

**CHAPTER 47****( HB 404 )**

AN ACT relating to child support.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

→Section 1. KRS 403.211 is amended to read as follows:

- (1) An action to establish or enforce child support may be initiated by the parent, custodian, or agency substantially contributing to the support of the child. The action may be brought in the county in which the child resides or where the defendant resides.
- (2) At the time of initial establishment of a child support order, whether temporary or permanent, or in any proceeding to modify a support order, the child support guidelines in KRS 403.212 shall serve as a rebuttable presumption for the establishment or modification of the amount of child support. Courts may deviate from the guidelines where their application would be unjust or inappropriate. Any deviation shall be accompanied by a written finding or specific finding on the record by the court, specifying the reason for the deviation.
- (3) A written finding or specific finding on the record that the application of the guidelines would be unjust or inappropriate in a particular case shall be sufficient to rebut the presumption and allow for an appropriate adjustment of the guideline award if based upon one (1) or more of the following criteria:
  - (a) A child's extraordinary medical or dental needs;
  - (b) A child's extraordinary educational, job training, or special needs;
  - (c) Either parent's own extraordinary needs, such as medical expenses;
  - (d) The independent financial resources, if any, of the child or children;
  - (e) Combined monthly adjusted parental gross income in excess of the Kentucky child support guidelines;
  - (f) The parents of the child, having demonstrated knowledge of the amount of child support established by the Kentucky child support guidelines, have agreed to child support different from the guideline amount. However, no such agreement shall be the basis of any deviation if public assistance is being paid on behalf of a child under the provisions of Part D of Title IV of the Federal Social Security Act; and
  - (g) Any similar factor of an extraordinary nature specifically identified by the court which would make application of the guidelines inappropriate.
- (4) "Extraordinary" as used in this section shall be determined by the court in its discretion.
- (5) When a party has defaulted or the court is otherwise presented with insufficient evidence to determine gross income, the court shall order child support based upon the needs of the child or the previous standard of living of the child, whichever is greater. An order entered by default or due to insufficient evidence to determine gross income may be modified upward and arrearages awarded from the date of the original order if evidence of gross income is presented within two (2) years which would have established a higher amount of child support pursuant to the child support guidelines set forth in KRS 403.212.
- (6) The court shall allocate between the parents, in proportion to their combined monthly adjusted parental gross income, reasonable and necessary child care costs incurred due to employment, job search, or education leading to employment, in addition to the amount ordered under the child support guidelines.
- (7) (a) Pursuant to 45 C.F.R. sec. 303.31(a)(2), for the purposes of this section, "health care coverage" includes fee for service, health maintenance organization, preferred provider organization, and other types of private health insurance and public health care coverage under which medical services could be provided to a dependent child. If health care coverage is reasonable in cost and accessible to either parent at the time the request for coverage is made, the court shall order the parent to obtain or maintain coverage, and the court shall allocate between the parents, in proportion to their combined monthly adjusted parental gross income, the cost of health care coverage for the child, in addition to the support ordered under the child support guidelines.

