County boards of elections shall meet immediately following the effective date of this Act for the purpose of reviewing the district boundaries established by the General Assembly in this Act. In the review process, the county boards of elections shall ensure that each county precinct boundary does not cross the district boundaries established in this Act. ➔Section 8. In the tables for legislative districts given in this Act, the single listing of a county or a precinct within a county indicates that all of the territory of that county or precinct is within the specified district.

➔Section 9. County boards of elections shall meet immediately following the effective date of this Act for the purpose of reviewing the district boundaries established by the General Assembly in this Act. In the review process, the county boards of elections shall ensure that each county precinct boundary does not cross the district boundaries established in this Act. If a county board of elections determines that any precinct boundary crosses a district boundary, or is so informed by the State Board of Elections in consultation with the Legislative Research Commission, the county board of elections shall issue a proposed precinct establishment order to the State Board of Elections altering the precinct boundary, or creating, dividing, or combining one or more precincts, so that no county precinct boundary crosses any boundary listed in KRS 117.055(1)(a) to (g). Any alteration of precinct boundaries required by this section shall comply with the provisions of KRS 117.055 to 117.058 and shall be completed by the county boards of elections and approved by the State Board of Elections no later than 45 days after the effective date of this Act, KRS 117.055(3), 117.0553, and 117.056 to the contrary notwithstanding. If a county board of elections fails to comply with the requirements of this section, the State Board of Elections shall apply to the Circuit Court of the county for a summary mandatory order requiring the county board to perform the duties of this section and shall not submit claims for payments to the county under KRS 117.343 and 117.345 until the State Board in consultation with the Legislative Research Commission determines in writing that the duty has been performed.

➔Section 10. Whereas the districts established by this Act shall be effective for the primary and general elections to be held in 2022, and certain statutory and other deadlines that impact the 2022 primary and general elections occur prior to the normal effective date of legislation enacted at this legislative session, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming law.

Executive Order 2021-418 is hereby nullified and is of no further force or effect.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 132.485 is amended to read as follows:

- (1) (a) **1.** ~~[Except as otherwise provided in paragraph (b) of this subsection,]~~ The registration of a motor vehicle with a county clerk in order to operate it or permit it to be operated upon the highways of the state shall be deemed consent by the registrant for the motor vehicle to be assessed by the property valuation administrator from a standard manual prescribed by the department for valuing motor vehicles for assessment unless:
- a.**~~[1.]~~ The registrant appears before the property valuation administrator to assess the vehicle; or
- b.**~~[2.]~~ The motor vehicle is twenty (20) years old or older, in which case paragraph (b) of this subsection applies regarding its valuation.
- 2.** The standard value of motor vehicles shall be the average trade-in value, ***not the rough or clean trade-in values***, prescribed by the valuation manual~~[unless information is available that warrants any deviation from the standard value].~~
- 3.** ***The property valuation administrator may adjust the value of a motor vehicle when the registrant has provided evidence that the standard value does not reflect the motor vehicle's condition, options, mileage, or certificate of title issued.***
- (b) In the case of motor vehicles that are twenty (20) years old or older:
- 1.** It shall not be presumed that a vehicle has been maintained in, or restored to, the original factory or otherwise classic condition or that its value has increased over the previous year;
- 2.** In assessing motor vehicles under this paragraph and calculating the taxes due thereon, through the AVIS or otherwise, if the registrant does not appear before the property valuation administrator to assess the vehicle, the standard value shall be as follows:
- a.** The actual valuation of the vehicle as was assessed in the vehicle's nineteenth year, if the vehicle was assessed for taxation in the Commonwealth in that year; or
- b.** The average trade-in value prescribed by the applicable edition of the valuation manual for the vehicle in its nineteenth year, if the vehicle was not assessed for taxation in the Commonwealth in that year;
- reduced by ten percent (10%) annually for each year beyond nineteen (19) years; and
- 3.** In the case of any motor vehicle for which the assessment procedure provided in subparagraph 2.b. of this paragraph would apply but cannot be carried out because the applicable edition of the valuation manual is unavailable, the property valuation administrator shall conduct an assessment of the vehicle to determine the value thereof for the given taxable year. The assessment under this subparagraph may be done in person if the vehicle's owner presents the vehicle at the property valuation administrator's office, or the assessment may be done through a review of photographs and other documentary evidence. In subsequent years, that valuation shall be reduced by ten percent (10%) annually.

- (2) The registration of a recreational vehicle with the county clerk in order to operate it or permit it to be operated upon the highways shall be deemed consent by the registrant thereof for the recreational vehicle to be assessed by the property valuation administrator at a valuation determined from a standard manual prescribed by the department for valuing recreational vehicles for assessment unless the registrant appears in person before the property valuation administrator to assess the vehicle.
- (3) The registration of a motor vehicle on or before the date that the registration of the vehicle is required is prima facie evidence of ownership on January 1.
- (4) When a motor vehicle is purchased in one (1) year, but registration takes place after January 1 of the following year through no fault of the owner, the department shall assess the motor vehicle and shall send notice of the assessment to the January 1 owner in accordance with KRS 186A.035. If the month of registration has passed for the current year, the assessment shall be due and payable if not protested to the department within sixty (60) days from the date of the notice. Payments made after the due date shall carry the normal penalty and interest for motor vehicles.
- (5) This section does not apply to motor vehicles or recreational vehicles owned and operated by public service companies, common carriers, or agencies of the state and federal governments.

➔SECTION 2. A NEW SECTION OF KRS CHAPTER 132 IS CREATED TO READ AS FOLLOWS:

- (2) *Taxpayers who paid motor vehicle property taxes for the January 1, 2022, assessment date on any increase in their motor vehicle's valuation from January 1, 2021, shall be entitled to a refund of the overpayment of taxes under the exemption provided in this section. Notwithstanding KRS 134.590, the department and county clerks shall work together to establish procedures that enable taxpayers to receive refunds without making a written request. Refunds issued under this subsection shall be issued within ninety (90) days of the effective date of this Act.*

➔Section 3. Section 1 of this Act shall apply to motor vehicles assessed on or after January 1, 2024.

➔Section 4. Section 2 of this Act shall apply to motor vehicles assessed on or after January 1, 2022.

The debtor shall present written evidence to the Circuit Court that the security interest has been paid in full. If the evidence presented to the Circuit Court proves to the court's satisfaction that the security interest has been paid in full, the court shall order the county clerk to note the termination on the title and to remove the lien from the Automated Vehicle Information System (AVIS). A copy of the court's order shall immediately be sent to the county clerk in the county where the security interest was originally filed and the county clerk shall discharge the security interest and remove the lien information from AVIS in accordance with the provisions of this section.
- (4) Whenever a security interest has been discharged, other than by proceedings under Part 6 of Article 9 of KRS Chapter 355 or similar proceedings, the secured party shall:

However, any security interest, as shown by ~~the~~~~such~~ title which is superior to the one under which the vehicle was repossessed, shall be shown on the title issued by the clerk unless the prior secured party has discharged the security interest in the clerk's office or proof of termination is submitted, if the prior security interest was discharged in another clerk's office.
- (7) Whenever any vehicle brought into Kentucky is required to be titled and the vehicle is then subject to a security interest in another state as shown by the out-of-state documents presented to the clerk, the county clerk is prohibited from processing the application for title on the vehicle unless the owner obtains from the secured party a financing statement or title lien statement and presents same to the clerk along with the fees required in KRS 186A.190. The clerk shall note the out-of-state security interest on the certificate of title. This provision does not apply to vehicles required to be registered in Kentucky under forced registration provisions under KRS 186.145.
- (8) The fees provided for in this section are in addition to any state fee provided for by law.
- (9) Any person violating any provision of this section or any person refusing to surrender a certificate of title registration and ownership or transfer certificate upon request of any person entitled thereto, is subject to the penalties provided in subsection (1) of KRS 186.990.

The owner is responsible for ensuring that a discharge is noted on the certificate of title for each security interest and then a duplicate title as provided for in KRS 186A.180 shall be obtained from the clerk by the owner of the vehicle.
- (11) Security interests in vehicles sold to or owned by residents of other states shall be perfected in the state of the nonresident and repossession of the vehicle shall be taken pursuant to the laws of that state, unless:

Discharge of a security interest shall be by notation on the certificate of title. Notation shall be made by the entry of information required by subsection (9) of this section into the Automated Vehicle Information System. The notation of the security interest on the certificate of title shall be in accordance with this chapter and shall remain effective from the date on which the security interest is noted on the certificate of title for a period of ten (10) years, or, in the case of a manufactured home, for a period of thirty (30) years, or until discharged under this chapter and KRS Chapter 186. The filing of a continuation statement within the six (6) months preceding the expiration of the initial period of a notation's effectiveness extends the expiration date for five (5) additional years, commencing on the day the notation would have expired in the absence of the filing. Succeeding continuation statements may be filed in the same manner to continue the effectiveness of the initial notation.
- (2) A motor vehicle dealer, a secured party or its representative, an assignee of a retail installment contract lender, *the cabinet*, or a county clerk shall rely on a county of residence designated by the debtor on any approved, notarized state form utilized in lien titling or the title transfer process signed by the debtor. Reliance on the foregoing by the motor vehicle dealer, secured parties, *cabinet*, and county clerk shall relieve those persons from liability to any third party claiming failure to comply with this section.
- (3) Except as provided in subsection (6) of this section, the notation of security interests relating to property required to be titled under this chapter in Kentucky through the *cabinet*~~county clerk~~ shall be done in the office of ~~a~~~~the~~ county clerk. ***The notation of a security interest shall reflect***~~of~~ the county in which the debtor resides as determined by subsections (2) and (4) of this section. The security interest shall be deemed to be noted on the certificate of title and perfected, or deemed perfected at the time the security interest attaches as provided in KRS 355.9-203, if in compliance with KRS 186A.195(7)~~(5)~~, when a title lien statement:

 - Describes the titled vehicle, or vehicle to be titled, by year, model, make, and vehicle identification number;
 - Provides the name of the secured party, or a representative of the secured party, together with the additional information about the secured party required by subsection (9) of this section with reasonable particularity; and
 - Includes the date and time-stamped entry of the notation of the security interest by the county clerk of the required information in the Automated Vehicle Information System (AVIS), or its successor title processing system maintained by the Division of Motor Vehicle Licensing of the Transportation Cabinet.
- (4) Except as provided in subsection (6) of this section, if the debtor is other than a natural person, the following provisions govern the determination of the county of the debtor's residence:
- A partnership shall be deemed a resident of the county in which its principal place of business in this state is located. If the debtor does not have a place of business in this state, then the debtor shall be deemed a nonresident for purposes of filing in this state;
 - A limited partnership organized under KRS Chapter 362 or as defined in KRS 362.2-102(14) shall be deemed a resident of the county in which its principal place of business is located, as set forth in its certificate of limited partnership or most recent amendment thereto filed pursuant to KRS Chapter 362 or 362.2-202. If ~~the~~~~such~~ office is not located in this state, the debtor shall be deemed a nonresident for purposes of filing in this state;

- (c) A limited partnership not organized under the laws of this state and authorized to do business in this state shall be deemed a resident of the county in which the office of its process agent is located, as set forth in the designation or most recent amendment thereto filed with the Secretary of State of the Commonwealth of Kentucky;
- (d) A corporation organized under KRS Chapter 271B, 273, or 274 or a limited liability company organized under KRS Chapter 275 shall be deemed a resident of the county in which its registered office is located, as set forth in its most recent corporate filing with the Secretary of State which officially designates its current registered office;
- (e) A corporation not organized under the laws of this state, but authorized to transact or do business in this state under KRS Chapter 271B, 273, or 274, or a limited liability company not organized under the laws of this state, but authorized to transact business in this state under KRS Chapter 275, shall be deemed a resident of the county in which its registered office is located, as set forth in its most recent filing with the Secretary of State which officially designates its current registered office;

If the debtor does not reside in the Commonwealth, the notation of the security interest shall be done in the office of the county clerk in which the property is principally situated or operated. Notwithstanding the existence of any filed financing statement under the provisions of KRS Chapter 355 relating to any property registered or titled in Kentucky, the sole means of perfecting and discharging a security interest in property for which a certificate of title is required by this chapter is by notation on the property's certificate of title under the provisions of this chapter or in accordance with the provisions of KRS 186.045(3). In other respects the security interest is governed by the provisions of KRS Chapter 355.

- (5) Except as provided in subsection (6) of this section, before ownership of property subject to a lien evidenced by notation on the certificate of title may be transferred, the transferor shall obtain the release of the prior liens in his *or her* name against the property being transferred. The legal notice appeared at least twice in a seven (7) day period in a newspaper with circulation in the county. The legal notice stated:
 - 1. The affiant's name, address, and telephone number;

 - 3. The names of all known lienholders, including those noted on the title;
 - 4. The vehicle's make, model, and year; and
 - 5. The affiant's intention to obtain title to the vehicle unless the owner or a lienholder objects in writing within fourteen (14) days after the last publication of the legal notice; and
 - (e) Neither the owner nor a lienholder has objected in writing to the affiant's right to obtain title to the vehicle.
- (7)
 - (a) If subsection (6)(b)1. of this section applies, the new ownership document shall be a title.

As part of the request, the covered person shall provide to the insurer or its designee written consent authorizing the independent review entity to obtain all necessary medical records from both the insurer and any provider utilized for review purposes regarding the decision to deny, limit, reduce or terminate coverage.
- (5) The covered person shall be assessed a one (1) time filing fee of twenty-five dollars (\$25) to be paid to the independent review entity and which may be waived if the independent review entity determines that the fee creates a financial hardship on the covered person. Fifty-five percent (55%) of the amount thus obtained, adjusted to the nearest multiple of one dollar (\$1), shall constitute the maximum weekly benefit rate for those workers whose benefit year commences on or after the first day of July of such year and prior to the first day of July of the next following year; beginning in calendar year 1999, or any subsequent year in which the increase in the weekly benefit rate calculation set forth in subsection (2) of this section should take effect, sixty-two percent (62%) of the average weekly wage, adjusted to the nearest multiple of one dollar (\$1), shall constitute the maximum weekly benefit rate for those workers whose benefit year commences on or after the first day of July of that year and prior to the first day of July of the next following year; except that for the benefit years beginning on or after July 1, 1982, if the "trust fund balance" as of September 30 immediately preceding the benefit year is less than one hundred twenty million dollars

- (1) The Office of Unemployment Insurance, Department of Workforce Investment, shall maintain a reserve account for each subject employer making contributions to the fund and a reimbursing employer account for each subject employer making payment in lieu of contributions, and shall, except as provided in KRS 341.590, credit to such account the total amount of all contributions or benefit reimbursement paid by the employer on his *or her* own behalf. Nothing in this section or elsewhere in this chapter shall be construed to grant any employer or individual who is or was in his *or her* employ prior claims or rights to the amounts paid by him *or her* into the fund.
- (2) Except as provided in subsection (3) of this section, all regular benefits paid to an eligible worker in accordance with KRS 341.380 plus the extended benefits paid in accordance with KRS 341.700 to 341.740, subject to the provisions of paragraphs (a) and (b) of this subsection, shall be charged against the reserve account or reimbursing employer account of his *or her* most recent employer. No employer shall be deemed to be the most recent employer unless the eligible worker to whom benefits are payable shall have worked for such employer in each of ten (10) weeks whether or not consecutive back to the beginning of the worker's base period. *Shared work benefits paid to an eligible worker in accordance with Sections 12 to 18 of this Act shall be charged against the reserve account or reimbursing employer account of the shared work employer.*
 - (a) Subject employers, which are not governmental entities as defined in KRS 341.069, shall be charged one-half (1/2) of the extended benefits paid in accordance with KRS 341.700 to 341.740; and
 - (b) Subject employers which are governmental entities, as defined in KRS 341.069, shall be charged for all extended benefits paid in accordance with KRS 341.700 to 341.740 for compensable weeks occurring on or after January 1, 1979, and for one-half (1/2) of the extended benefits paid for compensable weeks occurring prior to such date.

- (3) Notwithstanding the provisions of subsection (2) of this section, benefits paid to an eligible worker and chargeable to a contributing employer's reserve account under such subsection shall be charged against the pooled account if such worker was discharged by such employer for misconduct connected with his *or her* most recent work for such employer, voluntarily left his *or her* most recent work with such employer without good cause attributable to the employment, or the employer has continued to provide part-time employment and wages, without interruption, to the same extent that was provided from the date of hire, and the employer within a reasonable time, as prescribed by regulation of the secretary, notifies the office, in writing, of the alleged voluntary quitting, discharge for misconduct or continuing part-time employment; provided, however, that no employer making payments to the fund in lieu of contributions shall be relieved of charges by reason of this subsection.
- (4) Notwithstanding the provisions of subsection (3) of this section, no contributing employer's reserve account shall be relieved of any charges for benefits relating to an improper benefit payment to a worker established after October 21, 2013, if:
 - (a) The improper benefit payment was made because the employer, or an agent of the employer, was at fault for failing to respond timely or adequately to the request of the secretary for information relating to a claim for benefits; and
 - (b) The employer, or an agent of the employer, has a pattern of failing to respond timely or adequately to requests under paragraph (a) of this subsection. For purposes of this paragraph, a "pattern of failing" means at least six (6) failures occur in a calendar year or the failure to respond to two percent (2%) of such requests in a calendar year, whichever is greater.
- (5) Any determination under subsection (4) of this section shall be transmitted to the last known physical or electronic address provided by the employer and may be appealed in accordance with the provisions of KRS 341.420(2).
- (6) Each subject employer's reserve account or reimbursing account shall, unless terminated as of the computation date (as defined in subsection (5) of KRS 341.270), be charged with all benefits paid to eligible workers which are chargeable to such reserve account or reimbursing account under subsection (2) of this section. A subject employer's reserve account or reimbursing account shall be deemed to be terminated if he *or she* has ceased to be subject to this chapter, and his *or her* account has been closed and any balance remaining therein has been transferred to the fund's pooled account or to a successor's account as provided in KRS 341.540 or has been refunded if the employer is a reimbursing employer.
- (7) Notwithstanding subsection (1) of this section, two (2) or more nonprofit Internal Revenue Code sec. 501(c)(3) organizations may jointly request the secretary to establish a group reserve account or reimbursing account for such nonprofit organizations. Two (2) or more governmental entities may jointly request the secretary to establish a group reserve account or reimbursing account, and once established, such account shall remain in effect at least two (2) calendar years and thereafter until either dissolved at the discretion of the secretary or upon filing application for dissolution by the group members. Each member of a group shall be jointly and severally liable for all payments due under this chapter from each or all of such group members. The secretary shall prescribe such procedures as he *or she* deems necessary for the establishment, maintenance, and dissolution of a group reserve account or reimbursing account.
- (8) Any subject contributing employer may at any time on or before December 31, 2011, make voluntary payments to the fund, additional to the contributions required under KRS 341.260 and 341.270. Effective January 1, 2012, any subject contributing employer with a negative reserve account balance may make voluntary payments to the fund every other calendar year, in addition to the contributions required under KRS 341.260 and 341.270. Notwithstanding any other provision of this chapter, contributions paid on or before the computation date and voluntary payments made within twenty (20) days following the mailing of notices of new rates shall be credited to an employer's reserve account as of the computation date, provided no voluntary payments shall be used in computing an employer's rate unless the payment is made prior to the expiration of one hundred and twenty (120) days after the beginning of the year for which the rate is effective. Voluntary payments by any employer shall not exceed any negative balance they may have in their reserve account as of the computation date. Any employer who is delinquent in the payment of contributions, penalties, or interest as of the computation date shall be entitled to make voluntary payments only after the amount of the delinquency is paid in full.
- (9) Notwithstanding any other provisions of this chapter, any benefits paid to an eligible worker for reasons related to a state or federal state of emergency or disaster declaration shall be paid from the pooled account provided in KRS 341.550 and not from the reserve account of the employer of that individual. The reserve

account shall not be charged for benefits related to a state of emergency or disaster declaration. Payments shall be accounted for separately to allow the secretary to seek reimbursement from the federal government.

