➔Section 1. KRS 16.582 is amended to read as follows:

- (1) (a) Total and permanent disability means a disability which results in the member's incapacity to engage in any occupation for remuneration or profit. Loss by severance of both hands at or above the wrists, or both feet at or above the ankles, or one (1) hand above the wrist and one (1) foot above the ankle, or the complete, irrevocable loss of the sight of both eyes shall be considered as total and permanent.
- (b) Hazardous disability means a disability which results in the member's total incapacity to continue as a regular full-time officer or as an employee in a hazardous position, as defined in KRS 61.592, but

which does not result in the member's total and permanent incapacity to engage in other occupations for remuneration or profit.

- (c) In determining whether the disability meets the requirement of this section, any reasonable accommodation provided by the employer as provided in 42 U.S.C. sec. 12111(9) and 29 C.F.R. Part 1630 shall be considered.
 - (d) If the board determines that the total and permanent disability of a member receiving a retirement allowance under this section has ceased, then the board shall determine if the member has a hazardous disability.
- (2) Any person may qualify to retire on disability, subject to the following:
- (a) The person shall have sixty (60) months of service, twelve (12) of which shall be current service credited under KRS 16.543(1), 61.543(1), or 78.615(1). The service requirement shall be waived if the disability is a total and permanent disability or a hazardous disability and is a direct result of an act in line of duty;
 - (b) For a person whose membership date is prior to August 1, 2004, the person shall not be eligible for an unreduced retirement allowance;
 - (c) The person's application shall be on file in the retirement office no later than twenty-four (24) months after the person's last day of paid employment, as defined in KRS 16.505, as a regular full-time officer or in a regular full-time hazardous position under KRS 61.592;
 - (d) The person shall receive a satisfactory determination pursuant to KRS 61.665; and
 - (e) A person's disability application based on the same claim of incapacity shall be accepted and reconsidered for disability if accompanied by new objective medical evidence. The application shall be on file in the retirement office no later than twenty-four (24) months after the person's last day of paid employment as a regular full-time officer or in a regular full-time hazardous position.
- (3) Upon the examination of the objective medical evidence by licensed physicians pursuant to KRS 61.665, it shall be determined that:
- (a) The incapacity results from bodily injury, mental illness, or disease. For purposes of this section, "injury" means any physical harm or damage to the human organism other than disease or mental illness;
 - (b) The incapacity is deemed to be permanent; and
 - (c) The incapacity does not result directly or indirectly from:

2. The determination of a permanent incapacity *for the purpose of hazardous disability* shall be based on the medical evidence contained in the member's file and the member's residual functional capacity and physical exertion requirements.

3. *The determination of a total and permanent incapacity shall be based on the medical evidence contained in the member's file and the member's residual functional capacity.*
- (b) The person's residual functional capacity shall be the person's capacity for work activity on a regular and continuing basis. Other impairments, including skin impairments, epilepsy, visual sensory impairments, postural and manipulative limitations, and environmental restrictions, shall be considered in conjunction with the person's physical and mental impairments to determine residual functional capacity.
- (c) The person's physical exertion requirements shall be determined based on the following standards:

A job shall be in this category if lifting is infrequently required but walking and standing are frequently required, or if the job primarily requires sitting with pushing and pulling of arm or leg controls. The maximum service credit added shall not exceed the total service the member had on his or her last day of paid employment, and the maximum service credit for calculating his or her retirement allowance, including his or her total service and service added under this section, shall not exceed twenty (20) years.
- (b) For a member whose participation begins on or after August 1, 2004, but prior to January 1, 2014, the disability retirement allowance shall be the higher of twenty-five percent (25%) of the member's monthly final rate of pay or the retirement allowance determined in the same manner as for retirement at his or her normal retirement date with years of service and final compensation being determined as of the date of his disability.
- (c) For a member who begins participating on or after January 1, 2014, in the hybrid cash balance plan as provided by KRS 16.583, the disability retirement allowance shall be the higher of twenty-five percent (25%) of the member's monthly final rate of pay or the retirement allowance determined in the same manner as for retirement at his or her normal retirement date under KRS 16.583.

- (6) If the member receives a satisfactory determination of hazardous disability pursuant to KRS 61.665 and the disability is the direct result of an act in line of duty as defined in KRS 16.505, the member's retirement allowance shall be calculated as follows:

The payments shall be payable to each dependent child, or to a legally appointed guardian or as directed by the system.
- (7) If the member receives a satisfactory determination of total and permanent disability pursuant to KRS 61.665 and the disability is the direct result of an act in line of duty as defined in KRS 16.505, the member's retirement allowance shall be calculated as follows:
- (a) For the disabled member, the benefits as provided in subsection (5) of this section except that the monthly retirement allowance payable shall not be less than seventy-five percent (75%) of the member's monthly average pay; and

The payments shall be payable to each dependent child, or to a legally appointed guardian or as directed by the system, and shall be divided equally among all dependent children.
- (8) No benefit provided in this section shall be reduced as a result of any change in the extent of disability of any retired member who is ***the age of normal retirement*** ~~age fifty-five (55)~~ or older.
- (9) If a regular full-time officer or hazardous position member has been approved for benefits under a hazardous disability, the board shall, upon request of the member, permit the member to receive the hazardous disability allowance while accruing benefits in a nonhazardous position, subject to proper medical review of the nonhazardous position's job description by the system's medical examiner.
- (10) For a member of the State Police Retirement System, in lieu of the allowance provided in subsection (5) to (7) of this section, the member may be retained on the regular payroll and receive the compensation authorized by KRS 16.165, if he or she is qualified.

 - d. Notwithstanding subdivision b. of this subparagraph for those individual participating employers who are local and district health departments governed by KRS Chapter 212, community mental health centers, and employers whose employees are not subject to KRS 18A.005 to 18A.200, who received or were eligible to receive a distribution of general fund appropriations in the 2018-2020 biennial executive branch budget to assist in paying retirement costs under 2018 Ky. Acts ch. 169, Part I, G., 4., (5); 2018 Ky. Acts ch. 169, Part I, G., 5., (2); or 2018 Ky. Acts ch. 169, Part I, G., 9., (2), shall not, once the initial dollar amounts are established in accordance with this paragraph, be adjusted in terms of dollars paid by the individual employer, except that adjustments shall be made by the system upon completion of an actuarial investigation as provided by KRS 61.670, so long as at least four (4) years have passed since the last adjustment to the actuarially accrued liability contribution for these employers. The provisions of this subdivision shall not be interpreted to mean that employers described by this subdivision may continue paying the dollar value of contributions or employer contribution rates established or paid by the employer in budget periods occurring prior to July 1, 2021.
2. Individual employers, solely for purposes of collecting employer contributions from various fund sources during the fiscal year, may convert the actuarially accrued liability contribution

established by this paragraph to a percentage of pay and may adjust the percent of pay during the fiscal year in order to pay the required dollar value of actuarially accrued liability contribution required by this paragraph. No provision of this subparagraph shall be construed to reduce an individual employer's actuarially accrued liability contribution as otherwise provided by this paragraph.

3. The provisions of this paragraph shall not apply to those employers who cease participation as provided by KRS 61.522.
4. In the event an individual Kentucky Employees Retirement System nonhazardous employer who is required to pay an actuarially accrued liability contribution as provided by this paragraph and as calculated from the 2019 actuarial valuation or subsequent valuations, merges with another employer or entity, forms a new or separate employer or entity, or splits or separates operations into multiple employers or entities, the system shall, except for those employers or entities who pay the costs to cease participation as provided by KRS 61.522, have full authority to assign a portion or all of the total actuarially accrued liability contribution to the merged, new, split, or separate employers or entities, regardless of whether or not the merged, new, split, or separate employers or entities participate in the system. In the case of a district health department established pursuant to KRS Chapter 212, which ceases to operate or which has a county or counties that withdraw from the district health department, the systems shall assign the total actuarially accrued liability contribution based upon the proportion of taxable property of each county as certified by the Department for Public Health in the Cabinet for Health and Family Services in accordance with KRS 212.132. The system shall establish by administrative regulations the process of assigning actuarially accrued liability contributions as authorized by this subparagraph.
5.
 - a. An employer who is not in the executive, legislative, or judicial branch of Kentucky state government as enumerated in subparagraph 1.b. of this paragraph may on or before July 1, 2021, appeal to the board regarding any current or former employees or retirees the employer believes should not be used to determine the employer's percentage of the system's total actuarially accrued liability. The only appeals that shall be submitted by the employer or considered by the board shall be potential errors where the last participating employer is in dispute, situations where employees of the employer were hired through a contract between the executive branch and the employer for the employee to provide services to the executive branch, or situations where a community mental health center was contracted to provide services at a facility previously operated by the executive branch. The employer shall submit the information required by the board to verify potential errors or contract employees with employers.
 - b. The board shall review and issue a final determination regarding any appeals by December 31, 2021. In situations where the board determines the last participating employer was incorrect and should be assigned to another employer, the system shall, effective for employer contributions payable on or after July 1, 2022, assign the cost to the executive branch until such time ownership of the liability can be determined and assigned to the correct employer. In situations where the board determines certain employees of employers were hired through a contract between the executive branch and the employer for an employee or employees to provide services to the executive branch, those liabilities shall, effective for employer contributions payable on or after July 1, 2022, be assigned to the executive branch. In situations where the board determines the community mental health center was contracted to provide services at a facility previously operated by the executive branch, the liabilities for employees providing services at that facility shall, ***effective for employer contributions payable on or after July 1, 2022***, be assigned to the executive branch.
 - c. No appeal shall be submitted by the employer or considered by the board regarding the assumptions or methodology used by the actuary to determine a particular employer's percentage of the system's total actuarially accrued liability or the use of the last participating employer to assign liabilities to an employer, except as otherwise provided by this subparagraph.
 - d. The board shall within thirty (30) days following the final determinations submit to the Public Pension Oversight Board the list of appeals that were approved, the number of

employees involved, and any costs that will be transferred to the executive branch effective July 1, 2022.

- (e) The employer contributions computed under this section shall be determined using:
 - 1. The entry age normal cost funding method;
 - 2. An asset smoothing method that smooths investment gains and losses over a five (5) year period; and
 - 3. Other funding methods and assumptions established by the board in accordance with KRS 61.670.
- (2) (a) Except as limited by subsection (1)(d)1.d. of this section as it relates to the Kentucky Employees Retirement System, normal cost contribution rates and the actuarially accrued liability contribution shall be determined by the board on the basis of the annual actuarial valuation last preceding the July 1 of a new biennium.
- (b) The board shall not have the authority to amend contribution rates as of July 1 of the second year of the biennium for the Kentucky Employees Retirement System and the State Police Retirement System.
- (3) The system shall advise each employer prior to July 1 of any change in the employer contribution rate. Based on the employer contribution rate, each employer shall include in the budget sufficient funds to pay the employer contributions as determined by the board under this section.
- (4) All employers, including the General Assembly, shall pay the full actuarially required contributions, as prescribed by this section, to the Kentucky Employees Retirement System and the State Police Retirement System in fiscal years occurring on or after July 1, 2020.

The payments shall be suspended at the beginning of the month in which the reemployment occurs.
- (2) Employer and employee contributions shall be made as provided in KRS 61.510 to 61.705 and 78.510 to 78.852 on the compensation paid during reemployment, except where monthly payments were not suspended as provided in subsection (1) of this section or would not increase the retired member's last monthly retirement allowance by at least one dollar (\$1), and the member shall be credited with additional service credit.
- (3) In the month following the termination of reemployment, retirement allowance payments shall be reinstated under the plan under which the member was receiving payments prior to reemployment.

The person shall have one hundred eighty (180) days from the day the Authority ~~sent~~~~mailed~~ the review form *by United States first-class mail to the person's last address on file in the retirement office, by electronic mail to the person's last electronic mail address on file in the retirement office, or by other electronic means* to file at the retirement office the review form and the current employment and medical information. The person shall certify to the Authority that the review form, including current employment and medical information, is ready to be evaluated by the medical examiner in accordance with KRS 78.5528.
- (2) If, after good faith efforts, the person informs the Authority that he or she has been unable to obtain the employment or medical information, the Authority shall assist the person in obtaining the records and may use the powers granted pursuant to KRS 61.685(1) to obtain the records.

