CHAPTER 120

(SB 205)

AN ACT relating to state dealings with companies that engage in energy company boycotts.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔SECTION 1. A NEW SECTION OF KRS CHAPTER 41 IS CREATED TO READ AS FOLLOWS:

The General Assembly finds that:

- (1) *Fossil fuels currently supply more than eighty percent (80%) of the world's primary energy, and the United States Energy Information Administration still projects global consumption of fossil fuels to increase steadily at least through 2050;*
- (2) *Restricting the supply of fossil fuels, without an immediate substitute for those fuels, only serves to raise prices on energy consumers, profoundly impacting the poorest among us;*
- (3) *Denying financing to American and European fossil energy producers, who are among the most socially and environmentally responsible companies in the world, only serves to support hostile nations and less responsible producers;*
- (4) *Banks are increasingly denying financing to creditworthy fossil energy companies solely for the purpose of decarbonizing their lending portfolios and marketing their environmental credentials, to the detriment of potential returns for their shareholders;*
- (5) *Institutional investors are divesting from fossil energy companies and pressuring corporations to commit to the goal of the Paris Agreement to reduce greenhouse gas emissions to zero by 2050;*
- (6) *Large investment firms are colluding to force fossil energy companies to cannibalize their existing businesses and direct time and attention away from increasing shareholder returns;*
- (7) *Corporations are boycotting fossil energy companies by refusing to provide them with products or services; and*
- (8) *Energy-producing states, when financially prudent, should avoid doing business with companies that are attacking the industries that substantially contribute to their state budgets.*

➔SECTION 2. A NEW SECTION OF KRS CHAPTER 41 IS CREATED TO READ AS FOLLOWS:

(1) *As used in Sections 1 to 4 of this Act:*

- (a) *"Company" means a for-profit sole proprietorship, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, limited liability company, or other entity or business association, including a wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations, that exists to make a profit;*
- (b) *"Direct holdings" means, with respect to a financial company, all securities of that financial company held directly by a state governmental entity in an account or fund in which a state governmental entity owns all shares or interests;*
- (c) *"Energy company boycott" means, without an ordinary business purpose, refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations with a company because the company:*

1. *Engages in the exploration, production, utilization, transportation, sale, or manufacturing of fossil fuel-based energy and does not commit or pledge to meet environmental standards beyond applicable federal and state law; or*
 2. *Does business with a company described in subparagraph 1. of this paragraph;*
- (d) *"Financial company" means a publicly traded financial services, banking, or investment company;*
 - (e) *"Indirect holdings" means, with respect to a financial company, all securities of that financial company held in an account or fund, such as a mutual fund, managed by one (1) or more persons not employed by a state governmental entity, in which the state governmental entity owns shares or interests together with other investors not subject to the provisions of this chapter. The term does not include money invested under a plan described by Section 401(k) or 457 of the Internal Revenue Code;*
 - (f) *"Listed financial company" means a financial company listed by the Treasurer;*
 - (g) *"State governmental entity" means any state board, bureau, cabinet, commission, department, authority, officer, or other entity in the executive branch of state government that makes investments, deposits, or transactions in excess of one million dollars (\$1,000,000) annually; and*
 - (h) *"Treasurer" means the State Treasurer.*
- (2) *Notwithstanding any provision of law to the contrary, with respect to actions taken in compliance with Sections 1 to 4 of this Act, including all good faith determinations regarding financial companies as required by Sections 1 to 4 of this Act, a state governmental entity and the Treasurer are exempt from any conflicting statutory or common law obligations, including any obligations with respect to making investments, divesting from any investment, preparing or maintaining any list of financial companies, or choosing asset managers, investment funds, or investments for the state governmental entity's securities portfolios.*
 - (3) *A state governmental entity shall not be subject to the requirements of Sections 1 to 4 of this Act if the state governmental entity determines that the requirements would be inconsistent with its fiduciary responsibility with respect to the investment of entity assets or other duties imposed by law relating to the investment of entity assets.*

➔SECTION 3. A NEW SECTION OF KRS CHAPTER 41 IS CREATED TO READ AS FOLLOWS:

- (1) (a) *The Treasurer shall prepare and maintain, and provide to each state governmental entity through publication on the Treasurer's official Web site, a list of all financial companies that, to the Treasurer's knowledge, have engaged in energy company boycotts. In maintaining the list, the Treasurer may:*
 1. *Review and rely, as appropriate in the Treasurer's judgment, on all available information regarding financial companies, including information provided by the Commonwealth, nonprofit organizations, research firms, international organizations, governmental entities, or other organizations in the business of providing information relevant for investments; and*
 2. *Request written verification from a financial company that it does not engage in energy company boycotts and rely on, as appropriate in the Treasurer's judgment and without conducting further investigation, research, or inquiry, a financial company's written response to the request.*
 - (b) *A financial company that fails to provide to the Treasurer a written verification under paragraph (a)2. of this subsection within sixty (60) days of receiving the request from the Treasurer is presumed to be engaging in energy company boycotts.*
 - (c) *The Treasurer shall update the list required in paragraph (a) of this subsection annually or more often as the Treasurer considers necessary based on information from, among other sources, those listed in paragraph (a) of this subsection.*
 - (d) *Within thirty (30) days of the date the list of financial companies that engage in energy company boycotts is first provided or updated, the Treasurer shall file the list with the Legislative Research Commission and the Attorney General and post the list on a publicly available Internet Web site.*
- (2) *Within thirty (30) days of a state governmental entity receiving the list provided under subsection (1)(a) of this section, the state governmental entity shall notify the Treasurer of the listed financial companies in*

which the state governmental entity owns direct or indirect holdings. Receipt of the list by the state governmental entity shall be presumed upon the publication of the list on the Treasurer's official Web site.

- (3) (a) *For each listed financial company identified under subsection (2) of this section, the state governmental entity shall send a written notice:*
1. *Informing the financial company of its status as a listed financial company;*
 2. *Warning the financial company that it may become subject to divestment by state governmental entities after the expiration of the period described by paragraph (b) of this subsection; and*
 3. *Offering the financial company the opportunity to clarify its activities related to companies that are engaged in energy company boycotts.*
- (b) *Within ninety (90) days of the financial company receiving notice under paragraph (a) of this subsection, the financial company must cease engaging in energy company boycotts in order to avoid becoming subject to divestment by state governmental entities.*
- (c) *If, during the time provided by paragraph (b) of this subsection, the financial company ceases engaging in energy company boycotts, and the Treasurer is made aware of the cessation, the Treasurer shall remove the financial company from the list maintained under subsection (1)(a) of this subsection, and Sections 2, 3, and 4 of this Act shall no longer apply to the financial company unless it resumes engaging in energy company boycotts.*
- (d) *If, after the time provided by paragraph (b) of this subsection expires, the financial company continues to engage in energy company boycotts, the state governmental entity shall sell, redeem, divest, or withdraw all publicly traded securities of the financial company, except securities described in subsection (5) of this section, according to the schedule provided in subsection (4) of this section.*
- (4) (a) *A state governmental entity shall sell, redeem, divest, or withdraw all publicly traded securities of a listed financial company within one (1) year of the expiration of the time period provided in subsection (3)(b) of this section.*
- (b) *If a financial company that ceased engaging in energy company boycotts after receiving notice under subsection (3) of this section resumes its boycott, the state governmental entity shall send a written notice to the financial company informing it that the state governmental entity will sell, redeem, divest, or withdraw all publicly traded securities of the financial company according to the schedule in paragraph (a) of this subsection.*
- (c) *A state governmental entity may delay the schedule for divestment under paragraph (a) of this subsection only to the extent that the state governmental entity determines, in the state governmental entity's good faith judgment, and consistent with the entity's fiduciary duty, that divestment from listed financial companies will likely result in a loss in value or a benchmark deviation described in subsection (6) of this section.*
- (d) *If a state governmental entity delays the schedule for divestment under paragraph (c) of this subsection, the state governmental entity shall submit a report within thirty (30) days of the decision to the Treasurer, the Legislative Research Commission, and the Attorney General stating the reasons and justification for the state governmental entity's delay in divestment from listed financial companies. The report shall include documentation, including objective numerical estimates, supporting its determination that the divestment would result in a loss in value or a benchmark deviation described by subsection (6) of this section.*
- (5) *A state governmental entity shall not be required to divest from any indirect holdings in actively or passively managed investment funds or private equity funds. The state governmental entity shall submit the list of all financial companies that have engaged in energy company boycotts to each investment fund manager and request that if any of those companies are present within their funds, they remove those financial companies from the fund or create a similar actively or passively managed fund with indirect holdings devoid of listed financial companies. If a manager creates a similar fund with substantially the same management fees and same level of investment risk and anticipated return, the state governmental entity may replace all applicable investments with investments in the similar fund in a time frame consistent with prudent fiduciary standards but not later than the four hundred fifty (450) days after the date the fund is created.*

- (6) (a) *A state governmental entity may cease divesting from one (1) or more listed financial companies only if reasonable evidence shows that:*
1. *The state governmental entity has suffered or will suffer a material financial loss as a result of having to divest from listed financial companies under this section; or*
 2. *An individual portfolio that uses a benchmark-aware strategy would be subject to an aggregate expected deviation from its benchmark as a result of having to divest from listed financial companies under this section.*
- (b) *A state governmental entity may cease divesting from a listed financial company as provided by this section only to the extent necessary to ensure that the state governmental entity does not suffer a loss in value or deviate from its benchmark as described by paragraph (a) of this subsection.*
- (c) *Before a state governmental entity may cease divesting from a listed financial company under this section, the state governmental entity shall provide a written report to the Treasurer, the Legislative Research Commission, and the Attorney General setting forth the reason and justification, supported by reasonable evidence, for deciding to cease divestment or to remain invested in a listed financial company.*

CHAPTER 122

(HB 501)

AN ACT relating to child support.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. KRS 403.212 is amended to read as follows:

- (1) The following provisions and child support table shall be the child support guidelines established for the Commonwealth of Kentucky.
- (2) *The Cabinet for Health and Family Services shall:*
- (a) *Promulgate an administrative regulation in accordance with KRS Chapter 13A establishing a child support obligation worksheet; and*
 - (b) *Make accessible on its Web site a manual providing examples or illustrations of the application of the child support guidelines and the child support obligation worksheet.*
- ~~(3)~~~~(2)~~ For the purposes of the child support guidelines:
- (a) "Income" means actual gross income of the parent if employed to full capacity or potential income if unemployed or underemployed;
 - (b) "Gross income" includes income from any source, except as excluded in this subsection, and includes but is not limited to income from salaries, wages, retirement and pension funds, commissions, bonuses, dividends, severance pay, pensions, interest, trust income, annuities, capital gains, Social Security benefits, workers' compensation benefits, unemployment insurance benefits, disability insurance benefits, Supplemental Security Income (SSI), gifts, prizes, and alimony or maintenance received. Specifically excluded are benefits received from means-tested public assistance programs, including but not limited to public assistance as defined under Title IV-A of the Federal Social Security Act, and food stamps;
 - (c) For income from self-employment, rent, royalties, proprietorship of a business, or joint ownership of a partnership or closely held corporation, "gross income" means gross receipts minus ordinary and necessary expenses required for self-employment or business operation. Straight-line depreciation, using Internal Revenue Service (IRS) guidelines, shall be the only allowable method of calculating depreciation expense in determining gross income. Specifically excluded from ordinary and necessary expenses for purposes of this guideline shall be investment tax credits or any other business expenses inappropriate for determining gross income for purposes of calculating child support. Income and expenses from self-employment or operation of a business shall be carefully reviewed to determine an appropriate level of gross income available to the parent to satisfy a child support obligation. In most cases, this amount will differ from a determination of business income for tax purposes. Expense reimbursement or in-kind payments received by a parent in the course of employment, self-employment, or operation of a business or personal use of business property or payments of expenses by a business, shall be counted as income if they are significant and reduce personal living expenses such as a company or business car, free housing, reimbursed meals, or club dues;

- (d) "Self-support reserve" means a low-income adjustment amount to the obligated parent of nine hundred fifteen dollars (\$915) per month that considers the subsistence needs of the ~~obligor parent~~ with a limited ability to pay in accordance with 45 C.F.R. sec. 302.56(c)(1)(ii), and as applied under subsection ~~(5)(3)~~ of this section;
- (e) 1. If there is a finding that a parent is voluntarily unemployed or underemployed, child support shall be calculated based on a determination of potential income, except that a finding of voluntary unemployment or underemployment and a determination of potential income shall not be made for a parent who is incarcerated, physically or mentally incapacitated, or is caring for a very young child, age three (3) or younger, for whom the parents owe a joint legal responsibility;
2. A court may find a parent is voluntarily unemployed or underemployed without finding that the parent intended to avoid or reduce the child support obligation; and
3. Imputation of potential income, when applicable, shall include consideration of the following circumstances of the parents, to the extent known:
- a. Assets and residence;
 - b. Employment, earning history, and job skills;
 - c. Educational level, literacy, age, health, and criminal record that could impair the ability to gain or continue employment;
 - d. Record of seeking work;
 - e. Local labor market, including availability of employment for which the parent may be qualified and employable;
 - f. Prevailing earnings in the local labor market; and
 - g. Other relevant background factors, including employment barriers;
- (f) **"Obligor" has the same meaning as in KRS 205.710;**
- ~~(g)(f)~~ "Imputed child support obligation" means the amount of child support the parent would be required to pay from application of the child support guidelines;
- ~~(h)(g)~~ Income statements of the parents shall be verified by documentation of both current and past income. Suitable documentation shall include, but shall not be limited to, income tax returns, paystubs, employer statements, or receipts and expenses if self-employed;
- ~~(i)(h)~~ "Combined monthly adjusted parental gross income" means the combined monthly gross incomes of both parents, less any of the following payments made by the parent:
1. The amount of pre-existing orders for current maintenance for prior spouses to the extent payment is actually made and the amount of current maintenance, if any, ordered paid in the proceeding before the court;
 2. The amount of pre-existing orders of current child support for prior-born children to the extent payment is actually made under those orders; and
 3. A deduction for the support to the extent payment is made, if a parent is legally responsible for and is actually providing support for other prior-born children who are not the subject of a particular proceeding. If the prior-born children reside with that parent, an "imputed child support obligation" shall be allowed in the amount which would result from application of the guidelines for the support of the prior-born children; and
- ~~(j)(i)~~ "Split custody arrangement" means a situation where each parent **has sole custody and decision-making authority while the child or children is in his or her residence. Visitation only occurs when the child is in residence with the other parent.** ~~is the residential custodian for one (1) or more children for whom the parents share a joint legal responsibility.~~
- (4) **Any child support obligation shall be calculated by using the number of children for whom the parents share a joint legal responsibility.**
- ~~(5)(3)~~ (a) Except as provided in paragraph (b) of this subsection, the child support obligation set forth in the child support guidelines table shall be divided between the parents in proportion to their combined monthly adjusted parental gross income.

(b) *The child support obligation of an obligated parent whose monthly adjusted gross income is equal to or less than the amounts in subparagraphs 1. to 5. of this paragraph shall be calculated using the monthly adjusted gross income of the obligated parent alone to provide for the self-support reserve. The following monthly adjusted gross income amounts shall qualify an individual for the self-support reserve* ~~If the monthly adjusted gross income of the obligated parent and the number of children for whom support is being determined fall within the following defined areas, which represent the self support reserve, the basic child support obligation shall be calculated by using the monthly adjusted gross income of the obligated parent only to provide the obligated parent with the self support reserve~~:

1. ~~Equal to or less than~~ One thousand one hundred dollars (\$1,100) with one (1) ~~for more~~ child~~{children}~~;
2. ~~Equal to or less than~~ One thousand three hundred dollars (\$1,300) with two (2) ~~for more~~ children;
3. ~~Equal to or less than~~ One thousand four hundred dollars (\$1,400) with three (3) ~~for more~~ children;
4. ~~Equal to or less than~~ One thousand five hundred dollars (\$1,500) with four (4) *or five (5)* ~~for more~~ children; or
5. ~~Equal to or less than~~ One thousand six hundred dollars (\$1,600) with six (6) or more children.

(c) *The obligated parent shall pay the lesser support amount calculated in accordance with:*

1. *Paragraph (a) of this subsection;*
2. *Paragraph (b) of this subsection; and*
3. *As determined under Section 2 of this Act if the shared parenting time credit is applicable.*

~~(4) The child support obligation shall be the appropriate amount for the number of children in the table for whom the parents share a joint legal responsibility.~~

(6) The minimum amount of child support shall be sixty dollars (\$60) per month, *except as provided in subsection (3) of Section 2 of this Act.*

~~(7)~~~~(5)~~ The court may use its judicial discretion in determining child support in circumstances where combined adjusted parental gross income exceeds the uppermost levels of the guideline table.

~~(8)~~~~(6)~~ The child support obligation in a split custody arrangement shall be calculated in the following manner:

- (a) Two (2) separate child support obligation worksheets shall be prepared, one (1) for each household, using the number of children born of the relationship in each separate household, rather than the total number of children born of the relationship.
- (b) The parent with the greater monthly obligation amount shall pay the difference between the obligation amounts, as determined by the worksheets, to the other parent.

~~(9)~~~~(7)~~ The child support guidelines table is as follows:

➔SECTION 2. KRS 403.2121 (Effective March 1, 2022) IS REPEALED AND REENACTED TO READ AS FOLLOWS:

- (1) *For purposes of this section, "day":*
- (a) *Means more than twelve (12) consecutive hours in a twenty-four (24) hour period under the care, control, or direct supervision of one (1) parent or caretaker, or as the court determines based on findings of substantially equivalent care or expense; and*
- (b) *Unless the context requires otherwise, includes housing, entertaining, feeding, and transporting the child, attending to school work, athletic events, extracurricular activities, or other activities that transfer with the child as he or she moves from one parent to the other.*
- (2) (a) *In order to receive a shared parenting time credit, a parent shall maintain care, custody, and control over the child for a minimum of seventy-three (73) days per year, as defined by this section.*
- (b) *The shared parenting time credit shall only be applicable for parenting time that is court-ordered or approved and consistently exercised.*
- (3) *Except as provided in subsection (6) of this section or otherwise provided in this chapter, the child support obligation determined under Section 1 of this Act shall be subject to further adjustment as follows:*
- (a) *For parents who share parenting time under either a court-ordered time-sharing schedule or a time-sharing schedule exercised by agreement of the parties, the court shall:*

1.
 - a. Calculate the child support obligation set forth in the child support guidelines table in accordance with subsection (5)(a) of Section 1 of this Act using the combined gross adjusted income of the parties;
 - b. If both parents exercise their equal shared parenting time, consider the parent with the higher gross monthly income the obligor;
 2. Determine the number of days for both parents on an annual basis based upon either a court-ordered time-sharing schedule or a time-sharing schedule exercised by agreement of the parties;
 3. Using the days a child spends with the obligated parent, determine the adjustment percentage using the shared parenting time credit chart in subsection (4) of this section;
 4. Determine the shared parenting time credit adjustment by multiplying the obligated parent's adjustment percentage by the total support obligation found on the child support obligation worksheet to establish the shared parenting expense adjustment for the obligated parent, as determined in subparagraph 1. of this paragraph; and
 5. Subtract the amount calculated in subparagraph 4. of this paragraph from the obligated parent's monthly obligation, found on the child support obligation worksheet, as determined in subparagraph 1. of this paragraph;
- (b) The court may use its discretion in adjusting each parent's child support obligation under this paragraph in accordance with the factors proscribed in this section, and the following:
1. The obligated parent's low income and ability to maintain the basic necessities of the home for the child;
 2. The likelihood that either parent will actually exercise the time-sharing schedule set forth in the court-ordered time-sharing schedule or time-sharing agreement between the parents;
 3. Whether all of the children are subject to the same time-sharing schedule;
 4. Whether the time-sharing plan results in fewer overnights due to a significant geographical distance between the parties that may affect the child support obligation; and
 5. The military deployment or extended service obligations of the parties; and
- (c) The self-support reserve, as calculated under subsection (5)(b) of Section 1 of this Act, and the shared parenting time credit, as calculated under this subsection, shall not be applied together. The obligor shall be responsible for the lesser support amount as determined under subsection (5)(c) of Section 1 of this Act.

(4) The shared parenting time credit chart is as follows:

<i>Parenting Time Days</i>	<i>Adjustment Percentage</i>
73-87	10.5%
88-115	15%
116-129	20.5%
130-142	25%
143-152	30.5%
153-162	36%
163-172	42%
173-181	48.5%
182-182.5	50%

- (5) Failure by one (1) party to consistently comply with the parenting schedule shall be grounds for the other party to seek modification from the court. A party may seek modification following a fifteen percent (15%) change in the number of timesharing days and shall have the burden of proving a material change in circumstances.