CHAPTER 22

(SJR 150)

A JOINT RESOLUTION terminating the declaration of emergency regarding the SARS-CoV-2 virus and declaring an emergency.

WHEREAS, on March 6, 2020, Governor Andy Beshear signed 2020 Executive Order 2020-215 declaring a state of emergency regarding the SARS-CoV-2 virus; and

WHEREAS, the state of emergency declared by Governor Andy Beshear regarding the SARS-CoV-2 virus has lasted two years; and

WHEREAS, the General Assembly of the Commonwealth of Kentucky is empowered to terminate declarations of emergency by joint resolution by KRS 39A.090(4);

NOW, THEREFORE,

Be it resolved by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. The declaration of emergency regarding the SARS-CoV-2 virus in 2020 Executive Order 2020-215, as extended by 2021 Ky. Acts ch. 168; 2021 (1st Extra. Sess.) Ky. Acts ch. 1; and 2022 Ky. Acts ch. 4, is terminated effective on Monday, March 7, 2022, or on the effective date of this Resolution, whichever is later.

➔Section 2. All subsequent executive orders, emergency administrative regulations, suspensions of statutes, and other directives which rely upon the declaration of emergency in 2020 Executive Order 2020-215 are also terminated effective on Monday, March 7, 2022, or on the effective date of this Resolution, whichever is later.

➔Section 3. Upon the expiration of a SARS-CoV-2-related executive order, other directive, or administrative regulation declaring an emergency or other implementation of powers under KRS Chapter 39A, the Governor shall not declare a new SARS-CoV-2-related emergency or continue to implement any of the powers under KRS Chapter 39A based upon the same or substantially similar facts and circumstances as the original declaration or implementation without the prior approval of the General Assembly.

➔Section 4. It is not the intention of the General Assembly that this Resolution should impair or delay the ability of the Commonwealth to receive any federal stimulus or pandemic-related funds or services.

➔Section 5. Whereas there are more effective vaccinations, treatments, and health and safety protocols available today to address the virus than were available in March 2020 and the compelling interests of the public good and benefits to the Commonwealth of terminating the declaration of emergency far outweigh the negative impacts of remaining in a state of emergency for longer than two years, an emergency is declared to exist, and this Resolution takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

Veto Overridden and Signed by Secretary of State March 22, 2022.

Any city that made a filing with the Department for Local Government pursuant to KRS 83A.085 after January 1, 2022, shall be deemed in compliance with this subsection without any further action.*
- (2) *If a city does not timely file the information set out in subsection (1) of this section, the Department for Local Government shall, no later than October 15, 2022, notify the city in writing by first class mail return receipt requested at the city's last known official address, that the city is not in compliance with the provisions of subsection (1) of this section. The notice shall include:*
 - (a) *The filing requirements imposed by this section; and*

- (4) *After January 1, 2023, the Department for Local Government shall arrange for an administrative hearing to be set pursuant to the provisions of KRS Chapter 13B to determine whether or not the city shall be administratively dissolved for failure to comply with subsection (1) of this section. The hearing shall be conducted within the boundaries of the city being administratively dissolved, or if no place within the city is suitable, the administrative hearing shall be conducted in a place as close as possible to the city in order to provide easy access to the hearing by persons living within the city. If a citizen, resident, or creditor of the city has entered a defense pursuant to this section by January 1, 2023, the defense shall be heard at the hearing, and the hearing officer shall decide whether or not the city shall be administratively dissolved. If no citizen, resident, or creditor of the city enters a defense to administrative dissolution, then the city shall be declared administratively dissolved.*

The county clerk shall properly index and file the notice as a permanent record in that office.*
- (8) *Any debts of the city shall be satisfied on a pro rata basis. Any assets of the city remaining after dissolution shall be transferred to the county or counties in which the city was located. If the creditors agree to a pro rata share of the city's remaining assets, or if no creditors appear after notification occurs or the time period elapses pursuant to subsection (4) of this section, then the remaining debts of the city shall be extinguished. In no event shall the county be liable for any remaining debts of the city after the assignment of any remaining assets.*
- (9) *Any judgment granting the dissolution of a city made pursuant to this section shall not impair the incorporation of a city at a future date under the provisions of KRS 81.050 and 81.060 that may include all or a portion of the former city's boundaries.*
- (10) (a) *If a city that is dissolved pursuant to this section has a utility in operation at the time of dissolution, then that utility shall remain in operation pursuant to the authority under which it was created unless the utility is declared part of the county or reorganized under paragraph (b) of this subsection. However, the county judge/executive of the county in which the utility operates shall make appointments to replace any board members whose terms expire after the dissolution of the city.*

CHAPTER 29

(HB 144)

AN ACT relating to unemployment insurance, making an appropriation therefor, and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 341.030 is amended to read as follows:

- (1) As used in this chapter, unless the context clearly requires otherwise, and except as provided in subsections (2) to (7) of this section, "wages" means all remuneration for services, including commissions, bonuses, and, except for services performed in agriculture and domestic employment, the cash value of all remuneration in any medium other than cash. The reasonable cash value of remuneration in any medium other than cash shall be estimated and determined in accordance with rules prescribed by the commission.
- (2) Amounts paid to traveling salesmen or other workers as allowance or reimbursement for traveling or other expenses, incurred on the business of the employing unit, constitute wages only to the extent of the excess of the amounts over the expenses actually incurred and accounted for by the worker to his employer; provided, however, that the cash value of meals and lodging when furnished to the worker for the convenience of the employer shall not constitute wages.
- (3) For purposes of this chapter, the term "wages" includes tips which are:
 - (a) Received while performing services which constitute employment;
 - (b) Included in a written statement furnished to the employer pursuant to Section 6053(a) of the Internal Revenue Code; and
 - (c) Shall be treated as having been paid by the employing unit.
- (4) "Wages" does not include the amount of any payment made to, or on behalf of, a worker under a plan or system established by an employing unit that makes provision for its workers generally or for a class of its workers, including any amount paid by an employing unit for insurance or annuities, or into a fund, to provide for any such payment, on account of:
 - (a) Retirement;
 - (b) Sickness or accident disability but, in the case of payments made to an employee or any of his dependents, this subsection shall exclude from the term "wages" only payments which are received under a workers' compensation law;
 - (c) Medical and hospitalization expenses in connection with accident or sickness disability; or
 - (d) Death, if the worker has not:
 1. The option to receive, instead of provision for the death benefit, any part of the payment, or if the death benefit is insured, any part of the premiums or contributions to premiums paid by his employing unit; and
 2. The right, under the provisions of the plan or system or policy of insurance providing for the death benefit, to assign the benefit, or to receive a cash consideration in lieu of it either upon his withdrawal from the plan or system providing for the benefit or upon termination of the plan or system or policy of insurance or of his employment with his employing unit.
- (5) "Wages" does not include any payment on account of sickness or accident disability, or medical or hospitalization expenses in connection with sickness or accident disability, made by an employer to, or on behalf of, an employee after the expiration of six (6) calendar months following the last calendar month in which the employee worked for the employer.
- (6) "Wages" does not include the amount of any payment made by an employing unit without deduction from the remuneration of the worker of the tax imposed under Section 3101 of the Internal Revenue Code or any payment required from an employer under a state unemployment compensation law with respect to remuneration paid to an employee for domestic service in a private home of the employer or for agricultural labor.
- (7) (a) "Wages" does not, for the purposes of KRS 341.260 to 341.310, include that part of remuneration which, after wages equal to eight thousand dollars (\$8,000) have been paid in a calendar year to a worker by a subject employer or his predecessor with respect to covered employment during any calendar year, is paid to the worker by the subject employer during the calendar year unless that part of the wages is subject to a tax under a federal law, imposing a tax against which credit may be taken for contributions required to be paid into a state unemployment fund. On January 1, 2012, the amount of eight thousand dollars (\$8,000) in this subsection shall increase to nine thousand dollars (\$9,000), which shall increase by an additional three hundred dollars (\$300) on January 1 of each subsequent year, unless limited by paragraph (b) or (c) of this subsection, not to exceed twelve thousand dollars

- (\$12,000). For the purpose of this subsection, the term "covered employment" shall include service constituting covered employment under any unemployment compensation law of another state.
- (b) If the trust fund balance on September 30 of a calendar year equals or exceeds two hundred million dollars (\$200,000,000), the taxable wage base amount in effect at that time shall not increase on January 1 of the next calendar year or on January 1 of subsequent calendar years, except as provided in paragraphs (c) and (e) of this subsection.
 - (c) If the trust fund balance on September 30 of a calendar year equals or exceeds two hundred million dollars (\$200,000,000), but is twenty million dollars (\$20,000,000) or less lower than the trust fund balance amount that would trigger in a lower schedule of contribution rates under KRS 341.270, the taxable wage base shall increase by three hundred dollars (\$300) on January 1 of the next calendar year and that taxable wage base amount shall be the taxable wage base amount in effect for subsequent calendar years, subject to the limitations in paragraph (d) of this subsection.
 - (d) The total number of years that the increase in the taxable wage base shall be prohibited or limited under paragraph (b) or (c) of this subsection shall not exceed the total number of years that contributing employers paid additional federal unemployment taxes because of a reduction in the credit against the federal unemployment tax established in 26 U.S.C. sec. 3302 beginning in 2011.
 - (e) If the taxable wage base on January 1 of the calendar year immediately following the last year the increase in the taxable wage base was prohibited or limited under this subsection is less than twelve thousand dollars (\$12,000), the taxable wage base amount shall be increased by three hundred dollars (\$300), and by an additional three hundred dollars (\$300) on January 1 of each subsequent calendar year until the taxable wage base amount reaches twelve thousand dollars (\$12,000).
 - (f) Notwithstanding paragraphs (b) and (c) of this subsection, if the trust fund balance is less than two hundred million dollars (\$200,000,000) on September 30 of a calendar year, the suspension of the taxable wage base increase shall not occur.
 - (g) Notwithstanding any other provision of this subsection, any increase in the maximum weekly benefit rate which otherwise would have occurred except for the suspension of the taxable wage base increase shall be implemented in accordance with the provisions of this chapter.
 - (h) The provisions of this subsection shall apply unless the United States Department of Labor notifies the secretary that implementation of this subsection would result in decertification of Kentucky's unemployment insurance program, impact any cap application, affect the receipt of emergency unemployment compensation funds, create an ineligibility for receipt of federal funds, or result in other penalties or sanctions under the Social Security Act or Federal Unemployment Tax Act, 26 U.S.C. secs. 3301 et seq.
 - (i) Notwithstanding any other provisions of this chapter, for the calendar ~~years~~~~year~~ **2021 and 2022**, the taxable wage base increase shall be suspended and the taxable wage base in effect for the calendar year 2020 shall be utilized.

➔Section 2. KRS 341.270 is amended to read as follows:

- (1) Except as otherwise provided in this section, each employer's contribution rate shall be three percent (3%). Effective for employers who become subject to this chapter on or after January 1, 1999, except as otherwise provided in this section, each employer's contribution rate shall be two and seven-tenths percent (2.7%).
- (2) Except as otherwise provided in this section, no subject employer's contribution rate shall be less than two and seven-tenths percent (2.7%), unless he has been an employer subject to the provisions of this chapter for twelve (12) consecutive calendar quarters ended as of the computation date. In any calendar year in which the rate schedule prescribed in paragraph (3)(a) of this section is in effect, no subject employer who was assigned an entry rate of three percent (3.0%) under the provisions of subsection (1) of this section prior to January 1, 1999, shall have a contribution rate less than two and eight hundred fifty-seven thousandths percent (2.857%), unless subject to this chapter for the minimum time period specified above.
- (3) For the calendar year 2001 and each calendar year thereafter, employer contribution rates shall be determined in accordance with "Table A" set out in subsection (4) of this section. For each calendar year, the secretary shall determine the rate schedule to be in effect based upon the "trust fund balance" as of September 30 of the preceding year. If the "trust fund balance":

- (a) Equals or exceeds one and eighteen hundredths percent (1.18%) of the total wages paid in covered employment in the state during the state fiscal year ended as of June 30 of that year, the rates listed in the "Trust Fund Adequacy Rates" schedule of "Table A" shall be in effect;
 - (b) Equals or exceeds five hundred million dollars (\$500,000,000) but is less than the amount required to effectuate the "Trust Fund Adequacy Rates" schedule as provided in paragraph (a) of this subsection, the rates listed in "Schedule A" of "Table A" shall be in effect;
 - (c) Equals or exceeds three hundred fifty million dollars (\$350,000,000) but is less than five hundred million dollars (\$500,000,000), the rates listed in "Schedule B" of "Table A" shall be in effect;
 - (d) Equals or exceeds two hundred fifty million dollars (\$250,000,000) but is less than three hundred fifty million dollars (\$350,000,000), the rates listed in "Schedule C" of "Table A" shall be in effect;
 - (e) Equals or exceeds one hundred fifty million dollars (\$150,000,000) but is less than two hundred fifty million dollars (\$250,000,000), the rates listed in "Schedule D" of "Table A" shall be in effect; and
 - (f) Is less than one hundred fifty million dollars (\$150,000,000), the rates listed in "Schedule E" of "Table A" shall be in effect.
- (4) For the calendar year 1982 and each calendar year thereafter, contribution rates shall be determined upon the basis of an individual employer's reserve ratio as of the computation date and the schedule of rates established under subsection (3) of this section. Except as otherwise provided in this section, the contribution rate for each subject employer for the calendar year immediately following the computation date shall be the rate in that "Schedule" of "Table A," as set out below, effective with respect to the calendar year, which appears on the same line as his reserve ratio as shown in the "Employer Reserve Ratio" column of the same table.

(5) As used in this section and elsewhere in this chapter, unless the context clearly requires otherwise:

- (a) "Trust fund balance" means the amount of money in the unemployment insurance fund, less any unpaid advances made to the state under Section 1201 of the Social Security Act. In determining the amount in the fund as of a given date all money received by the Office of Unemployment Insurance, Department of Workforce Investment, on that date shall be considered as being in the fund on that date;
- (b) "Total wages" means all remuneration for services, as defined in KRS 341.030(1) to (7), paid by subject employers;
- (c) An employer's "reserve ratio" means the percentage ratio of his reserve account balance as of the computation date to his taxable payrolls for the twelve (12) consecutive calendar quarters ended as of June 30 immediately preceding the computation date;
- (d) For the purposes of this section, an employer's "reserve account balance" means the amount of contributions credited to his reserve account as of the computation date, less the benefit charges through June 30 immediately preceding the computation date. If benefits charged to an account exceed contributions credited to the account, the account shall be considered as having a debit balance and a reserve ratio of "less than zero"; and
- (e) "Computation date" is July 31 of each calendar year prior to the effective date of new rates of contributions.

- (6) Notwithstanding any other provisions of this chapter, for the calendar ~~years~~^{year} 2021 *and* 2022, the employer contribution rates shall be determined using the rates listed in Schedule A of Table A.

➔Section 3. KRS 341.614 is amended to read as follows:

- (1) Effective January 1, 2014, there shall be a surcharge upon all subject contributing employers for any year there are insufficient funds in the unemployment compensation administration fund for the payment of interest on advances under Title XII of the Social Security Act or for the repayment of money, including any interest thereon, received from any source related to the payment of interest on such advances.
- (2)
 - (a) The surcharge shall be twenty-two hundredths of one percent (0.22%) of the first nine thousand six hundred dollars (\$9,600) in wages paid to each worker by a subject contributing employer or his predecessor with respect to covered employment during any calendar year.
 - (b) Effective January 1, 2015, and each calendar year thereafter, the secretary shall adjust the surcharge percentage rate based on any increase to the taxable wage base for that calendar year as provided in KRS 341.030(7). The purpose of the adjustment shall be to maintain costs per worker comparable to the original surcharge. Any reduction in the surcharge percentage rate shall correspond to the increase to the taxable wage base for that calendar year and shall be rounded up to the nearest one-hundredth of one percent (0.01%).
 - (c) Notwithstanding paragraph (b) of this subsection, the secretary may reduce the surcharge percentage rate or suspend the surcharge for any calendar year based on the balance of the unemployment insurance interest payment fund and the projected amount due for interest on advances under Title XII of the Social Security Act and for repayment of money, including any interest thereon, received from any source related to the payment of interest on such advances.
- (3) The surcharge established in this section shall be due and payable at the same time and in the same manner as employer contributions. Any surcharge collected shall be deposited in the unemployment insurance interest payment fund.
- (4) Any surcharge unpaid on the date on which it is due and payable, pursuant to subsection (3) of this section, shall be subject to interest at the rate of one and one-half percent (1.5%) per month or fraction thereof, not to exceed ninety percent (90%) of the amount of such surcharge, from and after such date until payment is received by the cabinet, regardless of whether such delinquency has been reduced to a judgment or not as provided in subsection (6) of this section or is the subject of an administrative appeal or court action. The interest collected shall be deposited in the unemployment insurance interest payment fund.
- (5) A lien of the same nature and having the same force, effect, and priority as provided in KRS 341.310 shall commence on all property of a subject contributing employer delinquent in the payment of any surcharge or interest thereon.
- (6) If, after due notice, any subject contributing employer defaults in payment of any surcharge or interest thereon, the amount due may be collected by a civil action instituted in the Franklin Circuit Court or the Franklin District Court depending on the jurisdictional amount in controversy, including interest and penalties, in the name of the state, and the subject contributing employer adjudged in default shall pay the costs of the action. Civil actions brought under this section shall be heard by the court, without the intervention of a jury, at the earliest possible date and shall be entitled to preference on the calendar of the court over all other civil actions, except petitions for judicial review under this chapter and cases arising under the Kentucky workers' compensation law.
- (7) At or after the commencement of an action under subsection (6) of this section, attachment may be had against the property of the liable subject contributing employer for such surcharge and interest without execution of a bond, or, after judgment has been entered, an execution may be issued against the property of such employer without the execution of a bond.
- (8) An action for the recovery of a surcharge or interest thereon under this section shall be barred, and any lien therefor shall be canceled and extinguished, unless collected or suit for collection has been filed within ten (10) years from the due date of such surcharge.
- (9) Notwithstanding subsection (6) of this section, any delinquent surcharge or interest thereon may be collected in accordance with the levy and distraint provisions of this chapter.
- (10) Any delinquent surcharge or interest collected after July 31, 2017, shall not be subject to the credit provisions contained in KRS 341.612 and shall be deposited into the penalty and interest account.

