➔SECTION 30. A NEW SECTION OF KRS CHAPTER 403A IS CREATED TO READ AS FOLLOWS:

*This chapter does not affect the validity of a temporary court order concerning custodial responsibility during deployment which was entered before the effective date of this Act.*

➔Section 31. KRS 403.280 is amended to read as follows:

- (1) A party to a custody proceeding may move for a temporary custody order. The motion must be supported by an affidavit as provided in KRS 403.350. The court may award temporary custody under the standards of KRS 403.270 after a hearing, or, if there is no objection, solely on the basis of the affidavits. If the parents or a de facto custodian joined under subsection (9) of this section present a temporary custody agreement and mutually agreed plan for parenting time, and the court confirms that the agreement adequately provides for the welfare of the child, the agreement shall become the temporary custody order of the court.
- (2) Subject to KRS 403.315, in making an order for temporary custody, there shall be a presumption, rebuttable by preponderance of evidence, that it is in the best interest of the child for the parents or a de facto custodian joined under subsection (9) of this section to have temporary joint custody and share equally in parenting time.
- (3) If a deviation from equal parenting time is warranted, the court shall construct a parenting time schedule which maximizes the time each parent or de facto custodian joined under subsection (9) of this section has with the child and is consistent with ensuring the child's welfare.
- (4) Each temporary custody order shall include specific findings of fact and conclusions of law, except when the court confirms the agreement of the parties.
- (5) Any temporary custody order shall address the circumstance in which physical possession of the child will be exchanged.
- (6) ~~Subject to KRS 403.320(4) and 403.340(5),~~ Modification of a temporary custody order may be sought when there is a material and substantial change in the circumstances of the parents, de facto custodian, or child.
- (7) If a proceeding for dissolution of marriage or legal separation is dismissed, any temporary custody order is vacated unless a parent or the child's custodian moves that the proceeding continue as a custody proceeding and the court finds, after a hearing, that the circumstances of the parents and the best interests of the child require that a custody decree be issued.
- (8) If a custody proceeding commenced in the absence of a petition for dissolution of marriage or legal separation under KRS 403.822(1)(a) or (b) is dismissed, any temporary custody order is vacated.
- (9) If a court determines by clear and convincing evidence that a person is a de facto custodian, the court shall join that person in the action, as a party needed for just adjudication under Rule 19 of the Kentucky Rules of Civil Procedure.

➔Section 32. KRS 403.320 is amended to read as follows:

- (1) A parent not granted custody of the child and not awarded shared parenting time under the presumption specified in KRS 403.270(2), 403.280(2), or 403.340(5)~~(6)~~ is entitled to reasonable visitation rights unless the court finds, after a hearing, that visitation would endanger seriously the child's physical, mental, moral, or

emotional health. Upon request of either party, the court shall issue orders which are specific as to the frequency, timing, duration, conditions, and method of scheduling visitation and which reflect the development age of the child.

- (2) If domestic violence and abuse, as defined in KRS 403.720, has been alleged, the court shall, after a hearing, determine the visitation arrangement, if any, which would not endanger seriously the child's or the custodial parent's physical, mental, or emotional health.
- (3) The court may modify an order granting or denying visitation rights whenever modification would serve the best interests of the child; but the court shall not restrict a parent's visitation rights unless it finds that the visitation would endanger seriously the child's physical, mental, moral, or emotional health.

~~(4) (a) Except as provided in paragraph (b) of this subsection, any court ordered modification of a child visitation decree, based in whole or in part on:~~

- ~~1. The active duty of a parent or a de facto custodian as a regular member of the United States Armed Forces deployed outside the United States; or~~
- ~~2. Any federal active duty of a parent or a de facto custodian as a member of a state National Guard or a Reserve component;~~

~~shall be temporary and shall revert back to the previous child visitation decree at the end of the deployment outside the United States or the federal active duty, as appropriate.~~

~~(b) A parent or de facto custodian identified in paragraph (a) of this subsection may consent to a modification of a child visitation decree that continues past the end of the deployment outside the United States or the federal active duty, as appropriate.~~

- ~~(5) ]~~Under circumstances where the court finds, by clear and convincing evidence, it is in the best interest of the child, any relative, by blood or affinity, that was previously granted temporary custody pursuant to the provisions of KRS 620.090 may be granted reasonable noncustodial parental visitation rights by a Circuit Court or Family Court as an intervenor or by original action. Once the relative has been granted visitation pursuant to this subsection, those rights shall not be adversely affected by the termination of custodial or parental rights of an individual who has permanent custody of the child unless the court determines that termination of the visitation rights are in the best interests of the child. The action shall be brought in the county in which the temporary or permanent custody order was entered or where the child resides.

➔Section 33. KRS 403.340 is amended to read as follows:

- (1) As used in this section, "custody" means sole or joint custody, whether ordered by a court or agreed to by the parties.
- (2) No motion to modify a custody decree shall be made earlier than two (2) years after its date, unless the court permits it to be made on the basis of affidavits that there is reason to believe that:
  - (a) The child's present environment may endanger seriously his physical, mental, moral, or emotional health; or
  - (b) The custodian appointed under the prior decree has placed the child with a de facto custodian.
- (3) If a court of this state has jurisdiction pursuant to the Uniform Child Custody Jurisdiction Act, the court shall not modify a prior custody decree unless after hearing it finds, upon the basis of facts that have arisen since the prior decree or that were unknown to the court at the time of entry of the prior decree, that a change has occurred in the circumstances of the child or his custodian, and that the modification is necessary to serve the best interests of the child. When determining if a change has occurred and whether a modification of custody is in the best interests of the child, the court shall consider the following:
  - (a) Whether the custodian agrees to the modification;
  - (b) Whether the child has been integrated into the family of the petitioner with consent of the custodian;
  - (c) The factors set forth in KRS 403.270(2) to determine the best interests of the child;
  - (d) Whether the child's present environment endangers seriously his physical, mental, moral, or emotional health;
  - (e) Whether the harm likely to be caused by a change of environment is outweighed by its advantages to him; and

- (f) Whether the custodian has placed the child with a de facto custodian.
- (4) In determining whether a child's present environment may endanger seriously his physical, mental, moral, or emotional health, the court shall consider all relevant factors, including, but not limited to:
- (a) The interaction and interrelationship of the child with his parent or parents, his de facto custodian, his siblings, and any other person who may significantly affect the child's best interests;
  - (b) The mental and physical health of all individuals involved;
  - (c) Repeated or substantial failure, without good cause as specified in KRS 403.240, of either parent to observe visitation, child support, or other provisions of the decree which affect the child, except that modification of custody orders shall not be made solely on the basis of failure to comply with visitation or child support provisions, or on the basis of which parent is more likely to allow visitation or pay child support;
  - (d) If domestic violence and abuse, as defined in KRS 403.720, is found by the court to exist, the extent to which the domestic violence and abuse has affected the child and the child's relationship to both parents.
- ~~(5) (a) Except as provided in paragraph (b) of this subsection, any court ordered modification of a child custody decree, based in whole or in part on:~~
- ~~1. The active duty of a parent or a de facto custodian as a regular member of the United States Armed Forces deployed outside the United States; or~~
  - ~~2. Any federal active duty of a parent or a de facto custodian as a member of a state National Guard or a Reserve component;~~
- ~~shall be temporary and shall revert back to the previous child custody decree at the end of the deployment outside the United States or the federal active duty, as appropriate.~~
- ~~(b) A parent or de facto custodian identified in paragraph (a) of this subsection may consent to a modification of a child custody decree that continues past the end of the deployment outside the United States or the federal active duty, as appropriate.~~
- ~~(6)~~ Subject to KRS 403.315, if the court orders a modification of a child custody decree, there shall be a presumption, rebuttable by a preponderance of evidence, that it is in the best interest of the child for the parents to have joint custody and share equally in parenting time. If a deviation from equal parenting time is warranted, the court shall construct a parenting time schedule which maximizes the time each parent or de facto custodian has with the child and is consistent with ensuring the child's welfare.
- ~~(6)~~~~(7)~~ Attorney fees and costs shall be assessed against a party seeking modification if the court finds that the modification action is vexatious and constitutes harassment.
- ➔Section 34. KRS 403.352 is amended to read as follows:
- (1) A parent or legal guardian of a child, by a properly executed power of attorney, as established in this section and KRS 403.353, may temporarily delegate to another person, named in the instrument as the attorney-in-fact, for a period not to exceed one (1) year any of the traditional parental rights and responsibilities regarding care and custody of the child except the following authorities:
    - (a) Consent for the child to marry;
    - (b) Consent for an abortion or inducement of an abortion to be performed on or for the child; or
    - (c) The termination of parental rights to the child.
  - (2) A temporary delegation of rights and responsibilities under this section shall not:
    - (a) Operate to change or modify any parental or legal rights, obligations, or authority established by an existing court order; or
    - (b) Deprive the parent or legal custodian of any parental or legal rights, obligations, or authority regarding the custody, visitation, or support of the child.
  - (3) The parent or legal custodian of the child shall have the authority to revoke or withdraw the power of attorney authorized by this section at any time.

- (4) Upon the termination, withdrawal, expiration, or revocation of the power of attorney established by this section, the child shall be returned to the custody of the parent or legal guardian as soon as reasonably possible.
- (5) The attorney-in-fact named in the instrument as established by this section shall not be compensated for serving as the attorney-in-fact pursuant to this section.
- (6) Unless the power of attorney established by this section is terminated, revoked, or withdrawn, the attorney-in-fact named in the instrument shall exercise parental or legal authority on a continuous basis for the duration of the power of attorney established by this section.
- (7)
  - (a) An attorney-in-fact properly appointed pursuant to this section and in compliance with this section shall not be subject to any statutes dealing with the licensing or regulation of foster care homes or other child-care facility licensing statutes, and the appointment of an attorney-in-fact pursuant to this section and KRS 403.353 shall not constitute an out-of-home child placement.
  - (b) The child or children subject to the power of attorney established in this section shall not be considered placed in foster care, and the parties involved in the power of attorney established in this section shall not be subject to any requirements, monitoring, or other regulation for foster care or community care solely because of the execution of an instrument authorized pursuant to this section or KRS 403.353.
- (8) Except as otherwise provided pursuant to the Kentucky Revised Statutes, the execution of a power of attorney as established pursuant to this section by a parent or legal guardian shall not by itself constitute evidence of abandonment, abuse, or neglect, unless the parent or legal guardian fails to take custody of the child or execute a new power of attorney after the one (1) year time limit has elapsed. Nothing in this subsection shall be interpreted to prevent an investigation of abuse, neglect, abandonment, other mistreatment of a child, or other crime.
- (9)
  - (a) A parent or legal guardian shall not execute a power of attorney pursuant to this section or KRS 403.353 with the intention of permanently avoiding or divesting himself or herself of parental or legal responsibility for the care of the child or for any other illegal or fraudulent purpose.
  - (b) An attorney-in-fact or prospective attorney-in-fact designated or potentially designated pursuant to this section or KRS 403.353 shall not demand or request that a parent or guardian enter into an instrument established pursuant to this section or KRS 403.353 as a result of any person's financial or other debt or obligation, or for any other illegal or fraudulent purpose.
  - (c) A power of attorney established pursuant to this section and KRS 403.353 shall not be used solely for the purpose of establishing residency for school attendance purposes unless the child actually resides with the attorney-in-fact in the school district where the enrollment is sought, or the child otherwise resides in the district.
  - (d) Violation of this section shall be punishable under Kentucky law.
- (10) If a parent or legal guardian of a child chooses to delegate powers pursuant to this section regarding the care and custody of the child to a person or persons other than a grandparent, aunt, uncle, or adult sibling of the child, a full criminal history and child abuse and neglect background check shall be conducted on the person or persons prior to the execution of the power of attorney authorized by this section. The results of the background check shall be kept with the instrument establishing the power of attorney pursuant to this section. A child shall not be placed with an individual whose background check indicates that he or she has a criminal history of child abuse and neglect.
- (11) ~~[A parent who is a member of the Armed Forces of the United States, including any reserve component thereof, or the commissioned corps of the National Oceanic and Atmospheric Administration, or the Public Health Service of the United States Department of Health and Human Services detailed by proper authority for duty with the Armed Forces of the United States, or a parent who is otherwise required to enter or serve in the active military service of the United States under a call or order of the President of the United States or to serve on state active duty, may delegate his or her traditional parental rights and responsibilities via a power of attorney established in this section for a period longer than one (1) year while on active duty service. The term of delegation permitted by this subsection shall not exceed the term of active duty service plus thirty (30) days.]~~
- (12) ~~Any period of time during which a child resides with an attorney-in-fact under an unexpired and valid power of attorney properly executed pursuant to this section and KRS 403.353, shall not be included in determining whether the child has resided with the attorney-in-fact for the minimum period required to be designated a de facto custodian pursuant to KRS 403.270(1).~~

➔Section 3. KRS 61.542 is amended to read as follows:

- (1) Prior to the first day of the month in which the member receives his or her first retirement allowance and prior to the member filing a notification of retirement or a request for refund:
- (a) Each member may designate on the form prescribed by the board a principal beneficiary and contingent beneficiary for his or her account. The principal beneficiary or contingent beneficiary designated by the member shall be:
    - 1. One (1) or more persons; or
    - 2. The member's estate; or
    - 3. A trust;
  - (b) If multiple persons are designated as provided by paragraph (a)1. of this subsection, the member shall indicate the percentage of total benefits each person is to receive.
    - 1. If percentages are not indicated, payments will be disbursed equally to the named beneficiaries.
    - 2. If the percentages indicated do not total one hundred percent (100%), each beneficiary shall receive an increased or decreased percentage which is proportional to the percentage allotted him or her by the member.
    - 3. If any of the multiple beneficiaries die prior to the member's death, the remaining beneficiaries shall be entitled to the deceased beneficiary's percentage of the total benefits, and each shall receive a percentage of the deceased's share which is equal to the percentage allotted them by the member;
  - (c) The principal and contingent beneficiary designation established by the member pursuant to paragraph (a) of this subsection shall remain in full force and effect until changed by the member, except:
    - 1. A final divorce decree terminates an ex-spouse's status as beneficiary, unless the member has on file in the retirement office a beneficiary designation that redesignates the ex-spouse as beneficiary subsequent to the issuance of the divorce decree;
    - 2. If a beneficiary or beneficiaries are convicted of any crime which prohibits that person or persons from receiving the benefits under KRS 381.280, the beneficiary or beneficiaries shall not be eligible for any of the benefits and the remaining beneficiary or beneficiaries or, if none, the member's estate, shall become the beneficiary; and

3. When a notification of retirement has been filed at the retirement office, the designation of beneficiary on the notification of retirement, which shall be one (1) person, his *or her* estate, or a trust, shall supersede the designation of all previous beneficiaries, unless the notification of retirement is withdrawn, invalid, or voided. If the notification of retirement is withdrawn, invalid, or voided, the prior beneficiary designation on file with the system shall remain in full force and effect until changed by the member; and
  - (d) Except as provided by paragraph (c)3. of this subsection, if the member fails to designate a beneficiary for his or her account or if the beneficiary designation is determined to be void by the system, the member's estate shall become the beneficiary.
- (2) If the member dies prior to the first day of the month in which the member would have received his or her first retirement allowance and prior to filing a notification of retirement or a request for refund, any retirement benefits shall be payable to the principal beneficiary, except that:
  - (a) If the death of the principal beneficiary or beneficiaries precedes the death of the member, or if the principal beneficiary is terminated by a divorce decree, the contingent beneficiary or beneficiaries become the principal beneficiary or beneficiaries;
  - (b) If the principal beneficiary is one (1) person and is the member's spouse and they are divorced on the date of the member's death, the contingent beneficiary or beneficiaries become the principal beneficiary or beneficiaries;
  - (c) If the member is survived by his *or her* principal beneficiary or beneficiaries who subsequently die prior to having on file at the retirement office the necessary forms prescribed under authority of KRS 61.590, the contingent beneficiary shall become the principal beneficiary or beneficiaries;
  - (d) If the deaths of all the principal beneficiaries and all of the contingent beneficiaries precede the death of the member, the estate of the member becomes the beneficiary; and
  - (e) If the member dies as a direct result of an act in line of duty as defined in KRS 16.505 or dies as a result of a duty-related injury as defined in KRS 61.621, the surviving spouse shall supersede all previously designated principal or contingent beneficiaries, unless the deceased member files a valid beneficiary designation form with the retirement office after the date of marriage to the surviving spouse.
- (3) Prior to the first day of the month in which the member would have received his or her first retirement allowance, a monthly benefit payable for life shall not be offered if the beneficiary designated under subsection (1) of this section is more than one (1) person, the member's estate, or a trust.
- (4) When a notification of retirement *as provided by Section 5 of this Act or a form to change beneficiaries as provided by subsection (5)(a) and (b) of this section* has been filed at the retirement office:

  - (b) The beneficiary designated by the member on the member's notification of retirement *or beneficiary change form* shall be one (1) person, the member's estate, or a trust; and
  - (c) If the death of the beneficiary named on the notification of retirement precedes the first day of the month in which the member receives his or her first retirement allowance, the member may designate another beneficiary on the member's notification of retirement.
- (5) On or after the first day of the month in which the member receives his or her first retirement allowance, the member shall not have the right to change his *or her* beneficiary, except that:
  - (a) *A retired member receiving the monthly retirement allowance under the basic payment option, a period certain option as provided by KRS 61.635(5) to (7), or the Social Security adjustment option without survivor rights as provided by KRS 61.635(8)(a) may elect to change his or her beneficiary at any time by filing a beneficiary change form as prescribed by the board with the retirement office. This paragraph shall not authorize a retired member to change the payment option he or she selected upon retirement;*
  - (b) *A retired member receiving a monthly retirement allowance who marries or remarries following retirement may make a one (1) time election within one hundred twenty (120) days of marriage or remarriage to provide monthly survivorship benefits to his or her new spouse by:*

1. *Designating his or her new spouse as beneficiary by filing a beneficiary change form as prescribed by the board with the retirement office; and*
  2. *Selecting a new monthly retirement allowance option under one (1) of the survivorship options provided by KRS 61.635(2), (3), (4), and (8)(b). Any new survivorship payment option shall be actuarially equivalent to the monthly retirement allowance the retired member was receiving prior to the change and shall not impact any other benefits otherwise payable to an alternate payee under KRS 61.690;*
- (c) The estate of the retired member becomes the beneficiary if the date of death of the beneficiary precedes or coincides with the date of death of the retired member, **and the retired member had not elected a new beneficiary under this subsection;**
- ~~(d)(b)~~ The estate of the retired member becomes the beneficiary if the retired member had designated a person as beneficiary who was the spouse or who later married the member and they were divorced on the date of the retired member's death, **and the retired member had not elected a new beneficiary under this subsection.** An ex-spouse who was the named beneficiary on the member's notification of retirement shall be reinstated as the member's beneficiary for the payment options provided by KRS 61.635(2), (3), (4), and (8)(b) if they are remarried to each other as of the date of the retired member's death, **and the retired member had not elected a new beneficiary under this subsection;**~~and~~
- ~~(e)(e)~~ The estate of the member shall not receive monthly payments if the member selected one (1) of the payment options provided by KRS 61.635(2), (3), (4), and (8)(b); **and**
- (f) **For purposes of this subsection, "basic payment option" means the lifetime monthly retirement allowance otherwise provided to the retired member under KRS 16.505 to 16.652, 61.510 to 61.705, or 78.510 to 78.852 that is not one (1) of the optional retirement plans provided under KRS 61.635 .**
- (6) Following cessation of membership as provided by KRS 61.535, no beneficiary designation in one (1) account shall be effective for any new retirement account established pursuant to KRS 61.637 or 61.680. If the member fails to designate a beneficiary for his or her new retirement account or if the beneficiary designation is determined to be void by the system, the member's estate shall become the beneficiary.

➔Section 4. KRS 61.545 is amended to read as follows:

- (1) The board shall determine by appropriate administrative regulations how much service in any year is the equivalent of a year of service credit and how much service in any calendar month is the equivalent of a month of service credit. It shall not allow credit for more than one (1) year of service for all service rendered in any period of twelve (12) consecutive months except as provided in KRS 61.546 and in subsection (2) of this section.
- (2)
  - (a) Employees participating in one (1) of the state-administered retirement systems who are or have been employed by a school board participating in the County Employees Retirement System, a state-operated school under KRS Chapter 167, a participating community action agency, or a Kentucky institution of higher education which participates in the Kentucky Employees Retirement System, and who receive service credit for less than twelve (12) months each year, may purchase the additional months of service credit needed to total one (1) year of service credit except the amount purchased shall not exceed three (3) months. The employee may purchase the service credit by paying the retirement system a delayed contribution payment in accordance with the payment options and restrictions established by KRS 61.552(14). Employees who have service credit prior to July 1, 1992, or their employers, the state-operated school under KRS Chapter 167, the Kentucky institution of higher education, or the school board may purchase service credit on behalf of the employee for previous years by paying the retirement system the delayed contribution payment in accordance with the payment options and restrictions established by KRS 61.552(14).
  - (b) The cost of service under this subsection may be paid by both the employer and employee. The employer shall pay fifty percent (50%) of the cost and the employee shall pay fifty percent (50%) of the cost. The payment by the employer shall not be deposited to the member's account. Service credit shall not be credited to the member's account until both the employer's and employee's payment are received by the retirement system.
  - (c) If the employee has purchased service credit under this subsection based on months reported by the employer for the fiscal year, and an audit of the employee's account reduces the number of months of service credit for which the employee is eligible to no fewer than nine (9) months, the employee shall

retain credit for the months purchased unless the employee is ineligible for any service in the fiscal year. The employee shall be eligible to purchase the additional months under this subsection to total one (1) year.

- (d) This subsection shall not apply to members who begin participating in the systems administered by Kentucky Retirement Systems on or after January 1, 2014.
- (3) (a) If an employee participates in more than one (1) of the retirement systems administered by the Kentucky Retirement Systems, the employee's service credit shall be divided between each system determined by dividing the employee's creditable compensation in each system by the employee's total creditable compensation in all systems.
  - (b) *1. If an employee earns creditable compensation in both a hazardous position, as defined by KRS 61.592, and a nonhazardous position, the employee's service credit shall be divided between the employee's hazardous and nonhazardous positions determined by dividing the employee's creditable compensation in the hazardous and nonhazardous positions by the employee's combined hazardous and nonhazardous creditable compensation, except as provided by subparagraph 2. of this paragraph.*
  - 2. If an employee is participating in a hazardous position, as defined by KRS 61.592, that meets the definition of a regular full-time position under KRS 61.510(21) or 78.510(21) based solely upon his or her service in a hazardous position, and is simultaneously employed in a nonhazardous position with a different participating employer that would not be considered a regular full-time position based solely upon his or her service in the nonhazardous position, the employee may make a one (1) time irrevocable election within thirty (30) days of employment in the nonhazardous position to not participate in the system for his or her employment in the nonhazardous position with that employer.*

➔Section 5. KRS 61.590 is amended to read as follows:

- (1) (a) A member or beneficiary eligible to receive retirement benefits under any of the provisions of KRS 61.510 to 61.705, 78.510 to 78.852, and 16.510 to 16.652 shall have on file at the retirement office on the form prescribed by the board, a correctly completed notification of retirement, giving his or her name, address, Social Security number or Kentucky Retirement Systems member identification number, last day of employment, and other information the system may require. The form entitled "Notification of Retirement" shall not be filed more than six (6) months before the member's effective retirement date.
- (b) A member eligible to receive retirement benefits under any of the provisions of KRS 61.510 to 61.705, 78.510 to 78.852, and 16.510 to 16.652 shall certify in writing on the "Notification of Retirement" form or another form prescribed by the board that no prearranged agreement existed prior to the member's retirement between the member and any participating agency in the systems administered by the Kentucky Retirement Systems for the member to return to employment with the participating agency. No retirement benefits shall be paid to the member until the member completes the certification required by this paragraph.
- (2) After receipt of the correctly completed form entitled "Notification of Retirement", the system shall cause to be prepared an estimate of the amounts the member or beneficiary may expect to receive under the various plans available to the member or beneficiary. This information shall be recorded on a form entitled "Estimated Retirement Allowance" and forwarded to the member or beneficiary.
- (3) The member or beneficiary shall file at the retirement office the form entitled "Estimated Retirement Allowance" after he *or she* has checked one (1) payment option of his *or her* choice, signed the document, and had his *or her* signature witnessed. A member shall not have the right to select a different payment option on or after the first day of the month in which the member receives his or her first retirement allowance or after the effective date of a deferred retirement option as provided by subsection (6) of this section, *except as provided by subsection (5) of Section 3 of this Act*. A beneficiary shall not have the right to select a different payment option after the effective date of the beneficiary's retirement allowance as provided in subsection (7) of this section.
- (4) A member or beneficiary choosing a monthly payment option shall have on file at the retirement office his *or her* birth certificate or other acceptable evidence of date of birth. If a survivorship option is chosen, proof of dates of birth of the beneficiary and member shall be on file at the retirement office.

- (5) (a) The effective date of normal retirement shall be the first month following the month in which employment from all employers participating in any of the systems administered by Kentucky Retirement Systems was terminated.
- (b) The effective date of disability retirement shall be the first month following the month in which the member's last day of paid employment in a regular full-time position occurred, provided the member files the form entitled "Estimated Retirement Allowance" no later than six (6) months following the date the notification of approval for disability retirement benefits is mailed. If the member fails to file the form entitled "Estimated Retirement Allowance" within six (6) months of the date the notification of approval for disability retirement benefits is mailed, then the member's form entitled "Notification of Retirement" shall be void. The member shall be required to submit a new form entitled "Notification of Retirement" to apply for disability retirement and reestablish eligibility for disability retirement benefits.
- (c) The effective date of early retirement shall be the first month following the month a correctly completed form entitled "Notification of Retirement" is filed at the retirement office or a future month designated by the member, if employment from all employers participating in any of the systems administered by Kentucky Retirement Systems has been terminated and if the member files the form entitled "Estimated Retirement Allowance" no later than six (6) months following termination. If the member fails to file the form entitled "Estimated Retirement Allowance" within six (6) months following the effective retirement date of the member, then the member's form entitled "Notification of Retirement" shall be void and the member shall be required to submit a new form entitled "Notification of Retirement" to apply for early retirement.
- (6) The effective date of a deferred retirement option as provided under KRS 16.576(5) shall be the month following age sixty-five (65), or the month following written notification from the member that he wishes to begin receiving retirement payments. In the event of the death of a member who has deferred his retirement allowance, the effective date of retirement shall be the month following the member's death.
- (7) Notwithstanding the provisions of KRS 16.578 or 61.640, the effective date of a beneficiary's retirement allowance under normal, early, or disability retirement shall be as prescribed in subsection (5) or (6) of this section if the member dies before the first day of the month in which the member would have received his or her first retirement allowance and his *or her* beneficiary becomes eligible for payments under KRS 16.578 or 61.640.

➔Section 6. KRS 61.598 is amended to read as follows:

- (1) For purposes of this section, "bona fide promotion or career advancement":
- (a) Means a professional advancement in substantially the same line of work held by the employee in the four (4) years immediately prior to the final five (5) fiscal years preceding retirement or a change in employment position based on the training, skills, education, or expertise of the employee that imposes a significant change in job duties and responsibilities to clearly justify the increased compensation to the member; and
- (b) Does not include any circumstance where an elected official participating in the Kentucky Employees Retirement System or the County Employees Retirement System takes a position of employment with a different employer participating in any of the state-administered retirement systems.
- (2) (a) For employees retiring from the Kentucky Employees Retirement System, the County Employees Retirement System, or the State Police Retirement System on or after January 1, 2018, the systems shall, for each of the retiring employee's last five (5) fiscal years of employment, identify any fiscal year in which the creditable compensation increased at a rate of ten percent (10%) or more annually over the immediately preceding fiscal year's creditable compensation. The employee's creditable compensation in the fiscal year immediately prior to the employee's last five (5) fiscal years of employment shall be utilized to compare the initial fiscal year in the five (5) fiscal year period.
- (b) Except as limited or excluded by subsections (3) and (4) of this section, any amount of increase in creditable compensation for a fiscal year identified under paragraph (a) of this subsection that exceeds ten percent (10%) more than the employee's creditable compensation from the immediately preceding fiscal year shall not be included in the creditable compensation used to calculate the retiring employee's monthly retirement allowance. If the creditable compensation for a specific fiscal year identified under paragraph (a) of this subsection as exceeding the ten percent (10%) increase limitation is not used to

calculate the retiring employee's monthly retirement allowance, then no reduction in creditable compensation shall occur for that fiscal year.

- (c) If the creditable compensation of the retiring employee is reduced as provided by paragraph (b) of this subsection, the retirement systems:
  - 1. Shall refund the employee contributions and interest attributable to the reduction in creditable compensation; and
  - 2. Shall not refund the employer contributions paid but shall utilize those funds to pay down the unfunded liability of the pension fund in which the retiring employee participated.
- (3) (a) In order to ensure the prospective application of the limitations on increases in creditable compensation contained in subsection (2) of this section, only the creditable compensation earned by the retiring employee on or after July 1, 2017, shall be subject to reduction under subsection (2) of this section. Creditable compensation earned by the retiring employee prior to July 1, 2017, shall not be subject to reduction under subsection (2) of this section.  
  