- (b) A parent, who has one hundred percent (100%) of the combined monthly adjusted parental gross income, shall be entitled to a reduction in gross income of the entire amount of premiums incurred and paid.
- (c) The court shall order the cost of health care coverage of the child to be paid by either or both parents of the child regardless of who has physical custody. The court order shall include:
  - 1. A judicial directive designating which parent shall have financial responsibility for providing health care coverage for the dependent child, which shall include but not be limited to health care coverage, payments of necessary health care deductibles or copayments;
  - 2. If appropriate, cash medical support. "Cash medical support" means an amount to be paid toward the cost of health care coverage, fixed payments for ongoing medical costs, extraordinary medical expenses, or any combination thereof; and
  - 3. A statement providing that if the designated parent's health care coverage provides for covered services for dependent children beyond the age of majority, then any unmarried children up to twenty-five (25) years of age who are full-time students enrolled in and attending an accredited educational institution and who are primarily dependent on the insured parent for maintenance and support shall be covered.
- (d) If health care coverage is not reasonable in cost and accessible at the time the request for the coverage is made, the court order shall provide for cash medical support until health care coverage becomes reasonable in cost and accessible.
- (8) (a) For purposes of this section, "reasonable in cost" means that the cost of coverage to the responsible parent does not exceed five percent (5%) of his or her gross income. The five percent (5%) standard shall apply to the cost of adding the child to an existing policy, the difference in the cost between a single and a family policy, or the cost of acquiring a separate policy to cover the child. If the parties agree or the court finds good cause exists, the court may order health care coverage in excess of five percent (5%) of the parent's gross income.
- (b) For purposes of this section, "accessible" means that there are providers who meet the health care needs of the child and who are located no more than sixty (60) minutes or sixty (60) miles from the child's primary residence, except that nothing shall prohibit use of a provider located more than sixty (60) minutes or sixty (60) miles from the child's primary residence.
- (9) The cost of extraordinary medical expenses shall be allocated between the parties in proportion to their combined monthly adjusted parental gross incomes. "Extraordinary medical expenses" means uninsured expenses in excess of **two hundred fifty dollars (\$250)**~~one hundred dollars (\$100)~~ per child per calendar year. "Extraordinary medical expenses" includes but is not limited to the costs that are reasonably necessary for medical, surgical, dental, orthodontal, optometric, nursing, and hospital services; for professional counseling or psychiatric therapy for diagnosed medical disorders; and for drugs and medical supplies, appliances, laboratory, diagnostic, and therapeutic services.
- (10) The court order shall include the Social Security numbers, provided in accordance with KRS 403.135, of all parties subject to a support order.
- (11) In any case administered by the Cabinet for Health and Family Services, if the parent ordered to provide health care coverage is enrolled through an insurer but fails to enroll the child under family coverage, the other parent or the Cabinet for Health and Family Services may, upon application, enroll the child.
- (12) In any case administered by the cabinet, information received or transmitted shall not be published or be open for public inspection, including reasonable evidence of domestic violence or child abuse if the disclosure of the information could be harmful to the custodial parent or the child of the parent. Necessary information and records may be furnished as specified by KRS 205.175.
- (13) In the case in which a parent is obligated to provide health care coverage, and changes employment, and the new employer provides health care coverage, the Cabinet for Health and Family Services shall transfer notice of the provision for coverage for the child to the employer, which shall operate to enroll this child in the obligated parent's health plan, unless the obligated parent contests the notice as specified by KRS Chapter 13B.
- (14) Notwithstanding any other provision of this section, any wage or income shall not be exempt from attachment or assignment for the payment of current child support or owed or to-be-owed child support.

- (15) A payment of money received by a child as a result of a parental disability shall be credited against the child support obligation of the parent. A payment shall not be counted as income to either parent when calculating a child support obligation. An amount received in excess of the child support obligation shall be credited against a child support arrearage owed by the parent that accrued subsequent to the date of the parental disability, but shall not be applied to an arrearage that accrued prior to the date of disability. The date of disability shall be as determined by the paying agency.

➔Section 2. KRS 403.212 is amended to read as follows:

