- (3) (a) Where the survivor is a child age eighteen (18) or older whose mental or physical condition is sufficient to cause his dependency on the deceased member at the time of the member's death, the benefit shall be two hundred dollars (\$200) per month, payable for the life of the child or until the time as the mental or physical condition creating the dependency no longer exists or the child marries. The mental or physical condition of the adult child shall be revealed by a competent examination by a licensed physician and shall be approved by a majority of a medical review committee as defined in KRS 161.661(14). Benefits under this subsection shall apply in addition to benefits which may be payable under subsections (1) and (2) of this section.
- (b) Notwithstanding any provision of law to the contrary, the surviving spouse shall not elect to receive a lump-sum refund of the member's accumulated account balance in lieu of the survivorship benefits payable under this subsection and subsection (1) of this section unless:
1. The surviving spouse is designated as the primary beneficiary;
  2. The surviving spouse has been appointed by the court as guardian, conservator, or other fiduciary with sufficient general or specific authority to waive the survivorship benefits available under this subsection for any child or children age eighteen (18) or older who have been adjudicated incompetent to make decisions on their own behalf by a court of law; and
  3. Any child or children age eighteen (18) or older who are mentally competent to make decisions on their own behalf as attested to by two (2) physicians' statements consent in writing on forms prescribed by the retirement system to waive their survivorship benefits available under this subsection.
- (c) If eligible to elect a lump-sum refund of the member's accumulated account balance, the surviving spouse shall sign a waiver on forms prescribed by the retirement system of his or her rights and the member's children's rights to the survivorship benefits payable under this subsection and subsections (1) and (2) of this section;
- (4) Where the sole eligible survivors are dependent parents aged sixty-five (65) or over, the benefit shall be two hundred dollars (\$200) per month for one (1) parent or two hundred ninety dollars (\$290) per month for two (2) parents. Dependency of a parent shall be established as of the date of the death of the member;
- (5) Where the sole eligible survivor is a dependent brother or sister, the benefit shall be one hundred sixty five dollars (\$165) per month. In order to qualify the brother or sister must have been a resident of the deceased member's household for at least one (1) full year prior to the member's death or must have been receiving care in a hospital, nursing home, or other institution at the member's expense for same period;
- (6) The benefit to a child as defined in subsection (2) of this section shall terminate upon the attainment of age eighteen (18) or upon reaching age nineteen (19), if a full-time student in high school, or upon marriage, except that benefits shall continue until the attainment of age twenty-three (23) for an unmarried child who is a full-time student in a recognized educational program beyond the high school level. The benefit to a widow, widower, dependent parent, or dependent brother or sister or dependent child age eighteen (18) or older shall terminate upon marriage, or upon termination of the condition creating the dependency;
- (7) The board of trustees shall be the sole judge of eligibility or dependency of any beneficiary, and may require formal application or information relating to eligibility or dependency, including proof of annual income satisfactory to the board. The board of trustees may subpoena records and individuals whenever it deems this action necessary;
- (8) No payment of benefits shall be made unless the board of trustees authorizes the payment. The board shall promulgate administrative regulations for the administration of the provisions in this section and in every case the decision of the board of trustees shall be final as to eligibility, dependency, or disability, and the amount of benefits payable;
- (9) In the event that there are no eligible survivors as defined in subsections (1) to (5) of this section, or in the event that the surviving spouse elects not to receive survivorship benefits on his or her own behalf or on behalf of any of the member's children as permitted under subsections (2) and (3) of this section, the board of trustees shall pay to the estate or the designated beneficiaries of the deceased member a refund of his accumulated account balance as provided in KRS 161.470(7). If the benefits paid or payable under subsections (1) to (5) of this section and KRS 161.661 shall amount to a sum less than the member's accumulated account balance at the time of death, the board of trustees shall pay to the estate or designated beneficiaries of the deceased member the balance of the accumulated account balance;

- (10) Any person who is receiving benefits and becomes disqualified from receiving those benefits under this section shall immediately notify the Teachers' Retirement System of this disqualification in writing and shall return all benefits paid after the date of disqualification. Failure to comply with these provisions shall create an indebtedness of that person to the Teachers' Retirement System. Interest at the rate of eight percent (8%) per annum shall be charged if the debt is not repaid within sixty (60) days after the date of disqualification. Failure to repay this debt creates a lien in favor of the Teachers' Retirement System upon all property of the person who improperly receives benefits and does not repay those benefits; and
- (11) Benefits under subsections (2) and (3) of this section shall apply to a child who is a legally adopted survivor at the time of the death of the member. This provision shall be retroactive to include a child who was born after January 1, 1990, and is a legally adopted survivor of a member whose death occurred prior to July 15, 2008.

➔Section 20. KRS 161.522 is amended to read as follows:

Upon the death of a member retired for disability who had a minimum of twenty-seven (27) years of service at the time of death, except as provided in KRS 161.661(6), the spouse, if named as the primary beneficiary of the member's account, shall be entitled to elect, in lieu of a refund of the member's account, an annuity actuarially equivalent to the annuity that would have been paid to the deceased member had retirement for service been effective on the day immediately preceding the member's death. This option shall be available only during the entitlement period described under KRS 161.661(3) and (4) prior to the recalculation of the member's disability allowance under KRS 161.661(5). In selecting this right, the spouse shall be limited to selecting an option providing a straight life annuity with refundable balance or a term certain option. There shall be a monthly minimum allowance of three hundred dollars (\$300) as the basic straight life annuity. This section applies to surviving spouses of members who were receiving benefit payments under KRS 161.520 as of June 30, 1988, and to surviving spouses of members who die on or after July 1, 1984, except that the member shall have been retired for disability with a minimum of thirty (30) years of service if either of these two (2) conditions were met prior to July 1, 1990. ~~[This section does not apply to individuals who become members on or after January 1, 2019.]~~

➔Section 21. KRS 161.525 is repealed, reenacted, and amended to read as follows:

- (1) Upon death of a member in active contributing status at the time of death, who was eligible to retire by reason of service, the spouse, if named as the primary beneficiary of the member's retirement account, or in the absence of an eligible spouse a legal dependent of the member, if named as the primary beneficiary, shall be entitled to elect, in lieu of a refund of the member's accumulated account balance or benefits provided in KRS 161.520, an annuity actuarially equivalent at the attained age of the beneficiary to the annuity that would have been paid to the deceased member had retirement been effective on the day immediately preceding the member's death. Under the provisions of KRS 61.680, benefits shall be processed as if the member retired for service. In exercising this right the spouse or legal dependent shall be limited to selecting an option providing either a straight life annuity with refundable balance or a term certain option. A spouse may receive the annuity provided by this section at the same time as children are qualifying for survivors' benefits under the provisions of KRS 161.520; however, a legal dependent, other than a spouse, may not receive these payments if children have qualified for benefits under that section.
- (2) A spouse qualifying for an annuity under subsection (1) of this section may defer the payments in order to reduce the actuarial discounts to be applied due to age.
- (3) Upon death of a member in active contributing status at the time of his death, who had a minimum of twenty-seven (27) years of service, the spouse, if named as the primary beneficiary of the member's account shall be entitled to a monthly minimum allowance of three hundred dollars (\$300) as the basic straight life annuity. This provision applies to surviving spouses of members who were receiving benefit payments under KRS 161.520 as of June 30, 1986, and to surviving spouses of members who die on or after July 1, 1986. ~~[This subsection does not apply to individuals who become members on or after January 1, 2019.]~~

The service credit purchased may not be used for meeting the service requirements set forth in KRS 161.600(1)(a), **subsection (2) of Section 9 of this Act**, or 161.661(1). This election shall be irrevocable except as otherwise provided in this subsection. No member of the Kentucky Teachers' Retirement System who terminates employment and is subsequently reemployed by the same or another public postsecondary education institution which participates in the Kentucky Teachers' Retirement System may be eligible to elect to participate in the optional retirement plan unless the date of reemployment is at least six (6) months after the date of termination. All elections made under this subsection shall be in writing and shall be filed with the appropriate officer of the employer institution. Persons who originally elected to participate in the optional retirement plan may later change their elections only as follows:
  - (a) Any person otherwise eligible for membership in the Kentucky Teachers' Retirement System may irrevocably elect one (1) time during his or her lifetime to change his or her election and to prospectively participate in the Kentucky Teachers' Retirement System. This election to change from the optional retirement plan to Kentucky Teachers' Retirement System shall be effective beginning on the first day of the first month immediately following the date that written application for the election is received in the retirement system's office on forms prescribed by the system. The election to purchase prior service as service credit shall be received in the retirement system's office on forms prescribed by the retirement system within the six (6) year and six (6) month period provided to make the election to begin participation in the Kentucky Teachers' Retirement System. The cost of purchasing this service shall be calculated by adding both the employer

These payments shall not be picked up as described in KRS 161.540(2). Persons who elect to change from the optional retirement plan to the Kentucky Teachers' Retirement System may elect to purchase as service credit, beginning with the most recent years, any portion of their prior years of service during which time they participated in the optional retirement plan, or none of those years. Members may purchase service credit for prior years of service by rolling over funds from their optional retirement plan account as provided under KRS 161.5461, or by rolling over or transferring other plan funds as permitted by the rules set forth in the Internal Revenue Code, or by making an after-tax lump-sum cash payment. ~~This paragraph does not apply to individuals who become members on or after January 1, 2019;~~

- (c) Effective July 1, 2008, persons otherwise eligible for membership in the Kentucky Teachers' Retirement System may irrevocably elect one (1) time to change their election and to prospectively participate in the Kentucky Teachers' Retirement System and purchase service credit for their prior years of service during which they participated in the optional retirement plan. Persons electing to change to the Kentucky Teachers' Retirement System shall not be eligible for the survivorship or disability programs based upon medical conditions that existed prior to the filing of their elections.
- (2) Elections of eligible employees hired on or after the implementation date of the optional retirement plan at their employer institution shall be effective on the date of their employment. - (5) The board shall provide to annuitants so much of the summary plan description as they need to understand changes in benefits which apply to them.

➔Section 29. KRS 161.585 is repealed and reenacted to read as follows:

- (1) Each member's or annuitant's account shall be administered in a confidential manner, and specific data regarding a member or annuitant shall not be released for publication, except that:

Such payments shall not be picked up, as described in KRS 161.540(2).
- (2) The amount paid under this section shall be considered as accumulated contributions of the individual member.
- (3) No person shall be allowed credit for the same period of service in more than one (1) of these three (3) retirement systems.

→Section 32. KRS 161.605 is repealed, reenacted, and amended to read as follows:

Any member retired by reason of service may return to work in a position covered by the Kentucky Teachers' Retirement System and continue to receive his or her retirement allowance under the following conditions:

- (1) Any member who is retired with thirty (30) or more years of service may return to work in a full-time or a part-time position covered by the Kentucky Teachers' Retirement System and earn up to a maximum of seventy-five percent (75%) of the member's last annual compensation measured on a daily rate to be determined by the board of trustees. For purposes of determining whether the salary of a member returning to work is seventy-five percent (75%) or less of the member's last annual compensation, all remuneration paid and benefits provided to the member, on an actual dollar or fair market value basis as determined by the retirement system, shall be considered. Members who were retired on or before June 30, 2002, shall be entitled to return to work under the provisions of this section as if they had retired with thirty (30) years of service. Nonqualified service credit purchased under the provisions of KRS 161.5465 or elsewhere with any state-administered retirement system shall not be used to meet the thirty (30) year requirement set forth in this subsection. Out-of state teaching service provided in public schools for kindergarten through grade twelve (12) may count toward the thirty (30) year requirement set forth in this subsection even if it is not purchased as service credit, if the member obtains from his or her out-of-state employer certification of this service on forms prescribed by the retirement system;
- (2) Any member who is retired with less than thirty (30) years of service after June 30, 2002, may return to work in a full-time or part-time position covered by the Kentucky Teachers' Retirement System and earn up to a maximum of sixty-five percent (65%) of the member's last annual compensation measured on a daily rate to be determined by the board of trustees. For purposes of determining whether the salary of a member returning to work is sixty-five percent (65%) or less of the member's last annual compensation, all remuneration paid and benefits provided to the member, on an actual dollar or fair market value basis as determined by the retirement system, shall be considered;
- (3) Reemployment of a retired member under subsection (1) or (2) of this section in a full-time teaching or nonteaching position in a local school district shall be permitted only if the employer certifies to the Kentucky Teachers' Retirement System that there are no other qualified applicants available to fill the teaching or nonteaching position. The employer may use any source considered reliable including but not limited to data provided by the Education Professional Standards Board and the Department of Education to determine whether other qualified applicants are available to fill the teaching or nonteaching position. The Kentucky Board of Education shall promulgate administrative regulations to establish procedures to determine whether other qualified applicants are available to fill a teaching or nonteaching position and, if not, for filling the position with a retired member who will then be permitted to return to work in that position under subsection (1) or (2) of this section. The administrative regulations shall assure that a retired member shall not be hired in a teaching or nonteaching position by a local school district until the superintendent of the school district

assures the Kentucky Teachers' Retirement System that every reasonable effort has been made to recruit other qualified applicants for the position on an annual basis;

- (4) Under this section, an employer may employ full-time a number of retired members not to exceed three percent (3%) of the membership actively employed full-time by that employer. The board of trustees may reduce this three percent (3%) cap upon recommendation of the retirement system's actuary if a reduction is necessary to maintain the actuarial soundness of the retirement system. The board of trustees may increase the three percent (3%) cap upon a determination that an increase is warranted to help address a shortage in the number of available teachers and upon the determination of the retirement system's actuary that the proposed cap increase allows the actuarial soundness of the retirement system to be maintained. For purposes of this subsection, "full-time" means the same as defined by KRS 161.220(21). A local school district may exceed the quota established by this subsection by making an annual written request to the Kentucky Department of Education which the department may approve on a year-by-year basis if the statewide quota has not been met. A district's written request to exceed its quota shall be submitted no sooner than two (2) weeks after the start of the school year;
- (5)
  - (a) Except as provided by subsection (10) of this section, a member returning to work in a full-time or part-time position under subsection (1) or (2) of this section will contribute to an account with the retirement system that will be administered independently from and with no reciprocal impact with the member's original retirement account, or any other account from which the member is eligible to draw a retirement allowance.
  - (b) Except as provided by subsection (10) of this section, a member returning to work under subsection (1) or (2) of this section shall make contributions to the retirement system at the rate provided under KRS 161.540. The new account shall independently meet the five (5) year vesting requirement as well as all other conditions set forth in KRS 161.600(1) *or* (2), *as applicable*, before any retirement allowance is payable from this account. The retirement allowance accruing under this new account shall be calculated pursuant to KRS 161.620~~(1)(b)~~. This new account shall not entitle the member to a duplication of the benefits offered under KRS 161.620(7) or 161.675, nor shall this new account provide the benefits offered by KRS 161.520, 161.525, 161.620(3), 161.655, 161.661, or 161.663.
  - (c) A member returning to work under subsection (1) or (2) of this section shall waive his or her medical insurance with the Kentucky Teachers' Retirement System during the period of reemployment and shall receive the medical insurance coverage that is generally provided by the member's active employer to the other members of the retirement system that the active employer employs. If medical insurance coverage is not available from the employer, the Kentucky Teachers' Retirement System may provide coverage for the member.
  - (d) A member returning to work under subsection (1) or (2) of this section shall not be eligible to purchase service credit for any service provided after the member's effective date of retirement but prior to the date that the member returns to work. A member returning to work under subsection (1) or (2) of this section shall not be eligible to purchase service credit that the member would have otherwise been eligible to purchase prior to the member's initial retirement.
  - (e) A member who returns to work under subsection (1) or (2) of this section, or in the event of the death of the member, the member's estate or applicably designated beneficiary, shall be entitled, within ninety (90) days of the posting of the annual report submitted by the employer, to a refund of contributions as permitted and limited by KRS 161.470;
- (6) The board of trustees may annually, on July 1, adjust the current daily rate of a member's last annual compensation, for each full twelve (12) month period that has elapsed subsequent to the member earning his or her last annual compensation, by the percentage increase in the annual average of the consumer price index for all urban consumers for the calendar year preceding the adjustment as published by the Federal Bureau of Labor Statistics, not to exceed five percent (5%) annually. Each annual adjustment shall become part of the member's daily rate base. Failure to comply with the salary limitations set forth in subsections (1) and (2) of this section as may be adjusted by this subsection shall result in a reduction of the member's retirement allowance or any other benefit to which the member would otherwise be entitled on a dollar-for-dollar basis for each dollar that the member exceeds these salary limitations. Notwithstanding any other provision of law to the contrary, a member retiring from a local school district who returns to work for a local school district under subsection (1) or (2) of this section shall be entitled, without any reduction to his or her retirement allowance or any other retirement benefit, to earn a minimum amount equal to one hundred seventy dollars (\$170) per day;

- (7) (a) A retired member returning to work under subsection (1) or (2) of this section shall have separated from service for a period of at least one (1) year if returning to work for the same employer on a full-time basis, and at least three (3) months if returning to work for a different employer on a full-time basis. A retired member returning to work under subsection (1) or (2) of this section on a part-time basis shall have separated from service for a period of at least three (3) months before returning to work for any employer.
- (b) As an alternative to the separation-from-service requirements in paragraph (a) of this subsection, a retired member who is returning to work for the same employer in a full-time position under subsections (1) and (2) of this section may elect a separation-from-service of not less than two (2) months followed by a forfeiture of the retired member's retirement allowance on a month-to-month basis for each month that the member has separated from service for less than twelve (12) full months. A retired member returning to work for the same employer in a part-time position, or for a different employer in a full-time position, may elect an alternative separation-from-service requirement of at least two (2) months followed by a forfeiture of the member's retirement allowance for one (1) month. During the period that the member forfeits his or her retirement allowance and thereafter, member and employer contributions shall be made to the retirement system as a result of employment in any position subject to membership in the retirement system. The member shall contribute to an account with the retirement system subject to the conditions set forth in subsection (5) of this section. For purposes of measuring the separation-from-service requirements set forth throughout this section, a member's separation-from-service begins on the first day following the last day of paid employment for the member prior to retirement.
- (c) Failure to comply with the separation-from-service requirements in this subsection voids a member's retirement and the member shall be required to return all the retirement benefits he or she received, with interest, for the period of time that the member returned to work without a sufficient separation from service;
- (8) (a) Effective July 1, 2004, local school districts may employ retired members in full-time or part-time teaching or administrative positions without limitation on the compensation of the retired members that is otherwise required by subsections (1) and (2) of this section. Under provisions of this subsection, a local school district may only employ retired members to fill critical shortage positions for which there are no other qualified applicants as determined by the local superintendent. The number of retired members that a local school district may employ under this subsection shall be no more than two (2) members per local school district or one percent (1%) of the total active members employed by the local school district on a full-time basis as defined under KRS 161.220(21), whichever number is greater. Retired members returning to work under this subsection shall be subject to the separation-from-service requirements set forth in subsection (7) of this section. Retired members returning to work under this subsection shall waive their medical insurance coverage with the retirement system during their period of reemployment and receive medical insurance coverage that is offered to other full-time members employed by the local school district. Retired members returning to work under this subsection shall contribute to an account subject to the conditions set forth in subsection (5) of this section. Retired members returning to work under this subsection shall make contributions to the retirement system at the rate provided under KRS 161.540. The employer shall make contributions at the rate provided under KRS 161.550. Local school districts shall make annual payments to the retirement system on the compensation paid to the reemployed retirees at the rates determined by the retirement system's actuary that reflect any accrued liability resulting from the reemployment of these members.
- (b) The Department of Education may employ retired members in full-time or part-time teaching or nonteaching positions without the limitations on compensation otherwise required by subsections (1) and (2) of this section to fill critical shortage areas in the schools it operates, including the Kentucky School for the Blind, the Kentucky School for the Deaf, and the Kentucky Virtual High School, and to serve on audit teams. The department shall be subject to the same requirements as local school districts as provided in paragraph (a) of this subsection, except the Kentucky Teachers' Retirement System shall determine the maximum number of employees that may be employed under this paragraph;
- (9) The return to work limitations set forth in this section shall apply to retired members who are returning to work in the same position from which they retired, or a position substantially similar to the one from which they retired, or a position described in KRS 161.046 or any position listed in KRS 161.220(4) which requires membership in the retirement system. Positions which generally require certification or graduation from a four (4) year college or university as a condition of employment which are created, or changed to remove the position from coverage under KRS 161.220(4) are also subject to the return to work limitations set forth in this

section. The board of trustees shall determine whether employment in a nonteaching position is subject to this subsection;

- (10) (a) Notwithstanding the provisions of this section, individuals who ***become members on or after January 1, 2022, who subsequently*** retire and begin drawing a ***monthly lifetime*** retirement allowance from ~~one (1) or more of the systems or plans administered by the Kentucky Retirement Systems, [the Teachers' Retirement System, or the Judicial Form Retirement System on or after January 1, 2019]~~, who ***following retirement*** are reemployed ~~[on or after January 1, 2019, ]~~with an employer participating in the Teachers' Retirement System, shall not be eligible to contribute to or earn benefits in a second retirement account ***in the Teachers' Retirement System*** during the period of reemployment. ~~Employers shall be required to pay the employer normal cost for pension benefits established by KRS 161.550 for any period of full-time reemployment to help pay down the unfunded liability of the Teachers' Retirement System pension fund.]~~
- (b) The provisions of subsections (1) to (8) of this section are not subject to KRS 161.714;
- (11) Any member retired by reason of service may waive his or her annuity and return to full-time employment in a position covered by the Kentucky Teachers' Retirement System under the following conditions:
- (a) The member shall receive no annuity payments while employed in a covered position, shall waive his or her medical insurance coverage with the Kentucky Teachers' Retirement System during the period of reemployment, and shall receive the medical insurance coverage that is generally offered by the member's active employer to the other members of the retirement system employed by the active employer. The member's estate or, if there is a beneficiary applicably designated by the member, then the beneficiary, shall continue to be eligible for life insurance benefits as provided in KRS 161.655. Service subsequent to retirement shall not be used to improve an annuity, except as provided in paragraphs (b) and (c) of this subsection;
- (b) Any member who waives regular annuity benefits and returns to teaching or covered employment shall be entitled to make contributions on the salaries received for this service and have his retirement annuity recalculated as provided in the regular retirement formula in KRS 161.620(1), less any applicable actuarial discount applied to the original retirement allowance due to the election of a joint and last survivor option. Retirement option and beneficiary designation on original retirement shall not be altered by postretirement employment, and dependents and spouses of the members shall not become eligible for benefits under KRS 161.520, 161.525, or 161.661 because of postretirement employment;
- (c) When a member returns to full-time teaching or covered employment as provided in subsection (b) of this section, the employer is required to withhold and remit regular retirement contributions. The member must be employed full-time for at least one (1) consecutive contract year to be eligible to improve an annuity. The member shall be returned to the annuity rolls on July 1 following completion of the contract year or on the first day of the month following the month of termination of service if full-time employment exceeds one (1) consecutive contract year. Any discounts applied at the time of the original retirement due to service or age may be reduced or eliminated due to additional employment if full-time employment is for one (1) consecutive contract year or longer; and
- (d) A member retired by reason of service who has been employed the equivalent of twenty-five (25) days or more during a school year under KRS 161.605 may waive the member's retirement annuity and return to regular employment covered by the Kentucky Teachers' Retirement System during that school year a maximum of one (1) time during any five (5) year period, beginning with that school year;
- (12) Retired members may be employed in a part-time teaching capacity by an agency described in KRS 161.220(4)(b) or (n), not to exceed the equivalent of twelve (12) teaching hours in any one (1) fiscal year. Retired members may be employed for a period not to exceed the equivalent of one hundred (100) days in any one (1) fiscal year in a part-time administrative or nonteaching capacity by an agency described in KRS 161.220(4)(b) or (n) in a position that would otherwise be covered by the retirement system. The return to work provisions set forth in subsections (1) to (8) of this section shall not apply to retired members who return to work solely for an agency described in KRS 161.220(4)(b) or (n). Calculation of the number of days and teaching hours for part-time teaching, substitute teaching, or part-time employment in a nonteaching capacity under this section shall not exceed the ratio between a school year and the actual months of retirement for the member during that school year. The board of trustees by administrative regulation may establish fractional equivalents of a day of teaching service. Any member who exceeds the twelve (12) hour or one hundred (100) day limitations of this subsection shall be subject to having his or her retirement voided and be required to return all retirement allowances and other benefits paid to the member or on the member's behalf since the

effective date of retirement. In lieu of voiding a member's retirement, the system may reduce the member's retirement allowance or any other benefit to which the member would otherwise be entitled on a dollar-for-dollar basis for each dollar of compensation that the member earns in employment exceeding twelve (12) hours, one hundred (100) days, or any apportionment of the two (2) combined;

- (13) When a retired member returns to employment in a part-time teaching capacity or in a nonteaching capacity as provided in subsection (12) of this section, the employer shall contribute annually to the retirement system on the compensation paid to the retired member at rates determined by the retirement system actuary that reflect accrued liability for retired members who return to work under subsection (12) of this section; and
- (14) For retired members who return to work during any one (1) fiscal year in both a position described in KRS 161.220(4)(b) or (n) and in a position described under another provision under KRS 161.220(4), and for retired members who return to work in a position described under KRS 161.220(4)(b) or (n) in both a teaching and an administrative or nonteaching capacity, the board of trustees shall adopt a methodology for a pro rata apportionment of days and hours that the retired member may work in each position.