- (3) If the person fails or refuses to file at the retirement office the review form, including the current employment and medical information, his or her retirement allowance shall be discontinued or reduced on the first day of the month following the expiration of the one hundred eighty (180) days from the day the Authority ~~sent (mailed)~~ the review form **by United States first-class mail** to the person's last address on file in the retirement office, **by electronic mail to the person's last electronic mail address on file in the retirement office, or by other electronic means**. The Authority shall send notice of the discontinuance or reduction of the disability retirement allowance by United States first-class mail to the person's last address on file in the retirement office, **by electronic mail to the person's last electronic mail address on file in the retirement office, or by other electronic means**. ➔Section 22. KRS 78.5530 is amended to read as follows:

Notwithstanding any other provisions of KRS 78.510 to 78.852, a maximum disability benefit is hereby established which shall apply, upon disability retirement, to any disabled employee's account to which service credit is added to determine disability benefits or in any case where disability benefits are determined by computing a percentage of the disabled employee's final monthly rate of pay **or monthly average pay**. The maximum disability benefit shall be determined by the following formula:

- (1) Add the monthly benefit payable to the disabled employee from the County Employees Retirement System and the Kentucky Retirement Systems, using the monthly disability retirement allowance without any reduction due to the selection of an optional payment plan under KRS 61.635 but excluding dependent children's allowances, if any, to his or her monthly benefit, if any, from Social Security, even though these payments may not begin for a period of time as required for qualification under the federal Social Security law, excluding spouse or dependent benefits, and his or her monthly benefit, if any, from workers' compensation, even though these payments may not have begun as of the date the disabled member applies for disability retirement benefits, excluding spouse or dependent children's allowances, from workers' compensation, to arrive at a projected combined monthly benefit.
- (2) If the projected combined monthly benefit exceeds one hundred percent (100%) of the disabled employee's final rate of pay or his or her final compensation, whichever is greater, his or her disability retirement allowance from the County Employees Retirement System and the Kentucky Retirement Systems shall be reduced to an amount which would cause his or her projected combined monthly benefit to equal one hundred percent (100%) of his or her final rate of pay or his or her final compensation, whichever is greater; however, the disability retirement allowance shall not be reduced below an amount which would result from a computation of his or her disability retirement allowance from the County Employees Retirement System and the Kentucky Retirement Systems using the disabled employee's actual total service.
- (3) The system may pay estimated benefits to a disabled employee, upon qualification for disability retirement, based on an estimate of his or her Social Security and workers' compensation benefits until the amounts are actually determined, at which time a final calculation of the member's actual benefits shall be determined and his or her account corrected retroactive to his or her effective retirement date.
- (4) Any increase in Social Security benefits or workers' compensation benefits which becomes law, regardless of their effective date, subsequent to the disabled employee's effective retirement date, shall not be considered in determination of the maximum benefit payable, as the maximum benefit payable is based on the amount of combined benefits under these programs as of the disabled employee's effective retirement date.
- (5) Any disabled recipient whose potential payments from the system were reduced as provided for in this section shall advise the Authority if his or her payments under the federal Social Security Act or Workers' Compensation Act cease at any time subsequent to his or her effective retirement date. Upon investigation, if the system determines that the disabled recipient continues to be eligible for disability benefits, the system may increase his or her retirement allowance by adding to his or her payment an amount equal to the reduction applied upon the effective retirement date in accordance with subsection (2) of this section.

- (6) The amount of combined disability benefit payments made to an individual on or after April 1 2021, from the Kentucky Retirement Systems and the County Employees Retirement System shall not be increased as a result of the passage of 2021 Ky. Acts ch. 102.
- (7) *Subsequent to his or her effective retirement date, each disability recipient who is still eligible to receive disability payments based upon a total and permanent disability that occurred as a direct result of an act in line of duty as defined in Section 18 of this Act or a disablement that occurred as a result of a duty-related injury as defined in KRS 61.621 shall annually file, on a form or via an electronic method established by the Authority, information on whether payments to the recipient have ceased or begun under the federal Social Security Act or Workers' Compensation Act, and the Authority shall make any necessary adjustments as provided by this section.*

➔Section 23. KRS 78.5536 is amended to read as follows:

- (2) (a) 1. The board of trustees of the system shall arrange by appropriate contract or on a self-insured basis to provide a group hospital and medical insurance plan coverage for:
- a. Present and future recipients of a retirement allowance from the County Employees Retirement System; and

2. Any recipient who chooses coverage under a hospital and medical insurance plan shall pay, by payroll deduction from the retirement allowance, electronic funds transfer, or by another method, the difference between the premium cost of the hospital and medical insurance plan coverage selected and the monthly contribution rate to which he or she would be entitled under this section.
- (b) 1. For present and future recipients of a retirement allowance from the system who are not eligible for Medicare *and for those recipients described in subparagraph 3.b. of this paragraph*, the board may authorize these participants to be included in the Kentucky Employees Health Plan as provided by KRS 18A.225 to 18A.2287 and shall provide benefits for recipients in the plan equal to those provided to state employees having the same Medicare hospital and medical insurance eligibility status.  - b. *The recipient would otherwise be eligible for Medicare coverage but is subject to the Medicare Secondary Payer Act under 42 U.S.C. sec. 1395y(b) and has been reemployed by a participating agency which offers the recipient a hospital and medical insurance benefit or by a participating agency which is prevented from offering a hospital and medical benefit to the recipient as a condition of reemployment under KRS 70.293, 95.022, or 164.952. Individuals who are eligible, pursuant to this subdivision, to be included in the Kentucky Employees Health Plan as provided by KRS 18A.225 to 18A.2287 may be rated as a separate class from other eligible employees and retirees for the purpose of determining medical insurance premiums.*
 - (c) For recipients of a retirement allowance who are not eligible for the same level of hospital and medical benefits as recipients living in Kentucky having the same Medicare hospital and medical insurance eligibility status, the board shall provide a medical insurance reimbursement plan as described in subsection (6) of this section.
 - (d) Notwithstanding anything in KRS Chapter 78 to the contrary, the board of trustees, in its discretion, may take necessary steps to ensure compliance with 42 U.S.C. secs. 300bb-1 et seq.
- (3) (a) Each employer participating in the County Employees Retirement System as provided in KRS 78.510 to 78.852 shall contribute to the insurance trust fund established by KRS 61.701 the amount necessary to provide the monthly contribution rate as provided for under this section. - (b) 1. Each employer described in paragraph (a) of this subsection shall deduct from the creditable compensation of each member whose membership date begins on or after September 1, 2008, an amount equal to one percent (1%) of the member's creditable compensation. The deducted amounts shall, at the discretion of the board, be credited to accounts established pursuant to 26 U.S.C. sec. 401(h), within the funds established in KRS 78.520, or the insurance trust fund established under KRS 61.701. Notwithstanding the provisions of this paragraph, a transfer of assets between the accounts established pursuant to 26 U.S.C. sec. 401(h), within the funds established in KRS 78.520, and the insurance trust fund established under KRS 61.701 shall not be allowed.
 2. The employer shall file the contributions as provided by subparagraph 1. of this paragraph at the retirement office in accordance with KRS 78.625. Any interest or penalties paid on any delinquent contributions shall be credited to accounts established pursuant to 26 U.S.C. sec. 401(h), within the funds established in KRS 78.520, or the insurance trust fund established under KRS 61.701. Notwithstanding any minimum compensation requirements provided by law, the deductions provided by this paragraph shall be made, and the compensation of the member shall be reduced accordingly.
 3. Each employer shall submit payroll reports, contributions lists, and other data as may be required by administrative regulation promulgated by the board of trustees pursuant to KRS Chapter 13A.

No member may elect

whether to participate in, or choose the contribution amount to accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 78.520, or the insurance trust fund established under KRS 61.701. The member shall have no option to receive the contribution required by this paragraph directly instead of having the contribution paid to accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 78.520, or the insurance trust fund established under KRS 61.701. No member may receive a rebate or refund of contributions. If a member establishes a membership date prior to September 1, 2008, pursuant to KRS 61.552(2) or (3), then this paragraph shall not apply to the member and all contributions previously deducted in accordance with this paragraph shall be refunded to the member without interest. The contribution made pursuant to this paragraph shall not act as a reduction or offset to any other contribution required of a member or recipient under KRS 78.510 to 78.852.

5. The board of trustees, at its discretion, may direct that the contributions required by this paragraph be accounted for within accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 78.520, or the insurance trust fund established under KRS 61.701, through the use of separate accounts.

If the board provides for cross-referencing of insurance premiums, the employer's contribution for the working member or spouse shall be applied toward the premium, and the insurance trust fund established under KRS 61.701 or accounts established pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS 78.520, shall pay the balance; or
 4. A combination of the fund sources described by subparagraph 1. to 3. of this paragraph.
- Group rates under the hospital and medical insurance plan shall be made available to the spouse, each dependent child, and each disabled child, regardless of the disabled child's age, of a recipient who is a former member or the beneficiary, if the premium for the hospital and medical insurance for the spouse, each dependent child, and each disabled child, or beneficiary is paid by payroll deduction from the retirement allowance, electronic funds transfer, or by another method. For purposes of this subsection only, a child shall be considered disabled if he or she has been determined to be eligible for federal Social Security disability benefits or meets the dependent disability standard established by the Department of Employee Insurance in the Personnel Cabinet.
- (b) For a member who began participating in the system prior to July 1, 2003, the monthly contribution rate shall be paid by the system from the funds specified under paragraph (a)2. of this subsection and shall be equal to a percentage of the single premium to cover the retired member as follows:

 2. Seventy-five percent (75%) of the monthly premium for single coverage shall be paid for a retired member who had less than two hundred forty (240) months of service but at least one hundred eighty (180) months of service upon retirement, provided such retired member agrees to pay the remaining twenty-five percent (25%) by payroll deduction from his or her retirement allowance, electronic funds transfer, or by another method;

A separate form shall be required for each primary, regular, or special election in which the candidate or slate of candidates participates or in which the public question appears on the ballot, ~~unless the candidate, slate of candidates, or political issues committee chair indicates on a request for exemption that the request will be applicable to more than one (1) election. The form shall be filed with the same office with which a candidate or slate of candidates files nomination papers or, in the case of a political issues committee, with the registry.~~ **The form shall be submitted by means of electronic filing with the registry.**
- (b) For a primary, a candidate or slate of candidates shall file a request for exemption not later than the deadline for filing nomination papers and, except as provided in subparagraph 2. of paragraph (c) of this subsection, shall be bound by its terms unless it is rescinded in writing not later than thirty (30) days preceding the primary. For a regular election, a candidate or slate of candidates shall file or rescind in writing a request for exemption not later than sixty (60) days preceding the regular election, except as provided in subparagraph 2. of paragraph (c) of this subsection. For a special election, a candidate or slate of candidates shall file a request for exemption not later than ten (10) days after the candidate or slate of candidates is nominated for a special election and shall be bound by its terms unless it is rescinded in writing not later than thirty (30) days preceding the special election. A political issues committee chair shall file a request for exemption when the committee registers with the registry and shall be bound by its terms unless it is rescinded in writing not later than thirty (30) days preceding the date the issue appears on the ballot.
- (c) 1. A candidate or slate of candidates that revokes a request for exemption in a timely manner shall file all reports required of a candidate intending to raise or spend in excess of three thousand dollars (\$3,000) in an election. To revoke the request for an exemption, the candidate or slate of candidates shall file the appropriate form with the registry not later than the deadline for filing a revocation.
- 2. A candidate or slate of candidates that is exempted from campaign finance reporting requirements pursuant to paragraph (a) of this subsection but who accepts contributions or makes expenditures in excess of the exempted amount in an election, shall file all applicable reports required for the remainder of that election, based upon the amount of contributions or expenditures the candidate or slate of candidates accepts or receives in that election. The filing of applicable required reports by a candidate or slate of candidates after the exempted amount is exceeded shall serve as notice to the registry that the initial exemption has been rescinded. No further notice to the registry shall be required and no penalty for exceeding the initial exempted

amount shall be imposed against the candidate or slate of candidates, except for failure to file applicable reports required after the exempted amount is exceeded.