(b) ***If the reductions in creditable compensation during a retiring member's entire last five (5) years of employment results in a reduction in his or her monthly retirement allowance of less than twenty-five dollars (\$25) per month or an actuarially equivalent value under the various payment options, then no reduction in creditable compensation or retirement allowances shall occur under subsection (2) of this section.***
- (4) Subsection (2) of this section shall not apply to:
  - (a) A bona fide promotion or career advancement as defined by subsection (1) of this section;
  - (b) A lump-sum payment for compensatory time paid to an employee upon termination of employment;
  - (c) A lump-sum payment made pursuant to an alternate sick leave program under KRS 78.616(5) that is paid to an employee upon termination of employment;
  - (d) Increases in creditable compensation in a fiscal year over the immediately preceding fiscal year, where in the immediately preceding fiscal year the employer reported the employee as being on leave without pay for any reason, including but not limited to sick leave without pay, maternity leave, leave authorized under the Family Medical Leave Act, and any period of time where the employee received workers' compensation benefit payments that were not reported to the plan as creditable compensation;
  - (e) Increases in creditable compensation directly attributable to an employee's receipt of compensation for overtime hours worked while serving as a participating employee under any state or federal grant, grant pass-through, or similar program that requires overtime as a condition or necessity of the employer's receipt of the grant; and
  - (f) Increases in creditable compensation directly attributable to an employee's receipt of compensation for overtime performed during a state of emergency declared by the President of the United States or the Governor of the Commonwealth of Kentucky.
- (5) (a) For employees retiring on or after January 1, 2014, but prior to July 1, 2017, the last participating employer shall be required to pay for any additional actuarial costs resulting from annual increases in an employee's creditable compensation greater than ten percent (10%) over the employee's last five (5) fiscal years of employment that are not the direct result of a bona fide promotion or career advancement. The cost shall be determined by the retirement systems.  
  
(b) Lump-sum payments for compensatory time paid to an employee upon termination of employment shall be exempt from this subsection.  
  
(c) Kentucky Retirement Systems shall be required to answer inquiries from participating employers regarding this subsection. Upon request of the employer prior to the employee's change of position or hiring, the systems shall make a determination that is binding to the systems as to whether or not a change of position or hiring constitutes a bona fide promotion or career advancement.  
  
(d) For any additional actuarial costs charged to the employer under this subsection, the systems shall allow the employer to pay the costs without interest over a period of one (1) year from the date of receipt of the employer's final invoice.

- (6) The Kentucky Retirement Systems shall determine whether increases in creditable compensation during the last five (5) fiscal years of employment prior to retirement constitute a bona fide promotion or career advancement and may promulgate administrative regulations in accordance with KRS Chapter 13A to administer this section. All state-administered retirement systems shall cooperate to implement this section.
- (7) Any employer who disagrees with a determination made by the system in accordance with this section regarding whether an increase in compensation constitutes a bona fide promotion or career advancement for purposes of subsection (5) of this section may request a hearing and appeal the decision in accordance with KRS 61.645(16).
- (8) For the fiscal year beginning July 1, 2017, and subsequent years, the Kentucky Retirement Systems shall provide a means for employers to separately report the specific exceptions provided in subsection (4) of this section within the reporting system utilized by the employers for making employer reports under KRS 16.645, 61.675, and 78.545. The Kentucky Retirement Systems shall continually provide communication, instructions, training, and educational opportunities for employers regarding how to appropriately report exemptions established by subsection (4) of this section.
- (9) This section shall not apply to employees participating in the hybrid cash balance plan as provided by KRS 16.583 and 61.597 or to service in the 401(a) money purchase plan as provided by KRS 61.5956.

➔Section 7. KRS 61.615 is amended to read as follows:

- (1) If the board's medical examiner determines that a recipient of a disability retirement allowance is, prior to his *or her* normal retirement date, employed in a position with the same or similar duties, or in a position with duties requiring greater residual functional capacity and physical exertion, as the position from which he *or she* was disabled, except where the recipient has returned to work on a trial basis not to exceed nine (9) months, the system may reduce or discontinue the retirement allowance. Each recipient of a disability retirement allowance who is engaged in gainful employment shall notify the system of any employment; otherwise, the system shall have the right to recover payments of a disability retirement allowance made during the employment.
- (2) If the board's medical examiner determines that a recipient of a disability retirement allowance is, prior to his *or her* normal retirement date, no longer incapacitated by the bodily injury, mental illness, or disease for which he *or she* receives a disability retirement allowance, the board may reduce or discontinue the retirement allowance.
- (3) The system shall have full power and exclusive authority to reduce or discontinue a disability retirement allowance and the system shall utilize the services of a medical examiner as provided in KRS 61.665, in determining whether to continue, reduce, or discontinue a disability retirement allowance under this section.
  - (a) The system shall select a medical examiner to evaluate the forms and medical information submitted by the person. If there is objective medical evidence of a mental impairment, the medical examiner may request the board's licensed mental health professional to assist in determining the level of the mental impairment.
  - (b) The medical examiners shall be paid a reasonable amount by the retirement system for each case evaluated.
  - (c) The medical examiner shall recommend that disability retirement allowance be continued, reduced, or discontinued.
    1. If the medical examiner recommends that the disability retirement allowance be continued, the system shall make retirement payments in accordance with the retirement plan selected by the person.
    2. If the medical examiner recommends that the disability retirement allowance be reduced or discontinued, the system shall send notice of the recommendation by United States first-class mail to the person's last address on file in the retirement office.
      - a. The person shall have sixty (60) days from the day that the system mailed the notice to file at the retirement office additional supporting employment or medical information and certify to the retirement office that the forms and additional supporting employment information or medical information are ready to be evaluated by the medical examiner or to appeal the recommendation of the medical examiner to reduce or discontinue the

- disability retirement allowance by filing at the retirement office a request for a formal hearing.
- b. If the person fails or refuses to file at the retirement office the forms, the additional supporting employment information, and current medical information or to appeal the recommendation of the medical examiners to reduce or discontinue the disability retirement allowance, his *or her* retirement allowance shall be discontinued on the first day of the month following the expiration of the period of the sixty (60) days from the day the system mailed the notice of the recommendation to the person's last address on file in the retirement office.
- (d) The medical examiner shall make a recommendation based upon the evaluation of additional supporting medical information submitted in accordance with paragraph (c)2.a. of this subsection.

    - a. The person shall have sixty (60) days from the day that the system mailed the notice of the recommendation to appeal the recommendation to reduce or discontinue the disability retirement allowance by filing at the retirement office a request for formal hearing.
    - b. - (e) Any person whose disability benefits have been reduced or discontinued, pursuant to paragraph (c)2. or (d)2. of this subsection, may file at the retirement office a request for formal hearing to be conducted in accordance with KRS Chapter 13B. The right to demand a formal hearing shall be limited to a period of sixty (60) days after the person had notice, as described in paragraph (c) or (d) of this subsection. The request for formal hearing shall be filed with the system, at the retirement office in Frankfort. The request for formal hearing shall include a short and plain statement of the reasons the reduction, discontinuance, or denial of disability retirement is being contested.
- (f) Failure of the person to request a formal hearing within the period of time specified shall preclude the person from proceeding any further with contesting the reduction or discontinuation of disability retirement allowance, except as provided in subsection (6)(d) of this section. This paragraph shall not limit the person's right to appeal to a court.
- (g) A final order of the board shall be based on substantial evidence appearing in the record as a whole and shall set forth the decision of the board and the facts and law upon which the decision is based. If the board orders that the person's disability retirement allowance be discontinued or reduced, the order shall take effect on the first day of the month following the day the system mailed the order to the person's last address on file in the retirement office. - (h) Notwithstanding any other provisions of this section, the system may require the person to submit to one (1) or more medical or psychological examinations at any time. The system shall be responsible for any costs associated with any examinations of the person requested by the medical examiner or the system for the purpose of providing medical information deemed necessary by the medical examiner or the system. Notice of the time and place of the examination shall be mailed to the person or his *or her* legal representative. If the person fails or refuses to submit to one (1) or more medical examinations, his *or her* rights to further disability retirement allowance shall cease.
- (i) All requests for a hearing pursuant to this section shall be made in writing.

- (4) The board may establish an appeals committee whose members shall be appointed by the chair and who shall have the authority to act upon the recommendations and reports of the hearing officer pursuant to this section on behalf of the board.
- (5) Any person aggrieved by a final order of the board may seek judicial review after all administrative appeals have been exhausted by filing a petition for judicial review in the Franklin Circuit Court in accordance with KRS Chapter 13B.
- (6) If a disability retirement allowance is reduced or discontinued for a person who began participating in the system prior to January 1, 2014, the person may apply for early retirement benefits as provided under KRS 61.559, subject to the following provisions:

  - (b) If the person has returned to employment with an employer participating in one (1) of the systems administered by Kentucky Retirement Systems, the service and creditable compensation shall be used in recomputing his *or her* benefit, except that the person's final compensation shall not be less than the final compensation last used in determining his *or her* retirement allowance;
  - (c) The benefit shall be reduced as provided by KRS 61.595(2);
  - (d) The person shall remain eligible for reinstatement of his *or her* disability allowance upon reevaluation by the medical review board until his *or her* normal retirement age. Bodily injuries, mental illnesses, diseases, or conditions that came into existence after the person's last day of paid employment shall not be considered as a basis for reinstatement of disability benefits. Bodily injuries, mental illnesses, diseases, or conditions alleged by the person as being incapacitating, but which were not the basis for the award of disability retirement benefits, shall not be considered. If the person establishes that the disability benefits should be reinstated, the retirement system shall pay disability benefits effective from the first day of the month following the month in which the person applied for reinstatement of the disability benefits; and
  - (e) Upon attaining normal retirement age, the person shall receive the higher of either his *or her* disability retirement allowance or his *or her* early retirement allowance.
- (7) No disability retirement allowance shall be reduced or discontinued by the system after the person's normal retirement date except in case of reemployment as provided for by KRS 61.637. If a disability retirement allowance has been reduced or discontinued, except if the person is reemployed as provided for by KRS 61.637, the retirement allowance shall be reinstated upon attainment of the person's normal retirement date to the retirement allowance prior to adjustment. No reinstated payment shall be less than the person is receiving upon attainment of the person's normal retirement date.

➔Section 8. KRS 61.630 is amended to read as follows:

- (1) If a retired member who did not elect an optional retirement plan dies at any time on or after the first day of the month in which the member received or would have received his or her first retirement allowance but before receiving total retirement allowances provided in KRS 16.510 to 16.652, KRS 61.515 to 61.705, and KRS 78.520 to 78.852 at least equal to his accumulated contributions as of the date of his *or her* retirement, the difference between the accumulated contributions and the total allowances shall be payable in a lump sum to the properly designated beneficiary. ***Except as otherwise provided by subsection (5) of Section 3 of this Act,*** if a living person designated as the beneficiary predeceases the retired member, the estate shall become the beneficiary. ***Except as otherwise provided by subsection (5) of Section 3 of this Act,*** if a spouse designated as the beneficiary is divorced from the retired member as of the member's death, the estate shall become the beneficiary.
- (2) If a retired member who elected an optional retirement plan and his *or her* beneficiary both die at any time on or after the first day of the month in which the member received or would have received his or her first retirement allowance but before receiving total retirement allowances provided in KRS 16.510 to 16.652, KRS 61.515 to 61.705, and KRS 78.520 to 78.852 at least equal to the retired member's accumulated contributions as of the date of his *or her* retirement, the difference between the accumulated contributions and the total

allowances shall be payable in a lump sum to the estate of the last deceased, except that the retired member's estate shall receive the payment if the beneficiary was the spouse and they were divorced as of the date of the member's death. If the retired member and beneficiary die simultaneously, the estate of the retired member shall become the beneficiary.

- (3) If a beneficiary receiving a lifetime retirement allowance under KRS 16.578 or 61.640 dies before receiving total retirement allowances provided in KRS 16.510 to 16.652, KRS 61.515 to 61.705, and KRS 78.520 to 78.852 at least equal to the member's accumulated contributions as of the date of the member's death, the difference between the accumulated contributions and the total allowances shall be payable in a lump sum to the estate of the beneficiary.
- (4) If a beneficiary receiving a retirement allowance for sixty (60) or one hundred twenty (120) months certain under KRS 16.576, 16.578, or 61.640, or a beneficiary receiving a retirement allowance under KRS 61.635(5), (6), or (7), dies before receiving all payments under the plan, the executor or administrator of his *or her* estate shall receive a lump sum payment which shall be the actuarial equivalent to the remaining payments.
- (5) If the system is unable to verify a recipient's whereabouts or whether the recipient is living, the system shall suspend the recipient's retirement allowance. If the recipient is located, the system shall restore to the recipient all suspended retirement allowances.

➔Section 9. KRS 61.640 is amended to read as follows:

- (1) If a member dies prior to the first day of the month in which the member would have received his or her first retirement allowance, the member's beneficiary shall be eligible for the benefits provided by this section if the member had on file a written designation of a beneficiary with the retirement office as provided by KRS 61.542 and the member met the following conditions at the date of his or her death:
  - (a) The member was eligible to retire under KRS 61.559(2) or (3), 61.5956(5)(a) or (b), or 61.597(6)(a) or (b);
  - (b) The member was in active employment or on authorized leave of absence with five (5) or more years of service credit and died prior to his or her normal retirement date or was normal retirement age or older and had at least four (4) years of service credit; or
  - (c) The member was not in active employment or on authorized leave of absence with twelve (12) or more years of service credit and died prior to his or her normal retirement date.
- (2) If the beneficiary eligible for benefits as provided in subsection (1) of this section is a single person, then the beneficiary may elect to receive:
  - (a) A monthly benefit payable for the life of the beneficiary that is equal to the benefit that would have been paid had the member retired immediately prior to his or her date of death and elected to receive benefits payable under the survivorship one hundred percent (100%) option as provided in KRS 61.635(2);
  - (b) A monthly benefit payable for the life of the beneficiary under the beneficiary Social Security adjustment option as provided in KRS 61.635(9) that is the actuarial equivalent to the amount computed under paragraph (a) of this subsection;
  - (c) A monthly benefit payable for a period of sixty (60) months that is the actuarial equivalent to the amount computed under paragraph (a) of this subsection;
  - (d) A monthly benefit payable for a period of one hundred twenty (120) months that is the actuarial equivalent to the amount computed under paragraph (a) of this subsection;
  - (e) If the member began participating in the system prior to January 1, 2014, a monthly benefit payable for:
    1. ***Sixty (60) months certain;***~~[a period of]~~
    2. One hundred twenty (120) months ***certain;***
    3. ***The actuarial equivalent refund; or***
    4. ***The Social Security adjustment option;***

that is equivalent to the benefit the member would have been entitled to receive based on his or her years of service and final compensation at the date of his or her death reduced by the survivorship fifty

- (3) If the beneficiary eligible for benefits as provided by subsection (1) of this section are multiple beneficiaries or a trust, then the multiple beneficiaries by consensus or the trustee may elect to receive the actuarial equivalent amounts payable under subsection (2)(c), (d), (e), or (f) of this section using the assumption that the beneficiary's age is the same as the member's age.
- (4) If the beneficiary eligible for benefits as provided in subsection (1) of this section is the member's estate, then the beneficiary shall receive the higher of a refund of the member's accumulated account balance as described in KRS 61.625(1) or the one (1) time lump-sum payment payable under subsection (2)(f) of this section, using the assumption that the beneficiary's age is the same as the member's age.
- (5) Payments of taxable distributions made pursuant to this section shall be subject to state and federal income tax as appropriate.

➔Section 10. KRS 61.680 is amended to read as follows:

Except as limited by KRS 6.525, 21.374, 61.5955, or 61.5956:

- (1) Prior to August 1, 1982, every employee shall be deemed to consent and agree to any deduction from his compensation required by KRS 6.500 to 6.535, 16.505 to 16.652, 61.510 to 61.692, 78.510 to 78.852, and to all other provisions thereof. Thereafter, employee contributions shall be picked up by the employer pursuant to KRS 61.560(4).
- (2) (a) Notwithstanding any other provisions of KRS 6.500 to 6.535, 16.505 to 16.652, 61.510 to 61.692, 78.510 to 78.852 and 161.220 to 161.714:
  - 1. Upon death, disability, or service retirement, a member's accounts under the Legislators' Retirement Plan, State Police Retirement System, Kentucky Employees Retirement System, County Employees Retirement System, and Teachers' Retirement System, except for service prohibited by KRS 161.623(2), shall be consolidated for the purpose of determining eligibility and amount of benefits, including those members who participate in the hybrid cash balance plan or 401(a) money purchase plans within the Kentucky Employees Retirement System, the County Employees Retirement System, the State Police Retirement System, or the Teachers' Retirement System;
  - 2. Vested service credit in a retirement system, other than the Teachers' Retirement System, sponsored by a Kentucky institution of higher education and accepted by the Kentucky Employees Retirement System or the County Employees Retirement System, may be used to determine eligibility for twenty-seven (27) year retirement for an employee who begins participating before September 1, 2008, but not the amount of benefits;
  - 3. The computation of benefits shall be based on the applicable formula in each system and service credit in each system, but the final compensation, excluding compensation earned under KRS 161.155(10), shall be determined as if all service were in one (1) system;
  - 4. If the member has prior service in more than one (1) system administered by Kentucky Retirement Systems, he shall obtain at least twelve (12) months' current service in each system in which he has prior service in order to validate the prior service in each system for purposes of determining consolidated benefits under this subsection; and
  - 5. Upon the determination of benefits, each system shall pay the applicable amount of benefits due the member.
- (b) The provisions of paragraph (a) of this subsection shall be waived if the member:
  - 1. Notifies the system of his desire to maintain separate retirement accounts in the State Police Retirement System, Kentucky Employees Retirement System, or County Employees Retirement System; or
  - 2. Fails to simultaneously retire from all state-administered retirement systems in which the member has an account or fails to retire from any other systems not administered by Kentucky

Retirement Systems within one (1) month of the member's effective retirement date in the systems administered by Kentucky Retirement Systems.

- (c) If the member has not contributed at least one (1) year in a system in which he has prior service, his current service in the system shall be valid for purposes of determining eligibility and in computation of benefits on a consolidated basis.
- (3)
- (a) A member with service credit in the Kentucky Employees Retirement System, State Police Retirement System, or the County Employees Retirement System who becomes the holder of an office entitling him to membership in the Judicial Retirement Plan or the Legislators' Retirement Plan, but who does not elect within thirty (30) days after taking office in such service to participate in the plan, in accordance with KRS 6.505 or 21.360, shall be deemed to have elected to retain membership in the system in which he is a member, either the Kentucky Employees Retirement System, State Police Retirement System, or the County Employees Retirement System. In that event, the agency employing the member shall withhold employee contributions, or picked-up employee contributions after August 2, 1982, make employer contributions and remit these contributions to the system in which the member retained his membership.
  - (b) Any person entitled to membership in the Judicial Retirement Plan or the Legislators' Retirement Plan, who does not elect within thirty (30) days after taking office to participate in the plan, in accordance with KRS 6.505 or 21.360, and who at the time of taking office is not a contributing member of, or does not have service credit in, any of the retirement systems mentioned in this section, or the Teachers' Retirement System, shall participate in the Kentucky Employees Retirement System.
  - (c) A member of one (1) of the state-administered retirement plans who ceases to contribute to the plan as provided in KRS 21.360 and who is employed in a nonelected position by an agency participating in the Kentucky Retirement Systems or Kentucky Teachers' Retirement System shall be deemed to have elected membership in the system in which the employer of the nonelected position participates. A member of one (1) of the state-administered retirement plans who ceases to contribute to the plan as provided in KRS 21.360 and who is not employed in a nonelected position by an agency participating in the Kentucky Retirement Systems shall be deemed to have elected membership in the Kentucky Employees Retirement System.
- (4)
- (a) Prior to July 1, 1976, a person entering the service of an employer participating in the Kentucky Employees Retirement System or the County Employees Retirement System with service credit in the Teachers' Retirement System and who desires to retain membership in the Teachers' Retirement System, and who is permitted by that system to continue, shall be exempt from participating in the Kentucky Employees Retirement System or the County Employees Retirement System.
  - (b) Any person who has elected to retain membership in the Teachers' Retirement System as provided in paragraph (a) of this subsection may cancel his election and participate in the system under which his position would normally participate, if he elects to cancel his option prior to January 1, 1977.
  - (c) Any member of the General Assembly who upon election is a contributing member of the Teachers' Retirement System and who does not elect within thirty (30) days after taking office to participate in the Legislators' Retirement Plan, in accordance with KRS 6.505, shall during his term of office participate in the Kentucky Employees Retirement System unless an election to retain membership in the Teachers' Retirement System is filed in writing within ninety (90) days after his term of office begins. No contributions may be made to the Teachers' Retirement System for the same period of service under the Legislators' Retirement Plan or the Kentucky Employees Retirement System as a member of the General Assembly, but contributions made to the Teachers' Retirement System while a member of the General Assembly shall be transferred to the Legislators' Retirement Plan, as provided for in KRS 6.535, when the member elects to join the Legislators' Retirement Plan, and service credit in the Legislators' Retirement Plan shall be granted as provided for in KRS 6.505(5).
- (5) Any member of the Kentucky Employees Retirement System or County Employees Retirement System who is working in a position covered by one (1) of these retirement systems and his employee contributions, service credit and employer contributions made on his behalf are being transferred to the other retirement system shall contribute to the system in which his employer participates, or after August 1, 1982, the employer shall pick up the employee contributions, and no further contributions or service credit shall be transferred to the system in which he elected to retain membership, as subsection (2) of this section eliminates the necessity of the transfers.

- (6) *Except as provided by subsection (3)(b)2. of Section 4 of this Act*, any member of the Kentucky Employees Retirement System or County Employees Retirement System who is working in more than one (1) position covered by the same retirement system, shall have his wages and contributions consolidated and his retirement account administered as a single account. If part-time positions are involved, an accumulation of all hours worked within the same retirement system shall be used to determine eligibility under KRS 61.510(21).
- (7) (a) Notwithstanding the provisions of subsection (2) of this section, a person who does not have the amount of service required for service retirement in the State Police Retirement System, Kentucky Employees Retirement System, County Employees Retirement System, Legislators' Retirement Plan, or Teachers' Retirement System, but who is a member of one (1) of the systems or is a former member of one (1) or more of the systems with valid service credit therein, shall become eligible for service retirement benefits attributable to the amount of his actual service credit in each system in which he has service credit when his combined service credit in all the systems, plus any service credit he has in the Judicial Retirement Plan, is equal to that required for service retirement in each respective system. The computation of benefits shall be based on the applicable formula in each system and service credit in each system, except that total service in all systems, unless prohibited by KRS 161.623(2), shall be used to determine the reduction for early retirement, if any. Except as provided in KRS 21.360, the final compensation shall be determined by using the creditable compensation reported to the State Police Retirement System, Kentucky Employees Retirement System, County Employees Retirement System, Legislators' Retirement Plan, or Teachers' Retirement System and only as much of the compensation earned in the Judicial Retirement Plan as is needed to satisfy the final compensation requirement applicable in the respective retirement systems.
- (b) Paragraph (a) of this subsection shall be waived if the member fails to simultaneously retire from all state-administered retirement systems in which the member has an account or fails to retire from any other systems not administered by Kentucky Retirement Systems within one (1) month of the member's effective retirement date in the systems administered by the Kentucky Retirement Systems.
- (8) Each retirement system from which the member retires shall pay a retirement allowance upon receipt of required forms and documents, except that no retirement system shall pay a retirement allowance or annuity until all forms and documents are filed at all retirement systems in compliance with each system's requirements.

➔Section 11. KRS 161.520 is amended to read as follows:

Upon the death of an active contributing member or upon the death of a member retired for disability, except as provided in KRS 161.661(6), the survivors of the deceased member in the following named order, may elect to receive a survivor's benefit payable as follows:

- (1) Where there is a surviving widow or widower who is named as the primary beneficiary of the member's retirement account, the benefit shall be:
- (a) One hundred eighty dollars (\$180) per month with no restriction on other income;
- (b) Two hundred forty dollars (\$240) per month when the surviving widow or widower's total income from all sources does not exceed six thousand six hundred dollars (\$6,600) per year or five hundred fifty dollars (\$550) per month; or
- (c) If the deceased member has a minimum of ten (10) years of service credit with the Teachers' Retirement System, the surviving widow or widower may apply for an annuity actuarially equivalent to the annuity that would have been paid to the deceased member when eligibility conditions were met. Eligibility for payments would begin at the time the age of the deceased member would have met the requirements of KRS 161.235(6) or 161.600(1), as applicable. In exercising this right, the surviving widow or widower shall be entitled to receive an annuity for life ~~except as provided in subsection (6) of this section~~. This subsection applies to surviving spouses of members who die on or after July 1, 1978. A surviving widow or widower of a member who dies after July 1, 1978, shall be eligible for benefit payments provided under paragraphs (a) and (b) of this subsection until they begin receiving payments under this provision;
- (2) (a) Where there are surviving unmarried children under age eighteen (18) or under age nineteen (19) if a full-time student in high school, the benefit shall be two hundred dollars (\$200) per month in the case of one (1) child, three hundred forty dollars (\$340) per month in the case of two (2) children, four hundred dollars (\$400) per month in the case of three (3) children, and four hundred forty dollars (\$440) per

month in the case of four (4) or more children. Benefits under this subsection shall apply in addition to benefits which may be payable under subsections (1) and (3) of this section.