- (6) *This section shall not apply if the child or children subject to the child support award receive public assistance, including:*
- (a) *Kentucky Children's Health Insurance Program (KCHIP);*
 - (b) *Kentucky Transitional Assistance Program (K-TAP);*
 - (c) *Supplemental Nutrition Assistance Program (SNAP); or*
 - (d) *Medicaid.*

➔Section 3. KRS 620.090 is amended to read as follows:

- (1) If, after completion of the temporary removal hearing, the court finds there are reasonable grounds to believe the child is dependent, neglected or abused, the court shall:
- (a) Issue an order for temporary removal and shall grant temporary custody to the cabinet or other appropriate person or agency. Preference shall be given to available and qualified relatives of the child considering the wishes of the parent or other person exercising custodial control or supervision, if known. The order shall state the specific reasons for removal and show that alternative less restrictive placements and services have been considered. The court may recommend a placement for the child;
 - (b) *Inquire as to an existing child support order; and*
 - (c) *If there is no existing order, or if the order is to be amended, the court shall:*
 - 1. *Make specific findings, either written or on the record, as to:*
 - a. *The child support obligation in the best interest of the child;*
 - b. *The action to be taken by the payee, payor, or any other party by making an application for services to the child support office who shall take all appropriate action; or*
 - c. *Setting a hearing as soon as practicable; and*
 - 2. *Require proper service before establishing a new child support order.*
- (2) In placing a child under an order of temporary custody, the cabinet or its designee shall use the least restrictive appropriate placement available. Preference shall be given to available and qualified relatives of the child considering the wishes of the parent or other person exercising custodial control or supervision, if known. The child may also be placed in a facility or program operated or approved by the cabinet, including a foster home, or any other appropriate available placement. However, under no circumstance shall the child be placed in a home, facility, or other shelter with a child who has been committed to the Department of Juvenile Justice for commission of a sex crime as that term is defined in KRS 17.500, unless the child committed for the commission of a sex crime is kept segregated from other children in the home, facility, or other shelter that have not been committed for the commission of a sex crime.
- (3) If the court finds there are not reasonable grounds to believe the child is dependent, neglected or abused, or if no action is taken within seventy-two (72) hours, the emergency custody order shall be dissolved automatically and the cabinet or its designee shall return the child to the parent or other person exercising custodial control or supervision. A request for a continuance of the hearing by the parent or other person exercising custodial control or supervision shall constitute action precluding automatic dissolution of the emergency custody order.
- (4) ~~When the court issues a temporary order for the custody of a child, the order shall initiate an action to establish child support in accordance with KRS 403.211. The court shall establish a child support order, or modify an existing order, within seven (7) days of the issuance of the order of temporary removal.~~
- ~~(5)~~ When the court issues a temporary order for the custody of a child, the court may order that, within two (2) weeks, arrangements be made for the child to receive a thorough medical, visual, and dental examination by a professional authorized by the Kentucky Revised Statutes to conduct such examinations. The costs of the examination shall be paid by the cabinet.
- ~~(5)~~~~(6)~~ The child shall remain in temporary custody with the cabinet for a period of time not to exceed forty-five (45) days from the date of the removal from his home. The court shall conduct the adjudicatory hearing and shall make a final disposition within forty-five (45) days of the removal of the child. The court may extend such time after making written findings establishing the need for the extension and after finding that the extension is in the child's best interest.

~~(6)(7)~~ If custody is granted to a grandparent of the child pursuant to this section, the court shall consider granting reasonable visitation rights to any other grandparent of the child if the court determines the grandparent has a significant and viable relationship with the child as established in KRS 405.021(1)(c).

➔Section 4. KRS 403.090 is amended to read as follows:

- (1) The fiscal court of any county may, by resolution, authorize the appointment of a "friend of the court." If the Circuit Court of the county has but one (1) judge, the appointment shall be made by the judge. If the court has two (2) or more judges, the appointment shall be made by joint action of the judges, at the general term. The person appointed to the office of friend of the court shall serve at the pleasure of, and subject to removal by, the appointing authority. The person appointed shall be a licensed practicing attorney. The appointed person shall take the constitutional oath of office and shall give bond in such sum as may be fixed by the appointing judge or judges.
- (2) Except for those cases administered pursuant to 42 U.S.C. secs. 651 et seq., it shall be the duty of the friend of the court to supervise and enforce the payment of sums ordered or adjudged by the Circuit Court in divorce actions to be paid for the care and maintenance of minor children. All persons who have been ordered or adjudged by the court, in connection with divorce actions, to make payments for the care and maintenance of children, shall, if so ordered by the court, make such payments to the friend of the court. The friend of the court shall see that the payments, except for those cases administered pursuant to 42 U.S.C. secs. 651 et seq., are properly applied in accordance with the order or judgment. However, if the court so directs, the payments may be made through the juvenile session of District Court of the county; in such case the friend of the court shall render such assistance as may be required in keeping records concerning such payments and in the enforcement of delinquent payments, and the Circuit Court may direct that a designated amount or portion of the funds appropriated by the fiscal court for expenses of the friend of the court be paid to the juvenile session of District Court as reimbursement for the expenses incurred by the juvenile session of District Court in connection with the handling of such payments. The friend of the court shall promptly investigate all cases where payments have become delinquent, and when necessary shall cause the delinquent person to be brought before the court for the purpose of compelling payment. The friend of the court shall ascertain the facts concerning the care, custody, and maintenance of children for whom payments are being made, and shall report to the court all cases in which the children are not receiving proper care or maintenance, or in which the person having custody is failing to furnish proper custody. He shall make such other reports to the court as the court may require.
- (3) In the event that a waiver is granted under 42 U.S.C. secs. 651 et seq., allowing payment of wage withholding collections to be directed to the friend of the court, an obligor shall be given the option of payment either to the friend of the court or the centralized collection agency.
- (4) In any action for divorce where the parties have minor children, the friend of the court, if requested by the trial judge, shall make such investigation as will enable the friend of the court to ascertain all facts and circumstances that will affect the rights and interests of the children and will enable the court to enter just and proper orders and judgment concerning the care, custody, and maintenance of the children. The friend of the court shall make a report to the trial judge, at a time fixed by the judge, setting forth recommendations as to the care, custody, and maintenance of the children. The friend of the court may request the court to postpone the final submission of any case to give the friend of the court a reasonable time in which to complete the investigation.
- (5) The friend of the court shall have authority to secure the issuance by the court of any order, rule, or citation necessary for the proper enforcement of orders and judgments in divorce actions concerning the custody, care, and maintenance of children. In performing duties under subsection (4) of this section the friend of the court shall attend the taking of depositions within the county, and shall have authority to cross-examine the witnesses. In the case of depositions taken on interrogatories, the friend of the court may file cross-interrogatories. The friend of the court shall be duly notified of the time and place of the taking of depositions in all divorce actions where the parties have minor children, and shall attend the taking of all such depositions when the friend of the court deems it necessary for the protection of the minor children, or when the friend of the court may be directed by the court to attend.
- (6) The friend of the court shall not directly or indirectly represent any party to a divorce action except as herein authorized to represent the minor children of parties to a divorce action, but if an allowance is made for the support of a spouse and an infant child or children, may proceed to enforce the payment of the allowance made to the spouse also.

- (7) Where a friend of the court is acting as a designee of the cabinet pursuant to KRS 205.712 and an applicant for Title IV-D services pursuant to KRS 205.721 has requested a modification of an existing child support order pursuant to a divorce or other judicial order, the friend of the court shall seek the modification, providing all jurisdictional requirements are met. The friend of the court's representation shall extend only for the limited purpose of seeking a modification of an existing child support order consistent with the provisions of KRS 403.212 *or Section 2 of this Act*.
- (8) The fiscal court of any county which has authorized the appointment of a friend of the court under this section shall, by resolution, fix a reasonable compensation for the friend of the court and make a reasonable allowance for necessary expenses, equipment, and supplies, payable out of the general fund of the county, upon approval of the appointing judge or judges.

➔Section 5. KRS 403.160 is amended to read as follows:

- (1) In a proceeding for dissolution of marriage or for legal separation, or in a proceeding for disposition of property or for maintenance or support following dissolution of the marriage by a court which lacked personal jurisdiction over the absent spouse, either party may move for temporary maintenance. The motion shall be accompanied by an affidavit setting forth the factual basis for the motion and the amounts requested.
- (2)
 - (a) In a proceeding for dissolution of marriage, legal separation, or child support, either party, with notice to the opposing party, may move for temporary child support. The motion shall be accompanied by an affidavit setting forth the number of children of the marriage and the information required to calculate the combined adjusted parental gross income set forth in KRS 403.212~~{(2)(b)}~~, and the Social Security numbers, provided in accordance with KRS 403.135, of all parties subject to the motion. The court shall, within fourteen (14) days from the filing of said motion, order an amount of temporary child support based upon the child support guidelines as provided by law, and the ordered child support shall be retroactive to the date of the filing of the motion unless otherwise ordered by the court.
 - (b) Upon a showing of good cause, either party may move the court to enter an order for temporary child support without written or oral notice to the adverse party. After reviewing the affidavit required by paragraph (a) of this subsection, the court may issue a temporary child support order based upon the child support guidelines. The order shall provide that the order becomes effective seven (7) days following service of the order and movant's affidavit upon the adverse party unless the adverse party, within the seven (7) day period, files a motion for a hearing before the court. The motion for hearing shall be accompanied by the affidavit required by paragraph (a) of this subsection. Pending the hearing, the adverse party shall pay child support in an amount based upon the guidelines and the adverse party's affidavit. The child support order entered following the hearing shall be retroactive to the date of the filing of the motion for temporary support unless otherwise ordered by the court.
- (3) As part of a motion for temporary maintenance or support or by independent motion accompanied by affidavit, either party may request the court to issue a temporary injunction or restraining order pursuant to the Rules of Civil Procedure.
- (4) If the court or agent of the court is made aware that there is reasonable evidence of domestic violence or child abuse, the court shall determine whether disclosure to any other person of the information could be harmful to the parent or child, and if the court determines that disclosure to any person could be harmful, the court and its agents shall not make the disclosure.
- (5) On the basis of the showing made and in conformity with KRS 403.200, the court may issue a temporary injunction or restraining order and an order for temporary maintenance in amounts and on terms just and proper in the circumstances.
- (6) A temporary order or temporary injunction:
 - (a) Does not prejudice the rights of the parties or the child which are to be adjudicated at subsequent hearings in the proceeding;
 - (b) May be revoked or modified before final decree on a showing of the facts necessary to revocation or modification under the circumstances; and
 - (c) Terminates when the final decree is entered or when the petition for dissolution or legal separation is voluntarily dismissed.

➔Section 6. KRS 403.211 is amended to read as follows:

- (1) An action to establish or enforce child support may be initiated by the parent, custodian, or agency substantially contributing to the support of the child. The action may be brought in the county in which the child resides or where the defendant resides.
- (2) At the time of initial establishment of a child support order, whether temporary or permanent, or in any proceeding to modify a support order, the child support guidelines in KRS 403.212 *or Section 2 of this Act* shall serve as a rebuttable presumption for the establishment or modification of the amount of child support. Courts may deviate from the guidelines where their application would be unjust or inappropriate. Any deviation shall be accompanied by a written finding or specific finding on the record by the court, specifying the reason for the deviation.
- (3) A written finding or specific finding on the record that the application of the guidelines would be unjust or inappropriate in a particular case shall be sufficient to rebut the presumption and allow for an appropriate adjustment of the guideline award if based upon one (1) or more of the following criteria:
 - (a) A child's extraordinary medical or dental needs;
 - (b) A child's extraordinary educational, job training, or special needs;
 - (c) Either parent's own extraordinary needs, such as medical expenses;
 - (d) The independent financial resources, if any, of the child or children;
 - (e) Combined monthly adjusted parental gross income in excess of the Kentucky child support guidelines;
 - (f) The parents of the child, having demonstrated knowledge of the amount of child support established by the Kentucky child support guidelines, have agreed to child support different from the guideline amount. However, no such agreement shall be the basis of any deviation if public assistance is being paid on behalf of a child under the provisions of Part D of Title IV of the Federal Social Security Act; and
 - (g) Any similar factor of an extraordinary nature specifically identified by the court which would make application of the guidelines inappropriate.
- (4) "Extraordinary" as used in this section shall be determined by the court in its discretion.
- (5) When a party has defaulted or the court is otherwise presented with insufficient evidence to determine gross income, the court shall order child support based upon the needs of the child or the previous standard of living of the child, whichever is greater. An order entered by default or due to insufficient evidence to determine gross income may be modified upward and arrearages awarded from the date of the original order if evidence of gross income is presented within two (2) years which would have established a higher amount of child support pursuant to the child support guidelines set forth in KRS 403.212 *or Section 2 of this Act*.
- (6) The court shall allocate between the parents, in proportion to their combined monthly adjusted parental gross income, reasonable and necessary child care costs incurred due to employment, job search, or education leading to employment, in addition to the amount ordered under the child support guidelines.
- (7)
 - (a) Pursuant to 45 C.F.R. sec. 303.31(a)(2), for the purposes of this section, "health care coverage" includes fee for service, health maintenance organization, preferred provider organization, and other types of private health insurance and public health care coverage under which medical services could be provided to a dependent child. If health care coverage is reasonable in cost and accessible to either parent at the time the request for coverage is made, the court shall order the parent to obtain or maintain coverage, and the court shall allocate between the parents, in proportion to their combined monthly adjusted parental gross income, the cost of health care coverage for the child, in addition to the support ordered under the child support guidelines.
 - (b) A parent, who has one hundred percent (100%) of the combined monthly adjusted parental gross income, shall be entitled to a reduction in gross income of the entire amount of premiums incurred and paid.
 - (c) The court shall order the cost of health care coverage of the child to be paid by either or both parents of the child regardless of who has physical custody. The court order shall include:
 1. A judicial directive designating which parent shall have financial responsibility for providing health care coverage for the dependent child, which shall include but not be limited to health care coverage, payments of necessary health care deductibles or copayments;

2. If appropriate, cash medical support. "Cash medical support" means an amount to be paid toward the cost of health care coverage, fixed payments for ongoing medical costs, extraordinary medical expenses, or any combination thereof; and
 3. A statement providing that if the designated parent's health care coverage provides for covered services for dependent children beyond the age of majority, then any unmarried children up to twenty-five (25) years of age who are full-time students enrolled in and attending an accredited educational institution and who are primarily dependent on the insured parent for maintenance and support shall be covered.
- (d) If health care coverage is not reasonable in cost and accessible at the time the request for the coverage is made, the court order shall provide for cash medical support until health care coverage becomes reasonable in cost and accessible.
- (8) (a) For purposes of this section, "reasonable in cost" means that the cost of coverage to the responsible parent does not exceed five percent (5%) of his or her gross income. The five percent (5%) standard shall apply to the cost of adding the child to an existing policy, the difference in the cost between a single and a family policy, or the cost of acquiring a separate policy to cover the child. If the parties agree or the court finds good cause exists, the court may order health care coverage in excess of five percent (5%) of the parent's gross income.
- (b) For purposes of this section, "accessible" means that there are providers who meet the health care needs of the child and who are located no more than sixty (60) minutes or sixty (60) miles from the child's primary residence, except that nothing shall prohibit use of a provider located more than sixty (60) minutes or sixty (60) miles from the child's primary residence.
- (9) The cost of extraordinary medical expenses shall be allocated between the parties in proportion to their combined monthly adjusted parental gross incomes. "Extraordinary medical expenses" means uninsured expenses in excess of two hundred fifty dollars (\$250) per child per calendar year. "Extraordinary medical expenses" includes but is not limited to the costs that are reasonably necessary for medical, surgical, dental, orthodontal, optometric, nursing, and hospital services; for professional counseling or psychiatric therapy for diagnosed medical disorders; and for drugs and medical supplies, appliances, laboratory, diagnostic, and therapeutic services.
- (10) The court order shall include the Social Security numbers, provided in accordance with KRS 403.135, of all parties subject to a support order.
- (11) In any case administered by the Cabinet for Health and Family Services, if the parent ordered to provide health care coverage is enrolled through an insurer but fails to enroll the child under family coverage, the other parent or the Cabinet for Health and Family Services may, upon application, enroll the child.
- (12) In any case administered by the cabinet, information received or transmitted shall not be published or be open for public inspection, including reasonable evidence of domestic violence or child abuse if the disclosure of the information could be harmful to the custodial parent or the child of the parent. Necessary information and records may be furnished as specified by KRS 205.175.
- (13) In the case in which a parent is obligated to provide health care coverage, and changes employment, and the new employer provides health care coverage, the Cabinet for Health and Family Services shall transfer notice of the provision for coverage for the child to the employer, which shall operate to enroll this child in the obligated parent's health plan, unless the obligated parent contests the notice as specified by KRS Chapter 13B.
- (14) Notwithstanding any other provision of this section, any wage or income shall not be exempt from attachment or assignment for the payment of current child support or owed or to-be-owed child support.
- (15) A payment of money received by a child as a result of a parental disability shall be credited against the child support obligation of the parent. A payment shall not be counted as income to either parent when calculating a child support obligation. An amount received in excess of the child support obligation shall be credited against a child support arrearage owed by the parent that accrued subsequent to the date of the parental disability, but shall not be applied to an arrearage that accrued prior to the date of disability. The date of disability shall be as determined by the paying agency.

➔Section 7. KRS 403.740 is amended to read as follows:

- (1) Following a hearing ordered under KRS 403.730, if a court finds by a preponderance of the evidence that domestic violence and abuse has occurred and may again occur, the court may issue a domestic violence order:
- (a) Restraining the adverse party from:
 1. Committing further acts of domestic violence and abuse;
 2. Any unauthorized contact or communication with the petitioner or other person specified by the court;
 3. Approaching the petitioner or other person specified by the court within a distance specified in the order, not to exceed five hundred (500) feet;
 4. Going to or within a specified distance of a specifically described residence, school, or place of employment or area where such a place is located; and
 5. Disposing of or damaging any of the property of the parties;
 - (b) Directing or prohibiting any other actions that the court believes will be of assistance in eliminating future acts of domestic violence and abuse, except that the court shall not order the petitioner to take any affirmative action;
 - (c) Directing that either or both of the parties receive counseling services available in the community in domestic violence and abuse cases; and
 - (d) Additionally, if applicable:
 1. Directing the adverse party to vacate a residence shared by the parties to the action;
 2. Utilizing the criteria set forth in KRS 403.270, 403.320, and 403.822, grant temporary custody, subject to KRS 403.315; and
 3. Utilizing the criteria set forth in KRS 403.211, 403.212, *Section 2 of this Act*, and 403.213, award temporary child support.
- (2) In imposing a location restriction described in subsection (1)(a)4. of this section, the court shall:
- (a) Afford the petitioner and respondent, if present, an opportunity to testify on the issue of the locations and areas from which the respondent should or should not be excluded;
 - (b) Only impose a location restriction where there is a specific, demonstrable danger to the petitioner or other person protected by the order;
 - (c) Specifically describe in the order the locations or areas prohibited to the respondent; and
 - (d) Consider structuring a restriction so as to allow the respondent transit through an area if the respondent does not interrupt his or her travel to harass, harm, or attempt to harass or harm the petitioner.
- (3) When temporary child support is granted under this section, the court shall enter an order detailing how the child support is to be paid and collected. Child support ordered under this section may be enforced utilizing the same procedures as any other child support order.
- (4) A domestic violence order shall be effective for a period of time fixed by the court, not to exceed three (3) years, and may be reissued upon expiration for subsequent periods of up to three (3) years each. The fact that an order has not been violated since its issuance may be considered by a court in hearing a request for a reissuance of the order.
- ➔Section 8. KRS 405.430 is amended to read as follows:
- (1) When a parent presents himself to the cabinet for the voluntary establishment of paternity and clear evidence of parentage is not present, the cabinet shall pay when administratively ordered the cost of genetic testing to establish paternity, subject to recoupment from the alleged father when paternity is established.
 - (2) The cabinet shall obtain additional testing in any case if an original test is contested, upon request and advance payment by the contestant.
 - (3) In a contested paternity case, the child, the mother, and the putative father shall submit to genetic testing upon a request of any of the parties, unless the person or guardian of the person who is requested to submit to genetic testing shows good cause, taking into account the best interests of the child, why the genetic tests

cannot be performed. The request shall be supported by a sworn statement of the party, requesting that the test be performed, which shall include the information required by 42 U.S.C. sec. 666(a)(5)(B)(i) or (ii).

- (4) When a parent who fails to support a child is not obligated to provide child support by court order, the cabinet may administratively establish a child support obligation based upon a voluntary acknowledgment of paternity as set forth in KRS Chapter 406, the parent's minimum monthly child support obligation and proportionate share of child care costs incurred due to employment or job search of either parent, or incurred while receiving elementary or secondary education, or higher education or vocational training which will lead to employment. The monthly child support obligation shall be determined pursuant to the Kentucky child support guidelines set forth in KRS 403.212 *or Section 2 of this Act*. The actual cost of child care shall be reasonable and shall be allocated between the parents in the same proportion as each parent's gross income, as determined under the guidelines, bears to the total family gross income.
- (5) The cabinet shall recognize a voluntary acknowledgment of paternity as a basis for seeking a support order, irrespective of the alleged father's willingness to consent to a support order.
- (6) When in the best interest of the child, the cabinet may review and adjust a parent's child support obligation or child care obligation as established by the cabinet, upon a request of the cabinet when an assignment has been made, or upon either parent's petition if the amount of the child support awarded under the order differs from the amount that would be awarded in accordance with KRS 403.212 *or Section 2 of this Act*. The cabinet shall notify parents at least once every three (3) years of the right to a review.
- (7) In establishing or modifying a parent's monthly child support obligation, the cabinet may use automated methods to identify orders eligible for review, conduct the review, identify orders eligible for adjustment, and apply the adjustment to eligible orders in accordance with KRS 403.212 *or Section 2 of this Act*. The cabinet shall utilize information, including financial records, about the parent and child which it has good reason to believe is reliable and may require the parents to provide income verification.

Failure by the Licensing Board of this State as defined by Section 2(Q) of this Compact to promulgate a rule adopted by the Counseling Compact Commission as an administrative regulation pursuant to KRS Chapter 13A shall result in withdrawal as set forth in Section 13 of this Compact. Nothing in these provisions shall negate the applicability of a Commission rule or Section 11 of this Compact to this state.*
 - 2. If the proposed administrative regulation is found deficient and the deficiency is not resolved pursuant to KRS 13A.330 or 13A.335, the provisions of Section 12 of this Compact shall apply. 1. Subsection (3)(a), (b), (c), (d), (e), (f), or (h) of this section; and
 2. Paragraphs (b), (c), (d), and (e) of this subsection.
- (b) The commissioner may promulgate administrative regulations pursuant to subsection (8)(a)2. of this section that establish specific additional requirements relating to or setting forth:
1. The valuation of assets or reserve credits;
 2. The amount and forms of security supporting reinsurance arrangements described in that subsection; and
 3. The circumstances pursuant to which credit will be reduced or eliminated.
- (c) For reinsurers meeting the requirements of subsection (3)(c) of this section, the requirements of paragraph (i) of that subsection shall also be met.