Except as provided in subparagraph 2. of paragraph (c) of this subsection, a candidate or slate of candidates covered by this paragraph shall comply with the deadline for rescission provided in subparagraph 1. of paragraph (c) of this subsection.
- (f) Except as provided in subparagraph 2. of paragraph (c) of this subsection, any candidate or slate of candidates that has filed a request for exemption for a regular election that later is opposed by a person who has filed a declaration of intent to receive write-in votes may rescind the request for exemption and exercise the reversion rights provided in subparagraph 1. of paragraph (c) of this subsection.
- (g) Any candidate or slate of candidates that has filed a request for exemption may petition the registry to determine whether another person is campaigning as a write-in candidate prior to having filed a declaration of intent to receive write-in votes, and, if the registry determines upon a preponderance of the evidence that a person who may later be a write-in candidate is conducting a campaign, the candidate or slate of candidates, except as provided in subparagraph 2. of paragraph (c) of this subsection, may petition the registry to permit the candidate or slate of candidates to exercise the reversion rights provided in subparagraph 1. of paragraph (c) of this subsection.
- (h) If the opponent of a candidate or slate of candidates is replaced due to his or her withdrawal because of death, disability, or disqualification, the candidate or slate of candidates, except as provided in subparagraph 2. of paragraph (c) of this subsection, may exercise the reversion rights provided in subparagraph 1. of paragraph (c) of this subsection not later than fifteen (15) days after the party executive committee nominates a replacement for the withdrawn candidate or slate of candidates.
- (i) A person intending to be a write-in candidate for any office in a regular or special election may execute a request for exemption under paragraph (a) of this subsection and shall be bound by its terms unless it is rescinded in writing not later than fifteen (15) days preceding the regular or special election. A person intending to be a write-in candidate who revokes a request for exemption in a timely manner shall file all reports required of a candidate intending to raise or spend in excess of three thousand dollars (\$3,000) in an election. - (5) If the parent proves by a preponderance of the evidence that the child will not continue to be an abused or neglected child as defined in KRS 600.020(1) if returned to the parent the court in its discretion may determine not to terminate parental rights.
- (6) Upon the conclusion of proof and argument of counsel, the Circuit Court shall enter findings of fact, conclusions of law, and a decision as to each parent-respondent within thirty (30) days either:
 - (a) Terminating the right of the parent; or

 - (b) Acts of abuse or neglect as defined in KRS 600.020(1) toward any child in the family;
 - (c) If the child has been placed with the cabinet, whether the cabinet has, prior to the filing of the petition made reasonable efforts as defined in KRS 620.020 to reunite the child with the parents unless one or more of the circumstances enumerated in KRS 610.127 for not requiring reasonable efforts have been substantiated in a written finding by the District Court;

- (5) If the parent proves by a preponderance of the evidence that the child will not continue to be an abused or neglected child as defined in KRS 600.020(1) if returned to the parent the court in its discretion may determine not to terminate parental rights.
- (6) Upon the conclusion of proof and argument of counsel, the Circuit Court shall enter findings of fact, conclusions of law, and a decision as to each parent-respondent within thirty (30) days either:
 - (a) Terminating the right of the parent; or

- (b) The council shall review reports of events described in paragraph (a) of this subsection to determine whether the event warrants the initiation of proceedings by the council to revoke a peace officer's certification. If the council determines to initiate proceedings to revoke a peace officer's certification under this subsection, the administrative hearing shall be conducted pursuant to KRS Chapter 13B. A final order by the council revoking certification may be appealed pursuant to the provisions of KRS 13B.140.

The authority may extend this two (2) year period upon the written application of an eligible company requesting an extension.

However, for projects receiving preliminary approval of the authority prior to July 1, 2008, the base hourly wage shall be one hundred fifty percent (150%) of the federal minimum wage existing on January 1, 2007. Any economic development project satisfying the requirements of this subsection shall only be eligible for inducements to the extent of the expansion, and no inducements shall be available for the equivalent of the agribusiness, manufacturing, or electric generation facility to be replaced. No economic development project otherwise satisfying the requirements of this subsection shall be approved by the authority which results in a lease abandonment or lease termination by the approved company without the consent of the lessor.

 - (e) "Computation date" is July 31 of each calendar year prior to the effective date of new rates of contributions.
- (6) Notwithstanding any other provisions of this chapter, for the calendar year 2021, the employer contribution rates shall be determined using the rates listed in Schedule A of Table A.

➔Section 140. KRS 341.275 is amended to read as follows:

- (1) For the purpose of this section, a nonprofit organization is an organization (or group of organizations) described in Section 501(c)(3) of the United States Internal Revenue Code which is exempt from income tax under Section 501(a) of such code. For the purpose of this section, "cabinet" shall mean the Education and ~~Labor~~~~Workforce Development~~ Cabinet and "secretary" shall mean the secretary of the Education and ~~Labor~~~~Workforce Development~~ Cabinet.
- (2) Any nonprofit organization which, pursuant to KRS 341.070(4), is, or becomes, a subject employer shall pay contributions under the provisions of KRS 341.270, unless it elects, in accordance with this section, to pay to the cabinet for the fund an amount equal to the amount of regular benefits and of one-half (1/2) of the extended benefits paid to workers for weeks of unemployment that is attributable to service in the employ of the nonprofit organization, performed during the effective period of the election but only if the employer is the worker's most recent employer. No employer shall be deemed to be the most recent employer unless the eligible worker to whom benefits are payable shall have worked for that employer in each of ten (10) weeks whether or not consecutive.
 - (a) Any nonprofit organization which is, or becomes, a subject employer on July 1, 1972, may elect to become liable for payments in lieu of contributions for a period of not less than the remainder of 1972 and the calendar year of 1973, provided it files with the cabinet a written notice of its election within the thirty (30) day period immediately following such date.
 - (b) Any nonprofit organization which becomes a subject employer after July 1, 1972, may elect to become liable for payments in lieu of contributions for a period of not less than the period of subjectivity during the year in which such subjectivity begins and the following calendar year by filing a written notice of its election with the cabinet not later than thirty (30) days immediately following the date of the determination of such subjectivity.
 - (c) Any nonprofit organization which makes an election in accordance with paragraph (a) or (b) of this subsection will continue to be liable for payments in lieu of contributions until it files with the secretary a written notice terminating its election not later than thirty (30) days prior to the beginning of the calendar year for which such termination shall first be effective, except that liability for payments in lieu of contributions shall continue thereafter with respect to wages paid prior to the effective date of such termination.

- (d) Any nonprofit organization which has been paying contributions under this chapter for a period subsequent to July 1, 1972, may change to a reimbursable basis by filing with the cabinet not later than thirty (30) days prior to the beginning of any calendar year a written notice of election to become liable for payments in lieu of contributions. Such election shall not be terminable by such organization for that and the following year.
 - (e) The secretary may for good cause extend the period within which a notice of election, or a notice of termination, must be filed and may permit an election to be retroactive but not any earlier than with respect to benefits paid after December 31, 1969.
 - (f) The secretary shall notify each nonprofit organization of any determination which may be made of its status as an employer and of the effective date of any election which it makes and of any termination of such election. Such determinations shall be subject to appeal and review in accordance with the provisions of KRS 341.430(2).
- (3) Payments in lieu of contributions shall be made in accordance with the provisions of this subsection.
- (a) At the end of each calendar quarter or at the end of any other period as determined by the secretary, the cabinet shall bill each nonprofit organization (or group of such organizations) which has elected to make payments in lieu of contributions for an amount equal to the full amount of regular benefits plus one-half (1/2) of the amount of extended benefits paid during such quarter plus any prior period adjustments, which are attributable to service performed in covered employment in the employ of such organization plus interest on the total amount billed at the average rate of earnings in the unemployment insurance fund for the prior calendar year. All interest collected under this subsection shall be credited to the unemployment insurance fund.
 - (b) Payment of any bill rendered under paragraph (a) shall be made not later than thirty (30) days after such bill was mailed to the last known address of the nonprofit organization or was otherwise delivered to it, unless there has been an application for review in accordance with paragraph (d) of this subsection.
 - (c) Payments made by any nonprofit organization under the provisions of this subsection shall not be deducted or deductible, in whole or in part, from the remuneration of workers in the employ of the organization.
 - (d) The amount due specified in any bill from the secretary shall be conclusive on the organization unless, not later than fifteen (15) days after the bill was mailed to its last known address or otherwise delivered to it, the organization files an appeal to the commission setting forth the grounds for such appeal. Proceedings on appeal to the commission from the amount of a bill rendered under this subsection shall be in accordance with the provisions of KRS 341.430, and the decision of the commission shall be subject to review under the provisions of KRS 341.460(1).
 - (e) Past-due payments of amounts in lieu of contributions shall be subject to the same interest, penalties, collection service, and lien provisions that, pursuant to KRS 341.300 to 341.310, apply to past-due contributions.
- (4) (a) The secretary may, in accordance with regulations prescribed by the cabinet, require any nonprofit organization that elects to become liable for payments in lieu of contributions to deposit with the cabinet, within thirty (30) days after the effective date of its election as a condition thereof, money equal to two percent (2%) of the organization's total wages paid for employment as defined in KRS 341.050(1)(e) for the four (4) calendar quarters immediately preceding the effective date of such election. If the nonprofit organization did not pay wages in each of such four (4) calendar quarters, the amount of the deposit shall be as determined by the secretary.
- (b) Money deposited in accordance with this subsection shall be retained by the cabinet in an escrow account until all possible liability to the fund under the election is terminated, at which time it shall be returned to the organization, less any deductions as hereinafter provided. The cabinet may deduct from the money deposited under this subsection by a nonprofit organization to the extent necessary to satisfy any due and unpaid payments in lieu of contributions and any applicable interest and penalties provided for in subsection (3)(e) of this section. The secretary shall require the organization within thirty (30) days following any deduction from a money deposit under the provisions of this subsection to deposit sufficient additional money to make whole the organization's deposit at the prior level. The secretary may, at any time, review the adequacy of the deposit made by any organization. If, as a result of such review, he determines that an adjustment is necessary, he shall require the organization to make

additional deposit within thirty (30) days of written notice of his determination or shall return to it such portion of the deposit as he no longer considers necessary, whichever action is appropriate.

- (c) If any nonprofit organization fails to make a deposit, or to increase or make whole the amount of a previously made deposit, as provided under this subsection, the secretary may terminate such organization's election to make payments in lieu of contributions and such termination shall continue for not less than the remainder of that calendar year and the following calendar year beginning with the quarter in which such termination becomes effective; provided, that the secretary may extend for good cause the applicable filing, deposit, or adjustment period by not more than sixty (60) days.
- (5) If any nonprofit organization is delinquent in making payments in lieu of contributions as required under subsection (3) of this section, the secretary may terminate such organization's election to make payments in lieu of contributions as of the beginning of the next calendar year, and such termination shall be effective for that and the next calendar year.
- (6) Notwithstanding any other section of this chapter, no employing unit electing to make payments in lieu of contributions under the provisions of this section shall be entitled to relief of benefit charges.

Civil actions brought under this section shall be heard by the court, without the intervention of a jury, at the earliest possible date, and shall be entitled to preference upon the calendar of the court over all other civil actions except petitions for judicial review under this chapter and cases arising under the workers' compensation law.
- (3) At or after the commencement of an action under subsection (2) of this section, attachment may be had against the property of the liable subject employer for such contributions, interest, and penalties, without the execution of a bond, or after judgment has been entered an execution may be issued against the property of such employer without the execution of a bond.
- (4) An action for the recovery of contributions, interest, or penalties under this section shall be barred and any lien therefor shall be canceled and extinguished unless collected or suit for collection has been filed within ten (10) years from the due date of such contributions, except, in the case of the filing of a false or fraudulent report, the contributions due shall not be barred and may at any time be collected by the methods set out in this chapter, including action in a court of competent jurisdiction.