- (1) The following provisions and child support table shall be the child support guidelines established for the Commonwealth of Kentucky.
- (2) For the purposes of the child support guidelines:
  - (a) "Income" means actual gross income of the parent if employed to full capacity or potential income if unemployed or underemployed;~~;~~
  - (b) "Gross income" includes income from any source, except as excluded in this subsection, and includes but is not limited to income from salaries, wages, retirement and pension funds, commissions, bonuses, dividends, severance pay, pensions, interest, trust income, annuities, capital gains, Social Security benefits, workers' compensation benefits, unemployment insurance benefits, disability insurance benefits, Supplemental Security Income (SSI), gifts, prizes, and alimony or maintenance received. Specifically excluded are benefits received from means-tested public assistance programs, including but not limited to public assistance as defined under Title IV-A of the Federal Social Security Act, and food stamps;~~;~~
  - (c) For income from self-employment, rent, royalties, proprietorship of a business, or joint ownership of a partnership or closely held corporation, "gross income" means gross receipts minus ordinary and necessary expenses required for self-employment or business operation. Straight-line depreciation, using Internal Revenue Service (IRS) guidelines, shall be the only allowable method of calculating depreciation expense in determining gross income. Specifically excluded from ordinary and necessary expenses for purposes of this guideline shall be investment tax credits or any other business expenses inappropriate for determining gross income for purposes of calculating child support. Income and expenses from self-employment or operation of a business shall be carefully reviewed to determine an appropriate level of gross income available to the parent to satisfy a child support obligation. In most cases, this amount will differ from a determination of business income for tax purposes. Expense reimbursement or in-kind payments received by a parent in the course of employment, self-employment, or operation of a business or personal use of business property or payments of expenses by a business, shall be counted as income if they are significant and reduce personal living expenses such as a company or business car, free housing, reimbursed meals, or club dues;~~;~~
  - (d) *"Self-support reserve" means a low-income adjustment amount to the obligated parent of nine hundred fifteen dollars (\$915) per month that considers the subsistence needs of the parent with a limited ability to pay in accordance with 45 C.F.R. sec. 302.56(c)(1)(ii), and as applied under subsection (3) of this section;*
  - ~~(e)~~~~(d)~~
    1. If *there is a finding that* a parent is voluntarily unemployed or underemployed, child support shall be calculated based on a determination of potential income, except that a *finding of voluntary unemployment or underemployment and a* determination of potential income shall not be made for a parent who is incarcerated, physically or mentally incapacitated, or is caring for a very young child, age three (3) or younger, for whom the parents owe a joint legal responsibility;
    2. *A court may find a parent is voluntarily unemployed or underemployed without finding that the parent intended to avoid or reduce the child support obligation; and*
    3. *Imputation of potential income, when applicable, shall include consideration of the following circumstances of the parents, to the extent known:*
      - a. *Assets and residence;*
      - b. *Employment, earning history, and job skills;*

- c. *Educational level, literacy, age, health, and criminal record that could impair the ability to gain or continue employment;*
- d. *Record of seeking work;*
- e. *Local labor market, including availability of employment for which the parent may be qualified and employable;*
- f. *Prevailing earnings in the local labor market; and*
- g. *Other relevant background factors, including employment barriers;*~~[- Potential income shall be determined based upon employment potential and probable earnings level based on the obligor's or obligee's recent work history, occupational qualifications, and prevailing job opportunities and earnings levels in the community. A court may find a parent to be voluntarily unemployed or underemployed without finding that the parent intended to avoid or reduce the child support obligation.]~~

~~(f)(e)~~ "Imputed child support obligation" means the amount of child support the parent would be required to pay from application of the child support guidelines;~~[-]~~

~~(g)(f)~~ Income statements of the parents shall be verified by documentation of both current and past income. Suitable documentation shall include, but shall not be limited to, income tax returns, paystubs, employer statements, or receipts and expenses if self-employed;~~[-]~~

~~(h)(g)~~ "Combined monthly adjusted parental gross income" means the combined monthly gross incomes of both parents, less any of the following payments made by the parent:

1. The amount of pre-existing orders for current maintenance for prior spouses to the extent payment is actually made and the amount of current maintenance, if any, ordered paid in the proceeding before the court;
2. The amount of pre-existing orders of current child support for prior-born children to the extent payment is actually made under those orders; and
3. A deduction for the support to the extent payment is made, if a parent is legally responsible for and is actually providing support for other prior-born children who are not the subject of a particular proceeding. If the prior-born children reside with that parent, an "imputed child support obligation" shall be allowed in the amount which would result from application of the guidelines for the support of the prior-born children; ~~and~~~~[-]~~

~~(i)(h)~~ "Split custody arrangement" means a situation where each parent is the residential custodian for one (1) or more children for whom the parents share a joint legal responsibility.

(3) (a) *Except as provided in paragraph (b) of this subsection, the child support obligation set forth in the child support guidelines table shall be divided between the parents in proportion to their combined monthly adjusted parental gross income.*

(b) *If the monthly adjusted gross income of the obligated parent and the number of children for whom support is being determined fall within the following defined areas, which represent the self-support reserve, the basic child support obligation shall be calculated by using the monthly adjusted gross income of the obligated parent only to provide the obligated parent with the self-support reserve:*

1. *Equal to or less than one thousand one hundred dollars (\$1,100) with one (1) or more children;*
2. *Equal to or less than one thousand three hundred dollars (\$1,300) with two (2) or more children;*
3. *Equal to or less than one thousand four hundred dollars (\$1,400) with three (3) or more children;*
4. *Equal to or less than one thousand five hundred dollars (\$1,500) with four (4) or more children; or*
5. *Equal to or less than one thousand six hundred dollars (\$1,600) with six (6) or more children.*