(11) Notwithstanding any other provisions of this chapter, for the calendar ~~years~~^{year} 2021 *and* 2022, there shall be no surcharge assessment.

➔Section 4. There is hereby appropriated Federal Fund moneys from the State Fiscal Recovery Fund of the American Rescue Plan Act in the amount of \$242,628,900 in fiscal year 2021-2022 to the unemployment trust fund to restore the fund balance to pre-pandemic levels.

➔Section 5. Sections 1 to 3 of this Act are retroactive to January 1, 2022.

➔Section 6. Whereas the economic impact of COVID-19 on Kentucky's citizens and businesses is of the utmost importance, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

Signed by Governor March 24, 2022.

AN ACT relating to slow-moving vehicles.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 189.940 is amended to read as follows:

(1) Except as provided in KRS 189.920, the speed limitations set forth in the Kentucky Revised Statutes do not apply to emergency vehicles:

- (a) When responding to emergency calls; or
- (b) To police vehicles when in pursuit of an actual or suspected violator of the law; or
- (c) To ambulances when transporting a patient to medical care facilities; and
- (d) The driver thereof is giving the warning required by subsection (5)(a) and (b) of this section.

No portion of this subsection shall be construed to relieve the driver of the duty to operate the vehicle with due regard for the safety of all persons using the street or highway.

(2) The driver of an emergency vehicle, when responding to an emergency call, or of a police vehicle in pursuit of an actual or suspected violator of the law, or of an ambulance transporting a patient to a medical care facility and giving the warning required by subsection (5) of this section, upon approaching any red light or stop signal or any stop sign shall slow down as necessary for safety to traffic, but may proceed past such red or stop light or stop sign with due regard for the safety of persons using the street or highway.

(3) The driver of an emergency vehicle, when responding to an emergency call, or of a police vehicle in pursuit of an actual or suspected violator of the law, or of an ambulance transporting a patient to a medical care facility and giving warning required by subsection (5) of this section, may drive on the left side of any highway or in the opposite direction of a one-way street provided the normal lanes of traffic are blocked and he *or she* does so with due regard for the safety of all persons using the street or highway.

(4) The driver of an emergency or public safety vehicle may stop or park his vehicle upon any street or highway without regard to the provisions of KRS 189.390 and 189.450, provided that, during the time the vehicle is parked at the scene of an emergency, at least one (1) warning light is in operation at all times.

(5) The driver of an emergency vehicle desiring the use of any option granted by subsections (1) through (3) of this section shall give warning in the following manner:

- (a) By illuminating the vehicle's warning lights continuously during the period of the emergency; and
- (b) By continuous sounding of the vehicle's siren, bell, or exhaust whistle; unless
- (c) The vehicle is an ambulance and the driver is of the opinion that sounding of the siren, bell, or exhaust whistle would be detrimental to the victim's health. In the event the driver of an ambulance elects not to use the siren, bell, or exhaust whistle he *or she* shall not proceed past red lights or drive in the opposite direction on a one-way street or in oncoming lanes of traffic unless no other vehicles are within five hundred (500) feet of the front of the ambulance. The driver shall not extinguish the warning lights during the period of the emergency.

(6) No driver or operator of any emergency or public safety or other vehicle shall use the warning lights or siren, bell, or exhaust whistle of his *or her* vehicle for any purposes or under any circumstances other than those permitted by KRS 189.910 to 189.950.

(7) KRS 189.910 to 189.950 does not relieve the driver of any emergency or public safety vehicle from the duty to drive with due regard for the safety of all persons and property upon the highway.

(8) *The driver of a public safety vehicle which also meets the definition of a slow-moving vehicle under KRS 189.810 and any vehicle acting as an escort for the slow-moving vehicle, may travel at a speed that may impede or block the normal and reasonable movement of traffic, if:*

- (a) *The vehicle is being operated in an official capacity;*

- (b) *Operation of the vehicle is in compliance with all state and local government policies; and*
- (c) *It is necessary for the safe operation of the vehicle.*

➔Section 2. KRS 189.390 is amended to read as follows:

- (1) As used in this section, unless the context requires otherwise:
- (a) "Business district" means the territory contiguous to and including a highway if, within six hundred (600) feet along the highway, there are buildings in use for business or industrial purposes that occupy three hundred (300) feet of frontage on one (1) side or three hundred (300) feet collectively on both sides of the highway;
 - (b) "Residential district" means the territory contiguous to and including a highway not comprising a business district if the property on the highway for a distance of three hundred (300) feet or more is improved with residences or residences and buildings in use for business; and
 - (c) "State highway" means a highway or street maintained by the Kentucky Department of Highways.
- (2) An operator of a vehicle upon a highway shall not drive at a greater speed than is reasonable and prudent, having regard for the traffic and for the condition and use of the highway.
- (3) The speed limit for motor vehicles on state highways shall be as follows, unless conditions exist that require lower speed for compliance with subsection (2) of this section, or the secretary of the Transportation Cabinet establishes a different speed limit in accordance with subsection (4) of this section:
- (a) Sixty-five (65) miles per hour on interstate highways and parkways;
 - (b) Fifty-five (55) miles per hour on all other state highways; and
 - (c) Thirty-five (35) miles per hour in a business or residential district.
- (4) (a) If the secretary of transportation determines, upon the basis of an engineering and traffic investigation, that any speed limit is greater or less than is reasonable or safe under the conditions found to exist at any intersection, or upon any part of a state highway, the secretary of transportation may establish by official order a reasonable and safe speed limit at the location. The secretary shall not increase any speed limit established by subsection (3) of this section in excess of sixty-five (65) miles per hour, except that, notwithstanding the provisions of subsection (3)(a) of this section, the secretary may increase the speed limit on any of the following segments of highway to seventy (70) miles per hour:
1. Interstate 24 (entire length);
 2. Interstate 64 from Interstate 264 to the West Virginia state line;
 3. Interstate 65 from Interstate 264 to the Tennessee state line;
 4. Interstate 69 (entire length);
 5. Interstate 71 from Interstate 264 to Interstate 275;
 6. Interstate 75 from the Tennessee state line to Interstate 275;
 7. Interstate 165 (entire length);
 8. The Audubon Parkway (entire length);
 9. The Julian M. Carroll Purchase Parkway (entire length);
 10. The Bert T. Combs Mountain Parkway (entire length);
 11. The Bert T. Combs Mountain Parkway Extension (entire length);
 12. The Edward T. Breathitt Pennyrile Parkway (entire length);

 14. The Louie B. Nunn Cumberland Expressway (entire length);
 15. The Martha Layne Collins Bluegrass Parkway (entire length); and
 16. The William H. Natcher Parkway (entire length).

- (b) In a highway work zone, the Transportation Cabinet may temporarily reduce established speed limits without an engineering or traffic investigation. A speed limit established under this paragraph shall become effective when and where posted. The Transportation Cabinet shall post signs notifying the traveling public of the temporary highway work zone maximum speed limit. Nothing in this paragraph shall be construed to prevent the Transportation Cabinet from using moveable or portable speed limit signs in highway work zones.
- (5) (a) A city or a county may by ordinance establish speed limits within its own jurisdiction, except as provided in paragraph (b) of this subsection.
- (b) The alteration of speed limits on state highways within a city or a county shall not be effective until the alteration has been approved by the secretary of transportation. The secretary shall not approve any alteration that could increase any speed limit established by subsection (3)(b) or (c) of this section in excess of fifty-five (55) miles per hour.
- (c) If a county determines, upon the basis of an engineering and traffic investigation and study, that it is unsafe to park motor vehicles on or along any highway, other than a state highway, within the unincorporated areas of the county, or that in any business district the congestion of traffic justifies a reasonable limitation on the length of time any one (1) motor vehicle is permitted to park in such district so as to reduce the congestion, the fiscal court may by ordinance establish "no parking" areas on the highway, or limit the length of time any motor vehicle may be parked in any business district.
- (6) The speed limit for motor vehicles in an off-street parking facility offered for public use, whether publicly or privately owned, shall be fifteen (15) miles per hour.
- (7) *Except as outlined in Section 1 of this Act*, a person shall not drive a motor vehicle at a speed that will impede or block the normal and reasonable movement of traffic, except when reduced speed is necessary for safe operation or in compliance with law.
- (8) In every charge for a violation of any speed limit specified in this section, the warrant or citation shall specify the speed at which the defendant is alleged to have driven, and the lawful speed limit applicable at the location where the violation is charged to have occurred.

➔SECTION 3. A NEW SECTION OF KRS CHAPTER 336 IS CREATED TO READ AS FOLLOWS:

(1) *Nothing in any professional employer agreement, or in Sections 1 to 11 of this Act, shall:*

- (b) *Affect, modify, or amend any contractual relationship or restrictive covenant between a covered employee and any client in effect at the time a professional employer agreement becomes effective or any contractual relationship or restrictive covenant that is entered into subsequently between a client and a covered employee. - (c) *Diminish, abolish, or remove rights of covered employees to a client or obligations of the client to a covered employee existing prior to the effective date of the professional employer agreement;*

A covered employee who must be licensed, registered, or certified according to statute or regulation is deemed solely an employee of the client for purposes of any such license, registration, or certification requirement. A professional employer organization shall not be deemed to engage in any occupation, trade, profession, or other activity that is subject to licensing, registration, or certification requirements, or is otherwise regulated by a governmental entity, solely by entering into and maintaining a co-employment relationship with a covered employee who is subject to the requirements or regulations. A client shall have the sole right of direction and control of the professional or licensed activities of a covered employee and of the client's business. Covered employees and clients shall remain subject to regulation by the regulatory agency responsible for licensing, registration, or certification of the covered employees or clients; or*

(2) *For purposes of determining tax credits or other economic incentives provided by the Commonwealth based on employment, covered employees shall be deemed employees solely of the client. A client shall be entitled to the benefit of any tax credit, economic incentive, or other benefit arising as the result of the employment of a covered employee of the client. Notwithstanding that the professional employer organization is the federal form W-2 wage and tax statement reporting employer, the client shall continue to qualify for the tax credit, economic incentive, or benefit. If the grant or amount of any incentive is based on the number of employees, then each client shall be treated as employing only those covered employees that are co-employed by each client. Covered employees working for other clients of the professional employer organization shall not be counted. Each professional employer organization shall provide, upon request by a client or any state agency responsible for administration of any tax credit, economic incentive, or benefit, information reasonably required to support any request, claim, application, or any other action by a client*

seeking the tax credit, economic incentive, or benefit, including wage information, and locations and duties of covered employees.

- (3) *With respect to a bid, contract, purchase order, or agreement entered into with the Commonwealth or any political subdivision of the Commonwealth, a client company's status or certification as a small, minority-owned, disadvantaged, or woman-owned business enterprise or as a historically underutilized business shall not be affected because the client company has entered into an agreement with or uses the services of a professional employer organization.*

➔SECTION 4. A NEW SECTION OF KRS CHAPTER 336 IS CREATED TO READ AS FOLLOWS:

 - (f)
 1. *A financial statement setting forth the financial condition of the professional employer organization or professional employer organization group.*

- (3) *Each professional employer organization operating within this Commonwealth as of the effective date of this Act shall complete its initial registration no later than one hundred eighty (180) days after the effective date of this Act. The initial registration shall be valid until one hundred eighty (180) days from the end of*

the professional employer organization's first fiscal year that is more than one (1) fiscal year after the effective date of this Act.

- (4) *Each professional employer organization not operating within this Commonwealth as of the effective date of this Act shall complete its initial registration prior to initiating operations within this Commonwealth. If a professional employer organization not operating within this Commonwealth becomes aware that an existing client that is not based in this Commonwealth had employees and operations in this Commonwealth, the professional employer organization shall either decline to provide professional employer services for those employees or notify the Department of Workers' Claims within five (5) business days of its knowledge of this fact and file a limited registration application or file a full business registration if there are more than fifty (50) covered employees. The Department of Workers' Claims may issue an interim operating permit for the period the registration applications are pending if the professional employer organization is currently registered or licensed by another state and the Department of Workers' Claims determines it to be in the best interests of the potential covered employees.*
- (5) *Within one hundred eighty (180) days after the end of the fiscal year, a registrant shall renew its registration by notifying the Department of Workers' Claims of any changes in the information provided in the registrant's most recent registration or renewal. A registrant's existing registration shall remain in effect during the pendency of a renewal application.*
- (6) *Professional employer organizations in a professional employer organization group may satisfy the reporting and financial requirements of Sections 1 to 11 of this Act on a combined or consolidated basis provided that each member of the professional employer organization group guarantees the financial capacity obligations under Sections 1 to 11 of this Act of each other member of the professional employer organization group. In the case of a professional employer organization group that submits a combined or consolidated audited financial statement that includes entities that are not professional employer organizations or that are not in the professional employer organization group, the controlling entity of the professional employer organization group under the consolidated or combined statement shall guarantee the obligations of the professional employer organizations in the professional employer organization group.*
- (7)
 - (a) *A professional employer organization is eligible for a limited registration under Sections 1 to 11 of this Act if the professional employer organization:*

 2. *Is domiciled outside this Commonwealth and is licensed or registered as a professional employer organization in another state;*
 3. *Does not maintain an office in this Commonwealth or directly solicit clients located or domiciled within this Commonwealth; or*

 - (b) *A limited registration is valid for one (1) year and may be renewed.*
 - (c) *A professional employer organization seeking limited registration under this subsection shall provide the Department of Workers' Claims with information and documentation necessary to show that the professional employer organization qualifies for a limited registration.*
 - (d) *Section 6 of this Act does not apply to applicants for limited registration.*
- (8) *The Department of Workers' Claims shall maintain a list of professional employer organizations registered pursuant to Sections 1 to 11 of this Act that is readily available to the public by electronic or other means.*
- (9) *The Department of Workers' Claims shall to the extent practical permit by administrative regulation the acceptance of electronic filings, including applications, documents, reports, and other filings required under Sections 1 to 11 of this Act. The Department of Workers' Claims may provide for the acceptance of electronic filings and other assurance by an independent and qualified assurance organization approved by the secretary that provides satisfactory assurance of compliance acceptable to the Department of Workers' Claims consistent with or in lieu of the requirements of this section and Section 6 of this Act, and other requirements of Sections 1 to 11 of this Act. The secretary shall permit a professional employer organization to authorize an approved assurance organization to act on behalf of the professional employer organization in complying with the registration requirements of Sections 1 to 11 of this Act, including*

electronic filings of information and payment of registration fees. Use of an approved assurance organization shall be optional for a registrant. Nothing in this subsection shall limit or change the Department of Workers' Claims' authority to register or terminate registration of a professional employer organization or to investigate or enforce any provision of Sections 1 to 11 of this Act.

- (10) *All records, reports, and other information obtained from a professional employer organization under Sections 1 to 11 of this Act, except to the extent necessary for the proper administration of Sections 1 to 11 of this Act by the Department of Workers' Claims, shall be confidential and shall not be published or open to public inspection other than to public employees in the performance of their public duties.*
- (11) *The Department of Workers' Claims may promulgate administrative regulations and prescribe forms necessary to promote the efficient administration of this section.*

The bond shall be held by a depository designated by the Department of Workers' Claims, securing payment by the professional employer organization of all taxes, wages, benefits, or other entitlement due to or with respect to covered employees should the professional employer organization fail to make payments when due.*

➔SECTION 7. A NEW SECTION OF KRS CHAPTER 336 IS CREATED TO READ AS FOLLOWS:

- (1) *Except as specifically provided in Sections 1 to 11 of this Act, or in a professional employer agreement, in each co-employment relationship:*
 - (a) *The client shall be entitled to exercise all rights, and shall be obligated to perform all duties and responsibilities, otherwise applicable to an employer in an employment relationship;*
 - (b) *The professional employer organization shall be entitled to exercise only those rights, and shall be obligated to perform only those duties and responsibilities, specifically required by Sections 1 to 11 of this Act or set forth in the professional employer agreement. The rights, duties, and obligations of the professional employer organization as co-employer with respect to any covered employee shall be limited to those arising out of the professional employer agreement and Sections 1 to 11 of this Act during the term of co-employment by the professional employer organization of the covered employee; and*
 - (c) *Unless otherwise expressly agreed by the professional employer organization and the client in a professional employer agreement, the client retains the exclusive right to direct and control the covered employees as necessary to conduct the client's business, to discharge any of the client's fiduciary responsibilities, or to comply with any licensure requirements applicable to the client of the covered employees.*

- (2) *Except as otherwise provided in Sections 1 to 11 of this Act, the co-employment relationship between the client and the professional employer organization, and between each co-employer and each covered employee, shall be governed by the professional employer agreement. Each professional employer agreement shall:*
- (a) *Include the allocation of rights, duties, and obligations as set forth in subsection (1) of this section;*
 - (b) *Provide that the professional employer organization shall have responsibility to pay wages to covered employees; to withhold, collect, report and remit payroll and unemployment taxes; and, to the extent the professional employer organization has assumed responsibility in the professional employer agreement, to make payments for employee benefits for covered employees as a result of the outsourcing of payroll duty to the professional employer organization by the client. As used in this paragraph, "wages" does not include any obligation between a client and a covered employee for payments beyond or in addition to the covered employee's salary, draw, or regular rate of pay such as bonuses, commissions, severance pay, deferred compensation, profit sharing, or vacation, sick, or other paid time off, unless the professional employer organization has expressly agreed to assume liability for payments in the professional employer agreement;*
 - (c) *Provide that the professional employer organization shall have a right to hire, discipline, and terminate a covered employee as may be necessary to fulfill the professional employer organization's responsibilities under Section 1 to 11 of this Act and the professional employer agreement. - (3) *A professional employer organization shall provide written notice to each covered employee affected by a professional employer agreement entered into by a professional employer organization. The notice shall set forth the general nature of the co-employment relationship between and among the professional employer organization, the client, and the covered employees. Nothing in this subsection shall create a presumption of liability against a professional employer organization for the acts, errors, or omissions of the covered employees. Notwithstanding any provision to the contrary, the statute of limitations for a claim of a covered employee against a professional employer organization shall not begin to run until the covered employee knew or should have known about the professional employer organization agreement and the identity of the professional employer organization, but in no event shall the statute of limitations be more than one (1) year from the date the original lawsuit was timely filed by the covered employee. Nothing in this subsection shall limit the existing statute of limitations for any causes of action contained in the original lawsuit for the covered employee.*
- (4) *Except to the extent otherwise expressly provided by the applicable professional employer agreement:*

Nothing in this subsection shall create a presumption of liability against a professional employer organization for the acts, errors, or omissions of the covered employees. Notwithstanding any provision to the contrary, the statute of limitations for a claim of an injured party who is not a covered employee against a professional organization shall not begin to run until the injured party who is not a covered employee knew or should have known about the professional employer organization agreement and the identity of the professional employer organization, but in no event shall the statute of limitations be more than one (1) year from the date the original lawsuit was timely filed by the injured party who is not a covered employee. Nothing in this paragraph shall limit the existing statute of limitations for any causes of action contained in the original lawsuit for the injured party who is not a covered employee;*