The lien shall commence from such time as the recipient has exhausted or abandoned the appeal procedure set forth in this chapter and the amount of the overpayment is finally fixed. A notice of lien may be filed in the same manner as that provided for in KRS 341.310.
- (4) Any amount paid to a person as benefits, which he has been found liable to repay or to have deducted from future benefits under subsections (1), (2), and (3) of this section, which has neither been repaid nor so deducted within a period of five (5) years following the last day of the benefit year within which it was paid, may be deemed to be uncollectible and shall be permanently charged to the pooled account, except that if such payment was made by reason of fraudulent representations, no future benefits shall be paid such person within a period of ten (10) years of the last day of the benefit year within which such payments were made at which time these amounts may be declared uncollectible. Nothing in this subsection shall be deemed to affect collection of improperly paid benefits pursuant to a judgment or other legal remedy.
- (5) In the event benefits have been paid as a result of a false statement, misrepresentation, or concealment of material information by a recipient of benefits and have not been repaid by the recipient within one (1) calendar year from the date of the first notice, interest at the rate of one and five-tenths percent (1.5%) per month or any part thereof, shall be imposed on and added to the unpaid balance each successive month, providing due notice has been given to the recipient. Such interest shall be paid into the unemployment compensation administration account.
- (6) A recipient of benefits paid as a result of a false statement, misrepresentation, or concealment of material information by the recipient shall be assessed a fifteen percent (15%) penalty of the amount of improperly paid benefits. The penalty under this subsection shall be collected in the same manner as improperly paid benefits in this section and paid into the unemployment trust fund.
- (7) The deduction from future benefits specified in subsection (1) of this section shall be limited to twenty-five percent (25%) of the benefit amount otherwise payable under this chapter unless the overpayment resulted from a backpay award, false statement, misrepresentation, or concealment of material information by a recipient of benefits. In these instances, the rate of deduction shall be one hundred percent (100%). The rate of deduction from benefits payable by another state or the United States of America shall be determined by the applicable state or federal statute.

➔Section 146. KRS 341.440 is amended to read as follows:

- (1) The manner in which appeals are presented and hearings and appeals conducted shall be in accordance with regulations prescribed by the secretary for determining the rights of the parties, and such hearings to be conducted in a summary manner. A complete record shall be kept of all proceedings in connection with any appeal. All testimony at any hearing upon an appeal shall be recorded either stenographically or mechanically, but need not be transcribed unless further appealed. No examiner, referee, or member of the commission shall participate in any hearing in which he is an interested party.
- (2) Witnesses subpoenaed pursuant to proceedings under KRS 341.420 and 341.430 shall be allowed fees in accordance with rates allowed by law. Such fees and all expenses of proceedings before the Office of Unemployment Insurance, ~~Department of Workforce Investment,~~ or commission involving disputed claims shall be deemed a part of the expense of administering this chapter.
- (3) In the absence of an appeal therefrom, decisions of the commission shall become final thirty-five (35) days after the date they are made.

➔Section 147. KRS 341.470 is amended to read as follows:

- (1) No agreement by a worker to waive, release, or commute his rights to benefits or any other rights under this chapter shall be valid. No agreement by any worker to pay any portion of a subject employer's contributions, required under this chapter from such subject employer, shall be valid. No subject employer shall directly or indirectly make or require or accept any deductions from wages to finance the subject employer's contributions required of him. In cases involving awards to a worker by an arbitrator, court, or other administrative body or mediator, the secretary may require the employer to withhold benefits paid under this chapter from the award

and pay the amount withheld into the unemployment insurance trust fund. All subject employers are required to notify the Office of Unemployment Insurance~~[- Department of Workforce Investment.]~~ prior to paying any back pay award.

- (2) No worker claiming benefits shall be charged fees of any kind in any proceeding under this chapter by the commission, the secretary, or his or her representatives. Any worker claiming benefits in any proceeding before a referee or the commission may represent himself or herself or may be represented by counsel or other agent duly authorized by such worker and shall be afforded the opportunity to participate in the proceeding without restriction; but no counsel or agent shall either charge or receive for such service more than an amount approved by the commission.
- (3) (a) Any employer in any proceeding before a referee or the commission may represent himself or may be represented by counsel or other agent duly authorized by such employer; and
 - (b) Any person appearing in any proceeding before a referee or the commission who is an officer of, or who regularly performs in a managerial capacity for, a corporation or partnership which is a party to the proceeding in which the appearance is made shall be permitted to represent such corporation or partnership and shall be afforded the opportunity to participate in the proceeding without restriction.
- (4) No assignment, pledge, or encumbrance of any right to benefits due or payable under this chapter shall be valid; and such rights to benefits shall be exempt from levy, execution, attachment, or any other remedy for the collection of debt. Benefits received by any worker, as long as they are not mingled with other funds of the recipient, shall be exempt from any remedy for the collection of all debts except debts incurred for necessities furnished to such worker or his spouse or dependents during the time such worker was unemployed. No waiver of any exemption provided for in this subsection shall be valid.
- (5) The provisions of this section shall not be applicable to child support deductions made in accordance with KRS 341.392 and withholding for federal and state income tax in accordance with KRS 341.395.

➔Section 148. KRS 341.530 is amended to read as follows:

- (1) The Office of Unemployment Insurance~~[- Department of Workforce Investment.]~~ shall maintain a reserve account for each subject employer making contributions to the fund and a reimbursing employer account for each subject employer making payment in lieu of contributions, and shall, except as provided in KRS 341.590, credit to such account the total amount of all contributions or benefit reimbursement paid by the employer on his own behalf. Nothing in this section or elsewhere in this chapter shall be construed to grant any employer or individual who is or was in his employ prior claims or rights to the amounts paid by him into the fund.
- (2) Except as provided in subsection (3) of this section, all regular benefits paid to an eligible worker in accordance with KRS 341.380 plus the extended benefits paid in accordance with KRS 341.700 to 341.740, subject to the provisions of paragraphs (a) and (b) of this subsection, shall be charged against the reserve account or reimbursing employer account of his most recent employer. No employer shall be deemed to be the most recent employer unless the eligible worker to whom benefits are payable shall have worked for such employer in each of ten (10) weeks whether or not consecutive back to the beginning of the worker's base period.
 - (a) Subject employers, which are not governmental entities as defined in KRS 341.069, shall be charged one-half (1/2) of the extended benefits paid in accordance with KRS 341.700 to 341.740; and
 - (b) Subject employers which are governmental entities, as defined in KRS 341.069, shall be charged for all extended benefits paid in accordance with KRS 341.700 to 341.740 for compensable weeks occurring on or after January 1, 1979, and for one-half (1/2) of the extended benefits paid for compensable weeks occurring prior to such date.
- (3) Notwithstanding the provisions of subsection (2) of this section, benefits paid to an eligible worker and chargeable to a contributing employer's reserve account under such subsection shall be charged against the pooled account if such worker was discharged by such employer for misconduct connected with his most recent work for such employer, voluntarily left his most recent work with such employer without good cause attributable to the employment, or the employer has continued to provide part-time employment and wages, without interruption, to the same extent that was provided from the date of hire, and the employer within a reasonable time, as prescribed by regulation of the secretary, notifies the office, in writing, of the alleged voluntary quitting, discharge for misconduct or continuing part-time employment; provided, however, that no employer making payments to the fund in lieu of contributions shall be relieved of charges by reason of this subsection.

- (4) Notwithstanding the provisions of subsection (3) of this section, no contributing employer's reserve account shall be relieved of any charges for benefits relating to an improper benefit payment to a worker established after October 21, 2013, if:
 - (a) The improper benefit payment was made because the employer, or an agent of the employer, was at fault for failing to respond timely or adequately to the request of the secretary for information relating to a claim for benefits; and
 - (b) The employer, or an agent of the employer, has a pattern of failing to respond timely or adequately to requests under paragraph (a) of this subsection. For purposes of this paragraph, a "pattern of failing" means at least six (6) failures occur in a calendar year or the failure to respond to two percent (2%) of such requests in a calendar year, whichever is greater.
- (5) Any determination under subsection (4) of this section shall be transmitted to the last known physical or electronic address provided by the employer and may be appealed in accordance with the provisions of KRS 341.420(2).
- (6) Each subject employer's reserve account or reimbursing account shall, unless terminated as of the computation date (as defined in subsection (5) of KRS 341.270), be charged with all benefits paid to eligible workers which are chargeable to such reserve account or reimbursing account under subsection (2) of this section. A subject employer's reserve account or reimbursing account shall be deemed to be terminated if he has ceased to be subject to this chapter, and his account has been closed and any balance remaining therein has been transferred to the fund's pooled account or to a successor's account as provided in KRS 341.540 or has been refunded if the employer is a reimbursing employer.
- (7) Notwithstanding subsection (1) of this section, two (2) or more nonprofit Internal Revenue Code sec. 501(c)(3) organizations may jointly request the secretary to establish a group reserve account or reimbursing account for such nonprofit organizations. Two (2) or more governmental entities may jointly request the secretary to establish a group reserve account or reimbursing account, and once established, such account shall remain in effect at least two (2) calendar years and thereafter until either dissolved at the discretion of the secretary or upon filing application for dissolution by the group members. Each member of a group shall be jointly and severally liable for all payments due under this chapter from each or all of such group members. The secretary shall prescribe such procedures as he deems necessary for the establishment, maintenance, and dissolution of a group reserve account or reimbursing account.
- (8) Any subject contributing employer may at any time on or before December 31, 2011, make voluntary payments to the fund, additional to the contributions required under KRS 341.260 and 341.270. Effective January 1, 2012, any subject contributing employer with a negative reserve account balance may make voluntary payments to the fund every other calendar year, in addition to the contributions required under KRS 341.260 and 341.270. Notwithstanding any other provision of this chapter, contributions paid on or before the computation date and voluntary payments made within twenty (20) days following the mailing of notices of new rates shall be credited to an employer's reserve account as of the computation date, provided no voluntary payments shall be used in computing an employer's rate unless the payment is made prior to the expiration of one hundred and twenty (120) days after the beginning of the year for which the rate is effective. Voluntary payments by any employer shall not exceed any negative balance they may have in their reserve account as of the computation date. Any employer who is delinquent in the payment of contributions, penalties, or interest as of the computation date shall be entitled to make voluntary payments only after the amount of the delinquency is paid in full.
- (9) Notwithstanding any other provisions of this chapter, any benefits paid to an eligible worker for reasons related to a state or federal state of emergency or disaster declaration shall be paid from the pooled account provided in KRS 341.550 and not from the reserve account of the employer of that individual. The reserve account shall not be charged for benefits related to a state of emergency or disaster declaration. Payments shall be accounted for separately to allow the secretary to seek reimbursement from the federal government.

➔Section 149. KRS 341.540 is amended to read as follows:

- (1) As used in this section, unless the context clearly requires otherwise:
 - (a) "Substantially common" or "substantially the same" means that there is identifiable or demonstrative commonality or similarity of ownership, familial relationships, principals or corporate officers, day-to-day operations, assets and liabilities, and stated business;

- (b) "Trade" or "business" includes but is not limited to a commercial enterprise or establishment; any entity engaged in the supplying, production, or manufacturing of goods, commodities, or services; any entity engaged in commerce, sale for profit, or the providing of goods, personnel, or services;
 - (c) "Knowingly" means having actual knowledge of, or acting with deliberate ignorance or disregard for, the prohibition involved;
 - (d) "Violates" or "attempts to violate" includes, but is not limited to, intended evasion, misrepresentation, or willful nondisclosure; and
 - (e) "Person" has the same meaning as in Section 7701(a)(1) of the Internal Revenue Code.
- (2) (a) For the purpose of this chapter, if a subject employer transfers all or part of its trade or business, the acquiring employing unit shall be deemed a successor if the transfer is in accordance with administrative regulations promulgated by the secretary, or if there is substantially common ownership, management, or control of the subject employer and employing unit. If an employing unit is deemed a successor, the transferring employing unit shall be deemed a predecessor.
- (b) For the purpose of this chapter, if a nonsubject employer acquires all or part of the trade or business of a subject employer, the nonsubject employer shall file an application with the Office of Unemployment Insurance~~[, Department of Workforce Investment,]~~ to establish an unemployment reserve account within forty-five (45) days of employing personnel. The application will be considered and processed in accordance with administrative regulations promulgated by the secretary and shall require information necessary to determine whether the nonsubject employer is a successor of the subject employer and to establish an initial unemployment contribution rate for the employer. Factors to be considered in the determination of successorship and the fixing of the initial rate shall include but not be limited to the nonsubject employer's prior unemployment claims history, benefit charges, historical rate charges, and payment penalties assessed in the previous five (5) years, in addition to the factors set forth in subsection (6)(b) of this section. After consideration of these factors, and others that the applicant may submit in justification of an initial rate determination, the secretary shall set an appropriate contribution rate. Any determinations of initial unemployment contribution rates made pursuant to this subsection shall not be effective prior to January 1, 2018.
- (3) (a) Notwithstanding subsection (2)(b) of this section, any successor to the trade or business of a subject employer shall assume the resources and liabilities of the predecessor's reserve account, including interest, and shall continue the payment of all contributions and interest due under this chapter, except that the successor shall not be required to assume the liability of any delinquent contributions and interest of a predecessor or predecessors unless the cabinet notifies the successor of the delinquency within six (6) months after the department has notice of the succession; and
- (b) Any nonsubject employer that is deemed a successor in whole or part shall be allowed to make a one (1) time voluntary payment to pay off or reduce the negative reserve assumed from the predecessor. This payment shall be made within sixty (60) days of receipt of the first notice of a negative predecessor reserve account. This one (1) time voluntary payment cannot exceed the amount of negative reserve assumed by the successor.
- (4) The liability for delinquent contributions and interest imposed upon the successor by subsection (3) of this section shall be secondary to the liability of the predecessor or predecessors, and if the delinquency has been reduced to judgment, the order of execution on the judgment shall be as follows:
- (a) Against the assets, both real and personal, of the predecessor or predecessors;
 - (b) Against the assets, both real and personal, of the business acquired; and
 - (c) Against the assets, both real and personal, of the successor or acquirer.
- (5) (a) Notwithstanding the provisions of subsection (3) of this section, any successor to a portion of the trade or business of a subject employer, who is, or by reason of the transfer becomes, a subject employer, shall assume the resources and liabilities of the predecessor's reserve account in proportion to the percentage of the payroll or employees assignable to the transferred portion. In calculating the transferred portion, the secretary shall utilize the last four (4) calendar quarters preceding the date of transfer for workers employed by the successor subsequent to that date. The taxable payroll, benefit charges and the potential benefit charges shall be assumed by the successors in a like proportion.