- (4) The child support obligation shall be the appropriate amount for the number of children in the table for whom the parents share a joint legal responsibility. The minimum amount of child support shall be sixty dollars (\$60) per month.
- (5) The court may use its judicial discretion in determining child support in circumstances where combined adjusted parental gross income exceeds the uppermost levels of the guideline table.
- (6) The child support obligation in a split custody arrangement shall be calculated in the following manner:
- Two (2) separate child support obligation worksheets shall be prepared, one (1) for each household, using the number of children born of the relationship in each separate household, rather than the total number of children born of the relationship.
  - The ~~parent/nonresidential custodian~~ with the greater monthly obligation amount shall pay the difference between the obligation amounts, as determined by the worksheets, to the other parent.
- (7) The child support guidelines table is as follows:

➔SECTION 3. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

- (1) *Except as provided in subsection (4) of this section or otherwise provided in this chapter, the child support obligation determined under Section 2 of this Act shall be subject to further adjustment as follows:*
- (a) *If the parents share equal parenting time, the child support obligation determined under Section 2 of this Act shall be divided between the parents in proportion to their combined monthly adjusted parental gross income, and the parent with the greater proportional child support obligation shall pay the parent with the lesser proportional obligation the difference in the value of each parent's proportional obligation; and*
- (b) *If the parents share unequal parenting time under either a court-ordered time-sharing schedule or a time-sharing schedule exercised by agreement of the parties, the court shall:*
1. *Calculate the child support obligation set forth in the child support guidelines table in accordance with Section 2 of this Act;*
  2. *Determine the percentage of overnight stays the child spends with each parent on an annual basis based upon the time-sharing order or agreement;*
  3. *Multiply each parent's support obligation as calculated under Section 2 of this Act by the percentage of the other parent's overnight stays as calculated in subparagraph 2. of this paragraph;*
  4. *Set the difference between the amounts calculated in subparagraph 3. of this paragraph as the monetary transfer or credit necessary between the parents for the care of the child; and*
  5. *Use its discretion in adjusting each parent's child support obligation under this paragraph in accordance with the factors under Section 2 of this Act, and the following:*
    - a. *The obligated parent's low income and ability to maintain the basic necessities of the home for the child;*
    - b. *The likelihood that either parent will actually exercise the time-sharing schedule set forth in the court-ordered time-sharing schedule or time-sharing agreement between the parents;*
    - c. *Whether all of the children are exercising the same time-sharing schedule; and*
    - d. *Whether the time-sharing plan results in fewer overnights due to a significant geographical distance between the parties that may affect the child support obligation.*
- (2) *As used in this section, unless the context requires otherwise, an "overnight stay" shall include the costs associated with feeding and transporting the child, entertainment, attending to school work, athletic events, extracurricular activities, or other expenses that transfer with the child as they move from one parent to the other. Merely providing a child with a place to sleep in order to obtain an adjustment in a child support obligation shall not constitute an overnight stay under this section.*
- (3) *The child support calculations required under this section shall be on a worksheet prescribed by the Cabinet for Health and Family Services in administrative regulations promulgated under KRS Chapter 13A.*
- (4) *This section shall not apply if the child or children subject to the child support award receive public assistance, including KCHIP, K-TAP, food stamps, or Medicaid.*

➔Section 4. KRS 406.031 is amended to read as follows:

- (1) The determination of paternity under the provisions of KRS 406.021(1) shall be commenced within eighteen (18) years after the birth, miscarriage or stillbirth of a child. However, in such cases, liability for child support shall not predate the initiation of action taken to determine paternity as set forth in KRS 406.021 if the action is taken ~~two (2)~~ ~~four (4)~~ years or more from the date of birth.
- (2) Any person for whom paternity has not yet been established and who had not reached eighteen (18) years of age as of August 16, 1984, including those persons for whom a paternity action was brought but dismissed

because a statute of limitations of less than eighteen (18) years was then in effect, may bring an action to establish paternity.