- (c) *A client shall not be liable for the acts, errors, or omissions of a professional employer organization, or of any covered employee of the client and a professional employer organization when the covered employee is acting under the express direction and control of the professional employer organization;*
 - (d) *A professional employer organization shall not be liable for the acts, errors, or omissions of a client or of any covered employee of the client when the covered employee is acting under the express direction and control of the client;*
 - (e) *Nothing in this subsection shall serve to limit any contractual liability or obligation specifically provided in the written professional employer agreement; and*
 - (f) *A covered employee is not, solely as a result of being a covered employee of a professional employer organization, an employee of the professional employer organization for the purposes of general liability insurance, fidelity bonds, surety bonds, employer's liability which is not covered by workers' compensation, or liquor liability insurance carried by the professional employer organization unless the covered employees are included by specific reference in the professional employer agreement and applicable prearranged employment contract, insurance contract, or bond.*
- (5) *A professional employer organization under Sections 1 to 11 of this Act is not engaged in the sale of insurance or in acting as a third-party administrator by providing professional employer services which include services and employee benefit plans for covered employees.*
- (6) *For purposes of the Commonwealth or any city, county, or other political subdivision thereof:*
- (a) *Covered employees whose services are subject to sales tax shall be deemed the employees of the client for purposes of collecting and levying sales tax on the services performed by the covered employee. Nothing contained in Sections 1 to 11 of this Act shall relieve a client of any sales tax liability with respect to its goods or services;*
 - (b) *Any tax or assessment imposed upon professional employer services or any business license or other fee which is based upon gross receipts shall allow a deduction for the gross income or receipts of the business derived from performing professional employer services that is equal to that portion of the fee charged to a client that represents the actual cost of wages and salaries, benefits, workers' compensation, payroll taxes, withholding, or other assessments paid to or on behalf of a covered employee by the professional employer organization under a professional employer agreement;*
 - (c) *Any tax or assessment or mandated expenditure on a per capita or per employee basis shall be assessed against the client for covered employees and against the professional employer organization for its employees who are not covered employees co-employed with a client. Benefits or monetary consideration that meet the requirements of mandates imposed on a client and that are received by covered employees through the professional employer organization either through payroll or through benefit plans sponsored by the professional employer organization shall be credited against the client's obligation to fulfill the mandates; and*
 - (d) *In the case of a tax or assessment imposed or calculated upon the basis of total payroll, the professional employer organization shall be eligible to apply any small business allowance or exemption available to the client for the covered employees for purpose of commuting the tax.*

➔SECTION 8. A NEW SECTION OF KRS CHAPTER 336 IS CREATED TO READ AS FOLLOWS:

- (1) *Any professional employer organization whose workers' compensation insurance has been terminated within the past five (5) years in any jurisdiction due to a determination that a professional employer organization arrangement was being utilized to avoid premiums, taxes, or assessments otherwise payable by clients shall be ineligible to register with the Department of Workers' Claims or to remain registered, if previously registered.*
- (2) *A client shall fulfill its statutory responsibility to secure benefits for covered employees under this chapter by purchasing and maintaining a standard workers' compensation policy approved by the commissioner of the Department of Workers' Claims. A client may fulfill that responsibility by contracting with a professional employer organization to secure coverage. Where a client contracts with a professional employer organization to secure coverage for a portion of its employees, a client shall obtain and maintain workers' compensation coverage in compliance with KRS Chapter 342 for all employees not covered in the co-employment relationship. In either event, it shall be the responsibility of the client to maintain in its files, at all times, the certificate of insurance, or a copy thereof, evidencing the existence of the required*

"Injury" does not include the effects of the natural aging process, and does not include any communicable disease unless the risk of contracting the disease is increased by the nature of the employment. "Injury" when used generally, unless the context indicates otherwise, shall include an occupational disease and damage to a prosthetic appliance, but shall not include a psychological, psychiatric, or stress-related change in the human organism, unless it is a direct result of a physical injury;
- (2) "Occupational disease" means a disease arising out of and in the course of the employment;

The occupational disease shall be incidental to the character of the business and not independent of the relationship of employer and employee. An occupational disease need not have been foreseen or expected but, after its contraction, it must appear to be related to a risk connected with the employment and to have flowed from that source as a rational consequence;
- (4) "Injurious exposure" shall mean that exposure to occupational hazard which would, independently of any other cause whatsoever, produce or cause the disease for which the claim is made;
- (5) "Death" means death resulting from an injury or occupational disease;
- (6) "Carrier" means any insurer, or legal representative thereof, authorized to insure the liability of employers under this chapter and includes a self-insurer;
- (7) "Self-insurer" is an employer who has been authorized under the provisions of this chapter to carry his own liability on his employees covered by this chapter;
- (8) "Department" means the Department of Workers' Claims in the Labor Cabinet;

For policies with provisions for deductibles with effective dates on or after January 1, 1995, assessments shall be imposed as calculated by the deductible program adjustment. The cost for coverage calculated under this paragraph by insurance companies that issue only deductible insurance policies in Kentucky shall be actuarially adequate to cover the entire liability of the employer for compensation under this chapter,

- (a) The base period shall be the earliest three (3) calendar years of the five (5) calendar years immediately preceding the calendar year for which the calculation is made. The commissioner shall identify each claim of the employer which has an injury date or date of last injurious exposure to the cause of an occupational disease during each one (1) of the three (3) calendar years to be used as the base, and shall assign a value to each claim. The value shall be the total of the indemnity benefits paid to date and projected to be paid, adjusted to current benefit levels, plus the medical benefits paid to date and projected to be paid for the life of the claim, plus the cost of medical and vocational rehabilitation paid to date and projected to be paid. Adjustment to current benefit levels shall be done by multiplying the weekly indemnity benefit for each claim by the number obtained by dividing the statewide average weekly wage which will be in effect for the year for which the premium is being calculated by the statewide average weekly wage in effect during the year in which the injury or date of the last exposure occurred. The total value of the claims using the adjusted weekly benefit shall then be calculated by the commissioner. Values for claims in which awards have been made or settlements reached because of findings of permanent partial or permanent total disability shall be calculated using the mortality and interest discount assumptions used in the latest available statistical plan of the advisory rating organization defined in Subtitle 13 of KRS Chapter 304. The sum of all calculated values shall be computed for all claims in the base period;
 - (b) The commissioner shall obtain the annual payroll for each of the three (3) years in the base period for each employer carrying his own risk from records of the department and from the records of the Department of Workforce Investment, Education and Workforce Development Cabinet. The commissioner shall multiply each of the three (3) years of payroll by the number obtained by dividing the statewide average weekly wage which will be in effect for the year in which the premium is being calculated by the statewide average weekly wage in effect in each of the years of the base period;
 - (c) The commissioner shall divide the total of the adjusted claim values for the three (3) year base period by the total adjusted payroll for the same three (3) year period. The value so calculated shall be multiplied by 1.25 and shall then be multiplied by the employer's most recent annualized payroll, calculated using records of the department and the Department of Workforce Investment data which shall be made available for this purpose on a quarterly basis as reported, to obtain the premium for the next calendar year for assessment purposes under KRS 342.122;

- (d) For November 1, 1987, through December 31, 1988, premium for each employer carrying its own risk shall be an amount calculated by the board pursuant to the provisions contained in this subsection and such premium shall be provided to each employer carrying its own risk and to the funding commission on or before January 1, 1988. Thereafter, the calculations set forth in this subsection shall be performed annually, at the time each employer applies or renews its application for certification to carry its own risk for the next twelve (12) month period and submits payroll and other data in support of the application. The employer and the funding commission shall be notified at the time of the certification or recertification of the premium calculated by the commissioner, which shall form the employer's basis for assessments pursuant to KRS 342.122 for the calendar year beginning on January 1 following the date of certification or recertification;
 - (e) If an employer having fewer than five (5) years of doing business in this state applies to carry its own risk and is so certified, its premium for the purposes of KRS 342.122 shall be based on the lesser number of years of experience as may be available including the two (2) most recent years if necessary to create a three (3) year base period. If the employer has less than two (2) years of operation in this state available for the premium calculation, then its premium shall be the greater of the value obtained by the calculation called for in this subsection or the amount of security required by the commissioner pursuant to KRS 342.340(1);
 - (f) If an employer is certified to carry its own risk after having previously insured the risk, its premium shall be calculated using values obtained from claims incurred while insured for as many of the years of the base period as may be necessary to create a full three (3) year base. After the employer is certified to carry its own risk and has paid all amounts due for assessments upon premiums paid while insured, the employer shall be assessed only upon the premium calculated under this subsection;
 - (g) "Premium" for each employer defined in KRS 342.630(2) shall be calculated as set forth in this subsection; and
 - (h) Notwithstanding any other provision of this subsection, the premium of any employer authorized to carry its own risk for purposes of assessments due under this chapter shall be no less than thirty cents (\$0.30) per one hundred dollars (\$100) of the employer's most recent annualized payroll for employees covered by this chapter;

- (o) All contracts or offering documents for services, goods, or property purchased or utilized by the system. Notwithstanding KRS 61.878, all contracts, including investment contracts, shall be subject to review by the board, the Auditor of Public Accounts, and the Government Contract Review Committee established pursuant to KRS 45A.705. - (5) No trustee or employee of the board shall:

If the compensation is more than de minimus, the trustee shall disclose the amount of the compensation to the other trustees and recuse himself or herself from any matters involving hiring or retaining a person or a business from whom more than de minimus amounts are received by the trustee. For purposes of this section, "de minimus" means an insignificant amount that does not raise a reasonable question as to the trustee's objectivity.

2. No information shall be disclosed under this paragraph from an account that is paying benefits to a beneficiary due to the death of a member or retiree.
- (b) The release of information under paragraph (a) of this subsection shall not constitute a violation of the Open Records Act, KRS 61.870 to 61.884.

➔Section 3. KRS 6.505 is repealed, reenacted, and amended to read as follows:

- (1) (a) Each legislator in office on July 1, 1980, may within thirty (30) days after that date, and any legislator thereafter taking office may within thirty (30) days after the date thereof, elect to make monthly contributions to the Legislators' Retirement Plan, in an amount equal to five percent (5%) of his *or her* monthly creditable compensation, as defined in KRS 61.510(13), ~~or the amount specified by paragraph (d) of this subsection~~. The election shall be effective to establish membership in the plan as of July 1, 1980, or as of the date from which the thirty (30) day period is measured, as the case may be. Provided, however, that any legislator who was in office on July 1, 1980, and who is in office at the time he *or she* makes the election may, after the expiration of the thirty (30) day period and until May 1, 1982, make the election, in which event he *or she* shall pay to the Legislators' Retirement Plan, for the months between July 1, 1980, and the date of his *or her* election such sum as, when added to any member's contribution by him *or her* that is transferred from another retirement system under KRS 6.535, will equal the member's contribution required by this section. If the member makes his *or her* election after February 1, 1981, he *or she* shall in addition pay to the plan interest on the foregoing sum, at six percent (6%) per annum, calculated as if the sum consisted of equal monthly payments, one (1) of which was due at the end of each month between July 1, 1980, and the date the election was made. The election shall be addressed to and filed with the secretary of the Finance and Administration Cabinet and shall constitute an authorization to the secretary to thereafter cause to be deducted from the member's monthly creditable compensation an amount equal to five percent (5%) thereof, as a voluntarily elected contribution by the member towards the funding of the Legislators' Retirement Plan.
- (b) 1. For a member who begins participating in the Legislators' Retirement Plan prior to January 1, 2014, the election shall operate to create an inviolable contract between such member and the Commonwealth, guaranteeing to and vesting in the member the rights and benefits provided for

under KRS 6.515 to 6.530~~], except that the General Assembly reserves the right to amend, reduce, or suspend any legislative changes to the provisions of KRS 6.500 to 6.577 that become effective on or after July 1, 2018].~~

2.
 - a. For members who begin participating in the Legislators' Retirement Plan on or after January 1, 2014, the General Assembly reserves the right to amend, suspend, or reduce the benefits and rights provided under KRS 6.500 to 6.577 if, in its judgment, the welfare of the Commonwealth so demands, except that the amount of benefits the member has accrued at the time of amendment, suspension, or reduction shall not be affected.
 - b. For purposes of this subparagraph, the amount of benefits the member has accrued at the time of amendment, suspension, or reduction shall be limited to the accumulated account balance the member has accrued at the time of amendment, suspension, or reduction.
 - c. The provisions of this subsection shall not be construed to limit the General Assembly's authority to change any other benefit or right specified by KRS 6.500 to 6.577, for members who begin participating in the Legislators' Retirement Plan on or after January 1, 2014, except the benefits specified by subparagraph 2.b. of this paragraph.
 3. The provisions of this paragraph shall not be construed to limit the General Assembly's authority to amend, reduce, or suspend the benefits and rights of members of the Legislators' Retirement Plan as provided by KRS 6.500 to 6.577 that the General Assembly had the authority to amend, reduce, or suspend, prior to July 1, 2013.
- (c) An election once made under this section either to participate or not to participate in the Legislators' Retirement Plan, shall be considered to apply to all future service as a legislator~~—except as provided by KRS 21.374 or 21.385(3)],~~ whether in the same or a different office as a legislator, and whether or not it is in successive terms.
- (d) Notwithstanding the provisions of this subsection:
1. A legislator who becomes a member of the Legislators' Retirement Plan on or after September 1, 2008, but prior to January 1, 2014, shall make monthly contributions to the Legislators' Retirement Plan in an amount equal to six percent (6%) of his *or her* monthly creditable compensation, as defined in KRS 61.510(13);
 2. A legislator who becomes a member of the Legislators' Retirement Plan on or after January 1, 2014, shall make monthly contributions to the Legislators' Retirement Plan in an amount equal to six percent (6%) of his or her monthly creditable compensation, as defined in KRS 61.510(13), of which:
 - a. Five percent (5%) of his or her monthly creditable compensation, as defined in KRS 61.510(13), shall be used to provide funding for benefits provided under KRS 21.402; and
 - b. One percent (1%) of his or her monthly creditable compensation, as defined in KRS 61.510(13), shall be used exclusively to help fund retiree health benefits as provided by KRS 6.577 and shall not be refunded to the member if the member withdraws his or her accumulated account balance as provided by KRS 21.460. The amounts deducted under this subdivision shall be credited to an account established pursuant to 26 U.S.C. sec. 401(h), within the fund established by KRS 6.530.
- (2) A legislator entitled to elect membership in the retirement system who failed to elect membership within thirty (30) days after taking office may elect membership not later than August 31, 2005. An election, upon being made pursuant to this section, shall operate to create an inviolable contract between the member entitled to elect membership under this subsection and the Commonwealth, guaranteeing to and vesting in the member the rights and benefits provided for under the terms and conditions of KRS 6.500 to 6.577~~], except that the General Assembly reserves the right to amend, reduce, or suspend any legislative changes to the provisions of KRS 6.500 to 6.577 that become effective on or after July 1, 2018].~~
- (3) When any legislator makes a delayed election of membership in the Legislators' Retirement Plan under subsection (2) of this section, his *or her* active membership in the Kentucky Employees Retirement System shall terminate, as of the date his *or her* membership in the Legislators' Retirement Plan becomes effective, and any credit in the Kentucky Employees Retirement System, earned for service as a legislator, which he *or she* then has or which he *or she* subsequently regains while being an active member of the Legislators' Retirement Plan, shall be transferred to and counted as service credit in the Legislators' Retirement Plan, and

shall no longer constitute credit in the Kentucky Employees Retirement System, except for the purpose of validating any other credit in that system if the member pays the difference, if any, between the amount transferred from the Kentucky Employees Retirement System and the actuarial value of the transferred service. However, any credit he *or she* then has in the Kentucky Employees Retirement System, earned for service in any capacity other than a legislator, shall not be affected. No person may attain credit in more than one (1) of the retirement plans or systems mentioned in this section for the same period of service. When credit is transferred from the Kentucky Employees Retirement System to the Legislators' Retirement Plan, the Kentucky Employees Retirement System shall transfer to the Legislators' Retirement Fund an amount equal to the employee's and employer's contributions attributable to that credit, together with interest on the contributions from the date made to the date of transfer at the actuarially assumed interest rate of the Kentucky Employees Retirement System in effect at the time the contributions were made, compounded annually at that same interest rate.

- (4) The state shall, solely for the purpose of compliance with Section 414(h) of the United States Internal Revenue Code, pick up the employee contributions required by this section for all compensation earned after August 1, 1982, and the contributions so picked up shall be treated as employer contributions in determining tax treatment under the United States Internal Revenue Code and KRS 141.010. The picked-up employee contribution shall satisfy all obligations to the retirement system satisfied prior to August 1, 1982, by the employee contribution, and the picked-up employee contribution shall be in lieu of an employee contribution. The state shall pay these picked-up employee contributions from the same source of funds which is used to pay earnings to the employee. The employee shall have no option to receive the contributed amounts directly instead of having them paid by the employer to the system. Employee contributions picked up after August 1, 1982, shall be treated for all purposes of KRS 6.500 to 6.535 in the same manner and to the same extent as employee contributions made prior to August 1, 1982.
- (5) When any legislator elects membership in the Legislators' Retirement Plan in accordance with this section, his *or her* active membership in the Kentucky Employees Retirement System, State Police Retirement System, County Employees Retirement System, or Teachers' Retirement System shall terminate, as of the date his *or her* membership in the Legislators' Retirement Plan becomes effective, and any credit in such other system or systems, earned for service as a legislator, which he *or she* then has or which he *or she* subsequently regains while being an active member of the Legislators' Retirement Plan, shall be transferred to and counted as service credit in the Legislators' Retirement Plan, and shall no longer constitute credit in such other retirement system except for the purpose of validating any other credit in that system. However, any credit he *or she* then has in such other retirement system, earned for service in any capacity other than a legislator, shall not be affected. No person may attain credit in more than one (1) of the retirement plans or systems mentioned in this section, for the same period of service.
- (6) A member of the Legislators' Retirement Plan who would be entitled, under KRS 61.552, to repurchase credit in the Kentucky Employees Retirement System, for previous service as a legislator, which credit had been lost by refund of contributions, may pay the amount required by KRS 61.552 directly to the Legislators' Retirement Plan and thereby obtain credit in that plan for such service, rather than making payment to the Kentucky Employees Retirement System for credit which would be transferred to the Legislators' Retirement Plan. In such event, the Kentucky Employees Retirement System shall transfer to the Legislators' Retirement Plan an amount equal to the employer's contributions that originally were made to the Kentucky Employees Retirement System for the regained service credit, with interest as provided in KRS 6.535. Six (6) months' current service shall be required in the Legislators' Retirement Plan in order for the repurchased credit to remain in force, the same as provided in KRS 61.552. Service purchased under this subsection on or after January 1, 2014, shall not be used to determine the member's participation date in the Legislators' Retirement Plan.