- (b) Notwithstanding the provisions of paragraph (a) of this subsection, if any employing unit succeeds to a portion of the trade or business of another employing unit; becomes, by reason of that succession, a subject employer with substantially the same ownership, management, or control as the predecessor employing unit; and lays off or terminates more than one-half (1/2) of the original employees transferred within six (6) months of the date of transfer; then the succession and creation of the new employing unit shall be voided, and the benefits attributable to the lay-offs or terminations shall be charged to the reserve account of the original employing unit.
- (6) (a) The contribution rate of a successor in whole or in part, which was a subject employer prior to succession, shall not be affected by the transfer of the reserve account for the remainder of the rate year in which succession occurred; except that the rate of the successor shall be recalculated and made effective upon the first day of the calendar quarter immediately following the date of the transfer if there is substantially common ownership, management, or control of the predecessor and successor.
- (b) The contribution rate of a successor in whole or in part, which was not a subject employer prior to succession, shall be determined by a review of the application required by subsection (2)(b) of this section, except if the secretary finds, after a thorough investigation based on the use of objective factors, including but not limited to:
1. The cost of acquiring the business;
 2. How long the original business enterprise was continued; and
 3. Whether a substantial number of new employees were hired for performance of duties unrelated to the business activity prior to acquisition;
- that the succession was solely for the purpose of obtaining a rate lower than that prescribed in KRS 341.270(1) and 341.272 for a new employing unit, then the unemployment experience of the predecessor shall not be transferred, the rate for a new employing unit shall be assigned, and the employing unit shall be otherwise deemed a successor for the purpose of KRS 341.070(7) and subsection (3) of this section.
- (c) The contribution rate for a successor which becomes a subject employer through the simultaneous transfer, either in whole or in part, of two (2) or more predecessor reserve accounts shall be the rate determined in accordance with the provisions of KRS 341.270, by combining the reserve accounts succeeded to as of the computation date for determining rates for the calendar year in which succession occurred.
- (d) The contribution rate of a successor which succeeds, either in whole or in part, to a predecessor's reserve account after a computation date, but prior to the beginning of the calendar year immediately following that computation date, shall be the rate determined in accordance with KRS 341.270, by effecting the transfer of the reserve account as of the computation date immediately preceding the date of succession.
- (7) Notwithstanding KRS 341.270, the contribution rate for an employing unit that knowingly violates or attempts to violate the provisions of this section or any other provision of the chapter related to determining the assignment of a contribution rate shall be the highest rate assignable under this chapter for the calendar year during which the violation or attempted violation occurred and the three (3) calendar years immediately following that year. If that employer's rate is already at the highest assignable rate, or if the amount of increase in the employer's rate would be less than an additional two percent (2%) for that year, then a penalty rate of contributions of an additional two percent (2%) of taxable wages shall be imposed for each year.
- (8) In addition to the penalties prescribed in subsection (7) of this section and KRS 341.990(9), any person who knowingly violates this section shall be subject to the penalties stipulated under KRS 341.990.
- (9) (a) The secretary shall establish procedures to identify the transfer of a business for purposes of this section.
- (b) The secretary shall have the authority and discretion to set an initial contribution rate upon the providing of justification by a subject employer and consideration of relevant factors, including but not limited to the factors set forth in subsections (2) and (6)(a) of this section.

➔Section 150. KRS 341.990 is amended to read as follows:

 1. The value of the benefits procured or attempted to be procured is five hundred dollars (\$500) or more but less than one thousand dollars (\$1,000), in which case it is a Class A misdemeanor;
 2. The value of the benefits procured or attempted to be procured is one thousand dollars (\$1,000) or more, in which case it is a Class D felony; or
 3. The person has three (3) or more convictions under subparagraph 1. of this paragraph within the last five (5) years, in which case it is a Class D felony. The five (5) year period shall be measured from the dates on which the offenses occurred for which the judgments of conviction were entered.
- (b) If any person commits two (2) or more separate offenses under paragraph (a) of this subsection within ninety (90) days, the offenses may be combined and treated as a single offense, and the value of the property in each offense may be aggregated for the purpose of determining the appropriate charge.
- (6) (a) Any person who knowingly makes a false statement or representation, or who knowingly fails to disclose a material fact to prevent or reduce the payment of benefits to any worker entitled thereto, or to avoid becoming or remaining subject to this chapter, or to avoid or reduce any payment required of an employing unit under this chapter shall be guilty of a Class B misdemeanor unless:

- (b) If any person commits two (2) or more separate offenses under paragraph (a) of this subsection within ninety (90) days, the offenses may be combined and treated as a single offense, and the value of the property in each offense may be aggregated for the purpose of determining the appropriate charge.
- (c) Any person who willfully fails or refuses to furnish any reports required, or to produce or permit the inspection or copying of records required in this chapter shall be guilty of a Class B misdemeanor. Each such false statement, representation or failure and each day of failure or refusal shall constitute a separate offense.
- (7) In any prosecution for the violation of subsection (5) or (6) of this section, it shall be a defense if the person relied on the advice of an employee or agent of the Office of Unemployment Insurance~~, Department of Workforce Investment~~.
- (8) Any person who willfully violates any provision of this chapter or any rule or regulation under it, the violation of which is made unlawful or the observance of which is required under the terms of this chapter, and for which no specific penalty is prescribed in this chapter or in any other applicable statute, shall be guilty of a violation. Each day the violation continues shall constitute a separate offense.
- (9) In addition to the higher rates imposed under KRS 341.540(7), any person, whether or not an employing unit, who knowingly advises or assists an employing unit in the violation or attempted violation of KRS 341.540 or any other provision of this chapter related to determining the assignment of a contribution rate shall be subject to a civil monetary penalty of not less than five thousand dollars (\$5,000).

- (10) Proceeds from all penalties imposed under subsection (9) of this section and KRS 341.540 shall be deposited in the unemployment compensation administration account and shall be expended solely for the cost of administration of this chapter consistent with KRS 341.240.

The occupational disease shall be incidental to the character of the business and not independent of the relationship of employer and employee. - (c) "Permanent total disability" means the condition of an employee who, due to an injury, has a permanent disability rating and has a complete and permanent inability to perform any type of work as a result of an injury, except that total disability shall be irrebuttably presumed to exist for an injury that results in:
1. Total and permanent loss of sight in both eyes;
 2. Loss of both feet at or above the ankle;
 3. Loss of both hands at or above the wrist;
 4. Loss of one (1) foot at or above the ankle and the loss of one (1) hand at or above the wrist;

However, a business entity which is engaged in a separate business activity not related to coal, for which a separate premium charge is not made, shall be deemed to be engaged in the severance or processing of coal only to the extent that the number of employees engaged in the severance or processing of coal bears to the total number of employees. Any employee who is involved in the

business of severing or processing of coal and business activities not related to coal shall be prorated based on the time involved in severance or processing of coal bears to his total time;

- (24) "Premium" for every self-insured group means any and all assessments levied on its members by such group or contributed to it by the members thereof. For special fund assessment purposes, "premium" also includes any and all membership dues, fees, or other payments by members of the group to associations or other entities used for underwriting, claims handling, loss control, premium audit, actuarial, or other services associated with the maintenance or operation of the self-insurance group;
- (25) (a) "Premiums received" for policies effective on or after January 1, 1994, for insurance companies means direct written premiums as reported in the annual statement to the Department of Insurance by insurance companies, except that "premiums received" includes premiums charged off or deferred, and, on insurance policies or other evidence of coverage with provisions for deductibles, the calculated cost for coverage, including experience modification and premium surcharge or discount, prior to any reduction for deductibles. The rates, factors, and methods used to calculate the cost for coverage under this paragraph for insurance policies or other evidence of coverage with provisions for deductibles shall be the same rates, factors, and methods normally used by the insurance company in Kentucky to calculate the cost for coverage for insurance policies or other evidence of coverage without provisions for deductibles, except that, for insurance policies or other evidence of coverage with provisions for deductibles effective on or after January 1, 1995, the calculated cost for coverage shall not include any schedule rating modification, debits, or credits. For policies with provisions for deductibles with effective dates on or after January 1, 1995, assessments shall be imposed on premiums received as calculated by the deductible program adjustment. The cost for coverage calculated under this paragraph by insurance companies that issue only deductible insurance policies in Kentucky shall be actuarially adequate to cover the entire liability of the employer for compensation under this chapter, including all expenses and allowances normally used to calculate the cost for coverage. For policies with provisions for deductibles with effective dates of May 6, 1993, through December 31, 1993, for which the insurance company did not report premiums and remit special fund assessments based on the calculated cost for coverage prior to the reduction for deductibles, "premiums received" includes the initial premium plus any reimbursements invoiced for losses, expenses, and fees charged under the deductibles. The special fund assessment rates in effect for reimbursements invoiced for losses, expenses, or fees charged under the deductibles shall be those percentages in effect on the effective date of the insurance policy. For policies covering leased employees as defined in KRS 342.615, "premiums received" means premiums calculated using the experience modification factor of each lessee as defined in KRS 342.615 for each leased employee for that portion of the payroll pertaining to the leased employee.
- (b) "Direct written premium" for insurance companies means the gross premium written less return premiums and premiums on policies not taken but including policy and membership fees.

The rates, factors, and methods used to calculate the cost for coverage under this paragraph for insurance policies or other evidence of coverage with provisions for deductibles shall be the same rates, factors, and methods normally used by the insurance company in Kentucky to calculate the cost for coverage for insurance policies or other evidence of coverage without provisions for deductibles, except that, for insurance policies or other evidence of coverage with provisions for deductibles effective on or after January 1, 1995, the calculated cost for coverage shall not include any schedule rating modifications, debits, or credits. For policies with provisions for deductibles with effective dates on or after January 1, 1995, assessments shall be imposed as calculated by the deductible program adjustment. The cost for coverage calculated under this paragraph by insurance companies that issue only deductible insurance policies in Kentucky shall be actuarially adequate to cover the entire liability of the employer for compensation under this chapter, including all expenses and allowances normally used to calculate the cost for coverage. For policies with provisions for deductibles with effective dates of May 6, 1993, through December 31, 1993, for which the insurance company did not report premiums and remit special fund assessments based on the calculated cost for coverage prior to the reduction for deductibles, "premium" includes the initial consideration plus any reimbursements invoiced for losses, expenses, or fees charged under the deductibles.