- (d) For reinsurers meeting the requirements of subsection (3)(d) of this section, the requirements of paragraphs (i) and (j) of that subsection shall also be met.
 - (e) For reinsurers meeting the requirements of subsection (3)(e) of this section, the requirements of paragraph (j) of that subsection shall also be met.
- (3) (a) Credit shall be allowed when the reinsurance is ceded to an assuming insurer that is authorized to transact insurance or reinsurance in Kentucky.
- (b) 1. Credit shall be allowed when the reinsurance is ceded to an assuming insurer that is accredited as a reinsurer in Kentucky. An accredited reinsurer is one which:
- a. Files with the commissioner evidence of its submission to Kentucky's jurisdiction;
 - b. Submits to Kentucky's authority to examine its books and records;
 - c. Is licensed to transact insurance or reinsurance in at least one (1) state, or in the case of a United States branch of an alien assuming insurer, is entered through and licensed to transact insurance or reinsurance in at least one (1) state;
 - d. Files annually with the commissioner a copy of its annual statement filed with the insurance regulatory official of its state of domicile and a copy of its most recent audited financial statement; and
 - e. Demonstrates to the satisfaction of the commissioner that it has adequate financial capacity to meet its reinsurance obligations and is otherwise qualified to assume reinsurance from domestic insurers. An assuming insurer meets the requirements of this subdivision at the time of its application if:
 - i. It maintains a surplus as regards policyholders in an amount that is not less than twenty million dollars (\$20,000,000); and
 - ii. Its accreditation has not been denied by the commissioner within ninety (90) days after submission of its accreditation application.
2. Credit shall not be allowed a ceding insurer under this paragraph if the assuming insurer's accreditation has been revoked by the commissioner after notice and hearing.
- (c) Credit shall be allowed when the reinsurance is ceded to an assuming insurer that is domiciled and licensed in or, in the case of a United States branch of an alien assuming insurer, is entered through a state which employs standards regarding credit for reinsurance substantially similar to those applicable under this section and the assuming insurer or United States branch of an alien insurer:
- 1. Maintains a surplus as regards policyholders in an amount not less than twenty million dollars (\$20,000,000); and
 - 2. Submits to the authority of the commissioner to examine its books and records.
- However, subparagraph 1. of this paragraph shall not apply to reinsurance ceded and assumed pursuant to pooling arrangements among insurers in the same holding company system.
- (d) 1. Credit shall be allowed when the reinsurance is ceded to an assuming insurer that maintains a trust in a qualified United States financial institution for the payment of valid claims of its United States policyholders and ceding insurers, their assigns, and successors in interest. The assuming insurer shall report annually to the commissioner information substantially the same as that required to be reported on the NAIC annual statement form by authorized insurers to enable the commissioner to determine the sufficiency of the trust.
- 2. a. In the case of a single assuming insurer, the trust shall consist of a trustee account representing the assuming insurer's liabilities attributable to business written in the United States and, in addition, except as provided in subdivision b. of this subparagraph, the assuming insurer shall maintain a trustee surplus of not less than twenty million dollars (\$20,000,000).
 - b. At any time after the assuming insurer has permanently discontinued underwriting new business secured by the trust for at least three (3) years, the commissioner may authorize a reduction in the trustee surplus required by subdivision a. of this subparagraph, but only after a finding, based on an assessment of the risk, that the new required surplus level is

adequate for the protection of United States ceding insurers, policyholders, and claimants in light of a reasonably foreseeable adverse loss development. The risk assessment may involve an actuarial review, including an independent analysis of reserves and cash flows, and shall consider all material risk factors, including, when applicable, the lines of business involved, the stability of the incurred loss estimates, and the effect of the surplus requirements on the assuming insurer's liquidity or solvency. The minimum required trusteed surplus may not be reduced to an amount less than thirty percent (30%) of the assuming insurer's liabilities attributable to reinsurance ceded by United States ceding insurers covered by the trust.

3. In the case of a group including incorporated and individual unincorporated underwriters:
 - a. The trust shall consist of a trusteed account representing the respective underwriter's liabilities attributable to business written in the United States;
 - b. The group shall maintain a trusteed surplus of which one hundred million dollars (\$100,000,000) shall be held jointly for the benefit of United States ceding insurers of any member of the group;
 - c. The incorporated members of which group shall not be engaged in any business other than underwriting as a member of the group and shall be subject to the same level of solvency regulation and control by the group's domiciliary regulator as are the unincorporated members; and
 - d. The group shall make available to the commissioner an annual certification of the solvency of each underwriter by the group's domiciliary insurance regulatory official and its independent public accountants.
 4. In the case of a group of incorporated underwriters under common administration, the group shall:
 - a. Comply with the reporting requirements contained in subparagraph 1. of this paragraph;
 - b. Have continuously transacted insurance business outside the United States for at least three (3) years immediately prior to making an application for accreditation;
 - c. Maintain a trust in an amount not less than the group's several liabilities attributable to business ceded by United States ceding insurers to any member of the group pursuant to reinsurance contracts issued in the name of the group;
 - d. Maintain an aggregate policyholders' surplus of at least ten billion dollars (\$10,000,000,000);
 - e. Maintain a joint trusteed surplus of which one hundred million dollars (\$100,000,000) shall be held jointly for the benefit of United States ceding insurers of any member of the group; and
 - f. Each member of the group shall make available to the commissioner an annual certification of the member's solvency by the member's domiciliary insurance regulatory official and its independent public accountant.
 5. The trust shall be established in a form approved by the commissioner. The trust instrument shall provide that contested claims shall be valid and enforceable upon the final order of any court of competent jurisdiction in the United States. The trust shall vest legal title to its assets in the trustees of the trust for its United States policyholders and ceding insurers, their assigns, and successors in interest. The trust and the assuming insurer shall be subject to examination as determined by the commissioner. The trust shall remain in effect for as long as the assuming insurer shall have outstanding obligations due under the reinsurance agreements subject to the trust.
 6. No later than February 28 of each year, the trustees of the trust shall report to the commissioner in writing setting forth the balance of the trust and listing the trust's investments at the preceding year end and shall certify the date of termination of the trust, if so planned, or certify that the trust shall not expire prior to the next following December 31.
- (e) 1. Credit shall be allowed when the reinsurance is ceded to an assuming insurer that:

- a. Has been certified by the commissioner as a reinsurer in this state; and
 - b. Secures its obligations in accordance with the requirements of this paragraph.
2. In order to be eligible for certification, the assuming insurer shall:
- a. Be domiciled and licensed to transact insurance or reinsurance in a qualified jurisdiction, as determined by subparagraph 4. of this paragraph;
 - b. Maintain minimum capital and surplus, or its equivalent, in an amount to be determined by the commissioner by administrative regulation;
 - c. Maintain financial strength ratings from two (2) or more rating agencies deemed acceptable by the commissioner by administrative regulation;
 - d. Agree to submit to the jurisdiction of this state, appoint the commissioner as its agent for service of process in this state, and agree to provide security for one hundred percent (100%) of the assuming insurer's liabilities attributable to reinsurance ceded by United States ceding insurers if the assuming insurer resists enforcement of a final United States judgment;
 - e. Agree to meet applicable information filing requirements as determined by the commissioner, both with respect to an initial application for certification and on an ongoing basis; and
 - f. Satisfy any other relevant requirements for certification as determined by the commissioner.
3. An association, including incorporated and individual unincorporated underwriters, may be certified as a reinsurer in this state if the association satisfies the requirements of subparagraph 2. of this paragraph and:
- a. The association satisfies its minimum capital and surplus requirements through the capital and surplus equivalents (net of liabilities) of the association and its members, which shall include a joint central fund that may be applied to any unsatisfied obligation of the association or any of its members, in an amount determined by the commissioner to provide adequate protection;
 - b. The incorporated members of the association are not engaged in any business other than underwriting as a member of the association and are subject to the same level of regulation and solvency control by the association's domiciliary regulator as are the unincorporated members; and
 - c. The association provides the commissioner an annual certification by the association's domiciliary regulator of the solvency of each underwriter member within ninety (90) days after its financial statements are due to be filed with the association's domiciliary regulator, or if a certification is unavailable, financial statements, prepared by independent public accountants, of each underwriter member of the association.
- 4.
- a. The commissioner shall create and publish a list of qualified jurisdictions under which an assuming insurer licensed and domiciled in the qualified jurisdiction is eligible to be considered for certification by the commissioner as a certified reinsurer.
 - b. In order to determine whether the domiciliary jurisdiction of an assuming insurer from a jurisdiction outside of the United States is eligible to be recognized as a qualified jurisdiction, the commissioner shall evaluate the appropriateness and effectiveness of the reinsurance supervisory system of the jurisdiction outside of the United States, both initially and on an ongoing basis, and consider the rights, benefits, and the extent of reciprocal recognition afforded by the jurisdiction outside of the United States to reinsurers licensed and domiciled in the United States. A qualified jurisdiction shall agree to share information and cooperate with the commissioner with respect to all certified reinsurers domiciled within that jurisdiction. A jurisdiction may not be recognized as a qualified jurisdiction if the commissioner has determined that the jurisdiction does not adequately and promptly enforce final United States judgments and arbitration awards. Additional factors may be considered in the discretion of the commissioner.

- c. The commissioner shall consider the list of qualified jurisdictions published through the NAIC's committee process when determining qualified jurisdictions. If the commissioner approves a jurisdiction as qualified that does not appear on the list, the commissioner shall provide justification in accordance with criteria to be developed by the commissioner by administrative regulation.
 - d. Jurisdictions within the United States that meet the requirements for accreditation under the NAIC's financial standards and accreditation program shall be recognized as qualified.
 - e. If a certified reinsurer's domiciliary jurisdiction ceases to be a qualified jurisdiction, the commissioner may revoke or suspend the reinsurer's certification indefinitely, in lieu of revocation.
5. The commissioner shall assign a rating to each certified reinsurer, giving due consideration to the financial strength ratings that have been assigned by rating agencies deemed acceptable to the commissioner by administrative regulation. The commissioner shall publish a list of all certified reinsurers and their ratings.
6. a. A certified reinsurer shall secure obligations assumed from United States ceding insurers pursuant to this paragraph at a level consistent with its rating as specified by administrative regulation promulgated by the commissioner.
- b. In order for a domestic ceding insurer to qualify for full financial statement credit for reinsurance ceded to a certified reinsurer, the certified reinsurer shall maintain security in a form acceptable to the commissioner and consistent with subsection (4) of this section, or in a **multi-beneficiary**~~[multi-beneficiary]~~ trust in accordance with paragraph (d) of this subsection, except as otherwise provided in this paragraph.
- c. If a certified reinsurer maintains a trust to fully secure its obligations subject to paragraph (d) of this subsection, and chooses to secure its obligations incurred as a certified reinsurer in the form of a **multi-beneficiary**~~[multi-beneficiary]~~ trust, the certified reinsurer shall maintain separate trust accounts for:
- i. Its obligations incurred under reinsurance agreements issued or renewed as a certified reinsurer with reduced security as permitted by this paragraph or comparable laws of other United States jurisdictions; and
 - ii. Its obligation subject to paragraph (d) of this subsection.
- d. The commissioner shall not grant a certification pursuant to this paragraph unless the certified reinsurer agrees to bind itself, by language of the trust and agreement with the commissioner with principal regulatory oversight of each trust account, to fund, upon termination of any applicable trust account, out of the remaining surplus of the trust any deficiency of any other trust account.
- e. The minimum trustee surplus requirements provided in paragraph (d) of this subsection are not applicable to a **multi-beneficiary**~~[multi-beneficiary]~~ trust maintained by a certified reinsurer for the purpose of securing obligations incurred pursuant to this paragraph, except that the **multi-beneficiary**~~[multi-beneficiary]~~ trust shall maintain a minimum trustee surplus of ten million dollars (\$10,000,000).
- f. With respect to obligations incurred by a certified reinsurer pursuant to this paragraph, if the security is insufficient, the commissioner shall reduce the allowable credit by an amount proportionate to the deficiency, and the commissioner may impose further reductions in allowable credit upon finding that there is a material risk that the certified reinsurer's obligations will not be paid in full when due.
- g. i. For purposes of this paragraph, a certified reinsurer whose certification has been terminated for any reason shall be treated as a certified reinsurer required to secure one hundred percent (100%) of its obligations.
- ii. As used in this subdivision, "terminated" includes revocation, suspension, voluntary surrender, and inactive status, except if the commissioner continues to assign a higher rating as permitted by this subsection, a certified reinsurer in inactive status or reinsurer whose certification has been suspended shall not be

considered "terminated."

7. If an applicant for certification has been certified as a reinsurer in an NAIC-accredited jurisdiction, the commissioner may defer to that jurisdiction's certification and the rating assigned by that jurisdiction, and the reinsurer shall be considered a certified reinsurer in this state.
 8. A certified reinsurer that ceases to assume new business in this state may request to maintain its certification in inactive status in order to continue to qualify for a reduction in security for its in-force business. An inactive certified reinsurer shall continue to comply with all applicable requirements of this subsection, and the commissioner shall assign a rating that takes into account, if relevant, the reasons why the reinsurer is not assuming new business.
- (f) Credit shall be allowed when the reinsurance is ceded to an assuming insurer if:
1. The assuming insurer has its head office in, or is domiciled in, as applicable, and is licensed in, a reciprocal jurisdiction;
 2. The assuming insurer has and maintains, on an ongoing basis:
 - a. For assuming insurers that are not associations:
 - i. Minimum capital and surplus, or its equivalent, calculated according to the methodology of its domiciliary jurisdiction, in an amount to be set forth in administrative regulation; and
 - ii. A minimum solvency or capital ratio, as applicable, as set forth in administrative regulation; or
 - b. For assuming insurers that are associations, including incorporated and individual unincorporated underwriters:
 - i. Minimum capital and surplus equivalents, net of liabilities, calculated according to the methodology applicable in its domiciliary jurisdiction, and a central fund containing a balance in amounts to be set forth by the commissioner in administrative regulation; and
 - ii. A minimum solvency or capital ratio in the reciprocal jurisdiction where the assuming insurer has its head office or is domiciled, as applicable, and is also licensed;
 3. The assuming insurer agrees, and provides adequate assurance, in a form prescribed by the commissioner, to the following:
 - a. To provide prompt written notice and explanation to the commissioner if the assuming insurer falls below the minimum requirements set forth in subparagraph 2. of this paragraph, or if any regulatory action is taken against the assuming insurer for serious noncompliance with applicable law;
 - b. To submit the assuming insurer's consent, in writing, to the jurisdiction of the courts of this state and to the appointment of the commissioner as an agent for service of process. The commissioner may require that consent for service of process be provided to the commissioner and included in each reinsurance agreement. Nothing in this subdivision shall be construed to limit, or in any way alter, the capacity for the parties to a reinsurance agreement to agree to alternative dispute resolution mechanisms, except to the extent such agreements are unenforceable under applicable insolvency or delinquency laws;
 - c. To submit the assuming insurer's consent, in writing, to pay all final judgments, wherever enforcement is sought, obtained by a ceding insurer or its legal successor, that have been declared enforceable in the jurisdiction where the judgment was obtained;
 - d. To include in each reinsurance agreement, a provision requiring the assuming insurer to provide security in an amount equal to one hundred percent (100%) of the assuming insurer's liabilities attributable to reinsurance ceded pursuant to that agreement if the assuming insurer resists enforcement of a final judgment that is enforceable under the law of the jurisdiction in which it was obtained or a properly enforceable arbitration award,

whether obtained by the ceding insurer or by its legal successor on behalf of its resolution estate; and

- e.
 - i. To confirm that the assuming insurer is not presently participating in any solvent scheme of arrangement which involves this state's ceding insurers; and
 - ii. To notify the ceding insurer and the commissioner, and to provide security in the amount of one hundred percent (100%) of the assuming insurer's liabilities to the ceding insurer, should the assuming insurer enter into a solvent scheme of arrangement referenced in subpart i. of this subdivision. The security required under this subdivision shall be in a form consistent with the provisions of paragraph (e) of this subsection and subsection (4) of this section, as specified by the commissioner in administrative regulation;
4. The assuming insurer or its legal successor provides, upon request of the commissioner, on behalf of itself and any legal predecessors, any documentation prescribed by the commissioner in administrative regulation;
5. The assuming insurer maintains a practice of prompt payment of claims under reinsurance agreements, pursuant to criteria set forth by the commissioner in administrative regulation; and
6. The assuming insurer's supervisory authority confirms to the commissioner on an annual basis, as of the preceding December 31 or at the annual date otherwise statutorily reported to the reciprocal jurisdiction, that the assuming insurer complies with the requirements of subparagraph 2. of this paragraph.

Nothing in this paragraph precludes an assuming insurer from providing the commissioner with information on a voluntary basis.

(g) For purposes of paragraph (f) of this subsection:

1.
 - a. The commissioner shall timely create and publish a list of reciprocal jurisdictions which shall include reciprocal jurisdictions as defined in subsection (1) of this section.
 - b. The commissioner shall consider, and may approve, any other reciprocal jurisdiction:
 - i. On the list of reciprocal jurisdictions published by the NAIC, through the NAIC committee process; and
 - ii. That meets the criteria established by the commissioner by administrative regulation.
 - c. The commissioner may remove a jurisdiction from the list of reciprocal jurisdictions upon a determination that the jurisdiction no longer meets the requirements of a reciprocal jurisdiction, in accordance with a process established by the commissioner by administrative regulation, except the commissioner shall not remove a reciprocal jurisdiction, as defined in subsection (1) of this section. Upon removal of a reciprocal jurisdiction from the commissioner's list, credit for reinsurance ceded to an assuming insurer that has its home office or is domiciled in that jurisdiction shall be allowed if otherwise allowed under this section;
2.
 - a. The commissioner shall timely create and publish a list of assuming insurers that have satisfied the conditions *set forth in paragraph (f) of this subsection*~~[,]~~ and to which cessions shall be granted *credit in accordance with*~~[, as set forth in]~~ paragraph (f) of this subsection.
 - b. The commissioner may add an assuming insurer to the~~[commissioner's]~~ list *described in subdivision a.* of~~[assuming insurers under]~~ this subparagraph if an *NAIC-accredited*~~[NAIC accredited]~~ jurisdiction has added *the*~~[such]~~ assuming insurer to *a*~~[its]~~ list of such assuming insurers, or if upon initial eligibility, the assuming insurer submits information to the commissioner as required under paragraph (f)~~4.~~ of this subsection and complies with any additional requirements that the commissioner may impose by administrative regulation, except to the extent that *they*~~[there is a]~~ conflict with an applicable covered agreement.
 - c. *For purposes of carrying out the provisions of this subparagraph:*

- i. If an NAIC-accredited jurisdiction has determined that the conditions set forth in paragraph (f) of this subsection have been met, the commissioner may defer to that jurisdiction's determination;*
 - ii. The commissioner may accept financial documentation filed with another NAIC-accredited jurisdiction or with the NAIC;*
 - iii. If an assuming insurer requests the commissioner to defer to another NAIC-accredited jurisdiction's determination, the insurer shall submit the request on forms prescribed by the commissioner, and any additional information as the commissioner may require, by administrative regulation; and*
 - iv. Upon receiving a request described in subpart iii. of this subdivision, the commissioner shall notify other states through the NAIC committee process and provide relevant information with respect to the determination of eligibility;*
 - 3.
 - a. If the commissioner determines that an assuming insurer no longer meets one (1) or more of the requirements of paragraph (f) of this subsection, the commissioner may revoke or suspend the eligibility of the assuming insurer for recognition under paragraph (f) of this subsection, in accordance with procedures set forth in administrative regulation.
 - b. While an assuming insurer's eligibility is suspended, no reinsurance agreement issued, amended, or renewed after the effective date of the suspension qualifies for credit, except to the extent that the assuming insurer's obligations under the contract are secured in accordance with subsection (4) of this section.
 - c. If an assuming insurer's eligibility is revoked, no credit for reinsurance may be granted after the effective date of the revocation with respect to any reinsurance agreements entered into by the assuming insurer, including reinsurance agreements entered into prior to the date of revocation, except to the extent that the assuming insurer's obligations under the contract are secured in a form acceptable to the commissioner and consistent with the provisions of subsection (4) of this section;
 - 4. If subject to legal process of rehabilitation, liquidation, or conservation, as applicable, the ceding insurer, or its representative, may seek and, if determined appropriate by the court in which the proceedings are pending, may obtain an order requiring that the assuming insurer post security for all outstanding ceded liabilities;
 - 5.
 - a. Credit may be taken under paragraph (f) of this subsection for reinsurance agreements entered into, amended, or renewed, on or after July 15, 2020, and only with respect to losses incurred and reserves reported after the later of:
 - i. The date on which the assuming insurer has met all eligibility requirements pursuant to paragraph (f) of this subsection; or*
 - ii. The effective date of the new reinsurance agreement, amendment, or renewal.*
 - b. Nothing in this paragraph shall be construed to alter or impair a ceding insurer's right to take credit for reinsurance, to the extent that credit is not available under paragraph (f) of this subsection, as long as the reinsurance qualifies for credit under any other provision of this section; and
 - 6. Nothing in this paragraph or paragraph (f) of this subsection shall be construed to:
 - a. Limit or in any way alter the capacity of the parties to a reinsurance agreement to:
 - i. Agree on requirements for security or other terms in the reinsurance agreement, except as expressly prohibited by this section or other applicable law; or*
 - ii. Renegotiate the agreement; or*
 - b. Authorize an assuming insurer to withdraw or reduce the security provided under any reinsurance agreement, except as permitted by the terms of the agreement.
- (h) Credit shall be allowed when the reinsurance is ceded to an assuming insurer not meeting the requirements of paragraph (a), (b), (c), (d), (e), or (f) of this subsection, but only with respect to the insurance of risks located in jurisdictions where such reinsurance is required by applicable law or

regulation of that jurisdiction or reinsurance ceded to a residual market mechanism reinsurance association, or the members thereof, created pursuant to law or which has been voluntarily created as such by its members with the approval of the commissioner.

- (i) If the assuming insurer is not authorized, certified, or accredited to transact insurance or reinsurance in Kentucky, the credit permitted by paragraphs (c) and (d) of this subsection shall not be allowed unless the assuming insurer agrees in the reinsurance agreements:
1. That in the event of the failure of the assuming insurer to perform its obligations under the terms of the reinsurance agreement, the assuming insurer, at the request of the ceding insurer, shall submit to the jurisdiction of any court of competent jurisdiction in any state of the United States, shall comply with all requirements necessary to give the court jurisdiction, and shall abide by the final decision of the court or of any appellate court in the event of an appeal; and
 2. To designate the Secretary of State or a designated attorney as its true and lawful attorney upon whom may be served any lawful process in any action, suit, or proceeding instituted by or on behalf of the ceding insurer.