➔Section 4. KRS 6.518 is repealed, reenacted, and amended to read as follows:

- (1) For purposes of this section, "bona fide promotion or career advancement":
 - (a) Means a professional advancement in substantially the same line of work held by the member in the four (4) years immediately prior to the final five (5) annual years preceding retirement or a change in employment position based on the training, skills, education, or expertise of the member that imposes a significant change in job duties and responsibilities to clearly justify the increased compensation to the member; and
 - (b) Does not include any circumstance in which a legislator participating in the Legislators' Retirement Plan takes a position of employment with an employer participating in any of the other state-administered retirement systems.

- (2) (a) For members retiring on or after January 1, 2018, the plan shall, for each of the retiring member's last five (5) annual years of service in the General Assembly or with any employer participating in any of the state-administered retirement systems, identify any annual year in which the creditable compensation used to calculate benefits in the Legislators' Retirement Plan increased at a rate of ten percent (10%) or more annually over the immediately preceding annual year's creditable compensation.
- (b) Except as limited or excluded by subsections (3) and (4) of this section, any amount of increase in creditable compensation for an annual year identified under paragraph (a) of this subsection that exceeds ten percent (10%) more than the member's creditable compensation from the immediately preceding annual year shall not be included in the creditable compensation used to calculate the member's monthly pension benefits. If the creditable compensation for a specific annual year identified under paragraph (a) of this subsection as exceeding the ten percent (10%) increase limitation is not used to calculate the retiring member's monthly pension benefits, then no reduction in creditable compensation shall occur for that annual year. Reductions to creditable compensation as provided by this paragraph shall include any creditable compensation used to calculate the retiring member's benefits, including creditable compensation earned in another state-administered retirement system.
- (c) If the creditable compensation of the retiring member is reduced as provided by paragraph (b) of this subsection, the retirement system shall, notwithstanding KRS 21.460 and as applicable, refund the member contributions attributable to the reduction in creditable compensation.
- (3) In order to ensure the prospective application of the limitations on increases in creditable compensation contained in subsection (2) of this section, only the creditable compensation earned by the retiring member on or after July 1, 2017, shall be subject to reduction under subsection (2) of this section. Creditable compensation earned by the retiring member prior to July 1, 2017, shall not be subject to reduction under subsection (2) of this section.
- (4) Subsections (2) and (3) of this section shall not apply to increases that are the direct result of a bona fide promotion or career advancement.
- (5) The Judicial Form Retirement System board of trustees shall determine whether increases in creditable compensation during the last five (5) annual years of employment prior to retirement constitute a bona fide promotion or career advancement and may promulgate administrative regulations in accordance with KRS Chapter 13A to administer this section. All state-administered retirement systems shall cooperate to implement this section.
- (6) This section shall not apply to ~~the~~
- (a) ~~employees participating in the hybrid cash balance plan[plans] as provided by KRS 21.402[or 61.597];~~

- (2) A judge or justice entitled to elect membership in the retirement system who failed to elect membership within thirty (30) days after taking office in 1980 or who elected membership in the Kentucky Employees Retirement System may elect membership not later than August 31, 2005. An election, upon being made pursuant to this section, shall operate to create an inviolable contract between the member entitled to elect membership under this subsection and the Commonwealth, guaranteeing to and vesting in the member the rights and benefits provided for under the terms and conditions of KRS 21.350 to 21.510~~, except that the General Assembly reserves the right to amend, reduce, or suspend any legislative changes to the provisions of KRS 21.345 to 21.580 that become effective on or after July 1, 2018].~~

- (3) (a) When any judge makes a delayed election of membership in the Judicial Retirement Plan under subsection (2) of this section, his *or her* active membership in the Kentucky Employees Retirement System shall terminate, as of the date his *or her* membership in the Judicial Retirement Plan becomes effective, and any credit in the Kentucky Employees Retirement System, earned for service as a judge, which he *or she* then has or which he *or she* subsequently regains while being an active member of the Judicial Retirement Plan, shall be transferred to and counted as service credit in the Judicial Retirement Plan, and shall no longer constitute credit in the Kentucky Employees Retirement System, except for the purpose of validating any other credit in that system, if the member pays the difference, if any, between the amount transferred from the Kentucky Employees Retirement System and the actuarial value of the transferred service.
- (b) Any credit he *or she* then has in the Kentucky Employees Retirement System, earned for service in any capacity other than a judge, shall not be affected. Notwithstanding any provisions of KRS 61.680 to the contrary, final compensation used to determine benefits for any service credit remaining in the Kentucky Employees Retirement System shall be based on the highest years of compensation as a judge whether the years occur before or after the judge elects membership in the Judicial Retirement Plan.
- (c) No person may attain credit in more than one (1) of the retirement plans or systems mentioned in this section for the same period of service. When credit is transferred from the Kentucky Employees Retirement System to the Judicial Retirement Plan, the Kentucky Employees Retirement System shall transfer to the Judicial Retirement Fund an amount equal to the employee's and employer's contributions attributable to that credit, together with interest on the contributions from the date made to the date of transfer at the actuarially-assumed interest rate of the Kentucky Employees Retirement System in effect at the time the contributions were made, compounded annually at that same interest rate.
- (4) Membership and benefit rights for judges and justices ~~{other than judges of the District Court}~~, and for the commissioners and administrative director, who took office prior to July 1, 1978, shall be dependent upon valid elections having been made under this section ~~{and KRS 21.355 and 21.365}~~ prior to the 1978 amendment to this section. The terms of such elections, including the contribution rate, shall continue to govern for the duration of the member's service.
- (5) When any Judge of the District Court in office on July 1, 1978, elects membership in the Judicial Retirement Plan in accordance with this section, his *or her* membership in the Kentucky Employees Retirement System shall terminate as of July 1, 1978, and any credit in that system he *or she* earned for service as a judge of the District Court shall be nullified; provided that the effect of such service to validate any other service credit in that system shall not be nullified.
- (6) The state shall, solely for the purpose of compliance with Section 414(h) of the United States Internal Revenue Code, pick up the employee contributions required by this section for all compensation earned after August 1, 1982, and the contributions so picked up shall be treated as employer contributions in determining tax treatment under the United States Internal Revenue Code and KRS 141.010. The picked-up employee contribution shall satisfy all obligations to the retirement system satisfied prior to August 1, 1982, by the employee contribution, and the picked-up employee contribution shall be in lieu of an employee contribution. The state shall pay these picked-up employee contributions from the same source of funds which is used to pay earnings to the employee. The employee shall have no option to receive the contributed amounts directly instead of having them paid by the employer to the system. Employee contributions picked up after August 1, 1982, shall be treated for all purposes of KRS 21.345 to 21.570 in the same manner and to the same extent as employee contributions made prior to August 1, 1982.

- (1) In a situation in which, by reason of federal tax law, the failure to commence the payment of retirement benefits to a vested member of the Kentucky Judicial Retirement Plan, by a specified date after the member reaches a specified age, as designated by the federal tax law, will result in the imposition of a special excise tax, the member, without retiring, shall be entitled, as of the specified date, to commence drawing from the plan the monthly benefit he *or she* would have been entitled to had he *or she* retired on that date. Notwithstanding the provisions of KRS 21.360 and 61.680, a member who began participating in the Judicial

Retirement Plan prior to January 1, 2014, may, at his *or her* option, continue to be a participating member of the plan thereafter until he *or she* retires, or, may elect to cease to be a participating member of the plan, in which latter event he *or she* shall not be required to become a participating member of the Kentucky Employees Retirement System.

The member's surviving spouse, if married to the member at the time of his *or her* ultimate retirement, shall be considered to be the surviving spouse with respect to both the additional and the initial benefits.

➔Section 1. KRS 61.637 is amended to read as follows:

- (1) A retired member who is receiving monthly retirement payments under any of the provisions of KRS 61.510 to 61.705 and 78.510 to 78.852 and who is reemployed as an employee by a participating agency prior to August 1, 1998, shall have his or her retirement payments suspended for the duration of reemployment. Monthly payments shall not be suspended for a retired member who is reemployed if he or she anticipates that he or she will receive less than the maximum permissible earnings as provided by the Federal Social Security Act in compensation as a result of reemployment during the calendar year. The payments shall be suspended at the beginning of the month in which the reemployment occurs.
- (2) Employer and employee contributions shall be made as provided in KRS 61.510 to 61.705 and 78.510 to 78.852 on the compensation paid during reemployment, except where monthly payments were not suspended as provided in subsection (1) of this section or would not increase the retired member's last monthly retirement allowance by at least one dollar (\$1), and the member shall be credited with additional service credit.
- (3) In the month following the termination of reemployment, retirement allowance payments shall be reinstated under the plan under which the member was receiving payments prior to reemployment.
- (4) (a) Notwithstanding the provisions of this section, the payments suspended in accordance with subsection (1) of this section shall be paid retroactively to the retired member, or his or her estate, if he or she does not receive more than the maximum permissible earnings as provided by the Federal Social Security Act in compensation from participating agencies during any calendar year of reemployment.
- (b) If the retired member is paid suspended payments retroactively in accordance with this section, employee contributions deducted during his or her period of reemployment, if any, shall be refunded to the retired employee, and no service credit shall be earned for the period of reemployment.
- (c) If the retired member is not eligible to be paid suspended payments for his or her period of reemployment as an employee, his or her retirement allowance shall be recomputed under the plan under which the member was receiving payments prior to reemployment as follows:

1. The retired member's final compensation shall be recomputed using creditable compensation for his or her period of reemployment; however, the final compensation resulting from the recalculation shall not be less than that of the member when his or her retirement allowance was last determined;
 2. If the retired member initially retired on or subsequent to his or her normal retirement date, his or her retirement allowance shall be recomputed by using the formula in KRS 61.595(1);
 3. If the retired member initially retired prior to his or her normal retirement date, his or her retirement allowance shall be recomputed using the formula in KRS 61.595(2), except that the member's age used in computing benefits shall be his or her age at the time of his or her initial retirement increased by the number of months of service credit earned for service performed during reemployment;
 4. The retirement allowance payments resulting from the recomputation under this subsection shall be payable in the month following the termination of reemployment in lieu of payments under subparagraph 3. of this paragraph. The member shall not receive less in benefits as a result of the recomputation than he or she was receiving prior to reemployment or would receive as determined under KRS 61.691; and
 5. Any retired member who was reemployed prior to March 26, 1974, shall begin making contributions to the system in accordance with the provisions of this section on the first day of the month following March 26, 1974.
- (5) A retired member, or his or her estate, shall pay to the retirement fund the total amount of payments which are not suspended in accordance with subsection (1) of this section if the member received more than the maximum permissible earnings as provided by the Federal Social Security Act in compensation from participating agencies during any calendar year of reemployment, except the retired member or his or her estate may repay the lesser of the total amount of payments which were not suspended or fifty cents (\$0.50) of each dollar earned over the maximum permissible earnings during reemployment if under age sixty-five (65), or one dollar (\$1) for every three dollars (\$3) earned if over age sixty-five (65).
- (6) (a) "Reemployment" or "reinstatement" as used in this section shall not include a retired member who has been ordered reinstated by the Personnel Board under authority of KRS 18A.095.

The member shall not change beneficiary or payment option designations. This provision shall apply to members reemployed on or after August 1, 1998.
- (8) If a retired member accepts employment or begins serving as a volunteer with an employer participating in the systems administered by Kentucky Retirement Systems or County Employees Retirement System within twelve (12) months of his or her retirement date, the retired member shall notify the Authority and the participating employer shall submit the information required or requested by the Authority to confirm the individual's employment or volunteer status.  - (a) If a member of the Kentucky Employees Retirement System retires from a department which participates in more than one (1) retirement system and is reemployed within one (1) month of his or her initial retirement date by the same department in a position participating in another retirement system, the retired member's retirement allowance shall be suspended for the first month of his or her retirement, and the member shall repay to the retirement system all benefits received for the month.
 - (b) A retired member of the County Employees Retirement System who after initial retirement is hired by the county from which the member retired shall be considered to have been hired by the same employer.
- (12)
 - (a) If a hazardous member who retired prior to age fifty-five (55), or a nonhazardous member who retired prior to age sixty-five (65), is reemployed within six (6) months of the member's termination by the same employer, the member shall obtain from his or her previous and current employers a copy of the job description established by the employers for the position and a statement of the duties performed by the member for the position from which he or she retired and for the position in which he or she has been reemployed.

 - (d) Except as provided in subsection (7) of this section, if the position in which a retired member is employed after initial retirement is a regular full-time position, the retired member shall contribute to a second member account established for him or her in the retirement system. Service credit gained after the member's date of reemployment shall be credited to the second member account; and
 - (e) Upon termination, the retired member shall be entitled to benefits payable from his or her second retirement account.

- (14) (a) If the retirement system determines that the retired member has not been reemployed in a position with the same principal duties as the position from which he or she retired, the retired member shall continue to receive his or her retirement allowance.
- (b) If the position is a regular full-time position, the member shall contribute to a second member account in the retirement system.
- (15) (a) If a retired member is reemployed at least one (1) month after initial retirement in a different position, or at least six (6) months after initial retirement in the same position, and prior to normal retirement age, the retired member shall contribute to a second member account in the retirement system and continue to receive a retirement allowance from the first member account.
- (b) Service credit gained after reemployment shall be credited to the second member account. Upon termination, the retired member shall be entitled to benefits payable from the second member account.
- (16) A retired member who is reemployed and contributing to a second member account shall not be eligible to purchase service credit under any of the provisions of KRS 16.505 to 16.652, 61.510 to 61.705, or 78.510 to 78.852 which he or she was eligible to purchase prior to his or her initial retirement.
- (17) Notwithstanding any provision of subsections (1) to (7)(a) and (10) to (15) of this section, the following shall apply to retired members who are reemployed by an agency participating in one (1) of the systems administered by Kentucky Retirement Systems or County Employees Retirement System on or after September 1, 2008:

 - (c) The seller or retailer shall be relieved of the liability for collecting and remitting the sales and use tax if the seller or retailer meets the requirements of KRS 139.260 and 139.270.

➔Section 2. KRS 139.260 is amended to read as follows:

For the purpose of the proper administration of this chapter and to prevent evasion of the duty to collect the taxes imposed by KRS 139.200 and 139.310, it shall be presumed that all gross receipts and all tangible personal property, digital property, and services sold by any person for delivery or access in this state are subject to the tax until the contrary is established. The burden of proving the contrary is upon the person who makes the sale of:

- (1) (a) ***Except as provided in paragraph (b) of this subsection,*** tangible personal property or digital property unless the person takes from the purchaser a certificate to the effect that the property is either:
 - 1.~~(a)~~ Purchased for resale according to the provisions of KRS 139.270;
 - 2.~~(b)~~ Purchased through a fully completed certificate of exemption or fully completed Streamlined Sales and Use Tax Agreement Certificate of Exemption in accordance with KRS 139.270; or
 - 3.~~(c)~~ Purchased according to administrative regulations promulgated by the department governing a direct pay authorization; ***or***
 - (b) ***Tangible personal property to a purchaser claiming an agriculture exemption under KRS 139.480(4) to (9), 139.480(11), 139.480(13) to (15), or 139.480(23) to (30) unless the person obtains from the purchaser an agriculture exemption license number or a fully completed Streamlined Sales and Use Tax Agreement Certificate of Exemption that contains an agriculture exemption license number in accordance with Section 3 of this Act;***
- (2) A service included in KRS 139.200(2)(a) to (f) unless the person takes from the purchaser a certificate to the effect that the service is purchased through a fully completed certificate of exemption or fully completed Streamlined Sales and Use Tax Agreement Certificate of Exemption in accordance with KRS 139.270; and
 - (3) A service included in KRS 139.200(2)(g) to (q) unless the person takes from the purchaser a certificate to the effect that the service is:
 - (a) Purchased for resale according to KRS 139.270;
 - (b) Purchased through a fully completed certificate of exemption or fully completed Streamlined Sales and Use Tax Agreement Certificate of Exemption in accordance with KRS 139.270; or
 - (c) Purchased according to administrative regulations promulgated by the department governing a direct pay authorization.

➔Section 3. KRS 139.270 is amended to read as follows:

- (1) The resale certificate, certificate of exemption, *agriculture exemption license number*, or Streamlined Sales and Use Tax Agreement Certificate of Exemption relieves the retailer or seller from the burden of proof if the retailer or seller:
 - (a) Within ninety (90) days after the date of sale:
 1. Obtains a fully completed resale certificate, certificate of exemption, or Streamlined Sales and Use Tax Agreement Certificate of Exemption; ~~or~~
 2. *Obtains an agriculture exemption license number from the purchaser or a fully completed Streamlined Sales and Use Tax Agreement Certificate of Exemption that contains an agriculture exemption license number; or*
 3. Captures the relevant data elements that correspond to the information that the purchaser would otherwise provide to the retailer or seller on the Streamlined Sales and Use Tax Agreement Certificate of Exemption; and
 - (b) Maintains a file of the certificate, *agriculture exemption license number, or Streamlined Sales and Use Tax Agreement Certificate of Exemption* obtained or relevant data elements captured in accordance with KRS 139.720.
- (2) The relief from liability provided to the retailer or the seller in this section does not apply to a retailer or seller who:
 - (a) Fraudulently fails to collect the tax;
 - (b) Solicits purchasers to participate in the unlawful claiming of an exemption; or
 - (c) Accepts an exemption certificate when the purchaser claims an entity-based exemption when:
 1. The product sought to be covered by the exemption certificate is actually received by the purchaser at a location operated by the retailer or seller; and
 2. The state in which that location resides provides an exemption certificate that clearly and affirmatively indicates that the claimed exemption is not available in that state.

For purposes of this paragraph, "entity-based exemption" means an exemption based on who purchases the product or who sells the product. An exemption available to all individuals shall not be considered an entity-based exemption.
- (3) (a) If the department requests that the seller or retailer substantiate that the sale was a sale for resale or an exempt sale and the retailer or seller has not complied with subsection (1) of this section, the seller or retailer shall be relieved of any liability for the tax on the transaction if the seller or retailer, within one hundred twenty (120) days of the department's request:
 1. Obtains a fully completed resale certificate, exemption certificate, *agriculture exemption license number*, or Streamlined Sales and Use Tax Agreement Certificate of Exemption from the purchaser for an exemption that:
 - a. Was available under this chapter on the date the transaction occurred;
 - b. Could be applicable to the item being purchased; and
 - c. Is reasonable for the purchaser's type of business; or
 2. Obtains other information establishing that the transaction was not subject to the tax.
- (b) Notwithstanding paragraph (a) of this subsection, if the department discovers through the audit process that the seller or retailer had knowledge or had reason to know at the time the information was provided that the information relating to the exemption claimed was materially false, or the seller or retailer otherwise knowingly participated in activity intended to purposefully evade the tax that is properly due on the transaction, the seller or retailer shall not be relieved of the tax on the transaction. The department shall bear the burden of proof that the seller or retailer had knowledge or had reason to know at the time the information was provided that the information was materially false.