- (d) "Return premiums" for insurance companies means amounts returned to insureds due to endorsements, retrospective adjustments, cancellations, dividends, or errors.
 - (e) "Deductible program adjustment" means calculating premium and premiums received on a gross basis without regard to the following:
 1. Schedule rating modifications, debits, or credits;
 2. Deductible credits; or
 3. Modifications to the cost of coverage from inception through and including any audit that are based on negotiated retrospective rating arrangements, including but not limited to large risk alternative rating options;
- (26) "Insurance policy" for an insurance company or self-insured group means the term of insurance coverage commencing from the date coverage is extended, whether a new policy or a renewal, through its expiration, not to exceed the anniversary date of the renewal for the following year;
- (27) "Self-insurance year" for a self-insured group means the annual period of certification of the group created pursuant to KRS 342.350(4) and 304.50-010;
- (28) "Premium" for each employer carrying his own risk pursuant to KRS 342.340(1) shall be the projected value of the employer's workers' compensation claims for the next calendar year as calculated by the commissioner using generally-accepted actuarial methods as follows:
- (a) The base period shall be the earliest three (3) calendar years of the five (5) calendar years immediately preceding the calendar year for which the calculation is made. The commissioner shall identify each claim of the employer which has an injury date or date of last injurious exposure to the cause of an occupational disease during each one (1) of the three (3) calendar years to be used as the base, and shall assign a value to each claim. The value shall be the total of the indemnity benefits paid to date and projected to be paid, adjusted to current benefit levels, plus the medical benefits paid to date and projected to be paid for the life of the claim, plus the cost of medical and vocational rehabilitation paid to date and projected to be paid. Adjustment to current benefit levels shall be done by multiplying the weekly indemnity benefit for each claim by the number obtained by dividing the statewide average weekly wage which will be in effect for the year for which the premium is being calculated by the statewide average weekly wage in effect during the year in which the injury or date of the last exposure occurred. The total value of the claims using the adjusted weekly benefit shall then be calculated by the commissioner. Values for claims in which awards have been made or settlements reached because of findings of permanent partial or permanent total disability shall be calculated using the mortality and interest discount assumptions used in the latest available statistical plan of the advisory rating organization defined in Subtitle 13 of KRS Chapter 304. The sum of all calculated values shall be computed for all claims in the base period;
 - (b) The commissioner shall obtain the annual payroll for each of the three (3) years in the base period for each employer carrying his own risk from records of the department and from the records of the Department of Workforce ~~Development~~~~Investment~~, Education and ~~Labor~~~~Workforce-Development~~ Cabinet. The commissioner shall multiply each of the three (3) years of payroll by the number obtained by dividing the statewide average weekly wage which will be in effect for the year in which the premium is being calculated by the statewide average weekly wage in effect in each of the years of the base period;
 - (c) The commissioner shall divide the total of the adjusted claim values for the three (3) year base period by the total adjusted payroll for the same three (3) year period. The value so calculated shall be multiplied by 1.25 and shall then be multiplied by the employer's most recent annualized payroll, calculated using records of the department and the Department of Workforce ~~Development~~~~Investment~~ data which shall be made available for this purpose on a quarterly basis as reported, to obtain the premium for the next calendar year for assessment purposes under KRS 342.122;
 - (d) For November 1, 1987, through December 31, 1988, premium for each employer carrying its own risk shall be an amount calculated by the board pursuant to the provisions contained in this subsection and such premium shall be provided to each employer carrying its own risk and to the funding commission on or before January 1, 1988. Thereafter, the calculations set forth in this subsection shall be performed annually, at the time each employer applies or renews its application for certification to carry its own risk for the next twelve (12) month period and submits payroll and other data in support of the

application. The employer and the funding commission shall be notified at the time of the certification or recertification of the premium calculated by the commissioner, which shall form the employer's basis for assessments pursuant to KRS 342.122 for the calendar year beginning on January 1 following the date of certification or recertification;

- (e) If an employer having fewer than five (5) years of doing business in this state applies to carry its own risk and is so certified, its premium for the purposes of KRS 342.122 shall be based on the lesser number of years of experience as may be available including the two (2) most recent years if necessary to create a three (3) year base period. If the employer has less than two (2) years of operation in this state available for the premium calculation, then its premium shall be the greater of the value obtained by the calculation called for in this subsection or the amount of security required by the commissioner pursuant to KRS 342.340(1);
 - (f) If an employer is certified to carry its own risk after having previously insured the risk, its premium shall be calculated using values obtained from claims incurred while insured for as many of the years of the base period as may be necessary to create a full three (3) year base. After the employer is certified to carry its own risk and has paid all amounts due for assessments upon premiums paid while insured, the employer shall be assessed only upon the premium calculated under this subsection;
 - (g) "Premium" for each employer defined in KRS 342.630(2) shall be calculated as set forth in this subsection; and
 - (h) Notwithstanding any other provision of this subsection, the premium of any employer authorized to carry its own risk for purposes of assessments due under this chapter shall be no less than thirty cents (\$0.30) per one hundred dollars (\$100) of the employer's most recent annualized payroll for employees covered by this chapter;
- (29) "SIC code" as used in this chapter means the Standard Industrial Classification Code contained in the latest edition of the Standard Industrial Classification Manual published by the Federal Office of Management and Budget;
- (30) "Investment interest" means any pecuniary or beneficial interest in a provider of medical services or treatment under this chapter, other than a provider in which that pecuniary or investment interest is obtained on terms equally available to the public through trading on a registered national securities exchange, such as the New York Stock Exchange or the American Stock Exchange, or on the National Association of Securities Dealers Automated Quotation System;
- (31) "Managed health care system" means a health care system that employs gatekeeper providers, performs utilization review, and does medical bill audits;
- (32) "Physician" means physicians and surgeons, psychologists, optometrists, dentists, podiatrists, and osteopathic and chiropractic practitioners acting within the scope of their license issued by the Commonwealth;
- (33) "Objective medical findings" means information gained through direct observation and testing of the patient applying objective or standardized methods;
- (34) "Work" means providing services to another in return for remuneration on a regular and sustained basis in a competitive economy;
- (35) "Permanent impairment rating" means percentage of whole body impairment caused by the injury or occupational disease as determined by the "Guides to the Evaluation of Permanent Impairment";
- (36) "Permanent disability rating" means the permanent impairment rating selected by an administrative law judge times the factor set forth in the table that appears at KRS 342.730(1)(b); and
- (37) "Guides to the Evaluation of Permanent Impairment" means, except as provided in KRS 342.262:
- (a) The fifth edition published by the American Medical Association; and
 - (b) For psychological impairments, Chapter 12 of the second edition published by the American Medical Association.

➔Section 152. KRS 342.120 is amended to read as follows:

- (1) There is created the Division of Workers' Compensation Funds in the Department of Workers' Claims which shall be responsible for the administration of the special fund and the coal workers' pneumoconiosis fund and the maintenance of records regarding the payment of claims by these funds. The Division of Workers'

Compensation Funds shall have no responsibility for the coal workers' pneumoconiosis fund once the assets and liabilities have been transferred to the Kentucky Employers' Mutual Insurance Authority, which will administer the fund pursuant to KRS 342.1243. The Division of Workers' Compensation Funds shall be headed by a director appointed by the secretary of the *Education and Labor* Cabinet, with the prior written approval of the Governor pursuant to KRS 12.050. The director shall be responsible for overseeing the administration of the funds and the maintenance of records regarding the payment of claims by the funds.

- (2) The special fund shall have no liability upon any claim in which the injury occurred, or for cumulative trauma, the disability became manifest, or, for occupational disease, if the date of injury or last exposure occurred, after December 12, 1996.
- (3) Where the employer has settled its liability for income benefits and thereafter a determination has been made of the special fund's liability, the special fund portion of the benefit rate shall be paid over the maximum period provided for by statute for that disability, with the period of payment beginning on the date settlement was approved by an administrative law judge. This provision is remedial and shall apply to all pending and future claims.

➔Section 153. KRS 342.122 is amended to read as follows:

- (1) (a) For calendar year 1997 and for each calendar year thereafter, for the purpose of funding and prefunding the liabilities of the special fund, financing the administration and operation of the Kentucky Workers' Compensation Funding Commission, and financing the expenditures for all programs in the *Department of Workers' Claims, Occupational Safety and Health Review Commission, Workers' Compensation Nominating Committee, Department of Workplace Standards, except expenditures for the Division of Wages and Hours contained in the Department of Workplace Standards and the proportional support for general administration and support based on an approved indirect cost allocation plan within the Education and Labor* Cabinet, ~~except the Division of Wages and Hours in the Department of Workplace Standards,~~ as reflected in the enacted budget of the Commonwealth and enacted by the General Assembly, the funding commission shall impose a special fund assessment rate of nine percent (9%) upon the amount of workers' compensation premiums received on and after January 1, 1997, through December 31, 1997, by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every self-insured group operating under the provisions of KRS 342.350(4) and Chapter 304, and against the premium, as defined in KRS 342.0011, of every employer carrying his or her own risk.
- (b) The funding commission shall, for calendar year 1998 and thereafter, establish for the special fund an assessment rate to be assessed against all premium received during that calendar year which shall produce enough revenue to amortize on a level basis the unfunded liability of the special fund as of June 30 preceding January 1 of each year, for the period remaining until December 31, 2029. The interest rate to be used in this calculation shall reflect the funding commission's investment experience to date and the current investment policies of the commission. This assessment shall be imposed upon the amount of workers' compensation premiums received by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every self-insured group operating under the provisions of KRS 342.350(4) and Chapter 304, and against the premium, as defined in KRS 342.0011, of every employer carrying its own risk. On or before October 1 of each year, the commission shall notify each insurance carrier writing workers' compensation insurance in the Commonwealth, every group of self-insured employers, and each employer carrying its own risk, of the rates which shall become effective on January 1 of each year, unless modified by the General Assembly.
- (c) All assessments imposed by this section shall be paid to the Kentucky Workers' Compensation Funding Commission and shall be credited to the benefit reserve fund within the Kentucky Workers' Compensation Funding Commission.
- (d) The assessments imposed in this chapter shall be in lieu of all other assessments or taxes on workers' compensation premiums.
- (2) (a) These assessments shall be paid quarterly not later than the thirtieth day of the month following the end of the quarter in which the premium is received. Receipt shall be considered timely through actual physical receipt or by postmark of the United States Postal Service. Employers carrying their own risk and employers defined in KRS 342.630(2) shall pay the annual assessments in four (4) equal quarterly installments.

- (b) Beginning on January 1, 2020, all assessments shall be electronically remitted to the funding commission quarterly not later than the thirtieth day of the month following the end of the quarter in which the premium is received. Receipt shall be considered timely when filed and remitted using the appropriate electronic pay system as prescribed by the funding commission. Employers carrying their own risk and employers defined in KRS 342.630(2) shall pay the annual assessments in four (4) equal quarterly installments.
- (3) The assessments imposed by this section may be collected by the insurance carrier from the insured. However, the insurance carrier shall not collect from the employer any amount exceeding the assessments imposed pursuant to this section. If the insurance carrier collects the assessment from an insured, the assessment shall be collected at the same time and in the same proportion as the premium is collected. The assessment for an insurance policy or other evidence of coverage providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible. Each statement from an insurance carrier presented to an insured reflecting premium and assessment amounts shall clearly identify and distinguish the amount to be paid for premium and the amount to be paid for assessments. No insurance carrier shall collect from an insured an amount in excess of the assessment percentages imposed by this chapter. The assessment for an insurance policy or other evidence of coverage providing a deductible may be collected in accordance with this chapter on a premium amount that equates to the premium that would have applied without the deductible. The percentages imposed by this chapter for an insurance policy issued by an insurance company shall be those percentages in effect on the annual effective date of the policy, regardless of the date that the premium is actually received by the insurance company.
- (4) A self-insured group may elect to report its premiums and to have its assessments computed in the same manner as insurance companies. This election may not be rescinded for at least ten (10) years, nor may this election be made a second time for at least another ten (10) years, except that the board of directors of the funding commission may, at its discretion, waive the ten (10) year ban on a case-by-case basis after formal petition has been made to the funding commission by a self-insured group.
- (5) The funding commission, as part of the collection and auditing of the special fund assessments required by this section, shall annually require each insurance carrier and each self-insured group to provide a list of employers which it has insured or which are members and the amount collected from each employer. Additionally, the funding commission shall require each entity paying a special fund assessment to report the SIC code for each employer and the amount of premium collected from each SIC code. An insurance carrier or self-insured group may require its insureds or members to furnish the SIC code for each of their employees. However, the failure of any employer to furnish said codes shall not relieve the insurance carrier or self-insured group from the obligation to furnish same to the funding commission. The Department of Workforce ~~Investment~~, Education and ~~Labor~~~~Workforce Development~~ Cabinet, is hereby directed to make available the SIC codes assigned in its records to specific employers to aid in the reporting and recording of the special fund assessment data.
- (6) Each self-insured employer, self-insured group, or insurance carrier shall provide any information and submit any reports the Department of Revenue or the funding commission may require to effectuate the provisions of this section. In addition, the funding commission may enter reciprocal agreements with other governmental agencies for the exchange of information necessary to effectuate the provisions of this section.
- (7) The special fund shall be required to maintain a central claim registry of all claims to which it is named a party, giving each such claim a unique claim number and thereafter recording the status of each claim on a current basis. The registry shall be established by January 26, 1988, for all claims on which payments were made since July 1, 1986, or which were pending adjudication since July 1, 1986, by audit of all claim files in the possession of the special fund.
- (8) The fund heretofore designated as the subsequent claim fund is abolished, and there is substituted therefor the special fund as set out by this section, and all moneys and properties owned by the subsequent claim fund are transferred to the special fund.
- (9) Notwithstanding any other provisions of this section or this chapter to the contrary, the total amount of funds collected pursuant to the assessment rates adopted by the funding commission shall not be limited to the provisions of this section.
- (10) All assessment rates imposed for periods prior to January 1, 1997, under KRS 342.122 shall forever remain applicable to premiums received on policies with effective dates prior to January 1, 1997, by every insurance carrier writing workers' compensation insurance in the Commonwealth, by every self-insured group operating

under the provision of KRS 342.350(4) and Chapter 304, and against the premium, as defined in KRS 342.0011, of every employer carrying its own risk.