- (b) Notwithstanding any provision of law to the contrary, the surviving spouse may elect to receive a lump-sum refund of the member's accumulated account balance in lieu of the survivorship benefits payable under this subsection and subsection (1) of this section only if the surviving spouse is designated as the primary beneficiary and:
    - 1. Is a biological or adoptive parent of all children eligible for a benefit under this subsection and has not had his or her parental rights terminated; or
    - 2. Has been appointed as legal guardian of all of the children eligible under paragraph (a) of this subsection.
  - (c) To elect a lump-sum refund of the member's accumulated account balance under paragraph (b) of this subsection, the surviving spouse who is designated as the primary beneficiary must sign a waiver on forms prescribed by the retirement system of his or her rights and the member's children's rights to the survivorship benefits payable under this subsection and subsection (1) of this section. The surviving spouse shall not waive the survivorship benefits available under this subsection or subsections (1) and (6) of this section if any of the member's children have attained age eighteen (18) or older unless all of those children consent in writing on forms prescribed by the retirement system to waive their survivorship benefits available under this subsection;
- (3) (a) Where the survivor is a child age eighteen (18) or older whose mental or physical condition is sufficient to cause his dependency on the deceased member at the time of the member's death, the benefit shall be two hundred dollars (\$200) per month, payable for the life of the child or until the time as the mental or physical condition creating the dependency no longer exists or the child marries. The mental or physical condition of the adult child shall be revealed by a competent examination by a licensed physician and shall be approved by a majority of a medical review committee as defined in KRS 161.661(14). Benefits under this subsection shall apply in addition to benefits which may be payable under subsections (1) and (2) of this section.
  - (b) Notwithstanding any provision of law to the contrary, the surviving spouse shall not elect to receive a lump-sum refund of the member's accumulated account balance in lieu of the survivorship benefits payable under this subsection and subsection (1) of this section unless:
    - 1. The surviving spouse is designated as the primary beneficiary;
    - 2. The surviving spouse has been appointed by the court as guardian, conservator, or other fiduciary with sufficient general or specific authority to waive the survivorship benefits available under this subsection for any child or children age eighteen (18) or older who have been adjudicated incompetent to make decisions on their own behalf by a court of law; and
    - 3. Any child or children age eighteen (18) or older who are mentally competent to make decisions on their own behalf as attested to by two (2) physicians' statements consent in writing on forms prescribed by the retirement system to waive their survivorship benefits available under this subsection.
  - (c) If eligible to elect a lump-sum refund of the member's accumulated account balance, the surviving spouse shall sign a waiver on forms prescribed by the retirement system of his or her rights and the member's children's rights to the survivorship benefits payable under this subsection and subsections (1) and (2) of this section;
- (4) Where the sole eligible survivors are dependent parents aged sixty-five (65) or over, the benefit shall be two hundred dollars (\$200) per month for one (1) parent or two hundred ninety dollars (\$290) per month for two (2) parents. Dependency of a parent shall be established as of the date of the death of the member;
  - (5) Where the sole eligible survivor is a dependent brother or sister, the benefit shall be one hundred sixty five dollars (\$165) per month. In order to qualify the brother or sister must have been a resident of the deceased member's household for at least one (1) full year prior to the member's death or must have been receiving care in a hospital, nursing home, or other institution at the member's expense for same period;
  - (6) The benefit to a child as defined in subsection (2) of this section shall terminate upon the attainment of age eighteen (18) or upon reaching age nineteen (19), if a full-time student in high school, or upon marriage, except that benefits shall continue until the attainment of age twenty-three (23) for an unmarried child who is a

full-time student in a recognized educational program beyond the high school level. The benefit to a ~~widow, widower,~~ dependent parent ~~or dependent brother or sister or dependent child age eighteen (18) or older~~ shall terminate upon marriage, or upon termination of the condition creating the dependency;

- (7) The board of trustees shall be the sole judge of eligibility or dependency of any beneficiary, and may require formal application or information relating to eligibility or dependency, including proof of annual income satisfactory to the board. The board of trustees may subpoena records and individuals whenever it deems this action necessary;
- (8) No payment of benefits shall be made unless the board of trustees authorizes the payment. The board shall promulgate administrative regulations for the administration of the provisions in this section and in every case the decision of the board of trustees shall be final as to eligibility, dependency, or disability, and the amount of benefits payable;
- (9) In the event that there are no eligible survivors as defined in subsections (1) to (5) of this section, or in the event that the surviving spouse elects not to receive survivorship benefits on his or her own behalf or on behalf of any of the member's children as permitted under subsections (2) and (3) of this section, the board of trustees shall pay to the estate or the designated beneficiaries of the deceased member a refund of his accumulated account balance as provided in KRS 161.470(7). If the benefits paid or payable under subsections (1) to (5) of this section and KRS 161.661 shall amount to a sum less than the member's accumulated account balance at the time of death, the board of trustees shall pay to the estate or designated beneficiaries of the deceased member the balance of the accumulated account balance;
- (10) Any person who is receiving benefits and becomes disqualified from receiving those benefits under this section shall immediately notify the Teachers' Retirement System of this disqualification in writing and shall return all benefits paid after the date of disqualification. Failure to comply with these provisions shall create an indebtedness of that person to the Teachers' Retirement System. Interest at the rate of eight percent (8%) per annum shall be charged if the debt is not repaid within sixty (60) days after the date of disqualification. Failure to repay this debt creates a lien in favor of the Teachers' Retirement System upon all property of the person who improperly receives benefits and does not repay those benefits; and

  - (d) *The full increase described by this subsection shall only be provided if the recipient has been receiving a benefit for at least twelve (12) months prior to the effective date of the increase. ➔SECTION 6. A NEW SECTION OF KRS 78.510 TO 78.852 IS CREATED TO READ AS FOLLOWS:

- (b) *"Hazardous position" for employees who begin participating in the County Employees Retirement System on or after September 1, 2008, means police officers and firefighters as defined in KRS 61.315(1), paramedics, correctional officers with duties that routinely and regularly require face-to-face contact with inmates, and emergency medical technicians, if:*
1. *The employee's duties require frequent exposure to a high degree of danger or peril and a high degree of physical conditioning; and*
  2. *The employee's duties are not primarily clerical or administrative.*
- (2) (a) *Each employer may request of the board hazardous coverage for those positions as defined in subsection (1) of this section. Upon request, each employer shall certify to the system, in the manner prescribed by the board, the names of all employees working in a hazardous position as defined in subsection (1) of this section for which coverage is requested. The certification of the employer shall bear the approval of the agent or agency responsible for the budget of the employer indicating that the required employer contributions have been provided for in the budget of the employer. The system shall determine whether the employees whose names have been certified by the employer are working in positions meeting the definition of a hazardous position as provided by subsection (1) of this section.*
- (b) *Each employer shall also certify, under penalty of perjury in accordance with KRS Chapter 523, that each employee's actual job duties are accurately reflected in the job description provided to the system. The system shall determine whether the employees whose names have been certified by the employer are working in positions meeting the definition of a hazardous position as defined in subsection (1) of this section.*
- (c) *The board shall have the authority to remove any employee from hazardous coverage if the board determines the employee is not working in a hazardous position or if the employee is classified in a hazardous position but has individual job duties that do not meet the definition of a hazardous position or are not accurately reflected in the job descriptions filed by the employer with the system.*
- (3) (a) *If the employer participated in the system prior to electing hazardous coverage, the employer may pay to the system the cost of converting the nonhazardous service to hazardous service from the date of participation to the date the payment is made, or the employer may establish a payment schedule for payment of the cost of the hazardous service above that which would be funded within the existing employer contribution rate. The employer may extend the payment schedule to a maximum of thirty (30) years. Payments made by the employer under this subsection shall be deposited to the retirement allowance account of the proper retirement or retiree health fund and shall not be considered accumulated contributions of the individual members.*
- (b) *If the employer elects not to make the additional payment as provided by paragraph (a) of this subsection, the employee may pay the cost of converting the service and provide payment for the cost as provided by subsection (9) of Section 52 of this Act. Payments made by the employee under this subsection shall not be picked up, as described in KRS 78.610(4), by the employer.*
- (c) *If neither the employer nor employee makes the payment, the service prior to hazardous position coverage shall remain nonhazardous.*
- (d) *The provisions of this subsection shall not apply to members who begin participating in the system on or after January 1, 2014.*
- (4) *Any person employed in a hazardous position shall be required to undergo a thorough medical examination by a licensed physician, and a copy of the medical report of the physician shall be retained on file by the person's employer and made available to the system upon request.*

  - (b) *For a person whose membership date is prior to August 1, 2004, the person shall not be eligible for an unreduced retirement allowance;*
  - (c) *The person's application shall be on file in the retirement office no later than twenty-four (24) months after the person's last day of paid employment in a regular full-time position, as defined in KRS 78.510; and*
  - (d) *The person shall receive a satisfactory determination pursuant to Section 69 of this Act.*
- (2) *A person's disability reapplication based on the same claim of incapacity shall be accepted and reconsidered for disability if accompanied by new objective medical evidence. The reapplication shall be on file in the retirement office no later than twenty-four (24) months after the person's last day of paid employment in a regular full-time position.*
- (3) *Upon the examination of the objective medical evidence by licensed physicians pursuant to Section 69 of this Act, it shall be determined that:*
- (a) *The person, since his or her last day of paid employment, has been mentally or physically incapacitated to perform the job, or jobs of like duties, from which he or she received his or her last paid employment. In determining whether the person may return to a job of like duties, any reasonable accommodation by the employer as provided in 42 U.S.C. sec. 12111(9) and 29 C.F.R. pt. 1630 shall be considered;*
  - (b) *The incapacity is a result of bodily injury, mental illness, or disease. For purposes of this section, "injury" means any physical harm or damage to the human organism other than disease or mental illness;*
  - (c) *The incapacity is deemed to be permanent; and*
  - (d) *The incapacity does not result directly or indirectly from bodily injury, mental illness, disease, or condition which pre-existed membership in the system or reemployment, whichever is most recent. For purposes of this subsection, reemployment shall not mean a change of employment between employers participating in the Kentucky Retirement Systems or the County Employees Retirement System with no loss of service credit.*
- (4) *Subsection (3)(d) of this section shall not apply if:*
- (a) *The incapacity is a result of bodily injury, mental illness, disease, or condition which has been substantially aggravated by an injury or accident arising out of or in the course of employment; or*
  - (b) *The person has at least sixteen (16) years' current or prior service for employment with employers participating in the Kentucky Retirement Systems or the County Employees Retirement System.*
- (5) (a) 1. *An incapacity shall be deemed to be permanent if it is expected to result in death or can be expected to last for a continuous period of not less than twelve (12) months from the person's last day of paid employment in a regular full-time position.*
2. *The determination of a permanent incapacity shall be based on the medical evidence contained in the member's file and the member's residual functional capacity and physical exertion requirements.*
- (b) *The person's residual functional capacity shall be the person's capacity for work activity on a regular and continuing basis. The person's physical ability shall be assessed in light of the severity of the person's physical, mental, and other impairments. The person's ability to walk, stand, carry, push, pull, reach, handle, and other physical functions shall be considered with regard to physical impairments. The person's ability to understand, remember, and carry out instructions and respond appropriately to supervision, coworkers, and work pressures in a work setting shall be considered with regard to mental impairments. Other impairments, including skin impairments, epilepsy, visual sensory impairments, postural and manipulative limitations, and environmental restrictions, shall be considered in conjunction with the person's physical and mental impairments to determine residual functional capacity.*
  - (c) *The person's physical exertion requirements shall be determined based on the following standards:*

1. *Sedentary work shall be work that involves lifting no more than ten (10) pounds at a time and occasionally lifting or carrying articles such as large files, ledgers, and small tools. Although a sedentary job primarily involves sitting, occasional walking and standing may also be required in the performance of duties.*
  2. *Light work shall be work that involves lifting no more than twenty (20) pounds at a time with frequent lifting or carrying of objects weighing up to ten (10) pounds. A job shall be in this category if lifting is infrequently required but walking and standing are frequently required, or if the job primarily requires sitting with pushing and pulling of arm or leg controls. If the person has the ability to perform substantially all of these activities, the person shall be deemed capable of light work. A person deemed capable of light work shall be deemed capable of sedentary work unless the person has additional limitations such as the loss of fine dexterity or inability to sit for long periods.*
  3. *Medium work shall be work that involves lifting no more than fifty (50) pounds at a time with frequent lifting or carrying of objects weighing up to twenty-five (25) pounds. If the person is deemed capable of medium work, the person shall be deemed capable of light and sedentary work.*
  4. *Heavy work shall be work that involves lifting no more than one hundred (100) pounds at a time with frequent lifting or carrying of objects weighing up to fifty (50) pounds. If the person is deemed capable of heavy work, the person shall also be deemed capable of medium, light, and sedentary work.*
  5. *Very heavy work shall be work that involves lifting objects weighing more than one hundred (100) pounds at a time with frequent lifting or carrying of objects weighing fifty (50) or more pounds. If the person is deemed capable of very heavy work, the person shall be deemed capable of heavy, medium, light, and sedentary work.*
- (6) *Upon disability retirement, an employee may receive a disability retirement allowance during his or her lifetime which shall be:*
- (a) *For a member who began participating prior to August 1, 2004, an annual retirement allowance payable monthly and determined in the same manner as for retirement at his normal retirement date with years of service and final compensation being determined as of the date of his or her disability, except that service credit shall be added to the person's total service beginning with his or her last date of paid employment and continuing to his or her sixty-fifth birthday; however, the maximum service credit added shall not exceed the total service the person had upon his or her last day of paid employment, and the maximum combined service credit for calculating his or her disability retirement allowance, including total service and added service shall not exceed twenty-five (25) years. If, however, a person covered by this paragraph has accumulated twenty-five (25) or more years of total service, he or she shall receive added service necessary to bring his or her combined service credit, including total and added service, to twenty-seven (27) years;*
  - (b) *For a member who began participating on or after August 1, 2004, but prior to January 1, 2014, the higher of twenty percent (20%) of the member's monthly final rate of pay or the monthly retirement allowance determined in the same manner as for retirement at his or her normal retirement date with years of service and final compensation being determined as of the date of his or her disability; or*
  - (c) *For a member who begins participating on or after January 1, 2014, in the hybrid cash balance plan as provided by Section 2 of this Act, the higher of twenty percent (20%) of the member's monthly final rate of pay or the retirement allowance determined in the same manner as for retirement at his or her normal retirement date under Section 2 of this Act.*
- (7) *No benefit provided in this section shall be reduced as a result of any change in the extent of disability of any retired member who is normal retirement age or older.*
- (8) *A person whose last day of paid employment was in a nonhazardous position who is totally and permanently disabled due to a duty-related injury may be eligible for benefits based upon the definitions, criteria, and requirements specified by KRS 61.621.*

  2. *"Hazardous disability" means a disability which results in an employee's total incapacity to continue as an employee in a hazardous position, but the employee is not necessarily deemed to be totally and permanently disabled to engage in other occupations for remuneration or profit.*
- (b) *In determining whether the disability meets the requirement of this section, any reasonable accommodation provided by the employer as provided in 42 U.S.C. sec. 12111(9) and 29 C.F.R. pt. 1630 shall be considered.*
- (c) *If the board determines that the total and permanent disability of a member receiving a retirement allowance under this section has ceased, then the board shall determine if the member has a hazardous disability as defined by KRS 78.510.*
- (2) *Any person may qualify to retire on disability, subject to the following:*
- (a) *The person shall have sixty (60) months of service, twelve (12) of which shall be current service credited under KRS 16.543(1), 61.543(1), or 78.615(1). The service requirement shall be waived if the disability is a total and permanent disability or a hazardous disability and is a direct result of an act in line of duty;*
  - (b) *For a person whose membership date is prior to August 1, 2004, the person shall not be eligible for an unreduced retirement allowance;*
  - (c) *The person's application shall be on file in the retirement office no later than twenty-four (24) months after the person's last day of paid employment, as defined in KRS 78.510, in a regular full-time position that has been approved as a hazardous position in accordance with Section 6 of this Act;*

2. *The determination of a permanent incapacity shall be based on the medical evidence contained in the member's file and the member's residual functional capacity and physical exertion requirements.*
- (b) *The person's residual functional capacity shall be the person's capacity for work activity on a regular and continuing basis. The person's physical ability shall be assessed in light of the severity of the person's physical, mental, and other impairments. The person's ability to walk, stand, carry, push, pull, reach, handle, and other physical functions shall be considered with regard to physical impairments. The person's ability to understand, remember, and carry out instructions and respond appropriately to supervision, coworkers, and work pressures in a work setting shall be considered with regard to mental impairments. ➔SECTION 11. A NEW SECTION OF KRS 78.510 TO 78.852 IS CREATED TO READ AS FOLLOWS:

*Notwithstanding any other provisions of KRS 78.510 to 78.852, a maximum disability benefit is hereby established which shall apply, upon disability retirement, to any disabled employee's account to which service credit is added to determine disability benefits or in any case where disability benefits are determined by computing a percentage of the disabled employee's final monthly rate of pay. The maximum disability benefit shall be determined by the following formula:*

- (1) *Add the monthly benefit payable to the disabled employee from the County Employees Retirement System and the Kentucky Retirement Systems, using the monthly disability retirement allowance without any reduction due to the selection of an optional payment plan under KRS 61.635 but excluding dependent children's allowances, if any, to his monthly benefit, if any, from Social Security, even though these payments may not begin for a period of time as required for qualification under the federal Social Security law, excluding spouse or dependent benefits, and his monthly benefit, if any, from workers' compensation, even though these payments may not have begun as of the date the disabled member applies for disability retirement benefits, excluding spouse or dependent children's allowances, from workers' compensation, to arrive at a projected combined monthly benefit.*
- (2) *If the projected combined monthly benefit exceeds one hundred percent (100%) of the disabled employee's final rate of pay or his final compensation, whichever is greater, his disability retirement allowance from the County Employees Retirement System and the Kentucky Retirement Systems shall be reduced to an amount which would cause his projected combined monthly benefit to equal one hundred percent (100%) of his final rate of pay or his final compensation, whichever is greater; however, the disability retirement allowance shall not be reduced below an amount which would result from a computation of his disability retirement allowance from the County Employees Retirement System and the Kentucky Retirement Systems using the disabled employee's actual total service.*
- (3) *The system may pay estimated benefits to a disabled employee, upon qualification for disability retirement, based on an estimate of his Social Security and workers' compensation benefits until the amounts are actually determined, at which time a final calculation of the member's actual benefits shall be determined and his account corrected retroactive to his effective retirement date.*
- (4) *Any increase in Social Security benefits or workers' compensation benefits which becomes law, regardless of their effective date, subsequent to the disabled employee's effective retirement date, shall not be considered in determination of the maximum benefit payable, as the maximum benefit payable is based on the amount of combined benefits under these programs as of the disabled employee's effective retirement date.*

- (5) *Any disabled recipient whose potential payments from the system were reduced as provided for in this section shall advise the Authority if his payments under the federal Social Security Act or Workers' Compensation Act cease at any time subsequent to his effective retirement date. Upon investigation, if the system determines that the disabled recipient continues to be eligible for disability benefits, the system may increase his retirement allowance by adding to his payment an amount equal to the reduction applied upon the effective retirement date in accordance with subsection (2) of this section.*
- (6) *The amount of combined disability benefit payments made to an individual on or after April 1 2021, from the Kentucky Retirement Systems and the County Employees Retirement System shall not be increased as a result of the passage of this Act.*

Each employer shall pay these picked-up employee contributions from the same source of funds which is used to pay earnings to the employee. The employee shall have no option to receive the contributed amounts directly instead of having them paid by the employer to the system. Employee contributions picked up after August 1, 1982, shall be treated for all purposes of KRS 78.510 to 78.852 in the same manner and to the same extent as employee contributions made prior to August 1, 1982.
  - (5) The provisions of this section shall not apply to individuals who are not eligible for membership as provided by KRS 78.535.

➔Section 22. KRS 78.615 (Effective April 1, 2021) is amended to read as follows:

- (1) Employee contributions shall be deducted each payroll period from the creditable compensation of each employee of an **employer**~~agency~~ participating in the system while he or she is classified as regular full-time as defined in KRS 78.510 unless the person did not elect to become a member as provided by KRS 78.540 or is not eligible to participate in the system as provided by KRS 78.535. After August 1, 1982, employee contributions shall be picked up by the employer pursuant to KRS 78.610(4).
  - (a) For employees who are not employed by a school board, service credit shall be allowed for each month contributions are deducted or picked up during a fiscal or calendar year, if the employee receives creditable compensation for an average of one hundred (100) hours or more of work per month based on the actual hours worked in a calendar or fiscal year. If the average number of hours of work is less than one hundred (100) hours per month, the employee shall be allowed credit only for those months he or she receives creditable compensation for one hundred (100) hours of work.
  - (b) For noncertified employees of school boards, for service prior to July 1, 2000, service credit shall be allowed for each month contributions are deducted or picked up under the employee's employment contract during a school year determined by dividing the actual number of contracted calendar days worked by twenty (20) and rounded to the nearest whole month if the employee receives creditable compensation for an average of eighty (80) or more hours of work per month based on the employee's employment contract. The school board shall certify the number of calendar days worked, the rate of pay, and the hours in a work day for each employee monthly or annually. The employer shall file at the retirement office the final monthly report or the annual report for a fiscal year no later than twenty (20) days following the completion of the fiscal year. The retirement system shall impose a penalty on the employer of one thousand dollars (\$1,000) if the information is not submitted by the date required with

an additional two hundred and fifty dollars (\$250) for each additional thirty (30) day period the information is reported late.

1. If the employee works fewer than the number of contracted calendar days, the employee shall receive service credit determined by dividing the actual number of contracted calendar days worked by twenty (20) and rounded to the nearest whole month, provided that the number of hours worked during the period averages eighty (80) or more hours.
  2. If the employee works fewer than the number of contracted calendar days and the average number of hours worked is less than eighty (80) per month, then the employee shall receive service credit for each calendar month in which he or she worked eighty (80) or more hours.
  3. The retirement system shall refund contributions and service credit for any period for which the employee is not given credit under this subsection.
- (c) For noncertified employees of school boards, for service on and after July 1, 2000, at the close of each fiscal year, the retirement system shall add service credit to the account of each employee who made contributions to his or her account during the year. Employees shall be entitled to a full year of service credit if their total paid calendar days were not less than one hundred eighty (180) calendar days for a regular school or fiscal year. In the event an employee is paid for less than one hundred eighty (180) calendar days, the employee may purchase credit according to administrative regulations promulgated by the system. In no case shall more than one (1) year of service be credited for all service performed in one (1) fiscal year. Employees who complete their employment contract prior to the close of a fiscal year and elect to retire prior to the close of a fiscal year shall have their service credit reduced by eight percent (8%) for each calendar month that the retirement becomes effective prior to July 1. Employees who are employed and paid for less than the number of calendar days required in their normal employment year shall be entitled to pro rata service credit for the fractional service. This credit shall be based upon the number of calendar days employed and the number of calendar days in the employee's annual employment agreement or normal employment year. Service credit may not exceed the ratio between the school or fiscal year and the number of months or fraction of a month the employee is employed during that year.
- (d) Notwithstanding paragraph (c) of this subsection, a noncertified employee of a school board who retires between July 1, 2000, and August 1, 2001, may choose to have service earned between July 1, 2000, and August 1, 2001, credited as described in paragraph (b) of this subsection, if the employee or retired member notifies the retirement system within one (1) year of his or her initial retirement. The decision once made shall be irrevocable.

A maximum of six (6) months of the member's sick-leave balance, expressed in months, shall be added to his service credit for the purpose of determining his annual retirement allowance under KRS 78.510 to 78.852 and for the purpose of determining whether the member is eligible to receive a retirement allowance under KRS 78.510 to 78.852, except as provided by ~~paragraph~~~~(paragraphs)~~ (d) ~~and (e)~~ of this subsection. Accumulated sick-leave in excess of six (6) months shall be added to the member's service credit if the member or employer pays to the retirement system the value of the additional service credit based on the formula adopted by the board, subject to the restrictions provided by paragraph (d) of this subsection.
- (b) The employer may elect to pay fifty percent (50%) of the cost of the sick leave in excess of six (6) months on behalf of its employees. The employee shall pay the remaining fifty percent (50%).   2. The service added to the member's service credit shall be used for purposes of determining the member's annual retirement allowance under KRS 78.510 to 78.852;
  3. The service added to the member's service credit shall not be used to determine whether a member is eligible to receive a retirement allowance under KRS 78.510 to 78.852 ~~or to reduce any applicable actuarial reductions~~; and
  4. The cost of the service provided by this paragraph shall be paid by the employer.
- ~~[(e) For members who began participating in the retirement system prior to September 1, 2008, who retire on or after July 1, 2023, any service added for accumulated sick leave to the member's service credit shall not be used to determine whether a member is eligible to receive a retirement allowance under KRS 78.510 to 78.852 or to reduce any applicable actuarial reductions.]~~

incorporated into the employee's final compensation if the employee and employer make the regular employee and employer contributions, respectively, on the sick-leave payment.

- (c) The number of sick-leave days for which the employee is compensated shall be divided by the average number of working days per month in county service and rounded to the nearest number of whole months. This number of months shall be added to the employee's total service credit and to the number of months used to determine creditable compensation, pursuant to KRS 78.510, but no more than sixty (60) months shall be used to determine final compensation. For an employee who begins participating on or after September 1, 2008, but prior to January 1, 2014, the number of months added to the employee's total service credit under this paragraph shall not exceed twelve (12) months, and the additional service shall not be used to determine whether a member is eligible to receive a retirement allowance under KRS 78.510 to 78.852 ~~or to reduce any applicable actuarial reductions.~~

~~[(d) For members who began participating in the retirement system prior to September 1, 2008, who retire on or after July 1, 2023, any service added for accumulated sick leave to the member's service credit shall not be used to determine whether a member is eligible to receive a retirement allowance under KRS 78.510 to 78.852 or to reduce any applicable actuarial reductions.]~~

    2. *Multiple service purchases may be combined under a single installment agreement, except that no employee may make more than one (1) installment purchase at the same time.*

    7. *The system shall determine how much of the total cost represents payment for one (1) month of the service to be purchased and shall credit one (1) month of service to the member's account each time this amount has been paid. The first service credited shall represent the first calendar month of the service to be purchased and each succeeding month of service credit shall represent the succeeding months of that service.*
    8. *If the employee utilizing an installment purchase of service agreement dies, retires, does not continue employment in a position required to participate in the system, or elects to stop an after-tax installment purchase of service agreement, the member, or in the case of death, the beneficiary, shall have sixty (60) days to pay the remaining principal or a portion of the remaining principal of the installment purchase of service agreement by lump sum, subject to the restrictions of paragraph (a)1. of this subsection, or by transfer of funds under paragraph (a)3. of this subsection, except that payment by the member shall be filed with the system prior*

  11. *If payments have ceased under subparagraph 8. or 9. of this paragraph and the member later becomes a participating employee in the County Employees Retirement System, Kentucky Employees Retirement System, or State Police Retirement System, the employee may complete the adjusted original installment purchase by lump sum or installment payments, subject to the restrictions of this subsection. If the employee elects to renew the installment purchase, the cost of the remaining service shall be recalculated in accordance with subsection (10) of this section.*
- (d) *Member payments, including interest, properly received pursuant to this subsection, shall be deposited to the member's account and considered as accumulated contributions of the individual member.*
- (10) (a) *The cost of purchasing service credit under any provision of this section, except as provided by subsections (1) to (3) of this section, shall be determined by multiplying the higher of the employee's current rate of pay, final rate of pay, or final compensation as of the end of the month in which the purchase is made times the actuarial factor times the number of years of service being purchased. The actuarial factor used to determine the cost of purchasing service credit shall assume the earliest date the member may retire without a reduction in benefits and the cost-of-living adjustments provided to members upon retirement.*
- (b) *Service purchased on or after August 1, 2004, under the provisions of KRS 16.505 to 16.652, 61.510 to 61.705, or 78.510 to 78.852, except for service purchased under subsections (1) to (3) of this section, shall not be used to determine eligibility for or the amount of the monthly insurance contribution under Section 14 or 73 of this Act.*

  - (b) If the member is at least age fifty-seven (57) and has an age and years of service total of at least eighty-seven (87) years. The years of service used to determine eligibility for retirement under this paragraph shall only include years of service credited under KRS 16.543(1), 61.543(1), 78.615(1), or another state-administered retirement system.
- (7) A member eligible to retire under subsection (6) of this section may elect to:

  - (b) Receive the actuarial equivalent of his or her retirement allowance calculated under paragraph (a) of this subsection payable under one (1) of the options set forth in KRS 61.635, except for the option provided by KRS 61.635(11); or

➔Section 60. KRS 61.598 is amended to read as follows:

- (1) For purposes of this section, "bona fide promotion or career advancement":
  - (a) Means a professional advancement in substantially the same line of work held by the employee in the four (4) years immediately prior to the final five (5) fiscal years preceding retirement or a change in employment position based on the training, skills, education, or expertise of the employee that imposes a significant change in job duties and responsibilities to clearly justify the increased compensation to the member; and
  - (b) Does not include any circumstance where an elected official participating in the Kentucky Employees Retirement System or the County Employees Retirement System takes a position of employment with a different employer participating in any of the state-administered retirement systems.
- (2) (a) For employees retiring from the Kentucky Employees Retirement System, the County Employees Retirement System, or the State Police Retirement System on or after January 1, 2018, the systems shall, for each of the retiring employee's last five (5) fiscal years of employment, identify any fiscal year in which the creditable compensation increased at a rate of ten percent (10%) or more annually over the immediately preceding fiscal year's creditable compensation. The employee's creditable compensation in the fiscal year immediately prior to the employee's last five (5) fiscal years of employment shall be utilized to compare the initial fiscal year in the five (5) fiscal year period.
- (b) Except as limited or excluded by subsections (3) and (4) of this section, any amount of increase in creditable compensation for a fiscal year identified under paragraph (a) of this subsection that exceeds ten percent (10%) more than the employee's creditable compensation from the immediately preceding fiscal year shall not be included in the creditable compensation used to calculate the retiring employee's

monthly retirement allowance. If the creditable compensation for a specific fiscal year identified under paragraph (a) of this subsection as exceeding the ten percent (10%) increase limitation is not used to calculate the retiring employee's monthly retirement allowance, then no reduction in creditable compensation shall occur for that fiscal year.

- (c) If the creditable compensation of the retiring employee is reduced as provided by paragraph (b) of this subsection, the retirement systems:
  - 1. Shall refund the employee contributions and interest attributable to the reduction in creditable compensation; and
  - 2. Shall not refund the employer contributions paid but shall utilize those funds to pay down the unfunded liability of the pension fund in which the retiring employee participated.
- (3) In order to ensure the prospective application of the limitations on increases in creditable compensation contained in subsection (2) of this section, only the creditable compensation earned by the retiring employee on or after July 1, 2017, shall be subject to reduction under subsection (2) of this section. Creditable compensation earned by the retiring employee prior to July 1, 2017, shall not be subject to reduction under subsection (2) of this section.
- (4) Subsection (2) of this section shall not apply to:
  - (a) A bona fide promotion or career advancement as defined by subsection (1) of this section;
  - (b) A lump-sum payment for compensatory time paid to an employee upon termination of employment;
  - (c) A lump-sum payment made pursuant to an alternate sick leave program under KRS 78.616(5) that is paid to an employee upon termination of employment;
  - (d) Increases in creditable compensation in a fiscal year over the immediately preceding fiscal year, where in the immediately preceding fiscal year the employer reported the employee as being on leave without pay for any reason, including but not limited to sick leave without pay, maternity leave, leave authorized under the Family Medical Leave Act, and any period of time where the employee received workers' compensation benefit payments that were not reported to the plan as creditable compensation;
  - (e) Increases in creditable compensation directly attributable to an employee's receipt of compensation for overtime hours worked while serving as a participating employee under any state or federal grant, grant pass-through, or similar program that requires overtime as a condition or necessity of the employer's receipt of the grant; and
  - (f) Increases in creditable compensation directly attributable to an employee's receipt of compensation for overtime performed during a state of emergency declared by the President of the United States or the Governor of the Commonwealth of Kentucky.
- (5)
  - (a) For employees retiring on or after January 1, 2014, but prior to July 1, 2017, the last participating employer shall be required to pay for any additional actuarial costs resulting from annual increases in an employee's creditable compensation greater than ten percent (10%) over the employee's last five (5) fiscal years of employment that are not the direct result of a bona fide promotion or career advancement. The cost shall be determined by the retirement systems.
  - (b) Lump-sum payments for compensatory time paid to an employee upon termination of employment shall be exempt from this subsection.
  - (c) ~~The Authority [Kentucky Retirement Systems]~~ shall be required to answer inquiries from participating employers regarding this subsection. Upon request of the employer prior to the employee's change of position or hiring, the systems shall make a determination that is binding to the systems as to whether or not a change of position or hiring constitutes a bona fide promotion or career advancement.
  - (d) For any additional actuarial costs charged to the employer under this subsection, the systems shall allow the employer to pay the costs without interest over a period of one (1) year from the date of receipt of the employer's final invoice.
- (6) ~~The Authority [Kentucky Retirement Systems]~~ shall determine whether increases in creditable compensation during the last five (5) fiscal years of employment prior to retirement constitute a bona fide promotion or career advancement and may promulgate administrative regulations in accordance with KRS Chapter 13A to administer this section. All state-administered retirement systems shall cooperate to implement this section.

