the amount determined by subparagraph 1. of this paragraph for thirty (30) years from the effective cessation date and no additional costs shall be billed to a ceasing employer after the conclusion of the thirty (30) year period nor shall the employer be subject to adjustments under subparagraph 3. of this paragraph. The system may request in future biennial executive branch budgets the additional funding needed on an annual basis to fully pay off the installments at the conclusion of the thirty (30) year period for the employers described by this paragraph, and it is the intent of the General Assembly to pay the additional funding needed by appropriation in the biennial executive branch budget.

An employer ceasing participation who is making installment payments as provided by this paragraph may at any time pay off a portion of the remaining balance or the entire remaining balance and shall not be charged any interest for periods beyond the pay-off date for the balance that is paid off;

- (h) Kentucky Employees Retirement System employers eligible to cease participation under the provisions of this subsection who do not make an election to cease participation in the system prior to May 1, 2021, or prior to January 1, 2021, in the case of university and community college employers, shall be required to pay the full actuarially determined contributions established by KRS 61.565 and 61.702 for fiscal years occurring on or after July 1, 2021; and
  - (i) Kentucky Employees Retirement System employers who elect to cease participation in the system as provided by this subsection who are currently receiving a distribution of general fund appropriations in the biennial executive branch budget under the provisions of 2018 Ky. Acts ch. 169, Part I, G., 4., (5), 2018 Ky. Acts ch. 169, Part I, G., 5., (2), or 2018 Ky. Acts ch. 169, Part I, G., 9., (2) to help pay employer contributions to the system shall continue to receive the same level of distribution of general fund appropriations to help pay the costs of ceasing participation until such time that the employer's full actuarial costs of ceasing participation are paid off;
- (9) The Kentucky Retirement Systems shall promulgate administrative regulations pursuant to KRS Chapter 13A to administer this section;
- (10) (a) Any employer who voluntarily ceases participation, or who is required to involuntarily cease participation as provided in this section, shall hold the Commonwealth and the Kentucky Retirement Systems, including board members and employees of the Kentucky Retirement Systems, harmless from damages, attorney's fees and costs from legal claims for any cause of action brought by any member or retired member of the departing employer related to the employer's cessation of participation as set forth in this section.
- (b) Any employer who is voluntarily ceasing participation under the provisions of subsection (8) of this section shall be required to pledge any security in any relevant real estate, chattel paper, deposit accounts, documents, goods covered by documents, instruments, investment property, letters of credit rights, and money to the costs of ceasing participation until all costs of ceasing participation are paid in full; and
- (11) Notwithstanding any other provision of statute to the contrary, the provisions of KRS 61.510 to 61.705 and 78.510 to 78.852, and the administrative regulations promulgated thereunder, shall prevail regarding any question of participation in the systems of any employer or any employee of an employer who ceases participation in the Kentucky Employees Retirement System.

➔Section 4. KRS 61.522 (Effective April 1, 2021) is amended to read as follows:

Notwithstanding any other provision of KRS 61.510 to 61.705 or 78.510 to 78.852 to the contrary:

- (1) For purposes of this section:
- (a) "Active member" means a member who is participating in the system;
  - (b) "Employer" means the governing body of a department, as defined by KRS 61.510;
  - (c) "Employer's effective cessation date" means:
    1. The last day of the system's plan year in the year in which the employer has elected to cease participation in the system, provided the employer has met the requirements of this section and has given the Kentucky Retirement Systems sufficient notice as provided by administrative regulations promulgated by the systems; or
    2. For Kentucky Employees Retirement System employers making an election to cease participating under the provisions of subsection (8) of this section, it shall be June 30, 2021; and
  - (d) "Inactive member" means a member who is not participating with the system;
- (2) Any employer participating in the Kentucky Employees Retirement System on July 1, 2015, except as limited by subsection (6) of this section, may:
- (a) Voluntarily cease participation in its respective retirement system subject to the requirements and restrictions of this section;