➔Section 154. KRS 342.1223 is amended to read as follows:

The fees charged by financial institutions for managing the investments of the funds of the funding commission shall be paid from the investment earnings of the funds.

- (5) The commission shall be attached to the *Education and* Labor Cabinet for administrative purposes only.

➔Section 155. KRS 342.1224 is amended to read as follows:

For the purposes of this chapter, the average weekly wage of the state shall be determined by the commissioner as follows: On or before September 1 of each year, the total wages reported by subject employers under the Kentucky Unemployment Insurance Law for the preceding calendar year shall be divided by the average monthly number of insured workers (determined by dividing the total number of insured workers reported for the preceding year by twelve (12)). The average annual wage thus obtained shall be divided by fifty-two (52) and the average weekly wage thus determined rounded to the nearest cent. The average weekly wage shall be certified to the commissioner by the Education and ~~Labor~~~~Workforce Development~~ Cabinet in a manner prescribed by the commissioner by administrative regulation. In addition, the commissioner shall report not less often than annually a summary report on the financial soundness of the individual self-insurers.
- (2) The Economic Development and Workforce Investment Committee of the General Assembly shall annually review the administrative regulations promulgated pursuant to the individual provisions under this chapter.
- (3) On July 1, 1994, the Division of Security and Compliance of the Department of Workers' Claims in the *Education and Labor Cabinet* shall be expanded by five (5) employees. These additional employees shall be employed for the purpose of conducting financial audits, examinations, and reviews and other activities necessary to ensure and monitor the financial soundness of the individual self-insured employers authorized pursuant to KRS 342.340.

➔Section 161. KRS 342.710 is amended to read as follows:

- (1) One of the primary purposes of this chapter shall be restoration of the injured employee to gainful employment, and preference shall be given to returning the employee to employment with the same employer or to the same or similar employment.
- (2) The commissioner shall continuously study the problems of rehabilitation, both physical and vocational, and shall investigate and maintain a directory of all rehabilitation facilities, both private and public.
- (3) An employee who has suffered an injury covered by this chapter shall be entitled to prompt medical rehabilitation services for whatever period of time is necessary to accomplish physical rehabilitation goals which are feasible, practical, and justifiable. When as a result of the injury he or she is unable to perform work for which he or she has previous training or experience, he or she shall be entitled to such vocational rehabilitation services, including retraining and job placement, as may be reasonably necessary to restore him or her to suitable employment. In all such instances, the administrative law judge shall inquire whether such services have been voluntarily offered and accepted. The administrative law judge on his or her own motion, or upon application of any party or carrier, after affording the parties an opportunity to be heard, may refer the employee to a qualified physician or facility for evaluation of the practicability of, need for, and kind of service, treatment, or training necessary and appropriate to render him or her fit for a remunerative occupation. Upon receipt of such report, the administrative law judge may order that the services and treatment recommended in the report, or such other rehabilitation treatment or service likely to return the employee to suitable, gainful employment, be provided at the expense of the employer or its insurance carrier. Vocational rehabilitation training, treatment, or service shall not extend for a period of more than fifty-two (52) weeks, except in unusual cases when by special order of the administrative law judge, after hearing and upon a finding, determined by sound medical evidence which indicates such further rehabilitation is feasible, practical, and justifiable, the period may be extended for additional periods.
- (4) Where rehabilitation requires residence at or near the facility or institution, away from the employee's customary residence, reasonable cost of his or her board, lodging, or travel shall be paid for by the employer or its insurance carrier.

- (5) Refusal to accept rehabilitation pursuant to an order of an administrative law judge shall result in a fifty percent (50%) loss of compensation for each week of the period of refusal.
- (6) The commissioner shall cooperate on a reciprocal basis with the Office of Vocational Rehabilitation and the Department of Workforce ~~Development~~~~Investment~~ of the Education and ~~Labor~~~~Workforce Development~~ Cabinet. In the event medical treatment, medical rehabilitation services, or vocational rehabilitation services are purchased for an injured employee by the Office of Vocational Rehabilitation or Department of Workforce ~~Development~~~~Investment~~ following the refusal by the employer or its insurance carrier to provide such services, the administrative law judge, after affording the parties an opportunity to be heard, may order reimbursement of the cost of such treatment or services by the employer or its insurance carrier as apportioned in the award. This section shall not be interpreted to require mandatory evaluation of employees based on length of disability. Any administrative regulations promulgated pursuant to this section that require mandatory referral to a qualified rehabilitation counselor shall expire on April 4, 1994.
- (7) An employee who is enrolled and participating in a program of rehabilitation training pursuant to this section may elect to receive an acceleration of benefits as awarded under KRS 342.730. Such acceleration shall be available to the employee during the period of retraining, but in no event shall be paid in a weekly amount greater than sixty-six and two-thirds percent (66-2/3%) of the average weekly wage upon which the award is based, not to exceed one hundred percent (100%) of the state average weekly wage. Upon successful completion of the rehabilitation program, the total of all accelerated benefits paid shall be deducted on a dollar-for-dollar basis, without discount, from weekly benefits otherwise due the employee subject to the maximum amount of the award. Such remaining benefits, if any, shall then be divided by the number of weeks remaining payable under the award, and that amount shall be the weekly benefit due the employee. If a program of rehabilitation training is terminated by the employee prior to completion, all sums paid on an accelerated basis shall be discounted at the rate set forth in KRS 342.265 and then deducted on a dollar-for-dollar basis from weekly benefits otherwise due the employee subject to the maximum amount of the award. Such remaining benefits, after the discount, shall be divided by the number of weeks remaining payable under the award, and that amount shall be the weekly benefit due the employee. In no event shall this subsection be construed as requiring payment of benefits in excess of the total of those benefits which would otherwise be payable under the award.

The program must be approved under administrative regulations to be promulgated by the commissioner. These benefits shall also be paid to an employee who is a part-time student taking not less than the equivalent of six (6) nor more than eleven (11) credit hours per week, except that benefits shall be an amount equal to thirty-three and one-third percent (33-1/3%) of the employee's average weekly wage as determined by KRS 342.740, but not more than thirty-seven and one-half percent (37-1/2%) of the state average weekly wage, payable biweekly for a period not to exceed two hundred eight (208) weeks.

 8. A claim for retraining incentive benefits provided under this section may be filed, but benefits shall not be payable, while an employee is employed in the severance or processing of coal as defined in KRS 342.0011(23).
 9. If an employer appeals an award of retraining incentive benefits, upon an employee's motion, an administrative law judge may grant retraining incentive benefits pending appeal as interlocutory relief.
 10. If an employee elects to defer payment of retraining incentive benefits for a period of retraining longer than three hundred sixty-five (365) days, benefits otherwise payable shall be reduced week-for-week for each week retraining benefits are further deferred;
- (b)
1. If an employee has a radiographic classification of category 1/0, 1/1, or 1/2 coal workers' pneumoconiosis and respiratory impairment evidenced by spirometric test values of fifty-five percent (55%) or more but less than eighty percent (80%) of the predicted normal values, or category 2/1, 2/2, or 2/3 coal workers' pneumoconiosis and spirometric test values of eighty percent (80%) or more of the predicted normal values, there shall be an irrebuttable presumption that the employee has a disability rating of twenty-five percent (25%) resulting from exposure to coal dust, and the employee shall be awarded an income benefit which shall be an amount equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage, but not to exceed seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740 multiplied by the disability rating of twenty-five percent (25%). - (c) If it is determined that an employee has a radiographic classification of category 1/0, 1/1, or 1/2, and respiratory impairment resulting from exposure to coal dust as evidenced by spirometric test values of

less than fifty-five percent (55%) of the predicted normal values, or category 2/1, 2/2, or 2/3 coal workers' pneumoconiosis and respiratory impairment evidenced by spirometric test values of fifty-five percent (55%) or more but less than eighty percent (80%) of the predicted normal values, or category 3/2 or 3/3 coal workers' pneumoconiosis and spirometric test values of eighty percent (80%) or more, there shall be an irrebuttable presumption that the employee has a disability rating of fifty percent (50%) resulting from exposure to coal dust, and the employee shall be awarded an income benefit which shall be an amount equal to sixty-six and two-thirds percent (66-2/3%) of the employee's average weekly wage but not to exceed seventy-five percent (75%) of the state average weekly wage as determined by KRS 342.740 multiplied by the disability rating of fifty percent (50%). The evidence submitted by the employee shall include one (1) or more arterial blood gas studies performed in accordance with accepted medical standards. Income benefits shall not be awarded in the absence of valid spirometric tests if the claimant's PO₂ arterial blood gas value is equal to or higher than one (1) standard deviation from the normal value obtained by the formula $(103.5 - 0.42X)$, where X equals the claimant's age at the time of the arterial blood gas study.

The Cabinet for Health and Family Services, the Education and ~~Labor~~**Workforce** ~~Development~~ Cabinet, and the Department of Education may assess reasonable charges for services rendered under this chapter, based upon a sliding fee scale which takes into account the extensive services required as a result of, and the extraordinary expenses related to, a developmental disability; provided that no charges for services rendered under this chapter may be assessed for compliance with requirements and responsibilities mandated under any state or federal act as provided under subsection (5) of KRS 347.010.

➔Section 173. KRS 393.082 is amended to read as follows:

- (1) Unclaimed sums delivered to the Kentucky State Treasurer pursuant to KRS 393.080(3) shall be placed in a special expendable trust fund established by the Kentucky Workers' Compensation Funding Commission. The Kentucky Workers' Compensation Funding Commission shall establish a separate trust account with respect to each final determination or order providing for a refund that the Attorney General determines to have a reasonable relationship to the workers' compensation liability of a bankrupt employer.