- (7) Any employer who disagrees with a determination made by the system in accordance with this section regarding whether an increase in compensation constitutes a bona fide promotion or career advancement for purposes of subsection (5) of this section may request a hearing and appeal the decision in accordance with KRS 61.645(16) *or* 78.782(16).
- (8) For the fiscal year beginning July 1, 2017, and subsequent years, the Kentucky Retirement Systems *and the County Employees Retirement System* shall provide a means for employers to separately report the specific exceptions provided in subsection (4) of this section within the reporting system utilized by the employers for making employer reports under KRS 16.645, 61.675, and 78.545. The Kentucky Retirement Systems *and the County Employees Retirement System* shall continually provide communication, instructions, training, and educational opportunities for employers regarding how to appropriately report exemptions established by subsection (4) of this section.
- (9) This section shall not apply to employees participating in the hybrid cash balance plan as provided by KRS 16.583, ~~and 61.597, Section 2 of this Act, and Section 4 of this Act~~ ~~or to service in the 401(a) money purchase plan as provided by KRS 61.5956~~.

➔Section 61. KRS 61.600 is amended to read as follows:

- (1) Any person may qualify to retire on disability, subject to the following conditions:
- (a) The person shall have sixty (60) months of service, twelve (12) of which shall be current service credited under KRS 16.543(1), 61.543(1), or 78.615(1);
  - (b) For a person whose membership date is prior to August 1, 2004, the person shall not be eligible for an unreduced retirement allowance;
  - (c) The person's application shall be on file in the retirement office no later than twenty-four (24) months after the person's last day of paid employment, as defined in KRS 61.510, in a regular full-time position, as defined in KRS 61.510 ~~or 78.510~~; and
  - (d) The person shall receive a satisfactory determination pursuant to KRS 61.665.
- (2) A person's disability reapplication based on the same claim of incapacity shall be accepted and reconsidered for disability if accompanied by new objective medical evidence. The reapplication shall be on file in the retirement office no later than twenty-four (24) months after the person's last day of paid employment in a regular full-time position.
- (3) Upon the examination of the objective medical evidence by licensed physicians pursuant to KRS 61.665, it shall be determined that:
- (a) The person, since his last day of paid employment, has been mentally or physically incapacitated to perform the job, or jobs of like duties, from which he received his last paid employment. In determining whether the person may return to a job of like duties, any reasonable accommodation by the employer as provided in 42 U.S.C. sec. 12111(9) and 29 C.F.R. Part 1630 shall be considered;
  - (b) The incapacity is a result of bodily injury, mental illness, or disease. For purposes of this section, "injury" means any physical harm or damage to the human organism other than disease or mental illness;
  - (c) The incapacity is deemed to be permanent; and
  - (d) The incapacity does not result directly or indirectly from bodily injury, mental illness, disease, or condition which pre-existed membership in the system *or the County Employees Retirement System* or reemployment, whichever is most recent. For purposes of this subsection, reemployment shall not mean a change of employment between employers participating in the retirement systems administered by the Kentucky Retirement Systems *or the County Employees Retirement System* with no loss of service credit.
- (4) Paragraph (d) of subsection (3) of this section shall not apply if:
- (a) The incapacity is a result of bodily injury, mental illness, disease, or condition which has been substantially aggravated by an injury or accident arising out of or in the course of employment; or
  - (b) The person has at least sixteen (16) years' current or prior service for employment with employers participating in the retirement systems administered by the Kentucky Retirement Systems *or the County Employees Retirement System*.

- (5) (a) 1. An incapacity shall be deemed to be permanent if it is expected to result in death or can be expected to last for a continuous period of not less than twelve (12) months from the person's last day of paid employment in a regular full-time position.
2. The determination of a permanent incapacity shall be based on the medical evidence contained in the member's file and the member's residual functional capacity and physical exertion requirements.
- (b) The person's residual functional capacity shall be the person's capacity for work activity on a regular and continuing basis. The person's physical ability shall be assessed in light of the severity of the person's physical, mental, and other impairments. The person's ability to walk, stand, carry, push, pull, reach, handle, and other physical functions shall be considered with regard to physical impairments. The person's ability to understand, remember, and carry out instructions and respond appropriately to supervision, coworkers, and work pressures in a work setting shall be considered with regard to mental impairments. Other impairments, including skin impairments, epilepsy, visual sensory impairments, postural and manipulative limitations, and environmental restrictions, shall be considered in conjunction with the person's physical and mental impairments to determine residual functional capacity.
- (c) The person's physical exertion requirements shall be determined based on the following standards:
1. Sedentary work shall be work that involves lifting no more than ten (10) pounds at a time and occasionally lifting or carrying articles such as large files, ledgers, and small tools. Although a sedentary job primarily involves sitting, occasional walking and standing may also be required in the performance of duties.
  2. Light work shall be work that involves lifting no more than twenty (20) pounds at a time with frequent lifting or carrying of objects weighing up to ten (10) pounds. A job shall be in this category if lifting is infrequently required but walking and standing are frequently required, or if the job primarily requires sitting with pushing and pulling of arm or leg controls. If the person has the ability to perform substantially all of these activities, the person shall be deemed capable of light work. A person deemed capable of light work shall be deemed capable of sedentary work unless the person has additional limitations such as the loss of fine dexterity or inability to sit for long periods.
  3. Medium work shall be work that involves lifting no more than fifty (50) pounds at a time with frequent lifting or carrying of objects weighing up to twenty-five (25) pounds. If the person is deemed capable of medium work, the person shall be deemed capable of light and sedentary work.
  4. Heavy work shall be work that involves lifting no more than one hundred (100) pounds at a time with frequent lifting or carrying of objects weighing up to fifty (50) pounds. If the person is deemed capable of heavy work, the person shall also be deemed capable of medium, light, and sedentary work.
  5. Very heavy work shall be work that involves lifting objects weighing more than one hundred (100) pounds at a time with frequent lifting or carrying of objects weighing fifty (50) or more pounds. If the person is deemed capable of very heavy work, the person shall be deemed capable of heavy, medium, light, and sedentary work.

➔Section 62. KRS 61.605 is repealed, reenacted, and amended to read as follows:

- (1) Upon disability retirement, except as provided by subsection (2) of this section, an employee may receive an annual retirement allowance payable monthly during his lifetime which shall be determined in the same manner as for retirement at his normal retirement date with years of service and final compensation being determined as of the date of his disability except that service credit shall be added to the person's total service beginning with his last date of paid employment and continuing to his sixty-fifth birthday; however, the maximum service credit added shall not exceed the total service the person had upon his last day of paid employment, and the maximum combined service credit for calculating his disability retirement allowance, including total service and added service shall not exceed twenty-five (25) years. If, however, a person has accumulated twenty-five (25) or more years of total service, he shall receive added service necessary to bring his combined service credit, including total and added service, to twenty-seven (27) years.
- (2) (a) For a member whose participation begins on or after August 1, 2004, but prior to January 1, 2014, the disability retirement allowance shall be the higher of twenty percent (20%) of the member's monthly

final rate of pay or the retirement allowance determined in the same manner as for retirement at his normal retirement date with years of service and final compensation being determined as of the date of his disability.

- (b) For a member who begins participating on or after January 1, 2014, in the hybrid cash balance plan as provided by KRS 61.597~~[or who elects to participate in the 401(a) money purchase plan as provided by KRS 21.374, 61.595, or 61.596]~~, the disability retirement allowance shall be the higher of twenty percent (20%) of the member's monthly final rate of pay or the retirement allowance determined in the same manner as for retirement at his or her normal retirement date under KRS~~[61.596 or]~~ 61.597~~[, as applicable]~~.

➔Section 63. KRS 61.607 is amended to read as follows:

Notwithstanding any other provisions of KRS 16.505 to 16.652 ~~or~~<sup>or</sup> 61.510 to 61.705~~[, or 78.510 to 78.852]~~, a maximum disability benefit is hereby established which shall apply, upon disability retirement, to any disabled employee's account to which service credit is added to determine disability benefits or in any case where disability benefits are determined by computing a percentage of the disabled employee's final monthly rate of pay. The maximum disability benefit shall be determined by the following formula:

- (1) Add the monthly benefit payable to the disabled employee from the ***Kentucky Retirement Systems and the County Employees Retirement System***~~[retirement system]~~, using the monthly disability retirement allowance ***without any reduction due to the selection of an optional payment plan under KRS 61.635***~~[(not optional plan)]~~ but excluding dependent children's allowances, if any, to his monthly benefit, if any, from Social Security, even though these payments may not begin for a period of time as required for qualification under the federal Social Security law, excluding spouse or dependent benefits, and his monthly benefit, if any, from workers' compensation, even though these payments may not have begun as of the date the disabled member applies for disability retirement benefits, excluding spouse or dependent children's allowances, from workers' compensation, to arrive at a projected combined monthly benefit.
- (2) If the projected combined monthly benefit exceeds one hundred percent (100%) of the disabled employee's final rate of pay or his final compensation, whichever is greater, his disability retirement allowance from the ***Kentucky Retirement Systems and the County Employees Retirement System***~~[retirement system]~~ shall be reduced to an amount which would cause his projected combined monthly benefit to equal one hundred percent (100%) of his final rate of pay or his final compensation, whichever is greater; however, the disability retirement allowance shall not be reduced below an amount which would result from a computation of his disability retirement allowance from the ***Kentucky Retirement Systems and the County Employees Retirement System***~~[retirement system]~~ using the disabled employee's actual total service.
- (3) The system may pay estimated benefits to a disabled employee, upon qualification for disability retirement, based on an estimate of his Social Security and workers' compensation benefits until the amounts are actually determined, at which time a final calculation of the member's actual benefits shall be determined and his account corrected retroactive to his effective retirement date.
- (4) Any increase in Social Security benefits or workers' compensation benefits which becomes law, regardless of their effective date, subsequent to the disabled employee's effective retirement date, shall not be considered in determination of the maximum benefit payable, as the maximum benefit payable is based on the amount of combined benefits under these programs as of the disabled employee's effective retirement date.
- (5) Any disabled recipient whose potential payments from the system were reduced as provided for in this section shall advise the ***Authority***~~[system]~~ if his payments under the Federal Social Security Act or Workers' Compensation Act cease at any time subsequent to his effective retirement date. Upon investigation, if the system determines that the disabled recipient continues to be eligible for disability benefits, the system may increase his retirement allowance by adding to his payment an amount equal to the reduction applied upon the effective retirement date in accordance with subsection (2) of this section.
- (6) ***The amount of combined disability benefit payments made to an individual on or after April 1, 2021, from the Kentucky Retirement Systems or the County Employees Retirement System shall not be increased as a result of the passage of this Act.***

➔Section 64. KRS 61.621 is amended to read as follows:

- (1) Notwithstanding any provision of any statutes to the contrary, effective June 1, 2000, any employee participating in one (1) of the state-administered retirement systems who is not in a hazardous duty position, as defined in KRS 61.592 ***or Section 6 of this Act***, shall be eligible for minimum benefits equal to the benefits

payable under this section or KRS 61.702 *or Section 14 of this Act, as applicable*, if the employee dies or becomes totally and permanently disabled to engage in any occupation for remuneration or profit as a result of a duty-related injury.

- (2) (a) For purposes of this section, "duty-related injury" means:
1. a. A single traumatic event that occurs while the employee is performing the duties of his position; or
  - b. A single act of violence committed against the employee that is found to be related to his job duties, whether or not it occurs at his job site; and
  2. The event or act of violence produces a harmful change in the human organism evidenced by objective medical findings.
- (b) "Duty-related injury" does not include the effects of the natural aging process, a communicable disease unless the risk of contracting the disease is increased by nature of the employment, or a psychological, psychiatric, or stress-related change in the human organism unless it is the direct result of a physical injury.
- (3) (a) If the employee dies as a result of a duty-related injury and is survived by a spouse, the surviving spouse shall be the beneficiary, and this shall supersede the designation of all previous beneficiaries of the deceased employee's retirement account, except as provided in KRS 61.542(2)(e).
- (b) The surviving spouse, provided he or she supersedes all previously designated beneficiaries, may elect to receive the benefits payable under KRS 61.640 or other applicable death benefit statutes, or may elect to receive a lump-sum payment of ten thousand dollars (\$10,000) and a monthly payment equal to seventy-five percent (75%) of the member's monthly average pay beginning in the month following the member's death and continuing each month until the death of the surviving spouse.
- (c) In addition, if the member is also survived by dependent children, monthly payments shall be made for each dependent child equal to ten percent (10%) of the deceased member's monthly average pay, except that the combined maximum payment made to the:
1. Surviving spouse and dependent children under this subsection shall not exceed one hundred percent (100%) of the deceased member's monthly average pay; and
  2. Dependent children, while the surviving spouse is living, shall not exceed twenty-five percent (25%) of the deceased member's monthly average pay. Payments made to the dependent children under this subsection shall be divided equally among all the dependent children.
- (4) If the employee dies as a result of a duty-related injury and is not survived by a spouse but is survived by a dependent child or children, the following benefits shall be paid to the dependent child or children:
- (a) Fifty percent (50%) of the deceased member's monthly average pay, if the deceased member has one (1) dependent child;
  - (b) Sixty-five percent (65%) of the deceased member's monthly average pay, if the deceased member has two (2) dependent children; or
  - (c) Seventy-five percent (75%) of the deceased member's monthly average pay, if the deceased member has three (3) or more dependent children.

Payments made to the dependent children under this subsection shall be divided equally among all the dependent children.

- (5) If the employee is determined to be disabled as provided in KRS 61.600, or other applicable disability statutes in any other state-administered retirement system, as the result of a duty-related injury, the employee may elect to receive benefits determined under the provisions of KRS 61.605, or other applicable disability statutes in any other state-administered retirement system, except that the monthly retirement allowance shall not be less than twenty-five percent (25%) of the employee's monthly final rate of pay. For purposes of determining disability, the service requirement in KRS 61.600(1)(a), or other applicable statutes in any other state-administered retirement system, shall be waived.
- (6) In the period of time following a member's disability during which dependent children survive, a monthly payment shall be made for each dependent child who is alive which shall be equal to ten percent (10%) of the disabled member's monthly final rate of pay; however, total maximum dependent children's benefits shall not

exceed forty percent (40%) of the disabled member's monthly final rate of pay at the time any particular payment is due. The payment shall commence in the month following the date of disability of the member and shall be payable to the beneficiaries, or to a legally appointed guardian, or as directed by the system.

- (7) Benefits for death as a result of a duty-related injury to a dependent child shall be payable under this section notwithstanding an election by a surviving spouse or beneficiary to withdraw the deceased member's accumulated account balance as provided in KRS 61.625 or benefits under any other provisions of KRS 61.515 to 61.705 or other applicable death benefit statutes in any other state-administered retirement system.
- (8)
  - (a) A spouse applying for benefits under this section who is also eligible for benefits under KRS 61.640 *or Section 12 of this Act* may elect to receive benefits under KRS 61.640(2)(a) or (b) *or subsection (2)(a) or (b) of Section 12 of this Act* while the application for benefits under this section is pending.
  - (b) If a final determination results in a finding of eligibility for benefits under this section, the system shall recalculate the benefits due the spouse in accordance with this subsection.
  - (c) If the spouse has been paid less than the amount of benefits to which the spouse was entitled to receive under this section, the system shall pay the additional funds due to the spouse.
  - (d) If the spouse has been paid more than the benefit the spouse was eligible to receive under this section, then the system shall deduct the amount owed by the spouse from the ten thousand dollars (\$10,000) lump-sum payment and from the monthly retirement allowance payments until the amount owed to the systems has been recovered.
- (9) For purposes of this section, "dependent child" has the same meaning as in KRS 16.505.
- (10) This section shall be known as "The Fred Capps Memorial Act."

➔Section 65. KRS 61.637 (Effective April 1, 2021) is amended to read as follows:

- (1) A retired member who is receiving monthly retirement payments under any of the provisions of KRS 61.510 to 61.705 and 78.510 to 78.852 and who is reemployed as an employee by a participating agency prior to August 1, 1998, shall have his or her retirement payments suspended for the duration of reemployment. Monthly payments shall not be suspended for a retired member who is reemployed if he or she anticipates that he or she will receive less than the maximum permissible earnings as provided by the Federal Social Security Act in compensation as a result of reemployment during the calendar year. The payments shall be suspended at the beginning of the month in which the reemployment occurs.
- (2) Employer and employee contributions shall be made as provided in KRS 61.510 to 61.705 and 78.510 to 78.852 on the compensation paid during reemployment, except where monthly payments were not suspended as provided in subsection (1) of this section or would not increase the retired member's last monthly retirement allowance by at least one dollar (\$1), and the member shall be credited with additional service credit.
- (3) In the month following the termination of reemployment, retirement allowance payments shall be reinstated under the plan under which the member was receiving payments prior to reemployment.
- (4)
  - (a) Notwithstanding the provisions of this section, the payments suspended in accordance with subsection (1) of this section shall be paid retroactively to the retired member, or his or her estate, if he or she does not receive more than the maximum permissible earnings as provided by the Federal Social Security Act in compensation from participating agencies during any calendar year of reemployment.
  - (b) If the retired member is paid suspended payments retroactively in accordance with this section, employee contributions deducted during his or her period of reemployment, if any, shall be refunded to the retired employee, and no service credit shall be earned for the period of reemployment.
  - (c) If the retired member is not eligible to be paid suspended payments for his or her period of reemployment as an employee, his or her retirement allowance shall be recomputed under the plan under which the member was receiving payments prior to reemployment as follows:
    1. The retired member's final compensation shall be recomputed using creditable compensation for his or her period of reemployment; however, the final compensation resulting from the recalculation shall not be less than that of the member when his or her retirement allowance was last determined;
    2. If the retired member initially retired on or subsequent to his or her normal retirement date, his or her retirement allowance shall be recomputed by using the formula in KRS 61.595(1);

3. If the retired member initially retired prior to his or her normal retirement date, his or her retirement allowance shall be recomputed using the formula in KRS 61.595(2), except that the member's age used in computing benefits shall be his or her age at the time of his or her initial retirement increased by the number of months of service credit earned for service performed during reemployment;
  4. The retirement allowance payments resulting from the recomputation under this subsection shall be payable in the month following the termination of reemployment in lieu of payments under subparagraph 3. of this paragraph. The member shall not receive less in benefits as a result of the recomputation than he or she was receiving prior to reemployment or would receive as determined under KRS 61.691; and
  5. Any retired member who was reemployed prior to March 26, 1974, shall begin making contributions to the system in accordance with the provisions of this section on the first day of the month following March 26, 1974.
- (5) A retired member, or his or her estate, shall pay to the retirement fund the total amount of payments which are not suspended in accordance with subsection (1) of this section if the member received more than the maximum permissible earnings as provided by the Federal Social Security Act in compensation from participating agencies during any calendar year of reemployment, except the retired member or his or her estate may repay the lesser of the total amount of payments which were not suspended or fifty cents (\$0.50) of each dollar earned over the maximum permissible earnings during reemployment if under age sixty-five (65), or one dollar (\$1) for every three dollars (\$3) earned if over age sixty-five (65).
  - (6) (a) "Reemployment" or "reinstatement" as used in this section shall not include a retired member who has been ordered reinstated by the Personnel Board under authority of KRS 18A.095.
  - (b) A retired member who has been ordered reinstated by the Personnel Board under authority of KRS 18A.095 or by court order or by order of the Human Rights Commission and accepts employment by an agency participating in the Kentucky Employees Retirement System or County Employees Retirement System shall void his or her retirement by reimbursing the system in the full amount of his or her retirement allowance payments received.
  - (7) (a) Effective August 1, 1998, the provisions of subsections (1) to (4) of this section shall no longer apply to a retired member who is reemployed in a position covered by the same retirement system from which the member retired. Reemployed retired members shall be treated as new members upon reemployment. Any retired member whose reemployment date preceded August 1, 1998, who does not elect, within sixty (60) days of notification by the retirement systems, to remain under the provisions of subsections (1) to (4) of this section shall be deemed to have elected to participate under this subsection.
  - (b) A retired member whose disability retirement was discontinued pursuant to KRS 61.615 and who is reemployed in one (1) of the systems administered by the Kentucky Retirement Systems or County Employees Retirement System prior to his or her normal retirement date shall have his or her accounts combined upon termination for determining eligibility for benefits. If the member is eligible for retirement, the member's service and creditable compensation earned as a result of his or her reemployment shall be used in the calculation of benefits, except that the member's final compensation shall not be less than the final compensation last used in determining his or her retirement allowance. The member shall not change beneficiary or payment option designations. This provision shall apply to members reemployed on or after August 1, 1998.
  - (8) If a retired member accepts employment or begins serving as a volunteer with an employer participating in the systems administered by Kentucky Retirement Systems or County Employees Retirement System within twelve (12) months of his or her retirement date, the retired member shall notify the ~~Authority[retirement system]~~ and the participating employer shall submit the information required or requested by the ~~Authority[systems]~~ to confirm the individual's employment or volunteer status. The retired member shall not be required to notify the ~~Authority[retirement systems]~~ regarding any employment or volunteer service with a participating agency that is accepted after twelve (12) months following his or her retirement date.

- (c) A member of one (1) of the state-administered retirement plans who ceases to contribute to the plan as provided in KRS 21.360 and who is employed in a nonelected position by an agency participating in the Kentucky Retirement Systems or Kentucky Teachers' Retirement System shall be deemed to have elected membership in the system in which the employer of the nonelected position participates. A member of one (1) of the state-administered retirement plans who ceases to contribute to the plan as provided in KRS 21.360 and who is not employed in a nonelected position by an agency participating in the Kentucky Retirement Systems shall be deemed to have elected membership in the Kentucky Employees Retirement System.
- (4) (a) Prior to July 1, 1976, a person entering the service of an employer participating in the Kentucky Employees Retirement System or the County Employees Retirement System with service credit in the Teachers' Retirement System and who desires to retain membership in the Teachers' Retirement System, and who is permitted by that system to continue, shall be exempt from participating in the Kentucky Employees Retirement System or the County Employees Retirement System.
- (b) Any person who has elected to retain membership in the Teachers' Retirement System as provided in paragraph (a) of this subsection may cancel his election and participate in the system under which his position would normally participate, if he elects to cancel his option prior to January 1, 1977.
- (c) Any member of the General Assembly who upon election is a contributing member of the Teachers' Retirement System and who does not elect within thirty (30) days after taking office to participate in the Legislators' Retirement Plan, in accordance with KRS 6.505, shall during his term of office participate in the Kentucky Employees Retirement System unless an election to retain membership in the Teachers' Retirement System is filed in writing within ninety (90) days after his term of office begins. No contributions may be made to the Teachers' Retirement System for the same period of service under the Legislators' Retirement Plan or the Kentucky Employees Retirement System as a member of the General Assembly, but contributions made to the Teachers' Retirement System while a member of the General Assembly shall be transferred to the Legislators' Retirement Plan, as provided for in KRS 6.535, when the member elects to join the Legislators' Retirement Plan, and service credit in the Legislators' Retirement Plan shall be granted as provided for in KRS 6.505(5).
- (5) Any member of the Kentucky Employees Retirement System or County Employees Retirement System who is working in a position covered by one (1) of these retirement systems and his employee contributions, service

- (6) Any member of the Kentucky Employees Retirement System or County Employees Retirement System who is working in more than one (1) position covered by the same retirement system, shall have his wages and contributions consolidated and his retirement account administered as a single account. If part-time positions are involved, an accumulation of all hours worked within the same retirement system shall be used to determine eligibility under KRS 61.510(21).
- (7) (a) Notwithstanding the provisions of subsection (2) of this section, a person who does not have the amount of service required for service retirement in the State Police Retirement System, Kentucky Employees Retirement System, County Employees Retirement System, Legislators' Retirement Plan, or Teachers' Retirement System, but who is a member of one (1) of the systems or is a former member of one (1) or more of the systems with valid service credit therein, shall become eligible for service retirement benefits attributable to the amount of his actual service credit in each system in which he has service credit when his combined service credit in all the systems, plus any service credit he has in the Judicial Retirement Plan, is equal to that required for service retirement in each respective system. The computation of benefits shall be based on the applicable formula in each system and service credit in each system, except that total service in all systems, unless prohibited by KRS 161.623(2), shall be used to determine the reduction for early retirement, if any. Except as provided in KRS 21.360, the final compensation shall be determined by using the creditable compensation reported to the State Police Retirement System, Kentucky Employees Retirement System, County Employees Retirement System, Legislators' Retirement Plan, or Teachers' Retirement System and only as much of the compensation earned in the Judicial Retirement Plan as is needed to satisfy the final compensation requirement applicable in the respective retirement systems.
- (b) Paragraph (a) of this subsection shall be waived if the member fails to simultaneously retire from all state-administered retirement systems in which the member has an account or fails to retire from any other systems not administered by Kentucky Retirement Systems within one (1) month of the member's effective retirement date in the systems administered by the Kentucky Retirement Systems.
- (8) Each retirement system from which the member retires shall pay a retirement allowance upon receipt of required forms and documents, except that no retirement system shall pay a retirement allowance or annuity until all forms and documents are filed at all retirement systems in compliance with each system's requirements.

  - (b) The order meets the requirements established by the retirement system and by subsections (3) to (11) of this section. The board of trustees of the retirement system shall establish the requirements, procedures, and forms necessary for the administration of qualified domestic relations orders by promulgation of administrative regulations in accordance with KRS Chapter 13A; and

- (c) The order is on the form established by the retirement system pursuant to the retirement system's authority provided under paragraph (3)(b) of this subsection.
- (4) A qualified domestic relations order shall not:
  - (a) Require the retirement system to take any action not authorized under state or federal law;
  - (b) Require the retirement system to provide any benefit, allowance, or other payment not authorized under state or federal law;
  - (c) Grant or be construed to grant the alternate payee any separate right, title, or interest in or to any retirement benefit other than to receive payments from the participant's account in accordance with the administrative regulations promulgated by the retirement system and as provided by subsections (3) to (11) of this section; or
  - (d) Grant any separate interest to any person other than the participant.
- (5) Any qualified domestic relations order submitted to the retirement system shall specify the dollar amount or percentage amount of the participant's benefit to be paid to the alternate payee. In calculating the amount to be paid to the alternate payee, the court or administrative agency that is responsible for issuing the order shall follow the requirements set forth in the administrative regulations promulgated by the board of trustees. Notwithstanding any other statute to the contrary, the board shall not be required to honor a qualified domestic relations order that does not follow the requirements set forth in the administrative regulations promulgated by the board of trustees.
- (6) If the qualified domestic relations order meets the requirements established by the system and by subsections (3) to (11) of this section, payments to the alternate payee shall begin under the following conditions:

- (8) An alternate payee shall not receive a monthly payment under a qualified domestic relations order if the participant is not receiving a monthly retirement allowance.
- (9) The cost of living adjustment provided to the participant pursuant to KRS 61.691 *or Section 5 of this Act* shall be divided between the participant and alternate payee in a qualified domestic relations order as follows:
  - (a) If the order specifies the alternate payee is to receive a percentage of the participant's benefit, then the cost of living adjustment shall be divided between the participant and the alternate payee based upon the percentage of the total benefit each is receiving upon the participant's retirement or upon the date the order is approved by the retirement system, whichever is later; or
  - (b) If the order specifies that the alternate payee is to receive a set dollar amount of the participant's benefit, then the order shall specify that:
    1. The cost of living adjustment shall be divided between the participant and the alternate payee based upon the percentage of the total benefit each is receiving upon the participant's retirement or upon the date the order is approved by the retirement system, whichever is later; or
    2. The alternate payee shall receive no cost of living adjustment.

If the order does not specify the division of the cost of living adjustment as required by this paragraph, then no cost of living adjustment shall be payable to the alternate payee. If no cost of living adjustment

is provided to the alternate payee, then the participant shall receive the full cost of living adjustment he or she would have received if the order had not been applied to the participant's account.