- (b) Be required to involuntarily cease participation in the system under the provisions of this section if the board has determined the employer is no longer qualified to participate in a governmental plan or has failed to comply with the provisions of KRS 61.510 to 61.705; or
  - (c) If the employer is participating in the Kentucky Employees Retirement System, request an estimate of the cost of voluntarily ceasing participation in the system prior to officially making a request to cease participation. For those Kentucky Employees Retirement System nonhazardous employers who are considering ceasing participating in the system under the provisions of subsection (8) of this section on June 30, 2021, the request for an estimate to voluntarily cease participating must be made prior to December 31, 2019, and the estimate shall be provided to that employer within sixty (60) days of the request, except that no estimate shall be required to be provided prior to January 31, 2020;
- (3) (a) If an employer desires to voluntarily cease participation in the Kentucky Employees Retirement System as provided by subsection (2)(a) of this section:
1. The employer shall adopt a resolution requesting to cease participation in the system and shall submit the resolution to the board for its approval. The board shall not be able to deny a resolution to cease participation in the Kentucky Employees Retirement System for any employer who seeks to voluntarily cease participation in the system as provided by subsection (8) of this section;
  2. Except as provided by subsection (8)(d) of this section, the cessation of participation in the system shall apply to all employees of the employer;
  3. The employer shall pay for all administrative costs of an actuarial study to be completed by the Kentucky Retirement Systems' consulting actuary and for any other administrative costs for discontinuing participation in the system as determined by the board and as provided by this section;
  4. The employer shall provide an alternative retirement program for employees who will no longer be covered by the system, which may include a voluntary defined contribution plan but, for Kentucky Employees Retirement System employers with effective cessation dates occurring on or after June 30, 2020, the alternative retirement program shall not include a defined benefit plan which by its nature can have an unfunded liability;
  5. If the alternative retirement program established by the employer meets the qualification requirements under 26 U.S.C. sec. 401(a) or 26 U.S.C. sec. 403(b) and is capable of accepting trustee-to-trustee transfers of both pre-tax and post-tax contributions, employees of the employer ceasing participation may, except for those employees continuing to participate in the system as provided by subsection (8)(d)2. of this section, seek to transfer his or her account balance to the employer's qualified alternate retirement program within sixty (60) days of the employer's effective cessation date. An employee's election to transfer his or her account balance within sixty (60) days of the employer's effective cessation date is an irrevocable waiver of the right to obtain service credits in the system for the time worked for the employer ceasing participation;
  6. The employer shall pay to the system by lump sum or in installments as provided by subsection (8) of this section, if eligible, the full actuarial cost, except as provided by subsection (8)(g)4. of this section, of the benefits accrued by its current and former employees in the system as determined separately for the pension fund and the insurance fund by the actuarial study required by subparagraph 3. of this paragraph. If the employer makes an election for employees to continue to participate in the system as provided by subsection (8)(d)2. of this section, the cost shall also include the present value of future normal costs of those employees who will continue to participate in the system after the employer's effective cessation date. The full actuarial cost shall not include any employee who seeks a transfer of his or her account balance within sixty (60) days of the employer's effective cessation date as provided by subparagraph 5. of this paragraph. The actuarial cost shall be fixed, and the employer shall not be subject to any increases or subsequent adjustments, once the lump sum is paid or the installment payments have commenced; and
  7. Kentucky Employees Retirement System employers ceasing participating under the provisions of subsection (8) of this section who elect to pay their actuarial costs by a lump sum shall make the full lump-sum payment by June 30, 2022, and shall pay interest on the principal amount beginning on July 1, 2021, equal to a rate of five and one-quarter percent (5.25%) per annum for

pension costs and at a rate of six and one-quarter percent (6.25%) per annum for retiree health costs until the lump-sum payment is made. If the ceasing employer fails to make the full lump-sum payment by June 30, 2022, the ceasing employer shall make installments as provided by subsection (8)(g) of this section, and the ceasing employer shall have the costs recalculated based upon making installment payments as provided by this section and shall be required to make up any missed installment payments as determined by the system.