This paragraph is not intended to conflict with or override the obligation of the parties to a reinsurance agreement to arbitrate their disputes, if this obligation is created in the agreement.

- (j) If the assuming insurer does not satisfy the requirements of paragraph (a), (b), (c), or (f) of this subsection, the credit permitted by paragraph (d) or (e) of this subsection shall not be allowed unless the assuming insurer agrees in the trust agreements to the following conditions:
1. Notwithstanding any other provisions in the trust instrument, if the trust is inadequate because it contains an amount less than the amount required by paragraph (d)2. of this subsection, or if the grantor of the trust has been declared insolvent or placed into receivership, rehabilitation, liquidation, or similar proceedings under the laws of its state or country of domicile, the trustee shall comply with an order of the commissioner with regulatory oversight over the trust or with an order of a court of competent jurisdiction directing the trustee to transfer to the commissioner with regulatory oversight all of the assets of the trust;
 2. The assets shall be distributed by and claims shall be filed with and valued by the commissioner with regulatory oversight in accordance with the laws of the state in which the trust is domiciled that are applicable to the liquidation of domestic insurance companies;
 3. If the commissioner with regulatory oversight determines that the assets of the trust fund or any part thereof are not necessary to satisfy the claims of the United States ceding insurers of the grantor of the trust, the assets or part thereof shall be returned by the commissioner with regulatory oversight to the trustee for distribution in accordance with the trust agreement; and
 4. The grantor shall waive any right otherwise available to it under United States law that is inconsistent with this paragraph.
- (k)
1. If an accredited or certified reinsurer ceases to meet the requirements for accreditation or certification, the commissioner may suspend or revoke the reinsurer's accreditation or certification.
 2. The commissioner shall provide the reinsurer notice and an opportunity for hearing prior to the entry of a suspension or revocation order.
 3. A suspension or revocation order shall not take effect until after a hearing is conducted, unless:
 - a. The reinsurer waives its right to hearing;
 - b. The commissioner's order is based on regulatory action by the reinsurer's domiciliary jurisdiction or the voluntary surrender or termination of the reinsurer's eligibility to transact insurance or reinsurance business in its domiciliary jurisdiction or in the primary certifying state of the reinsurer under paragraph (e)7. of this subsection; or
 - c. The commissioner finds that an emergency requires immediate action and a court of competent jurisdiction has not stayed the commissioner's action.
 4. While a reinsurer's accreditation or certification is suspended, no reinsurance contract issued or renewed after the effective date of the suspension qualifies for credit except to the extent that the reinsurer's obligations under the contract are secured in accordance with subsection (4) of this

section. If a reinsurer's accreditation or certification is revoked, no credit for reinsurance may be granted after the effective date of the revocation except to the extent that the reinsurer's obligations under the contract are secured in accordance with paragraph (e)6. of this subsection or subsection (4) of this section.

- (l) 1. A ceding insurer shall manage its reinsurance recoverables proportionate to its own book of business and diversify its reinsurance program.
 - 2. a. A domestic ceding insurer shall notify the commissioner within thirty (30) days after:
 - i. Reinsurance recoverables from any single assuming insurer, or group of affiliated assuming insurers, exceeds fifty percent (50%) of the domestic ceding insurer's last reported surplus to policyholders; or
 - ii. It is determined that reinsurance recoverables from any single assuming insurer, or group of affiliated assuming insurers, is likely to exceed the limit set forth in subpart i. of this subdivision.
 - b. A domestic ceding insurer shall notify the commissioner within thirty (30) days after:
 - i. Ceding to any single assuming insurer, or group of affiliated assuming insurers, more than twenty percent (20%) of the ceding insurer's gross written premium in the prior calendar year; or
 - ii. It has determined that the reinsurance ceded to any single assuming insurer, or group of affiliated assuming insurers, is likely to exceed the limit set forth in subpart i. of this subdivision.
 - c. The notification required by this subparagraph shall demonstrate that the exposure is safely managed by the domestic ceding insurer.
- (m) 1. In order to facilitate the prompt payment of claims, the commissioner may permit a certified reinsurer to defer posting the security for catastrophic recoverables for a period of up to one (1) year from the date of the first instance of a liability reserve entry by the ceding insurer as a result of a loss from a catastrophic occurrence.
 - 2. Upon notice by the ceding insurer to the commissioner that the certified reinsurer has failed to pay claims owed under a reinsurance agreement in a timely manner, the commissioner shall notify the certified reinsurer that it is no longer permitted to defer the posting of security for catastrophic recoverables.
 - 3. Reinsurance recoverables for only the following lines of business, as reported on the NAIC's annual financial statement related specifically to the catastrophic occurrence, shall be included in the deferral:
 - a. Fire;
 - b. Allied lines;
 - c. Farmowner's multiple peril;
 - d. Homeowner's multiple peril;
 - e. Commercial multiple peril;
 - f. Inland marine;
 - g. Earthquake; and
 - h. Auto physical damage.
 - 4. The commissioner may promulgate administrative regulations to establish the process for a certified reinsurer to seek a deferral of posting of security for catastrophic recoverables.
- (4) An asset or a reduction from liability for the reinsurance ceded by an insurer to an assuming insurer not meeting the requirements of subsections (2) and (3) of this section shall be allowed in an amount not exceeding the liabilities carried by the ceding insurer and the reduction shall be in the amount of funds held by or on behalf of the ceding insurer, including funds held in trust for the ceding insurer, under a reinsurance contract with the assuming insurer as security for the payment of obligations thereunder, if the security is held

in the United States subject to withdrawal solely by, and under the exclusive control of, the ceding insurer, or, in the case of a trust, held in a qualified United States financial institution. This security may be in the form of:

- (a) Cash;
 - (b) Securities listed by the Securities Valuation Office of the NAIC and qualifying as admitted assets, including those deemed exempt from filing, as defined by the Purposes and Procedures Manual of the Securities Valuation Office, and qualifying as admitted assets;
 - (c) Clean, irrevocable, unconditional letters of credit issued or confirmed by a qualified United States financial institution no later than December 31 in respect of the year for which filing is being made, and in the possession of the ceding insurer on or before the filing date of its annual statement. Letters of credit meeting applicable standards of issuer acceptability as of the dates of their issuance, or confirmation, shall, notwithstanding the issuing, or confirming, institution's subsequent failure to meet applicable standards of issuer acceptability, continue to be acceptable as security until their expiration, extension, renewal, modification, or amendment, whichever first occurs; or
 - (d) Any other form of security acceptable to the commissioner.
- (5) Cession of bulk reinsurance by a domestic insurer is subject to KRS 304.24-420.
- (6) (a) Credit shall be allowed as an asset or as a deduction from liability, to any ceding insurer for reinsurance ceded to an assuming insurer qualified therefor under subsection (2), (3), (4), or (5) of this section, except that no such credit shall be allowed unless the reinsurance contract provides, in substance, that in the event of the insolvency of the ceding insurer, the reinsurance shall be payable under a contract reinsured by the assuming insurer on the basis of reported claims allowed by the liquidation court, without diminution because of the insolvency of the ceding insurer. Such payments shall be made directly to the ceding insurer or to its domiciliary liquidator except:
- 1. Where the contract or other written agreement specifically provides another payee of such reinsurance in the event of the insolvency of the ceding insurer; or
 - 2. Where the assuming insurer, with the consent of the direct insured, has assumed such policy obligations of the ceding insurer as direct obligations of the assuming insurer to the payees under such policies and in substitution for the obligations of the ceding insurer to such payees.
- (b) The reinsurance agreement may provide that the domiciliary liquidator of an insolvent ceding insurer shall give written notice to the assuming insurer of the pendency of a claim against such ceding insurer on the contract reinsured within a reasonable time after such claim is filed in the liquidation proceeding. During the pendency of such claim, any assuming insurer may investigate such claim and interpose, at its own expense, in the proceeding where such claim is to be adjudicated, any defenses which it deems available to the ceding insurer or its liquidator.  4. Notwithstanding KRS 12.028, the committee shall not be subject to reorganization by the Governor.
- (g)
1. The review process implemented under this subsection shall be an open, transparent process that allows all Kentuckians an opportunity to participate. The department shall ensure the public's assistance in reviewing and suggesting changes to the standards and alignment adjustments to corresponding state assessments by establishing a Web site dedicated to collecting comments by

- (5) The state student assessments shall include the following components:
 - (a) Elementary and middle grades requirements are:
 1. A criterion-referenced test each in mathematics and reading in grades three (3) through eight (8) that is valid and reliable for an individual student and that measures the depth and breadth of Kentucky's academic content standards;

- (6) Each school district shall administer the statewide student assessment during the last fourteen (14) days of school in the district's instructional calendar. The Kentucky Board of Education may change the testing window to allow for innovative assessment systems or other online test administration and shall promulgate administrative regulations that minimize the number of days of testing and outline the procedures to be used during the testing process to ensure test security, including procedures for testing makeup days, and to comply with federal assessment requirements.
 - (7) A student enrolled in a district-operated or district-contracted alternative program shall participate in the appropriate assessments required by this section.
 - (8) A local school district may select and use commercial interim or formative assessments or develop and use its own formative assessments to provide data on how well its students are growing toward mastery of Kentucky academic standards, so long as the district's local school board develops a policy minimizing the reduction in instructional time related to the administration of the interim assessments. Nothing in this section precludes teachers from using ongoing teacher-developed formative processes.
 - (9) Each school that enrolls primary students shall use diagnostic assessments and prompts that measure readiness in reading and mathematics for its primary students as determined by the school to be developmentally appropriate. The schools may use commercial products, use products and procedures developed by the district, or develop their own diagnostic procedures. The results shall be used to inform the teachers and parents or guardians of each student's skill level.
 - (10) The state board shall ensure that a technically sound longitudinal comparison of the assessment results for the same students shall be made available.
 - (11) The following provisions shall apply to the college admissions *examination*~~[examinations]~~ described in subsection (5)(b)5. of this section:
 - (a) The cost of ~~the~~~~both~~ college *admissions examination*~~[admissions—examinations]~~ administered to students in high school shall be paid for by the Kentucky Department of Education. The costs of additional college admissions examinations shall be the responsibility of the student;
 - (b) If funds are available, the Kentucky Department of Education shall provide a college admissions examination preparation program to all public high school juniors. The department may contract for necessary services; and

- (c) Accommodations provided to a student with a disability taking the college admissions ~~assessment~~~~assessments~~ under this subsection shall consist of:
1. Accommodations provided in a manner allowed by the college admissions assessment provider when results in test scores are reportable to a postsecondary institution for admissions and placement purposes, except as provided in subparagraph 2. of this paragraph; or
 2. Accommodations provided in a manner allowed by a student's individualized education program as defined in KRS 158.281 for a student whose disability precludes valid assessment of his or her academic abilities using the accommodations provided under subparagraph 1. of this paragraph when the student's scores are not reportable to a postsecondary institution for admissions and placement purposes.
- (12) Kentucky teachers shall have a significant role in providing feedback about the design of the assessments, except for the college admissions ~~exam~~~~exams~~ described in subsection (5)(b)5. of this section. The assessments shall be designed to:
- (a) Measure grade appropriate core academic content, basic skills, and higher-order thinking skills and their application;
 - (b) Provide valid and reliable scores for schools. If scores are reported for students individually, they shall be valid and reliable;
 - (c) Minimize the time spent by teachers and students on assessment; and
 - (d) Assess Kentucky academic standards only.
- (13) The results from assessment under subsections (3) and (5) of this section shall be reported to the school districts and schools no later than seventy-five (75) days following the last day the assessment can be administered. Assessment reports provided to the school districts and schools shall include an electronic copy of an operational subset of test items from each assessment administered to their students and the results for each of those test items by student and by school.
- (14) The Department of Education shall gather information to establish the validity of the assessment and accountability program. It shall develop a biennial plan for validation studies that shall include but not be limited to the consistency of student results across multiple measures, the congruence of school scores with documented improvements in instructional practice and the school learning environment, and the potential for all scores to yield fair, consistent, and accurate student performance level and school accountability decisions. Validation activities shall take place in a timely manner and shall include a review of the accuracy of scores assigned to students and schools, as well as of the testing materials. The plan shall be submitted to the Commission by July 1 of the first year of each biennium. A summary of the findings shall be submitted to the Legislative Research Commission by September 1 of the second year of the biennium.
- (15) The Department of Education and the state board shall offer optional assistance to local school districts and schools in developing and using continuous assessment strategies needed to assure student progress. The continuous assessment shall provide diagnostic information to improve instruction to meet the needs of individual students.
- (16) The Administration Code for Kentucky's Assessment Program shall include prohibitions of inappropriate test preparation activities by school district employees charged with test administration and oversight, including but not limited to the issue of teachers being required to do test practice in lieu of regular classroom instruction and test practice outside the normal work day. The code shall include disciplinary sanctions that may be taken toward a school or individuals.
- (17) The Kentucky Board of Education, after the Department of Education has received advice from the Office of Education Accountability; the School Curriculum, Assessment, and Accountability Council; and the department's technical advisory committee, shall promulgate an administrative regulation under KRS Chapter 13A to establish the components of a reporting structure for assessments administered under this section. The reporting structure shall include the following components:
- (a) A school report card that clearly communicates with parents and the public about school performance. The school report card shall be sent to the parents of the students of the districts, and information on electronic access to a summary of the results for the district shall be published in the newspaper with the largest circulation in the county. It shall include but not be limited to the following components reported by race, gender, and disability when appropriate:

1. Student academic achievement, including the results from each of the assessments administered under this section;
 2. For Advanced Placement, Cambridge Advanced International, and International Baccalaureate, the courses offered, the number of students enrolled, completing, and taking the examination for each course, and the percentage of examinees receiving a score of three (3) or better on AP examinations, a score of "e" or better on Cambridge Advanced International examinations, or a score of four (4) or better on IB examinations. The data shall be disaggregated by gender, race, students with disabilities, and economic status;
 3. Nonacademic achievement, including the school's attendance, retention, graduation rates, and student transition to postsecondary;
 4. School learning environment, including measures of parental involvement; and
 5. Any other school performance data required by the Every Student Succeeds Act of 2015, Pub. L. No. 114-95, or its successor;
- (b) An individual student report to parents for each student in grades three (3) through eight (8) summarizing the student's skills in reading, science, social studies, and mathematics. The school's staff shall develop a plan for accelerated learning for any student with identified deficiencies or strengths; and
- (c) A student's ~~score~~~~[highest scores]~~ on the college admissions ~~assessment~~~~[assessments]~~ administered under subsection (5)(b)5. of this section.
- (18) (a) Beginning in fiscal year 2017-2018, and every six (6) years thereafter, the Kentucky Department of Education shall implement a comprehensive process for reviewing and revising the academic standards in visual and performing arts and practical living skills and career studies for all levels and in foreign language for middle and high schools. The department shall develop review committees for the standards for each of the content areas that include representation from certified specialist public school teachers and postsecondary teachers in those subject areas.
- (b) The academic standards in practical living skills for elementary, middle, and high school levels shall include a focus on drug abuse prevention, with an emphasis on the prescription drug epidemic and the connection between prescription opioid abuse and addiction to other drugs, such as heroin and synthetic drugs.
- (c) The department shall provide to all schools guidelines for programs that incorporate the adopted academic standards in visual and performing arts and practical living and career studies. The department shall provide to middle and high schools guidelines for including a foreign language program. The writing program shall incorporate a variety of language resources, technological tools, and multiple opportunities for students to develop complex communication skills for a variety of purposes.
- (20) (a) The Kentucky Department of Education, in consultation with the review committees described in subsection (18) of this section, shall develop a school profile report to be used by all schools to document how they will address the adopted academic standards in their implementation of the programs as described in subsection (18) of this section, which may include student opportunities and experiences in extracurricular activities. The department shall include the essential workplace ethics program on the school profile report.
- (b) By October 1 of each year, each school principal shall complete the school profile report, which shall be signed by the members of the school council, or the principal if no school council exists, and the superintendent. The report shall be electronically transmitted to the Kentucky Department of Education,

➔Section 2. KRS 158.6455 is amended to read as follows:

It is the intent of the General Assembly that schools succeed with all students and receive the appropriate consequences in proportion to that success.

- (1) (a) The Kentucky Board of Education shall create an accountability system to classify districts and schools in accordance with the academic standards and student assessment program developed pursuant to KRS 158.6453.
- (b) The accountability system shall include an annual meaningful differentiation of all public schools in the state using multiple measures that describe the overall performance of each district, school, and student subgroup. Performance shall be based on a combination of academic and school quality indicators and measures, hereinafter called "state indicators." The state indicators shall exclusively include:
1. Student assessment results;
 2. Progress toward achieving English proficiency by limited English proficiency students;
 3. Quality of school climate and safety;
 4. High school graduation rates;
 5. Postsecondary readiness for each high school student, which shall be included as an academic indicator, and shall be measured by *one (1) of the following*:
 - a. Meeting or exceeding a college readiness benchmark score on the college admissions examination used as the statewide assessment in KRS 158.6453(5)(b)5. or a college placement examination approved by the Council on Postsecondary Education. The college readiness benchmark score shall be established by the Council on Postsecondary Education;~~{or}~~
 - b. *Achieving three (3) hours of college credit or postsecondary articulated credit by completing a course approved by the Kentucky Board of Education;*
 - c. *Achieving a benchmark score on an Advanced Placement, International Baccalaureate, Cambridge Advanced International, or other nationally recognized exam approved by the Kentucky Board of Education that generally qualifies the student for three (3) or more hours of college credit;*
 - d. *Completing a required number of hours or achieving a benchmark within an apprenticeship, cooperative, or internship that is aligned with a credential or associate degree and approved by the Kentucky Board of Education after receiving input from the Local Superintendents Advisory Council; or*
 - e. *Achieving*~~{Achievement of college credit, postsecondary articulated credit, apprenticeship time toward a credential or associate degree, or}~~ any industry-recognized certifications, licensures, or credentials, with more weight in accountability for industry-recognized certifications, licensures, or credentials identified as high demand in accordance with the process described in paragraph (e) of this subsection. Eligible industry-recognized certifications, licensures, or credentials shall not be limited to those earned in conjunction with a minimum sequence of courses. Each high school shall publicly report the credits, hours, and credentials on an annual basis; and
 6. Any other factor mandated by the federal Every Student Succeeds Act of 2015, Pub. L. No. 114-95, or its successor.
- (c) 1. Beginning with data from the 2020-2021 and 2021-2022 school years, the accountability system performance for each district, school, and student subgroup determined by the state indicators shall be based on a combination of annual performance, hereinafter called "status," and improvement over time, hereinafter called "change."

2. Status and change shall receive equal weight in determining overall performance. For all students as a group and separately for individual subgroups, status shall be determined, beginning with the data from the 2020-2021 academic year, by using the current year performance and change shall be determined, beginning with the data from the 2021-2022 academic year, by using the difference in performance from the prior to current year, except change shall be based on the difference in performance for the prior three (3) years for the purpose of determining the lowest-performing five percent (5%) of schools under KRS 160.346(2) and (3).
 3. For each state indicator, there shall be five (5) status levels ranging from very high to very low and five (5) change levels ranging from increased significantly to declined significantly.
 4. The percentile cut scores for status and change levels shall be based on distribution and shall be approved by the Kentucky Department of Education and the Local Superintendents Advisory Council. The cut scores shall remain in place for at least six (6) years unless existing cut scores no longer support meaningful differentiation of schools as required by the federal Every Student Succeeds Act of 2015, Pub. L. No. 114-95, or its successor.
- (d) Beginning in the fall of 2022, the Kentucky Department of Education shall develop an online display of the accountability system results hereinafter called a "dashboard." A color-coded performance level for each state indicator shall be displayed in a straightforward manner on the dashboard for overall performance, status, and change by district, school, and individual subgroups. Overall performance shall aggregate all available data for the state indicators.
 - (e) Based on data from the Kentucky Center for Education and Workforce Statistics, each local workforce investment board, in conjunction with local economic development organizations from its state regional sector, shall annually compile a list of industry-recognized certifications, licensures, and credentials specific to the state and regional workforce area, rank them by demand for the state and regional area, and provide the list to the Kentucky Workforce Innovation Board. The Kentucky Workforce Innovation Board, in conjunction with the Kentucky Department of Education, may revise the lists before the Kentucky Department of Education disseminates the lists to all school districts to be used as postsecondary readiness indicators.
 - (f)
 1. The Kentucky Department of Education shall pay for the cost of an assessment taken by a high school student for attaining an industry-recognized certification, credential, or licensure if the student consecutively completes at least two (2) related career pathway courses approved by the department prior to taking the assessment.
 2. If a high school student has not completed the two (2) course requirement described in subparagraph 1. of this paragraph but meets performance-based experience eligibility and passes an assessment, the department shall provide a weighted reimbursement amount to the school district for the cost of the assessment based on the level of demand of the certificate, credential, or license earned. The Kentucky Board of Education shall promulgate regulations establishing the performance-based experience eligibility requirements and weighted reimbursement amounts.
 - (g) Prior to promulgating administrative regulations to revise the accountability system, the board shall seek advice from the School Curriculum, Assessment, and Accountability Council; the Office of Education Accountability; the Education Assessment and Accountability Review Subcommittee; and the department's technical advisory committee.
- (2) A student's test scores shall be counted in the accountability measure of:
 - (a)
 1. The school in which the student is currently enrolled if the student has been enrolled in that school for at least a full academic year as defined by the Kentucky Board of Education; or
 2. The school in which the student was previously enrolled if the student was enrolled in that school for at least a full academic year as defined by the Kentucky Board of Education; and
 - (b) The school district if the student is enrolled in the district for at least a full academic year as defined by the Kentucky Board of Education; and
 - (c) The state if the student is enrolled in a Kentucky public school prior to the beginning of the statewide testing period.