- (10) Except in cases involving child support payments, the retirement system may charge reasonable and necessary fees and expenses to the recipient and the alternate payee of a qualified domestic relations order for the administration of the qualified domestic relations order by the retirement system. All benefits, including cost of living adjustments payable to the alternate payee, for orders that meet the requirements of this paragraph shall not be eliminated or reduced as a result of the provisions of subsections (3) to (10) of this section and KRS 61.510(27) and 78.510(26); or
  - (b) The order or an amended version of the order meets the requirements established by this section and the administrative regulations promulgated by the retirement system. The order shall not apply to benefit payments issued by the retirement system prior to the date the order was approved by the retirement system.

In determining the annual employer contribution rate, only the cost of increases granted as of the most recent valuation date shall be recognized. The benefits of this subsection as provided on August 1, 1996, to July 1, 2008, shall not be considered as benefits protected by the inviolable contract provisions of KRS 16.652 ~~and~~ 61.692, ~~and 78.852~~. The General Assembly reserves the right to suspend or reduce the benefits conferred in this subsection if in their judgment the welfare of the Commonwealth so demands.
- (2) (a) Effective July 1, 2009, and on July 1 of each year thereafter, a recipient of a retirement allowance under KRS 16.505 to 16.652 ~~and~~ 61.510 to 61.705, ~~and 78.510 to 78.852~~ shall have his or her retirement allowance increased by one and one-half percent (1.5%), if:
1. The funding level of the system is greater than one hundred percent (100%) and subsequent legislation authorizes the use of any surplus actuarial assets to provide an increase in retirement allowances described by this subsection for the system which has the surplus actuarial assets; or
  2. The General Assembly appropriates sufficient funds or directs payment of funds to fully prefund the increase described by this subsection in the year the increase is provided.
- (b) The board of trustees of the Kentucky Retirement Systems shall, at least thirty (30) days prior to the beginning of regular sessions of the General Assembly held in even-numbered years, advise the General Assembly of the following:
1. Which systems have a funding level greater than one hundred percent (100%) and can support an increase in recipients' retirement allowances as provided by paragraph (a) of this subsection over the next budget biennium without reducing the funding level of the system below one hundred percent (100%); and
  2. If no surplus actuarial assets are available, the level of funds needed to fully prefund an increase for system recipients over the next budget biennium if a one and one-half percent (1.5%) increase is provided annually over the biennium.

- (c) For purposes of this subsection, "funding level" means the actuarial value of assets divided by the actuarially accrued liability expressed as a percentage that is determined and reported by the system's actuary in the system's actuarial valuation.
  - (d) The full increase described by this subsection shall only be provided if the recipient has been receiving a benefit for at least twelve (12) months prior to the effective date of the increase. If the recipient has been receiving a benefit for less than twelve (12) months prior to the effective date of the increase provided by this subsection, the increase shall be reduced on a pro rata basis for each month the recipient has not been receiving benefits in the twelve (12) months preceding the effective date of the increase.
  - (e) In determining the annual employer contribution rate, only the cost of increases granted as of the most recent valuation date shall be recognized.
  - (f) The benefits of this subsection as provided on July 1, 2009, and thereafter shall not be considered as benefits protected by the inviolable contract provisions of KRS 16.652 ~~and~~ 61.692 ~~and~~ 78.852. The General Assembly reserves the right to suspend or reduce the benefits conferred in this subsection if, in its judgment, the welfare of the Commonwealth so demands.
- (3) A reemployed retired member whose payments are suspended as provided under KRS 61.637 shall be eligible for an increase in his suspended retirement allowance as provided under this section, computed as if he were receiving the retirement allowance at the time the increase under this section is effective.
  - (4) In addition to the increase to a recipient's retirement allowance as provided by subsection (2) of this section, the General Assembly may, by subsequent legislation, provide supplemental increases to a recipient's retirement allowance to help adjust for actual changes in the recipient's cost of living if the General Assembly appropriates sufficient funds to fully prefund the benefit in the year the increase is provided.

  4. *A combination of the fund sources described by subparagraph 1. to 3. of this paragraph.*

*Group rates under the hospital and medical insurance plan shall be made available to the spouse, each dependent child, and each disabled child, regardless of the disabled child's age, of a recipient who is a former member or the beneficiary, if the premium for the hospital and medical insurance for the spouse, each dependent child, and each disabled child, or beneficiary is paid by payroll deduction from the retirement allowance, electronic funds transfer, or by another method.   2. *The percentage of the monthly contribution rate paid for the spouse and each dependent child of a recipient who was in a hazardous position in accordance with subparagraph 1. of this paragraph shall be based solely on the member's service in a hazardous position using the formula in paragraph (b) of this subsection.*
- (d) *For members who begin participating in the system on or after July 1, 2003:*
  1. *Participation in the insurance benefits provided under this section shall not be allowed until the member has earned at least one hundred twenty (120) months of service in the state-administered retirement systems, except that for members who begin participating in the system on or after September 1, 2008, participation in the insurance benefits provided under this section shall not be allowed until the member has earned at least one hundred eighty (180) months of service credited under KRS 16.543(1) or 61.543(1) or another state-administered retirement system.*

Monthly health insurance supplement payments made by the retirement system may not exceed the amount of the single coverage insurance premium chosen by the eligible annuitants. In order to qualify for health insurance supplements, the annuitant must agree to pay the difference between the insurance premium and the applicable supplement payment, by payroll deduction from his retirement allowance, or by a payment method approved by the retirement system.

July 1, 2010.....	Thirty-three percent (33%)
July 1, 2011.....	Sixty-seven percent (67%)

The board may provide insurance coverage by making payment to insurance carriers including health insurance plans that are available to active and retired state employees and active teachers, institutions, and individuals for services performed, or the board of trustees may elect to provide insurance on a "self-insurance" basis or a combination of these provisions.

Eligible annuitants or recipients are those annuitants who are not eligible for Medicare and who do not reside in Kentucky or in an area outside of Kentucky where comparable coverage is available. The reimbursement payments shall not exceed the minimum supplement payment that would have been made had the annuitant lived in Kentucky. Eligible annuitants or recipients shall submit proof of payment to the retirement system for hospital and medical insurance that they have obtained. Reimbursement payments shall be made on a quarterly basis.
- (7) Contracts negotiated may include the provision that a stated amount of hospital cost or period of hospitalization shall incur no obligation on the part of the insurance carrier or the retirement system or any trust fund established for this purpose by the board.
- (8) The board of trustees is empowered to promulgate administrative regulations to assure efficient operation of the hospital and medical insurance program.
- (9) Premiums paid for hospital and medical insurance coverage procured under authority of this section shall be exempt from any premium tax which might otherwise be required under KRS Chapter 136. The payment of premiums by the medical insurance fund or another trust fund established by the board for this purpose shall not constitute taxable income to an insured recipient.
- (10) In the event that a member is providing services on less than a full-time basis under KRS 161.605, the retirement system may pay the full cost of the member's health insurance coverage for the full fiscal year that the member is providing those services, at the conclusion of which, the retirement system may then bill the active employer and the active employer shall reimburse the retirement system for the cost of the health insurance coverage incurred by the retirement system on a pro rata basis for the time that the member was employed by the active employer.

( HCR 25 )

A CONCURRENT RESOLUTION supporting civic education and declaring the third week in September as the kick-off week for America's Legislators Back to School Program, and encouraging participation in the "Principal for a Day" program.

WHEREAS, the Commonwealth of Kentucky was created as a representative democracy in which all governmental power is inherent in the people who exercise that power through the legislative, executive, and judicial branches; and

WHEREAS, in recent years, citizen interest in government and knowledge of the political system has declined in part due to a weakening belief in and a lack of understanding of the virtues and knowledge needed for a successful republican form of government; and

WHEREAS, Benjamin Rush, signer of the Declaration of Independence stated, "There is but one method of rendering a republican form of government durable, and that is by disseminating the seeds of virtue and knowledge through every part of the state by means of proper places and modes of education and this can be done effectively only by the aid of the legislature"; and

WHEREAS, the National Conference of State Legislatures (NCSL) has passed a resolution that says that the operations of the state legislatures and the roles of individual legislators are often little understood by citizens and that public understanding of the institutions and processes of the government is critical to building public trust and confidence; and

WHEREAS, the NCSL resolution also states that state legislatures need to bring about better understanding of the concept of representative democracy and that education about representative democracy should emphasize the importance of compromise and the difficulty of resolving competing interests in a diverse society; and

WHEREAS, civic education is a vital tool to promote greater understanding of the legislative institution and the role of legislators in representative democracy and is required for graduation from high school in Kentucky; and

WHEREAS, the NCSL urges the nation's state legislatures to promote civic education about representative democracy; and

WHEREAS, it is equally important for legislators to understand the impact of their policy and funding decisions on the daily operation of schools and upon school leaders, teachers and students; and

WHEREAS, the NCSL has established America's Legislators Back to School Program, a national program where state legislators across the nation visit schools and classrooms to talk about the legislature and to observe activities in the schools; and

WHEREAS, the Kentucky Association of School Administrators (KASA) has established a "Principal for a Day" program that encourages legislators to spend a portion of a school day shadowing a school principal in order to observe first-hand the role of a school leader and the work of teachers and students; and

WHEREAS, all legislators will benefit from interacting with students, teachers, and administrators and witnessing their daily commitment to improving Kentucky's schools;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

→Section 1. The General Assembly supports civic education to promote greater understanding of the legislative institution and the role of legislators in representative democracy.

- (10) When excavation or demolition is necessary within the approximate location of the underground facility, the excavator shall hand-dig or use nonintrusive means to avoid damage to the underground facility.
- (11) Upon request by an operator or when the proposed excavation location cannot be accurately identified, an excavator shall mark the boundaries of the location to be excavated using the procedure set forth in KRS 367.4909(9)(k).   - (d) The person shall receive a satisfactory determination pursuant to KRS 61.665; and
  - (e) A person's disability application based on the same claim of incapacity shall be accepted and reconsidered for disability if accompanied by new objective medical evidence. The application shall be on file in the retirement office no later than twenty-four (24) months after the person's last day of paid employment as a regular full-time officer or in a regular full-time hazardous position.
- (3) Upon the examination of the objective medical evidence by licensed physicians pursuant to KRS 61.665, it shall be determined that:
- (a) The incapacity results from bodily injury, mental illness, or disease. For purposes of this section, "injury" means any physical harm or damage to the human organism other than disease or mental illness;
  - (b) The incapacity is deemed to be permanent; and
  - (c) The incapacity does not result directly or indirectly from:
    - 1. Injury intentionally self-inflicted while sane or insane; or
    - 2. Bodily injury, mental illness, disease, or condition which pre-existed membership in the system or reemployment, whichever is most recent, unless:
      - a. The disability results from bodily injury, mental illness, disease, or a condition which has been substantially aggravated by an injury or accident arising out of or in the course of employment; or
      - b. The person has at least sixteen (16) years' current or prior service for employment with employers participating in the retirement systems administered by the Kentucky Retirement Systems.
- For purposes of this subparagraph, "reemployment" shall not mean a change of employment between employers participating in the retirement systems administered by the Kentucky Retirement Systems with no loss of service credit.
- (4) (a) 1. An incapacity shall be deemed to be permanent if it is expected to result in death or can be expected to last for a continuous period of not less than twelve (12) months from the person's last day of paid employment in a position as regular full-time officer or a hazardous position.
2. The determination of a permanent incapacity shall be based on the medical evidence contained in the member's file and the member's residual functional capacity and physical exertion requirements.
- (b) The person's residual functional capacity shall be the person's capacity for work activity on a regular and continuing basis. The person's physical ability shall be assessed in light of the severity of the person's physical, mental, and other impairments. The person's ability to walk, stand, carry, push, pull, reach, handle, and other physical functions shall be considered with regard to physical impairments. The person's ability to understand, remember, and carry out instructions and respond appropriately to supervision, coworkers, and work pressures in a work setting shall be considered with regard to mental impairments. Other impairments, including skin impairments, epilepsy, visual sensory impairments,

postural and manipulative limitations, and environmental restrictions, shall be considered in conjunction with the person's physical and mental impairments to determine residual functional capacity.

- (c) The person's physical exertion requirements shall be determined based on the following standards:
1. Sedentary work shall be work that involves lifting no more than ten (10) pounds at a time and occasionally lifting or carrying articles such as large files, ledgers, and small tools. Although a sedentary job primarily involves sitting, occasional walking and standing may also be required in the performance of duties.
  2. Light work shall be work that involves lifting no more than twenty (20) pounds at a time with frequent lifting or carrying of objects weighing up to ten (10) pounds. A job shall be in this category if lifting is infrequently required but walking and standing are frequently required, or if the job primarily requires sitting with pushing and pulling of arm or leg controls. If the person has the ability to perform substantially all of these activities, the person shall be deemed capable of light work. A person deemed capable of light work shall be deemed capable of sedentary work unless the person has additional limitations such as the loss of fine dexterity or inability to sit for long periods.
  3. Medium work shall be work that involves lifting no more than fifty (50) pounds at a time with frequent lifting or carrying of objects weighing up to twenty-five (25) pounds. If the person is deemed capable of medium work, the person shall be deemed capable of light and sedentary work.
  4. Heavy work shall be work that involves lifting no more than one hundred (100) pounds at a time with frequent lifting or carrying of objects weighing up to fifty (50) pounds. If the person is deemed capable of heavy work, the person shall also be deemed capable of medium, light, and sedentary work.
  5. Very heavy work shall be work that involves lifting objects weighing more than one hundred (100) pounds at a time with frequent lifting or carrying of objects weighing fifty (50) or more pounds. If the person is deemed capable of very heavy work, the person shall be deemed capable of heavy, medium, light, and sedentary work.

The maximum service credit added shall not exceed the total service the member had on his last day of paid employment, and the maximum service credit for calculating his retirement allowance, including his total service and service added under this section, shall not exceed twenty (20) years.
- (b) For a member whose participation begins on or after August 1, 2004, but prior to January 1, 2014, the disability retirement allowance shall be the higher of twenty-five percent (25%) of the member's monthly final rate of pay or the retirement allowance determined in the same manner as for retirement at his normal retirement date with years of service and final compensation being determined as of the date of his disability.
- (c) For a member who begins participating on or after January 1, 2014, in the hybrid cash balance plan as provided by KRS 16.583, the disability retirement allowance shall be the higher of twenty-five percent (25%) of the member's monthly final rate of pay or the retirement allowance determined in the same manner as for retirement at his or her normal retirement date under KRS 16.583.
- (6) If the member receives a satisfactory determination of ~~total and permanent disability or~~ hazardous disability pursuant to KRS 61.665 and the disability is the direct result of an act in line of duty *as defined in Section 1 of this Act*, the member's retirement allowance shall be calculated as follows:

2. Any person who chooses coverage under a hospital and medical insurance plan shall pay, by payroll deduction from the retirement allowance or by another method, the difference in premium between the cost of the hospital and medical insurance plan coverage and the benefits to which he or she would be entitled under this section.

Notwithstanding the provisions of any other statute, recipients

shall be included in the same class as current state employees in determining medical insurance policies and premiums.

- (c) For recipients of a retirement allowance who are not eligible for the same level of hospital and medical benefits as recipients living in Kentucky having the same Medicare hospital and medical insurance eligibility status, each respective board shall provide a medical insurance reimbursement plan as described in subsection (7) of this section.
  - (d) Notwithstanding anything in KRS Chapter 61 to the contrary, each respective board of trustees, in its discretion, may take necessary steps to ensure compliance with 42 U.S.C. secs. 300bb-1 et seq., including but not limited to receiving contributions and premiums from, and providing benefits pursuant to this section to, persons entitled to continuation coverage under 42 U.S.C. secs. 300bb-1 et seq., regardless of whether such persons are recipients of a retirement allowance.
- (2) (a) Each employer participating in the State Police Retirement System as provided for in KRS 16.505 to 16.652, each employer participating in the County Employees Retirement System as provided in KRS 78.510 to 78.852, and each employer participating in the Kentucky Employees Retirement System as provided for in KRS 61.510 to 61.705 shall contribute to the insurance trust funds established by KRS 61.701 the amount necessary to provide hospital and medical insurance as provided for under this section. - (b) 1. Each employer described in paragraph (a) of this subsection shall deduct from the creditable compensation of each member having a membership date on or after September 1, 2008, an amount equal to one percent (1%) of the member's creditable compensation. The deducted amounts shall, at the discretion of the board, be credited to accounts established pursuant to 26 U.S.C. sec. 401(h), within the funds established in KRS 16.510, 61.515, and 78.520, or the insurance trust funds established under KRS 61.701, or partially to one (1) fund with the remainder deposited to the other fund.   - 3. Each employer shall submit payroll reports, contributions lists, and other data as may be required by administrative regulation promulgated by each respective board of trustees pursuant to KRS Chapter 13A.
  - 4. Every member shall be deemed to consent and agree to the deductions made pursuant to this paragraph, and the payment of salary or compensation less the deductions shall be a full and complete discharge of all claims for services rendered by the person during the period covered by the payment, except as to any benefits provided by KRS 16.505 to 16.652, 61.510 to 61.705, and 78.510 to 78.852. No member may elect whether to participate in, or choose the contribution amount payable to accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520, or the insurance trust funds established under KRS 61.701. No member may receive a rebate or refund of contributions. If a member establishes a membership date prior to September 1, 2008, pursuant to KRS 61.552(1) or 61.552(20), then this paragraph shall not apply to the member and all contributions previously deducted in accordance with this paragraph shall be refunded to the member without interest. The contribution made pursuant to this paragraph shall not act as a reduction or offset to any other contribution required of a member or recipient under KRS 16.505 to 16.652, 61.510 to 61.705, and 78.510 to 78.852.

5. The respective board of trustees, at its discretion, may direct that the contributions required by this paragraph be accounted for within accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520, or the insurance trust funds established under KRS 61.701, through the use of separate accounts.

  5. Partly from subparagraphs 1. to 4. of this paragraph, except that any premium for hospital and medical insurance over the amount contributed by the insurance trust funds; accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520; or another state-administered retirement system under a reciprocal agreement shall be paid by the recipient by an automatic electronic transfer of funds. If the board provides for cross-referencing of insurance premiums, the employer's contribution for the working member or spouse shall be applied toward the premium, and the insurance trust funds or accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520 shall pay the balance, not to exceed the monthly contribution; or

Should such recipient have less than one hundred eighty (180) months of service but have at least one hundred twenty (120) months of service, fifty percent (50%) of such premium shall be paid from the insurance trust fund or accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520, provided such recipient agrees to pay the remaining fifty percent (50%) by payroll deduction from his or her retirement allowance or by another method. Should such recipient have less than one hundred twenty (120) months of service but have at least forty-eight (48) months of service, twenty-five percent (25%) of such premium shall be paid from the insurance trust fund or accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 16.510, 61.515, and 78.520, provided such recipient agrees to pay the remaining seventy-five percent (75%) by payroll deduction from his or her retirement allowance or by another method. The maximum disability benefit shall be determined by the following formula:

- (1) Add the monthly benefit payable to the disabled employee from the retirement system, using the monthly disability retirement allowance (not optional plan) but excluding dependent children's allowances, if any, to his monthly benefit, if any, from Social Security, even though these payments may not begin for a period of time as required for qualification under the federal Social Security law, excluding spouse or dependent benefits, and his monthly benefit, if any, from workers' compensation, even though these payments may not have begun as

of the date the disabled member applies for disability retirement benefits, excluding spouse or dependent children's allowances, from workers' compensation, to arrive at a projected combined monthly benefit.

- (2) If the projected combined monthly benefit exceeds one hundred percent (100%) of the disabled employee's final rate of pay or his final compensation, whichever is greater, his disability retirement allowance from the retirement system shall be reduced to an amount which would cause his projected combined monthly benefit to equal one hundred percent (100%) of his final rate of pay or his final compensation, whichever is greater; however, the disability retirement allowance shall not be reduced below an amount which would result from a computation of his disability retirement allowance from the retirement system using the disabled employee's actual total service.
- (3) The system may pay estimated benefits to a disabled employee, upon qualification for disability retirement, based on an estimate of his Social Security and workers' compensation benefits until the amounts are actually determined, at which time a final calculation of the member's actual benefits shall be determined and his account corrected retroactive to his effective retirement date.
- (4) Any increase in Social Security benefits or workers' compensation benefits which becomes law, regardless of their effective date, subsequent to the disabled employee's effective retirement date, shall not be considered in determination of the maximum benefit payable, as the maximum benefit payable is based on the amount of combined benefits under these programs as of the disabled employee's effective retirement date.
- (5) Any disabled recipient whose potential payments from the system were reduced as provided for in this section shall advise the system if his payments under the Federal Social Security Act or Workers' Compensation Act cease at any time subsequent to his effective retirement date. Upon investigation, if the system determines that the disabled recipient continues to be eligible for disability benefits, the system may increase his retirement allowance by adding to his payment an amount equal to the reduction applied upon the effective retirement date in accordance with subsection (2) of this section.
- (6) ***Subsequent to his or her effective retirement date, each disability recipient who is still eligible to receive disability payments based upon a total and permanent disability that occurred as a direct result of an act in line of duty as defined in Section 1 of this Act or a disablement that occurred as a result of a duty-related injury as defined in Section 3 of this Act, shall annually file on a form or via an electronic method established by the Authority, information on whether payments to the recipient have ceased or began under the federal Social Security Act or Workers' Compensation Act and the Authority shall make any necessary adjustments as provided by this section.***

- (3) If the person fails or refuses to file at the retirement office the review form, including the current employment and medical information, his retirement allowance shall be discontinued or reduced on the first day of the month following the expiration of the one hundred eighty (180) days from the day the system mailed the review form to the person's last address on file in the retirement office. If the person's benefits are discontinued or reduced under

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. The Supplemental School Year Program for the 2021-2022 school year is hereby established.

➔Section 2. (1) Notwithstanding any passing grades a public school student may receive during the 2020-2021 school year, any student enrolled in a Kentucky public school in grades kindergarten through 12 during the 2020-2021 school year may request to use the 2021-2022 school year as a supplemental school year to retake or supplement the courses or grades the student has already taken. A retaken high school course under this subsection shall not count as an additional credit towards graduation unless the student failed the original course. Retaking a course under this section shall count towards full-time enrollment for the student.

(2) To allow a high school student enrolled in a Kentucky public high school in grade 12 during the 2020-2021 school year to request the supplemental school year notwithstanding any passing grades and the student satisfying state and district graduation requirements and graduating under KRS 158.140 and 156.160 and 704 KAR 3:305, a local board of education may establish a temporary program for graduated seniors for the 2021-2022 school year. Graduated students enrolled in a program under this subsection shall be eligible for inclusion in the school district's average daily attendance for the purposes of calculating SEEK funds; however, SEEK eligibility for each of the two semesters shall be tied to the student's completion of courses during that semester and enrollment during the entirety of the semester. A graduated student enrolled in a program under this subsection shall not receive any additional credits or certifications as a result of coursework unless the student completes the course and remains enrolled in the program until the completion of such course.

(3) A student under subsection (1) or (2) of this section shall submit the request to the local board of education of the district in which the student is enrolled by May 1, 2021. A local board of education shall not approve or reject requests on an individual basis, but shall determine by June 1, 2021, whether the district shall or shall not accept all requests. A local board approving the requests shall develop a plan for implementing the supplemental school year and the temporary program for graduated seniors and may adopt policies on grades, schedules, classifications, graduation ceremonies, and other operational issues in offering the supplemental school year. The local board shall notify the Kentucky Department of Education and submit the plan along with any requests for waivers from Kentucky Board of Education regulations to the department by June 16, 2021.

However, in order for students to qualify under Section 4 of this Act, the student shall submit the request to the nonpublic school by May 1, 2021, and the student shall only use the supplemental school year at the nonpublic school at which the student was enrolled on that date.

➔Section 4. Notwithstanding any rule or regulation of the Kentucky Board of Education or the Kentucky High School Athletic Association, but in compliance with KRS 156.070(2)(f) relating to age limits, if a member school provides evidence to the Kentucky High School Athletic Association documenting a student enrolled in grades 9 through 12 during the 2020-2021 school year as utilizing the 2021-2022 school year as a supplemental school year under Section 2 or 3 of this Act at the member school, then the student shall have five consecutive calendar years of eligibility from the date of first entry into grade 9, and retaking courses pursuant to Section 2 or 3 of this Act shall not otherwise disqualify the student from eligibility. However, any other rules or regulations governing eligibility, such as rules regarding transfers, are not waived under this section. The Kentucky High School Athletic Association may adopt rules, policies, and bylaws and promulgate administrative regulations necessary to carry out this section.

➔Section 5. Whereas school districts and state agencies will require sufficient time to establish the procedures necessary to carry out this Act, an emergency is hereby declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

  - (b) *For the purposes of this subsection, the district shall be considered a participating employer of the County Employees Retirement System, but only for those employees described by paragraph (a) of this subsection.*

➔Section 15. KRS 65.180 is amended to read as follows:

As used in KRS 65.182 to 65.190, unless the context otherwise requires, the word "taxing district" shall mean, and the provisions of KRS 65.182 to 65.190 shall apply to, any special district authorized by statute to levy ad valorem taxes within the meaning of Section 157 of the Constitution of Kentucky or to levy ad valorem taxes under the provisions of KRS 68.602 and governed by the following statutes: KRS 65.182, 75.010 to 75.260, *Sections 1 to 14 of this Act*, 107.310 to 107.500, 108.080 to 108.180, 109.115 to 109.190, 173.450 to 173.650, 173.710 to 173.800, 179.700 to 179.990, 212.720 to 212.755, 216.310 to 216.360, 266.010 to 266.990, and 268.010 to 268.990.

➔Section 16. KRS 75.020 is amended to read as follows:

- (1) (a) The territorial limits of an established fire protection district, or a volunteer fire department district, as established under KRS 75.010 to 75.080, may be enlarged or diminished in the following way: The

trustees of the fire protection district or of the volunteer fire department district shall file a petition in the county clerk's office of the county in which that district and the territory to be annexed or stricken off, or the greater part thereof, is located, describing the territory to be annexed or stricken and setting out the reasons therefor. Notice of the filing of such petition shall be given by publication as provided for in KRS Chapter 424. On the day fixed in the notice, the county judge/executive shall, if the proper notice has been given, and the publication made, and no written objection or remonstrance is interposed enter an order annexing or striking off the territory described in the petition. Fifty-one percent (51%) or more of the freeholders of the territory sought to be annexed or stricken off may, at any time before the date fixed in the notice, remonstrate in writing, filed in the clerk's office, to the action proposed. If such written remonstrance is filed, the clerk shall promptly give notice to the trustees of the fire protection district, or of the volunteer fire department district, and the county judge/executive shall hear and determine the same. If upon such hearing, the county judge/executive finds from the evidence that a failure to annex or strike off such territory will materially retard the functioning of the fire protection district or the volunteer fire department district and materially affect adversely the owners and the inhabitants of the territory sought to be annexed or stricken off, he or she shall enter an order, granting the annexation or striking off the territory. In the latter event, no new petition to annex or strike off all or any part of the same territory shall be entertained for a period of two (2) years. Any aggrieved person may bring an action in Circuit Court to contest the decision of the county judge/executive.