➔Section 33. KRS 161.612 is repealed, reenacted, and amended to read as follows:

Effective July 1, 2002, any individual occupying a position on a part-time basis that requires certification or graduation from a four (4) year college or university as a condition of employment and any individual providing part-time or substitute teaching services that are the same or similar to those teaching services provided by certified, full-time teachers shall be a member of the Kentucky Teachers' Retirement System, according to the conditions and only to the extent set forth in this section, if the individual is employed by one (1) of the public boards, institutions, or agencies set forth in KRS 161.220, excluding those public boards, institutions, and agencies described in KRS 161.220(4)(b) and (n). Members providing part-time and substitute services shall participate in the retirement system as follows:

The board of trustees shall adopt a methodology for accrediting service credit to these members on a pro rata basis. The methodology adopted by the board of trustees may be amended as necessary to ensure its actuarial soundness. The retirement allowance for members providing part-time and substitute services shall be calculated pursuant to **Section 3 or 4 of this Act and** ~~[KRS 161.235 or 161.620, as applicable]~~, except that the provisions of KRS 161.620(3) shall not apply. Members providing part-time and substitute services who meet the service retirement conditions of KRS ~~[161.235 or 161.600, as applicable]~~, may also be eligible to participate as approved by the board of trustees in the medical insurance program provided by the retirement system under KRS 161.675. Members providing part-time and substitute services shall make contributions to the Kentucky Teachers' Retirement System at the rate provided under KRS 161.540. A member who provides part-time or substitute services, or in the event of the death of the member, the member's estate or applicably designated beneficiary, will be entitled, within ninety (90) days of the posting of the annual report submitted by the member's employer, to a refund of contributions as permitted and limited by KRS 161.470;
- (2) The board of trustees shall adopt eligibility conditions under which members providing part-time and substitute services may participate in the benefits provided under KRS 161.520, 161.655, 161.661, and 161.663. The board of trustees may permit members providing part-time or substitute services to participate in other benefits offered by the retirement system by promulgating administrative regulations that establish eligibility conditions for participation in these benefits. All eligibility conditions adopted by the board of trustees pursuant to this subsection may be amended as necessary to ensure their actuarial soundness;
- (3) In addition to the pro rata methodology adopted by the board of trustees under subsection (1) of this section, members providing part-time and substitute services shall be subject to all limitations and conditions regarding the accrual, retention, accreditation, and use of service credit that apply to members providing full-time services. In addition to the eligibility conditions set forth by the board of trustees under subsection (2) of this section, members providing part-time and substitute services shall be subject to all limitations and conditions regarding both the eligibility to participate and the extent of participation in any benefit offered under KRS 161.220 to 161.716 that apply to members providing full-time services;
- (4) Notwithstanding any other provisions of this section to the contrary, instructional assistants who provide teaching services in the local school districts on a full-time basis in positions covered by the County Employees Retirement System who are used as substitute teachers on an emergency basis for five (5) days or less during any one (1) fiscal year shall not be considered members of the Teachers' Retirement System during that period in which they are serving as substitute teachers for five (5) days or less;

- (5) The board of trustees may adopt a pro rata methodology to determine the annual compensation of members providing part-time and substitute services in order to determine benefits provided under KRS 161.661 and 161.663. Members providing part-time and substitute services who had retirement contributions posted to their accounts during the previous fiscal year and who have not had those contributions refunded to them are eligible to vote for the board of trustees;
- (6) The board of trustees of the Teachers' Retirement System shall be responsible for final determination of membership eligibility and may direct employers to take whatever action that may be necessary to correct any error relating to membership; *and*

➔Section 34. KRS 161.615 is amended to read as follows:

- (1) The board of trustees is authorized to implement a limited defined contribution plan for the sole purpose of providing retirement allowance payments for retired members who have been approved by the retirement system for full-time reemployment as provided in KRS 161.605.
- (2) The defined contribution plan shall be administered separately from the regular benefits provided for members of the retirement system, except that the contributions to the plan shall be invested in the same manner as other contributions to the retirement system.
- (3) The provisions of this section apply only to those retired members who were permitted to return to work under the critical shortage provisions of KRS 161.605(7) as they existed on June 30, 2002. The provisions of this section shall not apply to any retired member returning to work on or after July 1, 2002.
- (4) Separate member accounts shall be maintained for participants in this plan which shall reflect the annual contributions made to the participant's account based on the rates and interest levels specified in KRS 161.605.
- (5) When the retiree's reemployment terminates, the total contributions and accrued interest in the participant's account will be paid in a lump-sum payment or on an actuarial straight life monthly basis to the retiree. If the member dies prior to making application for a retirement allowance under this plan, the beneficiary designated by the participant for this plan shall receive a refund of the funds in the account. If there is a remaining balance in the account at the death of the participant after retirement from this plan, it shall be paid to the beneficiary designated by the participant for this benefit.
- (6) Retired members shall be eligible to receive their retirement annuity when approved for reemployment and participation in this plan. Service as a reemployed retiree may not be used in any manner for credit under the regular retirement benefit plans provided by the retirement system.

~~[(7) Notwithstanding the provisions of subsections (1) to (6) of this section, any plan established pursuant to this section shall, effective January 1, 2019, be closed to any future employee or employer contributions.]~~

➔Section 35. KRS 161.623 is amended to read as follows:

- (1) Effective July 1, 1982, and thereafter, a district board of education or other employer of members of the Teachers' Retirement System may compensate, at the time of retirement for service, an active contributing member for unused sick-leave days in accordance with this section.
- (2) Upon the member's application for service retirement, the employer shall certify the retiring member's unused accumulated sick-leave balance to the board of trustees of the Kentucky Teachers' Retirement System. The member's sick-leave balance, expressed in days, shall be divided by one hundred eighty-five (185) days to determine the amount of service credit that may be considered for addition to the member's retirement account for the purpose of determining the retirement allowance under KRS 161.620~~[, subject to the limitation of subsection (9)(a) of this section]~~. Notwithstanding any statute to the contrary, sick-leave credit that is accredited under this section or by one (1) of the other state-administered retirement systems shall not be used for the purpose of determining whether the member is eligible to receive a retirement allowance from the Kentucky Teachers' Retirement System.
- (3) The board shall compute the cost to the retirement system of the sick-leave credit for each retiring member and shall bill the last employer of the retiring member for such cost. The employer shall pay the cost of such service credit to the retirement system within fifteen (15) days after receiving notification of the cost from the board.

- (4) Retiring members who receive service credit under this section shall not be eligible to receive compensation for accrued sick leave under KRS 161.155(10) or any other statutory provision.
- (5) Employer participation is optional and the employer may opt to purchase less service credit than the member is eligible to receive provided the same percentage of reduction is made applicable to all retiring members of the employer during a school fiscal year.
- (6) The board of trustees shall formulate and adopt necessary rules and regulations for the administration of the foregoing provisions.
- (7) Payments to the retirement system for service credit obtained under this section or for compensation credit obtained under KRS 161.155(10) shall be based on the full actuarial cost as defined in KRS 161.220(22).
- (8) For an individual who becomes a member on or after July 1, 2008, the maximum amount of unused accumulated sick leave that may be considered for addition to the member's retirement account for purposes of determining the retirement allowance under KRS 161.620 shall not exceed three hundred (300) days ~~or the amount specified by subsection (9)(a) of this section~~.

~~[(9) Notwithstanding any other provision of KRS 161.220 to 161.716 to the contrary:~~

- ~~(a) The maximum amount of sick leave converted to additional service credit under the provisions of this section shall not exceed the service credit based upon the level of sick leave accumulated on December 31, 2018, by a member whose employer participates in the sick leave program authorized by this section; and~~
- ~~(b) On or after August 1, 2018, no employers may opt to participate in the sick leave program authorized by this section.]~~

➔Section 36. KRS 161.630 is repealed, reenacted, and amended to read as follows:

- (1)
  - (a) ~~{An individual who became }~~A member~~{ prior to January 1, 2019}~~, upon retirement, shall receive a retirement allowance in the form of a life annuity, with refundable balance, as provided in KRS 161.620, unless an election is made before the effective date of retirement to receive actuarially equivalent benefits under options which the board of trustees approves.
  - (b) An individual who is participating in the **supplemental benefit component**~~{hybrid cash balance plan}~~ as provided by **Section 3 or 4 of this Act**~~{KRS 161.235}~~ may, before the effective date of retirement, elect to receive his or her accumulated account balance **accrued in the supplemental benefit component** annuitized into a monthly payment under one (1) of the actuarial equivalent payment options approved by the board of trustees.
  - (c) No option shall provide for a benefit with an actuarial value at the age of retirement greater than that provided in **subsection (5)(a) of Section 3 of this Act, subsection (5)(a) of Section 4 of this Act,**~~{KRS 161.235(7)(a)}~~ or 161.620, as applicable. This section does not apply to disability allowances as provided in KRS 161.661(1).
- (2) The retirement option chosen by a retiree at the time of service retirement shall remain in force unless the retiree ~~{became a member prior to January 1, 2019, and }~~elects to make a change under the following conditions:
  - (a) A divorce, annulment, or marriage dissolution following retirement shall, at the election of the retiree, cancel any optional plan selected at retirement that provides continuing benefits to a spousal beneficiary and return the retiree to a single lifetime benefit equivalent as determined by the board; or
  - (b) Following marriage or remarriage, or the death of the designated beneficiary, a retiree may elect a new optional plan of payment based on the actuarial equivalent of a single lifetime benefit at the time of the election, as determined by the board. The plan shall become effective the first of the month following receipt of an application on a form approved by the board.
- (3) Except as otherwise provided in this section, a beneficiary designation shall not be changed after the effective date of retirement except for retirees who elect the life annuity with refundable balance or the predetermined years certain and life thereafter option. A member may remove a beneficiary at any time, but shall not designate a substitute beneficiary. If a member elects to remove a beneficiary, the member's retirement allowance shall not change regardless of the retirement option selected by the member, even if the removed beneficiary predeceases the member.

- (4) A member who experiences a qualifying event under subsection (2) of this section and who elects a new optional plan of payment shall make that election within sixty (60) days of the qualifying event.

➔Section 37. KRS 161.661 is repealed, reenacted, and amended to read as follows:

- (1) Any member who has completed five (5) or more years of accredited service in the public schools of Kentucky after July 1, 1941, may retire for disability and be granted a disability allowance if found to be eligible as provided in this section. Application for disability benefits shall be made within one (1) year of the last contributing service in Kentucky, and the disability must have occurred during the most recent period of employment in a position covered by the Teachers' Retirement System and subsequent to the completion of five (5) years of teaching service in Kentucky. A disability occurring during the regular vacation immediately following the last period of active service in Kentucky or during an official leave for which the member is entitled to make regular contributions to the retirement system, shall be considered as having occurred during a period of active service. The annual disability allowance shall be equal to sixty percent (60%) of the member's final average salary. ~~Individuals who became~~ Members ~~prior to January 1, 2019,~~ who have twenty-seven (27) or more years of service credit are eligible for service retirement only. ~~Individuals who become members on or after January 1, 2019, who have met the requirements of KRS 161.235(6)(b) shall be eligible for service retirement only.~~
- (2) The provisions of KRS 161.520, 161.525, and subsections (3), (4), and (5) of this section shall not apply to disability retirees whose benefits were calculated on the service retirement formula nor to survivors of these members.
- (3) Members shall earn one (1) year of entitlement to disability retirement, at sixty percent (60%) of the member's final average salary, for each four (4) years of service in a covered position, but any member meeting the service requirement for disability retirement shall be credited with no less than five (5) years of eligibility.
- (4) A member retired by reason of disability shall continue to earn service credit at the rate of one (1) year for each year retired for disability. This service shall be credited to the member's account at the expiration of entitlement as defined in subsection (3) of this section, or when the member's eligibility for disability benefits is terminated upon recommendation of a medical review committee, and this service shall be used in calculating benefits as provided in subsection (5) of this section, but under no circumstances shall this service be used to provide the member with more than twenty-seven (27) years of total service credit ~~or the level of service credit needed to meet the requirements of KRS 161.235(6)(b), as applicable~~. The service credit shall be valued at the same level as service earned by active members as provided under KRS ~~161.235,~~ 161.600~~,~~ or 161.620~~, as applicable~~. ~~Members participating in the hybrid cash balance plan as provided by KRS 161.235 shall also be credited with employer credits and interest credits for each year of service earned under the provisions of this subsection based upon the salary in which the last employer credit was paid. Payments during the entitlement period as specified by subsection (3) of this section shall not reduce the accumulated account balance of a member participating in the hybrid cash balance plan.~~
- (5) Any member retired by reason of disability and remaining disabled at the expiration of the entitlement period shall have his disability benefits recalculated using the service retirement formula with service credit ~~and any additional accumulated account balance~~ earned as set out in subsection (4) of this section. ~~For persons who became members prior to January 1, 2019,~~ The retirement allowance shall be calculated as set forth in KRS 161.620, except that those persons less than sixty (60) years of age shall be considered as sixty (60) years of age. ~~For persons who become members on or after January 1, 2019, the retirement allowance or benefit shall be calculated as set forth in KRS 161.235, except that those persons less than age sixty five (65) shall be considered as sixty five (65) years of age.~~ Members having their disability benefits recalculated under this subsection shall not be entitled to a benefit based upon an average of their three (3) highest salaries as set forth in KRS 161.220(9), unless approved otherwise by the board of trustees.
- (6) Members who have their disability retirement allowance recalculated at the expiration of the entitlement period shall continue to have coverage under the post-retirement medical insurance program. Restrictions on employment shall remain in effect until the member attains age seventy (70) or until the member's eligibility is discontinued. KRS 161.520 and 161.525 shall not apply to survivors of disability retirees whose retirement allowances have been recalculated at the expiration of the entitlement period. Members who have their disability retirement allowance recalculated at the expiration of their entitlement period shall be entitled to a minimum monthly allowance of five hundred dollars (\$500) as the basic straight life annuity. The minimum allowance shall be effective July 1, 1992, and shall apply to those members who have had their allowance recalculated prior to that date and to disability retirees who will have their benefit allowance recalculated on or after that date.

- (7) Effective July 1, 1992, members retired for disability prior to July 1, 1964, shall be entitled to a minimum monthly allowance of five hundred dollars (\$500) as their basic straight life annuity and their surviving spouse shall be eligible for survivor benefits as provided in KRS 161.520(1)(a) and (b).
- (8) Any member retired by reason of disability may voluntarily waive disability benefits and return to teaching or any ~~individual who became a member prior to January 1, 2019~~, who is age sixty (60) years or older, may elect to waive disability benefits and retire for service on the basis of service credited to the member on the effective date of the disability retirement, ~~or any individual who becomes a member on or after January 1, 2019, who is sixty five (65) years of age or older, may elect to waive disability benefits and retire for service on the basis of his or her accumulated account balance and service credited to the member on the effective date of disability retirement.~~
- (9) In order to qualify for retirement by reason of disability a member must suffer from a physical or mental condition presumed to be permanent in duration and of a nature as to render the member incapable of being gainfully employed in a covered position. The incapability must be revealed by a competent examination by a licensed physician or physicians and must be approved by a majority of a medical review committee.
- (10) A member retired by reason of disability shall be required to undergo periodic examinations at the discretion of the board of trustees to determine whether the disability allowance shall be continued. When examination and recommendation of a medical review committee indicate the disability no longer exists, the allowance shall be discontinued.
- (11) Eligibility for payment shall begin on the first day of the month following receipt of the application in the Teachers' Retirement System office, or the first of the month next following the last payment of salary or sick leave benefits by the employer, whichever is the later date.
- (12) No person who receives a disability allowance may be employed in a position that entails duties or qualification requirements similar to positions subject to participation in the retirement system either within or without the State of Kentucky. So doing shall constitute a misdemeanor and shall result in loss of the allowance from the first date of this service. A member who applies for and is approved for disability retirement on or after July 1, 2002, and whose annual disability benefit is less than forty thousand dollars (\$40,000) may earn income in any occupation other than covered employment only to the extent that the annual income from the other employment when added to the annual disability benefit does not exceed forty thousand dollars (\$40,000). For any member who exceeds this limit as a result of income from other employment, the Kentucky Teachers' Retirement System shall reduce the member's disability benefit on a dollar-for-dollar basis for each dollar that the member's combined annual disability benefit and annual income from other employment exceeds forty thousand dollars (\$40,000). The board of trustees may annually increase the forty thousand dollar (\$40,000) limit by the percentage increase in the annual average of the consumer price index for all urban consumers for the most recent calendar year as published by the Federal Bureau of Labor Statistics, not to exceed five percent (5%).
- (13) All members who applied for disability retirement before July 1, 2002, and were approved as a result of that application shall be subject to the income limitations as they existed on June 30, 2002, until July 1, 2006. Effective July 1, 2006, the twenty-seven thousand dollar (\$27,000) limitation shall be increased to forty thousand dollars (\$40,000) and may be adjusted by the board of trustees by the consumer price index in the manner described in subsection (12) of this section. The recipient of a disability allowance who engages in any gainful occupation other than covered employment must make a report of the duties involved, compensation received, and any other pertinent information required by the board of trustees.
- (14) The board of trustees shall designate medical review committees, each consisting of three (3) licensed physicians. A medical review committee shall pass upon all applications for disability retirement and upon all applicant statements, medical certifications, and examinations submitted in connection with disability applications. The disposition of each case shall be recommended by a medical review committee in writing to the retirement system. Members of a medical review committee shall follow administrative regulations regarding procedures as the board of trustees may enact and shall be paid reasonable fees and expenses as authorized by the board of trustees in compliance with the provisions of KRS 161.330 and 161.340. The retirement system may secure additional medical examinations and information as it deems necessary. A member may appeal any final agency decision denying his or her disability retirement application pursuant to the provisions of KRS 161.250(2).
- (15) A disability may be presumed to be permanent if the condition creating the disability may be reasonably expected to continue for one (1) year or more from the date of application for disability benefits.

- (16) Any member who has voluntarily waived disability benefits or whose disability benefits have been discontinued on recommendation of a medical review committee, may apply for reinstatement of disability benefits. The application for reinstatement must be made to the retirement system within twelve (12) months of the date disability benefits terminated. If the termination of benefits were voluntary, the reinstatement may be made without medical examination if application is made within three (3) months of the termination date. Other applications for reinstatement will be processed in the same manner as new applications for benefits.
- (17) No person who is receiving disability benefits under this section may be employed in a position which qualifies the person for membership in a retirement system financed wholly or in part with public funds. Employment in a position prohibited by this subsection shall result in disqualification for those disability benefits from the date of employment in the prohibited position.
- (18) Any person who is receiving benefits and becomes disqualified from receiving those benefits under this section, or becomes disqualified from receiving a portion of those benefits due to income from other than covered employment, shall immediately notify the Teachers' Retirement System of this disqualification in writing and shall return all benefits paid after the date of disqualification. Failure to comply with these provisions shall create an indebtedness of that person to the Teachers' Retirement System. Interest at the rate of eight percent (8%) per annum shall be charged if the debt is not repaid within sixty (60) days after the date of disqualification. Failure to repay this debt creates a lien in favor of the Teachers' Retirement System upon all property of the person who improperly receives benefits and does not repay those benefits. The Kentucky Teachers' Retirement System may, in order to collect an outstanding debt, reduce or terminate any benefit that a member is otherwise entitled to receive.
- (19) ***Notwithstanding any other provision of this section to the contrary, individuals who become members on or after January 1, 2022, shall be eligible for an actuarially determined disability benefit as prescribed by the board of trustees via administrative regulations promulgated by the board. The board of trustees shall arrange by appropriate contract or on a self-insured basis a disability plan to provide the disability benefits and may adjust the benefits in accordance with subsection (3) of Section 1 of this Act or subsection (3) of Section 2 of this Act.***

➔Section 38. KRS 161.650 is repealed and reenacted to read as follows:

- (1) In the case of death of a member who has retired by reason of service or disability, any portion of the member's accumulated contributions, including member contributions to the state accumulation fund and regular interest to the date of retirement, that has not, and will not be paid as an allowance or benefit shall be paid to the member's beneficiary in such manner as the board of trustees elects.
- (2) The member may designate a primary beneficiary or two (2) or more cobeneficiaries to receive any remaining accumulated member contributions payable under this section. A contingent beneficiary may be designated in addition to the primary beneficiary or the cobeneficiaries. The member may designate two (2) or more contingent beneficiaries. To the extent permitted by the Internal Revenue Code, a trust may be designated as beneficiary for receipt of any remaining funds of the member's accumulated contributions. Members may designate as beneficiaries only presently identifiable and existing individuals, or trusts where otherwise permitted, without contingency instructions, on forms prescribed by the retirement system. Cobeneficiaries shall be composed of a single class of individuals, or trusts where permitted, who will share in equal proportions in any payment that may become available under this section. Any beneficiary designation made by the member shall remain in effect until changed by the member on forms prescribed by the retirement system, except in the event of subsequent divorce. A final divorce decree shall terminate the beneficiary status of an ex-spouse unless, subsequent to divorce, the member redesignates the former spouse as a beneficiary. A final divorce decree shall not terminate the designation of a trust as beneficiary regardless of who is designated as beneficiary of the trust. In the event that the member fails to designate a beneficiary or all designated beneficiaries predecease the member, any remaining accumulated member contributions shall be payable to the member's estate.

➔Section 39. KRS 161.700 is repealed and reenacted to read as follows:

- (1) Except as otherwise provided by this section and KRS 161.655(5), the right of a member to a retirement allowance and to the return of contributions, any benefit or right accrued or accruing to any person under KRS 161.220 to 161.716, and the money in the various funds established pursuant to KRS 161.220 to 161.716 are hereby exempt from any state or municipal tax, and shall not be subject to execution, garnishment, attachment, or other process, and shall not be assigned.

- (a) If the order specifies the alternate payee is to receive a percentage of the participant's benefit, then the cost of living adjustment shall be divided between the participant and the alternate payee based upon the percentage of the total benefit each is receiving upon the participant's retirement or upon the date the order is approved by the retirement system, whichever is later; or
  - (b) If the order specifies that the alternate payee is to receive a set dollar amount of the participant's benefit, then the order shall specify that:

The lease may be for any initial term commencing with the date of the lease and ending with the next ensuing June 30, which is the close of the then-current fiscal biennium of the Commonwealth, with exclusive options in favor of the board to renew the same for successive ensuing bienniums, July 1 in each even year to June 30 in the next ensuing even year; and the rentals may be fixed at the sums in each biennium, if renewed, sufficient to enable the State Property and Buildings Commission to pay therefrom the maturing principal of and interest on, and provide reserves for, any revenue bonds which the State Property and Buildings Commission may determine to be necessary and sufficient, in agreement with the board, to provide the cost of acquiring the television and related facilities, with appurtenances, and costs as may be incident to the issuance of the bonds.

The board may receive and may apply to rental payments under any lease and to the cost of providing for the operation of the television or related facilities not only appropriations which may be made to it from state funds, from time to time, but also contributions, gifts, matching funds, devises, and bequests from any source, whether federal or state, and whether public or private, so long as the same are not conditioned upon any improper use of the television or related facilities in a manner inconsistent with the provisions of this subsection.

**PART II****CAPITAL PROJECTS BUDGET**

(1) **Capital Construction Fund Appropriations and Reauthorizations:** Moneys in the Capital Construction Fund are appropriated for the following capital projects subject to the conditions and procedures in this Act. Items listed without appropriated amounts are previously authorized for which no additional amount is required. These items are listed in order to continue their current authorization into the 2020-2022 fiscal biennium. Unless otherwise specified, reauthorized projects shall conform to the original authorization enacted by the General Assembly.

(2) **Expiration of Existing Line-Item Capital Construction Projects:** All appropriations to existing line-item capital construction projects expire on June 30, 2020, unless reauthorized in this Act with the following exceptions: (a) A construction or purchase contract for the project shall have been awarded by June 30, 2020; (b) Permanent financing or a short-term line of credit sufficient to cover the total authorized project scope shall have been obtained in the case of projects authorized for bonds, if the authorized project completes an initial draw on the line of credit within the fiscal biennium immediately subsequent to the original authorization; and (c) Grant or loan agreements, if applicable, shall have been finalized and properly signed by all necessary parties by June 30, 2020. Notwithstanding the criteria set forth in this subsection, the disposition of 2020-2022 fiscal biennium nonstatutory

appropriated maintenance pools funded from Capital Construction Investment Income shall remain subject to KRS 45.770(5)(c).

**(3) Bond Proceeds Investment Income:** Investment income earned from bond proceeds beyond that which is required to satisfy Internal Revenue Service arbitrage rebates and penalties and excess bond proceeds upon the completion of a bond-financed capital project shall be used to pay debt service according to the Internal Revenue Service Code and accompanying regulations.

**(4) Appropriations for Projects Not Line-Itemized:** Inasmuch as the identification of specific projects in a variety of areas of the state government cannot be ascertained with absolute certainty at this time, amounts are appropriated for specific purposes to projects which are not individually identified in this Act in the following areas: Kentucky Infrastructure Authority Water and Sewer projects; Flood Control projects; Repair of State-Owned Dams; Guaranteed Energy Savings Performance Contract projects; Wetland and Stream Mitigation projects; Bond-funded, Restricted Fund, and Aircraft maintenance pools; Postsecondary Education pools; Commonwealth Office of Technology Infrastructure Upgrades; Legacy System Retirement Pool; and the Wastewater Treatment Upgrades pool. Notwithstanding any statute to the contrary, projects estimated to cost \$1,000,000 and over and equipment estimated to cost \$200,000 and over shall be reported to the Capital Projects and Bond Oversight Committee.

**(5) Capital Construction and Equipment Purchase Contingency Account:** If funds in the Capital Construction and Equipment Purchase Contingency Account are not sufficient, then expenditures of the fund are to be paid first from the General Fund Surplus Account (KRS 48.700), if available, or from the Budget Reserve Trust Fund Account (KRS 48.705), subject to the conditions and procedures provided in this Act.

**(6) Emergency Repair, Maintenance, and Replacement Account:** If funds in the Emergency Repair, Maintenance, and Replacement Account are not sufficient, then expenditures of the fund are to be paid first from the General Fund Surplus Account (KRS 48.700), if available, or from the Budget Reserve Trust Fund Account (KRS 48.705), subject to the conditions and procedures provided in this Act.

**(7) Appropriation-Supported Debt:** To lower the cost of borrowing, the agencies identified in KRS 45A.850(1)(a) and (2)(a) are authorized to refinance appropriation supported debt obligations that have previously been issued and for which the Commonwealth is currently making lease-rental payments to meet the current debt service requirements. Such action is authorized provided that the principal amount of any such debt obligation is not increased and the term of the debt obligation is not extended. Any such refinancing shall still be subject to the requirements of KRS 45.750 to 45.810 for reporting to the Capital Projects and Bond Oversight Committee.

**(8) Cash Defeasance:** State agencies identified in KRS 45A.850(1)(a) and (2)(a) are authorized to economically or legally defease debt obligations that have previously been issued by the agency, or through a third-party but for which the Commonwealth or the agency is currently making lease-rental payments to meet the current debt service requirements. If Restricted Funds are used for the defeasance of bonds, the agency may use a prior Agency Bond authorization for a new debt obligation so long as the debt service for the new debt obligation is not greater than the debt service of the defeased bonds and the term of the new debt obligation is not greater than the term of the defeased bonds. Any such refinancing shall still be subject to the requirements of KRS 45.750 to 45.810 for reporting to the Capital Projects and Bond Oversight Committee.