➔Section 5. KRS 620.090 is amended to read as follows:

- (1) If, after completion of the temporary removal hearing, the court finds there are reasonable grounds to believe the child is dependent, neglected or abused, the court shall issue an order for temporary removal and shall grant temporary custody to the cabinet or other appropriate person or agency. Preference shall be given to available and qualified relatives of the child considering the wishes of the parent or other person exercising custodial control or supervision, if known. The order shall state the specific reasons for removal and show that alternative less restrictive placements and services have been considered. The court may recommend a placement for the child.
- (2) In placing a child under an order of temporary custody, the cabinet or its designee shall use the least restrictive appropriate placement available. Preference shall be given to available and qualified relatives of the child considering the wishes of the parent or other person exercising custodial control or supervision, if known. The child may also be placed in a facility or program operated or approved by the cabinet, including a foster home, or any other appropriate available placement. However, under no circumstance shall the child be placed in a home, facility, or other shelter with a child who has been committed to the Department of Juvenile Justice for commission of a sex crime as that term is defined in KRS 17.500, unless the child committed for the commission of a sex crime is kept segregated from other children in the home, facility, or other shelter that have not been committed for the commission of a sex crime.
- (3) If the court finds there are not reasonable grounds to believe the child is dependent, neglected or abused, or if no action is taken within seventy-two (72) hours, the emergency custody order shall be dissolved automatically and the cabinet or its designee shall return the child to the parent or other person exercising custodial control or supervision. A request for a continuance of the hearing by the parent or other person exercising custodial control or supervision shall constitute action precluding automatic dissolution of the emergency custody order.
- (4) ***When the court issues a temporary order for the custody of a child, the order shall initiate an action to establish child support in accordance with Section 1 of this Act. The court shall establish a child support order, or modify an existing order, within seven (7) days of the issuance of the order of temporary removal.***
- (5) When the court issues a temporary order for the custody of a child, the court may order that, within two (2) weeks, arrangements be made for the child to receive a thorough medical, visual, and dental examination by a professional authorized by the Kentucky Revised Statutes to conduct such examinations. The costs of the examination shall be paid by the cabinet.
- ~~(6)~~~~(5)~~ The child shall remain in temporary custody with the cabinet for a period of time not to exceed forty-five (45) days from the date of the removal from his home. The court shall conduct the adjudicatory hearing and shall make a final disposition within forty-five (45) days of the removal of the child. The court may extend such time after making written findings establishing the need for the extension and after finding that the extension is in the child's best interest.
- ~~(7)~~~~(6)~~ If custody is granted to a grandparent of the child pursuant to this section, the court shall consider granting reasonable visitation rights to any other grandparent of the child if the court determines the grandparent has a significant and viable relationship with the child as established in KRS 405.021(1)(c).

➔Section 6. KRS 403.160 is amended to read as follows:

- (1) In a proceeding for dissolution of marriage or for legal separation, or in a proceeding for disposition of property or for maintenance or support following dissolution of the marriage by a court which lacked personal jurisdiction over the absent spouse, either party may move for temporary maintenance. The motion shall be accompanied by an affidavit setting forth the factual basis for the motion and the amounts requested.
- (2) (a) In a proceeding for dissolution of marriage, legal separation, or child support, either party, with notice to the opposing party, may move for temporary child support. The motion shall be accompanied by an affidavit setting forth the number of children of the marriage and the information required to calculate the combined adjusted parental gross income set forth in KRS 403.212(2)(h)~~(g)~~, and the Social Security numbers, provided in accordance with KRS 403.135, of all parties subject to the motion. The court shall, within fourteen (14) days from the filing of said motion, order an amount of temporary child support based upon the child support guidelines as provided by law, and the ordered child support shall be retroactive to the date of the filing of the motion unless otherwise ordered by the court.