- (b) In addition to the provisions of paragraph (a) of this subsection, if the trustees of a fire protection district or a volunteer fire department district, as established under KRS 75.010 to 75.080, are seeking to expand territory into an area served by a fire department created under KRS Chapter 273 and certified under KRS 75.400 to 75.460 or an area that is not contained within the boundaries of the city, but is being served by a city government, then the trustees shall, prior to executing the provisions of paragraph (a) of this subsection, enter into a written agreement with the fire chief and the board of the fire department created under KRS Chapter 273 or with the city government providing fire protection services to the area proposed to be annexed. The agreement shall establish the proposed new boundary as it applies to the fire department created under KRS Chapter 273 or to the area being served by the city fire department. On the day the agreement is finalized, the trustees of the district shall send by certified mail, return receipt requested, or have personally delivered a copy of the agreement to the county judge/executive of the county containing the territory subject to the expansion. The notice required in paragraph (a) of this subsection shall, in lieu of the applicable publication requirements set out in KRS Chapter 424, be published at least once a week, for a minimum of two (2) weeks. The last publication shall occur no less than seven (7) days before the date fixed in the notice.
  - (c) If the trustees approach the fire chief and board of the fire department created under KRS Chapter 273 or the city government in the manner authorized in paragraph (b) of this subsection and are unable to reach an agreement within thirty (30) days, the trustees, or any real property holder of the territory subject to the annexation, may directly seek permission from the real property holders of that territory to continue with the annexation procedure set out in paragraphs (a) and (b) of this subsection by circulating a petition and securing the signatures of at least fifty-one percent (51%) of the real property holders within that territory. The petition shall include the residential address of the signer and the date of the signature. The petition shall be certified by the county clerk if the clerk finds the petition sufficient in form and requisite amount of signatures.
- (2) The property in any territory annexed to a fire protection district or to a volunteer fire department district shall not be liable to taxation for the purpose of paying any indebtedness incurred by the fire protection district or the volunteer fire department district prior to the date of the annexation of such territory, except such indebtedness as represents the balance owing on the purchase price of firefighting equipment. The property in any territory stricken off from a fire protection district or a volunteer fire department district by the incorporation of or annexation by a city of this Commonwealth shall not be relieved of liability of such taxes as may be necessary to pay its proportionate share of the indebtedness incurred while such territory was a part of that district. Territories stricken by action of the county judge/executive under the provisions of subsection (1) shall be relieved of liability for all indebtedness incurred by the fire protection district or the volunteer fire department district.
  - (3) Any city that maintains a "regular fire department," and has either by incorporation or annexation caused property to be stricken from a fire protection district or a volunteer fire department district, shall comply with KRS 75.022(3).
  - (4) A fire protection district or volunteer fire department district established pursuant to KRS 75.010 to 75.080 shall not expand its service boundaries or annex territory contained in another fire protection district or

volunteer fire department district established pursuant to KRS 75.010 to 75.080. However, the territorial limits of two (2) or more fire protection districts, or volunteer fire department districts, as established by KRS 75.010 to 75.080, may be merged into one (1) fire protection district or volunteer fire department district as follows:

- (a) The trustees of each fire protection district or volunteer fire department district shall file a joint petition in the county clerk's office of the county in which all of the districts and the territory to be merged into one (1) district, or the greater part of the district, is located, describing the territory to be merged into the district and setting out the reasons for the merger;
  - (b) Notice of the filing of the petition shall be given by publication as provided in KRS Chapter 424 for public notices;
  - (c) On the day fixed in the notice, the county judge/executive shall, if proper notice by publication has been given, and no written objection or remonstrance has been made, enter an order merging the fire protection districts or volunteer fire department districts described in the petition;
  - (d) Fifty-one percent (51%) or more of the property owners of the territory sought to be merged into one (1) district may, at any time before the date fixed in the notice, remonstrate by written petition to the county clerk regarding their objection to the merger of the districts. If a petition is filed, the county clerk shall give prompt notice to the trustees of the fire protection districts or the volunteer fire protection districts and the county judge/executive;
  - (e) The county judge/executive shall schedule a hearing regarding the petition and shall give public notice as to the date, time, and place of the hearing. If after the hearing, the county judge/executive finds from the evidence that a failure to merge the territory will materially retard the functioning of the fire protection districts or volunteer fire department districts and materially affect adversely the owners and the inhabitants of the territory sought to be merged, he or she shall enter an order granting the merger of the districts into one (1) fire protection district or volunteer fire department district; and
  - (f) Any aggrieved person may bring an action in Circuit Court to contest the decision of the county judge/executive regarding the merger fire protection districts or volunteer fire department districts.
- (5) ***In addition to the merger provisions of subsection (4) of this section, fire protection districts established pursuant to KRS 75.010 to 75.080 may also merge pursuant to Sections 1 to 14 of this Act.***
- (6) The property in any fire protection district or volunteer fire department district which is merged with another fire protection district or volunteer fire department district shall not be liable to taxation for the purpose of paying any indebtedness incurred by the other fire protection district or volunteer fire department district prior to the date of the merger into one (1) fire protection district, except indebtedness which represents a balance owed on the purchase price of firefighting equipment from the other fire protection district or volunteer fire department district.
- ~~(7)(6)~~ Fire protection districts or volunteer fire department districts that modify service area boundaries by taking any action authorized under this section shall update their service area boundary maps and file them in the manner required by KRS 75.420.

➔Section 17. KRS 78.530 (Effective April 1, 2021) is amended to read as follows:

- (1) (a) Each county and school board, as defined in KRS 78.510, will participate in the system by appropriate order authorizing such participation which has been entered and duly recorded in the records of the governing body of the county or school board. In cases where general purpose county government does not participate, but the sheriff and his or her employees or the county clerk and his or her employees do, the sheriff or the clerk shall retain the order in his or her office. The authority to issue and properly record such order of participation being hereby granted, permits such county to participate in the system. The effective date of such participation shall be fixed in the order.
- (b) Notwithstanding any statute to the contrary, after April 9, 2002, the systems shall deny the request for participation of any agency which does not have an irrevocable contract with the state Personnel Cabinet for health insurance coverage under KRS 18A.225 to 18A.229 for its active employees, except that:
  - 1. County governments entering the system between April 9, 2002, and July 1, 2003, under this section shall be excluded from this requirement;~~and~~
  - 2. Agencies entering the system on or after April 9, 2002, which were established by a merger or an interlocal agreement to provide public services shall be excluded from this requirement if

~~any~~ agencies entering into the merger or interlocal agreement had an initial participation date with the system prior to April 9, 2002; *and*

**3. Any consolidated emergency services district.**

- (2) Once a county or school board participates, it shall thereafter continue to participate, except as provided in KRS 78.535.
- (3) (a) Concurrent with the adoption of the appropriate resolution to participate in the system, a county may elect the alternate participation plan which will require the county to purchase on behalf of each employee electing coverage, at the time the county elected to participate in the system as provided under KRS 78.540(1)(b) and (c), current service credit for employment in regular full-time positions between July 1, 1958, and the participation date of the county. Cities which participate in the system pursuant to subsection (6) of this section, KRS 79.080, 90.400, 90.410, 95.520, 95.621, 95.761, 95.768, 95.852, or 96.180 shall be required to purchase on behalf of each employee electing coverage only as much service credit as the employee has accumulated in the city-administered plan, up to the participation date of the city. Accumulated service shall include service for which an employee received a refund pursuant to KRS 95.620 or 95.866, if such refund has been repaid. If the employee has not yet repaid the refund, he may make payment to the system by any method acceptable to the system, and the requirement of five (5) years of continuous reemployment prior to repayment of refunds shall not apply. Upon the employee's repayment, the city shall purchase the associated service credit for the employee. Cost of such service credit over and above that which would be funded within the existing employer contribution rate shall be determined by the board's consulting actuary. The expense of such actuarial service shall be paid by the county.
- (b) The county shall establish a payment schedule subject to approval by the board for payment of the cost of such service over and above that which would be funded within the existing employer contribution rate. The maximum period allowed in a payment schedule shall be thirty (30) years, with interest at the rate actuarially assumed by the board. A shorter period is desirable and the board may approve any payment schedule provided it is not longer than a thirty (30) year period, except that cities which participate in the system pursuant to subsection (6) of this section, KRS 79.080, 90.400, 90.410, 95.520, 95.621, 95.761, 95.768, 95.852, or 96.180 may, at their option, extend the payment schedule to a maximum of thirty (30) years, may choose to make level payments at the interest rate actuarially assumed by the board over the life of the payment schedule chosen, and may retain employer contributions and the earnings thereon attributable to employees electing coverage.
- (c) A city entering the system under the alternate participation plan, may, by ordinance, levy a special property tax to pay for current service credit purchased for the period between July 1, 1958, and the participation date of the city. The special tax shall be to pay, within a period of no more than fifteen (15) years, for the cost of such service credit over that which would be funded within the existing employer contribution rate, as determined by the board's consulting actuary. The reason for levying the special tax and the disposition of the proceeds shall be part of the ordinance levying the tax. The special tax shall be rescinded when the unfunded prior service liability has been amortized, and shall not be subject to the provisions of KRS 132.017 or 132.027. In addition, the city may maintain any tax, the proceeds of which had been devoted to funding pension obligations under the locally administered plan prior to participation in the system, for the purpose of funding current service costs incurred after the date of participation. The city may increase the tax to pay current service costs which exceed the local pension system costs to which the tax had been devoted, but the city shall not collect from the tax more revenues than are necessary to pay current service costs incurred after the date of participation. The city may continue the tax so long as it participates in the system, and the tax shall not be subject to the provisions of KRS 132.017 or 132.027. The city shall not collect either tax authorized by this paragraph if its participation has been terminated pursuant to KRS 78.535.
- (d) The county may at a later date purchase current service credit from July 1, 1958, to the participation date of the county by alternate participation plan for those employees who rejected membership in the system at the time the county first participated. In addition, the employer shall pay the employer contributions on the creditable compensation of the employees who later elect membership from the participation date of the county to the date the member elects participation. The employee shall pay the employee contributions on his or her creditable compensation from the participation date of the county to the date he or she elects membership plus interest at the current actuarial rate compounded annually on the employee and employer contributions. Cost of the service credit over and above that which would be funded within the existing employer contribution rate shall be determined by the board's

consulting actuary. The expense of the actuarial service shall be paid by the county. The county shall pay the cost of the service by lump sum or by adding it to the existing payment schedule established under paragraph (b) of this subsection.

- (e) A county which did not participate by alternate participation may, until July 1, 1991, purchase current service credit for those employees who rejected membership in the system at the time the county first participated. The employer shall pay the employer contributions on the creditable compensation of the employees who later elect membership from the participation date of the county to the date the member elects participation. The employee shall pay the employee contributions on his or her creditable compensation from the participation date of the county to the date he or she elects membership plus interest at the current actuarial rate compounded annually on the employee and employer contributions. The county shall pay the cost of the service credit by lump sum or by establishing a payment schedule under paragraph (b) of this subsection.
  - (f) A county which participated in the system but did not elect the alternate participation plan may at a later date elect the alternate participation plan. In this case, the county shall purchase on behalf of each employee participating in the system current service credit for employment in regular full-time positions between July 1, 1958, or a later date selected by the county government, and the participation date of the county. The county shall also purchase, for employees who decide to participate when the county elects the alternate participation plan, current service credit for employment in regular full-time positions between July 1, 1958, or the later date selected by the county government, and the participation date of the county. In addition, the county shall pay the employer contributions on the creditable compensation of the employees who later elect membership from the participation date of the county to the date the member elects participation. The employee shall pay the employee contributions on his or her creditable compensation from the participation date of the county to the date he or she elects membership plus interest at the current actuarial rate compounded annually on the employee and employer contributions. Cost of the service credit over that which would be funded within the existing employer contribution rate shall be determined by the board's consulting actuary. The expense of the actuarial service shall be paid by the county. The county shall pay the cost of the service by lump sum or by a payment schedule established under paragraph (b) of this subsection.
  - (g) Notwithstanding any other provision of the Kentucky Revised Statutes to the contrary, this subsection shall not apply to members who begin participating in the system on or after January 1, 2014, and no county that elects to participate in the system on or after January 1, 2014, shall be eligible to participate under the alternate participation plan.
- (4) Every school board not participating on June 21, 1974, shall enact a resolution of participation no later than July 1, 1976.
  - (5) The order of the governing body of a county, as provided for in subsection (1) of this section, may exclude from participation in the system hospitals and any other semi-independent agency. Each such excluded agency shall be identified in the order authorizing participation and such excluded agency may participate in the system as a separate agency.
  - (6)
    - (a) After August 1, 1988, except as permitted by KRS 65.156, no local government retirement system shall be created pursuant to KRS 70.580 to 70.598 and any local government retirement systems created pursuant to KRS 79.080, 90.400, 90.410, 95.768, and KRS Chapter 96 shall be closed to new members. New employees who would have been granted membership in such retirement systems shall instead be granted membership in the County Employees Retirement System. Employees who would have been granted membership in retirement systems created pursuant to KRS 95.768, or any other policemen or firefighters who would have been granted membership in retirement systems created pursuant to KRS 79.080, 90.400, or 90.410, or any such policemen or firefighter members employed on or prior to August 1, 1988, who transfer to the County Employees Retirement System, shall be certified by their employers as working in hazardous positions. Each city participating in the County Employees Retirement System pursuant to this subsection shall execute the appropriate order authorizing such participation, shall select the alternate participation plan as described in subsection (3) of this section, and shall pay for the actuarial services necessary to determine the additional costs of alternate participation. Cities which closed their local pension systems to new members and participated in the system prior to July 15, 1988, whose employees at the time of transition were given the option to join the system shall not be required to offer said employees a second option to join the system.
    - (b) Notwithstanding any statute to the contrary, after April 9, 2002, the system shall deny the request for participation of any agency which does not have an irrevocable contract with the state Personnel

Cabinet for health insurance coverage under KRS 18A.225 to 18A.229 for its active employees, except that agencies entering the system on or after April 9, 2002, which were established by a merger or an interlocal agreement to provide public services shall be excluded from this requirement if all agencies entering into the merger or interlocal agreement had an initial participation date with the system prior to April 9, 2002.

- (7) Any city which closed a police and firefighter pension plan to new members between January 1, 1988, and July 15, 1988, and participated in the system under the alternate participation plan shall, if its police and firefighters were not covered by Social Security, or any city which operates a pension under KRS 90.400 or 90.410, shall be required to certify that its police and firefighters are working in hazardous positions, and shall offer its police and firefighters in service at the time of entry a second option to participate under hazardous duty coverage if they were not offered hazardous duty coverage at the time of their first option. The provisions of subsection (3)(b) of this section notwithstanding, a city affected by this subsection may, at its option, extend its payment schedule to the County Employees Retirement System for alternate participation to thirty (30) years at the rate actuarially assumed by the board.

➔Section 18. KRS 95A.500 is amended to read as follows:

- (1) If two (2) or more volunteer fire departments merge under the provisions of KRS 95A.500 to 95A.560 after January 1, 2000, and each is qualified to receive the volunteer fire department aid under KRS 95A.262(2) at the time of merger, then the volunteer fire department aid shall be disbursed according to the provisions of KRS 95A.500 to 95A.560 as long as the resulting district remains qualified to receive the volunteer fire department aid.
- (2) ***The provisions of KRS 95A.500 to 95A.560 shall apply to any volunteer fire departments formed under KRS Chapter 75 or 273 which merge into a consolidated emergency services district pursuant to Sections 1 to 14 of this Act. The consolidated emergency services district shall receive the qualified shares as if it were a volunteer fire district.***

➔Section 19. KRS 134.119 is amended to read as follows:

- (1) (a) The sheriff shall be the collector of all state, county, county school district, and other taxing district property taxes unless the payment is directed by law to be made to some other person. The sheriff may contract to collect taxes on behalf of cities, independent school districts, or any other governmental unit with the authority to levy a property tax, if the enabling legislation authorizing imposition of the tax permits the governmental unit to contract for the performance of tax collection duties.
- (b) The provisions of this chapter relating to the collection of property taxes shall apply to other property tax collectors to the extent that the governing body of the city, school district, or taxing district appointing the tax collector has not adopted alternative tax collection processes and procedures.
- (2) Payment to the sheriff may be provided by any commercially acceptable means. The sheriff may limit the acceptable methods of payment to those that ensure that payment cannot be reversed or nullified due to insufficient funds.
- (3) (a) 1. The sheriff shall accept payment from the day on which the tax bills are mailed by the sheriff to the taxpayer as provided in KRS 133.220 and 133.230, through the day on which the sheriff files the uncollected tax claims with the county clerk pursuant to KRS 134.122. During this time period, the sheriff may accept full or partial payment for any outstanding taxes or tax claims.
2. a. Any payments received by the sheriff by mail that:
- i. Are received after the day on which uncollected tax claims are filed with the county clerk pursuant to KRS 134.122; and
  - ii. Have a postmark that reflects a date on or before the day the uncollected tax claims are filed with the county clerk;
- shall be accepted and processed, and the amount due shall be the amount due immediately before the transfer of the uncollected tax claims by the sheriff to the county clerk.
- b. Payments described in this subparagraph may be processed as agreed by the sheriff and county clerk.
- c. Absent an agreement between the sheriff and the county clerk, the payment shall be accepted and processed by the sheriff.

- d. If the sheriff accepts and processes the payment, the sheriff shall notify the county clerk, and the county clerk shall update his or her records to reflect payment of the certificate of delinquency.
  - e. The sheriff and the county clerk shall reconcile all transactions addressed by this subparagraph by preparation of an addendum to the original reconciliation provided by the sheriff to the county clerk at the time of transfer. The addendum shall be prepared thirty (30) days after the original transfer, and shall be filed by the county clerk in the clerk's order book.
- (b) All payments received by the sheriff shall be entered immediately by the sheriff on his or her books. Partial payments shall be credited against the total amount due and shall be apportioned by the sheriff among the entities included on the tax bill in the same proportion the amount due to each bears to the amount paid.
  - (c) The acceptance of any payment before the taxpayer's tax liability has been finally determined shall not imply that the payment was the correct amount due and shall not preclude the assessment and collection of additional taxes due or the refund of any part of the amount paid that is in excess of the amount determined to be due.
  - (d) The sheriff may accept payment of any tax or tax claim from any other person on behalf of the taxpayer. Any person making a payment on behalf of a taxpayer may, upon the written notarized request of the taxpayer, be treated as a transferee as provided in KRS 134.121.
  - (e) The sheriff may accept payment of any amount due on a delinquent tax claim from any of the persons described in subparagraphs 1., 2., and 3. of this paragraph without permission of the taxpayer. The person seeking to make the payment shall provide sufficient proof to the sheriff that he or she meets the requirements to pay under this paragraph. The sheriff shall be held harmless if he or she relies upon information provided and accepts payment from a person not qualified to pay under this paragraph. Any person listed in subparagraph 1., 2., or 3. of this paragraph who makes full payment, may, upon written request to the sheriff, be treated as a transferee under KRS 134.121:
    - 1. Any person holding a legal or equitable estate in the real or personal property upon which the delinquent taxes are due, other than a person whose only interest in the property is a lien resulting from ownership of a prior year certificate of delinquency;
    - 2. A tenant or lawful occupant of real property, or a bailee or person in possession of any personal property upon which the delinquent taxes are due; or
    - 3. Any person having a mortgage on real property or a security interest in real or personal property upon which the delinquent taxes are due.
- (4) If, upon expiration of the five percent (5%) penalty period established by KRS 134.015(2)(c), the real property tax delinquencies of a sheriff exceed fifteen percent (15%) of the amount charged to the sheriff for collection, the department may require the sheriff to make additional reasonable collection efforts. If the sheriff fails to initiate additional reasonable collection efforts within fifteen (15) business days following notification from the department that such efforts shall be made, the department may assume responsibility for collecting the delinquent taxes. If the department assumes the responsibility for collecting delinquent taxes, the department shall receive the amounts that would otherwise be paid to the sheriff as fees or commissions for the collection of tax bills.
  - (5) In collecting delinquent taxes, the sheriff:
    - (a) May distraint and sell personal property owned by a delinquent taxpayer in the amount necessary to satisfy the delinquent tax claim. The sale shall be made under execution for cash. If the personal property of the delinquent taxpayer within the county is not sufficient to satisfy the delinquent tax claim, the sheriff may sell so much of the personal property as is available; and
    - (b) Shall retain any amounts that come into his or her possession payable to a delinquent taxpayer, other than claims allowed for attendance as a witness, and shall apply such amounts to the amount due on the delinquent tax claim.
  - (6) (a) As compensation for collecting property taxes the sheriff shall be paid the following amounts, regardless of whether the amounts are collected by the sheriff prior to filing the tax claims with the

county clerk, or by the county clerk after the tax claims become certificates of delinquency or personal property certificates of delinquency:

1. From the Commonwealth the sheriff shall be paid four and one-quarter percent (4.25%) of the amount collected on behalf of the Commonwealth;
  2. From counties the sheriff shall be paid four and one-quarter percent (4.25%) of the amount collected on behalf of the counties;
  3. The sheriff shall be compensated as provided by law or as negotiated if negotiation is permitted by law, for collecting taxes on behalf of any taxing district;
  4. The sheriff shall be compensated as provided in KRS 160.500 for collecting school district taxes;~~{and}~~
  5. The sheriff shall be compensated as provided in KRS 91A.070 for collecting taxes on behalf of any city; *and*
  6. ***The sheriff shall be compensated as provided in Section 5 of this Act for collecting taxes on behalf of any consolidated emergency services district.***
- (b) The sheriff shall include the amounts he or she is entitled to under the provisions of paragraph (a) of this subsection as part of the delinquent tax claims filed with the county clerk. The amount so included shall become a part of the certificate of delinquency, and shall be paid by the person paying the certificate of delinquency rather than the taxing jurisdiction for which the taxes were collected.
- (7) As additional compensation for the collection of delinquent taxes, the sheriff shall be entitled to an amount equal to ten percent (10%) of the total taxes due plus ten percent (10%) of the ten percent (10%) penalty for all delinquent taxes. This fee shall be added to the total amount due, and shall be paid by the person paying the tax claim if payment is made to the sheriff, or the certificate of delinquency or personal property certificate of delinquency if payment is made after the tax claim has been filed with the county clerk.
- (8) If, in the process of collecting property taxes, the sheriff becomes aware of a new address for a taxpayer, the sheriff shall provide, on a form provided by the department, the information relating to the new address to the property valuation administrator, who shall update his or her records to reflect the new address.

(a) "Appointing authority" means the Director of the LRC, in his or her capacity as provided in KRS 27A.010, or any agent whom he or she has delegated to act on his or her behalf with respect to employee appointments, position establishments, payroll documents, reemployment requests, waiver requests, requests for certification, or other position actions for the LRC;

(d) Abolishment of a position; or

(e) Other material change in duties or organization;

(3) The appointing authority shall determine the job classifications affected and the number of employees laid-off in each classification to which a layoff applies. In the same department or office and job classification, interim and probationary employees shall be laid-off before any full-time or part-time employees are laid-off. For a period of two years, a reemployment applicant shall be hired before any applicant except another reemployment applicant with greater seniority who is on the same reemployment list. When a reemployment applicant is removed from a reemployment list, he or she shall be notified in writing. A reemployment applicant who accepts another LRC position, or who retires, shall cease to have eligibility rights as a reemployment applicant;

(8) The appointing authority may place employees subject to a reduction in force;

(10) The appointing authority shall have the authority to promulgate comprehensive administrative regulations governing this section; and

(11) A layoff, furlough, or reduction of hours implemented in accordance with this section shall not be considered a penalization of the employee.

## CHAPTER 122

### ( HB 230 )

AN ACT relating to the taxation of the commercial mining of cryptocurrency.

WHEREAS, the increased use of blockchain technology in a variety of applications and processes has led to significant innovation, developments, and modernization in multiple industries throughout the world; and

WHEREAS, access to cost-effective energy is critical to the development and growth of blockchain technology, particularly in the commercial mining of cryptocurrency which requires a substantial and constant supply of energy; and

WHEREAS, the General Assembly has actively encouraged the use and growth of blockchain technology in the Commonwealth as evidenced by 2019 House Resolution 171 authorizing a comprehensive study on the growing use of blockchain technology and its economic development potential for a variety of businesses and industries, as well as the passage of 2020 Senate Bill 55 which enacted KRS 42.747 and created a Blockchain Technology Working Group to study the use of blockchain in various sectors; and

WHEREAS, the Commonwealth has an opportunity to become a national leader in the emerging industry of the commercial mining of cryptocurrency given its abundant supply of electricity that can be provided at lower rates than most states, and its established infrastructure to provide such energy through the Tennessee Valley Authority and other electricity providers; and

WHEREAS, it is necessary to clarify the General Assembly's original intention that Kentucky's tax code must and does recognize that the continuing development of new and advanced manufacturing and industrial processing technologies has led to new industrial processes, such as blockchain used for commercial mining of cryptocurrency, which should and must be taxed in a manner similar to historical forms of manufacturing or industrial processing, in order to continue to encourage the location and expansion of such operations in the Commonwealth, rather than in other states likewise competing for such businesses;

NOW, THEREFORE,

## CHAPTER 128

( HJR 57 )

A JOINT RESOLUTION directing the Cabinet for Health and Family Services to establish a work group to assess the feasibility of implementing a bridge insurance program, to review current Temporary Assistance for Needy Families expenditures, and to consider opportunities for public-private partnerships to better meet the needs of public assistance beneficiaries.

WHEREAS, Kentucky has expanded Medicaid eligibility to individuals earning up to 138 percent of the federal poverty level; and

WHEREAS, individuals with incomes very close to the Medicaid eligibility cutoff frequently experience changes in income that result in them churning from Medicaid to qualified health plans sold on the Health Insurance Marketplace from one year to the next; and

WHEREAS, this churn creates fluctuating healthcare costs and increased administrative work for the insureds, qualified health plan providers, and the state's Medicaid program; and

WHEREAS, the cost of purchasing coverage through the Health Insurance Marketplace can deter some low-income individuals from obtaining health insurance coverage; and

WHEREAS, Section 1331 of the Affordable Care Act gives states the option to create a Basic Health Program, or bridge insurance program; and

WHEREAS, a bridge insurance program offers health coverage to low-income individuals who would otherwise be eligible to purchase insurance through the Health Insurance Marketplace; and

WHEREAS, through a bridge insurance program, Kentucky could provide coverage to individuals who do not qualify for Medicaid or the Children's Health Insurance Program and who have an income between 133 percent and 200 percent of the federal poverty level; and

WHEREAS, a bridge insurance program may offer an opportunity for Kentucky to provide more affordable coverage for these low-income individuals and improve continuity of care; and

WHEREAS, a bridge insurance program can prevent eligible individuals from suffering a disruption in care for persistent and chronic health issues due to changes in insurance plans and eligibility; and

WHEREAS, states have the option to implement bridge insurance programs that contract with Medicaid managed care organizations and jointly administer the bridge insurance program and Medicaid, effectively creating seamless coverage for everyone under 200 percent of the federal poverty level with continuity of benefits and providers; and

WHEREAS, states that implement a bridge insurance program are eligible for federal funds equal to 95 percent of the amount of the premium tax credits and the cost-sharing subsidies that would have otherwise been provided to eligible individuals if those individuals had purchased coverage through the Health Insurance Marketplace; and

WHEREAS, the Public Assistance Reform Task Force, established by the Legislative Research Commission during the 2019 Interim, found that the allocation of funds, including federal Temporary Assistance for Needy Families (TANF) block grant funds, through the Kentucky Transitional Assistance Program (K-TAP) does not prioritize assisting recipients in transitioning off of public assistance by finding and maintaining stable employment; and

WHEREAS, as of 2019, Kentucky had accumulated nearly 50 million dollars in unspent, or unobligated, TANF block grant funds, approximately 27 percent of that state's annual block grant amount; and

WHEREAS, in state fiscal years 2017, 2018, and 2019, an average of less than 10 percent of all K-TAP expenditures supported programs and services to assist recipients in securing employment or gaining the skills necessary to secure employment; and

WHEREAS, in state fiscal years 2017, 2018, and 2019, payments to private residential foster care agencies, kinship care payments, and family care initiatives for permanency and protection accounted for nearly two-thirds of all K-TAP expenditures; and

WHEREAS, in 2019, the Public Assistance Reform Task Force recommended that the Cabinet for Health and Family Services study alternative sources of funding for child welfare programs and services currently funded by federal TANF block grant dollars, including strategies for securing additional Title IV-E funds, so that future K-TAP expenditures could be allocated in a manner that better prioritized assisting recipients in transitioning off of public assistance by finding and maintaining stable employment;

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 403.270 is amended to read as follows:

- (1) (a) As used in this chapter and KRS 405.020, unless the context requires otherwise, "de facto custodian" means a person who has been shown by clear and convincing evidence to have been the primary caregiver for, and financial supporter of, a child who *within the last two (2) years* has resided with the person for *an aggregate* ~~of a~~ period of six (6) months or more if the child is under three (3) years of age and for *an aggregate* ~~of a~~ period of one (1) year or more if the child is three (3) years of age or older or has been placed by the Department for Community Based Services. Any period of time after a legal proceeding has been commenced by a parent seeking to regain custody of the child shall not be included in determining whether the child has resided with the person for the required minimum period.
- (b) A person shall not be a de facto custodian until a court determines by clear and convincing evidence that the person meets the definition of de facto custodian established in paragraph (a) of this subsection. Once a court determines that a person meets the definition of de facto custodian, the court shall give the person the same standing in custody matters that is given to each parent under this section and KRS 403.280, 403.340, 403.350, 403.822, and 405.020.
- (2) The court shall determine custody in accordance with the best interests of the child and equal consideration shall be given to each parent and to any de facto custodian. Subject to KRS 403.315, there shall be a presumption, rebuttable by a preponderance of evidence, that joint custody and equally shared parenting time is in the best interest of the child. If a deviation from equal parenting time is warranted, the court shall construct a parenting time schedule which maximizes the time each parent or de facto custodian has with the child and is consistent with ensuring the child's welfare. The court shall consider all relevant factors including:
  - (a) The wishes of the child's parent or parents, and any de facto custodian, as to his or her custody;
  - (b) The wishes of the child as to his or her custodian, with due consideration given to the influence a parent or de facto custodian may have over the child's wishes;
  - (c) The interaction and interrelationship of the child with his or her parent or parents, his or her siblings, and any other person who may significantly affect the child's best interests;
  - (d) The motivation of the adults participating in the custody proceeding;
  - (e) The child's adjustment and continuing proximity to his or her home, school, and community;
  - (f) The mental and physical health of all individuals involved;
  - (g) A finding by the court that domestic violence and abuse, as defined in KRS 403.720, has been committed by one (1) of the parties against a child of the parties or against another party. The court shall determine the extent to which the domestic violence and abuse has affected the child and the

child's relationship to each party, with due consideration given to efforts made by a party toward the completion of any domestic violence treatment, counseling, or program;

- (h) The extent to which the child has been cared for, nurtured, and supported by any de facto custodian;
  - (i) The intent of the parent or parents in placing the child with a de facto custodian;
  - (j) The circumstances under which the child was placed or allowed to remain in the custody of a de facto custodian, including whether the parent now seeking custody was previously prevented from doing so as a result of domestic violence as defined in KRS 403.720 and whether the child was placed with a de facto custodian to allow the parent now seeking custody to seek employment, work, or attend school; and
  - (k) The likelihood a party will allow the child frequent, meaningful, and continuing contact with the other parent or de facto custodian, except that the court shall not consider this likelihood if there is a finding that the other parent or de facto custodian engaged in domestic violence and abuse, as defined in KRS 403.720, against the party or a child and that a continuing relationship with the other parent will endanger the health or safety of either that party or the child.
- (3) The abandonment of the family residence by a custodial party shall not be considered where said party was physically harmed or was seriously threatened with physical harm by his or her spouse, when such harm or threat of harm was causally related to the abandonment.
- (4) If the court grants custody to a de facto custodian, the de facto custodian shall have legal custody under the laws of the Commonwealth.