### PART III

#### GENERAL PROVISIONS

**1. Funds Designations:** Restricted Funds designated in the biennial budget bills are classified in the state financial records and reports as the Agency Revenue Fund, State Enterprise Funds (State Parks, State Fair Board, Insurance Administration, and Kentucky Horse Park), Internal Services Funds (Fleet Management, Computer Services, Correctional Industries, Central Printing, Risk Management, and Property Management), and selected Fiduciary Funds (Other Expendable Trust Funds). Separate fund records and reports shall be maintained in a manner consistent with the branch budget bills.

The sources of Restricted Funds appropriations in this Act shall include all fees (which includes fees for room and board, athletics, and student activities) and rentals, admittances, sales, bond proceeds, licenses collected by law, gifts, subventions, contributions, income from investments, and other miscellaneous receipts produced or received by a budget unit, except as otherwise specifically provided, for the purposes, use, and benefit of the budget unit as authorized by law. Restricted Funds receipts shall be credited and allotted to the respective fund or account out of which a specified appropriation is made in this Act. All receipts of Restricted Funds shall be deposited in the State Treasury and credited to the proper account as provided in KRS Chapters 12, 42, 45, and 48.

The sources of Federal Funds appropriations in this Act shall include federal subventions, grants, contracts, or other Federal Funds received, income from investments, other miscellaneous federal receipts received by a budget unit, and the Unemployment Compensation Fund, except as otherwise provided, for the purposes, use, and benefit of the budget unit as authorized by law. Federal Funds receipts shall be credited and allotted to the respective fund account out of which a specified appropriation is made in this Act. All Federal Funds receipts shall be deposited in the State Treasury and credited to the proper account as provided in KRS Chapters 12, 42, 45, and 48.

**2. Expenditure of Excess Federal Funds Receipts:** If receipts received or credited to the Federal Funds accounts of a budget unit during fiscal year 2020-2021 or fiscal year 2021-2022, and any balance forwarded to the credit of these same accounts from the previous fiscal year, exceed the appropriation made by a specific sum for these accounts of the budget unit as provided in Part I, Operating Budget, of this Act, for the fiscal year in which the excess occurs, the excess funds in the accounts of the budget unit shall become available for expenditure for the purpose of the account during the fiscal year only upon compliance with the conditions and procedures specified in KRS 48.400, 48.500, 48.600, 48.605, 48.610, 48.620, 48.630, 48.730, and 48.800, and with the authorization of the State Budget Director and approval of the Secretary of the Finance and Administration Cabinet.

Any request made by a budget unit pursuant to KRS 48.630 that relates to Federal Funds shall include documentation showing a comparative statement of revised estimated receipts by fund source and the proposed

expenditures by proposed use, with the appropriated sums specified in the Budget of the Commonwealth, and statements which explain the cause, source, and use for any variances which may exist.

Each budget unit shall submit its reports in print and electronic format consistent with the Federal Funds records contained in the fiscal biennium 2020-2022 Branch Budget Request Manual and according to the following schedule in each fiscal year: (a) on or before the beginning of each fiscal year; (b) on or before October 1; (c) on or before January 1; and (d) on or before April 1.

Notwithstanding KRS 48.630, no unbudgeted Restricted Funds shall be allotted or expended without the express authority of the General Assembly, with the exceptions of the Public Service Commission and institutions of higher education.

**3. Interim Appropriation Increases:** No appropriation from any fund source shall exceed the sum specified in this Act until the agency has documented the necessity, purpose, use, and source, and the documentation has been submitted to the Interim Joint Committee on Appropriations and Revenue for its review and action in accordance with KRS 48.630 and Part III, 2. of this Act. Proposed revisions to an appropriation contained in the enacted Executive Budget or allotment of an unbudgeted appropriation shall conform to the conditions and procedures of KRS 48.630 and this Act.

Notwithstanding KRS 48.630(3), (4), and (5), any proposed and recommended actions to increase appropriations for funds specified in Section 2. of this Part shall be scheduled consistent with the timetable contained in that section in order to provide continuous and timely budget information.

**4. Revision of Appropriation Allotments:** Allotments within appropriated sums for the activities and purposes contained in the enacted Executive Budget shall conform to KRS 48.610 and may be revised pursuant to KRS 48.605 and this Act.

**5. Permitted Appropriation Obligations:** No state agency, cabinet, department, office, or program shall incur any obligation against the General Fund or Road Fund appropriations contained in this Act unless the obligation may be reasonably determined to have been contemplated in the enacted budget and is based upon supporting documentation considered by the General Assembly and legislative and executive records.

**6. Lapse of General Fund or Road Fund Appropriations Supplanted by Federal Funds:** Any General Fund or Road Fund appropriation made in anticipation of a lack, loss, or reduction of Federal Funds shall lapse to the General Fund or Road Fund Surplus Account, respectively, to the extent the Federal Funds otherwise become available.

**7. Federally Funded Agencies:** A state agency entitled to Federal Funds, which would represent 100 percent of the cost of a program, shall conform to KRS 48.730.

**8. Lapse of General Fund or Road Fund Excess Debt Service Appropriations:** Pursuant to KRS 48.720, any excess General Fund or Road Fund debt service shall lapse to the respective surplus account unless otherwise directed in this Act.

**9. Statutes in Conflict:** All statutes and portions of statutes in conflict with any of the provisions of this Act, to the extent of the conflict, are suspended unless otherwise provided by this Act.

**10. Interpretation of Appropriations:** Notwithstanding KRS 48.500, all questions that arise in interpreting this Act and the Transportation Cabinet budget shall be decided by the Attorney General, and the decision of the Attorney General shall be final and conclusive.

**11. Publication of the Budget of the Commonwealth:** The State Budget Director shall cause the Governor's Office for Policy and Management, within 60 days of adjournment of the 2020 and 2021 Regular Sessions of the General Assembly, to publish a final enacted budget document, styled the Budget of the Commonwealth, based upon the Legislative Budget, Executive Budget, Transportation Cabinet Budget, and Judicial Budget as enacted by the 2020 and 2021 Regular Sessions, as well as other Acts which contain appropriation provisions for the 2020-2022 fiscal biennium, and based upon supporting documentation and legislative records as considered by the 2020 and 2021 Regular Sessions. This document shall include, for each agency and budget unit, a consolidated budget summary statement of available regular and continuing appropriated revenue by fund source, corresponding appropriation allocations by program or subprogram as appropriate, budget expenditures by principal budget class, and any other fiscal data and commentary considered necessary for budget execution by the Governor's Office for Policy and Management and oversight by the Interim Joint Committee on Appropriations and Revenue. The enacted Executive Budget and Transportation Cabinet Budget shall be revised or adjusted only upon approval by the Governor's Office for Policy and Management as provided in each Part of this Act and by KRS 48.400 to 48.810, and upon review and approval by the Interim Joint Committee on Appropriations and Revenue.

**12. State Financial Condition:** Pursuant to KRS 48.400, the State Budget Director shall monitor and report on the financial condition of the Commonwealth.

**13. Prorating Administrative Costs:** The Secretary of the Finance and Administration Cabinet is authorized to establish a system or formula or a combination of both for prorating the administrative costs of the Finance and Administration Cabinet, the Department of the Treasury, and the Office of the Attorney General relative to the administration of programs in which there is joint participation by the state and federal governments for the purpose of receiving the maximum amount of participation permitted under the appropriate federal laws and regulations governing the programs. The receipts and allotments under this section shall be reported to the Interim Joint Committee on Appropriations and Revenue prior to any transfer of funds.

**14. Construction of Budget Provisions Regarding Executive Reorganization Orders:** Nothing in this Act shall be construed to confirm or ratify, under KRS 12.027 or 12.028, any executive reorganization order unless the executive order was confirmed or ratified by appropriate amendment to the Kentucky Revised Statutes in another Act of the 2020 or 2021 Regular Sessions of the General Assembly.

**15. Budget Planning Report:** By August 15, 2021, the State Budget Director, in conjunction with the Consensus Forecasting Group, shall provide to each branch of government, pursuant to KRS 48.120, a budget planning report.

**16. Tax Expenditure Revenue Loss Estimates:** By October 15, 2021, the Office of State Budget Director shall provide to each branch of government detailed estimates for the General Fund and Road Fund for the current and next two fiscal years of the revenue loss resulting from tax expenditures. The Department of Revenue shall provide assistance and furnish data, which is not restricted by KRS 131.190. "Tax expenditure" as used in this section means an exemption, exclusion, or deduction from the base of a tax, a credit against the tax, a deferral of a tax, or a preferential tax rate. The estimates shall include for each tax expenditure the amount of revenue loss, a citation of the legal authority for the tax expenditure, the year in which it was enacted, and the tax year in which it became effective.

**17. Duplicate Appropriations:** Any appropriation item and sum in Parts I to X of this Act and in an appropriation provision in any Act of the 2020 or 2021 Regular Sessions which constitutes a duplicate appropriation shall be governed by KRS 48.312.

**18. Priority of Individual Appropriations:** KRS 48.313 shall control when a total or subtotal figure in this Act conflicts with the sum of the appropriations of which it consists.

**19. Severability of Budget Provisions:** Appropriation items and sums in Parts I to X of this Act shall conform to KRS 48.311. If any section, any subsection, or any provision is found by a court of competent jurisdiction in a final, unappealable order to be invalid or unconstitutional, the decision of the courts shall not affect or impair any of the remaining sections, subsections, or provisions.

**20. Unclaimed Lottery Prize Money:** For fiscal year 2020-2021 and fiscal year 2021-2022, all unclaimed lottery prize money under KRS 154A.110(3) shall be credited to the Kentucky Educational Excellence Scholarship Reserve Account to be held as a subsidiary account within the Finance and Administration Cabinet for the purpose of funding the KEES Program as appropriated in this Act. If the Kentucky Higher Education Assistance Authority certifies to the State Budget Director that the appropriations in this Act for the KEES Program under the existing award schedule are insufficient to meet funds required for eligible applicants, then the State Budget Director shall provide the necessary allotment of funds in the balance of the KEES Reserve Account to fund the KEES Program. Actions taken under this section shall be reported to the Interim Joint Committee on Appropriations and Revenue on a timely basis.

**21. Workers' Compensation:** Notwithstanding KRS 342.340(1) and 803 KAR 25:021, Section 5, the Personnel Cabinet shall be exempt from procuring excess risk insurance in fiscal year 2020-2021 and fiscal year 2021-2022 for the Workers' Compensation Benefits and Reserve Program administered by the Cabinet.

**22. Carry Forward and Undesignated General Fund and Road Fund Carry Forward:** Notwithstanding KRS 48.700 and 48.705, and other Parts of this Act, the Secretary of the Finance and Administration Cabinet shall determine and certify, within 30 days of the close of fiscal year 2019-2020 and fiscal year 2020-2021, the actual amount of undesignated balance of the General Fund and the Road Fund for the year just ended. The amounts from the undesignated fiscal year 2019-2020 and fiscal year 2020-2021 General Fund and Road Fund balances that are designated and carried forward for budgeted purposes in the 2020-2022 fiscal biennium shall be determined by the State Budget Director during the close of the respective fiscal year and shall be reported to the Interim Joint Committee on Appropriations and Revenue within 30 days of the close of the fiscal year. Any General Fund undesignated balance in excess of the amount designated for budgeted purposes under this section shall be made available for the General Fund Surplus Expenditure Plan contained in Part VII of this Act unless otherwise

provided in this Act. The Road Fund undesignated balance in excess of the amount designated for budgeted purposes under this section shall be made available for the Road Fund Surplus Expenditure Plan contained in Part IX of this Act unless otherwise provided in this Act.

**23. Reallocation of Appropriations Among Budget Units:** Notwithstanding any statute to the contrary, or provisions of this Act, the Secretary of a Cabinet, the Commissioner of the Department of Education, and other agency heads may request a reallocation among budget units under his or her administrative authority up to ten percent of General Fund appropriations contained in Part I, Operating Budget, of this Act for fiscal years 2019-2020, 2020-2021, and 2021-2022 for approval by the State Budget Director. A request shall explain the need and use for the transfer authority under this section. The amount of transfer of General Fund appropriations shall be separately recorded and reported in the system of financial accounts and reports provided in KRS Chapter 45. The State Budget Director shall report a transfer made under this section, in writing, to the Interim Joint Committee on Appropriations and Revenue.

**24. Local School District Expenditure Flexibility:** Notwithstanding KRS 160.470(6) or any statute to the contrary, during fiscal year 2020-2021 and fiscal year 2021-2022, local school districts may adopt and the Kentucky Board of Education may approve a working budget that includes a minimum reserve of less than two percent of the total budget. The Kentucky Department of Education shall monitor the financial position of any district that receives approval for a working budget with a reserve of less than two percent and shall provide a financial report for those districts at each meeting of the Kentucky Board of Education.

**25. Appropriations Expenditure Purpose and Transfer Restrictions:** Funds appropriated in this Act shall not be expended for any purpose not specifically authorized by the General Assembly in this Act nor shall funds appropriated in this Act be transferred to or between any cabinet, department, board, commission, institution, agency, or budget unit of state government unless specifically authorized by the General Assembly in this Act and KRS 48.400 to 48.810. Compliance with the provisions of this section shall be reviewed and determined by the Interim Joint Committee on Appropriations and Revenue.

**26. Budget Implementation:** The General Assembly directs that the Executive Branch shall carry out all appropriations and budgetary language provisions as contained in the State/Executive Budget. The Legislative Research Commission shall review quarterly expenditure data to determine if an agency is out of compliance with this directive. If the Legislative Research Commission suspects that any entity has acted in non-conformity with this section, the Legislative Research Commission may order an audit or review at the agency's expense. Such audit findings, reviews, and reports shall be subject to the Kentucky Open Records Law.

**27. Information Technology:** All authorized computer information technology projects shall submit a semiannual progress report to the Capital Projects and Bond Oversight Committee. The reporting process shall begin six months after the project is authorized and shall continue through completion of the project. The initial report shall establish a timeline for completion and cash disbursement schedule. Each subsequent report shall update the timeline and budgetary status of the project and explain in detail any issues with completion date and funding.

**28. Equipment Service Contracts and Energy Efficiency Measures:** The General Assembly mandates that the Finance and Administration Cabinet review all equipment service contracts to maximize savings to the Commonwealth to strictly adhere to the provisions of KRS 56.772, 56.782, and 56.784 in maximizing the use of energy efficiency measures.

**29. Debt Restructuring:** Notwithstanding any other provision of the Kentucky Revised Statutes, no General Fund or Road Fund debt restructuring transactions shall be undertaken during the 2020-2022 fiscal biennium.

**30. Effects of Subsequent Legislation:** If any measure enacted during the 2020 or 2021 Regular Session of the General Assembly subsequent to this Act contains an appropriation or is projected to increase or decrease General Fund revenues, the amount in the Budget Reserve Trust Fund shall be revised to accommodate the appropriation or the reduction or increase in projected revenues. Notwithstanding any provision of KRS 48.120(4) and (5) to the contrary, the official enacted revenue estimates of the Commonwealth described in KRS 48.120(5) shall be adjusted at the conclusion of the 2020 and 2021 Regular Sessions of the General Assembly, respectively, to incorporate any projected revenue increases or decreases that will occur as a result of actions taken by the General Assembly subsequent to the passage of this Act by both chambers.

**31. Permitted Use of Water and Sewer Bond Funds:** Notwithstanding Part II, (3) of this Act and any statute to the contrary, any balances remaining for either closed or open project grant agreements authorized pursuant to bond pools set forth in 2003 Ky. Acts ch. 156, Part II, A., 3., d. Water and Sewer Resources Development Fund for Tobacco Counties and e. Water and Sewer Resources Development Fund For Coal Producing Counties; 2005 Ky. (d) Abolishment of a position; or

(e) Other material change in duties or organization;

(3) The appointing authority shall determine the job classifications affected and the number of employees laid-off in each classification and each county to which a layoff applies. In the same department or office, county, and job classification, interim and probationary employees shall be laid-off before any full-time or part-time employees with status are laid-off. (8) With the approval of the Secretary, the Personnel Cabinet may place employees subject to a reduction in force;

(9) Furloughs or reduction of hours during a pay period shall not result in the loss of eligibility for any benefit otherwise due the employee;

(10) The Secretary shall have the authority to promulgate comprehensive administrative regulations governing this section; and

(11) A layoff, furlough, or reduction of hours implemented in accordance with this section shall not be considered a penalization of the employee for the purposes of KRS Chapters 16, 18A, and 156, and shall be appealable to the State Personnel Board, the Kentucky Technical Education Personnel Board, the Department of Kentucky State Police Personnel Board, or other applicable administrative body.

Further, for the purpose of ensuring transparent government, each and every executive order issued, whether or not subject to the aforesaid restrictions, shall provide simultaneously to the Legislative

The report shall include, at a minimum, the federal grant program name, the recipient, the purpose of the funding, the total award amount, monthly detail of actual expenditures by object code, and the fund source and amounts of any state funds that have been supplanted. The report shall be submitted to the Legislative Research Commission, Office of Budget Review, by the 15th of each month during the 2020-2022 fiscal biennium.

Notwithstanding KRS 48.130, direct services, obligations essential to the minimum level of constitutional functions, and other items that may be specified in this Act, are exempt from the requirements of this Plan. Each branch head shall prepare a specific plan to address the proportionate share of the General Fund revenue shortfall applicable to the respective branch. No budget revision action shall be taken by a branch head in excess of the actual or projected revenue shortfall.

The Governor, the Secretary of State, the Attorney General, the Treasurer, the Commissioner of Agriculture, the Auditor of Public Accounts, the Chief Justice, and the Legislative Research Commission shall direct and implement reductions in allotments and appropriations only for their respective branch budget units as may be necessary, as well as take other measures which shall be consistent with the provisions of this Part and biennial branch budget bills.

Pursuant to KRS 48.130(4), in the event of a revenue shortfall of five percent or less, the following General Fund budget reduction actions shall be implemented:

(1) The Local Government Economic Assistance and the Local Government Economic Development Funds shall be adjusted by the Secretary of the Finance and Administration Cabinet to equal revised estimates of receipts pursuant to KRS 42.4582 as modified by the provisions of this Act;

(7) Contributions appropriated to pensions in excess of statutory requirements;

(8) Contributions appropriated to pension insurance in excess of actuarially required contributions;

(9) Reduce General Fund appropriations in Executive Branch agencies' operating budget units by a sufficient amount to balance either fiscal year. No reductions of General Fund appropriations shall be made from the Local Government Economic Assistance Fund or the Local Government Economic Development Fund;

(10) Notwithstanding subsection (9) of this Part, no reductions shall be made to the Secretary of State, the Attorney General, the Treasurer, the Commissioner of Agriculture, or the Auditor of Public Accounts, or their offices, Commonwealth's Attorneys or their offices, or County Attorneys or their offices. The Governor may request their participation in a budget reduction; however, the level of participation shall be at the discretion of the Constitutional Officer or the Prosecutors Advisory Council, and shall not exceed the actual percentage of revenue shortfall;

(11) Excess General Fund appropriations which accrue as a result of personnel vacancies and turnover, and reduced requirements for operating expenses, grants, and capital outlay shall be determined and applied by the heads of the executive, judicial, and legislative departments of state government for their respective branches. The branch heads shall certify the available amounts which shall be applied to budget units within the respective branches and shall promptly transmit the certification to the Secretary of the Finance and Administration Cabinet and the Legislative Research Commission. The Secretary of the Finance and Administration Cabinet shall execute the certified actions as transmitted by the branch heads.

Branch heads shall take care, by their respective actions, to protect, preserve, and advance the fundamental health, safety, legal and social welfare, and educational well-being of the citizens of the Commonwealth;

(13) Pursuant to KRS 48.130 and 48.600, if the actions contained in subsections (1) to (12) of this Part are insufficient to eliminate an actual or projected General Fund revenue shortfall, then the Governor is empowered and directed to take necessary actions with respect to the Executive Branch budget units to balance the budget by such actions conforming with the criteria expressed in this Part.

(1) For the purposes of this section:

(a) "Appointing authority" means the Chief Justice, in his or her capacity as provided in KRS 27A.010, or any agent whom he or she has delegated to act on his or her behalf with respect to employee appointments, position establishments, payroll documents, reemployment requests, waiver requests, requests for certification, or other position actions for the Court of Justice;

(b) "Furlough" or "reduction in hours" means the temporary reduction of hours an employee is scheduled to work by the appointing authority within a pay period;

(c) "Layoff" means discharge of employment subject to the rights contained in this section; and

(d) "Employees" includes all persons employed by the Court of Justice;

(2) Upon an order by the Chief Justice, an appointing authority has the authority to layoff or furlough employees or reduce hours of employment for any of the following reasons:

(a) Lack of funds or budgetary constraints;

(b) A reduction in the agency's spending authorization;

(c) Lack of work;

(d) Abolishment of a position; or

(e) Other material change in duties or organization;

(3) The appointing authority shall determine the job classifications affected and the number of employees laid-off in each classification and each county to which a layoff applies. In the same department or office, county, and job classification, interim and probationary employees shall be laid-off before any full-time or part-time employees with status are laid-off. For purposes of layoff, "probationary employee" does not include an employee with status serving a promotional probation;

(4) The Chief Justice shall approve and implement all actions taken under subsection (2) of this section and no such layoff, furlough, or reduction of hours may begin until such approval has been granted. For a period of two years, a reemployment applicant shall be hired before any applicant except another reemployment applicant with greater seniority who is on the same reemployment list. When a reemployment applicant is removed from a reemployment list, he or she shall be notified in writing. A reemployment applicant who accepts another Court of Justice position, tenured or non-tenured, or who retires, shall cease to have eligibility rights as a reemployment applicant;

(8) The appointing authority may place employees subject to a reduction in force;

(9) Furloughs or reduction of hours during a pay period shall not result in the loss of eligibility for any benefit otherwise due the employee;

(10) The appointing authority shall have the authority to promulgate comprehensive administrative regulations governing this section; and

(11) A layoff, furlough, or reduction of hours implemented in accordance with this section shall not be considered a penalization of the employee.

**18. Employer Retirement Contributions:** Notwithstanding KRS 61.565 or 61.702 to the contrary, the initial actuarially accrued liability employer contribution rate from July 1, 2021, through June 30, 2022, for nonhazardous employees in the judicial branch departments shall be determined by the Director of the Administrative Office of the Courts by May 1, 2021. The employer contribution rate shall include the normal cost contribution of 10.10 percent and be sufficient to adhere to the prorated amount of the actuarially accrued liability to each individual nonhazardous employer as determined by the Kentucky Employees Retirement System. - (2) The cabinet may promulgate administrative regulations pursuant to KRS Chapter 13A relating to license fees and may, *in the administrative regulations*, establish standards of care and service for a child-care center, criteria for the denial of a license if criminal records indicate convictions that may impact the safety and security of children in care, and procedures for enforcement of penalties *which are not in contravention of this section*.
- (3) Each initial application for a license shall be made to the cabinet and shall be accompanied by a fee that shall not exceed administrative costs of the program to the cabinet and shall be renewable annually upon expiration and reapplication when accompanied by a renewal fee that shall not exceed administrative costs of the program to the cabinet. ## CHAPTER 175

( HB 310 )

AN ACT relating to crimes and punishments and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 439.340 is amended to read as follows:

- (1) The board may release on parole persons confined in any adult state penal or correctional institution of Kentucky or sentenced felons incarcerated in county jails eligible for parole. All paroles shall issue upon order of the board duly adopted. As soon as practicable after his or her admission to an adult state penal or correctional institution or county jail if he or she is a sentenced felon, and at such intervals thereafter as it may determine, the Department of Corrections shall obtain all pertinent information regarding each prisoner, except those not eligible for parole. The information shall include the results of his or her most recent risk and needs assessment, his or her criminal record, his or her conduct, employment, and the reports of physical and mental examinations that have been made. The Department of Corrections shall furnish the circumstances of his or her offense, the results of his or her most recent risk and needs assessment, and his or her previous social history to the board. The Department of Corrections shall prepare a report on any information it obtains. It shall be the duty of the Department of Corrections to supplement this report with any material the board may request and submit the report to the board.
- (2) Before granting the parole of any prisoner, the board shall consider the pertinent information regarding the prisoner, including the results of his or her most recent risk and needs assessment, and shall have him or her appear before it for interview and hearing. The board in its discretion may hold interviews and hearings for prisoners convicted of Class C felonies not included within the definition of "violent offender" in KRS

439.3401 and Class D felonies *not included within the definition of "sex crime" in KRS 17.500*. The board in its discretion may request the parole board of another state confining prisoners pursuant to KRS 196.610 to interview eligible prisoners and make a parole recommendation to the board. A parole shall be ordered only for the best interest of society and not as an award of clemency, and it shall not be considered a reduction of sentence or pardon. A prisoner shall be placed on parole only when arrangements have been made for his or her proper employment or for his or her maintenance and care, and when the board believes he or she is able and willing to fulfill the obligations of a law abiding citizen. Notwithstanding any statute to the contrary, including KRS 440.330, when a prisoner is otherwise eligible for parole and the board has recommended parole for that prisoner for the reasons set forth in this subsection, the board may grant parole to any prisoner wanted as a fugitive by any other jurisdiction, and the prisoner shall be released to the detainer from that jurisdiction. Such parole shall not constitute a relinquishment of jurisdiction over the prisoner, and the board in all cases expressly reserves the right to return the prisoner to confinement in a correctional institution of the Commonwealth if the prisoner violates the terms of his or her parole.