- (b) Upon a showing of good cause, either party may move the court to enter an order for temporary child support without written or oral notice to the adverse party. After reviewing the affidavit required by paragraph (a) of this subsection, the court may issue a temporary child support order based upon the child support guidelines. The order shall provide that the order becomes effective seven (7) days following service of the order and movant's affidavit upon the adverse party unless the adverse party, within the seven (7) day period, files a motion for a hearing before the court. The motion for hearing shall be accompanied by the affidavit required by paragraph (a) of this subsection. Pending the hearing, the adverse party shall pay child support in an amount based upon the guidelines and the adverse party's affidavit. The child support order entered following the hearing shall be retroactive to the date of the filing of the motion for temporary support unless otherwise ordered by the court.
- (3) As part of a motion for temporary maintenance or support or by independent motion accompanied by affidavit, either party may request the court to issue a temporary injunction or restraining order pursuant to the Rules of Civil Procedure.
- (4) If the court or agent of the court is made aware that there is reasonable evidence of domestic violence or child abuse, the court shall determine whether disclosure to any other person of the information could be harmful to the parent or child, and if the court determines that disclosure to any person could be harmful, the court and its agents shall not make the disclosure.
- (5) On the basis of the showing made and in conformity with KRS 403.200, the court may issue a temporary injunction or restraining order and an order for temporary maintenance in amounts and on terms just and proper in the circumstances.
- (6) A temporary order or temporary injunction:
  - (a) Does not prejudice the rights of the parties or the child which are to be adjudicated at subsequent hearings in the proceeding;
  - (b) May be revoked or modified before final decree on a showing of the facts necessary to revocation or modification under the circumstances; and
  - (c) Terminates when the final decree is entered or when the petition for dissolution or legal separation is voluntarily dismissed.

➔Section 7. KRS 620.230 is amended to read as follows:

- (1) For each child placed in the custody of the cabinet by an order of commitment, the cabinet shall file a case permanency plan for the child with the court and send a copy to the Administrative Office of the Courts Citizen Foster Care Review Board Program as soon as the plan is prepared but no later than thirty (30) days after the effective date of the order. Notwithstanding the provisions of KRS 620.090(6)(5), if a child remains in the temporary custody of the cabinet for longer than forty-five (45) days and if a request is submitted by the Administrative Office of the Courts Citizen Foster Care Review Board Program, the cabinet shall provide a copy of the case permanency plan for the child.
- (2) The case permanency plan shall include, but need not be limited to:
  - (a) A concise statement of the reasons why the child is in the custody of the cabinet;
  - (b) A statement of the actions which have been taken with regard to the child to the date of the plan;
  - (c) A statement of the proposed actions which may be taken or are contemplated with regard to the child during the next six (6) months and during the entire duration of the time the child is in the custody of the cabinet;
  - (d) Contemplated placements for the child;
  - (e) If the child is placed outside the home, reasons why the child cannot be protected adequately in the home, the harms the child may suffer if left in the home, factors which may indicate when the child can be returned to the home, and efforts the cabinet or others are making to return the child to the home;
  - (f) If the child is placed outside the home, the steps that the cabinet will take to minimize the harm to the child as a result of the action, both at the time of removal and on a long-term basis;

- (g) A description of the type of home, child-caring facility, child-placing agency or facility in which the child is to be placed or has been placed, and a statement why the placement is appropriate for the child, including but not limited to:
    - 1. Age;
    - 2. Educational needs;
    - 3. Medical needs;
    - 4. Emotional needs;
    - 5. Relationship with parents; and
    - 6. Number of children the home is authorized to care for and the number of children currently residing in the home;
  - (h) If the placement is outside the child's original county of residence, documentation that no closer placement is appropriate or available, and the reasons why the placement made was chosen;
  - (i) A description of the services for the child and his family to be provided or arranged by the cabinet to facilitate the return of the child to his own home or to another permanent placement;
  - (j) A list of objectives and specific tasks, together with specific time frames for each task, for which the parents have agreed to assume responsibility, including a schedule of regular visits with the child;
  - (k) A projected schedule of time intervals by which each of the services, objectives, and tasks outlined in the case permanency plan should be accomplished and a schedule of time intervals which have already been accomplished or are in the process of accomplishment;
  - (l) If the child is to remain at home, a description of the potential harm which could befall the child and measures that are being taken to prevent or minimize such harm; and
  - (m) If the child is to remain at home, reasons why he cannot be placed in foster care or why such care is not needed.
- (3) Under no circumstance shall a child be placed in a home, facility, or other shelter with a child who has been committed to the Department of Juvenile Justice for commission of a sex crime as defined in KRS 17.500, unless the child committed for the commission of a sex crime is kept segregated from other children in the home, facility, or other shelter that have not been committed for the commission of a sex crime.