- (3) After receiving the advice of the Office of Education Accountability; the School Curriculum, Assessment, and Accountability Council; and the department's technical advisory committee, the Kentucky Board of Education shall promulgate an administrative regulation in conformity with KRS 158.6471 and 158.6472 and KRS Chapter 13A to establish more rigorous action, intervention, and appropriate consequences for schools that fail to exit comprehensive support and improvement status described in KRS 160.346. The consequences shall be designed to improve the academic performance and learning environment of identified schools and may include but not be limited to:
- (a) A review and audit process to determine the appropriateness of a school's or district's classification and to recommend needed assistance;
 - (b) School and district improvement plans;
 - (c) Eligibility to receive Commonwealth school improvement funds under KRS 158.805;
 - (d) Education assistance from highly skilled certified staff; and
 - (e) Observation of school personnel.
- (4) All students who drop out of school during a school year shall be included in a school's annual average school graduation rate calculation.
- (5) After receiving the advice of the Education Assessment and Accountability Review Subcommittee, the Office of Education Accountability; the School Curriculum, Assessment, and Accountability Council; and the department's technical advisory committee, the Kentucky Board of Education may promulgate by administrative regulation, in conformity with KRS 158.6471 and 158.6472 and KRS Chapter 13A, a system of district accountability that includes establishing a formula for accountability, goals for improvement over a three (3) year period, rewards for leadership in improving teaching and learning in the district, and consequences that address the problems and provide assistance when one (1) or more schools in the district fail to exit comprehensive support and improvement status after three (3) consecutive years of implementing the turnaround intervention process described in KRS 160.346.
- (6) After receiving the advice of the Office of Education Accountability; the School Curriculum, Assessment, and Accountability Council; and the department's technical advisory committee, the Kentucky Board of Education shall promulgate administrative regulations in conformity with KRS 158.6471 and 158.6472 and KRS Chapter 13A to establish a process whereby a school or school district shall be allowed to appeal any performance judgment made by the department under this section or KRS 160.346 of a principal, superintendent, school, or school district which it considers grossly unfair. Upon appeal, an administrative hearing shall be conducted in accordance with KRS Chapter 13B. The state board may adjust a performance judgment on appeal when evidence of unusual circumstances warrants the conclusion that the performance judgment is based on fraud or a mistake in computations, is arbitrary, is lacking any reasonable basis, or when there are significant new circumstances occurring during the three (3) year assessment period which are beyond the control of the appellant school or school district.
- (7) Advice and recommendations provided by the department's technical advisory committee shall be summarized and reported by the department by July 1 and December 1 of each year to the Office of Education Accountability. The report shall include:
- (a) Advice and recommendations provided by panel members relating to:
 1. Development and modification to the assessment and accountability system;
 2. The development of administrative regulations governing the assessment and accountability system;
 3. The setting of standards used in the assessment and accountability system; and
 4. KRS 158.6453, 158.6455, 158.782, or 158.860; and
 - (b) Any documentation used by the panel in support of the panel's advice and recommendations.

Upon receipt of the report, the Office of Education Accountability shall forward the report to the Education Assessment and Accountability Review Subcommittee and the co-chairs of the Interim Joint Committee on Education.

Signed by Governor April 8, 2022.

➔Section 3. KRS 67A.370 is amended to read as follows:

There is hereby established in urban-county governments, a retirement and benefit fund for members of the police and fire departments, their dependents and beneficiaries. ➔Section 4. KRS 67A.655 is amended to read as follows:

The legislative body in an urban-county government may issue the appropriate order, pursuant to KRS 78.530(1), directing participation for policemen and firefighters in the County Employees Retirement System. All new employees who would have been granted membership in the ~~police and firefighter's retirement~~ fund ~~of the urban-county government~~ shall be members of the County Employees Retirement System. All active members of the ~~police and firefighter's retirement~~ fund ~~of the urban-county government~~ at the time of transition to the County Employees Retirement System may choose membership in the County Employees Retirement System or may

retain membership in the local retirement fund, but the legislative body may withdraw its order prior to the effective date if the number of active members choosing to transfer is not sufficient to fully fund the balance of the cost of transition after available local pension assets are included. The urban-county government shall elect the alternate participation plan, pursuant to KRS 78.530(3), for active members who transfer to the County Employees Retirement System. Notwithstanding the provisions of KRS 78.530(3)(b), the urban-county government may, at its option, extend the payment period for the cost of alternate participation to a maximum of thirty (30) years with the interest at the rate actuarially assumed by the County Employees Retirement System board. The urban-county government shall have the right to use assets in the local pension fund, other than those assets, as determined by actuarial valuation, necessary to pay benefits to the remaining active members of the local retirement fund and retirees and their survivors, to assist in the payment of the annual installment cost of alternate participation. The County Employees Retirement System employee contribution shall be made as a deduction from salary, and payment to the member of salary less this deduction shall constitute a full and complete discharge and acquittance of all claims and demands whatsoever for the services rendered by the member during the period covered by the payment. All policemen and firefighters who become members of the County Employees Retirement System pursuant to this section shall be granted hazardous duty coverage.

➔Section 5. KRS 67A.430 is amended to read as follows:

- (1) (a) For a member whose participation date in the fund is prior to March 14, 2013, the rate of retirement annuity shall be two and one-half percent (2.5%) of average salary, as defined in KRS 67A.360(13), for each year of total service.
- (b) For a member whose participation date in the fund is on or after March 14, 2013, the rate of retirement annuity shall be two and one-quarter percent (2.25%) of average salary, as defined in KRS 67A.360(13), for each year of total service.
- (c) Fractional periods of service shall be considered in the calculation of such annuities according to the rate provided by paragraph (a) or (b) of this subsection, based upon the participation date of the member.
- (d)
 1. *Solely for purposes of calculating average salary under this subsection, a member who is receiving worker's compensation benefits from the government shall be credited with any salary the member would have otherwise been paid while receiving worker's compensation benefits if the member voluntarily elects to pay to the fund an amount equivalent to the employee contribution established by KRS 67A.510 on the salary the member did not receive during the period worker's compensation benefits were paid.*
 2. *If the member elects to make the employee contribution payment to the fund authorized by this paragraph, the government shall pay to the fund an amount equivalent to the employer contribution required by KRS 67A.520 on the salary the member did not receive during the period worker's compensation benefits were paid.*
 3. *The provisions of this paragraph shall be retroactive and shall apply to all active members of the fund who have not retired and to any member who retired on or after January 1, 2021.*
- (2) Any retiree or surviving spouse who, as of July 1, 2005, was receiving a monthly annuity of less than one thousand two hundred fifty dollars (\$1,250) shall have the pension increased to one thousand two hundred fifty dollars (\$1,250). Such increase shall be retroactive to July 1, 2005, and the retiree or surviving spouse shall receive a lump-sum payment equal to the difference between the amount of the monthly annuities received between July 1, 2005, and July 15, 2006, and the amount that would have been received had the monthly annuity been increased on July 1, 2005. The board shall increase this annuity at the same rate as annually provided by KRS 67A.690(1), and such increase shall be determined and granted annually thereafter by the board.

➔Section 6. KRS 67A.460 is amended to read as follows:

- (1) If a total and permanent occupational disability occurs, the member shall receive an annuity calculated pursuant to subsection (2) of this section. This benefit shall begin at the time the member's salary ceases, and shall be paid during his or her entire lifetime. At the member's death, his or her eligible surviving spouse, if any, shall receive the benefits as provided under KRS 67A.492, and his or her minor children, if any, shall receive benefits as provided under KRS 67A.440.
- (2) The minimum annuity rate for a total and permanent occupational disability shall be:

- (a) Fifty percent (50%) of the member's last rate of salary if the member's rate of disability is less than twenty percent (20%) and the disablement is the direct result of documented occupational injuries for service to the department that occurred on or after July 1, 2013;
 - (b) Sixty percent (60%) of the member's last rate of salary if the member's rate of disability is less than twenty percent (20%) and the disablement is the direct result of documented occupational injuries for service to the department that occurred prior to July 1, 2013; or
 - (c) Sixty percent (60%) of the member's last rate of salary if the member's rate of disability is equal to twenty percent (20%) or more. The minimum annuity rate provided by this paragraph shall be increased by one half (1/2) of the amount by which the member's percentage of disability exceeds twenty percent (20%), but this increase shall be not more than fifteen percent (15%) of the member's last rate of salary and the member's total annuity shall not be greater than seventy-five percent (75%) of his or her last rate of salary.
- (3) The member's percentage of disability shall be the average of the impairment rating determined by two (2) physicians selected by the board under KRS 67A.480, using the "Guides to the Evaluation of Permanent Impairment".
- (4) (a) If a member is eligible for a service retirement annuity under KRS 67A.410 and the amount of the member's service retirement annuity would exceed the amount of his or her total and permanent occupational disability annuity, as determined by the board under this section, then the member may elect to receive an additional service retirement annuity payment equal to the amount by which the member's service retirement annuity would have exceeded the amount of his or her total and permanent occupational disability annuity, in addition to the member's disability annuity, by filing with the board the application required by KRS 67A.410.
- (b) *Effective July 1, 2022, any member who is approved by the board to convert a service retirement to a disability retirement shall be precluded from requesting to revert back to a service retirement. The provisions of this paragraph shall apply to any member who begins receiving disability retirement on or after July 1, 2022, or any member who has been approved for a disability retirement prior to July 1, 2022, but has not yet reverted back to a service retirement.*

➔Section 7. KRS 67A.480 is amended to read as follows:

- (1) For the purpose of KRS 67A.360 to 67A.690, a member shall be considered totally and permanently disabled after the board has received written certification by at least two (2) licensed and practicing physicians selected by the board that the member is totally and likely to be permanently disabled for the further performance of the duties of any assigned position in the service of the department.
- (2) *For members who make an application for total and permanent occupational disability, at least two (2) licensed and practicing physicians selected by the board must also certify in writing that the member's disability is due to an occupational cause. If such physicians do not concur as to whether the member's disability is due to an occupational cause, the board may, with the consent of the member, grant the member a disability retirement due to a cause other than occupational disability under the provisions of KRS 67A.470.*
- (3) If upon consideration of the report of such physicians *as provided by subsections (1) and (2) of this section* and such other evidence as shall have been presented to it by the member or others interested therein, the board finds the member to be totally and permanently disabled, it shall grant him a disability retirement annuity upon written certification that the member has been separated from the service of the government because of total disability of such nature as to reasonably prevent further service for the employer, and as a consequence is not entitled to compensation from the government.
- (4) *Nothing contained in this section shall be construed to limit the ability of a member to seek a rehearing in accordance with KRS 67A.660 or judicial review in accordance with KRS 67A.670 of a disability determination or calculation of a disability retirement annuity by the board.*

➔Section 8. KRS 67A.320 is amended to read as follows:

- (1) Any urban-county government in which there existed a municipality which had in effect an employees' pension fund prior to its merger into the urban-county form of government shall provide by comprehensive plan or ordinance for the maintenance of the pension fund for those employees covered by the pension fund, and shall in each case provide for the payment to the pension fund in each month of the sum necessary to maintain the fund in accordance with the actuarial principles established by the actuarial studies described in

this section, and may assess monthly the amount or percent of the salary of the employees as determined on a fair actuarial basis, and in any case not in excess of nine percent (9%) of the monthly salary of each employee unless a higher rate was charged prior to the merger of governments, in which case the higher rate may be charged, the assessment to be deducted from the employees' salaries or picked up pursuant to subsection (2) of this section and paid in cash into the pension fund. Within six (6) months after the effective date of the urban-county form of government, or within six (6) months after June 21, 1974, whichever shall be later, the trustees of the board shall, at the expense of the pension fund, provide for the performance of an actuarial valuation, which shall be completed within six (6) months thereafter, and shall describe the amounts necessary to be contributed by the urban-county government or other sources to fund on an actuarially sound basis the benefits promised or described in the fund, including any payments required to bring the fund to an actuarially sound position if it was not so at the time of the performance of the valuation. The legislative body shall determine a reasonable period over which additional funding, if any, shall be made, which period shall not exceed thirty (30) years. A similar valuation shall be arranged by the board at the cost of the urban-county government at least once in every three (3) year to five (5) year period thereafter as prescribed by KRS 65.156. If the fund created by this section is extended to cover employees not described in the first sentence of this section, the actuarial valuation shall determine the required payments necessary to keep the expanded fund on an actuarially sound basis, and the urban-county government shall maintain the fund, and shall assess against the additional covered employees the same monthly contribution as required for other government employees.

- (2) The urban-county government shall, solely for the purpose of compliance with Section 414(h) of the United States Internal Revenue Code, pick up the employee contributions required by this section for all compensation earned after August 1, 1982, and the contributions picked up shall be treated as employer contributions in determining tax treatment under the United States Internal Revenue Code and KRS 141.010. However, the urban-county government shall continue to withhold federal and state income taxes based upon these contributions and hold them in a separate account until the Internal Revenue Service or the federal courts rule that, pursuant to Section 414(h) of the United States Internal Revenue Code, these contributions shall not be included as gross income of the employee until such time as the contributions are distributed or made available to the employee. The picked-up employee contribution shall satisfy all obligations to the retirement fund satisfied prior to August 1, 1982, by the employee contribution, and the picked-up employee contribution shall be in lieu of an employee contribution. The urban-county government shall pay these picked-up employee contributions from the same source of funds which is used to pay earnings to the employee. The employee shall have no option to receive the contributed amounts directly instead of having them paid by the urban-county government to the fund. Employee contributions picked up after August 1, 1982, shall be treated for all purposes of this section in the same manner and to the same extent as employee contributions made prior to August 1, 1982.
- (3) The pick up of employee contributions by the employer shall not be construed to reduce the final salary or the average salary upon which the employee retirement benefit is based.
- (4) There is hereby created a board for the existing employees' pension fund and trustees of that board. Trustees from the pension fund board shall consist of the mayor, four (4) members of the legislative body of the urban-county government selected by the legislative body, the secretary of the Finance and Administration Cabinet, the director of the Division of Personnel, and three (3) civil service employees or retirees to be elected to the board by those employees and retirees covered by the employees' pension fund. ***If no employee, retiree, or beneficiary is able or willing to serve on the board resulting in one (1) or more vacancies of the three (3) elected positions, any such vacancy shall be filled by appointment by the mayor subject to the approval of the legislative body.*** In the event that there is no position in the urban-county government denominated secretary of the Finance and Administration Cabinet and/or director of the Division of Personnel, the appointed office of the urban-county government exercising the functions most closely resembling such office shall serve as trustee.
- (5) Temporary employees appointed without examination shall not be compelled to contribute to any pension fund and shall not be eligible to benefits.
- (6) In no year shall the contribution by the urban-county government to the pension fund, in the manner provided in this section, be less than the total amount assessed upon and deducted from the salary of the employees.
- (7) The trustees of the pension fund shall, at least once every three (3) months, report in writing to the mayor the receipts, expenditures, and financial status of the pension fund, stating the places of deposit of funds, or the character of investments made, and the mayor shall cause copies of the report to be posted in at least three (3) places where urban-county employees frequent and report.

- (8) If the urban-county government issues the appropriate order allowing participation in the County Employees Retirement System alternate participation plan pursuant to KRS 78.530(3) and 78.531(2), the urban-county government shall have the right to use assets in the local pension fund, other than assets necessary to pay benefits to the remaining active members of the local pension fund and to retirees and their survivors as determined by actuarial valuation and other than assets payable to the County Employees Retirement System pursuant to KRS 78.531(2), to assist in the payment of both the employee's and employer's costs of alternate participation pursuant to KRS 78.530(3)(d).
- (9) If all liabilities to all individuals entitled to benefits from the employees' pension fund have been satisfied, any ordinances established for creation or maintenance of the fund may be repealed by the majority vote of the duly elected members of the entire legislative body of the urban-county government. If repealed, the fund's board of trustees shall, within sixty (60) days of repeal, proceed with the liquidation of any residual assets of the fund. All residual assets liquidated pursuant to this subsection shall be distributed by the board of trustees to the urban-county government's general fund which shall then contribute the entire distribution received into the policemen's and firefighters' retirement fund as a supplemental contribution, so long as the return of assets complies with federal and state law governing the distribution of assets. The supplemental contribution provided to the policemen's and firefighters' retirement fund under this subsection shall be in addition to the contributions required by KRS 67A.360 to 67A.690 and shall not be used to offset any other contributions required to be paid to the fund under the provisions of KRS 67A.360 to 67A.690. Within thirty (30) days following the distribution of residual assets, the board of trustees of the fund shall as its last act file a complete report with the legislative body of the urban-county government of the actions taken to terminate the fund and liquidate residual assets of the fund. Upon completion of the provisions specified by this subsection, the provisions of KRS 67A.320 to 67A.330 as it relates to the employees' pension fund shall be void.

➔Section 9. Whereas ensuring the timely receipt of benefits impacts members of the fund, an emergency is declared to exist and this Act takes effect on July 1, 2022.

Signed by Governor April 8, 2022.

Failure of an assignee to record the assignment shall render the claim of such person to any real estate represented thereby inferior to the rights of other bona fide purchasers, payors, or creditors.
- (d) If the third-party purchaser fails to release the lien in accordance with the provisions of KRS 382.365, or to surrender the certified copy of the certificate of delinquency to the person making full payment within thirty (30) days after payment has been tendered at the mailing address designated in the notice required by KRS 134.490 or the mailing address of record in the county clerk's office if no notice has been provided as required by KRS 134.490, the person making the payment shall have all of the remedies provided in KRS 382.365.

If the letter was returned, the sender shall also provide the returned letter to the clerk. The sender shall attest under oath that the letter was mailed to the correct address, and if the letter was not returned, the attestation shall also provide that the third-party purchaser did not respond in writing within thirty (30) days of the date the letter was mailed. The clerks' taking of such testimony shall be an official proceeding under KRS 523.010(3).
 - 2. Upon the acceptance of proof and attestation by the county clerk that the person has failed in his or her attempt to contact the third-party purchaser about making payment, the person may pay the full amount due as reflected in the records maintained by the county clerk plus applicable interest, and the county clerk shall make the necessary assignment or release of the certificate of delinquency. The county clerk shall also discharge any notice filed pursuant to KRS 382.440 or 382.450 as provided in KRS 382.470, except the county clerk shall prepare and record an in-house release executed by the county clerk along with the proof of payment, rather than requiring the signature or writing as required by KRS 382.470.  - 3. The county clerk shall deposit the money paid in an escrow account for this specific purpose in a bank having its deposits insured with the Federal Deposit Insurance Corporation. The name of the bank in which the money is deposited shall be noted on the certificate of delinquency.  - 5. The county clerk shall mail a copy of the certificate of delinquency by regular mail to the third-party purchaser of record at the address on the certificate of delinquency.
 - 6. If any county clerk fails to pay to the person entitled thereto, upon written demand clearly identified as a demand for payment, the money received in payment of a certificate of delinquency, the county clerk and the county clerk's sureties shall be liable for the amount of the payment and twenty percent (20%) interest thereon annually from the fifteenth day after the time the county clerk received the written demand until paid.
- (4) Copies of the records provided for in this section and KRS 134.126, when certified by the county clerk, shall be evidence of the facts stated in them in all the courts of this state.

- (6) The contract is for proprietary items for resale;
- (7) In school districts the contract relates to an enterprise in which the buying or selling by students is a part of the educational experience;
- (8) The contract or purchase is for expenditures made on authorized trips outside of the boundaries of the local public agency;
- (9) The contract is for the purchase of supplies which are sold at public auction or by receiving sealed bids;
- (10) The contract is for group life insurance, group health and accident insurance, group professional liability insurance, worker's compensation insurance, and unemployment insurance;

 - (a) That the developer increase the size or otherwise improve the collection capacity of the sanitary sewer or storm water pipe serving the affected private real estate development; and
 - (b) That the local public agency pay only the proportional cost of increasing the size, or otherwise improving the collection capacity, of the sanitary sewer or storm water pipe over the original collection capacity.

➔Section 2. KRS 424.260 is amended to read as follows:

- (1) Except where a statute specifically fixes a larger sum as the minimum for a requirement of advertisement for bids, no city, county, or district, or board or commission of a city or county, or sheriff or county clerk, may make a contract, lease, or other agreement for:

- (3) (a) Nothing in this statute shall limit or restrict the ability of a local school district to acquire supplies and equipment outside of the bidding procedure if those supplies and equipment meet the specifications of the contracts awarded by the Office of Material and Procurement Services in the Office of the Controller within the Finance and Administration Cabinet or a federal, local, or cooperative agency and are available for purchase elsewhere at a lower price. A board of education may purchase those supplies and equipment without advertising for bids if, prior to making the purchases, the board of education obtains certification from the district's finance or purchasing officer that the items to be purchased meet the standards and specifications fixed by state price contract, federal (GSA) price contract, or the bid of another school district whose bid specifications allow other districts to utilize their bids, and that the sales price is lower than that established by the various price contract agreements or available through the bid of another school district whose bid specifications would allow the district to utilize their bid.
- (b) The procedures set forth in paragraph (a) of this subsection shall not be available to the district for any specific item once the bidding procedure has been initiated by an invitation to bid and a publication of specifications for that specific item has been published. In the event that all bids are rejected, the district may again avail itself of the provisions of paragraph (a) of this subsection.

The deducted amounts shall, at the discretion of the board, be credited to accounts established pursuant to 26 U.S.C. sec. 401(h), within the funds established in KRS 78.520, or the insurance trust fund established under KRS 61.701. Notwithstanding the provisions of this paragraph, a transfer of assets between the accounts established pursuant to 26 U.S.C. sec. 401(h), within the funds established in KRS 78.520, and the insurance trust fund established under KRS 61.701 shall not be allowed.

No member may elect whether to participate in, or choose the contribution amount to accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 78.520, or the insurance trust fund established under KRS 61.701. The member shall have no option to receive the contribution required by this paragraph directly instead of having the contribution paid to accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 78.520, or the insurance trust fund established under KRS 61.701. No member may receive a rebate or refund of contributions. If a member establishes a membership date prior to September 1, 2008, pursuant to KRS 61.552(2) or (3), then this paragraph shall not apply to the member and all contributions previously deducted in accordance with this paragraph shall be refunded to the member without interest. The contribution made pursuant to this paragraph shall not act as a reduction or offset to any other contribution required of a member or recipient under KRS 78.510 to 78.852.
 5. The board of trustees, at its discretion, may direct that the contributions required by this paragraph be accounted for within accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 78.520, or the insurance trust fund established under KRS 61.701, through the use of separate accounts.