- (3)
  - (a) A nonviolent offender convicted of a Class D felony with an aggregate sentence of one (1) to five (5) years who is confined to a state penal institution or county jail shall have his or her case reviewed by the Parole Board after serving fifteen percent (15%) or two (2) months of the original sentence, whichever is longer.
  - (b) Except as provided in this section, the board shall adopt administrative regulations with respect to the eligibility of prisoners for parole, the conduct of parole and parole revocation hearings and all other matters that come before it, or conditions to be imposed upon parolees. Regulations governing the eligibility of prisoners for parole shall be in accordance with professionally accepted ideas of correction and reform and may utilize in part objective, performance-based criteria and risk and needs assessment information; however, nothing herein contained shall preclude the board from utilizing its present regulations in conjunction with other factors involved that would relate to the inmate's needs and the safety of the public.
- (4) The board shall insure that all sentenced felons who have longer than ninety (90) days to serve in state penal institutions, halfway houses, reentry centers, and county jails are considered for parole not less than sixty (60) days prior to their parole eligibility date, and the Department of Corrections shall provide the necessary assistance and information to the board in order for it to conduct timely parole reviews.
- (5) In addition to or in conjunction with each hearing conducted under subsection (2) of this section for any prisoner convicted of a Class A, B, or C felony *or a Class D felony included within the definition of "sex crime" in KRS 17.500* and prior to the granting of a parole to any such prisoner, the parole board shall conduct a hearing of which the following persons shall receive not less than forty-five (45) nor more than ninety (90) days' notice: the Commonwealth's attorney who shall notify the sheriff of every county and the chief of police of every city and county in which the prisoner committed any Class A, B, or C felony *or a Class D felony included within the definition of "sex crime" in KRS 17.500* for which he or she is imprisoned, and all identified victims of the crimes or the next of kin of any victim who is deceased. Notice to the Commonwealth's attorney shall be by mail, fax, or electronic means at the discretion of the board, and shall be in a manner that ensures receipt at the Commonwealth attorney's business office. Notices received by chiefs of police and sheriffs shall be posted in a conspicuous location where police employed by the department may see it. Notices shall be posted in a manner and at a time that will allow officers to make comment thereon to the Parole Board. Notice to victims or their next of kin shall be made, for prisoners incarcerated prior to July 15, 1986, by mail, fax, or electronic means at the discretion of the board, and shall be in a manner that ensures receipt by the Commonwealth's attorney, who shall forward the notice promptly to the victims or their next of kin at their last known address. For prisoners incarcerated on or after July 15, 1986, notice to the victims or their next of kin shall be by mail from the Parole Board to their last known address as provided by the Commonwealth's attorney to the Parole Board at the time of incarceration of the prisoner. ***For prisoners incarcerated prior to the effective date of this Act for a Class D felony included within the definition of "sex crime" in KRS 17.500, notice to the victims or their next of kin shall be in a manner that ensures receipt by the Commonwealth's attorney, who shall forward the notice promptly to the victims or their next of kin at their last known address. For prisoners incarcerated on or after the effective date of this Act for a Class D felony included within the definition of "sex crime" in KRS 17.500, notice to the victims or their next of kin shall be by mail from the Parole Board to their last known address as provided by the Commonwealth's attorney to the Parole Board at the time of incarceration of the prisoner.*** Notice to the victim or the next of kin of subsequent considerations for parole after the initial consideration shall not be sent if the victim or the next of kin gives notice to the board that he or she no longer wants to receive such notices. The notice shall

include the time, date, and place of the hearing provided for in this subsection, and the name and address of a person to write if the recipient of the notice desires to attend the hearing or to submit written comments.

- (6) Persons receiving notice as provided for in subsection (5) of this section may submit comments, in person or in writing, to the board upon all issues relating to the parole of the prisoner. The board shall read and consider all comments prior to making its parole decision, if they are received by the board not less than seven (7) days before the date for the hearing. The board shall retain all comments in the prisoner's permanent Parole Board file, and shall consider them in conjunction with any subsequent parole decisions affecting the prisoner. In addition to officers listed in subsection (5) of this section, the crime victims or the next of kin of any victim who is deceased or who is disabled and cannot attend the hearing or the parent or legal guardian of any victim who is a minor may attend the hearing provided for in subsection (5) of this section and present oral and written comments upon all issues relating to the parole of the prisoner, if they have advised the board, in writing received by the board not less than seven (7) days prior to the date set for the hearing, of their intention to attend the hearing. The board shall receive and consider all comments, shall make a record of them which it shall retain in the prisoner's permanent Parole Board file, and shall consider them in conjunction with any subsequent parole decision affecting the prisoner. Persons appearing before the Parole Board pursuant to this subsection may elect to make their presentations outside of the presence of the prisoner.
- (7) Victims of Class D felonies *not included within the definition of "sex crime" in KRS 17.500* may submit comments in person or in writing to the board upon all issues relating to the parole of a prisoner.
- (8) Any hearing provided for in subsections (5), (6), and (7) of this section shall be open to the public unless the persons having a right to appear before the board as specified in those subsections request closure of hearing for reasons of personal safety, in which event the hearing shall be closed. The time, date, and location of closed hearings shall not be disclosed to the public.
- (9) Except as specifically set forth in this section, nothing in this section shall be deemed to expand or abridge any existing rights of persons to contact and communicate with the Parole Board or any of its members, agents, or employees.
- (10) The unintentional failure by the Parole Board, sheriff, chief of police, or any of its members, agents, or employees or by a Commonwealth's attorney or any of his or her agents or employees to comply with any of the provisions of subsections (5), (6), and (8) of this section shall not affect the validity of any parole decision or give rise to any right or cause of action by the crime victim, the prisoner, or any other person.
- (11) No eligible sexual offender within the meaning of KRS 197.400 to 197.440 shall be granted parole unless he or she has successfully completed the Sexual Offender Treatment Program.
- (12) Any prisoner who is granted parole after completion of the Sexual Offender Treatment Program shall be required, as a condition of his or her parole, to participate in regular treatment in a mental health program approved or operated by the Department of Corrections.
- (13) When the board grants parole contingent upon completion of a program, the commissioner, or his or her designee, shall determine the most appropriate placement in a program operated by the department or a residential or nonresidential program within the community approved by the department. If the department releases a parolee to a nonresidential program, the department shall release the parolee only if he or she will have appropriate community housing pursuant to KRS 439.3408.
- (14) If the parole board does not grant parole to a prisoner, the maximum deferment for a prisoner convicted of a non-violent, non-sexual Class C or Class D felony shall be twenty-four (24) months. For all other prisoners who are eligible for parole:
  - (a) No parole deferment greater than five (5) years shall be ordered unless approved by a majority vote of the full board; and
  - (b) No deferment shall exceed ten (10) years, except for life sentences.
- (15) When an order for parole is issued, it shall recite the conditions thereof.

  - (c) *Examples of how changes to the amount of wages subject to tax would impact trust fund balances and employer contributions.*
- (3) *This section expires on January 31, 2026.*

➔Section 2. KRS 341.030 is amended to read as follows:

- (1) As used in this chapter, unless the context clearly requires otherwise, and except as provided in subsections (2) to (7) of this section, "wages" means all remuneration for services, including commissions, bonuses, and, except for services performed in agriculture and domestic employment, the cash value of all remuneration in any medium other than cash. The reasonable cash value of remuneration in any medium other than cash shall be estimated and determined in accordance with rules prescribed by the commission.
- (2) Amounts paid to traveling salesmen or other workers as allowance or reimbursement for traveling or other expenses, incurred on the business of the employing unit, constitute wages only to the extent of the excess of the amounts over the expenses actually incurred and accounted for by the worker to his employer; provided, however, that the cash value of meals and lodging when furnished to the worker for the convenience of the employer shall not constitute wages.
- (3) For purposes of this chapter, the term "wages" includes tips which are:
- (a) Received while performing services which constitute employment;
  - (b) Included in a written statement furnished to the employer pursuant to Section 6053(a) of the Internal Revenue Code; and
  - (c) Shall be treated as having been paid by the employing unit.
- (4) "Wages" does not include the amount of any payment made to, or on behalf of, a worker under a plan or system established by an employing unit that makes provision for its workers generally or for a class of its workers, including any amount paid by an employing unit for insurance or annuities, or into a fund, to provide for any such payment, on account of:
- (a) Retirement;
  - (b) Sickness or accident disability but, in the case of payments made to an employee or any of his dependents, this subsection shall exclude from the term "wages" only payments which are received under a workers' compensation law;

- (c) Medical and hospitalization expenses in connection with accident or sickness disability; or
- (d) Death, if the worker has not:
  - 1. The option to receive, instead of provision for the death benefit, any part of the payment, or if the death benefit is insured, any part of the premiums or contributions to premiums paid by his employing unit; and
  - 2. The right, under the provisions of the plan or system or policy of insurance providing for the death benefit, to assign the benefit, or to receive a cash consideration in lieu of it either upon his withdrawal from the plan or system providing for the benefit or upon termination of the plan or system or policy of insurance or of his employment with his employing unit.
- (5) "Wages" does not include any payment on account of sickness or accident disability, or medical or hospitalization expenses in connection with sickness or accident disability, made by an employer to, or on behalf of, an employee after the expiration of six (6) calendar months following the last calendar month in which the employee worked for the employer.
- (6) "Wages" does not include the amount of any payment made by an employing unit without deduction from the remuneration of the worker of the tax imposed under Section 3101 of the Internal Revenue Code or any payment required from an employer under a state unemployment compensation law with respect to remuneration paid to an employee for domestic service in a private home of the employer or for agricultural labor.
- (7) (a) "Wages" does not, for the purposes of KRS 341.260 to 341.310, include that part of remuneration which, after wages equal to eight thousand dollars (\$8,000) have been paid in a calendar year to a worker by a subject employer or his predecessor with respect to covered employment during any calendar year, is paid to the worker by the subject employer during the calendar year unless that part of the wages is subject to a tax under a federal law, imposing a tax against which credit may be taken for contributions required to be paid into a state unemployment fund. On January 1, 2012, the amount of eight thousand dollars (\$8,000) in this subsection shall increase to nine thousand dollars (\$9,000), which shall increase by an additional three hundred dollars (\$300) on January 1 of each subsequent year, unless limited by paragraph (b) or (c) of this subsection, not to exceed twelve thousand dollars (\$12,000). For the purpose of this subsection, the term "covered employment" shall include service constituting covered employment under any unemployment compensation law of another state.
  - (b) If the trust fund balance on September 30 of a calendar year equals or exceeds two hundred million dollars (\$200,000,000), the taxable wage base amount in effect at that time shall not increase on January 1 of the next calendar year or on January 1 of subsequent calendar years, except as provided in paragraphs (c) and (e) of this subsection.
  - (c) If the trust fund balance on September 30 of a calendar year equals or exceeds two hundred million dollars (\$200,000,000), but is twenty million dollars (\$20,000,000) or less lower than the trust fund balance amount that would trigger in a lower schedule of contribution rates under KRS 341.270, the taxable wage base shall increase by three hundred dollars (\$300) on January 1 of the next calendar year and that taxable wage base amount shall be the taxable wage base amount in effect for subsequent calendar years, subject to the limitations in paragraph (d) of this subsection.
  - (d) The total number of years that the increase in the taxable wage base shall be prohibited or limited under paragraph (b) or (c) of this subsection shall not exceed the total number of years that contributing employers paid additional federal unemployment taxes because of a reduction in the credit against the federal unemployment tax established in 26 U.S.C. sec. 3302 beginning in 2011.
  - (e) If the taxable wage base on January 1 of the calendar year immediately following the last year the increase in the taxable wage base was prohibited or limited under this subsection is less than twelve thousand dollars (\$12,000), the taxable wage base amount shall be increased by three hundred dollars (\$300), and by an additional three hundred dollars (\$300) on January 1 of each subsequent calendar year until the taxable wage base amount reaches twelve thousand dollars (\$12,000).
  - (f) Notwithstanding paragraphs (b) and (c) of this subsection, if the trust fund balance is less than two hundred million dollars (\$200,000,000) on September 30 of a calendar year, the suspension of the taxable wage base increase shall not occur.

- (g) Notwithstanding any other provision of this subsection, any increase in the maximum weekly benefit rate which otherwise would have occurred except for the suspension of the taxable wage base increase shall be implemented in accordance with the provisions of this chapter.
- (h) The provisions of this subsection shall apply unless the United States Department of Labor notifies the secretary that implementation of this subsection would result in decertification of Kentucky's unemployment insurance program, impact any cap application, affect the receipt of emergency unemployment compensation funds, create an ineligibility for receipt of federal funds, or result in other penalties or sanctions under the Social Security Act or Federal Unemployment Tax Act, 26 U.S.C. secs. 3301 et seq.
- (i) ***Notwithstanding any other provisions of this chapter, for the calendar years 2021 ~~and 2022~~ the taxable wage base increase shall be suspended and the taxable wage base in effect for the calendar year 2020 shall be utilized.***

- (2) Except as otherwise provided in this section, no subject employer's contribution rate shall be less than two and seven-tenths percent (2.7%), unless he has been an employer subject to the provisions of this chapter for twelve (12) consecutive calendar quarters ended as of the computation date. In any calendar year in which the rate schedule prescribed in paragraph (3)(a) of this section is in effect, no subject employer who was assigned an entry rate of three percent (3.0%) under the provisions of subsection (1) of this section prior to January 1, 1999, shall have a contribution rate less than two and eight hundred fifty-seven thousandths percent (2.857%), unless subject to this chapter for the minimum time period specified above.
- (3) For the calendar year 2001 and each calendar year thereafter, employer contribution rates shall be determined in accordance with "Table A" set out in subsection (4) of this section. For each calendar year, the secretary shall determine the rate schedule to be in effect based upon the "trust fund balance" as of September 30 of the preceding year. If the "trust fund balance":
  - (a) Equals or exceeds one and eighteen hundredths percent (1.18%) of the total wages paid in covered employment in the state during the state fiscal year ended as of June 30 of that year, the rates listed in the "Trust Fund Adequacy Rates" schedule of "Table A" shall be in effect;
  - (b) Equals or exceeds five hundred million dollars (\$500,000,000) but is less than the amount required to effectuate the "Trust Fund Adequacy Rates" schedule as provided in paragraph (a) of this subsection, the rates listed in "Schedule A" of "Table A" shall be in effect;

  - (f) Is less than one hundred fifty million dollars (\$150,000,000), the rates listed in "Schedule E" of "Table A" shall be in effect.
- (4) For the calendar year 1982 and each calendar year thereafter, contribution rates shall be determined upon the basis of an individual employer's reserve ratio as of the computation date and the schedule of rates established under subsection (3) of this section. Except as otherwise provided in this section, the contribution rate for each subject employer for the calendar year immediately following the computation date shall be the rate in that "Schedule" of "Table A," as set out below, effective with respect to the calendar year, which appears on the same line as his reserve ratio as shown in the "Employer Reserve Ratio" column of the same table.

(5) As used in this section and elsewhere in this chapter, unless the context clearly requires otherwise:

- (a) "Trust fund balance" means the amount of money in the unemployment insurance fund, less any unpaid advances made to the state under Section 1201 of the Social Security Act. In determining the amount in the fund as of a given date all money received by the Office of Unemployment Insurance, Department of Workforce Investment, on that date shall be considered as being in the fund on that date;
- (b) "Total wages" means all remuneration for services, as defined in KRS 341.030(1) to (7), paid by subject employers;
- (c) An employer's "reserve ratio" means the percentage ratio of his reserve account balance as of the computation date to his taxable payrolls for the twelve (12) consecutive calendar quarters ended as of June 30 immediately preceding the computation date;
- (d) For the purposes of this section, an employer's "reserve account balance" means the amount of contributions credited to his reserve account as of the computation date, less the benefit charges through June 30 immediately preceding the computation date. If benefits charged to an account exceed contributions credited to the account, the account shall be considered as having a debit balance and a reserve ratio of "less than zero"; and
- (e) "Computation date" is July 31 of each calendar year prior to the effective date of new rates of contributions.

(6) ***Notwithstanding any other provisions of this chapter, for the calendar years 2021 ~~and 2022~~, the employer contribution rates shall be determined using the rates listed in Schedule A of Table A.***

➔Section 4. KRS 341.530 is amended to read as follows:

- (1) The Office of Unemployment Insurance, Department of Workforce Investment, shall maintain a reserve account for each subject employer making contributions to the fund and a reimbursing employer account for each subject employer making payment in lieu of contributions, and shall, except as provided in KRS 341.590, credit to such account the total amount of all contributions or benefit reimbursement paid by the employer on his own behalf. Nothing in this section or elsewhere in this chapter shall be construed to grant any employer or individual who is or was in his employ prior claims or rights to the amounts paid by him into the fund.
- (2) Except as provided in subsection (3) of this section, all regular benefits paid to an eligible worker in accordance with KRS 341.380 plus the extended benefits paid in accordance with KRS 341.700 to 341.740, subject to the provisions of paragraphs (a) and (b) of this subsection, shall be charged against the reserve account or reimbursing employer account of his most recent employer. No employer shall be deemed to be the most recent employer unless the eligible worker to whom benefits are payable shall have worked for such employer in each of ten (10) weeks whether or not consecutive back to the beginning of the worker's base period.
  - (a) Subject employers, which are not governmental entities as defined in KRS 341.069, shall be charged one-half (1/2) of the extended benefits paid in accordance with KRS 341.700 to 341.740; and
  - (b) Subject employers which are governmental entities, as defined in KRS 341.069, shall be charged for all extended benefits paid in accordance with KRS 341.700 to 341.740 for compensable weeks occurring on or after January 1, 1979, and for one-half (1/2) of the extended benefits paid for compensable weeks occurring prior to such date.
- (3) Notwithstanding the provisions of subsection (2) of this section, benefits paid to an eligible worker and chargeable to a contributing employer's reserve account under such subsection shall be charged against the

pooled account if such worker was discharged by such employer for misconduct connected with his most recent work for such employer, voluntarily left his most recent work with such employer without good cause attributable to the employment, or the employer has continued to provide part-time employment and wages, without interruption, to the same extent that was provided from the date of hire, and the employer within a reasonable time, as prescribed by regulation of the secretary, notifies the office, in writing, of the alleged voluntary quitting, discharge for misconduct or continuing part-time employment; provided, however, that no employer making payments to the fund in lieu of contributions shall be relieved of charges by reason of this subsection.

- (4) Notwithstanding the provisions of subsection (3) of this section, no contributing employer's reserve account shall be relieved of any charges for benefits relating to an improper benefit payment to a worker established after October 21, 2013, if:
  - (a) The improper benefit payment was made because the employer, or an agent of the employer, was at fault for failing to respond timely or adequately to the request of the secretary for information relating to a claim for benefits; and
  - (b) The employer, or an agent of the employer, has a pattern of failing to respond timely or adequately to requests under paragraph (a) of this subsection. For purposes of this paragraph, a "pattern of failing" means at least six (6) failures occur in a calendar year or the failure to respond to two percent (2%) of such requests in a calendar year, whichever is greater.
- (5) Any determination under subsection (4) of this section shall be transmitted to the last known physical or electronic address provided by the employer and may be appealed in accordance with the provisions of KRS 341.420(2).
- (6) Each subject employer's reserve account or reimbursing account shall, unless terminated as of the computation date (as defined in subsection (5) of KRS 341.270), be charged with all benefits paid to eligible workers which are chargeable to such reserve account or reimbursing account under subsection (2) of this section. A subject employer's reserve account or reimbursing account shall be deemed to be terminated if he has ceased to be subject to this chapter, and his account has been closed and any balance remaining therein has been transferred to the fund's pooled account or to a successor's account as provided in KRS 341.540 or has been refunded if the employer is a reimbursing employer.
- (7) Notwithstanding subsection (1) of this section, two (2) or more nonprofit Internal Revenue Code sec. 501(c)(3) organizations may jointly request the secretary to establish a group reserve account or reimbursing account for such nonprofit organizations. Two (2) or more governmental entities may jointly request the secretary to establish a group reserve account or reimbursing account, and once established, such account shall remain in effect at least two (2) calendar years and thereafter until either dissolved at the discretion of the secretary or upon filing application for dissolution by the group members. Each member of a group shall be jointly and severally liable for all payments due under this chapter from each or all of such group members. The secretary shall prescribe such procedures as he deems necessary for the establishment, maintenance, and dissolution of a group reserve account or reimbursing account.
- (8) Any subject contributing employer may at any time on or before December 31, 2011, make voluntary payments to the fund, additional to the contributions required under KRS 341.260 and 341.270. Effective January 1, 2012, any subject contributing employer with a negative reserve account balance may make voluntary payments to the fund every other calendar year, in addition to the contributions required under KRS 341.260 and 341.270. Notwithstanding any other provision of this chapter, contributions paid on or before the computation date and voluntary payments made within twenty (20) days following the mailing of notices of new rates shall be credited to an employer's reserve account as of the computation date, provided no voluntary payments shall be used in computing an employer's rate unless the payment is made prior to the expiration of one hundred and twenty (120) days after the beginning of the year for which the rate is effective. Voluntary payments by any employer shall not exceed any negative balance they may have in their reserve account as of the computation date. Any employer who is delinquent in the payment of contributions, penalties, or interest as of the computation date shall be entitled to make voluntary payments only after the amount of the delinquency is paid in full.
- (9) ***Notwithstanding any other provisions of this chapter, any benefits paid to an eligible worker for reasons related to a state or federal state of emergency or disaster declaration shall be paid from the pooled account provided in KRS 341.550 and not from the reserve account of the employer of that individual. The reserve account shall not be charged for benefits related to a state of emergency or disaster declaration. Payments shall be accounted for separately to allow the secretary to seek reimbursement from the federal government.***

➔Section 5. KRS 341.614 is amended to read as follows:

- (1) Effective January 1, 2014, there shall be a surcharge upon all subject contributing employers for any year there are insufficient funds in the unemployment compensation administration fund for the payment of interest on advances under Title XII of the Social Security Act or for the repayment of money, including any interest thereon, received from any source related to the payment of interest on such advances.
- (2)
  - (a) The surcharge shall be twenty-two hundredths of one percent (0.22%) of the first nine thousand six hundred dollars (\$9,600) in wages paid to each worker by a subject contributing employer or his predecessor with respect to covered employment during any calendar year.
  - (b) Effective January 1, 2015, and each calendar year thereafter, the secretary shall adjust the surcharge percentage rate based on any increase to the taxable wage base for that calendar year as provided in KRS 341.030(7). The purpose of the adjustment shall be to maintain costs per worker comparable to the original surcharge. Any reduction in the surcharge percentage rate shall correspond to the increase to the taxable wage base for that calendar year and shall be rounded up to the nearest one-hundredth of one percent (0.01%).
  - (c) Notwithstanding paragraph (b) of this subsection, the secretary may reduce the surcharge percentage rate or suspend the surcharge for any calendar year based on the balance of the unemployment insurance interest payment fund and the projected amount due for interest on advances under Title XII of the Social Security Act and for repayment of money, including any interest thereon, received from any source related to the payment of interest on such advances.
- (3) The surcharge established in this section shall be due and payable at the same time and in the same manner as employer contributions. Any surcharge collected shall be deposited in the unemployment insurance interest payment fund.
- (4) Any surcharge unpaid on the date on which it is due and payable, pursuant to subsection (3) of this section, shall be subject to interest at the rate of one and one-half percent (1.5%) per month or fraction thereof, not to exceed ninety percent (90%) of the amount of such surcharge, from and after such date until payment is received by the cabinet, regardless of whether such delinquency has been reduced to a judgment or not as provided in subsection (6) of this section or is the subject of an administrative appeal or court action. The interest collected shall be deposited in the unemployment insurance interest payment fund.
- (5) A lien of the same nature and having the same force, effect, and priority as provided in KRS 341.310 shall commence on all property of a subject contributing employer delinquent in the payment of any surcharge or interest thereon.
- (6) If, after due notice, any subject contributing employer defaults in payment of any surcharge or interest thereon, the amount due may be collected by a civil action instituted in the Franklin Circuit Court or the Franklin District Court depending on the jurisdictional amount in controversy, including interest and penalties, in the name of the state, and the subject contributing employer adjudged in default shall pay the costs of the action. Civil actions brought under this section shall be heard by the court, without the intervention of a jury, at the earliest possible date and shall be entitled to preference on the calendar of the court over all other civil actions, except petitions for judicial review under this chapter and cases arising under the Kentucky workers' compensation law.
- (7) At or after the commencement of an action under subsection (6) of this section, attachment may be had against the property of the liable subject contributing employer for such surcharge and interest without execution of a bond, or, after judgment has been entered, an execution may be issued against the property of such employer without the execution of a bond.
- (8) An action for the recovery of a surcharge or interest thereon under this section shall be barred, and any lien therefor shall be canceled and extinguished, unless collected or suit for collection has been filed within ten (10) years from the due date of such surcharge.
- (9) Notwithstanding subsection (6) of this section, any delinquent surcharge or interest thereon may be collected in accordance with the levy and distraint provisions of this chapter.
- (10) Any delinquent surcharge or interest collected after July 31, 2017, shall not be subject to the credit provisions contained in KRS 341.612 and shall be deposited into the penalty and interest account.
- (11) ***Notwithstanding any other provisions of this chapter, for the calendar years 2021 ~~and 2022~~ there shall be no surcharge assessment.***

➔Section 6. (1) The Legislative Research Commission shall establish the Unemployment Insurance Reform Task Force that shall:

- (a) Review the current unemployment insurance system;
  - (b) Evaluate and discuss possible long term changes to the unemployment insurance system that would address the fiscal well-being and stability of the unemployment insurance system;

  - (b) Four members of the Senate appointed by the President of the Senate, one of whom shall be a member of the minority party, and one of whom shall be designated by the President of the Senate as a co-chair of the task force.
- (3) The Unemployment Insurance Reform Task Force shall meet monthly during the 2021 Interim of the General Assembly. The task force shall submit findings and recommendations to the Legislative Research Commission for referral to the appropriate committee or committees by December 1, 2021.
- (4) Provisions of this section to the contrary notwithstanding, the Legislative Research Commission shall have the authority to alternatively assign issues identified herein to an interim joint committee or subcommittee thereof and to designate a study completion date.
- (5) This section of this Act shall have the same legal status as a House Concurrent Resolution.

➔Section 7. Sections 2 to 5 of this Act are retroactive to March 6, 2020.

➔Section 8. Whereas the economic impact of the state of emergency declared in response to COVID-19 on Kentucky's citizens and businesses is of the utmost importance, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 620.140 is amended to read as follows:

- (1) In determining the disposition of all cases brought on behalf of dependent, neglected, or abused children, the juvenile session of the District Court, in the best interest of the child, shall have but shall not be limited to the following dispositional alternatives:
  - (a) Informal adjustment of the case *by agreement, which may be entered into at any time. Informal adjustment may include an agreed plan by which:*
    1. *The parent or other person exercising custodial control or supervision agrees that grounds exist for a finding of dependency, neglect, or abuse, and agrees to the conditions of protective orders under paragraph (b) of this subsection for a duration of up to one (1) year;*
    2. *The action will be dismissed by the court, without hearing, at the end of the period agreed upon if no motion is brought alleging a violation of a protective order; and*
    3. *If a motion is brought alleging a violation of a protective order, a hearing will be held at which the parent or other person exercising custodial control or supervision may contest the alleged violation, but may not contest the original grounds for a finding of dependency, neglect, or abuse. If a violation is found to have occurred, the court may consider other dispositional alternatives pursuant to this section;*
  - (b) Protective orders, such as the following:
    1. Requiring the parent or any other person to abstain from any conduct abusing, neglecting, or making the child dependent;

  - (d) Commitment of the child to the custody of the cabinet for placement for an indeterminate period of time not to exceed his or her attainment of the age eighteen (18), unless the youth elects to extend his or her commitment beyond the age of eighteen (18) under paragraph (e) of this subsection. In such case the **board**~~[commission]~~ shall summarily deny the claim and the claimant or victim shall be forever barred from reasserting the claim. The **board**~~[commission]~~ may remit such proceedings on good cause shown that the failure to take the steps required by the **board**~~[commission]~~ was totally and completely beyond the control of the claimant or victim.