➔Section 2. KRS 635.020 is amended to read as follows:

- (1) If, prior to an adjudicatory hearing, there is a reasonable cause to believe that a child before the court has committed a felony other than those described in subsections (2) and (3) of this section, a misdemeanor, or a violation, the court shall initially proceed in accordance with the provisions of this chapter.
- (2) If a child charged with a capital offense, Class A felony, or Class B felony, had attained age fourteen (14) at the time of the alleged commission of the offense, the court shall, upon motion of the county attorney made prior to adjudication, and after the county attorney has consulted with the Commonwealth's attorney, that the child be proceeded against as a youthful offender, proceed in accordance with the provisions of KRS 640.010.
- (3) If a child charged with a Class C or Class D felony has on one (1) prior separate occasion been adjudicated a public offender for a felony offense and had attained the age of sixteen (16) at the time of the alleged commission of the offense, the court shall, upon motion of the county attorney made prior to adjudication, and after the county attorney has consulted with the Commonwealth's attorney, that the child be proceeded against as a youthful offender, proceed in accordance with the provisions of KRS 640.010.
- (4) ~~[Any other provision of KRS Chapters 610 to 645 to the contrary notwithstanding,]~~ If a child charged with a felony in which a firearm, whether functional or not, was used *by the child* in the commission of the offense had attained the age of fourteen (14) years at the time of the commission of the alleged offense, ***the court shall, upon motion of the county attorney made prior to adjudication, and after the county attorney has consulted with the Commonwealth's attorney, that the child be proceeded against as a youthful offender, proceed in accordance with the provisions of Section 3 of this Act*** ~~[he shall be transferred to the Circuit Court for trial as an adult if, following a preliminary hearing, the District Court finds probable cause to believe that the child committed a felony, that a firearm was used in the commission of that felony, and that the child was fourteen (14) years of age or older at the time of the commission of the alleged felony. If convicted in the Circuit Court, he shall be subject to the same penalties as an adult offender, except that until he reaches the age of eighteen (18) years, he shall be confined in a facility or program for juveniles or for youthful offenders, unless the provisions of KRS 635.025 apply or unless he is released pursuant to expiration of sentence or parole, and at age eighteen (18) he shall be returned to the sentencing Circuit Court for proceedings consistent with KRS 640.030(2)].~~
- (5) If a child previously convicted as a youthful offender under the provisions of KRS Chapter 640 is charged with a felony allegedly committed prior to his eighteenth birthday, the court shall, upon motion of the county attorney made prior to adjudication, and after the county attorney has consulted with the Commonwealth's attorney, that the child be proceeded against as a youthful offender, proceed in accordance with the provisions of KRS 640.010.

- (6) A child who is charged as is provided in subsection (2) of this section and is also charged with a Class C or D felony, a misdemeanor, or a violation arising from the same course of conduct shall have all charges included in the same proceedings; and the court shall, upon motion of the county attorney made prior to adjudication, and after the county attorney has consulted with the Commonwealth's attorney, that the child be proceeded against as a youthful offender, proceed in accordance with the provisions of KRS 640.010.
- (7) If a person who is eighteen (18) or older and before the court is charged with a felony that occurred prior to his eighteenth birthday, the court shall, upon motion of the county attorney made prior to adjudication, and after the county attorney has consulted with the Commonwealth's attorney, that the child be proceeded against as a youthful offender, proceed in accordance with the provisions of KRS 640.010.
- (8) All offenses arising out of the same course of conduct shall be tried with the felony arising from that course of conduct, whether the charges are adjudicated under this chapter or under KRS Chapter 640 and transferred to Circuit Court.

➔Section 3. KRS 640.010 is amended to read as follows:

- (1) For children who are alleged to be youthful offenders by falling in the purview of KRS 635.020(2) ~~to [(3), (5), (6), (7), or]~~ (8), the court shall at arraignment *ensure* ~~assure~~ that the child's rights as specified in KRS 610.060 have been explained and followed.

- (2) (a) In the case of a child alleged to be a youthful offender by falling within the purview of KRS 635.020(2) ~~to [(3), (5), (6), (7), or]~~ (8), the District Court shall, upon motion by the county attorney to proceed under this chapter, and after the county attorney has consulted with the Commonwealth's attorney, conduct a preliminary hearing to determine if the child should be transferred to Circuit Court as a youthful offender. The preliminary hearing shall be conducted in accordance with the Rules of Criminal Procedure.

~~(b)~~(a) At the preliminary hearing, the court shall determine if there is probable cause to believe that an offense was committed, that the child committed the offense, and that the child is of sufficient age and has the requisite number of prior adjudications, if any, necessary to fall within the purview of KRS 635.020.

~~(c)~~(b) If the District Court determines probable cause exists, the court shall consider the following factors before determining whether the child's case shall be transferred to the Circuit Court:

1. The seriousness of the alleged offense;
2. Whether the offense was against persons or property, with greater weight being given to offenses against persons;
3. The maturity of the child as determined by his environment;
4. The child's prior record;
5. The best interest of the child and community;
6. The prospects of adequate protection of the public;

10. ***Whether the child used a firearm in the commission of the offense.***

~~(d)~~(c) If, following the completion of the preliminary hearing, the District Court finds, after considering the factors enumerated in paragraph (b) of this subsection, that two (2) or more of the factors specified in paragraph (b) of this subsection are determined to favor transfer, the child may be transferred to Circuit Court, and if the child is transferred the District Court shall issue an order transferring the child as a youthful offender and shall state on the record the reasons for the transfer. The child shall then be proceeded against in the Circuit Court as an adult, except as otherwise provided in this chapter.

- (e)~~(d)~~ If, following completion of the preliminary hearing, the District Court is of the opinion, after considering the factors enumerated in paragraph (b) of this subsection, that the child shall not be transferred to the Circuit Court, the case shall be dealt with as provided in KRS Chapter 635.
- (3) If the child is transferred to Circuit Court under this section and the grand jury does not find that there is probable cause to indict the child as a youthful offender, as defined in KRS 635.020(2) ~~to (3), (5), (6), (7), and (8)~~, but does find that there is probable cause to indict the child for another criminal offense, the child shall not be tried as a youthful offender in Circuit Court but shall be returned to District Court to be dealt with as provided in KRS Chapter 635.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔SECTION 1. A NEW SECTION OF SUBTITLE 17A OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

- (1) *As used in this section, "cost sharing" means the cost to an individual insured under a health benefit plan according to any coverage limit, copayment, coinsurance, deductible, or other out-of-pocket expense requirements imposed by the plan.*
- (2) *Except as provided in subsection (4) of this section, all health benefit plans issued or renewed on or after the effective date of this Act shall accept, and count towards the insured's contributions to any applicable premium or cost-sharing requirement, premium and cost-sharing payments made on behalf of an insured from the following:*
- (a) *A state or federal government program, including payments made by programs operating in accordance with Title XXVI of the federal Public Health Service Act, 42 U.S.C. secs. 300ff et. seq., as amended;*
- (b) *An Indian tribe, tribal organization, or urban Indian organization; and*
- (c) *A program conducted by an organization that certifies that the organization is:*
1. *Exempt from taxation under 26 U.S.C. sec. 501(a), as amended;*
  2. *Described in 26 U.S.C. sec. 170(b)(1)(A)(i) or (vi); and*
  3. *Operating in compliance with applicable federal laws, including the False Claims Act, 31 U.S.C. secs. 3729 to 3733.*
- (3) *To the extent permitted under federal law, all health benefit plans may accept, and count towards the insured's contributions to any applicable premium or cost-sharing requirement, premium and cost-sharing payments made on behalf of an insured by any person not referenced in subsection (2) of this section.*
- (4) (a) *If the application of the requirements of subsection (2) of this section would be the sole cause of a health benefit plan's failure to qualify as a Health Savings Account-qualified High Deductible Health Plan under 26 U.S.C. sec. 223, as amended, then the requirements of subsection (2) of this section shall not apply to that health benefit plan until the minimum deductible under 26 U.S.C. sec. 223, as amended, is satisfied.*
- (b) *Subsection (2)(c) of this section shall not apply to payments made by, or on behalf of, any organization that receives funding in any form from a health care provider, as defined in KRS 304.17A-005.*

*insured, even if the payment is made on behalf of the insured by a person referenced in subsection (2) of this section.*

➔Section 2. KRS 214.555 is amended to read as follows:

- (1) Physicians are encouraged to recommend digital mammography including breast tomosynthesis when writing orders for mammograms. The term "breast tomosynthesis" means a radiologic procedure that involves the acquisition of projection images over the stationary breast to produce cross-sectional digital three-dimensional images of the breast.
- (2) If a patient's X-ray mammogram demonstrates dense breast tissue, a person who provided the X-ray mammography services in the Commonwealth shall provide notification to the patient that includes but is not limited to the following information in the summary of the written report of the results sent directly to a patient:

"Your X-ray mammogram shows that your breast tissue is dense. Dense breast tissue is common among women and is not abnormal. However, women with dense breast tissue may have a slightly increased risk for developing breast cancer. Dense breast tissue may also make it more difficult to detect an early breast cancer on your X-ray mammogram. At this time, there are no specific recommendations for additional screening or other measures related to having dense breast tissue. However, you may want to talk to your doctor about other ways that you might be able to reduce your risk of breast cancer. A report of your results was sent to your ordering physician. If you are self-referred, a report of your results was sent to you in addition to this summary."

- (3) As used in this section, "dense breast tissue" means heterogeneously or extremely dense breast tissue as defined in nationally recognized guidelines or systems for breast imaging reporting of mammography screening, including but not limited to the breast imaging reporting and data system established by the American College of Radiology. If, after June 29, 2017, new terms are defined in revised guidelines or systems for breast imaging reporting of mammography screening and the Department for Public Health determines that those new terms are more appropriate for the purposes of the information required to be provided under this section, the Department for Public Health may update the definition of dense breast tissue under this subsection to use those new terms by administrative regulation.
- (4) Recognizing the continuous improvements in patient outcomes that are reflective of ongoing advances in evidence-based medical practices, expansive and emerging medical research, and evolving innovations in medical technology, subsection (2) of this section shall be in effect until January 1, ~~2025~~<sup>2024</sup>, unless the General Assembly takes action to extend this expiration date.

➔Section 3. Section 1 of this Act takes effect on January 1, 2022.

**Signed by Governor March 25, 2021.**

## CHAPTER 134

( SB 45 )

AN ACT relating to prescription drugs.

WHEREAS, citizens of Kentucky frequently rely on state-regulated insurers to secure access to the prescription medications needed to protect their health; and

WHEREAS, commercial insurance plans increasingly require patients to bear significant out-of-pocket costs for their prescription medications; and

WHEREAS, high out-of-pocket costs for prescription medications impact the ability of patients to start new and necessary treatments and to stay adherent with current medications; and

WHEREAS, high or unpredictable cost-sharing requirements are a main driver of elevated out-of-pocket costs and allow insurers to capture discounts and price concessions that are intended to benefit patients at the pharmacy counter; and

WHEREAS, insurers unfairly increase cost-sharing burdens on patients by refusing to count third-party assistance toward patients' cost-sharing contributions, and the burdens of high or unpredictable cost-sharing requirements are borne disproportionately by patients with chronic or debilitating conditions; and

WHEREAS, restrictions are needed on the ability of insurers and their intermediaries to use unfair cost-sharing designs to retain rebates and price concessions that instead should be directly passed on to the patient as cost savings; and

WHEREAS, patients need equitable and accessible health coverage that does not impose unfair cost-sharing burdens upon them;

- (2) The chief state school officer shall recommend by written charges the suspension by the Kentucky Board of Education of any ~~district board member,~~ superintendent of schools ~~or~~ other public school officer whom he has reason to believe is guilty of immorality, misconduct in office, incompetency, willful neglect of duty, or nonfeasance. The action by the Kentucky Board of Education may be taken upon a recommendation of the chief state school officer, or the action may be taken by a majority vote of the Kentucky Board of Education without recommendation from the chief state school officer.

A percentage rate higher than the percentage rate in effect on January 1, 2005, or any change in the maximum salary limit upon which a license fee is calculated shall be prohibited unless approved by the voters at a public referendum. The term "revenue bond" means bonds, notes, or other obligations for the payment of money issued by the state, any county, municipality, or other public district or authority except a school district, or any corporation or other corporate body acting as an instrumentality of the unit, and payable from a special fund into which some or all of the revenues of a public project have been or will be paid. - (3) Each bond anticipation note may include prepayment provisions which will allow the issuing authority to prepay the note after giving reasonable notice to the holder; shall identify the bond issue from the proceeds of which the note or notes and any interest thereon are to be paid; and shall include a statement that the note is being issued in anticipation of the identified bond issue, and that neither the note, nor the interest, shall constitute or evidence an indebtedness of the issuing authority. Each note and the interest, to the extent not previously paid from other sources, shall be paid from the proceeds of the identified bond issue, when the proceeds have been received and are available; provided, however, that payment from the revenues of the project, for the financing of which the bonds will eventually be issued, shall be permitted, and provision shall be made for payment of that portion of the principal of any note issue which represents the principal of the proposed bonds scheduled to mature on or prior to the maturity of the notes.
- (4) The notes authorized herein may be issued in a principal amount sufficient to include all interest due on the notes at or prior to maturity, if the notes shall be issued for a term of three (3) years or less, and the notes may be sold at a discount representing the interest due to the purchaser during the term.
- (5) When, prior to the maturity of any notes issued under the authority of this section or KRS 56.513, the governing body of the issuing authority shall make a determination that by reason of construction delays, changes in plans, uncertainties in the bond market, or other causes justifying delay in the final offering of the bond issue, the bond issue should not immediately be offered, renewal notes may be issued subject to the same limitations contained in this section or KRS 56.513 relative to the original issue of notes, and the proceeds of the sale of the renewal notes shall be applied to the payment of the principal of the notes originally issued, or any prior issue of renewal notes, or to the payment of interest due or to become due on the notes or renewal notes; provided, however, that the interest, including discount, if any, payable from the proceeds of notes or renewal notes shall not exceed an amount equal to three (3) years' interest from the date of the original notes at the rate per annum established for the original notes.
- (6) Counties, cities, and other municipal corporations, or agencies, in the discretion of the governing body in each case, may, as an alternative to this section and for interim financing purposes, solicit proposals, issue bond

anticipation notes, and make commitment agreements in the same manner as provided for the State Property and Buildings Commission by KRS 56.513; provided, however, that in the case of notes issued on behalf of a school district, general or special approval of the Kentucky Board of Education shall be required in substitution for the approval of the State Property and Buildings Commission; and provided further, that the approval of the State Property and Buildings Commission will not be required for any issue of a county, city, or other municipal corporation, or any agency, and references to the commission shall be interpreted to be references to the governing body of the issuing authority.

- (7) Nothing herein shall be deemed to invalidate any bond anticipation notes sold or issued under general statutes prior to the adoption of this section and KRS 56.513.
- (8) Each bond anticipation note issued according to this section or KRS 56.513, and the receipt of interest on the note, shall be exempt from all taxation by the Commonwealth and all of its subdivisions, municipalities, and taxing authorities; and this may be stated as a representation in the text of each bond anticipation note.

→Section 4. Notwithstanding the provisions of KRS 67.045, fiscal courts shall initiate reapportionment proceedings in May of the second year following the 2020 decennial census of the United States.

## CHAPTER 156

( HB 249 )

AN ACT relating to revenue, making an appropriation therefor, and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 131.081 is amended to read as follows:

The following rules, principles, or requirements shall apply in the administration of all taxes subject to the jurisdiction of the department~~[of Revenue]~~.

- (1) The department shall develop and implement a Kentucky tax education and information program directed at new taxpayers, taxpayer and industry groups, and department employees to enhance the understanding of and compliance with Kentucky tax laws, including the application of new tax legislation to taxpayer activities and areas of recurrent taxpayer noncompliance or inconsistency of administration.

- (2) The department shall publish brief statements in simple and nontechnical language which explain procedures, remedies, and the rights and obligations of taxpayers and the department. These statements shall be provided to taxpayers with the initial notice of audit; each original notice of tax due; each denial or reduction of a refund or credit claimed by a taxpayer; each denial, cancellation, or revocation of any license, permit, or other required authorization applied for or held by a taxpayer; and, if practical and appropriate, in informational publications by the department distributed to the public.
- (3) Taxpayers shall have the right to be assisted or represented by an attorney, accountant, or other person in any conference, hearing, or other matter before the department. The taxpayer shall be informed of this right prior to conduct of any conference or hearing.
- (4) The department shall perform audits and conduct conferences and hearings only at reasonable times and places.
- (5) Taxpayers shall have the right to make audio recordings of any conference with or hearing by the department. The department may make similar audio recordings if prior written notice is given to the taxpayer or if the taxpayer records the conference or hearing. The taxpayer shall be entitled to a copy of this department recording or a transcript as provided in KRS 61.874.
- (6) If any taxpayer's failure to submit a timely return or payment to the department is due to the taxpayer's reasonable reliance on written advice from the department, the taxpayer shall be relieved of any penalty or interest with respect thereto, provided the taxpayer requested the advice in writing from the department and the specific facts and circumstances of the activity or transaction were fully described in the taxpayer's request, the department did not subsequently rescind or modify the advice in writing, and there were no subsequent changes in applicable laws or regulations or a final decision of a court which rendered the department's earlier written advice no longer valid.
- (7) Taxpayers shall have the right to receive a copy of any audit of the department by the Auditor of Public Accounts relating to the department's compliance with the provisions of KRS 131.041 to 131.081.
- (8) (a) The department shall include with each notice of tax due a clear and concise description of the basis and amount of any tax, penalty, and interest assessed against the taxpayer, ~~and copies of the agent's audit workpapers,~~ and the agent's written narrative setting forth the grounds upon which the assessment is made.
- (b) *Copies of the agent's audit workpapers shall be:*
1. *Included with the notice of tax due; or*
  2. *Delivered electronically to the taxpayer.*
- (c) Taxpayers shall be similarly notified regarding the denial or reduction of any refund or credit claim filed by a taxpayer.
- (9) (a) Taxpayers shall have the right to an installment payment agreement for the payment of delinquent taxes, penalties, and interest owed, provided the taxpayer requests the agreement in writing clearly demonstrating:
1. His or her inability to pay in full; and
  2. That the agreement will facilitate collection by the department of the amounts owed.
- (b) The department may modify or terminate an installment payment agreement and may pursue statutory remedies against the taxpayer if it determines that:
1. The taxpayer has not complied with the terms of the agreement, including minimum payment requirements established by the agreement;
  2. The taxpayers' financial condition has sufficiently changed;
  3. The taxpayer fails to provide any requested financial condition update information;
  4. The taxpayer gave false or misleading information in securing the agreement; or
  5. The taxpayer fails to timely report and pay any other tax due the Commonwealth.
- (c) The department shall give written notice to the taxpayer at least thirty (30) days prior to modifying or terminating an installment payment agreement unless the department has reason to believe that collection of the amounts owed will be jeopardized in whole or in part by delay.

- (10) The department shall not knowingly authorize, require, or conduct any investigation or surveillance of any person for nontax administration related purposes, except internal security related investigations involving department ~~of Revenue~~ personnel.
- (11) In addition to the circumstances under which an extension of time for filing reports or returns may be granted pursuant to KRS 131.170, taxpayers shall be entitled to the same extension of the due date of any comparable Kentucky tax report or return for which the taxpayer has secured a written extension from the Internal Revenue Service provided the taxpayer notifies the department in writing and provides a copy of the extension at the time and in the manner which the department may require.
- (12) The department shall bear the cost or, if paid by the taxpayer, reimburse the taxpayer for recording or bank charges as the direct result of any erroneous lien or levy by the department, provided the erroneous lien or levy was caused by department error and, prior to issuance of the erroneous lien or levy, the taxpayer timely responded to all contacts by the department and provided information or documentation sufficient to establish his or her position. When the department releases any erroneous lien or levy, notice of the fact shall be mailed to the taxpayer and, if requested by the taxpayer, a copy of the release, together with an explanation, shall be mailed to the major credit reporting companies located in the county where it was filed.
- (13) (a) The department shall not evaluate individual officers or employees on the basis of taxes assessed or collected or impose or suggest tax assessment or collection quotas or goals.
- (b) No arrangement or contract shall be entered into for the service to:
1. Examine a taxpayer's books and records;
  2. Collect a tax from a taxpayer; or
  3. Provide legal representation of the department;
- if any part of the compensation or other benefits paid or payable for the service is contingent upon or otherwise related to the amount of tax, interest, fee, or penalty assessed against or collected from the taxpayer. Any such arrangement or contract shall be void and unenforceable.
- (14) Taxpayers shall have the right to bring an action for damages against the Commonwealth to the Kentucky Claims Commission for actual and direct monetary damages sustained by the taxpayer as a result of willful, reckless, or intentional disregard by department employees of the rights of taxpayers as set out in KRS 131.041 to 131.081 or in the tax laws administered by the department. In the awarding of damages pursuant to this subsection, the commission shall take into consideration the negligence or omissions, if any, on the part of the taxpayer which contributed to the damages. If any proceeding brought by a taxpayer is ruled frivolous by the commission, the department shall be reimbursed by the taxpayer for its costs in defending the action. Any claims brought pursuant to this subsection shall be in accordance with KRS 49.040 to 49.180.
- (15) Taxpayers shall have the right to privacy with regard to the information provided on their Kentucky tax returns and reports, including any attached information or documents. Except as provided in KRS 131.190, no information pertaining to the returns, reports, or the affairs of a person's business shall be divulged by the department to any person or be intentionally and without authorization inspected by any present or former commissioner or employee of the department ~~of Revenue~~, member of a county board of assessment appeals, property valuation administrator or employee, or any other person.

➔Section 2. KRS 132.590 is amended to read as follows:

- (1) The compensation of the property valuation administrator shall be based on the schedule contained in subsection (2) of this section as modified by subsection (3) of this section. The compensation of the property valuation administrator shall be calculated by the department ~~of Revenue~~ annually. Should a property valuation administrator for any reason vacate the office in any year during his term of office, he shall be paid only for the calendar days actually served during the year.
- (2) The salary schedule for property valuation administrators provides for nine (9) levels of salary based upon the population of the county in the prior year as determined by the United States Department of Commerce, Bureau of the Census annual estimates. To implement the salary schedule, the department shall, by November 1 of each year, certify for each county the population group applicable to each county based on the most recent estimates of the United States Department of Commerce, Bureau of the Census. The salary schedule provides four (4) steps for yearly increments within each population group. Property valuation administrators shall be paid according to the first step within their population group for the first year or portion thereof they serve in office. Thereafter, each property valuation administrator, on January 1 of each subsequent year, shall be

advanced automatically to the next step in the salary schedule until the maximum salary figure for the population group is reached. If the county population as certified by the department increases to a new group level, the property valuation administrator's salary shall be computed from the new group level at the beginning of the next year. A change in group level shall have no effect on the annual change in step. Prior to assuming office, any person who has previously served as a property valuation administrator must certify to the department ~~of Revenue~~ the total number of years, not to exceed four (4) years, that the person has previously served in the office. The department shall place the person in the proper step based upon a formula of one (1) incremental step per full calendar year of service:

- (3) (a) For calendar year 2000, the salary schedule in subsection (2) of this section shall be increased by the amount of increase in the annual consumer price index as published by the United States Department of Commerce for the year ended December 31, 1999. This salary adjustment shall take effect on July 14, 2000, and shall not be retroactive to the preceding January 1.
- (b) For each calendar year beginning after December 31, 2000, upon publication of the annual consumer price index by the United States Department of Commerce, the annual rate of salary for the property valuation administrator shall be determined by applying the increase in the consumer price index to the salary in effect for the previous year. This salary determination shall be retroactive to the preceding January 1.
- (c) In addition to the step increases based on service in office, each property valuation administrator shall be paid an annual incentive of six hundred eighty-seven dollars and sixty-seven cents (\$687.67) per calendar year for each forty (40) hour training unit successfully completed based on continuing service in that office and, except as provided in this subsection, completion of at least forty (40) hours of approved training in each subsequent calendar year. If a property valuation administrator fails without good cause, as determined by the commissioner of the ~~Kentucky~~ department ~~of Revenue~~, to obtain the minimum amount of approved training in any year, the officer shall lose all training incentives previously accumulated. No property valuation administrator shall receive more than one (1) training unit per calendar year nor more than four (4) incentive payments per calendar year. Each property

valuation administrator shall be allowed to carry forward up to forty (40) hours of training credit into the following calendar year for the purpose of satisfying the minimum amount of training for that year. This amount shall be increased by the consumer price index adjustments prescribed in paragraphs (a) and (b) of this subsection. Each training unit shall be approved and certified by the ~~the Kentucky~~ department ~~of Revenue~~. Each unit shall be available to property valuation administrators in each office based on continuing service in that office. The ~~Kentucky~~ department ~~of Revenue~~ shall promulgate administrative regulations in accordance with KRS Chapter 13A to establish guidelines for the approval and certification of training units.