- (4) Notwithstanding subsections (1) and (3) of this section, the seller or retailer may still offer additional documentation that is acceptable by the department that the transaction is not subject to tax and to relieve the seller or retailer from the tax liability.
- (5) If the department later finds that the retailer or seller complied with subsections (1), (3), and (4) of this section, but that the purchaser used the property or service in a manner that would not have qualified for resale status or the purchaser issued a certificate of exemption, *an agriculture exemption license number*, or a Streamlined Sales and Use Tax Agreement Certificate of Exemption and used the property or service in some other manner or for some other purpose, the department shall hold the purchaser liable for the remittance of the tax originally due and may apply penalties provided in KRS 139.990.

➔Section 4. KRS 139.735 is amended to read as follows:

- (1) The department shall not promulgate any administrative regulation or policy, either written or unwritten, whose provisions are more stringent than KRS 139.270 regarding the acceptance of resale certificates, exemption certificates, *agriculture exemption license numbers*, Streamlined Sales and Use Tax Agreement Certificates of Exemption, and direct pay authorizations.
- (2) It shall be mandatory upon the department during any audit process to honor resale certificates, exemption certificates, *agriculture exemption license numbers*, Streamlined Sales and Use Tax Agreement Certificates of Exemption, and direct pay authorizations when executed according to KRS 139.270 and any administrative regulation promulgated by the department concerning direct pay authorizations.

➔Section 5. KRS 139.990 is amended to read as follows:

- (1) Any person who executes:
- (a) A resale certificate for property in accordance with KRS 139.270 knowing at the time of purchase that such property is not to be resold by him in the regular course of business, for the purpose of evading the tax imposed under this chapter;
- (b) An exemption certificate, *agriculture exemption license number*, or a Streamlined Sales and Use Tax Agreement Certificate of Exemption for property in accordance with KRS 139.270, knowing at the time of the purchase that he is not engaged in an occupation that would entitle him to exemption status or any person who does not intend to use the property in the prescribed manner; or
- (c) A direct pay authorization for property not in accordance with an administrative regulation promulgated by the department governing direct pay authorizations;

shall be guilty of a Class B misdemeanor.

- (2) A person who engages in business as a seller in this state without a permit or permits as required by this chapter or after a permit has been suspended, and each officer of any corporation which is so engaged in business, shall be guilty of a Class B misdemeanor.
- (3) Any person who violates any of the provisions of KRS 139.220, 139.380, or 139.700 shall be guilty of a Class B misdemeanor.
- (4) Any person who violates any of the regulations promulgated by the department shall be guilty of a Class B misdemeanor.
- (5) Any person, business, or motion picture production company falsifying expenditure reports, applications, or any other statements made in securing the tax credit afforded by KRS 139.538 shall be guilty of a Class D felony. Such motion picture production companies shall be denied any tax credit to which they would otherwise be entitled, and shall be prohibited from applying for any future credit afforded by KRS 139.538.

➔Section 6. Whereas, the Department of Revenue is currently processing applications for, and implementing the certification of, agriculture exemption license numbers, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

Signed by Governor March 30, 2022.

A JOINT RESOLUTION directing the Cabinet for Health and Family Services to apply for a Medicaid waiver for individuals with severe mental illness and declaring an emergency.

WHEREAS, approximately 746,000 adults in Kentucky have a mental health condition and approximately 113,000 individuals have a severe mental illness (SMI); and

WHEREAS, individuals with SMI are the only population in Kentucky with a disability that does not have a Medicaid waiver; and

WHEREAS, housing is central to recovery for individuals with SMI, but individuals with SMI experience higher rates of housing insecurity and homelessness than the general population; and

WHEREAS, without suitable housing, individuals with SMI have little chance of maintaining other resources in their lives, such as supportive social relationships, employment, and meaningful activities; and

WHEREAS, temporary housing for individuals with SMI who are discharged from a hospital and need a safe place to stay for follow-up appointments while a more permanent plan is processing is also important; and

WHEREAS, employment rates decline with increasing mental illness severity, and individuals with SMI are less likely than individuals with no, mild, or moderate mental illness to be employed after age 49; and

WHEREAS, supported employment helps individuals with mental illness obtain and keep competitive employment; and

WHEREAS, there is evidence to conclude that supported employment significantly increases levels of employment over the long term; and

WHEREAS, a Medicaid waiver will allow housing services and supported employment to be reimbursable by Medicaid, thereby improving access to recovery for individuals with SMI;

NOW, THEREFORE,

Be it resolved by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. The General Assembly hereby directs the Cabinet for Health and Family Services to apply for a Medicaid waiver for individuals with severe mental illness to provide for:

- (1) Supported housing, which may include staffed residences, group homes, family care homes, specialized personal care homes, or personal care homes;
- (2) Medical respite care; and

➔Section 2. The Cabinet for Health and Family Services shall report to the Interim Joint Committee on Health, Welfare, and Family Services by August 1, 2022, of any actions taken and any necessary legislative action that may be needed to obtain a Medicaid waiver targeting individuals with severe mental illness.

➔Section 3. Whereas, the General Assembly desires to provide individuals with SMI with supported housing and employment, an emergency is declared to exist, and this Resolution takes effect upon its passage and approval by the Governor or upon its otherwise becoming law.

CHAPTER 60**(HCR 40)**

A CONCURRENT RESOLUTION urging Kentucky's Congressional delegation to include Kentucky's Veterans Affairs Medical Centers into the Center for Compassionate Innovation, a U.S. Department of Veterans Affairs pilot program enabling the use of hyperbaric oxygen therapy treatment for veterans with a traumatic brain injury or post-traumatic stress disorder.

WHEREAS, the General Assembly values our citizens who are active duty military, National Guard and Reserve members, and veterans, and recognizes the importance of ensuring proper treatment for a wide variety of health issues, especially those caused as a result of their service; and

WHEREAS, the signature wounds of Iraq and Afghanistan are traumatic brain injury (TBI) and post-traumatic stress disorder (PTSD), which affect an estimated 877,450 veterans nationally and 12,800 in Kentucky; and

WHEREAS, although TBI and PTSD can result from any number of traumatic events, the causes for veterans often include roadside bombs, enemy mortar attacks, convoy attacks, and exchanging gunfire while on foot patrol; and

WHEREAS, the United States Congress has mandated significant improvements to the mental health care provided by the Department of Veterans Affairs including partnerships with non-federal government entities to provide hyperbaric oxygen therapy (HBOT) to veterans for treatment of TBI and PTSD; and

WHEREAS, published neurological studies and Institutional Review Board trials have found that HBOT can repair the brain tissue from a TBI and significantly improve the quality of life of over 95% of patients after HBOT sessions; and

WHEREAS, in 2018, Kentucky joined six other states in passing legislation allowing veterans to receive HBOT for TBI and PTSD; and

WHEREAS, Kentucky has several providers capable of providing HBOT services throughout the state, with approximately 34 Hospital Wound Care Centers equipped with 73 functional hyperbaric chambers; and

WHEREAS, the Kentucky veterans program trust fund supported partial funding for HBOT treatments for TBI and PTSD in 2021; and

WHEREAS, the Commander John Scott Hannon Veterans Mental Health Care Improvement Act of 2019 and numerous other pieces of legislation introduced in Congress all support HBOT treatment for veterans with TBI and PTSD; and

WHEREAS, the VA Mission Act of 2018 states, "the Secretary shall not limit the types of hospital care, medical services, or extended care services covered veterans may receive under this section if it is in the best medical interest of the veteran to receive such hospital care, medical services, or extended services, as determined by the veteran and the veteran's health care provider"; and

WHEREAS, the VA Community Care Program is currently available to veterans from local community providers outside of the VA when the VA is not able to provide the care that is needed; and

WHEREAS, the Commonwealth of Kentucky values the brave men and women who have served in the Armed Forces of the United States and the General Assembly supports and encourages the best available treatment for our veterans in gratitude for their service;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

➔Section 1. Kentucky's Congressional delegation is strongly encouraged to communicate the importance and value of including Kentucky's Veterans Affairs Medical Centers into the Center for Compassionate Innovation to help veterans with traumatic brain injuries and post-traumatic stress disorders. Additionally, the VA Community Care Program should be utilized to contract with eligible community partners to provide HBOT treatment for veterans within reasonable travel distance, at prescribed Medicare rates, and pay for this critical care.

➔Section 2. The General Assembly urges a review of the medical results in the VA pilot program in order to improve treatment availability and eliminate current qualifying criteria that pose a serious obstacle to the majority of VA in-care veterans who may qualify for hyperbaric oxygen therapy treatment.

➔Section 3. The Clerk of the House of Representatives is directed to transmit a copy of this Resolution to all members of the Kentucky Congressional delegation; the Secretary of the U.S. Department of Veterans Affairs, Denis Richard McDonough; the Chairman of the U.S. House Committee on Veterans' Affairs, Representative Mark Takano; and the Chairman of the U.S. Senate Committee on Veterans' Affairs, Senator Jon Tester.

The time between the filing of a petition for rehabilitation against an insurer and the denial of the petition or an order of rehabilitation shall not be considered to be a part of the time within which any action may be commenced against the insurer. - (3) Fix the compensation of persons under subsection (2) of this section, subject to the control of the court;
- (4) Defray all expenses of taking possession of, conserving, conducting, liquidating, disposing of, or otherwise dealing with the business and property of the insurer. If the property of the insurer does not contain sufficient cash or liquid assets to defray the costs incurred, the liquidator may advance the costs so incurred out of any available appropriation. Any amounts so paid shall be deemed expense of administration and shall be repaid for the credit of the Department of Insurance out of the first available moneys of the insurer;
- (5) Hold hearings, subpoena witnesses and compel their attendance, administer oaths, examine any person under oath, and compel any person to subscribe to his or her testimony after it has been correctly reduced to writing, and in connection therewith require the production of any books, papers, record, or other documents which he or she deems relevant to the inquiry;
- (6) Collect all debts and moneys due and claims belonging to the insurer, wherever located, and for this purpose institute timely action in other jurisdictions to marshal the assets of the insurer; forestall garnishment and attachment proceedings against such debts; do such other acts as are necessary or expedient to collect, conserve or protect its assets or property, including sell, compound, compromise, or assign for purposes of

collection, subject to court approval and upon such terms and conditions as the liquidator deems best, any disputed claims; and pursue any creditor's remedies available to enforce his or her claims. In lieu of collecting funds representing unearned premium of a policyholder which are in the possession of the insurer's agent with respect to the kinds of direct insurance protected under KRS 304.36-030, the liquidator may authorize the use of such funds to replace the insurance coverage terminated pursuant to KRS 304.33-210, upon receipt from the agent of appropriate notice of such replacement of the insurance coverage with an insurer within sixty (60) days after the date of the liquidation order;

- (7) Audit the books and records of all agents of the insurer insofar as these records relate to the business activities of the insurer;
- (8) Conduct public and private sales of the property of the insurer in a manner prescribed by the court;

The liquidator also may execute, acknowledge, and deliver any deeds, assignments, releases, and other instruments necessary or proper to effectuate any sale of property or other transaction in connection with the liquidation. In cases where real property sold by the liquidator is located other than in the county where the liquidation is pending, the liquidator shall cause to be filed with the county clerk for the county in which the property is located a certified copy of the order appointing him or her;
- (11) Borrow money, subject to court approval, on the security of the insurer's assets or without security and execute and deliver all documents necessary to that transaction for the purpose of facilitating the liquidation;
- (12) Enter into such contracts as are necessary to carry out the order to liquidate, and affirm or disavow any contracts to which the insurer is a party, ***except the liquidator shall not disavow, reject, or repudiate a federal home loan bank security agreement or any pledge agreement, security agreement, collateral agreement, guarantee agreement, or other similar arrangement or credit enhancement relating to a security agreement to which a federal home loan bank is a party;***
- (13) Continue to prosecute and institute in the name of the insurer or in his or her own name any suits and other legal proceedings, in this state or elsewhere, and abandon the prosecution of claims he or she deems unprofitable to pursue further. If the insurer is dissolved under KRS 304.33-220, he or she may apply to any court in this state or elsewhere for leave to substitute himself or herself for the insurer as plaintiff;
- (14) Prosecute any action which may exist in behalf of the creditors, members, policyholders, or shareholders of the insurer against any officer of the insurer, or any other person;
- (15) Remove any records and property of the insurer to the offices of the commissioner or to such other place as is convenient for the purposes of efficient and orderly execution of the liquidation;
- (16) Deposit in one (1) or more banks in this state such sums as are required for meeting current administration expenses and dividend distributions;
- (17) File any necessary documents for record in the office of any county clerk or record office in this state or elsewhere where property of the insurer is located;
- (18) Assert all defenses available to the insurer as against third persons, including statutes of limitations, statutes of frauds, and the defense of usury. A waiver of any defense by the insurer after a petition for liquidation has been filed shall not bind the liquidator;
- (19) Exercise and enforce all the rights, remedies and powers of any creditor, shareholder, policyholder, or member, including any power to avoid any transfer or lien that may be given by law and that is not included within KRS 304.33-290 to 304.33-310, inclusive;
- (20) Intervene in any proceeding wherever instituted that might lead to the appointment of a receiver or trustee, and act as the receiver or trustee whenever the appointment is offered;
- (21) Enter into agreements with any receiver or commissioner of any other state relating to the rehabilitation, liquidation, conservation, or dissolution of an insurer doing business in both states;

- (22) Exercise all powers now held or hereafter conferred upon receivers by the laws of this state not inconsistent with this subtitle; and
- (23) The enumeration in this section of the powers and authority of the liquidator is not a limitation upon him or her, nor does it exclude his or her right to do such other acts not herein specifically enumerated or otherwise provided for as are necessary or expedient for the accomplishment of or in aid of the purpose of liquidation.

➔Section 6. KRS 304.33-290 is amended to read as follows:

- (1) Definition and effect. ***Except as provided in subsection (5) of this section***, every transfer made or suffered and every obligation incurred by an insurer within one (1) year prior to the filing of a successful petition for rehabilitation or liquidation under this subtitle shall be fraudulent as to then existing and future creditors if made or incurred without fair consideration, or with actual intent to hinder, delay or defraud either existing or future creditors. A transfer made or an obligation incurred by an insurer ordered to be rehabilitated or liquidated under this subtitle, which is fraudulent under this section, may be avoided by the receiver, except as to a person who in good faith is a purchaser, lienor, or obligee for a present fair equivalent value; and except that any purchaser, lienor, or obligee, who in good faith has given a consideration less than fair for such transfer, lien, or obligation, may retain the property, lien, or obligation as security for repayment. The court may, on due notice, order any such transfer or obligation to be preserved for the benefit of the estate, and in that event the receiver shall succeed to and may enforce the rights of the purchaser, lienor, or obligee.
- (2) Perfection of transfers.
- (a) Personal property. A transfer of property other than real property shall be deemed to be made or suffered when it becomes so far perfected that no subsequent lien obtainable by legal or equitable proceedings on a simple contract could become superior to the rights of the transferee under subsection (3) of KRS 304.33-310.
- (b) Real property. A transfer of real property shall be deemed to be made or suffered when it becomes so far perfected that no subsequent bona fide purchaser from the insurer could obtain rights superior to the rights of the transferee.
- (c) Equitable liens. A transfer which creates an equitable lien shall not be deemed to be perfected if there are available means by which a legal lien could be created.
- (d) Transfer not perfected prior to petition. Any transfer not perfected prior to the filing of a petition for liquidation shall be deemed to be made immediately before the filing of the successful petition.
- (e) Actual creditors unnecessary. This subsection shall apply whether or not there are or were creditors who might have obtained any liens or persons who might have become bona fide purchasers.
- (3) Fraudulent reinsurance transactions. Any transaction of the insurer with a reinsurer shall be deemed fraudulent and may be avoided by the receiver under subsection (1) of this section if:
- (a) The transaction consists of the termination, adjustment or settlement of a reinsurance contract in which the reinsurer is released from any part of its duty to pay the originally specified share of losses that had occurred prior to the time of the transaction, unless the reinsurer gives a present fair equivalent value for the release; and
- (b) Any part of the transaction took place within one (1) year prior to the date of filing of the petition through which the receivership was commenced.
- (4) Every person receiving any property from the insurer or any benefit thereof which is a fraudulent transfer under this section shall be personally liable therefor and shall be bound to account to the liquidator.
- (5) (a) ***Except as provided in paragraph (b) of this subsection, any transfer of, and any obligation to transfer, money or other property from an insurer-member to the federal home loan bank under a federal home loan bank security, pledge, collateral, or guarantee agreement, or other similar arrangement or credit enhancement, shall not be deemed fraudulent and shall not be avoided by the receiver under subsection (1) of this section if the agreement, arrangement, or enhancement is:***
1. ***Made in the ordinary course of business; and***
 2. ***Made in compliance with the applicable federal home loan bank agreement.***
- (b) ***A transfer may be deemed fraudulent and may be avoided by the receiver under subsection (1) of this section if the transfer is made with the intent to hinder, delay, or defraud:***

1. *An insurer-member;*
2. *The receiver of the insurer-member; or*
3. *Existing or future creditors of the insurer-member.*

➔Section 7. KRS 304.33-310 is amended to read as follows:

(1) Preferences.

- (a) Preference defined. A preference is a transfer of any of the property of an insurer to or for the benefit of a creditor, for or on account of an antecedent debt made or suffered by the insurer within one (1) year before the filing of a successful petition for liquidation under this subtitle, the effect of which transfer may be to enable the creditor to obtain a greater percentage of his debt than another creditor of the same class would receive. If a liquidation order is entered while the insurer is already subject to a rehabilitation order, transfers otherwise qualifying shall be deemed preferences if made or suffered within one (1) year before the filing of the successful petition for rehabilitation or within two (2) years before the filing of the successful petition for liquidation, whichever time is shorter.
- (b) Invalidation of preferences. *Except as provided in subsection (10) of this section*, any preference may be avoided by the liquidator, if:
 1. The insurer was insolvent at the time of the transfer;~~[- or]~~
 2. The transfer was made within four (4) months before the filing of the petition;~~[- or]~~
 3. The creditor receiving it or to be benefited thereby or his agent acting with reference thereto had reasonable cause to believe at the time when the transfer was made that the insurer was insolvent or was about to become insolvent;~~[-]~~ or
 4. The creditor receiving it was an officer, employee, attorney or other person who was in fact in a position of comparable influence in the insurer to an officer whether or not he held such position, or any shareholder holding directly or indirectly more than five percent (5%) of any class of any equity security issued by the insurer, or any other person with whom the insurer did not deal at arm's length.

Where the preference is voidable, the liquidator may recover the property or, if it has been converted, its value from any person who has received or converted the property, except a bona fide purchaser from or lienor of the debtor's transferee for a present fair equivalent value. Where the bona fide purchaser or lienor has given less than fair equivalent value, he shall have a lien upon the property to the extent of the consideration actually given by him. Where a preference by way of lien or security title is voidable, the court may on due notice order the lien or title to be preserved for the benefit of the estate, in which event the lien or title shall pass to the liquidator.

(2) Perfection of transfers.