➔Section 43. KRS 49.360 is amended to read as follows:

- (1) Notwithstanding the provisions of KRS 49.340, if it appears to the *Crime Victims Compensation Board*~~[commission]~~ member to whom a claim is assigned, prior to taking action upon such claim that:
  - (a) Such claim is one with respect to which an award probably will be made; and
  - (b) Undue hardship will result to the claimant if immediate payment is not made;
 emergency payment under subsection (2) of this section may be made.
- (2) Upon such findings under subsection (1) of this section, the *board*~~[commission]~~ member may make an emergency award to the claimant pending a final decision in the case provided that:
  - (a) The amount of such emergency award shall not exceed five hundred dollars (\$500);
  - (b) The amount of such emergency award shall be deducted from any final award made to the claimant; and
  - (c) The excess of the amount of such emergency award over the amount of the final award, or the full amount of the emergency award if no final award is made, shall be repaid by the claimant to the *board*~~[commission]~~.

➔Section 44. KRS 49.370 is amended to read as follows:

- (1) No award shall be made unless the *Crime Victims Compensation Board*~~[commission]~~ or *board*~~[commission]~~ member, as the case may be, finds that:
  - (a) Criminally injurious conduct occurred;
  - (b) Such criminally injurious conduct resulted in personal physical or psychological injury to, or death of, the victim; and
  - (c) Police or court records show that such crime was promptly reported to the proper authorities; and in no case may an award be made where the police or court records show that such report was made more than forty-eight (48) hours after the occurrence of such crime unless the *board*~~[commission]~~, for good cause shown, finds the delay to have been justified.
- (2) Except for claims related to sexual assault, human trafficking, and domestic violence, the *board*~~[commission]~~ upon finding that the claimant or victim has not fully cooperated with appropriate law enforcement agencies shall deny, reconsider, or reduce an award.
- (3) Any award made pursuant to KRS 49.270 to 49.490 shall be in an amount not exceeding out-of-pocket expenses, including indebtedness reasonably incurred for medical or other services, including mental health counseling, necessary as a result of the injury upon which the claim is based, together with loss of earnings or support resulting from such injury. Mental health counseling shall be paid for a maximum of two (2) years, but only after proper documentation is submitted to the *board*~~[commission]~~ stating what treatment is planned and for what period of time. The *board*~~[commission]~~ shall have the power to discontinue payment of mental health counseling at any time within the two (2) year period. Replacement of eyeglasses and other corrective lenses shall be included in an award, provided they were stolen, destroyed, or damaged during the crime.
- (4) Any award made for loss of earnings or financial support may be considered for a claimant who has loss of support or wages due to the crime for which the claim is filed. Unless reduced pursuant to other provisions of KRS 49.270 to 49.490, the award shall be equal to net earnings at the time of the criminally injurious conduct; however, no such award shall exceed one hundred fifty dollars (\$150) for each week of lost earnings or financial support. The wage earner or source of support must have been employed or paying support at the time the crime occurred. Said employment or support shall be verified by the staff of the *board*~~[commission]~~ after information is provided by the claimant or victim. Should the claimant or victim fail to supply the *board*~~[commission]~~ with the information requested, the portion of the claim for lost wages or support shall be denied. If there are two (2) or more persons entitled to an award as a result of the injury or death of a person which is the direct result of criminally injurious conduct, the award shall be apportioned by the *board*~~[commission]~~ among the claimants.
- (5) The *board*~~[commission]~~ is authorized to set a reasonable limit for the payment of funeral and burial expenses which shall include funeral costs, a monument, and grave plot. In no event shall an award for funeral expenses exceed five thousand dollars (\$5,000).
- (6) Any award made under KRS 49.270 to 49.490 shall not exceed twenty-five thousand dollars (\$25,000) in total compensation to be received by or paid on behalf of a claimant from the fund.

- (7) No award shall be made for any type of property loss or damage, except as otherwise permitted in KRS 49.270 to 49.490.

➔Section 45. KRS 49.380 is amended to read as follows:

- (1) Upon the filing of an application for a claim with the **Crime Victims Compensation Board**~~[commission]~~, all debt collection actions by a creditor or the creditor's agent, against the claimant for a debt or expense covered under KRS 49.370(3) and related to the substance of the claim shall cease pending a resolution of the claim by the **board**~~[commission]~~, if the claimant:

- (a) Provides written notice to the creditor or creditor's agent that a claim has been submitted to the **board**~~[commission]~~; and
- (b) Authorizes the creditor or creditor's agent to confirm with the **board**~~[commission]~~ the claimant's application with the **board**~~[commission]~~ and that the debt or expense upon which the collection action is based may be covered under KRS 49.370(3).

- (2) The **board**~~[commission]~~ shall, upon the written request of a creditor or creditor's agent, notify the creditor or creditor's agent when a claim has been resolved.

➔Section 46. KRS 49.390 is amended to read as follows:

- (1) Any award made pursuant to KRS 49.270 to 49.490 shall be reduced by the amount of any payments received or to be received by the claimant as a result of the injury from the following sources:

- (a) From or on behalf of the person who committed the crime;
- (b) Under insurance programs mandated by law;
- (c) From public funds;
- (d) Under any contract of insurance wherein the claimant is the insured or beneficiary;
- (e) As an emergency award pursuant to KRS 49.360; and
- (f) From donations made on behalf of the victim or claimant toward expenses incurred as a result of the crime.

- (2) In determining the amount of an award, the **Crime Victims Compensation Board**~~[commission]~~ or **board**~~[commission]~~ member shall determine whether, because of his or her conduct, the claimant or the victim of such crime contributed to the infliction of the victim's injury, and shall reduce the amount of the award or reject the claim altogether, in accordance with such determination; however, the **board**~~[commission]~~ or **board**~~[commission]~~ member may disregard for this purpose the responsibility of the claimant or the victim for the victim's injury where the record shows that such responsibility was attributable to efforts by the claimant or victim to prevent a crime or an attempted crime from occurrence in his or her presence or to apprehend a person who had committed a crime in his or her presence or had in fact committed a felony. The **board**~~[commission]~~ or **board**~~[commission]~~ members may request that either the county attorney or Commonwealth's attorney or both state whether in their opinion, the victim suffered injuries as the result of a crime and has cooperated with the prosecution and law enforcement authorities. The **board**~~[commission]~~ or **board**~~[commission]~~ member shall not be bound by such opinions and recommendations and if needed may order a further investigation of the claim.

- (3) The **board**~~[commission]~~ or **board**~~[commission]~~ member may consider whether the victim's injuries were the ordinary and foreseeable result of unlawful and criminal activities in determining the claimant's eligibility for an award. If the **board**~~[commission]~~ or **board**~~[commission]~~ member finds that the claimant will not suffer serious financial hardship if not granted financial assistance pursuant to KRS 49.270 to 49.490, the **board**~~[commission]~~ or **board**~~[commission]~~ member shall deny an award. In determining such serious financial hardship, the **board**~~[commission]~~ or **board**~~[commission]~~ member shall consider all of the financial resources of the claimant. The **board**~~[commission]~~ shall establish specific standards by rule for determining such serious financial hardships.

➔Section 47. KRS 49.400 is amended to read as follows:

Any person who procures or attempts to procure compensation with the **Crime Victims Compensation Board**~~[commission]~~ by filing false information shall have the claim denied and be forever barred from filing a claim with this **board**~~[commission]~~.

➔Section 48. KRS 49.410 is amended to read as follows:

- (1) The award shall be paid in a lump sum, except that in the case of death or protracted disability the award shall provide for periodic payments to compensate for loss of earnings or support. No award made pursuant to KRS 49.270 to 49.490 shall be subject to execution or attachment other than for expenses resulting from the injury which is the basis for the claim.
- (2) The **Crime Victims Compensation Board**~~[commission]~~ shall reconsider at least annually every award being paid in installments. An order or reconsideration of an award shall not require refund of amounts previously paid unless the award was obtained by fraud.

➔Section 49. KRS 49.420 is amended to read as follows:

- (1) The **Crime Victims Compensation Board**~~[commission]~~ may award a lump-sum payment not to exceed twenty-five thousand dollars (\$25,000) to the family of a police officer employed by a city, county, or urban-county government who is killed in the line of duty as a police officer for such city, county, or urban-county and who is not eligible to receive death or disability benefits under a pension plan of the city, county, or urban-county.

➔Section 51. KRS 49.440 is amended to read as follows:

**The Crime Victims Compensation Board shall maintain the official record of the claim, including evidence entered into the record at a hearing on the claim, and the final action taken on each claim. All records of proceedings shall be public records**~~[The record of a proceeding before the commission or a commission member shall be a public record]~~; provided, however, that any record or report obtained by the **board**~~[commission]~~, the confidentiality of which is protected by any other law or regulation, shall remain confidential subject to such law or regulation.

➔Section 52. KRS 49.450 is amended to read as follows:

- (1) Every person contracting with any person or the representative or assignee of any person accused or convicted of a crime in this state, with respect to the reenactment of such crime, by way of a movie, book, magazine article, radio, or television presentation, live entertainment of any kind, or from the expression of such person's thoughts, feelings, opinions, or emotions regarding such crime, shall pay over to the **Crime Victims Compensation Board**~~[commission]~~ any moneys which would otherwise, by terms of such contract, be owing to the person so accused or convicted or his representatives.
- (2) After deducting all sums paid to the victim by the **board**~~[commission]~~, the **board**~~[commission]~~ shall deposit such moneys in its accounts for the benefit of and payable to any victim of crimes committed by such person, provided that such person is eventually convicted of the crime and provided further that such victim, within five (5) years of the date of the crime, brings a civil action in a court of competent jurisdiction and recovers a money judgment against such person or his representatives.
- (3) Upon disposition of charges favorable to any person accused of committing a crime, or upon a showing by such person that five (5) years have elapsed from the **board's**~~[commission's]~~ receipt of such funds and that such person has not been convicted of said crime and further that no actions are pending against such person in connection with the crime or pursuant to this section, the **board**~~[commission]~~ shall immediately pay over any such moneys to such person.

- (6) The failure of a person to pay moneys to the **board**~~[commission]~~ in accordance with subsection (1) shall create a debt due and owing to the **board**~~[commission]~~ from that person and shall constitute a preferential lien to the state which may be collected by the **board**~~[commission]~~ by civil process.

➔Section 53. KRS 49.460 is amended to read as follows:

(1) No right of action at law against a person who has committed a criminal act for damages as a consequence of such act shall be lost as a consequence of receiving benefits under the provisions of KRS 49.270 to 49.490. In the event any person receiving benefits under KRS 49.270 to 49.490 additionally seeks a remedy for damages from the person or persons who have committed the criminal act resulting in damages, then and in that event the ***Crime Victims Compensation Board***~~[commission]~~ shall be subrogated to and have a lien upon any recovery so made to the extent of the payments made by the state to or on behalf of such person under KRS 49.270 to 49.490.

(2) If compensation is awarded, the state is subrogated to all the claimant's rights to receive or recover benefits or advantages, for economic loss for which and to the extent only that compensation is awarded from a source which is, or, if readily available to the victim or claimant would be, a collateral source.

(1) There is established in the State Treasury the crime victims' compensation fund, hereinafter referred to as the "fund," to be administered by the ***Crime Victims Compensation Board***~~[commission]~~. (2) The fund shall consist of moneys from the following: appropriations by the General Assembly; the federal government; disbursements provided under KRS 42.320(2)(g); and any other public or private source. Any unexpended balance remaining in the fund at the end of the biennium shall not lapse and be transferred to the general fund, but shall remain in the crime victims' compensation fund. Any funds not utilized by the ***board***~~[commission]~~ shall be used to provide assistance to programs for victims, and the ***board***~~[commission]~~ shall allocate such funds to any agency providing services to victims. In the event there are insufficient funds in the fund to pay all claims in full, all claims shall be paid at seventy percent (70%). - (2) The department shall publish brief statements in simple and nontechnical language which explain procedures, remedies, and the rights and obligations of taxpayers and the department. These statements shall be provided to taxpayers with the initial notice of audit; each original notice of tax due; each denial or reduction of a refund or credit claimed by a taxpayer; each denial, cancellation, or revocation of any license, permit, or other required authorization applied for or held by a taxpayer; and, if practical and appropriate, in informational publications by the department distributed to the public.
- (3) Taxpayers shall have the right to be assisted or represented by an attorney, accountant, or other person in any conference, hearing, or other matter before the department. The taxpayer shall be informed of this right prior to conduct of any conference or hearing.
- (4) The department shall perform audits and conduct conferences and hearings only at reasonable times and places.
- (5) Taxpayers shall have the right to make audio recordings of any conference with or hearing by the department. The department may make similar audio recordings if prior written notice is given to the taxpayer or if the taxpayer records the conference or hearing. The taxpayer shall be entitled to a copy of this department recording or a transcript as provided in KRS 61.874.
- (6) If any taxpayer's failure to submit a timely return or payment to the department is due to the taxpayer's reasonable reliance on written advice from the department, the taxpayer shall be relieved of any penalty or interest with respect thereto, provided the taxpayer requested the advice in writing from the department and the specific facts and circumstances of the activity or transaction were fully described in the taxpayer's request, the department did not subsequently rescind or modify the advice in writing, and there were no subsequent changes in applicable laws or regulations or a final decision of a court which rendered the department's earlier written advice no longer valid.
- (7) Taxpayers shall have the right to receive a copy of any audit of the department by the Auditor of Public Accounts relating to the department's compliance with the provisions of KRS 131.041 to 131.081.
- (8) The department shall include with each notice of tax due a clear and concise description of the basis and amount of any tax, penalty, and interest assessed against the taxpayer, and copies of the agent's audit workpapers and the agent's written narrative setting forth the grounds upon which the assessment is made. Taxpayers shall be similarly notified regarding the denial or reduction of any refund or credit claim filed by a taxpayer.

- (11) In addition to the circumstances under which an extension of time for filing reports or returns may be granted pursuant to KRS 131.170, taxpayers shall be entitled to the same extension of the due date of any comparable Kentucky tax report or return for which the taxpayer has secured a written extension from the Internal Revenue Service provided the taxpayer notifies the department in writing and provides a copy of the extension at the time and in the manner which the department may require.

- (14) Taxpayers shall have the right to bring an action for damages against the Commonwealth to the **Board of Tax Appeals** ~~[Kentucky Claims Commission]~~ for actual and direct monetary damages sustained by the taxpayer as a result of willful, reckless, or intentional disregard by department employees of the rights of taxpayers as set out in KRS 131.041 to 131.081 or in the tax laws administered by the department. In the awarding of damages pursuant to this subsection, the **board** ~~[commission]~~ shall take into consideration the negligence or omissions, if any, on the part of the taxpayer which contributed to the damages. Any claims brought pursuant to this subsection shall be in accordance with KRS 49.040 to 49.180.

When a bona fide controversy exists between the agency and the taxpayer as to the liability of the taxpayer for the payment of tax claimed to be due by the agency, the taxpayer may pay the amount claimed by the agency to be due, and if an appeal is taken by the taxpayer from the ruling of the agency within the time provided by KRS 49.220 and it is finally adjudged that the taxpayer was not liable for the payment of the tax or any part thereof, the agency shall authorize the refund or credit as the **Board of Tax Appeals**~~[Kentucky Claims Commission]~~ or courts may direct.

Nothing in this section shall be construed as requiring the agency to authorize any refund to a taxpayer without demand from the taxpayer, if in the opinion of the agency the cost to the state of authorizing the refund would be greater than the amount that should be refunded or credited.
- (7) This section shall not apply to any case in which the statute may be held unconstitutional, either in whole or in part.

- (1) As used in this section, unless the context requires otherwise:
  - (a) "Business district" means the territory contiguous to and including a highway if, within six hundred (600) feet along the highway, there are buildings in use for business or industrial purposes that occupy three hundred (300) feet of frontage on one (1) side or three hundred (300) feet collectively on both sides of the highway;
  - (b) "Residential district" means the territory contiguous to and including a highway not comprising a business district if the property on the highway for a distance of three hundred (300) feet or more is improved with residences or residences and buildings in use for business; and
  - (c) "State highway" means a highway or street maintained by the Kentucky Department of Highways.
- (2) An operator of a vehicle upon a highway shall not drive at a greater speed than is reasonable and prudent, having regard for the traffic and for the condition and use of the highway.
- (3) The speed limit for motor vehicles on state highways shall be as follows, unless conditions exist that require lower speed for compliance with subsection (2) of this section, or the secretary of the Transportation Cabinet establishes a different speed limit in accordance with subsection (4) of this section:
  - (a) Sixty-five (65) miles per hour on interstate highways and parkways;
  - (b) Fifty-five (55) miles per hour on all other state highways; and
  - (c) Thirty-five (35) miles per hour in a business or residential district.
- (4) (a) If the secretary of transportation determines, upon the basis of an engineering and traffic investigation, that any speed limit is greater or less than is reasonable or safe under the conditions found to exist at any intersection, or upon any part of a state highway, the secretary of transportation may establish by official order a reasonable and safe speed limit at the location. The secretary shall not increase any speed limit established by subsection (3) of this section in excess of sixty-five (65) miles per hour, except that, notwithstanding the provisions of subsection (3)(a) of this section, the secretary may increase the speed limit on any of the following segments of highway to seventy (70) miles per hour:
  1. Interstate 24 (entire length);
  2. Interstate 64 from Interstate 264 to the West Virginia state line;
  3. Interstate 65 from Interstate 264 to the Tennessee state line;
  4. Interstate 69 (entire length);
  5. Interstate 71 from Interstate 264 to Interstate 275;
  6. Interstate 75 from the Tennessee state line to Interstate 275;
  7. Interstate 165 (entire length);
  8. The Audubon Parkway (entire length);
  9. The Julian M. Carroll Purchase Parkway (entire length);
  10. The Bert T. Combs Mountain Parkway (entire length);
  11. The Bert T. Combs Mountain Parkway Extension (entire length);

  15. The Martha Layne Collins Bluegrass Parkway (entire length); and
  16. The William H. Natcher Parkway (entire length).
- (b) In a highway work zone, the Transportation Cabinet may temporarily reduce established speed limits without an engineering or traffic investigation. A speed limit established under this paragraph shall become effective when and where posted. The Transportation Cabinet shall post signs notifying the traveling public of the temporary highway work zone maximum speed limit. Nothing in this paragraph shall be construed to prevent the Transportation Cabinet from using moveable or portable speed limit signs in highway work zones.

- (5) (a) A city or a county may by ordinance establish speed limits within its own jurisdiction, except as provided in paragraph (b) of this subsection.
- (b) The alteration of speed limits on state highways within a city or a county shall not be effective until the alteration has been approved by the secretary of transportation. The secretary shall not approve any alteration that could increase any speed limit established by subsection (3)(b) or (c) of this section in excess of fifty-five (55) miles per hour.
- (c) If a county determines, upon the basis of an engineering and traffic investigation and study, that it is unsafe to park motor vehicles on or along any highway, other than a state highway, within the unincorporated areas of the county, or that in any business district the congestion of traffic justifies a reasonable limitation on the length of time any one (1) motor vehicle is permitted to park in such district so as to reduce the congestion, the fiscal court may by ordinance establish "no parking" areas on the highway, or limit the length of time any motor vehicle may be parked in any business district.
- (6) The speed limit for motor vehicles in an off-street parking facility offered for public use, whether publicly or privately owned, shall be fifteen (15) miles per hour.
- (7) A person shall not drive a motor vehicle at a speed that will impede or block the normal and reasonable movement of traffic, except when reduced speed is necessary for safe operation or in compliance with law.
- (8) In every charge for a violation of any speed limit specified in this section, the warrant or citation shall specify the speed at which the defendant is alleged to have driven, and the lawful speed limit applicable at the location where the violation is charged to have occurred.

➔Section 4. The Transportation Cabinet is directed to change the name of the "Louie B. Nunn Cumberland Parkway" in its entirety to the "Louie B. Nunn Cumberland Expressway" and shall, within 30 days of the effective date of this Act:

( HB 163 )

AN ACT relating to teacher certification.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

→Section 1. KRS 161.030 is amended to read as follows:

- (1) Notwithstanding the age of the pupil, the certification of all teachers and other school personnel, in public schools only, is vested in the Education Professional Standards Board. When so certified, teachers and other school personnel shall not be required to have licensure, certification, or other forms of approval from any other state agency for the performance of their respective assignments within the common schools, except as provided for by law. All certificates authorized under KRS 161.010 to 161.126 shall be issued in accordance with the administrative regulations of the Education Professional Standards Board. After July 15, 1994, all certificate applications and other data collection instruments of the board shall include a request for voluntary information about the applicant's ethnic background. This information shall be available to help local school districts locate minority candidates. A person who holds a certificate prior to this requirement may request that ethnic information be added to his or her file. Nothing in this section shall preclude the right of an individual in a nonpublic school from seeking voluntary certification by the Education Professional Standards Board.

- (2) Certificates shall be issued upon written application and in accordance with statutes and regulations in effect at the time of application to persons who have completed, at colleges, universities, or local school district programs approved by the Education Professional Standards Board for the preparation of teachers and other school personnel, the curricula prescribed by the administrative regulations of the Education Professional Standards Board.
- (3)
  - (a) Certification of all new teachers and teachers seeking additional certification shall require the successful completion of appropriate assessments prior to certification. The assessments shall be selected by the Education Professional Standards Board and shall measure knowledge in the specific teaching field of the applicant, including content of the field and teaching of that content. The Education Professional Standards Board shall determine the minimum acceptable level of achievement on each assessment. The assessments shall measure those concepts, ideas, and facts which are being taught in teacher education programs in Kentucky. Upon successful completion of the assessments and the approved teacher preparation program, a certificate valid for one (1) year shall be issued.
  - (b) If an applicant for teacher certification has completed the approved teacher preparation program and has taken but failed to successfully complete the appropriate assessments selected by the Education Professional Standards Board, a conditional certificate may be issued for a period not to exceed one (1) year, if the employing school district, in collaboration with the teacher education institution, agrees to provide technical assistance and mentoring support to the conditionally certified teacher. The teacher shall retake the assessments during the validity period of the conditional certificate. The conditional certificate shall not be reissued. Upon successful completion of the required assessments, a certificate valid for one (1) year shall be issued and the teacher shall be eligible to participate in the internship program as provided in subsection (5) of this section. The teacher shall not be eligible to participate in the internship program while teaching on the conditional certificate. The Education Professional Standards Board shall promulgate administrative regulations to establish the standards and procedures for issuance of the conditional certificate.
  - (c) If an out-of-state teacher with less than two (2) years' experience comes to Kentucky after the deadline for taking the assessments, a temporary certificate may be issued for a period up to six (6) months provided the local board cannot fill the vacant position with a certified teacher. The teacher shall take the assessments if they are administered during the period of the temporary certificate. The certificate shall be extended for the remainder of the year if the teacher successfully completes the assessments. If the teacher fails the assessments, the temporary certificate shall be valid only for the current semester.
- (4) A reasonable fee to be paid by the teacher and directly related to the actual cost of the administration of the assessments shall be established by the Education Professional Standards Board. Provisions shall be made for persons having less than minimum levels of performance on any assessment to repeat that assessment, and candidates shall be informed of their strengths and weaknesses in the specific performance areas. The Education Professional Standards Board shall provide for confidentiality of the individual assessment scores. Scores shall be available only to the candidate and to the education officials who are responsible for determining whether established certification standards have been met. Scores shall be used only in the assessment for certification of new teachers and of out-of-state teachers with less than two (2) years of teaching experience who are seeking initial certification in Kentucky.
- (5) Except as provided in subsection (3)(b) of this section, all new teachers and out-of-state teachers with less than two (2) years of successful teaching experience who are seeking initial certification in Kentucky shall serve a one (1) year internship. The teacher shall be a full-time employee or shall have an annual contract and serve on at least a half-time basis and shall have supervision, assistance, and assessment during the one (1) year internship. The internship may be served in a public school or a nonpublic school which meets the state performance standards as established in KRS 156.160 or which has been accredited by a regional or national accrediting association. Successful completion shall be determined by a majority vote of the beginning teacher committee. The internship period shall be counted as experience for the purpose of continuing contract status, retirement eligibility, and benefits for single salary experience increments. Upon successful completion of the beginning teacher program, the one (1) year initial teaching certificate shall be extended for the remainder of the usual duration period established for that particular certificate by Education Professional Standards Board administrative regulations.
- (6) The beginning teacher committee shall be composed of three (3) persons who have successfully completed special training in the supervision and assessment of the performance of beginning teachers as provided in subsection (8) of this section, except as provided in paragraph (g) of this subsection. The committee shall

consist of a resource teacher, the school principal of the school where the internship is served, and a teacher educator appointed by a state-approved teacher training institution.