- (2) The commissioner of the Department of Workers' Claims shall be the administrator of the resulting trust fund established pursuant to this section. The commissioner or his or her designee shall be authorized to determine the value of all workers' compensation claims against the bankrupt employer and to prepare a comprehensive distribution plan. Eligible claimants may elect to participate in a comprehensive distribution plan in exchange for the release of all related claims against the Commonwealth and all of its cabinets, departments, offices, bureaus, agencies, officers, agents, and employees, with the exception of the special fund in the *Education and Labor Cabinet*. A claimant shall agree as part of a release under this section not to file any future motions to reopen the named workers' compensation claim or claims, and not to file new claims with respect to the same injury or occupational disease.
- (3) A comprehensive distribution plan for unclaimed utility refunds placed in a trust account pursuant to this section shall consist of the full payment of workers' compensation income benefits for eligible claimants until the fund is exhausted, subject to the exceptions noted in KRS 393.080 and this section, and may include lump-sum settlements in addition to biweekly payment plans. An initial distribution shall be made to eligible claimants after the commissioner of the Department of Workers' Claims, or the commissioner's designee, has made an initial determination of the number of eligible claimants, the amount of income benefits due, and the amount to be retained as a reserve for pending claims. The initial distribution shall include payment of all past due income benefits, without interest, for eligible claimants.
- (4) Neither the special fund nor the uninsured employers' fund shall be considered to be claimants for the purposes of this section. Medical and related benefits shall not be considered in the valuation of the claims unless the amount available in the trust fund clearly exceeds the estimated value of income benefits for all claims. If a workers' compensation surety bond, letter of credit, or other form of security for the payment of the workers' compensation liabilities of a bankrupt employer has been collected by the commissioner of the Department of Workers' Claims or the Workers' Compensation Board for distribution to claimants in a manner to be determined by court order, it may be assumed in the valuation of the claims in a comprehensive distribution plan that the security will be distributed by the court on a pro rata basis and an appropriate deduction may be taken.
- (5) In preparing the valuation of claims for inclusion in a comprehensive distribution plan, the commissioner or the commissioner's designee shall deduct special fund payments. Settlement of a workers' compensation claim as part of a comprehensive distribution plan under this section shall not accelerate the date on which the special fund's liability becomes due.
- (6) If the bankrupt employer ceased business operations at least three (3) years prior to establishment of a trust account pursuant to this section, only claimants who file workers' compensation claims within sixty (60) days of the establishment of the trust account or before shall be eligible to receive payments from the trust fund.
- (7) All claimants shall cooperate with information requests from the Department of Workers' Claims concerning prior payments of workers' compensation benefits. The commissioner of the Department of Workers' Claims or his or her designee may subpoena witnesses, including present or past managers and officers of the bankrupt employer, and may conduct evidentiary hearings under oath relating to the past and present workers' compensation liabilities of the bankrupt employer or information relevant to unpaid workers' compensation benefits. Administrative subpoenas issued under the authority of the commissioner of the Department of Workers' Claims for this purpose may be enforced in the Franklin Circuit Court.
- (8) The Attorney General shall provide representation of the comprehensive distribution plan as a named defendant in the event the establishment of the trust fund is challenged.
- (9) The provisions of KRS 393.080(3) or this section shall not be construed to constitute an admission of the validity of any workers' compensation claims, nor shall these provisions be interpreted in a manner that would transfer or create liability on behalf of the commissioner of the Department of Workers' Claims, any agency, or employee, beyond that expressly set forth in a comprehensive distribution plan.
- (10) The special fund shall issue trust fund checks in the amounts and to the claimants or claimants' representatives as directed by the commissioner of the Department of Workers' Claims.
- (11) The personnel and other costs of administering a trust fund established pursuant to this section shall be paid out of the investment income of the trust fund.
- (12) Attorney fees shall be subject to the limitations and maximum amounts for the payment of attorney's fees established by KRS 342.320, as well as the approval of the commissioner or his or her designee.

- (13) If a workers' compensation claimant elects not to participate in a comprehensive distribution plan proposed by the commissioner of the Department of Workers' Claims or the commissioner's designee, that claimant shall not be entitled to any portion of the utility refund for the payment of the workers' compensation benefits. A claimant shall have sixty (60) days following issuance of a comprehensive distribution plan in which to make an election to participate or not.

➔Section 2. KRS 132.590 is amended to read as follows:

(1) The compensation of the property valuation administrator shall be based on the schedule contained in subsection (2) of this section as modified by subsection (3) of this section. The compensation of the property valuation administrator shall be calculated by the department annually. Should a property valuation administrator for any reason vacate the office in any year during his term of office, he shall be paid only for the calendar days actually served during the year.

(2) The salary schedule for property valuation administrators provides for nine (9) levels of salary based upon the population of the county in the prior year as determined by the United States Department of Commerce, Bureau of the Census annual estimates. To implement the salary schedule, the department shall, by November 1 of each year, certify for each county the population group applicable to each county based on the most recent estimates of the United States Department of Commerce, Bureau of the Census. The salary schedule provides four (4) steps for yearly increments within each population group. Property valuation administrators shall be paid according to the first step within their population group for the first year or portion thereof they serve in office. Thereafter, each property valuation administrator, on January 1 of each subsequent year, shall be advanced automatically to the next step in the salary schedule until the maximum salary figure for the population group is reached. If the county population as certified by the department increases to a new group level, the property valuation administrator's salary shall be computed from the new group level at the beginning of the next year. A change in group level shall have no effect on the annual change in step. Prior to assuming office, any person who has previously served as a property valuation administrator must certify to the department the total number of years, not to exceed four (4) years, that the person has previously served in the office. The department shall place the person in the proper step based upon a formula of one (1) incremental step per full calendar year of service:

- (3) (a) For calendar year 2000, the salary schedule in subsection (2) of this section shall be increased by the amount of increase in the annual consumer price index as published by the United States Department of Commerce for the year ended December 31, 1999. This salary adjustment shall take effect on July 14, 2000, and shall not be retroactive to the preceding January 1.
- (b) For each calendar year beginning after December 31, 2000, upon publication of the annual consumer price index by the United States Department of Commerce, the annual rate of salary for the property valuation administrator shall be determined by applying the increase in the consumer price index to the salary in effect for the previous year. This salary determination shall be retroactive to the preceding January 1.
- (c) In addition to the step increases based on service in office, each property valuation administrator shall be paid an annual incentive of six hundred eighty-seven dollars and sixty-seven cents (\$687.67) per calendar year for each forty (40) hour training unit successfully completed based on continuing service in that office and, except as provided in this subsection, completion of at least forty (40) hours of approved training in each subsequent calendar year. If a property valuation administrator fails without good cause, as determined by the commissioner of the department, to obtain the minimum amount of approved training in any year, the officer shall lose all training incentives previously accumulated. No property valuation administrator shall receive more than one (1) training unit per calendar year nor more than four (4) incentive payments per calendar year. Each property valuation administrator shall be allowed to carry forward up to forty (40) hours of training credit into the following calendar year for the purpose of satisfying the minimum amount of training for that year. This amount shall be increased by the consumer price index adjustments prescribed in paragraphs (a) and (b) of this subsection. Each training unit shall be approved and certified by the department. Each unit shall be available to property valuation administrators in each office based on continuing service in that office. The department shall promulgate administrative regulations in accordance with KRS Chapter 13A to establish guidelines for the approval and certification of training units.
- (4) Notwithstanding any provision contained in this section, no property valuation administrator holding office on July 14, 2000, shall receive any reduction in salary or reduction in adjustment to salary otherwise allowable by the statutes in force on July 14, 2000.
- (5) Deputy property valuation administrators and other authorized personnel may be advanced one (1) step in grade upon completion of twelve (12) months' continuous service. The department may make grade classification changes corresponding to any approved for department employees in comparable positions, so

long as the changes do not violate the integrity of the classification system. Subject to availability of funds, the department may extend cost-of-living increases approved for department employees to deputy property valuation administrators and other authorized personnel, by advancement in grade.

- (6) Beginning with the 1990-1992 biennium, the department shall prepare a biennial budget request for the staffing of property valuation administrators' offices. An equitable allocation of employee positions to each property valuation administrator's office in the state shall be made on the basis of comparative assessment work units. Assessment work units shall be determined from the most current objective information available from the United States Bureau of the Census and other similar sources of unbiased information. Beginning with the 1996-1998 biennium, assessment work units shall be based on parcel count per employee. The total sum allowed by the state to any property valuation administrator's office as compensation for deputies, other authorized personnel, and for other authorized expenditures shall not exceed the amount fixed by the department. However, each property valuation administrator's office shall be allowed as a minimum such funds that are required to meet the federal minimum wage requirements for two (2) full-time deputies.
- (7) Beginning with the 1990-1992 biennium each property valuation administrator shall submit by June 1 of each year for the following fiscal year to the department a budget request for his office which shall be based upon the number of employee positions allocated to his office under subsection (6) of this section and upon the county and city funds available to his office and show the amount to be expended for deputy and other authorized personnel including employer's share of FICA and state retirement, and other authorized expenses of the office. The department shall return to each property valuation administrator, no later than July 1, an approved budget for the fiscal year.
- (8) Each property valuation administrator may appoint any persons approved by the department to assist him in the discharge of his duties. Each deputy shall be more than twenty-one (21) years of age and may be removed at the pleasure of the property valuation administrator. The salaries of deputies and other authorized personnel shall be fixed by the property valuation administrator in accordance with the grade classification system established by the department and shall be subject to the approval of the department. The Personnel Cabinet shall provide advice and technical assistance to the department in the revision and updating of the personnel classification system, which shall be equitable in all respects to the personnel classification systems maintained for other state employees. Any deputy property valuation administrator employed or promoted to a higher position may be examined by the department in accordance with standards of the Personnel Cabinet, for the position to which he is being appointed or promoted. No state funds available to any property valuation administrator's office as compensation for deputies and other authorized personnel or for other authorized expenditures shall be paid without authorization of the department prior to the employment by the property valuation administrator of deputies or other authorized personnel or the incurring of other authorized expenditures.
- (9) Each county fiscal court shall annually appropriate and pay each fiscal year to the office of the property valuation administrator as its cost for use of the assessment, as required by KRS 132.280, an amount determined as follows:

Assessment Subject to

County Tax of:

At Least	But Less Than	Amount

150,000,000	300,000,000	\$0.004 for each \$100 of the first \$150,000,000 and \$0.003 for each \$100 over \$150,000,000.
300,000,000	----	\$0.004 for each \$100.

- (10) The total sum to be paid by the fiscal court to any property valuation administrator's office under the provisions of subsection (9) of this section shall not exceed the limits set forth in the following table:

County Tax of:		
At Least	But Less Than	Limit

This allowance shall be based on the assessment as of the previous January 1 and shall be used for deputy and other personnel allowance, supplies, maps and equipment, travel allowance for the property valuation administrator and his deputies and other authorized personnel, and other authorized expenses of the office.

- (11) Annually, after appropriation by the county of funds required of it by subsection (9) of this section, and no later than August 1, the property valuation administrator shall file a claim with the county for that amount of the appropriation specified in his approved budget for compensation of deputies and assistants, including employer's shares of FICA and state retirement, for the fiscal year. The amount so requested shall be paid by the county into the State Treasury by September 1, or paid to the property valuation administrator and be submitted to the State Treasury by September 1. These funds shall be expended by the department only for compensation of approved deputies and assistants and the employer's share of FICA and state retirement in the appropriating county. Any funds paid into the State Treasury in accordance with this provision but unexpended by the close of the fiscal year for which they were appropriated shall be returned to the county from which they were received.
- (12) After submission to the State Treasury or to the property valuation administrator of the county funds budgeted for personnel compensation under subsection (11) of this section, the fiscal court shall pay the remainder of the county appropriation to the office of the property valuation administrator on a quarterly basis. Four (4) equal payments shall be made on or before September 1, December 1, March 1, and June 1 respectively. Any unexpended county funds at the close of each fiscal year shall be retained by the property valuation administrator, except as provided in KRS 132.601(2). During county election years the property valuation administrator shall not expend in excess of forty percent (40%) of the allowances available to his office from county funds during the first five (5) months of the fiscal year in which the general election is held.
- (13) The provisions of this section shall apply to urban-county governments and consolidated local governments. In an urban-county government and a consolidated local government, all the rights and obligations conferred on fiscal courts or consolidated local governments by the provisions of this section shall be exercised by the urban-county government or consolidated local government.
- (14) When an urban-county form of government is established through merger of existing city and county governments as provided in KRS Chapter 67A or when a consolidated local government is established through merger of existing city and county governments as provided by KRS Chapter 67C, the annual county assessment shall be presumed to have been adopted as if the city had exercised the option to adopt as provided in KRS 132.285. For purposes of this subsection, the amount to be considered as the assessment for purposes of KRS 132.285 shall be the amount subject to taxation for full urban services.
- (15) Notwithstanding the provisions of subsection (9) of this section, the amount appropriated and paid by each county fiscal court to the office of the property valuation administrator for 1996 and subsequent years shall be equal to the amount paid to the office of the property valuation administrator for 1995, or the amount required by the provisions of subsections (9) and (10) of this section, whichever is greater.

- (16) *Notwithstanding this section or any other Kentucky Revised Statute to the contrary, the total compensation for the office of the property valuation administrator in an urban-county government shall be \$420,000 per year.*