If the board provides for cross-referencing of insurance premiums, the employer's contribution for the working member or spouse shall be applied toward the premium, and the insurance trust fund established under KRS 61.701 or accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 78.520, shall pay the balance; or
 4. A combination of the fund sources described by subparagraph 1. to 3. of this paragraph.

Group rates under the hospital and medical insurance plan shall be made available to the spouse, each dependent child, and each disabled child, regardless of the disabled child's age, of a recipient who is a former member or the beneficiary, if the premium for the hospital and medical insurance for the spouse,

For purposes of this subsection only, a child shall be considered disabled if he or she has been determined to be eligible for federal Social Security disability benefits or meets the dependent disability standard established by the Department of Employee Insurance in the Personnel Cabinet.

 3. Fifty percent (50%) of the monthly premium for single coverage shall be paid for a retired member who had less than one hundred eighty (180) months of service but had at least one hundred twenty (120) months of service upon retirement, provided such retired member agrees to pay the remaining fifty percent (50%) by payroll deduction from his or her retirement allowance, electronic funds transfer, or by another method; or

- (b) Applicants who fail the written knowledge test shall be permitted to retake the written test on the next day the tests are administered. Applicants who fail the written test six (6) times shall be required to wait three (3) days before taking the knowledge test again. Applicants who subsequently fail the written test three (3) additional times shall be required to wait three (3) days prior to retaking the test.
- (2) (a) Except as provided for in subsection (3) of this section, at the time a CDL permit is issued:
 1. An applicant who has held a Kentucky operator's license for thirty (30) days or longer shall pay a skills-testing fee of fifty dollars (\$50); and
 2. An applicant who has held a Kentucky operator's license for less than thirty (30) days shall pay a skills-testing fee of one hundred fifty dollars (\$150).
- (b) There is created within the State Treasury a trust fund to be known as the State Police CDL skills-testing fund. The fund shall be administered by the State Police and shall receive all skills-testing and retesting fees collected under subsections (2)(a) and (6)(e) of this section, in addition to any grants, gifts, or appropriations of state or federal moneys and any interest earned on moneys in the fund. Moneys in the fund shall not lapse and shall be carried forward to the next succeeding fiscal year. The State Police CDL skills-testing fund shall be used by the State Police to contract with and train civilian CDL skills examiners and to improve the logistics of the CDL skills-testing process.
- (c) The State Police, upon request of an applicant who has passed both the vision and knowledge tests, may schedule the applicant for the skills test at the first available test date at a test site designated by the State Police but not less than fourteen (14) days after the applicant has filed the application and been issued a CDL permit. Except in extenuating circumstances, a retest for a failed portion of the skills test shall be given within three (3) days of a request of a retest.
- (d) An applicant shall provide a class representative commercial vehicle, for the class of CDL for which the applicant is testing, in which to take the skills test. Unless the State Police grant an exemption at the time the application for testing is made, the vehicle supplied under this paragraph shall be unloaded. Upon arrival for the skills test, the applicant shall have in his or her possession a valid Kentucky operator's license and a valid CDL permit. A CDL-licensed driver who is at least twenty-one (21) years old shall accompany the applicant at all times the applicant is in operation of a commercial vehicle.
- (3) A testing fee shall not be charged to:
 - (a) An individual applying for a CDL with an "S" endorsement as defined in KRS 281A.170; or
 - (b) Military personnel applying for a CDL under KRS 281A.165.

- (5) The State Police shall promulgate administrative regulations under KRS Chapter 13A that establish procedures that ensure an arm's-length relationship is maintained between a third-party tester and any owner, officer, or employee of any program offering commercial truck driving under the Kentucky Community and Technical College System or a proprietary school licensed under KRS Chapter 165A.
- (6) (a) Applicants shall be permitted to take the skills test for a particular class vehicle an unlimited number of times; however, an applicant shall not retest more than one (1) time in any twenty-four (24) hour period.
- (b) The skills test shall consist of three (3) separate portions: pre-trip inspection, basic maneuvering, and road skills. An applicant must achieve a score of at least eighty percent (80%) on each portion of the skills test before a CDL may be issued to the applicant. An applicant who passes one (1) or more portions of the skills test but does not pass all portions of the skills test shall retest only on those portions of the skills test the applicant failed.
- (c) An applicant who fails any portion of the skills test four (4) times shall be notified by the State Police that the applicant is required to wait one (1) week before retaking a portion of this skills test again.
- (d) Failure of an applicant to notify the State Police at least forty-eight (48) hours prior to missing an appointment for a skills test, or provide a written medical excuse from a licensed physician, advanced registered nurse practitioner, or physician's assistant, shall be considered a failure, on all parts of the skills test scheduled to be given, for the purposes of determining number of failures, waiting periods, and retesting fees under paragraphs (c) and (e) of this subsection for individual applicants. The fees for a missed appointment failure shall be forfeited and retained in the State Police CDL skills-testing fund established under this section. If the forty-eight (48) hour notice or medical excuse is given, the fee shall be applied to the rescheduled test. A missed appointment failure under this paragraph shall not be reported as a failure to the board.
- (e) Except as provided for in paragraph (d) of this subsection, at the time of application for a retest under this subsection, the applicant shall pay a retesting fee of fifty dollars (\$50).
- (7) (a) An applicant who seeks reinstatement of a commercial driver's license after a suspension, withdrawal, revocation, or disqualification of less than one (1) year shall pay the reinstatement fee as prescribed by KRS 281A.150(7) and shall receive his or her commercial driver's license with all endorsement and restrictions that were in effect at the time of suspension. An applicant who seeks reinstatement of a commercial driver's license after a suspension, withdrawal, revocation, or disqualification of one (1) year or more shall submit to the skills, knowledge, and vision tests.
- (b) *Subject to paragraphs (c) and (d) of this subsection, a person who possessed a Kentucky commercial driver's license that has expired for a period of less than five (5) years and was not subject to suspension, withdrawal, revocation, or disqualification for any reason at the time of expiration may have that license reinstated, with all endorsements, without submitting to the skills and knowledge tests by applying to the cabinet for renewal. Upon submission of medical certification, driver self-certifications required under KRS 281A.140(1)(f), successful completion of any necessary criminal background check, and review of the person's driving history record, the cabinet shall issue a renewal CDL, with all endorsements, to an applicant under this paragraph.*
- (c) *A person who otherwise meets the requirements of paragraph (b) of this subsection whose CDL was subject to suspension or revocation solely for failure to provide medical certification may apply for renewal of a CDL under paragraph (b) of this subsection.*
- (d) *If the CDL held by a person who otherwise meets the requirements of paragraph (b) of this subsection carried a hazardous materials endorsement, and the applicant wishes to retain that endorsement, he or she shall complete any examinations required for a hazardous materials endorsement renewal in KRS 281A.180(2) prior to renewing the CDL under paragraph (b) of this subsection.*

The employee shall continue to be paid at the same rate of pay he or she received prior to the transfer. If an employee is charged with an offense outside of the Commonwealth, this provision may also be applied if the charge would have been treated as a felony if committed within the Commonwealth. (d) Abolishment of a position; or

(e) Other material change in duties or organization;

(3) The appointing authority shall determine the job classifications affected and the number of employees laid-off in each classification and each county to which a layoff applies. In the same department or office, county, and job classification, interim and probationary employees shall be laid-off before any full-time or part-time employees with status are laid-off. For a period of two years, a reemployment applicant shall be hired before any applicant except another reemployment applicant with greater seniority who is on the same reemployment list. When a reemployment applicant is removed from a reemployment list, he or she shall be notified in writing. A reemployment applicant who accepts another Court of Justice position, tenured or non-tenured, or who retires, shall cease to have eligibility rights as a reemployment applicant;

(8) The appointing authority may place employees subject to a reduction in force;

(9) Furloughs or reduction of hours during a pay period shall not result in the loss of eligibility for any benefit otherwise due the employee;

(10) The appointing authority shall have the authority to promulgate comprehensive administrative regulations governing this section; and

(11) A layoff, furlough, or reduction of hours implemented in accordance with this section shall not be considered a penalization of the employee.

17. Salary Increase for Personnel: Included in the General Fund, Restricted Funds, and Federal Funds appropriations in Part I of this Act are sufficient funds to support a \$2,000 salary increase followed by an eight percent increase on the base salary and wages of each eligible employee effective July 1, 2022, for non-elected personnel. (2) The General Assembly further requests that the updated analysis be initiated by January 1, 2024. If the analysis indicates the need to modify the elimination of the District Court divisions listed in subsection (1) of this section due to population or caseload changes, an amended certification of necessity shall be submitted as required under KRS 21A.350.

PART IV

BUDGET REDUCTION OR SURPLUS EXPENDITURE PLAN

3. *The commission shall be entitled to receive service of process in any such proceeding, and shall have standing to intervene in such a proceeding for all purposes. B. Default, technical assistance, and termination

1. *If the commission determines that a member state has defaulted in the performance of its obligations or responsibilities under this Compact or the promulgated rules, the commission shall:*

 - b. *Provide remedial training and specific technical assistance regarding the default.*
2. *If a state in default fails to cure the default, the defaulting state may be terminated from the Compact upon an affirmative vote of a majority of the member states, and all rights, privileges, and benefits conferred by this Compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.*
3. *Termination of membership in the Compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the commission to the governor, the majority and minority leaders of the defaulting state's legislature, and each of the member states.*
4. *A state that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.*

2. *By majority vote, the commission may initiate legal action in the United States District Court for the District of Columbia or the federal district where the commission has its principal offices against a member state in default to enforce compliance with the provisions of the Compact and its promulgated rules and bylaws. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all costs of such litigation, including reasonable attorney's fees.*

3. *The remedies herein shall not be the exclusive remedies of the commission. The commission may pursue any other remedies available under federal or state law.*

SECTION 12. DATE OF IMPLEMENTATION OF THE INTERSTATE COMMISSION FOR OCCUPATIONAL THERAPY PRACTICE AND ASSOCIATED RULES, WITHDRAWAL, AND AMENDMENT

- A. *The Compact shall come into effect on the date on which the Compact statute is enacted into law in the tenth member state. The provisions, which become effective at that time, shall be limited to the powers granted to the commission relating to assembly and the promulgation of rules. Thereafter, the commission shall meet and exercise rulemaking powers necessary to the implementation and administration of the Compact.*
- B. *Any state that joins the Compact subsequent to the commission's initial adoption of the rules shall be subject to the rules as they exist on the date on which the Compact becomes law in that state. Any rule that has been previously adopted by the commission shall have the full force and effect of law on the day the Compact becomes law in that state.*
- C. *Any member state may withdraw from this Compact by enacting a statute repealing the Compact.*
1. *A member state's withdrawal shall not take effect until six (6) months after enactment of the repealing statute.*
 2. *Withdrawal shall not affect the continuing requirement of the withdrawing state's occupational therapy licensing board to comply with the investigative and adverse action reporting requirements of this Compact prior to the effective date of withdrawal.*
- D. *Nothing contained in this Compact shall be construed to invalidate or prevent any occupational therapy licensure agreement or other cooperative arrangement between a member state and a nonmember state that does not conflict with the provisions of this Compact.*
- E. *This Compact may be amended by the member states. No amendment to this Compact shall become effective and binding upon any member state until it is enacted into the laws of all member states.*

SECTION 13. CONSTRUCTION AND SEVERABILITY

This Compact shall be liberally construed so as to effectuate its purposes. The provisions of this Compact shall be severable and if any phrase, clause, sentence, or provision of this Compact is declared to be contrary to the constitution of any member state or of the United States or the applicability thereof to any government, agency, person, or circumstance is held invalid, the validity of the remainder of this Compact and its applicability to any government, agency, person, or circumstance shall not be affected thereby. If this Compact shall be held contrary to the constitution of any member state, the Compact shall remain in full force and effect as to the remaining member states and in full force and effect as to the member state affected as to all severable matters.

SECTION 14. BINDING EFFECT OF COMPACT AND OTHER LAWS

- A. *A licensee providing occupational therapy in a remote state under the Compact privilege shall function within the laws and regulations of the remote state.*

In order to clarify the effect of certain provisions of this Compact and to ensure that the rights and responsibilities of the various branches of government are maintained, the following shall be in effect in this state:

- A. *By entering into this Compact, this state authorizes the state licensing board as defined in Section 2 of this Compact and as created by KRS Chapter 319A to implement the provisions of this Compact.*

B. Notwithstanding any provision of this Compact to the contrary:

1. *When a rule is adopted pursuant to Section 10 of this Compact, the licensing board as defined by Section 2 of this Compact shall have sixty (60) days to review the rule for the purpose of filing the rule as an emergency administrative regulation pursuant to KRS 13A.190 and for filing the rule as an accompanying ordinary administrative regulation, following the requirements of KRS Chapter 13A. Failure by the licensing board as defined by Section 2 of this Compact to promulgate a rule adopted by the Occupational Therapy Compact Commission as an administrative regulation pursuant to KRS Chapter 13A shall result in the initiation of the process for withdrawal as set forth in Section 12 of this Compact. Nothing in these provisions shall negate the applicability and effect of Section 10 of this Compact to this state.*
2. *If the proposed administrative regulation is found deficient and the deficiency is not resolved pursuant to KRS 13A.330 or 13A.335, the provisions of Section 11 of this Compact shall apply. If the procedures under Section 11 of this Compact fail to resolve an issue, the provisions of Section 12 of this Compact shall apply.*
3. *If the Occupational Therapy Compact Commission created by Section 8 of this Compact exercises its rulemaking authority in a manner that is beyond the scope of the purposes of this Compact, or the powers granted under this Compact, then such an action by the commission shall be invalid and have no force or effect.*

C. Section 8F of this Compact pertaining to the financing of the commission shall not be interpreted to obligate the general fund of this state. Any funds used to finance this Compact shall be from money collected pursuant to KRS 319A.060.

D. This Compact shall apply only to those occupational therapists and occupational therapy assistants who practice or work under a Compact privilege.

➔Section 2. KRS 319A.140 is amended to read as follows:

1. For service purchased under a before-tax or after-tax installment purchase of service agreement as provided by paragraph (a)2. of this subsection, the cost of the service shall be computed in the same manner as for a lump-sum payment which shall be the principal, except that interest compounded annually at the actuarial rate in effect at the time the member elects to make the purchase shall be added for the period that the installments are to be made.
 2. Multiple service purchases may be combined under a single installment agreement, except that no employee may make more than one (1) installment purchase at the same time.

 7. The first service credited shall represent the first calendar month of the service to be purchased and each succeeding month of service credit shall represent the succeeding months of that service.
 8. If the employee utilizing an installment purchase of service agreement dies, retires, does not continue employment in a position required to participate in the system, or elects to stop an after-tax installment purchase of service agreement, the member, or in the case of death, the beneficiary, shall have sixty (60) days to pay the remaining principal or a portion of the remaining principal of the installment purchase of service agreement by lump sum, subject to the restrictions of paragraph (a)1. of this subsection, or by transfer of funds under paragraph (a)3. of this subsection, except that payment by the member shall be filed with the system prior to the member's effective retirement date. If the employee elects to renew the installment purchase, the cost of the remaining service shall be recalculated in accordance with subsection (10) of this section.

- (10) (a) The cost of purchasing service credit under any provision of this section, except as provided by subsections (1) to (3) of this section, shall be determined by multiplying the higher of the employee's current rate of pay, final rate of pay, or final compensation as of the end of the month in which the purchase is made times the actuarial factor times the number of years of service being purchased. The actuarial factor used to determine the cost of purchasing service credit shall assume the earliest date the member may retire without a reduction in benefits and the cost-of-living adjustments provided to members upon retirement.
- (b) Service purchased on or after August 1, 2004, under the provisions of KRS 16.505 to 16.652, 61.510 to 61.705, or 78.510 to 78.852, except for service purchased under subsections (1) to (3) of this section *or service purchased as described by paragraph (d) of this subsection*, shall not be used to determine eligibility for or the amount of the monthly insurance contribution under KRS 61.702 or 78.5536.

An increase or decrease in the unfunded actuarially accrued liability may result from, but not be limited to, legislative changes to benefits, changes in actuarial methods or assumptions, or actuarial gains or losses;
 2. Paid as a percentage of payroll on the creditable compensation reported for each employee participating in the system and accruing benefits; and
 3. The same percentage of pay for all employees who are participating in the same retirement system, except that separate percentage rates shall be developed in each system for those employers whose employees are participating in hazardous duty retirement coverage as provided by KRS 61.592.
- (d) 1. For purposes of this section, the actuarially accrued liability contribution for nonhazardous employers in the Kentucky Employees Retirement System on or after July 1, 2021:
 - a. Shall be an annual dollar amount that is sufficient to amortize the total unfunded actuarially accrued liability of the system over a closed period of thirty (30) years beginning with the 2019 actuarial valuation using the level percentage of payroll amortization method, except that any increase or decrease in the unfunded actuarially accrued liability occurring after the completion of the 2019 actuarial valuation shall be amortized over a closed period of twenty (20) years beginning with the actuarial valuation in which the increase or decrease in the unfunded actuarially accrued liability is recognized. An increase or decrease in the unfunded actuarially accrued liability may result from but not be limited to legislative changes to benefits, changes in actuarial methods or assumptions, or actuarial gains or losses;
 - b. Shall be prorated to each individual nonhazardous employer in the Kentucky Employees Retirement System by multiplying the annual dollar amount of the actuarially accrued liability contribution for the system as determined by subdivision a. of this subparagraph by the individual employer's percentage of the system's total actuarially accrued liability as of the June 30, 2019, actuarial valuation which shall be determined solely by the system's consulting actuary and assigned to each employer based upon the last participating employer of the member or retiree as of June 30, 2019. The individual employer's percentage of the system's total actuarially accrued liability as of the June 30, 2019, actuarial valuation shall be used to determine the individual employer's prorated

dollar amount of the system's actuarially accrued liability contribution in all future fiscal years of the amortization period or periods, except that the employer's percentage shall be adjusted to reflect any employer who voluntarily or involuntarily ceases participation as provided by KRS 61.522 and except as provided by subparagraphs 4. and 5. of this paragraph. For purposes of this subdivision, all executive branch departments, program cabinets and their respective departments, and administrative bodies enumerated in KRS 12.020, and any other executive branch agencies administratively attached to a department, program cabinet, or administrative body enumerated in KRS 12.020, shall be considered a single individual employer and only one (1) value shall be computed for these executive branch employers. For purposes of this subdivision, all employers of the legislative branch, including the Legislative Research Commission and the General Assembly that covers legislators and staff who participate in the Kentucky Employees Retirement System, shall be considered a single individual employer and only one (1) value shall be computed for these employers. For purposes of this subdivision, all employers of the judicial branch, including the Administrative Office of the Courts, the Judicial Form Retirement System, and all master commissioners, shall be considered a single individual employer and only one (1) value shall be computed for these employers;

- c. Shall be payable by an individual employer in equal monthly dollar installments during the fiscal year in accordance with the reporting requirements specified by KRS 61.675 so that the individual employer pays its full prorated dollar amount of the actuarially accrued liability contribution as determined by subdivision b. of this subparagraph; and
 - d. Notwithstanding subdivision b. of this subparagraph for those individual participating employers who are local and district health departments governed by KRS Chapter 212, community mental health centers, and employers whose employees are not subject to KRS 18A.005 to 18A.200, who received or were eligible to receive a distribution of general fund appropriations in the 2018-2020 biennial executive branch budget to assist in paying retirement costs under 2018 Ky. Acts ch. 169, Part I, G., 4., (5); 2018 Ky. Acts ch. 169, Part I, G., 5., (2); or 2018 Ky. Acts ch. 169, Part I, G., 9., (2), shall not, once the initial dollar amounts are established in accordance with this paragraph, be adjusted in terms of dollars paid by the individual employer, except that adjustments shall be made by the system upon completion of an actuarial investigation as provided by KRS 61.670, so long as at least four (4) years have passed since the last adjustment to the actuarially accrued liability contribution for these employers. The provisions of this subdivision shall not be interpreted to mean that employers described by this subdivision may continue paying the dollar value of contributions or employer contribution rates established or paid by the employer in budget periods occurring prior to July 1, 2021.
2. Individual employers, solely for purposes of collecting employer contributions from various fund sources during the fiscal year, may convert the actuarially accrued liability contribution established by this paragraph to a percentage of pay and may adjust the percent of pay during the fiscal year in order to pay the required dollar value of actuarially accrued liability contribution required by this paragraph. No provision of this subparagraph shall be construed to reduce an individual employer's actuarially accrued liability contribution as otherwise provided by this paragraph.
 3. The provisions of this paragraph shall not apply to those employers who cease participation as provided by KRS 61.522.
 4. In the event an individual Kentucky Employees Retirement System nonhazardous employer who is required to pay an actuarially accrued liability contribution as provided by this paragraph and as calculated from the 2019 actuarial valuation or subsequent valuations, merges with another employer or entity, forms a new or separate employer or entity, or splits or separates operations into multiple employers or entities, the system shall, except for those employers or entities who pay the costs to cease participation as provided by KRS 61.522, have full authority to assign a portion or all of the total actuarially accrued liability contribution to the merged, new, split, or separate employers or entities, regardless of whether or not the merged, new, split, or separate employers or entities participate in the system. In the case of a district health department established pursuant to KRS Chapter 212, which ceases to operate or which has a county or counties that withdraw from the district health department, the systems shall assign the total actuarially accrued liability contribution based upon the proportion of taxable property of each

county as certified by the Department for Public Health in the Cabinet for Health and Family Services in accordance with KRS 212.132. The system shall establish by administrative regulations the process of assigning actuarially accrued liability contributions as authorized by this subparagraph.