- (4) Notwithstanding any provision contained in this section, no property valuation administrator holding office on July 14, 2000, shall receive any reduction in salary or reduction in adjustment to salary otherwise allowable by the statutes in force on July 14, 2000.
- (5) Deputy property valuation administrators and other authorized personnel may be advanced one (1) step in grade upon completion of twelve (12) months' continuous service. The department ~~of Revenue~~ may make grade classification changes corresponding to any approved for department employees in comparable positions, so long as the changes do not violate the integrity of the classification system. Subject to availability of funds, the department may extend cost-of-living increases approved for department employees to deputy property valuation administrators and other authorized personnel, by advancement in grade.
- (6) Beginning with the 1990-1992 biennium, the department ~~of Revenue~~ shall prepare a biennial budget request for the staffing of property valuation administrators' offices. An equitable allocation of employee positions to each property valuation administrator's office in the state shall be made on the basis of comparative assessment work units. Assessment work units shall be determined from the most current objective information available from the United States Bureau of the Census and other similar sources of unbiased information. Beginning with the 1996-1998 biennium, assessment work units shall be based on parcel count per employee. The total sum allowed by the state to any property valuation administrator's office as compensation for deputies, other authorized personnel, and for other authorized expenditures shall not exceed the amount fixed by the department ~~of Revenue~~. However, each property valuation administrator's office shall be allowed as a minimum such funds that are required to meet the federal minimum wage requirements for two (2) full-time deputies.
- (7) Beginning with the 1990-1992 biennium each property valuation administrator shall submit by June 1 of each year for the following fiscal year to the department ~~of Revenue~~ a budget request for his office which shall be based upon the number of employee positions allocated to his office under subsection (6) of this section and upon the county and city funds available to his office and show the amount to be expended for deputy and other authorized personnel including employer's share of FICA and state retirement, and other authorized expenses of the office. The department ~~of Revenue~~ shall return to each property valuation administrator, no later than July 1, an approved budget for the fiscal year.
- (8) Each property valuation administrator may appoint any persons approved by the department ~~of Revenue~~ to assist him in the discharge of his duties. Each deputy shall be more than twenty-one (21) years of age and may be removed at the pleasure of the property valuation administrator. The salaries of deputies and other authorized personnel shall be fixed by the property valuation administrator in accordance with the grade classification system established by the department ~~of Revenue~~ and shall be subject to the approval of the department ~~of Revenue~~. The Personnel Cabinet shall provide advice and technical assistance to the department ~~of Revenue~~ in the revision and updating of the personnel classification system, which shall be equitable in all respects to the personnel classification systems maintained for other state employees. Any deputy property valuation administrator employed or promoted to a higher position may be examined by the department ~~of Revenue~~ in accordance with standards of the Personnel Cabinet, for the position to which he is being appointed or promoted. No state funds available to any property valuation administrator's office as compensation for deputies and other authorized personnel or for other authorized expenditures shall be paid without authorization of the department ~~of Revenue~~ prior to the employment by the property valuation administrator of deputies or other authorized personnel or the incurring of other authorized expenditures.
- (9) Each county fiscal court shall annually appropriate and pay each fiscal year to the office of the property valuation administrator as its cost for use of the assessment, as required by KRS 132.280, an amount determined as follows:

- (11) Annually, after appropriation by the county of funds required of it by subsection (9) of this section, and no later than August 1, the property valuation administrator shall file a claim with the county for that amount of the appropriation specified in his approved budget for compensation of deputies and assistants, including employer's shares of FICA and state retirement, for the fiscal year. The amount so requested shall be paid by the county into the State Treasury by September 1, or paid to the property valuation administrator and be submitted to the State Treasury by September 1. These funds shall be expended by the department ~~of Revenue~~ only for compensation of approved deputies and assistants and the employer's share of FICA and state retirement in the appropriating county. Any funds paid into the State Treasury in accordance with this provision but unexpended by the close of the fiscal year for which they were appropriated shall be returned to the county from which they were received.
- (12) After submission to the State Treasury or to the property valuation administrator of the county funds budgeted for personnel compensation under subsection (11) of this section, the fiscal court shall pay the remainder of the county appropriation to the office of the property valuation administrator on a quarterly basis. - a. On purchases of untax-paid snuff, at the same rate levied by paragraph (a)1. of this subsection;
  - b. On purchases of untax-paid chewing tobacco, at the same rates levied by paragraph (a)2. of this subsection;
  - c. On purchases of untax-paid tobacco products, except snuff and chewing tobacco, fifteen percent (15%) of the total purchase price as invoiced by the retail distributor's supplier;
  - d. On purchases of untax-paid closed vapor cartridges, at the same rate levied by paragraph (a)4. of this subsection; and
  - e. On purchases of untax-paid open vaping systems, fifteen percent (15%) of the total purchase price as invoiced by the retail distributor's supplier *as described in paragraph (a)5. of this subsection.*
- (d) 1. The licensed distributor that first possesses tobacco products or vapor products for sale to a retailer in this state or for sale to a person who is not licensed under KRS 138.195(7) shall be the distributor liable for the tax imposed by this subsection except as provided in subparagraph 2. of this paragraph.
2. A distributor licensed under KRS 138.195(7)(a) may sell tobacco products or vapor products to another distributor licensed under KRS 138.195(7)(a) without payment of the excise tax. In such case, the purchasing licensed distributor shall be the distributor liable for the tax.
3. A licensed distributor or licensed retail distributor shall:
- a. Identify and display the distributor's or retail distributor's license number on the invoice to the retailer; and
  - b. Identify and display the excise tax separately on the invoice to the retailer. If the excise tax is included as part of the product's sales price, the licensed distributor or licensed retail distributor shall list the total excise tax in summary form by tax type with invoice totals.
4. It shall be presumed that the excise tax has not been paid if the licensed distributor or licensed retail distributor does not comply with subparagraph 3. of this paragraph.
- (e) No tax shall be imposed on tobacco products or vapor products under this subsection that are not within the taxing power of this state under the Commerce Clause of the United States Constitution.
- (3) (a) The taxes imposed by subsections (1) and (2) of this section:
1. Shall not apply to reference products; and
  2. Shall be paid only once, regardless of the number of times the cigarettes or tobacco products may be sold.
- (b) The taxes imposed by subsection (1)(a) and (b) and subsection (2) of this section shall be reduced by:
1. Fifty percent (50%) on any product as to which a modified risk tobacco product order is issued under 21 U.S.C. sec. 387k(g)(1); or
  2. Twenty-five percent (25%) for any product as to which a modified risk tobacco product order is issued under 21 U.S.C. sec. 387k(g)(2).
- (4) A reference product shall carry a marking labeling the contents as a research cigarette, research vapor product, or a research tobacco product to be used only for tobacco-health research and experimental purposes and shall not be offered for sale, sold, or distributed to consumers.
- (5) The department may prescribe forms and promulgate administrative regulations to execute and administer the provisions of this section.

- (6) The General Assembly recognizes that increasing taxes on tobacco products should reduce consumption, and therefore result in healthier lifestyles for Kentuckians. The relative taxes on tobacco products proposed in this section reflect the growing data from scientific studies suggesting that although smokeless tobacco poses some risks, those health risks are significantly less than the risks posed by other forms of tobacco products. Moreover, the General Assembly acknowledges that some in the public health community recognize that tobacco harm reduction should be a complementary public health strategy regarding tobacco products. Taxing tobacco products according to relative risk is a rational tax policy and may well serve the public health goal of reducing smoking-related mortality and morbidity and lowering health care costs associated with tobacco-related disease.
- (7) Any person subject to the taxes imposed under subsections (1) and (2) of this section that:
  - (a) Files an application related to a modified risk tobacco product shall report to the department that an application has been filed within thirty (30) days of that filing; and
  - (b) Receives an order authorizing the marketing of a modified risk tobacco product shall report to the department that an authorizing order has been received.
- (8) Upon receipt of the information required by subsection (7)(b) of this section, the department shall reduce the tax imposed on the modified risk tobacco product as required by subsection (3)(b) of this section on the first day of the calendar month following the expiration of forty-five (45) days following receipt of the information required by subsection (7)(b) of this section.

No compensation shall be allowed for tax evidence purchased at face value attributable to the surtaxes imposed in KRS 138.140(1)(b) or (c).
  - (b) The department shall have the power to withhold compensation as provided in paragraph (a) of this subsection from any licensed wholesaler for failure to abide by any provisions of KRS 138.130 to

138.205 or any administrative regulations promulgated thereunder. Any refund or credit for unused cigarette tax evidence shall be reduced by the amount allowed as compensation at the time of purchase.

- (5) (a) Payment for units of cigarette tax evidence shall be made at the time the units are sold, unless the licensed wholesaler:
1. Has filed with the department a bond, issued by a corporation authorized to do surety business in Kentucky, in an amount:
    - a. *Not less than the amount of the payment for units of cigarette tax evidence which may be delayed under paragraph (b) of this subsection; and*
    - b. *No greater than ten million dollars (\$10,000,000) [equal to or greater than the amount of payment for the units of cigarette tax evidence purchased, plus all penalties, interest, and collection fees applicable to that amount, should the taxpayer default on the payment]; and*

- (c)
  1. The ten (10) day payment period under paragraph (b) of this subsection shall not apply to the payment for units of cigarette tax evidence during the last ten (10) days of the month of June during each fiscal year.
  2. All payments for units of cigarette tax evidence made under paragraph (b) of this subsection during the month of June shall be made the earlier of:
    - a. The ten (10) day period; or
    - b. June 25.
- (d) If the licensed wholesaler does not make the payment of cigarette tax within the ten (10) day period, or within the period of time under paragraph (c) of this subsection, the department shall:
1. Revoke the license required under KRS 138.195;
  2. Issue a demand for payment in an amount equal to the cigarette tax evidence purchased, plus all penalties, interest, and collection fees applicable, **up to the [that] amount of the required bond;** and
  3. Require immediate payment of the bond.
- (6) (a) The bond required under subsection (5) of this section shall be on a form and with a surety approved by the department.
- (b) The licensed wholesaler shall be named as the principal obligor and the department shall be named as the obligee within the bond.

- (b) The notification to the department shall be in writing, stating the name of the person from whom the cigarettes were received and the quantity of those cigarettes.
- (c) The written notice may be:

- (f) The retailer may, at his option, pay the tax due on those cigarettes according to administrative regulations prescribed by the department, and proceed to sell those cigarettes after the payment.
- (9) (a) Cigarettes stamped with the cigarette tax evidence of another state shall at no time be commingled with cigarettes on which the Kentucky cigarette tax evidence has been affixed.
- (b) Any licensed wholesaler, licensed sub-jobber, or licensed vending machine operator may hold cigarettes stamped with the tax evidence of another state for any period of time, subsection (2) of this section notwithstanding.

➔Section 5. KRS 138.463 is amended to read as follows:

  - (b) May pay **the motor vehicle**~~ta~~ usage tax of six percent (6%)~~levied~~ upon the amount of the gross rental or lease charges paid by a customer or lessee renting or leasing a motor vehicle from such holder of the certificate, **subject to the provisions of this section and Section 6 of this Act.**
- (2) The provisions of KRS 138.462 and this section shall apply to all rental and leasehold contracts entered into after March 9, 1990.
- (3) A holder of a certificate shall pay the usage tax as provided in KRS 138.460 unless he shows to the satisfaction of the cabinet that he is regularly engaged in the renting or leasing of motor vehicles to retail customers as a part of an established business. The issuance of a U-Drive-It certificate under the provisions of KRS Chapter 281 shall create a rebuttable presumption that the holder of a certificate is regularly engaged in renting or leasing. Persons first engaging in the renting or leasing of motor vehicles to retail customers shall, in addition to obtaining a certificate required under KRS 281.630, demonstrate to the satisfaction of the cabinet that they are prepared to qualify under the standards set forth in this subsection.
- (4) In the event the holder of such certificate qualifies under subsection (3) of this section and elects to pay the *motor vehicle* usage tax by the alternate method as provided in subsection (1)(b) of this section, or is required by subsection (8) of this section to pay by the alternate method, he shall pay the fee imposed by KRS 281.631(3) and in addition shall pay the monthly tax authorized by subsection (1) of this section.
- (5) The tax authorized by subsection (1) of this section shall be the direct obligation of the holder of the certificate but it may be charged to and collected from the customer in addition to the rental or lease charges. The tax due shall be remitted to the cabinet each month on forms and pursuant to regulations promulgated by the cabinet.
- (6) (a) As soon as practicable after each return is received, the cabinet shall examine and audit it. A notice of such assessment shall be mailed to the taxpayer. The time herein provided may be extended by agreement between the taxpayer and the cabinet.
- (b) For the purpose of paragraphs (a) and (c) of this subsection, a return filed before the last day prescribed by law for the filing thereof shall be considered as filed on such last day.
- (c) Notwithstanding the four (4) year time limitation of paragraph (a) of this subsection, in the case of a return where the tax computed by the cabinet is greater by twenty-five percent (25%) or more than the

amount returned by the taxpayer, the excess shall be assessed by the cabinet within six (6) years from the date the return was filed.

- (7) Failure of the holder of the certificate to remit the taxes applicable to the rental charges as provided herein shall be sufficient cause for the Department of Vehicle Regulation to void the certificate issued to such holder and the usage tax on each of the motor vehicles which had been registered by the holder under the certificate shall be due and payable on the retail price of each such motor vehicle when it was first purchased by the holder.
- (8) Notwithstanding the provisions of KRS 138.460 and subsection (1) of this section, a holder of a certificate operating a fleet of rental passenger cars which has been registered pursuant to an allocation formula approved by the cabinet shall pay the tax by the method provided in this section. The provisions of this section shall apply to all vehicles rented by the holder in this state.
- (9) The usage tax reported and paid on every rental or lease of a vehicle registered pursuant to this section shall be based on the fair market rental or lease value of the vehicle. Fair market rental or lease value shall be based on standards established by administrative regulation promulgated by the cabinet. The cabinet may remove a vehicle from the U-Drive-It program without a hearing if it is determined by the cabinet that no taxes have been remitted on that vehicle during the registration period. However, the tax reported and paid to the Transportation Cabinet shall not be less than the amount due based on the actual terms of a rental or lease agreement. The burden of proving that the consideration charged by the holder satisfies this subsection is on the holder.

➔Section 14. KRS 161.470 is repealed, reenacted, and amended to read as follows:

- (1) The membership of the retirement system shall consist of all new members, all present teachers, and all persons participating under the retirement system as of June 30, 1986, except as provided in Acts 1938 (1st Ex. Sess.), Ch. 1, paragraph 29. The board of trustees of the Teachers' Retirement System shall be responsible for final determination of membership eligibility and may direct employers to take whatever action that may be necessary to correct any error relating to membership.
- (2) Service credit shall be forfeited upon withdrawal. If a member again enters service it shall be as a new member, except that any teacher who withdraws by claiming his deposits may repay the system the amount withdrawn plus interest and reestablish his service credit as provided in subsection (3) of this section.
- (3) Effective July 1, 1988, and thereafter, an active contributing member of the retirement system with contributing service equal to one (1) year may regain service credit by depositing in the teachers' savings fund the amount withdrawn with interest at the rate to be set by the board of trustees, and computed from the first of the month of withdrawal and including the month of redeposit. ~~[Service credit regained pursuant to this subsection on or after January 1, 2019, shall not be used to determine the date the individual purchasing the service became a member of the Teachers' Retirement System.]~~
- (4) Effective July 1, 1974, any active contributing member with at least two (2) years of contributing service credit who declined membership as provided in Acts 1938 (1st Ex. Sess.), Ch. 1, paragraph 29, may secure service credit for prior service, and for any subsequent service prior to date of membership, by depositing in the teachers' savings fund contributions for each year of subsequent service prior to date of membership, with interest at the rate of eight percent (8%) compounded annually to the date of deposit.
- (5) Membership in the retirement system shall be terminated:
  - (a) By retirement for service;
  - (b) By death;
  - (c) By withdrawal of the member's accumulated account balance;
  - (d) When a member, having less than five (5) years of Kentucky service is absent from service for more than three (3) consecutive years; or
  - (e) For persons hired on or after August 1, 2000, when a member is convicted, in any state or federal court of competent jurisdiction, of a felony related to his employment as provided in subparagraphs 1. and 2. of this paragraph.
    1. Notwithstanding any provision of law to the contrary, a member hired on or after August 1, 2000, who is convicted, in any state or federal court of competent jurisdiction, of a felony related to his employment shall forfeit rights and benefits earned under the retirement system, except for the return of his accumulated contributions and interest credited on those contributions.
    2. The payment of retirement benefits ordered forfeited shall be stayed pending any appeal of the conviction. If the conviction is reversed on final judgment, no retirement benefits shall be forfeited.

Except for paragraph (e) of this subsection, upon termination of member accounts under this subsection, funds in the account shall be transferred to the guarantee fund. Inactive members may apply for refunds of these

funds at any time. The terminated service shall be reinstated, if not withdrawn by the member, in the event that the member returns to active contributing service.

- (6) In case of withdrawal from service prior to eligibility for retirement, the board of trustees shall on request of the member return all of his accumulated account balance, including any payments made by the member to the state accumulation fund, but the member shall have no claim on any contributions made by the state or employer with a view to his retirement, except as provided by *Sections 3 and 4 of this Act* ~~[KRS 161.235]~~, or to contributions made to the medical insurance fund. If the member is eligible for an immediate service retirement allowance as provided in KRS 161.600, no withdrawal and refund shall be permitted, unless the allowance would prohibit the member from qualifying for Social Security benefits or the member elects to withdraw part or all of his service for the purpose of obtaining credit in another retirement plan. Requests for refund of contributions by the member must be filed on forms prescribed by the Teachers' Retirement System and the employer shall be financially responsible for all information that is certified on the prescribed form. A member may not withdraw any part of his or her accumulated account balance in the retirement system except as provided by this subsection.
- (7) Except as provided in KRS 161.520 and 161.525, in case of death prior to retirement, the board of trustees shall pay to the estate of the deceased member, unless a beneficiary was otherwise applicably designated by the deceased member, then to the beneficiary, all of his accumulated account balance, including any payments made by the member to the state accumulation fund, but the estate or beneficiary shall have no claim on any contributions made by the state or employer with a view to the retirement of the member, except as provided by *Sections 3 and 4 of this Act* ~~[KRS 161.235]~~, or to contributions made to the medical insurance fund.
- (8) Any active contributing member of the Kentucky Employees Retirement System, the County Employees Retirement System, the State Police Retirement System, or the Judicial Retirement System may use service, under that retirement system for the purpose of meeting the service requirement of subsections (3) and (4) of this section.

➔Section 15. KRS 161.480 is repealed and reenacted to read as follows:

Each person, upon becoming a member of the retirement system, shall file a detailed statement as required by the board of trustees and shall designate a primary beneficiary or two (2) or more cobeneficiaries to receive any benefits accruing from the death of the member. A contingent beneficiary may be designated in addition to the primary beneficiary or cobeneficiaries. The member may name more than one (1) contingent beneficiary. Any beneficiary designation made by the member, including the estate should the estate become the beneficiary by default, shall remain in effect until changed by the member on forms prescribed by the Kentucky Teachers' Retirement System, except in the event of subsequent marriage or divorce. Subsequent marriage by the member shall void the primary beneficiary and any cobeneficiary designation, even that of a trust, and the spouse of the member at death shall be considered as the primary beneficiary, unless the member subsequent to marriage designates another beneficiary. A final divorce decree shall terminate an ex-spouse's status as either primary beneficiary, cobeneficiary, or contingent beneficiary, unless subsequent to divorce the member redesignates the former spouse as primary beneficiary, cobeneficiary, or contingent beneficiary. To the extent permitted by the Internal Revenue Code, a trust may be designated as beneficiary for receipt of a member's accumulated account balance in the retirement system as provided under KRS 161.470(7). A final divorce decree shall not terminate the designation of a trust as beneficiary regardless of who is designated as beneficiary of the trust. In the event that a member fails to designate a beneficiary, or all designated beneficiaries predecease the member, the member's estate shall be deemed to be the beneficiary. Members may designate as beneficiaries only presently identifiable and existing individuals, or trusts where otherwise permitted, without contingency instructions, on forms prescribed by the retirement system. The provisions of this section shall be retroactive as they relate to election of beneficiaries by members still in active status on the effective date of this section. The provisions of this section shall not apply to any account from which a member is drawing a retirement allowance or to the life insurance benefit available under KRS 161.655.

➔Section 16. KRS 161.500 is repealed, reenacted, and amended to read as follows:

- (1) At the close of each fiscal year, the retirement system shall add service credit to the account of each member who made contributions to his or her account during the year. Members shall be entitled to a full year of service credit if their total paid days were not less than one hundred eighty (180) days of a one hundred eighty-five (185) day contract for a regular school or fiscal year. In the event ~~[an individual who became a member prior to January 1, 2019,]~~ is paid for less than one hundred eighty (180) days, the member may purchase credit according to administrative regulations established by the board of trustees. In no case shall more than one (1) year of service be credited for all service performed in one (1) fiscal year. Members who complete their employment contract prior to the close of a fiscal year and elect to retire prior to the close of a fiscal year shall

have their service credit reduced by eight percent (8%) for each calendar month that the retirement becomes effective prior to July 1.

- (2) Members who are employed and paid for less than the number of days required in their normal employment year shall be entitled to pro rata service credit for the fractional service. Such credit shall be based upon the number of days employed and the number of days in the member's annual employment agreement or normal employment year.
- (3) Service credit may not exceed the ratio between the school or fiscal year and the number of months or fraction of a month the member is employed during that year.
- (4) No service credit shall be granted in the Teachers' Retirement System for service that has been or will be used in qualifying for annuity benefit payments from another retirement system financed wholly or in part by public funds.

➔Section 17. KRS 161.507 is repealed, reenacted, and amended to read as follows:

- (1) An active contributing member of the Teachers' Retirement System may receive service credit for active service rendered in the uniformed services of the Armed Forces of the United States, including the commissioned corps of the Public Health Service, subject to the provisions of the Uniformed Services Employment and Reemployment Rights Act of 1994, ~~the provisions of this section as applicable,~~ and the administrative regulations promulgated by the board of trustees. Military service includes service in the uniformed services that occurs before the employment of a member in a position covered by the retirement system or where a member leaves covered employment without giving advance written or verbal notice of performing duty in the uniformed services. Service in the uniformed services also includes uniformed service that occurs after employment in a position covered by the retirement system where the member has given advance written or verbal notice of performing duty in the uniformed services and the member returns directly from uniformed services to covered employment. Military service may be credited only if discharge was honorable or was not terminated upon the occurrence of any of the events listed in 38 U.S.C. sec. 4304. Service shall be considered as Kentucky teaching service, except that service may not be used for meeting the service requirements set forth in KRS 161.600(1)(a) or 161.661(1) **or subsection (2) of Section 9 of this Act** unless the service occurred after the member gave written or verbal notice of performing duty in the uniformed services and the member returned directly from uniformed services to covered employment. A maximum of six (6) years of military service may be credited, but in no case a greater number of years than the actual years of contributing service in Kentucky.
- (2) No credit shall be granted for military service which has been or will be used in qualifying for annuity benefit payments from another retirement system financed wholly or in part by public funds.
- (3) A member having twenty (20) years or more of active duty in the military service, and who is qualified for regular federal retirement benefits based on this military service, may not receive credit for any military service in the Teachers' Retirement System. This subsection shall apply to service presented for credit on July 1, 1975, and after this date.
- (4) (a) ~~[An individual who became]~~A member **receiving** ~~[prior to January 1, 2019, who desires to receive]~~ retirement credit for active duty in the armed services of the United States prior to employment in a position covered by the retirement system or where the member leaves covered employment without giving advance written or verbal notice of performing duty in the uniformed services shall pay to the retirement system the full actuarial cost of the service credit purchased as provided under KRS 161.220(22). These contributions shall not be picked up, as described in KRS 161.540(2). In purchasing retirement credit for active duty in the armed services, the latest years of service shall be considered first in allowing credit toward retirement. The board of trustees shall adopt a table of actuarial factors to be used in calculating the amount of contribution required for crediting this service.
- (b) If military service occurred after the member gave written or verbal notice of performing duty in the uniformed services and the member returns directly from uniformed services to covered employment, the member shall contribute the regular member contribution required by KRS 161.540. The member may make the payment of delayed contributions in a lump sum payment or in installments not to exceed five (5) years beginning with the member's date of reemployment. Interest at the rate of eight percent (8%) per annum shall be charged for delayed contributions beginning with the member's date of reemployment until paid. Members participating in the **supplemental benefit component** ~~[hybrid cash balance plan as provided by KRS 161.235]~~ who make the regular member contribution required by this

paragraph, shall *also* receive *the mandatory* employer *contributions in the supplemental benefit component*~~[credits]~~ for the period of service purchased.

- (5) An active contributing member of the Teachers' Retirement System~~[who became a member of the system prior to January 1, 2019]~~ may receive service credit for service in the military reserves of the United States or the National Guard. The member may purchase one (1) month of service for each six (6) months of service in the reserves or the National Guard. Notwithstanding any other statute, regulation, or policy to the contrary, the system shall provide a member, upon request, the estimated actuarial cost of the National Guard or military reserves service purchase based upon the information available at the time of the request. The member shall be entitled to enter into a contract with the system at the time of the request to purchase the National Guard or military reserve service by paying to the system the estimated actuarial cost, either by installments or in lump sum. The member shall pay the full actuarial cost of this service in the military reserves or the National Guard as provided in KRS 161.220(22). Service in the military reserves or the National Guard shall be treated as service earned prior to participation in the system and shall not be used for meeting the service requirements set forth in KRS 161.600(1)(a) or 161.661(1) *or subsection (2) of Section 9 of this Act*. The payment shall not be picked up by the employer, as described in KRS 161.540(2).

➔Section 18. KRS 161.515 is repealed, reenacted, and amended to read as follows:

- (1) For the purposes of this section, "out-of-state service" shall mean service in any state in a comparable position on a full-time basis, which would be covered if in Kentucky.
- (2) (a) An active contributing member who has been a contributing member of the retirement system for at least one (1) full scholastic year subsequent to the latest out-of-state service, may present for credit service rendered out of state, not to exceed ten (10) years actually taught as a certified or licensed teacher. All members who elect to purchase this service shall pay to the retirement system the full actuarial cost as provided under KRS 161.220(22). For each year of which the retirement system shall accept payment, one (1) year of service credit shall be given. For members who purchased this service under the cost formula as it existed under this subsection on June 30, 2005, this credit may not be used to meet the service requirements of KRS 161.525, 161.600, or 161.661, except as provided in subsection (2)(c) of this section. No credit shall be granted for service which has been or will be used in qualifying for annuity benefit payments from another retirement system financed wholly or in part by public funds.
- (b) A member of the retirement system having teaching service in the elementary or secondary schools operated by the United States overseas or in this country, or in a public college or university in Kentucky, not included in the Teachers' Retirement System of the State of Kentucky, may present this service for credit in the retirement system on the same basis as provided above for out-of-state service credit; however, no service may be presented which shall be used as a basis for retirement benefits in any program supported wholly or in part by a public institution or governmental agency. This service when added to service credited under subsection (2)(a) of this section shall not exceed a total of ten (10) years' service credit.
- (c) A member having service referred to in subsection (2)(a) or (2)(b) of this section who purchased this service under the cost formula as it existed under those subsections on June 30, 2005, may elect to use this service for meeting the requirements of KRS 161.600(1)(c) by making an additional contribution to the state accumulation fund equal to a member contribution rate of eight percent (8%) for each year so used. These payments shall not be picked up as described in KRS 161.540(2). The salary base to be used in determining this additional contribution shall be the final average salary which is used in calculating the member's regular retirement annuity.
- (3) Members entering the Teachers' Retirement System for the first time, July 1, 1976, and after this date, shall not receive credit for service defined in subsections (2)(a) or (2)(b) of this section in excess of one (1) year of credit for each two (2) years of Kentucky service in a covered position or ten (10) years, whichever is the lesser number.
- (4) A member, having completed service as a volunteer in the Kentucky Peace Corps created by KRS 154.1-720, may purchase service credit for the time served in the corps on the same basis as provided in this section for the purchase of out-of-state service credit. A member, having completed service as a federal Peace Corps volunteer, may purchase up to two (2) years of service credit for time served in the Peace Corps on the same basis as provided in this section for the purchase of out-of-state service credit.

- (5) Service purchased under this section by members *shall be credited based upon the retirement factor established by Section 10 of this Act, as applicable* ~~[who at the time of purchase are employed by employers other than those described in KRS 161.220(4)(b) or (n) shall be credited, as described in KRS 161.620(1)(a) and (b), with a retirement factor of two and one half percent (2.5%) for each year of service that was originally performed on or after July 1, 1983, and two percent (2.0%) for each year of service performed before July 1, 1983. Service purchased under this section by members who at the time of purchase are employed by employers described in KRS 161.220(4)(b) or (n) shall be credited, as described in KRS 161.620(1)(a), with a retirement factor of two percent (2.0%) for each year of service, regardless of when the service was performed].~~

~~[(6) Effective January 1, 2019, this section does not apply to individuals who become members on or after January 1, 2019.]~~

➔Section 19. KRS 161.520 is repealed, reenacted, and amended to read as follows:

Upon the death of an active contributing member or upon the death of a member retired for disability, except as provided in KRS 161.661(6), the survivors of the deceased member in the following named order, may elect to receive a survivor's benefit payable as follows:

- (1) Where there is a surviving widow or widower who is named as the primary beneficiary of the member's retirement account, the benefit shall be:

  - (b) Two hundred forty dollars (\$240) per month when the surviving widow or widower's total income from all sources does not exceed six thousand six hundred dollars (\$6,600) per year or five hundred fifty dollars (\$550) per month; or
  - (c) If the deceased member has a minimum of ten (10) years of service credit with the Teachers' Retirement System, the surviving widow or widower may apply for an annuity actuarially equivalent to the annuity that would have been paid to the deceased member when eligibility conditions were met. Eligibility for payments would begin at the time the age of the deceased member would have met the requirements of KRS ~~[161.235(6) or ]~~161.600(1) *or subsection (2) of Section 9 of this Act*, as applicable. In exercising this right, the surviving widow or widower shall be entitled to receive an annuity for life, except as provided in subsection (6) of this section. This subsection applies to surviving spouses of members who die on or after July 1, 1978. A surviving widow or widower of a member who dies after July 1, 1978, shall be eligible for benefit payments provided under paragraphs (a) and (b) of this subsection until they begin receiving payments under this provision;
- (2)
  - (a) Where there are surviving unmarried children under age eighteen (18) or under age nineteen (19) if a full-time student in high school, the benefit shall be two hundred dollars (\$200) per month in the case of one (1) child, three hundred forty dollars (\$340) per month in the case of two (2) children, four hundred dollars (\$400) per month in the case of three (3) children, and four hundred forty dollars (\$440) per month in the case of four (4) or more children. Benefits under this subsection shall apply in addition to benefits which may be payable under subsections (1) and (3) of this section.
  - (b) Notwithstanding any provision of law to the contrary, the surviving spouse may elect to receive a lump-sum refund of the member's accumulated account balance in lieu of the survivorship benefits payable under this subsection and subsection (1) of this section only if the surviving spouse is designated as the primary beneficiary and:
    1. Is a biological or adoptive parent of all children eligible for a benefit under this subsection and has not had his or her parental rights terminated; or
    2. Has been appointed as legal guardian of all of the children eligible under paragraph (a) of this subsection.
  - (c) To elect a lump-sum refund of the member's accumulated account balance under paragraph (b) of this subsection, the surviving spouse who is designated as the primary beneficiary must sign a waiver on forms prescribed by the retirement system of his or her rights and the member's children's rights to the survivorship benefits payable under this subsection and subsection (1) of this section. The surviving spouse shall not waive the survivorship benefits available under this subsection or subsections (1) and (6) of this section if any of the member's children have attained age eighteen (18) or older unless all of those children consent in writing on forms prescribed by the retirement system to waive their survivorship benefits available under this subsection;