- (a) If more than two (2) teacher interns are employed in the same school, the principal's responsibility may be shared with an assistant principal who holds certification as a principal.
  - (b) In unusual situations, the Education Professional Standards Board may permit the assistant principal to serve in lieu of the principal on a beginning teacher committee.
  - (c) If the teacher training institution is unable to provide a member, the district superintendent shall appoint an instructional supervisor from the school district.
  - (d) If the intern is teaching in a regionally or nationally accredited nonpublic school without a principal, the person filling the principal member position may have other appropriate qualifications as required by administrative regulations promulgated by the Education Professional Standards Board.
  - (e) If the teacher training institution is unable to provide a member to serve on the beginning teacher committee in a nonpublic school, the chief officer of the school shall appoint an instructional supervisor or a teacher with like qualifications and responsibilities to serve on the beginning teacher committee in lieu of the teacher educator.
  - (f) The resource teacher shall be appointed by the Education Professional Standards Board with recommendations from the local school district from a pool of qualified resource teachers, and, any statutes to the contrary notwithstanding and to the extent of available appropriations, shall be entitled to be paid a reasonable stipend by the Education Professional Standards Board for work done outside normal working hours. In the case of a resource teacher in a nonpublic school, payment shall be made directly to the resource teacher by the Education Professional Standards Board. Priority shall be given to resource teachers in the following order, except as provided in paragraph (g) of this subsection:
    1. Teachers with the same certification in the same school;
    2. Teachers with the same certification in the same district;

    2. If a master's level teacher of exceptional children/communication disorders is not available, the Education Professional Standards Board may allow a licensed speech-language pathologist to serve on the beginning teacher committee in lieu of a resource teacher.
  - (h) The committee shall meet with the beginning teacher a minimum of three (3) times per year for evaluation and recommendation with all committee members present. In addition, each member of the committee shall observe the beginning teacher in the classroom a minimum of three (3) times per year. If the teacher's first year performance is judged by the committee to be less than satisfactory, the teacher shall be provided with an opportunity to repeat the internship one (1) time if the teacher is employed by a school district.
- (7) The resource teacher shall spend a minimum of seventy (70) hours working with the beginning teacher. Twenty (20) of these hours shall be in the classroom setting, and fifty (50) of these hours shall be in consultation other than class time or attending assessment meetings. The resource teacher shall have completed at least four (4) years of successful teaching experience as attested to by his or her immediate supervisor or by having achieved tenure and be able to show evidence of continuing professional development by having achieved a master's degree or its equivalent or the accumulation of two thousand (2,000) hours of continuing professional activities.
- (8) By contract with teacher education institutions in the Commonwealth, the Education Professional Standards Board shall provide special training for persons who will be serving on the beginning teacher committees. Completion of special training shall be evidenced by successfully passing the assessments as prescribed by the Education Professional Standards Board. A principal hired after July 15, 1996, shall be required to complete the beginning teacher committee training program within one (1) year after his or her appointment.

- (9) If an applicant establishes eligibility for a one (1) year certificate under the provisions of subsection (3)(a) of this section, but does not become employed on the basis needed to satisfy the one (1) year internship requirement, the applicant shall be eligible for the issuance of a certificate for substitute teaching as provided by the administrative regulations of the Education Professional Standards Board. The applicant shall remain eligible for the one (1) year certificate, as provided in subsection (3)(a) of this section, and for the opportunity to serve the internship for a period of five (5) years after establishing eligibility. If the internship is not completed within the five (5) year period, the applicant must reestablish eligibility by repeating and passing the assessment program in effect for new teachers at that time or by completing a minimum of six (6) graduate hours toward completion of a graduate program required by administrative regulations promulgated by the Education Professional Standards Board. The option for renewal through completion of graduate hours shall be available only for the first reestablishment of eligibility.
- (10) (a) *The Education Professional Standards Board shall issue a ten (10) year emeritus certificate to an applicant who has:*

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔SECTION 1. A NEW SECTION OF KRS CHAPTER 278 IS CREATED TO READ AS FOLLOWS:

(1) *As used in this section:*

- (a) *"Accumulated depreciation" means the total amount of depreciation of an asset as calculated by the use of generally accepted accounting principles;*
- (b) *"Asset acquisition price" means full and actual costs of a water or sewer utility or its assets;*
- (c) *"Net original cost" means the original cost of a utility asset less its accumulated depreciation; and*
- (d) *"Water or sewer system" means any or all assets of a person, including but not limited to a utility, city, sanitation district, metropolitan sewer district, water commission, or regional wastewater commission, that are used to provide services listed in KRS 278.010(3)(d) or (f).*

(2) *In furtherance of and consistent with the General Assembly's findings and goals stated in KRS 224A.300(1), in any matter in which the commission determines for ratemaking purposes the value of an asset used to provide water or sewer service acquired by a utility from a water or sewer system, the commission shall fix the value of that asset at an amount between its net original cost and its asset acquisition price without regard for the original source of funds used to procure the asset, but only if the acquiring utility demonstrates and the commission finds that:*

- (a) *The asset acquisition price was established by arms-length negotiations;*
- (b) *The asset acquisition price plus the cost of restoring the acquired facilities to required standards will not materially adversely impact the overall costs or rates of the acquiring utility's existing and new customers;*
- (c) *Acquisition of the asset will result in operational economies;*
- (d) *The purchase prices of the utility and non-utility assets are clearly identified, and where practical, separated; and*
- (e) *The acquisition will result in overall financial and service benefits of the acquiring utility's operations.*

(3) (a) *A utility that has entered into an agreement to acquire the assets of a water or sewer system used to provide water or sewer service may apply to the commission for an order declaring the value of the acquired assets for ratemaking purposes. The application shall include:*

1. *The agreement for the acquisition of the assets or facilities at issue;*

3. *The net original cost of the acquired assets and the accounting records supporting such cost to the extent such information is available;*
4. *The original source of funds used to procure each asset to the extent such information is available; and*
5. *Any other documents or evidence that the commission may require.*

(b) *An application made under this subsection shall be made under oath and shall be signed and filed on behalf of the acquiring utility by its president or other executive officer duly designated by the utility as having knowledge of the matters set forth therein. The commission shall issue a decision on the merits of an application filed under this subsection no later than sixty (60) days after the application is accepted for filing, unless the commission extends this period, for good cause, to one hundred fifty (150) days from the date of acceptance. The commission may take any action necessary to ensure a complete record, including conducting a hearing on the application.*

- (4) *In lieu of applying for a declaratory order under subsection (3) of this section on the valuation of assets acquired from a water or sewer system used to provide water or sewer service, an acquiring utility may, as part of its first application for a change in base rates following the acquisition of such assets, seek an order declaring the value of the acquired assets for ratemaking purposes. The commission shall declare the value of the acquired assets using the same factors required to be considered under subsection (2) of this section.*
- (5) *No later than the date of the filing of the application described in subsection (3) of this section, the acquiring utility shall provide notice of the application to the following:*
- (a) *By certified mail, the local governing body of each city or county wherein any part of the water or sewer system to be acquired is located or provides retail water or sewer service;*
  - (b) *By certified mail, the local governing body of each city or county in whose jurisdiction the acquiring utility provides retail water or sewer service;*
  - (c) *The customers of the water or sewer system being acquired, as provided in the bylaws or other governing corporate documents of the system being acquired, and using the method of notice so required; and*
  - (d) *The wholesale customers or suppliers of the water or sewer system to be acquired by causing the notice to be placed in priority mail.*
- (6) *No later than the date of the filing of the application described in subsection (3) of this section, additional notification designed to educate and inform the public and all affected customers shall be posted on the Web sites or social media of the acquiring entity and of the water or sewer system to be acquired, if such Web sites or social media exist.*
- (7) *The commission shall consider intervention requests made by any person in any matter under this section in accordance with the commission's administrative regulations addressing intervention generally.*
- (8) *The acquiring utility may, as part of any application for a change in base rates following the acquisition of water or sewer utility service assets, propose to unify the rate structure of the acquired system with its remaining customer base. In reviewing an acquiring utility's proposed change in base rates, the commission shall consider whether it is reasonable to require the acquiring utility to maintain separate rate schedules for the customers of the acquired system and for the other customers.*

Such credit shall be based upon the number of days employed and the number of days in the member's annual employment agreement or normal employment year.
- (3) Service credit may not exceed the ratio between the school or fiscal year and the number of months or fraction of a month the member is employed during that year.
- (4) No service credit shall be granted in the Teachers' Retirement System for service that has been or will be used in qualifying for annuity benefit payments from another retirement system financed wholly or in part by public funds.

➔Section 9. KRS 161.515 is amended to read as follows:

- (1) For the purposes of this section, "out-of-state service" shall mean service in any state in a comparable position on a full-time basis, which would be covered if in Kentucky.
- (2) (a) An active contributing member who has been a contributing member of the retirement system for at least one (1) full scholastic year subsequent to the latest out-of-state service, may present for credit service rendered out of state, not to exceed ten (10) years actually taught as a certified or licensed teacher. All members who elect to purchase this service shall pay to the retirement system the full actuarial cost as provided under KRS 161.220(22). For each year of which the retirement system shall accept payment, one (1) year of service credit shall be given. For members who purchased this service

under the cost formula as it existed under this subsection on June 30, 2005, this credit may not be used to meet the service requirements of KRS 161.525, 161.600, or 161.661, except as provided in subsection (2)(c) of this section. No credit shall be granted for service which has been or will be used in qualifying for annuity benefit payments from another retirement system financed wholly or in part by public funds.

- (b) A member of the retirement system having teaching service in the elementary or secondary schools operated by the United States overseas or in this country, or in a public college or university in Kentucky, not included in the Teachers' Retirement System of the State of Kentucky, may present this service for credit in the retirement system on the same basis as provided above for out-of-state service credit; however, no service may be presented which shall be used as a basis for retirement benefits in any program supported wholly or in part by a public institution or governmental agency. This service when added to service credited under subsection (2)(a) of this section shall not exceed a total of ten (10) years' service credit.
  - (c) A member having service referred to in subsection (2)(a) or (2)(b) of this section who purchased this service under the cost formula as it existed under those subsections on June 30, 2005, may elect to use this service for meeting the requirements of KRS 161.600(1)(c) by making an additional contribution to the state accumulation fund equal to a member contribution rate of eight percent (8%) for each year so used. These payments shall not be picked up as described in KRS 161.540(2). The salary base to be used in determining this additional contribution shall be the final average salary which is used in calculating the member's regular retirement annuity.
- (3) Members entering the Teachers' Retirement System for the first time, July 1, 1976, and after this date, shall not receive credit for service defined in subsections (2)(a) or (2)(b) of this section in excess of one (1) year of credit for each two (2) years of Kentucky service in a covered position or ten (10) years, whichever is the lesser number.
- (4) A member, having completed service as a volunteer in the Kentucky Peace Corps created by KRS 154.1-720, may purchase service credit for the time served in the corps on the same basis as provided in this section for the purchase of out-of-state service credit. A member, having completed service as a federal Peace Corps volunteer, may purchase up to two (2) years of service credit for time served in the Peace Corps on the same basis as provided in this section for the purchase of out-of-state service credit.
- (5) Service purchased under this section by members *shall be credited based upon the retirement factor established by Section 19 of this Act, as applicable* ~~[who at the time of purchase are employed by employers other than those described in KRS 161.220(4)(b) or (n) shall be credited, as described in KRS 161.620(1)(a) and (b), with a retirement factor of two and one half percent (2.5%) for each year of service that was originally performed on or after July 1, 1983, and two percent (2.0%) for each year of service performed before July 1, 1983. Service purchased under this section by members who at the time of purchase are employed by employers described in KRS 161.220(4)(b) or (n) shall be credited, as described in KRS 161.620(1)(a), with a retirement factor of two percent (2.0%) for each year of service, regardless of when the service was performed].~~
- ~~[(6) Effective January 1, 2019, this section does not apply to individuals who become members on or after January 1, 2019.]~~

➔Section 10. KRS 161.520 is amended to read as follows:

Upon the death of an active contributing member or upon the death of a member retired for disability, except as provided in KRS 161.661(6), the survivors of the deceased member in the following named order, may elect to receive a survivor's benefit payable as follows:

- (1) Where there is a surviving widow or widower who is named as the primary beneficiary of the member's retirement account, the benefit shall be:
  - (a) One hundred eighty dollars (\$180) per month with no restriction on other income;
  - (b) Two hundred forty dollars (\$240) per month when the surviving widow or widower's total income from all sources does not exceed six thousand six hundred dollars (\$6,600) per year or five hundred fifty dollars (\$550) per month; or
  - (c) If the deceased member has a minimum of ten (10) years of service credit with the Teachers' Retirement System, the surviving widow or widower may apply for an annuity actuarially equivalent to the annuity that would have been paid to the deceased member when eligibility conditions were met. Eligibility for

payments would begin at the time the age of the deceased member would have met the requirements of KRS 161.235(6) or 161.600(1), as applicable. In exercising this right, the surviving widow or widower shall be entitled to receive an annuity for life, except as provided in subsection (6) of this section. This subsection applies to surviving spouses of members who die on or after July 1, 1978. A surviving widow or widower of a member who dies after July 1, 1978, shall be eligible for benefit payments provided under paragraphs (a) and (b) of this subsection until they begin receiving payments under this provision;

- (2) (a) Where there are surviving unmarried children under age eighteen (18) or under age nineteen (19) if a full-time student in high school, the benefit shall be two hundred dollars (\$200) per month in the case of one (1) child, three hundred forty dollars (\$340) per month in the case of two (2) children, four hundred dollars (\$400) per month in the case of three (3) children, and four hundred forty dollars (\$440) per month in the case of four (4) or more children. Benefits under this subsection shall apply in addition to benefits which may be payable under subsections (1) and (3) of this section.
  - (b) Notwithstanding any provision of law to the contrary, the surviving spouse may elect to receive a lump-sum refund of the member's accumulated account balance in lieu of the survivorship benefits payable under this subsection and subsection (1) of this section only if the surviving spouse is designated as the primary beneficiary and:
    1. Is a biological or adoptive parent of all children eligible for a benefit under this subsection and has not had his or her parental rights terminated; or
    2. Has been appointed as legal guardian of all of the children eligible under paragraph (a) of this subsection.
  - (c) To elect a lump-sum refund of the member's accumulated account balance under paragraph (b) of this subsection, the surviving spouse who is designated as the primary beneficiary must sign a waiver on forms prescribed by the retirement system of his or her rights and the member's children's rights to the survivorship benefits payable under this subsection and subsection (1) of this section. The surviving spouse shall not waive the survivorship benefits available under this subsection or subsections (1) and (6) of this section if any of the member's children have attained age eighteen (18) or older unless all of those children consent in writing on forms prescribed by the retirement system to waive their survivorship benefits available under this subsection;
- (3) (a) Where the survivor is a child age eighteen (18) or older whose mental or physical condition is sufficient to cause his dependency on the deceased member at the time of the member's death, the benefit shall be two hundred dollars (\$200) per month, payable for the life of the child or until the time as the mental or physical condition creating the dependency no longer exists or the child marries. The mental or physical condition of the adult child shall be revealed by a competent examination by a licensed physician and shall be approved by a majority of a medical review committee as defined in KRS 161.661(14). Benefits under this subsection shall apply in addition to benefits which may be payable under subsections (1) and (2) of this section.
  - (b) Notwithstanding any provision of law to the contrary, the surviving spouse shall not elect to receive a lump-sum refund of the member's accumulated account balance in lieu of the survivorship benefits payable under this subsection and subsection (1) of this section unless:
    1. The surviving spouse is designated as the primary beneficiary;
    2. The surviving spouse has been appointed by the court as guardian, conservator, or other fiduciary with sufficient general or specific authority to waive the survivorship benefits available under this subsection for any child or children age eighteen (18) or older who have been adjudicated incompetent to make decisions on their own behalf by a court of law; and
    3. Any child or children age eighteen (18) or older who are mentally competent to make decisions on their own behalf ~~as attested to by two (2) physicians' statements~~ consent in writing on forms prescribed by the retirement system to waive their survivorship benefits available under this subsection.
  - (c) If eligible to elect a lump-sum refund of the member's accumulated account balance, the surviving spouse shall sign a waiver on forms prescribed by the retirement system of his or her rights and the member's children's rights to the survivorship benefits payable under this subsection and subsections (1) and (2) of this section;

- (4) Where the sole eligible survivors are dependent parents aged sixty-five (65) or over, the benefit shall be two hundred dollars (\$200) per month for one (1) parent or two hundred ninety dollars (\$290) per month for two (2) parents. Dependency of a parent shall be established as of the date of the death of the member;
- (5) Where the sole eligible survivor is a dependent brother or sister, the benefit shall be one hundred sixty five dollars (\$165) per month. In order to qualify, the brother or sister must have been a resident of the deceased member's household for at least one (1) full year prior to the member's death or must have been receiving care in a hospital, nursing home, or other institution at the member's expense for same period;
- (6) The benefit to a child as defined in subsection (2) of this section shall terminate upon the attainment of age eighteen (18) or upon reaching age nineteen (19), if a full-time student in high school, or upon marriage, except that benefits shall continue until the attainment of age twenty-three (23) for an unmarried child who is a full-time student in a recognized educational program beyond the high school level. The benefit to a widow, widower, dependent parent, or dependent brother or sister or dependent child age eighteen (18) or older shall terminate upon marriage, or upon termination of the condition creating the dependency;
- (7) The board of trustees shall be the sole judge of eligibility or dependency of any beneficiary, and may require formal application or information relating to eligibility or dependency, including proof of annual income satisfactory to the board. The board of trustees may subpoena records and individuals whenever it deems this action necessary;
- (8) No payment of benefits shall be made unless the board of trustees authorizes the payment. The board shall promulgate administrative regulations for the administration of the provisions in this section and in every case the decision of the board of trustees shall be final as to eligibility, dependency, or disability, and the amount of benefits payable;
- (9) In the event that there are no eligible survivors as defined in subsections (1) to (5) of this section, or in the event that the surviving spouse elects not to receive survivorship benefits on his or her own behalf or on behalf of any of the member's children as permitted under subsections (2) and (3) of this section, the board of trustees shall pay to the estate or the designated beneficiaries of the deceased member a refund of his *or her* accumulated account balance as provided in KRS 161.470(7). If the benefits paid or payable under subsections (1) to (5) of this section and KRS 161.661 shall amount to a sum less than the member's accumulated account balance at the time of death, the board of trustees shall pay to the estate or designated beneficiaries of the deceased member the balance of the accumulated account balance;
- (10) Any person who is receiving benefits and becomes disqualified from receiving those benefits under this section shall immediately notify the Teachers' Retirement System of this disqualification in writing and shall return all benefits paid after the date of disqualification. Failure to comply with these provisions shall create an indebtedness of that person to the Teachers' Retirement System. Interest at the rate of eight percent (8%) per annum shall be charged if the debt is not repaid within sixty (60) days after the date of disqualification. Failure to repay this debt creates a lien in favor of the Teachers' Retirement System upon all property of the person who improperly receives benefits and does not repay those benefits; and
- (11) Benefits under subsections (2) and (3) of this section shall apply to a child who is a legally adopted survivor at the time of the death of the member. This provision shall be retroactive to include a child who was born after January 1, 1990, and is a legally adopted survivor of a member whose death occurred prior to July 15, 2008.

➔Section 11. KRS 161.540 is amended to read as follows:

- (1) (a) Effective January 1, 2019, each individual who is a contributing nonuniversity member, shall contribute to the retirement system twelve and eight hundred fifty-five thousandths percent (12.855%) of annual compensation, of which:
  1. Nine and one hundred five thousandths percent (9.105%) of annual compensation shall be used to fund pension benefits; and
  2. Three and three-quarters percent (3.75%) of annual compensation shall be used to fund retiree health benefits.
- (b) Effective January 1, 2019, each individual who is a contributing university member, shall contribute to the retirement system ten and four-tenths percent (10.4%) of annual compensation, of which:
  1. Seven and six hundred twenty-five thousandths percent (7.625%) of annual compensation shall be used to fund pension benefits; and

2. Two and seven hundred seventy-five thousandths percent (2.775%) of annual compensation shall be used to fund retiree health benefits.
- (c) When the medical insurance fund established under KRS 161.420(5) achieves a sufficient prefunded status as determined by the retirement system's actuary, the board of trustees shall recommend to the General Assembly that the contributions required under paragraph (a)2. or (b)2. of this subsection shall, in an actuarially accountable manner, be either decreased, suspended, or eliminated.
  - (d) Payments authorized by statute that are made to retiring members, who became members of the system before July 1, 2008, for not more than sixty (60) days of unused accrued annual leave shall, *subject to subsection (10) of Section 2 of this Act*, be considered as part of the member's annual compensation, and shall be used only for the member's final year of active service. *Notwithstanding the provisions of this subsection or any other statute to the contrary, for retirement calculation purposes, members may only be credited for payment of annual leave under the following conditions:*
    1. *Payment by an employer for annual leave shall be equally available to all members serving under contracts requiring the same number of worked days and greater; and*
    2. *At least two (2) members of the employer shall receive payment for annual leave.*
  - (e) The contribution of members shall not exceed ~~the [these]~~ applicable percentages on annual compensation *as set forth in this section or as where otherwise limited by statute*. When a member retires, if it is determined that he *or she* has made contributions on a salary in excess of the amount to be included for the purpose of calculating his *or her* final average salary, any excess contribution shall be refunded *in a lump sum to the member's employer for distribution to the member* ~~[to him in a lump sum at the time of the payment of his first retirement allowance. In the event a member is awarded a court-ordered back salary payment the employer shall deduct and remit the member contribution on the salary payment, plus interest to be paid by the employer, to the retirement system unless otherwise specified by the court order].~~
- (2) Each public board, institution, or agency listed in KRS 161.220(4) shall, solely for the purpose of compliance with Section 414(h) of the United States Internal Revenue Code, pick up the member contributions required by this section for all compensation earned after August 1, 1982, and the contributions so picked up shall be treated as employer contributions in determining tax treatment under the United States Internal Revenue Code and KRS 141.010. The picked-up member contribution shall satisfy all obligations to the retirement system satisfied prior to August 1, 1982, by the member contribution, and the picked-up member contribution shall be in lieu of a member contribution. Each employer shall pay these picked-up member contributions from the same source of funds which is used to pay earnings to the member. The member shall have no option to receive the contributed amounts directly instead of having them paid by the employer to the system. Member contributions picked-up after August 1, 1982, shall be treated for all purposes of KRS 161.220 to 161.714 in the same manner and to the same extent as member contributions made prior to August 1, 1982.
- ➔Section 12. KRS 161.545 is amended to read as follows:
- (1) (a) Members may make contributions and receive service credit for substitute, part-time, or any service other than regular full-time teaching as provided in the administrative regulations of the board of trustees if contributions were not otherwise made as a result of the service. This paragraph does not apply to members who retired on or after January 1, 2019, and are reemployed on or after January 1, 2019.
  - (b) Members placed on leave of absence during a period of full-time employment as defined in KRS 161.220(21) may make contributions and receive service credit for this leave only if contributions are made by the end of the fiscal year next succeeding the year in which the leave was effective as provided in administrative regulations promulgated by the board of trustees. Contributions permitted after August 1, 1982, shall not be picked-up pursuant to KRS 161.540(2).
- (2) Active contributing members of the Teachers' Retirement System, or former members who are currently participating in a state-administered retirement system, who were granted leaves of absence during a period of full-time employment as defined in KRS 161.220(21) since July 1, 1964, for reasons of health as defined under the Federal Family Medical Leave Act of 1993, 29 U.S.C. secs. 2601 et seq., child rearing, or to improve their educational qualifications, and did not purchase the leave of absence as provided in subsection (1) of this section may obtain credit for the leave of absence as provided under the administrative regulations of the board of trustees and under the following conditions:

  - (b) The member shall contribute the required percentage based on the salary received for the year immediately preceding the leave of absence plus interest at the rate of eight percent (8%) compounded annually from the beginning of the school year following the year of the leave of absence, and by depositing *the appropriate contributions* in the state accumulation fund *and medical insurance fund*; ~~and an amount equal to this total.~~
  - (c) The member shall receive credit for no more than two (2) years under the provisions of this subsection.
- (3) *Sabbatical leaves of absence granted by any one (1) of the five (5) universities identified in subsection (4)(b) of Section 2 of this Act for which the university employee is provided full pay at the rate he or she was provided as a full-time employee immediately preceding the sabbatical leave shall be deemed as full-time employment provided for the university and employee and employer contributions shall be made in accordance with KRS 161.550 and Section 11 of this Act.*
- (4) Contributions permitted under this section after August 1, 1982, shall not be picked-up pursuant to KRS 161.540(2).
- (5)~~(4)~~ Notwithstanding any other provisions~~(4)~~ of this section to the contrary, purchase of service credit under subsection (2) of this section:

  - (b) Shall not apply to individuals who become members on or after January 1, 2019.

➔Section 13. KRS 161.553 is amended to read as follows:

1986-1988	\$34,689,893
1990-1992	\$68,107,473
1992-1994	\$15,749,976

➔Section 14. KRS 161.560 is amended to read as follows:

- (1) (a) Each agency, *school district, and institution* employing members of the retirement system shall deduct from the compensation of each member for each payroll period subsequent to the date the individual became a member, the percentage of his compensation due under the rates prescribed in KRS 161.540. No later than fifteen (15) days following ~~the end of~~ each *pay date* ~~[payroll period]~~, the ~~employer~~~~[agency]~~ shall **have on deposit with the retirement system all required deductions** ~~[forward all amounts deducted to the Teachers' Retirement System]~~. The retirement system ~~may~~~~[shall]~~ charge the ~~employer~~~~[employing agency]~~ interest at an annual rate not to exceed **eight percent (8%)** ~~[twelve percent (12%)]~~ for deductions not **deposited** ~~[remitted]~~ within the specified fifteen (15) days.
- (b) **Each employer employing members of the retirement system shall have on file at the retirement system's office no later than fifteen (15) days following each pay date** payroll reports, contributions lists, and other data required by administrative regulation of the board ~~[of trustees shall be submitted]~~. **The retirement system may impose a penalty on the employer not to exceed one thousand dollars (\$1,000) when the employer does not meet the reporting date. However, the retirement system may waive the penalty for good cause.**

- (c) **Each employer employing members of the retirement system shall have on file at the retirement system's office an annual summary report** ~~[Employers shall submit an annual report, in compliance with requirements of the retirement system,]~~ of member contributions and periods employed ~~[to the retirement system]~~ no later than August 1 following the completion of each fiscal year. The retirement system may impose a penalty on the employer not to exceed one thousand dollars (\$1,000) when the employer does not meet the August 1 reporting date. **However, the retirement system may waive the penalty for good cause.**
- (d) The deductions **described by paragraph (a) of this subsection** shall be made notwithstanding the fact that the salary as a result may be less than the minimum compensation provided by law. Every member shall be deemed to consent and agree to the deductions, and the deductions shall be considered as having been paid to the member. After August 1, 1982, member contributions shall be picked up by the agency pursuant to KRS 161.540(2).

- (2) If an employer fails to deduct the correct retirement contribution from a member's compensation, the member may make the contribution that should have been deducted by the employer and receive retirement credit for the payment. For correction of omitted member contributions that occur more than one (1) year after the year in which the error was made, the employer shall be responsible for paying interest to the retirement system at a rate of eight percent (8%) from the end of the year in which the service was performed to the date of payment.