- (a) Personal property. A transfer of property other than real property is deemed to be made or suffered when it becomes so far perfected that no subsequent lien obtainable by legal or equitable proceedings on a simple contract could become superior to the rights of the transferee.
- (b) Real property. A transfer of real property is deemed to be made or suffered when it becomes so far perfected that no subsequent bona fide purchaser from the insurer could obtain rights superior to the rights of transferee.
- (c) Equitable liens. A transfer which creates an equitable lien is not deemed to be perfected if there are available means by which a legal lien could be created.
- (d) Transfers not perfected prior to petition. A transfer not perfected prior to the filing of a petition for liquidation shall be deemed to be made immediately before the filing of the successful petition.
- (e) Actual creditors unnecessary. This subsection applies whether or not there were creditors who might have obtained liens or persons who might have become bona fide purchasers.

(3) Liens by legal or equitable proceedings.

- (a) Definition. A lien obtainable by legal or equitable proceedings upon a simple contract is one arising in the ordinary course of such proceedings upon the entry or docketing of a judgment or decree, or upon attachment, garnishment, execution or like process, whether before, upon or after judgment or decree

and whether before or upon levy. It does not include liens which under applicable law are given a special priority over other liens which are prior in time.

- (b) When liens are superior. A lien obtainable by legal or equitable proceedings could become superior to the rights of a transferee, or a purchaser could obtain rights superior to the rights of a transferee within the meaning of subsection (2) of this section, if such consequences would follow only from the lien or purchase itself, or from the lien or purchase followed by any step wholly within the control of the respective lienholder or purchaser, with or without the aid of ministerial action by public officials. Such a lien could not, however, become superior and such a purchase could not create superior rights for the purpose of subsection (2) of this section through any acts subsequent to the obtaining of such a lien or subsequent to such a purchase which require the agreement or concurrence of any third party or which require any further judicial action, or ruling.
- (4) Twenty-one day rule. A transfer of property for or on account of a new and contemporaneous consideration which is deemed under subsection (2) of this section to be made or suffered after the transfer because of delay in perfecting it does not thereby become a transfer for or on account of an antecedent debt if any acts required by the applicable law to be performed in order to perfect the transfer as against liens or bona fide purchasers' rights are performed within twenty-one (21) days or any period expressly allowed by the law, whichever is less. A transfer to secure a future loan, if such a loan is actually made, or a transfer which becomes security for a future loan shall have the same effect as a transfer for or on account of a new and contemporaneous consideration.
- (5) Indemnifying transfers also voidable. If any lien deemed voidable under paragraph (b) of subsection (1) of this section has been dissolved by the furnishing of a bond or other obligation, the surety on which has been indemnified directly or indirectly by the transfer of or the creation of a lien upon any property of an insurer before the filing of a petition under this subtitle which results in a liquidation order, the indemnifying transfer or lien shall also be deemed voidable.
- (6) Avoidance of lien. The property affected by any lien deemed voidable under paragraph (b) of subsection (1) of this section and subsection (5) of this section is discharged from the lien, and that property and any of the indemnifying property transferred to or for the benefit of a surety shall pass to the liquidator, except that the court may on due notice order the lien to be preserved for the benefit of the estate and the court may direct that a conveyance be executed which is adequate to evidence the title of the liquidator.
- (7) Hearings to determine rights. The court shall have summary jurisdiction of any proceeding by the liquidator to hear and determine the rights of any parties under this section. Reasonable notice of any hearing in the proceeding shall be given to all parties in interest, including the obligee of a releasing bond or other like obligation. Where an order is entered for the recovery of indemnifying property in kind or for the avoidance of an indemnifying lien, the court, upon application of any party in interest, shall in the same proceeding ascertain the value of the property or lien, and if the value is less than the amount for which the property is indemnity or than the amount of the lien, the transferee or lienholder may elect to retain the property or lien upon payment of its value, as ascertained by the court, to the liquidator within such reasonable times as the court fixes.
- (8) Surety's liability discharged. The liability of a surety under a releasing bond or other like obligation shall be discharged to the extent of the value of the indemnifying property recovered or the indemnifying lien nullified and avoided or, where the property is retained under subsection (7) of this section to the extent of the amount paid to the liquidator.
- (9) Setoff of new advances. If a creditor has been preferred and afterward in good faith gives the insurer further credit without security of any kind, for property which becomes a part of the insurer's estate, the amount of the new credit remaining unpaid at the time of the petition may be set off against the preference which would otherwise be recoverable from him.
- (10) ***Federal home loan bank preferences. A liquidator shall not avoid any preference arising under, or in connection with, a federal home loan bank security agreement or any pledge agreement, security agreement, collateral agreement, guarantee agreement, or other similar arrangement or credit enhancement relating to a security agreement to which a federal home loan bank is a party.***

(1) *As used in this section, "nationally recognized statistical rating organization" or "NRSRO" means a credit rating agency approved by the United States Securities and Exchange Commission to provide assessments of the creditworthiness of financial instruments.*

(2) A workers' compensation self-insured group shall establish plans for premium payment, determination and collection of assessments, and for declaration and payment of dividends or other disbursements, which shall be filed for prior approval with the commissioner. Any change in the plans for premium payment, assessments, or dividends shall be filed for prior approval with the commissioner. (HB 397)

AN ACT relating to disaster days for schools impacted by the western Kentucky tornadoes and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. Notwithstanding the requirement in KRS 158.070 that the student instructional year include 170 student attendance days and any other statute or administrative regulation to the contrary, for school year 2021-2022, the Commissioner of Education shall waive up to 15 student attendance days for days missed by school districts located in counties in which a major disaster was declared by the President of the United States as a result of the western Kentucky tornado outbreak that occurred on December 10 and 11, 2021.

➔Section 2. Notwithstanding any other statute or regulation to the contrary, student attendance days waived under this Act due to the tornado disaster shall be applied on a district-wide basis, except the commissioner of education shall waive additional days on a per school basis for schools that were closed on days that the closure was not district-wide. Student attendance days waived under this Act shall have occurred during the period of December 13, 2021, through January 14, 2022.

➔Section 3. Notwithstanding any other statute, administrative regulation, or local board of education policy to the contrary, each classified and certified employee of a school district who did not perform his or her employment contract work duties on one or more student instructional days waived under the provisions of this Act shall be considered to have completed one day of his or her employment contract for each day waived.

➔Section 4. Student attendance days waived under this Act shall not be counted against student attendance days authorized under a school district's approved nontraditional instruction plan.

➔Section 5. Whereas the provisions of this Act apply to the 2021-2022 school year and provide needed relief to school districts for days missed due to the historic western Kentucky tornado outbreak, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

CHAPTER 66

(HB 33)

AN ACT relating to school facilities.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 157.455 is amended to read as follows:

(1) As used in this section:

- (a) "Life-cycle cost analysis" means to calculate and compare different building designs to identify which is the best investment over the long term. Life-cycle costs include design and construction costs, operating costs, maintenance costs, and repair and replacement costs, adjusted for the time value of money;
- (b) "Net zero building" means a building in which the amount of energy provided by on-site renewable energy sources is equal to the amount of energy used by the building; and
- (c) "Efficient school design" means a school building design:

1. That meets, at a minimum, the requirements of the United States Green Building Council's Leadership in Energy and Environmental Design (LEED) for schools at the "Certified" level or certification under a comparable system with equivalent requirements or other building performance certification systems, such as the United States Department of Energy's Energy Star program;
 2. That ensures energy savings from a building design that equates to or exceeds ten percent (10%) over the American Society of Heating, Refrigerating, and Air Conditioning Engineers energy standard 90.1-2007; and
 3. For which whole building life-cycle cost analysis illustrates that the design is cost-effective.
- (2) The General Assembly hereby finds that schools that are constructed or renovated using efficient school design are proven effective vehicles for accomplishing some or all of the following beneficial public purposes:
- (a) Lower operating costs and increased asset value;
 - (b) Reduced waste sent to landfills;
 - (c) Conservation of energy and water;
 - (d) Reduced storm drainage runoff;
 - (e) Healthier, safer environments for occupants;
 - (f) Reduced emissions of greenhouse gases; and
 - (g) Improved student attendance and performance by:
 1. Using the building as a teaching tool;
 2. Using the local environment as a context for curriculum integration;
 3. Providing rigorous, highly relevant, and applied learning; and
 4. Improving productivity by making buildings healthier for occupants, especially through the increased use of natural light.
- (3) The Kentucky Department of Education and all school districts undertaking the construction of new school buildings or the major renovation of existing school buildings are strongly encouraged to:
- (a) Meet or exceed efficient school design standards in planning and designing all new buildings and major renovation projects;
 - (b) Use life-cycle cost analysis to evaluate different design proposals; and
 - (c) Consider the possibility that each new school building or major renovation of a building could be a net zero building, either during the construction or renovation, or at a later date as resources become available.
- (4) ~~[(a) The Kentucky efficient school design trust fund is hereby created as a restricted account to be administered by the Department of Education.~~
- ~~(b) The account may receive contributions, gifts, donations, appropriations, and any other moneys made available for the account. Notwithstanding KRS 45.229, any moneys remaining in the account at the close of a fiscal year shall not lapse, but shall be carried forward into the succeeding fiscal year to be used for the purposes set forth in this section. Interest on moneys in the account shall accrue to the account.~~
- ~~(c) Moneys in the account shall be used to offset the initial additional cost, if any, associated with the construction or renovation of school buildings using efficient school design.~~
- ~~(d) The Kentucky Board of Education shall promulgate administrative regulations pursuant to KRS Chapter 13A to prescribe how a local school district may qualify for and use funds from the account created by this subsection.~~
- (5) ~~]The Department of Education shall develop and adopt guidelines for efficient school design, net zero buildings, and life-cycle cost analysis, including the identification of appropriate computer-based simulation programs for use in undertaking life-cycle cost analysis.~~
- (5)~~(6)~~ The Department of Education and the Office of Energy Policy shall assist school districts in:

- (a) Developing methods for measuring ongoing operating savings resulting from the use of efficient school design;
- (b) Identifying sources for training for school staff and students to ensure that efficient school design features and components are fully utilized; and
- (c) Identifying ways that efficient school design and its energy-saving components can be integrated into the school curriculum.

~~{(7) The Department of Education and the Office of Energy Policy shall, by November 1, 2010, and each year thereafter, for the fiscal year ending on June 30 of that year, prepare a report that shall be submitted to the Legislative Research Commission and the Governor. The report shall address new school buildings or building renovations and shall include but not be limited to the following:~~

- ~~(a) An assessment of the implementation of efficient school design within Kentucky's education system;~~
- ~~(b) Documented energy savings from any buildings built using efficient school design or net zero school buildings in operation;~~
- ~~(c) A list of the new or renovated school buildings completed or identified for future construction during the prior year using efficient school design, including the name of the school district, name of the school, total project cost, additional cost or savings, if any, associated with efficient school design features, and efficient school design features included in the project;~~
- ~~(d) A list of all school buildings that operate as a net zero building, and school buildings which school districts plan to convert to net zero. The list shall include the name of the school district, the name of the school, the total cost associated with the school building becoming a net zero building, and the components that will be installed to make the building a net zero building;~~
- ~~(e) Any recommendations relating to efficient school design; and~~
- ~~(f) A list of new school buildings completed during the prior year without using efficient school design and an explanation of why efficient school design was not used.}~~

➔Section 2. KRS 198B.060 is amended to read as follows:

- (1) Each local government shall employ a building official or inspector and other code enforcement personnel as necessary, or shall contract for inspection and code enforcement services in accordance with subsections (8) and (11) of this section to enforce the Uniform State Building Code within the boundaries of its jurisdiction, except that permits, inspections, and certificates of occupancy shall not be mandatory for single-family residences unless a local government passes an ordinance requiring inspections of single-family residences.
- (2)
 - (a) Local governments shall be responsible for the examination and approval or disapproval of plans and specifications for churches having a capacity of four hundred (400) or less persons, and six thousand (6,000) or less square feet of total floor area, and buildings of no more than three (3) stories in height, exclusive of attic and basement, which do not contain more than twenty thousand (20,000) square feet of floor area, and are not intended for educational, institutional, or high hazard occupancy; or assembly, business, or industrial occupancy in excess of one hundred (100) persons, except churches as stated in this subsection, or for use as a frozen food locker plant as defined in KRS 221.010.
 - (b) Local governments shall be responsible for the issuance and revocation of building permits, licenses, certificates, and similar documents which cover activities within their area of responsibility, and the inspection of all buildings pursuant to this chapter and the Uniform State Building Code. Each local government issuing a building or demolition permit or an initial certificate of occupancy on a new structure shall send a copy of the permit or certificate to the commissioner for his or her use in maintaining an accurate housing inventory for Kentucky.
 - (c) *Notwithstanding the provisions of paragraph (a) of this subsection or the provisions of KRS 162.060, local governments may have jurisdiction for plan review, inspection, and enforcement responsibility over buildings intended for educational purposes, other than licensed day-care centers, but only when agreed to in writing by the local government and the department. Copies of documentation related to plan review, inspection, and enforcement shall be provided to the Kentucky Department of Education at the time they are issued to the district. Any agreements relating to expanded jurisdiction in effect on the effective date of this Act may be amended accordingly.*

- (3) Urban-county governments may determine service districts within their boundaries within which farm dwellings and other farm buildings, not used in the business of retail trade or as a place of regular employment for ten (10) or more people, shall be exempt from the requirements of the Uniform State Building Code. The determination may be reviewed and altered by the department.
- (4)
 - (a) With the exception of single-family dwellings, the department shall be responsible for the examination and approval or disapproval of plans and specifications for all buildings which are not the responsibility of local governments. The department may issue and revoke permits, licenses, certificates, and similar documents within its area of responsibility, and shall have concurrent jurisdiction with local governments for the inspection of all buildings pursuant to this chapter and the Uniform State Building Code.
 - (b) If the commissioner determines that the local jurisdiction is not adequately performing any portion of its program, the department may preempt that portion of a local program, except that the department shall not preempt or assert jurisdiction for the enforcement of the code on single-family dwellings. The commissioner shall explain his or her reasons for preemption in writing and provide a copy to the local jurisdiction.
 - (c) The local jurisdiction may appeal the preemption directly to the commissioner, and the department shall review the appeal according to the procedures found in subsections (8) to (10) of KRS 198B.070. No preemption by the commissioner shall take place until a final decision has been issued in an appeal under this subsection.
 - (d) If the department preempts any portion of a local program, it shall collect the fees applicable to that portion of the program.
- (5)
 - (a) Any local government may petition the commissioner requesting that additional plan review functions be allocated to that local government. The petition shall include evidence of the local government's capability to perform additional plan review functions.
 - (b) The commissioner, after review of the petition and supporting evidence, may grant or deny to the local government any part of a request for additional responsibility. If the commissioner denies any part of a petition, he or she shall explain his or her reasons for denial in writing, and provide a copy to the local government.
 - (c) A local government may appeal the denial directly to the commissioner, and the department shall review the appeal according to the procedures found in subsections (8) to (10) of KRS 198B.070.
 - (d) If the local government is granted additional responsibility by the commissioner, the department shall hold concurrent jurisdiction over the additional responsibility, but the local government shall collect any fees for functions it performs pursuant to the additional responsibility.
- (6) Any local government may also petition the commissioner requesting that plans and specifications inspection, building inspection, and approval responsibility relating to the application of local plumbing permits for local installations be allocated to the local government. The petition shall not be granted unless the local government has demonstrated to the commissioner that it can perform these functions in accordance with KRS 198B.050 to 198B.090.
- (7) The commissioner shall expedite the review of plans and specifications by assigning responsibilities and coordinating review activities among the department's various functional divisions so as to prevent unnecessary duplication in the review of plans and specifications.
- (8) No building shall be constructed in this state until a local building official and an official representing the department, if the department has jurisdiction, issue a permit for the construction. Nothing in this subsection shall require a single-family dwelling to be permitted or inspected unless a local government has established a building inspection program as set out in this section.
- (9) The local building official or the representative of the department shall issue a permit if the proposed building satisfies the requirements of the Uniform State Building Code and if the party desiring to construct the building has complied with all other legal requirements concerning the location and construction of the building. The applicant for a building permit, by the act of applying for the permit, shall be deemed to have consented to inspection by the local government or the department, of the building during construction and upon the completion of construction for the purpose of determining that the building is constructed in compliance with the Uniform State Building Code.

- (10)
 - (a) No permit for building, construction, reconstruction, renovation, demolition, or maintenance or for any activity related to building, construction, reconstruction, renovation, demolition, or maintenance shall be issued by any building department or by any political subdivision of the Commonwealth of Kentucky to any person seeking the permit unless the person shall assure, by affidavit, that all contractors and subcontractors employed, or that will be employed, on activity covered by the permit shall be in compliance with Kentucky requirements for workers' compensation insurance according to KRS Chapter 342 and unemployment insurance according to KRS Chapter 341.
 - (b) Any person who fails to comply with the assurances required under paragraph (a) of this subsection upon such finding by a court of competent jurisdiction, shall be fined an amount not to exceed four thousand dollars (\$4,000) or an amount equal to the sum of all uninsured and unsatisfied claims brought under the provisions of KRS Chapter 342 and unemployment insurance claims for which no wages were reported as required by KRS Chapter 341, whichever is greater.
 - (c) The penalty imposed in paragraph (b) of this subsection shall be enforced by the county attorney for the county in which the violation occurred.
- (11) A certified electrical inspector shall be employed by, or contracted for, or contracted with a local government having responsibility over buildings described in this section as part of its building inspection program. After a certified electrical inspector has been provided for by the local government or the department, no utility shall initiate permanent electrical service to any new building, or any building which has been moved, until a final certificate of approval has been issued by a certified electrical inspector. Unless the department shall notify the utility in writing as to which buildings are subject to department approval, it shall be presumed by the utility that the building is subject to the jurisdiction of the local government. However, nothing in this section shall prohibit the supply or use of necessary electrical services during the construction and testing process.
- (12) This section shall apply to industrialized building systems, but destructive disassembly of industrialized building systems which carry a seal of approval pursuant to a manufactured building law in the state in which they were manufactured, which seal of approval is accepted by the department, shall not be performed in order to conduct the tests or inspections.
- (13) No building on which construction was begun nor any industrialized building system on which site preparation and assembly were begun after the Uniform State Building Code became effective shall be occupied until the local building official or a representative of the department issues a certificate of occupancy certifying that the building was constructed in conformance with the standards of the Uniform State Building Code, or assembled or installed in conformance with applicable instructions. Nothing in this subsection shall be construed to require a certificate of occupancy to be issued for any single-family dwelling unless a local government has established jurisdiction for the enforcement of the Uniform State Building Code under this section.
- (14) A local government may associate with other local governments, and may seek the technical assistance of other agencies or area development districts in order to provide for the local enforcement of the Uniform State Building Code.
- (15) Local governments or associations of local governments may contract with a person, firm, or company to perform the plans and specifications inspection or building inspection functions required of the local government by the provisions of this section if:
 - (a) The person performing the plans and specifications inspection is certified by the department as having successfully completed the test requirements provided by KRS 198B.090 to practice as a certified plans and specifications inspector;
 - (b) The person performing the building inspection is certified by the department as having successfully completed the test requirements provided in KRS 198B.090 to practice as a certified building inspector;
 - (c) The person, firm, or company does not have a conflict of interest between its plan review or inspection functions and any other employment or business activities;
 - (d) The person performing the plumbing inspection is certified by the department as having successfully completed the requirements provided in KRS 318.140 to practice as a certified plumbing inspector; and
 - (e) The person, firm, or company does not have a conflict of interest between its plan review or inspection functions and any other employment or business activities.
- (16) If the department has reason to believe that an inspector is not enforcing, or is improperly enforcing, the provisions of the Kentucky building codes, it shall conduct an informal hearing to review the inspector's

procedures and return in written form the required corrections resulting from the hearing to the inspector, or may take action to suspend or revoke the inspector's certificate.

