(1) For the purposes of this section:

(a) "Appointing authority" means the Chief Justice, in his or her capacity as provided in KRS 27A.010, or any agent whom he or she has delegated to act on his or her behalf with respect to employee appointments, position establishments, payroll documents, reemployment requests, waiver requests, requests for certification, or other position actions for the Court of Justice;

(a) Lack of funds or budgetary constraints;

(b) A reduction in the agency's spending authorization;

(c) Lack of work;

(d) Abolishment of a position; or

(e) Other material change in duties or organization;

(3) The appointing authority shall determine the job classifications affected and the number of employees laid-off in each classification and each county to which a layoff applies. In the same department or office, county, and job classification, interim and probationary employees shall be laid-off before any full-time or part-time employees with status are laid-off. For purposes of layoff, "probationary employee" does not include an employee with status serving a promotional probation;

For a period of two years, a reemployment applicant shall be hired before any applicant except another reemployment applicant with greater seniority who is on the same reemployment list. When a reemployment applicant is removed from a reemployment list, he or she shall be notified in writing. A reemployment applicant who accepts another Court of Justice position, tenured or non-tenured, or who retires, shall cease to have eligibility rights as a reemployment applicant;

(8) The appointing authority may place employees subject to a reduction in force;

(9) Furloughs or reduction of hours during a pay period shall not result in the loss of eligibility for any benefit otherwise due the employee;

(10) The appointing authority shall have the authority to promulgate comprehensive administrative regulations governing this section; and

(11) A layoff, furlough, or reduction of hours implemented in accordance with this section shall not be considered a penalization of the employee.