➔Section 15. KRS 161.597 is amended to read as follows:

- (1) A member in active contributing status may purchase any service credit which the member is authorized to purchase by making installment payments in lieu of a lump-sum payment.
- (2) To initiate an installment payment plan, a member shall make a written request to the retirement system for an estimate to purchase service credit by making installment payments.
- (3) To qualify for installment payments, the total cost of the service purchase, including any chargeable interest, shall exceed one thousand dollars (\$1,000).
- (4) Installment payments shall be at least fifty dollars (\$50) per month and shall be made for a period of time which is not less than twelve (12) months nor more than sixty (60) months. Interest at eight percent (8%) per annum, unless the board specifies in an administrative regulation a different interest rate, shall be charged on all installment payment purchases of service credit that are purchasable at less than full actuarial cost. **Interest shall be assigned to the guarantee fund.**
- (5) Installment payments shall be made on a monthly basis by ~~[payroll deduction or]~~ electronic fund transfer ~~[and forwarded separately to the Teachers' Retirement System on forms or by computer format not later than fifteen (15) days following the end of each month].~~ The payments shall be considered accumulated contributions and shall not be picked up as provided in KRS 161.560, except that subject to approval by the Internal Revenue Service and only as permitted by the Internal Revenue Code, installment payments ~~[by payroll deduction]~~ shall be made on a tax-deferred basis.
- (6) A member may elect to terminate **electronic fund transfers** ~~[payroll deductions]~~ at any time and purchase the remaining service credit by lump-sum payment. A member on a leave of absence may **continue to** make ~~personal~~ installment payments. Termination of employment in a covered position shall terminate installment payments. If the member is later employed by a different employer in a covered position, the member may request a new estimate and reinstate installment payments. A member that misses two (2) consecutive installment payments shall be in default. A member in default shall receive **a refund of all prior installment payments and the member's service credit shall be reduced accordingly** ~~[on a pro rata basis for the total amount of contributions made by installment payments].~~ A member in default may not reinstate installment payments for twelve (12) months from the date the member was in default.
- (7) If a member dies before completing scheduled installment payments, the named beneficiary of the member's retirement account may pay the remaining balance due by a lump-sum payment within thirty (30) days of the death of the member.

➔Section 16. KRS 161.605 is amended to read as follows:

Any member retired by reason of service may return to work in a position covered by the ~~[Kentucky]~~ Teachers' Retirement System and continue to receive his or her retirement allowance under the following conditions:

- (1) Any member who is retired with thirty (30) or more years of service may return to work in a full-time or a part-time position, **or in a position providing substitute teaching service**, covered by the ~~[Kentucky]~~ Teachers'

Retirement System and earn up to a maximum of seventy-five percent (75%) of the member's last annual compensation measured on a daily rate to be determined by the board of trustees. For purposes of determining whether the salary of a member returning to work is seventy-five percent (75%) or less of the member's last annual compensation, all remuneration paid and benefits provided to the member, on an actual dollar or fair market value basis as determined by the retirement system, **excluding employer-provided medical insurance required under subsection (5) of this section**, shall be considered. Members who were retired on or before June 30, 2002, shall be entitled to return to work under the provisions of this section as if they had retired with thirty (30) years of service. Nonqualified service credit purchased under the provisions of KRS 161.5465 or elsewhere with any state-administered retirement system shall not be used to meet the thirty (30) year requirement set forth in this subsection. Out-of state teaching service provided in public schools for kindergarten through grade twelve (12) may count toward the thirty (30) year requirement set forth in this subsection even if it is not purchased as service credit, if the member obtains from his or her out-of-state employer certification of this service on forms prescribed by the retirement system;

- (2) Any member who is retired with less than thirty (30) years of service after June 30, 2002, may return to work in a full-time or part-time position, **or in a position providing substitute teaching service**, covered by the ~~Kentucky~~ Teachers' Retirement System and earn up to a maximum of sixty-five percent (65%) of the member's last annual compensation measured on a daily rate to be determined by the board of trustees. For purposes of determining whether the salary of a member returning to work is sixty-five percent (65%) or less of the member's last annual compensation, all remuneration paid and benefits provided to the member, on an actual dollar or fair market value basis as determined by the retirement system, **excluding employer-provided medical insurance required under subsection (5) of this section**, shall be considered;
- (3) Reemployment of a retired member under subsection (1) or (2) of this section in a full-time teaching or nonteaching position in a local school district shall be permitted only if the employer certifies to the Kentucky Teachers' Retirement System that there are no other qualified applicants available to fill the teaching or nonteaching position. The employer may use any source considered reliable, including but not limited to data provided by the Education Professional Standards Board and the Department of Education, to determine whether other qualified applicants are available to fill the teaching or nonteaching position. The Kentucky Board of Education shall promulgate administrative regulations to establish procedures to determine whether other qualified applicants are available to fill a teaching or nonteaching position and, if not, for filling the position with a retired member who will then be permitted to return to work in that position under subsection (1) or (2) of this section. The administrative regulations shall ~~ensure~~ ~~assure~~ that a retired member shall not be hired in a teaching or nonteaching position by a local school district until the superintendent of the school district assures the Kentucky Teachers' Retirement System that every reasonable effort has been made to recruit other qualified applicants for the position on an annual basis;
- (4) Under this section, an employer may employ full-time a number of retired members not to exceed three percent (3%) of the membership actively employed full-time by that employer. The board of trustees may reduce this three percent (3%) cap upon recommendation of the retirement system's actuary if a reduction is necessary to maintain the actuarial soundness of the retirement system. The board of trustees may increase the three percent (3%) cap upon a determination that an increase is warranted to help address a shortage in the number of available teachers and upon the determination of the retirement system's actuary that the proposed cap increase allows the actuarial soundness of the retirement system to be maintained. For purposes of this subsection, "full-time" means the same as defined by KRS 161.220(21). A local school district may exceed the quota established by this subsection by making an annual written request to the Kentucky Department of Education which the department may approve on a year-by-year basis if the statewide quota has not been met. A district's written request to exceed its quota shall be submitted no sooner than two (2) weeks after the start of the school year;
- (5)
  - (a) Except as provided by subsection (10) of this section, a member returning to work in a full-time or part-time position, **or in a position providing substitute teaching service**, under subsection (1) or (2) of this section ~~shall~~ ~~will~~ contribute to an account with the retirement system that ~~shall~~ ~~will~~ be administered independently from and with no reciprocal impact with the member's original retirement account, or any other account from which the member is eligible to draw a retirement allowance.
  - (b) Except as provided by subsection (10) of this section, a member returning to work under subsection (1) or (2) of this section shall make contributions to the retirement system at the rate provided under KRS 161.540. The new account shall independently meet ~~all~~ ~~the~~ ~~five~~ ~~(5)~~ ~~year~~ vesting **requirements** ~~requirement~~ as well as all other conditions set forth in KRS 161.600(1) before any retirement allowance is payable from this account. The retirement allowance accruing under this new account shall be calculated pursuant to KRS 161.620(1)(b). This new account shall not entitle the

member to a duplication of the benefits offered under KRS 161.620(7) or 161.675, nor shall this new account provide the benefits offered by KRS 161.520, 161.525, 161.620(3), 161.655, 161.661, or 161.663.

- (c) A member returning to work under subsection (1) or (2) of this section shall waive his or her medical insurance with the ~~the Kentucky~~ Teachers' Retirement System during the period of reemployment and shall receive the medical insurance coverage that is generally provided by the member's active employer to the other members of the retirement system that the active employer employs. If medical insurance coverage is not available from the employer, the Kentucky Teachers' Retirement System may provide coverage for the member.
  - (d) A member returning to work under subsection (1) or (2) of this section shall not be eligible to purchase service credit for any service provided after the member's effective date of retirement but prior to the date that the member returns to work. A member returning to work under subsection (1) or (2) of this section shall not be eligible to purchase service credit that the member would have otherwise been eligible to purchase prior to the member's ~~initial~~ retirement.
  - (e) A member who returns to work under subsection (1) or (2) of this section, or in the event of the death of the member, the member's estate or applicably designated beneficiary, shall be entitled, within ninety (90) days of the posting of the annual report submitted by the employer, to a refund of contributions as permitted and limited by KRS 161.470;
- (6) The board of trustees may annually, on July 1, adjust the current daily rate of a member's last annual compensation, for each full twelve (12) month period that has elapsed subsequent to the member earning his or her last annual compensation, by the percentage increase in the annual average of the consumer price index for all urban consumers for the calendar year preceding the adjustment as published by the Federal Bureau of Labor Statistics, not to exceed five percent (5%) annually. Each annual adjustment shall become part of the member's daily rate base. Failure to comply with the salary limitations set forth in subsections (1) and (2) of this section as may be adjusted by this subsection shall result in a reduction of the member's retirement allowance or any other benefit to which the member would otherwise be entitled on a dollar-for-dollar basis for each dollar that the member exceeds these salary limitations, **and the member shall be refunded his or her retirement contributions made on the compensation that exceeds these salary limitations**. Notwithstanding any other provision of law to the contrary, a member retiring from a local school district who returns to work for a local school district under subsection (1) or (2) of this section shall be entitled, without any reduction to his or her retirement allowance or any other retirement benefit, to earn a minimum amount equal to one hundred seventy dollars (\$170) per day;
- (7) (a) A retired member returning to work under subsection (1) or (2) of this section shall have separated from service for a period of at least one (1) year if returning to work for the same employer on a full-time basis, and at least three (3) months if returning to work for a different employer on a full-time basis. A retired member returning to work under subsection (1) or (2) of this section on a part-time basis shall have separated from service for a period of at least three (3) months before returning to work for any employer.
  - (b) As an alternative to the separation-from-service requirements in paragraph (a) of this subsection, a retired member who is returning to work for the same employer in a full-time position under subsections (1) and (2) of this section may elect a separation-from-service of not less than two (2) months followed by a forfeiture of the retired member's retirement allowance on a month-to-month basis for each month that the member has separated from service for less than twelve (12) full months. A retired member returning to work for the same employer in a part-time position, or for a different employer in a full-time position, may elect an alternative separation-from-service requirement of at least two (2) months followed by a forfeiture of the member's retirement allowance for one (1) month. During the period that the member forfeits his or her retirement allowance and thereafter, member and employer contributions shall be made to the retirement system as a result of employment in any position subject to membership in the retirement system. The member shall contribute to an account with the retirement system subject to the conditions set forth in subsection (5) of this section. ~~For purposes of measuring the separation-from-service requirements set forth throughout this section, a member's separation from service begins on the first day following the last day of paid employment for the member prior to retirement.~~
  - (c) **A retired member who is returning to work for an employer that has employees who participate in the Teachers' Retirement System shall comply with the separation-from-service requirements in this**

*subsection before performing any service for the employer, regardless of whether the retired member is providing service in a position covered by the Teachers' Retirement System.*

- (d) *The starting date for any separation from service required under this subsection shall be the effective date of the member's retirement.*
  - (e) *The separation-from-service requirements of this subsection are not met if there is a prearranged agreement between the member and an employer that has employees who participate in the Teachers' Retirement System prior to retirement for the member to work for the employer after retirement.*
  - (f) *The Teachers' Retirement System may require the member and the employer for which the member is returning to work to certify in writing on a form prescribed by the Teachers' Retirement System that no prearranged agreement was or will be entered into between the member and employer prior to retirement for the member to work for the employer after retirement.*
  - (g) Failure to comply with the separation-from-service requirements in this subsection voids a member's retirement and the member shall be required to return all the retirement benefits he or she received, with interest, for the period of time that the member returned to work without a sufficient separation from service;
- (8) (a) Effective July 1, 2004, local school districts may employ retired members in full-time or part-time teaching or administrative positions without limitation on the compensation of the retired members that is otherwise required by subsections (1) and (2) of this section. Under provisions of this subsection, a local school district may only employ retired members to fill critical shortage positions for which there are no other qualified applicants as determined by the local superintendent. The number of retired members that a local school district may employ under this subsection shall be no more than two (2) members per local school district or one percent (1%) of the total active members employed by the local school district on a full-time basis as defined under KRS 161.220(21), whichever number is greater. Retired members returning to work under this subsection shall be subject to the separation-from-service requirements set forth in subsection (7) of this section. Retired members returning to work under this subsection shall waive their medical insurance coverage with the retirement system during their period of reemployment and receive medical insurance coverage that is offered to other full-time members employed by the local school district. Retired members returning to work under this subsection shall contribute to an account subject to the conditions set forth in subsection (5) of this section. Retired members returning to work under this subsection shall make contributions to the retirement system at the rate provided under KRS 161.540. The employer shall make contributions at the rate provided under KRS 161.550. Local school districts shall make annual payments to the retirement system on the compensation paid to the reemployed retirees at the rates determined by the retirement system's actuary that reflect any accrued liability resulting from the reemployment of these members.
- (b) The Department of Education may employ retired members in full-time or part-time teaching or nonteaching positions without the limitations on compensation otherwise required by subsections (1) and (2) of this section to fill critical shortage areas in the schools it operates, including the Kentucky School for the Blind, the Kentucky School for the Deaf, and the Kentucky Virtual High School, and to serve on audit teams. The department shall be subject to the same requirements as local school districts as provided in paragraph (a) of this subsection, except the Kentucky Teachers' Retirement System shall determine the maximum number of employees that may be employed under this paragraph;
- (9) The return-to-work limitations set forth in this section shall apply to retired members who are returning to work in the same position from which they retired, or a position substantially similar to the one from which they retired, or a position described in KRS 161.046 or any position listed in KRS 161.220(4) which requires membership in the retirement system. Positions which generally require certification or graduation from a four (4) year college or university as a condition of employment which are created, or changed to remove the position from coverage under KRS 161.220(4) are also subject to the return to work limitations set forth in this section. The board of trustees shall determine whether employment in a nonteaching position is subject to this subsection;
- (10) (a) Notwithstanding the provisions of this section, individuals who retire and begin drawing a retirement allowance from one (1) or more of the systems or plans administered by the Kentucky Retirement Systems, the Teachers' Retirement System, or the Judicial Form Retirement System on or after January 1, 2019, who are reemployed on or after January 1, 2019, with an employer participating in the Teachers' Retirement System shall not be eligible to contribute to or earn benefits in a second retirement account during the period of reemployment. Employers shall be required to pay the employer normal

cost for pension benefits established by KRS 161.550 for any period of full-time reemployment to help pay down the unfunded liability of the Teachers' Retirement System pension fund.

- (b) The provisions of subsections (1) to (8) of this section are not subject to KRS 161.714;
- (11) Any member retired by reason of service may waive his or her annuity and return to full-time employment in a position covered by the ~~the Kentucky~~ Teachers' Retirement System under the following conditions:
- (a) The member shall receive no annuity payments while employed in a covered position, shall waive his or her medical insurance coverage with the ~~the Kentucky~~ Teachers' Retirement System during the period of reemployment, and shall receive the medical insurance coverage that is generally offered by the member's active employer to the other members of the retirement system employed by the active employer. The member's estate or, if there is a beneficiary applicably designated by the member, then the beneficiary, shall continue to be eligible for life insurance benefits as provided in KRS 161.655. Service subsequent to retirement shall not be used to improve an annuity, except as provided in paragraphs (b) and (c) of this subsection;
- (b) Any member who waives regular annuity benefits and returns to teaching or covered employment shall be entitled to make contributions on the salaries received for this service and have his retirement annuity recalculated as provided in the regular retirement formula in KRS 161.620(1), less any applicable actuarial discount applied to the original retirement allowance due to the election of a joint and last survivor option. Retirement option and beneficiary designation on original retirement shall not be altered by postretirement employment, and dependents and spouses of the members shall not become eligible for benefits under KRS 161.520, 161.525, or 161.661 because of postretirement employment;
- (c) When a member returns to full-time teaching or covered employment as provided in subsection (b) of this section, the employer is required to withhold and remit regular retirement contributions. The member must be employed full-time for at least one (1) consecutive contract year to be eligible to improve an annuity. The member shall be returned to the annuity rolls on July 1 following completion of the contract year or on the first day of the month following the month of termination of service if full-time employment exceeds one (1) consecutive contract year. ***A member shall not be returned to the annuity rolls until after he or she has filed a retirement application in compliance with KRS 161.600(6).*** Any discounts applied at the time of the original retirement due to service or age may be reduced or eliminated due to additional employment if full-time employment is for one (1) consecutive contract year or longer; and
- (d) A member retired by reason of service who has been employed the equivalent of twenty-five (25) days or more during a school year under KRS 161.605 may waive the member's retirement annuity and return to regular employment covered by the ~~the Kentucky~~ Teachers' Retirement System during that school year a maximum of one (1) time during any five (5) year period, beginning with that school year;
- (12) Retired members may be employed in a part-time teaching capacity by an agency described in KRS 161.220(4)(b) or (n), not to exceed the equivalent of twelve (12) teaching hours in any one (1) fiscal year. Retired members may be employed for a period not to exceed the equivalent of one hundred (100) days in any one (1) fiscal year in a part-time administrative or nonteaching capacity by an agency described in KRS 161.220(4)(b) or (n) in a position that would otherwise be covered by the retirement system. ***Except as otherwise provided by this subsection,*** the return to work provisions set forth in subsections (1) to (8) of this section shall not apply to retired members who return to work solely for an agency described in KRS 161.220(4)(b) or (n). Calculation of the number of days and teaching hours for part-time teaching, substitute teaching, or part-time employment in a nonteaching capacity under this section shall not exceed the ratio between a school year and the actual months of retirement for the member during that school year. The board of trustees by administrative regulation may establish fractional equivalents of a day of teaching service. Any member who exceeds the twelve (12) hour or one hundred (100) day limitations of this subsection shall be subject to having his or her retirement voided and be required to return all retirement allowances and other benefits paid to the member or on the member's behalf since the effective date of retirement. In lieu of voiding a member's retirement, the system may reduce the member's retirement allowance or any other benefit to which the member would otherwise be entitled on a dollar-for-dollar basis for each dollar of compensation that the member earns in employment exceeding twelve (12) hours, one hundred (100) days, or any apportionment of the two (2) combined. ***Retired members returning to work for an employer described in subsection (4)(b) or (n) of Section 2 of this Act shall comply with the separation-from-service requirements of subsection (7) of this section;***

- (13) When a retired member returns to employment in a part-time teaching capacity or in a nonteaching capacity as provided in subsection (12) of this section, the employer shall contribute annually to the retirement system on the compensation paid to the retired member at rates determined by the retirement system actuary that reflect accrued liability for retired members who return to work under subsection (12) of this section; and
- (14) For retired members who return to work during any one (1) fiscal year in both a position described in KRS 161.220(4)(b) or (n) and in a position described under another provision under KRS 161.220(4), and for retired members who return to work in a position described under KRS 161.220(4)(b) or (n) in both a teaching and an administrative or nonteaching capacity, the board of trustees shall adopt a methodology for a pro rata apportionment of days and hours that the retired member may work in each position.

➔Section 17. KRS 161.612 is amended to read as follows:

Effective July 1, 2002, any individual occupying a position on a part-time basis that requires certification or graduation from a four (4) year college or university as a condition of employment and any individual providing part-time or substitute teaching services that are the same or similar to those teaching services provided by certified, full-time teachers shall be a member of the ~~Kentucky~~ Teachers' Retirement System, according to the conditions and only to the extent set forth in this section, if the individual is employed by one (1) of the public boards, institutions, or agencies set forth in KRS 161.220, excluding those public boards, institutions, and agencies described in KRS 161.220(4)(b) and (n). Members providing part-time and substitute services shall participate in the retirement system as follows:

- (1) Members providing part-time and substitute services shall accrue service credit as provided under KRS 161.500 and be entitled to a retirement allowance upon meeting the service retirement conditions of KRS 161.235 or 161.600, as applicable. The board of trustees shall adopt a methodology for accrediting service credit to these members on a pro rata basis. The methodology adopted by the board of trustees may be amended as necessary to ensure its actuarial soundness. The retirement allowance for members providing part-time and substitute services shall be calculated pursuant to KRS 161.235 or 161.620, as applicable, except that the provisions of KRS 161.620(3) shall not apply. Members providing part-time and substitute services who meet the service retirement conditions of KRS 161.235 or 161.600, as applicable, may also be eligible to participate as approved by the board of trustees in the medical insurance program provided by the retirement system under KRS 161.675. Members providing part-time and substitute services shall make contributions to the ~~Kentucky~~ Teachers' Retirement System at the rate provided under KRS 161.540. A member who provides part-time or substitute services, or in the event of the death of the member, the member's estate or applicably designated beneficiary, will be entitled, within ninety (90) days of the posting of the annual report submitted by the member's employer, to a refund of contributions as permitted and limited by KRS 161.470;
- (2) (a) 1. The board of trustees shall adopt eligibility conditions under which members providing part-time and substitute services may participate in the benefits provided under KRS 161.520, 161.655, 161.661, and 161.663.
2. *For all disability retirement applications filed with the Teachers' Retirement System on or after July 1, 2021, disability retirement payments and any other recurring payments payable by any other state-administered retirement system to members providing part-time or substitute services shall be applied to reduce, on a dollar-for-dollar basis, the minimum monthly disability retirement allowance of five hundred dollars (\$500) provided for under subsection (6) of Section 24 of this Act.*
3. *Effective July 1, 2021, members providing part-time or substitute services shall not be eligible to apply for a disability retirement allowance if they are eligible for a service retirement allowance that is not subject to an actuarial reduction required under KRS 161.600(1)(b) or (d).*
- (b) The board of trustees may permit members providing part-time or substitute services to participate in other benefits offered by the retirement system by promulgating administrative regulations that establish eligibility conditions for participation in these benefits. All eligibility conditions adopted by the board of trustees pursuant to this subsection may be amended as necessary to ensure their actuarial soundness;
- (3) In addition to the pro rata methodology adopted by the board of trustees under subsection (1) of this section, members providing part-time and substitute services shall be subject to all limitations and conditions regarding the accrual, retention, accreditation, and use of service credit that apply to members providing full-time services. In addition to the eligibility conditions set forth by the board of trustees under subsection (2) of this

section, members providing part-time and substitute services shall be subject to all limitations and conditions regarding both the eligibility to participate and the extent of participation in any benefit offered under KRS 161.220 to 161.716 that apply to members providing full-time services;

- (4) Notwithstanding any other provisions of this section to the contrary, instructional assistants who provide teaching services in the local school districts on a full-time basis in positions covered by the County Employees Retirement System who are used as substitute teachers on an emergency basis for five (5) days or less during any one (1) fiscal year shall not be considered members of the Teachers' Retirement System during that period in which they are serving as substitute teachers for five (5) days or less;
- (5) The board of trustees may adopt a pro rata methodology to determine the annual compensation of members providing part-time and substitute services in order to determine benefits provided under KRS 161.661 and 161.663. Members providing part-time and substitute services who had retirement contributions posted to their accounts during the previous fiscal year and who have not had those contributions refunded to them are eligible to vote for the board of trustees;
- (6) The board of trustees of the Teachers' Retirement System shall be responsible for final determination of membership eligibility and may direct employers to take whatever action that may be necessary to correct any error relating to membership;
- (7) Effective January 1, 2019, this section does not apply to any individual who retires on or after January 1, 2019, and is reemployed on or after January 1, 2019; and
- (8) The provisions of this section are not subject to KRS 161.714.

➔Section 18. KRS 161.614 is amended to read as follows:

A court order awarding additional back salary to or reinstating a member as a result of employment in a position covered by the ~~the Kentucky~~ Teachers' Retirement System shall entitle the member to additional salary or service credit, or both, under the following circumstances:

- (1) Members shall make contributions to the ~~the Kentucky~~ Teachers' Retirement System at the rate set forth in KRS 161.540 and members' employers shall make contributions at the rate set forth in KRS 161.550, with interest accruing on all contributions at the rate of eight percent (8%) per annum from the end of each fiscal year that back salary or the reinstatement was ordered. Contributions, plus interest, shall be made for each year that back salary or reinstatement was ordered. No service or salary credit shall be credited to a member's account unless full contributions are paid to the ~~the Kentucky~~ Teachers' Retirement System;
- (2) The member may have court-ordered back salary credited to his or her account only to the extent that the member actually received payment for the back salary and only to the extent that the court-ordered back salary is within the salary scale that was available to the member in the covered position for the years that the back salary was awarded. Court-ordered back salary can be credited to the member's account only as permitted under KRS 161.220(9) and (10). The member may have court-ordered service credited to his or her account only after the retirement system has received the contributions and interest on the full compensation that would normally be earned in the position that is the subject of the litigation;
- (3) The member's employer ordered to pay back salary or to reinstate the member by a court of competent jurisdiction shall provide the retirement system with a breakdown of the back salary awarded to the member on a year-by-year basis;
- (4) The calculations of the contributions and interest required to be paid for court-ordered back salary or reinstatement shall be provided by the retirement system to the member or the member's employer at the member's or employer's request. Requests for these calculations shall be made with at least two (2) weeks of advance notice to the retirement system to provide these calculations. The retirement system will calculate accrued interest as of the last day of the month during which payment of the full contributions are made;
- (5) For purposes of this section, a settlement agreement that provides back salary or reinstatement, and is adopted by order or judgment of a court of competent jurisdiction or is referenced in an order dismissing the action as settled shall have the same effect as a court order adjudicating the matter. Orders entered by a government board or agency as a result of litigation conducted on an administrative hearing level and legally binding arbitration *and mediation* awards shall be considered as court orders for the purposes of this section; and
- (6) Under no circumstances shall a member be entitled to service credit as a result of court-ordered reinstatement that is in violation of the provisions of KRS 161.500.

➔Section 19. KRS 161.620 is amended to read as follows:

(1) The retirement allowance, in the form of a life annuity with refundable balance, of a member retiring for service shall be calculated as follows:

- (a) For retirements effective July 1, 1998, and thereafter, except as otherwise provided by this section, the annual allowance for each year of service shall be two percent (2%) of the final average salary for service performed prior to July 1, 1983, and two and one-half percent (2.5%) of the final average salary for service performed after July 1, 1983, for all nonuniversity members. The annual retirement allowance for each year of service performed by members of the Teachers' Retirement System who are university members shall be two percent (2%) of the final average salary. Actuarial discounts due to age or service credit at retirement may be applied as provided in this section;
- (b) For individuals who become nonuniversity members of the Teachers' Retirement System on or after July 1, 2002, and before July 1, 2008, who upon retirement have earned less than ten (10) full years of service credit, the retirement allowance shall be two percent (2%) of the member's final average salary for each year of service. For individuals who become nonuniversity members of the Teachers' Retirement System on or after July 1, 2002, and before July 1, 2008, and who upon retirement have earned at least ten (10) full years of service credit, the annual allowance for each year of service shall be two and one-half percent (2.5%) of the member's final average salary;
- (c) The board of trustees may approve for members who initially retire on or after July 1, 2004, and who become nonuniversity members before July 1, 2008, a retirement allowance of three percent (3%) of the member's final average salary for each year *or partial year* of service credit earned in excess of thirty (30) years.