- (17) If the inspector fails to comply within sixty (60) days of a written notification from the department that specifies the required corrections, the department shall suspend the inspector's certification until the inspector complies. Any action to suspend or revoke an inspector's certificate may be appealed to the department, and upon appeal an administrative hearing shall be conducted in accordance with KRS Chapter 13B.
- (18) Each local government and the department may establish a schedule of fees for the functions performed under this chapter. The fees shall be designed to fully cover, but shall not exceed, the cost of the service performed. Fees payable to the department shall be paid into the State Treasury and credited to a trust and agency fund to be used by the department in carrying out this chapter. No part of this fund shall revert to the general fund of the Commonwealth.

➔Section 3. The following KRS section is repealed:

- 162.062 Plans for new public school buildings required to provide sufficient water bottle filling stations and drinking fountains -- Specifications for design and maintenance of water bottle filling stations and drinking fountains.

Signed by Governor March 31, 2022.

(HB 154)

AN ACT relating to driving under the influence and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 189A.085 is amended to read as follows:

- (1) Unless a person has been issued an ignition interlock license under KRS 189A.340 or a hardship license under KRS 189A.410, a person who has been convicted of an offense under KRS 189A.010 ~~may~~**shall** have the license plate or plates on all of the motor vehicles or motorcycles owned by him or her, either solely or jointly, impounded by the court of competent jurisdiction in accordance with the following procedures:
- (a) *Following a court order of impoundment of a license plate or plates*~~[At the final sentencing hearing, or within forty-five (45) days thereafter]~~, the person shall physically surrender any and all license plate or plates currently in force on any motor vehicle or motorcycle owned either individually or jointly by him or her to the court **at the final sentencing hearing, or within forty-five (45) days after the hearing. If the person fails to surrender his or her license plate or plates at the final sentencing hearing or within forty-five (45) days thereafter, the court may issue an order directing the sheriff or any other peace officer to seize the license plate or plates and to deliver any seized license plate or plates to the court.** The order of the court suspending the license plate or plates shall not exceed the time for the suspension of the operator's license as specified in KRS 189A.070.

- (b) The clerk of the court shall retain any surrendered plate or plates and *then* transmit all surrendered plate or plates to the Transportation Cabinet in the manner set forth by the Transportation Cabinet in administrative regulations promulgated by the Transportation Cabinet.
- (2) Upon application, the court may grant hardship exceptions to family members or other individuals affected by the surrender of any license plate or plates of any motor vehicle or motorcycle owned by the offender. Hardship exceptions may be granted by the court to the offender's family members or other affected individuals only if the family members or other affected individuals prove to the court's satisfaction that their inability to utilize the surrendered motor vehicles or motorcycles would pose an undue hardship upon the family members or other affected individuals. Upon the court's granting of hardship exceptions, the clerk or the Transportation Cabinet as appropriate, shall return to the family members or other affected individuals the license plate or plates of the motor vehicles or motorcycles of the offender for their utilization. The offender shall not be permitted to operate a motor vehicle or motorcycle for which the license plate has been suspended or for which a hardship exception has been granted, unless the offender has been issued an ignition interlock license under KRS 189A.340 or a hardship license under KRS 189A.410.
- (3) If the license plate of a jointly owned vehicle is impounded, this vehicle may be transferred to a joint owner of the vehicle who was not the violator.
- (4) If the license plate of a motor vehicle is impounded, the vehicle may be transferred.

→Section 2. KRS 189A.103 is amended to read as follows:

The following provisions shall apply to any person who operates or is in physical control of a motor vehicle or a vehicle that is not a motor vehicle in this Commonwealth:

- (1) He or she has given his or her consent to one (1) or more tests of his or her blood, breath, and urine, or combination thereof, for the purpose of determining alcohol concentration or presence of a substance which may impair one's driving ability, if an officer has reasonable grounds to believe that a violation of KRS 189A.010(1) or 189.520(1) has occurred;
- (2) Any person who is dead, unconscious, or otherwise in a condition rendering him or her incapable of refusal is deemed not to have withdrawn the consent provided in subsection (1) of this section, and the test may be given;
- (3) The breath, blood, and urine tests administered pursuant to this section shall be administered at the direction of a peace officer having reasonable grounds to believe the person has committed a violation of KRS 189A.010(1) or 189.520(1).
- (a) Tests of the person's breath, blood, or urine, to be valid pursuant to this section, shall have been performed according to the administrative regulations promulgated by the secretary of the Justice and Public Safety Cabinet, and shall have been performed, as to breath tests, only after a peace officer has had the person under personal observation at the location of the test for a minimum of twenty (20) minutes.
- (b) All breath tests shall be administered by a peace officer holding a certificate as an operator of a breath analysis instrument, issued by the secretary of the Justice and Public Safety Cabinet or his or her designee;
- (4) A breath test shall consist of a test which is performed in accordance with the manufacturer's instructions *or instructions adopted by the Department of Criminal Justice Training and approved by the manufacturer* for the use of the instrument. The secretary of the Justice and Public Safety Cabinet shall keep available for public inspection *and provide, upon request and without charge*, copies of these manufacturer's instructions *or instructions adopted by the Department of Criminal Justice Training and approved by the manufacturer* for all models of breath testing devices in use by the Commonwealth of Kentucky;
- (5) When the preliminary breath test, breath test, or other evidence gives the peace officer reasonable grounds to believe there is impairment by a substance which is not subject to testing by a breath test, then blood or urine tests, or both, may be required in addition to a breath test, or in lieu of a breath test;
- (6) Only a physician, registered nurse, phlebotomist, medical technician, or medical technologist not otherwise prohibited by law can withdraw any blood of any person submitting to a test under this section; and
- (7) After the person has submitted to all alcohol concentration tests and substance tests requested by the officer, the person tested shall be permitted to have a person listed in subsection (6) of this section of his or her own choosing administer a test or tests in addition to any tests administered at the direction of the peace officer.

Tests conducted under this section shall be conducted within a reasonable length of time. Provided, however, the nonavailability of the person chosen to administer a test or tests in addition to those administered at the direction of the peace officer within a reasonable time shall not be grounds for rendering inadmissible as evidence the results of the test or tests administered at the direction of the peace officer.

➔Section 3. KRS 189A.104 is amended to read as follows:

- (1) The only alcohol or substance testing that is subject to refusal or enhancement of penalties provided for in this chapter is:
 - (a) Breath analysis testing by *an instrument*~~[a machine]~~ installed, tested, and maintained by the Commonwealth for that specific purpose at a police station or detention facility;
 - (b) Blood or urine testing at the request of the officer at a police station, detention facility, or medical facility; or
 - (c) Combination of tests required in paragraphs (a) or (b) of this subsection.
- (2) The results of any breath analysis by an instrument other than one specified in subsection (1) of this section shall be inadmissible in court.

➔Section 4. KRS 189A.105 is amended to read as follows:

- (1) A person's refusal to submit to tests under KRS 189A.103 shall result in suspension of his or her driving privilege as provided in this chapter.
- (2) (a) At the time a breath, blood, or urine test is requested, the person shall be informed:
 1. That, if the person refuses to submit to such tests:
 - a. The fact of this refusal may be used against him or her in court as evidence of violating KRS 189A.010 and will result in suspension of his or her driver's license by the court at the time of arraignment; and
 - b. Is subsequently convicted of violating KRS 189A.010(1):
 - i. For a second or third time within a ten (10) year period, he or she will be subject to a mandatory minimum jail sentence which is twice as long as the mandatory minimum jail sentence imposed if he or she submits to the tests; and
 - ii. His or her license will be suspended by the Transportation Cabinet;
 2. That, if a test is taken:
 - a. The results of the test may be used against the person in court as evidence of violating KRS 189A.010(1); and
 - b. The person has the right to have a test or tests of his or her blood performed by a person of his or her choosing described in KRS 189A.103 within a reasonable time of his or her arrest at the expense of the person arrested; and
 3. That although his or her license will be suspended, he or she may be eligible immediately for an ignition interlock license allowing him or her to drive during the period of suspension and, if he or she is convicted, he or she will receive a credit toward any other ignition interlock requirement arising from this arrest.
- (b) Nothing in this subsection shall be construed to prohibit a judge of a court of competent jurisdiction from issuing a search warrant or other court order requiring a blood or urine test, or a combination thereof, of a defendant charged with a violation of KRS 189A.010, or other statutory violation arising from the incident~~[, when a person is killed or suffers physical injury, as defined in KRS 500.080, as a result of the incident in which the defendant has been charged]~~. However, if the incident involves a motor vehicle accident in which there was a fatality, the investigating peace officer shall seek such a search warrant for blood~~[, breath, or urine]~~ testing unless the testing has already been done by consent. If testing done pursuant to a warrant reveals the presence of alcohol or any other substance that impaired the driving ability of a person who is charged and convicted of a violation of KRS 189A.010(1), the sentencing court shall require, in addition to any other sentencing provision, that the defendant make restitution to the state for the cost of the testing.

- (3) During the period immediately preceding the administration of any test, the person shall be afforded an opportunity of at least ten (10) minutes but not more than fifteen (15) minutes to attempt to contact and communicate with an attorney and shall be informed of this right. Inability to communicate with an attorney during this period shall not be deemed to relieve the person of his *or her* obligation to submit to the tests and the penalties specified by KRS 189A.010 and 189A.107 shall remain applicable to the person upon refusal. Nothing in this section shall be deemed to create a right to have an attorney present during the administration of the tests, but the person's attorney may be present if the attorney can physically appear at the location where the test is to be administered within the time period established in this section.
- (4) Immediately following the administration of the final test requested by the officer, the person shall again be informed of his or her right to have a test or tests of his or her blood performed by a person of his or her choosing described in KRS 189A.103 within a reasonable time of his or her arrest at the expense of the person arrested. He or she shall then be asked "Do you want such a test?" The officer shall make reasonable efforts to provide transportation to the tests.

➔Section 5. KRS 189A.107 is amended to read as follows:

- (1) A person who refuses to submit to an alcohol concentration or substance test requested by an officer having reasonable grounds to believe that the person violated KRS 189A.010(1) shall have his or her driver's license suspended during the pendency of the action as provided in KRS 189A.200.
- (2) (a) In the event a defendant is not convicted of a violation of KRS 189A.010(1) in a case in which it is alleged that he or she refused to take an alcohol concentration or substance test, upon motion of the attorney for the Commonwealth, the court shall conduct a hearing, without a jury, to determine by clear and convincing evidence if the person actually refused the testing. However, the hearing shall not be required if the court has made a previous determination of the issue at a hearing held under KRS 189A.200 and 189A.220.
- (b) If the court finds that the person did refuse to submit to *a breath, blood, or urine test*~~the testing~~, the court shall suspend the person's driver's license for the period of time the license would have been suspended upon conviction as set forth in KRS 189A.070(1), except that the court may authorize the person to apply to the Transportation Cabinet for issuance of an ignition interlock license under KRS 189A.340 for the period of the suspension.
- (c) When the court orders the suspension of a person's license pursuant to this subsection, the person shall surrender the license in the same manner prescribed by KRS 189A.200(4). In addition, notice of the suspension shall be immediately transmitted to the Transportation Cabinet.

➔Section 6. KRS 189A.110 is amended to read as follows:

Any person who is arrested for a violation of KRS 189A.010 and who, upon *breath analysis*~~blood alcohol~~ testing, shows ~~an~~~~a blood~~ alcohol *concentration* reading of ~~above~~ .15 percent *or more* shall be detained in custody at least four (4) hours following his *or her* arrest.

➔Section 7. Whereas driving under the influence of alcohol or any substance which impairs one's ability to drive a motor vehicle presents a danger to public safety, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

Returned to Secretary of State April 5, 2022, and became law without Governor's signature April 6, 2022.

If the vote of a voter is rejected pursuant to the challenge, the secrecy envelope shall not be opened, but returned to the outer envelope upon which the chair or member shall write on the envelope the word "rejected";

- (a) Means a professional advancement in substantially the same line of work held by the employee in the four (4) years immediately prior to the final five (5) fiscal years preceding retirement or a change in employment position based on the training, skills, education, or expertise of the employee that imposes a significant change in job duties and responsibilities to clearly justify the increased compensation to the member; and
 - (b) Does not include any circumstance where an elected official participating in the Kentucky Employees Retirement System or the County Employees Retirement System takes a position of employment with a different employer participating in any of the state-administered retirement systems.
- (2) (a) For employees retiring from the Kentucky Employees Retirement System, the County Employees Retirement System, or the State Police Retirement System on or after January 1, 2018, the systems shall, for each of the retiring employee's last five (5) fiscal years of employment, identify any fiscal year in which the creditable compensation increased at a rate of ten percent (10%) or more annually over the immediately preceding fiscal year's creditable compensation. The employee's creditable compensation in the fiscal year immediately prior to the employee's last five (5) fiscal years of employment shall be utilized to compare the initial fiscal year in the five (5) fiscal year period.
- (b) Except as limited or excluded by subsections (3) and (4) of this section, any amount of increase in creditable compensation for a fiscal year identified under paragraph (a) of this subsection that exceeds ten percent (10%) more than the employee's creditable compensation from the immediately preceding fiscal year shall not be included in the creditable compensation used to calculate the retiring employee's monthly retirement allowance. If the creditable compensation for a specific fiscal year identified under paragraph (a) of this subsection as exceeding the ten percent (10%) increase limitation is not used to calculate the retiring employee's monthly retirement allowance, then no reduction in creditable compensation shall occur for that fiscal year.
- (c) If the creditable compensation of the retiring employee is reduced as provided by paragraph (b) of this subsection, the retirement systems:
1. Shall refund the employee contributions and interest attributable to the reduction in creditable compensation; and
 2. Shall not refund the employer contributions paid but shall utilize those funds to pay down the unfunded liability of the pension fund in which the retiring employee participated.
- (3) (a) In order to ensure the prospective application of the limitations on increases in creditable compensation contained in subsection (2) of this section, only the creditable compensation earned by the retiring employee on or after July 1, 2017, shall be subject to reduction under subsection (2) of this section. Creditable compensation earned by the retiring employee prior to July 1, 2017, shall not be subject to reduction under subsection (2) of this section.

- (b) If the reductions in creditable compensation during a retiring member's entire last five (5) years of employment results in a reduction in his or her monthly retirement allowance of less than twenty-five dollars (\$25) per month or an actuarially equivalent value under the various payment options, then no reduction in creditable compensation or retirement allowances shall occur under subsection (2) of this section.
- (4) Subsection (2) of this section shall not apply to:
- (a) A bona fide promotion or career advancement as defined by subsection (1) of this section;
 - (b) A lump-sum payment for compensatory time paid to an employee upon termination of employment;
 - (c) A lump-sum payment made pursuant to an alternate sick leave program under KRS 78.616(5) that is paid to an employee upon termination of employment;
 - (d) Increases in creditable compensation in a fiscal year over the immediately preceding fiscal year, where in the immediately preceding fiscal year the employer reported the employee as being on leave without pay for any reason, including but not limited to sick leave without pay, maternity leave, leave authorized under the Family Medical Leave Act, and any period of time where the employee received workers' compensation benefit payments that were not reported to the plan as creditable compensation;
 - (e) Increases in creditable compensation directly attributable to an employee's receipt of compensation for:
 - 1. Overtime hours worked while serving as a participating employee under any state or federal grant, grant pass-through, or similar program that requires overtime as a condition or necessity of the employer's receipt of the grant; *or*
 - 2. *The first one hundred (100) hours of mandatory overtime hours that the employee is individually required to work by the employer during a fiscal year. This subparagraph shall not be construed to apply to overtime hours voluntarily worked by the employee or in situations in which the employee has the option to elect out of participation in overtime hours. Any mandatory overtime hours exempt under this subparagraph shall be in addition to any overtime hours otherwise exempt under the provisions of this subsection;* and
 - (f) Increases in creditable compensation directly attributable to an employee's receipt of compensation for overtime performed during *and as a result of* a state of emergency declared by:
 - 1. The President of the United States or the Governor of the Commonwealth of Kentucky; *or*
 - 2. *A local government in which the Governor authorizes mobilization of the Kentucky National Guard pursuant to KRS 38.030 and 39A.950 during such time as the National Guard is mobilized.*
- (5) (a) For employees retiring on or after January 1, 2014, but prior to July 1, 2017, the last participating employer shall be required to pay for any additional actuarial costs resulting from annual increases in an employee's creditable compensation greater than ten percent (10%) over the employee's last five (5) fiscal years of employment that are not the direct result of a bona fide promotion or career advancement. The cost shall be determined by the retirement systems.
- (b) Lump-sum payments for compensatory time paid to an employee upon termination of employment shall be exempt from this subsection.
 - (c) The Authority shall be required to answer inquiries from participating employers regarding this subsection. Upon request of the employer prior to the employee's change of position or hiring, the systems shall make a determination that is binding to the systems as to whether or not a change of position or hiring constitutes a bona fide promotion or career advancement.
 - (d) For any additional actuarial costs charged to the employer under this subsection, the systems shall allow the employer to pay the costs without interest over a period of one (1) year from the date of receipt of the employer's final invoice.
- (6) The Authority shall determine whether increases in creditable compensation during the last five (5) fiscal years of employment prior to retirement constitute a bona fide promotion or career advancement and may promulgate administrative regulations in accordance with KRS Chapter 13A to administer this section. All state-administered retirement systems shall cooperate to implement this section.

- (7) Any employer who disagrees with a determination made by the system in accordance with this section regarding whether an increase in compensation constitutes a bona fide promotion or career advancement for purposes of subsection (5) of this section may request a hearing and appeal the decision in accordance with KRS 61.645(16) or 78.782(16).
- (8) For the fiscal year beginning July 1, 2017, and subsequent years, the Kentucky Retirement Systems and the County Employees Retirement System shall provide a means for employers to separately report the specific exceptions provided in subsection (4) of this section within the reporting system utilized by the employers for making employer reports under KRS 16.645, 61.675, and 78.545. The Kentucky Retirement Systems and the County Employees Retirement System shall continually provide communication, instructions, training, and educational opportunities for employers regarding how to appropriately report exemptions established by subsection (4) of this section.

The Kentucky Public Pensions Authority shall adjust the benefits of members, retirees, and recipients accordingly.

➔Section 3. Whereas the retirement benefits of public safety officers have been impacted due to overtime worked during emergencies declared by local governments, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.