5. a. An employer who is not in the executive, legislative, or judicial branch of Kentucky state government as enumerated in subparagraph 1.b. of this paragraph may on or before July 1, 2021, appeal to the board regarding any current or former employees or retirees the employer believes should not be used to determine the employer's percentage of the system's total actuarially accrued liability. The only appeals that shall be submitted by the employer or considered by the board shall be potential errors where the last participating employer is in dispute, situations where employees of the employer were hired through a contract between the executive branch and the employer for the employee to provide services to the executive branch, or situations where a community mental health center was contracted to provide services at a facility previously operated by the executive branch. The employer shall submit the information required by the board to verify potential errors or contract employees with employers.
 - b. The board shall review and issue a final determination regarding any appeals by December 31, 2021. In situations where the board determines the last participating employer was incorrect and should be assigned to another employer, the system shall, effective for employer contributions payable on or after July 1, 2022, assign the cost to the executive branch until such time ownership of the liability can be determined and assigned to the correct employer. In situations where the board determines certain employees of employers were hired through a contract between the executive branch and the employer for an employee or employees to provide services to the executive branch, those liabilities shall, effective for employer contributions payable on or after July 1, 2022, be assigned to the executive branch. In situations where the board determines the community mental health center was contracted to provide services at a facility previously operated by the executive branch, the liabilities for employees providing services at that facility shall be assigned to the executive branch.
 - c. No appeal shall be submitted by the employer or considered by the board regarding the assumptions or methodology used by the actuary to determine a particular employer's percentage of the system's total actuarially accrued liability or the use of the last participating employer to assign liabilities to an employer, except as otherwise provided by this subparagraph.
 - d. The board shall within thirty (30) days following the final determinations submit to the Public Pension Oversight Board the list of appeals that were approved, the number of employees involved, and any costs that will be transferred to the executive branch effective July 1, 2022.
- (e) The employer contributions computed under this section shall be determined using:
1. The entry age normal cost funding method;
 2. An asset smoothing method that smooths investment gains and losses over a five (5) year period; and
 3. Other funding methods and assumptions established by the board in accordance with KRS 61.670.
- (2) (a) Except as limited by subsection (1)(d)1.d. of this section as it relates to the Kentucky Employees Retirement System, normal cost contribution rates and the actuarially accrued liability contribution shall be determined by the board on the basis of the annual actuarial valuation last preceding the July 1 of a new biennium.
- (b) The board shall not have the authority to amend contribution rates as of July 1 of the second year of the biennium for the Kentucky Employees Retirement System and the State Police Retirement System.
- (3) (a) The system shall advise each employer prior to July 1 of any change in the employer contribution rate.
- (b) *Costs for the benefits provided under subsection (2)(b)2. of Section 2 of this Act and Section 3 of this Act shall be included in the employer contribution rate payable to the State Police Retirement System*

but shall be reported as a separate line item in the actuarial valuation for purposes of Section 3 of this Act and in any correspondence to the Department of Kentucky State Police, the state budget director, and the Legislative Research Commission regarding employer costs for the State Police Retirement System.

- (c) Based on the employer contribution rate, each employer shall include in the budget sufficient funds to pay the employer contributions as determined by the board under this section.
- (4) All employers, including the General Assembly, shall pay the full actuarially required contributions, as prescribed by this section, to the Kentucky Employees Retirement System and the State Police Retirement System in fiscal years occurring on or after July 1, 2020, *except as authorized for the program established by subsection (2)(b)2. of Section 2 of this Act and Section 3 of this Act.*

➔Section 9. KRS 61.592 is amended to read as follows:

- (1) (a) "Hazardous position" for employees participating in the Kentucky Employees Retirement System means:
 - 1. Any position whose principal duties involve active law enforcement, including the positions of probation and parole officer and Commonwealth detective, active fire suppression or prevention, or other positions, including but not limited to pilots of the Transportation Cabinet and paramedics and emergency medical technicians, with duties that require frequent exposure to a high degree of danger or peril and also require a high degree of physical conditioning;
 - 2. Positions in the Department of Corrections in state correctional institutions and the Kentucky Correctional Psychiatric Center with duties that regularly and routinely require face-to-face contact with inmates; and
 - 3. Positions of employees who elect coverage under KRS 196.167(3)(b)2. and who continue to provide educational services and support to inmates as a Department of Corrections employee.
- (b) The effective date of participation under hazardous duty coverage for positions in the Department of Alcoholic Beverage Control shall be April 1, 1998. The employer and employee contributions shall be paid by the employer and forwarded to the retirement system for the period not previously reported.
- (2) Each employer may request of the board hazardous duty coverage for those positions as defined in subsection (1) of this section. Upon request, each employer shall certify to the system, in the manner prescribed by the board, the names of all employees working in a hazardous position as defined in subsection (1) of this section for which coverage is requested. The certification of the employer shall bear the approval of the agent or agency responsible for the budget of the department or county indicating that the required employer contributions have been provided for in the budget of the employing department or county. The system shall determine whether the employees whose names have been certified by the employer are working in positions meeting the definition of a hazardous position as provided by subsection (1) of this section. This process shall not be required for employees who elect coverage under KRS 196.167(3)(b)2.
- (3) (a) An employee who elects coverage under KRS 196.167(3)(b)2., and an employee participating in the Kentucky Employees Retirement System who is determined by the system to be working in a hazardous position in accordance with subsection (2) of this section, shall contribute, for each pay period for which he or she receives compensation, eight percent (8%) of his or her creditable compensation.
- (b) Each employer shall pay employer contributions based on the creditable compensation of the employees determined by the system to be working in a hazardous position at the employer contribution rate as determined by the board. The rate shall be determined by actuarial methods consistent with the provisions of KRS 61.565.
- (c) If the employer participated in the system prior to electing hazardous duty coverage, the employer may pay to the system the cost of converting the nonhazardous service to hazardous service from the date of participation to the date the payment is made, or the employer may establish a payment schedule for payment of the cost of the hazardous service above that which would be funded within the existing employer contribution rate. The employer may extend the payment schedule to a maximum of thirty (30) years. Payments made by the employer under this subsection shall be deposited to the retirement allowance account of the proper retirement system and these funds shall not be considered accumulated contributions of the individual members. If the employer elects not to make the additional payment, the employee may pay the cost of converting the service and provide payment for the cost as provided by KRS 61.552(9). Payments made by the employee under this subsection shall not be picked up, as

described in KRS 61.560(4), by the employer. If neither the employer nor employee makes the payment, the service prior to hazardous coverage shall remain nonhazardous. The provisions of this paragraph shall not apply to members who begin participating in the systems administered by Kentucky Retirement Systems on or after January 1, 2014.

- (4) The normal retirement age, retirement allowance, hybrid cash balance plans *except as provided by subsection (2)(b)2. of Section 2 of this Act and Section 3 of this Act*, other benefits, eligibility requirements, rights, and responsibilities of a member in a hazardous position, as prescribed by subsections (1), (2), and (3) of this section, and the responsibilities, rights, and requirements of his or her employer shall be as prescribed for a member and employer participating in the State Police Retirement System as provided for by KRS 16.505 to 16.652.
- (5) Any person employed in a hazardous position after July 1, 1972, shall be required to undergo a thorough medical examination by a licensed physician, and a copy of the medical report of the physician shall be retained on file by the employee's department or county and made available to the system upon request.
- (6) If doubt exists regarding the benefits payable to a hazardous position employee under this section, the board shall determine the benefits payable under KRS 61.510 to 61.705 or 16.505 to 16.652.

➔Section 10. In the event that budgeted funds in fiscal year 2023-2024 of the executive branch budget are insufficient to fund the program established by subsection (2)(b)2. of Section 2 of this Act and Section 3 of this Act for that fiscal year, the program shall, notwithstanding any provision of Section 3 to the contrary, still be provided in fiscal year 2023-2024 and any additional funding needed for the benefits provided in fiscal year 2023-2024 shall be included in the employer contribution rates payable for fiscal years occurring on or after July 1, 2024.

➔Section 11. Whereas it is critical to ensure that Kentucky State Police are able to attract and retain highly qualified peace officers, an emergency is declared to exist, and Section 1 of this Act takes effect on July 1, 2022.

➔Section 12. Sections 2 to 10 of this Act take effect on April 1, 2023.

Signed by Governor April 8, 2022.

➔Section 1. (1) The General Assembly hereby finds a significant lack of efficiency and effectiveness in the instructional and operational performance of Kentucky State University and determines that immediate appropriate corrective action is warranted as follows:

(a) Whereas Kentucky State University does not have sufficient resources or reserves to continue operating as currently structured, the General Assembly declares that a state of financial exigency exists at Kentucky State University from the effective date of this Act until June 30, 2023. The board of regents shall provide a copy of the new exigency policy to the Council on Postsecondary Education and the director of the Legislative Research Commission by June 1, 2022;

(b) In accordance with KRS 164.350 and 164.365, the Kentucky State University board of regents has the authority to terminate employment of any university employee, including tenured employees, upon 30 days' notice in accordance with the university's personnel policies and subject to the recommendation of the president or acting president, or in the case of the termination of the president or acting president, the recommendation of the Council on Postsecondary Education;

The council shall provide a monthly update on the financial status of the university to the Governor and the Legislative Research Commission. The financial oversight granted to the council under this paragraph shall continue until the council reports to the Governor and the Legislative Research Commission that the university's finances are stable;

(d) The Kentucky State University board of regents shall cease its search to fill the university's presidential vacancy until April 15, 2023. Upon the effective date of this Act, the board shall conduct a search for an interim president who has experience in university governance with specific emphasis placed on turnaround experience to replace the current interim president, who may serve until replaced;

(e) Within one year of the effective date of this Act, the Kentucky State University board of regents, in consultation with the Council on Postsecondary Education, shall conduct a thorough review of all university departments and academic programs for long-term viability, financial stability, alignment with the university's mission, and other criteria determined by the board and the council. In accordance with accreditation requirements, the board shall eliminate or make changes to any department or program found to be ineffective, inconsistent with the university's mission, or otherwise not meeting the review criteria;

(f) Kentucky State University faculty and staff employed in departments and programs closed under paragraph (e) of this subsection shall be terminated in accordance with the university's personnel policies but shall not be prohibited from applying for other positions available at the university;

The process shall ensure a consistently high level of employee performance and shall include but not be limited to assessments by peers, students, and administrators. In addition to evaluating an employee's growth, accomplishments, and skills, the process shall be used to identify deficiencies and ineffectiveness and redirect employee efforts to improve or increase productivity. The process shall be used as a basis for decisions on continued employment, promotion, salary increases, tenure, and maintenance of tenure;

2. In addition to the requirements described in subparagraph 1. of this paragraph, the review process for tenured faculty shall include an evaluation of teaching effectiveness, research body of work, overall commitment to the mission of the university, and other criteria determined by the board and the council;

Any employee who fails to meet the criteria established by the board, including tenured faculty, shall be terminated in accordance with the university's personnel policies;

2. If there is not a sufficient body of evidence for a tenured faculty member to undergo the review required under subparagraph 1. of this paragraph, as determined by criteria established by the board in consultation with the council, the review shall be delayed and the faculty member shall be advised of the deficiencies in the body of evidence causing the delay. The review shall take place by April 1, 2024; and

The council shall provide recommendations for a transition plan to a new governance and operational structure for the institution for consideration by the General Assembly if the analysis finds a continuing significant lack of efficiency and effectiveness in the governance and administration of Kentucky State University. Upon the recommendation of the council, the General Assembly may extend the council's involvement with and oversight of the university beyond 2025.

➔Section 3. (1) There is hereby appropriated to the Council on Postsecondary Education General Fund moneys in the amount of \$23,000,000 in fiscal year 2021-2022 to address financial instability at Kentucky State University, including a cash shortfall due to prior year deficits and a projected financial structural imbalance in fiscal year 2021-2022. Prior to receiving any disbursement of the funds from the council, the university shall submit a request with supporting documentation required by the council for the council's review and approval and make recommendations for further investigations necessary, if any conduct has risen to the level of a crime. The total disbursed to Kentucky State University shall be a non-interest bearing loan to be repaid by the university. AN ACT relating to public schools and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

→Section 1. Until June 30, 2024, a local board of education of a district may provide for and commence the funding, financing, design, construction, renovation, or modification of the district's facilities in accordance with the provisions and restrictions established in statute and administrative regulation notwithstanding the requirements for prior approval for the district's plans and specifications from the chief state school officer under KRS 162.060, for the use of the district's capital outlay funds for projects from the commissioner of education under KRS 157.420, and for the district's transactions by the Kentucky Department of Education under KRS 160.160(3) and (4), and notwithstanding any administrative regulation that requires any of those entities to provide prior approval for the funding, financing, design, construction, renovation, or modification of school facilities. A local board that elects to conduct its projects under this section shall adopt a resolution by majority vote and submit the resolution to the Kentucky Department of Education as notice. Such a local board shall still submit BG-1 Project Application forms as appropriate to the Kentucky Department of Education for recordkeeping and data collection. The provisions of KRS 160.160(5) shall remain in full effect and shall be applicable to leases and bonds authorized by a local board without the prior approval of department. Notwithstanding the provisions of KRS 160.160(2) to the contrary, a local board under this section may use the estimates of architects or engineers who prepared the plans or specifications as an alternative to the receipt of advertised, public, and competitive bids for the project to estimate the cost of the project in advance of financing.

→Section 2. Until June 30, 2024, notwithstanding 702 KAR 4:180, 702 KAR 4:050, and 702 KAR 4:090, or any other similar administrative regulation to the contrary, a local board of education that submits a request for approval of a complete district facility plan, a request for acquisition of property, or a request for disposal of surplus property shall submit the request to the commissioner of education or designee who shall approve or disapprove the request within 30 business days. An approved request shall be reported to the Kentucky Board of Education. A denied request may be appealed to the board.

→Section 3. Until June 30, 2024, the Kentucky Department of Education shall provide assistance and guidance to local boards upon request regarding facilities funding, financing, design, construction, renovation, and modification, district facilities plans, and the acquisition and disposal of property.

→Section 4. Sections 1 through 3 of this Act shall also be applicable to submissions and requests that have been made by local boards prior to the effective date of this Act, but have not yet received approval from the appropriate board or official.

→Section 5. The facilities in Sections 1 through 3 of this Act may include extracurricular facilities which may be in any priority in a district facility plan notwithstanding 702 KAR 4:180 or any statute or other administrative regulation to the contrary.

→Section 6. Nothing in this Act shall be deemed to waive prior approval for the use of federal Elementary and Secondary School Emergency Relief Fund moneys or other funds that federal law requires approval from state officials prior to use.

→Section 7. By June 30, 2023, the Kentucky Department of Education shall conduct a review of the administrative regulations, incorporated materials, design manuals, and other guidance the department provides to districts concerning the construction, renovation, and modification of school facilities to identify inefficiencies in the review and approval process. During the review, the department shall also identify updates needed to the administrative regulations and materials due to the changing trends in facilities design, the construction industry, and the economy. This shall include identifying the most commonly granted waivers from administrative regulation and the changes required to reduce or eliminate the need for those waivers. The department shall also review the procedures implemented in the department for conducting the reviews and approvals outlined in Section 1 of this Act and develop a plan to reduce delays and increase efficiency through policy changes. The Kentucky Department of Education and the Department of Housing, Buildings and Construction shall discuss which elements of Kentucky Board of Education administrative regulations may be appropriate to incorporate into the administrative regulations of the Department of Housing, Buildings and Construction and the feasibility of enforcement of the administrative regulations. By September 1, 2023, the Kentucky Department of Education shall submit the results of the reviews, plans, and consultations required by this subsection in a report to the Interim Joint Committee on Appropriations and Revenue and the Interim Joint Committee on Education. The report may include suggested changes in statute for the General Assembly to consider during the 2024 Regular Session.

➔Section 8. Due to the growing financial loss to school districts from the increasing cost of construction and approval delays, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

Signed by Governor April 8, 2022.

CHAPTER 186

(HJR 41)

A JOINT RESOLUTION directing the Department of Revenue and the University of Kentucky's Department of Forestry and Natural Resources to recommend equitable property tax assessment procedures for well-managed forests.

WHEREAS, well-managed, family-owned, non-industrial forests are central to providing the raw material that fuels the \$13 billion in economic contributions from the forest industry sector annually; and

WHEREAS, incentivizing family forest owners, who own the majority of the forestlands in Kentucky, to conduct sound forest practices will help sustain the socio-economic benefits that forest resources provide to Kentucky; and

WHEREAS, pursuant to House Concurrent Resolution 13 of the 2002 Regular Session of the General Assembly, the Legislative Research Commission issued Research Report No. 307, which identified tax and related policies that had the effect of incentivizing or disincentivizing good forest management practices in the Commonwealth; and

WHEREAS, the examination of property tax issues impacting forest management practices in Research Report No. 307 produced conflicting views on how to equitably and constitutionally assess property taxes on well-managed forestlands; and

WHEREAS, this lack of agreement and failure to act upon the report's most important findings resulted in continued poor forest management of many forestlands in the Commonwealth and the potential unconstitutional taxation of forestlands where sound forest management practices were being implemented; and

WHEREAS, significant developments have occurred since the issuance of Research Report No. 307 that would be helpful in finding the best policies for improving the productivity of Kentucky's forests, including the availability of a nationally-recognized standard that could be used by property valuation administrators to define well-managed forests;

NOW, THEREFORE,

Be it resolved by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. The Department of Revenue and the University of Kentucky's Department of Forestry and Natural Resources shall coordinate together to submit a report to the Legislative Research Commission no later than December 1, 2022, detailing their recommendations for establishing property tax assessment procedures for well-managed forests that ensure equitable taxation of these lands and encourage sound forest management practices that will promote the sustainability of Kentucky's forests and maximize the socioeconomic benefits derived from them.

Signed by Governor April 8, 2022.

 - (b) ***If the prisoner is not convicted of any charges brought as a result of the prisoner's arrest, the county jail shall waive any outstanding expenses owed by the prisoner and reimburse the prisoner for any expenses already paid to the county jail for confinement due to that arrest, but the county jail shall not be required to waive or reimburse any expenses incurred by the prisoner for confinement related to a prior arrest, or for property damage or injury caused by the prisoner while confined to the jail.***
- (2) (a) The jailer may adopt, with the approval of the county's governing body, a prisoner fee and expense reimbursement policy, which may include, but not be limited to, the following:
 1. An administrative processing or booking fee;
 2.  3. Actual charges for medical and dental treatment; and
 4. Reimbursement for county property damaged or any injury caused by the prisoner while confined to the jail.
 - (b) Rates charged may be adjusted in accordance with the fee and expense reimbursement policy based upon the ability of the prisoner confined to the jail to pay, giving consideration to any legal obligation of the prisoner to support a spouse, minor children, or other dependents. The prisoner's interest in any jointly owned property and the income, assets, earnings, or other property owned by the prisoner's spouse or family shall not be used to determine a prisoner's ability to pay.
- (3) The jailer or his ***or her*** designee may bill and attempt to collect any amount owed which remains unpaid. The governing body of the county may, upon the advice of the jailer, contract with one (1) or more public agencies or private vendors to perform this billing and collection. - (4) Any fees or reimbursement received under this section shall be forwarded to the county treasurer for placement in the jail's budget.
- (5) The governing body of the county may require a prisoner who is confined in the county jail to pay a reasonable fee, not exceeding actual cost, for any medical treatment or service received by the prisoner. - (6) Payment of any required fees may be automatically deducted from the prisoner's property or canteen account. If the prisoner has no funds in his *or her* account, a deduction may be made creating a negative balance. If funds become available or if the prisoner reenters the jail at a later date, the fees may be deducted from the prisoner's property or canteen account. ***Automatic deductions from a prisoner's canteen account shall be made as follows:***
- (a) ***Up to one hundred percent (100%) of an initial deposit in the prisoner's account may be deducted for:***
1. ***Any amount owed by the prisoner that is associated with a confinement for a prior arrest; and***
 2. ***Fees and expenses incurred pursuant to subsection (2)(a)4. of this section; and***
- (b) ***Up to fifty percent (50%) of any subsequent deposit in the prisoner's account for all expenses incurred by reason of the prisoner's confinement as set out in this section.***
- (7) Prior to the prisoner's release, the jailer or his *or her* designee may work with the confined prisoner to create a reimbursement plan to be implemented upon the prisoner's release. At the end of the prisoner's incarceration, the prisoner shall be presented with a billing statement produced by the jailer or designee. After the prisoner's release, the jailer or his *or her* designee may, after negotiation with the prisoner, release the prisoner from all or part of the prisoner's repayment obligation if the jailer believes that the prisoner will be unable to pay the full amount due.
- (8) No per diem shall be charged to any prisoner who is required to pay a work release fee pursuant to KRS 439.179, a prisoner that has been ordered to pay a reimbursement fee by the court pursuant to KRS 534.045, or that the Department of Corrections is financially responsible for housing.
- (9) No medical reimbursement, except that provided for in KRS 441.045, shall be charged to any prisoner that the Department of Corrections is financially responsible for housing.

- (c) No member of the police or fire department except as provided in KRS 95.761 to 95.784 shall be reprimanded **in writing**, removed, suspended, or dismissed from the department until written charges have been made, or preferred against him, and a trial had as herein provided.
- (3) **This section shall only apply to a member of the police department when the provisions of KRS 15.520 do not apply.**

➔Section 9. KRS 337.285 is amended to read as follows:

- (1) No employer shall employ any of his employees for a work week longer than forty (40) hours, unless such employee receives compensation for his employment in excess of forty (40) hours in a work week at a rate of not less than one and one-half (1-1/2) times the hourly wage rate at which he is employed.