This three percent (3%) factor shall be in lieu of the two and one-half percent (2.5%) factor provided for in paragraph (b) of this subsection for every year or fraction of a year of service in excess of thirty (30) years. Upon approval of this three percent (3%) retirement factor, the board of trustees may establish conditions of eligibility regarding the type of service credit that will qualify for meeting the requirements of this subsection. This subsection is optional with the board of trustees and shall not be subject to KRS 161.714;

- (d) For individuals who become nonuniversity members of the Teachers' Retirement System on or after July 1, 2008, the retirement allowance shall be:
  - 1.
    - a. One and seven-tenths percent (1.7%) of the member's final average salary for each year of service if the member has earned ten (10) or less years of service at retirement;
    - b. Two percent (2%) of the member's final average salary for each year of service if the member has earned greater than ten (10) but no more than twenty (20) years of service at retirement;
    - c. Two and three-tenths percent (2.3%) of the member's final average salary for each year of service if the member has earned greater than twenty (20) but no more than twenty-six (26) years of service at retirement; or
    - d. Two and one-half percent (2.5%) of the member's final average salary for each year of service if the member has earned greater than twenty-six (26) but no more than thirty (30) years of service at retirement; and
  - 2. Three percent (3%) of the member's final average salary for each year *or partial year* of service earned in excess of thirty (30) years of service at retirement subject to the same terms and conditions as set forth in paragraph ~~(c)~~~~(c-2)~~ of this subsection;
- (e) For individuals who become university members of the Teachers' Retirement System on or after July 1, 2008, the retirement allowance shall be:
  - 1. One and one-half percent (1.5%) of the member's final average salary for each year of service if the member has earned ten (10) or less years of service at retirement;
  - 2. One and seven-tenths percent (1.7%) of the member's final average salary for each year of service if the member has earned greater than ten (10) but no more than twenty (20) years of service at retirement;
  - 3. One and eighty-five hundredths percent (1.85%) of the member's final average salary for each year of service if the member has earned greater than twenty (20) but less than twenty-seven (27) years of service at retirement; or

4. Two percent (2%) of the member's final average salary for each year of service if the member has earned twenty-seven (27) or more years of service at retirement; and
  - (f) The retirement allowance of a member at retirement, as measured on a life annuity, shall not exceed the member's last yearly salary or the member's final average salary, whichever is the greater amount. For purposes of this section, "yearly salary" means the compensation earned by a member during the most recent period of contributing service, either consecutive or nonconsecutive, preceding the member's effective retirement date and shall be subject to the provisions of KRS 161.220(9) and (10).
- (2) Effective July 1, 2002, and annually on July 1 thereafter, the retirement allowance of each retired member and of each beneficiary of a retirement option shall be increased in the amount of one and one-half percent (1.5%), provided the retired member had been retired for at least the full twelve (12) months immediately preceding the date that the increase is effective. In the event that the retired member had been retired for less than the full twelve (12) months immediately preceding the date that the increase is effective, then the increase shall be reduced on a pro rata basis by each month that the retired member had not been retired for the full twelve (12) months immediately preceding the effective date of the increase.
- (3) Any member qualifying for retirement under a life annuity with refundable balance shall be entitled to receive an annual allowance amounting to not less than four hundred dollars (\$400) effective July 1, 2002, and not less than four hundred forty dollars (\$440) effective July 1, 2003, multiplied by the service credit years of the member. These minimums shall apply to the retired members receiving annuity payments and to those members retiring on or subsequent to the effective dates listed in this subsection, except the following:
  - (a) Individuals who become members of the ~~Kentucky~~ Teachers' Retirement System on or after July 1, 2008; or
  - (b) Members whose retirement allowance payment is reduced below the minimum allowance as a result of its division in a qualified domestic relations order or any other provision permitted under KRS 161.700.
- (4) The minimum retirement allowance provided in this section shall apply in the case of members retired or retiring under an option other than a life annuity with refundable balance in the same proportion to the benefits of the member and his beneficiary or beneficiaries as provided in the duly-adopted option tables at the time of the member's retirement.
- (5) Effective July 1, 2008, the monthly allowance of each retired member and each recipient of a retirement option of the retired member may be increased in an amount not to exceed three and one-half percent (3.5%) of the monthly allowance in effect the previous month, provided the retired member had been retired for at least the full twelve (12) months immediately preceding the date that the increase is effective. In the event that the retired member had been retired for less than the full twelve (12) months immediately preceding the date that the increase is effective, then the increase shall be reduced on a pro rata basis by each month that the retired member had not been retired for the full twelve (12) months immediately preceding the effective date of the increase. The level of increase provided for in this subsection shall be determined by the funding provided in the 2008-2010 biennium budget appropriation.
- (6) Effective July 1, 2009, the monthly allowance of each retired member and each recipient of a retirement option of the retired member may be increased in an amount not to exceed seven-tenths of one percent (0.7%) of the monthly allowance in effect the previous month, provided the retired member had been retired for at least the full twelve (12) months immediately preceding the date that the increase is effective. In the event that the retired member had been retired for less than the full twelve (12) months immediately preceding the date that the increase is effective, then the increase shall be reduced on a pro rata basis by each month that the retired member had not been retired for the full twelve (12) months immediately preceding the effective date of the increase. The level of increase provided for in this subsection shall be determined by the funding provided in the 2008-2010 biennium budget appropriation.
- (7) Effective July 1, 1990, monthly payments of two hundred dollars (\$200) shall be payable for the benefit of an adult child of a member retired for service when the child's mental or physical condition is sufficient to cause dependency on the member at the time of retirement. Eligibility for this payment shall continue for the life of the child or until the time the mental or physical condition creating the dependency no longer exists or the child marries. Benefits under this subsection shall apply to legally adopted survivors provided the proceedings for the adoption were initiated at least one (1) year prior to the death of the member. The board of trustees shall be the sole judge of eligibility or dependency and may require formal application or information relating thereto.

- (8) Members of the Teachers' Retirement System shall be subject to the annuity income limitations imposed by Section 415 of the Internal Revenue Service Code.
- (9) Compensation in excess of the limitations imposed by Section 401(a)(17) of the Internal Revenue Code shall not be used in determining a member's retirement annuity. The limitation on compensation for eligible members shall not be less than the amount which was allowed to be taken into account by the retirement system in effect on July 1, 1993. For this purpose, an eligible member is an individual who was a member of the retirement system before the first plan year beginning after December 31, 1995.
- (10) Effective January 1, 2019, subsections (1) to (7) of this section do not apply to individuals who become members of the Teachers' Retirement System on or after January 1, 2019.

➔Section 20. KRS 161.630 is amended to read as follows:

- (1) (a) An individual who became a member prior to January 1, 2019, upon retirement, shall receive a retirement allowance in the form of a life annuity, with refundable balance, as provided in KRS 161.620, unless an election is made before the effective date of retirement to receive actuarially equivalent benefits under options which the board of trustees approves.
- (b) An individual who is participating in the hybrid cash balance plan as provided by KRS 161.235 may, before the effective date of retirement, elect to receive his or her accumulated account balance annuitized into a monthly payment under one (1) of the actuarial equivalent payment options approved by the board of trustees.
- (c) No option shall provide for a benefit with an actuarial value at the age of retirement greater than that provided in KRS 161.235(7)(a) or 161.620, as applicable. This section does not apply to disability allowances as provided in KRS 161.661(1).
- (2) The retirement option chosen by a retiree at the time of service retirement shall remain in force unless the retiree became a member prior to January 1, 2019, and elects to make a change under the following conditions:
- (a) A divorce, annulment, or marriage dissolution following retirement shall, at the election of the retiree, cancel any optional plan selected at retirement that provides *indefinitely* continuing benefits to a spousal beneficiary and return the retiree to a single lifetime benefit equivalent as determined by the board; or
- (b) Following marriage or remarriage, or the death of the designated beneficiary, a retiree may elect a new optional plan of payment based on the actuarial equivalent of a single lifetime benefit at the time of the election, as determined by the board. The plan shall become effective the first of the month following receipt of an application on a form approved by the board.
- (3) Except as otherwise provided in this section, a beneficiary designation shall not be changed after the effective date of retirement except for retirees who elect the life annuity with refundable balance or the predetermined years certain and life thereafter option. A member may remove a beneficiary at any time, but shall not designate a substitute beneficiary. If a member elects to remove a beneficiary, the member's retirement allowance shall not change regardless of the retirement option selected by the member, even if the removed beneficiary predeceases the member.
- (4) A member who experiences a qualifying event under subsection (2) of this section and who elects a new optional plan of payment shall make that election within sixty (60) days of the qualifying event.

➔Section 21. KRS 161.643 is amended to read as follows:

- (1) Each school district, *institution*, and agency employing annuitants of the retirement system shall ***have on file at the retirement system's office an annual summary report*** ~~(maintain a record)~~ of the days employed and the compensation paid to each annuitant and ***other data as required by administrative regulation of the board of trustees*** ~~(submit an annual report on forms prescribed by the retirement system)~~, no later than August 1, following the completion of each fiscal year.
- (2) The retirement system may impose a penalty on the employer not to exceed one thousand dollars (\$1,000) when the employer does not meet the August 1 ***filing*** ~~(reporting)~~ date or fails to provide the information required for employment of annuitants of the retirement system. ***However, the retirement system may waive the penalty for good cause.***
- (3) ***The retirement system may promulgate administrative regulations in accordance with KRS Chapter 13A to require employers to report more frequently than on an annual basis.***

➔Section 22. KRS 161.650 is amended to read as follows:

- (1) In the case of death of a member who has retired by reason of service or disability, any portion of the member's accumulated contributions, including member contributions to the state accumulation fund and regular interest to the date of retirement, that has not, and will not be paid as an allowance or benefit shall be paid to the member's beneficiary in such manner as the board of trustees elects.
- (2)
  - (a) The member may designate a primary beneficiary or two (2) or more cobeneficiaries to receive any remaining accumulated member contributions payable under this section.
  - (b) A contingent beneficiary may be designated in addition to the primary beneficiary or the cobeneficiaries. The member may designate two (2) or more contingent beneficiaries.
  - (c) To the extent permitted by the Internal Revenue Code, a trust may be designated as beneficiary for receipt of any remaining funds of the member's accumulated contributions.
  - (d) Members may designate as beneficiaries only presently identifiable and existing individuals, or trusts where otherwise permitted, without contingency instructions, on forms prescribed by the retirement system. Cobeneficiaries shall be composed of a single class of individuals, or trusts where permitted, who will share in equal proportions in any payment that may become available under this section.
  - (e)
    1. Any beneficiary designation made by the member shall remain in effect until changed by the member on forms prescribed by the retirement system, except in the event of subsequent *marriage or* divorce.
    2. *Subsequent marriage by the member shall void the primary beneficiary and any cobeneficiary designation, even that of a trust, and the spouse of the member at death shall be considered as the primary beneficiary, unless the member subsequent to marriage designates another beneficiary. An individual who is married prior to becoming a retired member of the retirement system and remains married at the time of becoming a retired member shall have his or her spouse considered the primary beneficiary, unless the member designates another beneficiary for any amounts payable under subsection (1) of this section.*
    3. A final divorce decree shall terminate the beneficiary status of an ex-spouse unless, subsequent to divorce, the member redesignates the former spouse as a beneficiary. A final divorce decree shall not terminate the designation of a trust as beneficiary regardless of who is designated as beneficiary of the trust.
  - (f) In the event that the member fails to designate a beneficiary or all designated beneficiaries predecease the member, any remaining accumulated member contributions shall be payable to the member's estate, *unless the member is married at the time of his or her death, in which case any remaining contributions shall be payable to his or her spouse.*

➔Section 23. KRS 161.655 is amended to read as follows:

- (1) Effective July 1, 2000, the Teachers' Retirement System shall for those individuals who became members prior to January 1, 2019:
  - (a) Provide a life insurance benefit in a minimum amount of five thousand dollars (\$5,000) for its members who are retired for service or disability. This life insurance benefit shall be payable upon the death of a member retired for service or disability to the member's estate or to a party designated by the member on a form prescribed by the retirement system; and
  - (b) Provide a life insurance benefit in a minimum amount of two thousand dollars (\$2,000) for its active contributing members. This life insurance benefit shall be payable upon the death of an active contributing member to the member's estate or to a party designated by the member on a form prescribed by the retirement system.
- (2)
  - (a) The member may name one (1) primary and one (1) contingent beneficiary for receipt of the life insurance benefit. To the extent permitted by the Internal Revenue Code, a trust may be designated as beneficiary for receipt of the life insurance benefit.
  - (b) Members may designate as beneficiaries only presently identifiable and existing individuals, or trusts where otherwise permitted, without contingency instructions, on forms prescribed by the retirement system.

- (c) In the event that a member fails to designate a beneficiary, or all designated beneficiaries predecease the member, the member's estate shall be deemed to be the beneficiary, ***unless the member is married at the time of his or her death, in which case the spouse shall be deemed the beneficiary.***
- (d) 1. Any beneficiary designation made by the member, including the estate should the estate become the beneficiary by default, shall remain in effect until changed by the member on forms prescribed by the retirement system, except in the event of subsequent marriage or divorce.
2. A valid marriage license shall terminate any previously designated beneficiary, even that of a trust, and establish the spouse as beneficiary unless, subsequent proof of the marriage, the member or retired member redesignates someone other than the new spouse as the beneficiary.
3. ***An individual who is married prior to becoming an active member or a retired member of the retirement system and remains married at the time of becoming an active or retired member of the retirement system shall have his or her spouse considered the primary beneficiary, unless the member designates another beneficiary.***
4. A final divorce decree shall terminate the beneficiary status of an ex-spouse unless, subsequent to divorce, the member redesignates the former spouse as a beneficiary. A final divorce decree shall not terminate the designation of a trust as beneficiary regardless of who is designated as beneficiary of the trust.
- (e) ***The Teachers' Retirement System shall not acknowledge a beneficiary designation unless the life insurance beneficiary form is received by the Teachers' Retirement System prior to the member's death, or the life insurance beneficiary form has been deposited in the mail with a postmark date no later than the date of the member's death.***

- (3) Application for payment of life insurance proceeds shall be made to the Teachers' Retirement System together with acceptable evidence of death and eligibility. The reciprocal provisions of KRS 61.680(2)(a) shall not apply to the coverage and payment of proceeds by the life insurance benefit under this section.
- (4) Suit or civil action shall not be required for the collection of the proceeds of the life insurance benefit provided for by this section, but nothing in this section shall prevent the maintenance of suit or civil action against the beneficiary or legal representative receiving the proceeds of the life insurance benefit.
- (5) Upon the death of a member of the Teachers' Retirement System, the life insurance provided pursuant to subsection (1) of this section may be assigned by the designated beneficiary to a bank or licensed funeral home.

➔Section 24. KRS 161.661 is amended to read as follows:

- (1) (a) Any member who ***is accredited by the Teachers' Retirement System for***~~has completed~~ five (5) or more years of ~~accredited~~ service in~~the public schools of~~ Kentucky after July 1, 1941, may retire for disability and be granted a disability allowance if found to be eligible as provided in this section. Application for disability benefits shall be made within one (1) year of the last contributing service in Kentucky, and the disability must have occurred during the most recent period of employment in a position covered by the Teachers' Retirement System and subsequent to the ***accreditation by the Teachers' Retirement System***~~completion~~ of five (5) years of ***retirement system***~~teaching~~ service ***credit*** in Kentucky. A disability occurring during the regular vacation immediately following the last period of active service in Kentucky or during an official leave for which the member is entitled to make regular contributions to the retirement system, shall be considered as having occurred during a period of active service.
- (b) The annual disability allowance shall be equal to sixty percent (60%) of the member's final average salary.
- (c) ***The following individuals shall not be eligible for disability benefits under this section:***
1. ***Members with***~~Individuals who became members prior to January 1, 2019, who have~~ twenty-seven (27) or more years of service credit; ***and***
2. ***Individuals who become members on or after July 1, 2021, who are eligible for an unreduced benefit under KRS 161.600(1)(b)2. or (d)***~~are eligible for service retirement only. Individuals who become members on or after January 1, 2019, who have met the requirements of KRS 161.235(6)(b) shall be eligible for service retirement only.~~

- (2) The provisions of KRS 161.520, 161.525, and subsections (3), (4), and (5) of this section shall not apply to disability retirees whose benefits were calculated on the service retirement formula nor to survivors of these members.
- (3) Members shall earn one (1) year of entitlement to disability retirement, at sixty percent (60%) of the member's final average salary, for each four (4) years of service in a covered position, but any member meeting the service requirement for disability retirement shall be credited with no less than five (5) years of eligibility.
- (4) A member retired by reason of disability shall continue to earn service credit at the rate of one (1) year for each year retired for disability. This service shall be credited to the member's account at the expiration of entitlement as defined in subsection (3) of this section, or when the member's eligibility for disability benefits is terminated upon recommendation of a medical review committee, and this service shall be used in calculating benefits as provided in subsection (5) of this section, but under no circumstances shall this service be used to provide the member with more than twenty-seven (27) years of total service credit or the level of service credit needed to meet the requirements of KRS 161.235(6)(b), as applicable. The service credit shall be valued at the same level as service earned by active members as provided under KRS 161.235, 161.600, or 161.620, as applicable. Members participating in the hybrid cash balance plan as provided by KRS 161.235 shall also be credited with employer credits and interest credits for each year of service earned under the provisions of this subsection based upon the salary in which the last employer credit was paid. Payments during the entitlement period as specified by subsection (3) of this section shall not reduce the accumulated account balance of a member participating in the hybrid cash balance plan.
- (5) Any member retired by reason of disability and remaining disabled at the expiration of the entitlement period shall have his disability benefits recalculated using the service retirement formula with service credit and any additional accumulated account balance earned as set out in subsection (4) of this section. For persons who became members prior to January 1, 2019, the retirement allowance shall be calculated as set forth in KRS 161.620, except that those persons less than sixty (60) years of age shall be considered as sixty (60) years of age. For persons who become members on or after January 1, 2019, the retirement allowance or benefit shall be calculated as set forth in KRS 161.235, except that those persons less than age sixty-five (65) shall be considered as sixty-five (65) years of age. Members having their disability benefits recalculated under this subsection shall not be entitled to a benefit based upon an average of their three (3) highest salaries as set forth in KRS 161.220(9), unless approved otherwise by the board of trustees.
- (6) Members who have their disability retirement allowance recalculated at the expiration of the entitlement period shall continue to have coverage under the post-retirement medical insurance program. Restrictions on employment shall remain in effect until the member attains age seventy (70) or until the member's eligibility is discontinued. KRS 161.520 and 161.525 shall not apply to survivors of disability retirees whose retirement allowances have been recalculated at the expiration of the entitlement period. Members who have their disability retirement allowance recalculated at the expiration of their entitlement period shall be entitled to a minimum monthly allowance of five hundred dollars (\$500) as the basic straight life annuity. The minimum allowance shall be effective July 1, 1992, and shall apply to those members who have had their allowance recalculated prior to that date and to disability retirees who will have their benefit allowance recalculated on or after that date. ***For individuals who become members on or after July 1, 2021, disability retirement payments and any other recurring payments payable by any other state-administered retirement system shall be applied to reduce, on a dollar-for-dollar basis, the minimum monthly disability retirement allowance payable under this subsection.***
- (7) Effective July 1, 1992, members retired for disability prior to July 1, 1964, shall be entitled to a minimum monthly allowance of five hundred dollars (\$500) as their basic straight life annuity and their surviving spouse shall be eligible for survivor benefits as provided in KRS 161.520(1)(a) and (b).
- (8) Any member retired by reason of disability may voluntarily waive disability benefits and return to teaching or any individual who became a member prior to January 1, 2019, who is age sixty (60) years or older, may elect to waive disability benefits and retire for service on the basis of service credited to the member on the effective date of the disability retirement, or any individual who becomes a member on or after January 1, 2019, who is sixty-five (65) years of age or older, may elect to waive disability benefits and retire for service on the basis of his or her accumulated account balance and service credited to the member on the effective date of disability retirement.
- (9) In order to qualify for retirement by reason of disability a member must suffer from a physical or mental condition presumed to be permanent in duration and of a nature as to render the member incapable of being gainfully employed in a covered position. The incapability must be revealed by a competent examination by a licensed physician or physicians and must be approved by a majority of a medical review committee.

- (10) A member retired by reason of disability shall be required to undergo periodic examinations at the discretion of the board of trustees to determine whether the disability allowance shall be continued. When examination and recommendation of a medical review committee indicate the disability no longer exists, the allowance shall be discontinued.
- (11) Eligibility for payment shall begin on the first day of the month following receipt of the application in the Teachers' Retirement System office, or the first of the month next following the last payment of salary or sick leave benefits by the employer, whichever is the later date.
- (12) No person who receives a disability allowance may be employed in a position that entails duties or qualification requirements similar to positions subject to participation in the retirement system either within or without the State of Kentucky. So doing shall constitute a misdemeanor and shall result in loss of the allowance from the first date of this service. ***For purposes of this subsection and subsection (13) of this section, "employment" and "occupation," and derivatives thereof, mean any activity engaged in by the member receiving disability allowance from which income is earned.*** A member who applies for and is approved for disability retirement on or after July 1, 2002, and whose annual disability benefit is less than forty thousand dollars (\$40,000) may earn income in any occupation other than covered employment only to the extent that the annual income from the other employment when added to the annual disability benefit does not exceed forty thousand dollars (\$40,000). For any member who exceeds this limit as a result of income from other employment, the Kentucky Teachers' Retirement System shall reduce the member's disability benefit on a dollar-for-dollar basis for each dollar that the member's combined annual disability benefit and annual income from other employment exceeds forty thousand dollars (\$40,000). The board of trustees may annually increase the forty thousand dollar (\$40,000) limit by the percentage increase in the annual average of the consumer price index for all urban consumers for the most recent calendar year as published by the Federal Bureau of Labor Statistics, not to exceed five percent (5%). ***The retirement system may require income verification from the member, including but not limited to copies of tax returns and federal forms W-2 and W-4P.***
- (13) All members who applied for disability retirement before July 1, 2002, and were approved as a result of that application shall be subject to the income limitations as they existed on June 30, 2002, until July 1, 2006. Effective July 1, 2006, the twenty-seven thousand dollar (\$27,000) limitation shall be increased to forty thousand dollars (\$40,000) and may be adjusted by the board of trustees by the consumer price index in the manner described in subsection (12) of this section. The recipient of a disability allowance who engages in any gainful occupation other than covered employment must make a report of the duties involved, compensation received, and any other pertinent information required by the board of trustees. ***The retirement system may require income verification from the member, including but not limited to copies of tax returns and federal forms W-2 and W-4P.***
- (14) The board of trustees shall designate medical review committees, each consisting of three (3) licensed physicians. A medical review committee shall pass upon all applications for disability retirement and upon all applicant statements, medical certifications, and examinations submitted in connection with disability applications. The disposition of each case shall be recommended by a medical review committee in writing to the retirement system. Members of a medical review committee shall follow administrative regulations regarding procedures as the board of trustees may enact and shall be paid reasonable fees and expenses as authorized by the board of trustees in compliance with the provisions of KRS 161.330 and 161.340. The retirement system may secure additional medical examinations and information as it deems necessary. A member may appeal any final agency decision denying his or her disability retirement application pursuant to the provisions of KRS 161.250(2).
- (15) A disability may be presumed to be permanent if the condition creating the disability may be reasonably expected to continue for one (1) year or more from the date of application for disability benefits.
- (16) Any member who has voluntarily waived disability benefits or whose disability benefits have been discontinued on recommendation of a medical review committee, may apply for reinstatement of disability benefits. The application for reinstatement must be made to the retirement system within twelve (12) months of the date disability benefits terminated. If the termination of benefits were voluntary, the reinstatement may be made without medical examination if application is made within three (3) months of the termination date. Other applications for reinstatement will be processed in the same manner as new applications for benefits.
- (17) No person who is receiving disability benefits under this section may be employed in a position which qualifies the person for membership in a retirement system financed wholly or in part with public funds. Employment in a position prohibited by this subsection shall result in disqualification for those disability benefits from the date of employment in the prohibited position.

- (18) Any person who is receiving benefits and becomes disqualified from receiving those benefits under this section, or becomes disqualified from receiving a portion of those benefits due to income from other than covered employment, shall immediately notify the Teachers' Retirement System of this disqualification in writing and shall return all benefits paid after the date of disqualification. Failure to comply with these provisions shall create an indebtedness of that person to the Teachers' Retirement System. Interest at the rate of eight percent (8%) per annum shall be charged if the debt is not repaid within sixty (60) days after the date of disqualification. Failure to repay this debt creates a lien in favor of the Teachers' Retirement System upon all property of the person who improperly receives benefits and does not repay those benefits. The ~~Kentucky~~ Teachers' Retirement System may, in order to collect an outstanding debt, reduce or terminate any benefit that a member is otherwise entitled to receive.

➔Section 25. KRS 161.680 is amended to read as follows:

- (1) If any change or error in a record results in any individual receiving from the retirement system more or less than the individual was entitled to receive, the board of trustees shall, when the error is discovered, correct the error, and as far as practicable adjust the payments so that the actuarial equivalent of the benefit to which the individual was entitled shall be paid.
- (2) *The Teachers' Retirement System shall take all practicable and cost-effective steps to collect overpayments from a member's or retiree's account. Methods of correction of overpayments from any member's or retiree's account shall include but are not limited to reclamation of the overpayment from the member's or retiree's account at the depository bank, the deduction of moneys from account refunds, deduction from the retirement allowance or joint and survivor annuity payable from the account, and deduction of moneys from the life insurance benefit. Collection of overpayments shall be initiated regardless of the designated beneficiary for any amounts payable from the account.*

➔Section 26. The amendments to subsection (9) of Section 2 of this Act and any administrative regulations promulgated as a result of the amendments to subsection (9) of Section 2 of this Act shall not result in any additional increases in benefits to members and annuitants or any additional increases in liabilities to the system.