- (b) If the board determines an employer must involuntarily cease participation in the system as provided by subsection (2)(b) of this section:
1. The cessation of participation in the system shall apply to all employees of the employer;
  2. The employer shall pay for all administrative costs of an actuarial study to be completed by the Kentucky Retirement Systems' consulting actuary and for any other administrative costs for discontinuing participation in the system as determined by the board and as provided by this section; and
  3. The employer shall pay by lump sum to the system the full actuarial cost of the benefits accrued by its current and former employees in the system as determined separately for the pension fund and the insurance fund by the actuarial study required by subparagraph 2. of this paragraph. The actuarial cost shall be fixed, and the employer shall not be subject to any increases or subsequent adjustments, once the lump sum is paid.

A Kentucky Employees Retirement System employer who ceases participation in the systems under this paragraph shall not establish or contribute to on behalf of its employees a defined benefit plan which by its nature can have an unfunded liability;

- (4) Any employee hired on or after the employer's effective cessation date by an employer who has ceased participation in the system as provided by this section shall not, regardless of his or her membership date in the systems administered by Kentucky Retirement Systems, be eligible to participate in the Kentucky Employees Retirement System through the employer that ceased participation for the duration of his or her employment with that employer;
- (5) If an employer has ceased participation in the system as provided by this section:
- (a) The rights of recipients and the vested rights of inactive members accrued as of the employer's effective cessation date shall not be impaired or reduced in any manner as a result of the employer ceasing participation in the system; and
  - (b) Except as provided by subsection (8)(d)2. of this section, employees of the employer ceasing participation shall accrue benefits through the employer's effective cessation date but shall not accrue any additional benefits in the Kentucky Employees Retirement System, including earning years of service credit through the ceased employer, after the employer's effective cessation date for as long as they remain employed by the employer. The day after the employer's effective cessation date, each employee described by this paragraph, except as provided by subsection (8)(d)2. of this section, shall be considered an inactive member with respect to his or her employment with the employer that ceased participation and, subject to the provisions and limitations of KRS 61.510 to 61.705, shall:
    1. Retain his or her accounts with the Kentucky Employees Retirement System and have those accounts credited with interest in accordance with KRS 61.510 to 61.705;
    2. Retain his or her vested rights in accordance with paragraph (a) of this subsection; and
    3. Be eligible to take a refund of his or her accumulated account balance in accordance with KRS 61.625 or any other available distribution if eligible;
- (6) Kentucky Employees Retirement System employers who are county attorney offices, Commonwealth's attorney offices, local and district health departments governed by KRS Chapter 212, master commissioners, executive branch agencies whose employees are subject to KRS 18A.005 to 18A.200, state-administered retirement systems, state-supported universities and community colleges, property valuation administration offices, or employers in the legislative or judicial branch of Kentucky state government, shall not be eligible to voluntarily discontinue participation in the Kentucky Employees Retirement System, except that:
- (a) Any employer who is a nonstock nonprofit corporation organized under KRS Chapter 273 may voluntarily cease participation; and