 - (d) Employees whose function is to provide twenty-four (24) hour residential care on the employer's premises in a parental role to children who are primarily dependent, neglected, and abused and who are in the care of private nonprofit childcaring facilities licensed by the Cabinet for Health and Family Services under KRS 199.640 to 199.670; or
 - (e) Any individual who is employed by a third-party employer or agency other than the family or household using his or her services to provide in-home companionship services for a sick, convalescing, or elderly person.
- (3) As used in subsection (2) of this section, "companionship services" means those services which provide in-home fellowship, care, and protection for a person who, because of advanced age or physical or mental infirmity, cannot care for his or her own needs. These services may include household work related to the care of the aged or infirm person such as meal preparation, bed making, washing of clothes, and other similar services. They may also include the performance of general household work, provided that the household work is incidental, i.e., does not exceed twenty percent (20%) of the total weekly hours worked. The term "companionship services" does not include services relating to the care and protection of the aged or infirm which require and are performed by trained personnel, such as a registered or practical nurse.
- (4) Notwithstanding the provisions of subsection (1) of this section or any other chapter of the KRS to the contrary, upon written request by a county or city employee or a Trooper R Class or CVE R Class, made freely and without coercion, pressure, or suggestion by the employer, and upon a written agreement reached between the employer and the county or city employee or the Trooper R Class or CVE R Class before the performance of the work, a county or city employee or a Trooper R Class or CVE R Class who is authorized to work one (1) or more hours in excess of the prescribed hours per week may be granted compensatory leave on an hour-for-hour basis. Upon the written request by a county or city employee or a Trooper R Class or CVE R Class, made freely and without coercion, pressure, or suggestion by the employer, and upon a written agreement reached between the employer and the county or city employee or the Trooper R Class or CVE R Class, before the performance of the work, a county or city employee or a Trooper R Class or CVE R Class who is not exempt from the provisions of the Federal Fair Labor Standards Act of 1938, as amended, 29 U.S.C. secs. 201 et seq., may be granted compensatory time in lieu of overtime pay, at the rate of not less than one and one-half (1-1/2) hours for each hour the county or city employee or the Trooper R Class or CVE R Class is authorized to work in excess of forty (40) hours in a work week.
- (5) (a) Upon the request of the county or city employee or the Trooper R Class or CVE R Class, and as provided in subsection (4) of this section, compensatory time shall be awarded as follows:
- 1. A county or city employee who provided work in excess of forty (40) hours in a public safety activity, an emergency response activity, or a seasonal activity as described in 29 C.F.R. sec. 553.24, may accrue not more than four hundred eighty (480) hours of compensatory time; or
 - 2. A county or city employee or a Trooper R Class or CVE R Class engaged in other work in excess of forty (40) hours, may accrue not more than two hundred forty (240) hours of compensatory time.
- (b) A county or city employee or a Trooper R Class or CVE R Class who has accrued four hundred eighty (480) hours of compensatory time off pursuant to paragraph (a)1. of this subsection, or two hundred forty (240) hours of compensatory time off pursuant to paragraph (a)2. of this subsection, shall for additional overtime hours of work, be paid overtime compensation.
- (6) A county or city employee or a Trooper R Class or CVE R Class who has accrued compensatory time off as provided in subsection (4) of this section, and who requested the use of compensatory time, shall be permitted by the employer to use the compensatory time within a reasonable period after making the request if the use of the compensatory time does not unduly disrupt the operations of the employer. Mere inconvenience to the employer shall not constitute a sufficient basis for denial of a county or city employee's request or a Trooper R Class or CVE R Class request for compensatory time off.
- (7) If compensation is paid to a county or city employee or a Trooper R Class or CVE R Class for accrued compensatory time off, the compensation shall be paid at the regular rate earned by the county or city employee or the Trooper R Class or CVE R Class at the time the county or city employee or the Trooper R Class or CVE R Class receives the payment.

- (8) Upon a county or city employee's termination of employment or the termination of employment of a Trooper R Class or CVE R Class, all unused accrued compensatory time shall be paid at a rate of compensation not less than:
- (a) The average regular rate received by the county or city employee or the Trooper R Class or CVE R Class during the last three (3) years of the employment of the county or city employee or Trooper R Class or CVE R Class; or
 - (b) The final regular rate received by the county or city employee or Trooper R Class or CVE R Class, whichever is higher.
- (9) Compensatory time shall not be used as a means to avoid statutory overtime compensation. A county or city employee or a Trooper R Class or CVE R Class shall have the right to use compensatory time earned and shall not be coerced to accept more compensatory time than an employer can realistically and in good faith expect to be able to grant within a reasonable period upon the county or city employee or the Trooper R Class or CVE R Class making the request for compensatory time off.
- (10) Nothing in subsections (4) to (9) of this section shall be construed to supersede any collective bargaining agreement, memorandum of understanding, or any other agreement between the employer and representative of the county or city employees or the Trooper R Class or CVE R Class.
- (11) As used in subsections (4) to (9) of this section:
- (a) "County or city employee" means an employee of any county, city, charter county, consolidated local government, unified local government, or urban-county government, including an employee of a county or city elected official;
 - (b) "CVE R Class" has the same meaning as in KRS 16.010; and
 - (c) "Trooper R Class" has the same meaning as in KRS 16.010.
- (12) In addition to the designation of a work week under subsection (1) of this section, local governments, as defined in KRS 95A.210(5), may designate a work period for professional firefighter employees as defined in KRS 95A.210. The designated work period shall be not less than one (1) work week of seven (7) consecutive days and not more than four (4) work weeks of twenty-eight (28) consecutive days for purposes of complying with the requirements of the Federal Labor Standards Act of 1938, as amended, 29 U.S.C. secs. 201 et seq. This subsection shall not exempt local governments from complying with the overtime requirements set forth in subsection (1) of this section and is intended to:
- (a) Clarify the option to designate both a work week for compliance with Kentucky law and a work period for compliance with the Fair Labor Standards Act of 1938, as amended, 29 U.S.C. secs. 201 et seq.; and
 - (b) Allow for the application of the partial exemption set forth in 29 U.S.C. sec. 207(k) in determining overtime pay under the Fair Labor Standards Act of 1938, as amended, 29 U.S.C. secs. 201 et seq., only.
- (13) (a) A law enforcement department of a consolidated local government organized under KRS Chapter 67C *or a city of the home rule class* shall not be deemed to have violated subsection (1) of this section with respect to the employment of a peace officer if:
1. The officer works eighty (80) hours or less in a work period of fourteen (14) consecutive days; and
 2.
 - a. *For a law enforcement department of a consolidated local government organized under KRS Chapter 67C*, the law enforcement department and a representative of a collective bargaining unit certified under KRS 67C.408 that includes the officer agree to the exception; *or*
 - b. *For a law enforcement department of a city of the home rule class, the law enforcement department and a representative of a collective bargaining unit recognized by the city to collectively bargain for the officer, if there is a collective bargaining unit, agree to the exception. If there is no collective bargaining unit representing the officer in a city of the home rule class, only the requirement in subparagraph 1. of this paragraph shall be met.*
- (b) It is the intent of this subsection to allow the employment of a peace officer for longer than forty (40) hours in any seven (7) consecutive days within a fourteen (14) day work period without incurring the

obligation to pay a rate of not less than one and one-half (1-1/2) times the officer's hourly wage under subsection (1) of this section.

Returned to Secretary of State April 11, 2022, and became law without Governor's signature April 12, 2022.

1. Paid as a percentage of creditable compensation reported for each employee participating in the system and accruing benefits; and
 2. The same percentage of pay for all employees who are participating in the same retirement system, except that separate percentage rates shall be developed in each system for those employers whose employees are participating in hazardous duty retirement coverage as provided by KRS 61.592.
- (c) For purposes of this section, the actuarially accrued liability contribution for all employers, except for contributions paid by nonhazardous employers in the Kentucky Employees Retirement System on or after July 1, 2021, shall be:
1. Computed by amortizing the total unfunded actuarially accrued liability of each system over a closed period of thirty (30) years beginning with the 2019 actuarial valuation using the level percentage of payroll amortization method, except that any increase or decrease in the unfunded actuarially accrued liability occurring after the completion of the 2019 actuarial valuation shall be amortized over a closed period of twenty (20) years beginning with the actuarial valuation in which the increase or decrease in the unfunded actuarially accrued liability is recognized. An increase or decrease in the unfunded actuarially accrued liability may result from, but not be limited to, legislative changes to benefits, changes in actuarial methods or assumptions, or actuarial gains or losses;
 2. Paid as a percentage of payroll on the creditable compensation reported for each employee participating in the system and accruing benefits; and
 3. The same percentage of pay for all employees who are participating in the same retirement system, except that separate percentage rates shall be developed in each system for those employers whose employees are participating in hazardous duty retirement coverage as provided by KRS 61.592.
- (d) 1. For purposes of this section, the actuarially accrued liability contribution for nonhazardous employers in the Kentucky Employees Retirement System on or after July 1, 2021:
- a. Shall be an annual dollar amount that is sufficient to amortize the total unfunded actuarially accrued liability of the system over a closed period of thirty (30) years beginning with the 2019 actuarial valuation using the level percentage of payroll

amortization method, except that any increase or decrease in the unfunded actuarially accrued liability occurring after the completion of the 2019 actuarial valuation shall be amortized over a closed period of twenty (20) years beginning with the actuarial valuation in which the increase or decrease in the unfunded actuarially accrued liability is recognized. An increase or decrease in the unfunded actuarially accrued liability may result from but not be limited to legislative changes to benefits, changes in actuarial methods or assumptions, or actuarial gains or losses;

- b. Shall be prorated to each individual nonhazardous employer in the Kentucky Employees Retirement System by multiplying the annual dollar amount of the actuarially accrued liability contribution for the system as determined by subdivision a. of this subparagraph by the individual employer's percentage of the system's total actuarially accrued liability as of the June 30, 2019, actuarial valuation which shall be determined solely by the system's consulting actuary and assigned to each employer based upon the last participating employer of the member or retiree as of June 30, 2019. The individual employer's percentage of the system's total actuarially accrued liability as of the June 30, 2019, actuarial valuation shall be used to determine the individual employer's prorated dollar amount of the system's actuarially accrued liability contribution in all future fiscal years of the amortization period or periods, except that the employer's percentage shall be adjusted to reflect any employer who voluntarily or involuntarily ceases participation as provided by KRS 61.522 and except as provided by subparagraphs 4. and 5. of this paragraph. For purposes of this subdivision, all executive branch departments, program cabinets and their respective departments, and administrative bodies enumerated in KRS 12.020, and any other executive branch agencies administratively attached to a department, program cabinet, or administrative body enumerated in KRS 12.020, shall be considered a single individual employer and only one (1) value shall be computed for these executive branch employers. For purposes of this subdivision, all employers of the legislative branch, including the Legislative Research Commission and the General Assembly that covers legislators and staff who participate in the Kentucky Employees Retirement System, shall be considered a single individual employer and only one (1) value shall be computed for these employers. For purposes of this subdivision, all employers of the judicial branch, including the Administrative Office of the Courts, the Judicial Form Retirement System, and all master commissioners, shall be considered a single individual employer and only one (1) value shall be computed for these employers. ***Upon request by any nonhazardous employer covered by this paragraph, the system shall, within ninety (90) days of the employer's request, provide the requesting employer with any:***
- i. ***Identifying, demographic, financial, or any other information that was provided to the system's actuary to determine the employer's share of the system's total actuarially accrued liability, including individual data provided to the actuary on each member, retiree, or recipient whose cost was assigned to the employer. The data shall also include identifying information that will allow the employer to match its records to the members, retirees, and recipients that resulted in the cost that has been assigned to the employer; and***
 - ii. ***Calculations produced by the actuary on each member, retiree, or recipient during the completion of the valuation that resulted in the cost assigned to the employer under this paragraph. The data shall include identifying information that will allow the employer to match its records to the members, retirees, and recipients that resulted in the cost that has been assigned to the employer;***
- c. Shall be payable by an individual employer in equal monthly dollar installments during the fiscal year in accordance with the reporting requirements specified by KRS 61.675 so that the individual employer pays its full prorated dollar amount of the actuarially accrued liability contribution as determined by subdivision b. of this subparagraph; and
- d. Notwithstanding subdivision b. of this subparagraph for those individual participating employers who are local and district health departments governed by KRS Chapter 212, community mental health centers, and employers whose employees are not subject to KRS 18A.005 to 18A.200, who received or were eligible to receive a distribution of general fund appropriations in the 2018-2020 biennial executive branch budget to assist in

paying retirement costs under 2018 Ky. Acts ch. 169, Part I, G., 4., (5); 2018 Ky. Acts ch. 169, Part I, G., 5., (2); or 2018 Ky. Acts ch. 169, Part I, G., 9., (2), shall not, once the initial dollar amounts are established in accordance with this paragraph, be adjusted in terms of dollars paid by the individual employer, except that adjustments shall be made by the system upon completion of an actuarial investigation as provided by KRS 61.670, so long as at least four (4) years have passed since the last adjustment to the actuarially accrued liability contribution for these employers. The provisions of this subdivision shall not be interpreted to mean that employers described by this subdivision may continue paying the dollar value of contributions or employer contribution rates established or paid by the employer in budget periods occurring prior to July 1, 2021.

2. Individual employers, solely for purposes of collecting employer contributions from various fund sources during the fiscal year, may convert the actuarially accrued liability contribution established by this paragraph to a percentage of pay and may adjust the percent of pay during the fiscal year in order to pay the required dollar value of actuarially accrued liability contribution required by this paragraph. No provision of this subparagraph shall be construed to reduce an individual employer's actuarially accrued liability contribution as otherwise provided by this paragraph.
3. The provisions of this paragraph shall not apply to those employers who cease participation as provided by KRS 61.522.
4. In the event an individual Kentucky Employees Retirement System nonhazardous employer who is required to pay an actuarially accrued liability contribution as provided by this paragraph and as calculated from the 2019 actuarial valuation or subsequent valuations, merges with another employer or entity, forms a new or separate employer or entity, or splits or separates operations into multiple employers or entities, the system shall, except for those employers or entities who pay the costs to cease participation as provided by KRS 61.522, have full authority to assign a portion or all of the total actuarially accrued liability contribution to the merged, new, split, or separate employers or entities, regardless of whether or not the merged, new, split, or separate employers or entities participate in the system. In the case of a district health department established pursuant to KRS Chapter 212, which ceases to operate or which has a county or counties that withdraw from the district health department, the systems shall assign the total actuarially accrued liability contribution based upon the proportion of taxable property of each county as certified by the Department for Public Health in the Cabinet for Health and Family Services in accordance with KRS 212.132. The system shall establish by administrative regulations the process of assigning actuarially accrued liability contributions as authorized by this subparagraph.
5.
 - a. An employer who is not in the executive, legislative, or judicial branch of Kentucky state government as enumerated in subparagraph 1.b. of this paragraph may on or before July 1, 2021, appeal to the board regarding any current or former employees or retirees the employer believes should not be used to determine the employer's percentage of the system's total actuarially accrued liability. The only appeals that shall be submitted by the employer or considered by the board shall be potential errors where the last participating employer is in dispute, situations where employees of the employer were hired through a contract between the executive branch and the employer for the employee to provide services to the executive branch, or situations where a community mental health center was contracted to provide services at a facility previously operated by the executive branch. The employer shall submit the information required by the board to verify potential errors or contract employees with employers.
 - b. The board shall review and issue a final determination regarding any appeals by December 31, 2021. In situations where the board determines the last participating employer was incorrect and should be assigned to another employer, the system shall, effective for employer contributions payable on or after July 1, 2022, assign the cost to the executive branch until such time ownership of the liability can be determined and assigned to the correct employer. In situations where the board determines certain employees of employers were hired through a contract between the executive branch and the employer for an employee or employees to provide services to the executive branch, those liabilities shall, effective for employer contributions payable on or after July 1, 2022, be assigned to the executive branch. In situations where the board determines the

community mental health center was contracted to provide services at a facility previously operated by the executive branch, the liabilities for employees providing services at that facility shall be assigned to the executive branch.

- c. No appeal shall be submitted by the employer or considered by the board regarding the assumptions or methodology used by the actuary to determine a particular employer's percentage of the system's total actuarially accrued liability or the use of the last participating employer to assign liabilities to an employer, except as otherwise provided by this subparagraph.
 - d. The board shall within thirty (30) days following the final determinations submit to the Public Pension Oversight Board the list of appeals that were approved, the number of employees involved, and any costs that will be transferred to the executive branch effective July 1, 2022.
- (e) The employer contributions computed under this section shall be determined using:
- 1. The entry age normal cost funding method;
 - 2. An asset smoothing method that smooths investment gains and losses over a five (5) year period; and
 - 3. Other funding methods and assumptions established by the board in accordance with KRS 61.670.
- (2) (a) Except as limited by subsection (1)(d)1.d. of this section as it relates to the Kentucky Employees Retirement System, normal cost contribution rates and the actuarially accrued liability contribution shall be determined by the board on the basis of the annual actuarial valuation last preceding the July 1 of a new biennium.
- (b) The board shall not have the authority to amend contribution rates as of July 1 of the second year of the biennium for the Kentucky Employees Retirement System and the State Police Retirement System.
- (3) The system shall advise each employer prior to July 1 of any change in the employer contribution rate. Based on the employer contribution rate, each employer shall include in the budget sufficient funds to pay the employer contributions as determined by the board under this section.
- (4) All employers, including the General Assembly, shall pay the full actuarially required contributions, as prescribed by this section, to the Kentucky Employees Retirement System and the State Police Retirement System in fiscal years occurring on or after July 1, 2020.

➔Section 3. KRS 61.661 is amended to read as follows:

- (1) (a) Each current, former, or retired member's account shall be administered in a confidential manner, and specific data regarding a current, former, or retired member shall not be released for publication, except that:
- 1. The member or recipient may authorize the release of his or her account information;
 - 2. Kentucky Retirement Systems may release account information to the employer or to other state and federal agencies as it deems necessary or in response to a lawful subpoena or order issued by a court of law, ***except that Kentucky Retirement Systems shall be required to release account information to the employer as required by subsection (1)(d)1.b. of Section 2 of this Act;*** or
 - 3. a. Upon request by any person, the systems shall release the following information from the accounts of any member or retired member of the Kentucky Employees Retirement System, the County Employees Retirement System, or the State Police Retirement System, if the member or retired member is a current or former officeholder in the Kentucky General Assembly:
 - i. The first and last name of the member or retired member;
 - ii. The system or systems in which the member has an account or from which the retired member is receiving a monthly retirement allowance;
 - iii. The status of the member or retired member, including but not limited to whether he or she is a contributing member, a member who is not currently contributing to the systems but has not retired, a retired member, or a retired member who has

- returned to work following retirement with an agency participating in the systems;
- iv. If the individual is a retired member, the monthly retirement allowance that he or she was receiving at the end of the most recently completed fiscal year;
 - v. If the individual is a member who has not yet retired, the estimated monthly retirement allowance that he or she is eligible to receive at his or her normal retirement date based upon his or her service credit, final compensation, and accumulated account balance at the end of the most recently completed fiscal year; and
 - vi. The current employer or last participating employer of the member or retired member, if applicable.
- b. No information shall be disclosed under this subparagraph from an account that is paying benefits to a beneficiary due to the death of a member or retired member.
- (b) A current, former, or retired member's account shall be exempt from the provisions of KRS 171.410 to 171.990.
 - (c) The release of information under paragraph (a)3. of this subsection shall not constitute a violation of the Open Records Act, KRS 61.870 to 61.884.
- (2) (a) When a subpoena is served upon any employee of the Kentucky Retirement Systems, requiring production of any specific data regarding a current, former, or retired member, it is sufficient if the employee of the Kentucky Retirement Systems charged with the responsibility of being custodian of the original delivers within five (5) working days, by certified mail or by personal delivery, legible and durable copies of records, certified by the employee, or an affidavit stating the information required by the subpoena to the person specified in the subpoena. The production of documents or an affidavit shall be in lieu of any personal testimony of any employee of the Kentucky Retirement Systems unless, after the production of documents or affidavit, a separate subpoena is served upon the systems specifically directing the testimony of an employee of the systems. When a subpoena is served on any employee of the systems requiring the employee to give deposition for any purpose, in the absence of a court order requiring the deposition of a specific employee, the systems may designate an employee to be deposed upon the matter referred to in the subpoena.
- (b) The certification required by this subsection shall be signed before a notary public by the employee and shall include the full name of the member or recipient, the member's or recipient's Social Security number, and a legend substantially to the following effect: "The records are true and complete reproductions of the original or microfiched records which are housed in the retirement systems office. This certification is given in lieu of his or her personal appearance."
 - (c) When an affidavit or copies of records are personally delivered, a receipt shall be presented to the person receiving the records for his signature and shall be immediately signed and returned to the person delivering the records. When an affidavit or copies of records are sent via certified mail, the receipt used by the postal authorities shall be sufficient to prove delivery and receipt of the affidavit or copies of records.
 - (d) When the affidavit or copies of records are delivered to a party for use in deposition, they shall, after termination of the deposition, be delivered personally or by certified mail to the clerk of the court or other body before which the action or proceeding is pending. It shall be the responsibility of the party or attorney to transmit the receipt obtained to the employee of the Kentucky Retirement Systems charged with responsibility of being custodian of the original. Upon issuance of a final order terminating the case and after the normal retention period for court records expires, the affidavit or copies of records shall be permanently disposed of by the clerk in a manner that protects the confidentiality of the information contained therein.
 - (e) Records of the Kentucky Retirement Systems that are susceptible to photostatic reproduction may be proved as to foundation, identity, and authenticity without any preliminary testimony, by use of legible and durable copies, certified in accordance with the provisions of this subsection.

➔Section 4. The amendments to Sections 1 to 3 of this Act shall be retroactive to July 1, 2021.

➔Section 5. Whereas ensuring the efficient operation of the Kentucky Employees Retirement System is critical to the Commonwealth of Kentucky and to members, retirees, and employers of the system, an emergency is

declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming law.

Returned to Secretary of State April 11, 2022, and became law without Governor's signature April 12, 2022.

CHAPTER 193

(HB 242)

AN ACT relating to road projects and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

➔Section 1. Notwithstanding KRS 48.100, 48.110, 48.300, and 176.430, the projects authorized by the General Assembly in this Act constitute the official 2022-2024 Biennial Highway Construction Plan.

➔Section 2. The General Assembly acknowledges that the project authorizations contained within this Act are based on the Transportation Cabinet's estimates. The Transportation Cabinet shall have the authority to expend funds necessary to complete the projects as authorized in this Act, amended only by variations dictated by bid or unforeseen circumstances.

➔Section 3. The Secretary of the Transportation Cabinet shall produce a single document that shall detail the enacted fiscal biennium 2022-2024 Biennial Highway Construction Program and the 2024-2028 Highway Preconstruction Program.

➔Section 4. This Act in conjunction with 2022 Regular Session HJR 82 shall constitute the Six-Year Road Plan.

➔Section 5. Whereas the funding for these projects is provided by the Transportation Cabinet Budget Bill, which takes effect upon its passage and approval by the Governor or upon otherwise becoming law, an emergency is declared to exist and this Act takes effect upon its passage and approval by the Governor or upon otherwise becoming law.

➔Section 6. The 2022-2024 biennial highway construction plan is as follows:

Signed by Governor April 11, 2022.