- (b) Local and district health departments governed by KRS Chapter 212, state-supported universities and community colleges, and the Kentucky Higher Education Student Loan Corporation may voluntarily cease participation in the Kentucky Employees Retirement System solely under the provisions and requirements of subsection (8) of this section;
- (7) For purposes of this section, the full actuarial cost shall be determined by the Kentucky Retirement Systems' consulting actuary separately for the pension fund and the insurance fund using the assumptions and methodology established by the system specifically for determining the full actuarial cost of ceasing participation as of the employer's effective cessation date. For purposes of determining the full actuarial cost, the assumed rate of return used to calculate the cost shall be the lesser of the assumed rate of return utilized in the system's most recent actuarial valuation or the yield on a thirty (30) year United States treasury bond as of the employer's effective cessation date, but shall in no case be lower than:
- (a) Except as provided by paragraphs (b) to (e) of this subsection, the assumed rate of return utilized in the system's most recent actuarial valuation minus three and one-half percent (3.5%);
- (b) Four and one-half percent (4.5%) for those Kentucky Employees Retirement System employers who voluntarily cease participation under the provisions of subsection (8) of this section who pay the costs of ceasing participation by lump-sum payment by June 30, 2022, and who do not make an election for their employees to continue to participate in the system after the employer's effective cessation date as provided by subsection (8)(d)3. of this section;
- (c) ***Five and one-quarter percent (5.25%) for university and community college employers or*** three and one-half percent (3.5%) for ***all other***~~those~~ Kentucky Employees Retirement System employers who voluntarily cease participation under the provisions of subsection (8) of this section who pay the costs of ceasing participation by lump-sum payment by June 30, 2022, and who do make an election for employees to continue to participate in the system after the employer's effective cessation date as provided by subsection (8)(d)2. of this section;
- (d) Three and one-half percent (3.5%) for those Kentucky Employees Retirement System employers who voluntarily cease participation under the provisions of subsection (8) of this section who pay the costs of ceasing participation by installment payments and who do not make an election for employees to continue to participate in the system after the employer's effective cessation date as provided by subsection (8)(d)3. of this section; or
- (e) Three percent (3%) for those Kentucky Employees Retirement System employers who voluntarily cease participation under the provisions of subsection (8) of this section who pay the costs of ceasing participation by installment payments and who do make an election for employees to continue to participate in the system after the employer's effective cessation date as provided by subsection (8)(d)2. of this section;
- (8) Notwithstanding the provisions of this section, any Kentucky Employees Retirement System employer who is eligible to voluntarily cease participating as provided by subsection (6) of this section may, on or after April 1, 2020, but prior to May 1, 2021, except in the case of university or community college employers it shall be prior to January 1, 2021, elect to voluntarily cease participating in the systems for its nonhazardous employees by submitting a resolution in accordance with subsection (3)(a)1. of this section. If an employer makes an election to voluntarily cease participation by submitting a resolution as provided by this subsection:
- (a) The board shall accept any election to cease participation on or before June 30, 2021, and the employer's effective cessation date shall be June 30, 2021. After the employer's effective cessation date, the employee shall participate in the alternative retirement plan

established by the employer as provided by subsection (3)(a)4. of this section. A nonhazardous employee covered by this paragraph who elects to transfer his or her account balance within sixty (60) days of the employer's effective cessation date as provided by subsection (3)(a)5. of this section, shall, notwithstanding KRS 61.597, receive a transfer of the employee's accumulated account balance, including the entire accumulated employer credit, regardless of the employee's years of service credit;

- (d)
  1. The employer shall, in the resolution submitted in accordance with subsection (3)(a)1. of this section, make an election as to whether or not nonhazardous employees hired prior to the employer's effective cessation date, who began participating in the systems administered by Kentucky Retirement Systems prior to January 1, 2014, who are participating in the systems administered by Kentucky Retirement Systems through the employer, will continue to participate in the system after the employer's effective cessation date.
  2. If the employer makes an election for the employees described by this paragraph to continue participating in the system after the employer's effective cessation date, these employees will continue to contribute and earn service credit in the systems for as long as they remain employed by the employer in a regular full-time position that is eligible to participate in the systems, except in the event the employer fails to make installment payments as provided by KRS 61.675(4). Any costs for the present value of future normal costs of the employees covered by this subparagraph who will contribute and earn service in the system after the employer's effective cessation date shall be included in the cost calculation established by subsection (7) of this section.
  3. If the employer does not make an election for the employees described by this paragraph to continue participating in the system after the employer's effective cessation date, these employees shall continue to contribute and earn service credit in the systems through the employer's effective cessation date. After the employer's effective cessation date, these employees shall participate in the alternative retirement plan established by the employer as provided by subsection (3)(a)4. of this section;
- (e) The cost of ceasing participating to an individual employer shall be equal to the cost determined under subsection (7) of this section and shall include the costs of those employees who continue to participate in the system as provided by paragraph (d)2. of this subsection;
- (f) The employer may pay the full actuarial cost of ceasing participation by lump-sum payment or in installments as provided by paragraph (g) of this subsection;
- (g) If the employer elects to pay the costs in installment payments, the cost of ceasing participation as provided by this subsection shall be financed by the systems using the following method:
